

UFO Headline News Saturday/Sunday January 17th & 18th, 2018

Listen on

inceptionradionetwork.com

1
00:00:07,039 --> 00:00:04,090

[Music]

2
00:00:09,470 --> 00:00:07,049

welcome welcome to UFO headline news

3
00:00:11,900 --> 00:00:09,480

with me Heidi Hollis where everyday I

4
00:00:14,900 --> 00:00:11,910

aim to bring you the latest in UFO

5
00:00:19,370 --> 00:00:14,910

reports and other fascinating stories

6
00:00:24,050 --> 00:00:19,380

from around the globe today is Saturday

7
00:00:27,920 --> 00:00:24,060

February 17th yippee the weekend has

8
00:00:30,439 --> 00:00:27,930

arrived oh and on Fridays at 8 p.m.

9
00:00:32,780 --> 00:00:30,449

Central Standard Time be sure to join me

10
00:00:34,280 --> 00:00:32,790

for my talk-show the Outlander where I

11
00:00:37,250 --> 00:00:34,290

answer your emails take your calls and

12
00:00:39,680 --> 00:00:37,260

interview some intriguing guests just go

13
00:00:42,290 --> 00:00:39,690

to Heidi Hollis dot-com for more

14

00:00:44,959 --> 00:00:42,300

information for the Outlander show and

15

00:00:48,529 --> 00:00:44,969

also check out my paranormal comic strip

16

00:00:52,090 --> 00:00:48,539

I do I draw and I write called the

17

00:00:55,729 --> 00:00:52,100

Outlanders at the Outlanders comic

18

00:00:58,189 --> 00:00:55,739

dot-com oh I tell you my life is never

19

00:01:02,540 --> 00:00:58,199

boring and I enjoy all of it mm-hmm I'm

20

00:01:05,509 --> 00:01:02,550

one of those people blasting off with

21

00:01:06,890 --> 00:01:05,519

some UFO reports oh I love these things

22

00:01:09,050 --> 00:01:06,900

I love reading about it because it's

23

00:01:11,630 --> 00:01:09,060

just I learned so much beautiful

24

00:01:15,890 --> 00:01:11,640

sighting in Universal City Texas this

25

00:01:19,429 --> 00:01:15,900

occurred December 24th 2017 oval-shaped

26

00:01:23,929 --> 00:01:19,439

object bottom portion glowing top part

27

00:01:25,820 --> 00:01:23,939

dark - black picture okay so this object

28

00:01:28,340 --> 00:01:25,830

on the evening of December 24th

29

00:01:30,800 --> 00:01:28,350

Universal City Texas at around 8:30 p.m.

