14

00:00:48,950 --> 00:00:46,920

pause for dramatic build right all right

15

00:00:50,630 --> 00:00:48,960

this first UFO sighting this happened in

16

00:00:55,160 --> 00:00:50,640

Wichita Kansas

17

00:00:59,209 --> 00:00:55,170

this occurred November 17th 2017 red

18

00:01:03,470 --> 00:00:59,219

like a bike reflector no glow about the

19

00:01:06,109 --> 00:01:03,480

size of a half of a dime smoking

20

00:01:08,300 --> 00:01:06,119

flashing light of small plane going east

21

00:01:10,940 --> 00:01:08,310

I saw red object did not know what it

22

00:01:14,120 --> 00:01:10,950

was was moving south to the north

23

00:01:17,179 --> 00:01:14,130

speed was half of a small plane speed

24

00:01:19,640 --> 00:01:17,189

both were at same height about the

25

00:01:22,940 --> 00:01:19,650

ground was thinking people in the plane

26

00:01:25,640 --> 00:01:22,950

should be able to see it too light kept

27

00:01:28,730 --> 00:01:25,650

moving moving north making three V

28

00:01:31,969 --> 00:01:28,740

movement shapes turn away to relight my

29

00:01:38,120 --> 00:01:31,979

smoke could not find it after that PS

30

00:01:40,010 --> 00:01:38,130

could you tell me what it was oh look at

31

00:01:42,170 --> 00:01:40,020

that somebody turns away just to light

32

00:01:44,630 --> 00:01:42,180

their cigarette and it's gone it's like

33

00:01:47,060 --> 00:01:44,640

it's a special thing don't ever take

34

00:01:48,980 --> 00:01:47,070

your eyes off of it because these things

35

00:01:52,789 --> 00:01:48,990

just don't seem to stick around for

36

00:01:55,850 --> 00:01:52,799

another glance alright next UFO sighting

37

00:02:01,600 --> 00:01:55,860

was occurred in Hamilton Township New

38

00:02:03,740 --> 00:02:01,610

Jersey December 29th 2017 flat flying

39

00:02:07,850 --> 00:02:03,750

trapezoid object with markings

40

00:02:10,130 --> 00:02:07,860

resembling a bird retired law

41

00:02:13,550 --> 00:02:10,140

enforcement reporting I have been

42

00:02:18,350 --> 00:02:13,560

witness to many UAP events

43

00:02:20,690 --> 00:02:18,360

on or about December 29th 2017 at 16 15

44

00:02:22,940 --> 00:02:20,700

hours I was sitting outside of my porch

45

00:02:25,430 --> 00:02:22,950

with my peripheral vision observed an

46

00:02:28,040 --> 00:02:25,440

object up and to the right of me I

47

00:02:30,320 --> 00:02:28,050

looked up towards the sky in the

48

00:02:33,309 --> 00:02:30,330

northeast quadrant at an elevation of

49

00:02:36,710 --> 00:02:33,319

approximately 45 degrees and saw a

50

00:02:39,830 --> 00:02:36,720

trapezoid object traveling from the

51  
00:02:42,680 --> 00:02:39,840  
north towards the south at approximately

52  
00:02:45,650 --> 00:02:42,690  
20 miles per hour the sky was partly

53  
00:02:49,220 --> 00:02:45,660  
cloudy and the visibility was unlimited

54  
00:02:51,320 --> 00:02:49,230  
it was a solid flat object that had no

55  
00:02:53,440 --> 00:02:51,330  
lights appendages or other prevalent

56  
00:02:57,259 --> 00:02:53,450  
features it was a clearly defined

57  
00:03:01,520 --> 00:02:57,269  
trapezoid with a similar shape that of a

58  
00:03:04,309 --> 00:03:01,530  
baseball home plate wow that's wild with

59  
00:03:06,680 --> 00:03:04,319  
a small angle toward the front what took

60  
00:03:10,670 --> 00:03:06,690  
me by surprise was that it had the

61  
00:03:13,729 --> 00:03:10,680  
coloration of a bird of prey similar to

62  
00:03:17,750 --> 00:03:13,739  
that of a hawk in that the shades of

63  
00:03:20,600 --> 00:03:17,760

color were black brown and grey hold on

64

00:03:24,020 --> 00:03:20,610

I've had one other report I've read like

65

00:03:27,380 --> 00:03:24,030

that this must be the latest brand guys

66

00:03:30,470 --> 00:03:27,390

because they're getting crafty the

67

00:03:33,800 --> 00:03:30,480

object was entirely colored with streaks

68

00:03:37,190 --> 00:03:33,810

of varying shades of black gray and

69

00:03:41,270 --> 00:03:37,200

brown in a natural appearing pattern the

70

00:03:43,610 --> 00:03:41,280

UAP moved only in a straight black

71

00:03:46,370 --> 00:03:43,620

direction where it changed directions to

72

00:03:48,380 --> 00:03:46,380

the left and right with huh

73

00:03:50,720 --> 00:03:48,390

with y'all I don't know what that means

74

00:03:53,539 --> 00:03:50,730

there was no other directional movement

75

00:03:55,880 --> 00:03:53,549

it slightly moved left to right with

76

00:03:58,759 --> 00:03:55,890

subtle coarse change and remained on a

77

00:04:02,270 --> 00:03:58,769

level path it disappeared over the house

78

00:04:04,099 --> 00:04:02,280

and I lost sight of it it was flying

79

00:04:06,500 --> 00:04:04,109

against the prevailing wind pattern

80

00:04:09,020 --> 00:04:06,510

which was from the south that day as I

81

00:04:11,870 --> 00:04:09,030

recall it was not anything I had ever

82

00:04:16,670 --> 00:04:11,880

seen before or I'm familiar with either

83

00:04:21,979 --> 00:04:16,680

it was a DARPA project or a UAP from who

84

00:04:25,350 --> 00:04:21,989

knows where Wow interesting this is it

85

00:04:28,860 --> 00:04:25,360

I'm hearing more of this type of craft

86

00:04:31,439 --> 00:04:28,870

hmmm it's like a stealth technology

87

00:04:32,520 --> 00:04:31,449

almost doesn't it so I'm like no

88

00:04:35,010 --> 00:04:32,530

interesting

89

