

▶ Matthew LaCroix | Ancient & History Mysteries Explained!!!

Listen on

inceptionradionetwork.com

1
00:00:00,030 --> 00:00:58,350
superior Wisconsin

2
00:01:03,280 --> 00:01:01,240
hello look at the Perry virtual universe

3
00:01:04,450 --> 00:01:03,290
on the inception radio network brought

4
00:01:06,850 --> 00:01:04,460
to you by the northern Wisconsin

5
00:01:08,380 --> 00:01:06,860
Paranormal Society limited in the North

6
00:01:10,570 --> 00:01:08,390
Woods Paranormal Research Center there

7
00:01:13,000 --> 00:01:10,580
in Rhineland Wisconsin for your host

8
00:01:16,540 --> 00:01:13,010
Kevin and Jennifer Malik hello everybody

9
00:01:17,860 --> 00:01:16,550
and look everyone in the eye on chat we

10
00:01:19,620 --> 00:01:17,870
look forward to your questions and

11
00:01:22,090 --> 00:01:19,630
comments as always

12
00:01:25,020 --> 00:01:22,100
iron-shod calm is the link for the

13
00:01:27,930 --> 00:01:25,030

chatroom so come join us there

14

00:01:30,850 --> 00:01:27,940

tonight we'll be talking to author of

15

00:01:34,120 --> 00:01:30,860

the illusion of us esoteric

16

00:01:35,830 --> 00:01:34,130

story and Matt Lacroix but before we

17

00:01:38,620 --> 00:01:35,840

bring him on we'd like to take a minute

18

00:01:40,359 --> 00:01:38,630

and do our weekly shoutouts shoutouts go

19

00:01:43,240 --> 00:01:40,369

to those individuals and groups to share

20

00:01:45,120 --> 00:01:43,250

or show banners every week and because

21

00:01:48,670 --> 00:01:45,130

and because of moral powers-that-be

22

00:01:51,639 --> 00:01:48,680

because the moral powers that be behind

23

00:01:54,100 --> 00:01:51,649

social media are not waging war against

24

00:01:54,700 --> 00:01:54,110

defeated three pinkie shows like ours

25

00:01:57,330 --> 00:01:54,710

like

26

00:01:59,889 --> 00:01:57,340

reversal universe on the increasingly

27

00:02:02,560 --> 00:01:59,899

made it more difficult to advertise

28

00:02:04,570 --> 00:02:02,570

shows the way we're accustomed which is

29

00:02:07,750 --> 00:02:04,580

why your shares become all that much

30

00:02:09,669 --> 00:02:07,760

more important because of those bears we

31

00:02:11,920 --> 00:02:09,679

are still reaching people and the

32

00:02:14,590 --> 00:02:11,930

numbers are still there which proves

33

00:02:18,729 --> 00:02:14,600

ultimately that we D the people the

34

00:02:21,100 --> 00:02:18,739

masses still do have the power so thank

35

00:02:23,710 --> 00:02:21,110

you kindly everyone remember censorship

36

00:02:26,500 --> 00:02:23,720

at any level is wrong okay so who do we

37

00:02:30,190 --> 00:02:26,510

have us alright so this week we have

38

00:02:31,810 --> 00:02:30,200

Walt Christos thoughts of Christos sinky

39

00:02:35,680 --> 00:02:31,820

lieu of bizarro world

40

00:02:39,840 --> 00:02:35,690

Charles Han illusion of us arm during

41

00:02:43,630 --> 00:02:39,850

point Allen long set Marilyn Porsche

42

00:02:46,720 --> 00:02:43,640

Debby Warren Lawrence tamizha Bob Segall

43

00:02:49,960 --> 00:02:46,730

Don and Brent Elmer Becky Sibley

44

00:02:53,680 --> 00:02:49,970

a question a quest for truth Patrick

45

00:02:56,560 --> 00:02:53,690

Joseph Boucher Jason bland Jamie dem

46

00:02:59,620 --> 00:02:56,570

loss of paranormal soup Howie Odell of

47

00:03:02,770 --> 00:02:59,630

Orion effect Shaun T Michael of Oshkosh

48

00:03:06,100 --> 00:03:02,780

paranormal Steve Foster and Karen Wilden

49

00:03:09,760 --> 00:03:06,110

Burt and thank you everyone in the

50

00:03:14,840 --> 00:03:09,770

chatroom as well or angular's on

51
00:03:17,240 --> 00:03:14,850
don't see you guys every week all righty

52
00:03:18,590 --> 00:03:17,250
we have a killer show lined up for

53
00:03:20,360 --> 00:03:18,600
tonight

54
00:03:23,330 --> 00:03:20,370
we're gonna be discussing some of the

55
00:03:27,190 --> 00:03:23,340
oldest civilizations doing a man such as

56
00:03:30,380 --> 00:03:27,200
massive Botanica Sumer Nineveh Babylon

57
00:03:33,440 --> 00:03:30,390
and how they affected history religion

58
00:03:35,410 --> 00:03:33,450
culture secret societies mythology and

59
00:03:38,240 --> 00:03:35,420
archeology and we'll also be discussing

60
00:03:40,610 --> 00:03:38,250
how this influenced things like the

61
00:03:43,940 --> 00:03:40,620
ancient astronaut theory and how it

62
00:03:47,780 --> 00:03:43,950
suppressed information or how and

63
00:03:51,200 --> 00:03:47,790

suppressed information from those for

64

00:03:52,940 --> 00:03:51,210

its mortal powers-that-be so tonight

65

00:03:55,910 --> 00:03:52,950

it's someone Jenna and I have been

66

00:03:58,430 --> 00:03:55,920

wanting to in a quite a while his name

67

00:04:01,430 --> 00:03:58,440

is Matt Lacroix he's an esoteric

68

00:04:06,080 --> 00:04:01,440

historian and the author of the illusion

69

00:04:07,760 --> 00:04:06,090

of us will help us connect the dots as

70

00:04:11,720 --> 00:04:07,770

he walks us through the fascinating

71

00:04:13,550 --> 00:04:11,730

topics of forbidden archeology which is

72

00:04:16,310 --> 00:04:13,560

archaeology that has been covered up or

73

00:04:19,280 --> 00:04:16,320

suppressed and esoteric knowledge or

74

00:04:23,930 --> 00:04:19,290

secret knowledge that as it soared in

75

00:04:25,220 --> 00:04:23,940

man's past so shall we bring them up

76

00:04:28,130 --> 00:04:25,230

yeah let's do that

77

00:04:29,960 --> 00:04:28,140

hey man are you with us hey I'm here

78

00:04:32,020 --> 00:04:29,970

it's good to be here tonight thanks hey

79

00:04:35,300 --> 00:04:32,030

thanks for coming on it's my pleasure

80

00:04:38,420 --> 00:04:35,310

okay well why don't ya before we jump

81

00:04:40,040 --> 00:04:38,430

into the ancient history itself if you

82

00:04:42,350 --> 00:04:40,050

take a minute and tell us a little about

83

00:04:47,540 --> 00:04:42,360

yourself and how you ended up studying

84

00:04:51,740 --> 00:04:47,550

ancient mysteries from antiquity sure so

85

00:04:54,980 --> 00:04:51,750

I was someone who was deeply deeply

86

00:04:56,480 --> 00:04:54,990

loved of the outdoors and just getting

87

00:04:58,940 --> 00:04:56,490

out and just kind of pushing the limits

88

00:05:01,760 --> 00:04:58,950

of what I really could do and along the

89

00:05:04,340 --> 00:05:01,770

way of doing that it led me to have some

90

00:05:06,560 --> 00:05:04,350

pretty profound experiences that made me

91

00:05:08,690 --> 00:05:06,570

want to write them down and just maybe

92

00:05:10,550 --> 00:05:08,700

share them with others and maybe they

93

00:05:12,770 --> 00:05:10,560

would find it interesting and it had

94

00:05:14,810 --> 00:05:12,780

nothing to do with ancient history or

95

00:05:16,640 --> 00:05:14,820

you know forbidden knowledge or anything

96

00:05:18,200 --> 00:05:16,650

it was just about you know losing

97

00:05:20,900 --> 00:05:18,210

oneself in the wilderness and maybe

98

00:05:22,510 --> 00:05:20,910

finding oneself again and that was kind

99

00:05:24,830 --> 00:05:22,520

of in some of the adventures that

100

00:05:27,290 --> 00:05:24,840

corresponding to that you know getting

101
00:05:28,730 --> 00:05:27,300
big on the edge of your life and you

102
00:05:30,500 --> 00:05:28,740
know Blizzard above treeline in the

103
00:05:32,720 --> 00:05:30,510
mountains or you know being chased by a

104
00:05:37,100 --> 00:05:32,730
rutting bull moose or something I had

105
00:05:39,350 --> 00:05:37,110
all these really kind of enlightening

106
00:05:40,850 --> 00:05:39,360
events occur that started making me

107
00:05:44,390 --> 00:05:40,860
start to start to go down that path of

108
00:05:46,910 --> 00:05:44,400
writing and while I was doing that it

109
00:05:49,310 --> 00:05:46,920
led me to want to write things that were

110
00:05:51,880 --> 00:05:49,320
maybe more interesting in that and then

111
00:05:56,420 --> 00:05:51,890
I started to kind of go down a very

112
00:05:58,220 --> 00:05:56,430
fast-moving path of questions that I had

113
00:06:01,630 --> 00:05:58,230

my entire life but I hadn't found

114

00:06:04,460 --> 00:06:01,640

answers for but I started to actually

115

00:06:06,410 --> 00:06:04,470

find those little links and those little

116

00:06:08,030 --> 00:06:06,420

keys that could kind of lead me and

117

00:06:10,730 --> 00:06:08,040

that's I think that's the biggest

118

00:06:13,940 --> 00:06:10,740

missing piece that most of society is

119

00:06:16,310 --> 00:06:13,950

kind of is kind of doesn't even know

120

00:06:17,750 --> 00:06:16,320

really exists and if they had that it

121

00:06:20,000 --> 00:06:17,760

would change their life and that's

122

00:06:22,400 --> 00:06:20,010

that's like a spark there's some kind of

123

00:06:23,630 --> 00:06:22,410

a connected piece of information that

124

00:06:26,090 --> 00:06:23,640

comes at the right time when they're

125

00:06:27,290 --> 00:06:26,100

ready where they can go that's amazing

126

00:06:29,840 --> 00:06:27,300

and they and then they want to know more

127

00:06:34,280 --> 00:06:29,850

and then of course that's what the whole

128

00:06:37,220 --> 00:06:34,290

term the rabbit hole really is because

129

00:06:39,140 --> 00:06:37,230

the rabbit hole essentially is when you

130

00:06:42,050 --> 00:06:39,150

start grasping certain pieces

131

00:06:44,150 --> 00:06:42,060

information and unequivocally

132

00:06:45,830 --> 00:06:44,160

unequivocally to your to you your

133

00:06:47,990 --> 00:06:45,840

objective mind you say to yourself I'm

134

00:06:49,730 --> 00:06:48,000

being told something officially you know

135

00:06:51,650 --> 00:06:49,740

in school and books and various things

136

00:06:53,510 --> 00:06:51,660

like that but really it's not making

137

00:06:55,310 --> 00:06:53,520

rational sense with this kind of

138

00:06:56,870 --> 00:06:55,320

information I've stumbled upon you know

139

00:06:58,460 --> 00:06:56,880

looking at some of these ancient

140

00:07:00,800 --> 00:06:58,470

civilizations all over the world like

141

00:07:03,760 --> 00:07:00,810

you mentioned Mesopotamia and Sumer and

142

00:07:07,010 --> 00:07:03,770

in the places that where civilization

143

00:07:09,530 --> 00:07:07,020

blossomed it kind of began so when I was

144

00:07:11,690 --> 00:07:09,540

