30

00:01:18,740 --> 00:01:15,720

you guys already know I co-hosted like

33

00:01:24,950 --> 00:01:22,979

34

00:01:29,359 --> 00:01:24,960

off for headline news so your headline

35

00:01:32,510 --> 00:01:29,369

news.com that's a and I'm never bored

36

00:01:34,670 --> 00:01:32,520

never not not no always having fun with

37

00:01:36,950 --> 00:01:34,680

this stuff and you know what's fantastic

38

00:01:39,740 --> 00:01:36,960

about this network there are so many

39

00:01:42,109 --> 00:01:39,750

ways to listen to it we're trying to

40

00:01:44,749 --> 00:01:42,119

cram it down your throats notice but

41

00:01:46,670 --> 00:01:44,759

it's the most popular I think is the

42

00:01:49,219 --> 00:01:46,680

inception radio network app which is I

43

00:01:51,920 --> 00:01:49,229

are an app where you can just listen at

44

00:01:54,170 --> 00:01:51,930

any time anything you want and you could

45

00:01:55,460 --> 00:01:54,180

also just call a number my parents like

46

00:01:58,130 --> 00:01:55,470

doing this way because they don't have

47

00:01:59,899 --> 00:01:58,140

to futz with anything as far as

48

00:02:02,510 --> 00:01:59,909

technology is concerned you could

49

00:02:05,330 --> 00:02:02,520

landline it the whole way seven one two

50

00:02:08,150 --> 00:02:05,340

seven seven zero eight eight eight eight

51
00:02:10,850 --> 00:02:08,160

the show you could just dial any time

53
00:02:14,090 --> 00:02:12,630
I'm not afraid of you guys but I know

54
00:02:16,370 --> 00:02:14,100
most you do not listen to the show live

55
00:02:18,170 --> 00:02:16,380
so a lot of people don't call during the

56
00:02:21,410 --> 00:02:18,180
live broadcast that's okay but it's one

57
00:02:24,560 --> 00:02:21,420
eighty eight nine one nine 2355 you can

58
00:02:27,170 --> 00:02:24,570

more easily and I'll do my best to

66

00:02:47,650 --> 00:02:45,690

address that to myself whatever it is

67

00:02:50,450 --> 00:02:47,660

74

00:03:05,090 --> 00:03:02,580

answering all your comments and

75

00:03:08,030 --> 00:03:05,100

questions and emails from all over the

76

00:03:09,980 --> 00:03:08,040

globe and again during this I welcome

77

00:03:13,280 --> 00:03:09,990

phone calls while I'm doing these emails

78

00:03:17,210 --> 00:03:13,290

so otherwise I just go through the

79

00:03:18,650 --> 00:03:17,220

stream of emails and it is a ton let me

80

00:03:20,420 --> 00:03:18,660

81

00:03:24,530 --> 00:03:20,430

82

00:03:26,690 --> 00:03:24,540

I really should so I can see the looks

83

00:03:28,930 --> 00:03:26,700

on people's faces no they're not seeing

84

00:03:32,420 --> 00:03:28,940

faces on air I'm just kidding

85

00:03:34,850 --> 00:03:32,430

because there is somebody from this

86

00:03:37,070 --> 00:03:34,860

chatroom who wrote an email tonight and

87

00:03:38,000 --> 00:03:37,080

that's first one I'm gonna get to oh boy

88

00:03:41,540 --> 00:03:38,010

it's Lively

89

00:03:43,550 --> 00:03:41,550

I knew that swag okay here we go

90

00:03:46,430 --> 00:03:43,560

holy smokes there's a lot of stuff

91

00:03:50,330 --> 00:03:46,440

popping up a lot of people okay so

92

00:03:54,290 --> 00:03:50,340

anyways let's get to these lovely emails

93

00:03:58,370 --> 00:03:54,300

this first email says hello Heidi below

94

00:04:00,230 --> 00:03:58,380

are my encounters with that creep called

95

00:04:02,750 --> 00:04:00,240

the hat man you guys know that they're

96

00:04:05,090 --> 00:04:02,760

speaking up I I think I I know after

97

00:04:06,770 --> 00:04:05,100

reading your book I bought back it

98

00:04:10,010 --> 00:04:06,780

brought back those encounters I have

99

00:04:13,310 --> 00:04:10,020

made a point to forget there are four

100

00:04:17,000 --> 00:04:13,320

encounters the third being this past

101
00:04:19,490 --> 00:04:17,010
November during an investigation my hat

102
00:04:21,830 --> 00:04:19,500
man encounters encounter number one okay

103
00:04:24,050 --> 00:04:21,840
here we go throughout all of my

104
00:04:26,610 --> 00:04:24,060
encounters growing up there have been

105
00:04:29,190 --> 00:04:26,620
several that have had me wondering what

106
00:04:30,990 --> 00:04:29,200
the heck did I just see and was it real

107
00:04:32,730 --> 00:04:31,000
oh and why me

108
00:04:35,040 --> 00:04:32,740
here are my three encounters with this

109
00:04:37,680 --> 00:04:35,050
entity called heaven my first encounter

110
00:04:39,629 --> 00:04:37,690
was in the summer of 94 I was in my

111
00:04:41,970 --> 00:04:39,639
teens then I was home alone on a

112
00:04:44,580 --> 00:04:41,980
Saturday night watching television in

113
00:04:47,670 --> 00:04:44,590

the living room when all at once I heard

114

00:04:49,379 --> 00:04:47,680

footsteps upstairs it was at this point

115

00:04:52,350 --> 00:04:49,389

I thought that someone had broken into

116

00:04:55,080 --> 00:04:52,360

the house I got up and muted the TV and

117

00:04:57,780 --> 00:04:55,090

quietly made my way out of the living

118

00:05:00,719 --> 00:04:57,790

room and grabbed a baseball bat and

119

00:05:03,090 --> 00:05:00,729

slowly made my way up the stairs I was

120

00:05:05,190 --> 00:05:03,100

scared because I thought to myself what

121

00:05:08,430 --> 00:05:05,200

do I do when I confront this person I

122

00:05:11,070 --> 00:05:08,440

got a very bad feeling as I checked all

123

00:05:14,190 --> 00:05:11,080

three bedrooms upstairs only to find no

124

00:05:16,170 --> 00:05:14,200

one was there I checked everywhere when

125

00:05:18,120 --> 00:05:16,180

I realized no one was there I started to

126

00:05:20,629 --> 00:05:18,130

relax until I turned to leave the

127

00:05:24,420 --> 00:05:20,639

upstairs bedrooms and standing there

128

00:05:27,180 --> 00:05:24,430

blocking my path was the Hat man oh heck

129

00:05:30,779 --> 00:05:27,190

no that's terrifying I was frozen in

130

00:05:33,810 --> 00:05:30,789

fear I could not move or speak he was

131

00:05:36,570 --> 00:05:33,820

seven feet tall and wore a fedora hat

132

00:05:40,050 --> 00:05:36,580

with a jacket with coattails and boots

133

00:05:42,900 --> 00:05:40,060

his eyes were red and no other features

134

00:05:46,350 --> 00:05:42,910

were present and he never spoke a word

135

00:05:48,870 --> 00:05:46,360

to me still I was terrified to say the

136

00:05:51,450 --> 00:05:48,880

least he just stared at me for what

137

00:05:55,610 --> 00:05:51,460

seemed like forever until he finally

138

00:05:58,590 --> 00:05:55,620

turned and walked through the door I

139

00:06:00,870 --> 00:05:58,600

followed but he was gone before I came

140

00:06:03,840 --> 00:06:00,880

to the top of the stairs I looked

141

00:06:05,879 --> 00:06:03,850

everywhere and not a trace of him little

142

00:06:08,580 --> 00:06:05,889

did I know I would have two more

143

00:06:12,210 --> 00:06:08,590

encounters with him and that death would

144

00:06:13,860 --> 00:06:12,220

soon follow throughout all of my

145

00:06:16,290 --> 00:06:13,870

encounters growing up there have been

146

00:06:18,330 --> 00:06:16,300

several that have had me wondering what

147

00:06:20,670 --> 00:06:18,340

the oh it's repeating how did I get a

148

00:06:22,290 --> 00:06:20,680

repeat okay here we go second encounter

149

00:06:25,020 --> 00:06:22,300

with this creep was in the same year

150

00:06:27,210 --> 00:06:25,030

during the winter it was in November

151
00:06:29,700 --> 00:06:27,220
this time I was woken up by something in

152
00:06:32,340 --> 00:06:29,710
my room it was between 2:00 and 3:00

153
00:06:35,190 --> 00:06:32,350
a.m. I was unable to move my body and I

154
00:06:38,089 --> 00:06:35,200
was unable to speak he was there at the

155
00:06:40,290 --> 00:06:38,099
foot of my bed fedora hat boots and all

156
00:06:41,879 --> 00:06:40,300
he stood there glaring at me

157
00:06:44,129 --> 00:06:41,889
with red eyes never said a word to me

158
00:06:46,920 --> 00:06:44,139
and at some point after what seemed like

159
00:06:49,770 --> 00:06:46,930
forever he just disappeared and I was

160
00:06:51,839 --> 00:06:49,780
able to move I jumped up and flipped on

161
00:06:54,420 --> 00:06:51,849
the light in my room and I was alone

162
00:06:57,540 --> 00:06:54,430
needless to say I did not sleep that

163
00:06:59,399 --> 00:06:57,550

night and I kept it to myself about a

164

00:07:02,520 --> 00:06:59,409

week later my grandfather who was

165

00:07:05,249 --> 00:07:02,530

bedridden ridden and very ill passed

166

00:07:07,110 --> 00:07:05,259

away I was heartbroken and at the same

167

00:07:10,490 --> 00:07:07,120

time I did not make the connection until

168

00:07:13,830 --> 00:07:10,500

my third and final encounter with him

169

00:07:17,879 --> 00:07:13,840

this third and final encounter with this

170

00:07:19,499 --> 00:07:17,889

creep was in August of 96 this time he

171

00:07:21,240 --> 00:07:19,509

made an appearance several days before

172

00:07:23,820 --> 00:07:21,250

my grandmother passed away

173

00:07:28,170 --> 00:07:23,830

gosh that sucks I was home though not

174

00:07:28,770 --> 00:07:28,180

alone and saw hi in my bedroom yet again

175

00:07:31,260 --> 00:07:28,780

hmm

176

00:07:34,800 --> 00:07:31,270

okay no words were uttered he just stood

177

00:07:38,070 --> 00:07:34,810

there staring at me red eyes and all

178

00:07:40,860 --> 00:07:38,080

complete with Fedora jacket and boots

179

00:07:42,540 --> 00:07:40,870

this time he tipped his hat what is with

180

00:07:44,519 --> 00:07:42,550

his tipping of the hat I don't get it

181

00:07:47,370 --> 00:07:44,529

but he does this and I watched him walk

182

00:07:50,129 --> 00:07:47,380

through my bedroom door I was unable to

183

00:07:54,059 --> 00:07:50,139

sleep and kept lights on in my room all

184

00:07:56,459 --> 00:07:54,069

night one night I was asked by my mother

185

00:07:58,559 --> 00:07:56,469

to bring over dinner she had made for my

186

00:08:00,930 --> 00:07:58,569

grandmother that evening I made my way

187

00:08:04,050 --> 00:08:00,940

over and saw her bathroom door open and

188

00:08:07,469 --> 00:08:04,060

after I greeted her I heard nothing no

189

00:08:09,209 --> 00:08:07,479

reply my heart sank I was hit with a

190

00:08:10,800 --> 00:08:09,219

really bad feeling and forced myself to

191

00:08:13,950 --> 00:08:10,810

run over to the bathroom

192

00:08:15,689 --> 00:08:13,960

I found her unresponsive on the floor

193

00:08:17,999 --> 00:08:15,699

between the toilet and bathtub oh my

194

00:08:20,010 --> 00:08:18,009

goodness I was hysterical and called my

195

00:08:21,869 --> 00:08:20,020

mother to tell her that I found Grandma

196

00:08:23,519 --> 00:08:21,879

passed out and unresponsive while I

197

00:08:25,320 --> 00:08:23,529

waited for her and dad to get there I

198

00:08:27,980 --> 00:08:25,330

tried to calm myself down the ambulance

199

00:08:30,059 --> 00:08:27,990

took her to the hospital and root it

200

00:08:32,760 --> 00:08:30,069

brought her back but she died before

201
00:08:35,010 --> 00:08:32,770
they made it there soon after I started

202
00:08:37,500 --> 00:08:35,020
to connect the dots with both deaths and

203
00:08:39,839 --> 00:08:37,510
the happen it all clicked these

204
00:08:40,319 --> 00:08:39,849
encounters were a warning of what was to

205
00:08:42,420 --> 00:08:40,329
come

206
00:08:44,219 --> 00:08:42,430
I think fully have had no more

207
00:08:47,120 --> 00:08:44,229
encounters with this creep and I pray

208
00:08:50,220 --> 00:08:47,130
that I never have another one again

209
00:08:52,860 --> 00:08:50,230
something I wish on no one because as

210
00:08:54,060 --> 00:08:52,870
far as I'm concerned it was evil that

211
00:08:55,590 --> 00:08:54,070
decided to

212
00:08:57,960 --> 00:08:55,600
it's ugly had three times in my life

213
00:09:00,120 --> 00:08:57,970

these are my encounters raw and unedited

214

00:09:01,560 --> 00:09:00,130

it still gives me chills thinking about

215

00:09:03,840 --> 00:09:01,570

it and brings back some of the most

216

00:09:07,620 --> 00:09:03,850

scariest things in my life to have

217

00:09:09,900 --> 00:09:07,630

happened to me oh man encounter number

218

00:09:12,240 --> 00:09:09,910

four took place this past November and

219

00:09:14,400 --> 00:09:12,250

an out-of-town investigation

220

00:09:16,350 --> 00:09:14,410

the location I cannot say out of respect

221

00:09:19,110 --> 00:09:16,360

for the privacy of the family involved I

222

00:09:21,270 --> 00:09:19,120

will call them the Smith family we got

223

00:09:23,370 --> 00:09:21,280

there early in the evening when it had

224

00:09:25,770 --> 00:09:23,380

just gotten dark there were six of us

225

00:09:28,380 --> 00:09:25,780

total to do the overnight investigation

226

00:09:30,900 --> 00:09:28,390

as we were unloading one of the

227

00:09:33,450 --> 00:09:30,910

investigators called my name I walked

228

00:09:36,090 --> 00:09:33,460

over and asked what's up as this member

229

00:09:39,600 --> 00:09:36,100

is also psychic he pointed to an

230

00:09:43,770 --> 00:09:39,610

upstairs window and said do you see him

231

00:09:46,620 --> 00:09:43,780

I looked up and standing there was the

232

00:09:51,480 --> 00:09:46,630

Hat man wearing the wide-brimmed hat and

233

00:09:56,250 --> 00:09:51,490

what clearly looked like a duster and he

234

00:09:57,230 --> 00:09:56,260

had red eyes we both felt pure evil from

235

00:09:59,610 --> 00:09:57,240

him ooh

236

00:10:01,920 --> 00:09:59,620

when we were interviewing the clients

237

00:10:04,650 --> 00:10:01,930

the husband said he saw the same thing

238

00:10:07,080 --> 00:10:04,660

we did around the property outside he

239

00:10:09,150 --> 00:10:07,090

had been out there to head to his truck

240

00:10:11,400 --> 00:10:09,160

when he got a really bad feeling he

241

00:10:14,370 --> 00:10:11,410

looked up and saw the Hat man with red

242

00:10:16,470 --> 00:10:14,380

