16

00:00:55,729 --> 00:00:50,579

reports they always are first one is a

17

00:00:58,869 --> 00:00:55,739

UFO sighting in Niwot Colorado this is a

18

00:01:02,959 --> 00:00:58,879

UFO blast from the past this occurred

19

00:01:07,600 --> 00:01:02,969

July 31st 1998 in brief the witness

20

00:01:11,359 --> 00:01:07,610

states possible testing a Predator drone

21

00:01:16,160 --> 00:01:11,369

prototypes sighting that's quite a quite

22

00:01:20,780 --> 00:01:16,170

a guess at time of sighting driving home

23

00:01:23,359 --> 00:01:20,790

in a long month from Colorado okay

24

00:01:25,359 --> 00:01:23,369

Colorado from job site in eastern

25

00:01:28,249 --> 00:01:25,369

Boulder Colorado in passenger-side

26

00:01:31,730 --> 00:01:28,259

roommates car oh wait we should know

27

00:01:34,460 --> 00:01:31,740

whose car it is right windows down radio

28

00:01:39,039 --> 00:01:34,470

on driving north on North 63rd Street

29

00:01:42,440 --> 00:01:39,049

between County Street highway 119 and

30

00:01:45,850 --> 00:01:42,450

Nelson Road everybody got that - best of

31

00:01:49,310 --> 00:01:45,860

memory day was hot clear - sparse clouds

32

00:01:52,450 --> 00:01:49,320

Sun and approximate angle of 45 degrees

33

00:01:56,240 --> 00:01:52,460

off of horizon in south-southwest and

34

00:01:58,249 --> 00:01:56,250

unknown wind conditions while listening

35

00:02:01,700 --> 00:01:58,259

to the radio and engaging conversation

36

00:02:04,100 --> 00:02:01,710

with driver roommate casually glanced

37

00:02:06,620 --> 00:02:04,110

around to observe general surroundings

38

00:02:09,380 --> 00:02:06,630

through passenger window when a glancing

39

00:02:13,790 --> 00:02:09,390

- east over ground fields detected

40

00:02:18,350 --> 00:02:13,800

movement in the sky by peripheral vision

41

00:02:20,270 --> 00:02:18,360

to the east of cars position upon

42

00:02:22,490 --> 00:02:20,280

focusing attention observed strange

43

00:02:26,090 --> 00:02:22,500

looking object on somewhat similar

44

00:02:29,210 --> 00:02:26,100

course heading as car being traveled in

45

00:02:31,430 --> 00:02:29,220

with objects seemingly on south south

46

00:02:35,750 --> 00:02:31,440

east to north-northwest trajectory while

47

00:02:39,440 --> 00:02:35,760

in process of executing a slight gradual

48

00:02:42,560 --> 00:02:39,450

turn to its left in a slight banking

49

00:02:45,830 --> 00:02:42,570

action object had somewhat thin

50

00:02:49,130 --> 00:02:45,840

elongated appearance with tapered rear

51  
00:02:51,910 --> 00:02:49,140  
feature and enlarged somewhat bulbous

52  
00:02:55,370 --> 00:02:51,920  
looking front approximate midpoint

53  
00:02:58,030 --> 00:02:55,380  
objects body short stubby wings were

54  
00:03:00,320 --> 00:02:58,040  
noted that's wild

55  
00:03:04,700 --> 00:03:00,330  
stubby wings that makes me think of the

56  
00:03:07,430 --> 00:03:04,710  
Jetsons car but but objects banking

57  
00:03:10,640 --> 00:03:07,440  
action maintain a slight tilt downwards

58  
00:03:14,150 --> 00:03:10,650  
on side closest to car and may have

59  
00:03:18,979 --> 00:03:14,160  
resulted in misread or miss read on

60  
00:03:21,530 --> 00:03:18,989  
actual size shape of wings toward

61  
00:03:25,190 --> 00:03:21,540  
tapered rear area notice pair of upright

62  
00:03:30,199 --> 00:03:25,200  
v-shaped positioned rear stabilizers of

63  
00:03:33,290 --> 00:03:30,209

wings toward tapered rear area okay hold

64

00:03:36,610 --> 00:03:33,300

on it's a repeated pursued rectangular

65

00:03:39,350 --> 00:03:36,620

shape object was of light coloration

66

00:03:41,630 --> 00:03:39,360

perceived as light gray or a gray white

67

00:03:44,180 --> 00:03:41,640

with no markings letters numbers

68

00:03:46,760 --> 00:03:44,190

observed and no other external features

69

00:03:49,460 --> 00:03:46,770

notice such as windows hatches lights

70

00:03:51,890 --> 00:03:49,470

etc did not notice means of propulsion

71

00:03:54,830 --> 00:03:51,900

on objects such as noticeable engines

72

00:03:57,500 --> 00:03:54,840

but any high-speed prop likely not

73

00:04:00,290 --> 00:03:57,510

noticed due to side viewing orientation

74

00:04:04,580 --> 00:04:00,300

and no associated noise detected over

75

00:04:08,229 --> 00:04:04,590

ambient radio and car road noises when

76

00:04:10,850 --> 00:04:08,239

first notice object was as at an

77

00:04:13,699 --> 00:04:10,860

approximate angle of 65 degrees off of

78

00:04:17,120 --> 00:04:13,709

horizon was at a link similar to the

79

00:04:19,190 --> 00:04:17,130

diameter of a baseball held at arm's

80

00:04:21,740 --> 00:04:19,200

length object was estimated as

81

00:04:24,590 --> 00:04:21,750

approximate 25 to 30 feet in length and

82

00:04:27,500 --> 00:04:24,600

when first noticed was estimated as

83

00:04:30,560 --> 00:04:27,510

approximately 200 to

84

00:04:33,350 --> 00:04:30,570

300 feet distant at estimated altitude

85

00:04:36,950 --> 00:04:33,360

of approximately 300 to 400 feet car

86

00:04:39,020 --> 00:04:36,960

traveled in proceeding approximate 45 to

87

00:04:41,900 --> 00:04:39,030

50 miles per hour object observed

88

00:04:44,510 --> 00:04:41,910

traveling along at leisurely pace a

89

00:04:47,420 --> 00:04:44,520

little faster than car estimated at

90

00:04:50,090 --> 00:04:47,430

approximately 67 miles per hour

91

00:04:54,770 --> 00:04:50,100

initial personal thought to object

92

00:04:55,880 --> 00:04:54,780

identity was some kind of weird-looking

93

00:04:58,400 --> 00:04:55,890

cruise missile

94

00:05:01,340 --> 00:04:58,410

although object's speed displayed not

95

00:05:04,580 --> 00:05:01,350

similar to such object speed course

