tonight's categories are ghosts in

38  
00:02:53,020 --> 00:02:50,480

haunted places the urban legends

39

00:02:55,430 --> 00:02:53,030

tonight's guest paranormal historian and

40

00:02:58,100 --> 00:02:55,440

investigator Alison Jearlyn from

41

00:03:01,970 --> 00:02:58,110

Milwaukee ghost tours she also doesn't

42

00:03:04,580 --> 00:03:01,980

lectures on these subjects Jenna I have

43

00:03:06,770 --> 00:03:04,590

seen her speak at the more paranormal

44

00:03:07,520 --> 00:03:06,780

conference and also at the Chicago Coast

45

00:03:11,060 --> 00:03:07,530

Conference

46

00:03:14,450 --> 00:03:11,070

and we enjoyed those very much she also

47

00:03:19,010 --> 00:03:14,460

won the 2016 Wisconsin researcher of the

48

00:03:21,500 --> 00:03:19,020

Year award two years and of course she

49

00:03:24,050 --> 00:03:21,510

has personally investigated literally

50

00:03:26,690 --> 00:03:24,060

dozens plural of the recent Chicago

51  
00:03:28,640 --> 00:03:26,700  
flying phantom sightings boots on the

52  
00:03:32,980 --> 00:03:28,650  
ground doing quality investigating

53  
00:03:35,570 --> 00:03:32,990  
trying to verify any of these reports

54  
00:03:39,160 --> 00:03:35,580  
she'll share findings regarding those

55  
00:03:41,560 --> 00:03:39,170  
investigations with us as we go along so

56  
00:03:44,750 --> 00:03:41,570  
shall we bring her out yes

57  
00:03:47,060 --> 00:03:44,760  
Allison are you with us yes I am

58  
00:03:49,460 --> 00:03:47,070  
hi thank you so much for having me on oh

59  
00:03:58,900 --> 00:03:49,470  
you're most welcome thank you for coming

60  
00:04:00,920 --> 00:03:58,910  
out well since we uh see ya since we uh

61  
00:04:03,860 --> 00:04:00,930  
since this is your first time on the

62  
00:04:06,710 --> 00:04:03,870  
nonpareil universe which was long

63  
00:04:11,600 --> 00:04:06,720

overdue by the wick and les sake we're

64

00:04:13,070 --> 00:04:11,610

going to start with the most popular

65

00:04:17,030 --> 00:04:13,080

question I think that we saw that we

66

00:04:18,740 --> 00:04:17,040

asked those that come on for the first

67

00:04:20,870 --> 00:04:18,750

time which is just how did you get into

68

00:04:25,310 --> 00:04:20,880

the involved in internal research and

69

00:04:27,590 --> 00:04:25,320

investigating and yeah well I've always

70

00:04:31,520 --> 00:04:27,600

been interested in the essential

71

00:04:35,450 --> 00:04:31,530

questions like you know why are we here

72

00:04:37,600 --> 00:04:35,460

what happens after we die are we alone

73

00:04:41,570 --> 00:04:37,610

in the universe I mean these things

74

00:04:44,930 --> 00:04:41,580

always captivated me from you know

75

00:04:47,900 --> 00:04:44,940

probably about fourth grade on I would

76  
00:04:50,930 --> 00:04:47,910  
read anything about you know ghosts and

77  
00:04:55,100 --> 00:04:50,940  
Bigfoot and the Loch Ness monster and

78  
00:04:58,880 --> 00:04:55,110  
UFOs I mean this this was a pervasive

79  
00:05:01,700 --> 00:04:58,890  
interest of mine and yeah I always

80  
00:05:04,550 --> 00:05:01,710  
wanted to do something about it but it

81  
00:05:09,230 --> 00:05:04,560  
didn't quite know what and and I'm I'm

82  
00:05:11,740 --> 00:05:09,240  
kind of upset that I didn't know you

83  
00:05:15,230 --> 00:05:11,750  
know some of the people that I know now

84  
00:05:17,360 --> 00:05:15,240  
because I think as a kid you know as

85  
00:05:19,760 --> 00:05:17,370  
kids we could have had a great Scooby

86  
00:05:23,089 --> 00:05:19,770  
Gang going you know it

87  
00:05:25,799 --> 00:05:23,099  
we connect you know in the earlier age

88  
00:05:28,769 --> 00:05:25,809

you know I just wish we could go back in

89

00:05:31,079 --> 00:05:28,779

time and do that but yeah you know from

90

00:05:33,239 --> 00:05:31,089

childhood these questions have really

91

00:05:35,639 --> 00:05:33,249

captivated me and I just can't believe

92

00:05:38,249 --> 00:05:35,649

you know they don't care evade more

93

00:05:42,809 --> 00:05:38,259

people wanting to know you know what

94

00:05:46,070 --> 00:05:42,819

lies beyond I know you have a keen

95

00:05:50,669 --> 00:05:46,080

interest in paranormal history

96

00:05:53,029 --> 00:05:50,679

yeah I've got to turn the volume down I

97

00:05:59,129 --> 00:05:53,039

might fall intense ring into the back

98

00:06:01,609 --> 00:05:59,139

Hey anyways up yeah I know you have keen

99

00:06:06,059 --> 00:06:01,619

interest in paranormal history as doobie

100

00:06:09,329 --> 00:06:06,069

I know you mentioned pair of origins

101  
00:06:13,409 --> 00:06:09,339  
like God Kathryn Eric crow and Harry

102  
00:06:15,869 --> 00:06:13,419  
price yeah inspirations like that plus

103  
00:06:20,070 --> 00:06:15,879  
you're an educator there's all that in

104  
00:06:23,999 --> 00:06:20,080  
fact to the Alice equation yeah well I

105  
00:06:26,969 --> 00:06:24,009  
am a fourth grade teacher and you know

106  
00:06:32,159 --> 00:06:26,979  
so I'm warping young minds on a daily

107  
00:06:35,040 --> 00:06:32,169  
basis or shaping young minds you know

108  
00:06:38,100 --> 00:06:35,050  
how you look at it but yeah you know

109  
00:06:41,909 --> 00:06:38,110  
kids love this stuff and I love it too

110  
00:06:42,480 --> 00:06:41,919  
and so I mean that really works hand in

111  
00:06:46,129 --> 00:06:42,490  
hand

112  
00:06:49,109 --> 00:06:46,139  
you know exploration of the unknown and

113  
00:06:52,679 --> 00:06:49,119

learning really really go together

114

00:06:56,779 --> 00:06:52,689

together while I find that this this

115

00:07:00,929 --> 00:06:56,789

sense of inquiry and this this wonder

116

00:07:06,540 --> 00:07:00,939

you know that you that I try to inspire

117

00:07:09,509 --> 00:07:06,550

kids with as well I mean it I mean

118

00:07:13,529 --> 00:07:09,519

really in the classroom you know being

119

00:07:16,170 --> 00:07:13,539

into the paranormal and having lots of

120

00:07:19,259 --> 00:07:16,180

friends in the paranormal you know it's

121

00:07:25,079 --> 00:07:19,269

what you used to be a classroom rockstar

122

00:07:28,730 --> 00:07:25,089

really so it as I said it works it works

123

00:07:32,180 --> 00:07:28,740

hand in hand and yeah I mean definitely

124

00:07:37,890 --> 00:07:34,560

researchers researching those who have

125

00:07:41,939 --> 00:07:37,900

gone before and in paranormal research

126  
00:07:45,270 --> 00:07:41,949  
inspires me as well because I think you

127  
00:07:47,640 --> 00:07:45,280  
know we can learn so much from those

128  
00:07:49,469 --> 00:07:47,650  
that were there before us and then we

129  
00:07:51,120 --> 00:07:49,479  
shouldn't forget the past you know we

130  
00:07:55,770 --> 00:07:51,130  
don't want to be doomed to repeat the

131  
00:07:58,200 --> 00:07:55,780  
the the past you know instead we can

132  
00:07:59,790 --> 00:07:58,210  
learn from it and you know stand on the

133  
00:08:03,540 --> 00:07:59,800  
shoulders of giants and that's what I

134  
00:08:06,420 --> 00:08:03,550  
try to do you know it amazes me how many

135  
00:08:08,219 --> 00:08:06,430  
people out there in the paranormal don't

136  
00:08:12,000 --> 00:08:08,229  
realize how far back some of this stuff

137  
00:08:14,719 --> 00:08:12,010  
goes yeah and there are people who don't

138  
00:08:17,390 --> 00:08:14,729

realize it's been study academically and

139

00:08:22,170 --> 00:08:17,400

you know I'm just all kinds of things

140

00:08:24,270 --> 00:08:22,180

yeah yeah you know it's up and you do

141

00:08:26,520 --> 00:08:24,280

and the first time I came across any of

142

00:08:29,040 --> 00:08:26,530

your work that was the very first thing

143

00:08:31,140 --> 00:08:29,050

I notice Wow who's this I gotta check

144

00:08:34,350 --> 00:08:31,150

this top oh well thank you for saying

