13  
00:01:25,030 --> 00:01:21,990

this year's season premiere of pure

14

00:01:27,650 --> 00:01:25,040

virtual universe now on our fourth year

15

00:01:31,640 --> 00:01:27,660

we're back this year with new shows and

16

00:01:33,859 --> 00:01:31,650

new guests and we're excited yes we have

17

00:01:35,450 --> 00:01:33,869

an awesome show for you all tonight in a

18

00:01:38,030 --> 00:01:35,460

couple minutes we're gonna bring out

19

00:01:41,390 --> 00:01:38,040

your father just journalist and author

20

00:01:44,030 --> 00:01:41,400

Cheryl custom but before we do we have

21

00:01:46,160 --> 00:01:44,040

some shout outs to get to shout outs go

22

00:01:50,980 --> 00:01:46,170

to those who share our show banners on

23

00:01:53,960 --> 00:01:50,990

social media every week and this year

24

00:01:56,360 --> 00:01:53,970

everyone has been exceptionally super

25

00:01:58,640 --> 00:01:56,370

gracious as Facebook and YouTube have

26

00:02:01,219 --> 00:01:58,650

been censoring Andy monetizing

27

00:02:04,100 --> 00:02:01,229

free-thinking shows which cover things

28

00:02:06,680 --> 00:02:04,110

that mainstream media won't touch like

29

00:02:08,870 --> 00:02:06,690

ours which has made it a bit more

30

00:02:12,080 --> 00:02:08,880

difficult to advertise the way we have

31

00:02:13,550 --> 00:02:12,090

been accustomed to which is why the

32

00:02:16,280 --> 00:02:13,560

shout outs become that much more

33

00:02:18,320 --> 00:02:16,290

important because you're the ones who

34

00:02:22,240 --> 00:02:18,330

are helping us deal with this new

35

00:02:24,380 --> 00:02:22,250

adversity so thank you all so much and

36

00:02:26,720 --> 00:02:24,390

you know I must say looking at the

37

00:02:28,940 --> 00:02:26,730

numbers right before we went on because

38

00:02:30,860 --> 00:02:28,950

of your shares we ended up with the same

39

00:02:33,560 --> 00:02:30,870

amount of viewers we normally enjoy in

40

00:02:38,120 --> 00:02:33,570

the past which proves that the people do

41

00:02:39,860 --> 00:02:38,130

have the power censorship is wrong but

42

00:02:41,870 --> 00:02:39,870

thank you all for your support you guys

43

00:02:46,280 --> 00:02:41,880

64

00:03:56,410 --> 00:03:52,640

but we have setting up higher state

65

00:03:58,839 --> 00:03:56,420

75

00:04:34,810 --> 00:04:32,720

gathers data on ethology many including

76

00:04:37,210 --> 00:04:34,820

us are impressed with her focused

77

00:04:39,760 --> 00:04:37,220

elegance and dedication to success dicks

78

00:04:42,550 --> 00:04:39,770

facts and figures so we'll be discussing

79

00:04:44,680 --> 00:04:42,560

some of those statistics which we find

80

00:04:47,140 --> 00:04:44,690

so interesting as well as Cheryl's

81

00:04:49,390 --> 00:04:47,150

viewers on ethology past present and

82

00:04:53,320 --> 00:04:49,400

future and anything else

83

00:04:56,110 --> 00:04:53,330

ethology or journalism we end up

84

00:04:58,240 --> 00:04:56,120

discussing and remember folks ask your

85

00:05:01,350 --> 00:04:58,250

questions and make comments at iron chat

86

00:05:05,379 --> 00:05:01,360

calm and Jen will take those questions

87

00:05:07,710 --> 00:05:05,389

and ask them to Cheryl shall we bring

88

00:05:11,409 --> 00:05:07,720

her on yes let's do that

89

00:05:14,110 --> 00:05:11,419

Jerell you with us yes I am thank you

90

00:05:16,689 --> 00:05:14,120

for having me Kevin and Jennifer welcome

91

00:05:22,360 --> 00:05:20,110

let's start with the the beginning of

92

00:05:24,730 --> 00:05:22,370

your career always a good place to start

93

00:05:29,499 --> 00:05:24,740

up how did you get in the field ethology

94

00:05:33,550 --> 00:05:29,509

I guess more specifically into pulling

95

00:05:35,499 --> 00:05:33,560

folks and collecting data well okay I

96

00:05:39,879 --> 00:05:35,509

had my first sighting when I was about

97

00:05:41,920 --> 00:05:39,889

12 years old and that my mother pointed

98

00:05:46,050 --> 00:05:41,930

it out to me explain to me what it might

99

00:05:49,059 --> 00:05:46,060

be what it might not be and from there

100

00:05:51,909 --> 00:05:49,069

we developed a very close relationship I

101  
00:05:54,820 --> 00:05:51,919  
was at that stage where you know

102  
00:05:57,309 --> 00:05:54,830  
teenagers where mom and dad are stupid

103  
00:06:00,010 --> 00:05:57,319  
you know and this was one of those

104  
00:06:03,580 --> 00:06:00,020  
things where mom really me got my

105  
00:06:06,040 --> 00:06:03,590  
attention when she explained the UFO

106  
00:06:09,490 --> 00:06:06,050  
might be people from another world that

107  
00:06:12,909 --> 00:06:09,500  
sort of thing so we both began getting

108  
00:06:14,230 --> 00:06:12,919  
books from the library and excuse me and

109  
00:06:16,920 --> 00:06:14,240  
things like this and sharing them with

110  
00:06:19,809 --> 00:06:16,930  
each other this is in the late 60s and

111  
00:06:22,390 --> 00:06:19,819  
from that standpoint I was always just

112  
00:06:24,610 --> 00:06:22,400  
the UFO bystander I just was read on

113  
00:06:27,119 --> 00:06:24,620

anything I happened to run across never

114

00:06:32,649 --> 00:06:27,129

really spoke to a lot of people about it

115

00:06:37,300 --> 00:06:32,659

then in 2012 I was working for a

116

00:06:39,309 --> 00:06:37,310

newspaper and in fact I wasn't even I

117

00:06:42,730 --> 00:06:39,319

wasn't a journalist I was a production

118

00:06:45,459 --> 00:06:42,740

technician and we had just put the the

119

00:06:48,700 --> 00:06:45,469

the newspaper to bed that oppresses were

120

00:06:51,100 --> 00:06:48,710

rolling you know 700-ton press out there

121

00:06:52,959 --> 00:06:51,110

just cranking out the newspapers and all

122

00:06:54,429 --> 00:06:52,969

I really had to do was sit tight for the

123

00:06:56,860 --> 00:06:54,439

next two hours and wait for them to

124

00:07:00,850 --> 00:06:56,870

finish the production that was it so I

125

00:07:02,980 --> 00:07:00,860

was looking at cnn.com the the web page

126  
00:07:06,760 --> 00:07:02,990  
for CNN and there was this little

127  
00:07:08,980 --> 00:07:06,770  
sidebar story that said UFOs have been

128  
00:07:12,730 --> 00:07:08,990  
declining since the 80s maybe they were

129  
00:07:16,240 --> 00:07:12,740  
always just an urban legend and I sat

130  
00:07:18,760 --> 00:07:16,250  
back I said that doesn't feel right so

131  
00:07:21,459 --> 00:07:18,770  
for the first time in my life I went out

132  
00:07:24,249 --> 00:07:21,469  
on Google and I went out to the national

133  
00:07:27,339 --> 00:07:24,259  
UFO Reporting Center and I pulled up

134  
00:07:29,980 --> 00:07:27,349  
like the the the year-end totals for

135  
00:07:33,370 --> 00:07:29,990  
like about from about 19

136  
00:07:34,720 --> 00:07:33,380  
right up to about 2,000 and I put him in

137  
00:07:36,220 --> 00:07:34,730  
a little spreadsheet and there was just

138  
00:07:39,640 --> 00:07:36,230

a little bar chart and it went up like a

139

00:07:45,190 --> 00:07:39,650

racket and the first inclination I had

140

00:07:49,900 --> 00:07:45,200

was what memo didn't the UFOs get and

141

00:07:51,670 --> 00:07:49,910

and so also having been on this this

142

00:07:53,740 --> 00:07:51,680

site I started reading different

143

00:07:55,870 --> 00:07:53,750

people's reports and I expect to see a

144

00:08:00,040 --> 00:07:55,880

lot of what I'm gonna call crackpot

145

00:08:04,170 --> 00:08:00,050

reporting and it wasn't the case what I

146

00:08:07,870 --> 00:08:04,180

started seeing were very heartfelt

147

00:08:10,420 --> 00:08:07,880

explanations people sharing I saw

148

00:08:13,630 --> 00:08:10,430

something fantastic and this is what we

149

00:08:15,760 --> 00:08:13,640

saw this was not something that looked

150

00:08:17,530 --> 00:08:15,770

like anything ordinary you know I kept

151  
00:08:19,570 --> 00:08:17,540  
seeing these people were just basically

152  
00:08:21,460 --> 00:08:19,580  
trying to get it off their chest because

153  
00:08:23,110 --> 00:08:21,470  
nobody else would talk to them the

154  
00:08:25,540 --> 00:08:23,120  
police department didn't want to hear

155  
00:08:27,700 --> 00:08:25,550  
about it the the local news desk at the

156  
00:08:30,160 --> 00:08:27,710  
newspaper didn't want to hear about it

157  
00:08:32,590 --> 00:08:30,170  
and and so they were just trying to

158  
00:08:34,600 --> 00:08:32,600  
unload what they had seen and they had

159  
00:08:36,760 --> 00:08:34,610  
seen something amazing in most cases

160  
00:08:39,190 --> 00:08:36,770  
yeah there was a court case okay

161  
00:08:41,380 --> 00:08:39,200  
occasionally you'd see a hoax II type

162  
00:08:43,090 --> 00:08:41,390  
thing and but for the most part most

163  
00:08:45,370 --> 00:08:43,100

these people were pretty genuine and

164

00:08:47,380 --> 00:08:45,380

just wanted to get it off their chest so

165

00:08:49,210 --> 00:08:47,390

I started writing up these stories and

166

00:08:52,030 --> 00:08:49,220

punching them up my degree is in

167

00:08:55,660 --> 00:08:52,040

entertainment writing so I'm not bound

168

00:08:57,610 --> 00:08:55,670

by the same journalistic rules I

169

00:09:00,190 --> 00:08:57,620

couldn't tell you who they were because

170

00:09:02,350 --> 00:09:00,200

these things were anonymous I can't tell

171

00:09:05,350 --> 00:09:02,360

you why and if I could I'd be getting

172

00:09:08,050 --> 00:09:05,360

nobel prize why these UFOs are here but

173

00:09:10,090 --> 00:09:08,060

I can't tell you what when and where so

174

00:09:12,340 --> 00:09:10,100

I would write these stories up and if

175

00:09:14,710 --> 00:09:12,350

there was no name associated suddenly it

176  
00:09:16,960 --> 00:09:14,720  
was Bob and Susie or Kevin and Jennifer

177  
00:09:19,570 --> 00:09:16,970  
you know saw this thing you know they

178  
00:09:21,490 --> 00:09:19,580  
were walking their dog you know and and

179  
00:09:24,960 --> 00:09:21,500  
that's how I got into it and I went

180  
00:09:27,880 --> 00:09:24,970  
around I pitched about 12 or 15 editors

181  
00:09:29,410 --> 00:09:27,890  
and I got lamp out of the offices like

182  
00:09:31,510 --> 00:09:29,420  
I've thrown out over the offices I got

183  