00:04:39,839 --> 00:04:35,020

the next year for sighting occurred in

90

00:04:41,429 --> 00:04:39,849

San Antonio Texas On February 3rd 2018

91

00:04:45,119 --> 00:04:41,439

in brief they state

92

00:04:48,029 --> 00:04:45,129

I saw a red star ish light very high up

93

00:04:51,800 --> 00:04:48,039

in the sky turned light green then red

94

00:04:54,330 --> 00:04:51,810

again descended a short distance stopped

95

00:04:57,240 --> 00:04:54,340

then descended quickly until it

96

00:05:00,390 --> 00:04:57,250

disappeared below the rooftop across the

97

00:05:03,719 --> 00:05:00,400

street I went out to lock up my driveway

98

00:05:06,510 --> 00:05:03,729

gate and saw a red star Schleich spot in

99

00:05:10,050 --> 00:05:06,520

the sky at 45 degrees approximately

100

00:05:12,119 --> 00:05:10,060

it was stationary I thought it was a

101

00:05:14,339 --> 00:05:12,129

police helicopter we see them a lot

102

00:05:16,320 --> 00:05:14,349

around here it turned light green and

103

00:05:23,189 --> 00:05:16,330

then red again I still thought it might

104

00:05:26,969 --> 00:05:23,199

be SAPD helicopter San Antonio but then

105

00:05:29,969 --> 00:05:26,979

it moved northerly to the sky abruptly a

106

00:05:33,149 --> 00:05:29,979

short distance and stopped it was too

107

00:05:36,659 --> 00:05:33,159

fast to be a helicopter jet or satellite

108

00:05:38,909 --> 00:05:36,669

then still red it continued north and

109

00:05:41,339 --> 00:05:38,919

just seemed to drop out of the sky

110

00:05:43,559 --> 00:05:41,349

quickly it was too high up and far away

111

00:05:45,749 --> 00:05:43,569

to be heard it disappeared in the

112

00:05:48,420 --> 00:05:45,759

horizon behind my neighbor's house

113

00:05:51,089 --> 00:05:48,430

across the street the sky was

114

00:05:52,140 --> 00:05:51,099

exceptionally clear at the time I never

115

00:05:55,320 --> 00:05:52,150

took my eyes off it

116

00:05:58,200 --> 00:05:55,330

it descended faster than anything I have

117

00:05:59,490 --> 00:05:58,210

ever seen they were smart don't take

118

00:06:03,059 --> 00:05:59,500

your eyes off of it because it'll go

119

00:06:05,309 --> 00:06:03,069

fast alright next yo full sighting in

120

00:06:10,070 --> 00:06:05,319

California a UFO blast from the past

121

00:06:15,269 --> 00:06:10,080

everybody April 26 2007 shadow-like

122

00:06:18,839 --> 00:06:15,279

appear on my front door by sea watching

123

00:06:22,379 --> 00:06:18,849

History Channel come to learn it's a

124

00:06:24,089 --> 00:06:22,389

grey alien come to learn ok I'm just

125

00:06:25,760 --> 00:06:24,099

sounding this out I don't edit these

126

00:06:27,929 --> 00:06:25,770

people's reports that's all i'ma say

127

00:06:29,760 --> 00:06:27,939

cleaning house with company in my house

128

00:06:32,339 --> 00:06:29,770

normal day I was in living room as my

129

00:06:35,670 --> 00:06:32,349

company was on the couch waiting for his

130

00:06:38,670 --> 00:06:35,680

mom I noticed a buzzing beeping felt

131

00:06:43,140 --> 00:06:38,680

like I was being instructed to

132

00:06:46,939 --> 00:06:43,150

turn and look at him so I did and I seen

133

00:06:52,020 --> 00:06:46,949

a shadow of an alien on my front door

134

00:06:54,210 --> 00:06:52,030

Wow I quickly asked my company Brennan

135

00:06:54,960 --> 00:06:54,220

to come to my side I said do you see

136

00:06:58,590 --> 00:06:54,970

what I see

137

00:07:02,159 --> 00:06:58,600

he said yes I said so I'm not tripping

138

00:07:05,550 --> 00:07:02,169

so I'm not crazy you see what I see he

139

00:07:08,070 --> 00:07:05,560

replied yes I said ok we're going to

140

00:07:11,249 --> 00:07:08,080

continue what we are doing and before

141

00:07:14,279 --> 00:07:11,259

long he will be gone Brennan said ok so

142

00:07:16,589 --> 00:07:14,289

he did 8 to 15 minutes later I forgot

143

00:07:19,290 --> 00:07:16,599

and immediately remembered oh you have

144

00:07:22,529 --> 00:07:19,300

alien so I looked over to the door for a

145

00:07:24,810 --> 00:07:22,539

second time he was not there but my

146

00:07:27,330 --> 00:07:24,820

intuition and intelligence said he's

147

00:07:30,390 --> 00:07:27,340

still there but I could not see him

148

00:07:33,450 --> 00:07:30,400

guessing from that they must be also

149

00:07:33,930 --> 00:07:33,460

invisible if true you know I'm telling

150

00:07:39,450 --> 00:07:33,940

the truth

151  
00:07:41,730 --> 00:07:39,460  
Wow fascinating that um I hear these

152  
00:07:44,219 --> 00:07:41,740  
things where people all right feel like

153  
00:07:46,320 --> 00:07:44,229  
impulsed are directed to go drive into

154  
00:07:49,589 --> 00:07:46,330  
the woods and wait for something look

155  
00:07:51,180 --> 00:07:49,599  
over here participate in these these

156  
00:07:53,969 --> 00:07:51,190  
things that are going on and it's like

157  
00:07:56,730 --> 00:07:53,979  
well what is this about there's a

158  
00:08:00,029 --> 00:07:56,740  
connection and we feel hunted apparently

159  
00:08:05,700 --> 00:08:00,039  
and we know and are on alert to pay

160  
00:08:09,890 --> 00:08:05,710  
attention or observed the next UFO

161  
00:08:12,029 --> 00:08:09,900  
sighting comes to us from oh boy second

162  
00:08:16,110 --> 00:08:12,039  
Saskatoon Saskatchewan

163  
00:08:19,050 --> 00:08:16,120