30

00:01:33,230 --> 00:01:30,810

I took my dogs outside and continued to

31

00:01:35,870 --> 00:01:33,240

watch over them then in the west corner

32

00:01:38,600 --> 00:01:35,880

of my yard I spotted an eerily bright

33

00:01:40,249 --> 00:01:38,610

light peeking through the trees I walked

34

00:01:42,520 --> 00:01:40,259

towards it in order to get a closer look

35

00:01:46,399 --> 00:01:42,530

and it seemed to me and obviously

36

00:01:48,440 --> 00:01:46,409

bizarre horizontal crescent shape on

37

00:01:51,710 --> 00:01:48,450

closer inspection it looked to be a

38

00:01:55,190 --> 00:01:51,720

solid oval-shaped object with its bottom

39

00:01:58,310 --> 00:01:55,200

half glowing even though by instinct I

40

00:01:59,660 --> 00:01:58,320

knew it was not a normal life I began to

41

00:02:02,389 --> 00:01:59,670

reason that it was probably a

42

00:02:05,510 --> 00:02:02,399

streetlight in the distance the object

43

00:02:08,479 --> 00:02:05,520

at this point in my view was below the

44

00:02:11,390 --> 00:02:08,489

tree line I then proceeded to disregard

45

00:02:13,460 --> 00:02:11,400

it for a whole 10 minutes while I was in

46

00:02:16,850 --> 00:02:13,470

the yard the problem

47

00:02:19,760 --> 00:02:16,860

not the best idea I did keep partial

48

00:02:22,430 --> 00:02:19,770

watch over it though I observed that it

49

00:02:25,460 --> 00:02:22,440

was completely still in silent didn't

50

00:02:28,340 --> 00:02:25,470

move a centimeter from my view and made

51
00:02:30,770 --> 00:02:28,350
absolutely no noise even though it gave

52
00:02:33,560 --> 00:02:30,780
off a very bright light the brightness

53
00:02:35,870 --> 00:02:33,570
seemed contained so it didn't light up

54
00:02:38,300 --> 00:02:35,880
anything around it after about 10

55
00:02:40,520 --> 00:02:38,310
minutes of walking and dancing hey I was

56
00:02:43,070 --> 00:02:40,530
bored around the yard I let my dogs back

57
00:02:46,100 --> 00:02:43,080
inside the house I took my eyes off of

58
00:02:48,560 --> 00:02:46,110
it for maybe 30 seconds while in my

59
00:02:50,360 --> 00:02:48,570
house I was still very curious about

60
00:02:52,790 --> 00:02:50,370
this bright object so I walked back

61
00:02:56,900 --> 00:02:52,800
outside and made a beeline to the area I

62
00:03:00,140 --> 00:02:56,910
saw it before right then I saw something

63
00:03:03,410 --> 00:03:00,150

above me from the corner of my eye I

64

00:03:07,190 --> 00:03:03,420

looked up and wow I wasn't looking at

65

00:03:11,540 --> 00:03:07,200

the object had moved across half my yard

66

00:03:12,350 --> 00:03:11,550

and was now in the sky high up above the

67

00:03:16,060 --> 00:03:12,360

treeline

68

00:03:19,580 --> 00:03:16,070

it was also much closer to me now it

69

00:03:22,820 --> 00:03:19,590

scared the hell out of me okay let's

70

00:03:26,300 --> 00:03:22,830

just say it it was even then very still

71

00:03:28,460 --> 00:03:26,310

and emitted no noise I pulled out my

72

00:03:30,979 --> 00:03:28,470

phone and took two pictures of it oh you

73

00:03:32,870 --> 00:03:30,989

got some the first time turned out clear

74

00:03:36,290 --> 00:03:32,880

but there seems to be another light in

75

00:03:39,110 --> 00:03:36,300

the picture no idea what that is also

76
00:03:41,090 --> 00:03:39,120
even though to my eye the illuminated

77
00:03:43,670 --> 00:03:41,100
part of the object appeared to be

78
00:03:45,920 --> 00:03:43,680
crescent shape my phone picked it up to

79
00:03:47,750 --> 00:03:45,930
be a different shape when I tried to

80
00:03:51,740 --> 00:03:47,760
take a second photo the object on my

81
00:03:55,220 --> 00:03:51,750
screen turned to a full glowing circle

82
00:04:00,140 --> 00:03:55,230
and then my whole phone screen lit up

83
00:04:02,600 --> 00:04:00,150
white wow that photo came out black I

84
00:04:05,300 --> 00:04:02,610
assumed it didn't want me to take

85
00:04:08,870 --> 00:04:05,310
pictures and since I was also thoroughly

86
00:04:09,890 --> 00:04:08,880
freaked out and alone I rushed back

87
00:04:12,080 --> 00:04:09,900
inside

88
00:04:16,370 --> 00:04:12,090

I checked after two minutes to see if it

89

00:04:18,680 --> 00:04:16,380

was gone it was I had no idea how large

90

00:04:21,440 --> 00:04:18,690

the object was and had no reference

91

00:04:24,170 --> 00:04:21,450

points to gauge its distance from me I

92

00:04:27,140 --> 00:04:24,180

think that was possibly watching me

93

00:04:30,170 --> 00:04:27,150

since it only moved when I briefly

94

00:04:31,610 --> 00:04:30,180

when inside oh that is that is so

95

00:04:34,670 --> 00:04:31,620

purposeful how many times do we hear

96

00:04:36,740 --> 00:04:34,680

about this guys right right alright yeah

97

00:04:38,300 --> 00:04:36,750

okay all right guess what I want to

98

00:04:40,670 --> 00:04:38,310

click on this one because that just

99

00:04:42,409 --> 00:04:40,680

sounded too cool so we're gonna

100

00:04:44,120 --> 00:04:42,419

experience this together and let's hope

101
00:04:45,980 --> 00:04:44,130
the pictures are there and that somebody

102
00:04:49,180 --> 00:04:45,990
did not remove them oh there's a photo

103
00:04:53,740 --> 00:04:49,190
there is a photo okay this is raw

104
00:05:00,439 --> 00:04:53,750
happening right now as I'm pulling it oh

105
00:05:02,810 --> 00:05:00,449
wow you guys and there is a second oh

106
00:05:06,710 --> 00:05:02,820
and there is a second photo looks like a

107
00:05:08,270 --> 00:05:06,720
smashed face I mean like you can you can

108
00:05:10,790 --> 00:05:08,280
there is a second light I mean not a

109
00:05:13,790 --> 00:05:10,800
second photo Wow

110
00:05:15,790 --> 00:05:13,800
well I could understand it this person

111
00:05:18,379 --> 00:05:15,800
was a little bit freaked it's a cool

112
00:05:23,180 --> 00:05:18,389
photo oh you guys gonna check that one

113
00:05:25,010 --> 00:05:23,190

out the link UFO headline news calm whoa

114

00:05:27,950 --> 00:05:25,020

okay UFO sighting in Mount Pleasant

115

00:05:29,990 --> 00:05:27,960

Pennsylvania and 2018 this occurred

116

00:05:32,180 --> 00:05:30,000

February 4th I was looking out of the

117

00:05:34,490 --> 00:05:32,190

kitchen window when odd and extremely

118

00:05:36,529 --> 00:05:34,500