96

00:05:08,510 --> 00:05:04,590

because caused it to pass over roadway

97

00:05:10,730 --> 00:05:08,520

being traveled little ahead of car it

98

00:05:12,530 --> 00:05:10,740

had to be freaky to see resulting in

99

00:05:16,550 --> 00:05:12,540

personal visual observation an object

100

00:05:19,580 --> 00:05:16,560

lost to my view after 15 to 20 seconds

101  
00:05:21,950 --> 00:05:19,590  
due to view blocked by cars roof

102  
00:05:24,860 --> 00:05:21,960  
although driver roommate thereafter

103  
00:05:27,620 --> 00:05:24,870  
acquired sighting of object on other

104  
00:05:29,990 --> 00:05:27,630  
side a car and was able to keep under

105  
00:05:33,200 --> 00:05:30,000  
periodic observation while driving for

106  
00:05:35,420 --> 00:05:33,210  
another 25 to 30 seconds before loss to

107  
00:05:38,390 --> 00:05:35,430  
view later examination of maps involving

108  
00:05:40,430 --> 00:05:38,400  
the sighting area indicate trajectory of

109  
00:05:44,660 --> 00:05:40,440  
object likely resulted in performing

110  
00:05:49,690 --> 00:05:44,670  
quite low-level flyover flyby of the

111  
00:05:52,820 --> 00:05:49,700  
areas NOAA Table Mountain test facility

112  
00:05:56,690 --> 00:05:52,830  
very cool I think it was the Jetsons I

113  
00:06:00,110 --> 00:05:56,700

think so this annexed UFO sighting

114

00:06:03,920 --> 00:06:00,120

happened in Newcastle Oklahoma February

115

00:06:06,610 --> 00:06:03,930

2nd 2018 as I was exiting to Newcastle

116

00:06:10,940 --> 00:06:06,620

Casino looked across the roads a song

117

00:06:13,760 --> 00:06:10,950

song I think they mean saw large round

118

00:06:15,800 --> 00:06:13,770

UFO hovering above could see it very

119

00:06:17,510 --> 00:06:15,810

well like the lights in the middle of

120

00:06:20,660 --> 00:06:17,520

the front beaming out lights around the

121

00:06:24,380 --> 00:06:20,670

back side and be around all sides but

122

00:06:29,090 --> 00:06:24,390

there is no just the one I you know

123

00:06:30,800 --> 00:06:29,100

people I'm not editing I just can't it

124

00:06:32,210 --> 00:06:30,810

kind of makes it funny but then other

125

00:06:34,850 --> 00:06:32,220

times I'm like I really want to

126  
00:06:37,310 --> 00:06:34,860  
understand I really do okay more detail

127  
00:06:40,530 --> 00:06:37,320  
as I was exiting ramp to go to Newcastle

128  
00:06:44,070 --> 00:06:40,540  
Casino Sall large

129  
00:06:45,660 --> 00:06:44,080  
God saw saw large round ship with white

130  
00:06:50,640 --> 00:06:45,670  
lights in the front very bright very

131  
00:06:53,070 --> 00:06:50,650  
bright ship bright round object with

132  
00:06:54,630 --> 00:06:53,080  
lights around the back also as I tried

133  
00:06:57,420 --> 00:06:54,640  
to look at it and was going to take

134  
00:06:59,250 --> 00:06:57,430  
pictures knew I had to move on thought I

135  
00:07:01,380 --> 00:06:59,260  
would get pictures in the parking lot of

136  
00:07:03,540 --> 00:07:01,390  
the casino as I pulled a casino it was

137  
00:07:05,220 --> 00:07:03,550  
gone I only had a few minutes to look at

138  
00:07:09,690 --> 00:07:05,230

this but I know what I saw

139

00:07:13,740 --> 00:07:09,700

this is definitely a round trip it was

140

00:07:18,200 --> 00:07:13,750

very large okay a round trip the next

141

00:07:25,260 --> 00:07:18,210

UFO sighting occurred in New Jersey

142

00:07:31,080 --> 00:07:25,270

secured October 31st 2009 organic jelly

143

00:07:35,040 --> 00:07:31,090

fish octopus looking UFO over the Hudson

144

00:07:38,490 --> 00:07:35,050

River I'm gonna hope that this was a

145

00:07:43,650 --> 00:07:38,500

hot-air balloon I just okay here we go

146

00:07:47,010 --> 00:07:43,660

this was my very first UFO event seeing

147

00:07:50,370 --> 00:07:47,020

one for myself made me a believer it was

148

00:07:52,920 --> 00:07:50,380

a cold November evening I was watching

149

00:07:55,140 --> 00:07:52,930

the monday night football game with my

150

00:07:57,060 --> 00:07:55,150

buddies it was a pretty boring game and

151

00:08:00,000 --> 00:07:57,070

the ravens were ahead by about thirty or

152

00:08:02,760 --> 00:08:00,010

so points we decided to call it a night

153

00:08:05,400 --> 00:08:02,770

and around 11 p.m. or so I was wearing a

154

00:08:07,740 --> 00:08:05,410

big puffy North Face coat it was

155

00:08:09,750 --> 00:08:07,750

freezing and my friend who I was with

156

00:08:12,630 --> 00:08:09,760

lived in my building and wanted to smoke

157

00:08:14,760 --> 00:08:12,640

a cigarette I said he had to smoke it

158

00:08:16,860 --> 00:08:14,770

outside and no cigarettes in the house

159

00:08:19,710 --> 00:08:16,870

but I stayed in the cold with him to

160

00:08:22,230 --> 00:08:19,720

chat I consider myself somewhat of a

161

00:08:25,170 --> 00:08:22,240

stargazer but as you know in New York

162

00:08:27,330 --> 00:08:25,180

City the light pollution sucks and there

163

00:08:29,100 --> 00:08:27,340

aren't many stars to look at I looked

164

00:08:31,200 --> 00:08:29,110

over to the New York City skyline I

165

00:08:34,170 --> 00:08:31,210

lived in Union City New Jersey at the

166

00:08:36,210 --> 00:08:34,180

time and and with our view you feel like

167

00:08:40,380 --> 00:08:36,220

you can almost touch the skyline on a

168

00:08:44,280 --> 00:08:40,390

crisp cold night at this time of year

169

00:08:47,760 --> 00:08:44,290

Orion constellation can be clearly seen

170

00:08:50,130 --> 00:08:47,770

I always know where to look to find it

171

00:08:53,010 --> 00:08:50,140

as I gaze at the constellation I decided

172

00:08:54,240 --> 00:08:53,020

to look vertically up to the sky and at

173

00:08:57,570 --> 00:08:54,250

