23

00:01:52,929 --> 00:01:50,689

so much for joining us tonight I'm

24

00:01:54,730 --> 00:01:52,939

excited about tonight's show it's a

25

00:01:57,219 --> 00:01:54,740

subject that so many of us are

26

00:01:59,620 --> 00:01:57,229

interested in but before I get into

27

00:02:01,510 --> 00:01:59,630

introducing my really special guests

28

00:02:05,020 --> 00:02:01,520

tonight I just want to take a quick

29

00:02:08,109 --> 00:02:05,030

moment to commemorate the passing of a

30

00:02:12,070 --> 00:02:08,119

very very very dear friend of mine just

31

00:02:15,100 --> 00:02:12,080

last week in fact one week ago today all

32

00:02:17,860 --> 00:02:15,110

you Reni's out there all you followers

33

00:02:22,870 --> 00:02:17,870

of the Rennes mysteries may know of

34

00:02:26,229 --> 00:02:22,880

David Pickering and he was the editor of

35

00:02:29,710 --> 00:02:26,239

the Sanya society newsletter and he also

36

00:02:32,890 --> 00:02:29,720

sat on the board of the Henry Lincoln

37

00:02:35,320 --> 00:02:32,900

archive with me and with David and his

38

00:02:38,740 --> 00:02:35,330

wife Jeanne and with Sarah mcmechen and

39

00:02:41,890 --> 00:02:38,750

we were charged with gathering up all

40

00:02:45,640 --> 00:02:41,900

the life work of Henry Lincoln author

41

00:02:49,360 --> 00:02:45,650

Henry Lincoln and putting it into a

42

00:02:51,250 --> 00:02:49,370

database which David created and it is

43

00:02:54,880 --> 00:02:51,260

going to be a lasting legacy for

44

00:02:56,770 --> 00:02:54,890

everyone the original archive materials

45

00:02:59,710 --> 00:02:56,780

would be placed in a museum I believe

46

00:03:03,069 --> 00:02:59,720

it's going in Amsterdam but the archive

47

00:03:05,710 --> 00:03:03,079

itself will eventually be put online for

48

00:03:07,780 --> 00:03:05,720

the use of everyone who is interested in

49

00:03:13,000 --> 00:03:07,790

these mysteries and if if you all know

50

00:03:15,280 --> 00:03:13,010

Henry Lincoln was is an amazing author

51
00:03:17,890 --> 00:03:15,290
but he was one of the co-authors of the

52
00:03:20,370 --> 00:03:17,900
blockbuster hit in 1982 Holy Blood Holy

53
00:03:24,190 --> 00:03:20,380
Grail that sort of kicked off the whole

54
00:03:27,220 --> 00:03:24,200
da vinci code mystery era that continues

55
00:03:29,740 --> 00:03:27,230
to this day and David passed last week

56
00:03:32,199 --> 00:03:29,750
he leaves his wonderful and beautiful

57
00:03:33,970 --> 00:03:32,209
and loving wife Jeannie and we're gonna

58
00:03:35,530 --> 00:03:33,980
miss him so much we just can't afford to

59
00:03:38,920 --> 00:03:35,540
lose good men like that my goodness

60
00:03:41,920 --> 00:03:38,930
gracious and way way way too soon did he

61
00:03:44,199 --> 00:03:41,930
leave us just want to say David we wish

62
00:03:47,979 --> 00:03:44,209
you well and we know you're watching

63
00:03:50,289 --> 00:03:47,989

over us we love you all right now

64

00:03:53,140 --> 00:03:50,299

another commemoration I'd like to make

65

00:03:56,379 --> 00:03:53,150

on this day is that it is International

66

00:03:58,339 --> 00:03:56,389

Women's Day and I'm very excited to have

67

00:04:00,890 --> 00:03:58,349

a very interesting

68

00:04:03,800 --> 00:04:00,900

on my show tonight and I think that's

69

00:04:05,629 --> 00:04:03,810

very appropriate that we definitely have

70

00:04:08,750 --> 00:04:05,639

the feminine represented here tonight

71

00:04:10,940 --> 00:04:08,760

and my guest tonight is an animal

72

00:04:13,220 --> 00:04:10,950

communicator she's also a former cop

73

00:04:15,039 --> 00:04:13,230

which is kind of interesting and I'm

74

00:04:20,120 --> 00:04:15,049

going to get into that and how actually

75

00:04:21,920 --> 00:04:20,130

her police work sort of facilitated her

76

00:04:23,779 --> 00:04:21,930

animal communication work that she's

77

00:04:26,420 --> 00:04:23,789

doing today we'll find out how that how

78

00:04:29,600 --> 00:04:26,430

that all got started but I'd like to

79

00:04:31,640 --> 00:04:29,610

introduce the author of here all

80

00:04:32,330 --> 00:04:31,650

creatures the attorney of an animal

81

00:04:35,930 --> 00:04:32,340

communicator

82

00:04:38,689 --> 00:04:35,940

and the amazing afterlife of animals

83

00:04:42,140 --> 00:04:38,699

messages and signs from our pets on the

84

00:04:43,659 --> 00:04:42,150

other side Karen Anderson thank you so

85

00:04:46,159 --> 00:04:43,669

much for joining us tonight

86

00:04:46,730 --> 00:04:46,169

well hi and thank you so much for having

87

00:04:49,010 --> 00:04:46,740

me here

88

00:04:51,650 --> 00:04:49,020

I'm just really been looking forward to

89

00:04:55,850 --> 00:04:51,660

this well I guess I should mention my my

90

00:04:59,390 --> 00:04:55,860

colleague and fellow host radio host

91

00:05:02,839 --> 00:04:59,400

Kevin Cook who recommended you to me and

92

00:05:06,140 --> 00:05:02,849

I'm so excited and happy that he did and

93

00:05:08,240 --> 00:05:06,150

I did get your books and they're really

94

00:05:10,480 --> 00:05:08,250

interesting and I have to say you've got

95

00:05:14,930 --> 00:05:10,490

the endorsements of some pretty

96

00:05:17,870 --> 00:05:14,940

impressive people here and your work is

97

00:05:20,029 --> 00:05:17,880

very very well-known in in what you do

98

00:05:22,909 --> 00:05:20,039

with animal communications but that's

99

00:05:24,589 --> 00:05:22,919

not how you started out or at least I

100

00:05:26,330 --> 00:05:24,599

would imagine you were kind of doing

101
00:05:29,330 --> 00:05:26,340
some animal communicating all your life

102
00:05:32,450 --> 00:05:29,340
but you used to be a former police

103
00:05:34,219 --> 00:05:32,460
officer that's right that's kind of

104
00:05:38,029 --> 00:05:34,229
where it all started to really come

105
00:05:39,529 --> 00:05:38,039
together for me and I really didn't you

106
00:05:44,830 --> 00:05:39,539
know grow up thinking I'm going to be a

107
00:05:50,600 --> 00:05:47,719
nor did I grow up thinking oh I'm gonna

108
00:05:52,909 --> 00:05:50,610
be a cop someday but lo and behold those

109
00:05:56,149 --> 00:05:52,919
both of those things happen to me no

110
00:05:58,249 --> 00:05:56,159
actually you know as far back as I can

111
00:06:01,129 --> 00:05:58,259
remember animals have been my best

112
00:06:03,080 --> 00:06:01,139
friends my childhood pets I just loved

113
00:06:05,540 --> 00:06:03,090

them I could understand them and relate

114

00:06:08,810 --> 00:06:05,550

to them more than people when I was a

115

00:06:10,200 --> 00:06:08,820

little kid and truly it has continued

116

00:06:12,779 --> 00:06:10,210

throughout my entire life

117

00:06:15,930 --> 00:06:12,789

and obviously it's now the work that I

118

00:06:19,620 --> 00:06:15,940

do but you know as a small child I could

119

00:06:22,290 --> 00:06:19,630

understand the pets that I had on a

120

00:06:24,540 --> 00:06:22,300

level of you know five or six-year-old

121

00:06:27,600 --> 00:06:24,550

child at the time not certainly not what

122

00:06:30,450 --> 00:06:27,610

I do now but I think we all have this

123

00:06:33,120 --> 00:06:30,460

ability children are great at picking up

124

00:06:35,310 --> 00:06:33,130

on things and they're very intuitive and

125

00:06:37,890 --> 00:06:35,320

they're very psychically inclined and I

126

00:06:39,840 --> 00:06:37,900

think our society and sometimes our

127

00:06:43,260 --> 00:06:39,850

family or our belief systems within the

128

00:06:45,390 --> 00:06:43,270

family will shut that down and that's

129

00:06:47,580 --> 00:06:45,400

what happened to me I kind of got shut

130

00:06:49,379 --> 00:06:47,590

down my parents didn't know what to do

131

00:06:51,360 --> 00:06:49,389

with me that I knew stuff about the

132

00:06:53,460 --> 00:06:51,370

family pets that I shouldn't know and it

133

00:06:54,990 --> 00:06:53,470

kind of freaked him out a little bit so

134

00:06:56,879 --> 00:06:55,000

it's like Karen you gotta stop talking

135

00:06:58,499 --> 00:06:56,889

to the dog you know we don't know what

136

00:07:01,290 --> 00:06:58,509

to do with you they said I had an

137

00:07:03,480 --> 00:07:01,300

overactive imagination and my mother to

138

00:07:06,180 --> 00:07:03,490

this day will deny that but that's

139

00:07:07,110 --> 00:07:06,190

definitely what she said oh that's funny

140

00:07:08,610 --> 00:07:07,120

I can imagine

141

00:07:10,529 --> 00:07:08,620

you know if it might be a little

142

00:07:12,719 --> 00:07:10,539

unnerving if your child was saying well

143

00:07:15,000 --> 00:07:12,729

you know the dog says this or that

144

00:07:19,409 --> 00:07:15,010

probably would be kind of kind of

145

00:07:21,810 --> 00:07:19,419

interesting but now I know I was reading

146

00:07:24,180 --> 00:07:21,820

in your book you told a story and I

147

00:07:26,610 --> 00:07:24,190

think it was actually something that you

148

00:07:30,990 --> 00:07:26,620

had quoted from your previous book about

149

00:07:34,830 --> 00:07:31,000

how you were on a crime scene and you

150

00:07:37,260 --> 00:07:34,840

were actually looking for a suspect and

151

00:07:40,260 --> 00:07:37,270

a cat actually led you to the suspect

152

00:07:42,990 --> 00:07:40,270

can you tell that story yes actually

153

00:07:46,200 --> 00:07:43,000

that was one of the first times that I

154

00:07:49,860 --> 00:07:46,210

put the two things together my psychic

155

00:07:53,520 --> 00:07:49,870

work and law enforcement so the story is

156

00:07:55,969 --> 00:07:53,530

I used to be a deputy in Bailey Colorado

157

00:07:59,850 --> 00:07:55,979

it's Park County and if any of your

158

00:08:03,899 --> 00:07:59,860

listeners know the the show South Park

159

00:08:07,350 --> 00:08:03,909

on Comedy Central that's right on South

160

00:08:08,850 --> 00:08:07,360

Park Tony so I worked for Park County I

161

00:08:10,439 --> 00:08:08,860

just worked in the northern part of the

162

00:08:12,689 --> 00:08:10,449

district so South Park is a real place

163

00:08:14,790 --> 00:08:12,699

for all of those of you who know the

164

00:08:17,670 --> 00:08:14,800

show and in fact when I would take

165

00:08:19,110 --> 00:08:17,680

people to jail there's a little sign on

166

00:08:21,330 --> 00:08:19,120

the side of the road that says welcome

167

00:08:22,590 --> 00:08:21,340

to South Park and it has all the cartoon

168

00:08:26,880 --> 00:08:22,600

characters on this

169

00:08:31,200 --> 00:08:26,890

fine but Oh anyway I was a deputy there

170

00:08:34,620 --> 00:08:31,210

and I had been taking a statement from a

171

00:08:37,969 --> 00:08:34,630

victim who had been involved in a

172

00:08:41,490 --> 00:08:37,979

situation of domestic violence where her

173

00:08:44,010 --> 00:08:41,500

her boyfriend at the time had abused her

174

00:08:46,590 --> 00:08:44,020

and I was standing in the front yard it

175

00:08:47,820 --> 00:08:46,600

was that night it was dark and there

176

00:08:49,200 --> 00:08:47,830

were two other officers that were on

177

00:08:51,870 --> 00:08:49,210

scene that we're looking for the suspect

178

00:08:54,270 --> 00:08:51,880

who took off on foot so I was standing

179

00:08:57,330 --> 00:08:54,280

in front of the house with the victim I

180

00:08:59,370 --> 00:08:57,340

was just getting her statement and the

181

00:09:02,130 --> 00:08:59,380

area where we were had supposedly been

182

00:09:04,890 --> 00:09:02,140

searched already that the suspect was

183

00:09:06,720 --> 00:09:04,900

not in that area and so we were saying

184

00:09:08,310 --> 00:09:06,730

for us to be there obviously you

185

00:09:10,650 --> 00:09:08,320

wouldn't have the victim somewhere where

186

00:09:13,320 --> 00:09:10,660

it wasn't safe and so I was soon they're

187

00:09:15,150 --> 00:09:13,330

taking the her statement and a little

188

00:09:16,890 --> 00:09:15,160

kitty comes sauntering out of the house

189

00:09:20,070 --> 00:09:16,900

and being a cat lover of course I

190

00:09:23,760 --> 00:09:20,080

noticed the cat and I was like oh kitty

191

00:09:25,770 --> 00:09:23,770

oh and I was just talking about how cute

192

00:09:28,740 --> 00:09:25,780

the kitty was well the kitty looked

193

00:09:31,200 --> 00:09:28,750

right at me looked right over at this

194

00:09:32,790 --> 00:09:31,210

little shed like a little toolshed like

195

00:09:35,180 --> 00:09:32,800

one of those little garden things you

196

00:09:39,270 --> 00:09:35,190

put the lawnmower in and stuff like that

197

00:09:46,080 --> 00:09:39,280

looked right back at me and said inside

198

00:09:48,660 --> 00:09:46,090

and I thought now I didn't ask it

199

00:09:50,970 --> 00:09:48,670

anything I was just telling it how cute

200

00:09:52,950 --> 00:09:50,980

it was and oh my gosh I love cats and

201
00:09:55,200 --> 00:09:52,960
aren't you cute and I heard the words

202
00:09:57,750 --> 00:09:55,210
inside well all of a sudden it occurred

203
00:10:01,230 --> 00:09:57,760
to me oh my gosh what if the suspect is

204
00:10:03,930 --> 00:10:01,240
in there and we could all be at risk

205
00:10:06,240 --> 00:10:03,940
here because obviously he was violent

206
00:10:09,720 --> 00:10:06,250
and so I had to do something about it so

207
00:10:12,960 --> 00:10:09,730
I sent the victim off to a safe place

208
00:10:16,950 --> 00:10:12,970
and I came back around to the shed and I

209
00:10:18,420 --> 00:10:16,960
ordered this to my knowledge there

210
00:10:21,180 --> 00:10:18,430
wasn't anyone in there I ordered them

211
00:10:24,240 --> 00:10:21,190
out with their hands up sure enough here

212
00:10:25,980 --> 00:10:24,250
he comes the the suspect had been hiding

213
00:10:28,050 --> 00:10:25,990

in the shed the whole time right where

214

00:10:31,470 --> 00:10:28,060

we were in an area that had previously

215

00:10:35,020 --> 00:10:31,480

been searched oh my god that was the

216

00:10:38,750 --> 00:10:35,030

first time that happened it was very

217

00:10:40,880 --> 00:10:38,760

on the in the moment in that right there

218

00:10:43,160 --> 00:10:40,890

I wasn't trying to do anything it just

219

00:10:45,500 --> 00:10:43,170

happened yeah right in that little bit

220

00:10:49,220 --> 00:10:45,510

and that's when it hit me like oh my

221

00:10:52,460 --> 00:10:49,230

gosh can animals on crime scenes

222

00:10:55,910 --> 00:10:52,470

tell me information about what happened

223

00:10:58,010 --> 00:10:55,920

or things about a suspect and that's

224

00:11:00,560 --> 00:10:58,020

