know I'm gonna tell you guys a little

15

00:00:43,090 --> 00:00:40,770

bit about myself because I usually do

16

00:00:47,930 --> 00:00:43,100

this for my talk show I am an

17

00:00:49,819 --> 00:00:47,940

experiencer of everything imaginable UFO

18

00:00:53,500 --> 00:00:49,829

sightings I even seen some creatures

19

00:00:58,430 --> 00:00:53,510

some call aliens near-death experiences

20

00:01:01,490 --> 00:00:58,440

Bigfoot shadow people demons hat man all

21

00:01:03,619 --> 00:01:01,500

sorts of stuff and I've learned to have

22

00:01:06,620 --> 00:01:03,629

a sense of humor about it and I hope

23

00:01:08,149 --> 00:01:06,630

that everybody can kind of take these

24

00:01:11,090 --> 00:01:08,159

things a little bit lighter than they

25

00:01:15,469 --> 00:01:11,100

have in the past it just needs to be

goodness okay the first time I saw it

39

00:01:58,520 --> 00:01:56,340

was approximately January 30th it was

40

00:02:00,880 --> 00:01:58,530

bright and something was trailing off

41

00:02:04,030 --> 00:02:00,890

from it too far away to tell what it was

42

00:02:06,969 --> 00:02:04,040

this event that I'm contacting you about

43

00:02:09,740 --> 00:02:06,979

not me they're writing this to MUFON

44

00:02:13,510 --> 00:02:09,750

happened while looking out a window at

45

00:02:18,130 --> 00:02:13,520

the deer with an IR camera and

46

00:02:20,410 --> 00:02:18,140

I'm assuming the object was back so I

47

00:02:23,050 --> 00:02:20,420

decided to take a picture and video it

48

00:02:24,790 --> 00:02:23,060

was high in the sky a plane actually

49

00:02:28,750 --> 00:02:24,800

PLAs yeah

50

00:02:32,050 --> 00:02:28,760

passed under it at one point it moved

51
00:02:35,050 --> 00:02:32,060
faster than we have ever seen it could

52
00:02:37,060 --> 00:02:35,060
change directions on a dime it's spun

53
00:02:39,220 --> 00:02:37,070
around on a circle three times when I

54
00:02:42,250 --> 00:02:39,230
zoomed in I could see it changing colors

55
00:02:45,640 --> 00:02:42,260
it stayed for quite some time then just

56
00:02:47,680 --> 00:02:45,650
disappeared we saw red yellow blue green

57
00:02:51,640 --> 00:02:47,690
and purple colors around it Oh sounds

58
00:02:55,600 --> 00:02:51,650
gorgeous and complete black circle under

59
00:02:57,760 --> 00:02:55,610
the entire object at times okay can't

60
00:02:59,920 --> 00:02:57,770
explain it don't know if it's anything

61
00:03:02,410 --> 00:02:59,930
or not just looking for another opinion

62
00:03:04,210 --> 00:03:02,420
you could see some black object pop in

63
00:03:06,970 --> 00:03:04,220

101
00:04:51,250 --> 00:04:47,720
right this next one is a UFO blast from

102
00:04:53,800 --> 00:04:51,260
the past this occurred in Wasilla Alaska

103
00:04:56,770 --> 00:04:53,810
we all know where that is thanks to a

104
00:05:01,450 --> 00:04:56,780
very famous resident this occurred

105
00:05:03,909 --> 00:05:01,460
August 15 2015 from my front porch

106
00:05:07,270 --> 00:05:03,919
walked down porch steps was there for a

107
00:05:09,190 --> 00:05:07,280
little while then gone I spent a nice

108
00:05:10,960 --> 00:05:09,200
warm sunny day with a friend on the

109
00:05:14,470 --> 00:05:10,970
front porch of our house as a member of

110
00:05:16,600 --> 00:05:14,480
a chemtrail website I would often look

111
00:05:20,409 --> 00:05:16,610
up and on this day when I looked up I

112
00:05:23,170 --> 00:05:20,419
saw a giant red glowing disc during the

113
00:05:25,980 --> 00:05:23,180

middle of the day I was shocked and in

114

00:05:28,000 --> 00:05:25,990