the exact moment

174

00:08:59,820 --> 00:08:57,580

I saw something it was so faint against

175

00:09:03,060 --> 00:08:59,830

the night sky but something was moving

176  
00:09:03,720 --> 00:09:03,070  
up there perplexed Ickes quitted as hard

177  
00:09:06,270 --> 00:09:03,730  
as I could

178  
00:09:08,460 --> 00:09:06,280  
mind you my buddy Nick was talking to me

179  
00:09:12,840 --> 00:09:08,470  
at the moment I could no longer hear his

180  
00:09:15,510 --> 00:09:12,850  
words I was so zoned in to what I was

181  
00:09:17,940 --> 00:09:15,520  
looking at this object wasn't your

182  
00:09:21,510 --> 00:09:17,950  
classic UFO it had no definitive shape

183  
00:09:23,190 --> 00:09:21,520  
it was like it looked like stars inside

184  
00:09:25,500 --> 00:09:23,200  
of it and was constantly changing shape

185  
00:09:27,630 --> 00:09:25,510  
in my mind I was trying so hard to

186  
00:09:30,480 --> 00:09:27,640  
compare it to something I've seen before

187  
00:09:32,340 --> 00:09:30,490  
I couldn't after about a minute I

188  
00:09:35,460 --> 00:09:32,350

realized that I was looking at and

189

00:09:39,240 --> 00:09:35,470

grabbed Nick by the arm and said bro

190

00:09:42,570 --> 00:09:39,250

look after a few seconds had passed I

191

00:09:45,300 --> 00:09:42,580

thought it was an airliner with all of

192

00:09:48,420 --> 00:09:45,310

its lights on at first but that wasn't

193

00:09:52,260 --> 00:09:48,430

it at all we stood there watching it as

194

00:09:54,660 --> 00:09:52,270

it glided no noise it was taking huge

195

00:09:58,140 --> 00:09:54,670

leaps from east to west gliding

196

00:10:00,660 --> 00:09:58,150

southbound just over the Hudson River as

197

00:10:02,220 --> 00:10:00,670

it made its way further south just over

198

00:10:04,520 --> 00:10:02,230

the southern tip of Manhattan

199

00:10:09,030 --> 00:10:04,530

where the World Trade Center is located

200

00:10:11,850 --> 00:10:09,040

we could see the back of it as if it had

201  
00:10:15,150 --> 00:10:11,860  
spiraled streams of light that looked

202  
00:10:18,690 --> 00:10:15,160  
like tentacles very defined individual

203  
00:10:21,570 --> 00:10:18,700  
streaks of light it looked to have

204  
00:10:23,850 --> 00:10:21,580  
several appendages this is when I was

205  
00:10:26,700 --> 00:10:23,860  
able to make a good comparison to

206  
00:10:31,590 --> 00:10:26,710  
something familiar to me it looks like a

207  
00:10:33,870 --> 00:10:31,600  
jellyfish we stood there in awe as it

208  
00:10:37,410 --> 00:10:33,880  
covered such a vast amount of distance

209  
00:10:40,010 --> 00:10:37,420  
in the sky so effortlessly as I got

210  
00:10:43,230 --> 00:10:40,020  
further away I began bending and

211  
00:10:45,890 --> 00:10:43,240  
blending in with the darkness of the

212  
00:10:49,320 --> 00:10:45,900  
night as if it was a small pebble

213  
00:10:52,710 --> 00:10:49,330

dropped in to water rippling upwards

214

00:10:56,310 --> 00:10:52,720

until the light dissipated totally

215

00:10:59,520 --> 00:10:56,320

bizarre I've never been so fascinated in

216

00:11:03,540 --> 00:10:59,530

my life I stayed awake almost the entire

217

00:11:06,120 --> 00:11:03,550

night going back outside hoping I would

218

00:11:07,670 --> 00:11:06,130

see it again I thought the next day I'd

219

00:11:10,850 --> 00:11:07,680

see something on the news

220

00:11:15,930 --> 00:11:10,860

nothing that night I became a believer

221

00:11:19,139 --> 00:11:15,940

it looked kind of like this and they put

222

00:11:21,920 --> 00:11:19,149

a link I didn't look at the link but I

223

00:11:27,059 --> 00:11:21,930

write probably like inky blinky from

224

00:11:29,040 --> 00:11:27,069

pac-man I don't know that's a cool one I

225

00:11:31,559 --> 00:11:29,050

think why does that sound familiar like

226  
00:11:33,540 --> 00:11:31,569  
somebody's described that before that's

227  
00:11:36,090 --> 00:11:33,550  
just not not up not since I've been

228  
00:11:38,430 --> 00:11:36,100  
doing the show but I've been doing stuff

229  
00:11:41,189 --> 00:11:38,440  
for a long time knowing about these odd

230  
00:11:42,809 --> 00:11:41,199  
topics and I swear somebody told me

231  
00:11:45,660 --> 00:11:42,819  
about something like this but move it on

232  
00:11:48,499 --> 00:11:45,670  
your full sighting in Conway South

233  
00:11:51,870 --> 00:11:48,509  
Carolina this occurred January 31st 2018

234  
00:11:54,900 --> 00:11:51,880  
cluster of lights flying in a changing

235  
00:11:58,889 --> 00:11:54,910  
formation a pattern of lights appeared

236  
00:12:02,900 --> 00:11:58,899  
near the full moon on January 31st 2018

237  
00:12:05,790 --> 00:12:02,910  
in the sky above Conway South Carolina

238  
00:12:09,150 --> 00:12:05,800

the lights appeared in the clear night

239

00:12:12,629 --> 00:12:09,160

sky as a kind of boomerang formation and

240

00:12:15,210 --> 00:12:12,639

started to move slowly the lights change

241

00:12:16,740 --> 00:12:15,220

formation and hovered for a while some

242

00:12:19,949 --> 00:12:16,750

of the lights went out and then came

243

00:12:22,949 --> 00:12:19,959

back on the pulsating pattern of the

244

00:12:25,290 --> 00:12:22,959

craft also changed I viewed the event

245

00:12:28,710 --> 00:12:25,300

with two friends there was no sound and

246

00:12:32,220 --> 00:12:28,720

no trail then an airplane would leave

247

00:12:35,610 --> 00:12:32,230

what I saw is something I never saw

248

00:12:37,290 --> 00:12:35,620

before it was not flares please see

249

00:12:40,999 --> 00:12:37,300

attached video and please feel free to

250

00:12:45,449 --> 00:12:41,009

contact me for more information huh

