1
00:00:04,010 --> 00:00:01,520
very interesting shoe for you tonight

2
00:00:06,349 --> 00:00:04,020
but whoever I think at this point maybe

3
00:00:09,620 --> 00:00:06,359
will be playing some dirge music some

4
00:00:12,379 --> 00:00:09,630
kind of music even though we're talking

5
00:00:14,330 --> 00:00:12,389
to people in the future we had to take

6
00:00:19,400 --> 00:00:14,340
last week like the music like they have

7
00:00:23,290 --> 00:00:21,140
just coming up isn't it the ferret

8
00:00:27,189 --> 00:00:23,300
yesterday Ash Wednesday whenever that is

9
00:00:29,570 --> 00:00:27,199
let me introduce the Posse as it is

10
00:00:31,250 --> 00:00:29,580
constructed at the moment in the studio

11
00:00:34,060 --> 00:00:31,260
with us tonight the very famous one one

12
00:00:37,100 --> 00:00:34,070
is here hello Mac how's it going okay

13
00:00:38,510 --> 00:00:37,110

you are in what is it thirty days of

14

00:00:40,369 --> 00:00:38,520

mourning for the Patriots at least

15

00:00:41,900 --> 00:00:40,379

embarrassing I was almost in therapy

16

00:00:43,600 --> 00:00:41,910

it's good that I'm in mourning rather

17

00:00:46,160 --> 00:00:43,610

than thoroughly yes it's cheaper

18

00:00:47,660 --> 00:00:46,170

mourning yes I couldn't do anything

19

00:00:50,450 --> 00:00:47,670

today that was an embarrassment I'm

20

00:00:53,840 --> 00:00:50,460

sorry it was I know that you took it

21

00:00:59,540 --> 00:00:53,850

hard I think you know hanging the dead

22

00:01:01,670 --> 00:00:59,550

eagle from the station's tower I had one

23

00:01:03,889 --> 00:01:01,680

of the musket men fire and I ran and hit

24

00:01:06,230 --> 00:01:03,899

him really good twice Luis brains that

25

00:01:07,700 --> 00:01:06,240

okay and you know bald eagles I know

26

00:01:09,170 --> 00:01:07,710

they're an endangered species but this

27

00:01:12,649 --> 00:01:09,180

plenty of them don't worry

28

00:01:14,539 --> 00:01:12,659

okay it's it's healthy to vent but you

29

00:01:16,730 --> 00:01:14,549

know it was just a lot of people were

30

00:01:20,300 --> 00:01:16,740

bumped out I was at a real kind of

31

00:01:22,130 --> 00:01:20,310

drunken angry potty you know and and you

32

00:01:25,520 --> 00:01:22,140

know somebody's how sort of at someone's

33

00:01:29,420 --> 00:01:25,530

house yeah and with a lot of your

34

00:01:31,940 --> 00:01:29,430

countrymen one half of your Italians yes

35

00:01:34,490 --> 00:01:31,950

oh good the best yeah know how to party

36

00:01:36,260 --> 00:01:34,500

if you win never best okay party best at

37

00:01:37,969 --> 00:01:36,270

funerals but you know rubber balls are

38

00:01:41,510 --> 00:01:37,979

even better well this was kind of like a

39

00:01:43,370 --> 00:01:41,520

funeral frankly you know and it's true a

40

00:01:45,080 --> 00:01:43,380

lot of meat balls being thrown around oh

41

00:01:47,899 --> 00:01:45,090

I bet I'm talking about the food so

42

00:01:49,399 --> 00:01:47,909

anyway you know I mean it's over you

43

00:01:51,560 --> 00:01:49,409

know it's now yeah been a couple of

44

00:01:53,420 --> 00:01:51,570

weeks as people are hearing this kind of

45

00:01:54,980 --> 00:01:53,430

sad I think it was really overhyped I

46

00:01:57,649 --> 00:01:54,990

think they made a lot of mistakes in the

47

00:01:59,480 --> 00:01:57,659

game they had no defense there's this

48

00:02:02,359 --> 00:01:59,490

whole controversy about Malcolm Butler

49

00:02:03,530 --> 00:02:02,369

and it's always this kind of drama you

50

00:02:05,090 --> 00:02:03,540

know I was just wishing that they were

51
00:02:06,620 --> 00:02:05,100
gonna just come out school were like

52
00:02:07,399 --> 00:02:06,630
fourth touchdowns in the first quarter

53
00:02:10,160 --> 00:02:07,409
and then you know

54
00:02:11,360 --> 00:02:10,170
be one of those games yep you know I saw

55
00:02:13,130 --> 00:02:11,370
that was interesting today I went

56
00:02:15,890 --> 00:02:13,140
grocery shopping now what's interesting

57
00:02:19,160 --> 00:02:15,900
about that nothing go ahead but there

58
00:02:21,229 --> 00:02:19,170
was a shopping cart full of today's and

59
00:02:25,309 --> 00:02:21,239
yesterday's newspapers okay yeah the

60
00:02:27,170 --> 00:02:25,319
front page is saying dynasties dead or

61
00:02:29,570 --> 00:02:27,180
the end of an era and something I mean

62
00:02:31,550 --> 00:02:29,580
really an interesting picture but a

63
00:02:33,979 --> 00:02:31,560

really sad headline right and they're

64

00:02:36,259 --> 00:02:33,989

all stacked up meaning they're gonna go

65

00:02:38,600 --> 00:02:36,269

get returned to the right yeah sure yeah

66

00:02:40,069 --> 00:02:38,610

where is the last one last year everyone

67

00:02:41,869 --> 00:02:40,079

just bought every just bought them out I

68

00:02:44,960 --> 00:02:41,879

got a Mike on hand in my closet yeah

69

00:02:46,369 --> 00:02:44,970

yeah well you know I don't know you

70

00:02:48,979 --> 00:02:46,379

can't win them all I guess and then of

71

00:02:51,440 --> 00:02:48,989

course the fans down in Philly you know

72

00:02:55,880 --> 00:02:51,450

fulfill their um what were they burning

73

00:02:57,559 --> 00:02:55,890

they burnt a Macy's or something you saw

74

00:03:00,140 --> 00:02:57,569

some shots I wasn't really paying a lot

75

00:03:02,119 --> 00:03:00,150

of attention on the internet on some of

76

00:03:04,699 --> 00:03:02,129

that activity but well they have a

77

00:03:06,140 --> 00:03:04,709

reputation for being you know angry fans

78

00:03:07,880 --> 00:03:06,150

even when they win I mean they they

79

00:03:13,339 --> 00:03:07,890

actually threw snowballs at Santa Claus

80

00:03:15,470 --> 00:03:13,349

once and and in in budem they actually

81

00:03:17,000 --> 00:03:15,480

feel Philly the booster well listen

82

00:03:19,190 --> 00:03:17,010

throw batteries like they would at Unity

83

00:03:20,330 --> 00:03:19,200

State right but they knew everyone knew

84

00:03:21,740 --> 00:03:20,340

this is what they were gonna do and

85

00:03:23,780 --> 00:03:21,750

apparently they greased a lot of the

86

00:03:25,819 --> 00:03:23,790

poles downtown so rightly but they you

87

00:03:27,920 --> 00:03:25,829

know weren't as deluded places you know

88

00:03:30,199 --> 00:03:27,930

and we do it what if they lost I don't

89

00:03:31,819 --> 00:03:30,209

know it was weird on TV they're showing

90

00:03:33,140 --> 00:03:31,829

Kenmore Square was all fenced off with

91

00:03:34,879 --> 00:03:33,150

those portable fences oh yeah right

92

00:03:39,349 --> 00:03:34,889

she's got a milling around it was miss

93

00:03:40,460 --> 00:03:39,359

Seoul to be famous well yeah because the

94

00:03:41,750 --> 00:03:40,470

Patriot said that you know they're from

95

00:03:43,039 --> 00:03:41,760

Foxborough they actually there wasn't

96

00:03:44,150 --> 00:03:43,049

Minnesota why did people think they're

97

00:03:45,830 --> 00:03:44,160

gonna do it again was quit cause it's

98

00:03:48,860 --> 00:03:45,840

next to Fenway no well yeah that's a

99

00:03:51,170 --> 00:03:48,870

gathering place they were looking for a

100

00:03:53,150 --> 00:03:51,180

Gronk to be you know jumping around or

101

00:03:56,900 --> 00:03:53,160

something but I'll speaking of Gronk

102

00:03:59,000 --> 00:03:56,910

yes what the heck happened you mean well

103

00:04:00,289 --> 00:03:59,010

I think he's been told of on one you

104

00:04:01,550 --> 00:04:00,299

know Greg front I think that maybe

105

00:04:03,349 --> 00:04:01,560

people have told him you've had enough

106

00:04:04,670 --> 00:04:03,359

concussions you might want to retire cuz

107

00:04:07,339 --> 00:04:04,680

he's hinted that he's gonna retire

108

00:04:09,319 --> 00:04:07,349

yeah his his pressure was really weird

109

00:04:10,940 --> 00:04:09,329

because he was saying that well we're

110

00:04:12,470 --> 00:04:10,950

gonna see how it goes I took a couple of

111

00:04:14,240 --> 00:04:12,480

weeks to think about things and yeah

112

00:04:16,939 --> 00:04:14,250

that's talked to my teammates and you

113

00:04:17,759 --> 00:04:16,949

know but then not assess my situation

114

00:04:19,199 --> 00:04:17,769

the room is

115

00:04:24,330 --> 00:04:19,209

his house was burglarized and now

116

00:04:26,249 --> 00:04:24,340

apparently he has housemates housemates

117

00:04:28,230 --> 00:04:26,259

they call him couple thinks Tony

118

00:04:29,820 --> 00:04:28,240

initially said that a couple of safes

119

00:04:31,800 --> 00:04:29,830

and some guns might have been stolen but

120

00:04:35,249 --> 00:04:31,810

I checked out his it didn't even look

121

00:04:39,450 --> 00:04:35,259

like his room safes and condoms are safe

122

00:04:43,140 --> 00:04:39,460

safe safe safe safe where his rings are

123

00:04:44,700 --> 00:04:43,150

okay oh I'm swimming okay they hadn't

124

00:04:46,409 --> 00:04:44,710

been breached at all Bhama he said

125

00:04:47,520 --> 00:04:46,419

that's the latest him in a bad week he's

126

00:04:50,159 --> 00:04:47,530

gonna have to go out party a little

127

00:04:51,870 --> 00:04:50,169

unbelievable maybe needs a woman or

128

00:04:54,450 --> 00:04:51,880

something I don't think that's the

129

00:04:56,279 --> 00:04:54,460

problem you know I think that he's what

130

00:04:58,020 --> 00:04:56,289

deal Ian Malcolm bottle I should go out

131

00:05:00,930 --> 00:04:58,030

together that of the time because nice

132

00:05:02,370 --> 00:05:00,940

girls yeah anyway so okay so we've

133

00:05:04,620 --> 00:05:02,380

that's the end of the Patriots thing

134

00:05:06,330 --> 00:05:04,630

okay I mean so next year hi I'm sorry

135

00:05:08,850 --> 00:05:06,340

it's it's sad that you're not wearing

136

00:05:11,730 --> 00:05:08,860

really a Patriots PMS undelivered this

137

00:05:13,770 --> 00:05:11,740

cool poster that I saw online oh boy it

138

00:05:15,839 --> 00:05:13,780

wasn't the typical Tom Brady you know

139

00:05:22,860 --> 00:05:15,849

throwing him yes football poster number

140

00:05:30,360 --> 00:05:22,870

12 or him it was laid back later those

141

00:05:32,790 --> 00:05:30,370

like a back kick posters yeah and they

142

00:05:34,680 --> 00:05:32,800

wanted to bring it in and put it up and

143

00:05:36,330 --> 00:05:34,690

put it up on the wall and we can have

144

00:05:39,719 --> 00:05:36,340

our pictures taken with a mood lighting

145

00:05:42,390 --> 00:05:39,729

down that's right Wow okay well maybe

146

00:05:44,519 --> 00:05:42,400

I'll draw a heart with an arrow yeah

147

00:05:47,040 --> 00:05:44,529

right yeah but something like that man

148

00:05:48,870 --> 00:05:47,050

but I just I still love a moon

149

00:05:51,240 --> 00:05:48,880

everything but yeah I can tell you

150

00:05:52,800 --> 00:05:51,250

please just I'm Esther wait you're

151
00:05:54,360 --> 00:05:52,810
putting up a brave little front there

152
00:05:56,149 --> 00:05:54,370
soldier you know you really yeah that's

153
00:05:58,730 --> 00:05:56,159
the way it's a September I guess yeah

154
00:06:02,040 --> 00:05:58,740
yeah when does my name is practiced on

155
00:06:04,469 --> 00:06:02,050
August 14th actually okay good so yeah

156
00:06:06,209 --> 00:06:04,479
well hey what are you gonna do you know

157
00:06:07,260 --> 00:06:06,219
won't they the strange thing is and it's

158
00:06:09,420 --> 00:06:07,270
funny that we're talking about sports

159
00:06:11,129 --> 00:06:09,430
especially Boston sports but at this

160
00:06:13,290 --> 00:06:11,139
moment the Bruins have lost exactly

161
00:06:15,870 --> 00:06:13,300
three games since Thanksgiving it's

162
00:06:18,779 --> 00:06:15,880
amazing okay and and the Celtics have

163
00:06:23,370 --> 00:06:18,789

the second best record in the NBA okay

164

00:06:25,230 --> 00:06:23,380

no one cares the Boston the truck day

165

00:06:26,550 --> 00:06:25,240

was the day after the Super Bowl LA so

166

00:06:28,200 --> 00:06:26,560

that means spring training is going to

167

00:06:29,399 --> 00:06:28,210

start you know no one's talking about

168

00:06:30,540 --> 00:06:29,409

truck today remember when truck they

169

00:06:31,140 --> 00:06:30,550

used to have that's a big deal because

170

00:06:32,520 --> 00:06:31,150

they we should

171

00:06:34,170 --> 00:06:32,530

explain that's what's like the Patriots

172

00:06:36,120 --> 00:06:34,180

send-off yeah the equipment truck leaves

173

00:06:37,850 --> 00:06:36,130

Fenway Park very early in February it

174

00:06:39,900 --> 00:06:37,860

makes the week and a half track down to

175

00:06:40,980 --> 00:06:39,910

Florida where they open spring training

176

00:06:42,960 --> 00:06:40,990

a lot of people could say that that's

177

00:06:45,600 --> 00:06:42,970

the opening of baseball and right soon

178

00:06:47,340 --> 00:06:45,610

as that first tire moves baseball season

179

00:06:49,380 --> 00:06:47,350

is long they used to have to have crowd

180

00:06:50,850 --> 00:06:49,390

control for the crowd now it was like 2

181

00:06:56,310 --> 00:06:50,860

or 3 people they were signing the truck

182

00:07:04,140 --> 00:06:56,320

no big deal Wally didn't even make while

183

00:07:06,540 --> 00:07:04,150

he was on a bender you know we're Justin

184

00:07:08,850 --> 00:07:06,550

Timberlake in the Hyatt with weed I

185

00:07:10,380 --> 00:07:08,860

don't get Justin Timberlake what does no

186

00:07:12,390 --> 00:07:10,390

one does I took a shower during the

187

00:07:14,400 --> 00:07:12,400

halftime yeah honestly it was very

188

00:07:16,200 --> 00:07:14,410

strange because it almost looked like it

189

00:07:18,390 --> 00:07:16,210

was pre filmed or something it did not

190

00:07:20,010 --> 00:07:18,400

look alive and then someone told me

191

00:07:21,720 --> 00:07:20,020

today who knows about how they put the

192

00:07:23,430 --> 00:07:21,730

Super Bowl together the halftime show

193

00:07:24,570 --> 00:07:23,440

you know when they perform and there's

194

00:07:26,130 --> 00:07:24,580

like thousands of kids

195

00:07:28,290 --> 00:07:26,140

you're jumping him down kind of faking

196

00:07:30,210 --> 00:07:28,300

like they're into it mostly women in the

197

00:07:32,760 --> 00:07:30,220

front right yeah usually those of like

198

00:07:35,340 --> 00:07:32,770

produces kids and stuff like that one

199

00:07:39,000 --> 00:07:35,350

for the Super Bowl they bring those

200

00:07:40,290 --> 00:07:39,010

people in ok halftime yeah and they do

201
00:07:43,380 --> 00:07:40,300
they jump in right and then they get a

202
00:07:45,780 --> 00:07:43,390
leaf they don't have 5,000 seats for

203
00:07:48,380 --> 00:07:45,790
these kids no so they come and go they

204
00:07:51,630 --> 00:07:48,390
don't even see the game they hired two

205
00:07:53,010 --> 00:07:51,640
yep it was it was you know it was

206
00:07:54,840 --> 00:07:53,020
vanilla because I don't think they

207
00:07:57,330 --> 00:07:54,850
didn't want any controversy last year

208
00:07:59,970 --> 00:07:57,340
Beyonce r was my father knew well I used

209
00:08:02,160 --> 00:07:59,980
to call it bounce it's like a black camp

210
00:08:05,820 --> 00:08:02,170
the tribute unexpectedly so yeah exactly

211
00:08:07,410 --> 00:08:05,830
and the hologram of prints you hologram

212
00:08:09,000 --> 00:08:07,420
everyone thought that there would be a

213
00:08:11,190 --> 00:08:09,010

prince appearance because it was a mess

214

00:08:14,430 --> 00:08:11,200

order and so on so hey you know I'll

215

00:08:16,410 --> 00:08:14,440

Philly who cares right so listen so we

216

00:08:18,360 --> 00:08:16,420

have an interesting show for tonight

217

00:08:20,750 --> 00:08:18,370

we're going to be talking to Raja about

218

00:08:23,340 --> 00:08:20,760

the most haunted village in maybe all of

219

00:08:25,320 --> 00:08:23,350

the entire planet but certainly in the

220

00:08:27,840 --> 00:08:25,330

United Kingdom place called Westminster

221

00:08:29,730 --> 00:08:27,850

has more UFO sightings than like any

222

00:08:31,050 --> 00:08:29,740

other place around the world okay and

223

00:08:33,120 --> 00:08:31,060

the strange thing is it's right down the

224

00:08:35,250 --> 00:08:33,130

street from the Stonehenge okay so

225

00:08:37,830 --> 00:08:35,260

that's that's the key Stonehenge that's

226

00:08:41,400 --> 00:08:37,840

like the isn't it like the the the

227

00:08:42,750 --> 00:08:41,410

energy vortex or something sure yeah why

228

00:08:44,700 --> 00:08:42,760

that's why they arranged this they

229

00:08:46,350 --> 00:08:44,710

whoever arranged those stones

230

00:08:48,120 --> 00:08:46,360

really notice how they get it they had

231

00:08:49,440 --> 00:08:48,130

this big crane you know and they they

232

00:08:51,630 --> 00:08:49,450

must have you should equal jacks you

233

00:08:53,070 --> 00:08:51,640

know and they said that I'm very glad to

234

00:08:54,750 --> 00:08:53,080

just like it'd be very hard to build a

235

00:08:56,610 --> 00:08:54,760

pyramid today it'd be very hard to

236

00:08:58,260 --> 00:08:56,620

really build Stonehenge I don't think if

237

00:09:00,750 --> 00:08:58,270

they resurrected the Egyptians I don't

238

00:09:02,370 --> 00:09:00,760

think they could have built now very

239

00:09:04,950 --> 00:09:02,380

strange about that you know that they

240

00:09:06,000 --> 00:09:04,960

that there's been a team of aeronautical

241

00:09:09,630 --> 00:09:06,010

engineers for the past two or three

242

00:09:11,790 --> 00:09:09,640

years trying to rebuild the Kittyhawk

243

00:09:13,560 --> 00:09:11,800

the first plane of the of the Wright

244

00:09:17,010 --> 00:09:13,570

brothers and they can't do it they have

245

00:09:20,340 --> 00:09:17,020

the plans but they can't do it off the

246

00:09:24,810 --> 00:09:20,350

ground yeah I mean really amazing so I

247

00:09:26,250 --> 00:09:24,820

don't know anyway so we probably

248

00:09:28,590 --> 00:09:26,260

couldn't even reinvent the telephone

249

00:09:29,670 --> 00:09:28,600

with what no yeah you never know sander

250

00:09:32,130 --> 00:09:29,680

green bill had to work I think it's

251

00:09:33,840 --> 00:09:32,140

strange that the lightbulb right invent

252

00:09:36,420 --> 00:09:33,850

the lightbulb and go through all that

253

00:09:38,700 --> 00:09:36,430

yeah no really he worked for a major

254

00:09:41,520 --> 00:09:38,710

electrical company yeah Thomas Edison

255

00:09:44,120 --> 00:09:41,530

yep it's not a GE up in Schenectady yeah

256

00:09:46,530 --> 00:09:44,130

yeah welcome for five years and really

257

00:09:49,970 --> 00:09:46,540

my biggest accomplishment was I learned

258

00:09:52,230 --> 00:09:49,980

how to spell Schenectady yeah to do

