

# UFO Headline News | Tuesday February 27th, 2018

Listen on

[inceptionradionetwork.com](http://inceptionradionetwork.com)

1  
00:00:03,439 --> 00:00:01,939  
hi it's Jamie progresses employee of the

2  
00:00:06,079 --> 00:00:03,449  
month two months in a row leave a

3  
00:00:07,880 --> 00:00:06,089  
message at the hi Jamie it's me Jamie I

4  
00:00:09,620 --> 00:00:07,890  
just had a new idea for our song with

5  
00:00:11,390 --> 00:00:09,630  
the name your price tool so when it's

6  
00:00:13,400 --> 00:00:11,400  
like tell us what you want to pay hey

7  
00:00:15,440 --> 00:00:13,410  
hey hey the trombone goes blah blah blah

8  
00:00:18,050 --> 00:00:15,450  
and you say we'll help you find carbage

9  
00:00:19,700 --> 00:00:18,060  
options to fit your budget then we just

10  
00:00:21,470 --> 00:00:19,710  
all do finger snaps well choir goes

11  
00:00:23,900 --> 00:00:21,480  
Satan's coming at you savings coming at

12  
00:00:25,550 --> 00:00:23,910  
job yes no maybe anyway see your

13  
00:00:27,589 --> 00:00:25,560

practice tonight I got new lyrics for

14

00:00:28,759 --> 00:00:27,599

the rap break progressive casualty

15

00:00:30,440 --> 00:00:28,769

insurance company in affiliates price

16

00:00:33,940 --> 00:00:30,450

and coverage match limited by state law

17

00:00:36,920 --> 00:00:33,950

[Music]