this occurred February 3rd 2018 clear

164

00:08:22,589 --> 00:08:19,060

sky appeared in middle of sky moved west

165

00:08:25,830 --> 00:08:22,599

east through binoculars three orange

166

00:08:29,610 --> 00:08:25,840

lights and triangle white one in middle

167

00:08:32,370 --> 00:08:29,620

wow I was watching the sky for my living

168

00:08:36,510 --> 00:08:32,380

room window faces Wes with all the

169

00:08:38,370 --> 00:08:36,520

lights looking for meteors maybe some

170

00:08:41,130 --> 00:08:38,380

Aurora okay they were looking for okay

171

00:08:43,500 --> 00:08:41,140

the Sun was below the horizon but there

172

00:08:45,720 --> 00:08:43,510

was some Twilight I noticed a couple of

173

00:08:48,269 --> 00:08:45,730

stars in a plane or two from the airport

174

00:08:50,220 --> 00:08:48,279

at the northwest of the city when from

175

00:08:52,110 --> 00:08:50,230

the west southwest direction from my

176

00:08:55,260 --> 00:08:52,120

position at about 50

177

00:08:58,350 --> 00:08:55,270

scent of light appeared like a light

178

00:09:00,090 --> 00:08:58,360

turning on it looked like another star

179

00:09:02,700 --> 00:09:00,100

but it was moving towards the east

180

00:09:04,620 --> 00:09:02,710

I had my binoculars beside me and looked

181

00:09:06,720 --> 00:09:04,630

at the light I could see what looked

182

00:09:09,170 --> 00:09:06,730

like a small triangle with three lights

183

00:09:12,060 --> 00:09:09,180

at the corners and a light in the middle

184

00:09:14,280 --> 00:09:12,070

no flashing lights or irregular plane

185

00:09:18,300 --> 00:09:14,290

lights the object moved at a steady

186

00:09:21,720 --> 00:09:18,310

speed hmm but seemed slower than a

187

00:09:24,390 --> 00:09:21,730

passenger plane see them every day I

188

00:09:26,970 --> 00:09:24,400

faced the City Airport shortly after I

189

00:09:29,070 --> 00:09:26,980

passed over my building it passed over

190

00:09:31,800 --> 00:09:29,080

my building a helicopter left the

191

00:09:33,870 --> 00:09:31,810

airport and flew over my building

192

00:09:36,000 --> 00:09:33,880

towards the direction of the object I'd

193

00:09:39,480 --> 00:09:36,010

seen couldn't take picture because my

194

00:09:41,430 --> 00:09:39,490

phone's camera is too crappy okay all

195

00:09:43,650 --> 00:09:41,440

right all right sorry I'm trying to read

196

00:09:46,800 --> 00:09:43,660

this as smooth as I can but it's a piece

197

00:09:47,220 --> 00:09:46,810

of work to have to piece it together all

198

00:09:49,470 --> 00:09:47,230

right

199

00:09:56,040 --> 00:09:49,480

yeah UFO blast from the past everybody

200

00:09:57,720 --> 00:09:56,050

glass glow Scotland October 30th 1984

201  
00:10:00,150 --> 00:09:57,730  
smaller lights revolving around bigger

202  
00:10:02,910 --> 00:10:00,160  
light lights disappeared inside the main

203  
00:10:06,269 --> 00:10:02,920  
larger light two hours later metallic

204  
00:10:09,240 --> 00:10:06,279  
saucer shape observed at around 8,000

205  
00:10:11,040 --> 00:10:09,250  
feet high my friend and I were

206  
00:10:14,370 --> 00:10:11,050  
delivering Sunday papers one morning in

207  
00:10:17,280 --> 00:10:14,380  
late October in 1980 at approximately

208  
00:10:20,310 --> 00:10:17,290  
7:15 that morning we observed one large

209  
00:10:23,190 --> 00:10:20,320  
light stationary in the clear sky with

210  
00:10:25,560 --> 00:10:23,200  
four smaller lights rotating around the

211  
00:10:28,350 --> 00:10:25,570  
main light one by one these smaller

212  
00:10:30,750 --> 00:10:28,360  
lights disappeared into or behind the

213  
00:10:33,449 --> 00:10:30,760

main light until the main light remained

214

00:10:35,820 --> 00:10:33,459

we had papers to deliver so we continued

215

00:10:38,310 --> 00:10:35,830

to Hunter Route nervous and disturbed by

216

00:10:40,500 --> 00:10:38,320

what we had witnessed at 9:00 a.m. as my

217

00:10:44,070 --> 00:10:40,510

friend and I finished our paper route

218

00:10:47,010 --> 00:10:44,080

we looked upwards and observed a metal

219

00:10:49,560 --> 00:10:47,020

saucer shaped object hovering and around

220

00:10:51,480 --> 00:10:49,570

a thousand feet the object remains

221

00:10:53,670 --> 00:10:51,490

stationary next to a cloud at around a

222

00:10:56,000 --> 00:10:53,680

thousand feet and was without a doubt a

223

00:10:58,140 --> 00:10:56,010

hard metal saucer shaped object

224

00:11:00,420 --> 00:10:58,150

disturbed and frightened we returned

225

00:11:02,880 --> 00:11:00,430

home and reported sightings to parents

226

00:11:04,740 --> 00:11:02,890

the very same week saw a number of

227

00:11:06,210 --> 00:11:04,750

reports of strange lights in the sky and

228

00:11:09,180 --> 00:11:06,220

believed was reported

229

00:11:11,820 --> 00:11:09,190

a local newspaper at the time I wish to

230

00:11:14,880 --> 00:11:11,830

report this after 36 years as I feel it

231

00:11:18,450 --> 00:11:14,890

was a fantastic experience and one I

232

00:11:21,000 --> 00:11:18,460

have never forgotten this next one is an

233

00:11:22,730 --> 00:11:21,010

alien encounter in Radcliffe Kentucky

234

00:11:30,090 --> 00:11:22,740

this occurred

235

00:11:34,800 --> 00:11:30,100

January 11 2012 etbe at window on the

236

00:11:38,850 --> 00:11:34,810

roof came in wall took child four foot

237

00:11:42,810 --> 00:11:38,860