259

00:09:53,730 --> 00:09:52,240

anyway so we'll be talking to Ross shop

260

00:09:55,440 --> 00:09:53,740

and then we're also gonna be talking to

261

00:09:57,750 --> 00:09:55,450

a good buddy psychic bill Stillman is

262

00:09:59,820 --> 00:09:57,760

gonna be calling in he's got a new book

263

00:10:01,740 --> 00:09:59,830

and he's last time he was on his tell us

264

00:10:04,710 --> 00:10:01,750

how just recently a lot of people that

265

00:10:06,360 --> 00:10:04,720

he kind of communes with you know

266

00:10:08,460 --> 00:10:06,370

mind-to-mind has been talking to him

267

00:10:09,690 --> 00:10:08,470

about alien abductions he says you know

268

00:10:13,130 --> 00:10:09,700

just all of a sudden he's getting these

269

00:10:17,520 --> 00:10:13,140

kind of alien abduction reports from his

270

00:10:22,110 --> 00:10:17,530

contacts yeah so that's a strange we're

271

00:10:24,330 --> 00:10:22,120

also going to be talking to LEM is gonna

272

00:10:26,730 --> 00:10:24,340

be giving us a classic UFO report

273

00:10:28,560 --> 00:10:26,740

switcher eNOS which late Steve Ward who

274

00:10:31,320 --> 00:10:28,570

by the way has been asked to give yet

275

00:10:33,500 --> 00:10:31,330

another speech that guy is everywhere

276

00:10:35,850 --> 00:10:33,510

he's the man on the way up you know and

277

00:10:38,100 --> 00:10:35,860

he's gonna tell us I guess what it's

278

00:10:40,020 --> 00:10:38,110

like to be a celebrity Cobra is gonna be

279

00:10:42,540 --> 00:10:40,030

joining us late him Ron he's on a secret

280

00:10:44,280 --> 00:10:42,550

mission so they're saving the planet for

281

00:10:46,080 --> 00:10:44,290

some you know from some asteroid

282

00:10:53,250 --> 00:10:46,090

something all one of his goats you know

283

00:10:57,280 --> 00:10:53,260

has a problem and yeah that's what they

284

00:11:00,460 --> 00:10:57,290

sound like exactly and also I had goats

285

00:11:01,990 --> 00:11:00,470

- really yeah we did when we first moved

286

00:11:04,030 --> 00:11:02,000

up into the kapu knees we've had a

287

00:11:06,820 --> 00:11:04,040

couple of Nubian goats GE them

288

00:11:09,220 --> 00:11:06,830

eventually no no no no it's okay alright

289

00:11:11,470 --> 00:11:09,230

their horns were removed - down some

290

00:11:13,600 --> 00:11:11,480

little stubs oh well we got them that's

291

00:11:14,740 --> 00:11:13,610

what happened I've had because they're

292

00:11:16,660 --> 00:11:14,750

always butting against each other

293

00:11:17,860 --> 00:11:16,670

hurting each other if they're did you

294

00:11:19,750 --> 00:11:17,870

keep him pinned up on did they run

295

00:11:22,020 --> 00:11:19,760

around the house we let him rather let

296

00:11:26,560 --> 00:11:22,030

him run around outside but we did have a

297

00:11:28,570 --> 00:11:26,570

pen and a location in the barn for them

298

00:11:30,670 --> 00:11:28,580

to jump over all right every time I put

299

00:11:33,340 --> 00:11:30,680

him in a stall that were formally set

300

00:11:34,780 --> 00:11:33,350

for horses yes they would jump over them

301

00:11:36,490 --> 00:11:34,790

so really and you're really leap so I

302

00:11:38,500 --> 00:11:36,500

had to make this stall door

303

00:11:40,150 --> 00:11:38,510

I don't higher so just pets no did

304

00:11:42,010 --> 00:11:40,160

Malcolm or anything nope nope just

305

00:11:43,960 --> 00:11:42,020

pastures you know they're good for is

306

00:11:45,910 --> 00:11:43,970

when you put the Christmas tree out yeah

307

00:11:47,170 --> 00:11:45,920

for the trashman yes just leave in your

308

00:11:49,540 --> 00:11:47,180

driveway they'll eat it down to the

309

00:11:52,300 --> 00:11:49,550

stump eat the pine needles yep they did

310

00:11:53,980 --> 00:11:52,310

they did every branch thanks I didn't

311

00:12:00,280 --> 00:11:53,990

expect that I stuck it in the snowbank

312

00:12:01,480 --> 00:12:00,290

uh-huh next okay if I ever get a go I'll

313

00:12:03,010 --> 00:12:01,490

remember that I get them around right

314

00:12:06,700 --> 00:12:03,020

around Christmas time sounds like custom

315

00:12:08,320 --> 00:12:06,710

oh yeah so anyway why don't we do this

316

00:12:10,030 --> 00:12:08,330

oh we're gonna be maybe taking some

317

00:12:11,200 --> 00:12:10,040

calls from the audience tonight to us

318

00:12:14,470 --> 00:12:11,210

you know if we can we're kinda come up

319

00:12:15,850 --> 00:12:14,480

with anything else if so we will do it

320

00:12:18,040 --> 00:12:15,860

so when we take a commercial break now

321

00:12:20,200 --> 00:12:18,050

and we'll be back and start their really

322

00:12:21,820 --> 00:12:20,210

big shoe so you're listening to Beck

323

00:12:24,910 --> 00:12:21,830

324

00:12:26,860 --> 00:12:24,920

we do a segment another one walks in the

329

00:12:52,210 --> 00:12:49,520

very famous Juan Juan is here yet I know

330

00:12:54,250 --> 00:12:52,220

you're a fashion maven yes right okay I

331

00:12:56,980 --> 00:12:54,260

want you to close your eyes okay close

332

00:12:59,640 --> 00:12:56,990

your eyes and tell me what you think of

333

00:13:03,969 --> 00:12:59,650

his hat but keep your eyes closed okay

334

00:13:09,949 --> 00:13:08,539

okay open cool just really yeah okay me

335

00:13:13,699 --> 00:13:09,959

right off the dock that's all I need to

336

00:13:17,840 --> 00:13:13,709

know close great yeah okay just say

337

00:13:20,840 --> 00:13:17,850

right off the dock yeah all right okay

338

00:13:23,960 --> 00:13:20,850

this will make sense in later shows okay

339

00:13:26,059 --> 00:13:23,970

also joining us tonight famous author

340

00:13:26,929 --> 00:13:26,069

max apolar this here what's up Mac

341

00:13:28,969 --> 00:13:26,939

thanks dad me again

342

00:13:31,989 --> 00:13:28,979

yeah how you boys doing what'd you think

343

00:13:36,379 --> 00:13:31,999

of a hat I was quite sexy actually

344

00:13:42,650 --> 00:13:36,389

stunning but sexy yeah yeah my housemate

345

00:13:44,179 --> 00:13:42,660

is in so we're gonna have an interesting

346

00:13:48,169 --> 00:13:44,189

show that Kobe will be joining us later

347

00:13:50,210 --> 00:13:48,179

on also raw shop is on tonight's show a

348

00:13:54,979 --> 00:13:50,220

good buddy bill Stillman the psychic is

349

00:13:57,229 --> 00:13:54,989

on Emily m and also Switzer II know so

350

00:13:59,239 --> 00:13:57,239

big shoe okay but now we're gonna try

351

00:14:02,090 --> 00:13:59,249

this you know we're able just recently

352

00:14:03,229 --> 00:14:02,100

to take calls from the audience I think

353

00:14:04,939 --> 00:14:03,239

it has something do with the second

354

00:14:06,199 --> 00:14:04,949

second it's a seven second delay or

355

00:14:07,849 --> 00:14:06,209

something all right so we're gonna get

356

00:14:10,239 --> 00:14:07,859

the rest they made this 14 seconds yes

357

00:14:14,029 --> 00:14:10,249

right yeah and that was a minute 44

358

00:14:16,219 --> 00:14:14,039

anyway so we're gonna try it again take

359

00:14:18,379 --> 00:14:16,229

a call there from the onion so I have to

360

00:14:25,119 --> 00:14:18,389

touch this button hang on this is what

361

00:14:29,539 --> 00:14:28,279

okay all right hello caller yeah this is

362

00:14:33,289 --> 00:14:29,549

380

00:16:16,670 --> 00:16:02,910

Whitey Bulger crime story on the Boston

438

00:19:23,039 --> 00:19:20,440

docks doing very well doing great yeah

439

00:19:26,070 --> 00:19:23,049

have another signing soon still talking

440

00:19:27,479 --> 00:19:26,080

big Hollywood absolutely all right now

441

00:19:28,409 --> 00:19:27,489

remember one thing about those people

442

00:19:29,970 --> 00:19:28,419

out in Hollywood

443

00:19:32,039 --> 00:19:29,980

number one they'll have your best

444

00:19:33,930 --> 00:19:32,049

interest at heart okay they're not gonna

445

00:19:35,940 --> 00:19:33,940

do anything that's gonna set you all

446

00:19:38,740 --> 00:19:35,950

cost you any money okay so keep that in

447

00:19:41,390 --> 00:19:38,750

your mind that's the feeling I get

448

00:19:43,070 --> 00:19:41,400

yep and when they say your talent and

449

00:19:44,000 --> 00:19:43,080

they love the book they mean it you're

450

00:19:47,140 --> 00:19:44,010

not kidding

451
00:19:50,090 --> 00:19:47,150
they said I won't even eat an attorney

452
00:19:52,280 --> 00:19:50,100
that's a good sign yeah also on the

453
00:19:54,620 --> 00:19:52,290
phone with us is telling if I'm is

454
00:19:57,020 --> 00:19:54,630
undisclosed location that come KOCO on

455
00:20:01,040 --> 00:19:57,030
the street is man the cobra good evening

456
00:20:03,290 --> 00:20:01,050
gentlemen okay and so we're going to

457
00:20:05,840 --> 00:20:03,300
flashback to a show we did two weeks ago

458
00:20:07,340 --> 00:20:05,850
1-1 okay go to like the clock through

459
00:20:10,460 --> 00:20:07,350
line the tape which we had some of that

460
00:20:14,210 --> 00:20:10,470
music you know that I like that like the

461
00:20:16,550 --> 00:20:14,220
tape sound effect this Friday in the

462
00:20:19,040 --> 00:20:16,560
visionary director of ex machina it's

463
00:20:21,220 --> 00:20:19,050

expanding destroy everything it's not

464

00:20:23,840 --> 00:20:21,230

destroying it's making something new

465

00:20:28,090 --> 00:20:23,850

critics are calling annihilation a

466

00:20:30,800 --> 00:20:28,100

thrilling remarkable vision permutations

467

00:20:37,430 --> 00:20:30,810

brilliant and provocative it will be

468

00:20:40,310 --> 00:20:37,440

hailed as a masterpiece last night how

469

00:20:43,300 --> 00:20:40,320

extinction begins annihilation where did

470

00:20:45,260 --> 00:20:43,310

our under-17 now meet with that parent

471

00:20:47,090 --> 00:20:45,270

with the head actually making contact

472

00:20:49,310 --> 00:20:47,100

with the tape alright I have that sound

473

00:20:51,350 --> 00:20:49,320

exactly which doesn't happen unless

474

00:20:53,900 --> 00:20:51,360

you're editing and rocking the reel

475

00:20:59,620 --> 00:20:53,910

right yeah rewind that tape head is like

476
00:21:07,940 --> 00:21:03,430
I do that's the problem

477
00:21:10,580 --> 00:21:07,950
but anyway so two weeks ago as you know

478
00:21:12,890 --> 00:21:10,590
we had a friend of ours call in from a

479
00:21:15,320 --> 00:21:12,900
planet 44 light-years away to predict

480
00:21:16,970 --> 00:21:15,330
the Super Bowl our plan was to put a

481
00:21:19,640 --> 00:21:16,980
press release out on it but as it turns

482
00:21:21,380 --> 00:21:19,650
out Associated Press in Pai News why I

483
00:21:22,820 --> 00:21:21,390
wouldn't print the release once again

484
00:21:25,850 --> 00:21:22,830
another story but more okay

485
00:21:28,040 --> 00:21:25,860
it's discrimination against ETS

486
00:21:29,600 --> 00:21:28,050
well it is but it was also the one in

487
00:21:31,070 --> 00:21:29,610
description the show and I think they

488
00:21:33,320 --> 00:21:31,080

get upset when I said that one of the

489

00:21:35,150 --> 00:21:33,330

people who was on the show a lot is

490

00:21:37,220 --> 00:21:35,160

someone who talks to people who have

491

00:21:39,170 --> 00:21:37,230

passed on and that they're constantly

492

00:21:41,510 --> 00:21:39,180

trying to get racetrack tips from Jimmy

493

00:21:44,300 --> 00:21:41,520

Hoffa that might have set them off a

494

00:21:46,490 --> 00:21:44,310

little bit again all sporting news I

495

00:21:48,380 --> 00:21:46,500

don't understand this kind of prejudice

496

00:21:51,110 --> 00:21:48,390

I just don't so I'll tell you what why

497

00:21:54,170 --> 00:21:51,120

don't we go back and see what our friend

498

00:21:55,910 --> 00:21:54,180

tarek from 44 light-years away actually

499

00:21:57,170 --> 00:21:55,920

you know how he predicted the game how

500

00:21:59,570 --> 00:21:57,180

he thought it was going to turn out and

501
00:22:01,460 --> 00:21:59,580
what the score is okay so I wish we had

502
00:22:03,320 --> 00:22:01,470
some of that music there you know can

503
00:22:04,390 --> 00:22:03,330
you do the music can you make that song

504
00:22:06,890 --> 00:22:04,400
can you make the dirt yeah

505
00:22:13,490 --> 00:22:06,900
you probably if I knew what it was okay

506
00:22:14,930 --> 00:22:13,500
all right listening you think of x-files

507
00:22:15,980 --> 00:22:14,940
he opening two x-files actually you

508
00:22:18,320 --> 00:22:15,990
shouldn't do that because you've even

509
00:22:19,790 --> 00:22:18,330
led us from Fox as it turns over no

510
00:22:22,100 --> 00:22:19,800
supposed to be using that music once

511
00:22:31,130 --> 00:22:22,110
again so when we go back and we'll see

512
00:22:32,150 --> 00:22:31,140
you know here on the distant Thunder

513
00:22:35,390 --> 00:22:32,160

radio network

514

00:22:39,770 --> 00:22:35,400

this is domi the very famous Juan Juan

515

00:22:42,260 --> 00:22:39,780

is here is on the phone with us but he's

516

00:22:45,130 --> 00:22:42,270

not the only person who's calling in a

517

00:22:48,620 --> 00:22:45,140

good friend from 44 light-years away

518

00:22:51,440 --> 00:22:48,630

alien buddy Tarek is calling us because

519

00:22:53,540 --> 00:22:51,450

he's crazy about football and the Super

520

00:22:55,220 --> 00:22:53,550

Bowl was coming up this weekend and we

521

00:22:56,630 --> 00:22:55,230

wanted to get his thoughts on it and see

522

00:22:59,270 --> 00:22:56,640

if he could predict the school off for

523

00:23:04,380 --> 00:22:59,280

us so let's green her first now hello

524

00:23:09,750 --> 00:23:05,940

you have to hit your translator button

525

00:23:13,790 --> 00:23:09,760

going at it I'm Stan de la brewing right

534

00:23:45,750 --> 00:23:42,490

542

00:24:10,770 --> 00:24:08,380

have a Super Bowl coming up here this

543

00:24:13,680 --> 00:24:10,780

weekend it's the New England Patriots of

544

00:24:16,710 --> 00:24:13,690

which we are part of the nation playing

545

00:24:19,020 --> 00:24:16,720

the Philadelphia Eagles as a lot of

546

00:24:22,920 --> 00:24:19,030

people call them the filthy feet legals

547

00:24:24,300 --> 00:24:22,930

yeah a lot of people say that the Eagles

548

00:24:26,370 --> 00:24:24,310

don't have a shot against the Patriots

549

00:24:28,050 --> 00:24:26,380

because the the pages they never do

550

00:24:30,300 --> 00:24:28,060

anything wrong they never do anything

551
00:24:31,800 --> 00:24:30,310
wrong you know Tom Brady he's not only

552
00:24:33,990 --> 00:24:31,810
the best pass somebody knows how I catch

553
00:24:36,150 --> 00:24:34,000
a pass right if he has to is the

554
00:24:38,610 --> 00:24:36,160
greatest of all time everybody is you

555
00:24:42,120 --> 00:24:38,620
know on board they really are come VI so

556
00:24:43,530 --> 00:24:42,130
can you tell us well first of all what

557
00:24:48,420 --> 00:24:43,540
do you think of the Patriots this season

558
00:24:51,660 --> 00:24:48,430
they had all right I think the season

559
00:24:55,530 --> 00:24:51,670
went great but I really in knowing ahead

560
00:24:58,830 --> 00:24:55,540
of time I'm calling you from like 400

561
00:25:01,080 --> 00:24:58,840
years ago so I know these results I'm

562
00:25:04,410 --> 00:25:01,090
glad I got you I just want you to know I

563
00:25:08,820 --> 00:25:04,420

know the Patriots had a great season but

564

00:25:12,240 --> 00:25:08,830

the Philadelphia Eagles the Patriots

565

00:25:14,580 --> 00:25:12,250

can't beat them what come on Tara that's

566

00:25:17,520 --> 00:25:14,590

this is blasphemy no are you saying fly

567

00:25:22,800 --> 00:25:20,940

like the song American song okay alright

568

00:25:28,470 --> 00:25:22,810

so are you saying that beagle is gonna

569

00:25:30,210 --> 00:25:28,480

win the Super Bowl I know it's a good

570

00:25:31,530 --> 00:25:30,220

thing you have 44 light-years away bad

571

00:25:33,360 --> 00:25:31,540

because they probably wouldn't make it

572

00:25:35,610 --> 00:25:33,370

and walking around and this about a

573

00:25:36,480 --> 00:25:35,620

little neighborhood yeah all right so

574

00:25:38,340 --> 00:25:36,490

you pick in Philly

575

00:25:43,820 --> 00:25:38,350

I mean why Philly what do you like that

576

00:25:47,550 --> 00:25:43,830

Coach well Doug Peterson let's just say

577

00:25:57,050 --> 00:25:47,560

when it comes to football he is like the

578

00:26:06,560 --> 00:26:01,260

step the aliens why did you say you had

579

00:26:15,870 --> 00:26:09,990

Wow Doug Peterson mobile hobo Peterson

580

00:26:18,360 --> 00:26:15,880

good name for a band so so what about

581

00:26:23,450 --> 00:26:18,370

the what about the quarterback of of the

582

00:26:30,030 --> 00:26:25,800

I guess that's what his friends call him

583

00:26:34,830 --> 00:26:30,040

yeah oh my goodness so what's your

584

00:26:38,190 --> 00:26:34,840

particulars a pack of quarter let's just

585

00:26:41,960 --> 00:26:38,200

say Nick full has a physique that is out

586

00:26:43,230 --> 00:26:41,970

of this world or any other world okay

587

00:26:46,440 --> 00:26:43,240

interesting

588

00:26:48,830 --> 00:26:46,450

okay he is going to totally blow your

589

00:26:51,570 --> 00:26:48,840

mind in the future after this win I

590

00:26:52,680 --> 00:26:51,580

can't believe that but you know if

591

00:26:54,330 --> 00:26:52,690

you're calling it from four to four

592

00:26:56,730 --> 00:26:54,340

light-years away you probably know more

593

00:27:02,130 --> 00:26:56,740

than us if Nick Foles married oh my gosh

594

00:27:04,680 --> 00:27:02,140

yes Nick Foles is not a kid - okay I'm

595

00:27:07,680 --> 00:27:04,690

sorry yes his wife is the most beautiful

596

00:27:11,430 --> 00:27:07,690

creature in the galaxy she's also

597

00:27:16,650 --> 00:27:11,440

absolutely fabulous fabulous and Tom

598

00:27:18,900 --> 00:27:16,660

Brady's wife oh that's the top line yeah

599

00:27:21,090 --> 00:27:18,910

okay I've contemplated this for a

600

00:27:23,370 --> 00:27:21,100

century and she does have a long neck

601
00:27:26,830 --> 00:27:23,380
and big eyes and would fit right in our

602
00:27:30,560 --> 00:27:29,210
about Tom Brady's sister-in-law you're a

603
00:27:32,330 --> 00:27:30,570
lot of nice things about I'm gonna say

604
00:27:34,040 --> 00:27:32,340
yeah yeah she better than you know

605
00:27:37,880 --> 00:27:34,050
Giselle's sister obviously Giselle

606
00:27:41,270 --> 00:27:37,890
sister their turmeric uh not on the

607
00:27:45,680 --> 00:27:41,280
record okay alright well that sounds

608
00:27:47,360 --> 00:27:45,690
intriguing yeah you know like I'm not I

609
00:27:48,230 --> 00:27:47,370
got a sub like you're kind of viewing is

610
00:27:50,480 --> 00:27:48,240
