you could also go to Heidi Hollis calm

14

00:00:45,500 --> 00:00:41,879

for more information blasting off with

15

00:00:48,610 --> 00:00:45,510

some UFO reports hmm black triangle

16

00:00:52,900 --> 00:00:48,620

sighting in Hemel Hempstead England

17

00:00:56,689 --> 00:00:52,910

that's occurred January 17th 2018

18

00:00:59,900 --> 00:00:56,699

triangular vehicle with inverted lit

19

00:01:03,260 --> 00:00:59,910

dome with a very bright light in the

20

00:01:05,140 --> 00:01:03,270

center in more detail the witness states

21

00:01:08,660 --> 00:01:05,150

bright light is through bedroom curtain

22

00:01:11,510 --> 00:01:08,670

triangular vehicle spotted gliding in a

23

00:01:16,039 --> 00:01:11,520

straight line underneath the vehicle was

24

00:01:20,179 --> 00:01:16,049

an inverted lit dome virtually touching

25

00:01:23,359 --> 00:01:20,189

the three sides inverted dome had arched

26

00:01:26,539 --> 00:01:23,369

ribs from the bottom to top with the

27

00:01:29,780 --> 00:01:26,549

center pillar projecting a bright light

28

00:01:32,840 --> 00:01:29,790

had a perfect view until it disappeared

29

00:01:36,319 --> 00:01:32,850

over the buildings my first reaction was

30

00:01:40,069 --> 00:01:36,329

it was a strange plane out of Luton

31

00:01:44,480 --> 00:01:40,079

Airport then immediately realized it was

32

00:01:50,660 --> 00:01:44,490

not a normal aircraft I would say it

33

00:01:51,830 --> 00:01:50,670

wasn't getting a lot of domed triangle

34

00:01:53,420 --> 00:01:51,840

sightings lately

35

00:01:55,999 --> 00:01:53,430

you guys notice that must be the latest

36

00:01:59,270 --> 00:01:56,009

model for 2018 that's what I'm thinking

37

00:02:00,740 --> 00:01:59,280

yep youthful sighting over Peterborough

38

00:02:05,030 --> 00:02:00,750

England

39

00:02:08,749 --> 00:02:05,040

this occurred January 7 2018 bright

40

00:02:10,850 --> 00:02:08,759

lights expanding in more detail the

41

00:02:13,840 --> 00:02:10,860

witness states right I was standing in

42

00:02:16,790 --> 00:02:13,850

my back garden on the 7th of January

43

00:02:19,850 --> 00:02:16,800

20:18 having a cigarette looking at the

44

00:02:22,520 --> 00:02:19,860

stars out of the corner of my eye so

45

00:02:25,070 --> 00:02:22,530

what I at first thought was a plane as

46

00:02:28,640 --> 00:02:25,080

it was bright light with lots of

47

00:02:30,530 --> 00:02:28,650

different color under Neath it I got my

48

00:02:32,720 --> 00:02:30,540

iPhone out and tried to take a photo of

49

00:02:36,320 --> 00:02:32,730

it I got a picture that just looked like

50

00:02:39,740 --> 00:02:36,330

a star but not rounded it was more like

51  
00:02:42,320 --> 00:02:39,750  
a teardrop shaped face seeing sideways I

52  
00:02:45,490 --> 00:02:42,330  
told my wife and daughter they got out

53  
00:02:48,470 --> 00:02:45,500  
our camera which was a thirty times

54  
00:02:51,230 --> 00:02:48,480  
optical zoom the pictures we took were

55  
00:02:53,930 --> 00:02:51,240  
really strange it moved in strange

56  
00:02:57,200 --> 00:02:53,940  
directions and then one picture she took

57  
00:03:01,370 --> 00:02:57,210  
it moves so quick that she got a line of

58  
00:03:03,680 --> 00:03:01,380  
lights all different colors then she

59  
00:03:06,650 --> 00:03:03,690  
took more photos and she caught it as a

60  
00:03:08,660 --> 00:03:06,660  
light and then it disappeared although

61  
00:03:12,890 --> 00:03:08,670  
in the photo it appeared dark and color

62  
00:03:15,530 --> 00:03:12,900  
and very large we took lots of photos in

63  
00:03:16,130 --> 00:03:15,540

a video which is shifting around all

64

00:03:19,610 --> 00:03:16,140

over the place

65

00:03:24,140 --> 00:03:19,620

we came in as it was cold outside that

66

00:03:26,870 --> 00:03:24,150

was about 7:30 GMT we went back outside

67

00:03:30,260 --> 00:03:26,880

about two hours later and it had

68

00:03:32,180 --> 00:03:30,270

slightly moved to the south but still

69

00:03:34,430 --> 00:03:32,190

doing the same thing flashing lots of

70

00:03:37,190 --> 00:03:34,440

colors and then disappearing and coming

71

00:03:39,890 --> 00:03:37,200

back to a bright white light with lots

72

00:03:44,360 --> 00:03:39,900

of colored lights underneath it

73

00:03:47,630 --> 00:03:44,370

ooh sounds wild all right oh my goodness

74

00:03:51,530 --> 00:03:47,640

I don't know okay let me try this all

75

00:03:54,350 --> 00:03:51,540

right you know so exciting and estaban

76  
00:03:57,020 --> 00:03:54,360  
the SATs catch one saskatchewan i think

77  
00:03:59,510 --> 00:03:57,030  
so this occurred well this is a UFO

78  
00:04:03,290 --> 00:03:59,520  
blast from the past the Sakura July 18

79  
00:04:06,410 --> 00:04:03,300  
2011 faint orangish reddish metallic

80  
00:04:08,300 --> 00:04:06,420  
glowing disk with windows that appeared

81  
00:04:12,640 --> 00:04:08,310  
oh this sounds like something I saw