when I kind of had that lightbulb moment

225

00:11:02,060 --> 00:11:00,570

like oh my gosh I can't believe this I

226

00:11:03,820 --> 00:11:02,070

was shocked I couldn't I couldn't

227

00:11:06,620 --> 00:11:03,830

believe what was happening

228

00:11:10,790 --> 00:11:06,630

that is amazing now did the cat get a

229

00:11:14,210 --> 00:11:10,800

commendation or did you keep for

230

00:11:21,170 --> 00:11:14,220

yourself no I gave it to the kitty of

231

00:11:24,380 --> 00:11:21,180

course that's great you know in your in

232

00:11:28,070 --> 00:11:24,390

your latest book about animals and their

233

00:11:30,950 --> 00:11:28,080

afterlife you actually communicate with

234

00:11:34,520 --> 00:11:30,960

with people's beloved animals after they

235

00:11:36,850 --> 00:11:34,530

passed on which you know I mean I can

236

00:11:39,680 --> 00:11:36,860

imagine you know that I've had some

237

00:11:42,470 --> 00:11:39,690

animals I have two dogs right now and

238

00:11:45,790 --> 00:11:42,480

they're just my heart you know and I

239

00:11:50,090 --> 00:11:45,800

have kids too and grandkids but you know

240

00:11:51,590 --> 00:11:50,100

my dogs are part of the family and you

241

00:11:53,540 --> 00:11:51,600

know it's heartbreaking because we

242

00:11:55,490 --> 00:11:53,550

always lose our pets because they don't

243

00:11:57,890 --> 00:11:55,500

live as long as we do and I guess that

244

00:12:00,140 --> 00:11:57,900

so that you know we live long enough to

245

00:12:03,230 --> 00:12:00,150

take care of them and make sure that

246

00:12:06,350 --> 00:12:03,240

they're okay before they pass on to the

247

00:12:10,760 --> 00:12:06,360

other side but I've lost some amazing

248

00:12:14,270 --> 00:12:10,770

amazing pets that just absolutely you

249

00:12:18,320 --> 00:12:14,280

know broke my heart when they when they

250

00:12:21,170 --> 00:12:18,330

had to go so I can imagine how many

251
00:12:23,510 --> 00:12:21,180
people must come to you to try to

252
00:12:26,750 --> 00:12:23,520
communicate with animals that they've

253
00:12:30,290 --> 00:12:26,760
lost have you do you recall the first

254
00:12:31,940 --> 00:12:30,300
time you had that experience with a pet

255
00:12:35,600 --> 00:12:31,950
that had actually passed over and were

256
00:12:37,490 --> 00:12:35,610
able to give a message to someone well

257
00:12:39,920 --> 00:12:37,500
you know I don't know if I remember the

258
00:12:41,840 --> 00:12:39,930
specific instance because I've been

259
00:12:45,200 --> 00:12:41,850
doing this running for a long time now

260
00:12:47,600 --> 00:12:45,210
over 20 years so that's a that's a lot

261
00:12:51,319 --> 00:12:47,610
of a long time a lot of session

262
00:12:54,050 --> 00:12:51,329
and what I what I do know and the reason

263
00:12:57,110 --> 00:12:54,060

why I was compelled to write the book is

264

00:13:00,199 --> 00:12:57,120

I have clients contact me for all

265

00:13:02,810 --> 00:13:00,209

different reasons behavior resolution

266

00:13:05,120 --> 00:13:02,820

health concerns end of life concerns

267

00:13:06,590 --> 00:13:05,130

finding out if their pet is really ready

268

00:13:08,360 --> 00:13:06,600

to pass because you know that sometimes

269

00:13:11,829 --> 00:13:08,370

a roller coaster ride and it's so

270

00:13:15,710 --> 00:13:11,839

confusing to know when they're ready and

271

00:13:17,810 --> 00:13:15,720

I found that when I would have a session

272

00:13:20,540 --> 00:13:17,820

with a client when we were connecting

273

00:13:24,199 --> 00:13:20,550

with their pet in on the other side when

274

00:13:27,410 --> 00:13:24,209

I delivered those messages to them I saw

275

00:13:30,199 --> 00:13:27,420

how much healing took place and how

276

00:13:33,170 --> 00:13:30,209

years and years of pain and grief and

277

00:13:37,250 --> 00:13:33,180

guilt which is melt away just with one

278

00:13:39,319 --> 00:13:37,260

simple message and that's why I wanted

279

00:13:40,880 --> 00:13:39,329

to write this book and share the stories

280

00:13:43,699 --> 00:13:40,890

and the messages from the animals that

281

00:13:47,540 --> 00:13:43,709

I've communicated with because it is so

282

00:13:49,970 --> 00:13:47,550

amazing what they know about us even

283

00:13:52,310 --> 00:13:49,980

after they've passed on you think okay

284

00:13:53,120 --> 00:13:52,320

well what can I possibly know right you

285

00:13:56,300 --> 00:13:53,130

name it

286

00:13:59,329 --> 00:13:56,310

they can know it anything from what you

287

00:14:01,069 --> 00:13:59,339

had for breakfast this morning to you're

288

00:14:05,150 --> 00:14:01,079

thinking about taking a trip to Hawaii

289

00:14:08,120 --> 00:14:05,160

or maybe even changing jobs or moving

290

00:14:10,579 --> 00:14:08,130

any thought that you have anything that

291

00:14:13,699 --> 00:14:10,589

goes through your mind anything you

292

00:14:16,699 --> 00:14:13,709

experience they can share that with me

293

00:14:20,780 --> 00:14:16,709

and that's really powerful to know that

294

00:14:23,449 --> 00:14:20,790

our pets stay connected to us even when

295

00:14:27,439 --> 00:14:23,459

they are in spirit form that's how much

296

00:14:30,350 --> 00:14:27,449

they love us absolutely and you know

297

00:14:32,660 --> 00:14:30,360

it's wonderful to think that you know

298

00:14:34,939 --> 00:14:32,670

just like you know hopefully we'll be

299

00:14:36,470 --> 00:14:34,949

connected with our family and and other

300

00:14:40,880 --> 00:14:36,480

loved ones that have passed over will

301
00:14:44,990 --> 00:14:40,890
also connect again with our pets at some

302
00:14:46,550 --> 00:14:45,000
point on the other side well I don't

303
00:14:49,670 --> 00:14:46,560
want to go there if they're not there

304
00:14:53,410 --> 00:14:49,680
I don't either yeah that wouldn't happen

305
00:14:57,130 --> 00:14:53,420
without the without the animals would it

306
00:14:59,660 --> 00:14:57,140
the Pope the Pope has declared that

307
00:15:01,010 --> 00:14:59,670
animals go to heaven are that we will

308
00:15:04,760 --> 00:15:01,020
meet our beloved

309
00:15:06,800 --> 00:15:04,770
pets when we when we go to heaven so I'm

310
00:15:09,200 --> 00:15:06,810
gonna choose to believe that the Pope on

311
00:15:12,560 --> 00:15:09,210
this on this instance not on every

312
00:15:14,420 --> 00:15:12,570
instance but in this instance I do want

313
00:15:18,140 --> 00:15:14,430

to believe the Pope that we will be

314

00:15:18,920 --> 00:15:18,150

reunited with our loving pets on the

315

00:15:23,360 --> 00:15:18,930

other side

316

00:15:26,480 --> 00:15:23,370

now you mentioned a story you were just

317

00:15:28,040 --> 00:15:26,490

talking about how when you are able to

318

00:15:30,800 --> 00:15:28,050

deliver these messages or when people

319

00:15:36,020 --> 00:15:30,810

get messages from their pets that have

320

00:15:38,390 --> 00:15:36,030

passed on it will be a way of helping

321

00:15:41,720 --> 00:15:38,400

the grief to heal and you as you said it

322

00:15:44,000 --> 00:15:41,730

just melts away and in in your book you

323

00:15:45,710 --> 00:15:44,010

talked about a woman now I think those

324

00:15:49,640 --> 00:15:45,720

was a woman that you might have been

325

00:15:51,860 --> 00:15:49,650

teaching communication to or helping her

326

00:15:54,890 --> 00:15:51,870

to communicate and I believe it was a

327

00:15:58,670 --> 00:15:54,900

cat named Vito that she was connecting

328

00:16:02,210 --> 00:15:58,680

with and they had she and her husband

329

00:16:03,800 --> 00:16:02,220

were a service family or something like

330

00:16:06,170 --> 00:16:03,810

that they had to move away could not

331

00:16:08,510 --> 00:16:06,180

take the animal so they had to leave it

332

00:16:09,920 --> 00:16:08,520

behind with someone else and the cat was

333

00:16:12,290 --> 00:16:09,930

just heartbroken and they were

334

00:16:14,060 --> 00:16:12,300

guilt-ridden and then the cat ends up

335

00:16:18,020 --> 00:16:14,070

running away and they never knew what

336

00:16:19,070 --> 00:16:18,030

happened but can you talk a little bit

337

00:16:21,950 --> 00:16:19,080

about how they were able to communicate

338

00:16:24,890 --> 00:16:21,960

with their pet and what the cat was able

339

00:16:27,830 --> 00:16:24,900

that cat communication was able to do

340

00:16:29,300 --> 00:16:27,840

for them yeah we were at an animal

341

00:16:31,700 --> 00:16:29,310

communication workshop that I was

342

00:16:33,770 --> 00:16:31,710

teaching and in the workshops we do

343

00:16:36,170 --> 00:16:33,780

practice sessions where you bring a

344

00:16:38,600 --> 00:16:36,180

photo of your pet living or deceased and

345

00:16:40,640 --> 00:16:38,610

then other students practice on your

346

00:16:42,590 --> 00:16:40,650

pets and then we share what we get or we

347

00:16:45,320 --> 00:16:42,600

go around the room and everybody shares

348

00:16:49,460 --> 00:16:45,330

what they get from each animal and in

349

00:16:52,400 --> 00:16:49,470

that case Vito was one of the pictures

350

00:16:55,190 --> 00:16:52,410

that this one client was practicing with

351

00:16:59,030 --> 00:16:55,200

and all of a sudden Renee she just

352

00:17:01,580 --> 00:16:59,040

started bawling just tears sobbing and

353

00:17:03,110 --> 00:17:01,590

of course I was like oh my gosh what's

354

00:17:05,270 --> 00:17:03,120

wrong and she says I don't know what's

355

00:17:07,220 --> 00:17:05,280

wrong so sad is can't stop crying she's

356

00:17:10,490 --> 00:17:07,230

got this overwhelming sense of sadness

357

00:17:15,199 --> 00:17:10,500

and sorrow she couldn't tell us why

358

00:17:19,840 --> 00:17:15,209

so I I saw what was going on and I asked

359

00:17:23,240 --> 00:17:19,850

Vito's dad who was there at the workshop

360

00:17:24,770 --> 00:17:23,250

if I could check in with Vito and see

361

00:17:27,770 --> 00:17:24,780

what was going on well it turned out

362

00:17:29,510 --> 00:17:27,780

that like he said they had been shipped

363

00:17:32,470 --> 00:17:29,520

overseas both of them they had to leave

364

00:17:36,590 --> 00:17:32,480

Vito behind so a friend took the cat and

365

00:17:38,240 --> 00:17:36,600

Vito within a few weeks of going to the

366

00:17:40,100 --> 00:17:38,250

friends house bolted out the door

367

00:17:42,470 --> 00:17:40,110

disappeared nobody ever saw him again

368

00:17:44,600 --> 00:17:42,480

and this poor family was guilt-ridden

369

00:17:46,100 --> 00:17:44,610

like they had abandoned their child and

370

00:17:48,320 --> 00:17:46,110

they couldn't go look for it and they

371

00:17:49,970 --> 00:17:48,330

felt horrible for years and years and

372

00:17:52,539 --> 00:17:49,980

years they carried this grief around

373

00:17:55,490 --> 00:17:52,549

everybody carried this grief around and

374

00:17:58,580 --> 00:17:55,500

what happened was I was able to bring

375

00:18:00,380 --> 00:17:58,590

Vito's energy the deceased cat was named

376

00:18:03,860 --> 00:18:00,390

Vito I was able to bring his energy in

377

00:18:06,950 --> 00:18:03,870

and explain what happened Vito was

378

00:18:08,899 --> 00:18:06,960

wanted to know why his mom and dad left

379

00:18:10,399 --> 00:18:08,909

him didn't come looking for him there

380

00:18:13,340 --> 00:18:10,409

were so many answers unanswered

381

00:18:17,210 --> 00:18:13,350

questions I was able to explain to the

382

00:18:19,580 --> 00:18:17,220

cat what happened and everybody got on

383

00:18:21,230 --> 00:18:19,590

the same page and it like right in that

384

00:18:23,539 --> 00:18:21,240

moment you could see the healing that

385

00:18:26,570 --> 00:18:23,549

was taking place all that pain just

386

00:18:28,940 --> 00:18:26,580

lifted and all of that grief just melted

387

00:18:30,980 --> 00:18:28,950

away and it was amazing and you could

388

00:18:33,830 --> 00:18:30,990

the air got lighter in the room it just

389

00:18:37,240 --> 00:18:33,840

seemed to lift this heaviness that was

390

00:18:40,100 --> 00:18:37,250

upon everyone and and we carry around

391

00:18:42,230 --> 00:18:40,110

this guilt in this pain and sometimes

392

00:18:45,200 --> 00:18:42,240

the animals do especially if things

393

00:18:48,529 --> 00:18:45,210

didn't end the way that we wanted and

394

00:18:50,630 --> 00:18:48,539

and and I was able to facilitate those

395

00:18:52,700 --> 00:18:50,640

messages and bring everybody together so

396

00:18:54,470 --> 00:18:52,710

everyone knew what actually happened and

397

00:19:00,289 --> 00:18:54,480

it was really an incredibly healing

398

00:19:02,390 --> 00:19:00,299

moment wow that's incredible and so you

399

00:19:06,320 --> 00:19:02,400

you do workshops as well and teach other

400

00:19:08,870 --> 00:19:06,330

people how to communicate well I used to

401
00:19:12,860 --> 00:19:08,880
back in the day before the internet and

402
00:19:16,010 --> 00:19:12,870
now I teach online courses Wow

403
00:19:18,770 --> 00:19:16,020
and I do private mentoring one-on-one

404
00:19:20,120 --> 00:19:18,780
private mentoring over the phone so yes

405
00:19:22,460 --> 00:19:20,130
there was a day when I used to fly

406
00:19:23,870 --> 00:19:22,470
around the u.s. and hold workshops and

407
00:19:27,140 --> 00:19:23,880
now we just do

408
00:19:30,140 --> 00:19:27,150
online courses and it's a self-paced

409
00:19:31,909 --> 00:19:30,150
course it's designed for beginners or

410
00:19:35,450 --> 00:19:31,919
those who are new to the process and

411
00:19:37,100 --> 00:19:35,460
within minutes of enrolling you can be

412
00:19:39,440 --> 00:19:37,110
sending your very first message because

413
00:19:42,100 --> 00:19:39,450

it's actually very easy to do once you

414

00:19:46,279 --> 00:19:42,110

know the steps it's very very simple and

415

00:19:48,049 --> 00:19:46,289

and yes I love teaching others the more

416

00:19:50,510 --> 00:19:48,059

people who know how to do this

417

00:19:52,909 --> 00:19:50,520

the better it raises the vibrational

418

00:19:54,860 --> 00:19:52,919

level of the earth that brings a better

419

00:19:57,500 --> 00:19:54,870

understanding between humans and animals

420

00:19:59,630 --> 00:19:57,510

and it's a win-win situation so I love

421

00:20:02,149 --> 00:19:59,640

teaching it's one of my favorite things

422

00:20:05,000 --> 00:20:02,159

to do that's great and then you you do

423

00:20:09,260 --> 00:20:05,010

private sessions as well do you do that

424

00:20:13,490 --> 00:20:09,270

online also can you do a help a person