that what you're talking about

611
00:27:53,930 --> 00:27:50,490
yeah I kind of like a viewing oh wow

612
00:27:59,560 --> 00:27:53,940
okay so what he was she was like being

613
00:28:03,410 --> 00:28:02,870

not beholden to earth law I can just

614

00:28:08,780 --> 00:28:03,420

admit it

615

00:28:10,640 --> 00:28:08,790

yeah peeping in look him in yeah okay

616

00:28:13,760 --> 00:28:10,650

et peep show that should be another band

617

00:28:17,840 --> 00:28:13,770

like that one down yeah okay alright

618

00:28:23,120 --> 00:28:17,850

okay the alien seems to be anyway a

619

00:28:24,650 --> 00:28:23,130

little huffy they only show Tarek so

620

00:28:31,340 --> 00:28:24,660

listed us want to predict the score

621

00:28:33,320 --> 00:28:31,350

there Tarek I will predict or I will

622

00:28:34,520 --> 00:28:33,330

predict the score and I know the score

623

00:28:38,150 --> 00:28:34,530

so it's not a prediction it's an

624

00:28:42,320 --> 00:28:38,160

absolute okay the Philadelphia Eagles

625

00:28:45,950 --> 00:28:42,330

are going to be New England Patriots 41

626

00:28:48,080 --> 00:28:45,960

to 33 it'll be closed no but no they

627

00:28:50,240 --> 00:28:48,090

will not the Patriots will not win I am

628

00:28:52,190 --> 00:28:50,250

sorry oh well that's not what we want to

629

00:29:06,610 --> 00:28:52,200

hear and we're gonna have to have you on

630

00:29:11,570 --> 00:29:10,010

so thank you Tareq for calling in 44

631

00:29:12,980 --> 00:29:11,580

light-years away and as I said we'll

632

00:29:15,260 --> 00:29:12,990

have you on in a couple of weeks after

633

00:29:18,170 --> 00:29:15,270

we get through potting for the Patriots

634

00:29:21,770 --> 00:29:18,180

win six Super Bowl win one for the other

635

00:29:28,580 --> 00:29:21,780

thumb and we can tell you how wrong you

636

00:29:29,240 --> 00:29:28,590

are okay let's see all right I know he's

637

00:29:31,820 --> 00:29:29,250

right thank you

638

00:29:33,320 --> 00:29:31,830

- and out there you talk about Tom Brady

639

00:29:34,700 --> 00:29:33,330

like that in front of Juan Juan

640

00:29:36,170 --> 00:29:34,710

you know how sensitive he's just trying

641

00:29:38,240 --> 00:29:36,180

to get me he's trying to get details

642

00:29:40,070 --> 00:29:38,250

right yeah okay I'm trying to cut to the

643

00:29:43,909 --> 00:29:40,080

core of one one oh boy

644

00:29:45,500 --> 00:29:43,919

get-along jour anything my friend say

645

00:29:47,060 --> 00:29:45,510

the translator button has just is

646

00:29:48,889 --> 00:29:47,070

malfunction so we have to go

647

00:29:55,730 --> 00:29:48,899

649

00:29:59,060 --> 00:29:57,090

what's the matter with that guy you know

650

00:30:00,980 --> 00:29:59,070

an alien you think he'd know more that's

651
00:30:02,779 --> 00:30:00,990
your chance to pick that yeah you don't

652
00:30:04,759 --> 00:30:02,789
know jack is right you know jack lives

653
00:30:06,169 --> 00:30:04,769
in Philly right correctly that's right

654
00:30:08,029 --> 00:30:06,179
so why don't we do this why don't y'all

655
00:30:10,310 --> 00:30:08,039
come down from laughing at Eric's

656
00:30:12,139 --> 00:30:10,320

in a very you know troubled show I'd say

708

00:32:29,960 --> 00:32:27,690

you know what I gather that yet afiyah

709

00:32:32,990 --> 00:32:29,970

and we're trying our best to get over it

710

00:32:36,680 --> 00:32:33,000

but you know we'll see frankly I'm over

711

00:32:39,380 --> 00:32:36,690

it you know I'm always amazing I'm not

712

00:32:42,980 --> 00:32:39,390

over it but I'm getting through it okay

713

00:32:44,900 --> 00:32:42,990

even through the morass of I told you I

714

00:32:48,200 --> 00:32:44,910

want a square and that kind of soothe

715

00:32:49,760 --> 00:32:48,210

let's see that's good yeah so bill

716

00:32:53,150 --> 00:32:49,770

717

00:32:55,190 --> 00:32:53,160

Pennsylvania you a yeah Eagles fan well

718

00:32:57,110 --> 00:32:55,200

as I've told you before I'm virtually

719

00:32:59,150 --> 00:32:57,120

sports illiterate but I did feel

720

00:33:02,000 --> 00:32:59,160

obligated to root for the Eagles and I

721

00:33:04,640 --> 00:33:02,010

did watch the game and I guess I'm in

722

00:33:06,200 --> 00:33:04,650

the minority tonight well you out did

723

00:33:14,210 --> 00:33:06,210

you so you didn't go out and burn cars

724

00:33:16,610 --> 00:33:14,220

and overturn celebrating the first

725

00:33:18,980 --> 00:33:16,620

championship in so many years and they

726

00:33:21,050 --> 00:33:18,990

never they so knew trouble was coming

727

00:33:28,130 --> 00:33:21,060

because we retired earlier they went

728

00:33:29,420 --> 00:33:28,140

like booed Santa Claus and they knew

729

00:33:30,860 --> 00:33:29,430

there was the cops knew in advance

730

00:33:32,720 --> 00:33:30,870

there's gonna be trouble so they greased

731

00:33:35,390 --> 00:33:32,730

all the poles down town so people

732

00:33:36,800 --> 00:33:35,400

wouldn't climb up the poles they knew

733

00:33:38,510 --> 00:33:36,810

something like this was coming but then

734

00:33:39,770 --> 00:33:38,520

you know it still didn't people kids

735

00:33:41,630 --> 00:33:39,780

were jumping off the poles

736

00:33:43,160 --> 00:33:41,640

oh the Philippines found something else

737

00:33:44,630 --> 00:33:43,170

to do you know some note the burrito

738

00:33:47,140 --> 00:33:44,640

with the iron you know but it's a first

739

00:33:50,890 --> 00:33:47,150

championship since what the Phillies in

740

00:33:53,210 --> 00:33:50,900

oh wait was it yeah they lost

741

00:33:55,490 --> 00:33:53,220

there'd be nothing like wasteland the

742

00:33:57,080 --> 00:33:55,500

city of brotherly shove right but it's

743

00:34:00,020 --> 00:33:57,090

the first time he goes above one right

744

00:34:01,580 --> 00:34:00,030

yeah well you know I'd like to say good

745

00:34:03,980 --> 00:34:01,590

for you but I don't like any people then

746

00:34:05,690 --> 00:34:03,990

they're they really jerks I didn't

747

00:34:06,990 --> 00:34:05,700

really have it all negative opinion

748

00:34:08,760 --> 00:34:07,000

towards either

749

00:34:11,669 --> 00:34:08,770

the fans you know I heard all about it

750

00:34:14,369 --> 00:34:11,679

but you know I couldn't find anything

751

00:34:15,780 --> 00:34:14,379

like our hatred for the Yankees I didn't

752

00:34:17,940 --> 00:34:15,790

I just didn't have a it's another show

753

00:34:20,250 --> 00:34:17,950

and a motion against Philly fans or

754

00:34:26,480 --> 00:34:20,260

Philly radio this is a WIP for a while

755

00:34:33,060 --> 00:34:26,490

now you do it's they beat you they beat

756

00:34:56,369 --> 00:34:33,070

the Patriots themselves beaten on the

757

00:34:57,930 --> 00:34:56,379

way they do they help us well I do want

758

00:35:03,570 --> 00:34:57,940

to tell you fellas that I have a new

759

00:35:06,510 --> 00:35:03,580

book that came out recently the title of

760

00:35:08,700 --> 00:35:06,520

the book is the secret language of

761

00:35:11,810 --> 00:35:08,710

spirit understanding spirit

762

00:35:14,750 --> 00:35:11,820

communication in our everyday lives and

763

00:35:20,760 --> 00:35:14,760

it's a book that I really wrote as a

764

00:35:23,850 --> 00:35:20,770

primer for the layperson to give them a

765

00:35:26,100 --> 00:35:23,860

heads up about some of the signs and

766

00:35:29,160 --> 00:35:26,110

symbols and signals that may be

767

00:35:31,860 --> 00:35:29,170

manifesting around us that the average

768

00:35:33,750 --> 00:35:31,870

person might brush off as coincidence or

769

00:35:36,600 --> 00:35:33,760

maybe to distract it to even notice

770

00:35:37,890 --> 00:35:36,610

right and I'm really I'm pleased with it

771

00:35:40,560 --> 00:35:37,900

I think it's one of the better things

772

00:35:43,050 --> 00:35:40,570

that I've ever written that's great and

773

00:35:44,580 --> 00:35:43,060

we should tell people that what you do

774

00:35:46,470 --> 00:35:44,590

once you explain to people what you do

775

00:35:50,100 --> 00:35:46,480

as far as the spirit world and no

776

00:35:54,600 --> 00:35:50,110

psychic ability well this is my 14th

777

00:35:56,850 --> 00:35:54,610

year of doing this professionally and I

778

00:36:00,240 --> 00:35:56,860

only started when I was 40 years old so

779

00:36:03,380 --> 00:36:00,250

I was a late bloomer but I had a long

780

00:36:06,230 --> 00:36:03,390

history of very strange unusual

781

00:36:09,300 --> 00:36:06,240

experiences and some of it not very nice

782

00:36:12,690 --> 00:36:09,310

particularly when I was younger and I

783

00:36:16,920 --> 00:36:12,700

said sorry Mac I suppress all of that

784

00:36:20,520 --> 00:36:16,930

and then when I was in my late 30s I

785

00:36:23,670 --> 00:36:20,530

decided that I wanted to reclaim

786

00:36:28,770 --> 00:36:23,680

that sensitivity that I had as a child

787

00:36:30,180 --> 00:36:28,780

and reclaim it I did and as soon as I

788

00:36:31,500 --> 00:36:30,190

made that commitment

789

00:36:33,990 --> 00:36:31,510

everything just shot through the roof

790

00:36:36,960 --> 00:36:34,000

and I made up for dick I made up for

791

00:36:38,790 --> 00:36:36,970

decades in about three months and that

792

00:36:40,530 --> 00:36:38,800

that's when I began doing the work

793

00:36:43,350 --> 00:36:40,540

professionally and I love what I do and

794

00:36:46,320 --> 00:36:43,360

I was actually inspired to write this

795

00:36:49,490 --> 00:36:46,330

book after having gone to the movies and

796

00:36:53,940 --> 00:36:49,500

I saw I saw a film called arrival and

797

00:36:56,190 --> 00:36:53,950

maybe you thought great yeah I enjoyed

798

00:36:58,590 --> 00:36:56,200

it very much but you know for people who

799

00:37:01,020 --> 00:36:58,600

haven't seen it it's basically about a

800

00:37:06,830 --> 00:37:01,030

college professor who's a linguist and

801

00:37:10,380 --> 00:37:06,840

she specializes in decoding obscure

802

00:37:15,470 --> 00:37:10,390

languages and she's she's tapped by the

803

00:37:17,850 --> 00:37:15,480

US Army to help to decipher

804

00:37:19,740 --> 00:37:17,860

extraterrestrial communication it's

805

00:37:23,670 --> 00:37:19,750

coming through in a way that's very

806

00:37:25,860 --> 00:37:23,680

cryptic and very iconic and I thought it

807

00:37:27,780 --> 00:37:25,870

was fascinating and very well done and I

808

00:37:29,970 --> 00:37:27,790

highly recommend it but as I'm sitting

809

00:37:34,140 --> 00:37:29,980

there watching it I'm thinking to myself

810

00:37:37,860 --> 00:37:34,150

wow I do something very similar to that

811

00:37:43,620 --> 00:37:37,870

my I'm a linguist also in that my job is

812

00:37:47,070 --> 00:37:43,630

to take a foreign language and translate

813

00:37:49,590 --> 00:37:47,080

that and put it into words for people

814

00:37:51,360 --> 00:37:49,600

who are not yet as fluent as I am right

815

00:37:54,810 --> 00:37:51,370

and it is a language that is very

816

00:37:57,150 --> 00:37:54,820

cryptic and iconic and symbolic

817

00:37:59,340 --> 00:37:57,160

so it takes some take some finessing to

818

00:38:04,770 --> 00:37:59,350

get the hang of so those words where do

819

00:38:07,730 --> 00:38:04,780

they come to you from well I am very

820

00:38:13,340 --> 00:38:07,740

fortunate in that they come to me

821

00:38:16,490 --> 00:38:13,350

through a number of ways so when I am

822

00:38:20,130 --> 00:38:16,500

turned on and tuned in yes

823

00:38:23,010 --> 00:38:20,140

spirit is playing off of my personal

824

00:38:26,970 --> 00:38:23,020

physiology my senses my emotions and my

825

00:38:31,470 --> 00:38:26,980

memories by sending me mental pictures

826

00:38:34,240 --> 00:38:31,480

movies words phrases names they may make

827

00:38:36,220 --> 00:38:34,250

me feel something physically

828

00:38:40,600 --> 00:38:36,230

they make me smell here or taste

829

00:38:43,270 --> 00:38:40,610

something and in all the years I've been

830

00:38:45,160 --> 00:38:43,280

doing this I have learned you don't hold

831

00:38:46,720 --> 00:38:45,170

back on anything no matter how strange

832

00:38:50,530 --> 00:38:46,730

or far-out it looks to you you've got to

833

00:38:54,070 --> 00:38:50,540

say what you see and it's it's something

834

00:38:57,430 --> 00:38:54,080

that I find personally fascinating it's

835

00:39:00,360 --> 00:38:57,440

never dull and it's very intriguing so I

836

00:39:03,790 --> 00:39:00,370

wanted to put the best of what I know

837

00:39:07,570 --> 00:39:03,800

into this book for people who are also

838

00:39:10,300 --> 00:39:07,580

curious and fascinated as I am how long

839

00:39:13,990 --> 00:39:10,310

did it take you to write the book the

840

00:39:17,160 --> 00:39:14,000

book came together very very quickly in

841

00:39:19,990 --> 00:39:17,170

fact I think we were talking about it

842

00:39:22,360 --> 00:39:20,000

last time it happened over the summer it

843

00:39:24,760 --> 00:39:22,370

virtually wrote itself and I think less

844

00:39:26,800 --> 00:39:24,770

than a month and within a couple of

845

00:39:28,900 --> 00:39:26,810

weeks I had sold it and I was very

846

00:39:32,850 --> 00:39:28,910

surprised the publisher publisher said

847

00:39:35,080 --> 00:39:32,860

we want to put it on our fall schedule

848

00:39:38,170 --> 00:39:35,090

so it happened very close even out a

849

00:39:39,670 --> 00:39:38,180

couple of months ok yeah it's you know I

850

00:39:41,410 --> 00:39:39,680

mean when it happens quick sometimes

851
00:39:42,790 --> 00:39:41,420
that's a very good sign you know what I

852
00:39:44,860 --> 00:39:42,800
mean if it just kind of flowed out

853
00:39:46,360 --> 00:39:44,870
instead of laboring over something I

854
00:39:48,610 --> 00:39:46,370
mock you how long did it take came

855
00:39:50,380 --> 00:39:48,620
through a spirit I just I like to take

856
00:39:52,690 --> 00:39:50,390
you to write the yeah sorry what that's

857
00:39:55,150 --> 00:39:52,700
right I wanted to take you to write be

858
00:39:56,530 --> 00:39:55,160
last it was about a year and a half I

859
00:39:57,430 --> 00:39:56,540
took a couple months off of mine just to

860
00:39:59,260 --> 00:39:57,440
regain my sanity

861
00:40:00,850 --> 00:39:59,270
wasn't it a pain in the ass I mean

862
00:40:02,470 --> 00:40:00,860
seriously it wasn't just like writing

863
00:40:04,030 --> 00:40:02,480

the longest term paper ever and your

864

00:40:05,650 --> 00:40:04,040

wife feels incredibly painstaking I

865

00:40:07,600 --> 00:40:05,660

don't recommend anyone doing I don't it

866

00:40:08,500 --> 00:40:07,610

really and a lot of people say you know

867

00:40:09,790 --> 00:40:08,510

come on what are you doing you're

868

00:40:12,610 --> 00:40:09,800

sitting around you're typing you know

869

00:40:18,960 --> 00:40:12,620

it's just a pain in the neck anyway you

870

00:40:21,640 --> 00:40:18,970

agree they bill no bill

871

00:40:24,460 --> 00:40:21,650

illiterate people when it comes to the

872

00:40:26,710 --> 00:40:24,470

game of football this Friday from the

873

00:40:28,940 --> 00:40:26,720

visionary director of ex machina it's

874

00:40:30,710 --> 00:40:28,950

expanding destroy

875

00:40:32,740 --> 00:40:30,720

it's not destroying it's making

876

00:40:35,480 --> 00:40:32,750

something new critics are calling

877

00:40:39,230 --> 00:40:35,490

annihilation a thrilling remarkable

878

00:40:41,690 --> 00:40:39,240

vision permutations everywhere brilliant

879

00:40:44,150 --> 00:40:41,700

and provocative it will be hailed as a

880

00:40:47,569 --> 00:40:44,160

masterpiece the tech blood last night

881

00:40:50,480 --> 00:40:47,579

it's a metal beep ordinary this is how

882

00:40:52,760 --> 00:40:50,490

extinction begins annihilation where did

883

00:40:54,020 --> 00:40:52,770

our under-17 do with that parent it

884

00:41:00,109 --> 00:40:54,030

sounds like you scored a touchdown

885

00:41:01,790 --> 00:41:00,119

oh wait well listen I have a story to

886

00:41:04,609 --> 00:41:01,800

tell you if you have time okay sure I

887

00:41:06,650 --> 00:41:04,619

just want to ask in in them arrival what

888

00:41:08,839 --> 00:41:06,660

and I recommend it too it's a it's a

889

00:41:10,130 --> 00:41:08,849

very adult science fiction movie okay

890

00:41:11,750 --> 00:41:10,140

and it's one of those movies you should

891

00:41:15,290 --> 00:41:11,760

probably go back and see it twice too

892

00:41:16,940 --> 00:41:15,300

cunning get the whole yeah you know and

893

00:41:18,829 --> 00:41:16,950

the woman who plays the college

894

00:41:21,200 --> 00:41:18,839

professor what's her name she's in a lot

895

00:41:24,890 --> 00:41:21,210

of that shot redhead she's in Superman

896

00:41:27,290 --> 00:41:24,900

all the time Amy Adam Amy Adams you know

897

00:41:29,270 --> 00:41:27,300

and I can't tell you something you know

898

00:41:30,740 --> 00:41:29,280

when she's on the screen they say you

899

00:41:32,150 --> 00:41:30,750

know you can't take your eyes off of

900

00:41:33,790 --> 00:41:32,160

someone you know and that's when you

901
00:41:35,720 --> 00:41:33,800
know that's a movie a real movie star

902
00:41:40,130 --> 00:41:35,730
she's it you can't take your eyes off

903
00:41:40,790 --> 00:41:40,140
she's she's really hot yes anyway and a

904
00:41:44,180 --> 00:41:40,800
good actress

905
00:41:46,250 --> 00:41:44,190
so please bill tell us a story yes so

906
00:41:48,920 --> 00:41:46,260
one of the chapters in the book is about

907
00:41:53,420 --> 00:41:48,930
the significance of trees and things

908
00:41:56,180 --> 00:41:53,430
that manifest in threes and one of the

909
00:41:59,630 --> 00:41:56,190
things that I have learned in doing the

910
00:42:02,120 --> 00:41:59,640
work that I do is and it's really

911
00:42:04,190 --> 00:42:02,130
interesting when I have an event planned

912
00:42:10,220 --> 00:42:04,200
in which I'll be standing in front of an

913
00:42:14,030 --> 00:42:10,230

audience usually about 24 to 48 hours in

914

00:42:19,220 --> 00:42:14,040

advance of the event someone will start

915

00:42:21,650 --> 00:42:19,230

working on me and so one of the things

916

00:42:23,359 --> 00:42:21,660

that I try to do believe it or not prior

917

00:42:25,400 --> 00:42:23,369

to an event is I try to get to an

918

00:42:29,120 --> 00:42:25,410

antique store or an antique mall and

919

00:42:31,640 --> 00:42:29,130

walk around just to see if my attention

920

00:42:33,680 --> 00:42:31,650

gets distracted to any anything in

921

00:42:37,130 --> 00:42:33,690

particular because I'll tuck that away

922

00:42:39,109 --> 00:42:37,140