eyes same hat a duster and boots

243

00:10:19,410 --> 00:10:16,480

creeped him out so bad he ran in the

244

00:10:21,750 --> 00:10:19,420

house and locked the door all night long

245

00:10:25,620 --> 00:10:21,760

we saw him in the house and outside of

246

00:10:30,030 --> 00:10:25,630

it wherever we were he was he switched

247

00:10:32,190 --> 00:10:30,040

hats to get out of Dodge three of us saw

248

00:10:36,180 --> 00:10:32,200

him the whole time and one of those

249

00:10:38,940 --> 00:10:36,190

three was the wife the next day we did a

250

00:10:41,490 --> 00:10:38,950

house blessing and he was gone got home

251

00:10:44,880 --> 00:10:41,500

and two nights later I got scratched

252

00:10:47,880 --> 00:10:44,890

oh no I felt something behind me then

253

00:10:50,070 --> 00:10:47,890

the burning started I turned to see a

254

00:10:52,050 --> 00:10:50,080

figure with a hat going down the hallway

255

00:10:55,950 --> 00:10:52,060

and was God just like that oh that

256

00:10:58,020 --> 00:10:55,960

bastard Oh to date I have seen him two

257

00:10:58,350 --> 00:10:58,030

more times since and it chills me to the

258

00:11:01,230 --> 00:10:58,360

bone

259

00:11:04,200 --> 00:11:01,240

knowing that via my history with this

260

00:11:07,270 --> 00:11:04,210

creep this will not be my last time nor

261

00:11:12,850 --> 00:11:07,280

my last encounter with him Oh No

262

00:11:15,160 --> 00:11:12,860

Jennifer oh Jenny oh that sucks it makes

263

00:11:17,460 --> 00:11:15,170

me wonder I mean he left that house and

264

00:11:21,910 --> 00:11:17,470

came at you you know there is such a

265

00:11:25,060 --> 00:11:21,920

contagion factor to the hat man and the

266

00:11:27,700 --> 00:11:25,070

shadow people phenomenon that is no no

267

00:11:29,800 --> 00:11:27,710

lie you know what's really weird though

268

00:11:32,830 --> 00:11:29,810

Jenny with the what you mentioned here

269

00:11:36,010 --> 00:11:32,840

him changing hats I have never known him

270

00:11:38,560 --> 00:11:36,020

to swap hats in the middle of his messin

271

00:11:40,450 --> 00:11:38,570

room with people you know like you know

272

00:11:42,910 --> 00:11:40,460

I'm gonna walk down the hall need a

273

00:11:44,310 --> 00:11:42,920

different hat I'm just I look out the

274

00:11:47,170 --> 00:11:44,320

window I need the fedora

275

00:11:49,120 --> 00:11:47,180

you know that's weird I have not heard

276

00:11:52,960 --> 00:11:49,130

that is is the first so how about that

277

00:11:57,970 --> 00:11:52,970

that's pretty crazy and you know I have

278

00:12:00,010 --> 00:11:57,980

to say also something scared him up

279

00:12:03,070 --> 00:12:00,020

again in your life I I don't I mean it

280

00:12:04,990 --> 00:12:03,080

looks like it has to do with you know

281

00:12:07,090 --> 00:12:05,000

that's this this house that you went to

282

00:12:09,490 --> 00:12:07,100

go and investigate so whatever it is

283

00:12:10,930 --> 00:12:09,500

that you did to get rid of that thing

284

00:12:13,000 --> 00:12:10,940

out of that house you need to do it

285

00:12:15,400 --> 00:12:13,010

again to get rid of it in your house but

286

00:12:17,440 --> 00:12:15,410

I don't like that he scratched you you

287

00:12:19,780 --> 00:12:17,450

know how that is you know especially if

288

00:12:23,860 --> 00:12:19,790

it's three scratches that mocks the

289

00:12:27,730 --> 00:12:23,870

Trinity as they say and it's like their

290

00:12:29,740 --> 00:12:27,740

way of entering you I don't know what it

291

00:12:32,770 --> 00:12:29,750

is but it just seems after the scratches

292

00:12:36,070 --> 00:12:32,780

hit things just take a turn for the

293

00:12:38,530 --> 00:12:36,080

worse so I know that you've got good

294

00:12:43,090 --> 00:12:38,540

friends and a good hubby because I know

295

00:12:44,440 --> 00:12:43,100

this lady helped you out and you know

296

00:12:46,829 --> 00:12:44,450

protecting yourself and helping you

297

00:12:49,180 --> 00:12:46,839

clear this this guy out of your life you

298

00:12:50,980 --> 00:12:49,190

pretty darn successful with everything

299

00:12:53,380 --> 00:12:50,990

else as far as a parent almost concerned

300

00:12:57,040 --> 00:12:53,390

so I'm sure you will find the way to

301

00:12:58,750 --> 00:12:57,050

bless your home and toss him out on his

302

00:13:01,660 --> 00:12:58,760

hat and you know what take his hat throw

303

00:13:04,329 --> 00:13:01,670

him out make him go search for a new one

304

00:13:07,030 --> 00:13:04,339

I mean screw this guy god I can't stand

305

00:13:07,870 --> 00:13:07,040

the hat man hat man sucks he's really a

306

00:13:13,570 --> 00:13:07,880

horrible thing

307

00:13:14,860 --> 00:13:13,580

piece of crap anyways moving on to the

308

00:13:16,690 --> 00:13:14,870

you know Jennifer thank you so much for

309

00:13:18,430 --> 00:13:16,700

much for writing you had told me that's

310

00:13:20,260 --> 00:13:18,440

your emails there and I apologize took

311

00:13:21,220 --> 00:13:20,270

me a while to get through I get the hot

312

00:13:23,230 --> 00:13:21,230

emails

313

00:13:27,160 --> 00:13:23,240

and that was a that was pretty crazy

314

00:13:28,570 --> 00:13:27,170

alright moving on to the next email this

315

00:13:30,940 --> 00:13:28,580

person says dear Heidi there are many

316

00:13:31,360 --> 00:13:30,950

things that change us inform or destroy

317

00:13:34,540 --> 00:13:31,370

us

318

00:13:35,050 --> 00:13:34,550

this has destroyed a great deal of my

319

00:13:37,390 --> 00:13:35,060

life

320

00:13:40,150 --> 00:13:37,400

oh no I grew up in North Lake Illinois

321

00:13:42,100 --> 00:13:40,160

just south of O'Hare about two miles not

322

00:13:46,030 --> 00:13:42,110

far from there the time frame is about

323

00:13:48,280 --> 00:13:46,040

1983 or 1984 and I was 15 or 16 I had

324

00:13:50,560 --> 00:13:48,290

put in playing softball on Hayes Drive

325

00:13:54,340 --> 00:13:50,570

with my brothers and some friends until

326

00:13:56,140 --> 00:13:54,350

approximately 7:30 or 8:30 p.m. I had a

327

00:13:59,170 --> 00:13:56,150

feeling like my neighbors were watching

328

00:14:02,200 --> 00:13:59,180

but I saw nobody and it would matter we

329

00:14:04,900 --> 00:14:02,210

were fairly quiet the game ended and we

330

00:14:06,880 --> 00:14:04,910

walked in our home our home was a new

331

00:14:09,640 --> 00:14:06,890

story and I was on the second floor I

332

00:14:11,320 --> 00:14:09,650

had been having trouble sleeping it felt

333

00:14:13,960 --> 00:14:11,330

like people were outside my window in

334

00:14:16,240 --> 00:14:13,970

the yard I would look and find nobody

335

00:14:17,700 --> 00:14:16,250

down there just our old pool deck and

336

00:14:20,080 --> 00:14:17,710

not much else

337

00:14:22,150 --> 00:14:20,090

occasionally the neighborhood dogs along

338

00:14:24,610 --> 00:14:22,160

with mine would bark for no reason that

339

00:14:27,010 --> 00:14:24,620

I would could discern fine we're in the

340

00:14:30,000 --> 00:14:27,020

house a little background on me I'm male

341

00:14:33,720 --> 00:14:30,010

first born and have our eight- blood I

342

00:14:39,330 --> 00:14:33,730

am the only Rh negative in my family ooh

343

00:14:44,860 --> 00:14:42,760

expert and my mother did not cheat on my

344

00:14:48,520 --> 00:14:44,870

father okay all right I wasn't going

345

00:14:50,830 --> 00:14:48,530

there I wasn't going there I would have

346

00:14:53,470 --> 00:14:50,840

dreams as a child only and have them

347

00:14:56,980 --> 00:14:53,480

happen in the next day or so

348

00:14:59,740 --> 00:14:56,990

exactly as I previously saw it was an

349

00:15:02,260 --> 00:14:59,750

outcast oh I was an outcast for the most

350

00:15:05,440 --> 00:15:02,270

part and I had few friends I had an odd

351
00:15:08,530 --> 00:15:05,450
way with animals and have had feral cats

352
00:15:11,290 --> 00:15:08,540
that didn't like anyone just come up to

353
00:15:13,330 --> 00:15:11,300
me and we are a law as if we are a

354
00:15:15,100 --> 00:15:13,340
long-lost buddies is this Kevin riding

355
00:15:17,020 --> 00:15:15,110
me I was kidding

356
00:15:19,510 --> 00:15:17,030
that's Kevin kook anyways possum

357
00:15:21,670 --> 00:15:19,520
squirrels feral cats and birds that are

358
00:15:24,220 --> 00:15:21,680
injured seem to find their way to me and

359
00:15:27,430 --> 00:15:24,230
yes I give them help back to that

360
00:15:30,460 --> 00:15:27,440
sleeping issue I kept having issues of

361
00:15:34,030 --> 00:15:30,470
waking up suddenly feeling that I fell

362
00:15:34,990 --> 00:15:34,040
in my bed or on my bed I doubted it and

363
00:15:37,090 --> 00:15:35,000

I

364

00:15:39,910 --> 00:15:37,100

here that one of those really loud

365

00:15:42,820 --> 00:15:39,920

o'hare jet planes had startled me I

366

00:15:46,030 --> 00:15:42,830

thought that until the evening that my

367

00:15:48,640 --> 00:15:46,040

bed came apart after the feeling of

368

00:15:51,670 --> 00:15:48,650

falling and hitting it oh you're kidding

369

00:15:54,520 --> 00:15:51,680

me the evening of that softball game I

370

00:15:57,070 --> 00:15:54,530

went to bed but had an intense fear that

371

00:15:59,440 --> 00:15:57,080

something was wrong I went to sleep but

372

00:16:00,220 --> 00:15:59,450

I felt cool air like a soft breeze

373

00:16:02,080 --> 00:16:00,230

blowing

374

00:16:05,080 --> 00:16:02,090

I saw the tops of the trees and

375

00:16:07,720 --> 00:16:05,090

something else I could look every

376

00:16:08,890 --> 00:16:07,730

direction and realize that I was in the

377

00:16:13,510 --> 00:16:08,900

air huh

378

00:16:16,840 --> 00:16:13,520

I looked up at what appeared to me to be

379

00:16:20,440 --> 00:16:16,850

like four wheels like of a ferris wheel

380

00:16:23,620 --> 00:16:20,450

and the lights that are on the outer

381

00:16:27,640 --> 00:16:23,630

edge of it three were in a triangle

382

00:16:31,720 --> 00:16:27,650

shape one top one lower right and one

383

00:16:33,250 --> 00:16:31,730

left the fourth was edged on to me I

384

00:16:35,410 --> 00:16:33,260

don't understand and directly in the

385

00:16:38,080 --> 00:16:35,420

middle all appeared in the same shape

386

00:16:40,240 --> 00:16:38,090

something in my head was telling me to

387

00:16:42,940 --> 00:16:40,250

look and I looked down and saw myself

388

00:16:44,650 --> 00:16:42,950

and others playing earlier but it felt

389

00:16:47,530 --> 00:16:44,660

odd because it felt as if something

390

00:16:50,440 --> 00:16:47,540

false was only words that I can use

391

00:16:53,020 --> 00:16:50,450

projected into my head in absolute

392

00:16:57,070 --> 00:16:53,030

detail and I felt it happening like a

393

00:16:58,810 --> 00:16:57,080

pressure and a light in my brain hmm I

394

00:17:01,150 --> 00:16:58,820

felt the cool breeze and I am positive

395

00:17:04,750 --> 00:17:01,160

that I was awake those wheel door rings

396

00:17:07,660 --> 00:17:04,760

were spinning but they never lost the

397

00:17:09,429 --> 00:17:07,670

perfect symmetry from one another the

398

00:17:11,530 --> 00:17:09,439

distance remained perfect as if they

399

00:17:14,319 --> 00:17:11,540

were attached but I saw no point of

400

00:17:16,270 --> 00:17:14,329

connection the thoughts I felt were not

401
00:17:19,990 --> 00:17:16,280
mine I could not comprehend the message

402
00:17:22,720 --> 00:17:20,000
it said to understand I remember falling

403
00:17:25,870 --> 00:17:22,730
and then blackness I hit that bed hard

404
00:17:28,480 --> 00:17:25,880
enough that I cracked the wood on its

405
00:17:30,160 --> 00:17:28,490
oak frame I have not forgotten that

406
00:17:32,710 --> 00:17:30,170
object nor the feelings and some

407
00:17:35,170 --> 00:17:32,720
memories that seemed to be a fog that

408
00:17:37,870 --> 00:17:35,180
causes headaches if I try to remember

409
00:17:40,600 --> 00:17:37,880
too hard I don't do well with people but

410
00:17:44,350 --> 00:17:40,610
those wild animals still seem to like me

411
00:17:46,690 --> 00:17:44,360
my neighbors call me Saint Francis when

412
00:17:48,790 --> 00:17:46,700
they see the animals by me I do believe

413
00:17:49,450 --> 00:17:48,800

that it's something else I just don't

414

00:17:51,850 --> 00:17:49,460

know what

415

00:17:54,970 --> 00:17:51,860

thank you please don't use my name and

416

00:17:59,769 --> 00:17:54,980

I'm disclosing it okay for your records

417

00:18:01,990 --> 00:17:59,779

only okay got it all right Wow um you

418

00:18:05,169 --> 00:18:02,000

know I have heard a lot of people that

419

00:18:07,269 --> 00:18:05,179

have had alien encounters and whatnot

420

00:18:10,149 --> 00:18:07,279

and when they try to remember what has

421

00:18:11,830 --> 00:18:10,159

taken place they get extreme pain like

422

00:18:13,870 --> 00:18:11,840

in a certain part of their head or

423

00:18:14,980 --> 00:18:13,880

whatever it is and you can feel faint

424

00:18:16,060 --> 00:18:14,990

and then they don't want to look any

425

00:18:19,210 --> 00:18:16,070

further and they just kind of give up

426

00:18:21,460 --> 00:18:19,220

and you're like having this dream of

427

00:18:22,960 --> 00:18:21,470

looking down at the if I'm following

428

00:18:25,510 --> 00:18:22,970

this right sorry it was a little bit

429

00:18:26,950 --> 00:18:25,520

sketchy to try to capture what it fully

430

00:18:30,960 --> 00:18:26,960

what was going on so you're having these

431

00:18:34,419 --> 00:18:30,970

real dreams of being up in the air and

432

00:18:36,159 --> 00:18:34,429

seeing like these spinning circles that

433

00:18:38,230 --> 00:18:36,169

seem like they were connected but not

434

00:18:40,889 --> 00:18:38,240

and then feeling like you're being

435

00:18:43,269 --> 00:18:40,899

dropped it makes me wonder if you were

436

00:18:44,830 --> 00:18:43,279

because you broke your bed for crying

