14

00:00:46,369 --> 00:00:43,649

triangle sighting in moments Illinois

15

00:00:51,619 --> 00:00:46,379

who has a UFO blast from the past this

16

00:00:57,680 --> 00:00:51,629

occurred July 4th 2009 a huge triangle

17

00:01:01,549 --> 00:00:57,690

that reflected flames moving silent in

18

00:01:03,439 --> 00:01:01,559

more detail my family and I just dropped

19

00:01:06,440 --> 00:01:03,449

a friend off from the firework show

20

00:01:10,190 --> 00:01:06,450

around 10 p.m. my oldest son looked up

21

00:01:13,010 --> 00:01:10,200

in the sky and asked hey what is this

22

00:01:17,570 --> 00:01:13,020

and pointed to the southern sky I looked

23

00:01:21,320 --> 00:01:17,580

up it was a huge triangle my guess it

24

00:01:23,630 --> 00:01:21,330

was about 2,000 to 3,000 feet above us

25

00:01:25,969 --> 00:01:23,640

it was flying in a Southwest to

26
00:01:30,499 --> 00:01:25,979
Northeast direction it was glowing

27
00:01:33,740 --> 00:01:30,509
orangish yellow flames the type you

28
00:01:36,350 --> 00:01:33,750
would put on an old muscle car we jumped

29
00:01:37,039 --> 00:01:36,360
in the car and followed it for 15

30
00:01:40,010 --> 00:01:37,049
minutes

31
00:01:43,249 --> 00:01:40,020
it wasn't traveling very fast we were in

32
00:01:45,350 --> 00:01:43,259
open desolated area and my wife became

33
00:01:49,210 --> 00:01:45,360
frightened and wanted to turn around and

34
00:01:54,080 --> 00:01:49,220
I agreed thinking that was a good idea

35
00:01:56,060 --> 00:01:54,090
what what not like that'll happen very

36
00:01:57,410 --> 00:01:56,070
often but who knows they might have

37
00:01:59,120 --> 00:01:57,420
abducted you and done some horrible

38
00:02:01,880 --> 00:01:59,130

things so I get it I get it

39

00:02:04,280 --> 00:02:01,890

moving on to the next UFO sighting this

40

00:02:07,540 --> 00:02:04,290

occurred in Brandon Florida

41

00:02:10,070 --> 00:02:07,550

this occurred January 7th 2018

42

00:02:11,830 --> 00:02:10,080

diamond-shaped object with green lights

43

00:02:15,570 --> 00:02:11,840

outlining the craft

44

00:02:19,390 --> 00:02:15,580

and a bright orangish red beam that grew

45

00:02:21,610 --> 00:02:19,400

hmm and more detail on the Sunday

46

00:02:24,369 --> 00:02:21,620

evening I was waving a tearful goodbye

47

00:02:26,380 --> 00:02:24,379

to my sons following a three-week visit

48

00:02:29,369 --> 00:02:26,390

as they turned the corner and where are

49

00:02:32,289 --> 00:02:29,379

the sight I stood in the driveway crying

50

00:02:34,630 --> 00:02:32,299

suddenly my attention was on what I

51
00:02:36,940 --> 00:02:34,640
thought was some kind of Christmas light

52
00:02:41,320 --> 00:02:36,950
and my mother's neighbor across the

53
00:02:43,420 --> 00:02:41,330
street was there live oak tree huh okay

54
00:02:45,460 --> 00:02:43,430
then it occurred to me I don't edit the

55
00:02:46,960 --> 00:02:45,470
stuff I'm just reading it then it

56
00:02:50,830 --> 00:02:46,970
occurred to me that Christmas light

57
00:02:53,319 --> 00:02:50,840
ornaments don't move I moved away to get

58
00:02:56,470 --> 00:02:53,329
a clearer view of the object which

59
00:03:00,339 --> 00:02:56,480
appeared to me to be like a 1980 style

60
00:03:02,020 --> 00:03:00,349
spaceship huh 1980s let me think what

61
00:03:05,860 --> 00:03:02,030
did those look like back to the future a

62
00:03:11,319 --> 00:03:09,250
I watched it moving northward when

63
00:03:14,710 --> 00:03:11,329

suddenly a burst of light obscured the

64

00:03:16,629 --> 00:03:14,720

green and orange red lights and four

65

00:03:18,520 --> 00:03:16,639

lights separated and two were

66

00:03:21,280 --> 00:03:18,530

significantly brighter from my

67

00:03:23,110 --> 00:03:21,290

perspective and had moved in opposite

68

00:03:26,229 --> 00:03:23,120

directions from one another for

69

00:03:30,250 --> 00:03:26,239

approximately five inches of sky and

70

00:03:33,250 --> 00:03:30,260

then immediately stopped the lights were

71

00:03:36,670 --> 00:03:33,260

now whitish and resembled stars as if

72

00:03:39,099 --> 00:03:36,680

some object was using a star light to

73

00:03:41,920 --> 00:03:39,109

camouflage itself camouflage whoops

74

00:03:44,710 --> 00:03:41,930

however above these lights what I saw is

75

00:03:46,030 --> 00:03:44,720

very difficult to explain but I think

76

00:03:50,069 --> 00:03:46,040

the best way to describe it is

77

00:03:53,710 --> 00:03:50,079

approximately three or four swirls of

78

00:03:56,949 --> 00:03:53,720

fireworks hmm it looked like some kind

79

00:04:00,520 --> 00:03:56,959

of interdimensional portal opening up it

80

00:04:03,490 --> 00:04:00,530

was very surreal sounds like it some

81

00:04:06,520 --> 00:04:03,500

things about this event at about this

82

00:04:08,860 --> 00:04:06,530

time are confusing to me I don't have

83

00:04:12,129 --> 00:04:08,870

quote missing time but it seems like

84

00:04:14,110 --> 00:04:12,139

maybe I should I try to get video

85

00:04:16,719 --> 00:04:14,120

shortly after I began to see the object

86

00:04:20,050 --> 00:04:16,729

but my camera on my phone would not pick

87

00:04:22,540 --> 00:04:20,060

it up I've kept it as a timestamp and as

88

00:04:25,450 --> 00:04:22,550

a diary for what I described I was

89

00:04:28,740 --> 00:04:25,460

suddenly overcome with a feeling of

90

00:04:31,890 --> 00:04:28,750

surance that all would be okay and that

91

00:04:36,249 --> 00:04:31,900

something had not wanted us to be sad

92

00:04:37,870 --> 00:04:36,259

about parting I felt a million times

93

00:04:40,540 --> 00:04:37,880

better instantly after seeing the

94

00:04:42,820 --> 00:04:40,550

objects separate I text my sons but

95

00:04:45,670 --> 00:04:42,830

before I could send it I received a text

96

00:04:48,430 --> 00:04:45,680

from my son exclaiming that the three of

97

00:04:50,260 --> 00:04:48,440

them had seen something crazy he also

98

00:04:52,330 --> 00:04:50,270

sent me pics from his iPhone and

99

00:04:54,760 --> 00:04:52,340

apparently they all watched this for

100

00:04:57,430 --> 00:04:54,770

several minutes as well I could give you

101
00:04:59,050 --> 00:04:57,440
all their contact info and sign parental

102
00:05:04,140 --> 00:04:59,060
release for them to answer any questions

103
00:05:06,159 --> 00:05:04,150
