16

00:00:45,560 --> 00:00:43,200

Outlander show whoo blasting off with

17

00:00:47,750 --> 00:00:45,570

some UFO reports with a little Cupid's

18

00:00:50,900 --> 00:00:47,760

arrow can you imagine it right now yeah

19

00:00:53,000 --> 00:00:50,910

okay all right blasting off with those

20

00:00:55,639 --> 00:00:53,010

UFO reports okay we really are now this

21

00:00:58,130 --> 00:00:55,649

time you'll feel sighting in Tucson

22

00:01:00,680 --> 00:00:58,140

Arizona this occurred at February 9th

23

00:01:02,240 --> 00:01:00,690

2018 I learned a lot from reading these

24

00:01:05,390 --> 00:01:02,250

I don't know about you guys but this is

25

00:01:09,020 --> 00:01:05,400

really cool reddish orange orbs appear

26
00:01:10,910 --> 00:01:09,030
out of the south then turn east sitting

27
00:01:13,219 --> 00:01:10,920
in my backyard looking south at Orion

28
00:01:16,490 --> 00:01:13,229
constellation noticed a bright orange

29
00:01:18,679 --> 00:01:16,500
object appear dropping down thinking

30
00:01:22,910 --> 00:01:18,689
that this meteor was going to hit my

31
00:01:25,760 --> 00:01:22,920
house it slowed and turned east right

32
00:01:28,240 --> 00:01:25,770
over my house then two more objects

33
00:01:31,429 --> 00:01:28,250
appeared doing exactly the same maneuver

34
00:01:34,249 --> 00:01:31,439
following each other toward the recon

35
00:01:37,160 --> 00:01:34,259
Mountains after a minute another one

36
00:01:39,289 --> 00:01:37,170
appeared going twice as fast as it

37
00:01:41,780 --> 00:01:39,299
seemed to catch up with the other three

38
00:01:43,160 --> 00:01:41,790

I was able to look directly at these

39

00:01:47,510 --> 00:01:43,170

objects and they look like small

40

00:01:50,300 --> 00:01:47,520

basketball size of red oranges plasma

41

00:01:51,679 --> 00:01:50,310

then reminded me of my wife and aunt who

42

00:01:54,200 --> 00:01:51,689

also witnessed these objects at the

43

00:01:57,319 --> 00:01:54,210

balls of light that were in the movie

44

00:01:59,840 --> 00:01:57,329

close encounter oh I was also able to

45

00:02:03,429 --> 00:01:59,850

see the objects real well as I was using

46

00:02:06,679 --> 00:02:03,439

my celestron sky master 17 by 50

47

00:02:09,020 --> 00:02:06,689

binoculars oh wow I felt deep inside me

48

00:02:10,820 --> 00:02:09,030

that these objects knew I was observing

49

00:02:13,610 --> 00:02:10,830

them look at that again so what a

50

00:02:18,080 --> 00:02:13,620

reddish orangish orbs popping around too

51
00:02:22,160 --> 00:02:18,090
these little I don't know observers okay

52
00:02:24,740 --> 00:02:22,170
fascinating yeah alrighty the next your

53
00:02:25,280 --> 00:02:24,750
faux sighting oh boy what a name what a

54
00:02:31,789 --> 00:02:25,290
name

55
00:02:36,110 --> 00:02:31,799
ok Wanga mata Waikato this occurred

56
00:02:37,910 --> 00:02:36,120
February 5th to 1t 18 from the back deck

57
00:02:41,300 --> 00:02:37,920
of my brother's house we witnessed 10

58
00:02:43,580 --> 00:02:41,310
bright objects moving in the sky both my

59
00:02:46,940 --> 00:02:43,590
brother myself witness 10 star-like

60
00:02:49,190 --> 00:02:46,950
objects from his back deck I was walking

61
00:02:51,319 --> 00:02:49,200
out in my Caravan at the time and

62
00:02:53,240 --> 00:02:51,329
stopped to pet the cat and I was looking

63
00:02:56,720 --> 00:02:53,250

at the Stars and noticed the first one

64

00:02:58,849 --> 00:02:56,730

and then two more after that I called my

65

00:03:01,250 --> 00:02:58,859

brother to have a look we took turns

66

00:03:04,009 --> 00:03:01,260

spotting and tracking them as there were

67

00:03:05,809 --> 00:03:04,019

several at once they were moving in

68

00:03:08,839 --> 00:03:05,819

multiple directions at different speeds

69

00:03:11,210 --> 00:03:08,849

some were wobbling others omitted very

70

00:03:14,569 --> 00:03:11,220

bright light and flashes but we're also

71

00:03:17,750 --> 00:03:14,579

pulsing with a glow they were not

72

00:03:20,210 --> 00:03:17,760

satellites comets or aircrafts as I can

73

00:03:22,039 --> 00:03:20,220

identify these objects it wasn't all

74

00:03:24,530 --> 00:03:22,049

that shocking to me as I have seen them

75

00:03:27,440 --> 00:03:24,540

before at the same location and have

76

00:03:29,780 --> 00:03:27,450

seen many previously before even to

77

00:03:32,449 --> 00:03:29,790

daylight sightings where I could

78

00:03:35,960 --> 00:03:32,459

actually make out the craft that was

79

00:03:39,680 --> 00:03:35,970

about 20 years ago the craft was sort of

80

00:03:42,170 --> 00:03:39,690

seed shaped silver with no seams

81

00:03:45,470 --> 00:03:42,180

I'm only bothering to report this one

82

00:03:47,150 --> 00:03:45,480

because there were so many and I had at

83

00:03:50,030 --> 00:03:47,160

least one other person seeing what I was

84

00:03:51,589 --> 00:03:50,040

seeing I'm not sure if I should make out

85

00:03:53,720 --> 00:03:51,599

another report as the same thing

86

00:03:57,229 --> 00:03:53,730

happened the next night but there were

87

00:03:59,780 --> 00:03:57,239

over 20 of them in the space of 45

88

00:04:02,390 --> 00:03:59,790

minutes about an hour later than the

89

00:04:04,939 --> 00:04:02,400

first night and was even more

90

00:04:07,069 --> 00:04:04,949

spectacular it's been raining the last

91

00:04:09,740 --> 00:04:07,079

few days now so we have not bothered

92

00:04:11,509 --> 00:04:09,750

looking for more as of yet I might look

93

00:04:14,539 --> 00:04:11,519

at getting a decent camera to record

94

00:04:17,089 --> 00:04:14,549

them also some were fading in and out of

95

00:04:19,370 --> 00:04:17,099

view and others you cannot see if you

96

