

 Tim Swartz | A Big Conspiracy Machine is Working to Suppress the Truth

Listen on

inceptionradionetwork.com

1
00:00:04,519 --> 00:00:02,210
got the Hollis on with us from got an

2
00:00:06,200 --> 00:00:04,529
excellent guest in Tim Schwartz who runs

3
00:00:08,089 --> 00:00:06,210
conspiracy Journal and everybody out

4
00:00:09,890 --> 00:00:08,099
there in the US on a half conspiracy

5
00:00:12,400 --> 00:00:09,900
Journal and we'll discuss that and a

6
00:00:16,820 --> 00:00:12,410
little bit but first a few news stories

7
00:00:20,210 --> 00:00:16,830
we've got well one of my favorite topics

8
00:00:24,769 --> 00:00:20,220
is dogs and I know that's no big

9
00:00:27,650 --> 00:00:24,779
surprise to Heidi but there's a there's

10
00:00:31,429 --> 00:00:27,660
a post it's a Catholic post mystic post

11
00:00:33,680 --> 00:00:31,439
it's called on Facebook and it's pretty

12
00:00:35,389 --> 00:00:33,690
big and they have one story here and the

13
00:00:39,799 --> 00:00:35,399

story is of the highlighted part of the

14

00:00:43,580 --> 00:00:39,809

story is why dogs are hated by the devil

15

00:00:46,549 --> 00:00:43,590

and demons and these are people that are

16

00:00:50,060 --> 00:00:46,559

you know exorcists and people that are

17

00:00:52,430 --> 00:00:50,070

you know basically you know like seers

18

00:00:55,040 --> 00:00:52,440

well of the apparitions Virgin Mary and

19

00:00:56,810 --> 00:00:55,050

all that and what Adam asked to his dogs

20

00:00:58,639 --> 00:00:56,820

are just the closest to the most helpful

21

00:01:01,580 --> 00:00:58,649

animal to mankind and of course the

22

00:01:04,119 --> 00:01:01,590

devil was ill disposed to us and they

23

00:01:06,679 --> 00:01:04,129

actually are considered to be hated by

24

00:01:09,170 --> 00:01:06,689

by the devil so I mean I guess it just

25

00:01:11,149 --> 00:01:09,180

shows how good dogs are Heidi well it

26
00:01:13,010 --> 00:01:11,159
goes you know it explains a lot too when

27
00:01:15,499 --> 00:01:13,020
you watch these paranormal shows like

28
00:01:17,450 --> 00:01:15,509
the dog was killed unexpectedly you know

29
00:01:20,210 --> 00:01:17,460
type of things like whoo you know that's

30
00:01:23,749 --> 00:01:20,220
that's true it does happen I guess cuz

31
00:01:27,320 --> 00:01:23,759
they crawl out and they spot him I guess

32
00:01:28,940 --> 00:01:27,330
so I guess so but in any case huh of

33
00:01:31,130 --> 00:01:28,950
course I don't know we all may not know

34
00:01:32,690 --> 00:01:31,140
this but I cut all up with a mud every

35
00:01:35,749 --> 00:01:32,700
time I do the show what she's really

36
00:01:38,120 --> 00:01:35,759
good Heidi she he's not she's not the

37
00:01:39,740 --> 00:01:38,130
best listen her cuz she is usually

38
00:01:43,460 --> 00:01:39,750

snoring but after the first ten minutes

39

00:01:46,880 --> 00:01:43,470

but she's interrupted a few times with a

40

00:01:48,289 --> 00:01:46,890

fit I remember well well without there's

41

00:01:50,749 --> 00:01:48,299

two of them they sometimes with getting

42

00:01:52,639 --> 00:01:50,759

puzzles yes yeah that's what I've heard

43

00:01:54,319 --> 00:01:52,649

now they'll do that they'll get jealous

44

00:01:55,580 --> 00:01:54,329

of each other than one else dear one

45

00:01:57,080 --> 00:01:55,590

well stare at the other and they'll

46

00:01:59,780 --> 00:01:57,090

start fighting on top of me now that

47

00:02:02,450 --> 00:01:59,790

does make for an exciting radio show but

48

00:02:04,880 --> 00:02:02,460

but usually it's just the black one and

49

00:02:06,980 --> 00:02:04,890

she just cuddles up like a little bug

50

00:02:07,730 --> 00:02:06,990

that's about it and that's what she's

51
00:02:10,639 --> 00:02:07,740
doing right now

52
00:02:13,360 --> 00:02:10,649
but also we've got another story well

53
00:02:16,180 --> 00:02:13,370
two things Catholic is that

54
00:02:19,420 --> 00:02:16,190
they're having in Spring Texas in

55
00:02:21,580 --> 00:02:19,430
Houston Texas and also in Philadelphia

56
00:02:24,699 --> 00:02:21,590
statues of the Virgin Mary that are

57
00:02:29,710 --> 00:02:24,709
exerting holy oil salt and and other

58
00:02:35,229 --> 00:02:29,720
issues like that and and this was as of

59
00:02:36,490 --> 00:02:35,239
September 2017 and it's ongoing and and

60
00:02:39,250 --> 00:02:36,500
I don't know that I've ever told you

61
00:02:42,309 --> 00:02:39,260
this story but this is back you know

62
00:02:43,600 --> 00:02:42,319
thousands of years ago yeah when I was

63
00:02:47,350 --> 00:02:43,610

living in the Eastern Shore of Maryland

64

00:02:49,539 --> 00:02:47,360

and there was a it wasn't very far up to

65

00:02:52,120 --> 00:02:49,549

Wilmington Delaware about 40 miles but

66

00:02:55,089 --> 00:02:52,130

out there I've read about actually in

67

00:02:57,130 --> 00:02:55,099

the National Enquirer a story of dynasty

68

00:03:00,729 --> 00:02:57,140

a statue of Jesus that was in an

69

00:03:02,020 --> 00:03:00,739

Episcopal Church and I said well I'll

70

00:03:06,479 --> 00:03:02,030

just drive up you know I had an off day

71

00:03:08,740 --> 00:03:06,489

so I just drove up there to see and and

72

00:03:10,150 --> 00:03:08,750

it was you know if you remember the old

73

00:03:11,530 --> 00:03:10,160

Rocky movies remember what the

74

00:03:14,229 --> 00:03:11,540

neighborhoods like look like you know

75

00:03:15,910 --> 00:03:14,239

like row houses and beat-up-looking area

76

00:03:18,039 --> 00:03:15,920

kind of downtrodden each looking area

77

00:03:20,770 --> 00:03:18,049

and that that's what that's what this

78

00:03:23,710 --> 00:03:20,780

neighborhood look like and I went up

79

00:03:26,710 --> 00:03:23,720

there and I I you know I interviewed the

80

00:03:28,930 --> 00:03:26,720

priest and he said yeah it's no no

81

00:03:31,890 --> 00:03:28,940

kidding and he showed me the statute had

82

00:03:35,530 --> 00:03:31,900

dried blood on it and all this stuff and

83

00:03:36,759 --> 00:03:35,540

I don't and I don't think he was lying I

84

00:03:38,890 --> 00:03:36,769

really don't because you're talking

85

00:03:40,270 --> 00:03:38,900

about a downtrodden place if they could

86

00:03:43,569 --> 00:03:40,280

knock together a couple bucks they

87

00:03:45,309 --> 00:03:43,579

weren't doing it that way and in the

88

00:03:50,159 --> 00:03:45,319

manner I approached him I don't think he

89

00:03:54,940 --> 00:03:52,390

especially not in those days like a

90

00:03:56,550 --> 00:03:54,950

Dutch Press 500 pounds I mean you know

91

00:03:59,589 --> 00:03:56,560

[Music]

92

00:04:03,309 --> 00:03:59,599

but but what I'm saying is these things

93

00:04:05,589 --> 00:04:03,319

are real and you reported many times of

94

00:04:07,809 --> 00:04:05,599

Paul II know who's been a guest on the

95

00:04:12,550 --> 00:04:07,819

show many times he's seen these things

96

00:04:13,990 --> 00:04:12,560

and I think we need reinforcements like

97

00:04:16,390 --> 00:04:14,000

that because there's enough misery in

98

00:04:20,640 --> 00:04:16,400

the world and disappointments everything

99

00:04:23,589 --> 00:04:20,650

else and we need some hope out there I

100

00:04:27,220 --> 00:04:23,599

swear I gotta tell you I got an email

101
00:04:33,160 --> 00:04:27,230
today and the title of the email said

102
00:04:36,640 --> 00:04:33,170
exposing the hoax of Christianity I

103
00:04:38,020 --> 00:04:36,650
posted it on my Facebook page exposing

104
00:04:40,210 --> 00:04:38,030
the hoax of Christianity then when you

105
00:04:44,170 --> 00:04:40,220
open the emails where you see Jesus was

106
00:04:47,080 --> 00:04:44,180
a Buddhist monk and et contact d-did it

107
00:04:48,790 --> 00:04:47,090
was from exile politics I'm like you

108
00:04:51,100 --> 00:04:48,800
know what I know what's up prepared I

109
00:04:53,080 --> 00:04:51,110
mean Christians get beat up enough I

110
00:04:55,840 --> 00:04:53,090
responded to this email and I'm like

111
00:04:58,030 --> 00:04:55,850
look you know on the on the cartoons

112
00:05:00,160 --> 00:04:58,040
Family Guy in South Park you know Jesus

113
00:05:02,530 --> 00:05:00,170

is sleeping around doing drugs I'm like

114

00:05:04,750 --> 00:05:02,540

you know just leave Christianity alone

115

00:05:07,150 --> 00:05:04,760

I'm like you you won't call Judaism a

116

00:05:09,490 --> 00:05:07,160

hoax you won't call Islam a hoax but

117

00:05:13,230 --> 00:05:09,500

you'll bet that kind of Christians

118

00:05:16,720 --> 00:05:13,240

because we don't fight back and I'm just

119

00:05:19,420 --> 00:05:16,730

oh my gosh I'm so tired of it it's like

120

00:05:22,120 --> 00:05:19,430

you know what stop already it's not

121

00:05:23,740 --> 00:05:22,130

acceptable we don't like it you know

122

00:05:25,330 --> 00:05:23,750

just because we're not gonna go and

123

00:05:27,070 --> 00:05:25,340

threaten your life overdoing it

124

00:05:31,110 --> 00:05:27,080

have some respect though it's like they

125

00:05:33,820 --> 00:05:31,120

did it for hype and it's like you know

126

00:05:35,860 --> 00:05:33,830

yeah and it's like well it's for the BBC

127

00:05:39,670 --> 00:05:35,870

documentary Jesus was a Buddhist monk

128

00:05:41,680 --> 00:05:39,680

well you put hoax in your email that was

129

00:05:43,870 --> 00:05:41,690

to get attention it's for a webinar that

130

00:05:45,550 --> 00:05:43,880

they're doing for Exopolitics I'm like

131

00:05:47,530 --> 00:05:45,560

you know for the argument for a very

132

00:05:50,710 --> 00:05:47,540

long time that you know Jews an alien

133

00:05:52,930 --> 00:05:50,720

whatever but don't don't disregard that

134

00:06:01,140 --> 00:05:52,940

the top democracies in the world were

135

00:06:06,190 --> 00:06:01,150

built on Christian loving people also

136

00:06:08,200 --> 00:06:06,200

also all the well you know all the bys

137

00:06:11,290 --> 00:06:08,210

Islam is getting you know with

138

00:06:12,820 --> 00:06:11,300

pedophilia and all that and you know but

139

00:06:14,890 --> 00:06:12,830

if Christians did it they'd be hung from

140

00:06:16,690 --> 00:06:14,900

the lamppost you know and I'm not in

141

00:06:20,920 --> 00:06:16,700

favor of it in any case but I'm just

142

00:06:22,450 --> 00:06:20,930

saying that it you know Western culture

143

00:06:25,060 --> 00:06:22,460

was like you're saying based on

144

00:06:29,140 --> 00:06:25,070

Christianity it wasn't based on some you

145

00:06:32,940 --> 00:06:29,150

know anything else to keep bashing and

146

00:06:37,230 --> 00:06:32,950

putting it down I'm like then move out I

147

00:06:39,340 --> 00:06:37,240

know it's sad that they would use

148

00:06:41,050 --> 00:06:39,350

Christianity as a stepping stone for a

149

00:06:44,110 --> 00:06:41,060

little publicity but that's very

150

00:06:46,780 --> 00:06:44,120

all the time it's gummy it's gummy but

151
00:06:48,340 --> 00:06:46,790
it's very Colin it is oh you know when I

152
00:06:50,230 --> 00:06:48,350
posted it on Facebook people just

153
00:06:52,150 --> 00:06:50,240
thought it was you know let's jump on

154
00:06:55,390 --> 00:06:52,160
the bandwagon of it I'm like what you

155
00:06:57,430 --> 00:06:55,400
know Buddhism I don't insult them I

156
00:07:00,390 --> 00:06:57,440
don't call you guys a hoax you know just

157
00:07:03,640 --> 00:07:00,400
have respect it's like enough is enough

158
00:07:05,500 --> 00:07:03,650
well it is always a safe game kicked

159
00:07:07,180 --> 00:07:05,510
well what did I hate to say this hottie

160
00:07:10,240 --> 00:07:07,190
but I must say it that yeah I mean it

161
00:07:15,460 --> 00:07:10,250
yeah there's a lack of testosterone in

162
00:07:19,300 --> 00:07:15,470
in Western society I mean I mean in my

163
00:07:22,810 --> 00:07:19,310

day you would snap their necks okay but

164

00:07:24,760 --> 00:07:22,820

now it's like oh yes step all over me

165

00:07:27,100 --> 00:07:24,770

and and you know rub your feet in my

166

00:07:30,070 --> 00:07:27,110

face you know I mean it just wasn't that

167

00:07:37,000 --> 00:07:30,080

way I wasn't raised that way yeah yeah

168

00:07:38,950 --> 00:07:37,010

and and that is why 22-year Army Ranger

169

00:07:41,110 --> 00:07:38,960

Master Sergeant said I was the best neck

170

00:07:42,969 --> 00:07:41,120

snap breed seen in 22 years in the Army

171

00:07:46,029 --> 00:07:42,979

and he was a technical sergeant at West

172

00:07:48,460 --> 00:07:46,039

Point that's a whole other issue but I

173

00:07:56,400 --> 00:07:48,470

mean what I'm saying is it seems okay to

174

00:07:59,140 --> 00:07:56,410

rub feces in our noses your self-respect

175

00:08:01,870 --> 00:07:59,150

going all the way around it's like you

176

00:08:06,400 --> 00:08:01,880

know I try my best it's like can you try

177

00:08:08,950 --> 00:08:06,410

a little harder don't go for the well in

178

00:08:10,600 --> 00:08:08,960

any case on the upside though the

179

00:08:15,219 --> 00:08:10,610

Philadelphia Eagles won the Superbowl

180

00:08:18,460 --> 00:08:15,229

and yes at least there are some good

181

00:08:21,740 --> 00:08:18,470

things let's go to our break and we'll

182

00:08:23,090 --> 00:08:21,750

be right back with Tim Schwartz will be

183

00:08:26,510 --> 00:08:23,100

[Music]

