live in a world that has encouraged the

95

00:04:54,060 --> 00:04:51,729

disconnection and cut us off from the

96

00:04:57,330 --> 00:04:54,070

divine fitment and wisdom lives within

97

00:04:59,820 --> 00:04:57,340

our bodies it is in this wisdom that we

98

00:05:02,040 --> 00:04:59,830

find the ability to activate or a

99

00:05:05,129 --> 00:05:02,050

magnetic pathways and amplify our

100

00:05:09,089 --> 00:05:05,139

105
00:05:22,610 --> 00:05:20,440

111
00:05:36,150 --> 00:05:34,390
power and radius through the embodied of

112
00:05:39,180 --> 00:05:36,160
womb consciousness we're going to talk

113
00:05:41,610 --> 00:05:39,190

about that I call it the Stargate I call

114

00:05:44,330 --> 00:05:41,620

it the cosmic womb Jesus tells the

115

00:05:47,070 --> 00:05:44,340

Sacred Heart all the same juicy stuff

116

00:05:49,860 --> 00:05:47,080

through this embodiment every woman can

117

00:05:52,830 --> 00:05:49,870

activate this wisdom in their bodies in

118

00:05:56,400 --> 00:05:52,840

their bodies and unlock their creative

119

00:06:01,200 --> 00:05:56,410

powers to turn challenges into gold

120

00:06:04,770 --> 00:06:01,210

a.com welcome to sunnah of light radio

00:06:20,610 --> 00:06:20,440

animal hello Keyes thanks for having me

126
00:06:27,180 --> 00:06:20,620
on

127
00:06:30,630 --> 00:06:27,190
going with you let's get it run I do my

128
00:06:33,600 --> 00:06:30,640
best to ask all of the guests I've

129
00:06:35,720 --> 00:06:33,610
connected with you through powerful

130
00:06:39,210 --> 00:06:35,730
gentlemen

131
00:06:42,420 --> 00:06:39,220
Ezra Bertram that's how you and I jump

132
00:06:44,220 --> 00:06:42,430
seat so let me ask you when yours before

133
00:06:46,980 --> 00:06:44,230
you started this path what brought you

134
00:06:48,840 --> 00:06:46,990
onto the path was it somebody was doing

135
00:06:51,270 --> 00:06:48,850
it harder sounds interesting and you

136
00:06:54,300 --> 00:06:51,280
moved into the window or asks for most

137
00:06:56,040 --> 00:06:54,310
people pain can be a great catalyst to

138
00:06:58,650 --> 00:06:56,050

find spirituality what was it for you

139

00:07:01,620 --> 00:06:58,660

dear absolutely I'd say like for most

140

00:07:05,700 --> 00:07:01,630

people pain was the the catalyst for

141

00:07:09,120 --> 00:07:05,710

that having I I actually had a very

142

00:07:11,430 --> 00:07:09,130

successful real estate career and you

143

00:07:14,520 --> 00:07:11,440

know when the market crash came really

144

00:07:17,250 --> 00:07:14,530

wiped all of that out and so everything

145

00:07:20,730 --> 00:07:17,260

I identified myself with came crashing

146

00:07:22,440 --> 00:07:20,740

down and just really left me and at the

147

00:07:25,920 --> 00:07:22,450

time very painful but obviously now

148

00:07:29,010 --> 00:07:25,930

blessing in disguise space to really get

149

00:07:32,730 --> 00:07:29,020

on that quest of what why am I here Who

150

00:07:35,760 --> 00:07:32,740

am I and you know what is it about so

151

00:07:39,630 --> 00:07:35,770

really that's that that's when I came in

152

00:07:41,790 --> 00:07:39,640

contact with us Robert Ron did his work

153

00:07:43,980 --> 00:07:41,800

and Saran's work and

154

00:07:49,619 --> 00:07:43,990

really walked I was very very fortunate

155

00:07:51,480 --> 00:07:49,629

to to start that path ride away so that

156

00:07:55,380 --> 00:07:51,490

that's kind of how it was definitely

157

00:08:00,649 --> 00:07:55,390

pain and in a little two-year-old boy

158

00:08:05,279 --> 00:08:02,969

that's the thing right like it's an

159

00:08:07,860 --> 00:08:05,289

unfolding journey you know it's it's

160

00:08:13,409 --> 00:08:07,870

it's always with discovering layers you

161

00:08:16,529 --> 00:08:13,419

know layers have refinement yeah spirals

162

00:08:24,749 --> 00:08:16,539

within spiral as a on this journey for

163

00:08:28,200 --> 00:08:24,759

sure your being who you are and not only

164

00:08:31,080 --> 00:08:28,210

just by reading and logic in that's a

165

00:08:33,899 --> 00:08:31,090

form of understanding the cosmic womb

166

00:08:36,959 --> 00:08:33,909

the Stargate is beginning to open for

167

00:08:38,659 --> 00:08:36,969

the are I'm beginning I hello - how far

168

00:08:41,519 --> 00:08:38,669

you stepped it through the threshold

169

00:08:43,440 --> 00:08:41,529

that's open it's beyond language there's

170

00:08:46,680 --> 00:08:43,450

so much encrypted in that gate yes

171

00:08:47,940 --> 00:08:46,690

absolutely yes and it's kind of you know

172

00:08:50,280 --> 00:08:47,950

one of those things where I feel like

173

00:08:53,160 --> 00:08:50,290

I'm actually starting to come out of

174

00:08:55,590 --> 00:08:53,170

that that cosmic wound I just sort of

175

00:08:58,139 --> 00:08:55,600

sucked me in and you know and like you

176

00:09:01,560 --> 00:08:58,149

said it's very hard to articulate in

177

00:09:03,840 --> 00:09:01,570

words what that is like because it's

178

00:09:06,030 --> 00:09:03,850

more of you know I really feel that

179

00:09:08,430 --> 00:09:06,040

finding out who we are it's more of a

180

00:09:11,460 --> 00:09:08,440

feeling feeling who we are not really

181

00:09:13,500 --> 00:09:11,470

being you know with the words can't

182

00:09:17,340 --> 00:09:13,510

really you know it's almost like it

183

00:09:22,170 --> 00:09:17,350

doesn't know justice totally totally in

184

00:09:25,439 --> 00:09:22,180

fact it's almost it's not that what is

185

00:09:28,949 --> 00:09:25,449

that that words don't only were able to

186

00:09:30,870 --> 00:09:28,959

capture what someone like you I or

187

00:09:34,590 --> 00:09:30,880

anyone else in this field who has done

188

00:09:37,410 --> 00:09:34,600

the work not on this word stature the

189

00:09:40,290 --> 00:09:37,420

most some is it in soils it almost sort

190

00:09:42,449 --> 00:09:40,300

of desecrates the sacredness and the

191

00:09:45,090 --> 00:09:42,459

beauty of what truly happens absolutely

192

00:09:47,100 --> 00:09:45,100

and with so much distortion right about

193

00:09:49,170 --> 00:09:47,110

like you know even culturally we have

194

00:09:51,389 --> 00:09:49,180

different meanings for words different

195

00:09:55,650 --> 00:09:51,399

upbringing so there's all these filters

196

00:09:57,540 --> 00:09:55,660

that really create these these buffers

197

00:09:59,520 --> 00:09:57,550

between feeling who we really are and

198

00:10:02,790 --> 00:09:59,530

being able to actually express that with

199

00:10:05,790 --> 00:10:02,800

words so it's definitely an experiential

200

00:10:08,370 --> 00:10:05,800

journey that's that's what we're we're

201
00:10:12,270 --> 00:10:08,380
here to discover the experience of being

202
00:10:14,760 --> 00:10:12,280
human and you know and cradling our

203
00:10:19,200 --> 00:10:14,770
divinity being cradled in that in that

204
00:10:21,840 --> 00:10:19,210
divine so what are you doing what

205
00:10:24,360 --> 00:10:21,850
practices are you doing that is not only

206
00:10:26,850 --> 00:10:24,370
helping keep you in the gate but what

207
00:10:30,830 --> 00:10:26,860
are you doing that actually allows you

208
00:10:35,130 --> 00:10:30,840
to enter the blood the golden door

209
00:10:37,590 --> 00:10:35,140
well I think yes absolutely and for me

210
00:10:41,730 --> 00:10:37,600
the most important is that just really

211
00:10:43,560 --> 00:10:41,740
radical honesty radical self honesty you

212
00:10:45,930 --> 00:10:43,570
know that's that's really the key to

213
00:10:49,020 --> 00:10:45,940

keep us in that and in that threshold

214

00:10:52,410 --> 00:10:49,030

you know you you can't ever go too far I

215

00:10:56,430 --> 00:10:52,420

really approach life as a ceremony every

216

00:10:59,310 --> 00:10:56,440

day it's my ceremony and it's constantly

217

00:11:01,700 --> 00:10:59,320

showing me where I need to bring more

218

00:11:05,250 --> 00:11:01,710

attention to more acceptance more

219

00:11:07,500 --> 00:11:05,260

gentleness because even being and I'm

220

00:11:09,930 --> 00:11:07,510

sure you've experienced this you've been

221

00:11:13,080 --> 00:11:09,940

being on this spiritual quest or this

222

00:11:16,590 --> 00:11:13,090

journey to find who we are we can become

223

00:11:18,960 --> 00:11:16,600

very goal-oriented with it as well you

224

00:11:21,060 --> 00:11:18,970

know and in our practices and and that

225

00:11:25,250 --> 00:11:21,070

just it's it's more of an intellectual

226

00:11:27,630 --> 00:11:25,260

life station of our spirituality versus

227

00:11:29,940 --> 00:11:27,640

holding ourselves gently and whatever

228

00:11:31,740 --> 00:11:29,950

comes up every day and and asking

229

00:11:34,770 --> 00:11:31,750

ourselves you know just being really

230

00:11:36,660 --> 00:11:34,780

honest what is what is it didn't hear

231

00:11:39,420 --> 00:11:36,670

for me how can I take more

232

00:11:42,630 --> 00:11:39,430

responsibility in this situation though

233

00:11:44,970 --> 00:11:42,640

yeah that's and I'd say that's the key

234

00:11:47,130 --> 00:11:44,980

and the hardest but you know it does

235

00:11:50,550 --> 00:11:47,140

offer grace the more the more that we

236

00:11:52,320 --> 00:11:50,560

surrender to it I love that you used

237

00:11:55,170 --> 00:11:52,330

radical as I said the beginning this

238

00:11:58,260 --> 00:11:55,180

broadcast that my new book is called

239

00:12:00,330 --> 00:11:58,270

