some UFO reports whoo boy we've got a

14

00:00:43,819 --> 00:00:40,710

lot of juicy ones here today UFO

15

00:00:45,590 --> 00:00:43,829

sighting in Marietta California UFO

16

00:00:51,819 --> 00:00:45,600

blasts when the passes occurred

17

00:00:56,090 --> 00:00:51,829

May 17th 2007 object trailing c-17 at

18

00:00:58,279 --> 00:00:56,100

altitude and more detail I lived in

19

00:01:00,979 --> 00:00:58,289

Murrieta California for a year and often

20

00:01:03,560 --> 00:01:00,989

times relaxed on a patio swing with my

21

00:01:05,570 --> 00:01:03,570

four-year-old niece who loved watching

22

00:01:08,030 --> 00:01:05,580

and learning about the sometimes steady

23

00:01:10,640 --> 00:01:08,040

stream of aircraft whose flight paths

24

00:01:14,630 --> 00:01:10,650

were directly over the backyard which

25

00:01:17,480 --> 00:01:14,640

had no trees and no patio cover the open

26
00:01:19,219 --> 00:01:17,490
sky view was excellent there one of the

27
00:01:22,399 --> 00:01:19,229
only things I liked about being there

28
00:01:25,399 --> 00:01:22,409
having been from a family of pilots and

29
00:01:27,410 --> 00:01:25,409
mechanics and airplane fanatics a

30
00:01:29,780 --> 00:01:27,420
favorite pastime was identifying

31
00:01:31,730 --> 00:01:29,790
whatever flew overhead well that sounds

32
00:01:35,359 --> 00:01:31,740
like a fun pastime thing to do if you

33
00:01:37,280 --> 00:01:35,369
know that stuff cool then they are

34
00:01:39,319 --> 00:01:37,290
naming some sort of Air Force Base but

35
00:01:42,920 --> 00:01:39,329
with initials I do not know what they

36
00:01:44,780 --> 00:01:42,930
are a FBI about 30 miles north of the

37
00:01:46,880 --> 00:01:44,790
house and there were plenty of flights

38
00:01:53,120 --> 00:01:46,890

coming out of there mostly cargo planes

39

00:01:55,370 --> 00:01:53,130

C F what C 5 C 17 etc and this day was

40

00:01:58,399 --> 00:01:55,380

very clear that afforded an

41

00:02:00,499 --> 00:01:58,409

extraordinary view of the skies the

42

00:02:02,389 --> 00:02:00,509

swing faced the East that way the

43

00:02:05,780 --> 00:02:02,399

afternoon Sun was at our backs and

44

00:02:08,900 --> 00:02:05,790

allowed those seated to lean our head

45

00:02:11,930 --> 00:02:08,910

back for a relaxed view straight over

46

00:02:14,089 --> 00:02:11,940

our heads this day I'd gone out and took

47

00:02:16,220 --> 00:02:14,099

a seat there with Peyton

48

00:02:19,910 --> 00:02:16,230

and realized I left my camera on the

49

00:02:21,979 --> 00:02:19,920

kitchen table mm-hmm unfortunate which

50

00:02:24,470 --> 00:02:21,989

was just through the open French door

51
00:02:27,589 --> 00:02:24,480
about ten feet away but I decided I

52
00:02:30,440 --> 00:02:27,599
didn't want to get back up for that of

53
00:02:33,920 --> 00:02:30,450
course just as I assumed my head

54
00:02:36,770 --> 00:02:33,930
position back I spotted a c-17 straight

55
00:02:41,360 --> 00:02:36,780
overhead leaving a contrail which is

56
00:02:43,839 --> 00:02:41,370
typical the c-17 is a darker shade of

57
00:02:47,539 --> 00:02:43,849
gray and has a very distinct outline

58
00:02:49,879 --> 00:02:47,549
easy to ID when it's at cruising

59
00:02:51,170 --> 00:02:49,889
altitude oh so it's the c-17 that are

60
00:02:53,149 --> 00:02:51,180
doing chemtrails you guys catch that

61
00:02:57,050 --> 00:02:53,159
catch that mm-hmm

62
00:02:58,939 --> 00:02:57,060
now we know must be cargo planes it took

63
00:03:02,179 --> 00:02:58,949

a moment to make sense of what I was

64

00:03:05,420 --> 00:03:02,189

seeing which was a long white tube like

65

00:03:09,229 --> 00:03:05,430

object trailing it at the same altitude

66

00:03:12,199 --> 00:03:09,239

a little longer than the c-17 it clearly

67

00:03:16,220 --> 00:03:12,209

had no wings or tail section and was not

68

00:03:19,069 --> 00:03:16,230

leaving a contrail like the jet from my

69

00:03:21,170 --> 00:03:19,079

estimation knowing the size of the c-17

70

00:03:24,259 --> 00:03:21,180

the object trailed it by nearly a

71

00:03:28,280 --> 00:03:24,269

quarter of a mile and just to the right

72

00:03:30,619 --> 00:03:28,290

or starboard side of the jet as they

73

00:03:32,749 --> 00:03:30,629

flew in a southerly direction the object

74

00:03:35,719 --> 00:03:32,759

eventually crossed through the contrail

75

00:03:39,439 --> 00:03:35,729

to the port side of the jet as though

76

00:03:41,599 --> 00:03:39,449

staying out of speed to the left of the

77

00:03:44,929 --> 00:03:41,609

jet and ascended quickly out of sight I

78

00:03:47,179 --> 00:03:44,939

never heard of a cigar-shaped object

79

00:03:49,309 --> 00:03:47,189

especially white in color so I mentioned

80

00:03:51,860 --> 00:03:49,319

it only to a few people but later

81

00:03:53,479 --> 00:03:51,870

learned that it's a relatively common

82

00:03:55,699 --> 00:03:53,489

shape and color

83

00:03:57,080 --> 00:03:55,709

I was always open-minded enough to

84

00:03:59,479 --> 00:03:57,090

believe in the existence of other life

85

00:04:01,490 --> 00:03:59,489

in the universe but like so many others

86

00:04:04,099 --> 00:04:01,500

I'm too busy with life to spend a lot of

87

00:04:05,780 --> 00:04:04,109

time seeking them I felt it couldn't

88

00:04:08,809 --> 00:04:05,790

hurt to contribute this experience now

89

00:04:11,839 --> 00:04:08,819

having had one other sighting very soon

90

00:04:15,199 --> 00:04:11,849

after that one but at night sightings

91

00:04:17,839 --> 00:04:15,209

are very personal in that it elevated me