disbelief it was the size of a full moon

115

00:05:29,710 --> 00:05:28,010

you know for you guys that listen to

116

00:05:31,890 --> 00:05:29,720

this show more don't we hear we hear

117

00:05:33,940 --> 00:05:31,900

about these big massive ones like that I

118

00:05:35,950 --> 00:05:33,950

personally have seen something rather

119

00:05:40,210 --> 00:05:35,960

massive like that too and the whole body

120

00:05:42,880 --> 00:05:40,220

glowed orangish red so I I understand I

121

00:05:45,700 --> 00:05:42,890

checked and the clouds were between five

122

00:05:49,150 --> 00:05:45,710

to ten thousand feet the disk was above

123

00:05:51,040 --> 00:05:49,160

the clouds the disk had a smaller circle

124

00:05:53,320 --> 00:05:51,050

in the middle of its bottom side

125

00:05:56,740 --> 00:05:53,330

I looked up several times it did not

126

00:05:58,719 --> 00:05:56,750

move or make noise then I looked a

127

00:06:01,480 --> 00:05:58,729

fourth or fifth time and it was gone I

128

00:06:02,590 --> 00:06:01,490

waited over two years mainly out of

129

00:06:04,980 --> 00:06:02,600

disbelief

130

00:06:07,330 --> 00:06:04,990

I guess they mean to report this I think

131

00:06:10,060 --> 00:06:07,340

all right the next you have will report

132

00:06:12,010 --> 00:06:10,070

this occurred in Panama City Panama wow

133

00:06:16,120 --> 00:06:12,020

this is a big UFO blast from the past

134

00:06:19,810 --> 00:06:16,130

this occurred June 17th 1977 newspaper

135

00:06:23,700 --> 00:06:19,820

photos and blog about second Jimmy

136

00:06:26,710 --> 00:06:23,710

Carter related UFO in Panama in June

137

00:06:29,110 --> 00:06:26,720

1977 that sounds interesting

138

00:06:32,530 --> 00:06:29,120

176

00:08:17,260 --> 00:08:14,930

triangle sighting in our marilla Texas

177

00:08:19,480 --> 00:08:17,270

this occurred that's a big blast from

178

00:08:23,469 --> 00:08:19,490

the past kind of this occurred on June

179

00:08:27,790 --> 00:08:23,479

30th 2005 triangle UFO for lights three

180

00:08:31,360 --> 00:08:27,800

yellow one red next to nuclear assembled

181

00:08:34,389 --> 00:08:31,370

disassembled plant huh well they're very

182

00:08:36,009 --> 00:08:34,399

very pointed areas I was driving home in

183

00:08:38,649 --> 00:08:36,019

the dark and noticed some lights that

184

00:08:41,350 --> 00:08:38,659

were out of place at first I thought to

185

00:08:43,240 --> 00:08:41,360

myself how are those lights up so high

186

00:08:45,579 --> 00:08:43,250

it looked like a pickup truck just

187

00:08:47,560 --> 00:08:45,589

hovering in the sky oh that's funny I

188

00:08:50,170 --> 00:08:47,570

201
00:09:24,170 --> 00:09:22,529
that she could see it too she would not

202
00:09:26,119 --> 00:09:24,180
come with me to look at it again I

203
00:09:26,569 --> 00:09:26,129
didn't return to see if it was still

204
00:09:29,600 --> 00:09:26,579
there

205
00:09:32,210 --> 00:09:29,610
the Pantex plant is a bomb assemble

206
00:09:35,449 --> 00:09:32,220
disassemble plant that this UFO was

207
00:09:38,629 --> 00:09:35,459
stationed by I believe I have seen one

208
00:09:41,329 --> 00:09:38,639
additional UFO near this plant silver or

209
00:09:45,019 --> 00:09:41,339
purple glow I don't recall being

210
00:09:47,210 --> 00:09:45,029
frightened during either sighting very

211
00:09:50,449 --> 00:09:47,220
fascinating all right the next one UFO

212
00:09:53,240 --> 00:09:50,459
sighting in Springfield Oregon this is

213
00:09:56,269 --> 00:09:53,250

another blast from the past August 1st

214

00:09:59,389 --> 00:09:56,279