437

00:18:47,500 --> 00:18:44,840

out loud makes me wonder if you're

438

00:18:49,269 --> 00:18:47,510

actually you know people have these

439

00:18:51,730 --> 00:18:49,279

abductions and they are pulled through

440

00:18:54,519 --> 00:18:51,740

the wall so I wonder if you indeed were

441

00:18:56,470 --> 00:18:54,529

pulled up and dropped back through I

442

00:18:59,230 --> 00:18:56,480

don't know how they disassembled people

443

00:19:01,240 --> 00:18:59,240

to be able to make use of those spaces

444

00:19:02,529 --> 00:19:01,250

between the atoms and our bodies but

445

00:19:05,320 --> 00:19:02,539

somehow these things are

446

00:19:07,899 --> 00:19:05,330

interdimensional and are able to yank us

447

00:19:09,970 --> 00:19:07,909

in such a way and drop us

448

00:19:11,980 --> 00:19:09,980

I have personally had such a thing where

449

00:19:14,409 --> 00:19:11,990

I have have had I thought were

450

00:19:17,279 --> 00:19:14,419

out-of-body experiences but boom back

451
00:19:20,950 --> 00:19:17,289
onto the bed and it's a big drop like oh

452
00:19:22,840 --> 00:19:20,960
that hurt I didn't see aliens or UFOs or

453
00:19:24,070 --> 00:19:22,850
anything like that but I can imagine

454
00:19:25,450 --> 00:19:24,080
that you know something like this really

455
00:19:28,570 --> 00:19:25,460
changed this is a person's perspective

456
00:19:31,029 --> 00:19:28,580
on the worlds when it just doesn't fit

457
00:19:33,399 --> 00:19:31,039
with anything it just absolutely doesn't

458
00:19:36,310 --> 00:19:33,409
fit so how do you how do you turn to

459
00:19:38,169 --> 00:19:36,320
anyone it's a cipher what is going on

460
00:19:40,750 --> 00:19:38,179
you know I start so I get it I

461
00:19:42,460 --> 00:19:40,760
understand and it's a shame you know a

462
00:19:43,600 --> 00:19:42,470
lot of people have these types of

463
00:19:45,460 --> 00:19:43,610

experiences and they're like it

464

00:19:48,340 --> 00:19:45,470

destroyed my life I am so worried about

465

00:19:50,860 --> 00:19:48,350

it because something crazy happened to

466

00:19:52,060 --> 00:19:50,870

me I just can't put my finger on it can

467

00:19:53,560 --> 00:19:52,070

you help me figure it out you know

468

00:19:55,810 --> 00:19:53,570

sometimes it's best to leave things

469

00:19:57,370 --> 00:19:55,820

alone because I have seen people who

470

00:20:00,340 --> 00:19:57,380

have retrieved the memories that they

471

00:20:02,919 --> 00:20:00,350

were dying to know about only to regret

472

00:20:03,289 --> 00:20:02,929

it because the things that they recall

473

00:20:08,419 --> 00:20:03,299

that

474

00:20:09,710 --> 00:20:08,429

highly just serving it does sound alien

475

00:20:13,879 --> 00:20:09,720

to me

476
00:20:16,220 --> 00:20:13,889
interdimensional perhaps I mean but I

477
00:20:18,889 --> 00:20:16,230
think those are related anyhow what they

478
00:20:20,299 --> 00:20:18,899
were doing to you is a mystery it

479
00:20:21,799 --> 00:20:20,309
doesn't sound like it's something that

480
00:20:23,840 --> 00:20:21,809
has continued to happen in your life

481
00:20:26,299 --> 00:20:23,850
you're you're very fortunate for that

482
00:20:28,700 --> 00:20:26,309
because let me tell you it is no picnic

483
00:20:31,729 --> 00:20:28,710
for the people that I have met known

484
00:20:35,599 --> 00:20:31,739
that have gone do this so what it was it

485
00:20:36,769 --> 00:20:35,609
sounds very alien yeah I don't know if

486
00:20:39,379 --> 00:20:36,779
it's something you want to dig further

487
00:20:42,859 --> 00:20:39,389
into but do your best not to allow it to

488
00:20:44,720 --> 00:20:42,869

take control of your life because I to

489

00:20:46,220 --> 00:20:44,730

many people they just don't live their

490

00:20:47,479 --> 00:20:46,230

lives fully because they're so stressed

491

00:20:50,509 --> 00:20:47,489

about something they experienced and

492

00:20:51,560 --> 00:20:50,519

they don't have answers to it and you

493

00:20:55,489 --> 00:20:51,570

know you ever meet somebody that you

494

00:20:58,009 --> 00:20:55,499

just can't resolve problems with it's

495

00:21:01,609 --> 00:20:58,019

kind of like that we just gotta let it

496

00:21:04,279 --> 00:21:01,619

go and sing the frozen song you know

497

00:21:06,109 --> 00:21:04,289

honestly all right I'm gonna try to

498

00:21:07,460 --> 00:21:06,119

squeeze in on the last one here let's

499

00:21:09,529 --> 00:21:07,470

see if I could find what's oh my gosh

500

00:21:11,060 --> 00:21:09,539

she's a big ones alright so this is the

501
00:21:19,249 --> 00:21:11,070
smallest one I could find cuz we only

502
00:21:21,769 --> 00:21:19,259
got a few minutes alright this person is

503
00:21:23,299 --> 00:21:21,779
saying I wanted to share oh hi Heidi I

504
00:21:25,849 --> 00:21:23,309
went to share my story of the shadows

505
00:21:28,159 --> 00:21:25,859
with you I'm now 30 years old and I'm

506
00:21:31,369 --> 00:21:28,169
lucky not to have seen the little shadow

507
00:21:32,599 --> 00:21:31,379
crawlers or the shadow a man with a hat

508
00:21:34,909 --> 00:21:32,609
in a long time

509
00:21:39,529 --> 00:21:34,919
oh but you have since I moved from my

510
00:21:41,629 --> 00:21:39,539
old home from West Islip New York okay

511
00:21:43,159 --> 00:21:41,639
my house was on the outskirts of an

512
00:21:46,310 --> 00:21:43,169
Indian burial ground

513
00:21:49,279 --> 00:21:46,320

which is why route 231 almost wasn't

514

00:21:51,409 --> 00:21:49,289

built where it was when I let out the

515

00:21:55,249 --> 00:21:51,419

dogs and went back inside I heard a Yelp

516

00:21:57,409 --> 00:21:55,259

and then furious barking my one jumped

517

00:21:59,389 --> 00:21:57,419

up on the screen door just as I opened

518

00:22:00,019 --> 00:21:59,399

the inner door it scared me half to

519

00:22:02,629 --> 00:22:00,029

death

520

00:22:04,940 --> 00:22:02,639

I opened the screen and my one dog flew

521

00:22:08,060 --> 00:22:04,950

inside and ran down the hall to then

522

00:22:09,859 --> 00:22:08,070

start barking in my room I was maybe 15

523

00:22:13,580 --> 00:22:09,869

at the time my other dog wouldn't come

524

00:22:16,220 --> 00:22:13,590

in I felt weird feeling like I was being

525

00:22:17,210 --> 00:22:16,230

watched and walked out on the deck in my

526
00:22:20,660 --> 00:22:17,220
nightgown

527
00:22:22,940 --> 00:22:20,670
that's when I saw the man in the hats I

528
00:22:25,520 --> 00:22:22,950
thought he was a cowboy or something

529
00:22:28,550 --> 00:22:25,530
like that long coat and I couldn't see

530
00:22:30,200 --> 00:22:28,560
his eyes my dogs kept barking and I can

531
00:22:32,600 --> 00:22:30,210
remember thinking to myself that they

532
00:22:33,320 --> 00:22:32,610
might wake the neighbors my parents were

533
00:22:35,690 --> 00:22:33,330
not home

534
00:22:37,640 --> 00:22:35,700
I walked further and came to the steps

535
00:22:38,390 --> 00:22:37,650
to go to the yard and yelled for my dog

536
00:22:40,520 --> 00:22:38,400
to come in

537
00:22:43,010 --> 00:22:40,530
finally he began to come to the house

538
00:22:46,180 --> 00:22:43,020

but stopped when the shadow man leaned

539

00:22:49,060 --> 00:22:46,190

on my little three-foot chain fence

540

00:22:52,610 --> 00:22:49,070

surrounded the back of my yard the dog

541

00:22:56,090 --> 00:22:52,620

instead started going crazy and howling

542

00:22:58,370 --> 00:22:56,100

the dog outside yelped and ran up the

543

00:23:01,460 --> 00:22:58,380

stairs I remember

544

00:23:04,490 --> 00:23:01,470

barking backing up across the deck

545

00:23:07,070 --> 00:23:04,500

calling my dog to follow and when I got

546

00:23:09,470 --> 00:23:07,080

him in all the howling from inside

547

00:23:10,940 --> 00:23:09,480

stopped I looked out the window but

548

00:23:13,280 --> 00:23:10,950

didn't see the man anymore

549

00:23:15,410 --> 00:23:13,290

besides my dreams which I don't know if

550

00:23:18,530 --> 00:23:15,420

that was one or not I haven't seen the

551
00:23:22,340 --> 00:23:18,540
shadow man with the Hat again the shadow

552
00:23:23,870 --> 00:23:22,350
crawlers however I have seen sense but

553
00:23:26,450 --> 00:23:23,880
they don't frighten me like they used to

554
00:23:28,570 --> 00:23:26,460
as long as I don't see the hat man again

555
00:23:32,120 --> 00:23:28,580
I will be fine

556
00:23:33,770 --> 00:23:32,130
trust me I understand that guy sucks um

557
00:23:35,990 --> 00:23:33,780
you know you guys noticed this pattern

558
00:23:38,930 --> 00:23:36,000
people get that feeling of being watched

559
00:23:40,790 --> 00:23:38,940
they they worry I mean the previous

560
00:23:43,820 --> 00:23:40,800
email the guy was just like you know I

561
00:23:46,490 --> 00:23:43,830
was I was scared to go to bed I mean

562
00:23:50,210 --> 00:23:46,500
it's just we have that instinct to know

563
00:23:52,070 --> 00:23:50,220

when we're being hunted it's a natural

564

00:23:57,290 --> 00:23:52,080

instinct that we're born with you know

565

00:24:00,080 --> 00:23:57,300

to run to prepare to get out of the way

566

00:24:02,420 --> 00:24:00,090

of whatever is coming our way that is

567

00:24:05,480 --> 00:24:02,430

always so surprising and it's so amazing

568

00:24:07,940 --> 00:24:05,490

to me how often I get letters like that

569

00:24:10,730 --> 00:24:07,950

and and how they they figure out that

570

00:24:12,590 --> 00:24:10,740

they're on somebody's menu and I say

571

00:24:15,080 --> 00:24:12,600

menu because this guy likes to devour

572

00:24:17,900 --> 00:24:15,090

Souls just plain and simple because

573

00:24:20,140 --> 00:24:17,910

that's just what he does you know but

574

00:24:24,140 --> 00:24:20,150

check this out okay so shadow people

575

00:24:26,690 --> 00:24:24,150

they suck okay man sucks a whole lot

576

00:24:28,220 --> 00:24:26,700

more this person's like look I can

577

00:24:29,330 --> 00:24:28,230

handle shadow crawlers not sure what

578

00:24:30,850 --> 00:24:29,340

those are I'm sure they'd probably like

579

00:24:32,350 --> 00:24:30,860

the shadow spiders

580

00:24:34,570 --> 00:24:32,360

it kind of looked like octopus or

581

00:24:35,110 --> 00:24:34,580

something crawling around messing with

582

00:24:39,010 --> 00:24:35,120

people

583

00:24:41,289 --> 00:24:39,020

not cool but half man takes the cake on

584

00:24:43,150 --> 00:24:41,299

all that is evil you see him once and

585

00:24:45,280 --> 00:24:43,160

you dread ever the thought of seeing him

586

00:24:47,080 --> 00:24:45,290

again so I'm glad that you haven't had

587

00:24:49,180 --> 00:24:47,090

that but yeah he comes in nightmares he

588

00:24:51,010 --> 00:24:49,190

tries to weaken you to try to get into

589

00:24:52,539 --> 00:24:51,020

you and get access to you once again so

590

00:24:54,549 --> 00:24:52,549

keep your guard up

591

00:24:56,980 --> 00:24:54,559

keep your prayers up and keep on

592

00:24:58,990 --> 00:24:56,990

fighting I want to tell you guys thank

593

00:25:01,299 --> 00:24:59,000

you so much for writing me and I want to

594

00:25:03,280 --> 00:25:01,309

welcome anyone to write me who has any

595

00:25:04,600 --> 00:25:03,290

experiences or comments that they'd like

596

00:25:07,870 --> 00:25:04,610

to share on to get some level-headed

597

00:25:10,390 --> 00:25:07,880

advice to dust Outlander at gmail.com

598

00:25:12,940 --> 00:25:10,400

and I will do my best I do tend to get

599

00:25:14,650 --> 00:25:12,950

to everybody's emails eventually it

600

00:25:18,490 --> 00:25:14,660

takes some time it takes some times but

601
00:25:19,930 --> 00:25:18,500
you know it's it's it's a process so

602
00:25:21,760 --> 00:25:19,940
once again thank you for that

603
00:25:23,710 --> 00:25:21,770

outlandish topics phone lines are always

going to officially now introduce the

614

00:25:53,500 --> 00:25:51,080

guest for tonight is el Sydney Fisher

615

00:25:56,409 --> 00:25:53,510

who is a number one Amazon a selling

616

00:25:58,840 --> 00:25:56,419

author of several books her desire for

617

00:26:00,299 --> 00:25:58,850

knowledge launched a curiosity into the

618

00:26:03,730 --> 00:26:00,309

world of the supernatural and

619

00:26:06,789 --> 00:26:03,740

unexplained that has spanned a lifetime

620

00:26:09,250 --> 00:26:06,799

Sydney lives on a haunted landscape with

621

00:26:11,980 --> 00:26:09,260

the spirit of a white wolf and at least

622

00:26:14,260 --> 00:26:11,990

one ghost that shares what was once a

623

00:26:16,690 --> 00:26:14,270

Native American village in Northeast

624

00:26:20,260 --> 00:26:16,700

Mississippi you can find her on the web

625

00:26:25,870 --> 00:26:20,270

at el Sydney Fisher dot-com everybody

626
00:26:31,060 --> 00:26:25,880
round of applause how are you hey there

627
00:26:35,140 --> 00:26:31,070
baby Heidi how's life life is spooky

628
00:26:37,299 --> 00:26:35,150
always I love it it you're cracking me

629
00:26:39,400 --> 00:26:37,309
up during the break I did not realize

630
00:26:42,010 --> 00:26:39,410
the extreme weather it's been just that

631
00:26:42,470 --> 00:26:42,020
go on where you live that is nuts need

632
00:26:44,659 --> 00:26:42,480
you

633
00:26:46,130 --> 00:26:44,669
to share that real quickly what did she

634
00:26:48,580 --> 00:26:46,140
tell your friend to bring to where

635
00:26:52,900 --> 00:26:48,590
listen if that is if that is not

636
00:26:55,789 --> 00:26:52,910
paranormal I don't know what he is but I

637
00:27:00,049 --> 00:26:55,799
live in Northeast Mississippi and I have

638
00:27:02,570 --> 00:27:00,059

a friend from Minnesota and so she was

639

00:27:05,930 --> 00:27:02,580

going to be traveling to the deep south

640

00:27:08,090 --> 00:27:05,940

and she sent me an email and she says so

641

00:27:10,909 --> 00:27:08,100

what type of clothing should I bring and

642

00:27:13,039 --> 00:27:10,919

I thought oh my gosh seriously and so I

643

00:27:17,710 --> 00:27:13,049

