blasting off with some UFO reports

25

00:01:04,789 --> 00:01:01,530

because that's what we do here sighting

26
00:01:08,420 --> 00:01:04,799
in Merkin Ontario this occurred December

27
00:01:10,760 --> 00:01:08,430
26 2017 object flew over me

28
00:01:13,850 --> 00:01:10,770
and then to the South rectangular in

29
00:01:16,100 --> 00:01:13,860
shape with four red lights on the edges

30
00:01:18,859 --> 00:01:16,110
I was out for a walk when I felt

31
00:01:20,630 --> 00:01:18,869
compelled to look directly overhead it's

32
00:01:22,429 --> 00:01:20,640
not something how often is that happen I

33
00:01:25,399 --> 00:01:22,439
think feel compelled all of a sudden I

34
00:01:28,640 --> 00:01:25,409
look up and I saw a rectangular shaped

35
00:01:31,460 --> 00:01:28,650
object fly directly overhead it was

36
00:01:34,580 --> 00:01:31,470
moving slowly to the south and it made

37
00:01:37,550 --> 00:01:34,590
no sound it had four red lights on the

38
00:01:40,249 --> 00:01:37,560

ends after several minutes it slowly

39

00:01:42,080 --> 00:01:40,259

flew out of sight the weight before I

40

00:01:45,590 --> 00:01:42,090

had the same type of encounter where I

41

00:01:48,560 --> 00:01:45,600

felt compelled to look overhead and saw

42

00:01:52,010 --> 00:01:48,570

the same object oh that one's deep

43

00:01:54,670 --> 00:01:52,020

that's deep you know to have it happen

44

00:01:58,789 --> 00:01:54,680

once as a big deal but have been twice

45

00:02:00,350 --> 00:01:58,799

that is wild that is very wild okay next

46

00:02:02,709 --> 00:02:00,360

one UFO sighting in Long Beach

47

00:02:05,780 --> 00:02:02,719

California this occurred January 24th

48

00:02:07,429 --> 00:02:05,790

2018 I got to work at home and when I

49

00:02:10,380 --> 00:02:07,439

got out of the car I saw a light in the

50

00:02:12,720 --> 00:02:10,390

sky and I started to record it I

51
00:02:15,210 --> 00:02:12,730
sit the car in front of the house on the

52
00:02:17,220 --> 00:02:15,220
street and get out the car look at the

53
00:02:21,150 --> 00:02:17,230
sky and I saw an unusual light and take

54
00:02:23,280 --> 00:02:21,160
my face take my face to record for a few

55
00:02:25,100 --> 00:02:23,290
minutes and the light disappeared her

56
00:02:30,510 --> 00:02:25,110
vanished I think they've met phone

57
00:02:32,880 --> 00:02:30,520
literally says face o people edit these

58
00:02:34,890 --> 00:02:32,890
things look back glance see what you're

59
00:02:37,410 --> 00:02:34,900
putting cuz I want to understand I want

60
00:02:40,050 --> 00:02:37,420
to see and get the whole picture because

61
00:02:42,449 --> 00:02:40,060
I dig this stuff alright your full

62
00:02:46,410 --> 00:02:42,459
sighting in st. John's Newfoundland and

63
00:02:50,490 --> 00:02:46,420

lab who is a big UFO blast from the past

64

00:02:53,220 --> 00:02:50,500

this occurred July 31st 1969 and brief

65

00:02:56,310 --> 00:02:53,230

they stayed just two bright lights like

66

00:02:56,729 --> 00:02:56,320

street lights distance apart maybe 50

67

00:02:58,800 --> 00:02:56,739

feet

68

00:03:00,900 --> 00:02:58,810

there was a small red light that went

69

00:03:03,300 --> 00:03:00,910

from the light at the top to the left

70

00:03:06,229 --> 00:03:03,310

light then it reached the left light it

71

00:03:09,720 --> 00:03:06,239

started from the right to left again

72

00:03:12,360 --> 00:03:09,730

continuously while driving home one

73

00:03:15,150 --> 00:03:12,370

night at maybe 2 a.m. through a small

74

00:03:18,240 --> 00:03:15,160

community in Newfoundland back in 1969

75

00:03:21,720 --> 00:03:18,250

or 1970 I thought I saw a shooting star

76
00:03:24,990 --> 00:03:21,730
or meteorite to my left that disappeared

77
00:03:28,080 --> 00:03:25,000
behind some trees when I rounded a turn

78
00:03:31,410 --> 00:03:28,090
in the road I saw two bright lights

79
00:03:34,229 --> 00:03:31,420
hovering over the road about 500 or 600

80
00:03:35,610 --> 00:03:34,239
feet ahead of me I pulled onto the side

81
00:03:38,100 --> 00:03:35,620
of the road a couple of hundred feet

82
00:03:41,160 --> 00:03:38,110
away from it my girlfriend and I watched

83
00:03:44,100 --> 00:03:41,170
it for maybe a couple of minutes then it

84
00:03:46,949 --> 00:03:44,110
moved slowly to our left until it

85
00:03:49,620 --> 00:03:46,959
stopped over a hill it hovered for a few

86
00:03:51,810 --> 00:03:49,630
seconds then descended behind the hill a

87
00:03:54,270 --> 00:03:51,820
few years ago I took a drive to the

88
00:03:57,330 --> 00:03:54,280

other side of the hill and saw that the

89

00:04:00,300 --> 00:03:57,340

ocean was there wow that's pretty cool

90

00:04:02,160 --> 00:04:00,310

oh here goes in the same neighborhood

91

00:04:10,710 --> 00:04:02,170

UFO sighting in Newfoundland and

92

00:04:15,060 --> 00:04:10,720

Labrador car change form from star like

93

00:04:18,779 --> 00:04:15,070

two four lights in a row two rods on the

94

00:04:20,460 --> 00:04:18,789

ground level driving in cab saw blinking

95