when I was trying to answer some of

145

00:07:14,240 --> 00:07:11,700

these difficult questions which which

146

00:07:16,670 --> 00:07:14,250

really started to me and with

147

00:07:18,409 --> 00:07:16,680

consciousness and I know you're uh you

148

00:07:20,390 --> 00:07:18,419

do a lot of paranormal talk on this

149

00:07:23,330 --> 00:07:20,400

station and you do a lot of UFO talk in

150

00:07:25,940 --> 00:07:23,340

various aspects of that and to me it

151
00:07:28,460 --> 00:07:25,950
came to the very basic level of of what

152
00:07:31,100 --> 00:07:28,470
what what is consciousness and what what

153
00:07:33,500 --> 00:07:31,110
was I was on my physical body or was I

154
00:07:35,510 --> 00:07:33,510
actually you know this spiritual

155
00:07:35,750 --> 00:07:35,520
conscious side and then then of course

156
00:07:38,750 --> 00:07:35,760
that

157
00:07:42,050 --> 00:07:38,760
ties into you know are there spirits

158
00:07:44,750 --> 00:07:42,060
here that are you know they weren't able

159
00:07:46,430 --> 00:07:44,760
to then go back up and reincarnate and

160
00:07:48,680 --> 00:07:46,440
go through the process where they stuck

161
00:07:49,910 --> 00:07:48,690
here from some tragedy and various

162
00:07:51,800 --> 00:07:49,920
things like that and that could be an

163
00:07:54,320 --> 00:07:51,810

interesting area to look into too but

164

00:07:57,770 --> 00:07:54,330

and so I went down the I the road of

165

00:08:00,440 --> 00:07:57,780

what what was consciousness and what was

166

00:08:02,570 --> 00:08:00,450

our true identity you know was it the

167

00:08:05,360 --> 00:08:02,580

physical and as I just started delving

168

00:08:08,000 --> 00:08:05,370

into that whole esoteric kind of secret

169

00:08:10,400 --> 00:08:08,010

knowledge of what made us who we are

170

00:08:13,460 --> 00:08:10,410

I it kind of started it started

171

00:08:15,380 --> 00:08:13,470

unfolding to this story this story that

172

00:08:18,410 --> 00:08:15,390

connected back to the earliest cuneiform

173

00:08:20,810 --> 00:08:18,420

tablets we have talking about you know

174

00:08:23,210 --> 00:08:20,820

these beings know named Thoth and all

175

00:08:26,390 --> 00:08:23,220

these different these different gods of

176
00:08:28,310 --> 00:08:26,400
Egypt and Sumer and and the Greek gods

177
00:08:30,770 --> 00:08:28,320
and the Roman gods and it was strange

178
00:08:32,540 --> 00:08:30,780
that there was all this knowledge that

179
00:08:33,740 --> 00:08:32,550
you could find if you if you knew where

180
00:08:36,380 --> 00:08:33,750
to look and if you looked hard enough

181
00:08:38,180 --> 00:08:36,390
but for the general masses most people

182
00:08:40,070 --> 00:08:38,190
were completely unaware of it or they

183
00:08:43,159 --> 00:08:40,080
just thought it was ridiculous and not

184
00:08:45,290 --> 00:08:43,169
real and that's kind of that's the

185
00:08:47,840 --> 00:08:45,300
problem is there's the sector of society

186
00:08:49,970 --> 00:08:47,850
that is willing to be open and listening

187
00:08:52,610 --> 00:08:49,980
to a lot of this stuff is rather small

188
00:08:56,060 --> 00:08:52,620

but growing all the time so the the book

189

00:08:59,210 --> 00:08:56,070

the illusion of us is basically it's an

190

00:09:01,010 --> 00:08:59,220

understanding of the name is the

191

00:09:03,250 --> 00:09:01,020

illusion of us because this it's this

192

00:09:06,770 --> 00:09:03,260

illusion of what our reality has become

193

00:09:09,830 --> 00:09:06,780

based on this the social conditioning of

194

00:09:13,100 --> 00:09:09,840

of you know generations upon generations

195

00:09:15,200 --> 00:09:13,110

of people through like a war mentality

196

00:09:18,140 --> 00:09:15,210

and these other these other means where

197

00:09:20,600 --> 00:09:18,150

we have we live in this illusion where

198

00:09:23,630 --> 00:09:20,610

we are perceptions of what we should be

199

00:09:25,700 --> 00:09:23,640

doing here and everything around us has

200

00:09:27,620 --> 00:09:25,710

been so skewed that it's almost like

201

00:09:29,590 --> 00:09:27,630

living in a fishbowl it's living the

202

00:09:32,900 --> 00:09:29,600

fishbowl of lies about who we really are

203

00:09:34,940 --> 00:09:32,910

what our consciousness is what exists in

204

00:09:36,950 --> 00:09:34,950

the universe you know what is the spirit

205

00:09:39,470 --> 00:09:36,960

can't it all those things they're not

206

00:09:40,940 --> 00:09:39,480

being taught and and yet they're known

207

00:09:44,330 --> 00:09:40,950

by the Achille of the upper echelon

208

00:09:47,330 --> 00:09:44,340

Society and they find that you know to

209

00:09:50,660 --> 00:09:47,340

find some of these things that are that

210

00:09:53,750 --> 00:09:50,670

hidden from the masses or Society

211

00:09:57,350 --> 00:09:53,760

I see you know through my journey I

212

00:09:59,630 --> 00:09:57,360

guess um at some point I did realize

213

00:10:02,770 --> 00:09:59,640

that the information is out there and

214

00:10:05,870 --> 00:10:02,780

and things that we call wonders or

215

00:10:08,630 --> 00:10:05,880

supernatural or just the unknown and

216

00:10:10,460 --> 00:10:08,640

unexplained there are people a de

217

00:10:12,920 --> 00:10:10,470

figured out a lot of this stuff you know

218

00:10:14,990 --> 00:10:12,930

in much of its ancient just ancient

219

00:10:18,140 --> 00:10:15,000

knowledge that's been handed down

220

00:10:20,830 --> 00:10:18,150

through time from you know but by the

221

00:10:23,030 --> 00:10:20,840

when I called immoral poppers at beef

222

00:10:25,280 --> 00:10:23,040

and there's no doubt that it's

223

00:10:28,310 --> 00:10:25,290

conditioning you know there is a

224

00:10:31,580 --> 00:10:28,320

stablishment eret of place which keeps

225

00:10:34,820 --> 00:10:31,590

things and beliefs oppress you know and

226
00:10:37,790 --> 00:10:34,830
on the other hand our personal research

227
00:10:40,520 --> 00:10:37,800
like you know we've done probably over

228
00:10:47,120 --> 00:10:40,530
150 interviews now with all kinds of

229
00:10:49,940 --> 00:10:47,130
brilliant minds and clearly that showed

230
00:10:52,240 --> 00:10:49,950
that there's an awakening going up and

231
00:10:56,090 --> 00:10:52,250
we can see that in society the

232
00:11:00,830 --> 00:10:56,100
unexplained is losing its taboo so to

233
00:11:05,560 --> 00:11:00,840
speak so uh have you met more resistance

234
00:11:11,420 --> 00:11:05,570
overall or more acceptance from others

235
00:11:14,840 --> 00:11:11,430
and yeah that's a great point um we are

236
00:11:17,270 --> 00:11:14,850
you know entering this kind of time of

237
00:11:18,560 --> 00:11:17,280
aquarius where the energies are changing

238
00:11:19,940 --> 00:11:18,570

you know they've been singing along it's

239

00:11:22,160 --> 00:11:19,950

singing about it for years and people

240

00:11:24,410 --> 00:11:22,170

think it's a joke but it really isn't it

241

00:11:29,150 --> 00:11:24,420

represents these this a different

242

00:11:31,400 --> 00:11:29,160

zodiacal house of energy and that's just

243

00:11:34,130 --> 00:11:31,410

kind of the surface of it but to truly

244

00:11:35,960 --> 00:11:34,140

understand you just have to have a wake

245

00:11:37,820 --> 00:11:35,970

eyes and look around what's going on you

246

00:11:39,830 --> 00:11:37,830

know this this interconnected world we

247

00:11:42,320 --> 00:11:39,840

have on the internet where people all

248

00:11:44,960 --> 00:11:42,330

over the world can instantly me one

249

00:11:47,690 --> 00:11:44,970

another and talk and share ideas and all

250

00:11:50,870 --> 00:11:47,700

of a sudden this strange you know built

251
00:11:52,880 --> 00:11:50,880
up nationality influence we've always

252
00:11:54,350 --> 00:11:52,890
had of kind of you know compete against

253
00:11:56,300 --> 00:11:54,360
one another fight against each other and

254
00:11:58,640 --> 00:11:56,310
hate one another quickly breaks down

255
00:12:01,160 --> 00:11:58,650
during that and the same thing happens

256
00:12:03,560 --> 00:12:01,170
with information you know all of a

257
00:12:03,929 --> 00:12:03,570
sudden so many of these things that used

258
00:12:05,399 --> 00:12:03,939
to be

259
00:12:08,879 --> 00:12:05,409
very difficult to find like you said

260
00:12:11,069 --> 00:12:08,889
these these at these esoteric occult and

261
00:12:13,710 --> 00:12:11,079
the word occult just means hidden these

262
00:12:15,839 --> 00:12:13,720
secret the secret knowledge it has been

263
00:12:17,460 --> 00:12:15,849

very difficult to find because there

264

00:12:19,469 --> 00:12:17,470

hasn't been the availability of things

265

00:12:22,049 --> 00:12:19,479

like the Internet and people maybe

266

00:12:23,609 --> 00:12:22,059

wouldn't know what books to pick out or

267

00:12:25,559 --> 00:12:23,619

what defines so they kind of would maybe

268

00:12:27,719 --> 00:12:25,569

stumble upon them or just someone that

269

00:12:28,859 --> 00:12:27,729

would happen to just know the right

270

00:12:31,109 --> 00:12:28,869

place to look and that would help

271

00:12:33,539 --> 00:12:31,119

someone they know so it was a very small

272

00:12:36,929 --> 00:12:33,549

sector of society that that had this

273

00:12:39,239 --> 00:12:36,939

information because because of that when

274

00:12:41,669 --> 00:12:39,249

they came upon him they got to the point

275

00:12:43,319 --> 00:12:41,679

where they had so much more information

276

00:12:45,269 --> 00:12:43,329

than everyone else just considered them

277

00:12:48,419 --> 00:12:45,279

crazy and that's the same thing that's

278

00:12:50,460 --> 00:12:48,429

happening today but on a much a much a

279

00:12:52,739 --> 00:12:50,470

much lesser level because we're seeing

280

00:12:54,299 --> 00:12:52,749

this kind of awakening that the Mayans

281

00:12:56,699 --> 00:12:54,309

prophesized about and all of these

282

00:12:58,019 --> 00:12:56,709

cultures talked about how we would reach

283

00:13:00,659 --> 00:12:58,029

this time of universal consciousness

284

00:13:03,779 --> 00:13:00,669

where our vibration would make it so

285

00:13:06,989 --> 00:13:03,789

that we would be no longer susceptible

286