00:09:33,850 --> 00:09:31,520  
escorted out by security I had one

184  
00:09:37,240 --> 00:09:33,860  
editor look at me and say and what brand

185  
00:09:40,060 --> 00:09:37,250  
of tinfoil do you wear you know and it

186  
00:09:43,010 --> 00:09:40,070  
was very very demoralizing finally of I

187  
00:09:45,350 --> 00:09:43,020  
went to a weekly paper

188  
00:09:47,300 --> 00:09:45,360

and this particular editor had worked

189

00:09:50,870 --> 00:09:47,310

for the same newspaper I was doing

190

00:09:52,750 --> 00:09:50,880

production work for and he wouldn't even

191

00:09:55,460 --> 00:09:52,760

look at the three the four three or four

192

00:09:58,040 --> 00:09:55,470

PowerPoint slides that I had printed out

193

00:10:00,170 --> 00:09:58,050

he said let's talk he poured me some tea

194

00:10:02,210 --> 00:10:00,180

and we just sat there and we talked for

195

00:10:04,760 --> 00:10:02,220

45 minutes and this guy had read a lot

196

00:10:08,330 --> 00:10:04,770

of the same stuff I had we had a very

197

00:10:09,890 --> 00:10:08,340

deep very same conversation so he said

198

00:10:11,990 --> 00:10:09,900

oh can you tell you what show me your

199

00:10:14,120 --> 00:10:12,000

slides and I proposed the idea for a

200

00:10:16,910 --> 00:10:14,130

column for their online edition which

201  
00:10:19,820 --> 00:10:16,920  
was just really starting to you know get

202  
00:10:21,890 --> 00:10:19,830  
its feet and Larry said to me this is

203  
00:10:24,770 --> 00:10:21,900  
okay I'll try you out for a month w

204  
00:10:29,150 --> 00:10:24,780  
about four or five episodes of year of

205  
00:10:31,160 --> 00:10:29,160  
this proposed column he says in a month

206  
00:10:33,470 --> 00:10:31,170  
if I don't like it we'll pull it that

207  
00:10:36,080 --> 00:10:33,480  
would be it it's okay fine that's fair

208  
00:10:37,520 --> 00:10:36,090  
you know about a month later he calls me

209  
00:10:39,710 --> 00:10:37,530  
up on the phone since come on over to a

210  
00:10:41,450 --> 00:10:39,720  
meeting we need to talk about your

211  
00:10:44,240 --> 00:10:41,460  
column and going oh I'm thinking about

212  
00:10:45,770 --> 00:10:44,250  
that's it you know so I get over there I

213  
00:10:47,660 --> 00:10:45,780

walk into the meeting I'm a few minutes

214

00:10:49,820 --> 00:10:47,670

late because I have a parking problem I

215

00:10:54,860 --> 00:10:49,830

walk in and there's Larry and he said

216

00:10:58,220 --> 00:10:54,870

well there's our rock star I looked at

217

00:10:59,900 --> 00:10:58,230

I'm gonna say what do you mean and then

218

00:11:02,300 --> 00:10:59,910

he looks at he looks at me and he says

219

00:11:07,190 --> 00:11:02,310

you're pulling more page views and all

220

00:11:08,840 --> 00:11:07,200

the columnist combined so obviously we

221

00:11:10,220 --> 00:11:08,850

had something we had out we had

222

00:11:12,500 --> 00:11:10,230

lightning in a bottle there and we

223

00:11:14,300 --> 00:11:12,510

continued and so we've been doing it now

224

00:11:18,950 --> 00:11:14,310

for four and a half years and it's been

225

00:11:22,730 --> 00:11:18,960

very successful it's over 230 240 weekly

226

00:11:24,650 --> 00:11:22,740

articles so I've written so and I might

227

00:11:26,390 --> 00:11:24,660

my wife made the comment to me she was

228

00:11:29,390 --> 00:11:26,400

afraid that I would maybe get 20

229

00:11:31,790 --> 00:11:29,400

articles in and and not have enough to

230

00:11:35,240 --> 00:11:31,800

talk about but that hasn't been the case

231

00:11:37,580 --> 00:11:35,250

I want to point out we don't have your

232

00:11:42,740 --> 00:11:37,590

book yet UFO sightings Desk Reference

233

00:11:44,690 --> 00:11:42,750

but we do have or yeah we do have a

234

00:11:46,190 --> 00:11:44,700

light page or you have a like page on

235

00:11:50,570 --> 00:11:46,200

Facebook

236

00:11:54,590 --> 00:11:50,580

UFO Desk Reference which we enjoy and

237

00:11:55,880 --> 00:11:54,600

everyone should go and like it if you're

238

00:11:59,210 --> 00:11:55,890

on Facebook

239

00:12:02,259 --> 00:11:59,220

and so we've been able to check out a

240

00:12:04,519 --> 00:12:02,269

lot of the stuff that you post and

241

00:12:06,710 --> 00:12:04,529

statistics and articles that you've

242

00:12:11,720 --> 00:12:06,720

written because you'll find both of them

243

00:12:14,230 --> 00:12:11,730

there haha my first question is out of

244

00:12:18,740 --> 00:12:14,240

all the stats that you've collected

245

00:12:23,590 --> 00:12:18,750

which one is which one surprised you the

246

00:12:26,000 --> 00:12:23,600

most and why what surprised me the most

247

00:12:28,040 --> 00:12:26,010

well out of all the different statistics

248

00:12:30,410 --> 00:12:28,050

that you've collected or that are the

249

00:12:32,300 --> 00:12:30,420

different polls that you do I no no no I

250

00:12:37,990 --> 00:12:32,310

don't do it haven't been doing what I do

251

00:12:40,730 --> 00:12:38,000

a few polls now and then but I my

252

00:12:43,850 --> 00:12:40,740

statistics I took both the national UFO

253

00:12:46,910 --> 00:12:43,860

Reporting Center in the MUFON data from

254

00:12:50,930 --> 00:12:46,920

2001 to 2015 and we put them together

255

00:12:53,150 --> 00:12:50,940

and then we also added County data since

256

00:12:55,519 --> 00:12:53,160

it was just just a big list of cities

257

00:12:57,740 --> 00:12:55,529

and states and that was the first time

258

00:13:00,500 --> 00:12:57,750

anybody had ever done that before and we

259

00:13:01,759 --> 00:13:00,510

literally have the ability right now and

260

00:13:05,090 --> 00:13:01,769

I'm sitting here looking at a

261

00:13:07,699 --> 00:13:05,100

spreadsheet I'm looking at Wisconsin and

262

00:13:09,470 --> 00:13:07,709

I you you tell me a County and I can

263

00:13:11,840 --> 00:13:09,480

literally drill down to the

264

00:13:13,910 --> 00:13:11,850

municipalities in that County and tell

265

00:13:16,400 --> 00:13:13,920

you what what what how many UFO

266

00:13:21,710 --> 00:13:16,410

sightings they had during the 2001 to

267

00:13:26,210 --> 00:13:21,720

2015 15 year period that that was that

268

00:13:27,769 --> 00:13:26,220

was a piece of I'm gonna call it you

269

00:13:32,090 --> 00:13:27,779

know software engineering we did a

270

00:13:34,430 --> 00:13:32,100

really good job of doing it I'm not

271

00:13:36,340 --> 00:13:34,440

marveling at my own work but we did

272

00:13:39,079 --> 00:13:36,350

something nobody else had done before

273

00:13:41,240 --> 00:13:39,089

most everybody in fact one of the things

274

00:13:44,300 --> 00:13:41,250

used to bother me an awful lot about UFO

275

00:13:45,710 --> 00:13:44,310

ology you go to a convention and it

276

00:13:48,380 --> 00:13:45,720

seemed like all the speakers were

277

00:13:50,720 --> 00:13:48,390

talking about crash here crash there it

278

00:13:53,210 --> 00:13:50,730

was like a golden oldies radio station

279

00:13:58,699 --> 00:13:53,220

the best UFO crashes from the 50s 60s

280

00:14:00,319 --> 00:13:58,709

and 70s right and and nobody was talking

281

00:14:02,600 --> 00:14:00,329

about numbers and I did a presentation

282

00:14:04,639 --> 00:14:02,610

about four years ago at the

283

00:14:08,090 --> 00:14:04,649

International UFO Congress in fact I'm

284

00:14:09,380 --> 00:14:08,100

speaking there in about two weeks about

285

00:14:12,410 --> 00:14:09,390

the current book the

286

00:14:17,660 --> 00:14:12,420

most sightings desk reference and but

287

00:14:19,699 --> 00:14:17,670

back in 2014 I was the only presenter I

288

00:14:21,259 --> 00:14:19,709

was talking about New York State in the

289

00:14:22,579 --> 00:14:21,269

UFO sightings in New York State and I

290

00:14:26,720 --> 00:14:22,589

was the only person hit charts and

291

00:14:28,730 --> 00:14:26,730

graphs and numbers and that surprised a

292

00:14:30,920 --> 00:14:28,740

bunch of people and I had a professor

293

00:14:33,139 --> 00:14:30,930

from Sonoma University in California

294

00:14:37,220 --> 00:14:33,149

come up and use an astronomy professor

295

00:14:39,920 --> 00:14:37,230

Gordon spear and dr. Gordon spear and he

296

00:14:42,230 --> 00:14:39,930

asked me if I could drill down and get

297

00:14:43,579 --> 00:14:42,240

information at a different level and we

298

00:14:45,769 --> 00:14:43,589

got talking about it and he wanted

299

00:14:49,880 --> 00:14:45,779

counting information and I said that's a

300

00:14:52,340 --> 00:14:49,890

tall order so we went into this thing we

301  
00:14:53,750 --> 00:14:52,350  
figured out how to do this now hi it's

302  
00:14:54,980 --> 00:14:53,760  
Jamie progresses employee of the month

303  
00:14:57,170 --> 00:14:54,990  
two months in a row

304  
00:14:59,389 --> 00:14:57,180  
leave a message at the hi Jamie hits me

305  
00:15:01,190 --> 00:14:59,399  
Jamie I just had a new idea for our song

306  
00:15:02,840 --> 00:15:01,200  
with the name your price tool so when

307  
00:15:04,880 --> 00:15:02,850  
it's like tell us what you want to pay

308  
00:15:06,590 --> 00:15:04,890  
hey hey hey the trombone goes blah blah

309  
00:15:09,019 --> 00:15:06,600  
blah and you say we'll help you find

310  
00:15:11,030 --> 00:15:09,029  
coverage options to fit your budget then

311  
00:15:12,680 --> 00:15:11,040  
we just all do finger snaps well aquire

312  
00:15:14,540 --> 00:15:12,690  
goes Stephens coming at cha savings

313  
00:15:16,460 --> 00:15:14,550

coming out Jeff yes no maybe

314

00:15:18,710 --> 00:15:16,470

anyway see your practice tonight I got

315

00:15:19,670 --> 00:15:18,720

new lyrics with a rad break progressive

316

00:15:20,660 --> 00:15:19,680

casualty insurance company and

317

00:15:24,650 --> 00:15:20,670

affiliates pricing coverage imagine

318

00:15:27,530 --> 00:15:24,660

limited by state law it came from a 32

319

00:15:29,569 --> 00:15:27,540

year career with Lockheed Martin and my

320

00:15:31,519 --> 00:15:29,579

spouse was also when I'm gonna call

321

00:15:34,639 --> 00:15:31,529

Beltway being that we were both defense

322

00:15:36,920 --> 00:15:34,649

contractors so to speak and so we're

323

00:15:41,060 --> 00:15:36,930

used to writing process for everything