184

00:08:29,730 --> 00:08:26,520

but since warts in the Heidi Hollis and

185

00:08:31,680 --> 00:08:29,740

well we we've had some spirited off air

186

00:08:39,150 --> 00:08:31,690

cut discussions but I guess I can't get

187

00:08:41,400 --> 00:08:39,160

into them first well that's alright

188

00:08:46,140 --> 00:08:41,410

roller hi Heidi be afraid how he's

189

00:08:50,820 --> 00:08:46,150

always afraid of them monkeys yeah I bet

190

00:08:53,250 --> 00:08:50,830

you are but but no on the upside Tim

191

00:08:56,760 --> 00:08:53,260

we've had a lot of conspiracies going on

192

00:09:00,570 --> 00:08:56,770

lately and I guess you probably got a

193

00:09:02,400 --> 00:09:00,580

lot of coverage of that UFO semi

194

00:09:08,190 --> 00:09:02,410

disclosure from that ESPA note as

195

00:09:10,830 --> 00:09:08,200

Elizondo guide inure yeah but you know

196

00:09:13,920 --> 00:09:10,840

you have to remember it's just really

197

00:09:16,230 --> 00:09:13,930

kind of more the same i mean we've heard

198

00:09:21,750 --> 00:09:16,240

the same kind of stuff time and time

199

00:09:24,300 --> 00:09:21,760

again you know this time though Leslie

200

00:09:28,740 --> 00:09:24,310

Kean was able to get the New York Times

201
00:09:31,170 --> 00:09:28,750
to publish this story which I mean that

202
00:09:36,120 --> 00:09:31,180
yeah I mean it said that that was that

203
00:09:39,060 --> 00:09:36,130
was a pretty major coup because for

204
00:09:45,750 --> 00:09:39,070
years the mainstream press has really

205
00:09:48,450 --> 00:09:45,760
shied away from decent UFO coverage I

206
00:09:50,760 --> 00:09:48,460
mean yeah sure they're all too willing

207
00:09:52,020 --> 00:09:50,770
yeah it's kind of like what you were

208
00:09:55,500 --> 00:09:52,030
talking before they're all too willing

209
00:10:00,120 --> 00:09:55,510
to make jokes about it and you know poke

210
00:10:03,030 --> 00:10:00,130
fun and you know basically just paint

211
00:10:06,270 --> 00:10:03,040
people who have these kinds of

212
00:10:10,320 --> 00:10:06,280
experiences as you know redneck John

213
00:10:13,790 --> 00:10:10,330

that drunk yokels so but but now you're

214

00:10:16,770 --> 00:10:13,800

dealing with Navy pilots and other

215

00:10:18,900 --> 00:10:16,780

military personnel who have had these

216

00:10:20,760 --> 00:10:18,910

experiences and and we're you know duly

217

00:10:24,420 --> 00:10:20,770

recorded and it's a little bit more

218

00:10:27,480 --> 00:10:24,430

difficult to discredit them even though

219

00:10:32,290 --> 00:10:27,490

a lot of people you know have done so

220

00:10:37,200 --> 00:10:32,300

since this initial article came out

221

00:10:39,880 --> 00:10:37,210

but it's like I said before I mean it's

222

00:10:42,310 --> 00:10:39,890

it's hot for a while the story's hot for

223

00:10:45,490 --> 00:10:42,320

a while then pretty soon it'll it'll go

224

00:10:47,350 --> 00:10:45,500

back into you know the back into the

225

00:10:50,080 --> 00:10:47,360

corner again and everybody will be

226

00:10:52,480 --> 00:10:50,090

paying again you know what's on

227

00:10:54,370 --> 00:10:52,490

television you don't think this was a

228

00:11:02,010 --> 00:10:54,380

low-key way of making official

229

00:11:05,530 --> 00:11:02,020

disclosure then kind of no probably not

230

00:11:13,720 --> 00:11:05,540

because official disclosure has been

231

00:11:15,520 --> 00:11:13,730

going on for years well except for the

232

00:11:17,740 --> 00:11:15,530

fact that nobody is ever going to

233

00:11:19,570 --> 00:11:17,750

acknowledge that they don't know what's

234

00:11:23,230 --> 00:11:19,580

going on and they have no control over

235

00:11:25,720 --> 00:11:23,240

it well you know that Elizondo that

236

00:11:27,220 --> 00:11:25,730

lewis Elizondo went on CNN and I was

237

00:11:29,320 --> 00:11:27,230

surprised a lot of people who did not

238

00:11:31,690 --> 00:11:29,330

see this but he when he was talking they

239

00:11:34,480 --> 00:11:31,700

said so what's the conclusion and he

240

00:11:39,330 --> 00:11:34,490

said well we're not alone I mean that

241

00:11:45,160 --> 00:11:42,880

we are not alone I'm like you know it's

242

00:11:47,110 --> 00:11:45,170

just it blows my mind that they would

243

00:11:49,120 --> 00:11:47,120

step forward and say anything you know

244

00:11:50,860 --> 00:11:49,130

as far as their budget was concerned

245

00:11:53,440 --> 00:11:50,870

even but it's like we all know they've

246

00:11:55,720 --> 00:11:53,450

been doing this for ever but it's just

247

00:11:57,430 --> 00:11:55,730

this little teaser it's like how I don't

248

00:11:58,840 --> 00:11:57,440

get I don't give them a lot of respect

249

00:12:00,490 --> 00:11:58,850

for it because it's like are you kidding

250

00:12:03,280 --> 00:12:00,500

me you know many people have lost their

251
00:12:06,220 --> 00:12:03,290
families their minds their lives because

252
00:12:08,350 --> 00:12:06,230
of their harassment by alien beings or

253
00:12:11,290 --> 00:12:08,360
having seen UFOs and they have been

254
00:12:12,820 --> 00:12:11,300
absolutely ostracized for speaking on it

255
00:12:14,230 --> 00:12:12,830
you know and then they have the men in

256
00:12:16,090 --> 00:12:14,240
black come and threaten their lives you

257
00:12:17,860 --> 00:12:16,100
know it's like and and you're gonna sit

258
00:12:18,940 --> 00:12:17,870
there and giggle about five years that

259
00:12:20,650 --> 00:12:18,950
you know we've been looking into this

260
00:12:24,130 --> 00:12:20,660
with 22 million dollars they have some

261
00:12:26,170 --> 00:12:24,140
nerve well and and 22 million dollars

262
00:12:31,300 --> 00:12:26,180
I'm sorry that's just you know that's a

263
00:12:34,510 --> 00:12:31,310

drop in the beer do you know how much

264

00:12:37,090 --> 00:12:34,520

that a lot of these congressmen have

265

00:12:39,060 --> 00:12:37,100

have paid their mistresses off you know

266

00:12:48,680 --> 00:12:39,070

so they don't reveal it to the more than

267

00:12:52,560 --> 00:12:51,180

you made a good you made a good point

268

00:12:54,990 --> 00:12:52,570

though when you talked about you know

269

00:12:57,150 --> 00:12:55,000

when you said that he said I was he and

270

00:13:01,320 --> 00:12:57,160

then that we're not alone he didn't he

271

00:13:03,210 --> 00:13:01,330

didn't say though that the

272

00:13:05,550 --> 00:13:03,220

extraterrestrials are here or you know

273

00:13:07,320 --> 00:13:05,560

the little little great mem for Mars

274

00:13:10,920 --> 00:13:07,330

easy said with it we're not alone and

275

00:13:13,320 --> 00:13:10,930

see and that's that still the the big

276
00:13:16,680 --> 00:13:13,330
mystery on just you know okay we're not

277
00:13:25,910 --> 00:13:16,690
alone so what's what's here in the room

278
00:13:29,940 --> 00:13:28,530
didn't believe this just might I mean

279
00:13:31,410 --> 00:13:29,950
this is not like I don't have any real

280
00:13:33,720 --> 00:13:31,420
answers as far as it's one two three

281
00:13:35,960 --> 00:13:33,730
four but I do believe there's a

282
00:13:39,450 --> 00:13:35,970
multi-dimensional aspect to our

283
00:13:41,100 --> 00:13:39,460
existence and you know of course you

284
00:13:44,130 --> 00:13:41,110
know we know there's ghosts and angels

285
00:13:45,510 --> 00:13:44,140
and demons and all this stuff but I

286
00:13:48,510 --> 00:13:45,520
think there may be submitter marry

287
00:13:51,360 --> 00:13:48,520
either intermediary creatures that are

288
00:13:53,370 --> 00:13:51,370

just maybe somewhat benign but they who

289

00:13:55,580 --> 00:13:53,380

knows maybe this Bigfoot thing is an off

290

00:13:59,760 --> 00:13:55,590

and on again bleed over I don't know

291

00:14:02,010 --> 00:13:59,770

well you talked about Paul you know and

292

00:14:04,320 --> 00:14:02,020

that's that's one of the things that

293

00:14:06,030 --> 00:14:04,330

that we've talked about with him before

294

00:14:10,290 --> 00:14:06,040

oh yeah that's right

295

00:14:12,210 --> 00:14:10,300

you know that all all of the things that

296

00:14:14,250 --> 00:14:12,220

you just talked about and you know

297

00:14:17,010 --> 00:14:14,260

including UFOs I mean yeah sure

298

00:14:19,200 --> 00:14:17,020

there may be an aspect of UFOs that they

299

00:14:22,200 --> 00:14:19,210

are nuts about physical spaceships from

300

00:14:25,370 --> 00:14:22,210

other planets but there is a lot of very

301
00:14:32,400 --> 00:14:25,380
high strangeness with a lot of these

302
00:14:34,770 --> 00:14:32,410
these cases that are really beyond we

303
00:14:37,350 --> 00:14:34,780
can't even ask the right questions

304
00:14:38,700 --> 00:14:37,360
that's how that's how strange this yeah

305
00:14:40,860 --> 00:14:38,710
you don't have enough background he

306
00:14:43,280 --> 00:14:40,870
earned it really grasp of it to ask the

307
00:14:45,630 --> 00:14:43,290
right questions but let me say also guys

308
00:14:48,150 --> 00:14:45,640
enlisting listening to his conspiracy

309
00:14:52,110 --> 00:14:48,160
Journal is a weekly newsletter it comes

310
00:14:54,780 --> 00:14:52,120
out Sundays almost variably and Tim has

311
00:14:55,830 --> 00:14:54,790
got two or three hundred reporters that

312
00:14:57,510 --> 00:14:55,840
are born into him from

313
00:15:00,860 --> 00:14:57,520

the world on all kinds of fascinating

314

00:15:04,950 --> 00:15:00,870

topics it is free guys you'd have to be

315

00:15:07,050 --> 00:15:04,960

relatively dull not to want it so go to

316

00:15:09,480 --> 00:15:07,060

conspiracy journal comm and sign up like

317

00:15:12,690 --> 00:15:09,490

right away I mean it's crazy not to do

318

00:15:15,300 --> 00:15:12,700

this yeah

319

00:15:18,810 --> 00:15:15,310

not be interested in stuff I think it's

320

00:15:20,460 --> 00:15:18,820

just that simple and I do I really

321

00:15:22,740 --> 00:15:20,470

appreciate you know all the stuff that

322

00:15:25,560 --> 00:15:22,750

people send me every day that they that

323

00:15:27,780 --> 00:15:25,570

they run across you know because really

324

00:15:30,180 --> 00:15:27,790

without these you know without my

325

00:15:32,490 --> 00:15:30,190

friends without my stringers it gets

326

00:15:34,260 --> 00:15:32,500

very CJ will be nothing it really

327

00:15:35,880 --> 00:15:34,270

wouldn't because I mean the people will

328

00:15:40,100 --> 00:15:35,890

run across stuff sometimes I'm just like

329

00:15:45,120 --> 00:15:42,780

marvelous stuff it's kind of neat to

330

00:15:47,370 --> 00:15:45,130

have an outlet to you know for anything

331

00:15:49,050 --> 00:15:47,380

that you come across or that pops up

332

00:15:50,970 --> 00:15:49,060

that you're like oh my gosh I think I

333

00:15:52,920 --> 00:15:50,980

couldn't connect these dots and to have

334

00:15:56,340 --> 00:15:52,930

someone like you to go to and say what

335

00:16:00,030 --> 00:15:56,350

do you think can you post this oh yeah

336

00:16:02,090 --> 00:16:00,040

exactly exactly really you know there's

337

00:16:05,370 --> 00:16:02,100

a lot of stuff to that I mean it's just

338

00:16:13,740 --> 00:16:05,380

just kind of out there singular he'll

339

00:16:15,990 --> 00:16:13,750

there's so said weird what's one of the

340

00:16:18,810 --> 00:16:16,000

weirdest ones that you've gotten lately

341

00:16:20,610 --> 00:16:18,820

well okay this isn't lately this this

342

00:16:22,340 --> 00:16:20,620

came across a couple of years ago and it

343

00:16:27,210 --> 00:16:22,350

it really has nothing to do with

344

00:16:31,980 --> 00:16:27,220

anything supernatural or like that but

345

00:16:33,990 --> 00:16:31,990

after World War two this village in oh

346

00:16:37,020 --> 00:16:34,000

my gosh like I remember I think it was

347

00:16:40,020 --> 00:16:37,030

hungry where the the men came home from

348

00:16:41,730 --> 00:16:40,030

the war and the wives had been that

349

00:16:44,460 --> 00:16:41,740

making do on their own

350

00:16:47,490 --> 00:16:44,470

all this time and when the men came back

351

00:16:50,070 --> 00:16:47,500

I guess that they were pretty much

352

00:16:52,200 --> 00:16:50,080

drunken louts by this point and the

353

00:16:53,760 --> 00:16:52,210

wives that the wives were like you know

354

00:16:55,550 --> 00:16:53,770

we're not gonna put up with this and

355

00:17:00,300 --> 00:16:55,560

then systematically poisoned them all

356

00:17:04,270 --> 00:17:02,310

yeah i be just like practically the

357

00:17:08,500 --> 00:17:04,280

entire

358

00:17:11,620 --> 00:17:08,510

village men in this village ended up

359

00:17:13,810 --> 00:17:11,630

dying under weird circumstances and then

360

00:17:16,750 --> 00:17:13,820

finally the authorities took notice and

361

00:17:18,670 --> 00:17:16,760

they're you know and they dug up some of

362

00:17:21,430 --> 00:17:18,680

these bodies and they had been poisoned

363

00:17:23,740 --> 00:17:21,440

and finally you know yeah some of the

364

00:17:25,060 --> 00:17:23,750

women confesses like yeah you know we're

365

00:17:27,010 --> 00:17:25,070

not going to put up with that here you

366

00:17:28,240 --> 00:17:27,020

