1  
00:00:05,720 --> 00:00:02,919

[Music]

2  
00:00:08,509 --> 00:00:05,730

welcome welcome to UFO headline news

3  
00:00:11,629 --> 00:00:08,519

with me Heidi Hollis where I aim to

4  
00:00:13,970 --> 00:00:11,639

bring you the latest in UFO reports and

5  
00:00:17,920 --> 00:00:13,980

other fascinating stories from around

6  
00:00:21,830 --> 00:00:17,930

the globe today is Thursday February

7  
00:00:23,420 --> 00:00:21,840

22nd 2018 and on Fridays at 8 p.m.

8  
00:00:25,550 --> 00:00:23,430

Central Standard Time join me for my

9  
00:00:27,710 --> 00:00:25,560

talk show the Outlander where I answer

10  
00:00:30,470 --> 00:00:27,720

your emails take your calls and

11  
00:00:32,089 --> 00:00:30,480

interview some intriguing guests just go

12  
00:00:35,720 --> 00:00:32,099

to Heidi Hollis comm for more

13  
00:00:40,280 --> 00:00:35,730

information and also go to ir in chat

14

00:00:43,490 --> 00:00:40,290

comm to chat interact and listen live to

15

00:00:47,299 --> 00:00:43,500

the Outlander show blasting off with

16

00:00:50,660 --> 00:00:47,309

some fantastic UFO reports as always

17

00:00:55,130 --> 00:00:50,670

write your foe sighting in Cornwall

18

00:00:57,260 --> 00:00:55,140

England this occurred July 24th 2017 the

19

00:01:01,040 --> 00:00:57,270

witness states I was taking pics while

20

00:01:04,429 --> 00:01:01,050

on holiday in Cornwall saw these in the

21

00:01:06,830 --> 00:01:04,439

pics later on in more detail

22

00:01:08,420 --> 00:01:06,840

I was on holiday we stopped to take some

23

00:01:10,940 --> 00:01:08,430

pictures of the beautiful countryside

24

00:01:13,280 --> 00:01:10,950

and I noticed a lot of strange objects

25

00:01:16,130 --> 00:01:13,290

in the pics I know there was no sound

26

00:01:18,590 --> 00:01:16,140

and no sighting by eye but they are

27

00:01:21,440 --> 00:01:18,600

there in the pics the other one I was

28

00:01:24,499 --> 00:01:21,450

taking pics as we were driving past an

29

00:01:28,310 --> 00:01:24,509

Air Force Base and there seems to be

30

00:01:31,609 --> 00:01:28,320

UFOs and those also one being chased by

31

00:01:34,249 --> 00:01:31,619

a plane or something also we never saw

32

00:01:39,370 --> 00:01:34,259

with our eyes but they are in the pics

33

00:01:42,620 --> 00:01:39,380

you have to zoom in but they are there

34

00:01:43,880 --> 00:01:42,630

the next UFO sighting happened in El

35

00:01:48,350 --> 00:01:43,890

Pina Michigan

36

00:01:51,429 --> 00:01:48,360

this occurred February 13 2017 flashing

37

00:01:54,730 --> 00:01:51,439

yellow light took in direct path

38

00:01:58,550 --> 00:01:54,740

northeast to southwest while circling

39

00:02:00,440 --> 00:01:58,560

twice while going to bed I looked out

40

00:02:03,260 --> 00:02:00,450

the window into the North sky the Big

41

00:02:06,469 --> 00:02:03,270

Dipper was vertical in the background in

42

00:02:09,199 --> 00:02:06,479

this view I witnessed a flashing yellow

43

00:02:12,350 --> 00:02:09,209

light that took an indirect path in the

44

00:02:14,240 --> 00:02:12,360

sky from northeast to southwest

45

00:02:16,660 --> 00:02:14,250

the object made two circles in the sky

46

00:02:20,120 --> 00:02:16,670

the second much larger than the first

47

00:02:23,600 --> 00:02:20,130

these maneuvers could never be performed

48

00:02:27,050 --> 00:02:23,610

with modern military aircraft they were

49

00:02:28,510 --> 00:02:27,060

circular patterns at a very high rate of

50

00:02:32,390 --> 00:02:28,520

speed

51  
00:02:34,760 --> 00:02:32,400  
okay UFO sighting in dorocha British

52  
00:02:40,220 --> 00:02:34,770  
Columbia this occurred

53  
00:02:42,470 --> 00:02:40,230  
January 2nd 2016 predicted by me and not

54  
00:02:45,520 --> 00:02:42,480  
anything I've seen before

55  
00:02:48,940 --> 00:02:45,530  
ok I'm confused alright in more detail

56  
00:02:51,949 --> 00:02:48,950  
about 75 lights altogether moving

57  
00:02:55,820 --> 00:02:51,959  
silently slowly and parallel to the

58  
00:02:59,270 --> 00:02:55,830  
ground about 300 feet up it was big

59  
00:03:01,340 --> 00:02:59,280  
probably 40 to 60 feet wide with 50

60  
00:03:05,330 --> 00:03:01,350  
white lights in the front outline of

61  
00:03:08,390 --> 00:03:05,340  
what can be described as a shield behind

62  
00:03:18,640 --> 00:03:08,400  
the shield was a saucer shape with 10

63  
00:03:27,440 --> 00:03:22,130

it was dull and kind of fading brighter

64

00:03:31,660 --> 00:03:27,450

than dull your falls headlights were out

65

00:03:34,430 --> 00:03:31,670

I think that's a first I have ever heard

66

00:03:38,540 --> 00:03:34,440

UFOs headlight was out she'd got a

67

00:03:40,820 --> 00:03:38,550

ticket then that's just not right they

68

00:03:44,300 --> 00:03:40,830

surrounded a red flashing light it was

69

00:03:48,410 --> 00:03:44,310

around negative 20 Celsius and clear

70

00:03:51,650 --> 00:03:48,420

either it was a nut in a parachute with

71

00:03:55,690 --> 00:03:51,660

a chest chasis to hold the lights and a

72

00:03:59,990 --> 00:03:55,700

silent motor or it was a freaking alien

73

00:04:02,290 --> 00:04:00,000

lol I slowed the footage down to 1/8 of

74

00:04:04,630 --> 00:04:02,300

the original and saw an unexplained

75

00:04:07,160 --> 00:04:04,640

count of Lights

76

00:04:09,650 --> 00:04:07,170

okay flashing almost in a pattern but

77

00:04:11,390 --> 00:04:09,660

the only flashing light we saw was the

78

00:04:13,789 --> 00:04:11,400

red one in the lower middle in the

79

00:04:18,199 --> 00:04:13,799

fading orange one beside it

80

00:04:21,110 --> 00:04:18,209

while the remains while the remains 9ish

81

00:04:24,290 --> 00:04:21,120

orange lights and 60-ish white lights

82

00:04:26,510 --> 00:04:24,300

remained on at all times my phone should

