14

00:00:46,220 --> 00:00:43,980

blasting off with UFO reports well we've

15

00:00:48,560 --> 00:00:46,230

got a black triangle sighting in

16

00:00:55,330 --> 00:00:48,570

Oklahoma City Oklahoma

17

00:00:58,490 --> 00:00:55,340

this occurred January 22nd 2018 and

18

00:01:03,260 --> 00:00:58,500

shimmering triangle with hard edges

19

00:01:07,969 --> 00:01:03,270

patterns tiled slowly forward then

20

00:01:10,310 --> 00:01:07,979

twinkled brightly and vanished in more

21

00:01:12,679 --> 00:01:10,320

details the witness states I was in my

22

00:01:15,590 --> 00:01:12,689

car after lunch and happened to glance

23

00:01:18,920 --> 00:01:15,600

south from the election board parking

24

00:01:21,950 --> 00:01:18,930

lot it sounds important it was partially

25

00:01:25,789 --> 00:01:21,960

cloudy with Swift moving and changing

26  
00:01:29,480 --> 00:01:25,799  
clouds between two of them there was a

27  
00:01:32,300 --> 00:01:29,490  
set of two bar looking objects that were

28  
00:01:34,969 --> 00:01:32,310  
reflecting like a prism over a few

29  
00:01:38,929 --> 00:01:34,979  
seconds they appeared to tilt from about

30  
00:01:42,649 --> 00:01:38,939  
a 45 degree angle to horizontal to the

31  
00:01:45,560 --> 00:01:42,659  
ground pointed straight towards me after

32  
00:01:48,380 --> 00:01:45,570  
it went horizontal as they flattened out

33  
00:01:52,429 --> 00:01:48,390  
I could see two similar attached

34  
00:01:55,219 --> 00:01:52,439  
branching pieces flaring behind these to

35  
00:01:58,190 --> 00:01:55,229  
the south it was a triangle equilateral

36  
00:02:00,020 --> 00:01:58,200  
it was only tilting towards me for a

37  
00:02:02,690 --> 00:02:00,030  
couple of seconds I could see more

38  
00:02:08,270 --> 00:02:02,700

detail in the piece that was pointed my

39

00:02:10,339 --> 00:02:08,280

way the whole thing was shimmering kind

40

00:02:12,500 --> 00:02:10,349

of like the predator in the predator

41

00:02:15,500 --> 00:02:12,510

movies oh I've seen a UFO like

42

00:02:18,319 --> 00:02:15,510

but if it was standing in front of a

43

00:02:22,250 --> 00:02:18,329

blue sky with a Sun about 15 to 20

44

00:02:24,530 --> 00:02:22,260

degrees off of him and behind you could

45

00:02:27,350 --> 00:02:24,540

see the outline but other than the two

46

00:02:30,860 --> 00:02:27,360

parallel bar shapes in the point facing

47

00:02:33,890 --> 00:02:30,870

me there wasn't much that was more than

48

00:02:37,130 --> 00:02:33,900

a strong shimmer like light being bent

49

00:02:40,970 --> 00:02:37,140

around something roughly triangular the

50

00:02:43,429 --> 00:02:40,980

bars I had first seen look like panels

51  
00:02:47,000 --> 00:02:43,439  
on the underside or at least panel

52  
00:02:49,490 --> 00:02:47,010  
shaped zones of reflection after a few

53  
00:02:52,670 --> 00:02:49,500  
seconds of it being still I reached into

54  
00:02:56,809 --> 00:02:52,680  
my glove box for my binoculars and try

55  
00:02:59,690 --> 00:02:56,819  
to get into the frame but the angle of

56  
00:03:03,199 --> 00:02:59,700  
the Sun was too close and the sky was

57  
00:03:06,110 --> 00:03:03,209  
way too bright I quickly pulled them

58  
00:03:09,830 --> 00:03:06,120  
back down and the first thing flash

59  
00:03:12,410 --> 00:03:09,840  
brightly and was gone the bright flash

60  
00:03:14,899 --> 00:03:12,420  
appeared to come from the base of the

61  
00:03:17,089 --> 00:03:14,909  
two bars near the center of the thing

62  
00:03:20,420 --> 00:03:17,099  
not from the end of the bars where I

63  
00:03:24,050 --> 00:03:20,430

could see the most detail the only thing

64

00:03:26,300 --> 00:03:24,060

was about the width of two fingers held

65

00:03:28,759 --> 00:03:26,310

one-and-a-half inches apart at arm's

66

00:03:30,979 --> 00:03:28,769

length it was between two clouds so I

67

00:03:34,069 --> 00:03:30,989

couldn't tell if it was in front of them

68

00:03:37,699 --> 00:03:34,079

or behind it appeared to because I'm

69

00:03:40,699 --> 00:03:37,709

completely stationary despite the rapid

70

00:03:42,500 --> 00:03:40,709

movement of the clouds that day I looked

71

00:03:45,470 --> 00:03:42,510

for a long time after it vanished but as

72

00:03:48,680 --> 00:03:45,480

cloudy as it was it could have still

73

00:03:50,330 --> 00:03:48,690

been there and not visible I think I

74

00:03:52,759 --> 00:03:50,340

only saw it because of the gap in the

75

00:03:55,670 --> 00:03:52,769

clouds and the angle of the Sun which

76

00:03:57,680 --> 00:03:55,680

was kind of behind it I've seen

77

00:04:00,050 --> 00:03:57,690

something like that guys it is really

78

00:04:00,879 --> 00:04:00,060

trippy to see something that kind of

79

00:04:04,069 --> 00:04:00,889

like the predator

80

00:04:05,869 --> 00:04:04,079

with that that kind of like you know the

81

00:04:08,839 --> 00:04:05,879

background is being distorted type of

82

00:04:12,680 --> 00:04:08,849

thing really weird and I had a bunch of

83

00:04:15,379 --> 00:04:12,690

witnesses it was wild okay moving on

84

00:04:17,899 --> 00:04:15,389

your folks IDing in Washington District

85

00:04:21,740 --> 00:04:17,909

of Columbia this occurred November 22nd

86

00:04:24,770 --> 00:04:21,750

2017 leaving my daughter's house and DC

87

00:04:25,710 --> 00:04:24,780

to go to Reagan International around 8

88

00:04:28,560 --> 00:04:25,720

a.m.