know we took care of ourselves you know

367

00:17:30,190 --> 00:17:28,250

all these years while they were out

368

00:17:32,080 --> 00:17:30,200

fighting the war they came you know came

369

00:17:43,050 --> 00:17:32,090

back and think they could push us around

370

00:17:48,460 --> 00:17:45,670

you know it wasn't exactly you know like

371

00:17:54,510 --> 00:17:48,470

supernatural or conspiracy but it was

372

00:18:03,100 --> 00:18:01,120

favorite ones no you know what tickles

373

00:18:06,370 --> 00:18:03,110

me though and it probably comes across

374

00:18:08,020 --> 00:18:06,380

your desk sometimes but is all with you

375

00:18:10,480 --> 00:18:08,030

know of course everybody's videotaped

376

00:18:14,500 --> 00:18:10,490

doing everything these days I mean bank

377

00:18:18,190 --> 00:18:14,510

tellers ATM machines whatever that a lot

378

00:18:22,480 --> 00:18:18,200

of closed-circuit cameras are picking up

379

00:18:23,920 --> 00:18:22,490

ghostly activity it's tough yes you know

380

00:18:28,990 --> 00:18:23,930

and you have to really have to be

381

00:18:33,010 --> 00:18:29,000

careful with some of these because a lot

382

00:18:34,600 --> 00:18:33,020

of the ones that I have seen that seem

383

00:18:36,880 --> 00:18:34,610

to show you know kind of like what looks

384

00:18:40,860 --> 00:18:36,890

like a misty shape you know floating

385

00:18:43,510 --> 00:18:40,870

across the room it turns out to be a

386

00:18:46,960 --> 00:18:43,520

usually like a spider or a bug that's

387

00:18:49,390 --> 00:18:46,970

right up against the lens and that's you

388

00:18:51,940 --> 00:18:49,400

know because they their legs and stuff

389

00:18:54,640 --> 00:18:51,950

that close to the lens you know there's

390

00:18:57,400 --> 00:18:54,650

no focus they're so completely focus

391

00:18:59,530 --> 00:18:57,410

that they look translucent well Tim some

392

00:19:08,080 --> 00:18:59,540

of us really strongly feel that spiders

393

00:19:11,440 --> 00:19:08,090

have no place on this planet really

394

00:19:16,870 --> 00:19:11,450

buddies with spiders but well yes I can

395

00:19:20,710 --> 00:19:18,880

then on the other hand there has been

396

00:19:23,290 --> 00:19:20,720

you know like you said there's there's

397

00:19:26,170 --> 00:19:23,300

been some really good ones that that

398

00:19:28,570 --> 00:19:26,180

show you know like furniture moving

399

00:19:31,780 --> 00:19:28,580

around you know in an empty building

400

00:19:35,230 --> 00:19:31,790

yeah there's what yeah the one recently

401
00:19:36,880 --> 00:19:35,240
I am in some elementary school that you

402
00:19:40,270 --> 00:19:36,890
know showed like the the locker doors

403
00:19:41,950 --> 00:19:40,280
slamming shots and yeah yeah I think I

404
00:19:43,810 --> 00:19:41,960
saw something like that before not not

405
00:19:48,070 --> 00:19:43,820
recently but a couple years ago it did

406
00:19:50,200 --> 00:19:48,080
yes toward things like that yeah and I

407
00:19:53,950 --> 00:19:50,210
think one of them that's brilliant

408
00:19:57,310 --> 00:19:53,960
strange a source but it's game cameras

409
00:20:00,670 --> 00:19:57,320
oh yeah if they have and they pick up

410
00:20:03,370 --> 00:20:00,680
like Bigfoot and stuff I mean and yes

411
00:20:05,290 --> 00:20:03,380
some pranksters but I mean there's a lot

412
00:20:09,010 --> 00:20:05,300
of game cameras out there Heidi I mean

413
00:20:12,490 --> 00:20:09,020

all kinds of and bizarre stuff goes on

414

00:20:15,640 --> 00:20:12,500

out there yeah I saw something that ran

415

00:20:17,830 --> 00:20:15,650

through a soccer stadium once and it was

416

00:20:22,320 --> 00:20:17,840

moving so fast like it looks like a

417

00:20:25,180 --> 00:20:22,330

shadowy thing and oh yeah what is that

418

00:20:27,550 --> 00:20:25,190

movie moving through the crowd just yeah

419

00:20:30,910 --> 00:20:27,560

it's almost like as like Superman type

420

00:20:33,190 --> 00:20:30,920

speed yes disturbing to look at but

421

00:20:34,090 --> 00:20:33,200

nobody nobody else is noticing it though

422

00:20:37,090 --> 00:20:34,100

nope

423

00:20:40,090 --> 00:20:37,100

sure that was the weird thing about good

424

00:20:42,520 --> 00:20:40,100

you know although the best one I saw was

425

00:20:46,180 --> 00:20:42,530

actually it was in a British Museum and

426
00:20:49,870 --> 00:20:46,190
they had no closed-circuit TV cameras

427
00:20:52,300 --> 00:20:49,880
and why they had one on the balcony I

428
00:20:54,100 --> 00:20:52,310
don't know but they did it was an old

429
00:20:56,440 --> 00:20:54,110
building anyway but what they did is

430
00:20:59,260 --> 00:20:56,450
they had a figure a ghostly kind of

431
00:21:01,780 --> 00:20:59,270
figure appear and medieval kind of garb

432
00:21:04,480 --> 00:21:01,790
and this was actually showed up on

433
00:21:06,550 --> 00:21:04,490
British Museum closed circuit television

434
00:21:07,870 --> 00:21:06,560
a state-owned thing and nobody was

435
00:21:13,570 --> 00:21:07,880
making any money out of it but the idea

436
00:21:16,360 --> 00:21:13,580
was the darn place was haunted that's

437
00:21:19,270 --> 00:21:16,370
weird it was pretty clear - it was the

438
00:21:20,530 --> 00:21:19,280

outside balcony I mean I'm not saying it

439

00:21:21,700 --> 00:21:20,540

could have been a hoax but the British

440

00:21:24,100 --> 00:21:21,710

government's not gonna try to make money

441

00:21:26,290 --> 00:21:24,110

on that without the without the one

442

00:21:28,750 --> 00:21:26,300

where the faker you know like open the

443

00:21:30,640 --> 00:21:28,760

doors and slammed a back shut again

444

00:21:32,680 --> 00:21:30,650

I don't remember the movement part I

445

00:21:34,330 --> 00:21:32,690

just remember I saw the the figure

446

00:21:37,330 --> 00:21:34,340

looked like stir Walter Raleigh in a

447

00:21:41,710 --> 00:21:37,340

picture and the in a kind of a ghostly

448

00:21:44,050 --> 00:21:41,720

misty kind of form and there was there

449

00:21:46,690 --> 00:21:44,060

was wine I think it's been around for at

450

00:21:48,850 --> 00:21:46,700

least five years that it was it was

451
00:21:52,930 --> 00:21:48,860
looking down on a pair of double doors

452
00:21:55,750 --> 00:21:52,940
and it was kind of like almost like an

453
00:21:57,340 --> 00:21:55,760
alleyway type of situation and I can't

454
00:21:59,230 --> 00:21:57,350
remember now if the doors had or had

455
00:22:00,700 --> 00:21:59,240
been propped open or if this figure

456
00:22:04,000 --> 00:22:00,710
opened him but all of a sudden this

457
00:22:07,360 --> 00:22:04,010
figure dressed in like like a monk's

458
00:22:09,250 --> 00:22:07,370
cowl yeah I compared and pulled the

459
00:22:11,140 --> 00:22:09,260
doors shut you know like shut the damn

460
00:22:13,750 --> 00:22:11,150
doors it's cold in here or something

461
00:22:15,520 --> 00:22:13,760
like that and of course you know the the

462
00:22:17,860 --> 00:22:15,530
skeptics were like oh wow you know as

463
00:22:19,330 --> 00:22:17,870

somebody who you know like a reenactor

464

00:22:21,940 --> 00:22:19,340

they're in the you know in this in this

465

00:22:23,320 --> 00:22:21,950

place and of course then the the owner

466

00:22:28,720 --> 00:22:23,330

of it says we don't have it here and

467

00:22:29,980 --> 00:22:28,730

actors in this place this wasn't a

468

00:22:33,430 --> 00:22:29,990

monk's getup though it's just regular

469

00:22:36,160 --> 00:22:33,440

like Sir Walter Raleigh kind of look you

470

00:22:38,020 --> 00:22:36,170

know what I'd come across once and I I'm

471

00:22:40,600 --> 00:22:38,030

wondering if there's others out there

472

00:22:43,020 --> 00:22:40,610

you know how Google Maps drives around

473

00:22:45,550 --> 00:22:43,030

and takes pictures of everything and and

474

00:22:48,940 --> 00:22:45,560

videotapes the entire planet well

475

00:22:51,190 --> 00:22:48,950

somebody in Australia caught a UFO on

476

00:22:53,920 --> 00:22:51,200

one of those I'm like but there's tons

477

00:22:54,550 --> 00:22:53,930

more have you come across Oh stories

478

00:22:58,420 --> 00:22:54,560

like that

479

00:23:03,070 --> 00:22:58,430

oh sure well and there's there's the

480

00:23:04,630 --> 00:23:03,080

ones that are like was it I was I gonna

481

00:23:09,790 --> 00:23:04,640

think of as hell at Google Earth Google

482

00:23:12,720 --> 00:23:09,800

Earth where they've showed what appears

483

00:23:15,820 --> 00:23:12,730

to be you know like disc shaped objects

484

00:23:20,290 --> 00:23:15,830

not on the ground but flying in the air

485

00:23:21,490 --> 00:23:20,300

but the the Google vehicle that travels

486

00:23:22,990 --> 00:23:21,500

the road you got to be careful with

487

00:23:26,380 --> 00:23:23,000

those a lot of times because they'll

488

00:23:28,210 --> 00:23:26,390

shoot what they do is they'll take you

489

00:23:30,220 --> 00:23:28,220

know like single photographs and then

490

00:23:32,650 --> 00:23:30,230

they stitch them together to kind of

491

00:23:36,940 --> 00:23:32,660

give to give that seamless look but

492

00:23:39,550 --> 00:23:36,950

there are sections that they miss and so

493

00:23:41,210 --> 00:23:39,560

when they put them back together again

494

00:23:43,580 --> 00:23:41,220

you'll get some

495

00:23:45,380 --> 00:23:43,590

bizarro things I mean there's there's

496

00:23:48,710 --> 00:23:45,390

like pictures of people on the street

497

00:23:51,980 --> 00:23:48,720

where you'll see like it's basically

498

00:23:54,230 --> 00:23:51,990

just a torso with no legs walking or

499

00:23:56,390 --> 00:23:54,240

there we go there was a Goodman where it

500

00:23:58,190 --> 00:23:56,400

was a cat then it looked like that it

501
00:24:01,010 --> 00:23:58,200
was just walking you know just like a

502
00:24:07,430 --> 00:24:01,020
head walking on two legs oh that's funny

503
00:24:10,460 --> 00:24:07,440
do you know I saw them coming and I and

504
00:24:12,740 --> 00:24:10,470
I waved at them and I am forever frozen

505
00:24:25,970 --> 00:24:12,750
on Google Maps in my car waving it's

506
00:24:30,680 --> 00:24:25,980
hilarious I did a u-turn I'm like waving

507
00:24:32,930 --> 00:24:30,690
in my car guys were coming up to the top

508
00:24:34,730 --> 00:24:32,940
of the half of bottom they are break and

509
00:24:37,930 --> 00:24:34,740
we'll be right back with Tim Schwartz

510
00:24:39,860 --> 00:24:37,940
and Heidi Hollis

511
00:24:41,750 --> 00:24:39,870
what's great to be back with Tim

512
00:24:43,640 --> 00:24:41,760
Schwartz and he's a nice guy from

513
00:24:46,840 --> 00:24:43,650

Indiana we were just talking about all

514

00:24:50,090 --> 00:24:46,850

my evil New York brethren up there and

515

00:24:52,700 --> 00:24:50,100

but now my mother was from Queens and

516

00:24:56,510 --> 00:24:52,710

she was a hard case boy oh you could

517

00:24:58,159 --> 00:24:56,520

break rocks on her but but she's very

518

00:24:59,960 --> 00:24:58,169

sweet though once you got past the

519

00:25:02,570 --> 00:24:59,970

veneer and most New Yorkers are really

520

00:25:09,830 --> 00:25:02,580

they're really okay people they just got

521

00:25:11,779 --> 00:25:09,840

to fight like River Rats there's a guy I

522

00:25:16,130 --> 00:25:11,789

know guys I mean I shouldn't say this on

523

00:25:20,029 --> 00:25:16,140

the air and people think I'm evil but I

524

00:25:21,710 --> 00:25:20,039

want a hundred New York sewer rats sent

525

00:25:23,539 --> 00:25:21,720

to me that I could let loose on this

526

00:25:25,370 --> 00:25:23,549

guy's travel trailer he's living in

527

00:25:29,149 --> 00:25:25,380

because he's such a evil little devil

528

00:25:30,260 --> 00:25:29,159

now am I at and I would just I mean I'm

529

00:25:31,580 --> 00:25:30,270

talking about if you look on the

530

00:25:38,600 --> 00:25:31,590

internet they get to be four and five

531

00:25:40,220 --> 00:25:38,610

pounds high well I don't know they might

532

00:25:44,060 --> 00:25:40,230

have bubonic plague on an ocean water

533

00:25:45,740 --> 00:25:44,070

spout down on but what I'm saying is if

534

00:25:47,240 --> 00:25:45,750

well I mean look if you were in the New

535

00:25:52,730 --> 00:25:47,250

York sewer system it would kind of make

536

00:25:54,780 --> 00:25:52,740

your disposition a little ornery this

537

00:25:56,760 --> 00:25:54,790

guy is just an evil arrogant

538

00:25:59,070 --> 00:25:56,770

devil he's the brother of my business

539

00:26:01,080 --> 00:25:59,080

partner and he had he's living on a

540

00:26:03,390 --> 00:26:01,090

mobile home one of those travel trailers

541

00:26:05,280 --> 00:26:03,400

you know nice one you know ya know a

542

00:26:08,940 --> 00:26:05,290

trout killer and it's on his cousin's

543

00:26:11,940 --> 00:26:08,950

property and it's completely accessible

544

00:26:13,980 --> 00:26:11,950

to rodents I mean I must have had a lot

545

00:26:14,430 --> 00:26:13,990

of youth so it must have not be thank

546

00:26:17,160 --> 00:26:14,440

you

547

00:26:20,130 --> 00:26:17,170

and he has mice and rats and I was

548

00:26:24,620 --> 00:26:20,140

trying to get some real honest [h__h]