2008 looked like a shooting star or

215

00:10:04,519 --> 00:09:59,399

falling star white in color with white

216

00:10:07,370 --> 00:10:04,529

exhaust cam trailing it was 2008 I lived

217

00:10:10,220 --> 00:10:07,380

in Lapine Oregon me and a friend were in

218

00:10:12,230 --> 00:10:10,230

his truck up in Sisters Oregon going for

219

00:10:15,530 --> 00:10:12,240

a drive while he drinks a couple of

220

00:10:20,210 --> 00:10:15,540

beers he got pulled over for a DUI I

221

00:10:22,819 --> 00:10:20,220

went to judge Hill he went to jail I'm

222

00:10:23,629 --> 00:10:22,829

sorry I got to walk home down the side

223

00:10:26,540 --> 00:10:23,639

of the highway

224

00:10:30,620 --> 00:10:26,550

I walked until I got between sisters and

225

00:10:33,259 --> 00:10:30,630

2 mu lo Oregon as I'm walking I get this

226
00:10:35,990 --> 00:10:33,269
urge to look behind myself so I turned

227
00:10:38,210 --> 00:10:36,000
around moving from my right to my left I

228
00:10:41,600 --> 00:10:38,220
saw what I thought was a shooting star

229
00:10:43,670 --> 00:10:41,610
white in color it followed along Earth's

230
00:10:45,230 --> 00:10:43,680
atmosphere then I don't know where it

231
00:10:49,340 --> 00:10:45,240
plunges into the Earth's atmosphere

232
00:10:52,249 --> 00:10:49,350
it didn't even burn up for orange sparks

233
00:10:54,889 --> 00:10:52,259
shot out from behind it like a trail but

234
00:10:56,689 --> 00:10:54,899
disappeared instantly then once it broke

235
00:10:59,210 --> 00:10:56,699
through Earth's atmosphere it took a

236
00:11:01,400 --> 00:10:59,220
rounded left into the clouds

237
00:11:03,679 --> 00:11:01,410
I could see it moving through some

238
00:11:07,129 --> 00:11:03,689

251
00:11:49,110 --> 00:11:46,389
this occurred February 2nd 2018 light

252
00:11:52,069 --> 00:11:49,120
flashing look like lights were in

253
00:11:55,199 --> 00:11:52,079
departments with gaps between lights

254
00:11:58,379 --> 00:11:55,209
taking 50 year-old to heists 15 year old

255
00:12:00,179 --> 00:11:58,389
to high school around 656 a.m. I saw

256
00:12:03,600 --> 00:12:00,189
blinking lights moving faster than

257
00:12:05,850 --> 00:12:03,610
anything I ever seen I live only about

258
00:12:09,269 --> 00:12:05,860
43 miles from Atlanta Airport and see

259
00:12:12,900 --> 00:12:09,279
planes and helicopters all the time day

260
00:12:16,110 --> 00:12:12,910
and night but what caught my eye was the

261
00:12:19,410 --> 00:12:16,120
speed I have never seen anything move

262
00:12:22,499 --> 00:12:19,420
that fast and stopped in midair and move

263
00:12:25,889 --> 00:12:22,509

276

00:13:04,169 --> 00:13:02,319

I know what we saw gives me a kick when

277

00:13:06,929 --> 00:13:04,179

people say that's kind of funny I don't

278

00:13:09,079 --> 00:13:06,939

do anything really honest already next

279

00:13:11,699 --> 00:13:09,089

your full sighting in Toronto Ontario

280

00:13:15,299 --> 00:13:11,709

slight blast from the past this occurred

281

00:13:17,819 --> 00:13:15,309

September 5th 2013 3 p.m. all three of

282

00:13:18,360 --> 00:13:17,829

us witnessed disc-shaped craft heading

283

00:13:20,579 --> 00:13:18,370

east

284

00:13:23,250 --> 00:13:20,589

it stopped hovered for a second then

285

00:13:26,270 --> 00:13:23,260

tilted slightly before ascending

286

00:13:30,060 --> 00:13:26,280

through the cloud which made a halo

287

00:13:32,100 --> 00:13:30,070

opening my wife daughter and myself were

288

00:13:33,000 --> 00:13:32,110

having lunch out on our back deck around

289

00:13:35,700 --> 00:13:33,010

2 p.m.

