listen live to the Outlander show

15

00:00:52,970 --> 00:00:49,649

blasting off with UFO reports a sighting

16

00:00:55,459 --> 00:00:52,980

in Pine Lake Alberta this is a UFO blast

17

00:00:59,959 --> 00:00:55,469

from the past but not too far this is

18

00:01:04,149 --> 00:00:59,969

August 28th 2012 in brief the witness

19

00:01:07,670 --> 00:01:04,159

states red orbs that came close to me I

20

00:01:10,160 --> 00:01:07,680

was at Pine Lake leisure Club in Pine

21

00:01:13,190 --> 00:01:10,170

Lake Alberta and I was flying my RC

22

00:01:15,649 --> 00:01:13,200

plane with red lights in a field close

23

00:01:19,580 --> 00:01:15,659

to the campground making people in the

24

00:01:22,070 --> 00:01:19,590

campground think it was a UFO then a

25

00:01:24,410 --> 00:01:22,080

couple of minutes into my flight I see

26  
00:01:27,109 --> 00:01:24,420  
the light come down out of the clouds to

27  
00:01:30,260 --> 00:01:27,119  
the west of me at least a couple of

28  
00:01:32,899 --> 00:01:30,270  
kilometers away and then it started to

29  
00:01:35,030 --> 00:01:32,909  
come in my direction I thought it was a

30  
00:01:38,149 --> 00:01:35,040  
small plane coming to see what my plane

31  
00:01:41,929 --> 00:01:38,159  
was as that has happened before but the

32  
00:01:45,649 --> 00:01:41,939  
closer it came I could see it was a red

33  
00:01:48,679 --> 00:01:45,659  
pulsing orb of light it came to a couple

34  
00:01:53,690 --> 00:01:48,689  
hundred feet away and then turned to the

35  
00:01:55,969 --> 00:01:53,700  
south and almost stopped then I noticed

36  
00:01:59,359 --> 00:01:55,979  
two more that seemed to come out of

37  
00:02:03,139 --> 00:01:59,369  
nowhere I was having a hard time to keep

38  
00:02:05,780 --> 00:02:03,149

my plane in the air and watch them and I

39

00:02:07,700 --> 00:02:05,790

was getting very scared by then so I

40

00:02:09,020 --> 00:02:07,710

landed it as fast as I could

41

00:02:10,639 --> 00:02:09,030

well now you see how you scare people

42

00:02:13,610 --> 00:02:10,649

with your plane making them think of the

43

00:02:17,720 --> 00:02:13,620

UFO hello ah payback

44

00:02:21,309 --> 00:02:17,730

I'm just kidding these things change

45

00:02:24,080 --> 00:02:21,319

direction and altitude at free will I

46

00:02:26,960 --> 00:02:24,090

started to run across the field as fast

47

00:02:31,069 --> 00:02:26,970

as I could back to the car and as I did

48

00:02:33,020 --> 00:02:31,079

two of them slowly followed me right to

49

00:02:36,350 --> 00:02:33,030

the car maybe a hundred to two hundred

50

00:02:39,740 --> 00:02:36,360

feet above me I seen approximately eight

51  
00:02:42,589 --> 00:02:39,750  
to twelve of them I was pretty shaken up

52  
00:02:45,530 --> 00:02:42,599  
I drove back through the campground to

53  
00:02:48,920 --> 00:02:45,540  
our cabin I ran into the cabinets on my

54  
00:02:51,979 --> 00:02:48,930  
friend what I'd seen she then told me

55  
00:02:55,849 --> 00:02:51,989  
she was videotaping me and got three of

56  
00:02:59,030 --> 00:02:55,859  
them on video I went back outside to her

57  
00:03:01,640 --> 00:02:59,040  
and a few more flew right over the cabin

58  
00:03:04,220 --> 00:03:01,650  
she took another short video of one she

59  
00:03:06,110 --> 00:03:04,230  
was able to focus on I then took a

60  
00:03:08,539 --> 00:03:06,120  
couple of pictures of them that seemed

61  
00:03:11,750 --> 00:03:08,549  
to only be a couple hundred feet above

62  
00:03:14,479 --> 00:03:11,760  
me at most in the video and looking at

63  
00:03:16,550 --> 00:03:14,489

them they look like red orbs but when

64

00:03:19,129 --> 00:03:16,560

you zoom in on my pictures you can

65

00:03:22,580 --> 00:03:19,139

clearly see they are two different

66

00:03:25,339 --> 00:03:22,590

shapes and they don't even look red what

67

00:03:27,650 --> 00:03:25,349

was almost tube shape another was kind

68

00:03:31,720 --> 00:03:27,660

of round with almost what looks like a

69

00:03:34,819 --> 00:03:31,730

tail they were following me for sure

70

00:03:38,000 --> 00:03:34,829

some flew back up into the sky and some

71

00:03:41,030 --> 00:03:38,010

seemed to go to the South East before

72

00:03:43,129 --> 00:03:41,040

going out of sight I was pretty scared

73

00:03:46,580 --> 00:03:43,139