83

00:04:29,960 --> 00:04:26,520

have picked up all the lights and stay

84

00:04:34,160 --> 00:04:29,970

I have some sort of flashing I need the

85

00:04:37,790 --> 00:04:34,170

film analyzed properly okay

86

00:04:41,380 --> 00:04:37,800

oh goodness this is a named UFO sighting

87

00:04:43,310 --> 00:04:41,390

in Rio Bravo preto state of são Paulo

88

00:04:48,980 --> 00:04:43,320

this occurred

89

00:04:51,350 --> 00:04:48,990

Oh February 14th 2018 UFO Brazil I was

90

00:04:53,900 --> 00:04:51,360

in the window watching as I noticed the

91

00:04:57,950 --> 00:04:53,910

UFOs standing in the woods behind the

92

00:05:01,430 --> 00:04:57,960

house at a height of 30 meters the UFO

93

00:05:04,340 --> 00:05:01,440

emitted a strong light blue green as if

94

00:05:08,770 --> 00:05:04,350

it were an oval-shaped luminous

95

00:05:15,250 --> 00:05:08,780

propeller and after 30 seconds stopped

96

00:05:19,250 --> 00:05:15,260

blinked and disappeared and that's it

97

00:05:23,030 --> 00:05:19,260

UFO sighting in Window Rock Arizona this

98

00:05:26,750 --> 00:05:23,040

occurred February 15 2018 clean white

99

00:05:29,930 --> 00:05:26,760

light object square-shape warp like

100

00:05:34,370 --> 00:05:29,940

speed across my field of vision then

101  
00:05:36,500 --> 00:05:34,380  
just disappeared okay that's interesting

102  
00:05:40,270 --> 00:05:36,510  
and they've seen approximately one mile

103  
00:05:41,510 --> 00:05:40,280  
north of route 264 Window Rock Arizona

104  
00:05:44,930 --> 00:05:41,520  
yeah

105  
00:05:47,659 --> 00:05:44,940  
Oh Arizona I saw pure I like I'm

106  
00:05:49,430 --> 00:05:47,669  
bumbling around here object ahead of me

107  
00:05:52,130 --> 00:05:49,440  
less than one mile away not very high in

108  
00:05:54,980 --> 00:05:52,140  
sky it was stationary for a second or

109  
00:05:58,010 --> 00:05:54,990  
two and then traveled at warp like speed

110  
00:06:00,320 --> 00:05:58,020  
from west to east a short distance and

111  
00:06:03,920 --> 00:06:00,330  
then just disappeared I immediately

112  
00:06:05,210 --> 00:06:03,930  
slowed my vehicle and wondered what the

113  
00:06:07,700 --> 00:06:05,220

heck was that

114

00:06:10,159 --> 00:06:07,710

the object did not reappear while I

115

00:06:13,370 --> 00:06:10,169

continued my travel north to Fort

116

00:06:15,560 --> 00:06:13,380

Defiance I arrived at work at 7 p.m. and

117

00:06:18,770 --> 00:06:15,570

shared my experience with a co-worker

118

00:06:22,190 --> 00:06:18,780

she shared that she and her teenage son

119

00:06:26,440 --> 00:06:22,200

witnessed a bright white light south of

120

00:06:30,500 --> 00:06:26,450

Route 264 about 3 or 4 days earlier a

121

00:06:33,880 --> 00:06:30,510

similar sighting bright pure white light

122

00:06:35,000 --> 00:06:33,890

for a second or two and then disappeared

123

00:06:36,920 --> 00:06:35,010

later

124

00:06:39,290 --> 00:06:36,930

I shared my sighting with other

125

00:06:39,860 --> 00:06:39,300

co-workers and one of the co-workers

126

00:06:43,250 --> 00:06:39,870

said that

127

00:06:47,200 --> 00:06:43,260

she saw the same thing that I did she

128

00:06:50,390 --> 00:06:47,210

was on way to work and stated she saw it

129

00:06:53,780 --> 00:06:50,400

approximately 6:45 p.m. in the meantime

130

00:06:56,180 --> 00:06:53,790

the first Co world co worker spoke with

131

00:06:58,820 --> 00:06:56,190

her teenage son who shared that his

132

00:07:02,060 --> 00:06:58,830

friend's father was chopping wood at

133

00:07:05,930 --> 00:07:02,070

approximately the same time and also saw

134

00:07:08,629 --> 00:07:05,940

the same thing the friend's family lives

135

00:07:11,510 --> 00:07:08,639

in the vicinity of a sighting later

136

00:07:15,320 --> 00:07:11,520

I spoke with another co-worker who's two

137

00:07:18,920 --> 00:07:15,330

buddies together saw a similar sighting

138

00:07:23,240 --> 00:07:18,930

in the same area the previous evening

139

00:07:27,620 --> 00:07:23,250

February 14th so that's three people On

140

00:07:30,980 --> 00:07:27,630

February 15th two people February 14th

141

00:07:35,360 --> 00:07:30,990

and two more people a few days earlier

142

00:07:39,830 --> 00:07:35,370

all seeing a similar light or object

143

00:07:45,110 --> 00:07:39,840

movement Wow they put I didn't say that

144

00:07:48,260 --> 00:07:45,120

they put Wow black triangle and Mesa

145

00:07:52,820 --> 00:07:48,270

Arizona whoo UFO blast from the past has

146

00:07:56,120 --> 00:07:52,830

occurred February 28 1997 saw big lights

147

00:07:58,960 --> 00:07:56,130

in a kind of triangle shape but only see

148

00:08:05,600 --> 00:07:58,970

two huge white lights round and shape

149

00:08:08,510 --> 00:08:05,610

over a square Oh Lake North top parking

150

00:08:10,580 --> 00:08:08,520

lot bye marina I was with a friend at

151  
00:08:13,430 --> 00:08:10,590  
Lake looking at night sky when all of a

152  
00:08:14,870 --> 00:08:13,440  
sudden I saw a bright light coming over

153  
00:08:17,600 --> 00:08:14,880  
the mountain behind us

154  
00:08:19,700 --> 00:08:17,610  
I said look we both stood there for

155  
00:08:22,219 --> 00:08:19,710  
about five seconds and it just got

156  
00:08:25,850 --> 00:08:22,229  
bigger and between the lights there was

157  
00:08:29,839 --> 00:08:25,860  
nothing but darkness no stars so I said

158  
00:08:32,930 --> 00:08:29,849  
what does that look like it looks big

159  
00:08:36,230 --> 00:08:32,940  
like something I have I think it's then

160  
00:08:38,980 --> 00:08:36,240  
we both ran back to the car and went

161  
00:08:42,350 --> 00:08:38,990  
back to the place we were before we

162  
00:08:45,410 --> 00:08:42,360  
decided to go out there I said it looks

163  