251  
00:12:46,170 --> 00:12:45,459  
already oh ok here it was an interesting

252  
00:12:50,970 --> 00:12:46,180  
name

253  
00:12:54,259 --> 00:12:50,980  
UFO sighting in nürnberg bairn sounds

254  
00:12:58,829 --> 00:12:54,269  
German I could be wrong

255  
00:13:03,720 --> 00:12:58,839  
January 3rd is 2018 Red Dwarf with solar

256  
00:13:06,689 --> 00:13:03,730  
flares and gray pockmarks 50 times the

257  
00:13:08,100 --> 00:13:06,699  
super moon sighs okay what all right in

258  
00:13:11,730 --> 00:13:08,110  
more detail the witnessed age three of

259  
00:13:14,999 --> 00:13:11,740  
us saw what I knew to be a red dwarf Sun

260  
00:13:17,429 --> 00:13:15,009  
or disc shaped with flares the largest

261  
00:13:20,579 --> 00:13:17,439  
flare was at the ten o'clock position it

262  
00:13:21,300 --> 00:13:20,589  
shined at the edges the disc was showing

263  
00:13:23,630 --> 00:13:21,310

ow

264

00:13:28,170 --> 00:13:23,640

of grey-coloured pockmarks like and

265

00:13:28,950 --> 00:13:28,180

orange would it would it would it would

266

00:13:31,980 --> 00:13:28,960

it was

267

00:13:34,650 --> 00:13:31,990

that's so funny 50 times the size of the

268

00:13:36,870 --> 00:13:34,660

super moon that we also observed the

269

00:13:38,490 --> 00:13:36,880

following evening they put flowing

270

00:13:40,710 --> 00:13:38,500

evening evening but see how I have to

271

00:13:43,700 --> 00:13:40,720

edit we first noticed it walking from

272

00:13:46,019 --> 00:13:43,710

Nuremberg towards the direction of first

273

00:13:49,320 --> 00:13:46,029

they must have put this through google

274

00:13:52,079 --> 00:13:49,330

translator so we know it moving in a

275

00:13:54,570 --> 00:13:52,089

straight line from left to right so this

276

00:13:57,450 --> 00:13:54,580

was not the moon it maintained a

277

00:14:00,930 --> 00:13:57,460

constant speed if I were to put a ruler

278

00:14:03,120 --> 00:14:00,940

in from on my face at 12 inches the

279

00:14:06,480 --> 00:14:03,130

object appeared to be 12 inches making

280

00:14:08,579 --> 00:14:06,490

it the largest thing I have ever seen it

281

00:14:11,790 --> 00:14:08,589

was moving from the southwest to the

282

00:14:15,510 --> 00:14:11,800

right or northerly direction but again

283

00:14:18,510 --> 00:14:15,520

not setting we watched it from the

284

00:14:21,090 --> 00:14:18,520

street and it appeared to be yet this

285

00:14:23,820 --> 00:14:21,100

were painting just 12 inches from the

286

00:14:26,190 --> 00:14:23,830

ground what hmm

287

00:14:28,650 --> 00:14:26,200

the colors were gray with thousands of

288

00:14:31,620 --> 00:14:28,660

dark red miniature flares pouring out

289

00:14:34,829 --> 00:14:31,630

from the pock marks with tiny flares

290

00:14:36,420 --> 00:14:34,839

like a Sun with yellow outer glow I

291

00:14:39,270 --> 00:14:36,430

cannot imagine what these people are

292

00:14:40,860 --> 00:14:39,280

describing this is this is so wild my

293

00:14:45,960 --> 00:14:40,870

one friend remarked it was so fantastic

294

00:14:49,230 --> 00:14:45,970

it simply had to be the media duping the

295

00:14:51,420 --> 00:14:49,240

public however I studied advanced

296

00:14:52,050 --> 00:14:51,430

astronomy and this was no moon and no

297

00:14:56,790 --> 00:14:52,060

planet

298

00:14:59,160 --> 00:14:56,800

I used this phone app to make 2017 based

299

00:15:01,490 --> 00:14:59,170

on crop circles and I see lots of your

300

00:15:03,450 --> 00:15:01,500

progressive presents get thumbs

301  
00:15:06,270 --> 00:15:03,460  
inspiration to help you do insurance

302  
00:15:07,949 --> 00:15:06,280  
stuff hey are you just gonna stand there

303  
00:15:09,540 --> 00:15:07,959  
and let people not give you credit for

304  
00:15:11,190 --> 00:15:09,550  
being a good driver you deserve

305  
00:15:13,440 --> 00:15:11,200  
discounts on car insurance and that's

306  
00:15:15,090 --> 00:15:13,450  
what snapshot from progressive is for so

307  
00:15:24,780 --> 00:15:15,100  
why aren't you signing up you need music

308  
00:15:25,920 --> 00:15:24,790  
to get pumped do-do-do-do-do progressive

309  
00:15:27,389 --> 00:15:25,930  
class that the insurance company

310  
00:15:28,680 --> 00:15:27,399  
it's not shot not available in

311  
00:15:30,900 --> 00:15:28,690  
California North Carolina both of all

312  
00:15:33,630 --> 00:15:30,910  
agents foes using it huh

313  
00:15:36,660 --> 00:15:33,640

the most I've ever seen were in pecks

314

00:15:39,300 --> 00:15:36,670

Hungary with orbs two triangles the

315

00:15:42,690 --> 00:15:39,310

Google Play Store app is called etc

316

00:15:45,300 --> 00:15:42,700

contact zero zero one zero one one zero

317

00:15:48,389 --> 00:15:45,310

and I am impressed because I get hunches

318

00:15:51,060 --> 00:15:48,399

to look outside or go for a walk after

319

00:15:54,269 --> 00:15:51,070

using this phone app I merely ask it to

320

00:15:56,370 --> 00:15:54,279

show me a sign and I get results okay

321

00:15:59,280 --> 00:15:56,380

also this was a clear evening here in

322

00:16:02,579 --> 00:15:59,290

nürnberg no rain nothing as I said this

323

00:16:05,040 --> 00:16:02,589

object was 50 times the super moon on

324

00:16:09,540 --> 00:16:05,050

the largest day and I could have easily

325

00:16:13,760 --> 00:16:09,550

put 50 super moons in this object if it

326

00:16:17,639 --> 00:16:13,770

was a spaceship well then so is the moon

327

00:16:21,329 --> 00:16:17,649

well some argue that all I know is it

328

00:16:23,220 --> 00:16:21,339

has solar flares and even blood moons do

329

00:16:26,760 --> 00:16:23,230

not produce the arcs we saw especially

330

00:16:30,180 --> 00:16:26,770

