awesome so shall we bring him up yes

46

00:03:20,409 --> 00:03:16,670

47

00:03:22,979 --> 00:03:20,419

Robbie are you with us yes I am thank

48

00:03:24,490 --> 00:03:22,989

you so much for having me tonight

49

00:03:26,530 --> 00:03:24,500

welcome to Peru

50

00:03:29,560 --> 00:03:26,540

so universe and thanks for coming on the

51
00:03:30,880 --> 00:03:29,570
show yeah thank you for coming on no

52
00:03:34,680 --> 00:03:30,890
it's my pleasure thanks for having me

53
00:03:37,360 --> 00:03:34,690
guys so we got to start at the beginning

54
00:03:41,410 --> 00:03:37,370
how did your abilities in this line of

55
00:03:43,990 --> 00:03:41,420
work start in the line of work itself or

56
00:03:45,910 --> 00:03:44,000
as a child growing up well why don't you

57
00:03:49,350 --> 00:03:45,920
start with uh well the abilities and

58
00:03:53,680 --> 00:03:49,360
then how they're progressing yeah okay

59
00:03:57,070 --> 00:03:53,690
back in the early 60s if you were a

60
00:03:59,710 --> 00:03:57,080
single mother and you had a child out of

61
00:04:02,170 --> 00:03:59,720
wedlock the roman catholic church would

62
00:04:05,020 --> 00:04:02,180
take your baby away from you and put it

63
00:04:08,190 --> 00:04:05,030

up for adoption so my mother met this

64

00:04:11,380 --> 00:04:08,200

gentleman who promised her the world he

65

00:04:13,810 --> 00:04:11,390

they had a child together and obviously

66

00:04:16,960 --> 00:04:13,820

they didn't stay together so my mother

67

00:04:19,900 --> 00:04:16,970

was a single mom the roman catholic

68

00:04:21,630 --> 00:04:19,910

church intervened took the baby away he

69

00:04:24,880 --> 00:04:21,640

gave the baby up for adoption

70

00:04:28,300 --> 00:04:24,890

now years later my mother means my

71

00:04:30,250 --> 00:04:28,310

father marries him then have me so you

72

00:04:35,050 --> 00:04:30,260

have this young child aged 2 running

73

00:04:37,690 --> 00:04:35,060

around going am i adopted or do I have a

74

00:04:42,159 --> 00:04:37,700

sister or something it's part of me okay

75

00:04:45,070 --> 00:04:42,169

and I used to say that often so now if I

76

00:04:50,230 --> 00:04:45,080

forward up to 1990 for my mother's

77

00:04:53,290 --> 00:04:50,240

funeral and we get pulled aside her

78

00:04:56,080 --> 00:04:53,300

brother her her sister my aunt and uncle

79

00:04:58,930 --> 00:04:56,090

pull me aside we're in the park and she

80

00:05:00,969 --> 00:04:58,940

may say to me all those years you were

81

00:05:03,790 --> 00:05:00,979

right there was another part of you out

82

00:05:07,240 --> 00:05:03,800

there her name is Mary and she's been

83

00:05:10,300 --> 00:05:07,250

looking for you so it all joined in

84

00:05:15,370 --> 00:05:10,310

everything just became one a new voice

85

00:05:19,320 --> 00:05:15,380

going on and we did a special was like a

86

00:05:22,719 --> 00:05:19,330

reunification and where I met my sister

87

00:05:25,060 --> 00:05:22,729

it was great and then going back to to

88

00:05:26,800 --> 00:05:25,070

explain my abilities from each to off

89

00:05:28,150 --> 00:05:26,810

until then and knowing the fact that

90

00:05:32,020 --> 00:05:28,160

there was another people

91

00:05:35,230 --> 00:05:32,030

there I looked back at that anything you

92

00:05:37,990 --> 00:05:35,240

know demikhov's fathers my mother in her

93

00:05:40,660 --> 00:05:38,000

heart because as a child you don't think

94

00:05:42,610 --> 00:05:40,670

you you say these things so it just kept

95

00:05:43,060 --> 00:05:42,620

that and kept at it but she kept it a

96

00:05:46,210 --> 00:05:43,070

secret

97

00:05:48,340 --> 00:05:46,220

it must have really burden her how she

98

00:05:50,020 --> 00:05:48,350

had another child out there as the

99

00:05:53,380 --> 00:05:50,030

church stepped in took the child away

100

00:05:56,170 --> 00:05:53,390

from now getting into the part of me

101
00:05:59,050 --> 00:05:56,180
becoming a police officer the very first

102
00:06:02,790 --> 00:05:59,060
time I was hired on I went through the

103
00:06:06,580 --> 00:06:02,800
screening the testing the physical veto

104
00:06:09,580 --> 00:06:06,590
hunters candidate hit that and then they

105
00:06:11,320 --> 00:06:09,590
took three axillary now I'm sitting in

106
00:06:14,020 --> 00:06:11,330
the office work with two other ancillary

107
00:06:16,390 --> 00:06:14,030
and the chief of police comes in he had

108
00:06:19,570 --> 00:06:16,400
his eye on me and he welcomed the other

109
00:06:21,880 --> 00:06:19,580
two and he sat down in his chair big

110
00:06:25,270 --> 00:06:21,890
smile on face the big burly fella and

111
00:06:28,180 --> 00:06:25,280
he's got the paperwork and he says shine

112
00:06:30,910 --> 00:06:28,190
how old it and I said I'm seventeen

113
00:06:33,460 --> 00:06:30,920

tonight I was just full of fire and wine

114

00:06:36,010 --> 00:06:33,470

to be a police officer so bad and you

115

00:06:38,410 --> 00:06:36,020

had to be 20 to be an auxiliary so I was

116

00:06:40,510 --> 00:06:38,420

hired and fired in the first day I

117

00:06:42,910 --> 00:06:40,520

remember that and I remember everybody

118

00:06:45,760 --> 00:06:42,920

laughing about it so then I you know I'd

119

00:06:48,850 --> 00:06:45,770

never gave up I pursued and I persisted

120

00:06:52,090 --> 00:06:48,860

and I became a police officer at age 21

121

00:06:55,450 --> 00:06:52,100

20 21 in a town outside of Toronto

122

00:06:57,940 --> 00:06:55,460

Canada in the Peel Region area so after

123

00:07:00,040 --> 00:06:57,950

I was hired on and did true again the

124

00:07:01,570 --> 00:07:00,050

testing that the psychological testing

125

00:07:04,120 --> 00:07:01,580

the physical testing very rigorous

126

00:07:07,090 --> 00:07:04,130

testing going on I'm back home now

127

00:07:10,570 --> 00:07:07,100

sitting in my kitchen and this ladies

128

00:07:13,450 --> 00:07:10,580

screaming accident accident so I run out

129

00:07:15,070 --> 00:07:13,460

the back door I'm wanting to help can I

130

00:07:17,560 --> 00:07:15,080

hop the fence and I see you're in a robe

131

00:07:20,050 --> 00:07:17,570

and she's pointing down the laneway of

132

00:07:22,030 --> 00:07:20,060

all these row of townhomes so that I'm

133

00:07:25,090 --> 00:07:22,040

running as fast as I can I'm falling I'm

134

00:07:28,270 --> 00:07:25,100

following the road well the cars apart

135

00:07:29,710 --> 00:07:28,280

and it's curving into the street so I'm

136

00:07:31,210 --> 00:07:29,720

looking for our cars and there's no cars

137

00:07:34,390 --> 00:07:31,220

there's no accident and this gentleman

138

00:07:36,550 --> 00:07:34,400

says no over here so I turn to my left

139

00:07:37,779 --> 00:07:36,560

and looked and I run over to him now I'm

140

00:07:39,640 --> 00:07:37,789

still thinking there's an accident

141

00:07:41,440 --> 00:07:39,650

because that's what I was told and I'm

142

00:07:42,159 --> 00:07:41,450

looking on the floor and then I get

143

00:07:43,600 --> 00:07:42,169

inside

144

00:07:45,580 --> 00:07:43,610

kitchen area and there's a lady running

145

00:07:46,629 --> 00:07:45,590

around the table screaming then look to

146

00:07:49,059 --> 00:07:46,639

my right and there's a man holding a

147

00:07:51,670 --> 00:07:49,069

doorknob to a door and he raised me over

148

00:07:55,510 --> 00:07:51,680

so I go over to him he opens the door

149

00:07:57,519 --> 00:07:55,520

grabs me pushes me in shuts the door but

150

00:07:59,649 --> 00:07:57,529

I'm still thinking accident I'm looking

151

00:08:01,570 --> 00:07:59,659

for blood on the floor and then all of a

152

00:08:03,760 --> 00:08:01,580

sudden my eyes look up and it met the

153

00:08:06,330 --> 00:08:03,770

gentleman inside the bathroom his eyes

154

00:08:08,469 --> 00:08:06,340

are open and let's work and of blue now

155

00:08:11,499 --> 00:08:08,479

you when you when somebody comes into

156

00:08:14,980 --> 00:08:11,509

something like that either freak or you

157

00:08:19,839 --> 00:08:14,990

know the mentality of training steps in

158

00:08:21,429 --> 00:08:19,849

and going through the CPR that course

159

00:08:22,540 --> 00:08:21,439

and everything because you have to have

160

00:08:24,399 --> 00:08:22,550

that to go through to be a police

161

00:08:26,679 --> 00:08:24,409

officer I went over and I started

162

00:08:28,629 --> 00:08:26,689

checking vitals so I'm checking vitals I

163

00:08:31,869 --> 00:08:28,639

don't get a pulse so I'm gonna start to

164

00:08:34,389 --> 00:08:31,879

do CPR I'm doing CPR and I hear let me

165

00:08:36,969 --> 00:08:34,399

go I stopped for a moment I'm not

166

00:08:39,819 --> 00:08:36,979

thinking that yeah I know I can hear and

167

00:08:41,980 --> 00:08:39,829

see things but this this doesn't click

168

00:08:44,230 --> 00:08:41,990

in I'm thinking okay I didn't hear that

169

00:08:47,350 --> 00:08:44,240

I'm gonna do CPR I go back to do CPR

170

00:08:50,620 --> 00:08:47,360

again and it was very loud let me go and

171

00:08:54,400 --> 00:08:50,630

so I stopped and I backed up out of the

172

00:08:58,750 --> 00:08:54,410

bathroom and that was it the following

173

00:09:00,220 --> 00:08:58,760

day I get wind because this turned out

174

00:09:01,750 --> 00:09:00,230

to be my sister's best friend's father

175

00:09:04,689 --> 00:09:01,760

that died and I did not know is very

