22

00:01:06,109 --> 00:01:02,129

sighting in oh boy what a name

23

00:01:10,039 --> 00:01:06,119

Koya hoga Falls Ohio I hope I got that

24

00:01:12,230 --> 00:01:10,049

right on November 20th 2017 in brief the

25

00:01:14,359 --> 00:01:12,240

witness states the craft passed over the

26  
00:01:17,600 --> 00:01:14,369  
roadway about a hundred feet off the

27  
00:01:20,510 --> 00:01:17,610  
ground then passing over to our vehicle

28  
00:01:23,719 --> 00:01:20,520  
to the adjoining field and hovered about

29  
00:01:25,460 --> 00:01:23,729  
a hundred feet off the field to other

30  
00:01:28,310 --> 00:01:25,470  
crafts were approaching from the west

31  
00:01:31,730 --> 00:01:28,320  
towards the craft they appeared much

32  
00:01:34,370 --> 00:01:31,740  
smaller on November 20th 2017 at

33  
00:01:37,190 --> 00:01:34,380  
approximately 2200 hours myself and my

34  
00:01:39,800 --> 00:01:37,200  
wife were traveling southbound on Akron

35  
00:01:43,160 --> 00:01:39,810  
Peninsula Road just south of Peninsula

36  
00:01:47,510 --> 00:01:43,170  
village and the coy hoga valley park

37  
00:01:50,149 --> 00:01:47,520  
region as we my wife was driving i

38  
00:01:53,450 --> 00:01:50,159

observed a large craft traveling

39

00:01:55,639 --> 00:01:53,460

Northwest just over top of the tree line

40

00:01:59,209 --> 00:01:55,649

on the left-hand side of the highway

41

00:02:01,249 --> 00:01:59,219

I did notice several white lights on it

42

00:02:05,090 --> 00:02:01,259

no other lights were observed at that

43

00:02:07,399 --> 00:02:05,100

time as the craft passed overhead just

44

00:02:10,309 --> 00:02:07,409

in front of the vehicle I leaned forward

45

00:02:13,610 --> 00:02:10,319

in order to observe the whole craft and

46

00:02:16,309 --> 00:02:13,620

it was at least 40 to 60

47

00:02:19,550 --> 00:02:16,319

be across as it passed overhead while

48

00:02:21,229 --> 00:02:19,560

that's huge things that were noticed was

49

00:02:24,050 --> 00:02:21,239

no other lights except the perimeter

50

00:02:27,020 --> 00:02:24,060

lights which were large about six inches

51  
00:02:30,559 --> 00:02:27,030  
in diameter going around the perimeter

52  
00:02:32,270 --> 00:02:30,569  
of the crafts based evenly another thing

53  
00:02:36,559 --> 00:02:32,280  
that was noticed was that the craft was

54  
00:02:38,839 --> 00:02:36,569  
wide on the outside perimeter probably

55  
00:02:40,640 --> 00:02:38,849  
four to six feet thick while he looks

56  
00:02:43,039 --> 00:02:40,650  
really close to get all these details I

57  
00:02:46,819 --> 00:02:43,049  
did have my window down at this time and

58  
00:02:49,640 --> 00:02:46,829  
notice the craft made no noise as it

59  
00:02:54,500 --> 00:02:49,650  
passed overhead my wife had made mention

60  
00:02:58,160 --> 00:02:54,510  
of oh wow look at that helicopter I told

61  
00:03:02,270 --> 00:02:58,170  
her that this is no helicopter this

62  
00:03:04,640 --> 00:03:02,280  
craft is too big and made no noise it

63  
00:03:08,539 --> 00:03:04,650

also appeared to have a slight rotation

64

00:03:10,250 --> 00:03:08,549

as it passed overhead the craft traveled

65

00:03:13,399 --> 00:03:10,260

Northwest across the roadway then

66

00:03:15,830 --> 00:03:13,409

stopped over a field at corner of Akron

67

00:03:18,170 --> 00:03:15,840

Peninsula Road and Bolin's Road

68

00:03:20,690 --> 00:03:18,180

northwest corner of the intersection I

69

00:03:22,970 --> 00:03:20,700

also noticed high tension lines in the

70

00:03:24,800 --> 00:03:22,980

area of the craft when observing the

71

00:03:27,110 --> 00:03:24,810

craft from the roadway it appeared to be

72

00:03:31,129 --> 00:03:27,120

v-shaped because of the light pattern

73

00:03:32,839 --> 00:03:31,139

but after what it was there were small

74

00:03:36,319 --> 00:03:32,849

section on the perimeter of the craft

75

00:03:38,900 --> 00:03:36,329

that did not have the large LED type

76  
00:03:42,319 --> 00:03:38,910  
lights which made it a pure v-shape from

77  
00:03:45,920 --> 00:03:42,329  
a distance this craft at the farthest

78  
00:03:49,159 --> 00:03:45,930  
distance away was no more than 300 to

79  
00:03:50,659 --> 00:03:49,169  
400 feet from the roadway I also noticed

80  
00:03:54,080 --> 00:03:50,669  
that when the craft stopped over the

81  
00:03:56,599 --> 00:03:54,090  
field a red light had come on under the

82  
00:03:58,640 --> 00:03:56,609  
bottom of the craft then just west of

83  
00:04:01,490 --> 00:03:58,650  
the craft you could see two other craft

84  
00:04:04,610 --> 00:04:01,500  
approaching just over top of the trees

85  
00:04:06,319 --> 00:04:04,620  
towards the stationary craft they did

86  
00:04:09,800 --> 00:04:06,329  
have numerous perimeter lights along

87  
00:04:12,020 --> 00:04:09,810  
with each having one red light in the

88  
00:04:15,979 --> 00:04:12,030

underside they appeared much smaller

89

00:04:18,140 --> 00:04:15,989

craft in at that time I told my wife to

90

00:04:20,599 --> 00:04:18,150

take the next Street on the right so

91

00:04:23,000 --> 00:04:20,609

that I could get some pictures my wife

92

00:04:25,580 --> 00:04:23,010

instead of making the right she

93

00:04:26,990 --> 00:04:25,590

continued down the roadway oh darn it

94

00:04:29,360 --> 00:04:27,000

all just

95

00:04:32,480 --> 00:04:29,370

if she never heard a word I said almost

96

00:04:33,710 --> 00:04:32,490

like a trance just after telling her to

97

00:04:37,100 --> 00:04:33,720

make the turn

98

00:04:38,720 --> 00:04:37,110

I myself forgot what I had seen until

99

00:04:41,270 --> 00:04:38,730

the next day oh wow

100

00:04:43,520 --> 00:04:41,280

I called her from work to talk about it

101  
00:04:47,060 --> 00:04:43,530  
but all she could remember was the big

102  
00:04:49,970 --> 00:04:47,070  
helicopter the area consists of all

103  
00:04:52,310 --> 00:04:49,980  
rural with no inhabitants in the area I

104  
00:04:54,740 --> 00:04:52,320  
am attaching a couple of pictures to

105  
00:04:56,990 --> 00:04:54,750  
show the area I wish I could have taken

106  
00:04:59,120 --> 00:04:57,000  
a couple of pictures because they would

107  
00:05:01,700 --> 00:04:59,130  
have been the best documented pictures

108  
00:05:04,610 --> 00:05:01,710  
that have ever been supplied considering

109  
00:05:07,659 --> 00:05:04,620  
how close the craft was yeah but see

110  
00:05:10,880 --> 00:05:07,669  
that's the trick that's the trick guys

111  
00:05:11,560 --> 00:05:10,890  
here here's this opportunity of a

112  
00:05:14,810 --> 00:05:11,570  
lifetime

113  
00:05:16,940 --> 00:05:14,820

they were so mesmerized they didn't pull

114

00:05:20,240 --> 00:05:16,950

out their camera and then they're like

115

00:05:23,540 --> 00:05:20,250

swing around and somebody's in a trance

116

