inceptionradionetwork.com

1
00:00:04,999 --> 00:00:02,350

[Music]

2
00:00:07,519 --> 00:00:05,009

welcome welcome to UFO headline news

3
00:00:09,860 --> 00:00:07,529

with me Heidi Hollis work everyday I aim

4
00:00:12,350 --> 00:00:09,870

to bring you the latest and UFO reports

5
00:00:15,919 --> 00:00:12,360

and other fascinating stories from

6
00:00:20,689 --> 00:00:15,929

around the globe today is Tuesday

7
00:00:22,250 --> 00:00:20,699

February 20th 2018 and on Fridays please

8
00:00:24,679 --> 00:00:22,260

join me for my talk show

9
00:00:26,439 --> 00:00:24,689

the Outlander at 8:00 p.m. Central

10
00:00:28,910 --> 00:00:26,449

Standard Time where I take your calls

11
00:00:31,700 --> 00:00:28,920

get your emails interview some

12
00:00:34,940 --> 00:00:31,710

intriguing guests and just go to Heidi

13
00:00:37,459 --> 00:00:34,950

Hollis comm for more information on the

14

00:00:39,229 --> 00:00:37,469

Outlander show and also check out my

15

00:00:42,530 --> 00:00:39,239

paranormal comic strip called the

16

00:00:44,360 --> 00:00:42,540

Outlanders how about that huh you can

17

00:00:46,459 --> 00:00:44,370

find all that and more on Heidi Hollis

18

00:00:50,810 --> 00:00:46,469

calm all right blasting off with some

19

00:00:55,340 --> 00:00:50,820

UFO reports UFO sighting in Point Port

20

00:00:56,990 --> 00:00:55,350

Louis hmm I swear Port Louis district oh

21

00:01:01,250 --> 00:00:57,000

this is a bit of a blast from the past

22

00:01:04,549 --> 00:01:01,260

this occurred January 14 2009 the person

23

00:01:09,350 --> 00:01:04,559

States I was on holiday when then was

24

00:01:11,750 --> 00:01:09,360

abducted by Asian like reptile it was

25

00:01:13,730 --> 00:01:11,760

small but very dominant me and my

26
00:01:15,890 --> 00:01:13,740
brother and my cousins were playing with

27
00:01:18,440 --> 00:01:15,900
each other well our mother was out we

28
00:01:22,039 --> 00:01:18,450
had finished sightseeing and wanted to

29
00:01:27,350 --> 00:01:22,049
know and relax we played a game called

30
00:01:30,140 --> 00:01:27,360
soggy biscuit okay this is just so

31
00:01:32,240 --> 00:01:30,150
chopped up soggy biscuit a family

32
00:01:35,300 --> 00:01:32,250
introduced game we like to play on

33
00:01:38,830 --> 00:01:35,310
holiday it was after we had finished we

34
00:01:42,230 --> 00:01:38,840
went outside as my cousin had threw up

35
00:01:45,200 --> 00:01:42,240
what no no's we were comforting our

36
00:01:48,469 --> 00:01:45,210
cousin we heard a low humming noise and

37
00:01:51,950 --> 00:01:48,479
over the mountains of Marietta's there

38
00:01:54,609 --> 00:01:51,960

was a pulsating light all we remember is

39

00:01:59,289 --> 00:01:54,619

the burning sensation in our kidneys

40

00:02:04,100 --> 00:01:59,299

after they had taken us and the horrible

41

00:02:07,969 --> 00:02:04,110

resound their disfigured reptilian Asian

42

00:02:11,479 --> 00:02:07,979

faces made what a report that's it

43

00:02:13,550 --> 00:02:11,489

that is it that's all they wrote here's

44

00:02:16,070 --> 00:02:13,560

another short one UFO sighting and

45

00:02:18,320 --> 00:02:16,080

Langley Park England this occurred

46

00:02:20,809 --> 00:02:18,330

February 2nd 2018

47

00:02:24,410 --> 00:02:20,819

I have footage and pictures if required

48

00:02:28,370 --> 00:02:24,420

hi I caught this on CCTV I have pictures

49

00:02:31,130 --> 00:02:28,380

and footage on this you I don't know how

50

00:02:34,250 --> 00:02:31,140

much it apart from it stayed from birth

51
00:02:37,150 --> 00:02:34,260
to death for 17 minutes wish I could

52
00:02:40,300 --> 00:02:37,160
help more it was approximately 12 o 7

53
00:02:44,300 --> 00:02:40,310
a.m. Saturday gone what I

54
00:02:47,539 --> 00:02:44,310
Wow people really in a rush that you

55
00:02:49,789 --> 00:02:47,549
took the time to give a report and word

56
00:02:53,420 --> 00:02:49,799
salad word salad where's the dressing

57
00:02:56,660 --> 00:02:53,430
huh UFO sighting in Marbella

58
00:02:57,259 --> 00:02:56,670
and Alicia and Alicia that's what it

59
00:03:00,410 --> 00:02:57,269
looks like

60
00:03:03,020 --> 00:03:00,420
this occurred May 31st 2014 fast moving

61
00:03:07,130 --> 00:03:03,030
lights I was heading to throw away my

62
00:03:09,500 --> 00:03:07,140
rubbish at about 2200 hours when three

63
00:03:11,539 --> 00:03:09,510

lights that could have been planes at

64

00:03:13,190 --> 00:03:11,549

first sight because of the distance

65

00:03:14,690 --> 00:03:13,200

appeared suddenly from the sky moving

66

00:03:17,979 --> 00:03:14,700

faster and easier

67

00:03:20,870 --> 00:03:17,989

turning than any kind of human-made

68

00:03:22,550 --> 00:03:20,880

technology flying around themselves in

69

00:03:24,860 --> 00:03:22,560

kind of circles that they ascended and

70

00:03:27,500 --> 00:03:24,870

disappeared at the same speed as they

71

00:03:30,770 --> 00:03:27,510

came remarkable to say that they were

72

00:03:32,990 --> 00:03:30,780

different colors like blue kind of red

73

00:03:35,599 --> 00:03:33,000

and white my first thought was it could

74

00:03:38,030 --> 00:03:35,609

be drones movement also confirms it was

75

00:03:41,569 --> 00:03:38,040

possible but it was obvious they were

76
00:03:44,449 --> 00:03:41,579
big ships and were far away like a plane

77
00:03:48,229 --> 00:03:44,459
in the distance I'm a convinced

78
00:03:50,780 --> 00:03:48,239
scientist but things so clear as this

79
00:03:52,970 --> 00:03:50,790
make me doubt about what we really

80
00:03:56,050 --> 00:03:52,980
understand about this world I look

81
00:03:59,420 --> 00:03:56,060
forward to your response kind regards

82
00:04:03,500 --> 00:03:59,430
hmm UFO sighting in Manchester England

83
00:04:06,259 --> 00:04:03,510
this occurred January 27 2018 meteor

84
00:04:09,319 --> 00:04:06,269
like white light entered atmosphere

85
00:04:13,309 --> 00:04:09,329
stopped at cloud level then zipped 90

86
00:04:15,319 --> 00:04:13,319
degrees to right behind cloud staring at

87
00:04:18,289 --> 00:04:15,329
the sky as I normally do on the weekends

88
00:04:20,870 --> 00:04:18,299

I it was a partially cloudy night with

89

00:04:22,880 --> 00:04:20,880

large cumulus clouds with clear breaks