176

00:09:06,910 --> 00:09:04,699

uncanny story but I got wind through my

177

00:09:09,040 --> 00:09:06,920

sister that the gentleman had a massive

178

00:09:11,500 --> 00:09:09,050

coronary he had a tear in the wall of

179

00:09:14,410 --> 00:09:11,510

his heart there was no way I was going

180

00:09:18,939 --> 00:09:14,420

to be able to revive him or save his

181

00:09:20,500 --> 00:09:18,949

life regardless so I decided well I'm

182

00:09:22,420 --> 00:09:20,510

hired now I'm going to quit

183

00:09:24,220 --> 00:09:22,430

I just don't there's something different

184

00:09:27,100 --> 00:09:24,230

about me and what I do

185

00:09:28,809 --> 00:09:27,110

my approach and how I see but you don't

186

00:09:30,189 --> 00:09:28,819

you can't quit when you get hired on to

187

00:09:32,949 --> 00:09:30,199

be a police officer they want to know

188

00:09:35,199 --> 00:09:32,959

why so they sent down a film crew a

189

00:09:38,230 --> 00:09:35,209

captain and the sergeant they were

190

00:09:40,750 --> 00:09:38,240

making a working tool for EMTs

191

00:09:43,389 --> 00:09:40,760

firefighters and police officers who

192

00:09:45,759 --> 00:09:43,399

quit under duress well there was no

193

00:09:47,559 --> 00:09:45,769

stress with me well it was just I knew

194

00:09:50,199 --> 00:09:47,569

what I was going to do I was going to

195

00:09:51,280 --> 00:09:50,209

take my path and go in a different venue

196

00:09:53,980 --> 00:09:51,290

if you will

197

00:09:55,780 --> 00:09:53,990

and so we get through all the filming

198

00:09:58,840 --> 00:09:55,790

all the questions

199

00:10:01,510 --> 00:09:58,850

and the last question come up why do you

200

00:10:05,200 --> 00:10:01,520

quit and they say well he was talking to

201
00:10:08,260 --> 00:10:05,210
me and he told me you let him go and the

202
00:10:09,580 --> 00:10:08,270
face their faces were just like they

203
00:10:12,610 --> 00:10:09,590
were staring at me

204
00:10:15,070 --> 00:10:12,620
wanting to look like am I crazy and I

205
00:10:17,080 --> 00:10:15,080
said you know I'm not though he really

206
00:10:21,850 --> 00:10:17,090
did say let me go and that was it so

207
00:10:24,010 --> 00:10:21,860
that's my police career and now for 28

208
00:10:27,670 --> 00:10:24,020
years I've been working with them on the

209
00:10:31,570 --> 00:10:27,680
other side you know that's really

210
00:10:32,800 --> 00:10:31,580
interesting when you are you know I

211
00:10:34,540 --> 00:10:32,810
would imagine that when you work with

212
00:10:35,680 --> 00:10:34,550
the officers they're comfortable with

213
00:10:40,060 --> 00:10:35,690

the fact that you've been through police

214

00:10:43,710 --> 00:10:40,070

academy well I didn't quite get to

215

00:10:46,360 --> 00:10:43,720

police academy I finished all the

216

00:10:48,220 --> 00:10:46,370

testing all the rigorous you know

217

00:10:50,350 --> 00:10:48,230

testing and psychological everything

218

00:10:53,260 --> 00:10:50,360

hired on and we'll see you in two weeks

219

00:10:55,180 --> 00:10:53,270

type thing and we and I was going where

220

00:10:57,790 --> 00:10:55,190

I lived is a different town outside of

221

00:11:00,460 --> 00:10:57,800

Peel Region Capote mm I'd say maybe two

222

00:11:03,970 --> 00:11:00,470

and a half hours three hours away I was

223

00:11:06,670 --> 00:11:03,980

getting ready to move house to peel and

224

00:11:10,840 --> 00:11:06,680

then go through the test the Academy

225

00:11:13,420 --> 00:11:10,850

Elmer and yeah so I was almost there and

226

00:11:18,250 --> 00:11:13,430

I was hired and I was almost there had

227

00:11:21,100 --> 00:11:18,260

my foot in the door Kevin that you know

228

00:11:24,970 --> 00:11:21,110

it's it's uh it reminds me uh when I was

229

00:11:30,610 --> 00:11:24,980

young I had an opportunity to be a

230

00:11:32,980 --> 00:11:30,620

butcher you know for processing meat and

231

00:11:35,050 --> 00:11:32,990

whatnot there was also a musician and

232

00:11:37,990 --> 00:11:35,060

the night before I started the job I had

233

00:11:40,000 --> 00:11:38,000

a dream I'd cut my fingers off and I

234

00:11:43,320 --> 00:11:40,010

know I went in the next day and I

235

00:11:45,520 --> 00:11:43,330

basically I said I I thank you for

236

00:11:47,620 --> 00:11:45,530

having faith in me and thank you for

237

00:11:51,480 --> 00:11:47,630

hiring me and I'm sorry I'm I'm I know

238

00:11:53,530 --> 00:11:51,490

what you're done but I can't do this um

239

00:11:56,250 --> 00:11:53,540

you know whether or not that would have

240

00:12:01,930 --> 00:11:56,260

happened I don't know but that often I

241

00:12:04,680 --> 00:12:01,940

cannot complete so what it you have some

242

00:12:07,570 --> 00:12:04,690

pretty impressive endorsements including

243

00:12:09,010 --> 00:12:07,580

Crimestoppers the Royal Canadian Mounted

244

00:12:13,320 --> 00:12:09,020

Police barracks

245

00:12:15,370 --> 00:12:13,330

departments police officers etc and

246

00:12:16,720 --> 00:12:15,380

going through your book there was quite

247

00:12:19,240 --> 00:12:16,730

a few of them I don't know his page

248

00:12:24,040 --> 00:12:19,250

after page after each and most mediums

249

00:12:28,480 --> 00:12:24,050

don't even have you know you know any

250

00:12:31,600 --> 00:12:28,490

law enforcement endorsements so yes you

251

00:12:33,070 --> 00:12:31,610

still meet resistance from skeptics the

252

00:12:38,110 --> 00:12:33,080

way you may have when you first started

253

00:12:41,170 --> 00:12:38,120

now that you're well known I don't think

254

00:12:46,720 --> 00:12:41,180

it's resistance I think it's jealousy

255

00:12:51,760 --> 00:12:46,730

and the fact that the proof is in the

256

00:12:55,870 --> 00:12:51,770

pudding case after case after case it's

257

00:12:59,050 --> 00:12:55,880

a proven fact there it's been years

258

00:13:00,310 --> 00:12:59,060

I mean there's documentation you know

259

00:13:04,120 --> 00:13:00,320

and that's the reason why I brought the

260

00:13:06,870 --> 00:13:04,130

book out you know there were skeptics or

261

00:13:09,370 --> 00:13:06,880

trolls or whatever you want to call them

262

00:13:11,800 --> 00:13:09,380

usually had stopped John Edwards stop

263

00:13:14,470 --> 00:13:11,810

Sylvia Browne stop van Prague you made a

264

00:13:17,800 --> 00:13:14,480

stop Roddy Thomas so this guy went on

265

00:13:21,490 --> 00:13:17,810

and on and on and built this big Empire

266

00:13:24,520 --> 00:13:21,500

of what have you I bit my tongue and I

267

00:13:28,090 --> 00:13:24,530

just knew one day I'm going to bring

268

00:13:30,190 --> 00:13:28,100

forward complete documentation which all

269

00:13:33,820 --> 00:13:30,200

the law enforcement will openly endorsed

270

00:13:38,830 --> 00:13:33,830

me which they openly do and everything

271

00:13:41,740 --> 00:13:38,840

he says will be squashed instantly so

272

00:13:44,770 --> 00:13:41,750

here every case that he said on his

273

00:13:47,410 --> 00:13:44,780

website is in the book in every case

274

00:13:51,250 --> 00:13:47,420

that I said before was done you have

275

00:13:55,150 --> 00:13:51,260

family letters you have the police

276

00:13:56,890 --> 00:13:55,160

testimonials for that case I've even

277

00:14:01,540 --> 00:13:56,900

thrown in behind the scenes text

278

00:14:05,380 --> 00:14:01,550

messages in emails to to even flavor the

279

00:14:08,350 --> 00:14:05,390

story up so people can see like in just

280

00:14:11,830 --> 00:14:08,360

one case just one case Kevin I could

281

00:14:14,980 --> 00:14:11,840

have put 50 emails which started from

282

00:14:16,930 --> 00:14:14,990

beginning to the end but I wanted to

283

00:14:18,340 --> 00:14:16,940

throw this story in there because I

284

00:14:19,840 --> 00:14:18,350

don't think people wanted to see you

285

00:14:21,250 --> 00:14:19,850

know oh my gosh you saved my baby thank

286

00:14:22,960 --> 00:14:21,260

you very much and me going you're

287

00:14:24,879 --> 00:14:22,970

welcome you know all the way down I just

288

00:14:26,949 --> 00:14:24,889

to put the story in there and then throw

289

00:14:29,139 --> 00:14:26,959

a text message to show that yes I was in

290

00:14:30,730 --> 00:14:29,149

communication with the family I was also

291

00:14:31,980 --> 00:14:30,740

in communication with the police and

292

00:14:34,179 --> 00:14:31,990

then you have the law-enforcement

293

00:14:37,240 --> 00:14:34,189

testimonial telling you I solved this

294

00:14:40,030 --> 00:14:37,250

case so you know anymore

295

00:14:43,809 --> 00:14:40,040

it's the writing's on the wall but

296

00:14:46,329 --> 00:14:43,819

here's the thing people are ignorant in

297

00:14:49,210 --> 00:14:46,339

life and regardless of what's in this

298

00:14:49,689 --> 00:14:49,220

book and tells the truth right to the

299

00:14:52,059 --> 00:14:49,699

tee

300

00:14:54,910 --> 00:14:52,069

even if I brought the families into the

301
00:14:58,240 --> 00:14:54,920
room and the police into the room and

302
00:14:59,980 --> 00:14:58,250
they all say yes he did and the skeptic

303
00:15:02,050 --> 00:14:59,990
sitting in the chair there that sketch

304
00:15:04,119 --> 00:15:02,060
is gonna say you know he didn't so it

305
00:15:07,290 --> 00:15:04,129
doesn't matter it's just you know what I

306
00:15:09,220 --> 00:15:07,300