82  
00:04:16,729 --> 00:04:12,650  
before except I wasn't in Saskatchewan

83  
00:04:20,330 --> 00:04:16,739  
in more detail I was working in Estevan

84  
00:04:21,289 --> 00:04:20,340  
Saskatchewan at Shand Power Station on a

85  
00:04:27,020 --> 00:04:21,299  
shutdown

86  
00:04:29,150 --> 00:04:27,030  
trailers out in the field and

87  
00:04:32,180 --> 00:04:29,160  
time there was very little light by the

88  
00:04:34,580 --> 00:04:32,190

trailers I remember I was by myself as

89

00:04:36,409 --> 00:04:34,590

everyone was in the power plant I went

90

00:04:38,690 --> 00:04:36,419

in between two trailers four metres

91

00:04:42,400 --> 00:04:38,700

apart so I could see the stars better

92

00:04:46,100 --> 00:04:42,410

and just as I did that I noticed a huge

93

00:04:49,040 --> 00:04:46,110

glowing orange reddish looking metallic

94

00:04:51,470 --> 00:04:49,050

disc come floating over the smokestack

95

00:04:54,890 --> 00:04:51,480

from out of nowhere

96

00:04:57,800 --> 00:04:54,900

five hundred feet very slowly then

97

00:05:01,190 --> 00:04:57,810

hovered down near me and about two

98

00:05:04,880 --> 00:05:01,200

hundred feet up in the air the ship was

99

00:05:07,970 --> 00:05:04,890

huge I'd estimate it at five hundred

100

00:05:10,730 --> 00:05:07,980

feet in diameter it also appeared to

101  
00:05:12,500 --> 00:05:10,740  
have windows that became see-through for

102  
00:05:15,740 --> 00:05:12,510  
a few minutes and I could see a reddish

103  
00:05:18,380 --> 00:05:15,750  
light glow in the ship and the beings

104  
00:05:20,600 --> 00:05:18,390  
controlling the ship I could not see

105  
00:05:24,350 --> 00:05:20,610  
well just faint shadows and what

106  
00:05:27,560 --> 00:05:24,360  
appeared to be humanoid the ship had a

107  
00:05:30,170 --> 00:05:27,570  
very quiet hum it was almost silent I

108  
00:05:33,080 --> 00:05:30,180  
don't do drugs I was not drinking or

109  
00:05:35,570 --> 00:05:33,090  
anything and I don't hallucinate I get a

110  
00:05:39,200 --> 00:05:35,580  
kick out of it I knew what I was seeing

111  
00:05:42,469 --> 00:05:39,210  
was real I almost felt like my family

112  
00:05:45,290 --> 00:05:42,479  
returned to visit me kind of feeling oh

113  
00:05:47,450 --> 00:05:45,300

that's interesting I remember asking it

114

00:05:51,140 --> 00:05:47,460

in my mind to fly in a circle over the

115

00:05:53,570 --> 00:05:51,150

trailers and then go up and down and it

116

00:05:56,029 --> 00:05:53,580

did what I asked to acknowledge it knew

117

00:05:59,060 --> 00:05:56,039

where I was and was conscious of me

118

00:05:59,570 --> 00:05:59,070

I remember thinking thank you for doing

119

00:06:01,760 --> 00:05:59,580

that

120

00:06:04,940 --> 00:06:01,770

and then it took off in the field slowly

121

00:06:07,310 --> 00:06:04,950

and then gain speed and shot upwards on

122

00:06:11,029 --> 00:06:07,320

the horizon and then a bright white

123

00:06:13,370 --> 00:06:11,039

flash in the sky and it was gone I've

124

00:06:16,130 --> 00:06:13,380

had many UFO interactions and encounters

125

00:06:18,650 --> 00:06:16,140

all over South quechua and Alberta but

126  
00:06:21,770 --> 00:06:18,660  
this one was the most personal encounter

127  
00:06:23,930 --> 00:06:21,780  
I've had so far I've included a painting

128  
00:06:26,510 --> 00:06:23,940  
someone made for me randomly after I

129  
00:06:28,610 --> 00:06:26,520  
told them my story it's the power plant

130  
00:06:33,110 --> 00:06:28,620  
in the UFO although the UFO was a lot

131  
00:06:35,180 --> 00:06:33,120  
larger than what is in the painting and

132  
00:06:37,010 --> 00:06:35,190  
I jump over here to look at the photo

133  
00:06:41,570 --> 00:06:37,020  
and there is no

134  
00:06:42,680 --> 00:06:41,580  
attached darn it all why do you think

135  
00:06:44,839 --> 00:06:42,690  
those get filtered out because

136  
00:06:46,520 --> 00:06:44,849  
oftentimes I read these reports and I'm

137  
00:06:49,309 --> 00:06:46,530  
like and I'm attaching and I'm putting

138  
00:06:51,499 --> 00:06:49,319

and it's not there who's messing up

139

00:06:53,540 --> 00:06:51,509

where these get reported that move fun

140

00:06:56,450 --> 00:06:53,550

hmm keeping them for yourself what is it

141

00:06:59,260 --> 00:06:56,460

what what is it we shall never know

142

00:07:01,670 --> 00:06:59,270

shall we

143

00:07:03,710 --> 00:07:01,680

Wow but that does sound like something

144

00:07:05,570 --> 00:07:03,720

I'd seen and yes interesting how people

145

00:07:09,200 --> 00:07:05,580

are having these very personal

146

00:07:12,890 --> 00:07:09,210

experiences with these UFOs they react

147

00:07:16,399 --> 00:07:12,900

they pay attention they listen as if

148

00:07:19,279 --> 00:07:16,409

there is a connection like maybe we are

149

00:07:22,189 --> 00:07:19,289

from the stars maybe they are relatives

150

00:07:24,290 --> 00:07:22,199