radical transformation and I just loved

240

00:12:03,240 --> 00:12:00,340

the idea of the word radical because it

241

00:12:04,860 --> 00:12:03,250

it does paint a picture meaning like I'm

242

00:12:06,120 --> 00:12:04,870

out of the box it's not normal it's

243

00:12:07,410 --> 00:12:06,130

about me diving in there

244

00:12:08,910 --> 00:12:07,420

I want something dog

245

00:12:10,980 --> 00:12:08,920

happen right now and it's gonna be

246

00:12:14,310 --> 00:12:10,990

radical who was it that said that I

247

00:12:16,650 --> 00:12:14,320

think her name is sara black she said

248

00:12:18,450 --> 00:12:16,660

it's time that we get sort i'm

249

00:12:21,110 --> 00:12:18,460

paraphrasing some time that we get out

250

00:12:24,570 --> 00:12:21,120

of the box and at least spiritual

251

00:12:30,120 --> 00:12:24,580

spirituality into its wild natural state

252

00:12:33,120 --> 00:12:30,130

yes it's nonlinear in spontaneous state

253

00:12:35,340 --> 00:12:33,130

absolutely yes I really love that word

254

00:12:38,820 --> 00:12:35,350

as well because you know it's it's like

255

00:12:41,550 --> 00:12:38,830

our our minds are so can can be so well

256

00:12:43,910 --> 00:12:41,560

adapted to to our blind spots so when

257

00:12:46,890 --> 00:12:43,920

you really say I'm going to radically

258

00:12:48,990 --> 00:12:46,900

take responsibility for myself for my

259

00:12:51,810 --> 00:12:49,000

actions for my words it's like you can't

260

00:12:54,330 --> 00:12:51,820

hide you know you can't it doesn't allow

261

00:12:56,880 --> 00:12:54,340

you to use those blind spots that are

262

00:13:06,020 --> 00:12:56,890

convenient so I really I really love

263

00:13:08,160 --> 00:13:06,030

that as well when you are in your zone

264

00:13:10,050 --> 00:13:08,170

and I think this is a really really

265

00:13:12,210 --> 00:13:10,060

juicy question I love putting this

266

00:13:15,620 --> 00:13:12,220

question to my guests we're in your

267

00:13:25,320 --> 00:13:15,630

space your gate or at least entering it

268

00:13:29,040 --> 00:13:25,330

what does it feel like to be you in that

269

00:13:34,140 --> 00:13:29,050

place I'd say the best word is yummy

270

00:13:36,990 --> 00:13:34,150

that's exactly how I feel you know it

271

00:13:40,680 --> 00:13:37,000

just creates this field of absolute

272

00:13:43,320 --> 00:13:40,690

yumminess and that's inclusive of the

273

00:13:45,960 --> 00:13:43,330

pain inclusive of all of those things

274

00:13:49,590 --> 00:13:45,970

it's just it's this texture this

275

00:13:53,010 --> 00:13:49,600

shimmering dark gorgeous texture that

276

00:13:55,290 --> 00:13:53,020

that spills forth you know from that

277

00:13:59,010 --> 00:13:55,300

from that space when I am the most

278

00:14:01,260 --> 00:13:59,020

connected the most grounded it really

279

00:14:03,930 --> 00:14:01,270

it's like being able to see the world

280

00:14:09,860 --> 00:14:03,940

through is such a different lens than

281

00:14:14,400 --> 00:14:12,240

it definitely feels like home and it

282

00:14:17,390 --> 00:14:14,410

feels like I don't want to leave and you

283

00:14:20,030 --> 00:14:17,400

know how don't you bring that

284

00:14:21,830 --> 00:14:20,040

experience let's say you just been in

285

00:14:23,660 --> 00:14:21,840

your zone because you did a meditation

286

00:14:25,760 --> 00:14:23,670

or for whatever reason you just

287

00:14:27,500 --> 00:14:25,770

happening you can use um and let's say

288

00:14:30,950 --> 00:14:27,510

you get out of your meditation or

289

00:14:33,860 --> 00:14:30,960

whatever it is or a session and you're

290

00:14:35,900 --> 00:14:33,870

coming back to the world now that you're

291

00:14:37,850 --> 00:14:35,910

back in the world are you finding that

292

00:14:41,390 --> 00:14:37,860

you're actually starting to bring that

293

00:14:43,730 --> 00:14:41,400

space to your open eyed life more and

294

00:14:45,200 --> 00:14:43,740

more and more to where those two

295

00:14:47,960 --> 00:14:45,210

dimensions and realities are beginning

296

00:14:50,000 --> 00:14:47,970

to dovetail across faiths absolutely and

297

00:14:53,660 --> 00:14:50,010

you know and I feel like that that's why

298

00:14:55,730 --> 00:14:53,670

I love what I do and what I am you know

299

00:14:59,240 --> 00:14:55,740

work helping women with this because

300

00:15:01,130 --> 00:14:59,250

that space when we are grounded inside

301

00:15:03,050 --> 00:15:01,140

of our core stability inside of that

302

00:15:05,480 --> 00:15:03,060

Stargate like you call it you know

303

00:15:07,610 --> 00:15:05,490

inside that wounds face we actually

304

00:15:10,190 --> 00:15:07,620

begin to move in the world in a very

305

00:15:12,200 --> 00:15:10,200

different way we can see through through

306

00:15:14,360 --> 00:15:12,210

through the eyes of that rather than

307

00:15:17,900 --> 00:15:14,370

what the world is showing us so it's

308

00:15:19,790 --> 00:15:17,910

we're living from within and and we

309

00:15:24,620 --> 00:15:19,800

experience what's happening outside of

310

00:15:30,340 --> 00:15:24,630

us as as more of a won't be the word for

311

00:15:33,500 --> 00:15:30,350

it it yes it just feels like a like gosh

312

00:15:34,790 --> 00:15:33,510

like just when when I step in and I'm

313

00:15:36,890 --> 00:15:34,800

feeling in that space it's like

314

00:15:40,130 --> 00:15:36,900

everything around me begins to shift as

315

00:15:42,320 --> 00:15:40,140

well to mirror that back to me so even

316

00:15:44,300 --> 00:15:42,330

you know when I am in conversation with

317

00:15:46,060 --> 00:15:44,310

someone and that other person can be

318

00:15:50,240 --> 00:15:46,070

having a completely different experience

319

00:15:52,520 --> 00:15:50,250

the very the very fact that I am in my

320

00:15:54,530 --> 00:15:52,530

core stability in my moving from that

321

00:15:56,990 --> 00:15:54,540

place speaking from that place

322

00:16:00,110 --> 00:15:57,000

completely changes the frequency of our

323

00:16:02,390 --> 00:16:00,120

exchange and and and that's what I'm so

324

00:16:04,490 --> 00:16:02,400

passionate about because it's not about

325

00:16:08,090 --> 00:16:04,500

you know you hear about all these like

326

00:16:09,820 --> 00:16:08,100

NLP things and all these like oh how do

327

00:16:12,560 --> 00:16:09,830

you a lot of what's out there is

328

00:16:16,970 --> 00:16:12,570

manipulation of the psyche when we are

329

00:16:20,090 --> 00:16:16,980

in relationship but what I am what I am

330

00:16:22,520 --> 00:16:20,100

a champion of is actually when we embody

331

00:16:26,120 --> 00:16:22,530

these frequencies there in our very

332

00:16:29,120 --> 00:16:26,130

voice you know the voice is is sort of a

333

00:16:31,160 --> 00:16:29,130

revelation of what lives inside of us so

334

00:16:33,740 --> 00:16:31,170

when we put our voice out into the

335

00:16:36,620 --> 00:16:33,750

world and that other person receives it

336

00:16:38,269 --> 00:16:36,630

it's it's it's felt as a blessing even

337

00:16:40,730 --> 00:16:38,279

though you know obviously it'd be very

338

00:16:44,060 --> 00:16:40,740

weird if you're like well I'm blessing

339

00:16:46,759 --> 00:16:44,070

you right now is my and the other person

340

00:16:53,960 --> 00:16:46,769

you know but but it really does create

341

00:16:56,449 --> 00:16:53,970

this Morpho genetic I think I lost my

342

00:17:01,460 --> 00:16:56,459

guest for a moment her energy must be

343

00:17:03,259 --> 00:17:01,470

beginning the climax and spin will give

344

00:17:04,880 --> 00:17:03,269

her just a moment for her to return so

345

00:17:07,039 --> 00:17:04,890

today I have Bishop Shelby Spong coming

358

00:17:43,430 --> 00:17:40,020

back to center of light radio in March

359

00:17:45,380 --> 00:17:43,440

March 19th uh bleep Chevy fog is the

360

00:17:48,530 --> 00:17:45,390

gentleman the bishop you see him social

361

00:17:50,690 --> 00:17:48,540

media that debunks the idea of hell

362

00:17:53,030 --> 00:17:50,700

and he's caught he's gotten a lot of

363

00:17:56,450 --> 00:17:53,040

flack about that he has a new book

364

00:17:59,659 --> 00:17:56,460

coming out called unbelievable when I

365

00:18:01,100 --> 00:17:59,669

saw that post coming out about Shelby

366

00:18:03,080 --> 00:18:01,110

Spong I said I got to get it back on the

367

00:18:04,820 --> 00:18:03,090

show and respondent just like that I

368

00:18:14,530 --> 00:18:04,830

think Annabelle is back Annabelle you

369

00:18:23,000 --> 00:18:18,350

yeah it's getting you're working it up

370

00:18:24,710 --> 00:18:23,010

here we're talking about the same thing

371

00:18:26,030 --> 00:18:24,720

only different but the last thing we

372

00:18:29,030 --> 00:18:26,040

were talking about for you left was

373

00:18:30,830 --> 00:18:29,040

shift each of that space moving into the

374

00:18:33,500 --> 00:18:30,840

gate moving across the threshold of the

375

00:18:37,070 --> 00:18:33,510

gold the door and really all it takes is

376

00:18:39,020 --> 00:18:37,080

tough to knock and that addition of

377

00:18:41,450 --> 00:18:39,030

knocking begins the process of it

378

00:18:42,490 --> 00:18:41,460

opening and we're talking about how when

379

00:18:44,860 --> 00:18:42,500

I

380

00:18:46,779 --> 00:18:44,870

or whoever you are plural out there the

381

00:18:49,060 --> 00:18:46,789

listening on it when we shifted that

