resurrection

21

00:08:02,309 --> 00:08:00,400

passover

22

00:08:04,550 --> 00:08:02,319

mostly about resurrection

23

00:08:05,430 --> 00:08:04,560

but we're going to include some of the

24

00:08:08,869 --> 00:08:05,440

other

25

00:08:10,309 --> 00:08:08,879

beautiful elements for this time of year

26

00:08:15,670 --> 00:08:10,319

also later

27

00:08:20,390 --> 00:08:18,070

we got to go back to christmas

28

00:08:21,830 --> 00:08:20,400

however it all has to do with baby jesus

29

00:08:23,589 --> 00:08:21,840

dear lord good to see everybody let me

30

00:08:27,510 --> 00:08:23,599

check a few things

31

00:08:29,589 --> 00:08:27,520

whoo technology i love it it's a druggie

32

00:08:31,830 --> 00:08:29,599

for me

33

00:08:33,580 --> 00:08:31,840

hello dana trotter

34

00:08:35,990 --> 00:08:33,590

blessings

35

00:08:39,269 --> 00:08:36,000

[Music]

36

00:08:42,630 --> 00:08:39,279

all right let's get down to some beeswax

37

00:08:44,230 --> 00:08:42,640

tonight is center of light

38

00:08:45,430 --> 00:08:44,240

foundation

39

00:08:46,470 --> 00:08:45,440

harvest

40

00:08:48,389 --> 00:08:46,480

easter

41

00:08:50,070 --> 00:08:48,399

resurrection

42

00:08:51,990 --> 00:08:50,080

passover

43

00:08:53,829 --> 00:08:52,000

what do they have in common they have

44

00:08:54,949 --> 00:08:53,839

you and

45

00:09:00,550 --> 00:08:54,959

power

46

00:09:02,150 --> 00:09:00,560

information being in a formation with

47

00:09:03,670 --> 00:09:02,160

information

48

00:09:06,070 --> 00:09:03,680

doubles the hand

49

00:09:07,430 --> 00:09:06,080

doubles the bet

50

00:09:09,509 --> 00:09:07,440

bet that

51  
00:09:11,670 --> 00:09:09,519  
creates breakthroughs in our lives we're

52  
00:09:17,320 --> 00:09:11,680  
able to consciously reconnect again to

53  
00:09:24,630 --> 00:09:21,269  
[Music]

54  
00:09:25,660 --> 00:09:24,640  
this past easter

55  
00:09:26,870 --> 00:09:25,670  
i was blessed

56  
00:09:31,190 --> 00:09:26,880  
[Music]

57  
00:09:31,200 --> 00:09:36,560  
and everyone feeding me dearly

58  
00:09:36,570 --> 00:09:41,350  
[Music]

59  
00:09:48,710 --> 00:09:43,670  
he has risen

60  
00:09:52,790 --> 00:09:50,470  
love it

61  
00:09:58,470 --> 00:09:52,800  
i want to go deeper

62  
00:10:03,520 --> 00:10:00,710  
he has risen

63  
00:10:09,430 --> 00:10:03,530

yes he has

64

00:10:14,230 --> 00:10:10,970

who is he

65

00:10:14,240 --> 00:10:19,030

that would be jesus yeshua

66

00:10:21,690 --> 00:10:20,069

christ

67

00:10:24,230 --> 00:10:21,700

has not risen

68

00:10:26,870 --> 00:10:24,240

[Music]

69

00:10:30,230 --> 00:10:26,880

christ always

70

00:10:32,630 --> 00:10:30,240

has been is and forever will be

71

00:10:34,710 --> 00:10:32,640

lofted

72

00:10:35,910 --> 00:10:34,720

so if jesus

73

00:10:47,590 --> 00:10:35,920

rose

74

00:10:48,949 --> 00:10:47,600

fully illumined christ consciousness

75

00:10:51,430 --> 00:10:48,959

because if he was already christ there'd

76

00:10:53,509 --> 00:10:51,440

be no need to

77

00:10:54,630 --> 00:10:53,519

rise

78

00:10:56,710 --> 00:10:54,640

resurrect

79

00:10:59,670 --> 00:10:56,720

easter fertility

80

00:11:00,790 --> 00:10:59,680

a new new birth

81

00:11:02,550 --> 00:11:00,800

reborn

82

00:11:04,389 --> 00:11:02,560

[Music]