89

00:04:31,470 --> 00:04:28,570

as I was approaching the car parked in

90

00:04:35,580 --> 00:04:31,480

her backyard I looked up to see a

91

00:04:38,580 --> 00:04:35,590

metallic form hovering soundlessly the

92

00:04:42,750 --> 00:04:38,590

last frame you can see a jet approached

93

00:04:44,310 --> 00:04:42,760

at a higher altitude in more detail

94

00:04:45,960 --> 00:04:44,320

I was looking my daughter's home in

95

00:04:47,670 --> 00:04:45,970

Washington DC to go to the Reagan

96

00:04:51,930 --> 00:04:47,680

International Airport to catch my plane

97

00:04:54,270 --> 00:04:51,940

to return to Wheatland Pennsylvania it

98

00:04:56,940 --> 00:04:54,280

was between 7:00 or 8:00 a.m. right

99

00:04:59,850 --> 00:04:56,950

before Thanksgiving 2017

100

00:05:02,040 --> 00:04:59,860

I had just visited my daughter and cared

101  
00:05:04,440 --> 00:05:02,050  
for my grandson because he had the flu

102  
00:05:07,320 --> 00:05:04,450  
and his dad had taken his mom on a trip

103  
00:05:11,070 --> 00:05:07,330  
to China because my daughter had to work

104  
00:05:13,200 --> 00:05:11,080  
so my son-in-law me and his mom we're

105  
00:05:15,540 --> 00:05:13,210  
walking out to his car parked in the

106  
00:05:17,790 --> 00:05:15,550  
back because she was leaving for her New

107  
00:05:21,840 --> 00:05:17,800  
York City the same day I was going home

108  
00:05:24,960 --> 00:05:21,850  
too as he was putting the luggage in the

109  
00:05:27,270 --> 00:05:24,970  
car I happened to hear a jet approaching

110  
00:05:28,980 --> 00:05:27,280  
and looked up because you never know

111  
00:05:32,820 --> 00:05:28,990  
what kind of flier you will see going

112  
00:05:34,140 --> 00:05:32,830  
around DC before I spotted the jet which

113  
00:05:39,810 --> 00:05:34,150

I could hear clearly

114

00:05:43,710 --> 00:05:39,820

I see the metal crap crap just hovering

115

00:05:46,290 --> 00:05:43,720

over us pretty high up not making a

116

00:05:47,940 --> 00:05:46,300

sound I can't tell what it is because

117

00:05:52,190 --> 00:05:47,950

it's silent and it seemed to be changing

118

00:05:54,690 --> 00:05:52,200

or like morphing but it seems solid

119

00:05:58,440 --> 00:05:54,700

coming in from my right as the jet I

120

00:06:01,080 --> 00:05:58,450

could clearly hear even though it was a

121

00:06:03,570 --> 00:06:01,090

lot higher up than the other craft I

122

00:06:05,940 --> 00:06:03,580

didn't say anything to my son-in-law or

123

00:06:09,180 --> 00:06:05,950

his mom because he would have made me

124

00:06:11,969 --> 00:06:09,190

feel like a kook and his mother wouldn't

125

00:06:14,040 --> 00:06:11,979

have had a clue so I started taking as

126

00:06:16,920 --> 00:06:14,050

many pictures as I can before I have to

127

00:06:19,140 --> 00:06:16,930

get in the car my son-in-law prides

128

00:06:21,690 --> 00:06:19,150

himself on his knowledge of anything

129

00:06:24,150 --> 00:06:21,700

that flies so when I showed him the

130

00:06:26,969 --> 00:06:24,160

pictures I took and since he knows his

131

00:06:30,540 --> 00:06:26,979

backyard assumed it had to be a

132

00:06:34,159 --> 00:06:30,550

helicopter but if it was where he

133

00:06:37,589 --> 00:06:34,169

thought it was it would had been so loud

134

00:06:39,279 --> 00:06:37,599

he would have noticed it at the time in

135

00:06:41,730 --> 00:06:39,289

the last picture I took you

136

00:06:45,369 --> 00:06:41,740

see the jet coming into frame in the top

137

00:06:47,019 --> 00:06:45,379

far-right you can judge the size when

138

00:06:49,749 --> 00:06:47,029

the jet appears I was hoping you guys

139

00:06:51,519 --> 00:06:49,759

could be able to zoom in better than I

140

00:06:54,369 --> 00:06:51,529

could to tell what it was

141

00:06:57,010 --> 00:06:54,379

I've had many pictures with UFOs and

142

00:07:00,639 --> 00:06:57,020

it's usually with people who are the

143

00:07:04,570 --> 00:07:00,649

biggest skeptics well that's weird wait

144

00:07:07,179 --> 00:07:04,580

I am very close as the bird flies to the

145

00:07:10,480 --> 00:07:07,189

wright-patterson Air Force Base I would

146

00:07:14,079 --> 00:07:10,490

be very interested and what you think I

147

00:07:19,510 --> 00:07:14,089

caught on camera all right so I'm taking

148

00:07:22,299 --> 00:07:19,520

a look over at these pictures and it

149

00:07:24,369 --> 00:07:22,309

looks like a flying pill in the sky that

150

00:07:26,199 --> 00:07:24,379

is really interesting looks like you got

151  
00:07:27,790 --> 00:07:26,209  
something there that's um that's a

152  
00:07:29,859 --> 00:07:27,800  
little odd I don't see any wings and

153  
00:07:33,670 --> 00:07:29,869  
it's just kind of hanging out in the sky

154  
00:07:36,070 --> 00:07:33,680  
reflecting moving on to the next UFO

155  
00:07:39,790 --> 00:07:36,080  
sighting in Evansville Indiana

156  
00:07:42,730 --> 00:07:39,800  
this occurred January 27th 2018 had a

157  
00:07:48,189 --> 00:07:42,740  
close encounter with four separate pairs

158  
00:07:51,129 --> 00:07:48,199  
of UFOs flying by in close proximity in

159  
00:07:52,600 --> 00:07:51,139  
more detail shortly after dark I took a

160  
00:07:55,389 --> 00:07:52,610  
ride with a friend to go look at some

161  