I know I've had three interactions

151  
00:07:33,409 --> 00:07:24,300  
myself where they responded and let me

152  
00:07:35,180 --> 00:07:33,419  
tell you dramatic quite dramatic UFO

153  
00:07:38,600 --> 00:07:35,190  
sighting in Fayetteville Arkansas

154  
00:07:41,390 --> 00:07:38,610  
this occurred January 24th 2018 very

155  
00:07:45,469 --> 00:07:41,400  
bright light stationary for 20 minutes

156  
00:07:46,850 --> 00:07:45,479  
on January 24th at 11:00 a.m. I was at

157  
00:07:49,670 --> 00:07:46,860  
work and decided to take a smoke break

158  
00:07:51,580 --> 00:07:49,680  
with a co-worker these smokers I tell

159  
00:07:54,439 --> 00:07:51,590  
you they all get all the fun don't they

160  
00:07:57,499 --> 00:07:54,449  
I'm just kidding don't smoke kids

161  
00:07:59,809 --> 00:07:57,509  
terrible it was a beautiful clear day I

162  
00:08:03,290 --> 00:07:59,819  
was facing north and a glint in the sky

163  
00:08:05,749 --> 00:08:03,300

caught my eye a very bright object due

164

00:08:08,510 --> 00:08:05,759

east at about 50 to 60 degrees up from

165

00:08:11,959 --> 00:08:08,520

the horizon we watched it for a moment

166

00:08:14,029 --> 00:08:11,969

and it did not seem to move I asked my

167

00:08:14,689 --> 00:08:14,039

coworker of what he thought it was

168

00:08:18,110 --> 00:08:14,699

moving

169

00:08:21,019 --> 00:08:18,120

he said no I'm guessing it around 20,000

170

00:08:22,760 --> 00:08:21,029

feet elevation no vapor trail was

171

00:08:25,279 --> 00:08:22,770

visible I don't edit this stuff I know

172

00:08:26,930 --> 00:08:25,289

there's words missing the object was so

173

00:08:29,059 --> 00:08:26,940

bright that it could not make out any

174

00:08:31,219 --> 00:08:29,069

kind of structure to it it looked as

175

00:08:33,529 --> 00:08:31,229

though it was reflecting sunlight and at

176  
00:08:36,050 --> 00:08:33,539  
times appeared to have a halo around it

177  
00:08:38,870 --> 00:08:36,060  
like how the moon does in the right

178  
00:08:41,089 --> 00:08:38,880  
conditions at night it was brightest

179  
00:08:44,180 --> 00:08:41,099  
when I first noticed it at around 1102

180  
00:08:47,090 --> 00:08:44,190  
and and was a little dimmer at the end

181  
00:08:49,069 --> 00:08:47,100  
of the sighting but not much five of us

182  
00:08:50,120 --> 00:08:49,079  
watched this thing for a solid 20

183  
00:08:52,579 --> 00:08:50,130  
minutes

184  
00:08:54,680 --> 00:08:52,589  
the object never moved the entire time

185  
00:08:56,780 --> 00:08:54,690  
three of us took pictures with our

186  
00:08:59,600 --> 00:08:56,790  
smartphones I took pictures and video

187  
00:09:02,210 --> 00:08:59,610  
and they do no justice they do not

188  
00:09:05,180 --> 00:09:02,220

portray just how bright it was and

189

00:09:07,460 --> 00:09:05,190

posting a 31 second video I'm not

190

00:09:10,999 --> 00:09:07,470

falling for this again I'm not gonna

191

00:09:13,370 --> 00:09:11,009

track lucky of the object shot at 11:19

192

00:09:15,499 --> 00:09:13,380

a.m. I am also including a picture of

193

00:09:19,220 --> 00:09:15,509

the moon for comparison that was shot at

194

00:09:21,740 --> 00:09:19,230

207 p.m. that rose to same general

195

00:09:26,840 --> 00:09:21,750

location as object sighted two and a

196

00:09:28,370 --> 00:09:26,850

half hours later at 11:11 20 a.m. we had

197

00:09:33,230 --> 00:09:28,380

to go back to work and the object was

198

00:09:34,579 --> 00:09:33,240

still there at 11:25 it was gone the

199

00:09:36,620 --> 00:09:34,589

next day I watched the sky at the same

200

00:09:39,559 --> 00:09:36,630

time I noticed it the day before but it

201  
00:09:41,930 --> 00:09:39,569  
did not return I do have a few other

202  
00:09:44,689 --> 00:09:41,940  
photos and videos from that day but I'm

203  
00:09:48,740 --> 00:09:44,699  
posting the best of what I captured we

204  
00:09:51,710 --> 00:09:48,750  
all want to know what it was me too me

205  
00:09:53,540 --> 00:09:51,720  
too hope your videos there so my

206  
00:09:56,720 --> 00:09:53,550  
fantastic listeners can go check it out

207  
00:09:59,720 --> 00:09:56,730  
alright moving on to the next one UFO

208  
00:10:05,179 --> 00:09:59,730  
sighting in Roberts Idaho this occurred

209  
00:10:09,949 --> 00:10:05,189  
January 1st 2018 red beam chasing black

210  
00:10:14,120 --> 00:10:09,959  
UFO Wow also metallic hovering balls in

211  
00:10:16,040 --> 00:10:14,130  
a huge glowing star like object I was

212  
00:10:19,160 --> 00:10:16,050  
taking pics of some strange lines in the

213  
00:10:20,210 --> 00:10:19,170

sky but got these metallic balls and

214

00:10:22,879 --> 00:10:20,220

quite a few photos

215

00:10:25,340 --> 00:10:22,889

another night my son and I witness a

216

00:10:29,120 --> 00:10:25,350

huge star like object above the road in

217

00:10:31,790 --> 00:10:29,130

front of us I saw a strange red beam in