92

00:04:21,170 --> 00:04:17,849

that day it gave me reason to believe in

93

00:04:23,750 --> 00:04:21,180

all possibilities and perhaps that's all

94

00:04:25,279 --> 00:04:23,760

it was about but considering the state

95

00:04:27,650 --> 00:04:25,289

of our country knowing there's an

96

00:04:30,980 --> 00:04:27,660

intelligence monitoring the ignorance

97

00:04:34,010 --> 00:04:30,990

that governs her government's I sleep a

98

00:04:37,940 --> 00:04:34,020

little better each night oh can I get an

99

00:04:39,890 --> 00:04:37,950

amen to that one Oh behave yourself hide

100

00:04:41,840 --> 00:04:39,900

a behavior soften bite my tongue is

101
00:04:44,450 --> 00:04:41,850
enough in politics going on and make you

102
00:04:46,460 --> 00:04:44,460
puke isn't it mm-hmm

103
00:04:49,700 --> 00:04:46,470
all right moving on black triangle

104
00:04:53,330 --> 00:04:49,710
sighting in Ocean Township New Jersey

105
00:04:55,730 --> 00:04:53,340
this occurred February 1st 2018 black

106
00:04:59,120 --> 00:04:55,740
triangular object bright light in front

107
00:05:00,800 --> 00:04:59,130
colored lights on sides and bottom hmm

108
00:05:03,020 --> 00:05:00,810
my mother and I were on our way home

109
00:05:05,960 --> 00:05:03,030
from the store went out of the corner my

110
00:05:08,630 --> 00:05:05,970
left eye I saw what I thought was an

111
00:05:10,520 --> 00:05:08,640
extremely bright star at first I put it

112
00:05:13,370 --> 00:05:10,530
out to my mom and as we drove about

113
00:05:16,160 --> 00:05:13,380

another 30 to 40 feet we were able to

114

00:05:19,550 --> 00:05:16,170

see that it definitely was not a star

115

00:05:21,890 --> 00:05:19,560

the object looked black in color it was

116

00:05:24,500 --> 00:05:21,900

at night but I got a very good look at

117

00:05:27,440 --> 00:05:24,510

it despite it being dark out and had a

118

00:05:30,620 --> 00:05:27,450

very big very bright white light in the

119

00:05:33,680 --> 00:05:30,630

front most point was a red pulsating

120

00:05:36,170 --> 00:05:33,690

light on each of the outermost most

121

00:05:38,150 --> 00:05:36,180

points we then stopped the car because

122

00:05:40,160 --> 00:05:38,160

we were shocked at what we're seeing at

123

00:05:42,350 --> 00:05:40,170

this time the triangular object appeared

124

00:05:45,650 --> 00:05:42,360

to be hovering in one spot which was

125

00:05:48,380 --> 00:05:45,660

over a small marina we then made a left

126
00:05:50,540 --> 00:05:48,390
onto the street next to Marina from this

127
00:05:53,930 --> 00:05:50,550
angle we were able to see the object

128
00:05:56,600 --> 00:05:53,940
more clearly it looked way too low to be

129
00:05:59,210 --> 00:05:56,610
an airplane the lights were also way too

130
00:06:01,940 --> 00:05:59,220
bright not to mention it was clearly a

131
00:06:04,520 --> 00:06:01,950
full triangle shape we then pulled over

132
00:06:06,440 --> 00:06:04,530
again and I got out of the car to have a

133
00:06:08,750 --> 00:06:06,450
better look at this time the object

134
00:06:11,330 --> 00:06:08,760
started to fly in a straight line very

135
00:06:14,060 --> 00:06:11,340
fast it was making a sort of rumbling

136
00:06:16,190 --> 00:06:14,070
noise but it was going so fast way

137
00:06:19,940 --> 00:06:16,200
faster than an airplane that the sound

138
00:06:21,290 --> 00:06:19,950

was actually behind the object you'd see

139

00:06:23,570 --> 00:06:21,300

the object but wouldn't hear it right

140

00:06:25,520 --> 00:06:23,580

away like the sound was following behind

141

00:06:27,530 --> 00:06:25,530

it it was almost right over our heads

142

00:06:30,050 --> 00:06:27,540

now permitting us to see the bottom

143

00:06:33,350 --> 00:06:30,060

underneath it which had more colored

144

00:06:35,750 --> 00:06:33,360

lights on it it was almost like once it

145

00:06:39,140 --> 00:06:35,760

realized we were watching it that's when

146

00:06:40,970 --> 00:06:39,150

it started flying away once it flew far

147

00:06:42,800 --> 00:06:40,980

enough away

148

00:06:45,440 --> 00:06:42,810

we weren't able to see it any longer we

149

00:06:49,010 --> 00:06:45,450

pulled away and proceeded back home both

150

00:06:51,590 --> 00:06:49,020

my mom and I felt a bit uneasy after the

151
00:06:53,530 --> 00:06:51,600
sighting you see that once again people

152
00:06:56,450 --> 00:06:53,540
felt like they knew they were watching

153
00:06:58,910 --> 00:06:56,460
you think about it if you have a cool

154
00:07:02,630 --> 00:06:58,920
little anti-gravity machine where you

155
00:07:04,940 --> 00:07:02,640
can float up in the sky I'm just taking

156
00:07:06,530 --> 00:07:04,950
the scenery you could spot somebody

157
00:07:08,630 --> 00:07:06,540
mowing their lawn or something or

158
00:07:11,240 --> 00:07:08,640
driving a little bit different slow and

159
00:07:13,490 --> 00:07:11,250
down trying to get a look at you right

160
00:07:16,280 --> 00:07:13,500
why wouldn't these guys be able to are

161
00:07:18,500 --> 00:07:16,290
they so enamored by their cell phones

162
00:07:26,420 --> 00:07:18,510
that they cannot pay attention to what's

163
00:07:28,520 --> 00:07:26,430

around them like humans all right the

164

00:07:32,690 --> 00:07:28,530

next UFO sighting happened in Pahrump

165

00:07:35,480 --> 00:07:32,700

Nevada you guys know the famous person

166

00:07:37,340 --> 00:07:35,490

that resides in that area right all

167

00:07:39,680 --> 00:07:37,350

right this occurred January 31st 2018

168

00:07:41,660 --> 00:07:39,690