83

00:11:05,829 --> 00:11:04,399

so jesus

84

00:11:08,310 --> 00:11:05,839

rose

85

00:11:09,829 --> 00:11:08,320

he has arisen

86

00:11:13,910 --> 00:11:09,839

christ

87

00:11:15,590 --> 00:11:13,920

has not arisen it's always lofty into

88

00:11:18,140 --> 00:11:15,600

the spiritual

89

00:11:19,990 --> 00:11:18,150

altitudes

90

00:11:21,990 --> 00:11:20,000

[Music]

91

00:11:25,430 --> 00:11:22,000

when i was in homo louisiana visiting my

92

00:11:28,710 --> 00:11:27,110

i was blessed to look at my face my

93

00:11:30,949 --> 00:11:28,720

social media feeds

94

00:11:32,389 --> 00:11:30,959

and see all of this christ jesus has

95

00:11:34,710 --> 00:11:32,399

risen he

96

00:11:37,110 --> 00:11:34,720

he i get it i love it

97

00:11:39,509 --> 00:11:37,120

so we're gonna go a little deeper

98

00:11:44,230 --> 00:11:39,519

and lo and behold

99

00:11:50,470 --> 00:11:47,190

morning coffee

100

00:11:50,480 --> 00:12:00,069

happy 4 20 y'all

101  
00:12:04,069 --> 00:12:02,069  
someone throws a houma

102  
00:12:07,350 --> 00:12:04,079  
courier newspaper on the table

103  
00:12:07,360 --> 00:12:11,430  
and on the front page

104  
00:12:15,670 --> 00:12:14,310  
this was the article in the picture

105  
00:12:22,120 --> 00:12:15,680  
i'm drawing

106  
00:12:26,790 --> 00:12:25,110  
[Music]

107  
00:12:30,710 --> 00:12:26,800  
here's the article

108  
00:12:32,790 --> 00:12:30,720  
i'm not making fun but i am absolutely

109  
00:12:34,950 --> 00:12:32,800  
and equivocally

110  
00:12:37,590 --> 00:12:34,960  
definitely bringing to

111  
00:12:39,750 --> 00:12:37,600  
[Music]

112  
00:12:44,870 --> 00:12:39,760  
light

113  
00:12:48,230 --> 00:12:46,870

we're gonna go deeper into

114

00:12:49,750 --> 00:12:48,240

easter

115

00:12:52,870 --> 00:12:49,760

resurrection

116

00:12:53,860 --> 00:12:52,880

and passover and they all have in common

117

00:12:57,590 --> 00:12:53,870

you

118

00:12:59,829 --> 00:12:57,600

[Music]

119

00:13:01,110 --> 00:12:59,839

so the newspaper is now on the kitchen

120

00:13:05,590 --> 00:13:01,120

table

121

00:13:11,110 --> 00:13:08,310

this is where the council of nicaea the

122

00:13:12,870 --> 00:13:11,120

late 300s hello look it up

123

00:13:16,470 --> 00:13:12,880

an event that took place

124

00:13:18,710 --> 00:13:16,480

where things were manipulated

125

00:13:21,350 --> 00:13:18,720

lovingly unlovingly

126  
00:13:24,069 --> 00:13:21,360  
language has been transformed transfixed

127  
00:13:25,829 --> 00:13:24,079  
transmuted been tossed all around like a

128  
00:13:27,269 --> 00:13:25,839  
salad

129  
00:13:29,750 --> 00:13:27,279  
well

130  
00:13:31,829 --> 00:13:29,760  
if we want to truly eat the divine diet

131  
00:13:34,470 --> 00:13:31,839  
and put some grace and honey on our

132  
00:13:39,350 --> 00:13:34,480  
palate we have to see correctly there's

133  
00:13:45,030 --> 00:13:42,230  
ignorance it's the absolute right word

134  
00:13:46,629 --> 00:13:45,040  
surrounding the resurrection

135  
00:13:48,690 --> 00:13:46,639  
and many things

136  
00:13:50,629 --> 00:13:48,700  
from the bible and other scripture

137  
00:13:52,629 --> 00:13:50,639  
[Music]

138  
00:13:55,030 --> 00:13:52,639

so let's look at it honestly

139

00:13:56,270 --> 00:13:55,040

and honestly we will

140

00:13:59,509 --> 00:13:56,280

here's the article

141

00:14:05,030 --> 00:13:59,519

[Music]

