

# UFO Headline News | Saturday/Sunday February 24th & 25th, 2018

Listen on

[inceptionradionetwork.com](http://inceptionradionetwork.com)

1  
00:00:04,999 --> 00:00:00,880

[Music]

2  
00:00:07,940 --> 00:00:05,009

what a matcha and what a t-mike MetroPCS

3  
00:00:11,000 --> 00:00:07,950

in the iPhone se for \$0 on a network

4  
00:00:14,660 --> 00:00:11,010

that covers 99% of people in the US Haho

5  
00:00:16,730 --> 00:00:14,670

impressive play with the best switch to

6  
00:00:19,820 --> 00:00:16,740

MetroPCS and an unlimited LTE plan and

7  
00:00:21,710 --> 00:00:19,830

get a 32 gig iphone se for \$0 not your

8  
00:00:23,000 --> 00:00:21,720

pcs covers not available in some areas

9  
00:00:24,410 --> 00:00:23,010

plus sales tax claim based on talking

10  
00:00:25,580 --> 00:00:24,420

text not now attractive numbers

11  
00:00:27,200 --> 00:00:25,590

currently on the t-mobile network or

12  
00:00:30,440 --> 00:00:27,210

active on metro pcs in the past 90 days

13  
00:00:33,760 --> 00:00:30,450

C store for details and terms conditions

14

00:00:36,590 --> 00:00:33,770

[Music]

