

# Michael TelStarr | Supernatural Entertainer's Tips for Remote Viewing

California Radio  
**MUFON**  
LORIEN FENTON

**WEDNESDAY** 11PM EASTERN  
8PM PACIFIC

Listen on

[inceptionradionetwork.com](http://inceptionradionetwork.com)

1  
00:00:10,940 --> 00:00:08,600  
welcome everyone to the California MUFON

2  
00:00:13,280 --> 00:00:10,950  
radio show I'm your host Lori and fencin

3  
00:00:16,129 --> 00:00:13,290  
very happy you guys are long for an

4  
00:00:17,570 --> 00:00:16,139  
amazing ride this evening my guest

5  
00:00:19,400 --> 00:00:17,580  
tonight is somebody I've never

6  
00:00:22,130 --> 00:00:19,410  
interviewed before but it's gonna be

7  
00:00:25,580 --> 00:00:22,140  
fascinating I can guarantee you that

8  
00:00:27,650 --> 00:00:25,590  
his name is Michael Telstar I believe

9  
00:00:29,359 --> 00:00:27,660  
he's a Canadian I'm gonna have to find

10  
00:00:31,970 --> 00:00:29,369  
out later we'll have to talk hockey a

11  
00:00:34,340 --> 00:00:31,980  
little bit of course but in the meantime

12  
00:00:36,950 --> 00:00:34,350  
I have some things to talk to you guys

13  
00:00:38,540 --> 00:00:36,960

about hey Michael can you do me a huge

14

00:00:41,290 --> 00:00:38,550

favor sweetie do you know where your

15

00:00:44,270 --> 00:00:41,300

mute button is yes I do

16

00:00:45,200 --> 00:00:44,280

great so hit that mute button for a

17

00:00:50,360 --> 00:00:45,210

minute because I'm hearing everything

18

00:00:53,140 --> 00:00:50,370

behind you for some hearing I'm sorry

19

00:00:53,150 --> 00:01:06,219

[Laughter]