00:04:22,580 --> 00:04:19,380

look directly at them you had to look

97

00:04:24,970 --> 00:04:22,590

behind or in front of them to observe

98

00:04:27,730 --> 00:04:24,980

and using your peripheral vision some

99

00:04:32,350 --> 00:04:27,740

did fade out but most just moved out of

100

00:04:34,930 --> 00:04:32,360

your field of vision interesting all

101
00:04:38,100 --> 00:04:34,940
right this next one beautiful sighting

102
00:04:40,540 --> 00:04:38,110
this occurred and has MIA Beirut

103
00:04:43,540 --> 00:04:40,550
goodness very cool

104
00:04:45,490 --> 00:04:43,550
this occurred on February 8 2018 in

105
00:04:48,250 --> 00:04:45,500
brief the witness states I was taking a

106
00:04:50,110 --> 00:04:48,260
random photo for the Sun when I was

107
00:04:52,300 --> 00:04:50,120
looking back to the photos I noticed a

108
00:04:55,240 --> 00:04:52,310
strange object in the photo at the

109
00:04:57,130 --> 00:04:55,250
bottom corner I will send two pictures

110
00:05:00,430 --> 00:04:57,140
the actual one and another vision

111
00:05:04,690 --> 00:05:00,440
our version zoomed in it's in

112
00:05:07,330 --> 00:05:04,700
bottom-right of picture a dot and in

113
00:05:09,730 --> 00:05:07,340

more detail I was taking a random photo

114

00:05:11,950 --> 00:05:09,740

of the Sun I was totally focused on the

115

00:05:14,590 --> 00:05:11,960

Sun on the screen of my iPhone so I

116

00:05:16,210 --> 00:05:14,600

never saw anything weird when I was

117

00:05:18,190 --> 00:05:16,220

looking back to the photos I noticed a

118

00:05:21,370 --> 00:05:18,200

strange object in the photo at the

119

00:05:26,470 --> 00:05:21,380

bottom right corner it was the little

120

00:05:29,020 --> 00:05:26,480

black dot first of all I thought it is a

121

00:05:31,240 --> 00:05:29,030

dirt or something on the screen of my

122

00:05:34,270 --> 00:05:31,250

phone so I try to remove it but then I

123

00:05:37,840 --> 00:05:34,280

noticed it is actually in the photo

124

00:05:40,660 --> 00:05:37,850

itself so I zoomed and it was like an

125

00:05:44,410 --> 00:05:40,670

object in the sky I thought it could be

126
00:05:46,360 --> 00:05:44,420
an airplane but the shape is roundish it

127
00:05:48,580 --> 00:05:46,370
looks like a planet but I guess it's

128
00:05:51,910 --> 00:05:48,590
impossible to catch a planet with an

129
00:05:54,460 --> 00:05:51,920
iPhone camera and during the day I will

130
00:05:56,170 --> 00:05:54,470
send two pictures the actual one where

131
00:05:58,180 --> 00:05:56,180
you can see the dot in the bottom right

132
00:06:01,090 --> 00:05:58,190
and another version of the same picture

133
00:06:04,240 --> 00:06:01,100
but zoomed into the object I am really

134
00:06:06,190 --> 00:06:04,250
wondering what it might be I need an

135
00:06:08,370 --> 00:06:06,200
expert to analyze the picture before

136
00:06:11,670 --> 00:06:08,380
jumping into conclusions I'll jump away

137
00:06:14,530 --> 00:06:11,680
what's it gonna hurt

138
00:06:18,850 --> 00:06:14,540

alright this next one is a yo full

139

00:06:23,080 --> 00:06:18,860

sighting in sleighs or slates slays

140

00:06:26,170 --> 00:06:23,090

England February 9th 2018 it was a

141

00:06:28,630 --> 00:06:26,180

series of flashing lights that hovered

142

00:06:31,120 --> 00:06:28,640

it then started to move erratically in

143

00:06:33,610 --> 00:06:31,130

circles swinging like a pendulum it

144

00:06:36,010 --> 00:06:33,620

started spinning and we could see

145

00:06:38,530 --> 00:06:36,020

multiple lights these transformative

146

00:06:38,750 --> 00:06:38,540

UFOs are just getting more and more of

147

00:06:40,610 --> 00:06:38,760

these

148

00:06:42,950 --> 00:06:40,620

days alright in more detail they say I

149

00:06:45,440 --> 00:06:42,960

was about to go to bed as it was 10:30

150

00:06:47,720 --> 00:06:45,450

p.m. I always look out the window before

151

00:06:49,550 --> 00:06:47,730

I close the curtains for the night I'm

152

00:06:52,460 --> 00:06:49,560

used to the position of the stars

153

00:06:54,650 --> 00:06:52,470

outside my bedroom window I saw what

154

00:06:55,820 --> 00:06:54,660

looked like a cluster of Lights in a

155

00:06:59,380 --> 00:06:55,830

vertical line

156

00:07:01,730 --> 00:06:59,390

they were flashing white orange blue I

157

00:07:06,040 --> 00:07:01,740

watched this for a while and I realized

158

00:07:10,010 --> 00:07:06,050

it was moving slowly from north to south

159

00:07:12,200 --> 00:07:10,020

however it was moving erratically by

160

00:07:15,320 --> 00:07:12,210

this I mean that it would suddenly sway

161

00:07:18,020 --> 00:07:15,330

around almost as if it were swinging

162

00:07:21,100 --> 00:07:18,030

from a pendulum it reminded me of the

163

00:07:25,760 --> 00:07:21,110

way a flyer insect moves from flower

164

00:07:27,740 --> 00:07:25,770

heading to flower Wow I went downstairs

165

00:07:29,420 --> 00:07:27,750

to tell my wife and son about it and my

166

00:07:31,760 --> 00:07:29,430

son came to the front door with me to

167

00:07:35,000 --> 00:07:31,770

film it you can see some of the footage

168

00:07:38,960 --> 00:07:35,010

here we stopped filming as we were in

169

00:07:41,090 --> 00:07:38,970

our night clothes and it was icy outside

170

00:07:43,790 --> 00:07:41,100

my wife and I continued to watch it

171

00:07:44,270 --> 00:07:43,800

until 11:30 5 p.m. where it was still

172

00:07:46,760 --> 00:07:44,280

there

173

00:07:50,260 --> 00:07:46,770

during our time watching it we noticed

174

00:07:54,440 --> 00:07:50,270

that it changed shape the lights

175

00:07:57,110 --> 00:07:54,450

reconfigured 2 different shapes I think

176

00:08:00,110 --> 00:07:57,120

I also saw similar lights dropping from