grayish brown hair and three scales in

238

00:11:44,910 --> 00:11:42,820

head that that's all they put I don't

239

00:11:47,270 --> 00:11:44,920

know what that means I don't

240

00:11:51,360 --> 00:11:47,280

all right UFO sighting in Oklahoma

241

00:11:55,050 --> 00:11:51,370

February 6 2018 watching the Falcon

242

00:11:57,930 --> 00:11:55,060

Heavy deploy Starman an object passed

243

00:12:00,180 --> 00:11:57,940

over the top during deployment ooh

244

00:12:03,060 --> 00:12:00,190

watching live feed of star men being

245

00:12:06,090 --> 00:12:03,070

deployed from Falcon Heavy observed

246

00:12:09,110 --> 00:12:06,100

seemingly spherical object pass over at

247

00:12:11,280 --> 00:12:09,120

about star man's 10 o'clock position oh

248

00:12:12,630 --> 00:12:11,290

that's pretty cool you guys know what

249

00:12:15,890 --> 00:12:12,640

this is right what we're talking about

250

00:12:18,330 --> 00:12:15,900

right right Elon Musk Falcon Heavy

251  
00:12:21,060 --> 00:12:18,340  
deployment of the star man hanging out

252  
00:12:23,250 --> 00:12:21,070  
in his Tesla mm-hmm yeah oh that's

253  
00:12:25,410 --> 00:12:23,260  
pretty cool guess we can all roll the

254  
00:12:27,930 --> 00:12:25,420  
tape back and have a look right black

255  
00:12:30,900 --> 00:12:27,940  
triangle sighting in ol meckel's

256  
00:12:34,650 --> 00:12:30,910  
meckel's field England okay sure

257  
00:12:40,890 --> 00:12:34,660  
February 9th 2018 triangle UFO red

258  
00:12:44,910 --> 00:12:40,900  
lights okay at 2020 today whilst driving

259  
00:12:49,890 --> 00:12:44,920  
into meckel's field town along a quite B

260  
00:12:52,920 --> 00:12:49,900  
Road b5 470 Hertz field road I witnessed

261  
00:12:55,400 --> 00:12:52,930  
three very bright pure red lights come

262  
00:12:59,100 --> 00:12:55,410  
into view that formed a perfect triangle

263  
00:13:01,290 --> 00:12:59,110

one light in each corner of triangle the

264

00:13:03,780 --> 00:13:01,300

triangle was high in the sky but would

265

00:13:07,680 --> 00:13:03,790

have covered a large area possibly half

266

00:13:09,690 --> 00:13:07,690

a mile in diameter diameter the triangle

267

00:13:11,820 --> 00:13:09,700

then began to rotate in perfect

268

00:13:14,130 --> 00:13:11,830

formation clockwise then it remains

269

00:13:16,350 --> 00:13:14,140

static for around one minute I

270

00:13:16,980 --> 00:13:16,360

immediately tried to pull over and get

271

00:13:18,190 --> 00:13:16,990

my camera

272

00:13:20,530 --> 00:13:18,200

iPhone camera

273

00:13:24,760 --> 00:13:20,540

to take a video or picture unfortunately

274

00:13:26,440 --> 00:13:24,770

by the time I pulled over I had to get

275

00:13:29,050 --> 00:13:26,450

out of car and switched on the camera I

276

00:13:31,810 --> 00:13:29,060

immediately saw one of the lights fly

277

00:13:33,370 --> 00:13:31,820

away and sideways to the left then it

278

00:13:36,160 --> 00:13:33,380

immediately changed direction again a

279

00:13:38,440 --> 00:13:36,170

return to form the triangle then it just

280

00:13:40,720 --> 00:13:38,450

disappeared another two lights stayed

281

00:13:43,180 --> 00:13:40,730

stationary for about one further minute

282

00:13:43,990 --> 00:13:43,190

before both of them began to move away

283

00:13:47,500 --> 00:13:44,000

from each other

284

00:13:50,830 --> 00:13:47,510

one light moved up whilst the other

285

00:13:52,600 --> 00:13:50,840

sideways the light that moved up then

286

00:13:54,850 --> 00:13:52,610

eventually went out of sight and

287

00:13:58,330 --> 00:13:54,860

disappeared the light that moved to the

288

00:14:00,850 --> 00:13:58,340

left sideways then remained perfectly

289

00:14:03,970 --> 00:14:00,860

stationary for around five to six

290

00:14:07,120 --> 00:14:03,980

minutes before it it just vanished

291

00:14:10,180 --> 00:14:07,130

I managed to get a short video of one of

292

00:14:12,100 --> 00:14:10,190

the two lights remained and some photos

293

00:14:15,030 --> 00:14:12,110

of when it the light remained before

294

00:14:17,800 --> 00:14:15,040

they all completely disappeared Wow

295

00:14:20,830 --> 00:14:17,810

fascinating this next one is a UFO

296

00:14:25,810 --> 00:14:20,840

sighting in Houston Hughes son who's on

297

00:14:28,720 --> 00:14:25,820

grand estate that's that's the name

298

00:14:31,810 --> 00:14:28,730

February 10th 2018 watching almost

299

00:14:34,510 --> 00:14:31,820

landing a UFO in field near the house in

300

00:14:37,540 --> 00:14:34,520

more detail I looked out the window and

301  
00:14:40,870 --> 00:14:37,550  
saw a low flying object while I reached

302  
00:14:43,210 --> 00:14:40,880  
the camera the UFO over came about 500

303  
00:14:45,910 --> 00:14:43,220  
meters at an altitude of about 30 meters

304  
00:14:50,560 --> 00:14:45,920  
and began to drop to a height of 10

305  
00:14:53,530 --> 00:14:50,570  
meters oh I will not describe what a UFO

306  
00:14:56,050 --> 00:14:53,540  
was in detail in the face it could

307  
00:14:59,470 --> 00:14:56,060  
disappear and become invisible such as a

308  
00:15:02,320 --> 00:14:59,480  
portal or masking five minutes later I

309  
00:15:04,440 --> 00:15:02,330  
cycled to the starlight lounge presents

310  
00:15:06,720 --> 00:15:04,450  
an evening with the progressive box

311  
00:15:09,690 --> 00:15:06,730  
[Music]