324

00:15:44,269 --> 00:15:41,070

we learn how to do and when we wrote the

325

00:15:47,210 --> 00:15:44,279

book we had done New York State and it

326

00:15:50,660 --> 00:15:47,220

took us three four months to do New York

327

00:15:53,900 --> 00:15:50,670

State well with the processes that we

328

00:15:57,230 --> 00:15:53,910

developed I can crunch a state like New

329

00:15:58,880 --> 00:15:57,240

York State in about a day now but back

330

00:16:00,920 --> 00:15:58,890

when we did the first time we wouldn't

331

00:16:04,220 --> 00:16:00,930

we didn't know what we were doing you

332

00:16:06,560 --> 00:16:04,230

know so if there was a statistic of all

333

00:16:10,519 --> 00:16:06,570

the statistics we have all the state

334

00:16:13,220 --> 00:16:10,529

size 14 statistics over 3,000 counties

335

00:16:15,430 --> 00:16:13,230

in the United States and we had the UFO

336

00:16:19,540 --> 00:16:15,440

stats for all of them

337

00:16:22,040 --> 00:16:19,550

okay I think the most interesting

338

00:16:22,850 --> 00:16:22,050

statistic for me was what day of the

339

00:16:27,350 --> 00:16:22,860

week

340

00:16:29,870 --> 00:16:27,360

people see UFOs statistically it's flat

341

00:16:31,880 --> 00:16:29,880

all we are not seeing dead flat but it's

342

00:16:34,490 --> 00:16:31,890

statistically flat all week at a

343

00:16:36,800 --> 00:16:34,500

quiescent level of sightings and those

344

00:16:39,020 --> 00:16:36,810

sightings are by people who walk dogs

345

00:16:41,510 --> 00:16:39,030

are out having a smoker out having a

346

00:16:43,490 --> 00:16:41,520

smoke while walking the dog okay

347

00:16:47,270 --> 00:16:43,500

those are those are the people who are

348

00:16:51,500 --> 00:16:47,280

out there day in day out all year long

349

00:16:54,380 --> 00:16:51,510

rain or shine but as you get towards the

350

00:16:58,970 --> 00:16:54,390

weekend people start other people start

351

00:17:01,130 --> 00:16:58,980

having leisure time okay so it starts to

352

00:17:03,770 --> 00:17:01,140

pick up a little bit on Friday and then

353

00:17:05,930 --> 00:17:03,780

Saturday night seems to tick up

354

00:17:07,970 --> 00:17:05,940

something on the order of seven to nine

355

00:17:10,400 --> 00:17:07,980

percent depending upon where you are and

356

00:17:13,070 --> 00:17:10,410

then Sunday is about the same as Friday

357

00:17:14,690 --> 00:17:13,080

ticks back down again but basically we

358

00:17:19,190 --> 00:17:14,700

discovered and this is the stat that

359

00:17:22,540 --> 00:17:19,200

impressed us in in the United States UFO

360

00:17:29,390 --> 00:17:22,550

sighting reports seem to be driven by

361

00:17:33,320 --> 00:17:29,400

temperate weather and leisure time you

362

00:17:34,970 --> 00:17:33,330

know and once you establish that when

363

00:17:38,330 --> 00:17:34,980

you point it out it does make sense

364

00:17:41,990 --> 00:17:38,340

right I mean because it does well yeah

365

00:17:45,230 --> 00:17:42,000

it does but it wasn't intuitive to begin

366

00:17:47,750 --> 00:17:45,240

with right right okay the other goofy

367

00:17:50,150 --> 00:17:47,760

thing and I didn't discover this mic my

368

00:17:52,430 --> 00:17:50,160

wife Linda discovered this I had already

369

00:17:54,800 --> 00:17:52,440

crunched almost I crunched all the

370

00:17:57,320 --> 00:17:54,810

states and counties and all this stuff I

371

00:17:58,940 --> 00:17:57,330

had all the charts and I had given them

372

00:18:00,950 --> 00:17:58,950

to her she had him over in a different

373

00:18:03,260 --> 00:18:00,960

computer and she was laying this book

374

00:18:05,150 --> 00:18:03,270

out now please understand I don't know

375

00:18:06,830 --> 00:18:05,160

if you've seen the book online the

376

00:18:09,620 --> 00:18:06,840

picture of the book it's got a plain

377

00:18:12,650 --> 00:18:09,630

white cover with just some black and

378

00:18:15,560 --> 00:18:12,660

white writing and a hand sketch of UFO

379

00:18:17,870 --> 00:18:15,570

if you get into it it's got all the

380

00:18:20,150 --> 00:18:17,880

charm of a bank ledger it's it's it's

381

00:18:21,620 --> 00:18:20,160

charts graphs and numbers and there have

382

00:18:23,570 --> 00:18:21,630

been some people who complained about

383

00:18:25,940 --> 00:18:23,580

it's just charts graphs and numbers but

384

00:18:28,040 --> 00:18:25,950

in those numbers of the secrets of the

385

00:18:29,840 --> 00:18:28,050

universe now we've got about four

386

00:18:32,810 --> 00:18:29,850

chapters of narrative where I did a

387

00:18:35,120 --> 00:18:32,820

certain level of analysis of what things

388

00:18:36,380 --> 00:18:35,130

we saw now I was writing one of those

389

00:18:38,539 --> 00:18:36,390

chapters of analysis

390

00:18:40,820 --> 00:18:38,549

when Linda was laying out the book she

391

00:18:43,520 --> 00:18:40,830

used to work for the National Academy of

392

00:18:44,990 --> 00:18:43,530

Science so she knew how to lay a book

393

00:18:48,049 --> 00:18:45,000

out and make it look like a government

394

00:18:52,060 --> 00:18:48,059

report it's just a little subversive

395

00:18:55,039 --> 00:18:52,070

thing we were doing here you know and

396

00:18:56,960 --> 00:18:55,049

she looked over her terminal now you

397

00:18:59,270 --> 00:18:56,970

gotta appreciate this

398

00:19:00,770 --> 00:18:59,280

the New York Times noticed this the guy

399

00:19:04,070 --> 00:19:00,780

who came to interview us for the New

400

00:19:05,720 --> 00:19:04,080

York Times back in in early April he

401  
00:19:07,580 --> 00:19:05,730  
said where did you actually write this

402  
00:19:09,830 --> 00:19:07,590  
book now we did the interview we had a

403  
00:19:12,080 --> 00:19:09,840  
library in the front of our house

404  
00:19:15,080 --> 00:19:12,090  
okay thousand books on the on the walls

405  
00:19:17,120 --> 00:19:15,090  
and he says where did you write the book

406  
00:19:20,720 --> 00:19:17,130  
and I took him upstairs to our sewing

407  
00:19:22,640 --> 00:19:20,730  
room which was a room that would have

408  
00:19:24,860 --> 00:19:22,650  
been the master bedroom but we decided

409  
00:19:27,140 --> 00:19:24,870  
that put cutting tables in there and

410  
00:19:30,110 --> 00:19:27,150  
make a big sewing room okay we both

411  
00:19:32,510 --> 00:19:30,120  
solved and our computers were in there

412  
00:19:35,450 --> 00:19:32,520  
as well and he made a comment in the

413  
00:19:38,180 --> 00:19:35,460

article that strewn among all this

414

00:19:41,630 --> 00:19:38,190

sewing paraphernalia are the computers

415

00:19:43,580 --> 00:19:41,640

that compose this book and what was fun

416

00:19:46,070 --> 00:19:43,590

about it was the day after the New York

417

00:19:49,700 --> 00:19:46,080

Times article was posted online

418

00:19:51,890 --> 00:19:49,710

Vogue magazine vogue.com posted a UFO

419

00:19:53,840 --> 00:19:51,900

article and quoted a majority the

420

00:20:00,799 --> 00:19:53,850

article especially the parts about our

421

00:20:02,539 --> 00:20:00,809

sewing room so okay I think I've lost

422

00:20:04,549 --> 00:20:02,549

track of what the original question was

423

00:20:07,930 --> 00:20:04,559

but the but the bottom line was when we

424

00:20:11,810 --> 00:20:07,940

put the book together the other amazing

425

00:20:13,909 --> 00:20:11,820

statistic that we discovered when we had

426

00:20:17,630 --> 00:20:13,919

done New York State I did a little a

427

00:20:20,690 --> 00:20:17,640

little chart for every state it was

428

00:20:23,210 --> 00:20:20,700

plotted UFO sightings not by year but by

429

00:20:25,370 --> 00:20:23,220

month okay

430

00:20:29,030 --> 00:20:25,380

what months of the year have the

431

00:20:31,039 --> 00:20:29,040

sightings and a couple of the

432

00:20:32,810 --> 00:20:31,049

ufo-ologists here in new york state you

433

00:20:34,460 --> 00:20:32,820

know I'm talking like retired MUFON

434

00:20:38,570 --> 00:20:34,470

state directors things like that thought

435

00:20:40,340 --> 00:20:38,580

of it's a stupid chart okay and they

436

00:20:44,030 --> 00:20:40,350

questioned why I was gonna put it in the

437

00:20:45,950 --> 00:20:44,040

book because you looked at it and you

438

00:20:48,590 --> 00:20:45,960

saw that there was a small amount of

439

00:20:49,820 --> 00:20:48,600

sightings January February March of

440

00:20:53,750 --> 00:20:49,830

Wisconsin's like the

441

00:20:56,299 --> 00:20:53,760

January February March April and May and

442

00:20:59,029 --> 00:20:56,309

June it starts to take up ever so

443

00:21:01,639 --> 00:20:59,039

slightly and then July and August are

444

00:21:03,590 --> 00:21:01,649

through the rough peak right up and then

445

00:21:05,480 --> 00:21:03,600

it starts to trail off again in

446

00:21:08,090 --> 00:21:05,490

September October November and back down

447

00:21:10,130 --> 00:21:08,100

to that quiescent level like January was

448

00:21:13,519 --> 00:21:10,140

with this November in December

449

00:21:15,980 --> 00:21:13,529

okay and the crystal logical answer

450

00:21:18,139 --> 00:21:15,990

everybody gave me was well Cheryl it's

451

00:21:20,779 --> 00:21:18,149

pretty pretty straight forward it's

452

00:21:22,940 --> 00:21:20,789

summertime in July and August that's why

453

00:21:27,259 --> 00:21:22,950

everybody can see UFOs because it's nice

454

00:21:32,870 --> 00:21:27,269

weather and we sassoon that every state

455

00:21:35,330 --> 00:21:32,880

had a pattern like that we were wrong we

456

00:21:37,519 --> 00:21:35,340

were wrong Linda looked over the

457

00:21:39,980 --> 00:21:37,529

computer one Saturday afternoon and said

458

00:21:42,110 --> 00:21:39,990

hey if you notice that that peak in the

459

00:21:44,720 --> 00:21:42,120

middle change the the monthly chart

460

00:21:47,539 --> 00:21:44,730

changes depending upon the latitude and

461

00:21:49,190 --> 00:21:47,549

I said what you know and we went looked

462

00:21:51,080 --> 00:21:49,200

at it we realized that the northern

463

00:21:53,330 --> 00:21:51,090

states in a state like Wisconsin it

464

00:21:56,120 --> 00:21:53,340

Peaks and then in the June July August

465

00:21:58,159 --> 00:21:56,130

