00:00:04,880 --> 00:00:01,790
put a snow in Chicago I don't know what

2
00:00:07,220 --> 00:00:04,890
happened but it happened and it's ending

3
00:00:10,490 --> 00:00:07,230
we're getting like five more inches soon

4
00:00:11,570 --> 00:00:10,500
- it's just nuts but it's pretty it's

5
00:00:14,180 --> 00:00:11,580
got to be cold it might as well be

6
00:00:15,950 --> 00:00:14,190
pretty it's what I think so anyways I

7
00:00:17,390 --> 00:00:15,960
should tell you guys what this program

8
00:00:19,519 --> 00:00:17,400
is about this show is about bringing

9
00:00:21,500 --> 00:00:19,529
outlandish and interesting topics to the

10
00:00:24,320 --> 00:00:21,510
forefront from aliens angels ghosts

11
00:00:27,320 --> 00:00:24,330
demons holy encounters a shadow people

12
00:00:29,269 --> 00:00:27,330
to Bigfoot to the outlandish I always

13
00:00:31,730 --> 00:00:29,279

say if it's weird we're here and now you

14

00:00:33,889 --> 00:00:31,740

are - and if you don't know who I am

15

00:00:35,870 --> 00:00:33,899

when it comes to the outlandish I'm

16

00:00:38,479 --> 00:00:35,880

someone who has been there seen that

17

00:00:40,850 --> 00:00:38,489

experienced it freaked out found some

18

00:00:43,069 --> 00:00:40,860

answers wrote about it got over it and

19

00:00:45,560 --> 00:00:43,079

now I'm hoping to help others do the

20

00:00:49,069 --> 00:00:45,570

same darn thing and understand this

21

00:00:51,500 --> 00:00:49,079

22

00:00:55,010 --> 00:00:51,510

got a wonderful app in app inception

radio network and most of the people

31

00:01:19,670 --> 00:01:16,619

listen through the app which is kind of

32

00:01:21,260 --> 00:01:19,680

cool but it limits the people that

33

00:01:25,490 --> 00:01:21,270

listen to the show live but that's okay

34

00:01:28,219 --> 00:01:25,500

ordinary whatever it is that you're

experiencing out there and I dress it

61

00:02:37,870 --> 00:02:35,690

65

00:02:47,200 --> 00:02:45,170

68

00:02:55,750 --> 00:02:53,900

at gmail.com and trust me I get to those

69

00:02:57,460 --> 00:02:55,760

emails and you know what make them as

70

00:02:58,960 --> 00:02:57,470

big as you want because it just seems

71

00:03:01,270 --> 00:02:58,970

like the more that you tell me and

72

00:03:03,010 --> 00:03:01,280

explain to the audience the more that we

73

00:03:04,870 --> 00:03:03,020

actually really get to have a good

74

00:03:06,400 --> 00:03:04,880

understanding and you know a lot of

75

00:03:09,460 --> 00:03:06,410

people are apologizing I'm so sorry this

76

00:03:13,000 --> 00:03:09,470

is so big I'm like no no keep it coming

77

00:03:15,190 --> 00:03:13,010

transportation Texas State Conference

98

00:04:01,120 --> 00:03:58,390

and Paula published her first book in

99

00:04:04,930 --> 00:04:01,130

2017 in honor of her deceased brother

100

00:04:08,710 --> 00:04:04,940

called driving into infinity living with

101

00:04:10,750 --> 00:04:08,720

my brother's spirit and I have to tell

102

00:04:12,550 --> 00:04:10,760

you let's give a warm round of applause

103

00:04:16,110 --> 00:04:12,560

for her Paula lives there going crazy

104

00:04:20,050 --> 00:04:16,120

Paula how are you doing this evening

105

00:04:22,510 --> 00:04:20,060

hello Heidi I'm doing great

106

00:04:25,330 --> 00:04:22,520

I see so much thank you so much for

107

00:04:25,900 --> 00:04:25,340

having me on your show of course my

108

00:04:28,210 --> 00:04:25,910

goodness

109

00:04:31,030 --> 00:04:28,220

yeah this is this is fantastic I love

110

00:04:33,910 --> 00:04:31,040

talking about what your book is about

111

00:04:36,100 --> 00:04:33,920

and it's quite unique so I I think

112

00:04:38,590 --> 00:04:36,110

people are really going to enjoy this so

113

00:04:41,710 --> 00:04:38,600

tell us a little bit about yourself and

114

00:04:43,090 --> 00:04:41,720

what brought you to finally write this

115

00:04:45,820 --> 00:04:43,100

book because we've talked before this

116

00:04:48,330 --> 00:04:45,830

show and took you little time to get to

117

00:04:52,740 --> 00:04:48,340

it but you know what brought you to it

118

00:04:56,650 --> 00:04:52,750

well yes it took me almost 35 years

119

00:05:02,800 --> 00:04:56,660

before I wrote this book to tell my

120

00:05:05,380 --> 00:05:02,810

story and the the incident that I you

121

00:05:13,060 --> 00:05:05,390

know prompted me to write this book took

122

00:05:17,380 --> 00:05:13,070

place in 1983 and at the time that this

123

00:05:21,130 --> 00:05:17,390

experience happened and and all of the

124

00:05:25,030 --> 00:05:21,140

ensuing years with all these different

125

00:05:29,380 --> 00:05:25,040

experiences that happened to me there

126
00:05:32,770 --> 00:05:29,390
were really only a few people a couple

127
00:05:36,970 --> 00:05:32,780
of my closest friends who knew anything

128
00:05:45,640 --> 00:05:36,980
about these incidents that happened to

129
00:05:47,850 --> 00:05:45,650
me I didn't want to appear crazy or you

130
00:05:50,740 --> 00:05:47,860
know have people think that I was just

131
00:05:55,960 --> 00:05:50,750
still in grief and couldn't get over

132
00:05:58,659 --> 00:05:55,970
this whole thing so that's the other

133
00:06:00,820 --> 00:05:58,669
thing is you know I did spend 40 years

134
00:06:06,270 --> 00:06:00,830
in the world of business I was a

135
00:06:11,200 --> 00:06:06,280
business woman and you know again it

136
00:06:14,290 --> 00:06:11,210
just wasn't in my world the thing to do

137
00:06:19,630 --> 00:06:14,300
to talk about these experiences that had

138
00:06:22,990 --> 00:06:19,640

happened to me but when I retired about

139

00:06:25,600 --> 00:06:23,000

two years ago some of these friends of

140

00:06:30,040 --> 00:06:25,610

mine said you know you really need to

141

00:06:35,469 --> 00:06:30,050

write your story and I thought about

142

00:06:38,590 --> 00:06:35,479

that and I decided you know what I have

143

00:06:40,119 --> 00:06:38,600

lots of business associates they know me

144

00:06:42,909 --> 00:06:40,129

for who I am

145

00:06:47,169 --> 00:06:42,919

they know I'm not crazy I'm not real

146

00:06:49,329 --> 00:06:47,179

weirded out there I'm just

147

00:06:51,669 --> 00:06:49,339

I operate like everyone else in the

148

00:06:56,339 --> 00:06:51,679

world of business and I thought you know

149

00:07:02,709 --> 00:06:56,349

it's really time for me to get authentic

150

00:07:06,129 --> 00:07:02,719

about this other side of me and these

151
00:07:08,559 --> 00:07:06,139
experiences that have happened to me and

152
00:07:12,070 --> 00:07:08,569
and so part of that was you know

153
00:07:15,639 --> 00:07:12,080
becoming authentic but the other part

154
00:07:19,629 --> 00:07:15,649
was that I really wanted to share my

155
00:07:23,259 --> 00:07:19,639
story in order to help people who have

156
00:07:27,879 --> 00:07:23,269
lost those people that they they really

157
00:07:30,939 --> 00:07:27,889
loved and in many ways if it's happened

158
00:07:34,049 --> 00:07:30,949
you know suddenly and tragically the way

159
00:07:37,329 --> 00:07:34,059
this accident happened to my brother

160
00:07:41,829 --> 00:07:37,339
people are just in shock

161
00:07:45,429 --> 00:07:41,839
when things like happen and you can't

162
00:07:50,730 --> 00:07:45,439
realize the depth of that kind of shock

163
00:07:54,730 --> 00:07:50,740

and so I wanted to share what I

164

00:07:58,239 --> 00:07:54,740

experienced and in the hopes that people

165

00:08:02,980 --> 00:07:58,249

reading this information would be

166

00:08:05,169 --> 00:08:02,990

comforted by what has happened between

167

00:08:08,019 --> 00:08:05,179

my brother and I all these years

168

00:08:10,779 --> 00:08:08,029

especially when you I mean we all know

169

00:08:12,730 --> 00:08:10,789

those that have lost loved ones and they

170

00:08:16,239 --> 00:08:12,740

feel you know their world is falling

171

00:08:18,489 --> 00:08:16,249

apart and it's like no there's so much

172

00:08:20,679 --> 00:08:18,499

more it it must have been so confining

173

00:08:22,989 --> 00:08:20,689

for you though I know how it is when

174

00:08:27,399 --> 00:08:22,999

you've experienced something absolutely

175

00:08:29,199 --> 00:08:27,409

mind-blowing and not feel that you can

176

00:08:30,999 --> 00:08:29,209

turn to the people closest to you to

177

00:08:34,240 --> 00:08:31,009

vent about what does you experiencing

178

00:08:36,550 --> 00:08:34,250

and that be able to relate so it had to

179

00:08:42,159 --> 00:08:36,560

be frustrating for a long time for you

180

00:08:46,240 --> 00:08:42,169

though well it was but you know through

181

00:08:50,170 --> 00:08:46,250

the years I learned to operate that way

182

00:08:53,319 --> 00:08:50,180

and be okay with it my life was busy

183

00:08:53,860 --> 00:08:53,329

with work and other things and along the

184

00:08:56,290 --> 00:08:53,870

way

185

00:08:58,269 --> 00:08:56,300

all these other things happen to me and

186

00:09:00,690 --> 00:08:58,279

again you know I have some of these

187

00:09:05,620 --> 00:09:00,700

lifelong friends that I've shared those

188

00:09:08,980 --> 00:09:05,630

experiences with your own example of of

189

00:09:11,610 --> 00:09:08,990

how to be a normal person and have

190

00:09:16,870 --> 00:09:11,620

extraordinary things happen so hey

191

00:09:19,360 --> 00:09:16,880

that's right I mean who knows how many

192

00:09:21,150 --> 00:09:19,370

other people are out there in similar

193

00:09:23,500 --> 00:09:21,160

situations you know they've had

194

00:09:25,510 --> 00:09:23,510

experiences but they don't really talk

195

00:09:27,790 --> 00:09:25,520

about it and maybe only a few people

196

00:09:31,090 --> 00:09:27,800

know about it but you know I do have to

197

00:09:36,000 --> 00:09:31,100

say that now that I've written the book

198

00:09:40,450 --> 00:09:36,010

and this has all come out I've been

199

00:09:44,829 --> 00:09:40,460

pleasantly surprised by the support that

200

00:09:48,190 --> 00:09:44,839

I've had from many people not just ran

201
00:09:52,420 --> 00:09:48,200
to knew my brother or or me but you know

202
00:09:54,579 --> 00:09:52,430
business associates and so it is

203
00:09:57,850 --> 00:09:54,589
different now to be able to speak about

204
00:10:01,630 --> 00:09:57,860
that the world has changed greatly I

205
00:10:04,390 --> 00:10:01,640
mean huge so tell us a you know what

206
00:10:09,250 --> 00:10:04,400
what how did this all begin for you what

207
00:10:10,680 --> 00:10:09,260
what took place in 83 that changed our

208
00:10:14,110 --> 00:10:10,690
whole world

209
00:10:17,019 --> 00:10:14,120
well let me let me start by taking

210
00:10:22,690 --> 00:10:17,029
everybody back in time to actually the

211
00:10:24,579 --> 00:10:22,700
year 1982 and this was a time of course

212
00:10:30,280 --> 00:10:24,589
it was years before the internet was

213
00:10:33,400 --> 00:10:30,290

available but it begins with a recurring

214

00:10:37,540 --> 00:10:33,410

dream that I started having in the fall

215

00:10:40,180 --> 00:10:37,550

of 1982 and I'm gonna take I'm gonna

216

00:10:44,140 --> 00:10:40,190

take some excerpts from my book as I

217

00:10:48,460 --> 00:10:44,150

describe some of these things but this

218

00:10:54,220 --> 00:10:48,470

this recurring dream went on through the

219

00:10:57,370 --> 00:10:54,230

summer of 1983 so the dream is I found

220

00:11:01,150 --> 00:10:57,380

myself outside on a wide expanse of

221

00:11:04,600 --> 00:11:01,160

fields with a few rolling hills and some

222

00:11:07,460 --> 00:11:04,610

trees and a large crowd of people had

223

00:11:10,190 --> 00:11:07,470

gathered there someone near me

224

00:11:13,210 --> 00:11:10,200

asked what was happening and I replied

225

00:11:16,220 --> 00:11:13,220

that I heard it was the end of the world

226

00:11:21,080 --> 00:11:16,230

everyone was looking up at the sky and

227

00:11:24,290 --> 00:11:21,090

there appeared Jesus and in the moment

228

00:11:28,010 --> 00:11:24,300

when that happened I doubled over

229

00:11:31,120 --> 00:11:28,020

falling down to the ground I was