290

00:13:39,420 --> 00:13:35,710

early September 2013 when my daughter

291

00:13:42,510 --> 00:13:39,430

said dad what is that my wife and I

292

00:13:46,500 --> 00:13:42,520

turned and saw a disc-shaped craft about

293

00:13:47,730 --> 00:13:46,510

the size of a school bus about 5000 feet

294

00:13:49,980 --> 00:13:47,740

in the air

295

00:13:53,010 --> 00:13:49,990

it was metallic in color it was moving

296

00:13:55,590 --> 00:13:53,020

forward west to east direction but had a

297

00:13:57,600 --> 00:13:55,600

wobble effect at the same time we

298

00:14:00,120 --> 00:13:57,610

observed it for about a minute then it

299

00:14:03,480 --> 00:14:00,130

stopped hovered for about two to three

300

00:14:06,660 --> 00:14:03,490

seconds then tilted slightly before

301
00:14:09,350 --> 00:14:06,670
ascending through the cloud which as it

302
00:14:12,480 --> 00:14:09,360
went through the cloud it punched a hole

303
00:14:16,500 --> 00:14:12,490
open in the cloud which we observed as

304
00:14:18,750 --> 00:14:16,510
well as observing this craft I turned to

305
00:14:21,840 --> 00:14:18,760
my wife and daughter and asked both what

306
00:14:25,170 --> 00:14:21,850
they saw they both were silent as if

307
00:14:28,710 --> 00:14:25,180
unsure on how to respond then I asked

308
00:14:30,690 --> 00:14:28,720
both did you see a disc that was as big

309
00:14:32,400 --> 00:14:30,700
as a bus no winged stop in midair and

310
00:14:34,740 --> 00:14:32,410
then tilt and then ascend like a bullet

311
00:14:38,220 --> 00:14:34,750
speed through with the clouds they both

312
00:14:41,130 --> 00:14:38,230
said almost at the same time was that a

313
00:14:44,550 --> 00:14:41,140

UFO we all just stared at one another

314

00:14:46,830 --> 00:14:44,560

and finished our lunch the next day

315

00:14:50,070 --> 00:14:46,840

reports of red orbs in the night sky

316

00:14:52,980 --> 00:14:50,080

were reported by many in Toronto that

317

00:14:56,010 --> 00:14:52,990

sounds like the airport sighting over

318

00:14:58,170 --> 00:14:56,020

here in at O'Hare in Chicago that is

319

00:14:59,520 --> 00:14:58,180

really high it's Jamie progress's

320

00:15:02,040 --> 00:14:59,530

employee of the month two months in a

321

00:15:02,790 --> 00:15:02,050

row leave a message at the hi Jamie it's

322

00:15:04,530 --> 00:15:02,800

me Jamie

323

00:15:06,330 --> 00:15:04,540

I just had a new idea for our song about

324

00:15:08,070 --> 00:15:06,340

the name your price tool so when it's

325

00:15:10,050 --> 00:15:08,080

like tell us what you want to pay hey

326

00:15:12,030 --> 00:15:10,060

hey hey the trombone goes blah blah blah

327

00:15:14,640 --> 00:15:12,040

and you say we'll help you find carpet

328

00:15:16,260 --> 00:15:14,650

options to fit your budget then we just

329

00:15:17,940 --> 00:15:16,270

all do finger snaps while choir goes

330

00:15:20,400 --> 00:15:17,950

Stephens coming at you save it's coming

331

00:15:22,020 --> 00:15:20,410

out Jeff yes no maybe anyway so your

332

00:15:24,060 --> 00:15:22,030

practice tonight I got new lyrics for

333

00:15:25,320 --> 00:15:24,070

the rap break progressive casualty

334

00:15:26,610 --> 00:15:25,330

insurance company in affiliates pricing

335

00:15:27,930 --> 00:15:26,620

coverage imagine limited by state law

