7  
00:00:17,810 --> 00:00:15,900  
back on tonight you know I mean I

8  
00:00:19,670 --> 00:00:17,820  
haven't been on the radio a lot lately

9  
00:00:21,140 --> 00:00:19,680  
did the show last week with marylin and

10  
00:00:23,540 --> 00:00:21,150  
Dick Carlson that was a great show

11  
00:00:26,210 --> 00:00:23,550  
talking about their research all over

12  
00:00:28,790 --> 00:00:26,220  
Oklahoma on UFOs Bigfoot in

13  
00:00:31,070 --> 00:00:28,800

archeological digs fun stuff like that

14

00:00:33,470 --> 00:00:31,080

but tonight I thought I'd jump on to

15

00:00:35,959 --> 00:00:33,480

we're gonna have on guest Allison Jorn

16

00:00:38,420 --> 00:00:35,969

Lande in a second here talk about some

17

00:00:40,100 --> 00:00:38,430

updates and news on a possible Mothman

18

00:00:42,770 --> 00:00:40,110

sightings in Chicago so it's kind of a

19

00:00:44,510 --> 00:00:42,780

quick news update I was on I was doing

20

00:00:46,670 --> 00:00:44,520

some office work today and she came

21

00:00:48,380 --> 00:00:46,680

across live on Facebook and she did a

22

00:00:51,350 --> 00:00:48,390

great show a few weeks back with

23

00:00:53,299 --> 00:00:51,360

Jennifer and Kevin Malick on parallel

24

00:00:55,430 --> 00:00:53,309

universe also heard on inception radio

25

00:00:58,250 --> 00:00:55,440

network Friday nights at 11:00 p.m.