177

00:08:03,200 --> 00:08:00,120

it now and again but I'm not sure enough

178

00:08:05,810 --> 00:08:03,210

to firmly state this we don't get many

179

00:08:08,210 --> 00:08:05,820

planes flying across our sky as we live

180

00:08:13,520 --> 00:08:08,220

on the coast and there are no major

181

00:08:16,160 --> 00:08:13,530

flight paths at about 11:15 p.m. my wife

182

00:08:20,420 --> 00:08:16,170

and I saw two planes approach the object

183

00:08:23,540 --> 00:08:20,430

and fly around it we saw lights which

184

00:08:26,210 --> 00:08:23,550

were clearly the red and green of human

185

00:08:29,240 --> 00:08:26,220

planes the speed which they flew across

186

00:08:32,180 --> 00:08:29,250

the sky indicated that they were jet

187

00:08:35,719 --> 00:08:32,190

planes we get military planes laying

188

00:08:38,810 --> 00:08:35,729

around here so we know how they move the

189

00:08:42,710 --> 00:08:38,820

object took an hour and a half to just

190

00:08:48,410 --> 00:08:42,720

move maybe a mile or so flitting around

191

00:08:51,020 --> 00:08:48,420

a lot get that guys about that England's

192

00:08:52,440 --> 00:08:51,030

got their jet jet fighters going through

193

00:08:55,770 --> 00:08:52,450

them too

194

00:08:57,180 --> 00:08:55,780

Wow pretty cool so if those are our guys

195

00:09:00,690 --> 00:08:57,190

you know with this advanced technology

196

00:09:03,740 --> 00:09:00,700

as some say why would they send their

197

00:09:07,530 --> 00:09:03,750

Jets after it hmm something tells me

198

00:09:09,990 --> 00:09:07,540

it's not one of ours all right this next

199

00:09:14,370 --> 00:09:10,000

yearfor sighting occurred in Lahaie

200

00:09:17,300 --> 00:09:14,380

acres Florida February 9th 2018

201
00:09:20,670 --> 00:09:17,310
low-flying orbs of light moving fast

202
00:09:24,060 --> 00:09:20,680
above my head appeared to be flowing

203
00:09:25,860 --> 00:09:24,070
through the air as if writing air

204
00:09:28,020 --> 00:09:25,870
currents Wow

205
00:09:30,000 --> 00:09:28,030
I let my dogs outside in the backyard I

206
00:09:31,920 --> 00:09:30,010
followed the mountain turned off the

207
00:09:34,440 --> 00:09:31,930
back porch light so I could see the

208
00:09:37,430 --> 00:09:34,450
stars better a few seconds later I

209
00:09:41,010 --> 00:09:37,440
noticed these flashes of light above me

210
00:09:42,630 --> 00:09:41,020
streaking overhead at first I thought it

211
00:09:45,450 --> 00:09:42,640
was shooting stars and I looked up

212
00:09:49,320 --> 00:09:45,460
attempting to focus on them then I saw

213
00:09:53,100 --> 00:09:49,330

several streaking white orbs going fast

214

00:09:55,740 --> 00:09:53,110

in straight lines about 25 feet above me

215

00:09:58,380 --> 00:09:55,750

I thought for a moment I was seeing

216

00:10:02,070 --> 00:09:58,390

headlights but then they came from my

217

00:10:07,080 --> 00:10:02,080

right side one at first and it went east

218

00:10:08,970 --> 00:10:07,090

to west lit up white but also kind of

219

00:10:12,270 --> 00:10:08,980

dull and light and seemed to make a

220

00:10:14,430 --> 00:10:12,280

white smoky trail behind it it was not

221

00:10:16,560 --> 00:10:14,440

foggy outside to reflect light beams

222

00:10:19,440 --> 00:10:16,570

from another source I had the feeling

223

00:10:22,230 --> 00:10:19,450

that I had startled something by turning

224

00:10:24,840 --> 00:10:22,240

off the light they hesitated for maybe a

225

00:10:28,320 --> 00:10:24,850

second in front of me about 10 feet up

226

00:10:30,690 --> 00:10:28,330

and eight feet south of me sort of

227

00:10:33,390 --> 00:10:30,700

vibrating in mid air I cannot imagine

228

00:10:36,150 --> 00:10:33,400

them seeing this is amazing I definitely

229

00:10:38,580 --> 00:10:36,160

felt like they knew I was there and were

230

00:10:41,100 --> 00:10:38,590

sort of freaked out that I could see

231

00:10:43,350 --> 00:10:41,110

them when they took off for the last

232

00:10:47,630 --> 00:10:43,360

time they appeared to be writing air

233

00:10:52,560 --> 00:10:47,640

currents they zipped one after the other

234

00:10:54,990 --> 00:10:52,570

around the side of my house and gone my

235

00:10:59,210 --> 00:10:55,000

dog also noticed them and barked after

236

00:11:02,430 --> 00:10:59,220

they buzzed over her then a bird started

237

00:11:04,620 --> 00:11:02,440

screeching in the direction the orbs

238

00:11:06,380 --> 00:11:04,630

went around my house as if they

239

00:11:09,770 --> 00:11:06,390

disturbed the bird

240

00:11:13,190 --> 00:11:09,780

I don't know maybe a phenomenon of

241

00:11:17,170 --> 00:11:13,200

reactions was with gases in the

242

00:11:19,700 --> 00:11:17,180

atmosphere it was weird

243

00:11:21,980 --> 00:11:19,710

wow this sounds like it was that was a

244

00:11:24,050 --> 00:11:21,990

pretty wild sighting I cannot imagine

245

00:11:27,560 --> 00:11:24,060

alright UFO sighting in Melbourne

246

00:11:31,610 --> 00:11:27,570

Victoria Australia might and this is a

247

00:11:35,180 --> 00:11:31,620

UFO blast from the past scurred March 11

248

00:11:38,030 --> 00:11:35,190

2010 I have had several experiences this

249

00:11:40,580 --> 00:11:38,040

is just one of them they state and in

250

00:11:42,680 --> 00:11:40,590

more detail I was on my way to an

251
00:11:45,260 --> 00:11:42,690
appointment with a client on the other

252
00:11:47,720 --> 00:11:45,270
side of the city and was going down the

253
00:11:51,700 --> 00:11:47,730
freeway over a large bridge over water

254
00:11:55,070 --> 00:11:51,710
all of a sudden I saw a ball of light

255
00:11:57,590 --> 00:11:55,080
traveling slowly on the opposite side of

256
00:11:58,550 --> 00:11:57,600