145

00:08:36,750 --> 00:08:34,360

that yeah you know I I'm glad that that

146

00:08:40,170 --> 00:08:36,760

you appreciate that because I think a

147

00:08:43,019 --> 00:08:40,180

lot of people lose sight of the past and

148

00:08:44,820 --> 00:08:43,029

you know they're just looking at today

149

00:08:47,840 --> 00:08:44,830

which you know there's a lot we can

150

00:08:49,920 --> 00:08:47,850

learn today but you know don't forget

151

00:08:53,430 --> 00:08:49,930

all the people who have made

152

00:08:56,519 --> 00:08:53,440

contributions in the past I mean they

153

00:09:00,810 --> 00:08:56,529

can enrich you know what you're learning

154

00:09:03,420 --> 00:09:00,820

right now and you know I think um as a

155

00:09:06,810 --> 00:09:03,430

whole our society doesn't much

156

00:09:09,269 --> 00:09:06,820

appreciate you know what happened you

157

00:09:12,150 --> 00:09:09,279

know maybe even six months ago or or a

158

00:09:15,900 --> 00:09:12,160

few years back you know when you go a

159

00:09:18,810 --> 00:09:15,910

few decades it's surprising how much

160

00:09:20,970 --> 00:09:18,820

people have forgotten and then if you go

161

00:09:24,260 --> 00:09:20,980

and further back you know a hundred

162

00:09:28,140 --> 00:09:24,270

years 200 years you know it's really

163

00:09:30,990 --> 00:09:28,150

people treated like ancient history when

164

00:09:34,079 --> 00:09:31,000

it's really not that long ago and you

165

00:09:36,660 --> 00:09:34,089

know like Victorian times for you know

166

00:09:39,630 --> 00:09:36,670

the Victorian age for for instance still

167

00:09:41,850 --> 00:09:39,640

influences so much of our thinking today

168

00:09:44,160 --> 00:09:41,860

and and most people just don't even

169

00:09:46,050 --> 00:09:44,170

realize that at all

170

00:09:48,690 --> 00:09:46,060

I you know I think in other countries

171

00:09:51,780 --> 00:09:48,700

like in Europe there's there's more of

172

00:09:55,320 --> 00:09:51,790

an appreciation of the past but you know

173

00:09:58,140 --> 00:09:55,330

here in the United States it's really a

174

00:10:00,840 --> 00:09:58,150

nassima you know and I'm not quite sure

175

00:10:04,140 --> 00:10:00,850

why that is but I think we have to

176

00:10:07,080 --> 00:10:04,150

connect with the past and you know with

177

00:10:10,110 --> 00:10:07,090

the spirit of those who have gone before

178

00:10:11,880 --> 00:10:10,120

either you know actually connecting with

179

00:10:14,310 --> 00:10:11,890

the spirits that I've gone before or

180

00:10:19,170 --> 00:10:14,320

metaphorically you still can learn

181

00:10:22,010 --> 00:10:19,180

something and you know ah stop still you

182

00:10:24,750 --> 00:10:22,020

like the old stuff and I noticed a lot

183

00:10:28,860 --> 00:10:24,760

old stuff that gets buried and forgotten

184

00:10:31,530 --> 00:10:28,870

about will get rediscovered this happens

185

00:10:34,940 --> 00:10:31,540

I think in all the areas of the unknown

186

00:10:37,500 --> 00:10:34,950

and unexplained you know aha

187

00:10:41,730 --> 00:10:37,510

for me it's cool as a you know as a

188

00:10:42,930 --> 00:10:41,740

parent stirring also to uh you know find

189

00:10:47,150 --> 00:10:42,940

like you don't come across something

190

00:10:50,330 --> 00:10:47,160

like just not even two weeks ago

191

00:10:53,130 --> 00:10:50,340

Jennifer and myself came across mob ties

192

00:10:55,860 --> 00:10:53,140

Summerland nobody had ever talked about

193

00:10:59,670 --> 00:10:55,870

this you know and here it is in a old

194

00:11:02,370 --> 00:10:59,680

book by Tom Hollis you know who is the

195

00:11:04,890 --> 00:11:02,380

you know other Wisconsin's original era

196

00:11:06,510 --> 00:11:04,900

nhoa story and I guess yeah how I refer

197

00:11:07,920 --> 00:11:06,520

you I mean and here it's right in this

198

00:11:10,320 --> 00:11:07,930

book and and everyone's forgotten about

199

00:11:12,810 --> 00:11:10,330

it and so old book on our shelf and this

200

00:11:14,550 --> 00:11:12,820

decided eh do it again after uh you know

201  
00:11:16,110 --> 00:11:14,560  
not reading it for years and it's like

202  
00:11:17,970 --> 00:11:16,120  
damn it's just right there and it's just

203  
00:11:20,580 --> 00:11:17,980  
you know Wow yes

204  
00:11:23,670 --> 00:11:20,590  
yeah and that happens all the time yeah

205  
00:11:26,540 --> 00:11:23,680  
we can't afford to you know lose sight

206  
00:11:31,710 --> 00:11:26,550  
of that stuff that there there's so much

207  
00:11:32,730 --> 00:11:31,720  
in history that can inform what we're

208  
00:11:36,060 --> 00:11:32,740  
doing right now

209  
00:11:37,650 --> 00:11:36,070  
and you know more people really need to

210  
00:11:42,710 --> 00:11:37,660  
have an appreciation for it I'm glad

211  
00:11:53,550 --> 00:11:50,130  
you're also I would Steve very practical

212  
00:11:54,300 --> 00:11:53,560  
and uh that's what I'm looking for just

213  
00:11:56,310 --> 00:11:54,310

down-to-earth

214

00:11:57,929 --> 00:11:56,320

you talked a little bit about the the

215

00:12:03,329 --> 00:11:57,939

balance between the skeptical side

216

00:12:09,779 --> 00:12:03,339

typical methods side let's say the para

217

00:12:13,369 --> 00:12:09,789

sociology or even metaphysics balance in

218

00:12:17,279 --> 00:12:13,379

between up I guess that helped him that

219

00:12:20,749 --> 00:12:17,289

see you sometimes talk about well I mean

220

00:12:25,769 --> 00:12:20,759

I really struggled with it personally

221

00:12:28,379 --> 00:12:25,779

you know as you know being being

222

00:12:30,359 --> 00:12:28,389

involved in the paranormal you know

223

00:12:32,579 --> 00:12:30,369

you're gonna get it from both sides

224

00:12:37,409 --> 00:12:32,589

you're gonna get people coming to you

225

00:12:40,739 --> 00:12:37,419

with wild claims all the time that you

226

00:12:42,809 --> 00:12:40,749

know it's it's tough I mean don't get me

227

00:12:47,039 --> 00:12:42,819

wrong I really want to believe I really

228

00:12:52,319 --> 00:12:47,049

really do but I you know I I don't want

229

00:12:54,749 --> 00:12:52,329

to delude myself you know I want to go

230

00:12:58,499 --> 00:12:54,759

after things that where there's really a

231

00:13:00,569 --> 00:12:58,509

basic basis for a discovery there you

232

00:13:04,349 --> 00:13:00,579

know I don't want to make things up and

233

00:13:08,309 --> 00:13:04,359

you know I don't want to have you know

234

00:13:13,289 --> 00:13:08,319

wishing be what I'm doing I mean I I

235

00:13:15,899 --> 00:13:13,299

want I want the I want it to be there

236

00:13:17,639 --> 00:13:15,909

right and if it's not there it's not it

237

00:13:22,349 --> 00:13:17,649

doesn't mean that it doesn't mean that

238

00:13:24,659 --> 00:13:22,359

it doesn't exist it just I just mean we

239

00:13:26,429 --> 00:13:24,669

have to accept that you know sometimes

240

00:13:29,909 --> 00:13:26,439

with the paranormal you're gonna be able

241

00:13:33,239 --> 00:13:29,919

to you know find something and sometimes

242

00:13:37,439 --> 00:13:33,249

you won't and and that's okay so but as

243

00:13:40,469 --> 00:13:37,449

I said I've really struggled myself with

244

00:13:42,869 --> 00:13:40,479

with this balance because you know like

245

00:13:45,899 --> 00:13:42,879

I said y'all people coming at you with

246

00:13:48,089 --> 00:13:45,909

wild claims and then there's people that

247

00:13:50,939 --> 00:13:48,099

are just perfectly willing to throw the

248

00:13:53,999 --> 00:13:50,949

baby out with the bathwater which isn't

249

00:13:58,499 --> 00:13:54,009

valid either you know and that I I think

250

00:14:02,099 --> 00:13:58,509

we I think people just give so-called

251  
00:14:04,919 --> 00:14:02,109  