00:08:48,829 --> 00:08:45,420

like a UFO like in the movies he said it

164

00:08:50,870 --> 00:08:48,839

looked like something before we ran to

165

00:08:52,010 --> 00:08:50,880

car it move Southwest Direction really

166

00:08:53,750 --> 00:08:52,020

fast

167

00:08:55,430 --> 00:08:53,760

editing editing I don't know what the

168

00:08:58,910 --> 00:08:55,440

heck they're really trying to say okay

169

00:09:02,930 --> 00:08:58,920

UFO sighting in qui pose the skirt

170

00:09:07,730 --> 00:09:02,940

January 31st 2018 only visible on the

171

00:09:09,230 --> 00:09:07,740

camera invisible to the human eye I was

172

00:09:11,930 --> 00:09:09,240

a passenger in the front seat of a

173

00:09:15,370 --> 00:09:11,940

friend's car on the pan-american highway

174

00:09:19,910 --> 00:09:15,380

on my way to go fishing and qui pose

175

00:09:22,730 --> 00:09:19,920

Costa Rica at approximately 425 p.m. in

176

00:09:25,699 --> 00:09:22,740

the afternoon I decided to take a

177

00:09:28,220 --> 00:09:25,709

vacation photo on the palm trees on both

178

00:09:32,120 --> 00:09:28,230

sides of the road through the windshield

179

00:09:34,820 --> 00:09:32,130

as we were driving I observed an object

180

00:09:37,880 --> 00:09:34,830

moving erratically on the screen of my

181

00:09:41,000 --> 00:09:37,890

tablet that I was using as a camera

182

00:09:43,760 --> 00:09:41,010

however when I looked over the screen of

183

00:09:47,540 --> 00:09:43,770

the tablet and out of the windshield the

184

00:09:49,600 --> 00:09:47,550

object was not visible yet as soon as I

185

00:09:53,780 --> 00:09:49,610

again looked at the screen of the tablet

186

00:09:56,780 --> 00:09:53,790

the object was observable once again and

187

00:10:00,410 --> 00:09:56,790

moving erratically and at a high speed

188

00:10:04,069 --> 00:10:00,420

I was completely baffled as to what was

189

00:10:06,500 --> 00:10:04,079

going on the object was invisible to the

190

00:10:09,079 --> 00:10:06,510

naked eye and could only be seen with

191

00:10:13,420 --> 00:10:09,089

the aid of the camera lens on the tablet

192

00:10:15,740 --> 00:10:13,430

screen I guess filters must be involved

193

00:10:18,760 --> 00:10:15,750

the movements of the object were

194

00:10:21,800 --> 00:10:18,770

incomprehensible fast and erratic I

195

00:10:24,319 --> 00:10:21,810

hoped for the best and just kept taking

196

00:10:27,650 --> 00:10:24,329

pictures hoping that the camera would

197

00:10:30,290 --> 00:10:27,660

capture something I never even really

198

00:10:31,880 --> 00:10:30,300

saw what I was taking pictures of until

199

00:10:35,449 --> 00:10:31,890

later in the evening when I got a chance

200

00:10:39,560 --> 00:10:35,459

to be by myself and look at the pictures

201  
00:10:43,069 --> 00:10:39,570  
I was shaken and excited all at the same

202  
00:10:44,930 --> 00:10:43,079  
time I also took video of the object

203  
00:10:46,940 --> 00:10:44,940  
isn't that fascinating I'm gonna click

204  
00:10:48,620 --> 00:10:46,950  
on this one I'm talking here see if I

205  
00:10:52,970 --> 00:10:48,630  
could spot this what they're saying

206  
00:10:55,639 --> 00:10:52,980  
hopefully the images are on here and it

207  
00:11:00,250 --> 00:10:55,649  
looks like they are it's interesting how

208  
00:11:03,260 --> 00:11:00,260  
we are not able to see these things but

209  
00:11:04,670 --> 00:11:03,270  
they will show up our on camera and on

210  
00:11:07,579 --> 00:11:04,680  
video

211  
00:11:11,600 --> 00:11:07,589  
and here we sit going why was I not

212  
00:11:14,569 --> 00:11:11,610  
allowed to see that oh okay I'm clicking

213  
00:11:18,470 --> 00:11:14,579

on it oh this is a pretty picture though

214

00:11:20,059 --> 00:11:18,480

okay I'm suing in to see okay I don't

215

00:11:21,290 --> 00:11:20,069

see anything in that picture all right

216

00:11:27,650 --> 00:11:21,300

I'm gonna click over to the other one

217

00:11:30,259 --> 00:11:27,660

they got quite a few okay where is the

218

00:11:31,609 --> 00:11:30,269

image where it's the thing okay I don't

219

00:11:34,280 --> 00:11:31,619

know they sent some pictures here and

220

00:11:41,030 --> 00:11:34,290

posted them that don't seem to have

221

00:11:44,449 --> 00:11:41,040

anything and it Oh Shazam Shazam oh it's

222

00:11:50,059 --> 00:11:44,459

a dead interesting it looks kind of like

223

00:11:51,769 --> 00:11:50,069

a black triangle but fuzzy can you oh my

224

00:11:54,319 --> 00:11:51,779

gosh you guys gotta check this one out

225

00:11:55,850 --> 00:11:54,329

it is so in-your-face I click on the

226

00:12:01,609 --> 00:11:55,860

next one to see what we got here

227

00:12:05,629 --> 00:12:01,619

Wow there it is again so it's almost

228

00:12:09,439 --> 00:12:05,639

like it in a couple of the the images it

229

00:12:13,879 --> 00:12:09,449

was Wow like creating this black cloud

230

00:12:16,939 --> 00:12:13,889

and then it became like rather solid

231

00:12:18,319 --> 00:12:16,949

looking black thing and they said it was

232

00:12:23,079 --> 00:12:18,329

moving around erratically maybe that's

233

00:12:34,249 --> 00:12:30,799

and it made the clouds have like sharp

234

00:12:35,929 --> 00:12:34,259

corners oh this is so cool oh you guys

235

00:12:37,009 --> 00:12:35,939

have got to check this one out this is

236

00:12:39,230 --> 00:12:37,019

really fascinating

237

00:12:40,579 --> 00:12:39,240

well things move on for allowing those

238

00:12:43,129 --> 00:12:40,589

to be up there but I guess because it's

239

00:12:45,079 --> 00:12:43,139

not very clear there it's large it's

240

00:12:46,669 --> 00:12:45,089

large but it's not really clear so I

241

00:12:50,439 --> 00:12:46,679

guess move on allowed that to go through

242