549

00:26:29,940 --> 00:26:28,290

my gosh maybe I'll be able to work that

550

00:26:30,960 --> 00:26:29,950

out maybe some New Yorker out there that

551
00:26:41,090 --> 00:26:30,970
can get up with me through the

552
00:26:46,290 --> 00:26:43,590
and the weather has been wicked for us

553
00:26:48,540 --> 00:26:46,300
over here Tim I mean we had three storms

554
00:26:51,330 --> 00:26:48,550
in three days by this weekend we're

555
00:26:52,920 --> 00:26:51,340
getting 15 more inches on top of I don't

556
00:26:58,770 --> 00:26:52,930
know what we got out there maybe six

557
00:27:04,020 --> 00:26:58,780
inches I mean it's it's crazy how far is

558
00:27:07,440 --> 00:27:04,030
Tim from Chicago Oh quite a ways Chicago

559
00:27:11,910 --> 00:27:07,450
would be you know in the extreme

560
00:27:16,650 --> 00:27:11,920
northern part of the I mean it's not a

561
00:27:18,180 --> 00:27:16,660
part of Indiana but you go to northern

562
00:27:25,560 --> 00:27:18,190
Indiana and you might as well be in

563
00:27:27,240 --> 00:27:25,570

Chicago yes East Chicago there the

564

00:27:28,950 --> 00:27:27,250

region is you know what they had they

565

00:27:32,100 --> 00:27:28,960

could they call it who they live there

566

00:27:35,100 --> 00:27:32,110

but that that is the extreme northern

567

00:27:38,610 --> 00:27:35,110

part of the state and I'm pretty close

568

00:27:45,740 --> 00:27:38,620

you know to the to the southern end well

569

00:27:50,700 --> 00:27:47,580

to live in Terre Haute

570

00:27:54,690 --> 00:27:50,710

what's where's that in the state about

571

00:27:58,530 --> 00:27:54,700

it's about midway and then right on the

572

00:28:00,780 --> 00:27:58,540

western border with Illinois oh okay and

573

00:28:05,430 --> 00:28:00,790

then we're probably we're probably about

574

00:28:11,009 --> 00:28:05,440

60 60 miles south east

575

00:28:12,409 --> 00:28:11,019

Terre Haute here in the bucolic town of

576

00:28:15,299 --> 00:28:12,419

Jasper

577

00:28:16,919 --> 00:28:15,309

I'm sure it's nice people I remember the

578

00:28:18,299 --> 00:28:16,929

only thing that was funny now this I

579

00:28:20,369 --> 00:28:18,309

shouldn't this is nothing off-color in

580

00:28:21,990 --> 00:28:20,379

it but I used to be a Salesman up in

581

00:28:24,869 --> 00:28:22,000

that area and I believe it or not I'd go

582

00:28:26,369 --> 00:28:24,879

all the way up from Atlanta and because

583

00:28:29,039 --> 00:28:26,379

we founded good selling up there in

584

00:28:31,700 --> 00:28:29,049

Indianapolis and the only strange thing

585

00:28:35,610 --> 00:28:31,710

is they had fat pinup calendars on their

586

00:28:37,830 --> 00:28:35,620

walls I mean in other words most people

587

00:28:39,240 --> 00:28:37,840

have shapely pinup people on the girls

588

00:28:42,180 --> 00:28:39,250

on the cut on the calendars they were

589

00:28:44,249 --> 00:28:42,190

all like big old gals and it was just

590

00:28:49,279 --> 00:28:44,259

and not just one place but half a dozen

591

00:28:52,320 --> 00:28:49,289

you're thinking are you talking about

592

00:29:00,450 --> 00:28:52,330

not so much not so much an Indianapolis

593

00:29:02,610 --> 00:29:00,460

yeah where you visit most yeah I sold

594

00:29:04,889 --> 00:29:02,620

that most well no is it I sold like it

595

00:29:07,169 --> 00:29:04,899

parts departments I sold heavy shipping

596

00:29:09,210 --> 00:29:07,179

tape for people that would send out you

597

00:29:12,210 --> 00:29:09,220

know machine parts and snow sure sure

598

00:29:15,180 --> 00:29:12,220

right and there's a question popping up

599

00:29:17,730 --> 00:29:15,190

in the chat room disclosure advocate is

600

00:29:23,669 --> 00:29:17,740

asking if there's been any notable UFO

601
00:29:26,879 --> 00:29:23,679
cases in Indiana oh yeah it really it

602
00:29:31,080 --> 00:29:26,889
just all depends when you're looking at

603
00:29:33,210 --> 00:29:31,090
I mean Indiana has been pretty much say

604
00:29:39,060 --> 00:29:33,220
kind of a hotbed of activity for a long

605
00:29:42,539 --> 00:29:39,070
time now not so much really in the last

606
00:29:48,029 --> 00:29:42,549
10 years or so it's kind of calmed down

607
00:29:53,310 --> 00:29:48,039
quite a bit but you know we had a lot of

608
00:29:55,350 --> 00:29:53,320
UFO activity in 1973 there was a big UFO

609
00:30:00,060 --> 00:29:55,360
flap that what across the entire country

610
00:30:03,110 --> 00:30:00,070
and Indiana Indiana got got quite a bit

611
00:30:07,320 --> 00:30:03,120
of that there was a really interesting

612
00:30:10,619 --> 00:30:07,330
encounter north of Indianapolis around

613
00:30:14,639 --> 00:30:10,629

the town called gas city you know of all

614

00:30:17,820 --> 00:30:14,649

names where several drivers saw what

615

00:30:19,289 --> 00:30:17,830

looked to be they described him as

616

00:30:24,210 --> 00:30:19,299

little people like children

617

00:30:26,909 --> 00:30:24,220

almost that our rapt they described him

618

00:30:30,419 --> 00:30:26,919

as like they were wrapped in in glowing

619

00:30:31,619 --> 00:30:30,429

material and floating over a fence and

620

00:30:35,430 --> 00:30:31,629

then across the road

621

00:30:36,810 --> 00:30:35,440

so naturally the State Police and the

622

00:30:39,509 --> 00:30:36,820

sheriff they're like okay we got it we

623

00:30:42,749 --> 00:30:39,519

gotta check this out and they went out

624

00:30:45,090 --> 00:30:42,759

there and one of them actually saw these

625

00:30:49,470 --> 00:30:45,100

things they were off the road at this

626

00:30:51,810 --> 00:30:49,480

point and in the forest in a field

627

00:30:53,669 --> 00:30:51,820

heading towards a forest but when the

628

00:30:55,229 --> 00:30:53,679

sheriff got close by these things this

629

00:30:58,349 --> 00:30:55,239

basically went straight up in the air

630

00:31:00,659 --> 00:30:58,359

nobody ever saw nobody ever saw a UFO or

631

00:31:03,299 --> 00:31:00,669

anything that they they did see these

632

00:31:06,299 --> 00:31:03,309

things is kind of like just floating up

633

00:31:08,789 --> 00:31:06,309

into the darkness and then one of the

634

00:31:11,430 --> 00:31:08,799

one of the weird things about this

635

00:31:14,909 --> 00:31:11,440

particular case is that a local

636

00:31:16,680 --> 00:31:14,919

newspaper reporter who had been

637

00:31:19,289 --> 00:31:16,690

listening to all this activity you know

638

00:31:21,359 --> 00:31:19,299

on the police radio he went out to the

639

00:31:25,649 --> 00:31:21,369

same general area he didn't see anything

640

00:31:29,789 --> 00:31:25,659

but he came across on this country road

641

00:31:34,619 --> 00:31:29,799

this line of wild animals you know like

642

00:31:38,369 --> 00:31:34,629

possums raccoons skunks just crossing

643

00:31:41,129 --> 00:31:38,379

the road in a straight line like like a

644

00:31:43,049 --> 00:31:41,139

person well which I mean you know if

645

00:31:45,269 --> 00:31:43,059

you've if you've ever lived out in the

646

00:31:47,519 --> 00:31:45,279

country you know you don't see how these

647

00:31:49,769 --> 00:31:47,529

are all solitary animals you'll see them

648

00:31:53,820 --> 00:31:49,779

by themselves never in a big group

649

00:31:57,840 --> 00:31:53,830

together cross it a road like that yeah

650

00:31:58,799 --> 00:31:57,850

very very high weirdness case Wow you

651
00:32:01,349 --> 00:31:58,809
know I do

652
00:32:05,129 --> 00:32:01,359
UFO headline news now daily here on

653
00:32:07,169 --> 00:32:05,139
inception radio and I see these patterns

654
00:32:08,970 --> 00:32:07,179
with UFO reports now that I have I've

655
00:32:13,169 --> 00:32:08,980
had to read through hundreds of them now

656
00:32:15,330 --> 00:32:13,179
and it's amazing to me how many know

657
00:32:17,909 --> 00:32:15,340
it's like you see a trend of it from the

658
00:32:21,359 --> 00:32:17,919
older reports to more up-to-date reports

659
00:32:24,210 --> 00:32:21,369
and and seeing how the ships change you

660
00:32:26,639 --> 00:32:24,220
know it's like a lot of triangular ships

661
00:32:28,980 --> 00:32:26,649
with a big dome on the bottom now and

662
00:32:30,749 --> 00:32:28,990
I'm like what is going on here yeah it's

663
00:32:32,290 --> 00:32:30,759

just it's amazing to me to see the

664

00:32:34,030 --> 00:32:32,300

trends and how many

665

00:32:35,620 --> 00:32:34,040

people who go out for a smoke or walk

666

00:32:36,730 --> 00:32:35,630

their dog are the ones that are witness

667

00:32:39,280 --> 00:32:36,740

these things

668

00:32:44,380 --> 00:32:39,290

it's just patterns you start to see so

669

00:32:46,030 --> 00:32:44,390

so yeah a lot of black triangles I'm

670

00:32:49,180 --> 00:32:46,040

curious if you've noticed you know

671

00:32:51,520 --> 00:32:49,190

changes in the stories that you get your

672

00:32:53,200 --> 00:32:51,530

way these days because I mean the UFO

673

00:32:55,750 --> 00:32:53,210

reports I mean I cuz I get some that are

674

00:32:57,490 --> 00:32:55,760

you know really old and some that are

675

00:32:59,650 --> 00:32:57,500

you know rather you know it's a day ago

676

00:33:02,860 --> 00:32:59,660

or something and it's it's wild to see

677

00:33:05,050 --> 00:33:02,870

that yeah it's and that's an interesting

678

00:33:12,190 --> 00:33:05,060

point that you that you make Heidi

679

00:33:16,540 --> 00:33:12,200

because it does seem like that the the

680

00:33:21,400 --> 00:33:16,550

shape of whatever these things are do

681

00:33:25,750 --> 00:33:21,410

seem to change with time the 2018 models

682

00:33:28,120 --> 00:33:25,760

now right no see you that's that's a

683

00:33:31,180 --> 00:33:28,130

very good point you go and you look at

684

00:33:36,180 --> 00:33:31,190

some of these cases especially like in

685

00:33:39,340 --> 00:33:36,190

the 1950s that involves some of these

686

00:33:42,370 --> 00:33:39,350

contact these say like you know George

687

00:33:44,290 --> 00:33:42,380

Adamski or Howard manager or some of the

688

00:33:45,880 --> 00:33:44,300

or even you know are even people who

689

00:33:48,010 --> 00:33:45,890

just you know happened to be close by to

690

00:33:50,170 --> 00:33:48,020

take you know took a photograph of

691

00:33:54,070 --> 00:33:50,180

something weird you know the craft that

692

00:33:58,870 --> 00:33:54,080

was being seen and at that time were

693

00:34:02,380 --> 00:33:58,880

very how do I put it they had they they

694

00:34:04,210 --> 00:34:02,390

they look very 1940s 1950s I mean you

695

00:34:07,600 --> 00:34:04,220

could almost see you know like the

696

00:34:09,550 --> 00:34:07,610

rivets are these things they have a they

697

00:34:13,750 --> 00:34:09,560

look like these are these Buicks with

698

00:34:16,060 --> 00:34:13,760

the big fins on the back out almost yeah

699

00:34:19,090 --> 00:34:16,070

they're very you know

700

00:34:21,550 --> 00:34:19,100

and they look an awful lot like what you

701
00:34:23,349 --> 00:34:21,560
would expect a spaceship or a flying

702
00:34:27,899 --> 00:34:23,359
saucer to look at that you would see in

703
00:34:32,800 --> 00:34:27,909
the movies let's see as time progresses

704
00:34:36,639 --> 00:34:32,810
the these these whatever they are they

705
00:34:40,419 --> 00:34:36,649
do seem to take on a different more

706
00:34:42,810 --> 00:34:40,429
modern shapes as as Heidi pointed out

707
00:34:46,570 --> 00:34:42,820
you know that the black triangles are

708
00:34:49,810 --> 00:34:46,580
probably the ones that are the most

709
00:34:53,080 --> 00:34:49,820
predominantly reported now whether or

710
00:34:54,159 --> 00:34:53,090
not this is because if somebody sees

711
00:34:55,899 --> 00:34:54,169
something different

712
00:34:58,930 --> 00:34:55,909
they're disliked I'm not gonna report

713
00:35:01,150 --> 00:34:58,940

that that sounds too crazy but since you

714

00:35:03,310 --> 00:35:01,160

know people have heard more now about

715

00:35:07,450 --> 00:35:03,320

the black triangles was a yeah you know

716

00:35:08,859 --> 00:35:07,460

kind of like the me too situation you

717

00:35:10,990 --> 00:35:08,869

know like oh well you know I was hearing

718

00:35:12,520 --> 00:35:11,000

about people seeing the black triangle I

719

00:35:14,770 --> 00:35:12,530

saw one too

720

00:35:18,220 --> 00:35:14,780

but we still I mean we still get other

721

00:35:19,120 --> 00:35:18,230

kinds of orbs you know like a sphere

722

00:35:24,099 --> 00:35:19,130

types

723

00:35:26,950 --> 00:35:24,109

yes crafts are also very predominant in

724

00:35:29,680 --> 00:35:26,960

in sightings I had a couple the weird

725

00:35:36,040 --> 00:35:29,690

ones even that they talk about the

726

00:35:38,470 --> 00:35:36,050

Jetsons like little bubble little more

727

00:35:42,640 --> 00:35:38,480

recent even and like wow The Jetsons are

728

00:35:43,510 --> 00:35:42,650

a real Dolan Karen Dolan had pictures of

729

00:35:46,000 --> 00:35:43,520

what

730

00:35:47,859 --> 00:35:46,010

well one conference I went to there were

731

00:35:49,660 --> 00:35:47,869

some paintings on the the Pyrenees

732

00:35:52,570 --> 00:35:49,670

Mountains of France that had what looked

733

00:35:54,070 --> 00:35:52,580

exactly like a George Jetson oh yes yeah

734

00:35:55,900 --> 00:35:54,080

and that's what people seem to be

735

00:36:00,030 --> 00:35:55,910

describing yep I know which one you're

736

00:36:04,359 --> 00:36:00,040

speaking of you know Chris O'Brien who

737

00:36:11,349 --> 00:36:04,369

he lives out around the Grand Canyon

738

00:36:13,450 --> 00:36:11,359

area and he was out driving one day

739

00:36:16,570 --> 00:36:13,460

around the office at the Four Corners

740

00:36:18,670 --> 00:36:16,580

area and maybe somewhere around that

741

00:36:22,660 --> 00:36:18,680

general maybe maybe Newman in the

742

00:36:25,390 --> 00:36:22,670

