00:00:40,990 --> 00:00:38,610

the Outlander show and go to Heidi

14

00:00:45,709 --> 00:00:41,000

Hollis comm for more information

15

00:00:48,250 --> 00:00:45,719

blasting off with some UFO reports who

16

00:00:50,779 --> 00:00:48,260

your foe sighting and Tully Queensland

17

00:00:55,670 --> 00:00:50,789

this is a beautiful blast from the past

18

00:00:58,790 --> 00:00:55,680

this encourage Alai 31st 1990 star like

19

00:01:00,770 --> 00:00:58,800

but much brighter hmm okay and more

20

00:01:02,420 --> 00:01:00,780

detail the witness states the event

21

00:01:05,719 --> 00:01:02,430

happened while I was living in a small

22

00:01:07,940 --> 00:01:05,729

converted garage with a friend I was

23

00:01:09,859 --> 00:01:07,950

backpacking around Australia that's

24

00:01:12,950 --> 00:01:09,869

popular there it's kind of cool

25

00:01:16,280 --> 00:01:12,960

there was no glazing in the property

26

00:01:18,980 --> 00:01:16,290

tropical climate only mosquito screens

27

00:01:21,740 --> 00:01:18,990

on window openings throughout the main

28

00:01:24,560 --> 00:01:21,750

entrance was an existing garage door

29

00:01:27,620 --> 00:01:24,570

therefore large and facing the road

30

00:01:30,109 --> 00:01:27,630

which was about 20 meters away this

31

00:01:32,810 --> 00:01:30,119

opening was netted also and had a wooden

32

00:01:35,870 --> 00:01:32,820

frame with a normal door size opening to

33

00:01:38,749 --> 00:01:35,880

enter what's in it opposite this opening

34

00:01:42,200 --> 00:01:38,759

against the far wall was my single bed

35

00:01:44,840 --> 00:01:42,210

it had a window netted over the bed head

36

00:01:47,539 --> 00:01:44,850

facing the other direction behind the

37

00:01:50,120 --> 00:01:47,549

house was forested swampland with no

38

00:01:53,030 --> 00:01:50,130

properties on the other side of the road

39

00:01:55,580 --> 00:01:53,040

was a forested mountain mount Mackay

40

00:01:58,039 --> 00:01:55,590

National Park and as such there were

41

00:02:00,440 --> 00:01:58,049

also no properties in view from the

42

00:02:03,469 --> 00:02:00,450

entrance this mountain was regarded by

43

00:02:06,319 --> 00:02:03,479

me somewhere between a hill and a

44

00:02:09,820 --> 00:02:06,329

mountain it was completely undeveloped

45

00:02:12,680 --> 00:02:09,830

with dense and tropical rainforest cover

46

00:02:14,120 --> 00:02:12,690

okay everybody got a mental image I

47

00:02:17,000 --> 00:02:14,130

think it's pretty well

48

00:02:18,230 --> 00:02:17,010

painted on the evening in question I got

49

00:02:20,480 --> 00:02:18,240

into bed to go asleep

50

00:02:23,210 --> 00:02:20,490

it was probably around 9:00 p.m. to 10

51
00:02:26,150 --> 00:02:23,220
p.m. and dark as sunset was around 6

52
00:02:28,670 --> 00:02:26,160
p.m. my friend had also retired for the

53
00:02:31,250 --> 00:02:28,680
evening all lights were off and it was

54
00:02:33,710 --> 00:02:31,260
totally dark there were no streetlights

55
00:02:37,040 --> 00:02:33,720
or any man-made lighting to be seen in

56
00:02:39,650 --> 00:02:37,050
this location at the time quite remote I

57
00:02:42,860 --> 00:02:39,660
remember it being a clear evening no

58
00:02:46,280 --> 00:02:42,870
wind and in the mid 20s degrees Celsius

59
00:02:48,860 --> 00:02:46,290
I asked Amit normally I sleep about

60
00:02:51,320 --> 00:02:48,870
without any problems of any sort but

61
00:02:53,900 --> 00:02:51,330
after what must have been an hour of

62
00:02:57,520 --> 00:02:53,910
tossing and turning a bed I found myself

63
00:03:00,200 --> 00:02:57,530

asking the question what's wrong

64

00:03:02,810 --> 00:03:00,210

it soon dawned on me that the reason I

65

00:03:06,770 --> 00:03:02,820

could not fall asleep was because I was

66

00:03:10,040 --> 00:03:06,780

afraid I remember distinctly feeling

67

00:03:13,490 --> 00:03:10,050

that this realization startled me into

68

00:03:17,060 --> 00:03:13,500

full alertness I realized that I had the

69

00:03:19,970 --> 00:03:17,070

distinct feeling of being watched

70

00:03:21,890 --> 00:03:19,980

I immediately sat up in bed and peered

71

00:03:24,710 --> 00:03:21,900

through the mosquito mesh through the

72

00:03:26,840 --> 00:03:24,720

window behind me as it is low-lying

73

00:03:27,920 --> 00:03:26,850

wooded swampland in that direction I

74

00:03:31,240 --> 00:03:27,930

couldn't see a thing

75

00:03:34,100 --> 00:03:31,250

there was nothing but total blackness

76

00:03:36,710 --> 00:03:34,110

after reassuring myself that I was just

77

00:03:39,290 --> 00:03:36,720

being silly I turned back and also I was

78

00:03:41,780 --> 00:03:39,300

lying down again looked out of the

79

00:03:45,370 --> 00:03:41,790

entrance of the garage door opening

80

00:03:48,740 --> 00:03:45,380

opposite I could clearly see mount McKay

81

00:03:51,020 --> 00:03:48,750

silhouetted against the night sky it was

82

00:03:54,980 --> 00:03:51,030

really rather bright in this direction

83

00:03:57,530 --> 00:03:54,990

I saw a lone star above the mountain and

84

00:04:00,650 --> 00:03:57,540

to the right and thought wow that's a

85

00:04:04,310 --> 00:04:00,660

bright star then it dawned on me that it

86

00:04:07,580 --> 00:04:04,320

was way too bright to be a star it was

87

00:04:09,530 --> 00:04:07,590

illuminating the hillside forest and I

88

00:04:13,340 --> 00:04:09,540

asked to mate that it had a similar

89

00:04:16,880 --> 00:04:13,350

intensity to a full moon it was however

90

00:04:19,599 --> 00:04:16,890

smaller than a full moon looking back

91

00:04:23,360 --> 00:04:19,609

its actual size was difficult to gauge

92

00:04:26,690 --> 00:04:23,370

as I said it was like a very bright and