bright orbits appeared hovering they

119

00:05:38,960 --> 00:05:36,539

were in a perfect alignment while

120

00:05:41,240 --> 00:05:38,970

watching them others appeared I called

121

00:05:44,719 --> 00:05:41,250

for my wife we went outside and watched

122

00:05:46,879 --> 00:05:44,729

them until they disappeared my dog woke

123

00:05:49,040 --> 00:05:46,889

me up to go outside this is a normal

124

00:05:51,740 --> 00:05:49,050

routine for him I always look outside at

125

00:05:54,320 --> 00:05:51,750

the bird feeder to check for deer this

126
00:05:56,689 --> 00:05:54,330
extremely bright orbit appeared I

127
00:05:58,730 --> 00:05:56,699
thought at first it was a LifeFlight

128
00:06:01,909 --> 00:05:58,740
helicopter it didn't move then two other

129
00:06:04,189 --> 00:06:01,919
orbits appeared they were in a perfect

130
00:06:06,890 --> 00:06:04,199
alignment with each other straight up

131
00:06:10,790 --> 00:06:06,900
and down they started to move as they

132
00:06:13,730 --> 00:06:10,800
were attached to each other then another

133
00:06:17,029 --> 00:06:13,740
identical line of orbits three in each

134
00:06:19,850 --> 00:06:17,039
line a total of four lines evenly spaced

135
00:06:23,060 --> 00:06:19,860
I ran out the back door calling for my

136
00:06:26,450 --> 00:06:23,070
wife she joined me outside I pointed at

137
00:06:29,300 --> 00:06:26,460
the formation we stood there and watched

138
00:06:32,029 --> 00:06:29,310

this formation travel from the southeast

139

00:06:34,370 --> 00:06:32,039

towards a northern track it was like

140

00:06:38,510 --> 00:06:34,380

they were all connected the spacing

141

00:06:40,519 --> 00:06:38,520

between each orbit and each line was

142

00:06:44,809 --> 00:06:40,529

evenly spaced the middle or

143

00:06:45,529 --> 00:06:44,819

but would just disappear then in a blink

144

00:06:48,049 --> 00:06:45,539

of an eye

145

00:06:51,049 --> 00:06:48,059

they would be there they suddenly turned

146

00:06:53,169 --> 00:06:51,059

to the northeast as a single unit they

147

00:06:55,849 --> 00:06:53,179

traveled towards Kecksburg Pennsylvania

148

00:06:58,069 --> 00:06:55,859

then in a single movement each line

149

00:07:01,419 --> 00:06:58,079

suddenly disappeared as fast as they

150

00:07:04,159 --> 00:07:01,429

appeared it was like watching Star Trek

151

00:07:07,879 --> 00:07:04,169

my wife turned to me and said these

152

00:07:12,139 --> 00:07:07,889

words I saw an ancient aliens and hangar

153

00:07:17,599 --> 00:07:12,149

1 is a farce we are not alone they are

154

00:07:20,899 --> 00:07:17,609

real we were barefooted and in our PJs

155

00:07:23,749 --> 00:07:20,909

standing on ice it didn't realize this

156

00:07:26,809 --> 00:07:23,759

she stated there is a reason people

157

00:07:28,909 --> 00:07:26,819

don't get these events on film you don't

158

00:07:31,339 --> 00:07:28,919

think of it you just stand there in

159

00:07:33,589 --> 00:07:31,349

amazement of it all she doesn't want to

160

00:07:36,799 --> 00:07:33,599

talk about it or wants anybody to know

161

00:07:38,869 --> 00:07:36,809

about it oh gosh we learned so much when

162

00:07:42,469 --> 00:07:38,879

people talk about it if everybody spoke

163

00:07:45,079 --> 00:07:42,479

we'd be singing in harmony I saw it too

164

00:07:48,589 --> 00:07:45,089

you saw it three I mean really come on

165

00:07:51,079 --> 00:07:48,599

now it's more more common than not

166

00:07:54,879 --> 00:07:51,089

really okay your full sighting in oh

167

00:07:57,769 --> 00:07:54,889

gosh what a name bellinzona casino

168

00:08:00,859 --> 00:07:57,779

somewhere I don't know this occurred

169

00:08:03,229 --> 00:08:00,869

February 6 2018 hovered at same place

170

00:08:06,019 --> 00:08:03,239

then turned slightly to left flew

171

00:08:09,229 --> 00:08:06,029

abruptly fast to south hovered again and

172

00:08:11,569 --> 00:08:09,239

descended unnaturally quick to a hill

173

00:08:13,189 --> 00:08:11,579

after my dinner with my wife at home I

174

00:08:15,859 --> 00:08:13,199

decided to take a short walk after

175

00:08:17,839 --> 00:08:15,869

eating for supporting my stomach's

176

00:08:19,969 --> 00:08:17,849

digestion mm-hmm

177

00:08:22,099 --> 00:08:19,979

as I was almost done with my walk about

178

00:08:24,529 --> 00:08:22,109

200 meters away from my house I decided

179

00:08:28,369 --> 00:08:24,539

to look into the sky to see if there

180

00:08:30,979 --> 00:08:28,379

were any stars visible as it was already

181

00:08:33,309 --> 00:08:30,989

dark I saw forward lights in the sky at

182

00:08:37,639 --> 00:08:33,319

the very same spot and everywhere else

183

00:08:39,829 --> 00:08:37,649

nothing than darkness this four lights

184

00:08:41,959 --> 00:08:39,839

were forming a shape like the

185

00:08:45,860 --> 00:08:41,969

second-class Star Destroyers from Star

186

00:08:48,530 --> 00:08:45,870

Wars get out okay one white light was on

187

00:08:50,389 --> 00:08:48,540

the nose of the spacecraft two white

188

00:08:52,700 --> 00:08:50,399

lights on the end of the outer sides

189

00:08:55,520 --> 00:08:52,710

like wings and one at the end

190

00:08:58,340 --> 00:08:55,530

these lights were hovering for about one

191

00:09:03,590 --> 00:08:58,350

minute but two of them became red during

192

00:09:06,380 --> 00:09:03,600

hovering after all four lights started

193

00:09:08,900 --> 00:09:06,390

to move the spacecraft a bit to the left

194

00:09:11,810 --> 00:09:08,910

after one light after another started to

195

00:09:14,840 --> 00:09:11,820

fly away quickly behind a mountain soon

196

00:09:17,750 --> 00:09:14,850

all four lights disappeared I got goose

197

00:09:20,630 --> 00:09:17,760

bumps as it seemed unnatural for me and

198

00:09:25,130 --> 00:09:20,640

I couldn't hear any engine noise at all

199

00:09:27,380 --> 00:09:25,140

I worked in the air military for air

200

00:09:29,660 --> 00:09:27,390

defense forces and I was trained to

201
00:09:32,120 --> 00:09:29,670
identify even in darkness aircrafts of

202
00:09:35,750 --> 00:09:32,130
all different countries within two

203
00:09:38,180 --> 00:09:35,760
seconds but something like this I never

204
00:09:40,190 --> 00:09:38,190
saw before it wasn't a drone a