425

00:20:17,149 --> 00:20:13,500

with a poodle in Paris I do all of my

426
00:20:21,409 --> 00:20:17,159
sessions are telephone sessions and I

427
00:20:24,440 --> 00:20:21,419
work from a very remote home office

428
00:20:28,090 --> 00:20:24,450
location I am in eastern Washington

429
00:20:34,399 --> 00:20:28,100
State a very remote area out here and

430
00:20:36,020 --> 00:20:34,409
all I need is the pets photos and then

431
00:20:38,510 --> 00:20:36,030
they're human of course on the phone

432
00:20:42,080 --> 00:20:38,520
with me and I'm able to open up to that

433
00:20:44,330 --> 00:20:42,090
animals energy and translate their

434
00:20:47,029 --> 00:20:44,340
messages and relay messages back and

435
00:20:48,860 --> 00:20:47,039
forth so that's how all my work is done

436
00:20:50,659 --> 00:20:48,870
is over the phone and it's always been

437
00:20:53,090 --> 00:20:50,669
that way that's how I trained myself and

438
00:20:54,049 --> 00:20:53,100

that's how I've always done my work is

439

00:20:57,980 --> 00:20:54,059

over the phone

440

00:20:59,480 --> 00:20:57,990

and with a photograph oh that's nice and

441

00:21:00,529 --> 00:20:59,490

it doesn't make any difference what the

442

00:21:03,409 --> 00:21:00,539

distance is

443

00:21:08,480 --> 00:21:03,419

I would imagine oh no because I read

444

00:21:11,960 --> 00:21:08,490

energy and energy time and distance is

445

00:21:14,440 --> 00:21:11,970

not a barrier to reading energy and I

446

00:21:17,600 --> 00:21:14,450

pull psychic information I pull

447

00:21:20,419 --> 00:21:17,610

information from the animals energy and

448

00:21:23,210 --> 00:21:20,429

they share their messages with me and

449

00:21:25,880 --> 00:21:23,220

then I relay what I'm getting from the

450

00:21:29,289 --> 00:21:25,890

animal to their mom or dad whoever is on

451
00:21:36,230 --> 00:21:29,299
the phone with me Wow now how did you

452
00:21:37,810 --> 00:21:36,240
make that jump from police work to being

453
00:21:40,570 --> 00:21:37,820
a professional animal community

454
00:21:44,680 --> 00:21:40,580
when did you do that and how did that

455
00:21:47,799 --> 00:21:44,690
transition come about well it was a

456
00:21:51,180 --> 00:21:47,809
matter of I knew that law enforcement

457
00:21:54,039 --> 00:21:51,190
wasn't going to continue for me because

458
00:21:56,560 --> 00:21:54,049
many of you can relate to this but I was

459
00:22:00,700 --> 00:21:56,570
getting older and the bad guys were

460
00:22:04,060 --> 00:22:00,710
getting younger um you know up in the

461
00:22:06,820 --> 00:22:04,070
Rocky Mountains we were at about 8,500

462
00:22:09,820 --> 00:22:06,830
feet elevation and if you're carrying

463
00:22:14,289 --> 00:22:09,830

around 25 pounds of gear it's not an

464

00:22:16,089 --> 00:22:14,299

easy job so I came to realize that I was

465

00:22:19,029 --> 00:22:16,099

going to have to find something else to

466

00:22:23,529 --> 00:22:19,039

do so I relocated and moved from

467

00:22:28,899 --> 00:22:23,539

Colorado and came to the Spokane area

468

00:22:32,469 --> 00:22:28,909

and that's when I shifted gears and my

469

00:22:36,279 --> 00:22:32,479

psychic work became the forefront again

470

00:22:38,320 --> 00:22:36,289

so it all started resurfaced I started

471

00:22:41,769 --> 00:22:38,330

remembering I'll start resurfacing when

472

00:22:45,849 --> 00:22:41,779

I was a deputy and it was after I moved

473

00:22:49,450 --> 00:22:45,859

to the Spokane area where I shifted and

474

00:22:53,529 --> 00:22:49,460

started to devote a hundred percent of

475

00:22:55,450 --> 00:22:53,539

my time effort and energy into animal

476
00:22:58,330 --> 00:22:55,460
communication it just became a passion

477
00:23:00,609 --> 00:22:58,340
of mine it's like the more I practiced

478
00:23:02,710 --> 00:23:00,619
with animals the more I communicated

479
00:23:04,539 --> 00:23:02,720
with animals the more I wanted to know

480
00:23:08,259 --> 00:23:04,549
and the more I wanted to connect it was

481
00:23:10,419 --> 00:23:08,269
was kind of an incredible and amazing

482
00:23:12,460 --> 00:23:10,429
experience I couldn't get enough of and

483
00:23:14,830 --> 00:23:12,470
I wanted to learn more and more and more

484
00:23:18,219 --> 00:23:14,840
so that's that's how it all kind of came

485
00:23:20,229 --> 00:23:18,229
about now being the animal lover that

486
00:23:23,259 --> 00:23:20,239
you are but also being the communicator

487
00:23:25,779 --> 00:23:23,269
that you are has developing these skills

488
00:23:28,810 --> 00:23:25,789

and I this is a stupid question I know

489

00:23:33,669 --> 00:23:28,820

the answer before I even ask it has that

490

00:23:37,299 --> 00:23:33,679

somehow helped you through time when

491

00:23:39,489 --> 00:23:37,309

you've lost pets of your own at the time

492

00:23:41,139 --> 00:23:39,499

that you're losing them is that somehow

493

00:23:42,460 --> 00:23:41,149

easier for you do you think now that

494

00:23:45,460 --> 00:23:42,470

you've sort of come to these

495

00:23:49,660 --> 00:23:45,470

realizations and this ability to

496

00:23:52,580 --> 00:23:49,670

communicate well I'll tell you this

497

00:23:54,860 --> 00:23:52,590

it's still just as hard for me as it is

498

00:23:56,690 --> 00:23:54,870

for anybody else when I lose one of mine

499

00:23:59,960 --> 00:23:56,700

because they're just as near and dear to

500

00:24:02,480 --> 00:23:59,970

me as years are to you so the pain is

501
00:24:05,630 --> 00:24:02,490
still there but I have learned like you

502
00:24:07,400 --> 00:24:05,640
said I've learned what actually happens

503
00:24:09,470 --> 00:24:07,410
to our pets when they leave their body

504
00:24:11,270 --> 00:24:09,480
and what the experience is like and I

505
00:24:14,660 --> 00:24:11,280
know that life continues for them on the

506
00:24:16,190 --> 00:24:14,670
other side so in that respect I have a

507
00:24:18,470 --> 00:24:16,200
greater understanding and I'm more

508
00:24:21,490 --> 00:24:18,480
enlightened about it than I was before I

509
00:24:25,460 --> 00:24:21,500
became an animal communicator and

510
00:24:27,770 --> 00:24:25,470
because of that I'm more aware of being

511
00:24:30,650 --> 00:24:27,780
more present with them while they're

512
00:24:33,860 --> 00:24:30,660
here and with me so I have learned some

513
00:24:36,410 --> 00:24:33,870

really big lessons because of the work

514

00:24:40,480 --> 00:24:36,420

that I do it's made me appreciate every

515

00:24:43,790 --> 00:24:40,490

single moment I used to really try to

516

00:24:46,160 --> 00:24:43,800

extend their lives and do every

517

00:24:48,590 --> 00:24:46,170

last-ditch effort I could try to keep

518

00:24:51,050 --> 00:24:48,600

them here I don't do that anymore I

519

00:24:54,290 --> 00:24:51,060

check in with them and I see what they

520

00:24:56,630 --> 00:24:54,300

want do they want to stay are they tired

521

00:24:59,060 --> 00:24:56,640

are they ready to go have they had a

522

00:25:01,070 --> 00:24:59,070

full and complete life do they want the

523

00:25:03,230 --> 00:25:01,080

surgery do they want to just pass on

524

00:25:07,670 --> 00:25:03,240

their own you know I can check in with

525

00:25:10,820 --> 00:25:07,680

them now and really do what the animal

526

00:25:13,910 --> 00:25:10,830

wants I couldn't do that before and I

527

00:25:16,010 --> 00:25:13,920

think that has been probably some of the

528

00:25:18,740 --> 00:25:16,020

biggest lessons that I've learned and

529

00:25:21,800 --> 00:25:18,750

how it helps me but certainly the pain

530

00:25:25,220 --> 00:25:21,810

no I I don't get any brake on the pain I

531

00:25:27,410 --> 00:25:25,230

saw just like everybody else does and I

532

00:25:30,230 --> 00:25:27,420

miss my babies just like everybody else

533

00:25:33,890 --> 00:25:30,240

misses their babies to you there's no

534

00:25:35,660 --> 00:25:33,900

shortcuts through that absolutely oh my

535

00:25:37,610 --> 00:25:35,670

goodness well you know what it's just

536

00:25:39,350 --> 00:25:37,620

about time to take a quick break and

537

00:25:42,140 --> 00:25:39,360

when we come back we're going to have

538

00:25:44,440 --> 00:25:42,150

more with animal communicator Karen

539

00:25:47,150 --> 00:25:44,450

Anderson it's really interesting

540

00:25:47,540 --> 00:25:47,160

everybody loves their pets so stay with

541

00:25:52,410 --> 00:25:47,550

us

542

00:25:54,660 --> 00:25:52,420

welcome back to night vision I'm your

543

00:25:56,910 --> 00:25:54,670

host Renee Barnett if you're just

544

00:25:59,790 --> 00:25:56,920

joining us we're talking tonight with

545

00:26:01,800 --> 00:25:59,800

author and animal communicator Karen

546

00:26:04,410 --> 00:26:01,810

Anderson we've been talking about

547

00:26:07,920 --> 00:26:04,420

communicating with our pets both here

548

00:26:11,250 --> 00:26:07,930

and on the other side now if I could

549

00:26:15,420 --> 00:26:11,260

switch it up a little bit Karen you know

550

00:26:20,030 --> 00:26:15,430

at the top of the show I mentioned my

551

00:26:23,130 --> 00:26:20,040

friend who'd passed away and then

552

00:26:25,650 --> 00:26:23,140

amazingly when I posted about this show

553

00:26:27,930 --> 00:26:25,660

coming on another friend posted to me

554

00:26:32,160 --> 00:26:27,940

something now my friend that passed away

555

00:26:35,130 --> 00:26:32,170

had a dog who he was incredibly close to

556

00:26:38,250 --> 00:26:35,140

in fact my friend had been suffering

557

00:26:42,840 --> 00:26:38,260

from cancer for about a year and he

558

00:26:44,670 --> 00:26:42,850

posted his about his health to all the

559

00:26:47,100 --> 00:26:44,680

friends around the world he's in England

560

00:26:51,380 --> 00:26:47,110

and they have friends around the world

561

00:26:55,380 --> 00:26:51,390

and he posted hits you know his health

562

00:26:58,170 --> 00:26:55,390

reports on Facebook on a page called

563

00:27:01,650 --> 00:26:58,180

diseased dad's progress diary because he

564

00:27:04,410 --> 00:27:01,660

had his dog named Izzy and so I wondered

565

00:27:07,230 --> 00:27:04,420

you know well gosh you know what happens

566

00:27:11,160 --> 00:27:07,240

when we actually proceed our pets in

567

00:27:13,530 --> 00:27:11,170

death and then today in fact Rob is in

568

00:27:16,440 --> 00:27:13,540

the chat room right now a friend of the

569

00:27:18,150 --> 00:27:16,450

show Rob wrote to me and said oh my

570

00:27:20,580 --> 00:27:18,160

goodness I want to listen to the show he

571

00:27:25,380 --> 00:27:20,590

said my roommate and best friend died

572

00:27:29,070 --> 00:27:25,390

last week and his dog is really you know

573

00:27:33,630 --> 00:27:29,080

feeling it and so what is it that we can

574

00:27:38,250 --> 00:27:33,640

do for animals that have lost their

575

00:27:41,210 --> 00:27:38,260

humans is there some special care is

576

00:27:44,340 --> 00:27:41,220

there you know do we just talk to them

577

00:27:47,280 --> 00:27:44,350

how do we do that how do we comfort

578

00:27:50,640 --> 00:27:47,290

animals that have lost their humans well

579

00:27:53,090 --> 00:27:50,650

every pet grieves differently just like

580

00:27:56,970 --> 00:27:53,100

every human being grieve differently

581

00:27:59,840 --> 00:27:56,980

some pets are very traumatized by the

582

00:28:01,010 --> 00:27:59,850

loss of their human and others act as if

583

00:28:04,430 --> 00:28:01,020

nothing

584

00:28:07,460 --> 00:28:04,440

changed so it's a very unique and

585

00:28:10,340 --> 00:28:07,470

individual process so in a situation

586

00:28:13,670 --> 00:28:10,350

like what you're describing with with

587

00:28:17,120 --> 00:28:13,680

this particular situation you can talk

588

00:28:20,720 --> 00:28:17,130

to a pet like you would a seven or eight

589

00:28:24,380 --> 00:28:20,730

year old child you just talk very short

590

00:28:26,930 --> 00:28:24,390

sentences matter-of-factly and you speak

591

00:28:30,290 --> 00:28:26,940

out loud or quietly in your mind it

592

00:28:32,720 --> 00:28:30,300

doesn't have to be a verbal exchange but

593

00:28:35,120 --> 00:28:32,730

as you are thinking or as you are

594

00:28:37,130 --> 00:28:35,130

talking out loud you'll flash images in

595

00:28:39,110 --> 00:28:37,140

your mind they look like little slide

596

00:28:43,730 --> 00:28:39,120

presentations going through your mind

597

00:28:47,000 --> 00:28:43,740

and our animals can pick up on those

598

00:28:50,180 --> 00:28:47,010

images those flashes so as you talk

599

00:28:53,240 --> 00:28:50,190

about this particular person passing

600

00:28:55,610 --> 00:28:53,250

away you would describe that to the dog

601
00:28:58,190 --> 00:28:55,620
that they passed away that they're now

602
00:29:00,620 --> 00:28:58,200
in spirit form and in your mind you're

603
00:29:02,720 --> 00:29:00,630
already conjuring up images of what that

604
00:29:04,460 --> 00:29:02,730
looks like to be in spirit form to not

605
00:29:06,170 --> 00:29:04,470
have a physical body anymore but their

606
00:29:09,470 --> 00:29:06,180
energy is still around and still with

607
00:29:12,080 --> 00:29:09,480
you I tell pets all the time that they

608
00:29:15,050 --> 00:29:12,090
can still connect with their departed

609
00:29:17,390 --> 00:29:15,060
human loved one just like they did here

610
00:29:20,390 --> 00:29:17,400
on earth and then what I do is I imagine

611
00:29:24,050 --> 00:29:20,400
literally like over lapping their energy

612
00:29:26,420 --> 00:29:24,060
just like as if you had take two to

613
00:29:28,070 --> 00:29:26,430

beachballs for instance and if you were

614

00:29:30,320 --> 00:29:28,080

to imagine that you could just merge

615

00:29:33,530 --> 00:29:30,330

both of those beach balls together into

616

00:29:35,390 --> 00:29:33,540

one gigantic one I am I bring the two

617

00:29:37,010 --> 00:29:35,400

energies together and I show them how

618

00:29:38,840 --> 00:29:37,020

they can still communicate with each

619

00:29:42,080 --> 00:29:38,850

other energetically that they're still

620

00:29:44,990 --> 00:29:42,090

around so you can talk to them out loud

621

00:29:47,960 --> 00:29:45,000

about it and as long as you keep it

622

00:29:50,750 --> 00:29:47,970

simple they'll understand it they may

623

00:29:53,150 --> 00:29:50,760

not grasp the whole concept but they'll

624

00:29:55,250 --> 00:29:53,160

get what you're telling them and just

625

00:29:58,550 --> 00:29:55,260

reassure them that they're human loved

626

