2
00:00:07,940 --> 00:00:05,009

what a matcha and what a t-mike MetroPCS

3
00:00:11,000 --> 00:00:07,950

in the iPhone se for \$0 on a network

4
00:00:14,660 --> 00:00:11,010

that covers 99% of people in the US Haho

5
00:00:16,730 --> 00:00:14,670

impressive play with the best switch to

6
00:00:19,820 --> 00:00:16,740

MetroPCS and an unlimited LTE plan and

7
00:00:21,710 --> 00:00:19,830

get a 32 gig iphone se for \$0 not your

8
00:00:23,000 --> 00:00:21,720

pcs covers not available in some areas

9
00:00:24,410 --> 00:00:23,010

plus sales tax claim based on talking

10
00:00:25,580 --> 00:00:24,420

text not now attractive numbers

11
00:00:27,200 --> 00:00:25,590

currently on the t-mobile network or

12
00:00:30,440 --> 00:00:27,210

active on metro pcs in the past 90 days

13
00:00:33,459 --> 00:00:30,450

C store for details and terms conditions

14

00:00:36,080 --> 00:00:33,469

[Music]

15

00:00:38,360 --> 00:00:36,090

welcome welcome to youthful headline

16

00:00:40,549 --> 00:00:38,370

news with me Heidi Hollis where every

17

00:00:42,979 --> 00:00:40,559

day I aim to bring you the latest and

18

00:00:46,729 --> 00:00:42,989

UFO reports and other fascinating

19

00:00:51,979 --> 00:00:46,739

stories from around the globe today is

20

00:00:54,830 --> 00:00:51,989

what Monday February 26 2018 wow this is

21

00:00:57,049 --> 00:00:54,840

just flying by this year and on Fridays

22

00:00:59,660 --> 00:00:57,059

at 8 p.m. Central Standard Time join me

23

00:01:01,700 --> 00:00:59,670

for my talk-show the Outlander where I

24

00:01:04,189 --> 00:01:01,710

answer your emails take your calls and

25

00:01:06,830 --> 00:01:04,199

interview some intriguing guests trust

26

00:01:09,679 --> 00:01:06,840

me you will never be bored just go to

27

00:01:14,090 --> 00:01:09,689

Heidi Hollis comm for more information

28

00:01:17,260 --> 00:01:14,100

and I are in chat comm to chat interact

29

00:01:20,450 --> 00:01:17,270

and listen live to the Outlander show

30

00:01:21,830 --> 00:01:20,460

blasting off with some fascinating UFO

31

00:01:24,109 --> 00:01:21,840

reports that I never read and I don't

32

00:01:26,120 --> 00:01:24,119

edit so pardon me if I'm skipping and

33

00:01:28,340 --> 00:01:26,130

stopping and trying to figure out the

34

00:01:33,289 --> 00:01:28,350

English language as it has been depicted

35

00:01:37,069 --> 00:01:33,299

in these reports UFO sighting in Long

36

00:01:41,359 --> 00:01:37,079

Point Ontario slight UFO blast when the

37

00:01:43,789 --> 00:01:41,369

past has occurred July 12 2015 2 objects

38

00:01:47,649 --> 00:01:43,799

entered my site high in the sky I flew

39

00:01:50,300 --> 00:01:47,659

erratically then vanished into space I

40

00:01:52,969 --> 00:01:50,310

was lying on my back at the beach on a

41

00:01:55,370 --> 00:01:52,979

bright sunny blue sky day with my

42

00:01:58,100 --> 00:01:55,380

girlfriend I was staring up into the

43

00:02:00,679 --> 00:01:58,110

cloudless sky and from an altitude

44

00:02:04,520 --> 00:02:00,689

higher than any airplane I have ever

45

00:02:08,630 --> 00:02:04,530

seen two red objects appeared to have

46

00:02:11,360 --> 00:02:08,640

wings came into my sight they circled

47

00:02:13,580 --> 00:02:11,370

each other kind of chased each other

48

00:02:15,259 --> 00:02:13,590

like they were playing

49

00:02:20,210 --> 00:02:15,269

pointed it out to my wife she was

50

00:02:22,190 --> 00:02:20,220

confused by what we were watching I'm

51
00:02:26,330 --> 00:02:22,200
confused because you said girlfriend in

52
00:02:28,130 --> 00:02:26,340
the first sentence like hold on didn't

53
00:02:34,190 --> 00:02:28,140
every girlfriend and now you're saying

54
00:02:37,039 --> 00:02:34,200
wife okay whatever for approximately one

55
00:02:39,949 --> 00:02:37,049
minute they flee erratically in a small

56
00:02:42,170 --> 00:02:39,959
area very high in the sky then as

57
00:02:45,410 --> 00:02:42,180
quickly as they entered sight it

58
00:02:47,180 --> 00:02:45,420
appeared they flew up away so high they

59
00:02:50,600 --> 00:02:47,190
disappeared into the atmosphere

60
00:02:53,690 --> 00:02:50,610
I have excellent vision it was not an

61
00:02:55,610 --> 00:02:53,700
airliner I saw blue skies I saw them

62
00:02:58,280 --> 00:02:55,620
appear from the atmosphere it seemed

63
00:03:01,880 --> 00:02:58,290

then they disappeared back beyond sight

64

00:03:05,300 --> 00:03:01,890

in a perfectly blue sky they were just

65

00:03:07,009 --> 00:03:05,310

tiny due to altitude unnoticeable unless

66

00:03:10,039 --> 00:03:07,019

you were staring up at the sky at the

67

00:03:12,500 --> 00:03:10,049

moment at that time they maneuvered like

68

00:03:13,369 --> 00:03:12,510

nothing I have ever seen and no lights

69

00:03:15,710 --> 00:03:13,379

no sound

70

00:03:18,349 --> 00:03:15,720

I was simply confused to what I was

71

00:03:20,449 --> 00:03:18,359

watching oh gosh can't you guys just

72

00:03:23,210 --> 00:03:20,459

imagine the day that Star Trek comes to

73

00:03:24,470 --> 00:03:23,220

us like hey guys we've been here for a

74

00:03:27,289 --> 00:03:24,480

while we don't know why your government

75

00:03:30,530 --> 00:03:27,299

hid us from you but we know all of them

76
00:03:32,960 --> 00:03:30,540