skeptics who are really cynics a little

252  
00:14:07,049 --> 00:14:04,929  
bit too much airtime because just

253  
00:14:11,269 --> 00:14:07,059  
denying everything isn't a valid

254  
00:14:14,989 --> 00:14:11,279  
approach either because you

255  
00:14:17,360 --> 00:14:14,999  
for a while I think I I did that I had

256  
00:14:21,829 --> 00:14:17,370  
to become you know so jaded with

257  
00:14:24,249 --> 00:14:21,839  
people's claims and and just seeing you

258  
00:14:27,170 --> 00:14:24,259  
know how ridiculous things can be and

259  
00:14:28,850 --> 00:14:27,180  
then I began you know having

260  
00:14:32,449 --> 00:14:28,860  
extraordinary experiences and just

261  
00:14:35,360 --> 00:14:32,459  
discounting them and and explaining them

262  
00:14:38,420 --> 00:14:35,370  
away and and thankfully now I've had

263  
00:14:40,579 --> 00:14:38,430

enough experiences to be able to say you

264

00:14:44,030 --> 00:14:40,589

know what there is some there there

265

00:14:46,549 --> 00:14:44,040

there is something going on and that

266

00:14:49,489 --> 00:14:46,559

doesn't mean I believe everything but it

267

00:14:53,139 --> 00:14:49,499

doesn't mean I give room for the

268

00:14:56,960 --> 00:14:53,149

extraordinary and I think we all have to

269

00:14:59,299 --> 00:14:56,970

match up and what a t-mike MetroPCS in

270

00:15:01,369 --> 00:14:59,309

the iPhone se for zero dollars on a

271

00:15:05,360 --> 00:15:01,379

network that covers 99 percent of people

272

00:15:05,840 --> 00:15:05,370

in the US for impressive play with the

273

00:15:08,030 --> 00:15:05,850

best

274

00:15:11,019 --> 00:15:08,040

switch to metro pcs and an unlimited LTE

275

00:15:13,220 --> 00:15:11,029

plan and get a 32 gig iPhone se for \$0

276

00:15:14,629 --> 00:15:13,230

MetroPCS covers not available in some

277

00:15:15,920 --> 00:15:14,639

areas plus sales tax claim based on

278

00:15:16,850 --> 00:15:15,930

talking text not knowledge or active

279

00:15:18,410 --> 00:15:16,860

numbers currently on the t-mobile

280

00:15:19,999 --> 00:15:18,420

network are active on metro pcs in the

281

00:15:23,119 --> 00:15:20,009

past 90 days C store for details and

282

00:15:25,730 --> 00:15:23,129

terms conditions do that we all have to

283

00:15:29,740 --> 00:15:25,740

say you know what there are things still

284

00:15:32,960 --> 00:15:29,750

to be discovered and there is something

285

00:15:35,179 --> 00:15:32,970

to some of these claims and we shouldn't

286

00:15:39,889 --> 00:15:35,189

just throw it out and you know going the

287

00:15:42,799 --> 00:15:39,899

whole James Randi camp where we just

288

00:15:46,970 --> 00:15:42,809

disbelieve things as a matter of course

289

00:15:49,730 --> 00:15:46,980

I I mean that's a that's um a deluded

290

00:15:52,879 --> 00:15:49,740

point of view as well and you know you

291

00:15:58,040 --> 00:15:52,889

gotta drive yourself into the center and

292

00:15:59,569 --> 00:15:58,050

and stay there stay on the fence you

293

00:16:02,059 --> 00:15:59,579

know not teetering towards the either

294

00:16:09,379 --> 00:16:02,069

side but you know looking straight ahead

295

00:16:11,600 --> 00:16:09,389

and that's what I try to do well said so

296

00:16:13,489 --> 00:16:11,610

I'm gonna try to try the next the try

297

00:16:17,809 --> 00:16:13,499

I'm going to try the next question and

298

00:16:19,009 --> 00:16:17,819

see the following question okay I guess

299

00:16:20,389 --> 00:16:19,019

I'll start with the first question you

300

00:16:23,509 --> 00:16:20,399

get the second question after you answer

301  
00:16:24,950 --> 00:16:23,519  
the first and that is and I've seen you

302  
00:16:29,180 --> 00:16:24,960  
write about this

303  
00:16:31,370 --> 00:16:29,190  
- and this is something else I have a

304  
00:16:34,310 --> 00:16:31,380  
common interest in and the question is

305  
00:16:41,150 --> 00:16:34,320  
what fascinates you the most regarding

306  
00:16:48,620 --> 00:16:41,160  
culture and para sociology hmm well

307  
00:16:51,370 --> 00:16:48,630  
that's a big one I think okay so what

308  
00:16:57,440 --> 00:16:51,380  
what I would say is is cross-cultural

309  
00:17:01,490 --> 00:16:57,450  
connections like I'm really into stories

310  
00:17:03,650 --> 00:17:01,500  
of the little people because even though

311  
00:17:06,340 --> 00:17:03,660  
people think you know I'm sure people

312  
00:17:10,730 --> 00:17:06,350  
are listening right now saying whoa

313  
00:17:13,730 --> 00:17:10,740

fairies that's crazy and and hey I'm not

314

00:17:17,299 --> 00:17:13,740

saying they definitely exist but but I

315

00:17:20,360 --> 00:17:17,309

am saying Wow you know look at the fact

316

00:17:23,750 --> 00:17:20,370

that you know we have in the United

317

00:17:30,040 --> 00:17:23,760

States indigenous cultures native people

318

00:17:33,260 --> 00:17:30,050

who have stories of these others these

319

00:17:35,990 --> 00:17:33,270

beings that live beside us that they

320

00:17:40,669 --> 00:17:36,000

call the little people or you know

321

00:17:43,280 --> 00:17:40,679

various various terms equate to that and

322

00:17:48,200 --> 00:17:43,290

then of course you have Ireland with

323

00:17:52,820 --> 00:17:48,210

their rich history of fairies and then

324

00:17:55,730 --> 00:17:52,830

you look at Iceland and there are people

325

00:17:58,760 --> 00:17:55,740

there there there's a majority of the

326

00:18:02,330 --> 00:17:58,770

population there in Iceland which

327

00:18:06,460 --> 00:18:02,340

believes in else and I was interviewing

328

00:18:09,740 --> 00:18:06,470

for my youtube channel which is

329

00:18:11,419 --> 00:18:09,750

youtube.com slash Mothman of course

330

00:18:13,669 --> 00:18:11,429

there's a lot of Mothman videos on there

331

00:18:16,520 --> 00:18:13,679

which I'm sure we'll get to in a little

332

00:18:20,090 --> 00:18:16,530

bit but there's also a playlist for

333

00:18:22,730 --> 00:18:20,100

other paranormal interviews and one of

334

00:18:28,790 --> 00:18:22,740

the interviews I did recently was I

335

00:18:32,330 --> 00:18:28,800

interviewed the leader of the headmaster

336

00:18:37,909 --> 00:18:32,340

of the elf school and Reykjavik Iceland

337

00:18:38,659 --> 00:18:37,919

oh wow yeah his name is Magnus and he is

338

00:18:40,519 --> 00:18:38,669

a parent

339

00:18:43,580 --> 00:18:40,529

normal investigator and has been for

340

00:18:48,830 --> 00:18:43,590

many many years since his college days

341

00:18:53,119 --> 00:18:48,840

and he is now an alder and he's talked

342

00:18:55,879 --> 00:18:53,129

to me about Icelandic beliefs and the

343

00:18:59,570 --> 00:18:55,889

Icelandic belief and else and he said

344

00:19:01,369 --> 00:18:59,580

you know Alice and the reason why we

345

00:19:04,970 --> 00:19:01,379

believe in elves is this is a very

346

00:19:08,899 --> 00:19:04,980

close-knit culture and everybody here in

347

00:19:12,440 --> 00:19:08,909

Iceland knows someone who has had a real

348

00:19:16,249 --> 00:19:12,450

experience with elves that's why they

349

00:19:19,129 --> 00:19:16,259

they cannot shake it they still hold to

350

00:19:25,009 --> 00:19:19,139

that belief even though a large majority

351  
00:19:28,220 --> 00:19:25,019  
of the population believes that there is

352  
00:19:32,720 --> 00:19:28,230  
no God I mean they're a theists but they

353  
00:19:35,359 --> 00:19:32,730  
believe in elves so and the reason for

354  
00:19:38,779 --> 00:19:35,369  
that is you know even though they're

355  
00:19:42,649 --> 00:19:38,789  
rational you know they can't they cannot

356  
00:19:45,649 --> 00:19:42,659  
deny something that you know they've

357  
00:19:50,090 --> 00:19:45,659  
grown up with in their families and

358  
00:19:52,970 --> 00:19:50,100  