312  
00:15:11,940 --> 00:15:09,700  
I took a bit of a risk singing that song

313  
00:15:14,370 --> 00:15:11,950

but of course the one place I never take

314

00:15:16,470 --> 00:15:14,380

chances is the road where progressive

315

00:15:18,690 --> 00:15:16,480

snapshot rewards your safe driving a

316

00:15:21,780 --> 00:15:18,700

good driver plus snapshot equals big

317

discounts and speaking of math one plus

318

00:15:27,450 --> 00:15:25,620

one equals two little too late

319

00:15:28,769 --> 00:15:27,460

progressive casualty insurance company

320

00:15:30,060 --> 00:15:28,779

affiliates snapshot not available in

321

00:15:32,670 --> 00:15:30,070

California North Carolina or from all

322

00:15:35,940 --> 00:15:32,680

agents field where the last time I saw

323

00:15:39,210 --> 00:15:35,950

UFO no traces of the Paranormal Activity

324

00:15:41,820 --> 00:15:39,220

on this day found but after a while then

325

00:15:44,790 --> 00:15:41,830

began to occur paranormal things always

326

00:15:51,930 --> 00:15:44,800

I found a dozen different types of UFOs

327

00:15:54,120 --> 00:15:51,940

that was the show the end uh okay we're

328

00:15:57,930 --> 00:15:54,130

we're all trying to imagine this in our

329

00:16:00,780 --> 00:15:57,940

heads now right right I am seeking more

330

00:16:04,500 --> 00:16:00,790

incomplete sentences to I just oh I wish

331

00:16:09,060 --> 00:16:04,510

this next UFO sighting this occurred in

332

00:16:11,460 --> 00:16:09,070

Las Cruces New Mexico February 6 2018

333

00:16:14,160 --> 00:16:11,470

glowing green orb and sky moving at a

334

00:16:16,890 --> 00:16:14,170

medium pace leaving behind temporary

335

00:16:19,110 --> 00:16:16,900

green mist that evaporated I've gotten

336

00:16:21,420 --> 00:16:19,120

out of my anatomy in physical an hour

337

00:16:26,610 --> 00:16:21,430

early and it was already dark outside

338

00:16:28,950 --> 00:16:26,620

I'm female and although I live in a safe

339

00:16:31,740 --> 00:16:28,960

town my girlfriend and I like to walk

340

00:16:35,040 --> 00:16:31,750

with each other to our cars every time

341

00:16:36,690 --> 00:16:35,050

after class her and I made our way

342

00:16:39,180 --> 00:16:36,700

through the college and out the doors

343

00:16:40,710 --> 00:16:39,190

when we came to my parked car I was

344

00:16:43,410 --> 00:16:40,720

first to witness it and immediately

345

00:16:47,520 --> 00:16:43,420

asked my friend from class T do you see

346

00:16:49,770 --> 00:16:47,530

that - what is that strip light I don't

347

00:16:51,449 --> 00:16:49,780

know but I don't want to stay around

348

00:16:54,810 --> 00:16:51,459

just get in your car

349

00:16:56,490 --> 00:16:54,820

I stayed standing there mesmerized at

350

00:16:58,340 --> 00:16:56,500

the object and kept yelling at a

351

00:17:03,690 --> 00:16:58,350

distance to my friend who was now

352

00:17:07,380 --> 00:17:03,700

walking away to her car uh-huh but what

353

00:17:09,750 --> 00:17:07,390

is that insert name she replied one last

354

00:17:15,400 --> 00:17:09,760

time stop freaking me out

355

00:17:22,510 --> 00:17:20,440

what are you serious really like my

356

00:17:25,920 --> 00:17:22,520

worst fear are spiders I mean something

357

00:17:29,080 --> 00:17:25,930

that I see but to fear an invasion I

358

00:17:31,510 --> 00:17:29,090

mean to fear an invasion that's pretty

359

00:17:34,000 --> 00:17:31,520

specific or they've been taken before

360

00:17:35,950 --> 00:17:34,010

who knows but Wow

361

00:17:38,230 --> 00:17:35,960

here's how many people turned a blind

362

00:17:40,510 --> 00:17:38,240

eye to something that could wake up

363

00:17:42,250 --> 00:17:40,520

their whole world how many people do

364

00:17:45,670 --> 00:17:42,260

that raise your hand I don't see anybody

365

00:17:48,090 --> 00:17:45,680

okay anyways so before I even mentioned

366

00:17:51,790 --> 00:17:48,100

the possibility of ETS my friend

367

00:17:54,070 --> 00:17:51,800

unprovoked assumed the same as we both

368

00:17:57,190 --> 00:17:54,080

had never seen anything to the likes of

369

00:17:59,740 --> 00:17:57,200

what we were watching she walked out of

370

00:18:02,860 --> 00:17:59,750

my sight into the darkened dirt parking

371

00:18:06,190 --> 00:18:02,870

lot and I stayed staring at the object

372

00:18:09,250 --> 00:18:06,200

good girl it was a glowing peridot light

373

00:18:13,000 --> 00:18:09,260

forest mixture of green colored orb and

374

00:18:17,290 --> 00:18:13,010

it was slowly but steadily making its

375

00:18:19,210 --> 00:18:17,300

way south at a medium pace I don't have

376

00:18:22,600 --> 00:18:19,220

very good farsighted vision so I

377

00:18:27,160 --> 00:18:22,610

couldn't see details what I did see what

378

00:18:30,040 --> 00:18:27,170

what an airplane going to or from the EI

379