September timeframe but if you move down

466

00:22:00,379 --> 00:21:58,169

to a mid-atlantic states from about

467

00:22:03,200 --> 00:22:00,389

Maryland and Virginia straight across

468

00:22:05,930 --> 00:22:03,210

the country that peak starts flattening

469

00:22:09,080 --> 00:22:05,940

out you go down to the deep south States

470

00:22:10,940 --> 00:22:09,090

and it's statistically flat because it's

471

00:22:12,470 --> 00:22:10,950

warmer there it turns out it's warmer

472

00:22:16,039 --> 00:22:12,480

there all the time so you've got that

473

00:22:18,019 --> 00:22:16,049

temperate weather all the time you know

474

00:22:19,789 --> 00:22:18,029

and that's surprised the hell out that

475

00:22:22,700 --> 00:22:19,799

would that was a discovery my wife Linda

476  
00:22:25,310 --> 00:22:22,710  
made you know that that this stuff

477  
00:22:34,509 --> 00:22:25,320  
changes with the latitude that's

478  
00:22:39,889 --> 00:22:34,519  
interesting there really is so I have um

479  
00:22:40,639 --> 00:22:39,899  
one of the surveys frenum and I I just

480  
00:22:42,620 --> 00:22:40,649  
want to read it because it's really

481  
00:22:44,180 --> 00:22:42,630  
interesting and there's there's a couple

482  
00:22:49,399 --> 00:22:44,190  
things in here that stood out to me too

483  
00:22:50,870 --> 00:22:49,409  
um because it I felt like I think some

484  
00:22:53,320 --> 00:22:50,880  
of the stuff that were fed in the

485  
00:22:57,649 --> 00:22:53,330  
mainstream media isn't always accurate

486  
00:22:59,510 --> 00:22:57,659  
right big surprise but um well please

487  
00:23:03,080 --> 00:22:59,520  
understand there's not necessarily a

488  
00:23:06,019 --> 00:23:03,090

conspiracy by the mainstream press to

489

00:23:07,460 --> 00:23:06,029

to report the wrong stuff is is that the

490

00:23:09,560 --> 00:23:07,470

problem is is that your day-to-day

491

00:23:14,239 --> 00:23:09,570

reporter doesn't have a clue about this

492

00:23:16,610 --> 00:23:14,249

subject matter well fair enough okay

493

00:23:19,999 --> 00:23:16,620

because that that's that's literally

494

00:23:22,310 --> 00:23:20,009

what I ran up against is I was watching

495

00:23:24,739 --> 00:23:22,320

after the December 16th New York Times

496

00:23:27,259 --> 00:23:24,749

article about the Pentagon and all that

497

00:23:29,480 --> 00:23:27,269

kind of stuff and I was watching morning

498

00:23:31,940 --> 00:23:29,490

shows like Good Morning America and that

499

00:23:35,149 --> 00:23:31,950

they show and these people who are used

500

00:23:36,889 --> 00:23:35,159

to making fun of us about this topic

501  
00:23:39,409 --> 00:23:36,899  
matter we're stumbling all over

502  
00:23:41,840 --> 00:23:39,419  
themselves trying to wrap their head

503  
00:23:44,450 --> 00:23:41,850  
around the idea that there might be

504  
00:23:47,139 --> 00:23:44,460  
aliens and then these UFOs might be real

505  
00:23:51,259 --> 00:23:47,149  
and the tinfoil hat crowd may be onto

506  
00:23:58,249 --> 00:23:51,269  
something and it's one guy but it may be

507  
00:24:00,499 --> 00:23:58,259  
tin foils the new black you know what

508  
00:24:04,840 --> 00:24:00,509  
survey are you talking about okay I'm

509  
00:24:08,810 --> 00:24:04,850  
talking about extraterrestrial presence

510  
00:24:10,310 --> 00:24:08,820  
opinions oh that one yeah okay yeah okay

511  
00:24:14,619 --> 00:24:10,320  
it was a poll that was a little poll I

512  
00:24:17,840 --> 00:24:14,629  
did I thought it was really cool um so

513  
00:24:20,299 --> 00:24:17,850

there's one two three four or five six

514

00:24:21,159 --> 00:24:20,309

options on and I'm gonna read them for

515

00:24:22,970 --> 00:24:21,169

everybody

516

00:24:25,460 --> 00:24:22,980

extraterrestrials have been visiting the

517

00:24:30,080 --> 00:24:25,470

earth for millennia a forty eight

518

00:24:32,450 --> 00:24:30,090

percent of the people believe that the

519

00:24:36,019 --> 00:24:32,460

second one was there are offworld beings

520

00:24:40,039 --> 00:24:36,029

but they haven't visited earth and 26

521

00:24:42,259 --> 00:24:40,049

percent believe that the third one was

522

00:24:46,119 --> 00:24:42,269

extraterrestrials are here and live

523

00:24:48,799 --> 00:24:46,129

among us fifteen percent believed that

524

00:24:50,450 --> 00:24:48,809

the next one was there are ancient

525

00:24:54,499 --> 00:24:50,460

aliens but they no longer visit earth

526  
00:24:56,570 --> 00:24:54,509  
and that's six percent extraterrestrials

527  
00:24:59,930 --> 00:24:56,580  
are nothing but demons trying to

528  
00:25:03,619 --> 00:24:59,940  
influence us and that was almost three

529  
00:25:06,710 --> 00:25:03,629  
percent and then the last one was there

530  
00:25:11,899 --> 00:25:06,720  
are no offworld beings anywhere which

531  
00:25:14,299 --> 00:25:11,909  
was only one consent and the two things

532  
00:25:16,430 --> 00:25:14,309  
that were one thing I struck out to me

533  
00:25:19,970 --> 00:25:16,440  
was that last one because

534  
00:25:22,910 --> 00:25:19,980  
that would suggest on where you fought

535  
00:25:26,270 --> 00:25:22,920  
as far as ufology is concerned yeah if

536  
00:25:30,340 --> 00:25:26,280  
there are if there is no offworld beings

537  
00:25:33,890 --> 00:25:30,350  
anywhere whether it's extraterrestrial

538  
00:25:36,710 --> 00:25:33,900

interdimensional energy Azrael whatever

539

00:25:39,680 --> 00:25:36,720

that it would have to mill it craft of

540

00:25:43,820 --> 00:25:39,690

some kind us doing and I would think

541

00:25:45,650 --> 00:25:43,830

that um more people would have that

542

00:25:47,810 --> 00:25:45,660

opinion but according to your survey

543

00:25:50,300 --> 00:25:47,820

that wasn't true and the other thing

544

00:25:52,430 --> 00:25:50,310

that stuck out was the extraterrestrials

545

00:25:54,860 --> 00:25:52,440

are nothing but demons trying to

546

00:25:57,680 --> 00:25:54,870

influence us that was only three percent

547

00:25:59,300 --> 00:25:57,690

and my thought was um I thought that

548

00:26:02,390 --> 00:25:59,310

would have been a little bit higher just

549

00:26:04,250 --> 00:26:02,400

because of so many people belong to

550

00:26:09,050 --> 00:26:04,260

organized religion and stuff and and

551  
00:26:12,520 --> 00:26:09,060  
that's that the status quo for many you

552  
00:26:17,120 --> 00:26:12,530  
know religions that that's the case so I

553  
00:26:22,550 --> 00:26:17,130  
just I don't know um but I didn't notice

554  
00:26:25,340 --> 00:26:22,560  
that and I just lost my spot well here

555  
00:26:27,500 --> 00:26:25,350  
let me ask you on with that did any of

556  
00:26:30,650 --> 00:26:27,510  
that surprise you at all I mean what are

557  
00:26:35,240 --> 00:26:30,660  
your thoughts what was your your thought

558  
00:26:37,250 --> 00:26:35,250  
well well that first item that they've

559  
00:26:39,590 --> 00:26:37,260  
been here and even visiting us for a

560  
00:26:41,540 --> 00:26:39,600  
long time that that's that shows you a

561  
00:26:44,870 --> 00:26:41,550  
lot of people believe in the ancient

562  
00:26:46,940 --> 00:26:44,880  
astronauts theory you know maybe not

563  
00:26:49,670 --> 00:26:46,950

every single thing like ancient aliens

564

00:26:51,830 --> 00:26:49,680

program puts out I mean there there's a

565

00:26:54,950 --> 00:26:51,840

lot of baloney in there on some of their

566

00:26:58,100 --> 00:26:54,960

episodes but their basic premise for

567

00:27:01,450 --> 00:26:58,110

their first three seasons was pretty

568

00:27:05,030 --> 00:27:01,460

solid and a lot of people I've talked to

569

00:27:06,980 --> 00:27:05,040

feel that way now just before I started

570

00:27:08,900 --> 00:27:06,990

writing my column I wasn't sure whether

571

00:27:11,360 --> 00:27:08,910

or not there would be any reception to

572

00:27:13,820 --> 00:27:11,370

it and I went to a particular truck stop

573

00:27:16,910 --> 00:27:13,830

diner that I used to like to eat it and

574

00:27:18,950 --> 00:27:16,920

I said at the bar ordered up my

575

00:27:22,400 --> 00:27:18,960

breakfast and there were people on both

576

00:27:24,230 --> 00:27:22,410

sides of me and I spoke out very loud

577

00:27:28,490 --> 00:27:24,240

and said hey I'm getting ready to write

578

00:27:29,960 --> 00:27:28,500

a column about UFOs is anybody here ever

579

00:27:32,780 --> 00:27:29,970

seen one

580

00:27:34,550 --> 00:27:32,790

and a couple of people you know I heard

581

00:27:37,160 --> 00:27:34,560

some grumbling up and down the thing and

582

00:27:39,470 --> 00:27:37,170

then suddenly somebody said yeah I have

583

00:27:41,930 --> 00:27:39,480

and a guy got up walked down and talked

584

00:27:44,570 --> 00:27:41,940

to me then another person came down and

585

00:27:46,430 --> 00:27:44,580

talked to me and I must have had 10

586

00:27:47,630 --> 00:27:46,440

people talk to me over the period of the

587

00:27:49,970 --> 00:27:47,640

next half hour

588

00:27:52,720 --> 00:27:49,980

he says they knew somebody or they were

589

00:27:55,250 --> 00:27:52,730

somebody that had seen something amazing

590

00:27:57,200 --> 00:27:55,260

now something I discovered during the

591

00:28:00,020 --> 00:27:57,210

course of writing my column over the

592

00:28:02,150 --> 00:28:00,030

last five years is because we've had a

593

00:28:05,780 --> 00:28:02,160

for seventy years the sort of attitude

594

00:28:09,860 --> 00:28:05,790

of denial and ridicule for people who

595

00:28:13,790 --> 00:28:09,870

see and report these things a lot of

596

00:28:15,440 --> 00:28:13,800

people didn't and that these numbers I

597

00:28:17,630 --> 00:28:15,450

have my book based on the hundred and

598

00:28:20,300 --> 00:28:17,640

twenty one thousand sightings for a

599

00:28:23,170 --> 00:28:20,310

fifteen year period 21st century fifteen

600

00:28:26,540 --> 00:28:23,180

year period 2001 to 2015

601  
00:28:29,030 --> 00:28:26,550  
well we estimate only one and about 40

602  
00:28:31,280 --> 00:28:29,040  
people reports what they see those

603  
00:28:36,530 --> 00:28:31,290  
numbers are significantly higher I bet

604  
00:28:38,150 --> 00:28:36,540  
you okay and and what something I

605  