00:13:08,429 --> 00:13:06,999

to just the narrative of lies where we

287

00:13:10,710 --> 00:13:08,439

would kind of pierce through that veil

288

00:13:13,739 --> 00:13:10,720

it's called the Gnostics call it a veil

289

00:13:15,629 --> 00:13:13,749

of illusion the veil of keeping people

290

00:13:21,299 --> 00:13:15,639

kind of entrapped in all the lies that

291

00:13:23,009 --> 00:13:21,309

have been built up so one of the things

292

00:13:26,939 --> 00:13:23,019

I write about my book I give an example

293

00:13:28,979 --> 00:13:26,949

of how society is like is like a pot of

294

00:13:31,049 --> 00:13:28,989

water on a stove you know where the top

295

00:13:33,419 --> 00:13:31,059

on its you know it's been it's been

296

00:13:35,609 --> 00:13:33,429

slowly warming warming up more and more

297

00:13:37,559 --> 00:13:35,619

and more and more and more people are

298

00:13:39,239 --> 00:13:37,569

starting to kind of wake up and become

299

00:13:40,739 --> 00:13:39,249

uneasy and and they're starting to see

300

00:13:42,809 --> 00:13:40,749

all these things that are making sense

301

00:13:44,189 --> 00:13:42,819

and they're seeing all these strange

302

00:13:45,179 --> 00:13:44,199

government things and the things that

303

00:13:46,229 --> 00:13:45,189

are happening around the world and

304

00:13:49,710 --> 00:13:46,239

they're starting to really question

305

00:13:52,139 --> 00:13:49,720

things and so I like that you know that

306

00:13:53,879 --> 00:13:52,149

boiling water is with the top that's

307

00:13:55,529 --> 00:13:53,889

that's trying to hold it in trying to

308

00:13:57,659 --> 00:13:55,539

hold in all this information all these

309

00:13:59,999 --> 00:13:57,669

lies kind of hold in what consciousness

310

00:14:01,799 --> 00:14:00,009

really is and what we really should be

311

00:14:05,759 --> 00:14:01,809

doing because if people realized that

312

00:14:07,889 --> 00:14:05,769

they weren't just some Darwinian evolved

313

00:14:09,629 --> 00:14:07,899

ape that kind of needs to just fight its

314

00:14:11,699 --> 00:14:09,639

way and accumulate as much wealth as it

315

00:14:13,769 --> 00:14:11,709

can and then die because they can't take

316

00:14:15,689 --> 00:14:13,779

anything with them if that whole thing

317

00:14:17,830 --> 00:14:15,699

is turned on its head where they then

318

00:14:19,210 --> 00:14:17,840

realized that there are an eternal

319

00:14:21,340 --> 00:14:19,220

that just comes back through

320

00:14:23,500 --> 00:14:21,350

reincarnation and has to go through

321

00:14:24,730 --> 00:14:23,510

experiences they'll realize that a lot

322

00:14:27,340 --> 00:14:24,740

of those things that we've been tricked

323

00:14:29,320 --> 00:14:27,350

by through materialism and and wealth

324

00:14:30,760 --> 00:14:29,330

and all these things in greed they've

325

00:14:32,950 --> 00:14:30,770

kind of just they've been a way to just

326

00:14:34,770 --> 00:14:32,960

block us and give us that illusion of

327

00:14:39,040 --> 00:14:34,780

what we could actually be achieving if

328

00:14:41,010 --> 00:14:39,050

people knew if people put their time to

329

00:14:44,140 --> 00:14:41,020

good use you know instead of watching

330

00:14:48,270 --> 00:14:44,150

five hours of sports what if they went

331

00:14:50,830 --> 00:14:48,280

in to go through an entire you know

332

00:14:52,600 --> 00:14:50,840

rabbit hole of learning about Sumerian

333

00:14:54,490 --> 00:14:52,610

cuneiform tablets and the stories that

334

00:14:57,880 --> 00:14:54,500

they that they contained or whatever

335

00:14:59,800 --> 00:14:57,890

whatever interest to them it would style

336

00:15:01,890 --> 00:14:59,810

light lunch presents an evening the

337

00:15:04,780 --> 00:15:01,900

progressive box oh what a great audience

338

00:15:08,080 --> 00:15:04,790

let's dim the lights for this next one

339

00:15:10,120 --> 00:15:08,090

nope too much ah there it is gotta get

340

00:15:12,010 --> 00:15:10,130

things just right like progressives name

341

00:15:13,420 --> 00:15:12,020

your price tool tell us what you want to

342

00:15:17,759 --> 00:15:13,430

pay and we help you find coverage

343

00:15:20,369 --> 00:15:17,769

options that fit your budget and now the

344

00:15:21,150 --> 00:15:20,379

it is right wait the lights are back on

345

00:15:23,429 --> 00:15:21,160

again tree

346

00:15:25,109 --> 00:15:23,439

can you and now it's completely dark

347

00:15:26,189 --> 00:15:25,119

progressive casualty insurance company

348

00:15:27,749 --> 00:15:26,199

affiliates price and coverage match

349

00:15:29,879 --> 00:15:27,759

limited by state law fundamentally

350

00:15:31,559 --> 00:15:29,889

change their life so that you mentioned

351

00:15:34,379 --> 00:15:31,569

that caldron of water that's boiling

352

00:15:35,879 --> 00:15:34,389

with that top where that where they you

353

00:15:37,049 --> 00:15:35,889

know it's been hidden for so long and

354

00:15:39,720 --> 00:15:37,059

they don't want to come out you know

355

00:15:41,639 --> 00:15:39,730

those of the high end of religion and

356

00:15:44,100 --> 00:15:41,649

that the high end of those who kind of

357

00:15:45,419 --> 00:15:44,110

control this information that pot is

358

00:15:48,660 --> 00:15:45,429

gonna know what it's not gonna build a

359

00:15:50,549 --> 00:15:48,670

held held forever it's gonna explode but

360

00:15:52,319 --> 00:15:50,559

the table is gonna fly off and that's

361

00:15:53,759 --> 00:15:52,329

what we're seeing happening we're kind

362

00:15:54,359 --> 00:15:53,769

of at the midst of that the midst of

363

00:15:57,989 --> 00:15:54,369

that right now

364

00:16:00,509 --> 00:15:57,999

and and ila I do tell people that I

365

00:16:03,179 --> 00:16:00,519

don't think that that the truth the

366

00:16:04,549 --> 00:16:03,189

explosion of all the information is

367

00:16:07,199 --> 00:16:04,559

gonna happen in a trickle-down effect

368

00:16:08,759 --> 00:16:07,209

because of the fact that it's been it's

369

00:16:10,829 --> 00:16:08,769

been held back for so long and it's

370

00:16:12,329 --> 00:16:10,839

built up and accumulated so much I think

371

00:16:14,549 --> 00:16:12,339

it's just going to be an explosion of

372

00:16:16,499 --> 00:16:14,559

information that is gonna come at some

373

00:16:19,949 --> 00:16:16,509

point I just don't know how exactly

374

00:16:23,189 --> 00:16:19,959

that's gonna happen right I think it's

375

00:16:28,400 --> 00:16:23,199

definitely started you know on on one

376

00:16:33,150 --> 00:16:28,410

hand it's such an iron in one hand at

377

00:16:36,179 --> 00:16:33,160

social media like Facebook has connected

378

00:16:37,980 --> 00:16:36,189

so many people and so much information

379

00:16:40,470 --> 00:16:37,990

to be shared people the cats out of the

380

00:16:43,619 --> 00:16:40,480

bag people are waking up but on the

381

00:16:45,660 --> 00:16:43,629

other hand the CIA created Facebook to

382

00:16:48,239 --> 00:16:45,670

collect information you know what I'm

383

00:16:50,189 --> 00:16:48,249

saying so like they started a fire but

384

00:16:53,340 --> 00:16:50,199

it almost you know when I when I see

385

00:16:55,019 --> 00:16:53,350

things like brexit and you know Trump

386

00:16:57,900 --> 00:16:55,029

the the pump thing whether you like them

387

00:16:59,910 --> 00:16:57,910

or not um yeah these are people that are

388

00:17:00,749 --> 00:16:59,920

voting differently than they have in a

389

00:17:04,590 --> 00:17:00,759

long time

390

00:17:08,429 --> 00:17:04,600

and uh now what we're seeing at least

391

00:17:10,799 --> 00:17:08,439

you know and then it's like suppression

392

00:17:12,870 --> 00:17:10,809

of almost like censorship in different

393

00:17:14,210 --> 00:17:12,880

areas with darkness I know in some of

394

00:17:16,710 --> 00:17:14,220

these different social media platforms

395

00:17:19,799 --> 00:17:16,720

that's right that's scary to to think

396

00:17:22,769 --> 00:17:19,809

about it's like 1984 isn't it it is it

397

00:17:26,100 --> 00:17:22,779

is and you know my thought is that uh

398

00:17:28,199 --> 00:17:26,110

you know I think that they thought

399

00:17:30,840 --> 00:17:28,209

they were so close that they could start

400

00:17:31,380 --> 00:17:30,850

giving us these tools that we can learn

401
00:17:34,320 --> 00:17:31,390
from

402
00:17:38,400 --> 00:17:34,330
and they would be able to put you said

403
00:17:40,980 --> 00:17:38,410
the lid on back on pot and I you know at

404
00:17:43,919 --> 00:17:40,990
this point there are so many people that

405
00:17:48,419 --> 00:17:43,929
are waking up to this stuff that it may

406
00:17:50,730 --> 00:17:48,429
be too little too late but then again

407
00:17:52,560 --> 00:17:50,740
you know it's like I don't know what you

408
00:17:54,690 --> 00:17:52,570
know I'm saying every time I I think I

409
00:17:58,650 --> 00:17:54,700
can call something as far as the future

410
00:18:01,799 --> 00:17:58,660
goes you know there are there always

411
00:18:05,700 --> 00:18:01,809
variables and things come up and and you

412
00:18:07,710 --> 00:18:05,710
know no you're right it's growing all

413
00:18:10,020 --> 00:18:07,720

the time people are waking up every

414

00:18:13,020 --> 00:18:10,030

single day you're seeing more more

415

00:18:14,370 --> 00:18:13,030

groups joining people you know in people

416

00:18:16,440 --> 00:18:14,380

are so isolated with this information

417

00:18:20,460 --> 00:18:16,450

right they'll be there'll be a group of

418

00:18:24,330 --> 00:18:20,470

say 30 people just hypothetically and

419

00:18:26,760 --> 00:18:24,340

maybe a handful maybe two are awake and

420

00:18:28,620 --> 00:18:26,770

what that term awake is is when you

421

00:18:32,070 --> 00:18:28,630

start realizing that a lot of the stuff

422

00:18:34,289 --> 00:18:32,080

that is real it's actually not war being

423

00:18:36,720 --> 00:18:34,299

told and that the narrative that were

424

00:18:41,330 --> 00:18:36,730

given for things like our timeline of

425

00:18:43,950 --> 00:18:41,340

our of our our own origin story or or

426

00:18:46,770 --> 00:18:43,960

what we should be doing right now you

427