00:18:33,190 --> 00:18:30,050

Paso Airport and nearby Texas and the

380

00:18:35,290 --> 00:18:33,200

airplane flew close by the glowing green

381

00:18:37,480 --> 00:18:35,300

orb like they didn't see it

382

00:18:41,290 --> 00:18:37,490

I would say that it was approximately

383

00:18:43,090 --> 00:18:41,300

half a mile away from me in the sky it

384

00:18:45,490 --> 00:18:43,100

was leaving behind a glowing green

385

00:18:49,270 --> 00:18:45,500

luminescence that would dissipate after

386

00:18:51,340 --> 00:18:49,280

10 20 seconds it was definitely round in

387

00:18:54,610 --> 00:18:51,350

shape and almost looked like it was made

388

00:18:57,370 --> 00:18:54,620

of green fire I have never seen anything

389

00:18:59,830 --> 00:18:57,380

like it I also got the immense feeling

390

00:19:06,370 --> 00:18:59,840

or knowing that I was seeing something

391

00:19:08,260 --> 00:19:06,380

man-made that wasn't from us okay seeing

392

00:19:08,950 --> 00:19:08,270

something man-made that wasn't from us

393

00:19:11,410 --> 00:19:08,960

okay

394

00:19:14,140 --> 00:19:11,420

I also got annoying that it was doing

395

00:19:16,180 --> 00:19:14,150

some sort of task or job I should have

396

00:19:18,850 --> 00:19:16,190

gotten my phone out to take a photo but

397

00:19:21,190 --> 00:19:18,860

it was far enough away that I just have

398

00:19:23,230 --> 00:19:21,200

shown up too small nor did I imagine

399

00:19:25,990 --> 00:19:23,240

that I would be writing of report days

400

00:19:27,850 --> 00:19:26,000

later after doing some research and not

401

00:19:28,930 --> 00:19:27,860

finding any aircrafts that fit the

402

00:19:31,390 --> 00:19:28,940

description or

403

00:19:34,030 --> 00:19:31,400

comets asteroids that give off a green

404

00:19:37,360 --> 00:19:34,040

fire I also thought that nobody would

405

00:19:40,570 --> 00:19:37,370

believe me hence why only my friend who

406

00:19:42,940 --> 00:19:40,580

saw it knows I haven't told anyone else

407

00:19:47,040 --> 00:19:42,950

until now the orb didn't make me feel

408

00:19:50,310 --> 00:19:47,050

uneasy but it came off very playful very

409

00:19:53,710 --> 00:19:50,320

ignited a playful feeling inside of me

410

00:19:55,150 --> 00:19:53,720

okay I only watch it for approximately

411

00:19:57,850 --> 00:19:55,160

six minutes before I decided that I

412

00:19:59,770 --> 00:19:57,860

should go home when I got my car and

413

00:20:01,210 --> 00:19:59,780

made a turn to get out of the parking

414

00:20:04,030 --> 00:20:01,220

lot and look back through my windshield

415

00:20:05,140 --> 00:20:04,040

I saw that the glowing green orb was

416

00:20:08,110 --> 00:20:05,150

nowhere to be found

417

00:20:13,900 --> 00:20:08,120

odd experience but I hope to have more

418

00:20:16,200 --> 00:20:13,910

as it was so interesting already this

419

00:20:20,170 --> 00:20:16,210

next UFO sighting occurred and vols

420

00:20:23,710 --> 00:20:20,180

Thyssen hime Salzburg this occurred

421

00:20:27,420 --> 00:20:23,720

February 10th 2018 UFO from an airplane

422

00:20:30,130 --> 00:20:27,430

flying somewhere above Central Europe I

423

00:20:33,700 --> 00:20:30,140

sat at the window the pilot announced

424

00:20:36,220 --> 00:20:33,710

the weather overboard overboard okay I

425

00:20:37,840 --> 00:20:36,230

looked at the views with the camera in

426

00:20:40,770 --> 00:20:37,850

my hand suddenly notice a large

427

00:20:43,750 --> 00:20:40,780

disc-shaped object comparing it to

428

00:20:48,190 --> 00:20:43,760

flying planes a kilometer away the UFO

429

00:20:50,800 --> 00:20:48,200

is three times larger than the a320 next

430

00:20:53,620 --> 00:20:50,810

to me set an irritable passenger when I

431

00:20:56,890 --> 00:20:53,630

did a video recording she began to

432

00:21:00,730 --> 00:20:56,900

reproach me that it was not a UFO and in

433

00:21:02,980 --> 00:21:00,740

every way humiliate neither I nor the

434

00:21:09,220 --> 00:21:02,990

UFO liked her comments since the UFO

435

00:21:13,390 --> 00:21:09,230

disappeared I loved so polite how they

436

00:21:16,270 --> 00:21:13,400

wrote that to neither I all the UFO

437

00:21:18,610 --> 00:21:16,280

liked her comments at the end of the

438

00:21:21,510 --> 00:21:18,620

video the object began to slide out and

439

00:21:24,430 --> 00:21:21,520

hiding again inside the ships shell

440

00:21:26,590 --> 00:21:24,440

parts similar to jet nozzles or flaps

441

00:21:29,410 --> 00:21:26,600

the object was a perfectly round

442

00:21:31,540 --> 00:21:29,420

streamlined shape with a steel gray

443

00:21:34,330 --> 00:21:31,550

color reflecting the sun's rays

444

00:21:37,060 --> 00:21:34,340

unfortunately at the time I did not have

445

00:21:39,640 --> 00:21:37,070

a good camera to convey all the details

446

00:21:42,860 --> 00:21:39,650

