when it comes to everything from aliens

12
00:00:32,959 --> 00:00:31,080

to angels personally I'm someone who has

13
00:00:35,030 --> 00:00:32,969

been there seen that freaked out found

14

00:00:37,069 --> 00:00:35,040

some answers wrote about it got over it

00:00:39,560 --> 00:00:37,079

and now I'm hoping to help others do the

16

00:00:41,600 --> 00:00:39,570

same thing and understand this wild

17

00:00:44,479 --> 00:00:41,610

world that we live in just go to Heidi

18

00:00:47,660 --> 00:00:44,489

are in chat comm to chat interact and

20

00:00:53,360 --> 00:00:50,420

listen live to the Outlander show

21

00:00:55,610 --> 00:00:53,370

blasting off with some UFO reports

22

00:00:59,830 --> 00:00:55,620

because we always enjoy delving into

23

00:01:01,729 --> 00:00:59,840

these unedited versions of ourselves I

24

00:01:05,450 --> 00:01:01,739

don't know where that came from

25

00:01:08,120 --> 00:01:05,460

alright new full sighting in Jackson New

26

00:01:11,210 --> 00:01:08,130

Jersey this is a slight UFO blast from

27

00:01:13,280 --> 00:01:11,220

the past this occurred May 14th 2013 I

28

00:01:16,190 --> 00:01:13,290

took a picture of the Sun a couple of

29

00:01:17,719 --> 00:01:16,200

days before I went to NASA to do a job

30

00:01:21,800 --> 00:01:17,729

and when I looked at the picture I

31

00:01:23,660 --> 00:01:21,810

caught something I was building cleaned

32

00:01:26,240 --> 00:01:23,670

rooms for scientists and I was putting

33

00:01:30,080 --> 00:01:26,250

together a clean room for the James Webb

34

00:01:32,510 --> 00:01:30,090

telescope for NASA a month before I left

35

00:01:35,359 --> 00:01:32,520

in May I noticed it was hotter than

36

00:01:38,630 --> 00:01:35,369

usual so I looked up and saw the biggest

37

00:01:40,670 --> 00:01:38,640

corona around the Sun and I could see

38

00:01:43,280 --> 00:01:40,680

the flames on the Sun so I took a

39

00:01:46,550 --> 00:01:43,290

picture with my phone and I saw

40

00:01:49,490 --> 00:01:46,560

something I can't explain that was one

41

00:01:51,010 --> 00:01:49,500

giant like sentence with not a period

42

00:01:54,440 --> 00:01:51,020

just so you know I was trying to breathe

43

00:01:57,340 --> 00:01:54,450

and pace it out when I arrived at NASA I

44

00:02:00,709 --> 00:01:57,350

noticed the scientists had three

45

00:02:04,190 --> 00:02:00,719

big-screen TVs with the Sun they had a

46

00:02:06,950 --> 00:02:04,200

good sized group talking about it I have

47

00:02:09,139 --> 00:02:06,960

more but I want to speak to someone okay

48

00:02:11,740 --> 00:02:09,149

let's click on this one right we gotta

49

00:02:13,910 --> 00:02:11,750

see this one like I see if this picture

50

00:02:16,640 --> 00:02:13,920

of the Sun

51
00:02:21,400 --> 00:02:16,650
has been granted to us by the MUFON gods

52
00:02:26,150 --> 00:02:21,410
oh it has not been granted everybody

53
00:02:28,850 --> 00:02:26,160
mufon ixnay that one dang it all to heck

54
00:02:31,250 --> 00:02:28,860
what is going on I've just only got

55
00:02:33,290 --> 00:02:31,260
tired of looking and there's nothing

56
00:02:36,110 --> 00:02:33,300
there do you guys just let him go

57
00:02:38,690 --> 00:02:36,120
through please just come on I'm reading

58
00:02:39,740 --> 00:02:38,700
this stuff for a reason yeah alright

59
00:02:41,630 --> 00:02:39,750
next one

60
00:02:44,420 --> 00:02:41,640
beautiful siding and Dartmouth Nova

61
00:02:48,590 --> 00:02:44,430
Scotia slight blast when the past has

62
00:02:51,830 --> 00:02:48,600
happened August 16 2016 sensed it coming

63
00:02:55,430 --> 00:02:51,840

over my right shoulder looked to see it

64

00:03:00,340 --> 00:02:55,440

coming down over the powerlines two feet

65

00:03:03,050 --> 00:03:00,350

from me in mid of rode me on sidewalk

66

00:03:06,440 --> 00:03:03,060

stayed at chest level what are we

67

00:03:10,370 --> 00:03:06,450

talking about here stayed on road turned

68

00:03:12,170 --> 00:03:10,380

right at stop sign and continued down

69

00:03:16,309 --> 00:03:12,180

the road I was shocked

70

00:03:19,430 --> 00:03:16,319

as Iselle he says but he says AGL double

71

00:03:23,569 --> 00:03:19,440

hockey sticks okay we're gonna read this

72

00:03:26,390 --> 00:03:23,579

in more detail I left my Dartmouth Nova

73

00:03:28,970 --> 00:03:26,400

Scotia apartment for work about 5:40

74

00:03:32,030 --> 00:03:28,980

a.m. as per usual oh my that is an

75

00:03:34,340 --> 00:03:32,040

ungodly hour it was a warm summer

76

00:03:36,830 --> 00:03:34,350

morning though the Sun wasn't up yet

77

00:03:39,650 --> 00:03:36,840

I walked uphill on the sidewalk when I

78

00:03:43,460 --> 00:03:39,660

reached the corner I don't know how but

79

00:03:43,910 --> 00:03:43,470

I sensed something aerial over my right

80

00:03:49,810 --> 00:03:43,920

shoulder

81

00:03:52,490 --> 00:03:49,820

I stopped looked and I saw an orb okay

82

00:03:56,530 --> 00:03:52,500

above the middle of the road and

83

00:04:00,789 --> 00:03:56,540

powerlines it descended pretty slowly

84

00:04:04,670 --> 00:04:00,799

when it got to my chest level it never

85

00:04:08,330 --> 00:04:04,680

deviated from it again I was staring in

86

00:04:09,890 --> 00:04:08,340

awe as it passed me turned right at the

87

00:04:13,849 --> 00:04:09,900

stop sign well at least it followed the