00:05:25,550 --> 00:05:23,550

and the memory is wiped you know when

117

00:05:26,960 --> 00:05:25,560

people say you know oh well if this

118

00:05:29,150 --> 00:05:26,970

stuff is real why don't you guys get a

119

00:05:30,680 --> 00:05:29,160

great picture because there's whoever

120

00:05:32,810 --> 00:05:30,690

it's got to pick a camera on there

121

00:05:36,080 --> 00:05:32,820

they're hip for crying out loud but it's

122

00:05:38,090 --> 00:05:36,090

not happening for a reason and the

123

00:05:40,370 --> 00:05:38,100

second people grabbed for a camera these

124

00:05:42,320 --> 00:05:40,380

things take off they disappear and if

125

00:05:46,460 --> 00:05:42,330

you do get a good shot like some of the

126

00:05:48,770 --> 00:05:46,470

ones out of Mexico Mexico City even what

127

00:05:51,380 --> 00:05:48,780

do they say oh that was doctored oh

128

00:05:53,810 --> 00:05:51,390

that's not real it's just too clear so

129

00:05:56,930 --> 00:05:53,820

you just really can't win and this is

130

00:05:59,270 --> 00:05:56,940

why we are not getting the best photos

131

00:06:01,130 --> 00:05:59,280

that we can get out there that's okay

132

00:06:03,200 --> 00:06:01,140

well the government's documenting

133

00:06:06,230 --> 00:06:03,210

they've got a great web of cameras all

134

00:06:09,219 --> 00:06:06,240

over big brother's watching through your

135

00:06:12,469 --> 00:06:09,229

computer your TV so I've heard

136

00:06:15,200 --> 00:06:12,479

phones I mean am I missing something I

137

00:06:19,490 --> 00:06:15,210

mean my goodness they have 3d they have

138

00:06:21,260 --> 00:06:19,500

3d casting ability to be able to look

139

00:06:22,880 --> 00:06:21,270

inside your homes and your apartments

140

00:06:25,310 --> 00:06:22,890

did you know that so they could do heat

141

00:06:27,590 --> 00:06:25,320

signatures see what's inside your home

142

00:06:29,810 --> 00:06:27,600

and know what part of the house you're

143

00:06:31,490 --> 00:06:29,820

in and if you're reading something or

144

00:06:33,940 --> 00:06:31,500

you're sitting down or whatever you're

145

00:06:36,860 --> 00:06:33,950

doing yeah they could see yeah not great

146

00:06:38,150 --> 00:06:36,870

that's just lovely anyways moving on to

147

00:06:40,040 --> 00:06:38,160

the next year faux sighting this

148

00:06:44,119 --> 00:06:40,050

happened in Levin Scotland

149

00:06:47,050 --> 00:06:44,129

it's occurred January 27 2018 cube with

150

00:06:50,390 --> 00:06:47,060

arms coming out of it and fog everywhere

151

00:06:51,499 --> 00:06:50,400

then when it left the sky was clear it

152

00:06:56,300 --> 00:06:51,509

was amazing

153

00:06:59,300 --> 00:06:56,310

can't mind dates but that's nothing I've

154

00:07:02,629 --> 00:06:59,310

seen other stuff a fireball went over my

155

00:07:05,420 --> 00:07:02,639

head sought it inflames the lot only

156

00:07:07,820 --> 00:07:05,430

about 200 to 400 feet above my head and

157

00:07:10,399 --> 00:07:07,830

other stf I don't know what that means

158

00:07:11,869 --> 00:07:10,409

okay all right so you know I had just

159

00:07:13,159 --> 00:07:11,879

read this stuff I don't I can't make

160

00:07:15,740 --> 00:07:13,169

sense sometimes of what people are

161

00:07:18,860 --> 00:07:15,750

trying to say in the English language

162

00:07:21,320 --> 00:07:18,870

they were born with alright why why

163

00:07:24,080 --> 00:07:21,330

because this is a texting world because

164

00:07:27,439 --> 00:07:24,090

people don't write anymore it's not cuz

165

00:07:29,390 --> 00:07:27,449

its ESL or anything it's I don't know

166

00:07:32,089 --> 00:07:29,400

alright here we go I always look up at

167

00:07:34,760 --> 00:07:32,099

the sky for the past three to four years

168

00:07:39,230 --> 00:07:34,770

I've seen amazing stuff first thing I

169

00:07:40,879 --> 00:07:39,240

saw was an explosion at Aryans belt if

170

00:07:43,730 --> 00:07:40,889

you blinked you'd miss it

171

00:07:48,680 --> 00:07:43,740

it was white spilled out like a vacuum

172

00:07:52,010 --> 00:07:48,690

it sucked away then I saw fire ball fly

173

00:07:55,459 --> 00:07:52,020

right above across my head felt like it

174

00:07:59,300 --> 00:07:55,469

was 200 feet above me going towards

175

00:08:03,589 --> 00:07:59,310

England my man thought it was going

176

00:08:05,269 --> 00:08:03,599

after my head till he saw it then the

177

00:08:07,820 --> 00:08:05,279

other night we saw a cube with arms

178

00:08:10,610 --> 00:08:07,830

coming out of it and saw flames the

179

00:08:13,070 --> 00:08:10,620

noise was loud it was humming then it

180

00:08:15,680 --> 00:08:13,080

was like a jet hovering above us at that

181

00:08:19,159 --> 00:08:15,690

time my man got a fright and dragged me

182

00:08:22,159 --> 00:08:19,169

in the house when I went I don't know

183

00:08:24,260 --> 00:08:22,169

what that means out it was gone but what

184

00:08:25,969 --> 00:08:24,270

was weird the sky was full of fog then

185

00:08:27,680 --> 00:08:25,979

it disappeared this guy was so clear it

186

00:08:30,950 --> 00:08:27,690

was beautiful and then just the other

187

00:08:32,959 --> 00:08:30,960

night it was out again in the garden

188

00:08:35,540 --> 00:08:32,969

when I looked to the sky it was full of

189

00:08:37,310 --> 00:08:35,550

foggy clouds with this perfect circle

190

00:08:40,610 --> 00:08:37,320

like something took part of the clouds

191

00:08:42,350 --> 00:08:40,620

and made a perfect circle you could see

192

00:08:44,329 --> 00:08:42,360

the moon and stars it was beautiful and

193

00:08:48,970 --> 00:08:44,339

strange I probably sound mad thanks for

194

00:08:51,319 --> 00:08:48,980

listening no sound man just challenged

195

00:08:54,110 --> 00:08:51,329

expressing that cuz all right it was a

196

00:08:56,540 --> 00:08:54,120

lot I couldn't read whoa okay

197

00:08:58,430 --> 00:08:56,550

here we go you'll feel citing and Duncan

198

00:08:59,960 --> 00:08:58,440

British Columbia this is a UFO blast

199

00:09:04,550 --> 00:08:59,970

from the past that's occurred November

200

00:09:09,500 --> 00:09:04,560

15th the year 2000 a satellite it wasn't

201  
00:09:11,690 --> 00:09:09,510  
that's like Yoda instead of saying you

202  
00:09:12,980 --> 00:09:11,700  
know it wasn't a satellite okay all

203  
00:09:14,900 --> 00:09:12,990  
right here we go I've been wishing for

204  
00:09:16,519 --> 00:09:14,910  
some sort of closure on this event maybe

205  
00:09:19,130 --> 00:09:16,529  
I can find it here

206  
00:09:21,500 --> 00:09:19,140  
it was late November early December 2000

207  
00:09:24,560 --> 00:09:21,510  
witnessed only by myself Murphy's Law I

208  
00:09:27,070 --> 00:09:24,570  
think they have the truth at my then

209  
00:09:30,110 --> 00:09:27,080  