00:12:56,929 --> 00:12:55,460

but but Wow imagine that how many things

243

00:13:01,579 --> 00:12:56,939

are zipping through the sky and we are

244

00:13:04,039 --> 00:13:01,589

not able to see it why is that they just

245

00:13:07,090 --> 00:13:04,049

happen to pull out their iPad and was

246

00:13:11,179 --> 00:13:07,100

able to see this thing that is really

247

00:13:13,579 --> 00:13:11,189

ridiculously cool you guys go to UFO

248

00:13:17,509 --> 00:13:13,589

headline news calm and click on that one

249

00:13:18,620 --> 00:13:17,519

I have links to everything alright next

250

00:13:20,860 --> 00:13:18,630

UFO side

251  
00:13:24,830 --> 00:13:20,870  
San Jose California this occurred

252  
00:13:27,220 --> 00:13:24,840  
February 16 2017 flying disk spinning

253  
00:13:31,370 --> 00:13:27,230  
changing colors flight pattern varied

254  
00:13:34,220 --> 00:13:31,380  
powered different speeds okay

255  
00:13:37,430 --> 00:13:34,230  
first thought in orbit followed Orion's

256  
00:13:39,230 --> 00:13:37,440  
belt 25 to 40 degrees left 45 to 50

257  
00:13:42,920 --> 00:13:39,240  
degrees up from straight and that's all

258  
00:13:46,450 --> 00:13:42,930  
they said UFO sighting in Lexington

259  
00:13:49,670 --> 00:13:46,460  
Kentucky it's occurred February 10th

260  
00:13:52,730 --> 00:13:49,680  
2018 two different objects one was

261  
00:13:54,950 --> 00:13:52,740  
star-like but was very low at night I

262  
00:13:58,430 --> 00:13:54,960  
was driving around about 8:00 p.m. on

263  
00:14:00,680 --> 00:13:58,440

about February 10th 2018 around the

264

00:14:04,190 --> 00:14:00,690

corner from me I noticed a bright star

265

00:14:07,220 --> 00:14:04,200

like object but it was very very low in

266

00:14:10,010 --> 00:14:07,230

the night sky so I parked my car and

267

00:14:11,990 --> 00:14:10,020

began taking pics I felt I would get

268

00:14:14,860 --> 00:14:12,000

something so there are four particular

269

00:14:18,500 --> 00:14:14,870

pics that I took consecutively and

270

00:14:20,360 --> 00:14:18,510

consecutive leap oh because I saw this

271

00:14:22,970 --> 00:14:20,370

green or black thing floating down

272

00:14:26,330 --> 00:14:22,980

straight diagonally I saw the green orb

273

00:14:29,870 --> 00:14:26,340

moving when you zoom into the green orb

274

00:14:32,420 --> 00:14:29,880

thing it looks like an alien face the

275

00:14:35,210 --> 00:14:32,430

other brighter star like stayed

276

00:14:37,970 --> 00:14:35,220

stationary I'm pretty sure but when I

277

00:14:41,780 --> 00:14:37,980

got home I zoomed in on all of the pics

278

00:14:44,870 --> 00:14:41,790

I took and that thing looks like it has

279

00:14:48,500 --> 00:14:44,880

structure to it it seems to change its

280

00:14:51,020 --> 00:14:48,510

shape also it looks totally different it

281

00:14:52,970 --> 00:14:51,030

will look square sort of shape then it

282

00:14:55,730 --> 00:14:52,980

will look like a UFO with lights all

283

00:14:58,160 --> 00:14:55,740

around it in a circle it seems strange

284

00:15:00,590 --> 00:14:58,170

to me so I wanted to report it and I

285

00:15:03,410 --> 00:15:00,600

think if you

286

00:15:06,889 --> 00:15:03,420

what a matchup and what a t-mike

287

00:15:09,410 --> 00:15:06,899

MetroPCS in the iPhone se for \$0 on a

288

00:15:12,920 --> 00:15:09,420

network that covers 99% of people in the

289

00:15:14,930 --> 00:15:12,930

u.s. wholly impressive play with the

290

00:15:16,850 --> 00:15:14,940

best switch to metro pcs and an

291

00:15:20,300 --> 00:15:16,860

unlimited LTE plan and get a 32 gig

292

00:15:21,650 --> 00:15:20,310

iPhone se for \$0 not your pcs covers not

293

00:15:23,059 --> 00:15:21,660

available in some areas plus sales tax

294

00:15:24,199 --> 00:15:23,069

claim based on talking text not now

295

00:15:25,759 --> 00:15:24,209

interactive numbers currently on the

296

00:15:27,499 --> 00:15:25,769

t-mobile network are active on metro pcs

297

00:15:30,980 --> 00:15:27,509

in the past 90 days si store for details

298

00:15:33,939 --> 00:15:30,990

and terms conditions think it's a UFO or

299

00:15:36,170 --> 00:15:33,949

what I also saw a bright white light

300

00:15:39,170 --> 00:15:36,180

somewhere in the sky so I have several

301  
00:15:41,629 --> 00:15:39,180  
pics some I went ahead and cropped and

302  
00:15:46,220 --> 00:15:41,639  
part of the sky out and somebody just

303  
00:15:48,110 --> 00:15:46,230  
left alone for comparison oh they all

304  
00:15:50,449 --> 00:15:48,120  
need to be zoomed in so you can see

305  
00:15:52,879 --> 00:15:50,459  
everything clearly otherwise they look

306  
00:15:55,220 --> 00:15:52,889  
like a dot in the sky so I have other

307  
00:15:57,650 --> 00:15:55,230  
pics of stars and these look nothing

308  
00:15:59,930 --> 00:15:57,660  
like them that's also why I decided to

309  
00:16:02,960 --> 00:15:59,940  
send this it just felt like I was being

310  
00:16:05,809 --> 00:16:02,970  
watched over though who knows

311  
00:16:08,150 --> 00:16:05,819  
I just feel what I feel I know what I

312  
00:16:10,370 --> 00:16:08,160  
know anyways here are the pics I hope

313  
00:16:13,129 --> 00:16:10,380

you can for sure tell me what you think

314

00:16:15,230 --> 00:16:13,139

as I'm just curious well thank you for

315

00:16:17,660 --> 00:16:15,240

your time please there is one pic of the

316

00:16:22,910 --> 00:16:17,670

Moon that I thought looked kind of funny

317

00:16:23,870 --> 00:16:22,920

up close okay alright moving on your

318

00:16:26,240 --> 00:16:23,880

first sighting

319

00:16:28,579 --> 00:16:26,250

they just say in California well that's

320

00:16:30,040 --> 00:16:28,589

that's cool that took place in

321

00:16:34,939 --> 00:16:30,050

California

322