through their friends this this knowing

359  
00:19:55,849 --> 00:19:52,980  
that elves are real and that elves have

360  
00:19:59,629 --> 00:19:55,859  
real relationships with families over

361  
00:20:04,009 --> 00:19:59,639  
there and you know this is something

362  
00:20:06,129 --> 00:20:04,019  
that has gone on for centuries so yeah I

363  
00:20:09,889 --> 00:20:06,139

think that's what fascinates me the most

364

00:20:13,220 --> 00:20:09,899

you know that's one example of these

365

00:20:16,340 --> 00:20:13,230

cross cultural connections as they

366

00:20:19,070 --> 00:20:16,350

relate to the paranormal and you know

367

00:20:21,979 --> 00:20:19,080

the you got these diverse cultures which

368

00:20:25,729 --> 00:20:21,989

essentially believe the same thing and

369

00:20:28,310 --> 00:20:25,739

have the same type of stories now you

370

00:20:30,440 --> 00:20:28,320

got to look closely at that because you

371

00:20:33,799 --> 00:20:30,450

know people in Iceland you know they

372

00:20:36,470 --> 00:20:33,809

weren't necessarily talking to you know

373

00:20:43,129 --> 00:20:36,480

native people here their job way and the

374

00:20:46,009 --> 00:20:43,139

Menominee so or in Hawaii the the

375

00:20:48,229 --> 00:20:46,019

Menehune which are essentially once

376

00:20:51,710 --> 00:20:48,239

again the little people

377

00:20:52,400 --> 00:20:51,720

so these diverse cultures it's not

378

00:20:54,860 --> 00:20:52,410

likely

379

00:20:57,290 --> 00:20:54,870

they came into contact very often but

380

00:20:59,990 --> 00:20:57,300

they have these very very similar

381

00:21:04,730 --> 00:21:00,000

believes hey something's probably going

382

00:21:09,740 --> 00:21:04,740

on there I would say so right there's

383

00:21:10,280 --> 00:21:09,750

there's always some relation and uh and

384

00:21:12,680 --> 00:21:10,290

yet

385

00:21:15,290 --> 00:21:12,690

using the example oh no it's like like

386

00:21:19,780 --> 00:21:15,300

in Ireland for instance they routed a

387

00:21:24,470 --> 00:21:19,790

whole highway a complete highway around

388

00:21:26,690 --> 00:21:24,480

area because everyone believes the helps

389

00:21:29,060 --> 00:21:26,700

or they are the fairies the fairy folk

390

00:21:32,150 --> 00:21:29,070

live there and you can go into these

391

00:21:33,890 --> 00:21:32,160

woods people have you know paranormal

392

00:21:37,100 --> 00:21:33,900

investigating and all kinds of things

393

00:21:40,700 --> 00:21:37,110

happen all kinds of bizarre things and

394

00:21:44,390 --> 00:21:40,710

that's very similar to Iceland as well

395

00:21:48,740 --> 00:21:44,400

they they have different construction

396

00:21:51,560 --> 00:21:48,750

and road maintenance projects and Road

397

00:21:55,730 --> 00:21:51,570

building projects that they have

398

00:22:00,800 --> 00:21:55,740

rerouted and changed you know this we're

399

00:22:07,000 --> 00:22:00,810

talking about major funds in in modern

400

00:22:11,590 --> 00:22:07,010

times being spent so that the elves are

401  
00:22:14,780 --> 00:22:11,600  
respected and you know you know the odds

402  
00:22:16,970 --> 00:22:14,790  
you know like for instance Ireland and

403  
00:22:19,940 --> 00:22:16,980  
Iceland are kind of close but why

404  
00:22:21,740 --> 00:22:19,950  
Iceland not so much right and you know I

405  
00:22:27,020 --> 00:22:21,750  
mean sitting around you know other parts

406  
00:22:28,190 --> 00:22:27,030  
of the world too so okay so the reason I

407  
00:22:30,230 --> 00:22:28,200  
brought up one of the reasons I brought

408  
00:22:34,760 --> 00:22:30,240  
her sociology not only because you've

409  
00:22:36,620 --> 00:22:34,770  
discussed but uh let's see here the late

410  
00:22:39,260 --> 00:22:36,630  
dr. Don or

411  
00:22:42,830 --> 00:22:39,270  
was a pair of sociologists from the u.s.

412  
00:22:43,610 --> 00:22:42,840  
of wisconsin-milwaukee who investigated

413  
00:22:46,640 --> 00:22:43,620

the paranormal

414

00:22:51,590 --> 00:22:46,650

of course well in case he worked on

415

00:22:53,510 --> 00:22:51,600

which I know you also know well and some

416

00:22:56,180 --> 00:22:53,520

people out there listening me actually

417

00:22:57,980 --> 00:22:56,190

noticed went well too um this goes back

418

00:23:02,930 --> 00:22:57,990

this was featured on unsolved mysteries

419

00:23:05,960 --> 00:23:02,940

all right a while back um and when Casey

420

00:23:10,310 --> 00:23:05,970

worked on was haunted

421

00:23:12,620 --> 00:23:10,320

wrong house right can you watch through

422

00:23:18,110 --> 00:23:12,630

the history of this silikal bed um

423

00:23:22,070 --> 00:23:18,120

because I think I think it's totally

424

00:23:24,710 --> 00:23:22,080

fascinating and I and I just read the

425

00:23:28,730 --> 00:23:24,720

article you wrote not to I thought well

426

00:23:35,030 --> 00:23:28,740

I want to ask her about this yeah uh

427

00:23:41,240 --> 00:23:35,040

yeah so this was a big case in the 1980s

428

00:23:44,150 --> 00:23:41,250

so 1987 to 1988 there was a family of

429

00:23:48,770 --> 00:23:44,160

the last-named Tallman who was living in

430

00:23:53,720 --> 00:23:48,780

horican Wisconsin and the the children

431

00:23:54,440 --> 00:23:53,730

began to report unusual activity in the

432

00:23:56,600 --> 00:23:54,450

house

433

00:24:00,200 --> 00:23:56,610

like the little boy he had a little

434

00:24:02,060 --> 00:24:00,210

radio in his bedroom and reported you

435

00:24:05,840 --> 00:24:02,070

know that you know was one of those old

436

00:24:09,350 --> 00:24:05,850

dial radios and that the dial kept going

437

00:24:11,870 --> 00:24:09,360

up and down by itself and you know there

438

00:24:16,670 --> 00:24:11,880

are other manifestations that that the

439

00:24:20,950 --> 00:24:16,680

children were privy to as well and then

440

00:24:27,550 --> 00:24:20,960

the parents began to experience things

441

00:24:32,000 --> 00:24:27,560

and the most dramatic was was when the

442

00:24:35,000 --> 00:24:32,010

the husband actually came home and he

443

00:24:38,360 --> 00:24:35,010

thought that the garage was on fire he

444

00:24:42,310 --> 00:24:38,370

heard a voice you know calling out to

445

00:24:48,380 --> 00:24:42,320

him and yeah it was a pretty dramatic

446

00:24:50,480 --> 00:24:48,390

case and the reason one of the reasons I

447

00:24:53,120 --> 00:24:50,490

know but it was just because you know of

448

00:24:56,930 --> 00:24:53,130

course that was something that was of

449

00:25:00,320 --> 00:24:56,940

interest to me at the time even back in

450

00:25:03,710 --> 00:25:00,330

the eighties that this was a big case

451  
00:25:08,060 --> 00:25:03,720  
that was you know on the news so I of

452  
00:25:11,360 --> 00:25:08,070  
course had had my ear to the ground just

453  
00:25:13,610 --> 00:25:11,370  
a little bit at the time and you know

454  
00:25:17,810 --> 00:25:13,620  
then it was featured on unsolved

455  
00:25:19,670 --> 00:25:17,820  
mysteries and it's still still a hugely

456  
00:25:22,820 --> 00:25:19,680  
popular episode

457  
00:25:23,780 --> 00:25:22,830  
even you know decades later but I became

458  
00:25:26,780 --> 00:25:23,790  
involved

459  
00:25:30,920 --> 00:25:26,790  
most recently because you know as you

460  
00:25:33,830 --> 00:25:30,930  
said dr. Don Miller

461  
00:25:36,080 --> 00:25:33,840  
and I know it's spelled Mueller but I've

462  
00:25:39,830 --> 00:25:36,090  
since found from the family that it is

463  
00:25:42,290 --> 00:25:39,840

actually pronounced Miller after so many

464

00:25:45,140 --> 00:25:42,300

times pronouncing in Miller filled me

465

00:25:47,780 --> 00:25:45,150

with chagrin are our Mueller it filled

466

00:25:50,090 --> 00:25:47,790

me with chagrin but it is Miller so dr.

