

UFO Headline News | Friday February 23rd, 2018

Listen on

inceptionradionetwork.com

1
00:00:06,619 --> 00:00:03,820

[Music]

2
00:00:08,780 --> 00:00:06,629

welcome welcome to UFO headline news

3
00:00:11,330 --> 00:00:08,790

with me Heidi Hollis works every day I

4
00:00:14,209 --> 00:00:11,340

aim to bring you the latest in UFO

5
00:00:18,310 --> 00:00:14,219

reports and other fascinating stories

6
00:00:22,429 --> 00:00:18,320

from around the globe today is Friday

7
00:00:24,620 --> 00:00:22,439

February 23rd 2018 and on Fridays

8
00:00:27,019 --> 00:00:24,630

tonight at 8:00 p.m. Central Standard

9
00:00:29,810 --> 00:00:27,029

Time join me on my talk show

10
00:00:31,490 --> 00:00:29,820

the Outlander where I answer your emails

11
00:00:34,400 --> 00:00:31,500

take your calls and interview some

12
00:00:37,130 --> 00:00:34,410

intriguing guests tonight I have Marie

13
00:00:40,220 --> 00:00:37,140

Dee Jones and we are gonna be speaking

14

00:00:43,520 --> 00:00:40,230

on one of her many books and just go to

15

00:00:48,560 --> 00:00:43,530

Heidi Hollis calm for more information

16

00:00:52,000 --> 00:00:48,570

and I are in chat calm to chat interact

17

00:00:55,220 --> 00:00:52,010

and listen live to the Outlander show

18

00:00:58,279 --> 00:00:55,230

blasting off with some UFO reports that

19

00:01:01,580 --> 00:00:58,289

I randomly grab and do not edit so I'm a

20

00:01:05,170 --> 00:01:01,590

trip flip and stutter because I'm trying

21

00:01:07,690 --> 00:01:05,180

to make sense of the English language

22

00:01:12,890 --> 00:01:07,700

[Music]