for future reference so the day before

923

00:42:41,000 --> 00:42:39,119

this event that I was planning on going

924

00:42:42,920 --> 00:42:41,010

to and this ties in with the concept of

925

00:42:44,569 --> 00:42:42,930

threes that

926
00:42:49,220 --> 00:42:44,579
morning like it was surfing the internet

927
00:42:51,890 --> 00:42:49,230
and a picture popped up of Lindsay

928
00:42:54,620 --> 00:42:51,900
Wagner as the Bionic Woman you fellas

929
00:42:57,740 --> 00:42:54,630
remember her in that role from you know

930
00:42:59,240 --> 00:42:57,750
40 some years ago now right and and I

931
00:43:01,880 --> 00:42:59,250
thought you know well that reminded me

932
00:43:04,220 --> 00:43:01,890
of you know younger days also and I

933
00:43:05,809 --> 00:43:04,230
thought that was interesting and then so

934
00:43:09,440 --> 00:43:05,819
when I go to this antique mall I'm

935
00:43:14,390 --> 00:43:09,450
walking around and my attention gets

936
00:43:16,339 --> 00:43:14,400
drawn to a display case and in the

937
00:43:20,299 --> 00:43:16,349
bottom of the display case mint in the

938
00:43:23,540 --> 00:43:20,309

original box is Lindsay Wagner as Jaime

939

00:43:26,299 --> 00:43:23,550

Sommers the Bionic Woman no doll oh man

940

00:43:29,359 --> 00:43:26,309

did you buy it no you know 40-some years

941

00:43:30,770 --> 00:43:29,369

ago mint in the original box and that

942

00:43:32,540 --> 00:43:30,780

kind of stuck with me and then it

943

00:43:35,660 --> 00:43:32,550

reminded me that I had seen her picture

944

00:43:37,670 --> 00:43:35,670

earlier that morning so the following

945

00:43:39,020 --> 00:43:37,680

morning I'm getting ready for the event

946

00:43:42,020 --> 00:43:39,030

and again I'm kind of surfing the

947

00:43:44,630 --> 00:43:42,030

internet and the same darn picture that

948

00:43:47,539 --> 00:43:44,640

I had seen the day before is on another

949

00:43:49,730 --> 00:43:47,549

site a different site now you know stuff

950

00:43:51,890 --> 00:43:49,740

connected to the Bionic Woman you know

951
00:43:56,210 --> 00:43:51,900
that's nothing contemporary or recent

952
00:43:58,160 --> 00:43:56,220
you know decades ago it does seem like a

953
00:44:01,190 --> 00:43:58,170
light breeze a lot you know it just

954
00:44:04,370 --> 00:44:01,200
seems that way yeah I agree I thought if

955
00:44:07,339 --> 00:44:04,380
somebody trying to get me to say the

956
00:44:09,559 --> 00:44:07,349
name Lindsay or something connected to

957
00:44:12,559 --> 00:44:09,569
the Bionic Woman and then I was also

958
00:44:15,260 --> 00:44:12,569
being shown mentally little pink ribbon

959
00:44:19,549 --> 00:44:15,270
which is you know obviously breast

960
00:44:21,349 --> 00:44:19,559
cancer okay so I thought okay because

961
00:44:24,200 --> 00:44:21,359
they do this for me every time that's

962
00:44:26,690 --> 00:44:24,210
how I know where to start the show so I

963
00:44:28,490 --> 00:44:26,700

step out in front of the audience and I

964

00:44:30,170 --> 00:44:28,500

say I tell them the story I just told

965

00:44:32,109 --> 00:44:30,180

you I say you know so this is where I

966

00:44:33,890 --> 00:44:32,119

need to start I say I don't know if

967

00:44:35,870 --> 00:44:33,900

somebody's trying to get me to say

968

00:44:38,299 --> 00:44:35,880

Lindsay or the name Wagner or there's

969

00:44:39,770 --> 00:44:38,309

something connected to Bionic Woman but

970

00:44:41,990 --> 00:44:39,780

there's a there's a breast cancer

971

00:44:44,359 --> 00:44:42,000

connection here also nobody claimed it

972

00:44:47,210 --> 00:44:44,369

and finally this gal raises her hand and

973

00:44:49,220 --> 00:44:47,220

she says do you think it could be the

974

00:44:52,250 --> 00:44:49,230

name of the character that Lindsay

975

00:44:54,289 --> 00:44:52,260

Wagner played and I said well I'll you

976
00:44:56,900 --> 00:44:54,299
know I'll go with that she says well my

977
00:44:59,930 --> 00:44:56,910
sister's name was Jamie she

978
00:45:04,100 --> 00:44:59,940
passed with breast cancer and the bionic

979
00:45:06,920 --> 00:45:04,110
woman was her favorite show Wow Wow

980
00:45:10,070 --> 00:45:06,930
what happens to you I know what oh I

981
00:45:15,280 --> 00:45:10,080
mean no one I'm sorry sorry bet so once

982
00:45:18,620 --> 00:45:15,290
she made that connection and validated

983
00:45:22,280 --> 00:45:18,630
that I had the right person it was like

984
00:45:24,680 --> 00:45:22,290
a dam broke loose and her sister came

985
00:45:26,420 --> 00:45:24,690
through so loud and so clear and was

986
00:45:28,100 --> 00:45:26,430
talking about her three children she

987
00:45:30,260 --> 00:45:28,110
wasn't concerned about her boys

988
00:45:31,670 --> 00:45:30,270

her daughter was drop-dead gorgeous but

989

00:45:35,030 --> 00:45:31,680

she was very concerned that she was

990

00:45:39,110 --> 00:45:35,040

being pressured to be thin by her peers

991

00:45:41,420 --> 00:45:39,120

and she also said I tell my ex-husband I

992

00:45:45,130 --> 00:45:41,430

love him tell him I forgive him for

993

00:45:49,310 --> 00:45:45,140

having had an affair it was just amazing

994

00:45:51,230 --> 00:45:49,320

huh so what happened felt when something

995

00:45:53,720 --> 00:45:51,240

like that happens to you now first you

996

00:45:56,180 --> 00:45:53,730

had seen the 3s and then have someone

997

00:45:58,070 --> 00:45:56,190

you wanted to had some really kind of it

998

00:45:59,600 --> 00:45:58,080

almost was like someone was trying to

999

00:46:01,700 --> 00:45:59,610

tell you to talk to this person how do

1000

00:46:03,500 --> 00:46:01,710

you feel how do you feel inside when

1001

00:46:06,800 --> 00:46:03,510

something like that am I be I be not

1002

00:46:10,970 --> 00:46:06,810

creeped out bad be kind of spooky no no

1003

00:46:13,580 --> 00:46:10,980

I you know what in all this time not

1004

00:46:16,070 --> 00:46:13,590

once has it been creepy or spooky or

1005

00:46:20,180 --> 00:46:16,080

frightening at all in fact when that

1006

00:46:23,780 --> 00:46:20,190

happens it it feels exhilarating and and

1007

00:46:26,390 --> 00:46:23,790

joyful because I know it's not my

1008

00:46:29,390 --> 00:46:26,400

imagination somebody's got my back and

1009

00:46:33,170 --> 00:46:29,400

they are actively engaged in a

1010

00:46:36,350 --> 00:46:33,180

collaborative process with me and I love

1011

00:46:38,420 --> 00:46:36,360

every moment of it well you live an

1012

00:46:41,630 --> 00:46:38,430

interesting life there Franco can I ask

1013

00:46:43,750 --> 00:46:41,640

a question never dull well let me ask

1014

00:46:45,860 --> 00:46:43,760

you a question being in the

1015

00:46:47,570 --> 00:46:45,870

communications with the spirit realm

1016

00:46:50,720 --> 00:46:47,580

like some people would say even I would

1017

00:46:52,520 --> 00:46:50,730

say it you don't have any you seem to be

1018

00:46:54,610 --> 00:46:52,530

very very upbeat you always have

1019

00:46:57,170 --> 00:46:54,620

positive experiences and you're very

1020

00:47:00,020 --> 00:46:57,180

enthusiastic about what you do much of

1021

00:47:02,510 --> 00:47:00,030

experience never ever does it cross your

1022

00:47:10,500 --> 00:47:02,520

mind that you might get hooked up with

1023

00:47:15,840 --> 00:47:13,740

okay how do you do with it that's

1024

00:47:18,150 --> 00:47:15,850

absolutely happened well you know you

1025

00:47:20,400 --> 00:47:18,160

can there's a few videos of me on

1026

00:47:24,540 --> 00:47:20,410

YouTube of me actually channeling people

1027

00:47:27,650 --> 00:47:24,550

that are not very pleasant there's a

1028

00:47:31,320 --> 00:47:27,660

distinction to be made here you know I

1029

00:47:33,390 --> 00:47:31,330

aspire to be as pure and clear and clean

1030

00:47:36,210 --> 00:47:33,400

a channel as possible and it's not just

1031

00:47:37,740 --> 00:47:36,220

a mindset it's a whole lifestyle so you

1032

00:47:40,920 --> 00:47:37,750

know I don't drink or smoke I don't

1033

00:47:42,300 --> 00:47:40,930

cheat or lie or swear but that doesn't

1034

00:47:46,109 --> 00:47:42,310

mean that your loved ones in spirit

1035

00:47:49,020 --> 00:47:46,119

didn't swear and so sometimes they will

1036

00:47:51,000 --> 00:47:49,030

come through and you know they have very

1037

00:47:52,830 --> 00:47:51,010

salty language and it's very

1038

00:47:55,620 --> 00:47:52,840

embarrassing for me to do that but I

1039

00:47:57,870 --> 00:47:55,630

will allow for it within fair reason

1040

00:48:00,630 --> 00:47:57,880

because it's one of the ways that they

1041

00:48:03,630 --> 00:48:00,640

will demonstrate their personality to

1042

00:48:06,240 --> 00:48:03,640

their loved ones so if someone has

1043

00:48:09,000 --> 00:48:06,250

transitioned to the heavenly realm and

1044

00:48:12,240 --> 00:48:09,010

they got to where they are supposed to

1045

00:48:17,970 --> 00:48:12,250

be successfully they will never ever

1046

00:48:21,000 --> 00:48:17,980

curse in anger or in a way that is

1047

00:48:24,120 --> 00:48:21,010

cynical or sarcastic or degrading that's

1048

00:48:28,050 --> 00:48:24,130

not the way we operate in the heavenly

1049

00:48:30,830 --> 00:48:28,060

realm so I know that if for some reason

1050

00:48:33,270 --> 00:48:30,840

I'm picking up on somebody that is is

1051

00:48:35,480 --> 00:48:33,280

cursing and they're using it in a way

1052

00:48:39,330 --> 00:48:35,490

that's really angry and really nasty

1053

00:48:41,910 --> 00:48:39,340

then I'm dealing with a ghost mm-hmm

1054

00:48:44,370 --> 00:48:41,920

somebody who's somebody who's stuck and

1055

00:48:46,620 --> 00:48:44,380

they're stuck because they were a

1056

00:48:49,470 --> 00:48:46,630

miserable person when they were living

1057

00:48:51,270 --> 00:48:49,480

and and they're still miserable and

1058

00:48:54,690 --> 00:48:51,280

they're probably very fearful of letting

1059

00:48:57,390 --> 00:48:54,700

go okay you know I know that has

1060

00:48:58,770 --> 00:48:57,400

absolutely happened and many many times

1061

00:49:00,930 --> 00:48:58,780

so you don't think it's just any kind of

1062

00:49:05,480 --> 00:49:00,940

a satanic influence you don't want to

1063

00:49:06,810 --> 00:49:05,490

Satan's minions affecting this person

1064

00:49:10,500 --> 00:49:06,820

well

1065

00:49:14,220 --> 00:49:10,510

not affecting me personally because part

1066

00:49:16,380 --> 00:49:14,230

of that lifestyle is I devote periods of

1067

00:49:17,940 --> 00:49:16,390

time to prayer and meditation at

1068

00:49:21,359 --> 00:49:17,950

intervals throughout every day and

1069

00:49:22,830 --> 00:49:21,369

especially before I go into an event I

1070

00:49:24,720 --> 00:49:22,840

spend almost an

1071

00:49:27,090 --> 00:49:24,730

and prayer and meditation so I feel

1072

00:49:29,310 --> 00:49:27,100

you're very very well protected I bless

1073

00:49:30,810 --> 00:49:29,320

the Theatre in which I'm working and I

1074

00:49:34,020 --> 00:49:30,820

say a blessing with the audience before

1075

00:49:37,530 --> 00:49:34,030

we do anything so nothing is going to

1076

00:49:40,320 --> 00:49:37,540

affect me right but no I Iran I had

1077

00:49:45,150 --> 00:49:40,330

run-ins with all of that nasty stuff

1078

00:49:46,890 --> 00:49:45,160

when I was a kid there done that we

1079

00:49:48,510 --> 00:49:46,900

should we should probably let you know

1080

00:49:50,070 --> 00:49:48,520

that you know we are in our new studio

1081

00:49:52,410 --> 00:49:50,080

you've only been here not even two

1082

00:49:54,570 --> 00:49:52,420

months and there's a ghost in the studio

1083

00:49:57,420 --> 00:49:54,580

we're the only people in this radio

1084

00:49:58,980 --> 00:49:57,430

station WX DX exit in New Hampshire

1085

00:50:02,250 --> 00:49:58,990

we're the only people in here at night

1086

00:50:05,010 --> 00:50:02,260

and we've seen one the first week we

1087

00:50:06,720 --> 00:50:05,020

were here one one saw someone walked by

1088

00:50:08,340 --> 00:50:06,730

the door I didn't see him when he walked

1089

00:50:10,710 --> 00:50:08,350

by the door I think that one time the

1090

00:50:12,420 --> 00:50:10,720

lights went on and off right and and and

1091

00:50:13,980 --> 00:50:12,430

you know and we couldn't account for

1092

00:50:15,780 --> 00:50:13,990

this person we don't know how he got in

1093

00:50:17,400 --> 00:50:15,790

around I thought I recognized the person

1094

00:50:19,110 --> 00:50:17,410

but then I ran it by the staff here and

1095

00:50:21,180 --> 00:50:19,120

they suppose nobody don't but they did

1096

00:50:22,230 --> 00:50:21,190

say that a guy named Bob used to work at

1097

00:50:24,180 --> 00:50:22,240

this place yeah

1098

00:50:26,750 --> 00:50:24,190

and he passed away and apparently he was

1099

00:50:29,490 --> 00:50:26,760

a miserable bastard so he's you know

1100

00:50:31,050 --> 00:50:29,500

right that goes to Bob and what a

1101
00:50:32,430 --> 00:50:31,060
strange other stuff things have happened

1102
00:50:34,620 --> 00:50:32,440
I mean it's funny because when we were

1103
00:50:36,150 --> 00:50:34,630
here the next night we are the next time

1104
00:50:38,100 --> 00:50:36,160
we were doing the show and one one and I

1105
00:50:41,280 --> 00:50:38,110
they were just kind of redoing this

1106
00:50:43,530 --> 00:50:41,290
place in a little studio the one light

1107
00:50:46,170 --> 00:50:43,540
one there was one fluorescent light on

1108
00:50:49,350 --> 00:50:46,180
and there was one off right above one

1109
00:50:50,430 --> 00:50:49,360
yeah and we in you know this why is all

1110
00:50:51,570 --> 00:50:50,440
over the place and everything so there

1111
00:50:54,080 --> 00:50:51,580
was in the middle of kind of a

1112
00:50:57,390 --> 00:50:54,090
renovation and we started talking about

1113
00:51:00,180 --> 00:50:57,400

Bob the ghost that we saw like the week

1114

00:51:05,130 --> 00:51:00,190

before and the light over your head came

1115

00:51:09,060 --> 00:51:05,140

on and then we went off all day holy you

1116

00:51:15,750 --> 00:51:09,070

know crap and then it went off it was

1117

00:51:21,210 --> 00:51:15,760

like yeah I'm here and so yeah I

1118

00:51:24,960 --> 00:51:21,220

actually walked walked a radio station

1119

00:51:28,050 --> 00:51:24,970

once I was in town to be to do an event

1120

00:51:30,660 --> 00:51:28,060

and was in doing an interview with the

1121

00:51:32,340 --> 00:51:30,670

local radio station and they said well

1122

00:51:34,260 --> 00:51:32,350

you know we have a we haven't had some

1123

00:51:36,750 --> 00:51:34,270

paranormal activity here would you come

1124

00:51:39,960 --> 00:51:36,760

and walk through the bill

1125

00:51:42,390 --> 00:51:39,970

and see what you pick up and long story

1126

00:51:44,130 --> 00:51:42,400

short there was a connection to one of

1127

00:51:47,100 --> 00:51:44,140

the people that worked there and someone

1128

00:51:49,920 --> 00:51:47,110

that was deceased not far from there and

1129

00:51:52,500 --> 00:51:49,930

I the night prior has a very vivid dream

1130

00:51:56,850 --> 00:51:52,510

about how that person perished but if

1131

00:52:00,840 --> 00:51:56,860

you think about a radio station it would

1132

00:52:04,500 --> 00:52:00,850

make sense that someone who hasn't

1133

00:52:07,290 --> 00:52:04,510

transitioned to heaven would want to try

1134

00:52:11,880 --> 00:52:07,300

to get the attention of the people who

1135

00:52:13,770 --> 00:52:11,890

report the news right and that's exactly

1136

00:52:17,250 --> 00:52:13,780

what happened to this it was actually a

1137

00:52:20,160 --> 00:52:17,260

female it's kind of uncommon for women

1138

00:52:22,500 --> 00:52:20,170

to be ghosts but she had been in a car

1139

00:52:24,660 --> 00:52:22,510

with an abusive male the car flipped

1140

00:52:26,280 --> 00:52:24,670

over I was experiencing all of this in

1141

00:52:29,820 --> 00:52:26,290

my dream the night before the car filled

1142

00:52:33,120 --> 00:52:29,830

up with water they both drowned and she

1143

00:52:36,690 --> 00:52:33,130

was so concerned about her children and

1144

00:52:39,960 --> 00:52:36,700

she wanted to get to people who to tell

1145

00:52:41,280 --> 00:52:39,970

what happened well no what you said

1146

00:52:43,980 --> 00:52:41,290

something interesting there that that

1147

00:52:48,240 --> 00:52:43,990

you mean there are not a lot of female

1148

00:52:51,360 --> 00:52:48,250

ghosts on that bridge no not that I have

1149

00:52:53,010 --> 00:52:51,370

encountered because women you know I

1150

00:52:55,200 --> 00:52:53,020

don't mean to make a blanket statement

1151

00:52:57,690 --> 00:52:55,210

here about women by and large tend to be

1152

00:53:01,710 --> 00:52:57,700

more sensitive and more open and

1153

00:53:04,050 --> 00:53:01,720

accepting of a lot of what we're talking

1154

00:53:10,320 --> 00:53:04,060

about in a lot of what I do

1155

00:53:14,400 --> 00:53:10,330

men tend to be more close-minded more

1156

00:53:23,970 --> 00:53:14,410

emotionally closed off men men tend to

1157

00:53:25,770 --> 00:53:23,980

have obviously I'm at 1-1 they tend to

1158

00:53:27,210 --> 00:53:25,780

be a little more controlling a little

1159

00:53:29,160 --> 00:53:27,220

more aggressive they tend to have you

1160

00:53:32,190 --> 00:53:29,170

know some anger management issues

1161

00:53:34,800 --> 00:53:32,200

oftentimes and oh boy you'll find I've

1162

00:53:37,350 --> 00:53:34,810

encountered I got to tell you what I am

1163

00:53:41,070 --> 00:53:37,360

encountering more and more at every

1164

00:53:46,320 --> 00:53:41,080

single event I do is a very angry young

1165

00:53:48,960 --> 00:53:46,330

man who is still here is still stuck yes

1166

00:53:53,250 --> 00:53:48,970

who passed as a result of an

1167

00:53:54,599 --> 00:53:53,260

oh you know that brings me around to my

1168

00:53:56,280 --> 00:53:54,609

other question you say that now you've

1169

00:53:59,250 --> 00:53:56,290

never you've never smoked you've never

1170

00:54:00,930 --> 00:53:59,260

drank and you spend a lot of time in

1171

00:54:06,060 --> 00:54:00,940

prayer and meditation you live

1172

00:54:08,339 --> 00:54:06,070

absolutely clean life right I - to the

1173

00:54:12,000 --> 00:54:08,349

best of my ability okay do you think

1174

00:54:13,770 --> 00:54:12,010

it's waves Tom Brady you think it's too

1175

00:54:15,900 --> 00:54:13,780

late for people like me and Juan Juan to

1176

00:54:18,540 --> 00:54:15,910

go down that path is it ever too late

1177

00:54:20,849 --> 00:54:18,550