move on I continue helping families and

307
00:15:12,369 --> 00:15:09,230
that's the way you have to look at it

308
00:15:18,340 --> 00:15:12,379
you can't just toil over it anymore well

309
00:15:21,040 --> 00:15:18,350
son said and yes there's a lot of trolls

310
00:15:23,679 --> 00:15:21,050
out there and we and our every show we

311
00:15:26,079 --> 00:15:23,689
do be and it was saying to the believer

312
00:15:29,530 --> 00:15:26,089
the evidence is overwhelming and to the

313
00:15:31,540 --> 00:15:29,540

skeptic there will never be enough you

314

00:15:33,460 --> 00:15:31,550

know I think that that is exactly what

315

00:15:36,360 --> 00:15:33,470

you're talking about you know there's

316

00:15:40,240 --> 00:15:36,370

just some people out there that you know

317

00:15:42,569 --> 00:15:40,250

they're there for whatever reason you

318

00:15:45,299 --> 00:15:42,579

know that they're just kind of uh

319

00:15:46,920 --> 00:15:45,309

they're not willing to look at facts

320

00:15:50,679 --> 00:15:46,930

they have a predisposition

321

00:15:52,780 --> 00:15:50,689

predisposition um many times it's just

322

00:15:54,780 --> 00:15:52,790

with psychic abilities in general if the

323

00:15:59,230 --> 00:15:54,790

paranormal even exists I mean you can't

324

00:16:00,910 --> 00:15:59,240

they can't even get past that and you

325

00:16:02,470 --> 00:16:00,920

know doing this for as long as we have

326

00:16:05,170 --> 00:16:02,480

and we've just seen so much

327

00:16:07,600 --> 00:16:05,180

documentation on some other people and

328

00:16:11,829 --> 00:16:07,610

from us you know through our society if

329

00:16:14,559 --> 00:16:11,839

the families we help um Turo and again

330

00:16:16,929 --> 00:16:14,569

you know there's and you won't get that

331

00:16:19,030 --> 00:16:16,939

with any genre you know whether it be uh

332

00:16:21,280 --> 00:16:19,040

I should say any genre unknown it

333

00:16:23,049 --> 00:16:21,290

unexplained you know there are so many

334

00:16:25,480 --> 00:16:23,059

UFO sightings if you brought them all

335

00:16:28,900 --> 00:16:25,490

into a coma ha I mean you'd be there for

336

00:16:30,460 --> 00:16:28,910

four months going through them you know

337

00:16:33,160 --> 00:16:30,470

oh absolutely

338

00:16:34,410 --> 00:16:33,170

and yet you know some people just aren't

339

00:16:36,660 --> 00:16:34,420

convinced

340

00:16:39,269 --> 00:16:36,670

going through your book I noticed a

341

00:16:41,220 --> 00:16:39,279

particular case which involved human

342

00:16:44,759 --> 00:16:41,230

trafficking and that's something we

343

00:16:46,470 --> 00:16:44,769

would be asked about regardless um how

344

00:16:50,460 --> 00:16:46,480

often do you run into that and can you

345

00:16:53,490 --> 00:16:50,470

talk about that for a bit yeah I've

346

00:16:56,670 --> 00:16:53,500

brought back and saved a lot of lives

347

00:16:59,519 --> 00:16:56,680

in the scenario of human trafficking I

348

00:17:04,319 --> 00:16:59,529

put a couple in this book and actually

349

00:17:06,870 --> 00:17:04,329

there's three the mother who is the CEO

350

00:17:10,169 --> 00:17:06,880

of Matt Mothers Against Trafficking

351

00:17:12,240 --> 00:17:10,179

humans it's a huge organization that

352

00:17:14,640 --> 00:17:12,250

works worldwide well known through

353

00:17:19,579 --> 00:17:14,650

America's Most Wanted been on television

354

00:17:22,380 --> 00:17:19,589

all over the place she endorses me and

355

00:17:28,409 --> 00:17:22,390

in the book her stories there about her

356

00:17:33,000 --> 00:17:28,419

daughter Jessie now one case back in the

357

00:17:36,990 --> 00:17:33,010

early mid 1990s there was a case where a

358

00:17:45,360 --> 00:17:37,000

lady followed me since then before there

359

00:17:47,659 --> 00:17:45,370

was myspace Twitter all but right so I

360

00:17:51,539 --> 00:17:47,669

had Robbie Thomas Florence and I had

361

00:17:55,169 --> 00:17:51,549

thousands of people watching and

362

00:17:57,990 --> 00:17:55,179

following and what transpired was she

363

00:18:03,000 --> 00:17:58,000

said I never thought I'd have to use you

364

00:18:08,520 --> 00:18:03,010

but my daughter has been taken into the

365

00:18:14,280 --> 00:18:08,530

sex slave trade and she says the

366

00:18:18,000 --> 00:18:14,290

detective is at odds and does not know

367

00:18:20,390 --> 00:18:18,010

what to do can you help and i sat back

368

00:18:25,730 --> 00:18:20,400

and I go Kim I said oh my gosh with uh

369

00:18:29,039 --> 00:18:25,740

look at this and yeah it will help but

370

00:18:33,000 --> 00:18:29,049

the conversation was long throughout the

371

00:18:36,180 --> 00:18:33,010

day and ended up being at least I think

372

00:18:40,380 --> 00:18:36,190

three three phone calls because we

373

00:18:42,930 --> 00:18:40,390

weren't meeting eye-to-eye and I wanted

374

00:18:46,260 --> 00:18:42,940

her to do something she said my family's

375

00:18:47,730 --> 00:18:46,270

conservative I can't do that and what I

376

00:18:50,190 --> 00:18:47,740

wanted to do

377

00:18:53,549 --> 00:18:50,200

because I sensed that they were watching

378

00:18:55,169 --> 00:18:53,559

her social media and her daughter was

379

00:18:56,520 --> 00:18:55,179

watching as well she wasn't that far

380

00:19:00,660 --> 00:18:56,530

gone where they were going to ship her

381

00:19:01,919 --> 00:19:00,670

anywhere and go underground so I said

382

00:19:03,870 --> 00:19:01,929

you have to put this on your social

383

00:19:06,780 --> 00:19:03,880

media and you have to say exactly what I

384

00:19:08,850 --> 00:19:06,790

say and be very stern about it he said I

385

00:19:14,930 --> 00:19:08,860

can't do that so we hung up we had a

386

00:19:18,720 --> 00:19:14,940

discord now the next day rolls around

387

00:19:21,890 --> 00:19:18,730

Kim gives me a call and we're discussing

388

00:19:25,230 --> 00:19:21,900

the same thing and what the scenario of

389

00:19:27,390 --> 00:19:25,240

putting a posting up she says you know

390

00:19:29,250 --> 00:19:27,400

what I can't worry about what my family

391

00:19:30,900 --> 00:19:29,260

thinks I can't worry about what my

392

00:19:32,340 --> 00:19:30,910

friends think and I can't worry about

393

00:19:34,080 --> 00:19:32,350

what every other individual in this

394

00:19:36,360 --> 00:19:34,090

world thinks I have to worry about my

395

00:19:38,130 --> 00:19:36,370

daughter I said that's what I tried to

396

00:19:40,110 --> 00:19:38,140

get through to you that's what you have

397

00:19:42,720 --> 00:19:40,120

to do you don't have to worry about what

398

00:19:44,700 --> 00:19:42,730

the outside elements think feel or what

399

00:19:47,400 --> 00:19:44,710

they say think about what's good for you

400

00:19:49,350 --> 00:19:47,410

and your daughter so we ended up putting

401
00:19:51,090 --> 00:19:49,360
the post up and it was two days later

402
00:19:52,560 --> 00:19:51,100
she had her daughter back and she writes

403
00:19:56,820 --> 00:19:52,570
this big letter and puts it into the

404
00:19:57,690 --> 00:19:56,830
book and she puts in one sentence which

405
00:19:59,310 --> 00:19:57,700
I really love

406
00:20:02,040 --> 00:19:59,320
I don't want people out there to to

407
00:20:04,590 --> 00:20:02,050
really listen to this she puts this in

408
00:20:07,980 --> 00:20:04,600
and he brought my daughter home in

409
00:20:14,250 --> 00:20:07,990
capital letters alive you know that

410
00:20:16,410 --> 00:20:14,260
heartwarming and that's real when we

411
00:20:20,940 --> 00:20:16,420
received thank-you letters it is the

412
00:20:23,730 --> 00:20:20,950
most gratifying thing of all and there's

413
00:20:27,360 --> 00:20:23,740

I there's there's nothing better yeah

414

00:20:30,060 --> 00:20:27,370

you know then like you said the proofs

415

00:20:34,260 --> 00:20:30,070

in the pudding you know you got a look

416

00:20:38,270 --> 00:20:34,270

at the but the end result let's see what

417

00:20:41,700 --> 00:20:38,280

time to forgot it okay if you're

418

00:20:45,299 --> 00:20:41,710

contacted by someone okay walk us

419

00:20:45,930 --> 00:20:45,309

through the general procedure of how it

420

00:20:49,799 --> 00:20:45,940

works

421

00:20:54,390 --> 00:20:49,809

in general how you work yeah absolutely

422

00:20:56,190 --> 00:20:54,400

it's a anymore and I try to reflect back

423

00:20:57,930 --> 00:20:56,200

because you know time flies so much and

424

00:21:00,270 --> 00:20:57,940

there's so many cases I came in on a

425

00:21:01,529 --> 00:21:00,280

weekly basis I get at least a dozen or

426

00:21:05,310 --> 00:21:01,539

more cases we

427

00:21:10,200 --> 00:21:05,320

that come in this office well yeah I

428

00:21:12,570 --> 00:21:10,210

mean I'm hundreds of cases behind it

429

00:21:14,489 --> 00:21:12,580

takes a year to get me on to your case

430

00:21:16,169 --> 00:21:14,499

it surely does

431

00:21:18,919 --> 00:21:16,179

there's a lot of specifics that have to

432

00:21:22,409 --> 00:21:18,929

happen it's a full-time job for me so

433

00:21:24,479 --> 00:21:22,419

yes I do charge yes I do have a fee

434

00:21:28,259 --> 00:21:24,489

because this is my job this is my

435

00:21:30,299 --> 00:21:28,269

profession it's just not that you know I

436

00:21:33,450 --> 00:21:30,309

can run away in the weekend and just

437