at the ten o'clock position we observed

331

00:16:33,630 --> 00:16:30,190

it from 6:30 then watched it for 15

332

00:16:35,660 --> 00:16:33,640

minutes then went in and watched it

333

00:16:38,130 --> 00:16:35,670

moved to the right you went in really

334

00:16:39,690 --> 00:16:38,140

you couldn't watch it for more than 15

335

00:16:41,790 --> 00:16:39,700

minutes okay I understand it was cold

336

00:16:43,829 --> 00:16:41,800

probably okay anyways to the right out

337

00:16:47,220 --> 00:16:43,839

of sight because we were on the patio

338

00:16:49,140 --> 00:16:47,230

faces west it made no noise and there

339

00:16:53,370 --> 00:16:49,150

was no evidence but this was a balloon

340

00:16:57,300 --> 00:16:53,380

or a hologram it was so big it would be

341

00:17:00,660 --> 00:16:57,310

as if it were a hundred meters away from

342

00:17:05,449 --> 00:17:00,670

a four-story building but it was clear

343

00:17:09,390 --> 00:17:05,459

and it was a Sun but this was not ours

344

00:17:13,520 --> 00:17:09,400

huh the following link is a near

345

00:17:14,640 --> 00:17:13,530

duplicate of what we all three saw

346

00:17:17,579 --> 00:17:14,650

Cheers

347

00:17:21,270 --> 00:17:17,589

sorry I was so impressed I do not even

348

00:17:26,250 --> 00:17:21,280

think did not even think to grab my

349

00:17:28,620 --> 00:17:26,260

camera phone Oh ready so the impression

350

00:17:30,660 --> 00:17:28,630

I'm getting is this this was big they're

351  
00:17:31,860 --> 00:17:30,670  
just like you could tell from this is

352  
00:17:34,020 --> 00:17:31,870  
the choice of words and the

353  
00:17:36,690 --> 00:17:34,030  
repetitiveness these people were so

354  
00:17:38,909 --> 00:17:36,700  
excited by what it was that they saw so

355  
00:17:39,570 --> 00:17:38,919  
I decided to click over and see what it

356  
00:17:43,530 --> 00:17:39,580  
was that

357  
00:17:48,420 --> 00:17:43,540  
this person has referenced and it's

358  
00:17:51,210 --> 00:17:48,430  
Nibiru photograph taken with a telescope

359  
00:17:53,340 --> 00:17:51,220  
and someone is claiming that's Nibiru so

360  
00:17:55,350 --> 00:17:53,350  
it's like a big red ball with like a

361  
00:17:58,470 --> 00:17:55,360  
black Center it's just a little

362  
00:18:00,870 --> 00:17:58,480  
different really really odd huh all

363  
00:18:05,370 --> 00:18:00,880

right moving on UFO sighting in

364

00:18:07,470 --> 00:18:05,380

Shepherdsville Kentucky blasting from

365

00:18:08,580 --> 00:18:07,480

the past this occurred at January 7th

366

00:18:12,300 --> 00:18:08,590

1976

367

00:18:15,360 --> 00:18:12,310

looked up at sky and saw bright object

368

00:18:17,850 --> 00:18:15,370

coming from the southwest it was not an

369

00:18:21,870 --> 00:18:17,860

airplane it was very bright it went

370

00:18:23,190 --> 00:18:21,880

northeast out of sight okay in more

371

00:18:25,110 --> 00:18:23,200

detail the witness states I was at my

372

00:18:28,080 --> 00:18:25,120

brother's and I went outside to smoke

373

00:18:30,420 --> 00:18:28,090

there goes another smoker it was a clear

374

00:18:33,210 --> 00:18:30,430

night and the Sun had just set in the

375

00:18:36,540 --> 00:18:33,220

West saw planes going over as I looked

376

00:18:39,270 --> 00:18:36,550

up high in the sky I saw this object

377

00:18:43,080 --> 00:18:39,280

coming from the southwest it was very

378

00:18:45,660 --> 00:18:43,090

bright orange-red the Sun was reflecting

379

00:18:49,020 --> 00:18:45,670

off this object which told me it was

380

00:18:52,140 --> 00:18:49,030

very high up I watched it as it moved

381

00:18:56,220 --> 00:18:52,150

towards the Northeast and it went out of

382

00:18:59,070 --> 00:18:56,230

sight I said to myself afterwards this

383

00:19:01,760 --> 00:18:59,080

could be the same craft that picked up

384

00:19:07,230 --> 00:19:01,770

those three women down in Kentucky On

385

00:19:09,900 --> 00:19:07,240

January 6 1976 in my mind I thought it

386

00:19:13,800 --> 00:19:09,910

was nothing that we had in the air also

387

00:19:15,570 --> 00:19:13,810

in November of 1975 Travis Walton was

388

00:19:18,090 --> 00:19:15,580

picked up oh there you go

389

00:19:22,200 --> 00:19:18,100

so I thought it may be the same craft

390

00:19:25,680 --> 00:19:22,210

but I can't prove it it has stayed on my

391

00:19:27,630 --> 00:19:25,690

mind since I saw it why I don't know

392

00:19:31,380 --> 00:19:27,640

that's what I saw

393

00:19:33,720 --> 00:19:31,390

thanks dude that's a big deal I wonder

394

00:19:36,210 --> 00:19:33,730

it stays on your mind that's a huge deal

395

00:19:38,820 --> 00:19:36,220

fire in the sky and three women being up

396

00:19:40,620 --> 00:19:38,830

there that's that's pretty cool oh not

397

00:19:43,200 --> 00:19:40,630

cool it they got abducted but pretty

398

00:19:45,390 --> 00:19:43,210

cool that you're able to relate seeing

399

00:19:45,960 --> 00:19:45,400

something like that very cool alright

400

00:19:48,560 --> 00:19:45,970

moving on

401  
00:19:53,490 --> 00:19:48,570  
UFO sighting in North Richland Hills

402  
00:19:55,830 --> 00:19:53,500  
Hills Texas this occurred January 31st

403  
00:20:00,320 --> 00:19:55,840  
20:18 to office appeared near moon

404  
00:20:03,210 --> 00:20:00,330  
during the lunar eclipse in January 2018

405  
00:20:05,070 --> 00:20:03,220  
ok I was going to take some pictures of

406  
00:20:08,340 --> 00:20:05,080  
the lunar eclipse on the morning of

407  
00:20:10,170 --> 00:20:08,350  
January 31st 2018 I took a few pictures

408  
00:20:12,450 --> 00:20:10,180  
at the beginning of the Eclipse I think

409  
00:20:15,270 --> 00:20:12,460  
it was around 5:30 Earth's L a.m.

