1
00:00:05,030 --> 00:00:02,000
and I'm so glad you guys are all with me

2
00:00:08,089 --> 00:00:05,040
here tonight it's Valentine's Day

3
00:00:11,000 --> 00:00:08,099
it is also International UFO Congress is

4
00:00:13,009 --> 00:00:11,010
going on it started today and you know

5
00:00:15,140 --> 00:00:13,019
how do you how do you top that so what

6
00:00:17,330 --> 00:00:15,150
we've decided to do is combine the two

7
00:00:20,510 --> 00:00:17,340
so we're having alien Valentine's Day

8
00:00:23,560 --> 00:00:20,520
here at International UFO Congress we're

9
00:00:26,560 --> 00:00:23,570
at the we copepod Casino and Resort in

10
00:00:29,240 --> 00:00:26,570
Scottsdale Fountain Hills Arizona and

11
00:00:31,040 --> 00:00:29,250
it's been interesting it's raining

12
00:00:32,389 --> 00:00:31,050
outside of all things it's the first

13
00:00:35,120 --> 00:00:32,399

year I've been here that it started

14

00:00:37,670 --> 00:00:35,130

raining but it's nice and warm so at

15

00:00:39,590 --> 00:00:37,680

least it's a nice warm rain and you know

16

00:00:41,569 --> 00:00:39,600

you never know we're gonna talk a lien

17

00:00:43,850 --> 00:00:41,579

sex we're gonna talk all kinds of fun

18

00:00:46,190 --> 00:00:43,860

stuff tonight here on the show so I hope

19

00:00:49,369 --> 00:00:46,200

you guys are ready for it I've got quite

20

00:00:51,080 --> 00:00:49,379

a crew of women here this evening so

21

00:00:52,970 --> 00:00:51,090

it's gonna be a little slanted so you

22

00:00:56,299 --> 00:00:52,980

guys if you know we hurt your little

23

00:00:58,970 --> 00:00:56,309

ears just close them and we'll do it

24

00:01:01,310 --> 00:00:58,980

just let the let the juices flow as they

25

00:01:03,020 --> 00:01:01,320

say those darn aliens with their little

26
00:01:06,469 --> 00:01:03,030
green juices and you never know what's

27
00:01:07,940 --> 00:01:06,479
gonna happen okay so I've got a Robin

28
00:01:12,130 --> 00:01:07,950
here I got Tana

29
00:01:15,620 --> 00:01:12,140
I've got Misha I've got Janet I've got

30
00:01:18,649 --> 00:01:15,630
Kara and Joanne Richards is with us as

31
00:01:20,899 --> 00:01:18,659
well and Melinda Leslie will join us in

32
00:01:23,359 --> 00:01:20,909
a little bit I've asked Cheryl Kosta to

33
00:01:25,760 --> 00:01:23,369
stop on by but it's a cocktail party

34
00:01:27,980 --> 00:01:25,770
right now folks so everybody's in there

35
00:01:30,410 --> 00:01:27,990
having their you know alien drinks with

36
00:01:32,149 --> 00:01:30,420
the little you know green umbrellas and

37
00:01:34,039 --> 00:01:32,159
I think there's a little bit of foam

38
00:01:36,649 --> 00:01:34,049

coming off the top and there might even

39

00:01:37,760 --> 00:01:36,659

be steam rolling off of it who knows

40

00:01:40,130 --> 00:01:37,770

what they're putting there probably that

41

00:01:42,800 --> 00:01:40,140

alien tequila I think that's what's in

42

00:01:44,480 --> 00:01:42,810

those drinks so anyhow I hope you guys

43

00:01:46,639 --> 00:01:44,490

are ready for this so my first question

44

00:01:48,410 --> 00:01:46,649

out of the gate for all the women

45

00:01:50,660 --> 00:01:48,420

sitting here in the in the gallery is

46

00:01:53,240 --> 00:01:50,670

I'd like to call it is have you ever

47

00:01:57,170 --> 00:01:53,250

been abducted and during your abduction

48

00:02:00,289 --> 00:01:57,180

did you actually have sex with an alien

49

00:02:02,899 --> 00:02:00,299

and I see a lot of heads shaking no oh I

50

00:02:06,620 --> 00:02:02,909

see one yes how about you yeah we got a

51
00:02:08,779 --> 00:02:06,630
yes we got a yes Robin says no okay all

52
00:02:10,279 --> 00:02:08,789
right so we got three yeses so we're

53
00:02:11,960 --> 00:02:10,289
gonna start out right at the very

54
00:02:13,530 --> 00:02:11,970
beginning with each one of you guys just

55
00:02:17,399 --> 00:02:13,540
tell us some lit you don't have

56
00:02:19,470 --> 00:02:17,409
go into detail but just tell us kind of

57
00:02:21,089 --> 00:02:19,480
what it was like because you know

58
00:02:23,849 --> 00:02:21,099
whether it was scary whether it was

59
00:02:25,440 --> 00:02:23,859
enjoyable whether the alien was nice to

60
00:02:27,990 --> 00:02:25,450
you whether he was mean to you whether

61
00:02:31,319 --> 00:02:28,000
it was typically like a normal guy you

62
00:02:32,789 --> 00:02:31,329
know because as far as I'm concerned if

63
00:02:35,580 --> 00:02:32,799

they really want to have sex with you

64

00:02:37,589 --> 00:02:35,590

then they must have some kind of feeling

65

00:02:38,940 --> 00:02:37,599

going behind it and I'm very confused

66

00:02:40,770 --> 00:02:38,950

about that because I've never had sex

67

00:02:42,780 --> 00:02:40,780

with an alien so I don't know you know I

68

00:02:44,849 --> 00:02:42,790

have no idea what this is all about

69

00:02:47,640 --> 00:02:44,859

so Tana since you're the most

70

00:02:49,229 --> 00:02:47,650

embarrassed about this you're gonna be

71

00:02:52,379 --> 00:02:49,239

the beginner yeah come on over here

72

00:02:54,059 --> 00:02:52,389

listen put you in the hot seat so

73

00:02:54,809 --> 00:02:54,069

everyone this is Tana and do you want to

74

00:02:56,849 --> 00:02:54,819

use your last name

75

00:02:59,520 --> 00:02:56,859

okay Tana Newberry and she is an amazing

76

00:03:02,280 --> 00:02:59,530

psychic she's also a contactee she also

77

00:03:04,559 --> 00:03:02,290

was doing night vision tours along with

78

00:03:07,710 --> 00:03:04,569

Misha Johnson does in Las Vegas Tana

79

00:03:10,800 --> 00:03:07,720

does them in Benicia California which is

80

00:03:12,599 --> 00:03:10,810

right near San Francisco and Melinda

81

00:03:14,610 --> 00:03:12,609

Leslie is joining us also desert in

82

00:03:17,220 --> 00:03:14,620

Sedona and what we realized tonight is

83

00:03:19,890 --> 00:03:17,230

that we're a bunch of women that do

84

00:03:22,559 --> 00:03:19,900

night vision stuff and we've also dubbed

85

00:03:27,089 --> 00:03:22,569

ourselves here at all the conference's

86

00:03:30,000 --> 00:03:27,099

the rack pack and we are now officially

87

00:03:33,300 --> 00:03:30,010

we have chapters of the rack pack and

88

00:03:36,270 --> 00:03:33,310

they are in Sedona Northern California

89

00:03:38,159 --> 00:03:36,280

or San Francisco and Las Vegas so any

90

00:03:40,229 --> 00:03:38,169

girls out there that want to come to the

91

00:03:41,729 --> 00:03:40,239

conferences and join the Rat Pack we'd

92

00:03:44,309 --> 00:03:41,739

love to have more women out there

93

00:03:45,990 --> 00:03:44,319

different chapters so we could all say

94

00:03:47,699 --> 00:03:46,000

we get together to all the conference's

95

00:03:49,920 --> 00:03:47,709

and we represent different areas of the

96

00:03:51,270 --> 00:03:49,930

United States would that be fun it would

97

00:03:53,159 --> 00:03:51,280

be really fun and we all hang out

98

00:03:55,409 --> 00:03:53,169

together we have a great time so you

99

00:03:57,809 --> 00:03:55,419

know come join us we'd love to have you

100

00:04:00,240 --> 00:03:57,819

be our sisterhood so there we are okay

101
00:04:02,969 --> 00:04:00,250
now back to the question what was your

102
00:04:05,460 --> 00:04:02,979
experience like and you know tell us

103
00:04:09,749 --> 00:04:05,470
just what you want to tell us okay so

104
00:04:12,800 --> 00:04:09,759
first thing that comes to mind is do

105
00:04:16,379 --> 00:04:12,810
elegans have all the right parts right a

106
00:04:21,659 --> 00:04:16,389
lot and it was interesting because in my

107
00:04:25,230 --> 00:04:21,669
experience it was more of a energy field

108
00:04:27,140 --> 00:04:25,240
around the areas that count and other

109
00:04:29,250 --> 00:04:27,150
than it being a very fizz

110
00:04:32,130 --> 00:04:29,260
manifestation instead it was a

111
00:04:34,110 --> 00:04:32,140
manifestation of like a little bit of a

112
00:04:37,080 --> 00:04:34,120
light source or energy field coming from

113
00:04:39,930 --> 00:04:37,090

some of those important areas and it

114

00:04:44,310 --> 00:04:39,940

felt a little bit more like a energy

115

00:04:46,440 --> 00:04:44,320

meld okay with with the being I you know

116

00:04:49,530 --> 00:04:46,450

I don't know again this is not my area

117

00:04:51,000 --> 00:04:49,540

of research or usual topic so I haven't

118

00:04:52,980 --> 00:04:51,010

talked to like a million people about

119

00:04:56,310 --> 00:04:52,990

this but yes the the experience is very

120

00:05:00,660 --> 00:04:56,320

you know recallable in my mind and it

121

00:05:02,190 --> 00:05:00,670

did feel somewhat grey related which is

122

00:05:03,570 --> 00:05:02,200

questionable because you really don't

123

00:05:05,550 --> 00:05:03,580

think that's first thing that came to

124

00:05:08,880 --> 00:05:05,560

mind is oh they don't have the parts you

125

00:05:11,640 --> 00:05:08,890

know but and it was funny because we it

126

00:05:15,300 --> 00:05:11,650

was also included in the experience was

127

00:05:17,460 --> 00:05:15,310

a bit of levitation okay so I found

128

00:05:19,950 --> 00:05:17,470

myself sort of floating in an middle

129

00:05:23,940 --> 00:05:19,960

area of the room and the aircraft if you

130

00:05:25,620 --> 00:05:23,950

will and there was sort of a car like if

131

00:05:29,010 --> 00:05:25,630

you were underwater or flying a bit of a

132

00:05:32,010 --> 00:05:29,020

dance back and forth but the areas that

133

00:05:34,050 --> 00:05:32,020

counted were more of an energy meld if

134

00:05:36,930 --> 00:05:34,060

you will and I was really under the

135

00:05:40,410 --> 00:05:36,940

understanding that what was going on was

136

00:05:41,340 --> 00:05:40,420

you know what quote-unquote sexy time

137

00:05:43,530 --> 00:05:41,350

okay

138

00:05:47,610 --> 00:05:43,540

but let me end yes let me ask you this

139

00:05:50,880 --> 00:05:47,620

because I'm very confused but so did

140

00:05:52,830 --> 00:05:50,890

your body parts react to the the energy

141

00:05:56,820 --> 00:05:52,840

or do you think was your mind causing

142

00:05:58,680 --> 00:05:56,830

your body parts to do the deed and in

143

00:06:01,800 --> 00:05:58,690

other words did you finish this whole

144

00:06:07,470 --> 00:06:01,810

thing and it was a basically like doing

145

00:06:13,050 --> 00:06:07,480

it by yourself nothing like doing it by

146

00:06:17,250 --> 00:06:13,060

yourself okay so first thing first off I

147

00:06:19,920 --> 00:06:17,260

will say that I felt a very a kinship

148

00:06:21,750 --> 00:06:19,930

towards it was a very but I would

149

00:06:24,690 --> 00:06:21,760

describe it as kind of beautiful and

150

00:06:26,820 --> 00:06:24,700

sensual not as much sexual in the way

151
00:06:27,140 --> 00:06:26,830
you would think like oh did it work did

152
00:06:34,650 --> 00:06:27,150
it

153
00:06:36,600 --> 00:06:34,660
a sensual merging and dance that I was

154
00:06:38,250 --> 00:06:36,610
to understand that this was a mating

155
00:06:39,719 --> 00:06:38,260
process now the other interesting thing

156
00:06:41,670 --> 00:06:39,729
to know about me is that

157
00:06:43,499 --> 00:06:41,680
a lot of my height my experience all

158
00:06:46,499 --> 00:06:43,509
centers around the hybrid program and

159
00:06:50,579 --> 00:06:46,509
not only do I recall situations that are

160
00:06:52,709 --> 00:06:50,589
you know sexual or or conception related

161
00:06:55,409 --> 00:06:52,719
but I also recall a lot of experiences

162
00:06:58,829 --> 00:06:55,419
where gestation is is happening too so I

163
00:07:01,820 --> 00:06:58,839

will feel as if there is some sort of

164

00:07:05,159 --> 00:07:01,830

either physical or energetic energy in

165

00:07:07,769 --> 00:07:05,169

the parts that count right and then and

166

00:07:09,540 --> 00:07:07,779

then that's part of my overall story so

167

00:07:13,260 --> 00:07:09,550

there are there have been different kind

168

00:07:15,540 --> 00:07:13,270

of experiences that I found myself sort

169

00:07:17,790 --> 00:07:15,550

of conceiving or with that in mind you

170

00:07:21,269 --> 00:07:17,800

know kind of bringing some energy into

171

00:07:23,129 --> 00:07:21,279

my body but I mean if you say you know

172

00:07:25,110 --> 00:07:23,139

have you had sex with an alien and not

173

00:07:27,059 --> 00:07:25,120

some other in vitro or other situation

174

00:07:29,040 --> 00:07:27,069

that that is prevalent in contacts this

175

00:07:31,829 --> 00:07:29,050

is the one that stands out I felt very

176

00:07:34,019 --> 00:07:31,839

very respected very cared for I felt

177

00:07:35,899 --> 00:07:34,029

that they were the the being as well as

178

00:07:40,980 --> 00:07:35,909

other ones that were sort of overseeing

179

00:07:45,350 --> 00:07:40,990

were very kind and and accommodating and

180

00:07:48,809 --> 00:07:45,360

very it seemed to be a high-value asset

181

00:07:51,269 --> 00:07:48,819

kind of situation it was a lot of care

182

00:07:54,920 --> 00:07:51,279

was taken into making sure I was

183

00:07:57,719 --> 00:07:54,930

comfortable and enjoy enjoying myself

184

00:08:00,029 --> 00:07:57,729

no no that's interesting and the reason

185

00:08:02,010 --> 00:08:00,039

I ask that is because as compared to

186

00:08:04,469 --> 00:08:02,020

them just taking the eggs like they do

187

00:08:07,769 --> 00:08:04,479

with people they wanted you to have an

188

00:08:09,389 --> 00:08:07,779

experience of the orgasm with the taking

189

00:08:11,730 --> 00:08:09,399

of the eggs that kind of sounds like to

190

00:08:13,860 --> 00:08:11,740

me so they were putting an energy

191

00:08:15,779 --> 00:08:13,870

imprint into those eggs of your

192

00:08:18,480 --> 00:08:15,789

happiness and your peace and your your

193

00:08:20,820 --> 00:08:18,490

calm instead of this whole fear of it

194

00:08:23,670 --> 00:08:20,830

yeah you know and maybe they figured out

195

00:08:26,070 --> 00:08:23,680

that that might cause a problem with the

196

00:08:27,749 --> 00:08:26,080

little babies afterwards I don't know

197

00:08:30,089 --> 00:08:27,759

now one thing that did come to mind with

198

00:08:32,129 --> 00:08:30,099

this is you know often with any sort of

199

00:08:34,139 --> 00:08:32,139

other conception related process that's

200

00:08:35,639 --> 00:08:34,149

a little bit more you know biological in

201
00:08:38,339 --> 00:08:35,649
nature when you talk about you know some

202
00:08:40,949 --> 00:08:38,349
of the technological processes in vitro

203
00:08:43,319 --> 00:08:40,959
or other other you know type of that's

204
00:08:45,300 --> 00:08:43,329
just lack of a better term and something

205
00:08:49,470 --> 00:08:45,310
that seem more clinical in nature

206
00:08:51,929 --> 00:08:49,480
this with the clinical things and you

207
00:08:53,000 --> 00:08:51,939
know that have that nature I I was kind

208
00:08:55,610 --> 00:08:53,010
of under the understand

209
00:08:57,440 --> 00:08:55,620
that sometimes whatever energy was

210
00:08:59,870 --> 00:08:57,450
coming into my body was maybe a make up

211
00:09:02,240 --> 00:08:59,880
of multiple different DNA pieces species

212
00:09:04,870 --> 00:09:02,250
pieces pieces like that right so what

213
00:09:07,430 --> 00:09:04,880

was interesting about this particular

214

00:09:09,560 --> 00:09:07,440

engagement if you will was that it

215

00:09:15,590 --> 00:09:09,570

really felt that there was one being and

216

00:09:18,830 --> 00:09:15,600

me and so is this an et alien lover of

217

00:09:20,510 --> 00:09:18,840

mine is this just somebody who I was

218

00:09:22,850 --> 00:09:20,520

assigned to have like a beautiful

219

00:09:25,990 --> 00:09:22,860

experience with is by my subconscious

220

00:09:29,210 --> 00:09:26,000

request to have some sort of you know

221

00:09:31,760 --> 00:09:29,220

wooing I have no idea I really don't

222

00:09:33,860 --> 00:09:31,770

know but all I know is that as weird as

223

00:09:35,720 --> 00:09:33,870

it may sound and as much as I will

224

00:09:40,790 --> 00:09:35,730

probably never talk about this a super

225

00:09:43,880 --> 00:09:40,800

lot again it's it's no way as around the

226

00:09:46,220 --> 00:09:43,890

world right now but I will say that I I

227

00:09:47,960 --> 00:09:46,230

would not have passed I would have I

228

00:09:50,450 --> 00:09:47,970

would have went ahead and taken the

229

00:09:53,630 --> 00:09:50,460

experience I wouldn't mind doing it

230

00:09:55,970 --> 00:09:53,640

again but you know sorry about how do I

231

00:09:57,980 --> 00:09:55,980

get a hold of this guy this alien and

232

00:10:00,290 --> 00:09:57,990

and the other thing that was also

233

00:10:04,390 --> 00:10:00,300

notable is even though it did have sort

234

00:10:08,180 --> 00:10:04,400

of kind of a grayish feel to the entity

235

00:10:09,650 --> 00:10:08,190

it also did feel very human so me being

236

00:10:11,480 --> 00:10:09,660

involved in the hybrid program and

237

00:10:12,110 --> 00:10:11,490

really having a contract to assist in

238

00:10:15,140 --> 00:10:12,120

that process

239

00:10:17,900 --> 00:10:15,150

I wonder how alien it was right you know

240

00:10:20,180 --> 00:10:17,910

what I mean like is there some might

241

00:10:22,760 --> 00:10:20,190

have been military disguising themselves

242

00:10:24,530 --> 00:10:22,770

as alien ok well that's absolutely

243

00:10:26,810 --> 00:10:24,540

possible right all things have to be

244

00:10:28,400 --> 00:10:26,820

considered and and all I have is my one

245

00:10:29,960 --> 00:10:28,410

perspective and not a lot of research

246

00:10:32,600 --> 00:10:29,970

and I haven't shared the conversation

247

00:10:36,760 --> 00:10:32,610

many people yet so feel free to email me

248

00:10:39,950 --> 00:10:36,770

everyone if you have alien half-breed

249

00:10:42,740 --> 00:10:39,960

military guys ever ever and but it's

250

00:10:47,090 --> 00:10:42,750

it's it's strange to talk about yes but

251

00:10:48,590 --> 00:10:47,100

I think this has got to happen a lot you

252

00:10:51,170 --> 00:10:48,600

know it's got to happen a lot and I know

253

00:10:53,600 --> 00:10:51,180

people don't I it's kind of less type

254

00:10:56,390 --> 00:10:53,610

the whole whole subjects taboo but it's

255

00:10:58,580 --> 00:10:56,400

less taboo to be like oh yeah it was you

256

00:11:00,590 --> 00:10:58,590

know some sort of clinical process right

257

00:11:02,780 --> 00:11:00,600

I'm on a table they take the bow of on

258

00:11:06,380 --> 00:11:02,790

whatever but I think it it's probably

259

00:11:08,900 --> 00:11:06,390

even more taboo to say I've had you

260

00:11:11,960 --> 00:11:08,910

No a sexual relationship at least once

261

00:11:15,020 --> 00:11:11,970

with another being there's there's a

262

00:11:17,000 --> 00:11:15,030

woman from our past in the experiences

263

00:11:17,980 --> 00:11:17,010

that was the jazz singer I can't

264

00:11:21,770 --> 00:11:17,990

remember her

265

00:11:23,510 --> 00:11:21,780

Pamela Stone broke yes and she swore for

266

00:11:25,670 --> 00:11:23,520

years and years on coast to coast and

267

00:11:27,680 --> 00:11:25,680

everywhere that she had a reptilian

268

00:11:30,050 --> 00:11:27,690

lover they used to come and visit her

269

00:11:32,030 --> 00:11:30,060

and he had all the parts and she says

270

00:11:33,650 --> 00:11:32,040

when she had sex with the reptilian you

271

00:11:36,500 --> 00:11:33,660

never go back I'll never forget her

272

00:11:39,050 --> 00:11:36,510

saying that it was and she said alive on

273

00:11:40,940 --> 00:11:39,060

air she said and I'm like you know

274

00:11:43,190 --> 00:11:40,950

there's got it well you know the part

275

00:11:45,410 --> 00:11:43,200

about that that's very intriguing and I

276

00:11:48,050 --> 00:11:45,420

never I never judged Pamela for saying

277

00:11:50,750 --> 00:11:48,060

that because I have been to the place of

278

00:11:53,180 --> 00:11:50,760

love and light and the love there is

279

00:11:55,370 --> 00:11:53,190

absolutely amazing that if you can take

280

00:11:57,860 --> 00:11:55,380

that from the alien consciousness or

281

00:12:01,010 --> 00:11:57,870

they can put it into yours while you're

282

00:12:03,140 --> 00:12:01,020

having a sexual a physical feeling with

283

00:12:05,810 --> 00:12:03,150

it it would seem like the most like a

284

00:12:08,240 --> 00:12:05,820

cosmic orgasm and there can't be

285

00:12:10,160 --> 00:12:08,250

anything like that that you know a man

286

00:12:12,590 --> 00:12:10,170

and woman on this physical plane can do

287

00:12:13,970 --> 00:12:12,600

so I totally got that when she said it I

288

00:12:16,130 --> 00:12:13,980

mean I laughed and chuckled but

289

00:12:18,140 --> 00:12:16,140

seriously and she did you know and I'm

290

00:12:20,060 --> 00:12:18,150

gonna say this live on air she did say

291

00:12:21,860 --> 00:12:20,070

he had the most amazing member that

292

00:12:24,170 --> 00:12:21,870

she'd ever encountered in her life

293

00:12:26,210 --> 00:12:24,180

between a human in it you know among all

294

00:12:28,070 --> 00:12:26,220

human so I thought that was quite funny

295

00:12:29,360 --> 00:12:28,080

too but this has been going on for a

296

00:12:32,900 --> 00:12:29,370

long time and she was probably the only

297

00:12:35,000 --> 00:12:32,910

one in the a 90s late 80s and 90s that

298

00:12:36,620 --> 00:12:35,010

really came out that and Misha came out

299

00:12:40,220 --> 00:12:36,630

with that see I remember you told me he

300

00:12:43,030 --> 00:12:40,230

did that but oh that's right that's

301

00:12:47,050 --> 00:12:45,430

that's right yeah well pay me she's

302

00:12:48,430 --> 00:12:47,060

gonna come talk to us in just a couple

303

00:12:51,070 --> 00:12:48,440

minutes but she's gonna talk more about

304

00:12:53,500 --> 00:12:51,080

Pam and and what they did and the whole

305

00:12:55,120 --> 00:12:53,510

thing but they're they're you know alien

306

00:12:57,850 --> 00:12:55,130

mutt bite but it's not a love bite this

307

00:13:01,450 --> 00:12:57,860

one is more of a oh thank you for being

308

00:13:02,710 --> 00:13:01,460

there thank you for being my friend it's

309

00:13:05,170 --> 00:13:02,720

completely true because if you think

310

00:13:06,730 --> 00:13:05,180

about a telepathic nature of these

311

00:13:08,440 --> 00:13:06,740

beings they're not just touching the

312

00:13:10,930 --> 00:13:08,450

outside of your body they're going into

313

00:13:13,060 --> 00:13:10,940

your brain and tickling all your your

314

00:13:15,910 --> 00:13:13,070

you know inner workings and and

315

00:13:18,190 --> 00:13:15,920

consciousness and and so it's

316

00:13:20,500 --> 00:13:18,200

interesting that that the you know

317

00:13:22,360 --> 00:13:20,510

energy fields would be sort of mixed in

318

00:13:24,430 --> 00:13:22,370

all the right places right I mean it

319

00:13:26,620 --> 00:13:24,440

literally felt like a little vortex or

320

00:13:30,040 --> 00:13:26,630

ball of light right you know where it

321

00:13:33,310 --> 00:13:30,050

counted and and and through that there's

322

00:13:35,950 --> 00:13:33,320

like not just the physical sensation but

323

00:13:37,960 --> 00:13:35,960

there's like an energetic trade and then

324

00:13:39,580 --> 00:13:37,970

there's also like the telepathic nature

325

00:13:43,810 --> 00:13:39,590

and it's like feel good and you're like

326

00:13:45,910 --> 00:13:43,820

oh I feel good so there you go there it

327

00:13:50,200 --> 00:13:45,920

is scientists in assign everybody up

328

00:13:52,660 --> 00:13:50,210

and and you won't regret it you will

329

00:13:55,420 --> 00:13:52,670

never be you'll never be unsatisfied

330

00:13:56,770 --> 00:13:55,430

yeah we guarantee satisfaction I guess

331

00:14:04,210 --> 00:13:56,780

that we should put that on the side

332

00:14:05,620 --> 00:14:04,220

airlie every alien ship just and you

333

00:14:07,090 --> 00:14:05,630

know that would be perfect in Las Vegas

334

00:14:08,710 --> 00:14:07,100

you know they had the trucks running

335

00:14:10,540 --> 00:14:08,720

around all the half-naked girls we could

336

00:14:17,680 --> 00:14:10,550

put a half-naked reptilian up there you

337

00:14:20,230 --> 00:14:17,690

know satisfaction guaranteed I you know

338

00:14:22,660 --> 00:14:20,240

I've never had what you were talking

339

00:14:26,190 --> 00:14:22,670

about you know I had this whole thing

340

00:14:29,440 --> 00:14:26,200

happened with max in a in a vision and

341

00:14:31,390 --> 00:14:29,450

it was exactly like what you're talking

342

00:14:35,050 --> 00:14:31,400

about

343

00:14:36,880 --> 00:14:35,060

but it was all in my head it was the

344

00:14:39,160 --> 00:14:36,890

vision that happened and it was I told

345

00:14:43,240 --> 00:14:39,170

you guys I melted with him and there was

346

00:14:45,550 --> 00:14:43,250

this amazing sexual type of relationship

347

00:14:47,290 --> 00:14:45,560

but I wasn't feeling the sex I was

348

00:14:49,330 --> 00:14:47,300

feeling the melting of the consciousness

349

00:14:51,640 --> 00:14:49,340

and the love and all that stuff together

350

00:14:54,130 --> 00:14:51,650

where they I think it's called a

351

00:14:56,650 --> 00:14:54,140

twinning process I'm not sure in the

352