93

00:04:28,450 --> 00:04:26,700

very large star was close to the ground

94

00:04:30,430 --> 00:04:28,460

a few hundred meters maybe

95

00:04:32,999 --> 00:04:30,440

again it's hard to give a good estimate

96

00:04:35,850 --> 00:04:33,009

for something without features or sound

97

00:04:40,570 --> 00:04:35,860

then I remember that I said to myself

98

00:04:42,340 --> 00:04:40,580

that's not a star that's a US to my

99

00:04:45,060 --> 00:04:42,350

astonishment and before I could finish

100

00:04:49,029 --> 00:04:45,070

the sentence the object immediately

101
00:04:51,730 --> 00:04:49,039
moved to the left and down in the path

102
00:04:56,350 --> 00:04:51,740
that I would describe like if you roll a

103
00:04:59,529 --> 00:04:56,360
coin off a table a parabolic arched path

104
00:05:02,499 --> 00:04:59,539
maybe it did not seem to accelerate but

105
00:05:06,100 --> 00:05:02,509
moved from a standstill and kept a

106
00:05:09,129 --> 00:05:06,110
constant speed the timing of my

107
00:05:12,339 --> 00:05:09,139
realization and it's starting to move

108
00:05:15,790 --> 00:05:12,349
out of sight was the most alarming thing

109
00:05:18,850 --> 00:05:15,800
about it to this day I am convinced this

110
00:05:22,600 --> 00:05:18,860
was not a coincidence but rather it had

111
00:05:25,240 --> 00:05:22,610
been monitoring me and my thoughts this

112
00:05:28,029 --> 00:05:25,250
may sound like paranoia regardless I

113
00:05:30,520 --> 00:05:28,039

genuinely believe this fact and given

114

00:05:33,310 --> 00:05:30,530

the very real fear I had experienced

115

00:05:36,070 --> 00:05:33,320

beforehand point logically to the

116

00:05:37,659 --> 00:05:36,080

possibility of this the object

117

00:05:40,270 --> 00:05:37,669

disappeared behind the ridge of the

118

00:05:43,210 --> 00:05:40,280

mountain which I estimate to be one or

119

00:05:45,100 --> 00:05:43,220

two kilometers away I took about one

120

00:05:46,750 --> 00:05:45,110

second to move from a standstill to

121

00:05:49,930 --> 00:05:46,760

being out of sight

122

00:05:53,110 --> 00:05:49,940

I looked for just a few seconds waiting

123

00:05:54,640 --> 00:05:53,120

for it to reappear but it didn't I then

124

00:05:57,899 --> 00:05:54,650

went to sleep without any problem the

125

00:06:00,310 --> 00:05:57,909

feeling of being watched had gone

126

00:06:03,010 --> 00:06:00,320

looking back I'm surprised I did not

127

00:06:05,560 --> 00:06:03,020

question it wait longer for it to

128

00:06:08,800 --> 00:06:05,570

reappear search it's possible landing

129

00:06:10,779 --> 00:06:08,810

site the next day etc later that year

130

00:06:13,300 --> 00:06:10,789

while picking grapes as a seasonal

131

00:06:15,760 --> 00:06:13,310

worker I went to the library and found a

132

00:06:19,020 --> 00:06:15,770

book on UFO sightings in Australia I

133

00:06:22,839 --> 00:06:19,030

read it and it discussed finding swamp

134

00:06:25,149 --> 00:06:22,849

weed circles like crop circles in the

135

00:06:27,460 --> 00:06:25,159

swamps around the Tully area tele

136

00:06:29,409 --> 00:06:27,470

Queensland was approximately five

137

00:06:32,980 --> 00:06:29,419

kilometers from the location of this

138

00:06:35,890 --> 00:06:32,990

incident it may have been the book alien

139

00:06:39,700 --> 00:06:35,900

honeycomb the first solid evidence of

140

00:06:41,890 --> 00:06:39,710

UFOs by John Pinkney and Leonard Reisman

141

00:06:42,100 --> 00:06:41,900

as I read this book around that time in

142

00:06:44,740 --> 00:06:42,110

off

143

00:06:47,170 --> 00:06:44,750

tria though I'm not 100% certain I

144

00:06:50,350 --> 00:06:47,180

remember this passing explanation in the

145

00:06:53,650 --> 00:06:50,360

book for reasons obvious this is not the

146

00:06:56,440 --> 00:06:53,660

only UFO sighting I have had but I think

147

00:06:59,980 --> 00:06:56,450

it was an encounter of the second kind

148

00:07:03,100 --> 00:06:59,990

as such I felt it worth documenting for

149

00:07:05,470 --> 00:07:03,110

research purposes I hope it is of some

150

00:07:06,840 --> 00:07:05,480

use I have attempted to make a

151
00:07:10,090 --> 00:07:06,850
photomontage

152
00:07:13,720 --> 00:07:10,100
rendering using Google Earth showing the

153
00:07:16,210 --> 00:07:13,730
exact location and it is attached this

154
00:07:18,310 --> 00:07:16,220
is a very close approximation of what I

155
00:07:20,050 --> 00:07:18,320
experienced showing the object's

156
00:07:24,790 --> 00:07:20,060
position before it moved

157
00:07:26,800 --> 00:07:24,800
Thank You D s isn't that weird don't you

158
00:07:30,070 --> 00:07:26,810
guys see this pattern this is wild

159
00:07:32,880 --> 00:07:30,080
people will feel like they're being

160
00:07:36,460 --> 00:07:32,890
watched monitored psychically approached

161
00:07:40,750 --> 00:07:36,470
from something so far away I'm not crazy

162
00:07:44,830 --> 00:07:40,760
and our gut our gut which I like to call

163
00:07:48,490 --> 00:07:44,840

the soul says something's watching you

164

00:07:50,490 --> 00:07:48,500

and maybe hunting you I mean why would

165

00:07:55,390 --> 00:07:50,500

you have fear it's a light in the sky

166

00:07:57,820 --> 00:07:55,400

and so many people say oh mankind is

167

00:08:00,610 --> 00:07:57,830

just violent and you know why would they

168

00:08:04,000 --> 00:08:00,620

be so paranoid and go try to shoot a UFO

169

00:08:07,180 --> 00:08:04,010

down here's a person in a garage that

170

00:08:10,480 --> 00:08:07,190

didn't even see the light it couldn't go

171

00:08:12,850 --> 00:08:10,490

to sleep because I felt fear something

172

00:08:15,190 --> 00:08:12,860