230

00:11:35,210 --> 00:11:31,130

experiencing the worst pain of my life

231

00:11:38,570 --> 00:11:35,220

but it was not physical pain it was

232

00:11:43,190 --> 00:11:38,580

heartfelt suffering and agony beyond

233

00:11:46,520 --> 00:11:43,200

words and as I was doubled over I kept

234

00:11:49,820 --> 00:11:46,530

saying but it isn't supposed to be this

235

00:11:53,690 --> 00:11:49,830

way I thought the end of the world was

236

00:11:56,630 --> 00:11:53,700

supposed to be joyous and then the dream

237

00:11:59,180 --> 00:11:56,640

would end and you know each and every

238

00:12:05,480 --> 00:11:59,190

time I would just be startled awake by

239

00:12:10,880 --> 00:12:05,490

this dream and then he's gonna

240

00:12:19,610 --> 00:12:10,890

fast-forward to Friday October the 7th

241

00:12:23,230 --> 00:12:19,620

in 1983 as I was driving I suddenly had

242

00:12:25,370 --> 00:12:23,240

a very strange sharp pain in my chest

243

00:12:29,540 --> 00:12:25,380

around my heart area

244

00:12:32,030 --> 00:12:29,550

I remember glancing at the car clock to

245

00:12:35,410 --> 00:12:32,040

determine how much time we had left to

246

00:12:38,210 --> 00:12:35,420

get to our meeting now in this scenario

247

00:12:40,250 --> 00:12:38,220

my husband was with me and we were on

248

00:12:43,070 --> 00:12:40,260

our way to a meeting but I was driving

249

00:12:47,630 --> 00:12:43,080

because I was going to use the car to go

250

00:12:52,250 --> 00:12:47,640

elsewhere it later but the car clock

251
00:12:56,030 --> 00:12:52,260
said 9:00 a.m. although I said nothing

252
00:13:00,890 --> 00:12:56,040
to my husband I was experiencing ear an

253
00:13:01,760 --> 00:13:00,900
alarm that continued pain in my heart

254
00:13:05,960 --> 00:13:01,770
area

255
00:13:08,180 --> 00:13:05,970
I was only thirty years old but I

256
00:13:11,660 --> 00:13:08,190
wondered if I could be on my way to a

257
00:13:14,990 --> 00:13:11,670
heart attack or a blood clot as I

258
00:13:18,380 --> 00:13:15,000
continued driving eventually the pain

259
00:13:20,710 --> 00:13:18,390
began to fade slowly but I could not

260
00:13:23,829 --> 00:13:20,720
forget about it I was

261
00:13:26,679 --> 00:13:23,839
frightened by that episode so as I'm

262
00:13:29,759 --> 00:13:26,689
driving along just all of a sudden right

263
00:13:37,139 --> 00:13:29,769

over my heart area I just got this this

264

00:13:46,869 --> 00:13:43,449

so then Friday October 7th of 1983 is

265

00:13:49,660 --> 00:13:46,879

the day that I learned about my younger

266

00:13:54,990 --> 00:13:49,670

brother Dawn's fatal accident while he

267

00:14:00,460 --> 00:13:55,000

was driving a company truck Wow

268

00:14:03,280 --> 00:14:00,470

so when I was told what happened I had

269

00:14:06,670 --> 00:14:03,290

this vision of the earth

270

00:14:10,290 --> 00:14:06,680

just falling falling falling and

271

00:14:13,420 --> 00:14:10,300

shattering at my feet

272

00:14:18,579 --> 00:14:13,430

then I slumped down toward the ground

273

00:14:23,410 --> 00:14:18,589

crying and then that day I understood

274

00:14:26,530 --> 00:14:23,420

what the dream was conveying to me the

275

00:14:29,319 --> 00:14:26,540

setting which I when this happened I was

276

00:14:32,249 --> 00:14:29,329

at the Greek Festival at the Greek

277

00:14:35,139 --> 00:14:32,259

Orthodox Church in Houston where I lived

278

00:14:39,670 --> 00:14:35,149

okay and my emotional reaction to the

279

00:14:43,319 --> 00:14:39,680

news of his death prior to that though I

280

00:14:49,119 --> 00:14:43,329

had never had any precognitive dreams

281

00:14:52,420 --> 00:14:49,129

so it was describing to me as I said the

282

00:14:58,660 --> 00:14:52,430

setting the emotions that I was going to

283

00:15:02,499 --> 00:14:58,670

feel right and and even the vision that

284

00:15:05,619 --> 00:15:02,509

I had in my mind's eye as I was told

285

00:15:07,990 --> 00:15:05,629

about this you know it was just this

286

00:15:10,360 --> 00:15:08,000

vision of the earth falling and

287

00:15:14,350 --> 00:15:10,370

shattering and you know in the dream

288

00:15:24,639 --> 00:15:14,360

that's what the end of the world was it

289

00:15:28,929 --> 00:15:24,649

was shattered so you know my feelings

290

00:15:33,549 --> 00:15:28,939

over this loss really amounted to I was

291

00:15:35,860 --> 00:15:33,559

just destroyed were you destroyed to the

292

00:15:40,850 --> 00:15:35,870

point of a

293

00:15:44,660 --> 00:15:40,860

yeah okay yeah I experienced a lot of

294

00:15:49,450 --> 00:15:44,670

anger and and and I do explain that to

295

00:15:51,710 --> 00:15:49,460

in my book but one of the things as I

296

00:15:55,310 --> 00:15:51,720

described here is how you know our

297

00:15:58,880 --> 00:15:55,320

family eventually learned the details of

298

00:16:03,530 --> 00:15:58,890

the accident Donny had driven the

299

00:16:07,220 --> 00:16:03,540

company truck into the side of a train a

300

00:16:11,000 --> 00:16:07,230

second engine as it crossed the tracks

301
00:16:14,990 --> 00:16:11,010
at clay station on highway 50 now this

302
00:16:18,680 --> 00:16:15,000
was my brother lived in Bryan Texas and

303
00:16:24,310 --> 00:16:18,690
he had been on his way to a job and so

304
00:16:27,650 --> 00:16:24,320
this was west of Bryan on a country road

305
00:16:29,840 --> 00:16:27,660
but the train then dragged his truck

306
00:16:34,340 --> 00:16:29,850
down the tracks another quarter mile

307
00:16:38,030 --> 00:16:34,350
before coming to a stop well his truck

308
00:16:42,230 --> 00:16:38,040
also hit the train signal pole as his

309
00:16:44,690 --> 00:16:42,240
vehicle was dry dragged the signal

310
00:16:48,290 --> 00:16:44,700
lights were still working and still

311
00:16:51,440 --> 00:16:48,300
flashing even as the pole lay on the

312
00:16:54,350 --> 00:16:51,450
ground the crossing is heavily wooded

313
00:16:58,880 --> 00:16:54,360

along both sides of the track right up

314

00:17:01,670 --> 00:16:58,890

to the pavement edge a man driving on

315

00:17:04,790 --> 00:17:01,680

the same Road but further behind

316

00:17:08,210 --> 00:17:04,800

Donnie's truck made a statement to the

317

00:17:10,030 --> 00:17:08,220

police investigating the accident he

318

00:17:15,380 --> 00:17:10,040

stated that as far as he could tell

319

00:17:18,530 --> 00:17:15,390

Donnie had not been speeding the local

320

00:17:21,710 --> 00:17:18,540

newspaper published a front-page article

321

00:17:25,370 --> 00:17:21,720

about the accident complete with a huge

322

00:17:31,000 --> 00:17:25,380

photo of the crushed truck at the scene

323

00:17:35,600 --> 00:17:31,010

and you know no one can imagine how

324

00:17:40,400 --> 00:17:35,610

horrible that was for our family to see

325

00:17:43,820 --> 00:17:40,410

this picture and you know the idea I

326

00:17:45,770 --> 00:17:43,830

talk about this in the book how you know

327

00:17:47,840 --> 00:17:45,780

it's like how could he have such an

328

00:17:51,260 --> 00:17:47,850

accident

329

00:17:59,140 --> 00:17:51,270

how could he have been so careless right

330

00:18:02,690 --> 00:17:59,150

what made him not be cognizant of the

331

00:18:07,520 --> 00:18:02,700

lights flashing at the train crossing

332

00:18:12,140 --> 00:18:07,530

and you know these these questions I

333

00:18:14,870 --> 00:18:12,150

asked myself those things made me angry

334

00:18:17,360 --> 00:18:14,880

did he just throw caution to the wind

335

00:18:19,610 --> 00:18:17,370

and and think oh well there's not a

336

00:18:22,970 --> 00:18:19,620

train here you know what what happened

337

00:18:26,299 --> 00:18:22,980

at this scene yeah yeah yeah you know I

338

00:18:27,740 --> 00:18:26,309

have to say I live here in Chicago and I

339

00:18:31,159 --> 00:18:27,750

am not kidding you it seems like every

340

00:18:33,440 --> 00:18:31,169

other week somebody crosses the train

341

00:18:35,870 --> 00:18:33,450

tracks and gets hit with the lights

342

00:18:38,360 --> 00:18:35,880

flashing and everything like I don't I

343

00:18:39,860 --> 00:18:38,370

don't understand it and nine times out

344

00:18:43,159 --> 00:18:39,870

of ten you know everything worked fine

345

00:18:46,520 --> 00:18:43,169

it's like why and how did that happen

346

00:18:49,070 --> 00:18:46,530

it's I know a bizarre it's bizarre and

347

00:18:54,520 --> 00:18:49,080

it's sad it's tragic I'm sorry for your

348

00:18:58,310 --> 00:18:54,530

loss of that well you know one of

349

00:19:02,120 --> 00:18:58,320

Donnie's really good friends very close

350

00:19:05,870 --> 00:19:02,130

friends and I relate this in the book

351

00:19:08,659 --> 00:19:05,880

too he he told me that he just couldn't

352

00:19:11,840 --> 00:19:08,669

understand either how that could have

353

00:19:16,850 --> 00:19:11,850

happened and a couple of days after the

354

00:19:22,820 --> 00:19:16,860

funeral he drove to the site where it

355

00:19:25,520 --> 00:19:22,830

had happened and he knew that you know

356

00:19:29,060 --> 00:19:25,530

Donnie was driving to this job site he

357

00:19:31,159 --> 00:19:29,070

had decided to take a different career

358

00:19:34,779 --> 00:19:31,169

path he graduated from Texas A&M

359

00:19:37,130 --> 00:19:34,789

University and building construction and

360

00:19:39,529 --> 00:19:37,140

was working for a company a couple of

361

00:19:41,539 --> 00:19:39,539

years there being kind of a building

362

00:19:43,310 --> 00:19:41,549

building superintendent for commercial

363

00:19:45,200 --> 00:19:43,320

buildings and one of those that was

364

00:19:48,260 --> 00:19:45,210

blowing up was in this other town of

365

00:19:50,930 --> 00:19:48,270

Brenham that's why he was traveling this

366

00:19:53,750 --> 00:19:50,940

road turned Brian to Brenham but he had

367

00:19:56,120 --> 00:19:53,760

decided he wanted to go back to am and

368

00:20:01,740 --> 00:19:56,130

he actually wanted to become a professor

369

00:20:05,500 --> 00:20:01,750

he was very smart but

370

00:20:09,130 --> 00:20:05,510

he decided that particular day he only

371

00:20:11,080 --> 00:20:09,140

had another week of work because he had

372

00:20:17,020 --> 00:20:11,090

already resigned and you know was going

373

00:20:19,000 --> 00:20:17,030

to pursue that new pathway but he didn't

374

00:20:21,340 --> 00:20:19,010

even have to drive out to the job site

375

00:20:23,730 --> 00:20:21,350

that day he actually had taken that day

376

00:20:26,380 --> 00:20:23,740

off but at the last minute he decided

377

00:20:28,690 --> 00:20:26,390

because he told my sister this he was

378

00:20:32,800 --> 00:20:28,700

living at his house with him while she

379

00:20:35,410 --> 00:20:32,810

was attending am mm-hmm he said I'm I'm

380

00:20:38,380 --> 00:20:35,420

going to drive out to the job site and

381

00:20:40,810 --> 00:20:38,390

help the new project superintendent with

382

00:20:42,130 --> 00:20:40,820

you know some of the paperwork hey so

383

00:20:43,720 --> 00:20:42,140

I'm just going to do that I'm going to

384

00:20:45,970 --> 00:20:43,730

help him and then I'm going to come back

385

00:20:47,560 --> 00:20:45,980

and you know he was telling her just

386

00:20:53,170 --> 00:20:47,570

leave the dirty dishes he'll take care

387

00:20:55,000 --> 00:20:53,180

of when I do that and you know so it's

388

00:20:56,980 --> 00:20:55,010

just all strange how the circumstances

389

00:21:00,070 --> 00:20:56,990

all came together like this

390

00:21:02,050 --> 00:21:00,080

but right that was typical of him he was

391

00:21:05,980 --> 00:21:02,060

a really good guy and he wanted to help

392

00:21:09,240 --> 00:21:05,990

this new guy out so that's why he was

393

00:21:12,640 --> 00:21:09,250

going out there and a spontaneous guy -

394

00:21:15,160 --> 00:21:12,650

yeah and the thing of it is normally he

395

00:21:19,180 --> 00:21:15,170

was on that road very very early in the

396

00:21:21,820 --> 00:21:19,190

morning and this particular time he he

397

00:21:23,950 --> 00:21:21,830

was the accident happened at 9:00 a.m.