00:07:56,949 --> 00:07:55,399  
newborn puppies all puppies are so I

162  
00:08:00,009 --> 00:07:56,959  
could just smell their little breath

163  
00:08:01,420 --> 00:08:00,019

already we were cruising along and my

164

00:08:06,670 --> 00:08:01,430

friend and I couldn't believe our eyes

165

00:08:08,799 --> 00:08:06,680

as the first pair zoomed past just above

166

00:08:12,850 --> 00:08:08,809

the tree line followed by three more

167

00:08:15,909 --> 00:08:12,860

sets of two they were very bright and

168

00:08:18,249 --> 00:08:15,919

didn't make any noise whatsoever it was

169

00:08:21,239 --> 00:08:18,259

amazing how fast they were moving from

170

00:08:23,920 --> 00:08:21,249

Horizon to Horizon and around a minute

171

00:08:26,949 --> 00:08:23,930

after the last pair passed a couple of

172

00:08:31,389 --> 00:08:26,959

minutes passed and a jet fighter blew by

173

00:08:34,269 --> 00:08:31,399

at low altitude it was really moving and

174

00:08:35,980 --> 00:08:34,279

loud traveling in the same general

175

00:08:38,139 --> 00:08:35,990

direction the UFOs were traveling in

176

00:08:39,819 --> 00:08:38,149

it's the kind of experience I don't

177

00:08:46,509 --> 00:08:39,829

think I'll ever be able to forget

178

00:08:48,309 --> 00:08:46,519

anytime soon if ever yeah I think I see

179

00:08:52,090 --> 00:08:48,319

this pattern all the time it's like UFO

180

00:08:53,319 --> 00:08:52,100

boom jet so if these are all just our

181

00:08:58,509 --> 00:08:53,329

people experiment

182

00:09:00,309 --> 00:08:58,519

with craft what did they lose them I

183

00:09:02,590 --> 00:09:00,319

mean somebody stole it so they have to

184

00:09:05,619 --> 00:09:02,600

chase it down they are constantly

185

00:09:06,850 --> 00:09:05,629

chasing UFOs and yeah they're able to

186

00:09:09,519 --> 00:09:06,860

shoot him down now why do you think

187

00:09:14,049 --> 00:09:09,529

they're shooting them down they like to

188

00:09:16,749 --> 00:09:14,059

steal them steal them are they a threat

189

00:09:17,850 --> 00:09:16,759

because they're there you're just doing

190

00:09:21,369 --> 00:09:17,860

what they've been doing for centuries

191

00:09:23,109 --> 00:09:21,379

now we try to shoot them down because we

192

00:09:24,970 --> 00:09:23,119

want new parts because the ones that we

193

00:09:26,799 --> 00:09:24,980

stole are probably wearing down that's

194

00:09:28,769 --> 00:09:26,809

that's my theory anyways all right

195

00:09:31,629 --> 00:09:28,779

moving on

196

00:09:35,169 --> 00:09:31,639

eautiful sighting and Colorado Springs

197

00:09:37,769 --> 00:09:35,179

Colorado this occurred slightly UFO

198

00:09:43,499 --> 00:09:37,779

blast from the past January 14th 2016

199

00:09:47,439 --> 00:09:43,509

strange metallic cube jolting across sky

200

00:09:49,389 --> 00:09:47,449

the Borg are here in more detail the

201  
00:09:51,160 --> 00:09:49,399  
witness states I was sitting in my car

202  
00:09:55,030 --> 00:09:51,170  
oh I'm sorry

203  
00:09:57,819 --> 00:09:55,040  
sitting in my chair next to the bay

204  
00:10:00,699 --> 00:09:57,829  
window around 7:30 a.m. drinking coffee

205  
00:10:02,889 --> 00:10:00,709  
I noticed a reflection out of the corner

206  
00:10:07,799 --> 00:10:02,899  
of my eye I turned to look and noticed a

207  
00:10:09,999 --> 00:10:07,809  
shiny metallic cube dancing in the sky

208  
00:10:13,629 --> 00:10:10,009  
it was like nothing I have ever

209  
00:10:16,090 --> 00:10:13,639  
witnessed before I was strangely nervous

210  
00:10:17,769 --> 00:10:16,100  
but wanted a better look I grabbed my

211  
00:10:21,429 --> 00:10:17,779  
phone and headed out to my front porch

212  
00:10:24,639 --> 00:10:21,439  
it was dancing in the sky very quickly

213  
00:10:27,449 --> 00:10:24,649

from one side to side it took me a

214

00:10:31,799 --> 00:10:27,459

minute to find it on my phone finally I

215

00:10:34,210 --> 00:10:31,809

found it as it was hovering it moved

216

00:10:36,340 --> 00:10:34,220

extremely quick from one side to side

217

00:10:38,789 --> 00:10:36,350

much faster than anything I have ever

218

00:10:42,460 --> 00:10:38,799

witnessed then it would stop and hover

219

00:10:45,579 --> 00:10:42,470

for a short amount of time then back to

220

00:10:47,739 --> 00:10:45,589

rapidly jolting side to side I'm not

221

00:10:50,499 --> 00:10:47,749

sure how long it was there before I

222

00:10:53,350 --> 00:10:50,509

noticed it but I managed to film it for

223

00:10:56,739 --> 00:10:53,360

a little under 2 minutes a final quick

224

00:11:01,329 --> 00:10:56,749

movement and it was gone completely gone

225

00:11:03,909 --> 00:11:01,339

I went back inside and honestly was in a

226

00:11:05,630 --> 00:11:03,919

bit of shock I continued to look in the

227

00:11:08,480 --> 00:11:05,640

sky for it but

228

00:11:10,460 --> 00:11:08,490

never have witnessed it again after the

229

00:11:14,120 --> 00:11:10,470

initial shock wore off I thought to

230

00:11:18,020 --> 00:11:14,130

myself perhaps it was a drone logic

231

00:11:20,630 --> 00:11:18,030

tells me that is not possible it was

232

00:11:23,860 --> 00:11:20,640

square and shape and completely metallic

233

00:11:28,880 --> 00:11:23,870

in color I have never seen a complete