you may have for them oh my goodness

104
00:05:09,249 --> 00:05:06,169
interesting you know a lot of these

105
00:05:12,249 --> 00:05:09,259
people that witness seeing UFOs they

106
00:05:14,620 --> 00:05:12,259
feel horror or fear out of nowhere and

107
00:05:17,800 --> 00:05:14,630
some get a warm fuzzy feeling and this

108
00:05:19,170 --> 00:05:17,810
one was like oh don't cry so bad it's

109
00:05:21,310 --> 00:05:19,180
okay

110
00:05:24,820 --> 00:05:21,320
interesting there's good guys and

111
00:05:28,600 --> 00:05:24,830
there's bad guys I'm telling you next

112
00:05:32,529 --> 00:05:28,610
one UFO sighting in may Tierra Louisiana

113
00:05:35,800 --> 00:05:32,539

the Sakura January 23rd 2018 glowing

114

00:05:36,460 --> 00:05:35,810

orange red emo Lee I don't know what

115

00:05:39,149 --> 00:05:36,470

that means

116

00:05:46,110 --> 00:05:39,159

I'm think they're trying to spell

117

00:05:49,029 --> 00:05:46,120

anomaly in the sky above the moon Wow

118

00:05:53,219 --> 00:05:49,039

man if you guys saw the spelling on this

119

00:06:00,370 --> 00:05:57,189

approximately 10:40 p.m. on January 23rd

120

00:06:02,950 --> 00:06:00,380

2018 I was walking outside to my truck

121

00:06:06,010 --> 00:06:02,960

when I got in my truck I happened to

122

00:06:09,850 --> 00:06:06,020

glance at the moon I noticed two glowing

123

00:06:13,050 --> 00:06:09,860

orange red glowing anomalies in the sky

124

00:06:17,560 --> 00:06:13,060

directly above the moon one of these

125

00:06:20,709 --> 00:06:17,570

anomalies is and can be seen very clear

126

00:06:23,409 --> 00:06:20,719

there was a second anomaly just to the

127

00:06:26,649 --> 00:06:23,419

right and above that was more fate and

128

00:06:29,320 --> 00:06:26,659

not as clear this did not appear to be a

129

00:06:32,469 --> 00:06:29,330

UFO but it appears to be a celestial

130

00:06:35,140 --> 00:06:32,479

object of some kind I believe either the

131

00:06:37,329 --> 00:06:35,150

tail of a comet or asteroid but there

132

00:06:39,159 --> 00:06:37,339

were two of the same objects in question

133

00:06:41,379 --> 00:06:39,169

which led me to believe

134

00:06:44,409 --> 00:06:41,389

it might be part of the Nibiru planet

135

00:06:46,570 --> 00:06:44,419

system we're going deep as I returned

136

00:06:49,869 --> 00:06:46,580

home approximately 12:30 a.m. January

137

00:06:52,450 --> 00:06:49,879

24th 2018 the anomaly was still present

138

00:06:54,459 --> 00:06:52,460

in the sky only appearing to be three to

139

00:06:56,980 --> 00:06:54,469

four anomalies at this time all glowing

140

00:06:59,800 --> 00:06:56,990

the objects in question then proceeded

141

00:07:03,100 --> 00:06:59,810

to fade in the night sky too faint to

142

00:07:04,209 --> 00:07:03,110

achieve any pictures I truly believe

143

00:07:07,480 --> 00:07:04,219

that I have captured something

144

00:07:09,519 --> 00:07:07,490

extraordinary The Smoking Gun that there

145

00:07:12,279 --> 00:07:09,529

are celestial objects in our solar

146

00:07:15,820 --> 00:07:12,289

system I believe without a doubt that

147

00:07:18,730 --> 00:07:15,830

this is proof of Nibiru planet system or

148

00:07:21,640 --> 00:07:18,740

part of its debris field lighting up our

149

00:07:26,800 --> 00:07:21,650

sky please get back to me as I await

150

00:07:29,640 --> 00:07:26,810

your opinion all right moving on next

151
00:07:35,260 --> 00:07:29,650
useful signing this happened in Deltona

152
00:07:39,029 --> 00:07:35,270
Florida as a Kura January 7th 2018 this

153
00:07:42,999 --> 00:07:39,039
changed my life I was the only witness I

154
00:07:47,260 --> 00:07:43,009
cannot cope with what I have seen okay

155
00:07:49,839 --> 00:07:47,270
that cuts deep all right in more detail

156
00:07:51,730 --> 00:07:49,849
it had just dropped off my fiancee at

157
00:07:54,909 --> 00:07:51,740
work and I was pulling out of the

158
00:07:57,850 --> 00:07:54,919
parking lot in my van I looked up and

159
00:08:01,059 --> 00:07:57,860
saw a very bright orange light I knew

160
00:08:04,059 --> 00:08:01,069
immediately that I was seeing was

161
00:08:07,570 --> 00:08:04,069
strange at least I pulled forward into

162
00:08:10,629 --> 00:08:07,580
the Publix parking lot at don't DuPont

163
00:08:13,659 --> 00:08:10,639

Lake Center I continued to watch the

164

00:08:16,269 --> 00:08:13,669

bright orange red object as its light

165

00:08:18,879 --> 00:08:16,279

went dim I got out of my car to witness

166

00:08:21,550 --> 00:08:18,889

an object with no obstruction the light

167

00:08:25,029 --> 00:08:21,560

was orange with a red glow trail behind

168

00:08:27,399 --> 00:08:25,039

it it started to conduct maneuvers I

169

00:08:31,119 --> 00:08:27,409

have never seen any other aircraft

170

00:08:34,540 --> 00:08:31,129

perform then another UFO showed up and

171

00:08:36,459 --> 00:08:34,550

it was bright white until it had seemed

172

00:08:40,420 --> 00:08:36,469

to be pulling energy from the first

173

00:08:43,629 --> 00:08:40,430

craft then what follows next literally

174

00:08:45,759 --> 00:08:43,639

changed my life I know in my heart this

175

00:08:50,019 --> 00:08:45,769

happened and I don't blame anyone if

176
00:08:52,650 --> 00:08:50,029
they don't believe me what I saw was a

177
00:08:59,140 --> 00:08:52,660
what seems to be the way

178
00:09:01,480 --> 00:08:59,150
fabric of the sky itself opened up who

179
00:09:05,380 --> 00:09:01,490
what lie beneath appeared to be

180
00:09:08,200 --> 00:09:05,390
holographic the two orbs held a light

181
00:09:12,130 --> 00:09:08,210
energy between each other the light

182
00:09:14,290 --> 00:09:12,140
turned blue and it was amazing truly

183
00:09:17,230 --> 00:09:14,300
this was just as beautiful as it was

184
00:09:21,160 --> 00:09:17,240
shocking the blue light covered both

185
00:09:24,250 --> 00:09:21,170
UFOs and they disappeared instantly any

186
00:09:26,950 --> 00:09:24,260
remnants of the lights were gone just

187
00:09:31,510 --> 00:09:26,960
like that I stayed in the parking lot

188
00:09:34,810 --> 00:09:31,520

and after losing my crap I collected my

189

00:09:38,080 --> 00:09:34,820

cool and realized no one would ever

190

00:09:40,270 --> 00:09:38,090

believe what I had seen I saw the light

191

00:09:43,270 --> 00:09:40,280