15

00:00:38,959 --> 00:00:36,600

welcome welcome to UFO headline news

16

00:00:41,569 --> 00:00:38,969

with me Heidi Hollis where every day I

17

00:00:43,819 --> 00:00:41,579

aim to bring you the latest and the o

18

00:00:47,660 --> 00:00:43,829

for reports and other fascinating

19

00:00:52,639 --> 00:00:47,670

stories from around the globe today is

20

00:00:55,130 --> 00:00:52,649

Saturday February 24 2018 and on Fridays

21

00:00:57,529 --> 00:00:55,140

at 8 p.m. Central Standard Time join me

22

00:00:59,270 --> 00:00:57,539

on my talk show the Outlander

23

00:01:01,130 --> 00:00:59,280

where I answer your emails take your

24

00:01:04,759 --> 00:01:01,140

calls and interview some intriguing

25

00:01:09,170 --> 00:01:04,769

guests just go to Heidi Hollis comm for

26

00:01:12,440 --> 00:01:09,180

more information and I are in chat comm

27

00:01:15,859 --> 00:01:12,450

to chat and interact and listen live to

28

00:01:19,490 --> 00:01:15,869

the Outlander show blasting off with

29

00:01:21,679 --> 00:01:19,500

some UFO reports UFO sighting in Borrego

30

00:01:25,910 --> 00:01:21,689

Springs California

31

00:01:30,080 --> 00:01:25,920

this occurred February 17 2018 two

32

00:01:32,719 --> 00:01:30,090

bright lights hover then fade out we

33

00:01:35,149 --> 00:01:32,729

observed two bright white like star-like

34

00:01:37,999 --> 00:01:35,159

objects that faded out during a camping

35

00:01:41,749 --> 00:01:38,009

trip this happened at the southern end

36

00:01:44,149 --> 00:01:41,759

of Clark dry lake off Rockhouse Canyon

37

00:01:46,940 --> 00:01:44,159

Road due west of Borrego Springs that is

38

00:01:48,859 --> 00:01:46,950

so specific you would have to live right

39

00:01:50,810 --> 00:01:48,869

there on that spot to know what you're

40

00:01:52,789 --> 00:01:50,820

speaking of I am pretty sure the

41

00:01:57,039 --> 00:01:52,799

sighting took place in the southern sky

42

00:02:01,399 --> 00:01:57,049

near Sirius around 8 p.m. precisely

43

00:02:03,859 --> 00:02:01,409

Sirius was equi destined equidistant I'm

44

00:02:07,760 --> 00:02:03,869

sorry equidistant from the two objects

45

00:02:11,360 --> 00:02:07,770

and Orion I enjoy camping and teaching

46

00:02:14,270 --> 00:02:11,370

people about astronomy my fiancee wanted

47

00:02:17,600 --> 00:02:14,280

to show off her astronomy knowledge by

48

00:02:20,540 --> 00:02:17,610

Orion and Sirius she pointed to the left

49

00:02:24,800 --> 00:02:20,550

of Sirius and asked what are those stars

50

00:02:27,080 --> 00:02:24,810

I said I don't know I'll get out my

51  
00:02:29,870 --> 00:02:27,090  
phone to look at my night sky yeah

52  
00:02:32,900 --> 00:02:29,880  
that's pretty serious I was just looking

53  
00:02:36,350 --> 00:02:32,910  
at Sirius and Orion a few minutes

54  
00:02:38,600 --> 00:02:36,360  
earlier and I didn't see anything she

55  
00:02:42,320 --> 00:02:38,610  
noticed how bright they were the word

56  
00:02:44,270 --> 00:02:42,330  
she used was piercing I said yes

57  
00:02:47,810 --> 00:02:44,280  
they're definitely too bright to be

58  
00:02:50,300 --> 00:02:47,820  
stars keep watching them I was fumbling

59  
00:02:51,470 --> 00:02:50,310  
for my phone and she yelled one

60  
00:02:54,229 --> 00:02:51,480  
disappeared

61  
00:02:57,320 --> 00:02:54,239  
I stopped fumbling for my phone and

62  
00:03:01,210 --> 00:02:57,330  
wanted to witness this for myself about

63  
00:03:06,110 --> 00:03:01,220

six seconds later the second object

64

00:03:09,470 --> 00:03:06,120

faded out it looked like Star Trek beam

65

00:03:13,520 --> 00:03:09,480

me up type of fade away this was about

66

00:03:18,070 --> 00:03:13,530

my fifth or sixth UFO experience it was

67

00:03:22,520 --> 00:03:18,080

my fiance's first her life is changed

68

00:03:25,910 --> 00:03:22,530

she is afraid of UFOs and she didn't

69

00:03:28,850 --> 00:03:25,920

want to see them mm-hmm see that guys

70

00:03:31,610 --> 00:03:28,860

see that her life has changed imagine

71

00:03:35,180 --> 00:03:31,620

that imagine that you see something out

72

00:03:37,220 --> 00:03:35,190

of the ordinary set to not exist and you

73

00:03:41,570 --> 00:03:37,230

know the night sky and you're looking at

74

00:03:44,090 --> 00:03:41,580

it and it changes on you there's no big

75

00:03:46,430 --> 00:03:44,100

television screen to say that was

76

00:03:50,990 --> 00:03:46,440

special effects or a floater in your

77

00:03:56,420 --> 00:03:51,000

eyeball no nope reality just revealed

78

00:03:59,900 --> 00:03:56,430

itself and it had a UFO in it you know

79

00:04:02,539 --> 00:03:59,910

sighting and shopping chap in chap chap

80

00:04:05,440 --> 00:04:02,549

and I don't know one of those South

81

00:04:08,660 --> 00:04:05,450

Carolina this happened February 18th

82

00:04:11,569 --> 00:04:08,670

2018 pulsating orange and red lights in

83

00:04:13,580 --> 00:04:11,579

the sky inside the clouds

84

00:04:16,610 --> 00:04:13,590

oh no that's different last night

85

00:04:18,170 --> 00:04:16,620

February 18 2018 my wife called me to

86

00:04:21,830 --> 00:04:18,180

the window and pointed at the clouds

87

00:04:25,400 --> 00:04:21,840

asking what is that we live in a more

88

00:04:27,830 --> 00:04:25,410

rural area so there are no City type

89

00:04:28,250 --> 00:04:27,840

lights to shine it looked as though it

90

00:04:30,920 --> 00:04:28,260

was

91

00:04:34,220 --> 00:04:30,930

heat lightning type of event but it

92

00:04:37,550 --> 00:04:34,230

never stopped and it was pulsing not

93

00:04:39,560 --> 00:04:37,560

flashing light lightning we then walked

94

00:04:43,460 --> 00:04:39,570

out to the back porch to get a clearer

95

00:04:47,180 --> 00:04:43,470

view and it was much larger of an area

96

00:04:49,940 --> 00:04:47,190

of Lights than anticipated I pulled out

97

00:04:52,250 --> 00:04:49,950

my phone and started recording it after

98

00:04:54,950 --> 00:04:52,260

a few moments it just stopped like

99

00:04:59,030 --> 00:04:54,960

someone had just flipped a switch they

100

00:05:01,940 --> 00:04:59,040

saw you filming then nothing I kept

101  
00:05:04,040 --> 00:05:01,950  
recording and my wife said this is what

102  
00:05:06,560 --> 00:05:04,050  
it did just before I called you into the

103  
00:05:08,600 --> 00:05:06,570  
room apparently she watched it for a few

104  
00:05:10,880 --> 00:05:08,610  
moments from the window then it stopped

105  
00:05:13,430 --> 00:05:10,890  
and once it started again she called me

106  
00:05:17,180 --> 00:05:13,440  
in to see it she thought it to be

107  
00:05:21,650 --> 00:05:17,190  
strange once the lights shut off the

108  
00:05:24,290 --> 00:05:21,660  
hair on my arms stood up like crazy we

109  
00:05:26,210 --> 00:05:24,300  
then contacted the local TV station to

110  
00:05:29,300 --> 00:05:26,220  
see if there was anyone else who

111  
00:05:31,670 --> 00:05:29,310  
reported this and they said no of course

112  
00:05:34,250 --> 00:05:31,680  
they would I explained the situation to

113  
00:05:36,230 --> 00:05:34,260

sent them the video they reviewed it and

114

00:05:39,230 --> 00:05:36,240

said they thought it was lights

115

00:05:42,980 --> 00:05:39,240

reflecting from emergency vehicles oh

116

00:05:46,010 --> 00:05:42,990

wow I do not buy that as the light was

117

00:05:48,230 --> 00:05:46,020