90

00:04:25,880 --> 00:04:22,890

between the clouds after about an hour

91

00:04:27,780 --> 00:04:25,890

of observation I saw the following a

92

00:04:31,410 --> 00:04:27,790

white light seemed to

93

00:04:34,320 --> 00:04:31,420

to the atmosphere directly downwards it

94

00:04:37,230 --> 00:04:34,330

became brighter just as you would expect

95

00:04:39,690 --> 00:04:37,240

a meteor to do it carried on down really

96

00:04:44,310 --> 00:04:39,700

fast and at around cloud level it

97

00:04:45,210 --> 00:04:44,320

stopped the light went out and I assumed

98

00:04:48,120 --> 00:04:45,220

yep

99

00:04:50,610 --> 00:04:48,130

that's a meteor after about two seconds

100

00:04:53,490 --> 00:04:50,620

or so however the light reappeared as

101
00:04:56,640 --> 00:04:53,500
bright as any aircraft light would be

102
00:04:59,370 --> 00:04:56,650
but it was solid white as soon as it

103
00:05:01,230 --> 00:04:59,380
reappeared it darted off to the right to

104
00:05:03,810 --> 00:05:01,240
the edge of a cloud and appeared to stop

105
00:05:05,760 --> 00:05:03,820
again and disappear I didn't see it

106
00:05:08,460 --> 00:05:05,770
again from first entering to when it

107
00:05:11,700 --> 00:05:08,470
stopped was around 70 degrees

108
00:05:13,680 --> 00:05:11,710
to 45 degrees on the sky when it moved

109
00:05:16,560 --> 00:05:13,690
the second time it traveled around five

110
00:05:18,750 --> 00:05:16,570
degrees on the sky this was my first

111
00:05:20,910 --> 00:05:18,760
ever unexplained sighting I can normally

112
00:05:24,180 --> 00:05:20,920
put things I see in the sky down to

113
00:05:29,640 --> 00:05:24,190

drone satellites planes helicopters etc

114

00:05:31,830 --> 00:05:29,650

but this was new alright UFO sighting in

115

00:05:35,160 --> 00:05:31,840

Manchester England again this occurred

116

00:05:38,610 --> 00:05:35,170

February 4th 2018 second sighting of

117

00:05:40,740 --> 00:05:38,620

three green trails flying and triangle

118

00:05:42,540 --> 00:05:40,750

formation I reported a UFO

119

00:05:44,460 --> 00:05:42,550

earlier this week though this sighting

120

00:05:47,070 --> 00:05:44,470

actually happened the day after the

121

00:05:49,650 --> 00:05:47,080

first three green slightly blue lights

122

00:05:51,870 --> 00:05:49,660

zipped across the sky heading from the

123

00:05:54,360 --> 00:05:51,880

north and passing from left to right I

124

00:05:56,790 --> 00:05:54,370

was looking east towards the southwest

125

00:05:59,700 --> 00:05:56,800

they were in a triangle formation last

126
00:06:02,190 --> 00:05:59,710
time they were much faster or closer and

127
00:06:04,200 --> 00:06:02,200
turned this time they were really high

128
00:06:06,330 --> 00:06:04,210
up still in a triangle formation and the

129
00:06:08,520 --> 00:06:06,340
exact same three lights but we're

130
00:06:10,860 --> 00:06:08,530
traveling in a straight line far above

131
00:06:13,650 --> 00:06:10,870
the clouds I've seen this twice now

132
00:06:18,690 --> 00:06:13,660
people at work 90% of them think I'm

133
00:06:20,760 --> 00:06:18,700
insane or stupid Wow the other 10% agree

134
00:06:23,610 --> 00:06:20,770
that they've seen these things they

135
00:06:25,860 --> 00:06:23,620
can't explain to a week before my first

136
00:06:28,350 --> 00:06:25,870
reported sighting I also saw a white

137
00:06:30,750 --> 00:06:28,360
light enter from orbit stop for two

138
00:06:33,690 --> 00:06:30,760

seconds and disappear then reappear only

139

00:06:35,670 --> 00:06:33,700

to move at 90 degrees to the way it came

140

00:06:38,070 --> 00:06:35,680

in and it dodged behind a cloud move

141

00:06:41,299 --> 00:06:38,080

faster than any jet and from a standing

142

00:06:45,239 --> 00:06:41,309

still position to super weird

143

00:06:48,079 --> 00:06:45,249

all righty yes next UFO sighting oh wow

144

00:06:51,540 --> 00:06:48,089

this UFO blaster in the past everybody

145

00:06:56,790 --> 00:06:51,550

sighting in Pomona California August

146

00:07:01,350 --> 00:06:56,800

31st 1965 silver disc over Los Angeles

147

00:07:04,049 --> 00:07:01,360

area 1964 or 65 I was a junior high so

148

00:07:07,649 --> 00:07:04,059

it was 64 65 in late afternoon as I

149

00:07:10,730 --> 00:07:07,659

remember this was 50 years ago I lived

150

00:07:14,699 --> 00:07:10,740

at the end of Beaver Court at 340 in

151
00:07:18,420 --> 00:07:14,709
Pomona California two three neighbor

152
00:07:20,399 --> 00:07:18,430
kids the peas or Collins family wow

153
00:07:22,949 --> 00:07:20,409
we're gonna name them and I were hanging

154
00:07:25,139 --> 00:07:22,959
outside at the end of the cul-de-sac in

155
00:07:28,980 --> 00:07:25,149
front of the next-door neighbor's pz's

156
00:07:31,499 --> 00:07:28,990
house on a nice day and we think it was

157
00:07:34,139 --> 00:07:31,509
in the summer when one of them motioned

158
00:07:35,999 --> 00:07:34,149
towards the sky and asked what is that

159
00:07:39,480 --> 00:07:36,009
we all turn and look directly down

160
00:07:42,540 --> 00:07:39,490
Beaver Court towards South Garvey Avenue

161
00:07:44,969 --> 00:07:42,550
the Main Street cross which was towards

162
00:07:48,600 --> 00:07:44,979
Los Angeles above the horizon low Hills

163
00:07:51,420 --> 00:07:48,610

was a silverish glowing disk-like shape

164

00:07:53,909 --> 00:07:51,430

I saw it stationary at first then it

165

00:07:56,909 --> 00:07:53,919

went rapidly west forward from its

166

00:07:58,739 --> 00:07:56,919

position pause there quickly returned to

167

00:08:01,259 --> 00:07:58,749

where it started went in the opposite

168

00:08:05,070 --> 00:08:01,269

direction at what had to be a high rate

169

00:08:07,769 --> 00:08:05,080

of speed paused again returned to its

170

00:08:10,320 --> 00:08:07,779

start point paused then went straight up

171

00:08:12,119 --> 00:08:10,330

and disappeared the whole event couldn't

172

00:08:15,059 --> 00:08:12,129

have been for longer than two minutes

173

00:08:16,889 --> 00:08:15,069

and was probably less it was quite far

174

00:08:19,369 --> 00:08:16,899

in the distance so looked very small

175

00:08:22,170 --> 00:08:19,379

like an inch or two from our location I

176

00:08:23,939 --> 00:08:22,180