20

00:01:24,590 --> 00:01:08,090

we didn't have a chance

21

00:01:29,030 --> 00:01:24,600

to do Laurie I can still hear you yeah

22

00:01:31,960 --> 00:01:29,040

perfect great that's the best that way I

23

00:01:34,609 --> 00:01:31,970

hear nothing but I am still getting my

24

00:01:37,249 --> 00:01:34,619

that's odd I've never seen that before

25

00:01:39,679 --> 00:01:37,259

MJ where I'm lighting up but I'm not

26

00:01:42,800 --> 00:01:39,689

hearing anything that's really strange

27

00:01:45,139 --> 00:01:42,810

okay well hey it is what it is it's

28

00:01:47,679 --> 00:01:45,149

Skype and all I can tell you is in Skype

29

00:01:50,480 --> 00:01:47,689

everything is a mystery these days

30

00:01:53,960 --> 00:01:50,490

unbelievable total mystery can't figure

31

00:01:56,990 --> 00:01:53,970

out what's happening but yeah let's see

32

00:01:58,520 --> 00:01:57,000

yeah okay so I saw a bubble happen I

33

00:01:59,359 --> 00:01:58,530

thought I'd go see if anybody's trying

34

00:02:01,520 --> 00:01:59,369

to get help me okay

35

00:02:05,330 --> 00:02:01,530

the soundcheck is done we're back to the

36

00:02:07,310 --> 00:02:05,340

show okay everyone so let's see what am

37

00:02:09,350 --> 00:02:07,320

I gonna tie oh god what am I not gonna

38

00:02:10,999 --> 00:02:09,360

talk about tonight okay I hope Michael

39

00:02:12,619 --> 00:02:11,009

doesn't mind sitting through my little

40

00:02:13,790 --> 00:02:12,629

rant here at the beginning of the show

41

00:02:16,340 --> 00:02:13,800

but actually this

42

00:02:18,770 --> 00:02:16,350

commercial than a rant I just want you

43

00:02:22,610 --> 00:02:18,780

all to know that we are putting on the

44

00:02:29,450 --> 00:02:22,620

JFK conference in Washington DC and the

45

00:02:31,550 --> 00:02:29,460

website is JFK conference DC comm and if

46

00:02:34,000 --> 00:02:31,560

you guys will go there visit that site

47

00:02:37,490 --> 00:02:34,010

find some of the most amazing people

48

00:02:38,630 --> 00:02:37,500

gosh I'm hearing myself Michael I don't

49

00:02:41,060 --> 00:02:38,640

know what's happening

50

00:02:42,920 --> 00:02:41,070

MJ got any clues as to why I keep

51  
00:02:46,190 --> 00:02:42,930  
hearing myself even though he's

52  
00:02:48,650 --> 00:02:46,200  
supposedly muted trying to figure this

53  
00:02:50,360 --> 00:02:48,660  
out is it's disconcerting at my end it

54  
00:02:52,820 --> 00:02:50,370  
may not be bothering anybody else but

55  
00:02:55,390 --> 00:02:52,830  
I'm hearing the echo so it's getting

56  
00:02:59,180 --> 00:02:55,400  
weird to hear myself talk all the time

57  
00:03:02,840 --> 00:02:59,190  
anyhow um so we're putting on the JFK

58  
00:03:05,750 --> 00:03:02,850  
conference DC comm check out the website

59  
00:03:09,980 --> 00:03:05,760  
it's going to be very interesting now

60  
00:03:11,780 --> 00:03:09,990  
I've been getting weird flack and I

61  
00:03:13,340 --> 00:03:11,790  
thought I'd throw it back out out

62  
00:03:17,960 --> 00:03:13,350  
through the universe and see if I can

63  
00:03:19,310 --> 00:03:17,970

dismantle this flak actually I went on

64

00:03:22,070 --> 00:03:19,320

to show the other day and I talked about

65

00:03:23,600 --> 00:03:22,080

the infighting in the JFK community and

66

00:03:25,610 --> 00:03:23,610

I probably shouldn't have done that

67

00:03:27,500 --> 00:03:25,620

because what's happening now is there's

68

00:03:28,910 --> 00:03:27,510

a whole backlash about people saying why

69

00:03:31,130 --> 00:03:28,920

should I come to the conference if those

70

00:03:33,800 --> 00:03:31,140

guys can't even get along and then I

71

00:03:36,680 --> 00:03:33,810

basically come back with well the UFO

72

00:03:39,229 --> 00:03:36,690

community's never gotten along so what

73

00:03:41,630 --> 00:03:39,239

difference is that if it's JFK or UFOs

74

00:03:43,970 --> 00:03:41,640

or whatever nobody gets along I mean

75

00:03:46,400 --> 00:03:43,980

what are we gonna do here my whole point

76

00:03:48,350 --> 00:03:46,410

to what I was trying to tell people

77

00:03:51,290 --> 00:03:48,360

either last week on this show that week

78

00:03:53,720 --> 00:03:51,300

or Monday I don't remember was basically

79

00:03:56,600 --> 00:03:53,730

this everybody fights that's a

80

00:04:00,380 --> 00:03:56,610

researcher especially the JFK community

81

00:04:03,830 --> 00:04:00,390

because these guys had dedicated their

82

00:04:06,760 --> 00:04:03,840

life to this 40 years some of them 50

83

00:04:09,260 --> 00:04:06,770

years I mean they're they're old

84

00:04:11,600 --> 00:04:09,270

these guys are their seventies and

85

00:04:14,120 --> 00:04:11,610

eighties and they've been doing this

86

00:04:17,780 --> 00:04:14,130

since the day Kennedy died so we're

87

00:04:20,599 --> 00:04:17,790

looking at what 37 years then another 20

88

00:04:23,360 --> 00:04:20,609

17 years now some of these guys been

89

00:04:25,450 --> 00:04:23,370

literally doing this forty five years 50

90

00:04:26,709 --> 00:04:25,460

years 50 whatever since the day he died

91

00:04:29,540 --> 00:04:26,719

so

92

00:04:32,119 --> 00:04:29,550

hey you know when they go down a rabbit

93

00:04:34,070 --> 00:04:32,129

hole and they write about it they've

94

00:04:36,320 --> 00:04:34,080

written four books about it and then

95

00:04:38,330 --> 00:04:36,330

somebody comes along and says you're

96

00:04:40,159 --> 00:04:38,340

completely wrong and then they write

97

00:04:42,230 --> 00:04:40,169

another book counter doing what they're

98

00:04:44,149 --> 00:04:42,240

doing and then everybody's got their own

99

00:04:46,429 --> 00:04:44,159

thing and everybody says no I'm right

100

00:04:48,769 --> 00:04:46,439

now I'm right I'm right and what I tried

101  
00:04:50,749 --> 00:04:48,779  
to tell them all and this is my this is

102  
00:04:53,330 --> 00:04:50,759  
my point to this part of the show

103  
00:04:55,010 --> 00:04:53,340  
tonight is that just matter what

104  
00:04:57,050 --> 00:04:55,020  
community you're in and it doesn't

105  
00:05:00,170 --> 00:04:57,060  
matter what you write what really

106  
00:05:03,550 --> 00:05:00,180  
matters to everybody in whether it's

107  
00:05:06,649 --> 00:05:03,560  
UFOs whether it's JFK whether it's

108  
00:05:10,429 --> 00:05:06,659  
conspiracies I don't care if it's 9/11 I

109  
00:05:13,939 --> 00:05:10,439  
don't care what it is the bottom line is

110  
00:05:16,189 --> 00:05:13,949  
you take all of those books you grind

111  
00:05:18,439 --> 00:05:16,199  
them up and you take all the information

112  
00:05:21,350 --> 00:05:18,449  
out of every single one of them and you

113  
00:05:24,439 --> 00:05:21,360

draw the big picture and everybody's

114

00:05:25,760 --> 00:05:24,449

right to an extent it's that simple and

115

00:05:27,820 --> 00:05:25,770

then when you connect all the dots

116

00:05:31,899 --> 00:05:27,830

you've got an amazing array of

117

00:05:34,339 --> 00:05:31,909

information and I cannot figure out why

118

00:05:35,959 --> 00:05:34,349

none of the people that write books in

119

00:05:38,059 --> 00:05:35,969

the UFO community and none of the

120

00:05:40,490 --> 00:05:38,069

researchers and the and the authors in

121

00:05:42,529 --> 00:05:40,500

the JFK community have ever figured this

122

00:05:44,779 --> 00:05:42,539

out it's like they can't be in the same

123

00:05:47,119 --> 00:05:44,789

room together but I will tell you this

124

00:05:51,079 --> 00:05:47,129

now here's the point to the other part

125

00:05:53,360 --> 00:05:51,089

of this whole rant is this I can get

126

00:05:55,550 --> 00:05:53,370

them all in one room together and that's

127

00:05:58,159 --> 00:05:55,560

the extraordinary thing in this next

128

00:05:59,809 --> 00:05:58,169

conference that we're putting on I'm

129

00:06:02,029 --> 00:05:59,819

getting people in a room to go that

130

00:06:04,100 --> 00:06:02,039

usually won't be in a room together and

131

00:06:05,959 --> 00:06:04,110

if they are there's usually some kind of

132

00:06:07,999 --> 00:06:05,969

thing and then they leave and then you

133

00:06:10,999 --> 00:06:08,009

know they don't talk to each other well

134

00:06:14,719 --> 00:06:11,009

I tell them and under no uncertain terms

135

00:06:16,969 --> 00:06:14,729

do I tell these guys that basically you

136

00:06:19,219 --> 00:06:16,979

show up you're nice to each other and

137

00:06:20,749 --> 00:06:19,229

we're all gonna play ball and then we

138

00:06:21,860 --> 00:06:20,759

all go home at the end of the day then

139

00:06:24,050 --> 00:06:21,870

you don't have to talk to each other

140

00:06:26,329 --> 00:06:24,060

over again if you don't want to but it's

141

00:06:28,459 --> 00:06:26,339

just like kindergarten everybody shows

142

00:06:30,139 --> 00:06:28,469

up everybody plays nice and then at the

143

00:06:31,730 --> 00:06:30,149

end of the day maybe you might learn

144

00:06:34,879 --> 00:06:31,740

something from each other you know it's

145

00:06:36,709 --> 00:06:34,889

an amazing thing so that's what I said

146

00:06:38,570 --> 00:06:36,719

on my show a few days ago and I've been

147

00:06:40,220 --> 00:06:38,580

getting a lot of flack for having said

148

00:06:43,160 --> 00:06:40,230

that but you guys it's the

149

00:06:44,990 --> 00:06:43,170

Ruth it's the absolute truth it saddens

150

00:06:47,060 --> 00:06:45,000

me that it's the truth but it's just

151  
00:06:50,690 --> 00:06:47,070  
truth for every community I've ever been

152  
00:06:52,310 --> 00:06:50,700  
in spiritual communities or from you

153  
00:06:55,070 --> 00:06:52,320  
name it I've been there there's

154  
00:06:57,110 --> 00:06:55,080  
competition no matter where you go and

155  
00:06:58,400 --> 00:06:57,120  
how you look at it churches I've been to

156  
00:07:00,620 --> 00:06:58,410  
churches where there's this kind of

157  
00:07:02,840 --> 00:07:00,630  
stuff going on I mean it's it's

158  
00:07:04,940 --> 00:07:02,850  
mind-boggling all the psychologists I

159  
00:07:05,680 --> 00:07:04,950  
work for think they're pitted against

160  
00:07:11,210 --> 00:07:05,690  
each other

161  
00:07:13,760 --> 00:07:11,220  
except maybe in the younger communities

162  
00:07:15,440 --> 00:07:13,770  
where the kids are just there thinking

163  
00:07:17,210 --> 00:07:15,450

differently than this whole competition

164

00:07:19,190 --> 00:07:17,220

thing that's going on which is a

165

00:07:20,900 --> 00:07:19,200

beautiful thing I love it I'm glad that

166

00:07:23,660 --> 00:07:20,910

they can all do that you know it's great

167

00:07:25,610 --> 00:07:23,670

I can't see it being very innovative and

168

00:07:26,810 --> 00:07:25,620

on some levels but I'm glad they're

169

00:07:29,180 --> 00:07:26,820

doing it I just wish we had more

170

00:07:31,370 --> 00:07:29,190

researchers like we did these guys are

171

00:07:33,680 --> 00:07:31,380

tenacious I mean I'm talking about guys

172

00:07:37,340 --> 00:07:33,690

in the JFK community they have dedicated

173

00:07:39,380 --> 00:07:37,350

hours and hundred out-years years of

174

00:07:41,060 --> 00:07:39,390

their life to this they've lost why do

175

00:07:43,100 --> 00:07:41,070

you know that I mean they're all

176

00:07:45,500 --> 00:07:43,110

divorced because of it no one you know

177

00:07:48,530 --> 00:07:45,510

it's just unbelievable the dedication

178

00:07:50,900 --> 00:07:48,540

but these guys have done for the

179

00:07:53,330 --> 00:07:50,910

community I mean it's just mind-boggling

180

00:07:55,130 --> 00:07:53,340

to me and you know I can kind of

181

00:07:57,380 --> 00:07:55,140

understand how they get flipped out when

182

00:07:59,180 --> 00:07:57,390

all kinds of you know people come along

183

00:08:00,830 --> 00:07:59,190

and say oh you're wrong you know I mean

184

00:08:04,760 --> 00:08:00,840

they've really dedicated her life to

185

00:08:06,380 --> 00:08:04,770

this anyhow that was my point to all

186

00:08:08,270 --> 00:08:06,390

that whether it was on this show another

187

00:08:10,910 --> 00:08:08,280

show or another show I don't remember

188

00:08:14,660 --> 00:08:10,920

but I am getting like literal hate mail

189

00:08:15,890 --> 00:08:14,670

for even bringing this up but I really

190

00:08:17,510 --> 00:08:15,900

do wish you guys could make the

191

00:08:20,720 --> 00:08:17,520

conference and the reason I'm bringing

192

00:08:23,210 --> 00:08:20,730

this all up is because I have got some

193

00:08:25,220 --> 00:08:23,220

that I David Denton and I have gotten

194

00:08:27,440 --> 00:08:25,230

some extraordinary people to be in the

195

00:08:30,680 --> 00:08:27,450

same room at the same time and it's

196

00:08:33,650 --> 00:08:30,690

going to be absolutely killer killer

197

00:08:38,600 --> 00:08:33,660

conference and I use that word not

198

00:08:41,120 --> 00:08:38,610

murder but killer okay oh yeah I'm just

199

00:08:45,410 --> 00:08:41,130

I'm too tired to oh wait you guys hear

200

00:08:47,240 --> 00:08:45,420

what happened oh my god so anyhow what I

201

00:08:49,370 --> 00:08:47,250

did is we got these people together

202

00:08:50,870 --> 00:08:49,380

we've got some really amazing people

203

00:08:53,790 --> 00:08:50,880

together in the same room we've got

204

00:08:55,920 --> 00:08:53,800

Roger stone Cyril Wecht

205

00:08:58,139 --> 00:08:55,930

and Tatro if you guys don't know about

206

00:09:00,660 --> 00:08:58,149

ed Tatro you're not supposed to know

207

00:09:03,360 --> 00:09:00,670

about antiqued ro ed tape TRO will not

208

00:09:05,519 --> 00:09:03,370

go on a radio show he will not finish it

209

00:09:08,790 --> 00:09:05,529

people not publish his book he will not

210

00:09:11,310 --> 00:09:08,800

do anything until he is long gone off

211

00:09:14,340 --> 00:09:11,320

this earth and at that point everything

212

00:09:16,500 --> 00:09:14,350

will come out but he refuses to do so

213

00:09:19,769 --> 00:09:16,510

and the man is just probably the most

214

00:09:21,360 --> 00:09:19,779

amazing guy when it comes to JFK racers

215

00:09:23,970 --> 00:09:21,370

that anybody's ever met I'll tell you

216

00:09:25,319 --> 00:09:23,980

guys something when he was speaking at

217

00:09:29,730 --> 00:09:25,329

the George Noory

218

00:09:32,160 --> 00:09:29,740

I was our Lee Harvey Oswald conference

219

00:09:34,710 --> 00:09:32,170

in New Orleans and George Norah was

220

00:09:36,449 --> 00:09:34,720

there and George snoring Tom Dan Heiser

221

00:09:39,449 --> 00:09:36,459

asked him to be on coast to coast and

222

00:09:41,610 --> 00:09:39,459

he's flat-out refused and so that's the

223

00:09:43,470 --> 00:09:41,620

kind of guy he is he just will not do

224

00:09:45,030 --> 00:09:43,480

this stuff so he's gonna show up at the

225

00:09:48,030 --> 00:09:45,040

conference so he always shows up at the

226

00:09:49,920 --> 00:09:48,040

conferences he's got new information

227

00:09:52,290 --> 00:09:49,930

ever since the archives came out you

228

00:09:55,259 --> 00:09:52,300

guys this is just gonna be extraordinary

229

00:09:58,199 --> 00:09:55,269

if you look at the lineup most of

230

00:09:59,730 --> 00:09:58,209

Saturday is dedicated to the archives

231

00:10:02,069 --> 00:09:59,740

and the new information

232

00:10:04,470 --> 00:10:02,079

Larry Rivera is going to be there with

233

00:10:06,630 --> 00:10:04,480

even more startling information about

234

00:10:10,290 --> 00:10:06,640

how Lee Harvey Oswald was standing in

235

00:10:12,000 --> 00:10:10,300

the doorway and you know we just we've

236

00:10:13,500 --> 00:10:12,010

really got it pegged for this conference

237

00:10:14,970 --> 00:10:13,510

and if it wasn't for those archived

238

00:10:16,980 --> 00:10:14,980

release does you know just be another

239

00:10:19,319 --> 00:10:16,990

JFK conference but I'm telling you guys

240

00:10:21,269 --> 00:10:19,329

the stuff that they've been digging up I

241

00:10:22,740 --> 00:10:21,279

mean they they call me about once every

242

00:10:25,680 --> 00:10:22,750

two or three weeks and they go guess

243

00:10:27,480 --> 00:10:25,690

what I found out I'm like what they tell

244

00:10:28,139 --> 00:10:27,490

me I'm like oh now that's gonna be so

245

00:10:31,319 --> 00:10:28,149

cool

246

00:10:33,600 --> 00:10:31,329

anyhow it's gonna be really really

247

00:10:35,280 --> 00:10:33,610

special now the other thing I got to

248

00:10:38,699 --> 00:10:35,290

bring up about the JFK conference

249

00:10:42,120 --> 00:10:38,709

quickly is the fact that you guys these

250

00:10:45,210 --> 00:10:42,130

guys that that these guys are 70 and 80

251  
00:10:46,800 --> 00:10:45,220  
years old you know they're not gonna be

252  
00:10:48,240 --> 00:10:46,810  
around much longer I tell everybody

253  
00:10:50,610 --> 00:10:48,250  
they're because oh you're gonna you know

254  
00:10:54,090 --> 00:10:50,620  
you keep doing the JFK conferences and I

255  
00:10:56,040 --> 00:10:54,100  
look at him like go probably for a few

256  
00:10:57,990 --> 00:10:56,050  
more years but after that there's not

257  
00:11:00,420 --> 00:10:58,000  
gonna be anybody left standing to do

258  
00:11:01,410 --> 00:11:00,430  
list I mean seriously Jim Marrs died

259  
00:11:05,370 --> 00:11:01,420  
this year

260  
00:11:07,500 --> 00:11:05,380  
David Denton not David I'm sorry Dennis

261  
00:11:10,260 --> 00:11:07,510  
David died Dennis

262  
00:11:11,700 --> 00:11:10,270  
yeah I think so anyhow we and there's a

263  
00:11:14,010 --> 00:11:11,710

couple more that have died that are

264

00:11:17,580 --> 00:11:14,020

amazing people I think Dennis David was

265

00:11:20,760 --> 00:11:17,590

in Bethesda at the autopsy he was one of

266

00:11:22,920 --> 00:11:20,770

the guys there at the hospital so he was

267

00:11:24,660 --> 00:11:22,930

an important witness we're just losing

268

00:11:26,430 --> 00:11:24,670

them left and right and then just think

269

00:11:29,100 --> 00:11:26,440

about this think of all the people they

270

00:11:32,550 --> 00:11:29,110

killed that we will never be able to

271

00:11:34,380 --> 00:11:32,560

talk to so I mean there's a small array

272

00:11:36,690 --> 00:11:34,390

of people out there who actually know

273

00:11:38,850 --> 00:11:36,700

what happened that day and they've

274

00:11:40,260 --> 00:11:38,860

really got their stuff together so you

275

00:11:43,740 --> 00:11:40,270

know if you guys can make this

276

00:11:45,630 --> 00:11:43,750

conference please do I can't promise

277

00:11:48,390 --> 00:11:45,640

anything like it will ever happen again

278

00:11:50,250 --> 00:11:48,400

I'm hoping so but that doesn't mean it

279

00:11:53,400 --> 00:11:50,260

will and this could just be like the

280

00:11:55,500 --> 00:11:53,410

swan song I don't know but I hope you

281

00:11:57,540 --> 00:11:55,510

guys can make it and I know that Judith

282

00:11:59,640 --> 00:11:57,550

is going to be putting on Dallas again

283

00:12:01,980 --> 00:11:59,650

this year I mean she's planning on it

284

00:12:05,280 --> 00:12:01,990

but again Judith is 77 years old she's

285

00:12:09,150 --> 00:12:05,290

no spring chicken you know I again we

286

00:12:11,880 --> 00:12:09,160

almost lost her to blindness last year

287

00:12:14,040 --> 00:12:11,890

so she couldn't function so who knows

288

00:12:18,330 --> 00:12:14,050

you know I mean they're not all healthy

289

00:12:20,370 --> 00:12:18,340

guys you know so I don't know I don't

290

00:12:21,630 --> 00:12:20,380

know what else to say I really don't I

291

00:12:23,760 --> 00:12:21,640

mean this is the last time I'm gonna

292

00:12:25,050 --> 00:12:23,770

harp on this conference but I really

293

00:12:27,990 --> 00:12:25,060

think it's important that you guys

294

00:12:30,510 --> 00:12:28,000

understand the significance of these

295

00:12:32,550 --> 00:12:30,520

conferences the significance of the

296

00:12:34,860 --> 00:12:32,560

people speaking at them whether they

297

00:12:36,180 --> 00:12:34,870

fight amongst themselves or not which I

298

00:12:37,980 --> 00:12:36,190

should probably have never brought up

299

00:12:40,170 --> 00:12:37,990

but it's important you guys know that I

300

00:12:42,210 --> 00:12:40,180

think the interesting part about that is

301  
00:12:44,580 --> 00:12:42,220  
I'm kind of glad they fight amongst

302  
00:12:47,040 --> 00:12:44,590  
themselves because at least then they're

303  
00:12:48,930 --> 00:12:47,050  
always looking for the next angle you

304  
00:12:51,090 --> 00:12:48,940  
know they've never gotten complacent I

305  
00:12:53,220 --> 00:12:51,100  
think that the spark of that that guy

306  
00:12:55,770 --> 00:12:53,230  
looking over their shoulder examining

307  
00:12:58,320 --> 00:12:55,780  
their work keeps them thinking and

308  
00:13:00,780 --> 00:12:58,330  
looking for new avenues and finding new

309  
00:13:03,390 --> 00:13:00,790  
witnesses and and it just keeps them

310  
00:13:06,510 --> 00:13:03,400  
going you know it may be that little bit

311  
00:13:08,850 --> 00:13:06,520  
of that competitive edge and 75 years

312  
00:13:10,620 --> 00:13:08,860  
old going there's two other guys right

313  
00:13:13,260 --> 00:13:10,630

on your heels that are doing the same

314

00:13:15,990 --> 00:13:13,270

kind of work that keeps them alive so

315

00:13:20,100 --> 00:13:16,000

you may be in a way it's a really good

316

00:13:20,920 --> 00:13:20,110

thing so yeah we're gonna leave it at

317

00:13:22,540 --> 00:13:20,930

that now

318

00:13:24,850 --> 00:13:22,550

the reason I'm saying so so much and

319

00:13:27,069 --> 00:13:24,860

repeating myself and then not making

320

00:13:28,780 --> 00:13:27,079

much sense tonight you guys they got

321

00:13:31,329 --> 00:13:28,790

I've got a great guest he's gonna carry

322

00:13:33,309 --> 00:13:31,339

the show for me that I know is I've had

323

00:13:37,780 --> 00:13:33,319

about an hour sleep and here's what

324

00:13:40,329 --> 00:13:37,790

happened in a nutshell I went my email

325

00:13:42,639 --> 00:13:40,339

about 20 hours ago

326

00:13:43,389 --> 00:13:42,649

and I looked at it I went what the heck

327

00:13:46,900 --> 00:13:43,399

happened

328

00:13:51,749 --> 00:13:46,910

I'm missing two months of emails and the

329

00:13:54,910 --> 00:13:51,759

ones I could see for one month of

330

00:13:57,939 --> 00:13:54,920

February 6th

331

00:14:01,269 --> 00:13:57,949

so it was missing December January and

332

00:14:03,280 --> 00:14:01,279

then from January 7th of February 6 you

333

00:14:05,949 --> 00:14:03,290

couldn't see anything in the email it

334

00:14:09,790 --> 00:14:05,959

was all gone and it was just like

335

00:14:13,590 --> 00:14:09,800

opening you know a blank page so I was

336

00:14:17,859 --> 00:14:13,600

like what happened so I discovered that

337

00:14:20,799 --> 00:14:17,869

January 7th to February 6 was blanked

338

00:14:23,980 --> 00:14:20,809

and that I'm missing January to December

339

00:14:25,960 --> 00:14:23,990

and it was November 7th to December 7th

340

00:14:31,410 --> 00:14:25,970

they're just gone I was like what the

341

00:14:36,040 --> 00:14:34,150

yeah it's all in Thunderbird now I have

342

00:14:38,619 --> 00:14:36,050

Carbonite backs everything up to the

343

00:14:40,419 --> 00:14:38,629

cloud so I'm in here feverishly trying

344

00:14:43,119 --> 00:14:40,429

to fix this whole thing and I think to

345

00:14:45,519 --> 00:14:43,129

myself oh I don't have to worry I'll

346

00:14:48,280 --> 00:14:45,529

just get the Carbonite backup and throw

347

00:14:51,129 --> 00:14:48,290

it on there well I fell asleep sitting

348

00:14:54,429 --> 00:14:51,139

here in the chair Carbonite backed up

349

00:14:57,819 --> 00:14:54,439

the bad file I should have turned

350

00:14:59,619 --> 00:14:57,829

Carbonite off I didn't turn it off so I

351  
00:15:01,360 --> 00:14:59,629  
fall asleep sitting here in the chair

352  
00:15:03,429 --> 00:15:01,370  
working on this trying to get it to the

353  
00:15:05,530 --> 00:15:03,439  
point where I can put the Carbonite file

354  
00:15:07,509 --> 00:15:05,540  
back in and then everything will be back

355  
00:15:11,169 --> 00:15:07,519  
to normal again and I'll be right up to

356  
00:15:15,819 --> 00:15:11,179  
yesterday right and if I lose a month I

357  
00:15:19,480 --> 00:15:15,829  
lose a month no big deal right sleeps in

358  
00:15:21,819 --> 00:15:19,490  
here and I'm like oh my god it's four

359  
00:15:24,730 --> 00:15:21,829  
hours later Carbonite s---backed up the

360  
00:15:28,119 --> 00:15:24,740  
bad file so I'm sitting there now what I

361  
00:15:31,449 --> 00:15:28,129  
do so then I get the brilliant idea then

362  
00:15:33,369 --> 00:15:31,459  
I'm gonna download it from my Comcast

363  
00:15:34,480 --> 00:15:33,379

server because the mail I keep the mail

364

00:15:36,579 --> 00:15:34,490

there forever

365

00:15:39,130 --> 00:15:36,589

no as long as it'll stay until I run out

366

00:15:40,180 --> 00:15:39,140

of room so that's brilliant Laurie and

367

00:15:43,960 --> 00:15:40,190

I'll just do that

368

00:15:47,590 --> 00:15:43,970

so I did it little did I know that when

369

00:15:49,329 --> 00:15:47,600

you delete the pop data file and it take

370

00:15:52,720 --> 00:15:49,339

out the date range

371

00:15:55,090 --> 00:15:52,730

it doesn't look for it just goes back to

372

00:15:59,410 --> 00:15:55,100

the beginning it doesn't go to where the

373

00:16:01,750 --> 00:15:59,420

the date you had left on the the screen

374

00:16:04,329 --> 00:16:01,760

is oh my god

375

00:16:08,190 --> 00:16:04,339

I've been downloading since yesterday

376  
00:16:12,579 --> 00:16:08,200  
ninety nine seven hundred and thirty-one

377  
00:16:14,590 --> 00:16:12,589  
thousand emails I finally I stayed up

378  
00:16:17,380 --> 00:16:14,600  
all night watching them download they

379  
00:16:21,130 --> 00:16:17,390  
all downloaded it took about an hour for

380  
00:16:24,699 --> 00:16:21,140  
every 10k of emails so now I'm sitting

381  
00:16:28,570 --> 00:16:24,709  
here deleting because they're all the

382  
00:16:31,480 --> 00:16:28,580  
same ones that I saved so you're

383  
00:16:33,760 --> 00:16:31,490  
deleting all the unopened emails and

384  
00:16:35,530 --> 00:16:33,770  
there's eighty thousand seven hundred

385  
00:16:38,260 --> 00:16:35,540  
and thirty one left to go

386  
00:16:40,060 --> 00:16:38,270  
iced I kid you not folks this is exactly

387  
00:16:42,460 --> 00:16:40,070  
what I'm doing and I've been up and I

388  
00:16:45,040 --> 00:16:42,470

have had like an hour and fifteen maybe

389

00:16:47,949 --> 00:16:45,050

an hour forty my I don't know not enough

390

00:16:49,990 --> 00:16:47,959

not enough sleep so but I went to work

391

00:16:52,060 --> 00:16:50,000

and I'm home and I'm gonna drink another

392

00:16:53,769 --> 00:16:52,070

cup of coffee while the show's happening

393

00:16:56,110 --> 00:16:53,779

and I'm gonna try to muscle through this

394

00:16:58,690 --> 00:16:56,120

but honest to god this is what I'm

395

00:17:01,900 --> 00:16:58,700

dealing with and once you know it's very

396

00:17:05,799 --> 00:17:01,910

interesting it seems that I've got a

397

00:17:08,079 --> 00:17:05,809

chrome problem and someone might have

398

00:17:11,110 --> 00:17:08,089

hacked my email I don't know how they

399

00:17:12,970 --> 00:17:11,120

did it or why they did it but it seems

400

00:17:15,340 --> 00:17:12,980

that someone wrote a script that keeps

401  
00:17:17,679 --> 00:17:15,350  
pulling this away so I don't know what's

402  
00:17:19,780 --> 00:17:17,689  
happening it's deleting it if anybody

403  
00:17:22,419 --> 00:17:19,790  
has any ideas on that let me know I'm

404  
00:17:23,949 --> 00:17:22,429  
gonna go into the chatroom and let me

405  
00:17:26,220 --> 00:17:23,959  
know if you've ever had that problem in

406  
00:17:30,370 --> 00:17:26,230  
Thunderbird where chrome seems to be

407  
00:17:34,480 --> 00:17:30,380  
sucking away all the information kind of

408  
00:17:36,160 --> 00:17:34,490  
like windows vacuum cleaner and just

409  
00:17:37,680 --> 00:17:36,170  
kind of like they do with Skype you know

410  
00:17:41,700 --> 00:17:37,690  
I'm still trying to figure that all out

411  
00:17:44,080 --> 00:17:41,710  
so anyhow I want to get to my guest and

412  
00:17:45,640 --> 00:17:44,090  
Michael are you still with me your mute

413  
00:17:47,680 --> 00:17:45,650

button just worked beautifully by the

414

00:17:48,340 --> 00:17:47,690

way I just want you to know that he's

415

00:17:51,820 --> 00:17:48,350

humble

416

00:17:53,620 --> 00:17:51,830

around for a second I'm here their yard

417

00:17:57,340 --> 00:17:53,630

all right excellent

418

00:17:59,380 --> 00:17:57,350

okay so how are you Michael oh I'm doing

419

00:18:02,860 --> 00:17:59,390

great I couldn't ask for a better spot

420

00:18:06,789 --> 00:18:02,870

to do mine to do tonight about suspended

421

00:18:10,330 --> 00:18:06,799

about 50 feet in the air and expected

422

00:18:11,950 --> 00:18:10,340

and it's just terrific it's pretty cold

423

00:18:16,659 --> 00:18:11,960

over here in Canada of course it's about

424

00:18:18,610 --> 00:18:16,669

with the windchill 12-15 tonight where

425

00:18:21,960 --> 00:18:18,620

are you in Canada what city I'm in

426

00:18:27,039 --> 00:18:21,970

Toronto Ontario Oh excellent excellent

427

00:18:29,140 --> 00:18:27,049

now are you are you a mobile person are

428

00:18:34,510 --> 00:18:29,150

you a house person how are you surviving

429

00:18:37,299 --> 00:18:34,520

these days I am yeah very nobody oh good

430

00:18:41,320 --> 00:18:37,309

I wonder dad you know I have a little

431

00:18:45,820 --> 00:18:41,330

lot garage but I traveled many years and

432

00:18:47,649 --> 00:18:45,830

RVs and I have had apartments for a few

433

00:18:50,590 --> 00:18:47,659

years here and there but well my whole

434

00:18:51,970 --> 00:18:50,600

life I've been dome addict and and I

435

00:18:54,880 --> 00:18:51,980

guess that's the way I like it

436

00:18:57,070 --> 00:18:54,890

oh I think it's amazing I love your

437

00:18:59,110 --> 00:18:57,080

lifestyle if I could do it I would but

438

00:19:01,899 --> 00:18:59,120

I'm one of these people who likes to

439

00:19:03,610 --> 00:19:01,909

have my kitty cats in my garden you know

440

00:19:06,250 --> 00:19:03,620

I'm one of those kind of people so I

441

00:19:09,520 --> 00:19:06,260

don't get to do that but boy good for

442

00:19:11,890 --> 00:19:09,530

you sounds like a lot of fun you know I

443

00:19:13,779 --> 00:19:11,900

was looking you up online because I

444

00:19:16,000 --> 00:19:13,789

couldn't find your website do you have a

445

00:19:19,539 --> 00:19:16,010

website under under construction right

446

00:19:23,919 --> 00:19:19,549

now but it is under my name Michael

447

00:19:28,270 --> 00:19:23,929

Joseph calm but I put a pseudo website

448

00:19:32,169 --> 00:19:28,280

up on the chaos group Facebook page that

449

00:19:36,100 --> 00:19:32,179

I sent you I have it I can't get any of

450

00:19:38,409 --> 00:19:36,110

my emails open right now as you've

451

00:19:41,770 --> 00:19:38,419

probably figured out and I or if I got

452

00:19:43,600 --> 00:19:41,780

it I lost it in the in the purge so I

453

00:19:45,760 --> 00:19:43,610

don't know Michael I may not have gotten

454

00:19:47,529 --> 00:19:45,770

it can you do me a favor on the break at

455

00:19:50,740 --> 00:19:47,539

the top of the hour go ahead and type it

456

00:19:52,450 --> 00:19:50,750

into the Skype chat and we'll share it

457

00:19:57,220 --> 00:19:52,460

with everybody then how's that or you

458

00:20:02,169 --> 00:19:57,230

can do a verb right now like okay let's

459

00:20:03,669 --> 00:20:02,179

see see here I'm really not familiar

460

00:20:06,489 --> 00:20:03,679

with the technology as much as I should

461

00:20:09,999 --> 00:20:06,499

like to but if you go to Facebook just

462

00:20:15,849 --> 00:20:10,009

type in my name Michael Kyle star te I

463

00:20:17,799 --> 00:20:15,859

st AR AR and I put together some some

464

00:20:22,869 --> 00:20:17,809

videos for you just specially for you

465

00:20:25,599 --> 00:20:22,879

tonight and and put them on there yes

466

00:20:26,589 --> 00:20:25,609

and but if you type Michael Bell star

467

00:20:29,649 --> 00:20:26,599

you'll get three different Facebook

468

00:20:37,779 --> 00:20:29,659

pages and my heading is chaos ooh

469

00:20:39,999 --> 00:20:37,789

888 at facebook.com Michael first okay

470

00:20:47,319 --> 00:20:40,009

we're gonna find this you guys together

471

00:20:49,449 --> 00:20:47,329

that's is that mi CH AE I te I st AR r

472

00:20:52,209 --> 00:20:49,459

is that trick that's amore

473

00:20:54,549 --> 00:20:52,219

okay that's what I'm doing and oh

474

00:20:55,989 --> 00:20:54,559

there's a dot between the Michael and

475

00:20:58,689 --> 00:20:55,999

the Telstar folks you go to

476  
00:21:04,719 --> 00:20:58,699  
facebook-dot-com forward-slash michael

477  
00:21:08,259 --> 00:21:04,729  
dot te l st 8rr michael Telstar so there

478  
00:21:09,459 --> 00:21:08,269  
you go very interesting okay I found you

479  
00:21:12,819 --> 00:21:09,469  
I'm excited

480  
00:21:14,859 --> 00:21:12,829  
alright it's okay because I the other

481  
00:21:18,789 --> 00:21:14,869  
ones are a little bit different well

482  
00:21:22,059 --> 00:21:18,799  
this it's not chaos guru this is Michael

483  
00:21:23,619 --> 00:21:22,069  
Telstar this yeah if you go down check

484  
00:21:26,829 --> 00:21:23,629  
the other pages you'll see another two

485  
00:21:32,679 --> 00:21:26,839  
pages and then one will be one will so

486  
00:21:34,959 --> 00:21:32,689  
the the chaos school it has my own

487  
00:21:37,329 --> 00:21:34,969  
information when a supernatural might

488  
00:21:41,289 --> 00:21:37,339

want to ordinary Michael and the other

489

00:21:44,229 --> 00:21:41,299

one is other bits were Michael well

490

00:21:47,139 --> 00:21:44,239

let's let's start with first of all who

491

00:21:49,389 --> 00:21:47,149

are you because I hadn't heard of you

492

00:21:51,779 --> 00:21:49,399

before it somehow you emailed me and I

493

00:21:54,729 --> 00:21:51,789

was like this guy looks interesting and

494

00:21:57,039 --> 00:21:54,739

I think I found you on Facebook actually

495

00:22:00,159 --> 00:21:57,049

is that where I found you I think so yes

496

00:22:04,029 --> 00:22:00,169

yeah and I think it was because of the

497

00:22:05,709 --> 00:22:04,039

Travis Walton I and kind of can't

498

00:22:09,069 --> 00:22:05,719

remember my boner

499

00:22:10,659 --> 00:22:09,079

yes mister where we're standing with you

500

00:22:12,189 --> 00:22:10,669

in a picture and I thought oh well if

501  
00:22:14,319 --> 00:22:12,199  
you're hanging out with those two you

502  
00:22:15,730 --> 00:22:14,329  
gotta have aliens hanging around with

503  
00:22:17,950 --> 00:22:15,740  
you that's right yeah

504  
00:22:20,200 --> 00:22:17,960  
I met Travis 25 years ago of the

505  
00:22:21,370 --> 00:22:20,210  
Mesquite Nevada at the International

506  
00:22:25,060 --> 00:22:21,380  
Eagle for conference there when Bob

507  
00:22:27,240 --> 00:22:25,070  
Brown was doing it oh yeah at the time

508  
00:22:30,010 --> 00:22:27,250  
you still a little bit a little bit

509  
00:22:33,340 --> 00:22:30,020  
somber but he seems to be a little bit

510  
00:22:35,409 --> 00:22:33,350  
more relaxed now these days I think he

511  
00:22:37,419 --> 00:22:35,419  
is you know it's interesting you said

512  
00:22:40,240 --> 00:22:37,429  
that because two or three years well I

513  
00:22:42,909 --> 00:22:40,250

met I met Travis maybe five six seven

514

00:22:45,789 --> 00:22:42,919

years ago at Congress and I walked up to

515

00:22:48,250 --> 00:22:45,799

him Michael and I said mr. Walton

516

00:22:50,230 --> 00:22:48,260

it's not so nice to meet you I would

517

00:22:51,700 --> 00:22:50,240

love to do an interview with you if you

518

00:22:53,590 --> 00:22:51,710

don't mind I'm here at the conference

519

00:22:55,960 --> 00:22:53,600

doing them in the back room and he

520

00:23:02,080 --> 00:22:55,970

looked at me and he said no I don't want

521

00:23:04,480 --> 00:23:02,090

to that's absolutely fine I have no

522

00:23:06,460 --> 00:23:04,490

problem with that and he goes great and

523

00:23:09,220 --> 00:23:06,470

that's all I said too but I walked away

524

00:23:11,710 --> 00:23:09,230

the next year I walked up to him and I

525

00:23:14,200 --> 00:23:11,720

said hi mr. wall I know you don't

526  
00:23:15,789 --> 00:23:14,210  
remember me from last year but I'm doing

527  
00:23:17,649 --> 00:23:15,799  
interviews in the back room do you want

528  
00:23:20,320 --> 00:23:17,659  
to be interviewed and he went no not

529  
00:23:21,070 --> 00:23:20,330  
really no I don't think so okay no

530  
00:23:23,500 --> 00:23:21,080  
problem

531  
00:23:24,730 --> 00:23:23,510  
third year I walk up to him and I say

532  
00:23:29,230 --> 00:23:24,740  
the same thing and he looks at me he

533  
00:23:31,330 --> 00:23:29,240  
goes you know what let's do it just took

534  
00:23:33,190 --> 00:23:31,340  
three years that's all I was just like

535  
00:23:35,110 --> 00:23:33,200  
oh my god and then we got to know each

536  
00:23:37,269 --> 00:23:35,120  
other better and I've sat with Nick's

537  
00:23:39,669 --> 00:23:37,279  
next to him at tables at different

538  
00:23:41,769 --> 00:23:39,679

conferences that I did that ya know

539

00:23:44,860 --> 00:23:41,779

Travis is a good guy really liking her

540

00:23:47,139 --> 00:23:44,870

yeah and he's finally embraced what's

541

00:23:49,810 --> 00:23:47,149

happened to him you had a whole nother

542

00:23:53,680 --> 00:23:49,820

level because you know there there is a

543

00:23:55,990 --> 00:23:53,690

thing about his experience was so

544

00:23:59,649 --> 00:23:56,000

traumatic I don't know if people get

545

00:24:01,930 --> 00:23:59,659

what it's like to be dead wake up on a

546

00:24:04,750 --> 00:24:01,940

ship have all different types of aliens

547

00:24:07,720 --> 00:24:04,760

working on yet being deposited back here

548

00:24:10,240 --> 00:24:07,730

and then to find out that all your

549

00:24:12,370 --> 00:24:10,250

buddies are being accused of murder yeah

550

00:24:15,130 --> 00:24:12,380

I mean it's just long trade everybody

551

00:24:20,620 --> 00:24:15,140

the TV was alive still oh yeah I bet

552

00:24:23,409 --> 00:24:20,630

they were I'm sure they were good oh

553

00:24:25,570 --> 00:24:23,419

yeah let's get back to you so now how

554

00:24:27,519 --> 00:24:25,580

did your you know your beginning start

555

00:24:29,590 --> 00:24:27,529

were you seeing aliens when you were a

556

00:24:31,180 --> 00:24:29,600

baby like a lot of people or

557

00:24:34,779 --> 00:24:31,190

was this something that just happened as

558

00:24:39,120 --> 00:24:34,789

you as you got older well I had some

559

00:24:43,270 --> 00:24:39,130

strange experiences when I was about

560

00:24:45,880 --> 00:24:43,280

seven eight nine ten I was in [h\_\_h]