23

00:01:15,789 --> 00:01:12,900

okay anyways your sighting in Miami

24

00:01:20,060 --> 00:01:15,799

Florida this occurred February 2nd 2018

25

00:01:24,320 --> 00:01:20,070

this is a real deal they explain orbs

26
00:01:28,070 --> 00:01:24,330
disc and boomerang shapes coming 50 to

27
00:01:30,620 --> 00:01:28,080
60 at night past two weeks military

28
00:01:34,340 --> 00:01:30,630
choppers and boats as well we got a

29
00:01:36,640 --> 00:01:34,350
parade going on here this person says in

30
00:01:40,940 --> 00:01:36,650
more detail okay for the last two weeks

31
00:01:44,289 --> 00:01:40,950
Miami is being inundated with UFOs and

32
00:01:47,929 --> 00:01:44,299
many nights see coastguard choppers and

33
00:01:51,380 --> 00:01:47,939
helicopters with no lights buzzing the

34
00:01:54,530 --> 00:01:51,390
UFOs boats in Biscayne Bay with no

35
00:01:58,490 --> 00:01:54,540
lights and I've heard military jets

36
00:02:00,980 --> 00:01:58,500
multiple times I live on 33rd floor of a

37
00:02:03,590 --> 00:02:00,990
Miami high-rise and look straight north

38
00:02:06,010 --> 00:02:03,600

over Biscayne Bay with unobstructed

39

00:02:09,650 --> 00:02:06,020

views well that must be gorgeous

40

00:02:12,380 --> 00:02:09,660

starting two weeks ago or so we started

41

00:02:13,280 --> 00:02:12,390

seeing whitish orbs basically popping up

42

00:02:16,100 --> 00:02:13,290

in the sky

43

00:02:18,289 --> 00:02:16,110

out of nowhere for the past few days

44

00:02:20,809 --> 00:02:18,299

they are popping up further north and

45

00:02:24,320 --> 00:02:20,819

sometimes northeast over the ocean

46

00:02:27,680 --> 00:02:24,330

moving very slowly to about a hundred

47

00:02:29,449 --> 00:02:27,690

and fiftieth to 41st north and the

48

00:02:32,539 --> 00:02:29,459

middle of Biscayne Bay

49

00:02:34,630 --> 00:02:32,549

then they hover for five to thirty

50

00:02:36,920 --> 00:02:34,640

minutes at an altitude of approximately

51
00:02:39,680 --> 00:02:36,930
to the four thousand feet moving

52
00:02:41,809 --> 00:02:39,690
occasionally up or in other directions

53
00:02:44,059 --> 00:02:41,819
when commercial aircraft are coming

54
00:02:44,630 --> 00:02:44,069
their direction then going stationary

55
00:02:45,860 --> 00:02:44,640
again

56
00:02:48,440 --> 00:02:45,870
well at least they get out of the way

57
00:02:50,690 --> 00:02:48,450
right that's a good thing when they move

58
00:02:53,330 --> 00:02:50,700
out of view they start moving from

59
00:02:55,869 --> 00:02:53,340
hovering position to the west towards

60
00:02:59,449 --> 00:02:55,879
the city or south over my building and

61
00:03:02,599 --> 00:02:59,459
climbing sometimes very high then out of

62
00:03:07,250 --> 00:03:02,609
view I have a ton of video and still

63
00:03:09,050 --> 00:03:07,260

shots showing this and from directly

64

00:03:12,920 --> 00:03:09,060

underneath from underneath they show

65

00:03:14,990 --> 00:03:12,930

different structural make I'm sorry make

66

00:03:18,830 --> 00:03:15,000

up maybe three or four different types

67

00:03:21,979 --> 00:03:18,840

of disc tube boomerang and some other

68

00:03:25,129 --> 00:03:21,989

shapes I cannot discern never never do

69

00:03:28,039 --> 00:03:25,139

they make a sound completely silent they

70

00:03:31,909 --> 00:03:28,049

only make out at dusk or come out

71

00:03:34,460 --> 00:03:31,919

I said make out I'm seeing cross-eyed

72

00:03:36,680 --> 00:03:34,470

they only come out at dusk and continue

73

00:03:39,770 --> 00:03:36,690

throughout the night these are not

74

00:03:43,129 --> 00:03:39,780

lanterns as they hover then move in

75

00:03:44,990 --> 00:03:43,139

different directions other than with the

76

00:03:47,780 --> 00:03:45,000

wind and at times IG's egg out of

77

00:03:51,890 --> 00:03:47,790

commercial traffic sway not drones

78

00:03:54,289 --> 00:03:51,900

either whatever is going on is the real

79

00:03:59,300 --> 00:03:54,299

deal and needs to be investigated

80

00:04:01,970 --> 00:03:59,310

immediately 50 to 70 per night and only

81

00:04:05,300 --> 00:04:01,980

at night I'll send some video and stills

82

00:04:06,890 --> 00:04:05,310

but have much more if you need to see ok

83

00:04:10,220 --> 00:04:06,900

guys we gotta check this one out this is

84

00:04:13,939 --> 00:04:10,230

just too big of a juicy one right I am

85

00:04:17,719 --> 00:04:13,949

clicking let's see oh please let it be

86

00:04:20,150 --> 00:04:17,729

there Oh MUFON let you have left them

87

00:04:22,069 --> 00:04:20,160

over there's video ok ok ok ok do I

88

00:04:24,620 --> 00:04:22,079

choose the second one or the first one

89

00:04:31,080 --> 00:04:24,630

that's going to the first

90

00:04:31,740 --> 00:04:31,090

let's see he didn't play okay all right

91

00:04:46,950 --> 00:04:31,750

come on

92

00:04:48,600 --> 00:04:46,960

oh oh oh this guy and his wife are

93

00:04:55,409 --> 00:04:48,610

chatting about what it is that they're

94

00:05:02,059 --> 00:04:55,419

seeing oh my goodness you guys like this

95

00:05:12,029 --> 00:05:02,069

is pretty fantastic footage dot dot dot

96

00:05:14,879 --> 00:05:12,039

and more dots and the husband's like hey

97

00:05:18,059 --> 00:05:14,889

ah she want to see some UFOs come here

98

00:05:22,439 --> 00:05:18,069

knocking on his door on this kids door

99

00:05:24,059 --> 00:05:22,449

oh you guys you okay I have goose bumps

100

00:05:26,550 --> 00:05:24,069

you know and this is somebody that lives

101
00:05:30,420 --> 00:05:26,560
there and looks across the water all the

102
00:05:32,279 --> 00:05:30,430
time is able to discern if this is

103
00:05:34,909 --> 00:05:32,289
typical or not and you guys these aren't

104
00:05:38,249 --> 00:05:34,919
really kind of fantastic looking

105
00:05:41,520 --> 00:05:38,259
phenomena popping around something to

106
00:05:43,890 --> 00:05:41,530