88

00:04:17,719 --> 00:04:13,859

road signs and went on slowly down the

89

00:04:20,599 --> 00:04:17,729

road no one was around the whole time

90

00:04:23,149 --> 00:04:20,609

don't you hate that I wanted to point it

91

00:04:26,180 --> 00:04:23,159

out to others but no house lights were

92

00:04:30,050 --> 00:04:26,190

on no cars passed

93

00:04:33,890 --> 00:04:30,060

and foot traffic was non-existent I was

94

00:04:36,710 --> 00:04:33,900

excited I now knew something was out

95

00:04:38,690 --> 00:04:36,720

there I had no cell phone for a picture

96

00:04:44,420 --> 00:04:38,700

who doesn't have a cell phone this is

97

00:04:47,780 --> 00:04:44,430

2016 and no nut to catch it I thought I

98

00:04:50,570 --> 00:04:47,790

could jump right on it but will die but

99

00:04:54,530 --> 00:04:50,580

will I die okay the fact I can't prove

100

00:04:56,990 --> 00:04:54,540

it rots me huh that must means destroys

101
00:04:59,330 --> 00:04:57,000
you the incident changed me I felt

102
00:05:02,900 --> 00:04:59,340
freaked out for at least three months

103
00:05:06,140 --> 00:05:02,910
after I was it was slightly traumatic

104
00:05:08,660 --> 00:05:06,150
I'm so happy it happened cuz now I know

105
00:05:12,980 --> 00:05:08,670
things are out there now

106
00:05:16,760 --> 00:05:12,990
the question of what the hell it is will

107
00:05:19,130 --> 00:05:16,770
never leave me and I await full UFO

108
00:05:23,660 --> 00:05:19,140
disclosure with even more anticipation

109
00:05:26,060 --> 00:05:23,670
than ever now I want answers for

110
00:05:32,200 --> 00:05:26,070
personal closure at well as well you

111
00:05:38,210 --> 00:05:35,300
we all want the disclosure this is why

112
00:05:40,610 --> 00:05:38,220
we're so angry this is why we put on

113
00:05:43,400 --> 00:05:40,620

these UFO events this is why we have

114

00:05:45,580 --> 00:05:43,410

these shows because we've seen the stuff

115

00:05:49,970 --> 00:05:45,590

and we know what's going on perhaps

116

00:05:55,540 --> 00:05:49,980

perhaps perhaps we should have a UFO

117

00:05:59,240 --> 00:05:55,550

rally perhaps we should have a UFO rally

118

00:06:05,450 --> 00:05:59,250

how about them apples hmm how about that

119

00:06:09,680 --> 00:06:05,460

if you agree write me at dusk Outlander

120

00:06:14,090 --> 00:06:09,690

at gmail.com Diaz and David a s's and

121

00:06:15,680 --> 00:06:14,100

Sam Outlander at gmail.com UFO rally on

122

00:06:18,110 --> 00:06:15,690

Washington what do you think about that

123

00:06:19,520 --> 00:06:18,120

all rallies are really popular these

124

00:06:25,010 --> 00:06:19,530

days whether they're arranged by the

125

00:06:27,260 --> 00:06:25,020

Russians are Putin Trump who knows maybe

126
00:06:28,730 --> 00:06:27,270
Obama and Hillary got some in there and

127
00:06:31,940 --> 00:06:28,740
that little Bernie fella

128
00:06:35,750 --> 00:06:31,950
you know maybe Yoda did it too kind of

129
00:06:37,610 --> 00:06:35,760
related to Bernie I mean these these

130
00:06:40,240 --> 00:06:37,620
rallies are happening and hopping and

131
00:06:43,930 --> 00:06:40,250
they're getting responses so

132
00:06:46,730 --> 00:06:43,940
UFO rally on the plaza let's do it I

133
00:06:50,240 --> 00:06:46,740
will be your emcee that's that's that's

134
00:06:52,790 --> 00:06:50,250
row that's row as long as I got some

135
00:06:54,100 --> 00:06:52,800
Starbucks coffee I would be good all

136
00:06:56,870 --> 00:06:54,110
right

137
00:06:59,060 --> 00:06:56,880
I'm not kidding though needs to be done

138
00:07:01,430 --> 00:06:59,070

I mean we all get angry about this

139

00:07:02,780 --> 00:07:01,440

because we experience these things we're

140

00:07:05,300 --> 00:07:02,790

like I am NOT crazy

141

00:07:08,990 --> 00:07:05,310

these same eyeballs drive me everywhere

142

00:07:11,930 --> 00:07:09,000

I go my eyes can be trusted to know I

143

00:07:16,310 --> 00:07:11,940

saw something in the sky they really can

144

00:07:19,010 --> 00:07:16,320

and I think that ignoring our

145

00:07:22,430 --> 00:07:19,020

credibility and all that it's not cool

146

00:07:27,260 --> 00:07:22,440

it is not cool people we need to be

147

00:07:29,450 --> 00:07:27,270

heard mm-hmm heard and seen say it loud

148

00:07:34,490 --> 00:07:29,460

say it proud okay

149

00:07:36,290 --> 00:07:34,500

next UFO sighting in North plate mm-hmm

150

00:07:40,100 --> 00:07:36,300

Nebraska this occurred

151

00:07:43,160 --> 00:07:40,110

March 2nd 2018 object was four balls

152

00:07:45,350 --> 00:07:43,170

colored red and green got home from work

153

00:07:48,290 --> 00:07:45,360

got out of my truck and seen this

154

00:07:51,710 --> 00:07:48,300

hovering in the sky had four lights on

155

00:07:54,890 --> 00:07:51,720

it blinking red and two green and then

156

00:07:57,440 --> 00:07:54,900

moved around making impossible maneuvers

157

00:08:00,650 --> 00:07:57,450

it seemed I recorded it on my cell phone

158

00:08:03,170 --> 00:08:00,660

and it flew away and then quickly

159

00:08:06,530 --> 00:08:03,180

disappeared and then one minute later

160

00:08:09,230 --> 00:08:06,540

came back for two more minutes and I

161

00:08:11,240 --> 00:08:09,240

recorded it again I'm hoping to get an

162

00:08:14,030 --> 00:08:11,250

answer what I saw if someone could tell