vicinity of New Mexico you know and he

743

00:36:27,280 --> 00:36:25,400

said that he saw this craft kind of like

744

00:36:29,440 --> 00:36:27,290

shoot across the road in front of his

745

00:36:31,420 --> 00:36:29,450

car and that's the way that's one

746

00:36:33,579 --> 00:36:31,430

he described it he said it kind of

747

00:36:37,950 --> 00:36:33,589

looked like the you know better Jetsons

748

00:36:41,349 --> 00:36:37,960

type of vehicle shiny shiny metal with a

749

00:36:44,339 --> 00:36:41,359

glass like dome honors you know in the

750

00:36:50,760 --> 00:36:44,349

end of front so yeah you know people

751

00:36:57,099 --> 00:36:50,770

it's it's you know it's I don't know if

752

00:37:01,359 --> 00:36:57,109

these things because and I've said this

753

00:37:04,120 --> 00:37:01,369

before you know probably not many of

754

00:37:06,010 --> 00:37:04,130

these reports are actual nuts-and-bolts

755

00:37:10,329 --> 00:37:06,020

craft you know there's something else

756

00:37:14,650 --> 00:37:10,339

going on and whether or not people see

757

00:37:19,450 --> 00:37:14,660

these and then their mind puts them into

758

00:37:22,260 --> 00:37:19,460

a familiar configuration I don't know I

759

00:37:27,670 --> 00:37:22,270

don't know if that makes sense or not

760

00:37:33,339 --> 00:37:27,680

but it does seem that whatever is going

761

00:37:36,640 --> 00:37:33,349

on with UFOs they do seem to change with

762

00:37:39,430 --> 00:37:36,650

time their shapes are you know change

763

00:37:42,490 --> 00:37:39,440

with times I mean we don't 1890 in the

764

00:37:45,309 --> 00:37:42,500

1890s weren't they kind of more like yes

765

00:37:51,550 --> 00:37:45,319

cylinder calm yeah what they look they

766

00:37:53,440 --> 00:37:51,560

look like giant durables with like giant

767

00:37:56,530 --> 00:37:53,450

propellers and like a big gondola

768

00:37:59,020 --> 00:37:56,540

underneath and apparently they've got

769

00:38:01,059 --> 00:37:59,030

production going on on other planets

770

00:38:07,089 --> 00:38:01,069

we've got some mercedes-benz and some

771

00:38:10,150 --> 00:38:07,099

Buicks and which one's the old jalopy I

772

00:38:11,470 --> 00:38:10,160

wonder yeah well you know and one of the

773

00:38:14,290 --> 00:38:11,480

one of the things though that has

774

00:38:17,140 --> 00:38:14,300

remained consistent though is that okay

775

00:38:18,910 --> 00:38:17,150

you go back to the like the early 19th

776

00:38:21,520 --> 00:38:18,920

century sightings like you just talked

777

00:38:24,160 --> 00:38:21,530

about Kevin a lot of times the sightings

778

00:38:28,420 --> 00:38:24,170

start with the witnesses being hit with

779

00:38:30,130 --> 00:38:28,430

like a searchlight from the sky and when

780

00:38:32,470 --> 00:38:30,140

the searchlight moves away and then they

781

00:38:34,390 --> 00:38:32,480

can see what's behind the searchlight

782

00:38:37,000 --> 00:38:34,400

then they start describing you know the

783

00:38:37,569 --> 00:38:37,010

the dirigible of the big repellers and

784

00:38:39,730 --> 00:38:37,579

all that

785

00:38:41,550 --> 00:38:39,740

well the same thing continues to happen

786

00:38:43,950 --> 00:38:41,560

today somebody will be out

787

00:38:45,990 --> 00:38:43,960

smoking a cigarette and walking their

788

00:38:47,640 --> 00:38:46,000

dog but then they'll be hit with this

789

00:38:49,740 --> 00:38:47,650

light the sky but then when the light

790

00:38:54,230 --> 00:38:49,750

moves away they'll see say like a black

791

00:38:56,070 --> 00:38:54,240

triangle yeah so you know there are

792

00:39:01,950 --> 00:38:56,080

don't they consider the triangle

793

00:39:04,950 --> 00:39:01,960

sometimes to be a mile long I mean yeah

794

00:39:10,560 --> 00:39:04,960

the the East Coast sightings back in the

795

00:39:12,570 --> 00:39:10,570

early 1980s all up and down from like

796

00:39:14,880 --> 00:39:12,580

New York to Connecticut New Hampshire

797

00:39:17,280 --> 00:39:14,890

places like that I think people were

798

00:39:19,890 --> 00:39:17,290

seeing these things at night and I mean

799

00:39:23,820 --> 00:39:19,900

they said they were huge covered with

800

00:39:25,230 --> 00:39:23,830

lights floating over highways to the

801
00:39:28,110 --> 00:39:25,240
point where people were actually

802
00:39:30,600 --> 00:39:28,120
stopping their cars and getting out to

803
00:39:34,380 --> 00:39:30,610
watch these things float overhead and

804
00:39:38,280 --> 00:39:34,390
they were so they were so big that I

805
00:39:40,680 --> 00:39:38,290
mean people were scared you know they

806
00:39:42,740 --> 00:39:40,690
just think about it you see something

807
00:39:50,780 --> 00:39:42,750
like maybe the size of a battleship

808
00:39:56,460 --> 00:39:53,640
I met these people and I've been those

809
00:40:00,090 --> 00:39:56,470
people and some have been friends that

810
00:40:03,030 --> 00:40:00,100
have this life-altering you know visual

811
00:40:05,820 --> 00:40:03,040
and they have nobody to turn to and our

812
00:40:07,790 --> 00:40:05,830
government has the nerve to talk about

813
00:40:10,740 --> 00:40:07,800

investigating it for just five years

814

00:40:12,960 --> 00:40:10,750

there oh and that's that's a slap in the

815

00:40:15,570 --> 00:40:12,970

face it's like you know how much people

816

00:40:18,060 --> 00:40:15,580

have suffered alone in this you know how

817

00:40:21,240 --> 00:40:18,070

dare you it's it's so that's a real

818

00:40:23,100 --> 00:40:21,250

problem and it's like I don't see why

819

00:40:25,350 --> 00:40:23,110

they need to have the secrecy when

820

00:40:28,320 --> 00:40:25,360

people seem to handle their little

821

00:40:29,880 --> 00:40:28,330

disclosure just fine you know and

822

00:40:31,830 --> 00:40:29,890

weren't even in they're aware of it they

823

00:40:34,590 --> 00:40:31,840

just put their their headphones back and

824

00:40:37,050 --> 00:40:34,600

it said that's cool well you know it's

825

00:40:39,870 --> 00:40:37,060

like I get back to the colonel Alexander

826

00:40:42,300 --> 00:40:39,880

show we had years ago that you know

827

00:40:43,680 --> 00:40:42,310

about the satellite imagery progress and

828

00:40:45,210 --> 00:40:43,690

all that and basically saying you could

829

00:40:47,370 --> 00:40:45,220

read what brand of cigarettes a guy

830

00:40:49,530 --> 00:40:47,380

would be smoking in his pocket or

831

00:40:51,720 --> 00:40:49,540

whatever but the idea of being is if

832

00:40:54,570 --> 00:40:51,730

there's that many UFOs that satellite

833

00:40:55,240 --> 00:40:54,580

imagery is so widespread that they would

834

00:40:57,550 --> 00:40:55,250

pick it up all

835

00:41:06,550 --> 00:40:57,560

the time it would be like ho-hum you

836

00:41:09,640 --> 00:41:06,560

know and yeah but don't forget that

837

00:41:14,520 --> 00:41:09,650

whatever these things are they have the

838

00:41:18,880 --> 00:41:17,200

for want of a better word I mean I don't

839

00:41:21,820 --> 00:41:18,890

you know it's hard to say do they do

840

00:41:24,580 --> 00:41:21,830

they become invisible or is it you know

841

00:41:26,590 --> 00:41:24,590

particle inertia yeah well part of our

842

00:41:28,000 --> 00:41:26,600

propulsion system then there don't

843

00:41:30,460 --> 00:41:28,010

become invisible they just they

844

00:41:32,320 --> 00:41:30,470

disappear here and reappear over there

845

00:41:34,930 --> 00:41:32,330

not something that people constantly

846

00:41:37,150 --> 00:41:34,940

describe you know but see and it Disick

847

00:41:39,160 --> 00:41:37,160

loses the block yeah oh yeah this

848

00:41:40,780 --> 00:41:39,170

inclusive lack triangles as well you

849

00:41:42,130 --> 00:41:40,790

know they'll see a craft it'll be like

850

00:41:44,380 --> 00:41:42,140

directly overhead and all of a sudden

851
00:41:46,930 --> 00:41:44,390
it'll blink out and reappear almost

852
00:41:48,910 --> 00:41:46,940
instantly you know four or five miles

853
00:41:52,300 --> 00:41:48,920
down the road you know over a nearby

854
00:41:54,100 --> 00:41:52,310
hill you know it's amazing to me too and

855
00:41:56,740 --> 00:41:54,110
all these sightings that I'm reading on

856
00:42:00,070 --> 00:41:56,750
is you know the the people will look

857
00:42:02,080 --> 00:42:00,080
away for a second it's as if something

858
00:42:03,760 --> 00:42:02,090
alters because their eyes are not

859
00:42:07,150 --> 00:42:03,770
looking at it any longer and they go to

860
00:42:09,070 --> 00:42:07,160
look back and it's gone it's always it

861
00:42:10,810 --> 00:42:09,080
just happened so often it's if you can't

862
00:42:13,780 --> 00:42:10,820
take your eyes off from it once it's in

863
00:42:16,630 --> 00:42:13,790

sight because it's just it just doesn't

864

00:42:19,450 --> 00:42:16,640

work in and often times Tim do you get

865

00:42:22,630 --> 00:42:19,460

these stories to where people are saying

866

00:42:24,580 --> 00:42:22,640

it I'm I felt like it heard me it

867

00:42:29,290 --> 00:42:24,590

responded to my request do you get those

868

00:42:32,080 --> 00:42:29,300

types of stories - oh yes yes that you

869

00:42:36,670 --> 00:42:32,090

will hear this quite often from people

870

00:42:39,580 --> 00:42:36,680

you are who have this kind of experience

871

00:42:43,420 --> 00:42:39,590

and I mean they'll be seeing something

872

00:42:46,030 --> 00:42:43,430

that appears to be miles away yet the

873

00:42:48,430 --> 00:42:46,040

witness will have this distinct

874

00:42:52,540 --> 00:42:48,440

impression that whatever this thing is

875

00:42:53,680 --> 00:42:52,550

it knows that they are watching them or

876

00:42:56,560 --> 00:42:53,690

know when they're gonna pull their

877

00:43:00,070 --> 00:42:56,570

camera to take a picture yes it's like

878

00:43:03,100 --> 00:43:00,080

gone it's just so crazy I've had three

879

00:43:05,680 --> 00:43:03,110

UFOs respond to requests of mine and

880

00:43:07,420 --> 00:43:05,690

it's bizarre to say that but then I

881

00:43:08,310 --> 00:43:07,430

started hearing more and more people and

882

00:43:11,460 --> 00:43:08,320

now I hear

883

00:43:17,190 --> 00:43:11,470

all the time with the new sure I do city

884

00:43:19,650 --> 00:43:17,200

to the right or something I was in a

885

00:43:21,000 --> 00:43:19,660

group of about six friends and we were

886

00:43:22,800 --> 00:43:21,010

looking up at the night sky we're

887

00:43:25,290 --> 00:43:22,810

somewhere in the East Coast and up in

888

00:43:27,000 --> 00:43:25,300

the mountains and and we saw like what

889

00:43:28,500 --> 00:43:27,010

looked like stars just tons of them

890

00:43:30,030 --> 00:43:28,510

moving but they look like they're

891

00:43:32,220 --> 00:43:30,040

shooting at each other and we're like

892

00:43:35,430 --> 00:43:32,230

guys we're looking at like it looks like

893

00:43:38,340 --> 00:43:35,440

a battle of UFOs and and I said out loud

894

00:43:40,590 --> 00:43:38,350

I said well I've never seen a triangular

895

00:43:42,210 --> 00:43:40,600

UFO I'm like because I've seen a lot of

896

00:43:44,370 --> 00:43:42,220

different ones I'm like since you guys

897

00:43:46,350 --> 00:43:44,380

are there why did you just drop down and

898

00:43:51,900 --> 00:43:46,360

let us have a look you could have

899

00:43:52,950 --> 00:43:51,910

counted to three this big sky came right

900

00:43:56,700 --> 00:43:52,960

over our heads

901
00:43:59,430 --> 00:43:56,710
it came so low we both like I almost hit

902
00:44:02,100 --> 00:43:59,440
the ground we're just like ducked and it

903
00:44:05,820 --> 00:44:02,110
did a little turn and let us have a look

904
00:44:09,300 --> 00:44:05,830
I was like hitting me saying you asked

905
00:44:11,490 --> 00:44:09,310
for this to happen it was crazy it was

906
00:44:15,330 --> 00:44:11,500
crazy I would have been so fascinating I

907
00:44:18,090 --> 00:44:15,340
mean no it was the coolest thing I've

908
00:44:21,060 --> 00:44:18,100
ever seen I couldn't believe as high up

909
00:44:23,250 --> 00:44:21,070
as they were that they heard me and my

910
00:44:26,220 --> 00:44:23,260
camera was right behind me in the car

911
00:44:28,800 --> 00:44:26,230
but I was scared to stand up and hidden

912
00:44:33,120 --> 00:44:28,810
reached in the car to get it cuz it came

913
00:44:35,010 --> 00:44:33,130

so fast it was so fast and so large well

914

00:44:36,900 --> 00:44:35,020

this is this is one of the things that I

915

00:44:39,420 --> 00:44:36,910

had that I point out to people is that

916

00:44:41,570 --> 00:44:39,430

if you are dealing with something that

917

00:44:43,620 --> 00:44:41,580

could be possibly you know

918

00:44:45,600 --> 00:44:43,630

extraterrestrial or a bunch of a bunch

919

00:44:49,260 --> 00:44:45,610

of scientists flying around in a

920

00:44:51,570 --> 00:44:49,270

spaceship you know observing the the

921

00:44:58,140 --> 00:44:51,580

natives on earth why in the world would

922

00:45:00,180 --> 00:44:58,150

they do something like that just said

923

00:45:03,750 --> 00:45:00,190

you know big a triangle let's go down

924

00:45:05,280 --> 00:45:03,760

here let's do it yeah it sounds almost

925

00:45:12,630 --> 00:45:05,290

like something that a bunch of teenagers

926

00:45:13,940 --> 00:45:12,640

would do honestly just the craziest

927

00:45:15,950 --> 00:45:13,950

thing you know it

928

00:45:17,780 --> 00:45:15,960

and I'm reading these stories every day

929

00:45:20,089 --> 00:45:17,790

and the people I mean there's a lot of

930

00:45:21,620 --> 00:45:20,099

them saying hey they heard me doesn't

931

00:45:22,819 --> 00:45:21,630

that kind of doesn't that kind of jive

932

00:45:24,380 --> 00:45:22,829

with that guy up in the state of

933

00:45:26,930 --> 00:45:24,390

Washington whatever his name is the guy

934