we know George we know so and so you

77
00:03:35,599 --> 00:03:32,970
know the SEC adores and we know this

78
00:03:37,430 --> 00:03:35,609
Trump fella I mean really why did they

79
00:03:39,890 --> 00:03:37,440
do that I mean we've been flying over

80
00:03:42,080 --> 00:03:39,900
your heads all the time I mean you saw

81
00:03:43,909 --> 00:03:42,090
us right because we answered your call I

82
00:03:46,370 --> 00:03:43,919
mean you asked us to turn our ship

83
00:03:49,159 --> 00:03:46,380
around we turn and untipped and he felt

84
00:03:51,740 --> 00:03:49,169
us staring and we stayed you know so I

85
00:03:53,569 --> 00:03:51,750
mean really like really you guys this

86
00:03:55,159 --> 00:03:53,579
wasn't official I mean because it wasn't

87
00:03:59,120 --> 00:03:55,169
official you didn't believe your own

88
00:04:02,300 --> 00:03:59,130

eyes I mean what what oh it's coming it

89

00:04:04,759 --> 00:04:02,310

is coming I just know it because too

90

00:04:08,839 --> 00:04:04,769

many people too many people too many of

91

00:04:11,000 --> 00:04:08,849

us millions have seen weird lights seen

92

00:04:12,589 --> 00:04:11,010

ships we know something's out there

93

00:04:14,390 --> 00:04:12,599

why can't they just be our friends

94

00:04:16,909 --> 00:04:14,400

already let's just get over with the

95

00:04:18,740 --> 00:04:16,919

formalities and be like hey picnic my

96

00:04:21,140 --> 00:04:18,750

backyard five minutes that you could be

97

00:04:22,430 --> 00:04:21,150

here yeah sure sure I'll be there what

98

00:04:24,740 --> 00:04:22,440

do you want to fly around my ship yeah

99

00:04:26,300 --> 00:04:24,750

why not bring the ship bring the little

100

00:04:26,700 --> 00:04:26,310

one so my son could play around with

101
00:04:30,540 --> 00:04:26,710
that one

102
00:04:32,790 --> 00:04:30,550
I mean come on anyways moving on UFO

103
00:04:35,730 --> 00:04:32,800
sighting in Brunswick Ohio this occurred

104
00:04:38,790 --> 00:04:35,740
February 15th 2018 noticed a pinkish

105
00:04:41,550 --> 00:04:38,800
light that caught my eye moved up down

106
00:04:43,140 --> 00:04:41,560
side to side and up and down I was

107
00:04:45,659 --> 00:04:43,150
letting my dogs out just before 7:00

108
00:04:48,420 --> 00:04:45,669
p.m. on February 15 2018 when I noticed

109
00:04:50,820 --> 00:04:48,430
a pinkish light in the sky and it was

110
00:04:53,339 --> 00:04:50,830
moving sharply up down side to side so I

111
00:04:55,559 --> 00:04:53,349
started recording it on my cell phone it

112
00:04:58,650 --> 00:04:55,569
didn't really move as sharply in video

113
00:05:03,330 --> 00:04:58,660

but I could say definitely it was not an

114

00:05:05,400 --> 00:05:03,340

airplane of any kind okay new full

115

00:05:08,370 --> 00:05:05,410

sighting in Springfield Missouri

116

00:05:11,339 --> 00:05:08,380

Asakura january 30th 2018 orange orb

117

00:05:13,409 --> 00:05:11,349

followed by an aircraft I was at a

118

00:05:15,150 --> 00:05:13,419

stoplight in Glenn stone and Kearney

119

00:05:16,950 --> 00:05:15,160

I was looking toward the Wal Mart

120

00:05:19,320 --> 00:05:16,960

parking lot and noticed above the

121

00:05:22,170 --> 00:05:19,330

Walmart in orange orbs that appeared to

122

00:05:24,450 --> 00:05:22,180

be followed by an aircraft both crafts

123

00:05:26,730 --> 00:05:24,460

were traveling east the plane had the

124

00:05:28,770 --> 00:05:26,740

flashing light coming on aircraft and I

125

00:05:31,409 --> 00:05:28,780

could see the outline of it the other

126

00:05:33,899 --> 00:05:31,419

craft was orange and round but didn't

127

00:05:36,420 --> 00:05:33,909

have clear edges they both continued

128

00:05:38,580 --> 00:05:36,430

east about 1 minute then the orange

129

00:05:41,279 --> 00:05:38,590

craft within five seconds sped up and

130

00:05:43,350 --> 00:05:41,289

completely disappeared the plane

131

00:05:46,170 --> 00:05:43,360

continued east on the same path I looked

132

00:05:49,050 --> 00:05:46,180

at the car next to me but they didn't

133

00:05:52,520 --> 00:05:49,060

seem to have noticed go figure the world

134

00:05:54,839 --> 00:05:52,530

is busy they're probably on their phone

135

00:05:58,589 --> 00:05:54,849

beautiful sighting in Napa California

136

00:06:01,560 --> 00:05:58,599

February 15 2018 looking at a bright

137

00:06:04,439 --> 00:06:01,570

quote planet above the Big Dipper then

138

00:06:07,709 --> 00:06:04,449

it brightened and turned off like a

139

00:06:09,029 --> 00:06:07,719

light bulb looking at a bright planet

140

00:06:10,350 --> 00:06:09,039

above the Big Dipper then it brightened

141

00:06:13,140 --> 00:06:10,360

it turned off like a light bulb I know

142

00:06:15,689 --> 00:06:13,150

it was a UFO because I have seen them up

143

00:06:17,700 --> 00:06:15,699

close maneuver land and take off

144

00:06:20,339 --> 00:06:17,710

sometimes going straight up to a

145

00:06:22,290 --> 00:06:20,349

pinpoint in a nanosecond

146

00:06:24,330 --> 00:06:22,300

what's a nano quick that's a nanosecond

147

00:06:26,490 --> 00:06:24,340

never get bad yeah there we go UFO

148

00:06:29,820 --> 00:06:26,500

sighting in McGregor Texas that's

149

00:06:31,800 --> 00:06:29,830

occurred July 18 2017 it was late at

150

00:06:34,980 --> 00:06:31,810