00:04:23,730 --> 00:04:20,470

lights like stars then bigger and

96

00:04:25,680 --> 00:04:23,740

different shapes began filming

97

00:04:28,950 --> 00:04:25,690

many different forms came home and

98

00:04:33,409 --> 00:04:28,960

watched the sky and observed pink static

99

00:04:36,900 --> 00:04:33,419

a beam type anomaly shadows in the sky

100

00:04:39,029 --> 00:04:36,910

along with small blinking lights darting

101
00:04:41,879 --> 00:04:39,039
all across the sky okay so we're gonna

102
00:04:43,770 --> 00:04:41,889
see if there's video for this puppy

103
00:04:45,990 --> 00:04:43,780
because this sounds interesting as all

104
00:04:47,879 --> 00:04:46,000
get-out doesn't it yeah

105
00:04:49,650 --> 00:04:47,889
oh there's video okay no this picture is

106
00:04:52,129 --> 00:04:49,660
not not video okay we're gonna hit it

107
00:04:56,219 --> 00:04:52,139
what do we see Oh

108
00:04:59,850 --> 00:04:56,229
huh what is that looks like Christmas

109
00:05:01,320 --> 00:04:59,860
lights okay I don't know what to

110
00:05:07,129 --> 00:05:01,330
pointing at let's click on the next

111
00:05:10,439 --> 00:05:07,139
picture oh okay I got chills you guys

112
00:05:16,170 --> 00:05:10,449
you have got to see this one it's the

113
00:05:18,390 --> 00:05:16,180

second one wow that is an amazing

114

00:05:19,339 --> 00:05:18,400

picture well I'm surprised MUFON allowed

115

00:05:22,020 --> 00:05:19,349

that one on

116

00:05:25,170 --> 00:05:22,030

okay I'll describe like it's it's like

117

00:05:27,839 --> 00:05:25,180

kind of saucer shaped greenish with one

118

00:05:31,110 --> 00:05:27,849

two three four five like five lights

119

00:05:33,899 --> 00:05:31,120

going around the edge and it's above a

120

00:05:36,450 --> 00:05:33,909

house yeah that's a good one that was a

121

00:05:40,890 --> 00:05:36,460

good one yeah you guys go check that out

122

00:05:43,770 --> 00:05:40,900

huh okay okay UFO sighting in Loveland

123

00:05:48,330 --> 00:05:43,780

Colorado this occurred February 24th

124

00:05:50,520 --> 00:05:48,340

2018 a tiny dot until zoomed in driving

125

00:05:52,350 --> 00:05:50,530

on the highway south to Milliken I was

126
00:05:55,469 --> 00:05:52,360
testing my new camera out and taking

127
00:05:57,779 --> 00:05:55,479
pictures of the unusual cloud my husband

128
00:06:00,120 --> 00:05:57,789
Todd was driving later the next day we

129
00:06:03,809 --> 00:06:00,130
looked at our pics and he noticed the

130
00:06:06,270 --> 00:06:03,819
dot pretty exciting if this is a UFO it

131
00:06:08,879 --> 00:06:06,280
would be my second picture of one my

132
00:06:10,649 --> 00:06:08,889
name is lori and closed our two picks I

133
00:06:14,100 --> 00:06:10,659
took the original and when highlighted

134
00:06:18,480 --> 00:06:14,110
or circled thank you hmm

135
00:06:20,909 --> 00:06:18,490
Joey look at that one Oh let's look I

136
00:06:25,230 --> 00:06:20,919
bet it's a dot but it's a dot I don't

137
00:06:27,029 --> 00:06:25,240
know why but I just feel it's a dot okay

138
00:06:30,390 --> 00:06:27,039

there's two pictures here which one do I

139

00:06:32,810 --> 00:06:30,400

look at first okay

140

00:06:36,689 --> 00:06:32,820

oh oh I see this is a strange-looking

141

00:06:37,650 --> 00:06:36,699

cloud everything looks really like

142

00:06:39,150 --> 00:06:37,660

well-formed

143

00:06:40,980 --> 00:06:39,160

as far as clouds are concerned and then

144

00:06:42,870 --> 00:06:40,990

there's this one that kind of looks like

145

00:06:44,970 --> 00:06:42,880

an angel wing and I'm not exaggerating

146

00:06:52,530 --> 00:06:44,980

and it's like multicolored like a

147

00:06:59,130 --> 00:06:52,540

rainbow all right and then and then they

148

00:07:01,040 --> 00:06:59,140

have oh okay you have to kind of zoom in

149

00:07:03,210 --> 00:07:01,050

they have some words I'm not kidding you

150

00:07:06,060 --> 00:07:03,220

they have some words on the picture that

151
00:07:11,550 --> 00:07:06,070
say just below this and you kind of zoom

152
00:07:13,620 --> 00:07:11,560
in and it looks like a saucer but well

153
00:07:15,960 --> 00:07:13,630
that is a really cool cloud though that

154
00:07:17,520 --> 00:07:15,970
they were taking pictures of huh yeah

155
00:07:20,520 --> 00:07:17,530
you guys guys see that one too that's a

156
00:07:22,650 --> 00:07:20,530
good one okay moving on beautiful

157
00:07:24,780 --> 00:07:22,660
sighting in Marysville Washington this

158
00:07:28,290 --> 00:07:24,790
occurred March 1st 2018

159
00:07:30,750 --> 00:07:28,300
I saw a moving glint in the sky and took

160
00:07:33,570 --> 00:07:30,760
a picture I was on my front porch

161
00:07:35,640 --> 00:07:33,580
photographing red-tail Hawks and to the

162
00:07:38,130 --> 00:07:35,650
north of me I visually scanned the

163
00:07:40,800 --> 00:07:38,140

treetops to possibly find any perched in

164

00:07:43,710 --> 00:07:40,810

the trees when I noticed a rapidly

165

00:07:45,000 --> 00:07:43,720

moving glint way off in the distance

166

00:07:49,680 --> 00:07:45,010