kept them up I'm like I'm afraid of

173

00:08:18,430 --> 00:08:15,200

something what am I afraid of it there's

174

00:08:22,570 --> 00:08:18,440

nothing here Oh what is that that's your

175

00:08:26,020 --> 00:08:22,580

soul talking that is the feeling of a

176

00:08:28,210 --> 00:08:26,030

predator coming your way I hope they

177

00:08:30,930 --> 00:08:28,220

didn't get you yeah they may have

178

00:08:33,730 --> 00:08:30,940

returned you you don't remember but

179

00:08:36,580 --> 00:08:33,740

scars last and here he you wrote about

180

00:08:40,210 --> 00:08:36,590

this is 1990 that that occurred and it's

181

00:08:43,960 --> 00:08:40,220

still with you all right moving on oh

182

00:08:51,670 --> 00:08:43,970

boy look at this name Oh UFO sighting in

183

00:08:53,380 --> 00:08:51,680

the nam aki cara de Vaca oblast this is

184

00:08:56,030 --> 00:08:53,390

another one that's a UFO blast from the

185

00:08:58,460 --> 00:08:56,040

past has occurred October 3rd 1990

186

00:09:00,920 --> 00:08:58,470

in brief the witness states not yet

187

00:09:04,790 --> 00:09:00,930

reaching the zenith point the object

188

00:09:06,380 --> 00:09:04,800

took a diamond shaped shape at the edge

189

00:09:10,490 --> 00:09:06,390

of the diamond shaped object have

190

00:09:13,070 --> 00:09:10,500

flashed sequentially of light white

191

00:09:17,330 --> 00:09:13,080

lamps around the object was a purple

192

00:09:20,450 --> 00:09:17,340

glow similar to the Northern Lights cool

193

00:09:22,340 --> 00:09:20,460

okay in more detail the object flew from

194

00:09:25,790 --> 00:09:22,350

the West was shaped like a white ball

195

00:09:29,870 --> 00:09:25,800

from the ball disconnected another ball

196

00:09:32,240 --> 00:09:29,880

of the same size which abruptly in the

197

00:09:33,680 --> 00:09:32,250

northern direction okay which flew

198

00:09:36,500 --> 00:09:33,690

abruptly illenore the direction of the

199

00:09:39,350 --> 00:09:36,510

main ball object continue to fly east

200

00:09:42,650 --> 00:09:39,360

not yet reaching the zenith point the

201
00:09:44,600 --> 00:09:42,660
object took a diamond shape after the

202
00:09:48,050 --> 00:09:44,610
diamond shaped object flashed

203
00:09:50,000 --> 00:09:48,060
sequentially of light white lamps around

204
00:09:51,710 --> 00:09:50,010
the object was a purple glow similar to

205
00:09:55,730 --> 00:09:51,720
the Northern Lights at the zenith point

206
00:09:58,820 --> 00:09:55,740
the object pause and then slowed they

207
00:10:01,700 --> 00:09:58,830
flew to the east witnesses were many

208
00:10:04,300 --> 00:10:01,710
because everything was happening over

209
00:10:06,490 --> 00:10:04,310
the station square near the railway

210
00:10:11,690 --> 00:10:06,500
passenger station

211
00:10:13,730 --> 00:10:11,700
okay the next UFO sighting this is a

212
00:10:14,810 --> 00:10:13,740
black triangle sighting in Portsmouth

213
00:10:19,400 --> 00:10:14,820

England

214

00:10:22,820 --> 00:10:19,410

this occurred January 9th 2018 UFO over

215

00:10:24,080 --> 00:10:22,830

Portsmouth Harbor in more detail witness

216

00:10:27,350 --> 00:10:24,090

States I was heading home to see my

217

00:10:29,870 --> 00:10:27,360

family after Christmas I thought I would

218

00:10:32,300 --> 00:10:29,880

take a picture of the spinnaker tower

219

00:10:34,910 --> 00:10:32,310

and Portsmouth Harbor to post up to

220

00:10:37,700 --> 00:10:34,920

social media announcing I was back in

221

00:10:39,800 --> 00:10:37,710

the area I went to the top deck of the

222

00:10:42,350 --> 00:10:39,810

ferry and stood outside to take the

223

00:10:44,420 --> 00:10:42,360

picture it was only after I had taken

224

00:10:47,990 --> 00:10:44,430

the picture that I noticed the strange

225

00:10:50,320 --> 00:10:48,000

red orange colored lights and a triangle

226

00:10:52,640 --> 00:10:50,330

formation to the right of the tower I

227

00:10:54,200 --> 00:10:52,650

looked around I could not see the lights

228

00:10:56,510 --> 00:10:54,210

a few minutes after the picture had been

229

00:10:58,520 --> 00:10:56,520

taken I checked to see if there was

230

00:11:00,650 --> 00:10:58,530

building work but the height of the

231

00:11:04,280 --> 00:11:00,660

object not only appears to be too high

232

00:11:07,310 --> 00:11:04,290

but the area it is in it's over water

233

00:11:09,650 --> 00:11:07,320

okay there was a small amount of cloud

234

00:11:15,380 --> 00:11:09,660

cover and the white light to the side

235

00:11:18,550 --> 00:11:15,390

must be a bright star okay um next I

236

00:11:22,430 --> 00:11:18,560

don't edit this the next cheerful siding

237

00:11:25,730 --> 00:11:22,440

happenin great boughs Maryland August

238

00:11:29,510 --> 00:11:25,740

fourth 2017 a UFO above the Washington

239

00:11:35,360 --> 00:11:29,520

Monument at the net nation Hall National

240

00:11:37,700 --> 00:11:35,370

Hall what what you guys always say if

241

00:11:39,320 --> 00:11:37,710

there's UFOs out there then it come to

242

00:11:41,890 --> 00:11:39,330

Washington and land on the White House

243

00:11:45,410 --> 00:11:41,900

lawn well it's pretty close

244

00:11:47,750 --> 00:11:45,420

alright so witness states me and my

245

00:11:49,880 --> 00:11:47,760

family were in DC for a White House Tour

246

00:11:52,550 --> 00:11:49,890

we walked to the Lincoln Memorial and I

247

00:11:55,790 --> 00:11:52,560

climbed the steps the view from there is

248

00:11:58,130 --> 00:11:55,800

awesome you can see the whole mall so I

249

00:12:00,290 --> 00:11:58,140

decided to take some pictures it was

250

00:12:02,300 --> 00:12:00,300

around 11:00 a.m. and I took about three

251

00:12:04,910 --> 00:12:02,310