don't remember if glinting different

177

00:08:26,070 --> 00:08:23,949

colors like reflection from the Sun but

178

00:08:27,899 --> 00:08:26,080

the color of silver white looked

179

00:08:30,059 --> 00:08:27,909

reflective if that makes sense

180

00:08:32,159 --> 00:08:30,069

it appeared to move maybe four to six

181

00:08:35,040 --> 00:08:32,169

inches forward then back from its start

182

00:08:37,589 --> 00:08:35,050

position which had to be many miles in

183

00:08:40,589 --> 00:08:37,599

just a few seconds time again I am a

184

00:08:43,409 --> 00:08:40,599

young tween this was many years ago but

185

00:08:45,780 --> 00:08:43,419

it changed my world and view I could

186

00:08:48,059 --> 00:08:45,790

never forget this event Wow

187

00:08:50,220 --> 00:08:48,069

we kids knew it was out of the ordinary

188

00:08:52,439 --> 00:08:50,230

but I don't remember emotions other than

189

00:08:54,930 --> 00:08:52,449

puzzlement we left and went to our

190

00:08:57,570 --> 00:08:54,940

houses to get others to come out but

191

00:08:59,070 --> 00:08:57,580

it didn't return no adult was present I

192

00:09:02,070 --> 00:08:59,080

still don't think much about it until

193

00:09:04,320 --> 00:09:02,080

the next day maybe two days when I

194

00:09:09,270 --> 00:09:04,330

remember someone saying the newspaper

195

00:09:12,060 --> 00:09:09,280

said it was a Goodyear blimp I try and

196

00:09:14,880 --> 00:09:12,070

explain to the masses Goodyear blimps

197

00:09:16,800 --> 00:09:14,890

can now zip around which I knew was

198

00:09:19,830 --> 00:09:16,810

impossible as they can't maneuver or

199

00:09:21,900 --> 00:09:19,840

travel at the velocity we saw from that

200

00:09:22,530 --> 00:09:21,910

time on I knew we were not alone in this

201
00:09:25,410 --> 00:09:22,540
planet

202
00:09:28,920 --> 00:09:25,420
my dad had driven stock cars number 41

203
00:09:30,960 --> 00:09:28,930
Dave McDonald in front neighborhood in

204
00:09:32,700 --> 00:09:30,970
front neighbor oh when I where I lived

205
00:09:36,300 --> 00:09:32,710
saying they're putting the whole address

206
00:09:39,210 --> 00:09:36,310
imma skip that and family friend Wow

207
00:09:42,570 --> 00:09:39,220
naming names again died in Indianapolis

208
00:09:45,570 --> 00:09:42,580
500 super crash I drove quarter midgets

209
00:09:47,430 --> 00:09:45,580
as a six year old I lived in cars on my

210
00:09:49,470 --> 00:09:47,440
childhood and understood speed traveled

211
00:09:50,450 --> 00:09:49,480
okay were skipping a little bit of that

212
00:09:53,640 --> 00:09:50,460
too

213
00:09:55,680 --> 00:09:53,650

this page says not to but this was many

214

00:09:57,690 --> 00:09:55,690

years ago I don't see a problem okay

215

00:09:59,760 --> 00:09:57,700

we're gonna skip skip some of that

216

00:10:03,120 --> 00:09:59,770

because they're just naming people's

217

00:10:06,300 --> 00:10:03,130

names addresses getting all personal

218

00:10:08,580 --> 00:10:06,310

there mmm-hmm but I will post it on UFO

219

00:10:10,770 --> 00:10:08,590

headline news calm so you guys could

220

00:10:12,570 --> 00:10:10,780

check it out UFO sighting in Glassboro

221

00:10:14,880 --> 00:10:12,580

New Jersey

222

00:10:17,970 --> 00:10:14,890

this occurred February 2nd or 5th I'm

223

00:10:21,030 --> 00:10:17,980

sorry 2018 there were three of them like

224

00:10:23,580 --> 00:10:21,040

pizza slice triangle it's the pizza

225

00:10:27,570 --> 00:10:23,590

slice okay I was going to pick up

226

00:10:31,200 --> 00:10:27,580

someone from MoMA cut me Luca Luca kill

227

00:10:33,720 --> 00:10:31,210

New Jersey I was driving on tour 55

228

00:10:36,330 --> 00:10:33,730

heading south all of a sudden I saw

229

00:10:40,260 --> 00:10:36,340

three lights in a triangle like pizza

230

00:10:42,810 --> 00:10:40,270

slice I pulled over on route 55 facing

231

00:10:44,940 --> 00:10:42,820

south and start videotaping the lights I

232

00:10:47,370 --> 00:10:44,950

was talking to my friend on the phone

233

00:10:49,560 --> 00:10:47,380

and I told them what the heck is this

234

00:10:51,570 --> 00:10:49,570

one light disappeared before I start the

235

00:10:53,910 --> 00:10:51,580

camera on my phone by the time I start

236

00:10:57,210 --> 00:10:53,920

videotaping them only two lights are

237

00:10:59,670 --> 00:10:57,220

left after 16 seconds both lights

238

00:11:02,550 --> 00:10:59,680

disappeared one by one and I start

239

00:11:04,380 --> 00:11:02,560

driving that was it okay that let's

240

00:11:05,760 --> 00:11:04,390

shall we take a look at this one I think

241

00:11:08,880 --> 00:11:05,770

we should take a look at this one let's

242

00:11:11,130 --> 00:11:08,890

let's do it it's pulling up

243

00:11:13,320 --> 00:11:11,140

if it's too good remember it probably

244

00:11:19,470 --> 00:11:13,330

won't be there there is a video ok I'm

245

00:11:24,900 --> 00:11:19,480

gonna hit play dudu is it coming I don't

246

00:11:27,870 --> 00:11:24,910

know it's taking its sweet baby time ok

247

00:11:29,790 --> 00:11:27,880

so you see these pulsing lights and you

248

00:11:32,910 --> 00:11:29,800

hear the people talking like that is

249

00:11:35,820 --> 00:11:32,920

weird type of thing so pretty impressive

250

00:11:38,040 --> 00:11:35,830

but not really up close but still it's

251
00:11:41,010 --> 00:11:38,050
pretty interesting so something to go

252
00:11:44,300 --> 00:11:41,020
check out on our site here alright

253
00:11:47,640 --> 00:11:44,310
the next UFO sighting this happened in a

254
00:11:50,400 --> 00:11:47,650
lanka california another bright object

255
00:11:53,550 --> 00:11:50,410
passed over our Skycam similar to last

256
00:11:56,220 --> 00:11:53,560
night similar to last night's overflight

257
00:11:58,110 --> 00:11:56,230
but this very bright object passed north

258
00:12:01,560 --> 00:11:58,120
to south this time it was sometimes

259
00:12:03,960 --> 00:12:01,570
pulsating blinking about once a second

260
00:12:06,900 --> 00:12:03,970
but very bright for the several minutes

261
00:12:10,500 --> 00:12:06,910
it passed after disappeared I caught one

262
00:12:12,720 --> 00:12:10,510
more frame three minutes later where it

263
00:12:14,730 --> 00:12:12,730