night when I was stargazing with this

151
00:06:37,219 --> 00:06:34,990
girl when suddenly my eyes locked on to

152
00:06:39,870 --> 00:06:37,229
the slow-moving object in the sky

153
00:06:40,379 --> 00:06:39,880
initially I thought it was a plane but

154
00:06:42,779 --> 00:06:40,389
the play

155
00:06:47,610 --> 00:06:42,789
pattern was too bizarre for it to be any

156
00:06:49,050 --> 00:06:47,620
man piloted vehicle okay they are kind

157
00:06:50,969 --> 00:06:49,060
of repeating their story that was their

158
00:06:52,529 --> 00:06:50,979
brief introduction it's late at night

159
00:06:54,270 --> 00:06:52,539
was stargazing with his girl and sudden

160
00:06:55,860 --> 00:06:54,280
eyes locked onto the sky okay they're

161
00:06:57,990 --> 00:06:55,870
repeating initially I thought I was a

162
00:06:59,610 --> 00:06:58,000
plane but the flight pattern was too

163
00:07:04,020 --> 00:06:59,620

bizarre for it to be a man plant I was

164

00:07:07,170 --> 00:07:04,030

overcome with joy as I realized it was a

165

00:07:09,990 --> 00:07:07,180

UFO I continued to observe it for quite

166

00:07:12,570 --> 00:07:10,000

some time a few hours and suddenly had

167

00:07:14,909 --> 00:07:12,580

this compelling feeling that I should

168

00:07:17,839 --> 00:07:14,919

leave something just didn't feel right

169

00:07:20,159 --> 00:07:17,849

and I wanted to get out of there

170

00:07:22,589 --> 00:07:20,169

that's that's the end of their report

171

00:07:25,200 --> 00:07:22,599

right huh and there's something like we

172

00:07:26,909 --> 00:07:25,210

just know we just know like oh that's a

173

00:07:28,980 --> 00:07:26,919

cool UFO that's not a good guy

174

00:07:31,050 --> 00:07:28,990

I gotta go I gotta go no he's coming he

175

00:07:33,929 --> 00:07:31,060

sees I'm looking and he wants to probe

176
00:07:35,909 --> 00:07:33,939
me or something horrible yeah I see all

177
00:07:37,200 --> 00:07:35,919
right this next one oh boy what a name

178
00:07:40,110 --> 00:07:37,210
let's see if I could figure this one out

179
00:07:43,469 --> 00:07:40,120
your faux sighting and peak Picayune

180
00:07:46,559 --> 00:07:43,479
Picayune Picayune Mississippi January

181
00:07:49,110 --> 00:07:46,569
31st 2018 sighting of UFO under super

182
00:07:52,379 --> 00:07:49,120
Blue Moon Blood Moon I mean super Blue

183
00:07:55,050 --> 00:07:52,389
Blood Moon okay I live in the USA PKU

184
00:07:58,290 --> 00:07:55,060
and Mississippi attached are my blue

185
00:08:00,659 --> 00:07:58,300
blood moon Pixar pictures showing an

186
00:08:03,119 --> 00:08:00,669
flying object did not come out very

187
00:08:05,760 --> 00:08:03,129
clear however I did see something very

188
00:08:07,680 --> 00:08:05,770

strange and I try to catch it in the

189

00:08:09,450 --> 00:08:07,690

picture then I tried to do a video but

190

00:08:11,969 --> 00:08:09,460

the video would not come out because it

191

00:08:14,070 --> 00:08:11,979

was still too dark as I was taking

192

00:08:17,189 --> 00:08:14,080

pictures this red glowing thing was

193

00:08:19,649 --> 00:08:17,199

zipping around very fast high underneath

194

00:08:21,659 --> 00:08:19,659

the moon to the left it was not an

195

00:08:24,689 --> 00:08:21,669

airplane because this red glowing object

196

00:08:27,749 --> 00:08:24,699

was flying up down and sideways so

197

00:08:29,969 --> 00:08:27,759

freaking fast I couldn't catch up with

198

00:08:32,009 --> 00:08:29,979

it with my camera so I just started

199

00:08:34,079 --> 00:08:32,019

snapping pictures real fast in hopes I

200

00:08:37,620 --> 00:08:34,089

would at least get one picture of it

201

00:08:39,540 --> 00:08:37,630

then it just vanished I did catch it in

202

00:08:41,880 --> 00:08:39,550

a picture but I'm disappointed that it

203

00:08:43,500 --> 00:08:41,890

came out blurry I guess it was because I

204

00:08:44,939 --> 00:08:43,510

was trying to keep up with it by moving

205

00:08:48,150 --> 00:08:44,949

my camera around to get a picture

206

00:08:50,730 --> 00:08:48,160

however I just read an article from

207

00:08:53,830 --> 00:08:50,740

Express News UK stating NASA caught an

208

00:08:55,810 --> 00:08:53,840

object coming from the left of the moon

209

00:08:58,120 --> 00:08:55,820

it was believed to be a UFO come on NASA

210

00:08:59,980 --> 00:08:58,130

told us it was exciting to read that

211

00:09:02,560 --> 00:08:59,990

because it confirms that I truly saw

212

00:09:06,580 --> 00:09:02,570

something zipping around underneath the

213

00:09:08,590 --> 00:09:06,590

left side of the moon NASA NASA revealed

214

00:09:12,430 --> 00:09:08,600

I have to look that one up here for

215

00:09:14,170 --> 00:09:12,440

citing at southend-on-sea England ok

216

00:09:14,560 --> 00:09:14,180

southend-on-sea that's the name of their

217

00:09:17,830 --> 00:09:14,570

town

218

00:09:20,320 --> 00:09:17,840

February 15 2018 a bright light a

219

00:09:23,610 --> 00:09:20,330

stationary then accelerated at high

220

00:09:27,010 --> 00:09:23,620

speed leaving line then disappeared

221

00:09:29,620 --> 00:09:27,020

standing at lounge open window notice

222

00:09:32,550 --> 00:09:29,630

very bright object in the night sky sky

223

00:09:36,220 --> 00:09:32,560

just after a plane had passed whilst

224