163

00:08:16,100 --> 00:08:14,040

me what this was that would be great you

164

00:08:19,220 --> 00:08:16,110

know what that means that means there's

165

00:08:21,920 --> 00:08:19,230

a there's a video they submitted now

166

00:08:25,840 --> 00:08:21,930

with the powers that be and move on and

167

00:08:28,280 --> 00:08:25,850

allow for it oh there was a video people

168

00:08:30,860 --> 00:08:28,290

let's hope it's a good juicy one but we

169

00:08:33,010 --> 00:08:30,870

all know usually it's not if MUFON

170

00:08:35,510 --> 00:08:33,020

allowed it on the website to show up

171

00:08:42,620 --> 00:08:35,520

okay I got my press play hold on here

172

00:08:48,020 --> 00:08:42,630

bleep it appears to be a dot in the sky

173

00:08:55,870 --> 00:08:52,570

look he's cussing his butt off haha

174

00:09:00,100 --> 00:08:55,880

f-bombs f-bombs

175

00:09:02,870 --> 00:09:00,110

it's an effing UFO man he's saying oh

176

00:09:04,700 --> 00:09:02,880

it's changing colors okay it's pretty

177

00:09:11,750 --> 00:09:04,710

cool there goes but he's really good at

178

00:09:14,650 --> 00:09:11,760

f-bombs some reason Wow okay this it's a

179

00:09:17,960 --> 00:09:14,660

pretty it's a pretty dramatic

180

00:09:21,040 --> 00:09:17,970

multicolored and shape-shifting looking

181

00:09:24,920 --> 00:09:21,050

type of thing and my video is freezing

182

00:09:28,370 --> 00:09:24,930

in the midst of his f-bombs so I might

183

00:09:30,380 --> 00:09:28,380

have to close it out that's all good but

184

00:09:35,690 --> 00:09:30,390

yeah check that one out wow that was

185

00:09:39,800 --> 00:09:35,700

pretty fantastic next UFO sighting mmm

186

00:09:42,010 --> 00:09:39,810

black airplane hovering tree-level okay

187

00:09:46,160 --> 00:09:42,020

I have not heard of black airplane

188

00:09:49,520 --> 00:09:46,170

hovering tail section marked two white

189

00:09:53,660 --> 00:09:49,530

stripes cased in red stripes windows

190

00:09:56,270 --> 00:09:53,670

across nose brown cloud appeared at this

191

00:09:58,880 --> 00:09:56,280

time must Family Guy there did he rip

192

00:10:02,300 --> 00:09:58,890

something every night three yellow

193

00:10:07,150 --> 00:10:02,310

figures would appear every night from

194

00:10:10,370 --> 00:10:07,160

tree lasted uh-huh one and a half weeks

195

00:10:12,650 --> 00:10:10,380

okay this is interesting okay I read

196

00:10:15,290 --> 00:10:12,660

what it says more in detail outside

197

00:10:20,030 --> 00:10:15,300

smoking a cigarette I looked up and saw

198

00:10:22,670 --> 00:10:20,040

it a small black airplane air force Viet

199

00:10:28,850 --> 00:10:22,680

Nam Nam vet okay so they're an Air Force

200

00:10:31,810 --> 00:10:28,860

Vietnam vet a mini f4 jet had silver

201
00:10:36,740 --> 00:10:31,820
colored glass on three windows on nose

202
00:10:40,010 --> 00:10:36,750
could not see inside on top of tail head

203
00:10:42,470 --> 00:10:40,020
emblem on top could not make out middle

204
00:10:45,620 --> 00:10:42,480
of tail had two white stripes in the

205
00:10:47,660 --> 00:10:45,630
middle with red stripe on top and bottom

206
00:10:52,070 --> 00:10:47,670
look like it couldn't be more than

207
00:10:54,970 --> 00:10:52,080
twenty one two to three feet high nose

208
00:10:58,460 --> 00:10:54,980
of the plane was pointing towards tree

209
00:11:01,880 --> 00:10:58,470
also had a strange-looking cloud that

210
00:11:03,769 --> 00:11:01,890
appeared about this time just hovering

211
00:11:08,690 --> 00:11:03,779
and no noise coming from the plane I

212
00:11:12,710 --> 00:11:08,700
looked down looked up and it and the

213
00:11:15,460 --> 00:11:12,720

cloud was gone for about a week three

214

00:11:18,740 --> 00:11:15,470

yellow lights appeared in the tree

215

00:11:21,620 --> 00:11:18,750

lights were about a foot long and about

216

00:11:24,860 --> 00:11:21,630

ten inches in diameter they would go

217

00:11:29,569 --> 00:11:24,870

west east and south after this ended

218

00:11:35,180 --> 00:11:29,579

branches in the tree started dying PS

219

00:11:38,150 --> 00:11:35,190

that's all I I don't know I mean it's

220

00:11:41,750 --> 00:11:38,160

interesting way of putting a report it's

221

00:11:44,300 --> 00:11:41,760

like in little little splotches I just

222

00:11:46,460 --> 00:11:44,310

wish it was fluid so I it was an

223

00:11:50,300 --> 00:11:46,470

airplane that didn't make any noise and

224

00:11:53,750 --> 00:11:50,310

just hung there and could apparently

225

00:11:56,720 --> 00:11:53,760

manifest in a brown cloud and disappear

226

00:12:00,740 --> 00:11:56,730

with it doesn't that kind of sound like

227

00:12:06,710 --> 00:12:00,750

you know like when people see like Civil

228

00:12:08,900 --> 00:12:06,720

War soldiers marching like almost like

229

00:12:11,840 --> 00:12:08,910

frozen in time or just marching along

230

00:12:16,009 --> 00:12:11,850

it's like a glimpse in time I wonder if

231

00:12:21,050 --> 00:12:16,019

this is what that was he said a mini f4

232

00:12:24,259 --> 00:12:21,060

jet a mini f4 jet so it was a tiny f4

233

00:12:26,860 --> 00:12:24,269

jet I mean it just makes you think but

234

00:12:31,250 --> 00:12:26,870

then why are the weird lights afterwards

235

00:12:34,130 --> 00:12:31,260

huh I don't get it that's a doozy I've