pictures in a row of the Washington

252

00:12:06,620 --> 00:12:04,920

Monument at the time I didn't see

253

00:12:09,980 --> 00:12:06,630

anything but later that night when I got

254

00:12:12,110 --> 00:12:09,990

home I was looking to the pictures when

255

00:12:14,420 --> 00:12:12,120

I noticed something odd about one of

256

00:12:16,550 --> 00:12:14,430

them the first picture was totally

257

00:12:20,210 --> 00:12:16,560

normal but in the second one on the

258

00:12:23,990 --> 00:12:20,220

right of the Washington Memorial I saw a

259

00:12:27,830 --> 00:12:24,000

little black disc shaped object just

260

00:12:29,570 --> 00:12:27,840

hovering next to it I swiped to the

261

00:12:32,750 --> 00:12:29,580

third picture to see if it was in that

262

00:12:35,510 --> 00:12:32,760

one too but it was gone it must have

263

00:12:37,340 --> 00:12:35,520

disappeared quickly as these pictures

264

00:12:40,310 --> 00:12:37,350

were taken within seconds of each other

265

00:12:42,350 --> 00:12:40,320

I don't know the exact size of it but it

266

00:12:45,230 --> 00:12:42,360

must have been big if it showed up on my

267

00:12:47,690 --> 00:12:45,240

phone camera at first I assumed it was

268

00:12:50,270 --> 00:12:47,700

just a plane or a drone but if I'm not

269

00:12:53,870 --> 00:12:50,280

mistaken the skies above the mall and

270

00:12:54,770 --> 00:12:53,880

monument are a strict no-fly zone you

271

00:12:57,230 --> 00:12:54,780

got that right

272

00:12:59,660 --> 00:12:57,240

as the Capitol in the White House are in

273

00:13:00,050 --> 00:12:59,670

close proximity it's been on my mind for

274

00:13:02,900 --> 00:13:00,060

a while

275

00:13:05,570 --> 00:13:02,910

I just want an explanation for it I

276

00:13:10,610 --> 00:13:05,580

would have reported it sooner but I

277

00:13:12,440 --> 00:13:10,620

wasn't sure how boy I have got to take a

278

00:13:16,880 --> 00:13:12,450

look at this okay all right I'm looking

279

00:13:20,750 --> 00:13:16,890

I'm clicking nothing there nothing there

280

00:13:23,480 --> 00:13:20,760

ooh black saucer shape boom nothing

281

00:13:27,050 --> 00:13:23,490

there oh that's a pretty right

282

00:13:28,280 --> 00:13:27,060

pretty cool shot aliens have arrived in

283

00:13:30,199 --> 00:13:28,290

Washington for all the people that

284

00:13:34,820 --> 00:13:30,209

needed that evidence all right so moving

285

00:13:38,540 --> 00:13:34,830

on the next useful sighting happened in

286

00:13:41,720 --> 00:13:38,550

Karen Scotland this occurred

287

00:13:45,019 --> 00:13:41,730

January 5th 2018 unknown object

288

00:13:47,480 --> 00:13:45,029

aqua-blue Center with two white lights

289

00:13:51,290 --> 00:13:47,490

went higher than the other move from

290

00:13:54,380 --> 00:13:51,300

left to right in more detail in living

291

00:13:57,170 --> 00:13:54,390

room watching television window is next

292

00:13:59,750 --> 00:13:57,180

to the television - brightness of two

293

00:14:02,300 --> 00:13:59,760

white lights and really bright aqua blue

294

00:14:04,579 --> 00:14:02,310

Center okay we're just jumping into the

295

00:14:08,560 --> 00:14:04,589

description aqua blue not really visible

296

00:14:13,970 --> 00:14:08,570

due to short filings of my CCTV camera

297

00:14:15,620 --> 00:14:13,980

three initially a drone okay maybe

298

00:14:17,449 --> 00:14:15,630

they're saying number three initially a

299

00:14:20,240 --> 00:14:17,459

drone but too big and too perfect a

300

00:14:23,320 --> 00:14:20,250

flight path yeah okay for aqua blue

301
00:14:26,269 --> 00:14:23,330
fuselage and two extremely bright lights

302
00:14:29,260 --> 00:14:26,279
left one slightly higher than the right

303
00:14:31,490 --> 00:14:29,270
lights flashed on and off number five

304
00:14:34,310 --> 00:14:31,500
confused as to what it actually was

305
00:14:37,760 --> 00:14:34,320
number six object carries on flight path

306
00:14:39,769 --> 00:14:37,770
behind large tree in front garden and

307
00:14:45,139 --> 00:14:39,779
re-emerges for a few seconds past the

308
00:14:48,889 --> 00:14:45,149
tree footage starts at 1732 and finishes

309
00:14:50,720 --> 00:14:48,899
at okay interesting I don't usually see

310
00:14:56,720 --> 00:14:50,730
people numbering their thoughts but

311
00:15:00,920 --> 00:14:56,730
there it is okay I'm glad you reported

312
00:15:03,710 --> 00:15:00,930
that though okay moving on hey there I'm

313
00:15:05,870 --> 00:15:03,720

a glue stick so I have one job i glue

314

00:15:08,269 --> 00:15:05,880

kid stuff so sorry for being jealous of

315

00:15:10,760 --> 00:15:08,279

Geico who does it ton more like give you

316

00:15:12,980 --> 00:15:10,770

24/7 access to thousands of licensed

317

00:15:16,069 --> 00:15:12,990

agents and Geico has been around for

318

00:15:17,870 --> 00:15:16,079

over 75 years and has a 97% customer

319

00:15:19,340 --> 00:15:17,880

satisfaction rating while I've just got

320

00:15:21,290 --> 00:15:19,350

mediocre adhesive skills

321

00:15:24,710 --> 00:15:21,300

Geico also has an award-winning mobile

322

00:15:27,650 --> 00:15:24,720

app uh-oh that's impressed I'm no even

323

00:15:30,650 --> 00:15:27,660

acoustic miss Lydia Geico expect great

324

00:15:34,400 --> 00:15:30,660

savings and a whole lot more news next

325

00:15:36,780 --> 00:15:34,410

UFO sighting occurred in Douglas Alabama

326

00:15:42,050 --> 00:15:36,790

who's a UFO blasts from them

327

00:15:45,480 --> 00:15:42,060

last March 31st 1976 the UFO descended

328

00:15:48,770 --> 00:15:45,490

hovered a few feet from me oh holy

329

00:15:55,310 --> 00:15:48,780

smokes and communicated telepathically

330

00:15:59,070 --> 00:15:55,320

