27

00:01:15,980 --> 00:01:13,110

information blasting off with some UFO

28

00:01:17,330 --> 00:01:15,990

reports UFO sighting in Lockport New

29

00:01:21,770 --> 00:01:17,340

York

30

00:01:22,820 --> 00:01:21,780

this occurred February 2nd 2018 a red

31

00:01:26,330 --> 00:01:22,830

light that got bigger

32

00:01:28,940 --> 00:01:26,340

when I asked there were a bunch of UFOs

33

00:01:31,640 --> 00:01:28,950

that night and you know one thing I got

34

00:01:33,620 --> 00:01:31,650

to tell you guys I'm an experimenter as

35

00:01:36,380 --> 00:01:33,630

well as a researcher and author on this

36

00:01:40,789 --> 00:01:36,390

stuff I don't doubt a lot of this stuff

37

00:01:42,410 --> 00:01:40,799

for a second because reality is stranger

38

00:01:44,240 --> 00:01:42,420

than fiction and I'm not kidding

39

00:01:46,880 --> 00:01:44,250

gotta have fun with this stuff though so

40

00:01:48,499 --> 00:01:46,890

doesn't drive you nuts in more detail

41

00:01:50,149 --> 00:01:48,509

this witness states I was in my room and

42

00:01:52,219 --> 00:01:50,159

I saw something bright outside and

43

00:01:54,560 --> 00:01:52,229

happened to catch my eye upon further

44

00:01:58,760 --> 00:01:54,570

inspection I noticed a red object moving

45

00:02:02,780 --> 00:01:58,770

up and down so I said to it brighten up

46

00:02:05,870 --> 00:02:02,790

for me and it did just what you see in

47

00:02:06,859 --> 00:02:05,880

the video after my phone died dying it

48

00:02:09,469 --> 00:02:06,869

that sucks

49

00:02:12,080 --> 00:02:09,479

I was blinking at it with my flashlight

50

00:02:13,979 --> 00:02:12,090

I would blink three times and it would

51

00:02:17,880 --> 00:02:13,989

blink back three

52

00:02:21,420 --> 00:02:17,890

it was pretty interesting it was the

53

00:02:23,520 --> 00:02:21,430

only oh I was the only one awake at 4:00

54

00:02:25,890 --> 00:02:23,530

in the morning and there were a lot of

55

00:02:28,110 --> 00:02:25,900

other UFOs out at that time it was

56

00:02:30,600 --> 00:02:28,120

pretty clear outside when the Sun came

57

00:02:31,860 --> 00:02:30,610

up I lost sight of that object you know

58

00:02:33,449 --> 00:02:31,870

that happens a lot where people are

59

00:02:36,990 --> 00:02:33,459

flashing lights and laser beams and

60

00:02:38,610 --> 00:02:37,000

these UFOs respond there is a connection

61

00:02:41,400 --> 00:02:38,620

between us and them

62

00:02:43,289 --> 00:02:41,410

there really is they must have a better

63

00:02:46,920 --> 00:02:43,299

zoom lens than we do that they could see

64

00:02:48,930 --> 00:02:46,930

we're watching because when we zoom in

65

00:02:50,089 --> 00:02:48,940

we don't get really great images doing

66

00:02:54,000 --> 00:02:50,099

nope

67

00:02:58,890 --> 00:02:54,010

okay next UFO sighting this occurred in

68

00:03:01,860 --> 00:02:58,900

County Mayo Westport February 4th 2018

69

00:03:04,830 --> 00:03:01,870

experienced Sky Watcher sees something

70

00:03:07,170 --> 00:03:04,840

out of the ordinary I'm an experienced

71

00:03:09,660 --> 00:03:07,180

sky watcher in the West of Ireland and

72

00:03:12,180 --> 00:03:09,670

know very well what aircraft look like I

73

00:03:14,460 --> 00:03:12,190

live in a busy air corridor from the

74

00:03:16,789 --> 00:03:14,470

u.s. to Europe I also know what a

75

00:03:20,430 --> 00:03:16,799

satellite and space debris looks like

76

00:03:22,920 --> 00:03:20,440

tonight I'd seen a strobe like flash in

77

00:03:25,620 --> 00:03:22,930

the sky to the northwest from the corner

78

00:03:28,949 --> 00:03:25,630

of my eye and again several seconds

79

00:03:31,920 --> 00:03:28,959

later I fixed the spot and counted 13

80

00:03:36,270 --> 00:03:31,930

seconds between flashes a single white

81

00:03:38,759 --> 00:03:36,280

strobe like flash I initially at what I

82

00:03:41,280 --> 00:03:38,769

initially okay appeared not to be moving

83

00:03:43,920 --> 00:03:41,290

but I soon realized it was moving

84

00:03:46,050 --> 00:03:43,930

considerably slower than an aircraft or

85

00:03:48,000 --> 00:03:46,060

way slower than a satellite and space

86

00:03:49,890 --> 00:03:48,010

debris just so you guys know I do not

87

00:03:52,319 --> 00:03:49,900

edit the stuff I'm just reading it and

88

00:03:54,960 --> 00:03:52,329

it could be garbled it took over an hour

89

00:03:57,559 --> 00:03:54,970

to cross the sky and seem to be at great

90

00:04:00,479 --> 00:03:57,569

altitude or in orbit I checked

91

00:04:03,720 --> 00:04:00,489

flightradar24 and several satellite

92

00:04:05,910 --> 00:04:03,730

tracking apps which had nothing I didn't

93

00:04:09,300 --> 00:04:05,920

expect to see anything on those apps as

94

00:04:11,309 --> 00:04:09,310

it was moving relatively slow I tried to

95

00:04:12,240 --> 00:04:11,319

capture video but my phone wasn't up to

96

00:04:15,509 --> 00:04:12,250

the job

97