00:14:57,100 --> 00:14:56,660

whole super-soldier consciousness

353

00:14:59,470 --> 00:14:57,110

commune

354

00:15:04,319 --> 00:14:59,480

were they when they want you to be

355

00:15:06,910 --> 00:15:04,329

paired with somebody in in the type of

356

00:15:10,180 --> 00:15:06,920

well super soldier

357

00:15:12,340 --> 00:15:10,190

psychic warrior secret space program

358

00:15:14,470 --> 00:15:12,350

type of thing where you're working with

359

00:15:16,540 --> 00:15:14,480

somebody all the time I think they do

360

00:15:18,519 --> 00:15:16,550

that I'm just still not sure on how that

361

00:15:21,220 --> 00:15:18,529

all works that's interesting because I

362

00:15:25,660 --> 00:15:21,230

also had a situation with another et

363

00:15:27,490 --> 00:15:25,670

contact de who who may have had more to

364

00:15:29,470 --> 00:15:27,500

the story than I was ever privy to

365

00:15:31,389 --> 00:15:29,480

because you know there's lots of things

366

00:15:32,949 --> 00:15:31,399

that are either embarrassing or you just

367

00:15:34,540 --> 00:15:32,959

don't share with everybody but there was

368

00:15:36,550 --> 00:15:34,550

someone who was need to contact he that

369

00:15:40,300 --> 00:15:36,560

I came across and we had a very special

370

00:15:44,079 --> 00:15:40,310

connection and I felt that I could call

371

00:15:45,790 --> 00:15:44,089

that energy in at any time and what was

372

00:15:48,100 --> 00:15:45,800

interesting is I really got the sense

373

00:15:49,300 --> 00:15:48,110

that that ET contactee or whatever

374

00:15:51,100 --> 00:15:49,310

energy you're drawing in doesn't

375

00:15:53,440 --> 00:15:51,110

necessarily have to be present with it

376

00:15:55,269 --> 00:15:53,450

at that moment that the experience you

377

00:15:58,180 --> 00:15:55,279

can actually take from anytime in space

378

00:15:59,920 --> 00:15:58,190

and and bring it right on down at 7:00

379

00:16:02,710 --> 00:15:59,930

p.m. on a Tuesday night after you've had

380

00:16:04,960 --> 00:16:02,720

your bath and glass of wine and no I'm

381

00:16:08,050 --> 00:16:04,970

serious you you really kiss you can draw

382

00:16:10,840 --> 00:16:08,060

that energy from anywhere and just kind

383

00:16:13,540 --> 00:16:10,850

of direct it towards or you'll feel it

384

00:16:14,620 --> 00:16:13,550

coming to you you know an energy and

385

00:16:17,710 --> 00:16:14,630

it's interesting because you talk about

386

00:16:21,250 --> 00:16:17,720

ETS you know telepathic in nature ET

387

00:16:23,050 --> 00:16:21,260

contactees very prone to having

388

00:16:25,720 --> 00:16:23,060

telepathic abilities and there's this

389

00:16:27,699 --> 00:16:25,730

level of consciousness and ability

390

00:16:30,509 --> 00:16:27,709

telepathically that adds this whole

391

00:16:33,460 --> 00:16:30,519

extra layer to an intimate situation

392

00:16:37,210 --> 00:16:33,470

thus making all of us girls swoon you

393

00:16:39,040 --> 00:16:37,220

know you don't have to say a little a no

394

00:16:40,389 --> 00:16:39,050

because it's everywhere it's all over

395

00:16:41,530 --> 00:16:40,399

and it's outside of your body it's

396

00:16:47,170 --> 00:16:41,540

inside of your body it's everywhere and

397

00:16:49,269 --> 00:16:47,180

so um yeah it's just great this is the

398

00:16:52,030 --> 00:16:49,279

problem folks once you had it like

399

00:16:54,670 --> 00:16:52,040

Pamela Steinberg I said there's no going

400

00:16:56,650 --> 00:16:54,680

back I don't think so anyhow let's move

401
00:16:58,449 --> 00:16:56,660
on to the next we're gonna add that in

402
00:17:00,430 --> 00:16:58,459
as the group oh and by the way I take no

403
00:17:03,670 --> 00:17:00,440
responsibility for naming the RAC pack

404
00:17:05,380 --> 00:17:03,680
although I think I did and and we're

405
00:17:09,579 --> 00:17:05,390
no fun at all so don't hang out with us

406
00:17:11,890 --> 00:17:09,589
ever oh yeah that that is

407
00:17:13,210 --> 00:17:11,900
I can tell you that right now okay let's

408
00:17:15,039 --> 00:17:13,220
have Misha come up and then we'll do

409
00:17:16,870 --> 00:17:15,049
Janet and then you guys could talk about

410
00:17:20,500 --> 00:17:16,880
it doesn't have to be this but I want

411
00:17:23,620 --> 00:17:20,510
your perspective on the whole sex alien

412
00:17:25,269 --> 00:17:23,630
thing so okay this is Misha Johnston and

413
00:17:28,419 --> 00:17:25,279

she has a radio show over in Casey Oh

414

00:17:32,049 --> 00:17:28,429

our radio on Saturday afternoons at 12

415

00:17:34,120 --> 00:17:32,059

noon pacific and she's also been a good

416

00:17:36,039 --> 00:17:34,130

friend of mine for a long time and she

417

00:17:39,399 --> 00:17:36,049

is a well-known experienter she will be

418

00:17:41,320 --> 00:17:39,409

speaking at UFO Con this year and we're

419

00:17:43,539 --> 00:17:41,330

gonna talk a lot talking necessarily

420

00:17:47,580 --> 00:17:43,549

about this topic but she is going to

421

00:17:54,730 --> 00:17:47,590

talk about the different aliens and I oh

422

00:17:57,730 --> 00:17:54,740

you are going to talk about okay well

423

00:17:59,560 --> 00:17:57,740

this is good so now tell us in a little

424

00:18:00,909 --> 00:17:59,570

more detail than usual I mean because we

425

00:18:02,649 --> 00:18:00,919

don't ever talk about this on the radio

426

00:18:06,159 --> 00:18:02,659

and thank God it's Valentine's there we

427

00:18:08,200 --> 00:18:06,169

would never get away with this so tell

428

00:18:11,110 --> 00:18:08,210

us in more detailed Missha about what

429

00:18:14,919 --> 00:18:11,120

you've experienced in the past all right

430

00:18:20,230 --> 00:18:14,929

well first started in 1989 when I met a

431

00:18:23,039 --> 00:18:20,240

very tall reptilian he came to me first

432

00:18:26,320 --> 00:18:23,049

in a wonderful energy or and then

433

00:18:27,880 --> 00:18:26,330

subsequently he would come throughout my

434

00:18:32,710 --> 00:18:27,890

experiences now

435

00:18:35,110 --> 00:18:32,720

one night I woke up having this ecstatic

436

00:18:38,500 --> 00:18:35,120

energy and I thought that was a dream I

437

00:18:42,399 --> 00:18:38,510

woke up and there he is parallel laying

438

00:18:45,600 --> 00:18:42,409

straight across yeah and it was the most

439

00:18:48,430 --> 00:18:45,610

amazing amazing amazing amazing energy

440

00:18:54,100 --> 00:18:48,440

most amazing amazing Kundalini

441

00:18:57,789 --> 00:18:54,110

experience full-body orgasm and like she

442

00:19:00,850 --> 00:18:57,799

said Pamela says once you had that you

443

00:19:03,340 --> 00:19:00,860

don't you you you you can't compare it

444

00:19:05,529 --> 00:19:03,350

to anything than any human man can do

445

00:19:07,480 --> 00:19:05,539

and I will give you a little bit more

446

00:19:10,080 --> 00:19:07,490

indication about this was ongoing

447

00:19:12,820 --> 00:19:10,090

experience and still Ayano still

448

00:19:15,460 --> 00:19:12,830

protects me and isn't my home and many

449

00:19:17,200 --> 00:19:15,470

people have seen him oh that's Friday

450

00:19:20,950 --> 00:19:17,210

you guys hi guys I forgot to tell you

451

00:19:22,779 --> 00:19:20,960

this he yeah yeah they she still sees

452

00:19:23,440 --> 00:19:22,789

him he still hangs out with her so it's

453

00:19:26,259 --> 00:19:23,450

very interesting

454

00:19:29,230 --> 00:19:26,269

like a lifelong protector or partner

455

00:19:31,870 --> 00:19:29,240

well yes because we have I've since

456

00:19:34,330 --> 00:19:31,880

found out through regression and through

457

00:19:36,759 --> 00:19:34,340

some of my own memories that we've had

458

00:19:38,649 --> 00:19:36,769

lives together and not always as a

459

00:19:41,560 --> 00:19:38,659

reptilian but we've had lives together

460

00:19:44,620 --> 00:19:41,570

so I would call him a counterpart soul

461

00:19:46,299 --> 00:19:44,630

mate that's the only way I could could

462

00:19:50,019 --> 00:19:46,309

explain that now but one time he kind of

463

00:19:53,560 --> 00:19:50,029

stepped over the line I was with another

464

00:19:54,430 --> 00:19:53,570

man who I was really becoming I felt

465

00:19:56,259 --> 00:19:54,440

like a twin flame

466

00:19:59,980 --> 00:19:56,269

I felt I felt felt he was a twin flame

467

00:20:03,340 --> 00:19:59,990

and one and we'd been together for five

468

00:20:06,460 --> 00:20:03,350

years and when the night during a very

469

00:20:09,519 --> 00:20:06,470

passionate time this energy or opened up

470

00:20:15,970 --> 00:20:09,529

above me above him I should say because

471

00:20:18,340 --> 00:20:15,980

I'm on the park energy and then all of a

472

00:20:22,450 --> 00:20:18,350

sudden I better not say his name all of

473

00:20:24,250 --> 00:20:22,460

a sudden it went into him and oh he was

474

00:20:30,100 --> 00:20:24,260

different he was completely different

475

00:20:32,740 --> 00:20:30,110

that same spiritual amazing energy was

476

00:20:37,919 --> 00:20:32,750

transferred into him and so for those

477

00:20:40,930 --> 00:20:37,929

moments he was a fantastic alien

478

00:20:44,919 --> 00:20:40,940

experience I gotta say something here

479

00:20:47,620 --> 00:20:44,929

I've heard this before I a woman came to

480

00:20:48,850 --> 00:20:47,630

me ya know a woman I can't remember it

481

00:20:51,399 --> 00:20:48,860

was back when I was doing those

482

00:20:53,710 --> 00:20:51,409

all-night super soldier calls this woman

483

00:20:55,840 --> 00:20:53,720

said she swore to me that her husband

484

00:20:59,230 --> 00:20:55,850

had been taken over by a reptilian and

485

00:21:01,180 --> 00:20:59,240

she needed help because she would you

486

00:21:03,070 --> 00:21:01,190

guys are gonna love this she was afraid

487

00:21:06,909 --> 00:21:03,080

the reptilian was gonna leave and then

488

00:21:10,389 --> 00:21:06,919

she'd be stuck I swear to God stuck with

489

00:21:12,009 --> 00:21:10,399

her husband again normal I swear to God

490

00:21:14,049 --> 00:21:12,019

I never told me buddy this I kind of

491

00:21:15,909 --> 00:21:14,059

forgot about it in the minute you said

492

00:21:18,250 --> 00:21:15,919

that it you know like it slapped me

493

00:21:19,960 --> 00:21:18,260

upside the head and I and I didn't know

494

00:21:22,060 --> 00:21:19,970

what at the time to say to that woman

495

00:21:23,019 --> 00:21:22,070

and I haven't heard from her since but

496

00:21:25,570 --> 00:21:23,029

it was just the most bizarre

497

00:21:27,009 --> 00:21:25,580

conversation I thought I'd ever have but

498

00:21:28,960 --> 00:21:27,019

now we're getting into it again

499

00:21:30,730 --> 00:21:28,970

yeah I'm very glad to hear there's

500

00:21:32,200 --> 00:21:30,740

somebody else yeah there's a lot more

501
00:21:33,940 --> 00:21:32,210
than you think I would believe that

502
00:21:35,830 --> 00:21:33,950
don't talk about it you find this out

503
00:21:37,030 --> 00:21:35,840
because I result as eight support groups

504
00:21:39,460 --> 00:21:37,040
of people or experience

505
00:21:42,280 --> 00:21:39,470
yours not only in Las Vegas but all over

506
00:21:45,250 --> 00:21:42,290
the world because I have these internet

507
00:21:47,560 --> 00:21:45,260
virtual live groups so I've talked to

508
00:21:49,990 --> 00:21:47,570
that I've never had anybody talk about

509
00:21:55,240 --> 00:21:50,000
that particularly sports so anyway to

510
00:22:03,010 --> 00:21:55,250
finish it so then I realized what was

511
00:22:06,130 --> 00:22:03,020
going on and I said oh yeah and we'll

512
00:22:13,030 --> 00:22:06,140
call him be he will looked up looked

513
00:22:15,190 --> 00:22:13,040

down he said what what cuz he saw and

514

00:22:21,760 --> 00:22:15,200

felt the condition the change in him as

515

00:22:25,420 --> 00:22:21,770

well because he was this mad and then

516

00:22:27,370 --> 00:22:25,430

Ayano immediately like soon and he

517

00:22:29,950 --> 00:22:27,380

telepathically which is most of our all

518

00:22:31,810 --> 00:22:29,960

of our conversation said I am so sorry I

519

00:22:35,340 --> 00:22:31,820

just wanted to feel like what it would

520

00:22:38,170 --> 00:22:35,350

feel like again to be with you in form

521

00:22:40,660 --> 00:22:38,180

and so and you know I could understand

522

00:22:42,880 --> 00:22:40,670

but he be could not understand the

523

00:22:52,090 --> 00:22:42,890

boyfriend did not understand and he took

524

00:22:54,730 --> 00:22:52,100

off I got I got out so brave I have some

525

00:22:59,350 --> 00:22:54,740

time have some time so that that is that

526

00:23:01,390 --> 00:22:59,360

and then of course Pam so so family and

527

00:23:02,890 --> 00:23:01,400

I talked many times about our experience

528

00:23:04,780 --> 00:23:02,900

because really we were the only one

529

00:23:08,470 --> 00:23:04,790

talking about it I was I was speaking at

530

00:23:10,600 --> 00:23:08,480

at the little alien and the conference's

531

00:23:12,550 --> 00:23:10,610

like that about it and I was talking

532

00:23:18,910 --> 00:23:12,560

about it and in fact I had kind of a

533

00:23:22,150 --> 00:23:18,920

reputation about that but no an all

534

00:23:25,630 --> 00:23:22,160

series society it there is and not just

535

00:23:29,080 --> 00:23:25,640

Hakuna lien and and full-body orgasm but

536

00:23:31,840 --> 00:23:29,090

the most unconditionally loving energy

537

00:23:34,090 --> 00:23:31,850

that you could ever imagine and it's

538

00:23:38,400 --> 00:23:34,100

really a marvelous and and and then

539

00:23:40,150 --> 00:23:38,410

later on very very soon after that

540

00:23:42,640 --> 00:23:40,160

actually I did break up with the

541

00:23:46,620 --> 00:23:42,650

boyfriend unfortunately to do that I

542

00:23:48,100 --> 00:23:46,630

know it's a little hard to take I'm sure

543

00:23:50,600 --> 00:23:48,110

but I

544

00:23:54,740 --> 00:23:50,610

I ended up

545

00:23:57,110 --> 00:23:54,750

I've lost my train here site so I ended

546

00:24:01,220 --> 00:23:57,120

up on board a ship and there were

547

00:24:04,909 --> 00:24:01,230

children around and in in this was like

548

00:24:07,250 --> 00:24:04,919

maybe three year old so it was quite you

549

00:24:09,980 --> 00:24:07,260

know as few years later I saw this

550

00:24:12,110 --> 00:24:09,990

little being kind of walk up and I

551
00:24:13,759 --> 00:24:12,120
because I was thinking to myself which

552
00:24:17,509 --> 00:24:13,769
one is it because I've been shown like

553
00:24:20,360 --> 00:24:17,519
17 children and so I saw this little

554
00:24:22,639 --> 00:24:20,370
reptilian being walk up very timidly

555
00:24:26,450 --> 00:24:22,649
walk up but I could feel like that was

556
00:24:28,909 --> 00:24:26,460
my child and I and I said who's the

557
00:24:32,090 --> 00:24:28,919
father and they said well you call him

558
00:24:34,310 --> 00:24:32,100
Ayano and the all so that was a

559
00:24:38,620 --> 00:24:34,320
telepathic message and when they give

560
00:24:41,419 --> 00:24:38,630
you these messages it's all like it's

561
00:24:43,639 --> 00:24:41,429
Technicolor it's hologram you get not

562
00:24:45,320 --> 00:24:43,649
just words but you get the whole thought

563
00:24:47,899 --> 00:24:45,330

forms and the whole sense as a whole

564

00:24:51,769 --> 00:24:47,909

story and so what they were showing me

565

00:24:55,610 --> 00:24:51,779

the all is many different genetics and

566

00:24:59,000 --> 00:24:55,620

so subsequently also met another two

567

00:25:00,409 --> 00:24:59,010

other reptilian children that I don't

568

00:25:03,139 --> 00:25:00,419

know I didn't ask whether they were

569

00:25:05,810 --> 00:25:03,149

Ayana or Ayana or not but now they were

570

00:25:09,019 --> 00:25:05,820

mine so I would imagine they were uh-uh

571

00:25:12,440 --> 00:25:09,029

no because I I don't and so people can

572

00:25:12,980 --> 00:25:12,450

come by and take a look at I&O at my

573

00:25:16,759 --> 00:25:12,990

table

574

00:25:19,009 --> 00:25:16,769

that's very true you've draw Ayano and

575

00:25:21,200 --> 00:25:19,019

an artist to art I've got like four

576

00:25:24,649 --> 00:25:21,210

different artists giants of them

577

00:25:26,690 --> 00:25:24,659

different artists and yeah we can

578

00:25:27,919 --> 00:25:26,700

basically say you and I are having a

579

00:25:29,840 --> 00:25:27,929

Valentine's Day together

580

00:25:35,019 --> 00:25:29,850

alien Valentine yeah well if I was home

581

00:25:37,700 --> 00:25:35,029

[Laughter]

582

00:25:40,340 --> 00:25:37,710

what I could say about you at the hotel

583

00:25:42,350 --> 00:25:40,350

tonight but I'm not gonna say that there

584

00:25:45,889 --> 00:25:42,360

could be a lot of alien sex going on

585

00:25:49,700 --> 00:25:45,899

yeah no time in space so you know my

586

00:25:50,389 --> 00:25:49,710

roommate doesn't mind being you do

587

00:25:53,419 --> 00:25:50,399

everybody

588

00:25:54,860 --> 00:25:53,429

oh god I didn't say that did I oh my god

589

00:25:56,950 --> 00:25:54,870

okay thank you sweetheart okay we'll

590

00:26:01,490 --> 00:25:56,960

talk more about this

591

00:26:03,050 --> 00:26:01,500

yeah yeah okay Janet you're up oh my god

592

00:26:05,030 --> 00:26:03,060

you guys it's turning into a freefall

593

00:26:07,430 --> 00:26:05,040

free-for-all in here we're getting very

594

00:26:09,890 --> 00:26:07,440

unprofessional all of a sudden but

595

00:26:11,990 --> 00:26:09,900

that's okay it'll work

596

00:26:14,870 --> 00:26:12,000

our yeah we're still connected oh good

597

00:26:17,750 --> 00:26:14,880

thanks MJ okay sweetheart now this is

598

00:26:20,960 --> 00:26:17,760

Janet lessen she is another part of the

599

00:26:22,970 --> 00:26:20,970

RAC pack and we've even honored her

600

00:26:26,830 --> 00:26:22,980

husband as part of the RAC pack in a

601
00:26:29,450 --> 00:26:26,840
weird way he gets to hang out with us

602
00:26:31,970 --> 00:26:29,460
yeah he's not a very male member of the

603
00:26:33,920 --> 00:26:31,980
rack back and oh you know you're are ye

604
00:26:36,920 --> 00:26:33,930
contingency I forgot about that you're

605
00:26:39,310 --> 00:26:36,930
the Hawaii chapter yeah yeah good we're

606
00:26:42,740 --> 00:26:39,320
growing rapidly by the minute

607
00:26:44,810 --> 00:26:42,750
this is great okay and Shannon has

608
00:26:47,690 --> 00:26:44,820
Aquarian radio she's also heard on

609
00:26:49,520 --> 00:26:47,700
revolution radio here is there any other

610
00:26:52,040 --> 00:26:49,530
stations I don't know about right now

611
00:26:55,550 --> 00:26:52,050
just the Quarian radio revolution radio

612
00:26:58,250 --> 00:26:55,560
okay perfect in yo yeah we'll all take

613
00:27:01,970 --> 00:26:58,260

on seven right I mean gosh yeah turn me

614

00:27:03,500 --> 00:27:01,980

off let's see and I know that you have a

615

00:27:06,410 --> 00:27:03,510

story you've got a bunch of stories

616

00:27:08,710 --> 00:27:06,420

about different aliens yeah I haven't so

617

00:27:11,990 --> 00:27:08,720

go ahead and pick one you like the most

618

00:27:14,060 --> 00:27:12,000

okay well basically my entire life I've

619

00:27:17,570 --> 00:27:14,070

been turned on since I was 13 years old

620

00:27:20,510 --> 00:27:17,580

and what I found out what do you mean

621

00:27:23,720 --> 00:27:20,520

right turned on we need to know I was

622

00:27:28,460 --> 00:27:23,730

the extraterrestrials made me very

623

00:27:30,500 --> 00:27:28,470

sexually interested in having sex and so

624

00:27:33,350 --> 00:27:30,510

they kept matching with people all my

625

00:27:34,940 --> 00:27:33,360

life and then they would show me the

626

00:27:37,880 --> 00:27:34,950

children later and they said they

627

00:27:40,790 --> 00:27:37,890

genetically enhanced so they think they

628

00:27:42,560 --> 00:27:40,800

would take this site like they can't

629

00:27:44,480 --> 00:27:42,570

hear you right now so I every time I

630

00:27:46,610 --> 00:27:44,490

pull the microphone away yeah yeah no

631

00:27:49,160 --> 00:27:46,620

it's okay I just want to say you know

632

00:27:51,560 --> 00:27:49,170

what this is a common theme between most

633

00:27:54,410 --> 00:27:51,570

abductees when they're five or six

634

00:27:58,100 --> 00:27:54,420

there's some exam done to the female

635

00:27:59,810 --> 00:27:58,110

area and in me ours case there was a gel

636

00:28:01,520 --> 00:27:59,820

applied and I've heard of a couple of

637

00:28:03,320 --> 00:28:01,530

other women that have had some kind of

638

00:28:05,810 --> 00:28:03,330

something put in them to make them much

639

00:28:08,900 --> 00:28:05,820

more sexual when they got into their

640

00:28:10,340 --> 00:28:08,910

teens soon as they hit puberty they are

641

00:28:13,310 --> 00:28:10,350

now

642

00:28:16,730 --> 00:28:13,320

in the program somehow and there are a

643

00:28:18,919 --> 00:28:16,740

lot of male men human men brought to

644

00:28:22,880 --> 00:28:18,929

them and and they usually have sex at a

645

00:28:24,799 --> 00:28:22,890

younger age and then also at the same

646

00:28:28,250 --> 00:28:24,809

time they're having sex with these male

647

00:28:30,140 --> 00:28:28,260

humans there's also the breeding program

648

00:28:32,180 --> 00:28:30,150

going on that they may or may not be

649

00:28:33,980 --> 00:28:32,190

aware of but they think it's just human

650

00:28:36,890 --> 00:28:33,990

men that are getting them pregnant when

651
00:28:40,070 --> 00:28:36,900
in reality most times it's they Lian's

652
00:28:43,760 --> 00:28:40,080
well but I did have human sex so what

653
00:28:46,039 --> 00:28:43,770
they told me I said they don't need just

654
00:28:48,710 --> 00:28:46,049
two parents they can combine your DNA

655
00:28:51,890 --> 00:28:48,720
with as many parents of different races

656
00:28:55,070 --> 00:28:51,900
that they desire you just said that

657
00:28:58,399 --> 00:28:55,080
you've got some these kids these these

658
00:29:01,279 --> 00:28:58,409
alien hybrids are many mixes of DNA not

659
00:29:03,140 --> 00:29:01,289
just to not a male female the

660
00:29:06,200 --> 00:29:03,150
misconception is that we need one male

661
00:29:11,120 --> 00:29:06,210
one female but they can actually mix our

662
00:29:14,390 --> 00:29:11,130
DNA from dozens of different you know

663
00:29:16,460 --> 00:29:14,400

species and different individuals so

664

00:29:20,740 --> 00:29:16,470

that's why you can have a child now with

665

00:29:23,720 --> 00:29:20,750

the a donor carrier and it'll get the

666

00:29:25,909 --> 00:29:23,730

mitochondrial DNA from the donor woman

667

00:29:27,260 --> 00:29:25,919

who carries your fetus that might be you

668

00:29:29,149 --> 00:29:27,270

and your husband but this is more

669

00:29:31,850 --> 00:29:29,159

advanced so they want a certain

670

00:29:34,419 --> 00:29:31,860

characteristic or quality from a certain

671

00:29:37,580 --> 00:29:34,429

person like Dorian's beautiful eyes

672

00:29:39,919 --> 00:29:37,590

they'll use your DNA and then they write

673

00:29:42,799 --> 00:29:39,929

when somebody else's hair or something

674

00:29:44,899 --> 00:29:42,809

else's skills you know mindset ability

675

00:29:47,299 --> 00:29:44,909

to compute or whatever and they will

676
00:29:50,000 --> 00:29:47,309
combine until they get what they want so

677
00:29:51,710 --> 00:29:50,010
I have I've been told I have villages of

678
00:29:54,590 --> 00:29:51,720
children because some reason they like

679
00:29:55,940 --> 00:29:54,600
my DNA but that's because I'm Cardinal

680
00:29:59,600 --> 00:29:55,950
like the Anunnaki

681
00:30:03,500 --> 00:29:59,610
ghalsuu lineage and what's called su

682
00:30:04,640 --> 00:30:03,510
ghalsuu is kind of like I had to use

683
00:30:08,210 --> 00:30:04,650
hierarchy but it's a higher level

684
00:30:09,890 --> 00:30:08,220
awareness like a I don't know

685
00:30:12,710 --> 00:30:09,900
eighth ninth tenth dimensional be maybe

686
00:30:15,440 --> 00:30:12,720
eleventh a very high dimensional being

687
00:30:17,090 --> 00:30:15,450
and so they use the characteristic

688
00:30:19,190 --> 00:30:17,100

qualities of all these different beings

689

00:30:21,980 --> 00:30:19,200

of different dimensions to create these

690

00:30:24,030 --> 00:30:21,990

I guess they're third fourth mentions so

691

00:30:25,440 --> 00:30:24,040

when I was taken on board

692

00:30:28,170 --> 00:30:25,450

that's when they would show me these

693

00:30:30,600 --> 00:30:28,180

children and so they showed my son by

694

00:30:34,590 --> 00:30:30,610

Sasha I've never been able to live birth

695

00:30:36,060 --> 00:30:34,600

one or have them you know carry them or

696

00:30:37,800 --> 00:30:36,070

have them here on earth with me but when

697

00:30:41,810 --> 00:30:37,810

I go up on board ship they showed me my

698

00:30:44,310 --> 00:30:41,820

children and I'm part of the humanoid

699

00:30:47,100 --> 00:30:44,320

program although I have a strong

700

00:30:49,110 --> 00:30:47,110

connection to the reptilian faction as

701
00:30:54,870 --> 00:30:49,120
well but anyway so they showed my son

702
00:30:57,840 --> 00:30:54,880
Bice matcha and what a t-mike MetroPCS

703
00:31:00,270 --> 00:30:57,850
in the iPhone se for \$0 on a network

704
00:31:03,720 --> 00:31:00,280
that covers 99% of people in the u.s.