00:28:40,280 --> 00:28:38,160  
discovered is during the course of

606  
00:28:41,870 --> 00:28:40,290  
writing my column every now and then

607  
00:28:43,760 --> 00:28:41,880  
someone wouldn't invite me over to a

608  
00:28:45,710 --> 00:28:43,770  
backyard barbecue of course I always had

609  
00:28:47,750 --> 00:28:45,720  
a security guy come over with me make

610  
00:28:50,600 --> 00:28:47,760  
sure it wasn't you know a nefarious

611  
00:28:52,460 --> 00:28:50,610  
thing right and after we get over there

612  
00:28:54,440 --> 00:28:52,470  
and found that it really is a backyard

613  
00:28:56,120 --> 00:28:54,450

barbecue and a family reunion somebody

614

00:28:58,220 --> 00:28:56,130

would put a beer in my hand and a burger

615

00:29:00,320 --> 00:28:58,230

and and say hey we want to introduce you

616

00:29:02,630 --> 00:29:00,330

to our uncle Ralph uh who saw this or

617

00:29:05,330 --> 00:29:02,640

aren't Susie who saw this or my mother

618

00:29:06,770 --> 00:29:05,340

over here and you know she was there

619

00:29:09,290 --> 00:29:06,780

when my grandmother gave a deathbed

620

00:29:12,740 --> 00:29:09,300

confession and what we discovered were

621

00:29:15,170 --> 00:29:12,750

families are handing their UFO stories

622

00:29:19,580 --> 00:29:15,180

down within the families like family

623

00:29:21,560 --> 00:29:19,590

heirlooms that's cool in order there's

624

00:29:26,660 --> 00:29:21,570

been an oral tradition of sharing these

625

00:29:29,600 --> 00:29:26,670

stories you know I noticed to it and I

626  
00:29:31,730 --> 00:29:29,610  
saw another pie graph that you had done

627  
00:29:34,370 --> 00:29:31,740  
and according to that three-quarters of

628  
00:29:36,860 --> 00:29:34,380  
the people of didn't need confirmation

629  
00:29:42,690 --> 00:29:36,870  
from anybody whether it's government

630  
00:29:50,070 --> 00:29:46,409  
other beings from wherever else existed

631  
00:29:52,409 --> 00:29:50,080  
and that's just you know that's uh was

632  
00:29:54,749 --> 00:29:52,419  
that was that 75 person yeah it was it

633  
00:29:57,450 --> 00:29:54,759  
was quite high it was what I thought

634  
00:29:59,279 --> 00:29:57,460  
well the numbers are the numbers from

635  
00:30:03,269 --> 00:29:59,289  
that particular poll that was done by

636  
00:30:05,909 --> 00:30:03,279  
National Geographic in 2012 36 percent

637  
00:30:07,440 --> 00:30:05,919  
clearly believed in the subject matter

638  
00:30:13,619 --> 00:30:07,450

okay

639

00:30:16,499 --> 00:30:13,629

forty to forty four percent something

640

00:30:18,389 --> 00:30:16,509

like that we're on the fence and they

641

00:30:20,879 --> 00:30:18,399

were the people who really really got

642

00:30:22,409 --> 00:30:20,889

excited when that December 16th article

643

00:30:24,330 --> 00:30:22,419

in The New York Times the starlight

644

00:30:29,909 --> 00:30:24,340

lounge presents an evening with the

645

00:30:32,099 --> 00:30:29,919

progressive box I took a bit of a risk

646

00:30:34,109 --> 00:30:32,109

singing that song but of course the one

647

00:30:36,570 --> 00:30:34,119

place I never take chances is the road

648

00:30:39,029 --> 00:30:36,580

where progressive snapshot rewards your

649

00:30:41,430 --> 00:30:39,039

safe driving a good driver plus snapshot

650

00:30:45,629 --> 00:30:41,440

equals big discounts and speaking of

651  
00:30:48,180 --> 00:30:45,639  
math one plus one equals two little too

652  
00:30:49,739 --> 00:30:48,190  
late progressive casualty insurance

653  
00:30:51,060 --> 00:30:49,749  
company affiliate snapshot not available

654  
00:30:53,820 --> 00:30:51,070  
in California North Carolina or from all

655  
00:30:56,639 --> 00:30:53,830  
agents came out right okay because it

656  
00:30:59,849 --> 00:30:56,649  
was sort of confirmation for them okay

657  
00:31:01,799 --> 00:30:59,859  
and then there's like 17% ain't no way

658  
00:31:07,830 --> 00:31:01,809  
that there's no such thing da da da da

659  
00:31:12,060 --> 00:31:07,840  
okay but that same survey said 77 is

660  
00:31:14,389 --> 00:31:12,070  
seventy percent felt that that's at 36

661  
00:31:17,129 --> 00:31:14,399  
percent forty percent seventy percent

662  
00:31:20,099 --> 00:31:17,139  
felt that the government was not being

663  
00:31:22,109 --> 00:31:20,109

square with us about about what they

664

00:31:24,749 --> 00:31:22,119

know now that's a pretty big demographic

665

00:31:31,950 --> 00:31:24,759

when you think or figure our population

666

00:31:37,019 --> 00:31:31,960

is a 325 million and you take that 320

667

00:31:39,239 --> 00:31:37,029

million times 0.75 and that's two

668

00:31:41,039 --> 00:31:39,249

hundred and forty million people in the

669

00:31:43,349 --> 00:31:41,049

United States think the government's not

670

00:31:45,749 --> 00:31:43,359

being square with them about all right

671

00:31:47,879 --> 00:31:45,759

everybody with that it is time for our

711

00:33:39,370 --> 00:33:35,870

with I'm sorry this was this was for you

712

00:33:42,100 --> 00:33:39,380

for during the show with everyone having

713

00:33:46,419 --> 00:33:42,110

decent or semi decent cell phones was

714

00:33:53,470 --> 00:33:46,429

video capability have good UFO reports

715

00:33:58,120 --> 00:33:53,480

gone up or down i I don't see I don't

716

00:34:01,750 --> 00:33:58,130

see the UFO sightings being affected

717

00:34:05,080 --> 00:34:01,760

very much by the cell phones people see

718

00:34:06,340 --> 00:34:05,090

it and sometimes they attempt to shoot a

719

00:34:08,260 --> 00:34:06,350

picture of it but

720

00:34:10,750 --> 00:34:08,270

it's not like these cellphones have

721

00:34:12,490 --> 00:34:10,760

telephoto lens or anything so half I get

722

00:34:15,609 --> 00:34:12,500

pictures sent to me all the time and

723

00:34:17,919 --> 00:34:15,619

there's this either a dark sky or a

724

00:34:21,309 --> 00:34:17,929

twilight sky and there's this bright dot

725

00:34:23,169 --> 00:34:21,319

and that's all I see you know so it well

726

00:34:24,669 --> 00:34:23,179

I hear people say well we've got

727

00:34:26,379 --> 00:34:24,679

millions of cell phones out there why

728

00:34:28,419 --> 00:34:26,389

don't we have a really good picture well

729

00:34:30,159 --> 00:34:28,429

I wish there was a really good picture

730

00:34:31,930 --> 00:34:30,169

but most of the time these things are in

731

00:34:34,300 --> 00:34:31,940

the distance and cellphones don't have a

732

00:34:36,990 --> 00:34:34,310

telephoto lens to get you a really good

733

00:34:42,940 --> 00:34:39,899

another question we had from another

734

00:34:45,369 --> 00:34:42,950

chat room guest was the stats that you

735

00:34:47,470 --> 00:34:45,379

do are they from around the world or

736

00:34:50,050 --> 00:34:47,480

just the US

737

00:34:52,419 --> 00:34:50,060

I used the MUFON and national UFO

738

00:34:55,750 --> 00:34:52,429

Reporting Center so it's principally the

739

00:34:59,800 --> 00:34:55,760

UF the United States and in fact the

740

00:35:02,099 --> 00:34:59,810

book is is called the UFO sightings Desk

741

00:35:06,520 --> 00:35:02,109

Reference the United States of America

742

00:35:08,740 --> 00:35:06,530

2001 to 2015 we thought about compiling

743

00:35:11,470 --> 00:35:08,750

they can't Canadian numbers along with

744

00:35:14,559 --> 00:35:11,480

it but we the book is already three

745

00:35:16,120 --> 00:35:14,569

hundred and some-odd 70 or 80 pages it

746

00:35:19,300 --> 00:35:16,130

was already too big it's a two and a

747

00:35:23,050 --> 00:35:19,310

half pound book there isn't a really

748

00:35:24,609 --> 00:35:23,060

good international database I've got

749

00:35:27,280 --> 00:35:24,619

some friends in Europe that are trying

750

00:35:29,290 --> 00:35:27,290

to find the in databases within the

751  
00:35:31,839 --> 00:35:29,300  
individual countries and in the European

752  
00:35:32,980 --> 00:35:31,849  
Union but it's been really hard to

753  
00:35:38,440 --> 00:35:32,990  
gather that data

754  
00:35:42,069 --> 00:35:38,450  
I bet especially in some of those

755  
00:35:48,309 --> 00:35:42,079  
countries one more question

756  
00:35:51,460 --> 00:35:48,319  
sure know if to the public to see or is

757  
00:35:54,760 --> 00:35:51,470  
it only in the book it's only in the

758  
00:35:59,170 --> 00:35:54,770  
book the I've had people ask me why I

759  
00:36:01,300 --> 00:35:59,180  
haven't published the data online the

760  
00:36:04,180 --> 00:36:01,310  
attitude of this is an attitude this

761  
00:36:09,700 --> 00:36:04,190  
took me almost a year and a half the

762  
00:36:12,210 --> 00:36:09,710  
process and that's my work ok and you

763  
00:36:15,520 --> 00:36:12,220

don't give away your work you know and

764

00:36:17,140 --> 00:36:15,530

so one thing we're thinking about doing

765

00:36:19,750 --> 00:36:17,150

though is we aren't thinking about

766

00:36:21,400 --> 00:36:19,760

publishing a

767

00:36:23,200 --> 00:36:21,410

we didn't publish the main book as a

768

00:36:24,940 --> 00:36:23,210

Kindle book and a lot of people were

769

00:36:28,060 --> 00:36:24,950

upset about though it was strictly a

770

00:36:31,030 --> 00:36:28,070

paper book it's a reference book it was

771

00:36:36,070 --> 00:36:31,040

my my spouse is a career librarysearch

772

00:36:37,540 --> 00:36:36,080

real life research librarian she wanted

773

00:36:40,090 --> 00:36:37,550

to see this book in the reference

774

00:36:42,820 --> 00:36:40,100

section of every library in the country

775

00:36:45,100 --> 00:36:42,830

is what she would like to see okay right

776

00:36:48,580 --> 00:36:45,110

there along with the census reports all

777

00:36:51,370 --> 00:36:48,590

that stuff and this is intended to be

778

00:36:53,530 --> 00:36:51,380

for researchers now people did complain

779

00:36:58,600 --> 00:36:53,540

to us oh why didn't you put it on Kindle

780

00:37:02,200 --> 00:36:58,610

well the charts and graphs did not lend

781

00:37:04,510 --> 00:37:02,210

themselves to Kindle we have one copy in

782

00:37:08,260 --> 00:37:04,520

a Kindle format and I'm like it's on my

783

00:37:11,620 --> 00:37:08,270

sound of my Kindle and it it's terrible

784

00:37:14,650 --> 00:37:11,630

