Supernatural Girlz

Guest: Whitey Strieber

1
00:00:30,730 --> 00:00:28,750
archangels ghosts and Bigfoot oh my it's

2
00:00:34,119 --> 00:00:30,740
just another night for Supernatural

3
00:00:36,280 --> 00:00:34,129
girls real stories real answers to

4
00:00:38,650 --> 00:00:36,290
life's biggest supernatural mysteries

5
00:00:41,530 --> 00:00:38,660
and now for another exciting interview

6
00:00:44,290 --> 00:00:41,540
with Errol experts in this world and

7
00:00:47,319 --> 00:00:44,300
others here's your host paranormal

8
00:00:47,650 --> 00:00:47,329
researcher Patricia Baker on the one the

9
00:01:06,550 --> 00:00:47,660
only

10
00:01:09,890 --> 00:01:06,560
[Music]

11
00:01:10,609 --> 00:01:09,900
welcome everybody to supernatural Girls

12
00:01:12,590 --> 00:01:10,619
radio

13
00:01:16,430 --> 00:01:12,600

I'm your host Patricia Baker I am here

14

00:01:18,550 --> 00:01:16,440

with my co-host PK it's fish appointment

15

00:01:21,859 --> 00:01:18,560

you're so funny

16

00:01:26,870 --> 00:01:21,869

Tucson well we are freezing freezing

17

00:01:31,070 --> 00:01:26,880

freezing oh well we've just had a very

18

00:01:32,650 --> 00:01:31,080

exciting half an hour haven't we oh I'll

19

00:01:38,029 --> 00:01:32,660

thrill-a-minute

20

00:01:40,639 --> 00:01:38,039

we have had planned a very special guest

21

00:01:43,609 --> 00:01:40,649

on whitley strieber to talk about his

22

00:01:46,910 --> 00:01:43,619

new book and the supernatural and also

23

00:01:51,559 --> 00:01:46,920

communion one of my favorite most creepy

24

00:01:53,510 --> 00:01:51,569

movies ever however he might have been

25

00:01:53,930 --> 00:01:53,520

abducted again because we can't find him

26

00:01:56,210 --> 00:01:53,940

anywhere

27

00:01:59,169 --> 00:01:56,220

so he's supposed to do sound check with

28

00:02:03,229 --> 00:01:59,179

us at 7:00 we can't get a hold of them

29

00:02:05,330 --> 00:02:03,239

our incredible producer is gonna try to

30

00:02:06,350 --> 00:02:05,340

track him down with his best detective

31

00:02:09,440 --> 00:02:06,360

skills

32

00:02:11,210 --> 00:02:09,450

but anyways we'll do our best for

33

00:02:13,430 --> 00:02:11,220

everybody and if it doesn't work out

34

00:02:15,350 --> 00:02:13,440

we're gonna play a repeat show so we're

35

00:02:19,400 --> 00:02:15,360

gonna give it a little while and see if

36

00:02:21,280 --> 00:02:19,410

Whitley is returned by the aliens and if

37

00:02:24,860 --> 00:02:21,290

not we'll take it from there

38

00:02:31,240 --> 00:02:24,870

yes Olly miss pique with your beautiful

39

00:02:34,300 --> 00:02:31,250

new hairdo oh thank you and muffins yes

40

00:02:37,400 --> 00:02:34,310

just makes it so much more glamorous yes

41

00:02:39,979 --> 00:02:37,410

what's going on with the numbers well

42

00:02:42,530 --> 00:02:39,989

you know what what's really strange is

43

00:02:44,240 --> 00:02:42,540

we are in that Universal two year which

44

00:02:47,809 --> 00:02:44,250

we're all dealing with which deals with

45

00:02:50,390 --> 00:02:47,819

sensitivity creativity but it also deals

46

00:02:54,650 --> 00:02:50,400

with some stories being told you know

47

00:02:58,400 --> 00:02:54,660

that know a to can sometimes tell a bit

48

00:03:02,509 --> 00:02:58,410

of a tale or two and today happens to be

49

00:03:04,009 --> 00:03:02,519

a two day as well as the two year and

50

00:03:05,839 --> 00:03:04,019

we're in a four month which deals with

51
00:03:08,059 --> 00:03:05,849
work details and all that kind of thing

52
00:03:09,890 --> 00:03:08,069
but our detail just got blown up out of

53
00:03:11,880 --> 00:03:09,900
the water today because the harder we

54
00:03:15,480 --> 00:03:11,890
tried to put everything together

55
00:03:19,560 --> 00:03:15,490
the aliens came and took our guests on

56
00:03:21,780 --> 00:03:19,570
how a Bombay so I know it I gave you a

57
00:03:24,210 --> 00:03:21,790
really good build up I know you know

58
00:03:26,460 --> 00:03:24,220
said how great he was and now he leaves

59
00:03:29,400 --> 00:03:26,470
us standing at the altar like the

60
00:03:33,180 --> 00:03:29,410
rejected abandoned bride what can we say

61
00:03:34,980 --> 00:03:33,190
if it was the blue man that took him the

62
00:03:36,720 --> 00:03:34,990
blue man made it might have taken him

63
00:03:42,300 --> 00:03:36,730

out I don't know that's right well you

64

00:03:45,800 --> 00:03:42,310

know Lucy if Joe has blue Blues etc

65

00:03:48,270 --> 00:03:45,810

today oh my we're feeling bad feeling it

66

00:03:49,710 --> 00:03:48,280

separated and alone and rejected and

67

00:03:54,630 --> 00:03:49,720

neglected all that fun stuff

68

00:03:58,320 --> 00:03:54,640

Oh God so well designed that so because

69

00:04:01,530 --> 00:03:58,330

I'm asking that our our weather of 77

70

00:04:06,720 --> 00:04:01,540

degrees today almost 80 I'm sailing now

71

00:04:08,729 --> 00:04:06,730

I am so jealous as you know I think I

72

00:04:12,540 --> 00:04:08,739

contracted that horrible flu that was

73

00:04:14,910 --> 00:04:12,550

going around I went to the hospital yeah

74

00:04:17,159 --> 00:04:14,920

it's terrorists deadly for some people

75

00:04:20,580 --> 00:04:17,169

and thank God I'm still here but I was

76

00:04:22,920 --> 00:04:20,590

kind of on the edge and you know it's

77

00:04:24,570 --> 00:04:22,930

one of those things and I think more

78

00:04:27,030 --> 00:04:24,580

than most germ-ridden places in the

79

00:04:30,900 --> 00:04:27,040

world are grocery stores oh god yes

80

00:04:32,430 --> 00:04:30,910

those charts yeah I'm terrible and so I

81

00:04:34,710 --> 00:04:32,440

went to the grocery store I had my

82

00:04:37,620 --> 00:04:34,720

gloves on because it was cold and I

83

00:04:41,070 --> 00:04:37,630

picked up supplies thank God I did but I

84

00:04:43,440 --> 00:04:41,080

came home and just a couple days later

85

00:04:47,280 --> 00:04:43,450

it started and let me tell you what this

86

00:04:49,050 --> 00:04:47,290

stuff is vicious real bad real bad and I

87

00:04:51,050 --> 00:04:49,060

think as I've you know I've discussed I

88

00:04:53,760 --> 00:04:51,060

think this is bacterial from the get-go

89

00:04:56,040 --> 00:04:53,770

so when they're waiting to see if it

90

00:04:57,960 --> 00:04:56,050

turns into bacterial I think that's why

91

00:05:00,900 --> 00:04:57,970

these people are dying because this is a

92

00:05:03,690 --> 00:05:00,910

bacterial ambush and it just takes over

93

00:05:05,790 --> 00:05:03,700

very quickly and I my opinion only I'm

94

00:05:08,130 --> 00:05:05,800

no doctor but I know what it feels like

95

00:05:12,540 --> 00:05:08,140

to have this and I don't usually get

96

00:05:14,940 --> 00:05:12,550

stick so this was this was a bad

97

00:05:18,090 --> 00:05:14,950

surprise and I was down to the count I

98

00:05:18,690 --> 00:05:18,100

was in my PJs for four days and you

99

00:05:21,540 --> 00:05:18,700

believe it

100

00:05:24,150 --> 00:05:21,550

no because you are on the go regardless

101
00:05:25,100 --> 00:05:24,160
of how you feel so you had to feel

102
00:05:28,369 --> 00:05:25,110
really

103
00:05:32,330 --> 00:05:28,379
I couldn't I mean I was just in bed and

104
00:05:33,619 --> 00:05:32,340
in my PJs reading Whitley's book reading

105
00:05:35,059 --> 00:05:33,629
the other books that we have because we

106
00:05:38,029 --> 00:05:35,069
have so many wonderful authors that are

107
00:05:41,450 --> 00:05:38,039
really wanting to be on the show so I

108
00:05:44,839 --> 00:05:41,460
was just hunkered down and today I

109
00:05:50,420 --> 00:05:44,849
actually got up got dressed and ate food

110
00:05:52,610 --> 00:05:50,430
food so do not do more of I do I do but

111
00:05:56,149 --> 00:05:52,620
I'll tell you what everybody I think

112
00:05:58,040 --> 00:05:56,159
it's time to put those masks on and

113
00:06:00,439 --> 00:05:58,050

plastic gloves if you're in a warm

114

00:06:04,010 --> 00:06:00,449

climate and really protect yourself that

115

00:06:05,649 --> 00:06:04,020

stuff is this very difficult to avoid it

116

00:06:07,580 --> 00:06:05,659

right now it seems to be everywhere

117

00:06:09,529 --> 00:06:07,590

everywhere that is for sure

118

00:06:11,930 --> 00:06:09,539

that is for sure yeah the hospitals are

119

00:06:13,700 --> 00:06:11,940

preferring that people not go to the

120

00:06:15,589 --> 00:06:13,710

hospitals because they're overloaded and

121

00:06:17,420 --> 00:06:15,599

they have no way of taking care of it

122

00:06:18,890 --> 00:06:17,430

and they say you do better off if they

123

00:06:20,330 --> 00:06:18,900

keep you at home as opposed to putting

124

00:06:23,659 --> 00:06:20,340

you in the hospital because it's

125

00:06:26,510 --> 00:06:23,669

difficult to take care of you yeah see I

126

00:06:28,850 --> 00:06:26,520

don't know you know what they can do

127

00:06:30,379 --> 00:06:28,860

anyways because by the time they figure

128

00:06:31,909 --> 00:06:30,389

out it's a bacterial infection that's

129

00:06:34,850 --> 00:06:31,919

usually too late and these people or

130

00:06:37,129 --> 00:06:34,860

debt so it's all bad all the way around

131

00:06:39,019 --> 00:06:37,139

the throwing up and such as it that so

132

00:06:40,820 --> 00:06:39,029

many of them are going through and

133

00:06:42,260 --> 00:06:40,830

they're dehydrating on top of it and

134

00:06:45,649 --> 00:06:42,270

they can't keep anything down and

135

00:06:54,950 --> 00:06:45,659

there's nothing they can take so so they

136

00:06:56,839 --> 00:06:54,960

have to be ID'd oh well and you know but

137

00:06:57,920 --> 00:06:56,849

the other thing is this and you know we

138

00:07:00,830 --> 00:06:57,930

were talking about this you me and

139

00:07:02,269 --> 00:07:00,840

George that this feels manufactured this

140

00:07:05,089 --> 00:07:02,279

does not feel like some natural

141

00:07:07,629 --> 00:07:05,099

progression of a flu virus this is

142

00:07:12,379 --> 00:07:07,639

something a little bit more than that

143

00:07:14,240 --> 00:07:12,389

has to make you wonder a little dusting

144

00:07:17,839 --> 00:07:14,250

and cleaning coming in from God knows

145

00:07:20,390 --> 00:07:17,849

where yeah because it's it none of its

146

00:07:22,820 --> 00:07:20,400

normal it hit too hard too fast and the

147

00:07:24,589 --> 00:07:22,830

way it's growing back and forth some of

148

00:07:27,980 --> 00:07:24,599

the states that there are basically two

149

00:07:30,890 --> 00:07:27,990

lock them because of this so the apples

150

00:07:33,249 --> 00:07:30,900

have been closed yep and I'm thinking

151
00:07:35,659 --> 00:07:33,259
back when we were talking last week

152
00:07:38,600 --> 00:07:35,669
about different things that have taken

153
00:07:42,230 --> 00:07:38,610
place and how things come back

154
00:07:46,730 --> 00:07:42,240
didn't we reboot review themselves over

155
00:07:49,339 --> 00:07:46,740
again we were talking about was 250 some

156
00:07:52,700 --> 00:07:49,349
years ago there was the plague that had

157
00:07:54,469 --> 00:07:52,710
in Europe well we're going through we

158
00:07:55,939 --> 00:07:54,479
won't call it the plague of course but

159
00:07:57,980 --> 00:07:55,949
we are going through similar things

160
00:07:58,999 --> 00:07:57,990
where we've got health issues from

161
00:08:02,540 --> 00:07:59,009
coast-to-coast

162
00:08:05,320 --> 00:08:02,550
an Adele yeah some of these areas we

163
00:08:07,520 --> 00:08:05,330

were talking about before re-emerging

164

00:08:10,070 --> 00:08:07,530

how many years later when we were

165

00:08:11,959 --> 00:08:10,080

talking about the solar eclipse and such

166

00:08:16,369 --> 00:08:11,969

how it brings about something those at

167

00:08:18,469 --> 00:08:16,379

250 53 years later much is a review of

168

00:08:21,020 --> 00:08:18,479

what happened back then and we're seeing

169

00:08:23,779 --> 00:08:21,030

some of the same things take place well

170

00:08:25,879 --> 00:08:23,789

tell you it feels like a plague because

171

00:08:28,100 --> 00:08:25,889

so many people have it so many people

172

00:08:29,689 --> 00:08:28,110

are dying from it so many people are

173

00:08:30,980 --> 00:08:29,699

passing it around because they don't

174

00:08:32,389 --> 00:08:30,990

watch their hands they're sneezing and

175

00:08:34,850 --> 00:08:32,399

coughing in everybody's faces and

176

00:08:37,550 --> 00:08:34,860

there's definitely definite is a very

177

00:08:41,779 --> 00:08:37,560

big problem I don't know why people when

178

00:08:43,790 --> 00:08:41,789

they have this go out and why stay home

179

00:08:45,470 --> 00:08:43,800

everybody if you have something nasty

180

00:08:47,720 --> 00:08:45,480

like this this kind of jungle fungus

181

00:08:49,850 --> 00:08:47,730

just stay home and a lot of grocery

182

00:08:50,150 --> 00:08:49,860

stores deliver now which is be grateful

183

00:08:51,889 --> 00:08:50,160

for that

184

00:08:53,269 --> 00:08:51,899

but if you go to the grocery store you

185

00:08:54,889 --> 00:08:53,279

wipe off the handle because some of the

186

00:08:56,509 --> 00:08:54,899

hands and yes the closet you wipe out

187

00:08:58,460 --> 00:08:56,519

the handle but have you ever thought of

188

00:09:00,110 --> 00:08:58,470

YP bought that little seek thing that's

189

00:09:02,449 --> 00:09:00,120

in front of you that we you stick eggs

190

00:09:04,040 --> 00:09:02,459

or purses or whatever it because we've

191

00:09:06,500 --> 00:09:04,050

got people putting their little Fanny's

192

00:09:10,939 --> 00:09:06,510

in those containers and they're never

193

00:09:12,980 --> 00:09:10,949

woke up exactly just and yeah I think

194

00:09:15,290 --> 00:09:12,990

you're right on the money here with that

195

00:09:19,160 --> 00:09:15,300

it's like you have to go like full bore

196

00:09:27,560 --> 00:09:19,170

with a decontamination suit yeah oh I

197

00:09:30,139 --> 00:09:27,570

always call it a jumpsuit and glamorize