00:21:35,999 --> 00:21:33,460

help a family know it's a daily everyday

438

00:21:39,930 --> 00:21:36,009

type thing and sometimes it's two or

439

00:21:41,969 --> 00:21:39,940

three a day you want to have to travel

440

00:21:44,369 --> 00:21:41,979

go on seeing it's even more

441

00:21:46,560 --> 00:21:44,379

I mean I'm gone away from my family a

442

00:21:50,789 --> 00:21:46,570

week at a time putting my life on the

443

00:21:55,080 --> 00:21:50,799

line leaving my family so the procedures

444

00:21:56,879 --> 00:21:55,090

this it's a 50/50 and trying to remember

445

00:21:59,940 --> 00:21:56,889

back when it was just you know the

446

00:22:02,129 --> 00:21:59,950

families first and then then when they

447

00:22:04,799 --> 00:22:02,139

tie me into the police then we go that

448

00:22:07,169 --> 00:22:04,809

route but the police like one one

449

00:22:09,450 --> 00:22:07,179

detective coined the phrase I'm the

450

00:22:12,149 --> 00:22:09,460

rolodex meaning my name is in there they

451

00:22:17,639 --> 00:22:12,159

just call me so it's like a 50/50

452

00:22:20,399 --> 00:22:17,649

anymore and it's the first procedure

453

00:22:22,859 --> 00:22:20,409

part is they contact me we'll go the

454

00:22:25,049 --> 00:22:22,869

family side first and we have a

455

00:22:26,310 --> 00:22:25,059

discussion I get an email and then I'll

456

00:22:28,979 --> 00:22:26,320

write back and I'll tell them the

457

00:22:33,029 --> 00:22:28,989

specifics I have to be in place I have a

458

00:22:34,979 --> 00:22:33,039

very stern policy my policy is on my

459

00:22:38,700 --> 00:22:34,989

website on my contact page

460

00:22:40,619 --> 00:22:38,710

I'm not these social media type people

461

00:22:42,989 --> 00:22:40,629

who say they work with police I actually

462

00:22:44,339 --> 00:22:42,999

do work with police that's why you see

463

00:22:46,529 --> 00:22:44,349

all the endorsements and you mentioned

464

00:22:48,810 --> 00:22:46,539

in the show that some of them don't get

465

00:22:50,279 --> 00:22:48,820

endorse because no law enforcement will

466

00:22:52,739 --> 00:22:50,289

tell you they don't work with mom they

467

00:22:53,930 --> 00:22:52,749

don't work with psychics very few that's

468

00:22:57,450 --> 00:22:53,940

that's for certain

469

00:22:59,580 --> 00:22:57,460

so I put a lot of years into this twenty

470

00:23:02,479 --> 00:22:59,590

eight years of my life giving it to

471

00:23:06,749 --> 00:23:02,489

other people and when you look at it I

472

00:23:09,119 --> 00:23:06,759

make sure that the specifics that our

473

00:23:11,549 --> 00:23:09,129

place are there's no third party people

474

00:23:13,889 --> 00:23:11,559

involved its immediate family only

475

00:23:15,270 --> 00:23:13,899

and then the media family tie in the

476

00:23:18,360 --> 00:23:15,280

police in conjunction

477

00:23:20,820 --> 00:23:18,370

now when knife is brought about in the

478

00:23:23,940 --> 00:23:20,830

letterhead and the official government

479

00:23:26,070 --> 00:23:23,950

document is sent to my office then it

480

00:23:29,970 --> 00:23:26,080

starts because then the channels are

481

00:23:32,670 --> 00:23:29,980

open and I go with the detective now all

482

00:23:34,680 --> 00:23:32,680

the information I transpire only goes to

483

00:23:36,480 --> 00:23:34,690

the detective I'll still speak with the

484

00:23:39,990 --> 00:23:36,490

family but I'm not going to give them

485

00:23:43,230 --> 00:23:40,000

any information I learned over oh my

486

00:23:46,050 --> 00:23:43,240

goodness all these many years that if I

487

00:23:48,660 --> 00:23:46,060

go peep to the family they're running to

488

00:23:49,050 --> 00:23:48,670

look for the murderer so I don't do that

489

00:23:52,470 --> 00:23:49,060

anymore

490

00:23:54,990 --> 00:23:52,480

I keep and that's like 20 years I've

491

00:23:56,640 --> 00:23:55,000

heard that so you just take and give

492

00:23:59,880 --> 00:23:56,650

everything to them but you you be

493

00:24:03,120 --> 00:23:59,890

compassionate but I'm strong too when

494

00:24:05,190 --> 00:24:03,130

when I'm on the job I can't have the

495

00:24:06,360 --> 00:24:05,200

family interfering there's a part in the

496

00:24:07,440 --> 00:24:06,370

book I know you didn't get to read it

497

00:24:09,750 --> 00:24:07,450

it's called the good the bad the ugly

498

00:24:11,940 --> 00:24:09,760

and it's a very good chapter in there a

499

00:24:14,190 --> 00:24:11,950

lot of people have talked to me about it

500

00:24:16,770 --> 00:24:14,200

and they really really truly appreciate

501
00:24:19,440 --> 00:24:16,780
it because I speak of how families

502
00:24:21,810 --> 00:24:19,450
interfere and have more or less screwed

503
00:24:24,390 --> 00:24:21,820
up cases and they can't get involved

504
00:24:27,030 --> 00:24:24,400
like that so we kind of take them to the

505
00:24:29,400 --> 00:24:27,040
side when I'm hired on to do a job and

506
00:24:30,870 --> 00:24:29,410
I'm hired on to find your baby or I'm

507
00:24:33,720 --> 00:24:30,880
hired on to find the guy who killed your

508
00:24:36,090 --> 00:24:33,730
baby I don't need you on scene with me I

509
00:24:38,160 --> 00:24:36,100
don't need you in my back pocket because

510
00:24:41,090 --> 00:24:38,170
I'm working with the detective and we're

511
00:24:45,990 --> 00:24:41,100
doing things proper it's not a very cold

512
00:24:48,720 --> 00:24:46,000
you know saying or or main thing for me

513
00:24:49,380 --> 00:24:48,730

to say I'm not being rash I'm just being

514

00:24:55,650 --> 00:24:49,390

realistic

515

00:24:57,630 --> 00:24:55,660

strong you call me up and the reason why

516

00:25:00,600 --> 00:24:57,640

I'm like this Kevin I've been on scene

517

00:25:02,820 --> 00:25:00,610

and I've had guns pointed at me and I

518

00:25:05,310 --> 00:25:02,830

remember being on on one case and I

519

00:25:07,830 --> 00:25:05,320

remembered a needle a detective Andy

520

00:25:09,270 --> 00:25:07,840

delay he goes I could pull my weapon

521

00:25:11,100 --> 00:25:09,280

faster and you can pull that trigger and

522

00:25:13,320 --> 00:25:11,110

I looked over where he was looking and I

523

00:25:15,000 --> 00:25:13,330

had a shotgun pointed at me it was right

524

00:25:16,920 --> 00:25:15,010

on me I mean all the lady had to do was

525

00:25:19,650 --> 00:25:16,930

sneeze and I wouldn't be here that's

526

00:25:22,350 --> 00:25:19,660

real so when people say they work with

527

00:25:25,140 --> 00:25:22,360

law enforcement and stuff on see I doubt

528

00:25:26,850 --> 00:25:25,150

it highly doubt it that's the real deal

529

00:25:29,160 --> 00:25:26,860

going out and putting your life on the

530

00:25:31,830 --> 00:25:29,170

line for other perfect strangers

531

00:25:35,310 --> 00:25:31,840

my wife has a phrase she's coined it

532

00:25:37,650 --> 00:25:35,320

many many many many moons ago I go out

533

00:25:40,860 --> 00:25:37,660

and put my life on the line for perfect

534

00:25:43,110 --> 00:25:40,870

strangers and it's true and and

535

00:25:44,370 --> 00:25:43,120

sometimes it's not even appreciative you

536

00:25:46,740 --> 00:25:44,380

know but I go out there and do it

537

00:25:49,440 --> 00:25:46,750

regardless because I want the definitive

538

00:25:51,740 --> 00:25:49,450

at the end and the defendant of that the

539

00:25:55,710 --> 00:25:51,750

end is I'm bringing your baby home or

540

00:25:59,390 --> 00:25:55,720

I'm putting the murderer away but your

541

00:26:06,210 --> 00:25:59,400

abilities your five senses heightened or

542

00:26:09,510 --> 00:26:06,220

are they all are they an all together

543

00:26:10,110 --> 00:26:09,520

different scents like six hunts or is it

544

00:26:13,410 --> 00:26:10,120

both

545

00:26:17,370 --> 00:26:13,420

how would you explain that ah it's

546

00:26:18,570 --> 00:26:17,380

everything how can I explain that I did

547

00:26:20,070 --> 00:26:18,580

on the show one time with something was

548

00:26:22,980 --> 00:26:20,080

pretty much a similar question but was a

549

00:26:28,140 --> 00:26:22,990

little different i envelop myself and

550

00:26:30,810 --> 00:26:28,150

it's just me it just becomes me the

551
00:26:33,210 --> 00:26:30,820
automatic hand drawing the tunnel vision

552
00:26:36,240 --> 00:26:33,220
the remote viewing everything that

553
00:26:37,920 --> 00:26:36,250
happens happens for a reason and it does

554
00:26:39,750 --> 00:26:37,930
it by itself it's not that okay I'm

555
00:26:42,180 --> 00:26:39,760
going to do this now and I'm at this

556
00:26:45,660 --> 00:26:42,190
stage and I feel this or I'm gonna you

557
00:26:47,760 --> 00:26:45,670
know encompass this know it is enveloped

558
00:26:51,840 --> 00:26:47,770
within the automatic so it's just

559
00:26:53,040 --> 00:26:51,850
happens I I guess over the years of

560
00:26:54,840 --> 00:26:53,050
growing up like this

561
00:26:58,200 --> 00:26:54,850
in going through the stages of learning

562
00:27:00,360 --> 00:26:58,210
I wrote my first book in 2003 so I've

563
00:27:03,690 --> 00:27:00,370

been an author for a long time and I

564

00:27:06,660 --> 00:27:03,700

then I dealt with it in 2003 explaining

565

00:27:08,940 --> 00:27:06,670

how my peer section would be what could

566

00:27:12,660 --> 00:27:08,950

I be crushed if they found out how I was

567

00:27:16,020 --> 00:27:12,670