26  
00:01:00,229 --> 00:00:58,260  
Eastern I thought I could grab her she's

27  
00:01:01,849 --> 00:01:00,239  
gonna be on in a sec with me talk about

28  
00:01:04,070 --> 00:01:01,859  
her research a little bit and talk about

29  
00:01:05,929 --> 00:01:04,080  
this news because there's been a lot of

30  
00:01:08,120 --> 00:01:05,939  
stuff going on around the Chicagoland

31  
00:01:11,140 --> 00:01:08,130  
area the last several months with a

32  
00:01:13,370 --> 00:01:11,150  
flying entity there's no there's no

33  
00:01:14,840 --> 00:01:13,380  
she's not denying her and she's doing

34  
00:01:16,370 --> 00:01:14,850  
the research he's not gonna say there's

35  
00:01:18,920 --> 00:01:16,380  
one she's gonna she's very skeptical I

36  
00:01:20,300 --> 00:01:18,930  
like her research approach but before we

37  
00:01:22,340 --> 00:01:20,310  
talked to her I'm gonna go into

73

00:02:48,650 --> 00:02:45,710

providing witness interviews and

74

00:02:50,660 --> 00:02:48,660

archaeal arc arch-rival research to

75

00:02:52,010 --> 00:02:50,670

facilitate their efforts while Ellison

76

00:02:52,660 --> 00:02:52,020

thanks for coming on in such short

77

00:02:55,430 --> 00:02:52,670

notice

78

00:02:57,440 --> 00:02:55,440

Hey thanks for having me on I really

79

00:02:59,060 --> 00:02:57,450

appreciate the opportunity no problem

80

00:03:00,530 --> 00:02:59,070

you know we'll do a full show down the

81

00:03:02,720 --> 00:03:00,540

road to where we can get you on it and

82

00:03:06,080 --> 00:03:02,730

dig deeper into your research but I was

83

00:03:07,820 --> 00:03:06,090

on Facebook a little earlier today you

84

00:03:09,830 --> 00:03:07,830

know and I came across you live in

85

00:03:11,090 --> 00:03:09,840

Chicago there in the streets so did you

86

00:03:12,050 --> 00:03:11,100

get an end up getting a report who do

87

00:03:17,000 --> 00:03:12,060

you want to tell our listeners a little

88

00:03:19,370 --> 00:03:17,010

what happened yeah so if your listeners

89

00:03:22,430 --> 00:03:19,380

may not know it I have a youtube channel

90

00:03:27,500 --> 00:03:22,440

and you can visit it right now right now

91

00:03:30,700 --> 00:03:27,510

at youtube.com slash Mothman and I

92

00:03:35,630 --> 00:03:30,710

started this YouTube channel back in

93

00:03:38,270 --> 00:03:35,640

summer this past summer of 2017 because

94

00:03:42,880 --> 00:03:38,280

there were so many sightings being

95

00:03:46,850 --> 00:03:42,890

reported of a Mothman type creature a

96

00:03:48,350 --> 00:03:46,860

flying humanoid seen in the Chicagoland

97

00:03:53,450 --> 00:03:48,360

area and I live in Milwaukee Wisconsin

98

00:03:58,070 --> 00:03:53,460

so it's not it's not I mean it's a track

99

00:03:59,930 --> 00:03:58,080

for me but it's not undoable I mean it's

100

00:04:02,320 --> 00:03:59,940

certainly something that's within the

101  
00:04:05,300 --> 00:04:02,330  
realm of possibility and I'm like if I

102  
00:04:07,130 --> 00:04:05,310  
consider myself a 40 and researcher then

103  
00:04:12,650 --> 00:04:07,140  
I better get my boots on the ground and

104  
00:04:15,800 --> 00:04:12,660  
see what I can see so I started going to

105  
00:04:18,020 --> 00:04:15,810  
all the the different sightings that

106  
00:04:20,900 --> 00:04:18,030  
were reported to lund Strickler of the

107  
00:04:24,890 --> 00:04:20,910  
Phantom's and monsters blog and at that

108  
00:04:27,080 --> 00:04:24,900  
time he had a really nice map explaining

109  
00:04:30,590 --> 00:04:27,090  
you know where the different sighting

110  
00:04:35,090 --> 00:04:30,600  
were reported and so I went to each of

111  
00:04:37,220 --> 00:04:35,100  
the different sites and then would read

112  
00:04:38,540 --> 00:04:37,230  
the report giving you giving him credit

113  
00:04:40,940 --> 00:04:38,550

and giving in any of the other

114

00:04:43,909 --> 00:04:40,950

researchers on it credit as well every

115

00:04:48,950 --> 00:04:43,919

single time and but then also giving

116

00:04:52,720 --> 00:04:48,960

people you know more of a view of each

117

00:04:55,520 --> 00:04:52,730

of the locations so it's not just

118

00:04:58,850 --> 00:04:55,530

description that you read but you really

119

00:05:02,719 --> 00:04:58,860

can see hey where was this thing sighted

120

00:05:05,120 --> 00:05:02,729

and what can I walking in the footsteps

121

00:05:09,680 --> 00:05:05,130

of the witnesses so that's what I

122

00:05:12,950 --> 00:05:09,690

started doing back in back in summer

123

00:05:17,200 --> 00:05:12,960

2017 because the reports actually

124

00:05:21,590 --> 00:05:17,210

started in April well they came to light

125

00:05:24,590 --> 00:05:21,600

initially in April 2017 and but there

126

00:05:30,530 --> 00:05:24,600

were reports going back all the way up

127

00:05:35,630 --> 00:05:30,540

to February of 2017 and I was able to go

128

00:05:38,900 --> 00:05:35,640

to all 60 of the most recent reported

129

00:05:42,050 --> 00:05:38,910

sightings and share them on Facebook

130

00:05:47,170 --> 00:05:42,060

live and then upload what I was able to

131

00:05:52,730 --> 00:05:47,180

see on youtube youtube.com slash Mothman

132

00:05:55,610 --> 00:05:52,740

now unfortunately what I discovered is

133

00:05:59,090 --> 00:05:55,620

there are discrepancies in a lot of the

134

00:06:04,730 --> 00:05:59,100

reports where the witness will report

135

00:06:06,170 --> 00:06:04,740

one thing and then you check into you

136

00:06:09,350 --> 00:06:06,180

know some of the details that are

137

00:06:11,960 --> 00:06:09,360

provided by going to the site and maybe

138

00:06:14,270 --> 00:06:11,970

checking also on the weather data and

139

00:06:17,300 --> 00:06:14,280

phases of the Moon and stuff like that

140

00:06:20,779 --> 00:06:17,310

and you find out that hey these things

141

00:06:26,810 --> 00:06:20,789

aren't matching up so that's that's what

142

00:06:29,810 --> 00:06:26,820

started my purpose and I'm really sorry

143

00:06:32,900 --> 00:06:29,820

to have to do that because you know I

144

00:06:36,409 --> 00:06:32,910

was really enamored with the Phantom's

145