check out UFO headline news calm I have

107
00:05:45,480 --> 00:05:43,900
the links there's a couple of videos I

108
00:05:47,820 --> 00:05:45,490
didn't see the second one but I just may

109
00:05:53,040 --> 00:05:47,830
have to dip and dab in it and take a

110
00:05:54,779 --> 00:05:53,050
feel alright coppaFeel UFO sighting in

111
00:05:57,360 --> 00:05:54,789
Bella Rose New York this occurred for

112
00:06:00,420 --> 00:05:57,370
every weary 12 20 18 the object was

113
00:06:02,430 --> 00:06:00,430

hovering in the southeast sky hard for

114

00:06:04,800 --> 00:06:02,440

me to say the distance or size of the

115

00:06:08,129 --> 00:06:04,810

object that was hovering and flashing

116

00:06:11,909 --> 00:06:08,139

several colors then it slowly descended

117

00:06:14,129 --> 00:06:11,919

towards the south southeast the object

118

00:06:16,170 --> 00:06:14,139

was hovering in the southeast sky hard

119

00:06:18,390 --> 00:06:16,180

for me to say the distance or size of

120

00:06:21,659 --> 00:06:18,400

the object it was hovering and flashing

121

00:06:24,300 --> 00:06:21,669

red bluish white very bright white it

122

00:06:26,550 --> 00:06:24,310

also seemed to be changing shape then it

123

00:06:29,040 --> 00:06:26,560

slowly descended towards the south

124

00:06:31,740 --> 00:06:29,050

southeast I just dropped off my coworker

125

00:06:35,430 --> 00:06:31,750

at the bus stop on Jericho Turnpike at

126
00:06:37,320 --> 00:06:35,440
the Queen's Nassau County border about

127
00:06:38,159 --> 00:06:37,330
five minutes after dropping him off he

128
00:06:42,450 --> 00:06:38,169
texts me

129
00:06:45,570 --> 00:06:42,460
to look up in the southern sky it was at

130
00:06:48,360 --> 00:06:45,580
the bank by then and my line of sight of

131
00:06:50,219 --> 00:06:48,370
the object was obscured once I got to my

132
00:06:52,140 --> 00:06:50,229
apartment about 10 minutes later and

133
00:06:54,959 --> 00:06:52,150
this is sooo obvious they are texting

134
00:06:58,200 --> 00:06:54,969
and driving isn't it I parked my car and

135
00:07:00,600 --> 00:06:58,210
looked out into the southeast sky and I

136
00:07:02,399 --> 00:07:00,610
saw it I started taking photos and

137
00:07:05,010 --> 00:07:02,409
recording the object from the time my

138
00:07:06,480 --> 00:07:05,020

coworker first text me to the time the

139

00:07:08,969 --> 00:07:06,490

object descended to the south out

140

00:07:11,309 --> 00:07:08,979

southeast approximately fifteen to

141

00:07:14,219 --> 00:07:11,319

twenty minutes it made no sound that I

142

00:07:16,200 --> 00:07:14,229

could tell it was very bright because of

143

00:07:18,570 --> 00:07:16,210

the hovering shape and brightness of the

144

00:07:20,249 --> 00:07:18,580

object I did not believe it was a plane

145

00:07:22,409 --> 00:07:20,259

or any other kind of conventional

146

00:07:25,769 --> 00:07:22,419

aircraft I've seen in the past it was

147

00:07:29,070 --> 00:07:25,779

also very close to the JFK Airport which

148

00:07:31,679 --> 00:07:29,080

led me to believe it was not a drone due

149

00:07:33,719 --> 00:07:31,689

to the fact that is as illegal to fly

150

00:07:36,480 --> 00:07:33,729

drones near an airport he had nobody

151
00:07:39,600 --> 00:07:36,490
bust that one huh also the size and

152
00:07:42,540 --> 00:07:39,610
brightness and height also all made me

153
00:07:45,899 --> 00:07:42,550
believe it not to be a drone it was

154
00:07:48,510 --> 00:07:45,909
truly I was truly amazed I'm sorry they

155
00:07:50,279 --> 00:07:48,520
didn't capitalize it I was truly amazed

156
00:07:52,529 --> 00:07:50,289
during the time of the sighting my

157
00:07:55,579 --> 00:07:52,539
coworker and I both believe what we

158
00:08:00,709 --> 00:07:55,589
witnessed was by all accounts was

159
00:08:04,679 --> 00:08:00,719
unidentified aerial phenomena phenomena

160
00:08:07,980 --> 00:08:04,689
okay UFO sighting in Davenport Florida

161
00:08:11,339 --> 00:08:07,990
this occurred January 1st 2018 length of

162
00:08:15,029 --> 00:08:11,349
three football fields round object hold

163
00:08:16,439 --> 00:08:15,039

on I've seen one that big before my

164

00:08:18,659 --> 00:08:16,449

girlfriend and I were returning home

165

00:08:20,939 --> 00:08:18,669

from a friend a few blocks away it was

166

00:08:21,629 --> 00:08:20,949

New Year's morning we noticed it right

167

00:08:24,540 --> 00:08:21,639

away

168

00:08:26,369 --> 00:08:24,550

and it was in the sky even after we

169

00:08:29,179 --> 00:08:26,379

returned home and looked out the back

170

00:08:31,980 --> 00:08:29,189

door to the yard it was still there

171

00:08:34,529 --> 00:08:31,990

largest craft I'd ever seen and I've

172

00:08:36,480 --> 00:08:34,539

seen a few did you take a picture okay

173

00:08:37,620 --> 00:08:36,490

hold on I'm a click they didn't say they

174

00:08:39,959 --> 00:08:37,630

took a picture but maybe they just

175

00:08:41,819 --> 00:08:39,969

included it and figured people will see

176

00:08:44,790 --> 00:08:41,829

I took a picture oh look there are

177

00:08:49,910 --> 00:08:44,800

photos lined up here okay we're taking

178

00:08:53,210 --> 00:08:49,920

the dab how big is this mother mm-hmm oh

179

00:09:00,360 --> 00:08:53,220

it's Jenna

180

00:09:05,490 --> 00:09:00,370

whoa holy cannoli

181

00:09:07,139 --> 00:09:05,500

you guys this is here this is here this

182

00:09:08,850 --> 00:09:07,149

is here okay i'ma click on another

183

00:09:11,420 --> 00:09:08,860

picture he's got like four or five on

184

00:09:16,910 --> 00:09:11,430

here

185

00:09:21,030 --> 00:09:16,920

sometimes these oh I have goose bumps

186

00:09:22,800 --> 00:09:21,040

this is a mother ship they have arrived

187

00:09:25,410 --> 00:09:22,810

this is huge

188

00:09:27,780 --> 00:09:25,420

okay so there are like one two three

189

00:09:29,100 --> 00:09:27,790