okay if you don't know it's art bell he

169

00:07:44,600 --> 00:07:41,670

started coast to coast am mm-hmm all

170

00:07:46,700 --> 00:07:44,610

right UFO following unmarked jet I wave

171

00:07:50,090 --> 00:07:46,710

at it and it turns and comes to me Oh

172

00:07:51,950 --> 00:07:50,100

see these things know they know we're

173

00:07:54,350 --> 00:07:51,960

watching all right this is in more

174

00:07:56,770 --> 00:07:54,360

detail while taking my dog out I noticed

175

00:07:59,810 --> 00:07:56,780

a low-flying jet coming from an unusual

176
00:08:02,300 --> 00:07:59,820
direction from the south and flying low

177
00:08:05,390 --> 00:08:02,310
towards either Las Vegas or the Air

178
00:08:08,270 --> 00:08:05,400
Force Base it appeared like a smaller

179
00:08:11,180 --> 00:08:08,280
glowing object was following behind the

180
00:08:15,290 --> 00:08:11,190
tail of the jet wavering back and forth

181
00:08:17,660 --> 00:08:15,300
I felt compelled to wave at it me just

182
00:08:19,760 --> 00:08:17,670
being silly at times and was excited at

183
00:08:23,150 --> 00:08:19,770
witnessing this event and was trying to

184
00:08:27,020 --> 00:08:23,160
get its attention next thing I see is

185
00:08:30,530 --> 00:08:27,030
the craft making a 90-degree angle turn

186
00:08:33,230 --> 00:08:30,540
and descending towards me well they're

187
00:08:37,219 --> 00:08:33,240
friendly yeah I thought it would

188
00:08:40,210 --> 00:08:37,229

continue on but it stopped about 500 to

189

00:08:44,089 --> 00:08:40,220

800 feet above me and just hovered

190

00:08:45,860 --> 00:08:44,099

glowing brightly and silent as I watched

191

00:08:48,980 --> 00:08:45,870

it above me I began to feel some

192

00:08:51,530 --> 00:08:48,990

concerns after about a minute and then

193

00:08:53,990 --> 00:08:51,540

it started to ascend almost straight up

194

00:08:54,800 --> 00:08:54,000

to a point that it looked like a bright

195

00:08:56,810 --> 00:08:54,810

star

196

00:08:59,330 --> 00:08:56,820

in the morning daylight well they

197

00:09:01,280 --> 00:08:59,340

receive hello then grew dimmer and

198

00:09:04,280 --> 00:09:01,290

dimmer until it was no longer visible

199

00:09:06,890 --> 00:09:04,290

what is precarious is that the jet that

200

00:09:12,170 --> 00:09:06,900

it was initially following was unmarked

201
00:09:14,990 --> 00:09:12,180
perhaps a 707 or 727 white Janus jet

202
00:09:19,460 --> 00:09:15,000
with an orange stripe perhaps flying out

203
00:09:26,060 --> 00:09:23,300
that's funny probably was this I am

204
00:09:28,670 --> 00:09:26,070
unsure of as there is no way to tell

205
00:09:31,310 --> 00:09:28,680
where that jet was coming from or why it

206
00:09:34,280 --> 00:09:31,320
was being followed I could say this in

207
00:09:36,800 --> 00:09:34,290
all honesty that I was putting out very

208
00:09:40,100 --> 00:09:36,810
strong mental thoughts about wanting to

209
00:09:42,200 --> 00:09:40,110
see it closer went to my astonishment it

210
00:09:44,540 --> 00:09:42,210
made a 90-degree angle turn away from

211
00:09:47,150 --> 00:09:44,550
the jet and then started to head right

212
00:09:50,810 --> 00:09:47,160
towards me as I said it hovered hovered

213
00:09:52,850 --> 00:09:50,820

above me glowing brightly but I was able

214

00:09:54,860 --> 00:09:52,860

to see the surface of the craft through

215

00:09:57,560 --> 00:09:54,870

the glowing white light relatively

216

00:09:59,240 --> 00:09:57,570

easily when it was hovering above me it

217

00:10:01,850 --> 00:09:59,250

remained there for several minutes but

218

00:10:03,610 --> 00:10:01,860

then I had thoughts starting to enter my

219

00:10:10,730 --> 00:10:03,620

head about becoming a laboratory

220

00:10:12,530 --> 00:10:10,740

specimen and began feeling uneasy a few

221

00:10:15,470 --> 00:10:12,540

seconds after this thought entered my

222

00:10:17,930 --> 00:10:15,480

head it started ascending until it was

223

00:10:19,310 --> 00:10:17,940

no longer visible they're like oh you

224

00:10:23,360 --> 00:10:19,320

won't come willingly you're gonna give

225

00:10:26,750 --> 00:10:23,370

us a fight I guess we'll go well easy

226

00:10:28,550 --> 00:10:26,760

pickings are done that's crazy I don't

227

00:10:30,490 --> 00:10:28,560

know how to explain this but I feel like

228

00:10:33,500 --> 00:10:30,500

I made a connection with an entity

229

00:10:36,050 --> 00:10:33,510

unknown to me my only hopes at this

230

00:10:38,960 --> 00:10:36,060

point is for it to return or remember me

231

00:10:41,480 --> 00:10:38,970

I don't know why but it just feels that

232

00:10:43,250 --> 00:10:41,490

way that's the way I feel I've always

233

00:10:45,740 --> 00:10:43,260

looked up at the stars in hopes of

234

00:10:48,170 --> 00:10:45,750

seeing a UFO but I think all I ever

235

00:10:50,150 --> 00:10:48,180

really got to see were satellites or

236

00:10:53,360 --> 00:10:50,160

nothing that was ever remotely close to

237

00:10:55,070 --> 00:10:53,370

this it was one of if not the most

238

00:10:58,460 --> 00:10:55,080

amazing experience I have ever

239

00:11:00,800 --> 00:10:58,470

encountered I feel left because they did

240

00:11:03,710 --> 00:11:00,810

not want to frighten me I feel they left

241

00:11:06,260 --> 00:11:03,720

okay I felt that there was a telepathic

242

00:11:08,070 --> 00:11:06,270

connection between it and myself even if

243

00:11:10,050 --> 00:11:08,080

only for a few seconds

244

00:11:12,990 --> 00:11:10,060

I feel that it was curious to see who it

245