382

00:18:51,820 --> 00:18:49,070

space even people are not proximity

383

00:18:54,130 --> 00:18:51,830

changes because as I say often in this

384

00:18:56,289 --> 00:18:54,140

show Annabelle is when I network in

385

00:18:58,659 --> 00:18:56,299

public and I play music I meet someone

386

00:19:01,299 --> 00:18:58,669

for the first time and I find something

387

00:19:03,430 --> 00:19:01,309

around their neck or a dialogue and in

388

00:19:06,250 --> 00:19:03,440

their voice or something about them that

389

00:19:08,830 --> 00:19:06,260

is just beautiful and I begin to hyper

390

00:19:11,320 --> 00:19:08,840

fix and hyper focus on it and I begin to

391

00:19:13,330 --> 00:19:11,330

appreciate that quality of that person

392

00:19:15,100 --> 00:19:13,340

being a physical attribute something

393

00:19:18,029 --> 00:19:15,110

they're wearing the way they hair looks

394

00:19:22,810 --> 00:19:18,039

or whatever it may be so much I use it

395

00:19:25,000 --> 00:19:22,820

as a way of taking me to the absolute

396

00:19:27,159 --> 00:19:25,010

within myself because that quality about

397

00:19:28,930 --> 00:19:27,169

them is so beautiful you know when I

398

00:19:31,360 --> 00:19:28,940

begin to take it to the level of APRI

399

00:19:35,320 --> 00:19:31,370

appreciation within me that is God and

400

00:19:38,680 --> 00:19:35,330

when I do and I start to walk into that

401
00:19:41,020 --> 00:19:38,690
and realm I see God in that person step

402
00:19:43,870 --> 00:19:41,030
out of them right in front of my face

403
00:19:47,289 --> 00:19:43,880
I see their whole energy their whole

404
00:19:49,149 --> 00:19:47,299
dynamic just absolutely changes so this

405
00:19:50,860 --> 00:19:49,159
is what you're speaking about as well

406
00:19:53,110 --> 00:19:50,870
yes correct

407
00:19:55,870 --> 00:19:53,120
yes and that is what it is right because

408
00:19:58,750 --> 00:19:55,880
most of the time is just us not having

409
00:20:01,149 --> 00:19:58,760
that compassion really or or seen a

410
00:20:03,100 --> 00:20:01,159
scene or feeling ourselves separate from

411
00:20:04,810 --> 00:20:03,110
that other person which allows for all

412
00:20:07,600 --> 00:20:04,820
these judgments and all of these things

413
00:20:09,700 --> 00:20:07,610

to emerge but when we start going into

414

00:20:11,770 --> 00:20:09,710

that star gating that into the moon

415

00:20:15,180 --> 00:20:11,780

space you realize that in our

416

00:20:18,250 --> 00:20:15,190

individuality we still we're

417

00:20:21,070 --> 00:20:18,260

interconnected and we're all playing a

418

00:20:23,080 --> 00:20:21,080

role in the ecology of our world so

419

00:20:25,570 --> 00:20:23,090

that's that's sort of that thing like

420

00:20:28,539 --> 00:20:25,580

connecting to what it is that that that

421

00:20:31,360 --> 00:20:28,549

makes you see this person that way right

422

00:20:33,130 --> 00:20:31,370

so when you see this attribute of theirs

423

00:20:35,409 --> 00:20:33,140

it's like that's your little key to

424

00:20:37,510 --> 00:20:35,419

connecting to the interconnectedness and

425

00:20:42,940 --> 00:20:37,520

and to feel that person as you would

426
00:20:45,549 --> 00:20:42,950
feel yourself the I was gonna say it's

427
00:20:48,010 --> 00:20:45,559
like that what I find mostly is it's not

428
00:20:51,070 --> 00:20:48,020
that that we don't see someone else as

429
00:20:53,620 --> 00:20:51,080
as worthy or as beautiful or divine but

430
00:20:56,560 --> 00:20:53,630
that we've disconnected from ourselves

431
00:20:59,529 --> 00:20:56,570
in that aspect and when that is there

432
00:21:02,139 --> 00:20:59,539
you know there's really that that's the

433
00:21:05,020 --> 00:21:02,149
key it's really when you feel that

434
00:21:06,760 --> 00:21:05,030
within yourself then it's a byproduct

435
00:21:10,330 --> 00:21:06,770
that you're going to see that within

436
00:21:12,549 --> 00:21:10,340
others so really it for me the work is

437
00:21:14,440 --> 00:21:12,559
really with yourself and it's not that

438
00:21:17,320 --> 00:21:14,450

it's an individual journey because

439

00:21:21,580 --> 00:21:17,330

obviously I believe sacred relationship

440

00:21:24,070 --> 00:21:21,590

is such a catalyst for our work but it

441

00:21:26,230 --> 00:21:24,080

does start individually connecting

442

00:21:28,630 --> 00:21:26,240

reconnecting to that that that

443

00:21:30,870 --> 00:21:28,640

sacredness to that beauty that worth

444

00:21:34,690 --> 00:21:30,880

that sacred sexuality within ourselves

445

00:21:36,669 --> 00:21:34,700

so that we can show up you know and and

446

00:21:47,549 --> 00:21:36,679

have these beautiful exchanges with

447

00:21:54,730 --> 00:21:52,000

movement why is it called the cosmic

448

00:21:56,020 --> 00:21:54,740

womb for those out there who just kind

449

00:21:58,779 --> 00:21:56,030

of hear that I just oh that just sounds

450

00:22:02,590 --> 00:21:58,789

so weird can you go into detail kind of

451
00:22:03,690 --> 00:22:02,600
explain why it's called that a why that

452
00:22:06,580 --> 00:22:03,700
particular

453
00:22:09,310 --> 00:22:06,590
spirituality people call it the Divine

454
00:22:11,310 --> 00:22:09,320
Feminine the Sacred Feminine because why

455
00:22:14,919 --> 00:22:11,320
is it termed that why is it deemed that

456
00:22:16,840 --> 00:22:14,929
well the term the womb you know it

457
00:22:19,750 --> 00:22:16,850
doesn't relate just to our organ it's

458
00:22:22,240 --> 00:22:19,760
actually like a blueprint an energetic

459
00:22:24,539 --> 00:22:22,250
blueprint that we all hold and it's been

460
00:22:27,789 --> 00:22:24,549
known by many names like the Don Tian

461
00:22:30,370 --> 00:22:27,799
you know just the one point there's a

462
00:22:34,510 --> 00:22:30,380
lot of different names for it we also

463
00:22:38,200 --> 00:22:34,520

call it the Hara for men but it's based

464

00:22:41,710 --> 00:22:38,210

on the premise of it's like the feminine

465

00:22:43,600 --> 00:22:41,720

consciousness of God and and the reason

466

00:22:46,090 --> 00:22:43,610

we use the term movements because

467

00:22:48,730 --> 00:22:46,100

everything's created in the womb that is

468

00:22:54,100 --> 00:22:48,740

the portal of matter you know that's and

469

00:22:56,440 --> 00:22:54,110

it's a mother based teaching so it's so

470

00:22:58,539 --> 00:22:56,450

it's really about it isn't just your

471

00:23:00,549 --> 00:22:58,549

uterus right we're not just talking

472

00:23:02,200 --> 00:23:00,559

about a uterus we're actually talking

473

00:23:05,169 --> 00:23:02,210

about this womb consciousness that's

474

00:23:08,080 --> 00:23:05,179

connected through a cosmic womb and also

475

00:23:10,990 --> 00:23:08,090

in the Earth's womb and through our

476

00:23:14,500 --> 00:23:11,000

as through through our humanity as

477

00:23:17,169 --> 00:23:14,510

individuals as well so the reason why we

478

00:23:20,279 --> 00:23:17,179

use room or what I really love to refer

479

00:23:24,100 --> 00:23:20,289

it to that is because it makes it

480

00:23:28,240 --> 00:23:24,110

automatically a mother based essence a

481

00:23:30,519 --> 00:23:28,250

softer more fertile life giving you know

482

00:23:34,690 --> 00:23:30,529

all of those yummy things that come from

483

00:23:38,200 --> 00:23:34,700

from a mother for more of a yin state

484

00:23:43,120 --> 00:23:38,210

and and it's sort of that premise of Yin

485

00:23:45,519 --> 00:23:43,130

births yang our young I I never know how

486

00:23:47,980 --> 00:23:45,529

to say it right but you know it's it's

487

00:23:50,590 --> 00:23:47,990

so it is it's been that it's that portal

488

00:23:52,960 --> 00:23:50,600

from spirit into matter so that that's

489

00:23:55,930 --> 00:23:52,970

where the womb aspect and the woman

490

00:23:58,539 --> 00:23:55,940

consciousness so everything what we see

491

00:24:02,860 --> 00:23:58,549

everything we experience everything

492

00:24:04,450 --> 00:24:02,870

without exception it is coming from has

493

00:24:06,130 --> 00:24:04,460

always come from comes from that will

494

00:24:11,049 --> 00:24:06,140

forever come from this opening

495

00:24:14,110 --> 00:24:11,059

there's cosmic this gate so I often when

496

00:24:16,000 --> 00:24:14,120

I do my live feeds for those who are

497

00:24:17,769 --> 00:24:16,010

interested in catching by the live feeds

498

00:24:19,810 --> 00:24:17,779

facebook.com slash Keith Anthony

499

00:24:22,060 --> 00:24:19,820

Blanchard so my personal page feel free

500

00:24:23,860 --> 00:24:22,070

to contact me but when I do these life

501
00:24:26,409 --> 00:24:23,870
live feeds are always talking about

502
00:24:28,990 --> 00:24:26,419
falling from here and to here and as I

503
00:24:31,389 --> 00:24:29,000
said that I call it the cosmic moon but

504
00:24:36,639 --> 00:24:31,399
I've always and I always use the terms

505
00:24:39,789 --> 00:24:36,649
or the the images of grandmother's buzu

506
00:24:43,860 --> 00:24:39,799
my grandmother's bosom and we will allow

507
00:24:47,230 --> 00:24:43,870
ourself to sincerely sit and fall there

508
00:24:50,440 --> 00:24:47,240
it's like we begins suckling yet again

509
00:24:55,840 --> 00:24:50,450
on the divine mother mother's milk the

510
00:24:58,330 --> 00:24:55,850
ambrosia is that what it's sort of like

511
00:25:00,370 --> 00:24:58,340
for you that we just you know you think

512
00:25:01,899 --> 00:25:00,380