looks terrible and so we didn't hope we

785

00:37:17,410 --> 00:37:14,660

didn't publish in Kindle now we have a

786

00:37:19,330 --> 00:37:17,420

book that we want to put out called the

787

00:37:21,610 --> 00:37:19,340

cities directory you notice how I was

788

00:37:26,110 --> 00:37:21,620

able to go state county and write down

789

00:37:28,690 --> 00:37:26,120

to the city we were thinking about

790

00:37:30,880 --> 00:37:28,700

publishing a cities directory and making

791

00:37:33,100 --> 00:37:30,890

that available both in hard form and in

792

00:37:35,140 --> 00:37:33,110

Kindle form but right now we're still

793

00:37:36,910 --> 00:37:35,150

cleaning up the database there just

794

00:37:39,670 --> 00:37:36,920

aren't enough hours in the day because

795

00:37:41,950 --> 00:37:39,680

the hundred and twenty thousand one

796

00:37:45,040 --> 00:37:41,960

hundred twenty one thousand sightings

797

00:37:47,860 --> 00:37:45,050

that are in that data I had to touch

798

00:37:50,320 --> 00:37:47,870

literally every one of them and we're

799

00:37:53,170 --> 00:37:50,330

not done yet we're only about two-thirds

800

00:37:56,620 --> 00:37:53,180

through and correct the spellings of

801  
00:37:59,260 --> 00:37:56,630  
cities and things like this so that's

802  
00:38:01,650 --> 00:37:59,270  
been a problem the the data is dirty

803  
00:38:04,030 --> 00:38:01,660  
people who fill out these UFO reports

804  
00:38:07,450 --> 00:38:04,040  
frequently do not fill out the name of

805  
00:38:10,180 --> 00:38:07,460  
the city properly okay give me an

806  
00:38:13,210 --> 00:38:10,190  
example in our book we said there was

807  
00:38:15,070 --> 00:38:13,220  
like only 2019 sightings in Maricopa

808  
00:38:18,430 --> 00:38:15,080  
County which is essentially Phoenix

809  
00:38:20,590 --> 00:38:18,440  
Arizona okay when we got it cleaned up

810  
00:38:22,540 --> 00:38:20,600  
later after the book was out and I was

811  
00:38:25,120 --> 00:38:22,550  
working with the database towards this

812  
00:38:28,410 --> 00:38:25,130  
goal of making a cities directory we

813  
00:38:32,680 --> 00:38:28,420

found five hundred sightings in Arizona

814

00:38:38,440 --> 00:38:32,690

where they spelled pheonix wrong

815

00:38:41,440 --> 00:38:38,450

oh wow instead of oh the pho exin you

816

00:38:47,079 --> 00:38:41,450

know our ni x they spelled it with the

817

00:38:49,059 --> 00:38:47,089

pho instead of o e right so when this

818

00:38:52,420 --> 00:38:49,069

I've been telling people on these radio

819

00:38:55,440 --> 00:38:52,430

interviews when we eventually do get a

820

00:38:57,670 --> 00:38:55,450

book out that's got the city's directory

821

00:39:00,339 --> 00:38:57,680

there's going to be a difference with

822

00:39:01,450 --> 00:39:00,349

the with the Maricopa County and and

823

00:39:03,520 --> 00:39:01,460

there's gonna be a difference in some

824

00:39:05,319 --> 00:39:03,530

other states we've already caught some

825

00:39:09,010 --> 00:39:05,329

errors like this with some other states

826

00:39:10,630 --> 00:39:09,020

but you can't run a spellcheck against

827

00:39:17,410 --> 00:39:10,640

the database because it will correct all

828

00:39:22,089 --> 00:39:17,420

the wrong things right so and you had

829

00:39:25,779 --> 00:39:22,099

mentioned Phoenix uh-huh one of the

830

00:39:29,200 --> 00:39:25,789

things I was looking at was the top five

831

00:39:34,359 --> 00:39:29,210

cities in America for for you a host

832

00:39:36,910 --> 00:39:34,369

right and I wanted to read the define

833

00:39:39,490 --> 00:39:36,920

and get your impression on each one and

834

00:39:41,620 --> 00:39:39,500

the first one was Phoenix Phoenix is

835

00:39:44,410 --> 00:39:41,630

supposed to be the number one city with

836

00:39:51,819 --> 00:39:44,420

UFO sightings why do you think that is

837

00:39:54,160 --> 00:39:51,829

why Phoenix and I know these are tough I

838

00:39:57,059 --> 00:39:54,170

mean these are guesstimate sometimes but

839

00:40:01,690 --> 00:39:57,069

well so icky okay what there's okay

840

00:40:03,549 --> 00:40:01,700

let's look at it two ways here when the

841

00:40:05,319 --> 00:40:03,559

book was first coming out when I was

842

00:40:11,859 --> 00:40:05,329

starting to get some press back last

843

00:40:15,760 --> 00:40:11,869

April April 2017 one of the initial

844

00:40:18,130 --> 00:40:15,770

responses we had was California had are

845

00:40:20,410 --> 00:40:18,140

the most sightings of any state fifteen

846

00:40:27,370 --> 00:40:20,420

thousand eight hundred thirty six okay

847

00:40:30,250 --> 00:40:27,380

and Los Angeles County he had 3212

848

00:40:33,690 --> 00:40:30,260

sightings in that period it was more

849

00:40:35,309 --> 00:40:33,700

than 40 individual states by themselves

850

00:40:38,799 --> 00:40:35,319

okay

851

00:40:42,660 --> 00:40:38,809

Maricopa County Arizona came in second

852

00:40:46,130 --> 00:40:42,670

with that mm and now we know to be about

853

00:40:51,049 --> 00:40:46,140

2500 number okay now there's two issues

854

00:40:54,259 --> 00:40:51,059

here in Los Angeles County and I'm not

855

00:40:57,650 --> 00:40:54,269

talking to city now there's a difference

856

00:40:59,539 --> 00:40:57,660

here this the city of Los Angeles is not

857

00:41:03,230 --> 00:40:59,549

that high in the list it's down like

858

00:41:05,120 --> 00:41:03,240

number 25 or something like that but

859

00:41:07,789 --> 00:41:05,130

okay let's talk talk about the counties

860

00:41:11,420 --> 00:41:07,799

here for him on Los Angeles County has

861

00:41:14,990 --> 00:41:11,430

had UFO sightings since before we had

862

00:41:17,450 --> 00:41:15,000

manned flight they had them in the 1880s

863

00:41:19,160 --> 00:41:17,460

flying up and down the valleys out there

864

00:41:22,759 --> 00:41:19,170

in the mountains okay

865

00:41:26,079 --> 00:41:22,769

of course they had the huge battle of LA

866

00:41:30,559 --> 00:41:26,089

in February of 1942

867

00:41:32,990 --> 00:41:30,569

okay now that instilled sort of a

868

00:41:35,240 --> 00:41:33,000

cultural thing that something fantastic

869

00:41:38,509 --> 00:41:35,250

happened it got passed down a family

870

00:41:42,230 --> 00:41:38,519

lore in LA think about that a minute for

871

00:41:45,890 --> 00:41:42,240

the last 70 years okay and I think

872

00:41:51,529 --> 00:41:45,900

there's a cult there's a cultural and in

873

00:41:53,630 --> 00:41:51,539

his predatory directive Wow

874

00:41:55,400 --> 00:41:53,640

something happened my grandfather saw it

875

00:41:59,480 --> 00:41:55,410

and people looking up because maybe

876

00:42:01,970 --> 00:41:59,490

we'll see something again okay now let's

877

00:42:05,349 --> 00:42:01,980

go to Phoenix Phoenix Maricopa County

878

00:42:09,289 --> 00:42:05,359

they had the Phoenix lights back in 1997

879

00:42:11,509 --> 00:42:09,299

okay again three-quarters of the

880

00:42:13,490 --> 00:42:11,519

population of that city saw that thing

881

00:42:16,670 --> 00:42:13,500

that was two football fields long and

882

00:42:19,099 --> 00:42:16,680

blotted out the Stars okay so that gets

883

00:42:21,349 --> 00:42:19,109

handed down in this family tradition of

884

00:42:23,420 --> 00:42:21,359

stories and people talking about it you

885

00:42:26,150 --> 00:42:23,430

know yeah my mother saw my uncle saw it

886

00:42:27,920 --> 00:42:26,160

you know and and it gets handed down and

887

00:42:30,980 --> 00:42:27,930

people have a tendency to look up

888

00:42:34,339 --> 00:42:30,990

because maybe we'll see it again and I

889

00:42:35,990 --> 00:42:34,349

think that has a lot to do with and

890

00:42:38,120 --> 00:42:36,000

there's a lot of stuff up there if you

891

00:42:39,829 --> 00:42:38,130

if you look up in the sky and you spin

892

00:42:41,599 --> 00:42:39,839

you're quiet and you're not playing with

893

00:42:44,049 --> 00:42:41,609

your phone there's plenty of stuff to

894

00:42:47,799 --> 00:42:44,059

see and plenty of stuff to misidentify

895

00:42:51,529 --> 00:42:47,809

but there's plenty of stuff to see I

896

00:42:53,690 --> 00:42:51,539

like that answer and I think you're

897

00:42:55,999 --> 00:42:53,700

right - oh my god it's so bright and

898

00:42:58,130 --> 00:42:56,009

that is actually true the people spent

899

00:42:59,930 --> 00:42:58,140

less time looking at their devices and

900

00:43:02,330 --> 00:42:59,940

more time sky watching them

901  
00:43:05,150 --> 00:43:02,340  
probably see things they have questions

902  
00:43:09,980 --> 00:43:05,160  
about or wouldn't normally see let me

903  
00:43:11,960 --> 00:43:09,990  
tell you a quick little story I do I do

904  
00:43:13,790 --> 00:43:11,970  
a thing called live-action roleplay

905  
00:43:15,860 --> 00:43:13,800  
sort of like re-enacting medieval

906  
00:43:18,620 --> 00:43:15,870  
runaround rubber swords chased monsters

907  
00:43:22,040 --> 00:43:18,630  
in the woods that everything yeah okay

908  
00:43:23,930 --> 00:43:22,050  
well I'm a larper and a particular LARP

909  
00:43:25,490 --> 00:43:23,940  
I was doing in northern Pennsylvania I

910  
00:43:28,280 --> 00:43:25,500  
was on her old dairy farm that's been

911  
00:43:32,570 --> 00:43:28,290  
converted into a LARP facility the barn

912  
00:43:35,060 --> 00:43:32,580  
had been made into a into a tavern okay

913  
00:43:37,730 --> 00:43:35,070

into a medieval tavern kind of thing and

914

00:43:39,410 --> 00:43:37,740

this big beautiful property we had huts

915

00:43:41,540 --> 00:43:39,420

and things all over the place and of

916

00:43:43,160 --> 00:43:41,550

course the the people who ran the thing

917

00:43:45,160 --> 00:43:43,170

would give us plenty of monsters and

918

00:43:48,680 --> 00:43:45,170

enemies to chase with our rubber swords

919

00:43:51,560 --> 00:43:48,690

well one I'm getting pretty old I'm 65

920

00:43:53,930 --> 00:43:51,570

years old and I just can't march through

921

00:43:55,520 --> 00:43:53,940

the woods anymore so I one night they

922

00:43:59,450 --> 00:43:55,530

were out chasing something and I said

923

00:44:01,250 --> 00:43:59,460

I'll guard the tavern and I was sitting

924

00:44:04,640 --> 00:44:01,260