00:04:20,069 --> 00:04:15,519

I watched the sky on a nightly basis and

98

00:04:23,130 --> 00:04:20,079

soon loads oh I've seen loads of strange

99

00:04:26,690 --> 00:04:23,140

stuff which I could explain but this was

100

00:04:30,920 --> 00:04:26,700

very different but at all dramatic from

101
00:04:34,430 --> 00:04:30,930
anything I have seen yeah right this

102
00:04:37,390 --> 00:04:34,440
next one is a UFO sighting oh boy let's

103
00:04:40,580 --> 00:04:37,400
hope I can pronounce this Chiangmai

104
00:04:43,130 --> 00:04:40,590
Chiangmai twice they say that this

105
00:04:47,120 --> 00:04:43,140
occurred January 24 2018 a hovering

106
00:04:49,910 --> 00:04:47,130
object upper silver lower gold with two

107
00:04:52,820 --> 00:04:49,920
spinning objects moving around it oh

108
00:04:54,260 --> 00:04:52,830
that sounds fantastic in more detail is

109
00:04:58,340 --> 00:04:54,270
what the states my daughter and I were

110
00:05:02,780 --> 00:04:58,350
walking back to Chiangmai from wah-pah

111
00:05:03,770 --> 00:05:02,790
lot temple on January 24th 2018 it was

112
00:05:05,720 --> 00:05:03,780
around midday

113
00:05:07,460 --> 00:05:05,730

there was a half moon in the sky and I

114

00:05:11,120 --> 00:05:07,470

noticed that there was something in the

115

00:05:13,040 --> 00:05:11,130

near sky it was about a quarter the size

116

00:05:15,710 --> 00:05:13,050

of the moon through binoculars it

117

00:05:20,660 --> 00:05:15,720

appeared to be in two attached parts a

118

00:05:23,330 --> 00:05:20,670

silver sphere above and a gold distorted

119

00:05:25,400 --> 00:05:23,340

sphere below it was completely

120

00:05:28,100 --> 00:05:25,410

stationary and I thought it must be a

121

00:05:30,320 --> 00:05:28,110

hot-air balloon or a blimp maybe some

122

00:05:33,890 --> 00:05:30,330

sort of buddha figure considering where

123

00:05:36,050 --> 00:05:33,900

we were and the gold color however my

124

00:05:38,630 --> 00:05:36,060

daughter thought it was too high for a

125

00:05:40,850 --> 00:05:38,640

hot air balloon and also said that there

126

00:05:43,220 --> 00:05:40,860

weren't two flashing lights near it

127

00:05:45,920 --> 00:05:43,230

through the binoculars the flashing

128

00:05:50,300 --> 00:05:45,930

lights showed three equally spaced arms

129

00:05:52,520 --> 00:05:50,310

were rotating slowly the rotation

130

00:05:55,160 --> 00:05:52,530

causing the flashing as the arms caught

131

00:05:59,600 --> 00:05:55,170

the Sun in a parent's eyes they were

132

00:06:01,820 --> 00:05:59,610

half to a quarter of the blimp thing we

133

00:06:04,160 --> 00:06:01,830

watch for a few minutes as these objects

134

00:06:07,210 --> 00:06:04,170

circled the blimp thing a couple of

135

00:06:10,160 --> 00:06:07,220

times then they moved away and

136

00:06:12,980 --> 00:06:10,170

disappeared the blimp thing was still

137

00:06:15,860 --> 00:06:12,990

there stationary it was doing nothing so

138

00:06:19,010 --> 00:06:15,870

we then stopped looking carried on

139

00:06:21,320 --> 00:06:19,020

walking and stopped for lunch we left 30

140

00:06:23,090 --> 00:06:21,330

minutes to an hour later I looked

141

00:06:25,640 --> 00:06:23,100

towards the moon and around the Sun and

142

00:06:27,470 --> 00:06:25,650

the object was no longer visible I would

143

00:06:29,810 --> 00:06:27,480

have dismissed the blimp thing as a

144

00:06:33,050 --> 00:06:29,820

balloon except for the two circling

145

00:06:35,780 --> 00:06:33,060

lights I have no idea what we had seen

146

00:06:38,360 --> 00:06:35,790

we both had phones but neither of us

147

00:06:39,590 --> 00:06:38,370

thought to try to take a photo that's

148

00:06:40,670 --> 00:06:39,600

okay because it would have disappeared

149

00:06:42,770 --> 00:06:40,680

probably some

150

00:06:45,890 --> 00:06:42,780

military planes flew over the area I

151
00:06:51,379 --> 00:06:45,900
think it was the day before huh

152
00:06:53,570 --> 00:06:51,389
okay all right this is a serious UFO

153
00:06:54,980 --> 00:06:53,580
blast from the past here UFO sighting in

154
00:06:59,990 --> 00:06:54,990
Albany New York

155
00:07:04,279 --> 00:07:00,000
July 10th 1970 a bunch of us saw a UFO

156
00:07:06,140 --> 00:07:04,289
that ended up scaring us in more detail

157
00:07:09,050 --> 00:07:06,150
we're at a summer camp

158
00:07:12,110 --> 00:07:09,060
Camp High Rock operated by the YMCA of

159
00:07:14,450 --> 00:07:12,120
Bridgeport Connecticut we were after

160
00:07:16,339 --> 00:07:14,460
dark sitting at the edge of the lake one

161
00:07:19,580 --> 00:07:16,349
of the boys there were three counselors

162
00:07:21,860 --> 00:07:19,590
and about 20 to 24 boys we were talking

163
00:07:24,680 --> 00:07:21,870

about what we had done that day one of

164

00:07:27,499 --> 00:07:24,690

the boys borrowed my f5 Duracell

165

00:07:29,629 --> 00:07:27,509

flashlight and started blinking it at

166

00:07:32,270 --> 00:07:29,639