00:06:39,239 --> 00:06:36,419

and monsters blog and I was really just

146

00:06:42,569 --> 00:06:39,249

elated when I started doing the videos

147

00:06:46,169 --> 00:06:42,579

and then LAN Strickler included them on

148

00:06:49,109 --> 00:06:46,179

his map so every sighting that would

149

00:06:51,269 --> 00:06:49,119

come up when I would go make a video I

150

00:06:53,279 --> 00:06:51,279

would let him know and then he just put

151  
00:06:55,429 --> 00:06:53,289  
it on his map so that was really great

152  
00:06:58,259 --> 00:06:55,439  
cuz you know I'm at one point you know

153  
00:07:00,479 --> 00:06:58,269  
five hundred thousand people had viewed

154  
00:07:04,219 --> 00:07:00,489  
that map so I'm sure it's a it's an

155  
00:07:08,759 --> 00:07:04,229  
access of that but now that map is gone

156  
00:07:11,069 --> 00:07:08,769  
and Ilan Strickler is really trying to

157  
00:07:16,639 --> 00:07:11,079  
clamp down on the details that he's

158  
00:07:20,100 --> 00:07:16,649  
providing and this is largely because I

159  
00:07:22,559 --> 00:07:20,110  
have expressed skepticism but not only

160  
00:07:26,089 --> 00:07:22,569  
me a number of other wonderful

161  
00:07:29,249 --> 00:07:26,099  
researchers as well have been you know

162  
00:07:33,209 --> 00:07:29,259  
jumping on it because hey you know we

163  
00:07:36,059 --> 00:07:33,219

live close to Chicago or in Chicago and

164

00:07:38,369 --> 00:07:36,069

if something this strange is going on to

165

00:07:42,149 --> 00:07:38,379

the point of where you have in excess of

166

00:07:45,600 --> 00:07:42,159

60 reports you know I mean you can't

167

00:07:48,359 --> 00:07:45,610

expect local researchers not to want to

168

00:07:50,850 --> 00:07:48,369

look into this and you know that's what

169

00:07:54,359 --> 00:07:50,860

we're doing I mean that's what I thought

170

00:07:58,979 --> 00:07:54,369

were supposed to be doing but you know

171

00:08:01,009 --> 00:07:58,989

when when our when our ideas about what

172

00:08:05,399 --> 00:08:01,019

was going on didn't match up with his

173

00:08:08,459 --> 00:08:05,409

well that that led to some flak and like

174

00:08:12,299 --> 00:08:08,469

you know now in his website he accuses

175

00:08:14,159 --> 00:08:12,309

people he's well he says he says any use

176

00:08:16,049 --> 00:08:14,169  
of the witness information which

177

00:08:19,459 --> 00:08:16,059  
includes any attempt to contact a

178

00:08:22,319 --> 00:08:19,469  
witness or persons involved in an event

179

00:08:24,689 --> 00:08:22,329  
is strictly prohibited without the

180

00:08:28,889 --> 00:08:24,699  
written consent of phantoms and monsters

181

00:08:31,979 --> 00:08:28,899  
and/or its associates so he took down

182

00:08:35,699 --> 00:08:31,989  
his map so that he wouldn't he wouldn't

183

00:08:37,079 --> 00:08:35,709  
have to divulge or you know that he

184

00:08:38,999 --> 00:08:37,089  
wouldn't give too much information so

185

00:08:42,029 --> 00:08:39,009  
that people can follow up on the claims

186

00:08:43,740 --> 00:08:42,039  
and you know then he puts threatening

187

00:08:46,559 --> 00:08:43,750  
messages like that there's there's also

188

00:08:50,309 --> 00:08:46,569

another one where he says you know that

189

00:08:52,740 --> 00:08:50,319

there's a certain code of fair use and

190

00:08:55,390 --> 00:08:52,750

that if you are

191

00:08:57,750 --> 00:08:55,400

attempting to follow up on these things

192

00:09:01,890 --> 00:08:57,760

well you don't have the right to do that

193

00:09:04,720 --> 00:09:01,900

which is not true I mean I mean

194

00:09:05,860 --> 00:09:04,730

paranormal that the paranormal belongs

195

00:09:09,940 --> 00:09:05,870

to everyone

196

00:09:13,600 --> 00:09:09,950

it sure does yeah and so I just what I

197

00:09:16,630 --> 00:09:13,610

began again today is started you know my

198

00:09:20,470 --> 00:09:16,640

last my last one I did oh that was a

199

00:09:23,920 --> 00:09:20,480

really cold one that I did back in I

200

00:09:26,230 --> 00:09:23,930

think it was early January where I was

201  
00:09:28,750 --> 00:09:26,240  
following up on one of the latest

202  
00:09:30,580 --> 00:09:28,760  
reports and so then I just started

203  
00:09:35,710 --> 00:09:30,590  
getting back into it today where there's

204  
00:09:39,850 --> 00:09:35,720  
a few new reports and so I went to the

205  
00:09:45,580 --> 00:09:39,860  
site of a report on February 2nd which

206  
00:09:48,190 --> 00:09:45,590  
occurred February 2nd on of 2018 and so

207  
00:09:50,770 --> 00:09:48,200  
that's where I went today so it is of

208  
00:09:53,440 --> 00:09:50,780  
course my intention to follow up on all

209  
00:09:55,360 --> 00:09:53,450  
of these that I can and if any witness

210  
00:09:58,030 --> 00:09:55,370  
wants to come forward

211  
00:10:00,460 --> 00:09:58,040  
well I encourage them to do so yes I am

212  
00:10:03,220 --> 00:10:00,470  
going to check what you say against the

213  
00:10:03,970 --> 00:10:03,230

facts that doesn't mean that I'm out to

214

00:10:07,800 --> 00:10:03,980

get you

215

00:10:11,310 --> 00:10:07,810

it just means that you know I I can't

216

00:10:15,670 --> 00:10:11,320

say that all of these accounts are

217

00:10:18,490 --> 00:10:15,680

genuine if there's certain facts basic

218

00:10:20,650 --> 00:10:18,500

facts that don't match up and I think

219

00:10:23,350 --> 00:10:20,660

you know that's not not to say that I

220

00:10:26,500 --> 00:10:23,360

don't respect witnesses I certainly do

221

00:10:28,300 --> 00:10:26,510

and I understand how difficult it is to

222

00:10:31,930 --> 00:10:28,310

be a witness because I've had my own

223

00:10:33,670 --> 00:10:31,940

sightings of strange things and it's

224

00:10:37,630 --> 00:10:33,680

really hard to talk to people about them

225

00:10:39,760 --> 00:10:37,640

but once again I mean if if what you're

226

00:10:43,330 --> 00:10:39,770

telling me does not match up with

227

00:10:45,220 --> 00:10:43,340

reality then I can't stand by what

228

00:10:47,650 --> 00:10:45,230

you're saying and I don't think that's

229

00:10:49,270 --> 00:10:47,660