so high in the sky and they also said

118

00:05:51,020 --> 00:05:48,240

there were no emergencies or anything in

119

00:05:54,410 --> 00:05:51,030

our area at that time what I honestly

120

00:05:56,450 --> 00:05:54,420

thought it was when I first say it was a

121

00:05:58,820 --> 00:05:56,460

house on fire and the light emitted from

122

00:06:01,310 --> 00:05:58,830

the fire was being reflected by lower

123

00:06:06,020 --> 00:06:01,320

clouds that's how bright the red and

124

00:06:09,140 --> 00:06:06,030

orange was then it just shut off I knew

125

00:06:10,700 --> 00:06:09,150

it was not a fire again I do have video

126  
00:06:13,730 --> 00:06:10,710  
of the incident from the time we walked

127  
00:06:15,680 --> 00:06:13,740  
outside it was very odd we then did some

128  
00:06:17,840 --> 00:06:15,690  
research online to see if anyone had

129  
00:06:21,140 --> 00:06:17,850  
reported anything similar my wife found

130  
00:06:23,750 --> 00:06:21,150  
a woman who put a post three hours prior

131  
00:06:26,900 --> 00:06:23,760  
of a woman in Mississippi who described

132  
00:06:29,560 --> 00:06:26,910  
exactly what we saw Mississippi to South

133  
00:06:32,000 --> 00:06:29,570  
Carolina is not just around the corner

134  
00:06:34,460 --> 00:06:32,010  
just odd ok guys I'm gonna click this

135  
00:06:37,430 --> 00:06:34,470  
let me see I'm gonna see if this video

136  
00:06:38,930 --> 00:06:37,440  
exists let's see if they put it on here

137  
00:06:42,200 --> 00:06:38,940  
because that would be pretty cool if

138  
00:06:44,540 --> 00:06:42,210

they did darn it all to heck

139

00:06:48,200 --> 00:06:44,550

there's no video or picture okay well I

140

00:06:50,870 --> 00:06:48,210

tried UFO sighting in Gainsborough

141

00:06:55,159 --> 00:06:50,880

England this is a blast from the past

142

00:06:56,749 --> 00:06:55,169

this happened August 3rd 1998 it was

143

00:07:00,200 --> 00:06:56,759

three years after I took the picture

144

00:07:02,659 --> 00:07:00,210

before I found it oh I just bought a new

145

00:07:05,330 --> 00:07:02,669

camera I was trying it out by Swizzle

146

00:07:10,219 --> 00:07:05,340

around Swizzle it must be something

147

00:07:14,240 --> 00:07:10,229

British and napping pictures Swizzle and

148

00:07:17,570 --> 00:07:14,250

napping we sleep when we say napping to

149

00:07:19,249 --> 00:07:17,580

see if there was any blurring I took

150

00:07:21,650 --> 00:07:19,259

about ten pictures doing the same thing

151

00:07:23,870 --> 00:07:21,660

I only looked at the first couple and

152

00:07:25,760 --> 00:07:23,880

they seemed good quality so I downloaded

153

00:07:28,430 --> 00:07:25,770

them into a file on my computer and

154

00:07:31,850 --> 00:07:28,440

never thought any more about it then I

155

00:07:34,279 --> 00:07:31,860

acquired a program called Picasa which

156

00:07:35,990 --> 00:07:34,289

found lots of photos on my photo looking

157

00:07:38,300 --> 00:07:36,000

through them I spotted this one I

158

00:07:40,969 --> 00:07:38,310

thought it might have been a bird and

159

00:07:43,460 --> 00:07:40,979

flight and pass it by I have never

160

00:07:46,719 --> 00:07:43,470

bothered too much about it and it might

161

00:07:51,409 --> 00:07:46,729

be nothing at all I will let you judge

162

00:07:53,659 --> 00:07:51,419

best regards Derek alright Derek Derek

163

00:07:55,999 --> 00:07:53,669

me in the listeners we're gonna we're

164

00:07:58,490 --> 00:07:56,009

gonna poke our heads in at this wild and

165

00:08:08,240 --> 00:07:58,500

crazy photo of yours let's see what we

166

00:08:14,930 --> 00:08:08,250

think oh oh oh are you kidding me Derek

167

00:08:20,709 --> 00:08:14,940

oh wow that is a that is a classic UFO

168

00:08:23,499 --> 00:08:20,719

guys this is a he caught a UFO

169

00:08:26,209 --> 00:08:23,509

he caught a pretty good-sized one too

170

00:08:30,920 --> 00:08:26,219

that is it's got a dome on top and

171

00:08:34,279 --> 00:08:30,930

everything that's no bird wow you guys

172

00:08:40,730 --> 00:08:34,289

got to see that one that was a doozy Wow

173

00:08:42,649 --> 00:08:40,740

okay alright it's from 98 huh as I dig

174

00:08:45,319 --> 00:08:42,659

it I dig it you know I love when I catch

175

00:08:47,960 --> 00:08:45,329

some of these that are just fantastic I

176  
00:08:49,240 --> 00:08:47,970  
don't go look at all of them but maybe I

177  
00:08:51,319 --> 00:08:49,250  
should alright

178  
00:08:53,869 --> 00:08:51,329  
[Laughter]

179  
00:08:56,329 --> 00:08:53,879  
this next yearfor sighting happened in

180  
00:09:00,439 --> 00:08:56,339  
Topeka Kansas this happened July 31st

181  
00:09:04,269 --> 00:09:00,449  
2017 I woke to two beings floating in my

182  
00:09:06,739 --> 00:09:04,279  
bedroom that's not a UFO sighting oh

183  
00:09:08,090 --> 00:09:06,749  
okay that's breathe guys all right just

184  
00:09:10,519 --> 00:09:08,100  
wanted to share an experience I had a

185  
00:09:12,590 --> 00:09:10,529  
couple of months ago to see if anyone

186  
00:09:15,289 --> 00:09:12,600  
else could help me try and understand

187  
00:09:17,470 --> 00:09:15,299  
better what is going on and if anyone

188  
00:09:21,289 --> 00:09:17,480

else has experienced something similar

189

00:09:27,049 --> 00:09:21,299

the date is between August 21st 2017 the

190

00:09:29,239 --> 00:09:27,059

solar eclipse and August 31st 2017 my

191

00:09:32,569 --> 00:09:29,249

husband and I woke around 3:00 a.m. to

192

00:09:35,210 --> 00:09:32,579

sounds outside our bedroom door when we

193

00:09:38,600 --> 00:09:35,220

looked outside we found our dogs crying

194

00:09:41,030 --> 00:09:38,610

to be let in but we have locked our dogs

195

00:09:43,720 --> 00:09:41,040

in their crate before going to bed in

196

00:09:47,169 --> 00:09:43,730

our backyard gate is locked as well

197

00:09:52,699 --> 00:09:47,179

jokingly my husband said I think aliens

198

00:09:54,559 --> 00:09:52,709

teleported the dogs outside and it's so

199

00:09:56,929 --> 00:09:54,569

funny you guys have no idea what my

200

00:09:58,369 --> 00:09:56,939

computer just did it was hilarious it

201  
00:10:05,090 --> 00:09:58,379  
said there are too many grammatical

202  
00:10:08,629 --> 00:10:05,100  
errors okay there are too many spelling

203  
00:10:12,289 --> 00:10:08,639  
or grammatical errors on this document

204  
00:10:13,909 --> 00:10:12,299  
to continue displaying them to check the

205  
00:10:15,710 --> 00:10:13,919  
spelling and grammar' this document

206  
00:10:19,159 --> 00:10:15,720  
she's spelling and grammar' from the

207  
00:10:22,280 --> 00:10:19,169  
review tab did don't I always say don't

208  
00:10:24,199 --> 00:10:22,290  
I always say oh my gosh you guys need to

209  
00:10:26,600 --> 00:10:24,209  
edit your stuff because I am reading

210  
00:10:28,069 --> 00:10:26,610  
like another language with the so called

211  
00:10:34,249 --> 00:10:28,079  
English that people are putting in these

212  
00:10:37,609 --> 00:10:34,259  
reports and just now my word Microsoft

213  
00:10:39,769 --> 00:10:37,619

Word just rejected this BS is what they

214

00:10:43,489 --> 00:10:39,779

just put in there meaning that was funny

215

00:10:46,550 --> 00:10:43,499

I have never had a document be so poorly

216

00:10:49,269 --> 00:10:46,560

written that the computer gave up oh

217

00:10:56,359 --> 00:10:49,279

[Laughter]