336

00:15:31,350 --> 00:15:27,940

say something cuz a lot of people

337

00:15:33,540 --> 00:15:31,360

witnessed a UFO and then it punched

338

00:15:36,090 --> 00:15:33,550

through the clouds and left a perfect

339

00:15:37,140 --> 00:15:36,100

hole in it and people weren't able to

340

00:15:39,019 --> 00:15:37,150

get a record

341

00:15:41,760 --> 00:15:39,029

of the UFO though I'm sure that the

342

00:15:43,800 --> 00:15:41,770

airport did they just didn't release it

343

00:15:45,930 --> 00:15:43,810

but a lot of people took videos of the

344

00:15:49,019 --> 00:15:45,940

hole that was punched the cloud it was

345

00:15:52,769 --> 00:15:49,029

phenomenal absolutely phenomenal all

346

00:15:55,769 --> 00:15:52,779

right moving on black triangle in Regina

347

00:15:58,050 --> 00:15:55,779

Saskatchewan this is a UFO blast from

348

00:16:02,130 --> 00:15:58,060

the past as well this occurred May 25th

349

00:16:02,730 --> 00:16:02,140

2012 black large triangle UFO in more

350

00:16:05,730 --> 00:16:02,740

detail

351
00:16:07,440 --> 00:16:05,740
I was out side by myself on my driveway

352
00:16:11,010 --> 00:16:07,450
in front of my house in the city of

353
00:16:13,320 --> 00:16:11,020
Regina and was looking up at the sky to

354
00:16:15,720 --> 00:16:13,330
look at the sky and stars it was a nice

355
00:16:18,360 --> 00:16:15,730
night out but with a bit of fog patches

356
00:16:21,780 --> 00:16:18,370
in the sky after five minutes of looking

357
00:16:25,410 --> 00:16:21,790
at the sky a huge black triangle flew

358
00:16:27,420 --> 00:16:25,420
right over me I'd estimate it was going

359
00:16:30,090 --> 00:16:27,430
a hundred kilometers an hour or less

360
00:16:33,150 --> 00:16:30,100
when it flew over me I had a powerful

361
00:16:35,250 --> 00:16:33,160
laser light in my pocket that creates a

362
00:16:38,370 --> 00:16:35,260
beam in the sky yeah you don't use that

363
00:16:40,079 --> 00:16:38,380

for bugging planes do you hope not that

364

00:16:42,210 --> 00:16:40,089

I would use to show my friends out in

365

00:16:44,640 --> 00:16:42,220

the country the stars like the Big

366

00:16:46,079 --> 00:16:44,650

Dipper and such yeah you think it could

367

00:16:49,650 --> 00:16:46,089

point to the Big Dipper

368

00:16:51,690 --> 00:16:49,660

that's a powerful one as soon as I seen

369

00:16:54,570 --> 00:16:51,700

the black triangle UFO I grabbed my

370

00:16:58,860 --> 00:16:54,580

laser out of my pocket and shined it on

371

00:17:02,490 --> 00:16:58,870

the UFO and oddly I seen the beam go

372

00:17:06,630 --> 00:17:02,500

right up to the UFO but did not reflect

373

00:17:09,540 --> 00:17:06,640

back oh that's interesting and seemed it

374

00:17:13,860 --> 00:17:09,550

to absorb the light this sighting lasted

375

00:17:17,010 --> 00:17:13,870

I'd say 20 seconds the UFO had no sound

376
00:17:19,829 --> 00:17:17,020
at all I was surprised the UFO went over

377
00:17:22,500 --> 00:17:19,839
a city like Regina especially because

378
00:17:24,900 --> 00:17:22,510
they usually avoid cities unless its

379
00:17:28,049 --> 00:17:24,910
orbs Wow

380
00:17:29,340 --> 00:17:28,059
I wouldn't what a neat test to do it's

381
00:17:31,830 --> 00:17:29,350
like to have that in your pocket go oh

382
00:17:34,260 --> 00:17:31,840