never too late never I told you I only

1178

00:54:22,589 --> 00:54:20,859

started doing this when I was 40 years

1179

00:54:26,280 --> 00:54:22,599

old I don't think I was a very nice

1180

00:54:27,780 --> 00:54:26,290

person prior to that time oh and you

1181

00:54:31,220 --> 00:54:27,790

know I'm not making I'm not making

1182

00:54:35,790 --> 00:54:31,230

excuses but you know as a result of

1183

00:54:38,130 --> 00:54:35,800

being a really sensitive kid and and

1184

00:54:40,650 --> 00:54:38,140

having some really unusual experiences I

1185

00:54:44,040 --> 00:54:40,660

was bullied almost every day for about

1186

00:54:47,070 --> 00:54:44,050

eight years of my life and I I was

1187

00:54:49,800 --> 00:54:47,080

reflecting back what other people were

1188

00:54:52,950 --> 00:54:49,810

projecting upon me so I became cynical

1189

00:54:57,810 --> 00:54:52,960

and judgmental and I became an abuser

1190

00:55:00,030 --> 00:54:57,820

also as a result of all of that and you

1191

00:55:04,109 --> 00:55:00,040

know not making excuses for my behavior

1192

00:55:06,780 --> 00:55:04,119

but I closed off that aspect of my

1193

00:55:10,260 --> 00:55:06,790

personhood that we are each blessed with

1194

00:55:14,460 --> 00:55:10,270

and that is our spiritual capacity to to

1195

00:55:16,620 --> 00:55:14,470

serve others and to to be gifted you

1196

00:55:18,720 --> 00:55:16,630

know you may not be intended to do what

1197

00:55:21,570 --> 00:55:18,730

I do but that doesn't preclude you from

1198

00:55:23,820 --> 00:55:21,580

tapping into your spiritual gifts and

1199

00:55:27,950 --> 00:55:23,830

talents and I can tell you right now Mac

1200

00:55:31,320 --> 00:55:27,960

one of them is to be persuasive and

1201
00:55:34,320 --> 00:55:31,330
effective communicator so in essence you

1202
00:55:36,000 --> 00:55:34,330
are doing what you are have you know I

1203
00:55:37,560 --> 00:55:36,010
hate to ask this question for the Lord's

1204
00:55:38,760 --> 00:55:37,570
work - have you ever had a couple drinks

1205
00:55:40,680 --> 00:55:38,770
have you ever I have you ever

1206
00:55:42,480 --> 00:55:40,690
experienced you know being in the buzz

1207
00:55:46,380 --> 00:55:42,490
and alcohol or do you know what it's

1208
00:55:48,660 --> 00:55:46,390
like sure okay all right we've talked

1209
00:55:50,280 --> 00:55:48,670
before we've talked at length before

1210
00:55:52,829 --> 00:55:50,290
you'll remember I have never touched

1211
00:55:55,320 --> 00:55:52,839
marijuana I wouldn't know what it was if

1212
00:55:57,030 --> 00:55:55,330
I fell over it I talked about it's the

1213
00:55:58,920 --> 00:55:57,040

thing to smell I would have no clue of

1214

00:56:00,810 --> 00:55:58,930

what that was I've never touched an

1215

00:56:02,880 --> 00:56:00,820

illegal substance yes I know what it

1216

00:56:05,220 --> 00:56:02,890

feels like to be drunk

1217

00:56:06,600 --> 00:56:05,230

and I've taken a few hits of a cigarette

1218

00:56:10,080 --> 00:56:06,610

but that's about it

1219

00:56:11,250 --> 00:56:10,090

yeah okay all right so what maybe told

1220

00:56:12,870 --> 00:56:11,260

you there was another member of the non

1221

00:56:14,490 --> 00:56:12,880

marijuana as well say maybe he was done

1222

00:56:17,100 --> 00:56:14,500

in Philly Bremen Kasim you know break

1223

00:56:19,260 --> 00:56:17,110

him into Macy's you know Bill Bell is so

1224

00:56:21,990 --> 00:56:19,270

fantastically right bill I'm married to

1225

00:56:24,000 --> 00:56:22,000

a woman who when I first hung out with

1226

00:56:27,240 --> 00:56:24,010

her did the Ouija board and her mother

1227

00:56:29,670 --> 00:56:27,250

was your first date you went was saying

1228

00:56:32,060 --> 00:56:29,680

I went to a seance admit she does

1229

00:56:34,170 --> 00:56:32,070

automatic writing and all this stuff

1230

00:56:35,490 --> 00:56:34,180

before you tell looked at one it just

1231

00:56:37,380 --> 00:56:35,500

went like this

1232

00:56:39,770 --> 00:56:37,390

and she's a religious person too it's

1233

00:56:42,600 --> 00:56:39,780

radio but it was beautiful yeah like so

1234

00:56:43,740 --> 00:56:42,610

you can be religious a lot of religious

1235

00:56:46,170 --> 00:56:43,750

people say don't know you can't be

1236

00:56:48,870 --> 00:56:46,180

dabbling in the spirit world as always

1237

00:56:50,580 --> 00:56:48,880

trouble right and you think you're

1238

00:56:53,370 --> 00:56:50,590

dabbling with somebody who no and it's

1239

00:56:56,130 --> 00:56:53,380

really Satan he's the you know the great

1240

00:56:57,720 --> 00:56:56,140

deceiver as they say in the Bible so if

1241

00:57:03,600 --> 00:56:57,730

you just picked up the Satan thing since

1242

00:57:07,440 --> 00:57:03,610

the Patriots losses no I agree with you

1243

00:57:11,310 --> 00:57:07,450

I think that no matter what you do you

1244

00:57:13,700 --> 00:57:11,320

have to be extremely careful and you are

1245

00:57:16,770 --> 00:57:13,710

quite correct that there are absolutely

1246

00:57:19,650 --> 00:57:16,780

negative energies out there that are

1247

00:57:21,420 --> 00:57:19,660

looking for our Achilles heel they're

1248

00:57:23,580 --> 00:57:21,430

looking for people who are very

1249

00:57:25,380 --> 00:57:23,590

vulnerable people who are struggling

1250

00:57:29,430 --> 00:57:25,390

with addiction people who are struggling

1251

00:57:32,780 --> 00:57:29,440

with mental illness that they will they

1252

00:57:35,100 --> 00:57:32,790

will target children and prey upon

1253

00:57:36,960 --> 00:57:35,110

children who are very innocent and don't

1254

00:57:40,200 --> 00:57:36,970

realize that they are empowered to say

1255

00:57:42,530 --> 00:57:40,210

no so I think you know I I think you're

1256

00:57:46,200 --> 00:57:42,540

asking for it if you just arbitrarily

1257

00:57:48,570 --> 00:57:46,210

start using a Ouija board or you start

1258

00:57:51,060 --> 00:57:48,580

dabbling in tarot or automatic writing

1259

00:57:53,340 --> 00:57:51,070

you always always have to protect

1260

00:57:57,210 --> 00:57:53,350

yourself in prayer no matter what you do

1261

00:57:59,130 --> 00:57:57,220

Wow well hey listen why not try it you

1262

00:58:00,630 --> 00:57:59,140

know what why don't we doing for my dog

1263

00:58:03,750 --> 00:58:00,640

actually try it but it's very you got to

1264

00:58:06,300 --> 00:58:03,760

be very careful and we'll see yeah just

1265

00:58:08,520 --> 00:58:06,310

for clarification what thing are you

1266

00:58:10,650 --> 00:58:08,530

recommending try it not knock at which

1267

00:58:13,710 --> 00:58:10,660

one of the many subjects no booze no

1268

00:58:15,120 --> 00:58:13,720

weed those cigarettes and then our in

1269

00:58:17,249 --> 00:58:15,130

prayer and meditation before we do the

1270

00:58:19,589 --> 00:58:17,259

show how about that

1271

00:58:22,289 --> 00:58:19,599

and that's the we well listen fellas I

1272

00:58:24,989 --> 00:58:22,299

mean I just explained what works for me

1273

00:58:27,420 --> 00:58:24,999

right and and that's what that's what I

1274

00:58:29,009 --> 00:58:27,430

feel comfortable doing for myself but

1275

00:58:31,259 --> 00:58:29,019

that doesn't mean that everyone has to

1276

00:58:33,630 --> 00:58:31,269

do that either you just kind of have to

1277

00:58:35,670 --> 00:58:33,640

you know hit hit your stride and find

1278

00:58:38,609 --> 00:58:35,680

your groove but bottom line is you know

1279

00:58:40,529 --> 00:58:38,619

oh oh reverence and humility to the

1280

00:58:41,969 --> 00:58:40,539

higher power that's where that's the

1281

00:58:44,370 --> 00:58:41,979

source of everything that's in famous

1282

00:58:46,289 --> 00:58:44,380

awesome acts of Pooler you know one and

1283

00:58:58,559 --> 00:58:46,299

one one of myself to think for a

1284

00:59:00,179 --> 00:58:58,569

meditation can do anything for us some

1285

00:59:05,929 --> 00:59:00,189

1303
00:59:54,150 --> 00:59:51,400
probably not I'm not the kind of guy

1304
00:59:57,120 --> 00:59:54,160
that that makes global predictions about

1305
00:59:58,949 --> 00:59:57,130
you know the state of politics or sports

1306
01:00:01,829 --> 00:59:58,959
or celebrities or anything like that

1307
01:00:03,749 --> 01:00:01,839

1308
01:00:05,099 --> 01:00:03,759

call in from 44 light-years away and he

1313
01:00:14,459 --> 01:00:12,009

that's a look into another world he's an

1319

01:00:36,710 --> 01:00:34,140

interesting guy

1320

01:00:38,240 --> 01:00:36,720

listen interesting life so listen was

1321

01:00:40,430 --> 01:00:38,250

really cool that you know he brought up

1322

01:00:44,210 --> 01:00:40,440

a character you're an actress model

1323

01:00:46,940 --> 01:00:44,220

right who was he me ends and it was born

1324

on my first birthday no wait hold

1325

01:00:52,600 --> 01:00:49,590

Lindsay hwang joon-kook million-dollar

1326
01:00:55,130 --> 01:00:52,610
woman that's right born June 22nd 1949

1327
01:00:56,780 --> 01:00:55,140
when we take care of our own hearts

1328
01:00:57,980 --> 01:00:56,790
we're also taking care of the people

1329
01:01:00,350 --> 01:00:57,990
closest to us

1330
01:01:02,330 --> 01:01:00,360

1339

01:01:25,880 --> 01:01:21,450

together

1340

01:01:29,780 --> 01:01:25,890

oh well that wasn't your year was 48 I

1341

01:01:34,180 --> 01:01:29,790

was born on my first birthday Wow oh I

1342

01:01:37,970 --> 01:01:36,710

absolutely major coincidence yeah III

1343

01:01:39,560 --> 01:01:37,980

gotta taste something really strange

1344

01:01:41,000 --> 01:01:39,570

just at the segments called

1345

01:01:42,350 --> 01:01:41,010

synchronicity about you know I'm talking

1346

01:01:44,420 --> 01:01:42,360

to a friend of mine down in New York

1347

01:01:46,820 --> 01:01:44,430

City okay we're doing email back and

1348

01:01:49,910 --> 01:01:46,830

forth right and we're talking about how

1349

01:01:52,670 --> 01:01:49,920

crazy Eagles fans are how crazy

1350

01:01:54,200 --> 01:01:52,680

Philadelphia fans are okay and I told

1351
01:01:56,120 --> 01:01:54,210
him that way back when you know when I

1352
01:01:58,610 --> 01:01:56,130
was doing that promo for the British

1353
01:02:01,400 --> 01:01:58,620
bands okay early 2000s I get to know

1354
01:02:02,900 --> 01:02:01,410
this DJ in Philly okay I couldn't

1355
01:02:04,760 --> 01:02:02,910
remember the guys name but we used to

1356
01:02:06,710 --> 01:02:04,770
talk a lot on the phone about music and

1357
01:02:08,180 --> 01:02:06,720
you know we're trying to get songs on

1358
01:02:10,640 --> 01:02:08,190
his show he's at the classic rock

1359
01:02:11,870 --> 01:02:10,650
station that I feel like alright and we

1360
01:02:15,560 --> 01:02:11,880
talked a little bit about sports so on

1361
01:02:17,210 --> 01:02:15,570
itself one so the Eagles were in some

1362
01:02:18,620 --> 01:02:17,220
playoff game is something this is way

1363
01:02:19,910 --> 01:02:18,630

back when and they should have won it I

1364

01:02:21,110 --> 01:02:19,920

barely remember they should have won it

1365

01:02:23,780 --> 01:02:21,120

and they blew it or something I don't

1366

01:02:27,380 --> 01:02:23,790

know this is like 2005 or something you

1367

01:02:28,760 --> 01:02:27,390

know and everyone down filler was shot

1368

01:02:30,770 --> 01:02:28,770

this guy called me in one o'clock at

1369

01:02:32,380 --> 01:02:30,780

night right and he's crying on the phone

1370

01:02:35,270 --> 01:02:32,390

he's crying

1371

01:02:37,640 --> 01:02:35,280

I'm gonna you crying yes yeah and I'm

1372

01:02:39,470 --> 01:02:37,650

like it's okay you know the world will

1373

01:02:41,570 --> 01:02:39,480

spin you know have a drink take it easy

1374

01:02:43,580 --> 01:02:41,580

don't worry they'll be back next year

1375

01:02:44,660 --> 01:02:43,590

calm him down and it was weird it was

1376

01:02:47,600 --> 01:02:44,670

strange because I didn't really know the

1377

01:02:49,340 --> 01:02:47,610

guy that much you know so and I couldn't

1378

01:02:51,110 --> 01:02:49,350

remember his name so anyway I sent that

1379

01:02:53,000 --> 01:02:51,120

last email to my friend on New York and

1380

01:02:54,890 --> 01:02:53,010

then I go and see if there's any mail so

1381

01:02:57,020 --> 01:02:54,900

it was a email from this frigging guy's

1382

01:03:00,980 --> 01:02:57,030

place his name is Joe Gigliotti Glee

1383

01:03:03,740 --> 01:03:00,990

Gigliotti ACOG's and like W you know PIH

1384

01:03:06,530 --> 01:03:03,750

or something done infinitely it wasn't

1385

01:03:07,970 --> 01:03:06,540

ten seconds later you said this email

1386

01:03:09,440 --> 01:03:07,980

but yesterday something oh this happened

1387

01:03:11,330 --> 01:03:09,450

this afternoon yeah I write back to my

1388

01:03:14,000 --> 01:03:11,340

friend I said this guy they say you know

1389

01:03:15,410 --> 01:03:14,010

this is crazy you know Eagles fan but I

1390

01:03:16,880 --> 01:03:15,420

can't remember his name you know

1391

01:03:19,130 --> 01:03:16,890

see you later bum send it to him and

1392

01:03:20,060 --> 01:03:19,140

then in my inbox is something from this

1393

01:03:22,550 --> 01:03:20,070

guy's on guys

1394

01:03:25,660 --> 01:03:22,560

I am talked I thought about that guy in

1395

01:03:31,580 --> 01:03:25,670

ten years easily artificial intelligence

1396

01:03:36,380 --> 01:03:31,590

something it was fire it we all have

1397

01:03:39,650 --> 01:03:36,390

like a an angel around us they started I

1398

01:03:42,650 --> 01:03:39,660

was the same angel my angel stuff that I

1399

01:03:48,320 --> 01:03:42,660

wouldn't want anyone to say yeah with

1400

01:03:52,850 --> 01:03:48,330

you all right and they they take shifts

1401

01:03:54,650 --> 01:03:52,860

really some have been spared yeah we

1402

01:03:56,450 --> 01:03:54,660

yeah go ahead please sometimes it might

1403

01:04:02,320 --> 01:03:56,460

be sick of you and they say look I can't

1404

01:04:08,030 --> 01:04:05,270

oh my god he made you like that Sam

1405

01:04:13,720 --> 01:04:08,040

stuff that's all I can say anyway oh I

1406

01:04:18,410 --> 01:04:16,310

what would command the Cobras guardian

1407

01:04:20,120 --> 01:04:18,420

angel would he be kind of like a wimp

1408

01:04:21,950 --> 01:04:20,130

and you know and just kind of let him do

1409

01:04:24,320 --> 01:04:21,960

anything you wanted it would he be like

1410

01:04:25,190 --> 01:04:24,330

a superhero like over superhero really

1411

01:04:28,280 --> 01:04:25,200

yeah Wow

1412

01:04:29,810 --> 01:04:28,290

me very sensitive and be slapping me

1413

01:04:32,810 --> 01:04:29,820

Celeste early on the side of the head

1414

01:04:34,790 --> 01:04:32,820

for my not eNOS oh wow just the way he

1415

01:04:37,430 --> 01:04:34,800

said naughty missus weird there

1416

with the patch I'm only sending me

1433

01:05:23,849 --> 01:05:21,089

flowers that's a bad sign actually I

1434

01:05:27,239 --> 01:05:23,859

think I'm dead I guess on the phone well

1435

01:05:30,509 --> 01:05:27,249

dead spiritually you are ready once

1436

01:05:32,190 --> 01:05:30,519

again stepping on his intro is Coco the

1437

01:05:34,589 --> 01:05:32,200

column on the speak maybe Coco filing in

1438

01:05:35,809 --> 01:05:34,599

from the undisclosed location up there

1439

01:05:38,249 --> 01:05:35,819

in the great white north

1440

01:05:40,949 --> 01:05:38,259

good evening gentlemen good evening

1441

01:05:42,630 --> 01:05:40,959

Cobra also in the studio with us tonight

1442

01:05:44,190 --> 01:05:42,640

I said previously you know you have a

1443

01:05:47,279 --> 01:05:44,200

good show when celebrities just drop in

1444

01:05:50,160 --> 01:05:47,289

on you so just like Frank Sinatra Dean

1445

01:05:52,349 --> 01:05:50,170

dropping in on Johnny Carson very famous

1446

01:05:56,699 --> 01:05:52,359

author mock it's a pool has dropped in

1447

01:05:58,650 --> 01:05:56,709

on us he's the author of the last

1448

01:06:00,209 --> 01:05:58,660

longshoreman okay that sounded like a

1449

01:06:03,959 --> 01:06:00,219

victim of the last longshoreman right

1450

01:06:05,880 --> 01:06:03,969

there a pre Whitey Bulger crime story

1451

01:06:07,170 --> 01:06:05,890

happening down there on the Boston docks

1452

01:06:10,829 --> 01:06:07,180

they only caught a bus and that hasn't

1453

01:06:12,120 --> 01:06:10,839

been gentrified yet the docks so you

1454

01:06:14,939 --> 01:06:12,130

don't want to go down there unless you

1455

01:06:16,140 --> 01:06:14,949

have a reason to and Mike gave us a

1456

01:06:17,819 --> 01:06:16,150

reason because you're having in yet

1457

01:06:19,709 --> 01:06:17,829

another book signing insulting right

1458

01:06:21,420 --> 01:06:19,719

right it's Southie right on Broadway

1459

01:06:21,870 --> 01:06:21,430

right where the last longshoreman

1460

01:06:24,059 --> 01:06:21,880

belongs

1461

01:06:26,999 --> 01:06:24,069

okay all right so we either reason a

1462

01:06:29,249 --> 01:06:27,009

Tomica okay to forget to pick us up in

1463

01:06:31,170 --> 01:06:29,259

you know drive us there Cobra or if you

1464

01:06:32,579 --> 01:06:31,180

could join us in come well on there's

1465

01:06:35,539 --> 01:06:32,589

that float your boat

1466

01:06:39,779 --> 01:06:35,549

yeah the Commonwealth recognizes my

1467

01:06:42,150 --> 01:06:39,789

rights yeah open carry didn't carry your

1468

01:06:43,739 --> 01:06:42,160

what carrying more than one gun that

1469

01:06:46,099 --> 01:06:43,749

type of thing I'm not quite sure what

1470

01:06:48,809 --> 01:06:46,109

you're trying to infer him mr. Maloney

1471

01:06:54,829 --> 01:06:48,819

as a former of weekend town he would I'd

1472

01:07:00,150 --> 01:06:57,870

play salty I'll be all the Millennials

1473

01:07:03,970 --> 01:07:00,160

in the you know will beat the hell out

1474

01:07:08,600 --> 01:07:03,980

of you with it's daddy's snowflake there

1475

01:07:11,170 --> 01:07:08,610

Oh suffocate I'm breathe Wow that's how

1476

01:07:13,600 --> 01:07:11,180

they kill eww serve you bad Marie

1477

01:07:17,060 --> 01:07:13,610

especially if it's all stop

1478

01:07:18,410 --> 01:07:17,070

anyway if you imagine mentally I'm from

1479

01:07:21,530 --> 01:07:18,420

ciao Sonia sitting in there and

1480

01:07:23,620 --> 01:07:21,540

something very short Street in Short

1481

01:07:27,860 --> 01:07:23,630

Street that's thing suicide-by-cop

1482

01:07:29,390 --> 01:07:27,870

anyway to class up the show not that

1483

01:07:30,770 --> 01:07:29,400

Mike's the pool hasn't done that enough

1484

01:07:33,020 --> 01:07:30,780

already but we're going to go to the

1485

01:07:37,640 --> 01:07:33,030