198

00:09:32,870 --> 00:09:30,149

the fuel's sequins on it so to make you

199

00:09:40,630 --> 00:09:32,880

feel good yes that's right

200

00:09:41,930 --> 00:09:40,640

lipstick item ask treat a whole new us

201

00:09:43,939 --> 00:09:41,940

yes

202

00:09:45,769 --> 00:09:43,949

well as long as we don't die from this

203

00:09:47,900 --> 00:09:45,779

horrible thing and I'll tell you I was

204

00:09:50,960 --> 00:09:47,910

so sick from it it was awful

205

00:09:52,560 --> 00:09:50,970

but anyway so there I go depressing

206

00:09:55,230 --> 00:09:52,570

nonsense okay

207

00:09:59,100 --> 00:09:55,240

right now next let's talk about next

208

00:10:02,670 --> 00:09:59,110

week because yes yes it is next week we

209

00:10:05,550 --> 00:10:02,680

do not have a guest to interview with

210

00:10:08,730 --> 00:10:05,560

the usual book situation we are starting

211

00:10:11,160 --> 00:10:08,740

to move beyond that and we want to give

212

00:10:14,130 --> 00:10:11,170

back to our audience and I see a message

213

00:10:16,530 --> 00:10:14,140

from Joe and the message is still trying

214

00:10:18,360 --> 00:10:16,540

I'm anticipating that he had time wrong

215

00:10:20,880 --> 00:10:18,370

which means he may possibly try to

216

00:10:22,500 --> 00:10:20,890

connect at the top of the hour all right

217

00:10:26,360 --> 00:10:22,510

so we're gonna go to eight o'clock and

218

00:10:31,200 --> 00:10:26,370

see if he shows up okay very good so

219

00:10:33,840 --> 00:10:31,210

anyways the prayer show is a really

220

00:10:36,240 --> 00:10:33,850

important cell for us yes you and I

221

00:10:37,920 --> 00:10:36,250

discussed it we brought george lugo in -

222

00:10:40,500 --> 00:10:37,930

it is a very famous psychic medium we've

223

00:10:43,410 --> 00:10:40,510

had him on the show repeatedly and the

224

00:10:48,690 --> 00:10:43,420

idea is this we are asking you our

225

00:10:51,420 --> 00:10:48,700

listeners to send us your request for

226

00:10:54,390 --> 00:10:51,430

prayer whatever it is you know whether

227

00:10:56,940 --> 00:10:54,400

you need financial stability or health

228

00:11:00,350 --> 00:10:56,950

from a chronic illness or a terminal

229

00:11:04,110 --> 00:11:00,360

illness whatever it is or even the flu

230

00:11:06,750 --> 00:11:04,120

whatever it is that you want prayers for

231

00:11:09,570 --> 00:11:06,760

maybe you have a family situation that's

232

00:11:12,420 --> 00:11:09,580

unstable and you would like to feel safe

233

00:11:17,780 --> 00:11:12,430

in your family and you don't send us

234

00:11:22,920 --> 00:11:17,790

your story via email and then we will

235

00:11:25,410 --> 00:11:22,930

read it on the air he can name no names

236

00:11:26,790 --> 00:11:25,420

we mentioned you give us your names but

237

00:11:28,230 --> 00:11:26,800

we're going to only say the first name

238

00:11:32,000 --> 00:11:28,240

on the air so people will know that

239

00:11:34,830 --> 00:11:32,010

prayers for them but basically you will

240

00:11:37,320 --> 00:11:34,840

once we get the email the whole name

241

00:11:39,870 --> 00:11:37,330

should be in there so if you'd like so

242

00:11:43,440 --> 00:11:39,880

that PK can offer you some insight on

243

00:11:45,480 --> 00:11:43,450

your numbers right but not yet if you're

244

00:11:47,840 --> 00:11:45,490

naming your whole name out nor will we

245

00:11:49,950 --> 00:11:47,850

mention your birthdate either because

246

00:11:51,870 --> 00:11:49,960

some people may just jump to a

247

00:11:53,160 --> 00:11:51,880

conclusion we're going to take all that

248

00:11:55,530 --> 00:11:53,170

off the table so there won't be the

249

00:11:57,360 --> 00:11:55,540

opportunity for that to take rice so you

250

00:11:59,250 --> 00:11:57,370

can put it in your email but we're not

251
00:12:02,820 --> 00:11:59,260
gonna announce it right and I'm gonna

252
00:12:04,530 --> 00:12:02,830
cost so hang on okay she coughs very

253
00:12:06,300 --> 00:12:04,540
nicely she puts her hand over it very

254
00:12:07,950 --> 00:12:06,310
gently

255
00:12:10,920 --> 00:12:07,960
she did the best she could and saw she

256
00:12:13,500 --> 00:12:10,930
is all we've got from her today yeah

257
00:12:15,210 --> 00:12:13,510
it's good you're not here examine you

258
00:12:19,050 --> 00:12:15,220
Joe that's good

259
00:12:23,340 --> 00:12:19,060
so anyways there is on our home page

260
00:12:26,160 --> 00:12:23,350
supernatural girls the z.com we have in

261
00:12:27,960 --> 00:12:26,170
the upper right hand corner my email you

262
00:12:31,980 --> 00:12:27,970
can just click on it and a little piece

263
00:12:35,340 --> 00:12:31,990

about the prayer doing just click on it

264

00:12:38,610 --> 00:12:35,350

send us your story and then we're going

265

00:12:40,770 --> 00:12:38,620

to start doing this live on the air so

266

00:12:43,350 --> 00:12:40,780

you're gonna offer some insight via the

267

00:12:46,710 --> 00:12:43,360

numbers george lugo is going to also

268

00:12:50,100 --> 00:12:46,720

offer insight with his talent as a

269

00:12:53,520 --> 00:12:50,110

psychic medium and i'm going to call in

270

00:12:55,890 --> 00:12:53,530

on the spirit teams to work with and for

271

00:12:58,140 --> 00:12:55,900

these people and then one at a time

272

00:13:00,780 --> 00:12:58,150

we're going to pray for them so we

273

00:13:03,570 --> 00:13:00,790

already have a large group of prayers

274

00:13:07,320 --> 00:13:03,580

that have been sent in please go ahead

275

00:13:09,180 --> 00:13:07,330

and send your prayer so we will I

276

00:13:12,990 --> 00:13:09,190

guarantee you we're going to try to get

277

00:13:15,650 --> 00:13:13,000

to all of them that we can so ok so

278

00:13:18,770 --> 00:13:15,660

here's some good news Whitley's actually

279

00:13:21,480 --> 00:13:18,780

trying to get into the meeting now ok so

280

00:13:23,400 --> 00:13:21,490

won't have to repeat it show everybody

281

00:13:25,280 --> 00:13:23,410

but we always have backup because we

282

00:13:27,390 --> 00:13:25,290

don't want our listeners disappointed

283

00:13:29,640 --> 00:13:27,400

and we don't want you and me

284

00:13:33,230 --> 00:13:29,650

disappointed right PK well that's for

285

00:13:39,090 --> 00:13:33,240

sure I cried very easy she knows that

286

00:13:41,880 --> 00:13:39,100

yeah I know

287

00:13:47,670 --> 00:13:41,890

temper tantrums are terrible I push it

288

00:13:49,230 --> 00:13:47,680

down a hill but anyways this is our

289

00:13:51,390 --> 00:13:49,240

opportunity to give back to everybody

290

00:13:53,700 --> 00:13:51,400

and it's a very powerful thing to do

291

00:13:56,579 --> 00:13:53,710

with prayer the name of the show is when

292

00:13:59,340 --> 00:13:56,589

two or more are gathered and we're going

293

00:14:02,820 --> 00:13:59,350

to try to repeat this show at least once

294

00:14:04,230 --> 00:14:02,830

a month so that that way if your prayer

295

00:14:05,700 --> 00:14:04,240

doesn't make it in this time we're going

296

00:14:10,440 --> 00:14:05,710

to try to make everybody's prayers

297

00:14:14,280 --> 00:14:10,450

happen right time but anyways we we will

298

00:14:16,740 --> 00:14:14,290

definitely get you the next time so if

299

00:14:18,930 --> 00:14:16,750

there is an urgency like I know right

300

00:14:19,680 --> 00:14:18,940

now we have a prayer request for a young

301
00:14:23,340 --> 00:14:19,690
man

302
00:14:25,560 --> 00:14:23,350
who is in a coma and his he was in a

303
00:14:28,770 --> 00:14:25,570
terrible car accident his friends were

304
00:14:31,680 --> 00:14:28,780
killed and so there's an urgency with

305
00:14:35,190 --> 00:14:31,690
this obviously and so we will be praying

306
00:14:35,790 --> 00:14:35,200
for him this coming not tonight but next

307
00:14:37,980 --> 00:14:35,800
week

308
00:14:41,100 --> 00:14:37,990
so anyways give it some thought and if

309
00:14:46,590 --> 00:14:41,110
you know somebody may not be a listener

310
00:14:49,260 --> 00:14:46,600
to our show regularly but we had we

311
00:14:51,450 --> 00:14:49,270
really need to hear from the many people

312
00:14:53,610 --> 00:14:51,460
as possible so that we can get back to

313
00:14:55,440 --> 00:14:53,620

you so if you also just have questions

314

00:14:58,320 --> 00:14:55,450

you can feel free to email me I'll

315

00:15:01,080 --> 00:14:58,330

definitely respond if you have any

316

00:15:03,510 --> 00:15:01,090

concerns about the prayer group and this

317

00:15:04,320 --> 00:15:03,520

is not has anything there's nothing to

318

00:15:07,020 --> 00:15:04,330

do with religion

319

00:15:10,080 --> 00:15:07,030

definitely this it is to do this between

320

00:15:11,970 --> 00:15:10,090

us and God that's for whatever God you

321

00:15:15,060 --> 00:15:11,980

use it doesn't matter that's right

322

00:15:16,770 --> 00:15:15,070

that's right absolutely so it really

323

00:15:18,810 --> 00:15:16,780

doesn't matter at all

324

00:15:22,230 --> 00:15:18,820

it's just about connecting to the source

325

00:15:24,830 --> 00:15:22,240

and connecting to the spirit so it's a

326

00:15:27,840 --> 00:15:24,840

very exciting thing for us to do and

327

00:15:30,900 --> 00:15:27,850

we're again welcoming you to send your

328

00:15:33,960 --> 00:15:30,910

prayers also we're welcoming you to join

329

00:15:37,040 --> 00:15:33,970

us if you just want to join us and offer

330

00:15:40,980 --> 00:15:37,050

your prayers with us you can do that too

331

00:15:43,410 --> 00:15:40,990

so anyhow this is it's going to be a lot

332

00:15:44,760 --> 00:15:43,420

of fun and very exciting and we're

333

00:15:47,460 --> 00:15:44,770

hoping to make a difference for all of

334

00:15:51,630 --> 00:15:47,470

you and what we found in past prayer

335

00:15:53,190 --> 00:15:51,640

groups as well is that when you join the

336

00:15:55,560 --> 00:15:53,200

prayer group and let's say we're praying

337

00:15:57,960 --> 00:15:55,570

for this young man in the hospital what

338

00:16:00,630 --> 00:15:57,970

we find happens is everybody gets some

339

00:16:05,270 --> 00:16:00,640

benefit everybody we see some blessing

340

00:16:08,280 --> 00:16:05,280

out of being in a group together

341

00:16:11,090 --> 00:16:08,290

together we could do anything that's

342

00:16:13,860 --> 00:16:11,100

what it's all about amassing together

343

00:16:16,980 --> 00:16:13,870

yes wait next week it's going to be

344

00:16:22,320 --> 00:16:16,990

great very high energy going out to all

345

00:16:26,190 --> 00:16:22,330

sources yes so and you know there are

346

00:16:28,020 --> 00:16:26,200

the instructions and I see Whitley might

347

00:16:30,510 --> 00:16:28,030

be joining us pretty soon I'm waiting

348

00:16:33,660 --> 00:16:30,520

for a go green light from Joe our

349

00:16:38,970 --> 00:16:33,670

wonderful producer who actually I'm

350

00:16:42,150 --> 00:16:38,980

nay's Joe that you did this so he found

351

00:16:45,330 --> 00:16:42,160

him PK he actually found him I'm very

352

00:16:48,000 --> 00:16:45,340

proud of joke I know we can't none of us

353

00:16:49,500 --> 00:16:48,010

ever see Joe Joe's what was the the show

354

00:16:51,960 --> 00:16:49,510

that used to be where the neighbor was

355

00:16:53,220 --> 00:16:51,970

behind the fence and you could never see

356

00:16:56,070 --> 00:16:53,230

his face you could just hear the voice

357

00:16:59,220 --> 00:16:56,080

well that's our Jill he's on the other

358

00:17:01,050 --> 00:16:59,230

side he just both let us see him we've

359

00:17:10,980 --> 00:17:01,060

never seen him for years

360

00:17:14,340 --> 00:17:10,990

I see Whitley's there so I'm just

361

00:17:16,200 --> 00:17:14,350

waiting for Joe to say he's uh he's kind

362

00:17:21,230 --> 00:17:16,210

of fancy microphone it's nicer than ours

363

00:17:24,240 --> 00:17:21,240

yeah oh well ours will work just as well

364

00:17:26,730 --> 00:17:24,250

you know he has his own podcast too

365

00:17:29,850 --> 00:17:26,740

called dreamland oh that's right I

366

00:17:33,120 --> 00:17:29,860

forgot about that oh yeah yeah he's an

367

00:17:35,090 --> 00:17:33,130

expert at this you he looks like he's

368

00:17:38,760 --> 00:17:35,100

very stern about what's taking place

369

00:17:44,300 --> 00:17:38,770

no-nonsense strictly business I can tell

370

00:17:49,080 --> 00:17:47,550

so let's see well this is good news

371

00:17:50,220 --> 00:17:49,090

everybody we are going to be talking

372

00:17:52,380 --> 00:17:50,230

with Whitley in just a couple minutes

373

00:17:53,850 --> 00:17:52,390

just as soon as Joe talks them through

374

00:17:55,710 --> 00:17:53,860

the rest of the instructions to go live

375

00:17:59,490 --> 00:17:55,720

with you this microphone this video is

376

00:18:01,800 --> 00:17:59,500

there with us and so I'm going to talk

377

00:18:06,960 --> 00:18:01,810

to you a little bit about this book and

378

00:18:12,600 --> 00:18:06,970

Whitley now Whitley is amazing as you

379

00:18:16,650 --> 00:18:12,610

know as we have said there is their

380

00:18:18,900 --> 00:18:16,660

heroes in the paranormal and there are

381

00:18:23,250 --> 00:18:18,910

giants and Whitley's both and he's a

382

00:18:25,110 --> 00:18:23,260

very courageous guy and of course you

383

00:18:29,160 --> 00:18:25,120

may remember him from his first New York

384

00:18:31,770 --> 00:18:29,170

Times bestseller communion union that

385

00:18:33,150 --> 00:18:31,780

was an amazing book but he has a new

386

00:18:35,100 --> 00:18:33,160

book and that's what we're talking about

387

00:18:37,590 --> 00:18:35,110

he has many books but we're gonna be

388

00:18:44,490 --> 00:18:37,600

talking about the supernatural here it

389

00:18:46,020 --> 00:18:44,500

is yes right there and okay so what

390

00:18:47,640 --> 00:18:46,030

Whitley is one of today's most

391

00:18:49,110 --> 00:18:47,650

influential authors

392

00:18:51,480 --> 00:18:49,120

of both science fiction and