398

00:21:26,140 --> 00:21:23,960

in the morning but he normally would

399

00:21:31,200 --> 00:21:26,150

have been you know on that road probably

400

00:21:34,450 --> 00:21:31,210

at 6:00 a.m. to get to the job site and

401
00:21:38,430 --> 00:21:34,460
so anyway this friend of his drove out

402
00:21:42,400 --> 00:21:38,440
there and he said you know knowing dawn

403
00:21:44,080 --> 00:21:42,410
he was probably as he was driving along

404
00:21:46,690 --> 00:21:44,090
he was thinking about all the things he

405
00:21:49,750 --> 00:21:46,700
wanted to do to help this new project

406
00:21:52,060 --> 00:21:49,760
superintendent and going over those

407
00:21:54,190 --> 00:21:52,070
things in his mind and he said the other

408
00:21:56,380 --> 00:21:54,200
thing is with him being on this road at

409
00:21:58,930 --> 00:21:56,390
a different company he said most likely

410
00:22:01,750 --> 00:21:58,940
he'd never even seen a train at this

411
00:22:04,990 --> 00:22:01,760
crossing and it's true it's true that

412
00:22:07,770 --> 00:22:05,000
the trees are very thick up to the edge

413
00:22:12,490 --> 00:22:07,780

both way both sides of that train track

414

00:22:14,860 --> 00:22:12,500

and he also said because it was October

415

00:22:18,580 --> 00:22:14,870

he said you know the son

416

00:22:21,400 --> 00:22:18,590

was a lot more directly in his eyes he

417

00:22:22,990 --> 00:22:21,410

said I just think that he was just

418

00:22:25,630 --> 00:22:23,000

caught up in thinking about what he was

419

00:22:27,820 --> 00:22:25,640

going to do he came around this curve

420

00:22:30,580 --> 00:22:27,830

you know probably never really even

421

00:22:35,260 --> 00:22:30,590

realized that you know on the right side

422

00:22:37,480 --> 00:22:35,270

the the lights were flashing and and

423

00:22:39,730 --> 00:22:37,490

then at the last second he did see the

424

00:22:43,810 --> 00:22:39,740

train because there were skid marks

425

00:22:46,210 --> 00:22:43,820

close to the railroad track okay gotcha

426

00:22:47,910 --> 00:22:46,220

only it not anticipated type of

427

00:22:54,310 --> 00:22:47,920

situation gotcha

428

00:22:58,080 --> 00:22:54,320

exactly but nevertheless you know it

429

00:23:03,930 --> 00:22:58,090

still brought anger to me

430

00:23:10,720 --> 00:23:03,940

man oh so yeah and and the grief itself

431

00:23:12,460 --> 00:23:10,730

was just unbearable I comment in the

432

00:23:15,160 --> 00:23:12,470

book and I remember thinking this to

433

00:23:20,560 --> 00:23:15,170

myself that I just didn't know a human

434

00:23:25,180 --> 00:23:20,570

being could cry so many tears just I

435

00:23:29,200 --> 00:23:25,190

just felt like I cried continuously I

436

00:23:32,860 --> 00:23:29,210

just couldn't stop I was just I didn't

437

00:23:36,160 --> 00:23:32,870

know what was gonna happen to me now and

438

00:23:38,919 --> 00:23:36,170

of course you know my family but from

439

00:23:41,320 --> 00:23:38,929

the book I share this you know every

440

00:23:44,020 --> 00:23:41,330

moment was sheer agony during those days

441

00:23:46,540 --> 00:23:44,030

and no words to adequately describe a

442

00:23:48,700 --> 00:23:46,550

broken heart so what do you think's

443

00:23:52,470 --> 00:23:48,710

start changing for you like how were you

444

00:23:55,110 --> 00:23:52,480

able to get through that time and and

445

00:24:00,580 --> 00:23:55,120

experience the extraordinary

446

00:24:03,850 --> 00:24:00,590

well that that took a while for me to

447

00:24:09,010 --> 00:24:03,860

really deal with the grief I mean a very

448

00:24:13,540 --> 00:24:09,020

well pageant you know in these days

449

00:24:17,220 --> 00:24:13,550

right before the the funeral you know I

450

00:24:22,419 --> 00:24:17,230

just felt like I I moved in the days and

451

00:24:26,580 --> 00:24:22,429

I just barely slept you know people came

452

00:24:28,600 --> 00:24:26,590

in and out at my at my dad's house and

453

00:24:31,030 --> 00:24:28,610

you know I don't know if people

454

00:24:33,610 --> 00:24:31,040

spoke to me or not I just couldn't even

455

00:24:36,310 --> 00:24:33,620

focus but on numbing it's like an

456

00:24:38,230 --> 00:24:36,320

out-of-body experience kind of I mean in

457

00:24:40,299 --> 00:24:38,240

all honesty when you have something

458

00:24:44,260 --> 00:24:40,309

tragic and you're just numb

459

00:24:46,150 --> 00:24:44,270

oh yeah yeah I just felt like I was so

460

00:24:50,650 --> 00:24:46,160

far away from everything that was

461

00:24:52,660 --> 00:24:50,660

happening but you know the and I was

462

00:24:55,330 --> 00:24:52,670

very close to my brother I have a sister

463

00:24:57,610 --> 00:24:55,340

as I mentioned she's tenure under my

464

00:25:01,659 --> 00:24:57,620

brother and I were only four years apart

465

00:25:04,980 --> 00:25:01,669

and you know I grew up with him versus I

466

00:25:08,080 --> 00:25:04,990

was 10 when my sister was born okay yeah

467

00:25:10,110 --> 00:25:08,090

plus you know I kind of looked after my

468

00:25:14,970 --> 00:25:10,120

baby brother as we were growing up and

469

00:25:21,039 --> 00:25:14,980

you know all those things came into play

470

00:25:24,340 --> 00:25:21,049

but what happened was three days after

471

00:25:27,760 --> 00:25:24,350

the funeral is when I had this

472

00:25:32,380 --> 00:25:27,770

experience with my brother and Donnie

473

00:25:36,120 --> 00:25:32,390

came back to me while I was driving and

474

00:25:39,789 --> 00:25:36,130

I was actually driving his personal

475

00:25:44,770 --> 00:25:39,799

small truck at the time he he was killed

476
00:25:47,700 --> 00:25:44,780
in the company truck Wow but and that's

477
00:25:50,890 --> 00:25:47,710
how I came up with the title of the book

478
00:25:52,870 --> 00:25:50,900
you know driving into infinity and then

479
00:25:58,590 --> 00:25:52,880
living with my brother's spirit because

480
00:26:04,480 --> 00:25:58,600
he was driving when he was killed I was

481
00:26:10,060 --> 00:26:04,490
driving and I was driving his truck when

482
00:26:12,310 --> 00:26:10,070
he came back to me and I have to ask you

483
00:26:15,070 --> 00:26:12,320
something real quick no have you ever

484
00:26:17,049 --> 00:26:15,080
heard of after all these years had you

485
00:26:21,610 --> 00:26:17,059
been probably looking into this topic as

486
00:26:23,620 --> 00:26:21,620
well that when people come back the

487
00:26:26,560 --> 00:26:23,630
spirit of a person comes to visit it's

488
00:26:29,650 --> 00:26:26,570

as if they come around close around the

489

00:26:33,039 --> 00:26:29,660

time that they were they lost their

490

00:26:35,799 --> 00:26:33,049

lives or were put to rest and it's

491

00:26:38,020 --> 00:26:35,809

almost as if it's a it's a comforting

492

00:26:40,240 --> 00:26:38,030

thing and you know to try to get a

493

00:26:42,940 --> 00:26:40,250

person to move on it's like I don't

494

00:26:45,430 --> 00:26:42,950

don't hear these extraordinary stories

495

00:26:48,370 --> 00:26:45,440

so much you know 1020 years after they

496

00:26:53,070 --> 00:26:48,380

passed it's always rather fresh have you

497

00:26:57,760 --> 00:26:53,080

heard of that pattern going on actually

498

00:27:02,290 --> 00:26:57,770

I've done a lot of reading through the

499

00:27:05,710 --> 00:27:02,300

years and there are you know quite a few

500

00:27:08,920 --> 00:27:05,720

instances where that does happen you

501
00:27:15,220 --> 00:27:08,930
know the one who's passed on reaches out

502
00:27:18,430 --> 00:27:15,230
to people who loved them and I believe

503
00:27:23,230 --> 00:27:18,440
that yep you know obviously they do this

504
00:27:26,050 --> 00:27:23,240
because they don't want their loved ones

505
00:27:29,530 --> 00:27:26,060
to be sad and the criterion seeing all

506
00:27:31,350 --> 00:27:29,540
this grieve and I believe because my

507
00:27:36,160 --> 00:27:31,360
brother and I had always been so close

508
00:27:41,430 --> 00:27:36,170
you know I know this is why he reached

509
00:27:45,490 --> 00:27:41,440
out to me and I actually had an

510
00:27:48,100 --> 00:27:45,500
experience in my mind's eye even when I

511
00:27:51,780 --> 00:27:48,110
was sitting in a chair at my dad's house

512
00:27:57,760 --> 00:27:51,790
as people came to visit and that was

513
00:27:59,950 --> 00:27:57,770

that I bough it before I'm sorry before

514

00:28:03,370 --> 00:27:59,960

after the funeral that you have that

515

00:28:05,770 --> 00:28:03,380

well this was before the funeral before

516

00:28:07,660 --> 00:28:05,780

the funeral okay yeah cuz we only have a

517

00:28:09,580 --> 00:28:07,670

few seconds before free it's a break so

518

00:28:11,440 --> 00:28:09,590

I want to I want to go into that a

519

00:28:14,680 --> 00:28:11,450

little bit more and where you could

520

00:28:16,180 --> 00:28:14,690

break down your whole experience go to

521

00:28:17,470 --> 00:28:16,190

00:28:48,970 --> 00:28:46,970

conversation that's really about to get

535

00:28:51,400 --> 00:28:48,980

even more interesting but I want to put

536

00:28:52,780 --> 00:28:51,410

out your website so people can learn

537

00:28:54,130 --> 00:28:52,790

more about your book and how they could

538

00:28:58,840 --> 00:28:54,140

purchase it Paula

539

00:29:01,270 --> 00:28:58,850

mention the site address yes well they

540

00:29:06,240 --> 00:29:01,280

can just type in you know it's HTTP

541

00:29:10,630 --> 00:29:06,250

colon forward slash and it's tinyurl.com

542

00:29:18,340 --> 00:29:10,640

forward slash Paul Allen's no space in

543

00:29:21,430 --> 00:29:18,350

there that's le and Z tau la l e in Z

544

00:29:27,790 --> 00:29:21,440

like zebra yeah I keep one to put a T in

545

00:29:29,830 --> 00:29:27,800

there I don't know why I believe it I

546

00:29:31,690 --> 00:29:29,840

believe it so we're just about to get

547

00:29:33,280 --> 00:29:31,700

into you know what it is the exactly

548

00:29:35,320 --> 00:29:33,290

experience this was soon after your

549

00:29:38,470 --> 00:29:35,330

brother who was just 26 you mentioned

550

00:29:40,540 --> 00:29:38,480

down the break when he ran it it went

551
00:29:42,910 --> 00:29:40,550
across a train track and got hit by

552
00:29:46,090 --> 00:29:42,920
train and dragged and and unfortunately

553
00:29:49,630 --> 00:29:46,100
lost his young life and he said now the

554
00:29:52,690 --> 00:29:49,640
first experience you had was before his

555
00:29:56,310 --> 00:29:52,700
funeral at your parents home what

556
00:29:58,840 --> 00:29:56,320
happened exactly well this was just a

557
00:30:00,460 --> 00:29:58,850
feeling that I had and kind of something

558
00:30:04,900 --> 00:30:00,470
in my mind's eye but as I was sitting

559
00:30:07,810 --> 00:30:04,910
there in a chair I I just instinctively

560
00:30:12,190 --> 00:30:07,820
knew maybe I just felt my brother's

561
00:30:15,700 --> 00:30:12,200
presence up in the right-hand corner of

562
00:30:19,870 --> 00:30:15,710
the living room and I knew he was I'll

563
00:30:24,670 --> 00:30:19,880

just say hovering there and I looked up

564

00:30:31,810 --> 00:30:24,680

there and I just kept asking him why why

565

00:30:35,890 --> 00:30:31,820

why and then eventually you know he he

566

00:30:40,120 --> 00:30:35,900

went away but then as I was you know

567

00:30:43,810 --> 00:30:40,130

starting to into the experience itself

568

00:30:46,570 --> 00:30:43,820

that I had directly with him that was

569

00:30:50,320 --> 00:30:46,580

three days after the funeral itself and

570

00:30:53,830 --> 00:30:50,330

which was a Wednesday and I had as I

571

00:30:56,620 --> 00:30:53,840

explained I had his truck his his

572

00:30:59,170 --> 00:30:56,630

personal truck that I was driving and so

573

00:31:01,600 --> 00:30:59,180

I began driving this familiar route to

574

00:31:03,850 --> 00:31:01,610

my grandparents house from my daddy's

575

00:31:07,600 --> 00:31:03,860

which which took about ten to fifteen

576
00:31:10,919 --> 00:31:07,610
minutes to drive and when I was halfway

589

00:31:36,580 --> 00:31:35,179

ignore them don't hold interest of

590

00:31:37,930 --> 00:31:36,590

casualty insurance company in affiliates

591

00:31:41,080 --> 00:31:37,940

pricing coverage not limited by state

592

00:31:45,640 --> 00:31:41,090

law a strange thing began happening to

593

00:31:48,010 --> 00:31:45,650

me I suddenly developed 360 degree

594

00:31:53,710 --> 00:31:48,020

vision I could see everything around me

595

00:31:57,940 --> 00:31:53,720

in all directions as I was driving and

596

00:32:02,380 --> 00:31:57,950

at that moment I became aware of someone

597

00:32:05,980 --> 00:32:02,390

just behind me on the right side with

598

00:32:09,520 --> 00:32:05,990

his hand on my shoulder and then I saw

599

00:32:12,430 --> 00:32:09,530

that it was Donnie and I could hear him

600

00:32:15,610 --> 00:32:12,440

speaking to me telepathically now I'm

601
00:32:17,919 --> 00:32:15,620
still driving and I got this 360-degree

602
00:32:25,270 --> 00:32:17,929
vision going on you could have invented

603