00:16:37,699 --> 00:16:34,949

this occurred February 16th 2018 I see

323

00:16:38,990 --> 00:16:37,709

this almost nightly they stayed I see

324

00:16:41,090 --> 00:16:39,000

these lights almost nightly for my

325

00:16:44,509 --> 00:16:41,100

bedroom window my fiance also sees them

326

00:16:47,540 --> 00:16:44,519

they form triangles they divide like

327

00:16:51,050 --> 00:16:47,550

cells they have moods they sometimes

328

00:16:54,170 --> 00:16:51,060

camouflage like stars or planes always

329

00:16:56,809 --> 00:16:54,180

find them near the calyx radio towers on

330

00:17:01,179 --> 00:16:56,819

the Berkeley Hills they disappear and

331

00:17:04,370 --> 00:17:01,189

reappear there is always a main life I

332

00:17:07,520 --> 00:17:04,380

have seen up to seven lights in total

333

00:17:10,429 --> 00:17:07,530

I'm watching them right now I don't have

334

00:17:13,850 --> 00:17:10,439

a great camera just this one attached to

335

00:17:16,669 --> 00:17:13,860

my older generation iPad Mini

336

00:17:19,010 --> 00:17:16,679

only footage I have that even captures

337

00:17:21,620 --> 00:17:19,020

anything was from the first night so you

338

00:17:24,980 --> 00:17:21,630

can imagine my frustration thus far

339

00:17:26,600 --> 00:17:24,990

trying to capture them lol you know I

340

00:17:27,770 --> 00:17:26,610

bet that's frustrating and keep seeing

341

00:17:30,710 --> 00:17:27,780

something that you know is out of the

342

00:17:33,380 --> 00:17:30,720

ordinary and you just can't get a good

343

00:17:35,960 --> 00:17:33,390

pic I guess we should all be going

344

00:17:38,060 --> 00:17:35,970

around with GoPro cameras attached to

345

00:17:40,730 --> 00:17:38,070

our foreheads and just filming randomly

346

00:17:42,650 --> 00:17:40,740

because apparently so UFOs in the sky

347

00:17:46,730 --> 00:17:42,660

that our naked eyes can't see I wonder

348

00:17:50,780 --> 00:17:46,740

how good the GoPro camera is able to dip

349

00:17:52,930 --> 00:17:50,790

into that alright new foe sighting in

350

00:17:58,400 --> 00:17:52,940

Culver City California this occurred

351  
00:18:01,490 --> 00:17:58,410  
January 22nd 2018 star light like light

352  
00:18:04,820 --> 00:18:01,500  
during day flies in hovers and changes

353  
00:18:06,680 --> 00:18:04,830  
directions and disappears I was taking a

354  
00:18:08,570 --> 00:18:06,690  
break smoking a cigarette near the

355  
00:18:11,539 --> 00:18:08,580  
parking lot of the building I work in

356  
00:18:13,700 --> 00:18:11,549  
when I looked up in the sky and an

357  
00:18:16,820 --> 00:18:13,710  
object which looked like a star it was

358  
00:18:19,010 --> 00:18:16,830  
about 12:20 p.m. when I first saw it it

359  
00:18:21,710 --> 00:18:19,020  
flew in from the east to the west

360  
00:18:24,799 --> 00:18:21,720  
towards the area of Marina del Rey or

361  
00:18:27,560 --> 00:18:24,809  
Santa Monica and was north of my

362  
00:18:30,530 --> 00:18:27,570  
position about 75 to 80 degrees above

363  
00:18:34,940 --> 00:18:30,540

the horizon it flew in a very straight

364

00:18:37,310 --> 00:18:34,950

line slowly then suddenly stopped it sat

365

00:18:40,430 --> 00:18:37,320

there hovering for nearly a minute it

366

00:18:43,460 --> 00:18:40,440

seems and then began to fly what seemed

367

00:18:46,190 --> 00:18:43,470

like straight up gaining altitude then

368

00:18:49,340 --> 00:18:46,200

suddenly it seemed to change direction

369

00:18:52,970 --> 00:18:49,350

and made what seemed to be a right angle

370

00:18:55,070 --> 00:18:52,980

turn and began heading east again it

371

00:18:57,919 --> 00:18:55,080

flew in that direction for a little bit

372

00:19:00,530 --> 00:18:57,929

maybe 20 seconds and suddenly made

373

00:19:02,780 --> 00:19:00,540

another right angle turn and began to

374

00:19:05,950 --> 00:19:02,790

look like it was descending losing

375

00:19:08,630 --> 00:19:05,960

altitude then again it stopped it

376

00:19:12,289 --> 00:19:08,640

hovered there for about a minute again

377

00:19:14,600 --> 00:19:12,299

roughly about hmm-what north-northeast

378

00:19:18,430 --> 00:19:14,610

of me in the direction of Hollywood then

379

00:19:21,740 --> 00:19:18,440

it took off no acceleration just

380

00:19:25,190 --> 00:19:21,750

immediate speed towards the Northeast

381

00:19:27,670 --> 00:19:25,200

it's what seemed to be an ascending

382

00:19:30,730 --> 00:19:27,680

direction towards I guess

383

00:19:33,160 --> 00:19:30,740

the valley and disappeared that event

384

00:19:35,620 --> 00:19:33,170

lasted very short maybe only three or

385

00:19:37,540 --> 00:19:35,630

four seconds at most I would like to say

386

00:19:40,810 --> 00:19:37,550

that this is the third time in the last

387

00:19:43,480 --> 00:19:40,820

six or so months I have seen the same or

388

00:19:44,770 --> 00:19:43,490

similar object while at work this is

389

00:19:47,560 --> 00:19:44,780

just the first time I could take a

390

00:19:49,840 --> 00:19:47,570

picture clearly enough to see it my work

391

00:19:53,050 --> 00:19:49,850

is in Culver City next to the Fox Hills

392

00:19:56,590 --> 00:19:53,060

Westfield Mall just off the 405 freeway

393

00:19:59,200 --> 00:19:56,600

exit for Slauson and the 90 freeway

394

00:20:02,110 --> 00:19:59,210

about roughly five or so miles from the

395

00:20:05,440 --> 00:20:02,120

LAX exit lots of planes and helicopters

396

00:20:08,410 --> 00:20:05,450

around I am a fan of aircraft of all

397

00:20:11,340 --> 00:20:08,420

types and can tell different types of

398

00:20:15,130 --> 00:20:11,350

planes and their library from each other

399

00:20:17,650 --> 00:20:15,140

this was not a planar helicopter my

400

00:20:21,880 --> 00:20:17,660

picture was taken at 12:25 p.m.