between the treetops

167

00:07:52,620 --> 00:07:49,690

and got my DSLR to focus on it and took

168

00:07:54,860 --> 00:07:52,630

a photograph by the time I got my camera

169

00:07:57,390 --> 00:07:54,870

to refocus it was nowhere to be seen

170

00:07:59,010 --> 00:07:57,400

probably disappeared behind a cloud at

171

00:08:01,860 --> 00:07:59,020

first I thought it was just another

172

00:08:04,470 --> 00:08:01,870

jetliner off in the distance but it left

173

00:08:06,990 --> 00:08:04,480

no contrail and it was traveling faster

174

00:08:10,680 --> 00:08:07,000

and I was used to seeing such aircraft

175

00:08:12,360 --> 00:08:10,690

fly especially one that far away I

176

00:08:14,280 --> 00:08:12,370

figured I would see what type of

177

00:08:16,580 --> 00:08:14,290

aircraft it is after I downloaded the

178

00:08:18,990 --> 00:08:16,590

photos I had taken to my desktop

179

00:08:21,270 --> 00:08:19,000

since the photos were taken in RAW

180

00:08:23,760 --> 00:08:21,280

format I knew I could enhance the photos

181

00:08:25,200 --> 00:08:23,770

to bring more detail and then convert

182

00:08:28,200 --> 00:08:25,210

them to JPEG I read a clicking I'm

183

00:08:31,350 --> 00:08:28,210

clicking I'm clicking up clicking what

184

00:08:34,560 --> 00:08:31,360

do we have here is there a photo oh yes

185

00:08:37,409 --> 00:08:34,570

they have two one says oh no unknown

186

00:08:40,950 --> 00:08:37,419

I've never seen that known what is that

187

00:08:42,659 --> 00:08:40,960

video or photo who knows all right this

188

00:08:48,710 --> 00:08:42,669

is a big photo it's taken a second to

189

00:08:50,250 --> 00:08:48,720

load okay what do we have Wow beautiful

190

00:08:57,540 --> 00:08:50,260

beautiful class

191

00:08:59,610 --> 00:08:57,550

it's okay I am I see something let's see

192

00:09:04,050 --> 00:08:59,620

if they zoom in on it I see something I

193

00:09:06,420 --> 00:09:04,060

don't know what oh yeah it's what I

194

00:09:11,430 --> 00:09:06,430

thought well that is just really bizarre

195

00:09:14,220 --> 00:09:11,440

oh I I mean I mean it just I don't know

196

00:09:17,610 --> 00:09:14,230

what I don't know how to categorize what

197

00:09:21,690 --> 00:09:17,620

I'm looking at it is white it's kind of

198

00:09:24,510 --> 00:09:21,700

like a saucer but it looks like two ends

199

00:09:25,230 --> 00:09:24,520

being put together if that makes any

200

00:09:28,080 --> 00:09:25,240

sense

201
00:09:28,890 --> 00:09:28,090
that's really wild that's a that's an

202
00:09:30,840 --> 00:09:28,900
interesting one

203
00:09:33,890 --> 00:09:30,850
yeah you guys gotta take a look at that

204
00:09:36,050 --> 00:09:33,900
one too we got a bunch of them all right

205
00:09:39,180 --> 00:09:36,060
next one

206
00:09:42,930 --> 00:09:39,190
UFO sighting in Agoura Hills California

207
00:09:46,140 --> 00:09:42,940
this occurred March 1st 2018 watching a

208
00:09:49,590 --> 00:09:46,150
rabbit shaped rain cloud facing south

209
00:09:51,810 --> 00:09:49,600
with a white cloud next to it all of a

210
00:09:54,660 --> 00:09:51,820
sudden in the eye of the rabbit was a

211
00:09:57,390 --> 00:09:54,670
saucer shape and it looked like it was

212
00:09:59,670 --> 00:09:57,400
trying to move then it took off very

213
00:10:02,370 --> 00:09:59,680

fast past the white cloud and vanished

214

00:10:04,800 --> 00:10:02,380

in blue huh

215

00:10:06,480 --> 00:10:04,810

March 1st 2018 I just finished working

216

00:10:08,700 --> 00:10:06,490

when I looked outside the French doors

217

00:10:10,110 --> 00:10:08,710

to the office they face to the back of

218

00:10:12,450 --> 00:10:10,120

the office building I noticed a dark

219

00:10:15,450 --> 00:10:12,460

cloud and it sounds funny but it was in

220

00:10:17,070 --> 00:10:15,460

the shape of a rabbit head maybe the UFO

221

00:10:19,620 --> 00:10:17,080

did that maybe you know how we can

222

00:10:22,380 --> 00:10:19,630

imagine anything a cloud could be it'd

223

00:10:24,720 --> 00:10:22,390

be there artists next to the rain dark

224

00:10:27,570 --> 00:10:24,730

clouded rabbit head was a white puffy

225

00:10:29,220 --> 00:10:27,580

cloud and then the blue sky all of a

226

00:10:31,800 --> 00:10:29,230

sudden I of the rabbit was almost

227

00:10:34,890 --> 00:10:31,810

shaking it suddenly it was moving very

228

00:10:37,470 --> 00:10:34,900

fast past the white cloud and when it

229

00:10:41,610 --> 00:10:37,480

got to the blue sky it vanished

230

00:10:43,800 --> 00:10:41,620

it was a saucer and it was quick I found

231

00:10:46,380 --> 00:10:43,810

my mouth open and sat down for a minute

232

00:10:49,350 --> 00:10:46,390

I've seen a strange shape before but

233

00:10:54,600 --> 00:10:49,360

this was moving so fast and it was so

234

00:10:57,290 --> 00:10:54,610

solid okay next UFO sighting black

235

00:11:01,380 --> 00:10:57,300

triangle sighting in dust marina's

236

00:11:03,990 --> 00:11:01,390

Calabarzon this occurred March 2nd 2018

237

00:11:06,809 --> 00:11:04,000