the road there was a policeman on a

257
00:12:02,780 --> 00:11:58,560
motorcycle

258
00:12:05,870 --> 00:12:02,790
following the orb slowly holding back

259
00:12:07,730 --> 00:12:05,880
traffic getting on to the freeway from

260
00:12:10,550 --> 00:12:07,740
the ramp a you have got to be kidding me

261
00:12:14,210 --> 00:12:10,560
this is crazy I was watching the orb

262
00:12:17,330 --> 00:12:14,220
when all of a sudden it crossed over to

263
00:12:21,920 --> 00:12:17,340

my side of the road and passed through

264

00:12:25,150 --> 00:12:21,930

the car and myself then went straight

265

00:12:28,610 --> 00:12:25,160

through the pillar on the bridge and

266

00:12:31,460 --> 00:12:28,620

suddenly dropped straight down like a

267

00:12:37,400 --> 00:12:31,470

went in the water below come come on

268

00:12:40,340 --> 00:12:37,410

come on this is this is amazing when the

269

00:12:43,900 --> 00:12:40,350

orb passed through me and the car it

270

00:12:47,870 --> 00:12:43,910

felt like time just Stood Still and

271

00:12:49,850 --> 00:12:47,880

everything felt wavy why do I feel like

272

00:12:52,030 --> 00:12:49,860

I can relate to this feeling that's

273

00:12:54,740 --> 00:12:52,040

maybe I started a movie or something

274

00:12:57,640 --> 00:12:54,750

after that I found myself parked on the

275

00:12:59,810 --> 00:12:57,650

side of the freeway five kilometres from

276

00:13:03,020 --> 00:12:59,820

where it happened

277

00:13:06,560 --> 00:13:03,030

with no memory of what had happened and

278

00:13:09,620 --> 00:13:06,570

how I had gotten off the bridge and then

279

00:13:12,250 --> 00:13:09,630

drove through a two kilometer tunnel and

280

00:13:17,480 --> 00:13:12,260

ended up parked on the side of the road

281

00:13:23,480 --> 00:13:20,930

I turned the car back on and continued

282

00:13:26,060 --> 00:13:23,490

to go to the clients home I had left

283

00:13:28,610 --> 00:13:26,070

early and should have arrived before my

284

00:13:31,820 --> 00:13:28,620

appointment upon reaching the clients

285

00:13:34,730 --> 00:13:31,830

home I knocked on the door then the

286

00:13:38,480 --> 00:13:34,740

gentleman started yelling at me because

287

00:13:41,780 --> 00:13:38,490

I was 15 minutes late the time on the

288

00:13:46,130 --> 00:13:41,790

clock in the car was actually 15 minutes

289

00:13:48,860 --> 00:13:46,140

behind the actual time I only remember

290

00:13:52,160 --> 00:13:48,870

this whole thing had happened only about

291

00:13:54,380 --> 00:13:52,170

three weeks to a month later the funny

292

00:13:58,310 --> 00:13:54,390

thing was that there was nothing on the

293

00:14:01,220 --> 00:13:58,320

news about the orb of course not uh on

294

00:14:03,740 --> 00:14:01,230

the freeway even though a policeman was

295

00:14:04,760 --> 00:14:03,750

holding back traffic you know I probably

296

00:14:08,870 --> 00:14:04,770

would have gone to the police station

297

00:14:10,400 --> 00:14:08,880

and just tena excuse me you know how

298

00:14:13,910 --> 00:14:10,410

that police officer was holding back

299

00:14:17,240 --> 00:14:13,920

traffic so the orb could pass through it

300

00:14:18,139 --> 00:14:17,250

hit me and moved me to drive five

301

00:14:21,470 --> 00:14:18,149

kilometres away

302

00:14:23,180 --> 00:14:21,480

pullover park and be late fifteen

303

00:14:25,280 --> 00:14:23,190

minutes to my appointment I would like

304

00:14:27,380 --> 00:14:25,290

to talk to somebody please yeah I think

305

00:14:29,720 --> 00:14:27,390

I would have done that I mean what a

306

00:14:32,690 --> 00:14:29,730

cool opportunity the date and time I am

307

00:14:35,060 --> 00:14:32,700

not 100% sure but I can find out if I

308

00:14:37,490 --> 00:14:35,070

look into my work history and payslips I

309

00:14:39,730 --> 00:14:37,500

really hope someone contacts me so I can

310

00:14:43,130 --> 00:14:39,740

better explain this in greater detail

311

00:14:45,769 --> 00:14:43,140

this has not been my only experience I

312

00:14:48,079 --> 00:14:45,779

have had seven different experiences in

313

00:14:50,630 --> 00:14:48,089

total I had a feeling he must have been

314

00:14:52,430 --> 00:14:50,640

a target first for sure I would really

315

00:14:55,130 --> 00:14:52,440

love to speak to someone someone so I

316

00:15:00,380 --> 00:14:55,140

can get a better understanding of what

317

00:15:04,519 --> 00:15:00,390

is going on what a matchup and what a

details and terms conditions there you

330

00:15:36,400 --> 00:15:31,580

go alright the next UFO sighting

331

00:15:39,640 --> 00:15:36,410

occurred in Louisiana July 9 2016 took

332

00:15:41,890 --> 00:15:39,650

picture of I don't know what or where

333

00:15:46,690 --> 00:15:41,900

can't remember taking it I do remember

334

00:15:47,860 --> 00:15:46,700

others but no picture wow I can't

335

00:15:49,930 --> 00:15:47,870

remember taking this picture I don't

336

00:15:53,200 --> 00:15:49,940

know anything about it except my sister

337

00:15:56,050 --> 00:15:53,210

found it on my phone this is one I'm not

338

00:15:57,820 --> 00:15:56,060

sure of I don't know about this one but

339

00:16:00,850 --> 00:15:57,830

I am positive I have seen them up close

340

00:16:03,700 --> 00:16:00,860

and many times in different places with

341

00:16:05,680 --> 00:16:03,710

details I do know I have spent time with

342

00:16:08,829 --> 00:16:05,690

them they keep track of me don't know

343

00:16:10,870 --> 00:16:08,839

how but I have been with more than one

344

00:16:14,079 --> 00:16:10,880

kind for different reasons what are they

345

00:16:17,290 --> 00:16:14,089

speaking of an alien I can't remember a

346

00:16:19,420 --> 00:16:17,300