236

00:12:36,259 --> 00:12:34,140

never heard such a thing all right well

237

00:12:41,350 --> 00:12:36,269

I have heard of UFOs that kind of look

238

00:12:48,860 --> 00:12:45,170

UFO sighting in Glen Cove New York this

239

00:12:51,920 --> 00:12:48,870

occurred February 26 2018 objects seemed

240

00:12:54,620 --> 00:12:51,930

to have been hovering in the dark it

241

00:12:57,620 --> 00:12:54,630

turned on it turned on a purple light

242

00:13:00,259 --> 00:12:57,630

and it flew north faster than a plane or

243

00:13:03,530 --> 00:13:00,269

copter for a quarter mile turn lights

244

00:13:05,030 --> 00:13:03,540

off and disappeared we were standing by

245

00:13:07,009 --> 00:13:05,040

my car in front of my friend's house at

246

00:13:09,980 --> 00:13:07,019

9:00 p.m. talking about getting together

247

00:13:12,350 --> 00:13:09,990

again we began to face Southwest as we

248

00:13:15,590 --> 00:13:12,360

talked when the object suddenly turned

249

00:13:17,930 --> 00:13:15,600

its light turned its light I don't know

250

00:13:20,780 --> 00:13:17,940

turned it on it looked like a bright

251
00:13:24,350 --> 00:13:20,790
purple globe it seemed to have been

252
00:13:26,510 --> 00:13:24,360
hovering at 1500 feet or more then turn

253
00:13:31,370 --> 00:13:26,520
on its light and flew about two miles

254
00:13:34,550 --> 00:13:31,380
north at lightning speed we wondered if

255
00:13:37,070 --> 00:13:34,560
it had been there spying on us I felt a

256
00:13:40,090 --> 00:13:37,080
bit of an ache in my eyes and in my head

257
00:13:42,530 --> 00:13:40,100
as I stared at it and I'm not sure why

258
00:13:45,560 --> 00:13:42,540
the object was spherical and had a

259
00:13:48,590 --> 00:13:45,570
bright purple glow as soon as its lights

260
00:13:51,080 --> 00:13:48,600
turned on and became visible it flew at

261
00:13:53,900 --> 00:13:51,090
lightning speed about two miles from

262
00:13:56,750 --> 00:13:53,910
south to north and then it shut its

263
00:13:58,010 --> 00:13:56,760

lights off and vanished you know that's

264

00:14:01,940 --> 00:13:58,020

the kicker isn't it

265

00:14:03,410 --> 00:14:01,950

what I do UFOs have lights we would not

266

00:14:05,630 --> 00:14:03,420

see them if they didn't turn their

267

00:14:07,130 --> 00:14:05,640

lights on do they need them so they

268

00:14:09,770 --> 00:14:07,140

don't crash it to each other like

269

00:14:13,300 --> 00:14:09,780

airplanes I would think that they have

270

00:14:16,270 --> 00:14:13,310

better like sensory systems to say hey

271

00:14:18,530 --> 00:14:16,280

George the aliens to your left and about

272

00:14:21,230 --> 00:14:18,540

5,000 feet to your right

273

00:14:23,630 --> 00:14:21,240

there goes hairy you know wouldn't they

274

00:14:26,420 --> 00:14:23,640

know do they need to have their lights

275

00:14:27,650 --> 00:14:26,430

on I think they do it on purpose so we

276

00:14:31,730 --> 00:14:27,660

do get a good look at them

277

00:14:34,580 --> 00:14:31,740

so we can give them those googly eyes

278

00:14:36,640 --> 00:14:34,590

like wow and they zoom in and probably

279

00:14:42,550 --> 00:14:36,650

Instagram it or something

280

00:14:46,460 --> 00:14:42,560

the same instagrammed UFO alien style

281

00:14:49,910 --> 00:14:46,470

it's the UFO all right okay it seemed to

282

00:14:52,100 --> 00:14:49,920

curl curl as if making it turn to go

283

00:14:54,410 --> 00:14:52,110

back south or west but once the lights

284

00:14:57,170 --> 00:14:54,420

were completely off we could not see if

285

00:14:59,780 --> 00:14:57,180

it was still there hovering we were

286

00:15:03,230 --> 00:14:59,790

feeling shocked but not scared by what

287

00:15:05,390 --> 00:15:03,240

we you're just waking up and already

neighborhood click the banner to save

298

00:15:35,009 --> 00:15:31,329

\$30 on your first order Saab began to

299

00:15:39,090 --> 00:15:35,019

laugh a bit nervously I asked my friend

300

00:15:40,860 --> 00:15:39,100

did you see that she said yes I was

301
00:15:43,110 --> 00:15:40,870
going to ask you if it was a shooting

302
00:15:46,740 --> 00:15:43,120
star a little purple shooting sorry I

303
00:15:49,650 --> 00:15:46,750
answered if it was purple

304
00:15:51,600 --> 00:15:49,660
oh the stars are white and it was bigger

305
00:15:55,470 --> 00:15:51,610
than the stars and faster than a plane

306
00:15:58,410 --> 00:15:55,480
or helicopter I think we saw a UFO she

307
00:16:00,810 --> 00:15:58,420
said that's what I saw - I said to her

308
00:16:02,190 --> 00:16:00,820
I'm glad you saw it or I would have

309
00:16:05,310 --> 00:16:02,200
thought I was losing my mind

310
00:16:06,870 --> 00:16:05,320
had I been alone we know it was not a

311
00:16:09,509 --> 00:16:06,880
shooting star nor a plane or helicopter

312
00:16:12,240 --> 00:16:09,519
because it moved a long distance at

313
00:16:15,870 --> 00:16:12,250

speeds we'd never seen aircrafts fly in

314

00:16:18,750 --> 00:16:15,880

the air before I live near JFK Airport

315

00:16:22,650 --> 00:16:18,760

and know the speed of a plane as they

316

00:16:24,720 --> 00:16:22,660

fly over our house yeah those tricky

317

00:16:26,490 --> 00:16:24,730

eyes you know how many people doubt

318

00:16:29,069 --> 00:16:26,500

their eyeballs so they don't report

319

00:16:30,480 --> 00:16:29,079