once more up here about a hundred feet

192

00:09:45,040 --> 00:09:43,280

away from where I saw the first and then

193

00:09:49,000 --> 00:09:45,050

expected the lights to follow it again

194

00:09:52,750 --> 00:09:49,010

but this time it was only the orange

195

00:09:54,370 --> 00:09:52,760

light and then poof gone again I took a

196

00:09:57,490 --> 00:09:54,380

video in hopes I would catch it on

197

00:09:58,420 --> 00:09:57,500

camera but I sadly could not I got a

198

00:10:01,330 --> 00:09:58,430

call from my mom

199

00:10:04,240 --> 00:10:01,340

very shortly afterward and she had asked

200

00:10:07,240 --> 00:10:04,250

me to bring the van back I told her what

201
00:10:09,970 --> 00:10:07,250
I just witnessed and happened and now

202
00:10:13,450 --> 00:10:09,980
she thought I was on drugs she demanded

203
00:10:15,250 --> 00:10:13,460
I bring the van back home at once I knew

204
00:10:17,800 --> 00:10:15,260
I should keep my mouth shut but I also

205
00:10:19,450 --> 00:10:17,810
toed some friends in hopes they would

206
00:10:22,330 --> 00:10:19,460
believe me knowing I don't make things

207
00:10:25,780 --> 00:10:22,340
up like this I'm not even into the whole

208
00:10:28,390 --> 00:10:25,790
UFO thing they also did not believe me

209
00:10:32,740 --> 00:10:28,400
but if you live in Deltona

210
00:10:36,280 --> 00:10:32,750
please look up Wow and this just

211
00:10:40,150 --> 00:10:36,290
occurred you guys January 7 2018 imagine

212
00:10:43,960 --> 00:10:40,160
this poor person living in this

213
00:10:46,990 --> 00:10:43,970

knowledge of crafts that could tear open

214

00:10:50,380 --> 00:10:47,000

a hole into the sky for them to go in

215

00:10:54,220 --> 00:10:50,390

and out of imagine that you witnessed it

216

00:10:55,780 --> 00:10:54,230

you saw this and you turn to your left

217

00:10:57,160 --> 00:10:55,790

you're not believed you turn to your

218

00:10:59,620 --> 00:10:57,170

right you're not believed and it's like

219

00:11:03,700 --> 00:10:59,630

you're just sitting there alone in the

220

00:11:06,130 --> 00:11:03,710

know I mean a lot of people do crack

221

00:11:08,590 --> 00:11:06,140

under this kind of pressure

222

00:11:11,290 --> 00:11:08,600

a lot of families do get torn and they

223

00:11:13,510 --> 00:11:11,300

don't know why gosh why is Johnny not

224

00:11:16,060 --> 00:11:13,520

coming around anywhere well Johnny just

225

00:11:18,040 --> 00:11:16,070

a little bit um I don't know like cuz

226

00:11:20,340 --> 00:11:18,050

life has just flipped upside down and

227

00:11:22,780 --> 00:11:20,350

you don't believe a word he's saying and

228

00:11:25,330 --> 00:11:22,790

it's a bit it could be really

229

00:11:27,300 --> 00:11:25,340

destructive on a person I mean make it

230

00:11:31,810 --> 00:11:27,310

change and think differently about

231

00:11:34,510 --> 00:11:31,820

absolutely everything just so sad so sad

232

00:11:36,790 --> 00:11:34,520

if we could just take the word of the

233

00:11:40,000 --> 00:11:36,800

person who is pouring their guts out

234

00:11:42,280 --> 00:11:40,010

listen to the words take it in for what

235

00:11:46,630 --> 00:11:42,290

it is they're not gonna make any money

236

00:11:49,270 --> 00:11:46,640

off from it trust me they are doing it

237

00:11:51,460 --> 00:11:49,280

and speaking of it because it's a

238

00:11:54,280 --> 00:11:51,470

learning opportunity for you and a

239

00:11:57,870 --> 00:11:54,290

chance for them to vent and maybe we may

240

00:12:00,790 --> 00:11:57,880

all grow in our conscience you know in

241

00:12:02,830 --> 00:12:00,800

consciousness how about that all right

242

00:12:05,080 --> 00:12:02,840

moving on to the next UFO sighting this

243

00:12:09,100 --> 00:12:05,090

happened in Greenwater Washington this

244

00:12:11,500 --> 00:12:09,110

occurred January 16 2018 filmed a music

245

00:12:14,380 --> 00:12:11,510

video in near Mount Ranier

246

00:12:19,210 --> 00:12:14,390

only to discover later massive UFO

247

00:12:19,800 --> 00:12:19,220

traffic in the footage are we see okay

248

00:12:22,450 --> 00:12:19,810

here we go

249

00:12:24,850 --> 00:12:22,460

while filming a music video near Mount

250

00:12:29,440 --> 00:12:24,860

Rainier National Park I unknowingly

251
00:12:32,320 --> 00:12:29,450
filmed 50-plus UFOs traveling overhead

252
00:12:35,890 --> 00:12:32,330
the objects seemed to be timed with the

253
00:12:38,980 --> 00:12:35,900
music in my headphones which leads me to

254
00:12:42,070 --> 00:12:38,990
believe that they were actually flying

255
00:12:46,630 --> 00:12:42,080
overhead with the sole intention of

256
00:12:49,120 --> 00:12:46,640
being in the video this is good at the

257
00:12:52,450 --> 00:12:49,130
time the events I was blissfully unaware

258
00:12:54,910 --> 00:12:52,460
that anything had taken place only to

259
00:12:58,110 --> 00:12:54,920
later discover in the footage that I had

260
00:13:01,000 --> 00:12:58,120
filmed an unsettling amount of traffic

261
00:13:02,410 --> 00:13:01,010
it was lightly snowing throughout the

262
00:13:06,160 --> 00:13:02,420
day which gives the benefit of the doubt

263
00:13:09,610 --> 00:13:06,170

that they may be snowflakes that being

264

00:13:12,060 --> 00:13:09,620

said it was not windy and the objects

265

00:13:14,980 --> 00:13:12,070

were traveling at an alarming rate

266

00:13:17,230 --> 00:13:14,990

despite how the video may appear I was

267

00:13:19,879 --> 00:13:17,240

not alone on top of the ridgeline

268

00:13:22,329 --> 00:13:19,889

however I don't believe anyone

269

00:13:25,160 --> 00:13:22,339

noticed because of the incredible speed

270

00:13:28,280 --> 00:13:25,170

to further my point about them complying

271

00:13:30,679 --> 00:13:28,290

with my music video I have included an

272

00:13:35,109 --> 00:13:30,689

image that shows one object literally

273

00:13:38,090 --> 00:13:35,119

splitting a light on the end of my hair

274

00:13:40,189 --> 00:13:38,100

okay I don't understand the object was

275

00:13:42,229 --> 00:13:40,199

seemingly aware of the camera position

276

00:13:45,289 --> 00:13:42,239

as the lineup and timing would be

277

00:13:47,539 --> 00:13:45,299

literally impossible otherwise the

278

00:13:50,720 --> 00:13:47,549

compiled footage that I have is truly

279