was very bright at the extreme southern

264

00:12:17,160 --> 00:12:14,740

horizon it must have been exceptionally

265

00:12:20,340 --> 00:12:17,170

bright at that moment later to register

266

00:12:24,270 --> 00:12:20,350

on the motion sensor all not something

267

00:12:26,220 --> 00:12:24,280

the motion sensor got it just a few

268

00:12:28,950 --> 00:12:26,230

degrees elevate so it'd be cool if we

269

00:12:32,220 --> 00:12:28,960

all had motion sensor sky cams the

270

00:12:33,960 --> 00:12:32,230

things we could all catch I think that

271

00:12:38,280 --> 00:12:33,970

should be the new craze forget those

272

00:12:41,250 --> 00:12:38,290

dash cams get some roof cams huh I mean

273

00:12:43,230 --> 00:12:41,260

neat alright okay go on going on okay

274

00:12:45,120 --> 00:12:43,240

where it was very bright at the extreme

275

00:12:46,860 --> 00:12:45,130

southern horizon it must have been

276

00:12:48,750 --> 00:12:46,870

exceptionally bright at that later

277

00:12:51,210 --> 00:12:48,760

moment to register on the motion sensor

278

00:12:53,310 --> 00:12:51,220

went just a few degrees elevation and

279

00:12:55,670 --> 00:12:53,320

heading far away there was no satellite

280

00:12:58,920 --> 00:12:55,680

passing this bright in this path

281

00:13:01,860 --> 00:12:58,930

according to heavens above dot-com it

282

00:13:04,230 --> 00:13:01,870

lasted for far too long to be a meteor

283

00:13:06,180 --> 00:13:04,240

it was some type of flying object

284

00:13:08,490 --> 00:13:06,190

possibly a strange type of aircraft

285

00:13:11,220 --> 00:13:08,500

because normally aircraft going over at

286

00:13:13,530 --> 00:13:11,230

night are very high and so faint they

287

00:13:16,200 --> 00:13:13,540

were almost invisible this object was

288

00:13:18,240 --> 00:13:16,210

brighter than any planet there is no

289

00:13:21,750 --> 00:13:18,250

commercial airport within a hundred

290

00:13:22,530 --> 00:13:21,760

miles so there is no reason for a plane

291

00:13:24,240 --> 00:13:22,540

to

292

00:13:26,550 --> 00:13:24,250

it's landing lights on out here and

293

00:13:29,430 --> 00:13:26,560

anyway the object was uniformly bright

294

00:13:31,770 --> 00:13:29,440

as viewed from both its front and back I

295

00:13:34,410 --> 00:13:31,780

called in last night's sighting to the

296

00:13:37,560 --> 00:13:34,420

local police as well as China Lake naval

297

00:13:40,950 --> 00:13:37,570

station and Edwards Air Force Base and

298

00:13:45,470 --> 00:13:40,960

they did not acknowledge any activities

299

00:13:51,090 --> 00:13:47,790

all right the next year full sighting

300

00:13:54,120 --> 00:13:51,100

happened in Ellsworth Kansas bit of a

301
00:13:56,880 --> 00:13:54,130
blast from the past gray silver egg disc

302
00:13:57,570 --> 00:13:56,890
shaped object moving north west to

303
00:14:01,440 --> 00:13:57,580
Northeast

304
00:14:03,840 --> 00:14:01,450
I was helping an associate person a with

305
00:14:05,910 --> 00:14:03,850
farming chores at a piece of land

306
00:14:08,310 --> 00:14:05,920
northeast of town and when we're done

307
00:14:10,350 --> 00:14:08,320
moving bales at around 3 p.m. and began

308
00:14:14,010 --> 00:14:10,360
to head towards home I wrote with my

309
00:14:16,260 --> 00:14:14,020
other associate person B and as we were

310
00:14:19,260 --> 00:14:16,270
about one to two miles from the local

311
00:14:21,480 --> 00:14:19,270
highway the road we were on angled

312
00:14:23,910 --> 00:14:21,490
slightly to the southwest so person B

313
00:14:25,830 --> 00:14:23,920

was facing straight ahead or more to the

314

00:14:28,170 --> 00:14:25,840

south and did not see the object at

315

00:14:30,300 --> 00:14:28,180

first I noticed it because it was lower

316

00:14:32,640 --> 00:14:30,310

than any cloud or plane was moving

317

00:14:34,500 --> 00:14:32,650

faster than a cloud or plane and made no

318

00:14:36,900 --> 00:14:34,510

noise like a cloud or plane oh you mean

319

00:14:40,080 --> 00:14:36,910

like a cloud or plane really those are

320

00:14:42,420 --> 00:14:40,090

some loud clouds when the object was

321

00:14:45,180 --> 00:14:42,430

coming into view it was a gray silver

322

00:14:47,430 --> 00:14:45,190

egg disc shaped object as it came into

323

00:14:49,410 --> 00:14:47,440

view from the treeline about 1 to 2

324

00:14:51,960 --> 00:14:49,420

miles away at a height of 500 feet

325

00:14:54,990 --> 00:14:51,970

moving from the northwest northeast on a

326

00:14:57,930 --> 00:14:55,000

fixed path that was also northwest of my

327

00:14:59,980 --> 00:14:57,940

present location its focal point of the

328

00:15:02,829 --> 00:14:59,990

craft remains

329

00:15:06,310 --> 00:15:02,839

what a matchup and what a t-mike

330

00:15:08,829 --> 00:15:06,320

MetroPCS in the iPhone se for \$0 on a

331

00:15:12,340 --> 00:15:08,839

network that covers 99% of people in the

332

00:15:14,350 --> 00:15:12,350

u.s. wholly impressive play with the

333

00:15:16,269 --> 00:15:14,360

best switch to metro pcs and an

334

00:15:19,720 --> 00:15:16,279

unlimited LTE plan and get a 32 gig

335

00:15:21,100 --> 00:15:19,730

iPhone se for \$0 MetroPCS covers not

336

00:15:22,480 --> 00:15:21,110

available in some areas plus sales tax

337

00:15:23,620 --> 00:15:22,490

claim based on talking text not now

338

00:15:25,180 --> 00:15:23,630

interactive numbers currently on the

339

00:15:26,920 --> 00:15:25,190

t-mobile network directive on metro pcs

340

00:15:30,160 --> 00:15:26,930

in the past 90 days C store for details

341

00:15:33,820 --> 00:15:30,170

in terms conditions fixed unaligned a

342

00:15:37,570 --> 00:15:33,830

trajectory as the craft itself rotated

343

00:15:39,790 --> 00:15:37,580

much like a coin being spun oh it was

344

00:15:43,630 --> 00:15:39,800

partly cloudy day with clouds at higher

345

00:15:46,240 --> 00:15:43,640

altitudes than 1500 to 2000 feet with

346

00:15:49,090 --> 00:15:46,250

more blue sky than clouds the ship made

347

00:15:50,980 --> 00:15:49,100

no noise did not change course and then

348

00:15:54,910 --> 00:15:50,990

broke vo when it moved off in the

349

00:15:57,040 --> 00:15:54,920

distance behind another tree while there