next level so on the phone with us is a

1486

01:07:41,300 --> 01:07:37,650

good buddy rush shop yeah expert in

1487

01:07:47,150 --> 01:07:41,310

everything this guy knows how you doing

1488

01:07:50,240 --> 01:07:47,160

there tonight all I can say is that you

1489

01:07:52,340 --> 01:07:50,250

know the longshoreman any any any book

1490

01:07:58,160 --> 01:07:52,350

that's gonna kinda called Butchie show

1491

01:08:01,190 --> 01:07:58,170

you know I only knew about snot that

1492

01:08:05,180 --> 01:08:01,200

from Metro wet growing in it baby

1493

01:08:06,800 --> 01:08:05,190

ringing in now might sound like Ross is

1494

01:08:09,290 --> 01:08:06,810

calling us from across the puddle as

1495

01:08:11,330 --> 01:08:09,300

they thought but it's actually calling

1496

01:08:13,490 --> 01:08:11,340

us from Metro West out of Boston and

1497

01:08:15,050 --> 01:08:13,500

asked over just said well selfie would

1498

01:08:25,160 --> 01:08:15,060

call the pond the puddle that's

1499

01:08:26,300 --> 01:08:25,170

beautiful hey dude I'm not from Delta we

1500

01:08:28,370 --> 01:08:26,310

knew it was called the pond not the

1501

01:08:34,000 --> 01:08:28,380

puddle yeah okay and you know we called

1502

01:08:36,860 --> 01:08:34,010

Chelsea yeah the little yellow puddle

1503

01:08:38,300 --> 01:08:36,870

yeah Michael I'm with the Cola spell

1504

01:08:42,740 --> 01:08:38,310

follows it slightly indistinguishable

1505

01:08:44,300 --> 01:08:42,750

bummer that's so anyway Metro West where

1506

01:08:47,059 --> 01:08:44,310

are all the rich people live Ross is

1507

01:08:50,510 --> 01:08:47,069

calling us from so thanks for joining us

1508

01:08:51,680 --> 01:08:50,520

tonight and we go with you we haven't

1509

01:08:58,010 --> 01:08:51,690

talked you in the New Year everything's

1510

01:09:00,710 --> 01:08:58,020

good with you the 100th everywhere that

1511

01:09:08,210 --> 01:09:00,720

sauce this year's really yeah happening

1512

01:09:09,950 --> 01:09:08,220

yeah okay all right interested Wow okay

1513

01:09:13,250 --> 01:09:09,960

what was it before that what was it

1514

01:09:16,220 --> 01:09:13,260

called before that two things the Royal

1515

01:09:17,459 --> 01:09:16,230

Naval Air Service and the Royal Flying

1516

01:09:22,620 --> 01:09:17,469

Corps who is been they

1517

01:09:26,130 --> 01:09:22,630

really and on the first April 1918 going

1518

01:09:28,650 --> 01:09:26,140

on a date they motivated them and made

1519

01:09:30,840 --> 01:09:28,660

in Italy Royal Air Force round that with

1520

01:09:31,769 --> 01:09:30,850

it okay yeah I gotta ask you this

1521

01:09:36,930 --> 01:09:31,779

question now we're gonna be talking

1522

01:09:39,329 --> 01:09:36,940

about this very crazy UFO a village in

1523

01:09:40,349 --> 01:09:39,339

in English there's known for so many UFO

1524

01:09:41,640 --> 01:09:40,359

sightings we're gonna be talking about

1525

01:09:42,870 --> 01:09:41,650

that in a minute but I have to ask this

1526

01:09:45,689 --> 01:09:42,880

question nothing I've ever asked it

1527

01:09:48,059 --> 01:09:45,699

before why is it the Royal Navy and the

1528

01:09:49,650 --> 01:09:48,069

Royal Air Force but not the Royal Army

1529

01:09:55,439 --> 01:09:49,660

why is it just it's all we just caught

1530

01:09:57,300 --> 01:09:55,449

the British it it's like we don't with

1531

01:09:59,490 --> 01:09:57,310

every country in the world not to put

1532

01:10:03,420 --> 01:09:59,500

our name that is a name of the country

1533

01:10:04,110 --> 01:10:03,430

on the stamps oh well we were first Yeah

1534

01:10:12,660 --> 01:10:04,120

right

1535

01:10:22,080 --> 01:10:12,670

royal air force in the Royal Swedish Air

1536

01:10:24,090 --> 01:10:22,090

Force but we don't have to put so listen

1537

01:10:29,810 --> 01:10:24,100

let's talk about this village that we

1538

01:10:35,700 --> 01:10:33,570

Murray Hill yeah yeah yeah what goes on

1539

01:10:41,640 --> 01:10:35,710

there I mean why rather Peter Gabriel

1540

01:10:45,780 --> 01:10:41,650

song well be the Winchester but you

1541

01:10:49,140 --> 01:10:45,790

don't familiar with the county is very

1542

01:10:51,630 --> 01:10:49,150

ancient it's Stonehenge

1543

01:10:53,820 --> 01:10:51,640

most people know where that is it's

1544

01:10:57,900 --> 01:10:53,830

about the world Charlie had just sort of

1545

01:11:01,680 --> 01:10:57,910

replaying and few people know of with

1546

01:11:03,240 --> 01:11:01,690

henge which is the henge crater and

1547

01:11:05,459 --> 01:11:03,250

we're obviously rotted away but the post

1548

01:11:06,990 --> 01:11:05,469

holes are there Avery

1549

01:11:10,550 --> 01:11:07,000

another world heritage site so that's

1550

01:11:16,590 --> 01:11:10,560

fact the whole of that area is a UNESCO

1551
01:11:20,670 --> 01:11:16,600
designated site but warminster is on the

1552
01:11:22,709 --> 01:11:20,680
edge of the Cranbourne Chase area about

1553
01:11:26,070 --> 01:11:22,719
stunning natural natural beauty it's

1554
01:11:30,419 --> 01:11:26,080
very very pretty place very small just

1555
01:11:31,330 --> 01:11:30,429
the South footpath and some really crazy

1556
01:11:35,100 --> 01:11:31,340
things

1557
01:11:38,680 --> 01:11:35,110
it's the only way of describing it there

1558
01:11:45,820 --> 01:11:38,690
there was a massive outbreak of UFO

1559
01:11:49,750 --> 01:11:45,830
sightings and this led to motorcycle

1560
01:11:53,320 --> 01:11:49,760
stopping car stopping and strange sounds

1561
01:11:57,340 --> 01:11:53,330
and vibrations affecting people's people

1562
01:12:01,420 --> 01:11:57,350
crops machinery people zombies almost

1563
01:12:04,480 --> 01:12:01,430

absolute habit for a while to 1975

1564

01:12:08,500 --> 01:12:04,490

onwards Russ if people actually saw

1565

01:12:11,260 --> 01:12:08,510

these UFOs it was day later oh yes as a

1566

01:12:17,410 --> 01:12:11,270

matter of fact there's a Gordon Faulkner

1567

01:12:19,450 --> 01:12:17,420

took a photograph of us Oh in 1965 and

1568

01:12:22,570 --> 01:12:19,460

people used to go to Cradle Hill and

1569

01:12:26,410 --> 01:12:22,580

claim which are quite steep small hills

1570

01:12:29,230 --> 01:12:26,420

just the south of town and that's next

1571

01:12:32,790 --> 01:12:29,240

to the Myrtle reservation on solidly

1572

01:12:39,070 --> 01:12:32,800

frame and stand there each night with

1573

01:12:41,170 --> 01:12:39,080

binoculars camera etc just waiting but

1574

01:12:44,410 --> 01:12:41,180

it was the oddity of things that were

1575

01:12:46,840 --> 01:12:44,420

happening these sonic effects for

1576

01:12:50,050 --> 01:12:46,850

example it was said that a flock of

1577

01:12:56,380 --> 01:12:50,060

pigeons flying by was literally all drop

1578

01:12:59,160 --> 01:12:56,390

dead at once and shockwaves would would

1579

01:13:04,840 --> 01:13:01,990

unbelievable their vibrations overhead

1580

01:13:08,260 --> 01:13:04,850

seemed to come from overhead I would

1581

01:13:11,160 --> 01:13:08,270

heartily recommend that everyone try and

1582

01:13:14,770 --> 01:13:11,170

get hold of a copy of a book called the

1583

01:13:18,040 --> 01:13:14,780

warminster mystery by Arthur shuffle

1584

01:13:21,310 --> 01:13:18,050

would it it's a very well-written book

1585

01:13:24,490 --> 01:13:21,320

NATO people describe this little town as

1586

01:13:26,800 --> 01:13:24,500

being in terror and it was covered in

1587

01:13:30,750 --> 01:13:26,810

major national newspapers and there's a

1588

01:13:33,510 --> 01:13:30,760

whole series of photographs published

1589

01:13:40,890 --> 01:13:33,520

everything from when ticular crowds to

1590

01:13:44,080 --> 01:13:40,900

strange lights and it's a mazing thing

1591

01:13:44,979 --> 01:13:44,090

1977 that Easter there is a another

1592

01:13:48,910 --> 01:13:44,989

master

1593

01:13:52,570 --> 01:13:48,920

attack sort of thing red light scene

1594

01:13:55,630 --> 01:13:52,580

spaced evenly apart for a cradle hero

1595

01:13:58,479 --> 01:13:55,640

and then over Merseyside battles worry

1596

01:14:01,150 --> 01:13:58,489

barracks and which they stood over for

1597

01:14:05,560 --> 01:14:01,160

and then a way they they went separated

1598

01:14:07,900 --> 01:14:05,570

and and yeah once there's a a sweet

1599

01:14:14,229 --> 01:14:07,910

little place and this literally caused

1600

01:14:16,870 --> 01:14:14,239

in some people absolutely terror besides

1601
01:14:19,630 --> 01:14:16,880
what do they think it was what was the

1602
01:14:22,660 --> 01:14:19,640
official reaction of all this official

1603
01:14:24,820 --> 01:14:22,670
statement that came out don't seem too

1604
01:14:27,880 --> 01:14:24,830
much in the way of official statement at

1605
01:14:30,540 --> 01:14:27,890
all it's left the residents still

1606
01:14:35,260 --> 01:14:30,550
wanting answers

1607
01:14:38,520 --> 01:14:35,270
six years later really they tried to be

1608
01:14:45,580 --> 01:14:38,530
explained in terms of mass paranormal

1609
01:14:48,340 --> 01:14:45,590
effects or but now in Christmas Day I

1610
01:14:52,860 --> 01:14:48,350
think it was 64 there was such a large

1611
01:14:57,370 --> 01:14:52,870
bang it rocked houses in the town centre

1612
01:15:03,340 --> 01:14:57,380
this was sound way below the this sonic

1613
01:15:07,660 --> 01:15:03,350

sorry waver sonic know you have to

1614

01:15:10,350 --> 01:15:07,670

remember it also in the edge of solve it

1615

01:15:15,640 --> 01:15:10,360

well so further on into solid explain

1616

01:15:20,530 --> 01:15:15,650

there's a very top security Royal Air

1617

01:15:24,340 --> 01:15:20,540

Force Station was RAF blossomed out it's

1618

01:15:27,459 --> 01:15:24,350

known as possible down where much

1619

01:15:30,970 --> 01:15:27,469

testing took place so it is possible

1620

01:15:34,150 --> 01:15:30,980

that a Mac capable aircraft out of there

1621

01:15:38,440 --> 01:15:34,160

might have caused the sonic boom but

1622

01:15:41,650 --> 01:15:38,450

it's it's being described by a national

1623

01:15:46,330 --> 01:15:41,660

newspaper as the quote headline is this

1624

01:15:50,950 --> 01:15:46,340

Britain's area 51 described as a hot

1625

01:15:55,420 --> 01:15:50,960

spot for UFO visits unexplained lights

1626
01:15:58,780 --> 01:15:55,430
nearly happening yeah it's definitely an

1627
01:16:00,340 --> 01:15:58,790
old shall we say of activity that

1628
01:16:05,470 --> 01:16:00,350
people have been talking about for

1629
01:16:07,990 --> 01:16:05,480
decades any organized investigations to

1630
01:16:10,570 --> 01:16:08,000
uncover say any kind of data for any

1631
01:16:15,640 --> 01:16:10,580
kind of their sighting or physical

1632
01:16:20,580 --> 01:16:15,650
phenomenon you know just to kind of lay

1633
01:16:23,500 --> 01:16:20,590
out the explanation this there have been

1634
01:16:27,610 --> 01:16:23,510
obviously major UFO groups have

1635
01:16:33,580 --> 01:16:27,620
investigated wherever possible it seems

1636
01:16:36,490 --> 01:16:33,590
to fit in with an area of cop circle

1637
01:16:40,900 --> 01:16:36,500
activity there's a concentration of

1638
01:16:43,180 --> 01:16:40,910

lasers also there actually there's one

1639

01:16:45,670 --> 01:16:43,190
that travels those clear through

1640

01:16:50,230 --> 01:16:45,680
Stonehenge down through the center of

1641

01:16:54,240 --> 01:16:50,240
Salisbury but there there are so many

1642

01:16:59,020 --> 01:16:54,250
things that possibly the most disturbing

1643

01:17:05,350 --> 01:16:59,030
incident took place with a off-duty

1644

01:17:08,770 --> 01:17:05,360
police officer who stopped when he saw

1645

01:17:12,030 --> 01:17:08,780
what appeared to be he took initially to

1646

01:17:16,270 --> 01:17:12,040
be three other police officers wearing

1647

01:17:19,870 --> 01:17:16,280
white forensic suits you know seen a

1648

01:17:24,010 --> 01:17:19,880
prior suit walking in and around a crop

1649

01:17:26,020 --> 01:17:24,020
circle on the marver Downs and he was

1650

01:17:27,400 --> 01:17:26,030
off duty at the time he stopped and he

1651
01:17:28,240 --> 01:17:27,410
thought he would go and find out what

1652
01:17:30,460 --> 01:17:28,250
was happening

1653
01:17:35,890 --> 01:17:30,470
here's his off-duty hours and inebriated

1654
01:17:38,980 --> 01:17:35,900
in any way absolutely no he was it was

1655
01:17:42,520 --> 01:17:38,990
broad daylight and he walked towards

1656
01:17:46,470 --> 01:17:42,530
them and he got closer to them he so

1657
01:17:50,290 --> 01:17:46,480
they were much taller than the six feet

1658
01:17:52,690 --> 01:17:50,300
with long blonde hair and what was

1659
01:17:55,690 --> 01:17:52,700
described as the sound of static

1660
01:17:59,770 --> 01:17:55,700
electricity in there his newspaper

1661
01:18:01,720 --> 01:17:59,780
reports and then they haven't noticed

1662
01:18:06,970 --> 01:18:01,730
him or didn't appear to when he got

1663
01:18:12,160 --> 01:18:06,980

close they did take notice and turned

1664

01:18:13,000 --> 01:18:12,170

and ran and by what makes so different

1665

01:18:16,780 --> 01:18:13,010

anywhere

1666

01:18:19,900 --> 01:18:16,790

faster than any human being ever seen

1667

01:18:21,610 --> 01:18:19,910

and he can catch up to them if they

1668

01:18:27,750 --> 01:18:21,620

looked away for a second and they were

1669

01:18:31,510 --> 01:18:27,760

gone and that happened on 6 July 2009

1670

01:18:34,030 --> 01:18:31,520

right what the officer then did was

1671

01:18:36,640 --> 01:18:34,040

drive straight back to Marlborough in

1672

01:18:42,540 --> 01:18:36,650

Wiltshire and he did make contact with

1673

01:18:44,890 --> 01:18:42,550

various paranormal experts but it also

1674

01:18:49,570 --> 01:18:44,900

contacted I believe Andrew Russell is a

1675

01:18:53,970 --> 01:18:49,580

crop circle investigator locally and the

1676

01:18:56,410 --> 01:18:53,980

police actually his superiors took no

1677

01:19:00,070 --> 01:18:56,420

notice of this hat or took no position

1678

01:19:03,130 --> 01:19:00,080

and we do you mean as ignore the guy's a

1679

01:19:07,150 --> 01:19:03,140

jerk or what just no no what I said was

1680

01:19:10,050 --> 01:19:07,160

and I quote directly from Rocha county

1681

01:19:12,640 --> 01:19:10,060

Constabulary policeman a spokesperson or

1682

01:19:15,460 --> 01:19:12,650

the police officer was apparently off

1683

01:19:20,080 --> 01:19:15,470

duty when this happened note that they

1684

01:19:21,850 --> 01:19:20,090

didn't deny it happened so we have no so

1685

01:19:31,420 --> 01:19:21,860

we have no comment

1686

01:19:33,940 --> 01:19:31,430

to make because it is a personal that's

1687

01:19:36,190 --> 01:19:33,950

pretty weird so he's not a he's not on

1688

01:19:37,930 --> 01:19:36,200

the clock therefore hey it's your

1689

01:19:39,880 --> 01:19:37,940

business not ours see you later have a

1690

01:19:42,190 --> 01:19:39,890

nice day that's right that's why that's

1691

01:19:44,620 --> 01:19:42,200

a Croatia that's it that's an official

1692

01:19:46,330 --> 01:19:44,630

statement from the world to consumer so

1693

01:19:47,950 --> 01:19:46,340

there was no follow-up investigation

1694

01:19:50,280 --> 01:19:47,960

whatsoever because of that reason they

1695

01:19:55,690 --> 01:19:50,290

didn't suggest hey I got this you know

1696

01:19:57,250 --> 01:19:55,700

no official I mean they're very several

1697

01:20:00,430 --> 01:19:57,260

investigators and crop circle

1698

01:20:03,910 --> 01:20:00,440

investigators gentleman called coy

1699

01:20:09,570 --> 01:20:03,920

Andrews investigated it and so he is

1700

01:20:14,200 --> 01:20:09,580

quote convinced by the officers

1701

01:20:17,290 --> 01:20:14,210

descriptions and their best people say

1702

01:20:19,630 --> 01:20:17,300

that they're the guys obviously a good

1703

01:20:21,610 --> 01:20:19,640

character and good standing and they

1704

01:20:23,680 --> 01:20:21,620

can't see why he would have come out

1705

01:20:25,660 --> 01:20:23,690

with something like this and this it

1706

01:20:29,050 --> 01:20:25,670

really happened

1707

01:20:33,790 --> 01:20:29,060

right yeah but so this comes down to so

1708

01:20:36,820 --> 01:20:33,800

he had he had good credibility yeah do

1709

01:20:38,860 --> 01:20:36,830

they just go away did this whole thing

1710

01:20:42,790 --> 01:20:38,870

just kind of melt away I mean how did

1711

01:20:45,490 --> 01:20:42,800

this resolve out nothing nothing really

1712

01:20:47,440 --> 01:20:45,500

went further than that because no

1713

01:20:47,950 --> 01:20:47,450

official position take on it that's

1714

01:20:53,260 --> 01:20:47,960

amazing

1715

01:20:55,750 --> 01:20:53,270

all right you know yes yeah it is

1716

01:21:00,070 --> 01:20:55,760

standard it's still surfaces from time

1717

01:21:05,950 --> 01:21:00,080

to time in literature I came up again in

1718

01:21:08,740 --> 01:21:05,960

2016 for example for what reason and I

1719

01:21:10,180 --> 01:21:08,750

think they're just cases they came up in

1720

01:21:13,120 --> 01:21:10,190

conversation somebody thought well I'll

1721

01:21:14,860 --> 01:21:13,130

I'll carry this to to the media and see

1722

01:21:18,490 --> 01:21:14,870

what happens and Lobby old something got

1723

01:21:20,290 --> 01:21:18,500

published again but yeah I would think

1724

01:21:22,210 --> 01:21:20,300

if the Daily Mail got hold of it they'd

1725

01:21:25,150 --> 01:21:22,220

be all over it doing some kind of

1726

01:21:27,640 --> 01:21:25,160

digging this Friday from a visionary

1727

01:21:29,660 --> 01:21:27,650

director of ex machina it's expanding

1728

01:21:31,660 --> 01:21:29,670

destroy everything it's not

1729

01:21:34,310 --> 01:21:31,670

destroying its making something new

1730

01:21:38,560 --> 01:21:34,320

critics are calling annihilation a

1731

01:21:41,270 --> 01:21:38,570

thrilling remarkable vision permutations

1732

01:21:47,510 --> 01:21:41,280

brilliant and provocative it will be

1733

01:21:50,330 --> 01:21:47,520

hailed as a masterpiece last night this

1734

01:21:52,220 --> 01:21:50,340

is how extinction begins annihilation

1735

01:21:53,950 --> 01:21:52,230

written our under 17 admitted without

1736

01:21:58,610 --> 01:21:53,960

parent him to do that kind of thing

1737

01:22:02,479 --> 01:21:58,620

right I know it was yes it made similar

1738

01:22:05,510 --> 01:22:02,489

olden day is that I dunno but there's

1739

01:22:09,800 --> 01:22:05,520

also some speculation that these beings

1740

01:22:17,000 --> 01:22:09,810

could have been called tall whites yeah

1741

01:22:19,189 --> 01:22:17,010