00:32:28,330 --> 00:32:25,280
the backup camera if you only well and

604
00:32:30,970 --> 00:32:28,340
so what I saw of Donnie's body was that

605
00:32:34,360 --> 00:32:30,980
it was made up of a series of light

606
00:32:36,909 --> 00:32:34,370
points and this reminded me of people

607
00:32:38,710 --> 00:32:36,919
being transported on Star Trek as they

608
00:32:43,090 --> 00:32:38,720
were beamed away that's kind of the

609
00:32:46,539 --> 00:32:43,100
image that I had got it but I knew it

610
00:32:50,580 --> 00:32:46,549
was him you know I could see him but he

611
00:32:54,789 --> 00:32:50,590
told me telepathically not to be sad

612
00:32:57,610 --> 00:32:54,799
that he was happy and that he wanted me

613
00:33:02,440 --> 00:32:57,620

to know what life was like for him now

614

00:33:07,210 --> 00:33:02,450

and he explained to me that he was on

615

00:33:12,370 --> 00:33:07,220

another plane of being and that it had

616

00:33:16,870 --> 00:33:12,380

simply been time for him to leave and at

617

00:33:21,130 --> 00:33:16,880

this point I became aware that I was no

618

00:33:25,510 --> 00:33:21,140

longer in my body but existed

619

00:33:29,160 --> 00:33:25,520

only in a state of consciousness and and

620

00:33:36,220 --> 00:33:29,170

I was no longer aware of driving at all

621

00:33:39,730 --> 00:33:36,230

so I was with him he kept his hand on my

622

00:33:42,850 --> 00:33:39,740

shoulder even though I became as I said

623

00:33:47,440 --> 00:33:42,860

existed just in a state of consciousness

624

00:33:53,919 --> 00:33:47,450

and my entire focus at that point with

625

00:33:58,180 --> 00:33:53,929

him was on experiencing infinity and

626

00:34:05,669 --> 00:33:58,190

eternity that's what I felt you know I

627

00:34:09,190 --> 00:34:05,679

wasn't confined by a body anymore and so

628

00:34:13,780 --> 00:34:09,200

you know I felt that I was one with the

629

00:34:16,210 --> 00:34:13,790

universe and I was found totally one

630

00:34:20,919 --> 00:34:16,220

with peace that was the first thing that

631

00:34:23,470 --> 00:34:20,929

came over me was you know I I had the

632

00:34:26,700 --> 00:34:23,480

the thought about the peace that passes

633

00:34:33,340 --> 00:34:26,710

understanding just this overwhelming

634

00:34:37,180 --> 00:34:33,350

peace and and then I had the sensation

635

00:34:43,659 --> 00:34:37,190

that I was all knowledge I knew

636

00:34:49,510 --> 00:34:43,669

everything and then the third thing

637

00:34:57,840 --> 00:34:49,520

began happening that I just felt this

638

00:35:01,450 --> 00:34:57,850

huge all-encompassing energy of love and

639

00:35:06,580 --> 00:35:01,460

this energy is what I I call spirit in

640

00:35:09,520 --> 00:35:06,590

my book and can I ask so you're you're

641

00:35:13,210 --> 00:35:09,530

in this altered state but your space

642

00:35:20,710 --> 00:35:13,220

where you're at you're where exactly are

643

00:35:24,160 --> 00:35:20,720

you well I I'm not certain I know that

644

00:35:28,480 --> 00:35:24,170

when I first got into this state it was

645

00:35:31,150 --> 00:35:28,490

like I could see it was almost like

646

00:35:32,560 --> 00:35:31,160

looking at a photo that a negative of a

647

00:35:34,599 --> 00:35:32,570

photo or something you know I kind of

648

00:35:35,020 --> 00:35:34,609

saw outlines of trees and things but

649

00:35:38,700 --> 00:35:35,030

then

650

00:35:47,620 --> 00:35:43,210

experiencing you know what I just talked

651
00:35:55,590 --> 00:35:47,630
about this piece that's knowledge and

652
00:35:59,170 --> 00:35:55,600
then the love and and I knew then that

653
00:36:01,930 --> 00:35:59,180
not only did I know about this but that

654
00:36:08,170 --> 00:36:01,940
I was all of this

655
00:36:12,820 --> 00:36:08,180
I was East I was the knowledge I was the

656
00:36:16,540 --> 00:36:12,830
love I was part of all of that that that

657
00:36:21,190 --> 00:36:16,550
there we're all one and that there is no

658
00:36:24,550 --> 00:36:21,200
separation of anything or anybody or or

659
00:36:32,860 --> 00:36:24,560
anything in the entire universe we are

660
00:36:34,660 --> 00:36:32,870
all part of that and so at that point so

661
00:36:38,100 --> 00:36:34,670
again you've asked me where was I

662
00:36:40,510 --> 00:36:38,110
exactly well yeah after I ate I really

663
00:36:43,860 --> 00:36:40,520

experienced all of this and and again

664

00:36:47,050 --> 00:36:43,870

even the feeling of infinity which is

665

00:36:48,970 --> 00:36:47,060

well it's just indescribable I mean how

666

00:36:53,230 --> 00:36:48,980

do you how do you explain to people what

667

00:36:57,120 --> 00:36:53,240

infinity feels like I mean because we're

668

00:37:00,700 --> 00:36:57,130

so bounded by our bodies in terms of

669

00:37:03,180 --> 00:37:00,710

restrict being restricted by that it's

670

00:37:08,530 --> 00:37:03,190

like words words fall short of

671

00:37:11,830 --> 00:37:08,540

explaining this other beauty and love

672

00:37:14,650 --> 00:37:11,840

that's four dimensional right yes

673

00:37:20,590 --> 00:37:14,660

exactly you can't explain it because the

674

00:37:25,750 --> 00:37:20,600

love is you know it's not like it's just

675

00:37:28,090 --> 00:37:25,760

not like any love that you really

676

00:37:33,430 --> 00:37:28,100

experience here in this lifetime

677

00:37:37,690 --> 00:37:33,440

it is don't it is that everything but it

678

00:37:43,930 --> 00:37:37,700

is just so much more it's huge it's

679

00:37:49,480 --> 00:37:43,940

all-encompassing I it it's creative it's

680

00:37:52,690 --> 00:37:49,490

one that it manifests the universe

681

00:37:56,920 --> 00:37:52,700

sent everything that is it's it's a it's

682

00:38:01,870 --> 00:37:56,930

a an energy almost like a force and it's

683

00:38:05,140 --> 00:38:01,880

but it's love and I call it kind of like

684

00:38:10,030 --> 00:38:05,150

a tickle to the nth degree that is

685

00:38:13,270 --> 00:38:10,040

exhilarating and delirious and joyful

686

00:38:15,430 --> 00:38:13,280

and just like that tickling your stomach

687

00:38:16,950 --> 00:38:15,440

when you go on a rollercoaster but every

688

00:38:20,410 --> 00:38:16,960

single cell

689

00:38:23,250 --> 00:38:20,420

screaming joy it's you know hard to

690

00:38:34,180 --> 00:38:23,260

explain it's really hard but it's like

691

00:38:36,460 --> 00:38:34,190

yeah it is extremely hard because you

692

00:38:42,900 --> 00:38:36,470

know the words of the physical world

693

00:38:47,290 --> 00:38:42,910

were in and just can't capture the true

694

00:38:51,760 --> 00:38:47,300

sense and feeling of it Natan couldn't

695

00:38:54,430 --> 00:38:51,770

do it either and that is because that is

696

00:38:57,070 --> 00:38:54,440

because you're in a different state of

697

00:39:03,160 --> 00:38:57,080

consciousness your your consciousness is

698

00:39:06,960 --> 00:39:03,170

not being filtered by a body and B your

699

00:39:11,290 --> 00:39:06,970

ego you know and the things that are

700

00:39:14,130 --> 00:39:11,300

normal to being a human being and when

701
00:39:19,810 --> 00:39:14,140
those filters and things are taken away

702
00:39:23,020 --> 00:39:19,820
you are your real estimates which is the

703
00:39:29,140 --> 00:39:23,030
essence of the universe so you do the

704
00:39:32,050 --> 00:39:29,150
best you can to explain it but you know

705
00:39:35,590 --> 00:39:32,060
I understood and knew that everything is

706
00:39:38,680 --> 00:39:35,600
spirit and and we are all that - and

707
00:39:40,750 --> 00:39:38,690
that spirit is not something that exists

708
00:39:44,650 --> 00:39:40,760
in the sky or it's just in another

709
00:39:48,040 --> 00:39:44,660
dimension it's right here we have in it

710
00:39:49,540 --> 00:39:48,050
it's everything and everywhere well see

711
00:39:51,640 --> 00:39:49,550
my dad would say we're hell on earth

712
00:39:57,910 --> 00:39:51,650
already we're already here and now we

713
00:40:02,100 --> 00:39:57,920

got to work yep from here we all end up

714

00:40:10,350 --> 00:40:07,980

so well I get that so anything is better

715

00:40:14,910 --> 00:40:10,360

than here so that's what I'm hearing

716

00:40:18,450 --> 00:40:14,920

anyways but arriving you experiences

717

00:40:21,540 --> 00:40:18,460

other shift in reality and it's joyful

718

00:40:24,240 --> 00:40:21,550

and it's but your car is still moving

719

00:40:28,470 --> 00:40:24,250

how's the car still moving is your foot

720

00:40:29,910 --> 00:40:28,480

on the pedal I don't know because I to

721

00:40:32,820 --> 00:40:29,920

this day I have no conscious

722

00:40:34,500 --> 00:40:32,830

recollection of that but I do know in

723

00:40:38,580 --> 00:40:34,510

terms of you know you were asking me

724

00:40:43,440 --> 00:40:38,590

where was I at the at the toward the end

725

00:40:45,180 --> 00:40:43,450

of my experience I was focusing on you

726

00:40:49,800 --> 00:40:45,190

know this joy and this feeling and this

727

00:40:52,680 --> 00:40:49,810

love and I knew that I was home and I

728

00:40:54,270 --> 00:40:52,690

knew that I was out of my body and I

729

00:40:57,030 --> 00:40:54,280

didn't care one thing about going back

730

00:40:59,760 --> 00:40:57,040

to my body and so I started thinking I

731

00:41:02,520 --> 00:40:59,770

wanted to stay here now in the meantime

732

00:41:07,440 --> 00:41:02,530

my brother still has his hand you know

733

00:41:09,270 --> 00:41:07,450

on me I'll say and at that point when I

734

00:41:13,170 --> 00:41:09,280

started thinking about that I didn't

735

00:41:16,080 --> 00:41:13,180

want to go back okay I started feeling

736

00:41:17,700 --> 00:41:16,090

as though I was wishing away that's the

737

00:41:19,920 --> 00:41:17,710

way I described it because that's what

738

00:41:22,530 --> 00:41:19,930

it felt like but I was wishing away and

739

00:41:26,250 --> 00:41:22,540

I think that I was probably wishing away

740

00:41:29,640 --> 00:41:26,260

to the I don't know if I would call it

741

00:41:32,580 --> 00:41:29,650

dimension but perhaps the next area that

742

00:41:38,850 --> 00:41:32,590

would have taken me potentially to into

743

00:41:39,810 --> 00:41:38,860

the light and on higher into where my

744

00:41:43,370 --> 00:41:39,820

brother is

745

00:41:46,980 --> 00:41:43,380

you know what are gonna call heaven or

746

00:41:49,560 --> 00:41:46,990

or whatever and but when that started

747

00:41:53,430 --> 00:41:49,570

happening and as I started wishing way

748

00:41:57,480 --> 00:41:53,440

that was when my brother exerted

749

00:42:00,270 --> 00:41:57,490

pressure or energy against me and began

750

00:42:04,140 --> 00:42:00,280

pushing me down and he was telling me no

751

00:42:06,300 --> 00:42:04,150

you can't go yet it's not your time and

752

00:42:08,820 --> 00:42:06,310

turn it off I know and when that

753

00:42:11,010 --> 00:42:08,830

happened I could almost like see myself

754

00:42:13,740 --> 00:42:11,020

coming back down into my body and then I

755

00:42:16,520 --> 00:42:13,750

just kind of landed in my body like with

756

00:42:21,030 --> 00:42:16,530

us I call it a thud

757

00:42:25,080 --> 00:42:21,040

and and and so the other part about this

758

00:42:27,540 --> 00:42:25,090

craziness is that I realized when I got

759

00:42:29,460 --> 00:42:27,550

back in my body that I had made a turn

760

00:42:31,950 --> 00:42:29,470

onto the road that took me to my

761

00:42:37,260 --> 00:42:31,960

grandparents house no I I have no

762

00:42:39,390 --> 00:42:37,270

recollection doing any of this and I say

763

00:42:44,190 --> 00:42:39,400

jesus take the wheel maybe Jesus took

764

00:42:46,950 --> 00:42:44,200

the wheel you know and and maybe my

765

00:42:49,800 --> 00:42:46,960

brother had the power to do that also I

766

00:42:52,200 --> 00:42:49,810

don't know because I don't know how I

767

00:42:54,960 --> 00:42:52,210

did all that I wasn't consciously there

768

00:42:57,530 --> 00:42:54,970

doing any event but the second thing

769

00:42:59,160 --> 00:42:57,540

that I thought besides all of that was

770

00:43:04,080 --> 00:42:59,170

Wow

771

00:43:07,530 --> 00:43:04,090

that I I'm so restricted in this body

772

00:43:10,140 --> 00:43:07,540

you know it was not like I was excited

773

00:43:12,750 --> 00:43:10,150

to be back there I mean I knew I need I

774

00:43:16,680 --> 00:43:12,760

needed to return and everything but it

775

00:43:19,710 --> 00:43:16,690

was amazing how restricted I felt so

776

00:43:22,920 --> 00:43:19,720

that that's what happened to me and my

777

00:43:26,700 --> 00:43:22,930

consciousness thereafter was never the

778

00:43:28,560 --> 00:43:26,710

same you know I couldn't look at life

779

00:43:30,330 --> 00:43:28,570

the same in fact even when I got to my

780

00:43:32,670 --> 00:43:30,340

grandparents house now I didn't share

781

00:43:35,610 --> 00:43:32,680

with them any of this because they were

782

00:43:37,200 --> 00:43:35,620

grieving and you know I had these plants

783

00:43:39,030 --> 00:43:37,210

and stuff I was bringing to them but you