so I'm not gonna try to pop over there

447

00:21:44,299 --> 00:21:42,870

then because it must be really fuzzy

448

00:21:46,670 --> 00:21:44,309

I'm sure that was a fascinating thing to

449

00:21:48,770 --> 00:21:46,680

see all right blasting off with some

450

00:21:53,350 --> 00:21:48,780

paranormal points of stories for you

451  
00:21:56,360 --> 00:21:53,360  
guys okay this story someone is sharing

452  
00:21:59,600 --> 00:21:56,370  
their experience called the night I

453  
00:22:02,240 --> 00:21:59,610  
about died that's what it's about died

454  
00:22:05,270 --> 00:22:02,250  
that's what they called it uh-huh all

455  
00:22:08,150 --> 00:22:05,280  
right the story happened to me when I

456  
00:22:10,910 --> 00:22:08,160  
was about 12 or 13 I live in a small

457  
00:22:13,940 --> 00:22:10,920  
town in central Illinois and I'm a huge

458  
00:22:17,020 --> 00:22:13,950  
fan of paranormal me and a friend we

459  
00:22:20,570 --> 00:22:17,030  
will call Dave went to a haunted house

460  
00:22:23,270 --> 00:22:20,580  
it was part of the old asylum in pimkin

461  
00:22:25,910 --> 00:22:23,280  
Illinois it might be somewhere else

462  
00:22:28,970 --> 00:22:25,920  
but it was close to Pekin Pekin or

463  
00:22:30,560 --> 00:22:28,980

prankin they spelled it different so

464

00:22:32,960 --> 00:22:30,570

before leaving for the haunted house I

465

00:22:35,870 --> 00:22:32,970

was talking to this lady in her 40s

466

00:22:38,060 --> 00:22:35,880

about the asylum she explained how her

467

00:22:42,049 --> 00:22:38,070

and her friend would always sneak in and

468

00:22:45,230 --> 00:22:42,059

smoke weed drink and just enjoy their

469

00:22:47,660 --> 00:22:45,240

teenage life she also explained her

470

00:22:51,110 --> 00:22:47,670

paranormal experience if I remember

471

00:22:53,120 --> 00:22:51,120

right this is what she said quote me and

472

00:22:56,000 --> 00:22:53,130

my friend was just smoking and passing

473

00:22:58,850 --> 00:22:56,010

the time and we heard someone being

474

00:23:01,340 --> 00:22:58,860

stoned out of our minds we also were

475

00:23:04,220 --> 00:23:01,350

panicking because we thought it was the

476

00:23:06,710 --> 00:23:04,230

cops as we started to leave we heard

477

00:23:11,120 --> 00:23:06,720

footsteps and as they were coming

478

00:23:14,240 --> 00:23:11,130

towards us we all dead spirited out of

479

00:23:15,980 --> 00:23:14,250

there I think I got separated from

480

00:23:18,320 --> 00:23:15,990

everyone else and couldn't find my way

481

00:23:20,480 --> 00:23:18,330

out I heard my friend screaming and out

482

00:23:25,070 --> 00:23:20,490

of nowhere I heard the most demonic

483

00:23:27,799 --> 00:23:25,080

voice ever yell get out now

484

00:23:30,380 --> 00:23:27,809

no that is demon mm-hmm as soon as I

485

00:23:33,650 --> 00:23:30,390

heard that I ran across and towards the

486

00:23:35,990 --> 00:23:33,660

screams of my friends too and got out me

487

00:23:38,630 --> 00:23:36,000

not believing in the paranormal thought

488

00:23:41,930 --> 00:23:38,640

she was just to hire drunk and made it

489

00:23:44,660 --> 00:23:41,940

up so after the haunted house me and

490

00:23:46,220 --> 00:23:44,670

Dave went back to the hotel my parents

491

00:23:49,310 --> 00:23:46,230

went out for the night and wouldn't be

492

00:23:51,710 --> 00:23:49,320

back until late so after I told Dave

493

00:23:55,669 --> 00:23:51,720

what happened he thought she was lying

494

00:23:56,570 --> 00:23:55,679

too so then we decided to go it was hard

495

00:23:58,220 --> 00:23:56,580

to get in

496

00:24:02,299 --> 00:23:58,230

because of the haunted house that was

497

00:24:04,549 --> 00:24:02,309

across the asylum well we got in it was

498

00:24:08,659 --> 00:24:04,559

just a normal kind of abandoned Asylum

499

00:24:11,090 --> 00:24:08,669

creepy worn down and abandoned so we

500

00:24:13,490 --> 00:24:11,100

started to walk each floor and nothing

501  
00:24:16,340 --> 00:24:13,500  
happened now this is where it gets

502  
00:24:19,460 --> 00:24:16,350  
creepy the only thing we had at the time

503  
00:24:21,880 --> 00:24:19,470  
was flashlights we were getting ready to

504  
00:24:24,320 --> 00:24:21,890  
go up to the attic when we heard running

505  
00:24:27,110 --> 00:24:24,330  
like little kids running around playing

506  
00:24:29,659 --> 00:24:27,120  
tag me and Dave looked at each other

507  
00:24:31,399 --> 00:24:29,669  
both confused thinking why are there

508  
00:24:34,310 --> 00:24:31,409  
little kids in this place especially

509  
00:24:37,029 --> 00:24:34,320  
this late yes I was about 12 or 13

510  
00:24:40,370 --> 00:24:37,039  
you're a bold huh but I couldn't defend

511  
00:24:41,990 --> 00:24:40,380  
for myself I couldn't defend myself I

512  
00:24:44,690 --> 00:24:42,000  