but yeah it's it was a yeah impeccable

1742

01:22:22,689 --> 01:22:19,199

witness sees something extremely strange

1743

01:22:25,820 --> 01:22:22,699

and nobody takes notice of it yeah

1744

01:22:27,770 --> 01:22:25,830

rosters Stonehenge itself have anything

1745

01:22:30,260 --> 01:22:27,780

to do with the the frequency of this I

1746

01:22:34,220 --> 01:22:30,270

mean we're tying it together but what is

1747

01:22:36,459 --> 01:22:34,230

it about Stonehenge that could be a good

1748

01:22:40,700 --> 01:22:36,469

launching pad for a lot of UFO activity

1749

01:22:45,140 --> 01:22:40,710

anything oh yeah I mean let's put this

1750

01:22:50,229 --> 01:22:45,150

way you've got something that is been a

1751

01:22:53,470 --> 01:22:50,239

site of continuous monumental building

1752

01:22:59,270 --> 01:22:53,480

between three thousand seven hundred and

1753

01:23:02,169 --> 01:22:59,280

1600 BC right a site that has been a

1754

01:23:06,700 --> 01:23:02,179

religious significance for all that time

1755

01:23:10,070 --> 01:23:06,710

would have occupied the efforts of many

1756

01:23:11,720 --> 01:23:10,080

thousands of people I a good proportion

1757

01:23:15,560 --> 01:23:11,730

of the population in the southern half

1758

01:23:20,560 --> 01:23:15,570

of the country it's got two areas of

1759

01:23:23,780 --> 01:23:20,570

chalk land stonehenge you've got

1760

01:23:26,120 --> 01:23:23,790

standing stones arranged in a stone

1761

01:23:28,390 --> 01:23:26,130

circle obviously another many monument

1762

01:23:32,000 --> 01:23:28,400

monuments including the avenue

1763

01:23:34,160 --> 01:23:32,010

Durrington walls would hinge and the

1764

01:23:38,390 --> 01:23:34,170

densest concentration of burial mounds

1765

01:23:41,630 --> 01:23:38,400

in Britain and then where so my hair is

1766

01:23:42,859 --> 01:23:41,640

a rewarder discussed there's a pre

1767

01:23:45,709 --> 01:23:42,869

itself

1768

01:23:50,300 --> 01:23:45,719

wind Mill Hill the West Kennet Long

1769

01:23:54,700 --> 01:23:50,310

Barrow which is a Neolithic Long Barrow

1770

01:23:59,240 --> 01:23:54,710

made by the people which is between

1771

01:24:03,200 --> 01:23:59,250

souls Stonehenge in April so it's that

1772

01:24:07,370 --> 01:24:03,210

the the landscape the Neolithic

1773

01:24:10,010 --> 01:24:07,380

landscape and in pre area it's it's

1774

01:24:14,260 --> 01:24:10,020

dense in that area it's a huge

1775

01:24:19,959 --> 01:24:14,270

concentration of artifacts monuments

1776

01:24:29,330 --> 01:24:23,209

these are people buried on top of the

1777

01:24:34,790 --> 01:24:32,720

yeah it's we send your photographs on

1778

01:24:37,250 --> 01:24:34,800

time I've been inside the West Kennet

1779

01:24:40,270 --> 01:24:37,260

long now and it's it's very very

1780

01:24:44,060 --> 01:24:40,280

impressive to put it mildly

1781

01:24:48,080 --> 01:24:44,070

it's I can't really describe the

1782

01:24:50,750 --> 01:24:48,090

identity of and a life investor of mine

1783

01:24:53,270 --> 01:24:50,760

described that you can't go very fast in

1784

01:24:56,149 --> 01:24:53,280

this country there's so much history

1785

01:25:00,680 --> 01:24:56,159

it's like wading through treacle mmm

1786

01:25:03,109 --> 01:25:00,690

and it is and so much has happened all

1787

01:25:05,660 --> 01:25:03,119

piled layer upon layer upon layer of

1788

01:25:10,160 --> 01:25:05,670

happenings everything from murder most

1789

01:25:14,990 --> 01:25:10,170

foul to religious rites and sometimes

1790

01:25:18,830 --> 01:25:15,000

the to intertwine but it's it's a it's a

1791

01:25:20,839 --> 01:25:18,840

fascinating place you go there for a day

1792

01:25:23,149 --> 01:25:20,849

and two or three weeks later you look up

1793

01:25:24,500 --> 01:25:23,159

saying when the time go and it's a beast

1794

01:25:26,600 --> 01:25:24,510

you're trying to visit all these places

1795

01:25:27,859 --> 01:25:26,610

and experience what what offers how

1796

01:25:33,979 --> 01:25:27,869

large of an area you're talking about

1797

01:25:40,580 --> 01:25:33,989

you know I can square miles or what I

1798

01:25:47,110 --> 01:25:40,590

would say that it's around about no the

1799

01:25:52,000 --> 01:25:47,120

area concerned it's it's going to be a

1800

01:25:56,140 --> 01:25:52,010

about 40 miles by about 60 probably at a

1801
01:25:59,080 --> 01:25:56,150
rectangle the some of the monuments are

1802
01:26:01,180 --> 01:25:59,090
quite amazing that the size of some of

1803
01:26:06,790 --> 01:26:01,190
the stones in Stonehenge they were over

1804
01:26:09,130 --> 01:26:06,800
40 tons and some were transported more

1805
01:26:12,070 --> 01:26:09,140
than a hundred miles from the Preseli

1806
01:26:13,270 --> 01:26:12,080
mountains in South Wales how do you

1807
01:26:14,890 --> 01:26:13,280
think that was done do you have any

1808
01:26:16,240 --> 01:26:14,900
speculation at the top of your head how

1809
01:26:19,330 --> 01:26:16,250
they they could have accomplished that

1810
01:26:22,480 --> 01:26:19,340
physically or there are several several

1811
01:26:25,450 --> 01:26:22,490
trials have been made on movement of

1812
01:26:28,840 --> 01:26:25,460
rollers you know the old Egyptian method

1813
01:26:31,690 --> 01:26:28,850

It provides side you get a saucer rotten

1814

01:26:34,570 --> 01:26:31,700

logs and as the last log comes out from

1815

01:26:37,180 --> 01:26:34,580

underneath your highly-trained log

1816

01:26:40,170 --> 01:26:37,190

handlers rushing to the front and drop

1817

01:26:44,190 --> 01:26:40,180

it in front of the stone and you know

1818

01:26:49,030 --> 01:26:44,200

you seen I saw just recently a

1819

01:26:50,950 --> 01:26:49,040

archaeologist that he he had he

1820

01:26:52,570 --> 01:26:50,960

demonstrated what he believes is the way

1821

01:26:56,050 --> 01:26:52,580

that they moved it based on things that

1822

01:26:58,030 --> 01:26:56,060

he had found he found Spears carved

1823

01:27:00,970 --> 01:26:58,040

stones many of them with beautiful

1824

01:27:03,910 --> 01:27:00,980

designs on them that they would build a

1825

01:27:05,650 --> 01:27:03,920

track that these are used like bearings

1826

01:27:08,590 --> 01:27:05,660

inside the track and they were able to

1827

01:27:11,230 --> 01:27:08,600

move huge heavy weight blocks with very

1828

01:27:14,620 --> 01:27:11,240

few people and you have that same method

1829

01:27:16,090 --> 01:27:14,630

of moving the what these lawyer grew and

1830

01:27:19,090 --> 01:27:16,100

putting and they would keep moving the

1831

01:27:23,530 --> 01:27:19,100

logs and the stones to slide these into

1832

01:27:27,730 --> 01:27:23,540

position it was amazing yes obviously

1833

01:27:31,240 --> 01:27:27,740

you dig the pit one end and slowly erect

1834

01:27:33,100 --> 01:27:31,250

it you know by leverage you know by

1835

01:27:35,530 --> 01:27:33,110

attaching hide ropes at the top and

1836

01:27:39,400 --> 01:27:35,540

pulling and building an earth bank you

1837

01:27:41,740 --> 01:27:39,410

know so it slides down yes the the way

1838

01:27:46,180 --> 01:27:41,750

of doing these things it's very possible

1839

01:27:49,900 --> 01:27:46,190

and has been demonstrated but it's it's

1840

01:27:52,560 --> 01:27:49,910

just a sheer quantity of experiences

1841

01:27:56,590 --> 01:27:52,570

that you can get in this particular area

1842

01:28:00,879 --> 01:27:56,600

there are also been what are the famous

1843

01:28:05,319 --> 01:28:00,889

be ol4 Naumann on

1844

01:28:08,379 --> 01:28:05,329

of light and these series are those

1845

01:28:11,139 --> 01:28:08,389

static electricity or some other plow

1846

01:28:15,819 --> 01:28:11,149

charged plasma have been seen regression

1847

01:28:18,219 --> 01:28:15,829

from where on velocity follows have been

1848

01:28:20,739 --> 01:28:18,229

seen in the same areas of the harbor

1849

01:28:24,759 --> 01:28:20,749

downs as the crop circles but singing

1850

01:28:29,169 --> 01:28:24,769

day and photographed in day to not very

1851

01:28:32,069 --> 01:28:29,179

large but moving quite swiftly so yes

1852

01:28:36,699 --> 01:28:32,079

there's so much happening it's almost

1853

01:28:41,139 --> 01:28:36,709

ridiculous and if you go to say a blue

1854

01:28:45,389 --> 01:28:41,149

banner which is a lovely treasure house

1855

01:28:48,580 --> 01:28:45,399

of a place a lot of selectively there

1856

01:28:51,759 --> 01:28:48,590

yes if you like ghosts it's the most

1857

01:28:55,259 --> 01:28:51,769

haunted place I can think of in the

1858

01:28:59,500 --> 01:28:55,269

county it's called the what a white lady

1859

01:29:02,949 --> 01:28:59,510

and I'm sorry it's got a white lady and

1860

01:29:06,699 --> 01:29:02,959

widow of a Civil War veteran I don't

1861

01:29:12,759 --> 01:29:06,709

mean the one that you had I was the one

1862

01:29:15,609 --> 01:29:12,769

that we had from the 1641 and also it's

1863

01:29:23,469 --> 01:29:15,619

for a ghost who is preceded by a strong

1864

01:29:26,819 --> 01:29:23,479

smell of roses meaning so yes I suppose

1865

01:29:30,219 --> 01:29:26,829

this proceeded here by a strong smell of

1866

01:29:32,199 --> 01:29:30,229

chocolates or something but my favorite

1867

01:29:36,729 --> 01:29:32,209

no that would be the aroma I would like

1868

01:29:41,199 --> 01:29:36,739

to travel a chocolate yeah it's an

1869

01:29:44,139 --> 01:29:41,209

incredible place and I recommended if

1870

01:29:46,299 --> 01:29:44,149

you want to immerse yourself in

1871

01:29:48,759 --> 01:29:46,309

something of the worldly sounds very

1872

01:29:51,459 --> 01:29:48,769

cool if a truss if we went to England

1873

01:29:54,040 --> 01:29:51,469

let's say as a group a party we're about

1874

01:29:55,600 --> 01:29:54,050

to show to England well first of all we

1875

01:29:57,250 --> 01:29:55,610

would we go it would be the best place

1876

01:30:01,389 --> 01:29:57,260

go we just get right in the middle of

1877

01:30:03,029 --> 01:30:01,399

London in you know well how long will go

1878

01:30:09,129 --> 01:30:03,039

there for a couple months one one yeah

1879

01:30:10,419 --> 01:30:09,139

people people I mean what do you go we

1880

01:30:14,550 --> 01:30:10,429

should we go to a little village and

1881

01:30:17,520 --> 01:30:14,560

really cunning I would recommend

1882

01:30:20,970 --> 01:30:17,530

during this starter pack I would go from

1883

01:30:22,590 --> 01:30:20,980

flying out of New England there go 75

1884

01:30:23,880 --> 01:30:22,600

and welcome you yet several of the

1885

01:30:26,550 --> 01:30:23,890

airlines there the British ones

1886

01:30:29,750 --> 01:30:26,560

especially do a three or four-day

1887

01:30:33,090 --> 01:30:29,760

package to London and going to London

1888

01:30:35,820 --> 01:30:33,100

will give you a taste of what you need

1889

01:30:37,980 --> 01:30:35,830

you can actually pick up if he is there

1890

01:30:41,760 --> 01:30:37,990

were any of them major London hotels

1891

01:30:44,790 --> 01:30:41,770

with tourist societies you can paint day

1892

01:30:47,130 --> 01:30:44,800

trips to Stonehenge yes you can take day

1893

01:30:50,570 --> 01:30:47,140

trips to Bath which you just a little

1894

01:30:52,920 --> 01:30:50,580

bit further even take day trips to

1895

01:30:56,850 --> 01:30:52,930

stratford-upon-avon for the Shakespeare

1896

01:30:59,460 --> 01:30:56,860

experience subsidy but if I had to

1897

01:31:03,320 --> 01:30:59,470

choose one city in Europe but in the

1898

01:31:06,330 --> 01:31:03,330

country that had everything and

1899

01:31:14,730 --> 01:31:06,340

commander also had a marvelous Aviation

1900

01:31:20,660 --> 01:31:14,740

Museum I would take the City of York to

1901

01:31:24,990 --> 01:31:20,670

give it its former name the Novak's the

1902

01:31:30,020 --> 01:31:25,000

Norwegian city of Yannick all the Roman

1903

01:31:34,050 --> 01:31:30,030

city of Ebola come in the same place

1904

01:31:38,340 --> 01:31:34,060

it's got everything is about castles

1905

01:31:40,610 --> 01:31:38,350

even want the city walls it was a place

1906

01:31:44,250 --> 01:31:40,620

where a Roman emperors created

1907

01:31:48,090 --> 01:31:44,260

Constantine it's got a huge many

1908

01:31:51,600 --> 01:31:48,100

warminster or Cathedral half-timbered

1909

01:31:54,570 --> 01:31:51,610

buildings ghost walks it's got them all

1910

01:31:57,810 --> 01:31:54,580

nice and on the National Railway Museum

1911

01:32:00,660 --> 01:31:57,820

as well we're going to your road trip of

1912

01:32:04,620 --> 01:32:00,670

your milk I'd have to take them all so

1913

01:32:16,640 --> 01:32:04,630

that world-famous confectionary tea shop

1914

01:32:19,380 --> 01:32:16,650

called Becky's a similarly named poison

1915

01:32:20,310 --> 01:32:19,390

you never get mrs. Cobra out of that

1916

01:32:25,110 --> 01:32:20,320

place I tell you

1917

01:32:26,310 --> 01:32:25,120

oh well the show of it listen like the

1918

01:32:27,339 --> 01:32:26,320

one in England nothing want to read

1919

01:32:30,069 --> 01:32:27,349

there but I

1920

01:32:32,260 --> 01:32:30,079

on the record yes I thought it's

1921

01:32:39,060 --> 01:32:32,270

actually a famous English cuisine and

1922

01:32:45,100 --> 01:32:43,209

switch arena switchblade steve what up

1967

01:35:25,790 --> 01:35:25,230

there in the bowl of flakes battle creek

1968

01:35:37,970 --> 01:35:25,800

michigan

1969

01:35:40,330 --> 01:35:37,980

how you doing this no he's going yeah

1970

01:35:44,600 --> 01:35:40,340

Detroit Michigan okay people call me

1971

01:35:52,450 --> 01:35:44,610

also Emily minimizer nurse from since

1972

01:35:58,070 --> 01:35:52,460

then a the Queen City indeed she was

1973

01:36:01,490 --> 01:35:58,080

sweet sting let's say she's not a Pats

1974

01:36:03,560 --> 01:36:01,500

man so she stabbed me with twin

1975

01:36:05,180 --> 01:36:03,570

stiletto two stiletto and my back in

1976

01:36:20,810 --> 01:36:05,190

the students like stiletto heels

1977

01:36:23,270 --> 01:36:20,820

probably okay Emily so hey listen mu

1978

01:36:27,920 --> 01:36:23,280

we're talking up here but like another

1979

01:36:33,110 --> 01:36:27,930

one these classic UFO stories so which

1980

01:36:38,030 --> 01:36:33,120

one did you so I have what I think is a

1981

01:36:41,420 --> 01:36:38,040

super scary UFO story and this is the

1982

01:36:44,690 --> 01:36:41,430

the story of a disappearing UFO or

1983

01:36:46,250 --> 01:36:44,700

disappearing UFO disappearing jet

1984

01:36:49,100 --> 01:36:46,260

fighter

1985

01:36:51,830 --> 01:36:49,110

that happened with an encounter that I

1986

01:36:56,810 --> 01:36:51,840

had with a UFO and this was November 23

1987

01:36:59,660 --> 01:36:56,820

1953 and it was up near the Soo Locks by

1988

01:37:01,100 --> 01:36:59,670

insu st. Marie Michigan which I thought

1989

01:37:04,580 --> 01:37:01,110

was interesting since Steve and I were

1990

01:37:06,830 --> 01:37:04,590

there fairly recently in that area but

1991

01:37:10,610 --> 01:37:06,840

anyhow that evening there were air

1992

01:37:13,910 --> 01:37:10,620

traffic controllers at the Truax Air

1993

01:37:16,460 --> 01:37:13,920

Force Base over in Wisconsin nearby that

1994

01:37:18,710 --> 01:37:16,470

picked up an identified flying object on

1995

01:37:22,010 --> 01:37:18,720

their radar and again it was near the

1996

01:37:23,960 --> 01:37:22,020

sea walks right there at the Michigan

1997

01:37:26,690 --> 01:37:23,970

and then Canadian border and at that

1998

01:37:28,520 --> 01:37:26,700

time during the Cold War borders

1999

01:37:30,230 --> 01:37:28,530

especially were very heavily monitored

2000

01:37:31,940 --> 01:37:30,240

and it was considered a restricted

2001
01:37:34,610 --> 01:37:31,950
airspace so of course they were watching

2002
01:37:35,960 --> 01:37:34,620
and they they noticed this blip on their

2003
01:37:41,000 --> 01:37:35,970
radar that they didn't know what it was

2004
01:37:45,530 --> 01:37:41,010
so there was an f-89c scorpion

2005
01:37:48,290 --> 01:37:45,540
okay yeah from Kinross Air Force Base in

2006
01:37:50,510 --> 01:37:48,300
Michigan somewhat err by that they

2007
01:37:52,730 --> 01:37:50,520
called over to her to find out what this

2008
01:37:56,420 --> 01:37:52,740
this craft was that they they couldn't

2009
01:37:59,720 --> 01:37:56,430
identify and so as the fighter was

2010
01:38:01,910 --> 01:37:59,730
approaching the UFO be a UFO abruptly

2011
01:38:04,250 --> 01:38:01,920
changed directions you know went off

2012
01:38:07,340 --> 01:38:04,260
another way and what was odd was that

2013
01:38:09,620 --> 01:38:07,350

the UFO the this entire time was showing

2014

01:38:12,560 --> 01:38:09,630

on the radar at the Air Force Base on

2015

01:38:15,020 --> 01:38:12,570

the ground but it never showed on f-89 s

2016

01:38:16,730 --> 01:38:15,030

radar the you know the craft that was

2017

01:38:19,460 --> 01:38:16,740

following it so they were just being

2018

01:38:22,250 --> 01:38:19,470

guided by the guys on the ground as to

2019

01:38:25,700 --> 01:38:22,260

where this object was trying to track it

2020

01:38:27,950 --> 01:38:25,710

down right and so it took about 30

2021

01:38:30,650 --> 01:38:27,960

minutes before the jet was able to get

2022

01:38:32,600 --> 01:38:30,660

caught up to this UFO and when it did

2023

01:38:33,950 --> 01:38:32,610

catch up with it the you know the guys

2024

01:38:36,350 --> 01:38:33,960

on the ground watching the radar could

2025

01:38:39,200 --> 01:38:36,360

see you know the two spots on the radar

2026

01:38:42,080 --> 01:38:39,210

representing each craft and then all of

2027

01:38:44,780 --> 01:38:42,090

a sudden it was like the two spots

2028

01:38:46,280 --> 01:38:44,790

merged into one right and so they

2029

01:38:48,170 --> 01:38:46,290

thought maybe one was just passing over

2030

01:38:50,030 --> 01:38:48,180

the other and then you know the other

2031

01:38:53,750 --> 01:38:50,040

you know blip on the radar would come

2032

01:38:56,030 --> 01:38:53,760

out and it never did well and so then

2033

01:38:57,380 --> 01:38:56,040

all of a sudden the now the one spot on

2034

01:39:00,440 --> 01:38:57,390

the radar all the side

2035

01:39:03,050 --> 01:39:00,450

accelerated and flew off and it was gone

2036

01:39:07,310 --> 01:39:03,060

and no longer on the radar and then the

2037

01:39:09,530 --> 01:39:07,320

f-89 had just disappeared so let me

2038

01:39:11,510 --> 01:39:09,540

interrupt you for a second so so you

2039

01:39:13,070 --> 01:39:11,520

know it's at night and you know even