00:13:53,659 --> 00:13:50,730

the most substantial abundance of UFOs

280

00:13:55,999 --> 00:13:53,669

that I have ever seen when I first

281

00:13:59,449 --> 00:13:56,009

reviewed the footage I was so taken

282

00:14:01,789 --> 00:13:59,459

aback that I nearly threw up because of

283

00:14:04,340 --> 00:14:01,799

the nature of the song I was filming and

284

00:14:06,619 --> 00:14:04,350

reviewing the footage it has led me to

285

00:14:09,799 --> 00:14:06,629

believe that this may actually be

286

00:14:13,249 --> 00:14:09,809

intelligent water I know that sounds

287

00:14:15,609 --> 00:14:13,259

outlandish outlandish but I have also

288

00:14:18,769 --> 00:14:15,619

included a clip that shows a snowflake

289

00:14:21,859 --> 00:14:18,779

directly hit directly in my back and

290

00:14:24,019 --> 00:14:21,869

then a water object seemingly shoot for

291

00:14:27,439 --> 00:14:24,029

my face towards the camera lids

292

00:14:29,989 --> 00:14:27,449

I have only included select footage as I

293

00:14:33,470 --> 00:14:29,999

have mentioned there were literally over

294

00:14:36,499 --> 00:14:33,480

fifty to a hundred it was so busy that I

295

00:14:40,369 --> 00:14:36,509

actually had to edit UFOs out of my

296

00:14:44,269 --> 00:14:40,379

video that's craziness who would edit

297

00:14:48,019 --> 00:14:44,279

out UFOs here is a link you can copy and

298

00:14:50,179 --> 00:14:48,029

paste Wow to my completed video in

299

00:14:52,989 --> 00:14:50,189

almost every clip you can find objects

300

00:14:55,909 --> 00:14:52,999

the most obvious to the naked eye is at

301
00:14:58,460 --> 00:14:55,919
155 you can see how they coordinate with

302
00:15:02,470 --> 00:14:58,470
my mom the starlight lounge presents an

303
00:15:07,930 --> 00:15:05,680
I took a bit of a risk singing that song

304
00:15:10,389 --> 00:15:07,940
but of course the one place I never take

305
00:15:12,460 --> 00:15:10,399
chances is the road where progressive

306
00:15:14,710 --> 00:15:12,470
snapshot rewards your safe driving a

307
00:15:17,949 --> 00:15:14,720
good driver plus snapshot equals big

308
00:15:21,629 --> 00:15:17,959
discounts and speaking of math one plus

309
00:15:23,470 --> 00:15:21,639
one equals two little too late

310
00:15:24,790 --> 00:15:23,480
progressive casualty insurance company

311
00:15:26,050 --> 00:15:24,800
affiliate snapshot not available in

312
00:15:28,750 --> 00:15:26,060
California North Carolina or from all

313
00:15:31,509 --> 00:15:28,760

agents oceans are my emotions not

314

00:15:34,480 --> 00:15:31,519

featured in the video is a break neck

315

00:15:36,910 --> 00:15:34,490

turn made by Wednesday objects all of

316

00:15:39,780 --> 00:15:36,920

the footage is unbelievable I should

317

00:15:42,100 --> 00:15:39,790

note that they did not make a sound also

318

00:15:43,810 --> 00:15:42,110

by the lake when I appeared to be

319

00:15:46,900 --> 00:15:43,820

looking at them I was actually looking

320

00:15:49,540 --> 00:15:46,910

at a mountain peak basically not sure

321

00:15:52,180 --> 00:15:49,550

what kind of action I should have been

322

00:15:54,189 --> 00:15:52,190

doing well heck we gotta take a look at

323

00:15:56,139 --> 00:15:54,199

that one right so every once in a while

324

00:15:58,269 --> 00:15:56,149

I do click over on these links to look

325

00:16:00,340 --> 00:15:58,279

at some of these images they say that

326

00:16:03,189 --> 00:16:00,350

they're including and I click over to

327

00:16:06,639 --> 00:16:03,199

this one and guess what nothing it is

328

00:16:08,920 --> 00:16:06,649

not available what the heck that's just

329

00:16:10,660 --> 00:16:08,930

bogus my goodness they probably were

330

00:16:11,319 --> 00:16:10,670

like whoo I could probably do something

331

00:16:13,420 --> 00:16:11,329

with this

332

00:16:17,290 --> 00:16:13,430

but isn't that interesting once again

333

00:16:20,410 --> 00:16:17,300

somebody reporting positive like

334

00:16:23,920 --> 00:16:20,420

reaction of UFOs I am giving like some

335

00:16:25,750 --> 00:16:23,930

kind of response to good vibes and good

336

00:16:28,000 --> 00:16:25,760

music I hope it was good music anyways

337

00:16:32,199 --> 00:16:28,010

alright moving on UFO sighting and

338

00:16:35,680 --> 00:16:32,209

Harket Ontario this occurred November

339

00:16:41,019 --> 00:16:35,690

1st 2017 observed object diamond-shape

340

00:16:44,800 --> 00:16:41,029

big-ass house glowing pinkish rose 5:15

341

00:16:48,430 --> 00:16:44,810

a.m. to 6:45 a.m. missing time and the

342

00:16:51,850 --> 00:16:48,440

observed entities at the end of the road

343

00:16:52,629 --> 00:16:51,860

in more detail at 5:15 a.m. around

344

00:16:54,819 --> 00:16:52,639

November 1st

345

00:16:59,170 --> 00:16:54,829

I had another strange strong urge to

346

00:17:01,780 --> 00:16:59,180

rush outside with the dog we walked

347

00:17:04,630 --> 00:17:01,790

around the corner of the Crescent and I

348

00:17:07,780 --> 00:17:04,640

looked up and I saw a diamond-shaped

349

00:17:11,770 --> 00:17:07,790

object as big as a three-story house

350

00:17:15,069 --> 00:17:11,780

sitting stationary in the sky it was

351
00:17:16,450 --> 00:17:15,079
silent glowing pinkish rose with a

352
00:17:18,970 --> 00:17:16,460
symmetrical pattern

353
00:17:22,120 --> 00:17:18,980
and I could observe to circle like

354
00:17:23,590 --> 00:17:22,130
windows that were the same color and I

355
00:17:26,920 --> 00:17:23,600
stood in the middle of the street

356
00:17:28,960 --> 00:17:26,930
just looking staring at it it felt like

357
00:17:32,080 --> 00:17:28,970
five minutes and I began to get that

358
00:17:35,050 --> 00:17:32,090
feeling again of a presence I could

359
00:17:38,320 --> 00:17:35,060
sense it within me someone I sometimes

360
00:17:40,330 --> 00:17:38,330
see a male blond humanoid along with the

361
00:17:43,720 --> 00:17:40,340
greys but I could see shapes at the end

362
00:17:47,200 --> 00:17:43,730
of the road and my dog just flipped and

363
00:17:50,560 --> 00:17:47,210

turned suddenly running with me close

364

00:17:53,290 --> 00:17:50,570

behind to my side door he didn't even

365

00:17:56,140 --> 00:17:53,300

have his walk yet when I got upstairs

366

00:18:01,210 --> 00:17:56,150

and looked at the time it was 6:45 a.m.