00:18:49,080 --> 00:18:46,780

know based on you know we we spend the

428

00:18:51,690 --> 00:18:49,090

majority of our of our lives working

429

00:18:53,370 --> 00:18:51,700

just me that's a very stiff use if you

430

00:18:55,440 --> 00:18:53,380

zoom yourself out if you just take

431

00:18:57,120 --> 00:18:55,450

yourself out of the perspective of what

432

00:18:59,760 --> 00:18:57,130

we have right now if you kind of close

433

00:19:02,400 --> 00:18:59,770

your eyes to think here you have you

434

00:19:06,480 --> 00:19:02,410

have this planet Earth with this

435

00:19:08,970 --> 00:19:06,490

incredible being that has we have seven

436

00:19:11,340 --> 00:19:08,980

seven chakras that perfectly match the

437

00:19:13,320 --> 00:19:11,350

visible spectrum of the of the light

438

00:19:13,950 --> 00:19:13,330

spectrum how can that be any kind of an

439

00:19:15,330 --> 00:19:13,960

accident

440

00:19:18,450 --> 00:19:15,340

you know we're this incredible being

441

00:19:20,460 --> 00:19:18,460

that really is enslaved with these ideas

442

00:19:23,250 --> 00:19:20,470

of what we should be doing so then

443

00:19:24,870 --> 00:19:23,260

that's why I call the illusion and it's

444

00:19:28,380 --> 00:19:24,880

called the suppression and evolution of

445

00:19:30,900 --> 00:19:28,390

human consciousness because we we've

446

00:19:33,539 --> 00:19:30,910

been so held back from our potential and

447

00:19:36,210 --> 00:19:33,549

from understanding who we are because if

448

00:19:39,330 --> 00:19:36,220

we knew people wouldn't want to work at

449

00:19:40,710 --> 00:19:39,340

Burger King or Walmart anymore because

450

00:19:43,110 --> 00:19:40,720

they would they would realize that

451
00:19:44,880 --> 00:19:43,120
they're wasting their lives that they're

452
00:19:46,260 --> 00:19:44,890
all their time and that all

453
00:19:48,630 --> 00:19:46,270
all of a sudden they're on their

454
00:19:51,480 --> 00:19:48,640
deathbed and they think back and they

455
00:19:53,160 --> 00:19:51,490
have a dunny thing they most people have

456
00:19:55,700 --> 00:19:53,170
just spent the most their life watching

457
00:19:58,350 --> 00:19:55,710
TV and shopping you know they have never

458
00:20:00,510 --> 00:19:58,360
crossed a great ocean and seen some new

459
00:20:03,360 --> 00:20:00,520
content and it works kale some mountain

460
00:20:04,500 --> 00:20:03,370
or or made an incredible painting that

461
00:20:06,840 --> 00:20:04,510
they're proud of that they could they

462
00:20:08,460 --> 00:20:06,850
could share or whatever it is so much of

463
00:20:10,020 --> 00:20:08,470

our of our lives have been stolen by

464

00:20:11,640 --> 00:20:10,030

what we think we should be doing and

465

00:20:14,010 --> 00:20:11,650

what we should be doing with our time

466

00:20:16,590 --> 00:20:14,020

that this information when when people

467

00:20:18,930 --> 00:20:16,600

come across it it it takes them down

468

00:20:21,810 --> 00:20:18,940

such a path that to others they just

469

00:20:25,410 --> 00:20:21,820

seem crazy and that's I guess the most

470

00:20:29,100 --> 00:20:25,420

difficult thing of all I agree one of

471

00:20:34,650 --> 00:20:29,110

the questions was do you believe in the

472

00:20:37,380 --> 00:20:34,660

idea of the elite now and whether it be

473

00:20:41,610 --> 00:20:37,390

for it or in our water or a moon matrix

474

00:20:44,370 --> 00:20:41,620

or anything in between you yeah you look

475

00:20:46,290 --> 00:20:44,380

at something like most of the public

476

00:20:47,670 --> 00:20:46,300

drinking water in the United that's-

477

00:20:49,680 --> 00:20:47,680

this is what the hardest thing is about

478

00:20:50,820 --> 00:20:49,690

this people hear the word conspiracy in

479

00:20:52,050 --> 00:20:50,830

the AMA map you start rolling their eyes

480

00:20:55,020 --> 00:20:52,060

because it's something they couldn't

481

00:20:56,430 --> 00:20:55,030

imagine but yet if you just sit down and

482

00:20:58,770 --> 00:20:56,440

look at the hard numbers and the real

483

00:21:00,060 --> 00:20:58,780

facts you'll see it's very strange to

484

00:21:03,930 --> 00:21:00,070

see that most of the public drinking

485

00:21:05,910 --> 00:21:03,940

water has has high of has amounts of

486

00:21:08,280 --> 00:21:05,920

fluoride that are that are neurotoxic to

487

00:21:10,680 --> 00:21:08,290

to developing brains and brains in

488

00:21:13,710 --> 00:21:10,690

general and and it's dumped into more

489

00:21:16,560 --> 00:21:13,720

than 50% fluoride is dumped into more

490

00:21:19,650 --> 00:21:16,570

than 50% of all public drinking water

491

00:21:21,240 --> 00:21:19,660

the United States and they in the the

492

00:21:23,370 --> 00:21:21,250

excuse that they give for it is to say

493

00:21:25,740 --> 00:21:23,380

that it helps clean teeth which is true

494

00:21:28,050 --> 00:21:25,750

except it's a neurotoxin that's what

495

00:21:29,430 --> 00:21:28,060

they don't tell you and it's not safe in

496

00:21:31,560 --> 00:21:29,440

any cases and yet it's look it's in our

497

00:21:33,420 --> 00:21:31,570

toothpaste and buddy but if you look at

498

00:21:34,380 --> 00:21:33,430

the back of the bottle if it says right

499

00:21:36,630 --> 00:21:34,390

on it toxic

500

00:21:38,340 --> 00:21:36,640

if you ingest this basic you'll die go

501
00:21:40,110 --> 00:21:38,350
to the emergency room and but we're

502
00:21:42,720 --> 00:21:40,120
putting that in our teeth in our mouths

503
00:21:44,820 --> 00:21:42,730
and and so the whole thing starts to

504
00:21:47,610 --> 00:21:44,830
make sense about this whole idea of this

505
00:21:49,740 --> 00:21:47,620
lid this lid on consciousness and us

506
00:21:52,140 --> 00:21:49,750
being aware and us being aware of what's

507
00:21:56,430 --> 00:21:52,150
going on and the various means that are

508
00:21:58,409 --> 00:21:56,440
being used to keep us unaware by keeping

509
00:22:00,720 --> 00:21:58,419
us kind of begin keeping us sick

510
00:22:03,869 --> 00:22:00,730
keeping us in a lower energetic state

511
00:22:05,070 --> 00:22:03,879
and in confusion and fighting fighting

512
00:22:06,960 --> 00:22:05,080
over each other so we're always

513
00:22:08,340 --> 00:22:06,970

distracted by things like celebrities

514

00:22:11,009 --> 00:22:08,350

and all these things that are going on

515

00:22:13,649 --> 00:22:11,019

all this fake news when in reality

516

00:22:16,169 --> 00:22:13,659

there's all these real things going on

517

00:22:18,690 --> 00:22:16,179

like the desecration and destruction of

518

00:22:21,299 --> 00:22:18,700

all of these ancient sites all across

519

00:22:23,849 --> 00:22:21,309

Syria and Iraq but at the same time

520

00:22:26,009 --> 00:22:23,859

everyone just sees evil terrorists that

521

00:22:28,109 --> 00:22:26,019

are attacking all these locations and

522

00:22:29,549 --> 00:22:28,119

it's all these at the same time all

523

00:22:30,960 --> 00:22:29,559

these things are happening and we're all

524

00:22:31,979 --> 00:22:30,970

just batting an eye and not even we

525

00:22:33,359 --> 00:22:31,989

don't even know what's happening we

526

00:22:36,210 --> 00:22:33,369

don't even know what's existing and

527

00:22:38,430 --> 00:22:36,220

we're losing all of the secrets of our

528

00:22:40,680 --> 00:22:38,440

ancient history like the board is being

529

00:22:43,859 --> 00:22:40,690

wiped clean so that the new narrative

530

00:22:46,590 --> 00:22:43,869

can be given by a lot of these these

531

00:22:48,659 --> 00:22:46,600

powerful sides of like the church

532

00:22:50,580 --> 00:22:48,669

Catholic and Christian Church and a lot

533

00:22:52,590 --> 00:22:50,590

of these places whether or not you want

534

00:22:53,820 --> 00:22:52,600

that's a difficult realization to come

535

00:22:56,190 --> 00:22:53,830

to if you're if you're a religious

536

00:22:59,759 --> 00:22:56,200

person but but we have to look at the

537

00:23:02,999 --> 00:22:59,769

fact that that if information is being

538

00:23:04,379 --> 00:23:03,009

protected and held back you know you you

539

00:23:06,539 --> 00:23:04,389

want to just look at the fact that

540

00:23:08,159 --> 00:23:06,549

there's more from the the greatest

541

00:23:09,749 --> 00:23:08,169

secret library right now that exists on

542

00:23:11,759 --> 00:23:09,759

earth it's a very simple little search

543

00:23:14,039 --> 00:23:11,769

on your computer look up the vaults

544

00:23:16,979 --> 00:23:14,049

underneath the Vatican which basically

545

00:23:19,859 --> 00:23:16,989

hold the wealth of information that's

546

00:23:22,379 --> 00:23:19,869

been conquest all over the planet and

547

00:23:24,180 --> 00:23:22,389

exists down there they have thousands

548

00:23:28,379 --> 00:23:24,190

and thousands of thousands of cuneiform

549

00:23:31,259 --> 00:23:28,389

documents Mayan Aztec Inca they have

550

00:23:33,210 --> 00:23:31,269

they have documents cuneiform tablets

551

00:23:35,070 --> 00:23:33,220

and writings from all over the world

552

00:23:38,129 --> 00:23:35,080

store in those falls down they're not a

553

00:23:40,590 --> 00:23:38,139

museum involved so you have no access to

554

00:23:44,039 --> 00:23:40,600

and that just shows you that where

555

00:23:45,570 --> 00:23:44,049

that's the the those who are in that

556

00:23:47,849 --> 00:23:45,580

want don't want people to know about

557

00:23:50,039 --> 00:23:47,859

this stuff because of the the way that

558

00:23:52,470 --> 00:23:50,049

we're all know perfect in this fabric of

559

00:23:53,970 --> 00:23:52,480

society everyone is going to work and

560

00:23:55,859 --> 00:23:53,980

doing their thing and no one's no one's

561

00:23:57,359 --> 00:23:55,869

making any fuss and that's what they

562

00:23:59,159 --> 00:23:57,369

want and that but that's not that's

563

00:24:02,279 --> 00:23:59,169

gonna change we both we both know it's

564

00:24:04,109 --> 00:24:02,289

going to change we're gonna skip our

565

00:24:08,879 --> 00:24:04,119

commercial break and we're gonna keep

566

00:24:10,409 --> 00:24:08,889

moving along okay and we do have some

567

00:24:11,759 --> 00:24:10,419

questions that were brought on Facebook

568

00:24:12,320 --> 00:24:11,769

