UFO reports because we really dig those

24

00:01:05,210 --> 00:01:02,190

around here don't we UFO sighting in

25

00:01:07,969 --> 00:01:05,220

Maitland Florida this occurred March 6

26  
00:01:10,429 --> 00:01:07,979  
2018 I was walking my dog when I looked

27  
00:01:13,370 --> 00:01:10,439  
up randomly in the sky I started to see

28  
00:01:16,219 --> 00:01:13,380  
an orange glow that seemed to be

29  
00:01:18,590 --> 00:01:16,229  
cylinder in shape it brightened and then

30  
00:01:22,700 --> 00:01:18,600  
it lost its glow and became a small

31  
00:01:25,399 --> 00:01:22,710  
looking tiny orange star really

32  
00:01:27,140 --> 00:01:25,409  
interesting in more detail I was walking

33  
00:01:28,700 --> 00:01:27,150  
my dog randomly look up the sky saw an

34  
00:01:31,789 --> 00:01:28,710  
orange glow this orange glow got bigger

35  
00:01:33,140 --> 00:01:31,799  
moved to an outward cylinder shape I

36  
00:01:36,050 --> 00:01:33,150  
thought the object was probably a

37  
00:01:39,020 --> 00:01:36,060  
helicopter but I quickly noticed and it

38  
00:01:42,109 --> 00:01:39,030

gave off a burst of light or aura of

39

00:01:44,780 --> 00:01:42,119

light that kept getting bigger it then

40

00:01:47,539 --> 00:01:44,790

became smaller after a moment it faded

41

00:01:50,149 --> 00:01:47,549

away to the size of a star the star

42

00:01:51,980 --> 00:01:50,159

looking object was orange I would have

43

00:01:54,160 --> 00:01:51,990

stayed longer to look at it but my dog

44

00:01:56,359 --> 00:01:54,170

had to be taken inside from her walk

45

00:01:59,330 --> 00:01:56,369

afterwards I believe that I saw a

46

00:02:01,760 --> 00:01:59,340

helicopter around and or an airplane

47

00:02:03,499 --> 00:02:01,770

around as well when I first started to

48

00:02:04,670 --> 00:02:03,509

observe it I thought it looked different

49

00:02:07,039 --> 00:02:04,680

from a helicopter

50

00:02:10,609 --> 00:02:07,049

my feelings were ones of awe and

51  
00:02:13,070 --> 00:02:10,619  
amazement I just observed it to see what

52  
00:02:13,830 --> 00:02:13,080  
it was doing I was not scared or afraid

53  
00:02:16,559 --> 00:02:13,840  
however

54  
00:02:18,960 --> 00:02:16,569  
was so far away so I don't think I could

55  
00:02:21,270 --> 00:02:18,970  
have been that afraid of it after seeing

56  
00:02:24,330 --> 00:02:21,280  
it I felt glad that I had seen something

57  
00:02:25,440 --> 00:02:24,340  
very extraordinary I'm convinced I may

58  
00:02:29,250 --> 00:02:25,450  
have seen a UFO

59  
00:02:32,070 --> 00:02:29,260  
I felt very serene actually but it was

60  
00:02:34,890 --> 00:02:32,080  
very nice weather out not too hot with

61  
00:02:40,770 --> 00:02:34,900  
the nice breeze it was a little chilly

62  
00:02:44,190 --> 00:02:40,780  
outside but much okay um this next one

63  
00:02:47,789 --> 00:02:44,200

your full sighting in una Gwon II yeah

64

00:02:49,350 --> 00:02:47,799

no Ghani no Ghani Michigan this is a

65

00:02:53,370 --> 00:02:49,360

slight blast from the past of charge

66

00:02:56,520 --> 00:02:53,380

Illini 2016 observed light color a very

67

00:02:59,819 --> 00:02:56,530

old lampshade brownish in color in a

68

00:03:02,100 --> 00:02:59,829

high orbit heading west brilliant orab

69

00:03:05,520 --> 00:03:02,110

came shooting from the after mentioned

70

00:03:07,559 --> 00:03:05,530

object in more detail and they put a lot

71

00:03:09,089 --> 00:03:07,569

of it which is awesome your full

72

00:03:10,920 --> 00:03:09,099

sighting for your review I have thought

73

00:03:13,740 --> 00:03:10,930

about sending this experience to you for

74

00:03:16,199 --> 00:03:13,750

the past couple of years for some still

75

00:03:19,410 --> 00:03:16,209

unknown reason perhaps not to be looked

76  
00:03:21,840 --> 00:03:19,420  
upon as another fool making up a fantasy

77  
00:03:24,210 --> 00:03:21,850  
and stating it as fact could be one

78  
00:03:26,940 --> 00:03:24,220  
reason I have told my experience to my

79  
00:03:30,059 --> 00:03:26,950  
family members only to be looked up as a

80  
00:03:32,370 --> 00:03:30,069  
fer mentioned I have from a child than a

81  
00:03:35,400 --> 00:03:32,380  
Sky Watcher and I've seen many things I

82  
00:03:37,770 --> 00:03:35,410  
wasn't am NOT able to understand what I

83  
00:03:40,229 --> 00:03:37,780  
shall present to you hmm

84  
00:03:43,860 --> 00:03:40,239  
shall be the highlight of these many

85  
00:03:45,120 --> 00:03:43,870  
years I am 72 years of age you know

86  
00:03:47,039 --> 00:03:45,130  
don't you hate to hear that people get

87  
00:03:48,780 --> 00:03:47,049  
picked on and people fear getting picked

88  
00:03:51,839 --> 00:03:48,790

on and so they don't report the stuff

89

00:03:54,680 --> 00:03:51,849

that is a shame it is July 9th 2016 a

90

00:03:57,750 --> 00:03:54,690

very warm evening in the city of Nogami

91

00:04:00,479 --> 00:03:57,760

Michigan I and thousands of others are

92

00:04:03,659 --> 00:04:00,489

about to watch the July 4th fireworks

93

00:04:06,750 --> 00:04:03,669

look at this fireworks again attracting

94

00:04:07,379 --> 00:04:06,760

UFOs they must be really big fans the

95

00:04:09,750 --> 00:04:07,389

fireworks

96

00:04:11,970 --> 00:04:09,760

inugami are always held the weekend

97

00:04:15,150 --> 00:04:11,980

after the regular celebration of the 4th

98

00:04:18,150 --> 00:04:15,160

of July are over teal Lake within the

99

00:04:20,099 --> 00:04:18,160

city limits of Nagant it was a kind of

100

00:04:22,560 --> 00:04:20,109

partly cloudy sky this night with a full

101  
00:04:24,480 --> 00:04:22,570  
moon to complement the sky there would

102  
00:04:27,750 --> 00:04:24,490  
also be a strange cloud that looked more

103  
00:04:29,610 --> 00:04:27,760  
like a flat hurricane huge in size

104  
00:04:32,370 --> 00:04:29,620  
which I could not help but to take a

105  
00:04:35,130 --> 00:04:32,380  
picture up and the moon as well it would

106  
00:04:37,350 --> 00:04:35,140  
be around 10-ish when with anticipation

107  
00:04:40,350 --> 00:04:37,360  
from the thousands of waiting watchers

108  
00:04:43,110 --> 00:04:40,360  
the fireworks began over the next hour

109  
00:04:45,030 --> 00:04:43,120  
perhaps more we were all awed with the

110  
00:04:46,860 --> 00:04:45,040  
many flares of celebration of our

111  
00:04:49,770 --> 00:04:46,870  