Oh was a juicy one all right and really

331

00:16:02,370 --> 00:15:59,080

the first first sentence this is a

332

00:16:04,880 --> 00:16:02,380

mundane account for a sighting I'm like

333

00:16:07,760 --> 00:16:04,890

this is juicy okay what's going on a

334

00:16:11,100 --> 00:16:07,770

mundane account for a sighting however I

335

00:16:14,190 --> 00:16:11,110

believe that they communicated with me

336

00:16:17,970 --> 00:16:14,200

telepathically the communication gives

337

00:16:20,850 --> 00:16:17,980

me hope for mankind my aunt lived on a

338

00:16:23,340 --> 00:16:20,860

vast amount of land and a small cottage

339

00:16:25,890 --> 00:16:23,350

on the hill every day after school

340

00:16:28,530 --> 00:16:25,900

weather permitting I would walk miles

341

00:16:32,400 --> 00:16:28,540

down the hill with the dogs

342

00:16:34,440 --> 00:16:32,410

singing twirling and enjoying I was only

343

00:16:36,960 --> 00:16:34,450

16 years of age and one day while

344

00:16:40,680 --> 00:16:36,970

walking down the hill I turned and

345

00:16:44,580 --> 00:16:40,690

glanced a white shining orb advancing my

346

00:16:47,070 --> 00:16:44,590

way I took off my glasses cleaned them

347

00:16:50,010 --> 00:16:47,080

and looked again trying to convince

348

00:16:53,280 --> 00:16:50,020

myself it was just a white glowing Sun

349

00:16:56,130 --> 00:16:53,290

playing tricks on my eyes I chose to

350

00:16:59,370 --> 00:16:56,140

ignore it and began walking down then I

351
00:17:02,820 --> 00:16:59,380
looked again it was a mere three feet

352
00:17:05,790 --> 00:17:02,830
from me across the street and just about

353
00:17:06,120 --> 00:17:05,800
a foot over my head you gotta be kidding

354
00:17:10,710 --> 00:17:06,130
me

355
00:17:14,550 --> 00:17:10,720
this is mundane I had to tilt my head

356
00:17:17,460 --> 00:17:14,560
slightly to see it it was a bright

357
00:17:20,040 --> 00:17:17,470
shining orb with no glare it was easy

358
00:17:22,920 --> 00:17:20,050
for my eyes to look at it looking at it

359
00:17:26,130 --> 00:17:22,930
in disbelief it's as though they knew

360
00:17:30,210 --> 00:17:26,140
what I was thinking at that instant it

361
00:17:34,380 --> 00:17:30,220
turned as if on an axis and just outside

362
00:17:37,050 --> 00:17:34,390
the lighted orb I saw some kind of metal

363
00:17:40,920 --> 00:17:37,060

silver rim that was turning then again

364

00:17:43,800 --> 00:17:40,930

only the orb my mind was convinced it

365

00:17:47,370 --> 00:17:43,810

was real then a question came into my

366

00:17:50,190 --> 00:17:47,380

mind something like quote would you like

367

00:17:53,370 --> 00:17:50,200

to go to our planet yes please

368

00:17:56,669 --> 00:17:53,380

what would you like to go to our planet

369

00:18:02,970 --> 00:17:56,679

to come back and teach our ways

370

00:18:05,700 --> 00:18:02,980

back on earth wow I did not have any

371

00:18:08,960 --> 00:18:05,710

fear and my thoughts were too many

372

00:18:12,840 --> 00:18:08,970

people would worry about me I can't go

373

00:18:14,610 --> 00:18:12,850

then I thought what if it can't read my

374

00:18:17,700 --> 00:18:14,620

thoughts so I ran up to the hill and

375

00:18:22,350 --> 00:18:17,710

into the house at the same speed of my

376

00:18:24,120 --> 00:18:22,360

pace the UFO came up the hill with me it

377

00:18:26,879 --> 00:18:24,130

wasn't until I turned toward the house

378

00:18:29,820 --> 00:18:26,889

it beard toward the opposite direction

379

00:18:32,430 --> 00:18:29,830

of the pasture where at least they asked

380

00:18:35,100 --> 00:18:32,440

nicely right I mean my goodness but how

381

00:18:38,100 --> 00:18:35,110

many people have said yes I will go hmm

382

00:18:40,950 --> 00:18:38,110

anyways after looking out the window it

383

00:18:44,129 --> 00:18:40,960

was just outside across the street above

384

00:18:46,860 --> 00:18:44,139

the pasture my aunt asked what did you

385

00:18:49,560 --> 00:18:46,870

see I told her thinking she would tell

386

00:18:52,289 --> 00:18:49,570

me I was imagining things she asked me

387

00:18:54,419 --> 00:18:52,299

to go to the porch with her to see if we

388

00:18:56,850 --> 00:18:54,429

could see it we were holding hands the

389

00:19:00,480 --> 00:18:56,860

sky was dimming in tonight and we

390

00:19:03,810 --> 00:19:00,490

watched it together descend into the sky

391

00:19:06,149 --> 00:19:03,820

it simply looked like a star that faded

392

00:19:08,970 --> 00:19:06,159

into the night that week some boys

393

00:19:12,120 --> 00:19:08,980

camping reported to our town paper they

394

00:19:13,830 --> 00:19:12,130

had witnessed a UFO my aunt took me for

395

00:19:17,129 --> 00:19:13,840

a hike through the pastures the next day

396

00:19:19,769 --> 00:19:17,139

we want forever with walking-sticks we

397

00:19:23,730 --> 00:19:19,779

didn't talk much at all we came across a

398

00:19:27,389 --> 00:19:23,740

quote clearing if you will it was huge

399

00:19:30,870 --> 00:19:27,399

sunken in pit the tree line grew around

400

00:19:33,779 --> 00:19:30,880

this pit very little vegetation inside

401
00:19:37,830 --> 00:19:33,789
the pit I thought this could be where

402
00:19:38,850 --> 00:19:37,840
they land my aunt told me she saw them

403
00:19:41,639 --> 00:19:38,860
all the time

404
00:19:44,009 --> 00:19:41,649
her kids confirmed she had told them

405
00:19:46,710 --> 00:19:44,019
about the sightings though they never

406
00:19:48,870 --> 00:19:46,720
saw them I wonder sometimes if they

407
00:19:51,480 --> 00:19:48,880
chose me because at the time in my life

408
00:19:54,960 --> 00:19:51,490
because I had an innocence and optimism

409