think they mean then I don't know where

513  
00:24:47,509 --> 00:24:44,700

the running stopped still confused I

514

00:24:49,759 --> 00:24:47,519

yelled is there anyone up there no

515

00:24:53,539 --> 00:24:49,769

answers just little kids laughing and

516

00:24:56,029 --> 00:24:53,549

whispering so I decided to go up Dave

517

00:24:59,090 --> 00:24:56,039

stayed back because he was scared

518

00:25:03,669 --> 00:24:59,100

crapless at this point as I got up there

519

00:25:07,519 --> 00:25:03,679

I saw a lady staring out the window

520

00:25:10,879 --> 00:25:07,529

confused I asked miss was that your kids

521

00:25:12,649 --> 00:25:10,889

playing up here like I said I didn't

522

00:25:16,100 --> 00:25:12,659

believe in the paranormal at this time

523

00:25:21,200 --> 00:25:16,110

and she said nothing all she did was

524

00:25:24,649 --> 00:25:21,210

turn around and look at me what made it

525

00:25:29,870 --> 00:25:24,659

creepy was I could see her eyes were

526  
00:25:32,470 --> 00:25:29,880  
black oh heck no then she disappeared

527  
00:25:36,590 --> 00:25:32,480  
into thin air

528  
00:25:39,019 --> 00:25:36,600  
creepy out creepy out creeping out I

529  
00:25:43,190 --> 00:25:39,029  
went down to Dave when I told Dave what

530  
00:25:44,870 --> 00:25:43,200  
happened we both decided to leave as we

531  
00:25:49,149 --> 00:25:44,880  
were leaving I heard someone running

532  
00:25:52,850 --> 00:25:49,159  
towards us it wasn't kids footsteps no

533  
00:25:57,169 --> 00:25:52,860  
this was a grown man charging at us

534  
00:25:59,840 --> 00:25:57,179  
we both sprinted out of there I took a

535  
00:26:02,899 --> 00:25:59,850  
wrong turn and ended up in the basement

536  
00:26:05,570 --> 00:26:02,909  
come on now come on now you're both

537  
00:26:08,299 --> 00:26:05,580  
ready together looks right and goes

538  
00:26:09,440 --> 00:26:08,309

that's like only in the movies that's

539

00:26:12,740 --> 00:26:09,450

just not right

540

00:26:14,269 --> 00:26:12,750

I started to yell for Dave no answers I

541

00:26:16,279 --> 00:26:14,279

kept yelling for Dave but still no

542

00:26:18,169 --> 00:26:16,289

answer I mean how far did you run before

543

00:26:20,180 --> 00:26:18,179

you realize you went the wrong way and I

544

00:26:22,129 --> 00:26:20,190

don't get that and then when you see

545

00:26:23,570 --> 00:26:22,139

basement you don't do you don't do

546

00:26:26,090 --> 00:26:23,580

stairs going down you know I'm saying

547

00:26:28,940 --> 00:26:26,100

you don't but still no answer

548

00:26:31,700 --> 00:26:28,950

then I heard someone walking down the

549

00:26:33,919 --> 00:26:31,710

stairs and I yelled Davis at you stop

550

00:26:37,190 --> 00:26:33,929

messing around man this crap is scary

551  
00:26:41,060 --> 00:26:37,200  
already then when I thought that lady

552  
00:26:43,820 --> 00:26:41,070  
was lying okay they've got something

553  
00:26:46,430 --> 00:26:43,830  
goofy here was lying the cake true what

554  
00:26:49,730 --> 00:26:46,440  
is that I heard the most deepest and

555  
00:26:55,039 --> 00:26:49,740  
scariest and most demonic voice yell get

556  
00:26:58,190 --> 00:26:55,049  
out now or die I ran out of the basement

557  
00:27:00,620 --> 00:26:58,200  
up them stairs with what breath I had

558  
00:27:01,340 --> 00:27:00,630  
left and I found Dave outside talking to

559  
00:27:03,320 --> 00:27:01,350  
the cops

560  
00:27:05,690 --> 00:27:03,330  
because he thought I was lost in there

561  
00:27:08,570 --> 00:27:05,700  
or someone had kidnapped me as I got out

562  
00:27:11,330 --> 00:27:08,580  
the cops asked Dave if I was his friend

563  
00:27:13,549 --> 00:27:11,340

and Dave replied yes we both got in

564

00:27:16,879 --> 00:27:13,559

trouble but at that point we didn't care

565

00:27:20,360 --> 00:27:16,889

they didn't tell my parents but trust me

566

00:27:24,289 --> 00:27:20,370

I could not sleep at all all I could

567

00:27:25,700 --> 00:27:24,299

hear was get out now or die I forgot

568

00:27:29,830 --> 00:27:25,710

about the whole thing and to my parents

569

00:27:34,070 --> 00:27:29,840

told me that the asylum got taken down

570

00:27:36,680 --> 00:27:34,080

one pet peeve huh one pet me I don't

571

00:27:39,440 --> 00:27:36,690

understand was glad that it happened and

572

00:27:43,220 --> 00:27:39,450

another part of me was terrified of what

573

00:27:44,930 --> 00:27:43,230

happened you can see the asylum on ghost

574

00:27:49,629 --> 00:27:44,940

hunters if you'd like to see it for

575

00:27:51,620 --> 00:27:49,639

yourself it's highly disturbing I

576

00:27:54,710 --> 00:27:51,630

unfortunately went into Asylum at one

577

00:27:57,049 --> 00:27:54,720

point myself very freaky but nothing

578

00:28:00,710 --> 00:27:57,059

screamed at me to get out but I caught a