and in shock of what just happened I

74

00:03:48,409 --> 00:03:46,590

have both videos on YouTube but my

75

00:03:50,659 --> 00:03:48,419

pictures I have showed different shapes

76  
00:03:54,890 --> 00:03:50,669  
that you couldn't see by the naked eye

77  
00:03:58,789 --> 00:03:54,900  
or in video I also saw one red orb and

78  
00:04:01,430 --> 00:03:58,799  
Fort Sask Alberta just last two years

79  
00:04:04,280 --> 00:04:01,440  
while flying at night again but I was

80  
00:04:07,430 --> 00:04:04,290  
only meet only one but it never came as

81  
00:04:10,449 --> 00:04:07,440  
close it's seen in my plane and then

82  
00:04:12,710 --> 00:04:10,459  
flew off in the same direction it came

83  
00:04:18,319 --> 00:04:12,720  
wasn't it interesting never heard of

84  
00:04:19,789 --> 00:04:18,329  
drones attracting jack ting UFOs that's

85  
00:04:22,760 --> 00:04:19,799  
pretty that's pretty cool pretty wild

86  
00:04:26,000 --> 00:04:22,770  
pretty wild the next UFO sighting this

87  
00:04:27,650 --> 00:04:26,010  
happened in Great Falls Montana

88  
00:04:31,550 --> 00:04:27,660

this occurred January 20

89

00:04:35,870 --> 00:04:31,560  
for 2018 black shape sphere-like

90

00:04:39,910 --> 00:04:35,880  
over a half acre in size by Air Force

91

00:04:45,020 --> 00:04:39,920  
security police who were two miles away

92

00:04:47,750 --> 00:04:45,030  
contact at OC Mel Mel m'm Air Force Base

93

00:04:50,570 --> 00:04:47,760  
just reported that another sighting has

94

00:04:55,820 --> 00:04:50,580  
just occurred over a launch site causing

95

00:04:58,880 --> 00:04:55,830  
power outage for 10 minutes object

96

00:05:03,260 --> 00:04:58,890  
described as over a half acre in size

97

00:05:05,540 --> 00:05:03,270  
described only as black if contacted

98

00:05:09,340 --> 00:05:05,550  
Malmstrom Air Force Base will confirm

99

00:05:11,360 --> 00:05:09,350  
power outage but nothing more

100

00:05:15,050 --> 00:05:11,370  
investigators are on their way last

101  
00:05:19,130 --> 00:05:15,060  
sighting was in May 2017 this source is

102  
00:05:21,700 --> 00:05:19,140  
reliable and confirmed as I am retired

103  
00:05:25,280 --> 00:05:21,710  
police detective not given to

104  
00:05:27,710 --> 00:05:25,290  
exaggerations ok well it was a little

105  
00:05:32,690 --> 00:05:27,720  
hard to read I just read the stuff I

106  
00:05:34,250 --> 00:05:32,700  
don't edit it okay this next one oh this

107  
00:05:36,820 --> 00:05:34,260  
a UFO blast from the past

108  
00:05:38,000 --> 00:05:36,830  
black triangle sighting and Escalon

109  
00:05:41,720 --> 00:05:38,010  
California

110  
00:05:44,620 --> 00:05:41,730  
this occurred October 1st 2004 large

111  
00:05:49,430 --> 00:05:44,630  
black triangle hovered directly above

112  
00:05:53,680 --> 00:05:49,440  
three burners lit object ascended then

113  
00:05:56,570 --> 00:05:53,690

zigzagged across the sky out of sight I

114

00:05:58,700 --> 00:05:56,580

was at work covering the night shift at

115

00:06:01,580 --> 00:05:58,710

a residential care facility in a

116

00:06:03,050 --> 00:06:01,590

somewhat rural area and around 10:00

117

00:06:06,500 --> 00:06:03,060

p.m. I stepped out back for a smoke

118

00:06:09,290 --> 00:06:06,510

break that goes another smoker I had the

119

00:06:12,020 --> 00:06:09,300

handset to the facility landline in my

120

00:06:14,210 --> 00:06:12,030

front pocket and was talking on my cell

121

00:06:16,460 --> 00:06:14,220

phone when I exited the building I

122

00:06:19,880 --> 00:06:16,470

noticed right away that the night sky

123

00:06:23,390 --> 00:06:19,890

was unusually black as if the stars had

124

00:06:26,420 --> 00:06:23,400

been blotted out the night was clear and

125

00:06:29,450 --> 00:06:26,430

cool I looked up in time to see what I

126  
00:06:33,470 --> 00:06:29,460  
believe were three rocket burners light

127  
00:06:36,520 --> 00:06:33,480  
up almost simultaneously the object

128  
00:06:40,159 --> 00:06:36,530  
having these red orangish fiery lights

129  
00:06:40,860 --> 00:06:40,169  
ascended it did not climb it went

130  
00:06:44,850 --> 00:06:40,870  
straight

131  
00:06:47,430 --> 00:06:44,860  
up high in the sky then it's zigzagged

132  
00:06:51,000 --> 00:06:47,440  
across the sky toward the north and was

133  
00:06:51,930 --> 00:06:51,010  