00:30:01,520 --> 00:29:58,560

one is alive and well in spirit and

627

00:30:04,550 --> 00:30:01,530

always connected to them and just

628

00:30:08,630 --> 00:30:04,560

sending lots of positive energy lots of

629

00:30:11,510 --> 00:30:08,640

happy energy joyful memories all of

630

00:30:13,380 --> 00:30:11,520

those things can help and and and

631

00:30:17,280 --> 00:30:13,390

they'll respond to that they

632

00:30:19,260 --> 00:30:17,290

definitely show improvement and and get

633

00:30:21,299 --> 00:30:19,270

through their grief just like the humans

634

00:30:23,310 --> 00:30:21,309

do but you know each one is different so

635

00:30:26,610 --> 00:30:23,320

it can take some of them a little bit of

636

00:30:29,039 --> 00:30:26,620

time now can that be done remotely as

637

00:30:31,919 --> 00:30:29,049

well oh absolutely

638

00:30:38,640 --> 00:30:31,929

so for instance I'm here in Los Angeles

639

00:30:43,820 --> 00:30:38,650

and gizzy is in England and in Selby in

640

00:30:47,700 --> 00:30:43,830

Yorkshire and can I focus on Gizzi and

641

00:30:49,289 --> 00:30:47,710

send him messages I will I will teach

642

00:30:52,320 --> 00:30:49,299

all of you right now how to send the

643

00:30:54,390 --> 00:30:52,330

message great so all you have to do

644

00:30:56,880 --> 00:30:54,400

right now everybody who's listening is

645

00:30:58,590 --> 00:30:56,890

just think of a pet that you want to

646

00:31:01,049 --> 00:30:58,600

connect with you can think of their face

647

00:31:02,700 --> 00:31:01,059

you can gaze at them if they're in the

648

00:31:04,860 --> 00:31:02,710

room they're with you or you have a

649

00:31:06,960 --> 00:31:04,870

photo you can look at their photo just

650

00:31:09,210 --> 00:31:06,970

conjure up a memory in your mind and

651
00:31:12,780 --> 00:31:09,220
whatever pet that you want to send a

652
00:31:15,240 --> 00:31:12,790
message to and the next thing you do is

653
00:31:17,159 --> 00:31:15,250
you think of a very simple message that

654
00:31:20,070 --> 00:31:17,169
you want to send them such as a message

655
00:31:21,930 --> 00:31:20,080
of love so Renee like in your case you

656
00:31:27,150 --> 00:31:21,940
might want to tell this little gives you

657
00:31:29,010 --> 00:31:27,160
dog that his human daddy is okay and on

658
00:31:31,740 --> 00:31:29,020
the other side so what you do is you

659
00:31:35,340 --> 00:31:31,750
imagine his daddy surrounded and loved

660
00:31:37,440 --> 00:31:35,350
or surrounded in beautiful energy or up

661
00:31:39,870 --> 00:31:37,450
in heaven or however you want to imagine

662
00:31:42,750 --> 00:31:39,880
that and just imagine that you're going

663
00:31:45,780 --> 00:31:42,760

to send that message to land right on

664

00:31:47,940 --> 00:31:45,790

give these heart right in Dizzy's on the

665

00:31:49,440 --> 00:31:47,950

top of his head or somewhere else on his

666

00:31:50,970 --> 00:31:49,450

body just imagine you're just going to

667

00:31:53,190 --> 00:31:50,980

click and send that message through

668

00:31:55,919 --> 00:31:53,200

space and time and it'll land right on

669

00:31:58,230 --> 00:31:55,929

the dog even if it's thousands of miles

670

00:31:59,640 --> 00:31:58,240

away doesn't matter you just imagine it

671

00:32:02,100 --> 00:31:59,650

going through space and time in

672

00:32:03,990 --> 00:32:02,110

definitely like an email just click and

673

00:32:05,909 --> 00:32:04,000

send you know we text message back and

674

00:32:08,490 --> 00:32:05,919

forth with with each other every single

675

00:32:10,890 --> 00:32:08,500

day animal communication is the same way

676

00:32:13,470 --> 00:32:10,900

it's instantaneous it's back and forth

677

00:32:16,440 --> 00:32:13,480

and it's instantaneous so as soon as

678

00:32:18,600 --> 00:32:16,450

that thought leaves you it'll land on

679

00:32:21,780 --> 00:32:18,610

the pet the pet will get the message and

680

00:32:25,660 --> 00:32:21,790

they'll usually respond now our brains

681

00:32:28,420 --> 00:32:25,670

are usually too busy to pick up on their

682

00:32:30,490 --> 00:32:28,430

response so you do have to quiet your

683

00:32:33,250 --> 00:32:30,500

mind and you have to be required

684

00:32:35,470 --> 00:32:33,260

receive that incoming message but

699

00:33:11,980 --> 00:33:10,160

they'll respond right away

700

00:33:14,230 --> 00:33:11,990

and sometimes it'll be with a feeling of

701
00:33:15,900 --> 00:33:14,240
love like if you sent love you you'll

702
00:33:20,920 --> 00:33:15,910
probably get a feeling of love back

703
00:33:23,830 --> 00:33:20,930
other times they may show you a toy or a

704
00:33:28,420 --> 00:33:23,840
treat or something else food or they

705
00:33:29,830 --> 00:33:28,430
want to go outside or surprise me every

706
00:33:32,440 --> 00:33:29,840
time I never know what they're gonna

707
00:33:34,720 --> 00:33:32,450
send me but that's how simple it is the

708
00:33:38,350 --> 00:33:34,730
process of sending a message is very

709
00:33:41,170 --> 00:33:38,360
simple we do this every day with

710
00:33:43,240 --> 00:33:41,180
everyone we're texting you're you're

711
00:33:45,340 --> 00:33:43,250
thinking a thought in your head you're

712
00:33:47,260 --> 00:33:45,350
pulling their name up in your phone

713
00:33:50,640 --> 00:33:47,270

you're typing in a message and you hit

714

00:33:54,100 --> 00:33:50,650

Send it's the same thing with an animal

715

00:33:55,570 --> 00:33:54,110

mmm that's really interesting well while

716

00:33:58,090 --> 00:33:55,580

you were doing that I was sending dizzy

717

00:33:59,530 --> 00:33:58,100

a message so I'll ask his mom if he woke

718

00:34:05,140 --> 00:33:59,540

up in the middle of the night because of

719

00:34:06,460 --> 00:34:05,150

course there 8 hours don't send him a

720

00:34:10,030 --> 00:34:06,470

message when we're sleeping

721

00:34:14,110 --> 00:34:10,040

stop doing that today probably well

722

00:34:19,500 --> 00:34:14,120

knowing her but oh that's wonderful you

723

00:34:24,430 --> 00:34:19,510

know I had a very interesting experience

724

00:34:26,800 --> 00:34:24,440

with one of my pets that I'd like your

725

00:34:33,010 --> 00:34:26,810

take on I mean not a reading but just

726

00:34:35,980 --> 00:34:33,020

your opinion about as an example I I i

727

00:34:39,649 --> 00:34:35,990

lost my daughter or as many of my

728

00:34:43,819 --> 00:34:39,659

listeners know about 13 years ago

729

00:34:48,680 --> 00:34:43,829

and so for that whole first year after

730

00:34:52,099 --> 00:34:48,690

my daughter passed I really felt like my

731

00:34:54,829 --> 00:34:52,109

dog Molly I had this big Rottweiler

732

00:34:59,089 --> 00:34:54,839

border collie mix that I rescued out of

733

00:35:05,000 --> 00:34:59,099

the street as a little puppy and she was

734

00:35:07,490 --> 00:35:05,010

probably just about six years old and I

735

00:35:09,589 --> 00:35:07,500

really credited that dog with getting me

736

00:35:15,049 --> 00:35:09,599

through that whole first year which was

737

00:35:18,319 --> 00:35:15,059

just horrifying and I was invited to

738

00:35:20,660 --> 00:35:18,329

this event at a psychics house here in

739

00:35:23,000 --> 00:35:20,670

Los Angeles a pretty well-known psychic

740

00:35:25,579 --> 00:35:23,010

a man named Brian Hirst I don't know if

741

00:35:27,710 --> 00:35:25,589

you've ever heard of him but he was

742

00:35:31,880 --> 00:35:27,720

quite well-known and I guess still is

743

00:35:34,940 --> 00:35:31,890

but certainly back you know 20 years ago

744

00:35:38,029 --> 00:35:34,950

he was quite well-known here in town and

745

00:35:41,120 --> 00:35:38,039

so of course I went in the hopes of

746

00:35:45,289 --> 00:35:41,130

getting a message from my daughter who

747

00:35:47,269 --> 00:35:45,299

had passed the year before and he went

748

00:35:49,279 --> 00:35:47,279

around the room and there was maybe 20

749

00:35:51,319 --> 00:35:49,289

people I think that's what the limit was

750

00:35:53,329 --> 00:35:51,329

and he went around the room and I was

751
00:35:57,079 --> 00:35:53,339
like almost one of the last people that

752
00:35:59,269 --> 00:35:57,089
he came upon to give a message and he

753
00:36:01,760 --> 00:35:59,279
started telling me about this dog you

754
00:36:04,130 --> 00:36:01,770
know on the other side and of course you

755
00:36:06,349 --> 00:36:04,140
know I did have lots of dogs on the

756
00:36:09,230 --> 00:36:06,359
other side and I loved them very much

757
00:36:11,750 --> 00:36:09,240
but I was kind of disappointed you know

758
00:36:15,019 --> 00:36:11,760
that I wasn't hearing from my daughter

759
00:36:17,059 --> 00:36:15,029
and he kept telling me about this dog

760
00:36:19,339 --> 00:36:17,069
and I kept describing big dogs that I

761
00:36:21,470 --> 00:36:19,349
had and he kept saying no that's not it

762
00:36:28,010 --> 00:36:21,480
and I kind of left there a little bit

763
00:36:29,930 --> 00:36:28,020

confused when I got home pardon me for

764

00:36:33,470 --> 00:36:29,940

saying this but I noticed that my dog

765

00:36:35,809 --> 00:36:33,480

had thrown up and you know dogs throw up

766

00:36:39,260 --> 00:36:35,819

you know how they just do every now and

767

00:36:43,099 --> 00:36:39,270

then they'll eat something weird but for

768

00:36:45,349 --> 00:36:43,109

some reason it really bothered me and

769

00:36:50,809 --> 00:36:45,359

the very next morning I took her to the

770

00:36:53,550 --> 00:36:50,819

vet and the vet basically was examining

771

00:36:55,050 --> 00:36:53,560

the dog pulled back her lips

772

00:36:59,130 --> 00:36:55,060

and looked at her gums and he says oh

773

00:37:03,350 --> 00:36:59,140

this is not good and I guess their gums

774

00:37:05,880 --> 00:37:03,360

sort of get white when they're ill and

775

00:37:09,480 --> 00:37:05,890

he did some testing when my dog had

776

00:37:13,410 --> 00:37:09,490

cancer and you mentioned earlier in the

777

00:37:15,780 --> 00:37:13,420

show about how you know you still grieve

778

00:37:21,030 --> 00:37:15,790

just as much but what you don't do is

779

00:37:23,820 --> 00:37:21,040

try to keep them here and I was so upset

780

00:37:28,380 --> 00:37:23,830

because I'd lost my daughter I didn't

781

00:37:29,730 --> 00:37:28,390

want to lose my dog and I had a friend

782

00:37:31,290 --> 00:37:29,740

that was with me and she was saying

783

00:37:34,560 --> 00:37:31,300

you've got to do everything you can to

784

00:37:36,420 --> 00:37:34,570

save this dog she and I had I didn't

785

00:37:39,390 --> 00:37:36,430

have the money I mean I just you know

786

00:37:42,570 --> 00:37:39,400

been off work for a year practically and

787

00:37:44,370 --> 00:37:42,580

I was a mess she said listen I have a

788

00:37:47,550 --> 00:37:44,380

credit card there's nothing on it just

789

00:37:50,750 --> 00:37:47,560

use it and spend it and you know pay it

790

00:37:56,880 --> 00:37:50,760

back just pay the bill I ended up

791

00:38:02,520 --> 00:37:56,890

spending \$8,000 for chemo and all kinds

792

00:38:06,690 --> 00:38:02,530

of stuff for this dog and the dog lived

793

00:38:13,200 --> 00:38:06,700

for 30 days and died you know in

794

00:38:16,260 --> 00:38:13,210

terrible pain and I regretted that so so

795

00:38:18,810 --> 00:38:16,270

so much but I just thought how

796

00:38:20,640 --> 00:38:18,820

interesting that was that I'd been to

797

00:38:23,310 --> 00:38:20,650

the psychic and he kept trying to give

798

00:38:26,730 --> 00:38:23,320

me this message from the dog on the

799

00:38:29,970 --> 00:38:26,740

other side and I kept trying to hook up

800

00:38:32,670 --> 00:38:29,980

which dog it was and it was the dog that

801

00:38:35,760 --> 00:38:32,680

I still had and was getting ready to go

802

00:38:36,690 --> 00:38:35,770

to the other side right yeah that's

803

00:38:39,540 --> 00:38:36,700

pretty amazing

804

00:38:42,360 --> 00:38:39,550

and and it it's true they will let you

805

00:38:44,040 --> 00:38:42,370

know I mean they'll find a way to get a

806

00:38:46,110 --> 00:38:44,050

message through to you and many of us

807

00:38:48,420 --> 00:38:46,120

will kind of look the other way or

808

00:38:51,420 --> 00:38:48,430

pretend like we don't see the signs or

809

00:38:54,270 --> 00:38:51,430

yes they're not as bad as they are I've

810

00:38:57,510 --> 00:38:54,280

done it I'm guilty yeah we all are

811

00:39:01,170 --> 00:38:57,520

yeah I don't do it anymore I'm very

812

00:39:03,930 --> 00:39:01,180

present with my pets now and I honor

813

00:39:06,180 --> 00:39:03,940

them and I allow them to leave their

814

00:39:08,370 --> 00:39:06,190

body with grace and dignity

815

00:39:11,910 --> 00:39:08,380

and I don't allow them to go into crisis

816

00:39:14,460 --> 00:39:11,920

and that's really important it is a

817

00:39:16,590 --> 00:39:14,470

personal decision some people say it's

818

00:39:19,080 --> 00:39:16,600

not right to euthanize an animal it's

819

00:39:21,570 --> 00:39:19,090

not right to you know decide when an

820

00:39:24,480 --> 00:39:21,580

animal will die or play God if you will

821

00:39:26,640 --> 00:39:24,490

if you want to call it that and because

822

00:39:28,440 --> 00:39:26,650

I have communicated with so many animals

823

00:39:30,540 --> 00:39:28,450

I mean we're talking thousands and

824

00:39:32,880 --> 00:39:30,550

thousands and thousands of animals over

825

00:39:34,650 --> 00:39:32,890

the last 20 years I've heard from I've

826

00:39:37,470 --> 00:39:34,660

heard both sides of the story I've heard

827

00:39:40,140 --> 00:39:37,480

from pets who have had to pass on their

828

00:39:43,680 --> 00:39:40,150

own and I've heard from pets who have

829

00:39:47,090 --> 00:39:43,690

had help from their humans and the

830

00:39:50,700 --> 00:39:47,100

doctor euthanasia euthanizing them and

831

00:39:54,120 --> 00:39:50,710

because of what I have learned from them

832

00:39:57,270 --> 00:39:54,130

from the pets and what they tell me

833

00:39:59,040 --> 00:39:57,280

I support euthanizing and I'll tell you

834

00:40:01,890 --> 00:39:59,050

why

835

00:40:03,660 --> 00:40:01,900

true if they lived in nature they would

836

00:40:05,190 --> 00:40:03,670

pass on their own if we weren't in the

837

00:40:09,330 --> 00:40:05,200

picture that's what they do out in the

838

00:40:12,630 --> 00:40:09,340

wild and ok that's great but we are our

839

00:40:15,210 --> 00:40:12,640

pets caretakers they have entrusted us

840

00:40:17,150 --> 00:40:15,220