tonight we haven't really had a chance

569

00:24:14,539 --> 00:24:12,330

to set the

570

00:24:16,340 --> 00:24:14,549

not yet but sorry I've been talking a

571

00:24:18,110 --> 00:24:16,350

lot go ahead no it's okay

572

00:24:20,720 --> 00:24:18,120

yeah there's so much to talk about you

573

00:24:26,389 --> 00:24:20,730

know that's huge huge thank you great

574

00:24:29,779 --> 00:24:26,399

so okay so the first question is who is

575

00:24:32,720 --> 00:24:29,789

Anki and and will and why are they

576

00:24:36,039 --> 00:24:32,730

significant to history that's a really

577

00:24:38,990 --> 00:24:36,049

good question what a what a great opener

578

00:24:42,560 --> 00:24:39,000

they're some of the keys to the puzzle

579

00:24:44,750 --> 00:24:42,570

if you want to understand why the way

580

00:24:46,700 --> 00:24:44,760

things are the way they are now those

581

00:24:51,620 --> 00:24:46,710

are the two names you most need to know

582

00:24:54,980 --> 00:24:51,630

of any pantheon god of history and those

583

00:24:57,500 --> 00:24:54,990

two names you can follow all throughout

584

00:24:59,899 --> 00:24:57,510

the cultures of the world I mean if we

585

00:25:03,470 --> 00:24:59,909

look at something like the Greek god

586

00:25:04,909 --> 00:25:03,480

Poseidon that was simply Enki you know

587

00:25:07,220 --> 00:25:04,919

and if you look at that if you look at

588

00:25:10,190 --> 00:25:07,230

his counterpart Zeus that was simply

589

00:25:12,110 --> 00:25:10,200

Enlil so who are these two guys well if

590

00:25:13,820 --> 00:25:12,120

you go back to the earliest records and

591

00:25:16,250 --> 00:25:13,830

that's the most important thing we got

592

00:25:18,409 --> 00:25:16,260

to understand is where are you getting

593

00:25:20,269 --> 00:25:18,419

your information from are you going to

594

00:25:22,220 --> 00:25:20,279

the most pure source of where it began

595

00:25:25,100 --> 00:25:22,230

or are you looking at something that was

596

00:25:26,990 --> 00:25:25,110

rewritten years later to always know the

597

00:25:29,450 --> 00:25:27,000

truth you have to go back to the source

598

00:25:32,180 --> 00:25:29,460

the earliest evidence we possibly have

599

00:25:34,669 --> 00:25:32,190

something that tells us the unbiased

600

00:25:38,210 --> 00:25:34,679

source story at least as unbiased as we

601
00:25:40,220 --> 00:25:38,220
can get and what that represents is

602
00:25:43,279 --> 00:25:40,230
cultures like the Sumerian and the

603
00:25:45,379 --> 00:25:43,289
Babylonian cultures the earliest human

604
00:25:47,450 --> 00:25:45,389
civilizations that that we basically

605
00:25:49,970 --> 00:25:47,460
have evidence for on the earth and what

606
00:25:53,389 --> 00:25:49,980
they what they did is they had this

607
00:25:55,519 --> 00:25:53,399
ingenious method of saying we we were

608
00:25:57,529 --> 00:25:55,529
smart enough to realize that based on

609
00:25:58,669 --> 00:25:57,539
all the influences we've had that if we

610
00:26:02,149 --> 00:25:58,679
were to try to write anything down on

611
00:26:04,070 --> 00:26:02,159
paper or carve anything or whatever it

612
00:26:05,629 --> 00:26:04,080
would erode and disappear so they

613
00:26:08,090 --> 00:26:05,639

realized there's this a genius method

614

00:26:12,049 --> 00:26:08,100

called cuneiform writing where they

615

00:26:14,240 --> 00:26:12,059

could essentially H in their stories and

616

00:26:17,120 --> 00:26:14,250

and the information that they that they

617

00:26:19,070 --> 00:26:17,130

needed to protect into stone which would

618

00:26:21,110 --> 00:26:19,080

essentially last for thousands of years

619

00:26:23,570 --> 00:26:21,120

and and that's that's essentially all we

620

00:26:25,800 --> 00:26:23,580

have that remains of what they told and

621

00:26:28,200 --> 00:26:25,810

what they talked about was

622

00:26:30,120 --> 00:26:28,210

how here you have this you know we're

623

00:26:32,490 --> 00:26:30,130

told this Darwin and evolution works

624

00:26:35,370 --> 00:26:32,500

mankind can't came out of the jungle and

625

00:26:37,020 --> 00:26:35,380

then they started you know picking up

626

00:26:38,610 --> 00:26:37,030

sticks and learns fire and started

627

00:26:40,080 --> 00:26:38,620

fighting each other and then out of

628

00:26:42,570 --> 00:26:40,090

nowhere they just developed these

629

00:26:44,790 --> 00:26:42,580

massive civilizations with writing and

630

00:26:47,550 --> 00:26:44,800

all these things in the Sumerians which

631

00:26:50,400 --> 00:26:47,560

are our first civilization that came out

632

00:26:52,590 --> 00:26:50,410

of nowhere they say absolutely not

633

00:26:56,370 --> 00:26:52,600

that's that's not what we what happened

634

00:26:59,010 --> 00:26:56,380

we clearly stayed in all the masses of

635

00:27:01,680 --> 00:26:59,020

these cuneiform tablets so many

636

00:27:03,090 --> 00:27:01,690

different ones from something like you

637

00:27:05,400 --> 00:27:03,100

know the entire history to the Newman

638

00:27:07,170 --> 00:27:05,410

elihss or all these the Sumerian king

639

00:27:10,710 --> 00:27:07,180

list or there's so many different ones

640

00:27:13,860 --> 00:27:10,720

and they basically tell us that all of

641

00:27:19,920 --> 00:27:13,870

these gifts of knowledge of mathematics

642

00:27:22,080 --> 00:27:19,930

and agriculture and growing food wine

643

00:27:24,150 --> 00:27:22,090

Brewing beers and wines and all these

644

00:27:26,160 --> 00:27:24,160

different things it all was lowered from

645

00:27:27,780 --> 00:27:26,170

heaven and they always called anything

646

00:27:30,600 --> 00:27:27,790

out of earth heaven and they talked

647

00:27:31,920 --> 00:27:30,610

about how these great gods came down and

648

00:27:34,050 --> 00:27:31,930

influenced and gave them all these

649

00:27:36,300 --> 00:27:34,060

things and in those writings they

650

00:27:39,450 --> 00:27:36,310

mentioned how there are these two

651
00:27:41,400 --> 00:27:39,460
brothers who are essentially always

652
00:27:43,110 --> 00:27:41,410
fighting fighting back and forth because

653
00:27:46,620 --> 00:27:43,120
they're polar opposites of each other

654
00:27:49,230 --> 00:27:46,630
and that's why our planet and our these

655
00:27:51,540 --> 00:27:49,240
civilizations have always been fighting

656
00:27:53,610 --> 00:27:51,550
each other and there's there's been

657
00:27:56,610 --> 00:27:53,620
these that constant war in this planet

658
00:28:00,000 --> 00:27:56,620
because it's represented these

659
00:28:01,710 --> 00:28:00,010
civilizations fighting to dominate and

660
00:28:04,590 --> 00:28:01,720
to control and so these two brothers

661
00:28:07,830 --> 00:28:04,600
they're named names are originally word

662
00:28:11,340 --> 00:28:07,840
eeeyah and Enlil and India's name

663
00:28:13,020 --> 00:28:11,350

eventually became Enki which is really

664

00:28:15,570 --> 00:28:13,030

fascinating if you break down the name

665

00:28:17,700 --> 00:28:15,580

and realize that ki was what the

666

00:28:21,090 --> 00:28:17,710

Sumerians originally said earth was

667

00:28:24,300 --> 00:28:21,100

called so n ki became it became part of

668

00:28:26,220 --> 00:28:24,310

his name and so these two brothers were

669

00:28:28,640 --> 00:28:26,230

always battling one another and fighting

670

00:28:31,260 --> 00:28:28,650

because they disagreed and Enki was

671

00:28:32,550 --> 00:28:31,270

represented by the snake and the dragon

672

00:28:34,650 --> 00:28:32,560

and he was always reppin if I hired

673

00:28:36,450 --> 00:28:34,660

higher knowledge and and he was a

674

00:28:38,230 --> 00:28:36,460

geneticist and he was he was the great

675

00:28:40,150 --> 00:28:38,240

wizard and magician side

676
00:28:42,460 --> 00:28:40,160
you had Enlil the complete opposite side

677
00:28:44,860 --> 00:28:42,470
which was a war dominating side

678
00:28:47,260 --> 00:28:44,870
represented by the eagle or the bull and

679
00:28:49,330 --> 00:28:47,270
that's and no and those some that

680
00:28:51,520 --> 00:28:49,340
symbology represented by those two gods

681
00:28:54,130 --> 00:28:51,530
you can see that all across the world

682
00:28:56,169 --> 00:28:54,140
fighting through these flags and and

683
00:28:57,880 --> 00:28:56,179
various crests all over the world so

684
00:29:00,130 --> 00:28:57,890
it's an amazing thing you you realize

685
00:29:03,040 --> 00:29:00,140
that wait a minute so these Sumerian

686
00:29:05,620 --> 00:29:03,050
gods that then became Babylonian gods

687
00:29:06,970 --> 00:29:05,630
and Roman gods and Greek gods and all

688
00:29:09,280 --> 00:29:06,980

these things represented by these

689

00:29:11,440 --> 00:29:09,290

symbols they're still around today it's

690

00:29:13,390 --> 00:29:11,450

still here today and it's so it's an

691

00:29:14,890 --> 00:29:13,400

amazing connection that so those if you

692

00:29:17,680 --> 00:29:14,900

want to go back to the beginning the

693

00:29:19,570 --> 00:29:17,690

story of understanding these these

694

00:29:21,400 --> 00:29:19,580

ancient gods like n K and then level

695

00:29:23,740 --> 00:29:21,410

it's it is absolutely fascinating

696

00:29:26,169 --> 00:29:23,750

because it it's what explains how

697

00:29:32,100 --> 00:29:26,179

everything occurred here on the planet

698

00:29:37,750 --> 00:29:35,169

so our next question is what are the

699

00:29:41,880 --> 00:29:37,760

Emerald tablets it's another great

700

00:29:44,410 --> 00:29:41,890

question so I mentioned Thoth before and

701

00:29:46,480 --> 00:29:44,420

these two families - these two rival

702

00:29:49,900 --> 00:29:46,490

families these two brothers and KNN law

703

00:29:52,330 --> 00:29:49,910

and those two brothers had sons and they

704

00:29:56,740 --> 00:29:52,340

had daughters and these various sons

705

00:29:59,049 --> 00:29:56,750

would generally follow the the mentality

706

00:30:02,650 --> 00:29:59,059

and and that you know that their father

707

00:30:05,500 --> 00:30:02,660

had and so Thoth was the second born son

708

00:30:08,410 --> 00:30:05,510

of Enki and he basically took on the

709

00:30:10,230 --> 00:30:08,420

image of what his father was he was you

710