218

00:10:35,929 --> 00:10:31,800

the sky and it appeared to be chasing a

219

00:10:39,559 --> 00:10:35,939

black UFO these were all around December

220

00:10:40,910 --> 00:10:39,569

2017 and January 2018 well that is just

221

00:10:44,870 --> 00:10:40,920

cuckoo-bananas

222

00:10:48,290 --> 00:10:44,880

that's wild black laser beams up we've

223

00:10:50,929 --> 00:10:48,300

heard it all now moving on beautiful

224

00:10:55,069 --> 00:10:50,939

sighting in Lopes Pennsylvania

225

00:10:58,460 --> 00:10:55,079

this occurred January 28th 2018 as shown

226  
00:11:03,259 --> 00:10:58,470  
in pic and video sound is from waterfowl

227  
00:11:04,249 --> 00:11:03,269  
we were visiting in more detail we too

228  
00:11:08,359 --> 00:11:04,259  
were hiking

229  
00:11:10,819 --> 00:11:08,369  
the State game land along Mahoney Creek

230  
00:11:12,409 --> 00:11:10,829  
at mythical Falls when we observed this

231  
00:11:15,369 --> 00:11:12,419  
it sounds like something out of sci-fi

232  
00:11:18,289 --> 00:11:15,379  
already we when we observed this

233  
00:11:21,529 --> 00:11:18,299  
rocket-like object higher in the sky

234  
00:11:23,419 --> 00:11:21,539  
than most planes you would see moving

235  
00:11:27,079 --> 00:11:23,429  
very quickly across the sky first

236  
00:11:31,279 --> 00:11:27,089  
looking like a launched rocket hovering

237  
00:11:33,559 --> 00:11:31,289  
upward the in a fashion similar to how a

238  
00:11:37,789 --> 00:11:33,569

satellite moves across the sky and what

239

00:11:39,499 --> 00:11:37,799

seemed to be an orbital fashion it was

240

00:11:42,289 --> 00:11:39,509

very clear out and you could see the

241

00:11:45,289 --> 00:11:42,299

body of the object but no wings just a

242

00:11:48,499 --> 00:11:45,299

long dual vapor trail just curious what

243

00:11:51,049 --> 00:11:48,509

you think this might be could not hear

244

00:11:56,479 --> 00:11:51,059

it due to the roar of the waterfall we

245

00:11:58,039 --> 00:11:56,489

wrote alongside of us ok ladies and

246

00:12:00,019 --> 00:11:58,049

gentlemen I looked at that one and it

247

00:12:02,629 --> 00:12:00,029

looks like a bullet putting out

248

00:12:04,609 --> 00:12:02,639

chemtrails honestly it's kind of weird a

249

00:12:09,919 --> 00:12:04,619

little weird looking mm-hmm

250

00:12:13,059 --> 00:12:09,929

alright so that one's there the next UFO

251  
00:12:16,999 --> 00:12:13,069  
sighting this occurred in Eugene Oregon

252  
00:12:20,210 --> 00:12:17,009  
Asakura January 28th 2018 wife and I

253  
00:12:22,939 --> 00:12:20,220  
watched two lights in the trees one shot

254  
00:12:25,699 --> 00:12:22,949  
in the air the other just still sat

255  
00:12:28,579 --> 00:12:25,709  
there until a plane flashed its lights

256  
00:12:33,829 --> 00:12:28,589  
at it and then it dimmed its lights and

257  
00:12:36,619 --> 00:12:33,839  
shot straight up it's kind of funny my

258  
00:12:39,979 --> 00:12:36,629  
wife and I were just sitting off of

259  
00:12:42,679 --> 00:12:39,989  
South and Beau and Pacific and Atlantic

260  
00:12:45,349 --> 00:12:42,689  
Road Wow okay looking south west past

261  
00:12:48,439 --> 00:12:45,359  
West 11th noticed two lights in the

262  
00:12:50,449 --> 00:12:48,449  
trees sitting there not moving one of

263  
00:12:53,449 --> 00:12:50,459

the lights shot straight up the other

264

00:12:57,710 --> 00:12:53,459

light just sat there a passenger plane

265

00:13:02,059 --> 00:12:57,720

came flying overhead dipped its snows

266

00:13:04,099 --> 00:13:02,069

forward dipped its nose at it flash its

267

00:13:09,739 --> 00:13:04,109

lights oh my goodness ain't get even

268

00:13:12,049 --> 00:13:09,749

pronounce what they put there they

269

00:13:14,119 --> 00:13:12,059

didn't put its they put a tee in front

270

00:13:17,180 --> 00:13:14,129

of that that's oh my goodness and this

271

00:13:23,420 --> 00:13:17,190

is one giant sentence people people come

272

00:13:25,460 --> 00:13:23,430

edit this come on lights pulled back up

273

00:13:28,189 --> 00:13:25,470

the object that dimmed its lights and

274

00:13:30,680 --> 00:13:28,199

shot straight up an hour later a

275

00:13:32,900 --> 00:13:30,690

blackhawk helicopter shows up no lights

276

00:13:34,519 --> 00:13:32,910

on it from the southeast sitting there

277

00:13:38,150 --> 00:13:34,529

in the same area where the two lights

278

00:13:40,579 --> 00:13:38,160

were them out about a minute later he

279

00:13:42,170 --> 00:13:40,589

turns on his spotlight there's nothing

280

00:13:45,139 --> 00:13:42,180

there the object had already left he

281

00:13:47,509 --> 00:13:45,149

flies over our head then you know as

282

00:13:49,340 --> 00:13:47,519

much as we do I have some pictures but

283

00:13:59,210 --> 00:13:49,350

they're not very good okay great I'm not

284

00:14:01,879 --> 00:13:59,220

looking but that's interesting UFO shows

285