705
00:31:06,150 --> 00:31:03,730
holy impressive play with the best

706
00:31:09,110 --> 00:31:06,160
switch to MetroPCS and an unlimited LTE

707
00:31:11,340 --> 00:31:09,120
plan and get a 32 gig iPhone se for \$0

708
00:31:12,750 --> 00:31:11,350
MetroPCS covers not available in some

709
00:31:14,040 --> 00:31:12,760
areas plus sales tax claim based on

710
00:31:15,000 --> 00:31:14,050
talking text not knowledge or active

711
00:31:16,530 --> 00:31:15,010
numbers currently on the t-mobile

712
00:31:18,120 --> 00:31:16,540
network directive on metro pcs in the

713
00:31:20,670 --> 00:31:18,130

past 90 days C store for details and

714

00:31:23,370 --> 00:31:20,680

terms conditions Tasha

715

00:31:25,560 --> 00:31:23,380

when he was a baby and then Nick Sina

716

00:31:28,410 --> 00:31:25,570

showed him as a toddler and they showed

717

00:31:30,870 --> 00:31:28,420

him as a young man and they showed up

718

00:31:33,000 --> 00:31:30,880

as you know pulled out male and the same

719

00:31:37,680 --> 00:31:33,010

thing happened with my one lover Edie

720

00:31:39,540 --> 00:31:37,690

so they yeah did they enhance them also

721

00:31:40,890 --> 00:31:39,550

I mean they were like and they're all

722

00:31:43,470 --> 00:31:40,900

living on a ship somewhere out there

723

00:31:46,580 --> 00:31:43,480

planet I don't know exactly where they

724

00:31:49,470 --> 00:31:46,590

take the children but I had one

725

00:31:51,150 --> 00:31:49,480

experience where it was that it you know

726

00:31:56,070 --> 00:31:51,160

I've had probably lots of experiences

727

00:32:01,320 --> 00:31:56,080

with aliens but why were they I remember

728

00:32:03,330 --> 00:32:01,330

the member and I kind of blocked the

729

00:32:06,300 --> 00:32:03,340

face right it was just a form and there

730

00:32:07,980 --> 00:32:06,310

was this member coming at me I I can't

731

00:32:09,690 --> 00:32:07,990

get descriptive of what it looked like

732

00:32:12,360 --> 00:32:09,700

and I don't think that's appropriate

733

00:32:16,650 --> 00:32:12,370

did it look human though it was okay it

734

00:32:19,320 --> 00:32:16,660

was attached to the body via V I've

735

00:32:22,500 --> 00:32:19,330

heard this before and it was flat and

736

00:32:24,900 --> 00:32:22,510

then it was rounded at the end immediate

737

00:32:28,350 --> 00:32:24,910

upon immediately upon insertion I or

738

00:32:29,880 --> 00:32:28,360

gasps old yeah but I wanted to address

739

00:32:32,820 --> 00:32:29,890

what's going on because I went out to

740

00:32:36,720 --> 00:32:32,830

study Tantra extensively and what you're

741

00:32:37,740 --> 00:32:36,730

having is we have the skin encapsulated

742

00:32:40,470 --> 00:32:37,750

self senses with

743

00:32:42,630 --> 00:32:40,480

separate us from the apparent other so

744

00:32:44,490 --> 00:32:42,640

when you merge consciousness body soul

745

00:32:47,940 --> 00:32:44,500

mind and you waking your chakras and you

746

00:32:49,770 --> 00:32:47,950

awaken your Kundalini you have the unity

747

00:32:52,290 --> 00:32:49,780

consciousness squad miss experience and

748

00:32:54,420 --> 00:32:52,300

it's very or gastic it's like an

749

00:32:56,670 --> 00:32:54,430

extended orgasm because the energy

750

00:32:58,590 --> 00:32:56,680

starts it's base chakra and it goes up

751
00:33:01,320 --> 00:32:58,600
through your genital chakras and through

752
00:33:03,960 --> 00:33:01,330
all your chakras and your having a whole

753
00:33:05,850 --> 00:33:03,970
body orgasm and it shoots out through

754
00:33:08,160 --> 00:33:05,860
your crown chakra you go all the way to

755
00:33:10,710 --> 00:33:08,170
source and you start becoming more

756
00:33:12,870 --> 00:33:10,720
conscious aware psychic and involved so

757
00:33:15,030 --> 00:33:12,880
it's an evolutionary process and you

758
00:33:17,370 --> 00:33:15,040
can't come you can't accomplish it up

759
00:33:21,210 --> 00:33:17,380
with a human being but you have to train

760
00:33:27,300 --> 00:33:21,220
your men or tree well good luck on that

761
00:33:29,730 --> 00:33:27,310
one you can probably get there with

762
00:33:33,810 --> 00:33:29,740
women I don't want to be oh right good

763
00:33:36,060 --> 00:33:33,820

with your partner yeah yeah well it's

764

00:33:39,030 --> 00:33:36,070

interesting you said that because when

765

00:33:41,670 --> 00:33:39,040

you said immediately upon insertion if

766

00:33:43,110 --> 00:33:41,680

that could mean and and don't take this

767

00:33:46,020 --> 00:33:43,120

wrong folks but that could mean they

768

00:33:48,480 --> 00:33:46,030

could put a needle in you you know a you

769

00:33:50,730 --> 00:33:48,490

know an artificial penis you know

770

00:33:52,590 --> 00:33:50,740

whatever they wanted to as long as

771

00:33:55,890 --> 00:33:52,600

there's that connection and I've always

772

00:33:57,990 --> 00:33:55,900

said this I think it goes deeper I think

773

00:34:01,200 --> 00:33:58,000

they tweak something in your head with a

774

00:34:03,600 --> 00:34:01,210

frequency that causes all of your end

775

00:34:06,870 --> 00:34:03,610

ricchan system and all the chemicals to

776

00:34:08,850 --> 00:34:06,880

release at once and it tweaks the the

777

00:34:11,190 --> 00:34:08,860

base chakra like you were talking about

778

00:34:13,050 --> 00:34:11,200

causing the full-body orgasm but it does

779

00:34:15,540 --> 00:34:13,060

it with a chemical release at the same

780

00:34:17,580 --> 00:34:15,550

time of endorphins that is nothing like

781

00:34:19,080 --> 00:34:17,590

you can get a male to do here on this

782

00:34:21,270 --> 00:34:19,090

planet because they're incapable of

783

00:34:23,340 --> 00:34:21,280

doing that and I don't know how they do

784

00:34:25,290 --> 00:34:23,350

it but I felt it because what it does is

785

00:34:27,720 --> 00:34:25,300

it triggers of love sense and an

786

00:34:29,669 --> 00:34:27,730

endorphin high that's very different

787

00:34:31,619 --> 00:34:29,679

because you can get that from an orgasm

788

00:34:35,250 --> 00:34:31,629

but you can't get it till you're in the

789

00:34:37,500 --> 00:34:35,260

orgasm there's as it happens in I mean

790

00:34:39,300 --> 00:34:37,510

you get it after the orgasm you can oh

791

00:34:41,940 --> 00:34:39,310

you can get it from the beginning of the

792

00:34:44,610 --> 00:34:41,950

orgasm with them you why didn't get it

793

00:34:46,680 --> 00:34:44,620

or I'm a sexual acts perfectly wide

794

00:34:50,399 --> 00:34:46,690

could get an orgasm from the insertion

795

00:34:51,570 --> 00:34:50,409

of a vibrator right so that it that was

796

00:34:54,600 --> 00:34:51,580

a type of orgasm

797

00:34:56,550 --> 00:34:54,610

wasn't a full-body loving one it's for

798

00:34:59,250 --> 00:34:56,560

some reason this experience but it was

799

00:35:01,290 --> 00:34:59,260

living tissue I mean oh really

800

00:35:04,340 --> 00:35:01,300

because I could feel and it wasn't ya

801
00:35:07,830 --> 00:35:04,350
even have a human penis with a rubber on

802
00:35:11,190 --> 00:35:07,840
ya the condom so it was definitely flesh

803
00:35:12,930 --> 00:35:11,200
against flesh but I thought of the

804
00:35:14,760 --> 00:35:12,940
having the orgasm I think somebody

805
00:35:16,740 --> 00:35:14,770
touched on it is that you you have a

806
00:35:18,600 --> 00:35:16,750
certain higher connection to the soul

807
00:35:20,760 --> 00:35:18,610
that comes into the fetus they want you

808
00:35:22,860 --> 00:35:20,770
to have the orgasms so the souls that

809
00:35:24,570 --> 00:35:22,870
come out like through maybe a rape

810
00:35:26,820 --> 00:35:24,580
although a lot of people have orgasms

811
00:35:29,100 --> 00:35:26,830
they get raped but a soul that comes in

812
00:35:31,710 --> 00:35:29,110
IVA consciously thought through the

813
00:35:33,420 --> 00:35:31,720

organ that's what I'm saying with when

814

00:35:34,950 --> 00:35:33,430

Tana was talking about it they wanted

815

00:35:38,040 --> 00:35:34,960

her to feel good because it changes the

816

00:35:40,710 --> 00:35:38,050

whole energy of the fetus yeah so when

817

00:35:43,140 --> 00:35:40,720

you have that with love on top of the

818

00:35:45,930 --> 00:35:43,150

orgasm that's when they can pull in the

819

00:35:47,310 --> 00:35:45,940

highest level beings into conscious Andy

820

00:35:48,780 --> 00:35:47,320

yeah exactly

821

00:35:51,870 --> 00:35:48,790

you should can't pull them in if they're

822

00:35:53,610 --> 00:35:51,880

if you're screaming in terror great yeah

823

00:35:58,350 --> 00:35:53,620

that's simple and maybe they finally

824

00:35:59,820 --> 00:35:58,360

figured that out you know maybe we'll

825

00:36:02,490 --> 00:35:59,830

have a good time we're abducted now

826

00:36:05,490 --> 00:36:02,500

instead of the screaming on the table I

827

00:36:08,220 --> 00:36:05,500

think some some ETS are trying to teach

828

00:36:09,720 --> 00:36:08,230

us that to do it with you know between

829

00:36:11,910 --> 00:36:09,730

humans because that's why they brought

830

00:36:13,560 --> 00:36:11,920

torture to the earth but everything gets

831

00:36:16,710 --> 00:36:13,570

co-opted so they may talk to me into

832

00:36:18,840 --> 00:36:16,720

prostitution and dirty you know and it's

833

00:36:20,790 --> 00:36:18,850

like it very it's if you go back to the

834

00:36:22,860 --> 00:36:20,800

base it's a very high spiritual practice

835

00:36:25,290 --> 00:36:22,870

yes they they were doing in India with

836

00:36:26,520 --> 00:36:25,300

the everybody back in the day and that's

837

00:36:29,040 --> 00:36:26,530

when we were really communing with the

838

00:36:31,260 --> 00:36:29,050

aliens back then - all right great yeah

839

00:36:33,750 --> 00:36:31,270

very interesting so well thank you for

840

00:36:35,070 --> 00:36:33,760

that now who's next that wants to sit in

841

00:36:37,830 --> 00:36:35,080

the hot seat Joanne you want to give

842

00:36:39,330 --> 00:36:37,840

your two cents on some of this come on

843

00:36:40,530 --> 00:36:39,340

down come on down it could be very

844

00:36:46,560 --> 00:36:40,540

interesting you never know where we're

845

00:36:54,960 --> 00:36:51,570

oh my god okay so this is Joanne

846

00:36:57,600 --> 00:36:54,970

Richards and she has a nonprofit called

847

00:37:02,130 --> 00:36:57,610

Earth Defense headquarters and a lot of

848

00:37:05,640 --> 00:37:02,140

her work is based on her husband's okay

849

00:37:08,340 --> 00:37:05,650

the secret space program and a lean

850

00:37:10,830 --> 00:37:08,350

contact and diplomatic

851
00:37:12,630 --> 00:37:10,840
he's a diplomatic person for the alien

852
00:37:15,120 --> 00:37:12,640
Corps I would say at this point

853
00:37:18,090 --> 00:37:15,130
yeah I'm emissary for the planet Earth

854
00:37:21,060 --> 00:37:18,100
and his father was very much involved in

855
00:37:24,420 --> 00:37:21,070
the the very beginnings I would think of

856
00:37:26,820 --> 00:37:24,430
the kind of an MJ majestic organization

857
00:37:32,040 --> 00:37:26,830
that runs the whole alien human agenda

858
00:37:33,450 --> 00:37:32,050
and very interesting person and what

859
00:37:36,180 --> 00:37:33,460
Joanne does is she goes around and

860
00:37:37,860 --> 00:37:36,190
speaks for mark because mark is boat you

861
00:37:39,660 --> 00:37:37,870
tell the story about what's happened to

862
00:37:41,040 --> 00:37:39,670
mark but then after that let's get into

863
00:37:42,540 --> 00:37:41,050

I want to talk a little bit up fairies

864

00:37:45,330 --> 00:37:42,550

insects and things like that because

865

00:37:46,710 --> 00:37:45,340

that well I do a little bit but maybe we

866

00:37:47,490 --> 00:37:46,720

can talk about that and if not we'll go

867

00:37:48,660 --> 00:37:47,500

onto something else

868

00:37:50,670 --> 00:37:48,670

anyhow so tell us a little bit about

869

00:37:54,740 --> 00:37:50,680

mark and then I'm gonna ask you a few

870

00:38:00,630 --> 00:37:57,870

so like Lorien said my husband was

871

00:38:06,780 --> 00:38:00,640

involved with military intelligence for

872

00:38:08,730 --> 00:38:06,790

years and oh okay and in 1982 he was

873

00:38:12,230 --> 00:38:08,740

framed for masterminding a murder that

874

00:38:15,540 --> 00:38:12,240

happened in Marin County California and

875

00:38:18,630 --> 00:38:15,550

he's been in prison ever since 1982 or

876

00:38:19,860 --> 00:38:18,640

incarcerated so publicly

877

00:38:21,240 --> 00:38:19,870

you know the charges were that he

878

00:38:23,390 --> 00:38:21,250

masterminded a murder that he had

879

00:38:26,310 --> 00:38:23,400

absolutely nothing to do with and

880

00:38:28,560 --> 00:38:26,320

privately we know that you know he

881

00:38:31,920 --> 00:38:28,570

pissed somebody off in the you know new

882

00:38:33,600 --> 00:38:31,930

world order level of people and that's

883

00:38:35,370 --> 00:38:33,610

probably why he's where he is or at

884

00:38:36,050 --> 00:38:35,380

least they've used it to keep him where

885

00:38:39,900 --> 00:38:36,060

he is

886

00:38:41,790 --> 00:38:39,910

right and didn't he at one point go

887

00:38:44,400 --> 00:38:41,800

against their orders on a couple of

888

00:38:45,780 --> 00:38:44,410

things I remember us talking about that

889

00:38:50,240 --> 00:38:45,790

and maybe it was private they shouldn't

890

00:38:52,590 --> 00:38:50,250

be talking about it but I think when he

891

00:38:54,150 --> 00:38:52,600

when he's been given an order and he

892

00:38:56,760 --> 00:38:54,160

knows it's not the best way to do

893

00:38:59,790 --> 00:38:56,770

something yes he will go rogue and do

894

00:39:02,010 --> 00:38:59,800

the better thing because

895

00:39:05,400 --> 00:39:02,020

seize the bigger picture and the other

896

00:39:06,810 --> 00:39:05,410

way to do things so yeah I would I would

897

00:39:10,440 --> 00:39:06,820

consider mark and this is I've always

898

00:39:13,950 --> 00:39:10,450

said this about Marcus that I consider

899

00:39:15,510 --> 00:39:13,960

him the first super soldier because he

900

00:39:18,480 --> 00:39:15,520

was out there

901
00:39:20,310 --> 00:39:18,490
babbling aliens and all kinds of things

902
00:39:22,980 --> 00:39:20,320
for you know the first part of his

903
00:39:28,980 --> 00:39:22,990
career and he relished in it and he did

904
00:39:30,870 --> 00:39:28,990
a really good job there's there's if he

905
00:39:33,630 --> 00:39:30,880
could do anything right now he'd be back

906
00:39:35,370 --> 00:39:33,640
to work yeah you know he if he ever gets

907
00:39:38,730 --> 00:39:35,380
out of prison I know he'll go back to

908
00:39:41,040 --> 00:39:38,740
work you know cuz he just look it's like

909
00:39:43,290 --> 00:39:41,050
when I get lighted up when I talk about

910
00:39:44,970 --> 00:39:43,300
all this stuff and he gets lighted up

911
00:39:46,950 --> 00:39:44,980
when you can talk about combat and

912
00:39:49,140 --> 00:39:46,960
killing and and being around his alien

913
00:39:50,700 --> 00:39:49,150

friends and you know not that he's you

914

00:39:53,490 --> 00:39:50,710

know anyway he's just he's a trained

915

00:39:55,110 --> 00:39:53,500

warrior what can I say yeah and we don't

916

00:39:56,580 --> 00:39:55,120

have enough of those nowadays trust me

917

00:39:59,010 --> 00:39:56,590

we have a lot of people who think they

918

00:40:00,900 --> 00:39:59,020

are through a lot of mind-control that

919

00:40:03,360 --> 00:40:00,910

are out there talking about how they're

920

00:40:05,580 --> 00:40:03,370

you know super soldiers and secret space

921

00:40:08,070 --> 00:40:05,590

program people and you know whatever but

922

00:40:09,660 --> 00:40:08,080

I think the bottom line is the guys that

923

00:40:12,810 --> 00:40:09,670

are really have been there there aren't

924

00:40:14,010 --> 00:40:12,820

that many you know and it's it's a I

925

00:40:15,420 --> 00:40:14,020

don't know I don't know where the

926
00:40:16,920 --> 00:40:15,430
consciousness community is going with

927
00:40:18,870 --> 00:40:16,930
that one I'm just gonna leave it to rest

928
00:40:21,840 --> 00:40:18,880
tonight because we're talking sex and

929
00:40:27,480 --> 00:40:21,850
love so hey okay we gotta get back to

930
00:40:28,320 --> 00:40:27,490
the really important stuff so yeah yeah

931
00:40:32,360 --> 00:40:28,330
so good

932
00:40:34,770 --> 00:40:32,370
well he's told me a lot about Raptors

933
00:40:38,640 --> 00:40:34,780
Raptor sacks I want to hear about this

934
00:40:41,400 --> 00:40:38,650
and again you know if you're a human and

935
00:40:42,540 --> 00:40:41,410
you've been kidnapped or you know cuz

936
00:40:44,520 --> 00:40:42,550
sometimes they'll take you into their

937
00:40:45,870 --> 00:40:44,530
harem or whatever and apparently it is

938
00:40:48,210 --> 00:40:45,880

you'll never want to go back because

939

00:40:58,490 --> 00:40:48,220

they if they lick you there's like this

940

00:40:59,930 --> 00:40:58,500

amazing chemical in their saliva I know

941

00:41:01,860 --> 00:40:59,940

anyway

942

00:41:05,310 --> 00:41:01,870

well you know that sounds very

943

00:41:08,070 --> 00:41:05,320

interesting because again so wha really

944

00:41:11,430 --> 00:41:08,080

and do they have like the same kind of

945

00:41:14,130 --> 00:41:11,440

doesn't look the same I've never seen it

946

00:41:16,230 --> 00:41:14,140

but I've seen he's done drawings and

947

00:41:18,390 --> 00:41:16,240

it's pretty obvious not you know not

948

00:41:19,470 --> 00:41:18,400

totally detailed drawings but it's

949

00:41:21,720 --> 00:41:19,480

pretty obvious that they're very

950

00:41:23,970 --> 00:41:21,730

well-endowed and he tells me about his

951
00:41:27,180 --> 00:41:23,980
friends and and they're very interesting

952
00:41:29,250 --> 00:41:27,190
because they are very loving and sexual

953
00:41:31,020 --> 00:41:29,260
but very aggressive and the females are

954
00:41:32,579 --> 00:41:31,030
really aggressive but you know when

955
00:41:35,190 --> 00:41:32,589
they're flirting they're head-butting

956
00:41:37,170 --> 00:41:35,200
and they're eat not eating but they're

957
00:41:39,059 --> 00:41:37,180
like you know chewing on each other or

958
00:41:41,730 --> 00:41:39,069
biting their necks or you know whatever

959
00:41:44,250 --> 00:41:41,740
and but they'll do a lot of hip budding

960
00:41:46,020 --> 00:41:44,260
and head-butting and you know so they're

961
00:41:47,700 --> 00:41:46,030
very they're doing what reptilians do

962
00:41:49,589 --> 00:41:47,710
here on this planet I mean cuz a lot of

963
00:41:52,079 --> 00:41:49,599

like you know little lizards do things

964

00:41:55,410 --> 00:41:52,089

like that yeah and it's funny because

965

00:41:57,480 --> 00:41:55,420

the the the girls the women with the

966

00:41:58,109 --> 00:41:57,490

females will you know they'll do a line

967

00:41:59,700 --> 00:41:58,119

dance

968

00:42:03,630 --> 00:41:59,710

they love David Bowie but they'll do

969

00:42:06,089 --> 00:42:03,640

line dances to attract the guys and what

970

00:42:08,640 --> 00:42:06,099

can I say but the other thing is what's

971

00:42:15,089 --> 00:42:08,650

interesting is they have this really

972

00:42:17,790 --> 00:42:15,099

sensual poetry in their tongue yeah it's

973

00:42:22,740 --> 00:42:17,800

in their language okay and marks quoted

974

00:42:25,109 --> 00:42:22,750

some to me it's like oh baby you know

975

00:42:27,390 --> 00:42:25,119

because the girls are all laughing in

976
00:42:29,280 --> 00:42:27,400
here because you know I gotta say Joanne

977
00:42:31,380 --> 00:42:29,290
you have a different species than

978
00:42:33,660 --> 00:42:31,390
anybody else in this room is seen so

979
00:42:35,670 --> 00:42:33,670
they even have a hard time with it you

980
00:42:38,970 --> 00:42:35,680
know and I get that you guys I totally

981
00:42:40,530 --> 00:42:38,980
get it but I do know that I have to talk

982
00:42:43,170 --> 00:42:40,540
to a couple people out there that said

983
00:42:45,569 --> 00:42:43,180
the Raptors do exist so it's not like

984
00:42:48,990 --> 00:42:45,579
they they don't I just wonder sometimes

985
00:42:50,640 --> 00:42:49,000
if if Mark isn't kind of just you know

986
00:42:51,660 --> 00:42:50,650
pulling our chain a little bit with this

987
00:42:53,760 --> 00:42:51,670
what do you think do you think it's

988
00:42:56,970 --> 00:42:53,770

telling us all the truth here I do

989

00:42:59,099 --> 00:42:56,980

I mean he's yes I do because I trust him

990

00:43:02,520 --> 00:42:59,109

implicitly you know I've been around him

991

00:43:04,829 --> 00:43:02,530

for 20 years so why lie to me now yes

992

00:43:07,380 --> 00:43:04,839

yeah and and he's been around them since

993

00:43:09,150 --> 00:43:07,390

he was a baby right so that's true you

994

00:43:12,059 --> 00:43:09,160

know sometimes he's more Raptor ish

995

00:43:14,750 --> 00:43:12,069

himself than just just because of his

996

00:43:17,730 --> 00:43:14,760

attitude he has sometimes he has a very

997

00:43:20,309 --> 00:43:17,740

Raptor attitude you know I never did ask

998

00:43:22,829 --> 00:43:20,319

you did he ever meet any like normal the

999

00:43:25,140 --> 00:43:22,839

little Draco reptilians or any of those

1000

00:43:27,410 --> 00:43:25,150

stray cows they're not

1001
00:43:32,400 --> 00:43:27,420
he has nothing good to say about Draco's

1002
00:43:34,589 --> 00:43:32,410
no okay sorry little the little wings

1003
00:43:36,599 --> 00:43:34,599
when they get higher up in the Archaea

1004
00:43:40,920 --> 00:43:36,609
more elite ones have wings apparently

1005
00:43:44,430 --> 00:43:40,930
yeah yeah well this is gonna sound

1006
00:43:47,160 --> 00:43:44,440
really weird but I can't imagine a

1007
00:43:49,349 --> 00:43:47,170
Raptor having sex with a human I just

1008
00:43:53,599 --> 00:43:49,359
can't even get wrap my head around it

1009
00:44:00,359 --> 00:43:53,609
how does this I mean can it happen it

1010
00:44:02,130 --> 00:44:00,369
does yeah okay okay and there and they

1011
00:44:11,880 --> 00:44:02,140
don't eat you in it's over like a black

1012
00:44:13,650 --> 00:44:11,890
widow sometimes accidents happen and

1013
00:44:16,440 --> 00:44:13,660

sometimes because they're you know

1014

00:44:19,500 --> 00:44:16,450

they're they're very muscular and either

1015

00:44:22,680 --> 00:44:19,510

strong and sometimes they break you and

1016

00:44:25,380 --> 00:44:22,690

they don't mean to but and then you know

1017

00:44:27,660 --> 00:44:25,390

their practices if they love you they

1018

00:44:29,190 --> 00:44:27,670

might eat you when if you die and not

1019

00:44:30,779 --> 00:44:29,200

just sir just because if you die during

1020

00:44:33,539 --> 00:44:30,789

sex or anything like that but I mean

1021

00:44:35,339 --> 00:44:33,549

just as a loving act you know if one of

1022

00:44:37,170 --> 00:44:35,349

their mates dies they will eat them out

1023

00:44:38,400 --> 00:44:37,180

of Honor okay

1024

00:44:39,750 --> 00:44:38,410

that's very interesting you guys you

1025

00:44:43,140 --> 00:44:39,760

know but I find the most fascinating

1026

00:44:45,240 --> 00:44:43,150

about this is if you studied a lot of

1027

00:44:47,730 --> 00:44:45,250

the Star Trek stuff about the Klingons I

1028

00:44:50,579 --> 00:44:47,740

always wonder sometim if the reptilians

1029

00:44:53,940 --> 00:44:50,589

the Raptors and all that weren't the

1030

00:44:55,950 --> 00:44:53,950

impetus for the Klingon race because you

1031

00:44:58,769 --> 00:44:55,960

know they when they had sex they always

1032

00:45:00,839 --> 00:44:58,779

used to beat each other up for fun

1033

00:45:02,400 --> 00:45:00,849

Raptors are very aggressive that's just

1034

00:45:04,349 --> 00:45:02,410

the way they are and and it's and

1035

00:45:07,260 --> 00:45:04,359

apparently it's quite an honor to have

1036

00:45:09,450 --> 00:45:07,270

like different scars from your lovers or

1037

00:45:11,730 --> 00:45:09,460

your mates or whatever and it's like you

1038

00:45:13,470 --> 00:45:11,740

know and and and it's really funny to

1039

00:45:15,900 --> 00:45:13,480

listen to him talk about them it's like

1040

00:45:17,519 --> 00:45:15,910

because the the male Raptors will you

1041

00:45:19,140 --> 00:45:17,529

know look at the girls rump and it's

1042

00:45:21,960 --> 00:45:19,150

like and then that the girl Raptors are

1043

00:45:23,819 --> 00:45:21,970

and they're if their tails are big and

1044

00:45:26,970 --> 00:45:23,829

strong is like that's a big turnover

1045

00:45:29,339 --> 00:45:26,980

that's a big tree if the tails it makes

1046

00:45:31,260 --> 00:45:29,349

you all that and they look the the

1047

00:45:32,579 --> 00:45:31,270

male's look at the girls romps you know

1048

00:45:33,839 --> 00:45:32,589

there's certain things that you know

1049

00:45:35,970 --> 00:45:33,849

it's like oh you know she might be a

1050

00:45:38,380 --> 00:45:35,980

good mate or he might be a good mate and

1051

00:45:44,500 --> 00:45:38,390

they have their they have their

1052

00:45:46,480 --> 00:45:44,510

priorities so you know they that's true

1053

00:45:53,650 --> 00:45:46,490

you're naked most of time you sure love

1054

00:45:56,680 --> 00:45:53,660

that yeah yeah thank you thank you very

1055

00:45:58,960 --> 00:45:56,690

much okay that was fun okay is anybody

1056

00:46:00,820 --> 00:45:58,970

else want to share anything Melinda do

1057

00:46:03,400 --> 00:46:00,830

you want to share any experiences you

1058

00:46:06,580 --> 00:46:03,410

might have had everybody else is shared

1059

00:46:09,880 --> 00:46:06,590

and they they bared their soul basically

1060

00:46:11,440 --> 00:46:09,890

here tonight come on come on down she's

1061

00:46:15,550 --> 00:46:11,450

thinking about she's getting up come on

1062

00:46:19,750 --> 00:46:15,560

come on Melinda you can do it have you