nation's independence while he writes us

112  
00:04:52,140 --> 00:04:49,780  
like a novel it was sad when and how the

113  
00:04:54,060 --> 00:04:52,150

celebration came to an end with hands

114

00:04:56,580 --> 00:04:54,070

clapping whistle sounding and people

115

00:04:59,280 --> 00:04:56,590

beginning to part from this wonderful

116

00:05:03,120 --> 00:04:59,290

experience it is here that my unknown

117

00:05:05,010 --> 00:05:03,130

experience would come to be I and

118

00:05:07,920 --> 00:05:05,020

hundreds of others are facing almost

119

00:05:10,740 --> 00:05:07,930

directly West perhaps somewhat Southwest

120

00:05:14,790 --> 00:05:10,750

I say this in correlation to where we

121

00:05:16,770 --> 00:05:14,800

watch the Sun okay set this evening as

122

00:05:20,220 --> 00:05:16,780

the crowd around me packed up their

123

00:05:22,350 --> 00:05:20,230

chairs and other paraphernalia toward we

124

00:05:25,080 --> 00:05:22,360

turned around from the lake would be

125

00:05:26,850 --> 00:05:25,090

East I took the opportunity to stay put

126

00:05:30,090 --> 00:05:26,860

looking over the lake more specifically

127

00:05:32,190 --> 00:05:30,100

into the beautiful star like sky though

128

00:05:34,740 --> 00:05:32,200

the clouds which were sparse were still

129

00:05:37,500 --> 00:05:34,750

taking flight I was able to pick out the

130

00:05:40,110 --> 00:05:37,510

light of a satellite which I look at and

131

00:05:43,110 --> 00:05:40,120

look for on many nights I looked to the

132

00:05:45,180 --> 00:05:43,120

heavens this evening would be different

133

00:05:47,520 --> 00:05:45,190

as I followed the flight of the

134

00:05:50,280 --> 00:05:47,530

satellite which was heading west I noted

135

00:05:53,490 --> 00:05:50,290

as satellite became less interesting

136

00:05:56,550 --> 00:05:53,500

there were other lights that caught my

137

00:05:58,680 --> 00:05:56,560

eye which gives me goosebumps as I write

138

00:06:00,810 --> 00:05:58,690

this that seemed out of place

139

00:06:02,760 --> 00:06:00,820

the rest of the universe appeared to

140

00:06:07,050 --> 00:06:02,770

have the same shade of color but this

141

00:06:10,430 --> 00:06:07,060

one did not it was the color of a very

142

00:06:13,800 --> 00:06:10,440

old lampshade what a what a comparison

143

00:06:16,380 --> 00:06:13,810

lampshade brownish in color if you will

144

00:06:18,660 --> 00:06:16,390

this object in my opinion appeared to be

145

00:06:22,740 --> 00:06:18,670

moving west in a similar route as a

146

00:06:25,110 --> 00:06:22,750

satellite but in a much higher orbit in

147

00:06:27,450 --> 00:06:25,120

my humble opinion beyond what we

148

00:06:31,470 --> 00:06:27,460

consider normal I consider to watch this

149

00:06:33,540 --> 00:06:31,480

object of uncertain as it was and what

150

00:06:36,570 --> 00:06:33,550

it was unlike anything I have ever

151

00:06:38,340 --> 00:06:36,580

witnessed but here of stories of this

152

00:06:40,740 --> 00:06:38,350

brilliant orb came shooting from the

153

00:06:41,670 --> 00:06:40,750

affirmation object-- in less than a

154

00:06:44,430 --> 00:06:41,680

second a cane

155

00:06:46,980 --> 00:06:44,440

to a stop perhaps just as the outer

156

00:06:48,960 --> 00:06:46,990

reaches of her atmosphere I'm guessing

157

00:06:52,020 --> 00:06:48,970

it would remain in this position for a

158

00:06:54,719 --> 00:06:52,030

few seconds then it headed my notes west

159

00:06:57,120 --> 00:06:54,729

for some distance then just like that it

160

00:06:59,490 --> 00:06:57,130

headed east of North then headed

161

00:07:02,969 --> 00:06:59,500

directly north over the treetops toward

162

00:07:03,770 --> 00:07:02,979

what eventually would be Canada then it

163

00:07:05,790 --> 00:07:03,780

was gone

164

00:07:07,439 --> 00:07:05,800

ascending to the heavens and the place

165

00:07:10,950 --> 00:07:07,449

of its origins where I could still make

166

00:07:13,680 --> 00:07:10,960

out the lampshade colored object then it

167

00:07:15,420 --> 00:07:13,690

was gone so my fellow lovers of the

168

00:07:18,120 --> 00:07:15,430

unknown you have read my circumstance

169

00:07:19,140 --> 00:07:18,130

which I have not been able to share with

170

00:07:21,210 --> 00:07:19,150

other believers

171

00:07:23,580 --> 00:07:21,220

there is something alien about our

172

00:07:25,170 --> 00:07:23,590

universe perhaps once in my lifetime I

173

00:07:28,260 --> 00:07:25,180

have been witness to this alien

174

00:07:30,150 --> 00:07:28,270

possibility the imprint on my mind shall

175

00:07:33,240 --> 00:07:30,160

last for whatever years I have left on

176

00:07:34,560 --> 00:07:33,250

this our beautiful earth thank you so

177

00:07:44,189 --> 00:07:34,570

much for taking your time to read my

178

00:07:46,439 --> 00:07:44,199

story George I love it I know he's UFO

179

00:07:51,029 --> 00:07:46,449

sighting along Beach California

180

00:07:56,070 --> 00:07:51,039

this occurred March 10 2017 we were my

181

00:07:57,899 --> 00:07:56,080

wife we were my wife and I I think they

182

00:08:00,629 --> 00:07:57,909

mean in the park we looked at the sky

183

00:08:02,159 --> 00:08:00,639

and there were objects my wife and I

184

00:08:05,040 --> 00:08:02,169

went for a bike ride in the park in the

185

00:08:07,439 --> 00:08:05,050

Golden East Regional Park and stop for a

186

00:08:09,330 --> 00:08:07,449

while on the grass after a while we

187

00:08:12,089 --> 00:08:09,340

turned to the sky and there were objects

188

00:08:14,100 --> 00:08:12,099

I took my camera I started recording at

189

00:08:16,020 --> 00:08:14,110

the beginning you see how one object

190

00:08:18,810 --> 00:08:16,030

passes under the other that appeared to

191

00:08:21,360 --> 00:08:18,820

be two spheres together a red color but

192

00:08:23,939 --> 00:08:21,370

in awhile it changes color and the two

193

00:08:26,310 --> 00:08:23,949

appear white we did not realize when I

194

00:08:29,490 --> 00:08:26,320

change color when I think they meant it

195

00:08:32,310 --> 00:08:29,500

change color and change to just being a

196

00:08:35,310 --> 00:08:32,320

white sphere side by side oh I wish

197

00:08:37,829 --> 00:08:35,320

people would just edit this do I look at

198

00:08:39,750 --> 00:08:37,839

this one that's that's let's have a look

199