to take care of them and love them and

841

00:40:20,580 --> 00:40:17,160

manage them throughout their life and

842

00:40:21,810 --> 00:40:20,590

upon their time of transition and I call

843

00:40:23,970 --> 00:40:21,820

it a time a transition because they

844

00:40:27,530 --> 00:40:23,980

transition out of their body and into a

845

00:40:31,710 --> 00:40:27,540

new form of being a spiritual being and

846

00:40:34,590 --> 00:40:31,720

because we are their caretakers we hold

847

00:40:37,970 --> 00:40:34,600

the responsibility of keeping them from

848

00:40:42,390 --> 00:40:37,980

here comes the big word suffering

849

00:40:45,030 --> 00:40:42,400

needlessly and animals feel pain just

850

00:40:47,970 --> 00:40:45,040

like you and I they hurt just like you

851
00:40:50,700 --> 00:40:47,980
and I they experience good and bad days

852
00:40:52,950 --> 00:40:50,710
just like you and I do and just like as

853
00:40:55,320 --> 00:40:52,960
a human being is preparing to leave this

854
00:40:59,130 --> 00:40:55,330
earth they go through a rollercoaster

855
00:41:01,440 --> 00:40:59,140
ride of some days are good some days are

856
00:41:02,970 --> 00:41:01,450
not so good some days are horrible and

857
00:41:04,920 --> 00:41:02,980
then all of a sudden they bounce back

858
00:41:07,860 --> 00:41:04,930
again and they're back to their old self

859
00:41:11,130 --> 00:41:07,870
and we're sitting here going what in the

860
00:41:12,870 --> 00:41:11,140
world I do I take them in do I not take

861
00:41:16,620 --> 00:41:12,880
them in how do I know when is the right

862
00:41:18,780 --> 00:41:16,630
time to euthanize and it and it's a very

863
00:41:19,680 --> 00:41:18,790

difficult decision I call it the

864

00:41:21,540 --> 00:41:19,690

impossible

865

00:41:24,660 --> 00:41:21,550

in my book is what I call it the

866

00:41:28,309 --> 00:41:24,670

impossible decision and the animals tell

867

00:41:31,640 --> 00:41:28,319

me those who have passed on their own

868

00:41:36,470 --> 00:41:31,650

tell me without a doubt they suffered

869

00:41:41,640 --> 00:41:36,480

mmm death death is ugly death is not

870

00:41:44,400 --> 00:41:41,650

pain-free the body tries to live the

871

00:41:47,520 --> 00:41:44,410

heart tries to beat the lungs try to get

872

00:41:50,069 --> 00:41:47,530

oxygen the blood tries to pump the body

873

00:41:52,770 --> 00:41:50,079

is trying to live and there is a

874

00:41:54,990 --> 00:41:52,780

struggle that goes on and as a former

875

00:41:57,720 --> 00:41:55,000

police officer I have seen a lot of

876

00:42:00,359 --> 00:41:57,730

death and I've seen a lot of dying and I

877

00:42:04,349 --> 00:42:00,369

can tell you this firsthand it is not

878

00:42:07,589 --> 00:42:04,359

pretty and to put our animals through

879

00:42:10,440 --> 00:42:07,599

something like that I just can't do it

880

00:42:12,120 --> 00:42:10,450

and I won't do it for my own but

881

00:42:14,069 --> 00:42:12,130

everyone can make their own decision and

882

00:42:15,780 --> 00:42:14,079

that's fine and I respect that

883

00:42:18,450 --> 00:42:15,790

and I don't look down upon anyone who

884

00:42:20,430 --> 00:42:18,460

chooses otherwise but I can tell you

885

00:42:22,950 --> 00:42:20,440

that the animals who have transitioned

886

00:42:26,040 --> 00:42:22,960

on their own without the help of a human

887

00:42:28,710 --> 00:42:26,050

they tell me unequivocally that they

888

00:42:32,250 --> 00:42:28,720

experienced in some cases a tremendous

889

00:42:35,250 --> 00:42:32,260

amount of pain discomfort and agony

890

00:42:38,370 --> 00:42:35,260

whereas those who we help transition

891

00:42:42,690 --> 00:42:38,380

with euthanizing they have a much more

892

00:42:44,700 --> 00:42:42,700

peaceful calm transition and and

893

00:42:46,940 --> 00:42:44,710

basically pain-free I won't say

894

00:42:50,359 --> 00:42:46,950

pain-free because that's not true

895

00:42:54,720 --> 00:42:50,369

euthanasia when they euthanize it stings

896

00:42:59,059 --> 00:42:54,730

it is they can feel it and it stings and

897

00:43:04,260 --> 00:42:59,069

they'll sometimes cry out and or they'll

898

00:43:08,430 --> 00:43:04,270

yell or Yelp because it burns mmm so

899

00:43:10,530 --> 00:43:08,440

that part of it isn't pleasant but very

900

00:43:12,900 --> 00:43:10,540

shortly after that once it enters into

901
00:43:15,359 --> 00:43:12,910
the bloodstream of course and they're

902
00:43:18,420 --> 00:43:15,369
gone but I'll tell you because of what

903
00:43:21,980 --> 00:43:18,430
the animals explained to me after the

904
00:43:24,690 --> 00:43:21,990
fact that there's far less pain struggle

905
00:43:26,069 --> 00:43:24,700
when they've been euthanized I will

906
00:43:28,380 --> 00:43:26,079
support that and I will continue to

907
00:43:31,290 --> 00:43:28,390
euthanize my own pets when it's

908
00:43:31,960 --> 00:43:31,300
appropriate and if they choose to pass

909
00:43:36,760 --> 00:43:31,970
on their own

910
00:43:38,800 --> 00:43:36,770
great I have only had that happen on two

911
00:43:40,660 --> 00:43:38,810
occasions and all the years I have had

912
00:43:45,160 --> 00:43:40,670
pets and I live on a farm so I have a

913
00:43:46,810 --> 00:43:45,170

lot of animals but we all want them to

914

00:43:50,440 --> 00:43:46,820

pass peacefully in their sleep at night

915

00:43:52,150 --> 00:43:50,450

that would be the best way yeah and it

916

00:43:54,790 --> 00:43:52,160

just has never happened to me I've

917

00:43:56,980 --> 00:43:54,800

almost always had to help my pets make

918

00:43:59,950 --> 00:43:56,990

their transition and it's not fun nobody

919

00:44:01,870 --> 00:43:59,960

knows I don't want to do it well I'm

920

00:44:05,859 --> 00:44:01,880

glad to hear you say all this because

921

00:44:08,170 --> 00:44:05,869

you know I felt a tremendous sense of

922

00:44:11,530 --> 00:44:08,180

you know of course I didn't want to lose

923

00:44:13,900 --> 00:44:11,540

my dog but also I felt like I kind of do

924

00:44:17,290 --> 00:44:13,910

everything I can you know to save her

925

00:44:19,570 --> 00:44:17,300

and you know and of course I was sort of

926

00:44:21,430 --> 00:44:19,580

egged on by my friend who was saying

927

00:44:24,099 --> 00:44:21,440

you've got to you know you've got to do

928

00:44:26,109 --> 00:44:24,109

everything and I felt like if I didn't

929

00:44:29,470 --> 00:44:26,119

do it I would you know like oh I'm just

930

00:44:31,000 --> 00:44:29,480

getting rid of her you know so I'm glad

931

00:44:33,580 --> 00:44:31,010

to hear you say that that'll make the

932

00:44:36,370 --> 00:44:33,590

next time I have to make that decision a

933

00:44:38,800 --> 00:44:36,380

little bit easier never going to be easy

934

00:44:42,160 --> 00:44:38,810

never going to be number it's never easy

935

00:44:43,900 --> 00:44:42,170

but knowing that you know we're already

936

00:44:44,890 --> 00:44:43,910

extending their lives I want you to

937

00:44:47,560 --> 00:44:44,900

think about this for a minute

938

00:44:49,480 --> 00:44:47,570

we have already extended their lives

939

00:44:52,420 --> 00:44:49,490

because of our love in our care

940

00:44:54,579 --> 00:44:52,430

so just by them being with us we have

941

00:44:56,290 --> 00:44:54,589

extended their lives in most cases I

942

00:44:59,050 --> 00:44:56,300

mean sometimes things happen and

943

00:45:01,000 --> 00:44:59,060

accidents happen or whatever and and or

944

00:45:04,570 --> 00:45:01,010

you know diseases hit them or whatever

945

00:45:06,609 --> 00:45:04,580

but in the average case because we have

946

00:45:08,320 --> 00:45:06,619

loved them cared for them so much we

947

00:45:09,849 --> 00:45:08,330

have already extended their physical

948

00:45:11,200 --> 00:45:09,859

life so they're here longer than they

949

00:45:14,579 --> 00:45:11,210

know it would have been if we weren't in

950

00:45:17,290 --> 00:45:14,589

the picture so then we go to these

951
00:45:20,800 --> 00:45:17,300
additional lengths you know surgeries

952
00:45:24,640 --> 00:45:20,810
and whatever and we keep dragging it on

953
00:45:26,800 --> 00:45:24,650
and they don't want new they're really

954
00:45:29,950 --> 00:45:26,810
good they're like you know what I lived

955
00:45:32,859 --> 00:45:29,960
a great life and we had a great time and

956
00:45:33,790 --> 00:45:32,869
I'm old and I'm tired and I don't need

957
00:45:36,370 --> 00:45:33,800
to be here anymore

958
00:45:37,280 --> 00:45:36,380
now in some cases I will say especially

959
00:45:38,660 --> 00:45:37,290
if the animal is you know

960
00:45:41,210 --> 00:45:38,670
and they have their whole life ahead of

961
00:45:42,920 --> 00:45:41,220
him yeah I mean in certain cases I man

962
00:45:44,510 --> 00:45:42,930
up for a surgery I'm gonna opt for a

963
00:45:47,750 --> 00:45:44,520

chemotherapy I'm gonna opt for that

964

00:45:49,730 --> 00:45:47,760

whatever the procedure is absolutely but

965

00:45:53,390 --> 00:45:49,740

when you're talking about an aging dog

966

00:45:54,800 --> 00:45:53,400

or aging cat or an aging horse or if

967

00:45:58,400 --> 00:45:54,810

you're talking about something that is

968

00:46:00,730 --> 00:45:58,410

you're stacked up against the aged yeah

969

00:46:04,480 --> 00:46:00,740

really think about it and think about

970

00:46:06,710 --> 00:46:04,490

the quality of that animal's life and

971

00:46:09,860 --> 00:46:06,720

spending thousands and thousands of

972

00:46:11,480 --> 00:46:09,870

dollars not all of us can do that it's

973

00:46:14,660 --> 00:46:11,490

not always possible but please don't

974

00:46:17,030 --> 00:46:14,670

feel bad if you cannot spend thousands

975

00:46:19,940 --> 00:46:17,040

of dollars to save your pet please don't

976

00:46:22,160 --> 00:46:19,950

feel that way the animals I'll tell you

977

00:46:26,780 --> 00:46:22,170

what here's another little inside story

978

00:46:30,550 --> 00:46:26,790

for you not even one time have I ever

979

00:46:37,100 --> 00:46:30,560

heard an animal tell me that their human

980

00:46:39,830 --> 00:46:37,110

took their life too soon Wow not what

981

00:46:42,260 --> 00:46:39,840

you want to know what the animals tell

982

00:46:45,700 --> 00:46:42,270

me their human waited too long I hear

983

00:46:49,510 --> 00:46:45,710

that one mmm

984

00:46:52,940 --> 00:46:49,520

Wow well that's great to know

985

00:46:55,340 --> 00:46:52,950

that's great to have that knowledge the

986

00:46:55,910 --> 00:46:55,350

next time that experience presents

987

00:46:58,330 --> 00:46:55,920

itself

988

00:47:01,880 --> 00:46:58,340

unfortunately I'm sure that it will

989

00:47:04,310 --> 00:47:01,890

because I can't be without my animals I

990

00:47:05,960 --> 00:47:04,320

know and you know what though we would

991

00:47:06,470 --> 00:47:05,970

all go through it again we would do it

992

00:47:08,360 --> 00:47:06,480

again

993

00:47:10,580 --> 00:47:08,370

yeah heartbeat we would go through the

994

00:47:12,490 --> 00:47:10,590

pain we go through the grief we go

995

00:47:15,260 --> 00:47:12,500

through the loss and the aching and the

996

00:47:17,420 --> 00:47:15,270

overwhelming grief that we feel I would

997

00:47:18,830 --> 00:47:17,430

do it again in a heartbeat to be with my

998

00:47:20,330 --> 00:47:18,840

animals again I'm sure everybody

999

00:47:23,060 --> 00:47:20,340

listening would go through it again I

1000

00:47:24,740 --> 00:47:23,070

have some clients though that will try

1001
00:47:26,690 --> 00:47:24,750
to beat themselves up and say you know I

1002
00:47:28,670 --> 00:47:26,700
don't deserve to get another pet you

1003
00:47:29,900 --> 00:47:28,680
know they feel so bad and feel so guilty

1004
00:47:31,970 --> 00:47:29,910
and I'll tell you the number one thing

1005
00:47:34,370 --> 00:47:31,980
that you can do to help your pet right

1006
00:47:38,480 --> 00:47:34,380
now whether it's living or deceased is

1007
00:47:42,890 --> 00:47:38,490
to let go of your guilt guilt is a human

1008
00:47:45,770 --> 00:47:42,900
trait animals don't carry guilt they

1009
00:47:48,500 --> 00:47:45,780
don't understand goats guilt is very

1010
00:47:50,170 --> 00:47:48,510
confusing to a pet they know that

1011
00:47:53,200 --> 00:47:50,180
they're making you upset

1012
00:47:56,440 --> 00:47:53,210
but they don't get it they don't get why

1013
00:47:57,460 --> 00:47:56,450

you're upset they think they made you

1014

00:48:01,450 --> 00:47:57,470

upset

1015

00:48:03,550 --> 00:48:01,460

so guilt doesn't serve anyone so for

1016

00:48:06,490 --> 00:48:03,560

everyone I'm again I'm guilty of

1017

00:48:09,550 --> 00:48:06,500

carrying guilt for a long time years and

1018

00:48:11,950 --> 00:48:09,560

years and years for things that happen

1019

00:48:14,290 --> 00:48:11,960

that you know decisions I didn't make

1020

00:48:16,690 --> 00:48:14,300

the right time that sort of thing not

1021

00:48:18,490 --> 00:48:16,700

opting for a surgery or whatever it was

1022

00:48:21,160 --> 00:48:18,500

I've done all of those things in the

1023

00:48:23,170 --> 00:48:21,170

past but it really doesn't serve anyone

1024

00:48:25,330 --> 00:48:23,180

we can't go back and change the past

1025

00:48:27,430 --> 00:48:25,340

number one the animals never bring it up

1026
00:48:29,230 --> 00:48:27,440
number two and number three they don't

1027
00:48:31,600 --> 00:48:29,240
understand killed all they know is that

1028
00:48:33,850 --> 00:48:31,610
you're upset and they think they they're

1029
00:48:36,340 --> 00:48:33,860
responsible for making you upset they

1030
00:48:40,920 --> 00:48:36,350
don't understand what this thing is

1031
00:48:44,620 --> 00:48:40,930
called guilt well you know you said that

1032
00:48:46,600 --> 00:48:44,630
you know you've often heard them say you

1033
00:48:50,380 --> 00:48:46,610
know I'm ready to go I want to go I'm

1034
00:48:53,980 --> 00:48:50,390
tired I'm ready to give up this life now

1035
00:48:56,740 --> 00:48:53,990
do the animals understand that there is

1036
00:49:00,790 --> 00:48:56,750
an afterlife do they say oh I want to go

1037
00:49:02,980 --> 00:49:00,800
to be you know free again or did they

1038
00:49:06,730 --> 00:49:02,990

just know they're tired and don't feel

1039

00:49:10,000 --> 00:49:06,740

well there seems to be a difference

1040

00:49:12,700 --> 00:49:10,010

between each individual animal some seem

1041

00:49:16,180 --> 00:49:12,710

to be very aware that their journey

1042

00:49:18,250 --> 00:49:16,190