1063

00:46:24,640 --> 00:46:19,760

it is was it gray a reptilian what was

1064

00:46:26,560 --> 00:46:24,650

it no everyone you know I could be here

1065

00:46:31,090 --> 00:46:26,570

talking about the fact that a week ago I

1066

00:46:32,740 --> 00:46:31,100

met with Jim semi van for for lunch for

1067

00:46:35,110 --> 00:46:32,750

two and half hours but no no we're here

1068

00:46:37,060 --> 00:46:35,120

talking about alien sex you're actually

1069

00:46:38,680 --> 00:46:37,070

you're my guest next week before you go

1070

00:46:41,640 --> 00:46:38,690

on all the other talk shows I'm gonna

1071

00:46:44,050 --> 00:46:41,650

totally undo my credibility in one swoop

1072

00:46:46,330 --> 00:46:44,060

I'm sitting you're cracking up in the

1073

00:46:48,400 --> 00:46:46,340

background everyone I'm and I feel like

1074

00:46:52,000 --> 00:46:48,410

I've really missed out cuz I haven't had

1075

00:46:53,350 --> 00:46:52,010

sex with aliens but you've got a lot of

1076

00:46:56,710 --> 00:46:53,360

kids do you remember how they were

1077

00:46:59,770 --> 00:46:56,720

conceived yeah not you guys nothing I

1078

00:47:02,830 --> 00:46:59,780

bore everyone to tears because because

1079

00:47:04,570 --> 00:47:02,840

you know what we've died sectin how they

1080

00:47:06,310 --> 00:47:04,580

do it and why they do it differently

1081

00:47:08,110 --> 00:47:06,320

with different people and then the

1082

00:47:10,840 --> 00:47:08,120

didn't in the DNA and the genetics

1083

00:47:12,790 --> 00:47:10,850

alright well we're being very

1084

00:47:23,170 --> 00:47:12,800

scientifically funny it's what we're

1085

00:47:26,140 --> 00:47:23,180

doing sure and whatever you say yeah all

1086

00:47:28,330 --> 00:47:26,150

my experiences with them taking over

1087

00:47:29,590 --> 00:47:28,340

them from me have been very clinicals

1088

00:47:33,430 --> 00:47:29,600

the equipment of going to the

1089

00:47:36,280 --> 00:47:33,440

gynecologist you know it hasn't involved

1090

00:47:38,670 --> 00:47:36,290

any sexual thing like that you know it's

1091

00:47:40,990 --> 00:47:38,680

been very clinical so yes I've been

1092

00:47:43,990 --> 00:47:41,000

presented three hybrid children and then

1093

00:47:46,420 --> 00:47:44,000

one of them again as an old adult so I

1094

00:47:49,330 --> 00:47:46,430

saw the same child then as like a 30

1095

00:47:51,620 --> 00:47:49,340

year old adult and and so yes I've had

1096

00:47:54,560 --> 00:47:51,630

four hybrid presentations but again

1097

00:47:56,870 --> 00:47:54,570

it none of them involved a quote sexual

1098

00:47:59,630 --> 00:47:56,880

act it was all the taking of eggs and

1099

00:48:03,860 --> 00:47:59,640

sperm you know in my case in my case of

1100

00:48:05,660 --> 00:48:03,870

them you know and and so you know that's

1101
00:48:12,130 --> 00:48:05,670
to the best of my knowledge there now

1102
00:48:15,350 --> 00:48:12,140
there was one there was one time where

1103
00:48:16,750 --> 00:48:15,360
after I was shown and I think I've told

1104
00:48:19,400 --> 00:48:16,760
you about this before

1105
00:48:22,940 --> 00:48:19,410
and Misha may have heard of this before

1106
00:48:26,660 --> 00:48:22,950
where I was shown earth being destroyed

1107
00:48:28,370 --> 00:48:26,670
and and they projected an image on a

1108
00:48:31,220 --> 00:48:28,380
screen but I felt like I was standing

1109
00:48:32,690 --> 00:48:31,230
out in a room I mean not out in a room

1110
00:48:34,340 --> 00:48:32,700
but like out in space like ice floating

1111
00:48:35,480 --> 00:48:34,350
in space but I realized no I can't be

1112
00:48:37,130 --> 00:48:35,490
actually out in space because I wouldn't

1113
00:48:38,630 --> 00:48:37,140

build or breathe or anything but it was

1114

00:48:39,830 --> 00:48:38,640

like I was looking back at earth and was

1115

00:48:41,090 --> 00:48:39,840

so beautiful and they said what do you

1116

00:48:43,130 --> 00:48:41,100

think and I was really emotional about

1117

00:48:45,350 --> 00:48:43,140

it was gorgeous and also they blew it up

1118

00:48:48,080 --> 00:48:45,360

and so it was but the reason I bring

1119

00:48:49,760 --> 00:48:48,090

that up and then that same experience

1120

00:48:52,280 --> 00:48:49,770

they had taken over them and done other

1121

00:48:54,050 --> 00:48:52,290

medical stuff to me but then all of a

1122

00:48:57,140 --> 00:48:54,060

sudden I'm taken to this other room and

1123

00:49:01,250 --> 00:48:57,150

sat in this big chair and I in this

1124

00:49:05,780 --> 00:49:01,260

experience it involved et Grey's I

1125

00:49:08,690 --> 00:49:05,790

should say and and Nordics and but the

1126

00:49:10,430 --> 00:49:08,700

Grey's took me in another room and they

1127

00:49:12,020 --> 00:49:10,440

said we wanted thank you he like it was

1128

00:49:15,230 --> 00:49:12,030

like this whole thing about testing my

1129

00:49:17,090 --> 00:49:15,240

emotional reaction to that and and the

1130

00:49:18,200 --> 00:49:17,100

way I felt about the planet and they

1131

00:49:19,610 --> 00:49:18,210

were saying don't ever do this again

1132

00:49:21,230 --> 00:49:19,620

when they blew it up there was a purpose

1133

00:49:22,730 --> 00:49:21,240

they said don't ever or not don't do

1134

00:49:25,310 --> 00:49:22,740

this again don't let this ever happen

1135

00:49:27,740 --> 00:49:25,320

that was their point but they then took

1136

00:49:30,080 --> 00:49:27,750

me in another room and they sat me in

1137

00:49:33,590 --> 00:49:30,090

this chair and I felt like the grace

1138

00:49:35,450 --> 00:49:33,600

kind of just stood back and next thing I

1139

00:49:38,440 --> 00:49:35,460

know god I can't believe I'm getting to

1140

00:49:42,170 --> 00:49:38,450

this why am I even here

1141

00:49:45,320 --> 00:49:42,180

here goes credibility no but um and all

1142

00:49:47,150 --> 00:49:45,330

of a sudden I had this overwhelming no

1143

00:49:47,930 --> 00:49:47,160

one was touching me I'm just sitting in

1144

00:49:49,970 --> 00:49:47,940

chair and it didn't have any

1145

00:49:51,650 --> 00:49:49,980

contraptions or anything on it I'm just

1146

00:49:55,930 --> 00:49:51,660

seeing there and all of a sudden I go

1147

00:50:00,440 --> 00:49:55,940

into like full-blown orgasm yeah and

1148

00:50:02,840 --> 00:50:00,450

well I I just remember you well yeah it

1149

00:50:03,630 --> 00:50:02,850

was intense I got like lost in it for a

1150

00:50:06,930 --> 00:50:03,640

minute

1151
00:50:10,710 --> 00:50:06,940
and and then all of a sudden it like

1152
00:50:12,560 --> 00:50:10,720
ended and I and the Grays are like just

1153
00:50:14,880 --> 00:50:12,570
standing back around me I'm like well

1154
00:50:15,660 --> 00:50:14,890
what the hell was that you know what the

1155
00:50:17,880 --> 00:50:15,670
hell was that for

1156
00:50:19,170 --> 00:50:17,890
yeah and they said what you didn't like

1157
00:50:24,660 --> 00:50:19,180
that what didn't you like that wasn't

1158
00:50:26,340 --> 00:50:24,670
that good you know and I'm like God but

1159
00:50:28,590 --> 00:50:26,350
you know yes but that's the side the

1160
00:50:30,540 --> 00:50:28,600
point what the heck was that and it was

1161
00:50:33,210 --> 00:50:30,550
just like a mental projection thing you

1162
00:50:35,340 --> 00:50:33,220
know and and so nothing touched me

1163
00:50:38,220 --> 00:50:35,350

nothing touched the chair anything it

1164

00:50:40,200 --> 00:50:38,230

just all of a sudden all of a sudden I

1165

00:50:42,030 --> 00:50:40,210

had this feeling come over me that I'm

1166

00:50:45,870 --> 00:50:42,040

like what is going on one my feeling and

1167

00:50:50,880 --> 00:50:45,880

I go I know what this is you know we

1168

00:50:51,990 --> 00:50:50,890

hope you do and and and I got lost in

1169

00:50:53,430 --> 00:50:52,000

for a minute and then all of a suddent

1170

00:50:55,320 --> 00:50:53,440

kind of subsided and I'm sitting there

1171

00:50:57,690 --> 00:50:55,330

like in shock going what was that for

1172

00:50:58,950 --> 00:50:57,700

and they said well did you like it you

1173

00:51:01,770 --> 00:50:58,960

know like I said didn't you like it but

1174

00:51:03,450 --> 00:51:01,780

you know and I said like I said yes but

1175

00:51:04,890 --> 00:51:03,460

that's the site of the appointment and I

1176
00:51:08,190 --> 00:51:04,900
go what was that for and they said well

1177
00:51:09,660 --> 00:51:08,200
we wanted to thank you and that was

1178
00:51:11,310 --> 00:51:09,670
their way of thinking they could do

1179
00:51:13,440 --> 00:51:11,320
something really cool for me to like say

1180
00:51:16,890 --> 00:51:13,450
thank you like they learned that we like

1181
00:51:18,600 --> 00:51:16,900
that you know obviously so they learned

1182
00:51:21,480 --> 00:51:18,610
that we like that and so they they stood

1183
00:51:22,770 --> 00:51:21,490
back and said well that was like thank

1184
00:51:25,380 --> 00:51:22,780
you it was like the thank-you gift

1185
00:51:27,510 --> 00:51:25,390
because of my reaction to earth blowing

1186
00:51:28,890 --> 00:51:27,520
up and caring and it was like for you

1187
00:51:30,240 --> 00:51:28,900
know taking that responsibility of

1188
00:51:32,340 --> 00:51:30,250

caring about the earth so it was just an

1189

00:51:32,910 --> 00:51:32,350

overwhelming you know feeling that came

1190

00:51:35,490 --> 00:51:32,920

over me

1191

00:51:37,710 --> 00:51:35,500

and I was in like shock sitting there

1192

00:51:39,480 --> 00:51:37,720

like what the heck was that you know and

1193

00:51:41,850 --> 00:51:39,490

they said well we wanted to thank you

1194

00:51:43,530 --> 00:51:41,860

and they're like is it isn't that a way

1195

00:51:46,130 --> 00:51:43,540

isn't that what makes you happy it knows

1196

00:51:48,450 --> 00:51:46,140

not what makes humans happy you know I

1197

00:51:50,540 --> 00:51:48,460

mean that was like their thinking and

1198

00:51:58,210 --> 00:51:50,550

and so that was their way of thanking me

1199

00:52:03,580 --> 00:51:59,800

so um they were showing me a little of

1200

00:52:05,680 --> 00:52:03,590

you know anyway so no you know but but

1201

00:52:07,690 --> 00:52:05,690

it was it was weird and I was in shock

1202

00:52:09,880 --> 00:52:07,700

and and it just was a feeling that came

1203

00:52:11,440 --> 00:52:09,890

over me and they said I said what was

1204

00:52:12,790 --> 00:52:11,450

that for and they said we well we wanted

1205

00:52:14,860 --> 00:52:12,800

to thank you well you know it's

1206

00:52:16,540 --> 00:52:14,870

interesting because when I I never told

1207

00:52:18,100 --> 00:52:16,550

this before live on ever I'm gonna do it

1208

00:52:20,830 --> 00:52:18,110

right now I'm like we're all doing true

1209

00:52:24,490 --> 00:52:20,840

confessions I was in a church I just

1210

00:52:27,220 --> 00:52:24,500

gotten a healing from one of the healers

1211

00:52:29,500 --> 00:52:27,230

in this it's a like a new-age Church I

1212

00:52:32,710 --> 00:52:29,510

got this healing I was about 20 years

1213

00:52:34,260 --> 00:52:32,720

old and I'm I go into the meeting and

1214

00:52:37,780 --> 00:52:34,270

we're sitting there and all of a sudden

1215

00:52:40,480 --> 00:52:37,790

same thing happens to me I have a total

1216

00:52:43,840 --> 00:52:40,490

Kundalini Awakening in the middle of the

1217

00:52:48,010 --> 00:52:43,850

church while they're all praying I'm

1218

00:52:51,850 --> 00:52:48,020

standing there having full-body orgasms

1219

00:52:54,040 --> 00:52:51,860

like running up and down my body and it

1220

00:52:56,140 --> 00:52:54,050

was because I think the healing had

1221

00:52:59,680 --> 00:52:56,150

connected with some higher source and

1222

00:53:01,510 --> 00:52:59,690

they were like waking me up you know and

1223

00:53:04,090 --> 00:53:01,520

as Janet was saying earlier that's what

1224

00:53:05,740 --> 00:53:04,100

they do but it was not the right time I

1225

00:53:07,480 --> 00:53:05,750

would have much rather been on an alien

1226

00:53:10,170 --> 00:53:07,490

ship getting a thank-you present than in

1227

00:53:12,460 --> 00:53:10,180

the middle of church you know I was like

1228

00:53:14,440 --> 00:53:12,470

you know and I'm trying to keep a

1229

00:53:17,710 --> 00:53:14,450

straight face and I have like a womb

1230

00:53:19,870 --> 00:53:17,720

oment and and in the moments like

1231

00:53:20,920 --> 00:53:19,880

embarrassed as hell because the grace

1232

00:53:23,260 --> 00:53:20,930

were just staying around me like

1233

00:53:25,000 --> 00:53:23,270

watching this like what's wrong wait I

1234

00:53:26,350 --> 00:53:25,010

always come like bobble-headed dolls you

1235

00:53:27,640 --> 00:53:26,360

know they sit there and they go like

1236

00:53:28,480 --> 00:53:27,650

tilt their head from side to side what's

1237

00:53:30,070 --> 00:53:28,490

wrong what's wrong

1238

00:53:32,320 --> 00:53:30,080

did you enjoy that what's wrong you know

1239

00:53:34,630 --> 00:53:32,330

and I'm like going what the heck guys

1240

00:53:36,760 --> 00:53:34,640

and and and it was I was in shock and

1241

00:53:39,430 --> 00:53:36,770

you know and and and they were looked

1242

00:53:41,950 --> 00:53:39,440

all perplexed and I was like embarrassed

1243

00:53:44,770 --> 00:53:41,960

and they're like what's wrong you didn't

1244

00:53:46,480 --> 00:53:44,780

like that you know anyway so but I do it

1245

00:53:48,160 --> 00:53:46,490

was my it was the thank-you gift from

1246

00:53:49,990 --> 00:53:48,170

them for caring about the planet I love

1247

00:53:52,060 --> 00:53:50,000

that I think that you know and it goes

1248

00:53:53,470 --> 00:53:52,070

to st. Anna said the same thing they

1249

00:53:55,900 --> 00:53:53,480

were at you know they were giving her

1250

00:53:57,270 --> 00:53:55,910

something really pleasurable and making

1251

00:54:00,370 --> 00:53:57,280

her happy and

1252

00:54:04,090 --> 00:54:00,380

Misha's got Ayano who takes care of her

1253

00:54:08,010 --> 00:54:04,100

and you know well okay I said that wrong

1254

00:54:11,110 --> 00:54:08,020

yeah yeah how do you want me to say it

1255

00:54:12,010 --> 00:54:11,120

he protects her exactly and he's been

1256

00:54:18,820 --> 00:54:12,020

with you you

1257

00:54:21,490 --> 00:54:18,830

wife yeah yeah you never what now oh oh

1258

00:54:23,140 --> 00:54:21,500

you have you haven't had physical

1259

00:54:26,140 --> 00:54:23,150

physical it's all been the energetic

1260

00:54:28,450 --> 00:54:26,150

through the boyfriend okay got it okay

1261

00:54:30,430 --> 00:54:28,460

yeah we gotta straighten that out make

1262

00:54:33,000 --> 00:54:30,440

sure we got a save me she's reputation

1263

00:54:36,100 --> 00:54:33,010

but little we got laugh we gotta keep it

1264

00:54:38,470 --> 00:54:36,110

and you guys you know this is coming

1265

00:54:40,930 --> 00:54:38,480

from a group of women in this room tan

1266

00:54:44,100 --> 00:54:40,940

is the youngest but all of us are well

1267

00:54:46,420 --> 00:54:44,110

in our fifties sixties you know whatever

1268

00:54:48,430 --> 00:54:46,430

we've been around the block a long time

1269

00:54:49,960 --> 00:54:48,440

with this and the reason I wanted to

1270

00:54:52,210 --> 00:54:49,970

bring all you women in here and talk

1271

00:54:56,530 --> 00:54:52,220

about this is because I was absolutely

1272

00:54:58,720 --> 00:54:56,540

sure the men would not divulge some of

1273

00:55:00,810 --> 00:54:58,730

the things they've done to them because

1274

00:55:04,840 --> 00:55:00,820

they have had some really extraordinary

1275

00:55:06,580 --> 00:55:04,850

experiences - yeah Whitley does yeah oh

1276

00:55:08,109 --> 00:55:06,590

Whitley talks about the extraction of

1277

00:55:10,420 --> 00:55:08,119

sperm and and a lot of men they do

1278

00:55:12,520 --> 00:55:10,430

they'll put this device on him and give

1279

00:55:14,920 --> 00:55:12,530

them an orgasm to get into the extract

1280

00:55:17,260 --> 00:55:14,930

sperm so I'll give them to ejaculate you

1281

00:55:19,300 --> 00:55:17,270

know that's actually common for a lot of

1282

00:55:21,310 --> 00:55:19,310

men in experiences I know and I've had a

1283

00:55:22,780 --> 00:55:21,320

lot of guys that lately told me that's

1284

00:55:24,220 --> 00:55:22,790

what they did to me and I'm still pissed

1285

00:55:27,010 --> 00:55:24,230

at him and next time I see him I'm gonna

1286

00:55:29,470 --> 00:55:27,020

punch him out and I'm like why bother he

1287

00:55:31,030 --> 00:55:29,480

didn't I said why don't next time they

1288

00:55:34,900 --> 00:55:31,040

do why don't you just relax and enjoy

1289

00:55:38,590 --> 00:55:34,910

yourself you know a lot of a lot of it

1290

00:55:41,109 --> 00:55:38,600

in my groups a lot of men will talk the

1291

00:55:44,080 --> 00:55:41,119

groups get very very personal and they

1292

00:55:48,640 --> 00:55:44,090

will actually talk about how another eg

1293

00:55:53,170 --> 00:55:48,650

came in and mounted them and and that's

1294

00:55:54,970 --> 00:55:53,180

how they had the you know genetic then

1295

00:55:57,070 --> 00:55:54,980

big that's how they got there yes that's

1296

00:55:59,530 --> 00:55:57,080

how they go well isn't that interesting

1297

00:56:03,670 --> 00:55:59,540

do you think that was a screen memory of

1298

00:56:06,310 --> 00:56:03,680

an actual alien doing it these men would

1299

00:56:08,410 --> 00:56:06,320

talk very detailed about the aliens what

1300

00:56:12,099 --> 00:56:08,420

they look like most of them were hybrids

1301
00:56:13,690 --> 00:56:12,109
for sure for sure yeah they were hybrids

1302
00:56:16,890 --> 00:56:13,700
yeah yeah very cool

1303
00:56:19,840 --> 00:56:16,900
I think I I'm not sure what time yeah Oh

1304
00:56:21,099 --> 00:56:19,850
MJ let's take a break right now and then

1305
00:56:23,440 --> 00:56:21,109
we'll come back and I want to talk a

1306
00:56:24,230 --> 00:56:23,450
little bit about if the girls know

1307
00:56:27,770 --> 00:56:24,240
anything about

1308
00:56:31,339 --> 00:56:27,780
it'd be more stuff with the alien hybrid

1309
00:56:33,260 --> 00:56:31,349
stuff but I do want to go into the the

1310
00:56:34,970 --> 00:56:33,270
having of the children if any of you

1311
00:56:37,970 --> 00:56:34,980
guys have heard anything about having

1312
00:56:39,950 --> 00:56:37,980
the children well what comes to mind

1313
00:56:43,070 --> 00:56:39,960

since this is a Valentine special is the

1314

00:56:45,170 --> 00:56:43,080

work of evil organ and the alien loved

1315

00:56:49,339 --> 00:56:45,180

by yeah let's talk about that we come

1316

00:56:51,589 --> 00:56:49,349

back welcome back everyone to the

1317

00:56:55,339 --> 00:56:51,599

California booth on radio show we are

1318

00:56:57,800 --> 00:56:55,349

live from the we Co pod Casino and

1319

00:57:00,020 --> 00:56:57,810

Resort here and Scottsdale Arizona

1320

00:57:02,450 --> 00:57:00,030

Fountain Hills Arizona we are at

1321

00:57:04,490 --> 00:57:02,460

international UFO Congress which by the

1322

00:57:07,430 --> 00:57:04,500

way is now owned by a different group of

1323

00:57:10,730 --> 00:57:07,440

people and I saw some reminders of the

1324

00:57:12,380 --> 00:57:10,740

past there were big alien blow ups that

1325

00:57:14,690 --> 00:57:12,390

used to be in Laughlin do you remember

1326
00:57:18,170 --> 00:57:14,700
those Melinda yeah do you guys remember

1327
00:57:20,480 --> 00:57:18,180
those I so stood where have I seen those

1328
00:57:22,880 --> 00:57:20,490
before and I'm like I walked up to

1329
00:57:25,070 --> 00:57:22,890
Alejandra and I said aren't those from

1330
00:57:26,839 --> 00:57:25,080
the past yeah John never wanted about

1331
00:57:30,079 --> 00:57:26,849
and so here they are now because we like

1332
00:57:32,060 --> 00:57:30,089
him so yeah it's really cool I was

1333
00:57:34,280 --> 00:57:32,070
really enjoying it and it's kind of a

1334
00:57:36,680 --> 00:57:34,290
little you know not that John didn't run

1335
00:57:39,290 --> 00:57:36,690
an amazing conference but with Alejandro

1336
00:57:40,550 --> 00:57:39,300
and Karen at the helm I really feel good

1337
00:57:43,280 --> 00:57:40,560
about this year we're having a great

1338
00:57:47,270 --> 00:57:43,290

time and well when one really lovely

1339

00:57:48,980 --> 00:57:47,280

thing is I think I haven't gone and

1340

00:57:51,020 --> 00:57:48,990

counted but it's a lot more women

1341

00:57:53,930 --> 00:57:51,030

speakers than they've had in a long time

1342

00:57:56,300 --> 00:57:53,940

and so the women are well represented in

1343

00:57:58,640 --> 00:57:56,310

the in the schedule and and more so than

1344

00:58:00,349 --> 00:57:58,650

ever and that's I think that's you know

1345

00:58:02,599 --> 00:58:00,359

a real big plus too because there are a

1346

00:58:04,370 --> 00:58:02,609

lot of women researchers in the field in

1347

00:58:05,750 --> 00:58:04,380

these conferences need to pay homage to

1348

00:58:07,910 --> 00:58:05,760

that you're really good at your

1349

00:58:10,460 --> 00:58:07,920

conferences without a doubt but some of

1350

00:58:11,660 --> 00:58:10,470

these other more mainstream ones and and

1351

00:58:13,550 --> 00:58:11,670

they made a point they'd gotten

1352

00:58:15,890 --> 00:58:13,560

complaints from someone if people about

1353

00:58:18,109 --> 00:58:15,900

having more women and so that they did

1354

00:58:20,420 --> 00:58:18,119

and it I think it's it's a nice

1355

00:58:21,980 --> 00:58:20,430

representation and I and I'm really glad

1356

00:58:23,240 --> 00:58:21,990

that they did that they really made an

1357

00:58:24,849 --> 00:58:23,250

effort to and I think they should be

1358

00:58:26,839 --> 00:58:24,859

applauded for that yeah absolutely

1359

00:58:29,570 --> 00:58:26,849

absolutely ya know so we're having a

1360

00:58:32,829 --> 00:58:29,580

great time it's just day one you know it

1361

00:58:35,570 --> 00:58:32,839

may it may get weirder yet who knows

1362

00:58:37,310 --> 00:58:35,580

especially with all of us girls here and

1363

00:58:38,040 --> 00:58:37,320

I got to say we're having a great time

1364

00:58:40,380 --> 00:58:38,050

tonight talking

1365

00:58:42,560 --> 00:58:40,390

about alien sex and alien love bytes and

1366

00:58:45,840 --> 00:58:42,570

alien children and hybrids and

1367

00:58:47,550 --> 00:58:45,850

insemination and you know orgasms and

1368

00:58:50,190 --> 00:58:47,560

all kinds of fun things here tonight and

1369

00:58:52,440 --> 00:58:50,200

you know the alien thank you and we love

1370

00:58:54,000 --> 00:58:52,450

that that was a great story Melinda but

1371

00:58:56,040 --> 00:58:54,010

what I want to get into something a

1372

00:58:58,050 --> 00:58:56,050

little more serious here and we're gonna

1373

00:59:00,870 --> 00:58:58,060

start with off with that and that is

1374

00:59:03,330 --> 00:59:00,880

where I call where if you're in some

1375

00:59:05,790 --> 00:59:03,340

kind of program or you're awakened or

1376
00:59:08,820 --> 00:59:05,800
you're something's happening yeah Eve

1377
00:59:11,010 --> 00:59:08,830
Lauren as you you know so aptly put it

1378
00:59:12,690 --> 00:59:11,020
before the the break it's called the

1379
00:59:15,180 --> 00:59:12,700
alien love bite for her and she wrote a

1380
00:59:17,760 --> 00:59:15,190
book about it and it's where they kind

1381
00:59:20,310 --> 00:59:17,770
of you know the cosmos or the aliens or

1382
00:59:22,800 --> 00:59:20,320
God knows who's doing it put you

1383
00:59:24,660 --> 00:59:22,810
together with somebody yeah that may or

1384
00:59:27,750 --> 00:59:24,670
may not be the right guy for you in the

1385
00:59:30,480 --> 00:59:27,760
first place and you become like I don't

1386
00:59:32,250 --> 00:59:30,490
know triggered that you're you're with

1387
00:59:33,780 --> 00:59:32,260
them and you're obsessed by them and

1388
00:59:36,480 --> 00:59:33,790

they're obsessed by you and it turns

1389

00:59:38,700 --> 00:59:36,490

into this whole thing that's just so bad

1390

00:59:41,430 --> 00:59:38,710

baby how give us your definition of what

1391

00:59:43,080 --> 00:59:41,440

she was trying to tell us well it

1392

00:59:45,450 --> 00:59:43,090

traditionally it was feeling that the

1393

00:59:47,610 --> 00:59:45,460

aliens are manipulating humans into a

1394

00:59:50,400 --> 00:59:47,620

love situation into a relationship so

1395

00:59:52,230 --> 00:59:50,410

and often it was to abdic tease so it

1396

00:59:54,900 --> 00:59:52,240

seems like they'll orchestrate to abdic

1397

00:59:57,600 --> 00:59:54,910

tease you know I haven't gotten into

1398

00:59:58,500 --> 00:59:57,610

this much because for a long time I said

1399

00:59:59,460 --> 00:59:58,510

well that's really weird that never

1400

01:00:00,780 --> 00:59:59,470

happened to me and they didn't

1401

01:00:03,270 --> 01:00:00,790

orchestrate a relationship blah blah

1402

01:00:06,810 --> 01:00:03,280

blah and that all of a sudden I realized

1403

01:00:08,970 --> 01:00:06,820

years later my first and I didn't know

1404

01:00:11,160 --> 01:00:08,980

it back then my first real boyfriend

1405

01:00:13,770 --> 01:00:11,170

back when I was in high school I want to

1406

01:00:16,940 --> 01:00:13,780

say his first name Dave Dave you ever

1407

01:00:19,230 --> 01:00:16,950

listen to this well no it's him and and

1408

01:00:20,490 --> 01:00:19,240

by the way this is Melinda Leslie

1409

01:00:22,110 --> 01:00:20,500

speaking if you guys didn't know that

1410

01:00:24,900 --> 01:00:22,120

already I should be introducing who they

1411

01:00:26,880 --> 01:00:24,910

are talking and I'm bad so a bad host

1412

01:00:30,850 --> 01:00:26,890

fake me here we go

1413

01:00:32,690 --> 01:00:30,860

yep know someone else can spank you okay

1414

01:00:35,610 --> 01:00:32,700

[Laughter]