234

00:11:31,610 --> 00:11:28,890

square drone also it moved way too fast

235

00:11:34,460 --> 00:11:31,620

to be a drone I would have most

236

00:11:37,250 --> 00:11:34,470

definitely witnessed it moving off into

237

00:11:41,240 --> 00:11:37,260

the distance or land it was gone in a

238

00:11:44,150 --> 00:11:41,250

flash I absolutely believe in ETS

239

00:11:49,820 --> 00:11:44,160

but also am a skeptic about false

240

00:11:53,510 --> 00:11:49,830

reports okay I will maintain for my life

241

00:11:55,820 --> 00:11:53,520

what I witnessed was not of this earth

242

00:12:00,590 --> 00:11:55,830

that's coming from skeptic of something

243

00:12:08,020 --> 00:12:00,600

guys so I'm having a look at this video

244

00:12:12,140 --> 00:12:08,030

and holy cannoli it's a cube in the sky

245

00:12:14,330 --> 00:12:12,150

tumbling through the sky it may even be

246

00:12:16,970 --> 00:12:14,340

you know when you put two pyramids

247

00:12:18,650 --> 00:12:16,980

bottoms flats flat together and it's

248

00:12:20,480 --> 00:12:18,660

kind of like a diamond kind of tumbling

249

00:12:23,180 --> 00:12:20,490

in the sky I've seen something like that

250

00:12:25,100 --> 00:12:23,190

before too and it's it looks like it's

251

00:12:27,740 --> 00:12:25,110

tumbling they called it dancing it it's

252

00:12:29,450 --> 00:12:27,750

wow it's a pretty cool video you have to

253

00:12:34,100 --> 00:12:29,460

check it out you do see it's kind of

254

00:12:37,100 --> 00:12:34,110

cubish it's kind of cubish next up your

255

00:12:41,060 --> 00:12:37,110

full sighting in Prairie City Iowa the

256

00:12:43,430 --> 00:12:41,070

Sakura January 29 2018 it looked kind of

257

00:12:46,340 --> 00:12:43,440

like a marshmallow that was a ball of

258

00:12:48,770 --> 00:12:46,350

light yeah that's interesting

259

00:12:51,590 --> 00:12:48,780

description in more detail the witness

260

00:12:54,560 --> 00:12:51,600

states my son a friend of mine and I

261

00:12:57,230 --> 00:12:54,570

noticed an object that looked like a

262

00:12:59,480 --> 00:12:57,240

marshmallow it was moving from west to

263

00:13:03,470 --> 00:12:59,490

east when we first noticed it then it

264

00:13:06,350 --> 00:13:03,480

just stopped and hovered we watched it

265

00:13:09,200 --> 00:13:06,360

for about an hour it was about sixty

266

00:13:11,030 --> 00:13:09,210

degrees and it's a normal route for

267

00:13:13,460 --> 00:13:11,040

planes that are flying into the Des

268

00:13:15,620 --> 00:13:13,470

Moines Airport and it seemed quite a bit

269

00:13:18,320 --> 00:13:15,630

higher than the planes on their descent

270

00:13:19,580 --> 00:13:18,330

I contacted my work which is about six

271

00:13:21,560 --> 00:13:19,590

blocks away to

272

00:13:23,690 --> 00:13:21,570

the north they said they couldn't see

273

00:13:25,910 --> 00:13:23,700

the one I was talking about but they

274

00:13:29,900 --> 00:13:25,920

seen an object that was almost directly

275

00:13:31,640 --> 00:13:29,910

overhead and described an object similar

276

00:13:35,300 --> 00:13:31,650

to the one we were looking at at the

277

00:13:36,440 --> 00:13:35,310

time we went and got binoculars to get a

278

00:13:40,070 --> 00:13:36,450

closer look

279

00:13:44,210 --> 00:13:40,080

sing through them we noticed it was

280

00:13:47,360 --> 00:13:44,220

changing shape look like it was

281

00:13:51,140 --> 00:13:47,370

vibrating and the outer edge was a light

282

00:13:52,790 --> 00:13:51,150

green color but wasn't staying green we

283

00:13:54,530 --> 00:13:52,800

stopped a guy riding on a bike and

284

00:13:56,810 --> 00:13:54,540

pointed it out to him just to make sure

285

00:14:00,050 --> 00:13:56,820

we weren't seeing things and he thought

286

00:14:01,850 --> 00:14:00,060

it was very odd later that night after

287

00:14:04,760 --> 00:14:01,860

my friend went home he called and said

288

00:14:08,210 --> 00:14:04,770

he looked around and counted around 10

289

00:14:11,150 --> 00:14:08,220

objects like it but they had changed to

290

00:14:13,640 --> 00:14:11,160

a light pink in the morning the man who

291

00:14:16,730 --> 00:14:13,650

wrote by on the bike said he spotted two

292

00:14:19,220 --> 00:14:16,740

more to the north last night and noticed

293

00:14:26,180 --> 00:14:19,230

one above his neighbor's house around

294

00:14:28,250 --> 00:14:26,190

6:30 a.m. January 30th 2018 hmm don't

295

00:14:30,380 --> 00:14:28,260

you guys feel like like I mean it's just

296

00:14:31,730 --> 00:14:30,390

be coming to a point like so many people

297

00:14:34,540 --> 00:14:31,740

are witnessing them they're getting so

298

00:14:37,250 --> 00:14:34,550

ballsy about just showing up it's like

299

00:14:39,470 --> 00:14:37,260

if they're just getting ready to be like

300

00:14:41,329 --> 00:14:39,480

304  
00:14:49,610 --> 00:14:47,250  
like it's just going to become you know

305  
00:14:52,970 --> 00:14:49,620  
casual talk about the latest jalopy or

306  
00:14:55,430 --> 00:14:52,980

right oh boy this is a name uh

325

00:15:38,860 --> 00:15:35,490

this next UFO report UFO sighting in Den

326

00:15:43,430 --> 00:15:38,870

Haag zu Holland mm-hmm it's occurred

327

00:15:45,950 --> 00:15:43,440

December 31st 2013 Holland that's