out of sight I stood there stunned my

134  
00:06:54,570 --> 00:06:51,940  
heart was pounding

135  
00:06:59,490 --> 00:06:54,580  
I must have held my breath because I had

136  
00:07:04,920 --> 00:06:59,500  
to gasp for air I didn't believe in UFOs

137  
00:07:08,010 --> 00:07:04,930  
or any such thing now I'm not so sure I

138  
00:07:10,440 --> 00:07:08,020

realize that my cell phone stopped

139

00:07:12,720 --> 00:07:10,450

working when I tried to find the words

140

00:07:15,420 --> 00:07:12,730

to tell what I had just seen

141

00:07:18,210 --> 00:07:15,430

just then my stepfather an administrator

142

00:07:20,820 --> 00:07:18,220

of the care home arrived in the parking

143

00:07:23,700 --> 00:07:20,830

lot concerned because he couldn't reach

144

00:07:26,790 --> 00:07:23,710

me by either of the phones this is what

145

00:07:30,900 --> 00:07:26,800

I discovered my cell phone and LG shine

146

00:07:34,110 --> 00:07:30,910

aunt AT&T was toast when I told my

147

00:07:38,550 --> 00:07:34,120

stepfather I had just seen a UFO two

148

00:07:42,000 --> 00:07:38,560

Jets tore across the sky he said yeah

149

00:07:45,810 --> 00:07:42,010

there go the military planes I laughed

150

00:07:48,690 --> 00:07:45,820

the planes were so low for one second

151  
00:07:51,210 --> 00:07:48,700  
they were going the wrong direction one

152  
00:07:55,410 --> 00:07:51,220  
question I see almost every time I'm

153  
00:07:57,660 --> 00:07:55,420  
considering reporting this event is were

154  
00:08:00,600 --> 00:07:57,670  
there any fighter jets or military

155  
00:08:03,770 --> 00:08:00,610  
planes in the vicinity at the time if

156  
00:08:07,320 --> 00:08:03,780  
those planes I saw that night had any

157  
00:08:09,570 --> 00:08:07,330  
connection to the object I saw I can

158  
00:08:12,480 --> 00:08:09,580  
think of none but I mention it here

159  
00:08:16,020 --> 00:08:12,490  
because just in case such detail is

160  
00:08:19,110 --> 00:08:16,030  
relevant oh it's relevant if the pair of

161  
00:08:23,520 --> 00:08:19,120  
jets was supposed to escort the triangle

162  
00:08:25,400 --> 00:08:23,530  
or chase it that's just comical I loved

163  
00:08:29,460 --> 00:08:25,410

the innocence of some of these reports

164

00:08:32,700 --> 00:08:29,470

this thing was not a blimp and it had to

165

00:08:35,910 --> 00:08:32,710

have been unmanned otherwise the vehicle

166

00:08:38,700 --> 00:08:35,920

and any living beings should have been

167

00:08:43,650 --> 00:08:38,710

destroyed by the way the thing moved

168

00:08:44,390 --> 00:08:43,660

one other thing it made no sound what so

169

00:08:47,760 --> 00:08:44,400

ever

170

00:08:50,670 --> 00:08:47,770

the next UFO sighting happened in Lake

171

00:08:53,790 --> 00:08:50,680

Huntington New York on September 30th

172

00:08:54,130 --> 00:08:53,800

2017 out photographing with students

173

00:08:57,010 --> 00:08:54,140

when

174

00:08:58,540 --> 00:08:57,020

captured a UFO in the sky in more detail

175

00:09:00,820 --> 00:08:58,550

the witness States during digital

176  
00:09:02,110 --> 00:09:00,830  
photography class in high school and

177  
00:09:05,410 --> 00:09:02,120  
around 10:00 a.m.

178  
00:09:07,870 --> 00:09:05,420  
me and approximately 15 students were

179  
00:09:10,450 --> 00:09:07,880  
let outside to take pictures of anything

180  
00:09:13,840 --> 00:09:10,460  
they pleased I decided to snap around

181  
00:09:17,050 --> 00:09:13,850  
five pictures of our school flag in the

182  
00:09:19,890 --> 00:09:17,060  
wind hoping to capture a good photo upon

183  
00:09:22,600 --> 00:09:19,900  
returning to class a strange object

184  
00:09:25,570 --> 00:09:22,610  
appeared in photo number three

185  
00:09:28,600 --> 00:09:25,580  
however the object was not visible in

186  
00:09:31,510 --> 00:09:28,610  
the images taking half seconds before

187  
00:09:34,180 --> 00:09:31,520  
and after never noticed anything in the

188  
00:09:36,430 --> 00:09:34,190

sky while taking these photos total of

189

00:09:39,670 --> 00:09:36,440

five pictures were taken in a

190

00:09:45,940 --> 00:09:39,680

three-second bursts this object only

191

00:09:49,090 --> 00:09:45,950

appears in one the mystery deepens yes

192

00:09:52,690 --> 00:09:49,100

next your foe sighting comes from st.