an insult right right

230

00:10:51,280 --> 00:10:49,280

Allison Oh is there a place that people

231

00:10:53,110 --> 00:10:51,290

can contact you if they see anything

232

00:10:56,610 --> 00:10:53,120

strange around that area as they do have

233

00:11:01,870 --> 00:10:56,620

an email or like online yeah certainly

234

00:11:05,510 --> 00:11:01,880

you you can actually reach me online at

235

00:11:09,260 --> 00:11:05,520

Milwaukee ghosts calm

236

00:11:11,240 --> 00:11:09,270

and I do have a hotline as well I'm a 40

237

00:11:13,400 --> 00:11:11,250

and researcher so if you just if you

238

00:11:19,550 --> 00:11:13,410

just a you know type in the phone number

239

00:11:24,020 --> 00:11:19,560

for one for 40 and fo RT EA n you will

240

00:11:25,970 --> 00:11:24,030

get me so that that should be easy for

241

00:11:28,220 --> 00:11:25,980

people to remember and actually I don't

242

00:11:32,030 --> 00:11:28,230

remember the numbers of the phone number

243

00:11:36,530 --> 00:11:32,040

myself so if you just type in 401 440

244

00:11:38,870 --> 00:11:36,540

and fo are tean you'll get me and I and

245

00:11:41,870 --> 00:11:38,880

I'm just putting it out there because I

246

00:11:43,760 --> 00:11:41,880

think witnesses have a right to decide

247

00:11:47,300 --> 00:11:43,770

who they talk to if they talk to LAN

248

00:11:49,310 --> 00:11:47,310

Strickler initially because his blog is

249

00:11:51,530 --> 00:11:49,320

quite popular I mean that doesn't mean

250

00:11:53,840 --> 00:11:51,540

they have to stop there you're not gonna

251  
00:11:56,750 --> 00:11:53,850  
get in trouble by sharing your story so

252  
00:11:59,780 --> 00:11:56,760  
don't feel like like this latest

253  
00:12:02,990 --> 00:11:59,790  
controversy well well do anything to you

254  
00:12:06,890 --> 00:12:03,000  
legally because you know any attempt to

255  
00:12:09,860 --> 00:12:06,900  
you know try to try to claim a witness

256  
00:12:11,600 --> 00:12:09,870  
data for yourself is just bunk and it

257  
00:12:13,550 --> 00:12:11,610  
doesn't I don't think it serves a

258  
00:12:15,460 --> 00:12:13,560  
paranormal community no it's it's

259  
00:12:17,660 --> 00:12:15,470  
there's no paranormal unity there and

260  
00:12:19,130 --> 00:12:17,670  
you know there's nothing like a second

261  
00:12:22,400 --> 00:12:19,140  
opinion we do it for doctors all the

262  
00:12:24,860 --> 00:12:22,410  
time you know absolutely and that's all

263  
00:12:26,540 --> 00:12:24,870

that I'm trying to do and other

264

00:12:29,540 --> 00:12:26,550

researchers are trying to do and my

265

00:12:31,790 --> 00:12:29,550

point is not you know not trying I'm not

266

00:12:35,540 --> 00:12:31,800

going on my way to discredit witnesses

267

00:12:39,400 --> 00:12:35,550

you know but what you have to do is do

268

00:12:42,440 --> 00:12:39,410

due diligence it is what it is because

269

00:12:46,550 --> 00:12:42,450

here's the thing it's not that I feel

270

00:12:50,140 --> 00:12:46,560

that all the Chicago Mothman reports our

271

00:12:52,850 --> 00:12:50,150

bunk I'm not saying that because I know

272

00:12:55,840 --> 00:12:52,860

you know from people in my own family

273

00:13:01,850 --> 00:12:55,850

that there have been strange flying

274

00:13:04,640 --> 00:13:01,860

creatures cited in local skies and I

275

00:13:07,970 --> 00:13:04,650

reported on some of these cases you know

276

00:13:10,340 --> 00:13:07,980

way back in in 2002 actually you know

277

00:13:12,890 --> 00:13:10,350

the reports happened you know they

278

00:13:17,000 --> 00:13:12,900

proceeded 2002 but they were picked up

279

00:13:18,460 --> 00:13:17,010

by Loren Coleman in his earliest book

280

00:13:21,190 --> 00:13:18,470

about the

281

00:13:24,010 --> 00:13:21,200

man at that time when the the Mosman

282

00:13:28,140 --> 00:13:24,020

movie when Richard was Richard Gere came

283

00:13:32,260 --> 00:13:28,150

on he Lauren published a book and he has

284

00:13:35,560 --> 00:13:32,270

one of the accounts of a like a

285

00:13:39,550 --> 00:13:35,570

pterodactyl type creature that's been

286

00:13:41,980 --> 00:13:39,560

seen repeatedly in Wisconsin and I was

287

00:13:47,590 --> 00:13:41,990

able to interview a few of the witnesses

288

00:13:50,560 --> 00:13:47,600

to that and then subsequently even and

289

00:13:54,310 --> 00:13:50,570

what a t-mike MetroPCS in the iPhone se

290

00:13:58,210 --> 00:13:54,320

for \$0 on a network that covers 99% of

291

00:14:00,370 --> 00:13:58,220

people in the US impressive play with

292

00:14:02,260 --> 00:14:00,380

the best switch to metro pcs and an

293

00:14:05,680 --> 00:14:02,270

unlimited LTE plan and get a 32 gig

294

00:14:07,090 --> 00:14:05,690

iPhone se for \$0 MetroPCS covers not

295

00:14:08,320 --> 00:14:07,100

available in some areas plus sales tax

296

00:14:09,550 --> 00:14:08,330

claim based on talking text not

297

00:14:10,900 --> 00:14:09,560

knowledge or active numbers currently on

298

00:14:12,640 --> 00:14:10,910

the t-mobile network directive on metro

299

00:14:16,240 --> 00:14:12,650

pcs in the past 90 days C store for

300

00:14:18,250 --> 00:14:16,250

details and terms conditions in 2006

301  
00:14:21,250 --> 00:14:18,260  
around the La Crosse area there were

302  
00:14:24,340 --> 00:14:21,260  
sightings okay so I'm not saying that

303  
00:14:26,230 --> 00:14:24,350  
strange things aren't sighted and you

304  
00:14:31,990 --> 00:14:26,240  
know there's just when you go back into

305  
00:14:35,290 --> 00:14:32,000  
folklore and into like Native American

306  
00:14:39,160 --> 00:14:35,300  
belief for example the Thunderbird comes

307  
00:14:41,740 --> 00:14:39,170  
into play and this is what perhaps

308  
00:14:45,100 --> 00:14:41,750  
people are citing you know the

309  
00:14:49,810 --> 00:14:45,110  
Thunderbird is something that was

310  
00:14:52,630 --> 00:14:49,820  
reported by different nations you know

311  
00:14:55,690 --> 00:14:52,640  
throughout Illinois and Wisconsin so

312  
00:14:57,400 --> 00:14:55,700  
these First Nations people have had

313  
00:15:00,940 --> 00:14:57,410