emailed her back and I said you should

644

00:27:20,090 --> 00:27:17,720

probably pack a snow suit and a bikini

645

00:27:23,630 --> 00:27:20,100

and what was the weather what's this

646

00:27:26,120 --> 00:27:23,640

this shift I mean that is crazy which so

647

00:27:30,049 --> 00:27:26,130

this so this is the truth this is the

648

00:27:32,450 --> 00:27:30,059

truth this morning I went outside and it

649

00:27:34,970 --> 00:27:32,460

was about 70 degrees I mean it could

650

00:27:39,830 --> 00:27:34,980

have been 65 I may be stretching it but

651
00:27:43,730 --> 00:27:39,840
it was icky and then you know by tonight

652
00:27:46,400 --> 00:27:43,740
by later on this afternoon went back out

653
00:27:48,260 --> 00:27:46,410
and it was just freezing and so it's

654
00:27:51,380 --> 00:27:48,270
around it was dropped to about 30

655
00:27:55,070 --> 00:27:51,390
degrees and so we're all bundled off and

656
00:27:57,200 --> 00:27:55,080
I mean within just a few hours oh oh

657
00:28:00,650 --> 00:27:57,210
yeah and that happens in the south

658
00:28:05,450 --> 00:28:00,660
that's why it's just the weather here is

659
00:28:13,700 --> 00:28:05,460
like a schizophrenic you should give it

660
00:28:15,530 --> 00:28:13,710
a name like France and you live in the

661
00:28:18,260 --> 00:28:15,540
south but that is the truth

662
00:28:20,150 --> 00:28:18,270
so you have to have you know a closet

663
00:28:24,320 --> 00:28:20,160

full of summer clothes that you will

664

00:28:28,549 --> 00:28:24,330

wear them sometimes in January you will

665

00:28:33,320 --> 00:28:28,559

have on last week I had on flip-flops

666

00:28:35,510 --> 00:28:33,330

and mmm because it just got too hot I

667

00:28:39,710 --> 00:28:35,520

was running my air conditioner in my

668

00:28:42,590 --> 00:28:39,720

house a few hours ago like yesterday

669

00:28:44,240 --> 00:28:42,600

last night I had my air on for a little

670

00:28:46,880 --> 00:28:44,250

while because it was a little stuffy

671

00:28:50,960 --> 00:28:46,890

mm-hmm tonight I have my heater going

672

00:28:52,570 --> 00:28:50,970

good lord I I mean it needs a name Frank

673

00:28:58,630 --> 00:28:52,580

it needs a grand

674

00:29:00,399 --> 00:28:58,640

you know Damien so let's get down into

675

00:29:02,380 --> 00:29:00,409

you know you've got an interesting

676

00:29:05,500 --> 00:29:02,390

background I found you

677

00:29:08,919 --> 00:29:05,510

it's like this lady's different so you

678

00:29:12,730 --> 00:29:08,929

write fictional supernatural stuff and

679

00:29:16,720 --> 00:29:12,740

you delve into true supernatural stuff

680

00:29:22,330 --> 00:29:16,730

so how on earth I mean so how does that

681

00:29:25,330 --> 00:29:22,340

work so this is how this works as far as

682

00:29:27,310 --> 00:29:25,340

my books are concerned all of my books

683

00:29:29,919 --> 00:29:27,320

and you can find a listing of those of

684

00:29:32,080 --> 00:29:29,929

course on Amazon at El Cid under el

685

00:29:34,690 --> 00:29:32,090

Sydney Fisher or el Sydney Fisher calm

686

00:29:37,810 --> 00:29:34,700

but all of those books that that I write

687

00:29:41,680 --> 00:29:37,820

or inspired by true events or true

688

00:29:43,990 --> 00:29:41,690

stories you know some of the names I

689

00:29:46,049 --> 00:29:44,000

mean I have changed to protect you know

690

00:29:48,940 --> 00:29:46,059

the people that are still living

691

00:29:51,759 --> 00:29:48,950

occasionally I will have to and I always

692

00:29:54,370 --> 00:29:51,769

have a disclosure there in the front of

693

00:29:57,129 --> 00:29:54,380

the books depending on what particular

694

00:30:00,039 --> 00:29:57,139

project it is and I will say you know

695

00:30:02,080 --> 00:30:00,049

that some of the things or whatever in

696

00:30:05,379 --> 00:30:02,090

the story may have been dramatized for

697

00:30:07,690 --> 00:30:05,389

the sake of sort storytelling the book

698

00:30:09,610 --> 00:30:07,700

though the very first debut debut book

699

00:30:12,450 --> 00:30:09,620

which was the haunting of Natalie

700

00:30:16,600 --> 00:30:12,460

Bradford that book is almost 90%

701
00:30:21,250 --> 00:30:16,610
word-for-word as that happened Wow that

702
00:30:25,269 --> 00:30:21,260
is I mean it is very authentic - exactly

703
00:30:27,960 --> 00:30:25,279
the way that that occurred it's a very

704
00:30:31,659 --> 00:30:27,970
intriguing story always has been to me

705
00:30:34,840 --> 00:30:31,669
and then of course there is but now will

706
00:30:38,139 --> 00:30:34,850
tell you you know I don't just write

707
00:30:40,000 --> 00:30:38,149
about ghosts even though I love that and

708
00:30:42,159 --> 00:30:40,010
I gravitate toward that probably more

709
00:30:45,519 --> 00:30:42,169
than anything else is you know in the

710
00:30:48,600 --> 00:30:45,529
supernatural realm but you know all my

711
00:30:52,289 --> 00:30:48,610
life I have studied psychic phenomena

712
00:30:54,490 --> 00:30:52,299
you know there's a there is a military

713
00:30:57,430 --> 00:30:54,500

operation that went on during even

714

00:31:01,090 --> 00:30:57,440

started in 1975 actually but it ended in

715

00:31:03,879 --> 00:31:01,100

nineteen in the 1990s 1995 under the

716

00:31:05,410 --> 00:31:03,889

Clinton administration and that was the

717

00:31:08,230 --> 00:31:05,420

Stargate program and the

718

00:31:12,220 --> 00:31:08,240

look that my character Seth Phoenix the

719

00:31:14,710 --> 00:31:12,230

book series that I wrote about south

720

00:31:16,840 --> 00:31:14,720

Phoenix in that series is the Phoenix

721

00:31:19,000 --> 00:31:16,850

series the very first one was the

722

00:31:21,310 --> 00:31:19,010

Phoenix mission but a lot of that

723

00:31:22,990 --> 00:31:21,320

material that is a fictional hi it's

724

00:31:25,060 --> 00:31:23,000

Jamie progresses number one number two

725

00:31:27,070 --> 00:31:25,070

employee leave a message at that hey

726

00:31:29,050 --> 00:31:27,080

Jamie it's me and Jamie this is your

727

00:31:30,640 --> 00:31:29,060

daily pep talk I know it's been rough

728

00:31:32,920 --> 00:31:30,650

going ever since people found out about

729

00:31:34,990 --> 00:31:32,930

your acapella group mad harmony but you

730

00:31:36,460 --> 00:31:35,000

will bounce back I mean you're the guy

731

00:31:38,080 --> 00:31:36,470

always helping people find coverage

732

00:31:40,180 --> 00:31:38,090

options with the name your price tool it

733

00:31:42,160 --> 00:31:40,190

should be you giving me the pep talk now

734

00:31:43,600 --> 00:31:42,170

get out there hit that high note and

735

00:31:46,300 --> 00:31:43,610

take mad harmony all the way to

736

00:31:48,070 --> 00:31:46,310

Nationals this yeah sorry

737

00:31:49,330 --> 00:31:48,080

the pitchy progressive casualty

738

00:31:50,440 --> 00:31:49,340

insurance company in affiliates pricing

739

00:31:53,380 --> 00:31:50,450

coverage module limited by state law

740

00:31:57,700 --> 00:31:53,390

character it is the fictional story but

741

00:32:01,080 --> 00:31:57,710

so much of every scene in that book the

742

00:32:03,700 --> 00:32:01,090

way I set up the remote viewing labs

743

00:32:05,860 --> 00:32:03,710

some of the information that you get

744

00:32:09,340 --> 00:32:05,870

some of the characters there were real

745

00:32:11,500 --> 00:32:09,350

life conversations real life things real

746

00:32:14,290 --> 00:32:11,510

life scenes that were taking place

747

00:32:16,360 --> 00:32:14,300

during that time so even though you're

748

00:32:18,220 --> 00:32:16,370

sitting here and you're reading this and

749

00:32:20,650 --> 00:32:18,230

it's one of my favorites in fact it's so

750

00:32:22,810 --> 00:32:20,660

funny you know that you're doing fun

751
00:32:25,030 --> 00:32:22,820
stuff when you pull your own book off

752
00:32:45,490 --> 00:32:25,040
your bookshelf and say you know I really

753
00:32:47,200 --> 00:32:45,500
enjoy that I'm gonna read that I think

754
00:32:49,870 --> 00:32:47,210
I've got to read the Phoenix series

755
00:32:52,930 --> 00:32:49,880
again because that was just so freakin

756
00:32:54,790 --> 00:32:52,940
cool it was the it was the most

757
00:32:56,830 --> 00:32:54,800
difficult for me to write but I

758
00:33:00,850 --> 00:32:56,840
researched it for about two to three

759
00:33:03,540 --> 00:33:00,860
years and the Phoenix missions the first

760
00:33:05,470 --> 00:33:03,550
book the Phoenix codes is the second

761
00:33:08,410 --> 00:33:05,480
added a little bit of additional

762
00:33:10,270 --> 00:33:08,420
research and stuff when I could you know

763
00:33:11,920 --> 00:33:10,280

put the two together in the Phoenix

764

00:33:16,090 --> 00:33:11,930

series the complete book that you can

765

00:33:18,889 --> 00:33:16,100

get but each it just I still I still

766

00:33:21,829 --> 00:33:18,899

will go back to that project sometimes

767

00:33:24,609 --> 00:33:21,839

and I'm just thinking wow you know our

768

00:33:28,669 --> 00:33:24,619

military was involved in this type of

769

00:33:33,769 --> 00:33:28,679

research and many people's believe they

770

00:33:35,570 --> 00:33:33,779

still are anything that anything that

771

00:33:38,749 --> 00:33:35,580

works they're not giving it up they'll

772

00:33:41,930 --> 00:33:38,759

officially close it but they don't give

773

00:33:45,680 --> 00:33:41,940

it up if that thing was working so

774

00:33:47,359 --> 00:33:45,690

you're so why why just do fiction then

775

00:33:50,269 --> 00:33:47,369

what why didn't you do something

776

00:33:53,060 --> 00:33:50,279

true well as far as well you know when

777

00:33:57,560 --> 00:33:53,070

you do true as far as that particular

778

00:34:00,320 --> 00:33:57,570

project you know it was when I did that

779

00:34:03,560 --> 00:34:00,330

and when I created Seth Phoenix it was

780

00:34:08,149 --> 00:34:03,570

easier for me to control how I wanted

781

00:34:10,940 --> 00:34:08,159

this to go um you know it was it was fun

782

00:34:14,930 --> 00:34:10,950

for me as well Heidi because it you know

783

00:34:18,260 --> 00:34:14,940

it became a project that it's tiring you

784

00:34:20,230 --> 00:34:18,270

think about the hours and the months and

785

00:34:22,669 --> 00:34:20,240

the things that I've spent researching

786

00:34:25,639 --> 00:34:22,679

something and even the years because of

787

00:34:27,379 --> 00:34:25,649

the background that I already had in my

788

00:34:31,159 --> 00:34:27,389

knowledge of remote viewing and

789

00:34:33,710 --> 00:34:31,169

clairvoyance and those abilities and so

790

00:34:35,389 --> 00:34:33,720

when I got into setting this story up

791

00:34:37,549 --> 00:34:35,399

and I thought you know I really I really

792

00:34:41,539 --> 00:34:37,559

want to highlight the way that this

793

00:34:43,669 --> 00:34:41,549

stuff works and the best way to do that

794

00:34:46,010 --> 00:34:43,679

is to make something entertaining an

795

00:34:48,049 --> 00:34:46,020

entertaining read for them but where

796

00:34:52,970 --> 00:34:48,059

they actually can feel like that they

797

00:34:55,549 --> 00:34:52,980

are you know they're there and so it

798

00:34:57,319 --> 00:34:55,559

just became you know I was still like I

799

00:34:59,000 --> 00:34:57,329

said I'll still pull this project that I

800

00:35:01,880 --> 00:34:59,010

have the book I'm looking at it right

801
00:35:04,430 --> 00:35:01,890
now sitting near my desk and I'm

802
00:35:06,740 --> 00:35:04,440
thinking that is so funny you know I'm

803
00:35:08,930 --> 00:35:06,750
going let me go get that book but

804
00:35:12,319 --> 00:35:08,940
there's another book that that I wrote

805
00:35:15,079 --> 00:35:12,329
that is it this is called creative

806
00:35:16,880 --> 00:35:15,089
nonfiction and what this means is for

807
00:35:19,579 --> 00:35:16,890
folks that don't really know exactly

808
00:35:21,529 --> 00:35:19,589
what is creative nonfiction it means

809
00:35:23,269 --> 00:35:21,539
that the book has all the elements of a

810
00:35:25,010 --> 00:35:23,279
fiction piece in other words you know

811
00:35:29,420 --> 00:35:25,020
it's the plot and it's the theme and

812
00:35:32,390 --> 00:35:29,430
it's the way it's set up but it is based

813
00:35:36,979 --> 00:35:32,400

on a true story but it allows the

814

00:35:40,579 --> 00:35:36,989

to be able to be creative and it allows

815

00:35:42,529 --> 00:35:40,589

you a little bit of ability to you know

816

00:35:46,999 --> 00:35:42,539

for the sake of stories telling as they

817

00:35:51,289 --> 00:35:47,009

say my books say no evil is based on a

818

00:35:52,940 --> 00:35:51,299

20th century clairvoyant he was called

819

00:35:56,120 --> 00:35:52,950

the Mississippi mystic have you ever

820

00:35:58,910 --> 00:35:56,130

heard have you ever heard of Edgar Cayce

821

00:36:02,269 --> 00:35:58,920

dolly for us yeah okay

822

00:36:05,479 --> 00:36:02,279

Edgar Cayce if you get that book see no

823

00:36:08,089 --> 00:36:05,489

evil you will you'll see where I did

824

00:36:11,209 --> 00:36:08,099

some research on the two of those men

825

00:36:13,900 --> 00:36:11,219

and it just absolutely will blow you

826

00:36:16,370 --> 00:36:13,910

away when you realize how many

827

00:36:20,239 --> 00:36:16,380

synchronicities how many parallels that

828

00:36:22,249 --> 00:36:20,249

the two of them had in their lives and

829

00:36:26,359 --> 00:36:22,259

there is a part in that book where I

830

00:36:30,130 --> 00:36:26,369

actually say a part of me kind of

831

00:36:33,349 --> 00:36:30,140

believes that those two men were either

832

00:36:36,499 --> 00:36:33,359

maybe should have crossed paths at some

833

00:36:40,279 --> 00:36:36,509

time in their life or maybe they heard

834

00:36:43,999 --> 00:36:40,289

of each other because they both were

835

00:36:46,640 --> 00:36:44,009

doing you know Cayce was from Kentucky