1415

01:00:41,250 --> 01:00:35,620

we're going downhill fast yeah my

1416

01:00:46,830 --> 01:00:41,260

reputation is gone okay okay so here

1417

01:00:48,630 --> 01:00:46,840

Lord okay so but for a long time I was

1418

01:00:50,580 --> 01:00:48,640

like what that's weird okay yeah I know

1419

01:00:51,600 --> 01:00:50,590

some abductees that met each other and

1420

01:00:53,910 --> 01:00:51,610

it seemed like maybe

1421

01:00:55,470 --> 01:00:53,920

it might have been orchestrated by you

1422

01:00:59,040 --> 01:00:55,480

too you know it's all very questionable

1423

01:01:01,380 --> 01:00:59,050

but then I remembered that and I didn't

1424

01:01:03,870 --> 01:01:01,390

note back when we were together and it

1425

01:01:06,720 --> 01:01:03,880

wasn't till years later I ran into him

1426

01:01:09,300 --> 01:01:06,730

somewhere and he when did this whole

1427

01:01:13,200 --> 01:01:09,310

thing this is my boyfriend from high

1428

01:01:14,700 --> 01:01:13,210

school and this adults it's kind of on

1429

01:01:16,890 --> 01:01:14,710

and off for years stayed in touch but

1430

01:01:21,500 --> 01:01:16,900

you know probably within 10 years of

1431

01:01:28,290 --> 01:01:25,350

matcha and what a t-mike MetroPCS in the

1432

01:01:31,140 --> 01:01:28,300

iPhone se for \$0 on a network that

1433

01:01:34,740 --> 01:01:31,150

covers 99% of people in the u.s. wholly

1434

01:01:36,810 --> 01:01:34,750

impressive play with the best switch to

1435

01:01:39,900 --> 01:01:36,820

MetroPCS and an unlimited LTE plan and

1436

01:01:41,790 --> 01:01:39,910

get a 32 gig iphone se for \$0 not your

1437

01:01:43,080 --> 01:01:41,800

pcs covers not available in some areas

1438

01:01:44,490 --> 01:01:43,090

plus sales tax claim based on talking

1439

01:01:45,660 --> 01:01:44,500

text not now interactive numbers

1440

01:01:47,250 --> 01:01:45,670

currently on the t-mobile network or

1441

01:01:48,510 --> 01:01:47,260

active on metro pcs in the past 90 days

1442

01:01:52,170 --> 01:01:48,520

see store for details and terms

1443

01:01:56,010 --> 01:01:52,180

conditions and long story short I ran

1444

01:01:57,540 --> 01:01:56,020

into him somewhere and he said you know

1445

01:01:59,670 --> 01:01:57,550

we shared a lot in the past and I think

1446

01:02:01,170 --> 01:01:59,680

I can share this with you and he goes in

1447

01:02:05,010 --> 01:02:01,180

the story of how he'd learned he was an

1448

01:02:06,810 --> 01:02:05,020

abductee yeah and and it was years later

1449

01:02:08,220 --> 01:02:06,820

and I knew that I was and he brought up

1450

01:02:11,100 --> 01:02:08,230

out of you and he says how do you feel

1451

01:02:13,500 --> 01:02:11,110

about such a thing I said I'm okay with

1452

01:02:15,110 --> 01:02:13,510

it and he said yeah you know have you

1453

01:02:17,580 --> 01:02:15,120

heard of that before and I go yeah I

1454

01:02:20,640 --> 01:02:17,590

better I am one too and I've been on an

1455

01:02:22,920 --> 01:02:20,650

investigation course you know into the

1456

01:02:25,920 --> 01:02:22,930

fact that I'd had that happened you know

1457

01:02:27,360 --> 01:02:25,930

so this was many years later and it was

1458

01:02:30,290 --> 01:02:27,370

out of the blue that he brought this up

1459

01:02:33,090 --> 01:02:30,300

and so then when I heard of eve's

1460

01:02:35,490 --> 01:02:33,100

research and she wrote a book on it and

1461

01:02:36,900 --> 01:02:35,500

everything I went back and go and it's

1462

01:02:38,790 --> 01:02:36,910

kind of like you know like the aliens

1463

01:02:42,300 --> 01:02:38,800

play cupid you know that's what she's

1464

01:02:44,970 --> 01:02:42,310

basically saying and and I realized the

1465

01:02:46,980 --> 01:02:44,980

way him and I met and we met through

1466

01:02:49,170 --> 01:02:46,990

very metaphysical circumstances and it

1467

01:02:50,880 --> 01:02:49,180

turned out we were both lifelong abdic

1468

01:02:52,710 --> 01:02:50,890

teased and it had it as kids and I go

1469

01:02:54,840 --> 01:02:52,720

and suddenly I felt like my whole life

1470

01:02:57,330 --> 01:02:54,850

had been orchestrated by someone else

1471

01:02:58,740 --> 01:02:57,340

you know yeah and I had to go whoa and

1472

01:03:01,200 --> 01:02:58,750

here I thought that was kind of a silly

1473

01:03:03,300 --> 01:03:01,210

thing and then I learned oh wait it

1474

01:03:05,280 --> 01:03:03,310

applied to me you know and at least in

1475

01:03:07,200 --> 01:03:05,290

that situation yeah and so

1476

01:03:10,440 --> 01:03:07,210

this is this is actually a common thing

1477

01:03:12,750 --> 01:03:10,450

with abductees to find themselves in

1478

01:03:14,340 --> 01:03:12,760

relationships together and then they can

1479

01:03:16,020 --> 01:03:14,350

be really wrong and have a million

1480

01:03:17,970 --> 01:03:16,030

things but they feel like something else

1481

01:03:20,760 --> 01:03:17,980

orchestrated it that brought them

1482

01:03:22,770 --> 01:03:20,770

together and maybe it was meant to take

1483

01:03:25,530 --> 01:03:22,780

the the ovum and the sperm in the

1484

01:03:28,500 --> 01:03:25,540

abductions from those people see Janet's

1485

01:03:30,210 --> 01:03:28,510

over there nodding away it took to set

1486

01:03:33,750 --> 01:03:30,220

that up so they could create hybrids

1487

01:03:36,240 --> 01:03:33,760

from them even even if they even if he

1488

01:03:37,980 --> 01:03:36,250

doesn't get her pregnant in in life they

1489

01:03:40,380 --> 01:03:37,990

take both of their materials for that

1490

01:03:42,210 --> 01:03:40,390

reason and so it seems and usually often

1491

01:03:44,730 --> 01:03:42,220

these relationships are not long-term

1492

01:03:46,290 --> 01:03:44,740

they're often short and they burn out

1493

01:03:48,150 --> 01:03:46,300

really fast they're really passionate

1494

01:03:50,840 --> 01:03:48,160

and they burn out and that was true with

1495

01:03:53,430 --> 01:03:50,850

him and I and and there's another

1496

01:03:55,500 --> 01:03:53,440

individual and without going into it

1497

01:03:57,600 --> 01:03:55,510

where I think that whole thing was

1498

01:04:00,090 --> 01:03:57,610

something fast that burnt out that way

1499

01:04:04,650 --> 01:04:00,100

too you should know something about but

1500

01:04:07,320 --> 01:04:04,660

now I can get into it but yeah yeah yeah

1501
01:04:10,560 --> 01:04:07,330
yeah yeah you know and it and you kind

1502
01:04:11,820 --> 01:04:10,570
of go and I realize now whoa

1503
01:04:13,260 --> 01:04:11,830
you know here I always thought that was

1504
01:04:15,120 --> 01:04:13,270
kind of silly till I realized it it

1505
01:04:18,030 --> 01:04:15,130
actually existed in my own experience I

1506
01:04:20,760 --> 01:04:18,040
totally agree with you and I I look back

1507
01:04:23,250 --> 01:04:20,770
in my life now and I know I know now

1508
01:04:26,760 --> 01:04:23,260
what I didn't know then and I'm

1509
01:04:29,250 --> 01:04:26,770
absolutely flabbergasted at how there's

1510
01:04:32,070 --> 01:04:29,260
a chemical reaction in my brain that

1511
01:04:34,800 --> 01:04:32,080
made me like go just absolutely ape over

1512
01:04:36,900 --> 01:04:34,810
somebody and yeah yeah Janet should be

1513
01:04:39,450 --> 01:04:36,910

up next yeah yeah so I'm like thinking

1514

01:04:41,820 --> 01:04:39,460

to myself what the heck was that all

1515

01:04:43,500 --> 01:04:41,830

about because you look back on it when

1516

01:04:46,140 --> 01:04:43,510

you're a little older and you just go I

1517

01:04:48,630 --> 01:04:46,150

would never do that why would I do that

1518

01:04:51,660 --> 01:04:48,640

you know and it's just and you did it

1519

01:04:53,550 --> 01:04:51,670

and then you just go why so Janet's in

1520

01:04:56,340 --> 01:04:53,560

the hot seat again so Janet what's your

1521

01:04:59,220 --> 01:04:56,350

take on this well Whitney Stryver

1522

01:05:00,900 --> 01:04:59,230

describes in majestic the book that's

1523

01:05:03,030 --> 01:05:00,910

happened with these two characters in

1524

01:05:06,870 --> 01:05:03,040

that book so that's going back to what

1525

01:05:08,760 --> 01:05:06,880

twenty thirty years ago and so weren't

1526

01:05:10,830 --> 01:05:08,770

they all kids together in their true

1527

01:05:13,080 --> 01:05:10,840

their school the the the children's

1528

01:05:14,670 --> 01:05:13,090

school Oh different book but I thought

1529

01:05:17,430 --> 01:05:14,680

they were two of the kids out of that

1530

01:05:19,200 --> 01:05:17,440

book that they put together later made

1531

01:05:21,750 --> 01:05:19,210

my my wrong you know it's

1532

01:05:23,970 --> 01:05:21,760

a long time but it was it was a the

1533

01:05:26,849 --> 01:05:23,980

daughter is a her father was in the

1534

01:05:28,530 --> 01:05:26,859

military and then he anyway yeah so it

1535

01:05:29,970 --> 01:05:28,540

was something with these two kids and

1536

01:05:32,040 --> 01:05:29,980

and they were in heat they couldn't

1537

01:05:33,810 --> 01:05:32,050

resist each other and and you know the

1538

01:05:36,930 --> 01:05:33,820

parents they want them to get together

1539

01:05:39,420 --> 01:05:36,940

but like somehow knew that they got

1540

01:05:41,520 --> 01:05:39,430

together anyway they ended up climbing

1541

01:05:43,500 --> 01:05:41,530

in the window the second floor and they

1542

01:05:49,020 --> 01:05:43,510

went into her closet never hiding but

1543

01:05:52,920 --> 01:05:49,030

they were just as he would I had he came

1544

01:05:55,770 --> 01:05:52,930

and he said oh my god they knew she was

1545

01:05:57,720 --> 01:05:55,780

pregnant instant instantly pregnant as

1546

01:06:00,390 --> 01:05:57,730

like you to get married immediately

1547

01:06:02,010 --> 01:06:00,400

so they we have no shame and so yeah and

1548

01:06:06,300 --> 01:06:02,020

the other one had talked about was Jeane

1549

01:06:09,150 --> 01:06:06,310

Dixon back in the sixties remember that

1550

01:06:10,440 --> 01:06:09,160

she she said that she was I was

1551

01:06:12,030 --> 01:06:10,450

listening to the radio going you know

1552

01:06:15,359 --> 01:06:12,040

had the little transistor jealous girl

1553

01:06:17,160 --> 01:06:15,369

but about 65 or 66 and she said the

1554

01:06:19,710 --> 01:06:17,170

aliens are taking children and little

1555

01:06:24,210 --> 01:06:19,720

boys and girls and they're matching them

1556

01:06:27,089 --> 01:06:24,220

up and so what I was an adult and I met

1557

01:06:28,470 --> 01:06:27,099

let's he goes first Jason you know how

1558

01:06:29,910 --> 01:06:28,480

when you you start a relationship you

1559

01:06:31,440 --> 01:06:29,920

get to look at the little pictures of a

1560

01:06:33,599 --> 01:06:31,450

neighbor kid who see how cute they were

1561

01:06:35,550 --> 01:06:33,609

with a kid I picked up the picture of

1562

01:06:38,370 --> 01:06:35,560

Jason and I dropped that I went I know

1563

01:06:40,950 --> 01:06:38,380

that kid I know that kid that age that

1564

01:06:43,589 --> 01:06:40,960

little boy we were together so they

1565

01:06:45,690 --> 01:06:43,599

start matching you boyfriend of yours

1566

01:06:47,730 --> 01:06:45,700

from the past named Jason yeah Jason was

1567

01:06:51,690 --> 01:06:47,740

the boyfriend I had before I met Sasha

1568

01:06:54,200 --> 01:06:51,700

okay okay and then that I after Jason I

1569

01:06:56,609 --> 01:06:54,210

see they they set it up so you're like

1570

01:06:58,859 --> 01:06:56,619

you're breaking out so I had a long-term

1571

01:07:00,480 --> 01:06:58,869

marriage but it's like you can't stay in

1572

01:07:02,339 --> 01:07:00,490

that marriage we got to diversify your

1573

01:07:04,230 --> 01:07:02,349

DNA because we're going to use these

1574

01:07:06,630 --> 01:07:04,240

kids so they get you together so you're

1575

01:07:08,190 --> 01:07:06,640

actually copulating and you aren't

1576

01:07:16,290 --> 01:07:08,200

getting pregnant there it saves some

1577

01:07:18,300 --> 01:07:16,300

time you said that because it's a lot of

1578

01:07:19,620 --> 01:07:18,310

work getting us on the ships and going

1579

01:07:21,780 --> 01:07:19,630

through all they got to go through and

1580

01:07:24,180 --> 01:07:21,790

all that whereas they can just put us

1581

01:07:26,220 --> 01:07:24,190

out in the pasture and put the Bulls in

1582

01:07:28,430 --> 01:07:26,230

with us and hey here we go

1583

01:07:31,740 --> 01:07:28,440

like we said there's something with the

1584

01:07:34,440 --> 01:07:31,750

natural attraction and and mating

1585

01:07:36,990 --> 01:07:34,450

and the orgasms you typically have when

1586

01:07:39,120 --> 01:07:37,000

you're sexually attracted those children

1587

01:07:41,730 --> 01:07:39,130

are more viable maybe I think they

1588

01:07:44,190 --> 01:07:41,740

thrive better I honestly do I kind of

1589

01:07:46,710 --> 01:07:44,200

always felt that that is its conceived

1590

01:07:49,680 --> 01:07:46,720

in a love situation in the the hybrid

1591

01:07:51,390 --> 01:07:49,690

kid has a better chance of surviving you

1592

01:07:57,569 --> 01:07:51,400

know there's one thing Bob Bigelow said

1593

01:08:00,030 --> 01:07:57,579

or was it Bob or was it George Knapp

1594

01:08:02,910 --> 01:08:00,040

when they talked about the knids ranch

1595

01:08:04,980 --> 01:08:02,920

there was an incident at the very end of

1596

01:08:06,750 --> 01:08:04,990

their whole working on the knids ranch

1597

01:08:09,329 --> 01:08:06,760

that they said one thing that I'll never

1598

01:08:11,520 --> 01:08:09,339

forget I think it was calm Kelleher that

1599

01:08:13,349 --> 01:08:11,530

said it in an interview he said what

1600

01:08:16,470 --> 01:08:13,359

we've discovered at that ranch is that a

1601
01:08:18,959 --> 01:08:16,480
woman a mother's love for her child is

1602
01:08:20,970 --> 01:08:18,969
truly the answer to everything we were

1603
01:08:23,220 --> 01:08:20,980
seeking on that ranch and I never did

1604
01:08:25,920 --> 01:08:23,230
they never went into explanation why or

1605
01:08:27,900 --> 01:08:25,930
what but it all goes back to I think to

1606
01:08:31,800 --> 01:08:27,910
the breeding program where is the love

1607
01:08:33,390 --> 01:08:31,810
of a mother with the hybrid is is the

1608
01:08:35,880 --> 01:08:33,400
key to whether that hybrids going to

1609
01:08:37,769 --> 01:08:35,890
survive or not and whether the hybrid

1610
01:08:40,110 --> 01:08:37,779
can actually accept and understand what

1611
01:08:43,709 --> 01:08:40,120
the love is because I think as a hybrid

1612
01:08:46,170 --> 01:08:43,719
they may not get those those end ricchan

1613
01:08:48,329 --> 01:08:46,180

system those endorphins abilities

1614

01:08:50,309 --> 01:08:48,339

through the brain cells that that go

1615

01:08:56,130 --> 01:08:50,319

because the feelings don't have that

1616

01:08:59,070 --> 01:08:56,140

they just don't have that capability are

1617

01:09:00,840 --> 01:08:59,080

you done yeah okay so then the second

1618

01:09:05,249 --> 01:09:00,850

thing happened with Jason the same thing

1619

01:09:06,780 --> 01:09:05,259

and I knew not Jason Steve and then but

1620

01:09:08,849 --> 01:09:06,790

of course all those things break out

1621

01:09:12,510 --> 01:09:08,859

because they want me to go on to Vinnie

1622

01:09:15,450 --> 01:09:12,520

and then then they gave me my ultimate

1623

01:09:18,329 --> 01:09:15,460

orgasm which is divine partnership I got

1624

01:09:20,430 --> 01:09:18,339

to be with my twins Twin Flames sacred

1625

01:09:22,559 --> 01:09:20,440

relationship so I've been we've been

1626
01:09:24,329 --> 01:09:22,569
together 20 years so that was my payoff

1627
01:09:25,680 --> 01:09:24,339
you're getting old now you're not the

1628
01:09:27,660 --> 01:09:25,690
breeding program anywhere where they

1629
01:09:29,729 --> 01:09:27,670
give you this partner but boy we have a

1630
01:09:32,939 --> 01:09:29,739
lot of fun you know being really really

1631
01:09:35,130 --> 01:09:32,949
sexual and it's it's type of sex that

1632
01:09:37,050 --> 01:09:35,140
you can have like with the aliens and

1633
01:09:40,260 --> 01:09:37,060
that's it see it's out it's otherworldly

1634
01:09:41,970 --> 01:09:40,270
yeah Tantra does that for you if you

1635
01:09:43,410 --> 01:09:41,980
really do study and understand it and

1636
01:09:44,789 --> 01:09:43,420
you've got a good partner and there's

1637
01:09:45,240 --> 01:09:44,799
somebody that's loving and caring and

1638
01:09:47,190 --> 01:09:45,250

wants to

1639

01:09:49,260 --> 01:09:47,200

do it with you it's it's an amazing

1640

01:09:51,150 --> 01:09:49,270

thing and you know most and most

1641

01:09:53,940 --> 01:09:51,160

Americans are afraid to talk about it

1642

01:09:56,310 --> 01:09:53,950

you know we're very sexually suppressed

1643

01:09:57,720 --> 01:09:56,320

in this country and you know I'm not

1644

01:09:59,790 --> 01:09:57,730

saying that the other countries are much

1645

01:10:01,860 --> 01:09:59,800

more you know different than us but I

1646

01:10:04,770 --> 01:10:01,870

find that we're very Victorian in that

1647

01:10:11,430 --> 01:10:04,780

way yeah well let's repress it comes out

1648

01:10:13,470 --> 01:10:11,440

kind of satanic or yeah great yes we do

1649

01:10:15,900 --> 01:10:13,480

there's it's a different word but it's

1650

01:10:18,030 --> 01:10:15,910

that way was repress comes out demonic

1651

01:10:19,710 --> 01:10:18,040

that's what the demonic and so that's

1652

01:10:22,020 --> 01:10:19,720

what's happening or culture press

1653

01:10:25,050 --> 01:10:22,030

sexuality so we would actually do better

1654

01:10:27,720 --> 01:10:25,060

we let people be more sexually free but

1655

01:10:29,820 --> 01:10:27,730

we shame and blame and that's why we

1656

01:10:31,320 --> 01:10:29,830

have all this problem but anyway what

1657

01:10:33,720 --> 01:10:31,330

was the final thing so during this

1658

01:10:35,280 --> 01:10:33,730

todrick relationship the the ultimate

1659

01:10:38,250 --> 01:10:35,290

thing I discovered is that I could open

1660

01:10:40,050 --> 01:10:38,260

star gates and I and I and I would love

1661

01:10:42,540 --> 01:10:40,060

to teach you somehow but has people to

1662

01:10:45,060 --> 01:10:42,550

be open-minded so if you had your divide

1663

01:10:45,810 --> 01:10:45,070

partner and about advertising it but

1664

01:10:51,390 --> 01:10:45,820

it's a theory

1665

01:10:52,710 --> 01:10:51,400

we're not saying go do this but I

1666

01:10:55,130 --> 01:10:52,720

actually talked about this at length

1667

01:10:57,510 --> 01:10:55,140

with Peter moon but that's another story

1668

01:10:59,370 --> 01:10:57,520

because you did the mod talk stuff and

1669

01:11:02,490 --> 01:10:59,380

they use sexuality and open star gates a

1670

01:11:04,290 --> 01:11:02,500

we talked at length and so I open star

1671

01:11:06,810 --> 01:11:04,300

gates I would go up into the I would

1672

01:11:09,270 --> 01:11:06,820

take my body got my crown I'd be above

1673

01:11:12,150 --> 01:11:09,280

time and space I would put a call out

1674

01:11:14,520 --> 01:11:12,160

and they would come and I would call in

1675

01:11:16,620 --> 01:11:14,530

craft and then I would go on a month I

1676

01:11:18,300 --> 01:11:16,630

went on this library ship and and I

1677

01:11:21,600 --> 01:11:18,310

would just I would travel with them and

1678

01:11:23,220 --> 01:11:21,610

he and I channeled them but it was so it

1679

01:11:25,170 --> 01:11:23,230

was like Bashar with one person to be

1680

01:11:27,240 --> 01:11:25,180

like who's available I don't know what

1681

01:11:29,730 --> 01:11:27,250

people are the light side the only dark

1682

01:11:32,070 --> 01:11:29,740

beings and come through and will allow

1683

01:11:35,220 --> 01:11:32,080

you a voice and so there's probably a

1684

01:11:37,890 --> 01:11:35,230

way to train people I was using the

1685

01:11:40,890 --> 01:11:37,900

sexuality to activate that couldn't

1686

01:11:42,810 --> 01:11:40,900

leave the energy and waking into this

1687

01:11:44,850 --> 01:11:42,820

Stargate so that was part of what they

1688

01:11:47,880 --> 01:11:44,860

do they could open star gates so they're

1689

01:11:53,060 --> 01:11:47,890

they're harvesting that energy and and

1690

01:11:54,960 --> 01:11:53,070

they use it to travel with you know wait

1691

01:11:56,580 --> 01:11:54,970

Shani you're telling me that's all I

1692

01:11:57,979 --> 01:11:56,590

need do to have my tours be it's more

1693

01:11:59,390 --> 01:11:57,989

successful

1694

01:12:06,919 --> 01:11:59,400

open up the stargates and calling the

1695

01:12:17,839 --> 01:12:06,929

ship's name right so you gotta do ton

1696

01:12:24,200 --> 01:12:17,849

tricks star watching I'm sorry to say

1697

01:12:26,479 --> 01:12:24,210

folks would be a hit anywhere Heidi I

1698

01:12:29,359 --> 01:12:26,489

would try to get up basically the

1699

01:12:31,459 --> 01:12:29,369

Satanist they use 12 maybe the say

1700

01:12:33,140 --> 01:12:31,469

mister doing it and yeah they do the

1701

01:12:35,419 --> 01:12:33,150

sexual rich and they capture the

1702

01:12:37,250 --> 01:12:35,429

timeline and that's why we're in this

1703

01:12:38,870 --> 01:12:37,260

reality because they know how to do it

1704

01:12:40,759 --> 01:12:38,880

out the perfect times in the perfect

1705

01:12:42,350 --> 01:12:40,769

places I thought to Peter it says well

1706

01:12:44,479 --> 01:12:42,360

what if we get these women together we

1707

01:12:45,680 --> 01:12:44,489

can pretty much identify the times that

1708

01:12:47,870 --> 01:12:45,690

they're capturing the time line and

1709

01:12:50,120 --> 01:12:47,880

taking it he said yes but I have been

1710

01:12:52,430 --> 01:12:50,130

trying for 20 years to get 12 people

1711

01:12:55,700 --> 01:12:52,440

what do you think that the the real

1712

01:12:57,589 --> 01:12:55,710

girls were doing right great I yeah yeah

1713

01:12:58,459 --> 01:12:57,599

oh I just got goose ease with that Yeah

1714

01:13:00,319 --> 01:12:58,469

right on

1715

01:13:03,020 --> 01:13:00,329

oh yeah I know exactly what these guys

1716

01:13:04,700 --> 01:13:03,030

were doing and you know the see I don't

1717

01:13:07,580 --> 01:13:04,710

want to go into that tonight because it

1718

01:13:09,109 --> 01:13:07,590

is Valentine's Day but you know we all

1719

01:13:12,700 --> 01:13:09,119

of us girls in this room are very much

1720

01:13:15,229 --> 01:13:12,710

aware of the dark side of this whole

1721

01:13:17,950 --> 01:13:15,239

society whatever we're into this

1722

01:13:20,629 --> 01:13:17,960

community we're into this you know

1723

01:13:22,850 --> 01:13:20,639

lifestyle we're into whatever but you

1724

01:13:24,350 --> 01:13:22,860

know there's one part to this that we

1725

01:13:25,970 --> 01:13:24,360

have not talked about and that is the

1726

01:13:28,279 --> 01:13:25,980

fact that once you're aware of it you

1727

01:13:30,709 --> 01:13:28,289

can never go back and you can't deny it

1728

01:13:33,560 --> 01:13:30,719

and there's a lot of people in the UFO

1729

01:13:35,239 --> 01:13:33,570

community it won't touch that part of

1730

01:13:38,299 --> 01:13:35,249

this story they won't touch the

1731

01:13:40,399 --> 01:13:38,309

conspiracy demon onic satanic side of

1732

01:13:43,089 --> 01:13:40,409

this they won't touch the targeted an

1733

01:13:45,290 --> 01:13:43,099

individual side they won't touch the

1734

01:13:47,450 --> 01:13:45,300

satanic ritual abuse side they won't

1735

01:13:51,020 --> 01:13:47,460

touch the you know all the stuff that

1736

01:13:53,419 --> 01:13:51,030

comes from this other dark side of these

1737

01:13:56,419 --> 01:13:53,429

underground bases and the mylabs and the

1738

01:13:58,879 --> 01:13:56,429

you know and and the monarchs and you

1739

01:14:00,830 --> 01:13:58,889

know you guys it's all goes hand in hand

1740

01:14:02,810 --> 01:14:00,840

and as I've been saying on this show for

1741

01:14:05,330 --> 01:14:02,820

years and years it's all connected and

1742

01:14:07,069 --> 01:14:05,340

you can't just you can't sit and talk

1743

01:14:08,479 --> 01:14:07,079

about one and you can't sit and talk

1744

01:14:11,910 --> 01:14:08,489

about the other you have to talk about

1745

01:14:13,410 --> 01:14:11,920

it all as a unit that's why every week

1746

01:14:15,419 --> 01:14:13,420

Brian atten-hut something different

1747

01:14:18,900 --> 01:14:15,429

every week that brings it all together

1748

01:14:20,400 --> 01:14:18,910

and and you know I sometimes I get shot

1749

01:14:21,870 --> 01:14:20,410

down for it on my show I mean I have

1750

01:14:23,280 --> 01:14:21,880

people that say don't talk about that

1751

01:14:25,560 --> 01:14:23,290

stuff you know it's just gonna bring it

1752

01:14:27,330 --> 01:14:25,570

into you and I say no it's gonna expel

1753

01:14:30,240 --> 01:14:27,340

it because once you put the light on it

1754

01:14:32,040 --> 01:14:30,250

it goes away I don't have to deal with

1755

01:14:33,479 --> 01:14:32,050

it anymore but I feel sorry for the

1756

01:14:35,070 --> 01:14:33,489

people who are hiding from it and

1757

01:14:37,410 --> 01:14:35,080

they're gonna have to deal with it now

1758

01:14:39,600 --> 01:14:37,420

so anyhow so we're not gonna bring it up

1759

01:14:42,120 --> 01:14:39,610

anymore tonight but but but but they are

1760

01:14:45,120 --> 01:14:42,130

masters of doing that you're absolutely

1761

01:14:46,850 --> 01:14:45,130

right because it only takes one percent

1762

01:14:50,640 --> 01:14:46,860

to overcome the dark

1763

01:14:52,680 --> 01:14:50,650

so anyway people who want to do it I

1764

01:14:54,810 --> 01:14:52,690

don't even know if I could do it even if

1765

01:14:58,410 --> 01:14:54,820

I had 12 people that were agreeable to

1766

01:15:00,479 --> 01:14:58,420

it it's gonna take a lot I'm working

1767

01:15:01,979 --> 01:15:00,489

with some people and I know this is kind

1768

01:15:04,280 --> 01:15:01,989

of crazy but I'm working with some

1769

01:15:07,380 --> 01:15:04,290

people that are trying to do it through

1770

01:15:09,450 --> 01:15:07,390

technology and they're going through

1771

01:15:12,090 --> 01:15:09,460

your mind with different types of

1772

01:15:13,800 --> 01:15:12,100

frequencies and light and they think

1773

01:15:15,150 --> 01:15:13,810

they can achieve the same type of thing

1774

01:15:18,810 --> 01:15:15,160

where they can take you to an orgasmic

1775

01:15:20,820 --> 01:15:18,820

state but also an aware state at the

1776

01:15:22,830 --> 01:15:20,830

same time so it's not like it's total be

1777

01:15:26,820 --> 01:15:22,840

total body but it'll bit also be total

1778

01:15:29,430 --> 01:15:26,830

mind in control at the same time and if

1779

01:15:34,500 --> 01:15:29,440

you can do that you can transcend time

1780

01:15:38,300 --> 01:15:34,510

space and everything so I think you need

1781

01:15:42,450 --> 01:15:38,310

to have actually I should say 24 people

1782

01:15:44,070 --> 01:15:42,460

partners 24 sets of partners because you

1783

01:15:46,380 --> 01:15:44,080

have the women or they're sitting in

1784

01:15:48,780 --> 01:15:46,390

they in a circle with their feet out and

1785

01:15:51,000 --> 01:15:48,790

their heads are connected and so they're

1786

01:15:57,150 --> 01:15:51,010

creating this channel of energy

1787

01:15:59,790 --> 01:15:57,160

and the men are the givers and go into

1788

01:16:03,360 --> 01:15:59,800

that detail you talked about the licking

1789

01:16:05,580 --> 01:16:03,370

and so and that has even from humans has

1790

01:16:07,740 --> 01:16:05,590

that's interesting that the rip the

1791

01:16:10,620 --> 01:16:07,750

Raptors do that interesting interesting

1792

01:16:13,950 --> 01:16:10,630

they've added dogs so you learn from the

1793

01:16:15,990 --> 01:16:13,960

head of the world and so so the theory

1794

01:16:18,689 --> 01:16:16,000

is it I think it'll pay it out you get

1795

01:16:20,640 --> 01:16:18,699

ever get all those 12 women and I'm

1796

01:16:23,280 --> 01:16:20,650

sorry I think it has to be male/female

1797

01:16:25,350 --> 01:16:23,290

because we're balancing the master

1798

01:16:26,910 --> 01:16:25,360

observing the energy right

1799

01:16:28,620 --> 01:16:26,920

they have to be involved with each other

1800

01:16:30,840 --> 01:16:28,630

they have to be lovers they have to be

1801

01:16:32,959 --> 01:16:30,850

connected in some way yeah so I think

1802

01:16:35,910 --> 01:16:32,969

that thing about just doing energy

1803

01:16:39,240 --> 01:16:35,920

probably won't work because yeah you

1804

01:16:41,250 --> 01:16:39,250

have to be loving somebody yeah and but

1805

01:16:43,050 --> 01:16:41,260

yeah it's very interesting and I think

1806

01:16:44,790 --> 01:16:43,060

we can open portals that way but you

1807

01:16:46,979 --> 01:16:44,800

know what what we're going to talk about

1808

01:16:49,050 --> 01:16:46,989

in a show coming up very soon here is

1809

01:16:50,790 --> 01:16:49,060

the centers and the portals that the

1810

01:16:53,910 --> 01:16:50,800

Peruvian masters are opening you know

1811

01:16:55,560 --> 01:16:53,920

about those oh yeah yeah they've been

1812

01:16:57,419 --> 01:16:55,570

doing this for quite some time seeks to

1813

01:17:01,140 --> 01:16:57,429

pause you know who seeks to is done to

1814

01:17:02,729 --> 01:17:01,150

Sixto Paz or seeks toe yep sixth oh yeah

1815

01:17:04,620 --> 01:17:02,739

the guys doing some amazing work with

1816

01:17:06,120 --> 01:17:04,630

these Andrews and they get all these

1817

01:17:09,060 --> 01:17:06,130

people to meditate and then these

1818

01:17:15,149 --> 01:17:09,070

portals open up and they 225 people who

1819

01:17:18,750 --> 01:17:15,159

see aliens yeah this is Stargate so sign

1820

01:17:21,600 --> 01:17:18,760

me up Peru

1821

01:17:24,390 --> 01:17:21,610

what's witness a portal openness if you

1822

01:17:26,310 --> 01:17:24,400

can oh I am already dealing with that

1823

01:17:27,780 --> 01:17:26,320

yeah we were already making a portal

1824

01:17:29,459 --> 01:17:27,790

happen for camera it's a matter of fact

1825

01:17:34,649 --> 01:17:29,469

where the portal closes we're shoving

1826

01:17:37,169 --> 01:17:34,659

him in and sending to mine I know but he

1827

01:17:39,209 --> 01:17:37,179

wants to go so we were like okay well

1828

01:17:43,979 --> 01:17:39,219

look kick well kick you to the alien

1829

01:17:45,990 --> 01:17:43,989

curb no problem grant I grew up in a

1830

01:17:47,430 --> 01:17:46,000

house with an open portal you don't know

1831

01:17:49,140 --> 01:17:47,440

what's gonna come through so you have to

1832

01:17:51,660 --> 01:17:49,150

be very very careful where you said to

1833

01:17:54,359 --> 01:17:51,670

people yes that is true you're

1834

01:17:56,010 --> 01:17:54,369

absolutely right okay so we're gonna

1835

01:17:58,020 --> 01:17:56,020

move on to the next subject thank you so

1836

01:17:59,850 --> 01:17:58,030

much I want to talk a little bit before

1837

01:18:01,470 --> 01:17:59,860

the end of the show how much time we

1838

01:18:04,229 --> 01:18:01,480

have oh we got about a half hour left

1839

01:18:06,450 --> 01:18:04,239

okay what I want to talk about is the

1840

01:18:09,479 --> 01:18:06,460

children that you guys and especially

1841

01:18:12,149 --> 01:18:09,489

you two right here have had that you've

1842

01:18:14,520 --> 01:18:12,159

felt in your body or that you know

1843

01:18:16,020 --> 01:18:14,530

where's taken from you I just I want to

1844

01:18:18,629 --> 01:18:16,030

hear about that whole process of

1845

01:18:21,300 --> 01:18:18,639

pregnancy in space you know I know it

1846

01:18:22,370 --> 01:18:21,310

sounds really weird space babies are

1847

01:18:24,540 --> 01:18:22,380

coming our way

1848

01:18:27,490 --> 01:18:24,550

[Laughter]