00:11:14,280 --> 00:11:13,000

was that wanted to see them so badly so

246

00:11:17,040 --> 00:11:14,290

it changed direction a headed directly

247

00:11:18,870 --> 00:11:17,050

towards me I live in the desert on the

248

00:11:20,970 --> 00:11:18,880

edge of a small town there was nothing

249

00:11:24,390 --> 00:11:20,980

around that I know of that would have

250

00:11:27,060 --> 00:11:24,400

captured its interest art Bell uh except

251
00:11:29,400 --> 00:11:27,070
myself and my emotional thoughts I know

252
00:11:31,020 --> 00:11:29,410
it makes no sense but it happened just

253
00:11:33,420 --> 00:11:31,030
the same thank you for letting me share

254
00:11:36,660 --> 00:11:33,430
the story with you my life is renewed

255
00:11:40,950 --> 00:11:36,670
because now I know for a fact that we

256
00:11:44,190 --> 00:11:40,960
are not alone huh and they signed it Ron

257
00:11:46,500 --> 00:11:44,200
Wow that's pretty cool you know people

258
00:11:47,370 --> 00:11:46,510
get a whole life change from seeing

259
00:11:48,780 --> 00:11:47,380
something like that

260
00:11:52,170 --> 00:11:48,790
but once again a telepathic connection

261
00:11:54,270 --> 00:11:52,180
and you know we think we're we're just

262
00:11:58,170 --> 00:11:54,280
observers but they're observing and

263
00:12:02,250 --> 00:11:58,180

hearing us making a turn and it's just

264

00:12:04,650 --> 00:12:02,260

so amazing but I'm so glad that they did

265

00:12:06,690 --> 00:12:04,660

not take you or maybe they did and you

266

00:12:09,750 --> 00:12:06,700

just don't remember that would be

267

00:12:11,430 --> 00:12:09,760

horrible but anyways moving on the UFO

268

00:12:12,030 --> 00:12:11,440

sighting in Fort Worth Texas has

269

00:12:15,180 --> 00:12:12,040

occurred

270

00:12:17,970 --> 00:12:15,190

February 1st 2018 the orb type object

271

00:12:21,180 --> 00:12:17,980

was very high in the sky made absolutely

272

00:12:22,320 --> 00:12:21,190

no noise and seemed to be pulsating not

273

00:12:25,830 --> 00:12:22,330

too sure what it is

274

00:12:29,010 --> 00:12:25,840

your thoughts would be appreciated we'll

275

00:12:31,050 --> 00:12:29,020

give our thoughts all right in more

276

00:12:34,080 --> 00:12:31,060

detail I was in my backyard I had set my

277

00:12:37,380 --> 00:12:34,090

phone up to record the sky as I like to

278

00:12:39,420 --> 00:12:37,390

watch the birds etc when I went back to

279

00:12:41,310 --> 00:12:39,430

the footage after playing with my

280

00:12:43,650 --> 00:12:41,320

two-year-old in my backyard that was

281

00:12:46,740 --> 00:12:43,660

when I realized there was something else

282

00:12:49,410 --> 00:12:46,750

in the footage I'm not too sure what it

283

00:12:51,720 --> 00:12:49,420

is at all I have shown my 13 year old

284

00:12:54,000 --> 00:12:51,730

daughter whom also was as confused about

285

00:12:57,210 --> 00:12:54,010

it as I was and also showed my partner

286

00:12:59,580 --> 00:12:57,220

whom thought plane satellite or UFO as

287

00:13:02,790 --> 00:12:59,590

it was very high although my partner was

288

00:13:05,520 --> 00:13:02,800

zooming in realized it was a rectangle

289

00:13:08,610 --> 00:13:05,530

shape and there were obviously no wings

290

00:13:11,820 --> 00:13:08,620

present at all so the plane theory was

291

00:13:13,380 --> 00:13:11,830

out it also appeared to pulsate I really

292

00:13:16,140 --> 00:13:13,390

would like someone to have a look and

293

00:13:18,690 --> 00:13:16,150

try something try to figure out what it

294

00:13:20,700 --> 00:13:18,700

is if anything as I'm very curious to

295

00:13:21,870 --> 00:13:20,710

know this isn't the first time something

296

00:13:24,660 --> 00:13:21,880

has been spotted over

297

00:13:27,210 --> 00:13:24,670

town on the night of the 15th of January

298

00:13:29,730 --> 00:13:27,220

a bright orange ball of light was seen

299

00:13:30,270 --> 00:13:29,740

by several falling travelling across the

300

00:13:32,760 --> 00:13:30,280

sky

301
00:13:34,590 --> 00:13:32,770
no one got pictures though and on the

302
00:13:37,170 --> 00:13:34,600
morning of the 15th myself and my family

303
00:13:39,900 --> 00:13:37,180
had a strange event happened to us

304
00:13:42,870 --> 00:13:39,910
whilst you know this is from across the

305
00:13:45,300 --> 00:13:42,880
pond driving in our car early that

306
00:13:48,180 --> 00:13:45,310
morning I would really like your

307
00:13:51,240 --> 00:13:48,190
thoughts or findings on what it is if it

308
00:13:53,550 --> 00:13:51,250
is anything I hope I have sent it to the

309
00:13:56,730 --> 00:13:53,560
right people to be analyzed as that's

310
00:13:57,470 --> 00:13:56,740
all I am looking for at the moment thank

311
00:13:59,910 --> 00:13:57,480
you

312
00:14:01,590 --> 00:13:59,920
they say Fort Worth Texas but that

313
00:14:05,790 --> 00:14:01,600

sounded like somebody from across the

314

00:14:08,220 --> 00:14:05,800

pond all right yes next one your foe

315

00:14:09,900 --> 00:14:08,230

sighting is a blast from the past black

316

00:14:13,880 --> 00:14:09,910

triangle sighting in Johnson City

317

00:14:16,470 --> 00:14:13,890

Tennessee secured November 22nd 2008

318

00:14:18,930 --> 00:14:16,480

abducted from home and returned a same

319

00:14:21,600 --> 00:14:18,940

night sporadic conflicting memories I

320

00:14:23,190 --> 00:14:21,610

have of the event was at parents home

321

00:14:26,190 --> 00:14:23,200

asleep in my bedroom downstairs that

322

00:14:29,640 --> 00:14:26,200

basement level was awoken at 3:30 a.m.