00:45:29,240 --> 00:45:26,940

with a ranch I can't think of his name

935

00:45:31,299 --> 00:45:29,250

right off I do you probably know well

936

00:45:34,400 --> 00:45:31,309

they're all those I in Yakima

937

00:45:36,819 --> 00:45:34,410

yeah yeah the guy with the ranch I

938

00:45:39,200 --> 00:45:36,829

forget his name james gilliland is it or

939

00:45:41,450 --> 00:45:39,210

something terrible with names

940

00:45:43,400 --> 00:45:41,460

yeah I think it is but any rate he has

941

00:45:50,839 --> 00:45:43,410

ranch words ostensibly they could call

942

00:45:51,890 --> 00:45:50,849

up UFOs and that show up there's people

943

00:45:53,750 --> 00:45:51,900

that call themselves

944

00:46:03,859 --> 00:45:53,760

I don't know conjurer's of them or

945

00:46:05,960 --> 00:46:03,869

something I don't know but it's like I

946

00:46:07,460 --> 00:46:05,970

don't think I mean I think we all have

947

00:46:09,650 --> 00:46:07,470

the ability to do it because they're

948

00:46:11,390 --> 00:46:09,660

paying attention to us and it's it's

949

00:46:13,370 --> 00:46:11,400

kind of nerve-wracking but then kind of

950

00:46:15,950 --> 00:46:13,380

cool it kind of lets us know that we

951
00:46:18,319 --> 00:46:15,960
have some kind of tied to them I mean

952
00:46:20,000 --> 00:46:18,329
what would have been some of the more

953
00:46:21,920 --> 00:46:20,010
stranger stories that you've heard in

954
00:46:26,440 --> 00:46:21,930
regards to some of these sightings that

955
00:46:30,260 --> 00:46:26,450
are coming your way well you know it's

956
00:46:31,760 --> 00:46:30,270
this is something that you that we

957
00:46:36,230 --> 00:46:31,770
talked about just just a couple of

958
00:46:39,950 --> 00:46:36,240
minutes ago about how you have to keep

959
00:46:42,039 --> 00:46:39,960
your eyes on these things if you look

960
00:46:45,980 --> 00:46:42,049
away though just they'll disappear and

961
00:46:50,569 --> 00:46:45,990
I've been doing quite a bit of research

962
00:46:52,370 --> 00:46:50,579
recently on people who have seen for one

963
00:46:56,000 --> 00:46:52,380

of a better word you know like weird

964

00:46:58,190 --> 00:46:56,010

creatures or monsters or just you know

965

00:47:00,559 --> 00:46:58,200

you know our little Slenderman or hat

966

00:47:04,339 --> 00:47:00,569

man or you know shadow man or just other

967

00:47:07,160 --> 00:47:04,349

kinds of weird things and one of the

968

00:47:10,400 --> 00:47:07,170

things that that has stood out to me in

969

00:47:14,960 --> 00:47:10,410

my research on this is that a lot of

970

00:47:18,140 --> 00:47:14,970

times when somebody will see something

971

00:47:20,960 --> 00:47:18,150

like this and usually it's like you know

972

00:47:25,490 --> 00:47:20,970

just just one creature or was it or

973

00:47:27,030 --> 00:47:25,500

whatever one that whatever this thing

974

00:47:30,150 --> 00:47:27,040

then notices

975

00:47:36,300 --> 00:47:30,160

that it's being looked at it looks

976

00:47:40,620 --> 00:47:36,310

shocked like it is like it is surprised

977

00:47:44,460 --> 00:47:40,630

that somebody can see it oh I have run

978

00:47:48,150 --> 00:47:44,470

across this time and time again which

979

00:47:51,720 --> 00:47:48,160

makes me think do these are these things

980

00:47:54,960 --> 00:47:51,730

here all the time and most of us just

981

00:47:57,480 --> 00:47:54,970

can't see them mmm and every once in a

982

00:48:00,090 --> 00:47:57,490

while you get somebody who either has

983

00:48:02,250 --> 00:48:00,100

that you know that shining so to speak

984

00:48:05,010 --> 00:48:02,260

or maybe just isn't that you know in the

985

00:48:11,640 --> 00:48:05,020

right place at the right time and is

986

00:48:14,190 --> 00:48:11,650

able to see one of these things I just I

987

00:48:18,180 --> 00:48:14,200

just read I just read a story yesterday

988

00:48:20,430 --> 00:48:18,190

where this this girl was sitting on a on

989

00:48:22,380 --> 00:48:20,440

a riverbank and on the other side of the

990

00:48:25,350 --> 00:48:22,390

river was a father and a couple of kids

991

00:48:28,050 --> 00:48:25,360

who were walking towards towards the

992

00:48:30,510 --> 00:48:28,060

river they are in her direction and she

993

00:48:35,520 --> 00:48:30,520

said all of a sudden from the water this

994

00:48:38,550 --> 00:48:35,530

this humanoid like thing came out and

995

00:48:41,370 --> 00:48:38,560

was walking towards these kids she said

996

00:48:44,340 --> 00:48:41,380

it had long cut a greasy black hair

997

00:48:48,690 --> 00:48:44,350

white skin and like a great big mouth

998

00:48:52,200 --> 00:48:48,700

full of sharp serrated teeth yes but it

999

00:48:55,800 --> 00:48:52,210

it it was ignoring her but it was

1000

00:48:58,650 --> 00:48:55,810

looking at the kids and smiling but and

1001
00:49:00,990 --> 00:48:58,660
they can't see it but the dad couldn't

1002
00:49:02,910 --> 00:49:01,000
and the kids were like you know dad dad

1003
00:49:06,570 --> 00:49:02,920
look at that look at that as a dad was

1004
00:49:08,550 --> 00:49:06,580
like well I don't see anything he kind

1005
00:49:11,490 --> 00:49:08,560
of took them away and this thing just

1006
00:49:15,660 --> 00:49:11,500
kept you know like edging closer to

1007
00:49:20,030 --> 00:49:15,670
these kids all the while smiling at him

1008
00:49:25,740 --> 00:49:23,220
notice it didn't see that this girl was

1009
00:49:27,960 --> 00:49:25,750
was you know able to see it as well

1010
00:49:29,790 --> 00:49:27,970
yeah would it would it have turned

1011
00:49:38,490 --> 00:49:29,800
around and noticed that she was seeing

1012
00:49:40,470 --> 00:49:38,500
him and you know oh wow I woke up to

1013
00:49:42,660 --> 00:49:40,480

several gray beings in my apart

1014

00:49:45,330 --> 00:49:42,670

at once and you know people always say

1015

00:49:48,240 --> 00:49:45,340

they don't show any expression but oh

1016

00:49:51,000 --> 00:49:48,250

yes they did they they had you know they

1017

00:49:53,820 --> 00:49:51,010

have a slip for the mouth and these

1018

00:49:56,280 --> 00:49:53,830

things all had the Oh like for the mouth

1019

00:49:59,760 --> 00:49:56,290

like oh crap she's up like and they were

1020

00:50:01,740 --> 00:49:59,770

just freezing yeah and there was about

1021

00:50:03,240 --> 00:50:01,750

nine of them and I was walking around

1022

00:50:04,890 --> 00:50:03,250

going what are you guys doing here

1023

00:50:06,510 --> 00:50:04,900

what's going on it was just crazy but

1024

00:50:09,090 --> 00:50:06,520

yeah I've shared that story many times

1025

00:50:11,609 --> 00:50:09,100

but it's it they look shocked

1026
00:50:12,720 --> 00:50:11,619
they look very shocked and I think I was

1027
00:50:17,970 --> 00:50:12,730
more shocked I thought somebody had

1028
00:50:19,440 --> 00:50:17,980
broken my apartment trying to rob me you

1029
00:50:20,940 --> 00:50:19,450
have a more interesting life than I do I

1030
00:50:23,220 --> 00:50:20,950
tell you what we're coming to the top of

1031
00:50:25,050 --> 00:50:23,230
the hour break I guess we'd better have

1032
00:50:29,310 --> 00:50:25,060
that break and we'll be right back with

1033
00:50:30,870 --> 00:50:29,320
Tim Schwartz and Heidi holiday both back

1034
00:50:32,580 --> 00:50:30,880
with Jim Schwartz in the Heidi house I

1035
00:50:34,349 --> 00:50:32,590
want to mention once again conspiracy

1036
00:50:36,930 --> 00:50:34,359
journal calm you need to go to the right

1037
00:50:38,670 --> 00:50:36,940
now and just sign up it's free it comes

1038
00:50:40,740 --> 00:50:38,680

in every Sunday and there's all kinds of

1039

00:50:43,170 --> 00:50:40,750

stuff going on not just UFOs but all

1040

00:50:46,170 --> 00:50:43,180

kinds of things and it's it's just a

1041

00:50:48,210 --> 00:50:46,180

weird world and what was that old saying

1042

00:50:49,620 --> 00:50:48,220

Tim from Ripley's Believe it not the

1043

00:50:54,570 --> 00:50:49,630

truth is stranger than fiction or

1044

00:51:03,599 --> 00:51:00,720

it really is I mean you know I mean holy

1045

00:51:05,280 --> 00:51:03,609

mackerel creatures that look like the

1046

00:51:08,160 --> 00:51:05,290

smilin I'm gonna get the kids and

1047

00:51:09,570 --> 00:51:08,170

everything else I mean my goodness well

1048

00:51:11,670 --> 00:51:09,580

have you had have you come up I know

1049

00:51:13,170 --> 00:51:11,680

this is far afield from UFOs but she's

1050

00:51:14,640 --> 00:51:13,180

kind of alien anyway you haven't come up

1051
00:51:19,130 --> 00:51:14,650
with anything on Hillary Clinton lately

1052
00:51:31,830 --> 00:51:27,590
no I have been going over some

1053
00:51:33,960 --> 00:51:31,840
interesting stories that that Donald

1054
00:51:36,300 --> 00:51:33,970
Trump is a changeling I don't know if

1055
00:51:38,250 --> 00:51:36,310
you know what that is no I've heard of

1056
00:51:40,890 --> 00:51:38,260
the term changeling but what is it true

1057
00:51:46,400 --> 00:51:40,900
oh do tell Tim let's talk about Trump

1058
00:51:50,310 --> 00:51:46,410
the changelings a changeling is where

1059
00:51:52,730 --> 00:51:50,320
when when somebody is is a baby you know

1060
00:51:56,870 --> 00:51:52,740
like the the wee folk will

1061
00:52:02,359 --> 00:51:56,880
come in and steal the baby and leave one

1062
00:52:05,030 --> 00:52:02,369
of their own kind in it's a place so so

1063
00:52:07,730 --> 00:52:05,040

the the story goes is that that's that's

1064

00:52:10,040 --> 00:52:07,740

what's happened to Trump that the real

1065

00:52:12,380 --> 00:52:10,050

Trump was taken away by the wee folk and

1066

00:52:15,350 --> 00:52:12,390

you know like this this sentence they're

1067

00:52:16,580 --> 00:52:15,360

called trolls right so Trump Trump the

1068

00:52:20,750 --> 00:52:16,590

troll that sounds right

1069

00:52:23,980 --> 00:52:20,760

trumpet roll was and you know the and of

1070

00:52:26,960 --> 00:52:23,990

course the the the changeling baby is

1071

00:52:28,760 --> 00:52:26,970

will look like the one that was left

1072

00:52:32,230 --> 00:52:28,770

behind but the personality will be

1073

00:52:36,920 --> 00:52:32,240

different usually you know like nasty

1074

00:52:39,080 --> 00:52:36,930

you know money-grubbing and this you

1075

00:52:39,710 --> 00:52:39,090

know with you know step over their own

1076
00:52:47,660 --> 00:52:39,720
mother

1077
00:52:49,520 --> 00:52:47,670
you know for themselves is there any can

1078
00:52:52,190 --> 00:52:49,530
we sprinkle holy water will that get the

1079
00:52:56,410 --> 00:52:52,200
changeling out no usually you know now

1080
00:52:59,930 --> 00:52:56,420
in say like a scotch and and Welch

1081
00:53:04,340 --> 00:52:59,940
mythology the parents would go and like

1082
00:53:09,740 --> 00:53:04,350
beat this child or throw it in the

1083
00:53:11,540 --> 00:53:09,750
fireplace when the thought process was

1084
00:53:15,170 --> 00:53:11,550
is that you know if they go and make

1085
00:53:17,840 --> 00:53:15,180
torture this changeling enough then the

1086
00:53:19,849 --> 00:53:17,850
you know like the the fairies are

1087
00:53:22,220 --> 00:53:19,859
brownies or trolls or whatever cuz you

1088
00:53:25,370 --> 00:53:22,230

know we'll come back and take it away

1089

00:53:29,720 --> 00:53:25,380

and bring the other one back they call

1090

00:53:31,790 --> 00:53:29,730

they're on to us I think the greatest

1091

00:53:33,290 --> 00:53:31,800

likelihood is Trump was just an oath and

1092

00:53:35,090 --> 00:53:33,300

that's all it is it's probably not

1093

00:53:37,010 --> 00:53:35,100

anything supernatural or anything like

1094

00:53:40,609 --> 00:53:37,020

yeah I'd hate to encourage beating up

1095

00:53:47,930 --> 00:53:40,619

anybody but that's uh yeah that's kind

1096

00:53:50,390 --> 00:53:47,940

of yeah well it was always a good excuse

1097

00:53:53,109 --> 00:53:50,400

I suppose when you had a kid that you

1098

00:53:56,540 --> 00:53:53,119

know wasn't behaving themselves or

1099

00:53:59,480 --> 00:53:56,550

conforming to our society at that time

1100

00:54:01,250 --> 00:53:59,490

was thinking that a kid should be so

1101

00:54:03,320 --> 00:54:01,260

they would say oh well this isn't our

1102

00:54:05,580 --> 00:54:03,330

kid this is a changeling you know let's

1103

00:54:07,530 --> 00:54:05,590

get the birch sticks out and beat

1104

00:54:12,090 --> 00:54:07,540

until the fairies come back and take it

1105

00:54:13,680 --> 00:54:12,100

oh well I was thinking in terms of that

1106

00:54:17,550 --> 00:54:13,690

I know there's different little love

1107

00:54:19,680 --> 00:54:17,560

plans to indict Hillary for you know

1108

00:54:22,410 --> 00:54:19,690

different kinds of things and the

1109

00:54:23,850 --> 00:54:22,420

Clintons in general and I didn't know

1110

00:54:25,890 --> 00:54:23,860

what he might have gotten a little bit

1111

00:54:28,560 --> 00:54:25,900

of conspiratorial political stuff going

1112

00:54:32,280 --> 00:54:28,570

on that he'll there's you know and I

1113

00:54:35,130 --> 00:54:32,290

hate to get involved too much in stuff

1114

00:54:38,730 --> 00:54:35,140

like that because it's just it just gets

1115

00:54:42,360 --> 00:54:38,740

crazier and crazier and I you know I

1116

00:54:45,200 --> 00:54:42,370

like a good conspiracy as much as anyone

1117

00:54:48,750 --> 00:54:45,210

but point when you get into this

1118

00:54:50,640 --> 00:54:48,760

partisan politics stuff yeah I mean it's

1119

00:54:52,320 --> 00:54:50,650

just like people will just go well I

1120

00:54:54,690 --> 00:54:52,330

mean okay you have this you have that

1121

00:54:58,230 --> 00:54:54,700

guy you know take a gun over to that

1122

00:55:00,120 --> 00:54:58,240

pizza parlor in Washington and you know

1123

00:55:01,920 --> 00:55:00,130

there we go blow up the place because he

1124

00:55:04,580 --> 00:55:01,930