experiences like this you know going

314

00:15:04,120 --> 00:15:00,950

back for you know hundreds if not

315

00:15:06,220 --> 00:15:04,130

thousands of years so I'm not saying

316

00:15:10,600 --> 00:15:06,230

that nothing strange is cited but what I

317

00:15:13,270 --> 00:15:10,610

am saying is if you just accept anybody

318

00:15:17,590 --> 00:15:13,280

that calls in and just take their

319

00:15:19,630 --> 00:15:17,600

reports as as you know gospel and and

320

00:15:22,570 --> 00:15:19,640

start and put them up on your blog

321

00:15:24,850 --> 00:15:22,580

without doing any checking I think

322

00:15:26,440 --> 00:15:24,860

you're not serving the paranormal

323

00:15:29,860 --> 00:15:26,450

community because you are muddying the

324

00:15:31,720 --> 00:15:29,870

waters and and anybody that is trying to

325

00:15:35,050 --> 00:15:31,730

cover up what is happening

326

00:15:38,400 --> 00:15:35,060

could easily do so because if you know

327

00:15:40,750 --> 00:15:38,410

there is so much noise to signal ratio

328

00:15:43,960 --> 00:15:40,760

then you're not going to be able to tell

329

00:15:46,290 --> 00:15:43,970

what is authentic I mean this is this is

330

00:15:49,389 --> 00:15:46,300

how disinformation and misinformation

331

00:15:52,750 --> 00:15:49,399

policies by government agencies for

332

00:15:54,970 --> 00:15:52,760

example this is how they work by just

333

00:15:57,819 --> 00:15:54,980

filling the field with all kinds of

334

00:15:59,980 --> 00:15:57,829

nonsense and then you know you're you

335

00:16:06,340 --> 00:15:59,990

can't tell what's real and what's made

336

00:16:11,139 --> 00:16:06,350

up so that's why I'm like dude we we we

337

00:16:13,150 --> 00:16:11,149

have to we have to be researchers and we

338

00:16:15,550 --> 00:16:13,160

have to you know if something doesn't

339

00:16:17,860 --> 00:16:15,560

smell right and it doesn't the facts

340

00:16:20,019 --> 00:16:17,870

don't match up we can't stand behind it

341

00:16:21,790 --> 00:16:20,029

we have to say we at least have to you

342

00:16:24,280 --> 00:16:21,800

don't put it up there with some caveats

343

00:16:26,110 --> 00:16:24,290

to people and that that's not what's

344

00:16:28,960 --> 00:16:26,120

happening and we can't we can't shut

345

00:16:31,540 --> 00:16:28,970

down on you a research because you know

346

00:16:34,269 --> 00:16:31,550

we want to hold on to it as our thing

347

00:16:37,300 --> 00:16:34,279

you know the Chicago Waze man does not

348

00:16:39,790 --> 00:16:37,310

belong to lund Strickler or any other

349

00:16:42,069 --> 00:16:39,800

researcher and especially not to

350

00:16:44,069 --> 00:16:42,079

somebody who hasn't been to any of the

351

00:16:46,600 --> 00:16:44,079

sites and lives in Pennsylvania right

352

00:16:49,360 --> 00:16:46,610

right right you know a long time ago I

353

00:16:51,819 --> 00:16:49,370

had Jeff Wamsley on my show if you

354

00:16:55,889 --> 00:16:51,829

remember him from he ran I think the

355

00:16:58,360 --> 00:16:55,899

museum out in out in Virginia there oh

356

00:17:00,430 --> 00:16:58,370

yeah yeah he talked about the Mothman

357

00:17:02,379 --> 00:17:00,440

you know the original Mothman and stuff

358

00:17:03,970 --> 00:17:02,389

and did some research on it but that was

359

00:17:06,010 --> 00:17:03,980

that was like when I was pretty raw on

360

00:17:07,659 --> 00:17:06,020

the radio and brand-new but he did it he

361

00:17:09,610 --> 00:17:07,669

did a great show on and it was awesome

362

00:17:12,010 --> 00:17:09,620

and and you're right about researching

363

00:17:13,630 --> 00:17:12,020

too I have a research team in Wisconsin

364

00:17:16,059 --> 00:17:13,640

we do the UFOs and we're all former

365

00:17:19,059 --> 00:17:16,069

MUFON people MUFON doesn't own the skies

366

00:17:20,650 --> 00:17:19,069

anybody can research you know anybody

367

00:17:22,329 --> 00:17:20,660

can do their research I mean it isn't

368

00:17:24,429 --> 00:17:22,339

just move on you can report to there's

369

00:17:25,780 --> 00:17:24,439

other other small entities but you know

370

00:17:29,110 --> 00:17:25,790

we need to work together with the big

371

00:17:32,049 --> 00:17:29,120

ones to you know write as a team and I I

372

00:17:34,750 --> 00:17:32,059

couldn't agree more and and one of the

373

00:17:37,930 --> 00:17:34,760

people that's been very skeptical of the

374

00:17:42,039 --> 00:17:37,940

Chicago Mothman sightings is Samer Anto

375

00:17:45,100 --> 00:17:42,049

who is the director of Illinois MUFON

376

00:17:48,460 --> 00:17:45,110

and he's he's one of the

377

00:17:51,160 --> 00:17:48,470

people that that I've talked to you

378

00:17:54,190 --> 00:17:51,170

about this and and he's done a lot of

379

00:17:57,310 --> 00:17:54,200

digging into all of these different

380

00:17:59,680 --> 00:17:57,320

cases and yeah I mean why do you think

381

00:18:01,780 --> 00:17:59,690

we are doing this is because we care

382

00:18:06,220 --> 00:18:01,790

about the paranormal we are not trying

383

00:18:08,950 --> 00:18:06,230

to be cynics that is not what a skeptic

384

00:18:11,860 --> 00:18:08,960

does I mean there are people who are

385

00:18:14,020 --> 00:18:11,870

they just reject these kind of phenomena

386

00:18:16,330 --> 00:18:14,030

out of hand I'm not one of those people

387

00:18:18,220 --> 00:18:16,340

and and either it's Amaranto where

388

00:18:21,010 --> 00:18:18,230

people that know that extraordinary

389

00:18:23,289 --> 00:18:21,020

things do happen and that they're an

390

00:18:25,060 --> 00:18:23,299

important part of human experience but

391

00:18:28,840 --> 00:18:25,070

we also know there's whole killers and

392

00:18:33,039 --> 00:18:28,850

there are people trying to discredit the

393

00:18:36,850 --> 00:18:33,049

whole field we know that that cynics

394

00:18:40,210 --> 00:18:36,860

have have done so like like James Randi

395

00:18:45,190 --> 00:18:40,220

I mean he has perpetrated hoaxes on

396

00:18:50,490 --> 00:18:45,200

purpose to make researchers in the field

397

00:18:53,110 --> 00:18:50,500

look bad and so we can't we can't have