00:09:39,700 --> 00:09:36,230

whilst observing this object it appeared

225

00:09:41,650 --> 00:09:39,710

accelerated it says this is ok so

226

00:09:43,870 --> 00:09:41,660

chapped up this object it suddenly

227

00:09:47,080 --> 00:09:43,880

accelerated West at and upwards

228

00:09:51,250 --> 00:09:47,090

elevation at an incredible turn of speed

229

00:09:53,260 --> 00:09:51,260

it left a faint line in sky then this

230

00:09:55,840 --> 00:09:53,270

object disappeared in front of Orion's

231

00:10:00,610 --> 00:09:55,850

belt I've seen comets I've seen shooting

232

00:10:05,080 --> 00:10:00,620

stars this was neither one mom okay next

233

00:10:07,180 --> 00:10:05,090

okay hold on a second

234

00:10:10,360 --> 00:10:07,190

you feel sighting in Birmingham Alabama

235

00:10:13,000 --> 00:10:10,370

this occurred that's a slight UFO class

236

00:10:15,280 --> 00:10:13,010

from the past this occurred August 31st

237

00:10:17,710 --> 00:10:15,290

twenty thousand and nine outside smoking

238

00:10:19,750 --> 00:10:17,720

a cigarette looked up at the stars and a

239

00:10:22,600 --> 00:10:19,760

few seconds later we observed a large

240

00:10:24,760 --> 00:10:22,610

glowing silent object traveling at a

241

00:10:27,580 --> 00:10:24,770

cruising speed they put a question mark

242

00:10:29,530 --> 00:10:27,590

I was standing out in the back of my

243

00:10:32,050 --> 00:10:29,540

buddy's house I had stayed awake because

244

00:10:37,030 --> 00:10:32,060

I have problems sleeping in unfamiliar

245

00:10:39,850 --> 00:10:37,040

places his dad was still you as well huh

246

00:10:41,800 --> 00:10:39,860

was still okay we were standing outside

247

00:10:43,480 --> 00:10:41,810

smoking a cigarette talking and looking

248

00:10:46,780 --> 00:10:43,490

at the Stars after a few seconds of

249

00:10:48,340 --> 00:10:46,790

looking up we saw a large size of a

250

00:10:52,210 --> 00:10:48,350

house like two storey house

251
00:10:54,100 --> 00:10:52,220
glowing flying object it had an aura

252
00:10:56,920 --> 00:10:54,110
around it and the light coming off the

253
00:11:00,730 --> 00:10:56,930
back of it changed colors it flew

254
00:11:01,930 --> 00:11:00,740
overhead and was absolutely quiet we

255
00:11:04,240 --> 00:11:01,940
both looked at each other and

256
00:11:06,610 --> 00:11:04,250
immediately try to follow it through the

257
00:11:08,790 --> 00:11:06,620
woods oh I love it

258
00:11:11,800 --> 00:11:08,800
but was gone within a minute or so I

259
00:11:13,840 --> 00:11:11,810
couldn't sleep after that and I wouldn't

260
00:11:15,880 --> 00:11:13,850
either we spent the rest of the night

261
00:11:18,250 --> 00:11:15,890
talking about what it could have been

262
00:11:21,310 --> 00:11:18,260
and we both agreed that it wasn't

263
00:11:23,950 --> 00:11:21,320

anything from our planet this event has

264

00:11:27,400 --> 00:11:23,960

stayed with me for almost nine years I

265

00:11:32,140 --> 00:11:27,410

was 13 or 14 when I saw this what are

266

00:11:34,180 --> 00:11:32,150

you doing smoking bad kid bad hmm

267

00:11:36,640 --> 00:11:34,190

I know it wasn't something that I had

268

00:11:39,610 --> 00:11:36,650

ever seen before it went in a straight

269

00:11:42,420 --> 00:11:39,620

path it went over a thick wooded area

270

00:11:45,550 --> 00:11:42,430

and was out of sight I felt completely

271

00:11:48,250 --> 00:11:45,560

stuck when I saw it I remember being

272

00:11:50,770 --> 00:11:48,260

speechless for a few moments my buddy's

273

00:11:55,200 --> 00:11:50,780

dad looked at me and we both said what

274

00:11:57,640 --> 00:11:55,210

the bleep was that well you're a bad kid

275

00:11:59,290 --> 00:11:57,650

smoking in front of somebody else's dad

276
00:12:00,130 --> 00:11:59,300
and swearing and cussing and running

277
00:12:05,560 --> 00:12:00,140
through the woods at night

278
00:12:08,800 --> 00:12:05,570
that's bad I'm just kidding all right

279
00:12:12,520 --> 00:12:08,810
UFO site no sighting in Fountain Hills

280
00:12:16,710 --> 00:12:12,530
Arizona this occurred not too long ago

281
00:12:21,250 --> 00:12:16,720
but March 8th 2014 spotted in photograph

282
00:12:23,470 --> 00:12:21,260
original event date March 8th 2014 at

283
00:12:25,990 --> 00:12:23,480
4:40 p.m. while on vacation in the

284
00:12:29,320 --> 00:12:26,000
Phoenix area in March of 2014 my girl

285
00:12:31,300 --> 00:12:29,330
and I were escorted on a sightseeing

286
00:12:33,100 --> 00:12:31,310
drive with friends my girlfriend was

287
00:12:35,020 --> 00:12:33,110
taking random pictures of homes in the

288
00:12:37,720 --> 00:12:35,030

area and I asked to see some of her

289

00:12:39,940 --> 00:12:37,730

photos ironically I had watched a

290

00:12:42,910 --> 00:12:39,950

documentary on the Phoenix lights a

291

00:12:43,960 --> 00:12:42,920

month or two before after stumbling upon

292

00:12:46,540 --> 00:12:43,970

it on Netflix

293

00:12:49,870 --> 00:12:46,550

it seems suitable prior to my first

294

00:12:51,970 --> 00:12:49,880

visit to Arizona lol after glancing

295

00:12:54,520 --> 00:12:51,980

through some of my girls photos I

296

00:12:56,910 --> 00:12:54,530

noticed a peculiar thing in one in the

297

00:13:00,400 --> 00:12:56,920

picture taken at approximately 4:00 p.m.