of that but think about your grandmother

513
00:25:04,960 --> 00:25:01,909

at a time in your life when you as a

514

00:25:06,850 --> 00:25:04,970

child and your big breasts and are you

515

00:25:09,880 --> 00:25:06,860

impressed and good mother pick you and

516

00:25:11,799 --> 00:25:09,890

push you into her fold and it's unlike

517

00:25:14,200 --> 00:25:11,809

an S it's like there's an assurance of

518

00:25:16,950 --> 00:25:14,210

absolute trust that you will forever be

519

00:25:20,830 --> 00:25:16,960

safe and all your needs will be met

520

00:25:21,520 --> 00:25:20,840

absolutely yes it is and it is you see

521

00:25:28,570 --> 00:25:21,530

and

522

00:25:30,730 --> 00:25:28,580

consciousness what we speak to is

523

00:25:34,450 --> 00:25:30,740

actually moving down into our pelvic

524

00:25:36,340 --> 00:25:34,460

Bowl because we you know obviously we're

525

00:25:38,170 --> 00:25:36,350

very in the mind just being in this

526

00:25:40,570 --> 00:25:38,180

world and then when we drop into the

527

00:25:42,550 --> 00:25:40,580

heart yes we have this that that's where

528

00:25:45,580 --> 00:25:42,560

a radiance is right like we have this

529

00:25:48,430 --> 00:25:45,590

open-hearted love but if we are not

530

00:25:51,490 --> 00:25:48,440

rooted in our power center that can also

531

00:25:53,410 --> 00:25:51,500

lead to you know you know no boundaries

532

00:25:55,360 --> 00:25:53,420

or you know just things like that but

533

00:25:58,030 --> 00:25:55,370

when we actually move down deeper into

534

00:26:00,430 --> 00:25:58,040

our pelvic Bowl there's so much for us

535

00:26:02,620 --> 00:26:00,440

there because we're so disconnected from

536

00:26:04,600 --> 00:26:02,630

that place and that's what grounds us

537

00:26:06,430 --> 00:26:04,610

into the earth and and that's kind of

538

00:26:09,130 --> 00:26:06,440

like the the way I see the magnetic

539

00:26:12,010 --> 00:26:09,140

portal that is connecting to the earth

540

00:26:14,830 --> 00:26:12,020

that that roots you know that roots of

541

00:26:18,340 --> 00:26:14,840

our beings and and moving from that

542

00:26:20,590 --> 00:26:18,350

place rather than then from the heart

543

00:26:22,750 --> 00:26:20,600

which is really beautiful but I just

544

00:26:25,330 --> 00:26:22,760

have that image you know when I think of

545

00:26:27,040 --> 00:26:25,340

this it's it's kind of like you drop

546

00:26:28,780 --> 00:26:27,050

down you drop down to your heart it's

547

00:26:31,600 --> 00:26:28,790

and I call it the path of descent

548

00:26:34,720 --> 00:26:31,610

because we must descend in order to

549

00:26:36,520 --> 00:26:34,730

ascend because if we are though if we

550

00:26:38,980 --> 00:26:36,530

are not rooted in the earth we also

551
00:26:43,120 --> 00:26:38,990
cannot embody all of these beautiful

552
00:26:45,520 --> 00:26:43,130
paths and spiritual teachings that most

553
00:26:48,250 --> 00:26:45,530
of them move us actually out of our

554
00:26:51,070 --> 00:26:48,260
bodies right because we we see a spirit

555
00:26:54,460 --> 00:26:51,080
being out there or or even the chakra

556
00:26:57,370 --> 00:26:54,470
system is set up to ascend right so it's

557
00:27:00,370 --> 00:26:57,380
really for me it feels so important to

558
00:27:02,830 --> 00:27:00,380
return to that path of this end to go

559
00:27:05,220 --> 00:27:02,840
into those those deeper memories that

560
00:27:09,370 --> 00:27:05,230
are stored within our womb matrix and to

561
00:27:11,860 --> 00:27:09,380
and to bring that healing bond there and

562
00:27:13,840 --> 00:27:11,870
for me that that's when I speak of the

563
00:27:15,640 --> 00:27:13,850

magnetic pathways that's where it all

564

00:27:18,730 --> 00:27:15,650

begins it's sort of like that's where it

565

00:27:22,060 --> 00:27:18,740

branches out of I'm sure you've seen

566

00:27:24,610 --> 00:27:22,070

like a placenta right or a tree and so

567

00:27:27,940 --> 00:27:24,620

that's how our magnetic pathways really

568

00:27:30,850 --> 00:27:27,950

it's like that route that that court and

569

00:27:31,890 --> 00:27:30,860

exploring our roots bringing healing to

570

00:27:34,140 --> 00:27:31,900

that and open

571

00:27:36,930 --> 00:27:34,150

all the stagnant energy that's there and

572

00:27:39,450 --> 00:27:36,940

allowing that magnetism that comes from

573

00:27:43,820 --> 00:27:39,460

the earth to branch out you know to

574

00:27:47,190 --> 00:27:43,830

imbue our auric field and and and that's

575

00:27:49,500 --> 00:27:47,200

for me how it feels that that's how we

576

00:27:52,080 --> 00:27:49,510

walk in the world and then you're you're

577

00:27:55,200 --> 00:27:52,090

not worried about other people you know

578

00:27:57,570 --> 00:27:55,210

for example a lot of empathic people

579

00:27:59,670 --> 00:27:57,580

they're constantly suffering this thing

580

00:28:01,770 --> 00:27:59,680

where they're so sensitive and sensible

581

00:28:04,410 --> 00:28:01,780

to the environment and being affected by

582

00:28:06,510 --> 00:28:04,420

it but what I find is that when you

583

00:28:09,780 --> 00:28:06,520

really move into that path of embodiment

584

00:28:12,480 --> 00:28:09,790

and you really cultivate that's a power

585

00:28:14,940 --> 00:28:12,490

that comes from the womb space then

586

00:28:17,460 --> 00:28:14,950

you're able to move in spaces and you're

587

00:28:21,480 --> 00:28:17,470

actually catalyzing those phases and

588

00:28:22,860 --> 00:28:21,490

you're so rooted in that there is no yes

589

00:28:24,780 --> 00:28:22,870

of course you know we all have to

590

00:28:26,700 --> 00:28:24,790

cleanse because that that's just how it

591

00:28:31,590 --> 00:28:26,710

is is like you know you have to shower

592

00:28:34,800 --> 00:28:31,600

everything but it's it's you are not as

593

00:28:37,740 --> 00:28:34,810

affected by the outside because you are

594

00:28:41,490 --> 00:28:37,750

so rooted inside of what what you are

595

00:28:42,930 --> 00:28:41,500

and what is true for you and so that

596

00:28:47,430 --> 00:28:42,940

that's why I say that that's kind of

597

00:28:49,560 --> 00:28:47,440

like the when when you now when I am in

598

00:28:52,530 --> 00:28:49,570

a relationship from this place it's

599

00:28:55,230 --> 00:28:52,540

going to be very different than when I'm

600

00:28:57,240 --> 00:28:55,240

in a relationship from you know what I'm

601
00:28:59,790 --> 00:28:57,250
getting from someone but it's rather

602
00:29:01,890 --> 00:28:59,800
like what am I giving to this person

603
00:29:04,290 --> 00:29:01,900
what am i bringing into this

604
00:29:06,030 --> 00:29:04,300
relationship rather than what am I going

605
00:29:13,860 --> 00:29:06,040
to get you know which is such a

606
00:29:15,600 --> 00:29:13,870
survivalist ik security thing right you

607
00:29:17,850 --> 00:29:15,610
thankfully Blanchard soon of light radio

608
00:29:20,130 --> 00:29:17,860
6:00 p.m. Eastern time Monday nights you

609
00:29:21,900 --> 00:29:20,140
can find me two year in this chair and

610
00:29:23,160 --> 00:29:21,910
this little guest house conducting all

611
00:29:25,290 --> 00:29:23,170
the affairs of the heart

612
00:29:29,750 --> 00:29:25,300
setting my guess is Annabelle Disgaea

613
00:29:33,570 --> 00:29:29,760

you can find more about her in a in a BL

614

00:29:36,990 --> 00:29:33,580

viz see a double our egg calm and

615

00:29:38,850 --> 00:29:37,000

ability and we're talking about the

616

00:29:41,750 --> 00:29:38,860

Divine Feminine womb consciousness how

617

00:29:43,980 --> 00:29:41,760

to activate relationships in your life

618

00:29:45,330 --> 00:29:43,990

which means are you open to taking a

619

00:29:50,190 --> 00:29:45,340

couple of questions from the chat

620

00:29:52,230 --> 00:29:50,200

yeah absolutely look I had someone in my

621

00:29:55,230 --> 00:29:52,240

show about last year I don't remember

622

00:29:57,660 --> 00:29:55,240

who it was and he said we arrived here

623

00:30:07,770 --> 00:29:57,670

through the womb and you returned home

624

00:30:09,870 --> 00:30:07,780

we go back if there is not one person on

625

00:30:14,100 --> 00:30:09,880

this planet that has not come through

626

00:30:15,930 --> 00:30:14,110

womb right right Lola from the chat room

627

00:30:19,190 --> 00:30:15,940

asked a question this is a Divine

628

00:30:22,110 --> 00:30:19,200

Feminine for everyone or just women

629

00:30:24,660 --> 00:30:22,120

yeah that's such a beautiful question

630

00:30:27,480 --> 00:30:24,670

thank you for asking that it is for

631

00:30:29,970 --> 00:30:27,490

everyone the Divine Feminine is not

632

00:30:32,130 --> 00:30:29,980

gender and that's that a lot of times

633

00:30:35,130 --> 00:30:32,140

you know I'll use terms as solar and

634

00:30:37,560 --> 00:30:35,140

lunar because when we hear feminine and

635

00:30:45,770 --> 00:30:37,570

masculine right away we associate it

636

00:30:50,730 --> 00:30:49,140

there we go again technology for you the

637

00:30:53,280 --> 00:30:50,740

energy must have got a little high

638

00:30:55,290 --> 00:30:53,290

my guess Anabelle this gotta get pushed

639

00:30:59,070 --> 00:30:55,300

off a line from whatever reason so if

640

00:31:02,250 --> 00:30:59,080

we're gonna get a bird shortly so I

641

00:31:03,900 --> 00:31:02,260

think the question was asked is the

642

00:31:05,640 --> 00:31:03,910

Divine Feminine for every one of just

643