836

00:36:48,499 --> 00:36:46,650

Seymour Prater was from Mississippi even

837

00:36:52,219 --> 00:36:48,509

though he spent time out in Texas as a

838

00:36:56,359 --> 00:36:52,229

detective but the two of them were

839

00:37:00,170 --> 00:36:56,369

living in an Alabama town just 70 miles

840

00:37:04,670 --> 00:37:00,180

apart and they were renowned across the

841

00:37:07,880 --> 00:37:04,680

southeast for their abilities so it just

842

00:37:10,670 --> 00:37:07,890

makes me wonder if they ever knew of

843

00:37:13,549 --> 00:37:10,680

each other and Seymour Prater was as

844

00:37:17,499 --> 00:37:13,559

gifted although he was a clairvoyant and

845

00:37:20,359 --> 00:37:17,509

he could actually he could actually see

846

00:37:23,209 --> 00:37:20,369

you know find lost people find lost

847

00:37:27,019 --> 00:37:23,219

objects help find this in his children

848

00:37:29,029 --> 00:37:27,029

it's he is a phenomenal study I've never

849

00:37:31,789 --> 00:37:29,039

heard of this person that is that is

850

00:37:34,819 --> 00:37:31,799

exactly right nobody and this is this is

851

00:37:37,130 --> 00:37:34,829

how this happened I actually had just

852

00:37:39,140 --> 00:37:37,140

finished up the haunting of Natalie

853

00:37:43,880 --> 00:37:39,150

Bradford and that case I've known about

854

00:37:46,140 --> 00:37:43,890

it forever so I had finished that up and

855

00:37:49,529 --> 00:37:46,150

was on a book tour and was actually

856

00:37:52,049 --> 00:37:49,539

at a library a library close by here in

857

00:37:53,579 --> 00:37:52,059

North Mississippi and after that my

858

00:37:56,430 --> 00:37:53,589

presentation

859

00:37:58,380 --> 00:37:56,440

the librarian followed me out the door

860

00:37:59,819 --> 00:37:58,390

and she says you know Sydney there's

861

00:38:02,630 --> 00:37:59,829

something that I'd like to tell you

862

00:38:05,880 --> 00:38:02,640

about maybe you might want to look into

863

00:38:09,089 --> 00:38:05,890

this story about this man that I know

864

00:38:11,670 --> 00:38:09,099

from politic Mississippi who was this

865

00:38:13,829 --> 00:38:11,680

and so I said oh well yeah that sounds

866

00:38:16,829 --> 00:38:13,839

interesting well I'm really busy for a

867

00:38:19,829 --> 00:38:16,839

while but maybe I'll get to come back -

868

00:38:22,529 --> 00:38:19,839

forward a couple of years actually and I

869

00:38:25,200 --> 00:38:22,539

had gotten myself through with some

870

00:38:27,720 --> 00:38:25,210

other book projects and I could not get

871

00:38:29,519 --> 00:38:27,730

this off of my mind and don't know why

872

00:38:31,950 --> 00:38:29,529

but it was so strange it was like

873

00:38:34,890 --> 00:38:31,960

something you know the divine talks to

874

00:38:37,739 --> 00:38:34,900

you and kept giving me a nudge you need

875

00:38:40,890 --> 00:38:37,749

to call that librarian back you need to

876

00:38:45,989 --> 00:38:40,900

call her back and it the voice got so

877

00:38:48,749 --> 00:38:45,999

loud to where I finally called her and I

878

00:38:50,489 --> 00:38:48,759

said can I come over and will you go and

879

00:38:52,259 --> 00:38:50,499

pull those files that you were telling

880

00:38:55,019 --> 00:38:52,269

me about the newspaper clippings or

881

00:38:57,720 --> 00:38:55,029

whatever and I'll take a look at it so I

882

00:39:00,569 --> 00:38:57,730

get over there thinking oh it's just

883

00:39:05,190 --> 00:39:00,579

gonna be you know a few pieces whatever

884

00:39:07,529 --> 00:39:05,200

it's not going to be much I'm very picky

885

00:39:10,440 --> 00:39:07,539

about what I look for in a book project

886

00:39:13,049 --> 00:39:10,450

and if it actually is something that I

887

00:39:15,989 --> 00:39:13,059

feel like needs to be between the pages

888

00:39:18,180 --> 00:39:15,999

of a book needs to be told so I sat down

889

00:39:21,120 --> 00:39:18,190

and oh my gosh she brings something out

890

00:39:24,930 --> 00:39:21,130

that it's probably seven eight inches

891

00:39:27,989 --> 00:39:24,940

thick whoa come on now couldn't believe

892

00:39:32,700 --> 00:39:27,999

it of all of us all these that had been

893

00:39:37,319 --> 00:39:32,710

kept from forever and I said oh my

894

00:39:40,109 --> 00:39:37,329

goodness and I said oh I didn't realize

895

00:39:41,700 --> 00:39:40,119

so I sat down with it and I knew what I

896

00:39:44,039 --> 00:39:41,710

was looking for I started flipping

897

00:39:47,269 --> 00:39:44,049

through and I'm going oh that's great

898

00:39:52,170 --> 00:39:47,279

this is interesting but I knew I needed

899

00:39:55,710 --> 00:39:52,180

something that just stood out about this

900

00:39:59,579 --> 00:39:55,720

man something phenomenal I needed I was

901
00:40:03,749 --> 00:39:59,589
looking for one particular thing I

902
00:40:06,779 --> 00:40:03,759
to know if he had blue eyes the Wow but

903
00:40:10,319 --> 00:40:06,789
there was a problem the only way to find

904
00:40:15,359 --> 00:40:10,329
out if this man had blue eyes because he

905
00:40:18,180 --> 00:40:15,369
died on his birthday in 1945 and the

906
00:40:22,079 --> 00:40:18,190
pictures of him were black and white I

907
00:40:24,680 --> 00:40:22,089
say but when I was flipping through some

908
00:40:27,359 --> 00:40:24,690
of the true accounts and some of his

909
00:40:30,120 --> 00:40:27,369
family members that were telling things

910
00:40:32,130 --> 00:40:30,130
and I flipped and flipped I found where

911
00:40:34,259 --> 00:40:32,140
his daughter within five minutes I

912
00:40:36,839 --> 00:40:34,269
flipped and found where his daughter and

913
00:40:40,469 --> 00:40:36,849

it stood out on the page it stood out

914

00:40:43,829 --> 00:40:40,479

that she said Papa could always tell

915

00:40:48,660 --> 00:40:43,839

when I was lying because he would look

916

00:40:50,359 --> 00:40:48,670

at me with those blue eyes so now you're

917

00:40:53,120 --> 00:40:50,369

wondering what it is about the blue eyes

918

00:40:55,680 --> 00:40:53,130

yes of course

919

00:41:01,589 --> 00:40:55,690

okay so you've studied the Stargate

920

00:41:05,130 --> 00:41:01,599

program a bit but your fear with

921

00:41:07,410 --> 00:41:05,140

yeah-huh you're familiar that with the

922

00:41:11,130 --> 00:41:07,420

fact that there were four or five remote

923

00:41:12,630 --> 00:41:11,140

viewers then were you know specific are

924

00:41:15,450 --> 00:41:12,640

those are the ones that we know of

925

00:41:18,390 --> 00:41:15,460

anyway that they were really good yeah

926

00:41:20,370 --> 00:41:18,400

all right and that they were well they

927

00:41:22,380 --> 00:41:20,380

were willing to tell us their names in

928

00:41:25,319 --> 00:41:22,390

other words yes well here is some

929

00:41:29,749 --> 00:41:25,329

research that I did on people who seem

930

00:41:32,759 --> 00:41:29,759

to have special clairvoyant abilities or

931

00:41:34,589 --> 00:41:32,769

mediums mediums and psychics and things

932

00:41:37,620 --> 00:41:34,599

like this when I was doing some research

933

00:41:42,029 --> 00:41:37,630

into this floor during the Phoenix

934

00:41:47,029 --> 00:41:42,039

project I found that there seems to be a

935

00:41:50,430 --> 00:41:47,039

parallel between people having blue eyes

936

00:41:52,709 --> 00:41:50,440

also people who have psychic abilities

937

00:41:55,229 --> 00:41:52,719

sometimes you know it is hereditary we

938

00:41:56,599 --> 00:41:55,239

know that yes usually passed down

939

00:41:59,670 --> 00:41:56,609

sometimes it skips a generation

940

00:42:01,319 --> 00:41:59,680

sometimes it just it's just there you're

941

00:42:05,339 --> 00:42:01,329

just lucky and it just keeps getting

942

00:42:08,249 --> 00:42:05,349

passed right um the other thing that has

943

00:42:12,120 --> 00:42:08,259

been found that's interesting is that a

944

00:42:13,019 --> 00:42:12,130

lot of people are EMA dexterous they

945

00:42:16,109 --> 00:42:13,029

they're using

946

00:42:21,209 --> 00:42:16,119

both sides of their brain but people who

947

00:42:23,849 --> 00:42:21,219

are especially gifted when they're when

948

00:42:26,640 --> 00:42:23,859

you do in a cat scan or an MRI on the

949

00:42:28,649 --> 00:42:26,650

brain they found that there is it looks

950

00:42:32,189 --> 00:42:28,659

like a rope but it connects called the

951
00:42:34,439 --> 00:42:32,199
longitudinal fissure and it connects the

952
00:42:36,359 --> 00:42:34,449
two hemispheres of the brain the right

953
00:42:39,329 --> 00:42:36,369
and the left but in people who are

954
00:42:43,140 --> 00:42:39,339
extremely gifted there's tends to be

955
00:42:45,329 --> 00:42:43,150
enlarged Wow so I found this very

956
00:42:48,029 --> 00:42:45,339
interesting and Seymour Prater

957
00:42:51,779 --> 00:42:48,039
as the Mississippi mystic as I started

958
00:42:53,699 --> 00:42:51,789
to research him family members started

959
00:42:56,219 --> 00:42:53,709
coming forward when they found out

960
00:42:58,169 --> 00:42:56,229
through the grapevine that I was doing

961
00:43:01,079 --> 00:42:58,179
all this research on him and I started

962
00:43:04,979 --> 00:43:01,089
learning all types of things about this

963
00:43:08,999 --> 00:43:04,989

man's past and it was just like yep he

964

00:43:10,589 --> 00:43:09,009

was absolutely pegged you know to have

965

00:43:14,759 --> 00:43:10,599

this extraordinary gift

966

00:43:18,209 --> 00:43:14,769

it just it I'm sorry yeah his story was

967

00:43:20,239 --> 00:43:18,219

too you know it was it's there's no such

968

00:43:23,819 --> 00:43:20,249

thing as coincidence I mean he was

969

00:43:26,849 --> 00:43:23,829

absolutely who he was for for a purpose

970

00:43:28,679 --> 00:43:26,859

but when I got to doing the the rest of

971

00:43:30,359 --> 00:43:28,689

the research on the blue eyes here's

972

00:43:33,870 --> 00:43:30,369

what I found and I have these pictures

973

00:43:36,209 --> 00:43:33,880

here you can't see me I am but I am

974

00:43:37,919 --> 00:43:36,219

looking at them and this is something

975

00:43:40,709 --> 00:43:37,929

that I do when I go and I do

976

00:43:42,839 --> 00:43:40,719

presentations and talk and stuff I do

977

00:43:49,019 --> 00:43:42,849

sometimes talk about the Phoenix series

978

00:43:52,140 --> 00:43:49,029

and and tell people remember Joseph Mack

979

00:43:55,439 --> 00:43:52,150

no Mack no Eagle okay I don't know if I

980

00:43:58,679 --> 00:43:55,449

just butchered his last name he was he

981

00:44:03,059 --> 00:43:58,689

was remote viewer when a double o1 he

982

00:44:07,439 --> 00:44:03,069

had blue eyes the other the other lamb

983

00:44:13,769 --> 00:44:07,449

buchanan blue eyes the only one that i

984

00:44:17,579 --> 00:44:13,779

was not able let's say Ingo Swan Swan

985

00:44:22,859 --> 00:44:17,589

that's right blue eyes the only one I

986

00:44:26,370 --> 00:44:22,869

wasn't able to to determine or whatever

987

00:44:30,960 --> 00:44:26,380

to find out for sure was David Morehouse

988

00:44:33,870 --> 00:44:30,970

could not could not verify him no I

989

00:44:36,510 --> 00:44:33,880

could not verify him but the others I

990

00:44:38,700 --> 00:44:36,520

was able to some other people that I

991

00:44:42,330 --> 00:44:38,710

found in my research who claimed to have

992

00:44:46,830 --> 00:44:42,340

those specific type of gifts one of them

993

00:44:47,460 --> 00:44:46,840

is the medium now Edgar Cayce had blue

994

00:44:54,210 --> 00:44:47,470

eyes

995

00:44:57,510 --> 00:44:54,220

David Wilcock the author of the

996

00:44:59,820 --> 00:44:57,520

synchronicity books and I've read them

997

00:45:01,350 --> 00:44:59,830

they're absolutely awesome his books on

998

00:45:05,700 --> 00:45:01,360

synchronicity he's got one in particular

999

00:45:07,830 --> 00:45:05,710

that I really really like but he also is

1000

00:45:12,840 --> 00:45:07,840

a gifted medium I believe and he has

1001
00:45:15,360 --> 00:45:12,850
blue eyes James Van Prague blue eyes but

1002
00:45:18,150 --> 00:45:15,370
here's the one that really stood out do

1003
00:45:21,660 --> 00:45:18,160
you remember which I'm older than you

1004
00:45:25,050 --> 00:45:21,670
but back in the day twenty years ago

1005
00:45:27,570 --> 00:45:25,060
probably there was a lady that every

1006
00:45:30,060 --> 00:45:27,580
Sunday we could pick up the paper was

1007
00:45:32,250 --> 00:45:30,070
every day but I remember on Sunday

1008
00:45:34,740 --> 00:45:32,260
specifically a give your your horoscope

1009
00:45:37,740 --> 00:45:34,750
for the week she was a very she was a

1010
00:45:42,510 --> 00:45:37,750
very renowned astrologer during the 20th

1011
00:45:46,860 --> 00:45:42,520
century and this isn't Nancy Reagan's

1012
00:45:51,600 --> 00:45:46,870
lady isn't probably probably so but but

1013
00:45:54,240 --> 00:45:51,610

she actually she had a dream one night

1014

00:45:58,490 --> 00:45:54,250

and the next morning she got up and she

1015

00:46:03,480 --> 00:45:58,500

phoned the White House and she begged

1016

00:46:04,080 --> 00:46:03,490

John F Kennedy not to go to Dallas come

1017

00:46:07,920 --> 00:46:04,090

on

1018

00:46:12,000 --> 00:46:07,930

nope swear promise Wow google it this

1019

00:46:14,670 --> 00:46:12,010

lady's name was Jean Dixon and if I've

1020

00:46:17,370 --> 00:46:14,680

heard of her yeah yeah yes if you look

1021

00:46:21,770 --> 00:46:17,380

her up on the internet you will find her

1022

00:46:27,180 --> 00:46:21,780

she is a attractive redheaded blue-eyed

1023

00:46:29,280 --> 00:46:27,190

lady so you know I kept seeing all these

1024

00:46:31,680 --> 00:46:29,290

parallels and then I found this other

1025

00:46:33,660 --> 00:46:31,690

some other research on a book called the

1026

00:46:36,210 --> 00:46:33,670

children of now and it's talking about

1027

00:46:38,910 --> 00:46:36,220