218

00:10:58,220 --> 00:10:56,369

that was funny that was unique okay all

219

00:11:00,980 --> 00:10:58,230

right hold on where was I okay jokingly

220

00:11:04,670 --> 00:11:00,990

my husband said I think aliens

221

00:11:06,980 --> 00:11:04,680

teleported teleported the dogs outside

222

00:11:10,010 --> 00:11:06,990

and I said I hope so that would be

223

00:11:12,230 --> 00:11:10,020

awesome my husband put the dogs back in

224

00:11:14,420 --> 00:11:12,240

their crate and we went back to sleep oh

225

00:11:16,400 --> 00:11:14,430

they were really outside but within a

226  
00:11:20,570 --> 00:11:16,410  
few minutes our bedroom door opened

227  
00:11:23,570 --> 00:11:20,580  
again and when I turned to look two

228  
00:11:24,620 --> 00:11:23,580  
little beings floated into the room oh

229  
00:11:27,790 --> 00:11:24,630  
come on

230  
00:11:31,670 --> 00:11:27,800  
as soon as they saw me looking at them I

231  
00:11:33,050 --> 00:11:31,680  
was instantly knocked into paralysis and

232  
00:11:35,720 --> 00:11:33,060  
could not move at all

233  
00:11:38,900 --> 00:11:35,730  
all those little stinkers this also

234  
00:11:42,470 --> 00:11:38,910  
shifted time into a super slow motion

235  
00:11:45,470 --> 00:11:42,480  
slow I began to struggle and freaking

236  
00:11:48,889 --> 00:11:45,480  
out and that seemed to then knock me out

237  
00:11:52,220 --> 00:11:48,899  
on my body into another plane or

238  
00:11:55,070 --> 00:11:52,230

dimension I could now move and when I

239

00:11:58,940 --> 00:11:55,080

rolled over to look up at this being it

240

00:12:03,050 --> 00:11:58,950

had black colored wind moving behind and

241

00:12:05,449 --> 00:12:03,060

around it in slow motion oh this sounds

242

00:12:07,840 --> 00:12:05,459

familiar I never saw the second being

243

00:12:11,420 --> 00:12:07,850

that seemed to stand guard at the door

244

00:12:14,060 --> 00:12:11,430

but I somehow knew it was there it was

245

00:12:20,420 --> 00:12:14,070

hard to focus on it because time seemed

246

00:12:23,360 --> 00:12:20,430

to slow way down and and It was as if my

247

00:12:28,060 --> 00:12:23,370

vision would vibrate when I looked at it

248

00:12:31,579 --> 00:12:28,070

it had an extremely white head pimple

249

00:12:37,160 --> 00:12:31,589

kidding an extremely white head shaped

250

00:12:39,500 --> 00:12:37,170

like a Chinese dragon mask I thought it

251  
00:12:43,250 --> 00:12:39,510  
might be a mask at first with very

252  
00:12:46,850 --> 00:12:43,260  
protruding brows and forehead I then saw

253  
00:12:49,970 --> 00:12:46,860  
it had a very slim neck and a collar at

254  
00:12:52,699 --> 00:12:49,980  
the top of the suit it was wearing it

255  
00:12:55,010 --> 00:12:52,709  
was gray and form-fitting with a belt or

256  
00:12:57,410 --> 00:12:55,020  
a band in the middle the energy was

257  
00:13:00,980 --> 00:12:57,420  
putting off was very unfamiliar to me

258  
00:13:03,860 --> 00:13:00,990  
and I did not like the feeling of it I

259  
00:13:08,900 --> 00:13:03,870  
immediately noticed that I could feel

260  
00:13:11,350 --> 00:13:08,910  
myself outside of my body from above at

261  
00:13:16,500 --> 00:13:11,360  
the same time that I could feel it from

262  
00:13:23,970 --> 00:13:20,940  
okay I could see and remember everything

263  
00:13:26,580 --> 00:13:23,980

at the same time from both locations my

264

00:13:29,820 --> 00:13:26,590

instincts told me to create a protection

265

00:13:33,060 --> 00:13:29,830

field around my husband and I in bed and

266

00:13:36,210 --> 00:13:33,070

I push out this blue sphere of light

267

00:13:39,390 --> 00:13:36,220

around us from a from below but as I was

268

00:13:43,080 --> 00:13:39,400

watching myself do this from above it it

269

00:13:46,380 --> 00:13:43,090

looked like a flat blue circle instead

270

00:13:48,510 --> 00:13:46,390

of 3-dimensional I was really struggling

271

00:13:51,450 --> 00:13:48,520

from below to move and wake my husband

272

00:13:54,360 --> 00:13:51,460

up I could start to feel myself swaying

273

00:13:56,310 --> 00:13:54,370

and trying to shake from above the

274

00:13:58,020 --> 00:13:56,320

energy was so uncomfortable that I

275

00:14:01,470 --> 00:13:58,030

wanted to get out of the room

276

00:14:04,530 --> 00:14:01,480

immediately I started floating out my

277

00:14:08,550 --> 00:14:04,540

door and then hovering above my pool

278

00:14:11,460 --> 00:14:08,560

outside it was well-lit outside not sure

279

00:14:14,550 --> 00:14:11,470

if it was close to a full moon or it was

280

00:14:16,950 --> 00:14:14,560

an artificial light from above I felt as

281

00:14:19,470 --> 00:14:16,960

if my body inside could almost break

282

00:14:23,040 --> 00:14:19,480

free from the paralysis when I was

283

00:14:26,010 --> 00:14:23,050

sucked back into my room and I shot up

284

00:14:28,650 --> 00:14:26,020

in bed I woke my husband up and said

285

00:14:34,320 --> 00:14:28,660

they were just here floating around like

286

00:14:37,290 --> 00:14:34,330

Peter Pan that's funny what you really

287

00:14:39,300 --> 00:14:37,300

said Peter Pan he could also feel that

288

00:14:41,550 --> 00:14:39,310

something was off and didn't quite know

289

00:14:44,070 --> 00:14:41,560

what was going on he ended up getting

290

00:14:45,810 --> 00:14:44,080

our nine-millimeter out and stayed up in

291

00:14:48,240 --> 00:14:45,820

the living room for the rest of the

292

00:14:50,820 --> 00:14:48,250

night that's cool that you weren't

293

00:14:54,180 --> 00:14:50,830

doubted the time of the clock when this

294

00:14:57,270 --> 00:14:54,190

started was 3:23 and when I shot up in

295

00:14:59,310 --> 00:14:57,280

bed it was for 14 I wrote everything

296

00:15:03,950 --> 00:14:59,320

down to try and make sense of it all and

297

00:15:06,960 --> 00:15:03,960

a few months later my notes disappeared

298

00:15:09,120 --> 00:15:06,970

Wow I knew something was missing in that

299

00:15:11,370 --> 00:15:09,130

hour in between the beginning of the end

300

00:15:13,260 --> 00:15:11,380

of the experience so I went to a

301  
00:15:17,250 --> 00:15:13,270  
hypnosis to try and recover my memories

302  
00:15:20,280 --> 00:15:17,260  