350

00:15:59,500 --> 00:15:57,050

isn't local airport Airport near the

351
00:16:02,560 --> 00:15:59,510
town the object was moving too fast to

352
00:16:03,940 --> 00:16:02,570
land too low at the present distance to

353
00:16:09,250 --> 00:16:03,950
land without hitting powerlines

354
00:16:12,010 --> 00:16:09,260
buildings etc it was moving in too sharp

355
00:16:13,600 --> 00:16:12,020
of a path to try and land with the

356
00:16:16,360 --> 00:16:13,610
runway that faces north south

357
00:16:19,300 --> 00:16:16,370
additionally years prior I have heard

358
00:16:21,220 --> 00:16:19,310
sonic booms from military jets that bomb

359
00:16:24,280 --> 00:16:21,230
at a nearby targeting range however

360
00:16:26,319 --> 00:16:24,290
sonic booms have been absent from the

361
00:16:28,930 --> 00:16:26,329
area for roughly two years prior to the

362
00:16:30,940 --> 00:16:28,940
reported event and to this day no sonic

363
00:16:34,900 --> 00:16:30,950

booms have been reported by associates

364

00:16:37,660 --> 00:16:34,910

or myself alright

365

00:16:42,340 --> 00:16:37,670

the next UFO sighting this happened in

366

00:16:45,190 --> 00:16:42,350

Nags Head North Carolina a brief blast

367

00:16:47,440 --> 00:16:45,200

from the past here not that brief active

368

00:16:51,250 --> 00:16:47,450

beach one night and had fireball go

369

00:16:53,710 --> 00:16:51,260

overhead after incident had visitations

370

00:16:55,510 --> 00:16:53,720

my husband and I were at the beach one

371

00:16:58,030 --> 00:16:55,520

night admiring the Stars having a

372

00:17:00,069 --> 00:16:58,040

romantic night then we started to notice

373

00:17:02,650 --> 00:17:00,079

unexplainable movements amongst lights

374

00:17:05,230 --> 00:17:02,660

and stars moving in ways we had never

375

00:17:07,689 --> 00:17:05,240

seen before it was so bizarre to us then

376

00:17:11,350 --> 00:17:07,699

we heard jets it looked like stars

377

00:17:13,510 --> 00:17:11,360

chasing stars but sounded like Jets we

378

00:17:14,000 --> 00:17:13,520

decided to just go home it was late all

379

00:17:16,550 --> 00:17:14,010

of a sudden

380

00:17:18,350 --> 00:17:16,560

walking to our truck discussing what we

381

00:17:21,770 --> 00:17:18,360

had witness my husband grabbed me and

382

00:17:24,949 --> 00:17:21,780

threw me down in the sand within that

383

00:17:27,170 --> 00:17:24,959

second I looked up and a fireball went

384

00:17:30,050 --> 00:17:27,180

literally right over at the top of our

385

00:17:34,220 --> 00:17:30,060

heads since this event I have developed

386

00:17:35,410 --> 00:17:34,230

strong psychic empath abilities my

387

00:17:38,390 --> 00:17:35,420

husband and I share a telepathic

388

00:17:40,280 --> 00:17:38,400

communication I personally have been

389

00:17:42,860 --> 00:17:40,290

visited through what seems to be dreams

390

00:17:45,590 --> 00:17:42,870

but they leave me wondering if it was

391

00:17:48,620 --> 00:17:45,600

real also this is very embarrassing to

392

00:17:52,400 --> 00:17:48,630

write but on two occasions I have seen

393

00:17:55,730 --> 00:17:52,410

them on top of me sexually gosh that's

394

00:17:58,760 --> 00:17:55,740

that's so horrible once was when I was

395

00:18:03,020 --> 00:17:58,770

just waking up it was a dark grayish

396

00:18:06,800 --> 00:18:03,030

dwarf sized mist the other time was in a

397

00:18:09,320 --> 00:18:06,810

dream but I felt a pressure in my area

398

00:18:11,810 --> 00:18:09,330

when I woke up we were in this room that

399

00:18:14,950 --> 00:18:11,820

looked like it was made of sheet metal a

400

00:18:17,990 --> 00:18:14,960

little larger than the size of drywall

401

00:18:21,380 --> 00:18:18,000

put together by these weird strange

402

00:18:24,140 --> 00:18:21,390

screws these screws made a pattern of

403

00:18:26,840 --> 00:18:24,150

sorts on the walls very weird and hard

404

00:18:29,000 --> 00:18:26,850

to explain ever since the night at the

405

00:18:31,610 --> 00:18:29,010

beach took place it has changed my life

406

00:18:31,940 --> 00:18:31,620

it has changed my marriage for the

407

00:18:34,310 --> 00:18:31,950

better

408

00:18:36,500 --> 00:18:34,320

emotionally we still find it fascinating

409

00:18:39,980 --> 00:18:36,510

some nights during certain moon phases

410

00:18:42,500 --> 00:18:39,990

to look towards the east where the ocean

411

00:18:44,300 --> 00:18:42,510

is and watched the lights doesn't happen

412

00:18:47,870 --> 00:18:44,310

all the time but we still wonder and

413

00:18:51,110 --> 00:18:47,880

look at the Stars I for what I'm highly

414

00:18:55,010 --> 00:18:51,120

disturbed by that report there obviously

415

00:18:59,890 --> 00:18:55,020

this these things got access to this

416

00:19:02,570 --> 00:18:59,900

person and took note and took advantage

417

00:19:05,180 --> 00:19:02,580

you know people say go the aliens are

418

00:19:08,150 --> 00:19:05,190

probing you you know they're raping

419

00:19:11,750 --> 00:19:08,160

taking advantage of using causing

420

00:19:15,910 --> 00:19:11,760

extreme damage to people's minds bodies

421

00:19:18,920 --> 00:19:15,920

and souls it is highly disturbing and oh

422

00:19:20,600 --> 00:19:18,930

my gosh it just breaks my heart but and

423

00:19:23,150 --> 00:19:20,610

yeah I don't know why but it opens up

424

00:19:25,340 --> 00:19:23,160

that psychic portal they communicate to

425

00:19:27,950 --> 00:19:25,350

you telepathically so I guess it kind of

426

00:19:30,170 --> 00:19:27,960

opens that up so you're you'll go and

427

00:19:32,210 --> 00:19:30,180

be isolated at time so they could take

428

00:19:33,280 --> 00:19:32,220

advantage of you further yeah makes

429

00:19:36,020 --> 00:19:33,290

sense right

430

00:19:39,680 --> 00:19:36,030

unfortunately hurry moving on to a

431

00:19:43,430 --> 00:19:39,690

paranormal point of a story this one is

432

00:19:46,940 --> 00:19:43,440

called clash Royale creeper creeper

433

00:19:49,370 --> 00:19:46,950

literally only creep or that I know is

434

00:19:51,590 --> 00:19:49,380

like the Hat man he is such a pervert

435

00:19:53,900 --> 00:19:51,600

and a creeper all right let's see what

436