lot but some important points this is

347

00:16:22,510 --> 00:16:19,430

very confusing and either true or I'm

348

00:16:25,030 --> 00:16:22,520

seriously crazy my daughter was with me

349

00:16:27,790 --> 00:16:25,040

once I recall and we stopped in the road

350

00:16:30,160 --> 00:16:27,800

to watch a huge light coming over a hill

351

00:16:32,079 --> 00:16:30,170

we thought it was a truck but don't

352

00:16:34,269 --> 00:16:32,089

remember anything after stopping and

353

00:16:36,430 --> 00:16:34,279

then we were going down the road and I

354

00:16:39,100 --> 00:16:36,440

did not notice we were kind of in a

355

00:16:41,350 --> 00:16:39,110

foggy state of mind we asked each other

356

00:16:44,829 --> 00:16:41,360

stupid questions because it did not make

357

00:16:48,310 --> 00:16:44,839

sense but when we got home we had been

358

00:16:50,920 --> 00:16:48,320

gone over three hours on a trip that

359

00:16:53,230 --> 00:16:50,930

should have been 30 minutes the other

360

00:16:56,340 --> 00:16:53,240

kind is very physical and I feel as

361

00:17:02,050 --> 00:16:56,350

though I wait for them at certain times

362

00:17:05,380 --> 00:17:02,060

scary you know people when they go to

363

00:17:07,660 --> 00:17:05,390

take a picture whatever of something

364

00:17:12,579 --> 00:17:07,670

that they're experiencing a UFO and they

365

00:17:15,400 --> 00:17:12,589

they go to do that it's like these

366

00:17:18,610 --> 00:17:15,410

things control you to not take the

367

00:17:22,059 --> 00:17:18,620

picture to not do something and it's

368

00:17:23,860 --> 00:17:22,069

mind-blowing holy smokes you guys oh my

369

00:17:24,689 --> 00:17:23,870

gosh I got chills I'm looking at the

370

00:17:28,289 --> 00:17:24,699

picture

371

00:17:31,509 --> 00:17:28,299

what the hell is that

372

00:17:34,720 --> 00:17:31,519

so apparently this woman was driving she

373

00:17:37,779 --> 00:17:34,730

saw something freaky snapped a picture

374

00:17:42,399 --> 00:17:37,789

don't recall it at all because they got

375

00:17:46,500 --> 00:17:42,409

her oh you guys won't believe this is

376

00:17:51,340 --> 00:17:46,510

okay so this picture is a darkened Road

377

00:17:56,159 --> 00:17:51,350

there is a black line drawn in the sky

378

00:17:59,590 --> 00:17:56,169

wavy and there's a bright point of light

379

00:18:04,299 --> 00:17:59,600

not at the end of the squiggly line but

380

00:18:07,389 --> 00:18:04,309

close as if this thing extends beyond

381

00:18:09,909 --> 00:18:07,399

the black squiggle line and then there's

382

00:18:13,590 --> 00:18:09,919

a couple other odd objects oh holy crap

383

00:18:16,269 --> 00:18:13,600

look at that there's one two three four

384

00:18:21,159 --> 00:18:16,279

other objects and there's even another

385

00:18:22,830 --> 00:18:21,169

kind of faint black line this is uh this

386

00:18:26,019 --> 00:18:22,840

is something I have never seen before

387

00:18:29,769 --> 00:18:26,029

well you guys this is a doozy

388

00:18:32,620 --> 00:18:29,779

this is a doozy III don't know what to

389

00:18:34,570 --> 00:18:32,630

think of that one so check that one out

390

00:18:38,830 --> 00:18:34,580

when you come to UFO headline news calm

391

00:18:44,470 --> 00:18:38,840

your you're gonna be amazed like what ya

392

00:18:46,450 --> 00:18:44,480

not sure I am not sure but all right the

393

00:18:50,230 --> 00:18:46,460

next UFO sighting this occurred in

394

00:18:52,060 --> 00:18:50,240

Concord California February nice 2018

395

00:18:55,029 --> 00:18:52,070

star-like object hovering then

396

00:18:57,730 --> 00:18:55,039

descending changing color from red and

397

00:18:58,299 --> 00:18:57,740

white then quickly flashing green and

398

00:19:01,029 --> 00:18:58,309

white

399

00:19:03,310 --> 00:19:01,039

sounds like Christmas lights was walking

400

00:19:05,049 --> 00:19:03,320

the dog with a friend we got back to her

401
00:19:07,360 --> 00:19:05,059
apartment when we noticed the red light

402
00:19:09,700 --> 00:19:07,370
in the sky it was bright red then

403
00:19:11,980 --> 00:19:09,710
changed to white then after a few

404
00:19:13,389 --> 00:19:11,990
seconds changed to red again this

405
00:19:15,700 --> 00:19:13,399
happened a few times as it was

406
00:19:18,539 --> 00:19:15,710
stationary in the sky direction was

407
00:19:21,940 --> 00:19:18,549
southeast could see Orion constellation

408
00:19:24,370 --> 00:19:21,950
clearly object was about 15 to 20

409
00:19:27,789 --> 00:19:24,380
degrees lower than Orion's belt and left

410
00:19:30,039 --> 00:19:27,799
of Orion from my point of view maybe

411
00:19:32,860 --> 00:19:30,049
shoulders with distance with arms

412
00:19:35,409 --> 00:19:32,870
outstretched from Orion's belt time was

413
00:19:38,080 --> 00:19:35,419

8:40 p.m. Pacific time no clouds and the

414

00:19:40,240 --> 00:19:38,090

sky was clear object descended uh bird

415

00:19:43,330 --> 00:19:40,250

and change to a rapid flashing light of

416

00:19:45,460 --> 00:19:43,340

green and white object hovered for about

417

00:19:47,680 --> 00:19:45,470

20 to 30 seconds then started to descend

418

00:19:50,169 --> 00:19:47,690

quickly and I lost sight of it between

419

00:19:52,299 --> 00:19:50,179

the far side apartment buildings I had

420

00:19:55,269 --> 00:19:52,309

recorded some video but the glare from

421

00:19:57,880 --> 00:19:55,279

the lampposts only caught fuzzy details

422

00:20:00,460 --> 00:19:57,890

of the light descending I was not able

423

00:20:02,860 --> 00:20:00,470

to record the red and white colors as I

424

00:20:05,260 --> 00:20:02,870

was unsure what I was looking at I

425

00:20:07,899 --> 00:20:05,270