393

00:18:54,420 --> 00:18:51,490

extraordinary fact he is best known for

394

00:18:56,430 --> 00:18:54,430

his groundbreaking memoir communion as

395

00:19:00,450 --> 00:18:56,440

well as his best-selling novels

396

00:19:04,799 --> 00:19:00,460

including the wolf in and the hunger many

397

00:19:08,520 --> 00:19:04,809

of his books have formed the basis for

398

00:19:09,420 --> 00:19:08,530

popular movies including the day after

399

00:19:11,790 --> 00:19:09,430

tomorrow

400

00:19:17,460 --> 00:19:11,800

but communiions my favorite yes it was

401
00:19:22,040 --> 00:19:17,470
great yes so anyways we're still waiting

402
00:19:30,690 --> 00:19:22,050
Joe can we hear Whitley and bring him on

403
00:19:42,390 --> 00:19:30,700
let's see okay oh yes can you hear me

404
00:19:44,390 --> 00:19:42,400
yes yes yes it's so nice to meet you I'm

405
00:19:46,919 --> 00:19:44,400
glad that we the Joe caught up with you

406
00:19:50,040 --> 00:19:46,929
it's great I'm sorry about the time

407
00:19:52,140 --> 00:19:50,050
difference confusion mm-hmm that's okay

408
00:19:54,990 --> 00:19:52,150
it's just I'm glad it worked out because

409
00:19:57,120 --> 00:19:55,000
we're so looking forward to talking with

410
00:19:59,070 --> 00:19:57,130
you tonight on the show it's a very

411
00:20:03,840 --> 00:19:59,080
exciting book that you wrote the

412
00:20:07,860 --> 00:20:03,850
supernatural but your story is so unique

413
00:20:13,400 --> 00:20:07,870

and it took so much courage to write the

414

00:20:16,440 --> 00:20:13,410

first one communion let's start there

415

00:20:18,150 --> 00:20:16,450

well it didn't take courage because I

416

00:20:22,500 --> 00:20:18,160

didn't realize what would happened to me

417

00:20:25,860 --> 00:20:22,510

I never would have hope no it's just I

418

00:20:28,230 --> 00:20:25,870

just found it quite fascinating I had no

419

00:20:30,030 --> 00:20:28,240

idea about the existence of a UFO

420

00:20:32,130 --> 00:20:30,040

community or all these people who were

421

00:20:34,799 --> 00:20:32,140

furiously fighting each other about it I

422

00:20:37,500 --> 00:20:34,809

had no idea that the government had an

423

00:20:38,820 --> 00:20:37,510

interest in it none of that I had just

424

00:20:40,890 --> 00:20:38,830

had an interesting and unusual

425

00:20:43,110 --> 00:20:40,900

experience that I didn't feel could be

426

00:20:44,940 --> 00:20:43,120

explained and I thought it was very well

427

00:20:49,260 --> 00:20:44,950

worth writing about because it seemed

428

00:20:51,000 --> 00:20:49,270

rather unique and there as I studied it

429

00:20:52,620 --> 00:20:51,010

I discovered that there were a few other

430

00:20:54,960 --> 00:20:52,630

people here in there who had had the

431

00:20:55,740 --> 00:20:54,970

experience but it wasn't certainly all

432

00:20:59,790 --> 00:20:55,750

that common

433

00:21:01,049 --> 00:20:59,800

and then I published the book and really

434

00:21:03,749 --> 00:21:01,059

all hell broke loose

435

00:21:05,489 --> 00:21:03,759

I was terribly disappointed because I

436

00:21:08,909 --> 00:21:05,499

like you know I'm a very private person

437

00:21:11,700 --> 00:21:08,919

I became a writer primarily because I

438

00:21:14,700 --> 00:21:11,710

don't like to be out in the world I'd

439

00:21:16,590 --> 00:21:14,710

like to stay at home and write and had

440

00:21:19,049 --> 00:21:16,600

been in the advertising business for

441

00:21:21,659 --> 00:21:19,059

some years before struggling to be a

442

00:21:24,810 --> 00:21:21,669

writer and had written some books before

443

00:21:27,659 --> 00:21:24,820

very successfully and then this happened

444

00:21:32,669 --> 00:21:27,669

and it it completely upended my whole

445

00:21:36,119 --> 00:21:32,679

world it was horrible and I regret it to

446

00:21:38,669 --> 00:21:36,129

this day actually oh oh yeah I would

447

00:21:42,119 --> 00:21:38,679

never have written about it any of it if

448

00:21:44,009 --> 00:21:42,129

I had known that it's a lot of baloney

449

00:21:46,350 --> 00:21:44,019

out there about this subject nobody

450

00:21:49,080 --> 00:21:46,360

really knows what it is they all think

451
00:21:52,409 --> 00:21:49,090
it has to do with aliens or and they've

452
00:21:54,210 --> 00:21:52,419
got it all sorted out with reptilians

453
00:21:58,080 --> 00:21:54,220
and the greys and the blondes and the

454
00:22:00,539 --> 00:21:58,090
v's and the VAS none of those in the

455
00:22:02,639 --> 00:22:00,549
world have right why do we draw such

456
00:22:04,830 --> 00:22:02,649
conclusions there's a completely

457
00:22:08,220 --> 00:22:04,840
fantastic and ability to discriminate

458
00:22:10,529 --> 00:22:08,230
and think clearly the truth of the

459
00:22:13,350 --> 00:22:10,539
matter is we don't know any of those

460
00:22:15,720 --> 00:22:13,360
things we don't know what they are where

461
00:22:18,950 --> 00:22:15,730
they're from or anything and there's

462
00:22:23,639 --> 00:22:18,960
plenty of excuse me there's plenty of

463
00:22:26,340 --> 00:22:23,649

indication that they that they are very

464

00:22:30,450 --> 00:22:26,350

very different from the assumptions that

465

00:22:32,940 --> 00:22:30,460

you find if you if you google aliens or

466

00:22:36,210 --> 00:22:32,950

UFOs or something on the internet I

467

00:22:37,710 --> 00:22:36,220

think it's a disaster and a big part of

468

00:22:40,460 --> 00:22:37,720

it is the fact that a lot of the

469

00:22:43,739 --> 00:22:40,470

important information is indeed secret

470

00:22:47,310 --> 00:22:43,749

and kept secret by the government very

471

00:22:48,989 --> 00:22:47,320

very religiously I know that because I

472

00:22:52,710 --> 00:22:48,999

know a lot of the people who work in

473

00:22:54,600 --> 00:22:52,720

that area in the secrecy and they just

474

00:22:56,580 --> 00:22:54,610

like me they'd love to get these secrets

475

00:23:00,299 --> 00:22:56,590

out but they don't know how to do it and

476

00:23:03,330 --> 00:23:00,309

I don't blame them I don't either yeah I

477

00:23:05,730 --> 00:23:03,340

mean people don't understand that when

478

00:23:08,369 --> 00:23:05,740

you have an experience like this there's

479

00:23:10,710 --> 00:23:08,379

really not a lot of upside to sharing it

480

00:23:13,859 --> 00:23:10,720

with the world but you certainly lived

481

00:23:14,970 --> 00:23:13,869

it but well I did live it and I didn't

482

00:23:17,970 --> 00:23:14,980

as I said

483

00:23:19,530 --> 00:23:17,980

I didn't realize there was no upside to

484

00:23:22,590 --> 00:23:19,540

it or I would never have done it but now

485

00:23:24,330 --> 00:23:22,600

here I am I backed into it and I've

486

00:23:26,940 --> 00:23:24,340

embraced it wholeheartedly because I

487

00:23:30,690 --> 00:23:26,950

have no choice and and frankly it's

488

00:23:33,810 --> 00:23:30,700

extremely fascinating whether I speak

489

00:23:36,090 --> 00:23:33,820

about it in public or not it remains the

490

00:23:41,120 --> 00:23:36,100

absolutely the most fascinating thing

491

00:23:47,280 --> 00:23:44,669

we really do marvelous it is just an

492

00:23:48,720 --> 00:23:47,290

incredible topic and but now could you

493

00:23:50,820 --> 00:23:48,730

share a little bit with us about your

494

00:23:53,850 --> 00:23:50,830

horrible experiences what are some of

495

00:23:55,640 --> 00:23:53,860

the things that really turned you off or

496

00:24:01,590 --> 00:23:55,650

hurt you hurt your feelings or your

497

00:24:05,310 --> 00:24:01,600

insurer the primary thing was I very I

498

00:24:07,980 --> 00:24:05,320

thought I was very ashamed of part of

499

00:24:10,350 --> 00:24:07,990

what had happened to me and I couldn't

500

00:24:13,140 --> 00:24:10,360

but I couldn't not say it because I

501
00:24:15,390 --> 00:24:13,150
didn't feel that would be honest - to

502
00:24:17,010 --> 00:24:15,400
remove it if you know then I might as

503
00:24:18,930 --> 00:24:17,020
well just make this into a work of

504
00:24:22,049 --> 00:24:18,940
fiction and it's no work of fiction it's

505
00:24:25,710 --> 00:24:22,059
true it's exactly as I remember it and

506
00:24:28,680 --> 00:24:25,720
what I was embarrassed about was being

507
00:24:32,159 --> 00:24:28,690
raped that I had the misfortune to call

508
00:24:34,440 --> 00:24:32,169
it a rectal probe as a result of which I

509
00:24:37,080 --> 00:24:34,450
have been being laughed at about being

510
00:24:40,680 --> 00:24:37,090
having been raped for the rest of my

511
00:24:44,730 --> 00:24:40,690
life most recently on wait wait don't

512
00:24:47,789 --> 00:24:44,740
tell me when the video that was released

513
00:24:51,659 --> 00:24:47,799

through the New York Times by Louie

514

00:24:54,150 --> 00:24:51,669

Elizondo came out they mentioned it on

515

00:24:57,270 --> 00:24:54,160

wait wait don't tell me and told rectal

516

00:24:59,370 --> 00:24:57,280

probe jokes just just as if it didn't

517

00:25:01,620 --> 00:24:59,380

matter and of course if I had been in

518

00:25:04,350 --> 00:25:01,630

the opposite sex and had that happened

519

00:25:07,770 --> 00:25:04,360

to me I dared to do it but because I'm a

520

00:25:09,900 --> 00:25:07,780

man my rape is funny and it's not

521

00:25:12,330 --> 00:25:09,910

actually very funny at all not at all

522

00:25:15,870 --> 00:25:12,340

it's horrible I mean I was I was

523

00:25:18,419 --> 00:25:15,880

horrified with the way you were treated

524

00:25:22,320 --> 00:25:18,429

by them I mean there was such a level of

525

00:25:24,630 --> 00:25:22,330

roughness and abuse I mean I was used as

526

00:25:28,830 --> 00:25:24,640

the word I was I've been abused for

527

00:25:32,549 --> 00:25:28,840

years and at many many too

528

00:25:38,700 --> 00:25:32,559

current levels well a good example of

529

00:25:40,919 --> 00:25:38,710

that abuse is the in nineteen in the in

530

00:25:45,690 --> 00:25:40,929

in I forget the exact date I think it

531

00:25:47,149 --> 00:25:45,700

was in the in in the early 90s just as I

532

00:25:49,830 --> 00:25:47,159

was going to put out a book called

533

00:25:51,450 --> 00:25:49,840

confirmation which contains some

534

00:25:55,529 --> 00:25:51,460

critical material about the United

535

00:25:57,899 --> 00:25:55,539

States Air Force a story appeared in

536

00:26:00,060 --> 00:25:57,909

Parade magazine which is now kind of

537

00:26:03,240 --> 00:26:00,070

faded but at that time it was a big

538

00:26:05,610 --> 00:26:03,250

event on Sundays at guard of every

539

00:26:09,149 --> 00:26:05,620

Sunday newspaper in the country to the

540

00:26:11,190 --> 00:26:09,159

effect that I had discovered that I had

541

00:26:13,289 --> 00:26:11,200

a disease called temporal lobe epilepsy

542

00:26:16,380 --> 00:26:13,299

and had made a contribution to the

543

00:26:19,919 --> 00:26:16,390

Epilepsy Foundation this was a complete

544

00:26:24,840 --> 00:26:19,929

lie the other the truth was that I had

545

00:26:27,060 --> 00:26:24,850

not gone been very careful with all of

546

00:26:29,549 --> 00:26:27,070

these possible illnesses that could

547

00:26:31,610 --> 00:26:29,559

explain what happened to me including

548

00:26:34,649 --> 00:26:31,620

temporal lobe epilepsy and had taken

549

00:26:37,350 --> 00:26:34,659

absolute state-of-the-art tests that

550

00:26:40,409 --> 00:26:37,360

it's shown as I had reported previously

551
00:26:44,669 --> 00:26:40,419
in my book transformation that not only

552
00:26:46,529 --> 00:26:44,679
did I not have epilepsy of any kind I

553
00:26:49,190 --> 00:26:46,539
was to have an exceptionally stable

554
00:26:52,080 --> 00:26:49,200
brain that's not at all seizure prone

555
00:26:54,990 --> 00:26:52,090
but this then I called Parade magazine

556
00:26:59,549 --> 00:26:55,000
asking what in the world possessed you

557
00:27:01,710 --> 00:26:59,559
to do this and and exactly and and he

558
00:27:04,169 --> 00:27:01,720
was the editor that I finally talked to

559
00:27:07,440 --> 00:27:04,179
was very polite and sweet he said well

560
00:27:09,630 --> 00:27:07,450
you know we wanted to help you and some

561
00:27:11,190 --> 00:27:09,640
of your friends had had told us you made

562
00:27:14,460 --> 00:27:11,200
this contribution and you're a rather

563
00:27:16,560 --> 00:27:14,470

shy about it and I said who and he

564

00:27:20,610 --> 00:27:16,570

mentioned someone who was an air force

565

00:27:23,690 --> 00:27:20,620

officer and I realized that the Air

566

00:27:27,029 --> 00:27:23,700

Force Office of Special Investigations

567

00:27:33,360 --> 00:27:27,039

or whatever they call it had planted

568

00:27:38,100 --> 00:27:33,370

this false story and that was just one

569

00:27:40,500 --> 00:27:38,110

of many many such things and you know

570

00:27:42,450 --> 00:27:40,510

behind the scenes in front of the scenes

571

00:27:45,090 --> 00:27:42,460

around the scenes it

572

00:27:47,250 --> 00:27:45,100

spen hell it still is I mean they still

573

00:27:50,880 --> 00:27:47,260

will come after me if they haven't see

574

00:27:56,970 --> 00:27:50,890

an opening that's disgusting

575

00:27:59,190 --> 00:27:56,980

I am so I'm not surprised but totally

576

00:28:01,230 --> 00:27:59,200

appalled by this treatment of you

577

00:28:04,050 --> 00:28:01,240

because here you were just pouring your

578

00:28:06,540 --> 00:28:04,060

heart out onto the page communion was a

579

00:28:09,900 --> 00:28:06,550

number one bestseller New York Times I

580

00:28:12,930 --> 00:28:09,910

mean my god it was a great book it's

581

00:28:18,240 --> 00:28:12,940

also one of the few times that anyone

582

00:28:24,170 --> 00:28:18,250

has ever coherently us described an

583

00:28:28,050 --> 00:28:24,180

event like this in non completely non

584

00:28:31,020 --> 00:28:28,060

mythologized and/or folkloric ways it's

585

00:28:34,500 --> 00:28:31,030

just a straightforward plain description

586

00:28:40,560 --> 00:28:34,510