561

00:24:50,289 --> 00:24:45,890

Maria Alberta between the ages of 10 and

562

00:24:53,020 --> 00:24:50,299

14 I did see some you know considered

563

00:24:55,600 --> 00:24:53,030

you a horse and I was in the Army Cadets

564

00:24:57,549 --> 00:24:55,610

and we go winter hiking and camping we

565

00:25:00,159 --> 00:24:57,559

stay overnight two three nights in the

566

00:25:03,250 --> 00:25:00,169

sternum at a time sky is very clear and

567

00:25:06,190 --> 00:25:03,260

we would see some actual unusual objects

568

00:25:09,669 --> 00:25:06,200

that would see motherland maybe five six

569

00:25:11,020 --> 00:25:09,679

maybe kilometers away and I wanted to go

570

00:25:13,180 --> 00:25:11,030

have a look to see whatever they were

571

00:25:15,370 --> 00:25:13,190

and a couple other guys but counselors

572

00:25:16,750 --> 00:25:15,380

told us that they were just you know

573

00:25:18,760 --> 00:25:16,760

military or whatever there is no

574

00:25:21,430 --> 00:25:18,770

military up there and this is we're

575

00:25:25,450 --> 00:25:21,440

talking about quite a while ago so I had

576

00:25:29,640 --> 00:25:25,460

repetitive dreams of objects landing for

577

00:25:33,159 --> 00:25:29,650

many years landing from nowhere stars

578

00:25:35,470 --> 00:25:33,169

seemingly dancing in the sky I will keep

579

00:25:38,020 --> 00:25:35,480

succeeding dream in year I would see the

580

00:25:40,720 --> 00:25:38,030

lights get also an ulcer to my field of

581

00:25:43,029 --> 00:25:40,730

vision and my dream on earth until the

582

00:25:46,810 --> 00:25:43,039

object would land and then eventually

583

00:25:49,779 --> 00:25:46,820

the whatever it was something would come

584

00:25:52,330 --> 00:25:49,789

out someone something on being whatever

585

00:25:54,779 --> 00:25:52,340

it come up to me and communicate with me

586

00:25:57,039 --> 00:25:54,789

this is one of the reasons why I

587

00:25:59,590 --> 00:25:57,049

probably went to the bundle Institute

588

00:26:03,909 --> 00:25:59,600

when I was 24 but originally I've become

589

00:26:06,880 --> 00:26:03,919

an escape artist I did see that I saw

590

00:26:09,700 --> 00:26:06,890

your GoFundMe page yeah and I saw some

591

00:26:11,350 --> 00:26:09,710

of the amazing magic that you do you

592

00:26:13,510 --> 00:26:11,360

know one of what the other guys it's

593

00:26:15,399 --> 00:26:13,520

very prominent in the UFO field or

594

00:26:19,090 --> 00:26:15,409

conspiracy or whatever field you want to

595

00:26:29,680 --> 00:26:19,100

call it our consciousness is paul davids

596

00:26:31,390 --> 00:26:29,690

do you know paul I don't recall him

597

00:26:34,419 --> 00:26:31,400

being at the bears or the conference's

598

00:26:36,399 --> 00:26:34,429

but yeah yeah he comes to a lot of the

599

00:26:39,310 --> 00:26:36,409

consciousness conferences more these

600

00:26:42,370 --> 00:26:39,320

days in the UFO one so yeah I bet he

601  
00:26:43,049 --> 00:26:42,380  
he's a very interesting guy - do you

602  
00:26:45,600 --> 00:26:43,059  
remember for

603  
00:26:49,440 --> 00:26:45,610  
ackerman the guy who did the monsters

604  
00:26:52,440 --> 00:26:49,450  
from TV land monster from TV land

605  
00:26:55,739 --> 00:26:52,450  
magazine yeah he was good friends with

606  
00:26:59,730 --> 00:26:55,749  
4e and he was also a magician at the

607  
00:27:02,159 --> 00:26:59,740  
Magic Castle in yes Angeles people ask

608  
00:27:04,649 --> 00:27:02,169  
me that I mean I'm not I'm not a

609  
00:27:07,409 --> 00:27:04,659  
magician I wasn't an escape artist

610  
00:27:10,289 --> 00:27:07,419  
and pattern myself after Houdini who I

611  
00:27:12,480 --> 00:27:10,299  
admired at the time and I established

612  
00:27:16,859 --> 00:27:12,490  
several World Records in the sky apology

613  
00:27:19,320 --> 00:27:16,869

and I had a desire to want to learn how

614

00:27:20,489 --> 00:27:19,330

the mind and the body worked and I did

615

00:27:25,169 --> 00:27:20,499

this for several years while I was

616

00:27:28,139 --> 00:27:25,179

having these unusual dreams of entities

617

00:27:29,460 --> 00:27:28,149

and life forms and at 24 my girlfriend

618

00:27:31,680 --> 00:27:29,470

at the time had mentioned the Monroe

619

00:27:33,149 --> 00:27:31,690

Institute and so she had told me a

620

00:27:35,430 --> 00:27:33,159

little bit about them I researched them

621

00:27:37,230 --> 00:27:35,440

and then I applied and I went up there

622

00:27:39,269 --> 00:27:37,240

to find out what happened because I was

623

00:27:43,080 --> 00:27:39,279

having a lot of but they turned at the

624

00:27:46,739 --> 00:27:43,090

time was overuse wow that's really

625

00:27:49,859 --> 00:27:46,749

amazing so um you consider yourself a

626

00:27:52,049 --> 00:27:49,869

Mentalist is that correct well people

627

00:27:54,450 --> 00:27:52,059

call me that a Mentalist but I really

628

00:27:57,419 --> 00:27:54,460

don't have a label paranormalist might

629

00:28:00,570 --> 00:27:57,429

be better or like that yeah I like that

630

00:28:03,480 --> 00:28:00,580

better I think I had paranormalist I

631

00:28:07,139 --> 00:28:03,490

don't I do energy demonstrations and I

632

00:28:09,359 --> 00:28:07,149

don't buy I don't have props and I don't

633

00:28:11,600 --> 00:28:09,369

have things when I was very young girl

634

00:28:15,960 --> 00:28:11,610

all right I may have had some things

635

00:28:19,049 --> 00:28:15,970

when I was you know 14 15 16 but then I

636

00:28:20,549 --> 00:28:19,059

realized that there was more to - there

637

00:28:23,960 --> 00:28:20,559

was there was real magic let me put it

638

00:28:25,669 --> 00:28:23,970

this way whirring when I did some

639

00:28:28,310 --> 00:28:25,679

so-called

640

00:28:31,919 --> 00:28:28,320

mentalism work mind reading or

641

00:28:34,080 --> 00:28:31,929

psychometry or predictions sometimes I

642

00:28:35,789 --> 00:28:34,090

would I didn't think I did it correctly

643

00:28:37,980 --> 00:28:35,799

but something happened where I actually

644

00:28:40,169 --> 00:28:37,990

did something that wasn't beyond what

645

00:28:43,259 --> 00:28:40,179

the effect would be so I realized that

646

00:28:46,019 --> 00:28:43,269

something was happening right so the

647

00:28:47,629 --> 00:28:46,029

magic or the mentalism the techniques I

648

00:28:51,990 --> 00:28:47,639

learned a nonverbal communication

649

00:28:55,409 --> 00:28:52,000

stimulated some area of my brain and and

650

00:28:56,890 --> 00:28:55,419

that gave me a hypersensitivity I also

651  
00:28:58,600 --> 00:28:56,900  
my father

652  
00:29:01,960 --> 00:28:58,610  
took me to the park institute when I was

653  
00:29:04,360 --> 00:29:01,970  
14 and this is of something a different

654  
00:29:08,140 --> 00:29:04,370  
but I was back those with Asperger's

655  
00:29:13,390 --> 00:29:08,150  
syndrome a little further back oh sure I

656  
00:29:15,100 --> 00:29:13,400  
thought every contact he had it you know

657  
00:29:17,770 --> 00:29:15,110  
it's a it's a neurological condition

658  
00:29:19,150 --> 00:29:17,780  
another psychological condition and they

659  
00:29:21,240 --> 00:29:19,160  
thought it was autistic but my father

660  
00:29:25,650 --> 00:29:21,250  
thought it was something all of me right

661  
00:29:28,090 --> 00:29:25,660  
15 and so he took me to see these

662  
00:29:30,670 --> 00:29:28,100  
psychiatrists had to trick me to take me

663  
00:29:34,600 --> 00:29:30,680

there and they asked me questions and so

664

00:29:36,190 --> 00:29:34,610

hundred questions it allows and and he

665

00:29:38,170 --> 00:29:36,200

took me there because he told them some

666

00:29:41,170 --> 00:29:38,180

unusual things that I was talking about

667

00:29:43,480 --> 00:29:41,180

and them seemed to make sense to him

668

00:29:45,700 --> 00:29:43,490

and in the long run they told them it

669

00:29:47,140 --> 00:29:45,710

was fine but they wanted to him to come

670

00:29:51,610 --> 00:29:47,150

back the next day to find out why he

671

00:29:54,010 --> 00:29:51,620

thought I was so different so in a way

672

00:29:55,720 --> 00:29:54,020

in a way that when I heard that happened

673

00:29:57,850 --> 00:29:55,730

you know I won't execute if I can't see

674

00:29:59,350 --> 00:29:57,860

repeat what he said to them right but he

675

00:30:01,960 --> 00:29:59,360

basically said that I fooled three

676

00:30:04,240 --> 00:30:01,970

trained psychiatrists you know at the

677

00:30:06,010 --> 00:30:04,250

thinking that I was normal whatever but

678

00:30:08,530 --> 00:30:06,020

they identified with having this

679

00:30:10,180 --> 00:30:08,540

condition of sensitivity which I didn't

680

00:30:12,580 --> 00:30:10,190

know what it was at the time either and

681

00:30:14,050 --> 00:30:12,590

I want you to know that out of about a

682

00:30:16,720 --> 00:30:14,060

hundred interviews that I've done and

683

00:30:19,540 --> 00:30:16,730

the pass you're the first person on

684

00:30:22,120 --> 00:30:19,550

radio but I have admitted to that

685

00:30:24,850 --> 00:30:22,130

condition so this is not something that

686

00:30:27,430 --> 00:30:24,860

I have ever admitted to anyone and maybe

687

00:30:29,680 --> 00:30:27,440

two or three people in my entire life

688

00:30:31,780 --> 00:30:29,690

now even my girlfriend of 14 years now

689

00:30:34,570 --> 00:30:31,790

but even not even some of my best

690

00:30:36,700 --> 00:30:34,580

friends now and because it's something

691

00:30:38,740 --> 00:30:36,710

they don't understand yeah yeah

692

00:30:40,450 --> 00:30:38,750

absolutely I want to thank you for

693

00:30:41,740 --> 00:30:40,460

sharing that on the show tonight you

694

00:30:43,930 --> 00:30:41,750

know I thought I'd LinkedIn it because

695

00:30:46,660 --> 00:30:43,940

it's a it's a first time ever

696

00:30:49,090 --> 00:30:46,670

now it's revealed no it's not this is a

697

00:30:51,280 --> 00:30:49,100

sensitivity that that can make you go

698

00:30:53,740 --> 00:30:51,290

over the minute bananas a little bit

699

00:30:55,480 --> 00:30:53,750

crazy but it's a very strange thing and

700

00:30:57,310 --> 00:30:55,490

it's it's not a psychological statement

701  
00:30:58,980 --> 00:30:57,320  
so no illogical but they did give me

702  
00:31:01,680 --> 00:30:58,990  
drug progressive percent

703  
00:31:04,560 --> 00:31:01,690  
get pumps inspiration to help you do

704  
00:31:06,690 --> 00:31:04,570  
insurance stuff okay time out you gotta

705  
00:31:08,100 --> 00:31:06,700  
let your budget be the boss of you take

706  
00:31:09,930 --> 00:31:08,110  
control with progressives name your

707  
00:31:11,549 --> 00:31:09,940  
price tool tell us what you want to pay

708  
00:31:13,470 --> 00:31:11,559  
for car insurance and we'll help you

709  
00:31:15,330 --> 00:31:13,480  
find options that fit your budget here's

710  
00:31:16,950 --> 00:31:15,340  
some music to get you pumped get out

711  
00:31:19,860 --> 00:31:16,960  
into don't don't--i don't gain gain I

712  
00:31:21,780 --> 00:31:19,870  
hear your budget laughing at you oh wait

713  
00:31:23,250 --> 00:31:21,790

that's just those kids laughing at me

714

00:31:24,780 --> 00:31:23,260

ignore them

715

00:31:26,040 --> 00:31:24,790

don't get aggressive casualty insurance

716

00:31:30,870 --> 00:31:26,050

company and affiliates price and cover

717

00:31:33,930 --> 00:31:30,880

denied limited by state law try to

718

00:31:36,210 --> 00:31:33,940

diminish it and and and I did go on them

719

00:31:37,380 --> 00:31:36,220

and I got off them until I learned what

720

00:31:39,890 --> 00:31:37,390

it was about and then I went to the

721

00:31:42,600 --> 00:31:39,900

lungo and that kind of helped me a lot

722

00:31:46,460 --> 00:31:42,610

exactly yeah because you know what I

723

00:31:52,470 --> 00:31:46,470

really believe Asperger's is is a -

724

00:31:56,150 --> 00:31:52,480

sensitivity - telepathy empathy it can

725

00:31:59,240 --> 00:31:56,160

be many things you know everybody I know

726

00:32:02,400 --> 00:31:59,250

that is a contact II that is brilliant

727

00:32:04,410 --> 00:32:02,410

has Asperger's every single it's

728

00:32:06,870 --> 00:32:04,420

unfortunately a lot of people who's

729

00:32:08,580 --> 00:32:06,880

probably a thousand thousand people that

730

00:32:10,320 --> 00:32:08,590

are in institutions that should not be

731

00:32:12,150 --> 00:32:10,330

there that are drugged up so bad that

732

00:32:14,460 --> 00:32:12,160

they can't even feel the cut they're

733

00:32:16,260 --> 00:32:14,470

holding the drink water time because

734

00:32:18,600 --> 00:32:16,270

they if the dolls are sense is so

735

00:32:21,500 --> 00:32:18,610

tremendously and I could get off that

736

00:32:24,270 --> 00:32:21,510

stuff willing me unconsciously once I

737

00:32:26,970 --> 00:32:24,280

develop it we'll see that's the thing

738

00:32:28,860 --> 00:32:26,980

you've got a very strong mind and that's

739

00:32:30,740 --> 00:32:28,870

what it takes and every one of the

740

00:32:34,049 --> 00:32:30,750

people I know that have this condition

741

00:32:35,370 --> 00:32:34,059

has told me Laurie and I once I figured

742

00:32:38,370 --> 00:32:35,380

out what it was

743

00:32:40,260 --> 00:32:38,380

I'm smart enough to handle it I'm smart

744

00:32:44,220 --> 00:32:40,270

enough to make it part of my personality

745

00:32:47,310 --> 00:32:44,230

Who I am how I think what I do how I

746

00:32:50,970 --> 00:32:47,320

approach people it just becomes part of

747

00:32:53,220 --> 00:32:50,980

them and it and once you accept it it's

748

00:32:55,260 --> 00:32:53,230

actually a blessing you know a lot of

749

00:32:56,610 --> 00:32:55,270

people a lot of doctors a lot of

750

00:32:59,070 --> 00:32:56,620

psychiatrists a lot of people

751  
00:33:00,330 --> 00:32:59,080  
fortunately they won't be sometimes as

752  
00:33:02,130 --> 00:33:00,340  
fortunate and they're going to think

753  
00:33:04,549 --> 00:33:02,140  
it's some sort of a mental condition as

754  
00:33:06,210 --> 00:33:04,559  
opposed to a neurological one and

755  
00:33:08,310 --> 00:33:06,220  
they're not going to look at the

756  
00:33:10,950 --> 00:33:08,320  
extrasensory or extra sensitive

757  
00:33:12,110 --> 00:33:10,960  
perception and and that's the way the

758  
00:33:16,260 --> 00:33:12,120  
pharmaceuticals are

759  
00:33:18,690 --> 00:33:16,270  
yeah wait terrible they're just terrible

760  
00:33:20,580 --> 00:33:18,700  
you know I'm uh I don't admit this much

761  
00:33:22,080 --> 00:33:20,590  
on air either but I'm gonna tell you

762  
00:33:25,980 --> 00:33:22,090  
Michael since you've done it I'm gonna

763  
00:33:28,470 --> 00:33:25,990

do it - I'm a very empathic person to

764

00:33:30,840 --> 00:33:28,480

the point where they thought something

765

00:33:33,330 --> 00:33:30,850

was wrong with me - because one of my

766

00:33:36,000 --> 00:33:33,340

problems was every time someone was sick

767

00:33:38,070 --> 00:33:36,010

around me I didn't see ghosts but if

768

00:33:42,180 --> 00:33:38,080

someone had cancer I would be getting

769

00:33:44,580 --> 00:33:42,190

sick I would I could feel people's pain

770

00:33:47,850 --> 00:33:44,590

I could just tell that their they had an

771

00:33:50,790 --> 00:33:47,860

emotional issue and I could if they were

772

00:33:53,520 --> 00:33:50,800

angry I would be hiding in the corners

773

00:33:56,910 --> 00:33:53,530

if they were you know I mean just I was

774

00:33:58,800 --> 00:33:56,920

I was a little weird as a kid - and they

775

00:33:59,580 --> 00:33:58,810

never diagnosed me with Asperger's that

776

00:34:02,370 --> 00:33:59,590

I know of

777

00:34:05,580 --> 00:34:02,380

but they always said oh she's too

778

00:34:08,130 --> 00:34:05,590

sensitive she can't do this yeah yeah

779

00:34:11,280 --> 00:34:08,140

you know whatever and it's just because

780

00:34:14,340 --> 00:34:11,290

I like I'm gonna give you one example a

781

00:34:16,680 --> 00:34:14,350

friend of mine went camping with us and

782

00:34:19,890 --> 00:34:16,690

they were leaving and they were moving

783

00:34:23,520 --> 00:34:19,900

across country I was so broken up about

784

00:34:26,070 --> 00:34:23,530

them about losing this friend I cried

785

00:34:27,930 --> 00:34:26,080

for like five days literally cried I

786

00:34:29,940 --> 00:34:27,940

just lay down in a ball and cried for

787

00:34:30,990 --> 00:34:29,950

five days as I was losing something very

788

00:34:33,210 --> 00:34:31,000

precious to me

789

00:34:37,290 --> 00:34:33,220

and my parents thought I was crazy

790

00:34:39,540 --> 00:34:37,300

because I was doing this you know and it

791

00:34:43,380 --> 00:34:39,550

was because I was missing that person

792

00:34:45,540 --> 00:34:43,390

already and very emotional / at least I

793

00:34:48,060 --> 00:34:45,550

was I mean I'm 60 now so I've got a

794

00:34:50,100 --> 00:34:48,070

handle on it but man I'm telling you the

795

00:34:54,480 --> 00:34:50,110

first 15 years of my life were an

796

00:34:56,310 --> 00:34:54,490

emotional roller coaster yeah yeah but

797

00:35:06,240 --> 00:34:56,320

I'm sure they were the same for you

798

00:35:08,580 --> 00:35:06,250

you know yes but I well that worked

799

00:35:11,940 --> 00:35:08,590

wonders for you and I gotta say you know

800

00:35:15,090 --> 00:35:11,950

I was fascinated by your escape artist

801  
00:35:19,950 --> 00:35:15,100  
routines now you you actually did a lot

802  
00:35:25,059 --> 00:35:23,380  
you did the water tank what is it what

803  
00:35:28,839 --> 00:35:25,069  
is the water tank called I can never

804  
00:35:32,170 --> 00:35:28,849  
remember well my fact that he called you

805  
00:35:35,890 --> 00:35:32,180  
they haven't recovered at times a lot of

806  
00:35:39,099 --> 00:35:35,900  
course others but it's a basically I

807  
00:35:44,829 --> 00:35:39,109  
think a lot of where certain bird upside

808  
00:35:47,410 --> 00:35:44,839  
down blocking channels like pink and

809  
00:35:49,660 --> 00:35:47,420  
then you have to try to attempt to make

810  
00:35:52,359 --> 00:35:49,670  
your escape thing is as mine skips are

811  
00:35:54,010 --> 00:35:52,369  
real and evolutions the real escapes and

812  
00:35:56,680 --> 00:35:54,020  
some of them I'll do right in front of

813  
00:36:00,130 --> 00:35:56,690

the audience there is footage on YouTube

814

00:36:02,319 --> 00:36:00,140

that shows me doing my escapes in full

815

00:36:04,960 --> 00:36:02,329

view as a postal Houdini having it

816

00:36:06,849 --> 00:36:04,970

covered by a curtain and I think he lost

817

00:36:09,400 --> 00:36:06,859

a lot of that but he did it maybe to

818

00:36:11,700 --> 00:36:09,410

retain a secret but there is no more

819

00:36:14,680 --> 00:36:11,710

secret you really do have to escape oh

820

00:36:17,710 --> 00:36:14,690

yeah so my escapes were done without a

821

00:36:19,150 --> 00:36:17,720

curtain only for views that people could

822

00:36:23,170 --> 00:36:19,160

she just fell difficult it was to get

823

00:36:25,930 --> 00:36:23,180

out or to do it yes absolutely

824

00:36:27,819 --> 00:36:25,940

wow that's really cool I hope everybody

825

00:36:36,760 --> 00:36:27,829

goes online and finds that now how do

826

00:36:39,039 --> 00:36:36,770

they find that is it only if they great

827

00:36:40,990 --> 00:36:39,049

okay now remember everyone it's Michael

828

00:36:43,029 --> 00:36:41,000

just like it's usually spelled but the

829

00:36:50,799 --> 00:36:43,039

last name is a little different it's te

830

00:36:53,319 --> 00:36:50,809

I st a our our star with two hearts okay

831

00:37:00,700 --> 00:36:53,329

so that's how you gotta find them now

832

00:37:03,730 --> 00:37:00,710

let's oh this is true yes that's

833

00:37:06,670 --> 00:37:03,740

something that I I did started doing

834

00:37:09,160 --> 00:37:06,680

when I was very young and contrary to

835

00:37:12,069 --> 00:37:09,170

popular belief people have that ability

836

00:37:14,529 --> 00:37:12,079

and I had a lot of

837

00:37:18,730 --> 00:37:14,539

hyperactive energy and I would have had

838

00:37:20,650 --> 00:37:18,740

physical things around me um and I

839

00:37:23,500 --> 00:37:20,660

learned how to focus that energy when I

840

00:37:26,019 --> 00:37:23,510

went to the moon roll at the second time

841

00:37:27,640 --> 00:37:26,029

I went up there and mr. Monroe was one

842

00:37:32,710 --> 00:37:27,650

of my mentors and idols at the time

843

00:37:33,710 --> 00:37:32,720

still is and you can affect let me put

844

00:37:35,930 --> 00:37:33,720

it this way you can affect the

845

00:37:38,270 --> 00:37:35,940

molecules and the energy thoughts are

846

00:37:39,830 --> 00:37:38,280

things spots are energy and people can

847

00:37:43,370 --> 00:37:39,840

project the plots and and energy to

848

00:37:46,010 --> 00:37:43,380

affect others so for example I can touch

849

00:37:47,450 --> 00:37:46,020

you from 25 feet away I can have you

850

00:37:50,270 --> 00:37:47,460

smelling a scent from something that

851  
00:37:53,380 --> 00:37:50,280  
doesn't exist right and these are things

852  
00:37:55,880 --> 00:37:53,390  
that can actually do and I have done

853  
00:37:58,310 --> 00:37:55,890  
internationally or for conference that

854  
00:38:00,560 --> 00:37:58,320  
was running walking Nevada by Bob Brown

855  
00:38:03,680 --> 00:38:00,570  
I attended about 14 of them and I

856  
00:38:05,300 --> 00:38:03,690  
demonstrated disability and I have just

857  
00:38:07,910 --> 00:38:05,310  
come up to me and asked what can i buy

858  
00:38:09,530 --> 00:38:07,920  
this I says look Mac you can buy it you

859  
00:38:11,330 --> 00:38:09,540  
got to go to the Monroe or you got to be

860  
00:38:15,110 --> 00:38:11,340  
born with it or you just got to do it

861  
00:38:17,600 --> 00:38:15,120  
right yes but I had people offer me more

862  
00:38:21,050 --> 00:38:17,610  
figures and how I will do something and

863  
00:38:23,570 --> 00:38:21,060

I says I can't sell it to you otherwise

864

00:38:26,240 --> 00:38:23,580

I would be but I can have you hold a key

865

00:38:27,830 --> 00:38:26,250

or spoon and you can hold it and I can

866

00:38:33,410 --> 00:38:27,840

bend it in front of everybody without

867

00:38:35,570 --> 00:38:33,420

touching it Wow yeah yeah and I have and

868

00:38:39,590 --> 00:38:35,580

I have done this and it's a part of your

869

00:38:44,990 --> 00:38:39,600

energy you have it I have it and I call

870

00:38:46,100 --> 00:38:45,000

it remain telekinesis right um and and I

871

00:38:48,440 --> 00:38:46,110

guess she didn't have the chance to see

872

00:38:51,320 --> 00:38:48,450

my background but I took dr. David Moore

873

00:38:55,130 --> 00:38:51,330

else's master's program and back in 2001

874

00:38:57,440 --> 00:38:55,140

and so I'm very adept at that also but I

875

00:39:02,030 --> 00:38:57,450

call it remote telekinesis and remote

876

00:39:04,220 --> 00:39:02,040

touching Wow know how to do this like I

877

00:39:06,260 --> 00:39:04,230

don't know how you'd be able to do it

878

00:39:08,360 --> 00:39:06,270

I could show some people and some people

879

00:39:10,550 --> 00:39:08,370

can do it right away and some people

880

00:39:12,170 --> 00:39:10,560

takes a little longer but I but I've

881

00:39:14,210 --> 00:39:12,180

done over 2,000 programs where I've

882

00:39:16,460 --> 00:39:14,220

actually told people but they're more

883

00:39:18,050 --> 00:39:16,470

than physical selves because were more

884

00:39:19,910 --> 00:39:18,060

than physical solids that can experience

885

00:39:23,150 --> 00:39:19,920

other energies and energy systems and

886

00:39:25,280 --> 00:39:23,160

all that that can make them not do it

887

00:39:27,020 --> 00:39:25,290

unusual and amazing things and how it

888

00:39:29,240 --> 00:39:27,030

can why would you apply it or why would

889

00:39:31,340 --> 00:39:29,250

you want to use it it's up to you I

890

00:39:34,100 --> 00:39:31,350

can't say why but once you realize

891

00:39:35,780 --> 00:39:34,110

you're more than your physical self and

892

00:39:37,370 --> 00:39:35,790

increase your self-esteem and confidence

893

00:39:40,060 --> 00:39:37,380

and you can use it for you and perhaps

894

00:39:42,740 --> 00:39:40,070

sell feeling or helping others

895

00:39:45,160 --> 00:39:42,750

absolutely yeah this is my goal this has

896

00:39:47,390 --> 00:39:45,170

been my goal for the past three decades

897

00:39:50,089 --> 00:39:47,400

you know

898

00:39:51,200 --> 00:39:50,099

banana skateboarders for a long time my

899

00:39:54,559 --> 00:39:51,210

name by the way

900

00:39:56,269 --> 00:39:54,569

it had that chance you Scott free for 15

901  
00:39:59,510 --> 00:39:56,279  
years I took the name after a super girl

902  
00:40:00,380 --> 00:39:59,520  
from a comic book Scott free master

903  
00:40:05,900 --> 00:40:00,390  
escape artist

904  
00:40:08,390 --> 00:40:05,910  
and so I I liked it you know for six 15

905  
00:40:12,859 --> 00:40:08,400  
16 years and then I changed it to my

906  
00:40:15,380 --> 00:40:12,869  
birthday Michael Kosta oh that is

907  
00:40:17,390 --> 00:40:15,390  
wonderful I did see the scot-free and I

908  
00:40:19,190 --> 00:40:17,400  
thought wow that is a great name

909  
00:40:21,950 --> 00:40:19,200  
you're scot-free I love it that's

910  
00:40:22,760 --> 00:40:21,960  
weren't able to see my birth sign Friday

911  
00:40:27,920 --> 00:40:22,770  