323

00:14:33,060 --> 00:14:29,650

and abducted yikes

324

00:14:35,550 --> 00:14:33,070

Oh was returned to my bed at 3:45 a.m. /

325

00:14:39,210 --> 00:14:35,560

my bedroom clock craft was triangular

326

00:14:41,910 --> 00:14:39,220

shaped very dark and black only solid

327

00:14:43,740 --> 00:14:41,920

super bright white lights I saw all the

328

00:14:44,610 --> 00:14:43,750

public info I would give it this this

329

00:14:46,560 --> 00:14:44,620

time thank you

330

00:14:48,960 --> 00:14:46,570

oh well you didn't want to give the

331

00:14:52,700 --> 00:14:48,970

details that is really fascinating

details in terms conditions thousand 17

347

00:15:33,259 --> 00:15:30,269

recorded orange gold object in sky while

348

00:15:36,109 --> 00:15:33,269

driving shaped like a circle with what

349

00:15:40,280 --> 00:15:36,119

appeared to be a hole in the center of

350

00:15:43,519 --> 00:15:40,290

it I was driving on August 6 2017 at

351
00:15:46,519 --> 00:15:43,529
11:05 p.m. at night I observed an orange

352
00:15:49,309 --> 00:15:46,529
gold light in the sky and stopped to

353
00:15:51,799 --> 00:15:49,319
take a closer look I decided to record a

354
00:15:54,829 --> 00:15:51,809
short video on my samsung galaxy note5

355
00:15:56,989 --> 00:15:54,839
mobile phone just to get a better view

356
00:16:00,109 --> 00:15:56,999
at first I thought it was an airplane or

357
00:16:02,600 --> 00:16:00,119
a drone upon recording the video I could

358
00:16:05,689 --> 00:16:02,610
see that the orange gold object appeared

359
00:16:08,660 --> 00:16:05,699
to be either very luminous or was

360
00:16:11,119 --> 00:16:08,670
glowing it was the shape of a circle but

361
00:16:14,569 --> 00:16:11,129
appeared to have a hole in the center of

362
00:16:16,220 --> 00:16:14,579
it almost resembling a donut it hovered

363
00:16:19,819 --> 00:16:16,230

for a moment and then traveled in a

364

00:16:21,619 --> 00:16:19,829

North oriented direction I was on my way

365

00:16:24,169 --> 00:16:21,629

to pick up a friend so I didn't get to

366

00:16:27,199 --> 00:16:24,179

observe it as long as I would have liked

367

00:16:28,249 --> 00:16:27,209

to but the video is intriguing

368

00:16:29,900 --> 00:16:28,259

nonetheless

369

00:16:32,749 --> 00:16:29,910

okay I'm gonna venture over and have a

370

00:16:35,389 --> 00:16:32,759

look all right well treats for everybody

371

00:16:38,179 --> 00:16:35,399

the videos there and it is a mystery

372

00:16:38,869 --> 00:16:38,189

that is oh that is a wild one guys gotta

373

00:16:42,949 --> 00:16:38,879

check that one out

374

00:16:45,139 --> 00:16:42,959

huh alright the next UFO sighting

375

00:16:47,169 --> 00:16:45,149

happened in Virginia Beach Virginia was

376

00:16:52,340 --> 00:16:47,179

the UFO blast from the past once again

377

00:16:55,509 --> 00:16:52,350

January 5th 1991 was not a UFO just an

378

00:16:58,789 --> 00:16:55,519

abduction without UFO huh

379

00:17:02,119 --> 00:16:58,799

just like they simulated here and were

380

00:17:06,260 --> 00:17:02,129

cloaked but when they want to they can't

381

00:17:09,610 --> 00:17:06,270

uncloak themselves often in private in

382

00:17:12,110 --> 00:17:09,620

more detail I've been happened back in

383

00:17:15,110 --> 00:17:12,120

1991 and was very horrible

384

00:17:18,949 --> 00:17:15,120

I witnessed two guys it may have been

385

00:17:22,530 --> 00:17:18,959

like CIA agents or some other secretive

386

00:17:24,510 --> 00:17:22,540

governmental agents kidnapped my dad

387

00:17:27,420 --> 00:17:24,520

and left someone in his place that

388

00:17:29,760 --> 00:17:27,430

looked just like him well where is this

389

00:17:33,270 --> 00:17:29,770

going I later found out that the person

390

00:17:36,210 --> 00:17:33,280

left behind was a reptilian cloaked as a

391

00:17:40,050 --> 00:17:36,220

human this person became rather rude

392

00:17:42,990 --> 00:17:40,060

with me as time went on however he

393

00:17:46,290 --> 00:17:43,000

talked with me and he could even heal

394

00:17:49,460 --> 00:17:46,300

with his bare hands he told me that us

395

00:17:52,800 --> 00:17:49,470

humans were looked down upon as sheep

396

00:17:56,400 --> 00:17:52,810

etc and he knew I had witnessed the two

397

00:18:00,900 --> 00:17:56,410

agents kidnapping my dad and he said I

398

00:18:03,810 --> 00:18:00,910

was next Wow Wow I became very scared

399

00:18:05,790 --> 00:18:03,820

he had me taken to a place against my

400

00:18:08,880 --> 00:18:05,800

will and met with what looked like a

401
00:18:12,240 --> 00:18:08,890
Special Forces Group who forced me to

402
00:18:14,190 --> 00:18:12,250
sign paperwork against my will and the

403
00:18:17,340 --> 00:18:14,200
guy who looked identical to my dad was

404
00:18:19,200 --> 00:18:17,350
standing there I also was spying on him

405
00:18:22,110 --> 00:18:19,210
one night and saw what looked like a

406
00:18:24,900 --> 00:18:22,120
snake's tongue come out of his mouth I

407
00:18:27,390 --> 00:18:24,910
later discovered he was a reptilian a

408
00:18:31,200 --> 00:18:27,400
very short human who looked like a

409
00:18:33,900 --> 00:18:31,210
was helping him I think he was a

410
00:18:35,760 --> 00:18:33,910
grey cloaked as a human I heard some

411
00:18:39,540 --> 00:18:35,770
talk in English but then started talking

412
00:18:42,390 --> 00:18:39,550
in alien lingo which sounded kind of