367

00:18:04,380 --> 00:18:01,220

an hour and a half had passed thanks

368

00:18:09,070 --> 00:18:04,390

sounds like an abduction unfortunately

369

00:18:11,410 --> 00:18:09,080

okay moving on all right beautiful

370

00:18:14,950 --> 00:18:11,420

sighting in Hamilton Ontario this

371

00:18:18,580 --> 00:18:14,960

occurred December 14 2017 looked like

372

00:18:22,720 --> 00:18:18,590

flock of birds messy V that tightened

373

00:18:25,420 --> 00:18:22,730

into V too high for airshow jets there

374

00:18:28,480 --> 00:18:25,430

were about nine objects Khem trailing

375

00:18:31,300 --> 00:18:28,490

followed I was on Hamilton Mountain

376

00:18:34,330 --> 00:18:31,310

looking at the sky as I normally do due

377

00:18:36,580 --> 00:18:34,340

to Kem trailing I saw what at first I

378

00:18:39,910 --> 00:18:36,590

thought was a flock of birds much too

379

00:18:42,010 --> 00:18:39,920

high they are it was so high that

380

00:18:44,110 --> 00:18:42,020

identifying shape would be very

381

00:18:46,150 --> 00:18:44,120

difficult there were approximately nine

382

00:18:49,030 --> 00:18:46,160

to twelve visible objects that at first

383

00:18:52,720 --> 00:18:49,040

seemed independent of each other but as

384

00:18:55,570 --> 00:18:52,730

it pulled into a tight neat V formation

385

00:18:59,440 --> 00:18:55,580

and moved in this manner as one object

386

00:19:02,170 --> 00:18:59,450

seemingly it was moving very very slow

387

00:19:04,180 --> 00:19:02,180

for the most part though it seemed to

388

00:19:07,450 --> 00:19:04,190

speed up and change from traveling west

389

00:19:10,240 --> 00:19:07,460

to south it was just after noon and the

390

00:19:13,360 --> 00:19:10,250

Sun ended up blinding me as it moved

391

00:19:15,960 --> 00:19:13,370

more rapidly and brought the Sun into

392

00:19:18,850 --> 00:19:15,970

the equation my eyes started watering

393

00:19:20,680 --> 00:19:18,860

really bad by the time I could see again

394

00:19:23,380 --> 00:19:20,690

maybe fifteen to thirty seconds I

395

00:19:26,290 --> 00:19:23,390

couldn't find it again and immediately a

396

00:19:29,230 --> 00:19:26,300

cloud creating jet that left the South

397

00:19:29,580 --> 00:19:29,240

Sky's cloud covered and extending into

398

00:19:32,610 --> 00:19:29,590

the

399

00:19:35,250 --> 00:19:32,620

nor sky I was left feeling very strange

400

00:19:37,590 --> 00:19:35,260

I can't explain the feeling I wanted to

401
00:19:39,810 --> 00:19:37,600
stay there in hopes it would return I

402
00:19:42,750 --> 00:19:39,820
still get the urge to go back to that

403
00:19:48,120 --> 00:19:42,760
spot but I realized it was probably a

404
00:19:51,330 --> 00:19:48,130
one-time saying sadly yeah it usually is

405
00:19:53,760 --> 00:19:51,340
unfortunately sorry about that but turn

406
00:19:58,230 --> 00:19:53,770
away my eyes water whatever it is and

407
00:20:02,310 --> 00:19:58,240
it's gone all right so I'm gonna go on

408
00:20:07,110 --> 00:20:02,320
to let's do an alien encounter this

409
00:20:10,970 --> 00:20:07,120
happened in Salina this occurred

410
00:20:16,019 --> 00:20:10,980
June 11 2016 entity captured during

411
00:20:19,830 --> 00:20:16,029
exploring canalization okay in more

412
00:20:23,220 --> 00:20:19,840
detail you know what geocaching is for

413
00:20:26,610 --> 00:20:23,230

sure if not just google it so there are

414

00:20:30,149 --> 00:20:26,620

some geocaches in my town and one of

415

00:20:32,010 --> 00:20:30,159

them is hidden in canalization I told my

416

00:20:35,549 --> 00:20:32,020

friend about that and we decided to go

417

00:20:37,680 --> 00:20:35,559

find it the camel is a ssin ends in a

418

00:20:40,289 --> 00:20:37,690

river and it is pretty easy to go inside

419

00:20:43,889 --> 00:20:40,299

it is not locked and height of

420

00:20:48,060 --> 00:20:43,899

canalization tunnel is about 1.8 meters

421

00:20:50,100 --> 00:20:48,070

we went inside far on a geocache after

422

00:20:52,529 --> 00:20:50,110

about 300 meters from entrance and

423

00:20:54,960 --> 00:20:52,539

returned out I was taking photos of

424

00:20:56,669 --> 00:20:54,970

everything after about 1 month after it

425

00:21:00,600 --> 00:20:56,679

I was viewing those photos and

426
00:21:04,560 --> 00:21:00,610
recognized a face on one of those at

427
00:21:06,450 --> 00:21:04,570
first I only saw one eye and nose but

428
00:21:09,180 --> 00:21:06,460
after a minute I noticed there was also

429
00:21:10,230 --> 00:21:09,190
a second eye I didn't see anything

430
00:21:13,529 --> 00:21:10,240
during the event

431
00:21:16,440 --> 00:21:13,539
it is weird as it is like 10 centimeters

432
00:21:20,460 --> 00:21:16,450
from camera my friend was behind me all

433
00:21:22,980 --> 00:21:20,470
the time and it is not his face also it

434
00:21:25,620 --> 00:21:22,990
looks like half of the face down from

435
00:21:28,529 --> 00:21:25,630
over the nose is covered by something

436
00:21:31,560 --> 00:21:28,539
transparent it looks like there is some

437
00:21:33,960 --> 00:21:31,570
aura over the creature but that's just a

438
00:21:37,230 --> 00:21:33,970

light from outside going through a hole

439

00:21:41,039 --> 00:21:37,240

for water to flow inside canalization

440

00:21:43,260 --> 00:21:41,049