00:19:56,480 --> 00:19:53,910

the story is about this person is

437

00:19:59,000 --> 00:19:56,490

sharing their personal experience at

438

00:20:02,960 --> 00:19:59,010

first let me introduce myself in English

439

00:20:06,830 --> 00:20:02,970

my name is just Jude I'm 15 years old

440

00:20:09,380 --> 00:20:06,840

and I live in Berlin is Lithuania okay

441

00:20:12,440 --> 00:20:09,390

the story took place one time when the

442

00:20:14,900 --> 00:20:12,450

new mobile game clash royale was coming

443

00:20:17,360 --> 00:20:14,910

out and I was really excited to play it

444

00:20:20,840 --> 00:20:17,370

the goal in the games to destroy enemy

445

00:20:24,080 --> 00:20:20,850

towers with your with your troops so

446

00:20:26,150 --> 00:20:24,090

let's get into the story when I

447

00:20:28,310 --> 00:20:26,160

installed the game I was really into it

448

00:20:30,440 --> 00:20:28,320

I just couldn't stop playing it I was

449

00:20:33,080 --> 00:20:30,450

playing it at home on the bus and even

450

00:20:34,880 --> 00:20:33,090

sometimes during my classes I was really

451

00:20:37,910 --> 00:20:34,890

good at it I got to a pretty high level

452

00:20:41,330 --> 00:20:37,920

in short time one day I noticed that you

453

00:20:43,490 --> 00:20:41,340

can join clans so I joined one I met

454

00:20:45,950 --> 00:20:43,500

some really awesome people in there we

455

00:20:48,950 --> 00:20:45,960

usually do friendly battles for fun and

456

00:20:50,600 --> 00:20:48,960

just talk about our daily stuff it was

457

00:20:53,240 --> 00:20:50,610

like having really good friends there

458

00:20:55,670 --> 00:20:53,250

even if we don't know each other in

459

00:20:57,560 --> 00:20:55,680

person so it was just a normal day at

460

00:20:59,480 --> 00:20:57,570

school I think I had seven lessons that

461

00:21:01,640 --> 00:20:59,490

day and I remember at lunch in the

462

00:21:04,370 --> 00:21:01,650

school's cafeteria while eating I kept

463

00:21:08,150 --> 00:21:04,380

playing clash Royale when a notification

464

00:21:10,760 --> 00:21:08,160

in clans chat box popped up it was a

465

00:21:13,430 --> 00:21:10,770

request to join our clan and I accepted

466

00:21:15,980 --> 00:21:13,440

it he was at a pretty low level though

467

00:21:18,380 --> 00:21:15,990

he introduced himself as quote mark it

468

00:21:20,540 --> 00:21:18,390

started talking about how he really

469

00:21:22,520 --> 00:21:20,550

likes this game I responded with the

470

00:21:25,190 --> 00:21:22,530

same thing and it was true because I

471

00:21:27,110 --> 00:21:25,200

really was enjoying it so a couple of

472

00:21:28,640 --> 00:21:27,120

days passed just normal days nothing

473

00:21:31,310 --> 00:21:28,650

really interesting was happening when

474

00:21:34,160 --> 00:21:31,320

mark requested me for a friendly battle

475

00:21:36,590 --> 00:21:34,170

I accepted it game starts and I started

476
00:21:39,110 --> 00:21:36,600
attacking him and surprisingly he does

477
00:21:40,580 --> 00:21:39,120
nothing i won of course and asked him

478
00:21:41,720 --> 00:21:40,590
why he wasn't doing anything he

479
00:21:44,600 --> 00:21:41,730
responded with just

480
00:21:47,420 --> 00:21:44,610
you are good at this game do you want to

481
00:21:48,530 --> 00:21:47,430
meet sometime in person to play oh that

482
00:21:50,390 --> 00:21:48,540
sounds like a perfect

483
00:21:52,460 --> 00:21:50,400
I wasn't feeling good about meeting with

484
00:21:54,530 --> 00:21:52,470
someone who I don't know so I replied

485
00:21:57,470 --> 00:21:54,540
with just I don't think that's a good

486
00:21:59,770 --> 00:21:57,480
idea his next words were why not

487
00:22:02,240 --> 00:21:59,780
you live in villainy Asst right I

488
00:22:05,510 --> 00:22:02,250

responded with a basic yes how did you

489

00:22:07,760 --> 00:22:05,520

know his next response shocked me I know

490

00:22:10,460 --> 00:22:07,770

a lot about you I know where you live

491

00:22:13,160 --> 00:22:10,470

and your phone number I didn't take it

492

00:22:15,650 --> 00:22:13,170

seriously and I said just okay dude

493

00:22:17,060 --> 00:22:15,660

enough of your pranks he responded with

494

00:22:20,570 --> 00:22:17,070

I'm not pranking you

495

00:22:22,220 --> 00:22:20,580

I can prove it I wondered how he will

496

00:22:24,830 --> 00:22:22,230

prove it and after a minute I got a

497

00:22:27,710 --> 00:22:24,840

message on my phone saying hi it's me

498

00:22:29,570 --> 00:22:27,720

mark I felt sick when I read it I didn't

499

00:22:31,970 --> 00:22:29,580

know what to do I immediately wrote okay

500

00:22:34,700 --> 00:22:31,980

you creeper what do you want no response

501
00:22:37,340 --> 00:22:34,710
days passed he didn't say anything my

502
00:22:39,260 --> 00:22:37,350
friends on the clan were wondering if I

503
00:22:41,600 --> 00:22:39,270
was okay I told them everything is fine

504
00:22:44,120 --> 00:22:41,610
for now so one day on Facebook I got a

505
00:22:45,740 --> 00:22:44,130
friend request from a person who didn't

506
00:22:47,900 --> 00:22:45,750
have any photos post friends or even

507
00:22:49,790 --> 00:22:47,910
profile picture I had a bad feeling

508
00:22:51,650 --> 00:22:49,800
about it and I don't know why but I

509
00:22:54,170 --> 00:22:51,660
accepted it and wrote a message to that

510
00:22:57,110 --> 00:22:54,180
person saying hello do I know you

511
00:22:59,990 --> 00:22:57,120
it responded really quickly saying you

512
00:23:01,490 --> 00:23:00,000
forgot me already it's me mark I didn't

513
00:23:03,590 --> 00:23:01,500

know what to say after a couple of

514

00:23:05,900 --> 00:23:03,600

minutes I replied with listen you were

515

00:23:08,740 --> 00:23:05,910

taking this too far what do you want

516

00:23:11,600 --> 00:23:08,750

then he sent me a photo of me in school

517

00:23:15,140 --> 00:23:11,610

just in the hallways but not in classes

518

00:23:17,780 --> 00:23:15,150

I was shaking and scared I really didn't

519

00:23:19,670 --> 00:23:17,790

know what to do I asked him where he

520

00:23:22,190 --> 00:23:19,680

found information about me he his

521

00:23:25,010 --> 00:23:22,200

response was your Google account knows a

522

00:23:26,870 --> 00:23:25,020