in modern English that has not got any

587

00:28:43,440 --> 00:28:40,570

reference to the saucer gods or anything

588

00:28:46,380 --> 00:28:43,450

like that and that is another thing that

589

00:28:49,920 --> 00:28:46,390

I think really upset the powers that be

590

00:28:52,680 --> 00:28:49,930

whoever they are because suddenly here

591

00:28:53,910 --> 00:28:52,690

was someone rational talking about this

592

00:28:58,620 --> 00:28:53,920

rationally

593

00:29:02,370 --> 00:28:58,630

in what sense they hate that look what

594

00:29:05,010 --> 00:29:02,380

they did to dr. Mac you know that he was

595

00:29:07,320 --> 00:29:05,020

a good friend and he telephoned me one

596

00:29:10,110 --> 00:29:07,330

day and said quickly they're about to

597

00:29:12,390 --> 00:29:10,120

pull my tenure and my license I'm going

598

00:29:18,840 --> 00:29:12,400

to be ruined I'm not gonna have a life

599

00:29:22,710 --> 00:29:18,850

and I said John it's par for the course

600

00:29:26,670 --> 00:29:22,720

but you won't they won't be able to

601
00:29:28,230 --> 00:29:26,680
destroy wreck your tenure I I don't know

602
00:29:30,660 --> 00:29:28,240
about the license I don't know enough

603
00:29:32,430 --> 00:29:30,670
about that but I had studied the

604
00:29:37,950 --> 00:29:32,440
tenuring I knew he was in trouble with

605
00:29:40,470 --> 00:29:37,960
this tenure yeah and indeed they didn't

606
00:29:43,700 --> 00:29:40,480
and not only that his worst critic

607
00:29:47,300 --> 00:29:43,710
became one of his strongest supporters

608
00:29:52,020 --> 00:29:47,310
simply because of the logic and the

609
00:29:53,460 --> 00:29:52,030
intelligence of John's approach Wow well

610
00:29:55,380 --> 00:29:53,470
this is again we're going to continue

611
00:29:56,100 --> 00:29:55,390
this conversation we're going to take a

612
00:29:58,500 --> 00:29:56,110
very sure

613
00:30:00,270 --> 00:29:58,510

commercial break everybody stay with us

614

00:30:02,640 --> 00:30:00,280

you are listening to Supernatural girls

615

00:30:04,380 --> 00:30:02,650

radio and we will be right back welcome

616

00:30:06,720 --> 00:30:04,390

back everyone to supernatural Girls

617

00:30:09,480 --> 00:30:06,730

radio I'm your host Patricia Baker I am

618

00:30:11,730 --> 00:30:09,490

here with my co-host PK and our

619

00:30:14,580 --> 00:30:11,740

illustrious guest like I said there are

620

00:30:17,160 --> 00:30:14,590

heroes and Giants in this paranormal

621

00:30:18,539 --> 00:30:17,170

field Whitley is both and we're very

622

00:30:21,750 --> 00:30:18,549

honored to have him here

623

00:30:24,810 --> 00:30:21,760

he's written he's written a new book

624

00:30:27,120 --> 00:30:24,820

that we both read and thoroughly enjoyed

625

00:30:30,870 --> 00:30:27,130

and here it is we highly recommend it

626

00:30:33,960 --> 00:30:30,880

not supernatural this is an introduction

627

00:30:36,539 --> 00:30:33,970

to a new paradigm on the paranormal and

628

00:30:37,740 --> 00:30:36,549

it's a wonderful book again go out and

629

00:30:41,280 --> 00:30:37,750

get it you won't be sorry

630

00:30:42,810 --> 00:30:41,290

so quickly take us forward because now

631

00:30:45,419 --> 00:30:42,820

there's more things that are happening

632

00:30:46,950 --> 00:30:45,429

with you the whatever they are I'm not

633

00:30:48,440 --> 00:30:46,960

gonna name them whether they're ETS or

634

00:30:51,450 --> 00:30:48,450

interdimensional or whatever those

635

00:30:53,810 --> 00:30:51,460

beings they're still in contact with you

636

00:30:56,390 --> 00:30:53,820

so tell us more about reopening today

637

00:31:00,140 --> 00:30:56,400

very definitely uh

638

00:31:03,860 --> 00:31:00,150

well after my wife passed away

639

00:31:07,620 --> 00:31:03,870

everything changed very dramatically

640

00:31:12,240 --> 00:31:07,630

very sad about that well it was it was a

641

00:31:14,490 --> 00:31:12,250

horrible struggle in but it happens you

642

00:31:16,140 --> 00:31:14,500

know as my doctor our doctor said I have

643

00:31:19,350 --> 00:31:16,150

a wandering percent death rate in my

644

00:31:20,330 --> 00:31:19,360

practice and that's goes for every

645

00:31:23,039 --> 00:31:20,340

doctor in the world

646

00:31:26,990 --> 00:31:23,049

whenever's life comes to an end and it

647

00:31:30,480 --> 00:31:27,000

was it caused for me of course a

648

00:31:31,200 --> 00:31:30,490

fantastic amount of grief but and still

649

00:31:33,090 --> 00:31:31,210

does

650

00:31:35,430 --> 00:31:33,100

I mean I'd every evening when evening

651
00:31:38,430 --> 00:31:35,440
falls which is when we used to stop work

652
00:31:40,470 --> 00:31:38,440
and relax and have a nice conversation

653
00:31:42,650 --> 00:31:40,480
together and so forth and have our

654
00:31:46,890 --> 00:31:42,660
dinner that's the hardest time for me

655
00:31:50,370 --> 00:31:46,900
but any let me go back to what happened

656
00:31:55,159 --> 00:31:50,380
though during the time we were working

657
00:31:59,400 --> 00:31:55,169
on communion mm-hmm first of all Annie

658
00:32:01,409 --> 00:31:59,410
took this in hand you would think I was

659
00:32:05,880 --> 00:32:01,419
very worried about telling her what had

660
00:32:08,220 --> 00:32:05,890
happened to me and because what might

661
00:32:10,049 --> 00:32:08,230
she think of me she had a five-year-old

662
00:32:12,869 --> 00:32:10,059
child at the time

663
00:32:15,149 --> 00:32:12,879

little child and that her husband comes

664

00:32:17,599 --> 00:32:15,159

on and comes along and says that he

665

00:32:19,709 --> 00:32:17,609

tells this incredible story that

666

00:32:22,379 --> 00:32:19,719

supposedly happened to me when she was

667

00:32:26,789 --> 00:32:22,389

asleep in the same bed how is she gonna

668

00:32:31,950 --> 00:32:26,799

take that yes well it turned out her

669

00:32:33,810 --> 00:32:31,960

reaction was how fascinating I signed on

670

00:32:36,629 --> 00:32:33,820

for an interesting life and it looks

671

00:32:42,719 --> 00:32:36,639

like I found the right guy what a great

672

00:32:44,879 --> 00:32:42,729

response what a super wife I said yeah I

673

00:32:47,959 --> 00:32:44,889

thought you might want to divorce me and

674

00:32:50,430 --> 00:32:47,969

she said that's what's wrong with you I

675

00:32:52,019 --> 00:32:50,440

thought something was up I was afraid

676

00:32:58,829 --> 00:32:52,029

you might have been fooling around on me

677

00:33:00,299 --> 00:32:58,839

or something Thanks cuz I had been

678

00:33:02,879 --> 00:33:00,309

trying to kind of push her away because

679

00:33:04,950 --> 00:33:02,889

I was afraid you know she wouldn't want

680

00:33:09,959 --> 00:33:04,960

me in her life in our son's life anymore

681

00:33:11,969 --> 00:33:09,969

and but anyway if we published the book

682

00:33:15,180 --> 00:33:11,979

she helped me write the book and she

683

00:33:18,149 --> 00:33:15,190

would say which she was a born teacher

684

00:33:20,009 --> 00:33:18,159

she was a really very well educated at

685

00:33:23,879 --> 00:33:20,019

Bank Street college education - so she

686

00:33:26,609 --> 00:33:23,889

when it came to teaching and and and

687

00:33:29,159 --> 00:33:26,619

helping somebody form an idea she was

688

00:33:30,839 --> 00:33:29,169

the best so she would say as I went

689

00:33:33,479 --> 00:33:30,849

along no no you're connecting the dots

690

00:33:35,849 --> 00:33:33,489

you don't know that these two things are

691

00:33:39,089 --> 00:33:35,859

even related let's work that out into a

692

00:33:41,519 --> 00:33:39,099

question and so at the end of the book

693

00:33:44,869 --> 00:33:41,529

they're a group of unanswered questions

694

00:33:49,829 --> 00:33:44,879

that it formed the center of my whole

695

00:33:52,379 --> 00:33:49,839

experience of my experience and those

696

00:33:57,389 --> 00:33:52,389

questions were basically formulated by

697

00:34:01,649 --> 00:33:57,399

Ann then after the book went out we got

698

00:34:03,389 --> 00:34:01,659

not just a few letters we got thousands

699

00:34:05,820 --> 00:34:03,399

and then hundreds of thousands of

700

00:34:07,469 --> 00:34:05,830

letters from everywhere in this country

701
00:34:10,470 --> 00:34:07,479
and all over the world

702
00:34:13,430 --> 00:34:10,480
we had touched a nerve this is something

703
00:34:16,109 --> 00:34:13,440
that happens to a lot of people and

704
00:34:18,119 --> 00:34:16,119
Annie would say you know I I think it's

705
00:34:20,519 --> 00:34:18,129
unlikely that this has to do with aliens

706
00:34:22,349 --> 00:34:20,529
because it's just too common but one

707
00:34:23,760 --> 00:34:22,359
thing is clear it has to do with us

708
00:34:27,600 --> 00:34:23,770
human beings

709
00:34:29,129 --> 00:34:27,610
and one day she came out of her office

710
00:34:31,200 --> 00:34:29,139
and she said quickly

711
00:34:34,350 --> 00:34:31,210
this has something to do with what we

712
00:34:37,379 --> 00:34:34,360
call death and it was because so many

713
00:34:40,889 --> 00:34:37,389

times the people who were describing

714

00:34:43,050 --> 00:34:40,899

alien encounters would also say that the

715

00:34:45,470 --> 00:34:43,060

some dead friend a relative was

716

00:34:48,180 --> 00:34:45,480

accompanying the suppose of aliens and

717

00:34:50,129 --> 00:34:48,190

when we used to have groups of people up

718

00:34:53,490 --> 00:34:50,139

at our cabin to meet the visitors which

719

00:34:55,740 --> 00:34:53,500

happened quite commonly if we would

720

00:34:57,570 --> 00:34:55,750

always know when one of those weekends

721

00:34:59,640 --> 00:34:57,580

was going to be a success when someone

722

00:35:01,590 --> 00:34:59,650

would walk in and say something like I

723

00:35:04,680 --> 00:35:01,600

just saw my dead brother walking down

724

00:35:06,570 --> 00:35:04,690

your room Wow and Danny would say

725

00:35:10,950 --> 00:35:06,580

they'll be here later and they always

726

00:35:16,290 --> 00:35:10,960

were so what was really going on yeah

727

00:35:18,890 --> 00:35:16,300

that's the very question exactly no but

728

00:35:22,050 --> 00:35:18,900

we made a plan back in I think about

729

00:35:26,400 --> 00:35:22,060

1994 we decided that this meant that

730

00:35:30,599 --> 00:35:26,410

there was an afterlife and so we decided

731

00:35:33,540 --> 00:35:30,609

that the first one of us to go would try

732

00:35:37,500 --> 00:35:33,550

to contact the other one but not through

733

00:35:41,760 --> 00:35:37,510

psychics or mediums but and not directly

734

00:35:45,210 --> 00:35:41,770

but to go to friends and contact the

735

00:35:48,620 --> 00:35:45,220

friends but we never told anyone this

736

00:35:53,220 --> 00:35:48,630

in fact I forgot all about it and an

737

00:35:55,620 --> 00:35:53,230

hour and a half after Annie died a dear

738

00:35:57,420 --> 00:35:55,630

friend of ours Belle fuller telephoned

739

00:35:59,190 --> 00:35:57,430

me and said quickly is an all right

740

00:36:03,390 --> 00:35:59,200

because I just heard her voice tell me

741

00:36:06,480 --> 00:36:03,400

to call you and I said Annie spelled

742

00:36:11,190 --> 00:36:06,490

died I mean Belle Annie died an hour and

743

00:36:14,460 --> 00:36:11,200

a half ago and I had been sitting there

744

00:36:17,460 --> 00:36:14,470

wishing that I would have some further

745

00:36:21,080 --> 00:36:17,470

contact with her and that was just the

746

00:36:23,310 --> 00:36:21,090

beginning of what became a very

747

00:36:25,830 --> 00:36:23,320

organised and he's always a very

748

00:36:29,340 --> 00:36:25,840

organized person a very organised

749

00:36:32,370 --> 00:36:29,350

process of contact that eventually led

750

00:36:35,730 --> 00:36:32,380

to a whole new kind of relationship

751
00:36:37,410 --> 00:36:35,740
between the two of us across the bridge

752
00:36:40,349 --> 00:36:37,420
between the worlds

753
00:36:46,020 --> 00:36:40,359
to symbolize it I don't know if you can

754
00:36:52,079 --> 00:36:46,030
see them I wear both of our rings I see

755
00:36:54,870 --> 00:36:52,089
it we joined always we have now got one

756
00:36:58,950 --> 00:36:54,880
body and two people in the marriage

757
00:37:00,990 --> 00:36:58,960
still beautiful we published a book

758
00:37:03,270 --> 00:37:01,000
together called afterlife revolution

759
00:37:06,690 --> 00:37:03,280
about this which is available on Amazon

760
00:37:09,240 --> 00:37:06,700
and I read the audio book myself and it

761
00:37:12,089 --> 00:37:09,250
was terribly hard but I did it and

762
00:37:15,480 --> 00:37:12,099
thanks so it's a paperback on the e-book

763
00:37:17,670 --> 00:37:15,490

and an audio book now so people can get

764

00:37:19,589 --> 00:37:17,680

that as well as the super news as well

765

00:37:23,190 --> 00:37:19,599

as supernatural and we can talk now

766

00:37:26,849 --> 00:37:23,200

about the supernatural because what

767

00:37:29,160 --> 00:37:26,859

happened there was some years ago I met

768

00:37:32,480 --> 00:37:29,170

a professor from Rice University Jeffrey

769

00:37:36,359 --> 00:37:32,490

[h__h] who is one of the world's

770

00:37:39,780 --> 00:37:36,369

leading experts on folklore modern

771

00:37:44,160 --> 00:37:39,790

folklore and mythology and he was very

772

00:37:47,430 --> 00:37:44,170

interested in my work not necessarily as

773

00:37:52,200 --> 00:37:47,440

a believer but as an academic with an

774

00:37:54,660 --> 00:37:52,210

open mind ready to explore and we went

775

00:37:59,339 --> 00:37:54,670

back and forth we met we went to

776

00:38:01,890 --> 00:37:59,349

conferences together and all of a sudden

777

00:38:04,710 --> 00:38:01,900

it occurred to me or to Jeff er to both

778

00:38:08,039 --> 00:38:04,720

of us at the same time I'm not sure what

779

00:38:10,650 --> 00:38:08,049

if we did something where we played off

780

00:38:15,500 --> 00:38:10,660

against each other he would bring his

781

00:38:18,599 --> 00:38:15,510