467

00:25:55,070 --> 00:25:50,100

Don Miller he was an associate professor

468

00:25:58,010 --> 00:25:55,080

of Social Welfare at uw-milwaukee the

469

00:26:00,260 --> 00:25:58,020

University here and I'm sorry to say you

470

00:26:03,760 --> 00:26:00,270

know even though UW Milwaukee is my alma

471

00:26:09,650 --> 00:26:03,770

mater and I was there at the same time

472

00:26:11,930 --> 00:26:09,660

as dr. Miller was working there you know

473

00:26:14,540 --> 00:26:11,940

we didn't meet while I was at the

474

00:26:18,650 --> 00:26:14,550

University I'm just so sad that I didn't

475

00:26:22,070 --> 00:26:18,660

realize that he was so involved in this

476  
00:26:25,220 --> 00:26:22,080  
at the time as I said he was a professor

477  
00:26:29,180 --> 00:26:25,230  
of Social Welfare and he also taught a

478  
00:26:32,150 --> 00:26:29,190  
little psychology there but you know my

479  
00:26:37,040 --> 00:26:32,160  
interest in him is as a researcher of

480  
00:26:39,670 --> 00:26:37,050  
the paranormal so he like I do now when

481  
00:26:42,800 --> 00:26:39,680  
all around town here in Milwaukee

482  
00:26:46,760 --> 00:26:42,810  
presenting on haunted locations and

483  
00:26:49,940 --> 00:26:46,770  
claimed to have some 2,000 slides and I

484  
00:26:51,890 --> 00:26:49,950  
I saw these claims in old newspaper

485  
00:26:54,530 --> 00:26:51,900  
articles you know from the Milwaukee

486  
00:26:57,110 --> 00:26:54,540  
Journal Milwaukee Sentinel and I was

487  
00:26:59,420 --> 00:26:57,120  
like why he's got 2000 presentation

488  
00:27:01,820 --> 00:26:59,430

slides well what happened and then

489

00:27:08,350 --> 00:27:01,830

unfortunately you know found that you

490

00:27:12,980 --> 00:27:08,360

know he died in in 1994 but subsequently

491

00:27:16,900 --> 00:27:12,990

was I was able to connect with his

492

00:27:20,930 --> 00:27:16,910

family and they they now live in Atlanta

493

00:27:24,170 --> 00:27:20,940

and they invited me down there this

494

00:27:25,850 --> 00:27:24,180

summer and I reclaimed the two thousand

495

00:27:28,820 --> 00:27:25,860

slides in fact they're sitting right

496

00:27:33,920 --> 00:27:28,830

next to me as I speak to you and three

497

00:27:38,570 --> 00:27:33,930

big boxes and in

498

00:27:44,710 --> 00:27:38,580

in all this treasure trove slides were

499

00:27:47,540 --> 00:27:44,720

these photos of the Tallman house and

500

00:27:49,610 --> 00:27:47,550

unfortunately I don't have a lot of

501  
00:27:53,360 --> 00:27:49,620  
notes at this time the family is still

502  
00:27:57,260 --> 00:27:53,370  
looking for notebooks or other things

503  
00:27:59,570 --> 00:27:57,270  
that may contribute to our knowledge in

504  
00:28:01,790 --> 00:27:59,580  
the future but you know right now I have

505  
00:28:04,850 --> 00:28:01,800  
these slides and I was like whoa hey

506  
00:28:09,410 --> 00:28:04,860  
here are some slides from the Tollman

507  
00:28:11,630 --> 00:28:09,420  
house back in 1988 and it shows slides

508  
00:28:15,820 --> 00:28:11,640  
that show the investigators that were

509  
00:28:20,660 --> 00:28:15,830  
there on the scene slides that also show

510  
00:28:25,670 --> 00:28:20,670  
the bunk beds they had they had these

511  
00:28:31,940 --> 00:28:25,680  
bunk beds which were purchased at resale

512  
00:28:35,870 --> 00:28:31,950  
and so these bunk beds originally were

513  
00:28:40,130 --> 00:28:35,880

thought or were later thought to be the

514

00:28:43,420 --> 00:28:40,140

source of the haunting and after they

515

00:28:46,840 --> 00:28:43,430

were removed from the house and

516

00:28:50,990 --> 00:28:46,850

unfortunately put into a local landfill

517

00:28:55,720 --> 00:28:51,000

the all the activity at the house ceased

518

00:28:59,720 --> 00:28:55,730

so but I I have probably the only

519

00:29:03,020 --> 00:28:59,730

remaining photos of the of the house at

520

00:29:08,180 --> 00:29:03,030

that time the investigators and these

521

00:29:13,430 --> 00:29:10,010

it's just great to be able to connect to

522

00:29:16,250 --> 00:29:13,440

paranormal history and you know try to

523

00:29:18,320 --> 00:29:16,260

reclaim some of that past knowledge it's

524

00:29:20,450 --> 00:29:18,330

time for a quick commercial break you

525

00:29:22,100 --> 00:29:20,460

are listening to personal universe on

526

00:29:24,290 --> 00:29:22,110

the inception radio network and we will

527

00:29:27,340 --> 00:29:24,300

be back shortly with our guest Allison

528

00:29:32,090 --> 00:29:30,530

but before we get back to the interview

529

00:29:34,670 --> 00:29:32,100

I'd like to take a minute and thank

530

00:29:37,400 --> 00:29:34,680

everybody makes para virtual universe

531

00:29:39,980 --> 00:29:37,410

possible including graphics arts

you for the second half of the show

567

00:31:23,480 --> 00:31:22,110

gonna discuss the controversial Chicago

568

00:31:26,270 --> 00:31:23,490

flank anthem

569

00:31:28,490 --> 00:31:26,280

we've covered this topic last year when

570

00:31:32,360 --> 00:31:28,500

the reports were counted in the 20s and

571

00:31:35,600 --> 00:31:32,370

the Chicago a flying phantom task force

572

00:31:36,580 --> 00:31:35,610

was in its conception now it's almost

573

00:31:38,450 --> 00:31:36,590

yearly

574

00:31:43,789 --> 00:31:38,460

there are over

575

00:31:47,350 --> 00:31:43,799

60-plus works yeah yeah and uh yet no

576  
00:31:49,879 --> 00:31:47,360  
conclusive evidence or proof between

577  
00:31:52,999 --> 00:31:49,889  
them now

578  
00:31:57,830 --> 00:31:53,009  
you were part of that task force had

579  
00:32:01,340 --> 00:31:57,840  
some yet turns let's say yes thrown out

580  
00:32:04,430 --> 00:32:01,350  
on my ear yeah so you left and you

581  
00:32:08,810 --> 00:32:04,440  
proceeded to do what no one had done

582  
00:32:11,259 --> 00:32:08,820  
concerning these reports which was to do

583  
00:32:18,109 --> 00:32:11,269  
the old-fashioned boots on the ground

584  
00:32:22,119 --> 00:32:18,119  
investigative or yeah I think that's so

585  
00:32:25,789 --> 00:32:22,129  
important that you know I can't believe

586  
00:32:30,680 --> 00:32:25,799  
nobody else has done it but I I'm the

587  
00:32:32,769 --> 00:32:30,690  
only one who has been to all of the

588  
00:32:36,499 --> 00:32:32,779

sites and let me preface that by saying

589

00:32:41,980 --> 00:32:36,509

there's two new ones now and actually

590

00:32:47,600 --> 00:32:41,990

there's there's one that has surfaced in

591

00:32:50,180 --> 00:32:47,610

the Lake Geneva area as well or you know

592

00:32:53,409 --> 00:32:50,190

near near whitewater near Lake Geneva

593

00:32:58,039 --> 00:32:53,419

there there have been reports as well so

594

00:33:00,200 --> 00:32:58,049

there's some more work to be done but as

595

00:33:04,489 --> 00:33:00,210

you said you know now there's about

596

00:33:08,779 --> 00:33:04,499

sixty two reports in the Chicagoland

597

00:33:12,950 --> 00:33:08,789

area although there is there's a map of

598

00:33:16,220 --> 00:33:12,960

Chicago phantom sightings map which is

599

00:33:18,889 --> 00:33:16,230

maintained by lawn Strickler of the

600

00:33:24,560 --> 00:33:18,899

Phantom's and monsters blog and and used

601  
00:33:30,259 --> 00:33:24,570  
to feature my videos until my my

602  
00:33:33,080 --> 00:33:30,269  
feelings about the sightings turned a

603  
00:33:35,539 --> 00:33:33,090  
little bit more inquisitive and and

604  
00:33:40,039 --> 00:33:35,549  
skeptical and you know when that

605  
00:33:43,970 --> 00:33:40,049  
happened you know as I said there wasn't

606  
00:33:48,909 --> 00:33:43,980  
there wasn't any room for skepticism

607  
00:33:51,049 --> 00:33:48,919  
and I was kicked out of the task force

608  
00:33:53,180 --> 00:33:51,059  
unfortunately and

609  
00:33:56,629 --> 00:33:53,190  
I just think that as paranormal

610  
00:34:02,779 --> 00:33:56,639  
investigators we have to be open to

611  
00:34:05,960 --> 00:34:02,789  
diverse beliefs or takes on on the

612  
00:34:10,899 --> 00:34:05,970  
phenomena you know we can't all be

613  
00:34:13,399 --> 00:34:10,909

expected to toe the party line and

614

00:34:18,859 --> 00:34:13,409

unfortunately that's what I came up

615

00:34:23,349 --> 00:34:18,869

against wipline Strickler and I really

616

00:34:25,490 --> 00:34:23,359

want to embarked on the whole of Mothman

617

00:34:29,240 --> 00:34:25,500

expedition I live in Milwaukee Wisconsin

618

00:34:31,550 --> 00:34:29,250

and you know so wasn't easy for me -

619

00:34:35,599 --> 00:34:31,560

every weekend you know since about

620

00:34:37,940 --> 00:34:35,609

August go back and forth to Chicago but

621

00:34:40,369 --> 00:34:37,950

it was doable and I thought you know

622

00:34:43,399 --> 00:34:40,379

what if I call myself a paranormal

623

00:34:45,559 --> 00:34:43,409

investigator you know I better be there

624

00:34:47,599 --> 00:34:45,569

with boots on the ground because yeah

625

00:34:50,899 --> 00:34:47,609

it's hard but it's not it's not

626

00:34:53,089 --> 00:34:50,909

impossible it's close enough that you

627

00:34:55,849 --> 00:34:53,099

know hey I should be there seeing what I

628

00:34:59,540 --> 00:34:55,859

can see if there's really a moss man in

629

00:35:04,069 --> 00:34:59,550