18

00:00:39,139 --> 00:00:36,930

welcome welcome to UFO headline news

19

00:00:41,930 --> 00:00:39,149

with me hiding Allah's word every day I

20

00:00:44,600 --> 00:00:41,940

aim to bring you the latest in UFO

21

00:00:48,650 --> 00:00:44,610

reports and other fascinating stories

22

00:00:50,029 --> 00:00:48,660

from around the globe oh my goodness

23

00:00:55,520 --> 00:00:50,039

what is today's date

24

00:00:57,560 --> 00:00:55,530

today is Tuesday February 27 2018 and on

25

00:01:00,619 --> 00:00:57,570

Fridays at 8 p.m. Central Standard Time

26

00:01:02,029 --> 00:01:00,629

join me for my talk show the Outlander

27

00:01:04,429 --> 00:01:02,039

where I answer your emails take your

28

00:01:08,929 --> 00:01:04,439

calls and interview some intriguing

29

00:01:12,500 --> 00:01:08,939

guests just go to Heidi Hollis calm for

30

00:01:15,740 --> 00:01:12,510

more information and I are in chat calm

31

00:01:18,649 --> 00:01:15,750

to chat interact and listen live to the

32

00:01:20,990 --> 00:01:18,659

Outlander show blasting off with some

33

00:01:24,260 --> 00:01:21,000

UFO reports black triangle sighting and

34

00:01:26,719 --> 00:01:24,270

oh my goodness what how do you how long

35

00:01:29,810 --> 00:01:26,729

Jane Duke gang coup and I am not kidding

36

00:01:34,640 --> 00:01:29,820

I believe that's how you say it it's

37

00:01:37,730 --> 00:01:34,650

occurred February 20th 2018 and they

38

00:01:40,249 --> 00:01:37,740

state it has appeared four consecutive

39

00:01:42,980 --> 00:01:40,259

five years around the north area of

40

00:01:46,249 --> 00:01:42,990

Seoul every night oh this is in Seoul

41

00:01:49,010 --> 00:01:46,259

Korea okay cool last may one night I

42

00:01:52,219 --> 00:01:49,020

looked up to the sky to see the stars in

43

00:01:55,999 --> 00:01:52,229

front of my house then suddenly I happen

44

00:01:59,600 --> 00:01:56,009

to see the blinking slowly flying object

45

00:02:01,190 --> 00:01:59,610

in the sky around 9:00 p.m. at first I

46

00:02:04,010 --> 00:02:01,200

thought it was just a helicopter or

47

00:02:07,160 --> 00:02:04,020

something but to my surprise it didn't

48

00:02:09,800 --> 00:02:07,170

make any noise it was so bizarre after

49

00:02:11,930 --> 00:02:09,810

that incident in fact I could often see

50

00:02:12,840 --> 00:02:11,940

the thing around two or three times a

51  
00:02:16,200 --> 00:02:12,850  
week on

52  
00:02:18,570 --> 00:02:16,210  
frig one day I made up my mind they have

53  
00:02:21,510 --> 00:02:18,580  
a better look at it so I climbed up the

54  
00:02:25,380 --> 00:02:21,520  
mountain and succeeded to see it very

55  
00:02:28,560 --> 00:02:25,390  
closely its shape is a black right

56  
00:02:31,140 --> 00:02:28,570  
triangle and three blinking lights on

57  
00:02:34,620 --> 00:02:31,150  
its three corners with a faint right in

58  
00:02:36,390 --> 00:02:34,630  
the center pretty interesting it's size

59  
00:02:38,970 --> 00:02:36,400  
is approximately bigger than a

60  
00:02:41,760 --> 00:02:38,980  
helicopter but not that much bigger than

61  
00:02:44,010 --> 00:02:41,770  
a plane as I said earlier it shows up

62  
00:02:45,900 --> 00:02:44,020  
every night regardless of weather

63  
00:02:50,820 --> 00:02:45,910

conditions clear or cloudy

64

00:02:52,560 --> 00:02:50,830

hot or cold rainy or snowy it seems like

65

00:02:55,710 --> 00:02:52,570

it is searching for its missing

66

00:03:00,750 --> 00:02:55,720

fragments or missing comrades how would

67

00:03:03,540 --> 00:03:00,760

you know that it has a routine traveling

68

00:03:06,510 --> 00:03:03,550

coarse and rough timetables orbiting the

69

00:03:09,000 --> 00:03:06,520

town it usually flies over the mountains

70

00:03:11,910 --> 00:03:09,010

or military facilities especially the

71

00:03:14,850 --> 00:03:11,920

USA one's laughing at human weapon

72

00:03:17,310 --> 00:03:14,860

systems it may sound foolish but I think

73

00:03:19,770 --> 00:03:17,320

it is conscious of me and watches my

74

00:03:23,010 --> 00:03:19,780

activities because it follows wherever I

75

00:03:24,930 --> 00:03:23,020

go you see this guy's another one who

76

00:03:27,630 --> 00:03:24,940

thinks they have some kind of mental

77

00:03:31,350 --> 00:03:27,640

link with them I always get a hunch it's

78

00:03:33,110 --> 00:03:31,360

going to be in a minute what what what I

79

00:03:36,830 --> 00:03:33,120

don't know if they're putting there I

80

00:03:40,140 --> 00:03:36,840

think they mean imminent whatever I am I

81

00:03:42,960 --> 00:03:40,150

tried to let Korean major news agency

82

00:03:45,210 --> 00:03:42,970

post about it but they are reluctant to

83

00:03:47,700 --> 00:03:45,220

go deeper no they're like the USA more

84

00:03:50,580 --> 00:03:47,710

than you realize if you want video clips

85

00:03:53,340 --> 00:03:50,590

of it I'll be glad to send them I have

86

00:03:56,310 --> 00:03:53,350

lots of video clips it is not a mystical

87

00:03:59,520 --> 00:03:56,320

thing anymore but to me is a daily

88

00:04:01,740 --> 00:03:59,530

matter of factual routine if you don't

89

00:04:05,220 --> 00:04:01,750

believe me you can refer to Korean UFO

90

00:04:08,100 --> 00:04:05,230

hunter on YouTube he has also witnessed

91

00:04:11,790 --> 00:04:08,110

it with me most of the time I am also

92

00:04:15,060 --> 00:04:11,800

anxious to know where this appears every

93

00:04:20,070 --> 00:04:15,070

night in northern Qian kong province so

94

00:04:23,900 --> 00:04:20,080

fervently without a day off real area 51

95

00:04:25,860 --> 00:04:23,910

is in Korea oh oh you think so do you I

96

00:04:30,800 --> 00:04:25,870

beg to differ

97

00:04:32,730 --> 00:04:30,810

because area 51 is an area 51 in the US

98

00:04:35,129 --> 00:04:32,740

I'm just saying

99

00:04:40,379 --> 00:04:35,139

okay alright moving on okay what is this

100

00:04:41,939 --> 00:04:40,389

one okay well let's just try this as a

101

00:04:44,210 --> 00:04:41,949

real brief one UFO sighting in

102

00:04:48,770 --> 00:04:44,220

Gatlinburg Tennessee this occurred

103

00:04:51,480 --> 00:04:48,780