328

00:15:48,590 --> 00:15:45,960

interesting I was in my room and saw

329

00:15:52,100 --> 00:15:48,600

strange lights in the sky green yellow

330

00:15:55,250 --> 00:15:52,110

and red got my binoculars and it was a

331

00:15:57,380 --> 00:15:55,260

strange black object okay and more

332

00:15:59,030 --> 00:15:57,390

detail they say I was in my room getting

333

00:16:03,080 --> 00:15:59,040

ready to celebrate New Year's when I

334

00:16:05,360 --> 00:16:03,090

noticed an object moving slowly about

335

00:16:09,080 --> 00:16:05,370

400 feet away it seemed to be flashing

336

00:16:11,540 --> 00:16:09,090

three different light green red and

337

00:16:13,370 --> 00:16:11,550

yellow I first thought it was just a

338

00:16:16,520 --> 00:16:13,380

helicopter but at close inspection with

339

00:16:20,470 --> 00:16:16,530

my binoculars I noticed that the object

340

00:16:22,760 --> 00:16:20,480

was blimp like and completely dark

341

00:16:24,950 --> 00:16:22,770

object continued to move at the same

342

00:16:27,680 --> 00:16:24,960

direction at a steady speed at that

343

00:16:30,580 --> 00:16:27,690

point I got a bit nervous and pulled out

344

00:16:32,630 --> 00:16:30,590

my phone to record the strange incident

345

00:16:36,440 --> 00:16:32,640

after around three minutes

346

00:16:39,020 --> 00:16:36,450

I lost the sight of the object due to my

347

00:16:42,410 --> 00:16:39,030

viewing angle after around five minutes

348

00:16:46,490 --> 00:16:42,420

or so a Dutch fighter jet passed

349

00:16:50,660 --> 00:16:46,500

overhead quite scary okay hold on the

350

00:16:52,970 --> 00:16:50,670

Dutch are chasing the UFOs - wow they're

351

00:16:55,490 --> 00:16:52,980

using our crazy tactic okay

352

00:16:56,150 --> 00:16:55,500

interesting interesting maybe they felt

353

00:16:57,770 --> 00:16:56,160

threatened

354

00:17:05,240 --> 00:16:57,780

you know Holland is always on alert

355

00:17:07,910 --> 00:17:05,250

right that's so bizarre so has anybody

356

00:17:10,730 --> 00:17:07,920

heard of disclosure from Holland lately

357

00:17:13,060 --> 00:17:10,740

about UFOs I don't think they've come

358

00:17:15,770 --> 00:17:13,070

forward they're chasing UFOs everybody

359

00:17:17,150 --> 00:17:15,780

point the finger and get them to confess

360

00:17:19,400 --> 00:17:17,160

maybe they're a little bit more open

361

00:17:21,440 --> 00:17:19,410

than our government with their little

362

00:17:23,630 --> 00:17:21,450

disclosure of 22 million dollars over

363

00:17:27,199 --> 00:17:23,640

five years of investigating UFOs saying

364

00:17:30,380 --> 00:17:27,209

we're not alone okay they know they've

365

00:17:34,880 --> 00:17:30,390

been doing it for generations okay

366

00:17:38,050 --> 00:17:34,890

moving on yes next UFO sighting happened

367

00:17:42,020 --> 00:17:38,060

in Hampton New Brunswick this occurred

368

00:17:44,630 --> 00:17:42,030

December 20th 2017 saw it out my driver

369

00:17:45,260 --> 00:17:44,640

side window while driving and more

370

00:17:46,880 --> 00:17:45,270

detail the witness

371

00:17:50,600 --> 00:17:46,890

so I was driving home from work on

372

00:17:52,550 --> 00:17:50,610

December 20 2017 now it has finished I

373

00:17:54,980 --> 00:17:52,560

think they mean I had finished work at

374

00:17:56,750 --> 00:17:54,990

4:30 and it is about an hour's drive

375

00:17:59,240 --> 00:17:56,760

give or take depending on road

376

00:18:00,980 --> 00:17:59,250

conditions and traffic to parents place

377

00:18:04,070 --> 00:18:00,990

where I was staying for the month of

378

00:18:06,500 --> 00:18:04,080

December it was somewhere between 5:30

379

00:18:07,750 --> 00:18:06,510

p.m. and 6:00 p.m. I was about two

380

00:18:10,910 --> 00:18:07,760

minutes away from my parents house and

381

00:18:14,540 --> 00:18:10,920

out of the corner of my eye through some

382

00:18:18,620 --> 00:18:14,550

thin treetops I saw a bright blue white

383

00:18:20,300 --> 00:18:18,630

oval shaped object high in the sky my

384

00:18:22,880 --> 00:18:20,310

initial thought was that it was an

385

00:18:27,950 --> 00:18:22,890

airplane but the brightness and shape of

386

00:18:30,350 --> 00:18:27,960

it made me do huh do an immediate double

387

00:18:35,090 --> 00:18:30,360

take really d ue

388

00:18:37,100 --> 00:18:35,100

oh okay double take a half a second

389

00:18:40,100 --> 00:18:37,110

after my initial thought I said look

390

00:18:43,070 --> 00:18:40,110

back up at it it was moving just beyond

391

00:18:45,050 --> 00:18:43,080

the thin treetops that were preventing

392

00:18:47,660 --> 00:18:45,060

me from getting a fully clear view of it

393

00:18:50,900 --> 00:18:47,670

it's not that the object was that

394

00:18:53,000 --> 00:18:50,910

treetop height it was much higher but at

395

00:18:56,240 --> 00:18:53,010

the angle I was viewing it the tops of

396

00:18:58,310 --> 00:18:56,250

the trees nearest the road side somewhat

397

00:19:01,220 --> 00:18:58,320

blocked it at this point I had a clearer

398

00:19:03,410 --> 00:19:01,230

view of it and in my amazement I slowed

399

00:19:04,400 --> 00:19:03,420

the car to an almost complete stop in

400

00:19:06,890 --> 00:19:04,410

the middle of the road

401  