413
00:18:45,390 --> 00:18:42,400

like oriental lingo yes I am here to

414

00:18:46,530 --> 00:18:45,400

tell you they can cloak and simulate

415

00:18:49,110 --> 00:18:46,540

into our world

416

00:18:52,950 --> 00:18:49,120

undercover however I never saw UFO

417

00:18:55,290 --> 00:18:52,960

that's the weird part my first dad the

418

00:18:58,500 --> 00:18:55,300

one I saw whisked away was retired

419

00:19:00,720 --> 00:18:58,510

military and I often suspected him of

420

00:19:02,220 --> 00:19:00,730

doing something or being involved with

421

00:19:05,400 --> 00:19:02,230

the government or doing something

422

00:19:07,890 --> 00:19:05,410

secretive that may have led to all of

423

00:19:09,600 --> 00:19:07,900

this happening to myself I took some

424

00:19:12,480 --> 00:19:09,610

pictures of the implant which feels like

425

00:19:15,480 --> 00:19:12,490

something under my skin like upside down

426

00:19:18,240 --> 00:19:15,490

triangle or diamond shape they also

427

00:19:22,320 --> 00:19:18,250

stabbed me then headed me

428

00:19:23,880 --> 00:19:22,330

with three eyes huh-oh with their eyes I

429

00:19:26,550 --> 00:19:23,890

don't know they spelled it wrong that

430

00:19:28,830 --> 00:19:26,560

left a very weird scar on my leg I never

431

00:19:30,960 --> 00:19:28,840

told anyone as I was so scared how these

432

00:19:33,420 --> 00:19:30,970

entities seemed to be able to be

433

00:19:36,180 --> 00:19:33,430

operated with impunity and like nothing

434

00:19:38,249 --> 00:19:36,190

could stop them they also did very hard

435

00:19:39,960 --> 00:19:38,259

and what seemed like mental brainwashing

436

00:19:43,230 --> 00:19:39,970

experiments on myself and did other

437

00:19:45,869 --> 00:19:43,240

types of experiments to me still scared

438

00:19:50,039 --> 00:19:45,879

to this day that's why I don't want to

439

00:19:51,869 --> 00:19:50,049

come forward oh my goodness huh you know

440

00:19:54,720 --> 00:19:51,879

who's to say this isn't true

441

00:19:57,450 --> 00:19:54,730

who's to say is it just too far-fetched

442

00:19:58,740 --> 00:19:57,460

that we just can't grasp it to be

443

00:20:01,529 --> 00:19:58,750

something for real

444

00:20:03,330 --> 00:20:01,539

I don't know I mean reptilians do look

445

00:20:05,310 --> 00:20:03,340

like people and they do cloak themselves

446

00:20:08,639 --> 00:20:05,320

and they do abduct people and they do

447

00:20:11,879 --> 00:20:08,649

yes yes it's been reported widely they

448

00:20:14,940 --> 00:20:11,889

eat people so when he said sheep struck

449

00:20:17,549 --> 00:20:14,950

a chord with me the next story is also

450

00:20:20,299 --> 00:20:17,559

an alien encounter this occurred in West

451
00:20:24,149 --> 00:20:20,309
Windsor Township New Jersey

452
00:20:26,369 --> 00:20:24,159
October 17th 2017 unusually large

453
00:20:30,090 --> 00:20:26,379
unknown bird-like species observed

454
00:20:32,249 --> 00:20:30,100
flying directly overhead of us my wife

455
00:20:34,830 --> 00:20:32,259
and I while Trail biking in a remote

456
00:20:38,820 --> 00:20:34,840
area inside Mercer County Park were

457
00:20:41,549 --> 00:20:38,830
startled by a huge quote bird that took

458
00:20:44,460 --> 00:20:41,559
off from a tree at approximately 15 feet

459
00:20:47,249 --> 00:20:44,470
up directly in front of us while we

460
00:20:48,899 --> 00:20:47,259
stopped for a brief moment this was on

461
00:20:50,310 --> 00:20:48,909
the narrow trail by the creek that feeds

462
00:20:53,249 --> 00:20:50,320
the back side of the dam

463
00:20:55,440 --> 00:20:53,259

I'm a retired law enforcement officer I

464

00:20:57,810 --> 00:20:55,450
was very much concerned by this

465

00:21:00,149 --> 00:20:57,820
observation and felt that this encounter

466

00:21:03,149 --> 00:21:00,159
was unnatural by the size of this

467

00:21:06,090 --> 00:21:03,159
creature my wife was not concerned and

468

00:21:07,710 --> 00:21:06,100
wanted to go follow it I had a feeling

469

00:21:10,860 --> 00:21:07,720
that we might be in jeopardy and I

470

00:21:13,499 --> 00:21:10,870
wanted to leave immediately the bird had

471

00:21:15,810 --> 00:21:13,509
a wingspan of over 10 feet and was

472

00:21:19,320 --> 00:21:15,820
larger than anything natural I have ever

473

00:21:21,389 --> 00:21:19,330
seen fly it made no sound and when it

474

00:21:24,779 --> 00:21:21,399
left the tree directly in front of us it

475

00:21:27,240 --> 00:21:24,789
glided approximately fifty feet into a

476
00:21:29,789 --> 00:21:27,250
row of trees across the creek and I

477
00:21:31,889 --> 00:21:29,799
couldn't see it land she wanted to

478
00:21:35,610 --> 00:21:31,899
follow it and I had this feeling of doom

479
00:21:37,889 --> 00:21:35,620
and wanted to leave I see that I knew it

480
00:21:40,710 --> 00:21:37,899
was unnatural and there was a sense of

481
00:21:45,690 --> 00:21:40,720
impending doom to me I couldn't readily

482
00:21:49,230 --> 00:21:45,700
see ahead beak tail legs or claws this

483
00:21:49,810 --> 00:21:49,240
quote bird was the size of a small hang

484
00:21:53,350 --> 00:21:49,820
glider

485
00:21:55,240 --> 00:21:53,360
I know hawks buzzards vultures and the

486
00:21:57,070 --> 00:21:55,250
different kinds of flying creatures in

487
00:21:59,530 --> 00:21:57,080
the surrounding habitat I'm a good

488
00:22:01,810 --> 00:21:59,540

outdoorsman and have grown up in this