residence roughly ten kilometers west of

210  
00:09:32,660 --> 00:09:30,120  
Duncan British Columbia it was a clear

211  
00:09:34,970 --> 00:09:32,670  
winter night not a cloud in the sky very

212  
00:09:37,610 --> 00:09:34,980  
little light pollution from surrounding

213  
00:09:41,329 --> 00:09:37,620

towns and cities and it made for

214

00:09:43,790 --> 00:09:41,339

gorgeous stargazing a black sky with

215

00:09:45,590 --> 00:09:43,800

bright stars everywhere I was about to

216

00:09:48,500 --> 00:09:45,600

head to bed and went outside for a final

217

00:09:50,900 --> 00:09:48,510

cigarette I turned off my porch light as

218

00:09:54,530 --> 00:09:50,910

I enjoy watching for passing satellites

219

00:09:57,200 --> 00:09:54,540

at night and the light would hinder that

220

00:09:59,050 --> 00:09:57,210

is so with the lights out I stepped

221

00:10:02,090 --> 00:09:59,060

outside I'm little smoke and looked up

222

00:10:04,220 --> 00:10:02,100

waiting I knew it wouldn't be long

223

00:10:06,890 --> 00:10:04,230

before at least when satellite started

224

00:10:08,630 --> 00:10:06,900

cruising across the sky I was not

225

00:10:12,980 --> 00:10:08,640

disappointed a few minutes went by

226

00:10:14,690 --> 00:10:12,990

before I first noticed quote it at first

227

00:10:18,110 --> 00:10:14,700

it appeared to just be a run-of-the-mill

228

00:10:20,660 --> 00:10:18,120

satellite lazily sliding across the sky

229

00:10:24,050 --> 00:10:20,670

from the North ish heading south

230

00:10:26,390 --> 00:10:24,060

roughly cool it was moving at a constant

231

00:10:29,900 --> 00:10:26,400

speed as far as I could tell in a fixed

232

00:10:31,370 --> 00:10:29,910

trajectory after all why wouldn't it it

233

00:10:33,620 --> 00:10:31,380

was a satellite as far as I could tell

234

00:10:36,320 --> 00:10:33,630

and these things don't change course or

235

00:10:39,530 --> 00:10:36,330

velocity that perception was about to

236

00:10:41,540 --> 00:10:39,540

change very rapidly for me directly

237

00:10:42,769 --> 00:10:41,550

above my cottage that night was the

238

00:10:45,769 --> 00:10:42,779

constellation Orion

239

00:10:48,260 --> 00:10:45,779

and it's belt perfectly centered over my

240

00:10:50,600 --> 00:10:48,270

head as I looked up the belt that night

241

00:10:52,550 --> 00:10:50,610

was roughly oriented north northwest to

242

00:10:54,199 --> 00:10:52,560

south southeast so I'm standing there

243

00:10:56,390 --> 00:10:54,209

having my smoke and watching this little

244

00:10:59,240 --> 00:10:56,400

point of light begin to pass through

245

00:11:02,569 --> 00:10:59,250

Orion paralleling the belt and just

246

00:11:04,850 --> 00:11:02,579

above it from my perspective my craning

247

00:11:07,130 --> 00:11:04,860

i'm craning my neck to watch as it's

248

00:11:07,790 --> 00:11:07,140

passing directly over top my position

249

00:11:10,519 --> 00:11:07,800

straight

250

00:11:12,380 --> 00:11:10,529

above me so Orion is above me and this

251  
00:11:14,780 --> 00:11:12,390  
object is traveling from right to left

252  
00:11:17,360 --> 00:11:14,790  
north to south as it passes the first

253  
00:11:21,940 --> 00:11:17,370  
star in Orion's belt it quickly and

254  
00:11:24,880 --> 00:11:21,950  
suddenly begins to slow down to a stop

255  
00:11:28,790 --> 00:11:24,890  
just pass the second star in the belt

256  
00:11:31,009 --> 00:11:28,800  
the moment it stops I lose sight of it

257  
00:11:33,170 --> 00:11:31,019  
among the vast blanket of stars in the

258  
00:11:36,650 --> 00:11:33,180  
sky I've seen such things it's pretty

259  
00:11:38,870 --> 00:11:36,660  
cool it's there I'm sure but it's now

260  
00:11:40,639 --> 00:11:38,880  
indiscernible from any star in the sky

261  
00:11:42,860 --> 00:11:40,649  
so I started looking forward along its

262  
00:11:45,650 --> 00:11:42,870  
trajectory clearly I must have blinked

263  
00:11:48,230 --> 00:11:45,660

and lost its satellites do not and cannot

264

00:11:50,240 --> 00:11:48,240

just stop like that I've missed

265

00:11:52,069 --> 00:11:50,250

something I look to where it should be

266

00:11:54,500 --> 00:11:52,079

nothing I look back to the belt nothing

267

00:11:56,389 --> 00:11:54,510

what the heck I think out loud where did

268

00:11:58,790 --> 00:11:56,399

it goes I decided to keep watching the

269

00:12:01,130 --> 00:11:58,800

belt knowing that satellites don't just

270

00:12:02,509 --> 00:12:01,140

slow and stop like that but that's what

271

00:12:04,790 --> 00:12:02,519

it appeared to have done it must be

272

00:12:07,690 --> 00:12:04,800

there a MINURSO goes by and suddenly one

273

00:12:10,699 --> 00:12:07,700

of the quote stars over Orion's belt

274

00:12:13,519 --> 00:12:10,709

starts to move gotcha

275

00:12:16,069 --> 00:12:13,529

it quickly accelerates to its previous

276  
00:12:18,440 --> 00:12:16,079  
velocity and then begins to alter course

277  
00:12:21,230 --> 00:12:18,450  
with a nice hundred and eighty degree

278  
00:12:24,199 --> 00:12:21,240  
turn so it's now under the belt and

279  
00:12:27,380 --> 00:12:24,209  
heading back the way it came almost as

280  
00:12:29,540 --> 00:12:27,390  
soon as it's finished the about-face

281  
00:12:31,250 --> 00:12:29,550  
it starts to slow down again and stops

282  
00:12:35,300 --> 00:12:31,260  
just under the first star in the belt

283  
00:12:37,069 --> 00:12:35,310  
again I start to lose it against the

284  
00:12:39,470 --> 00:12:37,079  
backdrop of the night sky then it begins

285  
00:12:41,510 --> 00:12:39,480  
accelerating and doing another 180 turn

286  
00:12:43,430 --> 00:12:41,520  
back to its original track oh this thing

287  
00:12:46,130 --> 00:12:43,440  
is messing with them and immediately

288  
00:12:49,150 --> 00:12:46,140

starts slowing down yet again to a stop

289

00:12:52,490 --> 00:12:49,160

and almost as soon as it stops moving

290

00:12:55,130 --> 00:12:52,500

it's going again this time with no

291

00:12:58,760 --> 00:12:55,140

acceleration just motionless and then

292

00:13:01,760 --> 00:12:58,770

moving like a billiard ball hit by a cue

293

00:13:04,069 --> 00:13:01,770

it doesn't move far up and through

294

00:13:05,840 --> 00:13:04,079

Orion's belt and then as fast as it

295

00:13:09,319 --> 00:13:05,850

started off it comes to a sudden dead

296

00:13:12,800 --> 00:13:09,329

stop at this point its course has made a

297

00:13:15,620 --> 00:13:12,810

funny figure eight through Orion's belt

298

00:13:18,560 --> 00:13:15,630

from my perspective also at this point I

299

00:13:19,449 --> 00:13:18,570

became utterly horrified by what I'm

300

00:13:26,859 --> 00:13:19,459

seeing

301  
00:13:29,019 --> 00:13:26,869  
impossible yet there it is every hair on

302  
00:13:32,799 --> 00:13:29,029  