some airplanes on an airport some

167

00:07:34,010 --> 00:07:32,280

distance away there were three ranges of

168

00:07:36,260 --> 00:07:34,020

hills or mountains between where we were

169

00:07:37,850 --> 00:07:36,270

in the airport after there are a couple

170

00:07:40,159 --> 00:07:37,860

of minutes the boy said one of the

171

00:07:42,170 --> 00:07:40,169

lights was coming in our direction we

172

00:07:44,480 --> 00:07:42,180

saw the light reflected off the first

173

00:07:47,510 --> 00:07:44,490

line of mountains we did not hear

174

00:07:50,870 --> 00:07:47,520

anything the light came over the second

175

00:07:54,050 --> 00:07:50,880

and still no sound we started to get

176

00:08:00,200 --> 00:07:54,060

scared when all the animal and insect

177

00:08:02,270 --> 00:08:00,210

sounds at night stopped all of us headed

178

00:08:05,089 --> 00:08:02,280

to the activities building 30 yards

179

00:08:06,830 --> 00:08:05,099

behind us as the counselors got to the

180

00:08:11,300 --> 00:08:06,840

building with the boys in front of us

181

00:08:13,909 --> 00:08:11,310

the UFO went over us exclamation point

182

00:08:17,029 --> 00:08:13,919

the next morning we asked one of the

183

00:08:19,610 --> 00:08:17,039

Rangers at the camp how high the average

184

00:08:23,270 --> 00:08:19,620

trees were tall the Ranger said there

185

00:08:26,390 --> 00:08:23,280

were 125 feet tall the saucer that went

186

00:08:29,330 --> 00:08:26,400

over us was wider than the trees were

187

00:08:31,510 --> 00:08:29,340

tall we also called the airport we

188

00:08:34,279 --> 00:08:31,520

pulled our change together

189

00:08:36,380 --> 00:08:34,289

for the pay phone that was at the camp

190

00:08:38,990 --> 00:08:36,390

and asked for the control tower at the

191

00:08:41,209 --> 00:08:39,000

airport we got one of the control people

192

00:08:44,269 --> 00:08:41,219

did you have anything unusual happen

193

00:08:47,780 --> 00:08:44,279

during the night he said that they had

194

00:08:51,680 --> 00:08:47,790

an unidentified radar return headed

195

00:08:54,170 --> 00:08:51,690

waist west at 600 miles per hour we said

196

00:08:59,060 --> 00:08:54,180

we saw it

197

00:09:01,010 --> 00:08:59,070

and then we thanked him Wow I keep

198

00:09:03,230 --> 00:09:01,020

getting these reports from back in the

199

00:09:05,030 --> 00:09:03,240

day that you know the airports were a

200

00:09:07,670 --> 00:09:05,040

little bit more forthcoming on such

201
00:09:09,740 --> 00:09:07,680
things yeah we got something you guys

202
00:09:12,500 --> 00:09:09,750
saw it cool yeah thanks dude

203
00:09:17,389 --> 00:09:12,510
wonderful what a good sense of closure

204
00:09:20,030 --> 00:09:17,399
and a way to validate I saw a huge UFO

205
00:09:21,680 --> 00:09:20,040
over downtown Milwaukee Wisconsin it was

206
00:09:24,620 --> 00:09:21,690
at least three bow of three football

207
00:09:28,190 --> 00:09:24,630
fields in length it was huge I called

208
00:09:30,320 --> 00:09:28,200
the police I called the airport none of

209
00:09:33,470 --> 00:09:30,330
them saw a thing but everybody wanted to

210
00:09:35,030 --> 00:09:33,480
know what I saw and I got no sense of

211
00:09:36,769 --> 00:09:35,040
closure there was no way they missed

212
00:09:38,449 --> 00:09:36,779
this thing it well it looked like the

213
00:09:40,190 --> 00:09:38,459

size of the moon was about to land the

214

00:09:42,860 --> 00:09:40,200

whole body of it glowed an orangish red

215

00:09:44,329 --> 00:09:42,870

and the edges weren't definitive it kind

216

00:09:45,800 --> 00:09:44,339

of looked like it was alive it was

217

00:09:48,470 --> 00:09:45,810

really something else

218

00:09:52,130 --> 00:09:48,480

so yeah this is kind of cool alright

219

00:09:56,389 --> 00:09:52,140

moving on to the next UFO sighting this

220

00:09:57,320 --> 00:09:56,399

occurred in Cincinnati Ohio on February

221

00:10:00,110 --> 00:09:57,330

3rd

222

00:10:03,470 --> 00:10:00,120

2018 bright red light descended until

223

00:10:05,210 --> 00:10:03,480

lost in the trees in more detail wife

224

00:10:07,910 --> 00:10:05,220

and I were returning from dinner and car

225

00:10:10,940 --> 00:10:07,920

saw a bright red light more than a

226

00:10:13,940 --> 00:10:10,950

point-source certainly not a planet

227

00:10:16,340 --> 00:10:13,950

about 65 degrees in sky ahead and to the

228

00:10:18,500 --> 00:10:16,350

right of our direction of travel seemed

229

00:10:21,350 --> 00:10:18,510

to descend quickly and disappeared

230

00:10:23,840 --> 00:10:21,360

behind trees in about 30 seconds emitted

231

00:10:26,090 --> 00:10:23,850

no sounds when first sighted I thought

232

00:10:28,640 --> 00:10:26,100

it was a light on a tower of power line

233

00:10:31,160 --> 00:10:28,650

my wife thought it was a plane or a

234

00:10:33,920 --> 00:10:31,170

copter there were no other lights

235

00:10:35,840 --> 00:10:33,930