401  
00:20:25,770 --> 00:20:21,890  
according to my phone I'm going to

402  
00:20:29,110 --> 00:20:25,780  
pounce on over to the paranormal point

403  
00:20:33,370 --> 00:20:29,120  
and read you a couple of shorter stories

404  
00:20:36,220 --> 00:20:33,380  
today this one is entitled what was in

405  
00:20:39,490 --> 00:20:36,230  
the tree these are people sharing their

406  
00:20:41,940 --> 00:20:39,500  
personal paranormal encounters this is a

407  
00:20:45,370 --> 00:20:41,950  
true story even if no one believes me I

408  
00:20:49,150 --> 00:20:45,380  
am from a southern African country

409  
00:20:52,870 --> 00:20:49,160  
called Botswana and I live close to the

410  
00:20:55,990 --> 00:20:52,880  
Okavango swamp lands there is a lot of

411  
00:20:58,380 --> 00:20:56,000  
small islands at people camp when I was

412  
00:21:01,420 --> 00:20:58,390  
about ten my dad my uncle and myself

413  
00:21:04,630 --> 00:21:01,430

were going on a camping trip to an

414

00:21:07,330 --> 00:21:04,640

island that we gave the name butterfly

415

00:21:10,630 --> 00:21:07,340

island now this is not where the

416

00:21:12,700 --> 00:21:10,640

encounter of the creature it was on the

417

00:21:16,330 --> 00:21:12,710

way to the island when we saw an island

418

00:21:18,970 --> 00:21:16,340

that looked nice to have lunch so after

419

00:21:22,390 --> 00:21:18,980

we lunch my dad and uncle decided to

420

00:21:26,230 --> 00:21:22,400

stay the first night there this made me

421

00:21:28,530 --> 00:21:26,240

happy as I could explore after about

422

00:21:32,470 --> 00:21:28,540

thirty minutes of walking in the bush I

423

00:21:35,800 --> 00:21:32,480

heard a loud clicking sound from all

424

00:21:39,040 --> 00:21:35,810

around me it sounded like the predator

425

00:21:41,289 --> 00:21:39,050

but different when suddenly I heard

426

00:21:43,570 --> 00:21:41,299

branches breaking above me

427

00:21:46,239 --> 00:21:43,580

this made me fall as I thought the

428

00:21:49,269 --> 00:21:46,249

branches were going to hit me when I

429

00:21:51,779 --> 00:21:49,279

looked up all I saw were red eyes

430

00:21:55,690 --> 00:21:51,789

looking down on me

431

00:22:00,190 --> 00:21:55,700

this made me feel hollow like it was

432

00:22:03,070 --> 00:22:00,200

looking through me when the black bodied

433

00:22:06,909 --> 00:22:03,080

creature started pushing its way through

434

00:22:10,320 --> 00:22:06,919

the branches showing wings and it

435

00:22:14,830 --> 00:22:10,330

started to flap until it jumped down

436

00:22:18,639 --> 00:22:14,840

ready to grab an easy meal when I saw

437

00:22:21,399 --> 00:22:18,649

that I didn't even realize that I was

438

00:22:25,149 --> 00:22:21,409

sprinting through the bush until I ran

439

00:22:27,609 --> 00:22:25,159

into something I looked up and I saw it

440

00:22:28,239 --> 00:22:27,619

was my dad and when he saw me drained of

441

00:22:32,289 --> 00:22:28,249

color

442

00:22:35,109 --> 00:22:32,299

he asked what happened all I said was it

443

00:22:39,519 --> 00:22:35,119

was an animal I can't remember what but

444

00:22:43,509 --> 00:22:39,529

all I saw the rest of that trip were red

445

00:22:46,599 --> 00:22:43,519

eyes in my dreams no nightmares I don't

446

00:22:50,919 --> 00:22:46,609

know what it was but I will never forget

447

00:22:52,419 --> 00:22:50,929

it wow that sounds like Mothman doesn't

448

00:22:54,369 --> 00:22:52,429

it kind of that little Mothman

449

00:22:57,369 --> 00:22:54,379

Prophecies think sounds like the bet

450

00:23:00,159 --> 00:22:57,379

that is infiltrating Gotham City called

451  
00:23:02,259 --> 00:23:00,169  
Chicago where I'm at right here - pretty

452  
00:23:03,629 --> 00:23:02,269  
pretty crazy stuff alright here we go

453  
00:23:06,399 --> 00:23:03,639  
next

454  
00:23:09,430 --> 00:23:06,409  
paranormal point of a story this one is

455  
00:23:13,479 --> 00:23:09,440  
called humanoid in Colorado

456  
00:23:16,810 --> 00:23:13,489  
I hope there's humans there a little

457  
00:23:20,229 --> 00:23:16,820  
backstory first my name is Jared no not

458  
00:23:21,749 --> 00:23:20,239  
the one from Subway and I live in Estes

459  
00:23:24,789 --> 00:23:21,759  
Park Colorado

460  
00:23:27,970 --> 00:23:24,799  
normally my family and I go camping out

461  
00:23:30,970 --> 00:23:27,980  
in the middle of nowhere because we are

462  
00:23:34,389 --> 00:23:30,980  
literally so close to the mountains but

463  
00:23:37,269 --> 00:23:34,399

I'm begging my parents to get out of

464

00:23:41,649 --> 00:23:37,279

here and move to the city after what

465

00:23:44,470 --> 00:23:41,659