oh go go all right girlfriend they did

303  
00:15:23,040 --> 00:15:20,290  
this on February 9th 2018 hypnosis

304  
00:15:25,710 --> 00:15:23,050  
sessions there was an hour of missing

305  
00:15:28,380 --> 00:15:25,720  
time from the night the two beings came

306  
00:15:31,090 --> 00:15:28,390  
into my room and this is what came to

307  
00:15:34,249 --> 00:15:31,100  
the surface during my hypnosis

308  
00:15:37,730 --> 00:15:34,259  
what a matchup and what a t-mike

309  
00:15:40,249 --> 00:15:37,740  
MetroPCS in the iPhone se for \$0 on a

310  
00:15:40,790 --> 00:15:40,259  
network that covers 99% of people in the

311  
00:15:44,030 --> 00:15:40,800  
US

312  
00:15:46,460 --> 00:15:44,040  
Haha a impressive play with the best

313  
00:15:49,420 --> 00:15:46,470

switch to metro pcs and an unlimited LTE

314

00:15:51,650 --> 00:15:49,430

plan and get a 32 gig iPhone se for \$0

315

00:15:53,059 --> 00:15:51,660

MetroPCS coverage not available in some

316

00:15:54,350 --> 00:15:53,069

areas plus sales tax claim based on

317

00:15:55,280 --> 00:15:54,360

talking text not knowledge or active

318

00:15:56,809 --> 00:15:55,290

numbers currently on the t-mobile

319

00:15:58,460 --> 00:15:56,819

network are active on metro pcs in the

320

00:16:03,019 --> 00:15:58,470

past 90 days C store for details in

321

00:16:05,660 --> 00:16:03,029

terms conditions oh we're in for a treat

322

00:16:07,129 --> 00:16:05,670

tonight everybody I mean unfortunately

323

00:16:10,059 --> 00:16:07,139

for this person

324

00:16:12,949 --> 00:16:10,069

I felt sucked out of my bedroom and

325

00:16:15,740 --> 00:16:12,959

floated out above our pool outside

326

00:16:17,900 --> 00:16:15,750

through the sliding glass door I then

327

00:16:21,470 --> 00:16:17,910

remember being in an extremely bright

328

00:16:24,199 --> 00:16:21,480

white room that eventually turned into a

329

00:16:27,410 --> 00:16:24,209

large oval-shaped room with a metallic

330

00:16:29,629 --> 00:16:27,420

table in the center I floated over to

331

00:16:32,240 --> 00:16:29,639

the table and realized that there were

332

00:16:35,509 --> 00:16:32,250

other beings in the room with me they

333

00:16:38,660 --> 00:16:35,519

were very tall with white robes on and

334

00:16:42,470 --> 00:16:38,670

they look like praying mantises oh no

335

00:16:44,749 --> 00:16:42,480

not them those things are gross and they

336

00:16:47,800 --> 00:16:44,759

need a fly swatter to meet their end

337

00:16:51,740 --> 00:16:47,810

oh no there were two or three of them

338

00:16:54,889 --> 00:16:51,750

very big looking heads there is a

339

00:16:57,860 --> 00:16:54,899

strange hum to everything I then felt a

340

00:17:00,829 --> 00:16:57,870

warm golden light start to shine down on

341

00:17:03,650 --> 00:17:00,839

me from above and it seemed as if they

342

00:17:06,829 --> 00:17:03,660

were scanning me downloading and

343

00:17:10,699 --> 00:17:06,839

uploading energy software or information

344

00:17:12,770 --> 00:17:10,709

and then there were all kinds of lights

345

00:17:15,679 --> 00:17:12,780

that formed into small bubbles that

346

00:17:19,449 --> 00:17:15,689

seemed to have movies or videos playing

347

00:17:23,029 --> 00:17:19,459

inside of them floating all around me I

348

00:17:25,370 --> 00:17:23,039

then floated horizontally next to

349

00:17:28,970 --> 00:17:25,380

another being that I could not remember

350

00:17:32,659 --> 00:17:28,980

seeing just knew it was guiding me down

351  
00:17:36,020 --> 00:17:32,669  
a long corridor of openings and I then I

352  
00:17:38,390 --> 00:17:36,030  
remember being submerged in a thick gel

353  
00:17:39,909 --> 00:17:38,400  
like water they were cooking you I'm

354  
00:17:43,310 --> 00:17:39,919  
just kidding

355  
00:17:44,510 --> 00:17:43,320  
it was pulsing with electricity and I

356  
00:17:47,180 --> 00:17:44,520  
felt my body

357  
00:17:50,660 --> 00:17:47,190  
being pulled outward as if I was being

358  
00:17:54,290 --> 00:17:50,670  
flattened with the waves of energy the

359  
00:17:56,480 --> 00:17:54,300  
hum in the silence was very loud and I

360  
00:18:00,740 --> 00:17:56,490  
felt myself being pulled into a wormhole

361  
00:18:03,650 --> 00:18:00,750  
or tunnel it was pumping me through it

362  
00:18:06,890 --> 00:18:03,660  
like an ocean current ten feet forward

363  
00:18:11,180 --> 00:18:06,900

three feet back and I felt like this

364

00:18:15,320 --> 00:18:11,190

light led me back towards my bedroom as

365

00:18:18,830 --> 00:18:15,330

I looked back up into this light there

366

00:18:23,540 --> 00:18:18,840

were four blue beings looking back down

367

00:18:27,530 --> 00:18:23,550

at me from above I then shot up in my

368

00:18:30,620 --> 00:18:27,540

bed in my room again knowing instantly

369

00:18:34,520 --> 00:18:30,630

that the two beings were just in my room

370

00:18:37,580 --> 00:18:34,530

floating around like Peter Pan right

371

00:18:40,820 --> 00:18:37,590

before all this happen it was as if I

372

00:18:43,070 --> 00:18:40,830

had floated above my pool and then was

373

00:18:45,590 --> 00:18:43,080

instantly sucked back into my room and

374

00:18:48,530 --> 00:18:45,600

body before recovering these memories

375

00:18:50,620 --> 00:18:48,540

during my hypnosis session I do remember

376

00:18:53,060 --> 00:18:50,630

other humans being in this place also

377

00:18:56,930 --> 00:18:53,070

whether they were helping or being

378

00:18:59,510 --> 00:18:56,940

helped also helping are being helped

379

00:19:02,690 --> 00:18:59,520

that's an interesting statement this

380

00:19:07,130 --> 00:19:02,700

place did not feel as if it existed in

381

00:19:09,170 --> 00:19:07,140

this reality or time or universe it was

382

00:19:11,630 --> 00:19:09,180

somehow completely separate and outside

383

00:19:14,510 --> 00:19:11,640

of everything after this experience I

384

00:19:16,430 --> 00:19:14,520

went to a float tank oh you're just

385

00:19:17,570 --> 00:19:16,440

digging and I just like that you guys

386

00:19:20,900 --> 00:19:17,580

know what a float tank it's like a

387

00:19:23,330 --> 00:19:20,910

sensory deprivation tank where you don't

388

00:19:25,850 --> 00:19:23,340