410  
00:20:17,160 --> 00:20:15,280  
Central Standard Time when looking at

411  
00:20:20,010 --> 00:20:17,170  
the moon without the camera or even with

412  
00:20:22,290 --> 00:20:20,020  
the camera I didn't see anything but the

413  
00:20:25,410 --> 00:20:22,300

moon however when I looked at the photos

414

00:20:27,570 --> 00:20:25,420

afterward I saw it I took a total of 8

415

00:20:29,550 --> 00:20:27,580

or 10 shots at the beginning of the

416

00:20:31,200 --> 00:20:29,560

Eclipse and one of the shots and I

417

00:20:34,710 --> 00:20:31,210

believe it was the last one in the

418

00:20:36,240 --> 00:20:34,720

series the object I saw the others was

419

00:20:39,240 --> 00:20:36,250

in it huh

420

00:20:40,590 --> 00:20:39,250

I think off to the far right but on the

421

00:20:43,040 --> 00:20:40,600

left upper side of the moon

422

00:20:45,750 --> 00:20:43,050

there were 3d shapes or boomerang-shaped

423

00:20:48,180 --> 00:20:45,760

objects and coming away from the moon

424

00:20:50,100 --> 00:20:48,190

that would have been on the northwest

425

00:20:51,510 --> 00:20:50,110

side of it the middle of the three

426

00:20:53,580 --> 00:20:51,520

objects was bright like it was

427

00:20:56,820 --> 00:20:53,590

reflecting light but the other two were

428

00:20:59,220 --> 00:20:56,830

darker the other object on the far right

429

00:21:03,810 --> 00:20:59,230

of that same photograph is sort of oval

430

00:21:06,330 --> 00:21:03,820

shape you only not perfect okay you only

431

00:21:10,080 --> 00:21:06,340

know ok whatever it's like a rock would

432

00:21:13,290 --> 00:21:10,090

look all the photos that when looked at

433

00:21:15,060 --> 00:21:13,300

it's like it moved in some photos it's

434

00:21:20,040 --> 00:21:15,070

all on one side of the moon and it's

435

00:21:23,310 --> 00:21:20,050

closer to the moon and another zips oh

436

00:21:25,830 --> 00:21:23,320

boy this is really chopped up that is

437

00:21:26,280 --> 00:21:25,840

like my goodness really I can't even

438

00:21:27,570 --> 00:21:26,290

read it

439

00:21:30,570 --> 00:21:27,580

alright I'm just gonna read another one

440

00:21:32,940 --> 00:21:30,580

real quick black triangle you guys could

441

00:21:36,120 --> 00:21:32,950

try to try to read through that one I'm

442

00:21:38,010 --> 00:21:36,130

just a just word word salad that that's

443

00:21:40,970 --> 00:21:38,020

the best way to put it all right black

444

00:21:42,120 --> 00:21:40,980

triangles siting in pine top Lakeside

445

00:21:46,020 --> 00:21:42,130

Arizona

446

00:21:48,510 --> 00:21:46,030

this occurred February 1st 2018 saw 3

447

00:21:51,750 --> 00:21:48,520

red pulsing lights in a triangle

448

00:21:55,410 --> 00:21:51,760

formation hover over the trees then

449

00:21:56,940 --> 00:21:55,420

descend behind them my two friends and I

450

00:22:00,630 --> 00:21:56,950

pulled into the parking lot of the

451  
00:22:03,810 --> 00:22:00,640  
ponderosa village in Pinetop Arizona

452  
00:22:06,060 --> 00:22:03,820  
around 7 p.m. February 1st 2018 I got

453  
00:22:07,080 --> 00:22:06,070  
out of the car and looked up because it

454  
00:22:10,710 --> 00:22:07,090  
was a full moon but

455  
00:22:13,920 --> 00:22:10,720  
I couldn't see it instead I saw above

456  
00:22:17,220 --> 00:22:13,930  
the pine trees three red pulsing lights

457  
00:22:19,920 --> 00:22:17,230  
that were in a triangle pattern just

458  
00:22:22,080 --> 00:22:19,930  
above the trees I thought it was lights

459  
00:22:25,140 --> 00:22:22,090  
on a tower because they weren't moving

460  
00:22:28,590 --> 00:22:25,150  
not at all not at first then remembered

461  
00:22:30,210 --> 00:22:28,600  
there was no tower there my friends were

462  
00:22:32,220 --> 00:22:30,220  
getting out of the car and I was excited

463  
00:22:34,860 --> 00:22:32,230

saying you got to see this

464

00:22:37,980 --> 00:22:34,870

my skeptic friend said I was full of it

465

00:22:40,890 --> 00:22:37,990

till he saw what I saw and said shoot

466

00:22:43,500 --> 00:22:40,900

you're right then my third friend Saad

467

00:22:45,630 --> 00:22:43,510

the three lights seemed to shift a

468

00:22:49,290 --> 00:22:45,640

little out of the triangle pattern and

469

00:22:52,200 --> 00:22:49,300

very slowly floated with a wobble like

470

00:22:55,680 --> 00:22:52,210

it was in water beyond the tree line and

471

00:22:58,290 --> 00:22:55,690

out of sight I have just received info

472

00:23:01,260 --> 00:22:58,300

from another witness who saw it with a

473

00:23:04,050 --> 00:23:01,270

passenger while driving from globe

474

00:23:07,500 --> 00:23:04,060

Arizona she said it was followed by two

475

00:23:11,850 --> 00:23:07,510

Jets I didn't see the Jets but I saw the

476

00:23:14,490 --> 00:23:11,860

helicopter oh oh that's wild well that

477