00:30:13,120 --> 00:30:10,240

know a spitting image of his father the

711

00:30:15,130 --> 00:30:13,130

master geneticists of understanding the

712

00:30:18,190 --> 00:30:15,140

highest human potential and video very

713

00:30:20,080 --> 00:30:18,200

spiritual and connected verses and lo

714

00:30:22,660 --> 00:30:20,090

had sons like the nura and various ones

715

00:30:24,030 --> 00:30:22,670

who you know we're all about war and

716

00:30:29,640 --> 00:30:24,040

domination

717

00:30:31,990 --> 00:30:29,650

so Thoth progressive presents get poms

718

00:30:33,310 --> 00:30:32,000

inspiration to help you do insurance

719

00:30:34,750 --> 00:30:33,320

stuff hey

720

00:30:36,400 --> 00:30:34,760

are you just gonna stand there and let

721

00:30:38,470 --> 00:30:36,410

people not give you credit for being a

722

00:30:40,150 --> 00:30:38,480

good driver you deserve discounts on car

723

00:30:42,010 --> 00:30:40,160

insurance and that's what snapshot from

724

00:30:44,350 --> 00:30:42,020

progressive is for so why aren't you

725

00:30:48,340 --> 00:30:44,360

signing up you need music to get punked

726
00:30:49,680 --> 00:30:48,350
hit it Donald Donald Donald Donald drum

727
00:30:51,919 --> 00:30:49,690
solo

728
00:30:53,669 --> 00:30:51,929
my fingers doot-doot-doot young

729
00:30:55,080 --> 00:30:53,679
progressive class at the insurance

730
00:30:56,310 --> 00:30:55,090
company in affiliates snapshot not

731
00:30:59,009 --> 00:30:56,320
available in California don't hair away

732
00:31:02,730 --> 00:30:59,019
at welcome all agents when he when we

733
00:31:04,470 --> 00:31:02,740
had these civilizations that were being

734
00:31:07,830 --> 00:31:04,480
propped up and being taught different

735
00:31:09,570 --> 00:31:07,840
different teachings we had these this

736
00:31:11,789 --> 00:31:09,580
famous thing called the Emerald tablets

737
00:31:13,529 --> 00:31:11,799
that was that was created by him and it

738
00:31:16,049 --> 00:31:13,539

was there called Emerald tablets because

739

00:31:17,570 --> 00:31:16,059

they're they're made of this alchemical

740

00:31:19,950 --> 00:31:17,580

material that's supposedly

741

00:31:22,619 --> 00:31:19,960

indestructible and it was found in the

742

00:31:27,659 --> 00:31:22,629

bottom of the Teotihuacan pyramid you

743

00:31:29,759 --> 00:31:27,669

know if in the Aztecs and the amazing

744

00:31:32,549 --> 00:31:29,769

thing about that is thought symbol was

745

00:31:35,310 --> 00:31:32,559

mercury the planet Mercury but also the

746

00:31:38,100 --> 00:31:35,320

substance substant mercury and last year

747

00:31:40,080 --> 00:31:38,110

or so they just found in the bottom of

748

00:31:43,649 --> 00:31:40,090

that pyramid and the Aztecs a large

749

00:31:46,799 --> 00:31:43,659

amount of liquid mercury and what more

750

00:31:48,960 --> 00:31:46,809

telling example because you have of his

751
00:31:50,299 --> 00:31:48,970
legacy than that and the fact that the

752
00:31:55,680 --> 00:31:50,309
Emerald tablets were found there

753
00:31:57,299 --> 00:31:55,690
secretly long ago we we had those who

754
00:31:58,950 --> 00:31:57,309
wanted to protect this information they

755
00:32:02,090 --> 00:31:58,960
were called things like pyramid priests

756
00:32:05,639 --> 00:32:02,100
and and druids and he's these high end

757
00:32:07,259 --> 00:32:05,649
secret societies who who understood that

758
00:32:10,019 --> 00:32:07,269
there was this battle going on of either

759
00:32:13,649 --> 00:32:10,029
suppressing information or teaching it

760
00:32:15,769 --> 00:32:13,659
and so Thoth wrote these you could call

761
00:32:18,779 --> 00:32:15,779
them almost like commandments or

762
00:32:20,549 --> 00:32:18,789
detailed information on these green

763
00:32:21,960 --> 00:32:20,559

tablets called the Emerald tablets and

764

00:32:24,930 --> 00:32:21,970

they follow through

765

00:32:27,659 --> 00:32:24,940

basically lessons of both what's

766

00:32:30,240 --> 00:32:27,669

happened here after the Atlantis

767

00:32:33,240 --> 00:32:30,250

disappearing and in the rise of great

768

00:32:35,669 --> 00:32:33,250

egypt and all these things and then he

769

00:32:38,310 --> 00:32:35,679

also explains things like this what

770

00:32:41,549 --> 00:32:38,320

happened with the the darkness here how

771

00:32:44,659 --> 00:32:41,559

did our duality become such a warring

772

00:32:48,090 --> 00:32:44,669

evil place and he explains the entire

773

00:32:49,379 --> 00:32:48,100

totality of basically who we are and

774

00:32:53,840 --> 00:32:49,389

where we came from and what and what

775

00:32:59,460 --> 00:32:56,940

bouts of information we have that really

776

00:33:02,430 --> 00:32:59,470

truly give us an understanding of who we

777

00:33:04,080 --> 00:33:02,440

are if people just read the words in

778

00:33:05,669 --> 00:33:04,090

there regardless of how they feel if

779

00:33:07,590 --> 00:33:05,679

they think it might not be real or

780

00:33:09,499 --> 00:33:07,600

whatever just read the words you can

781

00:33:11,490 --> 00:33:09,509

read you can read the emerald tablets a

782

00:33:12,960 --> 00:33:11,500

hundred times you get something new

783

00:33:14,940 --> 00:33:12,970

every time you read it they're so deep

784

00:33:18,990 --> 00:33:14,950

they're in they flow in this and there's

785

00:33:20,159 --> 00:33:19,000

perfect poetic energy that is something

786

00:33:22,919 --> 00:33:20,169

you could just have to experience so I

787

00:33:24,930 --> 00:33:22,929

highly recommend anyone to look in and

788

00:33:26,039 --> 00:33:24,940

read the words that thoughts left in the

789

00:33:28,470 --> 00:33:26,049

Emerald tablets because they're truly

790

00:33:32,369 --> 00:33:28,480

profound everybody gonna read them after

791

00:33:36,259 --> 00:33:32,379

you read the illusion of us yeah we have

792

00:33:38,159 --> 00:33:36,269

another question what do you think of

793

00:33:40,799 --> 00:33:38,169

the irradiated

794

00:33:43,560 --> 00:33:40,809

earth found in India possible ancient

795

00:33:45,960 --> 00:33:43,570

nuclear blast site you know what the the

796

00:33:47,820 --> 00:33:45,970

class and all that how does that

797

00:33:51,649 --> 00:33:47,830

correlate with the ancient texts known

798

00:33:55,109 --> 00:33:51,659

as the Mahabharata and the Ramayana

799

00:33:56,700 --> 00:33:55,119

so what we have these we have records

800

00:33:59,730 --> 00:33:56,710

all over the world that talk about how

801
00:34:02,730 --> 00:33:59,740
they were there were these nuclear wars

802
00:34:05,850 --> 00:34:02,740
in the past as crazy as that sounds but

803
00:34:07,680 --> 00:34:05,860
not not as close as we think it's we

804
00:34:10,290 --> 00:34:07,690
have to separate these two time periods

805
00:34:12,780 --> 00:34:10,300
called the pre diluvial and the post

806
00:34:16,260 --> 00:34:12,790
diluvial and what diluvial means is the

807
00:34:18,329 --> 00:34:16,270
is before the flood so if you look at

808
00:34:20,220 --> 00:34:18,339
geologic records there was this disaster

809
00:34:22,109 --> 00:34:20,230
that occurred 12,500 years ago and

810
00:34:25,079 --> 00:34:22,119
that's what essentially wiped out all

811
00:34:30,930 --> 00:34:25,089
these advanced civilizations and but

812
00:34:33,089 --> 00:34:30,940
before that was a time when when they

813
00:34:35,280 --> 00:34:33,099

were they were basically much higher

814

00:34:38,129 --> 00:34:35,290

technology than than even we have now

815

00:34:40,260 --> 00:34:38,139

because it was you know these great gods

816

00:34:43,200 --> 00:34:40,270

coming down and they and there wasn't

817

00:34:45,389 --> 00:34:43,210

this distance that we have now that's

818

00:34:47,430 --> 00:34:45,399

why there was so many great kings and

819

00:34:50,040 --> 00:34:47,440

and if you read the Sumerian king list

820

00:34:52,109 --> 00:34:50,050

they actually go through these insane

821

00:34:54,419 --> 00:34:52,119

long rains of so many of these pre

822

00:34:57,450 --> 00:34:54,429

diluvial kings thousands of years and

823

00:34:59,010 --> 00:34:57,460

it's totally mind-blowing for us to root

824

00:35:01,530 --> 00:34:59,020

to consider because of the fact that our

825

00:35:04,260 --> 00:35:01,540

life spans are pretty much capped at

826

00:35:06,480 --> 00:35:04,270

about 120 years and we die because our

827

00:35:08,039 --> 00:35:06,490

cell tell injures break down but the

828

00:35:10,829 --> 00:35:08,049

fact that to consider the fact that

829

00:35:13,780 --> 00:35:10,839

maybe that wasn't the case back then and

830

00:35:15,670 --> 00:35:13,790

and what we see

831

00:35:17,040 --> 00:35:15,680

that some of these kings and these

832

00:35:19,150 --> 00:35:17,050

civilizations that are mentioned

833

00:35:21,970 --> 00:35:19,160

especially in the air in the area of the

834

00:35:24,490 --> 00:35:21,980

Sinai Peninsula over into northern

835

00:35:27,700 --> 00:35:24,500

Africa and in over into India they

836

00:35:29,470 --> 00:35:27,710

talked about how there was the gods

837

00:35:31,000 --> 00:35:29,480

would decide to fight against each other

838

00:35:32,890 --> 00:35:31,010

and they would send you could use

839

00:35:35,620 --> 00:35:32,900

nuclear weapons against Sun Cities and

840

00:35:38,230 --> 00:35:35,630

completely obliterate entire areas and

841

00:35:40,990 --> 00:35:38,240

leave behind massive areas of nuclear

842

00:35:43,510 --> 00:35:41,000

class in places like the northern Sudan

843

00:35:46,120 --> 00:35:43,520

desert in areas like that and we are

844

00:35:48,220 --> 00:35:46,130

told that's purely just an asteroid or

845

00:35:50,830 --> 00:35:48,230

meteor strike if some of that is the

846

00:35:53,650 --> 00:35:50,840

case but they're also where ancient

847

00:35:55,900 --> 00:35:53,660

ancient nuclear wars long in the past

848

00:35:58,870 --> 00:35:55,910

and you can see evidence of that still

849

00:36:00,640 --> 00:35:58,880

in places like Mars which is of course

850

00:36:04,240 --> 00:36:00,650

we're gonna get off top if we go there

851

00:36:06,610 --> 00:36:04,250

but you see a signature basically left

852

00:36:08,800 --> 00:36:06,620

if nuclear weapons are ever used they

853