the 13th

912  
00:40:30,710 --> 00:40:27,930  
what does that make you I mean what

913  
00:40:33,769 --> 00:40:30,720

month and what good I mean are you do i

914

00:40:35,420 --> 00:40:33,779

I have I have a 2% of the days I have

915

00:40:38,089 --> 00:40:35,430

one for the 12th but I have one for the

916

00:40:40,400 --> 00:40:38,099

13th for some reason the Roman Catholic

917

00:40:46,640 --> 00:40:40,410

minister she can't the one for the 13th

918

00:40:50,870 --> 00:40:46,650

on the Friday but you're still you're

919

00:40:54,859 --> 00:40:50,880

still a cancer right I mean yes I am a

920

00:40:56,710 --> 00:40:54,869

yet summer I love to some I I could

921

00:40:59,150 --> 00:40:56,720

withstand extremely cold temperatures

922

00:41:07,010 --> 00:40:59,160

but I love the summer time that I am a

923

00:41:10,160 --> 00:41:07,020

seminar great information now I want to

924

00:41:12,470 --> 00:41:10,170

know something I when I saw you bending

925

00:41:14,539 --> 00:41:12,480

that key in that woman's it was either

926

00:41:16,730 --> 00:41:14,549

in your hand or a woman's head I want

927

00:41:17,140 --> 00:41:16,740

you to begin cosmic exploit a few years

928

00:41:20,240 --> 00:41:17,150

old

929

00:41:24,589 --> 00:41:20,250

exactly I really cuz I first plenty did

930

00:41:26,660 --> 00:41:24,599

in Canada in fact oh great okay so

931

00:41:30,349 --> 00:41:26,670

you're standing there though but the key

932

00:41:32,930 --> 00:41:30,359

seem to kinda it just you put your hand

933

00:41:35,150 --> 00:41:32,940

over the top of it did you touch it no

934

00:41:37,099 --> 00:41:35,160

did you have your hand away from it I go

935

00:41:40,099 --> 00:41:37,109

I never touched Acadia they had the key

936

00:41:42,589 --> 00:41:40,109

they brought the key up I I invite

937

00:41:45,260 --> 00:41:42,599

people to bring up I can't I can't do

938

00:41:48,140 --> 00:41:45,270

this I'm limited right I'm not a bit

939

00:41:51,410 --> 00:41:48,150

than I'm not I'm not ugly Colton I don't

940

00:41:53,930 --> 00:41:51,420

have unlimited power energy I have a lot

941

00:41:55,549 --> 00:41:53,940

when I catch you know I say to people

942

00:41:58,099 --> 00:41:55,559

look you could love to do it but this is

943

00:42:00,589 --> 00:41:58,109

technique and and I really don't

944

00:42:01,339 --> 00:42:00,599

understand how I do it I just have an

945

00:42:02,989 --> 00:42:01,349

idea of the

946

00:42:05,089 --> 00:42:02,999

technique that I'm using but I still

947

00:42:09,529 --> 00:42:05,099

don't quite understand exactly how it

948

00:42:12,079 --> 00:42:09,539

works okay just to let you know I mean

949

00:42:14,450 --> 00:42:12,089

I'm not a hundred percent sure you know

950

00:42:16,549 --> 00:42:14,460

how it works but I can I wish I could

951  
00:42:18,200 --> 00:42:16,559  
show you and I'm sure I'll make you one

952  
00:42:20,479 --> 00:42:18,210  
day and I will show you and I will

953  
00:42:21,859 --> 00:42:20,489  
actually show you the technique and how

954  
00:42:25,160 --> 00:42:21,869  
to move a piece of paper and if they

955  
00:42:28,069 --> 00:42:25,170  
never knew Wow if you know how to do

956  
00:42:28,670 --> 00:42:28,079  
that too and my OS oh I'm so excited I

957  
00:42:31,519 --> 00:42:28,680  
can't wait

958  
00:42:33,910 --> 00:42:31,529  
it's gonna be fun but you know the

959  
00:42:37,099 --> 00:42:33,920  
interesting part about this is I think

960  
00:42:38,839 --> 00:42:37,109  
that you should be I mean this is just

961  
00:42:40,940 --> 00:42:38,849  
my opinion Michael is there any

962  
00:42:42,829 --> 00:42:40,950  
scientist in your area that could

963  
00:42:46,969 --> 00:42:42,839

measure the kind of energy that's coming

964

00:42:57,920 --> 00:42:46,979

off of you in the to get that done oh

965

00:43:00,380 --> 00:42:57,930

yeah yeah I mean I get in the shape and

966

00:43:03,170 --> 00:43:00,390

the shape book [h\_\_h] there's a time that

967

00:43:04,999 --> 00:43:03,180

after a lot of practice I can also get

968

00:43:07,729 --> 00:43:05,009

into the output and that adrenaline

969

00:43:10,160 --> 00:43:07,739

state while I'm free so my mind is awake

970

00:43:16,400 --> 00:43:10,170

in my body system I learn how to do that

971

00:43:18,170 --> 00:43:16,410

to the model and practice but my part of

972

00:43:21,319 --> 00:43:18,180

my brain on the right side is the

973

00:43:22,759 --> 00:43:21,329

suitable cortex ISM it stimulated that

974

00:43:25,999 --> 00:43:22,769

the money I'm going to do divinity

975

00:43:27,680 --> 00:43:26,009

imaging scan their special catchment

976  
00:43:30,289 --> 00:43:27,690  
controllers that environmental chamber

977  
00:43:32,180 --> 00:43:30,299  
the master shampoo and they recorded my

978  
00:43:34,130 --> 00:43:32,190  
areas of the brain that was stimulated

979  
00:43:40,299 --> 00:43:34,140  
when I was having the remote viewing

980  
00:43:43,219 --> 00:43:40,309  
session or other bodies and people whose

981  
00:43:45,440 --> 00:43:43,229  
Lorien they're just not aware you know

982  
00:43:47,180 --> 00:43:45,450  
they're not actually aware that you

983  
00:43:48,950 --> 00:43:47,190  
become conscious and aware of it and you

984  
00:43:51,170 --> 00:43:48,960  
didn't want to learn it but opinions

985  
00:43:52,069 --> 00:43:51,180  
that like a bodybuilder I became

986  
00:43:55,880 --> 00:43:52,079  
obsessed with it

987  
00:43:57,559 --> 00:43:55,890  
by 2020 20 years old you know by the

988  
00:44:00,319 --> 00:43:57,569

time I was 20 I was obsessed with

989

00:44:02,779 --> 00:44:00,329

developing this it's my own physical

990

00:44:03,709 --> 00:44:02,789

ability and I would practice and solo

991

00:44:06,559 --> 00:44:03,719

self-employed

992

00:44:08,569 --> 00:44:06,569

doing my escapes and other stuff I would

993

00:44:11,930 --> 00:44:08,579

crack this morning noon and night just

994

00:44:14,810 --> 00:44:11,940

be able to shut it shut it off and bring

995

00:44:18,020 --> 00:44:14,820

it on at all which I can do today and

996

00:44:22,760 --> 00:44:18,030

in hospitals I played enough tricks for

997

00:44:25,520 --> 00:44:22,770

the doctor standing by oh stop I do that

998

00:44:27,140 --> 00:44:25,530

page you get a couple of nurses have

999

00:44:29,900 --> 00:44:27,150

them take my pulses and I'll get them to

1000

00:44:31,610 --> 00:44:29,910

speed up and slow down and you stop over

1001  
00:44:34,850 --> 00:44:31,620  
at the same time and that's an autonomic

1002  
00:44:36,650 --> 00:44:34,860  
nervous reflex and that's a that's a

1003  
00:44:38,810 --> 00:44:36,660  
technique that I learned but I don't

1004  
00:44:41,660 --> 00:44:38,820  
know how I do it either I guess no I do

1005  
00:44:44,570 --> 00:44:41,670  
it exactly and I'm gonna tell you

1006  
00:44:47,030 --> 00:44:44,580  
something I was a professional dancer

1007  
00:45:07,790 --> 00:44:47,040  
and I used to have to be in my body or

1008  
00:45:12,860 --> 00:45:07,800  
out of my body or whatever I'm sorry you

1009  
00:45:16,400 --> 00:45:12,870  
must be any high alpha state that beer I

1010  
00:45:17,870 --> 00:45:16,410  
barely hear my dear I go a little super

1011  
00:45:19,580 --> 00:45:17,880  
privation will do that for you I

1012  
00:45:21,920 --> 00:45:19,590  
wouldn't advise it but it is a great way

1013  
00:45:25,190 --> 00:45:21,930

to get a doctor state yeah I'm kind of

1014

00:45:32,180 --> 00:45:25,200

high right now to be honest yes how many

1015

00:45:33,920 --> 00:45:32,190

scratches have you had start laughing so

1016

00:45:35,870 --> 00:45:33,930

hard I'm not gonna be able dude oh okay

1017

00:45:39,080 --> 00:45:35,880

I gotta get my act together here okay so

1018

00:45:40,490 --> 00:45:39,090

as a dancer I understand what you're

1019

00:45:42,890 --> 00:45:40,500

talking about when you work with your

1020

00:45:45,230 --> 00:45:42,900

body and your body becomes like a tool

1021

00:45:47,480 --> 00:45:45,240

then your mind actually kind of

1022

00:45:50,120 --> 00:45:47,490

separates and you start learning how to

1023

00:45:53,750 --> 00:45:50,130

use your mind separate from your body

1024

00:45:55,790 --> 00:45:53,760

and people don't get that but I used to

1025

00:45:58,850 --> 00:45:55,800

get on a stage it was like my mind was

1026  
00:46:01,490 --> 00:45:58,860  
floating around on top of the body it

1027  
00:46:04,370 --> 00:46:01,500  
wasn't really part of it because my body

1028  
00:46:07,100 --> 00:46:04,380  
had to do what it had been learning for

1029  
00:46:08,990 --> 00:46:07,110  
months and it was thinking about

1030  
00:46:10,220 --> 00:46:09,000  
something completely different than

1031  
00:46:12,920 --> 00:46:10,230  
moving my arm

1032  
00:46:15,260 --> 00:46:12,930  
it was thinking oh don't forget you got

1033  
00:46:17,720 --> 00:46:15,270  
to be over here at this point and don't

1034  
00:46:23,000 --> 00:46:17,730  
forget that salsas picking me up at this

1035  
00:46:26,600 --> 00:46:23,010  
point and you know do double ring with

1036  
00:46:27,960 --> 00:46:26,610  
it guys change yeah yeah I was in a

1037  
00:46:29,910 --> 00:46:27,970  
ballet company and then

1038  
00:46:35,370 --> 00:46:29,920

was in a jazz company and then I had my

1039

00:46:37,950 --> 00:46:35,380

own modern dance company everybody yes

1040

00:46:40,200 --> 00:46:37,960

you either have to be synchronous or you

1041

00:46:42,900 --> 00:46:40,210

have to be a soloist I mean it's kind of

1042

00:46:46,380 --> 00:46:42,910

like got to do everything you know and

1043

00:46:48,150 --> 00:46:46,390

it but the brain does separate and you

1044

00:46:50,940 --> 00:46:48,160

know people talking about that as being

1045

00:46:54,060 --> 00:46:50,950

in the zone in sports yeah I call the

1046

00:46:56,099 --> 00:46:54,070

game zone yeah yeah yeah gymnasts do it

1047

00:46:58,020 --> 00:46:56,109

all the time and they do it naturally

1048

00:47:00,390 --> 00:46:58,030

because they're the same thing their

1049

00:47:05,040 --> 00:47:00,400

body's trained to do one thing that's

1050

00:47:06,780 --> 00:47:05,050

only after exam dance for a hundred a

1051

00:47:08,849 --> 00:47:06,790

thousand our people think it's

1052

00:47:11,970 --> 00:47:08,859

effortless because you just do it but

1053

00:47:14,420 --> 00:47:11,980

you practice for untold hours for days

1054

00:47:17,820 --> 00:47:14,430

months and years so your body

1055

00:47:20,250 --> 00:47:17,830

automatically is it's automatic but it's

1056

00:47:22,440 --> 00:47:20,260

taking you consciously many many many

1057

00:47:24,560 --> 00:47:22,450

hours to learn that so to the degree

1058

00:47:27,810 --> 00:47:24,570

that you can do that that's how are you

1059

00:47:29,609 --> 00:47:27,820

yeah people ask me to this date Michael

1060

00:47:32,220 --> 00:47:29,619

they go we're going dancing you want to

1061

00:47:34,950 --> 00:47:32,230

come with us and I go hell no I said I

1062

00:47:38,190 --> 00:47:34,960

spent eight hours a day seven days a

1063

00:47:39,960 --> 00:47:38,200

week for 3540 years in the dance room

1064

00:47:44,130 --> 00:47:39,970

the last thing I want to do is go dance

1065

00:47:48,089 --> 00:47:44,140

for fun Michigan no not at all actually

1066

00:47:55,020 --> 00:47:48,099

I thought everything on the page no no I

1067

00:47:58,560 --> 00:47:55,030

really don't I I danced till I was 35

1068

00:48:02,280 --> 00:47:58,570

and then that was no I actually danced I

1069

00:48:05,280 --> 00:48:02,290

was 33 and then when I was 33 to 42 I

1070

00:48:07,020 --> 00:48:05,290

had my own company and then at 42 you

1071

00:48:09,510 --> 00:48:07,030

was the end of it I just said that's it

1072

00:48:14,250 --> 00:48:09,520

I'm done now and the reason I don't miss

1073

00:48:17,400 --> 00:48:14,260

it Michael is because there's not a lot

1074

00:48:21,450 --> 00:48:17,410

of gratification in it because it's a

1075

00:48:23,640 --> 00:48:21,460

it's a self propelling thing and you

1076

00:48:30,030 --> 00:48:23,650

know unless you're a ballerina star

1077

00:48:36,060 --> 00:48:30,040

there's really nowhere to go with it it

1078

00:48:39,210 --> 00:48:36,070

was when I was younger yes yes oh yeah I

1079

00:48:40,650 --> 00:48:39,220

also was a tap dancer a belly dancer

1080

00:48:44,609 --> 00:48:40,660

which that's good

1081

00:48:46,740 --> 00:48:44,619

you very well yeah I was a jazz dancer I

1082

00:48:52,740 --> 00:48:46,750

did all I did everything I was in three

1083

00:48:55,020 --> 00:48:52,750

companies at one point yeah I did I had

1084

00:48:57,779 --> 00:48:55,030

a blast I tell people I really had a

1085

00:49:00,900 --> 00:48:57,789

blast but by the time I was 42 I

1086

00:49:03,000 --> 00:49:00,910

realized that it's a self you know it's

1087

00:49:04,440 --> 00:49:03,010

kind of like a self emulating thing you

1088

00:49:08,849 --> 00:49:04,450

know it's not something you do for

1089

00:49:11,490 --> 00:49:08,859

others and and I realized that I needed

1090

00:49:13,680 --> 00:49:11,500

to do something for others and I kind of

1091

00:49:16,170 --> 00:49:13,690

stumbled into this world and I don't

1092

00:49:19,500 --> 00:49:16,180

know how I I do know who he damaged your

1093

00:49:25,260 --> 00:49:19,510

way into it I did I kind of am realizing

1094

00:49:26,789 --> 00:49:25,270

it you just kind of yeah to a beat of a

1095

00:49:30,450 --> 00:49:26,799

different drum as they said sure but

1096

00:49:31,980 --> 00:49:30,460

yeah one day I woke up and something

1097

00:49:34,740 --> 00:49:31,990

happened and I said I'm gonna do

1098

00:49:37,289 --> 00:49:34,750

something different and and you know so

1099

00:49:39,630 --> 00:49:37,299

there I was but the UFO community is a

1100

00:49:41,010 --> 00:49:39,640

very interesting place to be because

1101

00:49:42,960 --> 00:49:41,020

it's I don't know if you've been

1102

00:49:45,240 --> 00:49:42,970

following this Michael are you following

1103

00:49:48,329 --> 00:49:45,250

the disclosure that's going on right now

1104

00:49:52,559 --> 00:49:48,339

yes even Greer and I have been following

1105

00:49:54,779 --> 00:49:52,569

it religiously you know it's just one of

1106

00:49:58,349 --> 00:49:54,789

those things that I I got connected to

1107

00:50:00,200 --> 00:49:58,359

of I guess I started talking about et's

1108

00:50:03,089 --> 00:50:00,210

millions you know when I was uh

1109

00:50:04,740 --> 00:50:03,099

seventeen eighteen and then people were

1110

00:50:06,539 --> 00:50:04,750

probably dying before that and after a

1111

00:50:08,309 --> 00:50:06,549

while I didn't care because I knew that

1112

00:50:10,319 --> 00:50:08,319

there was there was something there and

1113

00:50:11,700 --> 00:50:10,329

I would talk about it and then after

1114

00:50:15,240 --> 00:50:11,710

that people didn't put me down anymore

1115

00:50:17,970 --> 00:50:15,250

but you know I wasn't afraid to speak

1116

00:50:19,650 --> 00:50:17,980

about it but that's good it didn't

1117

00:50:23,039 --> 00:50:19,660

matter to me what anyone thought because

1118

00:50:24,839 --> 00:50:23,049

I knew yeah exactly see you knew the

1119

00:50:27,059 --> 00:50:24,849

truth you knew what was happening and

1120

00:50:28,890 --> 00:50:27,069

love was good what I was told to my

1121

00:50:33,539 --> 00:50:28,900

other doctors that I wasn't mean

1122

00:50:35,880 --> 00:50:33,549

screaming that wasn't me that was good

1123

00:50:42,089 --> 00:50:35,890

yes yes that's good when they say you're

1124

00:50:43,920 --> 00:50:42,099

not a loser baby Michael what I'm asking

1125

00:50:46,500 --> 00:50:43,930

though is you've been following the

1126

00:50:50,519 --> 00:50:46,510

latest disclosure stuff with to the

1127

00:50:53,890 --> 00:50:50,529

stars Academy to Tom DeLonge yes what do

1128

00:51:00,770 --> 00:50:56,660

but there's some veracity and some truth

1129

00:51:04,549 --> 00:51:00,780

to it and you have to take it as it

1130

00:51:06,170 --> 00:51:04,559

comes right and depending on the

1131

00:51:08,599 --> 00:51:06,180

credibility of the person and the

1132

00:51:12,049 --> 00:51:08,609

reputation that's how much you can maybe

1133

00:51:14,990 --> 00:51:12,059

perhaps absorb it's always good to have

1134

00:51:17,030 --> 00:51:15,000

a skeptical side and but the thing is is

1135

00:51:19,460 --> 00:51:17,040

that it comes from individuals and

1136

00:51:24,260 --> 00:51:19,470

people that have been around for decades

1137

00:51:26,150 --> 00:51:24,270

and they don't have a ulterior motive to

1138

00:51:28,280 --> 00:51:26,160

saying it you know there have been some

1139

00:51:31,789 --> 00:51:28,290

authors out there for example any one

1140

00:51:33,950 --> 00:51:31,799

author 23 years ago who wrote a

1141

00:51:35,690 --> 00:51:33,960

completely fictional account about

1142

00:51:38,359 --> 00:51:35,700

abductions and he was at one of the Bob

1143

00:51:40,250 --> 00:51:38,369

Browns beautiful conferences in LA club

1144

00:51:42,109 --> 00:51:40,260

about it for a week and their

1145

00:51:44,299 --> 00:51:42,119

investigators did a check up background

1146

00:51:46,160 --> 00:51:44,309

on him and they found out fourth day

1147

00:51:48,589 --> 00:51:46,170

into the conference after these at his

1148

00:51:53,660 --> 00:51:48,599

talk that he was a professional science

1149

00:51:59,480 --> 00:51:53,670

fiction writer Oh was that so we char go

1150

00:52:05,569 --> 00:51:59,490

perhaps yes a friend of mine Michael

1151  
00:52:08,240 --> 00:52:05,579  
oh yeah is that the book would have sold

1152  
00:52:10,549 --> 00:52:08,250  
probably just as well but just that they

1153  
00:52:13,370 --> 00:52:10,559  
did it they did a background check Bob

1154  
00:52:14,690 --> 00:52:13,380  
Brown would do that right even even

1155  
00:52:18,440 --> 00:52:14,700  
checked my background with the mother

1156  
00:52:20,059 --> 00:52:18,450  
Institute and other things but um god

1157  
00:52:23,180 --> 00:52:20,069  
bless them I haven't seen Bob in a long

1158  
00:52:24,829 --> 00:52:23,190  
time I guess probably more than a dozen

1159  
00:52:27,890 --> 00:52:24,839  
years since his wife passed away Eric

1160  
00:52:30,589 --> 00:52:27,900  
but they were very professional so if

1161  
00:52:32,839 --> 00:52:30,599  
the person has a professional reputation

1162  
00:52:34,940 --> 00:52:32,849  
and credibility then I think though the

1163  
00:52:37,910 --> 00:52:34,950

information that they're are taking that

1164

00:52:40,250 --> 00:52:37,920

they're delivering to you probably has a

1165

00:52:43,549 --> 00:52:40,260

heck of a lot of substance to it than

1166

00:52:45,380 --> 00:52:43,559

others otherwise worth I agree with you

1167

00:52:49,099 --> 00:52:45,390

on that and the interesting thing about

1168

00:52:58,700 --> 00:52:49,109

Lee and what he did at that conference

1169

00:53:00,710 --> 00:52:58,710

because I you know for these out of the

1170

00:53:03,620 --> 00:53:00,720

week didn't anybody ever but I did like

1171

00:53:05,030 --> 00:53:03,630

the viola I still like the guy but no we

1172

00:53:07,020 --> 00:53:05,040

got a great picture of us together but

1173

00:53:09,210 --> 00:53:07,030

you know what kind of shape

1174

00:53:11,550 --> 00:53:09,220

yeah ya know that what I was gonna bring

1175

00:53:13,860 --> 00:53:11,560

up was the point that I think he went

1176

00:53:15,990 --> 00:53:13,870

into that to see how far he could you

1177

00:53:18,660 --> 00:53:16,000

know push him and see what this is they

1178

00:53:22,680 --> 00:53:18,670

never figure it out cuz I lead it he's a

1179

00:53:24,780 --> 00:53:22,690

trickster you know he might have fun

1180

00:53:27,090 --> 00:53:24,790

with it I don't think he thought they

1181

00:53:30,690 --> 00:53:27,100

would take him too seriously you know

1182

00:53:32,370 --> 00:53:30,700

yeah yeah he didn't he I don't think he

1183

00:53:35,280 --> 00:53:32,380

quite understood did you have followed

1184

00:53:37,710 --> 00:53:35,290

she hasn't scammers and that you know I

1185

00:53:39,720 --> 00:53:37,720

could do that and get away with it

1186

00:53:43,140 --> 00:53:39,730

Ryan this is like we're talking over 20

1187

00:53:46,170 --> 00:53:43,150

years ago exactly yeah it's quite a

1188

00:53:47,730 --> 00:53:46,180

while ago but a lot of people that

1189

00:53:50,580 --> 00:53:47,740

bought the stuff about his books and

1190

00:53:53,940 --> 00:53:50,590

stuff I guess the weren't too happy yeah

1191

00:53:56,390 --> 00:53:53,950

that's okay you know everybody does

1192

00:53:59,700 --> 00:53:56,400

their thing and you know I just figure

1193

00:54:02,010 --> 00:53:59,710

let bygones be bygones you know if you

1194

00:54:11,030 --> 00:54:02,020

can't see her to be never was invited to

1195

00:54:16,680 --> 00:54:14,610

I didn't speak at my last conference

1196

00:54:20,010 --> 00:54:16,690

just so you know because it was 20 years

1197

00:54:23,520 --> 00:54:20,020

since he did that at the Congress and 20

1198

00:54:27,210 --> 00:54:23,530

years since the book was the book that

1199

00:54:33,390 --> 00:54:27,220

the oh god what is his name Applewhite

1200

00:54:36,030 --> 00:54:33,400

the comet guy yeah yeah that's what it

1201  
00:54:38,310 --> 00:54:36,040  
was all about for me so I brought it to

1202  
00:54:40,860 --> 00:54:38,320  
the conference to discuss why the book

1203  
00:54:44,340 --> 00:54:40,870  
was the big apple white thing so yeah

1204  
00:54:46,770 --> 00:54:44,350  
yeah interesting well if I ever come to

1205  
00:54:49,820 --> 00:54:46,780  
one of your conferences what I'll do is

1206  
00:54:52,860 --> 00:54:49,830  
I'll have you as a volunteer right and

1207  
00:54:54,810 --> 00:54:52,870  
I'll do something extraordinary well

1208  
00:54:57,510 --> 00:54:54,820  
I'll make you move in a certain way

1209  
00:55:00,530 --> 00:54:57,520  
without telling you how or I may touch

1210  
00:55:04,610 --> 00:55:00,540  
you in a certain way from 50 feet away

1211  
00:55:08,610 --> 00:55:04,620  
yeah that's a like and you could verify

1212  
00:55:11,310 --> 00:55:08,620  
implications yeah no kidding and I

1213  
00:55:13,110 --> 00:55:11,320

learned I can do this by a teenager but

1214

00:55:15,780 --> 00:55:13,120

but but you could tell them that it's

1215

00:55:18,750 --> 00:55:15,790

not a trick or it's not something that

1216

00:55:20,030 --> 00:55:18,760

was people I mean you won't know I mean

1217

00:55:23,400 --> 00:55:20,040

you know what I'm saying

1218

00:55:24,650 --> 00:55:23,410

people I don't have accomplices I don't

1219

00:55:27,920 --> 00:55:24,660

use any Stooges

1220

00:55:31,230 --> 00:55:27,930

everybody is a complete stranger to me

1221

00:55:33,780 --> 00:55:31,240

or somebody I've never met before but I

1222

00:55:37,200 --> 00:55:33,790

really enjoy doing that and I did do

1223

00:55:39,350 --> 00:55:37,210

that actually at Bob Browns I did I did

1224

00:55:42,480 --> 00:55:39,360

appeared about 18 of his conferences

1225

00:55:44,400 --> 00:55:42,490

demonstrating these abilities but some

1226  
00:55:46,620 --> 00:55:44,410  
people in wondering what the heck am I

1227  
00:55:50,010 --> 00:55:46,630  
doing here or what am i doing there and

1228  
00:55:51,240 --> 00:55:50,020  
I did my programs there too but there's

1229  
00:55:53,190 --> 00:55:51,250  
nothing that would please me more to

1230  
00:55:55,470 --> 00:55:53,200  
tell you the truth Lorien than to be

1231  
00:55:57,750 --> 00:55:55,480  
able to share my experiences of

1232  
00:55:59,940 --> 00:55:57,760  
knowledge with people in the US and some

1233  
00:56:01,560 --> 00:55:59,950  
of these conferences I wish I could make

1234  
00:56:03,990 --> 00:56:01,570  
that happen but it's for something I've

1235  
00:56:05,670 --> 00:56:04,000  
been trying to for 20 years and for some

1236  
00:56:09,210 --> 00:56:05,680  
reason I just can't seem to break into

1237  
00:56:12,150 --> 00:56:09,220  
there well you know I understand the the

1238  
00:56:15,060 --> 00:56:12,160

problem and I think everybody needs to

1239

00:56:17,490 --> 00:56:15,070

see your GoFundMe page because I truly

1240

00:56:20,900 --> 00:56:17,500

believe that what you're doing right now

1241

00:56:23,040 --> 00:56:20,910

is very important that it's taught and

1242

00:56:25,770 --> 00:56:23,050

by the way we've got three minutes

1243

00:56:27,090 --> 00:56:25,780

before the first break and only break so

1244

00:56:30,570 --> 00:56:27,100

I just want to let you know that Michael

1245

00:56:32,130 --> 00:56:30,580

and then what do you put it back what

1246

00:56:37,770 --> 00:56:32,140

are you going to break I'm going to

1247

00:56:40,710 --> 00:56:37,780

break probably I don't know your foot no

1248

00:56:42,510 --> 00:56:40,720

no I got I got a cup of copper that I

1249

00:56:51,240 --> 00:56:42,520

want to break the cup because they need

1250

00:56:53,070 --> 00:56:51,250

more coffee but what if I can get up and

1251  
00:56:55,370 --> 00:56:53,080  
make it in that three or four minutes so

1252  
00:56:58,590 --> 00:56:55,380  
you've got at the top of the hour maybe

1253  
00:57:00,540 --> 00:56:58,600  
yeah well anyhow but I want to talk

1254  
00:57:02,790 --> 00:57:00,550  
about when we come back though I want to

1255  
00:57:06,150 --> 00:57:02,800  
get really focused here and I want us to

1256  
00:57:10,380 --> 00:57:06,160  