784

00:43:43,470 --> 00:43:39,040

know what when I saw my grandparents I

785

00:43:47,970 --> 00:43:43,480

could see I guess how my brother was

786

00:43:50,760 --> 00:43:47,980

viewing us I could see my grandparents

787

00:43:53,340 --> 00:43:50,770

grief I told them that I knew Donnie was

788

00:43:55,560 --> 00:43:53,350

okay and that he was happy but you know

789

00:43:57,330 --> 00:43:55,570

it's like I never said those words and

790

00:43:59,960 --> 00:43:57,340

of course I didn't go into this

791

00:44:02,340 --> 00:43:59,970

experience I'd had or anything right oh

792

00:44:04,710 --> 00:44:02,350

did you feel like he had like a little

793

00:44:06,480 --> 00:44:04,720

pep in your step all of a sudden did

794

00:44:11,040 --> 00:44:06,490

anybody look at you like what is she so

795

00:44:14,700 --> 00:44:11,050

joyful about no I did for that whole day

796

00:44:16,800 --> 00:44:14,710

feel really wonderful and I felt very

797

00:44:20,100 --> 00:44:16,810

close to my brother and I knew he was

798

00:44:23,430 --> 00:44:20,110

happy and safe and and all that but I

799

00:44:28,290 --> 00:44:23,440

have to admit that even though I had

800

00:44:29,240 --> 00:44:28,300

this wonderful experience and it lasted

801
00:44:32,330 --> 00:44:29,250
that day

802
00:44:35,000 --> 00:44:32,340
but the next day I really fell back into

803
00:44:38,089 --> 00:44:35,010
this deep grief for my brother that I

804
00:44:43,370 --> 00:44:38,099
was never going to experience him again

805
00:44:46,400 --> 00:44:43,380
in this life so you know okay can I ask

806
00:44:47,930 --> 00:44:46,410
so he pushed you back down into your

807
00:44:53,630 --> 00:44:47,940
body you turn to your right and he's

808
00:44:54,230 --> 00:44:53,640
gone it disappeared fully right he was

809
00:44:59,180 --> 00:44:54,240
gone

810
00:45:01,520 --> 00:44:59,190
Wow but but that's where you know that's

811
00:45:04,640 --> 00:45:01,530
what this that's really not where the

812
00:45:06,950 --> 00:45:04,650
story ends though with him and that's

813
00:45:09,380 --> 00:45:06,960

you know what the rest of my book is

814

00:45:11,750 --> 00:45:09,390

about because it's not just about it's

815

00:45:13,910 --> 00:45:11,760

not just about this experience it's that

816

00:45:17,330 --> 00:45:13,920

he continued to reach out to me in

817

00:45:21,740 --> 00:45:17,340

various ways for the rest of my life Wow

818

00:45:23,930 --> 00:45:21,750

and but at this stage you know right

819

00:45:26,180 --> 00:45:23,940

after all this happened and I eventually

820

00:45:28,070 --> 00:45:26,190

you know went back to Houston and

821

00:45:30,710 --> 00:45:28,080

everything but you know I didn't

822

00:45:32,570 --> 00:45:30,720

understand what had happened to me again

823

00:45:34,579 --> 00:45:32,580

I remind everybody there wasn't the

824

00:45:36,650 --> 00:45:34,589

internet available you know I couldn't

825

00:45:39,320 --> 00:45:36,660

just sit out the computer and gym this

826

00:45:41,390 --> 00:45:39,330

up and say oh what's the research on

827

00:45:46,040 --> 00:45:41,400

this I mean that just wasn't available

828

00:45:51,310 --> 00:45:46,050

and I you know I asked myself had this

829

00:45:53,900 --> 00:45:51,320

kind of thing happened to others and so

830

00:45:57,950 --> 00:45:53,910

after that experience I just felt

831

00:46:00,740 --> 00:45:57,960

compelled to read and find anything I

832

00:46:04,150 --> 00:46:00,750

could about just a myriad of topics

833

00:46:06,800 --> 00:46:04,160

really in relation to spirituality and

834

00:46:08,930 --> 00:46:06,810

and I really literally I have read

835

00:46:11,810 --> 00:46:08,940

hundreds and hundreds of books through

836

00:46:13,990 --> 00:46:11,820

the years I mean even even now with the

837

00:46:20,440 --> 00:46:14,000

internet you know I continued to read

838

00:46:24,950 --> 00:46:20,450

and you know so in terms of follow-on

839

00:46:26,660 --> 00:46:24,960

experiences that I had at my home I

840

00:46:31,310 --> 00:46:26,670

remember walking out of my bedroom

841

00:46:33,710 --> 00:46:31,320

and I saw him as he looked in when he

842

00:46:35,900 --> 00:46:33,720

was living he was standing in my living

843

00:46:37,240 --> 00:46:35,910

room he was actually looking at my

844

00:46:39,620 --> 00:46:37,250

stereo

845

00:46:42,950 --> 00:46:39,630

he wasn't looking at me he was looking

846

00:46:46,819 --> 00:46:42,960

peering into the stereo there and

847

00:46:48,170 --> 00:46:46,829

the image only lasted a split second you

848

00:46:51,400 --> 00:46:48,180

know it's one of those kind of images

849

00:46:55,160 --> 00:46:51,410

that you see but you never forget it

850

00:46:57,740 --> 00:46:55,170

right it was as though because he

851
00:46:59,810 --> 00:46:57,750
actually spent a summer with my husband

852
00:47:03,650 --> 00:46:59,820
and I he was doing an internship in

853
00:47:05,060 --> 00:47:03,660
Houston working at a place and that's

854
00:47:07,550 --> 00:47:05,070
what he would do he would go over the

855
00:47:08,900 --> 00:47:07,560
stereo and peer in there and figure out

856
00:47:12,710 --> 00:47:08,910
what did he want to listen to some

857
00:47:15,380 --> 00:47:12,720
record or whatever you know and and to

858
00:47:17,960 --> 00:47:15,390
this day I still see that image but it

859
00:47:21,560 --> 00:47:17,970
freaked me out I didn't know what I was

860
00:47:23,000 --> 00:47:21,570
seeing and all these things that would

861
00:47:24,650 --> 00:47:23,010
happen to me and you know seeing him in

862
00:47:27,410 --> 00:47:24,660
the living room and then there was in

863
00:47:29,630 --> 00:47:27,420

the dining room a chair was all it was

864

00:47:31,040 --> 00:47:29,640

pulled out a couple of times every week

865

00:47:33,050 --> 00:47:31,050

I would come home from work in this

866

00:47:36,470 --> 00:47:33,060

chair in the dining room which my

867

00:47:38,870 --> 00:47:36,480

husband and I hardly ever went into and

868

00:47:40,790 --> 00:47:38,880

I asked him finally I said are you

869

00:47:43,400 --> 00:47:40,800

coming in here and doing something here

870

00:47:44,569 --> 00:47:43,410

and pulling out this chair and now I

871

00:47:45,260 --> 00:47:44,579

don't even know what you're talking

872

00:47:46,970 --> 00:47:45,270

about

873

00:47:49,040 --> 00:47:46,980

but when my brother lived with us that

874

00:47:51,740 --> 00:47:49,050

summer my husband he and my husband

875

00:47:53,480 --> 00:47:51,750

would sit in the dining room my husband

876

00:47:55,640 --> 00:47:53,490

Tom had this crazy electric football

877

00:47:57,770 --> 00:47:55,650

game and they get in their fight and

878

00:48:01,010 --> 00:47:57,780

drink scotch and sodas and play this

879

00:48:03,260 --> 00:48:01,020

electric football change and I would

880

00:48:05,660 --> 00:48:03,270

come in there after I'd been awakened by

881

00:48:06,410 --> 00:48:05,670

them going man I'd say I don't work

882

00:48:08,780 --> 00:48:06,420

tomorrow

883

00:48:10,700 --> 00:48:08,790

you know and then they laugh and they'd

884

00:48:12,800 --> 00:48:10,710

give up but the chair that was always

885

00:48:16,359 --> 00:48:12,810

pulling me out was the chair that my

886

00:48:19,490 --> 00:48:16,369

brother always sat in for that game and

887

00:48:21,980 --> 00:48:19,500

so I knew he was trying to just tell me

888

00:48:24,349 --> 00:48:21,990

he was in the air but like it's me girls

889

00:48:26,599 --> 00:48:24,359

pull out this chair who sits here and

890

00:48:30,349 --> 00:48:26,609

one by my husband and I were in our TV

891

00:48:33,559 --> 00:48:30,359

room and from the very top shelf which

892

00:48:35,359 --> 00:48:33,569

they would very deep shelves we had

893

00:48:37,579 --> 00:48:35,369

videos that we had taken like from

894

00:48:39,740 --> 00:48:37,589

various travel trips and things like

895

00:48:42,050 --> 00:48:39,750

that and we're sitting there watching TV

896

00:48:45,940 --> 00:48:42,060

and this video literally flew out from

897

00:48:48,470 --> 00:48:45,950

the top shelf and landed at our feet he

898

00:48:51,349 --> 00:48:48,480

looked at each other in complete

899

00:48:52,829 --> 00:48:51,359

amazement you know so I know this wasn't

900

00:48:56,370 --> 00:48:52,839

just me

901
00:48:58,200 --> 00:48:56,380
right right and we need to we were just

902
00:49:01,079 --> 00:48:58,210
freaked out like wow what is happening

903
00:49:05,309 --> 00:49:01,089
and then another time I came home and in

904
00:49:06,870 --> 00:49:05,319
the hallway we had this bookshelf that

905
00:49:10,680 --> 00:49:06,880
was built into the hallway and from the

906
00:49:13,319 --> 00:49:10,690
very bottom shelf I could see where this

907
00:49:15,599 --> 00:49:13,329
book had flown across the hallway and

908
00:49:18,359 --> 00:49:15,609
had hit the wall and it was laying up

909
00:49:21,180 --> 00:49:18,369
against the other wall and this book was

910
00:49:24,329 --> 00:49:21,190
from an old encyclopedia set and it was

911
00:49:29,069 --> 00:49:24,339
the volume D which my brother's name was

912
00:49:33,180 --> 00:49:29,079
gone and uh there was no way it just

913
00:49:35,700 --> 00:49:33,190

fell out it flew across you know another

914

00:49:39,450 --> 00:49:35,710

time I came home and there was a chair

915

00:49:42,719 --> 00:49:39,460

that had been placed in the doorway to

916

00:49:44,339 --> 00:49:42,729

the master bedroom just and this was at

917

00:49:46,079 --> 00:49:44,349

the time when when my husband was

918

00:49:48,509 --> 00:49:46,089

actually working out in California I was

919

00:49:51,150 --> 00:49:48,519

at the house while myself so there was

920

00:49:54,989 --> 00:49:51,160

nobody else there to do this stuff and

921

00:49:57,900 --> 00:49:54,999

so you know and my dad he even talked

922

00:50:00,329 --> 00:49:57,910

about how he and his wife see my mom and

923

00:50:04,289 --> 00:50:00,339

her husband they lived down toward

924

00:50:05,849 --> 00:50:04,299

Galveston but but my dad and his wife

925

00:50:08,130 --> 00:50:05,859

talked about how at night they would

926
00:50:11,819 --> 00:50:08,140
hear the microwave buttons being pushed

927
00:50:13,709 --> 00:50:11,829
and my brother used to go in there and

928
00:50:17,430 --> 00:50:13,719
heat up food and stuff for himself when

929
00:50:21,120 --> 00:50:17,440
he would stay over or something and then

930
00:50:25,349 --> 00:50:21,130
my mother had a dream not too long after

931
00:50:28,680 --> 00:50:25,359
he died because she like everybody else

932
00:50:31,319 --> 00:50:28,690
was grieving a lot and she described

933
00:50:35,489 --> 00:50:31,329
this this dream where Donnie was a deer

934
00:50:39,719 --> 00:50:35,499
and came back to her and came up to her

935
00:50:43,219 --> 00:50:39,729
and and called her name you know mother

936
00:50:45,900 --> 00:50:43,229
and she knew it was him and she said son

937
00:50:49,799 --> 00:50:45,910
you need to come home to me right now

938
00:50:54,269 --> 00:50:49,809

and he said mother mama that's what he

939

00:50:57,059 --> 00:50:54,279

said mama I can't I'm happy here and I

940

00:50:58,859 --> 00:50:57,069

can't come home and she said son you

941

00:50:59,729 --> 00:50:58,869

need to come home to me and he said I

942

00:51:03,890 --> 00:50:59,739

can't mama

943

00:51:05,980 --> 00:51:03,900

yeah well and as it began walking away

944

00:51:11,200 --> 00:51:05,990

she said he

945

00:51:15,700 --> 00:51:11,210

took with him the really horrible pain

946

00:51:19,960 --> 00:51:15,710

from her heart and nice she said after

947

00:51:22,180 --> 00:51:19,970

that she she said she still was grieving

948

00:51:24,580 --> 00:51:22,190

but she said it was the only thing that

949

00:51:28,750 --> 00:51:24,590

helped her survive was that he took that

950

00:51:32,470 --> 00:51:28,760

pain isn't that amazing that is it you

951
00:51:34,240 --> 00:51:32,480
know I hear these stories and I have

952
00:51:35,710 --> 00:51:34,250
experienced some myself you know losing

953
00:51:38,200 --> 00:51:35,720
a loved one and having them come and

954
00:51:41,380 --> 00:51:38,210
visit and and it's it's weird how it

955
00:51:45,340 --> 00:51:41,390
settles you it's it's a glimpse of them

956
00:51:47,320 --> 00:51:45,350
it's their spirit coming to touch yours

957
00:51:49,870 --> 00:51:47,330
and let you know you're there they're

958
00:51:53,080 --> 00:51:49,880
okay and you could be okay too in it it

959
00:51:55,780 --> 00:51:53,090
really is healing and I wish that all

960
00:51:57,400 --> 00:51:55,790
souls did that though because you know

961
00:52:01,390 --> 00:51:57,410
there's some people that truly grieve

962
00:52:02,320 --> 00:52:01,400
and they just don't get a break I think

963
00:52:05,020 --> 00:52:02,330

it's beautiful

964

00:52:07,630 --> 00:52:05,030

so every time you said that your brother

965

00:52:09,820 --> 00:52:07,640

he's kind of touched your life as the

966

00:52:13,450 --> 00:52:09,830

years have gone by and and he lets you

967

00:52:16,000 --> 00:52:13,460