00:14:05,119 --> 00:14:01,889

up couple of them Black Hawk helicopter

286

00:14:08,269 --> 00:14:05,129

comes in a bit on The Late Show trying

287

00:14:11,420 --> 00:14:08,279

to find him hmm the next UFO sighting

288

00:14:15,410 --> 00:14:11,430

has happened in Lafayette Louisiana UFO

289

00:14:19,129 --> 00:14:15,420

blastin from the past February 28 2007

290

00:14:23,300 --> 00:14:19,139

dull gray object roughly size and shape

291

00:14:25,069 --> 00:14:23,310

as a 55-gallon barrel was driving back

292

00:14:27,259 --> 00:14:25,079

to my home about five miles outside the

293

00:14:31,400 --> 00:14:27,269

city limits of Lafayette Louisiana on

294

00:14:33,920 --> 00:14:31,410

highway 342 Ridge Road about 1/8 mile

295

00:14:35,720 --> 00:14:33,930

from the center and from the entrance of

296

00:14:38,269 --> 00:14:35,730

the subdivision I lived in at the time I

297

00:14:41,960 --> 00:14:38,279

observed a cylinder shaped object the

298

00:14:43,730 --> 00:14:41,970

size and shape of a 55-gallon drum to

299

00:14:46,939 --> 00:14:43,740

the south of the road about 200 feet

300

00:14:49,819 --> 00:14:46,949

from the road at a height of about 35 to

301  
00:14:51,319 --> 00:14:49,829  
45 feet in the stationary hover over a

302  
00:14:54,259 --> 00:14:51,329  
rice field with no visible sign of

303  
00:14:55,220 --> 00:14:54,269  
propulsion from a jet engine or odors

304  
00:14:59,300 --> 00:14:55,230  
and no sound

305  
00:15:02,059 --> 00:14:59,310  
finally a period okay I am progressive

306  
00:15:04,910 --> 00:15:02,069  
presents get bugs inspiration to help

307  
00:15:06,470 --> 00:15:04,920  
you do insurance stuff hey are you just

308  
00:15:07,790 --> 00:15:06,480  
gonna stand there and let people not

309  
00:15:10,009 --> 00:15:07,800  
give you credit for being a good driver

310  
00:15:11,269 --> 00:15:10,019  
you deserve discounts on car insurance

311  
00:15:13,160 --> 00:15:11,279  
and that's what snapshot from

312  
00:15:23,049 --> 00:15:13,170  
progressive is for so why aren't you

313  
00:15:25,990 --> 00:15:24,679

progressive class that the insurance

314

00:15:29,140 --> 00:15:26,000

company and affiliates snap

315

00:15:31,300 --> 00:15:29,150

in California of all agents and EMP

316

00:15:33,070 --> 00:15:31,310

technician with over 20 years of

317

00:15:35,710 --> 00:15:33,080

experience in the helicopter industry

318

00:15:38,260 --> 00:15:35,720

okay my first reaction was to look above

319

00:15:40,540 --> 00:15:38,270

the object thinking it was a piece of

320

00:15:42,790 --> 00:15:40,550

equipment that was being a long line

321

00:15:46,120 --> 00:15:42,800

from a helicopter since some of the long

322

00:15:48,040 --> 00:15:46,130

lines can be as long as 200 feet I have

323

00:15:49,660 --> 00:15:48,050

been on these type of contracts in the

324

00:15:52,270 --> 00:15:49,670

past in my career as a helicopter

325

00:15:55,510 --> 00:15:52,280

mechanic but this object was not being

326

00:16:00,040 --> 00:15:55,520

long lined I cannot explain what this

327

00:16:02,380 --> 00:16:00,050

object was mmm okay moving on the next

328

00:16:05,140 --> 00:16:02,390

year for citing UFO sighting and

329

00:16:10,600 --> 00:16:05,150

Sacramento California this occurred

330

00:16:13,120 --> 00:16:10,610

January 28th 2018 boomerang-shaped in

331

00:16:16,600 --> 00:16:13,130

more detail I was outside my home

332

00:16:20,620 --> 00:16:16,610

filming the moon with my Canon Rebel t5

333

00:16:25,390 --> 00:16:20,630

with a 650 to 2600 millimeter HD

334

00:16:27,700 --> 00:16:25,400

telephoto zoom lens for canon eos around

335

00:16:29,560 --> 00:16:27,710

7:30 p.m. I was trying to focus on the

336

00:16:31,840 --> 00:16:29,570

moon and notice something black shot

337

00:16:34,329 --> 00:16:31,850

over the bottom right corner of the shot

338

00:16:37,630 --> 00:16:34,339

at first I thought it was a bird but

339

00:16:40,329 --> 00:16:37,640

realize if it was the bird would have

340

00:16:42,910 --> 00:16:40,339

shown up bigger in the telescope the

341

00:16:44,829 --> 00:16:42,920

object was black and it looked like it

342

00:16:47,890 --> 00:16:44,839

was just spinning almost like a

343

00:16:49,600 --> 00:16:47,900

boomerang I was very excited I've been

344

00:16:53,130 --> 00:16:49,610

looking at the moon for months and had

345

00:16:59,940 --> 00:16:53,140

never captured an image like this

346

00:17:02,980 --> 00:16:59,950

wha-wha-wha okay all right the next

347

00:17:06,579 --> 00:17:02,990

you're for siding you're for landing in

348

00:17:09,939 --> 00:17:06,589

Cabo Frio Rio de Janeiro has occurred

349

00:17:14,500 --> 00:17:09,949

January 10th 2015 like a landing light

350

00:17:16,660 --> 00:17:14,510

of airplane but never arrived well I'm

351

00:17:20,290 --> 00:17:16,670

an aero model list and I was practicing

352

00:17:22,510 --> 00:17:20,300

on the beach towards the sea that's when