up by the front door of this tavern

925

00:44:07,400 --> 00:44:04,650

building and I laid my head back against

926

00:44:10,220 --> 00:44:07,410

the the wood the counter are the the

927

00:44:15,440 --> 00:44:10,230

door casing and I just watched the sky

928

00:44:18,290 --> 00:44:15,450

and within ten minutes I had figured out

929

00:44:22,430 --> 00:44:18,300

the landing pattern for Scranton Airport

930

00:44:23,870 --> 00:44:22,440

which was 30 miles away Wow okay was

931

00:44:27,770 --> 00:44:23,880

very easy to figure out all you had to

932

00:44:31,550 --> 00:44:27,780

do was watch it okay after I figured out

933

00:44:33,920 --> 00:44:31,560

that stuff I looked up higher and that's

934

00:44:38,120 --> 00:44:33,930

when I started seeing the real activity

935

00:44:40,160 --> 00:44:38,130

I counted 40 bonafide UFOs sightings

936

00:44:42,710 --> 00:44:40,170

nothing nothing I called in nothing I

937

00:44:44,600 --> 00:44:42,720

wrote up okay I did write an article

938

00:44:45,890 --> 00:44:44,610

about the fact that I saw this stuff and

939

00:44:47,330 --> 00:44:45,900

I got chewed out by a lot of people

940

00:44:49,670 --> 00:44:47,340

because I didn't report the sightings

941

00:44:52,070 --> 00:44:49,680

but I just laid my head back in

942

00:44:54,470 --> 00:44:52,080

Washington I've heard people in in

943

00:44:56,780 --> 00:44:54,480

different reports say my wife and I were

944

00:44:59,060 --> 00:44:56,790

laying on the hood of our car watching

945

00:45:02,900 --> 00:44:59,070

the Stars and we saw all this amazing

946

00:45:05,390 --> 00:45:02,910

stuff yeah shut the bloody phone off

947

00:45:07,700 --> 00:45:05,400

quiet yourself stop running your mouth

948

00:45:13,190 --> 00:45:07,710

and just watch the sky there's plenty of

949

00:45:15,440 --> 00:45:13,200

stuff to see yeah when we sky watch

950

00:45:17,840 --> 00:45:15,450

it we don't do it and it wintertime

951  
00:45:19,280 --> 00:45:17,850  
obviously it's cold but this number time

952  
00:45:22,940 --> 00:45:19,290  
we'll go out and we'll do that you know

953  
00:45:25,880 --> 00:45:22,950  
um we'll pick a night and if the weather

954  
00:45:29,960 --> 00:45:25,890  
permits and the stars are out we'll go

955  
00:45:33,470 --> 00:45:29,970  
up and lie down and the skies are so

956  
00:45:35,630 --> 00:45:33,480  
busy I people don't realize how much

957  
00:45:39,170 --> 00:45:35,640  
stuff is going on up there unless you

958  
00:45:44,510 --> 00:45:39,180  
just like you just set just take the

959  
00:45:45,890 --> 00:45:44,520  
time and and and do it and um I

960  
00:45:50,300 --> 00:45:45,900  
guarantee you're gonna see something

961  
00:45:52,190 --> 00:45:50,310  
eventually you can't explain it looks

962  
00:45:54,590 --> 00:45:52,200  
like we even do that just driving around

963  
00:45:56,210 --> 00:45:54,600

sometimes early really in the morning or

964

00:45:57,950 --> 00:45:56,220

really late at night coming back some

965

00:45:59,360 --> 00:45:57,960

place they're going someplace we've had

966

00:46:03,140 --> 00:45:59,370

several encounters what have we actually

967

00:46:05,180 --> 00:46:03,150

seen lights and you know some of them

968

00:46:07,640 --> 00:46:05,190

well as soon as they pass through a

969

00:46:10,160 --> 00:46:07,650

cloud or black cloud they were gone yeah

970

00:46:12,680 --> 00:46:10,170

I mean some of them are you know okay

971

00:46:14,060 --> 00:46:12,690

yeah that's a planet right look at that

972

00:46:17,120 --> 00:46:14,070

for a minute oh okay no I can tell it's

973

00:46:20,210 --> 00:46:17,130

a plane you know um but yeah when so my

974

00:46:21,890 --> 00:46:20,220

only good things like what that is but

975

00:46:28,190 --> 00:46:21,900

can we talk about disclosure for a

976  
00:46:31,030 --> 00:46:28,200  
moment yes yes yeah okay I don't know if

977  
00:46:34,040 --> 00:46:31,040  
you saw my article this week but I got I

978  
00:46:37,490 --> 00:46:34,050  
really got a tie rate and said it's

979  
00:46:39,740 --> 00:46:37,500  
about time to tell the truth okay and

980  
00:46:43,460 --> 00:46:39,750  
that was the flavor of my article how

981  
00:46:44,660 --> 00:46:43,470  
about the truth and I argued a case that

982  
00:46:46,640 --> 00:46:44,670  
we you know we've been lied to for

983  
00:46:48,050 --> 00:46:46,650  
seventy years now here we're finding out

984  
00:46:50,720 --> 00:46:48,060  
that all of us who've been called

985  
00:46:53,150 --> 00:46:50,730  
tin foil hat people for a long long time

986  
00:46:55,010 --> 00:46:53,160  
suddenly we find out the government's

987  
00:46:56,960 --> 00:46:55,020  
been spending money for a long time we

988  
00:47:00,800 --> 00:46:56,970

all kind of knew that but now it was

989

00:47:02,330 --> 00:47:00,810

confirmed okay and I made that towards

990

00:47:04,550 --> 00:47:02,340

the end of the summary of the article I

991

00:47:06,830 --> 00:47:04,560

was really surprised by editor left it

992

00:47:08,960 --> 00:47:06,840

in just the way I wrote it I said you

993

00:47:11,360 --> 00:47:08,970

know that the president needs to stop

994

00:47:13,310 --> 00:47:11,370

tweeting and needs to order the

995

00:47:17,080 --> 00:47:13,320

Secretary of Defense to ask all those

996

00:47:20,960 --> 00:47:17,090

unacknowledged intelligence units in the

997

00:47:24,950 --> 00:47:20,970

Pentagon to give up what they know okay

998

00:47:26,690 --> 00:47:24,960

business has to be done that way okay we

999

00:47:28,220 --> 00:47:26,700

need the

1000

00:47:30,290 --> 00:47:28,230

president to do the same with the

1001  
00:47:32,120 --> 00:47:30,300  
Central Intelligence Agency for the

1002  
00:47:34,970 --> 00:47:32,130  
longest time in fact one of the best

1003  
00:47:38,180 --> 00:47:34,980  
Easter eggs we were given was just

1004  
00:47:40,819 --> 00:47:38,190  
before Obama left office the CIA

1005  
00:47:43,640 --> 00:47:40,829  
Declassified like a 13 million documents

1006  
00:47:45,950 --> 00:47:43,650  
and in it was a lot of it was Kissinger

1007  
00:47:49,280 --> 00:47:45,960  
cables and things like this from the 17

1008  
00:47:52,790 --> 00:47:49,290  
60s and 70s but there were 70 year old

1009  
00:47:54,650 --> 00:47:52,800  
documents by the CIA about UFOs and they

1010  
00:47:57,620 --> 00:47:54,660  
had scientists in the office of

1011  
00:48:00,560 --> 00:47:57,630  
scientific investigation pulling their

1012  
00:48:02,359 --> 00:48:00,570  
hair out about some of the same things

1013  
00:48:05,599 --> 00:48:02,369

Linda and I were pulling our hair out to

1014

00:48:07,099 --> 00:48:05,609

yearning Africa okay and they were

1015

00:48:10,670 --> 00:48:07,109

getting paid a lot of money we were

1016

00:48:12,319 --> 00:48:10,680

getting ridiculed you know the other

1017

00:48:14,329 --> 00:48:12,329

point that I get when the other comments

1018

00:48:16,370 --> 00:48:14,339

that I got a lot of chuckles about from

1019

00:48:18,890 --> 00:48:16,380

the editorial staff was I says it's time

1020

00:48:22,099 --> 00:48:18,900

for the National Academy of Science and

1021

00:48:25,460 --> 00:48:22,109

quote get off their Laurel academic

1022

00:48:29,270 --> 00:48:25,470

butts and put some serious science into

1023

00:48:32,030 --> 00:48:29,280

researching this topic matter what great

1024

00:48:33,470 --> 00:48:32,040

I was gonna ask you I'm sorry um I

1025

00:48:38,870 --> 00:48:33,480

didn't even cut you off

1026

00:48:44,140 --> 00:48:38,880

go ahead um question was um as a late

1027

00:48:48,950 --> 00:48:44,150

last year Turkey uh now has a college

1028

00:48:54,349 --> 00:48:48,960

30,000 people academic that is genealogy

1029

00:48:59,960 --> 00:48:54,359

you can go and and get academic I think

1030

00:49:01,069 --> 00:48:59,970

it's about a degree in mythology and we

1031

00:49:03,170 --> 00:49:01,079

were talking about that on the

1032

00:49:05,720 --> 00:49:03,180

paranormal and herbs we did before and

1033

00:49:09,770 --> 00:49:05,730

her producer Mike made a really good

1034

00:49:13,579 --> 00:49:09,780

point that America really dropped the

1035

00:49:16,609 --> 00:49:13,589

ball you know on leading everybody and

1036

00:49:19,569 --> 00:49:16,619

what we could have done you know I'm

1037

00:49:22,400 --> 00:49:19,579

setting examples and making some of this

1038

00:49:25,339 --> 00:49:22,410

you know pseudoscience that used to be

1039

00:49:27,470 --> 00:49:25,349

laughed at or you know not as many

1040

00:49:29,559 --> 00:49:27,480

people are laughing anymore and every

1041

00:49:32,690 --> 00:49:29,569

day more and more people realize that

1042

00:49:34,190 --> 00:49:32,700

you know there are like you know we're

1043

00:49:36,980 --> 00:49:34,200

being lied to and things are being

1044

00:49:37,790 --> 00:49:36,990

covered up and there's more out there

1045

00:49:40,549 --> 00:49:37,800

than meets the eye

1046

00:49:43,459 --> 00:49:40,559

um my I guess my class

1047

00:49:44,839 --> 00:49:43,469

was what do you think about what do you

1048

00:49:47,959 --> 00:49:44,849

think about that about the fact that

1049

00:49:49,130 --> 00:49:47,969

there is now academics in ufology or you

1050

00:49:52,539 --> 00:49:49,140

follow economics

1051

00:49:55,009 --> 00:49:52,549

okay well okay I'm happy to hear that

1052

00:49:57,469 --> 00:49:55,019

you know what's gonna come happen and

1053

00:49:59,209 --> 00:49:57,479

this is I've been very cynical after

1054

00:50:01,249 --> 00:49:59,219

disclosure a lot of people you never

1055

00:50:03,859 --> 00:50:01,259

heard of a suddenly going to be experts

1056

00:50:06,019 --> 00:50:03,869

on the topic matter right you know it

1057

00:50:07,099 --> 00:50:06,029

always happens that way all these people

1058

00:50:08,660 --> 00:50:07,109

come out of the woodwork they were

1059

00:50:11,599 --> 00:50:08,670

laughing at two years ago suddenly

1060

00:50:15,039 --> 00:50:11,609

they're an expert on it you know and you

1061

00:50:19,519 --> 00:50:15,049

see that a lot in a new-age community

1062

00:50:23,049 --> 00:50:19,529

yeah we've been lied to a lot I spent

1063

00:50:27,439 --> 00:50:23,059

seven years in a Buddhist monastery and

1064