four five six seven eight there's like

190

00:09:32,999 --> 00:09:29,110

eight lights okay

191

00:09:34,879 --> 00:09:33,009

that kind of illuminate the shape of

192

00:09:39,930 --> 00:09:34,889

this big saucer

193

00:09:44,249 --> 00:09:39,940

this is No Wow oh dude you got it like

194

00:09:47,430 --> 00:09:44,259

goosebumps that is cool that is cool

195

00:09:49,939 --> 00:09:47,440

Ill man I'm impressed I'm impressed

196

00:09:54,120 --> 00:09:49,949

Illli don't think that was Photoshop but

197

00:09:57,210 --> 00:09:54,130

you know that's cool got to check it out

198

00:10:01,470 --> 00:09:57,220

UFO sighting in Mena Arkansas

199

00:10:03,569 --> 00:10:01,480

this occurred February 18th 2017 near me

200

00:10:06,990 --> 00:10:03,579

and arc Arkansas three vertical beams of

201
00:10:10,050 --> 00:10:07,000
light appeared at night about 300 feet

202
00:10:11,999 --> 00:10:10,060
tall the following describes an initial

203
00:10:15,179 --> 00:10:12,009
light event witnessed on February 18

204
00:10:17,309 --> 00:10:15,189
2017 reported to MUFON by phone and was

205
00:10:21,090 --> 00:10:17,319
investigated by MUFON special assignment

206
00:10:23,579 --> 00:10:21,100
team a special assignment due to the

207
00:10:26,400 --> 00:10:23,589
fact that this location and board camp

208
00:10:28,319 --> 00:10:26,410
crystal mine near Mena Arkansas has been

209
00:10:30,809 --> 00:10:28,329
the site of ongoing phenomenon and

210
00:10:33,090 --> 00:10:30,819
investigation since the February 18th

211
00:10:35,220 --> 00:10:33,100
2017 we'll move on the investigation

212
00:10:37,679 --> 00:10:35,230
this event was not publicly reported

213
00:10:40,470 --> 00:10:37,689

online until now the reporting parties

214

00:10:42,480 --> 00:10:40,480

are the property's owner and/or

215

00:10:44,999 --> 00:10:42,490

witnesses of the numerous ongoing events

216

00:10:47,370 --> 00:10:45,009

at this active location is pretty cool

217

00:10:51,920 --> 00:10:47,380

and our reporting for the benefit of

218

00:10:56,100 --> 00:10:54,540

and clapping for that one and

219

00:10:58,499 --> 00:10:56,110

recognition of the one-year anniversary

220

00:11:00,960 --> 00:10:58,509

of this event which was featured in the

221

00:11:03,299 --> 00:11:00,970

October 2017 issue of the MUFON Journal

222

00:11:04,720 --> 00:11:03,309

as well as featured on expedition

223

00:11:07,060 --> 00:11:04,730

unknown

224

00:11:09,250 --> 00:11:07,070

hunt for extraterrestrials episode 4 on

225

00:11:10,900 --> 00:11:09,260

Travel Channel the witnesses and

226
00:11:12,910 --> 00:11:10,910
property owner and owners of the

227
00:11:15,910 --> 00:11:12,920
location are officially publicly

228
00:11:18,759 --> 00:11:15,920
reporting this sighting as follows on

229
00:11:21,579 --> 00:11:18,769
the night of February 18 2017 at the

230
00:11:24,430 --> 00:11:21,589
property known as board camp crystal

231
00:11:26,259 --> 00:11:24,440
mine near Mena Arkansas the three

232
00:11:28,110 --> 00:11:26,269
eyewitnesses two of them being the

233
00:11:30,340 --> 00:11:28,120
property owners were standing on a hill

234
00:11:33,670 --> 00:11:30,350
gazing out over the crystal mine

235
00:11:35,410 --> 00:11:33,680
property about 10:00 p.m. about 900 feet

236
00:11:37,960 --> 00:11:35,420
south of where the witnesses were

237
00:11:40,810 --> 00:11:37,970
standing the witnesses saw a glow of

238
00:11:43,210 --> 00:11:40,820

white light appear at the treetops of

239

00:11:47,439 --> 00:11:43,220

the horizon silhouetting the treetops

240

00:11:50,280 --> 00:11:47,449

from behind three large white vertical

241

00:11:53,740 --> 00:11:50,290

beams of light appeared out of the glow

242

00:11:57,189 --> 00:11:53,750

seeming to be 30 feet wide and seeming

243

00:12:00,009 --> 00:11:57,199

to shoot up to about 300 feet high above

244

00:12:03,220 --> 00:12:00,019

the ground the beams were described as

245

00:12:06,280 --> 00:12:03,230

being flat across the top and appeared

246

00:12:09,280 --> 00:12:06,290

for a duration of about ten seconds then

247

00:12:12,250 --> 00:12:09,290

disappeared and the glow receded back

248

00:12:15,309 --> 00:12:12,260

into darkness there appeared to be no

249

00:12:17,860 --> 00:12:15,319

lights at ground level and no sound of a

250

00:12:20,949 --> 00:12:17,870

vehicle or animals the witnesses were

251

00:12:23,500 --> 00:12:20,959

astonished by the sighting thinking it

252

00:12:26,110 --> 00:12:23,510

was man-made but not understanding how

253

00:12:29,800 --> 00:12:26,120

it could be as it would be difficult for

254

00:12:32,680 --> 00:12:29,810

a vehicle hauling three large spotlights

255

00:12:34,660 --> 00:12:32,690

to enter the fence rural forty acre

256

00:12:36,970 --> 00:12:34,670

property without being noticed

257

00:12:39,670 --> 00:12:36,980

although a small airport is located

258

00:12:42,490 --> 00:12:39,680

about eight miles west of the location

259

00:12:45,430 --> 00:12:42,500

directly south of the event site there

260

00:12:48,220 --> 00:12:45,440

is nothing but undeveloped land no roads

261

00:12:51,189 --> 00:12:48,230

etc the next morning thinking they might

262

00:12:53,620 --> 00:12:51,199

find evidence of a human visit such as

263

00:12:55,900 --> 00:12:53,630

footprints or tire tracks the three

264

00:12:59,439 --> 00:12:55,910

witnesses visited the crystal mine pit

265

00:13:02,559 --> 00:12:59,449

where the sighting occurred to the

266

00:13:06,009 --> 00:13:02,569

witness's surprise there was no evidence

267

00:13:08,639 --> 00:13:06,019

of human visitation but all metal

268

00:13:11,730 --> 00:13:08,649

objects such as fence posts and tools

269

00:13:14,769 --> 00:13:11,740

were noticed to be affected

270

00:13:17,570 --> 00:13:14,779

characterized by movement of the objects

271

00:13:21,080 --> 00:13:17,580

from their previous positions