1849

01:18:30,220 --> 01:18:27,500

well the main thing is oh this is Misha

1850

01:18:33,100 --> 01:18:30,230

Johnston by the way all right

1851

01:18:35,620 --> 01:18:33,110

the main thing is when you're

1852

01:18:37,630 --> 01:18:35,630

inseminated there is definitely that

1853

01:18:40,600 --> 01:18:37,640

something takes place where you feel

1854

01:18:43,240 --> 01:18:40,610

whether it is by a human or an alien you

1855

01:18:45,010 --> 01:18:43,250

feel pregnant a woman feels instantly

1856

01:18:45,970 --> 01:18:45,020

instant they have that feeling that

1857

01:18:48,520 --> 01:18:45,980

they're pregnant okay

1858

01:18:51,400 --> 01:18:48,530

then they'll have the false pregnancies

1859

01:18:53,740 --> 01:18:51,410

and these I've experienced several

1860

01:18:55,570 --> 01:18:53,750

myself that you think for sure

1861

01:18:57,220 --> 01:18:55,580

absolutely you know you're pregnant

1862

01:19:01,360 --> 01:18:57,230

because of the different things that go

1863

01:19:04,410 --> 01:19:01,370

on in your Anatomy in your body so then

1864

01:19:07,150 --> 01:19:04,420

you will have the miss miss miss

1865

01:19:09,970 --> 01:19:07,160

carriages and I've had those as well

1866

01:19:11,590 --> 01:19:09,980

yeah one question about the miscarriages

1867

01:19:13,150 --> 01:19:11,600

do you think that the miscarriages are

1868

01:19:14,740 --> 01:19:13,160

really miscarriages or do you think that

1869

01:19:16,150 --> 01:19:14,750

they've taken they're taking it and then

1870

01:19:19,120 --> 01:19:16,160

you think you're having a miscarriage

1871

01:19:21,640 --> 01:19:19,130

like a six week six weeks gestation

1872

01:19:26,410 --> 01:19:21,650

period and then they're gone now I had a

1873

01:19:27,790 --> 01:19:26,420

memory where I was I was in a situation

1874

01:19:30,340 --> 01:19:27,800

where that I I would they were

1875

01:19:34,000 --> 01:19:30,350

delivering this what how Versailles baby

1876

01:19:38,860 --> 01:19:34,010

it was the instrument that they used was

1877

01:19:43,270 --> 01:19:38,870

like like a jellyfish and this jellyfish

1878

01:19:45,730 --> 01:19:43,280

gently now this was a longer pregnancy I

1879

01:19:48,550 --> 01:19:45,740

had to have been but anyway the and I

1880

01:19:50,920 --> 01:19:48,560

have a picture of it in my book a that

1881

01:19:53,650 --> 01:19:50,930

this jellyfish kind of thing and it just

1882

01:19:56,740 --> 01:19:53,660

gently goes to the head and gently pulls

1883

01:19:59,410 --> 01:19:56,750

them out there with no problem to the

1884

01:20:01,180 --> 01:19:59,420

child no forceps nothing this okay it's

1885

01:20:04,270 --> 01:20:01,190

living kind of jelly

1886

01:20:07,150 --> 01:20:04,280

it's a membrane and that has the ability

1887

01:20:11,350 --> 01:20:07,160

to attach to it and it has the ability

1888

01:20:14,710 --> 01:20:11,360

to go in your body in the canal and it

1889

01:20:16,360 --> 01:20:14,720

and it's just it's very thin and yeah

1890

01:20:19,450 --> 01:20:16,370

and it just kind of does its thing

1891

01:20:22,240 --> 01:20:19,460

organic yeah it is not intrusive at all

1892

01:20:26,500 --> 01:20:22,250

to you and and so that is another

1893

01:20:29,050 --> 01:20:26,510

experience I had just a little bit about

1894

01:20:32,040 --> 01:20:29,060

I wanted to go back just briefly about

1895

01:20:35,080 --> 01:20:32,050

the all right many people in my group

1896

01:20:35,750 --> 01:20:35,090

including family members that I hope but

1897

01:20:40,960 --> 01:20:35,760

never

1898

01:20:43,760 --> 01:20:40,970

this I had loved by experience where

1899

01:20:46,280 --> 01:20:43,770

they met it when they met each other

1900

01:20:49,970 --> 01:20:46,290

they knew they had been on board ship

1901

01:20:52,370 --> 01:20:49,980

together and they knew so they they just

1902

01:20:54,170 --> 01:20:52,380

knew that they had been seen each other

1903

01:20:55,550 --> 01:20:54,180

as they talked more they realize both

1904

01:20:57,650 --> 01:20:55,560

being experiencers that they were on

1905

01:21:00,650 --> 01:20:57,660

board together next thing think they

1906

01:21:03,740 --> 01:21:00,660

have a child then they have a second

1907

01:21:06,530 --> 01:21:03,750

child both these kids are so hybrid so

1908

01:21:08,480 --> 01:21:06,540

high red the boy has the big big head

1909

01:21:10,640 --> 01:21:08,490

I've got picture of him too

1910

01:21:14,120 --> 01:21:10,650

the little girl is like a fairy child

1911

01:21:16,400 --> 01:21:14,130

she's amazing then all of a sudden this

1912

01:21:22,520 --> 01:21:16,410

mad mad passionate love affair that

1913

01:21:25,940 --> 01:21:22,530

happens in fact he he takes you up on

1914

01:21:28,490 --> 01:21:25,950

the Paris like the paris eiffel tower at

1915

01:21:30,230 --> 01:21:28,500

las vegas to propose to her and this

1916

01:21:32,810 --> 01:21:30,240

it's this kind of a romance and they

1917

01:21:34,430 --> 01:21:32,820

were just adore each other then all of a

1918

01:21:38,360 --> 01:21:34,440

sudden after that second child's born

1919

01:21:42,800 --> 01:21:38,370

within six months she can't stand the

1920

01:21:44,450 --> 01:21:42,810

sight of him she just can't she doesn't

1921

01:21:46,460 --> 01:21:44,460

love him anymore I can't stand the sight

1922

01:21:47,720 --> 01:21:46,470

of you know there is an explanation for

1923

01:21:49,430 --> 01:21:47,730

that though do you think she had

1924

01:21:51,470 --> 01:21:49,440

postpartum depression or that she had

1925

01:21:54,050 --> 01:21:51,480

she's going through difficult pregnancy

1926

01:21:55,670 --> 01:21:54,060

or you because you know chemical when

1927

01:21:57,440 --> 01:21:55,680

you have a kid sometimes the chemical

1928

01:22:00,560 --> 01:21:57,450

said insu afterwards make you not want

1929

01:22:06,530 --> 01:22:00,570

to talk to anybody that's a possibility

1930

01:22:09,230 --> 01:22:06,540

but she blames him for her being

1931

01:22:11,900 --> 01:22:09,240

pregnant twice you know so fast and then

1932

01:22:13,790 --> 01:22:11,910

you know she just might rule II believe

1933

01:22:15,380 --> 01:22:13,800

it's because plus for the fact they

1934

01:22:16,910 --> 01:22:15,390

still have this hate relationship and

1935

01:22:20,870 --> 01:22:16,920

they have two children that they have to

1936

01:22:22,370 --> 01:22:20,880

you know yeah that's really tough and if

1937

01:22:24,200 --> 01:22:22,380

the aliens aren't orchestrating

1938

01:22:26,300 --> 01:22:24,210

something like this or any other kind of

1939

01:22:27,980 --> 01:22:26,310

scent maybe a sinister force behind it

1940

01:22:30,770 --> 01:22:27,990

we don't know but who is ever

1941

01:22:33,170 --> 01:22:30,780

orchestrating these relationships it's

1942

01:22:36,410 --> 01:22:33,180

not such a deeper level that most people

1943

01:22:38,450 --> 01:22:36,420

can't even comprehend I mean I just it's

1944

01:22:40,070 --> 01:22:38,460

it's so hard to deal with that's why Eve

1945

01:22:41,900 --> 01:22:40,080

I don't think your book ever got a lot

1946

01:22:42,890 --> 01:22:41,910

of traction because it's so hard to

1947

01:22:44,930 --> 01:22:42,900

understand

1948

01:22:46,750 --> 01:22:44,940

and unless you've been through some kind

1949

01:22:49,440 --> 01:22:46,760

of mind-control mylabs

1950

01:22:50,880 --> 01:22:49,450

you know some kind of thing where you

1951

01:22:53,910 --> 01:22:50,890

understand there's something much more

1952

01:22:56,700 --> 01:22:53,920

powerful going on here that we don't

1953

01:22:58,800 --> 01:22:56,710

have control over it's it's hard to get

1954

01:23:00,060 --> 01:22:58,810

you know you know even I I like just

1955

01:23:01,800 --> 01:23:00,070

said to you could it be postpartum

1956

01:23:04,620 --> 01:23:01,810

depression I mean nobody wants to admit

1957

01:23:06,570 --> 01:23:04,630

that this this is things going on now I

1958

01:23:08,310 --> 01:23:06,580

know it does because I'm a first-hand

1959

01:23:10,890 --> 01:23:08,320

experience or of it so I know exactly

1960

01:23:13,020 --> 01:23:10,900

that it does because I did things I know

1961

01:23:15,090 --> 01:23:13,030

that I would never have done in my

1962

01:23:17,910 --> 01:23:15,100

entire life and I wake up one day and I

1963

01:23:21,450 --> 01:23:17,920

go what just happened in my life what

1964

01:23:24,120 --> 01:23:21,460

was that you know and it only happens to

1965

01:23:26,940 --> 01:23:24,130

people that are truly part of a program

1966

01:23:29,190 --> 01:23:26,950

somewhere somehow I really believe that

1967

01:23:31,950 --> 01:23:29,200

well evil are gonna go back way back

1968

01:23:34,230 --> 01:23:31,960

when I started having my relationship

1969

01:23:37,230 --> 01:23:34,240

with with with a y'know yes back in

1970

01:23:40,010 --> 01:23:37,240

Fallbrook and I was having religious and

1971

01:23:43,920 --> 01:23:40,020

we talked about it in her group a lot so

1972

01:23:46,680 --> 01:23:43,930

to be honest with you I'm so sorry I

1973

01:23:48,840 --> 01:23:46,690

know but but I don't what you've lived

1974

01:23:55,130 --> 01:23:48,850

the story is in it is what I'm wondering

1975

01:24:00,540 --> 01:23:58,860

because it is it is so hard for when you

1976

01:24:03,930 --> 01:24:00,550

are experiencing these things and then

1977

01:24:06,150 --> 01:24:03,940

to read the book about them either they

1978

01:24:07,430 --> 01:24:06,160

don't want you to do it because every

1979

01:24:10,710 --> 01:24:07,440

time you try to read it you fall asleep

1980

01:24:12,090 --> 01:24:10,720

yeah yes and I did on it at one time and

1981

01:24:15,120 --> 01:24:12,100

I did fall asleep in that I don't know

1982

01:24:18,840 --> 01:24:15,130

where it's at so but I find this not

1983

01:24:21,450 --> 01:24:18,850

just with my family member but also many

1984

01:24:25,620 --> 01:24:21,460

people in the group have these the love

1985

01:24:28,710 --> 01:24:25,630

bites and yeah it's very very uncommon

1986

01:24:31,200 --> 01:24:28,720

very good friend who's actually married

1987

01:24:33,420 --> 01:24:31,210

and he said this love bite thing

1988

01:24:36,150 --> 01:24:33,430

happened to him during a big abduction

1989

01:24:38,970 --> 01:24:36,160

phase in his life and he met this woman

1990

01:24:40,230 --> 01:24:38,980

and he got obsessed with her to the

1991

01:24:43,830 --> 01:24:40,240

point where he's practically stalking

1992

01:24:46,290 --> 01:24:43,840

her and he couldn't believe he was doing

1993

01:24:47,550 --> 01:24:46,300

it here he is married and he's like I

1994

01:24:48,930 --> 01:24:47,560

can't believe I'm doing this I would

1995

01:24:51,480 --> 01:24:48,940

never do this to my wife I would never

1996

01:24:53,040 --> 01:24:51,490

do this to anybody and it turns out the

1997

01:24:55,890 --> 01:24:53,050

chick was doing the same thing to her

1998

01:24:58,350 --> 01:24:55,900

boyfriend about him and then they

1999

01:25:01,650 --> 01:24:58,360

finally did their thing and they finally

2000

01:25:03,329 --> 01:25:01,660

knew they made the hybrid kids and then

2001
01:25:05,159 --> 01:25:03,339
they couldn't even stand the side

2002
01:25:07,199 --> 01:25:05,169
I mean that's the sightings of it's like

2003
01:25:08,189 --> 01:25:07,209
you I can't be around you you just about

2004
01:25:10,349 --> 01:25:08,199
ruin my life

2005
01:25:12,389 --> 01:25:10,359
kind of thing and that's exactly what

2006
01:25:15,209 --> 01:25:12,399
happens you come to this realization is

2007
01:25:15,929 --> 01:25:15,219
what did I do and people talk about this

2008
01:25:19,049 --> 01:25:15,939
all the time

2009
01:25:22,770 --> 01:25:19,059
I've had many love bites to some of my

2010
01:25:25,709 --> 01:25:22,780
love boats have been about ETS and the

2011
01:25:28,109 --> 01:25:25,719
connection with human and and and then

2012
01:25:30,689 --> 01:25:28,119
being experiences but and then some of

2013
01:25:33,149 --> 01:25:30,699

them have also been the government the

2014

01:25:35,219 --> 01:25:33,159

monarch there's a love bite going there

2015

01:25:37,829 --> 01:25:35,229

I had a messy marriage eight months

2016

01:25:44,639 --> 01:25:37,839

though which I have no we don't we can't

2017

01:25:46,319 --> 01:25:44,649

even call that a bite you know here's an

2018

01:25:48,899 --> 01:25:46,329

interesting conundrum for you guys was

2019

01:25:50,669 --> 01:25:48,909

the you know the Manson CIA controlled

2020

01:25:52,379 --> 01:25:50,679

helter skelter and all those chicks in

2021

01:25:54,359 --> 01:25:52,389

the LSD experiment was that the

2022

01:25:56,069 --> 01:25:54,369

beginning of the love bite thing because

2023

01:25:59,250 --> 01:25:56,079

all those women were devoted to him

2024

01:26:01,439 --> 01:25:59,260

absolutely true when I wha I watched it

2025

01:26:04,049 --> 01:26:01,449

because they needed to know and I could

2026
01:26:06,359 --> 01:26:04,059
see that they were that way they would

2027
01:26:08,639 --> 01:26:06,369
was on mind-control it wasn't love bite

2028
01:26:11,040 --> 01:26:08,649
from it was a mind-control thing and

2029
01:26:13,049 --> 01:26:11,050
they do the mind-control that's that's

2030
01:26:14,699 --> 01:26:13,059
the other aspect of the e cheese and of

2031
01:26:16,799 --> 01:26:14,709
course where did they learn it back

2032
01:26:18,839 --> 01:26:16,809
engineered information from the ETS

2033
01:26:20,909 --> 01:26:18,849
which is the mind control it T's do my

2034
01:26:22,529 --> 01:26:20,919
control our affections of our government

2035
01:26:25,290 --> 01:26:22,539
now do mine control she's dying to say

2036
01:26:27,000 --> 01:26:25,300
something about it I've been researching

2037
01:26:28,439 --> 01:26:27,010
this a bit I haven't gone into it much

2038
01:26:30,329 --> 01:26:28,449

but I just wonder what's out there but I

2039

01:26:33,149 --> 01:26:30,339

think it's multi-generational because

2040

01:26:34,770 --> 01:26:33,159

when I did my genealogy I had like three

2041

01:26:37,229 --> 01:26:34,780

or four partners that all were related

2042

01:26:39,540 --> 01:26:37,239

to presidents oh very interesting yeah

2043

01:26:41,219 --> 01:26:39,550

yeah I'm related to all the stewards

2044

01:26:42,869 --> 01:26:41,229

back in England I didn't even know that

2045

01:26:47,279 --> 01:26:42,879

till two years ago my boyfriend was

2046

01:26:49,770 --> 01:26:47,289

Jason Stewart this is very interesting

2047

01:26:51,179 --> 01:26:49,780

yeah yeah and you know look at the

2048

01:26:56,579 --> 01:26:51,189

people of my family all look like the

2049

01:26:59,429 --> 01:26:56,589

Queen when we all get old exactly yeah

2050

01:27:02,069 --> 01:26:59,439

and then maybe the only other thing

2051
01:27:04,679 --> 01:27:02,079
about the eighty and the hybrid is

2052
01:27:08,159 --> 01:27:04,689
there's hybrids being born like I said

2053
01:27:11,630 --> 01:27:08,169
my grand son now you know who it is my

2054
01:27:17,550 --> 01:27:15,420
but you know what he's fabulous he's in

2055
01:27:18,240 --> 01:27:17,560
the most amazing kid he's really really

2056
01:27:22,110 --> 01:27:18,250
smart

2057
01:27:26,520 --> 01:27:22,120
I mean yeah yes and yes he's fabulous

2058
01:27:28,980 --> 01:27:26,530
and he's doing great and but I want to

2059
01:27:30,660 --> 01:27:28,990
say about that is I think it's really

2060
01:27:33,570 --> 01:27:30,670
cool if what they're doing is making

2061
01:27:35,190 --> 01:27:33,580
children like your grandson and they are

2062
01:27:38,040 --> 01:27:35,200
the product that's gonna run this world

2063
01:27:40,740 --> 01:27:38,050

in the future more kudos to them because

2064

01:27:44,940 --> 01:27:40,750

they're so brilliant so loving so caring

2065

01:27:47,340 --> 01:27:44,950

so empathic very they they know when

2066

01:27:50,160 --> 01:27:47,350

people are lying to them right up front

2067

01:27:52,710 --> 01:27:50,170

there's no there's no you can't lie to

2068

01:27:55,230 --> 01:27:52,720

these kids no you can't pull this

2069

01:27:56,400 --> 01:27:55,240

demonic control on these kids they're

2070

01:27:58,080 --> 01:27:56,410

not they're gonna see right through it

2071

01:28:00,900 --> 01:27:58,090

they're not gonna allow it to happen and

2072

01:28:02,190 --> 01:28:00,910

this is really if this is what we're

2073

01:28:04,710 --> 01:28:02,200

heading to and this is what they've been

2074

01:28:07,110 --> 01:28:04,720

trying to build here on this planet then

2075

01:28:08,970 --> 01:28:07,120

I got a bless these aliens for having

2076
01:28:11,510 --> 01:28:08,980
done it you know if that's the end game

2077
01:28:14,490 --> 01:28:11,520
and I believe that it is because I

2078
01:28:17,130 --> 01:28:14,500
communicate with many races galactically

2079
01:28:19,740 --> 01:28:17,140
eclectic light language and so I hear

2080
01:28:21,750 --> 01:28:19,750
them we talk back and forth and I've

2081
01:28:23,490 --> 01:28:21,760
been told several times in several

2082
01:28:26,100 --> 01:28:23,500
different ways that we are the bridge

2083
01:28:29,130 --> 01:28:26,110
between your planet your civilization

2084
01:28:32,820 --> 01:28:29,140
and our civilization and we are here to

2085
01:28:36,060 --> 01:28:32,830
make things better we're here to stop

2086
01:28:37,500 --> 01:28:36,070
the wars we're here to stop the hate to

2087
01:28:39,900 --> 01:28:37,510
stop the judgmental to stop the

2088
01:28:41,790 --> 01:28:39,910

prejudice they're here for that and if

2089

01:28:44,940 --> 01:28:41,800

all you have to do is be around these

2090

01:28:46,470 --> 01:28:44,950

wonderful star children these hybrids to

2091

01:28:49,710 --> 01:28:46,480

see that there they really don't

2092

01:28:51,570 --> 01:28:49,720

understand being people being mean to

2093

01:28:54,210 --> 01:28:51,580

each other they don't get it if they

2094

01:28:55,830 --> 01:28:54,220

don't even see black white or yellow or

2095

01:28:57,450 --> 01:28:55,840

anything they didn't care they do not

2096

01:29:00,990 --> 01:28:57,460

know not they don't care they don't care

2097

01:29:02,730 --> 01:29:01,000

so and and the grace have said that to

2098

01:29:04,980 --> 01:29:02,740

me that that's one of the reasons

2099

01:29:06,810 --> 01:29:04,990

they're here is is to race and I do

2100

01:29:08,580 --> 01:29:06,820

believe that they're here for raising

2101
01:29:10,890 --> 01:29:08,590
the consciousness and this is how

2102
01:29:13,140 --> 01:29:10,900
they're doing it yeah I mean we may be

2103
01:29:14,430 --> 01:29:13,150
the last generation and not us in

2104
01:29:16,350 --> 01:29:14,440
particular because everybody in this

2105
01:29:18,990 --> 01:29:16,360
room is very old way awake and aware as

2106
01:29:21,600 --> 01:29:19,000
I put it but you look around like you

2107
01:29:23,310 --> 01:29:21,610
know just all these people if like I

2108
01:29:24,780 --> 01:29:23,320
said this planet's gonna change gonna be

2109
01:29:26,670 --> 01:29:24,790
a whole new DNA brought in

2110
01:29:28,140 --> 01:29:26,680
and within a hundred years there's not

2111
01:29:30,210 --> 01:29:28,150
going to be Wars there's not going to be

2112
01:29:32,430 --> 01:29:30,220
what you know pollution there's not

2113
01:29:34,620 --> 01:29:32,440