the alien connection and I heard you

1028

00:46:40,170 --> 00:46:38,920

talking about some UFO stuff now they're

1029

00:46:41,880 --> 00:46:40,180

called star children

1030

00:46:43,950 --> 00:46:41,890

and those children tend to have

1031

00:46:46,559 --> 00:46:43,960

light-colored aisles as well so that was

1032

00:46:48,390 --> 00:46:46,569

just it's really it's really fascinating

1033

00:46:50,220 --> 00:46:48,400

that does that mean that a brown-eyed

1034

00:46:54,270 --> 00:46:50,230

person doesn't have psychic abilities

1035

00:46:57,059 --> 00:46:54,280

we'll know but it's interesting enough

1036

00:47:01,349 --> 00:46:57,069

and it happens enough that it's you know

1037

00:47:03,540 --> 00:47:01,359

it's something to study it's interesting

1038

00:47:05,670 --> 00:47:03,550

to pull those parallels together and

1039

00:47:08,720 --> 00:47:05,680

it's like you know you wonder you know

1040

00:47:12,630 --> 00:47:08,730

is there if there's something that ties

1041

00:47:15,210 --> 00:47:12,640

that end somehow it's really it's really

1042

00:47:19,170 --> 00:47:15,220

interesting you know blue eyes are it's

1043

00:47:21,480 --> 00:47:19,180

a it's a recessive gene from you know

1044

00:47:24,900 --> 00:47:21,490

anyway supposedly it's a recessive gene

1045

00:47:26,460 --> 00:47:24,910

so my sister thinks she's special

1046

00:47:33,480 --> 00:47:26,470

because she's got green eyes we don't

1047

00:47:36,270 --> 00:47:33,490

think she is 2% of the population you

1048

00:47:37,710 --> 00:47:36,280

know so I do I told her we should just

1049

00:47:40,140 --> 00:47:37,720

corner them all and they could all live

1050

00:47:43,890 --> 00:47:40,150

together then since they're so rare yeah

1051
00:47:46,289 --> 00:47:43,900
she's one of those but you know I find

1052
00:47:48,150 --> 00:47:46,299
it you know it's you I could hear the

1053
00:47:50,700 --> 00:47:48,160
passion in your voice for this stuff

1054
00:47:52,349 --> 00:47:50,710
like this is just in you I mean did

1055
00:47:54,839 --> 00:47:52,359
something happen to you when you're a

1056
00:47:56,940 --> 00:47:54,849
younger that just said I really want to

1057
00:48:00,660 --> 00:47:56,950
learn more about this what you know

1058
00:48:02,400 --> 00:48:00,670
interest it is so funny you know and I

1059
00:48:04,530 --> 00:48:02,410
actually have been thinking the same

1060
00:48:08,370 --> 00:48:04,540
thing I've been thinking about this

1061
00:48:10,440 --> 00:48:08,380
lately I've always told people you know

1062
00:48:13,410 --> 00:48:10,450
when they've asked me you know what got

1063
00:48:15,089 --> 00:48:13,420

you interested in the paranormal or you

1064

00:48:17,520 --> 00:48:15,099

know I tell people all the time we are

1065

00:48:20,130 --> 00:48:17,530

not born believing in the paranormal you

1066

00:48:22,530 --> 00:48:20,140

know as a child you don't just decide oh

1067

00:48:24,450 --> 00:48:22,540

I believe in ghosts it's always from

1068

00:48:27,299 --> 00:48:24,460

some sort of experience our life

1069

00:48:30,329 --> 00:48:27,309

experiences shape us into the adults

1070

00:48:33,450 --> 00:48:30,339

that we are from the time I was around

1071

00:48:36,059 --> 00:48:33,460

eight years old you know that's when I

1072

00:48:38,220 --> 00:48:36,069

had my very first experience at

1073

00:48:41,010 --> 00:48:38,230

Lindenwood Lindenwood was the mention

1074

00:48:43,740 --> 00:48:41,020

that I wrote about in the book the

1075

00:48:48,500 --> 00:48:43,750

haunting and Natalie Bradford I knew the

1076

00:48:50,910 --> 00:48:48,510

the Bradford's and spent time there and

1077

00:48:54,100 --> 00:48:50,920

that's where it first happened for me

1078

00:48:59,350 --> 00:48:54,110

now once that door is opened

1079

00:49:01,200 --> 00:48:59,360

so to say you just it changes you

1080

00:49:04,240 --> 00:49:01,210

it is a transformative experience

1081

00:49:08,050 --> 00:49:04,250

regardless of how old you are at the

1082

00:49:10,360 --> 00:49:08,060

time that it happens and you becomes the

1083

00:49:14,200 --> 00:49:10,370

curiosity or it did for me personally

1084

00:49:16,840 --> 00:49:14,210

and so you know my summers were spent

1085

00:49:20,160 --> 00:49:16,850

while the other kids might be at the

1086

00:49:23,350 --> 00:49:20,170

library you know checking out books

1087

00:49:26,160 --> 00:49:23,360

Amelia Bedelia books or whatever I'm

1088

00:49:31,330 --> 00:49:26,170

over there in the new-age section

1089

00:49:34,750 --> 00:49:31,340

looking at psychic phenomena books ghost

1090

00:49:37,870 --> 00:49:34,760

tales even some witchcraft type stuff I

1091

00:49:41,770 --> 00:49:37,880

just absolutely was drawn to this for

1092

00:49:45,850 --> 00:49:41,780

some reason to me it was it was magical

1093

00:49:48,640 --> 00:49:45,860

and it was mysterious and and you know

1094

00:49:51,030 --> 00:49:48,650

and I grew up on Agatha Christie I loved

1095

00:49:56,580 --> 00:49:51,040

her books of course there were mysteries

1096

00:49:59,530 --> 00:49:56,590

um but you know even lately I have I

1097

00:50:01,330 --> 00:49:59,540

have been considering I've always been

1098

00:50:03,970 --> 00:50:01,340

one of these people even those people

1099

00:50:05,800 --> 00:50:03,980

think this is strange I know if you if

1100

00:50:07,720 --> 00:50:05,810

you believe in the paranormal and the

1101
00:50:11,860 --> 00:50:07,730
afterlife and all this how can you be on

1102
00:50:13,390 --> 00:50:11,870
the fence about reincarnation but I've

1103
00:50:16,120 --> 00:50:13,400
always been on the fence about

1104
00:50:18,850 --> 00:50:16,130
reincarnation really oh that's

1105
00:50:21,160 --> 00:50:18,860
interesting I've always been on the out

1106
00:50:24,190 --> 00:50:21,170
you know I've always kind of been on the

1107
00:50:26,830 --> 00:50:24,200
fence about it because I'm thinking so

1108
00:50:30,850 --> 00:50:26,840
what is the I'm trying to I'm trying to

1109
00:50:35,050 --> 00:50:30,860
logically reconcile this in my mind no

1110
00:50:37,720 --> 00:50:35,060
man what is the point of me being coming

1111
00:50:41,710 --> 00:50:37,730
back into another body and I can't

1112
00:50:44,080 --> 00:50:41,720
remember anything before it's to test

1113
00:50:47,380 --> 00:50:44,090

you to see if the insides of you are

1114

00:50:50,260 --> 00:50:47,390

truly as good as supposed to be without

1115

00:50:51,690 --> 00:50:50,270

recalling the punishment that's coming

1116

00:50:54,190 --> 00:50:51,700

[Music]

1117

00:50:58,990 --> 00:50:54,200

and I'm thinking when I've been told

1118

00:51:00,190 --> 00:50:59,000

that you know we got to go to our next

1119

00:51:01,750 --> 00:51:00,200

break you guys were listening to me

1120

00:51:04,349 --> 00:51:01,760

Heidi how's the Outlander and we will be

1121

00:51:08,770 --> 00:51:06,550

1122

00:51:11,500 --> 00:51:08,780

to me Heidi house the Outlander and we

1123

00:51:14,290 --> 00:51:11,510

are speaking with Sydney el Sydney

1124

00:51:17,349 --> 00:51:14,300

Fisher how do you spell out your website

1125

00:51:19,440 --> 00:51:17,359

so people will know how to get a hold of

1126
00:51:23,620 --> 00:51:19,450
your books and to learn more about you

1127
00:51:26,829 --> 00:51:23,630
uh you can find my books at el Sydney

1128
00:51:33,370 --> 00:51:26,839
Fisher that's a you know a nail and then

1129
00:51:36,130 --> 00:51:33,380
a SWA D and E Y and then Fisher F is H E

1130
00:51:37,750 --> 00:51:36,140
or calm awesome and you know you're

1131
00:51:39,460 --> 00:51:37,760
talking about reincarnation just before

1132
00:51:40,990 --> 00:51:39,470
went to break and I have to say you know

1133
00:51:45,220 --> 00:51:41,000
I remember there being something in the

1134
00:51:47,920 --> 00:51:45,230
Bible that Jesus to her no no no it was

1135
00:51:49,930 --> 00:51:47,930
Peter somebody I'm so terrible but it

1136
00:51:52,900 --> 00:51:49,940
said that you didn't recognize me I was

1137
00:51:54,490 --> 00:51:52,910
you know John the Baptist or something

1138
00:51:56,290 --> 00:51:54,500

constant he's gonna help me out in this

1139

00:51:58,000 --> 00:51:56,300

one night somewhere but like oh you

1140

00:52:00,010 --> 00:51:58,010

didn't recognize me I was John the

1141

00:52:02,020 --> 00:52:00,020

Baptist and I'm now so-and-so or

1142

00:52:03,550 --> 00:52:02,030

something like there's mentioning in the

1143

00:52:07,180 --> 00:52:03,560

Bible about reincarnation

1144

00:52:09,460 --> 00:52:07,190

yeah I've earned it under that this was

1145

00:52:12,520 --> 00:52:09,470

John the Baptist was a Fernan he was I

1146

00:52:21,490 --> 00:52:12,530

believe if I'm not mistaken referring to

1147

00:52:24,010 --> 00:52:21,500

himself as Elijah see reincarnation but

1148

00:52:25,660 --> 00:52:24,020

you know I'm telling you all these years

1149

00:52:27,040 --> 00:52:25,670

I've been on the fence but now let me

1150

00:52:29,710 --> 00:52:27,050

tell you where I am

1151

00:52:32,079 --> 00:52:29,720

I'm getting to the point now to where

1152

00:52:36,640 --> 00:52:32,089

it's something I had this defining

1153

00:52:38,920 --> 00:52:36,650

moment the other day and I was going why

1154

00:52:42,040 --> 00:52:38,930

have I always felt a connection to the

1155

00:52:44,890 --> 00:52:42,050

Victorian era now I realize all of you

1156

00:52:47,980 --> 00:52:44,900

are saying well duh that's because it

1157

00:52:51,760 --> 00:52:47,990

was the age of spiritualism okay besides

1158

00:52:54,700 --> 00:52:51,770

that you know even as a kid I used to

1159

00:52:56,559 --> 00:52:54,710

always say you know I swear I was that

1160

00:52:59,380 --> 00:52:56,569

lady that was had those beautiful

1161

00:53:02,650 --> 00:52:59,390

dresses on and I had this big hat you

1162

00:53:05,829 --> 00:53:02,660

know and I was so through foolish and

1163

00:53:08,980 --> 00:53:05,839

all that and I just saw myself back then

1164

00:53:12,880 --> 00:53:08,990

and for years and years I have felt like

1165

00:53:15,819 --> 00:53:12,890

that I was waiting on something but I am

1166

00:53:17,170 --> 00:53:15,829

supposed to reconnect with someone and

1167

00:53:21,760 --> 00:53:17,180

so in

1168

00:53:24,640 --> 00:53:21,770

and I have recreated this story it has

1169

00:53:27,940 --> 00:53:24,650

to be my soulmate you know ha ha that's

1170

00:53:30,519 --> 00:53:27,950

supposed to be a funny because I have it

1171

00:53:32,230 --> 00:53:30,529

many and so a some heroness something

1172

00:53:35,019 --> 00:53:32,240

happened and he got lost along the way

1173

00:53:39,490 --> 00:53:35,029

but in the in the meantime though in all

1174

00:53:42,400 --> 00:53:39,500

seriousness as seriousness the Victorian

1175

00:53:45,099 --> 00:53:42,410

era was the age of spiritualism and I

1176
00:53:49,710 --> 00:53:45,109
thought you know what you know for all

1177
00:53:53,730 --> 00:53:49,720
my life I have had I have felt like that

1178
00:53:58,089 --> 00:53:53,740
crossed over into you know was born in

1179
00:54:01,349 --> 00:53:58,099
this time period but why I've always

1180
00:54:06,309 --> 00:54:01,359
been so attracted to the history and

1181
00:54:09,010 --> 00:54:06,319
just everything about the 19th century

1182
00:54:11,620 --> 00:54:09,020
it's like I just can't get enough of it

1183
00:54:14,950 --> 00:54:11,630
not still but I'm a history geek I

1184
00:54:18,599 --> 00:54:14,960
listen next week I'm going to ghost

1185
00:54:21,700 --> 00:54:18,609
country in very south Mississippi on the

1186
00:54:24,010 --> 00:54:21,710
corner with Louisiana so I'm real

1187
00:54:29,430 --> 00:54:24,020
excited about that because there is a

1188
00:54:31,990 --> 00:54:29,440

ton it's known as a ghost town I mean

1189

00:54:33,880 --> 00:54:32,000

really loaded I have to tell you this

1190

00:54:35,799 --> 00:54:33,890

because see I knew someone in chat my

1191

00:54:38,260 --> 00:54:35,809

buddy Russ says this is why I got

1192

00:54:40,720 --> 00:54:38,270

confused about that quote Jesus is the

1193

00:54:43,420 --> 00:54:40,730

one that said John the Baptist was

1194

00:54:46,510 --> 00:54:43,430

Elijah so there it is that's what it was

1195

00:54:48,640 --> 00:54:46,520

I'm like I know there's some and but

1196

00:54:51,789 --> 00:54:48,650

yeah ok so okay I just sorry I had to

1197

00:54:54,220 --> 00:54:51,799

interject that you know you my dad's

1198

00:54:58,089 --> 00:54:54,230

from Georgia and boy superstitions

1199

00:55:01,089 --> 00:54:58,099

religious folks down there it's so

1200

00:55:02,710 --> 00:55:01,099

collection as being who you are having

1201
00:55:05,710 --> 00:55:02,720
the background that you do in the books

1202
00:55:08,289 --> 00:55:05,720
that you write how your friends and

1203
00:55:10,359 --> 00:55:08,299
family and they were taking us in well

1204
00:55:12,490 --> 00:55:10,369
now and I know what you're thinking and

1205
00:55:14,980 --> 00:55:12,500
and and some of you are right in your

1206
00:55:17,769 --> 00:55:14,990
thinking that you know this is the south

1207
00:55:20,109 --> 00:55:17,779
this is the the Bible Belt this is the

1208
00:55:22,480 --> 00:55:20,119
what you know not everybody does embrace

1209
00:55:26,079 --> 00:55:22,490
that but you would be surprised you

1210
00:55:28,269 --> 00:55:26,089
would be very cement minds are opening

1211
00:55:29,570 --> 00:55:28,279
across the world around the world I'm

1212
00:55:31,910 --> 00:55:29,580
fine well

1213
00:55:35,360 --> 00:55:31,920

they are that's for sure but you know

1214

00:55:38,690 --> 00:55:35,370

even look you find all types of people

1215

00:55:40,730 --> 00:55:38,700

no matter where you go so you had you do

1216

00:55:43,860 --> 00:55:40,740

have to be careful who you share your

1217

00:55:47,620 --> 00:55:43,870

crazy with and I say that completely

1218

00:55:51,010 --> 00:55:47,630

[Laughter]