know it's him so have you had dreams

968

00:52:17,830 --> 00:52:16,010

because I I hear you know spirits they

969

00:52:20,530 --> 00:52:17,840

will communicate in your dreams a lot

970

00:52:22,750 --> 00:52:20,540

and yes they can you know be spotted in

971

00:52:24,849 --> 00:52:22,760

the house and whatnot but did he

972

00:52:28,180 --> 00:52:24,859

communicate further with you in that

973

00:52:35,710 --> 00:52:28,190

sense yes he did come to me in a couple

974

00:52:37,480 --> 00:52:35,720

of dreams and one that especially well

975

00:52:41,290 --> 00:52:37,490

there's two that especially stick with

976
00:52:45,130 --> 00:52:41,300
me but one was I had you know I don't

977
00:52:48,849 --> 00:52:45,140
know several years down down from his

978
00:52:51,040 --> 00:52:48,859
accident where he and I were sitting at

979
00:52:54,400 --> 00:52:51,050
a table having lunch together

980
00:52:56,620 --> 00:52:54,410
and by this time by the time I had this

981
00:52:58,840 --> 00:52:56,630
dream I had accepted that you know he

982
00:53:03,190 --> 00:52:58,850
was gone and I was beginning to

983
00:53:05,290 --> 00:53:03,200
integrate that idea into my life but we

984
00:53:07,750 --> 00:53:05,300
were eating together and and I knew that

985
00:53:09,640 --> 00:53:07,760
he had died but we were sitting there

986
00:53:12,160 --> 00:53:09,650
eating together and I asked him I said

987
00:53:15,490 --> 00:53:12,170
so how are you able to be here with me

988
00:53:18,370 --> 00:53:15,500

right now and he said I come through a

989

00:53:19,880 --> 00:53:18,380

portal from the other side and he said

990

00:53:23,420 --> 00:53:19,890

by the way it's time

991

00:53:27,529 --> 00:53:23,430

for me to go and he went to the side of

992

00:53:29,930 --> 00:53:27,539

the table and he just disappeared an

993

00:53:37,430 --> 00:53:29,940

interesting choice of words a portal oh

994

00:53:39,799 --> 00:53:37,440

I know and and you know it just was

995

00:53:44,269 --> 00:53:39,809

amazing

996

00:53:46,190 --> 00:53:44,279

that that dream just felt so real you

997

00:53:50,059 --> 00:53:46,200

know these dreams just feel so real and

998

00:53:52,430 --> 00:53:50,069

the the latest one I had like that I

999

00:53:55,099 --> 00:53:52,440

talked about in my book at the beginning

1000

00:53:57,470 --> 00:53:55,109

but we've got to get to our next break

1001
00:53:58,490 --> 00:53:57,480
so we'll talk about that great you're

1002
00:54:02,259 --> 00:53:58,500
listening to me Heidi how's the

1003
00:54:06,589 --> 00:54:04,759
welcome back everybody you're listening

1004
00:54:09,259 --> 00:54:06,599
to me Heidi Hollis the Outlander and

1005
00:54:10,730 --> 00:54:09,269
we're speaking with Paula lens and Paul

1006
00:54:12,980 --> 00:54:10,740
is talking about some fascinating

1007
00:54:16,370 --> 00:54:12,990
experiences she's had it was just about

1008
00:54:18,109 --> 00:54:16,380
to go into a dream that you another

1009
00:54:19,670 --> 00:54:18,119
dream that she had concerning your

1010
00:54:22,190 --> 00:54:19,680
brother so I'll let you go ahead and

1011
00:54:25,370 --> 00:54:22,200
share where you're going with that yeah

1012
00:54:27,559 --> 00:54:25,380
thanks and I did mention this dream is

1013
00:54:30,680 --> 00:54:27,569

in the book because it I believe it

1014

00:54:35,779 --> 00:54:30,690

really related to the book itself being

1015

00:54:39,950 --> 00:54:35,789

published but I I dreamed of my brother

1016

00:54:42,349 --> 00:54:39,960

as a baby which in all the years I've

1017

00:54:44,690 --> 00:54:42,359

dreamed of my brother I've never dreamed

1018

00:54:47,329 --> 00:54:44,700

of him as being a baby but I dreamed

1019

00:54:52,339 --> 00:54:47,339

that I was at a party there was a couple

1020

00:54:54,559 --> 00:54:52,349

there and they had this baby boy in

1021

00:54:58,910 --> 00:54:54,569

their arms and when they walked into the

1022

00:55:01,430 --> 00:54:58,920

room and I saw this baby I knew it was

1023

00:55:05,380 --> 00:55:01,440

my brother Donnie it looked just like

1024

00:55:09,140 --> 00:55:05,390

him when he had been a baby and so I

1025

00:55:11,720 --> 00:55:09,150

asked to hold you know their their son

1026

00:55:13,819 --> 00:55:11,730

and they said oh sure so the mom you

1027

00:55:17,499 --> 00:55:13,829

know lovingly put him in my arms and

1028

00:55:23,299 --> 00:55:17,509

when she did that and I looked at him

1029

00:55:26,210 --> 00:55:23,309

this huge wave of love came over both he

1030

00:55:31,400 --> 00:55:26,220

and I and he looked up at me with a big

1031

00:55:33,620 --> 00:55:31,410

smile and I knew again this was like

1032

00:55:35,450 --> 00:55:33,630

three days before I was giving the

1033

00:55:37,880 --> 00:55:35,460

final manuscript to the publisher of

1034

00:55:40,460 --> 00:55:37,890

this book and I knew I figured out that

1035

00:55:43,990 --> 00:55:40,470

he came to me in the stream it was his

1036

00:55:48,049 --> 00:55:44,000

way of saying hey you know I'm really

1037

00:55:52,130 --> 00:55:48,059

happy that you are finally sharing your

1038

00:55:54,999 --> 00:55:52,140

story with the world and I think he came

1039

00:55:58,999 --> 00:55:55,009

back as a baby in the stream

1040

00:56:03,049 --> 00:55:59,009

representing that this was a new project

1041

00:56:06,650 --> 00:56:03,059

that was getting ready to be born and it

1042

00:56:10,609 --> 00:56:06,660

was it was a marvelous wonderful dream

1043

00:56:12,950 --> 00:56:10,619

to have right before running over the

1044

00:56:16,660 --> 00:56:12,960

menu step yeah it was awesome so I ended

1045

00:56:22,190 --> 00:56:16,670

up including that in the you know the

1046

00:56:23,779 --> 00:56:22,200

music it in its like it needed to be in

1047

00:56:25,849 --> 00:56:23,789

there so it happened right when I was

1048

00:56:29,390 --> 00:56:25,859

supposed to I get that cramming perfect

1049

00:56:33,620 --> 00:56:29,400

for the publishers indeed so you know

1050

00:56:36,319 --> 00:56:33,630

with all of these these things and and

1051
00:56:38,630 --> 00:56:36,329
being surrounded by people who have not

1052
00:56:42,380 --> 00:56:38,640
experienced these things but you started

1053
00:56:45,680 --> 00:56:42,390
attending conferences and and meeting

1054
00:56:48,289 --> 00:56:45,690
others who have shared experiences like

1055
00:56:55,309 --> 00:56:48,299
this what what did that do for you when

1056
00:56:58,099 --> 00:56:55,319
you have that opportunity well it was it

1057
00:57:03,109 --> 00:56:58,109
was a new world for me to step into that

1058
00:57:05,480 --> 00:57:03,119
I got involved and I talked about the

1059
00:57:11,690 --> 00:57:05,490
International Association for near-death

1060
00:57:15,920 --> 00:57:11,700
studies I ins that was created actually

1061
00:57:17,240 --> 00:57:15,930
in the late 70s back then there wasn't a

1062
00:57:18,640 --> 00:57:17,250
whole lot of information out there about

1063
00:57:22,579 --> 00:57:18,650

this sort of thing about near-death

1064

00:57:24,529 --> 00:57:22,589

experiences or spiritually trans trans

1065

00:57:27,620 --> 00:57:24,539

form a tional experiences or anything

1066

00:57:32,450 --> 00:57:27,630

like that but this this one entity had

1067

00:57:35,450 --> 00:57:32,460

been created and so I've since joined

1068

00:57:38,150 --> 00:57:35,460

them since I published this book and I

1069

00:57:40,220 --> 00:57:38,160

attend meetings where they bring in all

1070

00:57:42,799 --> 00:57:40,230

these people a lot of the written books

1071

00:57:44,180 --> 00:57:42,809

and who've had all these different kinds

1072

00:57:47,240 --> 00:57:44,190

of experiences like out-of-body

1073

00:57:52,570 --> 00:57:47,250

experiences or near-death experience

1074

00:57:55,520 --> 00:57:52,580

and they've experienced you know an

1075

00:57:58,760 --> 00:57:55,530

expanded consciousness and it changed

1076

00:58:02,240 --> 00:57:58,770

their view of the world and once I got

1077

00:58:07,099 --> 00:58:02,250

into this and suddenly I was surrounded

1078

00:58:08,300 --> 00:58:07,109

by people I could talk to about this

1079

00:58:10,339 --> 00:58:08,310

topic

1080

00:58:13,849 --> 00:58:10,349

you know this whole subject matter and

1081

00:58:16,820 --> 00:58:13,859

what it meant and I've never been able

1082

00:58:18,950 --> 00:58:16,830

to do that in my entire lifetime you

1083

00:58:23,810 --> 00:58:18,960

know other than chairing things here and

1084

00:58:28,460 --> 00:58:23,820

there with some of my friends and now to

1085

00:58:30,650 --> 00:58:28,470

be totally free to discuss it and hear

1086

00:58:34,880 --> 00:58:30,660

other people's experiences and compare

1087

00:58:38,920 --> 00:58:34,890

and and they speak the same language

1088

00:58:41,390 --> 00:58:38,930

because they understand what you've

1089

00:58:45,620 --> 00:58:41,400

experienced right right it's

1090

00:58:48,050 --> 00:58:45,630

mind-blowing you don't have to like take

1091

00:58:49,910 --> 00:58:48,060

the time to explain and feel like you

1092

00:58:53,599 --> 00:58:49,920

have to convince them they're like I get

1093

00:58:56,180 --> 00:58:53,609

it it's it's such a relief isn't it it

1094

00:59:00,230 --> 00:58:56,190

really is it's a different world it's a

1095

00:59:03,170 --> 00:59:00,240

different world yeah I have somebody

1096

00:59:06,020 --> 00:59:03,180

here who's asking a question time Walker

1097

00:59:08,060 --> 00:59:06,030

in my chat room here I was asking if the

1098

00:59:09,770 --> 00:59:08,070

guest has experienced any smells or

1099

00:59:12,530 --> 00:59:09,780

sense that seem familiar

1100

00:59:15,650 --> 00:59:12,540

during the types of dreams that you

1101
00:59:18,470 --> 00:59:15,660
described with your brother and Jennifer

1102
00:59:20,480 --> 00:59:18,480
is curious if you feel like your dreams

1103
00:59:23,450 --> 00:59:20,490
were actual visitations from your

1104
00:59:27,320 --> 00:59:23,460
brother well let me start with the

1105
00:59:30,020 --> 00:59:27,330
second question and yes I do I do feel

1106
00:59:32,780 --> 00:59:30,030
that these dreams were actual vision

1107
00:59:36,170 --> 00:59:32,790
visitations from my brother because

1108
00:59:40,280 --> 00:59:36,180
those dreams have a very different feel

1109
00:59:44,710 --> 00:59:40,290
to them they don't feel like just a

1110
00:59:47,870 --> 00:59:44,720
dream you know you're dreaming but it

1111
00:59:48,980 --> 00:59:47,880
when when you when you wake up you know

1112
00:59:52,540 --> 00:59:48,990
that it was a different kind of

1113
00:59:55,520 --> 00:59:52,550

experience so yes I do believe those are

1114

00:59:58,250 --> 00:59:55,530

visitations from him now going back to

1115

01:00:01,130 --> 00:59:58,260

the first question no I have not

1116

01:00:05,779 --> 01:00:01,140

experienced any smells or anything

1117

01:00:11,599 --> 01:00:05,789

that however one one of the things that

1118

01:00:13,069 --> 01:00:11,609

I did experience is especially during

1119

01:00:15,019 --> 01:00:13,079

the time when my husband was living in

1120

01:00:18,410 --> 01:00:15,029

California and I was by myself but it's

1121

01:00:19,849 --> 01:00:18,420

happened even since then but sometimes

1122

01:00:25,130 --> 01:00:19,859

at night when I would get in bed

1123

01:00:29,480 --> 01:00:25,140

I would distinctly feel someone sit down

1124

01:00:30,920 --> 01:00:29,490

on the edge of my bed and sometimes even

1125

01:00:33,380 --> 01:00:30,930

when I would lie down in the afternoon

1126

01:00:36,620 --> 01:00:33,390

to take a nap you know close my eyes and

1127

01:00:38,269 --> 01:00:36,630

suddenly I would feel someone sitting

1128

01:00:41,569 --> 01:00:38,279

down on the edge of the bed well my eyes

1129

01:00:44,150 --> 01:00:41,579

would just fly open like I'm gonna see

1130

01:00:44,900 --> 01:00:44,160

what this is but of course no one was

1131

01:00:49,759 --> 01:00:44,910

there

1132

01:00:54,049 --> 01:00:49,769

but it was very distinct in the feeling

1133

01:00:56,809 --> 01:00:54,059

of the bed it's no it was not it right

1134

01:00:58,700 --> 01:00:56,819

another interesting question time is

1135

01:01:00,170 --> 01:00:58,710

asking in the chat room if you're if you

1136

01:01:02,839 --> 01:01:00,180

think your brother may have had any

1137

01:01:08,359 --> 01:01:02,849

experience with the paranormal or all

1138

01:01:10,999 --> 01:01:08,369

this happened with you you know I and I

1139

01:01:17,779 --> 01:01:11,009

never heard him mention anything about

1140

01:01:18,430 --> 01:01:17,789

that I do know that at one point in his

1141

01:01:22,370 --> 01:01:18,440

life

1142

01:01:27,170 --> 01:01:22,380

he had a good friend he may have been in

1143

01:01:28,999 --> 01:01:27,180

college at that time he had this good

1144

01:01:32,779 --> 01:01:29,009

friend that he hung out with and that

1145

01:01:36,769 --> 01:01:32,789

that guy ended up committing suicide and

1146

01:01:38,779 --> 01:01:36,779

I don't know if if anything ever

1147

01:01:40,609 --> 01:01:38,789