talk about your if you remember any of

1257  
00:57:12,090 --> 00:57:10,390  
your experiences do you have any stories

1258  
00:57:15,330 --> 00:57:12,100  
beyond just lights in the sky or

1259  
00:57:17,070 --> 00:57:15,340  
anything like we have yes great so we're

1260  
00:57:19,680 --> 00:57:17,080  
to talk about those of you come back and

1261  
00:57:22,230 --> 00:57:19,690  
you know it's so good that you were able

1262  
00:57:23,550 --> 00:57:22,240  
to get to Bob's Browns conferences all

1263  
00:57:26,580 --> 00:57:23,560

those years I think that's just

1264

00:57:30,030 --> 00:57:26,590

extraordinary do you remember a woman by

1265

00:57:33,580 --> 00:57:30,040

the name of Melinda Leslie oh yeah yeah

1266

00:57:39,010 --> 00:57:33,590

we were we were the whirlpool together

1267

00:57:43,570 --> 00:57:39,020

oh no Barry I will never tell her I know

1268

00:57:45,130 --> 00:57:43,580

that she'll remember maybe about eight

1269

00:57:47,200 --> 00:57:45,140

or nine it must be in the hot tub you

1270

00:57:48,910 --> 00:57:47,210

know after the conference you know and a

1271

00:57:51,430 --> 00:57:48,920

bunch of us be up to four or five in the

1272

00:57:53,350 --> 00:57:51,440

morning talking in the one of the you

1273

00:57:59,950 --> 00:57:53,360

know places their bars or whatever but

1274

00:58:02,050 --> 00:57:59,960

absolutely I know Melinda yes she will

1275

00:58:03,430 --> 00:58:02,060

I'm sure she will I'm talking to her

1276

00:58:06,370 --> 00:58:03,440

with the show's over time she's one of

1277

00:58:07,180 --> 00:58:06,380

my best friends was a nice lady I really

1278

00:58:09,250 --> 00:58:07,190

liked her a lot

1279

00:58:11,980 --> 00:58:09,260

yeah she's in a minute you know what I

1280

00:58:14,590 --> 00:58:11,990

mean interview I like their energy she

1281

00:58:16,630 --> 00:58:14,600

has the best energy she could be my

1282

00:58:20,050 --> 00:58:16,640

friend Michael she didn't have the best

1283

00:58:23,110 --> 00:58:20,060

energy okay so that simple and she does

1284

00:58:26,290 --> 00:58:23,120

a spoon bending workshop and I want to

1285

00:58:27,970 --> 00:58:26,300

talk a little bit about well we're

1286

00:58:29,100 --> 00:58:27,980

almost hitting the break but what do you

1287

00:58:32,680 --> 00:58:29,110

know uri geller

1288

00:58:34,690 --> 00:58:32,690

yeah I met URI uh I've been nine we

1289

00:58:37,090 --> 00:58:34,700

should be regular for 130 years now

1290

00:58:38,830 --> 00:58:37,100

oh okay what do you three do one that

1291

00:58:40,480 --> 00:58:38,840

taught me he's the one that taught me on

1292

00:58:43,120 --> 00:58:40,490

how to move that piece of paper are kind

1293

00:58:45,730 --> 00:58:43,130

of a needle when I was seven 17 18 years

1294

00:58:47,560 --> 00:58:45,740

old okay well we're going to talk about

1295

00:58:50,080 --> 00:58:47,570

that a little more when we come back

1296

00:58:52,180 --> 00:58:50,090

because I'm very curious about the way

1297

00:58:53,860 --> 00:58:52,190

he teaches and you're one of the few

1298

00:58:56,590 --> 00:58:53,870

people I know that he's ever taught

1299

00:58:59,710 --> 00:58:56,600

anything to everybody else says oh yeah

1300

00:59:01,540 --> 00:58:59,720

I saw his show or a many 'm but nobody

1301

00:59:04,120 --> 00:59:01,550

that I know has ever learned anything

1302

00:59:06,220 --> 00:59:04,130

from him so you're quite unique in that

1303

00:59:08,350 --> 00:59:06,230

category so we'll talk about that we

1304

00:59:09,940 --> 00:59:08,360

come back you know Angie let's let's

1305

00:59:12,370 --> 00:59:09,950

take it to a break because we're almost

1306

00:59:14,140 --> 00:59:12,380

at the top of the hour and we'll be back

1307

00:59:17,999 --> 00:59:14,150

in a few minutes folks with Michael

1308

00:59:22,630 --> 00:59:20,559

welcome back everyone to the California

1309

00:59:24,969 --> 00:59:22,640

MUFON radio show I'm your host Lori and

1310

00:59:27,009 --> 00:59:24,979

Fenton I'm glad you guys are with us

1311

00:59:28,749 --> 00:59:27,019

here tonight as I explained earlier this

1312

00:59:30,969 --> 00:59:28,759

show I'm a little giddy and probably

1313

00:59:34,349 --> 00:59:30,979

elucidating and that's what happens when

1314

00:59:36,849 --> 00:59:34,359

you have like over an hour's sleep and

1315

00:59:38,799 --> 00:59:36,859

I'm really happy to be with Michael

1316

00:59:41,589 --> 00:59:38,809

tonight you know I'm really kind of glad

1317

00:59:44,380 --> 00:59:41,599

that I'm out in space with Michael

1318

00:59:47,099 --> 00:59:44,390

because it's very interesting Michael

1319

00:59:49,269 --> 00:59:47,109

has had a lot of really amazing

1320

00:59:51,519 --> 00:59:49,279

experiences and you know Michael was

1321

00:59:52,839 --> 00:59:51,529

interesting about the people I know that

1322

00:59:55,539 --> 00:59:52,849

have Asperger's

1323

00:59:57,819 --> 00:59:55,549

they are amazing achievers and you

1324

01:00:01,630 --> 00:59:57,829

achieve so much when you were younger

1325

01:00:03,789 --> 01:00:01,640

with your escape artist acts and you're

1326

01:00:05,349 --> 01:00:03,799

you know you're meant if well we call

1327

01:00:13,359 --> 01:00:05,359

what are you whatever you're calling or

1328

01:00:15,519 --> 01:00:13,369

normally applications yeah I mean you've

1329

01:00:18,939 --> 01:00:15,529

really accomplished some amazing things

1330

01:00:20,709 --> 01:00:18,949

and you know I'm just really happy for

1331

01:00:24,309 --> 01:00:20,719

you that you've been able to do your

1332

01:00:26,349 --> 01:00:24,319

passion your entire life and so few

1333

01:00:29,769 --> 01:00:26,359

people get that I hope that you're aware

1334

01:00:31,660 --> 01:00:29,779

that you're very very lucky and I gotta

1335

01:00:34,719 --> 01:00:31,670

say one other thing I know from your

1336

01:00:38,019 --> 01:00:34,729

perspective it isn't always easy but I

1337

01:00:39,489 --> 01:00:38,029

can tell you this I know you already you

1338

01:00:43,599 --> 01:00:39,499

wouldn't have done anything any

1339

01:00:46,029 --> 01:00:43,609

different is that correct no yeah I

1340

01:00:50,410 --> 01:00:46,039

would have gone the same would I had

1341

01:00:53,620 --> 01:00:50,420

gone on and I discovered that being an

1342

01:00:56,439 --> 01:00:53,630

escape artist was like those Yogi's who

1343

01:01:00,459 --> 01:00:56,449

do those things were they lay on a bed

1344

01:01:03,309 --> 01:01:00,469

of nails was a type of self-portrait it

1345

01:01:05,349 --> 01:01:03,319

was something I had to go through Borean

1346

01:01:08,559 --> 01:01:05,359

in order to discipline my body and I

1347

01:01:10,029 --> 01:01:08,569

understand my mind yeah absolutely and I

1348

01:01:12,640 --> 01:01:10,039

didn't understand at the time until

1349

01:01:16,209 --> 01:01:12,650

later on I realized I had to do it you

1350

01:01:21,279 --> 01:01:16,219

know what I had to do it I had a choice

1351

01:01:24,009 --> 01:01:21,289

not to but I had to go through doing it

1352

01:01:26,259 --> 01:01:24,019

it's like being outside for four hours

1353

01:01:29,460 --> 01:01:26,269

and the freezing cold and then coming

1354

01:01:32,550 --> 01:01:29,470

inside the starlight lounge presents

1355

01:01:34,980 --> 01:01:32,560

progressive box oh what a great audience

1356

01:01:37,620 --> 01:01:34,990

let's stim the lights for this next one

1357

01:01:39,359 --> 01:01:37,630

Oh too much ah there it is

1358

01:01:41,460 --> 01:01:39,369

gotta get things just right like

1359

01:01:42,930 --> 01:01:41,470

progressives name your price tool tell

1360

01:01:44,550 --> 01:01:42,940

us what you want to pay and we help you

1361

01:01:49,500 --> 01:01:44,560

find coverage options that fit your

1362

01:01:51,450 --> 01:01:49,510

budget and now the mood is right wait

1363

01:01:53,609 --> 01:01:51,460

the lights are back on again tree can

1364

01:01:55,260 --> 01:01:53,619

you and now it's completely dark

1365

01:01:56,339 --> 01:01:55,270

progressive casualty insurance company

1366

01:02:00,150 --> 01:01:56,349

affiliates pricing coverage match

1367

01:02:04,220 --> 01:02:00,160

limited by state law appreciating that

1368

01:02:07,380 --> 01:02:04,230

difference yes so I have to do that and

1369

01:02:09,690 --> 01:02:07,390

yeah that's just the way it was yeah

1370

01:02:11,970 --> 01:02:09,700

yeah well on the break we were talking

1371

01:02:15,060 --> 01:02:11,980

about the fact that you've had some

1372

01:02:17,339 --> 01:02:15,070

amazing like alien encounters too so

1373

01:02:18,990 --> 01:02:17,349

let's get right into that because I know

1374

01:02:20,580 --> 01:02:19,000

everybody it's like going God Lord he's

1375

01:02:23,130 --> 01:02:20,590

just losing it tonight she's all over

1376

01:02:25,050 --> 01:02:23,140

the map so let's get real focused and

1377

01:02:26,910 --> 01:02:25,060

let's go right into some of your

1378

01:02:28,680 --> 01:02:26,920

encounters and you were telling me about

1379

01:02:31,820 --> 01:02:28,690

a certain one you had when you were out

1380

01:02:36,839 --> 01:02:31,830

of body that sounds fascinating I have

1381

01:02:40,520 --> 01:02:36,849

about it yeah I have some validation I

1382

01:02:43,320 --> 01:02:40,530

have some physical proof and some

1383

01:02:45,109 --> 01:02:43,330

photographs of markings over on my body

1384

01:02:48,630 --> 01:02:45,119

just to let you know about one

1385

01:02:50,220 --> 01:02:48,640

experience that I had um I guess from 20

1386

01:02:53,190 --> 01:02:50,230

to 23

1387

01:02:55,200 --> 01:02:53,200

I had these experiences where I would

1388

01:02:58,380 --> 01:02:55,210

project into the second state I call it

1389

01:03:00,720 --> 01:02:58,390

and leave my body and I would go out

1390

01:03:03,450 --> 01:03:00,730

there and I would see these objects

1391

01:03:06,480 --> 01:03:03,460

floating in the sky and one looked like

1392

01:03:08,670 --> 01:03:06,490

a colossal pyramid one looked like us it

1393

01:03:12,210 --> 01:03:08,680

was uh like a sphere one look like

1394

01:03:14,310 --> 01:03:12,220

another ship cigar shape and on one way

1395

01:03:16,920 --> 01:03:14,320

or the other and and and some of them

1396

01:03:19,859 --> 01:03:16,930

motionless not moving and some moving

1397

01:03:22,560 --> 01:03:19,869

stove so I wanted to go up there and see

1398

01:03:24,349 --> 01:03:22,570

and check what help right so I have

1399

01:03:27,900 --> 01:03:24,359

towards it and the thing would move away

1400

01:03:29,670 --> 01:03:27,910

okay so I I would I would world myself

1401

01:03:31,349 --> 01:03:29,680

it took me a while to learn how to do

1402

01:03:34,109 --> 01:03:31,359

this but I willed myself to go up there

1403

01:03:36,450 --> 01:03:34,119

and it would move away so I saw another

1404

01:03:39,870 --> 01:03:36,460

one that was closer I go towards it it

1405

01:03:42,060 --> 01:03:39,880

wouldn't believe I saw another one and I

1406

01:03:46,110 --> 01:03:42,070

tried to go towards it

1407

01:03:49,770 --> 01:03:46,120

and I willed myself to get through it

1408

01:03:53,130 --> 01:03:49,780

take it easy and it would always Oh away

1409

01:03:55,650 --> 01:03:53,140

from me right this happened for two

1410

01:03:59,340 --> 01:03:55,660

years oh wow

1411

01:04:02,850 --> 01:03:59,350

two years so so I got determined I said

1412

01:04:06,000 --> 01:04:02,860

why am I not giving why am I not getting

1413

01:04:08,850 --> 01:04:06,010

there inside there whatever it is you

1414

01:04:11,190 --> 01:04:08,860

know and and I realized that I kept

1415

01:04:12,260 --> 01:04:11,200

getting distracted from one object the

1416

01:04:16,710 --> 01:04:12,270

next

1417

01:04:18,870 --> 01:04:16,720

so I I put it in my head where in that

1418

01:04:22,710 --> 01:04:18,880

next time the next times I'm gonna

1419

01:04:25,410 --> 01:04:22,720

forget I am going to be Aaron focused so

1420

01:04:28,440 --> 01:04:25,420

that's what I did I projected I was

1421

01:04:32,270 --> 01:04:28,450

lucid I mean three four or five in the

1422

01:04:35,790 --> 01:04:32,280

morning I'm out I see something right

1423

01:04:36,180 --> 01:04:35,800

right go towards it it moves away this

1424

01:04:38,940 --> 01:04:36,190

time

1425

01:04:44,930 --> 01:04:38,950

i I what I did what I had planted an

1426

01:04:48,180 --> 01:04:44,940

anchor to the object it's called I did I

1427

01:04:50,070 --> 01:04:48,190

identity signature I planted an anchor

1428

01:04:52,680 --> 01:04:50,080

to the object it's a technique I learned

1429

01:04:56,520 --> 01:04:52,690

from the Monroe I planted an anchor to

1430

01:04:59,850 --> 01:04:56,530

it so that when it moved away I kind of

1431

01:05:03,570 --> 01:04:59,860

won with it and it moved faster right

1432

01:05:05,670 --> 01:05:03,580

and right I move faster with it I got I

1433

01:05:07,050 --> 01:05:05,680

got the impression that I was traveling

1434

01:05:09,960 --> 01:05:07,060

and I know this is silly I thought which

1435

01:05:12,750 --> 01:05:09,970

was traveling 10,000 miles an hour this

1436

01:05:15,960 --> 01:05:12,760

thing went through mountains and went

1437

01:05:19,920 --> 01:05:15,970

through places but I never identified or

1438

01:05:22,980 --> 01:05:19,930

seen and and as I was as I moved I was

1439

01:05:26,040 --> 01:05:22,990

really myself in to get ocean ocean and

1440

01:05:28,710 --> 01:05:26,050

all of a sudden pop I find myself inside

1441

01:05:31,320 --> 01:05:28,720

and guess what it's just like I'm in a

1442

01:05:34,740 --> 01:05:31,330

physical wing there's not a room okay

1443

01:05:38,090 --> 01:05:34,750

it's a really I I drew the pictures down

1444

01:05:41,940 --> 01:05:38,100

I have diagrams it's like a reeling and

1445

01:05:44,250 --> 01:05:41,950

this was a triangular shape chef chef is

1446

01:05:47,310 --> 01:05:44,260

the looking okay I don't know what the

1447

01:05:49,440 --> 01:05:47,320

size was but I was inside I got what

1448

01:05:52,400 --> 01:05:49,450

appeared to be reeling and what looked

1449

01:05:55,320 --> 01:05:52,410

like 50 feet ahead of me look like to

1450

01:05:58,740 --> 01:05:55,330

extraterrestrial 52 to long physical

1451

01:06:02,700 --> 01:05:58,750

beings right that appeared to be about

1452

01:06:04,980 --> 01:06:02,710

five feet ten and they would look like

1453

01:06:07,410 --> 01:06:04,990

what people call the grace but they were

1454

01:06:09,690 --> 01:06:07,420

not great you were brown skin okay but

1455

01:06:12,300 --> 01:06:09,700

they had the big guys well I'm on there

1456

01:06:14,760 --> 01:06:12,310

and when I usually got on that reeling

1457

01:06:15,710 --> 01:06:14,770

right I cuts the reeling and I could

1458

01:06:19,140 --> 01:06:15,720

feel it

1459

01:06:21,570 --> 01:06:19,150

gee this is kind of cool and as soon as

1460

01:06:24,960 --> 01:06:21,580

I got there the two of them turning

1461

01:06:29,220 --> 01:06:24,970

around look right at me and they asked

1462

01:06:32,520 --> 01:06:29,230

me to please leave politely please leave

1463

01:06:34,620 --> 01:06:32,530

right and it's just I'm not gonna leave

1464

01:06:38,490 --> 01:06:34,630

I'm staying it took me two years to get

1465

01:06:40,320 --> 01:06:38,500

here and they look right at me and

1466

01:06:43,050 --> 01:06:40,330

that's what that kind of absolutely

1467

01:06:46,410 --> 01:06:43,060

often yeah but because I expect the

1468

01:06:48,750 --> 01:06:46,420

unexpected you know I was ready for at

1469

01:06:51,240 --> 01:06:48,760

that time I had I had developed my

1470

01:06:52,410 --> 01:06:51,250

ability so that panic and fear they're

1471

01:06:54,210 --> 01:06:52,420

not putting me back into my physical

1472

01:06:57,120 --> 01:06:54,220

body by the way but that feel all doo

1473

01:07:01,800 --> 01:06:57,130

doo doo so they asked so I said no no I

1474

01:07:03,960 --> 01:07:01,810

scream I'm gonna watch you guys so one

1475

01:07:06,150 --> 01:07:03,970

of them looks like he's walking and I by

1476

01:07:08,460 --> 01:07:06,160

the way I can steal the floor and I

1477

01:07:11,640 --> 01:07:08,470

could feel what used to be the railing a

1478

01:07:14,550 --> 01:07:11,650

beam and he's walking towards me he's

1479

01:07:16,170 --> 01:07:14,560

wearing the belt he's wearing a

1480

01:07:20,820 --> 01:07:16,180

one-piece suit with a belt that's about

1481

01:07:22,470 --> 01:07:20,830

three inches and three inches wide and I

1482

01:07:25,800 --> 01:07:22,480

look like it was studded with diamonds

1483

01:07:29,820 --> 01:07:25,810

or jewels and in the belt look like

1484

01:07:30,360 --> 01:07:29,830

there was a wand those about eight to

1485

01:07:34,110 --> 01:07:30,370

ten inches

1486

01:07:36,150 --> 01:07:34,120

nah buy me half an inch in diameter he

1487

01:07:37,500 --> 01:07:36,160

took the round out and he's taking it

1488

01:07:38,010 --> 01:07:37,510

out and I thought maybe he's gonna give

1489

01:07:44,400 --> 01:07:38,020

it to me

1490

01:07:46,650 --> 01:07:44,410

I get a massive electric shock massive

1491

01:07:50,790 --> 01:07:46,660

electric shock me and I could feel

1492

01:07:53,070 --> 01:07:50,800

myself going back backwards to the

1493

01:07:54,780 --> 01:07:53,080

mountains we we went through buildings

1494

01:07:57,180 --> 01:07:54,790

and mountains and valleys

1495

01:07:59,190 --> 01:07:57,190

I had chased them for I don't know

1496

01:08:02,130 --> 01:07:59,200

halfway around the world I could really

1497

01:08:03,780 --> 01:08:02,140

topi go back right back in and like got

1498

01:08:05,610 --> 01:08:03,790

back because my physical body actually

1499

01:08:09,220 --> 01:08:05,620

jumped about two or three feet off the

1500

01:08:14,050 --> 01:08:09,230

day oh my god this

1501

01:08:16,960 --> 01:08:14,060

same thing like standing up I was so

1502

01:08:18,249 --> 01:08:16,970

afraid I had an experience I gotta tell

1503

01:08:19,780 --> 01:08:18,259

you about it because Mike and that

1504

01:08:21,010 --> 01:08:19,790

wasn't a dream that was that was solid

1505

01:08:22,720 --> 01:08:21,020

it wasn't a dream

1506

01:08:25,570 --> 01:08:22,730

because I I know the difference and I

1507

01:08:27,579 --> 01:08:25,580

teach in revolutionary boots who's

1508

01:08:29,740 --> 01:08:27,589

streaming an ordinary games and at the

1509

01:08:32,280 --> 01:08:29,750

time I wasn't I wasn't and that's

1510

01:08:35,019 --> 01:08:32,290

something I never told anybody for years

1511

01:08:40,990 --> 01:08:35,029

Wow that's what I wore khakis or

1512

01:08:42,910 --> 01:08:41,000

whatever they document that's that's a

1513

01:08:45,190 --> 01:08:42,920

trip well before we get on to your next

1514

01:08:49,420 --> 01:08:45,200

story because that's just fascinating to

1515

01:08:51,910 --> 01:08:49,430

me I got out of my body because an evil

1516

01:08:54,190 --> 01:08:51,920

entity popped up out of the floor in my

1517

01:08:56,380 --> 01:08:54,200

room and I jumped out of my body and I

1518

01:09:01,630 --> 01:08:56,390

took off running to get out of the house

1519

01:09:04,690 --> 01:09:01,640

and when I went back in my body I hit my

1520

01:09:11,010 --> 01:09:04,700

body so hard that I was I was standing

1521

01:09:14,200 --> 01:09:11,020

within half a second I'd literally yeah

1522

01:09:16,090 --> 01:09:14,210

yeah I know exactly what happened to you

1523

01:09:18,340 --> 01:09:16,100

because that had the same thing happened

1524

01:09:20,680 --> 01:09:18,350

to me it doesn't happen to very many

1525

01:09:23,470 --> 01:09:20,690

people unless they're really tugged back

1526

01:09:26,349 --> 01:09:23,480

or they're pulled back out of deep fear

1527

01:09:31,289 --> 01:09:26,359

or you know in your case you were being

1528

01:09:36,999 --> 01:09:34,479

whatever being it was they look like

1529

01:09:39,370 --> 01:09:37,009

what you throw a tease but I learned

1530

01:09:42,849 --> 01:09:39,380

from what mr. Monroe never to label the

1531

01:09:45,460 --> 01:09:42,859

EEG try to do like a journalist yeah

1532

01:09:47,650 --> 01:09:45,470

yeah it makes sense so I do that from

1533

01:09:55,260 --> 01:09:47,660

him and so but I think that was laughing

1534

01:10:01,900 --> 01:09:58,810

did you ever draw them or have you seen

1535

01:10:06,790 --> 01:10:01,910

renditions that they'll - I'm an artist

1536

01:10:09,970 --> 01:10:06,800

I I'm okay artist at 10 years old so i

1537

01:10:12,850 --> 01:10:09,980

am i cannot i can draw exact details of

1538

01:10:13,680 --> 01:10:12,860

ships interiors engines which i've done

1539

01:10:16,950 --> 01:10:13,690

already

1540

01:10:22,710 --> 01:10:16,960

what i haven't shared with anybody I

1541

01:10:24,750 --> 01:10:22,720

haven't anything yeah

1542

01:10:26,750 --> 01:10:24,760

you could put a book together put all

1543

01:10:32,100 --> 01:10:26,760

this in it which would be kinda cool

1544

01:10:37,200 --> 01:10:32,110

what do you think I was going to do that

1545

01:10:39,420 --> 01:10:37,210

and two years ago somebody broke into my

1546

01:10:46,080 --> 01:10:39,430

storage unit and four years of my life

1547

01:10:49,380 --> 01:10:46,090

was stolen oh my all my special

1548

01:10:53,070 --> 01:10:49,390

equipment in all my drawings painting

1549

01:10:55,340 --> 01:10:53,080

schematics everything and it was an

1550

01:10:58,380 --> 01:10:55,350

inside job and police will do nothing

1551

01:11:01,260 --> 01:10:58,390

yeah I mean nothing to investigate it

1552

01:11:05,160 --> 01:11:01,270

and it was a year after my mom passed on

1553

01:11:06,480 --> 01:11:05,170

and and it felt like I died twice in a

1554

01:11:09,000 --> 01:11:06,490

Dorian it was not a very good feeling

1555

01:11:12,750 --> 01:11:09,010

but I lost a massive amount of

1556

01:11:15,870 --> 01:11:12,760

information yeah I know it's hard to

1557

01:11:18,810 --> 01:11:15,880

reconstruct it it truly is I know I'm

1558

01:11:21,150 --> 01:11:18,820

trying yeah I say give it a shot you

1559

01:11:24,180 --> 01:11:21,160

never know maybe it won't be a thousand

1560

01:11:26,160 --> 01:11:24,190

pages maybe it'd only be 250 or 300 but

1561

01:11:28,530 --> 01:11:26,170

people need to know about your

1562

01:11:31,230 --> 01:11:28,540

experiences because from from what I'm

1563

01:11:33,780 --> 01:11:31,240

understanding you've - you've had them

1564

01:11:36,360 --> 01:11:33,790

all and that's what's interesting about

1565

01:11:38,340 --> 01:11:36,370

people like yourself like I I have

1566

01:11:40,980 --> 01:11:38,350

friends that just you know hang out the

1567

01:11:43,410 --> 01:11:40,990

greys or the the Nordics or you know

1568

01:11:46,410 --> 01:11:43,420

whatever people like yourself

1569

01:11:51,540 --> 01:11:46,420

Jason quit myself a few other people I

1570

01:11:53,220 --> 01:11:51,550

know and yeah Jason was at the Union

1571

01:11:56,100 --> 01:11:53,230

cosmetic school right next to each other

1572

01:11:59,280 --> 01:11:56,110

oh good good now he's a wonderful

1573

01:12:02,280 --> 01:11:59,290

wonderful guy yeah his wife was waiting

1574

01:12:04,920 --> 01:12:02,290

for Birkin but all my materials oh cool

1575

01:12:06,570 --> 01:12:04,930

I might throw my lecture that I didn't

1576

01:12:07,920 --> 01:12:06,580

she bought all my stuff she wanted to

1577

01:12:12,270 --> 01:12:07,930

take my program but she couldn't have

1578

01:12:16,770 --> 01:12:12,280

enough time Oh his wife is lovely too by

1579

01:12:20,250 --> 01:12:16,780

the yes yeah but what I'm trying to say

1580

01:12:22,560 --> 01:12:20,260

here is there's very few people out

1581

01:12:25,020 --> 01:12:22,570

there that have had different types of

1582

01:12:27,500 --> 01:12:25,030

experiences and you seem to me that

1583

01:12:30,840 --> 01:12:27,510

you're one of those you've had the the

1584

01:12:32,940 --> 01:12:30,850

kinetic the empathic you've had the

1585

01:12:36,270 --> 01:12:32,950

out-of-body you've probably had alien

1586

01:12:38,490 --> 01:12:36,280

contact you know you've had it all and

1587

01:12:49,310 --> 01:12:38,500

there's a bunch of us running around who

1588

01:12:56,010 --> 01:12:53,610

terrified them oh really now okay me I

1589

01:12:58,890 --> 01:12:56,020

may be weird but that would have

1590

01:13:00,330 --> 01:12:58,900

fascinated the heck out of me so I

1591

01:13:02,670 --> 01:13:00,340

really expected it but they didn't

1592

01:13:04,890 --> 01:13:02,680

expect it it didn't do something serious

1593

01:13:08,070 --> 01:13:04,900

but then when they saw what happened you

1594

01:13:09,450 --> 01:13:08,080

know they didn't know well you know they

1595

01:13:11,220 --> 01:13:09,460

should have been happy that it's

1596

01:13:13,260 --> 01:13:11,230

happening for you man I mean I would

1597

01:13:15,300 --> 01:13:13,270

have been like cool get their autograph

1598

01:13:21,570 --> 01:13:15,310

and come home I'm terrified of being

1599

01:13:22,110 --> 01:13:21,580

taken away or something yeah yeah no I

1600

01:13:24,960 --> 01:13:22,120

get it

1601

01:13:26,820 --> 01:13:24,970

well speaking of now tell us about an

1602

01:13:36,230 --> 01:13:26,830

alien encounter you had that was like a

1603

01:13:41,400 --> 01:13:36,240

physical one I had one um this is uh I

1604

01:13:46,020 --> 01:13:41,410

mean I'm sleeping and I'm having a lot

1605

01:13:47,880 --> 01:13:46,030

of these experiences you know after 20 I