things or don't take it seriously as a

320

00:16:34,710 --> 00:16:30,490

playing tricks I mean I don't believe

321

00:16:36,120 --> 00:16:34,720

them I wonder if there's any aliens on

322

00:16:39,060 --> 00:16:36,130

their planet looking at our blue planet

323

00:16:41,600 --> 00:16:39,070

going there's no intelligent life down

324

00:16:46,769 --> 00:16:41,610

there because there's way too much water

325

00:16:50,759 --> 00:16:46,779

hello sounds a little bit ridiculous huh

326

00:16:53,340 --> 00:16:50,769

we are made of mostly water I wonder

327

00:16:55,949 --> 00:16:53,350

what aliens are made out of hmm I have

328

00:16:58,110 --> 00:16:55,959

to catch one sometime have a look ll see

329

00:17:00,240 --> 00:16:58,120

oh there's videos that aren't there okay

330

00:17:03,780 --> 00:17:00,250

anyways here we go UFO sighting in a red

331

00:17:07,380 --> 00:17:03,790

ditch redditch okay this occurred

332

00:17:10,530 --> 00:17:07,390

November 5th 2017 they look like orbs I

333

00:17:13,819 --> 00:17:10,540

looked outside on bonfire night and saw

334

00:17:16,439 --> 00:17:13,829

four orbs in a line from east to west

335

00:17:18,929 --> 00:17:16,449

they were close together the second orb

336

00:17:21,419 --> 00:17:18,939

from the right started moving towards

337

00:17:24,090 --> 00:17:21,429

the orb on the far right it was glowing

338

00:17:26,850 --> 00:17:24,100

a golden color at the bottom and looked

339

00:17:29,760 --> 00:17:26,860

like it was going to drip this golden

340

00:17:30,659 --> 00:17:29,770

color as it was collecting at the bottom

341

00:17:32,580 --> 00:17:30,669

of the orb

342

00:17:34,950 --> 00:17:32,590

they put a question mark this is when I

343

00:17:36,270 --> 00:17:34,960

went to get my camera when I came back

344

00:17:38,550 --> 00:17:36,280

the orbs were inner

345

00:17:39,390 --> 00:17:38,560

reacting with each other and I took a

346

00:17:43,710 --> 00:17:39,400

few photos

347

00:17:46,020 --> 00:17:43,720

I was really bamboozled I like that word

348

00:17:47,850 --> 00:17:46,030

by what I was looking at and just

349

00:17:49,890 --> 00:17:47,860

watched them for several minutes I

350

00:17:52,710 --> 00:17:49,900

looked away several times in

351
00:17:54,270 --> 00:17:52,720
bewilderment and they disappeared I'm

352
00:17:56,250 --> 00:17:54,280
surprised I didn't disappear straight

353
00:17:59,700 --> 00:17:56,260
away all right let's try to click on

354
00:18:04,950 --> 00:17:59,710
this one shall we let's see about her

355
00:18:09,470 --> 00:18:04,960
bamboozled situation here oh wow

356
00:18:17,130 --> 00:18:09,480
MUFON man we are just striking out why

357
00:18:19,560 --> 00:18:17,140
why why why these pictures not being

358
00:18:23,130 --> 00:18:19,570
contributed when they say they took a

359
00:18:27,840 --> 00:18:23,140
picture that clearly indicates they had

360
00:18:30,960 --> 00:18:27,850
one eye just just hurts right there

361
00:18:33,660 --> 00:18:30,970
right there okay all right your full

362
00:18:37,680 --> 00:18:33,670
sighting in Hemel Hempstead England

363
00:18:42,150 --> 00:18:37,690

this occurred March 2nd 2018 sonicboom

364

00:18:45,840 --> 00:18:42,160

type sound in Hemel Hempstead nobody

365

00:18:47,580 --> 00:18:45,850

seems to care about it must be us it US

366

00:18:49,770 --> 00:18:47,590

government's paying a visit because

367

00:18:53,040 --> 00:18:49,780

that's what we're getting over here hi

368

00:18:54,420 --> 00:18:53,050

I'd like to oh they're friendly hi I'd

369

00:18:57,030 --> 00:18:54,430

like to report an incident yesterday

370

00:18:59,880 --> 00:18:57,040

which I think was odd out of the

371

00:19:03,360 --> 00:18:59,890

ordinary and I would describe as a UFO

372

00:19:05,520 --> 00:19:03,370

type case I'd like to submit I live in

373

00:19:09,840 --> 00:19:05,530

Hemel Hempstead I was walking home from

374

00:19:13,710 --> 00:19:09,850

Charmaine's Park at about 2:45 p.m. it

375

00:19:16,710 --> 00:19:13,720

was a very cold and snowing below zero

376

00:19:18,480 --> 00:19:16,720

degrees me and a guy from college I was

377

00:19:22,200 --> 00:19:18,490

walking across the footbridge to the

378

00:19:24,990 --> 00:19:22,210

shops and cinema gym skatepark etc saw a

379

00:19:27,750 --> 00:19:25,000

black helicopter speed

380

00:19:29,700 --> 00:19:27,760

passed overhead see I told you was it I

381

00:19:31,980 --> 00:19:29,710

thought the black helicopters were just

382

00:19:32,820 --> 00:19:31,990

ours I don't know it was the US

383

00:19:34,920 --> 00:19:32,830

government over there

384

00:19:37,890 --> 00:19:34,930

it was odd because of the condition and

385

00:19:39,900 --> 00:19:37,900

the speed because of the conditions old

386

00:19:43,140 --> 00:19:39,910

weather conditions in the speed I know

387

00:19:46,470 --> 00:19:43,150

they do travel fast but this was into

388

00:19:48,900 --> 00:19:46,480

the horizon in under a minute we joked

389

00:19:49,769 --> 00:19:48,910

about it likely an incident due to the

390

00:19:52,080 --> 00:19:49,779

weather

391

00:19:56,639 --> 00:19:52,090

they'll have an accident I left and went

392

00:20:00,869 --> 00:19:56,649

to look in H&M oh the store in Riverside

393

00:20:03,509 --> 00:20:00,879

in Marlo's at a roughly - 15 to 25 p.m.