occurred in relation to that but the

1148

01:01:42,670 --> 01:01:40,619

starlight lounge presents an evening

1149

01:01:47,320 --> 01:01:42,680

with the progressive box

1150

01:01:49,420 --> 01:01:47,330

ah I took a bit of a risk singing that

1151
01:01:51,460 --> 01:01:49,430
song but of course the one place I never

1152
01:01:53,680 --> 01:01:51,470
take chances is the road where

1153
01:01:55,180 --> 01:01:53,690
progressive snapshot rewards your safe

1154
01:01:57,490 --> 01:01:55,190
driving a good driver

1155
01:02:01,290 --> 01:01:57,500
plus snapshot equals big discounts and

1156
01:02:03,480 --> 01:02:01,300
speaking of math one plus one equals two

1157
01:02:05,350 --> 01:02:03,490
little too late

1158
01:02:06,640 --> 01:02:05,360
progressive casualty insurance company

1159
01:02:07,930 --> 01:02:06,650
affiliate snapshot not available in

1160
01:02:10,060 --> 01:02:07,940
California North Carolina or from all

1161
01:02:11,820 --> 01:02:10,070
agents I do know my brother was quite

1162
01:02:14,740 --> 01:02:11,830
upset that that happened

1163
01:02:16,930 --> 01:02:14,750

now that was you know that was a friend

1164

01:02:19,000 --> 01:02:16,940

of his there are friends that are cited

1165

01:02:22,090 --> 01:02:19,010

in the book I mean he had a best friend

1166

01:02:28,090 --> 01:02:22,100

that they were almost like twins and

1167

01:02:32,650 --> 01:02:28,100

that was especially hard on Donny's best

1168

01:02:34,960 --> 01:02:32,660

friend who was left and he to this day

1169

01:02:37,180 --> 01:02:34,970

you know it's it's difficult for him

1170

01:02:39,160 --> 01:02:37,190

they they they were just such a good

1171

01:02:42,310 --> 01:02:39,170

friends they was just like brothers do

1172

01:02:43,600 --> 01:02:42,320

you ever wonder you know like you said

1173

01:02:44,920 --> 01:02:43,610

you know you right after you had this

1174

01:02:46,990 --> 01:02:44,930

experience with your brother where

1175

01:02:49,750 --> 01:02:47,000

you're driving and you didn't mention it

1176

01:02:52,300 --> 01:02:49,760

to your family but what if they had

1177

01:02:54,040 --> 01:02:52,310

experiences with him too and they didn't

1178

01:02:56,380 --> 01:02:54,050

feel they could talk to you about it and

1179

01:02:58,560 --> 01:02:56,390

it's like who breaks the ice you know I

1180

01:03:01,210 --> 01:02:58,570

think there's a lot more that goes on

1181

01:03:04,660 --> 01:03:01,220

people have no clue about and I'm like

1182

01:03:07,600 --> 01:03:04,670

you know I wish that you know people

1183

01:03:09,640 --> 01:03:07,610

were more able I think they put the

1184

01:03:11,290 --> 01:03:09,650

restrictions on themselves I wish that

1185

01:03:13,600 --> 01:03:11,300

they were just you know kick the door

1186

01:03:16,870 --> 01:03:13,610

down and say guess what just happened he

1187

01:03:19,390 --> 01:03:16,880

was in the car you know be about it you

1188

01:03:21,400 --> 01:03:19,400

know and it's like people not to judge

1189

01:03:24,370 --> 01:03:21,410

you you know but you know but even if

1190

01:03:26,800 --> 01:03:24,380

they do it's like I never was a person

1191

01:03:29,320 --> 01:03:26,810

to keep these odd things to myself and

1192

01:03:31,090 --> 01:03:29,330

though my dad was like Heidi can't you

1193

01:03:34,150 --> 01:03:31,100

write your books under a pen name I'm

1194

01:03:36,010 --> 01:03:34,160

like dad you had no sons I'm gonna abuse

1195

01:03:39,040 --> 01:03:36,020

your last name to its fullest you know

1196

01:03:41,860 --> 01:03:39,050

so it's like you know sorry dad but I

1197

01:03:44,140 --> 01:03:41,870

really wasn't I'm like this is who I am

1198

01:03:46,150 --> 01:03:44,150

and I have to share this stuff in hopes

1199

01:03:48,280 --> 01:03:46,160

of reaching other people make an example

1200

01:03:50,410 --> 01:03:48,290

of me whatever it is you know but it's

1201

01:03:52,270 --> 01:03:50,420

um I think there's a lot more

1202

01:03:54,910 --> 01:03:52,280

camaraderie in these types of

1203

01:03:56,470 --> 01:03:54,920

experiences than we realize and you know

1204

01:03:58,720 --> 01:03:56,480

if we just kicked

1205

01:04:00,910 --> 01:03:58,730

or stones you know who knows what a what

1206

01:04:03,160 --> 01:04:00,920

would have come by you know maybe maybe

1207

01:04:04,859 --> 01:04:03,170

that best experience them too you know

1208

01:04:08,290 --> 01:04:04,869

and just doesn't know how to tell you

1209

01:04:10,750 --> 01:04:08,300

well you know what that's a very good

1210

01:04:12,730 --> 01:04:10,760

point about this and I will say this I

1211

01:04:15,670 --> 01:04:12,740

mean I mentioned you know about my dad

1212

01:04:17,560 --> 01:04:15,680

and his wife hearing right my buddy that

1213

01:04:19,720 --> 01:04:17,570

they told us and so you know I did

1214

01:04:21,700 --> 01:04:19,730

mention I must have mentioned some

1215

01:04:24,960 --> 01:04:21,710

things because then they shared that and

1216

01:04:28,050 --> 01:04:24,970

then my mom shared about the dream and

1217

01:04:32,290 --> 01:04:28,060

now that you bring that up

1218

01:04:35,950 --> 01:04:32,300

so this best friend I was talking about

1219

01:04:39,970 --> 01:04:35,960

he shared and that's in the book too how

1220

01:04:41,410 --> 01:04:39,980

on the day of the accident when Bonnie

1221

01:04:44,530 --> 01:04:41,420

was killed you know I talked about how I

1222

01:04:47,230 --> 01:04:44,540

had that pain over my heart at right at

1223

01:04:50,590 --> 01:04:47,240

the time of the accident

1224

01:04:54,010 --> 01:04:50,600

well he also had an experience he was at

1225

01:04:57,370 --> 01:04:54,020

his office and he suddenly felt very

1226

01:05:00,730 --> 01:04:57,380

sick like his whole insides were just

1227

01:05:04,270 --> 01:05:00,740

clenching up and and it was nine o'clock

1228

01:05:09,300 --> 01:05:04,280

because he was in a meeting or something

1229

01:05:13,390 --> 01:05:09,310

at 9:00 and he he did tell me about that

1230

01:05:18,070 --> 01:05:13,400

he and I did share those two things if

1231

01:05:20,500 --> 01:05:18,080

I'm not mistaken actually as he not the

1232

01:05:22,120 --> 01:05:20,510

funeral but the visitation deal because

1233

01:05:24,340 --> 01:05:22,130

he mentioned that to me and I never

1234

01:05:27,520 --> 01:05:24,350

forgot it because I had had that same

1235

01:05:31,120 --> 01:05:27,530

you know so there was some sharing of

1236

01:05:34,750 --> 01:05:31,130

that car some of those it's like your

1237

01:05:37,270 --> 01:05:34,760

brother is a powerful spirit I mean my

1238

01:05:39,370 --> 01:05:37,280

goodness he shook your world up he shook

1239

01:05:41,560 --> 01:05:39,380

up your father's world your mother's and

1240

01:05:44,349 --> 01:05:41,570

and his best friend I mean he is a

1241

01:05:48,340 --> 01:05:44,359

busybody on the other side it's like he

1242

01:05:53,170 --> 01:05:48,350

had to cross over in order to reach you

1243

01:05:58,060 --> 01:05:53,180

guys you've mentioned that - he actually

1244

01:06:02,109 --> 01:05:58,070

I don't know who reached out yeah I

1245

01:06:04,960 --> 01:06:02,119

believe his vibration reaches out you

1246

01:06:06,670 --> 01:06:04,970

know about this coming event I think

1247

01:06:09,670 --> 01:06:06,680

that's why I had the dream that I had

1248

01:06:10,240 --> 01:06:09,680

but see my sister two years before had

1249

01:06:14,410 --> 01:06:10,250

had a

1250

01:06:18,280 --> 01:06:14,420

also she actually dreamed the scenario

1251

01:06:22,300 --> 01:06:18,290

of the woman calling and telling her my

1252

01:06:25,630 --> 01:06:22,310

brother had died in a train accident Wow

1253

01:06:29,020 --> 01:06:25,640

it was very it was really terrible the

1254

01:06:31,300 --> 01:06:29,030

way she found out and you know I've done

1255

01:06:34,620 --> 01:06:31,310

a lot of reading about vibrations and

1256

01:06:38,530 --> 01:06:34,630

frequency you know that we emanate and

1257

01:06:43,839 --> 01:06:38,540

and I think that these things were

1258

01:06:48,250 --> 01:06:43,849

coming from him in ways of preparing us

1259

01:06:52,230 --> 01:06:48,260

or at least to some degree but but yeah

1260

01:06:55,570 --> 01:06:52,240

and you know things like that did happen

1261

01:06:58,870 --> 01:06:55,580

that's amazing I mean you know you might

1262

01:07:01,540 --> 01:06:58,880

hear of a spirit visiting one family

1263

01:07:04,900 --> 01:07:01,550

member - but I mean your brother was

1264

01:07:08,130 --> 01:07:04,910

everywhere he affected people felt more

1265

01:07:11,680 --> 01:07:08,140

than one person felt his passing yeah

1266

01:07:17,260 --> 01:07:11,690

and I do think he is a very powerful

1267

01:07:19,660 --> 01:07:17,270

spirit you know because he has done a

1268

01:07:21,730 --> 01:07:19,670

lot of outreach and again his frequency

1269

01:07:27,810 --> 01:07:21,740

and vibration I think was reaching out

1270

01:07:31,210 --> 01:07:27,820

to people and he was he was such a fun

1271

01:07:34,120 --> 01:07:31,220

funny guy and just had a wonderful

1272

01:07:36,420 --> 01:07:34,130

personality I mean we had so many people

1273

01:07:39,700 --> 01:07:36,430

at the funeral and we we had the largest

1274

01:07:41,859 --> 01:07:39,710

funeral home there and Brian and there

1275

01:07:44,650 --> 01:07:41,869

were people standing like in the

1276

01:07:48,420 --> 01:07:44,660

entryway and outside there were just so

1277

01:07:51,490 --> 01:07:48,430

many people he had a very dynamic

1278

01:07:54,910 --> 01:07:51,500

personality and was just funny and a

1279

01:07:59,109 --> 01:07:54,920

great guy so yeah I mean things like

1280

01:08:02,680 --> 01:07:59,119

that do I think happens but you know you

1281

01:08:05,680 --> 01:08:02,690

have to be cognizant of dreams and signs

1282

01:08:08,890 --> 01:08:05,690

and thinking to yourself well what can

1283

01:08:10,480 --> 01:08:08,900

this mean and you know some people just

1284

01:08:12,579 --> 01:08:10,490

don't pay attention to a lot of things

1285

01:08:14,260 --> 01:08:12,589

like that the shirt don't you know I

1286

01:08:16,300 --> 01:08:14,270

have to say the good ones always die

1287

01:08:20,019 --> 01:08:16,310

young as people that live forever we

1288

01:08:22,150 --> 01:08:20,029

must be awfully rotten I guess man it's

1289

01:08:24,010 --> 01:08:22,160

like always these gems these bright

1290

01:08:26,920 --> 01:08:24,020

lights they cross over

1291

01:08:29,950 --> 01:08:26,930

and you know and the rest of us go but

1292

01:08:32,860 --> 01:08:29,960

they were so good so good and they were

1293

01:08:35,170 --> 01:08:32,870

taken so yeah what are we doing wrong

1294

01:08:38,140 --> 01:08:35,180

you know God would take such a good

1295

01:08:41,940 --> 01:08:38,150

person you know we we wonder it's like

1296

01:08:47,290 --> 01:08:41,950

well maybe my dad was right this is hell

1297

01:08:50,790 --> 01:08:47,300

but I think that you know we all have

1298

01:08:53,680 --> 01:08:50,800

our lessons to learn in this life and

1299

01:08:55,450 --> 01:08:53,690

and and other people around us are there

1300

01:08:58,150 --> 01:08:55,460

to help us learn those lessons by

1301
01:08:59,740 --> 01:08:58,160
different actions and so you know could

1302
01:09:04,300 --> 01:08:59,750
be that that's that's the way it was

1303
01:09:05,920 --> 01:09:04,310
working but so you know one of the one

1304
01:09:10,300 --> 01:09:05,930
of the things too I was just going to

1305
01:09:13,750 --> 01:09:10,310
mention is that my book does include an

1306
01:09:16,090 --> 01:09:13,760
afterword chapter which is written by a

1307
01:09:19,870 --> 01:09:16,100
well-known near-death experience

1308
01:09:22,990 --> 01:09:19,880
researcher dr. Jan Holden not to his

1309
01:09:25,600 --> 01:09:23,000
University of North Texas and she

1310
01:09:28,810 --> 01:09:25,610
provides a much deeper perspective on my

1311
01:09:30,310 --> 01:09:28,820
experience in relation to after death

1312
01:09:33,160 --> 01:09:30,320
communications and near-death

1313
01:09:35,530 --> 01:09:33,170

experiences in fact she was quite

1314

01:09:38,710 --> 01:09:35,540

intrigued when I I was actually trying

1315

01:09:43,390 --> 01:09:38,720

to get in touch with dr. Kenneth ring

1316

01:09:47,020 --> 01:09:43,400

whose book I read 1985 actually gave an

1317

01:09:50,380 --> 01:09:47,030

account of an experience a woman Nancy

1318

01:09:52,270 --> 01:09:50,390

Clark who had who that was the

1319

01:09:54,400 --> 01:09:52,280

experience was somewhat similar to mine

1320

01:09:56,950 --> 01:09:54,410

although she was standing up giving the

1321

01:09:58,840 --> 01:09:56,960

eulogy for her best friend when she had

1322

01:10:03,250 --> 01:09:58,850

kind of this you know strange

1323

01:10:05,260 --> 01:10:03,260

out-of-body experience too but anyway I

1324

01:10:07,750 --> 01:10:05,270

was telling she said well tell me about

1325

01:10:09,930 --> 01:10:07,760

your experience and I did and she just

1326