my body stands on in and I get

303  
00:13:36,999 --> 00:13:32,809  
overwhelmed with terror and this was

304  
00:13:39,069 --> 00:13:37,009  
just its things opening act a few

305  
00:13:41,410 --> 00:13:39,079  
minutes passed and nothing happened I

306  
00:13:43,540 --> 00:13:41,420  
looked around the sky again thinking

307  
00:13:46,809 --> 00:13:43,550  
maybe I'd lost track of it and fixing my

308  
00:13:49,509 --> 00:13:46,819  
view on the belt every so often then one

309  
00:13:51,999 --> 00:13:49,519  
quote star above the belt where I lost

310  
00:13:53,669 --> 00:13:52,009  
sight of it started getting brighter the

311  
00:13:58,150 --> 00:13:53,679  
cigarette in my mouth fell to the ground

312  
00:14:00,189 --> 00:13:58,160  
it grew brighter and brighter until it

313  
00:14:02,369 --> 00:14:00,199

was the brightest point of light in the

314

00:14:05,730 --> 00:14:02,379

sky by a large margin

315

00:14:09,489 --> 00:14:05,740

suddenly it rocketed across the sky at a

316

00:14:13,509 --> 00:14:09,499

speed that defies words it did not

317

00:14:17,259 --> 00:14:13,519

accelerate it was just still then moving

318

00:14:21,129 --> 00:14:17,269

at a horrific speed and it came to an

319

00:14:24,759 --> 00:14:21,139

equally horrific dead stop to the north

320

00:14:28,230 --> 00:14:24,769

just above the horizon it then moved

321

00:14:30,819 --> 00:14:28,240

without sound and no tail like a comment

322

00:14:33,699 --> 00:14:30,829

when it stopped again I lost track of it

323

00:14:35,889 --> 00:14:33,709

given it was now on the horizon where

324

00:14:39,280 --> 00:14:35,899

nighttime stars are almost impossible to

325

00:14:41,980 --> 00:14:39,290

see it's no wonder but about a minute

326

00:14:44,439 --> 00:14:41,990

later there appeared a star a point of

327

00:14:47,769 --> 00:14:44,449

light at least growing brighter and

328

00:14:49,509 --> 00:14:47,779

brighter by the second and again even on

329

00:14:51,660 --> 00:14:49,519

the horizon it grew so bright that it

330

00:14:54,699 --> 00:14:51,670

became the brightest thing in the sky

331

00:14:58,419 --> 00:14:54,709

once again it defied physics and soared

332

00:14:59,160 --> 00:14:58,429

from Horizon to horizon in roughly one

333

00:15:01,650 --> 00:14:59,170

second

334

00:15:03,579 --> 00:15:01,660

discounts on car insurance and that's

340

00:15:15,220 --> 00:15:13,579

insurance company

344

00:15:29,470 --> 00:15:27,960

snapshot not available in California

345

00:15:32,510 --> 00:15:29,480

North Carolina both of all agents a

346

00:15:34,460 --> 00:15:32,520

burst of speed so phenomenal that my

347

00:15:37,160 --> 00:15:34,470

eyes had a hard time tracking it across

348

00:15:40,940 --> 00:15:37,170

the sky no comment

349

00:15:44,000 --> 00:15:40,950

or tail no sound just a point of light

350

00:15:46,790 --> 00:15:44,010

moving at terrifying speed it came to a

351  
00:15:48,950 --> 00:15:46,800  
dead stop without decelerating on the

352  
00:15:51,860 --> 00:15:48,960  
southern horizon on almost immediately

353  
00:15:53,870 --> 00:15:51,870  
it again began to get brighter and

354  
00:15:55,930 --> 00:15:53,880  
brighter until it was yet again the

355  
00:15:59,000 --> 00:15:55,940  
brightest point of light in the sky I

356  
00:16:02,840 --> 00:15:59,010  
was expecting another burst of speed but

357  
00:16:05,270 --> 00:16:02,850  
instead it just blinked out of you it

358  
00:16:09,980 --> 00:16:05,280  
was there one moment the next it

359  
00:16:12,200 --> 00:16:09,990  
vanished gone I stayed for quite a while

360  
00:16:15,950 --> 00:16:12,210  
after hoping it would return or maybe

361  
00:16:17,840 --> 00:16:15,960  
I'd hear a delayed sound where it was

362  
00:16:20,060 --> 00:16:17,850  
within the atmosphere it didn't return

363  
00:16:22,700 --> 00:16:20,070

those sounds were heard it had to be

364

00:16:24,470 --> 00:16:22,710

outside the atmosphere in orbit I have

365

00:16:26,900 --> 00:16:24,480

no idea what I witnessed that night all

366

00:16:30,560 --> 00:16:26,910

I can surmise is that it must have been

367

00:16:33,530 --> 00:16:30,570

in orbit it maneuvered in a way that

368

00:16:36,110 --> 00:16:33,540

would at least liquefy if not vaporized

369

00:16:38,900 --> 00:16:36,120

any substance known to humanity what I

370

00:16:41,360 --> 00:16:38,910

witness is impossible yet I saw it can

371

00:16:44,360 --> 00:16:41,370

someone help me what did I see a UFO a

372

00:16:48,710 --> 00:16:44,370

military vehicle both or neither I am at

373

00:16:51,110 --> 00:16:48,720

a loss we you know I know that thing had

374

00:16:54,020 --> 00:16:51,120

to see him it had to realized that he

375

00:16:56,090 --> 00:16:54,030

was observing and played with him they

376

00:16:59,510 --> 00:16:56,100

do that you think it's so far up and

377

00:17:01,700 --> 00:16:59,520

then whom I am not kidding you I have

378

00:17:04,490 --> 00:17:01,710

said something like that I've had a few

379

00:17:07,580 --> 00:17:04,500

things that are just mind-blowing they

380

00:17:10,970 --> 00:17:07,590

connect I know they can hear you all

381

00:17:12,860 --> 00:17:10,980

right I've got a big paranormal point of

382

00:17:14,780 --> 00:17:12,870

a story so I want to dedicate a little

383

00:17:17,180 --> 00:17:14,790

bit more time to that today so I'm gonna

384

00:17:21,020 --> 00:17:17,190

jump on over to that right about now

385

00:17:22,370 --> 00:17:21,030

just because this one is called I have

386

00:17:24,950 --> 00:17:22,380

not read it just so you know it's just a

387

00:17:28,730 --> 00:17:24,960

big one um I just hope it's good dream

388

00:17:31,010 --> 00:17:28,740

visitor and this person is sharing their

389

00:17:32,570 --> 00:17:31,020

story and they say first let me say that

390

00:17:34,340 --> 00:17:32,580

this story is going to be really

391

00:17:35,930 --> 00:17:34,350

difficult for me to tell

392

00:17:38,060 --> 00:17:35,940

however after spending some time

393

00:17:39,740 --> 00:17:38,070

thinking it over I thought that maybe

394

00:17:41,240 --> 00:17:39,750

getting it out there will help me

395

00:17:43,460 --> 00:17:41,250

deal with what happened or maybe help

396

00:17:45,710 --> 00:17:43,470

someone else this is completely true and

397

00:17:48,230 --> 00:17:45,720

I will do my best to give us much detail

398

00:17:50,140 --> 00:17:48,240

as possible because of how terrorized I

399

00:17:51,920 --> 00:17:50,150

was I think I blocked a lot of it out

400

00:17:54,830 --> 00:17:51,930

even though it was something that

401  
00:17:56,870 --> 00:17:54,840  
happened within this past year even as a

402  
00:17:59,270 --> 00:17:56,880  
kid I always had very vivid dreams I

403  
00:18:01,820 --> 00:17:59,280  
often had lucid dreams those were my

404  