353

00:17:24,670 --> 00:17:22,520

I saw two lights that look like the

354

00:17:27,670 --> 00:17:24,680

landing lights for landing an airplane

355

00:17:30,160 --> 00:17:27,680

these lights approached a certain port

356

00:17:32,440 --> 00:17:30,170

and as we were near an airport we

357

00:17:35,860 --> 00:17:32,450

lowered our model airplanes as a measure

358

00:17:37,870 --> 00:17:35,870

of security that we always adopted it

359

00:17:39,460 --> 00:17:37,880

turns out that after some time in

360

00:17:43,090 --> 00:17:39,470

proximity the light

361

00:17:46,360 --> 00:17:43,100

it's returned and returned uniting in

362

00:17:49,750 --> 00:17:46,370

only one light then soon disappeared as

363

00:17:52,149 --> 00:17:49,760

if they had returned at high speed to a

364

00:17:54,640 --> 00:17:52,159

place a little below where they came I

365

00:17:58,299 --> 00:17:54,650

wish someone could draw a picture what I

366

00:18:00,610 --> 00:17:58,309

have in mind we realized that it was not

367

00:18:05,289 --> 00:18:00,620

an aircraft known because it never

368

00:18:06,029 --> 00:18:05,299

arrived or passed through us now that's

369

00:18:08,620 --> 00:18:06,039

pretty wild

370

00:18:10,779 --> 00:18:08,630

well guess what we're gonna hit on a

371

00:18:16,330 --> 00:18:10,789

paranormal point of a story how about

372

00:18:19,330 --> 00:18:16,340

that because we can this paranormal

373

00:18:20,950 --> 00:18:19,340

story is called my dark imaginary

374

00:18:23,520 --> 00:18:20,960

friends mmm

375

00:18:26,950 --> 00:18:23,530

this person is sharing their personal

376

00:18:28,779 --> 00:18:26,960

story that's a bit of background I am 20

377

00:18:31,899 --> 00:18:28,789

now but this story took place from the

378

00:18:35,230 --> 00:18:31,909

time I moved into my great-grandparents

379

00:18:38,260 --> 00:18:35,240

house at the age of five - just a few

380

00:18:40,510 --> 00:18:38,270

years ago as I have since moved out my

381

00:18:42,940 --> 00:18:40,520

mother my twin sister and I lived in a

382

00:18:46,450 --> 00:18:42,950

simple single-story house built in the

383

00:18:49,060 --> 00:18:46,460

late 1800s and boy doesn't have a

384

00:18:52,960 --> 00:18:49,070

history at least when hanging in the

385

00:18:56,140 --> 00:18:52,970

backyard shooting in the front a suicide

386

00:18:59,289 --> 00:18:56,150

in the basement and two infants that

387

00:19:01,630 --> 00:18:59,299

suffered SIDS sudden infant death

388

00:19:04,419 --> 00:19:01,640

syndrome or by other means

389

00:19:06,010 --> 00:19:04,429

yikes who wants to live there so saying

390

00:19:09,880 --> 00:19:06,020

the place has a rather colorful

391

00:19:13,029 --> 00:19:09,890

background is putting it delicately now

392

00:19:15,850 --> 00:19:13,039

onto my decade-long story

393

00:19:18,250 --> 00:19:15,860

the earliest account for of Charlie

394

00:19:22,180 --> 00:19:18,260

according to my mother was the same week

395

00:19:25,450 --> 00:19:22,190

we'd moved in he or it may be more

396

00:19:29,409 --> 00:19:25,460

suiting had many names ranging from

397

00:19:35,529 --> 00:19:29,419

mundane like Fred to just bizarre such

398

00:19:38,110 --> 00:19:35,539

as ZD or che che but Charlie was the

399

00:19:40,240 --> 00:19:38,120

most consistent so that's what I'll be

400

00:19:42,700 --> 00:19:40,250

sticking with why do I feel like this is

401  
00:19:46,419 --> 00:19:42,710  
going to be a hat man story I just I

402  
00:19:49,990 --> 00:19:46,429  
just feel it okay reading on she says

403  
00:19:52,590 --> 00:19:50,000  
that I had asked her why that man in the

404  
00:19:57,480 --> 00:19:52,600  
corner wasn't helping on

405  
00:20:01,410 --> 00:19:57,490  
HAC if my sister and I had to I was a

406  
00:20:03,540 --> 00:20:01,420  
real brat back then sass aside if my kid

407  
00:20:07,350 --> 00:20:03,550  
ever said something like that to me I'd

408  
00:20:10,220 --> 00:20:07,360  
have started repacking on the spot but

409  
00:20:12,540 --> 00:20:10,230  
true to her unbelieving atheistic heart

410  
00:20:16,080 --> 00:20:12,550  
she thought nothing more of it than just

411  
00:20:18,330 --> 00:20:16,090  
the ramblings of a lazy child but I am

412  
00:20:22,290 --> 00:20:18,340  
certain that was Charlie because that's

413  
00:20:24,750 --> 00:20:22,300

where he lived day or night I simply had

414

00:20:28,920 --> 00:20:24,760

to make around in the house and I'd

415

00:20:31,820 --> 00:20:28,930

eventually find the tall dark masculine

416

00:20:35,220 --> 00:20:31,830

figure lurking in the nooks and corners

417

00:20:37,860 --> 00:20:35,230

only occasionally would he ever venture

418

00:20:40,080 --> 00:20:37,870

away from those havens when we had

419

00:20:42,230 --> 00:20:40,090

guests he would almost always make

420

00:20:44,910 --> 00:20:42,240

himself scarce or hide in the basement

421