272

00:13:23,630 --> 00:13:21,090

Oh MUFON was contacted by a third party

273

00:13:26,620 --> 00:13:23,640

and the witnesses were phoned by

274

00:13:28,760 --> 00:13:26,630

Arkansas State investigator race Hobbs

275

00:13:30,650 --> 00:13:28,770

because of the credibility of the

276

00:13:33,350 --> 00:13:30,660

witnesses in the strong physical

277

00:13:37,100 --> 00:13:33,360

evidence left behind after the light

278

00:13:38,630 --> 00:13:37,110

event occurred MUFON sent the set to

279

00:13:41,060 --> 00:13:38,640

investigate okay

280

00:13:43,490 --> 00:13:41,070

led by chase clot ski race hobbs

281

00:13:45,770 --> 00:13:43,500

accompanied the set during the SAS

282

00:13:47,930 --> 00:13:45,780

examination of the metal objects with

283

00:13:51,170 --> 00:13:47,940

various devices recording readings for

284

00:13:54,020 --> 00:13:51,180

radiation and electromagnetism it was

285

00:13:57,770 --> 00:13:54,030

confirmed that the metal objects at the

286

00:14:01,280 --> 00:13:57,780

site were not only magnetized but also

287

00:14:04,730 --> 00:14:01,290

polarized and electromagnetism and

288

00:14:06,560 --> 00:14:04,740

radiation levels were increased soil and

289

00:14:08,990 --> 00:14:06,570

rock samples were obtained and all

290

00:14:12,290 --> 00:14:09,000

information was forwarded to various

291

00:14:17,860 --> 00:14:12,300

labs for professional analysis MUFON has

292

00:14:21,020 --> 00:14:17,870

since issued a full investigative report

293

00:14:23,320 --> 00:14:21,030

it's pretty darn fantastic isn't that I

294

00:14:27,170 --> 00:14:23,330

like to hear that I like to hear that

295

00:14:28,220 --> 00:14:27,180

you know this was verified officially

296

00:14:30,710 --> 00:14:28,230

because a lot of people need to have

297

00:14:33,680 --> 00:14:30,720

that scientific data and that scientific

298

00:14:35,800 --> 00:14:33,690

proof to show these things are occurring

299

00:14:40,700 --> 00:14:35,810

so there you have it

300

00:14:43,820 --> 00:14:40,710

science hmm okay the next UFO sighting

301
00:14:47,480 --> 00:14:43,830
occurred in Alberta this happened March

302
00:14:50,090 --> 00:14:47,490
9th 2017 two lights flying past plane I

303
00:14:52,010 --> 00:14:50,100
was on oh I was traveling back to

304
00:14:55,520 --> 00:14:52,020
Calgary from visiting my sister in

305
00:14:58,610 --> 00:14:55,530
Winnipeg on a WestJet flight at 40,000

306
00:15:01,710 --> 00:14:58,620
feet I glanced for a second outside and

307
00:15:04,500 --> 00:15:01,720
seen two white kind of

308
00:15:08,010 --> 00:15:04,510
what a matchup and what a t-mike

309
00:15:10,530 --> 00:15:08,020
MetroPCS in the iPhone se for \$0 on a

310
00:15:11,040 --> 00:15:10,540
network that covers 99% of people in the

311
00:15:14,910 --> 00:15:11,050
US

312
00:15:17,010 --> 00:15:14,920
oho impressive play with the best switch

313
00:15:19,700 --> 00:15:17,020

to MetroPCS and an unlimited LTE plan

314

00:15:21,930 --> 00:15:19,710

and get a 32 gig iphone se for \$0

315

00:15:23,340 --> 00:15:21,940

MetroPCS covers not available in some

316

00:15:24,600 --> 00:15:23,350

areas plus sales tax claim based on

317

00:15:25,590 --> 00:15:24,610

talking text not knowledge or active

318

00:15:27,060 --> 00:15:25,600

numbers currently on the t-mobile

319

00:15:28,680 --> 00:15:27,070

network or active on metro pcs in the

320

00:15:32,580 --> 00:15:28,690

past 90 days C store for details and

321

00:15:35,550 --> 00:15:32,590

terms conditions tear drop things flying

322

00:15:38,100 --> 00:15:35,560

off in the distance I had my iphone in

323

00:15:40,620 --> 00:15:38,110

hand and quickly took one pic before the

324

00:15:43,200 --> 00:15:40,630

two objects were gone they were white in

325

00:15:46,290 --> 00:15:43,210

color with no exhaust trails which made

326

00:15:49,230 --> 00:15:46,300

them look real bizarre I knew it had to

327

00:15:51,690 --> 00:15:49,240

be UFOs sightings maybe lasted seven

328

00:15:53,370 --> 00:15:51,700

seconds it was incredible alright we're

329

00:15:56,520 --> 00:15:53,380

clicking I'm clicking on these today

330

00:15:58,050 --> 00:15:56,530

this is fun I like this let's hope the

331

00:16:01,350 --> 00:15:58,060

photos are there they said there's a

332

00:16:08,820 --> 00:16:01,360

photo there is a photo oh okay that's

333

00:16:15,860 --> 00:16:08,830

quick dududududududududu is say in a

334

00:16:18,200 --> 00:16:15,870

minute okay okay I'm looking oh oh oh

335

00:16:21,870 --> 00:16:18,210

wow

336

00:16:25,200 --> 00:16:21,880

two side by side teardrop white objects

337

00:16:27,950 --> 00:16:25,210

flying parallel to each other pretty

338

00:16:32,300 --> 00:16:27,960

darn good unless those are torpedos

339

00:16:34,170 --> 00:16:32,310

heading to I don't know North Korea that

340

00:16:36,270 --> 00:16:34,180

that's pretty incredible

341

00:16:40,680 --> 00:16:36,280

pretty cool you guys oh I've got some

342

00:16:44,280 --> 00:16:40,690

good pictures today loving it okay next

343

00:16:47,070 --> 00:16:44,290

your full sighting in Oslo Oslo they say

344

00:16:50,940 --> 00:16:47,080

Oslo so I'm not kidding look just like

345

00:16:52,130 --> 00:16:50,950

Andrei old dumbbell lightning the middle

346

00:16:55,200 --> 00:16:52,140

huh

347

00:16:57,900 --> 00:16:55,210

it looked like Andrei old dumbbell from

348

00:16:59,700 --> 00:16:57,910

1900s made a drawing of the object it

349

00:17:01,680 --> 00:16:59,710

was hovering and was flying very very

350

00:17:03,750 --> 00:17:01,690

slow for five minutes and poof gone that

351
00:17:06,179 --> 00:17:03,760
that is the report that's that's all

352
00:17:08,220 --> 00:17:06,189
they put I'm sorry alright next

353
00:17:10,679 --> 00:17:08,230
beautiful sighting occurred in Oakland

354
00:17:15,120 --> 00:17:10,689
California this happened on January 17