happened to me that dreaded night it was

466

00:23:47,019 --> 00:23:44,480

around uh four days ago when my dad said

467

00:23:48,580 --> 00:23:47,029

we were going camping I was looking

468

00:23:50,730 --> 00:23:48,590

forward to it this time got another

469

00:23:53,799 --> 00:23:50,740

camping trip because I'm into

470

00:23:56,709 --> 00:23:53,809

unidentified creatures and such

471

00:23:59,049 --> 00:23:56,719

so I was wanting to find Bigfoot or some

472

00:24:00,999 --> 00:23:59,059

other creature when we arrived to the

473

00:24:06,009 --> 00:24:01,009

middle of nowhere when it what a destiny

474

00:24:07,570 --> 00:24:06,019

huh I suddenly felt uneasy and no it

475

00:24:11,440 --> 00:24:07,580

wasn't being watched

476

00:24:16,209 --> 00:24:11,450

it was just like nausea like I wanted to

477

00:24:18,580 --> 00:24:16,219

puke right there but it went away when

478

00:24:20,919 --> 00:24:18,590

we were setting up our tents fast

479

00:24:23,349 --> 00:24:20,929

forward to the next morning I remember

480

00:24:26,019 --> 00:24:23,359

waking up at around 4:00 a.m. and I

481

00:24:30,669 --> 00:24:26,029

remember getting the same feeling again

482

00:24:34,209 --> 00:24:30,679

but 10 times stronger I went outside for

483

00:24:37,060 --> 00:24:34,219

fresh air I regret what I did right

484

00:24:42,089 --> 00:24:37,070

there because as soon as I got out of my

485

00:24:49,359 --> 00:24:42,099

tent I swear I saw what looked like

486

00:24:50,859 --> 00:24:49,369

Freddy Krueger had a kid with ET I'm

487

00:24:54,820 --> 00:24:50,869

trying to imagine that huh

488

00:24:58,180 --> 00:24:54,830

that sounds pretty gross I hoped it

489

00:25:01,029 --> 00:24:58,190

didn't see me and went right back to my

490

00:25:03,579 --> 00:25:01,039

tent the rest of the day went on

491

00:25:05,289 --> 00:25:03,589

normally until nighttime when my dad and

492

00:25:08,409 --> 00:25:05,299

I were outside around the campfire

493

00:25:11,589 --> 00:25:08,419

around 2:00 a.m. when all of a sudden we

494

00:25:16,089 --> 00:25:11,599

hear a screech so terrible and demonic

495

00:25:17,889 --> 00:25:16,099

that would make you deaf for a second it

496

00:25:20,560 --> 00:25:17,899

took me a minute to remember about what

497

00:25:23,889 --> 00:25:20,570

I saw that morning and I told my dad to

498

00:25:26,859 --> 00:25:23,899

pack everything and leave we didn't

499

00:25:30,070 --> 00:25:26,869

leave until the next day which was two

500

00:25:32,499 --> 00:25:30,080

days ago we packed everything up and

501  
00:25:36,839 --> 00:25:32,509  
left I was looking through the window

502  
00:25:40,239 --> 00:25:36,849  
when I saw it again its eyes were

503  
00:25:43,829 --> 00:25:40,249  
enormous with a lifeless stare that

504  
00:25:47,950 --> 00:25:43,839  
would leave you in shock the dirty

505  
00:25:51,339 --> 00:25:47,960  
raggedy skin made it look worse but we

506  
00:25:52,930 --> 00:25:51,349  
rushed right past it we got home and my

507  
00:25:54,719 --> 00:25:52,940  
family were watching a movie or

508  
00:25:58,149 --> 00:25:54,729  
something while I was ironically

509  
00:26:01,810 --> 00:25:58,159  
watching darkness prevails when we

510  
00:26:04,389 --> 00:26:01,820  
decided to go to sleep I felt the same

511  
00:26:07,570 --> 00:26:04,399  
dang feeling again for what seemed like

512  
00:26:10,390 --> 00:26:07,580  
ages but it never went away

513  
00:26:13,600 --> 00:26:10,400

I went downstairs to get a glass of milk

514

00:26:17,860 --> 00:26:13,610

and some Oreos to calm myself but all of

515

00:26:21,220 --> 00:26:17,870

a sudden I hear that screech again and

516

00:26:23,320 --> 00:26:21,230

in pure shock and fear I grabbed a knife

517

00:26:26,320 --> 00:26:23,330

and ran to my bedroom and stayed away

518

00:26:29,800 --> 00:26:26,330

from my windows then I remembered that

519

00:26:34,090 --> 00:26:29,810

while we brought our things in I left

520

00:26:34,630 --> 00:26:34,100

the back door open what but it was too

521

00:26:37,810 --> 00:26:34,640

late

522

00:26:41,170 --> 00:26:37,820

I heard the back door open and I heard

523

00:26:42,340 --> 00:26:41,180

what was like centipedes next to my door

524

00:26:44,860 --> 00:26:42,350

Oh gross

525

00:26:48,970 --> 00:26:44,870

I didn't want to die that night and I

526  
00:26:53,620 --> 00:26:48,980  
actually cared for my life and my family

527  
00:26:57,250 --> 00:26:53,630  
so I turned mice mice bagger on what

528  
00:27:00,250 --> 00:26:57,260  
they mean speaker and put on a very loud

529  
00:27:04,650 --> 00:27:00,260  
alarm to wake my family up while I

530  
00:27:08,680 --> 00:27:04,660  