00:08:41,399 --> 00:08:39,760

that's how it look let's see what this

200

00:08:44,900 --> 00:08:41,409

looks like what are they speaking up oh

201  
00:08:49,260 --> 00:08:44,910  
please let the video be in existence oh

202  
00:08:51,380 --> 00:08:49,270  
mighty MUFON you did not put it must

203  
00:08:54,220 --> 00:08:51,390  
have been too good

204  
00:08:56,600 --> 00:08:54,230  
oh well we tried alright UFO sighting in

205  
00:09:00,170 --> 00:08:56,610  
Florida this occurred March 30 2018

206  
00:09:03,920 --> 00:09:00,180  
three pulsating lights slowly changing

207  
00:09:07,280 --> 00:09:03,930  
shape observing from Pasco Florida again

208  
00:09:09,350 --> 00:09:07,290  
star gating again while joking about the

209  
00:09:13,130 --> 00:09:09,360  
UFOs we'd seen a couple of weeks ago

210  
00:09:15,410 --> 00:09:13,140  
then it happened again oh wow

211  
00:09:17,090 --> 00:09:15,420  
this time just off the horizon I saw

212  
00:09:20,390 --> 00:09:17,100  
what looked like three stars slowly

213  
00:09:22,280 --> 00:09:20,400

pulsating lights huh they seem to grow

214

00:09:24,440 --> 00:09:22,290

dimmer over the period of about 15

215

00:09:26,570 --> 00:09:24,450

minutes until finally we couldn't keep

216

00:09:28,160 --> 00:09:26,580

track of them anymore I tried to take

217

00:09:29,960 --> 00:09:28,170

pictures but they didn't turn out too

218

00:09:33,470 --> 00:09:29,970

well I did take a video though which

219

00:09:35,960 --> 00:09:33,480

turned out much better do we go to look

220

00:09:38,450 --> 00:09:35,970

at that yeah we got a big story at the

221

00:09:40,510 --> 00:09:38,460

end of this one so I will just keep

222

00:09:42,800 --> 00:09:40,520

going alien encounter and Brigitte oh

223

00:09:45,080 --> 00:09:42,810

wow Virginia Beach Virginia this

224

00:09:48,560 --> 00:09:45,090

happened March 5th 2018 I have a deep

225

00:09:50,600 --> 00:09:48,570

cut on my lower right leg on the calf I

226

00:09:52,580 --> 00:09:50,610

have a triangle shape with circles on my

227

00:09:57,410 --> 00:09:52,590

left leg I will enclose the photo

228

00:10:01,150 --> 00:09:57,420

evidence Oh photo evidence we'd like

229

00:10:04,640 --> 00:10:01,160

photo evidence what are we looking at oh

230

00:10:09,290 --> 00:10:04,650

mighty MUFON you did not allow for that

231

00:10:13,010 --> 00:10:09,300

photo to be shown dang it dang it all to

232

00:10:18,470 --> 00:10:13,020

heck that one does not in existence hmm

233

00:10:20,860 --> 00:10:18,480

almost that alien language beautiful

234

00:10:24,200 --> 00:10:20,870

sighting in la San Fernando Valley

235

00:10:27,290 --> 00:10:24,210

California UFO blast from the past is

236

00:10:30,770 --> 00:10:27,300

half of July 15th 1979 saw a large

237

00:10:33,770 --> 00:10:30,780

aerial craft hovering dead center over

238

00:10:37,220 --> 00:10:33,780

intersection of Topanga Canyon Road and

239

00:10:40,430 --> 00:10:37,230

Roscoe in San Fernando Valley come on

240

00:10:43,550 --> 00:10:40,440

Wow in the summer of 1979 around the age

241

00:10:45,410 --> 00:10:43,560

of 16 to 17 I was driving my Volkswagen

242

00:10:47,270 --> 00:10:45,420

bug at night with three other

243

00:10:50,000 --> 00:10:47,280

girlfriends on our way from Woodland

244

00:10:53,060 --> 00:10:50,010

Hills to Chatsworth when we encountered

245

00:10:55,040 --> 00:10:53,070

an unidentifiable aircraft we were

246

00:10:57,500 --> 00:10:55,050

heading inland on Topanga Canyon

247

00:10:59,930 --> 00:10:57,510

Boulevard when we approached a red light

248

00:11:03,920 --> 00:10:59,940

at the intersection of Topanga Canyon

249

00:11:05,269 --> 00:11:03,930

Boulevard and Roscoe all four of us saw

250

00:11:08,960 --> 00:11:05,279

a very large

251  
00:11:11,449 --> 00:11:08,970  
craft hovering directly above the center

252  
00:11:13,129 --> 00:11:11,459  
of the intersection just above the

253  
00:11:16,340 --> 00:11:13,139  
street lights and powerlines can you

254  
00:11:19,100 --> 00:11:16,350  
imagine the object was much much larger

255  
00:11:22,220 --> 00:11:19,110  
than a helicopter and it seemed like it

256  
00:11:22,879 --> 00:11:22,230  
was large deep and possibly rectangular

257  
00:11:26,210 --> 00:11:22,889  
in shape

258  
00:11:28,280 --> 00:11:26,220  
it was matte black in color and I don't

259  
00:11:30,739 --> 00:11:28,290  
recall the bottom having lights but the

260  
00:11:33,530 --> 00:11:30,749  
bottom was also matte black was an

261  
00:11:35,989 --> 00:11:33,540  
angular industrial looking pattern to it

262  
00:11:38,090 --> 00:11:35,999  
I don't recall clearly seeing it arrive

263  
00:11:40,519 --> 00:11:38,100

in the intersection and what I do

264

00:11:42,889 --> 00:11:40,529

remember is that all four of us saw it

265

00:11:45,530 --> 00:11:42,899

talked about it wondering what it was

266

00:11:48,499 --> 00:11:45,540

and being perplexed as to how it was

267

00:11:51,559 --> 00:11:48,509

just able to sit above the intersection

268

00:11:53,239 --> 00:11:51,569

without making any noise at all that's

269

00:11:57,410 --> 00:11:53,249

like a Big Brother moment isn't it's

270

00:11:58,460 --> 00:11:57,420

like there's a camera it's there how did

271

00:12:00,559 --> 00:11:58,470

that get there how did I not notice

272

00:12:02,960 --> 00:12:00,569

there's a camera because we were in a

273

00:12:05,150 --> 00:12:02,970

Volkswagen bug we thought our vision of

274

00:12:06,980 --> 00:12:05,160

the entire craft was being limited by

275

00:12:09,679 --> 00:12:06,990

the small window so we rolled down the

276

00:12:13,639 --> 00:12:09,689

windows expecting to feel some sort of

277

00:12:15,710 --> 00:12:13,649

wind but the air was dead still no wind

278

00:12:18,590 --> 00:12:15,720

no noise and it looked huge like

279

00:12:22,579 --> 00:12:18,600

something we'd never seen before this is

280

00:12:25,759 --> 00:12:22,589

where my memory stops oh I cannot recall

281

00:12:25,759 --> 00:12:25,769

what happened next

282

00:12:31,429 --> 00:12:28,490

I don't know who was in the car with me

283

00:12:33,949 --> 00:12:31,439

I don't know how the craft arrived or

284

00:12:35,540 --> 00:12:33,959

left I don't know what we did or where

285

00:12:37,879 --> 00:12:35,550

we went afterwards I don't even remember

286

00:12:40,280 --> 00:12:37,889

talking to anyone not even my parents