00:18:03,250 --> 00:18:01,830  
favorite as once I knew I loved the

405  
00:18:06,410 --> 00:18:03,260  
freedom of making choices without

406  
00:18:08,810 --> 00:18:06,420  
consequence as I got older those lucid

407  
00:18:12,140 --> 00:18:08,820  
dreams would leave to some of the best

408  
00:18:14,690 --> 00:18:12,150  
Oh erotic dreams ever I mentioned this

409  
00:18:16,880 --> 00:18:14,700  
because it may be important later I used

410  
00:18:19,250 --> 00:18:16,890  
to talk on my sleep a bit based on what

411  
00:18:22,160 --> 00:18:19,260  
my parents have told me but have never

412  
00:18:25,220 --> 00:18:22,170  
sleep walked nor had any other sleep

413  
00:18:26,960 --> 00:18:25,230

issues I did have chronic nightmares but

414

00:18:29,150 --> 00:18:26,970

that's a different story entirely but I

415

00:18:30,800 --> 00:18:29,160

thought having that information may help

416

00:18:32,990 --> 00:18:30,810

you understand why what I'm about

417

00:18:35,570 --> 00:18:33,000

described to you was so different and so

418

00:18:37,190 --> 00:18:35,580

horrifying okay I'm just gonna take a

419

00:18:39,800 --> 00:18:37,200

stab in the dark darkened I haven't read

420

00:18:41,690 --> 00:18:39,810

this but I'm gonna say hat man shadow

421

00:18:43,190 --> 00:18:41,700

people you know we're talking about

422

00:18:45,200 --> 00:18:43,200

things coming at you when you're

423

00:18:47,930 --> 00:18:45,210

sleeping and taking advantage so that's

424

00:18:50,120 --> 00:18:47,940

just my feeling okay here we go I was a

425

00:18:53,270 --> 00:18:50,130

freshman in college when I had my very

426

00:18:56,540 --> 00:18:53,280

first sleep paralysis type dream here

427

00:18:58,100 --> 00:18:56,550

here we go I used that term loosely as I

428

00:19:00,530 --> 00:18:58,110

am not really sure how to categorize

429

00:19:03,440 --> 00:19:00,540

what I experienced I had been studying

430

00:19:05,390 --> 00:19:03,450

in my on my bed room light on sitting

431

00:19:06,890 --> 00:19:05,400

with my back against the wall I don't

432

00:19:09,170 --> 00:19:06,900

know when I fell asleep but I do

433

00:19:11,060 --> 00:19:09,180

remember waking up at least I thought I

434

00:19:12,950 --> 00:19:11,070

was awake I opened my eyes noticed the

435

00:19:15,770 --> 00:19:12,960

books on my lap and heard a knock or

436

00:19:18,650 --> 00:19:15,780

something on my door I got up to get it

437

00:19:20,570 --> 00:19:18,660

and then I awoke up this continued for

438

00:19:23,360 --> 00:19:20,580

about four or five times each time with

439

00:19:25,160 --> 00:19:23,370

me becoming more and more panicked the

440

00:19:26,240 --> 00:19:25,170

very last time I woke up in my dream I

441

00:19:28,790 --> 00:19:26,250

started to hear voices

442

00:19:31,010 --> 00:19:28,800

they were very mumbled starting off

443

00:19:34,430 --> 00:19:31,020

quietly and continuously getting louder

444

00:19:36,440 --> 00:19:34,440

and louder all I kept hearing were

445

00:19:38,870 --> 00:19:36,450

different voices yelling their name and

446

00:19:41,540 --> 00:19:38,880

a date I couldn't keep up with them all

447

00:19:44,960 --> 00:19:41,550

and I was starting to make my head hurt

448

00:19:48,740 --> 00:19:44,970

I remember putting my heads up squeezing

449

00:19:51,440 --> 00:19:48,750

my head and trying to get off my bed and

450

00:19:53,330 --> 00:19:51,450

away from the voices the pain was so

451  
00:19:53,570 --> 00:19:53,340  
intense I could barely crawl on the

452  
00:19:55,880 --> 00:19:53,580  
floor

453  
00:19:58,340 --> 00:19:55,890  
as I tried to make it 10 feet across the

454  
00:20:00,620 --> 00:19:58,350  
dorm room to the door when I thought the

455  
00:20:04,160 --> 00:20:00,630  
voices were going to make my head

456  
00:20:05,600 --> 00:20:04,170  
explode I finally woke up for real I was

457  
00:20:08,090 --> 00:20:05,610  
still in the same place with my back

458  
00:20:10,190 --> 00:20:08,100  
against the wall and books on my lap I

459  
00:20:12,860 --> 00:20:10,200  
was actually nervous I was still asleep

460  
00:20:14,930 --> 00:20:12,870  
I immediately started to cry and called

461  
00:20:17,900 --> 00:20:14,940  
my dad I told him I thought I was going

462  
00:20:19,580 --> 00:20:17,910  
crazy he said that I probably wasn't

463  
00:20:22,040 --> 00:20:19,590

sleeping well and before I voluntarily

464

00:20:24,050 --> 00:20:22,050

submitted myself to a psych ward that

465

00:20:26,440 --> 00:20:24,060

maybe it would be a good idea to just

466

00:20:28,730 --> 00:20:26,450

try and get a few good night's rest I

467

00:20:30,920 --> 00:20:28,740

must have listened because I never had

468

00:20:32,570 --> 00:20:30,930

the experience again I sometimes wished

469

00:20:34,820 --> 00:20:32,580

I could have remembered the names and

470

00:20:37,910 --> 00:20:34,830

dates I heard but the pain was so

471

00:20:39,350 --> 00:20:37,920

intense to allow me to focus I wasn't

472

00:20:41,390 --> 00:20:39,360

going to include this part of my dream

473

00:20:43,370 --> 00:20:41,400

history but upon sitting down to write

474

00:20:45,800 --> 00:20:43,380

this thought maybe it could be related

475

00:20:48,050 --> 00:20:45,810

fast-forward about 13 years later three

476  
00:20:50,750 --> 00:20:48,060  
years ago it was midday and I had fallen

477  
00:20:52,250 --> 00:20:50,760  
asleep on my couch watching TV I guess

478  
00:20:54,440 --> 00:20:52,260  
my kids were in school because I don't

479  
00:20:56,300 --> 00:20:54,450  
remember anyone else being home this is

480  
00:20:58,940 --> 00:20:56,310  
what I first began to experience what my

481  
00:21:01,520 --> 00:20:58,950  
research has shown is called quote sleep

482  
00:21:03,350 --> 00:21:01,530  
paralysis I knew I wasn't sleeping I

483  
00:21:05,000 --> 00:21:03,360  
could hear the television in the

484  
00:21:07,400 --> 00:21:05,010  
background clearly and I was trying to

485  
00:21:09,400 --> 00:21:07,410  
will my eyes open before I could open my

486  
00:21:12,050 --> 00:21:09,410  
eyes I felt a weight on my chest

487  
00:21:14,360 --> 00:21:12,060  
apparently common in cases of sleep

488  
00:21:16,910 --> 00:21:14,370

paralysis I could now see the room

489

00:21:19,220 --> 00:21:16,920

around me eyes open and awake but that

490

00:21:21,140 --> 00:21:19,230

wait was still there I tried to move and

491

00:21:23,420 --> 00:21:21,150

realize I was completely paralyzed I

492

00:21:25,880 --> 00:21:23,430

realized that although I could not see

493

00:21:29,440 --> 00:21:25,890

the cause of this pressure with my eyes

494

00:21:33,610 --> 00:21:29,450

I could visualize the being in my head

495

00:21:37,280 --> 00:21:33,620

it was a demonic being bluish in color

496

00:21:40,370 --> 00:21:37,290