1219

00:55:51,020 --> 00:55:58,390

I can totally share my crazy with Heidi

1220

00:56:06,740 --> 00:56:02,660

because we are from the same tribe of

1221

00:56:08,690 --> 00:56:06,750

course the same tribe and you're with

1222

00:56:12,740 --> 00:56:08,700

like-minded people and stuff you know

1223

00:56:16,040 --> 00:56:12,750

just yesterday I was speaking to a man

1224

00:56:17,360 --> 00:56:16,050

who was a skeptic and he was just you

1225

00:56:21,200 --> 00:56:17,370

know he says so what were y'all doing

1226

00:56:23,510 --> 00:56:21,210

last week and I said we went to a house

1227

00:56:25,220 --> 00:56:23,520

and investigated a home we stated a

1228

00:56:28,580 --> 00:56:25,230

haunted bed-and-breakfast it was just

1229

00:56:30,410 --> 00:56:28,590

absolutely amazing oh my god and he's

1230

00:56:32,450 --> 00:56:30,420

you know shadowed of you know he

1231

00:56:34,370 --> 00:56:32,460

interjected a couple of obscenities that

1232

00:56:36,770 --> 00:56:34,380

are always funny

1233

00:56:39,050 --> 00:56:36,780

when when you're talking to a skeptic

1234

00:56:41,030 --> 00:56:39,060

and I just said seriously it was a lot

1235

00:56:42,530 --> 00:56:41,040

of fun it really was so did you get

1236

00:56:45,260 --> 00:56:42,540

anything I just don't believe all of

1237

00:56:47,210 --> 00:56:45,270

that the answer and I said you know who

1238

00:56:49,730 --> 00:56:47,220

I I said you don't have to you

1239

00:56:52,400 --> 00:56:49,740

absolutely do not have to believe any of

1240

00:56:55,010 --> 00:56:52,410

it but when you go to this and I said

1241

00:56:57,620 --> 00:56:55,020

look don't take my word for it do not

1242

00:57:00,410 --> 00:56:57,630

take my word for anything that I'm

1243

00:57:02,830 --> 00:57:00,420

telling you I'm inviting you to do your

1244

00:57:05,720 --> 00:57:02,840

own research and come to your own

1245

00:57:06,620 --> 00:57:05,730

conclusions that's what you should do

1246

00:57:09,590 --> 00:57:06,630

anyway

1247

00:57:12,170 --> 00:57:09,600

if you have a curiosity about it and I

1248

00:57:15,200 --> 00:57:12,180

said but I'm gonna tell you this if you

1249

00:57:17,660 --> 00:57:15,210

want to come along on a ghost hunt or an

1250

00:57:19,670 --> 00:57:17,670

investigation that I do and I take

1251

00:57:21,890 --> 00:57:19,680

another person with me who has become a

1252

00:57:25,280 --> 00:57:21,900

very good friend of mine and she is a

1253

00:57:27,170 --> 00:57:25,290

very gifted clairvoyant she and I don't

1254

00:57:30,290 --> 00:57:27,180

use a lot of equipment sometimes we'll

1255

00:57:32,600 --> 00:57:30,300

take some equipment you know the spirit

1256

00:57:35,510 --> 00:57:32,610

box that she has and I'll take an EMF

1257

00:57:39,380 --> 00:57:35,520

you know detector and things like that

1258

00:57:41,960 --> 00:57:39,390

that are not cumbersome to try to me and

1259

00:57:43,490 --> 00:57:41,970

so we'll take those things and use that

1260

00:57:46,460 --> 00:57:43,500

but a lot of times we use

1261

00:57:48,650 --> 00:57:46,470

we rely on our own abilities to walk

1262

00:57:51,320 --> 00:57:48,660

into a room and pick up on the energy

1263

00:57:54,350 --> 00:57:51,330

there whether it's residual or whether

1264

00:57:56,660 --> 00:57:54,360

it is an intelligent haunting and that

1265

00:57:58,760 --> 00:57:56,670

own him I said if you're going to come

1266

00:58:01,430 --> 00:57:58,770

along on something like this the only

1267

00:58:04,370 --> 00:58:01,440

thing that I asked you to do is to leave

1268

00:58:07,010 --> 00:58:04,380

everything that you've been taught your

1269

00:58:10,550 --> 00:58:07,020

entire life behind leave it at the front

1270

00:58:15,860 --> 00:58:10,560

door when you come in because you know

1271

00:58:17,900 --> 00:58:15,870

say your prayers you know what you know

1272

00:58:21,140 --> 00:58:17,910

because you've been taught that by

1273

00:58:23,510 --> 00:58:21,150

people who their parents taught them and

1274

00:58:26,480 --> 00:58:23,520

I said so you you need to just come with

1275

00:58:29,150 --> 00:58:26,490

an open mind and then we'll do our thing

1276

00:58:31,250 --> 00:58:29,160

and then you you decide you know and it

1277

00:58:32,450 --> 00:58:31,260

was what's one of the strangest things

1278

00:58:34,760 --> 00:58:32,460

that you come across when you've done

1279

00:58:37,250 --> 00:58:34,770

some of this stuff in research well I

1280

00:58:39,770 --> 00:58:37,260

will tell you last summer was the worst

1281

00:58:41,960 --> 00:58:39,780

last summer was the scariest thing that

1282

00:58:44,240 --> 00:58:41,970

I encountered when I actually had my

1283

00:58:49,640 --> 00:58:44,250

first hand experience with a shadow

1284

00:58:55,010 --> 00:58:49,650

person and you know I've heard of shadow

1285

00:58:58,100 --> 00:58:55,020

people but this particular place is is

1286

00:59:01,790 --> 00:58:58,110

not and and I say infested that word

1287

00:59:04,400 --> 00:59:01,800

infested means when you think of a you

1288

00:59:06,680 --> 00:59:04,410

know a pest-control termites and things

1289

00:59:12,110 --> 00:59:06,690

because they colonized like they moved

1290

00:59:14,900 --> 00:59:12,120

in it is unreal and I actually that that

1291

00:59:17,990 --> 00:59:14,910

story when I was doing that that

1292

00:59:21,080 --> 00:59:18,000

research that story is the in volume two

1293

00:59:23,510 --> 00:59:21,090

of the Haunted series that came out last

1294

00:59:25,760 --> 00:59:23,520

fall but I had my first encounter with a

1295

00:59:27,770 --> 00:59:25,770

shadow person and the horrible thing is

1296

00:59:30,020 --> 00:59:27,780

the owner of the property they don't

1297

00:59:33,260 --> 00:59:30,030

live there anymore they moved and it's

1298

00:59:37,250 --> 00:59:33,270

vacant right now but the owner of the

1299

00:59:40,100 --> 00:59:37,260

property actually sent me some audio of

1300

00:59:43,730 --> 00:59:40,110

a professional paranormal investigation

1301
00:59:47,630 --> 00:59:43,740
that was done by taps of Alabama and oh

1302
00:59:51,590 --> 00:59:47,640
my god it's so disturbing and then also

1303
00:59:55,540 --> 00:59:51,600
sent me a couple of pictures of images

1304
00:59:57,529 --> 00:59:55,550
that they caught now I have never seen a

1305
01:00:04,299 --> 00:59:57,539
real-life picture

1306
01:00:08,120 --> 01:00:04,309
of a evil entity it's space yeah saw it

1307
01:00:10,819 --> 01:00:08,130
no no no no no doubt about it still have

1308
01:00:14,179 --> 01:00:10,829
the picture could send it to you uh-huh

1309
01:00:18,529 --> 01:00:14,189
I've said oh yeah can send it to you but

1310
01:00:21,459 --> 01:00:18,539
you you need you seriously if you if you

1311
01:00:25,189 --> 01:00:21,469
visited this place it took me three days

1312
01:00:28,399 --> 01:00:25,199
to get rid of that horrible wretched

1313
01:00:30,769 --> 01:00:28,409

feeling and even though it was it was

1314

01:00:32,539 --> 01:00:30,779

such a sad it's a sad has a sad history

1315

01:00:35,120 --> 01:00:32,549

at this place there was a murder there

1316

01:00:37,599 --> 01:00:35,130

and then there was a horrible a horrible

1317

01:00:41,809 --> 01:00:37,609

murder and and then a horrible suicide

1318

01:00:43,939 --> 01:00:41,819

horrible worst imaginary things that you

1319

01:00:46,309 --> 01:00:43,949

can think of so it already had a lot of

1320

01:00:51,079 --> 01:00:46,319

negative energy attached to it to begin

1321

01:00:53,479 --> 01:00:51,089

with but the owner will ask me if if I

1322

01:00:56,029 --> 01:00:53,489

take you back there and and open the

1323

01:01:05,329 --> 01:00:56,039

house and let you go in will you go

1324

01:01:08,179 --> 01:01:05,339

inside I said no ma'am I won't no just

1325

01:01:10,370 --> 01:01:08,189

as nice as I could be but I said I don't

1326

01:01:12,589 --> 01:01:10,380

I don't there's nothing else that I need

1327

01:01:15,259 --> 01:01:12,599

to get from there in order to be

1328

01:01:16,879 --> 01:01:15,269

convinced I mean I was convinced from

1329

01:01:19,909 --> 01:01:16,889

the minute that I stepped out of my

1330

01:01:22,429 --> 01:01:19,919

vehicle and stepped onto the grounds I

1331

01:01:24,349 --> 01:01:22,439

could see the I could see the woman that

1332

01:01:28,249 --> 01:01:24,359

was looking at me outside the front

1333

01:01:32,449 --> 01:01:28,259

window the by the front door oh yes huge

1334

01:01:35,659 --> 01:01:32,459

big eyes and it was so scary because

1335

01:01:39,229 --> 01:01:35,669

later whenever you know I told them what

1336

01:01:41,359 --> 01:01:39,239

I saw I mean as we were tightened this

1337

01:01:43,579 --> 01:01:41,369

is what authenticated what I was seeing

1338

01:01:47,359 --> 01:01:43,589

because we were both on messenger at the

1339

01:01:49,609 --> 01:01:47,369

same time and she was typing to me

1340

01:01:52,780 --> 01:01:49,619

telling me what her son had witnessed

1341

01:01:58,630 --> 01:01:52,790

while the starlight lounge presents an

1342

01:02:00,850 --> 01:01:58,640

with the progressive box I took a bit of

1343

01:02:02,680 --> 01:02:00,860

a risk singing that song but of course

1344

01:02:04,900 --> 01:02:02,690

the one place I never take chances is

1345

01:02:07,090 --> 01:02:04,910

the road where progressive snapshot

1346

01:02:09,640 --> 01:02:07,100

rewards your safe driving a good driver

1347

01:02:13,440 --> 01:02:09,650

plus snapshot equals big discounts and

1348

01:02:16,960 --> 01:02:13,450

speaking of math one plus one equals two

1349

01:02:18,310 --> 01:02:16,970

little too late progressive casualty

1350

01:02:19,360 --> 01:02:18,320

insurance company affiliates snapshot

1351

01:02:21,040 --> 01:02:19,370

not available in California North

1352

01:02:23,980 --> 01:02:21,050

Carolina or from all agents they live

1353

01:02:24,910 --> 01:02:23,990

there before I could finish my sentence

1354

01:02:27,370 --> 01:02:24,920

and hit enter

1355

01:02:37,450 --> 01:02:27,380

she had typed the description of the

1356

01:02:51,100 --> 01:02:37,460

woman that I had seen I was back there

1357

01:02:54,640 --> 01:02:51,110

at all listen I burned so much sage yes

1358

01:02:58,420 --> 01:02:54,650

it was something not a fuzzy experience

1359

01:03:01,420 --> 01:02:58,430

not a warm and fuzzy one yeah thank

1360

01:03:04,090 --> 01:03:01,430

goodness so now you said that you you

1361

01:03:07,810 --> 01:03:04,100

have a white wolf that's haunting the

1362

01:03:10,000 --> 01:03:07,820

land that is so cool have you ever moved

1363

01:03:12,010 --> 01:03:10,010

to you know I know that you've probably

1364

01:03:14,050 --> 01:03:12,020

lived in different places but yeah it's

1365

01:03:16,510 --> 01:03:14,060

time that you go do you kind of hope

1366

01:03:19,420 --> 01:03:16,520

that there's no ghosts there i bless it

1367

01:03:21,760 --> 01:03:19,430

before I move in so well sure sure you

1368

01:03:24,250 --> 01:03:21,770

do and so I'm thinking you know as I

1369

01:03:27,460 --> 01:03:24,260

have moved into this home and everything

1370

01:03:29,500 --> 01:03:27,470

I'm thinking this is a new home I have

1371

01:03:31,090 --> 01:03:29,510

no knowledge of the land nobody never

1372

01:03:34,900 --> 01:03:31,100

heard a thing I've lived in this area

1373

01:03:36,700 --> 01:03:34,910

for years and years and so I'm safe so

1374

01:03:38,770 --> 01:03:36,710

I'm moving in and I started having this

1375

01:03:40,390 --> 01:03:38,780

paranormal activity I'm going oh my god

1376

01:03:46,540 --> 01:03:40,400

you've got to be kidding me

1377

01:03:50,260 --> 01:03:46,550

not again oh no not again so it was so

1378

01:03:52,720 --> 01:03:50,270

cool one morning around close to

1379

01:03:55,450 --> 01:03:52,730

Thanksgiving about five years ago I

1380

01:03:58,780 --> 01:03:55,460

walked outside and was going to check my

1381

01:04:02,830 --> 01:03:58,790

mail and as I walked outside I saw a

1382

01:04:05,780 --> 01:04:02,840

white wolf in the ditch in front of the

1383

01:04:09,200 --> 01:04:05,790

house drinking water no collar

1384

01:04:11,540 --> 01:04:09,210

was no it wasn't like a you know a dog

1385

01:04:14,330 --> 01:04:11,550

or someone's dog that had gotten loose

1386

01:04:18,410 --> 01:04:14,340

or whatever and you know not one of

1387

01:04:21,440 --> 01:04:18,420

those situations and it had I just

1388

01:04:23,660 --> 01:04:21,450

literally froze after I walked out and I

1389

01:04:25,790 --> 01:04:23,670

started to baby talk it a little bit

1390

01:04:26,960 --> 01:04:25,800

because at first I thought oh how

1391

01:04:29,480 --> 01:04:26,970

beautiful

1392

01:04:30,590 --> 01:04:29,490

we're ready to come from oh you're so

1393

01:04:33,320 --> 01:04:30,600

pretty enough

1394

01:04:36,170 --> 01:04:33,330

so I'm sitting here and this this animal

1395

01:04:40,100 --> 01:04:36,180

keeps drinking and it will not take its

1396

01:04:42,110 --> 01:04:40,110

eyes off of me and I'm okay well all of

1397

01:04:44,630 --> 01:04:42,120

a sudden it's that feeling that washes

1398

01:04:47,870 --> 01:04:44,640

over you to where you you totally froat

1399

01:04:50,720 --> 01:04:47,880

and freeze and you realize that you're

1400

01:04:53,480 --> 01:04:50,730

in trouble right and I'm standing there

1401

01:04:57,320 --> 01:04:53,490

staring at it and and I realized what

1402

01:05:00,230 --> 01:04:57,330

I'm staring at and I start to back up

1403

01:05:03,500 --> 01:05:00,240

the sidewalk going into my front door

1404

01:05:05,870 --> 01:05:03,510

and would not turn my back on it because

1405

01:05:08,270 --> 01:05:05,880

I thought oh my god you know if it is

1406

01:05:10,970 --> 01:05:08,280

real I'm gonna be a minute could attack

1407

01:05:13,880 --> 01:05:10,980

me so I get inside and I run to the

1408

01:05:18,770 --> 01:05:13,890

computer real quickly and I type in on

1409

01:05:21,710 --> 01:05:18,780

Google white wolf to pull this up there

1410

01:05:23,240 --> 01:05:21,720

it was I run back to the door because

1411

01:05:25,160 --> 01:05:23,250

I'm thinking that's a freaking white

1412

01:05:27,800 --> 01:05:25,170

wolf but where would that be coming from

1413

01:05:32,780 --> 01:05:27,810

go back outside it's disappeared it is

1414

01:05:36,770 --> 01:05:32,790

nowhere to be seen within seconds and so

1415

01:05:39,950 --> 01:05:36,780

fast forward about three weeks to a

1416

01:05:41,990 --> 01:05:39,960

month later I'm talking to some local

1417

01:05:46,100 --> 01:05:42,000

historians and they tell me about the

1418

01:05:48,440 --> 01:05:46,110

story of the Chickasaw Indians and right

1419

01:05:50,870 --> 01:05:48,450

here on the land that I live on this was

1420

01:05:55,730 --> 01:05:50,880

a Native American village not once but

1421

01:05:59,960 --> 01:05:55,740

twice in the 1640s and then in the 1740s

1422

01:06:03,880 --> 01:05:59,970

50s and they were led to North

1423

01:06:06,620 --> 01:06:03,890

Mississippi supposedly from the West

1424

01:06:08,600 --> 01:06:06,630

traveled across and they were there's

1425

01:06:10,520 --> 01:06:08,610

this host or you can find this stuff

1426

01:06:14,120 --> 01:06:10,530

it's written in their books it's just

1427

01:06:18,920 --> 01:06:14,130

absolutely crazy they were led by a

1428

01:06:24,890 --> 01:06:18,930

white dog come on now a white dog now

1429