visible besides the red light because of

236

00:10:38,630 --> 00:10:35,850

the area into which the light descended

237

00:10:41,360 --> 00:10:38,640

which was heavily residential it was

238

00:10:43,910 --> 00:10:41,370

unlikely that this was an airplane no

239

00:10:46,100 --> 00:10:43,920

place to land and taxi and was not

240

00:10:49,699 --> 00:10:46,110

likely to be a helicopter because of the

241

00:10:51,889 --> 00:10:49,709

absence of landing lights it could have

242

00:10:55,840 --> 00:10:51,899

been a drone but nothing else comes to

243

00:10:58,280 --> 00:10:55,850

mind as to the identity of the light

244

00:11:00,949 --> 00:10:58,290

entire signing took less than a minute

245

00:11:03,710 --> 00:11:00,959

from first view to loss of sighting

246

00:11:05,830 --> 00:11:03,720

neither of us experienced any sensations

247

00:11:07,480 --> 00:11:05,840

or feelings during the episode

248

00:11:09,940 --> 00:11:07,490

this event took place within a mile of

249

00:11:12,250 --> 00:11:09,950

our home I didn't see any evidence that

250

00:11:13,930 --> 00:11:12,260

anyone else observed this light there

251
00:11:15,670 --> 00:11:13,940
was a police car with its warning lights

252
00:11:18,250 --> 00:11:15,680
flashing down the street from our home

253
00:11:21,780 --> 00:11:18,260
but this patrol car was pulled into that

254
00:11:24,340 --> 00:11:21,790
houses driveway and I saw no one outside

255
00:11:26,470 --> 00:11:24,350
since I saw the police car less than a

256
00:11:28,090 --> 00:11:26,480
minute after the sighting occurred it

257
00:11:30,910 --> 00:11:28,100
was unlikely that a call from that

258
00:11:34,360 --> 00:11:30,920
residence could have so quickly brought

259
00:11:36,450 --> 00:11:34,370
a police response when I looked for the

260
00:11:39,100 --> 00:11:36,460
police car 20 minutes later it was gone

261
00:11:41,920 --> 00:11:39,110
the weather was cloudy with no stars or

262
00:11:45,310 --> 00:11:41,930
moon visible and it was lightly misting

263
00:11:47,260 --> 00:11:45,320

or drizzling temperature low to mid 30s

264

00:11:52,110 --> 00:11:47,270

I checked the local TV news programs at

265

00:11:56,530 --> 00:11:52,120

11:00 p.m. but none reported any any

266

00:12:01,330 --> 00:11:56,540

unusual lights hmm the next UFO sighting

267

00:12:04,420 --> 00:12:01,340

in cords or Cortez Lakes Arizona this

268

00:12:07,480 --> 00:12:04,430

happened February 4 2018 six blue and

269

00:12:12,400 --> 00:12:07,490

green flashing orbs or spheres in a row

270

00:12:14,680 --> 00:12:12,410

off the ground then disappeared in more

271

00:12:16,840 --> 00:12:14,690

detail my daughter and I were driving

272

00:12:19,840 --> 00:12:16,850

home from Phoenix we were in the flat

273

00:12:22,810 --> 00:12:19,850

area I think near Quartus Junction in

274

00:12:26,080 --> 00:12:22,820

front of us we noticed six to eight blue

275

00:12:29,260 --> 00:12:26,090

and green pulsing lights very bright up

276

00:12:31,720 --> 00:12:29,270

ahead and slightly to the right above

277

00:12:34,630 --> 00:12:31,730

the horizon but as we got closer we was

278

00:12:37,930 --> 00:12:34,640

still unable to judge the size height or

279

00:12:39,880 --> 00:12:37,940

distance neither of us had ever noticed

280

00:12:42,340 --> 00:12:39,890

lights on this section of the road and

281

00:12:44,470 --> 00:12:42,350

we both traveled this road often and

282

00:12:46,930 --> 00:12:44,480

many times at around this hour of the

283

00:12:49,390 --> 00:12:46,940

morning we watched for at least a full

284

00:12:52,390 --> 00:12:49,400

minute then realized the lights

285

00:12:54,130 --> 00:12:52,400

disappeared as we drew near to the area

286

00:12:56,800 --> 00:12:54,140

where we expected the lights to have

287

00:13:00,340 --> 00:12:56,810

been located we saw that there were no

288

00:13:02,650 --> 00:13:00,350

structures of any kind at all we both

289

00:13:05,200 --> 00:13:02,660

got the visual impression that they were

290

00:13:08,550 --> 00:13:05,210

lights mounted to a bridge yet perhaps

291

00:13:10,780 --> 00:13:08,560

mounted on the far side not facing us

292

00:13:12,730 --> 00:13:10,790

they'd rather reminded me of the

293

00:13:15,990 --> 00:13:12,740

flashing lights you see on top of tall

294

00:13:19,030 --> 00:13:16,000

suspension bridges or guy wires for

295

00:13:19,730 --> 00:13:19,040

aviation hazard warnings but the lights

296

00:13:22,700 --> 00:13:19,740

disappear

297

00:13:25,550 --> 00:13:22,710

without a trace leaving us both very

298

00:13:27,890 --> 00:13:25,560

puzzled we never could determine any

299

00:13:30,200 --> 00:13:27,900

dimensions of any kind due to the fact

300

00:13:33,500 --> 00:13:30,210

that we had no clear reference point

301
00:13:35,900 --> 00:13:33,510
with which to compare to the surface was

302
00:13:38,600 --> 00:13:35,910
flat if anyone knows of lights out there

303