how it could see things how I could know

568

00:27:17,910 --> 00:27:16,030

who's bad who could do things and my

569

00:27:21,570 --> 00:27:17,920

very first one-hour television special

570

00:27:24,570 --> 00:27:21,580

one syndication all through in Canada

571

00:27:26,700 --> 00:27:24,580

and the upper parts of America and that

572

00:27:29,790 --> 00:27:26,710

was in 2003 and I explained the same

573

00:27:32,340 --> 00:27:29,800

thing on the television show it's just

574

00:27:34,950 --> 00:27:32,350

it happens it's it's automatic anymore

575

00:27:38,340 --> 00:27:34,960

it's just everything so when I'm I'm

576
00:27:41,400 --> 00:27:38,350
seeing and I'm talking to the murderer

577
00:27:43,200 --> 00:27:41,410
or the one of the suspects and I know

578
00:27:47,310 --> 00:27:43,210
what he did

579
00:27:49,560 --> 00:27:47,320
i've already had a bristol board made up

580
00:27:52,410 --> 00:27:49,570
and i did a profile of him

581
00:27:55,470 --> 00:27:52,420
i profiled his character i profiled what

582
00:27:57,620 --> 00:27:55,480
he did during the double homicide and I

583
00:28:00,360 --> 00:27:57,630
profiled him what he did afterwards

584
00:28:01,980 --> 00:28:00,370
without even meeting his kid not even

585
00:28:04,260 --> 00:28:01,990
seen a picture of him

586
00:28:06,810 --> 00:28:04,270
it was just knowing seeing what was

587
00:28:09,240 --> 00:28:06,820
going on on scene when I was on on the

588
00:28:11,400 --> 00:28:09,250

death scene and we're in the board room

589

00:28:13,710 --> 00:28:11,410

back at the board room and I drew this

590

00:28:15,150 --> 00:28:13,720

all up for the law enforcement so we

591

00:28:17,669 --> 00:28:15,160

went back to talk to the kid in his

592

00:28:20,160 --> 00:28:17,679

driveway and we're playing good cop bad

593

00:28:22,410 --> 00:28:20,170

cop I got the recorder in my hand and

594

00:28:27,150 --> 00:28:22,420

I'm standing like a foot away from this

595

00:28:29,190 --> 00:28:27,160

kid and the officer is just haggling him

596

00:28:30,990 --> 00:28:29,200

with questions he gave up and he says

597

00:28:32,820 --> 00:28:31,000

okay you want to ask some questions go

598

00:28:34,830 --> 00:28:32,830

ahead and I said yeah but he goes just

599

00:28:37,230 --> 00:28:34,840

the meantime he goes just a minute he

600

00:28:39,120 --> 00:28:37,240

pulls out the bristol board of the SUV

601
00:28:41,250 --> 00:28:39,130
puts it on the back of the SUV and says

602
00:28:43,110 --> 00:28:41,260
now I want you to read that read that

603
00:28:45,450 --> 00:28:43,120
now because that's what he said about

604
00:28:47,460 --> 00:28:45,460
you so the kids read in every aspect of

605
00:28:49,169 --> 00:28:47,470
what I wrote and he and he literally

606
00:28:52,080 --> 00:28:49,179
turned white and he just couldn't

607
00:28:54,299 --> 00:28:52,090
believe I got him so I'm sitting there

608
00:28:56,669 --> 00:28:54,309
and in the book and there's no holding

609
00:28:59,400 --> 00:28:56,679
back in any flavor of language I'm a

610
00:29:02,150 --> 00:28:59,410
very raw individual and that's just how

611
00:29:05,640 --> 00:29:02,160
I am I'm just I know I can't say hunt on

612
00:29:07,740 --> 00:29:05,650
TV or radio but I'm very open and that's

613
00:29:10,560 --> 00:29:07,750

how I am so I'm talking away to this kid

614

00:29:12,930 --> 00:29:10,570

and I'm saying you know a select of few

615

00:29:16,200 --> 00:29:12,940

words and sure enough this kid gives me

616

00:29:18,990 --> 00:29:16,210

his confession because he knew I had him

617

00:29:21,590 --> 00:29:19,000

and I remote viewed him before I knew

618

00:29:25,290 --> 00:29:21,600

what he was doing before afterwards and

619

00:29:26,520 --> 00:29:25,300

his whole character if it just enveloped

620

00:29:28,470 --> 00:29:26,530

and that's how it happened so when I get

621

00:29:31,500 --> 00:29:28,480

the automatic hand writing and drawing

622

00:29:34,500 --> 00:29:31,510

it was all there at the same time I

623

00:29:36,750 --> 00:29:34,510

guess you could call it a built in sonar

624

00:29:38,940 --> 00:29:36,760

I don't know what you would need what

625

00:29:42,870 --> 00:29:38,950

you would mimic it or name it I have no

626

00:29:48,120 --> 00:29:44,580

yeah it's difficult to put into words

627

00:29:52,279 --> 00:29:48,130

sometimes um you know exactly how it

628

00:29:57,210 --> 00:29:55,139

all right everybody it is time for our

629

00:29:59,220 --> 00:29:57,220

you're still with us a lot totally right

678
00:32:21,840 --> 00:32:18,430
so I guess let's start this segment with

679
00:32:23,900 --> 00:32:21,850
uh how much I gotta ask how much grief

680
00:32:27,840 --> 00:32:23,910
counseling do you find yourself doing

681
00:32:29,870 --> 00:32:27,850
conserving some of these cases mm-hmm

682
00:32:34,110 --> 00:32:29,880
good question

683
00:32:36,030 --> 00:32:34,120
in the past maybe ten years ago there

684
00:32:39,900 --> 00:32:36,040
was a lot of it I mean I became

685
00:32:42,150 --> 00:32:39,910
everybody's priest psychologist not only

686
00:32:44,640 --> 00:32:42,160
you know being on scene working with the

687
00:32:48,140 --> 00:32:44,650
the law enforcement and what have you so

688
00:32:54,240 --> 00:32:48,150

again it ties it up a lot of my time and

689

00:32:58,110 --> 00:32:54,250

it becomes a 24/7 you know profession I

690

00:33:01,410 --> 00:32:58,120

had to actually distance myself from

691

00:33:04,110 --> 00:33:01,420

that aspect because like I say I get

692

00:33:07,010 --> 00:33:04,120

twelve cases a week come into the office

693

00:33:10,230 --> 00:33:07,020

I'm like a year year-and-a-half out from

694

00:33:12,870 --> 00:33:10,240

helping people and some of the cases are

695

00:33:15,660 --> 00:33:12,880

like the Government of India there's

696

00:33:18,720 --> 00:33:15,670

there's 12 men missing from a boat I

697

00:33:21,450 --> 00:33:18,730

mean big-time cases a lot of cases I

698

00:33:23,549 --> 00:33:21,460

can't get to them because I'm I can't

699

00:33:25,620 --> 00:33:23,559

just say okay I'm shoving Sally from

700

00:33:27,419 --> 00:33:25,630

down the road away and jump on your case

701

00:33:31,290 --> 00:33:27,429

so I mean there's a lot of a lot of

702

00:33:33,690 --> 00:33:31,300

cases if it's very pertinent where I can

703

00:33:36,660 --> 00:33:33,700

fit it in in five minutes and do

704

00:33:38,520 --> 00:33:36,670

something I'd do it but it's very far a

705

00:33:40,799 --> 00:33:38,530

few in between

706

00:33:41,430 --> 00:33:40,809

yes I've gotten called by law

707

00:33:43,080 --> 00:33:41,440

enforcement

708

00:33:46,350 --> 00:33:43,090

we have a missing endangered elderly

709

00:33:48,810 --> 00:33:46,360

lady and I found her in an hour and

710

00:33:51,030 --> 00:33:48,820

brought her home alive okay fine I shot

711

00:33:55,350 --> 00:33:51,040

that in there I did that but the

712

00:33:57,840 --> 00:33:55,360

grieving or the the counseling that's

713

00:34:01,470 --> 00:33:57,850

not my position anymore

714

00:34:04,290 --> 00:34:01,480

my position is like I say I go on I get

715

00:34:05,280 --> 00:34:04,300

the job done and I get it done I go in I

716

00:34:08,430 --> 00:34:05,290

find your baby

717

00:34:09,720 --> 00:34:08,440

I find your missing husband or I go and

718

00:34:12,119 --> 00:34:09,730

out

719

00:34:14,099 --> 00:34:12,129

put a closure to the case and find the

720

00:34:16,980 --> 00:34:14,109

murderer and then I move on to the next

721

00:34:20,030 --> 00:34:16,990

one because there's always another one I

722

00:34:22,829 --> 00:34:20,040

just don't have time to counsel people

723

00:34:26,039 --> 00:34:22,839

and here's the thing too it's not that I

724

00:34:28,789 --> 00:34:26,049

become cold to people or disheartened

725

00:34:32,369 --> 00:34:28,799

it's just that he eats up so much time

726

00:34:35,940 --> 00:34:32,379

that I just have that time to do that

727

00:34:37,740 --> 00:34:35,950

and if I did that alone I couldn't go

728

00:34:40,349 --> 00:34:37,750

out and help people because people want

729

00:34:42,210 --> 00:34:40,359

to talk to you for an hour two hours and

730

00:34:44,960 --> 00:34:42,220

there's just no time and I wish I could

731

00:34:48,839 --> 00:34:44,970

but there's just no time on one person

732

00:34:52,159 --> 00:34:48,849

you know we can relate with that too is

733

00:34:57,030 --> 00:34:52,169

we get a lot of calls and cases a lot

734

00:35:02,730 --> 00:34:57,040

and you just can't get to everybody I

735

00:35:05,789 --> 00:35:02,740

mean especially you know um yeah like

736

00:35:08,180 --> 00:35:05,799

anytime you know we do a big interview

737

00:35:10,680 --> 00:35:08,190

or something you get this influx of

738

00:35:12,450 --> 00:35:10,690

stuff that comes in and you want to help

739

00:35:14,520 --> 00:35:12,460

everybody but like you said for each

740

00:35:17,609 --> 00:35:14,530

individual you're talking about hours

741

00:35:21,390 --> 00:35:17,619

and hours of you know going back and

742

00:35:25,289 --> 00:35:21,400

forth and discussing and you know

743

00:35:29,730 --> 00:35:25,299

whatnot you know all they can do is do

744

00:35:32,309 --> 00:35:29,740

what you can do you know and for you you

745

00:35:35,819 --> 00:35:32,319

know it's just great that you're able to

746

00:35:38,430 --> 00:35:35,829