298

00:13:01,180 --> 00:13:00,410

our two houses with a clear blue sky in

299

00:13:04,240 --> 00:13:01,190

the background

300

00:13:07,450 --> 00:13:04,250

above the house on the left are six

301
00:13:09,880 --> 00:13:07,460
white spots in a slight V pattern in the

302
00:13:11,620 --> 00:13:09,890
sky after seeing the photo we looked

303
00:13:13,390 --> 00:13:11,630
around the inside of the vehicle to see

304
00:13:16,000 --> 00:13:13,400
if something could have caused the glare

305
00:13:18,670 --> 00:13:16,010
on the window and have simulated that in

306
00:13:20,500 --> 00:13:18,680
the pic and found nothing as my

307
00:13:22,630 --> 00:13:20,510
girlfriend is she had ever heard of the

308
00:13:25,510 --> 00:13:22,640
Phoenix lights before and she said she

309
00:13:27,700 --> 00:13:25,520
hadn't my friend who was familiar with

310
00:13:29,890 --> 00:13:27,710
the lights not first hand and had

311
00:13:32,290 --> 00:13:29,900
friends that had seen other similar

312
00:13:34,900 --> 00:13:32,300
phenomena looked at the photo and was

313
00:13:36,340 --> 00:13:34,910

immediately intrigued after showing my

314

00:13:38,530 --> 00:13:36,350

girlfriend a photo of the Phoenix lights

315

00:13:38,830 --> 00:13:38,540

sighting found on Google and comparing

316

00:13:45,430 --> 00:13:38,840

it

317

00:13:48,490 --> 00:13:45,440

have no idea what is in the picture but

318

00:13:50,980 --> 00:13:48,500

it's quite obviously something I have

319

00:13:53,340 --> 00:13:50,990

examined this photo many times and Emin

320

00:13:55,750 --> 00:13:53,350

know further ahead and explaining it I

321

00:13:57,670 --> 00:13:55,760

should have sent this to you sooner but

322

00:13:59,830 --> 00:13:57,680

I wasn't aware of your organization and

323

00:14:02,200 --> 00:13:59,840

only found out from a friend while

324

00:14:04,210 --> 00:14:02,210

telling this story I was hoping you

325

00:14:05,820 --> 00:14:04,220

could offer some insight and explanation

326

00:14:08,020 --> 00:14:05,830

to what's in the photo

327

00:14:09,700 --> 00:14:08,030

unfortunately my girlfriend never never

328

00:14:12,250 --> 00:14:09,710

notice the objects when taking the

329

00:14:14,890 --> 00:14:12,260

picture and so only took the one pic

330

00:14:16,690 --> 00:14:14,900

although this report is made after the

331

00:14:18,700 --> 00:14:16,700

fact the date and approximate time of

332

00:14:22,300 --> 00:14:18,710

the event have been determined based on

333

00:14:25,300 --> 00:14:22,310

the image filed a date stamp the photo

334

00:14:27,280 --> 00:14:25,310

was taken on a Samsung g3 cell phone

335

00:14:29,470 --> 00:14:27,290

with no filter nothing has been done to

336

00:14:32,110 --> 00:14:29,480

alter the image and you are more than

337

00:14:34,210 --> 00:14:32,120

welcome to thoroughly inspect it it is

338

00:14:36,460 --> 00:14:34,220

just as I received it and originally

339

00:14:39,100 --> 00:14:36,470

viewed it I regret that our geo-tagging

340

00:14:41,880 --> 00:14:39,110

feature was disabled because we had our

341

00:14:45,340 --> 00:14:41,890

phone switched to airplane mode to avoid

342

00:14:47,560 --> 00:14:45,350

accidental roaming charges I have no way

343

00:14:49,960 --> 00:14:47,570

of telling you the exact location the

344

00:14:52,570 --> 00:14:49,970

photo was taken other than it was the

345

00:14:54,520 --> 00:14:52,580

Fountain Hills Phoenix area I hope you

346

00:14:56,260 --> 00:14:54,530

could keep in touch with us and with

347

00:14:58,690 --> 00:14:56,270

your findings if you have any questions

348

00:15:00,670 --> 00:14:58,700

don't hesitate to contact me I ask that

349

00:15:03,610 --> 00:15:00,680

if use the credit be given to the owner

350

00:15:05,080 --> 00:15:03,620

of this image thank you oh wait boys and

351
00:15:06,940 --> 00:15:05,090
girls we're gonna click on over on that

352
00:15:10,090 --> 00:15:06,950
one oh yes we are cuz I love these

353
00:15:13,090 --> 00:15:10,100
incidental findings sound like a doctor

354
00:15:16,660 --> 00:15:13,100
note okay they do have it listed we're

355
00:15:27,910 --> 00:15:16,670
clicking it is revealing itself Oh

356
00:15:31,129 --> 00:15:27,920
Shazam Oh Shazam guys Wow Wow

357
00:15:34,249 --> 00:15:31,139
two four six there are

358
00:15:37,729 --> 00:15:34,259
what a matchup and what a t-mike

359
00:15:40,249 --> 00:15:37,739
MetroPCS in the iPhone se for \$0 on a

360
00:15:44,030 --> 00:15:40,259
network that covers 99% of people in the

361
00:15:46,460 --> 00:15:44,040
US Haha a impressive play with the best

362
00:15:49,419 --> 00:15:46,470
switch to metro pcs and an unlimited LTE

363
00:15:51,650 --> 00:15:49,429

plan and get a 32 gig iPhone se for \$0

364

00:15:53,059 --> 00:15:51,660

MetroPCS coverage not available in some

365

00:15:54,349 --> 00:15:53,069

areas plus sales tax claim based on

366

00:15:55,280 --> 00:15:54,359

talking text not knowledge or active

367

00:15:56,780 --> 00:15:55,290

numbers currently on the t-mobile

368

00:15:58,460 --> 00:15:56,790

network or active on metro pcs in the

369

00:16:02,179 --> 00:15:58,470

past 90 days C store for details in

370

00:16:07,249 --> 00:16:02,189

terms conditions six lights in a

371

00:16:09,909 --> 00:16:07,259

boomerang shape I could see why they

372

00:16:17,150 --> 00:16:09,919

might think who was it a reflection but

373

00:16:20,389 --> 00:16:17,160

it's not that thing is there Wow very

374

00:16:23,269 --> 00:16:20,399

very spectacularly cool you guys got to

375

00:16:26,359 --> 00:16:23,279

come over to UF o headline news calm and

376

00:16:29,629 --> 00:16:26,369

click on today's episode and have a look

377

00:16:32,150 --> 00:16:29,639

at that picture very cool very cool I

378

00:16:35,389 --> 00:16:32,160

must say alright moving on

379

00:16:38,059 --> 00:16:35,399

UFO sighting and Mariposa California

380

00:16:42,949 --> 00:16:38,069

this is a UFO blast from the past

381

00:16:46,699 --> 00:16:42,959

this one occurred August 8th 1996 orange

382

00:16:49,819 --> 00:16:46,709

red ball okay shortly after the stump

383

00:16:51,739 --> 00:16:49,829

field fire and Mariposa California I

384

00:16:54,650 --> 00:16:51,749

witnessed what I can only describe as a

385

00:16:57,439 --> 00:16:54,660

UFO we're on our way back to Mariposa

386

00:17:00,139 --> 00:16:57,449

from a trip to Fresno coming from

387

00:17:02,359 --> 00:17:00,149

Oakhurst California there's a semi long