February 18 2018 traveling I forty East

104

00:04:53,879 --> 00:04:51,490

my son sent me this pic as he took it

105

00:04:56,030 --> 00:04:53,889

upon entering the Smoky Mountains

106

00:04:59,550 --> 00:04:56,040

without seeing the objects in the pic I

107

00:05:02,430 --> 00:04:59,560

asked him if that was a UFO and he said

108

00:05:05,640 --> 00:05:02,440

no he was sending a pic of the mountains

109

00:05:08,010 --> 00:05:05,650

I will attach the original pic and zoom

110

00:05:10,980 --> 00:05:08,020

in find the pic okay guys we're gonna

111

00:05:13,680 --> 00:05:10,990

click on this one for su sometimes it's

112

00:05:17,310 --> 00:05:13,690

just the least specking one that is just

113

00:05:19,469 --> 00:05:17,320

like you know such a cool picture and

114

00:05:21,659 --> 00:05:19,479

there are photos actually attached way

115

00:05:29,700 --> 00:05:21,669

to go MUFON all right let's click on

116

00:05:31,500 --> 00:05:29,710

this first one oh okay all right okay

117

00:05:36,170 --> 00:05:31,510

okay hold on let's look at the zoomed in

118

00:05:47,219 --> 00:05:41,339

huh okay so there's two streaks in the

119

00:05:49,980 --> 00:05:47,229

sky that could be kinda like a saucer

120

00:05:52,740 --> 00:05:49,990

shape or it could be a reflection of

121

00:05:55,050 --> 00:05:52,750

something in the car just sayin it's

122

00:05:57,690 --> 00:05:55,060

hard to tell with this one one of those

123

00:05:59,940 --> 00:05:57,700

odd odd ones middle of the road type so

124

00:06:01,140 --> 00:05:59,950

knows okay that's cool but it wasn't as

125

00:06:03,870 --> 00:06:01,150

impressive as some of the ones that I've

126  
00:06:09,330 --> 00:06:03,880  
seen eautiful sighting in Rancho Santa

127  
00:06:12,300 --> 00:06:09,340  
Margarita California secured February 18

128  
00:06:14,730 --> 00:06:12,310  
2018 they state we had just finished

129  
00:06:17,129 --> 00:06:14,740  
playing tennis at 11 a.m. when one of

130  
00:06:19,920 --> 00:06:17,139  
the players looked up and said what is

131  
00:06:22,740 --> 00:06:19,930  
that we observed the object for about

132  
00:06:25,110 --> 00:06:22,750  
five to ten minutes at first I thought

133  
00:06:27,900 --> 00:06:25,120  
it was silver balloons but they weren't

134  
00:06:30,990 --> 00:06:27,910  
gaining altitude or moving by the wind

135  
00:06:34,440 --> 00:06:31,000  
and then based on height and distance

136  
00:06:37,170 --> 00:06:34,450  
from us it seemed too big to be balloons

137  
00:06:38,730 --> 00:06:37,180  
it reminded us of this but we couldn't

138  
00:06:39,520 --> 00:06:38,740

see the movement caught in this video

139

00:06:42,400 --> 00:06:39,530

because of just

140

00:06:45,400 --> 00:06:42,410

and then they put a link here for a

141

00:06:47,650 --> 00:06:45,410

Texas UFO sighting the photo below was

142

00:06:50,710 --> 00:06:47,660

taken from their video but very much

143

00:06:52,000 --> 00:06:50,720

reminds us of what we saw okay you guys

144

00:06:54,790 --> 00:06:52,010

could check that one on their own if

145

00:06:57,340 --> 00:06:54,800

you'd like your foe sighting in Danvers

146

00:07:02,170 --> 00:06:57,350

Massachusetts this occurred

147

00:07:06,340 --> 00:07:02,180

February 18 2018 fast glowing reddish

148

00:07:10,890 --> 00:07:06,350

orange orb snaking around the night sky

149

00:07:13,660 --> 00:07:10,900

before abruptly moving upward and

150

00:07:17,410 --> 00:07:13,670

vanishing but you

151  
00:07:18,940 --> 00:07:17,420  
oh and more detail they stayed I was

152  
00:07:21,370 --> 00:07:18,950  
driving into work at the local

153  
00:07:23,830 --> 00:07:21,380  
supermarket I worked the night chef and

154  
00:07:25,750 --> 00:07:23,840  
so it was already late at night as I was

155  
00:07:28,270 --> 00:07:25,760  
pulling into the parking lot I was

156  
00:07:32,460 --> 00:07:28,280  
admiring the clear starry sky and this

157  
00:07:35,530 --> 00:07:32,470  
crisp winter night it was 32 degrees out

158  
00:07:38,380 --> 00:07:35,540  
as I was looking out at the horizon in

159  
00:07:42,100 --> 00:07:38,390  
front of me I saw what I thought was a

160  
00:07:42,940 --> 00:07:42,110  
large reddish orange star except it

161  
00:07:46,960 --> 00:07:42,950  
wasn't moving

162  
00:07:49,810 --> 00:07:46,970  
it was sneaking across the sky like it

163  
00:07:52,360 --> 00:07:49,820

was on a roller coaster up and down

164

00:07:55,690 --> 00:07:52,370

going from Southwest to Northwest I

165

00:07:58,870 --> 00:07:55,700

wasn't scared but was wondering what the

166

00:08:01,620 --> 00:07:58,880

hell it was after about thirty seconds

167

00:08:03,760 --> 00:08:01,630

of this I turned abruptly it upward and

168

00:08:05,850 --> 00:08:03,770

vanished without a trace like it was

169

00:08:09,520 --> 00:08:05,860

swallowed up by the night sky

170

00:08:11,740 --> 00:08:09,530

it didn't look solid at all it was like

171

00:08:14,890 --> 00:08:11,750

made out of fire and was moving so fast

172

00:08:17,380 --> 00:08:14,900

it was leaving a slight light trail

173

00:08:20,920 --> 00:08:17,390

behind it when I looked at my car's

174

00:08:23,350 --> 00:08:20,930

clock it was 10:52 p.m. I come from a

175

00:08:25,900 --> 00:08:23,360

family of retired firefighter and

176  
00:08:27,460 --> 00:08:25,910  
private pilots and so I'm used to seeing

177  
00:08:30,219 --> 00:08:27,470  
all kinds of civilian and military

178  
00:08:33,159 --> 00:08:30,229  
aircraft which this was nothing like

179  
00:08:37,230 --> 00:08:33,169  
this there were no lights on it but

180  
00:08:39,820 --> 00:08:37,240  
updated as if it was made of pure light

181  
00:08:42,430 --> 00:08:39,830  
updated I don't know what they mean okay

182  
00:08:46,060 --> 00:08:42,440  
it moved had impossible angles and was

183  
00:08:48,370 --> 00:08:46,070  
too fast to be man-made it wasn't a

184  
00:08:50,860 --> 00:08:48,380  
meteor either because rather than fall

185  
00:08:53,260 --> 00:08:50,870  
to the earth it moved back upwards

186  
00:08:56,470 --> 00:08:53,270  
towards space before disappearing

187  