triangular flying object at

238

00:11:08,879 --> 00:11:06,819

I was walking along the highway when I

239

00:11:11,009 --> 00:11:08,889

noticed something in the sky I was a

240

00:11:12,990 --> 00:11:11,019

couple of dim lights and that flying

241

00:11:14,670 --> 00:11:13,000

thing in v-shape huh

242

00:11:17,309 --> 00:11:14,680

at first I thought it was just an

243

00:11:19,290 --> 00:11:17,319

airplane but airplanes do not have that

244

00:11:21,600 --> 00:11:19,300

kind of shape I also thought it was just

245

00:11:24,420 --> 00:11:21,610

birds in formation but it was still too

246

00:11:27,929 --> 00:11:24,430

dark for birds to fly it flew right

247

00:11:30,240 --> 00:11:27,939

above me it was so huge so it seemed

248

00:11:32,790 --> 00:11:30,250

like it is flying low it moved quietly

249

00:11:36,150 --> 00:11:32,800

no sound at all and when it went past

250

00:11:39,629 --> 00:11:36,160

the trees it's gone I was out of words I

251
00:11:42,389 --> 00:11:39,639
jogged so I could check the sky but it

252
00:11:44,939 --> 00:11:42,399
wasn't there anymore I was really in

253
00:11:47,579 --> 00:11:44,949
shock and I felt weird I told my

254
00:11:50,850 --> 00:11:47,589
boyfriend about it but it was really

255
00:11:55,079 --> 00:11:50,860
disturbed and so speechless I just kept

256
00:11:59,369 --> 00:11:55,089
on scanning the sky okay

257
00:12:02,280 --> 00:11:59,379
UFO sighting in Southampton England has

258
00:12:04,769 --> 00:12:02,290
occurred September 20th 2017 flashing

259
00:12:07,650 --> 00:12:04,779
bright lights on the ground an hour

260
00:12:09,720 --> 00:12:07,660
before sighting was observing moon when

261
00:12:13,230 --> 00:12:09,730
it appeared for a minute then it

262
00:12:15,509 --> 00:12:13,240
vanished in a forest camping looking at

263
00:12:18,210 --> 00:12:15,519

the moon if I'm truthful I thought it

264

00:12:20,939 --> 00:12:18,220

was a black hole it appeared and was

265

00:12:22,769 --> 00:12:20,949

perfectly still it was black in the

266

00:12:27,030 --> 00:12:22,779

center and neon blue around it

267

00:12:29,639 --> 00:12:27,040

I felt like off I was going to be sucked

268

00:12:31,530 --> 00:12:29,649

up inside of it I lost sight of it when

269

00:12:34,799 --> 00:12:31,540

it turned when I turned away for a

270

00:12:36,389 --> 00:12:34,809

second okay I have actually seen

271

00:12:40,079 --> 00:12:36,399

something kind of like that so that's

272

00:12:43,610 --> 00:12:40,089

very fascinating the next UFO sighting

273

00:12:47,610 --> 00:12:43,620

this occurred in faylene California on

274

00:12:50,040 --> 00:12:47,620

February 28 2011 a bit of a blast from

275

00:12:54,090 --> 00:12:50,050

the past red light went in a straight

276

00:12:57,869 --> 00:12:54,100

line stopped then shot upwards

277

00:12:59,220 --> 00:12:57,879

I was visiting family and falen or Palin

278

00:13:01,740 --> 00:12:59,230

or I don't know what it is California

279

00:13:04,710 --> 00:13:01,750

since I was in the military at the time

280

00:13:06,629 --> 00:13:04,720

I remember it was a nice warm night so I

281

00:13:09,420 --> 00:13:06,639

had been walking outside in the backyard

282

00:13:11,910 --> 00:13:09,430

I heard what sounded like a rumbling

283

00:13:14,579 --> 00:13:11,920

noise like an airplane so I looked up

284

00:13:16,379 --> 00:13:14,589

into the sky and saw a red light the

285

00:13:17,759 --> 00:13:16,389

light didn't blink or anything it was

286

00:13:19,229 --> 00:13:17,769

just a red dot

287

00:13:23,369 --> 00:13:19,239

at first I thought it was an airplane

288

00:13:26,309 --> 00:13:23,379

just flying along then it stopped for

289

00:13:29,639 --> 00:13:26,319

about 10 seconds just stay in that one

290

00:13:34,410 --> 00:13:29,649

spot then all of a sudden it shot

291

00:13:36,689 --> 00:13:34,420

upwards into the sky it made like an eye

292

00:13:39,179 --> 00:13:36,699

or l-shape I don't know if what they

293

00:13:40,889 --> 00:13:39,189

have here my first thought was that that

294

00:13:44,039 --> 00:13:40,899

thing wasn't an airplane and I

295

00:13:47,129 --> 00:13:44,049

immediately thought of a UFO I freaked

296

00:13:51,509 --> 00:13:47,139

out and ran back into the house where I

297

00:13:53,579 --> 00:13:51,519

told my sister what I saw even something

298

00:13:55,350 --> 00:13:53,589

something that's tiny like that it

299

00:13:57,829 --> 00:13:55,360

shakes up a person's world people I'm

300

00:14:01,499 --> 00:13:57,839

telling you alright UFO sighting in

301
00:14:04,919 --> 00:14:01,509
Gardner Colorado this occurred March 2nd

302
00:14:08,129 --> 00:14:04,929
2018 bright lights in the sky lit up

303
00:14:08,699 --> 00:14:08,139
ground looked like for headlights in the

304
00:14:11,879 --> 00:14:08,709
sky

305
00:14:15,329 --> 00:14:11,889
moved miles in a second and reappeared

306
00:14:17,539 --> 00:14:15,339
in totally different area sitting on a

307
00:14:20,189 --> 00:14:17,549
friend's front steps at about 10:00 p.m.