287

00:12:42,679 --> 00:12:40,290

about it for decades after that night I

288

00:12:45,019 --> 00:12:42,689

never lost the memory of what I've

289

00:12:48,199 --> 00:12:45,029

described but I have no recall of

290

00:12:53,360 --> 00:12:48,209

everything else just before and after

291

00:12:56,329 --> 00:12:53,370

for several days Wow in conversation

292

00:12:58,220 --> 00:12:56,339

with a friend decade later in my 40s the

293

00:13:01,309 --> 00:12:58,230

topic of UFOs came up and I felt

294

00:13:02,840 --> 00:13:01,319

compelled to tell him my story it was

295

00:13:05,329 --> 00:13:02,850

the first time I spoke of it since it

296

00:13:07,819 --> 00:13:05,339

happened decades later Wow

297

00:13:09,980 --> 00:13:07,829

I do know that I always remembered the

298

00:13:13,340 --> 00:13:09,990

event but it was as though it had been

299

00:13:16,369 --> 00:13:13,350

given a priority level setting of zero

300

00:13:18,110 --> 00:13:16,379

in my memories for all those years until

301  
00:13:19,020 --> 00:13:18,120  
that day I had that conversation with my

302  
00:13:21,420 --> 00:13:19,030  
friend

303  
00:13:24,810 --> 00:13:21,430  
then it felt important enough to tell my

304  
00:13:30,300 --> 00:13:24,820  
experiences and start thinking about it

305  
00:13:34,320 --> 00:13:30,310  
again wow that's amazing

306  
00:13:35,310 --> 00:13:34,330  
that's amazing ok your faux sighting in

307  
00:13:41,100 --> 00:13:35,320  
New York

308  
00:13:42,840 --> 00:13:41,110  
March 5th 2018 this happened right over

309  
00:13:44,220 --> 00:13:42,850  
here alright that's pretty cool I was

310  
00:13:46,800 --> 00:13:44,230  
taking pictures in my living room window

311  
00:13:48,930 --> 00:13:46,810  
when a light appeared near the sunset in

312  
00:13:51,930 --> 00:13:48,940  
front of a cloud and rapidly move

313  
00:13:54,330 --> 00:13:51,940

Southwest and hovered over an airplane

314

00:13:56,790 --> 00:13:54,340

it seemed to turn around to follow the

315

00:13:59,570 --> 00:13:56,800

airplane and within a blink of an eye it

316

00:14:01,590 --> 00:13:59,580

disappeared oh did you get any photos oh

317

00:14:03,000 --> 00:14:01,600

that would have been cool if you did but

318

00:14:05,400 --> 00:14:03,010

I don't see you mentioning it so it must

319

00:14:09,230 --> 00:14:05,410

not be your full sighting in Running

320

00:14:14,130 --> 00:14:09,240

Springs California this happened

321

00:14:16,410 --> 00:14:14,140

March 27th 2017 Saab torpedo-like object

322

00:14:19,440 --> 00:14:16,420

in sky while zooming in on a photo I

323

00:14:21,150 --> 00:14:19,450

took I was driving up the San Bernardino

324

00:14:22,920 --> 00:14:21,160

Mountains on route 18 in Southern

325

00:14:25,020 --> 00:14:22,930

California and I stopped to take this

326

00:14:26,550 --> 00:14:25,030

picture I didn't actually notice the

327

00:14:28,650 --> 00:14:26,560

object in the picture until I was

328

00:14:31,110 --> 00:14:28,660

getting ready to do some editing of the

329

00:14:33,390 --> 00:14:31,120

picture I assumed in on the photo and

330

00:14:35,820 --> 00:14:33,400

noticed the white cylinder looking

331

00:14:38,400 --> 00:14:35,830

object in the picture I noticed that it

332

00:14:41,190 --> 00:14:38,410

had no wings or lights of any kind I

333

00:14:43,710 --> 00:14:41,200

have no idea if it's just a spot in the

334

00:14:45,900 --> 00:14:43,720

camera or some other effect I was going

335

00:14:47,430 --> 00:14:45,910

to edit the photo sometime after I took

336

00:14:49,620 --> 00:14:47,440

the picture so I didn't notice it at

337

00:14:51,990 --> 00:14:49,630

first and I wasn't even looking for it

338

00:14:53,250 --> 00:14:52,000

when I shot the picture as I zoomed in

339

00:14:54,690 --> 00:14:53,260

on the picture I noticed the object I

340

00:14:57,360 --> 00:14:54,700

also noticed it didn't appear to be

341

00:14:59,160 --> 00:14:57,370

moving at all I have been wondering what

342

00:15:00,480 --> 00:14:59,170

the object is and this is the first time

343

00:15:02,460 --> 00:15:00,490

reporting

344

00:15:04,980 --> 00:15:02,470

357  
00:15:36,180 --> 00:15:34,090  
didn't take its any experts on image

358  
00:15:39,150 --> 00:15:36,190  
analysis basically I am curious of what

359  
00:15:41,580 --> 00:15:39,160  
it is and I actually don't know where to

360  
00:15:44,610 --> 00:15:41,590  
take it to get it analyzed as I zoomed

361  
00:15:46,500 --> 00:15:44,620  
in on it it became more pixelated the

362  
00:15:48,030 --> 00:15:46,510  
main photo I'm sending has a circle

363  
00:15:49,950 --> 00:15:48,040

around the object and I'm sending all of

364

00:15:52,140 --> 00:15:49,960

the photos I took that day when all

365

00:15:53,850 --> 00:15:52,150

right this is click on that one let's

366

00:15:58,260 --> 00:15:53,860

have a look ll see shall we

367

00:16:01,260 --> 00:15:58,270

oh yes they're here oh this must not be

368

00:16:04,560 --> 00:16:01,270

clear enough because move on allowed

369

00:16:12,530 --> 00:16:04,570

them okay we're gonna click click click

370

00:16:16,290 --> 00:16:12,540

click click click ok hmm okay I don't I

371

00:16:18,360 --> 00:16:16,300

don't I don't see okay I don't know okay

372

00:16:20,370 --> 00:16:18,370

so this photo is not a good one I chose

373

00:16:23,250 --> 00:16:20,380

the wrong one they have several that's

374

00:16:32,970 --> 00:16:23,260

five alright I did the last one I'm

375

00:16:37,740 --> 00:16:32,980

gonna do the first one this time this

376

00:16:42,180 --> 00:16:37,750

requires a magnifying glass they circled

377

00:16:50,100 --> 00:16:42,190

it yeah that's just like okay oh but

378

00:16:53,730 --> 00:16:50,110

when you zoom um Wow okay it looks kind

379

00:16:56,610 --> 00:16:53,740

of like a rocket or a tilted silver

380

00:16:57,930 --> 00:16:56,620

saucer shape that's what it looks like

381

00:17:00,090 --> 00:16:57,940

to me well that was pretty darn

382

00:17:02,190 --> 00:17:00,100

interesting well cool beans

383

00:17:05,400 --> 00:17:02,200

that was uh that was a good one alright

384

00:17:09,510 --> 00:17:05,410

so I wanted to get to a story that got

385

00:17:12,360 --> 00:17:09,520

posted when was supposed to Oh March 9th

386

00:17:13,949 --> 00:17:12,370

2018 you guys might enjoy this one you

387