00:19:09,470 --> 00:19:06,900  
I watched it as it looked like it was

402  
00:19:11,720 --> 00:19:09,480  
traveling south at about the speed of a

403  
00:19:15,400 --> 00:19:11,730  
passenger plane you would see in the sky

404  
00:19:19,190 --> 00:19:15,410  
then in a split second it zipped away

405  
00:19:20,720 --> 00:19:19,200  
southeast and an impossible speed over

406  
00:19:25,070 --> 00:19:20,730  
the hills on the horizon and out of

407  
00:19:26,870 --> 00:19:25,080  
sight it left a brief trail as it zipped

408  
00:19:30,350 --> 00:19:26,880  
away I can't even say that it

409  
00:19:35,000 --> 00:19:30,360  
accelerated it simply changed speeds in

410  
00:19:37,490 --> 00:19:35,010  
an instant all right the next UFO

411  
00:19:40,280 --> 00:19:37,500  
sighting in Mimms

412  
00:19:43,850 --> 00:19:40,290  
really Mims Florida I guess that's a

413  
00:19:45,800 --> 00:19:43,860

place I don't know footprint left in

414

00:19:48,470 --> 00:19:45,810

soil oh this is gonna be an interesting

415

00:19:51,230 --> 00:19:48,480

one okay in more detail but in the

416

00:19:54,050 --> 00:19:51,240

States I was walking the property of my

417

00:19:56,390 --> 00:19:54,060

farm as I always do just to check to

418

00:19:58,790 --> 00:19:56,400

make sure everything is ok as I made my

419

00:20:01,520 --> 00:19:58,800

way up the dirt I couldn't help

420

00:20:04,040 --> 00:20:01,530

notice a deep indentation in the mud

421

00:20:06,710 --> 00:20:04,050

that was not there the day before or

422

00:20:09,920 --> 00:20:06,720

before I turned in for the night it was

423

00:20:12,920 --> 00:20:09,930

a shape of a small foot sunken into the

424

00:20:14,420 --> 00:20:12,930

fresh mud from the evening rain I think

425

00:20:17,450 --> 00:20:14,430

it was some kind of print from a

426  
00:20:19,390 --> 00:20:17,460  
flexible boot it measured about seven

427  
00:20:22,280 --> 00:20:19,400  
inches in length and at its widest point

428  
00:20:25,400 --> 00:20:22,290  
what would be the ball of the foot

429  
00:20:29,360 --> 00:20:25,410  
three inches I was taken aback almost

430  
00:20:31,460 --> 00:20:29,370  
like an excitement of shock you see we

431  
00:20:33,740 --> 00:20:31,470  
have no small children on our farmland

432  
00:20:35,830 --> 00:20:33,750  
and I don't think a very small child

433  
00:20:39,470 --> 00:20:35,840  
would come in the middle of the night on

434  
00:20:40,940 --> 00:20:39,480  
dark farmland during heavy rain showers

435  
00:20:42,800 --> 00:20:40,950  
let me think about that

436  
00:20:47,090 --> 00:20:42,810  
here in Chicago kids are in the street

437  
00:20:49,760 --> 00:20:47,100  
all the time anyways I also know for

438  
00:20:52,130 --> 00:20:49,770

certain it is not an animal track within

439

00:20:55,670 --> 00:20:52,140

the print you can see the edges are 100%

440

00:20:59,930 --> 00:20:55,680

smooth edge of boot what would be the

441

00:21:03,260 --> 00:20:59,940

sole one can see like one solid marking

442

00:21:06,680 --> 00:21:03,270

from heel to toe as a curve as like your

443

00:21:09,790 --> 00:21:06,690

gym shoe along the side and it also has

444

00:21:12,380 --> 00:21:09,800

lines almost like a strange traction

445

00:21:14,930 --> 00:21:12,390

immediately I call my wife out we began

446

00:21:17,330 --> 00:21:14,940

to take photos and videos we then went

447

00:21:19,310 --> 00:21:17,340

to a hobby store and bought plaster cast

448

00:21:24,080 --> 00:21:19,320

material while you guys are serious

449

00:21:27,050 --> 00:21:24,090

that's pretty cool I was able to I was

450

00:21:29,930 --> 00:21:27,060

able to pull a mold of the print the

451

00:21:32,990 --> 00:21:29,940

ball of the foot arch and heel is able

452

00:21:35,780 --> 00:21:33,000

to be easily seen almost as if it was a

453

00:21:38,120 --> 00:21:35,790

highly flexible boot or something we are

454

00:21:40,970 --> 00:21:38,130

located very very close to the Kennedy

455

00:21:43,520 --> 00:21:40,980

Space Center and launch pads guys notice

456

00:21:45,530 --> 00:21:43,530

this it's always happening there near

457

00:21:48,500 --> 00:21:45,540

some kind of you know military

458

00:21:50,960 --> 00:21:48,510

installment or airport all the time okay

459

00:21:54,110 --> 00:21:50,970

a lot is seen and heard in these skies

460

00:21:57,110 --> 00:21:54,120

and I have never thought twice but with

461

00:21:59,450 --> 00:21:57,120

this print we have an uneasy feeling I

462

00:22:02,540 --> 00:21:59,460

feel certain the print is from something

463

00:22:05,300 --> 00:22:02,550

we have not seen on this earth we

464

00:22:09,700 --> 00:22:05,310

definitely are cautious on our farmland

465

00:22:12,740 --> 00:22:09,710

at night now they're watching you

466

00:22:15,860 --> 00:22:12,750

so you guys I click over to see this

467

00:22:19,640 --> 00:22:15,870

fantastic description of a footprint and

468

00:22:21,380 --> 00:22:19,650

a cast and I'm seeing this pattern like

469

00:22:23,210 --> 00:22:21,390

you know anything that seems really good

470

00:22:24,980 --> 00:22:23,220

or really fascinating it's just not

471

00:22:27,380 --> 00:22:24,990

being released to the public is this a

472

00:22:29,330 --> 00:22:27,390

MUFON thing I've heard some complaints