00:31:08,820 --> 00:31:05,650

women I'm gonna go out on a limb and

644

00:31:10,980 --> 00:31:08,830

answer that for her it's for everyone we

645

00:31:13,260 --> 00:31:10,990

have both aspects of the divine that

646

00:31:15,450 --> 00:31:13,270

lives within all of us we've got the raw

647

00:31:17,520 --> 00:31:15,460

brute force which is the masculine that

648

00:31:18,990 --> 00:31:17,530

which needs to move forward that wood

649

00:31:21,450 --> 00:31:19,000

dust things by rolling up the sleeves

650

00:31:24,120 --> 00:31:21,460

and getting the hands dirty and takes

651
00:31:25,680 --> 00:31:24,130
control of things and then we have the

652
00:31:28,860 --> 00:31:25,690
Divine Feminine that lives in every one

653
00:31:31,830 --> 00:31:28,870
that's a little more softer it is more

654
00:31:34,590 --> 00:31:31,840
willing to be a participant of that

655
00:31:35,550 --> 00:31:34,600
which just to allow things to be as they

656
00:31:38,220 --> 00:31:35,560
are

657
00:31:40,650 --> 00:31:38,230
it's the nurturing aspect of all of us

658
00:31:44,910 --> 00:31:40,660
it's the part of us that generally

659
00:31:52,770 --> 00:31:44,920
genuinely and just normally loves and I

660
00:31:54,510 --> 00:31:52,780
think my beautiful guess is that so we

661
00:31:56,310 --> 00:31:54,520
get to answer the question a little bit

662
00:31:57,960 --> 00:31:56,320
is the Divine Feminine

663
00:31:59,790 --> 00:31:57,970

and I'm gonna let you take over but to

664

00:32:02,670 --> 00:31:59,800

let you know where I was in the in the

665

00:32:05,520 --> 00:32:02,680

in the dialogue was the masculine is a

666

00:32:07,950 --> 00:32:05,530

is more of the raw make things happen

667

00:32:09,720 --> 00:32:07,960

with a little force and the feminism or

668

00:32:11,340 --> 00:32:09,730

natural just stepping back and letting

669

00:32:14,730 --> 00:32:11,350

things be as they are

670

00:32:16,620 --> 00:32:14,740

please check over yes so I was I was

671

00:32:18,600 --> 00:32:16,630

saying I'm not sure how much you heard

672

00:32:21,960 --> 00:32:18,610

of what I was saying but it's that

673

00:32:24,240 --> 00:32:21,970

essence is not gender obviously it's we

674

00:32:26,100 --> 00:32:24,250

all have it all human beings have it and

675

00:32:29,040 --> 00:32:26,110

it's just like the earth the earth has

676

00:32:31,920 --> 00:32:29,050

that divine feminine energy and that

677

00:32:34,200 --> 00:32:31,930

divine masculine energy and you could

678

00:32:36,990 --> 00:32:34,210

attribute it to yin which is very

679

00:32:41,250 --> 00:32:37,000

feminine and young which is very

680

00:32:44,250 --> 00:32:41,260

masculine but it's it's not a thing

681

00:32:47,550 --> 00:32:44,260

that's exclusive to women this is this

682

00:32:49,590 --> 00:32:47,560

is a lot of men have to do healing

683

00:32:51,420 --> 00:32:49,600

around their own feminine right just

684

00:32:54,090 --> 00:32:51,430

like women we've got to do healing

685

00:32:56,750 --> 00:32:54,100

around the masculine but it's about the

686

00:33:01,230 --> 00:32:56,760

internal sacred union of those two

687

00:33:03,780 --> 00:33:01,240

energies and a lot of times that that's

688

00:33:06,930 --> 00:33:03,790

how like where the disconnect for our

689

00:33:09,210 --> 00:33:06,940

journey happens when we only identify

690

00:33:14,580 --> 00:33:09,220

ourselves with one of those but we are

691

00:33:18,050 --> 00:33:14,590

carriers of both yes and actually for me

692

00:33:21,530 --> 00:33:18,060

and my experience has been that when I

693

00:33:23,580 --> 00:33:21,540

even saying the masculine energy I've

694

00:33:25,260 --> 00:33:23,590

misinterpreted that where it's been

695

00:33:27,210 --> 00:33:25,270

about like let me push let me make

696

00:33:29,490 --> 00:33:27,220

things happen let me do this but when

697

00:33:32,870 --> 00:33:29,500

I'm able to drop into the true essence

698

00:33:36,450 --> 00:33:32,880

of my Divine Feminine it naturally

699

00:33:39,210 --> 00:33:36,460

evolves into that creation you know into

700

00:33:41,580 --> 00:33:39,220

that into that gestation and into that

701
00:33:44,040 --> 00:33:41,590
expression out in the world so it's it's

702
00:33:47,220 --> 00:33:44,050
really about bringing those two poles

703
00:33:49,800 --> 00:33:47,230
together inside of ourselves that Union

704
00:33:52,380 --> 00:33:49,810
inside of ourselves and because it's a

705
00:33:54,960 --> 00:33:52,390
really big thing like we see that a lot

706
00:33:57,150 --> 00:33:54,970
it's like we're looking for that outside

707
00:33:59,550 --> 00:33:57,160
of ourselves right we're looking for

708
00:34:02,730 --> 00:33:59,560
that other person to come in and fill

709
00:34:07,080 --> 00:34:02,740
those empty spaces but but the real work

710
00:34:08,910 --> 00:34:07,090
is to come in into ourselves and get to

711
00:34:10,080 --> 00:34:08,920
know that feminine get to know that

712
00:34:14,640 --> 00:34:10,090
masculine and bring

713
00:34:16,680 --> 00:34:14,650

those into Union I love it because you

714

00:34:19,710 --> 00:34:16,690

know one would bring those two aspects

715

00:34:22,320 --> 00:34:19,720

of the same self together and they

716

00:34:24,870 --> 00:34:22,330

become intimate there's a third

717

00:34:27,270 --> 00:34:24,880

component that happens call it the birth

718

00:34:29,310 --> 00:34:27,280

the rebirth of the Christ the Buddha

719

00:34:33,780 --> 00:34:29,320

compassion the blossoming of the lotus

720

00:34:35,790 --> 00:34:33,790

flower the rising of the Phoenix so when

721

00:34:39,930 --> 00:34:35,800

that third thing begins to happen that

722

00:34:42,390 --> 00:34:39,940

is the entry into the gate absolutely

723

00:34:45,330 --> 00:34:42,400

and that's that's like the Holy Spirit

724

00:34:47,910 --> 00:34:45,340

right that's the that's that field it's

725

00:34:50,460 --> 00:34:47,920

a frequency that we step into absolutely

726

00:34:53,460 --> 00:34:50,470

yes and not only that frequency is in a

727

00:35:03,270 --> 00:34:53,470

wave it also creates the frequency of

728

00:35:05,010 --> 00:35:03,280

how often is going to happen how Neil

729

00:35:07,140 --> 00:35:05,020

mr. Anderson

730

00:35:09,270 --> 00:35:07,150

me or from the chat room says is this

731

00:35:17,670 --> 00:35:09,280

the same stuff that our chakras are made

732

00:35:19,500 --> 00:35:17,680

of hmmm interesting question that's the

733

00:35:22,050 --> 00:35:19,510

first time I've ever been asked that so

734

00:35:24,180 --> 00:35:22,060

thanks what if let me ask you this day

735

00:35:26,760 --> 00:35:24,190

let me rephrase that for him or her I'm

736

00:35:32,760 --> 00:35:26,770

not sure it doesn't have a gender maybe

737

00:35:36,810 --> 00:35:32,770

because they are the womb will be

738

00:35:41,700 --> 00:35:36,820

considered the heart chakra I see for me

739

00:35:43,830 --> 00:35:41,710

it feels like it's yes it's all it's all

740

00:35:45,510 --> 00:35:43,840

interrelated you know I just think we

741

00:35:48,900 --> 00:35:45,520

all have different terminology for it

742

00:35:52,500 --> 00:35:48,910

but in terms of essence I would say yes

743

00:35:55,650 --> 00:35:52,510

it is the same essence you know in and

744

00:35:58,130 --> 00:35:55,660

obviously we make images and we put

745

00:36:02,280 --> 00:35:58,140

words to it but in terms of essence yes

746

00:36:05,430 --> 00:36:02,290

there is a teaching a lineage that use

747

00:36:08,520 --> 00:36:05,440

the womb chakra as well right so it's

748

00:36:10,800 --> 00:36:08,530

for me it's more about the the endocrine

749

00:36:14,850 --> 00:36:10,810

system actually then the chakra system

750

00:36:18,450 --> 00:36:14,860

itself but yes it is the same essence

751

00:36:21,539 --> 00:36:18,460

absolutely it's that divine that divine

752

00:36:23,669 --> 00:36:21,549

essence absolutely

753

00:36:26,269 --> 00:36:23,679

whoopie from the chat room asked can

754

00:36:28,529 --> 00:36:26,279

this mean platonic relationship soothed

755

00:36:30,109 --> 00:36:28,539

obviously does it apply all across the

756

00:36:33,539 --> 00:36:30,119

board

757

00:36:37,559 --> 00:36:33,549

Seifer I really believe that like in

758

00:36:40,439 --> 00:36:37,569

sacred relationship the state of our

759

00:36:43,529 --> 00:36:40,449

inner sacred relationship is what's

760

00:36:45,659 --> 00:36:43,539

going to express out in the world and I

761

00:36:48,179 --> 00:36:45,669

believe that we can have karmic

762

00:36:51,749 --> 00:36:48,189

relationships or we can have Dartmouth

763

00:36:53,519 --> 00:36:51,759

relationships and that's a choice one is

764

00:36:55,349 --> 00:36:53,529

default which is the karmic

765

00:36:57,299 --> 00:36:55,359

relationships and that's mostly what we

766

00:37:00,419 --> 00:36:57,309

see in the world and the other one is

767

00:37:03,149 --> 00:37:00,429

actually our destiny and in destiny is

768

00:37:05,669 --> 00:37:03,159

you've got to rise up to meet it so that

769

00:37:08,069 --> 00:37:05,679

is a conscious choice that we make those

770

00:37:10,799 --> 00:37:08,079

are the relationships that um you know

771

00:37:12,749 --> 00:37:10,809

that mirror back to us that that

772

00:37:14,969 --> 00:37:12,759

frequency that we're speaking of right

773

00:37:17,999 --> 00:37:14,979

where we support the purpose and our

774

00:37:20,819 --> 00:37:18,009

unfolding and all of those versus karmic