388

00:17:04,610 --> 00:17:02,369

bridge you cross then head towards

389

00:17:07,699 --> 00:17:04,620

Mariposa as we're coming down this road

390

00:17:10,669 --> 00:17:07,709

highway 49 we noticed a very bright area

391

00:17:12,860 --> 00:17:10,679

just off to our left we started to

392

00:17:15,049 --> 00:17:12,870

wonder if a fire had started again where

393

00:17:17,899 --> 00:17:15,059

the stump field fire had burned through

394

00:17:20,480 --> 00:17:17,909

as we got closer just before the bridge

395

00:17:23,329 --> 00:17:20,490

we could see a very bright light in the

396

00:17:25,129 --> 00:17:23,339

sky I was driving and after crossing the

397

00:17:28,460 --> 00:17:25,139

bridge I decided to pull over and

398

00:17:30,379 --> 00:17:28,470

observe the object in the sky I place

399

00:17:33,529 --> 00:17:30,389

the vehicle in park shut off the engine

400

00:17:36,200 --> 00:17:33,539

and we watched we had the windows down

401
00:17:39,860 --> 00:17:36,210
it could barely see the object it was a

402
00:17:43,100 --> 00:17:39,870
very big round bright orange sphere that

403
00:17:44,810 --> 00:17:43,110
just seemed to hover in midair we could

404
00:17:48,080 --> 00:17:44,820
see a trail of quote

405
00:17:50,930 --> 00:17:48,090
Moke or steam but whatever it was it was

406
00:17:54,019 --> 00:17:50,940
white as a craft moved closer to us we

407
00:17:57,080 --> 00:17:54,029
could see perfect smoke rings each time

408
00:17:59,720 --> 00:17:57,090
it would move and I recall through smoke

409
00:18:03,289 --> 00:17:59,730
rings indicated to me that it had moved

410
00:18:05,149 --> 00:18:03,299
closer to us three times while smoke

411
00:18:07,190 --> 00:18:05,159
rings I remember seeing my brothers do

412
00:18:09,710 --> 00:18:07,200
that when they were smoking I remember

413
00:18:12,019 --> 00:18:09,720

very clearly looking out a very big

414

00:18:16,820 --> 00:18:12,029

window or a computer screen this screen

415

00:18:20,180 --> 00:18:16,830

was over 50 feet long and what seemed to

416

00:18:22,549 --> 00:18:20,190

be 50 feet tall I could see where we

417

00:18:24,139 --> 00:18:22,559

parked what was around the vehicle and

418

00:18:26,450 --> 00:18:24,149

even inside although it was dark inside

419

00:18:28,789 --> 00:18:26,460

I remember watching the craft for what

420

00:18:32,269 --> 00:18:28,799

seemed to be an hour and while it moved

421

00:18:34,249 --> 00:18:32,279

closer to us and never got close at the

422

00:18:38,930 --> 00:18:34,259

very end of the sighting the craft spit

423

00:18:42,230 --> 00:18:38,940

out another o or smoke ring and move

424

00:18:44,690 --> 00:18:42,240

forward a bit and then went straight up

425

00:18:46,639 --> 00:18:44,700

and was out of sight within three

426

00:18:49,070 --> 00:18:46,649

seconds apparently it sprung a leak

427

00:18:52,940 --> 00:18:49,080

maybe had a oil leak you know they

428

00:18:55,999 --> 00:18:52,950

smoked as far as we could see it went

429

00:18:59,210 --> 00:18:56,009

straight up into space as it did not

430

00:19:01,249 --> 00:18:59,220

move nor did it change course we waited

431

00:19:03,799 --> 00:19:01,259

there for a few minutes to see if it

432

00:19:06,129 --> 00:19:03,809

would return or if anything else would

433

00:19:08,450 --> 00:19:06,139

do the same but nothing else showed I

434

00:19:11,690 --> 00:19:08,460

started the vehicle put it in gear

435

00:19:14,119 --> 00:19:11,700

and tried to turn on the lights but the

436

00:19:16,700 --> 00:19:14,129

lights would not work I was able to

437

00:19:18,350 --> 00:19:16,710

drive home with my brights on but took

438

00:19:20,810 --> 00:19:18,360

the vehicle to the dealership to get

439

00:19:24,289 --> 00:19:20,820

checked and they said the circuit or

440

00:19:27,499 --> 00:19:24,299

circuit board had been fried and needed

441

00:19:29,690 --> 00:19:27,509

to be replaced oh wow I have never seen

442

00:19:33,139 --> 00:19:29,700

anything like it before nor have I seen

443

00:19:34,610 --> 00:19:33,149

anything similar since at the time my

444

00:19:37,340 --> 00:19:34,620

wife and her mother witnessed the whole

445

00:19:39,649 --> 00:19:37,350

event and we still talked about it to

446

00:19:42,470 --> 00:19:39,659

this day we don't know what we've seen

447

00:19:44,570 --> 00:19:42,480

but we know we've seen something I never

448

00:19:46,159 --> 00:19:44,580

reported to anyone or any authorities

449

00:19:48,799 --> 00:19:46,169

because most people write you off as

450

00:19:51,740 --> 00:19:48,809

insane or making up stuff but I'm

451
00:19:54,259 --> 00:19:51,750
hopeful that telling my story here will

452
00:19:58,200 --> 00:19:54,269
keep others coming forward and hopefully

453
00:20:01,440 --> 00:19:58,210
we could figure out what it was we seen

454
00:20:06,019 --> 00:20:01,450
that's pretty fantastic UFO sighting in

455
00:20:09,239 --> 00:20:06,029
oh boy you gaul county cork cork

456
00:20:12,359 --> 00:20:09,249
February 14 2018 it frightened me

457
00:20:14,669 --> 00:20:12,369
fear total and absolute fear worked 20

458
00:20:17,239 --> 00:20:14,679
years in Merchant Navy and never

459
00:20:21,239 --> 00:20:17,249
witnessed anything like this oh wow

460
00:20:23,609 --> 00:20:21,249
it was cigar shaped object what

461
00:20:25,710 --> 00:20:23,619
attracted me to it was the fact that my

462
00:20:29,070 --> 00:20:25,720
immediate surroundings became

463
00:20:32,609 --> 00:20:29,080

illuminated in a very totally dark night

464

00:20:35,190 --> 00:20:32,619

the illumination was a constant on/off

465

00:20:38,940 --> 00:20:35,200

every one and one and a half seconds

466

00:20:42,419 --> 00:20:38,950

with the ground lit up oh my god imagine

467

00:20:44,220 --> 00:20:42,429

seeing that which continued for three or

468

00:20:46,739 --> 00:20:44,230

four minutes or perhaps five minutes

469

00:20:48,989 --> 00:20:46,749

then out of fear for my life I ran for

470

00:20:51,419 --> 00:20:48,999

my house and returned five minutes later

471

00:20:53,580 --> 00:20:51,429

with the witness but it had moved very

472

00:20:56,460 --> 00:20:53,590

far south by this time and the witness

473

00:20:58,859 --> 00:20:56,470

saw nothing it had moved out of sight as

474

00:21:00,779 --> 00:20:58,869

the light sequence continued there was

475

00:21:03,090 --> 00:21:00,789

no moon or any other light whatsoever in

476

00:21:06,419 --> 00:21:03,100