01:06:30,670 --> 01:06:24,900

Oh what is it about me that wherever I

1430

01:06:36,290 --> 01:06:33,829

you know right be careful how you share

1431

01:06:38,599 --> 01:06:36,300

your crazy with it you know I

1432

01:06:39,980 --> 01:06:38,609

I know those moments those epiphanies of

1433

01:06:42,079 --> 01:06:39,990

when things come together and you're

1434

01:06:43,880 --> 01:06:42,089

like there is no way on God's green

1435

01:06:44,299 --> 01:06:43,890

earth anybody's gonna believe this

1436

01:06:47,150 --> 01:06:44,309

happened

1437

01:06:51,290 --> 01:06:47,160

nobody so I go down to my neighbor's

1438

01:06:54,920 --> 01:06:51,300

house who is they have a small horse

1439

01:06:58,490 --> 01:06:54,930

ranch horse farm that is just down the

1440

01:07:00,620 --> 01:06:58,500

street from where I am and it is she

1441

01:07:02,660 --> 01:07:00,630

didn't have a lot of land and stuff and

1442

01:07:04,910 --> 01:07:02,670

they're all into the Native American

1443

01:07:08,720 --> 01:07:04,920

history and I am too of I've studied it

1444

01:07:11,569 --> 01:07:08,730

all my life and so I go down there and I

1445

01:07:14,299 --> 01:07:11,579

start telling Rochelle I said I have got

1446

01:07:17,180 --> 01:07:14,309

to talk to you I have seen something and

1447

01:07:20,000 --> 01:07:17,190

I don't know and she just her face just

1448

01:07:22,819 --> 01:07:20,010

you know she just goes pale white and

1449

01:07:24,650 --> 01:07:22,829

she says well do you not know about the

1450

01:07:27,170 --> 01:07:24,660

story and I said well you know I think

1451

01:07:29,299 --> 01:07:27,180

that I've heard this story she said but

1452

01:07:32,750 --> 01:07:29,309

that's there's other people that have

1453

01:07:34,670 --> 01:07:32,760

seen that dog and she said so-and-so and

1454

01:07:38,000 --> 01:07:34,680

so-and-so had seen that dog and they had

1455

01:07:42,559 --> 01:07:38,010

seen it about four years before I saw it

1456

01:07:44,329 --> 01:07:42,569

on her property so just really really

1457

01:07:46,250 --> 01:07:44,339

cool and then of course when I talked to

1458

01:07:48,819 --> 01:07:46,260

his store then I actually got a chance

1459

01:07:51,640 --> 01:07:48,829

to talk to some of the Chickasaw leaders

1460

01:07:54,230 --> 01:07:51,650

who were visiting here from Oklahoma

1461

01:07:56,270 --> 01:07:54,240

North Mississippi was there was their

1462

01:08:00,950 --> 01:07:56,280

home it was their headquarter either you

1463

01:08:03,710 --> 01:08:00,960

know the nation and anyway when I've

1464

01:08:05,299 --> 01:08:03,720

told them this story they just smile and

1465

01:08:08,809 --> 01:08:05,309

they just nod their head and they said

1466

01:08:11,210 --> 01:08:08,819

oh yes that's a wonderful son and you

1467

01:08:12,859 --> 01:08:11,220

know so I actually went to looking up

1468

01:08:15,589 --> 01:08:12,869

this sign and doing a little research

1469

01:08:19,550 --> 01:08:15,599

into it and its significance and it's

1470

01:08:21,979 --> 01:08:19,560

basically its message was you are right

1471

01:08:25,700 --> 01:08:21,989

where you're supposed to be for now in

1472

01:08:30,800 --> 01:08:25,710

your life and it's a it's a wonderful

1473

01:08:32,750 --> 01:08:30,810

omen of protection and guidance and it

1474

01:08:34,340 --> 01:08:32,760

was just a great feeling

1475

01:08:36,380 --> 01:08:34,350

you know in the neighbor that lives

1476

01:08:39,230 --> 01:08:36,390

behind me actually when they were doing

1477

01:08:44,360 --> 01:08:39,240

some excavation building a lake they

1478

01:08:48,140 --> 01:08:44,370

unearthed skeletal remains so we know

1479

01:08:52,220 --> 01:08:48,150

that they had their huts position

1480

01:08:54,230 --> 01:08:52,230

livable oh no I mean where somebody's

1481

01:08:56,360 --> 01:08:54,240

how it was for God's sakes you know

1482

01:08:57,950 --> 01:08:56,370

what's something someone told me I had a

1483

01:08:59,390 --> 01:08:57,960

ghost hunter on here once and I was

1484

01:09:00,890 --> 01:08:59,400

talking about getting rid of ghosts and

1485

01:09:02,870 --> 01:09:00,900

the guy said something interesting to me

1486

01:09:05,480 --> 01:09:02,880

it's like Heidi people have died

1487

01:09:06,740 --> 01:09:05,490

everywhere every place has a ghost you

1488

01:09:08,300 --> 01:09:06,750

can't what are you gonna do just shove

1489

01:09:16,880 --> 01:09:08,310

them over to the next slot and I'm like

1490

01:09:18,770 --> 01:09:16,890

yeah I do I don't want them here people

1491

01:09:21,010 --> 01:09:18,780

are asking if your books are on Kindle

1492

01:09:24,770 --> 01:09:21,020

in the chat room that they're available

1493

01:09:26,690 --> 01:09:24,780

they are available is there a new book

1494

01:09:29,990 --> 01:09:26,700

coming out soon what's your next project

1495

01:09:32,840 --> 01:09:30,000

there well what I'm what I'm working on

1496

01:09:36,530 --> 01:09:32,850

right now is volume three of the Haunted

1497

01:09:41,300 --> 01:09:36,540

series and like I said we we were at a

1498

01:09:45,080 --> 01:09:41,310

haunted B&B a week ago ABS absolutely

1499

01:09:49,010 --> 01:09:45,090

exceeded all expectations that was the

1500

01:09:52,490 --> 01:09:49,020

best time for ghosts honey um I have

1501

01:09:54,530 --> 01:09:52,500

officially ordered a new cap to wear for

1502

01:09:56,750 --> 01:09:54,540

it anytime I'm not ghost hunting and

1503

01:10:06,710 --> 01:09:56,760

that cat says I would rather be ghost

1504

01:10:09,140 --> 01:10:06,720

hunting you know I have been so like I

1505

01:10:10,910 --> 01:10:09,150

was raised in a haunted house I am just

1506

01:10:13,520 --> 01:10:10,920

so like I have seen enough of them

1507

01:10:15,560 --> 01:10:13,530

enough comes looking for me I don't go

1508

01:10:18,020 --> 01:10:15,570

looking for them generally so it's like

1509

01:10:20,330 --> 01:10:18,030

Bravo to you that you're you're fine

1510

01:10:21,980 --> 01:10:20,340

with going out looking for my I'm I find

1511

01:10:24,050 --> 01:10:21,990

it fascinating but you know they are

1512

01:10:25,820 --> 01:10:24,060

always going to rear their heads in my

1513

01:10:28,550 --> 01:10:25,830

way and I just don't want to look at him

1514

01:10:30,830 --> 01:10:28,560

well you have to you have to pick your

1515

01:10:34,880 --> 01:10:30,840

ghost the way you pick your friends I

1516

01:10:36,970 --> 01:10:34,890

guess so you cannot you know when you go

1517

01:10:40,450 --> 01:10:36,980

into places but I will tell you Heidi

1518

01:10:43,400 --> 01:10:40,460

seriously you know when I go to places

1519

01:10:46,459 --> 01:10:43,410

nowadays the type of research that I do

1520

01:10:49,609 --> 01:10:46,469

is not where I am

1521

01:10:51,979 --> 01:10:49,619

said like zak bagans with a ghost

1522

01:10:55,219 --> 01:10:51,989

adventure you know I'm not doing you're

1523

01:10:57,709 --> 01:10:55,229

not saying come get me no no I'm not

1524

01:10:59,629 --> 01:10:57,719

conjuring up spirits or doing anything

1525

01:11:01,819 --> 01:10:59,639

like that I'm not playing with Ouija

1526

01:11:05,450 --> 01:11:01,829

boards I have a book out called the

1527

01:11:08,569 --> 01:11:05,460

devil's board that that I have this yeah

1528

01:11:11,120 --> 01:11:08,579

that that was a true story about a Ouija

1529

01:11:13,879 --> 01:11:11,130

board happening that happened last well

1530

01:11:16,339 --> 01:11:13,889

it happened several in 1987 but it was

1531

01:11:18,379 --> 01:11:16,349

released last fall I don't do any of

1532

01:11:22,279 --> 01:11:18,389

that type of stuff a lot of what I do

1533

01:11:24,319 --> 01:11:22,289

now is interviews real simple

1534

01:11:26,120 --> 01:11:24,329

assessments of the area I'm looking for

1535

01:11:28,310 --> 01:11:26,130

the history of the area because a lot of

1536

01:11:31,189 --> 01:11:28,320

times when you when you find out the

1537

01:11:33,319 --> 01:11:31,199

history of a location your mystery

1538

01:11:35,660 --> 01:11:33,329

solved I mean I'm going and you probably

1539

01:11:38,989 --> 01:11:35,670

want to move if it's your house really

1540

01:11:41,569 --> 01:11:38,999

you know I'm there to find out why it's

1541

01:11:44,660 --> 01:11:41,579

haunted not necessarily if it's haunted

1542

01:11:46,669 --> 01:11:44,670

because depending on I mean yes there

1543

01:11:48,169 --> 01:11:46,679

can be you know you always want to enter

1544

01:11:51,109 --> 01:11:48,179

something it's healthy to be a skeptic

1545

01:11:53,330 --> 01:11:51,119

because not every place is haunted but

1546

01:11:55,580 --> 01:11:53,340

at the same time you and I both have

1547

01:11:58,310 --> 01:11:55,590

been doing this for a long long time and

1548

01:12:04,189 --> 01:11:58,320

we're not those people that needs that

1549

01:12:06,200 --> 01:12:04,199

validation I don't feel that way too

1550

01:12:09,140 --> 01:12:06,210

it's like I'm not here who am I to

1551

01:12:11,779 --> 01:12:09,150

question if what you have observed to be

1552

01:12:14,180 --> 01:12:11,789

real for yourself I'm not that person to

1553

01:12:16,459 --> 01:12:14,190

go and say and poop who you I don't like

1554

01:12:18,469 --> 01:12:16,469

when shows do that you know it's about

1555

01:12:20,689 --> 01:12:18,479

taking a person's word for what it is

1556

01:12:22,759 --> 01:12:20,699

the experience and seeing okay you know

1557

01:12:24,850 --> 01:12:22,769

is it is there a mean there a reason for

1558

01:12:28,339 --> 01:12:24,860

this going on so I get what you mean

1559

01:12:32,330 --> 01:12:28,349

exactly and and I try to you know the

1560

01:12:37,640 --> 01:12:32,340

only thing is when I have people who

1561

01:12:39,469 --> 01:12:37,650

contact me and they want me to you know

1562

01:12:41,029 --> 01:12:39,479

they've got something you can tell just

1563

01:12:42,979 --> 01:12:41,039

from what they're saying that they want

1564

01:12:44,359 --> 01:12:42,989

you you're not going to be able to help

1565

01:12:46,219 --> 01:12:44,369

you're not going to be able to stay why

1566

01:12:50,750 --> 01:12:46,229

don't you go to the light you know it's

1567

01:12:52,669 --> 01:12:50,760

a great life it's what they're dealing

1568

01:12:55,279 --> 01:12:52,679

with the shadow people that we've talked

1569

01:12:57,379 --> 01:12:55,289

about something very sinister they're

1570

01:12:59,540 --> 01:12:57,389

dealing with an entity that has never

1571

01:13:00,240 --> 01:12:59,550

walked the face of the earth in a human

1572

01:13:02,880 --> 01:13:00,250

form

1573

01:13:05,040 --> 01:13:02,890

and those are things that are way beyond

1574

01:13:07,050 --> 01:13:05,050

my capabilities are dealing with and not

1575

01:13:10,380 --> 01:13:07,060

something that I want to deal with and

1576

01:13:13,050 --> 01:13:10,390

so I normally try to point them you know

1577

01:13:15,630 --> 01:13:13,060

have you contacted your local minister

1578

01:13:18,810 --> 01:13:15,640

you know there's certain things that you

1579

01:13:20,850 --> 01:13:18,820

can do and you cleanse the area and

1580

01:13:22,860 --> 01:13:20,860

things but I will tell you I have dealt

1581

01:13:28,040 --> 01:13:22,870

with a few people who were being choked

1582

01:13:30,150 --> 01:13:28,050

at night yeah and every time when I have

1583

01:13:32,580 --> 01:13:30,160

counseled with some of those people just

1584

01:13:35,850 --> 01:13:32,590

within the realm that I can not not

1585

01:13:38,070 --> 01:13:35,860

anything you know psychological counsel

1586

01:13:39,680 --> 01:13:38,080

or anything just just when I have talked

1587

01:13:43,050 --> 01:13:39,690

to them and listened to their situation

1588

01:13:46,710 --> 01:13:43,060

there's always things that are going on

1589

01:13:50,010 --> 01:13:46,720

in their life that are causing them to

1590

01:13:55,020 --> 01:13:50,020

attract this type of energy these legs

1591

01:13:57,720 --> 01:13:55,030

seek them out don't are they like a lady

1592

01:14:01,320 --> 01:13:57,730

that that I were talk to just a few

1593

01:14:03,120 --> 01:14:01,330

months back she it was horrible she was

1594

01:14:04,770 --> 01:14:03,130

being choked in the bed at night she

1595

01:14:07,140 --> 01:14:04,780

would wake up crying it was scaring her

1596

01:14:09,000 --> 01:14:07,150

to death and I knew immediately I mean

1597

01:14:11,580 --> 01:14:09,010

just within a few minutes of her telling

1598

01:14:13,380 --> 01:14:11,590

me and I said so I asked her you know I

1599

01:14:15,870 --> 01:14:13,390

just said you're dealing with some

1600

01:14:18,480 --> 01:14:15,880

things and and tell me about that and

1601

01:14:20,820 --> 01:14:18,490

she did she told me about buying a new

1602

01:14:22,650 --> 01:14:20,830

business and it was it was scary to work

1603

01:14:26,100 --> 01:14:22,660

because they had sunk a lot of money

1604

01:14:29,550 --> 01:14:26,110

into this and that kind of thing and you

1605

01:14:31,650 --> 01:14:29,560

know she wanted it to succeed and but

1606

01:14:33,960 --> 01:14:31,660

anyway you know that's always that's a

1607

01:14:37,140 --> 01:14:33,970

big step it's the human investment and

1608

01:14:40,400 --> 01:14:37,150

for her for her and her husband and and

1609

01:14:44,460 --> 01:14:40,410

I told her what to do and I told her to

1610

01:14:46,470 --> 01:14:44,470

that it feeds off of her fear and I told

1611

01:14:48,980 --> 01:14:46,480

her to do some things to release some of

1612

01:14:52,080 --> 01:14:48,990

that stress and some of her worry and

1613

01:14:54,900 --> 01:14:52,090

fast-forward about two months she's

1614

01:14:58,620 --> 01:14:54,910

doing fine so we're just about two weeks

1615

01:15:03,390 --> 01:14:58,630

ago no more bad dreams no more choking

1616

01:15:06,090 --> 01:15:03,400

so that's awesome but yeah you know it

1617

01:15:08,670 --> 01:15:06,100

feeds off of that you know sometimes oh

1618

01:15:11,070 --> 01:15:08,680

I have thousands of emails and these

1619

01:15:13,649 --> 01:15:11,080

people are like you know I finally gave

1620

01:15:15,209 --> 01:15:13,659

up and I just succumb

1621

01:15:17,729 --> 01:15:15,219

like I was going to die it was choking

1622

01:15:20,399 --> 01:15:17,739

me to death and the second they let go

1623

01:15:22,350 --> 01:15:20,409

this thing stops choking them and I'm

1624

01:15:25,469 --> 01:15:22,360

like it's feeding off from that you'll

1625

01:15:27,029 --> 01:15:25,479

hear that you're pumping and but they

1626

01:15:30,299 --> 01:15:27,039

hate the name of Jesus I'll tell you

1627

01:15:32,819 --> 01:15:30,309

that right that's exactly right and when

1628

01:15:35,609 --> 01:15:32,829

they face the fear and they tell them

1629

01:15:37,560 --> 01:15:35,619

you you have to stop it's not okay for

1630

01:15:40,259 --> 01:15:37,570

you this is not your home this is

1631

01:15:44,520 --> 01:15:40,269

myeloma think oh yeah but you're at

1632

01:15:46,830 --> 01:15:44,530

cereal foot down I say yes you have to

1633

01:15:48,929 --> 01:15:46,840

do that you have to be brave you have to

1634

01:15:53,640 --> 01:15:48,939

take control of it you have to decide

1635

01:15:55,859 --> 01:15:53,650

that you know that's why they won't good

1636

01:15:57,449 --> 01:15:55,869

once they do that it's good you know I

1637

01:15:59,429 --> 01:15:57,459