205
00:09:42,140 --> 00:09:40,200
helicopter and airplane or gliders for

206
00:09:44,720 --> 00:09:42,150
sure as the lights disappeared behind

207
00:09:47,300 --> 00:09:44,730
the mountain I continued to walk home in

208
00:09:49,520 --> 00:09:47,310
about a minute later after they came

209
00:09:51,440 --> 00:09:49,530
again from behind the mountain started

210
00:09:53,840 --> 00:09:51,450
to hover again for about 30 seconds

211
00:09:56,000 --> 00:09:53,850
during that moment an airplane from my

212
00:09:58,900 --> 00:09:56,010
right was flying towards me and I

213
00:10:01,550 --> 00:09:58,910

recognized it immediately this civil

214

00:10:03,890 --> 00:10:01,560

single-engine aircraft by its lights I

215

00:10:05,900 --> 00:10:03,900

even heard an engine noises but that

216

00:10:08,990 --> 00:10:05,910

other lights didn't make any noise at

217

00:10:11,870 --> 00:10:09,000

all they were still hovering and at once

218

00:10:14,630 --> 00:10:11,880

one after another went into such a fast

219

00:10:17,210 --> 00:10:14,640

descent that it was unnatural how quick

220

00:10:19,550 --> 00:10:17,220

that descent was even a falling stone

221

00:10:22,700 --> 00:10:19,560

from the sky would fall slower I

222

00:10:25,550 --> 00:10:22,710

couldn't see a landing see it landing

223

00:10:27,800 --> 00:10:25,560

because during those approach the lights

224

00:10:29,930 --> 00:10:27,810

went down behind some high buildings and

225

00:10:32,420 --> 00:10:29,940

I couldn't follow them I was staying

226

00:10:33,950 --> 00:10:32,430

there and waiting if the lights would

227

00:10:36,710 --> 00:10:33,960

come again but I didn't see them anymore

228

00:10:39,530 --> 00:10:36,720

I also checked the next military airport

229

00:10:41,570 --> 00:10:39,540

tower I listened to the radio to see if

230

00:10:44,630 --> 00:10:41,580

there is any radio communications from

231

00:10:47,240 --> 00:10:44,640

pilots around the airport but frequency

232

00:10:49,250 --> 00:10:47,250

was all evening completely noiseless I

233

00:10:53,120 --> 00:10:49,260

asked myself if I'm crazy because of

234

00:10:56,840 --> 00:10:53,130

what I witnessed but I'm 100% sure that

235

00:11:00,350 --> 00:10:56,850

what I saw can't be just imagination

236

00:11:02,320 --> 00:11:00,360

it was real and I have no explanation at

237

00:11:03,780 --> 00:11:02,330

all

238

00:11:07,900 --> 00:11:03,790

that's from somebody who could recognize

239

00:11:10,050 --> 00:11:07,910

anything in two seconds from any country

240

00:11:12,670 --> 00:11:10,060

that should tell you something right

241

00:11:14,950 --> 00:11:12,680

black triangle sighting in Hamilton

242

00:11:19,360 --> 00:11:14,960

Montana this is a UFO blaster the past

243

00:11:22,990 --> 00:11:19,370

has occurred March 31st 2002 undefined

244

00:11:26,800 --> 00:11:23,000

object passed slowly overhead with no

245

00:11:30,910 --> 00:11:26,810

environmental impact I am an 80 year old

246

00:11:32,860 --> 00:11:30,920

currently who was about 70 at the time

247

00:11:37,870 --> 00:11:32,870

experienced in close association with

248

00:11:40,180 --> 00:11:37,880

both recep and jet aircraft my property

249

00:11:42,190 --> 00:11:40,190

has both residents and shop with

250

00:11:45,010 --> 00:11:42,200

computer in shop when unable to sleep

251
00:11:48,100 --> 00:11:45,020
due to neuropathy would go out to shop

252
00:11:51,550 --> 00:11:48,110
to use computer distance between the two

253
00:11:54,790 --> 00:11:51,560
approximately 35 yards on level area

254
00:11:58,080 --> 00:11:54,800
house oriented east and west for solar

255
00:12:00,910 --> 00:11:58,090
gain and shop is north and south of

256
00:12:03,580 --> 00:12:00,920
necessity relevance will become apparent

257
00:12:07,630 --> 00:12:03,590
all senses fully functional and

258
00:12:10,270 --> 00:12:07,640
drug-free cute no glasses required for

259
00:12:12,460 --> 00:12:10,280
distance vision oh you're lucky I was

260
00:12:14,650 --> 00:12:12,470
raised on a military installation that

261
00:12:16,690 --> 00:12:14,660
developed guided missiles and rockets in

262
00:12:18,700 --> 00:12:16,700
them comfortable and familiar with that

263
00:12:23,140 --> 00:12:18,710

environment the few people I related

264

00:12:24,970 --> 00:12:23,150

this to gave me that look so I just stop

265

00:12:27,370 --> 00:12:24,980

saying anything to anyone

266

00:12:31,090 --> 00:12:27,380

my spouse believe me she is now deceased

267

00:12:33,910 --> 00:12:31,100

it is my desire to have this recent or

268

00:12:37,320 --> 00:12:33,920

this event reported somewhere that it

269

00:12:40,740 --> 00:12:37,330

will be a lasting matter of record so

270

00:12:43,150 --> 00:12:40,750

right or wrong it is being left with you

271

00:12:45,280 --> 00:12:43,160

transcription being unable to sleep I'd

272

00:12:47,770 --> 00:12:45,290

gone over to the shop to use the

273

00:12:50,020 --> 00:12:47,780

computer and feeling sleepy again had

274

00:12:52,420 --> 00:12:50,030

shut everything down and exited the

275

00:12:55,020 --> 00:12:52,430

building closing the door as was my

276

00:12:58,270 --> 00:12:55,030

standard practice critter country I

277

00:13:00,520 --> 00:12:58,280

stood for a time estimated approximately

278

00:13:03,700 --> 00:13:00,530

10 minutes to allow my night vision to

279

00:13:06,520 --> 00:13:03,710

return and survey the area and savor the

280

00:13:09,400 --> 00:13:06,530

experience there is no finer experience

281

00:13:12,370 --> 00:13:09,410

moonless night my place is located on

282

00:13:15,079 --> 00:13:12,380

the hillside at approximately 4500

283

00:13:17,360 --> 00:13:15,089

elevation looking up at the stars

284

00:13:20,480 --> 00:13:17,370

I bet that's beautiful always such a

285

00:13:22,340 --> 00:13:20,490

sight and looking well

286

00:13:25,340 --> 00:13:22,350

across the valley approximately one and

287

00:13:28,129 --> 00:13:25,350

a half miles toward a locally prominent

288

00:13:32,660 --> 00:13:28,139

mountain max elevation approximately 11

289

00:13:35,840 --> 00:13:32,670

kilometers I saw a quote hole in the

290

00:13:38,960 --> 00:13:35,850

Stars that didn't belong looking further

291

00:13:41,900 --> 00:13:38,970