continues on on the other side and then

1043

00:49:20,860 --> 00:49:18,260

others seem to be completely clueless

1044

00:49:23,050 --> 00:49:20,870

and they really don't have a clue and I

1045

00:49:25,690 --> 00:49:23,060

have to fill them in about what's coming

1046

00:49:27,280 --> 00:49:25,700

up but the one thing that runs true for

1047

00:49:30,370 --> 00:49:27,290

every animal is that they're very

1048

00:49:32,800 --> 00:49:30,380

accepting of the dying process and

1049

00:49:35,860 --> 00:49:32,810

they're very accepting of death now in

1050

00:49:38,650 --> 00:49:35,870

saying that I want to make it very clear

1051
00:49:40,870 --> 00:49:38,660
here that there is no animal that wants

1052
00:49:44,830 --> 00:49:40,880
to die animals don't commit suicide

1053
00:49:48,970 --> 00:49:44,840
humans commit suicide and it's not an

1054
00:49:50,320 --> 00:49:48,980
animal nature to want to die or to try

1055
00:49:50,770 --> 00:49:50,330
to take their own life they just don't

1056
00:49:53,110 --> 00:49:50,780
do it

1057
00:49:56,680 --> 00:49:53,120
they want to be here but they only want

1058
00:49:59,980 --> 00:49:56,690
to be here in a way that they are living

1059
00:50:02,410 --> 00:49:59,990
and when they get older or when they're

1060
00:50:03,220 --> 00:50:02,420
riddled with disease or whatever they

1061
00:50:05,410 --> 00:50:03,230
don't consider

1062
00:50:09,010 --> 00:50:05,420
living and they're just tired and they

1063
00:50:11,050 --> 00:50:09,020

just want to leave their body so no they

1064

00:50:12,730 --> 00:50:11,060

don't all understand that life goes on

1065

00:50:16,480 --> 00:50:12,740

but they don't stress out about it like

1066

00:50:19,060 --> 00:50:16,490

we do they don't worry about oh my gosh

1067

00:50:21,160 --> 00:50:19,070

am I gonna die oh my gosh what they get

1068

00:50:24,190 --> 00:50:21,170

stressed out about is when they're human

1069

00:50:26,320 --> 00:50:24,200

stresses out about them and them dying

1070

00:50:27,910 --> 00:50:26,330

then they get stressed but they're

1071

00:50:29,440 --> 00:50:27,920

getting stressed from you they're not

1072

00:50:30,970 --> 00:50:29,450

getting stressed because they're dying

1073

00:50:32,980 --> 00:50:30,980

they just know that you're freaked out

1074

00:50:35,950 --> 00:50:32,990

about something so uh then they're gonna

1075

00:50:38,980 --> 00:50:35,960

freak out about it so your thoughts are

1076
00:50:41,440 --> 00:50:38,990
very powerful when it comes to your own

1077
00:50:44,109 --> 00:50:41,450
pets and how you handle the end of their

1078
00:50:46,540 --> 00:50:44,119
life and how you handle managing them

1079
00:50:50,220 --> 00:50:46,550
and Hospice in them your thoughts are

1080
00:50:54,550 --> 00:50:50,230
very very powerful and you can really

1081
00:50:57,580 --> 00:50:54,560
create a safe and comfortable and

1082
00:51:00,340 --> 00:50:57,590
peaceful environment for them to live

1083
00:51:03,940 --> 00:51:00,350
out their final hospice days with you or

1084
00:51:06,970 --> 00:51:03,950
you can be stressed out and feel guilty

1085
00:51:09,099 --> 00:51:06,980
and have all of these horrible I'm a bad

1086
00:51:10,870 --> 00:51:09,109
mom or I'm a bad dad or I didn't do this

1087
00:51:12,790 --> 00:51:10,880
or I didn't do that I mean think about

1088
00:51:14,349 --> 00:51:12,800

that weigh that out and look at how

1089

00:51:16,300 --> 00:51:14,359

powerful that is that you can either

1090

00:51:18,460 --> 00:51:16,310

create this nice environment for them

1091

00:51:20,640 --> 00:51:18,470

like I loved you your whole life I took

1092

00:51:23,290 --> 00:51:20,650

care of you I rescued you I said you I

1093

00:51:25,300 --> 00:51:23,300

medicated you and now I'm here to help

1094

00:51:28,210 --> 00:51:25,310

you leave your body as peacefully and

1095

00:51:32,650 --> 00:51:28,220

with as much dignity as I can animals

1096

00:51:35,890 --> 00:51:32,660

don't want anyone to see them when they

1097

00:51:38,290 --> 00:51:35,900

are in a state of dying that is a sign

1098

00:51:41,230 --> 00:51:38,300

of weakness in the animal kingdom and

1099

00:51:44,890 --> 00:51:41,240

out in the wild out in nature they go

1100

00:51:49,450 --> 00:51:44,900

and hide they go off by themselves so to

1101

00:51:52,030 --> 00:51:49,460

be surrounded by humans is kind of

1102

00:51:53,740 --> 00:51:52,040

against nature it's not what they do in

1103

00:51:55,750 --> 00:51:53,750

the wild they'll go off by themselves or

1104

00:51:58,300 --> 00:51:55,760

this yeah I have clients tell me well my

1105

00:52:00,550 --> 00:51:58,310

my elderly cat disappeared my elderly

1106

00:52:03,030 --> 00:52:00,560

dog ran off we've never seen them again

1107

00:52:07,450 --> 00:52:03,040

while they go off somewhere to die and

1108

00:52:10,180 --> 00:52:07,460

that's normal for an animal they don't

1109

00:52:12,880 --> 00:52:10,190

want us hovering around them and I'll

1110

00:52:15,700 --> 00:52:12,890

give you a perfect example here are we

1111

00:52:16,450 --> 00:52:15,710

are we okay on time I don't know when

1112

00:52:19,359 --> 00:52:16,460

the next break

1113

00:52:22,270 --> 00:52:19,369

good we're actually just about ready to

1114

00:52:24,010 --> 00:52:22,280

take a break if you maybe will just go

1115

00:52:26,230 --> 00:52:24,020

ahead and take it now and we'll start

1116

00:52:27,520 --> 00:52:26,240

with that okay we come back alright

1117

00:52:29,980 --> 00:52:27,530

everyone we're going to take a quick

1118

00:52:32,770 --> 00:52:29,990

break and when we come back more with

1119

00:52:33,640 --> 00:52:32,780

night vision and Karen Anderson animal

1120

00:52:38,410 --> 00:52:33,650

communicator

1121

00:52:40,690 --> 00:52:38,420

stay with us welcome back to night

1122

00:52:43,150 --> 00:52:40,700

vision I'm your host Renee Barnett we're

1123

00:52:46,510 --> 00:52:43,160

talking with Karen Anderson she's an

1124

00:52:49,210 --> 00:52:46,520

animal communicator and an author been

1125

00:52:52,930 --> 00:52:49,220

talking about her latest book called the

1126

00:52:55,510 --> 00:52:52,940

amazing afterlife of animals and it is

1127

00:52:59,020 --> 00:52:55,520

messages and signs from our pets on the

1128

00:53:01,690 --> 00:52:59,030

other side really really interesting

1129

00:53:03,190 --> 00:53:01,700

stuff I mean you know you were getting

1130

00:53:05,950 --> 00:53:03,200

ready to tell a story and then I have

1131

00:53:08,740 --> 00:53:05,960

another question for you but you were

1132

00:53:10,630 --> 00:53:08,750

you were just before the break you

1133

00:53:12,460 --> 00:53:10,640

started to tell something and we decided

1134

00:53:15,730 --> 00:53:12,470

we didn't want to break it in the middle

1135

00:53:16,450 --> 00:53:15,740

so what were you going to share with

1136

00:53:31,359 --> 00:53:16,460

this Karen

1137

00:53:32,470 --> 00:53:31,369

I have no idea maybe yeah yeah I don't

1138

00:53:33,790 --> 00:53:32,480

remember what it was but during the

1139

00:53:35,710 --> 00:53:33,800

break we were talking about how the

1140

00:53:38,349 --> 00:53:35,720

process is the same to communicate with

1141

00:53:40,480 --> 00:53:38,359

your departed humans it's the exact same

1142

00:53:43,990 --> 00:53:40,490

process you send the message the same

1143

00:53:45,730 --> 00:53:44,000

way out your thoughts they can pick up

1144

00:53:47,800 --> 00:53:45,740

on your thoughts so you don't have to

1145

00:53:51,700 --> 00:53:47,810

say it out loud but you can say messages

1146

00:53:54,220 --> 00:53:51,710

out loud our human loved ones are almost

1147

00:53:55,720 --> 00:53:54,230

always around us they're not a hundred

1148

00:53:57,839 --> 00:53:55,730

percent around us because they go do

1149

00:54:00,970 --> 00:53:57,849

other things you know they don't like

1150

00:54:02,710 --> 00:54:00,980

follow us around sort of thing but they

1151
00:54:05,020 --> 00:54:02,720
certainly pop in and out and they know

1152
00:54:07,000 --> 00:54:05,030
what's going on in our life and here's

1153
00:54:09,579 --> 00:54:07,010
what happened to me I was doing a pet

1154
00:54:11,290 --> 00:54:09,589
session one time I had never

1155
00:54:14,680 --> 00:54:11,300
communicated with the departed human

1156
00:54:18,730 --> 00:54:14,690
before and all of a sudden this pet

1157
00:54:20,349 --> 00:54:18,740
brought through these two humans and I

1158
00:54:22,990 --> 00:54:20,359
didn't know what to do with that so I

1159
00:54:25,030 --> 00:54:23,000
was like oh my gosh there's two humans

1160
00:54:27,370 --> 00:54:25,040
here so it really caught me by surprise

1161
00:54:29,530 --> 00:54:27,380
and I didn't know that if I opened up

1162
00:54:30,940 --> 00:54:29,540
the energy so to speak to communicate

1163
00:54:33,940 --> 00:54:30,950

with a pet that they would be bring

1164

00:54:37,180 --> 00:54:33,950

through humans so it was very surprising

1165

00:54:39,579 --> 00:54:37,190

for me but the process is exactly the

1166

00:54:41,890 --> 00:54:39,589

same and I will often hear from the

1167

00:54:44,609 --> 00:54:41,900

departed pets that they are with our

1168

00:54:49,589 --> 00:54:44,619

departed human loved ones in the same

1169

00:54:55,030 --> 00:54:49,599

family group or soul group Wow

1170

00:54:58,930 --> 00:54:55,040

you know when when I did finally put my

1171

00:55:04,180 --> 00:54:58,940

dog Molly down the one that had cancer

1172

00:55:07,900 --> 00:55:04,190

when we were you know I was there with

1173

00:55:11,079 --> 00:55:07,910

her and that the vet and I both were

1174

00:55:14,530 --> 00:55:11,089

telling her go find Jolie go find Jolie

1175

00:55:18,630 --> 00:55:14,540

that's my daughter's name and I really

1176

00:55:22,690 --> 00:55:18,640

felt like they did find each other oh

1177

00:55:24,940 --> 00:55:22,700

absolutely and I was just gonna write to

1178

00:55:27,790 --> 00:55:24,950

somebody here parents in the chat room

1179

00:55:30,820 --> 00:55:27,800

was asking I wonder if we get reunited

1180

00:55:33,220 --> 00:55:30,830

with our pets when we passed absolutely

1181

00:55:36,010 --> 00:55:33,230

they will be there waiting for us you

1182

00:55:37,720 --> 00:55:36,020

know we've all heard the story about the

1183

00:55:41,589 --> 00:55:37,730

Rainbow Bridge well that's kind of true

1184

00:55:43,900 --> 00:55:41,599

some of it isn't but it's very similar

1185

00:55:45,190 --> 00:55:43,910

to that now in the Rainbow Bridge story

1186

00:55:46,300 --> 00:55:45,200

for those of you who don't know what it

1187

00:55:49,900 --> 00:55:46,310

is they're supposed to leave this

1188

00:55:52,030 --> 00:55:49,910

mythical place where our pets resided

1189

00:55:53,589 --> 00:55:52,040

and they wait for us when we die and

1190

00:55:55,120 --> 00:55:53,599

they're there they're in this field and

1191

00:55:58,630 --> 00:55:55,130

they come running and it's all wonderful

1192

00:56:02,260 --> 00:55:58,640

and we get reunited well that's kind of

1193

00:56:04,390 --> 00:56:02,270

similar to what it is but the only

1194

00:56:07,930 --> 00:56:04,400

difference is in my experience of course

1195

00:56:09,640 --> 00:56:07,940

based on my experience from my work is

1196

00:56:11,650 --> 00:56:09,650

that they're not in a separate place

1197

00:56:14,829 --> 00:56:11,660

they're with our family they're with our

1198

00:56:16,359 --> 00:56:14,839

loved ones and they can come and go they

1199

00:56:18,250 --> 00:56:16,369

pop in and out and they can go do

1200

00:56:19,470 --> 00:56:18,260

different things they can be in more

1201

00:56:22,240 --> 00:56:19,480

than one place at one time

1202

00:56:22,810 --> 00:56:22,250

energy is not bound but like a human

1203

00:56:24,400 --> 00:56:22,820

body

1204

00:56:27,609 --> 00:56:24,410

we can only be in one place at one time

1205

00:56:29,380 --> 00:56:27,619

an energetic being can split that energy

1206

00:56:33,220 --> 00:56:29,390

and be in different places at the same

1207

00:56:36,820 --> 00:56:33,230

time so that's the main difference

1208

00:56:39,339 --> 00:56:36,830

between the Rainbow Bridge story and

1209

00:56:40,900 --> 00:56:39,349

what I've experienced is that yes they

1210

00:56:43,690 --> 00:56:40,910

are there to greet us when we

1211

00:56:46,360 --> 00:56:43,700

have and of course they are they they

1212

00:56:48,280 --> 00:56:46,370

want to be with us that's they love us

1213

00:56:52,420 --> 00:56:48,290

and that love just keeps growing the

1214

00:56:56,730 --> 00:56:52,430

bonds of love never die so so yes they

1215

00:57:01,510 --> 00:56:56,740

will be there you know I've noticed that

1216

00:57:05,110 --> 00:57:01,520

you know as I matured in age and you

1217

00:57:08,350 --> 00:57:05,120

know just in life that my animals have

1218

00:57:14,050 --> 00:57:08,360

become more important and I'm more

1219

00:57:17,110 --> 00:57:14,060

cognizant of them as feeling beings and

1220

00:57:19,560 --> 00:57:17,120

I noticed that you know in certain parts

1221

00:57:23,350 --> 00:57:19,570

of the country and maybe in the past

1222

00:57:25,570 --> 00:57:23,360

people they loved their animals and they

1223

00:57:27,040 --> 00:57:25,580

loved their dogs but it was still like

1224

00:57:29,080 --> 00:57:27,050

oh it's just a dog

1225

00:57:34,480 --> 00:57:29,090

I even had someone say that to me after

1226

00:57:38,350 --> 00:57:34,490

I lost Molly I was just devastated and

1227

00:57:42,040 --> 00:57:38,360

she said well it's it's just a dog and I

1228

00:57:47,830 --> 00:57:42,050

thought oh my god how could she say that

1229

00:57:50,200 --> 00:57:47,840

to me and I yeah it's like I feel like

1230

00:57:53,620 --> 00:57:50,210

now I don't know if this is true but I

1231

00:57:58,020 --> 00:57:53,630

feel like as I have hopefully evolved as

1232

00:58:02,110 --> 00:57:58,030

a person that I've also evolved more

1233

00:58:05,670 --> 00:58:02,120

into understanding and empathy with all

1234

00:58:09,100 --> 00:58:05,680

living creatures and I feel like as a

1235

00:58:10,930 --> 00:58:09,110

people as a society that we've sort of

1236

00:58:14,380 --> 00:58:10,940

gone more in that direction

1237

00:58:18,280 --> 00:58:14,390

you know that we have become more aware

1238

00:58:21,130 --> 00:58:18,290

do you feel that's true I do and just in

1239

00:58:23,650 --> 00:58:21,140

the last 20 years that I've been doing

1240

00:58:26,170 --> 00:58:23,660

this when I first started communicating

1241