lot about you did he hacked my Google

523

00:23:29,990 --> 00:23:26,880

account which is possible because clash

524

00:23:31,310 --> 00:23:30,000

royale requires you to join log in with

525

00:23:33,500 --> 00:23:31,320

your Google account to save your

526

00:23:34,970 --> 00:23:33,510

progress now this is a pervert this

527

00:23:37,970 --> 00:23:34,980

doesn't sound very paranormal it just

528

00:23:40,070 --> 00:23:37,980

sounds like a creeper I was 100% done

529

00:23:42,380 --> 00:23:40,080

with it I said that I will report him to

530

00:23:45,410 --> 00:23:42,390

the police her response was quick saying

531

00:23:47,510 --> 00:23:45,420

don't you dare to I know where you live

532

00:23:50,240 --> 00:23:47,520

I can easily come and just knock at your

533

00:23:51,860 --> 00:23:50,250

door I was scared for my life now and

534

00:23:54,230 --> 00:23:51,870

couldn't do anything about it I asked

535

00:23:55,230 --> 00:23:54,240

him what the heck does he want with me

536

00:23:57,720 --> 00:23:55,240

and risk

537

00:24:00,180 --> 00:23:57,730

my god I want to play with you but not

538

00:24:02,400 --> 00:24:00,190

the clash Royale but for real does he

539

00:24:05,040 --> 00:24:02,410

want to sexually abuse me I ask myself I

540

00:24:08,580 --> 00:24:05,050

send to him you freakin pervert leave me

541

00:24:10,770 --> 00:24:08,590

alone and response I got hahaha that was

542

00:24:12,630 --> 00:24:10,780

all for that day the next day was the

543

00:24:14,669 --> 00:24:12,640

worst I was so scared the whole day at

544

00:24:16,770 --> 00:24:14,679

school and didn't know what awaited me

545

00:24:18,900 --> 00:24:16,780

when I was just about to leave school I

546

00:24:20,820 --> 00:24:18,910

got a text message saying I'm just

547

00:24:23,280 --> 00:24:20,830

waiting for you to leave the school I

548

00:24:25,650 --> 00:24:23,290

almost started crying and fear at the

549

00:24:27,720 --> 00:24:25,660

moment I went to the school window near

550

00:24:29,430 --> 00:24:27,730

the exit I didn't see anyone suspicious

551

00:24:32,610 --> 00:24:29,440

just students leaving the school and

552

00:24:34,440 --> 00:24:32,620

going home so I decided to go to on my

553

00:24:37,110 --> 00:24:34,450

way home I kept receiving photos from

554

00:24:39,090 --> 00:24:37,120

him of me going home I kept looking

555

00:24:41,880 --> 00:24:39,100

around but didn't see anyone oh that's

556

00:24:43,890 --> 00:24:41,890

really freaky just normal people passing

557

00:24:46,350 --> 00:24:43,900

by and nobody looking or taking photos

558

00:24:48,330 --> 00:24:46,360

of me I managed to get home safely and

559

00:24:51,330 --> 00:24:48,340

locked the door my mom was at work of my

560

00:24:53,220 --> 00:24:51,340

dad it doesn't live with us I saw a note

561

00:24:54,870 --> 00:24:53,230

on the kitchen table for my mom to go to

562

00:24:57,060 --> 00:24:54,880

the store and buy some groceries I

563

00:24:59,820 --> 00:24:57,070

really didn't want to leave home because

564

00:25:02,820 --> 00:24:59,830

there was a creeper somewhere stalking

565

00:25:04,470 --> 00:25:02,830

me but I also didn't want to get into an

566

00:25:07,440 --> 00:25:04,480

argument with my mom so I made myself go

567

00:25:09,810 --> 00:25:07,450

surprisingly everything went good same

568

00:25:11,490 --> 00:25:09,820

evening my mom got back I watched TV I

569

00:25:16,049 --> 00:25:11,500

tried to act like everything was okay

570

00:25:18,150 --> 00:25:16,059

but inside I was dying from fear evening

571

00:25:20,820 --> 00:25:18,160

past came time to go to sleep somehow I

572

00:25:24,630 --> 00:25:20,830

made myself get in my bed and close my

573

00:25:26,750 --> 00:25:24,640

eyes now there was just me silence and

574

00:25:29,310 --> 00:25:26,760

darkness but I couldn't fall asleep

575

00:25:31,860 --> 00:25:29,320

after like 10 minutes I started to hear

576
00:25:35,580 --> 00:25:31,870
cracking noises from somewhere in my

577
00:25:37,680 --> 00:25:35,590
room then I heard my closet door lightly

578
00:25:40,440 --> 00:25:37,690
opening I was lying

579
00:25:43,640 --> 00:25:40,450
facing the doors with just one eye open

580
00:25:47,400 --> 00:25:43,650
when a tall dark figure of a person

581
00:25:49,799 --> 00:25:47,410
stepped out I screamed and ran to my

582
00:25:52,140 --> 00:25:49,809
mom's room somehow I managed to explain

583
00:25:54,780 --> 00:25:52,150
that there was a psycho hiding in my

584
00:25:57,180 --> 00:25:54,790
room she took me very seriously she took

585
00:26:00,090 --> 00:25:57,190
her pepper spray and slowly went to my

586
00:26:03,419 --> 00:26:00,100
room we found nothing there just my

587
00:26:05,460 --> 00:26:03,429
balcony door opened he had run away I

588
00:26:06,990 --> 00:26:05,470

told my mom everything from the

589

00:26:09,180 --> 00:26:07,000

beginning and she called the police they

590

00:26:11,460 --> 00:26:09,190

said they will investigate everything

591

00:26:14,340 --> 00:26:11,470

weeks passed since the incident police

592

00:26:16,320 --> 00:26:14,350

weren't unable to find anything about a

593

00:26:18,270 --> 00:26:16,330

mark he deleted his facebook account

594

00:26:21,120 --> 00:26:18,280

left a clan and deleted his every

595

00:26:22,980 --> 00:26:21,130

message leaving only a nightmarish

596

00:26:25,020 --> 00:26:22,990

memory now that is true horror right

597

00:26:28,140 --> 00:26:25,030

there isn't that that's not paranormal

598

00:26:30,900 --> 00:26:28,150

that's just a creeper big time

599

00:26:34,200 --> 00:26:30,910

yikes alright so I've got a I've got a

600

00:26:36,000 --> 00:26:34,210

paranormal story here I believe I just

601
00:26:37,830 --> 00:26:36,010
grabbed these randomly who knows what's

602
00:26:42,630 --> 00:26:37,840
going to be in them this is called

603
00:26:44,520 --> 00:26:42,640
run-in with the skunk ape this person is

604
00:26:46,440 --> 00:26:44,530
sharing their story and they say I've

605
00:26:48,210 --> 00:26:46,450
only told this story to two people I

606
00:26:48,840 --> 00:26:48,220
don't care if you believe me I know what

607
00:26:51,510 --> 00:26:48,850
I saw

608
00:26:53,340 --> 00:26:51,520