398

00:18:55,330 --> 00:18:53,120

can't have paranormal investigators out

399

00:18:57,610 --> 00:18:55,340

there who are not doing paranormal

400

00:19:00,010 --> 00:18:57,620

investigations if you want to

401  
00:19:04,750 --> 00:19:00,020  
investigate that investigate don't don't

402  
00:19:07,870 --> 00:19:04,760  
just want to believe so much that you

403  
00:19:11,070 --> 00:19:07,880  
put anything out there I mean that's not

404  
00:19:16,630 --> 00:19:11,080  
what we want I mean that's interesting

405  
00:19:20,620 --> 00:19:16,640  
and if you have a blog for example you

406  
00:19:23,010 --> 00:19:20,630  
know you need content but I I just think

407  
00:19:25,539 --> 00:19:23,020  
you gotta be a little bit more

408  
00:19:29,140 --> 00:19:25,549  
discriminating about what you take oh

409  
00:19:31,060 --> 00:19:29,150  
yeah I I agree and some people become so

410  
00:19:33,159 --> 00:19:31,070  
money focused money motivated thinking

411  
00:19:37,500 --> 00:19:33,169  
they're gonna make thousands off the

412  
00:19:42,760 --> 00:19:40,630  
you know I'm a teacher as well and you

413  
00:19:45,490 --> 00:19:42,770

don't go into teaching to be rich and

414

00:19:47,140 --> 00:19:45,500

famous and and you don't do paranormal

415

00:19:48,240 --> 00:19:47,150

investigation because you want to be

416

00:19:50,799 --> 00:19:48,250

rich and famous

417

00:19:54,730 --> 00:19:50,809

so I think there's a conflict of

418

00:19:57,040 --> 00:19:54,740

interest here that's occurring and I I

419

00:19:59,050 --> 00:19:57,050

do want to talk about it I do want to

420

00:20:00,370 --> 00:19:59,060

draw people's attention to it

421

00:20:04,050 --> 00:20:00,380

that's why even though I've been

422

00:20:06,430 --> 00:20:04,060

attacked you know by these by

423

00:20:08,710 --> 00:20:06,440

researchers you know that I've mentioned

424

00:20:11,230 --> 00:20:08,720

and those in league with with certain

425

00:20:14,310 --> 00:20:11,240

researchers I'm gonna keep talking

426  
00:20:17,350 --> 00:20:14,320  
because I think if you shut it down

427  
00:20:19,510 --> 00:20:17,360  
that's - that's draconian that is not

428  
00:20:22,630 --> 00:20:19,520  
leading to anything positive you might

429  
00:20:25,600 --> 00:20:22,640  
not like what I say but I think you

430  
00:20:27,940 --> 00:20:25,610  
probably support my right to say it so

431  
00:20:29,890 --> 00:20:27,950  
that we can have a diversity of opinions

432  
00:20:33,160 --> 00:20:29,900  
on these things so you know I'm excited

433  
00:20:37,770 --> 00:20:33,170  
that these Mothman sightings have

434  
00:20:43,030 --> 00:20:37,780  
continued the latest one it was February

435  
00:20:46,150 --> 00:20:43,040  
2nd in 2018 and that's the one I did

436  
00:20:48,430 --> 00:20:46,160  
today and now there are there are even

437  
00:20:52,320 --> 00:20:48,440  
more recent ones that are occurring in

438  
00:20:55,270 --> 00:20:52,330

and near Wisconsin so I'm excited about

439

00:21:00,700 --> 00:20:55,280

visiting those locations because you

440

00:21:07,510 --> 00:21:03,490

yeah and like I said any other

441

00:21:11,530 --> 00:21:07,520

researcher is is welcome here to

442

00:21:13,300 --> 00:21:11,540

corroborate or you know to to deny you

443

00:21:14,920 --> 00:21:13,310

know I you gotta be open to that you

444

00:21:17,500 --> 00:21:14,930

have to you have to be open other

445

00:21:21,910 --> 00:21:17,510

people's perspectives and if something

446

00:21:24,160 --> 00:21:21,920

I'm saying does not match up then hold

447

00:21:26,380 --> 00:21:24,170

me accountable that's what we need to do

448

00:21:29,140 --> 00:21:26,390

for each other and it's really really

449

00:21:32,740 --> 00:21:29,150

hard but it's so important right right

450

00:21:34,240 --> 00:21:32,750

so with these latest reports what are

451  
00:21:37,690 --> 00:21:34,250  
you seeing what is there anything in

452  
00:21:40,180 --> 00:21:37,700  
common between the reports at all you

453  
00:21:45,280 --> 00:21:40,190  
need me an overall overall let's just go

454  
00:21:49,680 --> 00:21:45,290  
over all yeah anything well the the way

455  
00:21:56,050 --> 00:21:49,690  
the creature is described is pretty much

456  
00:21:58,270 --> 00:21:56,060  
consistent as it's a thin lanky figure

457  
00:22:02,650 --> 00:21:58,280  
that's about six to six and a half maybe

458  
00:22:05,200 --> 00:22:02,660  
seven feet tall and has about a 10-foot

459  
00:22:09,610 --> 00:22:05,210  
wingspan and some people report like

460  
00:22:12,940 --> 00:22:09,620  
glowing red eyes that are very prominent

461  
00:22:16,180 --> 00:22:12,950  
you know some people have like I feel

462  
00:22:19,120 --> 00:22:16,190  
fear associated with their sighting or

463  
00:22:23,170 --> 00:22:19,130

like extreme dread so you know a lot of

464

00:22:28,120 --> 00:22:23,180

these things are similar to the Mothman

465

00:22:34,540 --> 00:22:28,130

sightings in Point Pleasant from 1967 to

466

00:22:39,750 --> 00:22:34,550

or 1966 to 1967 there are some that are

467

00:22:42,790 --> 00:22:39,760

completely don't seem to be a Mothman

468

00:22:47,370 --> 00:22:42,800

there there are reports of you know

469

00:22:50,920 --> 00:22:47,380

people just seeing red lights or seeing

470

00:22:54,280 --> 00:22:50,930

seeing more of a craft and that's been

471

00:22:56,890 --> 00:22:54,290

lumped in with Mothman you know just to

472

00:22:58,690 --> 00:22:56,900

kind of round out the reports which I

473

00:23:00,880 --> 00:22:58,700

don't I think you got to watch that too

474

00:23:03,310 --> 00:23:00,890

I mean that's if you're having a

475

00:23:05,050 --> 00:23:03,320

different type of phenomena you can't

476

00:23:08,470 --> 00:23:05,060

just be like oh everything's flying

477

00:23:10,420 --> 00:23:08,480

humanoid now and or everything's Mothman

478

00:23:13,500 --> 00:23:10,430

because one of the things that was

479

00:23:17,890 --> 00:23:13,510

reported was a green insectoid creature

480

00:23:20,050 --> 00:23:17,900

so you know I'm not sure what is related

481

00:23:23,920 --> 00:23:20,060