775

00:37:23,549 --> 00:37:20,829

which would be more the norm in our

776

00:37:28,379 --> 00:37:23,559

worlds right now that is by our default

777

00:37:31,679 --> 00:37:28,389

setting and that I really believe that

778

00:37:35,279 --> 00:37:31,689

we we create those relationships when

779

00:37:37,799 --> 00:37:35,289

our own internal selves are in that sort

780

00:37:42,419 --> 00:37:37,809

of still in that samsara and that in

781

00:37:45,739 --> 00:37:42,429

that we're still separate inside so it

782

00:37:48,389 --> 00:37:45,749

is platonic relationships you know which

783

00:37:50,989 --> 00:37:48,399

I'm not really sure like how would that

784

00:37:55,469 --> 00:37:50,999

how would that fall in because it is so

785

00:37:58,139 --> 00:37:55,479

individual that it would just you have

786

00:38:00,389 --> 00:37:58,149

to explore that what your experience has

787

00:38:03,989 --> 00:38:00,399

been angle from there because it's such

788

00:38:06,179 --> 00:38:03,999

a you know individual experience we're

789

00:38:12,539 --> 00:38:06,189

all experiencing the world in such a

790

00:38:14,969 --> 00:38:12,549

different way would you say that the

791

00:38:17,069 --> 00:38:14,979

world outside when we look for a piece

792

00:38:19,199 --> 00:38:17,079

to show in a relationship we're looking

793

00:38:20,549 --> 00:38:19,209

piece to show up in the perfect job we

794

00:38:24,120 --> 00:38:20,559

look at the piece to show up when I make

795

00:38:27,029 --> 00:38:24,130

X amount of money it seems like until we

796

00:38:29,489 --> 00:38:27,039

get there that this world is so

797

00:38:33,089 --> 00:38:29,499

fragmented that we're constantly looking

798

00:38:35,400 --> 00:38:33,099

for piece in components versus when we

799

00:38:38,069 --> 00:38:35,410

turn and begin to move in each

800

00:38:40,349 --> 00:38:38,079

experience and live and stay inside of

801
00:38:43,920 --> 00:38:40,359
the heart or the gate the cosmic as much

802
00:38:45,539 --> 00:38:43,930
as possible that embodies all of it

803
00:38:50,549 --> 00:38:45,549
because that's the wholeness

804
00:38:53,730 --> 00:38:50,559
so we win we truly win all of it the

805
00:38:56,520 --> 00:38:53,740
fragments when we begin to find our

806
00:38:58,920 --> 00:38:56,530
loving relationship with ourselves that

807
00:39:02,490 --> 00:38:58,930
would that that is what opens the gate

808
00:39:04,260 --> 00:39:02,500
yes absolutely yes and that's the thing

809
00:39:05,670 --> 00:39:04,270
that but seems like that's why it is so

810
00:39:08,039 --> 00:39:05,680
difficult because we are in this

811
00:39:11,160 --> 00:39:08,049
holographic world were always pulled

812
00:39:14,130 --> 00:39:11,170
outside by by you know there are

813
00:39:15,599 --> 00:39:14,140

distractions where we're if I have the

814

00:39:18,510 --> 00:39:15,609

perfect partner if I have the perfect

815

00:39:20,640 --> 00:39:18,520

job if I have this but really it's it

816

00:39:23,700 --> 00:39:20,650

just it does take that and that's where

817

00:39:25,620 --> 00:39:23,710

that radical self honesty comes in it's

818

00:39:28,829 --> 00:39:25,630

like what am I trying to get outside of

819

00:39:30,990 --> 00:39:28,839

me and rather turn it to ourselves say

820

00:39:33,480 --> 00:39:31,000

why do I feel this deep loneliness

821

00:39:36,150 --> 00:39:33,490

inside of me why do I feel that I need

822

00:39:38,400 --> 00:39:36,160

to have this and and sit with that and

823

00:39:41,039 --> 00:39:38,410

that's really coming back into the body

824

00:39:44,670 --> 00:39:41,049

coming back into the senses because the

825

00:39:48,210 --> 00:39:44,680

our bodies is a library of all of our

826

00:39:50,279 --> 00:39:48,220

experiences of and our lineage memories

827

00:39:52,680 --> 00:39:50,289

right so a lot of times it's like we're

828

00:39:55,410 --> 00:39:52,690

have to return to that place and recover

829

00:39:58,440 --> 00:39:55,420

that so that that energy that is

830

00:40:00,930 --> 00:39:58,450

standing there can be released and allow

831

00:40:04,319 --> 00:40:00,940

that radiance and that magnetism to flow

832

00:40:08,819 --> 00:40:04,329

forth like you said giving us all

833

00:40:10,950 --> 00:40:08,829

because when we do turn inward moving

834

00:40:13,529 --> 00:40:10,960

from that place we see that the world in

835

00:40:16,170 --> 00:40:13,539

a different way you know the lack

836

00:40:19,769 --> 00:40:16,180

becomes a different thing for us and and

837

00:40:21,960 --> 00:40:19,779

it's it really is that radical self

838

00:40:25,769 --> 00:40:21,970

honesty self responsibility of like

839

00:40:28,230 --> 00:40:25,779

where am I at because we all want it we

840

00:40:31,710 --> 00:40:28,240

all want it but we're not all willing to

841

00:40:33,960 --> 00:40:31,720

do what it takes to have it and we you

842

00:40:37,370 --> 00:40:33,970

know we think it's hustling out there

843

00:40:40,049 --> 00:40:37,380

right but no it's actually sitting

844

00:40:43,170 --> 00:40:40,059

sitting with yourself getting to know

845

00:40:45,000 --> 00:40:43,180

yourself and and that's not what not a

846

00:40:46,380 --> 00:40:45,010

lot of people are willing to do funny

847

00:40:49,000 --> 00:40:46,390

enough I was just reading this thing

848

00:40:51,160 --> 00:40:49,010

about this study that was done

849

00:40:53,260 --> 00:40:51,170

where they took you know they took

850

00:40:57,310 --> 00:40:53,270

people in a room and they said okay

851
00:40:59,770 --> 00:40:57,320
would you rather be shocked and sit here

852
00:41:01,750 --> 00:40:59,780
in the dark or would you rather be in

853
00:41:03,220 --> 00:41:01,760
silence and sit here in the dark and

854
00:41:06,040 --> 00:41:03,230
would you know that

855
00:41:09,100 --> 00:41:06,050
80% of the people chose to be shocked

856
00:41:12,040 --> 00:41:09,110
and saying the dark thing to be there in

857
00:41:14,350 --> 00:41:12,050
silence with themselves well and that

858
00:41:17,260 --> 00:41:14,360
was just to show like how we just we

859
00:41:21,100 --> 00:41:17,270
look for anything to distract us to take

860
00:41:25,000 --> 00:41:21,110
us out of looking inward and and feeling

861
00:41:28,600 --> 00:41:25,010
that discomfort that when we really slow

862
00:41:31,510 --> 00:41:28,610
down and we hold that there's this

863
00:41:36,100 --> 00:41:31,520

discomfort there that's always wanting

864

00:41:37,510 --> 00:41:36,110

to take us outward if you think that he

865

00:41:39,550 --> 00:41:37,520

blames you hostessing of light radio

866

00:41:41,710 --> 00:41:39,560

6:00 p.m. Eastern Monday nights you can

867

00:41:44,170 --> 00:41:41,720

find it today my guest is Annabelle

868

00:41:46,660 --> 00:41:44,180

Disgaea we're talking everything Divine

869

00:41:50,710 --> 00:41:46,670

Feminine and sacred cosmic and all this

870

00:41:52,660 --> 00:41:50,720

really cool spiritual stuff what you ask

871

00:41:55,180 --> 00:41:52,670

I love what you said dear Lord I love

872

00:41:59,710 --> 00:41:55,190

what you said that when we enter that

873

00:42:01,900 --> 00:41:59,720

special beautiful divine space it's not

874

00:42:04,510 --> 00:42:01,910

about going somewhere

875

00:42:14,200 --> 00:42:04,520

other than bringing ourselves our true

876

00:42:16,420 --> 00:42:14,210

selves into the body yes Daniel he says

877

00:42:19,270 --> 00:42:16,430

I think that the feminine force is

878

00:42:21,040 --> 00:42:19,280

acceptance where the male is more about

879

00:42:25,720 --> 00:42:21,050

action what are your thoughts on that

880

00:42:31,240 --> 00:42:25,730

dear yes I mean to some degree yes that

881

00:42:32,770 --> 00:42:31,250

is that is true when when I speak in in

882

00:42:36,030 --> 00:42:32,780

the way that I would interpret that is

883

00:42:40,450 --> 00:42:36,040

more when I'm in my being I am

884

00:42:43,710 --> 00:42:40,460

automatically in my doing when I'm in my

885

00:42:46,960 --> 00:42:43,720

doing primarily I'm actually

886

00:42:49,540 --> 00:42:46,970

disconnected from my being so so when

887

00:42:51,790 --> 00:42:49,550

you know how you said like when we're

888

00:42:55,180 --> 00:42:51,800

resting inside that space that's us

889

00:42:57,550 --> 00:42:55,190

being that's us feeling that's us you

890

00:43:00,220 --> 00:42:57,560

know being in that and then moving from

891

00:43:02,720 --> 00:43:00,230

that space is what creates that

892

00:43:05,400 --> 00:43:02,730

experience of outside shift

893

00:43:07,410 --> 00:43:05,410

but but it's it's not so it's not

894

00:43:10,589 --> 00:43:07,420

separate and see that's the thing like

895

00:43:12,990 --> 00:43:10,599

we we want to separate them like okay so

896

00:43:15,060 --> 00:43:13,000

this is a and this is B but actually

897

00:43:17,430 --> 00:43:15,070

they're in Union they're always dancing

898

00:43:20,790 --> 00:43:17,440

together one cannot be without the other

899

00:43:24,060 --> 00:43:20,800

and as we have seen we've been so much

900

00:43:26,760 --> 00:43:24,070

about doing and this is why our earth is

901
00:43:29,609 --> 00:43:26,770
in the state that it's in and this is

902
00:43:32,310 --> 00:43:29,619
why it's not sustainable but what this

903
00:43:34,020 --> 00:43:32,320
is wide now the quantum leap that is

904
00:43:37,410 --> 00:43:34,030
happening in humanity is we're actually

905
00:43:40,560 --> 00:43:37,420