help people and you know bring people

747

00:35:40,970 --> 00:35:38,440

back and give people hope it's a

748

00:35:44,609 --> 00:35:40,980

wonderful thing yeah definitely

749

00:35:47,309 --> 00:35:44,619

definitely it was amazing what it's so

750

00:35:49,589 --> 00:35:47,319

amazing to hear that somebody like you

751
00:35:52,260 --> 00:35:49,599
would put so much of yourself out there

752
00:35:54,210 --> 00:35:52,270
to help perfect strangers I mean that's

753
00:35:58,950 --> 00:35:54,220
amazing you don't hear about that that

754
00:36:03,329 --> 00:35:58,960
often while we were team right and if it

755
00:36:05,640 --> 00:36:03,339
was you and if I had my baby missing and

756
00:36:06,720 --> 00:36:05,650
you in you and you helped me and

757
00:36:09,059 --> 00:36:06,730
whatever cost

758
00:36:11,579 --> 00:36:09,069
I'd be so appreciative of you for the

759
00:36:14,849 --> 00:36:11,589
rest of my life you know whatever it

760
00:36:17,460 --> 00:36:14,859
would cost me here's the thing I mean I

761
00:36:20,579 --> 00:36:17,470
mean I'm in the DA's office with the FBI

762
00:36:21,390 --> 00:36:20,589
and they're looking at the mom her

763
00:36:23,650 --> 00:36:21,400

daughter's missing

764

00:36:25,660 --> 00:36:23,660

murdered and the DFA turn

765

00:36:28,180 --> 00:36:25,670

goes how much you're willing to pay to

766

00:36:30,880 --> 00:36:28,190

get your daughter back fifty thousand

767

00:36:32,710 --> 00:36:30,890

twenty-five thousand and she did a

768

00:36:35,380 --> 00:36:32,720

little hung her head and then she sat up

769

00:36:36,730 --> 00:36:35,390

she goes and changed a complete subject

770

00:36:38,079 --> 00:36:36,740

she says oh we're putting her

771

00:36:39,730 --> 00:36:38,089

granddaughter through middle school

772

00:36:41,650 --> 00:36:39,740

sixty-four thousand dollars this year

773

00:36:44,710 --> 00:36:41,660

and we're spot her a brand new car

774

00:36:46,270 --> 00:36:44,720

32,000 the DSA looks over at the FBI guy

775

00:36:47,680 --> 00:36:46,280

and I know it's going through the brain

776

00:36:50,109 --> 00:36:47,690

I know what it is

777

00:36:52,450 --> 00:36:50,119

it's like she just said she put almost a

778

00:36:55,089 --> 00:36:52,460

hundred grand over for this child where

779

00:36:58,329 --> 00:36:55,099

you won't spend you know ten grand to

780

00:37:00,069 --> 00:36:58,339

get the DNA analysis of a certain thing

781

00:37:01,450 --> 00:37:00,079

that they're not paying for they needed

782

00:37:04,299 --> 00:37:01,460

the money to do it but she wouldn't do

783

00:37:06,309 --> 00:37:04,309

it so folks it's like your priorities

784

00:37:12,849 --> 00:37:06,319

right priorities and you have to being

785

00:37:15,010 --> 00:37:12,859

straight so yeah I mean you know yeah

786

00:37:17,500 --> 00:37:15,020

because it's it's like before when I

787

00:37:20,319 --> 00:37:17,510

said we you know we make an attempt to

788

00:37:22,029 --> 00:37:20,329

help those that contact us it doesn't

789

00:37:25,029 --> 00:37:22,039

mean necessarily that we're directly

790

00:37:26,650 --> 00:37:25,039

helping them it may be like we will find

791

00:37:28,960 --> 00:37:26,660

somebody else in their area that can

792

00:37:32,620 --> 00:37:28,970

help them or that kind of thing uh uh

793

00:37:36,970 --> 00:37:32,630

and that's a really good point you had

794

00:37:39,789 --> 00:37:36,980

to I have a question for you from Chet

795

00:37:42,670 --> 00:37:39,799

from the chat room have you had any

796

00:37:51,180 --> 00:37:42,680

cases where people have misled and lied

797

00:37:53,559 --> 00:37:51,190

to you for whatever reason yeah you know

798

00:37:56,740 --> 00:37:53,569

no because the way it worked

799

00:38:01,240 --> 00:37:56,750

professionally is again through the

800

00:38:03,339 --> 00:38:01,250

police so I cut out all the BS and if

801
00:38:05,200 --> 00:38:03,349
people come and say you know yeah I can

802
00:38:08,019 --> 00:38:05,210
read through people and if they do and

803
00:38:10,779 --> 00:38:08,029
if they're shooting you a sales pitch or

804
00:38:16,150 --> 00:38:10,789
a line I don't get involved because it's

805
00:38:18,039 --> 00:38:16,160
just BS and the authentic or you the

806
00:38:19,990 --> 00:38:18,049
real deal or whatever you want to call

807
00:38:21,700 --> 00:38:20,000
it that's the title the book is a real

808
00:38:23,799 --> 00:38:21,710
deal doesn't mean it's not me the real

809
00:38:26,829 --> 00:38:23,809
deal is it's cases and it's true that's

810
00:38:30,279 --> 00:38:26,839
what it meant by that the real deal so

811
00:38:31,690 --> 00:38:30,289
if it's real the police I go through

812
00:38:35,049 --> 00:38:31,700
them directly so I cut out all that

813
00:38:37,540 --> 00:38:35,059

other crap and and and don't deal with

814

00:38:39,490 --> 00:38:37,550

it but on the other

815

00:38:42,930 --> 00:38:39,500

and on the flip side of this coin in

816

00:38:46,270 --> 00:38:42,940

that book people are gonna read where

817

00:38:48,910 --> 00:38:46,280

psychics for so-called psychics who say

818

00:38:52,510 --> 00:38:48,920

certain things not a guy was dead in

819

00:38:54,790 --> 00:38:52,520

Mexico buried behind a jail along a

820

00:38:58,660 --> 00:38:54,800

fence line and a family had to live with

821

00:39:01,900 --> 00:38:58,670

that since 1996 to 2010 and I put my

822

00:39:04,300 --> 00:39:01,910

name on the line before my home town I

823

00:39:07,480 --> 00:39:04,310

sold out the Imperial theater and it was

824

00:39:10,030 --> 00:39:07,490

packed I brought that lady onstage with

825

00:39:12,910 --> 00:39:10,040

the police and I gave her homework prior

826

00:39:17,230 --> 00:39:12,920

to coming onstage I found that man a lie

827

00:39:21,040 --> 00:39:17,240

Oh west in Canada and so-called psychic

828

00:39:25,620 --> 00:39:21,050

said he was dead in Mexico and they she

829

00:39:29,520 --> 00:39:25,630

fed off this family from 1996 to 2010

830

00:39:32,230 --> 00:39:29,530

which really hurts us a lot of years and

831

00:39:34,630 --> 00:39:32,240

you look at that and there's other cases

832

00:39:36,250 --> 00:39:34,640

in the book so when when I look at

833

00:39:38,490 --> 00:39:36,260

people and they say yeah I got the

834

00:39:41,080 --> 00:39:38,500

ability I could do this I could do that

835

00:39:43,240 --> 00:39:41,090

here's a thing and I'm not coming down

836

00:39:44,890 --> 00:39:43,250

on everybody I know there's people

837

00:39:47,050 --> 00:39:44,900

better than I am out there there is

838

00:39:49,870 --> 00:39:47,060

there's God there's people out there and

839

00:39:52,480 --> 00:39:49,880

they do it there are doctors

840

00:39:53,770 --> 00:39:52,490

there's physicians there's specialists

841

00:39:57,430 --> 00:39:53,780

there's surgeons

842

00:39:59,230 --> 00:39:57,440

there's pharmacists and you look at all

843

00:40:01,390 --> 00:39:59,240

the variants of all those people they

844

00:40:04,360 --> 00:40:01,400

all have specialty in something so

845

00:40:05,890 --> 00:40:04,370

everybody's different but when you when

846

00:40:07,510 --> 00:40:05,900

you see things like that and it goes

847

00:40:10,390 --> 00:40:07,520

along the lines of is there have been a

848

00:40:12,580 --> 00:40:10,400

lie in a case oh yeah I'm catching

849

00:40:15,070 --> 00:40:12,590

people in lies and hurting folks and I'm

850

00:40:16,450 --> 00:40:15,080

resetting the cases and and I printed it

851

00:40:18,520 --> 00:40:16,460

up it's all in the book I'm bringing a

852

00:40:20,200 --> 00:40:18,530

forward to the truth and who backs it up

853

00:40:22,060 --> 00:40:20,210

the families in the law enforcement

854

00:40:29,250 --> 00:40:22,070

that's that's a good when you make two

855

00:40:35,340 --> 00:40:29,260

is uh you know there are there are

856

00:40:37,300 --> 00:40:35,350

psychics out there who I guess you know

857

00:40:39,250 --> 00:40:37,310

nobody's right a hundred percent of the

858

00:40:41,560 --> 00:40:39,260

time I don't think anybody can know that

859

00:40:44,620 --> 00:40:41,570

no right under percent time so there's

860

00:40:48,300 --> 00:40:44,630

got to be some discretion when you're

861

00:40:50,769 --> 00:40:48,310

working with somebody who is emotional

862

00:40:53,649 --> 00:40:50,779

over something is

863

00:40:56,829 --> 00:40:53,659

very important in their world you know

864

00:41:04,870 --> 00:40:56,839

and you got to be very careful like I

865

00:41:09,029 --> 00:41:04,880

know when Jennifer and Vern do walks for

866

00:41:12,339 --> 00:41:09,039

you know homes and clients and what not

867

00:41:14,549 --> 00:41:12,349

they get impressions did you know if

868

00:41:21,279 --> 00:41:14,559

they pick up anything that is

869

00:41:23,469 --> 00:41:21,289

dramatically unnerving you know they'll

870

00:41:27,219 --> 00:41:23,479

discuss it with the team before its

871

00:41:29,829 --> 00:41:27,229

approach because I'm the chance that

872

00:41:32,199 --> 00:41:29,839

their bond you know that you can win

873

00:41:34,179 --> 00:41:32,209

then you say oh I sense a floating

874

00:41:35,380 --> 00:41:34,189

bloody head over your debt or something

875

00:41:36,789 --> 00:41:35,390

you know I'm talking about Hani case

876

00:41:38,890 --> 00:41:36,799

they opposed to your missing person

877