at it I saw three small but distinctive

292

00:13:44,660 --> 00:13:41,910

lights moving towards me in fixed

293

00:13:47,989 --> 00:13:44,670

relations describing what would be a

294

00:13:50,269 --> 00:13:47,999

triangle or a dart shape that seemed to

295

00:13:53,210 --> 00:13:50,279

be moving directly towards me at the

296

00:13:55,730 --> 00:13:53,220

time it might have been just west of the

297

00:13:58,730 --> 00:13:55,740

opposite side of the valley the front

298

00:14:01,309 --> 00:13:58,740

point light disappeared a moment or two

299

00:14:04,639 --> 00:14:01,319

later the furthest further most light on

300

00:14:06,860 --> 00:14:04,649

what was my left disappeared and almost

301
00:14:08,720 --> 00:14:06,870
immediately reappeared on what was my

302
00:14:11,090 --> 00:14:08,730
right side in close proximity to the

303
00:14:13,129 --> 00:14:11,100
other light it then passed the other

304
00:14:15,199 --> 00:14:13,139
light and then it turned back and toward

305
00:14:17,869 --> 00:14:15,209
the left disappeared once more and

306
00:14:20,239 --> 00:14:17,879
reappeared on the left side there is no

307
00:14:22,790 --> 00:14:20,249
change in intensity and all movements

308
00:14:27,139 --> 00:14:22,800
were smooth the front light later

309
00:14:29,360 --> 00:14:27,149
remained out or was obscured as it moved

310
00:14:31,929 --> 00:14:29,370
towards me the distance between the rear

311
00:14:37,389 --> 00:14:31,939
lights increased for a short time and

312
00:14:41,179 --> 00:14:37,399
then disappeared narrative in complete

313
00:14:45,189 --> 00:14:41,189

Wow well alright that was uh I was

314

00:14:49,639 --> 00:14:45,199

interesting okay next UFO sighting I

315

00:14:55,309 --> 00:14:49,649

cannot pronounce this what is this and

316

00:14:59,629 --> 00:14:55,319

it's in Idaho Coeur D Alene there's an

317

00:15:01,450 --> 00:14:59,639

apostrophe and stuff so cool d alene ID

318

00:15:04,240 --> 00:15:01,460

aha

319

00:15:07,750 --> 00:15:04,250

what a matchup and what a t-mike

320

00:15:10,269 --> 00:15:07,760

MetroPCS in the iPhone se for \$0 on a

321

00:15:10,780 --> 00:15:10,279

network that covers 99% of people in the

322

00:15:14,650 --> 00:15:10,790

US

323

00:15:16,750 --> 00:15:14,660

oho impressive play with the best switch

324

00:15:19,440 --> 00:15:16,760

to metro pcs and an unlimited LTE plan

325

00:15:21,670 --> 00:15:19,450

and get a 32 gig iPhone se for \$0

326

00:15:23,079 --> 00:15:21,680

MetroPCS covers not available in some

327

00:15:24,340 --> 00:15:23,089

areas plus sales tax claim based on

328

00:15:25,329 --> 00:15:24,350

talking text not knowledge or active

329

00:15:26,829 --> 00:15:25,339

numbers currently on the t-mobile

330

00:15:28,449 --> 00:15:26,839

network or active on metro pcs in the

331

00:15:31,960 --> 00:15:28,459

past 90 days C store for details in

332

00:15:36,610 --> 00:15:31,970

terms conditions this kurd way back when

333

00:15:41,079 --> 00:15:36,620

October 17th 1978 October I'm saying

334

00:15:46,060 --> 00:15:41,089

October ok object raises vertically from

335

00:15:48,760 --> 00:15:46,070

underwater zips off horizontally okay

336

00:15:51,370 --> 00:15:48,770

on the October evening and just after

337

00:15:53,440 --> 00:15:51,380

dinner my wife and I stood on second

338

00:15:55,389 --> 00:15:53,450

floor porch of a house my parents owned

339

00:15:58,449 --> 00:15:55,399

and we were looking out west over a

340

00:16:00,310 --> 00:15:58,459

chordee Arlene Lake after a while we

341

00:16:05,490 --> 00:16:00,320

noticed a spot on the lake that was

342

00:16:09,550 --> 00:16:05,500

glowing underwater then an oval glowing

343

00:16:12,970 --> 00:16:09,560

greenish white object rose out of the

344

00:16:16,540 --> 00:16:12,980

water and water ran off the sides

345

00:16:20,920 --> 00:16:16,550

briefly and the object rose vertically

346

00:16:24,430 --> 00:16:20,930

and very slowly and at a height above

347

00:16:27,730 --> 00:16:24,440

the lake of maybe a half mile it stopped

348

00:16:31,170 --> 00:16:27,740

briefly and while watching it there was

349

00:16:33,579 --> 00:16:31,180

suddenly a white solid tapering line

350

00:16:36,760 --> 00:16:33,589

horizontally from the point the object

351
00:16:39,490 --> 00:16:36,770
stopped to the horizon in the northwest

352
00:16:42,490 --> 00:16:39,500
the object apparently moved so fast that

353
00:16:45,610 --> 00:16:42,500
it looked like a very straight white

354
00:16:48,190 --> 00:16:45,620
lightning bolt we were both so shocked

355
00:16:51,640 --> 00:16:48,200
that we said did you see that and agreed

356
00:16:55,660 --> 00:16:51,650
yes we never talked about it again for

357
00:16:59,110 --> 00:16:55,670
many years it seems so unreal yet so

358
00:17:01,750 --> 00:16:59,120
vividly real that images in my mind are

359
00:17:03,340 --> 00:17:01,760
as clear as if it happened today the

360
00:17:06,610 --> 00:17:03,350
image of my mind is a lot more

361
00:17:09,100 --> 00:17:06,620
convincing that 90% of the questionable

362
00:17:13,059 --> 00:17:09,110
snapshots or videos I have ever seen on

363
00:17:14,670 --> 00:17:13,069

TV in books or on the Internet the date

364

00:17:17,550 --> 00:17:14,680

of this event is approximate

365

00:17:20,100 --> 00:17:17,560

as at this time I distinctly remember it

366

00:17:23,310 --> 00:17:20,110

was mid-october the time was just after

367

00:17:27,810 --> 00:17:23,320

sunset so I don't know the exact time 40

368

00:17:30,090 --> 00:17:27,820

years later how amazing is that that is

369

00:17:32,010 --> 00:17:30,100

a that's a mind-blowing one Wow all

370

00:17:35,160 --> 00:17:32,020

right this next one UFO sighting in Ajax

371

00:17:38,340 --> 00:17:35,170

Ontario has occurred February 5th 2018

372

00:17:40,860 --> 00:17:38,350

large glowing orange orb observed going

373

00:17:42,360 --> 00:17:40,870

west to east along northern shore of

374

00:17:45,210 --> 00:17:42,370

Lake Ontario

375

00:17:48,120 --> 00:17:45,220

I live in Ajax Ontario just west of

376

00:17:51,390 --> 00:17:48,130

Harwood about a quarter mile from north

377

00:17:54,540 --> 00:17:51,400

shore of Lake Ontario last night at

378

00:17:57,270 --> 00:17:54,550