Chicago hey I want to be there I want to

630

00:35:06,319 --> 00:35:04,079

catch a monster or sight a monster I

631

00:35:10,280 --> 00:35:06,329

mean this this is what motivated me not

632

00:35:15,050 --> 00:35:10,290

to not to you know be a cynic about it

633

00:35:17,660 --> 00:35:15,060

but you know the search for a monster is

634

00:35:20,930 --> 00:35:17,670

what really captivated me so you know

635

00:35:23,630 --> 00:35:20,940

that's what kept me coming back when

636

00:35:26,450 --> 00:35:23,640

these sightings were reported on the

637

00:35:30,079 --> 00:35:26,460

phantom and monsters blog and then they

638

00:35:33,170 --> 00:35:30,089

came up on the map of every weekend I

639

00:35:36,980 --> 00:35:33,180

would go to Chicago to these locations

640

00:35:42,890 --> 00:35:36,990

and then I would document the location

641

00:35:45,440 --> 00:35:42,900

and and the account on video first as a

642

00:35:48,440 --> 00:35:45,450

Facebook live so that people could ask

643

00:35:51,589 --> 00:35:48,450

questions and then took the videos and

644

00:35:55,970 --> 00:35:51,599

archive them on YouTube and you can go

645

00:36:02,359 --> 00:35:55,980

watch them now on youtube.com slash

646

00:36:04,420 --> 00:36:02,369

Mothman so you can you can see all the

647

00:36:07,539 --> 00:36:04,430

different locations

648

00:36:10,690 --> 00:36:07,549

sans two reports that have just surfaced

649

00:36:12,759 --> 00:36:10,700

recently but I'll be getting back to

650

00:36:15,640 --> 00:36:12,769

Chicago on the next couple of weekends

651  
00:36:18,880 --> 00:36:15,650  
to get those on there as well so you can

652  
00:36:24,370 --> 00:36:18,890  
see the actual location and you can hear

653  
00:36:27,849 --> 00:36:24,380  
the account and see if the account and

654  
00:36:31,390 --> 00:36:27,859  
the location matches up that seems to me

655  
00:36:33,579 --> 00:36:31,400  
you know basic due diligence and if

656  
00:36:36,190 --> 00:36:33,589  
you're not doing that you're not really

657  
00:36:40,930 --> 00:36:36,200  
investigating it's great to take in

658  
00:36:45,759 --> 00:36:40,940  
witness accounts but you do have to you

659  
00:36:47,739 --> 00:36:45,769  
do have to do more than just take what

660  
00:36:51,039 --> 00:36:47,749  
someone's telling you and throw it up on

661  
00:36:54,459 --> 00:36:51,049  
the web as truth I mean you have to look

662  
00:36:57,039 --> 00:36:54,469  
into what you're being told and you know

663  
00:36:58,569 --> 00:36:57,049

see if it matches the basic facts and if

664

00:37:00,670 --> 00:36:58,579

it doesn't I think you really need to

665

00:37:03,910 --> 00:37:00,680

throw it out and that that's not what

666

00:37:10,450 --> 00:37:03,920

has been done here with these recent

667

00:37:15,190 --> 00:37:10,460

cases I was surprised to learn that when

668

00:37:19,299 --> 00:37:15,200

I that that you were checked out and why

669

00:37:20,499 --> 00:37:19,309

because you wanted to do what you know

670

00:37:24,880 --> 00:37:20,509

any good investigator

671

00:37:27,729 --> 00:37:24,890

would have done you know like for us you

672

00:37:29,589 --> 00:37:27,739

know in the society you know I haven't

673

00:37:30,910 --> 00:37:29,599

investigators say hey I want to go you

674

00:37:33,359 --> 00:37:30,920

know do this and check this out like

675

00:37:35,680 --> 00:37:33,369

absolutely you know you want you wanted

676  
00:37:38,829 --> 00:37:35,690  
to check these out you want to be able

677  
00:37:40,779 --> 00:37:38,839  
to verify facts you know see if they're

678  
00:37:44,859 --> 00:37:40,789  
credible and like you said if they're

679  
00:37:48,910 --> 00:37:44,869  
not then you know it's to put it out

680  
00:37:52,229 --> 00:37:48,920  
there and and call everything like you

681  
00:37:53,859 --> 00:37:52,239  
know and then the other thing too is uh

682  
00:37:56,289 --> 00:37:53,869  
well I

683  
00:38:01,029 --> 00:37:56,299  
why don't you tell us about some of the

684  
00:38:04,120 --> 00:38:01,039  
discrepancies yeah okay so one of the

685  
00:38:07,059 --> 00:38:04,130  
most glaring discrepancies that that

686  
00:38:13,479 --> 00:38:07,069  
really bothers me because it's been it's

687  
00:38:18,290 --> 00:38:13,489  
still reflected on the the map the

688  
00:38:20,810 --> 00:38:18,300

sightings map on the Phantom

689

00:38:23,360 --> 00:38:20,820

stirrers blog and also in Lund

690

00:38:27,080 --> 00:38:23,370

strickler's recent book about the

691

00:38:31,490 --> 00:38:27,090

Mothman sightings in Chicago so there's

692

00:38:35,000 --> 00:38:31,500

one account that was purported to be

693

00:38:39,070 --> 00:38:35,010

from a police officer actually there's a

694

00:38:44,180 --> 00:38:39,080

few where you know police officers were

695

00:38:49,430 --> 00:38:44,190

said to be witnesses but this particular

696

00:38:53,210 --> 00:38:49,440

one occurred in auburn gresham which is

697

00:38:58,190 --> 00:38:53,220

a neighborhood in Chicago this summer

698

00:39:03,560 --> 00:38:58,200

and so apparently there was a group of

699

00:39:07,340 --> 00:39:03,570

of people a residence who spotted you

700

00:39:11,750 --> 00:39:07,350

know a strange winging humanoid on top

701

00:39:14,210 --> 00:39:11,760

of the roof of you know one of the the

702

00:39:18,110 --> 00:39:14,220

apartment buildings on a certain black

703

00:39:22,450 --> 00:39:18,120

and so then they flagged down a passing

704

00:39:26,480 --> 00:39:22,460

police car and then another report

705

00:39:29,570 --> 00:39:26,490

surfaced saying that it was from the

706

00:39:32,180 --> 00:39:29,580

police officer now this is significant

707

00:39:34,640 --> 00:39:32,190

because the person who was interviewed

708

00:39:39,560 --> 00:39:34,650

who said he was a police officer also

709

00:39:42,830 --> 00:39:39,570

said that he filed a police report about

710

00:39:46,610 --> 00:39:42,840

the sighting and so I got excited

711

00:39:50,510 --> 00:39:46,620

because when a police report is cited

712

00:39:53,750 --> 00:39:50,520

that's public information that is freely

713

00:39:57,950 --> 00:39:53,760

available under the Freedom of

714

00:40:01,430 --> 00:39:57,960

Information Act and so knowing from my

715

00:40:05,450 --> 00:40:01,440

past you know at the University I

716

00:40:07,790 --> 00:40:05,460

studied journalism and so all the time

717

00:40:10,850 --> 00:40:07,800

you know we would the students would be

718

00:40:13,460 --> 00:40:10,860

tasked with going and checking out the

719

00:40:16,700 --> 00:40:13,470

police reports and you know writing

720

00:40:18,730 --> 00:40:16,710

articles based on recent police reports

721

00:40:23,840 --> 00:40:18,740

so I knew that they would be available

722

00:40:28,520 --> 00:40:23,850

so of course I was really sad to find

723

00:40:31,910 --> 00:40:28,530

there was no police report and I was

724

00:40:35,450 --> 00:40:31,920

really initially upset when

725

00:40:38,660 --> 00:40:35,460

approached the task force and I said hey

726

00:40:41,090 --> 00:40:38,670

hey guys you know it's mentioned in here

727

00:40:44,870 --> 00:40:41,100

that there's a police report so you know

728

00:40:46,760 --> 00:40:44,880

who has who has looked for this police

729

00:40:48,800 --> 00:40:46,770

report and what was the form of the

730

00:40:50,630 --> 00:40:48,810

request and what did you get back and

731

00:40:52,520 --> 00:40:50,640

the reason I asked that is you know

732

00:40:54,830 --> 00:40:52,530

sometimes particularly with Freedom of

733

00:40:59,120 --> 00:40:54,840

Information Act requests you have to

734

00:41:01,460 --> 00:40:59,130

request it in a certain way to get the

735

00:41:04,010 --> 00:41:01,470

response you want and so I wanted to

736

00:41:04,580 --> 00:41:04,020

follow up and you know find out what was

737

00:41:07,430 --> 00:41:04,590

done

738

00:41:10,610 --> 00:41:07,440

you know what came of it and then how I

739

00:41:15,290 --> 00:41:10,620

could follow up and nobody in the group

740

00:41:18,350 --> 00:41:15,300

got back to me so then I went through my

741

00:41:22,940 --> 00:41:18,360

own sources I have a private

742

00:41:27,080 --> 00:41:22,950

investigator friend who has sources on

743

00:41:30,200 --> 00:41:27,090

the Chicago PD in the Chicago PD and he

744

00:41:33,080 --> 00:41:30,210

had one of his friends look up the

745

00:41:35,090 --> 00:41:33,090

police reports from that night and he

746

00:41:37,250 --> 00:41:35,100

was able to tell me that okay look we

747

00:41:39,710 --> 00:41:37,260

had this money robberies we had this

748

00:41:46,160 --> 00:41:39,720

many of this and that and we have no

749

00:41:52,010 --> 00:41:46,170

reports that match that that sighting

750

00:41:54,170 --> 00:41:52,020

and so my question is if the people in

751  
00:41:55,910 --> 00:41:54,180  
the task force know that and I haven't

752  
00:42:00,170 --> 00:41:55,920  
one person that's still currently on the

753  
00:42:02,540 --> 00:42:00,180  
task force to tell me that hey it was

754  
00:42:06,770 --> 00:42:02,550  
well known that there was no police

755  
00:42:09,650 --> 00:42:06,780  
report okay so how can we believe this

756  
00:42:12,080 --> 00:42:09,660  
supposed witness then if he says he

757  