00:41:41,559 --> 00:41:38,900

cases but it's the ramifications are so

878

00:41:43,299 --> 00:41:41,569

same you know you can flap somebody out

879

00:41:44,529 --> 00:41:43,309

terribly and make the situation worse

880

00:41:46,199 --> 00:41:44,539

and the one thing you never want to do

881

00:41:55,029 --> 00:41:46,209

is make the situation worse

882

00:41:58,089 --> 00:41:55,039

um so let's see I know I understand I

883

00:42:01,390 --> 00:41:58,099

mean you know in the paranormal aspect

884

00:42:02,799 --> 00:42:01,400

I've been in movies back 2005 you know

885

00:42:05,019 --> 00:42:02,809

so I've been in the paranormal myself

886

00:42:06,909 --> 00:42:05,029

for a long time just wrapped up a new TV

887

00:42:09,969 --> 00:42:06,919

series with coexistence with Keith page

888

00:42:11,829 --> 00:42:09,979

from sci-fi channel so we go through the

889

00:42:14,189 --> 00:42:11,839

certain scenarios of what's here what's

890

00:42:18,249 --> 00:42:14,199

there and we thought a lot on film

891

00:42:21,069 --> 00:42:18,259

unvalidated a lot of really good stuff

892

00:42:23,169 --> 00:42:21,079

caught on film there's not snapshots I'm

893

00:42:24,459 --> 00:42:23,179

talking film footage when I would say

894

00:42:27,399 --> 00:42:24,469

this was going on here

895

00:42:30,009 --> 00:42:27,409

and one episode we had a guy we had make

896

00:42:32,559 --> 00:42:30,019

people sign disclosures you cannot film

897

00:42:36,999 --> 00:42:32,569

and put it out there one guy didn't read

898

00:42:39,309 --> 00:42:37,009

the memo and he had Facebook live any

899

00:42:42,459 --> 00:42:39,319

facebook life what we were talking about

900

00:42:44,259 --> 00:42:42,469

was an area and he caught it in hundreds

901
00:42:47,789 --> 00:42:44,269
of people seen it but we had to get it

902
00:42:51,159 --> 00:42:47,799
taken down from Facebook immediately

903
00:42:54,069 --> 00:42:51,169
yeah so I know I know the variants on

904
00:42:57,069 --> 00:42:54,079
one end of the spectrum to actually

905
00:43:00,489 --> 00:42:57,079
working you know real stuff like the

906
00:43:02,469 --> 00:43:00,499
murder cases and what have you there is

907
00:43:05,829 --> 00:43:02,479
a huge difference there but yeah I

908
00:43:10,030 --> 00:43:05,839
understand totally what you're talking

909
00:43:13,069 --> 00:43:10,040
do you ever get flashes of the future

910
00:43:18,190 --> 00:43:13,079
compared to or opposed to it like the

911
00:43:21,740 --> 00:43:18,200
flashes of what's already transpired

912
00:43:22,819 --> 00:43:21,750
yeah you know we talk quantum and we

913
00:43:25,940 --> 00:43:22,829

talk

914

00:43:30,050 --> 00:43:25,950

physics and and what have you I was

915

00:43:33,050 --> 00:43:30,060

writing a script called time shift now

916

00:43:35,870 --> 00:43:33,060

mark Tillman is the original casting

917

00:43:37,040 --> 00:43:35,880

director for it for Stephen King and I

918

00:43:39,559 --> 00:43:37,050

was on the phone with him

919

00:43:42,680 --> 00:43:39,569

and I'm on the phone to don Hutchison of

920

00:43:44,960 --> 00:43:42,690

lift-off productions I'm typing this all

921

00:43:47,660 --> 00:43:44,970

out getting all done and it was just

922

00:43:50,270 --> 00:43:47,670

flowing it was a week before this event

923

00:43:51,829 --> 00:43:50,280

truly happened and it's marked on my

924

00:43:55,520 --> 00:43:51,839

Facebook page you can actually go back

925

00:43:58,270 --> 00:43:55,530

both you guys and go back to March 2011

926
00:44:03,140 --> 00:43:58,280
the week before the earthquake in Japan

927
00:44:06,230 --> 00:44:03,150
and I'm writing in 9.0 earthquake off

928
00:44:10,069 --> 00:44:06,240
the coast of Japan black tsunami the

929
00:44:12,050 --> 00:44:10,079
abyss all this tragic stuff my last

930
00:44:14,690 --> 00:44:12,060
words the night before it happened

931
00:44:17,359 --> 00:44:14,700
March 10th the night before it happened

932
00:44:19,339 --> 00:44:17,369
I said come tomorrow morning what's

933
00:44:21,920 --> 00:44:19,349
going to happen everybody we have to

934
00:44:24,380 --> 00:44:21,930
accept this it's the new there's no

935
00:44:26,300 --> 00:44:24,390
one's had a 9.0 before and the next day

936
00:44:30,170 --> 00:44:26,310
we had a 9.0 earthquake off the coast of

937
00:44:32,930 --> 00:44:30,180
Japan so seeing things before it happens

938
00:44:34,430 --> 00:44:32,940

yeah not getting to the murder case two

939

00:44:37,339 --> 00:44:34,440

days before Victoria Stafford went

940

00:44:39,319 --> 00:44:37,349

missing I seen the treeline scene where

941

00:44:40,849 --> 00:44:39,329

her body went into the tree line I seen

942

00:44:42,589 --> 00:44:40,859

that huge pile of rocks in the debris

943

00:44:45,200 --> 00:44:42,599

that was about 15 feet from the tree

944

00:44:47,720 --> 00:44:45,210

line the laneway the horse and buggy

945

00:44:51,230 --> 00:44:47,730

drawn carriages by the Mennonites and

946

00:44:53,450 --> 00:44:51,240

I'm drawing all this stuff up now here's

947

00:44:55,220 --> 00:44:53,460

a real proof clicker for everybody who's

948

00:44:57,859 --> 00:44:55,230

tuning into this did you go to my

949

00:45:00,170 --> 00:44:57,869

website Robby Thomas net and you go to

950

00:45:03,650 --> 00:45:00,180

the murder missing-persons cages cages

951
00:45:06,380 --> 00:45:03,660
cases and you click all the way down

952
00:45:09,319 --> 00:45:06,390
you'll see 99.9 the Fox fm

953
00:45:11,920 --> 00:45:09,329
you listen to that interview clip herb

954
00:45:14,240 --> 00:45:11,930
you hear the program director he says

955
00:45:16,400 --> 00:45:14,250
yeah I remember you telling me this

956
00:45:18,319 --> 00:45:16,410
stuff before they investigated this and

957
00:45:20,809 --> 00:45:18,329
you showed me all your drawings be

958
00:45:22,249 --> 00:45:20,819
for the investigated this case because I

959
00:45:25,579 --> 00:45:22,259
was a skeptic but I'm gonna believe her

960
00:45:27,890 --> 00:45:25,589
now because he's seen it before I made

961
00:45:29,120 --> 00:45:27,900
sure that somebody's seen it before my

962
00:45:31,390 --> 00:45:29,130
drawings and stuff were handed over to

963
00:45:34,880 --> 00:45:31,400

the police so a showed that was proof

964

00:45:36,049 --> 00:45:34,890

I'm a very intricate individual I do

965

00:45:37,999 --> 00:45:36,059

certain things that make sure

966

00:45:40,939 --> 00:45:38,009

everything's date stamped everything is

967

00:45:42,380 --> 00:45:40,949

looked at before so it's proof because I

968

00:45:44,809 --> 00:45:42,390

went through years of people saying now

969

00:45:46,519 --> 00:45:44,819

you didn't do it so I learned over 28

970

00:45:49,339 --> 00:45:46,529

years yeah this is how you do it

971

00:45:53,059 --> 00:45:49,349

have you ever had a situation where you

972

00:45:56,539 --> 00:45:53,069

were able to pick up on something or

973

00:46:01,910 --> 00:45:56,549

someone yeah you didn't or couldn't act

974

00:46:03,919 --> 00:46:01,920

upon it yeah well Victoria Stafford

975

00:46:05,479 --> 00:46:03,929

going missing you can't stop the

976

00:46:06,529 --> 00:46:05,489

inevitable I know a lot of people say

977

00:46:08,269 --> 00:46:06,539

that there I wish I had the ability

978

00:46:11,120 --> 00:46:08,279

because then I could go out there and

979

00:46:13,870 --> 00:46:11,130

stop and be Superman or spider-man or

980

00:46:17,449 --> 00:46:13,880

whatever hero you want to call yourself

981

00:46:21,049 --> 00:46:17,459

no and it doesn't happen that way I've

982

00:46:23,209 --> 00:46:21,059

seen much before and like Victoria you

983

00:46:25,189 --> 00:46:23,219

can't stop it the 9.0 earthquake a week

984

00:46:27,229 --> 00:46:25,199

before it happened can't stop it can't

985

00:46:28,309 --> 00:46:27,239

warn anybody can't do nothing who's

986

00:46:30,859 --> 00:46:28,319

gonna listen to you you're gonna have a

987

00:46:33,380 --> 00:46:30,869

9.0 earthquake oh sure but you know what

988

00:46:37,339 --> 00:46:33,390

I mean you you you just can't stop the

989

00:46:40,609 --> 00:46:37,349

inevitable there's there are many

990

00:46:44,809 --> 00:46:40,619

scenarios but the point of this that

991

00:46:47,479 --> 00:46:44,819

question and the answer is I don't care

992

00:46:49,789 --> 00:46:47,489

who you are you're rockefeller or

993

00:46:50,539 --> 00:46:49,799

whatever you're not going to stop the

994

00:46:53,359 --> 00:46:50,549

inevitable

995

00:46:58,699 --> 00:46:53,369

you just can't it's going to happen it's

996

00:47:01,429 --> 00:46:58,709

in God's hands so we have another

997

00:47:03,890 --> 00:47:01,439

question for you from the chatroom have

998

00:47:06,769 --> 00:47:03,900

you ever had any encounters with inhuman

999

00:47:11,630 --> 00:47:06,779

evil and if so how did you protect

1000

00:47:13,880 --> 00:47:11,640

yourself ah you know when we filming I

1001
00:47:16,609 --> 00:47:13,890
worked with 14 time award-winning film

1002
00:47:18,709 --> 00:47:16,619
producer Ron abuzz B and Christopher

1003
00:47:20,870 --> 00:47:18,719
O'Brien who's on ancient aliens now he

1004
00:47:22,489 --> 00:47:20,880
was actually behind the camera long

1005
00:47:26,199 --> 00:47:22,499
before I even got in front of the camera

1006
00:47:28,880 --> 00:47:26,209
and Chris is a good friend of mine he's

1007
00:47:32,960 --> 00:47:28,890
he's doing a wonderful job kudos to him