473

00:22:32,990 --> 00:22:29,340

because this is a report to MUFON I

474

00:22:35,810 --> 00:22:33,000

click over there it is not there no

475

00:22:37,880 --> 00:22:35,820

picture no video so this person went

476

00:22:39,620 --> 00:22:37,890

through all this trouble to pull all

477

00:22:40,970 --> 00:22:39,630

this stuff together and I guess the

478

00:22:43,720 --> 00:22:40,980

report slipped through the cracks so

479

00:22:47,380 --> 00:22:43,730

they probably wanted to censor that and

480

00:22:50,810 --> 00:22:47,390

yeah so they they kept it for themselves

481

00:22:52,880 --> 00:22:50,820

yeah MUFON Thanks thanks for that I was

482

00:22:57,110 --> 00:22:52,890

excited for this one I was really

483

00:22:58,910 --> 00:22:57,120

excited but you filtered that somebody

484

00:23:00,620 --> 00:22:58,920

from the public gave you a heads up on

485

00:23:03,770 --> 00:23:00,630

something cool and you kept it to

486

00:23:05,840 --> 00:23:03,780

yourself right is that what happened as

487

00:23:07,730 --> 00:23:05,850

I have never heard of such a thing and

488

00:23:12,290 --> 00:23:07,740

apparently you haven't either so you

489

00:23:16,160 --> 00:23:12,300

thought mine not fair not fun not funny

490

00:23:18,920 --> 00:23:16,170

I'm really disappointed so person that

491

00:23:22,430 --> 00:23:18,930

experienced this I hope you hear me

492

00:23:26,060 --> 00:23:22,440

and you release that to the public for

493

00:23:27,500 --> 00:23:26,070

real because MUFON apparently I just I

494

00:23:29,420 --> 00:23:27,510

go there every once in a while I was

495

00:23:31,130 --> 00:23:29,430

just tired of getting disappointed to

496

00:23:34,010 --> 00:23:31,140

see the awesome photos and there's tags

497

00:23:36,020 --> 00:23:34,020

tags photoes video you know as a tag to

498

00:23:37,250 --> 00:23:36,030

their story you go to click and it's not

499

00:23:40,850 --> 00:23:37,260

there why is that

500

00:23:43,880 --> 00:23:40,860

that's not cool not cool at all highly

501  
00:23:46,580 --> 00:23:43,890  
disappointed oh that one makes me angry

502  
00:23:49,730 --> 00:23:46,590  
okay you guys complain to the MUFON

503  
00:23:54,050 --> 00:23:49,740  
masters please alright moving on the

504  
00:23:57,380 --> 00:23:54,060  
next next UFO report UFO sighting in

505  
00:24:01,730 --> 00:23:57,390  
netherland Texas no there's a Neverland

506  
00:24:04,970 --> 00:24:01,740  
okay this half of January 24 2018 orbs

507  
00:24:08,360 --> 00:24:04,980  
and winged entities zipping and dashing

508  
00:24:10,520 --> 00:24:08,370  
all around objects are crystal clear

509  
00:24:11,780 --> 00:24:10,530  
when watched frame by frame you know if

510  
00:24:15,320 --> 00:24:11,790  
I click over there and that's missing

511  
00:24:17,240 --> 00:24:15,330  
too I'm doing my sighting is actually

512  
00:24:19,640 --> 00:24:17,250  
multiple sightings I live near an

513  
00:24:22,190 --> 00:24:19,650

airport so planes are a given but what I

514

00:24:22,850 --> 00:24:22,200

can only describe as huge winked and

515

00:24:25,100 --> 00:24:22,860

sometimes

516

00:24:27,889 --> 00:24:25,110

orb shaped entities are always flying

517

00:24:29,659 --> 00:24:27,899

and hovering over my neighborhood I see

518

00:24:32,240 --> 00:24:29,669

them when I go back through my sky

519

00:24:33,830 --> 00:24:32,250

watching videos and it's incredible some

520

00:24:37,039 --> 00:24:33,840

things you just have to see to believe

521

00:24:38,480 --> 00:24:37,049

please contact me if interested MUFON

522

00:24:40,370 --> 00:24:38,490

was recommended to me by a friend

523

00:24:43,399 --> 00:24:40,380

because of some pictures I have already

524

00:24:44,659 --> 00:24:43,409

shared on our Netherlander I would really

525

00:24:46,580 --> 00:24:44,669

like to know what's going on can you

526

00:24:48,620 --> 00:24:46,590

guys help me thanks for your time ok I'm

527

00:24:51,230 --> 00:24:48,630

a click / I'm a click alright so I

528

00:24:52,940 --> 00:24:51,240

clicked over and that one is there but

529

00:24:54,230 --> 00:24:52,950

it's one of those really distant ones

530

00:24:56,360 --> 00:24:54,240

where it's hard to make out anything

531

00:24:59,990 --> 00:24:56,370

yeah so they let that one go through I

532

00:25:03,889 --> 00:25:00,000

guess I don't know yay yeah ok anyways

533

00:25:05,690 --> 00:25:03,899

moving on I really want to see that boot

534

00:25:06,230 --> 00:25:05,700

man I want to see that boot print

535

00:25:09,560 --> 00:25:06,240

alright

536

00:25:12,860 --> 00:25:09,570

beautiful signing in Hamel Illinois this

537

00:25:15,620 --> 00:25:12,870

occurred on January 27 2018 driving

538

00:25:19,039 --> 00:25:15,630

south on i-55 at sunset saw a dark

539

00:25:21,470 --> 00:25:19,049

structured object apparently about cloud

540

00:25:23,480 --> 00:25:21,480

height hovering in the southwest I was

541

00:25:25,190 --> 00:25:23,490

driving on i-55 I saw an object with a

542

00:25:27,740 --> 00:25:25,200

parent structure hovering during sunset

543

00:25:30,289 --> 00:25:27,750

I do not know the town's near st. Louis

544

00:25:32,629 --> 00:25:30,299

well but Google Maps showed me just

545

00:25:34,610 --> 00:25:32,639