489

00:22:04,420 --> 00:22:01,820

environment I am familiar with all that

490

00:22:07,690 --> 00:22:04,430

live in the habitat when this thing

491

00:22:10,330 --> 00:22:07,700

glided away from the tree I focused on

492

00:22:13,150 --> 00:22:10,340

the right wing of it and it had a

493

00:22:19,450 --> 00:22:13,160

perpendicular multicolored pattern of

494

00:22:22,150 --> 00:22:19,460

gray black brown and in varying shades

495

00:22:25,360 --> 00:22:22,160

the sheer size and mass of this thing

496

00:22:27,370 --> 00:22:25,370

was nothing I have ever seen before the

497

00:22:29,800 --> 00:22:27,380

clinger beyond the sheer size and mass

498

00:22:33,010 --> 00:22:29,810

of this thing was the eerie alarming

499

00:22:37,210 --> 00:22:33,020

feeling I had when I saw it that told me

500

00:22:39,280 --> 00:22:37,220

to leave see that people trust their gut

501
00:22:40,930 --> 00:22:39,290
now imagine the people that go oh let's

502
00:22:43,090 --> 00:22:40,940
get in there and go for a closer look

503
00:22:45,550 --> 00:22:43,100
and they're never heard from again

504
00:22:48,130 --> 00:22:45,560
how freaky is that I saw an extremely

505
00:22:52,300 --> 00:22:48,140
large bird I think it was a teenager

506
00:22:54,070 --> 00:22:52,310
with my sister it was so big that we

507
00:22:58,690 --> 00:22:54,080
called the zoo to see if a bird had

508
00:23:00,450 --> 00:22:58,700
escaped and they hadn't but it was just

509
00:23:02,740 --> 00:23:00,460
so humongous we just couldn't believe

510
00:23:04,420 --> 00:23:02,750
something that huge was in our

511
00:23:05,800 --> 00:23:04,430
neighborhood and not have seen something

512
00:23:07,690 --> 00:23:05,810
we live kind out in the country so we

513
00:23:10,300 --> 00:23:07,700

were familiar with what was around as

514

00:23:12,430 --> 00:23:10,310

well so it was just like that's out of

515

00:23:15,640 --> 00:23:12,440

place

516

00:23:19,060 --> 00:23:15,650

so anyways alright and also get that a

517

00:23:21,880 --> 00:23:19,070

retired police officer who had a feeling

518

00:23:23,170 --> 00:23:21,890

of doom this guy's probably been met

519

00:23:27,430 --> 00:23:23,180

with some of the biggest baddest dudes

520

00:23:30,700 --> 00:23:27,440

around and a bird quote bird terrified

521

00:23:34,450 --> 00:23:30,710

him as if doom would come his way if he

522

00:23:36,220 --> 00:23:34,460

pursued it that should tell you a lot a

523

00:23:38,260 --> 00:23:36,230

lot of people are describing these

524

00:23:39,640 --> 00:23:38,270

things all over the country I I don't

525

00:23:40,750 --> 00:23:39,650

know what's going on but I know a lot of

526

00:23:41,380 --> 00:23:40,760

people are trying to get to the bottom

527

00:23:44,170 --> 00:23:41,390

of it

528

00:23:46,450 --> 00:23:44,180

pterodactyl like creatures even mm-hmm

529

00:23:49,690 --> 00:23:46,460

imagine that and then here in Chicago

530

00:23:51,790 --> 00:23:49,700

there is a bat man they're describing

531

00:23:53,560 --> 00:23:51,800

and now you know this is Gotham City in

532

00:23:56,620 --> 00:23:53,570

the movies right so that just kind of

533

00:23:59,290 --> 00:23:56,630

adds an extra twist to it so yeah look

534

00:24:02,050 --> 00:23:59,300

at the bat creatures of Chicago there or

535

00:24:03,610 --> 00:24:02,060

Mothman of Chicago being seen all over

536

00:24:06,340 --> 00:24:03,620

the place right where I'm at I

537

00:24:07,899 --> 00:24:06,350

spotted it and I'm kind of glad I have

538

00:24:12,130 --> 00:24:07,909

it but did I kind of want to see it I

539

00:24:14,860 --> 00:24:12,140

might have to go venture alright moving

540

00:24:17,560 --> 00:24:14,870

on to some paranormal points of stories

541

00:24:19,659 --> 00:24:17,570

and people just sharing their stories

542

00:24:20,200 --> 00:24:19,669

and this one is called something in the

543

00:24:23,140 --> 00:24:20,210

woods

544

00:24:25,269 --> 00:24:23,150

this person who describes when my father

545

00:24:28,090 --> 00:24:25,279

passed away I inherited the family farm

546

00:24:30,909 --> 00:24:28,100

in the more rural area of Ohio just as

547

00:24:32,560 --> 00:24:30,919

he did when my grandfather passed I was

548

00:24:33,789 --> 00:24:32,570

raised on this farm and spent the better

549

00:24:36,970 --> 00:24:33,799

parts of my childhood

550

00:24:40,149 --> 00:24:36,980

on this farm when I was a child and he

551

00:24:42,909 --> 00:24:40,159

was still today I feel uneasy being all

552

00:24:45,490 --> 00:24:42,919

alone on the property I consider myself

553

00:24:48,130 --> 00:24:45,500

an outdoorsman growing up on a farm with

554

00:24:49,990 --> 00:24:48,140

my father we were either working on the

555

00:24:52,570 --> 00:24:50,000

daily chores or we would be hunting

556

00:24:54,490 --> 00:24:52,580

fishing and camping I eventually left

557

00:24:57,940 --> 00:24:54,500

home and traded home life or military

558

00:24:59,830 --> 00:24:57,950

life in the US Army that being said I

559

00:25:01,990 --> 00:24:59,840

was trained and drilled to pay attention

560

00:25:05,190 --> 00:25:02,000

to details details that most would

561

00:25:07,299 --> 00:25:05,200

overlook and consider quote unimportant

562

00:25:09,639 --> 00:25:07,309

while I was going through my father's

563

00:25:12,190 --> 00:25:09,649

belongings I came across his old hunting

564