142

00:14:05,040 --> 00:14:09,910

hike for christ

143

00:14:16,550 --> 00:14:14,949

christ does not need to be hiked for

144

00:14:19,430 --> 00:14:16,560

christ consciousness

145

00:14:21,910 --> 00:14:19,440

doesn't need our help

146

00:14:25,430 --> 00:14:21,920

it's so arrogant in fact it's the other

147

00:14:29,910 --> 00:14:27,910

need to hike up mount sinai

148

00:14:32,470 --> 00:14:29,920

ourselves

149

00:14:35,110 --> 00:14:32,480

yes i know this was moises

150

00:14:36,550 --> 00:14:35,120

but it is applicable as we make our

151  
00:14:39,030 --> 00:14:36,560  
exodus

152  
00:14:41,350 --> 00:14:39,040  
out of hell

153  
00:14:42,580 --> 00:14:41,360  
into a heavenly

154  
00:14:45,189 --> 00:14:42,590  
world

155  
00:14:49,990 --> 00:14:45,199  
[Music]

156  
00:14:54,730 --> 00:14:51,910  
jesus did his job

157  
00:14:57,030 --> 00:14:54,740  
two thousand plus years ago

158  
00:15:02,470 --> 00:14:57,040  
[Music]

159  
00:15:02,480 --> 00:15:07,180  
yours i'm not

160  
00:15:11,430 --> 00:15:09,670  
[Music]

161  
00:15:13,189 --> 00:15:11,440  
in fact he

162  
00:15:14,230 --> 00:15:13,199  
the consciousness

163  
00:15:16,629 --> 00:15:14,240

she

164

00:15:18,790 --> 00:15:16,639

would want it that way

165

00:15:21,990 --> 00:15:18,800

the consciousness of christ

166

00:15:25,110 --> 00:15:22,000

is already illuminated it's not worried

167

00:15:26,470 --> 00:15:25,120

it's not in a hurry it's not threatened

168

00:15:28,870 --> 00:15:26,480

it's forever

169

00:15:31,350 --> 00:15:28,880

so it's waiting on us to take on this

170

00:15:34,870 --> 00:15:31,360

step-by-step thousand years if it takes

171

00:15:34,880 --> 00:15:37,910

so really

172

00:15:46,230 --> 00:15:41,509

christ doesn't need to be hiked for

173

00:15:50,230 --> 00:15:48,150

so the rest of the resurrection now

174

00:15:52,790 --> 00:15:50,240

belongs to you and me

175

00:15:54,870 --> 00:15:52,800

it's our turn

176

00:15:55,910 --> 00:15:54,880

i understand revering the master the

177

00:15:58,310 --> 00:15:55,920

teacher

178

00:16:01,749 --> 00:15:58,320

and drop into a humble knee

179

00:16:02,870 --> 00:16:01,759

and say dear lord thank thee for showing

180

00:16:07,590 --> 00:16:02,880

me

181

00:16:12,470 --> 00:16:09,990

to be fully illuminated as a christian

182

00:16:16,550 --> 00:16:12,480

as a buddha as a whatever that's

183

00:16:16,560 --> 00:16:20,710

you have to get so lost

184

00:16:25,800 --> 00:16:22,870

in the profundity

185

00:16:26,949 --> 00:16:25,810

of your deity

186

00:16:29,030 --> 00:16:26,959

[Music]

187

00:16:31,590 --> 00:16:29,040

as to why you revered in the first place

188

00:16:33,430 --> 00:16:31,600

so lost in it that we lose

189

00:16:36,629 --> 00:16:33,440

all sense of self of what we know as

190

00:16:38,550 --> 00:16:36,639

ourselves to be at least for now

191

00:16:44,150 --> 00:16:38,560

it's about our own easter

192

00:16:45,829 --> 00:16:44,160

seeking forever why not jump into the

193

00:16:47,749 --> 00:16:45,839

hunt with all you have if you're gonna

194

00:16:51,910 --> 00:16:47,759

seek at all

195

00:16:54,949 --> 00:16:53,590

and then we find ourselves standing

196

00:16:56,140 --> 00:16:54,959

strong

197

00:16:57,350 --> 00:16:56,150

and tall

198

00:17:00,550 --> 00:16:57,360

[Music]