00:42:14,810 --> 00:42:12,090  
filed a police report and there's no

758  
00:42:17,930 --> 00:42:14,820  
police report why do we still treat his

759  
00:42:20,420 --> 00:42:17,940  
account as gospel and put it on the

760  
00:42:22,940 --> 00:42:20,430  
website and put it in the book and even

761  
00:42:26,480 --> 00:42:22,950  
go so far as in the book in Long's book

762  
00:42:29,480 --> 00:42:26,490  
he says well you know if if somebody's a

763  
00:42:32,810 --> 00:42:29,490

police officer and they're they're out

764

00:42:35,270 --> 00:42:32,820

there risking their life every day while

765

00:42:38,420 --> 00:42:35,280

I'm gonna believe what they say okay

766

00:42:41,300 --> 00:42:38,430

line you don't know that this guy is a

767

00:42:44,390 --> 00:42:41,310

cop because you have no proof and what

768

00:42:45,590 --> 00:42:44,400

he we told you about the report seems to

769

00:42:47,360 --> 00:42:45,600

be a lie

770

00:42:53,270 --> 00:42:47,370

and you know why is that not noted

771

00:42:55,130 --> 00:42:53,280

anywhere is my question again I can't

772

00:42:57,940 --> 00:42:55,140

help but the goal you know as you're

773

00:43:00,170 --> 00:42:57,950

talking this you know like like our

774

00:43:02,240 --> 00:43:00,180

group everybody that's work that works

775

00:43:03,620 --> 00:43:02,250

up case everybody shared you know like

776

00:43:05,840 --> 00:43:03,630

we share information with each other and

777

00:43:12,830 --> 00:43:05,850

we trust each other yeah you know what

778

00:43:16,790 --> 00:43:12,840

I'm saying and it's just it's it's

779

00:43:19,910 --> 00:43:16,800

disappointing that that that happened

780

00:43:24,020 --> 00:43:19,920

yeah so it was very disconcerting

781

00:43:26,450 --> 00:43:24,030

because you know I expect I expected I

782

00:43:28,700 --> 00:43:26,460

thought I was gonna have fine a monster

783

00:43:33,740 --> 00:43:28,710

I mean that's what really excited me

784

00:43:37,370 --> 00:43:33,750

about it and instead what I found was

785

00:43:40,460 --> 00:43:37,380

you know monstrous tactics I mean they

786

00:43:42,470 --> 00:43:40,470

you know I I think you know if you're an

787

00:43:45,530 --> 00:43:42,480

investigator you should investigate

788

00:43:48,920 --> 00:43:45,540

it's not about well how many wild claims

789

00:43:52,490 --> 00:43:48,930

can I accumulate and put on a website

790

00:43:54,950 --> 00:43:52,500

and in a blog because if these things

791

00:44:01,190 --> 00:43:54,960

are not authentic then that muddies the

792

00:44:04,550 --> 00:44:01,200

water for the rest of us yeah and and so

793

00:44:07,370 --> 00:44:04,560

that's that's one prime example but you

794

00:44:10,160 --> 00:44:07,380

know you can go and watch my videos now

795

00:44:13,160 --> 00:44:10,170

and see that you know when things don't

796

00:44:15,350 --> 00:44:13,170

match up I let you know right during the

797

00:44:17,150 --> 00:44:15,360

video because I'm like okay let's file

798

00:44:20,690 --> 00:44:17,160

in the footsteps of the witnesses and

799

00:44:23,480 --> 00:44:20,700

see if these things make sense and you

800

00:44:27,080 --> 00:44:23,490

know later on I would meet another

801  
00:44:32,090 --> 00:44:27,090  
investigators Sam moranto who is the

802  
00:44:34,070 --> 00:44:32,100  
head of Illinois MUFON and he also has

803  
00:44:36,230 --> 00:44:34,080  
found that you know a lot of these

804  
00:44:39,380 --> 00:44:36,240  
things don't match up when when the

805  
00:44:41,600 --> 00:44:39,390  
witness says you know sites that there's

806  
00:44:43,160 --> 00:44:41,610  
a certain phase of the Moon or you know

807  
00:44:45,800 --> 00:44:43,170  
that there's certain weather conditions

808  
00:44:47,000 --> 00:44:45,810  
they don't match up with what really

809  
00:44:50,650 --> 00:44:47,010  
happened that day

810  
00:44:53,630 --> 00:44:50,660  
same thing with location right like

811  
00:44:55,520 --> 00:44:53,640  
where they would do it some of these

812  
00:44:57,590 --> 00:44:55,530  
reports were or you a description of the

813  
00:44:59,480 --> 00:44:57,600

location and then you can go there and

814

00:45:02,570 --> 00:44:59,490

see that it doesn't even match up

815

00:45:06,350 --> 00:45:02,580

yeah I I mean there there was um you

816

00:45:09,250 --> 00:45:06,360

know one report this was there's a

817

00:45:14,900 --> 00:45:09,260

couple of reports on there from 2011 and

818

00:45:18,980 --> 00:45:14,910

one of them talked about these five this

819

00:45:22,280 --> 00:45:18,990

five-story building where the one of the

820

00:45:26,020 --> 00:45:22,290

witnesses lived and you know that the

821

00:45:30,140 --> 00:45:26,030

Mosman was at her window essentially and

822

00:45:32,270 --> 00:45:30,150

unfortunately in that area I went all

823

00:45:37,400 --> 00:45:32,280

around are there any five-story

824

00:45:39,770 --> 00:45:37,410

buildings no and then the report also

825

00:45:44,630 --> 00:45:39,780

says that when her boyfriend was coming

826

00:45:47,810 --> 00:45:44,640

to pick her up he went by the park which

827

00:45:50,390 --> 00:45:47,820

is it's called its Miller Park and

828

00:45:53,330 --> 00:45:50,400

actually I went running around searching

829

00:45:57,560 --> 00:45:53,340

for it I had missed it initially because

830

00:46:02,750 --> 00:45:57,570

it's a speck it is a lot between two

831

00:46:07,870 --> 00:46:02,760

buildings and apparently these witnesses

832

00:46:13,010 --> 00:46:07,880

saw the Mosman lighting on top of a

833

00:46:17,180 --> 00:46:13,020

basketball hoop and okay so this little

834

00:46:20,540 --> 00:46:17,190

Park is a kiddie playground this is for

835

00:46:24,109 --> 00:46:20,550

toddlers you know with a swing set and a

836

00:46:26,900 --> 00:46:24,119

slide there is no basketball hoop and it

837

00:46:29,570 --> 00:46:26,910

is a very very small area you you

838

00:46:33,500 --> 00:46:29,580

wouldn't expect to see I'm a Mothman on

839

00:46:35,960 --> 00:46:33,510

top of anything there and so it's just

840

00:46:38,210 --> 00:46:35,970

ridiculous when things don't these basic

841

00:46:39,890 --> 00:46:38,220

things don't match up you know how are

842

00:46:47,930 --> 00:46:39,900

you supposed to take the wild claim

843

00:46:51,620 --> 00:46:47,940

seriously yeah and so many - you know I

844

00:46:54,830 --> 00:46:51,630

gotta say you know something with so

845

00:46:58,630 --> 00:46:54,840

many sightings should produce more

846

00:47:00,740 --> 00:46:58,640

results physically metaphysically

847

00:47:03,200 --> 00:47:00,750

especially considering the descriptions

848

00:47:05,660 --> 00:47:03,210

we keep hearing and and in the you know

849

00:47:08,510 --> 00:47:05,670

60 some reports we're talking a major

850

00:47:09,380 --> 00:47:08,520

metropolis area right people are there

851  
00:47:11,390 --> 00:47:09,390  
per square mile

852  
00:47:12,190 --> 00:47:11,400  
and yet nobody's got this on their their

853  
00:47:14,980 --> 00:47:12,200  
phone

854  
00:47:17,500 --> 00:47:14,990  
um ya know groups have come forward and

855  
00:47:19,150 --> 00:47:17,510  
the other thing too is that I would say

856  
00:47:23,050 --> 00:47:19,160  
in the last ten years of our society

857  
00:47:25,690 --> 00:47:23,060  
with the people that we taught you uh I

858  
00:47:27,760 --> 00:47:25,700  
could say you know conservatively

859  
00:47:29,500 --> 00:47:27,770  
probably like a quarter of the people

860  
00:47:32,170 --> 00:47:29,510  
that come forward with reports of

861  
00:47:33,280 --> 00:47:32,180  
paranormal activity are willing to talk

862  
00:47:35,680 --> 00:47:33,290  
about it openly

863  
00:47:37,870 --> 00:47:35,690

I mean next you know that's you know

864

00:47:42,220 --> 00:47:37,880

that's on average I'd say you know right

865

00:47:44,980 --> 00:47:42,230

and so the fact that you got all this

866

00:47:48,150 --> 00:47:44,990

stuff and nobody except for I I know

867

00:47:50,950 --> 00:47:48,160

Jack blue found one or two witnesses

868

00:47:53,020 --> 00:47:50,960

yeah courts were more where you thought

869

00:47:54,880 --> 00:47:53,030

I mean after listening to the whole

870

00:47:56,950 --> 00:47:54,890

thing I thought man yeah that's more

871

00:47:59,140 --> 00:47:56,960

again like it sounds more like ufology

872

00:48:01,319 --> 00:47:59,150

than cryptozoology yeah

873

00:48:05,290 --> 00:48:01,329

and that was the thing - it seemed like

874

00:48:07,480 --> 00:48:05,300

they were looking a the task force was

875

00:48:10,300 --> 00:48:07,490

looking to take anything out of the

876

00:48:13,359 --> 00:48:10,310

ordinary and put it in the Mosman or

877

00:48:15,310 --> 00:48:13,369

flying humanoid basket even if it didn't

878

00:48:17,500 --> 00:48:15,320

match you know there were reports in

879

00:48:22,300 --> 00:48:17,510

there of you know just seeing like two

880

00:48:25,120 --> 00:48:22,310

red lights and you know because you know

881

00:48:27,760 --> 00:48:25,130

they were equated those red lights with

882

00:48:30,010 --> 00:48:27,770

red eyes you know automatically it's

883

00:48:32,950 --> 00:48:30,020

lumped in when really when you read the

884

00:48:36,880 --> 00:48:32,960

account it sounds like two lights right

885