about 7:35 p.m. I was looking south out

379

00:18:01,710 --> 00:17:57,280

my backyard patio door when I saw a

380

00:18:04,560 --> 00:18:01,720

large orange orb approaching slowly from

381

00:18:06,630 --> 00:18:04,570

the south-southwest this area is in the

382

00:18:09,360 --> 00:18:06,640

flight path of Toronto's Pearson Airport

383

00:18:11,730 --> 00:18:09,370

which is about 35 kilometers west of

384

00:18:13,260 --> 00:18:11,740

Ajax and I'm very familiar with the air

385

00:18:15,930 --> 00:18:13,270

traffic in the area which typically

386

00:18:18,270 --> 00:18:15,940

moves west to east takeoff or vice versa

387

00:18:19,890 --> 00:18:18,280

landing there were no flashing

388

00:18:21,990 --> 00:18:19,900

navigation lights and the object was

389

00:18:24,650 --> 00:18:22,000

about the size of a penny held at arm's

390

00:18:27,120 --> 00:18:24,660

length with its Lumosity

391

00:18:28,910 --> 00:18:27,130

remaining bright but constant throughout

392

00:18:32,190 --> 00:18:28,920

the sighting it approached a slowing

393

00:18:34,610 --> 00:18:32,200

approach slowing from South from over

394

00:18:38,040 --> 00:18:34,620

Lake Ontario to the northerly direction

395

00:18:40,830 --> 00:18:38,050

under the cloud cover at an altitude of

396

00:18:42,330 --> 00:18:40,840

about 500 2,000 feet I brought the

397

00:18:43,920 --> 00:18:42,340

object to my wife's attention and we

398

00:18:46,500 --> 00:18:43,930

watched the object as it changed

399

00:18:47,730 --> 00:18:46,510

direction slightly and proceeded at

400

00:18:50,100 --> 00:18:47,740

about the same altitude and speed

401
00:18:51,810 --> 00:18:50,110
following the lakeshore moving west to

402
00:18:53,760 --> 00:18:51,820
east I asked my wife for her cell phone

403
00:18:55,080 --> 00:18:53,770
so I could take pictures and by the time

404
00:18:57,690 --> 00:18:55,090
she had given me the phone that object

405
00:18:59,970 --> 00:18:57,700
had moved west about a kilometer or two

406
00:19:05,600 --> 00:18:59,980
along the shoreline until it disappeared

407
00:19:06,800 --> 00:19:05,610
beyond my line of sight wow that that's

408
00:19:09,290 --> 00:19:06,810
unbelievable

409
00:19:12,150 --> 00:19:09,300
alright this next one UFO sighting in

410
00:19:15,740 --> 00:19:12,160
Bayfield Wisconsin this apparent

411
00:19:20,430 --> 00:19:15,750
February 5th 2018 two objects hovering

412
00:19:24,090 --> 00:19:20,440
one to the right was all red lights 7

413
00:19:25,980 --> 00:19:24,100

the other white blue green yellow one

414

00:19:28,799 --> 00:19:25,990
with red lights moved east then

415

00:19:30,899 --> 00:19:28,809
disappeared to

416

00:19:32,340 --> 00:19:30,909
hovering one to the right was all red

417

00:19:34,139 --> 00:19:32,350
light so they're just repeating one

418

00:19:36,119 --> 00:19:34,149
different went okay is there something

419

00:19:37,950 --> 00:19:36,129
else then disappeared the multicolored

420

00:19:40,470 --> 00:19:37,960
when hovered for about 45 minutes then

421

00:19:44,129 --> 00:19:40,480
disappeared also it was approximately a

422

00:19:48,320 --> 00:19:44,139
mile out over the Lake Superior between

423

00:19:49,639 --> 00:19:48,330
bass or bass Island and Madeline Island

424

00:19:51,899 --> 00:19:49,649
okay

425

00:19:54,389 --> 00:19:51,909
next UFO sighting in Jacksonville

426

00:19:57,180 --> 00:19:54,399

Florida this occurred February 6 2018

427

00:19:58,649 --> 00:19:57,190

my son noticed this white object flying

428

00:20:01,739 --> 00:19:58,659

above us on the way to school this

429

00:20:03,149 --> 00:20:01,749

morning on the way walking my son to

430

00:20:06,359 --> 00:20:03,159

school this morning he pointed out a

431

00:20:08,820 --> 00:20:06,369

slow-moving white object flying above us

432

00:20:11,190 --> 00:20:08,830

heading north from our direction I

433

00:20:12,960 --> 00:20:11,200

thought it looked odd compared to the

434

00:20:15,720 --> 00:20:12,970

planes I see on a daily basis in the

435

00:20:18,600 --> 00:20:15,730

area so I picked up my phone and started

436

00:20:20,609 --> 00:20:18,610

recording it I recorded only a short

437

00:20:22,799 --> 00:20:20,619

time then had to get my son to school

438

00:20:25,350 --> 00:20:22,809

and the object went behind the trees and

439

00:20:27,239 --> 00:20:25,360

couldn't see it after that I can't

440

00:20:29,279 --> 00:20:27,249

figure out how to send the movie on here

441

00:20:33,119 --> 00:20:29,289

for my phone so I will have to send it

442

00:20:35,369 --> 00:20:33,129

to the MUFON email address that'ss

443

00:20:37,379 --> 00:20:35,379

that's pretty cool huh a lot of neat

444

00:20:42,419 --> 00:20:37,389

sightings people are taking in these

445

00:20:45,139 --> 00:20:42,429

days I tell you all right now on to one

446

00:20:49,440 --> 00:20:45,149

of my favorite things is to talk about

447

00:20:51,629 --> 00:20:49,450

paranormal points very very very cool

448

00:20:53,310 --> 00:20:51,639

and freaky Paris and all paranormal

449

00:20:57,359 --> 00:20:53,320

stories that people are experiencing I

450

00:21:00,359 --> 00:20:57,369

do not read the stuff in advance but I'm

451

00:21:01,619 --> 00:21:00,369

often findings really cool stories all

452

00:21:05,159 --> 00:21:01,629

right this one is called sleep paralysis

453

00:21:08,999 --> 00:21:05,169

per gesh progression progression my

454

00:21:11,909 --> 00:21:09,009

mouth nevermind since the summer 2015

455

00:21:14,039 --> 00:21:11,919

I was kindly reminded to the messed up

456

00:21:15,539 --> 00:21:14,049

situations I experienced this person

457

00:21:17,850 --> 00:21:15,549

that experienced this is describing

458

00:21:20,489 --> 00:21:17,860

after digging around I found out I

459

00:21:23,100 --> 00:21:20,499

suffer from sleep paralysis though

460

00:21:24,950 --> 00:21:23,110

science can explain most of the physical

461

00:21:28,019 --> 00:21:24,960

symptoms through the blocking of the

462

00:21:29,759 --> 00:21:28,029

motion center of the brain so you don't

463

00:21:32,039 --> 00:21:29,769

jump out of the window or do some other

464

00:21:34,619 --> 00:21:32,049

crazy stuff as you're dreaming the brain

465

00:21:37,680 --> 00:21:34,629

knocks out all movement in favor of you