193

00:09:53,830 --> 00:09:52,700

John's Newfoundland and lab this

194

00:09:58,210 --> 00:09:53,840

occurred

195

00:10:02,440 --> 00:09:58,220

July 10th 2017 in brief clearly visible

196

00:10:06,220 --> 00:10:02,450

and identifiable flying saucer shaped

197

00:10:08,710 --> 00:10:06,230

craft against a bright blue sky in the

198

00:10:11,650 --> 00:10:08,720

middle of the day in more detail

199

00:10:14,920 --> 00:10:11,660

I was driving west along a thorn Road

200

00:10:17,020 --> 00:10:14,930

st. John's Newfoundland when I saw

201  
00:10:20,920 --> 00:10:17,030  
something out of the corner of my eye on

202  
00:10:23,350 --> 00:10:20,930  
the left it was clearly an icon saucer

203  
00:10:27,810 --> 00:10:23,360  
shape with a dome on top and slightly

204  
00:10:31,210 --> 00:10:27,820  
dome shaped on the lower half it hovered

205  
00:10:34,120 --> 00:10:31,220  
completely stationary for approximately

206  
00:10:37,780 --> 00:10:34,130  
30 seconds before disappearing into thin

207  
00:10:41,800 --> 00:10:37,790  
air it winked out rather than flying

208  
00:10:43,990 --> 00:10:41,810  
away I felt weird I was thinking why

209  
00:10:48,430 --> 00:10:44,000  
aren't other cars stopping to look at

210  
00:10:52,570 --> 00:10:48,440  
this at the same time there's no reason

211  
00:10:55,870 --> 00:10:52,580  
to find this odd I watched it for the

212  
00:10:59,470 --> 00:10:55,880  
whole time but it didn't waver and it

213  
00:11:02,470 --> 00:10:59,480

was a windy day if it had been small it

214

00:11:04,800 --> 00:11:02,480

would have been unstable in the air this

215

00:11:07,970 --> 00:11:04,810

craft was not wobbling at all

216

00:11:11,280 --> 00:11:07,980

it did not move in any direction just

217

00:11:14,640 --> 00:11:11,290

hovered in the air I could clearly see

218

00:11:17,790 --> 00:11:14,650

that it was a saucer with windows and

219

00:11:20,820 --> 00:11:17,800

the Sun was reflecting off the right

220

00:11:24,540 --> 00:11:20,830

side of it it was large enough in my

221

00:11:27,420 --> 00:11:24,550

field of view that it was sure I was

222

00:11:30,090 --> 00:11:27,430

sure of what I saw it could not have

223

00:11:32,579 --> 00:11:30,100

been a drone shaped like a UFO saucer

224

00:11:36,740 --> 00:11:32,589

because it was not affected by the wind

225

00:11:39,450 --> 00:11:36,750

and it disappeared without flying away I

226  
00:11:41,790 --> 00:11:39,460  
drove away and my mind was telling me

227  
00:11:44,940 --> 00:11:41,800  
that there was nothing strange about

228  
00:11:47,610 --> 00:11:44,950  
seeing the craft huh I didn't even tell

229  
00:11:50,660 --> 00:11:47,620  
anyone until much later that day I feel

230  
00:11:53,550 --> 00:11:50,670  
that my mind was manipulated in some way

231  
00:11:56,340 --> 00:11:53,560  
another woman I know saw the same craft

232  
00:11:58,710 --> 00:11:56,350  
from her description in a different area

233  
00:12:01,110 --> 00:11:58,720  
of town on the same day oh that's cool

234  
00:12:03,600 --> 00:12:01,120  
to get validation well isn't that

235  
00:12:05,910 --> 00:12:03,610  
fascinating I felt that their mind was

236  
00:12:08,010 --> 00:12:05,920  
manipulated like nothing to see here

237  
00:12:10,530 --> 00:12:08,020  
it's like a obi-wan move just wave your

238  
00:12:14,100 --> 00:12:10,540

hand nothing to see here move on nothing

239

00:12:17,300 --> 00:12:14,110

to see here move on okay oh the ways of

240

00:12:21,180 --> 00:12:17,310

the Jedi alright here we go

241

00:12:23,900 --> 00:12:21,190

the next UFO sighting black triangle

242

00:12:25,079 --> 00:12:23,910

sighting oh boy and Droitwich spa

243

00:12:30,060 --> 00:12:25,089

England

244

00:12:33,060 --> 00:12:30,070

this occurred January 24th 2018 fifty to

245

00:12:37,110 --> 00:12:33,070

a hundred foot black triangle craft came

246

00:12:39,480 --> 00:12:37,120

silently overhead in more detail I was

247

00:12:45,020 --> 00:12:39,490

traveling from the Swan pub at the top

248

00:12:47,940 --> 00:12:45,030

of the lane so many people try to let

249

00:12:50,130 --> 00:12:47,950

these reports first be known that they

250

00:12:51,900 --> 00:12:50,140

weren't drinking or anything and this

251  
00:12:56,010 --> 00:12:51,910  
person in England so I just came from

252  
00:12:58,320 --> 00:12:56,020  
the pub okay continuing from the Swan

253  
00:13:02,010 --> 00:12:58,330  
pub at the top of the lane as I started

254  
00:13:03,690 --> 00:13:02,020  
down the lane towards the cop cut pub

255  
00:13:07,470 --> 00:13:03,700  
well they know where all the pubs are I

256  
00:13:10,640 --> 00:13:07,480  
noticed a white static light come over

257  
00:13:12,960 --> 00:13:10,650  
the treetops and over the top of my car

258  
00:13:16,010 --> 00:13:12,970  
thinking it was a shooting star I looked

259  
00:13:18,060 --> 00:13:16,020  
up to see a triangle jet black craft

260  
00:13:22,170 --> 00:13:18,070  
going overhead

261  
00:13:25,050 --> 00:13:22,180  
a light was at each corner its length

262  
00:13:28,320 --> 00:13:25,060  
was that of a large plane I thought it

263  
00:13:31,020 --> 00:13:28,330

was one so I wound the window down to

264

00:13:34,050 --> 00:13:31,030

here no engine noises as it passed

265

00:13:38,130 --> 00:13:34,060

quietly overhead I slowed to watch it

266

00:13:40,440 --> 00:13:38,140