oh oh let me try this that's pretty cool

383
00:17:36,690 --> 00:17:34,270
alright the next one you'll fall

384
00:17:39,930 --> 00:17:36,700
sighting in Topeka Kansas has occurred

385
00:17:42,630 --> 00:17:39,940
on February 1st 2018 in brief the

386
00:17:45,930 --> 00:17:42,640
witness states shape-shifted cloaking

387
00:17:49,769 --> 00:17:45,940
device suspected variety of sizes during

388
00:17:52,799 --> 00:17:49,779

encounter multiple colors of light Wow

389

00:17:55,619 --> 00:17:52,809

all right and more detail they're saying

390

00:17:58,080 --> 00:17:55,629

at 9:37 p.m. I was at home and decided

391

00:18:00,359 --> 00:17:58,090

to go to the gas station just up the

392

00:18:03,719 --> 00:18:00,369

street from my house and get some 20

393

00:18:06,330 --> 00:18:03,729

ounce sodas I put on my coat due to it

394

00:18:08,549 --> 00:18:06,340

being only 18 degrees Fahrenheit outside

395

00:18:11,789 --> 00:18:08,559

grabbed my wallet and took my keys and

396

00:18:13,830 --> 00:18:11,799

headed out to my truck as I start my

397

00:18:16,019 --> 00:18:13,840

truck I look up in the sky to my south

398

00:18:18,119 --> 00:18:16,029

southeast this is the way my truck is

399

00:18:20,430 --> 00:18:18,129

facing parked on the street and I

400

00:18:23,009 --> 00:18:20,440

noticed this extremely bright light that

401
00:18:25,739 --> 00:18:23,019
resembles a candle flame and looks like

402
00:18:27,539 --> 00:18:25,749
a flame dancing on a wick seeing as how

403
00:18:29,789 --> 00:18:27,549
this is not something that is very

404
00:18:31,469 --> 00:18:29,799
strange in the sky oh that it is

405
00:18:35,639 --> 00:18:31,479
something sorry it's strange in this guy

406
00:18:37,919 --> 00:18:35,649
I say out loud what is that as soon as I

407
00:18:40,979 --> 00:18:37,929
said this it immediately stops

408
00:18:44,539 --> 00:18:40,989
flickering and appeared to take on the

409
00:18:47,129 --> 00:18:44,549
shape and features of an airplane

410
00:18:50,219 --> 00:18:47,139
naturally after seeing this my eyes were

411
00:18:53,039 --> 00:18:50,229
glued to this thing in the sky slowly it

412
00:18:55,139 --> 00:18:53,049
started to look as if it was really a

413
00:18:59,820 --> 00:18:55,149

whitish but within that light tiny dots

439

00:20:04,739 --> 00:20:03,549

of all

440

00:20:08,369 --> 00:20:04,749

all the colors you could possibly

441

00:20:11,159 --> 00:20:08,379

imagine randomly blipped on it and in no

442

00:20:13,019 --> 00:20:11,169

apparent order I get to the gas station

443

00:20:15,269 --> 00:20:13,029

I get my sodas and rush back home to see

444

00:20:17,519 --> 00:20:15,279

if it's still there I park on the street

445

00:20:18,720 --> 00:20:17,529

facing south and shut off my truck and

446

00:20:24,330 --> 00:20:18,730

look in the sky to the south-southeast

447

00:20:26,669 --> 00:20:24,340

again and it is still there doing doing

448

00:20:29,100 --> 00:20:26,679

the freaking out vibrating changing

449

00:20:30,720 --> 00:20:29,110

colors thing so I get my phone out to

450

00:20:33,029 --> 00:20:30,730

try to see if I can hopefully catch

451
00:20:35,100 --> 00:20:33,039
something on video or at least a picture

452
00:20:39,119 --> 00:20:35,110
and as soon as I get my phone out and

453
00:20:42,330 --> 00:20:39,129