466

00:21:40,350 --> 00:21:37,690

being safe you meanwhile experience this

467

00:21:42,390 --> 00:21:40,360

as a pressure on the chest heaviness and

468

00:21:44,550 --> 00:21:42,400

often a sense of evil

469

00:21:46,860 --> 00:21:44,560

in the room supposedly because your

470

00:21:49,140 --> 00:21:46,870

brain is switching between REM sleep and

471

00:21:51,750 --> 00:21:49,150

waking up and your body hasn't read the

472

00:21:53,940 --> 00:21:51,760

memo yet it leaves you paralyzed

473

00:21:56,190 --> 00:21:53,950

well it's comfortable to explain away

474

00:21:58,590 --> 00:21:56,200

the boogeyman literally Amen

475

00:22:00,690 --> 00:21:58,600

I had this how I feel when you suffer

476
00:22:01,710 --> 00:22:00,700
from sleep paralysis it's a whole other

477
00:22:04,230 --> 00:22:01,720
story

478
00:22:06,690 --> 00:22:04,240
maybe it's the not being able to move

479
00:22:09,390 --> 00:22:06,700
part leaving you helpless that makes

480
00:22:09,840 --> 00:22:09,400
these nightmares hit home so hard the

481
00:22:13,650 --> 00:22:09,850
weird

482
00:22:17,220 --> 00:22:13,660
oh mama tur really piques when you wake

483
00:22:21,450 --> 00:22:17,230
up carrying actual marks from injuries

484
00:22:24,720 --> 00:22:21,460
you receive in a so-called dream this is

485
00:22:27,180 --> 00:22:24,730
the second time that I received actual

486
00:22:29,850 --> 00:22:27,190
damage during one of these sleep

487
00:22:32,070 --> 00:22:29,860
paralysis and this is what makes it more

488
00:22:34,710 --> 00:22:32,080

difficult to rationalize the first

489

00:22:38,730 --> 00:22:34,720

injury I received while being stabbed in

490

00:22:42,000 --> 00:22:38,740

the shoulder by a famed shadow now

491

00:22:43,320 --> 00:22:42,010

shadow people is the study I named

492

00:22:45,990 --> 00:22:43,330

shadow people if you guys don't know

493

00:22:48,090 --> 00:22:46,000

that shadow people appear to be a common

494

00:22:51,720 --> 00:22:48,100

occurrence in sleep paralysis that

495

00:22:54,840 --> 00:22:51,730

injury is actually is healing and only

496

00:22:57,090 --> 00:22:54,850

hurts when I'm feeling low after that

497

00:22:59,040 --> 00:22:57,100

dream I started training to learn to

498

00:23:01,410 --> 00:22:59,050

control my dreams and wake up when I

499

00:23:03,270 --> 00:23:01,420

want to this actually worked out pretty

500

00:23:05,850 --> 00:23:03,280

well I only had a handful of episodes

501
00:23:08,280 --> 00:23:05,860
and being in control of my dream

502
00:23:11,460 --> 00:23:08,290
actually made it pretty fun to beat the

503
00:23:12,240 --> 00:23:11,470
living snot out of the nightmares I used

504
00:23:14,130 --> 00:23:12,250
to do that too

505
00:23:16,350 --> 00:23:14,140
occasionally one nightmare sneaked

506
00:23:19,730 --> 00:23:16,360
through but I didn't have the feeling

507
00:23:21,870 --> 00:23:19,740
the wheels were coming off anymore

508
00:23:24,660 --> 00:23:21,880
learning to control the dreams was

509
00:23:27,090 --> 00:23:24,670
actually really fun going completely neo

510
00:23:29,730 --> 00:23:27,100
on your own nightmares is pretty awesome

511
00:23:32,160 --> 00:23:29,740
it's not the truth you guys you know

512
00:23:34,140 --> 00:23:32,170
where Neil comes from right okay now

513
00:23:36,330 --> 00:23:34,150

last Friday the 28th of October

514

00:23:39,180 --> 00:23:36,340

something new happened which puts the

515

00:23:40,860 --> 00:23:39,190

doubt back in me I was visiting my

516

00:23:43,440 --> 00:23:40,870

parents sleeping in the room I used to

517

00:23:45,360 --> 00:23:43,450

have I was having a normal dream you

518

00:23:47,850 --> 00:23:45,370

know the more blurry kind that doesn't

519

00:23:51,200 --> 00:23:47,860

always have to make sense everything is

520

00:23:54,390 --> 00:23:51,210

normal when out of the background

521

00:23:55,570 --> 00:23:54,400

personas in the dream a woman dressed as

522

00:23:58,750 --> 00:23:55,580

a doctor steps

523

00:24:02,590 --> 00:23:58,760

closer I don't know where she stabs a

524

00:24:04,990 --> 00:24:02,600

syringe in my neck the dream shifts from

525

00:24:09,730 --> 00:24:05,000

the blurry dream quality to a badly lit

526
00:24:13,060 --> 00:24:09,740
version of my childhood house for those

527
00:24:15,220 --> 00:24:13,070
who know saving private ryan' it's sort

528
00:24:17,740 --> 00:24:15,230
of like the way that sound returns after

529
00:24:20,350 --> 00:24:17,750
one of the shock moments the character

530
00:24:22,450 --> 00:24:20,360
played by Tom Hanks has ah so you're

531
00:24:25,990 --> 00:24:22,460
like stunned and things go quiet okay I

532
00:24:28,000 --> 00:24:26,000
get it the needle hurts like it's really

533
00:24:30,880 --> 00:24:28,010
there and I find trouble breathing at

534
00:24:33,100 --> 00:24:30,890
this point I know I am dreaming trying

535
00:24:36,760 --> 00:24:33,110
to wake up but I can't I can hardly move

536
00:24:38,380 --> 00:24:36,770
the woman turns around and says that's

537
00:24:41,710 --> 00:24:38,390
just to help you relax

538
00:24:44,920 --> 00:24:41,720

now just go with it oh and don't mind

539

00:24:48,010 --> 00:24:44,930

the bugs they're poisonous she walks

540

00:24:49,450 --> 00:24:48,020

away fading I just stand there holding

541

00:24:51,610 --> 00:24:49,460

my neck completely out of breath

542

00:24:53,950 --> 00:24:51,620

thinking this is a dream I'm not

543

00:24:58,060 --> 00:24:53,960

supposed to feel out of breath while a

544

00:25:00,940 --> 00:24:58,070

tarantula the size of a small dog drops

545

00:25:04,120 --> 00:25:00,950

from the ceiling and starts to slowly

546

00:25:06,490 --> 00:25:04,130

crawl towards me I tried taking control

547

00:25:08,980 --> 00:25:06,500

of the dream trying to think to

548

00:25:11,980 --> 00:25:08,990

disappear then to step away to another

549

00:25:14,260 --> 00:25:11,990

dream myself than to wake up but nothing

550

00:25:17,020 --> 00:25:14,270

works so I tried to run up the stairs

551
00:25:19,630 --> 00:25:17,030
search for a way out the stuff from the

552
00:25:22,870 --> 00:25:19,640
syringe flowing through me feels like a

553
00:25:25,330 --> 00:25:22,880
sedative and makes me slow and really

554
00:25:28,990 --> 00:25:25,340