see you don't you just float you float

389

00:19:28,520 --> 00:19:25,860

you float you're in the dark and you're

390

00:19:30,740 --> 00:19:28,530

in body temperature water it's uh it

391

00:19:34,460 --> 00:19:30,750

could help you see things that's for

392

00:19:37,370 --> 00:19:34,470

sure they did this on October 22nd 2017

393

00:19:39,680 --> 00:19:37,380

and have memories of being in a craft

394

00:19:43,190 --> 00:19:39,690

and traveling through wormholes

395

00:19:45,830 --> 00:19:43,200

out in the universe that night I woke up

396

00:19:49,550 --> 00:19:45,840

to a violent episode where my eyes were

397

00:19:52,070 --> 00:19:49,560

banging around in my head so hard that I

398

00:19:55,070 --> 00:19:52,080

couldn't move without throwing up for

399

00:19:58,010 --> 00:19:55,080

hours in the bathroom and had to be

400

00:20:01,820 --> 00:19:58,020

taken to a vertical specialist

401  
00:20:07,880 --> 00:20:01,830  
diagnosed me with BPPV and I have had

402  
00:20:10,220 --> 00:20:07,890  
issues with it to this day still I'm an

403  
00:20:13,460 --> 00:20:10,230  
artist and I plan to try and draw or

404  
00:20:18,890 --> 00:20:13,470  
create images from what I saw this year

405  
00:20:21,400 --> 00:20:18,900  
oh my goodness can you believe this can

406  
00:20:25,070 --> 00:20:21,410  
you believe what this person experienced

407  
00:20:26,630 --> 00:20:25,080  
can you believe this I believe it why do

408  
00:20:28,280 --> 00:20:26,640  
they have to be a praying mantis they

409  
00:20:30,530 --> 00:20:28,290  
are not good guys you guys just so you

410  
00:20:32,540 --> 00:20:30,540  
know praying mantis aren't probably the

411  
00:20:34,850 --> 00:20:32,550  
ugliest bug known to mankind outside of

412  
00:20:39,080 --> 00:20:34,860  
spiders it's all I'm gonna say and yes I

413  
00:20:41,390 --> 00:20:39,090

know spiders are arachnids of garbage um

414

00:20:42,770 --> 00:20:41,400

that would eat a praying mantis but I

415

00:20:44,720 --> 00:20:42,780

think a praying mantis could probably

416

00:20:47,240 --> 00:20:44,730

kick the tar out of a spider

417

00:20:49,490 --> 00:20:47,250

probably most spiders and these mothers

418

00:20:51,530 --> 00:20:49,500

are like six feet tall or more he's

419

00:20:53,630 --> 00:20:51,540

actually bigger I heard of eight feet 10

420

00:20:55,580 --> 00:20:53,640

feet 12 feet tall he mentioned something

421

00:20:58,100 --> 00:20:55,590

that looks just like a bug I'm talking

422

00:20:59,930 --> 00:20:58,110

about with the hooked arms and all come

423

00:21:02,390 --> 00:20:59,940

in and staring at you that's what these

424

00:21:05,930 --> 00:21:02,400

aliens look like they are very popular

425

00:21:07,700 --> 00:21:05,940

and this poor person I don't know what

426

00:21:10,040 --> 00:21:07,710

it is but the prank mantas are coming

427

00:21:13,970 --> 00:21:10,050

around a lot more lately I don't hear a

428

00:21:16,100 --> 00:21:13,980

ton of like greys just working solo but

429

00:21:18,920 --> 00:21:16,110

she did see greys initially but see how

430

00:21:20,270 --> 00:21:18,930

they come and they work together band of

431

00:21:21,830 --> 00:21:20,280

thieves I thought they didn't work very

432

00:21:24,380 --> 00:21:21,840

well together I guess they figured it

433

00:21:26,420 --> 00:21:24,390

out so we got to figure them out before

434

00:21:28,340 --> 00:21:26,430

they get the lake up on us Oh hold on

435

00:21:31,160 --> 00:21:28,350

they are and they snatched this poor

436

00:21:35,570 --> 00:21:31,170

person and made them forget all about it

437

00:21:37,100 --> 00:21:35,580

oh so disturbing and it's as if she was

438

00:21:43,070 --> 00:21:37,110

punished because she remembered this

439

00:21:46,370 --> 00:21:43,080

stuff and was made to slam her eyeballs

440

00:21:48,920 --> 00:21:46,380

around inside of her head and still has

441

00:21:51,560 --> 00:21:48,930

vertical issues BPPV that's you know

442

00:21:54,470 --> 00:21:51,570

when your eyes jump beep-boop nystagmus

443

00:21:56,360 --> 00:21:54,480

like type of thing in her ear and all

444

00:21:58,610 --> 00:21:56,370

that good stuff not good but horrible

445

00:22:01,400 --> 00:21:58,620

stuff and yeah it'll make you nauseous

446

00:22:05,680 --> 00:22:01,410

and vomiting for quite some time or

447

00:22:07,700 --> 00:22:05,690

forever not cool that is so horrible

448

00:22:09,290 --> 00:22:07,710

hypnosis sessions you know people want

449

00:22:11,299 --> 00:22:09,300

to remember stuff and hope that they get

450

00:22:14,029 --> 00:22:11,309

answers to what is they experience and

451  
00:22:15,399 --> 00:22:14,039  
often times they regret knowing what it

452  
00:22:18,680 --> 00:22:15,409  
is they uncovered

453  
00:22:22,789 --> 00:22:18,690  
unfortunately that is so horrific Li sad

454  
00:22:25,180 --> 00:22:22,799  
I am so sorry that happened to you sorry

455  
00:22:27,980 --> 00:22:25,190  
some of these stories they they lend

456  
00:22:31,369 --> 00:22:27,990  
more time because it's just that

457  
00:22:33,799 --> 00:22:31,379  
important alright so I am flipping

458  
00:22:36,799 --> 00:22:33,809  
through here oh my what did I do to this

459  
00:22:39,080 --> 00:22:36,809  
one here I've got tons of your full

460  
00:22:41,239 --> 00:22:39,090  
stories and I don't I don't go through

461  
00:22:43,100 --> 00:22:41,249  
these things I just I just grab them

462  
00:22:46,639 --> 00:22:43,110  
randomly and just see what happens and

463  
00:22:49,730 --> 00:22:46,649

often times we get some doozies and a

464

00:22:51,769 --> 00:22:49,740

doozy is what I'm looking for hold on we

465

00:22:54,350 --> 00:22:51,779

are next going to jump into a paranormal

466

00:22:56,210 --> 00:22:54,360

point of a story because we do like the

467

00:22:58,310 --> 00:22:56,220

paranormal still too don't we I think we

468

00:23:01,549 --> 00:22:58,320

do this one is called ghosts of the old

469

00:23:02,899 --> 00:23:01,559

jail this person is sharing their story

470

00:23:05,810 --> 00:23:02,909

and they say this story is not

471

00:23:07,909 --> 00:23:05,820

particularly scary but it's compelling I

472

00:23:09,619 --> 00:23:07,919