moving back into that coming back into

906
00:43:44,450 --> 00:43:40,570
that state of being where now things can

907
00:43:48,630 --> 00:43:44,460
be created as an ecology not just as an

908
00:43:51,900 --> 00:43:48,640
individual you know it's not about me

909
00:43:55,260 --> 00:43:51,910
it's about we but I've got to be really

910
00:43:58,500 --> 00:43:55,270
honest with me before you know I can

911
00:44:00,870 --> 00:43:58,510
invite others to play so that so that's

912
00:44:03,000 --> 00:44:00,880
the that would be my answer for that

913
00:44:05,430 --> 00:44:03,010

because it's really not about separating

914

00:44:07,470 --> 00:44:05,440

either it's just it's it's both give

915

00:44:16,349 --> 00:44:07,480

birth to each eyes like the chicken and

916

00:44:18,810 --> 00:44:16,359

the egg sort of thing I stay the egg

917

00:44:20,370 --> 00:44:18,820

came first because it took this one and

918

00:44:22,589 --> 00:44:20,380

that once you come together to create

919

00:44:31,470 --> 00:44:22,599

the offspring which was eventually

920

00:44:33,660 --> 00:44:31,480

deemed the chicken that you help women

921

00:44:36,450 --> 00:44:33,670

tap into their unique magnetic power in

922

00:44:38,790 --> 00:44:36,460

radiance and soothe this is your bio and

923

00:44:40,470 --> 00:44:38,800

let's get the women a tree let's saline

924

00:44:44,550 --> 00:44:40,480

into that and guys this is for you as

925

00:44:46,710 --> 00:44:44,560

well how do you do that can you help our

926
00:44:48,150 --> 00:44:46,720
listening audience be at the women

927
00:44:49,620 --> 00:44:48,160
and/or the men but the women for this

928
00:44:52,410 --> 00:44:49,630
sake let's honor them for the moment

929
00:44:54,870 --> 00:44:52,420
because not in the cosmic womb honor

930
00:44:57,780 --> 00:44:54,880
your Divine Feminine helps all of us

931
00:45:00,120 --> 00:44:57,790
including in this man how the income do

932
00:45:02,430 --> 00:45:00,130
that can you offer some Marcille some

933
00:45:04,200 --> 00:45:02,440
ideas for the women out there to move

934
00:45:04,770 --> 00:45:04,210
into their magnetic power in their

935
00:45:07,859 --> 00:45:04,780
radiance

936
00:45:10,230 --> 00:45:07,869
yes absolutely so it is like you said it

937
00:45:12,690 --> 00:45:10,240
is for men as well however for women

938
00:45:14,670 --> 00:45:12,700

when I work with them is well one of the

939

00:45:16,800 --> 00:45:14,680

things that it's just a general thing is

940

00:45:19,380 --> 00:45:16,810

learning to take that

941

00:45:21,360 --> 00:45:19,390

that self-responsibility of like when

942

00:45:24,240 --> 00:45:21,370

you have a situation come up

943

00:45:26,730 --> 00:45:24,250

remove the all blame from it even if it

944

00:45:29,700 --> 00:45:26,740

is the other person's fault just remove

945

00:45:31,800 --> 00:45:29,710

it for a second and and find what the

946

00:45:34,170 --> 00:45:31,810

gold or the gift would that would be for

947

00:45:36,480 --> 00:45:34,180

yourself so that's one of the things

948

00:45:38,460 --> 00:45:36,490

that that I I'm pretty I'm really big on

949

00:45:40,580 --> 00:45:38,470

and then another one is learning to work

950

00:45:44,250 --> 00:45:40,590

with our cycles because we're all

951
00:45:46,320 --> 00:45:44,260
cyclical being so as a woman when you

952
00:45:52,500 --> 00:45:46,330
are disconnected from the body of your

953
00:45:56,070 --> 00:45:52,510
cycle so I lost my guests again for the

954
00:45:57,810 --> 00:45:56,080
fourth time so when she comes back this

955
00:45:59,370 --> 00:45:57,820
is gonna be the most powerful moment

956
00:46:02,010 --> 00:45:59,380
because four is a number that represents

957
00:46:05,280 --> 00:46:02,020
power today my guess is Annabelle

958
00:46:06,930 --> 00:46:05,290
mascota we're talking about everything

959
00:46:10,950 --> 00:46:06,940
to find feminine I want to welcome

960
00:46:12,990 --> 00:46:10,960
keyboard in the chat room to the show he

961
00:46:15,390 --> 00:46:13,000
said what is this place about keyboard

962
00:46:17,120 --> 00:46:15,400
sort of light radio is about

963
00:46:19,290 --> 00:46:17,130

interviewing best-selling authors

964

00:46:21,420 --> 00:46:19,300

spiritual beings from India divine

965

00:46:23,220 --> 00:46:21,430

incarnations from India doctors

966

00:46:26,360 --> 00:46:23,230

scientists people all across the board

967

00:46:30,150 --> 00:46:26,370

that brings a heck of a punch of power

968

00:46:32,100 --> 00:46:30,160

through empowerment through information

969

00:46:34,650 --> 00:46:32,110

too soon of light radio I'll do this

970

00:46:37,170 --> 00:46:34,660

every Monday night 6 p.m. Eastern time

971

00:46:39,420 --> 00:46:37,180

you can always find a seer become a part

972

00:46:41,550 --> 00:46:39,430

of our center of light radio family

973

00:46:44,880 --> 00:46:41,560

welcome my friend is blessing to have

974

00:46:47,130 --> 00:46:44,890

you here and thank you for joining so

975

00:46:48,990 --> 00:46:47,140

tonight we're talking about everything

976
00:46:51,660 --> 00:46:49,000
cause with a woman divine feminine and I

977
00:46:55,350 --> 00:46:51,670
have for the last year in my half of my

978
00:46:57,980 --> 00:46:55,360
life fortunate to tap in as Annabelle

979
00:47:00,780 --> 00:46:57,990
says to this aspect of myself

980
00:47:03,120 --> 00:47:00,790
consciously and pretty much often as

981
00:47:05,880 --> 00:47:03,130
often as I'm getting there to work and

982
00:47:08,850 --> 00:47:05,890
do it at will it will begin to swell in

983
00:47:11,420 --> 00:47:08,860
this place life gets good welcome back

984
00:47:16,520 --> 00:47:11,430
Annabelle mascota

985
00:47:20,040 --> 00:47:16,530
so I have no idea what is happening here

986
00:47:21,960 --> 00:47:20,050
think so yeah I was saying I I don't

987
00:47:24,960 --> 00:47:21,970
know where I got cut off but one of the

988
00:47:27,660 --> 00:47:24,970

one of the big ways as well is is to

989

00:47:29,820 --> 00:47:27,670

connect into the cycles of our body to

990

00:47:32,460 --> 00:47:29,830

know when we are obviously

991

00:47:34,110 --> 00:47:32,470

to know you know to honor and make space

992

00:47:36,810 --> 00:47:34,120

for the days that we are bleeding

993

00:47:40,370 --> 00:47:36,820

because this actually what it does in

994

00:47:43,980 --> 00:47:40,380

the body it opens up energetic pathways

995

00:47:48,150 --> 00:47:43,990

and sensory we have heightened senses

996

00:47:50,760 --> 00:47:48,160

and using this when you learn to work

997

00:47:53,520 --> 00:47:50,770

with your cycle you can actually you

998

00:47:55,350 --> 00:47:53,530

know when is the best time to date when

999

00:47:58,230 --> 00:47:55,360

is the best time to stay in meditation

1000

00:48:00,240 --> 00:47:58,240

you know when it so it's really amazing

1001
00:48:02,520 --> 00:48:00,250
what happens when we connect back into

1002
00:48:07,800 --> 00:48:02,530
our cycles and that's a really powerful

1003
00:48:12,510 --> 00:48:07,810
tool for that magnetism what does the

1004
00:48:15,180 --> 00:48:12,520
future hold for in about this guy oh so

1005
00:48:17,820 --> 00:48:15,190
many good things are cooking up I'm or

1006
00:48:25,140 --> 00:48:17,830
in the birth canal I'll be having a

1007
00:48:27,720 --> 00:48:25,150
reshoot later this year literally what

1008
00:48:29,880 --> 00:48:27,730
it feels like right now but I'll be

1009
00:48:32,970 --> 00:48:29,890
hosting a retreat later this year for

1010
00:48:34,890 --> 00:48:32,980
women and then also have online journey

1011
00:48:38,670 --> 00:48:34,900
it's coming up I do

1012
00:48:43,290 --> 00:48:38,680
these 30 40 days online journeys to just

1013
00:48:44,910 --> 00:48:43,300

drop in to the body and workshop so you

1014

00:48:47,370 --> 00:48:44,920

could just stay connected with me

1015

00:48:51,510 --> 00:48:47,380

there's so many things that are that are

1016

00:48:53,940 --> 00:48:51,520

in the work so we all know that

1017

00:48:56,430 --> 00:48:53,950

meditation is phenomenal for everything

1018

00:48:59,790 --> 00:48:56,440

it's great for anxiety it's great for

1019

00:49:01,650 --> 00:48:59,800

relaxation it's great for launching

1020

00:49:03,960 --> 00:49:01,660

yourself into not body experience

1021

00:49:06,600 --> 00:49:03,970

meditation is the deal for everything

1022

00:49:09,720 --> 00:49:06,610

and meditation is great for tapping in

1023

00:49:12,150 --> 00:49:09,730

to the Divine Feminine or the cosmic

1024

00:49:14,100 --> 00:49:12,160

gate whatever words you deem to call but

1025

00:49:18,030 --> 00:49:14,110

let me ask you would you say that

1026

00:49:19,770 --> 00:49:18,040

equally that's you for us to fall into

1027

00:49:23,940 --> 00:49:19,780

this space that this show is about

1028

00:49:30,660 --> 00:49:23,950

tonight it's more of an intention of

1029

00:49:33,000 --> 00:49:30,670

just wanting to shift them to that spot

1030

00:49:35,310 --> 00:49:33,010

because you can do it in a moment

1031

00:49:37,500 --> 00:49:35,320

it can happen my mom by Marian teaching

1032

00:49:39,630 --> 00:49:37,510

yes would you agree with that I would

1033

00:49:41,640 --> 00:49:39,640

agree with that I would say that

1034

00:49:43,980 --> 00:49:41,650

meditations are really important to to

1035

00:49:46,350 --> 00:49:43,990

quiet the mind because that

1036

00:49:50,490 --> 00:49:46,360

the biggest buffer right between that

1037

00:49:53,040 --> 00:49:50,500