00:17:16,079 --> 00:17:13,959

know do you recall that

388

00:17:18,840 --> 00:17:16,089

Khanh and my ranting and raving about

389

00:17:20,909 --> 00:17:18,850

that whole I'm coming forward and we've

390

00:17:23,760 --> 00:17:20,919

been working on UFO reports for five

391

00:17:25,289 --> 00:17:23,770

years and we put a whole 22 million into

392

00:17:26,579 --> 00:17:25,299

it but now we're done I remember that

393

00:17:29,549 --> 00:17:26,589

whole thing well okay there's another

394

00:17:33,299 --> 00:17:29,559

story on it so I get to it this one is

395

00:17:36,450 --> 00:17:33,309

from the Washington Post entitled the

396

00:17:39,029 --> 00:17:36,460

military keeps encountering UFOs but why

397

00:17:41,279 --> 00:17:39,039

doesn't the Pentagon care we have no

398

00:17:46,430 --> 00:17:41,289

idea what's behind these weird incidents

399

00:17:48,990 --> 00:17:46,440

because we're not investigating oh sure

400

00:17:53,210 --> 00:17:49,000

sure you're not you're not looking for

401

00:17:56,130 --> 00:17:53,220

collusion either right please all right

402

00:17:57,990 --> 00:17:56,140

Department okay in December the Defense

403

00:18:00,960 --> 00:17:58,000

Department to classify two videos

404

00:18:03,630 --> 00:18:00,970

documenting encounters between US Navy

405

00:18:07,049 --> 00:18:03,640

f-18 fighters and unidentified aircraft

406

00:18:08,850 --> 00:18:07,059

the first video captures multiple pilots

407

00:18:12,690 --> 00:18:08,860

observing and discussing a strange

408

00:18:14,490 --> 00:18:12,700

hovering eight egg shaped craft

409

00:18:17,610 --> 00:18:14,500

apparently one of a fleet of such

410

00:18:18,779 --> 00:18:17,620

objects according to cockpit audio you

411

00:18:20,880 --> 00:18:18,789

guys don't think it was Mork from ork

412

00:18:22,409 --> 00:18:20,890

because he did fly in an egg didn't he

413

00:18:24,419 --> 00:18:22,419

no I'm just kidding

414

00:18:27,120 --> 00:18:24,429

the second shows a similar incident

415

00:18:31,200 --> 00:18:27,130

involving an f-18 attached to the USS

416

00:18:33,570 --> 00:18:31,210

Nimitz carrier battle group 2004 the

417

00:18:35,430 --> 00:18:33,580

videos along with observations by pilots

418

00:18:38,190 --> 00:18:35,440

and radar operators appear to provide

419

00:18:40,889 --> 00:18:38,200

evidence of the existence of aircraft

420

00:18:43,830 --> 00:18:40,899

far superior to anything possessed by

421

00:18:45,779 --> 00:18:43,840

the United States or its allies Defense

422

00:18:47,789 --> 00:18:45,789

Department officials who analyzed the

423

00:18:50,430 --> 00:18:47,799

relevant intelligence confirm more than

424

00:18:54,419 --> 00:18:50,440

a dozen such incidents off the east

425

00:18:57,090 --> 00:18:54,429

coast alone since 2015 in another recent

426

00:18:59,610 --> 00:18:57,100

case the Air Force launched f-15

427

00:19:01,909 --> 00:18:59,620

fighters last October in a failed

428

00:19:05,370 --> 00:19:01,919

attempt to intercept an unidentified

429

00:19:08,789 --> 00:19:05,380

high-speed aircraft looping over the

430

00:19:11,460 --> 00:19:08,799

Pacific Northwest a third declassified

431

00:19:14,310 --> 00:19:11,470

video released by the to the stars

432

00:19:16,649 --> 00:19:14,320

Academy of Arts and Science a privately

433

00:19:19,740 --> 00:19:16,659

owned media and scientific research

434

00:19:22,919 --> 00:19:19,750

company to which I'm an adviser reveals

435

00:19:25,470 --> 00:19:22,929

a previously undisclosed Navy encounter

436

00:19:27,480 --> 00:19:25,480

that occurred off the east coast and

437

00:19:30,260 --> 00:19:27,490

2015 it is

438

00:19:33,299 --> 00:19:30,270

possible that America has been

439

00:19:36,419 --> 00:19:33,309

technologically leapfrogged by Russia or

440

00:19:37,889 --> 00:19:36,429

China or as many people wondered after

441

00:19:40,049 --> 00:19:37,899

the videos were first published by the

442

00:19:42,960 --> 00:19:40,059

New York Times in December might they be

443

00:19:46,320 --> 00:19:42,970

evidence of some alien civilization oh

444

00:19:48,389 --> 00:19:46,330

that's all think yeah yeah

445

00:19:51,539 --> 00:19:48,399

aliens are there okay people

446

00:19:53,130 --> 00:19:51,549

unfortunately we have no idea because we

447

00:19:59,039 --> 00:19:53,140

aren't even seeking answers

448

00:20:01,110 --> 00:19:59,049

oh I served as deputy assistant

449

00:20:03,230 --> 00:20:01,120

secretary of defense for intelligence

450

00:20:05,700 --> 00:20:03,240

for the Clinton and George W Bush

451  
00:20:07,980 --> 00:20:05,710  
administration's in a staff director for

452  
00:20:09,510 --> 00:20:07,990  
the Senate Intelligence Committee and I

453  
00:20:11,159 --> 00:20:09,520  
know from numerous discussions with

454  
00:20:13,019 --> 00:20:11,169  
Pentagon officials over the past two

455  
00:20:14,820 --> 00:20:13,029  
years that military departments and

456  
00:20:17,850 --> 00:20:14,830  
agencies treat such incidents as

457  
00:20:20,370 --> 00:20:17,860  
isolated events rather than as part of a

458  
00:20:28,740 --> 00:20:20,380  
pattern requiring serious attention and

459  
00:20:30,269 --> 00:20:28,750  
investigation oh let me list my

460  
00:20:31,799 --> 00:20:30,279  
credentials so I'm an occupational

461  
00:20:33,389 --> 00:20:31,809  
therapist who's worked at these

462  
00:20:34,889 --> 00:20:33,399  
different places indebted edited and

463  
00:20:36,899 --> 00:20:34,899

just because I've heard these over

464

00:20:38,039 --> 00:20:36,909

people talk about certain things these

465

00:20:40,590 --> 00:20:38,049

type of people are not being treated

466

00:20:42,960 --> 00:20:40,600

properly I mean come on dude just

467

00:20:44,909 --> 00:20:42,970

because your titles and you think we're

468

00:20:48,649 --> 00:20:44,919

supposed to believe you like we haven't

469

00:20:51,060 --> 00:20:48,659

been lied to by officials before come on

470

00:20:54,539 --> 00:20:51,070

you're not even the president even the

471

00:20:57,659 --> 00:20:54,549

president of all in the past past and

472

00:20:58,639 --> 00:20:57,669

present have lied to us but we're going

473

00:21:02,970 --> 00:20:58,649

to take your word for it

474

00:21:05,970 --> 00:21:02,980

police okay here we go a colleague of

475

00:21:07,710 --> 00:21:05,980

mine to the stars Academy Lewis Elizondo