00:08:58,990 --> 00:08:56,480  
and was moving too closely parallel to

188  
00:09:01,570 --> 00:08:59,000

the horizon I'm kind of sad I didn't get

189

00:09:04,600 --> 00:09:01,580

a chance to video it as it was brief as

190

00:09:07,720 --> 00:09:04,610

I was slowly driving don't you hate that

191

00:09:11,620 --> 00:09:07,730

he totally missed and once-in-a-lifetime

192

00:09:14,200 --> 00:09:11,630

opportunity I know I've been there okay

193

00:09:16,450 --> 00:09:14,210

you feel signing in Calgary Alberta

194

00:09:21,310 --> 00:09:16,460

who's the UFO blast from the past has

195

00:09:25,390 --> 00:09:21,320

occurred February 28th 1991 dreaming

196

00:09:28,120 --> 00:09:25,400

bright light paralyzed blacked out when

197

00:09:31,840 --> 00:09:28,130

I woke up had a weird mark on my upper

198

00:09:34,240 --> 00:09:31,850

arm in more detail not sure if it

199

00:09:37,570 --> 00:09:34,250

matters but it has been in the back of

200

00:09:40,150 --> 00:09:37,580

my mind since I am sure I was sleeping

201  
00:09:42,220 --> 00:09:40,160  
for the night school night and suddenly

202  
00:09:44,680 --> 00:09:42,230  
I remember vividly having a dream where

203  
00:09:49,140 --> 00:09:44,690  
my stepfather and I were driving down a

204  
00:09:52,450 --> 00:09:49,150  
road and my mother's 1990 Dodge minivan

205  
00:09:55,540 --> 00:09:52,460  
my stepdad asked me to grab a map from

206  
00:09:59,530 --> 00:09:55,550  
between the seats then the bright white

207  
00:10:02,680 --> 00:09:59,540  
light hit the van and everything powered

208  
00:10:05,380 --> 00:10:02,690  
down but the radio I could hear the

209  
00:10:11,050 --> 00:10:05,390  
music and see the digital clock on the

210  
00:10:14,440 --> 00:10:11,060  
dash it was 101 I vividly remember being

211  
00:10:16,210 --> 00:10:14,450  
unable to move or talk I could make

212  
00:10:19,290 --> 00:10:16,220  
slight noises but no words and

213  
00:10:23,590 --> 00:10:19,300

everything was instantly in slow motion

214

00:10:26,260 --> 00:10:23,600

even the car I remember a slight warmth

215

00:10:28,140 --> 00:10:26,270

from the bright light my stepfather

216

00:10:32,020 --> 00:10:28,150

seemed to be like a statue

217

00:10:35,790 --> 00:10:32,030

then the light got so bright everything

218

00:10:37,960 --> 00:10:35,800

went black and blank I woke up in bed

219

00:10:40,390 --> 00:10:37,970

strangest part was when I started

220

00:10:42,640 --> 00:10:40,400

getting ready for school I couldn't

221

00:10:45,430 --> 00:10:42,650

shake the weird electric feeling or

222

00:10:49,150 --> 00:10:45,440

sensation I noticed in the mirror a

223

00:10:53,650 --> 00:10:49,160

black mark on my arm in the center was

224

00:10:56,230 --> 00:10:53,660

an ellipse shape skin color kind of with

225

00:11:00,190 --> 00:10:56,240

two almond shaped black marks on the

226

00:11:02,080 --> 00:11:00,200

skin tone it lipst okay this was before

227

00:11:05,080 --> 00:11:02,090

the internet so we did not have that

228

00:11:06,759 --> 00:11:05,090

cameras readily available so I try to

229

00:11:10,900 --> 00:11:06,769

trace it on a piece of paper

230

00:11:12,040 --> 00:11:10,910

then I scrubbed it almost raw with no

231

00:11:15,220 --> 00:11:12,050

result

232

00:11:18,009 --> 00:11:15,230

the marked looked like it was under my

233

00:11:20,470 --> 00:11:18,019

skin like you would see a few layers of

234

00:11:22,900 --> 00:11:20,480

skin over it I was scared it to my

235

00:11:25,389 --> 00:11:22,910

mother due to several reasons so I went

236

00:11:29,319 --> 00:11:25,399

to school when I arrived everything was

237

00:11:33,249 --> 00:11:29,329

normal then I had a flash in my mind of

238

00:11:37,410 --> 00:11:33,259

my pencil rolling off my desk

239

00:11:41,019 --> 00:11:37,420

and falling in a very particular way I

240

00:11:45,069 --> 00:11:41,029

was jolted by a classmate bumping in

241

00:11:48,819 --> 00:11:45,079

asking me if I was okay I asked why and

242

00:11:50,859 --> 00:11:48,829

he said I seemed spaced out he kept

243

00:11:52,869 --> 00:11:50,869

asking if I was okay so I decided to

244

00:11:56,259 --> 00:11:52,879

tell him I had a weird mark on my arm

245

00:11:58,989 --> 00:11:56,269

after a weird dream that's pretty bold

246

00:12:02,410 --> 00:11:58,999

I showed him and he said it looks like a

247

00:12:04,900 --> 00:12:02,420

tattoo of course rumors started to fly

248

00:12:08,350 --> 00:12:04,910

that I had gotten a tattoo at the age of

249

00:12:11,530 --> 00:12:08,360

13 and I was pestered by many to show

250

00:12:13,539 --> 00:12:11,540

them my quote tattoo which I didn't

251  
00:12:15,789 --> 00:12:13,549  
because now I was super embarrassed

252  
00:12:19,299 --> 00:12:15,799  
I left school early and went home very

253  
00:12:22,989 --> 00:12:19,309  
upset over the entire incident I tried

254  
00:12:25,960 --> 00:12:22,999  
to scrub the tattoo off and no change I

255  
00:12:28,480 --> 00:12:25,970  
was worried if my mother saw it she

256  
00:12:31,359 --> 00:12:28,490  
would be angry so I went to bed early to

257  
00:12:33,400 --> 00:12:31,369  
avoid her too scared to sleep because I

258  
00:12:37,720 --> 00:12:33,410  
didn't want to have that dream again I

259  
00:12:41,230 --> 00:12:37,730  
decided to play with Legos next thing I

260  
00:12:44,769 --> 00:12:41,240  
remember was I woke up in my bed next

261  
00:12:47,230 --> 00:12:44,779  
morning had that confused feeling as to

262  
00:12:48,840 --> 00:12:47,240  
what happened the night before went to

263  
00:12:53,079 --> 00:12:48,850

the bathroom to get ready for school

264

00:12:58,239 --> 00:12:53,089

that's when I noticed the tattoo was

265

00:13:00,999 --> 00:12:58,249

gone oh wow all evidence of me trying to

266

00:13:06,090 --> 00:13:01,009

scrub it was gone no scratches or

267

00:13:08,470 --> 00:13:06,100

redness I was so happy but confused I

268

00:13:11,350 --> 00:13:08,480

went to school quickly to show off my

269

00:13:14,470 --> 00:13:11,360

arm to those who made fun of me the day

270

00:13:16,720 --> 00:13:14,480

before that it wasn't a tattoo and no