move at speed about 100 feet up in a

267

00:13:43,830 --> 00:13:40,450

straight line heading to any heading

268

00:13:46,740 --> 00:13:43,840

away towards Redditch sorry only seeing

269

00:13:49,440 --> 00:13:46,750

the rear corner light as it went the

270

00:13:52,500 --> 00:13:49,450

others were not visible I clearly saw

271

00:13:54,900 --> 00:13:52,510

the shape of its body was dense black to

272

00:13:58,320 --> 00:13:54,910

blend in with a darkness but the city

273

00:14:00,900 --> 00:13:58,330

lights showed its shape as if it kept

274

00:14:04,410 --> 00:14:00,910

away from our town traveling across

275

00:14:06,330 --> 00:14:04,420

country in the dark often here these

276  
00:14:08,640 --> 00:14:06,340  
these are black triangles and they're so

277  
00:14:10,860 --> 00:14:08,650  
stealthy oh hold on sounds like the

278  
00:14:15,390 --> 00:14:10,870  
stealth plane doesn't it but I don't

279  
00:14:17,100 --> 00:14:15,400  
think it is or maybe it is who knows who

280  
00:14:20,910 --> 00:14:17,110  
knows what our governments got their

281  
00:14:25,440 --> 00:14:20,920  
little rotten paws on back engineered

282  
00:14:27,870 --> 00:14:25,450  
something all right moving on UFO

283  
00:14:32,490 --> 00:14:27,880  
sighting in Gainesville Florida

284  
00:14:33,330 --> 00:14:32,500  
this occurred January 24th 2018 in brief

285  
00:14:37,230 --> 00:14:33,340  
the witness states

286  
00:14:40,280 --> 00:14:37,240  
it looked jagged and spiky hovered and

287  
00:14:47,220 --> 00:14:40,290  
moved around like a leaf until

288  
00:14:52,020 --> 00:14:47,230

translucent at last night okay I don't

289

00:14:55,740 --> 00:14:52,030

edit it in more detail I was driving

290

00:14:59,460 --> 00:14:55,750

down in Gainesville Alec aloysha County

291

00:15:14,070 --> 00:14:59,470

and spotted attention shoppers clean-up

292

00:15:16,050 --> 00:15:14,080

on feet boxing at a big-box store

293

00:15:17,760 --> 00:15:16,060

surprising what's not surprising how

294

00:15:21,720 --> 00:15:17,770

much you could save by switching to

295

00:15:24,210 --> 00:15:21,730

Geico minivan has the lights on in the

296

00:15:29,160 --> 00:15:24,220

parking lot Geico 15 minutes could save

297

00:15:31,129 --> 00:15:29,170

you 15% or more a UFO the craft was

298

00:15:34,389 --> 00:15:31,139

white and reflective

299

00:15:36,319 --> 00:15:34,399

it has jagged and spiky edges everywhere

300

00:15:39,439 --> 00:15:36,329

sounds like somebody got their own

301  
00:15:42,049 --> 00:15:39,449  
touches added to their ride I've never

302  
00:15:44,949 --> 00:15:42,059  
seen or heard of any type of aircraft

303  
00:15:48,619 --> 00:15:44,959  
that looked like this it was hovering

304  
00:15:52,129 --> 00:15:48,629  
moving around like a leaf so bizarre I

305  
00:15:54,590 --> 00:15:52,139  
couldn't help but spot it I did not have

306  
00:16:00,559 --> 00:15:54,600  
any explanation but to believe it is

307  
00:16:03,109 --> 00:16:00,569  
either a unearthly technology be secret

308  
00:16:06,409 --> 00:16:03,119  
government technology after I saw it

309  
00:16:08,900 --> 00:16:06,419  
there was a black helicopter something

310  
00:16:13,039 --> 00:16:08,910  
that I'd imagine a government would use

311  
00:16:16,519 --> 00:16:13,049  
and it flew as fast as it could like it

312  
00:16:18,530 --> 00:16:16,529  
was in search of that thing hmm wow I

313  
00:16:21,729 --> 00:16:18,540

guess the Pentagon hasn't stopped their

314

00:16:24,470 --> 00:16:21,739

program what I also saw another

315

00:16:27,139 --> 00:16:24,480

lighter-colored helicopter doing the

316

00:16:30,139 --> 00:16:27,149

same I don't think a helicopter is gonna

317

00:16:34,639 --> 00:16:30,149

catch up with the UFO the last I saw the

318

00:16:38,600 --> 00:16:34,649

UFO it turned translucent and hard to

319

00:16:41,929 --> 00:16:38,610

look at it made a pinkish red hue and it

320

00:16:45,169 --> 00:16:41,939

was gone I wasn't looking for a second

321

00:16:48,139 --> 00:16:45,179

look back and it wasn't there anywhere

322

00:16:51,470 --> 00:16:48,149

to be seen after that I saw at least

323

00:16:52,460 --> 00:16:51,480

five drone like airplanes flying in

324

00:16:55,789 --> 00:16:52,470

different directions

325

00:16:59,419 --> 00:16:55,799

they were incredibly tiny no one could

326

00:17:02,720 --> 00:16:59,429

fit in it they left no trail to take a

327

00:17:05,870 --> 00:17:02,730

step back before I saw it I finished

328

00:17:09,110 --> 00:17:05,880

school and walked to my car when I went

329

00:17:12,500 --> 00:17:09,120

outside I felt really uneasy and off

330

00:17:16,970 --> 00:17:12,510

like something was wrong when I saw the

331

00:17:19,879 --> 00:17:16,980

UFO I was just astounded isn't that

332

00:17:22,250 --> 00:17:19,889

interesting how people see and feel and

333

00:17:24,230 --> 00:17:22,260

witnessed these things like something is

334

00:17:27,019 --> 00:17:24,240

just weird they feel nervous they feel

335

00:17:28,429 --> 00:17:27,029

scared they feel anxiety pressure and

336

00:17:29,539 --> 00:17:28,439

and they don't know where it's coming

337

00:17:33,409 --> 00:17:29,549

from or they feel like they're being

338

00:17:36,950 --> 00:17:33,419

watched and then a UFO shows up or an

339

00:17:39,279 --> 00:17:36,960

alien it's like that predatory fear that

340