476

00:21:10,560 --> 00:21:07,720

used to run a Pentagon intelligence

477

00:21:13,049 --> 00:21:10,570

program that examined evidence of

478

00:21:16,230 --> 00:21:13,059

anomalous aircraft but he resigned last

479

00:21:19,320 --> 00:21:16,240

fall to protest government in attention

480

00:21:21,169 --> 00:21:19,330

to the growing body of empirical data oh

481

00:21:23,310 --> 00:21:21,179

is that why I didn't hear him say that

482

00:21:24,930 --> 00:21:23,320

but I'll tell you you know I don't know

483

00:21:26,880 --> 00:21:24,940

why others didn't see this but I saw him

484

00:21:28,889 --> 00:21:26,890

on CNN and they said well what's your

485

00:21:30,690 --> 00:21:28,899

conclusions and he said we are not alone

486

00:21:33,180 --> 00:21:30,700

I don't know how others missed that but

487

00:21:36,450 --> 00:21:33,190

he said that I saw it I need to find

488

00:21:38,779 --> 00:21:36,460

that little clip again so I could share

489

00:21:41,160 --> 00:21:38,789

okay meanwhile reports from different

490

00:21:44,220 --> 00:21:41,170

services and agencies remain large

491

00:21:47,010 --> 00:21:44,230

we ignored and unevenly allocated inside

492

00:21:50,100 --> 00:21:47,020

their respective bureaucratic stovepipes

493

00:21:52,140 --> 00:21:50,110

there is no Pentagon process for

494

00:21:54,420 --> 00:21:52,150

synthesizing all the observations the

495

00:21:56,610 --> 00:21:54,430

military's making the current approach

496

00:21:59,070 --> 00:21:56,620

is equivalent to having the army conduct

497

00:22:00,840 --> 00:21:59,080

a submarine search without the Navy it

498

00:22:03,240 --> 00:22:00,850

is also reminiscent of the

499

00:22:07,290 --> 00:22:03,250

counterterrorism efforts of the CIA and

500

00:22:10,920 --> 00:22:07,300

the FBI before September 11th 20 2011

501

00:22:13,650 --> 00:22:10,930

I mean Oh mm oh one I'm sorry because

502

00:22:15,870 --> 00:22:13,660

I'm so mad when each had information on

503

00:22:17,880 --> 00:22:15,880

the hijackers that kept to themselves in

504

00:22:20,520 --> 00:22:17,890

this instance the truth may ultimately

505

00:22:22,050 --> 00:22:20,530

prove benign but wise leave it's a

506

00:22:24,150 --> 00:22:22,060

chance amen

507

00:22:26,070 --> 00:22:24,160

well wise leave it's a chance a Pentagon

508

00:22:28,110 --> 00:22:26,080

spokesman did not respond to requests

509

00:22:30,450 --> 00:22:28,120

from the Washington Post for comment but

510

00:22:32,520 --> 00:22:30,460

in December the military confirmed the

511

00:22:35,130 --> 00:22:32,530

existence of a program to investigate

512

00:22:38,220 --> 00:22:35,140

UFOs and said it had stopped funding the

513

00:22:40,230 --> 00:22:38,230

research in 2012 please the military

514

00:22:42,930 --> 00:22:40,240

personnel who are encountering these

515

00:22:44,670 --> 00:22:42,940

phenomena tell remarkable stories and

516

00:22:48,210 --> 00:22:44,680

one example over the course of two weeks

517

00:22:50,220 --> 00:22:48,220

in November 2004 the USS Princeton a

518

00:22:52,920 --> 00:22:50,230

guided missile cruiser operating

519

00:22:55,560 --> 00:22:52,930

advanced a naval radar repeatedly

520

00:22:58,500 --> 00:22:55,570

detected unidentified aircraft operating

521

00:23:00,720 --> 00:22:58,510

in and around the Nimitz carrier battle

522

00:23:02,970 --> 00:23:00,730

group which it was guarding off the

523

00:23:04,680 --> 00:23:02,980

coast of San Diego in some cases

524

00:23:06,330 --> 00:23:04,690

according to incident reports and

525

00:23:08,940 --> 00:23:06,340

interviews with military personnel these

526  
00:23:12,270 --> 00:23:08,950  
vehicles descended from high altitudes

527  
00:23:15,810 --> 00:23:12,280  
higher than 60,000 feet at supersonic

528  
00:23:19,950 --> 00:23:15,820  
speeds only to suddenly stop and hover

529  
00:23:22,560 --> 00:23:19,960  
as low as 50 feet above the ocean the

530  
00:23:25,010 --> 00:23:22,570  
United States possesses nothing capable

531  
00:23:27,510 --> 00:23:25,020  
of such feats on at least two occasions

532  
00:23:29,310 --> 00:23:27,520  
f-18 fighters were guided to intercept

533  
00:23:31,170 --> 00:23:29,320  
these vehicles and were able to verify

534  
00:23:33,360 --> 00:23:31,180  
their location appearance and

535  
00:23:36,300 --> 00:23:33,370  
performance notably these encounters

536  
00:23:39,510 --> 00:23:36,310  
occurred in broad daylight and were

537  
00:23:42,480 --> 00:23:39,520  
independently monitored by radars aboard

538  
00:23:44,640 --> 00:23:42,490

multiple ships and aircraft according to

539

00:23:47,640 --> 00:23:44,650

naval aviators I have spoken with at

540

00:23:50,520 --> 00:23:47,650

length the vehicles were roughly 45 feet

541

00:23:53,400 --> 00:23:50,530

long and white yet these mysterious

542

00:23:55,170 --> 00:23:53,410

aircraft easily sped away from and

543

00:23:57,930 --> 00:23:55,180

outmaneuvered America's

544

00:24:02,220 --> 00:23:57,940

frontline fighters without a discernible

545

00:24:04,740 --> 00:24:02,230

means of propulsion from my work with to

546

00:24:06,630 --> 00:24:04,750

the Stars Academy which seeks to raise a

547

00:24:10,350 --> 00:24:06,640

private funds to investigate incidents

548

00:24:12,780 --> 00:24:10,360

like the 2004 Nimitz encounter I know

549

00:24:15,330 --> 00:24:12,790

they continue to occur because we are

550

00:24:17,640 --> 00:24:15,340

being approached by military personnel

551  
00:24:20,700 --> 00:24:17,650  
for a concern about national security

552  
00:24:27,780 --> 00:24:20,710  
and frustrated by how the Defense

553  
00:24:30,210 --> 00:24:27,790  
Department is handling such reports okay

554  
00:24:31,950 --> 00:24:30,220  
why do you think they're doing that let

555  
00:24:33,690 --> 00:24:31,960  
me tell you because they already have

556  
00:24:37,380 --> 00:24:33,700  
the answers why would they keep looking

557  
00:24:39,120 --> 00:24:37,390  
oh they had they know they know I mean

558  
00:24:41,490 --> 00:24:39,130  
they've already had beers together with

559  
00:24:43,500 --> 00:24:41,500  
who's flying these damn things for

560  
00:24:45,270 --> 00:24:43,510  
crying out loud I mean of course okay so

561  
00:24:47,610 --> 00:24:45,280  
they could tell you anything they're

562  
00:24:49,500 --> 00:24:47,620  