started recording when the lights

426

00:20:10,870 --> 00:20:07,909

changed color my friend and I both

427

00:20:13,180 --> 00:20:10,880

observe this object I have lived near an

428

00:20:16,090 --> 00:20:13,190

Air Force Base most of my life and have

429

00:20:19,210 --> 00:20:16,100

seen many types of aircraft this object

430

00:20:21,760 --> 00:20:19,220

did not behave like a normal aircraft it

431

00:20:24,310 --> 00:20:21,770

was stationary then descended then

432

00:20:27,279 --> 00:20:24,320

stationary again and changed colours and

433

00:20:31,060 --> 00:20:27,289

frequency of flashing lights not typical

434

00:20:33,610 --> 00:20:31,070

of any aircraft this object did not seem

435

00:20:36,549 --> 00:20:33,620

to be moving away or towards me but

436

00:20:38,380 --> 00:20:36,559

rather downward in a straight line the

437

00:20:39,399 --> 00:20:38,390

speed had descended the first time was

438

00:20:42,039 --> 00:20:39,409

slower than the second time

439

00:20:44,320 --> 00:20:42,049

approximately 10 to 15 minutes earlier

440

00:20:46,029 --> 00:20:44,330

while walking the dog we had seen a

441

00:20:49,269 --> 00:20:46,039

military aircraft circling the base

442

00:20:51,639 --> 00:20:49,279

probably a c-17 from the size and speed

443

00:20:54,250 --> 00:20:51,649

it had its landing lights on as well as

444

00:20:56,019 --> 00:20:54,260

strobes after the object had to send it

445

00:20:58,779 --> 00:20:56,029

out of view I noticed a similar military

446

00:21:00,970 --> 00:20:58,789

aircraft headed away from the base in a

447

00:21:03,330 --> 00:21:00,980

westerly direction and a much higher

448

00:21:05,799 --> 00:21:03,340

altitude than previously seen I'm

449

00:21:08,830 --> 00:21:05,809

guessing this was the same aircraft that

450

00:21:13,480 --> 00:21:08,840

we had been seeing earlier circling the

451
00:21:15,310 --> 00:21:13,490
base Wow all right this next UFO

452
00:21:18,730 --> 00:21:15,320
sighting happened in LeGrande

453
00:21:21,310 --> 00:21:18,740
Oregon this is a slight UFO back blast

454
00:21:22,350 --> 00:21:21,320
when the past has happened April 30th

455
00:21:25,810 --> 00:21:22,360
2015

456
00:21:28,710 --> 00:21:25,820
it came up from behind the mountains fly

457
00:21:33,130 --> 00:21:28,720
around stopped and hovered went back

458
00:21:35,080 --> 00:21:33,140
down behind mountain and was gone the

459
00:21:37,210 --> 00:21:35,090
noise and lights to the side of the

460
00:21:41,470 --> 00:21:37,220
video is a moonlight baseball game

461
00:21:43,470 --> 00:21:41,480
there was no planes in the sky oh that's

462
00:21:46,380 --> 00:21:43,480
perfect English

463
00:21:49,110 --> 00:21:46,390

this guy no noise and it moved like

464

00:21:51,510 --> 00:21:49,120

nothing I've ever seen take your time

465

00:21:52,980 --> 00:21:51,520

guys reporting this stuff so we can get

466

00:21:55,620 --> 00:21:52,990

a best glimpse of it

467

00:21:57,120 --> 00:21:55,630

I watched it alone at first I saw it

468

00:21:58,530 --> 00:21:57,130

come up from behind the mountain in

469

00:22:01,680 --> 00:21:58,540

front of my house I noticed it was

470

00:22:04,620 --> 00:22:01,690

moving in no way I have ever seen before

471

00:22:06,660 --> 00:22:04,630

I wouldn't got my ex and his friend they

472

00:22:10,530 --> 00:22:06,670

watched with me for a few minutes then I

473

00:22:12,930 --> 00:22:10,540

told my ex friend to video it they

474

00:22:16,350 --> 00:22:12,940

weren't really as interested as they

475

00:22:21,000 --> 00:22:16,360

were huh but I did get a little bit

476

00:22:23,040 --> 00:22:21,010

caught on camera on here oh okay

477

00:22:26,760 --> 00:22:23,050

I haven't shown it off to anyone other

478

00:22:27,810 --> 00:22:26,770

than my hubby and my mother okay I don't

479

00:22:29,700 --> 00:22:27,820

know what they're speaking of alright

480

00:22:31,500 --> 00:22:29,710

UFO sighting in Monterey Park California

481

00:22:34,260 --> 00:22:31,510

this occurred

482

00:22:37,490 --> 00:22:34,270

February 9th 2018 bright object with

483

00:22:40,980 --> 00:22:37,500

tail dulled then seemed to ricochet

484

00:22:41,780 --> 00:22:40,990

became bright with tail then changed

485

00:22:45,090 --> 00:22:41,790

direction

486

00:22:48,090 --> 00:22:45,100

went outside approximately 7:40 p.m.

487

00:22:50,790 --> 00:22:48,100

just happened to look up I thought it

488

00:22:54,240 --> 00:22:50,800

was a falling star it started off really

489

00:22:56,880 --> 00:22:54,250

bright seemed to burn out but then it

490

00:23:00,030 --> 00:22:56,890

brightened up again look like it

491

00:23:02,940 --> 00:23:00,040

ricocheted and changed direction it

492

00:23:07,200 --> 00:23:02,950

seemed to have a little behind it just

493

00:23:07,620 --> 00:23:07,210

shocked to see what I did yeah sounds

494

00:23:09,870 --> 00:23:07,630

like it

495

00:23:12,960 --> 00:23:09,880

alright now we're gonna go to a

496

00:23:13,710 --> 00:23:12,970

paranormal point because we love these

497

00:23:15,540 --> 00:23:13,720

stories

498

00:23:18,630 --> 00:23:15,550

oh I pulled up when this one is called

499

00:23:20,040 --> 00:23:18,640

demon dog let's see what somebody who's

500

00:23:22,890 --> 00:23:20,050

written their story and what it was that

501
00:23:25,080 --> 00:23:22,900
they experienced I'm in college now but

502
00:23:26,820 --> 00:23:25,090
the story I'm about to tell happened in

503
00:23:29,670 --> 00:23:26,830
the neighborhood that I grew up in

504
00:23:31,800 --> 00:23:29,680
I have always experienced weird

505
00:23:34,740 --> 00:23:31,810
paranormal stuff for as long as I can

506
00:23:37,500 --> 00:23:34,750
remember when I was 7 I moved from st.