don't know what that means I have been a

473

00:23:11,659 --> 00:23:09,629

casual believer in the paranormal for

474

00:23:13,460 --> 00:23:11,669

some time now but I had never

475

00:23:15,980 --> 00:23:13,470

experienced anything until last year I

476

00:23:19,129 --> 00:23:15,990

live in northern Florida which has a

477

00:23:21,710 --> 00:23:19,139

history older than most of the u.s. we

478

00:23:23,749 --> 00:23:21,720

have st. Augustine and Savannah - the

479

00:23:27,409 --> 00:23:23,759

oldest and most haunted cities in the

480

00:23:29,629 --> 00:23:27,419

u.s. close by for example I was working

481

00:23:33,289 --> 00:23:29,639

on a documentary a project about local

482

00:23:35,779 --> 00:23:33,299

history as a sort of senior project for

483

00:23:36,980 --> 00:23:35,789

one of my scenes I went to an old jail

484

00:23:40,669 --> 00:23:36,990

in a town nearby

485

00:23:42,980 --> 00:23:40,679

maite own town this Jail doubles as a

486

00:23:45,470 --> 00:23:42,990

History Center and is in a small

487

00:23:48,830 --> 00:23:45,480

historical area the jail itself

488

00:23:51,560 --> 00:23:48,840

resembles a schoolhouse almost a long

489

00:23:54,190 --> 00:23:51,570

narrow white building with bars on all

490

00:23:56,539 --> 00:23:54,200

the windows and a heavy door I

491

00:24:00,529 --> 00:23:56,549

experienced two events that I have

492

00:24:02,659 --> 00:24:00,539

deemed paranormal again these stories

493

00:24:05,060 --> 00:24:02,669

are not particularly paranormal but I

494

00:24:07,399 --> 00:24:05,070

cannot find an explanation for them hey

495

00:24:10,249 --> 00:24:07,409

you know hey whatever you know we all

496

00:24:12,230 --> 00:24:10,259

have our own judgment don't we the first

497

00:24:14,509 --> 00:24:12,240

time I went to the jail I came with a

498

00:24:16,970 --> 00:24:14,519

camcorder to record the exterior and

499

00:24:20,210 --> 00:24:16,980

interview people who worked there about

500

00:24:23,359 --> 00:24:20,220

the history well I came at a time they

501  
00:24:24,920 --> 00:24:23,369  
were closed so I settled for recording

502  
00:24:28,820 --> 00:24:24,930  
the exterior

503  
00:24:31,580 --> 00:24:28,830  
thought I could get a really good shot

504  
00:24:33,620 --> 00:24:31,590  
of the jail looking at the door I filmed

505  
00:24:36,590 --> 00:24:33,630  
for a few seconds and looked at it on my

506  
00:24:39,380 --> 00:24:36,600  
camera I thought it was good so I began

507  
00:24:43,280 --> 00:24:39,390  
to pack up my equipment as I was doing

508  
00:24:46,550 --> 00:24:43,290  
so I heard a burst of speech come from

509  
00:24:48,290 --> 00:24:46,560  
inside the jail like what you would hear

510  
00:24:50,720 --> 00:24:48,300  
at a party or something with a bunch of

511  
00:24:53,330 --> 00:24:50,730  
people and then a sound like the cell

512  
00:24:55,790 --> 00:24:53,340  
bars were being rattled and the party

513  
00:24:57,800 --> 00:24:55,800

inside it's not a place to party this

514

00:24:59,930 --> 00:24:57,810

caught my it caught me completely off

515

00:25:03,050 --> 00:24:59,940

guard because I had tried the door and

516

00:25:06,710 --> 00:25:03,060

it was locked and I was the only car in

517

00:25:08,480 --> 00:25:06,720

the parking lot I then thought that it

518

00:25:11,180 --> 00:25:08,490

could have been a radio from a car

519

00:25:14,420 --> 00:25:11,190

driving past the jail but I was certain

520

00:25:17,090 --> 00:25:14,430

it came from inside the jail I left

521

00:25:18,770 --> 00:25:17,100

confused but resolved to return a few

522

00:25:21,290 --> 00:25:18,780

weeks later I returned to the jail to

523

00:25:25,070 --> 00:25:21,300

interview employees for my history

524

00:25:28,190 --> 00:25:25,080

documentary the person I spoke to told

525

00:25:30,800 --> 00:25:28,200

me that the jail was in fact haunted and

526

00:25:32,630 --> 00:25:30,810

told me some of her stories and that I

527

00:25:35,960 --> 00:25:32,640

had been featured on some ghost hunting

528

00:25:38,720 --> 00:25:35,970

shows she then asked if I wanted to see

529

00:25:41,480 --> 00:25:38,730

the inside of the jail you know I

530

00:25:44,360 --> 00:25:41,490

accepted that offer she opened the door

531

00:25:47,780 --> 00:25:44,370

for me and told me I'd have to go inside

532

00:25:49,640 --> 00:25:47,790

and explore by myself because she had to

533

00:25:50,540 --> 00:25:49,650

help other visitors in the office oh she

534

00:25:55,880 --> 00:25:50,550

set you up

535

00:25:58,010 --> 00:25:55,890

separated the office from the jail you

536

00:26:01,910 --> 00:25:58,020

had to go outside to go between the two

537

00:26:05,570 --> 00:26:01,920

sides but to have fun and go upstairs if

538

00:26:08,150 --> 00:26:05,580

I wanted to see maximum security inside

539

00:26:10,520 --> 00:26:08,160

the jail was a small room like an office

540

00:26:13,100 --> 00:26:10,530

booking room I guess there was a doorway

541

00:26:15,920 --> 00:26:13,110

to the left and right and I chose to go

542

00:26:18,650 --> 00:26:15,930

to the left on the left was a small

543

00:26:21,350 --> 00:26:18,660

landing with stairs going up the second

544

00:26:24,800 --> 00:26:21,360

floor with a corridor running parallel

545

00:26:27,650 --> 00:26:24,810

to the stairs there was a broom with an

546

00:26:29,480 --> 00:26:27,660

open door along the corner I set up my

547

00:26:32,120 --> 00:26:29,490

tripod and filmed a few scenes -

548

00:26:35,570 --> 00:26:32,130

voiceover after I finished us I took my

549

00:26:38,240 --> 00:26:35,580

camera made to go upstairs when a few

550

00:26:38,630 --> 00:26:38,250

things happened at once people say that

551  
00:26:43,460 --> 00:26:38,640  
the

552  
00:26:47,570 --> 00:26:43,470  
encounter feelings of paranoia or

553  
00:26:52,330 --> 00:26:47,580  
outright fear for me it wasn't immediate

554  
00:26:57,140 --> 00:26:52,340  
but I started feeling a slow crawling

555  
00:27:00,350 --> 00:26:57,150  
feeling of dread about halfway up the

556  
00:27:03,050 --> 00:27:00,360  
stairs this feeling grew until I felt

557  
00:27:05,240 --> 00:27:03,060  
threatened I slowly walked back down

558  