00:20:47,970 --> 00:20:44,920

this would tickle my funny bone to some

422

00:20:51,570 --> 00:20:47,980

reason but even as a child I was an

423

00:20:54,030 --> 00:20:51,580

introvert so I sympathized I didn't like

424

00:20:55,830 --> 00:20:54,040

people because they were dumb he didn't

425

00:20:59,970 --> 00:20:55,840

because they didn't believe in him which

426

00:21:02,820 --> 00:20:59,980

made him sick what that or he would

427

00:21:06,440 --> 00:21:02,830

watch me as I slept this is weird to do

428

00:21:09,750 --> 00:21:06,450

whether you're a parent or paramour huh

429

00:21:12,750 --> 00:21:09,760

paramour sparkly Stark or vampire or an

430

00:21:15,750 --> 00:21:12,760

imaginary friend but numerous times even

431

00:21:19,170 --> 00:21:15,760

well into my teens I'd wake up and just

432

00:21:21,330 --> 00:21:19,180

knew he was standing over me he'd even

433

00:21:24,180 --> 00:21:21,340

jolt me from a dead sleep every once in

434

00:21:27,480 --> 00:21:24,190

a while a breath upon my neck or what

435

00:21:30,180 --> 00:21:27,490

could almost be described as a cold hand

436

00:21:34,500 --> 00:21:30,190

on my back and every time this happened

437

00:21:36,480 --> 00:21:34,510

it would always would always be gravely

438

00:21:40,500 --> 00:21:36,490

quiet in my room even though I'm certain

439

00:21:43,680 --> 00:21:40,510

I had turned on my intentionally noisy

440

00:21:45,750 --> 00:21:43,690

fan just as I always did before bed in

441

00:21:47,760 --> 00:21:45,760

the morning after yet another near

442

00:21:52,470 --> 00:21:47,770

sleepless night I would wake up to find

443

00:21:55,740 --> 00:21:52,480

the fan on and the figure out of sigit

444

00:21:59,490 --> 00:21:55,750

whatever that is and out of mind maybe

445

00:22:02,190 --> 00:21:59,500

this is where my insomnia stems from to

446

00:22:06,240 --> 00:22:02,200

top it off he was not at all kind with

447

00:22:06,540 --> 00:22:06,250

my other figment idli mates the richly

448

00:22:08,700 --> 00:22:06,550

dry

449

00:22:12,270 --> 00:22:08,710

little girl that would hide my sisters

450

00:22:15,840 --> 00:22:12,280

and my own toys was terrified of him the

451  
00:22:18,540 --> 00:22:15,850  
blue Eskimo lady would only ever slipped

452  
00:22:21,750 --> 00:22:18,550  
out from under my bed on the nights he

453  
00:22:23,970 --> 00:22:21,760  
wasn't stalking about and my sister's

454  
00:22:25,440 --> 00:22:23,980  
own little buddy who was apparently

455  
00:22:28,650 --> 00:22:25,450  
rather forward-thinking

456  
00:22:29,640 --> 00:22:28,660  
a gender what the heck just make it up

457  
00:22:31,920 --> 00:22:29,650  
words on this one

458  
00:22:34,580 --> 00:22:31,930  
said he'd eat their cookies hair and

459  
00:22:38,700 --> 00:22:34,590  
fingers which I presume is a faux pas

460  
00:22:41,520 --> 00:22:38,710  
amongst fantasy societal known norms but

461  
00:22:44,760 --> 00:22:41,530  
I learned a lot from Charlie or more

462  
00:22:47,220 --> 00:22:44,770  
accurately thanks to him such things as

463  
00:22:50,430 --> 00:22:47,230

salt ingested and encircling your bed

464

00:22:53,580 --> 00:22:50,440

can be the deciding factor of a night of

465

00:22:57,060 --> 00:22:53,590

restful sleep or one of sweaty palms and

466

00:22:59,540 --> 00:22:57,070

wide eyes my diet and my bedroom still

467

00:23:02,310 --> 00:22:59,550

to this day are quite rich and sodium

468

00:23:04,740 --> 00:23:02,320

things like calling for my mommy doesn't

469

00:23:07,950 --> 00:23:04,750

always help especially when mommy can't

470

00:23:10,500 --> 00:23:07,960

see what's gotten you so upset things

471

00:23:13,200 --> 00:23:10,510

like how to note the telltale signs of a

472

00:23:15,990 --> 00:23:13,210

visitation from a lingering cold in the

473

00:23:19,050 --> 00:23:16,000

air and misplaced item to mystery

474

00:23:22,260 --> 00:23:19,060

bruises and hoof prints in the carpeting

475

00:23:24,330 --> 00:23:22,270

well I have rambled on long enough

476

00:23:26,880 --> 00:23:24,340

I just wanted to tell others about my

477

00:23:29,670 --> 00:23:26,890

strange childhood pal that still comes

478

00:23:31,890 --> 00:23:29,680

to visit me every once in a while thanks

479

00:23:33,660 --> 00:23:31,900

for listening that sounds like the Hat

480

00:23:36,690 --> 00:23:33,670

man he doesn't always wear a hat I'm

481

00:23:39,240 --> 00:23:36,700

just saying and yeah it's not an

482

00:23:40,890 --> 00:23:39,250

imaginary friend he sucks if you guys

483

00:23:43,470 --> 00:23:40,900

want to learn more about the Hat man I

484

00:23:46,530 --> 00:23:43,480

named the phenomena go to Heidi Hollis

485

00:23:49,530 --> 00:23:46,540

calm hidi okay you guys know this but

486

00:23:53,250 --> 00:23:49,540

never mind all right moving on we have

487

00:23:56,370 --> 00:23:53,260

another paranormal point of a story this

488

00:23:58,140 --> 00:23:56,380