00:13:41,270 --> 00:13:38,610
in that section of the desert that serve

304
00:13:46,030 --> 00:13:41,280
an intentional purpose that we just

305
00:13:47,480 --> 00:13:46,040
happened to miss please enlighten us I

306
00:13:52,520 --> 00:13:47,490
like that

307
00:13:54,440 --> 00:13:52,530
all right the next UFO sighting is from

308
00:13:57,950 --> 00:13:54,450
a slight blast from the past

309
00:14:03,710 --> 00:13:57,960
oh boy how can I pronounce this tavarov

310
00:14:06,860 --> 00:14:03,720
Oh Bella ghost yeah yeah Oh blast sounds

311
00:14:10,910 --> 00:14:06,870
Russian this occurred May 20th 2015

312
00:14:13,850 --> 00:14:10,920
I saw close four objects in sky they

313
00:14:16,160 --> 00:14:13,860

were like humans all flying people I've

314

00:14:20,600 --> 00:14:16,170

heard of these I was nearby garage and

315

00:14:23,540 --> 00:14:20,610

tavarov Oh Rove oh nine it was building

316

00:14:27,320 --> 00:14:23,550

in this area not much people then I saw

317

00:14:30,110 --> 00:14:27,330

like car flesh in sky I thought some

318

00:14:33,890 --> 00:14:30,120

children play then I came closer I saw

319

00:14:37,640 --> 00:14:33,900

four objects sphere and sky about 100

320

00:14:41,090 --> 00:14:37,650

metres over ground they fly one after

321

00:14:42,080 --> 00:14:41,100

each other like playing cats because of

322

00:14:45,170 --> 00:14:42,090

high speed

323

00:14:47,900 --> 00:14:45,180

there was like trace behind them in 20

324

00:14:51,020 --> 00:14:47,910

minutes they disappeared dissolved in

325

00:14:54,890 --> 00:14:51,030

the sky okay

326

00:14:56,750 --> 00:14:54,900

that's well okay this next so your for

327

00:15:01,100 --> 00:14:56,760

mountains went to take some pictures of

336

00:15:31,050 --> 00:15:27,360

it because it looked eerie - orange

337

00:15:32,790 --> 00:15:31,060

lights were in the sky the one light was

338

00:15:34,410 --> 00:15:32,800

Circle it was starting to downpour so I

351

00:16:11,250 --> 00:16:07,780

stopped recording when I viewed this

352

00:16:14,270 --> 00:16:11,260

video this is what was there this was

353

00:16:17,640 --> 00:16:14,280

the beginning since then we have been

354

00:16:20,100 --> 00:16:17,650

relentless and showing me more and more

355

00:16:26,310 --> 00:16:20,110

I have so many more evidence photos

356

00:16:28,430 --> 00:16:26,320

videos this is just the beginning God is

357

00:16:30,860 --> 00:16:28,440

here I'm not kidding that's what it says

358

00:16:34,200 --> 00:16:30,870

mm-hmm all righty

359

00:16:36,900 --> 00:16:34,210

moving on UFO sighting in Manchester

360

00:16:42,450 --> 00:16:36,910

England UFO blast from the past has

361

00:16:46,280 --> 00:16:42,460

occurred February 3rd 1988 3 Green jet

362

00:16:50,480 --> 00:16:46,290

like trails travelled faster than Mach 5

363

00:16:53,700 --> 00:16:50,490

from north to south east while turning

364

00:16:56,720 --> 00:16:53,710

it I was sitting watching the sky I had

365

00:16:59,430 --> 00:16:56,730

my first UFO sighting a week or so ago

366

00:17:03,360 --> 00:16:59,440

looking for anything out of the ordinary

367

00:17:07,170 --> 00:17:03,370

I saw three green what looked like jet

368

00:17:09,720 --> 00:17:07,180

trails zip almost right overhead coming

369

00:17:12,470 --> 00:17:09,730

from the north heading south they were

370

00:17:16,020 --> 00:17:12,480

traveling in a triangular formation

371

00:17:18,810 --> 00:17:16,030

middle light at the front they traveled

372

00:17:23,100 --> 00:17:18,820

at what must have been over Mach 5 and

373

00:17:26,000 --> 00:17:23,110

were banking southeast I believe that

374

00:17:28,620 --> 00:17:26,010

they were using cloud cover to move

375

00:17:30,690 --> 00:17:28,630

undetected and when there's a break in

376

00:17:33,750 --> 00:17:30,700

the clouds that's when you're most

377

00:17:35,910 --> 00:17:33,760

likely to spot them this is the second

378

00:17:39,240 --> 00:17:35,920

UFO sighting I've had within a month and

379

00:17:41,910 --> 00:17:39,250

I now know most of the videos on the net

380

00:17:43,440 --> 00:17:41,920

are just nothing like the truth when you

381

00:17:44,760 --> 00:17:43,450

see it for yourself they're fast they're

382

00:17:46,820 --> 00:17:44,770

obvious

383

00:17:51,120 --> 00:17:46,830

no mistaking it either I'm hallucinating

384

00:17:54,060 --> 00:17:51,130

or I saw two separate events both clear

385

00:17:56,130 --> 00:17:54,070

as day that means we're not alone or the

386

00:18:00,870 --> 00:17:56,140

army has some new kind of propulsion

387

00:18:04,470 --> 00:18:00,880

technology I am floored I'm an agnostic

388

00:18:07,200 --> 00:18:04,480

atheist I'm not stupid enough to not

389

00:18:12,330 --> 00:18:07,210

realize it may have been some kind of

390

00:18:14,310 --> 00:18:12,340

madness I'm experiencing I'm sorry that

391

00:18:18,060 --> 00:18:14,320

was funny but with these two sightings