394

00:20:06,299 --> 00:20:03,519

I can't be sure the time because my

395

00:20:08,639 --> 00:20:06,309

phone turned off as it was cold very

396

00:20:10,589 --> 00:20:08,649

fine I see pellets were coming down I

397

00:20:14,580 --> 00:20:10,599

walked across the footbridge when I

398

00:20:19,549 --> 00:20:14,590

heard a type of high-pitched whoosh and

399

00:20:23,129 --> 00:20:19,559

then a high-pitched boom up in the sky

400

00:20:26,190 --> 00:20:23,139

atmosphere it's hard to describe all

401
00:20:29,489 --> 00:20:26,200
this but here goes it it seemed to

402
00:20:32,159 --> 00:20:29,499
emanate from the southwest it wasn't all

403
00:20:35,369 --> 00:20:32,169
around but more focused sound and up in

404
00:20:38,119 --> 00:20:35,379
the atmosphere the sky was a steely gray

405
00:20:41,070 --> 00:20:38,129
off-white color the sound was bizarre

406
00:20:43,680 --> 00:20:41,080
I'm not sure if anyone's aware of the

407
00:20:46,829 --> 00:20:43,690
booms phenomena from a few years back in

408
00:20:49,649 --> 00:20:46,839
the UK and USA I remember hearing it

409
00:20:51,659 --> 00:20:49,659
twice when I was still at school both

410
00:20:54,479 --> 00:20:51,669
during the night it seems to make a

411
00:20:58,289 --> 00:20:54,489
high-pitched hardly audible whooshing

412
00:21:01,049 --> 00:20:58,299
then BOOM wasn't anything normal like a

413
00:21:04,560 --> 00:21:01,059

building site etc and other odd things

414

00:21:07,079 --> 00:21:04,570

that everything seemed off what seemed

415

00:21:08,999 --> 00:21:07,089

of to go still during the couple of

416

00:21:12,509 --> 00:21:09,009

seconds also odd was the ground and

417

00:21:16,729 --> 00:21:12,519

windows shook slightly not a violent

418

00:21:21,089 --> 00:21:16,739

shake more of a gentle echo as if tapped

419

00:21:23,700 --> 00:21:21,099

steadily and vibrating I was amongst say

420

00:21:26,759 --> 00:21:23,710

a dozen people I asked if they heard

421

00:21:30,029 --> 00:21:26,769

that the general response was they look

422

00:21:32,609 --> 00:21:30,039

at you as if you're a lunatic or ain't

423

00:21:36,029 --> 00:21:32,619

got time for that nonsense I looked over

424

00:21:37,950 --> 00:21:36,039

the bridge to below seemed nobody seemed

425

00:21:42,329 --> 00:21:37,960

to look up or around or notice this

426

00:21:44,539 --> 00:21:42,339

event it was truly weird I waited in the

427

00:21:47,759 --> 00:21:44,549

area for a few minutes when I saw two

428

00:21:51,089 --> 00:21:47,769

black helicopters go past in the

429

00:21:53,159 --> 00:21:51,099

direction of the boom this is really odd

430

00:21:56,009 --> 00:21:53,169

to me not just because of the weather

431

00:21:59,940 --> 00:21:56,019

conditions and timing but to flying

432

00:22:03,660 --> 00:21:59,950

close by side by side not one after the

433

00:22:05,880 --> 00:22:03,670

other I have contacted a few sources

434

00:22:09,480 --> 00:22:05,890

the local newspaper police and shopping

435

00:22:12,690 --> 00:22:09,490

center but as you'd guessed all three

436

00:22:14,970 --> 00:22:12,700

have been dead losses the local paper

437

00:22:18,990 --> 00:22:14,980

said it doesn't deal with stories like

438

00:22:24,660 --> 00:22:19,000

that and he sarcastically said go to the

439

00:22:26,820 --> 00:22:24,670

FBI with it huh

440

00:22:29,460 --> 00:22:26,830

the police said they don't deal with

441

00:22:32,310 --> 00:22:29,470

things like that anymore as it's a waste

442

00:22:35,310 --> 00:22:32,320

of their time the shopping center said

443

00:22:39,300 --> 00:22:35,320

report it to the police if it concerns

444

00:22:42,960 --> 00:22:39,310

me that much how can nobody not hear

445

00:22:43,740 --> 00:22:42,970

this and not be curious what was it what

446

00:22:46,650 --> 00:22:43,750

caused it

447

00:22:49,230 --> 00:22:46,660

nothing just blank faces and couldn't

448

00:22:51,900 --> 00:22:49,240

give a freaking boo flying blah blah

449

00:22:55,050 --> 00:22:51,910

blah attitude back to my Facebook page

450

00:22:57,270 --> 00:22:55,060

at least they got back to me quickly but

451
00:22:59,760 --> 00:22:57,280
I don't know I heard what I heard and

452
00:23:02,750 --> 00:22:59,770
like to submit this and see where it

453
00:23:05,400 --> 00:23:02,760
goes you know I'll tell you guys um I

454
00:23:08,520 --> 00:23:05,410
was a college student and one time my

455
00:23:10,710 --> 00:23:08,530
sister came over to visit me and we're

456
00:23:15,750 --> 00:23:10,720
standing outside myself her and a friend

457
00:23:18,990 --> 00:23:15,760
and right above us it sounded like a

458
00:23:22,020 --> 00:23:19,000
loud tearing sound like you know when

459
00:23:26,700 --> 00:23:22,030
you rip paper but amplify that by a

460