1606

01:13:49,920 --> 01:13:47,890

seem to see that they seem to kind of

1607

01:13:54,390 --> 01:13:49,930

escalate right you have been a

1608

01:13:57,360 --> 01:13:54,400

relationship for two years I had you

1609

01:13:59,580 --> 01:13:57,370

know on you know were in a finished

1610

01:14:03,450 --> 01:13:59,590

attic we have the second floor and a

1611

01:14:07,080 --> 01:14:03,460

finished attic and I'm sleeping and all

1612

01:14:10,830 --> 01:14:07,090

of a sudden um seems to be I like coming

1613

01:14:15,450 --> 01:14:10,840

out of the closet and the closets

1614

01:14:17,640 --> 01:14:15,460

probably 25 feet from the bed and I wake

1615

01:14:21,480 --> 01:14:17,650

up in my Copen

1616

01:14:28,410 --> 01:14:21,490

well 14 years of time wakes up and the

1617

01:14:33,630 --> 01:14:28,420

door opens right and person comes out of

1618

01:14:36,720 --> 01:14:33,640

the closet right but they're not they

1619

01:14:40,880 --> 01:14:36,730

don't appear to be you they don't appear

1620

01:14:45,810 --> 01:14:40,890

to be extraterrestrial okay

1621

01:14:50,550 --> 01:14:45,820

female female looking okay completely

1622

01:14:54,580 --> 01:14:50,560

naked right okay from the cloud

1623

01:14:56,820 --> 01:14:54,590

moving in a parallel line one and then

1624

01:15:02,440 --> 01:14:56,830

another lying straight that occurred

1625

01:15:03,940 --> 01:15:02,450

coming up to the bed she she was aware

1626

01:15:08,680 --> 01:15:03,950

of it but she can't move

1627

01:15:13,060 --> 01:15:08,690

I can mean I moved extremely slowly

1628

01:15:17,800 --> 01:15:13,070

because I am NOT terrified right just

1629

01:15:24,330 --> 01:15:17,810

extremely not shocked but very surprised

1630

01:15:27,970 --> 01:15:24,340

right okay and this person was about

1631

01:15:33,430 --> 01:15:27,980

well they appeared over six feet okay

1632

01:15:36,490 --> 01:15:33,440

and they're interested no you know it's

1633

01:15:40,180 --> 01:15:36,500

a female appear to be easier looking

1634

01:15:47,430 --> 01:15:40,190

with a pageboy haircut oh my god

1635

01:15:51,670 --> 01:15:47,440

transferred skin oh my god I knew

1636

01:15:54,130 --> 01:15:51,680

incredibly slowly from laying down I'm

1637

01:15:58,900 --> 01:15:54,140

seeing like moving up sitting up courts

1638

01:16:02,410 --> 01:15:58,910

right okay and and I'm able to move in

1639

01:16:05,650 --> 01:16:02,420

my heart next to me can't not move but

1640

01:16:08,430 --> 01:16:05,660

her eyes are open and I said and I and

1641

01:16:11,080 --> 01:16:08,440

the person comes right up to the bed now

1642

01:16:13,420 --> 01:16:11,090

person is very tall but they're not

1643

01:16:20,770 --> 01:16:13,430

because of levitating six inches off the

1644

01:16:25,060 --> 01:16:20,780

floor okay and I move I move inch by

1645

01:16:28,000 --> 01:16:25,070

inch very slow because I don't know if

1646

01:16:32,130 --> 01:16:28,010

this is real or not and I push I realize

1647

01:16:34,870 --> 01:16:32,140

it's real but I don't wanna do anything

1648

01:16:38,920 --> 01:16:34,880

right on towards it like you know what I

1649

01:16:41,590 --> 01:16:38,930

mean I know well yeah I've had no attack

1650

01:16:45,370 --> 01:16:41,600

though no fear moon and I went up to

1651

01:16:51,550 --> 01:16:45,380

them with about three feet of their face

1652

01:16:53,260 --> 01:16:51,560

and I said to them and my head it

1653

01:16:54,730 --> 01:16:53,270

sounded like I was coming from my mouth

1654

01:16:59,130 --> 01:16:54,740

but it was in my head I says to them

1655

01:17:03,130 --> 01:16:59,140

that you cannot possibly be real and

1656

01:17:06,280 --> 01:17:03,140

they Lord they had slightly

1657

01:17:08,290 --> 01:17:06,290

so that the rise were about a foot and a

1658

01:17:11,430 --> 01:17:08,300

half of mine looking at my eyes very

1659

01:17:15,130 --> 01:17:11,440

large people's and they were saying that

1660

01:17:16,950 --> 01:17:15,140

this what they said she said I'm as real

1661

01:17:20,860 --> 01:17:16,960

as you are

1662

01:17:23,290 --> 01:17:20,870

Wow yeah yeah

1663

01:17:26,230 --> 01:17:23,300

Michael this is just one entity right

1664

01:17:28,270 --> 01:17:26,240

and then yes but then yeah then the girl

1665

01:17:31,560 --> 01:17:28,280

was knocked out I was shaking so much

1666

01:17:35,470 --> 01:17:31,570

that's another story though cool

1667

01:17:38,440 --> 01:17:35,480

very interesting yeah I don't remember

1668

01:17:41,710 --> 01:17:38,450

she remembered it she told me all I told

1669

01:17:45,130 --> 01:17:41,720

her she remembered it and she was afraid

1670

01:17:47,100 --> 01:17:45,140

to talk about it right but we talked

1671

01:17:49,750 --> 01:17:47,110

about it later um

1672

01:17:52,270 --> 01:17:49,760

and then I had other things happened to

1673

01:17:54,120 --> 01:17:52,280

me where I doubted my sanity you know

1674

01:17:57,970 --> 01:17:54,130

you have something happen to you

1675

01:17:59,640 --> 01:17:57,980

Orion and you got your sanity I'm not

1676

01:18:02,860 --> 01:17:59,650

down here I'm not old you're not young

1677

01:18:08,860 --> 01:18:02,870

right now it's me that's a daily process

1678

01:18:10,300 --> 01:18:08,870

for this physical confirmation yeah if

1679

01:18:12,010 --> 01:18:10,310

you're not going out the wall and that

1680

01:18:15,010 --> 01:18:12,020

that did happen to me a couple times

1681

01:18:19,720 --> 01:18:15,020

where I thought I was really losing it

1682

01:18:22,200 --> 01:18:19,730

and for some reason a grower was allowed

1683

01:18:27,670 --> 01:18:22,210

whatever they were allowed to give me

1684

01:18:29,920 --> 01:18:27,680

physical proof you know why I'll tell

1685

01:18:32,380 --> 01:18:29,930

you about it if you want yes please do

1686

01:18:33,940 --> 01:18:32,390

please but before we go on I got

1687

01:18:37,240 --> 01:18:33,950

interject something Michael there's a

1688

01:18:40,020 --> 01:18:37,250

new movie out about a guy who has had

1689

01:18:42,700 --> 01:18:40,030

sexual relations with an extra

1690

01:18:47,700 --> 01:18:42,710

extraterrestrial woman that you

1691

01:18:51,970 --> 01:18:47,710

described to a tee it's her sister okay

1692

01:18:54,160 --> 01:18:51,980

and so this this extraterrestrial woman

1693

01:18:56,590 --> 01:18:54,170

you're talking about naked and she has

1694

01:18:58,570 --> 01:18:56,600

boobs and the whole bit right I mean she

1695

01:19:00,760 --> 01:18:58,580

looks like a human

1696

01:19:03,970 --> 01:19:00,770

yeah but her but her skin is very

1697

01:19:08,620 --> 01:19:03,980

translucent and she's got short black

1698

01:19:14,680 --> 01:19:08,630

hair and big black eyes right yes yeah

1699

01:19:16,600 --> 01:19:14,690

you're describing oriental right exactly

1700

01:19:19,149 --> 01:19:16,610

okay that is

1701

01:19:21,220 --> 01:19:19,159

exact same description of this woman

1702

01:19:25,030 --> 01:19:21,230

that has been having a relationship with

1703

01:19:27,160 --> 01:19:25,040

this guy forever that they made a new

1704

01:19:28,840 --> 01:19:27,170

movie about that I'll get you the name

1705

01:19:30,669 --> 01:19:28,850

of it but you're just blowing my mind

1706

01:19:34,570 --> 01:19:30,679

because you're describing the exact same

1707

01:19:37,180 --> 01:19:34,580

woman twenty-two years yeah well he was

1708

01:19:39,459 --> 01:19:37,190

this has been going on his whole life he

1709

01:19:42,669 --> 01:19:39,469

started having a relationship with her

1710

01:19:46,000 --> 01:19:42,679

or her sister when he was like you know

1711

01:19:48,490 --> 01:19:46,010

a little kid like five or six and then

1712

01:19:50,050 --> 01:19:48,500

as he grew up he started having a real

1713

01:19:53,379 --> 01:19:50,060

relationship you know a sexual

1714

01:20:04,270 --> 01:19:53,389

relationship with her so yeah very while

1715

01:20:06,609 --> 01:20:04,280

I wasn't I wasn't that lucky okay did

1716

01:20:08,830 --> 01:20:06,619

you get lucky that one night yeah yeah

1717

01:20:11,680 --> 01:20:08,840

one night stand' yeah yeah yeah yeah oh

1718

01:20:14,169 --> 01:20:11,690

by the way what I did tell her she heard

1719

01:20:16,750 --> 01:20:14,179

it she hit me so hard in the shoulder

1720

01:20:23,200 --> 01:20:16,760

and made me a bruise oh because you did

1721

01:20:23,919 --> 01:20:23,210

have relations but she remembered it he

1722

01:20:27,160 --> 01:20:23,929

hit me so hard

1723

01:20:31,870 --> 01:20:27,170

I remember it I mean she hit me punch

1724

01:20:35,770 --> 01:20:31,880

was hard she didn't mean to but I said

1725

01:20:38,080 --> 01:20:35,780

this wasn't somebody I I didn't call her

1726

01:20:45,070 --> 01:20:38,090

whatever or I did but I know I don't

1727

01:20:47,080 --> 01:20:45,080

know but you know what I don't know if I

1728

01:20:48,910 --> 01:20:47,090

probably did punched you too cuz you

1729

01:20:51,070 --> 01:20:48,920

know she had to sit there watch the

1730

01:20:52,689 --> 01:20:51,080

whole thing right yeah I mean she did

1731

01:20:53,350 --> 01:20:52,699

watch it up at that one then they pass

1732

01:20:56,140 --> 01:20:53,360

the road

1733

01:20:58,629 --> 01:20:56,150

oh I see so she didn't get to see the

1734

01:21:01,930 --> 01:20:58,639

good juicy stuff okay yeah it didn't

1735

01:21:03,459 --> 01:21:01,940

happen there oh dude oh god this is

1736

01:21:10,930 --> 01:21:03,469

getting better you want to tell us where

1737

01:21:13,200 --> 01:21:10,940

it went to where you guys went yeah take

1738

01:21:15,459 --> 01:21:13,210

your hand told me to take your hand and

1739

01:21:15,939 --> 01:21:15,469

and then we just shipped it somewhere

1740

01:21:18,820 --> 01:21:15,949

else

1741

01:21:20,379 --> 01:21:18,830

oh I got it that's exactly what happened

1742

01:21:21,939 --> 01:21:20,389

to this guy god you're gonna love this

1743

01:21:24,550 --> 01:21:21,949

movie I'm gonna make sure you get a copy

1744

01:21:27,820 --> 01:21:24,560

of it okay and I grew older style in a

1745

01:21:30,520 --> 01:21:27,830

thousand-page adrenaline and and I had

1746

01:21:32,880 --> 01:21:30,530

the records for five years and now

1747

01:21:36,400 --> 01:21:32,890

then one day the journal disappeared oh

1748

01:21:38,830 --> 01:21:36,410

oh yeah I told that to the moms the tube

1749

01:21:40,900 --> 01:21:38,840

to their psychologist up there and there

1750

01:21:43,300 --> 01:21:40,910

other people up there and he told me why

1751

01:21:45,130 --> 01:21:43,310

it happened but I won't get that losing

1752

01:21:47,320 --> 01:21:45,140

right away not right now that's fine

1753

01:21:49,330 --> 01:21:47,330

that's fine so did you guys go through

1754

01:21:51,850 --> 01:21:49,340

you just were in another physical

1755

01:21:53,740 --> 01:21:51,860

location where they're other now this is

1756

01:21:56,050 --> 01:21:53,750

gonna sound like a crazy question but

1757

01:21:58,270 --> 01:21:56,060

trust me I've got a reason for asking

1758

01:22:00,730 --> 01:21:58,280

were there other naked women that looked

1759

01:22:03,520 --> 01:22:00,740

like her in the in the same place that

1760

01:22:05,500 --> 01:22:03,530

you guys went she's the only one she's

1761

01:22:07,150 --> 01:22:05,510

the only one was there a praying mantis

1762

01:22:12,310 --> 01:22:07,160

being there by chance

1763

01:22:14,380 --> 01:22:12,320

no I'm aware of those beings but okay

1764

01:22:18,430 --> 01:22:14,390

all right I'm just trying to get a bead

1765

01:22:20,170 --> 01:22:18,440

on whether it's working yeah I mean

1766

01:22:23,290 --> 01:22:20,180

maybe a couple dozen others but not that

1767

01:22:26,440 --> 01:22:23,300

one not that one not not that experience

1768

01:22:28,180 --> 01:22:26,450

okay gotcha so now tell us about any

1769

01:22:30,220 --> 01:22:28,190

other experiences you might have had

1770

01:22:32,760 --> 01:22:30,230

these are just juicy I'm telling you

1771

01:22:38,410 --> 01:22:32,770

Michael I'm loving it

1772

01:22:40,150 --> 01:22:38,420

well I you know I was remote you know

1773

01:22:44,380 --> 01:22:40,160

we're more viewing is read of course oh

1774

01:22:47,500 --> 01:22:44,390

I dunno yeah so so i everybody does that

1775

01:22:52,000 --> 01:22:47,510

without realizing it i took more houses

1776

01:22:53,890 --> 01:22:52,010

more houses class in 97 an amazing guy

1777

01:22:56,280 --> 01:22:53,900

get an incredible teacher incredible

1778

01:22:59,800 --> 01:22:56,290

each woman is a mentor for five years

1779

01:23:02,680 --> 01:22:59,810

and and I I took the master's class I

1780

01:23:04,180 --> 01:23:02,690

Diego in 2001 and I was learning to

1781

01:23:07,060 --> 01:23:04,190

develop the ability even though I was

1782

01:23:08,980 --> 01:23:07,070

already doing it beforehand my specialty

1783

01:23:11,500 --> 01:23:08,990

is extended remote viewing that poured

1784

01:23:13,180 --> 01:23:11,510

in the moment so extended remote viewing

1785

01:23:14,500 --> 01:23:13,190

means when your body is a stream your

1786

01:23:16,900 --> 01:23:14,510

minds awake and you're able to go to

1787

01:23:19,090 --> 01:23:16,910

these different places so I had a lot of

1788

01:23:26,500 --> 01:23:19,100

experiences of extended remote viewing

1789

01:23:30,160 --> 01:23:26,510

and one experience I had and that three

1790

01:23:35,260 --> 01:23:30,170

life forms three parent female life

1791

01:23:38,350 --> 01:23:35,270

forms right and with my remote viewing

1792

01:23:40,510 --> 01:23:38,360

experience III understand the difference

1793

01:23:42,280 --> 01:23:40,520

between OBEs and remote viewing and I

1794

01:23:44,260 --> 01:23:42,290

explained that the people in my programs

1795

01:23:46,990 --> 01:23:44,270

but I won't get into that here

1796

01:23:50,920 --> 01:23:47,000

too long I was having a remote viewing

1797

01:23:53,500 --> 01:23:50,930

but I was there and I was there I was

1798

01:23:56,610 --> 01:23:53,510

there more than just mine not physical

1799

01:24:03,160 --> 01:23:56,620

body but more than just mine I met three

1800

01:24:06,040 --> 01:24:03,170

female entities like once and they told

1801

01:24:08,200 --> 01:24:06,050

me I asked them who are they and why am

1802

01:24:11,670 --> 01:24:08,210

I here they told me they were from the

1803

01:24:16,030 --> 01:24:11,680

armed star system called ladies and

1804

01:24:18,040 --> 01:24:16,040

there were three females eat one female

1805

01:24:21,040 --> 01:24:18,050

beautiful woman by the way the local

1806

01:24:23,170 --> 01:24:21,050

females one female woman would ask me

1807

01:24:25,120 --> 01:24:23,180

questions and I would answer her or the

1808

01:24:26,830 --> 01:24:25,130

other two were looking at me and then

1809

01:24:28,240 --> 01:24:26,840

the other one would ask questions while

1810

01:24:30,910 --> 01:24:28,250

the other two were looking at me and

1811

01:24:33,190 --> 01:24:30,920

this has happened for a little while

1812

01:24:34,690 --> 01:24:33,200

right and I told him I says you know

1813

01:24:35,290 --> 01:24:34,700

what this is crazy I'm just dreaming

1814

01:24:43,990 --> 01:24:35,300

this

1815

01:24:46,210 --> 01:24:44,000

we are then we are the beans you refer

1816

01:24:48,700 --> 01:24:46,220

to as that but that's not what they call

1817

01:24:50,620 --> 01:24:48,710

themselves right of course that's not

1818

01:24:53,170 --> 01:24:50,630

their true name right I mean do not

1819

01:24:56,050 --> 01:24:53,180

refer to themselves as that it's a much

1820

01:25:02,200 --> 01:24:56,060

more ancient name but that's the name

1821

01:25:05,290 --> 01:25:02,210

and I had had probably about 85 to 90

1822

01:25:08,110 --> 01:25:05,300

experiences of these beings in the

1823

01:25:09,670 --> 01:25:08,120

second state so I was reviewing and I

1824

01:25:11,830 --> 01:25:09,680

told them this is all whatever I'm

1825

01:25:13,690 --> 01:25:11,840

dreaming it I don't believe it

1826

01:25:15,430 --> 01:25:13,700

this and that they gave me a lot of

1827

01:25:20,770 --> 01:25:15,440

information they told me a lot was going

1828

01:25:23,080 --> 01:25:20,780

to happen so the next day right I'm with

1829

01:25:27,070 --> 01:25:23,090

the same girlfriend I don't tell this to

1830

01:25:32,490 --> 01:25:27,080

anybody next day I come back in from

1831

01:25:34,720 --> 01:25:32,500

what I'm doing maybe four o'clock and my

1832

01:25:39,250 --> 01:25:34,730

corporate time she was working as a

1833

01:25:41,200 --> 01:25:39,260

waitress and she worked half a year the

1834

01:25:44,500 --> 01:25:41,210

other half of the year she was doing

1835

01:25:47,410 --> 01:25:44,510

shoulder pain and I came back and I

1836

01:25:52,390 --> 01:25:47,420

remember the old-style boring machines

1837

01:25:52,400 --> 01:25:58,110

so I listened to my messages message

1838

01:26:13,800 --> 01:26:09,220

you you will be needed this is them time

1839

01:26:18,760 --> 01:26:13,810

to change career that's it

1840

01:26:22,660 --> 01:26:18,770

female voice sound sound deep almost

1841

01:26:23,200 --> 01:26:22,670

robotic right I played it and I couldn't

1842

01:26:26,620 --> 01:26:23,210

believe it

1843

01:26:28,510 --> 01:26:26,630

and that night before I said I'd never

1844

01:26:32,320 --> 01:26:28,520

believe it unless I had evidence

1845

01:26:34,840 --> 01:26:32,330

wherever I had poof and in the very next

1846

01:26:40,120 --> 01:26:34,850

day I got that on my answering machine

1847

01:26:41,500 --> 01:26:40,130

and I kept those two tapes for a dozen

1848

01:26:45,220 --> 01:26:41,510

years before they vanished

1849

01:26:46,750 --> 01:26:45,230

Wow and that's that's the truth I will

1850

01:26:49,810 --> 01:26:46,760

take a lie detector test

1851

01:26:51,880 --> 01:26:49,820

Trudy Kathy has any tests but that's

1852

01:26:56,560 --> 01:26:51,890

what they said they said time this with

1853

01:27:03,280 --> 01:26:56,570

the recorder time to change career this

1854

01:27:06,100 --> 01:27:03,290

is them Wow a woman's voice deep no

1855

01:27:08,649 --> 01:27:06,110

emotion straight simple and that's it

1856

01:27:10,660 --> 01:27:08,659

yeah yeah Michael I need to interrupt

1857

01:27:11,890 --> 01:27:10,670

you for just a second and the reason I

1858

01:27:18,160 --> 01:27:11,900

do is because I want people to

1859

01:27:21,250 --> 01:27:18,170

understand something Stan Romanek and

1860

01:27:24,130 --> 01:27:21,260

many others have gotten the same voice

1861

01:27:26,439 --> 01:27:24,140

on their message machines as well over

1862

01:27:29,880 --> 01:27:26,449

the years and you know as early as the

1863

01:27:33,340 --> 01:27:29,890

90s a message machines started happening

1864

01:27:37,060 --> 01:27:33,350

contact these were getting those type of

1865

01:27:39,100 --> 01:27:37,070

messages I do know that Stan's messages

1866

01:27:42,399 --> 01:27:39,110

are played in his movie and you know

1867

01:27:44,830 --> 01:27:42,409

folks you know if you've got a problem

1868

01:27:47,020 --> 01:27:44,840

with Stan then have a problem with Stan

1869

01:27:49,990 --> 01:27:47,030

I have no problem with you having a

1870

01:27:52,450 --> 01:27:50,000

problem with him but what I want you to

1871

01:27:55,930 --> 01:27:52,460

do is I still want you to rent the movie

1872

01:27:59,200 --> 01:27:55,940

the Stan Romanek story extraordinary

1873

01:28:01,540 --> 01:27:59,210

because I'm telling you folks there's no

1874

01:28:06,910 --> 01:28:01,550

way you can fake aliens like Stan like

1875

01:28:09,910 --> 01:28:06,920

supposedly stand-in yeah I was

1876

01:28:10,910 --> 01:28:09,920

incredible I was was beyond belief that

1877

01:28:17,890 --> 01:28:10,920

I would actually get

1878

01:28:24,530 --> 01:28:22,580

and I never and I accused my ex tour all

1879

01:28:27,890 --> 01:28:24,540

the time

1880

01:28:29,630 --> 01:28:27,900

accused her ID leader and just how could

1881

01:28:31,340 --> 01:28:29,640

I say that to you when you never told me

1882

01:28:33,080 --> 01:28:31,350

what happened I never told her what

1883

01:28:37,160 --> 01:28:33,090

happened I never told anybody would

1884

01:28:38,870 --> 01:28:37,170

happen oh it was secret I mean I kept

1885

01:28:39,680 --> 01:28:38,880

secret what happened to be secret cause

1886

01:28:42,650 --> 01:28:39,690

it was embarrassing

1887

01:28:43,340 --> 01:28:42,660

I found that embarrassing couple yeah of

1888

01:28:45,620 --> 01:28:43,350

course

1889

01:28:48,260 --> 01:28:45,630

well that makes total sense and it's

1890

01:28:50,720 --> 01:28:48,270

very interesting anyhow you're not the

1891

01:28:53,150 --> 01:28:50,730

only contact deed this has happened to

1892

01:28:54,650 --> 01:28:53,160

and to be honest with you I'm surprised

1893

01:28:58,640 --> 01:28:54,660

the men in black haven't taken

1894

01:29:00,919 --> 01:28:58,650

everything you owned know what I think

1895

01:29:03,530 --> 01:29:00,929

they might have to just remember a man

1896

01:29:05,570 --> 01:29:03,540

four years of my life was gone I know I

1897

01:29:08,990 --> 01:29:05,580

had stuff in rows of years old

1898

01:29:12,100 --> 01:29:09,000

in that garage there storage and none of

1899

01:29:15,010 --> 01:29:12,110

it was ordinary stuff you know a lot of

1900

01:29:16,729 --> 01:29:15,020

special things that I had in there that

1901

01:29:20,270 --> 01:29:16,739

finally just vanished

1902

01:29:22,340 --> 01:29:20,280

yeah yeah it kind of sounds like it well

1903

01:29:24,530 --> 01:29:22,350

okay so you've had that interesting

1904

01:29:29,030 --> 01:29:24,540

experience where they left evidence and

1905

01:29:31,459 --> 01:29:29,040

now have you had any more overtime or is

1906

01:29:34,490 --> 01:29:31,469

this kind of dwindling or do I still

1907

01:29:37,939 --> 01:29:34,500

still come to you yeah I still have I

1908

01:29:42,110 --> 01:29:37,949

still have experiences right but they're

1909

01:29:44,689 --> 01:29:42,120

um and I've had had physical strange

1910

01:29:48,439 --> 01:29:44,699

physical markings like pyramid ship

1911

01:29:50,450 --> 01:29:48,449

markings on my body okay and my my

1912

01:29:56,720 --> 01:29:50,460

friend Casey who was an investigator

1913

01:29:59,030 --> 01:29:56,730

move on about four years ago we were

1914

01:30:02,600 --> 01:29:59,040

good friends for 15 years he went to the

1915

01:30:05,360 --> 01:30:02,610

UFO conferences as well and I let him

1916

01:30:08,050 --> 01:30:05,370

stay in my room and his name was Casey

1917

01:30:10,280 --> 01:30:08,060

oak he had taken some pictures of

1918

01:30:13,669 --> 01:30:10,290

unusual markings that appeared on my

1919

01:30:16,610 --> 01:30:13,679

body and unfortunately he died in the

1920

01:30:22,310 --> 01:30:16,620

skating accident about about four years

1921

01:30:25,130 --> 01:30:22,320

ago oh yeah it happened on December some

1922

01:30:28,010 --> 01:30:25,140

it happened Christmas Christmas Day

1923

01:30:31,370 --> 01:30:28,020

December 25th last time his mother song

1924

01:30:34,850 --> 01:30:31,380

and ten days later we saw at the bottom

1925

01:30:36,530 --> 01:30:34,860

of the pond right and and I of course I

1926

01:30:39,440 --> 01:30:36,540

just been in Minneapolis I just done a

1927

01:30:41,840 --> 01:30:39,450

seven-day zuv seminars and programs I'm

1928

01:30:44,540 --> 01:30:41,850

in the applets well Casey I would say

1929

01:30:46,340 --> 01:30:44,550

this place and he helped me out and we

1930

01:30:48,380 --> 01:30:46,350

did all kinds of experiments together we

1931

01:30:53,480 --> 01:30:48,390

had physical evidence at his home

1932

01:30:56,180 --> 01:30:53,490

because he was very scientific and he he

1933

01:30:59,240 --> 01:30:56,190

fell through the ice he was an expert in

1934

01:31:01,400 --> 01:30:59,250

ice thickness and the farmer put a

1935

01:31:04,460 --> 01:31:01,410

radiator system in the middle of the

1936

01:31:06,740 --> 01:31:04,470

pond so 20 feet out the pond was not

1937

01:31:09,050 --> 01:31:06,750

solid he checked it up he checked it out

1938

01:31:12,080 --> 01:31:09,060

for a few feet like a skating 20 feet

1939

01:31:14,000 --> 01:31:12,090

out 20 feet down and drum and he was

1940

01:31:16,160 --> 01:31:14,010

next foot after it was a super swimmer

1941

01:31:20,380 --> 01:31:16,170

extracting he got all swim mean I love

1942

01:31:27,530 --> 01:31:22,790

what actually happened and I couldn't

1943

01:31:29,840 --> 01:31:27,540

believe it it actually happened and he's

1944

01:31:32,480 --> 01:31:29,850

like a brother to me and I and and he

1945

01:31:35,540 --> 01:31:32,490

had all this pictures and evidence and

1946

01:31:41,480 --> 01:31:35,550

also VHS tapes

1947

01:31:44,630 --> 01:31:41,490

oh that's why oh thank you for reminding

1948

01:31:47,270 --> 01:31:44,640

me now when did you you went with Casey

1949

01:31:50,120 --> 01:31:47,280

the area 51 no I went with another

1950

01:31:52,580 --> 01:31:50,130

friend of mine Steve and I was I was one

1951

01:31:55,460 --> 01:31:52,590

of the very first people to go to area

1952

01:31:57,770 --> 01:31:55,470

51 before was even known my throw about

1953

01:31:59,660 --> 01:31:57,780

anemic Lynn Campbell was we the

1954

01:32:01,320 --> 01:31:59,670

starlight lounge presents an evening

1955

01:32:03,589 --> 01:32:01,330

with the progressive lux

1956

01:32:06,560 --> 01:32:03,599

[Music]