00:36:13,210 --> 00:36:08,810

always leave a signature of radioactive

854

00:36:15,510 --> 00:36:13,220

signature tell behind alright so we have

855

00:36:19,150 --> 00:36:15,520

a question for you from the chat room

856

00:36:21,490 --> 00:36:19,160

it's not a lot of this this education

857

00:36:24,790 --> 00:36:21,500

and indoctrination coming directly from

858

00:36:26,170 --> 00:36:24,800

the government well yeah absolutely and

859

00:36:28,600 --> 00:36:26,180

I think that's the hardest thing for

860

00:36:30,880 --> 00:36:28,610

people to wrap their heads around people

861

00:36:32,440 --> 00:36:30,890

live most people live in this

862

00:36:34,630 --> 00:36:32,450

comfortable little reality where they

863

00:36:36,760 --> 00:36:34,640

think oh that you know the government's

864

00:36:38,470 --> 00:36:36,770

watching over me and they're telling me

865

00:36:40,330 --> 00:36:38,480

the truth about everything and you know

866

00:36:41,950 --> 00:36:40,340

what I read in school is that's the

867

00:36:44,410 --> 00:36:41,960

story I got everything you know I got

868

00:36:47,650 --> 00:36:44,420

I'm good and but the the information

869

00:36:49,210 --> 00:36:47,660

that's being held back is is always it's

870

00:36:51,030 --> 00:36:49,220

at the highest level when it's it's

871

00:36:54,970 --> 00:36:51,040

basically filtered down to the fact that

872

00:36:56,320 --> 00:36:54,980

we have a curriculum that's taught you

873

00:36:58,120 --> 00:36:56,330

know people just think that that you

874

00:37:01,150 --> 00:36:58,130

know how did that get to be that way

875

00:37:02,650 --> 00:37:01,160

why are we taught what we're taught if

876

00:37:04,810 --> 00:37:02,660

you think and you if you think about it

877

00:37:06,280 --> 00:37:04,820

that way you say okay well there's a

878

00:37:08,350 --> 00:37:06,290

curriculum that we're given with

879

00:37:11,220 --> 00:37:08,360

teachers and they have to follow it and

880

00:37:13,900 --> 00:37:11,230

if they don't follow it they can be

881

00:37:16,000 --> 00:37:13,910

getting serious trouble gets fired get

882

00:37:17,110 --> 00:37:16,010

lose their job you know all the work

883

00:37:19,510 --> 00:37:17,120

they did to become a teacher is

884

00:37:21,790 --> 00:37:19,520

essentially gone so teachers have to

885

00:37:23,770 --> 00:37:21,800

teach a curriculum and essentially they

886

00:37:26,020 --> 00:37:23,780

all teach the same thing just with maybe

887

00:37:28,000 --> 00:37:26,030

slightly different styles and that's

888

00:37:30,849 --> 00:37:28,010

handed down from the government

889

00:37:33,520 --> 00:37:30,859

because there's a narrative to follow

890

00:37:35,020 --> 00:37:33,530

it's a predetermined narrative too so

891

00:37:36,760 --> 00:37:35,030

that if you ever have something that

892

00:37:39,010 --> 00:37:36,770

doesn't follow that narrative saying

893

00:37:41,200 --> 00:37:39,020

okay this is certain amount of thousand

894

00:37:43,180 --> 00:37:41,210

years old bah blah it's got a fin to

895

00:37:45,460 --> 00:37:43,190

this right well what happens if it

896

00:37:47,650 --> 00:37:45,470

doesn't fit into that you know like

897

00:37:51,520 --> 00:37:47,660

let's take a place like gobekli tepe

898

00:37:54,070 --> 00:37:51,530

you know an ancient site that we're just

899

00:37:55,930 --> 00:37:54,080

uncovering right now and when you look

900

00:37:57,010 --> 00:37:55,940

at that and we radiocarbon date some of

901
00:37:58,570 --> 00:37:57,020
these areas we're getting and we're

902
00:38:02,620 --> 00:37:58,580
finding that it's a little it's over

903
00:38:05,590 --> 00:38:02,630
11,500 years old well oops wait a minute

904
00:38:07,900 --> 00:38:05,600
the timeline were given is schools says

905
00:38:10,390 --> 00:38:07,910
that at that time we're just we were

906
00:38:13,090 --> 00:38:10,400
just simply nomadic and had no knowledge

907
00:38:15,940 --> 00:38:13,100
of you know monolithic building and

908
00:38:17,230 --> 00:38:15,950
understanding that so so then you say to

909
00:38:20,410 --> 00:38:17,240
yourself wait a minute doesn't make

910
00:38:24,609 --> 00:38:20,420
sense how can this site be this with the

911
00:38:26,349 --> 00:38:24,619
incredible sophistication be be supposed

912
00:38:28,660 --> 00:38:26,359
is supposed to be during a time when we

913
00:38:30,790 --> 00:38:28,670

were you know banging on sticks and

914

00:38:33,460 --> 00:38:30,800

stuff it doesn't make any sense in the

915

00:38:35,590 --> 00:38:33,470

same timeframe is given for the pyramids

916

00:38:38,380 --> 00:38:35,600

of Egypt saying that they were built by

917

00:38:39,880 --> 00:38:38,390

slaves of Egypt and yet we could even

918

00:38:41,890 --> 00:38:39,890

build them today there is such

919

00:38:43,540 --> 00:38:41,900

sophistication that you can take things

920

00:38:45,340 --> 00:38:43,550

like the ratio of the Great Pyramid of

921

00:38:48,400 --> 00:38:45,350

Giza and get the circumference a ratio

922

00:38:51,820 --> 00:38:48,410

the earth and and find direct

923

00:38:53,830 --> 00:38:51,830

connections with long vertical airway

924

00:38:55,450 --> 00:38:53,840

shafts that point to like Orion and

925

00:38:56,260 --> 00:38:55,460

Sirius and all these different star

926

00:38:59,349 --> 00:38:56,270

constellations

927

00:39:03,099 --> 00:38:59,359

we have to stop pretending that that

928

00:39:05,020 --> 00:39:03,109

human civilizations had worse you know

929

00:39:06,730 --> 00:39:05,030

we have our over our ego to overcome

930

00:39:08,620 --> 00:39:06,740

we're oh yes we are the ones who

931

00:39:10,480 --> 00:39:08,630

invented all this we came up with a

932

00:39:13,210 --> 00:39:10,490

knowledge to create this when in reality

933

00:39:15,940 --> 00:39:13,220

we were just given it all and and we

934

00:39:17,830 --> 00:39:15,950

took it from there and and in most cases

935

00:39:19,840 --> 00:39:17,840

were not even responsible for most of

936

00:39:21,609 --> 00:39:19,850

the big monuments to see the things we

937

00:39:24,609 --> 00:39:21,619

see right so we have another question

938

00:39:27,550 --> 00:39:24,619

for you from the chatroom science has

939

00:39:30,250 --> 00:39:27,560

estimated there may be 11 earthbound

940

00:39:32,590 --> 00:39:30,260

mentions and what could the effects of

941

00:39:37,359 --> 00:39:32,600

all of these earthbound dimensions on

942

00:39:39,520 --> 00:39:37,369

the planet that's a good question this

943

00:39:41,670 --> 00:39:39,530

is another aspect of where I go into the

944

00:39:45,450 --> 00:39:41,680

book a lot and then why it's called the

945

00:39:47,280 --> 00:39:45,460

of us we do not understand dimensions

946

00:39:50,280 --> 00:39:47,290

and we don't underst people do not

947

00:39:53,160 --> 00:39:50,290

understand that we're in a third

948

00:39:55,650 --> 00:39:53,170

dimension reality right now except there

949

00:39:57,870 --> 00:39:55,660

are dimensions above us and dimensions

950

00:40:01,440 --> 00:39:57,880

below us and what makes that so

951
00:40:02,700 --> 00:40:01,450
interesting is that the next the next

952
00:40:04,830 --> 00:40:02,710
piece of writing I'm doing on the next

953
00:40:08,820 --> 00:40:04,840
book it calls this the stage of time

954
00:40:11,060 --> 00:40:08,830
because this third dimension is where it

955
00:40:14,010 --> 00:40:11,070
all plays out this is where the physical

956
00:40:16,530 --> 00:40:14,020
physical reality plays out right in this

957
00:40:18,900 --> 00:40:16,540
dimension so that if you have if you

958
00:40:21,090 --> 00:40:18,910
have beings that are in higher

959
00:40:23,730 --> 00:40:21,100
dimensions or beings that are in lower

960
00:40:26,550 --> 00:40:23,740
dimensions we think of them as you know

961
00:40:28,410 --> 00:40:26,560
the terms like angels and demons right

962
00:40:30,870 --> 00:40:28,420
but those are just terms what does that

963
00:40:32,730 --> 00:40:30,880

mean are they real or is that just some

964

00:40:36,900 --> 00:40:32,740

you know figment of our imagination well

965

00:40:39,480 --> 00:40:36,910

it's very real because we can only for

966

00:40:41,640 --> 00:40:39,490

the most part or in this currently we're

967

00:40:44,870 --> 00:40:41,650

perceiving reality as the third

968

00:40:48,510 --> 00:40:44,880

dimension well there are also people who

969

00:40:50,310 --> 00:40:48,520

you know get deep into meditation or

970

00:40:52,380 --> 00:40:50,320

take a powerful psychedelic and all of a

971

00:40:54,000 --> 00:40:52,390

sudden they blow the top off that they

972

00:40:55,860 --> 00:40:54,010

go into the fourth and fifth dimension

973

00:40:57,780 --> 00:40:55,870

all of a sudden they're no longer in

974

00:40:59,850 --> 00:40:57,790

that physical third dimension anymore

975

00:41:02,250 --> 00:40:59,860

and they know it and once and once you

976

00:41:05,970 --> 00:41:02,260

get out of that it's very difficult to

977

00:41:08,220 --> 00:41:05,980

come back you you separate yourself and

978

00:41:10,260 --> 00:41:08,230

you realize that the the body that you

979

00:41:11,970 --> 00:41:10,270

have is just a vessel just a vessel for

980

00:41:14,370 --> 00:41:11,980

your consciousness and this experiment

981

00:41:15,990 --> 00:41:14,380

experienced and then you all of a sudden

982

00:41:19,290 --> 00:41:16,000

start perceiving everything differently

983

00:41:22,680 --> 00:41:19,300

and then you realize that that whole

984

00:41:25,200 --> 00:41:22,690

perception is what this is all about to

985

00:41:27,870 --> 00:41:25,210

block us from perceiving things like

986

00:41:30,120 --> 00:41:27,880

that that's why everyone is if you know

987

00:41:32,730 --> 00:41:30,130

they call people that go down that the

988

00:41:34,230 --> 00:41:32,740

study crystals and healing and energy

989

00:41:35,730 --> 00:41:34,240

they're just stupid hippies or whatever

990

00:41:38,160 --> 00:41:35,740

they are no there are the ones who are

991

00:41:40,410 --> 00:41:38,170

actually uncovering the next stage of

992

00:41:42,720 --> 00:41:40,420

our conscious evolution so it's it's

993

00:41:44,820 --> 00:41:42,730

amazing to consider what we used to make