when it rains I really don't know what

441

00:21:45,600 --> 00:21:43,270

it is maybe it was an alien that

442

00:21:48,690 --> 00:21:45,610

could be seen only through camera maybe

443

00:21:51,510 --> 00:21:48,700

it was a ghost maybe just a coincidence

444

00:21:53,940 --> 00:21:51,520

every time I see the photo a tear comes

445

00:21:56,400 --> 00:21:53,950

to my eye it is pretty scary for me

446

00:21:59,430 --> 00:21:56,410

photos of the environment can be found

447

00:22:02,250 --> 00:21:59,440

in comments photo of creature is in

448

00:22:04,140 --> 00:22:02,260

photo section please write a comment if

449

00:22:06,060 --> 00:22:04,150

you have a theory on what this could be

450

00:22:09,210 --> 00:22:06,070

well I'm not looking at it right now but

451

00:22:11,100 --> 00:22:09,220

I'm sure it's just dandy alright moving

452

00:22:14,280 --> 00:22:11,110

on to a paranormal point of a story

453

00:22:18,540 --> 00:22:14,290

because those are fun too this one is

454

00:22:20,100 --> 00:22:18,550

called vampires in the woods hmm this

455

00:22:23,340 --> 00:22:20,110

person is sharing their story and they

456

00:22:25,650 --> 00:22:23,350

say I remember my childhood very clearly

457

00:22:29,190 --> 00:22:25,660

I remember the huge Victorian style home

458

00:22:31,920 --> 00:22:29,200

that I grew up in it was in a big patch

459

00:22:34,410 --> 00:22:31,930

of woods in northern Louisiana so the

460

00:22:37,260 --> 00:22:34,420

trees were very tall pine trees I

461

00:22:39,210 --> 00:22:37,270

remember they smelled so good our house

462

00:22:41,250 --> 00:22:39,220

was about five miles away from neighbors

463

00:22:43,770 --> 00:22:41,260

on all sides and the only way to reach

464

00:22:46,560 --> 00:22:43,780

it besides a trek through the woods was

465

00:22:49,130 --> 00:22:46,570

a tiny dirt road that led from the main

466

00:22:51,480 --> 00:22:49,140

highway to our house it was an

467

00:22:53,850 --> 00:22:51,490

absolutely beautiful setting for a

468

00:22:55,770 --> 00:22:53,860

beautiful home the Sun would burst

469

00:22:57,270 --> 00:22:55,780

through the trees and now that I think

470

00:22:59,490 --> 00:22:57,280

about it even during the height of

471

00:23:03,500 --> 00:22:59,500

Louisiana summer or the middle of winter

472

00:23:07,080 --> 00:23:03,510

that area always felt as if it was fall

473

00:23:11,220 --> 00:23:07,090

maybe a solid 68 degrees all year round

474

00:23:13,350 --> 00:23:11,230

which was strange I was a rambunctious

475

00:23:16,700 --> 00:23:13,360

child eight years old at the time with a

476

00:23:19,680 --> 00:23:16,710

huge imagination this huge imagination

477

00:23:21,960 --> 00:23:19,690

would be the explanation given to me by

478

00:23:24,570 --> 00:23:21,970

my mother when I told her that there

479

00:23:27,480 --> 00:23:24,580

were kids living in the woods around our

480

00:23:29,760 --> 00:23:27,490

home I've never spoken of this to my

481

00:23:32,070 --> 00:23:29,770

mother and even now writing about it

482

00:23:35,210 --> 00:23:32,080

there are memories flooding back to me

483

00:23:38,130 --> 00:23:35,220

that I have somehow completely erased

484

00:23:42,270 --> 00:23:38,140

there were vampires in those woods

485

00:23:45,360 --> 00:23:42,280

around my home I'm sure of it one bright

486

00:23:48,870 --> 00:23:45,370

but cool August day I decided to play

487

00:23:49,470 --> 00:23:48,880

outside with our husky puppy Marcella we

488

00:23:53,640 --> 00:23:49,480

called her

489

00:23:55,710 --> 00:23:53,650

Marcy my mother gave me her usual stay

490

00:23:56,799 --> 00:23:55,720

close to the house don't go into the

491

00:24:00,820 --> 00:23:56,809

woods warning

492

00:24:02,919 --> 00:24:00,830

and I bolted out the door with Marcy my

493

00:24:05,739 --> 00:24:02,929

mom always reminded me that there were

494

00:24:07,690 --> 00:24:05,749

black bears in the woods and to never go

495

00:24:09,970 --> 00:24:07,700

farther than the edge of them which

496

00:24:13,119 --> 00:24:09,980

literally surrounded our entire house

497

00:24:16,119 --> 00:24:13,129

besides the small dirt road and remember

498

00:24:17,769 --> 00:24:16,129

seeing at least two black bears but

499

00:24:19,899 --> 00:24:17,779

that's besides the point

500

00:24:22,299 --> 00:24:19,909

Marcy and I were playing fetch with an

501
00:24:24,549 --> 00:24:22,309
old basketball that I had and my last

502
00:24:27,610 --> 00:24:24,559
toss was a little too hard the ball

503
00:24:30,580 --> 00:24:27,620
whizzed past Marcy and rolled into the

504
00:24:32,859 --> 00:24:30,590
thick woods behind my home Marcy ran for

505
00:24:34,830 --> 00:24:32,869
it but stopped dead in her tracks right

506
00:24:39,820 --> 00:24:34,840
at the edge of the brush and began to

507
00:24:42,220 --> 00:24:39,830
snarl the hairs on the back stood up and

508
00:24:45,249 --> 00:24:42,230
I remember being filled with a sense of

509
00:24:47,619 --> 00:24:45,259
panic Marcy what's wrong I asked right

510
00:24:50,169 --> 00:24:47,629
after I spoke I heard a snap in the

511
00:24:52,749 --> 00:24:50,179
woods and fear took over I screamed for

512
00:24:54,519 --> 00:24:52,759
Marcy to come and ran for the door to my

513
00:24:58,119 --> 00:24:54,529