00:19:57,570 --> 00:19:54,970
about life my experience left me with

410
00:20:01,110 --> 00:19:57,580
the assurance that this particular life

411
00:20:03,240 --> 00:20:01,120
form is benevolent I had no fear I do

412
00:20:05,970 --> 00:20:03,250
not believe I was abducted in any way

413
00:20:09,180 --> 00:20:05,980

since that time I have seen other UFOs

414

00:20:10,230 --> 00:20:09,190

near Lake Travis in Texas my kids have

415

00:20:13,470 --> 00:20:10,240

witnessed them as well

416

00:20:16,740 --> 00:20:13,480

one event is well documented in the news

417

00:20:20,150 --> 00:20:16,750

orbs speeding down above Lake Travis my

418

00:20:24,600 --> 00:20:20,160

son and I witnessed that one together

419

00:20:26,700 --> 00:20:24,610

well aren't you lucky people who find

420

00:20:28,200 --> 00:20:26,710

UFOs fascinating for their entire lives

421

00:20:30,090 --> 00:20:28,210

never get the opportunity to see a UFO

422

00:20:32,700 --> 00:20:30,100

and here it runs in your family

423

00:20:35,490 --> 00:20:32,710

oh they're following that bloodline and

424

00:20:37,560 --> 00:20:35,500

you're on I mean you your kids you're

425

00:20:41,220 --> 00:20:37,570

not I mean it's three generations going

426

00:20:44,280 --> 00:20:41,230

here they may have visited you in ways

427

00:20:47,250 --> 00:20:44,290

that you just don't know but benevolent

428

00:20:49,230 --> 00:20:47,260

potentially they asked usually the nasty

429

00:20:51,900 --> 00:20:49,240

ones to just grab you and say deal with

430

00:20:55,260 --> 00:20:51,910

it PTSD and all and we're just gonna

431

00:20:58,290 --> 00:20:55,270

move on and go to the next people so wow

432

00:21:01,440 --> 00:20:58,300

really fascinating that they asked you

433

00:21:03,930 --> 00:21:01,450

and how many people say sure I'll go and

434

00:21:05,580 --> 00:21:03,940

we never hear about them again did they

435

00:21:07,260 --> 00:21:05,590

come back to teach us something and then

436

00:21:10,020 --> 00:21:07,270

we look at them as weirdos in point and

437

00:21:13,350 --> 00:21:10,030

stare and say what what are you talking

438

00:21:14,850 --> 00:21:13,360

about really fascinating story god

439

00:21:19,140 --> 00:21:14,860

you've reported that and that was not

440

00:21:20,600 --> 00:21:19,150

mundane how's that mundane a show of

441

00:21:25,560 --> 00:21:20,610

hands for who thinks that was mundane

442

00:21:26,250 --> 00:21:25,570

anybody nobody nobody all right that was

443

00:21:29,340 --> 00:21:26,260

a good one

444

00:21:31,530 --> 00:21:29,350

Wow okay moving on to a paranormal point

445

00:21:35,240 --> 00:21:31,540

cuz I got to mix it up sometimes don't

446

00:21:39,840 --> 00:21:35,250

we all right this one is just entitled

447

00:21:41,250 --> 00:21:39,850

haunted house right okay this person is

448

00:21:43,290 --> 00:21:41,260

telling their story hello my name is

449

00:21:45,840 --> 00:21:43,300

Mark hey Mark and one of my true

450

00:21:47,730 --> 00:21:45,850

paranormal stories was read on data on a

451
00:21:50,340 --> 00:21:47,740
video but I decided to share another one

452
00:21:52,590 --> 00:21:50,350
as some people know from that video okay

453
00:21:55,500 --> 00:21:52,600
dokay before I start I would like to

454
00:21:58,050 --> 00:21:55,510
apologize as this will be a very long

455
00:22:00,030 --> 00:21:58,060
story okay we'll try to go as fast as we

456
00:22:01,560 --> 00:22:00,040
can these stories that I'm going to

457
00:22:03,960 --> 00:22:01,570
share is from when I lived in this

458
00:22:06,570 --> 00:22:03,970
haunted house for a whole year by myself

459
00:22:09,030 --> 00:22:06,580
as a freshman in high school who

460
00:22:11,190 --> 00:22:09,040
abandoned you oh gosh due to some

461
00:22:13,800 --> 00:22:11,200
complicated family circumstances I would

462
00:22:15,780 --> 00:22:13,810
say my parents didn't want to see me for

463
00:22:17,190 --> 00:22:15,790

a while as they have actually done

464

00:22:21,330 --> 00:22:17,200

something like this in the

465

00:22:22,950 --> 00:22:21,340

past Wow they put me in this house that

466

00:22:26,190 --> 00:22:22,960

was given to us by a really good friend

467

00:22:28,649 --> 00:22:26,200

actually it was right next door so it

468

00:22:29,970 --> 00:22:28,659

wasn't too bad at all huh there were

469

00:22:31,919 --> 00:22:29,980

many things that happened in this house

470

00:22:33,509 --> 00:22:31,929

but I want to share two stories keep in

471

00:22:35,370 --> 00:22:33,519

mind everything is important in a way

472

00:22:37,230 --> 00:22:35,380

anyways I was supposed to live there

473

00:22:39,120 --> 00:22:37,240

with my eldest brother but he hated

474

00:22:41,430 --> 00:22:39,130

living in his room and I didn't know why

475

00:22:43,259 --> 00:22:41,440

he just kept his stuff there and slept

476

00:22:45,509 --> 00:22:43,269

on a couch at the other house

477

00:22:47,220 --> 00:22:45,519

my room was the last room down the hall

478

00:22:50,310 --> 00:22:47,230

he looked down the hall and the door

479

00:22:51,870 --> 00:22:50,320

would be right in your line of sight it

480

00:22:54,299 --> 00:22:51,880

wasn't to the side like my brother's

481

00:22:56,159 --> 00:22:54,309

room was which was the master bedroom my

482

00:22:58,320 --> 00:22:56,169

bathroom was right across from his room

483

00:23:00,480 --> 00:22:58,330

and that was probably the worst thing

484

00:23:02,879 --> 00:23:00,490

for me the layout of the hallway is very

485

00:23:04,710 --> 00:23:02,889

important the whole house had this heavy

486

00:23:07,529 --> 00:23:04,720

dark creepy feeling to it but my room

487

00:23:09,870 --> 00:23:07,539