00:23:29,430 --> 00:23:26,710
hundred thousand it was like right over

461
00:23:33,750 --> 00:23:29,440
our heads and again it just kept going

462
00:23:36,870 --> 00:23:33,760
like shh shh you know like just ripping

463
00:23:42,270 --> 00:23:36,880

the sky we all ducked like we're looking

464

00:23:45,420 --> 00:23:42,280

up like something is tearing open it was

465

00:23:47,790 --> 00:23:45,430

weird and never had an explanation for

466

00:23:49,320 --> 00:23:47,800

that and so I'd like we never talked

467

00:23:51,690 --> 00:23:49,330

about it again after that and when I

468

00:23:54,600 --> 00:23:51,700

brought it up to my sister she doesn't

469

00:23:57,000 --> 00:23:54,610

remember it that's weird so something

470

00:23:59,400 --> 00:23:57,010

happened maybe UFO was taken off I don't

471

00:24:01,680 --> 00:23:59,410

know but anyways we're gonna talk about

472

00:24:05,670 --> 00:24:01,690

some odd things here I just came across

473

00:24:10,020 --> 00:24:05,680

this that's in for UFO stories by the

474

00:24:12,120 --> 00:24:10,030

way these 27 historical facts are almost

475

00:24:15,120 --> 00:24:12,130

too weird to be real but they're all

476
00:24:15,510 --> 00:24:15,130
true even the last one what's the last

477
00:24:17,090 --> 00:24:15,520
one

478
00:24:19,310 --> 00:24:17,100
alright so I'm just gonna

479
00:24:21,830 --> 00:24:19,320
be soft so history is a vast subject to

480
00:24:25,159 --> 00:24:21,840
be sure and with little time to cover it

481
00:24:27,320 --> 00:24:25,169
all plenty of things get swept aside in

482
00:24:29,960 --> 00:24:27,330
favor of the bigger stories like World

483
00:24:31,730 --> 00:24:29,970
War 2 and the Louisiana Purchase those

484
00:24:33,590 --> 00:24:31,740
things are certainly interesting stories

485
00:24:36,620 --> 00:24:33,600
but they've got nothing on these wacky

486
00:24:39,260 --> 00:24:36,630
facts that were dug up from this awesome

487
00:24:40,460 --> 00:24:39,270
website huh turns out there's a lot more

488
00:24:41,980 --> 00:24:40,470

history than we previously thought

489

00:24:45,770 --> 00:24:41,990

that's what they say

490

00:24:48,470 --> 00:24:45,780

numero uno Albert Einstein could have

491

00:24:51,799 --> 00:24:48,480

been President of Israel when it was

492

00:24:55,039 --> 00:24:51,809

formed but he declined and that's

493

00:24:58,640 --> 00:24:55,049

something that's interesting fact before

494

00:25:02,020 --> 00:24:58,650

dentures weren't invented teeth were

495

00:25:06,560 --> 00:25:02,030

pulled from the mouths of dead soldiers

496

00:25:10,820 --> 00:25:06,570

for use as prosthetics that's disgusting

497

00:25:14,720 --> 00:25:10,830

and they're showing a picture Roman

498

00:25:17,649 --> 00:25:14,730

Emperor Gaius also known as Caligula

499

00:25:23,529 --> 00:25:17,659

made one of his favorite horses a

500

00:25:31,010 --> 00:25:26,419

there's a giant mushroom in Oregon's

501
00:25:36,520 --> 00:25:31,020
Mela who melhor national forests with a

502
00:25:41,330 --> 00:25:36,530
root system that covers over 2,200 acres

503
00:25:45,620 --> 00:25:41,340
making it the largest living organism in

504
00:25:47,779 --> 00:25:45,630
the world I love me a good mushroom I'm

505
00:25:51,200 --> 00:25:47,789
just gonna say and I'm tempted to go

506
00:25:55,580 --> 00:25:51,210
there to try the tastiest and probably

507
00:26:02,140 --> 00:25:55,590
most well-preserved system of mushrooms

508
00:26:04,630 --> 00:26:02,150
oh all right so anyways in 1929

509
00:26:08,659 --> 00:26:04,640
researchers at Princeton University

510
00:26:16,130 --> 00:26:08,669
claimed that they had turned a living

511
00:26:18,100 --> 00:26:16,140
cat into a telephone that's nasty okay

512
00:26:23,029 --> 00:26:18,110
that's nasty

513
00:26:24,890 --> 00:26:23,039

number six heroin was once a perfectly

514

00:26:27,649 --> 00:26:24,900

acceptable medicine prescribed by

515

00:26:28,159 --> 00:26:27,659

doctors for everything from coughs to

516

00:26:29,280 --> 00:26:28,169

headaches

517

00:26:32,090 --> 00:26:29,290

Oh that'll take it

518

00:26:35,670 --> 00:26:32,100

how to take out everything your life

519

00:26:38,340 --> 00:26:35,680

wiped that straight off while Pope

520

00:26:42,780 --> 00:26:38,350

Gregory was in power he declared that

521

00:26:46,340 --> 00:26:42,790

cats were to be associated with devil

522

00:26:50,750 --> 00:26:46,350

worship and had them exterminated in

523

00:26:53,670 --> 00:26:50,760

droves not a healthy way of thinking

524

00:26:57,990 --> 00:26:53,680

it's believed that the disappearance of

525

00:27:01,050 --> 00:26:58,000

those cats helped rats spread the

526

00:27:03,930 --> 00:27:01,060

bubonic plague or Black Death that

527

00:27:08,610 --> 00:27:03,940