392

00:18:21,540 --> 00:18:18,070

being the only times I have ever had

393

00:18:26,760 --> 00:18:21,550

visual anomalies I know it was real

394

00:18:30,930 --> 00:18:26,770

I'm scared PS don't give us drop-down

395

00:18:32,520 --> 00:18:30,940

for color etc huh because it doesn't

396

00:18:35,340 --> 00:18:32,530

give us enough freedom to accurately

397

00:18:37,560 --> 00:18:35,350

describe what we saw for example the

398

00:18:40,380 --> 00:18:37,570

height dropped down it moved it was

399

00:18:43,500 --> 00:18:40,390

exactly at cloud level you don't have an

400

00:18:45,570 --> 00:18:43,510

option for that hmm Wow see there

401
00:18:47,340 --> 00:18:45,580
because an agnostic atheist who's scared

402
00:18:51,980 --> 00:18:47,350
because they saw something out of the

403
00:18:55,170 --> 00:18:51,990
ordinary mm-hmm I understand all right

404
00:18:59,430 --> 00:18:55,180
next UFO sighting occurred in oh what a

405
00:19:03,740 --> 00:18:59,440
name Snoqualmie Pass Washington January

406
00:19:07,380 --> 00:19:03,750
15 2018 dark super long needle-like UFO

407
00:19:11,310 --> 00:19:07,390
looked miles long was dark during day

408
00:19:15,840 --> 00:19:11,320
invisible and left smoke trails video

409
00:19:18,750 --> 00:19:15,850
recorded I'd speculate it's a new

410
00:19:22,080 --> 00:19:18,760
advanced defense technology my daughter

411
00:19:25,800 --> 00:19:22,090
described it later as a super long black

412
00:19:28,590 --> 00:19:25,810
rocket we both agreed a several mile

413
00:19:31,620 --> 00:19:28,600

long rocket would be impossible and

414

00:19:36,150 --> 00:19:31,630

since we literally only saw black and

415

00:19:39,210 --> 00:19:36,160

dual smoke trails it's probably a jet or

416

00:19:43,290 --> 00:19:39,220

rocket with the newer skin that absorbs

417

00:19:44,130 --> 00:19:43,300

100% of light thereby making it

418

00:19:47,070 --> 00:19:44,140

invisible

419

00:19:50,250 --> 00:19:47,080

I suspect the technology we saw would

420

00:19:52,650 --> 00:19:50,260

make it impossible to target a vehicle

421

00:19:55,500 --> 00:19:52,660

with the skin if the propulsion was

422

00:19:58,510 --> 00:19:55,510

miles long the video needs to be zoomed

423

00:20:01,660 --> 00:19:58,520

in to witness the enormous length

424

00:20:05,940 --> 00:20:01,670

of the UFO oftentimes do I read of these

425

00:20:08,860 --> 00:20:05,950

craft that seem to be absent of light

426
00:20:11,110 --> 00:20:08,870
you know what I mean we often see that

427
00:20:14,050 --> 00:20:11,120
so anyways I'm going to click on over

428
00:20:15,940 --> 00:20:14,060
and see if I can spot the video or the

429
00:20:17,820 --> 00:20:15,950
photos Oh their photos okay I'm I'm

430
00:20:20,350 --> 00:20:17,830
revealing right now we're gonna do this

431
00:20:25,840 --> 00:20:20,360
as it is Oh

432
00:20:29,740 --> 00:20:25,850
oh wow well isn't that something

433
00:20:31,960 --> 00:20:29,750
you know I have heard of and I seen

434
00:20:37,120 --> 00:20:31,970
something kind of similar but not this

435
00:20:39,250 --> 00:20:37,130
striking kind of similar where you see

436
00:20:42,490 --> 00:20:39,260
like almost a shadow of the chemtrail

437
00:20:44,320 --> 00:20:42,500
ahead of the aircraft that's making the

438
00:20:46,680 --> 00:20:44,330

chemtrail and there's like a black line

439

00:20:49,300 --> 00:20:46,690

I I think I got a video of that actually

440

00:20:51,610 --> 00:20:49,310

myself I think that's what I did a video

441

00:20:55,510 --> 00:20:51,620

of yeah it's really freaky too just to

442

00:20:58,000 --> 00:20:55,520

see but people think that it is a kind

443

00:20:59,980 --> 00:20:58,010

of a chemtrail phenomena sort of thing

444

00:21:01,240 --> 00:20:59,990

so pretty wild

445

00:21:03,610 --> 00:21:01,250

that was a that was a cool one you guys

446

00:21:05,110 --> 00:21:03,620

gotta check that out click on over on

447

00:21:08,470 --> 00:21:05,120

the website and you'll be able to see it

448

00:21:11,050 --> 00:21:08,480

at UFO headline news calm for today's

449

00:21:13,890 --> 00:21:11,060

date all right we are going to move

450

00:21:17,230 --> 00:21:13,900

forward to a paranormal point of a story

451
00:21:22,000 --> 00:21:17,240
and see where it takes us shall we all

452
00:21:25,590 --> 00:21:22,010
right here we go this one is called the

453
00:21:28,630 --> 00:21:25,600
family ghost keeping in the family

454
00:21:31,090 --> 00:21:28,640
alright my experience began when I was 7

455
00:21:33,610 --> 00:21:31,100
years old my family had just moved into

456
00:21:35,970 --> 00:21:33,620
my grandma's house two years after we

457
00:21:39,280 --> 00:21:35,980
lost my uncle in a tragic accident I

458
00:21:42,370 --> 00:21:39,290
respected my grandma but she was scary

459
00:21:46,180 --> 00:21:42,380
and her house always had this eerie

460
00:21:47,650 --> 00:21:46,190
feeling when alone I was not allowed to

461