academic skills and deep knowledge of

782

00:38:21,599 --> 00:38:18,609

mythology and modern folklore and I

783

00:38:24,960 --> 00:38:21,609

would bring my experiences and we would

784

00:38:26,789 --> 00:38:24,970

trade I would write an experience and

785

00:38:29,910 --> 00:38:26,799

Jeff would react to it with an essay

786

00:38:32,359 --> 00:38:29,920

about what it means in the cut in in in

787

00:38:36,780 --> 00:38:32,369

in a larger context and that's what

788

00:38:38,819 --> 00:38:36,790

supernatural is it's not about things

789

00:38:42,650 --> 00:38:38,829

that go bump in the night I mean things

790

00:38:46,500 --> 00:38:42,660

do go bump in the night believe me but

791

00:38:49,680 --> 00:38:46,510

what it's not something outside of

792

00:38:51,180 --> 00:38:49,690

nature that's why we split the words

793

00:38:55,850 --> 00:38:51,190

into two

794

00:39:00,980 --> 00:38:55,860

super and natural because it is natural

795

00:39:04,320 --> 00:39:00,990

experience a natural phenomena that is

796

00:39:09,710 --> 00:39:04,330

super powerful partly because we don't

797

00:39:13,050 --> 00:39:09,720

understand it and partly because how it

798

00:39:16,380 --> 00:39:13,060

respond to it and the experiences that

799

00:39:19,680 --> 00:39:16,390

it brings us that's a new paradigm that

800

00:39:21,060 --> 00:39:19,690

I really can get behind I I think it

801
00:39:23,160 --> 00:39:21,070
makes a lot of sense

802
00:39:25,470 --> 00:39:23,170
we and again here we are on this radio

803
00:39:28,560 --> 00:39:25,480
show our tagline is where paranormalists

804
00:39:31,650 --> 00:39:28,570
normal because to us all of these things

805
00:39:34,770 --> 00:39:31,660
are normal there's nothing to in our

806
00:39:37,020 --> 00:39:34,780
minds that we would would say it doesn't

807
00:39:39,480 --> 00:39:37,030
fit it all fits well of course it's

808
00:39:42,510 --> 00:39:39,490
normal I mean we got probably a million

809
00:39:45,600 --> 00:39:42,520
letters over the years and Annie Annie

810
00:39:48,690 --> 00:39:45,610
collected the the ones that were not

811
00:39:50,400 --> 00:39:48,700
just hello gee this is really cool but

812
00:39:52,260 --> 00:39:50,410
the ones that you know where people

813
00:39:56,910 --> 00:39:52,270

described experiences she collected them

814

00:40:01,950 --> 00:39:56,920

all and now they're at Rice University

815

00:40:04,530 --> 00:40:01,960

is part of a of an archive that's being

816

00:40:08,460 --> 00:40:04,540

created there of this material which is

817

00:40:10,560 --> 00:40:08,470

great but my point is this every time I

818

00:40:14,570 --> 00:40:10,570

pick up a skeptics book it says well

819

00:40:19,440 --> 00:40:14,580

this is just anecdotal anecdotal means a

820

00:40:22,730 --> 00:40:19,450

single isolated experience it's not that

821

00:40:24,900 --> 00:40:22,740

this is part of the human condition and

822

00:40:27,150 --> 00:40:24,910

probably always has been

823

00:40:29,900 --> 00:40:27,160

we are just becoming more articulate

824

00:40:33,900 --> 00:40:29,910

about it because we are less and less

825

00:40:36,900 --> 00:40:33,910

bound by beliefs and and and mythologies

826
00:40:38,700 --> 00:40:36,910
because most of the people who would

827
00:40:41,300 --> 00:40:38,710
write us had never heard of the UFO

828
00:40:45,060 --> 00:40:41,310
community the mutual UFO network

829
00:40:46,650 --> 00:40:45,070
hypnosis any of that stuff they just

830
00:40:49,890 --> 00:40:46,660
responded you know what they mostly

831
00:40:53,480 --> 00:40:49,900
responded to they had seen the face on

832
00:40:56,730 --> 00:40:53,490
the cover of communion in their homes

833
00:40:59,130 --> 00:40:56,740
they had seen that and when they

834
00:41:02,970 --> 00:40:59,140
realized that it was just as they had

835
00:41:05,070 --> 00:41:02,980
suspected not a dream they sat down and

836
00:41:07,950 --> 00:41:05,080
wrote and told of what had happened

837
00:41:12,030 --> 00:41:07,960
and you also had talked about the owl

838
00:41:15,360 --> 00:41:12,040

and how so many people have seen the owl

839

00:41:16,830 --> 00:41:15,370

but it's really not the owl and I'm sure

840

00:41:20,220 --> 00:41:16,840

a lot of people wrote you about that we

841

00:41:22,290 --> 00:41:20,230

hear about that as well it's it's a very

842

00:41:24,540 --> 00:41:22,300

powerful powerful thing that

843

00:41:26,790 --> 00:41:24,550

everything's with the owls yes that's a

844

00:41:28,500 --> 00:41:26,800

incredible image now here's a couple

845

00:41:30,720 --> 00:41:28,510

questions that let's go back a little

846

00:41:32,850 --> 00:41:30,730

bit because we have a great audience and

847

00:41:35,400 --> 00:41:32,860

they always ask good questions this is

848

00:41:37,320 --> 00:41:35,410

from lyric Wilson who's saying did you

849

00:41:39,270 --> 00:41:37,330

think that you are on the verge of a

850

00:41:43,770 --> 00:41:39,280

nervous breakdown throughout your

851
00:41:45,180 --> 00:41:43,780
original encounter I did think that I

852
00:41:46,650 --> 00:41:45,190
was losing my mind

853
00:41:48,150 --> 00:41:46,660
it was far worse than a nervous

854
00:41:52,290 --> 00:41:48,160
breakdown I thought I had had a

855
00:41:55,230 --> 00:41:52,300
psychotic break so intense that I had

856
00:41:59,280 --> 00:41:55,240
lost during the psycho psychotic break

857
00:42:02,250 --> 00:41:59,290
all contact with reality and I thought

858
00:42:05,910 --> 00:42:02,260
if this happens again and doesn't go

859
00:42:09,570 --> 00:42:05,920
away what happens to Ann and our boy

860
00:42:12,990 --> 00:42:09,580
they have no means of support I can't

861
00:42:15,000 --> 00:42:13,000
help them she couldn't under the laws of

862
00:42:18,030 --> 00:42:15,010
New York State as I understood them then

863
00:42:22,980 --> 00:42:18,040

she couldn't even divorce me that that

864

00:42:27,440 --> 00:42:22,990

wasn't a cause for divorce so she would

865

00:42:32,760 --> 00:42:27,450

have been helplessly saddled with this

866

00:42:35,760 --> 00:42:32,770

useless man I was horrified by that idea

867

00:42:38,340 --> 00:42:35,770

that was why I tried to make I tried to

868

00:42:41,640 --> 00:42:38,350

push her away and here we had this

869

00:42:43,590 --> 00:42:41,650

wonderful loving marriage and and I kept

870

00:42:46,410 --> 00:42:43,600

saying to her why don't you move down to

871

00:42:48,420 --> 00:42:46,420

Texas and listen that's where we're from

872

00:42:50,280 --> 00:42:48,430

and I have a lot we had she has a lot of

873

00:42:53,850 --> 00:42:50,290

friends there and I had relations and

874

00:42:56,760 --> 00:42:53,860

she says why do you want to separate and

875

00:42:59,130 --> 00:42:56,770

I couldn't say I did because I didn't

876

00:43:01,650 --> 00:42:59,140

and I said no I just thought that I

877

00:43:03,990 --> 00:43:01,660

think it might be something that you

878

00:43:06,780 --> 00:43:04,000

would be happy you did in the in the

879

00:43:08,280 --> 00:43:06,790

long run and of course I was thinking

880

00:43:09,360 --> 00:43:08,290

about this that's why when I finally

881

00:43:12,570 --> 00:43:09,370

owned up to it

882

00:43:14,730 --> 00:43:12,580

she was so relieved so yes is the answer

883

00:43:18,070 --> 00:43:14,740

I thought I was having a nervous

884

00:43:22,690 --> 00:43:18,080

breakdown and worse yes

885

00:43:24,460 --> 00:43:22,700

general this is from Ursula who's saying

886

00:43:28,420 --> 00:43:24,470

how quickly did you seek out a support

887

00:43:34,050 --> 00:43:28,430

group for your trauma not quickly at all

888

00:43:37,990 --> 00:43:34,060

my initial reaction was that it was a

889

00:43:41,020 --> 00:43:38,000

some kind of psychological problem that

890

00:43:44,740 --> 00:43:41,030

it was a brain tumor or temporal lobe

891

00:43:48,580 --> 00:43:44,750

epilepsy or some on some other form or

892

00:43:52,800 --> 00:43:48,590

simply a psychosis but once I had gotten

893

00:43:55,960 --> 00:43:52,810

past those possibilities then I

894

00:43:58,270 --> 00:43:55,970

remembered that one of the beings that I

895

00:44:01,600 --> 00:43:58,280

had been with was actually a person I

896

00:44:04,060 --> 00:44:01,610

renew in high school in college who was

897

00:44:08,020 --> 00:44:04,070

a had joined the Central Intelligence

898

00:44:11,650 --> 00:44:08,030

Agency and I had written a book some

899

00:44:13,870 --> 00:44:11,660

years before called war day and war day

900

00:44:15,940 --> 00:44:13,880

had very much annoyed the Reagan

901
00:44:18,520 --> 00:44:15,950
administration for a lot of reasons we

902
00:44:23,470 --> 00:44:18,530
don't need to go into it was a political

903
00:44:27,520 --> 00:44:23,480
model and the result of this was that I

904
00:44:29,200 --> 00:44:27,530
had been Ted Kennedy had read from it on

905
00:44:32,610 --> 00:44:29,210
the floor of the Senate because he

906
00:44:35,440 --> 00:44:32,620
thought the book was very important and

907
00:44:37,210 --> 00:44:35,450
he had one of his staffers telephoned me

908
00:44:38,860 --> 00:44:37,220
and said you know you'll your lot

909
00:44:40,930 --> 00:44:38,870
they're liable to play dirty tricks on

910
00:44:43,570 --> 00:44:40,940
you because the president's do that and

911
00:44:46,060 --> 00:44:43,580
I said what do you mean and she said

912
00:44:48,250 --> 00:44:46,070
well you can expect a political tax

913
00:44:50,560 --> 00:44:48,260

audit and I thought well that won't

914

00:44:53,080 --> 00:44:50,570

matter much because I have but it'll

915

00:44:55,300 --> 00:44:53,090

take ten minutes but I don't have very

916

00:44:58,570 --> 00:44:55,310

complex taxes so I sort of forgot about

917

00:45:01,300 --> 00:44:58,580

it but then this happened and I thought

918

00:45:03,520 --> 00:45:01,310

I this was like a hallucinatory

919

00:45:05,890 --> 00:45:03,530

experience with these weird creatures

920

00:45:08,470 --> 00:45:05,900

all around me unable to wake up and

921

00:45:12,460 --> 00:45:08,480

there was the one person I recognized

922

00:45:15,160 --> 00:45:12,470

was that guy and I thought was this the

923

00:45:18,460 --> 00:45:15,170

dirty trick did they get into the house

924

00:45:21,430 --> 00:45:18,470

somehow and drugged me put LSD in my

925

00:45:24,730 --> 00:45:21,440

soup or something and try to drive me

926

00:45:28,360 --> 00:45:24,740

crazy so that the so that I couldn't no

927

00:45:30,460 --> 00:45:28,370

longer be a political advocate and so I

928

00:45:31,810 --> 00:45:30,470

you know I have a spoon number I'll call

929

00:45:33,070 --> 00:45:31,820

it

930

00:45:35,500 --> 00:45:33,080

I telephoned him the number was

931

00:45:38,670 --> 00:45:35,510

disconnected and I felt a ha I'm on the

932

00:45:41,320 --> 00:45:38,680

right track so I phoned his brother and

933

00:45:44,890 --> 00:45:41,330

there that was one of the most

934

00:45:45,820 --> 00:45:44,900

extraordinary chilling amazing moments

935

00:45:50,020 --> 00:45:45,830

of my life

936

00:45:55,270 --> 00:45:50,030

when his brother said Whitley ex has

937

00:45:59,020 --> 00:45:55,280

been dead since last March he died and

938

00:46:02,110 --> 00:45:59,030

in other words when I saw him in late

939

00:46:06,150 --> 00:46:02,120

December he'd already been dead for

940

00:46:09,730 --> 00:46:06,160

nearly a year that was the first time

941

00:46:13,450 --> 00:46:09,740

the dead showed up with the visitors in

942

00:46:15,520 --> 00:46:13,460

our experience and that was the

943

00:46:17,380 --> 00:46:15,530

beginning that we didn't realize we just

944

00:46:20,140 --> 00:46:17,390

didn't know what to make of it then

945

00:46:23,290 --> 00:46:20,150

later we would under come to understand

946

00:46:26,440 --> 00:46:23,300

that this is all radically different

947

00:46:31,800 --> 00:46:26,450

from everything we understand understand

948

00:46:36,070 --> 00:46:31,810

and think we know about it but so

949

00:46:39,730 --> 00:46:36,080

initials the initial thing then I met

950

00:46:43,420 --> 00:46:39,740

Budd Hopkins who I sought him out

951
00:46:45,340 --> 00:46:43,430
because I had my brother had given me a

952
00:46:47,140 --> 00:46:45,350
UFO book that mentioned him and

953
00:46:48,850 --> 00:46:47,150
mentioned these close encounter

954
00:46:50,860 --> 00:46:48,860
witnesses and abductors and they did

955
00:46:53,890 --> 00:46:50,870
sound sort of like what happened to me

956
00:46:57,310 --> 00:46:53,900
so that was the second thing I went and

957
00:46:59,050 --> 00:46:57,320
found Budd Hopkins and got involved with

958
00:47:02,410 --> 00:46:59,060
a group of other people who had had this

959
00:47:03,700 --> 00:47:02,420
happen but at the time but I said to

960
00:47:06,880 --> 00:47:03,710
blood how many people do you think this

961
00:47:08,560 --> 00:47:06,890
happens to and he says well we've got 18

962
00:47:11,110 --> 00:47:08,570
I think he said in this group and I

963
00:47:14,650 --> 00:47:11,120

think there must be 40 or 50 more around

964

00:47:16,840 --> 00:47:14,660

probably and so that was the beginning

965

00:47:21,370 --> 00:47:16,850

that was must have been in March so

966

00:47:23,320 --> 00:47:21,380

March of 1986 so about three months

967

00:47:25,570 --> 00:47:23,330

after the event is when I started with a

968

00:47:30,280 --> 00:47:25,580

group and I didn't stay with it for long

969

00:47:32,140 --> 00:47:30,290

but that was my first experience of

970

00:47:34,120 --> 00:47:32,150

group work with this there's lots of

971

00:47:38,980 --> 00:47:34,130

groups around there's an organization

972

00:47:41,890 --> 00:47:38,990

called free fr EE which I think if you

973

00:47:43,390 --> 00:47:41,900

google free UFO you'll probably go to

974

00:47:45,309 --> 00:47:43,400

their website I don't remember their web

975

00:47:47,799 --> 00:47:45,319

address that connect

976
00:47:51,009 --> 00:47:47,809