the vicinity as I live on a coastal

477

00:21:08,639 --> 00:21:06,429

seashore property and isolated seashore

478

00:21:12,239 --> 00:21:08,649

property oh I see why you're a fearful

479

00:21:15,960 --> 00:21:12,249

guys imagine that pitch black taken in

480

00:21:17,999 --> 00:21:15,970

the nice evening bright light big giant

481

00:21:21,690 --> 00:21:18,009

and I mean those cigar shaped ones are

482

00:21:23,310 --> 00:21:21,700

huge I've seen one huge and it's laying

483

00:21:26,489 --> 00:21:23,320

yourself up turn it off lighting up turn

484

00:21:29,129 --> 00:21:26,499

it off can you imagine the reality shift

485

00:21:33,180 --> 00:21:29,139

you would endure after witnessing

486

00:21:36,060 --> 00:21:33,190

something like that that that is yeah

487

00:21:38,369 --> 00:21:36,070

that was uh that was a doozy I can't

488

00:21:40,769 --> 00:21:38,379

imagine I can't imagine you know I

489

00:21:43,649 --> 00:21:40,779

wonder no you know how when we go to the

490

00:21:46,440 --> 00:21:43,659

zoo we have a barrier that keeps us away

491

00:21:47,539 --> 00:21:46,450

from the animals right you know just for

492

00:21:52,289 --> 00:21:47,549

our own protection

493

00:21:54,659 --> 00:21:52,299

what if we're a zoo what if these people

494

00:21:58,320 --> 00:21:54,669

or beings that are coming on these ships

495

00:22:00,899 --> 00:21:58,330

are allowed to only get so close and are

496

00:22:03,659 --> 00:22:00,909

told that if we pull up these little

497

00:22:06,720 --> 00:22:03,669

instruments called cameras they will

498

00:22:08,190 --> 00:22:06,730

shoot lasers and might injure them so

499

00:22:09,480 --> 00:22:08,200

what if they're just coming and hovering

500

00:22:11,369 --> 00:22:09,490

down and getting the close little peek

501
00:22:12,060 --> 00:22:11,379
I'm dancing around and you know those

502
00:22:13,260 --> 00:22:12,070
little dancing

503
00:22:14,580 --> 00:22:13,270
right that they always say seem to be

504
00:22:16,650 --> 00:22:14,590
chasing and playing with each other

505
00:22:18,930 --> 00:22:16,660
maybe those are the kid ships you know

506
00:22:21,330 --> 00:22:18,940
and they're just all taking a look and

507
00:22:23,400 --> 00:22:21,340
like oh look at the aliens down there

508
00:22:25,380 --> 00:22:23,410
and we're thinking oh my god oh my god

509
00:22:29,820 --> 00:22:25,390
we're the Lions where the Tigers are the

510
00:22:31,200 --> 00:22:29,830
Bears and we're going oh then we run for

511
00:22:34,320 --> 00:22:31,210
our lives because we think they're going

512
00:22:38,040 --> 00:22:34,330
to shoot us and what if that's the case

513
00:22:43,140 --> 00:22:38,050

we are a zoo they're looking at us and

514

00:22:45,690 --> 00:22:43,150

they're amazed at how we are very brutal

515

00:22:49,500 --> 00:22:45,700

and animalistic in the way that we eat

516

00:22:54,030 --> 00:22:49,510

treat each other that the entertainment

517

00:22:57,570 --> 00:22:54,040

I mean imagine that that's know could be

518

00:22:59,790 --> 00:22:57,580

a reality okay moving on to a paranormal

519

00:23:01,590 --> 00:22:59,800

point of a story because we do like the

520

00:23:03,840 --> 00:23:01,600

paranormal around here as well can't

521

00:23:07,260 --> 00:23:03,850

help myself this story is called

522

00:23:09,120 --> 00:23:07,270

children's laughter at midnight this

523

00:23:12,810 --> 00:23:09,130

person is sharing what it is that they

524

00:23:14,880 --> 00:23:12,820

personally experienced this paranormal

525

00:23:17,670 --> 00:23:14,890

experience happened to me a few months

526

00:23:19,620 --> 00:23:17,680

back I'm 16 years old and live on the

527

00:23:23,460 --> 00:23:19,630

outskirts of a nice little village in

528

00:23:25,440 --> 00:23:23,470

the Kentish countryside of Britain my

529

00:23:28,980 --> 00:23:25,450

village has quite a lot of history to it

530

00:23:33,260 --> 00:23:28,990

as well as a few ghost stories one

531

00:23:36,210 --> 00:23:33,270

Saturday night I was drinking what

532

00:23:38,760 --> 00:23:36,220

drinking down the old working man's club

533

00:23:40,830 --> 00:23:38,770

with a few of my friends let alone I'm

534

00:23:43,650 --> 00:23:40,840

only 16 and all my other friends are a

535

00:23:46,530 --> 00:23:43,660

bit older I still got served drinks but

536

00:23:49,800 --> 00:23:46,540

then again I do look about eighteen oh

537

00:23:51,630 --> 00:23:49,810

my goodness yeah anyway after a few

538

00:23:53,640 --> 00:23:51,640

hours of drinking it was getting rather

539

00:23:56,310 --> 00:23:53,650

late so I decided it was time for me to

540

00:23:59,310 --> 00:23:56,320

go home I said goodbye to all my friends

541

00:24:02,520 --> 00:23:59,320

and headed home in order for me to get

542

00:24:05,520 --> 00:24:02,530

home I had to take a long walk down an

543

00:24:08,250 --> 00:24:05,530

old creepy road that eventually reaches

544

00:24:10,380 --> 00:24:08,260

my house and had always freaked me out

545

00:24:12,380 --> 00:24:10,390

walking down that dark creepy road and

546

00:24:15,810 --> 00:24:12,390

I'd always get that gut feeling

547

00:24:19,620 --> 00:24:15,820

somebody's watching me but now I had to

548

00:24:22,860 --> 00:24:19,630

walk down it at night it also had quite

549

00:24:25,650 --> 00:24:22,870

a reputation for being haunted which

550

00:24:27,540 --> 00:24:25,660

didn't make things any more enjoyable

551
00:24:30,300 --> 00:24:27,550
as I started to walk home I couldn't

552
00:24:32,850 --> 00:24:30,310
help thinking that that old story my

553
00:24:36,660 --> 00:24:32,860
parents told me apparently back in the

554
00:24:39,180 --> 00:24:36,670
1700s a man in a horse and carriage lost

555
00:24:42,690 --> 00:24:39,190
control of it and skidded off the road

556
00:24:47,100 --> 00:24:42,700
and crashed into a nearby swampy pond

557
00:24:49,290 --> 00:24:47,110
and drowned there apparently his ghost

558
00:24:53,010 --> 00:24:49,300
lurks in the darkness patrolling around

559
00:24:57,510 --> 00:24:53,020
the pond he drowned in scaring nearby

560
00:25:00,210 --> 00:24:57,520
locals creepy I know so I continued

561
00:25:02,610 --> 00:25:00,220
walking down the dark creepy road while

562
00:25:05,490 --> 00:25:02,620
walking I got that gut feeling again of

563
00:25:09,120 --> 00:25:05,500

somebody watching me as I walked further

564

00:25:13,890 --> 00:25:09,130

I got more paranoid and started to hear