308
00:14:22,559 --> 00:14:20,199
walking when a bright light caught our

309
00:14:24,660 --> 00:14:22,569
attention like headlights coming up over

310
00:14:27,419 --> 00:14:24,670
a hill but they were far above the

311
00:14:29,129 --> 00:14:27,429
horizon they were bright enough to light

312
00:14:30,239 --> 00:14:29,139
up where we were standing like a

313
00:14:34,559 --> 00:14:30,249

searchlight

314

00:14:37,319 --> 00:14:34,569

then they faded out slowly one at a time

315

00:14:40,259 --> 00:14:37,329

a second or two later they reappeared

316

00:14:43,439 --> 00:14:40,269

one at a time in the same sequence but

317

00:14:45,989 --> 00:14:43,449

miles away to the left and further away

318

00:14:48,720 --> 00:14:45,999

from us this happened two more times

319

00:14:51,150 --> 00:14:48,730

then about one minute later it happened

320

00:14:54,150 --> 00:14:51,160

again but to the right of us and much

321

00:14:57,419 --> 00:14:54,160

further away each time was accompanied

322

00:15:01,079 --> 00:14:57,429

by a very loud rumble that would stop

323

00:15:03,239 --> 00:15:01,089

abrupt you're just waking up and already

336

00:15:35,859 --> 00:15:33,499

out when we try to capture it on film

337

00:15:36,600 --> 00:15:35,869

the lights went out and we never saw it

338

00:15:41,470 --> 00:15:36,610

again

339

00:15:44,679 --> 00:15:41,480

wow that's that's uh that was disturbing

340

00:15:46,329 --> 00:15:44,689

I was really disturbing hmm but you know

341

00:15:49,059 --> 00:15:46,339

that's quite a pattern I do hear that

342

00:15:51,900 --> 00:15:49,069

quite a bit it's like it's like a little

343

00:15:55,379 --> 00:15:51,910

I don't know a reflection of lights

344

00:15:58,269 --> 00:15:55,389

nothing and then whoop I'm over here

345

00:16:00,639 --> 00:15:58,279

look I'm over here now it's like I don't

346

00:16:03,400 --> 00:16:00,649

know all right UFO sighting in Headley

347

00:16:08,519 --> 00:16:03,410

British Columbia blast on the path every

348

00:16:13,090 --> 00:16:08,529

buddy January 31st 1986 burning orb

349

00:16:15,519 --> 00:16:13,100

stationery the lames coming off my

350

00:16:17,949 --> 00:16:15,529

friend and I were on a youth group ski

351

00:16:20,199 --> 00:16:17,959

retreat weekend in Headley British

352

00:16:23,470 --> 00:16:20,209

Columbia we went outside for a cigarette

353

00:16:28,629 --> 00:16:23,480

around 2:00 a.m. and up above the trees

354

00:16:31,480 --> 00:16:28,639

was a burning sphere about 300 feet in

355

00:16:33,850 --> 00:16:31,490

the air from the ground it looked to be

356

00:16:36,759 --> 00:16:33,860

about the size of the moon on a clear

357

00:16:40,179 --> 00:16:36,769

night dang I was huge but its actual

358

00:16:40,749 --> 00:16:40,189

size must have been at least 20 to 30

359

00:16:44,650 --> 00:16:40,759

feet across

360

00:16:47,769 --> 00:16:44,660

I could see flames burning off it quite

361

00:16:51,059 --> 00:16:47,779

clearly we watched it for about five to

362

00:16:54,910 --> 00:16:51,069

ten minutes and it did not move at all

363

00:17:00,189 --> 00:16:54,920

we decided to go back inside it was very

364

00:17:01,840 --> 00:17:00,199

obvious in the clear winter sky these

365

00:17:05,529 --> 00:17:01,850

are some good ones tonight aren't they

366

00:17:09,579 --> 00:17:05,539

UFO sighting in DeLand Florida

367

00:17:11,350 --> 00:17:09,589

this occurred February 28th 2018 I saw

368

00:17:14,500 --> 00:17:11,360

an object in the sky moving like a piece

369

00:17:17,439 --> 00:17:14,510

of paper floating around way to higher

370

00:17:19,659 --> 00:17:17,449

than the planes really fast 30 seconds

371

00:17:22,360 --> 00:17:19,669

later another one came and then they

372

00:17:24,340 --> 00:17:22,370

went out of sight in the first video oh

373

00:17:26,439 --> 00:17:24,350

we got video everybody I was standing

374

00:17:29,230 --> 00:17:26,449

outside of Starling Chevrolet Cadillac

375

00:17:32,409 --> 00:17:29,240

in DeLand Florida with four others when

376

00:17:34,960 --> 00:17:32,419

I spotted one object high in the eastern

377

00:17:37,910 --> 00:17:34,970

sky that looked like it was floating or

378

00:17:40,220 --> 00:17:37,920

hovering in one spot this object was

379

00:17:41,690 --> 00:17:40,230

than any plane so I kept my eye on it

380

00:17:44,750 --> 00:17:41,700

out of nowhere

381

00:17:47,810 --> 00:17:44,760

I saw another object exactly the same

382

00:17:50,030 --> 00:17:47,820

size and shape as the first it was

383

00:17:52,760 --> 00:17:50,040

moving extremely fast and at a really

384

00:17:54,770 --> 00:17:52,770

high altitude this is when I pointed it

385

00:17:57,710 --> 00:17:54,780

out to my co-workers and began to record

386

00:18:01,100 --> 00:17:57,720

in the video you could see three objects

387

00:18:03,710 --> 00:18:01,110

in an east southeast view one object

388

00:18:06,140 --> 00:18:03,720

zooms to the left and out of the view of

389

00:18:08,630 --> 00:18:06,150

my camera I recorded two other objects

390

00:18:10,430 --> 00:18:08,640

you can see one object which speeds down

391

00:18:13,490 --> 00:18:10,440

the skyline and makes an almost

392

00:18:17,240 --> 00:18:13,500

90-degree angle turn that speeds its way

393

00:18:20,420 --> 00:18:17,250

back up into the sky also making sudden

394

00:18:24,050 --> 00:18:20,430

quick stops after each turn pay

395

00:18:25,790 --> 00:18:24,060

attention to nine seconds in to the

396

00:18:28,460 --> 00:18:25,800