space and IND ourselves and so so it's

1038

00:49:55,440 --> 00:49:53,050

really using the meditation to learn how

1039

00:49:58,830 --> 00:49:55,450

to come into that stillness how to come

1040

00:50:01,080 --> 00:49:58,840

out of those those thoughts and and then

1041

00:50:04,770 --> 00:50:01,090

it is it's dropping into that space and

1042

00:50:06,720 --> 00:50:04,780

cultivating those what lives inside of

1043

00:50:09,720 --> 00:50:06,730

us and and that's why I kid I use a lot

1044

00:50:12,330 --> 00:50:09,730

of imaginal journeying because it's not

1045

00:50:14,820 --> 00:50:12,340

just about sitting in meditation yes

1046

00:50:16,350 --> 00:50:14,830

that is very important we want to relax

1047

00:50:18,980 --> 00:50:16,360

and we want to move out of the mind but

1048

00:50:21,890 --> 00:50:18,990

it's also about traveling into the body

1049

00:50:24,270 --> 00:50:21,900

traveling into those places and

1050

00:50:26,640 --> 00:50:24,280

recovering those fragments those

1051
00:50:31,260 --> 00:50:26,650
fragments that we left behind because

1052
00:50:34,170 --> 00:50:31,270
they were too uncomfortable the Buddhist

1053
00:50:36,740 --> 00:50:34,180
must say that be it sitting in

1054
00:50:41,010 --> 00:50:36,750
meditation for meditation sake or

1055
00:50:43,050 --> 00:50:41,020
meditating to travel is that when you

1056
00:50:48,150 --> 00:50:43,060
think of a thought you are immediately

1057
00:50:50,910 --> 00:50:48,160
there and the sprit is to be with it so

1058
00:50:54,420 --> 00:50:50,920
much that you can bring this to a state

1059
00:50:56,760 --> 00:50:54,430
of bilocation depending on your level of

1060
00:50:59,070 --> 00:50:56,770
focus and awareness and attention to be

1061
00:51:00,690 --> 00:50:59,080
planted in the experience if this is

1062
00:51:04,470 --> 00:51:00,700
this start of what you're saying is to

1063
00:51:06,930 --> 00:51:04,480

break basically call what you want to

1064

00:51:08,910 --> 00:51:06,940

you and have it with you it like you

1065

00:51:10,740 --> 00:51:08,920

said earlier it's not about going

1066

00:51:13,080 --> 00:51:10,750

somewhere into being in the cosmic room

1067

00:51:15,900 --> 00:51:13,090

of the star game it's about bringing it

1068

00:51:17,460 --> 00:51:15,910

here absolutely yes and that's sort of

1069

00:51:19,050 --> 00:51:17,470

like that there is no time right

1070

00:51:21,840 --> 00:51:19,060

everything's happening right now

1071

00:51:23,940 --> 00:51:21,850

we are living the past the future the

1072

00:51:26,340 --> 00:51:23,950

present but it's just what are we

1073

00:51:29,190 --> 00:51:26,350

connecting to what are what are we

1074

00:51:31,380 --> 00:51:29,200

allowing into our space so so yes

1075

00:51:34,320 --> 00:51:31,390

absolutely this is like that time-travel

1076
00:51:37,320 --> 00:51:34,330
sort of thing and that's why imagination

1077
00:51:40,770 --> 00:51:37,330
is such a healing thing because we can

1078
00:51:44,490 --> 00:51:40,780
imagine ourselves to be anything to be

1079
00:51:47,880 --> 00:51:44,500
anywhere and you know if if we can if we

1080
00:51:50,160 --> 00:51:47,890
can in and I love the word discipline

1081
00:51:52,680 --> 00:51:50,170
which I used to not like very much

1082
00:51:55,410 --> 00:51:52,690
before but now I see it as discipline is

1083
00:51:58,109 --> 00:51:55,420
what are you at the Siple of and when we

1084
00:52:00,720 --> 00:51:58,119
can create that discipline

1085
00:52:03,720 --> 00:52:00,730
be a disciple of ourselves of the divine

1086
00:52:06,690 --> 00:52:03,730
then we can imagine ourselves to be that

1087
00:52:14,130 --> 00:52:06,700
and bring that into our reality invite

1088

amazing teachers and that'd be fun we

1100

00:52:58,589 --> 00:52:55,839

should definitely pose that to them and

1101

00:53:01,920 --> 00:52:58,599

invite them in for tea there is so great

1102

00:53:03,960 --> 00:53:01,930

1103

00:53:06,479 --> 00:53:03,970

coming to the top of the hour everyone I

1104

00:53:08,910 --> 00:53:06,489

1111

00:53:26,910 --> 00:53:24,819

1112

00:53:29,099 --> 00:53:26,920

live feeds that I do powerful

1113

00:53:30,599 --> 00:53:29,109

1116

00:53:35,729 --> 00:53:33,759

one-on-one either way I'm working on

1117

00:53:37,440 --> 00:53:35,739

that but we're coming to the top of the

1118

00:53:40,140 --> 00:53:37,450

hour would you give out again your

1119

00:53:42,450 --> 00:53:40,150

1120

00:53:44,670 --> 00:53:42,460

final thought we got about four minutes

1121

00:53:46,319 --> 00:53:44,680

left something you want to leave my

1122

00:53:48,089 --> 00:53:46,329

listening audience with that they can

1123

00:53:49,380 --> 00:53:48,099

take with them and implement in their

1124

00:53:51,450 --> 00:53:49,390

lives starting now

1125

00:53:53,400 --> 00:53:51,460

that would help them to openly crack

1126

00:53:56,549 --> 00:53:53,410

that door knock on that gold in the door

1127

00:53:59,729 --> 00:53:56,559

follow to the cosmic moon fall into the

1128

00:54:01,380 --> 00:53:59,739

divine mother's bosom whatever works for

1129

00:54:03,420 --> 00:54:01,390

the person out there how did they begin

1130

00:54:04,890 --> 00:54:03,430

to do that and use it in a very real way

1131

00:54:07,349 --> 00:54:04,900

and they're like and begin to see

1132

00:54:09,329 --> 00:54:07,359

results that helps their level of faith

1133

00:54:11,240 --> 00:54:09,339

their level of conviction shoot the roof

1134

00:54:14,570 --> 00:54:11,250

they go dear Lord this is

1135

00:54:21,220 --> 00:54:14,580

very very real thing yes thank you thank

1136

00:54:44,330 --> 00:54:40,030

www.seannal.com and entomb ember that

1137

00:54:47,780 --> 00:54:44,340

when we all slow down and we can all tap

1138

00:54:50,150 --> 00:54:47,790

into this an amazing love that we felt

1139

00:54:52,610 --> 00:54:50,160

before whether it's when you know we

1140

00:54:54,590 --> 00:54:52,620

gave birth or when we got married or

1141

00:54:59,840 --> 00:54:54,600

when we met the love of our lives and

1142

00:55:02,780 --> 00:54:59,850

any any frequency of love that you have

1143

00:55:06,980 --> 00:55:02,790

felt at that depth what I want to say is

1144

00:55:09,740 --> 00:55:06,990

that that has been you that has not been

1145

00:55:12,710 --> 00:55:09,750

the other person that has not been the

1146

00:55:16,820 --> 00:55:12,720

circumstance that has been you and that

1147

00:55:20,720 --> 00:55:16,830

is our innate birthright to recite in

1148

00:55:23,090 --> 00:55:20,730

that knowing and living it out and

1149

00:55:27,020 --> 00:55:23,100

offering it to the world as a healing

1150

00:55:29,690 --> 00:55:27,030

balm and the way what I invite you to do

1151

00:55:31,340 --> 00:55:29,700

is to really sit down with yourself and

1152

00:55:34,370 --> 00:55:31,350

think about when was the last time that

1153

00:55:38,210 --> 00:55:34,380

you felt just absolutely loved and

1154

00:55:43,790 --> 00:55:38,220

adored and and do you feel that for

1155

00:55:45,500 --> 00:55:43,800

yourself and if not every morning you

1156

00:55:47,270 --> 00:55:45,510

know wake up and tell yourself you know

1157

00:55:49,400 --> 00:55:47,280

sometimes I've got to talk to myself in

1158

00:55:52,130 --> 00:55:49,410

the mirror and remind myself you know

1159

00:55:54,770 --> 00:55:52,140

like yes you you are here to do great

1160

00:55:58,220 --> 00:55:54,780

work and because we all need that and

1161

00:56:00,200 --> 00:55:58,230

and we're not you know or our brains are

1162

00:56:03,560 --> 00:56:00,210

not meant to feel good all the time

1163

00:56:06,290 --> 00:56:03,570

that's part of you know of being human

1164

00:56:09,110 --> 00:56:06,300

but there is a place where we can accept

1165

00:56:11,540 --> 00:56:09,120

our messiness as humans and bring it

1166

00:56:14,360 --> 00:56:11,550

into that space of love so I really just

1167

00:56:16,670 --> 00:56:14,370

want want to invite everybody to sit

1168

00:56:18,890 --> 00:56:16,680

with themselves and find that one point

1169

00:56:21,680 --> 00:56:18,900

in your lifetime where you felt that and

1170

00:56:24,329 --> 00:56:21,690

bring your stuff into that space or or

1171

00:56:27,089 --> 00:56:24,339

bring that that that

1172

00:56:30,420 --> 00:56:27,099

I'm into your space bring it in and say

1173

00:56:32,910 --> 00:56:30,430

I choose to have more of this in my life

1174

00:56:35,219 --> 00:56:32,920

I choose to encounter more of this in my

1175

00:56:38,099 --> 00:56:35,229

life and do that every day and you will

1176
00:56:39,719 --> 00:56:38,109
see I guarantee you if you do that you

1177
00:56:42,180 --> 00:56:39,729
know for seven days straight

1178
00:56:43,950 --> 00:56:42,190
you're the quality of your life will

1179
00:56:47,640 --> 00:56:43,960
change the quality of how you engage

1180
00:56:49,170 --> 00:56:47,650
with others will shift and really

1181
00:56:53,489 --> 00:56:49,180
quickly keep I'm going to be doing a

1182
00:56:56,609 --> 00:56:53,499
challenge seven-day challenge of radical

1183
00:56:59,279 --> 00:56:56,619
self responsibility and that starts next

1184
00:57:01,109 --> 00:56:59,289

1185
00:57:03,959 --> 00:57:01,119

1186
00:57:06,479 --> 00:57:03,969
because that this is gonna be the word

1187
00:57:08,609 --> 00:57:06,489
gonna look what if we did it couldn't

1188
00:57:10,469 --> 00:57:08,619

blame anything outside of ourselves what

1189

00:57:22,709 --> 00:57:10,479