here and what isn't and I think that's

482

00:23:27,370 --> 00:23:23,930

that's kind of the problem and one of

483

00:23:32,530 --> 00:23:27,380

the other commonalities is that in a lot

484

00:23:39,370 --> 00:23:32,540

of the accounts the the the prose the

485

00:23:41,500 --> 00:23:39,380

text is very creative writing esque and

486

00:23:44,260 --> 00:23:41,510

that's alarming because if you read

487

00:23:48,090 --> 00:23:44,270

MUFON reports which I'm sure you have

488

00:23:52,390 --> 00:23:48,100

all the national UFO Reporting Center

489

00:23:55,300 --> 00:23:52,400

these reports are you know all over the

490

00:23:58,630 --> 00:23:55,310

place and it's it's not like somebody's

491

00:24:02,080 --> 00:23:58,640

trying to do a project here you know

492

00:24:06,400 --> 00:24:02,090

they're not trying to describe things

493

00:24:09,310 --> 00:24:06,410

like like a creative writer would and I

494

00:24:10,780 --> 00:24:09,320

think some of this might be because you

495

00:24:14,350 --> 00:24:10,790

know lund Strickler admitted that he

496

00:24:17,740 --> 00:24:14,360

rewrites the reports Wow to make them

497

00:24:22,270 --> 00:24:17,750

more interesting to the reader oh my

498

00:24:26,050 --> 00:24:22,280

gosh and he admitted that to Madeleine

499

00:24:26,690 --> 00:24:26,060

kate from the video podcast measuring

500

00:24:30,260 --> 00:24:26,700

the syrup

501  
00:24:33,410 --> 00:24:30,270  
and so I understand you know he's just

502  
00:24:36,530 --> 00:24:33,420  
trying to write it in a way that's

503  
00:24:40,040 --> 00:24:36,540  
engaging but I think there's the that's

504  
00:24:44,419 --> 00:24:40,050  
a slippery slope there where I mean I

505  
00:24:46,400 --> 00:24:44,429  
think the raw reports followed up with

506  
00:24:48,350 --> 00:24:46,410  
and I'm sure he's doing this followed up

507  
00:24:50,960 --> 00:24:48,360  
with you know calling and you know

508  
00:24:53,930 --> 00:24:50,970  
getting a little bit more detail can

509  
00:24:56,960 --> 00:24:53,940  
help but yeah those lot of these stories

510  
00:24:59,810 --> 00:24:56,970  
they seem they seemed so implausible

511  
00:25:03,110 --> 00:24:59,820  
because of the way that they're written

512  
00:25:06,830 --> 00:25:03,120  
and they're written in a very like movie

513  
00:25:09,200 --> 00:25:06,840

trope style where somebody says they saw

514

00:25:11,660 --> 00:25:09,210

the Mothman fly up and you know the

515

00:25:12,080 --> 00:25:11,670

shoot up like a rocket tear or something

516

00:25:14,419 --> 00:25:12,090

like that

517

00:25:18,140 --> 00:25:14,429

and then and then be silhouette

518

00:25:20,510 --> 00:25:18,150

silhouetted in the full moon and you

519

00:25:24,560 --> 00:25:20,520

know unfortunately when the full moon is

520

00:25:26,360 --> 00:25:24,570

reported in these reports Hey that night

521

00:25:29,240 --> 00:25:26,370

when you said you saw that there wasn't

522

00:25:31,490 --> 00:25:29,250

a full moon so there you go yeah

523

00:25:34,220 --> 00:25:31,500

so right I mean so that's what we're

524

00:25:38,210 --> 00:25:34,230

running into with most of these reports

525

00:25:41,240 --> 00:25:38,220

I really like to like to see these pared

526

00:25:43,370 --> 00:25:41,250

down to the ones that really seem the

527

00:25:47,419 --> 00:25:43,380

most authentic I mean I think that would

528

00:25:49,700 --> 00:25:47,429

help us a lot to determine you know what

529

00:25:52,100 --> 00:25:49,710

is reality and and what isn't

530

00:25:54,350 --> 00:25:52,110

it's all so today you were live what

531

00:25:57,650 --> 00:25:54,360

what what was with the latest report any

532

00:25:59,630 --> 00:25:57,660

any significant findings or yeah I

533

00:26:02,299 --> 00:25:59,640

didn't find I didn't find any

534

00:26:04,130 --> 00:26:02,309

discrepancies in today's report that the

535

00:26:07,910 --> 00:26:04,140

only problem with today's report that I

536

00:26:12,049 --> 00:26:07,920

found as in most of the Chicagoland

537

00:26:15,380 --> 00:26:12,059

reports is that they come from very very

538

00:26:18,830 --> 00:26:15,390

populated areas where it's like you know

539

00:26:24,140 --> 00:26:18,840

this one that I did today was right next

540

00:26:27,799 --> 00:26:24,150

to YMCA the West Cooke YMCA which is in

541

00:26:30,590 --> 00:26:27,809

Forest Park Illinois and the person the

542

00:26:32,810 --> 00:26:30,600

the three witnesses claimed that they

543

00:26:35,210 --> 00:26:32,820

were looking across the street and it's

544

00:26:37,490 --> 00:26:35,220

not a wide street and it's a it's very

545

00:26:39,840 --> 00:26:37,500

residential in that area so you got the

546

00:26:44,010 --> 00:26:39,850

YMCA and you got apartment building

547

00:26:47,130 --> 00:26:44,020

like everywhere so it just didn't seem

548

00:26:49,260 --> 00:26:47,140

plausible that there could be such a

549

00:26:52,440 --> 00:26:49,270

huge creatures six and a half feet tall

550

00:26:55,650 --> 00:26:52,450

you know with these these prominent

551  
00:26:58,380 --> 00:26:55,660  
glowing eyes and a 10-foot wingspan and

552  
00:27:00,779 --> 00:26:58,390  
this one he didn't he didn't just jump

553  
00:27:04,020 --> 00:27:00,789  
into the sky like most of that this is

554  
00:27:06,150 --> 00:27:04,030  
the the only discrepancy I see here like

555  
00:27:08,100 --> 00:27:06,160  
most of them the reports say that he

556  
00:27:11,340 --> 00:27:08,110  
kind of like rocketed into the sky are

557  
00:27:14,640 --> 00:27:11,350  
like left into the sky and you know like

558  
00:27:17,970 --> 00:27:14,650  
in one fell swoop and this one it sounds

559  
00:27:21,960 --> 00:27:17,980  
like it took them a while to you know to

560  
00:27:26,039 --> 00:27:21,970  
get those wings powered up to get off

561  
00:27:30,000 --> 00:27:26,049  
the ground so that's a little bit of a

562  
00:27:32,250 --> 00:27:30,010  
difference in the report but it's you

563  
00:27:34,140 --> 00:27:32,260

know like the LaCrosse sightings or some

564

00:27:36,149 --> 00:27:34,150

of the the other sightings where I've

565

00:27:38,159 --> 00:27:36,159