1008
00:47:37,340 --> 00:47:32,970
we were filming in Manteno status

1009
00:47:39,770 --> 00:47:37,350
back in 2005 and I remember sitting

1010
00:47:41,960 --> 00:47:39,780
there I'm telling Chris I mean when

1011
00:47:48,170 --> 00:47:41,970
there's somebody here it's an evil

1012
00:47:49,490 --> 00:47:48,180
spirit and it's it's like not human

1013
00:47:50,330 --> 00:47:49,500

because spirit is different than being

1014

00:47:52,820 --> 00:47:50,340

human right

1015

00:47:55,130 --> 00:47:52,830

so I said it's here I said what I'm

1016

00:47:58,970 --> 00:47:55,140

going to do and as I was discussing that

1017

00:48:01,370 --> 00:47:58,980

my hat turned on my head all itself and

1018

00:48:04,010 --> 00:48:01,380

Chris nearly peed his pants and he's

1019

00:48:05,960 --> 00:48:04,020

filming me and I said you see that he

1020

00:48:08,030 --> 00:48:05,970

goes yeah I cut that and I said yeah I

1021

00:48:10,070 --> 00:48:08,040

said now what we're going to do is I

1022

00:48:13,430 --> 00:48:10,080

want you to show up on film

1023

00:48:14,630 --> 00:48:13,440

I'll leave my hat and sure enough it

1024

00:48:18,320 --> 00:48:14,640

didn't show up in a film but showed up

1025

00:48:20,330 --> 00:48:18,330

on snapshot and it was it was awesome to

1026
00:48:23,600 --> 00:48:20,340
see this great big monster head and what

1027
00:48:26,750 --> 00:48:23,610
have you go to another scenario but

1028
00:48:31,970 --> 00:48:26,760
Keith's age we're at the turn thing D on

1029
00:48:35,500 --> 00:48:31,980
the Ohio theatre there Twin City Ohio

1030
00:48:39,020 --> 00:48:35,510
theatre he was called and we're filming

1031
00:48:41,240 --> 00:48:39,030
we're up on stage behind and Keith is

1032
00:48:42,590 --> 00:48:41,250
about 15 feet from me and the

1033
00:48:45,050 --> 00:48:42,600
temperature dropped about 15 degrees

1034
00:48:46,970 --> 00:48:45,060
instantly although all the gauges went

1035
00:48:48,740 --> 00:48:46,980
down and you guys it's over here isn't

1036
00:48:50,240 --> 00:48:48,750
robbed and I'm looking over there

1037
00:48:51,350 --> 00:48:50,250
everybody see like breath come out of

1038
00:48:55,100 --> 00:48:51,360

your mouth right it was the digit

1039

00:48:57,380 --> 00:48:55,110

dropped and I I turned sideways my chair

1040

00:48:59,960 --> 00:48:57,390

and I looked I could see it and I go to

1041

00:49:02,350 --> 00:48:59,970

Keith I go and the cameraman has the

1042

00:49:05,480 --> 00:49:02,360

film camera going keith has a snapshot

1043

00:49:08,450 --> 00:49:05,490

camera so it but we had both so we were

1044

00:49:12,110 --> 00:49:08,460

doing we're fine and I said and I point

1045

00:49:14,150 --> 00:49:12,120

my thumb and ago no it's right here so

1046

00:49:16,070 --> 00:49:14,160

at the end of the night we go and

1047

00:49:18,980 --> 00:49:16,080

analyze and take a look at the the

1048

00:49:20,480 --> 00:49:18,990

reveal of the the photograph we couldn't

1049

00:49:22,580 --> 00:49:20,490

see the film footage because we have to

1050

00:49:25,880 --> 00:49:22,590

take that the producer or the directors

1051
00:49:29,600 --> 00:49:25,890
taking that back to off shoot Indiana

1052
00:49:32,540 --> 00:49:29,610
and we look at that photograph this

1053
00:49:36,050 --> 00:49:32,550
thing was about seven feet maybe eight

1054
00:49:40,460 --> 00:49:36,060
feet towering tall maybe about four feet

1055
00:49:42,260 --> 00:49:40,470
wide its head was I was weird looking it

1056
00:49:44,270 --> 00:49:42,270
was a human and it was standing right

1057
00:49:45,890 --> 00:49:44,280
beside me I could feel it

1058
00:49:48,350 --> 00:49:45,900
it was really weird

1059
00:49:50,300 --> 00:49:48,360
and everybody was just like oh my gosh

1060
00:49:52,370 --> 00:49:50,310
what is that like everybody got a chance

1061
00:49:55,070 --> 00:49:52,380
to look at it and every film foot in

1062
00:49:56,930 --> 00:49:55,080
every place we filmed we brought 30

1063
00:49:58,940 --> 00:49:56,940

people from the public so they could

1064

00:50:01,930 --> 00:49:58,950

witness what we were doing so it showed

1065

00:50:04,250 --> 00:50:01,940

that it was all true and and validated

1066

00:50:10,480 --> 00:50:04,260

it was a good year to do that filming

1067

00:50:16,270 --> 00:50:10,490

last year so we're into our last

1068

00:50:19,190 --> 00:50:16,280

stretcher so what's it what's in your

1069

00:50:22,520 --> 00:50:19,200

any plans for the future they need to be

1070

00:50:27,140 --> 00:50:22,530

coming up or anything you wish to share

1071

00:50:28,520 --> 00:50:27,150

with everyone before I'm just thankful

1072

00:50:30,680 --> 00:50:28,530

for being on this beautiful show you

1073

00:50:34,190 --> 00:50:30,690

have listened

1074

00:50:39,290 --> 00:50:34,200

thank you for yeah no it was great you

1075

00:50:41,360 --> 00:50:39,300

guys are wonderful now yeah the book

1076
00:50:42,860 --> 00:50:41,370
came out I was filmed by America's Most

1077
00:50:45,470 --> 00:50:42,870
Wanted film crew I'm the only psychic

1078
00:50:50,540 --> 00:50:45,480
medium to ever be filmed by them in his

1079
00:50:54,730 --> 00:50:50,550
own pilot shoot show now as the book

1080
00:50:57,740 --> 00:50:54,740
came out an Emmy award-winning director

1081
00:51:04,250 --> 00:50:57,750
got a hold of this who works with John

1082
00:51:05,930 --> 00:51:04,260
Walsh and knows John he's really big I

1083
00:51:08,210 --> 00:51:05,940
can't name mention his name right now I

1084
00:51:10,400 --> 00:51:08,220
wanted to leak out that much I'm gonna

1085
00:51:12,470 --> 00:51:10,410
give a little teaser here we put a

1086
00:51:15,920 --> 00:51:12,480
program together already within a week

1087
00:51:18,530 --> 00:51:15,930
and we've got networks that he says to

1088
00:51:24,170 --> 00:51:18,540

me will either buy the rights to my book

1089

00:51:26,900 --> 00:51:24,180

and get it I get a show but do you guys

1090

00:51:30,490 --> 00:51:26,910

remember the show medium on TV Allison

1091

00:51:33,230 --> 00:51:30,500

Dubois yes I do now favorite show those

1092

00:51:35,450 --> 00:51:33,240

okay well Allison kind of you know

1093

00:51:37,040 --> 00:51:35,460

trying to solve the case and they made a

1094

00:51:40,310 --> 00:51:37,050

show at her out of her doing that

1095

00:51:42,320 --> 00:51:40,320

they're gonna take all my cases hundreds

1096

00:51:44,990 --> 00:51:42,330

that have been solved and they're gonna

1097

00:51:47,870 --> 00:51:45,000

make the show like that but you're gonna

1098

00:51:49,940 --> 00:51:47,880

get the real what really got solved

1099

00:51:53,090 --> 00:51:49,950

people's names stuff like that so it's

1100

00:51:54,650 --> 00:51:53,100

real that's one part of the show and the

1101
00:51:56,420 --> 00:51:54,660
other show is I'm actually going to be

1102
00:51:57,930 --> 00:51:56,430
doing going with the blue line you

1103
00:51:59,490 --> 00:51:57,940
catching the guys

1104
00:52:02,849 --> 00:51:59,500
so there's been a lot of talks like that

1105
00:52:04,829 --> 00:52:02,859
and I hope it comes to fruition seeing

1106
00:52:08,880 --> 00:52:04,839
everything then everything that has

1107
00:52:12,029 --> 00:52:08,890
being drawn up put into play and been

1108
00:52:14,789 --> 00:52:12,039
submitted so cross your fingers and

1109
00:52:20,250 --> 00:52:14,799
hopefully we go the distance and get

1110
00:52:22,680 --> 00:52:20,260
this suite we have a time for one more

1111
00:52:27,150 --> 00:52:22,690
question before we ask you can share

1112
00:52:33,329 --> 00:52:27,160
links and stuff um what's your take on

1113
00:52:38,700 --> 00:52:33,339

the afterlife ah yeah my my savior's the

1114

00:52:40,890 --> 00:52:38,710

Lord Jesus Jesus Christ and I don't I

1115

00:52:42,359 --> 00:52:40,900

don't spoon feed anybody so don't

1116

00:52:45,020 --> 00:52:42,369

anybody get all upset and whatever

1117

00:52:49,049 --> 00:52:45,030

that's my and the proof to me is this

1118

00:52:49,859 --> 00:52:49,059

when I go to do something and I bring

1119

00:52:52,950 --> 00:52:49,869

your baby back

1120

00:52:54,450 --> 00:52:52,960

I pray to God when I go and I bring the

1121

00:52:55,890 --> 00:52:54,460

murderer and we put him on death row

1122

00:52:59,010 --> 00:52:55,900

because he murdered your baby

1123

00:53:01,620 --> 00:52:59,020

I pray to God when I went to the icy

1124

00:53:03,930 --> 00:53:01,630

units and the neurologists were going to

1125

00:53:05,039 --> 00:53:03,940

unplug they'll kiss and that's one of

1126

00:53:08,010 --> 00:53:05,049

the stories I know it's in the book that

1127

00:53:09,779 --> 00:53:08,020

you got to read and he was he was brain

1128

00:53:12,660 --> 00:53:09,789

dead and they were gonna kill him

1129

00:53:15,569 --> 00:53:12,670

and in three minutes I got the answer

1130

00:53:19,039 --> 00:53:15,579

what was wrong and then they they knew

1131

00:53:23,519 --> 00:53:19,049

they were wrong bills home today alive

1132

00:53:27,799 --> 00:53:23,529

talking walking eating he's in that was

1133

00:53:31,920 --> 00:53:27,809

from God so the afterlife it's there and

1134

00:53:34,440 --> 00:53:31,930

we're here to to love each other to move

1135

00:53:37,279 --> 00:53:34,450

forward and help as much as you can in

1136

00:53:41,990 --> 00:53:37,289

the afterlife is there believe me it is

1137

00:53:44,910 --> 00:53:42,000