people with psychologists and so forth

977
00:47:53,979 --> 00:47:51,019
who take an interest in this gosh what a

978
00:47:58,109 --> 00:47:53,989
journey well here's another question

979
00:48:04,089 --> 00:48:01,959
they are so fascinated by you Whitley

980
00:48:05,410 --> 00:48:04,099
here is from shimmering lights do you

981
00:48:07,620 --> 00:48:05,420
think the government still has an

982
00:48:11,289 --> 00:48:07,630
interest in what you're up to

983
00:48:18,130 --> 00:48:11,299
it does beyond that I have nothing to

984
00:48:20,709 --> 00:48:18,140
say okay that's a bad thing I guess the

985
00:48:23,579 --> 00:48:20,719
government is a very complex entity

986
00:48:26,380 --> 00:48:23,589
there are aspects of the government

987
00:48:28,569 --> 00:48:26,390
primarily the Air Force I think who

988
00:48:31,299 --> 00:48:28,579

don't want this stuff known and the

989

00:48:32,249 --> 00:48:31,309

reason they don't is because they can do

990

00:48:34,930 --> 00:48:32,259

nothing about it

991

00:48:37,779 --> 00:48:34,940

the Air Force is supposed to protect us

992

00:48:40,049 --> 00:48:37,789

from threats from above this appears to

993

00:48:42,819 --> 00:48:40,059

be a threat from above because it comes

994

00:48:44,439 --> 00:48:42,829

in the Scout of the sky and lands and

995

00:48:46,870 --> 00:48:44,449

ends up in people's bedrooms and does

996

00:48:48,880 --> 00:48:46,880

things that they don't like and the Air

997

00:48:50,469 --> 00:48:48,890

Force has to say we can't do a thing

998

00:48:54,069 --> 00:48:50,479

about it we don't understand the first

999

00:48:57,370 --> 00:48:54,079

thing about it of course that would be

1000

00:48:59,410 --> 00:48:57,380

that it's not what it seems but however

1001
00:49:01,180 --> 00:48:59,420
that's what you've gotten to in your

1002
00:49:03,279 --> 00:49:01,190
book is a lot of this isn't what it

1003
00:49:05,620 --> 00:49:03,289
seems which is such an important premise

1004
00:49:08,019 --> 00:49:05,630
and just start from there here's another

1005
00:49:10,299 --> 00:49:08,029
here's a comment actually this is from

1006
00:49:13,870 --> 00:49:10,309
extra-dimensional traveler Whitley I'm a

1007
00:49:16,930 --> 00:49:13,880
third generation abductee I had my first

1008
00:49:20,319 --> 00:49:16,940
encounter at 10 I can confirm much of

1009
00:49:23,499 --> 00:49:20,329
your experiences so nice comment from

1010
00:49:25,630 --> 00:49:23,509
that person now here's one from Rohan

1011
00:49:28,989 --> 00:49:25,640
Lewis who says hi Whitley did you have

1012
00:49:32,199 --> 00:49:28,999
an open mind about ghosts before your

1013
00:49:35,009 --> 00:49:32,209

alien encounter I didn't have an open

1014

00:49:39,029 --> 00:49:35,019

mind about any of his I'm sorry to say

1015

00:49:43,180 --> 00:49:39,039

and and I I started out a Catholic and

1016

00:49:45,969 --> 00:49:43,190

was raised by atheists and we were

1017

00:49:49,059 --> 00:49:45,979

secular in fact a friend of an old

1018

00:49:50,439 --> 00:49:49,069

friend of mine said to me a couple of

1019

00:49:52,420 --> 00:49:50,449

months ago he said you know Whitley when

1020

00:49:55,209 --> 00:49:52,430

that's the subject of UFOs used to come

1021

00:49:56,890 --> 00:49:55,219

up when we were young you were just when

1022

00:49:58,029 --> 00:49:56,900

a wind mine was a little kid of course I

1023

00:49:59,109 --> 00:49:58,039

was fascinated by it

1024

00:50:01,980 --> 00:49:59,119

back in the 50s

1025

00:50:04,989 --> 00:50:01,990

but by the time I was a young man in my

1026

00:50:08,289 --> 00:50:04,999

20s and 30s I thought it was ridiculous

1027

00:50:12,900 --> 00:50:08,299

child's play so I didn't have an open

1028

00:50:15,730 --> 00:50:12,910

mind however no sooner had an and I met

1029

00:50:18,599 --> 00:50:15,740

then peculiar things started happening

1030

00:50:25,150 --> 00:50:18,609

to us when we were together and we

1031

00:50:28,390 --> 00:50:25,160

didn't really make much of them but they

1032

00:50:32,620 --> 00:50:28,400

were odd enough to wear both of us

1033

00:50:34,690 --> 00:50:32,630

thought hmm what kind of person have I

1034

00:50:39,819 --> 00:50:34,700

married here that I've got these weird

1035

00:50:42,400 --> 00:50:39,829

things happening to me now that's right

1036

00:50:44,230 --> 00:50:42,410

but we didn't we never thought about it

1037

00:50:48,279 --> 00:50:44,240

it was never on the sudden it was never

1038

00:50:51,279 --> 00:50:48,289

subject we were concerned about I wrote

1039

00:50:52,630 --> 00:50:51,289

horror novels yeah and so I you know I

1040

00:50:55,839 --> 00:50:52,640

was concerned in that sense but

1041

00:50:57,759 --> 00:50:55,849

professionally is you know the vampire

1042

00:51:01,480 --> 00:50:57,769

lore the we're wool floor and all that

1043

00:51:05,940 --> 00:51:01,490

stuff that interested me yes exactly and

1044

00:51:10,029 --> 00:51:05,950

that interests a lot of readers too yes

1045

00:51:15,640 --> 00:51:10,039

yes here's excuse me a question from

1046

00:51:19,509 --> 00:51:15,650

Conte well that shows ever come out that

1047

00:51:23,200 --> 00:51:19,519

is a very good question and a very hard

1048

00:51:27,849 --> 00:51:23,210

question because the we have to first

1049

00:51:32,039 --> 00:51:27,859

figure out what is the truth and for

1050

00:51:34,870 --> 00:51:32,049

example Louise Alvarez released a video

1051
00:51:39,880 --> 00:51:34,880
that was featured in The New York Times

1052
00:51:43,870 --> 00:51:39,890
a few months ago in December of a UFO

1053
00:51:48,329 --> 00:51:43,880
image of a UFO that was taken by some

1054
00:51:51,489 --> 00:51:48,339
Navy planes but what is it

1055
00:51:53,950 --> 00:51:51,499
right this is what is it

1056
00:51:56,729 --> 00:51:53,960
I know people who work on this on the

1057
00:51:59,109 --> 00:51:56,739
inside and they don't know what it is

1058
00:52:01,329 --> 00:51:59,119
one of the reasons there's so much

1059
00:52:06,029 --> 00:52:01,339
agitation to get this out into the

1060
00:52:12,730 --> 00:52:06,039
public sphere is that the classification

1061
00:52:17,740 --> 00:52:12,740
system excuse me has put a damper on

1062
00:52:20,260 --> 00:52:17,750
innovative new thinking and research one

1063
00:52:23,650 --> 00:52:20,270

thing that did come out fascinatingly

1064

00:52:26,380 --> 00:52:23,660

enough at the contact in the desert UFO

1065

00:52:29,140 --> 00:52:26,390

conference last summer here in

1066

00:52:31,630 --> 00:52:29,150

california was the very distinguished

1067

00:52:34,810 --> 00:52:31,640

member of the UFO community dr. Jacque

1068

00:52:38,830 --> 00:52:34,820

Malay conceivably the most distinguished

1069

00:52:44,410 --> 00:52:38,840

member of the UFO community in fact came

1070

00:52:48,100 --> 00:52:44,420

out and proceeded to show technical data

1071

00:52:51,850 --> 00:52:48,110

indicating that some material that he

1072

00:52:55,690 --> 00:52:51,860

had acquired material I have some of it

1073

00:53:02,080 --> 00:52:55,700

too but he had acquired this material in

1074

00:53:07,390 --> 00:53:02,090

various ways that came from UFO crash

1075

00:53:10,780 --> 00:53:07,400

and it had been analyzed isotopically

1076
00:53:13,150 --> 00:53:10,790
because there are people with a good

1077
00:53:17,200 --> 00:53:13,160
deal of money behind dr. Valley and his

1078
00:53:21,400 --> 00:53:17,210
work and that's very expensive that type

1079
00:53:22,950 --> 00:53:21,410
of analysis and hold that spot Whitley

1080
00:53:26,890 --> 00:53:22,960
we're going to come back and finish the

1081
00:53:28,870 --> 00:53:26,900
this about jacques of LA and his work we

1082
00:53:32,500 --> 00:53:28,880
have to take a very short commercial

1083
00:53:34,180 --> 00:53:32,510
break and stay tuned everybody you are

1084
00:53:36,340 --> 00:53:34,190
listening to Supernatural girls radio

1085
00:53:38,680 --> 00:53:36,350
and we will be right back welcome back

1086
00:53:40,150 --> 00:53:38,690
everyone to Supernatural girls radio I'm

1087
00:53:43,000 --> 00:53:40,160
your host Patricia Baker

1088
00:53:44,830 --> 00:53:43,010

I am here with my co-host PK and our

1089

00:53:47,560 --> 00:53:44,840

terrific guest tonight were so honored

1090

00:53:49,480 --> 00:53:47,570

to have him Whitley Strieber is here

1091

00:53:51,880 --> 00:53:49,490

with us tonight and he is the author of

1092

00:53:54,580 --> 00:53:51,890

not just one but two new books the

1093

00:53:57,160 --> 00:53:54,590

supernatural is one whose fear this is

1094

00:54:00,280 --> 00:53:57,170

that one and another one that Whitley

1095

00:54:03,180 --> 00:54:00,290

has co-authored with his wife across the

1096

00:54:05,530 --> 00:54:03,190

bridge and that is called afterlife

1097

00:54:07,270 --> 00:54:05,540

Revolution and you can get both on

1098

00:54:09,250 --> 00:54:07,280

Amazon I'm looking forward to reading

1099

00:54:16,000 --> 00:54:09,260

this afterlife one this sounds fast I am

1100

00:54:18,550 --> 00:54:16,010

too fast it's been an exceptional year

1101

00:54:20,680 --> 00:54:18,560

for me in terms of writing because the

1102

00:54:23,230 --> 00:54:20,690

both books are very important books and

1103

00:54:26,410 --> 00:54:23,240

I'm extremely grateful to have them out

1104

00:54:28,390 --> 00:54:26,420

there I must say yes let's

1105

00:54:40,440 --> 00:54:28,400

let's get back to jock ballet because we

1106

00:54:44,670 --> 00:54:40,450

let here's what he reported he had had

1107

00:54:49,000 --> 00:54:44,680

this material analyzed the isotopic

1108

00:54:52,000 --> 00:54:49,010

ratios in it analyzed and these isotopic

1109

00:54:55,390 --> 00:54:52,010

ratios were not of this world they were

1110

00:54:58,390 --> 00:54:55,400

not isotopes that occur on planet Earth

1111

00:55:00,339 --> 00:54:58,400

but there's a remarkable kicker you'd

1112

00:55:03,370 --> 00:55:00,349

think oh well that must mean they're

1113

00:55:07,000 --> 00:55:03,380

from some other part of the universe but

1114

00:55:12,069 --> 00:55:07,010

as we understand physics they couldn't

1115

00:55:18,460 --> 00:55:12,079

exist at all in this universe am i they

1116

00:55:24,819 --> 00:55:18,470

are entirely fabricated from the

1117

00:55:26,440 --> 00:55:24,829

subatomic level up or they are not from

1118

00:55:29,200 --> 00:55:26,450

this universe there's something from

1119

00:55:32,339 --> 00:55:29,210

another universe from a parallel

1120

00:55:37,420 --> 00:55:32,349

universe with different laws of physics

1121

00:55:40,750 --> 00:55:37,430

it is remarkable stuff now when you have

1122

00:55:44,010 --> 00:55:40,760

something like that in the hands of a

1123

00:55:48,789 --> 00:55:44,020

scientist which has been analyzed very

1124

00:55:51,460 --> 00:55:48,799

properly when you have video released by

1125

00:55:54,220 --> 00:55:51,470

the United States government of an

1126
00:56:00,490 --> 00:55:54,230
unknown object that functioned in ways

1127
00:56:05,440 --> 00:56:00,500
that we cannot duplicate at all then why

1128
00:56:12,190 --> 00:56:05,450
I wonder do we end up trading rectal

1129
00:56:14,710 --> 00:56:12,200
probe jokes we can do better yes think

1130
00:56:16,750 --> 00:56:14,720
about this yeah this other stuff is such

1131
00:56:18,450 --> 00:56:16,760
a terrible and stupid distraction

1132
00:56:23,020 --> 00:56:18,460
absolutely there's so many great

1133
00:56:25,150 --> 00:56:23,030
mysteries to discuss it's so weak and

1134
00:56:27,579 --> 00:56:25,160
you know I live with the visitors

1135
00:56:29,680 --> 00:56:27,589
they're in my life all the time I'm not

1136
00:56:34,480 --> 00:56:29,690
gonna go into a great deal of detail

1137
00:56:37,390 --> 00:56:34,490
about how that works but I'm embarrassed

1138
00:56:40,240 --> 00:56:37,400

I have we've got to do better because

1139

00:56:42,870 --> 00:56:40,250

they're unimpressed and you know I

1140

00:56:45,730 --> 00:56:42,880

keep worrying about the fact that our

1141

00:56:48,400 --> 00:56:45,740

climate is deteriorating and there are

1142

00:56:50,560 --> 00:56:48,410

other things about us that they've

1143

00:56:52,930 --> 00:56:50,570

explained to me about population

1144

00:56:57,810 --> 00:56:52,940

pressure and so forth we're in very

1145

00:57:02,320 --> 00:56:57,820

serious trouble as a species we are and

1146

00:57:05,590 --> 00:57:02,330

we need their help we need to turn

1147

00:57:09,600 --> 00:57:05,600

towards them in a rational and coherent

1148

00:57:13,930 --> 00:57:09,610

way and we're not doing that at all

1149

00:57:17,050 --> 00:57:13,940

instead you have these absurd that's

1150

00:57:22,000 --> 00:57:17,060

like the the reactions to that video

1151
00:57:25,660 --> 00:57:22,010
were childish they were a selfish and I

1152
00:57:30,130 --> 00:57:25,670
think to myself seventy years of an

1153
00:57:33,550 --> 00:57:30,140
organized attempt to kind of tame us to

1154
00:57:35,440 --> 00:57:33,560
this presence and finally something

1155
00:57:38,310 --> 00:57:35,450
happens that's incontrovertible the

1156
00:57:43,660 --> 00:57:38,320
video is released by the government and

1157
00:57:46,470 --> 00:57:43,670
the general reaction is scientists

1158
00:57:49,780 --> 00:57:46,480
denying it in the face of the

1159
00:57:54,580 --> 00:57:49,790
irrefutable reality of the documentation

1160
00:57:59,100 --> 00:57:54,590
and other and people making frightened

1161
00:58:04,290 --> 00:57:59,110
nervous jokes but more importantly

1162
00:58:08,800 --> 00:58:04,300
nobody with a really strong mind

1163
00:58:13,030 --> 00:58:08,810

taking a look at this seriously from a

1164

00:58:16,180 --> 00:58:13,040

social cultural viewpoint in social

1165

00:58:21,060 --> 00:58:16,190

sciences the academic community in terms

1166

00:58:24,280 --> 00:58:21,070

of the culture physics biology

1167

00:58:26,310 --> 00:58:24,290

astrophysics astronomy cosmology there

1168

00:58:31,020 --> 00:58:26,320

are so many different disciplines that