been able to talk to witnesses in the

566

00:27:41,850 --> 00:27:38,169

past with you know the Thunderbird

567

00:27:44,789 --> 00:27:41,860

sightings they were in more rural areas

568

00:27:47,880 --> 00:27:44,799

where you might expect that hey if

569

00:27:50,010 --> 00:27:47,890

somebody sees something yeah I mean it

570

00:27:52,470 --> 00:27:50,020

might just be a handful of people where

571

00:27:55,830 --> 00:27:52,480

and in this circumstance in like

572

00:27:56,880 --> 00:27:55,840

probably 99% of the reports from the

573

00:27:58,500 --> 00:27:56,890

Chicagoland area

574

00:28:02,010 --> 00:27:58,510

there are people everywhere you are

575

00:28:05,010 --> 00:28:02,020

underfoot constantly and so it just

576

00:28:07,560 --> 00:28:05,020

seems hard to believe that nobody else

577

00:28:09,870 --> 00:28:07,570

you know would have seen it at the time

578

00:28:12,080 --> 00:28:09,880

right you think there would be much more

579

00:28:14,669 --> 00:28:12,090

of a fervor in the newspapers if

580

00:28:17,220 --> 00:28:14,679

something of this magnitude was really

581

00:28:20,460 --> 00:28:17,230

going on in such a overwhelmingly

582

00:28:22,110 --> 00:28:20,470

populated area well that that is that is

583

00:28:23,960 --> 00:28:22,120

different that you did have three

584

00:28:27,779 --> 00:28:23,970

witnesses you know hopefully they're not

585

00:28:30,149 --> 00:28:27,789

coming together as a you know as like

586

00:28:31,799 --> 00:28:30,159

let's let's do this and let's all do the

587

00:28:34,680 --> 00:28:31,809

same story but you just never know yeah

588

00:28:37,110 --> 00:28:34,690

yeah it's hard to know I mean that's

589

00:28:38,130 --> 00:28:37,120

that's the difficulty that we face and

590

00:28:40,860 --> 00:28:38,140

that's why we really have to work

591

00:28:42,810 --> 00:28:40,870

together on this we got a question in

592

00:28:45,090 --> 00:28:42,820

chat quick to hear if ma Tran is a

593

00:28:48,830 --> 00:28:45,100

harbinger of upcoming disaster wouldn't

594

00:28:52,450 --> 00:28:48,840

that associate it with populous areas

595

00:28:56,230 --> 00:28:52,460

well I you know the

596

00:28:58,600 --> 00:28:56,240

not as populous as Chicago see you know

597

00:29:04,810 --> 00:28:58,610

when the last when when the big one

598

00:29:06,970 --> 00:29:04,820

happened in 67 to the 66 to 67 I mean

599

00:29:11,860 --> 00:29:06,980

that's Point Pleasant West Virginia that

600

00:29:14,990 --> 00:29:11,870

is a very small area compared to Chicago

601  
00:29:16,770 --> 00:29:15,000  
and you know if you're in Chicago you

602  
00:29:20,530 --> 00:29:16,780  
[Music]

603  
00:29:24,070 --> 00:29:20,540  
and what a t-mike MetroPCS in the iPhone

604  
00:29:25,540 --> 00:29:24,080  
se for \$0 on a network that covers 99

605  
00:29:29,110 --> 00:29:25,550  
percent of people in the US

606  
00:29:31,210 --> 00:29:29,120  
oh holy impressive play with the best

607  
00:29:34,170 --> 00:29:31,220  
switch to metro pcs and an unlimited LTE

608  
00:29:36,400 --> 00:29:34,180  
plan and get a 32 gig iPhone se for \$0

609  
00:29:37,810 --> 00:29:36,410  
MetroPCS covers not available in some

610  
00:29:39,340 --> 00:29:37,820  
areas plus sales tax claim based on

611  
00:29:40,510 --> 00:29:39,350  
talking text not now Interactive numbers

612  
00:29:42,130 --> 00:29:40,520  
currently on the t-mobile network are

613  
00:29:43,600 --> 00:29:42,140

active on metro pcs in the past 90 days

614

00:29:47,170 --> 00:29:43,610

C store for details in terms conditions

615

00:29:48,910 --> 00:29:47,180

I mean some of these sightings like

616

00:29:51,400 --> 00:29:48,920

right on the Miracle Mile right on the

617

00:29:53,680 --> 00:29:51,410

lakefront there I mean all hours and

618

00:29:56,200 --> 00:29:53,690

night there's people like you can hardly

619

00:29:58,180 --> 00:29:56,210

do a video because I've done so many

620

00:29:59,260 --> 00:29:58,190

videos there you can hardly do a video

621

00:30:03,550 --> 00:29:59,270

because you're trying to frame up your

622

00:30:07,480 --> 00:30:03,560

shot and like everybody's in it so you

623

00:30:09,520 --> 00:30:07,490

know yeah and and who knows I mean if

624

00:30:11,770 --> 00:30:09,530

they're if a few months down the road

625

00:30:13,570 --> 00:30:11,780

there's a disaster I'm sure that people

626

00:30:17,260 --> 00:30:13,580

will try to connect it I'm not sure if

627

00:30:19,620 --> 00:30:17,270

it is connected in this case but yeah I

628

00:30:22,600 --> 00:30:19,630

think there's a big difference between

629

00:30:25,030 --> 00:30:22,610

Point Pleasant West Virginia and Chicago

630

00:30:27,100 --> 00:30:25,040

Illinois well well you know we're down

631

00:30:29,010 --> 00:30:27,110

to our last few minutes Allison if you

632

00:30:31,330 --> 00:30:29,020

ever want to come on and share any

633

00:30:33,640 --> 00:30:31,340

research or share any updates on the

634

00:30:36,610 --> 00:30:33,650

network here we'd be glad to have you

635

00:30:38,470 --> 00:30:36,620

anytime to get yeah definitely your if

636

00:30:40,030 --> 00:30:38,480

you're a fellow cheese head and we've

637

00:30:43,450 --> 00:30:40,040

got some pretty cool people in this

638

00:30:44,890 --> 00:30:43,460

state we have you and we have who is the

639

00:30:47,890 --> 00:30:44,900

640

00:30:50,380 --> 00:30:47,900

Linda Godfrey and then you got yeah you

641

00:30:52,060 --> 00:30:50,390

got Mary Sutherland that does the she

642

00:30:53,860 --> 00:30:52,070

does the archaeological stuff and then

643

00:30:55,270 --> 00:30:53,870

you got the Malik's that are in the

644

00:30:57,130 --> 00:30:55,280

middle of State there's a lot of neat

645

00:31:01,510 --> 00:30:57,140

646

00:31:03,010 --> 00:31:01,520

state yeah thank you so much yeah so you

647

00:31:04,210 --> 00:31:03,020

they can contact you if they see

649

00:31:08,500 --> 00:31:05,570

anything in

00:31:11,080 --> 00:31:08,510

skies and in Wisconsin the Chicagoland

651  
00:31:12,760 --> 00:31:11,090  
or even anywhere in the US I mean I mean

652

haunted road trips that I've done around