00:21:51,970 --> 00:21:47,660
have my own room so my little brother

462
00:21:54,730 --> 00:21:51,980
and I slept in the loft on a couch it

463
00:21:57,310 --> 00:21:54,740

was about 10:00 at night everyone in the

464

00:21:59,920 --> 00:21:57,320

house was asleep except me as I often

465

00:22:01,690 --> 00:21:59,930

have trouble going to sleep we had this

466

00:22:04,240 --> 00:22:01,700

lamp in the corner of the loft so the

467

00:22:06,520 --> 00:22:04,250

room would never be dark I heard a noise

468

00:22:10,240 --> 00:22:06,530

down the hall as if someone was walking

469

00:22:12,140 --> 00:22:10,250

on the hardwood floor I look thinking

470

00:22:15,350 --> 00:22:12,150

it's probably my grandma about to

471

00:22:17,150 --> 00:22:15,360

got me but nothing is there so I ignore

472

00:22:20,270 --> 00:22:17,160

the sound and closed my eyes trying to

473

00:22:23,480 --> 00:22:20,280

go to sleep when I hear it again I look

474

00:22:24,920 --> 00:22:23,490

in this time I see a shadowy figure at

475

00:22:27,680 --> 00:22:24,930

the end of the hall in front of my

476
00:22:30,800 --> 00:22:27,690
grandparents bedroom door I was scared

477
00:22:32,810 --> 00:22:30,810
it began to move slowly towards me I

478
00:22:35,330 --> 00:22:32,820
turn around and put my blanket over my

479
00:22:36,950 --> 00:22:35,340
face and try to go to sleep I awoke the

480
00:22:37,550 --> 00:22:36,960
next morning and everything seemed

481
00:22:39,710 --> 00:22:37,560
normal

482
00:22:42,380 --> 00:22:39,720
a year passed and it was the middle of

483
00:22:43,640 --> 00:22:42,390
October it was around 7 o'clock and my

484
00:22:46,040 --> 00:22:43,650
grandparents were in the living room

485
00:22:49,100 --> 00:22:46,050
watching soccer and I was in the kitchen

486
00:22:51,280 --> 00:22:49,110
pouring myself something to drink when

487
00:22:55,850 --> 00:22:51,290
then suddenly I hear what sounded like

488
00:22:59,090 --> 00:22:55,860

someone a man take a deep breath in and

489

00:23:02,300 --> 00:22:59,100

then out like that type of breath you

490

00:23:05,090 --> 00:23:02,310

make when you are annoyed or tired it

491

00:23:07,100 --> 00:23:05,100

sounded like my dad my parents were in

492

00:23:09,470 --> 00:23:07,110

their room so I run to them explaining

493

00:23:12,590 --> 00:23:09,480

what had just happened and my dad told

494

00:23:16,790 --> 00:23:12,600

me that it was my uncle's 3-year

495

00:23:19,820 --> 00:23:16,800

anniversary of his death we were all a

496

00:23:22,040 --> 00:23:19,830

little uneasy that night a few months

497

00:23:24,800 --> 00:23:22,050

down the road and I finally had a bed in

498

00:23:26,990 --> 00:23:24,810

the loft it was a school night so I had

499

00:23:29,960 --> 00:23:27,000

to wake up early I went to sleep that

500

00:23:33,650 --> 00:23:29,970

night feeling like somebody was watching

501
00:23:35,960 --> 00:23:33,660
me when I woke up I noticed something on

502
00:23:39,080 --> 00:23:35,970
my left forearm it looked like someone

503
00:23:42,860 --> 00:23:39,090
had grabbed me very hard and left a

504
00:23:45,530 --> 00:23:42,870
bruise of their hand on me particularly

505
00:23:49,370 --> 00:23:45,540
their fingers and it was much bigger

506
00:23:52,700 --> 00:23:49,380
than my little hands when I touched it

507
00:23:55,510 --> 00:23:52,710
it felt like a bruise painful I was

508
00:23:58,820 --> 00:23:55,520
scared I ran to my mom and shoulder and

509
00:24:00,310 --> 00:23:58,830
she was lost for words she told me that

510
00:24:05,390 --> 00:24:00,320
I shouldn't be afraid of the unknown

511
00:24:07,190 --> 00:24:05,400
especially since it is family my parents

512
00:24:10,220 --> 00:24:07,200
are strong believers of the paranormal

513
00:24:14,480 --> 00:24:10,230

and unknown and they were intrigued by

514

00:24:16,400 --> 00:24:14,490

my experiences I bet they were at your

515

00:24:19,610 --> 00:24:16,410

expense my goodness that's horrifying

516

00:24:20,480 --> 00:24:19,620

they both believe that this entity was

517

00:24:24,200 --> 00:24:20,490

my uncle

518

00:24:25,390 --> 00:24:24,210

whose spirit still lives at home to calm

519

00:24:27,850 --> 00:24:25,400

me down

520

00:24:30,280 --> 00:24:27,860

my mom told me one of her experiences at

521

00:24:32,200 --> 00:24:30,290

my grandma's house my parents were in

522

00:24:34,150 --> 00:24:32,210

the living room with my dad's oldest

523

00:24:36,340 --> 00:24:34,160

brother watching TV and just sitting

524

00:24:39,970 --> 00:24:36,350

around laughing when my uncle tells a

525

00:24:41,770 --> 00:24:39,980

joke and they all start to laugh then

526

00:24:46,480 --> 00:24:41,780

they stop all of a sudden because they

527

00:24:49,660 --> 00:24:46,490

heard someone else laughing too they

528

00:24:52,600 --> 00:24:49,670

stayed quiet just looking at one another

529

00:24:55,830 --> 00:24:52,610

as if to ask did you hear that too

530