1169

00:58:34,510 --> 00:58:31,030

should be looking at this very seriously

1170

00:58:44,340 --> 00:58:34,520

instead absolutely there's just a big

1171

00:58:48,820 --> 00:58:44,350

heart yeah yes it is it's ridiculous now

1172

00:58:51,430 --> 00:58:48,830

you have a story in your book that we

1173

00:58:53,360 --> 00:58:51,440

found so fascinating and this is in the

1174

00:58:57,830 --> 00:58:53,370

supernatural book

1175

00:59:01,280 --> 00:58:57,840

about the editor Bruce Lee who goes into

1176
00:59:03,560 --> 00:59:01,290
a bookstore can you tell us about that

1177
00:59:08,690 --> 00:59:03,570
story I know our our listeners want to

1178
00:59:11,930 --> 00:59:08,700
hear it that is amazing I got a million

1179
00:59:13,430 --> 00:59:11,940
stories I have an entire lifetime it

1180
00:59:15,890 --> 00:59:13,440
shouldn't have happened and that is

1181
00:59:18,380 --> 00:59:15,900
impossible but I'll tell you this story

1182
00:59:21,080 --> 00:59:18,390
Bruce Lee was a he had been an

1183
00:59:23,180 --> 00:59:21,090
intelligence agent and he was now an

1184
00:59:25,580 --> 00:59:23,190
editor and in army intelligence and he

1185
00:59:28,280 --> 00:59:25,590
was now an editor at William Morrow and

1186
00:59:30,950 --> 00:59:28,290
company and the book had just been

1187
00:59:33,110 --> 00:59:30,960
published communion and he went into a

1188
00:59:36,830 --> 00:59:33,120

shop called the Madison Avenue book shop

1189

00:59:38,540 --> 00:59:36,840

to see if they'd had facings and that

1190

00:59:41,980 --> 00:59:38,550

people were interested in it and so

1191

00:59:44,750 --> 00:59:41,990

forth and he saw a couple of people that

1192

00:59:47,480 --> 00:59:44,760

seemed to be looking at the book so he

1193

00:59:49,670 --> 00:59:47,490

went around behind them behind the

1194

00:59:53,350 --> 00:59:49,680

bookshelf that it was in so he could

1195

00:59:56,240 --> 00:59:53,360

listen to them talking and he did this

1196

00:59:58,670 --> 00:59:56,250

he proceeds to hear the see that they're

1197

01:00:01,640 --> 00:59:58,680

flipping through it at a very rapid rate

1198

01:00:04,360 --> 01:00:01,650

of speed and laughing and saying well he

1199

01:00:08,270 --> 01:00:04,370

got this wrong and he got that wrong and

1200

01:00:11,330 --> 01:00:08,280

he thought how do they know right and

1201
01:00:16,280 --> 01:00:11,340
then he stopped they stopped and looked

1202
01:00:20,120 --> 01:00:16,290
up at him and they were with these great

1203
01:00:22,760 --> 01:00:20,130
big black eyes and you were on they head

1204
01:00:25,610 --> 01:00:22,770
on overcoats and fedoras down over their

1205
01:00:28,850 --> 01:00:25,620
eyes and you know that he was looking

1206
01:00:33,920 --> 01:00:28,860
face to face with the people on the

1207
01:00:37,460 --> 01:00:33,930
cover of Communion and you know that

1208
01:00:41,600 --> 01:00:37,470
seems like an awesome experience they

1209
01:00:44,750 --> 01:00:41,610
don't think of it that way to them this

1210
01:00:48,080 --> 01:00:44,760
is ordinary life they've been around us

1211
01:00:52,220 --> 01:00:48,090
they know us well and when you're around

1212
01:00:55,430 --> 01:00:52,230
them it's no big deal it's not like 80

1213
01:00:57,820 --> 01:00:55,440

or something they're just ordinary they

1214

01:01:00,710 --> 01:00:57,830

consider themselves ordinary people and

1215

01:01:03,290 --> 01:01:00,720

in spite of the fact that I have been

1216

01:01:05,930 --> 01:01:03,300

around them from time to time I still

1217

01:01:07,220 --> 01:01:05,940

don't know what they are but I can

1218

01:01:11,440 --> 01:01:07,230

assure you they think of

1219

01:01:14,090 --> 01:01:11,450

feels is ordinary anyway I decided

1220

01:01:17,590 --> 01:01:14,100

perhaps it would be a good idea to leave

1221

01:01:20,300 --> 01:01:17,600

the store so he did leave the store and

1222

01:01:23,030 --> 01:01:20,310

as he walked out he could hear them

1223

01:01:26,540 --> 01:01:23,040

walking behind him and talking to each

1224

01:01:30,280 --> 01:01:26,550

other and laughing in English and as he

1225

01:01:33,680 --> 01:01:30,290

put it in Jewish thick Jewish accents

1226

01:01:42,380 --> 01:01:33,690

down Madison Avenue still looking like

1227

01:01:44,210 --> 01:01:42,390

that and nobody better than I maybe they

1228

01:01:48,530 --> 01:01:44,220

didn't look like that to the other

1229

01:01:51,530 --> 01:01:48,540

people possibility and yeah you just

1230

01:01:55,099 --> 01:01:51,540

don't know what the reality is anyway I

1231

01:01:58,099 --> 01:01:55,109

had him take a lie detector test because

1232

01:02:00,680 --> 01:01:58,109

I found it extremely hard to believe

1233

01:02:03,140 --> 01:02:00,690

that story at that time nowadays the way

1234

01:02:05,720 --> 01:02:03,150

I've lived I wouldn't I wouldn't even

1235

01:02:08,240 --> 01:02:05,730

bat an eye at the story like that their

1236

01:02:11,120 --> 01:02:08,250

stories are quite ordinary but at the

1237

01:02:13,190 --> 01:02:11,130

time it seemed difficult to believe and

1238

01:02:15,590 --> 01:02:13,200

I was afraid that the publishers were

1239

01:02:17,930 --> 01:02:15,600

putting me on

1240

01:02:20,420 --> 01:02:17,940

in fact my the reason I heard the first

1241

01:02:22,310 --> 01:02:20,430

I heard about the story was from my

1242

01:02:24,200 --> 01:02:22,320

editor who called me while I was on the

1243

01:02:29,900 --> 01:02:24,210

author to her and said Ridley I have

1244

01:02:33,200 --> 01:02:29,910

good news and bad news I said bad news

1245

01:02:35,690 --> 01:02:33,210

first he said no no it won't work the

1246

01:02:37,099 --> 01:02:35,700

good news first is that now everybody in

1247

01:02:40,849 --> 01:02:37,109

william morrow believes you're telling

1248

01:02:43,390 --> 01:02:40,859

the truth he said but the bad news is

1249

01:02:55,690 --> 01:02:43,400

the aliens think you're an idiot

1250

01:03:02,630 --> 01:02:58,490

anyway Bruce passed my detector tests I

1251

01:03:05,870 --> 01:03:02,640

told the the operator of the machine who

1252

01:03:08,780 --> 01:03:05,880

had I said look this guy's got to be

1253

01:03:10,849 --> 01:03:08,790

telling a fib this man did lie-detector

1254

01:03:13,609 --> 01:03:10,859

work for the New York City Police

1255

01:03:15,650 --> 01:03:13,619

Department and oh by the way as soon as

1256

01:03:17,990 --> 01:03:15,660

communion came out with support from

1257

01:03:20,480 --> 01:03:18,000

lie-detector tests there were story

1258

01:03:21,090 --> 01:03:20,490

after story in the newspapers about how

1259

01:03:24,330 --> 01:03:21,100

allied

1260

01:03:27,180 --> 01:03:24,340

just don't really work but now that

1261

01:03:29,190 --> 01:03:27,190

that's all been forgotten if you go and

1262

01:03:31,080 --> 01:03:29,200

you'll find that there are stories all

1263

01:03:33,870 --> 01:03:31,090

the time about the CIA and so forth

1264

01:03:35,490 --> 01:03:33,880

using lie detectors to determine whether

1265

01:03:38,010 --> 01:03:35,500

or not their agents are telling the

1266

01:03:40,470 --> 01:03:38,020

truth and uh and that there are in

1267

01:03:44,160 --> 01:03:40,480

ordinary use in police work as they have

1268

01:03:45,480 --> 01:03:44,170

been for many years and they do work if

1269

01:03:48,150 --> 01:03:45,490

they're in the hands of someone who

1270

01:03:50,670 --> 01:03:48,160

knows what they're doing exactly so

1271

01:03:53,160 --> 01:03:50,680

anyway I told him that this guy's got to

1272

01:03:54,840 --> 01:03:53,170

be lying and after the test Bruce comes

1273

01:03:57,210 --> 01:03:54,850

to me it calls me and says you know I

1274

01:04:00,240 --> 01:03:57,220

passed that lie-detector test but that

1275

01:04:02,190 --> 01:04:00,250

guy is sadistic he practically killed me

1276

01:04:06,510 --> 01:04:02,200

because he was you know pumping up the

1277

01:04:11,030 --> 01:04:06,520

the straps and you know very challenging

1278

01:04:13,500 --> 01:04:11,040

and trying to really throw him off sad

1279

01:04:15,750 --> 01:04:13,510

and he calls you the lie-detector guy

1280

01:04:21,080 --> 01:04:15,760

calls me up and says look that guy's

1281

01:04:24,330 --> 01:04:21,090

telling the truth it's just so

1282

01:04:30,330 --> 01:04:24,340

incredible said I'm never coming over to

1283

01:04:31,260 --> 01:04:30,340

your house I'm telling you that's a

1284

01:04:34,350 --> 01:04:31,270

great story

1285

01:04:36,990 --> 01:04:34,360

I just love that wonderful here's a

1286

01:04:39,270 --> 01:04:37,000

question for you from Lola what do you

1287

01:04:42,290 --> 01:04:39,280

think about people who introduce time

1288

01:04:46,850 --> 01:04:42,300

travel to the alien visitation phenomena

1289

01:04:54,990 --> 01:04:50,900

one bad question that's cool okay well

1290

01:04:59,580 --> 01:04:55,000

it's a good question my wife and felt

1291

01:05:02,730 --> 01:04:59,590

that this was a very essential part of

1292

01:05:06,150 --> 01:05:02,740

the whole phenomenon and she was so

1293

01:05:09,360 --> 01:05:06,160

smart and so clued in to this I wouldn't

1294

01:05:14,280 --> 01:05:09,370

I would suspect that that means that she

1295

01:05:16,890 --> 01:05:14,290

there's something to it we do know that

1296

01:05:20,970 --> 01:05:16,900

it's possible to move back and forth in

1297

01:05:24,030 --> 01:05:20,980

time we don't know to do the degree to

1298

01:05:28,800 --> 01:05:24,040

which that's possible could you move a

1299

01:05:31,950 --> 01:05:28,810

physical entity through time I don't

1300

01:05:33,710 --> 01:05:31,960

know I had before any of this close

1301

01:05:36,560 --> 01:05:33,720

encounter stuff happened

1302

01:05:39,140 --> 01:05:36,570

I had a haunting experience on a street

1303

01:05:41,210 --> 01:05:39,150

corner in New York that appeared to be a

1304

01:05:44,930 --> 01:05:41,220

movement backwards in time it was

1305

01:05:47,750 --> 01:05:44,940

extremely startling it only lasted maybe

1306

01:05:51,530 --> 01:05:47,760

30 seconds but it was an amazing

1307

01:05:55,099 --> 01:05:51,540

experience and so I I do suspect that

1308

01:05:58,550 --> 01:05:55,109

it's possible to move through time and I

1309

01:06:02,960 --> 01:05:58,560

wouldn't be at all surprised if in some

1310

01:06:05,030 --> 01:06:02,970

way what happens to us isn't connected

1311

01:06:08,720 --> 01:06:05,040

with that and I'll give you a precise

1312

01:06:11,030 --> 01:06:08,730

example there is something called the

1313

01:06:13,970 --> 01:06:11,040

principle of least action in physics

1314

01:06:17,089 --> 01:06:13,980

this means that when water travels down

1315

01:06:20,410 --> 01:06:17,099

a hillside it never takes a detour to go

1316

01:06:24,680 --> 01:06:20,420

up it always seeks the lowest possible

1317

01:06:27,970 --> 01:06:24,690

easiest possible route and in physics

1318

01:06:32,180 --> 01:06:27,980

and in in reality everything always

1319

01:06:34,880 --> 01:06:32,190

tries to do to expend the least possible

1320

01:06:37,609 --> 01:06:34,890

amount of energy to reach whatever its

1321

01:06:42,349 --> 01:06:37,619

goal is to whatever it has to do this

1322

01:06:43,820 --> 01:06:42,359

means that the grandfather paradox which

1323

01:06:46,550 --> 01:06:43,830

would appear to make time travel

1324

01:06:48,109 --> 01:06:46,560

impossible that is if you could travel

1325

01:06:52,070 --> 01:06:48,119

through time you can go back and kill

1326

01:06:53,599 --> 01:06:52,080

your own grandfather can't work because

1327

01:06:56,480 --> 01:06:53,609

the principle of least action will

1328

01:06:58,280 --> 01:06:56,490

always prevent you from doing that from

1329

01:07:02,780 --> 01:06:58,290

doing anything that would affect your

1330

01:07:07,099 --> 01:07:02,790

present your reality this would mean

1331

01:07:11,960 --> 01:07:07,109

that time travelers might have to work

1332

01:07:14,750 --> 01:07:11,970

very hard to affect their own pasts too

1333

01:07:18,980 --> 01:07:14,760

so to speak trick the grandfather

1334

01:07:21,770 --> 01:07:18,990

paradox into not realizing that they are

1335

01:07:24,770 --> 01:07:21,780

from the future one of the best ways you

1336

01:07:27,829 --> 01:07:24,780

might be able to do that would be to be

1337

01:07:31,609 --> 01:07:27,839

something that didn't actually exist at

1338

01:07:34,609 --> 01:07:31,619

all aliens so it's a fabulous question

1339

01:07:36,890 --> 01:07:34,619

and I leave the listener to wonder just

1340

01:07:40,250 --> 01:07:36,900

as Annie and I did and as I do now and

1341

01:07:44,710 --> 01:07:40,260

I'm sure she does as well what the heck

1342

01:07:47,150 --> 01:07:44,720

does it mean I have asked her in this

1343

01:07:50,290 --> 01:07:47,160

afterlife state and

1344

01:07:54,950 --> 01:07:50,300

not received an answer to that question

1345

01:07:57,980 --> 01:07:54,960

interesting interesting fascinating are

1346

01:08:02,600 --> 01:07:57,990

you familiar with Li with Robin Freud's

1347

01:08:05,750 --> 01:08:02,610

work and the afterlife investigations no

1348

01:08:08,420 --> 01:08:05,760

I might be I but it doesn't come to my

1349

01:08:10,400 --> 01:08:08,430

everything about the only reason I am

1350

01:08:13,970 --> 01:08:10,410

bringing that forward is because they

1351

01:08:16,220 --> 01:08:13,980

had some time-travel things go on I'm

1352

01:08:18,080 --> 01:08:16,230

gonna send you some information about it

1353

01:08:19,940 --> 01:08:18,090

and for everybody in our audience that's

1354

01:08:22,130 --> 01:08:19,950

listening we have done several

1355

01:08:24,470 --> 01:08:22,140

interviews with Robin for you might want

1356

01:08:28,220 --> 01:08:24,480

to look them up on our archives but it's

1357

01:08:32,000 --> 01:08:28,230

they also encountered the blue man which

1358

01:08:35,030 --> 01:08:32,010

they had a photograph of so that also