about five feet tall he was sitting

497

00:21:41,960 --> 00:21:40,380

straddled over me I know he spoke to me

498

00:21:43,940 --> 00:21:41,970

but I cannot remember what was said

499

00:21:44,540 --> 00:21:43,950

that's not a shadow person I know what

500

00:21:47,060 --> 00:21:44,550

that is

501  
00:21:48,770 --> 00:21:47,070  
the only other part I remember was being

502  
00:21:51,440 --> 00:21:48,780  
raped yeah

503  
00:21:53,990 --> 00:21:51,450  
that's an alien guys it was horrifying

504  
00:21:56,420 --> 00:21:54,000  
but satisfying I fought him I do

505  
00:22:00,620 --> 00:21:56,430  
remember that but did not wake up until

506  
00:22:02,660 --> 00:22:00,630  
I had finished it's actually when I

507  
00:22:05,480 --> 00:22:02,670  
tried to sum up what happened the only

508  
00:22:07,230 --> 00:22:05,490  
thing that came to mind was that I was

509  
00:22:09,930 --> 00:22:07,240  
raped by the devil

510  
00:22:12,690 --> 00:22:09,940  
I eventually chalked this up to being a

511  
00:22:14,850 --> 00:22:12,700  
really twisted sex dream my husband had

512  
00:22:16,350 --> 00:22:14,860  
been injured during the Iraq war and was

513  
00:22:19,470 --> 00:22:16,360

dealing with some pretty serious

514

00:22:21,480 --> 00:22:19,480

physical and mental issues we did not

515

00:22:23,370 --> 00:22:21,490

have a very active sex life during this

516

00:22:25,350 --> 00:22:23,380

period of time and I kind of just

517

00:22:27,720 --> 00:22:25,360

figured it was my brains way of

518

00:22:29,669 --> 00:22:27,730

processing this that was until two years

519

00:22:32,160 --> 00:22:29,679

later about a year after we moved into

520

00:22:33,960 --> 00:22:32,170

our new house this was when things went

521

00:22:36,180 --> 00:22:33,970

from weird to terrifying in a level I

522

00:22:37,740 --> 00:22:36,190

never imagined I could experience so

523

00:22:39,690 --> 00:22:37,750

about a year ago things started off

524

00:22:41,880 --> 00:22:39,700

slowly my husband was sleeping in the

525

00:22:44,190 --> 00:22:41,890

living room as his medication would

526

00:22:46,169 --> 00:22:44,200

cause him to fall asleep very early and

527

00:22:48,240 --> 00:22:46,179

stay passed out until the morning I

528

00:22:50,010 --> 00:22:48,250

would go upstairs to our bedroom each

529

00:22:53,820 --> 00:22:50,020

night by myself I don't remember when

530

00:22:56,790 --> 00:22:53,830

exactly it started but I could tell you

531

00:23:00,120 --> 00:22:56,800

that I was actually a bit happy about it

532

00:23:01,980 --> 00:23:00,130

at first it always happened right as I

533

00:23:04,080 --> 00:23:01,990

began to fall asleep I would be fully

534

00:23:06,120 --> 00:23:04,090

aware of my surroundings feeling as if

535

00:23:08,910 --> 00:23:06,130

my eyes were open and I couldn't move I

536

00:23:11,430 --> 00:23:08,920

would start with a feeling of not being

537

00:23:13,890 --> 00:23:11,440

able to breathe that part always scared

538

00:23:15,840 --> 00:23:13,900

me the most as I often thought I would

539

00:23:18,090 --> 00:23:15,850

suffocate before I would wake myself up

540

00:23:22,700 --> 00:23:18,100

as soon as I realized my paralysis I

541

00:23:25,200 --> 00:23:22,710

would begin to feel myself being raped

542

00:23:26,070 --> 00:23:25,210

as terrible as it sounds I actually

543

00:23:28,950 --> 00:23:26,080

enjoyed it

544

00:23:31,290 --> 00:23:28,960

on some level not having sex and my

545

00:23:33,720 --> 00:23:31,300

waking life was causing me to have this

546

00:23:35,940 --> 00:23:33,730

pent-up sexual frustration I thought I

547

00:23:38,310 --> 00:23:35,950

never truly consented to what was

548

00:23:40,470 --> 00:23:38,320

happening but it was fulfilling a need

549

00:23:42,660 --> 00:23:40,480

that I didn't feel comfortable enough to

550

00:23:45,000 --> 00:23:42,670

voice out loud I guess what scared me

551  
00:23:47,700 --> 00:23:45,010  
more than anything was that I knew this

552  
00:23:50,970 --> 00:23:47,710  
was a demon he would speak to me while

553  
00:23:54,000 --> 00:23:50,980  
raping me mostly things about how much

554  
00:23:56,430 --> 00:23:54,010  
he knew I liked it although I never

555  
00:23:57,930 --> 00:23:56,440  
heard his words with my ears nor saw him

556  
00:24:00,299 --> 00:23:57,940  
with my eyes the best way I can describe

557  
00:24:02,790 --> 00:24:00,309  
it is as if you recall a conversation

558  
00:24:04,380 --> 00:24:02,800  
you had with someone the day before you

559  
00:24:06,480 --> 00:24:04,390  
could visualize what they look like and

560  
00:24:09,090 --> 00:24:06,490  
what was being said even though you

561  
00:24:11,580 --> 00:24:09,100  
aren't truly seeing it or hearing it at

562  
00:24:13,919 --> 00:24:11,590  
the moment that was how I saw this demon

563  
00:24:16,650 --> 00:24:13,929

and heard him this happened for months

564

00:24:19,380 --> 00:24:16,660

and I was beginning to become scared I

565

00:24:21,060 --> 00:24:19,390

was becoming very clear to me that this

566

00:24:22,740 --> 00:24:21,070

was not just a dream

567

00:24:24,930 --> 00:24:22,750

first I thought my brain was working

568

00:24:26,879 --> 00:24:24,940

through some sexual tension in a really

569

00:24:30,870 --> 00:24:26,889

demented way but that began to change

570

00:24:33,450 --> 00:24:30,880

and fear really set in he came again but

571

00:24:35,340 --> 00:24:33,460

this time was different I don't remember

572

00:24:37,049 --> 00:24:35,350

if it was him or whether he brought

573

00:24:40,289 --> 00:24:37,059

someone else what I do remember is that

574

00:24:42,600 --> 00:24:40,299

he said since you clearly handled what I

575

00:24:43,499 --> 00:24:42,610

did so well let's make this more

576

00:24:46,769 --> 00:24:43,509

interesting

577

00:24:49,680 --> 00:24:46,779

or something along those lines I was

578

00:24:52,379 --> 00:24:49,690

then raped but what can only be

579

00:24:56,789 --> 00:24:52,389

described as a demon that would not

580

00:25:01,499 --> 00:24:56,799

endow that like a man but that of a

581

00:25:02,159 --> 00:25:01,509

horse things were huge and not meant for

582

00:25:05,220 --> 00:25:02,169

my body

583

00:25:07,200 --> 00:25:05,230

I remember feeling myself being raped

584

00:25:10,049 --> 00:25:07,210

and felt great pain there was no

585

00:25:12,509 --> 00:25:10,059

pleasure anymore I began to try and find

586

00:25:14,610 --> 00:25:12,519

ways to wake myself up this was no

587

00:25:18,600 --> 00:25:14,620

longer anything that resembled a normal

588

00:25:20,639 --> 00:25:18,610

sex dream something was wrong I dealt

589

00:25:23,249 --> 00:25:20,649

with this type of thing for over six

590

00:25:25,169 --> 00:25:23,259

months by this point what used to be one

591

00:25:26,129 --> 00:25:25,179