south of Hamel Illinois and the object

546

00:25:35,690 --> 00:25:34,620

appeared to be hovering over a city it

547

00:25:37,700 --> 00:25:35,700

appeared to be hovering to the south

548

00:25:40,340 --> 00:25:37,710

when I first saw it then moved a little

549

00:25:41,990 --> 00:25:40,350

to the southwest I suspect that if I had

550

00:25:43,399 --> 00:25:42,000

been several miles to the south when

551  
00:25:45,799 --> 00:25:43,409  
viewing the object I would have been

552  
00:25:48,230 --> 00:25:45,809  
able to see it very clearly it did not

553  
00:25:49,610 --> 00:25:48,240  
seem to move much if at all and only

554  
00:25:51,470 --> 00:25:49,620  
disappeared as I approached because the

555  
00:25:53,990 --> 00:25:51,480  
Sun set in the sky there were a number

556  
00:25:56,210 --> 00:25:54,000  
of long transparent clouds moved to the

557  
00:25:58,549 --> 00:25:56,220  
west I wondered if this apparent object

558  
00:26:00,409 --> 00:25:58,559  
was a cloud because it felt like it was

559  
00:26:03,529 --> 00:26:00,419  
approximately at the same altitude but

560  
00:26:05,029 --> 00:26:03,539  
it was much darker and well-defined once

561  
00:26:07,789 --> 00:26:05,039  
it was completely dark I noted several

562  
00:26:10,129 --> 00:26:07,799  
planes they seemed much smaller in the

563  
00:26:11,899 --> 00:26:10,139

sky than what I had been observing at

564

00:26:13,700 --> 00:26:11,909

the moment I was simply reflecting on my

565

00:26:15,830 --> 00:26:13,710

life and looking forward to seeing my

566

00:26:17,779 --> 00:26:15,840

girlfriend in Columbia Missouri all I

567

00:26:20,180 --> 00:26:17,789

felt upon seeing the object was a sense

568

00:26:21,649 --> 00:26:20,190

that it was something unusual but I

569

00:26:23,019 --> 00:26:21,659

don't remember thinking anything else

570

00:26:26,029 --> 00:26:23,029

all right

571

00:26:28,100 --> 00:26:26,039

that was interesting moving on to a

572

00:26:31,760 --> 00:26:28,110

quick paranormal point of a story how

573

00:26:35,419 --> 00:26:31,770

about that Bigfoot camping story yes

574

00:26:36,590 --> 00:26:35,429

we're gonna hit Bigfoot it was a summer

575

00:26:38,510 --> 00:26:36,600

2015 and I

576

00:26:41,150 --> 00:26:38,520

was in the 12th grade me and two other

577

00:26:43,790 --> 00:26:41,160

friends went to the camping trip the

578

00:26:45,560 --> 00:26:43,800

camping trip in Alberta Canada the drive

579

00:26:47,600 --> 00:26:45,570

up was normal we got to the campsite no

580

00:26:50,420 --> 00:26:47,610

yeah one of my friends who we will call

581

00:26:53,270 --> 00:26:50,430

Jeff brought his girlfriend who I will

582

00:26:55,520 --> 00:26:53,280

call Jane so when we pulled up to our

583

00:26:57,110 --> 00:26:55,530

camp spot we unloaded our gear then we

584

00:27:00,980 --> 00:26:57,120

had lunch then we went for a hike around

585

00:27:02,330 --> 00:27:00,990

3 o'clock I came back around 5:15 for

586

00:27:04,310 --> 00:27:02,340

about four hours we stand around the

587

00:27:08,060 --> 00:27:04,320

campfire telling stupid stories and

588

00:27:10,250 --> 00:27:08,070

stuff but this is when crap gets too

589

00:27:12,710 --> 00:27:10,260

real we started to get the feeling we

590

00:27:16,310 --> 00:27:12,720

were being watched we were being watched

591

00:27:17,330 --> 00:27:16,320

which is weird because the who was what

592

00:27:18,890 --> 00:27:17,340

okay whatever

593

00:27:21,500 --> 00:27:18,900

who else was around I'm thinking they

594

00:27:24,020 --> 00:27:21,510

said they were trying to say but us for

595

00:27:25,700 --> 00:27:24,030

about a kilometer so we thought it just

596

00:27:28,430 --> 00:27:25,710

might be a fellow camper so I yelled out

597

00:27:30,710 --> 00:27:28,440

hey no response so we just ignored it

598

00:27:33,260 --> 00:27:30,720

later that night I woke up to the sound

599

00:27:37,040 --> 00:27:33,270

of snapping twigs I looked out of the

600

00:27:41,300 --> 00:27:37,050

tent curiously what I saw was a creature

601  
00:27:43,640 --> 00:27:41,310  
about 20 meters away from the tent it

602  
00:27:48,910 --> 00:27:43,650  
was about eight feet tall with nut

603  
00:27:51,920 --> 00:27:48,920  
nut-brown hare never heard nut-brown

604  
00:27:54,440 --> 00:27:51,930  
yeah okay let's color nut I don't know

605  
00:28:00,950 --> 00:27:54,450  
and that's all I could see in the

606  
00:28:02,450 --> 00:28:00,960  
moonlight so nut-brown oh okay and

607  
00:28:04,970 --> 00:28:02,460  
that's all I could see in the moonlight

608  
00:28:08,240 --> 00:28:04,980  
so I woke up my friend and he went pale

609  
00:28:10,910 --> 00:28:08,250  
he slowly closed the tent zipper and

610  
00:28:14,180 --> 00:28:10,920  
looked at me and said it's right outside

611  
00:28:17,330 --> 00:28:14,190  
I told him that's impossible because it

612  
00:28:21,890 --> 00:28:17,340  
was just 20 meters away and that's the

613  
00:28:24,290 --> 00:28:21,900

end that's that's the end okay what

614

00:28:27,530 --> 00:28:24,300

happened did did Bigfoot eat you it was

615

00:28:30,710 --> 00:28:27,540

it a Bigfoot Hey did he have a face was

616

00:28:38,600 --> 00:28:30,720

it a bear walking with nut brown color

617

00:28:40,640 --> 00:28:38,610