house right before I closed the door I

514

00:25:00,549 --> 00:24:58,129

saw the baseball rolled back into the

515

00:25:03,159 --> 00:25:00,559

yard from the woods I didn't go outside

516

00:25:04,960 --> 00:25:03,169

for a while after a few days of hiding

517

00:25:07,419 --> 00:25:04,970

my mother convinced me that it was

518

00:25:09,970 --> 00:25:07,429

probably an animal and that it was long

519

00:25:11,769 --> 00:25:09,980

gone by now I remember the feeling of

520

00:25:14,350 --> 00:25:11,779

dread and panic that came over me and

521

00:25:17,680 --> 00:25:14,360

the deep growls coming for Marcy that

522

00:25:19,210 --> 00:25:17,690

was no animal being a bored child I

523

00:25:21,999 --> 00:25:19,220

decided to you venture back into the

524

00:25:23,859 --> 00:25:22,009

yard my grandfather was a huge gardener

525

00:25:26,739 --> 00:25:23,869

and I collected seeds and small tools

526

00:25:29,200 --> 00:25:26,749

from him on my yearly visits so I

527

00:25:31,029 --> 00:25:29,210

decided to make a small garden it was

528

00:25:32,859 --> 00:25:31,039

about 5:00 in the afternoon and I knew

529

00:25:35,710 --> 00:25:32,869

the Sun would be setting about two hours

530

00:25:38,470 --> 00:25:35,720

from then I found a small patch of a

531

00:25:41,739 --> 00:25:38,480

flat yard next to the tree line behind

532

00:25:46,600 --> 00:25:41,749

my house and begun digging small holes

533

00:25:49,180 --> 00:25:46,610

to plant Lilly Bub's bulbs I became so

534

00:25:51,549 --> 00:25:49,190

caught up in gardening that time seemed

535

00:25:53,889 --> 00:25:51,559

to move faster and faster before I knew

536

00:25:56,350 --> 00:25:53,899

it the Sun was setting and twilight was

537

00:25:58,779 --> 00:25:56,360

approaching as I realized this I began

538

00:26:01,480 --> 00:25:58,789

to collect my tools and leftover bulbs

539

00:26:04,180 --> 00:26:01,490

to put them away just as I picked up the

540

00:26:06,879 --> 00:26:04,190

last tool in turn to walk away I heard

541

00:26:09,879 --> 00:26:06,889

what sounded like a child's voice say hi

542

00:26:10,630 --> 00:26:09,889

said the voice it came from the woods

543

00:26:13,000 --> 00:26:10,640

right behind

544

00:26:14,170 --> 00:26:13,010

me I snapped my head around a surprise

545

00:26:18,580 --> 00:26:14,180

hello

546

00:26:23,290 --> 00:26:18,590

I asked hi I heard just as I saw a small

547

00:26:25,480 --> 00:26:23,300

girl peek around a thick pine tree she

548

00:26:29,650 --> 00:26:25,490

looked to be around six or seven years

549

00:26:32,620 --> 00:26:29,660

old with long ratty brown hair and dirty

550

00:26:34,450 --> 00:26:32,630

skin she looked as if she had been

551

00:26:37,030 --> 00:26:34,460

walking the woods for weeks

552

00:26:39,280 --> 00:26:37,040

I remember her so clearly now I remember

553

00:26:42,460 --> 00:26:39,290

her facial features were almost elf like

554

00:26:45,850 --> 00:26:42,470

she had a pointy little nose and small

555

00:26:48,820 --> 00:26:45,860

ears her eyes were all almond shaped and

556

00:26:50,980 --> 00:26:48,830

slightly upturned her fingers were a bit

557

00:26:53,260 --> 00:26:50,990

longer and skinnier than they should be

558

00:26:55,660 --> 00:26:53,270

she wore a tattered clothes that I

559

00:26:57,900 --> 00:26:55,670

didn't think were strange but I now

560

00:27:00,310 --> 00:26:57,910

realized they were almost pilgrim like

561

00:27:02,980 --> 00:27:00,320

out of all this though I will never

562

00:27:06,100 --> 00:27:02,990

forget her eyes the iris of her eyes

563

00:27:07,450 --> 00:27:06,110

were a shade of gray so light that they

564

00:27:09,940 --> 00:27:07,460

were almost invisible

565

00:27:12,550 --> 00:27:09,950

they were striking almost ghostly and

566

00:27:16,020 --> 00:27:12,560

when she moved into the shadow cast from

567

00:27:17,710 --> 00:27:16,030

the tree they glowed I think the term

568

00:27:20,080 --> 00:27:17,720

reflected us better

569

00:27:22,780 --> 00:27:20,090

they were reflective like the eyes of a

570

00:27:25,660 --> 00:27:22,790

cat or raccoon right when I looked into

571

00:27:29,230 --> 00:27:25,670

them the same dense and sense of dread

572

00:27:32,200 --> 00:27:29,240

and panic filled me I began to shake

573

00:27:35,580 --> 00:27:32,210

stop that she said with adult Authority

574

00:27:39,010 --> 00:27:35,590

you scared me I said who are you

575

00:27:41,980 --> 00:27:39,020

Constance she's answered she smiled at

576

00:27:44,440 --> 00:27:41,990

me but it was cold I'd never seen a

577

00:27:47,020 --> 00:27:44,450

child like this why are you in the woods

578

00:27:48,700 --> 00:27:47,030

I asked her I knew there were bears and

579

00:27:51,130 --> 00:27:48,710

I didn't want her to get hurt

580

00:27:53,230 --> 00:27:51,140

I live here she said as she turned away

581

00:27:55,780 --> 00:27:53,240

and skipped through the trees out of

582

00:27:58,180 --> 00:27:55,790

sight I was confused and scared so I ran

583

00:27:59,680 --> 00:27:58,190

back inside to tell my mother of course

584

00:28:01,720 --> 00:27:59,690

she didn't believe me and told me that I

585

00:28:03,880 --> 00:28:01,730

must have imagined it I think

586

00:28:06,400 --> 00:28:03,890

imagination as a crutch used by parents