00:23:17,610 --> 00:23:14,500

was a cool one a lot of Jets chasing

478

00:23:19,380 --> 00:23:17,620

these things down all right you hear my

479

00:23:25,680 --> 00:23:19,390

voice is dying I think I'm catching a

480

00:23:28,530 --> 00:23:25,690

akuti okay I have to share a paranormal

481

00:23:30,300 --> 00:23:28,540

point of a weird story because we got to

482

00:23:32,850 --> 00:23:30,310

do that don't we we have to do that some

483

00:23:35,910 --> 00:23:32,860

point those are fun and this one does

484

00:23:39,060 --> 00:23:35,920

not have a title does it nope I don't

485

00:23:43,290 --> 00:23:39,070

see what that is bizarre all right

486

00:23:46,110 --> 00:23:43,300

oh it's called the door there it is so

487

00:23:49,230 --> 00:23:46,120

someone is sharing their story and for

488

00:23:50,850 --> 00:23:49,240

some reason they have it numbered must

489

00:23:53,400 --> 00:23:50,860

be a lot a lot more than just one

490

00:23:55,020 --> 00:23:53,410

experience okay this person is still in

491

00:23:56,850 --> 00:23:55,030

there started before I tell my story I

492

00:24:00,030 --> 00:23:56,860

want to tell you a few things about my

493

00:24:02,550 --> 00:24:00,040

cousin's house it is a huge two-story

494

00:24:04,650 --> 00:24:02,560

house with a balcony it was said to be

495

00:24:08,820 --> 00:24:04,660

haunted and considering from this

496

00:24:10,320 --> 00:24:08,830

experience I think it's true my cousin's

497

00:24:13,170 --> 00:24:10,330

grandpa had passed away in the house

498

00:24:15,510 --> 00:24:13,180

when they held a funeral for him a lady

499

00:24:18,270 --> 00:24:15,520

who I assumed to be a neighbor or family

500

00:24:20,940 --> 00:24:18,280

friend said that she was in a room

501  
00:24:23,340 --> 00:24:20,950  
upstairs of course with the consent of

502  
00:24:26,910 --> 00:24:23,350  
aunt and uncle and when she was walking

503  
00:24:30,180 --> 00:24:26,920  
in she felt someone grab her ankle I

504  
00:24:32,520 --> 00:24:30,190  
don't believe this is true and she made

505  
00:24:35,280 --> 00:24:32,530  
it up to prevent me and my cousins from

506  
00:24:38,160 --> 00:24:35,290  
wandering around the house also my aunt

507  
00:24:42,000 --> 00:24:38,170  
and uncle have maids that come to the

508  
00:24:44,670 --> 00:24:42,010  
house to clean or cook must be nice this

509  
00:24:46,530 --> 00:24:44,680  
happened in the summer before his neck

510  
00:24:48,210 --> 00:24:46,540  
number two this happened in the summer

511  
00:24:51,720 --> 00:24:48,220  
before I attended middle school and I

512  
00:24:53,400 --> 00:24:51,730  
went on a vacation to visit my family it

513  
00:24:55,770 --> 00:24:53,410

was a rainy day and I had decided to go

514

00:24:58,290 --> 00:24:55,780

to my cousin's house because they had

515

00:24:59,880 --> 00:24:58,300

internet my mom's family friend dropped

516

00:25:03,210 --> 00:24:59,890

me off and I went into my cousin's room

517

00:25:05,880 --> 00:25:03,220

my cousin's nanny Rachel and for me that

518

00:25:08,130 --> 00:25:05,890

my cousins were at school school had

519

00:25:10,560 --> 00:25:08,140

already started where they live I told

520

00:25:12,420 --> 00:25:10,570

her that was fine and I would wait for

521

00:25:14,460 --> 00:25:12,430

them to come home why is that numbered I

522

00:25:16,050 --> 00:25:14,470

think they put these numbers in here by

523

00:25:17,850 --> 00:25:16,060

mistake so I'm gonna skip the numbering

524

00:25:19,650 --> 00:25:17,860

and just read the story i was watching

525

00:25:22,500 --> 00:25:19,660

youtube videos when Rachel came in she

526

00:25:24,720 --> 00:25:22,510

told me that she was going to pick up my

527

00:25:27,360 --> 00:25:24,730

cousin's from school and that I would be

528

00:25:29,580 --> 00:25:27,370

home alone after telling me not to pick

529

00:25:31,560 --> 00:25:29,590

up the phone if it was ringing and not

530

00:25:33,660 --> 00:25:31,570

to answer the door if someone was

531

00:25:36,420 --> 00:25:33,670

knocking and then she left

532

00:25:39,180 --> 00:25:36,430

I hate being left alone especially in a

533

00:25:41,280 --> 00:25:39,190

huge house like my cousins so naturally

534

00:25:44,100 --> 00:25:41,290

I'd be really afraid of ghosts and other

535

00:25:45,900 --> 00:25:44,110

paranormal things but I wasn't as scared

536

00:25:48,330 --> 00:25:45,910

as I would normally be because my

537

00:25:49,950 --> 00:25:48,340

cousin's two dogs were with me one of

538

00:25:52,560 --> 00:25:49,960

them was big and the other was slightly

539

00:25:55,200 --> 00:25:52,570

smaller so I felt safe I didn't bring my

540

00:25:57,420 --> 00:25:55,210

headphones with me and my iPad was kind

541

00:25:59,610 --> 00:25:57,430

of old so I couldn't really hear what

542

00:26:01,590 --> 00:25:59,620