355
00:17:17,490 --> 00:17:15,130
2018 Moorish alien or Pleiades entity

356
00:17:23,520 --> 00:17:17,500
speaks English and is attached to my

357
00:17:27,179 --> 00:17:23,530
body aura it won't go away do we go

358
00:17:29,600 --> 00:17:27,189
there I don't know I think we skip the

359
00:17:33,320 --> 00:17:29,610
next UFO sighting occurred in

360
00:17:37,440 --> 00:17:33,330
Elizabethtown Pennsylvania this occurred

361
00:17:43,260 --> 00:17:37,450
May 31st 2017 I seen three separate

362
00:17:46,430 --> 00:17:43,270
lights one lit up at a time in an even

363
00:17:48,899 --> 00:17:46,440

circle motion like it was going around a

364

00:17:52,080 --> 00:17:48,909

friend and I'd seen three separate

365

00:17:54,240 --> 00:17:52,090

lights one to light up at a time like it

366

00:17:57,090 --> 00:17:54,250

was going around a saucer-shaped craft

367

00:17:59,669 --> 00:17:57,100

and it was very close to us and when me

368

00:18:03,779 --> 00:17:59,679

and my friend walked closer to where we

369

00:18:06,690 --> 00:18:03,789

seen it I felt weird like I was in a

370

00:18:09,360 --> 00:18:06,700

time warp but I don't think I missed any

371

00:18:11,430 --> 00:18:09,370

time but I think it was weird my friend

372

00:18:14,370 --> 00:18:11,440

was nowhere to be seen and I yelled

373

00:18:17,060 --> 00:18:14,380

where are you he didn't answer and I

374

00:18:20,370 --> 00:18:17,070

felt a feeling I can't really explain

375

00:18:23,760 --> 00:18:20,380

then he appeared from behind a house

376

00:18:26,760 --> 00:18:23,770

where where I am but where the UFO or

377

00:18:30,750 --> 00:18:26,770

lights were it's a field it's an Amish

378

00:18:32,190 --> 00:18:30,760

live in and I have a farm I I don't know

379

00:18:35,370 --> 00:18:32,200

I don't know what they're trying to say

380

00:18:36,899 --> 00:18:35,380

it's very very chopped up it sounds like

381

00:18:42,080 --> 00:18:36,909

the friend got taken that's all I'm

382

00:18:44,850 --> 00:18:42,090

gonna say yeah all right UFO sighting in

383

00:18:45,810 --> 00:18:44,860

Liverpool this occurred it was a UFO

384

00:18:50,340 --> 00:18:45,820

blast from the past

385

00:18:53,549 --> 00:18:50,350

November 18 1996 a very long black

386

00:18:55,200 --> 00:18:53,559

cylinder shape I just moved into my

387

00:18:58,470 --> 00:18:55,210

house a week previous to my seeing this

388

00:19:01,560 --> 00:18:58,480

object with my newborn baby I went

389

00:19:05,399 --> 00:19:01,570

outside at around 23:00 to the

390

00:19:07,080 --> 00:19:05,409

half-hours for I don't know what the

391

00:19:10,710 --> 00:19:07,090

hell they put this how they write that

392

00:19:13,529 --> 00:19:10,720

for a cigarette it was a chilly November

393

00:19:15,810 --> 00:19:13,539

night the sky was clear I could see some

394

00:19:17,940 --> 00:19:15,820

stars and airplane lights high up in the

395

00:19:22,140 --> 00:19:17,950

heavens I was wondering where they were

396

00:19:24,840 --> 00:19:22,150

flying to then to the left of where I

397

00:19:28,500 --> 00:19:24,850

was standing looking up I saw this huge

398

00:19:31,110 --> 00:19:28,510

long black cylinder shaped object

399

00:19:34,410 --> 00:19:31,120

it was that long I could not see where

400

00:19:41,450 --> 00:19:34,420

it ended are you kidding me imagine

401
00:19:44,010 --> 00:19:41,460
seeing that guys imagine seeing that I

402
00:19:47,610 --> 00:19:44,020
remember how weird there was no noise

403
00:19:49,350 --> 00:19:47,620
nor no lights coming from it it slowly

404
00:19:52,560 --> 00:19:49,360
flew overhead

405
00:19:54,060 --> 00:19:52,570
I honestly crapped myself they used the

406
00:19:56,820 --> 00:19:54,070
bad word I didn't want to use it

407
00:20:00,570 --> 00:19:56,830
I couldn't get my backyard door or gate

408
00:20:04,080 --> 00:20:00,580
open because my door had swelled up with

409
00:20:05,460 --> 00:20:04,090
the dampness and I just watched it until

410
00:20:08,910 --> 00:20:05,470
it went out of sight

411
00:20:10,830 --> 00:20:08,920
I have never told anyone this because I

412
00:20:15,050 --> 00:20:10,840
didn't want to be ridiculed by family or

413
00:20:19,860 --> 00:20:15,060

friends and I was not a believer I

414

00:20:24,230 --> 00:20:19,870

needed to see to believe I've seen and I

415

00:20:27,780 --> 00:20:24,240

believe now 100% I still think about it

416

00:20:30,270 --> 00:20:27,790

about that night almost 22 years ago I

417

00:20:33,630 --> 00:20:30,280

will never forget it as long as I live

418

00:20:36,510 --> 00:20:33,640

it made me feel excited at what I just

419

00:20:40,380 --> 00:20:36,520

witnessed and a little bit scared too

420

00:20:44,610 --> 00:20:40,390

I know now we are not alone in this

421

00:20:47,520 --> 00:20:44,620

universe Wow see how that changes a

422

00:20:50,310 --> 00:20:47,530

person's whole perspective I just find

423

00:20:52,590 --> 00:20:50,320

that fascinating how you know when you

424

00:20:55,410 --> 00:20:52,600

are bumped into that other reality of

425

00:20:58,080 --> 00:20:55,420

things that go bump in the night or

426

00:21:01,080 --> 00:20:58,090

whatever else it's really hard to go

427

00:21:03,770 --> 00:21:01,090

back into the closet it really is it

428

00:21:06,390 --> 00:21:03,780

really is those eyes are open alright

429

00:21:09,300 --> 00:21:06,400

moving on to a paranormal point of a

430

00:21:11,670 --> 00:21:09,310

story because we take the paranormal two

431

00:21:15,660 --> 00:21:11,680

don't we this story is called creature

432

00:21:19,200 --> 00:21:15,670

on a hike this person is sharing their

433

00:21:20,940 --> 00:21:19,210

personal story after sharing my story

434

00:21:22,470 --> 00:21:20,950

about the lake creature I guess they

435

00:21:24,690 --> 00:21:22,480

must have put another story up on this

436

00:21:27,030 --> 00:21:24,700