271

00:13:20,079 --> 00:13:16,730

one seemed to know what I was talking

272

00:13:20,560 --> 00:13:20,089

about oh that's wild the original scent

273

00:13:23,860 --> 00:13:20,570

fresh

274

00:13:27,070 --> 00:13:23,870

and I showed it to seem to be distant

275

00:13:30,160 --> 00:13:27,080

now so now even more confused we carry

276

00:13:33,790 --> 00:13:30,170

on with the day during science class at

277

00:13:35,380 --> 00:13:33,800

the exact sentence from the teacher I

278

00:13:38,560 --> 00:13:35,390

don't know what they're saying here and

279

00:13:42,250 --> 00:13:38,570

time during the lesson my pencil began

280

00:13:45,840 --> 00:13:42,260

to roll off my desk and land the exact

281

00:13:49,720 --> 00:13:45,850

same way I pictured it the day before I

282

00:13:53,230 --> 00:13:49,730

figured I was going crazy and chalked it

283

00:13:56,020 --> 00:13:53,240

up to some voodoo deja vu and never

284

00:13:59,340 --> 00:13:56,030

spoke of it again because of the fear of

285

00:14:03,340 --> 00:13:59,350

being locked up in an insane asylum

286

00:14:06,190 --> 00:14:03,350

literally what that's so crazy I asked

287

00:14:09,490 --> 00:14:06,200

my mother if anything was weird and she

288

00:14:12,310 --> 00:14:09,500

thought I was she thought I was for

289

00:14:14,920 --> 00:14:12,320

asking okay since then I have had a

290

00:14:18,280 --> 00:14:14,930

constant feeling of being watched from

291

00:14:22,630 --> 00:14:18,290

the inside like a scientist monitoring

292

00:14:25,300 --> 00:14:22,640

an experiment in a petri dish more in a

293

00:14:27,970 --> 00:14:25,310

research level I have also had weird

294

00:14:31,570 --> 00:14:27,980

sensations of being drawn to locations

295

00:14:35,020 --> 00:14:31,580

for no reason at all and then feeling

296

00:14:38,800 --> 00:14:35,030

like I was home even if home was several

297

00:14:41,010 --> 00:14:38,810

thousand miles away I use this to my

298

00:14:43,600 --> 00:14:41,020

advantage to this day with help

299

00:14:45,010 --> 00:14:43,610

determining where the next vacation is

300

00:14:48,180 --> 00:14:45,020

going to be huh

301  
00:14:52,000 --> 00:14:48,190  
I have always figured it may be a dream

302  
00:14:55,900 --> 00:14:52,010  
but I have recently seen a show on MUFON

303  
00:14:59,260 --> 00:14:55,910  
in some cases or parts of cases resemble

304  
00:15:03,400 --> 00:14:59,270  
experiences or thought processes I have

305  
00:15:04,230 --> 00:15:03,410  
I'm sure it's nothing but my curiosity

306  
00:15:07,180 --> 00:15:04,240  
is piqued

307  
00:15:10,960 --> 00:15:07,190  
did something happen or did I just eat

308  
00:15:14,530 --> 00:15:10,970  
some bad meat before bed one night many

309  
00:15:17,500 --> 00:15:14,540  
years ago oh wow it sounds like you were

310  
00:15:20,380 --> 00:15:17,510  
tagged totally tagged right right weird

311  
00:15:22,780 --> 00:15:20,390  
we're all pros at this right alien

312  
00:15:25,150 --> 00:15:22,790  
abduction tags mm-hmm and yeah they do

313  
00:15:26,500 --> 00:15:25,160

tell people where to go so they can meet

314

00:15:30,340 --> 00:15:26,510

them and abduct them again and

315

00:15:31,120 --> 00:15:30,350

experiment on them some more scary hi

316

00:15:32,350 --> 00:15:31,130

it's Jamie

317

00:15:33,769 --> 00:15:32,360

progressives number one number two

318

00:15:36,259 --> 00:15:33,779

employee leave a message

319

00:15:38,329 --> 00:15:36,269

but hey Jamie it's me and Jamie this is

320

00:15:39,949 --> 00:15:38,339

your daily pep talk I know it's been

321

00:15:41,840 --> 00:15:39,959

rough going ever since people found out

322

00:15:44,269 --> 00:15:41,850

about your acapella group mad harmony

323

00:15:45,619 --> 00:15:44,279

but you will bounce back I mean you're

324

00:15:46,879 --> 00:15:45,629

the guy always helping people find

325

00:15:48,800 --> 00:15:46,889

coverage options with the name your

326

00:15:51,049 --> 00:15:48,810

price tool it should be you giving me

327

00:15:53,090 --> 00:15:51,059

the pep talk now get out there hit that

328

00:15:56,059 --> 00:15:53,100

high note and take mad harmony all the

329

00:15:57,769 --> 00:15:56,069

way to Nationals this year sorry

330

00:15:59,059 --> 00:15:57,779

with pitchy progressive casualty

331

00:16:00,860 --> 00:15:59,069

insurance company and affiliates pricing

332

00:16:04,100 --> 00:16:00,870

coverage match limited by state law just

333

00:16:07,519 --> 00:16:04,110

scary all right alien encounter in Tampa

334

00:16:11,360 --> 00:16:07,529

Florida ooh serious blast for the past

335

00:16:15,559 --> 00:16:11,370

this occurred March 19 1979 playing in

336

00:16:18,920 --> 00:16:15,569

playground after event businessmen drove

337

00:16:21,290 --> 00:16:18,930

up and began cross-examining us about

338

00:16:23,179 --> 00:16:21,300

what we saw men in black never heard

339

00:16:26,030 --> 00:16:23,189

them called businessmen before it's kind

340

00:16:28,429 --> 00:16:26,040

of funny as a seven-year-old I was in

341

00:16:32,269 --> 00:16:28,439

bed when awake and everything began to

342

00:16:34,460 --> 00:16:32,279

go into a freeze frame mode for instance

343

00:16:38,170 --> 00:16:34,470

my father was entering my bedroom and he

344

00:16:41,689 --> 00:16:38,180

froze in mid-stride I lost consciousness

345

00:16:43,939 --> 00:16:41,699

the next thing I knew was my aunt found

346

00:16:47,179 --> 00:16:43,949

me in my bed at 10:00 the next morning

347

00:16:48,949 --> 00:16:47,189

and took me to her house later that same

348

00:16:51,650 --> 00:16:48,959

day I was in the playground in my

349

00:16:54,079 --> 00:16:51,660

neighborhood hanging upside down on the

350

00:16:56,290 --> 00:16:54,089

monkey bars with a childhood friend we

351  
00:16:59,660 --> 00:16:56,300  
were looking at the sky when a large

352  
00:17:04,189 --> 00:16:59,670  
shiny object came hovering over us and

353  
00:17:07,279 --> 00:17:04,199  
very close it soon departed within

354  
00:17:09,740 --> 00:17:07,289  
minutes after it departed two men in

355  
00:17:13,730 --> 00:17:09,750  