00:17:44,500 --> 00:17:39,289

animals just have that sixth sense like

341

00:17:46,750 --> 00:17:44,510

somebody's hunting me something's coming

342

00:17:50,770 --> 00:17:46,760

you know it's like we have this thing in

343

00:17:54,490 --> 00:17:50,780

us that just tells us no no something

344

00:17:57,790 --> 00:17:54,500

out of the ordinary is happening so

345

00:18:00,610 --> 00:17:57,800

common so common and I think witnesses

346

00:18:03,660 --> 00:18:00,620

are almost almost as equally shocked

347

00:18:06,490 --> 00:18:03,670

that they had that that Sixth Sense

348

00:18:08,700 --> 00:18:06,500

prior to a UFO thing like which one was

349

00:18:11,830 --> 00:18:08,710

more shocking to them the sixth sense is

350

00:18:14,620 --> 00:18:11,840

screaming at or more the UFO being seen

351

00:18:17,170 --> 00:18:14,630

it really kind of feels even it's just

352

00:18:20,470 --> 00:18:17,180

kind of kind of fascinating very very

353

00:18:22,480 --> 00:18:20,480

cool all right we're gonna hop on to a

354

00:18:24,850 --> 00:18:22,490

paranormal point of a story how about

355

00:18:26,800 --> 00:18:24,860

that because these are some cool creepy

356

00:18:28,450 --> 00:18:26,810

ones I've come across lately and I've

357

00:18:32,260 --> 00:18:28,460

been just digging them I hope you guys

358

00:18:35,530 --> 00:18:32,270

do too all right moving forward this

359

00:18:39,340 --> 00:18:35,540

story told by a witness I'm assuming

360

00:18:43,360 --> 00:18:39,350

it's called my last fishing trip like

361

00:18:44,980 --> 00:18:43,370

I'm done oh this didn't happen to them

362

00:18:47,170 --> 00:18:44,990

this happened to somebody else okay this

363

00:18:50,770 --> 00:18:47,180

is them saying this happened to my aunt

364

00:18:54,520 --> 00:18:50,780

Donna my brother Eric and I one late

365

00:18:56,590 --> 00:18:54,530

summer day I have to say this since has

366

00:18:59,650 --> 00:18:56,600

happened we have not been back to this

367

00:19:02,020 --> 00:18:59,660

place fishing it was summer school was

368

00:19:05,020 --> 00:19:02,030

out and Eric and I were bored out of our

369

00:19:06,340 --> 00:19:05,030

minds our parents had divorced and at

370

00:19:10,450 --> 00:19:06,350

the time we were living with our

371

00:19:12,550 --> 00:19:10,460

grandmother and aunt Donna we loved

372

00:19:14,440 --> 00:19:12,560

living with them because we always got

373

00:19:17,520 --> 00:19:14,450

our way oh that's great

374

00:19:21,100 --> 00:19:17,530

you're not spoiled we were outside

375

00:19:22,870 --> 00:19:21,110

moping around when Eric says that he

376

00:19:26,200 --> 00:19:22,880

thinks going fishing would be a good

377

00:19:29,650 --> 00:19:26,210

idea right now I smile and say okay

378

00:19:32,830 --> 00:19:29,660

let's go ask Donna to go so we find her

379

00:19:35,560 --> 00:19:32,840

tell her our idea and she agrees fishing

380

00:19:37,150 --> 00:19:35,570

would be a great idea and that night we

381

00:19:43,390 --> 00:19:37,160

would come back and have a fish fry

382

00:19:46,120 --> 00:19:43,400

outside sounds good we run together all

383

00:19:48,400 --> 00:19:46,130

our things and Donna helps us load it

384

00:19:50,830 --> 00:19:48,410

all into the four-wheeler I jump on the

385

00:19:55,510 --> 00:19:50,840

back Eric gets on the front rack and

386

00:19:58,549 --> 00:19:55,520

Donna is the driver we set out now where

387

00:20:01,489 --> 00:19:58,559

we live we don't have to go very far me

388

00:20:04,909 --> 00:20:01,499

about an hour to what we call the gully

389

00:20:07,850 --> 00:20:04,919

hole I have no idea where the name came

390

00:20:09,799 --> 00:20:07,860

from but it was a sandy riverbank with a

391

00:20:10,629 --> 00:20:09,809

little pond of water that the river had

392

00:20:12,739 --> 00:20:10,639

created

393

00:20:15,139 --> 00:20:12,749

honestly it's quite beautiful and

394

00:20:17,779 --> 00:20:15,149

peaceful there but in order to get there

395

00:20:20,659 --> 00:20:17,789

we have to ride one hour beside the

396

00:20:24,409 --> 00:20:20,669

train tracks did we care at the time no

397

00:20:25,669 --> 00:20:24,419

way it was our favorite spot to fish we

398

00:20:29,480 --> 00:20:25,679

get there and set up our poles

399

00:20:32,180 --> 00:20:29,490

everything is going great but me getting

400

00:20:36,109 --> 00:20:32,190

impatient gets up and starts collecting

401  
00:20:39,200 --> 00:20:36,119  
seashells I wade in the river away from

402  
00:20:41,090 --> 00:20:39,210  
Donna and Eric all my attention is in

403  
00:20:44,810 --> 00:20:41,100  
the water looking down in the sand to

404  
00:20:46,609 --> 00:20:44,820  
find odd shells without knowing it I get

405  
00:20:48,680 --> 00:20:46,619  
pretty far away from them and when I

406  
00:20:52,970 --> 00:20:48,690  
look up to the other side of the river I

407  
00:20:57,230 --> 00:20:52,980  
see something whatever I'm looking at is

408  
00:21:00,830 --> 00:20:57,240  
on two legs walking like a man but it's

409  
00:21:02,600 --> 00:21:00,840  
hairy like a bear I couldn't quite make

410  
00:21:06,200 --> 00:21:02,610  
it out because it kept to the shadows

411  
00:21:09,440 --> 00:21:06,210  
and behind the trees then I feel a hand

412  
00:21:11,859 --> 00:21:09,450  
on my shoulder sending me ten feet into

413  
00:21:15,169 --> 00:21:11,869