opened my window to get out of the house

531  
00:27:11,800 --> 00:27:08,690  
we all left safely but I still remember

532  
00:27:15,910 --> 00:27:11,810  
that stare I looked up to my bedroom

533  
00:27:17,370 --> 00:27:15,920  
window and saw the thing staring down at

534  
00:27:20,470 --> 00:27:17,380  
me with hatred

535  
00:27:23,140 --> 00:27:20,480  
right now I'm typing this at my aunt's

536  
00:27:28,140 --> 00:27:23,150  
house in Denver and I'm thinking of

537  
00:27:31,360 --> 00:27:28,150  
staying here permanently huh

538  
00:27:33,520 --> 00:27:31,370

okay I'm trying to imagine what this

539

00:27:37,660 --> 00:27:33,530

person is sharing they said Freddy

540

00:27:41,110 --> 00:27:37,670

Krueger and et if they had a baby

541

00:27:46,660 --> 00:27:41,120

okay so et had big eyes and there are

542

00:27:51,250 --> 00:27:46,670

black Freddy Krueger were a hat and he

543

00:27:54,190 --> 00:27:51,260

had really nasty looking skin and he

544

00:27:56,650 --> 00:27:54,200

looked like a man for some reason this

545

00:27:59,260 --> 00:27:56,660

person didn't describe exactly what this

546

00:28:03,370 --> 00:27:59,270

being looked like but this sounds like

547

00:28:07,330 --> 00:28:03,380

the Hat man to me what is the Hat man

548

00:28:10,090 --> 00:28:07,340

well go to Heidi Hollis calm I named the

549

00:28:12,400 --> 00:28:10,100

freakin character he is this guy that

550

00:28:15,280 --> 00:28:12,410

likes to go around a three-piece suit he

551

00:28:17,820 --> 00:28:15,290

wears a hat very much like Freddy

552

00:28:20,800 --> 00:28:17,830

Krueger did from Nightmare on Elm Street

553

00:28:21,300 --> 00:28:20,810

sometimes he has a top hat sometimes he

554

00:28:24,970 --> 00:28:21,310

has no

555

00:28:27,910 --> 00:28:24,980

he seems to stand in shadows he can have

556

00:28:30,090 --> 00:28:27,920

red glowing eyes or big black eyes and

557

00:28:32,890 --> 00:28:30,100

he'll step out from the shadows and

558

00:28:35,110 --> 00:28:32,900

he'll just be the worst thing you ever

559

00:28:38,320 --> 00:28:35,120

did see and he will follow you

560

00:28:40,540 --> 00:28:38,330

he will track you down he will come into

561

00:28:42,040 --> 00:28:40,550

your home he'll see him after an

562

00:28:44,860 --> 00:28:42,050

accident you'll see him after a death

563

00:28:46,900 --> 00:28:44,870

he'll just draw the life out of you

564

00:28:49,270 --> 00:28:46,910

he is a horrible lowdown

565

00:28:51,340 --> 00:28:49,280

good-for-nothing piece of crap and there

566

00:28:53,410 --> 00:28:51,350

you have it all right I want to say

567

00:28:56,020 --> 00:28:53,420

thank you for listening to UFO headline

568

00:28:59,020 --> 00:28:56,030

news with me Heidi Hollis and be sure to

569

00:29:01,960 --> 00:28:59,030

check out UFO headline news a.com every

570

00:29:05,770 --> 00:29:01,970

single day and tune in to my other two

571

00:29:07,240 --> 00:29:05,780

count them to weekly shows the Outlander

572

00:29:09,370 --> 00:29:07,250

on Fridays and I co-host

573

00:29:12,160 --> 00:29:09,380

on the Kevin cook show every Tuesday

574

00:29:14,410 --> 00:29:12,170

both shows are at 9 p.m. Eastern a p.m.

575

00:29:17,200 --> 00:29:14,420

central and see my paranormal comic

576

00:29:20,530 --> 00:29:17,210

strip the Outlanders at the Outlanders

577

00:29:22,630 --> 00:29:20,540

comic calm direct links can be found

578

00:29:24,640 --> 00:29:22,640

everything on heidi house calm or

579

00:29:26,800 --> 00:29:24,650

inception radio network calm and if

580

00:29:27,910 --> 00:29:26,810

you've experienced something out of the

581

00:29:31,210 --> 00:29:27,920

ordinary and want some level-headed

582

00:29:35,190 --> 00:29:31,220

advice or if you've seen a UFO and want

583

00:29:39,460 --> 00:29:35,200

to share be sure to write me at you h-n

584

00:29:43,270 --> 00:29:39,470

and inception radio network i remember

585

00:29:43,280 --> 00:29:53,370

[Music]

586

00:30:00,430 --> 00:29:57,490

what a macho and what a t-mike MetroPCS

587

00:30:03,330 --> 00:30:00,440

in the iPhone se for \$0 on a network

588

00:30:05,650 --> 00:30:03,340

that covers 99% of people in the u.s.

589

00:30:07,420 --> 00:30:05,660

impressive

590

00:30:09,700 --> 00:30:07,430

play with the best switch to MetroPCS

591

00:30:13,330 --> 00:30:09,710

and an unlimited LTE plan and get a 32

592

00:30:14,560 --> 00:30:13,340

gig iphone se for \$0 not your pcs covers

593

00:30:16,060 --> 00:30:14,570

not available in some areas plus sales

594

00:30:17,290 --> 00:30:16,070

tax claim based on talking text not

595

00:30:18,610 --> 00:30:17,300

valid for active numbers currently on