video where you can see what are the

397

00:18:30,890 --> 00:18:28,470

objects more what more I think they

398

00:18:34,250 --> 00:18:30,900

meant moves really fast and it even

399

00:18:37,520 --> 00:18:34,260

appears to teleport from one side to

400

00:18:41,420 --> 00:18:37,530

side the object appeared again close to

401
00:18:44,210 --> 00:18:41,430
the cloud from 108 to 115 seconds at the

402
00:18:46,490 --> 00:18:44,220
end of the video oh we're clicking we're

403
00:18:50,330 --> 00:18:46,500
clicking on this everybody so what we

404
00:18:53,450 --> 00:18:50,340
got here got some video I've heard and

405
00:18:55,610 --> 00:18:53,460
seeing these like drifty like craft it

406
00:18:57,140 --> 00:18:55,620
kind of looked like a feather falling

407
00:18:59,450 --> 00:18:57,150
down in the wind so I'm curious if

408
00:19:00,830 --> 00:18:59,460
that's what this is gonna look like all

409
00:19:03,980 --> 00:19:00,840
right so I've clicked the video and it's

410
00:19:07,610 --> 00:19:03,990
taken a hot minute to get itself up in

411
00:19:10,070 --> 00:19:07,620
gear come on now come on now I hit it

412
00:19:13,040 --> 00:19:10,080
come on all right we'll see what got

413
00:19:17,570 --> 00:19:13,050

here doo doo doo doo

414

00:19:22,750 --> 00:19:17,580

okay we're watching they're cussing up a

415

00:19:32,690 --> 00:19:22,760

storm talking about seeing this thing

416

00:19:35,660 --> 00:19:32,700

they're calling it a female dog they're

417

00:19:37,610 --> 00:19:35,670

calling it aliens I am trying to see

418

00:19:44,399 --> 00:19:37,620

what they're looking at and they're

419

00:20:01,870 --> 00:19:47,980

and they called it a female dog again

420

00:20:04,000 --> 00:20:01,880

I see birds there searching the sky they

421

00:20:11,890 --> 00:20:04,010

are flipping out and I don't see what

422

00:20:13,210 --> 00:20:11,900

they're talking about okay well they

423

00:20:14,980 --> 00:20:13,220

swear that we should be able to see

424

00:20:27,279 --> 00:20:14,990

something in this I'm looking still I'm

425

00:20:29,560 --> 00:20:27,289

looking yeah I wish you guys heard that

426

00:20:31,720 --> 00:20:29,570

one of the guys says maybe it's a

427

00:20:35,470 --> 00:20:31,730

weather balloon and it goes yeah yeah

428

00:20:38,740 --> 00:20:35,480

right Pedro you're mr. scientist ha ha

429

00:20:41,019 --> 00:20:38,750

that's funny well I'm not gonna attempt

430

00:20:43,510 --> 00:20:41,029

the other video that was just um it's

431

00:20:45,310 --> 00:20:43,520

really hard to spot it out but pretty

432

00:20:50,470 --> 00:20:45,320

cool that they reported it all right oh

433

00:20:51,940 --> 00:20:50,480

my oh we've got a huge report I mean

434

00:20:53,470 --> 00:20:51,950

this is just gonna take up the rest of

435

00:20:56,200 --> 00:20:53,480

the time probably let's hope it's worth

436

00:20:59,620 --> 00:20:56,210

the read black triangle sighting in

437

00:21:02,430 --> 00:20:59,630

Carlton Texas a bit of a blaster in the

438

00:21:04,960 --> 00:21:02,440

past has occurred October 14 2014

439

00:21:08,130 --> 00:21:04,970

triangular craft light orbs and various

440

00:21:10,960 --> 00:21:08,140

events else's is more than one okay

441

00:21:14,230 --> 00:21:10,970

though this report is specifically

442

00:21:16,960 --> 00:21:14,240

focused on a late 2014 experience I

443

00:21:19,720 --> 00:21:16,970

first spotted a triangle UFO which had a

444

00:21:22,870 --> 00:21:19,730

bright light on each corner and no

445

00:21:26,289 --> 00:21:22,880

center lights such as people depict of a

446

00:21:29,080 --> 00:21:26,299

tri 3 bead craft I don't know that is in

447

00:21:31,990 --> 00:21:29,090

late fall of 2012 I was driving back

448

00:21:34,000 --> 00:21:32,000

from work at around 9:15 p.m. which

449

00:21:35,470 --> 00:21:34,010

incidentally I realized was around the

450

00:21:38,409 --> 00:21:35,480

time I went out and experienced my first

451
00:21:39,970 --> 00:21:38,419
observation visually I had observed it

452
00:21:43,230 --> 00:21:39,980
for a few minutes beneath clouds

453
00:21:45,250 --> 00:21:43,240
illuminated by the lights on the ground

454
00:21:47,529 --> 00:21:45,260
contrasting with a triangular Foose

455
00:21:50,919 --> 00:21:47,539
fuselage that seemed to absorb light

456
00:21:53,169 --> 00:21:50,929
rather than reflect much like a b-2

457
00:21:54,669 --> 00:21:53,179
bomber paint surface and at the time I

458
00:21:57,790 --> 00:21:54,679
simply acknowledged it for what it was

459
00:21:59,500 --> 00:21:57,800
while I was near to entering the house

460
00:22:02,380 --> 00:21:59,510
after I had walked towards the door I

461
00:22:02,980 --> 00:22:02,390
looked up and noticed it was already

462
00:22:04,870 --> 00:22:02,990
gone

463
00:22:06,370 --> 00:22:04,880

I put this experience in the back of my

464

00:22:09,550 --> 00:22:06,380
mind for two years when another

465

00:22:13,210 --> 00:22:09,560
experience in the same area caused me to

466

00:22:15,820 --> 00:22:13,220
randomly check online in the local area

467

00:22:17,770 --> 00:22:15,830
Carleton Texas when deciding to look on

468

00:22:20,740 --> 00:22:17,780
YouTube I found videos recorded months

469

00:22:22,870 --> 00:22:20,750
before the 2012 experience and uploaded

470

00:22:25,540 --> 00:22:22,880
during the summer about two miles from

471

00:22:28,720 --> 00:22:25,550
my house in a Walmart parking lot in the

472

00:22:30,430 --> 00:22:28,730
search of 2012 triangular UFO and I also