the air with fright but I don't scream

414

00:21:18,519 --> 00:21:15,179

it's Eric and he must have seen this

415

00:21:20,930 --> 00:21:18,529

thing for him to have Kim to where I was

416

00:21:23,869 --> 00:21:20,940

we stare at this thing

417

00:21:25,580 --> 00:21:23,879

for awhile I asked him what does he

418

00:21:29,029 --> 00:21:25,590

think it could be in he shakes his head

419

00:21:31,789 --> 00:21:29,039

and tells me he doesn't know this thing

420

00:21:34,340 --> 00:21:31,799

must have been getting impatient because

421

00:21:37,970 --> 00:21:34,350

it started to throw rocks at us ho

422

00:21:40,310 --> 00:21:37,980

that's a Bigfoot they're known for that

423

00:21:43,970 --> 00:21:40,320

if you guys don't know um there was no

424

00:21:46,090 --> 00:21:43,980

way the rocks could hit us being all the

425

00:21:49,639 --> 00:21:46,100

way across the river but it clearly

426  
00:21:52,070 --> 00:21:49,649  
wanted us to go away my brother gets our

427  
00:21:55,850 --> 00:21:52,080  
idea that maybe we should back up and go

428  
00:21:58,460 --> 00:21:55,860  
back up the shore little ways I agree we

429  
00:22:02,119 --> 00:21:58,470  
make our way back but we don't take our

430  
00:22:04,009 --> 00:22:02,129  
eyes off this thing no sooner do we make

431  
00:22:07,009 --> 00:22:04,019  
it back to where Donna is and this thing

432  
00:22:10,100 --> 00:22:07,019  
comes out it comes out to the riverbank

433  
00:22:12,270 --> 00:22:10,110  
and we see it as clear as day

434  
00:22:15,570 --> 00:22:12,280  
I couldn't believe what I was seeing

435  
00:22:18,470 --> 00:22:15,580  
Donna was in complete shock looking at

436  
00:22:22,850 --> 00:22:18,480  
this thing it walks to the riverbank

437  
00:22:26,040 --> 00:22:22,860  
bends down and starts to drink water

438  
00:22:29,520 --> 00:22:26,050

look I'm thirsty you guys ain't leaving

439

00:22:31,560 --> 00:22:29,530

I'm gonna get a drink I look over at my

440

00:22:36,510 --> 00:22:31,570

brother but he's gone

441

00:22:38,570 --> 00:22:36,520

oh I start looking around for him then I

442

00:22:42,270 --> 00:22:38,580

find him a couple yards down the river

443

00:22:45,030 --> 00:22:42,280

but he has his rifle aimed right at this

444

00:22:48,240 --> 00:22:45,040

thing I panic and start running towards

445

00:22:51,270 --> 00:22:48,250

him he's getting ready to shoot when I

446

00:22:53,940 --> 00:22:51,280

jerked the gun away from him causing him

447

00:22:56,520 --> 00:22:53,950

to miss his shot the gun goes off and

448

00:22:58,890 --> 00:22:56,530

falls on the ground you can hear the

449

00:23:02,550 --> 00:22:58,900

shot echoing around us and I could see

450

00:23:04,740 --> 00:23:02,560

Erica's mad I look toward where the

451  
00:23:08,750 --> 00:23:04,750  
creature was but it's gone and I feel

452  
00:23:12,630 --> 00:23:08,760  
relieved then we hear boom boom boom

453  
00:23:15,630 --> 00:23:12,640  
something was hitting something we look

454  
00:23:19,020 --> 00:23:15,640  
around as this beating sound starts to

455  
00:23:22,260 --> 00:23:19,030  
slowly grow all around us

456  
00:23:22,620 --> 00:23:22,270  
boom boom boom it was behind us in front

457  
00:23:26,390 --> 00:23:22,630  
of us

458  
00:23:29,790 --> 00:23:26,400  
beside us at this point I was scared

459  
00:23:32,010 --> 00:23:29,800  
without saying a word my brother picks

460  
00:23:35,250 --> 00:23:32,020  
up the gun and we hightail it back to

461  
00:23:37,950 --> 00:23:35,260  
Donna where she had already started

462  
00:23:39,810 --> 00:23:37,960  
packing everything up it doesn't take

463  
00:23:42,240 --> 00:23:39,820

long to throw everything back into the

464

00:23:45,390 --> 00:23:42,250

four-wheeler we get on and as we are

465

00:23:47,610 --> 00:23:45,400

turning around we hear something running

466

00:23:51,000 --> 00:23:47,620

in the woods all around us

467

00:23:53,820 --> 00:23:51,010

I screamed go go go please go get me out

468

00:23:57,060 --> 00:23:53,830

of here and at this point I'm crying

469

00:24:00,750 --> 00:23:57,070

like a two-year-old Donna throws the gas

470

00:24:05,250 --> 00:24:00,760

to the four-wheeler nearly losing me and

471

00:24:08,460 --> 00:24:05,260

we go like a bat out of hell down the

472

00:24:11,010 --> 00:24:08,470

train tracks we get home and we tell her

473

00:24:13,560 --> 00:24:11,020

grandma would happen she sits all three

474

00:24:15,240 --> 00:24:13,570

of us down and tells us that it's quite

475

00:24:18,030 --> 00:24:15,250

an unbelievable story and that we

476  
00:24:21,390 --> 00:24:18,040  
probably saw a bear or mountain lion I

477  
00:24:24,690 --> 00:24:21,400  
didn't know bears could throw rocks we

478  
00:24:26,230 --> 00:24:24,700  
look at each other in silence we all

479  
00:24:28,510 --> 00:24:26,240  
three agree that if

480  
00:24:31,210 --> 00:24:28,520  
go telling people about what we saw and

481  
00:24:33,910 --> 00:24:31,220  
saying it was a Bigfoot and I told you

482  
00:24:34,660 --> 00:24:33,920  
was a Bigfoot that people would think we

483  
00:24:37,900 --> 00:24:34,670  
were crazy

484  
00:24:40,960 --> 00:24:37,910  
so for years this story hasn't been even

485  
00:24:43,870 --> 00:24:40,970  
spoken of until now I know what we saw

486  
00:24:45,040 --> 00:24:43,880  
that day and it was real no matter what

487  