199

00:17:04,549 --> 00:17:00,560

and we pass over the obstacles

200

00:17:07,510 --> 00:17:04,559

the speed bumps of it all

201  
00:17:09,350 --> 00:17:07,520  
yes revere the teachers

202  
00:17:11,990 --> 00:17:09,360  
you are your greatest teacher look in

203  
00:17:14,710 --> 00:17:12,000  
the mirror and say i love you

204  
00:17:16,710 --> 00:17:14,720  
see who answers back

205  
00:17:21,669 --> 00:17:16,720  
tonight is center of light harvest we

206  
00:17:22,789 --> 00:17:21,679  
have worked for eons of time hard

207  
00:17:23,990 --> 00:17:22,799  
diligent

208  
00:17:25,579 --> 00:17:24,000  
earnestly

209  
00:17:26,710 --> 00:17:25,589  
lovingly carefully

210  
00:17:29,830 --> 00:17:26,720  
[Music]

211  
00:17:33,909 --> 00:17:29,840  
we've become beautiful messes in lots of

212  
00:17:41,029 --> 00:17:38,150  
easter equals fertility a new rebirth

213  
00:17:42,630 --> 00:17:41,039

resurrect resurrection

214

00:17:44,150 --> 00:17:42,640

rise up

215

00:17:46,070 --> 00:17:44,160

stand up

216

00:17:48,230 --> 00:17:46,080

wake up

217

00:17:50,549 --> 00:17:48,240

passover equals

218

00:17:52,390 --> 00:17:50,559

pass over the obstacles in life the

219

00:17:54,950 --> 00:17:52,400

speed bumps as i mentioned

220

00:17:56,310 --> 00:17:54,960

the issues that have always slowed you

221

00:17:59,940 --> 00:17:56,320

down

222

00:18:04,310 --> 00:17:59,950

take this time to liberate yourself

223

00:18:06,789 --> 00:18:04,320

[Music]

224

00:18:09,830 --> 00:18:06,799

heaven is here

225

00:18:11,909 --> 00:18:09,840

now it's everywhere all the time

226

00:18:15,190 --> 00:18:11,919

but the window the gate

227

00:18:17,909 --> 00:18:15,200

our minds and hearts are opening

228

00:18:20,789 --> 00:18:17,919

and spirit and the divine and the grand

229

00:18:24,630 --> 00:18:20,799

scheme they are hoping if there's such a

230

00:18:31,990 --> 00:18:27,590

that we go on that easter egg hunt

231

00:18:35,590 --> 00:18:32,000

on a humbled knee we revere the teacher

232

00:18:37,190 --> 00:18:35,600

and then the teacher says stand up

233

00:18:39,669 --> 00:18:37,200

you are my brother

234

00:18:41,590 --> 00:18:39,679

or my sister

235

00:18:43,669 --> 00:18:41,600

you will do the works that i have if not

236

00:18:45,190 --> 00:18:43,679

more

237

00:18:47,750 --> 00:18:45,200

and we resurrect

238

00:18:49,029 --> 00:18:47,760

and then we pass over the threshold of

239

00:18:50,789 --> 00:18:49,039

nonsense

240

00:18:53,270 --> 00:18:50,799

into everything

241

00:18:55,430 --> 00:18:53,280

that makes sense to anything

242

00:18:58,150 --> 00:18:55,440

at all

243

00:19:00,789 --> 00:18:58,160

this is what the resurrection is about

244

00:19:01,590 --> 00:19:00,799

it's always been about you

245

00:19:04,470 --> 00:19:01,600

me

246

00:19:06,549 --> 00:19:04,480

we always

247

00:19:08,830 --> 00:19:06,559

jesus was the first well there were many

248

00:19:11,430 --> 00:19:08,840

others

249

00:19:14,230 --> 00:19:11,440

horus metaphorically

250

00:19:17,110 --> 00:19:14,240

metaphysically it's all the same as

251

00:19:19,909 --> 00:19:17,120

above so below on forever it will go

252

00:19:22,830 --> 00:19:19,919

but let's just use jesus in this example

253

00:19:25,190 --> 00:19:22,840

he has risen he rose to the level of

254

00:19:26,070 --> 00:19:25,200

christ because if he was already christ

255

00:19:31,029 --> 00:19:26,080

here

256

00:19:32,770 --> 00:19:31,039

he rose

257

00:19:34,470 --> 00:19:32,780

out of the cycle of death

258

00:19:35,990 --> 00:19:34,480

[Music]

259

00:19:38,470 --> 00:19:36,000

well the fact that there would be death

260

00:19:39,909 --> 00:19:38,480

would imply that i'm here and i have

261

00:19:41,990 --> 00:19:39,919

died

262

00:19:42,870 --> 00:19:42,000

and he rose through the illusion of it

263

00:19:45,029 --> 00:19:42,880

all

264

00:19:46,690 --> 00:19:45,039  
to the level of christ which is the

265

00:19:48,870 --> 00:19:46,700  
reality of it all

266

00:19:50,630 --> 00:19:48,880  
[Music]