or two nights a week was happening more

592

00:25:28,350 --> 00:25:26,139

and more frequently

593

00:25:31,619 --> 00:25:28,360

I was tired all the time and afraid to

594

00:25:33,980 --> 00:25:31,629

go to sleep the next escalation was a

595

00:25:36,840 --> 00:25:33,990

time there was a woman with the demon

596

00:25:40,259 --> 00:25:36,850

she was blond wearing a white

597

00:25:41,129 --> 00:25:40,269

knee-length nightgown type dress and was

598

00:25:45,299 --> 00:25:41,139

very pretty

599

00:25:47,879 --> 00:25:45,309

oh gosh she was kneeling next to where I

600

00:25:50,850 --> 00:25:47,889

was laying on the bed looking at me with

601  
00:25:52,860 --> 00:25:50,860  
real curiosity she and the demon who was

602  
00:25:55,440 --> 00:25:52,870  
kneeling between my legs were talking to

603  
00:25:58,110 --> 00:25:55,450  
each other saying things like are you

604  
00:26:01,139 --> 00:25:58,120  
sure she can handle this and I can't

605  
00:26:02,759 --> 00:26:01,149  
wait to watch wow it was then that I

606  
00:26:06,029 --> 00:26:02,769  
realized I was not in the presence of

607  
00:26:08,909 --> 00:26:06,039  
just these two but many demons all

608  
00:26:11,519 --> 00:26:08,919  
around my bed I could see that they

609  
00:26:14,639 --> 00:26:11,529  
there were endless others watching me I

610  
00:26:16,740 --> 00:26:14,649  
began a panic and realized this was very

611  
00:26:18,330 --> 00:26:16,750  
different from previous experiences the

612  
00:26:20,940 --> 00:26:18,340  
others in my room were pushing each

613  
00:26:23,129 --> 00:26:20,950

other to try and have the best view I

614

00:26:25,560 --> 00:26:23,139

was terrified and began to panic when I

615

00:26:28,470 --> 00:26:25,570

realized I was being lifted up off my

616

00:26:30,090 --> 00:26:28,480

bed by my feet there was a rope or

617

00:26:32,850 --> 00:26:30,100

something tied around my ankles and I

618

00:26:34,500 --> 00:26:32,860

was hanging upside down the demon with

619

00:26:37,530 --> 00:26:34,510

the sized member

620

00:26:40,169 --> 00:26:37,540

began to rape me and I screamed to stop

621

00:26:42,690 --> 00:26:40,179

I'm not a religious person and was

622

00:26:46,890 --> 00:26:42,700

raised Jewish yet for some reason this

623

00:26:51,210 --> 00:26:46,900

idea popped into my head I began to pray

624

00:26:53,340 --> 00:26:51,220

to Jesus check that out do you know how

625

00:26:55,350 --> 00:26:53,350

many times I have told people that is

626  
00:26:56,390 --> 00:26:55,360  
the name that will scare anything away

627  
00:26:59,250 --> 00:26:56,400  
alien

628  
00:27:02,900 --> 00:26:59,260  
demons shadow people hat men whatever

629  
00:27:05,400 --> 00:27:02,910  
and you know it works for everybody I

630  
00:27:08,250 --> 00:27:05,410  
started to say the Lord's Prayer I could

631  
00:27:11,430 --> 00:27:08,260  
feel the anger all around me and then I

632  
00:27:13,650 --> 00:27:11,440  
woke up I cannot begin to tell you the

633  
00:27:16,080 --> 00:27:13,660  
relief I felt that was until the

634  
00:27:18,419 --> 00:27:16,090  
following night apparently praying and

635  
00:27:21,180 --> 00:27:18,429  
waking up was not ok for the demon

636  
00:27:23,370 --> 00:27:21,190  
entity this time it was not the same

637  
00:27:24,840 --> 00:27:23,380  
demon that visited me it was not an

638  
00:27:27,299 --> 00:27:24,850

experience of rape that I dealt with

639

00:27:30,150 --> 00:27:27,309

that night but rather one of extreme

640

00:27:32,340 --> 00:27:30,160

torture the demon was like eight feet

641

00:27:35,340 --> 00:27:32,350

tall and powerful

642

00:27:37,470 --> 00:27:35,350

I just knew instinctively that he was on

643

00:27:39,720 --> 00:27:37,480

a completely different level than the

644

00:27:42,840 --> 00:27:39,730

demon who had been tormenting me for the

645

00:27:45,750 --> 00:27:42,850

last year I immediately began to pray to

646

00:27:48,390 --> 00:27:45,760

Jesus again he laughed at me

647

00:27:50,850 --> 00:27:48,400

I was once again strung up by my ankles

648

00:27:53,820 --> 00:27:50,860

completely upside down with my head a

649

00:27:58,230 --> 00:27:53,830

few inches off the bed I remember him

650

00:28:00,900 --> 00:27:58,240

saying that won't work on me and then he

651  
00:28:01,520 --> 00:28:00,910  
said you are going to pay for what you

652  
00:28:05,100 --> 00:28:01,530  
did

653  
00:28:06,870 --> 00:28:05,110  
he had a razor claws on his hands best

654  
00:28:09,539 --> 00:28:06,880  
way to describe them would be like

655  
00:28:11,669 --> 00:28:09,549  
Freddy Krueger hands he stabbed me with

656  
00:28:14,220 --> 00:28:11,679  
his fingers right into my stomach

657  
00:28:16,169 --> 00:28:14,230  
I remember him thrusting his claws in my

658  
00:28:19,220 --> 00:28:16,179  
back and watching them come through the

659  
00:28:21,330 --> 00:28:19,230  
front of my body the pain was intense

660  
00:28:23,909 --> 00:28:21,340  
this was the worst pain I have ever

661  
00:28:26,010 --> 00:28:23,919  
experienced even now I could tell you

662  
00:28:29,250 --> 00:28:26,020  
that there is no pain like what I felt

663  
00:28:32,400 --> 00:28:29,260

that night I even had my epidural wear

664

00:28:35,130 --> 00:28:32,410

off before they were finished sewing me

665

00:28:37,500 --> 00:28:35,140

up after the birth of my daughter that

666

00:28:39,690 --> 00:28:37,510

was nothing compared to this I kept

667

00:28:42,030 --> 00:28:39,700

praying and praying eventually I woke up

668

00:28:44,010 --> 00:28:42,040

with a start it took me a long time

669

00:28:46,740 --> 00:28:44,020

before I could move because the pain was

670

00:28:48,210 --> 00:28:46,750

so intense I hurt for that whole day

671

00:28:51,090 --> 00:28:48,220

even though I did

672

00:28:52,710 --> 00:28:51,100

have a mark on my body I had tried to

673

00:28:54,990 --> 00:28:52,720

tell my husband about what happened that

674

00:28:56,279 --> 00:28:55,000

night I told him a couple of my previous

675

00:28:58,710 --> 00:28:56,289

experiences but he told me that

676

00:29:01,230 --> 00:28:58,720

believing they were more than dreams was

677

00:29:02,909 --> 00:29:01,240

just being silly I was terrified to ever

678

00:29:05,220 --> 00:29:02,919

sleep again so I called a friend of mine

679

00:29:06,690 --> 00:29:05,230

who grew up in Mexico I know that in

680

00:29:08,370 --> 00:29:06,700

some cultures they have stories about

681

00:29:11,039 --> 00:29:08,380

the Incubus or succubus and thought

682

00:29:12,570 --> 00:29:11,049

maybe he could help me he was super

683

00:29:15,000 --> 00:29:12,580

understanding and spoke to my family

684

00:29:17,159 --> 00:29:15,010

members he had back in Mexico when I

685

00:29:19,980 --> 00:29:17,169

heard back from him he stated that what