00:27:07,250 --> 00:27:05,250  
feeling I should tread carefully I

559  
00:27:09,110 --> 00:27:07,260  
wasn't welcome upstairs and I wasn't

560  
00:27:11,840 --> 00:27:09,120  
going to push whatever was giving me

561  
00:27:13,700 --> 00:27:11,850  
such dread at the bottom again I felt

562  
00:27:16,160 --> 00:27:13,710  
uneasy still but I wanted to get one

563  
00:27:18,200 --> 00:27:16,170

more shot of the jail before I could do

564

00:27:21,140 --> 00:27:18,210

this however the open door to the

565

00:27:25,160 --> 00:27:21,150

corridor next to stairs slowly began to

566

00:27:27,830 --> 00:27:25,170

close on its own at this point I was

567

00:27:30,670 --> 00:27:27,840

done I didn't walk but practically

568

00:27:33,320 --> 00:27:30,680

leaped to the door leading outside I

569

00:27:35,330 --> 00:27:33,330

lied to the employee and said I went

570

00:27:38,060 --> 00:27:35,340

outside and decided that was enough

571

00:27:40,910 --> 00:27:38,070

filming for the day for a few days

572

00:27:42,890 --> 00:27:40,920

afterwards I sort of regretted not going

573

00:27:45,890 --> 00:27:42,900

upstairs after doing some research

574

00:27:48,710 --> 00:27:45,900

however I now recognized it was probably

575

00:27:51,280 --> 00:27:48,720

a smart move apparently several people

576  
00:27:54,620 --> 00:27:51,290  
were killed during the jails history

577  
00:27:58,070 --> 00:27:54,630  
there were at least a dozen hangings in

578  
00:28:00,560 --> 00:27:58,080  
about 50 years time Anna worden was

579  
00:28:03,860 --> 00:28:00,570  
grabbed and violently stabbed to death

580  
00:28:05,720 --> 00:28:03,870  
by an inmate I believe this commotion

581  
00:28:08,660 --> 00:28:05,730  
was what I heard during my first visit

582  
00:28:10,550 --> 00:28:08,670  
to the jail the picture I included is of

583  
00:28:15,650 --> 00:28:10,560  
the cell the warden was killed in I

584  
00:28:19,160 --> 00:28:15,660  
found it online I because huh I because

585  
00:28:22,070 --> 00:28:19,170  
I because like I said never quite made

586  
00:28:23,540 --> 00:28:22,080  
it upstairs in addition I found that

587  
00:28:26,840 --> 00:28:23,550  
paranormal investigators have been

588  
00:28:28,820 --> 00:28:26,850

scratched hit pushed and otherwise

589

00:28:32,390 --> 00:28:28,830

physically assaulted in the jail during

590

00:28:34,310 --> 00:28:32,400

investigations after learning this I am

591

00:28:36,680 --> 00:28:34,320

not so disappointed in myself for not

592

00:28:38,810 --> 00:28:36,690

going upstairs and as true you were

593

00:28:40,670 --> 00:28:38,820

smart anyways thanks for the opportunity

594

00:28:43,100 --> 00:28:40,680

to tell my story I know it was somewhat

595

00:28:44,840 --> 00:28:43,110

long but I hope that taking a logical

596

00:28:47,480 --> 00:28:44,850

approach to my story might make it a bit

597

00:28:50,180 --> 00:28:47,490

more believable than just saying I heard

598

00:28:51,310 --> 00:28:50,190

ghosts and got scared the paranormal

599

00:28:53,680 --> 00:28:51,320

does exist

600

00:28:56,740 --> 00:28:53,690

sometimes it shows up when it is the

601  
00:29:00,250 --> 00:28:56,750  
last thing on our minds and no I never

602  
00:29:02,500 --> 00:29:00,260  
did finish my documentary oh darn darn

603  
00:29:05,140 --> 00:29:02,510  
it all you know a lot of people if they

604  
00:29:07,420 --> 00:29:05,150  
don't trust their gut and we know when

605  
00:29:10,090 --> 00:29:07,430  
we're being hunted and threatened we

606  
00:29:12,400 --> 00:29:10,100  
feel it and you don't pay attention and

607  
00:29:15,820 --> 00:29:12,410  
then oh oh I got smacked oh that ghost

608  
00:29:18,910 --> 00:29:15,830  
bit me oh did it if followed me home oh

609  
00:29:21,010 --> 00:29:18,920  
did you did you get a sick sense that

610  
00:29:24,420 --> 00:29:21,020  
something was gonna happen well yeah but

611  
00:29:28,750 --> 00:29:24,430  
you kept going yeah okay all right okay

612  
00:29:30,250 --> 00:29:28,760  
anyways I have to tell you guys thank

613  
00:29:32,440 --> 00:29:30,260

you so much for listening to UFO

614

00:29:34,540 --> 00:29:32,450

headline news with me hidey house and be

615

00:29:37,300 --> 00:29:34,550

sure to check out UFO headline news com

616

00:29:39,040 --> 00:29:37,310

every single day and also tune in to my

617

00:29:41,170 --> 00:29:39,050

other two weekly shows the Outlander on

618

00:29:43,720 --> 00:29:41,180

Fridays and I co-host on the Kevin cook

619

00:29:45,820 --> 00:29:43,730

show every Tuesdays both shows are at

620

00:29:48,490 --> 00:29:45,830

9:00 p.m. Eastern 8:00 p.m. central and

621

00:29:51,130 --> 00:29:48,500

also visit my paranormal comic strip the

622

00:29:54,280 --> 00:29:51,140

Outlanders at the Outlanders comic calm

623

00:29:56,380 --> 00:29:54,290

direct links can be found everywhere on

624

00:29:57,850 --> 00:29:56,390

this site and heidi house calm and

625

00:29:59,470 --> 00:29:57,860

remember if you've experienced something

626

00:30:01,330 --> 00:29:59,480

out of the ordinary and want some

627

00:30:03,760 --> 00:30:01,340

level-headed advice or if you've seen a

628

00:30:07,570 --> 00:30:03,770

UFO and want to share be sure to write

629

00:30:09,880 --> 00:30:07,580

me at uh10 and inception radio network

630

00:30:22,600 --> 00:30:09,890

calm remember always to keep an open

631

00:30:25,720 --> 00:30:22,610

mind so you can stay informed what a

632

00:30:28,060 --> 00:30:25,730

matchup and what a t-mike MetroPCS in

633

00:30:30,580 --> 00:30:28,070

the iPhone se for zero dollars on a

634

00:30:33,700 --> 00:30:30,590

network that covers 99% of people in the

635

00:30:35,440 --> 00:30:33,710

US for impressive

636

00:30:37,840 --> 00:30:35,450

play with the best switch to MetroPCS

637

00:30:41,470 --> 00:30:37,850

and an unlimited LTE plan and get a 32

638

00:30:42,850 --> 00:30:41,480

gig iphone se for \$0 MetroPCS covers not

639

00:30:44,230 --> 00:30:42,860

available in some areas plus sales tax

640

00:30:45,370 --> 00:30:44,240

claim based on talking to X naught now

641

00:30:46,930 --> 00:30:45,380

interactive numbers currently on the

642

00:30:48,669 --> 00:30:46,940

t-mobile network are active on metro pcs