suits drove up in a government looking

356  
00:17:16,789 --> 00:17:13,740  
sedan and began to question us as to

357  
00:17:19,669 --> 00:17:16,799  
what we saw they told us to forget the

358  
00:17:24,799 --> 00:17:19,679  
incident as it was just a weather

359  
00:17:29,149 --> 00:17:24,809  
balloon I have been living with this

360  
00:17:31,430 --> 00:17:29,159  
event for now close to 40 years and I'm

361  
00:17:34,070 --> 00:17:31,440  
writing a book about the series of

362  
00:17:36,680 --> 00:17:34,080  
events that happened that night and the

363  
00:17:38,750 --> 00:17:36,690

following day well hey right in that

364

00:17:39,590 --> 00:17:38,760

book get in touch that sounds

365

00:17:42,169 --> 00:17:39,600

fascinating

366

00:17:44,260 --> 00:17:42,179

we'll definitely highlight that won't we

367

00:17:47,600 --> 00:17:44,270

yeah yeah we'll do that

368

00:17:50,000 --> 00:17:47,610

all right UFO sighting in Searcy

369

00:17:53,360 --> 00:17:50,010

Arkansas this occurred it's a slight

370

00:17:56,260 --> 00:17:53,370

blast from the past February 29 2012 saw

371

00:18:01,280 --> 00:17:56,270

an object that looked like a radio tower

372

00:18:03,320 --> 00:18:01,290

then realized it wasn't so this event

373

00:18:07,910 --> 00:18:03,330

took place and what I would approximate

374

00:18:11,060 --> 00:18:07,920

as March 2012 the reason it has taken me

375

00:18:13,419 --> 00:18:11,070

so long to report it was because the

376

00:18:16,910 --> 00:18:13,429

thought never occurred to me until now

377

00:18:20,390 --> 00:18:16,920

but I can still clearly picture the

378

00:18:22,549 --> 00:18:20,400

event as if it happened yesterday at the

379

00:18:25,970 --> 00:18:22,559

time I was living in a rural area near

380

00:18:27,770 --> 00:18:25,980

the town I specified in the report we

381

00:18:30,080 --> 00:18:27,780

decided to go into town and buy dinner

382

00:18:32,870 --> 00:18:30,090

from a restaurant rather than cook

383

00:18:35,000 --> 00:18:32,880

something at home I was with one other

384

00:18:38,030 --> 00:18:35,010

person who was drying driving the

385

00:18:41,960 --> 00:18:38,040

vehicle as we went into town as we so

386

00:18:48,560 --> 00:18:41,970

often did it was late evening and the

387

00:18:51,370 --> 00:18:48,570

Sun was going down ah there we go

388

00:18:55,220 --> 00:18:51,380

our order at the restaurant took an

389

00:18:57,830 --> 00:18:55,230

abnormally long time to prepare so by

390

00:18:59,510 --> 00:18:57,840

the time we were heading back home it

391

00:19:02,690 --> 00:18:59,520

was dark out and we could see the stars

392

00:19:05,510 --> 00:19:02,700

above us we were driving back home to

393

00:19:08,990 --> 00:19:05,520

the rural area where we lived when this

394

00:19:12,470 --> 00:19:09,000

event took place we were driving on the

395

00:19:15,110 --> 00:19:12,480

highway specifying the report and up

396

00:19:17,930 --> 00:19:15,120

until the event our view of the sky to

397

00:19:23,060 --> 00:19:17,940

the southwest was obstructed by tall

398

00:19:26,600 --> 00:19:23,070

trees then as we took a turn in the area

399

00:19:30,200 --> 00:19:26,610

to our left opened up we could see what

400

00:19:31,360 --> 00:19:30,210

looked at first to be a very tall radio

401  
00:19:34,520 --> 00:19:31,370  
or cell tower

402  
00:19:36,530 --> 00:19:34,530  
we both remark to each other that we

403  
00:19:40,370 --> 00:19:36,540  
didn't remember there being a tower over

404  
00:19:45,260 --> 00:19:40,380  
there that's just a thing there wasn't

405  
00:19:48,110 --> 00:19:45,270  
and still is not a tower out there upon

406  
00:19:52,909 --> 00:19:48,120  
realizing this we both began to observe

407  
00:19:54,680 --> 00:19:52,919  
the object or objects more closely the

408  
00:19:59,180 --> 00:19:54,690  
main thing that drew our attention was a

409  
00:20:01,340 --> 00:19:59,190  
large unwavering and immobile orange

410  
00:20:03,590 --> 00:20:01,350  
light that from our perspective

411  
00:20:07,669 --> 00:20:03,600  
look to be about the size of a circular

412  
00:20:10,100 --> 00:20:07,679  
tablet of aspirin behind it were three

413  
00:20:12,919 --> 00:20:10,110

smaller white lights which seem to be

414

00:20:15,259 --> 00:20:12,929

hovering in formation the fact that the

415

00:20:18,830 --> 00:20:15,269

lights weren't moving or flashing

416

00:20:22,310 --> 00:20:18,840

indicated to us that we weren't simply

417

00:20:25,669 --> 00:20:22,320

seeing airplanes in the sky and that was

418

00:20:28,580 --> 00:20:25,679

why we thought it was just a very tall

419

00:20:30,350 --> 00:20:28,590

aerial tower at first we observed the

420

00:20:32,539 --> 00:20:30,360

lights for at least five minutes as we

421

00:20:34,909 --> 00:20:32,549

drove on the highway but because someone

422

00:20:35,419 --> 00:20:34,919

was rudely tailgating don't you hate

423

00:20:37,129 --> 00:20:35,429

that

424

00:20:39,740 --> 00:20:37,139

Wisconsinites are the worst in

425

00:20:42,259 --> 00:20:39,750

tailgating you guys really own it own it

426

00:20:45,350 --> 00:20:42,269

I'm from Wisconsin own it

427

00:20:48,200 --> 00:20:45,360

tailgating is not just for a Packer game

428

00:20:53,749 --> 00:20:48,210

it's for anybody driving a car in that

429

00:20:55,490 --> 00:20:53,759

state okay anyways Rudy tailgating us we

430

00:20:57,820 --> 00:20:55,500

were not able to pull off to the

431

00:21:00,950 --> 00:20:57,830

shoulder and take pictures or a video

432

00:21:04,369 --> 00:21:00,960

this is the one part that I can't

433

00:21:06,470 --> 00:21:04,379

exactly remember whether or not we were

434

00:21:09,019 --> 00:21:06,480

able to see the stars in between the

435

00:21:11,299 --> 00:21:09,029

formation of lights so I'm not sure if

436

00:21:14,240 --> 00:21:11,309

they were four separate objects or if

437

00:21:17,169 --> 00:21:14,250

they were lights on one single craft if

438

00:21:20,810 --> 00:21:17,179

it was one craft it would have been

439

00:21:23,629 --> 00:21:20,820

absolutely massive the formation of the

440