565

00:25:16,520 --> 00:25:13,900

noises I then heard the most creepiest

566

00:25:19,170 --> 00:25:16,530

noise I have ever heard in my life

567

00:25:21,900 --> 00:25:19,180

it sounded like kids laughter oh yeah

568

00:25:24,240 --> 00:25:21,910

that's that's creepy kids laughing and

569

00:25:25,370 --> 00:25:24,250

it just makes me want to hurl every time

570

00:25:28,850 --> 00:25:25,380

I was kidding

571

00:25:31,650 --> 00:25:28,860

absolutely nobody was around and I doubt

572

00:25:36,210 --> 00:25:31,660

anybody would let their kids out at this

573

00:25:40,290 --> 00:25:36,220

time of night I kept on walking but the

574

00:25:42,840 --> 00:25:40,300

kids laughter got louder and closer okay

575

00:25:46,950 --> 00:25:42,850

that starts to get creepy the laughter

576

00:25:51,240 --> 00:25:46,960

then turned into voices the sound was

577

00:25:55,170 --> 00:25:51,250

now directly behind me I started to run

578

00:25:58,200 --> 00:25:55,180

I was now directly next to the pond in

579

00:26:01,290 --> 00:25:58,210

the pitch black of the night not seeing

580

00:26:04,920 --> 00:26:01,300

where I was going the voices then turned

581

00:26:07,980 --> 00:26:04,930

into nursery rhyme singing oh oh that's

582

00:26:10,050 --> 00:26:07,990

disturbing okay give it to you there and

583

00:26:14,640 --> 00:26:10,060

now sounded like multiple children

584

00:26:19,530 --> 00:26:14,650

singing talking and laughing as I

585

00:26:21,930 --> 00:26:19,540

sprinted past the old pond I swear I saw

586

00:26:25,290 --> 00:26:21,940

somebody lurking in the darkness of the

587

00:26:29,010 --> 00:26:25,300

bushes staring at me with bright

588

00:26:31,710 --> 00:26:29,020

piercing eyes I then started to run

589

00:26:34,620 --> 00:26:31,720

faster with the noises getting louder

590

00:26:37,320 --> 00:26:34,630

and more overwhelming I could see the

591

00:26:39,520 --> 00:26:37,330

dimly lit house at the end of the road

592

00:26:41,940 --> 00:26:39,530

as I got into sight

593

00:26:45,550 --> 00:26:41,950

of the other nearby houses the noise

594

00:26:48,280 --> 00:26:45,560

gradually started to stop I was still

595

00:26:50,020 --> 00:26:48,290

terribly frightened so I sprinted from

596

00:26:53,340 --> 00:26:50,030

my house smashed through the back door

597

00:26:57,070 --> 00:26:53,350

and immediately locking it behind me

598

00:27:00,550 --> 00:26:57,080

from all the noise I made I must have

599

00:27:03,130 --> 00:27:00,560

woken up my dad sleeping on his armchair

600

00:27:05,800 --> 00:27:03,140

by the fire I then walked it to the

601
00:27:08,920 --> 00:27:05,810
front room out of breath and extremely

602
00:27:11,580 --> 00:27:08,930
exhausted my dad then asked me what had

603
00:27:14,470 --> 00:27:11,590
happened and I told him the whole story

604
00:27:16,960 --> 00:27:14,480
he believed the whole thing well you're

605
00:27:19,480 --> 00:27:16,970
lucky I never told the rest of my family

606
00:27:23,680 --> 00:27:19,490
about what had happened it just had been

607
00:27:26,110 --> 00:27:23,690
between me and my dad I never walked

608
00:27:30,220 --> 00:27:26,120
down the creepy road at night anymore

609
00:27:32,770 --> 00:27:30,230
just in the day but even then it still

610
00:27:35,380 --> 00:27:32,780
freaks me out I will never forget what

611
00:27:38,530 --> 00:27:35,390
happened down the old road but to this

612
00:27:44,350 --> 00:27:38,540
day I still have nightmares of my

613
00:27:45,430 --> 00:27:44,360

paranormal experience creepy I mean you

614

00:27:48,610 --> 00:27:45,440

don't know until you've been there

615

00:27:51,100 --> 00:27:48,620

people you really don't and um yeah I

616

00:27:52,780 --> 00:27:51,110

tell people be happy that the paranormal

617

00:27:55,300 --> 00:27:52,790

has not proven itself to you be a

618

00:27:56,920 --> 00:27:55,310

skeptic go ahead go ahead keep it to

619

00:27:58,330 --> 00:27:56,930

yourself at your skepticism don't make

620

00:27:59,410 --> 00:27:58,340

fun of the rest of us who are coming to

621

00:28:02,740 --> 00:27:59,420

terms with what it is

622

00:28:05,020 --> 00:28:02,750

we have experienced okay well I have to

623

00:28:06,910 --> 00:28:05,030

tell you guys thank you so much for

624

00:28:09,340 --> 00:28:06,920

listening to UFO headline news with me

625

00:28:12,400 --> 00:28:09,350

Heidi Hollis and be sure to check out

626
00:28:15,670 --> 00:28:12,410
UFO headline news com every single day

627
00:28:18,040 --> 00:28:15,680
and turn it to my other - yes - weekly

628
00:28:19,780 --> 00:28:18,050
shows the Outlander on Fridays and I

629
00:28:21,700 --> 00:28:19,790
co-host on the Kevin cook show every

630
00:28:24,310 --> 00:28:21,710
Tuesday both shows are at 9:00 p.m.

631
00:28:26,500 --> 00:28:24,320
Eastern a p.m. central and see my

632
00:28:29,890 --> 00:28:26,510
paranormal comic strip mm-hmm the

633
00:28:31,960 --> 00:28:29,900
Outlanders at the Outlanders comic calm

634
00:28:36,160 --> 00:28:31,970
direct links to everything can be found

635
00:28:37,720 --> 00:28:36,170
here or at Heidi Hollis calm if you've

636
00:28:40,450 --> 00:28:37,730
experienced anything out of the ordinary

637
00:28:43,300 --> 00:28:40,460
one some level-headed advice or if

638
00:28:46,990 --> 00:28:43,310

you've seen a UFO and want to share be

639

00:28:48,960 --> 00:28:47,000

sure to write me at UAH n an inception

640

00:28:52,530 --> 00:28:48,970

radio network com

641

00:29:05,250 --> 00:28:52,540

remember always to keep an open mind

642

00:29:08,550 --> 00:29:05,260

you can stay informed and inspired what

643

00:29:11,010 --> 00:29:08,560

a matchup and what a t-mike MetroPCS in

644

00:29:13,410 --> 00:29:11,020

the iPhone se for zero dollars on a

645

00:29:13,950 --> 00:29:13,420

network that covers 99% of people in the

646

00:29:17,460 --> 00:29:13,960

US

647

00:29:19,620 --> 00:29:17,470

oho impressive play with the best

648

00:29:22,610 --> 00:29:19,630

switch to metro pcs and unlimited LTE

649

00:29:24,840 --> 00:29:22,620

plan and get a 32 gig iPhone se for \$0

650

00:29:26,220 --> 00:29:24,850

MetroPCS covers not available in some

651

00:29:27,510 --> 00:29:26,230

areas plus sales tax claim based on

652

00:29:28,440 --> 00:29:27,520

talking text not valid for active

653

00:29:30,000 --> 00:29:28,450

numbers currently on the t-mobile

654

00:29:31,590 --> 00:29:30,010

networker active on metro pcs in the