2040

01:39:14,960 --> 01:39:13,080

though Canada there is a friend of eyes

2041

01:39:16,400 --> 01:39:14,970

they did still control you know patrol

2042

01:39:18,920 --> 01:39:16,410

the border let's say and you had the CI

2043

01:39:20,510 --> 01:39:18,930

base up and up in the Great Lakes they

2044

01:39:22,910 --> 01:39:20,520

see this object over the Great Lakes

2045

01:39:25,250 --> 01:39:22,920

they you know scramble the guy but he

2046

01:39:27,020 --> 01:39:25,260

but they have ground control has to lead

2047

01:39:54,380 --> 01:39:27,030

him to the object right he finally finds

2048

01:39:56,120 --> 01:39:54,390

it and then and then you know so when

2049

01:39:58,010 --> 01:39:56,130

once you'll see they watching this drama

2050

01:40:00,860 --> 01:39:58,020

on their radar screen the two blips

2051
01:40:02,870 --> 01:40:00,870
merge and the f-89 never comes out the

2052
01:40:06,170 --> 01:40:02,880
other side they never find the arrow

2053
01:40:07,700 --> 01:40:06,180
never find the airplane you know what

2054
01:40:09,410 --> 01:40:07,710
happened does anyone I mean and that's

2055
01:40:11,210 --> 01:40:09,420
what that's exactly what happened they

2056
01:40:12,680 --> 01:40:11,220
looked the next day you know they did

2057
01:40:13,940 --> 01:40:12,690
all kinds of sea searches and stuffing

2058
01:40:15,650 --> 01:40:13,950
I'm looking in one of the Great Lakes is

2059
01:40:17,990 --> 01:40:15,660
like looking in the ocean really okay

2060
01:40:19,580 --> 01:40:18,000
right did anyone ever come up with any

2061
01:40:22,130 --> 01:40:19,590
kind of an explanation other than like

2062
01:40:23,630 --> 01:40:22,140
the UFO I kind of took him in its main

2063
01:40:24,020 --> 01:40:23,640

chamber or something and then took off

2064

01:40:26,120 --> 01:40:24,030

with it

2065

01:40:28,940 --> 01:40:26,130

well there were lots of explanations

2066

01:40:31,700 --> 01:40:28,950

that came out that were of course

2067

01:40:35,660 --> 01:40:31,710

ever-changing like we see a lot with

2068

01:40:37,430 --> 01:40:35,670

these UFO reports there was I think the

2069

01:40:41,030 --> 01:40:37,440

original story was that the pilot had

2070

01:40:45,380 --> 01:40:41,040

the pilot of the of the f-89 had vertigo

2071

01:40:47,690 --> 01:40:45,390

and crashed the plane okay and then it

2072

01:40:49,550 --> 01:40:47,700

changed and said no the UFO is actually

2073

01:40:51,140 --> 01:40:49,560

a Canadian cargo plane that's what we

2074

01:40:54,200 --> 01:40:51,150

saw there and then you know the jet

2075

01:40:56,140 --> 01:40:54,210

crashed for other reasons and then they

2076

01:40:59,300 --> 01:40:56,150

said no it was a Canadian Air Force jet

2077

01:41:01,010 --> 01:40:59,310

no actually the f-89 just exploded at a

2078

01:41:04,550 --> 01:41:01,020

high altitude and that's why they never

2079

01:41:07,670 --> 01:41:04,560

found you know any remains of it and

2080

01:41:09,590 --> 01:41:07,680

then it's just you know story after

2081

01:41:10,760 --> 01:41:09,600

story explanation after explanation

2082

01:41:13,460 --> 01:41:10,770

none of which

2083

01:41:16,010 --> 01:41:13,470

cents and then apparently a bit later

2084

01:41:17,540 --> 01:41:16,020

after this event had occurred UFO

2085

01:41:20,300 --> 01:41:17,550

investigators wanted to pursue it

2086

01:41:22,160 --> 01:41:20,310

further only to discover that the Air

2087

01:41:24,790 --> 01:41:22,170

Force had deleted all of the information

2088

01:41:26,960 --> 01:41:24,800

related related to that jets mission

2089

01:41:31,810 --> 01:41:26,970

merely just be coincidence

2090

01:41:33,620 --> 01:41:31,820

I can't believe if you didn't take that

2091

01:41:35,450 --> 01:41:33,630

this question okay

2092

01:41:37,880 --> 01:41:35,460

would they have let's say something like

2093

01:41:39,080 --> 01:41:37,890

that happen today okay I mean the f-89

2094

01:41:41,210 --> 01:41:39,090

Cobra right that was like one of the

2095

01:41:44,780 --> 01:41:41,220

biggest fighters ever right

2096

01:41:46,780 --> 01:41:44,790

it was the radar capability and that

2097

01:41:48,800 --> 01:41:46,790

airplane was mainly for gunmen or

2098

01:41:50,660 --> 01:41:48,810

arranging so they knew when they could

2099

01:41:54,080 --> 01:41:50,670

fire their their missile and they had a

2100

01:41:55,970 --> 01:41:54,090

there's actually a small nuclear when we

2101
01:41:57,980 --> 01:41:55,980
take care of our own hearts we're also

2102
01:42:00,680 --> 01:41:57,990
taking care of the people closest to us

2103
01:42:02,630 --> 01:42:00,690
so it's comforting to know that RWJ

2104
01:42:05,210 --> 01:42:02,640
barnabas health has new jersey's most

2105
01:42:07,460 --> 01:42:05,220
comprehensive cardiac care program with

2106
01:42:09,430 --> 01:42:07,470
access to top specialists minimally

2107
01:42:12,110 --> 01:42:09,440
invasive heart surgery options and

2108
01:42:14,180 --> 01:42:12,120
rehabilitation and wellness programs so

2109
01:42:18,800 --> 01:42:14,190
get your heart checked it's as easy as

2110
01:42:20,960 --> 01:42:18,810
visiting RW j bh org slash heart RW j

2111
01:42:24,440 --> 01:42:20,970
barnabas health let's be healthy

2112
01:42:26,120 --> 01:42:24,450
together the tip missile that they were

2113
01:42:27,940 --> 01:42:26,130

using and it was designed to intercept

2114

01:42:31,370 --> 01:42:27,950

brushing bombers but it was the first

2115

01:42:33,980 --> 01:42:31,380

pilot and radar intercept officer kind

2116

01:42:35,660 --> 01:42:33,990

of aircraft that they had put up okay

2117

01:42:38,480 --> 01:42:35,670

now supposing if something like this

2118

01:42:40,520 --> 01:42:38,490

happens today okay let's say some you

2119

01:42:42,860 --> 01:42:40,530

know fighter was scrambled over the you

2120

01:42:46,310 --> 01:42:42,870

know some f-18 f-16 is something like

2121

01:42:48,410 --> 01:42:46,320

that merged with a UFO on the radar and

2122

01:42:50,090 --> 01:42:48,420

never came out and they never found the

2123

01:42:52,070 --> 01:42:50,100

airplane i mean would you be able to get

2124

01:42:53,840 --> 01:42:52,080

away with it these days i think you wait

2125

01:42:55,670 --> 01:42:53,850

five years you say that the pentagon is

2126

01:42:57,350 --> 01:42:55,680

running a program and then you have

2127

01:42:58,670 --> 01:42:57,360

somebody else come on and do the circuit

2128

01:43:00,230 --> 01:42:58,680

and then you don't talk about it for two

2129

01:43:01,430 --> 01:43:00,240

months alright but how about this but

2130

01:43:08,480 --> 01:43:01,440

what do you tell the families of the

2131

01:43:10,520 --> 01:43:08,490

pilot they crashed Wow yeah they went

2132

01:43:12,440 --> 01:43:10,530

down in the you know went down in the

2133

01:43:16,430 --> 01:43:12,450

Great Lakes it disappeared we're very

2134

01:43:19,940 --> 01:43:16,440

sorry wow you know these days that you

2135

01:43:21,950 --> 01:43:19,950

know hey listen these people saw well

2136

01:43:24,470 --> 01:43:21,960

the word did get out when they had all

2137

01:43:28,100 --> 01:43:24,480

this stuff that happened off the

2138

01:43:30,110 --> 01:43:28,110

West Coast the United States until they

2139

01:43:33,200 --> 01:43:30,120

decide to release it so I'm not sure it

2140

01:43:35,270 --> 01:43:33,210

would get out Wow a big difference here

2141

01:43:36,740 --> 01:43:35,280

is we were very dependent on ground

2142

01:43:40,100 --> 01:43:36,750

intercept radar for these types of

2143

01:43:42,410 --> 01:43:40,110

operations it's a lot less now and you

2144

01:43:45,260 --> 01:43:42,420

the the the fighter interceptor aircraft

2145

01:43:48,470 --> 01:43:45,270

have a much bigger much more robust

2146

01:43:51,740 --> 01:43:48,480

ability to use radar that's on board

2147

01:43:54,440 --> 01:43:51,750

plus link to other sites so it would it

2148

01:43:57,650 --> 01:43:54,450

would be a lot more people actually able

2149

01:43:59,240 --> 01:43:57,660

to see it a lot more Network but I don't

2150

01:44:00,500 --> 01:43:59,250

believe that if you don't want something

2151

01:44:02,270 --> 01:44:00,510

to be seen you and I disagree in this

2152

01:44:04,400 --> 01:44:02,280

Mac you don't think that people can keep

2153

01:44:06,440 --> 01:44:04,410

secrets they do they keep them all the

2154

01:44:10,610 --> 01:44:06,450

time but you know there's still the

2155

01:44:12,830 --> 01:44:10,620

overwhelming mental resistance to this

2156

01:44:16,220 --> 01:44:12,840

where people will just compartmentalize

2157

01:44:17,930 --> 01:44:16,230

it and ignore it laugh it off yeah well

2158

01:44:20,420 --> 01:44:17,940

you know if someone actually like died

2159

01:44:23,360 --> 01:44:20,430

and stuff like that or is missing it

2160

01:44:26,090 --> 01:44:23,370

adds a little bit more of a song you

2161

01:44:28,070 --> 01:44:26,100

know tone to it and I think that the the

2162

01:44:29,720 --> 01:44:28,080

families of the pilots would make more

2163

01:44:31,400 --> 01:44:29,730

noise these days I would think so what

2164

01:44:35,210 --> 01:44:31,410

people would know about it you know back

2165

01:44:38,900 --> 01:44:35,220

there and then in the 50s media anyway

2166

01:44:40,430 --> 01:44:38,910

well like but like Cobra said they say

2167

01:44:42,260 --> 01:44:40,440

well no it was like was the crash we

2168

01:44:44,840 --> 01:44:42,270

can't find a debris we can't find the

2169

01:44:46,760 --> 01:44:44,850

bodies or whatever right and then it's

2170

01:44:48,860 --> 01:44:46,770

it and if the stories can be packaged

2171

01:44:50,360 --> 01:44:48,870

it's never going to talk about a UFO

2172

01:44:52,430 --> 01:44:50,370

it's never going to be mentioned they're

2173

01:44:54,080 --> 01:44:52,440

gonna say that they want to intercept an

2174

01:44:56,060 --> 01:44:54,090

aircraft that showed up on radar yeah

2175

01:44:58,729 --> 01:44:56,070

okay and then it's gonna it's gonna just

2176

01:45:00,410 --> 01:44:58,739

disappear it's the it's the astronauts

2177

01:45:01,670 --> 01:45:00,420

hand over the committee that over the

2178

01:45:03,920 --> 01:45:01,680

camera on the International Space

2179

01:45:05,960 --> 01:45:03,930

Station just as something comes into

2180

01:45:07,760 --> 01:45:05,970

view it was just an axe and it just

2181

01:45:10,400 --> 01:45:07,770

happened that his hand was covering the

2182

01:45:11,930 --> 01:45:10,410

lines it just happened Cobras no fun

2183

01:45:13,970 --> 01:45:11,940

tonight he should treat us better he's

2184

01:45:15,590 --> 01:45:13,980

mister serious yeah yeah Emily is that

2185

01:45:20,390 --> 01:45:15,600

like the Bermuda Triangle of flying like

2186

01:45:21,830 --> 01:45:20,400

an eagle that's not that's my problem is

2187

01:45:24,740 --> 01:45:21,840

that like that the Canadian version of

2188

01:45:26,090 --> 01:45:24,750

the Bermuda Triangle kind of thing you

2189

01:45:28,370 --> 01:45:26,100

know that's exactly what I thought of

2190

01:45:31,610 --> 01:45:28,380

when I was researching that story it was

2191

01:45:34,700 --> 01:45:31,620

like it just plain just disappeared in

2192

01:45:37,580 --> 01:45:34,710

the fact that the UFO as soon as the the

2193

01:45:38,990 --> 01:45:37,590

the blips merged then the UFO took off

2194

01:45:42,440 --> 01:45:39,000

it didn't they didn't wait around for an

2195

01:45:43,790 --> 01:45:42,450

hour it was just it happened and they

2196

01:45:45,830 --> 01:45:43,800

never find the plane man that's why I'm

2197

01:45:47,720 --> 01:45:45,840

happy to seen it on TV all the time hey

2198

01:45:51,200 --> 01:45:47,730

we know why were yeah have you on the

2199

01:45:53,479 --> 01:45:51,210

line there you know I've been telling

2200

01:45:55,400 --> 01:45:53,489

the other people this for weeks and I

2201
01:45:57,830 --> 01:45:55,410
have to say the same thing over and over

2202
01:45:59,690 --> 01:45:57,840
switch the man on the way up he is now

2203
01:46:14,450 --> 01:45:59,700
got like two more gigs just like in this

2204
01:46:15,890 --> 01:46:14,460
past week well I'm fighting I don't want

2205
01:46:18,500 --> 01:46:15,900
to become you know pre-madonna

2206
01:46:20,420 --> 01:46:18,510
and you know I expect more editorial

2207
01:46:22,700 --> 01:46:20,430
control and get too big of a head so

2208
01:46:26,510 --> 01:46:22,710
Emily Emily's gonna keep me in check I

2209
01:46:27,680 --> 01:46:26,520
think make sure watch my emails and try

2210
01:46:30,170 --> 01:46:27,690
and read between the lines and see if

2211
01:46:33,500 --> 01:46:30,180
any any events going on Wow okay but

2212
01:46:36,320 --> 01:46:33,510
what happened was the great couple

2213
01:46:40,850 --> 01:46:36,330

Devon Richard de Roos they're having a

2214

01:46:43,490 --> 01:46:40,860

Michigan UFO con and at a Houghton Lake

2215

01:46:45,560 --> 01:46:43,500

Resort Houghton Lake is about two-thirds

2216

01:46:48,170 --> 01:46:45,570

the way up in the center of Michigan the

2217

01:46:51,110 --> 01:46:48,180

Lower Peninsula beautiful area and if

2218

01:46:53,150 --> 01:46:51,120

that is September 22nd actually one week

2219

01:46:56,209 --> 01:46:53,160

after the Mothman festival apparently

2220

01:46:57,770 --> 01:46:56,219

she saw my post in regard to MUFON she

2221

01:46:59,780 --> 01:46:57,780

talked to Bill Kongo Leske the guy that

2222

01:47:02,450 --> 01:46:59,790

had me speak there yes and decided that

2223

01:47:05,090 --> 01:47:02,460

I'm gonna be there with Nick Redfern and

2224

01:47:07,550 --> 01:47:05,100

people like John Tenney so it's really

2225

01:47:09,050 --> 01:47:07,560

really amazing yeah man yeah and then I

2226

01:47:11,510 --> 01:47:09,060

heard from my band posted that on the

2227

01:47:13,430 --> 01:47:11,520

Mothman web site not expecting to speak

2228

01:47:15,380 --> 01:47:13,440

at Mothman again this year yes and Jeff

2229

01:47:17,300 --> 01:47:15,390

Wan's Lee piped up and said yes and he's

2230

01:47:22,760 --> 01:47:17,310

gonna be speaking at lost man - who said

2231

01:47:24,590 --> 01:47:22,770

we get on the floor now it's gonna be a

2232

01:47:26,180 --> 01:47:24,600

pretty big month yes right and this is

2233

01:47:28,400 --> 01:47:26,190

only February who knows what's gonna

2234

01:47:30,620 --> 01:47:28,410

happen in debate I'll still be at the

2235

01:47:32,720 --> 01:47:30,630

butler paranormal weekend which is a

2236

01:47:34,100 --> 01:47:32,730

great thing a little bit don't forget

2237

01:47:38,750 --> 01:47:34,110

some friends yeah really

2238

01:47:40,610 --> 01:47:38,760

you know another names again don't

2239

01:47:42,170 --> 01:47:40,620

forget friends oh wait a minute wait a

2240

01:47:45,110 --> 01:47:42,180

minute that's a primadonna thing going

2241

01:47:48,120 --> 01:47:45,120

again I gotta watch it it'd be funny to

2242

01:47:50,430 --> 01:47:48,130

watch his arc as they say

2243

01:47:52,310 --> 01:47:50,440

and at some point you know they're gonna

2244

01:47:54,270 --> 01:47:52,320

catch you in my big fat mountain boy

2245

01:47:56,430 --> 01:47:54,280

well you know it's what school every

2246

01:48:00,950 --> 01:47:56,440

time I got all these little blurbs up

2247

01:48:09,390 --> 01:48:00,960

there it says and can be heard weekly on

2248

01:48:11,760 --> 01:48:09,400

Cobras show well Mac Melones military

2249

01:48:13,860 --> 01:48:11,770

x-5 that's that's pretty cool thank you

2250

01:48:15,270 --> 01:48:13,870

very much okay Emily he's up he's a

2251

01:48:22,200 --> 01:48:15,280

pretty nice guy you've met him we've

2252

01:48:23,640 --> 01:48:22,210

never met switch time if you had to

2253

01:48:26,490 --> 01:48:23,650

describe when your tours New England

2254

01:48:28,020 --> 01:48:26,500

he'll drop right yes I was gonna ask

2255

01:48:29,729 --> 01:48:28,030

bill Stillman if you want to go go out

2256

01:48:31,200 --> 01:48:29,739

and get drunk of us the first time ever

2257

01:48:33,240 --> 01:48:31,210

but he had already tasted alcohol so

2258

01:48:36,959 --> 01:48:33,250

maybe switch would go with us if you had

2259

01:48:48,899 --> 01:48:36,969

to describe switching three words Howard

2260

01:48:57,330 --> 01:48:48,909

let's make it four words oh I need more

2261

01:49:04,709 --> 01:48:57,340

time to prepare rockin intrepid walking

2262

01:49:09,330 --> 01:49:04,719

encyclopedia of parole all right okay

2263

01:49:12,350 --> 01:49:09,340

switch that was exciting anyway look at

2264

01:49:15,120 --> 01:49:12,360

you guys thanks to the report tonight

2265

01:49:17,669 --> 01:49:15,130

Emily and also thank you switcher Reno

2266

01:49:19,110 --> 01:49:17,679

for telling us once again what it's like

2267

01:49:20,879 --> 01:49:19,120

to be a celebrity we should do with the

2268

01:49:22,470 --> 01:49:20,889

segment every week you know what it's

2269

01:49:23,970 --> 01:49:22,480

like to be a celebrity I feel like we're

2270

01:49:28,290 --> 01:49:23,980

dancing with the stars' already yes

2271

01:49:30,090 --> 01:49:28,300

right yeah well I'm hoping I don't get

2272

01:49:31,680 --> 01:49:30,100

any more gigs for a while so let them

2273

01:49:34,050 --> 01:49:31,690

you know I can kind of calm down a bit

2274

01:49:36,510 --> 01:49:34,060

no it's already he's turning stuff down

2275

01:49:38,220 --> 01:49:36,520

at this point okay that's right practice

2276

01:49:42,090 --> 01:49:38,230

your humbleness here you go yeah it's

2277

01:49:43,740 --> 01:49:42,100

though Stillman who was on earlier

2286

01:50:06,070 --> 01:50:03,890

tonight the psychic who was you know

2287

01:50:07,750 --> 01:50:06,080

told us the advantages of going on the

2288

01:50:09,280 --> 01:50:07,760

straight and narrow you only won one and

2289

01:50:13,090 --> 01:50:09,290

I guess we've decided not to do it is

2290

01:50:15,880 --> 01:50:13,100

that right just to be careful yeah okay

2291

01:50:17,680 --> 01:50:15,890

2297

01:50:38,410 --> 01:50:34,130

thanks for joining us tonight in talking

2298

01:50:40,180 --> 01:50:38,420

about the village in Warminster in

2299

01:50:42,850 --> 01:50:40,190

England that's like haunted by UFOs

2300

01:50:45,970 --> 01:50:42,860

strange the same neighborhood as

2301

01:50:47,290 --> 01:50:45,980

Stonehenge right yeah this UFOs built

2302

01:50:49,840 --> 01:50:47,300

Stonehenge I guess they figured you know

2303

01:50:52,180 --> 01:50:49,850

there weren't any encroachment right yes

2304

01:50:54,670 --> 01:50:52,190

right well they need a place to go to

2305

01:50:56,590 --> 01:50:54,680

2306

01:51:01,290 --> 01:50:56,600