tired I just know I don't want to

555
00:25:32,710 --> 00:25:29,000
wrestle a dog sighs tarantula so I push

556
00:25:37,360 --> 00:25:32,720
on up the stairs the Beast is in pursuit

557
00:25:39,070 --> 00:25:37,370
well air-quote running huh air-quote I

558
00:25:42,190 --> 00:25:39,080
don't know what that means running up

559
00:25:45,160 --> 00:25:42,200
the stairs I remember I'm actually

560
00:25:47,620 --> 00:25:45,170
sleeping up there so maybe I could jump

561
00:25:49,330 --> 00:25:47,630
into my bed and wake up there I push on

562
00:25:51,880 --> 00:25:49,340
getting more tired and tired from

563
00:25:55,630 --> 00:25:51,890

forcing through whatever was slowing me

564

00:25:57,340 --> 00:25:55,640

down if you ever hit the gym or went

565

00:26:00,040 --> 00:25:57,350

running after one of those nights you

566

00:26:02,650 --> 00:26:00,050

swear never to drink again and turn that

567

00:26:04,600 --> 00:26:02,660

to 11 you might get the picture I

568

00:26:07,240 --> 00:26:04,610

arrived at my bed ready to jump in only

569

00:26:09,340 --> 00:26:07,250

to see that instead of a mattress

570

00:26:12,419 --> 00:26:09,350

it's a terrain iam full

571

00:26:15,279 --> 00:26:12,429

of scorpions oh heck no I remember

572

00:26:17,950 --> 00:26:15,289

exhausting my considerable swear word

573

00:26:21,250 --> 00:26:17,960

vocabulary screaming that this is not

574

00:26:23,320 --> 00:26:21,260

fair only to be jumped by the tarantula

575

00:26:28,810 --> 00:26:23,330

and falling backwards into the terrain

576

00:26:30,940 --> 00:26:28,820

iam getting both bitten and stung now

577

00:26:34,090 --> 00:26:30,950

I've never been stung by scorpions or

578

00:26:37,330 --> 00:26:34,100

bitten by tarantulas I just know this

579

00:26:39,960 --> 00:26:37,340

really stung then I wake up with a

580

00:26:43,419 --> 00:26:39,970

hurting neck the bites fading away

581

00:26:49,169 --> 00:26:43,429

feeling in my neck I noticed two things

582

00:26:53,529 --> 00:26:49,179

it still hurts even now five days later

583

00:26:55,600 --> 00:26:53,539

there is a small knob deep under the

584

00:26:58,600 --> 00:26:55,610

skin of my neck on top of the muscle

585

00:27:01,270 --> 00:26:58,610

tissue though the knob disappeared after

586

00:27:03,580 --> 00:27:01,280

two days the hurting hasn't and if you

587

00:27:05,560 --> 00:27:03,590

should ever wake from a dream that

588

00:27:08,140 --> 00:27:05,570

actually hurt and continues hurting

589

00:27:10,810 --> 00:27:08,150

after waking up and you know it's deeply

590

00:27:13,750 --> 00:27:10,820

disturbing now I know most people might

591

00:27:18,000 --> 00:27:13,760

not believe this or put it on the mind

592

00:27:23,560 --> 00:27:18,010

makes it real but if there is no spoon

593

00:27:25,210 --> 00:27:23,570

why does my neck still hurt hmm yep I

594

00:27:26,529 --> 00:27:25,220

called those waking dreams where they

595

00:27:29,740 --> 00:27:26,539

just seem so real it's hard to believe

596

00:27:33,220 --> 00:27:29,750

that it didn't happen and that's not a

597

00:27:36,060 --> 00:27:33,230

very alien there our doctor quote doctor

598

00:27:38,980 --> 00:27:36,070

like beings that show up and that will

599

00:27:40,600 --> 00:27:38,990

inject something and tell you something

600

00:27:43,149 --> 00:27:40,610

horrific and give you your worst case

601
00:27:46,740 --> 00:27:43,159
scenario to see how you react to see if

602
00:27:50,529 --> 00:27:46,750
you can be pushed to the other edge of

603
00:27:52,149 --> 00:27:50,539
psychosis honestly and yeah and the

604
00:27:53,560 --> 00:27:52,159
shadow beings that was interesting that

605
00:27:55,750 --> 00:27:53,570
you had that to a lot of people who have

606
00:27:57,850 --> 00:27:55,760
experienced alien like encounters have

607
00:27:58,390 --> 00:27:57,860
also had shadow people encounters go

608
00:28:01,840 --> 00:27:58,400
figure

609
00:28:04,480 --> 00:28:01,850
mm-hmm crazy crazy stuff so sorry that

610
00:28:06,010 --> 00:28:04,490
person dealt with us well I have to tell

611
00:28:07,750 --> 00:28:06,020
you guys thank you so much for listening

612
00:28:09,460 --> 00:28:07,760
to UFO headline news with me Heidi

613
00:28:11,740 --> 00:28:09,470

Hollis and be sure to check out UFO

614

00:28:13,990 --> 00:28:11,750

headline news com every single day and

615

00:28:16,659 --> 00:28:14,000

tune in to my other two weekly shows the

616

00:28:19,299 --> 00:28:16,669

Outlander on Fridays Kevin cook show I

617

00:28:21,130 --> 00:28:19,309

co-host on Tuesdays both shows can be

618

00:28:22,190 --> 00:28:21,140

heard at 9:00 p.m. Eastern a p.m.

619

00:28:23,600 --> 00:28:22,200

central and

620

00:28:26,510 --> 00:28:23,610

see my paranormal comic strip the

621

00:28:28,610 --> 00:28:26,520

Outlanders at the Outlanders comic calm

622

00:28:31,730 --> 00:28:28,620

everything I mentioned here can be found

623

00:28:34,400 --> 00:28:31,740

at Heidi Hollis calm or in exception

624

00:28:35,450 --> 00:28:34,410

Radio Network calm if you've experienced

625

00:28:37,550 --> 00:28:35,460

something out of the ordinary and want

626

00:28:39,800 --> 00:28:37,560

some level-headed advice or if you've

627

00:28:47,240 --> 00:28:39,810

seen a UFO and want to share be sure to

628

00:28:49,220 --> 00:28:47,250

write me at you h n remember always to

629

00:29:01,970 --> 00:28:49,230

keep an open mind so you can stay

630

00:29:05,750 --> 00:29:01,980

informed what a matchup and what a team

631

00:29:08,150 --> 00:29:05,760

mike metro pcs in the iPhone se for \$0

632

00:29:11,900 --> 00:29:08,160

on a network that covers 99% of people

633

00:29:14,030 --> 00:29:11,910

in the u.s. wholly impressive play with

634

00:29:15,950 --> 00:29:14,040

the best switch to metro pcs and an

635

00:29:18,680 --> 00:29:15,960

unlimited LTE plan and get a 32 gig

636

00:29:20,300 --> 00:29:18,690

iphone se for zero dollars not your pcs

637

00:29:21,860 --> 00:29:20,310

covers not available in some areas plus

638

00:29:23,240 --> 00:29:21,870

sales tax claim based on talking text

639

00:29:24,560 --> 00:29:23,250

not now interactive numbers currently on

640

00:29:26,180 --> 00:29:24,570

the t-mobile network are active on metro