killed hundreds of millions of people in

528

00:27:13,620 --> 00:27:08,620

the 1300s blame the Pope everybody blame

529

00:27:18,600 --> 00:27:13,630

the Pope Russian dictator Joseph Stalin

530

00:27:21,600 --> 00:27:18,610

often had photos retouched to remove

531

00:27:25,680 --> 00:27:21,610

people who had died or been removed from

532

00:27:28,620 --> 00:27:25,690

office oh there's a thought Trump get

533

00:27:30,630 --> 00:27:28,630

Rex out and toss whatever else out of

534

00:27:33,180 --> 00:27:30,640

the picture oh these are funny they're

535

00:27:35,910 --> 00:27:33,190

showing the pictures and Boop there goes

536

00:27:40,580 --> 00:27:35,920

one there goes - all of a sudden it's

537

00:27:40,590 --> 00:27:44,610

[Laughter]

538

00:27:48,690 --> 00:27:45,800

[Music]

539

00:27:50,400 --> 00:27:48,700

cool Chinese women where I've heard of

540

00:27:53,190 --> 00:27:50,410

this but I've never seen it

541

00:27:56,070 --> 00:27:53,200

Chinese women used to painfully bind

542

00:27:59,280 --> 00:27:56,080

their feet to make them appear smaller

543

00:28:03,200 --> 00:27:59,290

and more feminine and I am not kidding

544

00:28:07,850 --> 00:28:03,210

you I have never seen their feet are

545

00:28:11,180 --> 00:28:07,860

literally wrapped underneath themselves

546

00:28:15,180 --> 00:28:11,190

with just their big toe sticking out dad

547

00:28:17,850 --> 00:28:15,190

Wow I did not ever see underneath the

548

00:28:21,150 --> 00:28:17,860

binds oh my goodness I could not imagine

549

00:28:24,930 --> 00:28:21,160

talk about a cord hurting you that's a

550

00:28:27,540 --> 00:28:24,940

whole nut of pain my goodness okay

551
00:28:32,520 --> 00:28:27,550
anyways the shortest war in history was

552
00:28:33,060 --> 00:28:32,530
the Anglo Zanzibar war it lasted just 38

553
00:28:36,450 --> 00:28:33,070
minutes

554
00:28:39,540 --> 00:28:36,460
Wow it destroyed things though former

555
00:28:42,570 --> 00:28:39,550
North Korean dictator Kim Jong Il was

556
00:28:45,990 --> 00:28:42,580
said to be a great lover of music and

557
00:28:49,970 --> 00:28:46,000
composed six operas while he was in

558
00:28:55,409 --> 00:28:53,070
the Leaning Tower of Pisa was actually

559
00:28:58,470 --> 00:28:55,419
never straight to begin with the

560
00:29:00,539 --> 00:28:58,480
foundation began to sink when they

561
00:29:04,680 --> 00:29:00,549
started on the second floor are you

562
00:29:07,529 --> 00:29:04,690
serious right

563
00:29:09,060 --> 00:29:07,539

stories of lean that is and and the lean

564

00:29:11,490 --> 00:29:09,070

is getting worse so they continue to

565

00:29:14,120 --> 00:29:11,500

build and thought people will just

566

00:29:16,889 --> 00:29:14,130

adjust and get used to it

567

00:29:21,019 --> 00:29:16,899

that has to be it had to be a heck of a

568

00:29:23,250 --> 00:29:21,029

place to go walking through okay anyways

569

00:29:25,350 --> 00:29:23,260

Ronald Reagan is best known for being

570

00:29:29,190 --> 00:29:25,360

president and acting in numerous films

571

00:29:33,779 --> 00:29:29,200

but he was also a prolific lifeguard who

572

00:29:36,659 --> 00:29:33,789

saved 77 people from drowning that's

573

00:29:39,240 --> 00:29:36,669

that the real hero right there oh this

574

00:29:43,190 --> 00:29:39,250

looks gross researchers believe that the

575

00:29:47,159 --> 00:29:43,200

famous Oh Guantanamo Wanat Guanajuato

576

00:29:50,129 --> 00:29:47,169

mummies terrible expressions are the

577

00:29:58,279 --> 00:29:50,139

result of the victims being buried alive

578

00:30:04,350 --> 00:30:01,710

clerks dorp spheres are strange objects

579

00:30:08,129 --> 00:30:04,360

that have been dug up near Otto's doll

580

00:30:11,850 --> 00:30:08,139

in south africa the spherical objects

581

00:30:14,399 --> 00:30:11,860

are billions billions of years old and

582

00:30:19,889 --> 00:30:14,409

no one has been able to fully explain

583

00:30:22,379 --> 00:30:19,899

the markings on their sides oh yes come

584

00:30:24,289 --> 00:30:22,389

by now you can tell these are tool

585

00:30:26,519 --> 00:30:24,299

that he was buried sitting on top of it

602
00:31:12,050 --> 00:31:09,950
oh well he is a handsome guy there

603
00:31:16,160 --> 00:31:12,060
before there were alarm clocks there

604
00:31:19,760 --> 00:31:16,170
were knockers up they were hired to

605
00:31:22,520 --> 00:31:19,770
shoot dried peas from a blowgun at

606
00:31:24,200 --> 00:31:22,530
people's windows in order to wake them

607
00:31:26,660 --> 00:31:24,210
up in the morning and they showed this

608
00:31:30,320 --> 00:31:26,670
lady with her hand on her hip and a big

609
00:31:33,170 --> 00:31:30,330
straw aiming how that's a job I would

610
00:31:37,400 --> 00:31:33,180

611
00:31:39,110 --> 00:31:37,410