00:50:33,499 --> 00:50:27,449

from the mid 90s through the early 2000s

1065

00:50:36,229 --> 00:50:33,509

I was an ordained Buddhist nun and our

1066

00:50:39,259 --> 00:50:36,239

lamas basically told us that people need

1067

00:50:41,120 --> 00:50:39,269

to expand a reality a little bit because

1068

00:50:42,920 --> 00:50:41,130

they have a very narrow view a lot of

1069

00:50:45,049 --> 00:50:42,930

people just walk around going in going

1070

00:50:46,640 --> 00:50:45,059

to work going to school taking the kids

1071

00:50:50,239 --> 00:50:46,650

to school whatever and they have this

1072

00:50:52,759 --> 00:50:50,249

very narrow view of what the world is

1073

00:50:55,880 --> 00:50:52,769

and there's a lot more to the world and

1074

00:50:58,729 --> 00:50:55,890

the more you stretch your view on it the

1075

00:51:01,069 --> 00:50:58,739

more you see you see the discrimination

1076  
00:51:03,589 --> 00:51:01,079  
you see the maltreatment of women and

1077  
00:51:05,870 --> 00:51:03,599  
you start seeing maybe some of the

1078  
00:51:09,199 --> 00:51:05,880  
exotic the wider you start opening up

1079  
00:51:10,549 --> 00:51:09,209  
your view of reality and belief I'll

1080  
00:51:11,779 --> 00:51:10,559  
give you an example one of the things

1081  
00:51:13,880 --> 00:51:11,789  
they've always argued about about

1082  
00:51:17,929 --> 00:51:13,890  
disclosure oh it will mess up

1083  
00:51:20,689 --> 00:51:17,939  
everybody's religion I'm sorry

1084  
00:51:23,179 --> 00:51:20,699  
most of the people I know of faith will

1085  
00:51:25,160 --> 00:51:23,189  
say of Christian Judeo faith most the

1086  
00:51:28,910 --> 00:51:25,170  
serious theologians and people like that

1087  
00:51:31,039 --> 00:51:28,920  
that I know say hey it did use generic

1088  
00:51:33,829 --> 00:51:31,049

term the great maker made a very

1089

00:51:37,279 --> 00:51:33,839

mysterious and wonderful universe out

1090

00:51:40,009 --> 00:51:37,289

there more than just us and oh by the

1091

00:51:44,929 --> 00:51:40,019

way the universe is teeming with life

1092

00:51:47,809 --> 00:51:44,939

because God's love is that big yeah I

1093

00:51:49,249 --> 00:51:47,819

agree and I also think that with all the

1094

00:51:51,919 --> 00:51:49,259

presidents we've had over the years

1095

00:51:53,989 --> 00:51:51,929

think about how many opportunities we

1096

00:51:56,449 --> 00:51:53,999

could have had to have disclosure and

1097

00:51:58,279 --> 00:51:56,459

it hasn't happened I agree with you I

1098

00:51:59,839 --> 00:51:58,289

think he needs to stop tweeting for the

1099

00:52:01,759 --> 00:51:59,849

time he needs to stop with their tweets

1100

00:52:04,969 --> 00:52:01,769

and he needs to get people disclosure

1101  
00:52:08,719 --> 00:52:04,979  
because somebody has to and it's about

1102  
00:52:09,709 --> 00:52:08,729  
time that it happens because we all have

1103  
00:52:11,869 --> 00:52:09,719  
right to know

1104  
00:52:15,079 --> 00:52:11,879  
we've had so much hidden from us from

1105  
00:52:17,989 --> 00:52:15,089  
the government for far too long and and

1106  
00:52:20,269 --> 00:52:17,999  
it's time that we get in on what's going

1107  
00:52:22,159 --> 00:52:20,279  
on well it's a little bigger it's bigger

1108  
00:52:24,769 --> 00:52:22,169  
- it's not just that the fact that

1109  
00:52:26,689 --> 00:52:24,779  
they've been keeping us in the dark but

1110  
00:52:28,879 --> 00:52:26,699  
if you look at the material they talked

1111  
00:52:31,159 --> 00:52:28,889  
about in the initial New York Times

1112  
00:52:32,929 --> 00:52:31,169  
article and there's more coming I've got

1113  
00:52:36,069 --> 00:52:32,939

a finger in with the New York Times and

1114

00:52:38,239 --> 00:52:36,079

there's more coming okay

1115

00:52:40,579 --> 00:52:38,249

one of the points they made it was the

1116

00:52:43,129 --> 00:52:40,589

day the video there and you saw the

1117

00:52:44,989 --> 00:52:43,139

pilot most people were just you know oh

1118

00:52:48,559 --> 00:52:44,999

we are the where are they from you know

1119

00:52:50,809 --> 00:52:48,569

this is people in the media did they did

1120

00:52:52,339 --> 00:52:50,819

and I pointed out one of my articles is

1121

00:52:56,389 --> 00:52:52,349

a wait a minute did you listen to the

1122

00:52:58,729 --> 00:52:56,399

risk this soundtrack that pilot said Wow

1123

00:53:02,629 --> 00:52:58,739

it took off like that oh my god there's

1124

00:53:06,529 --> 00:53:02,639

a whole fleet of them okay

1125

00:53:09,709 --> 00:53:06,539

now I'm sorry I had two years Air Force

1126

00:53:11,989 --> 00:53:09,719

service and almost almost nine years

1127

00:53:13,999 --> 00:53:11,999

worth the Navy I've got on well let's

1128

00:53:18,079 --> 00:53:14,009

say about ten years military service all

1129

00:53:19,759 --> 00:53:18,089

together okay and that represents a

1130

00:53:21,739 --> 00:53:19,769

clear and present danger and this this

1131

00:53:27,679 --> 00:53:21,749

guy from the this guy that retired from

1132

00:53:30,349 --> 00:53:27,689

the Pentagon there of Lewis he he he's

1133

00:53:31,609 --> 00:53:30,359

saying hey there were a lot of pundits

1134

00:53:33,469 --> 00:53:31,619

out there we're not going to say oh

1135

00:53:36,109 --> 00:53:33,479

there's always somebody out there were

1136

00:53:37,759 --> 00:53:36,119

an experimental aircraft okay

1137

00:53:39,559 --> 00:53:37,769

I can accept there might be somebody out

1138

00:53:41,839 --> 00:53:39,569

there with an ax from another country

1139

00:53:45,289 --> 00:53:41,849

with an experimental aircraft but not a

1140

00:53:47,629 --> 00:53:45,299

fleet of them there's a clear and

1141

00:53:49,819 --> 00:53:47,639

present danger here and I think the

1142

00:53:52,699 --> 00:53:49,829

Defense Department needs to be square

1143

00:53:55,219 --> 00:53:52,709

with the American people and if they are

1144

00:53:58,279 --> 00:53:55,229

square with us we will follow them and

1145

00:54:02,089 --> 00:53:58,289

say do what you gotta do do your job

1146

00:54:04,009 --> 00:54:02,099

protect us but right now they're keeping

1147

00:54:05,720 --> 00:54:04,019

it a secret we don't know how much of a

1148

00:54:07,880 --> 00:54:05,730

threat we're really dealing with

1149

00:54:10,520 --> 00:54:07,890

and I don't and and I'm not a hundred

1150

00:54:14,980 --> 00:54:10,530

percent sure there's a threat but

1151  
00:54:19,580 --> 00:54:17,570  
you know if we don't know what it is we

1152  
00:54:22,430 --> 00:54:19,590  
don't understand it so we really if we

1153  
00:54:25,700 --> 00:54:22,440  
don't understand it we fear it and we

1154  
00:54:31,130 --> 00:54:25,710  
shouldn't be fearing this some people

1155  
00:54:34,400 --> 00:54:31,140  
have suggested that uh that the immortal

1156  
00:54:37,640 --> 00:54:34,410  
powers that be eventually are going to

1157  
00:54:39,770 --> 00:54:37,650  
let's say Hoke and Elia hoax and alien

1158  
00:54:43,010 --> 00:54:39,780  
invasion of some type and that

1159  
00:54:44,450 --> 00:54:43,020  
disclosure or you know I'm just saying

1160  
00:54:47,960 --> 00:54:44,460  
that there there's all these different

1161  
00:54:51,620 --> 00:54:47,970  
ideas out there and I I see division

1162  
00:54:55,520 --> 00:54:51,630  
even in ethology different but what

1163  
00:54:59,090 --> 00:54:55,530

different people believe but regardless

1164

00:55:05,150 --> 00:54:59,100

of what point anyone takes they're out

1165

00:55:08,030 --> 00:55:05,160

there it's happening and yeah I uh you

1166

00:55:09,980 --> 00:55:08,040

know it's weird because the government

1167

00:55:15,470 --> 00:55:09,990

has spent so much money covering this up

1168

00:55:17,920 --> 00:55:15,480

for so long and now we see this and you

1169

00:55:22,130 --> 00:55:17,930

know and I could see why people come to

1170

00:55:25,940 --> 00:55:22,140

different conclusions than yours or mine

1171

00:55:26,540 --> 00:55:25,950

or Jennifer's or you know whoever we're

1172

00:55:30,290 --> 00:55:26,550

running out of time

1173

00:55:32,660 --> 00:55:30,300

uh we got like two minutes left oh thank

1174

00:55:34,790 --> 00:55:32,670

you for having me on thank you for

1175

00:55:37,790 --> 00:55:34,800

coming on we enjoyed it so much

1176  
00:55:38,960 --> 00:55:37,800  
yeah it was great having you on um um

1177  
00:55:41,300 --> 00:55:38,970  
what you have two minutes left do you

1178  
00:55:43,340 --> 00:55:41,310  
have any upcoming projects any links or

1179  
00:55:46,130 --> 00:55:43,350  
anything you would like to share well I

1180  
00:55:49,910 --> 00:55:46,140  
am speaking at the International UFO

1181  
00:55:52,220 --> 00:55:49,920  
Congress in Tempe Arizona in about two

1182  
00:55:54,920 --> 00:55:52,230  
weeks like I think I'm speaking on the

1183  
00:55:57,580 --> 00:55:54,930  
opening day of the convention so I'm

1184  
00:56:00,200 --> 00:55:57,590  
gonna be giving a really good

1185  
00:56:02,870 --> 00:56:00,210  
shoot-from-the-hip presentation on

1186  
00:56:04,760 --> 00:56:02,880  
national statistics and I might even

1187  
00:56:08,270 --> 00:56:04,770  
have some new information to share

1188  
00:56:11,060 --> 00:56:08,280

that's never been shared before that's

1189

00:56:12,860 --> 00:56:11,070

awesome if anybody's in the area go and

1190

00:56:17,270 --> 00:56:12,870

check it out it sounds like something

1191

00:56:19,520 --> 00:56:17,280

you definitely do not want to miss be

1192

00:56:21,680 --> 00:56:19,530

sure to have me back Oh

1193

00:56:25,880 --> 00:56:21,690

but we definitely will absolutely

1194

00:56:29,980 --> 00:56:25,890

enjoyed you having so much so next week

1195

00:56:34,430 --> 00:56:29,990

we have Matt Lacroix esoteric historian

1196

00:56:35,030 --> 00:56:34,440

author so join us for that and thank you

1197

00:56:39,050 --> 00:56:35,040

everybody

1198

00:56:41,210 --> 00:56:39,060

Thank You Cheryl and to the believer

1199

00:56:43,640 --> 00:56:41,220

that though they have been so is

1200

00:56:44,840 --> 00:56:43,650

overwhelming and to the skeptic there

1201

00:56:47,090 --> 00:56:44,850

will never be enough

1202

00:56:49,670 --> 00:56:47,100

thank you god bless you too everyone got