473

00:22:33,010 --> 00:22:30,440
discovered other sightings of what seems

474

00:22:35,050 --> 00:22:33,020
to have been UFO flying information to

475

00:22:37,740 --> 00:22:35,060
appear as a triangle one specifically

476

00:22:40,030 --> 00:22:37,750

titled UFOs over Carleton Texas

477

00:22:43,600 --> 00:22:40,040

okay that occurred months prior to my

478

00:22:46,840 --> 00:22:43,610

own sighting though this was what - the

479

00:22:48,420 --> 00:22:46,850

initial video I spotted slipping through

480

00:22:52,450 --> 00:22:48,430

okay when we're gonna get to something

481

00:22:54,550 --> 00:22:52,460

sleep in addiction wow I am not kidding

482

00:22:58,510 --> 00:22:54,560

you this is pages long and they're just

483

00:23:03,640 --> 00:22:58,520

bamboo 'In Oh pages they're talking

484

00:23:05,980 --> 00:23:03,650

about EVPs Beltronics what is that is

485

00:23:09,310 --> 00:23:05,990

just you ever know these people that you

486

00:23:11,350 --> 00:23:09,320

go to ask them for you know what time is

487

00:23:13,120 --> 00:23:11,360

it they're like oh well the time is well

488

00:23:15,100 --> 00:23:13,130

you know I just came in from outside and

489

00:23:17,020 --> 00:23:15,110

I really had a good time out there and

490

00:23:19,540 --> 00:23:17,030

should really go out there and have a

491

00:23:21,790 --> 00:23:19,550

good time - and oh look at the clock but

492

00:23:24,040 --> 00:23:21,800

anyways yeah I was having a great time

493

00:23:25,660 --> 00:23:24,050

out there and and then I stuffed over a

494

00:23:27,610 --> 00:23:25,670

worm cuz I didn't want to get my shoe

495

00:23:29,650 --> 00:23:27,620

loss slimy and everything but there goes

496

00:23:33,460 --> 00:23:29,660

the clock you know that's what decides

497

00:23:36,640 --> 00:23:33,470

what I'm reading here it is a lot but

498

00:23:37,990 --> 00:23:36,650

still appreciated by whomever will take

499

00:23:40,420 --> 00:23:38,000

the time to read that it's like four

500

00:23:42,400 --> 00:23:40,430

pages and they're talking about a lot of

501
00:23:44,800 --> 00:23:42,410
things so I'm just gonna leave that and

502
00:23:46,210 --> 00:23:44,810
post it up on the site you guys can have

503
00:23:49,240 --> 00:23:46,220
a pika do with that

504
00:23:53,200 --> 00:23:49,250
alright UFO sighting in Salt Lake City

505
00:23:56,200 --> 00:23:53,210
Utah this occurred March 6 2018 bright

506
00:23:59,380 --> 00:23:56,210
white extremely high and fast-moving

507
00:24:00,940 --> 00:23:59,390
cylinder shape that disappeared when I

508
00:24:02,020 --> 00:24:00,950
wasn't looking oh you got to keep your

509
00:24:04,990 --> 00:24:02,030
eyes on these things

510
00:24:07,420 --> 00:24:05,000
I was driving north along 1,300 West and

511
00:24:09,730 --> 00:24:07,430
approaching 1,400 South and Salt Lake

512
00:24:11,300 --> 00:24:09,740
County when I saw a white cylinder or

513
00:24:14,390 --> 00:24:11,310

cigar shaped object

514

00:24:16,070 --> 00:24:14,400

extremely high off the ground when I was

515

00:24:18,020 --> 00:24:16,080

stopped at the stoplight facing

516

00:24:21,230 --> 00:24:18,030

northbound at the Afra mesh Afra

517

00:24:23,270 --> 00:24:21,240

mentioned a intersection the object was

518

00:24:25,310 --> 00:24:23,280

directly behind the telephone wires that

519

00:24:28,310 --> 00:24:25,320

cross the street the object caught my

520

00:24:30,860 --> 00:24:28,320

eye because of how white and quickly it

521

00:24:33,050 --> 00:24:30,870

appeared to be moving after the light

522

00:24:34,610 --> 00:24:33,060

turned green and as I proceeded through

523

00:24:37,160 --> 00:24:34,620

the intersection I looked away from the

524

00:24:39,440 --> 00:24:37,170

object and when I looked back it was no

525

00:24:42,440 --> 00:24:39,450

longer there there were no clouds in the

526

00:24:44,900 --> 00:24:42,450

sky and it was an exceptionally clear

527

00:24:47,840 --> 00:24:44,910

morning I could not spot the object

528

00:24:51,670 --> 00:24:47,850

anywhere I do not know if it flew away

529

00:24:54,230 --> 00:24:51,680

or disappeared or something else

530

00:24:55,820 --> 00:24:54,240

interesting all right UFO sighting in

531

00:24:59,720 --> 00:24:55,830

Staten Island New York

532

00:25:01,820 --> 00:24:59,730

this happened March 6 2018 a shiny

533

00:25:03,200 --> 00:25:01,830

object in the sky that reflected light

534

00:25:06,350 --> 00:25:03,210

and out-dated

535

00:25:08,090 --> 00:25:06,360

and remained stationary for 15 minutes

536

00:25:09,620 --> 00:25:08,100

before disappearing on Staten Island

537

00:25:12,020 --> 00:25:09,630

walking my dog when I noticed something

538

00:25:15,560 --> 00:25:12,030

shining in the sky I thought it was just

539

00:25:18,020 --> 00:25:15,570

a Mylar ball on but as I kept looking

540

00:25:21,080 --> 00:25:18,030

and it I noticed that it was stationary

541

00:25:23,270 --> 00:25:21,090

and pulsed I tried to get home to

542

00:25:26,300 --> 00:25:23,280

observe it with binoculars but it just

543

00:25:27,650 --> 00:25:26,310

disappeared the event lasted for 15

544

00:25:32,000 --> 00:25:27,660

minutes over Staten Island on a

545

00:25:35,710 --> 00:25:32,010

cloudless sunny day UFO sighting and

546

00:25:38,960 --> 00:25:35,720

muscat govern it this happened on

547

00:25:42,200 --> 00:25:38,970

February 20th 2018 we just took a photo

548

00:25:43,640 --> 00:25:42,210

and it was back in the photo huh and it

549

00:25:46,820 --> 00:25:43,650