1359

01:08:39,140 --> 01:08:35,040

made me feel assured blue figures Yeah

1360

01:08:41,360 --> 01:08:39,150

right there they're the ones that I

1361

01:08:44,300 --> 01:08:41,370

ended up with all the time I mean

1362

01:08:48,590 --> 01:08:44,310

they're the one yeah they they they came

1363

01:08:50,500 --> 01:08:48,600

to we have a country house I don't have

1364

01:08:52,580 --> 01:08:50,510

it it belongs to my family and the

1365

01:08:56,920 --> 01:08:52,590

visitors have been coming there the

1366

01:08:59,660 --> 01:08:56,930

short blue figures for many years and

1367

01:09:01,970 --> 01:08:59,670

mostly I'm the one they come to that I

1368

01:09:03,650 --> 01:09:01,980

they very rarely on one or two occasions

1369

01:09:10,100 --> 01:09:03,660

they've come to other members of the

1370

01:09:13,700 --> 01:09:10,110

family but I was I got some of the

1371

01:09:16,250 --> 01:09:13,710

government people together because it it

1372

01:09:16,970 --> 01:09:16,260

became clear that they would show up at

1373

01:09:21,020 --> 01:09:16,980

the house

1374

01:09:23,000 --> 01:09:21,030

if these people came the people all

1375

01:09:25,610 --> 01:09:23,010

chickened out at the last minute they

1376

01:09:28,040 --> 01:09:25,620

they they suspected some kind of

1377

01:09:30,890 --> 01:09:28,050

something was up and they were afraid

1378

01:09:33,290 --> 01:09:30,900

and they didn't come but my aunt and I

1379

01:09:37,760 --> 01:09:33,300

were there and they these beings showed

1380

01:09:40,090 --> 01:09:37,770

up these dark blue figures and so you

1381

01:09:42,890 --> 01:09:40,100

know they are very physical very

1382

01:09:45,470 --> 01:09:42,900

definitely I'm not surprised someone you

1383

01:09:50,120 --> 01:09:45,480

take a picture of them how I wish that

1384

01:09:52,010 --> 01:09:50,130

someone was me be sure to send you this

1385

01:09:55,670 --> 01:09:52,020

information I think you will find it

1386

01:09:57,350 --> 01:09:55,680

fascinating given how your experiences

1387

01:10:00,150 --> 01:09:57,360

have have happened over so many years

1388

01:10:02,060 --> 01:10:00,160

and your perspective on all of this

1389

01:10:05,250 --> 01:10:02,070

so here's another question see people

1390

01:10:07,680 --> 01:10:05,260

loved you love your books they loved the

1391

01:10:11,250 --> 01:10:07,690

movie communion and here is a question

1392

01:10:14,070 --> 01:10:11,260

from Dave Savini who says excuse me hi

1393

01:10:16,650 --> 01:10:14,080

Whitley do you think your story has

1394

01:10:18,780 --> 01:10:16,660

passed enough time to our Hollywood

1395

01:10:20,550 --> 01:10:18,790

would consider doing a reboot of the

1396

01:10:23,280 --> 01:10:20,560

original movie see people want to see

1397

01:10:27,030 --> 01:10:23,290

this again oh I would love that

1398

01:10:30,720 --> 01:10:27,040

and there is some interest definitely

1399

01:10:33,060 --> 01:10:30,730

now and I think that that maybe

1400

01:10:36,450 --> 01:10:33,070

something along those lines will happen

1401
01:10:38,640 --> 01:10:36,460
that'd be wonderful Elsa yeah because

1402
01:10:40,410 --> 01:10:38,650
that was a great movie with Christopher

1403
01:10:43,230 --> 01:10:40,420
Walken it's I have to tell you though I

1404
01:10:45,540 --> 01:10:43,240
don't scare easily but that movie it got

1405
01:10:48,540 --> 01:10:45,550
to me got under my skin I had nightmares

1406
01:10:50,910 --> 01:10:48,550
for three nights it was great so I

1407
01:10:53,400 --> 01:10:50,920
totally hope that this turn sent you

1408
01:10:56,640 --> 01:10:53,410
either a television project a series or

1409
01:10:58,800 --> 01:10:56,650
another feature boom and you yeah and

1410
01:11:02,010 --> 01:10:58,810
you have so much more to add to the

1411
01:11:04,380 --> 01:11:02,020
story because you've lived it yes this

1412
01:11:06,300 --> 01:11:04,390
is because my life we haven't even

1413
01:11:07,950 --> 01:11:06,310

talked about the implant in my left ear

1414

01:11:10,890 --> 01:11:07,960

which I use all the time as a

1415

01:11:13,830 --> 01:11:10,900

communications tool and for many many

1416

01:11:17,310 --> 01:11:13,840

other things you know about this implant

1417

01:11:20,820 --> 01:11:17,320

well it was put in in May of 1989 by two

1418

01:11:23,000 --> 01:11:20,830

people a man and woman not aliens as far

1419

01:11:27,570 --> 01:11:23,010

as I could tell who came into my bedroom

1420

01:11:30,240 --> 01:11:27,580

overpowered me immobilized me and began

1421

01:11:31,980 --> 01:11:30,250

pressing against the side Preston the

1422

01:11:38,160 --> 01:11:31,990

side of my head down into the bedclothes

1423

01:11:41,610 --> 01:11:38,170

and the next afternoon I could feel a

1424

01:11:45,120 --> 01:11:41,620

lump in there and it was sore there was

1425

01:11:48,420 --> 01:11:45,130

no opening it had not been in other

1426

01:11:52,440 --> 01:11:48,430

words it hadn't been put in in any

1427

01:11:56,520 --> 01:11:52,450

normal way I can to occasionally turn on

1428

01:11:59,820 --> 01:11:56,530

in the ear would turn bright red and it

1429

01:12:01,830 --> 01:11:59,830

would make a funny noise in my ear I

1430

01:12:05,430 --> 01:12:01,840

ended up at the Southwest Research

1431

01:12:07,560 --> 01:12:05,440

Institute in Texas with dr. William

1432

01:12:10,410 --> 01:12:07,570

allow the head of material science

1433

01:12:12,060 --> 01:12:10,420

there one time when it turned on and my

1434

01:12:13,890 --> 01:12:12,070

ear turned bright red and he rushed me

1435

01:12:17,750 --> 01:12:13,900

into a signals acquisition lab

1436

01:12:20,370 --> 01:12:17,760

and I found out just a few months ago

1437

01:12:22,050 --> 01:12:20,380

and about a year ago that they had

1438

01:12:24,930 --> 01:12:22,060

indeed acquired a signal and the signal

1439

01:12:30,000 --> 01:12:24,940

is still to this day under study because

1440

01:12:33,750 --> 01:12:30,010

it was a very unusual signal over time I

1441

01:12:36,840 --> 01:12:33,760

gradually learned to use the implant I

1442

01:12:39,210 --> 01:12:36,850

can use it as a research tool I can use

1443

01:12:44,010 --> 01:12:39,220

in a lot of different ways and the

1444

01:12:46,710 --> 01:12:44,020

implant will what happens is when I'm

1445

01:12:48,840 --> 01:12:46,720

working with it a kind of slit opens up

1446

01:12:52,410 --> 01:12:48,850

in my left eye or sometimes in the right

1447

01:12:54,960 --> 01:12:52,420

but usually in the left eye and like

1448

01:12:59,160 --> 01:12:54,970

what looked like typed words go racing

1449

01:13:01,110 --> 01:12:59,170

past in this slit very quickly and if I

1450

01:13:03,570 --> 01:13:01,120

it's like riding a bicycle if I try to

1451

01:13:07,260 --> 01:13:03,580

read them I get nothing out of it but if

1452

01:13:09,750 --> 01:13:07,270

I just relax and let it happen all kinds

1453

01:13:13,170 --> 01:13:09,760

of information that I'm or whatever I'm

1454

01:13:16,080 --> 01:13:13,180

working on a given moment comes into my

1455

01:13:18,690 --> 01:13:16,090

mind and it's wonderful and I'm really

1456

01:13:22,380 --> 01:13:18,700

it's as I say it's like riding a bicycle

1457

01:13:25,830 --> 01:13:22,390

I've learned to use it and it doesn't

1458

01:13:30,420 --> 01:13:25,840

control my mind if it had controlled my

1459

01:13:41,910 --> 01:13:30,430

mind my wife would have told me she say

1460

01:13:47,370 --> 01:13:41,920

your mind is an attempt was made to take

1461

01:13:49,890 --> 01:13:47,380

it out and well the doctor opened it up

1462

01:13:51,990 --> 01:13:49,900

and he could see a white disc in here

1463

01:13:54,840 --> 01:13:52,000

mm-hm and when he touched the edge of it

1464

01:13:58,140 --> 01:13:54,850

with this scalpel it went down into my

1465

01:14:00,180 --> 01:13:58,150

earlobe and so he closed up the incision

1466

01:14:01,860 --> 01:14:00,190

and said you know I can't I'd have to

1467

01:14:06,480 --> 01:14:01,870

cut your entire ear off to get rid of

1468

01:14:10,310 --> 01:14:06,490

this so but he did get a little sliver

1469

01:14:13,740 --> 01:14:10,320

of it which he sent to pathology and the

1470

01:14:16,320 --> 01:14:13,750

pathologist called him up and said is

1471

01:14:18,630 --> 01:14:16,330

this a joke he said no it came out of a

1472

01:14:21,060 --> 01:14:18,640

patient's ear he said because this is

1473

01:14:24,120 --> 01:14:21,070

not something of nature this is

1474

01:14:26,280 --> 01:14:24,130

technology it has you what you've showed

1475

01:14:27,690 --> 01:14:26,290

God sent me here as a sliver of a

1476

01:14:34,160 --> 01:14:27,700

metallic

1477

01:14:39,090 --> 01:14:36,840

anyway about three days later my ear

1478

01:14:41,640 --> 01:14:39,100

started to burn like crazy and it went

1479

01:14:45,450 --> 01:14:41,650

back up to where it is this day and

1480

01:14:47,430 --> 01:14:45,460

Annie said my advice is do not press

1481

01:14:49,380 --> 01:14:47,440

this matter I would not try to get it

1482

01:14:50,730 --> 01:14:49,390

out again and I said I agree with you I

1483

01:14:59,160 --> 01:14:50,740

have no intention of getting it out

1484

01:15:01,650 --> 01:14:59,170

trying to get it out so it was people

1485

01:15:03,810 --> 01:15:01,660

who did this who overpowered you they

1486

01:15:06,510 --> 01:15:03,820

looked human they were people yeah oh

1487

01:15:08,610 --> 01:15:06,520

and yeah I was yeah and I've tried hard

1488

01:15:09,990 --> 01:15:08,620

to find out who they may have been and

1489

01:15:11,910 --> 01:15:10,000

who they may have been working with the

1490

01:15:13,260 --> 01:15:11,920

way it happened was I was lying in bed

1491

01:15:16,410 --> 01:15:13,270

it was a May night

1492

01:15:19,890 --> 01:15:16,420

it was warm and we had a gravel driveway

1493

01:15:25,440 --> 01:15:19,900

and it was about 11 o'clock at night and

1494

01:15:27,600 --> 01:15:25,450

a gate big gate closed the driveway some

1495

01:15:29,790 --> 01:15:27,610

distance from the house but I suddenly

1496

01:15:31,860 --> 01:15:29,800

heard crunching in the driveway the

1497

01:15:35,610 --> 01:15:31,870

crunching of tires on the gravel and

1498

01:15:37,910 --> 01:15:35,620

there was no lights out there - very bad

1499

01:15:40,800 --> 01:15:37,920

pieces of news first

1500

01:15:43,620 --> 01:15:40,810

gravel second no lights

1501

01:15:46,530 --> 01:15:43,630

rule of thumb nobody who comes to see

1502

01:15:48,000 --> 01:15:46,540

you no fan who shows up after about 10

1503

01:15:52,530 --> 01:15:48,010

o'clock at night is ever gonna be good

1504

01:15:55,860 --> 01:15:52,540

news so I was frightened I had a Benelli

1505

01:15:59,220 --> 01:15:55,870

riot gun under the bed but an AMG backup

1506

01:16:01,110 --> 01:15:59,230

pistol in the drawer light switches in

1507

01:16:03,510 --> 01:16:01,120

the drawer beside the bed a bank of

1508

01:16:05,790 --> 01:16:03,520

light switches which I could turn on all

1509

01:16:08,040 --> 01:16:05,800

at once it would completely surround the

1510

01:16:11,430 --> 01:16:08,050

house with floodlights and an active

1511

01:16:14,550 --> 01:16:11,440

alarm system that was turned on and I

1512

01:16:16,260 --> 01:16:14,560

suddenly noticed movement at the foot of

1513

01:16:18,750 --> 01:16:16,270

the bed while I was reading the reading

1514

01:16:20,430 --> 01:16:18,760

light was on I looked up and there stood

1515

01:16:24,420 --> 01:16:20,440

these two people this man and this woman

1516

01:16:26,940 --> 01:16:24,430

that fast oh my god yeah and they I bet

1517

01:16:29,580 --> 01:16:26,950

I heard the backyard a male voice say

1518

01:16:32,370 --> 01:16:29,590

condition read and the man and woman

1519

01:16:34,320 --> 01:16:32,380

came rushing toward me I started to go

1520

01:16:36,870 --> 01:16:34,330

for the lights at first before I

1521

01:16:39,090 --> 01:16:36,880

realized entirely what was going on then

1522

01:16:41,729 --> 01:16:39,100

I was bending over to go for the Benelli

1523

01:16:44,009 --> 01:16:41,739

for the riot gun when they got a whole

1524

01:16:46,620 --> 01:16:44,019

move me and flop me down onto the bed I

1525

01:16:49,799 --> 01:16:46,630

became unable to move and they did their

1526

01:16:53,339 --> 01:16:49,809

business Wow good grief

1527

01:16:57,779 --> 01:16:53,349

right into my skin without even leaving

1528

01:16:59,759 --> 01:16:57,789

a cut and then they left there was a big

1529

01:17:02,910 --> 01:16:59,769

flash of light a great deal of crashing

1530

01:17:05,009 --> 01:17:02,920

in the woods I got the pistol out and

1531

01:17:07,560 --> 01:17:05,019

went racing through the house looking

1532

01:17:10,770 --> 01:17:07,570

for some breach of the alarm system

1533

01:17:13,709 --> 01:17:10,780

which was still on and I'm not it had

1534

01:17:16,620 --> 01:17:13,719

not tripped the house was entirely

1535

01:17:20,459 --> 01:17:16,630

sealed everything was fine so I ended up

1536

01:17:22,799 --> 01:17:20,469

sitting on the bedside thinking I just

1537

01:17:24,839 --> 01:17:22,809

can't imagine that that was a dream but

1538

01:17:26,459 --> 01:17:24,849

I don't have any other explanation for

1539

01:17:28,649 --> 01:17:26,469

and it was until the next day when

1540

01:17:36,509 --> 01:17:28,659

various things happen and it became

1541

01:17:40,169 --> 01:17:36,519

obvious that it was no dream good quite

1542

01:17:42,089 --> 01:17:40,179

an exciting exciting life and we're so

1543

01:17:43,470 --> 01:17:42,099

glad you came on the show tonight thank

1544

01:17:45,509 --> 01:17:43,480

you so much

1545

01:17:47,729 --> 01:17:45,519

well thank you been a real pleasure

1546

01:17:50,910 --> 01:17:47,739

genuinely and and thank you listeners

1547

01:17:52,319 --> 01:17:50,920

for such cool questions yes absolutely

1548

01:17:55,379 --> 01:17:52,329

we've got the best audience in the world