00:25:14,529 --> 00:25:12,200

shotgun I figured as a tribute to my

565

00:25:16,750 --> 00:25:14,539

late father I would harvest one last

566

00:25:19,600 --> 00:25:16,760

white-tailed deer with the shotgun

567

00:25:22,570 --> 00:25:19,610

before the hunting season ended while I

568

00:25:24,940 --> 00:25:22,580

was out scouting the area at the area I

569

00:25:27,810 --> 00:25:24,950

would be hunting over I had the strange

570

00:25:30,399 --> 00:25:27,820

uneasy feeling that I felt as a child

571

00:25:33,039 --> 00:25:30,409

overcoming I felt as if I was being

572

00:25:35,560 --> 00:25:33,049

watched by someone or something I could

573

00:25:37,510 --> 00:25:35,570

barely make out a figure moving between

574

00:25:40,120 --> 00:25:37,520

the trees ten yards in front of me

575

00:25:42,850 --> 00:25:40,130

whatever I was seeing was breathing very

576

00:25:47,070 --> 00:25:42,860

heavily and the ground was shaking

577

00:25:50,049 --> 00:25:47,080

beneath my feet with every step it took

578

00:25:52,450 --> 00:25:50,059

my blood ran cold at the mere thought of

579

00:25:54,970 --> 00:25:52,460

what I was seeing when I eventually got

580

00:25:57,669 --> 00:25:54,980

the nerve to leave I left the area as

581

00:25:59,950 --> 00:25:57,679

quietly as possible I played it off as

582

00:26:02,320 --> 00:25:59,960

if something as trivial as my mind

583

00:26:04,600 --> 00:26:02,330

playing tricks on me the next day when I

584

00:26:04,990 --> 00:26:04,610

went back to the area had chosen for my

585

00:26:06,970 --> 00:26:05,000

hunt

586

00:26:09,700 --> 00:26:06,980

I noticed the woods around me were

587

00:26:12,299 --> 00:26:09,710

eerily quiet there were no animals

588

00:26:15,159 --> 00:26:12,309

running around or woodpeckers no deer a

589

00:26:16,779 --> 00:26:15,169

few hours passed and as I got

590

00:26:17,390 --> 00:26:16,789

comfortable against the tree I had

591

00:26:20,780 --> 00:26:17,400

chosen

592

00:26:23,900 --> 00:26:20,790

to watch from I became overwhelmed with

593

00:26:26,300 --> 00:26:23,910

the worst smell I had ever experienced

594

00:26:29,570 --> 00:26:26,310

not too long after that I noticed

595

00:26:32,630 --> 00:26:29,580

something odd in the distance I saw with

596

00:26:37,400 --> 00:26:32,640

my naked eye what can only be described

597

00:26:39,650 --> 00:26:37,410

as a giant hairy humanoid figure walking

598

00:26:42,920 --> 00:26:39,660

towards me I was gonna say Big Foot

599

00:26:46,640 --> 00:26:42,930

stink I determined that whatever this

600

00:26:49,190 --> 00:26:46,650

was at the time was no less than 60

601
00:26:50,930 --> 00:26:49,200
yards away I looked through the scope of

602
00:26:55,400 --> 00:26:50,940
my father's shotgun to get a better look

603
00:26:58,340 --> 00:26:55,410
at it what I saw is an image I will

604
00:27:02,360 --> 00:26:58,350
never forget whatever I saw had a

605
00:27:05,270 --> 00:27:02,370
human-like face broad shoulders long

606
00:27:08,720 --> 00:27:05,280
reddish brown hair all over its body the

607
00:27:11,600 --> 00:27:08,730
creature had to be at least 8 feet tall

608
00:27:16,130 --> 00:27:11,610
and its arms went all the way to its

609
00:27:18,610 --> 00:27:16,140
knees I ultimately decided to shoot just

610
00:27:22,270 --> 00:27:18,620
over its head to attempt to scare it off

611
00:27:26,180 --> 00:27:22,280
after I shot it let out the most

612
00:27:27,770 --> 00:27:26,190
blood-curdling yell roar that made my

613
00:27:30,920 --> 00:27:27,780

body freeze up

614

00:27:33,350 --> 00:27:30,930

I waited for the longest hour in my life

615

00:27:37,940 --> 00:27:33,360

to get up to ensure that whatever I saw

616

00:27:39,740 --> 00:27:37,950

was gone after I got my nerve back I got

617

00:27:42,230 --> 00:27:39,750

up and went to investigate the area I

618

00:27:45,410 --> 00:27:42,240

had seen the creature come from and I

619

00:27:49,010 --> 00:27:45,420

saw the biggest footprints in my entire

620

00:27:51,950 --> 00:27:49,020

life my father's shotgun was a 28 inch

621

00:27:55,670 --> 00:27:51,960

barrel and these footprints came within

622

00:27:59,840 --> 00:27:55,680

inches of being as long as the gun

623

00:28:01,850 --> 00:27:59,850

barrel is well that's a big flip my

624

00:28:05,030 --> 00:28:01,860

grandfather and father told me stories

625

00:28:07,400 --> 00:28:05,040

about the Ohio grassman when I was a

626
00:28:10,490 --> 00:28:07,410
child for those who are unfamiliar with

627
00:28:13,280 --> 00:28:10,500
the grassman they are Ohio's Bigfoot

628
00:28:14,840 --> 00:28:13,290
more or less both my father and

629
00:28:17,480 --> 00:28:14,850
grandfather always told me that these

630
00:28:20,150 --> 00:28:17,490
creatures lived here on this land long

631
00:28:22,520 --> 00:28:20,160
before our family did whatever it was I

632
00:28:27,190 --> 00:28:22,530
saw that day I no longer go to that area

633
00:28:31,440 --> 00:28:27,200
of what is now my farm I also no longer

634
00:28:34,470 --> 00:28:31,450
wander the property unarmed

635
00:28:36,950 --> 00:28:34,480
look up missing four one one Bigfoot

636
00:28:41,190 --> 00:28:36,960
take people sometimes mm-hmm

637
00:28:43,019 --> 00:28:41,200
unfortunately people disappear Wow

638
00:28:44,340 --> 00:28:43,029

that was wild you could have been the

639

00:28:47,669 --> 00:28:44,350

640

00:28:49,019 --> 00:28:47,679