1957

01:32:08,810 --> 01:32:06,570

I took a bit of a risk singing that song

1958

01:32:11,270 --> 01:32:08,820

but of course the one place I never take

1959

01:32:13,339 --> 01:32:11,280

chances is the road where progressive

1960

01:32:15,560 --> 01:32:13,349

snapshot rewards your safe driving a

1961

01:32:18,649 --> 01:32:15,570

good driver plus snapshot equals big

1962

01:32:22,479 --> 01:32:18,659

discounts and speaking of math one plus

1963

01:32:24,350 --> 01:32:22,489

one equals two little too late

1964

01:32:25,669 --> 01:32:24,360

progressive casualty insurance company

1965

01:32:26,929 --> 01:32:25,679

affiliate snapshot not available in

1966

01:32:31,549 --> 01:32:26,939

California North Carolina or from all

1967

01:32:37,370 --> 01:32:31,559

allegiance special requests to hold it

1968

01:32:40,129 --> 01:32:37,380

there about six years ago when we went

1969

01:32:41,830 --> 01:32:40,139

to we went to a little alien and we got

1970

01:32:45,080 --> 01:32:41,840

there around two o'clock in the morning

1971

01:32:47,629 --> 01:32:45,090

Patton Rachel had a hamburger and fries

1972

01:32:50,839 --> 01:32:47,639

and the six-pack ready for us and the

1973

01:32:52,969 --> 01:32:50,849

next day who took us six hours eight we

1974

01:32:54,679 --> 01:32:52,979

drove and then we trapped to area 51

1975

01:32:57,439 --> 01:32:54,689

right at the very edge

1976

01:32:59,149 --> 01:32:57,449

we stayed there for 24 hours and it was

1977

01:33:01,250 --> 01:32:59,159

me and four other people put beside

1978

01:33:04,009 --> 01:33:01,260

Steve and Glenn despised by them on

1979

01:33:06,319 --> 01:33:04,019

gamble and I got his book about pictures

1980

01:33:09,679 --> 01:33:06,329

and I still got the same book the same

1981

01:33:11,120 --> 01:33:09,689

book that he made whatever I have it

1982

01:33:14,239 --> 01:33:11,130

signed by him but the days everything

1983

01:33:17,660 --> 01:33:14,249

and we taped a lot of unusual things a

1984

01:33:23,020 --> 01:33:17,670

lot of us a lot of it was public reverse

1985

01:33:26,959 --> 01:33:23,030

reverse engineering but the thing is

1986

01:33:30,439 --> 01:33:26,969

Lorien is that on the way to Nevada I

1987

01:33:33,679 --> 01:33:30,449

drove and it took us a few hours to get

1988

01:33:36,910 --> 01:33:33,689

some Las Vegas to low Rachel little out

1989

01:33:39,890 --> 01:33:36,920

to Rachel Nevada because a lot of cows

1990

01:33:42,080 --> 01:33:39,900

sleep on this it's cool on the street

1991

01:33:44,569 --> 01:33:42,090

under under cement to cool off in the

1992

01:33:47,479 --> 01:33:44,579

summer time yeah this was like in June

1993

01:33:51,169 --> 01:33:47,489

or July or August and yeah I had to

1994

01:33:53,569 --> 01:33:51,179

swerve what why kinda wasn't under the

1995

01:33:57,500 --> 01:33:53,579

pipeline object that followed us for two

1996

01:34:00,279 --> 01:33:57,510

hours a night it meant my friend who was

1997

01:34:03,109 --> 01:34:00,289

10 years older than me who I had trained

1998

01:34:06,140 --> 01:34:03,119

try to not be afraid of you of all the

1999

01:34:09,620 --> 01:34:06,150

aliens who told me was ready Isis were

2000

01:34:12,379 --> 01:34:09,630

gonna stop me begged me he begged me I

2001

01:34:14,569 --> 01:34:12,389

slowed down several times the object

2002

01:34:15,590 --> 01:34:14,579

would slow down I'd speed up it would

2003

01:34:17,390 --> 01:34:15,600

speed up

2004

01:34:20,510 --> 01:34:17,400

he begged me not to stop he was

2005

01:34:23,330 --> 01:34:20,520

terrified out of his mind and I couldn't

2006

01:34:25,340 --> 01:34:23,340

stop he were literally would have

2007

01:34:28,100 --> 01:34:25,350

freaked out of out of his mind

2008

01:34:28,970 --> 01:34:28,110

because I told him look Steve stay in

2009

01:34:32,210 --> 01:34:28,980

the car

2010

01:34:35,150 --> 01:34:32,220

to the 30

2011

01:34:38,120 --> 01:34:35,160

we hit a 30 day tour of hot spots around

2012

01:34:40,400 --> 01:34:38,130

the world now I'm gonna leave I'm going

2013

01:34:42,740 --> 01:34:40,410

to 29 years old so I was one of the very

2014

01:34:44,750 --> 01:34:42,750

first quarter if it's won the port was

2015

01:34:46,490 --> 01:34:44,760

blocked by and who were at the very edge

2016

01:34:48,920 --> 01:34:46,500

of the mountain or we're going to

2017

01:34:50,900 --> 01:34:48,930

actually see the crater and we did see

2018

01:34:54,440 --> 01:34:50,910

lots of great activity and I video kids

2019

01:34:57,380 --> 01:34:54,450

and we had it and I had it and I lost 50

2020

01:35:00,110 --> 01:34:57,390

videotapes all that in my eye storage by

2021

01:35:02,690 --> 01:35:00,120

but he was also a witness but this is

2022

01:35:04,130 --> 01:35:02,700

something that I would challenge anyone

2023

01:35:07,280 --> 01:35:04,140

with you

2024

01:35:08,870 --> 01:35:07,290

Pat Rachel the Lilian I don't know they

2025

01:35:11,120 --> 01:35:08,880

remember me they have a picture on the

2026

01:35:15,290 --> 01:35:11,130

wall I know his wife back with but thing

2027

01:35:18,890 --> 01:35:15,300

is that I was there and I remembered it

2028

01:35:22,100 --> 01:35:18,900

but this object I wanted to stop but my

2029

01:35:24,200 --> 01:35:22,110

friend was freaking hooked much yes no

2030

01:35:26,990 --> 01:35:24,210

induced and I says you stand hurt you

2031

01:35:32,960 --> 01:35:27,000

stay in the car and alcohol and he was

2032

01:35:37,420 --> 01:35:32,970

10 years old use 50 years old and I'm 50

2033

01:35:41,990 --> 01:35:37,430

Houston 48 and I'm 27

2034

01:35:43,760 --> 01:35:42,000

okay honey but he was terrified I

2035

01:35:46,490 --> 01:35:43,770

thought Steve I how you said didn't even

2036

01:35:48,500 --> 01:35:46,500

wanna pin me thirsty he's yeah but I

2037

01:35:53,420 --> 01:35:48,510

can't take it or whatever and he was

2038

01:35:57,140 --> 01:35:53,430

terrified yeah I need to interrupt you

2039

01:35:59,540 --> 01:35:57,150

again I'm sorry to say but that is just

2040

01:36:01,700 --> 01:35:59,550

a fascinating story and did you stay

2041

01:36:05,270 --> 01:36:01,710

with Glenn Campbell up at that campsite

2042

01:36:06,560 --> 01:36:05,280

that easy that overtly sneaky for 24

2043

01:36:06,860 --> 01:36:06,570

hours oh you know what I'm talking about

2044

01:36:08,990 --> 01:36:06,870

right

2045

01:36:11,060 --> 01:36:09,000

I know exactly what you're talking about

2046

01:36:14,510 --> 01:36:11,070

I know I think I know where you went

2047

01:36:17,060 --> 01:36:14,520

yeah it's a hike in ready it took us

2048

01:36:19,310 --> 01:36:17,070

several when we want right he's off like

2049

01:36:22,400 --> 01:36:19,320

yeah 10 kilometers or 10 miles or

2050

01:36:25,610 --> 01:36:22,410

whatever miles 10 miles it took us hours

2051

01:36:28,920 --> 01:36:25,620

but things that I loved it and we feel

2052

01:36:32,190 --> 01:36:28,930

overnight we'd left the star

2053

01:36:34,610 --> 01:36:32,200

the stuff that I saw and I videotaped it

2054

01:36:38,370 --> 01:36:34,620

on my old-fashioned video camera and

2055

01:36:40,350 --> 01:36:38,380

20th the little alien in is the ring

2056

01:36:42,510 --> 01:36:40,360

each had two bags you only had six rooms

2057

01:36:46,400 --> 01:36:42,520

to the trailer six room with two beds

2058

01:36:48,990 --> 01:36:46,410

and each room had a TV with a VCR player

2059

01:36:53,160 --> 01:36:49,000

so that you could put your VCR keep in

2060

01:36:54,630 --> 01:36:53,170

there to see if you look at all that was

2061

01:36:57,030 --> 01:36:54,640

done you know what I got some really

2062

01:36:59,520 --> 01:36:57,040

quick stuff but I couldn't stop the tape

2063

01:37:02,640 --> 01:36:59,530

the object behind us but I tell you I

2064

01:37:04,440 --> 01:37:02,650

loved it and I wanted to stop but my

2065

01:37:07,560 --> 01:37:04,450

friend was not psychologically ready

2066

01:37:09,900 --> 01:37:07,570

yeah yeah and he was freaking out I

2067

01:37:12,210 --> 01:37:09,910

tried it on them down like I prepped

2068

01:37:18,360 --> 01:37:12,220

them for 10 years I tried to calm him

2069

01:37:20,070 --> 01:37:18,370

down close your eyes so I wanted to stop

2070

01:37:23,360 --> 01:37:20,080

the car to the side

2071

01:37:26,250 --> 01:37:23,370

leave the cows there's a lot of calls oh

2072

01:37:28,440 --> 01:37:26,260

yeah Michael I got interrupt you again I

2073

01:37:31,140 --> 01:37:28,450

had the same experience when I drove out

2074

01:37:34,800 --> 01:37:31,150

there those damn cows they're everywhere

2075

01:37:37,260 --> 01:37:34,810

that night all cement for to cool off in

2076

01:37:40,410 --> 01:37:37,270

the summer time because it's cooler yeah

2077

01:37:42,360 --> 01:37:40,420

yeah and I was warned that right and I

2078

01:37:44,120 --> 01:37:42,370

could drive in the dark and it's pitch

2079

01:37:46,950 --> 01:37:44,130

dark

2080

01:37:49,320 --> 01:37:46,960

there's no there's no streetlights out

2081

01:37:52,040 --> 01:37:49,330

there folks all the middle of freaking

2082

01:37:54,150 --> 01:37:52,050

nowhere I loved it and I thought you

2083

01:37:57,300 --> 01:37:54,160

know what I thought my french tip was

2084

01:38:00,390 --> 01:37:57,310

ready for it so because I we he's the

2085

01:38:03,300 --> 01:38:00,400

one that that that said like let's go on

2086

01:38:05,640 --> 01:38:03,310

this trip now so we did but he wasn't

2087

01:38:08,000 --> 01:38:05,650

ready we went to the Grand Canyon we had

2088

01:38:11,970 --> 01:38:08,010

a sighting we went to different places

2089

01:38:14,610 --> 01:38:11,980

were ready but he was too terrified and

2090

01:38:17,070 --> 01:38:14,620

and because of that they didn't make

2091

01:38:19,860 --> 01:38:17,080

themselves completely visible to the two

2092

01:38:22,050 --> 01:38:19,870

of us right right that happens if one of

2093

01:38:25,080 --> 01:38:22,060

you is petrified it's not gonna help the

2094

01:38:26,790 --> 01:38:25,090

crew you know oh yeah almost like the

2095

01:38:29,850 --> 01:38:26,800

verge of passing out she looks do you

2096

01:38:32,610 --> 01:38:29,860

pass oh we did once we're on the bus

2097

01:38:35,940 --> 01:38:32,620

Colorado to apply in the morning we see

2098

01:38:39,210 --> 01:38:35,950

the object years of past notes oh well

2099

01:38:40,830 --> 01:38:39,220

maybe you were taken do you think well I

2100

01:38:41,750 --> 01:38:40,840

wasn't taking the physical or

2101  
01:38:43,160 --> 01:38:41,760  
non-physical

2102  
01:38:46,910 --> 01:38:43,170  
I ended up on the roof of the bus and

2103  
01:38:52,400 --> 01:38:46,920  
then I was taken isn't happy to anybody

2104  
01:38:54,140 --> 01:38:52,410  
freaked out you know well it kind of you

2105  
01:38:56,450 --> 01:38:54,150  
know what's interesting Michael the more

2106  
01:38:59,510 --> 01:38:56,460  
I hear these stories the more I realize

2107  
01:39:02,870 --> 01:38:59,520  
that you know people I guess are a bit

2108  
01:39:04,790 --> 01:39:02,880  
different I guess because I I'm not

2109  
01:39:07,220 --> 01:39:04,800  
afraid of stuff like this I have never

2110  
01:39:08,600 --> 01:39:07,230  
been afraid now I'm probably more afraid

2111  
01:39:11,540 --> 01:39:08,610  
now than I was then

2112  
01:39:14,030 --> 01:39:11,550  
but man when I was in my 20s I was

2113  
01:39:16,220 --> 01:39:14,040

fearless I mean I tell the story on this

2114

01:39:18,560 --> 01:39:16,230

show every once in a while about how I

2115

01:39:22,610 --> 01:39:18,570

used to race cars I used to do all kinds

2116

01:39:25,160 --> 01:39:22,620

of crazy crazy stuff and my family

2117

01:39:31,300 --> 01:39:25,170

literally had bets on whether I was

2118

01:39:36,500 --> 01:39:34,280

well I was pretty I mean I was racing

2119

01:39:38,390 --> 01:39:36,510

cars when I you know I was the only girl

2120

01:39:42,920 --> 01:39:38,400

in a group of guys that would race cars

2121

01:39:45,230 --> 01:39:42,930

the way I you know I wanted to become a

2122

01:39:49,010 --> 01:39:45,240

racecar driver when I was you know 12 to

2123

01:39:51,140 --> 01:39:49,020

16 woman made know nothing it was very

2124

01:39:53,360 --> 01:39:51,150

difficult yeah it was I even had a

2125

01:39:56,360 --> 01:39:53,370

boyfriend that was a pit guy and he had

2126  
01:39:58,550 --> 01:39:56,370  
a dragster yeah I mean I really wanted

2127  
01:40:00,410 --> 01:39:58,560  
to do that but he at one story short I

2128  
01:40:02,360 --> 01:40:00,420  
also wanted to be a goalie in a hockey

2129  
01:40:04,700 --> 01:40:02,370  
team if there was any hockey down in

2130  
01:40:07,010 --> 01:40:04,710  
Portland Oregon at that time except for

2131  
01:40:09,680 --> 01:40:07,020  
the buckaroos and he had long story

2132  
01:40:12,800 --> 01:40:09,690  
short I was way ahead of my time but I

2133  
01:40:15,770 --> 01:40:12,810  
was out there living the life and but I

2134  
01:40:17,660 --> 01:40:15,780  
know I got that from when I died when I

2135  
01:40:19,880 --> 01:40:17,670  
was 18 months old in the hospital and

2136  
01:40:22,130 --> 01:40:19,890  
the angel or aliens came and you know

2137  
01:40:25,160 --> 01:40:22,140  
kept me alive right I didn't die but I

2138  
01:40:28,340 --> 01:40:25,170

almost died and they kept me here and I

2139

01:40:31,340 --> 01:40:28,350

have not been afraid my entire life and

2140

01:40:34,640 --> 01:40:31,350

people think that is probably because

2141

01:40:38,720 --> 01:40:34,650

I'm weirdo you know but I think it's

2142

01:40:41,180 --> 01:40:38,730

because I've had alien contact of some

2143

01:40:43,160 --> 01:40:41,190

sort whether it's an angel or God or

2144

01:40:45,410 --> 01:40:43,170

whatever you want to call it I've been

2145

01:40:47,330 --> 01:40:45,420

blessed and I know there's something

2146

01:40:49,850 --> 01:40:47,340

better on the other side so I'm not

2147

01:40:54,950 --> 01:40:49,860

afraid I'm not afraid to gut to go

2148

01:40:55,189 --> 01:40:54,960

tomorrow you know yeah and once you've

2149

01:40:59,870 --> 01:40:55,199

been

2150

01:41:02,839 --> 01:40:59,880

traveling around as an OBE which I've

2151  
01:41:05,180 --> 01:41:02,849  
done a bunch of times you realize that

2152  
01:41:08,839 --> 01:41:05,190  
there's much more to us than this

2153  
01:41:11,540 --> 01:41:08,849  
dimension you know absolutely and so

2154  
01:41:14,089 --> 01:41:11,550  
fear is not like it is for most people

2155  
01:41:16,160 --> 01:41:14,099  
but you know what's hard Michael it's

2156  
01:41:17,959 --> 01:41:16,170  
hard remembering that because you've

2157  
01:41:29,149 --> 01:41:17,969  
lived that you and I have lived our

2158  
01:41:34,100 --> 01:41:29,159  
whole life not in fear right oh my god

2159  
01:41:37,879 --> 01:41:34,110  
you were by locating and when I read

2160  
01:41:39,500 --> 01:41:37,889  
subin book when I was 15 years old

2161  
01:41:42,589 --> 01:41:39,510  
that's when I started to understand

2162  
01:41:45,680 --> 01:41:42,599  
silver monguno Harry Carrington I got

2163  
01:41:48,169 --> 01:41:45,690

their book 1940 oh I wish I had that

2164

01:41:49,850 --> 01:41:48,179

damn thing got disappeared I loved that

2165

01:41:52,100 --> 01:41:49,860

book but and helped me to understand

2166

01:41:53,330 --> 01:41:52,110

what's going on but here he Carrington

2167

01:41:55,219 --> 01:41:53,340

and sell them I'll do it one of the

2168

01:41:57,350 --> 01:41:55,229

pioneers right nobody stopped the

2169

01:41:59,359 --> 01:41:57,360

nineteen thirties right right that's an

2170

01:42:02,959 --> 01:41:59,369

I read their stuff tonight this is what

2171

01:42:05,449 --> 01:42:02,969

I'm doing I'm not sick but I act here I

2172

01:42:07,399 --> 01:42:05,459

had tremendous fear up until I went to

2173

01:42:09,319 --> 01:42:07,409

the Monroe because I had these creatures

2174

01:42:12,529 --> 01:42:09,329

tell me but if I get out of my body

2175

01:42:14,299 --> 01:42:12,539

they'll kill me tear me apart well

2176

01:42:16,790 --> 01:42:14,309

that's what happened to me the time I

2177

01:42:18,709 --> 01:42:16,800

jumped back into my body was that evil

2178

01:42:21,020 --> 01:42:18,719

entity came into the bedroom and I took

2179

01:42:21,500 --> 01:42:21,030

off away from it and yeah I know the

2180

01:42:24,350 --> 01:42:21,510

feeling

2181

01:42:26,959 --> 01:42:24,360

but I was that was the only time I was

2182

01:42:29,930 --> 01:42:26,969

afraid but once I got back in my body I

2183

01:42:34,339 --> 01:42:29,940

knew it was over you know for me it kind

2184

01:42:36,919 --> 01:42:34,349

of stayed you know palatable because I

2185

01:42:40,219 --> 01:42:36,929

could feel it yeah it was oh they're not

2186

01:42:42,500 --> 01:42:40,229

good [h\_\_\h] well I knew that too isn't

2187

01:42:44,779 --> 01:42:42,510

that interesting my father took me to

2188

01:42:46,609 --> 01:42:44,789

the park when I was 15 but I never told

2189

01:42:47,779 --> 01:42:46,619

him nothing right when I took the hit

2190

01:42:50,930 --> 01:42:47,789

what he was doing when he was on a

2191

01:42:53,209 --> 01:42:50,940

business trip 300 miles away and at the

2192

01:42:55,310 --> 01:42:53,219

time were like my mother already been

2193

01:42:57,020 --> 01:42:55,320

gone I told my song with the spray

2194

01:43:04,929 --> 01:42:57,030

the--and stuff he kind of thought I was

2195

01:43:12,979 --> 01:43:08,599

yeah and I was also experimenting

2196

01:43:14,629 --> 01:43:12,989

at that time 14 15 years old electronic

2197

01:43:17,419 --> 01:43:14,639

voice phenomena without realizing what

2198

01:43:20,169 --> 01:43:17,429

it was ice and left my mic a player on

2199

01:43:22,939 --> 01:43:20,179

the court and tape when I was practicing

2200

01:43:24,589 --> 01:43:22,949

pronouncing on it I left it on by

2201

01:43:27,109 --> 01:43:24,599

accident when I replayed it I had all

2202

01:43:28,089 --> 01:43:27,119

these funny I had these crazy voices on

2203

01:43:31,119 --> 01:43:28,099

and stuff

2204

01:43:34,849 --> 01:43:31,129

really yeah scare the hell out of me

2205

01:43:36,859 --> 01:43:34,859

well yeah it does kind of it's until you

2206

01:43:41,299 --> 01:43:36,869

actually figure out what it is that it

2207

01:43:46,099 --> 01:43:41,309

does scare you it's like yeah yeah yeah

2208

01:43:48,020 --> 01:43:46,109

it'd be years old Wow you know that's so

2209

01:43:53,419 --> 01:43:48,030

it leads to my dad he thought I was

2210

01:43:56,359 --> 01:43:53,429

making it up could he hear it no yes he

2211

01:44:00,649 --> 01:43:56,369

only certain people can hear those EVPs

2212

01:44:02,389 --> 01:44:00,659

it's interesting but lately yeah he

2213

01:44:05,359 --> 01:44:02,399

could hear it on the beat but he thought

2214

01:44:07,339 --> 01:44:05,369

I was making out the voices oh he could

2215

01:44:09,589 --> 01:44:07,349

hear it okay yes because he could hear

2216

01:44:11,750 --> 01:44:09,599

it clearly I thought it was less that I

2217

01:44:13,399 --> 01:44:11,760

was schizophrenic or whatever and I was

2218

01:44:16,339 --> 01:44:13,409

making up the sounds but I told them I

2219

01:44:18,649 --> 01:44:16,349

wasn't but this is this is what actually

2220

01:44:27,699 --> 01:44:18,659

got him like I was asking him explain

2221

01:44:31,159 --> 01:44:27,709

what it was yeah I bet it did

2222

01:44:33,500 --> 01:44:31,169

no it's it's a tough life being anything

2223

01:44:36,649 --> 01:44:33,510

different isn't it it's just a tough

2224

01:44:39,139 --> 01:44:36,659

life you know people that if they don't

2225

01:44:41,599 --> 01:44:39,149

understand it you're ridiculed and being

2226

01:44:43,909 --> 01:44:41,609

in high school and being different like

2227

01:44:46,639 --> 01:44:43,919

this is just it's a horror isn't it

2228

01:44:48,349 --> 01:44:46,649

yeah I remember one whole year I only I

2229

01:44:50,659 --> 01:44:48,359

never had no friends of grade 9

2230

01:44:52,729 --> 01:44:50,669

everybody everybody avoided me like I

2231

01:44:55,459 --> 01:44:52,739