before I can unlock it this thing stops

454
00:20:45,810 --> 00:20:42,340
all movement completely then slowly this

455
00:20:48,269 --> 00:20:45,820
thing started to dim and then it slowly

456
00:20:50,999 --> 00:20:48,279
started to go higher and as it did it

457
00:20:54,330 --> 00:20:51,009
looked like a circular object like a

458
00:20:56,249 --> 00:20:54,340
meteor falling to earth like the tail of

459
00:20:58,440 --> 00:20:56,259
one of those but in the opposite

460
00:21:01,259 --> 00:20:58,450
direction as it was going upwards and

461
00:21:04,519 --> 00:21:01,269
the top of it looked to be rounded off a

462
00:21:07,320 --> 00:21:04,529
few seconds later it was completely gone

463
00:21:09,720 --> 00:21:07,330

476
00:21:43,200 --> 00:21:41,200
seeing this same light growing up in the

477
00:21:46,710 --> 00:21:43,210
same position in the sky south-southeast

478
00:21:48,509 --> 00:21:46,720
and appearing to be over a lake I wonder

479
00:21:51,359 --> 00:21:48,519
how long it has been watching me I

480
00:21:55,340 --> 00:21:51,369
wonder if it's the same beings that have

481
00:21:57,749 --> 00:21:55,350
come before I wonder what they want

482
00:22:00,960 --> 00:21:57,759
overall I feel positive about it

483
00:22:03,629 --> 00:22:00,970
but wouldn't mind some answers also I

484
00:22:07,769 --> 00:22:03,639
need to note that it was completely

485
00:22:11,340 --> 00:22:07,779
silent you guys once again you see that

486
00:22:13,320 --> 00:22:11,350
pattern people felt like they knew that

487
00:22:15,629 --> 00:22:13,330
this they were both watching each other

488
00:22:17,350 --> 00:22:15,639

526

00:23:54,100 --> 00:23:51,680

all got bored so we took a walk it was

527

00:23:57,310 --> 00:23:54,110

for fun for everyone but it wasn't for

528

00:23:59,470 --> 00:23:57,320

me I felt watched I glanced over my

529

00:24:01,840 --> 00:23:59,480

shoulder I saw someone I couldn't open

530

00:24:03,760 --> 00:24:01,850

my mouth to say what I needed to

531

00:24:06,100 --> 00:24:03,770

it felt like my lips were glued together

532

00:24:07,570 --> 00:24:06,110

I looked back at the road ahead of me

533

00:24:09,550 --> 00:24:07,580

everyone was laughing talking and

534

00:24:12,010 --> 00:24:09,560

telling jokes but all I could do was

535

00:24:14,830 --> 00:24:12,020

worry about the big fat stop sign ahead

536

00:24:17,020 --> 00:24:14,840

which meant we had to turn around I

537

00:24:19,830 --> 00:24:17,030

could see it in the distance each house

538

00:24:22,900 --> 00:24:19,840

551
00:24:55,510 --> 00:24:52,850
I see things all the time we did the

552
00:24:57,610 --> 00:24:55,520
Ouija board now this is where everything

553
00:24:59,920 --> 00:24:57,620
goes down my sister and her friends did

554
00:25:02,170 --> 00:24:59,930
it they asked typical questions my

555
00:25:05,500 --> 00:25:02,180
sister thought it was one of her friends

556
00:25:07,750 --> 00:25:05,510
now to make sure it wasn't any of them

557
00:25:10,540 --> 00:25:07,760
she asked a question that only me and my

558
00:25:13,270 --> 00:25:10,550
sister know and I wasn't playing and I

559
00:25:13,810 --> 00:25:13,280
trust my sister very much she would not

560
00:25:16,810 --> 00:25:13,820
lie to me

561
00:25:22,120 --> 00:25:16,820
she asked what's my great-grandmother's

562