was back in the photo we didn't see it

550

00:25:50,210 --> 00:25:46,830

with our eyes me and my friends were at

551
00:25:52,070 --> 00:25:50,220
Oman to do camping and walking it was

552
00:25:55,340 --> 00:25:52,080
our first day and for the first time

553
00:26:00,140 --> 00:25:55,350
we're going to the campsite I pointed

554
00:26:02,510 --> 00:26:00,150
the torch on my face face I think they

555
00:26:05,330 --> 00:26:02,520
mean and a torch is a flashlight in this

556
00:26:07,700 --> 00:26:05,340
country and my friend said I looked

557
00:26:10,970 --> 00:26:07,710
scary and took a picture right after he

558
00:26:13,790 --> 00:26:10,980
realized it at the back we're all really

559
00:26:15,380 --> 00:26:13,800
shocked none of us actually saw it but

560
00:26:17,480 --> 00:26:15,390
it was in the photo and the lights

561
00:26:18,980 --> 00:26:17,490
should have been bright because there

562
00:26:21,050 --> 00:26:18,990
were a lot of stars behind us

563
00:26:22,190 --> 00:26:21,060

and none of them were there in the photo

564

00:26:23,660 --> 00:26:22,200

of Charon or what they're talking about

565

00:26:25,760 --> 00:26:23,670

that's hope we got it

566

00:26:31,760 --> 00:26:25,770

good juicy photo here as long I say I

567

00:26:34,040 --> 00:26:31,770

see we got here sight come on please

568

00:26:35,450 --> 00:26:34,050

come on give me give me this big shark I

569

00:26:39,080 --> 00:26:35,460

don't know what they're talking about

570

00:26:44,450 --> 00:26:39,090

they weren't good writers start it okay

571

00:26:46,310 --> 00:26:44,460

and come on come on wait what oh there

572

00:26:47,840 --> 00:26:46,320

is a photo there is a photo oh we're

573

00:26:50,390 --> 00:26:47,850

getting lucky with these photos today

574

00:26:59,810 --> 00:26:50,400

because we know we are not generally

575

00:27:01,730 --> 00:26:59,820

lucky with this are we Oh o M G one two

576
00:27:06,340 --> 00:27:01,740
three four five

577
00:27:09,440 --> 00:27:06,350
there is a looks like saucer shape and

578
00:27:13,100 --> 00:27:09,450
there are five green lights around it

579
00:27:17,390 --> 00:27:13,110
right above this kid's head he doesn't

580
00:27:19,040 --> 00:27:17,400
look that spooky but yeah it's they're

581
00:27:21,290 --> 00:27:19,050
all gonna zoom in a little bit

582
00:27:24,380 --> 00:27:21,300
oh when you zoom in you see it's

583
00:27:28,070 --> 00:27:24,390
illuminated and it is circular like a

584
00:27:29,630 --> 00:27:28,080
saucer oh that's a good juicy one you

585
00:27:31,280 --> 00:27:29,640
guys got to see that we had some good

586
00:27:33,680 --> 00:27:31,290
juicy

587
00:27:34,430 --> 00:27:33,690
good good good ones that's that's all

588
00:27:39,950 --> 00:27:34,440

I'm gonna say

589

00:27:43,520 --> 00:27:39,960

Wow all right here we go next one UFO

590

00:27:45,380 --> 00:27:43,530

sighting and Cumbre Cumbre i don't know

591

00:27:48,080 --> 00:27:45,390

why it says that but this occurred March

592

00:27:50,090 --> 00:27:48,090

5th 2018 during the video recording for

593

00:27:52,730 --> 00:27:50,100

time lapse I noticed that something

594

00:27:54,470 --> 00:27:52,740

crossed the sky coming from south to

595

00:27:56,090 --> 00:27:54,480

north during the video recording for

596

00:27:58,850 --> 00:27:56,100

time-lapse I noticed and they're

597

00:28:00,230 --> 00:27:58,860

repeating themselves across the sky

598

00:28:02,690 --> 00:28:00,240

coming from south to north

599

00:28:08,830 --> 00:28:02,700

it has a you've shaped I cut part of the

600

00:28:11,990 --> 00:28:08,840

video for a submission video shall we

601
00:28:15,700 --> 00:28:12,000
let's see what we have here because

602
00:28:18,830 --> 00:28:15,710
we're enjoying ourselves today with this

603
00:28:23,330 --> 00:28:18,840
I'm still very angry about the one video

604
00:28:26,300 --> 00:28:23,340
that the guy said he saw a UFO landing

605
00:28:29,840 --> 00:28:26,310
and the whole family didn't recall that

606
00:28:34,610 --> 00:28:29,850
going on okay watching the video there's

607
00:28:38,810 --> 00:28:34,620
birds there's birds okay

608
00:28:40,010 --> 00:28:38,820
okay whatever same oh so something

609
00:28:43,190 --> 00:28:40,020
supposed to cross so I'm gonna keep my

610
00:28:45,620 --> 00:28:43,200
eyes peeled for something crossing all

611
00:28:48,920 --> 00:28:45,630
right it's less than a minute I don't

612
00:28:51,380 --> 00:28:48,930
see anything yet really nice so little

613
00:28:53,299 --> 00:28:51,390

time lapse like kind of video here some

614

00:28:59,020 --> 00:28:53,309

black of white like I see a lot of

615

00:29:01,960 --> 00:28:59,030

shrubbery and a grey sky and clouds

616

00:29:08,260 --> 00:29:01,970

we're supposed to be expecting something

617

00:29:11,560 --> 00:29:08,270

at some point where oh there it is

618

00:29:15,700 --> 00:29:11,570

well there you go

619

00:29:22,630 --> 00:29:15,710

dude did you two do well what is that oh

620

00:29:25,190 --> 00:29:22,640

oh then oh wow

621

00:29:28,700 --> 00:29:25,200

either that's a hawk that doesn't flap

622

00:29:31,040 --> 00:29:28,710

its wings or are you shaped kind of

623

00:29:33,169 --> 00:29:31,050

boomerang that's a boomerang UFO guys

624

00:29:35,870 --> 00:29:33,179

that's what that was that's what that

625

00:29:38,360 --> 00:29:35,880

was how's it boomerang UFO I don't think

626

00:29:40,280 --> 00:29:38,370

I've seen those nope I haven't seen a

627

00:29:42,440 --> 00:29:40,290

628

00:29:44,630 --> 00:29:42,450