was the only safe place everyone said it

488

00:23:11,850 --> 00:23:09,880

you could even feel the temperature and

489

00:23:12,600 --> 00:23:11,860

the atmosphere change between my room in

490

00:23:15,960 --> 00:23:12,610

the hallway

491

00:23:17,519 --> 00:23:15,970

it was like heaven versus Hades a little

492

00:23:19,230 --> 00:23:17,529

background on this house a good friend a

493

00:23:21,230 --> 00:23:19,240

neighbor died a few months before I

494

00:23:23,789 --> 00:23:21,240

moved in oh come on now

495

00:23:26,159 --> 00:23:23,799

he didn't die in the house he died in

496

00:23:28,340 --> 00:23:26,169

New York but both of his wives died

497

00:23:31,740 --> 00:23:28,350

there oh come on

498

00:23:33,690 --> 00:23:31,750

they died in my brother's room but they

499

00:23:35,730 --> 00:23:33,700

were good people and I know them so I

500

00:23:39,149 --> 00:23:35,740

don't think they would try to scare me

501
00:23:41,490 --> 00:23:39,159
or him also this neighborhood and all of

502
00:23:43,830 --> 00:23:41,500
its houses were made more than 50 years

503
00:23:48,230 --> 00:23:43,840
ago so they were bound to be spirits

504
00:23:52,710 --> 00:23:48,240
also we live near three cemeteries

505
00:23:54,210 --> 00:23:52,720
mixture of bad stuff okay back to the

506
00:23:56,220 --> 00:23:54,220
creepy part I was home alone and sitting

507
00:23:57,870 --> 00:23:56,230
in my room it was about 10:00 p.m. I got

508
00:23:59,070 --> 00:23:57,880
hungry so I decided go over to the other

509
00:24:02,070 --> 00:23:59,080
house to get a snack

510
00:24:03,450 --> 00:24:02,080
I walked out of my room I saw that my

511
00:24:05,399 --> 00:24:03,460
brother's room was open in the lights

512
00:24:07,169 --> 00:24:05,409
around I thought maybe he came back home

513
00:24:08,909 --> 00:24:07,179

to get something and he forgot to turn

514

00:24:09,659 --> 00:24:08,919

off the light so I turned it off and

515

00:24:11,610 --> 00:24:09,669

closed the door

516

00:24:13,169 --> 00:24:11,620

I kept the hallway light on then I went

517

00:24:15,779 --> 00:24:13,179

to the other house came back around 11

518

00:24:17,370 --> 00:24:15,789

p.m. when I was about to step into the

519

00:24:20,220 --> 00:24:17,380

hallway I saw that his door was wide

520

00:24:22,889 --> 00:24:20,230

open but the lights were off I had to

521

00:24:24,990 --> 00:24:22,899

pass his room to get to my room I didn't

522

00:24:27,419 --> 00:24:25,000

want to investigate so took a deep

523

00:24:29,789 --> 00:24:27,429

breath ran down the hallway quickly shut

524

00:24:30,510 --> 00:24:29,799

his door jumped into my room slammed it

525

00:24:34,980 --> 00:24:30,520

and

526

00:24:38,130 --> 00:24:34,990

brother I was like hey did you come home

527

00:24:41,070 --> 00:24:38,140

to in the past couple hours to my horror

528

00:24:43,169 --> 00:24:41,080

he said what no I have been at work I'm

529

00:24:45,540 --> 00:24:43,179

working overtime and I am about to leave

530

00:24:48,990 --> 00:24:45,550

why did something happen with my room I

531

00:24:51,030 --> 00:24:49,000

gave a small yeah your room before I

532

00:24:53,610 --> 00:24:51,040

could finish he said Oh looks like I'm

533

00:24:54,600 --> 00:24:53,620

not coming back tonight he left me in

534

00:24:56,640 --> 00:24:54,610

the dust

535

00:24:58,560 --> 00:24:56,650

i sat down wondering what I should do

536

00:25:00,900 --> 00:24:58,570

and I heard the sound of his door creak

537

00:25:03,570 --> 00:25:00,910

open the doors of this house were very

538

00:25:07,650 --> 00:25:03,580

very old and just touching the doorknob

539

00:25:10,410 --> 00:25:07,660

made sounds I was horrified but I still

540

00:25:13,710 --> 00:25:10,420

didn't want to check then I heard the

541

00:25:16,110 --> 00:25:13,720

light switch I knew I was screwed it was

542

00:25:17,730 --> 00:25:16,120

just me and the house a couple hours

543

00:25:19,410 --> 00:25:17,740

passed by and the worst thing that could

544

00:25:23,190 --> 00:25:19,420

possibly happen when you're our home

545

00:25:26,040 --> 00:25:23,200

alone in a haunted house happened I had

546

00:25:29,640 --> 00:25:26,050

to use the bathroom that's a good lead

547

00:25:32,520 --> 00:25:29,650

up yeah it was late at night but this

548

00:25:34,919 --> 00:25:32,530

was when I still had my really bad

549

00:25:37,080 --> 00:25:34,929

insomnia I didn't know what to do I

550

00:25:38,790 --> 00:25:37,090

didn't want to hold it in but I didn't

551
00:25:42,299 --> 00:25:38,800
want to go out of my room which was the

552
00:25:44,490 --> 00:25:42,309
safe haven but I manned up no you're oh

553
00:25:46,710 --> 00:25:44,500
dude you could just use a cup I'm

554
00:25:48,090 --> 00:25:46,720
kidding and I ran for the bathroom that

555
00:25:50,880 --> 00:25:48,100
was across from my brother's room I took

556
00:25:53,040 --> 00:25:50,890
a glimpse at his room and saw that the

557
00:25:56,340 --> 00:25:53,050
door was slightly open but their lights

558
00:25:58,380 --> 00:25:56,350
were on when I know I clearly turned

559
00:25:59,700 --> 00:25:58,390
them off I ignored it and went into the

560
00:26:01,680 --> 00:25:59,710
bathroom as fast as I could

561
00:26:03,540 --> 00:26:01,690
I did my business brush my teeth because

562
00:26:07,080 --> 00:26:03,550
I knew I wasn't coming back and I stood

563
00:26:08,760 --> 00:26:07,090

at the door I was afraid to open it

564

00:26:11,430 --> 00:26:08,770

right when I was going to touch the

565

00:26:14,610 --> 00:26:11,440

doorknob I heard my brother's door slam

566

00:26:18,060 --> 00:26:14,620

open hitting the wall behind it and the

567

00:26:20,640 --> 00:26:18,070