they're people who can lie like any

563  
00:24:52,970 --> 00:24:49,510

other people I mean what would you can

564

00:24:54,150 --> 00:24:52,980

put him in jail for lying about aliens

565

00:24:56,280 --> 00:24:54,160

okay

566

00:24:58,230 --> 00:24:56,290

I am also familiar with evidence as a

567

00:25:00,510 --> 00:24:58,240

former Pentagon intelligence official

568

00:25:02,400 --> 00:25:00,520

and a consultant who began researching

569

00:25:04,500 --> 00:25:02,410

the issue after the Nimitz

570

00:25:06,510 --> 00:25:04,510

incident was brought to my attention on

571

00:25:08,790 --> 00:25:06,520

several occasions I have met with senior

572

00:25:10,560 --> 00:25:08,800

Pentagon officials and at least one

573

00:25:16,670 --> 00:25:10,570

followed up and obtained briefings

574

00:25:21,810 --> 00:25:20,010

imitation Elsa curity bureaucracy nobody

575

00:25:24,480 --> 00:25:21,820

wants to be ridiculed or sideline for

576

00:25:26,940 --> 00:25:24,490

drawing attention to the issue I haven't

577

00:25:28,490 --> 00:25:26,950

made fun of her lesser things anoint me

578

00:25:31,590 --> 00:25:28,500

I will take the post

579

00:25:34,740 --> 00:25:31,600

alien guy oh there he goes oh please

580

00:25:36,710 --> 00:25:34,750

like that's really going to make me like

581

00:25:38,940 --> 00:25:36,720

feel different than I do now

582

00:25:39,960 --> 00:25:38,950

well I'll just point at them and say and

583

00:25:42,780 --> 00:25:39,970

you're all liars because you're in

584

00:25:44,760 --> 00:25:42,790

politics okay anyways this is true up

585

00:25:47,010 --> 00:25:44,770

and down the chain of command and it is

586

00:25:50,100 --> 00:25:47,020

a serious and recurring impediment to

587

00:25:52,530 --> 00:25:50,110

progress if the origin of these aircraft

588

00:25:53,940 --> 00:25:52,540

is a mystery so is the paralysis of the

589

00:25:56,970 --> 00:25:53,950

US government in the face of such

590

00:25:58,760 --> 00:25:56,980

evidence 60 years ago with the you know

591

00:26:02,040 --> 00:25:58,770

Soviet Union put the first man-made

592

00:26:04,170 --> 00:26:02,050

satellite in orbit Americans recoiled at

593

00:26:06,660 --> 00:26:04,180

the idea of being technologically

594

00:26:08,880 --> 00:26:06,670

surpassed by a dangerous rival and the

595

00:26:10,980 --> 00:26:08,890

Fuhrer / Sputnik

596

00:26:12,000 --> 00:26:10,990

ultimately produced the space race

597

00:26:14,549 --> 00:26:12,010

you're so right

598

00:26:16,710 --> 00:26:14,559

Americans responded vigorously in a

599

00:26:19,530 --> 00:26:16,720

little more than a decade later Neil

600

00:26:22,080 --> 00:26:19,540

Armstrong set foot on the moon if these

601  
00:26:23,930 --> 00:26:22,090  
crafts mean that Russia China or some

602  
00:26:26,700 --> 00:26:23,940  
other nation is concealing an

603  
00:26:29,640 --> 00:26:26,710  
astonishing technological breakthrough

604  
00:26:32,280 --> 00:26:29,650  
to quietly extend its lead surely we

605  
00:26:34,260 --> 00:26:32,290  
should respond as we did that perhaps a

606  
00:26:36,600 --> 00:26:34,270  
Russian President Vladimir Putin's

607  
00:26:39,600 --> 00:26:36,610  
recent chest-thumping claims about

608  
00:26:43,470 --> 00:26:39,610  
propulsion breakthroughs are not pure

609  
00:26:46,590 --> 00:26:43,480  
bravado so you're saying they got that

610  
00:26:49,320 --> 00:26:46,600  
or if these craft really aren't from

611  
00:26:52,110 --> 00:26:49,330  
Earth then the need to figure out what

612  
00:26:53,880 --> 00:26:52,120  
they are is even more urgent lately

613  
00:26:56,730 --> 00:26:53,890

media coverage of the issue of

614

00:26:59,850 --> 00:26:56,740

unidentified aerial vehicles has a focus

615

00:27:01,620 --> 00:26:59,860

on an expired 22 million dollar

616

00:27:04,260 --> 00:27:01,630

congressional earmark for Bigelow

617

00:27:07,200 --> 00:27:04,270

Aerospace a contractor with ties to

618

00:27:09,390 --> 00:27:07,210

former Senate Democratic Leader Harry

619

00:27:12,600 --> 00:27:09,400

Reid and also owner of MUFON um and just

620

00:27:14,810 --> 00:27:12,610

put that in there we know that's why we

621

00:27:18,150 --> 00:27:14,820

don't get these photos that come into

622

00:27:20,580 --> 00:27:18,160

reports and video of UFOs landing

623

00:27:24,480 --> 00:27:20,590

because Bigelow grabbed it I just said

624

00:27:27,750 --> 00:27:24,490

it mm-hmm so anyways that's the rumor

625

00:27:30,840 --> 00:27:27,760

anyways right so the money mostly funded

626  
00:27:33,289 --> 00:27:30,850  
research and analysis by that contractor

627  
00:27:36,840 --> 00:27:33,299  
without participation from the Air Force

628  
00:27:39,090 --> 00:27:36,850  
NORAD or other key military groups no

629  
00:27:42,470 --> 00:27:39,100  
it's just with the Bigelow the real

630  
00:27:45,000 --> 00:27:42,480  
issue though is not a long-gone earmark

631  
00:27:47,039 --> 00:27:45,010  
helpful though it may have been but

632  
00:27:50,039 --> 00:27:47,049  
numerous recent incidents involving the

633  
00:27:53,789 --> 00:27:50,049  
military and violations of US airspace

634  
00:27:56,549 --> 00:27:53,799  
it is time to set aside taboos regarding

635  
00:27:59,789 --> 00:27:56,559  
UFOs and instead listen to our pilots

636  
00:28:02,700 --> 00:27:59,799  
and radar operators within a roughly 50

637  
00:28:06,090 --> 00:28:02,710  
billion dollar annual intelligence

638  
00:28:08,520 --> 00:28:06,100

budget money is not the issue existing

639

00:28:11,070 --> 00:28:08,530

funds would easily cover what's needed

640

00:28:13,320 --> 00:28:11,080

to look into the incidence what we lack

641

00:28:15,480 --> 00:28:13,330

above all is recognition that this issue

642

00:28:18,270 --> 00:28:15,490

warrants a serious collection and

643

00:28:20,549 --> 00:28:18,280

analysis effort to make headway the test

644

00:28:22,320 --> 00:28:20,559

needs to be assigned to an official with

645

00:28:25,020 --> 00:28:22,330

the clout to compel

646

00:28:26,990 --> 00:28:25,030

collaboration among desperate and often

647

00:28:28,230 --> 00:28:27,000

quarrelsome national security

648

00:28:30,570 --> 00:28:28,240

bureaucracies

649

00:28:34,140 --> 00:28:30,580

a truly serious effort would involve

650

00:28:37,050 --> 00:28:34,150

among other things an analysis able to

651  
00:28:39,840 --> 00:28:37,060  