00:25:00,160 --> 00:24:55,840

my mom told me it was my deceased

531

00:25:02,410 --> 00:25:00,170

uncle's laughter my dad said that when

532

00:25:04,780 --> 00:25:02,420

he heard the laughter he felt someone or

533

00:25:08,740 --> 00:25:04,790

something put their hand on his shoulder

534

00:25:11,940 --> 00:25:08,750

in a comforting way they felt comforted

535

00:25:14,799 --> 00:25:11,950

at that moment I felt instantly better

536

00:25:18,190 --> 00:25:14,809

years went by and I began having off

537

00:25:20,860 --> 00:25:18,200

dreams I remember there was one where I

538

00:25:23,919 --> 00:25:20,870

saw a woman with pale white skin and

539

00:25:26,380 --> 00:25:23,929

long brown hair wearing a brown dress

540

00:25:29,830 --> 00:25:26,390

looking at me from down the hall at my

541

00:25:33,610 --> 00:25:29,840

grandparents door she did not have a

542

00:25:37,840 --> 00:25:33,620

face but I knew who it was it was my

543

00:25:39,430 --> 00:25:37,850

aunt who died when she was just 17 and

544

00:25:42,390 --> 00:25:39,440

we had a picture of her wearing the

545

00:25:46,450 --> 00:25:42,400

dress and showing her long brown hair

546

00:25:49,000 --> 00:25:46,460

she waved at me and I woke up I remember

547

00:25:52,480 --> 00:25:49,010

always hearing voices or strange noises

548

00:25:54,580 --> 00:25:52,490

in that house the ones that stood out

549

00:25:56,799 --> 00:25:54,590

the most were the ones of my relatives

550

00:25:59,169 --> 00:25:56,809

like hearing my mom call me when she

551

00:26:02,169 --> 00:25:59,179

wasn't even home or breathing

552

00:26:05,290 --> 00:26:02,179

I will never stay a night at that house

553

00:26:07,900 --> 00:26:05,300

again finally we moved out when I was 12

554

00:26:11,470 --> 00:26:07,910

to our own house where everyone has

555

00:26:14,169 --> 00:26:11,480

their own room it felt cozy and I loved

556

00:26:17,080 --> 00:26:14,179

that house a year or so in that house

557

00:26:20,620 --> 00:26:17,090

went well and my cousin was living with

558

00:26:23,169 --> 00:26:20,630

us one day everyone was out except for

559

00:26:24,600 --> 00:26:23,179

me and her she was doing her makeup in

560

00:26:27,430 --> 00:26:24,610

the bathroom and I was washing dishes

561

00:26:30,520 --> 00:26:27,440

out of the corner of my eye I see a

562

00:26:33,220 --> 00:26:30,530

little boy with black hair and a white

563

00:26:36,640 --> 00:26:33,230

shirt run from the hall to the living

564

00:26:38,860 --> 00:26:36,650

room surprised since nobody's home I

565

00:26:41,110 --> 00:26:38,870

look and see nothing but our

566

00:26:42,280 --> 00:26:41,120

take I looked around the house but it's

567

00:26:46,030 --> 00:26:42,290

just me and my cousin

568

00:26:47,770 --> 00:26:46,040

it was strange but I wasn't scared a day

569

00:26:50,560 --> 00:26:47,780

or so later I was looking through the

570

00:26:54,880 --> 00:26:50,570

family photos for a project when I

571

00:26:58,420 --> 00:26:54,890

stumbled upon an old photo of my dad on

572

00:27:00,790 --> 00:26:58,430

his birthday with my uncle's not knowing

573

00:27:03,490 --> 00:27:00,800

who was who I asked my mother and she

574

00:27:06,010 --> 00:27:03,500

told me who they were in the last one a

575

00:27:09,160 --> 00:27:06,020

boy with black hair wearing a white

576

00:27:09,880 --> 00:27:09,170

shirt was my uncle when he was 5 years

577

00:27:16,570 --> 00:27:09,890

old

578

00:27:18,640 --> 00:27:16,580

it was my uncle when he was young I felt

579

00:27:21,310 --> 00:27:18,650

a little excited but I always questioned

580

00:27:24,070 --> 00:27:21,320

why it would be me he would come to I

581

00:27:25,690 --> 00:27:24,080

have a dream that night I was back at my

582

00:27:28,360 --> 00:27:25,700

grandma's house and I was in her

583

00:27:30,640 --> 00:27:28,370

backyard I saw my uncle smiling and

584

00:27:33,160 --> 00:27:30,650

laughing with my dad and he looked at me

585

00:27:35,440 --> 00:27:33,170

and smiled and gave me a hug I was

586

00:27:38,860 --> 00:27:35,450

crying and was telling him how much time

587

00:27:40,480 --> 00:27:38,870

it's him I looked at a clock we had on

588

00:27:45,460 --> 00:27:40,490

the wall in her backyard and the time

589

00:27:47,880 --> 00:27:45,470

read 202 I woke up I was in a cold sweat

590

00:27:52,750 --> 00:27:47,890

and looked at my alarm in the time read

591

00:27:53,230 --> 00:27:52,760

202 I began to sob softly and fell back

592

00:27:55,480 --> 00:27:53,240

asleep

593

00:27:57,970 --> 00:27:55,490

we moved out of that house and nothing

594

00:28:00,280 --> 00:27:57,980

has ever happened since I was told

595

00:28:02,980 --> 00:28:00,290

countless stories of my uncle and what

596

00:28:06,070 --> 00:28:02,990

he believed in he believed in the

597

00:28:08,650 --> 00:28:06,080

paranormal and makes me feel safe when

598

00:28:11,470 --> 00:28:08,660