sound of the light switch I wanted to

568

00:26:26,370 --> 00:26:20,650

cry honestly I was terrified but I ran

569

00:26:27,180 --> 00:26:26,380

out my tiny Asian legs moved as fast as

570

00:26:29,280 --> 00:26:27,190

they could

571

00:26:31,230 --> 00:26:29,290

closed his door jumped into my safe

572

00:26:34,560 --> 00:26:31,240

haven slammed the door once more and I

573

00:26:38,220 --> 00:26:34,570

fell to the ground as I laid there I

574

00:26:40,470 --> 00:26:38,230

heard knocking on his door I never left

575

00:26:42,510 --> 00:26:40,480

my room for the rest of the night my

576

00:26:44,159 --> 00:26:42,520

last and one of the most horrifying

577

00:26:46,680 --> 00:26:44,169

experiences I had in that house

578

00:26:48,299 --> 00:26:46,690

was this nightmare this house was the

579

00:26:49,830 --> 00:26:48,309

start of my nightmares my best friend

580

00:26:53,190 --> 00:26:49,840

wasn't living with me at the time and

581

00:26:55,409 --> 00:26:53,200

the demon lady I mentioned before huh

582

00:26:57,539 --> 00:26:55,419

didn't appear my dreams until this night

583

00:27:00,810 --> 00:26:57,549

a few months before I was scheduled to

584

00:27:03,299 --> 00:27:00,820

move out I finally fell asleep in my

585

00:27:05,099 --> 00:27:03,309

dream I was lying on my bed lying on my

586

00:27:07,710 --> 00:27:05,109

back my room was dark and I honestly

587

00:27:10,499 --> 00:27:07,720

didn't realize I was sleeping until I

588

00:27:12,989 --> 00:27:10,509

felt this heavy pressure on my chest I

589

00:27:14,849 --> 00:27:12,999

knew I was experiencing sleep paralysis

590

00:27:18,509 --> 00:27:14,859

again because I couldn't move and I

591

00:27:19,979 --> 00:27:18,519

couldn't scream then I saw her she was

592

00:27:22,499 --> 00:27:19,989

sitting on my chest

593

00:27:25,379 --> 00:27:22,509

she took the green pillow that I moved

594

00:27:28,470 --> 00:27:25,389

to the side and started to choke me with

595

00:27:30,539 --> 00:27:28,480

my own pillow I can hear her

596

00:27:33,810 --> 00:27:30,549

hysterically laughing as she pressed the

597

00:27:35,849 --> 00:27:33,820

pillow on my face at this moment I was

598

00:27:38,489 --> 00:27:35,859

able to move my arms and was trying to

599

00:27:40,229 --> 00:27:38,499

rip the pillow off my face but that

600

00:27:45,200 --> 00:27:40,239

didn't work at all and I couldn't scream

601
00:27:49,320 --> 00:27:45,210
or breathe then I heard you are mine now

602
00:27:51,419 --> 00:27:49,330
I immediately woke up after she said

603
00:27:53,849 --> 00:27:51,429
that I was sweating and trying to catch

604
00:27:55,440 --> 00:27:53,859
my breath I thought it was just a normal

605
00:27:58,440 --> 00:27:55,450
sleep paralysis moment but when I

606
00:28:00,450 --> 00:27:58,450
finally regained my senses I felt like

607
00:28:02,159 --> 00:28:00,460
the blood drained from my face my green

608
00:28:03,989 --> 00:28:02,169
pillow that I clearly moved to the side

609
00:28:06,989 --> 00:28:03,999
before I went to sleep was lying on top

610
00:28:08,940 --> 00:28:06,999
of my chest when I moved out of this

611
00:28:11,430 --> 00:28:08,950
house I asked my brother why he hated

612
00:28:14,489 --> 00:28:11,440
sleeping in his room when I found out

613
00:28:17,070 --> 00:28:14,499

horrified me he said that there were

614

00:28:19,560 --> 00:28:17,080

these two porcelain dolls that came with

615

00:28:21,720 --> 00:28:19,570

his room he moved them out to the patio

616

00:28:23,489 --> 00:28:21,730

and thought it would be alright and a

617

00:28:26,070 --> 00:28:23,499

couple of days later he found one of

618

00:28:28,919 --> 00:28:26,080

them on top of his brownish red dresser

619

00:28:31,700 --> 00:28:28,929

and one inside that same dresser that he

620

00:28:33,989 --> 00:28:31,710

didn't use but it came with the room

621

00:28:36,060 --> 00:28:33,999

after that the dolls moved around the

622

00:28:39,299 --> 00:28:36,070

house as sometimes it would come back to

623

00:28:42,269 --> 00:28:39,309

his room not only that maybe this is the

624

00:28:43,799 --> 00:28:42,279

Elf on the Shelf I mean really yeah not

625

00:28:47,519 --> 00:28:43,809

only that he felt like he was being

626
00:28:49,680 --> 00:28:47,529
watched by many people that was why he

627
00:28:51,629 --> 00:28:49,690
didn't want to sleep in there he said he

628
00:28:53,789 --> 00:28:51,639
envied me because my room felt so safe

629
00:28:55,289 --> 00:28:53,799
and calming what bothered me was when I

630
00:28:57,359 --> 00:28:55,299
moved out of the house and back into the

631
00:28:58,360 --> 00:28:57,369
original house my family owned that

632
00:29:01,210 --> 00:28:58,370
haunting feeling

633
00:29:03,070 --> 00:29:01,220
left that house along with me well now I

634
00:29:05,230 --> 00:29:03,080
know I brought something back with me

635
00:29:08,290 --> 00:29:05,240
and to this day I still get these

636
00:29:12,160 --> 00:29:08,300
nightmares and see that lady in my

637
00:29:15,070 --> 00:29:12,170
dreams at the old hag you guys know the

638
00:29:16,540 --> 00:29:15,080

old hag syndrome sounds like her he

639

00:29:18,640 --> 00:29:16,550

didn't describe what she looks like but

640

00:29:20,710 --> 00:29:18,650

it sure does sound like her how is your

641

00:29:22,870 --> 00:29:20,720

room a safe haven if she got in there

642

00:29:24,790 --> 00:29:22,880

and sat on your chest it took a green

643

00:29:30,940 --> 00:29:24,800

pillow to shove down your throat that's

644

00:29:33,610 --> 00:29:30,950

messed up yeah crazy I grew up in a

645

00:29:35,530 --> 00:29:33,620

haunted house I feel for you anyways I

646

00:29:37,960 --> 00:29:35,540