587

00:28:08,740 --> 00:28:06,410

to explain things that scare them when

588

00:28:10,900 --> 00:28:08,750

it involves children I remember after I

589

00:28:13,150 --> 00:28:10,910

told my mother she went outside and her

590

00:28:15,400 --> 00:28:13,160

with her rosary and prayed in the yard

591

00:28:17,890 --> 00:28:15,410

for a bit so I know she must have been a

592

00:28:19,930 --> 00:28:17,900

little afraid that night as I was trying

593

00:28:22,930 --> 00:28:19,940

my best to sleep I heard a tap on my

594

00:28:23,940 --> 00:28:22,940

window it was around midnight and when I

595

00:28:26,070 --> 00:28:23,950

turned my lamp

596

00:28:28,560 --> 00:28:26,080

I saw the same girl from the woods

597

00:28:30,299 --> 00:28:28,570

outside of my window she was standing

598

00:28:33,480 --> 00:28:30,309

there like she was waiting for me to

599

00:28:36,570 --> 00:28:33,490

open it and let her in my room was on

600

00:28:38,399 --> 00:28:36,580

the second story of the house and there

601
00:28:40,940 --> 00:28:38,409
was nothing for her to stand on below my

602
00:28:44,460 --> 00:28:40,950
window what are you doing I asked her

603
00:28:50,129 --> 00:28:44,470
startled do you want to see my house she

604
00:28:53,009 --> 00:28:50,139
asks what the heck with that same cold

605
00:28:56,460 --> 00:28:53,019
smile in the light of my limp her eyes

606
00:28:58,680 --> 00:28:56,470
looked animal-like and hungry get out of

607
00:29:02,190 --> 00:28:58,690
here I said with as much authority that

608
00:29:05,759 --> 00:29:02,200
a scared eight-year-old could have I was

609
00:29:07,889 --> 00:29:05,769
very afraid now I began to cry tell me I

610
00:29:11,610 --> 00:29:07,899
can come in we can play with your toys

611
00:29:14,700 --> 00:29:11,620
or we can play at my house my family is

612
00:29:16,830 --> 00:29:14,710
very nice but we're very hungry she said

613
00:29:20,279 --> 00:29:16,840

as she leaned closer to the window I

614

00:29:22,710 --> 00:29:20,289

noticed her teeth now I'd somehow never

615

00:29:25,580 --> 00:29:22,720

noticed them while she spoke but they

616

00:29:29,399 --> 00:29:25,590

seemed to change when she said the word

617

00:29:32,100 --> 00:29:29,409

hungry they were sharp not like horror

618

00:29:36,500 --> 00:29:32,110

movie sharp but sharp enough to puncture

619

00:29:39,570 --> 00:29:36,510

what they bit into they were all sharp

620

00:29:42,389 --> 00:29:39,580

my eyes widened and I began to scream

621

00:29:45,060 --> 00:29:42,399

for my mother let me in let me in the

622

00:29:47,340 --> 00:29:45,070

girl screamed as she hit my window I was

623

00:29:50,070 --> 00:29:47,350

now screaming in terror as my bedroom

624

00:29:51,600 --> 00:29:50,080

door flew open my mother rushed in and

625

00:29:53,820 --> 00:29:51,610

turned on the light and there was

626

00:29:55,139 --> 00:29:53,830

nothing in the window I told her what

627

00:29:57,060 --> 00:29:55,149

happened she said I probably had a

628

00:30:00,149 --> 00:29:57,070

nightmare about the girl I thought I saw

629

00:30:02,460 --> 00:30:00,159

but right as she was saying that I saw

630

00:30:04,649 --> 00:30:02,470

what looked like constant looking up at

631

00:30:07,560 --> 00:30:04,659

me from the tree line

632

00:30:10,049 --> 00:30:07,570

I saw her reflective eyes then set saw

633

00:30:13,820 --> 00:30:10,059

two more eyes of those reflective eyes

634

00:30:16,080 --> 00:30:13,830

those were at the height of an adult

635

00:30:18,779 --> 00:30:16,090

while my mother was trying to calm me

636

00:30:20,879 --> 00:30:18,789

down she said that we were going to

637

00:30:23,580 --> 00:30:20,889

visit my aunt and cousins that next day

638

00:30:26,190 --> 00:30:23,590

what she didn't tell me was that she had

639

00:30:28,169 --> 00:30:26,200

lost the house and was actually bringing

640

00:30:30,659 --> 00:30:28,179

things from the house the next day as we

654
00:31:04,950 --> 00:31:03,039
were loading some bags into the trunk my

655
00:31:07,379 --> 00:31:04,960
mother told me that we were going to

656
00:31:09,840 --> 00:31:07,389
bring Marcy with us and that I should go

657
00:31:12,720 --> 00:31:09,850
get her I found her in the backyard

658
00:31:15,570 --> 00:31:12,730
snarling at the woods I called her and

659
00:31:17,940 --> 00:31:15,580
we ran to the car as we drove off I look

660
00:31:20,970 --> 00:31:17,950
back at her house and I swear I saw

661
00:31:23,850 --> 00:31:20,980
those eyes three pears staring at me

662
00:31:25,649 --> 00:31:23,860
through the trees well my mom finally

663
00:31:28,799 --> 00:31:25,659

explained that we weren't going back I

664

00:31:31,350 --> 00:31:28,809

was very happy my mother said I even

665

00:31:33,210 --> 00:31:31,360

looked relieved I will never forget

666

00:31:36,060 --> 00:31:33,220

those eyes I see them sometimes in my

667

00:31:38,430 --> 00:31:36,070

dreams I still wonder what would have

668

00:31:41,190 --> 00:31:38,440

happened if I had opened that window and

669

00:31:45,269 --> 00:31:41,200

I still shudder at the thought of being

670

00:31:48,779 --> 00:31:45,279

so close to her in my yard I think no I

671

00:31:51,810 --> 00:31:48,789

know that they were vampires

672

00:31:54,869 --> 00:31:51,820