00:24:49,210 --> 00:24:45,050  
anyone says

488  
00:24:49,830 --> 00:24:49,220

Bigfoot is real and I hope I never see

489

00:24:52,360 --> 00:24:49,840

him again

490

00:24:55,120 --> 00:24:52,370

wow you could have been the first people

491

00:24:56,590 --> 00:24:55,130

to bag a Bigfoot but if you'd shot it

492

00:24:59,080 --> 00:24:56,600

you probably wouldn't ended up dead do

493

00:25:01,000 --> 00:24:59,090

because people go missing in the woods

494

00:25:03,070 --> 00:25:01,010

you guys ever hear of missing four one

495

00:25:05,230 --> 00:25:03,080

one yeah the book series you should

496

00:25:09,310 --> 00:25:05,240

really check it out usually Bigfoot

497

00:25:11,080 --> 00:25:09,320

abducting people yeah so for those

498

00:25:13,660 --> 00:25:11,090

people that want to go Bigfoot hunting

499

00:25:15,040 --> 00:25:13,670

they got friends and they got pretty

500

00:25:17,860 --> 00:25:15,050

good aim with those rocks when they

501  
00:25:19,450 --> 00:25:17,870  
wanna those were just warning Chuck's of

502  
00:25:21,790 --> 00:25:19,460  
rock that's all I'm saying

503  
00:25:24,010 --> 00:25:21,800  
I had one thrown at me once I know it

504  
00:25:27,070 --> 00:25:24,020  
was a boulder wasn't a rock frickin

505  
00:25:27,640 --> 00:25:27,080  
Boulder whoo anyways moving on it's a

506  
00:25:32,440 --> 00:25:27,650  
long story

507  
00:25:35,640 --> 00:25:32,450  
uh I have another paranormal point of a

508  
00:25:40,630 --> 00:25:35,650  
story for you guys this one is called

509  
00:25:43,120 --> 00:25:40,640  
creature of the corn this person states

510  
00:25:46,600 --> 00:25:43,130  
my name is Drew and this story takes

511  
00:25:47,830 --> 00:25:46,610  
place Northwest Ohio last summer at my

512  
00:25:49,240 --> 00:25:47,840  
friend's house well hold on you know

513  
00:25:50,710 --> 00:25:49,250

that last story with Bigfoot why did

514

00:25:52,930 --> 00:25:50,720

they describe more what the face looked

515

00:25:55,060 --> 00:25:52,940

like he saw it clear as day how tall was

516

00:25:55,540 --> 00:25:55,070

it there was no detail whatever okay

517

00:25:58,240 --> 00:25:55,550

moving on

518

00:26:00,970 --> 00:25:58,250

okay last summer at my friend's house my

519

00:26:04,240 --> 00:26:00,980

friend named Cole had me over to hunt

520

00:26:07,240 --> 00:26:04,250

whatever had killed his chickens which

521

00:26:09,669 --> 00:26:07,250

body parts were all over the yard so we

522

00:26:13,390 --> 00:26:09,679

set up camp and get ready to watch and

523

00:26:15,160 --> 00:26:13,400

see what had killed his chickens this is

524

00:26:17,620 --> 00:26:15,170

where you need to know the layout of

525

00:26:19,870 --> 00:26:17,630

where we set up camp we're at the corner

526  
00:26:22,570 --> 00:26:19,880  
of his property with corn behind us and

527  
00:26:25,330 --> 00:26:22,580  
on the sides of us and we were also 15

528  
00:26:27,190 --> 00:26:25,340  
feet away from his chicken coop we sit

529  
00:26:30,490 --> 00:26:27,200  
there quietly chatting and watching and

530  
00:26:33,190 --> 00:26:30,500  
then I hear this deep growl and my

531  
00:26:35,500 --> 00:26:33,200  
friend Cole was talking at the time but

532  
00:26:38,740 --> 00:26:35,510  
I heard it I told him to shut up because

533  
00:26:39,670 --> 00:26:38,750  
I just heard a growl behind us so we sit

534  
00:26:42,400 --> 00:26:39,680  
there in silence for

535  
00:26:46,060 --> 00:26:42,410  
minute and then this time we both hear

536  
00:26:49,270 --> 00:26:46,070  
the growl and it was so deep and loud no

537  
00:26:52,690 --> 00:26:49,280  
animal that we knew sounded like that so

538  
00:26:55,450 --> 00:26:52,700

I instantly know that something is wrong

539

00:26:57,070 --> 00:26:55,460

I tell him to run and we took off as

540

00:27:00,160 --> 00:26:57,080

soon as we did

541

00:27:02,650 --> 00:27:00,170

we heard crashing of the corn behind us

542

00:27:05,560 --> 00:27:02,660

we make it to the deck of his house I

543

00:27:08,530 --> 00:27:05,570

turn around and the entire time this

544

00:27:11,530 --> 00:27:08,540

animal thing was growling and making

545

00:27:13,960 --> 00:27:11,540

these noises extremely loud so I see the

546

00:27:16,900 --> 00:27:13,970

corn moving and you could tell where

547

00:27:19,150 --> 00:27:16,910

this creature creature was heading to so

548

00:27:23,050 --> 00:27:19,160

I grabbed Kohl's 20-gauge and fire off

549

00:27:26,500 --> 00:27:23,060

two quick shots then we hear this growl

550

00:27:29,050 --> 00:27:26,510

scream so loud I had to cover my ears

551  
00:27:33,190 --> 00:27:29,060  
and then the creature runs to the corn

552  
00:27:35,470 --> 00:27:33,200  
so fast it was done in seconds we did

553  
00:27:37,180 --> 00:27:35,480  
not go to sleep that night the next

554  
00:27:39,760 --> 00:27:37,190  
morning we went and looked at the corn

555  
00:27:43,120 --> 00:27:39,770  
and there was a bunch of footprints in

556  
00:27:45,670 --> 00:27:43,130  
blood be careful what she hunt maybe

557  
00:27:48,190 --> 00:27:45,680  
something may be hunting you huh there

558  
00:27:50,350 --> 00:27:48,200  
you go huh the Bigfoot the Bigfoot who

559  
00:27:52,780 --> 00:27:50,360  
knows what that was though growling and

560  
00:27:58,030 --> 00:27:52,790  
ripping apart chickens now it could have

00:28:00,700 --> 00:27:58,040