I live in Central Florida my house is

609
00:26:55,770 --> 00:26:53,350
right on the beach but if you travel two

610
00:26:58,470 --> 00:26:55,780
minutes inland you're in a swamp so

611
00:27:00,500 --> 00:26:58,480
dense it would be impossible to navigate

612
00:27:02,970 --> 00:27:00,510
if you got lost but back to the story

613
00:27:05,100 --> 00:27:02,980

this happened when I was five years old

614

00:27:07,770 --> 00:27:05,110

I mean a couple of friends went out to

615

00:27:10,290 --> 00:27:07,780

the swamp to go play hide and seek me

616

00:27:13,560 --> 00:27:10,300

being a tall kid I often had to hide in

617

00:27:15,630 --> 00:27:13,570

very small spaces to play the game when

618

00:27:18,990 --> 00:27:15,640

me and a few friends went to hide I went

619

00:27:22,920 --> 00:27:19,000

by myself big mistake while hiding

620

00:27:25,740 --> 00:27:22,930

inside a hollowed log I noticed an awful

621

00:27:28,710 --> 00:27:25,750

stench like rotting flesh with rotting

622

00:27:30,210 --> 00:27:28,720

leaves a lot of time passed it was very

623

00:27:33,210 --> 00:27:30,220

close tonight and I decided to get out

624

00:27:35,460 --> 00:27:33,220

to leave after an hour of hiding oh

625

00:27:38,420 --> 00:27:35,470

that's a long time the stench was now

626
00:27:42,000 --> 00:27:38,430
stronger but I passed it a swamp gas

627
00:27:45,660 --> 00:27:42,010
while walking the trail I saw this mound

628
00:27:48,030 --> 00:27:45,670
of mulch as I was stepping over it to

629
00:27:51,240 --> 00:27:48,040
step up right in front of me

630
00:27:54,210 --> 00:27:51,250
my blood huh as I was stepping over it

631
00:27:56,040 --> 00:27:54,220
it stepped up right in front of me okay

632
00:27:59,040 --> 00:27:56,050
that's what they're meeting my blood

633
00:28:03,300 --> 00:27:59,050
turned to ice because this thing was at

634
00:28:07,260 --> 00:28:03,310
least nine feet tall it was two feet in

635
00:28:10,290 --> 00:28:07,270
front of me and I was frozen stuck any

636
00:28:13,740 --> 00:28:10,300
attempt to run or scream was futile it

637
00:28:17,370 --> 00:28:13,750
simply stood there looking at me no face

638
00:28:21,510 --> 00:28:17,380

or anything just nothing but thick curly

639

00:28:23,130 --> 00:28:21,520

hair that smelled like poop the arms

640

00:28:26,400 --> 00:28:23,140

went down to its knees

641

00:28:30,090 --> 00:28:26,410

with claws so long I could almost feel

642

00:28:33,870 --> 00:28:30,100

it myself what felt like an eternity was

643

00:28:36,090 --> 00:28:33,880

mostly a minute I was not expecting what

644

00:28:39,390 --> 00:28:36,100

it was going to do next

645

00:28:42,600 --> 00:28:39,400

it simply turned to the left and in

646

00:28:47,370 --> 00:28:42,610

three strides was gone in the brush as

647

00:28:50,880 --> 00:28:47,380

it did I ran so gosh darn fast I did not

648

00:28:52,680 --> 00:28:50,890

even realize that I had peed myself that

649

00:28:56,040 --> 00:28:52,690

was the least of my worries

650

00:28:58,620 --> 00:28:56,050

I made a 20 minute walk a five minute

651
00:29:00,840 --> 00:28:58,630
sprint when I got to the parking lot my

652
00:29:02,760 --> 00:29:00,850
friends were there telling one of the

653
00:29:05,430 --> 00:29:02,770
adults that they did not know what had

654
00:29:07,680 --> 00:29:05,440
happened to me they all saw fear in my

655
00:29:09,900 --> 00:29:07,690
eyes and tears streaming to my face and

656
00:29:12,720 --> 00:29:09,910
they all asked what had happened I

657
00:29:15,900 --> 00:29:12,730
simply said that I saw a black bear

658
00:29:17,970 --> 00:29:15,910
because I knew that no one would believe

659
00:29:20,760 --> 00:29:17,980
a five-year-old with an active

660
00:29:23,070 --> 00:29:20,770
imagination I learned later that this

661
00:29:26,730 --> 00:29:23,080
was a skunk ape and sightings were seen

662
00:29:29,250 --> 00:29:26,740
all over Florida I'm 17 now and I still

663
00:29:34,110 --> 00:29:29,260

drive past that trail every day hoping

664

00:29:35,550 --> 00:29:34,120

to never see that thing again Niki yeah

665

00:29:38,220 --> 00:29:35,560

it's good Gabe I heard they kind of look

666

00:29:39,870 --> 00:29:38,230

like a lump of moss and smell like

667

00:29:42,840 --> 00:29:39,880

Bigfoot but a bit worse

668

00:29:44,730 --> 00:29:42,850

like skunk well I have to tell you guys

669

00:29:47,250 --> 00:29:44,740

thank you so much for listening to UFO

670

00:29:49,590 --> 00:29:47,260

headline news with me Heidi Hollis be

671

00:29:52,080 --> 00:29:49,600

sure to check out UFO headline news com

672

00:29:54,660 --> 00:29:52,090

every single day and turn it to my other

673

00:29:56,730 --> 00:29:54,670

two shows that I do weekly the Outlander

674

00:29:58,800 --> 00:29:56,740

on Fridays and co-host on the Kevin cook

675

00:30:01,350 --> 00:29:58,810

show on Tuesdays both are at 9:00 p.m.

676
00:30:03,930 --> 00:30:01,360
Eastern 8:00 p.m. central and then go to

677
00:30:06,060 --> 00:30:03,940
the Outlanders comic calm to see my

678
00:30:07,470 --> 00:30:06,070
paranormal comic strip remember if

679
00:30:08,760 --> 00:30:07,480
you've experienced something out of the

680
00:30:11,130 --> 00:30:08,770
ordinary and want some level-headed

681
00:30:14,100 --> 00:30:11,140
advice or if you've seen a UFO and want

682
00:30:17,070 --> 00:30:14,110
to share be sure to write me at view H

683
00:30:19,590 --> 00:30:17,080
in an inception radio network comm

684
00:30:24,390 --> 00:30:19,600
remember always to keep an open mind so

685
00:30:24,400 --> 00:30:27,759
[Music]

686
00:30:32,090 --> 00:30:30,289
when we take care of our own hearts

687
00:30:34,310 --> 00:30:32,100
we're also taking care of the people

688
00:30:36,799 --> 00:30:34,320

closest to us so it's comforting to know

689

00:30:39,019 --> 00:30:36,809

that RWJ barnabas health has new

690

00:30:41,629 --> 00:30:39,029

jersey's most comprehensive cardiac care

691

00:30:43,879 --> 00:30:41,639

program with access to top specialists

692

00:30:46,310 --> 00:30:43,889

minimally invasive heart surgery options

693

00:30:48,830 --> 00:30:46,320

and rehabilitation and wellness programs

694

00:30:53,629 --> 00:30:48,840

so get your heart checked it's as easy