00:48:39,849 --> 00:48:36,890

so you know that's not a monster man

886

00:48:42,579 --> 00:48:39,859

okay you know you might want it to be

887

00:48:45,910 --> 00:48:42,589

because you got a book coming out but I

888

00:48:47,710 --> 00:48:45,920

mean that you gotta you gotta put a

889

00:48:50,260 --> 00:48:47,720

little bit more rigor into your

890

00:48:53,380 --> 00:48:50,270

investigation and yeah let's look at

891

00:48:56,880 --> 00:48:53,390

that because it just seems too

892

00:48:59,950 --> 00:48:56,890

convenient that all of this would happen

893

00:49:05,890 --> 00:48:59,960

right in time for a lion strickler to

894

00:49:08,700 --> 00:49:05,900

get out his book right at the the 50th

895

00:49:12,460 --> 00:49:08,710

anniversary of the Silver Bridge

896

00:49:16,510 --> 00:49:12,470

collapse so December 15th

897

00:49:21,700 --> 00:49:16,520

well 1967 and then this year December

898

00:49:25,270 --> 00:49:21,710

15th 2017 that was 50 years so that

899

00:49:26,000 --> 00:49:25,280

tragedy is equated with the so-called

900

00:49:28,220 --> 00:49:26,010

original

901  
00:49:31,310 --> 00:49:28,230  
Mothman sightings in Point Pleasant West

902  
00:49:35,210 --> 00:49:31,320  
Virginia and so it's just all too

903  
00:49:41,240 --> 00:49:35,220  
convenient that this would these you

904  
00:49:43,880 --> 00:49:41,250  
know so many cases would occur just in

905  
00:49:46,100 --> 00:49:43,890  
enough time to write a book real quick

906  
00:49:49,610 --> 00:49:46,110  
and then get it out for that anniversary

907  
00:49:53,030 --> 00:49:49,620  
it just seems suspicious boy the Mothman

908  
00:49:56,330 --> 00:49:53,040  
accounts in Ohio you had police reports

909  
00:49:58,220 --> 00:49:56,340  
you had military presence you had all

910  
00:49:59,450 --> 00:49:58,230  
kind of strange lights and other things

911  
00:50:00,980 --> 00:49:59,460  
in there I mean there are clearly

912  
00:50:02,600 --> 00:50:00,990  
different I mean to me it seemed

913  
00:50:04,430 --> 00:50:02,610

different all right

914

00:50:05,510 --> 00:50:04,440

you had people that came forward that

915

00:50:09,080 --> 00:50:05,520

were traumatized

916

00:50:11,600 --> 00:50:09,090

you know yeah several people and they

917

00:50:14,330 --> 00:50:11,610

came forward to the press I mean there

918

00:50:17,470 --> 00:50:14,340

there were at least a hundred accounts

919

00:50:20,090 --> 00:50:17,480

and you know most of them you know you

920

00:50:23,180 --> 00:50:20,100

you're able to know the names of the

921

00:50:27,800 --> 00:50:23,190

witnesses they came forward and you know

922

00:50:29,720 --> 00:50:27,810

so I think that's why those sightings in

923

00:50:32,450 --> 00:50:29,730

you know Point Pleasant West Virginia I

924

00:50:35,870 --> 00:50:32,460

mean that's why they still you know hold

925

00:50:38,000 --> 00:50:35,880

so much gravitas even today is because

926  
00:50:41,570 --> 00:50:38,010  
people were willing to come forward and

927  
00:50:44,660 --> 00:50:41,580  
you know there there is a group a

928  
00:50:48,940 --> 00:50:44,670  
handful of people that have talked to my

929  
00:50:52,100 --> 00:50:48,950  
friend Jack blue over in Chicago and

930  
00:50:58,280 --> 00:50:52,110  
here's the problem you know there might

931  
00:51:00,860 --> 00:50:58,290  
be some actual authentic accounts coming

932  
00:51:04,310 --> 00:51:00,870  
out of Chicago but when you let

933  
00:51:08,750 --> 00:51:04,320  
everything in and and don't and don't

934  
00:51:11,900 --> 00:51:08,760  
use any discrimination then how can you

935  
00:51:14,480 --> 00:51:11,910  
tell what's authentic and what's not

936  
00:51:17,210 --> 00:51:14,490  
I mean you really can't it's it this is

937  
00:51:21,470 --> 00:51:17,220  
the principle on which disinformation

938  
00:51:24,350 --> 00:51:21,480

works you know they just if there's

939

00:51:26,660 --> 00:51:24,360

somebody who wants to silence what's

940

00:51:32,150 --> 00:51:26,670

going on well they've effectively done

941

00:51:35,090 --> 00:51:32,160

that by you know flooding the field with

942

00:51:39,670 --> 00:51:35,100

bogus reports because no you know

943

00:51:42,220 --> 00:51:39,680

unfortunately essentially nobody is is

944

00:51:44,530 --> 00:51:42,230

separating fact from fiction here so you

945

00:51:46,690 --> 00:51:44,540

can't tell what's what that's that's the

946

00:51:49,660 --> 00:51:46,700

real tragedy is you know there could be

947

00:51:51,730 --> 00:51:49,670

something real going on but we can't

948

00:51:54,579 --> 00:51:51,740

tell you what it is because you know

949

00:51:56,440 --> 00:51:54,589

nobody's being discriminating about

950

00:51:59,950 --> 00:51:56,450

what's going on and just like throw it

951  
00:52:06,339 --> 00:51:59,960  
all up there well thank you

952  
00:52:10,569 --> 00:52:06,349  
you and Jack and and Sam and Ben either

953  
00:52:14,170 --> 00:52:10,579  
and a few others who who who were you

954  
00:52:16,480 --> 00:52:14,180  
know very uh you know like hey this

955  
00:52:20,109 --> 00:52:16,490  
isn't cool you know this has got to be

956  
00:52:21,510 --> 00:52:20,119  
done properly you know we only got a few

957  
00:52:28,030 --> 00:52:21,520  
minutes left and I want to talk about

958  
00:52:34,630 --> 00:52:28,040  
the hype Erica yeah so in July July 13th

959  
00:52:37,510 --> 00:52:34,640  
through 15th this July 2018 we're I'm so

960  
00:52:40,990 --> 00:52:37,520  
proud to have been asked to be involved

961  
00:52:46,180 --> 00:52:41,000  
in the first paranormal conference ever

962  
00:52:49,780 --> 00:52:46,190  
to be planned in Hawaii so it's gonna be

963  
00:52:52,359 --> 00:52:49,790

in Oahu and I'm gonna be speaking there

964

00:52:56,620 --> 00:52:52,369

on cross cultural connections like I

965

00:53:01,120 --> 00:52:56,630

touched on today and you know there's

966

00:53:04,420 --> 00:53:01,130

more connections between Hawaii reports

967

00:53:07,089 --> 00:53:04,430

extraordinary reports and the mainland

968

00:53:09,609 --> 00:53:07,099

and so I'm gonna be talking about the

969

00:53:11,740 --> 00:53:09,619

the similarities and differences there

970

00:53:15,579 --> 00:53:11,750

and it's really an international

971

00:53:17,410 --> 00:53:15,589

conference so everybody should should

972

00:53:21,250 --> 00:53:17,420

just check it out I mean you know you

973

00:53:24,520 --> 00:53:21,260

want to go to Hawaii anyway oh I Paracon

974

00:53:28,390 --> 00:53:24,530

come the tickets are very affordable for

975

00:53:31,650 --> 00:53:28,400

the actual event and you know we're

976  
00:53:34,950 --> 00:53:31,660  
expecting that there there will also be

977  
00:53:37,690 --> 00:53:34,960  
be some flight deals coming up with

978  
00:53:41,170 --> 00:53:37,700  
American Airlines offering expanded

979  
00:53:44,079 --> 00:53:41,180  
services to the area expanded flights

980  
00:53:47,530 --> 00:53:44,089  
rather but but anyway yeah check it out

981  
00:53:50,440 --> 00:53:47,540  
at Hawaii parrot con-com as I said it's

982  
00:53:52,870 --> 00:53:50,450  
an international conference so you know

983  
00:53:53,560 --> 00:53:52,880  
we're I'll be speaking there but you

984  
00:53:59,020 --> 00:53:53,570  
know there's also

985  
00:54:01,060 --> 00:53:59,030  
so Greg and Dana Newkirk from Ohio with

986  
00:54:04,690 --> 00:54:01,070  
their paranormal Museum they'll be

987  
00:54:08,290 --> 00:54:04,700  
attending and presenting their we have

988  
00:54:11,290 --> 00:54:08,300

Fred Fogerty he's a an investigator from

989

00:54:13,840 --> 00:54:11,300

Edinburgh Scotland who will be reporting

990

00:54:16,270 --> 00:54:13,850

on the McKenzie poltergeist and other

991

00:54:20,260 --> 00:54:16,280

McKenzie poltergeists throughout history

992

00:54:24,600 --> 00:54:20,270

and also hypnotism in the paranormal and

993

00:54:28,570 --> 00:54:24,610

then of course the it's being planned by

994

00:54:31,420 --> 00:54:28,580

Iopaka Kappa Nui who runs haunted

995

00:54:35,080 --> 00:54:31,430

history tours in Oahu and he's a Native

996

00:54:38,920 --> 00:54:35,090

Hawaiian so he'll be bringing authentic

997

00:54:41,170 --> 00:54:38,930

Hawaiian paranormal knowledge so and and

998

00:54:44,830 --> 00:54:41,180

we'll also be having local presenters

999

00:54:48,340 --> 00:54:44,840

about the Japanese influences on the

1000

00:54:51,460 --> 00:54:48,350

island and the the URI and yokai stories

1001  
00:54:54,130 --> 00:54:51,470  
that have been introduced to Hawaii from

1002  
00:54:56,440 --> 00:54:54,140  
that culture so it's really gonna be an

1003  
00:54:59,250 --> 00:54:56,450  
international meeting of the minds and a

1004  
00:55:04,680 --> 00:54:59,260  
conference like never before

1005  
00:55:12,520 --> 00:55:04,690  
that's not awesome if we're at the time

1006  
00:55:17,110 --> 00:55:12,530  
we would definitely fly out okay so you

1007  
00:55:19,360 --> 00:55:17,120  
have a radio show yeah yeah yeah so you

1008  
00:55:22,240 --> 00:55:19,370

1018

00:56:00,630 --> 00:55:54,500

1022

00:56:09,540 --> 00:56:07,350

we have to take with therapist Tom

1028  
00:56:27,450 --> 00:56:25,780  
McGuire to the believer evidence is

1029  
00:56:30,120 --> 00:56:27,460  
overwhelming to the skeptic there will