994

00:41:49,440 --> 00:41:44,830

fun of which will actually be the most

995

00:41:51,210 --> 00:41:49,450

valued thing in the future exactly the

996

00:41:53,580 --> 00:41:51,220

difference between physics and

997

00:41:57,050 --> 00:41:53,590

metaphysics is what we have calculated

998

00:42:00,360 --> 00:41:57,060

and what we have yet to kill

999

00:42:03,030 --> 00:42:00,370

but basically once we you know once we

1000

00:42:05,550 --> 00:42:03,040

figure it out then it no it's no longer

1001
00:42:06,720 --> 00:42:05,560
metaphysics it becomes physics right you

1002
00:42:12,420 --> 00:42:06,730
know so when you're talking all these

1003
00:42:17,100 --> 00:42:12,430
like astral travel and you know crystals

1004
00:42:20,640 --> 00:42:17,110
and in chakras and all this that stuff

1005
00:42:25,770 --> 00:42:20,650
is very real and you know we have the

1006
00:42:28,920 --> 00:42:25,780
same philosophy we're a spiritual being

1007
00:42:32,040 --> 00:42:28,930
or were not we're spiritual beings

1008
00:42:33,360 --> 00:42:32,050
having a human experience not human

1009
00:42:37,320 --> 00:42:33,370
beings having a spiritual experience

1010
00:42:42,930 --> 00:42:37,330
yeah I see yet so many times and I think

1011
00:42:46,050 --> 00:42:42,940
I still can mess it up but yeah we were

1012
00:42:51,480 --> 00:42:46,060
certain to run out of time and before we

1013
00:42:56,310 --> 00:42:51,490

do um I want to ask what's in your

1014

00:43:00,090 --> 00:42:56,320

future coming up and um also share any

1015

00:43:05,510 --> 00:43:00,100

links or or anything at all that you'd

1016

00:43:08,580 --> 00:43:05,520

like to share whatever okay um I keep

1017

00:43:10,200 --> 00:43:08,590

trying to focus on writing the next book

1018

00:43:12,960 --> 00:43:10,210

I'm halfway through it's called the

1019

00:43:14,700 --> 00:43:12,970

stage of time talks about how you know

1020

00:43:17,160 --> 00:43:14,710

the earth in this physical dimension and

1021

00:43:18,300 --> 00:43:17,170

humanity is part of this great struggle

1022

00:43:21,740 --> 00:43:18,310

where it's being pushed

1023

00:43:25,140 --> 00:43:21,750

you know either direction and and how

1024

00:43:27,600 --> 00:43:25,150

we're actually part of you know we were

1025

00:43:29,520 --> 00:43:27,610

made to believe that it's all empty out

1026

00:43:31,500 --> 00:43:29,530

you know billions of galaxies and

1027

00:43:33,420 --> 00:43:31,510

planets and Suns are all just empty and

1028

00:43:36,030 --> 00:43:33,430

it's just this it's you know there's

1029

00:43:39,000 --> 00:43:36,040

just microbial life when a reality work

1030

00:43:41,070 --> 00:43:39,010

were with where this civilization that

1031

00:43:42,900 --> 00:43:41,080

is so we're such a primitive conscious

1032

00:43:45,750 --> 00:43:42,910

state that we're actually not ready for

1033

00:43:48,600 --> 00:43:45,760

to know yet and that's why we're kept in

1034

00:43:50,430 --> 00:43:48,610

this this battle of either controlling

1035

00:43:51,930 --> 00:43:50,440

information or giving information and

1036

00:43:54,150 --> 00:43:51,940

that's and that's why it's so

1037

00:43:55,440 --> 00:43:54,160

interesting to see why the struggle of

1038

00:43:57,300 --> 00:43:55,450

the the battle in the Eagle in the

1039

00:44:00,060 --> 00:43:57,310

serpent what that represents throughout

1040

00:44:02,070 --> 00:44:00,070

all the cultures all across history so I

1041

00:44:04,410 --> 00:44:02,080

wanna I want to keep trying to write

1042

00:44:06,270 --> 00:44:04,420

that but I honestly get distracted a lot

1043

00:44:08,790 --> 00:44:06,280

with with making content on YouTube I

1044

00:44:09,810 --> 00:44:08,800

really love doing that if anybody wants

1045

00:44:13,650 --> 00:44:09,820

to go

1046

00:44:15,990 --> 00:44:13,660

I met Matthew Lacroix lacr oix I have a

1047

00:44:17,910 --> 00:44:16,000

youtube channel i really like creating

1048

00:44:20,490 --> 00:44:17,920

videos it's so it's a lot of fun and

1049

00:44:21,810 --> 00:44:20,500

some not everybody loves to read and I

1050

00:44:23,820 --> 00:44:21,820

know that's true and some people don't

1051
00:44:26,670 --> 00:44:23,830
have time so I know a lot of people like

1052
00:44:30,150 --> 00:44:26,680
to listen and or watch so I try to spend

1053
00:44:31,230 --> 00:44:30,160
time with both but I tend to write now

1054
00:44:34,940 --> 00:44:31,240
give a little bit to a little bit more

1055
00:44:38,490 --> 00:44:34,950
time with videos but I but I want to I

1056
00:44:42,000 --> 00:44:38,500
want to try to impart as much knowledge

1057
00:44:44,370 --> 00:44:42,010
in that I can to help others and if

1058
00:44:46,080 --> 00:44:44,380
they're at the right place to understand

1059
00:44:47,880 --> 00:44:46,090
that then I it feels great when I get

1060
00:44:49,830 --> 00:44:47,890
feedback saying I help someone or they

1061
00:44:51,990 --> 00:44:49,840
they connected something because of what

1062
00:44:53,370 --> 00:44:52,000
what I said and I and I don't want to

1063
00:44:55,560 --> 00:44:53,380

pretend I have all the answers but I do

1064

00:44:57,540 --> 00:44:55,570

feel like based on a lot of the great

1065

00:44:59,040 --> 00:44:57,550

great people that I've met and the

1066

00:45:01,080 --> 00:44:59,050

experiences and the things I've learned

1067

00:45:03,810 --> 00:45:01,090

you know there is a great deal to

1068

00:45:06,030 --> 00:45:03,820

uncover if you know the bread crumbs in

1069

00:45:07,590 --> 00:45:06,040

the path to follow okay and then you can

1070

00:45:11,280 --> 00:45:07,600

decide where you want to go from there

1071

00:45:13,830 --> 00:45:11,290

but I think I think that there's so much

1072

00:45:16,500 --> 00:45:13,840

right in front of us and unless you have

1073

00:45:18,630 --> 00:45:16,510

some kind of a stepping stone guide on

1074

00:45:20,910 --> 00:45:18,640

where to go which is what I made the

1075

00:45:22,770 --> 00:45:20,920

illusion of us book this this stepping

1076

00:45:24,420 --> 00:45:22,780

stone guide to start with consciousness

1077

00:45:26,370 --> 00:45:24,430

and try to understand what we are and

1078

00:45:28,830 --> 00:45:26,380

then build out to what our timeline and

1079

00:45:30,420 --> 00:45:28,840

our origins have been and and what our

1080

00:45:32,610 --> 00:45:30,430

struggle in this reality and what

1081

00:45:35,910 --> 00:45:32,620

dimensions are that's I want to try to

1082

00:45:39,300 --> 00:45:35,920

give this this redefining of what

1083

00:45:41,220 --> 00:45:39,310

reality is not through my lens but

1084

00:45:43,200 --> 00:45:41,230

through the lens of what evidence really

1085

00:45:45,480 --> 00:45:43,210

is and what these ancient cultures have

1086

00:45:48,720 --> 00:45:45,490

been trying to tell us all along and so

1087

00:45:51,630 --> 00:45:48,730

that's what I try to I want to bring a

1088

00:45:52,950 --> 00:45:51,640

place for people to then branch off and

1089

00:45:55,140 --> 00:45:52,960

be able to be able to then go and

1090

00:45:57,420 --> 00:45:55,150

understand because to so many see all

1091

00:45:58,860 --> 00:45:57,430

this and this big massive pile in front

1092

00:46:00,900 --> 00:45:58,870

of them and they have no idea where to

1093

00:46:02,880 --> 00:46:00,910

go and they don't know what's real and

1094

00:46:04,470 --> 00:46:02,890

so they just don't look at any of it

1095

00:46:07,560 --> 00:46:04,480

they just ignore it and I think that's

1096

00:46:10,290 --> 00:46:07,570

so we need a stepping stone a small kind

1097

00:46:13,140 --> 00:46:10,300

of you know lead us lead us down the

1098

00:46:15,210 --> 00:46:13,150

road but not not throw it all at us at

1099

00:46:18,510 --> 00:46:15,220

the same time and I think that's what I

1100

00:46:20,850 --> 00:46:18,520

try to try to provide in this but but I

1101

00:46:22,900 --> 00:46:20,860

really appreciate being on talking to

1102

00:46:25,839 --> 00:46:22,910

talking to all you tonight it's

1103

00:46:28,809 --> 00:46:25,849

a really nice conversation yes it has

1104

00:46:30,250 --> 00:46:28,819

and we enjoy your content very much oh

1105

00:46:32,230 --> 00:46:30,260

yeah very much so

1106

00:46:33,640 --> 00:46:32,240

them videos are awesome thank you that

1107

00:46:37,390 --> 00:46:33,650

really meets a lie I put a lot of

1108

00:46:41,440 --> 00:46:37,400

passion into us yeah we love books we

1109

00:46:42,789 --> 00:46:41,450

love books but the the the videos - like

1110

00:46:45,069 --> 00:46:42,799

I said that's that's where we learned

1111

00:46:47,770 --> 00:46:45,079

about you at first and been fans ever

1112

00:46:50,109 --> 00:46:47,780

since everybody go check that stuff out

1113

00:46:52,900 --> 00:46:50,119

and check out his book the illusion of

1114

00:46:55,270 --> 00:46:52,910

us yeah I put the link for his Facebook

1115

00:46:56,650 --> 00:46:55,280

page in the chat box below and there are

1116

00:46:58,870 --> 00:46:56,660

also links to where he could purchase

1117

00:47:01,000 --> 00:46:58,880

his book and as Matthew said just look

1118

00:47:02,770 --> 00:47:01,010

up his name on YouTube you guys we

1119

00:47:06,069 --> 00:47:02,780

blowed away at some of the most awesome

1120

00:47:07,690 --> 00:47:06,079

content he's made well thank you

1121

00:47:11,190 --> 00:47:07,700

Jennifer it was really nice thing to say

1122

00:47:19,270 --> 00:47:15,400

so next week February 16th we will have

1123

00:47:26,230 --> 00:47:19,280

Amelia pisano on psychic medium short on

1124

00:47:27,940 --> 00:47:26,240

cold cases so that will be awesome and

1125

00:47:31,390 --> 00:47:27,950

we'd like to thank Matt Lacroix for

1126

00:47:34,059 --> 00:47:31,400

being such a wonderful guest and we will

1127

00:47:35,829 --> 00:47:34,069

have to have him back on it sometime in

1128

00:47:37,720 --> 00:47:35,839

the future oh for sure we definitely

1129

00:47:41,170 --> 00:47:37,730

have to have you back for part you are

1130

00:47:42,789 --> 00:47:41,180

thank you very much yes to the believer

1131

00:47:45,190 --> 00:47:42,799

that evidence is overwhelmed and to the

1132

00:47:45,579 --> 00:47:45,200

skeptic there will never be enough thank