00:58:27,970 --> 00:58:26,180

with animals I was like one of three

1242

00:58:30,760 --> 00:58:27,980

people out there I mean it was a very

1243

00:58:34,240 --> 00:58:30,770

small pool no one had even heard of us

1244

00:58:37,180 --> 00:58:34,250

and it was kind of thought of as weird

1245

00:58:39,760 --> 00:58:37,190

and bizarre and oh my gosh there's no

1246

00:58:42,720 --> 00:58:39,770

such thing and that can't be and I'm you

1247

00:58:45,610 --> 00:58:42,730

know where I was up against so much

1248

00:58:48,120 --> 00:58:45,620

negativity it was ridiculous

1249

00:58:50,860 --> 00:58:48,130

and now it's like we have you know

1250

00:58:52,570 --> 00:58:50,870

psychic mediums in our living room doing

1251

00:58:54,910 --> 00:58:52,580

celebrity readings

1252

00:58:58,660 --> 00:58:54,920

we have all of these TV shows about

1253

00:59:00,910 --> 00:58:58,670

mediums and you know it's it's in our

1254

00:59:02,710 --> 00:59:00,920

home and it's in our lives and it's

1255

00:59:05,680 --> 00:59:02,720

becoming more and more acceptable and

1256

00:59:08,110 --> 00:59:05,690

that in turn makes what I do more

1257

00:59:12,580 --> 00:59:08,120

acceptable I think I'm still a little

1258

00:59:15,220 --> 00:59:12,590

bit behind that curve as far as you

1259

00:59:17,920 --> 00:59:15,230

don't see as many animal communicator

1260

00:59:19,630 --> 00:59:17,930

shows out there as you do medium shows I

1261

00:59:22,300 --> 00:59:19,640

wish they would do more animal

1262

00:59:23,710 --> 00:59:22,310

communicator shows but it's it's very

1263

00:59:25,630 --> 00:59:23,720

draining work I don't know that

1264

00:59:29,040 --> 00:59:25,640

everybody understands how draining this

1265

00:59:31,570 --> 00:59:29,050

work is it is extremely difficult

1266

00:59:33,850 --> 00:59:31,580

sometimes to get the messages across

1267

00:59:35,740 --> 00:59:33,860

other times it's real easy just depends

1268

00:59:37,150 --> 00:59:35,750

on who you're communicating with just

1269

00:59:40,540 --> 00:59:37,160

like if you were to have a conversation

1270

00:59:42,730 --> 00:59:40,550

with let's say 10 random strangers just

1271

00:59:44,590 --> 00:59:42,740

pick 10 strangers and try to have a

1272

00:59:46,930 --> 00:59:44,600

conversation with them you're gonna have

1273

00:59:49,750 --> 00:59:46,940

some that are really good communicators

1274

00:59:51,460 --> 00:59:49,760

are very articulate they can speak very

1275

00:59:53,320 --> 00:59:51,470

directly and get a message across and

1276

00:59:56,500 --> 00:59:53,330

you're gonna have some that or not they

1277

00:59:58,450 --> 00:59:56,510

are shy or reserved or conservative or

1278

01:00:00,400 --> 00:59:58,460

they just don't want to talk to you very

1279

01:00:02,110 --> 01:00:00,410

difficult to get messages through and

1280

01:00:04,210 --> 01:00:02,120

then you're gonna have some that are in

1281

01:00:06,040 --> 01:00:04,220

the middle so that's what it's like for

1282

01:00:07,930 --> 01:00:06,050

a medium like myself an animal

1283

01:00:09,520 --> 01:00:07,940

communicator because I also communicate

1284

01:00:13,450 --> 01:00:09,530

with the part of humans of course so I

1285

01:00:16,360 --> 01:00:13,460

am a medium it's very draining we have

1286

01:00:18,940 --> 01:00:16,370

to try to pull their energy to us and

1287

01:00:21,100 --> 01:00:18,950

pull this information out of their

1288

01:00:23,860 --> 01:00:21,110

energy their aura which is all around

1289

01:00:27,310 --> 01:00:23,870

them sometimes it's real easy other

1290

01:00:31,030 --> 01:00:27,320

times it's not it's very very draining

1291

01:00:33,580 --> 01:00:31,040

so people who do this work we have to

1292

01:00:35,560 --> 01:00:33,590

find a balance and we have to recharge

1293

01:00:37,840 --> 01:00:35,570

our batteries we have to take breaks we

1294

01:00:39,790 --> 01:00:37,850

have to step away from it we have to

1295

01:00:42,880 --> 01:00:39,800

bring balance into our lives and stay

1296

01:00:46,660 --> 01:00:42,890

very grounded because it does take up so

1297

01:00:48,480 --> 01:00:46,670

much of our energy now the mediums that

1298

01:00:50,880 --> 01:00:48,490

are out there that you're seeing on TV

1299

01:00:52,960 --> 01:00:50,890

please don't think it's

1300

01:00:55,270 --> 01:00:52,970

lickity-split like they show it you know

1301
01:00:57,340 --> 01:00:55,280
how much they've edited those shows you

1302
01:00:59,800 --> 01:00:57,350
have no idea how much they have edited

1303
01:01:02,080 --> 01:00:59,810
those oh yes I do yes they do oh my god

1304
01:01:03,900 --> 01:01:02,090
I'm a television producer so I know

1305
01:01:06,870 --> 01:01:03,910
exactly how it works

1306
01:01:08,609 --> 01:01:06,880
okay so there's you know hours and hours

1307
01:01:10,410 --> 01:01:08,619
of stuff that you don't even see the

1308
01:01:12,089 --> 01:01:10,420
preparation that goes into it

1309
01:01:14,010 --> 01:01:12,099
there's there's so much that goes into

1310
01:01:15,809 --> 01:01:14,020
it when I have a session with a client

1311
01:01:18,059 --> 01:01:15,819
before they even call me

1312
01:01:20,099 --> 01:01:18,069
I have already connected with their pets

1313
01:01:22,170 --> 01:01:20,109

and I have already done an entire

1314

01:01:24,329 --> 01:01:22,180

meditation session where I have already

1315

01:01:27,120 --> 01:01:24,339

figured out what's going on with the pet

1316

01:01:29,430 --> 01:01:27,130

what what the areas are that we need to

1317

01:01:30,930 --> 01:01:29,440

talk about areas to help the client

1318

01:01:34,349 --> 01:01:30,940

resolve or whatever it is

1319

01:01:36,480 --> 01:01:34,359

I've Ray spent so much time with their

1320

01:01:39,480 --> 01:01:36,490

pet before they even pick up the phone

1321

01:01:43,349 --> 01:01:39,490

and dial in and now that's me that's my

1322

01:01:45,750 --> 01:01:43,359

style that's how I do this work but it's

1323

01:01:48,029 --> 01:01:45,760

very very draining because where we're

1324

01:01:49,890 --> 01:01:48,039

putting ourselves out there our energy

1325

01:01:51,660 --> 01:01:49,900

out there to be able to pull this energy

1326

01:01:53,700 --> 01:01:51,670

back in to be able to share it with you

1327

01:01:57,000 --> 01:01:53,710

so I don't even know where I was going

1328

01:01:59,010 --> 01:01:57,010

with that but I got what I tell you you

1329

01:02:02,430 --> 01:01:59,020

know you you know you were talking about

1330

01:02:04,109 --> 01:02:02,440

energy and on the break you know I often

1331

01:02:05,880 --> 01:02:04,119

say that some of the most interesting

1332

01:02:08,370 --> 01:02:05,890

information sometimes comes out during

1333

01:02:09,960 --> 01:02:08,380

the break I guess I went to the end of

1334

01:02:12,930 --> 01:02:09,970

the subject matter that I just continue

1335

01:02:14,760 --> 01:02:12,940

talking you know and getting more

1336

01:02:18,180 --> 01:02:14,770

information during the break time but

1337

01:02:21,539 --> 01:02:18,190

you were talking to me about how you

1338

01:02:24,240 --> 01:02:21,549

know you can set up a situation to

1339

01:02:25,650 --> 01:02:24,250

communicate if you're doing if you're

1340

01:02:28,230 --> 01:02:25,660

trying to communicate yourself either

1341

01:02:30,930 --> 01:02:28,240

with a human or with an animal I'm

1342

01:02:33,690 --> 01:02:30,940

guessing because it takes a lot of

1343

01:02:37,230 --> 01:02:33,700

energy for them to get a message to us

1344

01:02:40,410 --> 01:02:37,240

that we can provide them fuel in certain

1345

01:02:42,420 --> 01:02:40,420

ways could you explain that again so

1346

01:02:43,799 --> 01:02:42,430

that the listeners can know maybe they

1347

01:02:46,380 --> 01:02:43,809

might be trying to communicate with

1348

01:02:50,430 --> 01:02:46,390

someone or one of their loving pets and

1349

01:02:55,410 --> 01:02:50,440

salute Li and this is a everyone has a

1350

01:02:57,870 --> 01:02:55,420

different way of helping to bring about

1351
01:03:00,569 --> 01:02:57,880
the best possible communication any

1352
01:03:03,329 --> 01:03:00,579

anytime the process that I've used and

1366

01:03:36,030 --> 01:03:33,820

I've created over the years and it's

1367

01:03:37,350 --> 01:03:36,040

it's what works for me and it may be a

1368

01:03:39,930 --> 01:03:37,360

little bit different for everyone else

1369

01:03:41,880 --> 01:03:39,940

so feel free to substitute if there's

1370

01:03:45,870 --> 01:03:41,890

something else you prefer but what I do

1371

01:03:48,510 --> 01:03:45,880

is I create an environment in my office

1372

01:03:52,290 --> 01:03:48,520

where I do all my sessions where I

1373

01:03:56,730 --> 01:03:52,300

provide the animals and the human

1374

01:04:00,840 --> 01:03:56,740

spirits fuel to be able to come through

1375

01:04:04,290 --> 01:04:00,850

to me with as much clarity as possible

1376

01:04:06,120 --> 01:04:04,300

now think about how difficult it would

1377

01:04:09,720 --> 01:04:06,130

be to get a message through if you don't

1378

01:04:12,990 --> 01:04:09,730

have a body they are made up of pure

1379

01:04:16,890 --> 01:04:13,000

energy so the easiest thing for them to

1380

01:04:20,040 --> 01:04:16,900

manipulate is energy so electronic

1381

01:04:22,110 --> 01:04:20,050

equipment is their friend they are able

1382

01:04:24,780 --> 01:04:22,120

to manipulate light you'll hear about

1383

01:04:27,900 --> 01:04:24,790

lights flicking on and off TVs turning

1384

01:04:30,560 --> 01:04:27,910

on and off microwaves cell phones all

1385

01:04:33,360 --> 01:04:30,570

kinds of stuff electronic equipment will

1386

01:04:36,180 --> 01:04:33,370

do weird things when there are spirit

1387

01:04:39,510 --> 01:04:36,190

activity it's easy for them to

1388

01:04:42,870 --> 01:04:39,520

manipulate because they are pure energy

1389

01:04:44,280 --> 01:04:42,880

so in my office I provide them with the

1390

01:04:47,700 --> 01:04:44,290

source of fuel I have of course

1391

01:04:52,770 --> 01:04:47,710

electronic equipment in my office I also

1392

01:04:55,680 --> 01:04:52,780

provide a a water fountain so moving

1393

01:04:58,950 --> 01:04:55,690

water running water is a great source of

1394

01:05:02,280 --> 01:04:58,960

a lot of energy

1395

01:05:05,130 --> 01:05:02,290

haunted paranormally active locations

1396

01:05:08,850 --> 01:05:05,140

are usually near moving water it's a

1397

01:05:11,190 --> 01:05:08,860

great conductor of energy crystals such

1398

01:05:13,140 --> 01:05:11,200

as quartz there are all kinds of

1399

01:05:14,760 --> 01:05:13,150

wonderful crystals that you can charge

1400

01:05:16,800 --> 01:05:14,770

in the sunlight or the moonlight that

1401

01:05:20,250 --> 01:05:16,810

can provide energy that they can draw

1402

01:05:21,390 --> 01:05:20,260

from you can also use plain old

1403

01:05:26,250 --> 01:05:21,400

batteries

1404

01:05:30,150 --> 01:05:26,260

Costco

1405

01:05:32,600 --> 01:05:30,160

provides fuel for instance I'm also a

1406

01:05:34,530 --> 01:05:32,610

paranormal investigator when I go on

1407

01:05:39,090 --> 01:05:34,540

investigations when we can go into a

1408

01:05:41,250 --> 01:05:39,100

paranormally active location we'll all

1409

01:05:45,600 --> 01:05:41,260

put brand new batteries in our equipment

1410

01:05:48,890 --> 01:05:45,610

our cell phones our recorders our

1411

01:05:52,380 --> 01:05:48,900

cameras and as soon as we walk into the

1412

01:05:54,660 --> 01:05:52,390

haunted or paranormal location all of

1413

01:05:56,790 --> 01:05:54,670

our batteries go dead they pull the

1414

01:05:59,790 --> 01:05:56,800

energy right out of those batteries so

1415

01:06:02,520 --> 01:05:59,800

you can provide a source of fuel in your

1416

01:06:05,210 --> 01:06:02,530

home if you want to have communication

1417

01:06:08,610 --> 01:06:05,220

with your loved one now you can't just

1418

01:06:11,580 --> 01:06:08,620

expect them to like you know move the

1419

01:06:13,800 --> 01:06:11,590

ceiling fan and do all these things it's

1420

01:06:15,570 --> 01:06:13,810

very subtle what they'll do it's kind of

1421

01:06:18,240 --> 01:06:15,580

hard for even me to see it so you really

1422

01:06:20,880 --> 01:06:18,250

have to pay attention and ask them to

1423

01:06:23,640 --> 01:06:20,890

give you a sign and also I have to just

1424

01:06:25,230 --> 01:06:23,650

put in here a little disclaimer you have

1425

01:06:27,330 --> 01:06:25,240

to be careful who you invite into your

1426

01:06:28,800 --> 01:06:27,340

home make sure that you're being very

1427

01:06:30,600 --> 01:06:28,810

clear on who you want to come through

1428

01:06:32,250 --> 01:06:30,610

and you're only going to allow your

1429

01:06:35,100 --> 01:06:32,260

loved ones through don't just open the

1430

01:06:37,080 --> 01:06:35,110

door and say whew anybody any spirit out

1431

01:06:40,080 --> 01:06:37,090

there can come in don't do that

1432

01:06:43,320 --> 01:06:40,090

be very clear about who you are inviting

1433

01:06:46,830 --> 01:06:43,330

in because you don't want to invite the

1434

01:06:49,770 --> 01:06:46,840

wrong ones in and I use ice age my

1435

01:06:52,430 --> 01:06:49,780

office space a burn stage and I burn

1436

01:06:55,110 --> 01:06:52,440

Palo Santo which is a holy wood that

1437

01:06:57,810 --> 01:06:55,120

helps clear out negative energies and

1438

01:06:59,750 --> 01:06:57,820

there's a process to do that but those

1439

01:07:05,070 --> 01:06:59,760

are some things that you can do at home

1440

01:07:06,330 --> 01:07:05,080

to encourage spirit communication but

1441

01:07:11,340 --> 01:07:06,340

just be very clear that you're only

1442

01:07:12,660 --> 01:07:11,350

inviting your loved ones Wow yeah

1443

01:07:14,550 --> 01:07:12,670

absolutely

1444

01:07:16,920 --> 01:07:14,560

you don't want to just leave and open do

1445

01:07:19,650 --> 01:07:16,930

I have an open-door policy there no

1446

01:07:21,060 --> 01:07:19,660

don't do that I had someone in chat

1447

01:07:23,670 --> 01:07:21,070

asked me what's the difference between a

1448

01:07:26,250 --> 01:07:23,680

communicator in a medium well an animal

1449

01:07:27,780 --> 01:07:26,260

communicator obviously communicates and

1450

01:07:31,640 --> 01:07:27,790

translates messages back and forth

1451

01:07:34,320 --> 01:07:31,650

between animals and humans and a medium

1452

01:07:38,250 --> 01:07:34,330

translates departed

1453