one is called Jack Frost it is snowing

489

00:24:02,040 --> 00:23:58,150

like heck out here in Chicago just so

490

00:24:04,920 --> 00:24:02,050

you know this person is sharing their

491

00:24:08,460 --> 00:24:04,930

story and they say I used to live in a

492

00:24:10,850 --> 00:24:08,470

house from the 1800s you hear that plane

493

00:24:14,300 --> 00:24:10,860

flying really low underneath the storm

494

00:24:17,040 --> 00:24:14,310

yeah I think you guys could hear that

495

00:24:19,990 --> 00:24:17,050

good I used to live in a house from the

496

00:24:23,650 --> 00:24:20,000

1800s and that was always paranormal II

497

00:24:26,920 --> 00:24:23,660

active I've seen very scary stuff in

498

00:24:31,270 --> 00:24:26,930

that house such as the time my imaginary

499

00:24:34,480 --> 00:24:31,280

friend wasn't so imaginary my goodness

500

00:24:36,700 --> 00:24:34,490

but that's a story for another time so

501

00:24:38,590 --> 00:24:36,710

this story happens from my mother's

502

00:24:42,190 --> 00:24:38,600

point of view when I was a baby from

503

00:24:44,740 --> 00:24:42,200

what she tells me she's seen a clown in

504

00:24:48,040 --> 00:24:44,750

my room oh my goodness I hate clowns

505

00:24:49,750 --> 00:24:48,050

I seen something too once I was a few

506

00:24:52,720 --> 00:24:49,760

weeks old my father was working night

507

00:24:55,000 --> 00:24:52,730

shift and it was just my mom and I the

508

00:24:57,010 --> 00:24:55,010

layout of the hallway which this

509

00:24:59,530 --> 00:24:57,020

happened in is as follows

510

00:25:01,960 --> 00:24:59,540

I had no door on my room and the hallway

511

00:25:04,360 --> 00:25:01,970

ended with my room straight ahead so you

512

00:25:07,000 --> 00:25:04,370

could see inside of it if you were

513

00:25:09,250 --> 00:25:07,010

walking straight down the hall and the

514

00:25:11,710 --> 00:25:09,260

other room which was the bathroom was to

515

00:25:14,020 --> 00:25:11,720

the right it was a very narrow hallway

516

00:25:17,320 --> 00:25:14,030

my mom apparently heard me laughing and

517

00:25:19,630 --> 00:25:17,330

walked through the hall what she seen

518

00:25:20,590 --> 00:25:19,640

was the same thing I seen as I grew up

519

00:25:23,550 --> 00:25:20,600

in that house

520

00:25:27,340 --> 00:25:23,560

a tall blue figure wearing all white

521

00:25:30,970 --> 00:25:27,350

with spiked blue hair was standing over

522

00:25:33,640 --> 00:25:30,980

my crib waving at me upon my mother

523

00:25:37,210 --> 00:25:33,650

scream he disappeared leaving behind

524

00:25:40,000 --> 00:25:37,220

this clear mist and cold air well that's

525

00:25:41,830 --> 00:25:40,010

just freaky fast forward six years my

526

00:25:44,530 --> 00:25:41,840

parents bedroom was straight a heaven

527

00:25:46,090 --> 00:25:44,540

for mine meaning you had to walk through

528

00:25:49,720 --> 00:25:46,100

their bedroom to get to the hallway

529

00:25:51,550 --> 00:25:49,730

where my room and the bathroom is I was

530

00:25:54,940 --> 00:25:51,560

in the room watching TV and seen a

531

00:25:55,480 --> 00:25:54,950

shadow on the wall coming from the

532

00:25:58,180 --> 00:25:55,490

bathroom

533

00:26:02,110 --> 00:25:58,190

I seen the spiked hair that the shadow

534

00:26:03,790 --> 00:26:02,120

and I knew it was him the toilet flush

535

00:26:06,100 --> 00:26:03,800

and the sink turned on

536

00:26:08,590 --> 00:26:06,110

when I went to see if my suspicions were

537

00:26:12,310 --> 00:26:08,600

confirmed the only thing left was a

538

00:26:15,760 --> 00:26:12,320

running sink cold air and a very thin

539

00:26:18,850 --> 00:26:15,770

mist I took the liberty of calling him

540

00:26:21,430 --> 00:26:18,860

Jack Frost oh that's cute we moved out

541

00:26:23,650 --> 00:26:21,440

of that house four years ago but I have

542

00:26:27,370 --> 00:26:23,660

many more stories about it that I will

543

00:26:29,950 --> 00:26:27,380

tell also unfortunately for me but

544

00:26:32,290 --> 00:26:29,960

fortunately for you I moved into yet

545

00:26:33,340 --> 00:26:32,300

another haunted house things in this

546

00:26:35,950 --> 00:26:33,350

house are no

547

00:26:38,049 --> 00:26:35,960

we're near as bad but unexplainable

548

00:26:41,080 --> 00:26:38,059

things always happen here

549

00:26:42,190 --> 00:26:41,090

you know guys hat man changes things up

550

00:26:45,220 --> 00:26:42,200

I don't know if that was a hat man

551  
00:26:47,590 --> 00:26:45,230  
sighting but he could come looking kind

552  
00:26:50,260 --> 00:26:47,600  
of weird sometimes who knows what that

553  
00:26:52,960 --> 00:26:50,270  
was maybe it was a he lived at a house

554  
00:26:55,480 --> 00:26:52,970  
that the man used to be a freaking clown

555  
00:26:57,279 --> 00:26:55,490  
for all we know well anyways I have to

556  
00:26:59,409 --> 00:26:57,289  
tell you guys thank you for listening to