believed these stories that there were

1125

00:55:08,220 --> 00:55:04,590

you know like underground bunkers of

1126
00:55:11,010 --> 00:55:08,230
satanic pedophiles there yeah I remember

1127
00:55:15,270 --> 00:55:11,020
that yeah that was pretty wild see and

1128
00:55:17,580 --> 00:55:15,280
that works back to a whole limit after

1129
00:55:20,720 --> 00:55:17,590
trip after Drake they're just recovering

1130
00:55:28,410 --> 00:55:24,240
so you know I get talking too much my

1131
00:55:31,830 --> 00:55:28,420
throat will get get scratchy it goes

1132
00:55:36,390 --> 00:55:31,840
from what well if it hurts back to that

1133
00:55:38,730 --> 00:55:36,400
hole you know like 1980s satanic scare

1134
00:55:40,140 --> 00:55:38,740
that swept really you know they started

1135
00:55:41,670 --> 00:55:40,150
here in the United States but it swept

1136
00:55:44,370 --> 00:55:41,680
all over the world and you know

1137
00:55:46,560 --> 00:55:44,380
especially it targeted say like daycare

1138
00:55:50,310 --> 00:55:46,570

centers you know we had these people

1139

00:55:52,800 --> 00:55:50,320

saying that the the owners or the

1140

00:55:56,010 --> 00:55:52,810

workers were taking these children you

1141

00:55:58,740 --> 00:55:56,020

know to caves for satanic you know

1142

00:56:00,810 --> 00:55:58,750

rituals and they were killing babies and

1143

00:56:02,940 --> 00:56:00,820

and you know the devil would come and

1144

00:56:05,760 --> 00:56:02,950

stuff and I mean there were actually

1145

00:56:09,060 --> 00:56:05,770

people all across this country were

1146

00:56:13,860 --> 00:56:09,070

taken to like jury trials and sent away

1147

00:56:15,600 --> 00:56:13,870

to prison for years from these types of

1148

00:56:16,980 --> 00:56:15,610

stories yeah well you know it's kind of

1149

00:56:18,690 --> 00:56:16,990

gotten you know people I think are

1150

00:56:23,219 --> 00:56:18,700

embarrassed about it

1151

00:56:25,950 --> 00:56:23,229

because maybe 10 20 years later hmm you

1152

00:56:27,359 --> 00:56:25,960

know they've been released from jail but

1153

00:56:30,569 --> 00:56:27,369

I thought there was one woman

1154

00:56:34,499 --> 00:56:30,579

gosh war was a Connecticut New Hampshire

1155

00:56:37,219 --> 00:56:34,509

someplace like that as a single woman

1156

00:56:39,809 --> 00:56:37,229

who was running this daycare center and

1157

00:56:43,049 --> 00:56:39,819

she was put away in jail cause she was

1158

00:56:45,089 --> 00:56:43,059

there for like you know 15 years before

1159

00:56:48,420 --> 00:56:45,099

they finally came to their senses and

1160

00:56:51,089 --> 00:56:48,430

and said maybe we were wrong about this

1161

00:56:54,239 --> 00:56:51,099

well and and the you know children who

1162

00:56:57,829 --> 00:56:54,249

had been basically forced to confess or

1163

00:57:02,609 --> 00:56:57,839

not to confess but you know to to say

1164

00:57:04,799 --> 00:57:02,619

well you know you had these doctors and

1165

00:57:07,950 --> 00:57:04,809

I'll put you know quotation marks her in

1166

00:57:10,859 --> 00:57:07,960

a psychologist you know who would

1167

00:57:14,910 --> 00:57:10,869

basically cohort these stories out of

1168

00:57:17,579 --> 00:57:14,920

these kids you know and what if this

1169

00:57:19,410 --> 00:57:17,589

Dutch banker named Ronald Bernard and

1170

00:57:22,799 --> 00:57:19,420

him speaking of like he was an elite

1171

00:57:26,219 --> 00:57:22,809

businessman who would help crash whole

1172

00:57:28,979 --> 00:57:26,229

governments and economies and he said

1173

00:57:30,900 --> 00:57:28,989

they perform satanic rituals they killed

1174

00:57:35,249 --> 00:57:30,910

children and that's where he drew the

1175

00:57:36,870 --> 00:57:35,259

line oh my gosh Ronald's Bernard I

1176

00:57:38,940 --> 00:57:36,880

should say it's a Dutch banker if you

1177

00:57:41,900 --> 00:57:38,950

google that how posted in the chat room

1178

00:57:47,219 --> 00:57:41,910

- had you heard of that Tim oh yeah yeah

1179

00:57:53,009 --> 00:57:47,229

think of what he's done he's not the

1180

00:57:54,630 --> 00:57:53,019

only one there was the oh my gosh now I

1181

00:57:57,599 --> 00:57:54,640

can't I can't think of a name oh but it

1182

00:58:00,839 --> 00:57:57,609

was an Oklahoman again back in the in

1183

00:58:03,920 --> 00:58:00,849

the 1980s where supposedly there was

1184

00:58:08,420 --> 00:58:03,930

this whole big government-sponsored

1185

00:58:11,910 --> 00:58:08,430

pedophile ring going on that involved

1186

00:58:14,930 --> 00:58:11,920

senators and congressmen another you

1187

00:58:20,039 --> 00:58:14,940

know rich individuals and and they had a

1188

00:58:21,809 --> 00:58:20,049

predilection for boys so there'd be they

1189

00:58:24,630 --> 00:58:21,819

would provide supposedly they would

1190

00:58:26,729 --> 00:58:24,640

provide boys that would kidnapped you

1191

00:58:28,589 --> 00:58:26,739

know from across not only the United

1192

00:58:31,859 --> 00:58:28,599

States but say like Mexico and things

1193

00:58:34,650 --> 00:58:31,869

like that there was actually going to be

1194

00:58:37,499 --> 00:58:34,660

a documentary that had been produced by

1195

00:58:39,749 --> 00:58:37,509

PBS that was going to run but at the

1196

00:58:41,970 --> 00:58:39,759

last minute it was pulled now of course

1197

00:58:43,650 --> 00:58:41,980

all the conspiracy serious you know like

1198

00:58:46,799 --> 00:58:43,660

oh well you know they pulled it you know

1199

00:58:49,589 --> 00:58:46,809

because the the rich elites didn't want

1200

00:58:54,650 --> 00:58:49,599

this information to come out it's it's

1201
00:59:00,749 --> 00:58:59,220
these stories sound so wild so crazy you

1202
00:59:02,579 --> 00:59:00,759
know it's kind of like a lot of these

1203
00:59:04,799 --> 00:59:02,589
you have other stories you know the

1204
00:59:08,249 --> 00:59:04,809
story so it's so wild or so crazy that

1205
00:59:11,730 --> 00:59:08,259
you know you just can't believe them but

1206
00:59:13,620 --> 00:59:11,740
is sometimes something in the back of my

1207
00:59:18,329 --> 00:59:13,630
mind it's just like you know what if

1208
00:59:21,720 --> 00:59:18,339
they're telling the true yeah highly

1209
00:59:23,069 --> 00:59:21,730
doing this and I don't mean like I've

1210
00:59:24,720 --> 00:59:23,079
have any grand knowledge of it

1211
00:59:27,779 --> 00:59:24,730
personally but I have heard it over the

1212
00:59:30,480 --> 00:59:27,789
years from living in this area that and

1213
00:59:33,599 --> 00:59:30,490

this is legit there are whole towns in

1214

00:59:36,470 --> 00:59:33,609

Oklahoma that are actually satanic towns

1215

00:59:40,349 --> 00:59:36,480

I mean I'm talking like the postman the

1216

00:59:42,930 --> 00:59:40,359

guy running the gas station all of it

1217

00:59:45,599 --> 00:59:42,940

and that there are actual that does

1218

00:59:47,220 --> 00:59:45,609

actually exist and I know it sounds like

1219

00:59:49,880 --> 00:59:47,230

a fish story but I have that on good

1220

00:59:53,400 --> 00:59:49,890

authority and they were big into like

1221

00:59:55,440 --> 00:59:53,410

somehow the Satanists were big into what

1222

00:59:57,779 --> 00:59:55,450

production of methamphetamine and stuff

1223

00:59:59,309 --> 00:59:57,789

like that and I mean it's just

1224

01:00:00,900 --> 00:59:59,319

in other words Oklahoma for the most

1225

01:00:02,789 --> 01:00:00,910

part seems pretty down-home ourian

1226

01:00:05,549 --> 01:00:02,799

normal like blake shelton or something

1227

01:00:11,039 --> 01:00:05,559

but there is a there is a seme little

1228

01:00:13,049 --> 01:00:11,049

evil part of it I guess well I mean very

1229

01:00:14,249 --> 01:00:13,059

there is that possibility I mean you you

1230

01:00:16,349 --> 01:00:14,259

know you have a you have a town that

1231

01:00:18,180 --> 01:00:16,359

that's small enough where you get a

1232

01:00:20,249 --> 01:00:18,190

majority in the population who are

1233

01:00:27,390 --> 01:00:20,259

especially when it comes to you know

1234

01:00:31,529 --> 01:00:27,400

like a drugs and as for the satanic part

1235

01:00:33,509 --> 01:00:31,539

of it you know that's to me I have I

1236

01:00:36,690 --> 01:00:33,519

have no problem believing that there are

1237

01:00:39,340 --> 01:00:36,700

people who who believe you know that

1238

01:00:41,920 --> 01:00:39,350

they're Satanists and you know and

1239

01:00:44,640 --> 01:00:41,930

and worship the devil and things like

1240

01:00:47,310 --> 01:00:44,650

that whether or not that there is

1241

01:00:49,240 --> 01:00:47,320

whether or not there is say like an

1242

01:00:51,280 --> 01:00:49,250

organization you know say like a

1243

01:00:53,950 --> 01:00:51,290

worldwide organization where they all

1244

01:00:59,200 --> 01:00:53,960

you know send emails to each other and

1245

01:01:00,750 --> 01:00:59,210

text and you know that I'm not too sure

1246

01:01:04,030 --> 01:01:00,760

about

1247

01:01:07,270 --> 01:01:04,040

believe it or not I've met it I've met

1248

01:01:10,200 --> 01:01:07,280

an ex-military guy who couldn't take the

1249

01:01:12,970 --> 01:01:10,210

orders anymore for performing and

1250

01:01:16,030 --> 01:01:12,980

satanic ritualistic stuff our government

1251

01:01:18,040 --> 01:01:16,040

was doing in this Pamuk amps our

1252

01:01:19,660 --> 01:01:18,050

government and fema camps it's

1253

01:01:23,260 --> 01:01:19,670

disgusting

1254

01:01:26,680 --> 01:01:23,270

fema camps that are actual mean actual

1255

01:01:34,240 --> 01:01:26,690

satanic botanics stuff sacrificing

1256

01:01:38,410 --> 01:01:34,250

people torturing people yeah and you put

1257

01:01:40,480 --> 01:01:38,420

on good authority if if this person that

1258

01:01:42,880 --> 01:01:40,490

I've been in touch with is being

1259

01:01:44,860 --> 01:01:42,890

straight for it and I think he may be so

1260

01:01:47,800 --> 01:01:44,870

yeah that's really disturbing that's

1261

01:01:52,540 --> 01:01:47,810

it's sad ex-military people have the

1262

01:01:53,680 --> 01:01:52,550

best information I tell you military

1263

01:01:56,170 --> 01:01:53,690

people I've never heard anything like

1264

01:01:58,330 --> 01:01:56,180

that Jesse Jesse Ventura on his show

1265

01:02:00,130 --> 01:01:58,340

conspiracy theory did he not go and find

1266

01:02:01,750 --> 01:02:00,140

these FEMA camps popping up all over and

1267

01:02:03,850 --> 01:02:01,760

he said what's going on here and they

1268

01:02:08,410 --> 01:02:03,860

didn't want to give the information did

1269

01:02:11,050 --> 01:02:08,420

you see that one you're talking about

1270

01:02:12,430 --> 01:02:11,060

it's at these camps that this person

1271

01:02:13,870 --> 01:02:12,440

that told me that they're doing these

1272

01:02:18,070 --> 01:02:13,880

things so what do you think is FEMA

1273

01:02:20,110 --> 01:02:18,080

camps popping up well what once again I

1274

01:02:22,660 --> 01:02:20,120

mean you that this is something that I

1275

01:02:26,560 --> 01:02:22,670

mean that's been going around oh my god

1276

01:02:29,290 --> 01:02:26,570

even before say like a Waco and and

1277

01:02:31,180 --> 01:02:29,300

situations like that probably probably

1278

01:02:33,510 --> 01:02:31,190

from the earliest day of the internet

1279

01:02:36,670 --> 01:02:33,520

there was actually a couple of places in

1280

01:02:40,750 --> 01:02:36,680

Indianapolis I remember that were said

1281

01:02:44,230 --> 01:02:40,760

to be emergency FEMA camps one of them

1282

01:02:46,630 --> 01:02:44,240

was like a an old railroad facility that

1283

01:02:47,510 --> 01:02:46,640

was in beach Grove which is a suburb of

1284

01:04:26,630 --> 01:02:47,520

a

1285

01:04:33,320 --> 01:04:26,640

Mexico story going on out of there

1286

01:04:36,440 --> 01:04:33,330

oh well practically every state you know

1287

01:04:40,849 --> 01:04:36,450

has has something unusual weird going on

1288

01:04:43,640 --> 01:04:40,859

you know I did run across an interesting

1289

01:04:47,570 --> 01:04:43,650

you're talking earlier about these game

1290

01:04:51,140 --> 01:04:47,580

cameras and somebody had put up and this

1291

01:04:54,020 --> 01:04:51,150

was outside of Albuquerque and somebody

1292

01:04:58,670 --> 01:04:54,030

had put up a game camera in their

1293

01:05:00,380 --> 01:04:58,680

backyard and tried to catch the deer who

1294

01:05:03,410 --> 01:05:00,390

were coming in

1295

01:05:06,799 --> 01:05:03,420

and that night there was actually there

1296

01:05:08,269 --> 01:05:06,809

was a videotaped a couple of you know

1297

01:05:11,180 --> 01:05:08,279

deer at the yard but then all of a

1298

01:05:13,819 --> 01:05:11,190

sudden from up above this beam of light

1299

01:05:21,500 --> 01:05:13,829

came down but it didn't like you know

1300

01:05:23,930 --> 01:05:21,510

flick on instead it slowly came down it

1301

01:05:28,039 --> 01:05:23,940

was it was the oddest thing that I had

1302

01:05:31,279 --> 01:05:28,049

ever seen before it came halfway down

1303

01:05:35,059 --> 01:05:31,289

into the screen over the area where they

1304

01:05:38,240 --> 01:05:35,069

were these deer were and then just kind

1305

01:05:40,430 --> 01:05:38,250

of slowly went back up again I know what

1306

01:05:46,130 --> 01:05:40,440

that was that was Scottie not giving it

1307

01:05:47,720 --> 01:05:46,140

all she's got I will read one of the

1308

01:05:49,759 --> 01:05:47,730

reasons I said that is you know of

1309

01:05:52,130 --> 01:05:49,769

course I used to go to Vegas a lot yeah

1310

01:05:55,730 --> 01:05:52,140

and years passed and we drew sometimes

1311

01:05:58,640 --> 01:05:55,740

we used to drive out there and it had

1312

01:06:00,500 --> 01:05:58,650

the most exotic feel to it now there's

1313

01:06:03,589 --> 01:06:00,510

two places in the country that that have