00:25:24,970 --> 00:25:22,130
name the board answered Evelyn it was

563
00:25:27,970 --> 00:25:24,980

576
00:26:02,140 --> 00:25:59,030
she asked what color are the walls it

577
00:26:04,300 --> 00:26:02,150
answered directly and correctly we

578
00:26:06,010 --> 00:26:04,310
decided to stop playing and said goodbye

579
00:26:10,030 --> 00:26:06,020
we almost forgot to review the footage

580
00:26:14,170 --> 00:26:10,040
and audio that my sister remembered it

581
00:26:18,340 --> 00:26:14,180
haunting in a deep deep voice it said

582
00:26:20,350 --> 00:26:18,350
walls it haunting I don't get it I guess

583
00:26:23,800 --> 00:26:20,360
I didn't probably mean it hauntingly

584
00:26:27,610 --> 00:26:23,810
said in a deep deep voice walls then the

585
00:26:30,640 --> 00:26:27,620
same second someone ran past the camera

586
00:26:32,860 --> 00:26:30,650
that night I couldn't sleep the whole

587
00:26:35,620 --> 00:26:32,870
night I don't know what it was but I

588
00:26:39,400 --> 00:26:35,630

601
00:27:17,450 --> 00:27:13,010
or 20 and said hail Satan whew I froze

602
00:27:19,850 --> 00:27:17,460
what she showed me I took pictures but

603
00:27:22,100 --> 00:27:19,860
they went missing for my phone we left

604
00:27:24,919 --> 00:27:22,110
the house I visit the house a couple of

605
00:27:26,930 --> 00:27:24,929
times a month a year I had one good

606
00:27:30,049 --> 00:27:26,940
nightmare in my house before that was it

607
00:27:33,500 --> 00:27:30,059
I had recently visited it and took a

608
00:27:36,049 --> 00:27:33,510
selfie there it was a hanging little

609
00:27:38,230 --> 00:27:36,059
girl behind me it was all black behind

610
00:27:40,970 --> 00:27:38,240
me but you could see the tiny cubes

611
00:27:44,509 --> 00:27:40,980
making a rope and the little girl's face

612
00:27:47,629 --> 00:27:44,519
behind me I still have it no explanation

613
00:27:49,519 --> 00:27:47,639

on this entire experience this was by

614

00:27:52,580 --> 00:27:49,529

far the scariest paranormal thing to

615

00:27:55,340 --> 00:27:52,590

happen to me I still have experiences to

616

00:27:57,460 --> 00:27:55,350

this day but nothing this big thank you

617

00:28:00,860 --> 00:27:57,470

for listening to this true story well

618

00:28:04,220 --> 00:28:00,870

goodness a tweet reports open up

619

00:28:07,490 --> 00:28:04,230

doorways I get so many emails all the

620

00:28:09,529 --> 00:28:07,500

time for people that I don't know I

621

00:28:12,230 --> 00:28:09,539

think it's just something that we do

622

00:28:16,100 --> 00:28:12,240

when we're teenagers we go digging into

623

00:28:20,810 --> 00:28:16,110

these odd things I did it terrified

624

00:28:23,419 --> 00:28:20,820

myself too hmm I don't know it's uh it's

625

00:28:25,159 --> 00:28:23,429

just one of those things so yeah and it

626

00:28:27,289 --> 00:28:25,169

doesn't matter where you move once you

627

00:28:29,180 --> 00:28:27,299

open that door at some point in your

628

00:28:32,060 --> 00:28:29,190

life it just seems that other things can

629

00:28:35,060 --> 00:28:32,070

come through so good luck

630

00:28:36,919 --> 00:28:35,070

say your prayers honestly it's a ruff

631

00:28:39,500 --> 00:28:36,929

ruff thing when those things keep coming

632

00:28:41,210 --> 00:28:39,510

all right well I have to say thank you