507
00:23:40,080 --> 00:23:37,510
Louis to northern Illinois I kept

508
00:23:42,600 --> 00:23:40,090
experiencing really weird things that

509
00:23:44,340 --> 00:23:42,610
were related to the paranormal I would

510
00:23:47,070 --> 00:23:44,350
see people who would vanish without a

511
00:23:50,220 --> 00:23:47,080
trace hear conversations going on in my

512
00:23:52,830 --> 00:23:50,230
house when no one else was home here

513
00:23:56,549 --> 00:23:52,840

people call my name only to find out

514

00:23:58,560 --> 00:23:56,559

that no one in my family had called me I

515

00:24:00,269 --> 00:23:58,570

have been scratched more times than I

516

00:24:03,480 --> 00:24:00,279

can count know that it's not good

517

00:24:06,090 --> 00:24:03,490

and I was attacked by something in my

518

00:24:09,029 --> 00:24:06,100

family room once but this isn't about

519

00:24:11,730 --> 00:24:09,039

that I wasn't the only one who

520

00:24:15,289 --> 00:24:11,740

experienced these events I have a twin

521

00:24:19,080 --> 00:24:15,299

who also has these things happen to her

522

00:24:21,180 --> 00:24:19,090

when you grow up with all of this

523

00:24:23,340 --> 00:24:21,190

happening to you you tend to become used

524

00:24:25,830 --> 00:24:23,350

to it and it takes a lot for me and my

525

00:24:27,299 --> 00:24:25,840

sister to be surprised by something and

526

00:24:29,100 --> 00:24:27,309

trust me I understand I've had

527

00:24:30,600 --> 00:24:29,110

paranormal stuff go on but I haven't

528

00:24:33,539 --> 00:24:30,610

been attacked and scratched that's uh

529

00:24:35,070 --> 00:24:33,549

that's pretty demonic okay I believe in

530

00:24:36,749 --> 00:24:35,080

ghosts angels and demons I was raised

531

00:24:39,299 --> 00:24:36,759

Catholic and I still practice my

532

00:24:40,560 --> 00:24:39,309

religion today I find that my faith in

533

00:24:42,989 --> 00:24:40,570

God helps protect me

534

00:24:45,450 --> 00:24:42,999

amen from the darker things that I have

535

00:24:47,519 --> 00:24:45,460

come in contact with throughout the

536

00:24:49,230 --> 00:24:47,529

years I have done my fair share of

537

00:24:51,359 --> 00:24:49,240

research to try and understand all

538

00:24:53,820 --> 00:24:51,369

things happening to me because me and my

539

00:24:56,820 --> 00:24:53,830

sister had no one else to talk to about

540

00:25:00,299 --> 00:24:56,830

it I had a similar thing I came across a

541

00:25:01,980 --> 00:25:00,309

story about hellhounds once but I didn't

542

00:25:04,649 --> 00:25:01,990

take it seriously because I just thought

543

00:25:06,450 --> 00:25:04,659

that they were miss you would think a

544

00:25:08,789 --> 00:25:06,460

girl who grew up having creepy things

545

00:25:11,460 --> 00:25:08,799

happened to her all the time would take

546

00:25:13,379 --> 00:25:11,470

hellhound accounts more seriously but I

547

00:25:16,169 --> 00:25:13,389

was young when I first learned about

548

00:25:18,029 --> 00:25:16,179

them so I didn't bother to at the time I

549

00:25:19,830 --> 00:25:18,039

was in the eighth grade and you still

550

00:25:22,379 --> 00:25:19,840

didn't have a great understanding about

551
00:25:24,180 --> 00:25:22,389
the spiritual paranormal world even with

552
00:25:26,460 --> 00:25:24,190
all of my experiences I didn't want to

553
00:25:29,310 --> 00:25:26,470
provoke things and allow entities to

554
00:25:32,399 --> 00:25:29,320
enter my life so I played it safe that's

555
00:25:35,249 --> 00:25:32,409
smart I shouldn't have though one rule I

556
00:25:39,029 --> 00:25:35,259
have come to learn is that not believing

557
00:25:40,529 --> 00:25:39,039
is to disarm yourself anyway I was in

558
00:25:42,659 --> 00:25:40,539
the eighth grade in my neighborhood

559
00:25:45,060 --> 00:25:42,669
there was a bike path that went through

560
00:25:47,340 --> 00:25:45,070
a Prairie like area that connected my

561
00:25:49,350 --> 00:25:47,350
neighborhood to another in between the

562
00:25:51,570 --> 00:25:49,360
two there was a park that kids could

563
00:25:54,419 --> 00:25:51,580

ride their bikes to that being said

564

00:25:56,879 --> 00:25:54,429

there was a whole lot to do in my town

565

00:25:58,889 --> 00:25:56,889

so teenagers and young adults also

566

00:26:00,960 --> 00:25:58,899

frequented the park during the late

567

00:26:02,190 --> 00:26:00,970

hours of the night the park really

568

00:26:05,609 --> 00:26:02,200

wasn't kid-friendly

569

00:26:10,110 --> 00:26:05,619

my friends had found used condoms a

570

00:26:12,690 --> 00:26:10,120

human turd oh come on a human turd

571

00:26:15,750 --> 00:26:12,700

who got down there to analyze it and a

572

00:26:17,070 --> 00:26:15,760

ton of graffiti there but nonetheless we

573

00:26:19,590 --> 00:26:17,080

didn't care because there was nowhere

574

00:26:20,940 --> 00:26:19,600

else to go one day I was meeting up with

575

00:26:23,610 --> 00:26:20,950

a friend who lived in the other

576

00:26:25,320 --> 00:26:23,620

neighborhood connected to the park we

577

00:26:27,480 --> 00:26:25,330

were working on a project together for a

578

00:26:29,669 --> 00:26:27,490

science class we were going to meet each

579

00:26:33,120 --> 00:26:29,679

other at the park and then walk to his

580

00:26:35,340 --> 00:26:33,130

house I got there exactly and I had to

581

00:26:37,350 --> 00:26:35,350

wait for him I had my cell phone with me

582

00:26:39,120 --> 00:26:37,360

and I told him I was there and he said

583

00:26:41,519 --> 00:26:39,130

he was running late and would be there

584

00:26:44,159 --> 00:26:41,529

in about 15 minutes I didn't really care

585

00:26:47,010 --> 00:26:44,169

so I just sat on the swing and set and

586

00:26:49,500 --> 00:26:47,020

waited while I was sitting on the swing

587

00:26:51,510 --> 00:26:49,510

set I was looking at the entrance to the

588

00:26:54,180 --> 00:26:51,520

park that came from his neighborhood so

589

00:26:56,730 --> 00:26:54,190

to see if I he was coming or not

590

00:26:59,610 --> 00:26:56,740

when I did I saw something that I never

591

00:27:03,870 --> 00:26:59,620

thought possible I saw what looked like

592

00:27:07,260 --> 00:27:03,880

a huge black dog run across the street

593

00:27:09,840 --> 00:27:07,270

it was more like a dark shadow that you

594

00:27:14,070 --> 00:27:09,850

couldn't see through that just look like