1314

01:06:05,299 --> 01:06:03,599

exotic feels but like like South

1315

01:06:06,920 --> 01:06:05,309

Georgia's you driving up the coast you

1316

01:06:10,370 --> 01:06:06,930

know from Savannah upwards it you know

1317

01:06:12,650 --> 01:06:10,380

it's kind of very wide open spaces very

1318

01:06:15,319 --> 01:06:12,660

few people but but there's nothing that

1319

01:06:17,299 --> 01:06:15,329

was exotic is its world New Mexico that

1320

01:06:20,269 --> 01:06:17,309

just I mean anything could happen out

1321

01:06:22,039 --> 01:06:20,279

there be out there I mean I knew this

1322

01:06:23,539 --> 01:06:22,049

one woman years ago she's a pretty

1323

01:06:26,029 --> 01:06:23,549

credible witness I might have told this

1324

01:06:28,130 --> 01:06:26,039

story before but she and her daughter

1325

01:06:31,759 --> 01:06:28,140

were driving along a lonesome Highway

1326

01:06:35,630 --> 01:06:31,769

out there and they're going about 60 you

1327

01:06:37,609 --> 01:06:35,640

know moonlit night and all that and they

1328

01:06:40,099 --> 01:06:37,619

see a Kyle what looks like a wolf

1329

01:06:41,569 --> 01:06:40,109

chasing the sideways you know right to

1330

01:06:44,089 --> 01:06:41,579

the right of the car keeping pace with

1331

01:06:45,769 --> 01:06:44,099

the car they're going 60 and it went on

1332

01:06:48,710 --> 01:06:45,779

for like two minutes which is way

1333

01:06:51,349 --> 01:06:48,720

further than a wolf good news yikes

1334

01:06:54,349 --> 01:06:51,359

and and the daughter was in the

1335

01:06:56,450 --> 01:06:54,359

passenger side and the the creature

1336

01:06:58,009 --> 01:06:56,460

clunked against her side of the car both

1337

01:07:00,769 --> 01:06:58,019

of them screamed and everything else and

1338

01:07:03,200 --> 01:07:00,779

the man I want to go on but what I'm

1339

01:07:05,450 --> 01:07:03,210

saying that a cheetah can go 70 miles an

1340

01:07:09,499 --> 01:07:05,460

hour but I think Tim it's for 20 or 30

1341

01:07:11,569 --> 01:07:09,509

seconds and that's it and that you know

1342

01:07:13,760 --> 01:07:11,579

then it gets winded and that's it but

1343

01:07:15,410 --> 01:07:13,770

there's no record of any wolves

1344

01:07:17,300 --> 01:07:15,420

with being able to go 60 miles an hour

1345

01:07:20,560 --> 01:07:17,310

for two or three minutes that's just not

1346

01:07:23,300 --> 01:07:20,570

in anything we've ever been exposed to

1347

01:07:25,700 --> 01:07:23,310

whatever the hell whatever creature it

1348

01:07:28,550 --> 01:07:25,710

was was damn exotic creature

1349

01:07:30,500 --> 01:07:28,560

we'll see what what you just described

1350

01:07:32,930 --> 01:07:30,510

though this is something that a lot of

1351
01:07:36,350 --> 01:07:32,940
witnesses when they see some kind of

1352
01:07:39,770 --> 01:07:36,360
cryptid creature this is reported quite

1353
01:07:41,420 --> 01:07:39,780
often that they'll either try to drive

1354
01:07:44,090 --> 01:07:41,430
away or they're already in the process

1355
01:07:45,680 --> 01:07:44,100
of driving and whatever it is that

1356
01:07:48,830 --> 01:07:45,690
they're seeing is keeping pace with the

1357
01:07:52,300 --> 01:07:48,840
car and you know they're like six miles

1358
01:07:54,860 --> 01:07:52,310
an hour and whatever is after them is

1359
01:07:56,480 --> 01:07:54,870
keeping up right alongside you know

1360
01:07:58,130 --> 01:07:56,490
close enough a lot of times it's able to

1361
01:07:59,990 --> 01:07:58,140
like bang onto the wooden you know like

1362
01:08:02,720 --> 01:08:00,000
the passenger or draw like in this case

1363
01:08:04,700 --> 01:08:02,730

yeah that's like a common cartoon or

1364

01:08:07,430 --> 01:08:04,710

comic where dogs chase cars so maybe

1365

01:08:10,100 --> 01:08:07,440

these wolves can't help it you know I

1366

01:08:12,290 --> 01:08:10,110

knew a lady who got interested in the

1367

01:08:14,720 --> 01:08:12,300

whole UFO alien topic and Bigfoot

1368

01:08:17,690 --> 01:08:14,730

because she was in Mexico at the beach

1369

01:08:21,230 --> 01:08:17,700

in a car talking with her friend and all

1370

01:08:23,809 --> 01:08:21,240

of a sudden a Bigfoot came and peered

1371

01:08:26,269 --> 01:08:23,819

inside the car and put his hands up over

1372

01:08:29,990 --> 01:08:26,279

its face while it was looking in you

1373

01:08:31,730 --> 01:08:30,000

know like peeking in she believed in a

1374

01:08:33,440 --> 01:08:31,740

Bigfoot and then it just walked away

1375

01:08:35,000 --> 01:08:33,450

they were so freaked out and like a

1376

01:08:42,079 --> 01:08:35,010

Bigfoot in Mexico on the beach

1377

01:08:44,809 --> 01:08:42,089

interesting it's not david they've been

1378

01:08:47,030 --> 01:08:44,819

reported I think he's like in North

1379

01:08:49,039 --> 01:08:47,040

America every place with the exception

1380

01:08:51,440 --> 01:08:49,049

of Hawaii Hawaii seems about the only

1381

01:08:53,809 --> 01:08:51,450

states you know Mexico in such a state

1382

01:09:00,200 --> 01:08:53,819

but you know a long way to swim I guess

1383

01:09:01,120 --> 01:09:00,210

I guess so all 49 states have had

1384

01:09:10,099 --> 01:09:01,130

Bigfoots

1385

01:09:12,200 --> 01:09:10,109

yes that's that's that's again see we go

1386

01:09:15,800 --> 01:09:12,210

back to this to this whole idea that you

1387

01:09:18,140 --> 01:09:15,810

know are we actually seen all the time

1388

01:09:21,019 --> 01:09:18,150

physical creatures or are we dealing

1389

01:09:24,240 --> 01:09:21,029

with something that is you know not of

1390

01:09:27,519 --> 01:09:24,250

this this world as we is read as we

1391

01:09:28,749 --> 01:09:27,529

have you had anybody contact you saying

1392

01:09:34,439 --> 01:09:28,759

they were part of the secret space

1393

01:09:38,680 --> 01:09:34,449

program I have but I don't believe them

1394

01:09:40,360 --> 01:09:38,690

what is it okay it's it's another one of

1395

01:09:41,950 --> 01:09:40,370

these situations you know and there's a

1396

01:09:43,360 --> 01:09:41,960

couple of guys out there who were saying

1397

01:09:49,079 --> 01:09:43,370

the very same kind of story

1398

01:09:51,760 --> 01:09:49,089

where they were taken as children and

1399

01:09:53,530 --> 01:09:51,770

made part of the secret space program

1400

01:09:55,660 --> 01:09:53,540

usually in the form of say like a

1401

01:10:00,430 --> 01:09:55,670

soldier or guard something like that

1402

01:10:04,229 --> 01:10:00,440

where they will work till say like

1403

01:10:09,850 --> 01:10:04,239

they're in their 20s or 30s and then

1404

01:10:11,410 --> 01:10:09,860

they're taken back through time to when

1405

01:10:19,390 --> 01:10:11,420

they're kids when they're a kid again

1406

01:10:22,419 --> 01:10:19,400

and put back different I was taken by a

1407

01:10:25,570 --> 01:10:22,429

soldier he would babysit him he was a

1408

01:10:27,130 --> 01:10:25,580

neighbor and he would go to the base and

1409

01:10:30,220 --> 01:10:27,140

be taught how to fly planes on a

1410

01:10:32,919 --> 01:10:30,230

simulator and and Witten did this for

1411

01:10:35,140 --> 01:10:32,929

years and then came back with a odd

1412

01:10:37,900 --> 01:10:35,150

memories of things but not much more and

1413

01:10:39,669 --> 01:10:37,910

and then met a guy who said hey don't

1414

01:10:41,590 --> 01:10:39,679

you remember the program we were in and

1415

01:10:43,840 --> 01:10:41,600

we flew to the moon and all this stuff

1416

01:10:46,150 --> 01:10:43,850

and he's like the guy look familiar you

1417

01:10:47,919 --> 01:10:46,160

know it's like whoa there I mean there's

1418

01:10:50,310 --> 01:10:47,929

a lot of this out there it makes you

1419

01:10:52,479 --> 01:10:50,320

wonder though doesn't it a little bit

1420

01:10:54,910 --> 01:10:52,489

and once again it's the same kind of

1421

01:10:57,060 --> 01:10:54,920

story that we've heard from people who

1422

01:11:00,280 --> 01:10:57,070

claim that they have been taken away by

1423

01:11:03,250 --> 01:11:00,290

by extraterrestrials and take him to say

1424

01:11:05,740 --> 01:11:03,260

like a secret underground base and and

1425

01:11:07,780 --> 01:11:05,750

taught him say you know to operate

1426

01:11:11,350 --> 01:11:07,790

machinery or to fly a flight sauce or

1427

01:11:13,720 --> 01:11:11,360

something like that probably 15 years

1428

01:11:15,490 --> 01:11:13,730

ago this guy told me that so as before

1429

01:11:17,470 --> 01:11:15,500

the secret space program stuff came

1430

01:11:19,870 --> 01:11:17,480

forward so that's it just makes you

1431

01:11:21,520 --> 01:11:19,880

wonder I don't know that's it's just

1432

01:11:23,380 --> 01:11:21,530

fascinating and what do you think about

1433

01:11:24,880 --> 01:11:23,390

the missing four one one all the people

1434

01:11:30,150 --> 01:11:24,890

going missing what's your thought on

1435

01:11:35,110 --> 01:11:30,160

that that that's a that's a scary one

1436

01:11:36,260 --> 01:11:35,120

you know I have I have my own ideas but

1437

01:11:38,240 --> 01:11:36,270

of course you know

1438

01:11:41,150 --> 01:11:38,250

as I always say I don't believe in

1439

01:11:42,980 --> 01:11:41,160

anything because if you go and start

1440

01:11:45,650 --> 01:11:42,990

believing in something if you're then

1441

01:11:48,020 --> 01:11:45,660

given contrary information you have a

1442

01:11:50,690 --> 01:11:48,030

hard time than getting rid of your old

1443

01:11:54,110 --> 01:11:50,700

belief patterns so I try to keep my mind

1444

01:11:58,670 --> 01:11:54,120

open to all possibilities not so open

1445

01:12:02,540 --> 01:11:58,680

that my brain falls out but open enough

1446

01:12:04,850 --> 01:12:02,550

that I'm willing to look at really any

1447

01:12:07,540 --> 01:12:04,860

kind of explanation one of the things

1448

01:12:11,240 --> 01:12:07,550

that I will point out is that a lot of

1449

01:12:15,290 --> 01:12:11,250

people especially children who disappear

1450

01:12:18,530 --> 01:12:15,300

and that are found again later a number

1451
01:12:22,810 --> 01:12:18,540
of them report that they were taken say

1452
01:12:28,520 --> 01:12:22,820
like by as I put it like a big bear or

1453
01:12:32,930 --> 01:12:28,530
or a big hairy something so if it's a

1454
01:12:36,110 --> 01:12:32,940
criminal well I mean you think about it

1455
01:12:37,970 --> 01:12:36,120
if Bigfoot if there is a part of the

1456
01:12:40,550 --> 01:12:37,980
Bigfoot phenomena that is a physical

1457
01:12:44,570 --> 01:12:40,560
creature why wouldn't they be

1458
01:12:46,730 --> 01:12:44,580
opportunistic when it comes to eating we

1459
01:12:55,100 --> 01:12:46,740
could be their prison camp for all we

1460
01:12:58,250 --> 01:12:55,110
know well they're somebody who is a

1461
01:13:00,830 --> 01:12:58,260
guest of our show not too long ago was

1462
01:13:02,930 --> 01:13:00,840
talking about they're out there they

1463
01:13:04,910 --> 01:13:02,940

bought a house and the person they

1464

01:13:07,190 --> 01:13:04,920

bought a house from she thought possibly

1465

01:13:09,440 --> 01:13:07,200

could have ended up being a for a while

1466

01:13:12,160 --> 01:13:09,450

one would run she was out on a hike with

1467

01:13:15,350 --> 01:13:12,170

her family and this was a woman I guess

1468

01:13:17,120 --> 01:13:15,360

not her gasps but her landlady who was

1469

01:13:20,300 --> 01:13:17,130

very familiar with the outdoors hiked a

1470

01:13:22,460 --> 01:13:20,310

lot she strangled a little bit behind

1471

01:13:24,440 --> 01:13:22,470

her family and all of a sudden they

1472

01:13:26,810 --> 01:13:24,450

noticed she wasn't there so when they

1473

01:13:30,950 --> 01:13:26,820

docked tracks they found her lying on

1474

01:13:34,520 --> 01:13:30,960

her back she had been hit with a big

1475

01:13:36,470 --> 01:13:34,530

rock yeah just seemed to I mean it was

1476

01:13:37,940 --> 01:13:36,480

just there on the trail and the

1477

01:13:41,120 --> 01:13:37,950

implication was is that somebody had

1478

01:13:44,840 --> 01:13:41,130

thrown it at her but there was nobody

1479

01:13:46,280 --> 01:13:44,850

else around so the speculation is is

1480

01:13:48,650 --> 01:13:46,290

that if they haven't turned back around

1481

01:13:49,700 --> 01:13:48,660

and you know left her there for a few

1482

01:13:52,379 --> 01:13:49,710

minutes

1483

01:13:55,860 --> 01:13:52,389

she'sshe somebody's prey you know did

1484

01:13:57,390 --> 01:13:55,870

somebody log a rocket her and then you

1485

01:13:58,950 --> 01:13:57,400

know when they could just drag her off

1486

01:14:01,620 --> 01:13:58,960

the trail and she'd be gone you know

1487

01:14:05,850 --> 01:14:01,630

another forward one another Bigfoot case

1488

01:14:08,430 --> 01:14:05,860

right guys I guess I guess we better rel

1489

01:14:11,040 --> 01:14:08,440

I guess we better run also announce once

1490

01:14:13,860 --> 01:14:11,050

again Tim's conspiracy girl calm less

1491

01:14:16,200 --> 01:14:13,870

people need to go visit and this radio

1492

01:14:18,930 --> 01:14:16,210

show what when is it on Tim it's

1493

01:14:21,600 --> 01:14:18,940

exploring the bizarre its heard Thursday

1494

01:14:30,810 --> 01:14:21,610

nights at 10 o'clock Eastern on K cor

1495

01:14:32,939 --> 01:14:30,820

radio thank you I always do you take

1496

01:14:33,800 --> 01:14:32,949

care out there yeah yeah good night

1497

01:14:36,810 --> 01:14:33,810

everybody

1498

01:14:40,890 --> 01:14:36,820

well next week we're gonna have a Colts

1499

01:14:43,020 --> 01:14:40,900

show on Colts and be a different kind of

1500

01:14:44,729 --> 01:14:43,030

show when people get trapped up in cults

1501

01:14:47,040 --> 01:14:44,739

and some of the ramifications and all

1502

01:14:49,919 --> 01:14:47,050

these a different subject very cool