686

00:29:21,990 --> 00:29:19,990

I was experiencing was not a dream he

687

00:29:24,120 --> 00:29:22,000

said that I maybe unknowingly invited

688

00:29:26,789 --> 00:29:24,130

this demon in he asked me if I had ever

689

00:29:29,789 --> 00:29:26,799

told the demon not to come back after

690

00:29:31,409 --> 00:29:29,799

the first experience I said no he asked

691

00:29:34,200 --> 00:29:31,419

me if I enjoy the experiences when I

692

00:29:36,659 --> 00:29:34,210

told him that on some level I used to he

693

00:29:38,549 --> 00:29:36,669

became really worried he told me that it

694

00:29:40,590 --> 00:29:38,559

was super important that I continue to

695

00:29:42,539 --> 00:29:40,600

pray and that I had to tell the demon he

696

00:29:44,580 --> 00:29:42,549

was no longer welcome that's another

697

00:29:46,890 --> 00:29:44,590

thing I'd tell people he warned me that

698

00:29:49,649 --> 00:29:46,900

I could be fooled but that it was

699

00:29:51,270 --> 00:29:49,659

something I must do what's crazy is that

700

00:29:54,120 --> 00:29:51,280

for the next two weeks when the demon

701

00:29:56,760 --> 00:29:54,130

came I was the same it was the same

702

00:29:58,680 --> 00:29:56,770

gentle experience I used to have it was

703

00:30:01,020 --> 00:29:58,690

actually hard to say no and even harder

704

00:30:04,260 --> 00:30:01,030

to say I didn't want him to come back I

705

00:30:07,080 --> 00:30:04,270

realized I must have invited him in that

706

00:30:09,630 --> 00:30:07,090

scared me more than anything it took

707

00:30:11,220 --> 00:30:09,640

those two weeks of saying no and saying

708

00:30:12,180 --> 00:30:11,230

he was no longer welcome before it

709

00:30:14,760 --> 00:30:12,190

stopped completely

710

00:30:16,860 --> 00:30:14,770

now I sometimes get sleep paralysis but

711

00:30:19,440 --> 00:30:16,870

I have learned how to jump and scare

712

00:30:21,360 --> 00:30:19,450

myself awake I know this story was long

713

00:30:23,190 --> 00:30:21,370

and maybe it wasn't all that scary but I

714

00:30:24,690 --> 00:30:23,200

can tell you that living through this

715

00:30:27,210 --> 00:30:24,700

was the most frightening thing I have

716

00:30:29,149 --> 00:30:27,220

ever dealt with I wonder sometimes what

717

00:30:30,889 --> 00:30:29,159

we leave ourselves open to when we sleep

718

00:30:33,379 --> 00:30:30,899

progressive presents

719

00:30:35,269 --> 00:30:33,389

721

00:30:38,389 --> 00:30:36,779

are you just gonna stand there and let

722

00:30:40,489 --> 00:30:38,399

people not get you credit for being a

723

00:30:42,200 --> 00:30:40,499

good driver you deserve discounts on car

724

00:30:44,029 --> 00:30:42,210

insurance and that's what snapshot from

725

00:30:53,919 --> 00:30:44,039

progressive is for so why aren't you

726

00:30:57,079 --> 00:30:55,639

progressive class at the insurance

727

00:30:58,399 --> 00:30:57,089

company in affiliates snapshot not

728

00:31:00,229 --> 00:30:58,409

available in California don't heroin

729

00:31:01,999 --> 00:31:00,239

with all agents I hope to never

730

00:31:04,099 --> 00:31:02,009

experience something like this again but

731

00:31:07,070 --> 00:31:04,109

at least now I feel prepared to know

732

00:31:09,529 --> 00:31:07,080

what I need to do I have read stories of

733

00:31:11,060 --> 00:31:09,539

people who try it and invite these

734

00:31:13,369 --> 00:31:11,070

demons in and develop some sort of

735

00:31:15,529 --> 00:31:13,379

relationship I would simply warn that if

736

00:31:17,450 --> 00:31:15,539

you think you have any type of positive

737

00:31:20,869 --> 00:31:17,460

relationship with an entity like that

738

00:31:22,399 --> 00:31:20,879

you are being fooled it's better to get

739

00:31:24,769 --> 00:31:22,409

out while you are still able because

740

00:31:26,989 --> 00:31:24,779

that being that tortured me did not let

741

00:31:29,899 --> 00:31:26,999

me go until he was finished with me I

742

00:31:33,259 --> 00:31:29,909

did not wake myself up from that he grew

743

00:31:37,849 --> 00:31:33,269

tired of me I was just grateful that so

744

00:31:39,529 --> 00:31:37,859

far he hasn't ever returned whoa that

745

00:31:43,060 --> 00:31:39,539

was a big one I did not anticipate that

746

00:31:46,430 --> 00:31:43,070

those blue ones they're alien beings

747

00:31:48,739 --> 00:31:46,440

they are creatures that have been doing

748

00:31:52,549 --> 00:31:48,749

this type of thing for a long time they

749

00:31:55,190 --> 00:31:52,559

are seen right alongside of shadow

750

00:31:57,200 --> 00:31:55,200

people gray alien beings and the pretty

751  
00:32:00,019 --> 00:31:57,210  
blonde lady she described wearing that

752  
00:32:03,289 --> 00:32:00,029  
dress those are those are an alien being

753  
00:32:06,109 --> 00:32:03,299  
as well people call him the Nordics or

754  
00:32:08,950 --> 00:32:06,119  
some will say Pleiadian but I know them

755  
00:32:11,419 --> 00:32:08,960  
as Nordics and there's something that

756  
00:32:13,399 --> 00:32:11,429  
that they're involved in and and they

757  
00:32:15,019 --> 00:32:13,409  
like to experiment on people and they

758  
00:32:17,749 --> 00:32:15,029  
like to observe and see what their

759  
00:32:20,690 --> 00:32:17,759  
reactions are and it's so twisted and

760  
00:32:24,919 --> 00:32:20,700  
sick out there the name of Jesus scared

761  
00:32:29,869 --> 00:32:24,929  
those guys away now her face is Jewish

762  
00:32:32,529 --> 00:32:29,879  
she's not Christian you know it's a

763  
00:32:37,190 --> 00:32:32,539

different kind of faith that has to be

764

00:32:39,200 --> 00:32:37,200

assimilated at some point to take on the

765

00:32:40,759 --> 00:32:39,210

big guy when he comes around which I am

766

00:32:43,129 --> 00:32:40,769

sure this had to have been the hat man

767

00:32:44,420 --> 00:32:43,139

when she said the Freddy Krueger like

768

00:32:45,830 --> 00:32:44,430

claws and hands and

769

00:32:47,840 --> 00:32:45,840

I bet he had a hat and everything

770

00:32:49,310 --> 00:32:47,850

looking kind of like Freddie because

771

00:32:52,640 --> 00:32:49,320

that's what the Hat man looks like so

772

00:32:54,560 --> 00:32:52,650

that really what a disturbing story well

773

00:32:56,570 --> 00:32:54,570

I'm glad I got to fit that one all in

774

00:32:58,760 --> 00:32:56,580

there that was that was really how was

775

00:33:00,860 --> 00:32:58,770

god-awful you know and a lot could be

776

00:33:04,010 --> 00:33:00,870

learned from that name of Jesus does

777

00:33:07,250 --> 00:33:04,020

work faith of the mustard seed works on

778

00:33:10,160 --> 00:33:07,260

everything and she needed that faith in

779

00:33:12,290 --> 00:33:10,170

that name to take on the big guy so I

780

00:33:13,520 --> 00:33:12,300