01:07:41,100 --> 01:07:38,260

human messages so I am able to connect

1454

01:07:43,650 --> 01:07:41,110

with humans who have crossed over just

1455

01:07:46,500 --> 01:07:43,660

like I do with animals who have crossed

1456

01:07:49,020 --> 01:07:46,510

over and I can relay those messages back

1457

01:07:51,900 --> 01:07:49,030

and forth and the interesting thing is

1458

01:07:54,030 --> 01:07:51,910

the difference between communicating

1459

01:07:58,470 --> 01:07:54,040

with an animal versus communicating with

1460

01:08:03,120 --> 01:07:58,480

a human is the human vibrates at a

1461

01:08:05,700 --> 01:08:03,130

higher speed so it's a little bit harder

1462

01:08:07,440 --> 01:08:05,710

or in some cases it's a lot harder to

1463

01:08:11,310 --> 01:08:07,450

hear their messages because they're

1464

01:08:14,100 --> 01:08:11,320

vibrating faster so the messages go by

1465

01:08:17,400 --> 01:08:14,110

really fast where an animal's message

1466

01:08:22,440 --> 01:08:17,410

will go by slower much like the blades

1467

01:08:24,720 --> 01:08:22,450

of a fan spinning on high versus low no

1468

01:08:28,940 --> 01:08:24,730

that's the difference the process to

1469

01:08:31,410 --> 01:08:28,950

connect is the same and the intention is

1470

01:08:33,450 --> 01:08:31,420

always you have to put your intention

1471

01:08:35,340 --> 01:08:33,460

like I said don't just invite every

1472

01:08:37,829 --> 01:08:35,350

spirit in the world to come visit you

1473

01:08:39,420 --> 01:08:37,839

and and manifest in your living room

1474

01:08:41,940 --> 01:08:39,430

don't do that

1475

01:08:45,300 --> 01:08:41,950

and I'm very specific as to who I invite

1476

01:08:48,060 --> 01:08:45,310

in and I have a process that I use and I

1477

01:08:50,040 --> 01:08:48,070

cleanse my office and Ice Age and I

1478

01:08:51,780 --> 01:08:50,050

smudge and I do all the stuff I'm

1479

01:08:57,770 --> 01:08:51,790

supposed to do I do a prayer a

1480

01:09:00,540 --> 01:08:57,780

protection I do a blessing I'm very very

1481

01:09:02,550 --> 01:09:00,550

methodical about my process and you

1482

01:09:07,260 --> 01:09:02,560

should be too because you don't want to

1483

01:09:08,670 --> 01:09:07,270

invite the wrong energies in yeah

1484

01:09:11,550 --> 01:09:08,680

absolutely

1485

01:09:13,800 --> 01:09:11,560

oh that's really interesting and you

1486

01:09:16,440 --> 01:09:13,810

were talking about using items that can

1487

01:09:18,090 --> 01:09:16,450

provide energy like electronic equipment

1488

01:09:21,620 --> 01:09:18,100

but you also talked about things like

1489

01:09:26,130 --> 01:09:21,630

crystals and and then you mentioned

1490

01:09:29,340 --> 01:09:26,140

about putting a wind chime up in an area

1491

01:09:31,860 --> 01:09:29,350

where there is not any draft or

1492

01:09:34,680 --> 01:09:31,870

something else that you know is hanging

1493

01:09:39,030 --> 01:09:34,690

there that can be easily easily moved

1494

01:09:41,190 --> 01:09:39,040

because they as you said you know it

1495

01:09:45,360 --> 01:09:41,200

takes a lot of energy for them to to

1496

01:09:47,999 --> 01:09:45,370

interact with us on this plane so these

1497

01:09:50,430 --> 01:09:48,009

are all things that we can use as

1498

01:09:54,720 --> 01:09:50,440

in terms of communicating with humans as

1499

01:09:57,479 --> 01:09:54,730

well as animals absolutely and you know

1500

01:09:58,680 --> 01:09:57,489

usually what animals will do and here's

1501

01:10:00,299 --> 01:09:58,690

how you can tell the difference

1502

01:10:02,040 --> 01:10:00,309

and mostly usually be in their same

1503

01:10:04,020 --> 01:10:02,050

places that were their favorite places

1504

01:10:06,689 --> 01:10:04,030

when they were here in life so on the

1505

01:10:08,520 --> 01:10:06,699

bed or next year feet or wherever they

1506

01:10:11,220 --> 01:10:08,530

hung out when they were alive that's

1507

01:10:12,540 --> 01:10:11,230

generally where they will hang out once

1508

01:10:14,580 --> 01:10:12,550

they have crossed over

1509

01:10:16,439 --> 01:10:14,590

mmm their energy will concentrate in

1510

01:10:18,839 --> 01:10:16,449

those same areas you might feel a warmth

1511

01:10:21,390 --> 01:10:18,849

there when there shouldn't be a warmth

1512

01:10:23,359 --> 01:10:21,400

you may feel a cool patch of air where

1513

01:10:26,520 --> 01:10:23,369

there shouldn't be a cool patch of air

1514

01:10:28,379 --> 01:10:26,530

you may feel them brush up against you

1515

01:10:31,140 --> 01:10:28,389

now of course your pets gonna be down

1516

01:10:34,229 --> 01:10:31,150

you know knee level ankle your pets

1517

01:10:36,000 --> 01:10:34,239

gonna be down in that area or generally

1518

01:10:37,470 --> 01:10:36,010

speaking that's where you'll feel them

1519

01:10:40,229 --> 01:10:37,480

when I'm in my office working I'm

1520

01:10:42,120 --> 01:10:40,239

sitting at a desk and I will often feel

1521

01:10:44,939 --> 01:10:42,130

them brush up against my leg and I will

1522

01:10:46,620 --> 01:10:44,949

think that it's one of my own coming in

1523

01:10:48,419 --> 01:10:46,630

here and say hey mom get off the phone

1524

01:10:50,250 --> 01:10:48,429

who why are you talking to those animals

1525

01:10:53,910 --> 01:10:50,260

they're not talking to us and I look

1526

01:10:58,560 --> 01:10:53,920

down and there's nobody there so they'll

1527

01:10:59,879 --> 01:10:58,570

come in and brush up against me and and

1528

01:11:02,220 --> 01:10:59,889

they'll do things that they would

1529

01:11:04,560 --> 01:11:02,230

normally do but again it's very subtle

1530

01:11:06,950 --> 01:11:04,570

you have to be paying attention and when

1531

01:11:09,600 --> 01:11:06,960

I'm working I'm in work mode so I'm

1532

01:11:12,990 --> 01:11:09,610

hypersensitive I have all of my

1533

01:11:16,379 --> 01:11:13,000

abilities wide open and I am bringing

1534

01:11:19,350 --> 01:11:16,389

all this information in so we as humans

1535

01:11:20,790 --> 01:11:19,360

were generally not that open and you

1536

01:11:22,319 --> 01:11:20,800

shouldn't be that open you should shut

1537

01:11:25,589 --> 01:11:22,329

it down when you're not using it because

1538

01:11:27,750 --> 01:11:25,599

you'll get drained and you know that's a

1539

01:11:29,339 --> 01:11:27,760

whole other story but there's a whole

1540

01:11:31,500 --> 01:11:29,349

thing there's a whole process to go to

1541

01:11:33,299 --> 01:11:31,510

for psychic protection to protect

1542

01:11:35,609 --> 01:11:33,309

yourself before any communication

1543

01:11:37,620 --> 01:11:35,619

session and I highly recommend you check

1544

01:11:39,540 --> 01:11:37,630

into it before you start doing it

1545

01:11:41,040 --> 01:11:39,550

because I don't begin any session

1546

01:11:43,350 --> 01:11:41,050

without a prayer and a blessing and the

1547

01:11:45,359 --> 01:11:43,360

whole smudging and saging thing but now

1548

01:11:48,359 --> 01:11:45,369

humans on the other hand when they come

1549

01:11:50,970 --> 01:11:48,369

through they generally won't come around

1550

01:11:52,919 --> 01:11:50,980

here your knees or your feet like that

1551

01:11:53,819 --> 01:11:52,929

they're not going to be down there at

1552

01:11:55,799 --> 01:11:53,829

knee level

1553

01:11:58,500 --> 01:11:55,809

what they'll usually do is they'll

1554

01:12:00,839 --> 01:11:58,510

usually touch your face they'll brush a

1555

01:12:01,650 --> 01:12:00,849

hand across your hair like you think

1556

01:12:03,390 --> 01:12:01,660

you'll feel

1557

01:12:05,280 --> 01:12:03,400

singers going through your hair you

1558

01:12:07,500 --> 01:12:05,290

might even feel like cobwebs going

1559

01:12:09,630 --> 01:12:07,510

across your face or your hands where

1560

01:12:13,440 --> 01:12:09,640

there's no cobwebs oh I'm getting chills

1561

01:12:15,800 --> 01:12:13,450

right now noon and chills news are a

1562

01:12:18,450 --> 01:12:15,810

sign that there's a spirit nearby

1563

01:12:20,130 --> 01:12:18,460

there's all kinds of ways that they can

1564

01:12:21,840 --> 01:12:20,140

let us know that they're around you just

1565

01:12:24,780 --> 01:12:21,850

have to pay attention and then if it

1566

01:12:26,910 --> 01:12:24,790

happens say oh my gosh was that you do

1567

01:12:28,830 --> 01:12:26,920

it again do it again do it again and you

1568

01:12:32,130 --> 01:12:28,840

have to get excited about it because if

1569

01:12:36,960 --> 01:12:32,140

they try to let you know they're here

1570

01:12:39,120 --> 01:12:36,970

and you discount it or disregard it they

1571

01:12:41,940 --> 01:12:39,130

won't cause hard next time because

1572

01:12:45,540 --> 01:12:41,950

you're not gonna acknowledge it it's

1573

01:12:47,010 --> 01:12:45,550

like you see where they try so many

1574

01:12:48,780 --> 01:12:47,020

times and if you're not going to know

1575

01:12:52,020 --> 01:12:48,790

acknowledge it they're gonna get tired

1576

01:12:54,810 --> 01:12:52,030

of trying you know no I just had a

1577

01:12:59,160 --> 01:12:54,820

thought and I don't even know if this is

1578

01:13:02,940 --> 01:12:59,170

viable or not but if you know you say

1579

01:13:06,090 --> 01:13:02,950

they need energy if we see a subtle sign

1580

01:13:11,460 --> 01:13:06,100

of some kind and we get all excited and

1581

01:13:14,340 --> 01:13:11,470

and happy and say oh is that you and do

1582

01:13:17,370 --> 01:13:14,350

it again like you said does that help

1583

01:13:21,390 --> 01:13:17,380

them energetically can they draw from us

1584

01:13:23,880 --> 01:13:21,400

as well yes they can in fact that's what

1585

01:13:25,440 --> 01:13:23,890

they'll usually draw from when they're

1586

01:13:27,840 --> 01:13:25,450

trying to get a message through to you

1587

01:13:30,840 --> 01:13:27,850

they're gonna draw from your energy and

1588

01:13:32,670 --> 01:13:30,850

this is really an interesting story the

1589

01:13:36,480 --> 01:13:32,680

majority of the time when I see spirits

1590

01:13:40,590 --> 01:13:36,490

manifesting human spirits are on when

1591

01:13:42,120 --> 01:13:40,600

I'm on a airplane really anyway yeah I

1592

01:13:46,260 --> 01:13:42,130

want you to think about it for a minute

1593

01:13:50,220 --> 01:13:46,270

um spirits draw from energy and where

1594

01:13:52,470 --> 01:13:50,230

our emotions and emotions create energy

1595

01:13:54,240 --> 01:13:52,480

and emotions are at their highest point

1596

01:13:57,530 --> 01:13:54,250

on airplanes because people are afraid

1597

01:14:00,570 --> 01:13:57,540

of flying and they're afraid of dying

1598

01:14:04,040 --> 01:14:00,580

so there's a lot of supercharged energy

1599

01:14:06,810 --> 01:14:04,050

on an airplane and I have seen more

1600

01:14:09,810 --> 01:14:06,820

manifestations on airplanes than I have

1601

01:14:11,790 --> 01:14:09,820

even in cemeteries isn't that

1602

01:14:15,149 --> 01:14:11,800

interesting what's something that you've

1603

01:14:18,239 --> 01:14:15,159

seen on an airplane use your experience

1604

01:14:19,949 --> 01:14:18,249

oh my gosh I had this one spirit that

1605

01:14:25,589 --> 01:14:19,959

came through to me I was on my way back

1606

01:14:28,439 --> 01:14:25,599

from a psychic Expo and she was very

1607

01:14:32,759 --> 01:14:28,449

insistent that I tell her son that she

1608

01:14:35,009 --> 01:14:32,769

was okay and it was a lady and I told

1609

01:14:37,529 --> 01:14:35,019

her very quietly in my mind I'm sorry

1610

01:14:40,529 --> 01:14:37,539

but I don't know who your son is and I

1611

01:14:42,750 --> 01:14:40,539

can't help you because they start snow

1612

01:14:45,270 --> 01:14:42,760

who can who can hear them and yeah I'll

1613

01:14:47,040 --> 01:14:45,280

bug you so you have to put up your

1614

01:14:48,659 --> 01:14:47,050

boundaries and just tell them no I've

1615

01:14:50,009 --> 01:14:48,669

been shaking out about it like four

1616

01:14:51,839 --> 01:14:50,019

o'clock in the morning before because

1617

01:14:55,040 --> 01:14:51,849

they were ready for their session that's

1618

01:14:58,109 --> 01:14:55,050

like go away leave me alone

1619

01:15:00,600 --> 01:14:58,119

anyway she kept bugging me she kept

1620

01:15:02,429 --> 01:15:00,610

showing up and like getting right in my

1621

01:15:04,080 --> 01:15:02,439

face and she said you need to tell him

1622

01:15:06,600 --> 01:15:04,090

you need to tell my son I'm okay and I

1623

01:15:08,429 --> 01:15:06,610

said I'm sorry but I don't know who your

1624

01:15:10,080 --> 01:15:08,439

son is and I don't just walk up to total

1625

01:15:13,560 --> 01:15:10,090

strangers I don't do that

1626

01:15:16,080 --> 01:15:13,570

I'm very respectful that other people

1627

01:15:18,149 --> 01:15:16,090

may not believe in what I do and it may

1628

01:15:20,759 --> 01:15:18,159

be against their religion or their

1629

01:15:23,790 --> 01:15:20,769

beliefs and so I don't intrude I only go

1630

01:15:25,979 --> 01:15:23,800

where I'm invited to go and so I kept

1631

01:15:27,600 --> 01:15:25,989

politely telling this lady I'm sorry I

1632

01:15:29,640 --> 01:15:27,610

can't help you and she and I said I

1633

01:15:33,000 --> 01:15:29,650

don't even know where he is and she said

1634

01:15:35,969 --> 01:15:33,010

to me he's right there and so I looked

1635

01:15:39,359 --> 01:15:35,979

on my shoulder and I saw a capital

1636

01:15:42,120 --> 01:15:39,369

letter M floating over the head of this

1637

01:15:43,709 --> 01:15:42,130

man like five or six rows back and she

1638

01:15:47,250 --> 01:15:43,719

said his name is Michael and he's

1639

01:15:52,409 --> 01:15:47,260

sitting right there that was cool

1640

01:15:54,120 --> 01:15:52,419

because I was like oh my gosh and as I

1641

01:15:56,219 --> 01:15:54,130

was leaving the plane of course I did

1642

01:15:58,399 --> 01:15:56,229

not go back and say anything to him I

1643

01:16:02,219 --> 01:15:58,409

wouldn't do that that's not how I work

1644

01:16:04,739 --> 01:16:02,229

but as I was leaving the plane I was

1645

01:16:06,149 --> 01:16:04,749

ahead of him but I turned around and I

1646

01:16:09,330 --> 01:16:06,159

looked back and I could see her

1647

01:16:14,819 --> 01:16:09,340

following him so she was right with her

1648

01:16:16,370 --> 01:16:14,829

son so that was kind of cool wow that is

1649

01:16:19,709 --> 01:16:16,380

amazing

1650

01:16:24,179 --> 01:16:19,719

she she showed you who he was

1651
01:16:26,520 --> 01:16:24,189