was happening in the video I ignored my

543

00:26:03,600 --> 00:26:01,600

iPad for a bit and just started looking

544

00:26:06,270 --> 00:26:03,610

around the room for some reason I

545

00:26:08,160 --> 00:26:06,280

couldn't remember why then I started

546

00:26:09,870 --> 00:26:08,170

getting a bit scared but I tried

547

00:26:13,020 --> 00:26:09,880

thinking of good things to calm myself

548

00:26:14,760 --> 00:26:13,030

down I stared at the door I couldn't

549

00:26:17,430 --> 00:26:14,770

help myself and thought about scary

550

00:26:19,560 --> 00:26:17,440

things like the door opening by itself

551  
00:26:24,450 --> 00:26:19,570  
or a ghost appearing in the mirror and

552  
00:26:28,680 --> 00:26:24,460  
to my horror the door knob turned and

553  
00:26:30,150 --> 00:26:28,690  
was pushed slightly I told myself that

554  
00:26:33,779 --> 00:26:30,160  
maybe I forgot to close the door all the

555  
00:26:38,399 --> 00:26:33,789  
way and I just imagined it opening

556  
00:26:42,090 --> 00:26:38,409  
but then the door was opening slowly and

557  
00:26:44,639 --> 00:26:42,100  
I could hear the door creaking at this

558  
00:26:47,729 --> 00:26:44,649  
point I knew I wasn't imagining it and I

559  
00:26:49,919 --> 00:26:47,739  
needed to get out of the room I sprinted

560  
00:26:52,759 --> 00:26:49,929  
to the door as it was still slowly

561  
00:26:56,369 --> 00:26:52,769  
opening and I quickly pulled it open

562  
00:26:57,090 --> 00:26:56,379  
expecting to see someone behind it no

563  
00:26:59,759 --> 00:26:57,100

one was there

564

00:27:02,430 --> 00:26:59,769

not even a person walking away from the

565

00:27:05,430 --> 00:27:02,440

door and I know it was impossible for

566

00:27:08,899 --> 00:27:05,440

someone to run fast enough for me to not

567

00:27:12,149 --> 00:27:08,909

see them open the door I ran outside

568

00:27:15,930 --> 00:27:12,159

leaving the door to the room and to the

569

00:27:17,940 --> 00:27:15,940

house open it was raining hard and in

570

00:27:21,330 --> 00:27:17,950

fear of getting in trouble of running in

571

00:27:23,759 --> 00:27:21,340

the rain I didn't go to the house I was

572

00:27:26,430 --> 00:27:23,769

staying at which was about six houses

573

00:27:30,450 --> 00:27:26,440

away I stood on the porch crying my eyes

574

00:27:33,749 --> 00:27:30,460

out looking behind me every so often of

575

00:27:35,669 --> 00:27:33,759

that it's just so sad and then to make

576

00:27:38,039 --> 00:27:35,679

sure no one was behind me and then

577

00:27:40,560 --> 00:27:38,049

Rachel's oldest daughter came home from

578

00:27:44,099 --> 00:27:40,570

school and saw me crying she wouldn't

579

00:27:45,779 --> 00:27:44,109

have to ask me why I was crying I didn't

580

00:27:47,879 --> 00:27:45,789

want to tell her why because I was

581

00:27:50,849 --> 00:27:47,889

afraid if I tell someone the ghosts

582

00:27:53,759 --> 00:27:50,859

might hear and do something bad to me so

583

00:27:56,159 --> 00:27:53,769

I stayed silent she took me inside and I

584

00:27:57,869 --> 00:27:56,169

followed her to the backyard I found out

585

00:28:01,049 --> 00:27:57,879

there were maids in the backyard

586

00:28:03,330 --> 00:28:01,059

cleaning the whole time but I know they

587

00:28:04,799 --> 00:28:03,340

couldn't have opened the door Rachel

588

00:28:07,349 --> 00:28:04,809

came home about five to ten minutes

589

00:28:09,779 --> 00:28:07,359

after her daughter did and she told

590

00:28:12,029 --> 00:28:09,789

Rachel I was crying Rachel asked why I

591

00:28:13,560 --> 00:28:12,039

was crying and I lied and told her I

592

00:28:16,769 --> 00:28:13,570

didn't want to be alone

593

00:28:18,149 --> 00:28:16,779

which was kind of true my cousin's hung

594

00:28:19,619 --> 00:28:18,159

out with me in the living room instead

595

00:28:22,499 --> 00:28:19,629

of the bedroom my cousins were younger

596

00:28:25,080 --> 00:28:22,509

than me but the youngest teased me for

597

00:28:28,349 --> 00:28:25,090

crying but if he was in the same

598

00:28:30,629 --> 00:28:28,359

situation I was he would have cried too

599

00:28:33,089 --> 00:28:30,639

I'm visiting my family again in the

600

00:28:35,310 --> 00:28:33,099

upcoming summer but I don't think I want

601  
00:28:37,649 --> 00:28:35,320  
to go to my cousin's house anymore that

602  
00:28:40,499 --> 00:28:37,659  
wasn't scary it's a little creepy but

603  
00:28:42,119 --> 00:28:40,509  
well maybe you know wishful thinking

604  
00:28:44,749 --> 00:28:42,129  
maybe you got maybe you made it move

605  
00:28:47,560 --> 00:28:44,759  
little poltergeist activity I don't know

606  
00:28:49,630 --> 00:28:47,570  
power suggestion maybe hypnotized

607  
00:28:52,960 --> 00:28:49,640  
or I'm just I'm just messin like that

608  
00:28:55,120 --> 00:28:52,970