site I have decided to share my other

437

00:21:31,710 --> 00:21:27,040

paranormal experience that had happened

438

00:21:33,090 --> 00:21:31,720

in late spring of 2015 I was on a hiking

439

00:21:36,060 --> 00:21:33,100

trip with my brother and by this time

440

00:21:38,850 --> 00:21:36,070

the whole lake creature thing was behind

441

00:21:41,220 --> 00:21:38,860

me and it was only a distant memory well

442

00:21:42,290 --> 00:21:41,230

I wonder what that one was so me and my

443

00:21:44,450 --> 00:21:42,300

brother were

444

00:21:46,340 --> 00:21:44,460

planning to hike a mountain where there

445

00:21:49,670 --> 00:21:46,350

were little to no animals and the

446

00:21:51,260 --> 00:21:49,680

weather there was pretty calm anyways me

447

00:21:53,150 --> 00:21:51,270

and my brother planned to arrive at the

448

00:21:55,730 --> 00:21:53,160

mountain on the first day and then

449

00:21:58,700 --> 00:21:55,740

camped there for two days it was a

450

00:22:00,740 --> 00:21:58,710

ten-mile hike but we were prepared for

451
00:22:03,470 --> 00:22:00,750
it since me and my brother loved the

452
00:22:05,570 --> 00:22:03,480
outdoors once we were a mile or so away

453
00:22:08,780 --> 00:22:05,580
for the mountain we noticed this

454
00:22:12,770 --> 00:22:08,790
horrible smell in the air like a raccoon

455
00:22:15,290 --> 00:22:12,780
or a deer head died or something the

456
00:22:17,060 --> 00:22:15,300
smell went away a few moments later when

457
00:22:19,970 --> 00:22:17,070
we continued on our hike towards the

458
00:22:21,770 --> 00:22:19,980
mountain it was already late evening so

459
00:22:25,040 --> 00:22:21,780
once we arrived at the base of the

460
00:22:27,140 --> 00:22:25,050
mountain we set up camp we started a

461
00:22:29,510 --> 00:22:27,150
fire and then explored the area around

462
00:22:33,110 --> 00:22:29,520
our campsite to keep ourselves occupied

463
00:22:35,690 --> 00:22:33,120

even though it was nighttime we had some

464

00:22:38,780 --> 00:22:35,700

really good flashlights we were able to

465

00:22:41,180 --> 00:22:38,790

see a couple of silver haired bats and a

466

00:22:42,890 --> 00:22:41,190

white-tailed deer once we got back we

467

00:22:45,350 --> 00:22:42,900

just started talking while sitting

468

00:22:48,050 --> 00:22:45,360

around the fire during a brief moment

469

00:22:51,470 --> 00:22:48,060

when none of us were talking I heard

470

00:22:53,660 --> 00:22:51,480

some leaves crunch thinking there might

471

00:22:56,180 --> 00:22:53,670

be some deer or raccoons trying to get

472

00:22:57,890 --> 00:22:56,190

into our trash I quickly shown my

473

00:23:01,430 --> 00:22:57,900

flashlight in the direction I heard the

474

00:23:03,350 --> 00:23:01,440

crunch and saw nothing I just brushed it

475

00:23:06,230 --> 00:23:03,360

off thinking it might have just heard a

476

00:23:09,110 --> 00:23:06,240

pinecone fall from a tree it was close

477

00:23:12,200 --> 00:23:09,120

to 12:00 in the morning once we decided

478

00:23:15,560 --> 00:23:12,210

to head into our tents me and my brother

479

00:23:17,180 --> 00:23:15,570

both had our individual tent anyways I

480

00:23:19,580 --> 00:23:17,190

usually have a hard time falling asleep

481

00:23:22,970 --> 00:23:19,590

on camping trips yeah me too

482

00:23:25,520 --> 00:23:22,980

because things might eat you mm-hmm

483

00:23:27,590 --> 00:23:25,530

so it usually takes me a long time to

484

00:23:30,830 --> 00:23:27,600

fall asleep right when I was about to

485

00:23:35,000 --> 00:23:30,840

fall asleep I heard the crunch again but

486

00:23:38,420 --> 00:23:35,010

this time it was closer the crunching

487

00:23:42,520 --> 00:23:38,430

sounded a bit distant away at first but

488

00:23:46,100 --> 00:23:42,530

they kept on getting closer and closer

489

00:23:49,130 --> 00:23:46,110

then it hit me the crunches that I was

490

00:23:52,310 --> 00:23:49,140

hearing had the same rhythm as someone

491

00:23:54,610 --> 00:23:52,320

walking at first I had thought it was my

492

00:23:56,090 --> 00:23:54,620

brother going to take a leak but I

493

00:23:57,860 --> 00:23:56,100

listened

494

00:24:00,409 --> 00:23:57,870

and I heard him snoring in his tent oh

495

00:24:02,000 --> 00:24:00,419

he could fall asleep huh not trying to

496

00:24:03,740 --> 00:24:02,010

make any noise in my sleeping bag I

497

00:24:07,640 --> 00:24:03,750

continue to hear the steps getting

498

00:24:11,570 --> 00:24:07,650

louder and louder and more closer to our

499

00:24:13,370 --> 00:24:11,580

campsite then right when the steps got

500

00:24:17,900 --> 00:24:13,380

right outside my tent

501
00:24:20,750 --> 00:24:17,910
they stopped I quickly got my folding

502
00:24:24,169 --> 00:24:20,760
knife ready praying the thing wouldn't

503
00:24:26,810 --> 00:24:24,179
intrude in my tent once I heard the

504
00:24:31,880 --> 00:24:26,820
first sound of my zipper moving oh heck

505
00:24:34,730 --> 00:24:31,890
no I lunged forward at the thing I don't

506
00:24:36,740 --> 00:24:34,740
know if I hit it or not and I didn't

507
00:24:40,580 --> 00:24:36,750
exactly see what the thing looked like

508
00:24:43,669 --> 00:24:40,590
but a few seconds later it let out this

509
00:24:48,560 --> 00:24:43,679
horrible noise that sounded like a cross

510
00:24:55,730 --> 00:24:48,570
between a scream and a howl what does

511
00:24:58,159 --> 00:24:55,740
that sound like anyway I don't know why

512
00:25:00,380 --> 00:24:58,169
I attempted that my apologies it woke my

513
00:25:04,190 --> 00:25:00,390

brother up and before my brother made it

514

00:25:06,520 --> 00:25:04,200

out of his tent it was gone what the

515

00:25:09,740 --> 00:25:06,530

heck was that man my brother said it

516

00:25:13,130 --> 00:25:09,750

tried to get into my tent dude we have

517

00:25:16,789 --> 00:25:13,140