going to be whatever it is because these

2114

01:29:36,360 --> 01:29:34,630

people these children that are five

2115

01:29:37,979 --> 01:29:36,370

years old ten years old right now are

2116

01:29:38,640 --> 01:29:37,989

not going to tolerate it it's just not

2117

01:29:41,640 --> 01:29:38,650

going to happen

2118

01:29:44,580 --> 01:29:41,650

I believe the millennion children may be

2119

01:29:47,580 --> 01:29:44,590

some of the ones that they tried this

2120

01:29:53,130 --> 01:29:47,590

artificial stuff on I'm sorry but say

2121

01:29:54,930 --> 01:29:53,140

they are so artificial so I really think

2122

01:29:56,940 --> 01:29:54,940

that and so they you know they make

2123

01:29:59,040 --> 01:29:56,950

mistakes too so I think that they tried

2124

01:30:01,020 --> 01:29:59,050

that artificial route and now they

2125

01:30:03,770 --> 01:30:01,030

realize we have to go back to the

2126
01:30:08,280 --> 01:30:03,780
emotional the love the consciousness the

2127
01:30:10,770 --> 01:30:08,290
organic ya system that actually the DNA

2128
01:30:13,020 --> 01:30:10,780
and that's why I think is Tana you're

2129
01:30:15,390 --> 01:30:13,030
younger and you you're having these kids

2130
01:30:18,360 --> 01:30:15,400
now these hybrid kids but they gave you

2131
01:30:22,080 --> 01:30:18,370
a very nice experience right well you

2132
01:30:24,780 --> 01:30:22,090
had them so there you go yeah and you

2133
01:30:27,000 --> 01:30:24,790
know it's really interesting I'm a

2134
01:30:29,340 --> 01:30:27,010
bisexual woman and I was married to

2135
01:30:31,260 --> 01:30:29,350
we're coming out tonight well there's

2136
01:30:33,900 --> 01:30:31,270
there's a point to this there's a point

2137
01:30:36,660 --> 01:30:33,910
to this I was married to a woman for

2138
01:30:39,900 --> 01:30:36,670

almost ten years and through I mean this

2139

01:30:41,490 --> 01:30:39,910

is a large span of where contact was

2140

01:30:44,130 --> 01:30:41,500

taking place and when you talk about a

2141

01:30:45,570 --> 01:30:44,140

woman who is having contact involved

2142

01:30:47,970 --> 01:30:45,580

with the hybrid program and is not

2143

01:30:50,310 --> 01:30:47,980

really making babies or having a

2144

01:30:53,520 --> 01:30:50,320

particular kind of mating ritual that

2145

01:30:55,560 --> 01:30:53,530

would produce physical babies then it's

2146

01:30:59,160 --> 01:30:55,570

interesting it throws a different

2147

01:31:00,660 --> 01:30:59,170

curveball into this right so um I don't

2148

01:31:03,120 --> 01:31:00,670

know just on the baby subject there's

2149

01:31:05,250 --> 01:31:03,130

just so much but where do you want to

2150

01:31:07,680 --> 01:31:05,260

take an X Laurie it's interesting you

2151
01:31:09,840 --> 01:31:07,690
set that because that may be why they

2152
01:31:12,270 --> 01:31:09,850
gave you all of the pleasure while

2153
01:31:14,220 --> 01:31:12,280
you're doing the kids it having the kids

2154
01:31:16,740 --> 01:31:14,230
conceiving the kids because you didn't

2155
01:31:19,170 --> 01:31:16,750
have a man to be there doing that kind

2156
01:31:21,210 --> 01:31:19,180
of thing they thought you see maybe they

2157
01:31:23,280 --> 01:31:21,220
don't understand women having

2158
01:31:25,440 --> 01:31:23,290
relationships with women and I could I

2159
01:31:28,020 --> 01:31:25,450
get that they could barely understand us

2160
01:31:30,240 --> 01:31:28,030
having relationships with men you know

2161
01:31:32,700 --> 01:31:30,250
so this must be a little curveball for

2162
01:31:34,709 --> 01:31:32,710
the et little dudes because I mean I

2163
01:31:36,170 --> 01:31:34,719

know they're confused about everything

2164

01:31:38,360 --> 01:31:36,180

we do

2165

01:31:41,630 --> 01:31:38,370

that way he was a really better project

2166

01:31:42,590 --> 01:31:41,640

I've always been a bit of a project but

2167

01:31:44,900 --> 01:31:42,600

you know one of the things I was

2168

01:31:47,210 --> 01:31:44,910

interested in and my body did you know

2169

01:31:49,340 --> 01:31:47,220

during this this time where contact was

2170

01:31:54,290 --> 01:31:49,350

really taking place more heavily and

2171

01:31:57,770 --> 01:31:54,300

hybrid relations and what a t-mike

2172

01:32:00,290 --> 01:31:57,780

MetroPCS in the iPhone se for \$0 on a

2173

01:32:04,070 --> 01:32:00,300

network that covers 99% of people in the

2174

01:32:06,500 --> 01:32:04,080

u.s. holy impressive play with the best

2175

01:32:09,320 --> 01:32:06,510

switch to metro pcs and an unlimited LTE

2176
01:32:11,720 --> 01:32:09,330
plan and get a 32 gig iPhone se for \$0

2177
01:32:13,100 --> 01:32:11,730
metro pcs covers not available in some

2178
01:32:14,660 --> 01:32:13,110
areas plus sales tax claim based on

2179
01:32:15,500 --> 01:32:14,670
talking text not valid or active numbers

2180
01:32:17,270 --> 01:32:15,510
currently on the t-mobile network

2181
01:32:18,680 --> 01:32:17,280
directive on metro pcs in the past 90

2182
01:32:22,270 --> 01:32:18,690
days see store for details in terms

2183
01:32:25,610 --> 01:32:22,280
conditions then you know kind of contact

2184
01:32:28,160 --> 01:32:25,620
you know I often wondered is this my

2185
01:32:30,350 --> 01:32:28,170
physical body going through the process

2186
01:32:33,620 --> 01:32:30,360
or do I have like a little for lack of a

2187
01:32:35,150 --> 01:32:33,630
better term astral baby in in the area

2188
01:32:37,340 --> 01:32:35,160

it's because I don't know is really

2189

01:32:41,740 --> 01:32:37,350

interesting because my body was having

2190

01:32:45,050 --> 01:32:41,750

specific reactions you know I would skip

2191

01:32:47,630 --> 01:32:45,060

you know rhythms and cycles and I had a

2192

01:32:49,880 --> 01:32:47,640

point a point where you know my breasts

2193

01:32:52,160 --> 01:32:49,890

started lactating and so I had all these

2194

01:32:55,340 --> 01:32:52,170

physical type symptoms but in a lot of

2195

01:32:57,110 --> 01:32:55,350

my contact I was I was really brought up

2196

01:32:59,480 --> 01:32:57,120

to speed quite a bit on what was

2197

01:33:01,790 --> 01:32:59,490

happening to my body and what I was

2198

01:33:04,070 --> 01:33:01,800

being put through and so I put through

2199

01:33:06,020 --> 01:33:04,080

sounds- it really wasn't that bad and

2200

01:33:08,270 --> 01:33:06,030

and as a matter of fact I actually feel

2201

01:33:09,440 --> 01:33:08,280

like I'm playing an important role

2202

01:33:11,600 --> 01:33:09,450

because I've always felt that they've

2203

01:33:13,640 --> 01:33:11,610

treated me with value and and like I was

2204

01:33:16,850 --> 01:33:13,650

an asset and I've always been cared for

2205

01:33:19,040 --> 01:33:16,860

and and in some cases very much like

2206

01:33:20,660 --> 01:33:19,050

taking the dog to the vet you get a

2207

01:33:21,620 --> 01:33:20,670

sense that that I don't understand

2208

01:33:23,690 --> 01:33:21,630

what's going on around me and I'm

2209

01:33:26,570 --> 01:33:23,700

freaked out but at the same time they're

2210

01:33:28,700 --> 01:33:26,580

like it's okay and if you connect on a

2211

01:33:30,860 --> 01:33:28,710

heart level and you go okay I really do

2212

01:33:32,600 --> 01:33:30,870

feel okay I just AM freaked out cuz I

2213

01:33:34,310 --> 01:33:32,610

don't understand what's happening so

2214

01:33:36,350 --> 01:33:34,320

okay I'm good to go

2215

01:33:38,150 --> 01:33:36,360

I'll be okay I'm just gonna sit over

2216

01:33:40,220 --> 01:33:38,160

here just tell me if there's something I

2217

01:33:43,130 --> 01:33:40,230

need to know you know and so that would

2218

01:33:47,480 --> 01:33:43,140

happen but long story short during my

2219

01:33:49,969 --> 01:33:47,490

contact I have wondered if if there was

2220

01:33:51,890 --> 01:33:49,979

an aspect of this that was taking place

2221

01:33:54,109 --> 01:33:51,900

an energetic level because as they were

2222

01:33:56,600 --> 01:33:54,119

bringing me up to speed they would tell

2223

01:33:59,029 --> 01:33:56,610

me time periods like there was literally

2224

01:34:03,350 --> 01:33:59,039

one contact experience where I was shown

2225

01:34:07,370 --> 01:34:03,360

different kinds of fetuses or eggs and

2226

01:34:09,020 --> 01:34:07,380

or whatever and they even you know

2227

01:34:11,689 --> 01:34:09,030

showed me the process of how they go

2228

01:34:13,580 --> 01:34:11,699

about choosing and matching up with with

2229

01:34:18,439 --> 01:34:13,590

women that will you know hold some sort

2230

01:34:21,979 --> 01:34:18,449

of gestation role okay so were you able

2231

01:34:24,049 --> 01:34:21,989

to hold this goes from Missha to we can

2232

01:34:26,199 --> 01:34:24,059

did you hold the baby in your body for

2233

01:34:28,669 --> 01:34:26,209

any length of time was it only six weeks

2234

01:34:31,129 --> 01:34:28,679

basically that's really about the only

2235

01:34:33,379 --> 01:34:31,139

there was the one time where I believe

2236

01:34:35,209 --> 01:34:33,389

at one time where I believe where they

2237

01:34:36,739 --> 01:34:35,219

actually did the delivery that was the

2238

01:34:38,830 --> 01:34:36,749

closest thing to delivery I would say

2239

01:34:41,989 --> 01:34:38,840

that was that would have probably been

2240

01:34:43,910 --> 01:34:41,999

14 weeks I think yeah and they would

2241

01:34:45,770 --> 01:34:43,920

take them before I would even miss a

2242

01:34:47,870 --> 01:34:45,780

period but I would have I would have

2243

01:34:50,390 --> 01:34:47,880

full recollection recollection of them

2244

01:34:52,219 --> 01:34:50,400

taking it because at one point in my

2245

01:34:54,859 --> 01:34:52,229

life I was trying to get pregnant white

2246

01:34:56,899 --> 01:34:54,869

husband and so I was doing the nightly

2247

01:34:59,149 --> 01:34:56,909

check where you take your thermometer

2248

01:35:03,469 --> 01:34:59,159

and you knew you know when you and they

2249

01:35:05,299 --> 01:35:03,479

would come all the time and I would come

2250

01:35:08,299 --> 01:35:05,309

back and - fighting with them no you're

2251
01:35:10,219 --> 01:35:08,309
not gonna have this alive they never let

2252
01:35:12,410 --> 01:35:10,229
me have a life birth but I could tell

2253
01:35:14,209 --> 01:35:12,420
when I got pregnant because there's a

2254
01:35:18,229 --> 01:35:14,219
feeling I mean even pregnant

2255
01:35:20,449 --> 01:35:18,239
yeah you know no I could tell that night

2256
01:35:22,370 --> 01:35:20,459
sometimes yeah oh my goodness when

2257
01:35:26,870 --> 01:35:22,380
you're watching the little energy go

2258
01:35:29,689 --> 01:35:26,880
into your body yeah idea there's a

2259
01:35:32,899 --> 01:35:29,699
little soul covered in here so I've had

2260
01:35:36,379 --> 01:35:32,909
lots of pregnancies but never any missed

2261
01:35:38,390 --> 01:35:36,389
periods or live births okay see what's

2262
01:35:42,469 --> 01:35:38,400
interesting about the timeframe with me

2263
01:35:44,419 --> 01:35:42,479

is I have been at least shown that there

2264

01:35:46,969 --> 01:35:44,429

are processes that can go up to three

2265

01:35:50,060 --> 01:35:46,979

months and what is very interesting is I

2266

01:35:52,850 --> 01:35:50,070

feel that I have more experience with

2267

01:35:55,129 --> 01:35:52,860

three not they said really not usually

2268

01:35:57,620 --> 01:35:55,139

four mostly three but four does happen

2269

01:35:59,569 --> 01:35:57,630

they said but not like me before full

2270

01:36:02,990 --> 01:35:59,579

months it really said it goes up to

2271

01:36:05,510 --> 01:36:03,000

three and I felt when I what I would

2272

01:36:07,250 --> 01:36:05,520

Oh like three months on two months three

2273

01:36:08,600 --> 01:36:07,260

months off three months on two months

2274

01:36:11,210 --> 01:36:08,610

three months off I mean it really felt

2275

01:36:13,250 --> 01:36:11,220

like it had a bit of a pattern and I

2276

01:36:15,590 --> 01:36:13,260

would have it yet either a recollection

2277

01:36:18,020 --> 01:36:15,600

of a contact experience I'd wake up and

2278

01:36:19,700 --> 01:36:18,030

I would you know remember and recall or

2279

01:36:22,370 --> 01:36:19,710

some days I wouldn't it and I would just

2280

01:36:24,200 --> 01:36:22,380

wake up and I would go oh I'm not alone

2281

01:36:25,370 --> 01:36:24,210

and it's like you know how when you have

2282

01:36:27,320 --> 01:36:25,380

those dreams you know it's completely

2283

01:36:30,290 --> 01:36:27,330

not et related but let's say someone

2284

01:36:31,970 --> 01:36:30,300

who's past comes and contacts you in a

2285

01:36:33,560 --> 01:36:31,980

dream and and all of a sudden you're in

2286

01:36:35,270 --> 01:36:33,570

your dream world and you're like oh do

2287

01:36:36,970 --> 01:36:35,280

to do to do regular dream business and

2288

01:36:40,160 --> 01:36:36,980

then you're all oh I'm not alone right

2289

01:36:42,080 --> 01:36:40,170

the same feeling happens I think in well

2290

01:36:45,860 --> 01:36:42,090

for me in my body I would I would be

2291

01:36:47,570 --> 01:36:45,870

very aware of something here you know no

2292

01:36:50,690 --> 01:36:47,580

I'm pointing to my stomach it's like I I

2293

01:36:52,400 --> 01:36:50,700

just I was not alone and so I would have

2294

01:36:54,680 --> 01:36:52,410

this feeling for up to three months and

2295

01:36:57,290 --> 01:36:54,690

then all of a sudden either either

2296

01:36:58,700 --> 01:36:57,300

memory-related or otherwise sometimes I

2297

01:37:01,430 --> 01:36:58,710

would just wake up and know oh

2298

01:37:04,190 --> 01:37:01,440

I'm alone again I'm alone and sometimes

2299

01:37:07,010 --> 01:37:04,200

it would be associated with some sort of

2300

01:37:09,620 --> 01:37:07,020

retrieval process and sometimes it

2301
01:37:12,260 --> 01:37:09,630
wasn't but I did always have a sense and

2302
01:37:13,490 --> 01:37:12,270
4-month for me it was mostly three

2303
01:37:16,070 --> 01:37:13,500
months on three months off it really

2304
01:37:19,010 --> 01:37:16,080
felt like that yeah did they tell you

2305
01:37:21,680 --> 01:37:19,020
how many kids you've got I have only met

2306
01:37:26,420 --> 01:37:21,690
one child and it was a baby and it was

2307
01:37:29,810 --> 01:37:26,430
seemed very mmm it's like a baby boy and

2308
01:37:33,110 --> 01:37:29,820
it looked very gray although I've had

2309
01:37:36,020 --> 01:37:33,120
images in my mind come of a gray kind of

2310
01:37:38,750 --> 01:37:36,030
girl which it's interesting because when

2311
01:37:40,610 --> 01:37:38,760
I tuned into her in my memory and kind

2312
01:37:43,790 --> 01:37:40,620
of recall her and think of her I get a

2313
01:37:45,200 --> 01:37:43,800

sense of like ethnicity or foreignness

2314

01:37:47,360 --> 01:37:45,210

almost like she doesn't speak my

2315

01:37:49,730 --> 01:37:47,370

language and so I don't ever feel like I

2316

01:37:51,710 --> 01:37:49,740

can intuitively connect and converse

2317

01:37:54,050 --> 01:37:51,720

with that and the baby just has always

2318

01:37:56,690 --> 01:37:54,060

felt too young to really converse with

2319

01:37:58,580 --> 01:37:56,700

because this is I mean I'm I'm 36 so I

2320

01:38:00,020 --> 01:37:58,590

haven't had a chance to have you know if

2321

01:38:03,110 --> 01:38:00,030

I have children I they haven't probably

2322

01:38:04,850 --> 01:38:03,120

grown up very much yet so um I mean I'm

2323

01:38:07,370 --> 01:38:04,860

looking forward to hopefully meeting any

2324

01:38:09,920 --> 01:38:07,380

of them like Melinda and she met hers

2325

01:38:12,080 --> 01:38:09,930

and it was older yeah yeah so I'm

2326
01:38:16,220 --> 01:38:12,090
assuming that may happen I would like

2327
01:38:19,910 --> 01:38:16,230
that to happen yeah yeah

2328
01:38:23,080 --> 01:38:19,920
oh oh absolutely not not all of them

2329
01:38:26,390 --> 01:38:23,090
have been presented to me one I've had

2330
01:38:30,620 --> 01:38:26,400
five twenty one two three four six six

2331
01:38:31,940 --> 01:38:30,630
presented me but one time I was in the

2332
01:38:33,680 --> 01:38:31,950
nursery and there were all these

2333
01:38:35,750 --> 01:38:33,690
children around from all different ages

2334
01:38:37,850 --> 01:38:35,760
there was even adult looking like maybe

2335
01:38:42,410 --> 01:38:37,860
sixteen seventeen year olds something

2336
01:38:44,900 --> 01:38:42,420
like that and I said to the mother of

2337
01:38:49,010 --> 01:38:44,910
the nurse guarantee they care take care

2338
01:38:50,590 --> 01:38:49,020

I said which one is mine and she

2339

01:38:53,900 --> 01:38:50,600

telepathic Adomian

2340

01:38:56,000 --> 01:38:53,910

they all are so that's how I knew and

2341

01:38:57,650 --> 01:38:56,010

approximately there seventeen or so but

2342

01:38:59,209 --> 01:38:57,660

that is a number that has been confirmed

2343

01:39:01,040 --> 01:38:59,219

to me and it's something else I found

2344

01:39:04,490 --> 01:39:01,050

because I've done a lot of research in

2345

01:39:06,800 --> 01:39:04,500

this is that so many many many women

2346

01:39:10,550 --> 01:39:06,810

that have the hybrid or in the hybrid

2347

01:39:12,140 --> 01:39:10,560

program are either we have never been

2348

01:39:15,350 --> 01:39:12,150

able to have children in this lifetime

2349

01:39:20,570 --> 01:39:15,360

and they are shown there are many

2350

01:39:23,690 --> 01:39:20,580

children or they were like like her like

2351

01:39:25,130 --> 01:39:23,700

the Janet and myself who are our

2352

01:39:26,750 --> 01:39:25,140

husbands we were trying to get pregnant

2353

01:39:28,850 --> 01:39:26,760

and we couldn't we kept having

2354

01:39:31,280 --> 01:39:28,860

miscarriage of miscarriage so we we find

2355

01:39:33,680 --> 01:39:31,290

that a lot - but you've had a couple

2356

01:39:35,870 --> 01:39:33,690

kids up since then with a second or

2357

01:39:37,670 --> 01:39:35,880

third husband is that correct or well

2358

01:39:44,240 --> 01:39:37,680

and you we can't call that first when a

2359

01:39:47,240 --> 01:39:44,250

husband okay yes kidnapping a husband no

2360

01:39:50,479 --> 01:39:47,250

no no but my second husband I had - yeah

2361

01:39:52,370 --> 01:39:50,489

- it took us four years of these other

2362

01:39:54,440 --> 01:39:52,380

things and then of course after that I

2363

01:40:02,050 --> 01:39:54,450

kept having so we thought we were going

2364

01:40:04,370 --> 01:40:02,060

to be having more kids but tell us about

2365

01:40:05,990 --> 01:40:04,380

okay Melinda's coming over to the hot

2366

01:40:08,000 --> 01:40:06,000

seat she's game she's dying to tell me

2367

01:40:10,100 --> 01:40:08,010

something well we're saying women women

2368

01:40:13,610 --> 01:40:10,110

women here and this is also very common

2369

01:40:15,770 --> 01:40:13,620

for men in abductions that oh that's

2370

01:40:17,900 --> 01:40:15,780

right the presentation of the kids I

2371

01:40:19,760 --> 01:40:17,910

forgot hybrid presentations happen to

2372

01:40:23,090 --> 01:40:19,770

men they they're taking their sperm and

2373

01:40:25,160 --> 01:40:23,100

creating hybrids one that comes to mind

2374

01:40:27,709 --> 01:40:25,170

right away is famous abdic T Jesse long

2375

01:40:29,069 --> 01:40:27,719

that's had 12 presentations including a

2376