00:21:28,249 --> 00:21:23,639

four lights made the shape of an almost

441

00:21:30,169 --> 00:21:28,259

triangular rhombus we both knew that we

442

00:21:32,090 --> 00:21:30,179

were seeing something strange and

443

00:21:36,070 --> 00:21:32,100

although I can't speak for the other

444

00:21:39,379 --> 00:21:36,080

witness I felt a sense of dread and

445

00:21:42,529 --> 00:21:39,389

anxiety as if I wasn't supposed to be

446

00:21:44,060 --> 00:21:42,539

looking when we got home we talked about

447

00:21:47,200 --> 00:21:44,070

the odd experience for a short while

448

00:21:50,389 --> 00:21:47,210

before going to bed and essentially

449

00:21:54,379 --> 00:21:50,399

forgot about the experience that

450

00:21:56,330 --> 00:21:54,389

happened so much I spoke with the other

451  
00:21:59,119 --> 00:21:56,340  
witness before making this report to

452  
00:22:01,430 --> 00:21:59,129  
verify what we had seen and it seemed

453  
00:22:03,320 --> 00:22:01,440  
like he hadn't really thought about the

454  
00:22:06,590 --> 00:22:03,330  
experience again until I reminded him of

455  
00:22:09,080 --> 00:22:06,600  
it just tonight I've thought about it a

456  
00:22:11,779 --> 00:22:09,090  
few times over the years but never felt

457  
00:22:15,200 --> 00:22:11,789  
compelled to report the sighting until

458  
00:22:17,510 --> 00:22:15,210  
now we lost sight of the lights

459  
00:22:20,299 --> 00:22:17,520  
we turned off to the highway on our way

460  
00:22:22,250 --> 00:22:20,309  
back home but due to the amount of trees

461  
00:22:25,250 --> 00:22:22,260  
in the area it would have been

462  
00:22:27,919 --> 00:22:25,260  
impossible to observe the lights from

463  
00:22:29,690 --> 00:22:27,929

where we lived that was pretty cool Anza

464

00:22:34,360 --> 00:22:29,700

that's a pretty interesting one wouldn't

465

00:22:38,330 --> 00:22:34,370

you say I'm sorry I'm losing my voice

466

00:22:42,769 --> 00:22:38,340

Lord only knows why okay I'm going down

467

00:22:44,930 --> 00:22:42,779

I'm scrolling I want to go to a

468

00:22:48,460 --> 00:22:44,940

paranormal point of some paranormal

469

00:22:52,370 --> 00:22:48,470

stories and these stories alright Oh

470

00:22:56,779 --> 00:22:52,380

having to do with aliens isn't that cool

471

00:23:02,750 --> 00:22:56,789

yes so let's hit it this one is called

472

00:23:05,120 --> 00:23:02,760

the glowing light not last Valentine's

473

00:23:07,250 --> 00:23:05,130

Day this person is stating but the one

474

00:23:09,799 --> 00:23:07,260

before my girlfriend was attending

475

00:23:12,380 --> 00:23:09,809

school three hours away so I really got

476  
00:23:14,529 --> 00:23:12,390  
to see her and we planned on renting a

477  
00:23:17,600 --> 00:23:14,539  
hotel room to spend the weekend together

478  
00:23:21,230 --> 00:23:17,610  
everything was peachy until we went to

479  
00:23:23,149 --> 00:23:21,240  
bed probably around 11:00 or so sometime

480  
00:23:23,720 --> 00:23:23,159  
in the middle of the night I don't know

481  
00:23:25,549 --> 00:23:23,730  
when

482  
00:23:29,419 --> 00:23:25,559  
since the alarm clock wasn't lit up I

483  
00:23:33,080 --> 00:23:29,429  
woke up to a kind of gray blue light

484  
00:23:37,310 --> 00:23:33,090  
coming in the window like on an overcast

485  
00:23:40,010 --> 00:23:37,320  
fall day thing was it was barely coming

486  
00:23:44,110 --> 00:23:40,020  
in the window the hotel room was still

487  
00:23:48,490 --> 00:23:44,120  
pretty dark next thing I know the door

488  
00:23:51,950 --> 00:23:48,500

slowly and smoothly swung open and

489

00:23:54,320 --> 00:23:51,960

there's only a single glowing light

490

00:23:58,850 --> 00:23:54,330

coming from the hallway which is weird

491

00:24:03,529 --> 00:23:58,860

because I've never been in a hotel that

492

00:24:07,909 --> 00:24:03,539

didn't keep the hall lights on 24/7 my

493

00:24:12,200 --> 00:24:07,919

girlfriend is screaming and I've never

494

00:24:12,889 --> 00:24:12,210

been so it inexplicably ticked off in my

495

00:24:16,610 --> 00:24:12,899

life

496

00:24:19,930 --> 00:24:16,620

like hearing my own heartbeat balled

497

00:24:23,330 --> 00:24:19,940

fists and all that I could feel

498

00:24:26,480 --> 00:24:23,340

something was coming into their room but

499

00:24:27,950 --> 00:24:26,490

I quote woke up before I could see

500

00:24:29,779 --> 00:24:27,960

anything

501  
00:24:32,480 --> 00:24:29,789  
the next morning I asked my girlfriend

502  
00:24:35,570 --> 00:24:32,490  
how she slept and she said she was just

503  
00:24:39,430 --> 00:24:35,580  
fine I couldn't help but think it was a

504  
00:24:41,869 --> 00:24:39,440  
dream but it felt way too real to be

505  
00:24:44,629 --> 00:24:41,879  
just my imagination

506  
00:24:46,730 --> 00:24:44,639  
I'd see some weird crap in the sky

507  
00:24:49,369 --> 00:24:46,740  
before never dwelled on it or anything

508  
00:24:53,859 --> 00:24:49,379  
but I've got no doubt in my mind now

509  
00:24:58,850 --> 00:24:53,869  
that it wasn't just in my head

510  
00:25:03,529 --> 00:24:58,860  
wild this next story is simply called

511  
00:25:08,419 --> 00:25:03,539  
the greys I have definitely been

512  
00:25:11,269 --> 00:25:08,429  
abducted up until I was around 17 it

513  
00:25:13,730 --> 00:25:11,279

happened quite frequently it seemed

514

00:25:17,359 --> 00:25:13,740

every night for a period of time it was

515

00:25:19,789 --> 00:25:17,369

always what people call greys the very

516

00:25:23,629 --> 00:25:19,799

first memory I have of a gray I was in

517

00:25:25,460 --> 00:25:23,639

first grade I woke and turned over and

518

00:25:29,450 --> 00:25:25,470

there was one standing beside my bed

519

00:25:31,909 --> 00:25:29,460

just staring at me it couldn't have been

520

00:25:34,430 --> 00:25:31,919

any taller than two and a half feet to

521

00:25:37,789 --> 00:25:34,440

three feet shorter than I was at the

522

00:25:40,609 --> 00:25:37,799

time and it was wearing a v-neck silly

523

00:25:44,029 --> 00:25:40,619

looking black t-shirt with silver trim

524

00:25:46,369 --> 00:25:44,039