595

00:27:17,990 --> 00:27:14,080

a huge dog it never even touched the

596

00:27:22,350 --> 00:27:18,000

ground it was like it was running on air

597

00:27:26,580 --> 00:27:22,360

it ran behind a tree and never came out

598

00:27:28,139 --> 00:27:26,590

the other side it just disappeared I was

599

00:27:32,700 --> 00:27:28,149

freaked out but I didn't know how to

600

00:27:34,649 --> 00:27:32,710

react I just stay as still as possible I

601
00:27:37,169 --> 00:27:34,659
text my friend to see if he was close

602
00:27:39,450 --> 00:27:37,179
and thank the Lord as I sent the text I

603
00:27:41,610 --> 00:27:39,460
saw him coming up the street I pushed

604
00:27:43,950 --> 00:27:41,620
what I had seen in the back of my mind

605
00:27:46,649 --> 00:27:43,960
and tried to forget about it and I did

606
00:27:48,630 --> 00:27:46,659
until tonight now I'm a sophomore in

607
00:27:51,630 --> 00:27:48,640
college me and my sister go to the same

608
00:27:53,130 --> 00:27:51,640
school and we hang out a lot well today

609
00:27:55,590 --> 00:27:53,140
we went to the gym I decided to just

610
00:27:58,830 --> 00:27:55,600
relax in the common room of our dorm for

611
00:28:01,409 --> 00:27:58,840
a little afterwards our dorm is haunted

612
00:28:03,060 --> 00:28:01,419
and me and her was sharing stories of

613
00:28:06,330 --> 00:28:03,070

things that have happened recently

614

00:28:08,340 --> 00:28:06,340

none of it too interesting just a door

615

00:28:10,680 --> 00:28:08,350

opening by itself things moving on their

616

00:28:12,360 --> 00:28:10,690

own and strange noises I started to talk

617

00:28:14,490 --> 00:28:12,370

about how the paranormal activity is

618

00:28:16,230 --> 00:28:14,500

worse back home and she agreed that's

619

00:28:18,360 --> 00:28:16,240

when I remembered what I had seen that

620

00:28:21,240 --> 00:28:18,370

day in the park I told her about it and

621

00:28:23,049 --> 00:28:21,250

she got quiet she told me that when she

622

00:28:25,480 --> 00:28:23,059

was in the seventh grade

623

00:28:28,450 --> 00:28:25,490

she couldn't remember she had a dream or

624

00:28:30,430 --> 00:28:28,460

vision she saw the park in baseball

625

00:28:33,009 --> 00:28:30,440

fields that lay in between the two

626
00:28:36,249 --> 00:28:33,019
neighborhoods she saw what she thought

627
00:28:38,649 --> 00:28:36,259
was a pack of coyotes at first but when

628
00:28:41,350 --> 00:28:38,659
she got a better look it was a pack of

629
00:28:44,159 --> 00:28:41,360
these dark shadowy masses that looked

630
00:28:46,539 --> 00:28:44,169
like huge dogs and they had red eyes

631
00:28:48,549 --> 00:28:46,549
they were running around everywhere and

632
00:28:50,950 --> 00:28:48,559
they were hunting and killing every

633
00:28:53,529 --> 00:28:50,960
animal they could get - she also told me

634
00:28:55,629 --> 00:28:53,539
that at around the same time she had

635
00:28:57,039 --> 00:28:55,639
another weird experience she had been

636
00:28:58,749 --> 00:28:57,049
hanging out with our best friend and

637
00:28:59,950 --> 00:28:58,759
another boy that lived about a halfway

638
00:29:01,779 --> 00:28:59,960

up the street

639

00:29:03,460 --> 00:29:01,789

they were at our friends house and they

640

00:29:05,799 --> 00:29:03,470

were playing in the backyard my friend's

641

00:29:08,470 --> 00:29:05,809

backyard backs up to the baseball field

642

00:29:13,239 --> 00:29:08,480

the two spaces are only separated by a

643

00:29:14,680 --> 00:29:13,249

line of dense bushes and trees okay

644

00:29:16,539 --> 00:29:14,690

anyway they had been playing outside

645

00:29:18,730 --> 00:29:16,549

just goofing off when they heard

646

00:29:20,350 --> 00:29:18,740

something big in the tree line it made

647

00:29:23,409 --> 00:29:20,360

them all freeze they looked over and saw

648

00:29:26,139 --> 00:29:23,419

a large black shape move behind a large

649

00:29:28,359 --> 00:29:26,149

Bush their first thought was a coyote

650

00:29:30,789 --> 00:29:28,369

but they don't usually get that close to

651

00:29:32,830 --> 00:29:30,799

people especially during the day the

652

00:29:34,359 --> 00:29:32,840

next thing they thought was that it was

653

00:29:37,720 --> 00:29:34,369

someone in the park cutting through the

654

00:29:39,759 --> 00:29:37,730

trees our friend yelled out who are you

655

00:29:40,060 --> 00:29:39,769

what the hell are you doing leave us

656

00:29:42,310 --> 00:29:40,070

alone

657

00:29:46,090 --> 00:29:42,320

but whatever was in the bush kept making

658

00:29:48,879 --> 00:29:46,100

noise whoo and oh gosh is the big story

659

00:29:51,399 --> 00:29:48,889

this is a long one hold on my friend

660

00:29:52,539 --> 00:29:51,409

being dumb as he was had enough and did

661

00:29:54,850 --> 00:29:52,549

the one thing he thought would scare

662

00:29:56,230 --> 00:29:54,860

whatever had hidden the bush he went

663

00:29:58,269 --> 00:29:56,240

over and kicked the bush but there was

664

00:30:00,940 --> 00:29:58,279

nothing there he was kind of freaked out

665

00:30:02,499 --> 00:30:00,950

but it didn't show it he my sister spent

666

00:30:04,029 --> 00:30:02,509

the rest of the day indoors they didn't

667

00:30:07,389 --> 00:30:04,039

know how to explain what had happened

668

00:30:09,700 --> 00:30:07,399

until this day my sister know what we

669

00:30:12,129 --> 00:30:09,710

saw what we saw and what she dreamed

670

00:30:14,799 --> 00:30:12,139

can't be a coincidence I don't really

671

00:30:17,680 --> 00:30:14,809

know what kind of creature I saw what is

672

00:30:19,840 --> 00:30:17,690

a hellhound was it some type of demon

673

00:30:21,850 --> 00:30:19,850

dog or something else I really just want

674

00:30:23,230 --> 00:30:21,860

to know I have been able to find

675

00:30:25,840 --> 00:30:23,240

explanations for most of my other

676
00:30:28,370 --> 00:30:25,850
experiences and I don't like to know not

677
00:30:31,430 --> 00:30:28,380
know what kind of creatures

678
00:30:34,909 --> 00:30:31,440
what a matchup and what a t-mike

ideas please let me know I've had many

693

00:31:10,159 --> 00:31:07,650

people report hellhounds to me since I

694

00:31:12,140 --> 00:31:10,169

have discovered shadow people they are

695

00:31:14,960 --> 00:31:12,150

shadow demon dogs that is for sure

696

00:31:16,610 --> 00:31:14,970