01:40:32,040 --> 01:40:29,079

very powerful experience with

2377

01:40:34,770 --> 01:40:32,050

his hybrids dying and for his sake they

2378

01:40:38,430 --> 01:40:34,780

had like a funeral for it or service

2379

01:40:40,379 --> 01:40:38,440

that they had him there for and and they

2380

01:40:42,689 --> 01:40:40,389

did this whole like thing where you know

2381

01:40:44,609 --> 01:40:42,699

they wanted him to be a part of that for

2382

01:40:48,080 --> 01:40:44,619

some reason you know closure on his part

2383

01:40:51,479 --> 01:40:48,090

or whatever but but he's had 12 specific

2384

01:40:56,010 --> 01:40:51,489

presentations that's the most I've heard

2385

01:40:59,129 --> 01:40:56,020

with a guy I know one woman who's pretty

2386

01:41:00,959 --> 01:40:59,139

sure now she in life she has like 10

2387

01:41:03,330 --> 01:41:00,969

kids and she thinks she's had like 18

2388

01:41:05,430 --> 01:41:03,340

presentations and you know and that's

2389

01:41:08,250 --> 01:41:05,440

the most I'd heard of prior to her the

2390

01:41:09,510 --> 01:41:08,260

most I'd heard was Jessie with 12 but

2391

01:41:12,479 --> 01:41:09,520

you know there's probably other abdic

2392

01:41:14,580 --> 01:41:12,489

T's that have had Tim Whitley yeah I've

2393

01:41:16,200 --> 01:41:14,590

heard larger numbers myself did Willie

2394

01:41:19,530 --> 01:41:16,210

ever have any kids

2395

01:41:20,819 --> 01:41:19,540

do you remember whether he's had

2396

01:41:23,010 --> 01:41:20,829

presentations humane hybrid

2397

01:41:26,580 --> 01:41:23,020

presentations um I'm trying to think

2398

01:41:32,250 --> 01:41:26,590

about that I think so I think so I'd

2399

01:41:35,220 --> 01:41:32,260

have to think back yeah yeah I think so

2400

01:41:38,669 --> 01:41:35,230

I think so I think so they said yeah but

2401

01:41:42,000 --> 01:41:38,679

it is but the point is it's a granny do

2402

01:41:44,129 --> 01:41:42,010

you hear it more from the women because

2403

01:41:46,080 --> 01:41:44,139

there often is a thing where they want

2404

01:41:48,540 --> 01:41:46,090

you to hold the baby love the baby like

2405

01:41:50,549 --> 01:41:48,550

bond you know and it's a motherly thing

2406

01:41:53,459 --> 01:41:50,559

I think that they're going for more than

2407

01:41:54,870 --> 01:41:53,469

what the men but but I just wanted

2408

01:41:56,370 --> 01:41:54,880

jumping because we kept talking about

2409

01:41:58,859 --> 01:41:56,380

women I thought I just want to throw my

2410

01:42:00,839 --> 01:41:58,869

mic turns that sense into the ring you

2411

01:42:07,200 --> 01:42:00,849

know hear that we haven't even sense

2412

01:42:08,760 --> 01:42:07,210

trouble you know but but that that there

2413

01:42:11,220 --> 01:42:08,770

were you know men having hybrid

2414

01:42:12,930 --> 01:42:11,230

presentations to did and Sherman ever

2415

01:42:15,000 --> 01:42:12,940

have any hybrid presentations to you

2416

01:42:17,040 --> 01:42:15,010

guys now do you remember

2417

01:42:18,870 --> 01:42:17,050

I know you see you know see this dates

2418

01:42:20,520 --> 01:42:18,880

us because we're sitting here and we're

2419

01:42:25,080 --> 01:42:20,530

all like running through all these names

2420

01:42:26,700 --> 01:42:25,090

you've had oh I got a producer you're

2421

01:42:28,350 --> 01:42:26,710

actually giving me a countdown on time

2422

01:42:31,560 --> 01:42:28,360

on the show was just wonderful because I

2423

01:42:33,810 --> 01:42:31,570

would never know you know but it's very

2424

01:42:36,180 --> 01:42:33,820

interesting because we've all been

2425

01:42:37,830 --> 01:42:36,190

around in the community long enough to

2426

01:42:39,120 --> 01:42:37,840

remember like we're throwing out names

2427

01:42:40,770 --> 01:42:39,130

now and then we're all trying to rack

2428

01:42:41,790 --> 01:42:40,780

our brains did they ever have kids

2429

01:42:43,200 --> 01:42:41,800

presented to them

2430

01:42:44,850 --> 01:42:43,210

and it's one of those things that if you

2431

01:42:46,380 --> 01:42:44,860

think about it a lot of the big-name

2432

01:42:49,020 --> 01:42:46,390

people that are contact these and

2433

01:42:50,460 --> 01:42:49,030

abductees don't talk about too much you

2434

01:42:52,410 --> 01:42:50,470

know they don't I don't know if they

2435

01:42:53,940 --> 01:42:52,420

just don't want to talk about it or

2436

01:42:55,260 --> 01:42:53,950

they're afraid to talk about it or what

2437

01:43:00,830 --> 01:42:55,270

they think people don't think of them

2438

01:43:04,140 --> 01:43:00,840

yeah well no no I must the well-known

2439

01:43:06,570 --> 01:43:04,150

abduction cases over the last 30 years

2440

01:43:08,100 --> 01:43:06,580

have have I mean this is so common that

2441

01:43:11,670 --> 01:43:08,110

all abject ease haven't those well-known

2442

01:43:15,990 --> 01:43:11,680

cases have it too you know I mean I mean

2443

01:43:18,090 --> 01:43:16,000

Kim Carlsberg comes to mind but

2444

01:43:19,380 --> 01:43:18,100

everybody just assume it's everybody I

2445

01:43:19,920 --> 01:43:19,390

mean need to go back to Betty and Barney

2446

01:43:21,870 --> 01:43:19,930

Hill

2447

01:43:23,550 --> 01:43:21,880

they took sperm sperm from Barney and

2448

01:43:25,440 --> 01:43:23,560

they gave her what she called a

2449

01:43:27,060 --> 01:43:25,450

pregnancy test that they but it was

2450

01:43:28,650 --> 01:43:27,070

actually probably taking of ovum when

2451

01:43:30,210 --> 01:43:28,660

she meaning Betty hill when she

2452

01:43:32,760 --> 01:43:30,220

explained the process and everyone goes

2453

01:43:34,020 --> 01:43:32,770

oh we know what that was at the time she

2454

01:43:35,160 --> 01:43:34,030

asked them what are you doing to me and

2455

01:43:36,600 --> 01:43:35,170

they said we're giving you a pregnancy

2456

01:43:37,830 --> 01:43:36,610

test but you know that was her

2457

01:43:39,420 --> 01:43:37,840

understanding back there but there you

2458

01:43:41,250 --> 01:43:39,430

go back to the hill case so this has

2459

01:43:44,400 --> 01:43:41,260

always been there it's but it's just so

2460

01:43:45,930 --> 01:43:44,410

common you guys it's why I think and I'm

2461

01:43:49,200 --> 01:43:45,940

part of a documentary being made for

2462

01:43:51,150 --> 01:43:49,210

this very reason it is why abductions

2463

01:43:53,580 --> 01:43:51,160

happen yes many things happen but it is

2464

01:43:56,070 --> 01:43:53,590

still still predominately about the

2465

01:43:57,540 --> 01:43:56,080

taking it over and from when sperm for

2466

01:43:59,880 --> 01:43:57,550

men in the production of hybrids it's

2467

01:44:01,920 --> 01:43:59,890

always been there yes other things

2468

01:44:04,710 --> 01:44:01,930

happen so at one time abduction research

2469

01:44:07,260 --> 01:44:04,720

was so focusing on that to the exclusion

2470

01:44:08,730 --> 01:44:07,270

while they are things that happen but

2471

01:44:10,140 --> 01:44:08,740

now I think it's more bounce or everyone

2472

01:44:12,390 --> 01:44:10,150

goes okay that's still there that's like

2473

01:44:13,950 --> 01:44:12,400

80 or 90% of all abduction cases but

2474

01:44:15,420 --> 01:44:13,960

then there's the present there's the

2475

01:44:18,030 --> 01:44:15,430

being shown technology in the earth

2476

01:44:19,800 --> 01:44:18,040

chair how do you fly the ship and how

2477

01:44:21,150 --> 01:44:19,810

you fly the ships you know there's so

2478

01:44:22,530 --> 01:44:21,160

many other things a downloading of

2479

01:44:25,110 --> 01:44:22,540

information and there's so many other

2480

01:44:27,900 --> 01:44:25,120

things that happen but but that doesn't

2481

01:44:30,330 --> 01:44:27,910

make this go away it's still there in 90

2482

01:44:32,460 --> 01:44:30,340

percent of the cases you know now is it

2483

01:44:33,660 --> 01:44:32,470

really 90 percent anymore I have a

2484

01:44:35,540 --> 01:44:33,670

feeling if you talk to the major

2485

01:44:39,780 --> 01:44:35,550

abduction researchers they would say

2486

01:44:42,780 --> 01:44:39,790

easily yeah because as far as I can tell

2487

01:44:45,110 --> 01:44:42,790

in the last two decades I thought it had

2488

01:44:47,850 --> 01:44:45,120

slowed down a bit oknot

2489

01:44:49,410 --> 01:44:47,860

Ray Fernandez has the figures but he's

2490

01:44:52,350 --> 01:44:49,420

got down

2491

01:44:56,220 --> 01:44:52,360

yeah we gotta ring any 500 go ahead okay

2492

01:44:58,320 --> 01:44:56,230

say one final thing that I had two

2493

01:45:00,900 --> 01:44:58,330

presentations but they clearly told me

2494

01:45:02,910 --> 01:45:00,910

is that they're not limited to just

2495

01:45:04,590 --> 01:45:02,920

taking your sperm and egg is producing

2496

01:45:07,170 --> 01:45:04,600

one baby why don't you they have your

2497

01:45:16,820 --> 01:45:07,180

genetic material they can make hundreds

2498

01:45:19,620 --> 01:45:16,830

of thousands of children no it's just

2499

01:45:22,020 --> 01:45:19,630

like I said I thought it'd slowed down

2500

01:45:24,170 --> 01:45:22,030

but Janet makes a very good point did

2501

01:45:28,050 --> 01:45:24,180

she say okay in my experience you groups

2502

01:45:30,570 --> 01:45:28,060

it is a daily occurrence one day that

2503

01:45:32,250 --> 01:45:30,580

people talk not just in fact I will have

2504

01:45:33,480 --> 01:45:32,260

women be sharing about their experience

2505

01:45:35,880 --> 01:45:33,490

sure and their pictures of Barry's

2506

01:45:38,730 --> 01:45:35,890

babies all the time and I'll even have

2507

01:45:40,470 --> 01:45:38,740

mental go I got that I got that I got

2508

01:45:44,040 --> 01:45:40,480

that they're starting to get braver and

2509

01:45:46,620 --> 01:45:44,050

braver yes it has been I got to say that

2510

01:45:48,690 --> 01:45:46,630

though the the taboo about the men

2511

01:45:54,300 --> 01:45:48,700

talking about it because they're usually

2512

01:45:55,950 --> 01:45:54,310

being you know cattle-prod didn't orgasm

2513

01:45:57,570 --> 01:45:55,960

and they don't ever like to talk about

2514

01:46:00,720 --> 01:45:57,580

it and well tell you what all the guys

2515

01:46:02,760 --> 01:46:00,730

I've talked to that have had it happened

2516

01:46:04,890 --> 01:46:02,770

to them even recently have said to me

2517

01:46:06,270 --> 01:46:04,900

when I see that little sucker next time

2518

01:46:07,680 --> 01:46:06,280

he's gonna get punched in the face I

2519

01:46:09,540 --> 01:46:07,690

mean none of them were ever happy about

2520

01:46:11,970 --> 01:46:09,550

it like I said earlier in the show

2521

01:46:15,300 --> 01:46:11,980

yeah they see this rape they do not see

2522

01:46:18,090 --> 01:46:15,310

it as something where it's acceptable to

2523

01:46:20,790 --> 01:46:18,100

them in their mind to live with even

2524

01:46:23,310 --> 01:46:20,800

when they're having the intercourse with

2525

01:46:24,420 --> 01:46:23,320

the alien safe the game they still don't

2526

01:46:27,000 --> 01:46:24,430

feel good about it

2527

01:46:29,340 --> 01:46:27,010

surprisingly surprisingly yeah you think

2528

01:46:31,470 --> 01:46:29,350

you think that you'd accept it you know

2529

01:46:33,420 --> 01:46:31,480

but I guess not women are just

2530

01:46:34,380 --> 01:46:33,430

conditioned to accept that type of thing

2531

01:46:36,870 --> 01:46:34,390

because that's what we are we're

2532

01:46:38,970 --> 01:46:36,880

nurtures we're baby makers we do that

2533

01:46:40,470 --> 01:46:38,980

you know whereas guys just don't get it

2534

01:46:43,050 --> 01:46:40,480

I guess so

2535

01:46:45,720 --> 01:46:43,060

if there's any man out there of course

2536

01:46:48,180 --> 01:46:45,730

women they want to talk about that that

2537

01:46:50,040 --> 01:46:48,190

star seed awakening et experience your

2538

01:46:51,990 --> 01:46:50,050

groups on Facebook so you could just

2539

01:46:57,390 --> 01:46:52,000

look at the events there twice a week

2540

01:47:00,810 --> 01:46:57,400

come and talk come and share be brave at

2541

01:47:03,120 --> 01:47:00,820

star seed awakening et experience your

2542

01:47:05,220 --> 01:47:03,130

group it's on face

2543

01:47:08,100 --> 01:47:05,230

just go through the events I have the

2544

01:47:14,640 --> 01:47:08,110

ads all the time every single week not

2545

01:47:16,230 --> 01:47:14,650

this week I'm here yes dear yeah you

2546

01:47:18,810 --> 01:47:16,240

have to come up and talk into the mic

2547

01:47:21,090 --> 01:47:18,820

okay well Robin wanted to say thanks to

2548

01:47:26,640 --> 01:47:21,100

everybody for sharing yeah

2549

01:47:28,410 --> 01:47:26,650

because by you sharing it brings things

2550

01:47:33,780 --> 01:47:28,420

back that we've actually experienced

2551

01:47:35,550 --> 01:47:33,790

that says yeah that did happen and so it

2552

01:47:39,210 --> 01:47:35,560

helps with the memory and it makes sense

2553

01:47:42,000 --> 01:47:39,220

more sense now yeah that's one of the

2554

01:47:43,740 --> 01:47:42,010

reasons I wanted to do this tonight yeah

2555

01:47:46,290 --> 01:47:43,750

wonderful thank you thank you for

2556

01:47:48,300 --> 01:47:46,300

thanking us because it did it took

2557

01:47:49,830 --> 01:47:48,310

bravery on every one of your parts this

2558

01:47:52,950 --> 01:47:49,840

is here tonight and talk about something

2559

01:47:54,510 --> 01:47:52,960

this personal and that's why I told you

2560

01:47:56,850 --> 01:47:54,520

guys out in the hallway I wanted to do a

2561

01:47:58,470 --> 01:47:56,860

woman's thing tonight and I had a kind

2562

01:47:59,850 --> 01:47:58,480

of an idea of where I wanted to go with

2563

01:48:03,990 --> 01:47:59,860

this is went a little further I thought

2564

01:48:11,790 --> 01:48:04,000

we'd go but it's good it's yeah a little

2565

01:48:13,770 --> 01:48:11,800

deeper as Robins later well anyhow but

2566

01:48:16,050 --> 01:48:13,780

the point to all this is folks

2567

01:48:17,700 --> 01:48:16,060

everybody's very brave here but and well

2568

01:48:19,380 --> 01:48:17,710

like Nisha said if you want to be braver

2569

01:48:21,300 --> 01:48:19,390

if you want to come out if you want to

2570

01:48:23,730 --> 01:48:21,310

talk about this to anybody she's got her

2571

01:48:26,070 --> 01:48:23,740

groups you can always email me through

2572

01:48:28,350 --> 01:48:26,080

my website Tana Newberry's got a website

2573

01:48:30,150 --> 01:48:28,360

you can email her Janet lessons got a

2574

01:48:30,750 --> 01:48:30,160

website you can find her just Google any

2575

01:48:32,820 --> 01:48:30,760

of our names

2576

01:48:34,740 --> 01:48:32,830

Melinda Leslie if you got mylabs

2577

01:48:37,350 --> 01:48:34,750

experiences going on where you're being

2578

01:48:39,600 --> 01:48:37,360

traumatized get a hold of Melinda just

2579

01:48:43,020 --> 01:48:39,610

hit the Google type in any of our names

2580

01:48:45,060 --> 01:48:43,030

and I'm sure that MJ and the guys that

2581

01:48:47,550 --> 01:48:45,070

the network will put up starseed awake

2582

01:48:49,470 --> 01:48:47,560

nina on the archives of this show and

2583

01:48:52,110 --> 01:48:49,480

you guys just get it reach out to

2584

01:48:54,540 --> 01:48:52,120

somebody even you know I always say this

2585

01:48:56,520 --> 01:48:54,550

if you've got to talk to somebody and

2586

01:48:58,830 --> 01:48:56,530

you're in a state that has a MUFON

2587

01:49:01,320 --> 01:48:58,840

meeting once a month get to the MUFON

2588

01:49:04,110 --> 01:49:01,330

meeting because chances are somebody

2589

01:49:07,350 --> 01:49:04,120

like me sure Melinda Tana Janet myself

2590

01:49:09,600 --> 01:49:07,360

will be at that meeting you're not alone

2591

01:49:11,910 --> 01:49:09,610

especially especially when it comes to

2592

01:49:13,740 --> 01:49:11,920

something this personal and it's very

2593

01:49:16,469 --> 01:49:13,750

hard for a lot of people to wrap their

2594

01:49:18,810 --> 01:49:16,479

head around it it really

2595

01:49:20,759 --> 01:49:18,820

and we get that and a lot of people been

2596

01:49:23,339 --> 01:49:20,769

in the research community a long time

2597

01:49:25,500 --> 01:49:23,349

and working behind the scenes we all

2598

01:49:27,870 --> 01:49:25,510

know it every single one of us know it

2599

01:49:30,180 --> 01:49:27,880

and we'll be the first person to say

2600

01:49:32,879 --> 01:49:30,190

open up tell the truth about what your

2601

01:49:35,850 --> 01:49:32,889

experience and once you talk about it it

2602

01:49:38,310 --> 01:49:35,860

just takes the edge off instantly and

2603

01:49:41,129 --> 01:49:38,320

you start you start remembering so much

2604

01:49:44,219 --> 01:49:41,139

more yeah oh absolutely the denial will

2605

01:49:47,370 --> 01:49:44,229

kill your remembrance altogether so

2606

01:49:50,310 --> 01:49:47,380

anyhow well god bless everybody and have

2607

01:49:51,959 --> 01:49:50,320

a great week out there and Oh next week

2608

01:49:54,540 --> 01:49:51,969

I have a very special show for you

2609

01:49:56,189 --> 01:49:54,550

melinda Leslie is going to be back we're

2610

01:49:59,160 --> 01:49:56,199

gonna be talking about to the stars

2611

01:50:01,799 --> 01:49:59,170

Academy what she's learned recently and

2612

01:50:05,310 --> 01:50:01,809

it's kind of up to the minute before you

2613

01:50:07,589 --> 01:50:05,320

fo con about what's developing with to

2614

01:50:09,660 --> 01:50:07,599

the stars and Melinda's just had a

2615

01:50:12,419 --> 01:50:09,670

little bit of an insider experience we

2616

01:50:14,459 --> 01:50:12,429

call it and cheeps promise me like the

2617

01:50:16,169 --> 01:50:14,469

first interview out the gate after Grant

2618

01:50:17,609 --> 01:50:16,179

and then after that she'll probably be

2619

01:50:22,049 --> 01:50:17,619

all over the news so probably the New

2620

01:50:23,939 --> 01:50:22,059

York Times for all I know but well she's

2621

01:50:25,560 --> 01:50:23,949

gonna be out there so and I hope you

2622

01:50:27,540 --> 01:50:25,570

guys listen to what she has to say

2623

01:50:29,790 --> 01:50:27,550

because she has very good insight onto

2624

01:50:32,160 --> 01:50:29,800

what to the stars Academy is doing Tom

2625

01:50:34,290 --> 01:50:32,170

DeLonge the whole gang so be with me

2626

01:50:36,930 --> 01:50:34,300

next week and then if you can come to

2627

01:50:40,589 --> 01:50:36,940

UFO Con in South San Francisco that see

2628

01:50:45,330 --> 01:50:40,599

a UFO con-com so we hope to see you

2629

01:50:48,810 --> 01:50:45,340

there what a matchup and what a t-mike

2630

01:50:51,330 --> 01:50:48,820

MetroPCS in the iPhone se for \$0 on a

2631

01:50:55,080 --> 01:50:51,340

network that covers 99% of people in the

2632

01:50:57,540 --> 01:50:55,090

US oho impressive play with the best

2633

01:51:00,359 --> 01:50:57,550

switch to metro pcs and an unlimited LTE

2634

01:51:02,729 --> 01:51:00,369

plan and get a 32 gig iPhone se for \$0

2635

01:51:04,109 --> 01:51:02,739

metro pcs covers not available in some

2636

01:51:05,669 --> 01:51:04,119

areas plus sales tax claim based on

2637

01:51:06,839 --> 01:51:05,679

talking text not now interactive numbers

2638

01:51:08,279 --> 01:51:06,849

currently on the t-mobile network are