around the v-neck there was also a bee

525

00:25:49,039 --> 00:25:46,379

looking symbol on the right chest of the

526

00:25:52,369 --> 00:25:49,049

shirt as soon as I looked at it I

527

00:25:54,789 --> 00:25:52,379

blacked out and it seemed seconds later

528

00:26:00,460 --> 00:25:54,799

my mother was waking me up for school

529

00:26:02,899 --> 00:26:00,470

that is my earliest memory well just to

530

00:26:05,989 --> 00:26:02,909

victimise a child like that that's just

531

00:26:10,730 --> 00:26:05,999

sick this next one it's called the

532

00:26:14,210 --> 00:26:10,740

creature happened to me from age 6

533

00:26:16,789 --> 00:26:14,220

through about mid-30s first encounter

534

00:26:18,799 --> 00:26:16,799

was around age 6 I woke up to what you

535

00:26:21,859 --> 00:26:18,809

would call a gray in a shared bedroom

536

00:26:25,399 --> 00:26:21,869

with my two siblings who slept through

537

00:26:28,460 --> 00:26:25,409

it I startled the creature and it glided

538

00:26:33,019 --> 00:26:28,470

and ran down the hallway and ran through

539

00:26:36,049 --> 00:26:33,029

my parents closed bedroom door I opened

540

00:26:40,129 --> 00:26:36,059

the door and it was not in the room it

541

00:26:41,360 --> 00:26:40,139

has vanished nobody else saw this

542

00:26:48,200 --> 00:26:41,370

encounter

543

00:26:50,630 --> 00:26:48,210

to follow I've never spoken publicly for

544

00:26:53,060 --> 00:26:50,640

fear of ridicule through my teenage

545

00:26:56,210 --> 00:26:53,070

years I do not remember any specific

546

00:26:58,820 --> 00:26:56,220

events next specific memories are around

547

00:27:00,740 --> 00:26:58,830

age 25 when I moved to a third floor

548

00:27:03,560 --> 00:27:00,750

apartment top floor

549

00:27:07,340 --> 00:27:03,570

I remember the sound of the shiny and

550

00:27:10,250 --> 00:27:07,350

tiny shuffling feet coming down the

551  
00:27:12,950 --> 00:27:10,260  
hallway and then being completely unable

552  
00:27:16,130 --> 00:27:12,960  
to move they came into my room and

553  
00:27:18,590 --> 00:27:16,140  
surrounded my bed four or five smaller

554  
00:27:21,320 --> 00:27:18,600  
greys and then one of the two taller

555  
00:27:22,280 --> 00:27:21,330  
ones that seemed to be directing the

556  
00:27:24,860 --> 00:27:22,290  
operation

557  
00:27:27,049 --> 00:27:24,870  
there was no verbal interaction but they

558  
00:27:29,540 --> 00:27:27,059  
made a sound like a clicking noise which

559  
00:27:32,570 --> 00:27:29,550  
I assume was them speaking to one

560  
00:27:34,840 --> 00:27:32,580  
another they would touch a metal rod to

561  
00:27:37,340 --> 00:27:34,850  
my shoulder and I would black out

562  
00:27:40,580 --> 00:27:37,350  
usually I would wake about eight to ten

563  
00:27:43,669 --> 00:27:40,590

hours later sometimes as much as 24

564

00:27:47,090 --> 00:27:43,679

hours later once I woke up locked

565

00:27:49,040 --> 00:27:47,100

outside of my back porch in my underwear

566

00:27:51,560 --> 00:27:49,050

at 2:00 in the morning with that was

567

00:27:53,810 --> 00:27:51,570

inconvenient no memory of what happened

568

00:27:56,210 --> 00:27:53,820

during that time you know I've heard of

569

00:27:59,900 --> 00:27:56,220

that I knew somebody that happened to

570

00:28:02,480 --> 00:27:59,910

they were found walking outside down the

571

00:28:04,310 --> 00:28:02,490

street and they were a small child and

572

00:28:08,299 --> 00:28:04,320

they probably remembered it was seeing a

573

00:28:11,000 --> 00:28:08,309

bright light darn aliens evil pieces of

574

00:28:13,850 --> 00:28:11,010

garbage not cool not cool that's all I'm

575

00:28:15,830 --> 00:28:13,860

gonna say well I will say this I want to

576

00:28:18,049 --> 00:28:15,840

thank you all for listening to UFO

577

00:28:19,990 --> 00:28:18,059

headline news with me Heidi Hollis be

578

00:28:23,450 --> 00:28:20,000

sure to check out UFO headline news

579

00:28:25,640 --> 00:28:23,460

dot-com every single day and also tune

580

00:28:28,490 --> 00:28:25,650

in to my other two weekly shows the

581

00:28:31,100 --> 00:28:28,500

Outlander on Fridays and the come and

582

00:28:33,530 --> 00:28:31,110

cook show on Tuesdays both shows are at

583

00:28:36,260 --> 00:28:33,540

9:00 p.m. Eastern a p.m. central and

584

00:28:39,470 --> 00:28:36,270

it's check out my paranormal comic strip

585

00:28:41,299 --> 00:28:39,480

at the Outlanders comic calm direct

586

00:28:43,850 --> 00:28:41,309

links can be found to everything I

587

00:28:46,549 --> 00:28:43,860

mentioned at Heidi Hollis calm and

588

00:28:48,410 --> 00:28:46,559

remember if you've experienced anything

589

00:28:51,169 --> 00:28:48,420

out of the ordinary want some level head

590

00:28:54,169 --> 00:28:51,179

advice or if you've seen a UFO and want

591

00:28:55,010 --> 00:28:54,179

to share be sure to write me at my site

592

00:29:00,920 --> 00:28:55,020

you

593

00:29:03,150 --> 00:29:00,930

hñ and inception remember always keep an

594

00:29:11,230 --> 00:29:03,160

open mind

595

00:29:14,000 --> 00:29:11,240

[Music]

596

00:29:15,530 --> 00:29:14,010

hi it's Jamie progresses employee of the

597

00:29:17,690 --> 00:29:15,540

month two months in a row leave a

598

00:29:19,730 --> 00:29:17,700

message at the hi Jamie it's me

599

00:29:21,590 --> 00:29:19,740

Jamie I just had a new idea for our song

600

00:29:23,240 --> 00:29:21,600

let the name your price tool so when

601

00:29:25,310 --> 00:29:23,250

it's like tell us what you want to pay

602

00:29:27,050 --> 00:29:25,320

hey hey hey the trombone goes blah blah

603

00:29:29,540 --> 00:29:27,060

blah and you say we'll help you find

604

00:29:31,550 --> 00:29:29,550

courage options to fit your budget then

605

00:29:33,230 --> 00:29:31,560

we just all do finger snaps well acquire

606

00:29:35,840 --> 00:29:33,240

gos statements coming at you savings

607

00:29:37,490 --> 00:29:35,850

coming at job yes no maybe anyway see

608

00:29:39,680 --> 00:29:37,500

your practice tonight I got new lyrics

609

00:29:40,970 --> 00:29:39,690

for the rap break progressive casualty