review infrared satellite satellite data

652  
00:28:42,960 --> 00:28:39,850  
NORAD radar databases and signals and

653  
00:28:45,510 --> 00:28:42,970  
human intelligence reporting Congress

654  
00:28:47,760 --> 00:28:45,520  
should require an all source study by

655  
00:28:50,130 --> 00:28:47,770  
the Secretary of Defense while promoting

656  
00:28:52,320 --> 00:28:50,140  
research into new forms of propulsion

657  
00:28:54,540 --> 00:28:52,330  
that might explain how these vehicles

658  
00:28:56,190 --> 00:28:54,550  
achieve such extraordinary power and

659  
00:28:59,940 --> 00:28:56,200  
maneuverability dude they've already

660  
00:29:03,750 --> 00:28:59,950  
done this they've already done this I I

661  
00:29:05,730 --> 00:29:03,760  
just I am amused as with Sputnik the

662  
00:29:07,680 --> 00:29:05,740  
national security implications of these

663  
00:29:09,780 --> 00:29:07,690

incidents are concerning but the

664

00:29:10,560 --> 00:29:09,790

scientific of opportunities are

665

00:29:13,350 --> 00:29:10,570

thrilling

666

00:29:16,470 --> 00:29:13,360

who knows what perils we may avoid or

667

00:29:18,780 --> 00:29:16,480

opportunities we may identify if we

668

00:29:20,580 --> 00:29:18,790

follow the data we cannot afford to

669

00:29:23,460 --> 00:29:20,590

avert our eyes given the risk of

670

00:29:25,640 --> 00:29:23,470

strategic surprise the future belongs to

671

00:29:30,090 --> 00:29:25,650

not only the physically brave but also

672

00:29:31,920 --> 00:29:30,100

the intellectually agile you know I was

673

00:29:34,650 --> 00:29:31,930

like hating on the man when he was

674

00:29:36,510 --> 00:29:34,660

starting in this article well this is

675

00:29:39,510 --> 00:29:36,520

Who I am and I have this clout and they

676

00:29:42,540 --> 00:29:39,520

just aren't interested he's just

677

00:29:44,520 --> 00:29:42,550

clueless I'm sorry he just isn't aware

678

00:29:46,440 --> 00:29:44,530

really I mean are you really not aware I

679

00:29:49,200 --> 00:29:46,450

mean I guess you haven't looked into

680

00:29:50,760 --> 00:29:49,210

this topic enough because there have

681

00:29:54,120 --> 00:29:50,770

been people like myself who have been

682

00:29:56,610 --> 00:29:54,130

harassed way beyond this little

683

00:29:59,540 --> 00:29:56,620

five-year study they said that they did

684

00:30:01,950 --> 00:29:59,550

with the Louise Elizondo I mean come on

685

00:30:04,230 --> 00:30:01,960

there is they already have their answers

686

00:30:07,980 --> 00:30:04,240

they don't need to keep looking into

687

00:30:10,170 --> 00:30:07,990

something publicly when they don't want

688

00:30:12,480 --> 00:30:10,180

to let the public know they don't care

689

00:30:15,780 --> 00:30:12,490

they don't care that we know do you know

690

00:30:18,450 --> 00:30:15,790

about the secret space program it is so

691

00:30:21,150 --> 00:30:18,460

real it says real as me sitting on my

692

00:30:22,920 --> 00:30:21,160

busted office chair and I am not kidding

693

00:30:24,990 --> 00:30:22,930

it squeaks every once in a while while I

694

00:30:27,360 --> 00:30:25,000

do this show

695

00:30:28,950 --> 00:30:27,370

so they get it this week now oh sure now

696

00:30:32,760 --> 00:30:28,960

it doesn't squeak okay nevermind

697

00:30:35,130 --> 00:30:32,770

so you're just waking up and already

698

00:30:37,169 --> 00:30:35,140

have a million things on your plate why

699

00:30:38,460 --> 00:30:37,179

710  
00:31:08,070 --> 00:31:06,280  
intermittently but it's so real I mean

711  
00:31:10,980 --> 00:31:08,080  
they already got these answers they have

712  
00:31:15,630 --> 00:31:10,990  
interrogated people for so long

713  
00:31:18,270 --> 00:31:15,640

it's old news it really is old and you

714

00:31:20,430 --> 00:31:18,280

know it's it's just is what it is but I

715

00:31:23,250 --> 00:31:20,440

just see that he he's like come on guys

716

00:31:24,930 --> 00:31:23,260

wake up maybe he was paid to take a step

717

00:31:27,029 --> 00:31:24,940

forward to say come on guys wake up and

718

00:31:28,740 --> 00:31:27,039

then they're gonna go oh yeah let's put

719

00:31:30,390 --> 00:31:28,750

an effort forward you are so right we

720

00:31:32,130 --> 00:31:30,400

will do that who wants to be the alien

721

00:31:34,440 --> 00:31:32,140

guy throw my name in the Hat Heidi

722

00:31:36,299 --> 00:31:34,450

Hollis plays ok I got a degree in

723

00:31:38,850 --> 00:31:36,309

science I can I can handle it I can

724

00:31:41,279 --> 00:31:38,860

handle the ridicule - yeah meet three

725

00:31:46,020 --> 00:31:41,289

meet me through my through my name um so

726  
00:31:49,110 --> 00:31:46,030  
for so for that to be part of any amount

727  
00:31:53,100 --> 00:31:49,120  
of discussion like oh this is this is

728  
00:31:54,779 --> 00:31:53,110  
something that can't be uh I think

729  
00:31:59,220 --> 00:31:54,789  
they're gonna honestly I think that what

730  
00:32:00,570 --> 00:31:59,230  
they're gonna do is they're gonna say we

731  
00:32:01,890 --> 00:32:00,580  
have all the answers all of a sudden Wow

732  
00:32:05,760 --> 00:32:01,900  
all we had to do is put our minds

733  
00:32:07,110 --> 00:32:05,770  
together there it is there it is when

734  
00:32:08,610 --> 00:32:07,120  
they already had it anyways so they

735  
00:32:10,470 --> 00:32:08,620  
don't even have to make an effort so I

736  
00:32:12,000 --> 00:32:10,480  
just had to say that sorry got a little

737  
00:32:15,600 --> 00:32:12,010  
off track there because I was doing

738  
00:32:17,010 --> 00:32:15,610

something just now um but yeah I think

739

00:32:19,020 --> 00:32:17,020

they're just gonna play us for a little

740

00:32:21,240 --> 00:32:19,030

bit and be like wow that Washington Post

741

00:32:22,799 --> 00:32:21,250

article really just prompted us and you

742

00:32:25,440 --> 00:32:22,809

know we did we put our minds together

743

00:32:26,549 --> 00:32:25,450

and wow it just took a few short months

744

00:32:30,840 --> 00:32:26,559

we got all the answers

745

00:32:34,110 --> 00:32:30,850

from over 50 years of research beyond

746

00:32:36,240 --> 00:32:34,120

that honestly I mean 50 60 who's

747

00:32:39,780 --> 00:32:36,250

counting

748

00:32:41,430 --> 00:32:39,790

oh gosh but yeah I just had to share

749

00:32:42,870 --> 00:32:41,440