wasn't Hylian I swear was not very good

2232

01:44:58,189 --> 01:44:55,469

Lauren in grade 7 and 8 I had two

2233

01:44:59,869 --> 01:44:58,199

friends great night I had nobody nobody

2234

01:45:02,929 --> 01:44:59,879

not one trend and great night a whole

2235

01:45:05,779 --> 01:45:02,939

year go by now one person I was I will

2236

01:45:08,479 --> 01:45:05,789

avoid it like I had to play it ya know

2237

01:45:11,060 --> 01:45:08,489

end up having lunch by myself in the

2238

01:45:13,549 --> 01:45:11,070

summertime going outside

2239

01:45:16,579 --> 01:45:13,559

and I didn't understand it everybody it

2240

01:45:19,069 --> 01:45:16,589

would it mean well it's all right like

2241

01:45:20,809 --> 01:45:19,079

it's like this is very happy about it no

2242

01:45:22,220 --> 01:45:20,819

I I don't blame you I wouldn't been

2243

01:45:24,110 --> 01:45:22,230

happy either

2244

01:45:34,300 --> 01:45:24,120

but grooves and the guys and everybody

2245

01:45:38,600 --> 01:45:36,710

yeah it's tough blending in when you're

2246

01:45:40,910 --> 01:45:38,610

that different it's really hard but you

2247

01:45:43,490 --> 01:45:40,920

know what it makes you really strong and

2248

01:45:45,110 --> 01:45:43,500

you know what you have amazing abilities

2249

01:45:46,460 --> 01:45:45,120

now you have absolutely amazing

2250

01:45:47,180 --> 01:45:46,470

abilities and you're sharing them with

2251

01:45:50,180 --> 01:45:47,190

the world

2252

01:45:52,400 --> 01:45:50,190

and I think it's I think you're

2253

01:45:55,220 --> 01:45:52,410

phenomenal Michael I really do I think

2254

01:45:57,890 --> 01:45:55,230

you're just a you've had you've had the

2255

01:46:00,200 --> 01:45:57,900

encounter with the the oriental naked

2256

01:46:04,100 --> 01:46:00,210

woman which is very interesting like I

2257

01:46:09,040 --> 01:46:04,110

said you've had out-of-body OBEs you

2258

01:46:11,900 --> 01:46:09,050

you're a natural remote viewer you're

2259

01:46:19,400 --> 01:46:11,910

people that's the most I love to empower

2260

01:46:21,650 --> 01:46:19,410

you Minh being oh I tell you what remote

2261

01:46:23,150 --> 01:46:21,660

viewing is the key because what remote

2262

01:46:25,640 --> 01:46:23,160

viewing does that people don't

2263

01:46:28,910 --> 01:46:25,650

understand is actually transcends time

2264

01:46:30,680 --> 01:46:28,920

but I also developed telekinesis for

2265

01:46:33,350 --> 01:46:30,690

more healing for more telepathy

2266

01:46:34,400 --> 01:46:33,360

remote touchy so I've actually come up

2267

01:46:35,990 --> 01:46:34,410

with a whole bunch of different things

2268

01:46:40,010 --> 01:46:36,000

that were not developed by the Stanford

2269

01:46:41,990 --> 01:46:40,020

Research Institute cool and in my mentor

2270

01:46:45,740 --> 01:46:42,000

David Morehouse well you know about that

2271

01:46:48,620 --> 01:46:45,750

stuff but I kind of you know anyway well

2272

01:46:51,500 --> 01:46:48,630

I'm fascinated by what you teach now do

2273

01:46:53,840 --> 01:46:51,510

you have workshops up in the in where

2274

01:46:55,190 --> 01:46:53,850

you're living right now I've done I've

2275

01:46:56,930 --> 01:46:55,200

done most of them have been about a

2276

01:46:58,220 --> 01:46:56,940

thousand programs in North America in

2277

01:47:00,590 --> 01:46:58,230

the States

2278

01:47:02,300 --> 01:47:00,600

I seem to have a greater Susan B a

2279

01:47:04,060 --> 01:47:02,310

greater demand and understanding of it

2280

01:47:08,750 --> 01:47:04,070

in the states in u.s. than in Canada

2281

01:47:12,260 --> 01:47:08,760

okay and if someone went to come to one

2282

01:47:14,840 --> 01:47:12,270

of your your classes or your workshops

2283

01:47:17,930 --> 01:47:14,850

would they get a workbook would they

2284

01:47:23,870 --> 01:47:17,940

just get tired manuals have five manuals

2285

01:47:26,540 --> 01:47:23,880

and 15 CDs Navy eight DVDs cheese my

2286

01:47:28,670 --> 01:47:26,550

semi seminars and programs and I would

2287

01:47:29,860 --> 01:47:28,680

love it I would love it if I got it pure

2288

01:47:32,479 --> 01:47:29,870

your next conference

2289

01:47:34,580 --> 01:47:32,489

Lorien and anything coming up you know

2290

01:47:36,230 --> 01:47:34,590

just love it because I love to share and

2291

01:47:41,210 --> 01:47:36,240

I guess people in Canada

2292

01:47:43,280 --> 01:47:41,220

they're still afraid they shouldn't be I

2293

01:47:45,620 --> 01:47:43,290

I'm very upset with them for not

2294

01:47:47,510 --> 01:47:45,630

embracing you for the Canadian guy that

2295

01:47:49,250 --> 01:47:47,520

you really know but it's true isn't it

2296

01:47:53,660 --> 01:47:49,260

an artist is not accepted in his own

2297

01:48:01,550 --> 01:47:53,670

country you will be in the universe or

2298

01:48:04,850 --> 01:48:01,560

whatever yeah it's so true yeah and so

2299

01:48:07,460 --> 01:48:04,860

do you do any type of I saw that on your

2300

01:48:10,940 --> 01:48:07,470

GoFundMe type of thing the crowdfunding

2301

01:48:13,100 --> 01:48:10,950

page that you do events do you go out to

2302

01:48:15,680 --> 01:48:13,110

events and help people raise money for

2303

01:48:18,950 --> 01:48:15,690

their causes I've done I've done that

2304

01:48:20,840 --> 01:48:18,960

many many charities oh that's so sick of

2305

01:48:23,300 --> 01:48:20,850

you and I have done it too many

2306

01:48:26,390 --> 01:48:23,310

charities I've raised hundreds of

2307

01:48:29,260 --> 01:48:26,400

thousands of dollars but the problem is

2308

01:48:33,440 --> 01:48:29,270

that I've been I've been exploited by by

2309

01:48:35,420 --> 01:48:33,450

nefarious agents in the States also as

2310

01:48:37,520 --> 01:48:35,430

well and I'm gonna get it out myself and

2311

01:48:40,520 --> 01:48:37,530

this has caused me a lot of problems as

2312

01:48:43,520 --> 01:48:40,530

well you know exploited and because as

2313

01:48:48,080 --> 01:48:43,530

Canadian believe it or not they take

2314

01:48:50,860 --> 01:48:48,090

advantage of me yeah yeah and I would

2315

01:48:53,600 --> 01:48:50,870

think the god Woodall may help soul

2316

01:48:56,660 --> 01:48:53,610

worrying that something might transpire

2317

01:48:58,760 --> 01:48:56,670

nice had a vision in the dream and I

2318

01:49:01,160 --> 01:48:58,770

connected you connected with me that

2319

01:49:04,970 --> 01:49:01,170

perhaps maybe somebody out there and

2320

01:49:07,430 --> 01:49:04,980

maybe yourself might help me in some way

2321

01:49:09,560 --> 01:49:07,440

to share my knowledge and my vision to

2322

01:49:11,780 --> 01:49:09,570

help and teach others they share others

2323

01:49:14,750 --> 01:49:11,790

that they can do these things but I can

2324

01:49:17,540 --> 01:49:14,760

do maybe not to the exact degree but to

2325

01:49:20,480 --> 01:49:17,550

a large degree exactly yeah

2326

01:49:23,000 --> 01:49:20,490

well Michael I will do what I can right

2327

01:49:25,210 --> 01:49:23,010

now my life is a you know right now I

2328

01:49:28,880 --> 01:49:25,220

have no sleep because of being hacked

2329

01:49:31,360 --> 01:49:28,890

and I really it looks like it was a coup

2330

01:49:33,830 --> 01:49:31,370

by the way I was hacked to last year

2331

01:49:34,460 --> 01:49:33,840

comfortable so I understand what you

2332

01:49:40,700 --> 01:49:34,470

lost

2333

01:49:44,120 --> 01:49:40,710

them back but I was happy placed

2334

01:49:46,940 --> 01:49:44,130

actually yeah and I can tell it was a

2335

01:49:49,490 --> 01:49:46,950

hack job because I keep getting script

2336

01:49:49,910 --> 01:49:49,500

errors that are definitely someone had

2337

01:49:53,030 --> 01:49:49,920

to write

2338

01:49:55,550 --> 01:49:53,040

script to make this go away so I know it

2339

01:49:57,680 --> 01:49:55,560

wasn't it wasn't a virus because I run a

2340

01:50:00,590 --> 01:49:57,690

virus scan all the time so I know it was

2341

01:50:03,260 --> 01:50:00,600

directed at me somebody no body somebody

2342

01:50:04,880 --> 01:50:03,270

about very nice that's just trying to

2343

01:50:07,130 --> 01:50:04,890

make you make it difficult for you

2344

01:50:09,290 --> 01:50:07,140

that's right just like they were to you

2345

01:50:11,660 --> 01:50:09,300

and just like a lot of us you know the

2346

01:50:14,150 --> 01:50:11,670

experiencers the people who are really

2347

01:50:15,710 --> 01:50:14,160

out on the forefront of spirituality on

2348

01:50:19,550 --> 01:50:15,720

this planet because you know what being

2349

01:50:22,850 --> 01:50:19,560

an alien contact D makes you by default

2350

01:50:25,880 --> 01:50:22,860

a spiritual person because there's one

2351

01:50:28,880 --> 01:50:25,890

thing the aliens have that humans do not

2352

01:50:31,160 --> 01:50:28,890

and that is they can't lie I've never

2353

01:50:33,950 --> 01:50:31,170

had an alien or an angel or any of these

2354

01:50:36,650 --> 01:50:33,960

things that come at you lie to me at

2355

01:50:39,200 --> 01:50:36,660

least I have it now I to my friends who

2356

01:50:40,730 --> 01:50:39,210

deal with the greys and they're not sure

2357

01:50:42,230 --> 01:50:40,740

they're telling them the truth all the

2358

01:50:44,510 --> 01:50:42,240

time you know you know it's funny think

2359

01:50:47,420 --> 01:50:44,520

about the greys out of the way I met

2360

01:50:50,930 --> 01:50:47,430

these beings like okay I'm not great at

2361

01:50:54,620 --> 01:50:50,940

wrong skin right I admit I have brown

2362

01:50:56,210 --> 01:50:54,630

skin that looks like tan leather but for

2363

01:50:58,430 --> 01:50:56,220

some reason people people call them the

2364

01:51:00,410 --> 01:50:58,440

greys but they're not great I haven't

2365

01:51:03,490 --> 01:51:00,420

met any of these beings whether the

2366

01:51:05,930 --> 01:51:03,500

three foot by foot or five foot five

2367

01:51:10,670 --> 01:51:05,940

whatever they're all seem to have a

2368

01:51:13,130 --> 01:51:10,680

thicker kind of tan brown color there's

2369

01:51:16,510 --> 01:51:13,140

interesting interesting and anyway

2370

01:51:19,670 --> 01:51:16,520

there's big contact lenses in their eyes

2371

01:51:22,130 --> 01:51:19,680

Wow okay so either either light

2372

01:51:24,730 --> 01:51:22,140

sensitive so they wouldn't stick contact

2373

01:51:28,460 --> 01:51:24,740

lenses to make the rise of black

2374

01:51:30,590 --> 01:51:28,470

interesting now did they take out the

2375

01:51:32,420 --> 01:51:30,600

contact lens you absolutely know that's

2376

01:51:33,220 --> 01:51:32,430

a committee yes yes they've done it for

2377

01:51:36,080 --> 01:51:33,230

me

2378

01:51:39,700 --> 01:51:36,090

they have done it but their eyes are

2379

01:51:41,690 --> 01:51:39,710

super byte incitive on earth so they

2380

01:51:44,720 --> 01:51:41,700

because they come from a star system

2381

01:51:48,410 --> 01:51:44,730

that's different but the ones that eyes

2382

01:51:50,330 --> 01:51:48,420

put you know black third there they're

2383

01:51:53,000 --> 01:51:50,340

not black they're they have pupils and

2384

01:51:56,780 --> 01:51:53,010

irises just have to learn these large

2385

01:51:59,930 --> 01:51:56,790

contact lenses that I like or they act a

2386

01:52:01,790 --> 01:51:59,940

sunscreen for them yeah yeah gotcha God

2387

01:52:03,799 --> 01:52:01,800

yeah and they're physical about they're

2388

01:52:06,000 --> 01:52:03,809

not non-physical

2389

01:52:09,929 --> 01:52:06,010

well if they ever lied to you

2390

01:52:12,599 --> 01:52:09,939

because I'm dying to find out you know

2391

01:52:14,089 --> 01:52:12,609

what I'm gonna say they're like but

2392

01:52:17,819 --> 01:52:14,099

they're not gonna tell you everything do

2393

01:52:19,859 --> 01:52:17,829

yes that's it they're hiding some of the

2394

01:52:22,469 --> 01:52:19,869

truth and you know what they said to me

2395

01:52:25,560 --> 01:52:22,479

yes they know that I mixed restricting

2396

01:52:28,079 --> 01:52:25,570

to kinda go back ever since I was like

2397

01:52:29,849 --> 01:52:28,089

18 and then try to knock me out several

2398

01:52:32,520 --> 01:52:29,859

times and I ended up waking up on the

2399

01:52:34,560 --> 01:52:32,530

table and they said this guy is a wait

2400

01:52:36,179 --> 01:52:34,570

he's not supposed to be oh I got a lot

2401  
01:52:36,569 --> 01:52:36,189  
of cool experiences - that happened to

2402  
01:52:40,829 --> 01:52:36,579  
me

2403  
01:52:42,479 --> 01:52:40,839  
other side by the way but there's so

2404  
01:52:44,129 --> 01:52:42,489  
many benefits and advantages

2405  
01:52:46,469 --> 01:52:44,139  
Laurene that you can develop you

2406  
01:52:48,869 --> 01:52:46,479  
projecting into the second state meaning

2407  
01:52:51,209 --> 01:52:48,879  
loved ones and doing things and all and

2408  
01:52:53,310 --> 01:52:51,219  
it's just so just it's a you're doing it

2409  
01:52:54,599 --> 01:52:53,320  
already and I tell people well since

2410  
01:52:57,270 --> 01:52:54,609  
you're doing it why not remember how to

2411  
01:52:59,099 --> 01:52:57,280  
do it right yeah then that way connect

2412  
01:53:00,829 --> 01:52:59,109  
with people that you love and and you

2413  
01:53:04,589 --> 01:53:00,839

learn stuff in anyway

2414

01:53:06,359 --> 01:53:04,599

Wow wow that's fascinating now we only

2415

01:53:08,250 --> 01:53:06,369

have a few minutes left in the show and

2416

01:53:08,969 --> 01:53:08,260

I've got to do this because you are

2417

01:53:14,609 --> 01:53:08,979

Canadian

2418

01:53:16,560 --> 01:53:14,619

do you watch hockey well I kind of

2419

01:53:18,959 --> 01:53:16,570

stopped watching available when the

2420

01:53:24,329 --> 01:53:18,969

maple thing stop stop stop winning about

2421

01:53:26,759 --> 01:53:24,339

40 years ago I used to be a big hockey

2422

01:53:28,979 --> 01:53:26,769

fan you know up until about 20 years ago

2423

01:53:32,729 --> 01:53:28,989

but the maple loops having one and more

2424

01:53:35,669 --> 01:53:32,739

than you know I mean I'm younger

2425

01:53:39,810 --> 01:53:35,679

I mean I'm older than a lot of time that

2426

01:53:42,509 --> 01:53:39,820

they haven't why well you know that's

2427

01:53:45,299 --> 01:53:42,519

the absolute truth the poor guys the

2428

01:53:48,199 --> 01:53:45,309

poor guys haven't won for so long and

2429

01:53:51,079 --> 01:53:48,209

they won in the sixties they won yeah

2430

01:53:54,479 --> 01:53:51,089

that's because it was only 16 frames

2431

01:53:58,699 --> 01:53:54,489

that's a nice kick and it's all playing

2432

01:54:01,500 --> 01:53:58,709

and that's why he won the house you know

2433

01:54:03,560 --> 01:54:01,510

maybe what a one you know even once

2434

01:54:06,659 --> 01:54:03,570

every five years or once in ten years

2435

01:54:09,000 --> 01:54:06,669

well you know 50 years not winning you

2436

01:54:12,239 --> 01:54:09,010

know it's not a very good thing no it's

2437

01:54:14,309 --> 01:54:12,249

not and it's sad and I gotta say I'm a

2438

01:54:16,109 --> 01:54:14,319

big sharks fan down here in San Jose

2439

01:54:16,590 --> 01:54:16,119

California I've been following the

2440

01:54:19,050 --> 01:54:16,600

Sharks

2441

01:54:20,960 --> 01:54:19,060

the day they were they first stepped

2442

01:54:26,340 --> 01:54:20,970

onto the ice I was in the Cow Palace

2443

01:54:29,160 --> 01:54:26,350

cheering them on and we have come close

2444

01:54:32,850 --> 01:54:29,170

in 27 years that we've been in the

2445

01:54:36,150 --> 01:54:32,860

league we've made it to the finals once

2446

01:54:38,730 --> 01:54:36,160

so the odds of getting in now are so

2447

01:54:40,500 --> 01:54:38,740

slim I mean and the odds of winning two

2448

01:54:42,170 --> 01:54:40,510

or three years in a row were even more

2449

01:54:44,730 --> 01:54:42,180

phenomena the ball the other King

2450

01:54:47,190 --> 01:54:44,740

exactly and we think this added another

2451  
01:54:48,750 --> 01:54:47,200  
expansion team in Las Vegas this year

2452  
01:54:51,330 --> 01:54:48,760  
that's right I heard of yeah I just

2453  
01:54:53,340 --> 01:54:51,340  
heard about that yeah and they're doing

2454  
01:54:54,840 --> 01:54:53,350  
range guys but those guys are winning

2455  
01:55:01,800 --> 01:54:54,850  
and you know what they're gonna win the

2456  
01:55:03,930 --> 01:55:01,810  
inner child they're being paid a

2457  
01:55:06,210 --> 01:55:03,940  
fraction of the cost but they're gonna

2458  
01:55:07,470 --> 01:55:06,220  
win because they're hungry you see

2459  
01:55:10,440 --> 01:55:07,480  
they're not looking at the money they

2460  
01:55:13,710 --> 01:55:10,450  
look at that winning exactly I already

2461  
01:55:18,060 --> 01:55:13,720  
told this to a friend of mine really

2462  
01:55:21,390 --> 01:55:18,070  
she's like that with them how about the

2463  
01:55:24,600 --> 01:55:21,400

Knights and and the team that won last

2464

01:55:25,110 --> 01:55:24,610

year I think it was God was it I can't

2465

01:55:27,420 --> 01:55:25,120

remember

2466

01:55:29,190 --> 01:55:27,430

anyhow I'll bet against the Western

2467

01:55:31,800 --> 01:55:29,200

Conference Eastern Conference winners

2468

01:55:34,860 --> 01:55:31,810

last year okay good yeah Golden Knights

2469

01:55:39,120 --> 01:55:34,870

against these guys I'll do it hungry man

2470

01:55:42,180 --> 01:55:39,130

they're gonna win okay I bought them in

2471

01:55:44,280 --> 01:55:42,190

Loudon and they live in Las Vegas the

2472

01:55:46,950 --> 01:55:44,290

barometric pressure is a lot different

2473

01:55:49,710 --> 01:55:46,960

it's always there people have a good few

2474

01:55:53,070 --> 01:55:49,720

mood you know well in that energy of the

2475

01:55:55,380 --> 01:55:53,080

atmosphere of Nevada and this isn't me

2476

01:55:57,780 --> 01:55:55,390

yeah absolutely

2477

01:55:59,850 --> 01:55:57,790

well sweetheart there's very few seconds

2478

01:56:02,940 --> 01:55:59,860

left in the show today but I give up

2479

01:56:04,830 --> 01:56:02,950

from my yes yes yeah do all that go

2480

01:56:06,690 --> 01:56:04,840

ahead take your Toki folks if you were

2481

01:56:09,630 --> 01:56:06,700

here everybody want to get a hold of

2482

01:56:12,270 --> 01:56:09,640

beef if you better if you're like to

2483

01:56:16,050 --> 01:56:12,280

book me for a conference or whatever get

2484

01:56:20,640 --> 01:56:16,060

back to me at NFL star hop now calm MTEL

2485

01:56:25,770 --> 01:56:20,650

SC AR are are calm and my personal song

2486

01:56:30,300 --> 01:56:25,780

number is 6 4 7 9 6 0 7 1 1 3 9607 1 1 3

2487

01:56:32,580 --> 01:56:30,310

6 4 7 area code that's about it whoo

2488

01:56:34,410 --> 01:56:32,590

all see actually you'll give people your

2489

01:56:36,750 --> 01:56:34,420

phone number live on there you are a

2490

01:56:39,930 --> 01:56:36,760

brave man don't let me tell ya not fear

2491

01:56:42,930 --> 01:56:39,940

I am doing it because you know what I

2492

01:56:47,370 --> 01:56:42,940

figure you know what I my legs not

2493

01:56:51,300 --> 01:56:47,380

extended essential trees what do I

2494

01:56:54,120 --> 01:56:51,310

happens or I have to lose you know yeah

2495

01:56:57,810 --> 01:56:54,130

absolutely well everyone thank you

2496

01:56:59,250 --> 01:56:57,820

Michael anybody questions or whatever or

2497

01:57:01,650 --> 01:56:59,260

want to check my stuff oh and then they

2498

01:57:04,170 --> 01:57:01,660

can go to my Facebook page too I guess

2499

01:57:06,030 --> 01:57:04,180

ok they will they're gonna get to your

2500

01:57:08,670 --> 01:57:06,040

Facebook page I promise you that Michael

2501

01:57:10,650 --> 01:57:08,680

everybody have a great week and thank

2502

01:57:13,010 --> 01:57:10,660

you Michael for being here and MJ thank

2503

01:57:15,480 --> 01:57:13,020

you for being at the helm at thank you

2504

01:57:17,700 --> 01:57:15,490

you bet sweetie and I'll see you guys

2505

01:57:20,790 --> 01:57:17,710

all next week and we're gonna be live

2506

01:57:22,560 --> 01:57:20,800

from International UFO Congress so be