to leave now I responded then it hit me

518

00:25:19,789 --> 00:25:16,799

it was a couple hour hike from where we

519

00:25:22,029 --> 00:25:19,799

set up a camp we need to run and get the

520

00:25:25,909 --> 00:25:22,039

hell out of here I said to my brother

521

00:25:29,260 --> 00:25:25,919

the only things we left with were our

522

00:25:31,940 --> 00:25:29,270

flashlights and wallets

523

00:25:34,190 --> 00:25:31,950

we didn't bother to get anything else

524

00:25:35,270 --> 00:25:34,200

but once we were already heading down

525

00:25:38,960 --> 00:25:35,280

the way we came

526

00:25:42,860 --> 00:25:38,970

we had forgot to get protection our

527

00:25:45,620 --> 00:25:42,870

knives we can't go back that thing will

528

00:25:48,710 --> 00:25:45,630

be there I said we need protection man

529

00:25:51,560 --> 00:25:48,720

my brother responded he went back to the

530

00:25:54,409 --> 00:25:51,570

campsite while I waited on the trail oh

531

00:25:57,620 --> 00:25:54,419

heck that wasn't nice a few moments went

532

00:26:00,169 --> 00:25:57,630

by and I was getting worried so I went

533

00:26:02,960 --> 00:26:00,179

back to camp to get him I was a hundred

534

00:26:07,100 --> 00:26:02,970

feet away from our campsite when I saw a

535

00:26:09,230 --> 00:26:07,110

figure going through my tent I quickly

536

00:26:09,799 --> 00:26:09,240

assumed it was my brother getting some

537

00:26:13,039 --> 00:26:09,809

extras

538

00:26:16,339 --> 00:26:13,049

and I was about to call out to him when

539

00:26:19,639 --> 00:26:16,349

I was pulled aside until a bush and my

540

00:26:24,320 --> 00:26:19,649

mouth was covered by a hand it was my

541

00:26:26,690 --> 00:26:24,330

brother his face was completely pale we

542

00:26:30,169 --> 00:26:26,700

need to get the heck out of here my

543

00:26:32,930 --> 00:26:30,179

brother said the ten mile trek back to

544

00:26:39,320 --> 00:26:32,940

camp would have taken us at least two

545

00:26:42,709 --> 00:26:39,330

hours I'd say we did it in about 30 30

546

00:26:46,129 --> 00:26:42,719

minutes and during that time we kept on

547

00:26:49,749 --> 00:26:46,139

hearing the howl a couple hundred feet

548

00:26:52,419 --> 00:26:49,759

behind us but that was good inspiration

549

00:26:56,589 --> 00:26:52,429

once we got back to the car my brother

550

00:26:59,450 --> 00:26:56,599

Florida and we were home in no time flat

551
00:27:02,060 --> 00:26:59,460
me and my brother never talked about

552
00:27:05,869 --> 00:27:02,070
that camping trip and we never went

553
00:27:08,539 --> 00:27:05,879
camping after that it always puts me

554
00:27:10,969 --> 00:27:08,549
into a mood whenever I think that what

555
00:27:14,539 --> 00:27:10,979
could have happened if I was still

556
00:27:17,869 --> 00:27:14,549
asleep when the thing tried to get into

557
00:27:20,299 --> 00:27:17,879
my tent missing for one one anybody

558
00:27:25,700 --> 00:27:20,309
mm-hmm huh you guys know what that is

559
00:27:29,209 --> 00:27:25,710
Bigfoot kidnapping people wow sounds

560
00:27:32,629 --> 00:27:29,219
like smells like Bigfoot was making his

561
00:27:34,190 --> 00:27:32,639
way into their lives that sounded

562
00:27:36,379 --> 00:27:34,200
horrifying I've heard of these stories

563
00:27:37,940 --> 00:27:36,389

where people like once you meet

564

00:27:39,379 --> 00:27:37,950

something like that in the woods you do

565

00:27:43,219 --> 00:27:39,389

not want to go back into the woods

566

00:27:44,899 --> 00:27:43,229

people who live out there never will go

567

00:27:46,609 --> 00:27:44,909

out at night time after they've seen

568

00:27:49,789 --> 00:27:46,619

something like that on their land

569

00:27:52,579 --> 00:27:49,799

I mean who changes your world everybody

570

00:27:54,799 --> 00:27:52,589

changes your world well I have to say

571

00:27:56,810 --> 00:27:54,809

thank you so much for listening to UFO

572

00:27:59,329 --> 00:27:56,820

headline news with me Heidi Hollis and

573

00:28:02,599 --> 00:27:59,339

be sure to check out UFO headline news

574

00:28:04,430 --> 00:28:02,609

a.com every single day and also tune in

575

00:28:06,499 --> 00:28:04,440

to my other two weekly shows the

576

00:28:09,109 --> 00:28:06,509

Outlander on Fridays the Kevin cook show

577

00:28:10,879 --> 00:28:09,119

our co-host every Tuesday both shows are

578

00:28:13,009 --> 00:28:10,889

at 9:00 p.m. Eastern a p.m. central and

579

00:28:16,219 --> 00:28:13,019

see my paranormal comic strip the

580

00:28:18,469 --> 00:28:16,229

Outlanders at the Outlanders comic calm

581

00:28:19,729 --> 00:28:18,479

and remember if you've experienced

582

00:28:21,919 --> 00:28:19,739

something out of the ordinary and want

583

00:28:23,410 --> 00:28:21,929

some level-headed advice or if you've

584

00:28:26,110 --> 00:28:23,420

seen a UFO and

585

00:28:29,320 --> 00:28:26,120

want to share be sure to write me at you

586

00:28:31,840 --> 00:28:29,330

HN and inception at Radio Network comm

587

00:28:46,510 --> 00:28:31,850

remember always to keep an open mind so

588

00:28:49,600 --> 00:28:46,520

you can stay informed and inspired what

589

00:28:52,570 --> 00:28:49,610

a matchup and what a team Mike MetroPCS

590

00:28:55,410 --> 00:28:52,580

in the iPhone se for \$0 on a network

591

00:28:59,260 --> 00:28:55,420

that covers 99% of people in the US for

592

00:29:01,450 --> 00:28:59,270

impressive play with the best switch to

593

00:29:04,870 --> 00:29:01,460

metro pcs and unlimited LTE plan and get

594

00:29:06,490 --> 00:29:04,880

a 32 gig iPhone se for \$0 MetroPCS

595

00:29:08,050 --> 00:29:06,500

covers not available in some areas plus

596

00:29:09,400 --> 00:29:08,060

sales tax claim based on talking text

597

00:29:10,750 --> 00:29:09,410

not now attractive numbers currently on

598

00:29:12,490 --> 00:29:10,760

the t-mobile network are active on metro