01:10:12,760 --> 01:10:09,940

said you know you have a really unusual

1327

01:10:14,590 --> 01:10:12,770

experience she said you do need to write

1328

01:10:16,570 --> 01:10:14,600

this story and she said she that was

1329

01:10:19,810 --> 01:10:16,580

when she offered to write the chapter on

1330

01:10:23,470 --> 01:10:19,820

the research that's done and she

1331

01:10:26,230 --> 01:10:23,480

actually you know she said a lot of my

1332

01:10:28,470 --> 01:10:26,240

after-effects I had were very similar to

1333

01:10:31,210 --> 01:10:28,480

people who actually had near-death

1334

01:10:34,080 --> 01:10:31,220

experiences and she actually had me take

1335

01:10:36,790 --> 01:10:34,090

this test that's supposed to measure

1336

01:10:37,570 --> 01:10:36,800

what depth of near-death experience you

1337

01:10:40,080 --> 01:10:37,580

had

1338

01:10:45,090 --> 01:10:40,090

and she talks about that in the book how

1339

01:10:48,250 --> 01:10:45,100

you know I rated very high on that scale

1340

01:10:50,110 --> 01:10:48,260

for having you know it was so much more

1341

01:10:54,460 --> 01:10:50,120

like a near-death experience that I had

1342

01:10:56,650 --> 01:10:54,470

with my brother and you know she cites

1343

01:10:58,750 --> 01:10:56,660

some of the things that like compulsion

1344

01:11:01,270 --> 01:10:58,760

to read about spiritual matters

1345

01:11:05,140 --> 01:11:01,280

you know gravitation away from organized

1346

01:11:07,240 --> 01:11:05,150

religion increase in precognitive dreams

1347

01:11:10,420 --> 01:11:07,250

because after that I did start having a

1348

01:11:13,330 --> 01:11:10,430

lot of precognitive dreams and oh and

1349

01:11:15,460 --> 01:11:13,340

the electromagnetic effects where my

1350

01:11:18,700 --> 01:11:15,470

street lights went out when I was close

1351

01:11:20,800 --> 01:11:18,710

to them when I'm driving on freeways

1352

01:11:28,180 --> 01:11:20,810

sometimes the lights on the freeway as I

1353

01:11:29,800 --> 01:11:28,190

Drive past them you know the country and

1354

01:11:32,110 --> 01:11:29,810

you're walking and the lights go out

1355

01:11:37,030 --> 01:11:32,120

that's all I'll say it was frustrating

1356

01:11:40,660 --> 01:11:37,040

I'm like darted off a light will go out

1357

01:11:44,350 --> 01:11:40,670

but yeah and I studied and learned to

1358

01:11:47,470 --> 01:11:44,360

read auras and this one friend of mine

1359

01:11:49,360 --> 01:11:47,480

his story is related in the book when I

1360

01:11:51,520 --> 01:11:49,370

looked at her aura I knew something was

1361

01:11:53,470 --> 01:11:51,530

wrong I Laura but I didn't know what I'd

1362

01:11:56,860 --> 01:11:53,480

never seen anybody's or a look like that

1363

01:11:59,410 --> 01:11:56,870

it was very murky and a couple of weeks

1364

01:12:00,910 --> 01:11:59,420

after reading her aura which I told her

1365

01:12:03,010 --> 01:12:00,920

I didn't know what it meant I just said

1366

01:12:05,020 --> 01:12:03,020

well you may have some energy blockages

1367

01:12:08,200 --> 01:12:05,030

but a couple weeks after that she came

1368

01:12:10,060 --> 01:12:08,210

deathly ill and she was in intensive

1369

01:12:13,300 --> 01:12:10,070

care for like oh god I came here with

1370

01:12:16,810 --> 01:12:13,310

ten days or something and for a long

1371

01:12:19,510 --> 01:12:16,820

time to recover but it long story short

1372

01:12:24,520 --> 01:12:19,520

I sent her to somebody who did what's

1373

01:12:26,980 --> 01:12:24,530

called JMT and it apparently resulted in

1374

01:12:28,840 --> 01:12:26,990

removing these blockages of energy and

1375

01:12:32,490 --> 01:12:28,850

she came into my office because she

1376

01:12:36,940 --> 01:12:32,500

worked for me after she got back and

1377

01:12:40,360 --> 01:12:36,950

spontaneously this huge non-transparent

1378

01:12:43,420 --> 01:12:40,370

aura appeared around her and at the same

1379

01:12:46,960 --> 01:12:43,430

time that happened my eyes just began

1380

01:12:50,980 --> 01:12:46,970

streaming tears I couldn't stop it

1381

01:12:53,650 --> 01:12:50,990

and said you know

1382

01:13:00,030 --> 01:12:53,660

and thereafter she became a healer and a

1383

01:13:03,940 --> 01:13:00,040

Reiki Master so I saw this I saw this

1384

01:13:05,620 --> 01:13:03,950

huge aura and experienced this energy I

1385

01:13:07,930 --> 01:13:05,630

think which was like direct spirit

1386

01:13:11,380 --> 01:13:07,940

energy anyway so that's just another of

1387

01:13:13,090 --> 01:13:11,390

the you know I have to tell you the

1388

01:13:15,070 --> 01:13:13,100

street lights when they go out would you

1389

01:13:17,650 --> 01:13:15,080

believe there's a name for it there

1390

01:13:19,860 --> 01:13:17,660

we're called sliders street light

1391

01:13:23,140 --> 01:13:19,870

hitters yes

1392

01:13:25,810 --> 01:13:23,150

inhibitors cuz I was so frustrated by it

1393

01:13:28,570 --> 01:13:25,820

and I even had problems with electronic

1394

01:13:30,130 --> 01:13:28,580

phenomena oh my gosh I was a college

1395

01:13:33,160 --> 01:13:30,140

student trying to write my papers I

1396

01:13:35,020 --> 01:13:33,170

would just bust out computers and thank

1397

01:13:37,390 --> 01:13:35,030

God my dad was a computer engineer Tech

1398

01:13:41,020 --> 01:13:37,400

Loren he had to fix so many computers of

1399

01:13:42,580 --> 01:13:41,030

mine but yeah so I get it you know some

1400

01:13:44,680 --> 01:13:42,590

is this funny somebody in a chat room

1401

01:13:47,170 --> 01:13:44,690

and asked a question similar to where I

1402

01:13:51,280 --> 01:13:47,180

when I asked you said that you'd had a

1403

01:13:54,220 --> 01:13:51,290

dream about Jesus well Jesus was in the

1404

01:13:56,200 --> 01:13:54,230

dream that I had that was the

1405

01:13:59,380 --> 01:13:56,210

precognitive dream about my brother's

1406

01:14:02,350 --> 01:13:59,390

coming death okay so but you said you've

1407

01:14:05,920 --> 01:14:02,360

moved away from organized religion

1408

01:14:08,620 --> 01:14:05,930

but you saw Jesus so how do you how do

1409

01:14:12,300 --> 01:14:08,630

you ask you know answer that the bridge

1410

01:14:15,040 --> 01:14:12,310

that gap that you have now well you know

1411

01:14:19,000 --> 01:14:15,050

it's true you know I look to

1412

01:14:21,220 --> 01:14:19,010

spirituality more than you know fixed

1413

01:14:28,360 --> 01:14:21,230

religion like I was brought a Baptist

1414

01:14:32,830 --> 01:14:28,370

but you know I knew Jesus as you know he

1415

01:14:37,830 --> 01:14:32,840

came here and he had all the attributes

1416

01:14:41,200 --> 01:14:37,840

of God or spirit I mean he he was

1417

01:14:45,790 --> 01:14:41,210

literally you know he was in the body he

1418

01:14:48,010 --> 01:14:45,800

was literally one with spirit to the

1419

01:14:50,350 --> 01:14:48,020

point that he could do all the things

1420

01:14:52,800 --> 01:14:50,360

that he did but he was trying to show

1421

01:14:56,530 --> 01:14:52,810

people that you know if you align with

1422

01:14:59,440 --> 01:14:56,540

spirit and you know and it's right here

1423

01:15:02,890 --> 01:14:59,450

it's open to everyone and he was trying

1424

01:15:03,880 --> 01:15:02,900

to show how to do that and that we can

1425

01:15:08,650 --> 01:15:03,890

do that too

1426

01:15:10,990 --> 01:15:08,660

but people took it as you know they just

1427

01:15:13,870 --> 01:15:11,000

wanted Jesus to do everything for them

1428

01:15:16,390 --> 01:15:13,880

you know instead of listening to the

1429

01:15:19,720 --> 01:15:16,400

lesson of you two can do this and you

1430

01:15:22,840 --> 01:15:19,730

know he it says in the Bible Jesus said

1431

01:15:27,070 --> 01:15:22,850

you know don't worship me but people do

1432

01:15:29,920 --> 01:15:27,080

worship Him for what he could do but I

1433

01:15:35,530 --> 01:15:29,930

think that he came as the embodiment of

1434

01:15:38,650 --> 01:15:35,540

that spirit to not just educate people

1435

01:15:43,690 --> 01:15:38,660

but to lift them help them ascend and

1436

01:15:47,020 --> 01:15:43,700

transform into into people who can do

1437

01:15:48,670 --> 01:15:47,030

those kinds of things so and you know

1438

01:15:51,760 --> 01:15:48,680

that's a it's a common pattern that I

1439

01:15:54,580 --> 01:15:51,770

see with folks when they refer to like

1440

01:15:58,030 --> 01:15:54,590

this God presence as spirit as as

1441

01:16:02,740 --> 01:15:58,040

everybody being God everybody being part

1442

01:16:04,570 --> 01:16:02,750

of that and it's it's conflicting that's

1443

01:16:07,540 --> 01:16:04,580

for sure and when people have had these

1444

01:16:10,240 --> 01:16:07,550

out-of-body experiences and and I think

1445

01:16:12,280 --> 01:16:10,250

that a lot of I don't know it's like

1446

01:16:14,410 --> 01:16:12,290

awarenesses seem to equate it's like

1447

01:16:17,730 --> 01:16:14,420

when you're you're able to understand so

1448

01:16:20,650 --> 01:16:17,740

much around you it's like you know the

1449

01:16:23,080 --> 01:16:20,660

interpretations and I must get clouded I

1450

01:16:25,270 --> 01:16:23,090

wonder how if that was one of the more

1451

01:16:27,550 --> 01:16:25,280

difficult things for you to accept and

1452

01:16:33,340 --> 01:16:27,560

people around you was that like a big

1453

01:16:35,680 --> 01:16:33,350

step well you know again this is this is

1454

01:16:38,860 --> 01:16:35,690

not something I got into discussions

1455

01:16:44,740 --> 01:16:38,870

with people about for you know most of

1456

01:16:49,800 --> 01:16:44,750

my life now you know I was led to go to

1457

01:16:52,510 --> 01:16:49,810

Unity Church because to me they they

1458

01:16:53,710 --> 01:16:52,520

refer to Jesus as their elder brother

1459

01:16:59,800 --> 01:16:53,720

and wayshower

1460

01:17:02,880 --> 01:16:59,810

and and they they are open to the

1461

01:17:06,340 --> 01:17:02,890

pathway of spirituality versus a

1462

01:17:11,140 --> 01:17:06,350

religious dogma you know with rules and

1463

01:17:15,570 --> 01:17:11,150

regulations written and and you know so

1464

01:17:17,040 --> 01:17:15,580

with Jesus being the way shower and and

1465

01:17:19,830 --> 01:17:17,050

that

1466

01:17:23,279 --> 01:17:19,840

kind of opens the same kind of what I

1467

01:17:27,419 --> 01:17:23,289

just explained you know that he he was

1468

01:17:29,790 --> 01:17:27,429

able to be as spirit is and he was

1469

01:17:32,220 --> 01:17:29,800

trying to show that so can we

1470

01:17:34,529 --> 01:17:32,230

we have that ability to open up and be

1471

01:17:41,009 --> 01:17:34,539

you know open up our consciousness and

1472

01:17:44,339 --> 01:17:41,019

be one with spirit and the universe so

1473

01:17:46,350 --> 01:17:44,349

you know I just quietly started going to

1474

01:17:50,129 --> 01:17:46,360

unity and you know it's not like I'm

1475

01:17:54,629 --> 01:17:50,139

trying to I'm not trying to convince

1476

01:17:57,140 --> 01:17:54,639

anybody to not be religious or not be

1477

01:17:59,759 --> 01:17:57,150

whatever because the other side of that

1478

01:18:02,989 --> 01:17:59,769

that unity talks about is that all

1479

01:18:07,129 --> 01:18:02,999

people are on the pathway back to spirit

1480

01:18:10,560 --> 01:18:07,139

regardless of if they go to church or

1481

01:18:13,589 --> 01:18:10,570

what religion or what their beliefs are

1482

01:18:15,509 --> 01:18:13,599

that we're all on the pathway it's

1483

01:18:18,959 --> 01:18:15,519

trainer trying to earn our wings back

1484

01:18:22,350 --> 01:18:18,969

you know yeah personally when we got it

1485

01:18:24,120 --> 01:18:22,360

I let you know I I experienced being in

1486

01:18:26,970 --> 01:18:24,130

a bright light that I knew to be called

1487

01:18:29,850 --> 01:18:26,980

the source right so had several Jesus

1488

01:18:32,660 --> 01:18:29,860

encounters and it didn't it didn't

1489

01:18:36,089 --> 01:18:32,670

confuse me at all it's like I I

1490

01:18:38,790 --> 01:18:36,099

understood who Jesus is and I understood

1491

01:18:41,729 --> 01:18:38,800

the source or what some call spirit and

1492

01:18:44,759 --> 01:18:41,739

you know and I'm not a churchgoer or

1493

01:18:48,359 --> 01:18:44,769

bible thumper but it's like my faith in

1494

01:18:51,120 --> 01:18:48,369

Jesus is the end experiences I had with

1495

01:18:53,520 --> 01:18:51,130

him were ten times beyond the source so

1496

01:18:56,069 --> 01:18:53,530

it's it's like you know I don't

1497

01:18:58,350 --> 01:18:56,079

encourage you know the bible-thumping

1498

01:19:01,700 --> 01:18:58,360

thing either but it's like my goodness

1499

01:19:08,520 --> 01:19:01,710

the presence of him is something else

1500

01:19:09,870 --> 01:19:08,530

well I am no way but and you know what

1501

01:19:13,049 --> 01:19:09,880

he is

1502

01:19:17,489 --> 01:19:13,059

you know Jesus is someone you can call

1503

01:19:21,180 --> 01:19:17,499

on just like you can call on your your

1504

01:19:23,100 --> 01:19:21,190