267

00:19:54,310 --> 00:19:50,640  
i'm going to go into

268

00:19:57,750 --> 00:19:55,990  
something i want to re i was going to

269

00:19:59,430 --> 00:19:57,760  
read it for you but i remembered in the

270

00:20:00,310 --> 00:19:59,440  
movie and the mig shall inherit the

271

00:20:02,070 --> 00:20:00,320  
earth

272

00:20:03,990 --> 00:20:02,080  
there's a video segment

273

00:20:05,510 --> 00:20:04,000  
about the life of christ

274

00:20:07,590 --> 00:20:05,520  
and i use

275

00:20:09,990 --> 00:20:07,600  
excerpts from homecoming crossing the

276

00:20:13,750 --> 00:20:10,000

bridge to the soul as the voice over

277

00:20:16,789 --> 00:20:15,350

his life

278

00:20:19,110 --> 00:20:16,799

converting from

279

00:20:21,830 --> 00:20:19,120

messenger to the sun

280

00:20:23,190 --> 00:20:21,840

um resurrection

281

00:20:25,430 --> 00:20:23,200

and how

282

00:20:27,830 --> 00:20:25,440

it's time

283

00:20:29,510 --> 00:20:27,840

to put it aside

284

00:20:32,710 --> 00:20:29,520

not because it's not important

285

00:20:34,310 --> 00:20:32,720

it's because we are equally important

286

00:20:36,549 --> 00:20:34,320

and we must see the beauty in our own

287

00:20:38,310 --> 00:20:36,559

selves through our own mess

288

00:20:40,149 --> 00:20:38,320

and in such a way the mess is beautiful

289

00:20:43,190 --> 00:20:40,159

itself

290

00:20:44,549 --> 00:20:43,200

and so i did mention i'm going to go

291

00:20:47,350 --> 00:20:44,559

into

292

00:20:48,789 --> 00:20:47,360

another theme entirely after the jesus

293

00:20:51,110 --> 00:20:48,799

segment i'm going to go it's going to be

294

00:20:55,830 --> 00:20:51,120

christmas again y'all christmas christ

295

00:21:00,149 --> 00:20:57,669

this is quite a few years ago i'm going

296

00:21:01,990 --> 00:21:00,159

to go into a vesseling i actually just

297

00:21:04,789 --> 00:21:02,000

started off talking and sharing like i'm

298

00:21:07,909 --> 00:21:04,799

doing now and something dissented i

299

00:21:09,430 --> 00:21:07,919

ascended i have risen we all rise we're

300

00:21:10,549 --> 00:21:09,440

all going to rise together when we fall

301  
00:21:11,990 --> 00:21:10,559  
into this

302  
00:21:13,750 --> 00:21:12,000  
vesseling that i do

303  
00:21:16,710 --> 00:21:13,760  
um thank you for being here thank you

304  
00:21:19,669 --> 00:21:16,720  
for your support i am sending you oodles

305  
00:21:22,720 --> 00:21:19,679  
and oodles and oodles

306  
00:21:25,990 --> 00:21:22,730  
of absolute love infinite light

307  
00:21:28,030 --> 00:21:26,000  
[Music]

308  
00:21:29,590 --> 00:21:28,040  
on this such of light foundation night

309  
00:21:32,710 --> 00:21:29,600  
[Music]

310  
00:21:34,549 --> 00:21:32,720  
his wrist who is he who is she

311  
00:21:36,549 --> 00:21:34,559  
look in the mirror and you will see the

312  
00:21:38,549 --> 00:21:36,559  
christ dwells in you

313  
00:21:40,950 --> 00:21:38,559

or you couldn't see it all it requires

314

00:21:42,710 --> 00:21:40,960

the christ principle

315

00:21:45,430 --> 00:21:42,720

to be able to see

316

00:21:47,990 --> 00:21:45,440

that's why the christ does not rise the

317

00:21:49,830 --> 00:21:48,000

christ is eternal it's this level of

318

00:21:52,070 --> 00:21:49,840

spiritual consciousness

319

00:21:54,149 --> 00:21:52,080

look up the word christos this existed

320

00:21:56,830 --> 00:21:54,159

before the birth of jesus even it's

321

00:22:00,230 --> 00:21:56,840

greek it means the anointed

322

00:22:03,180 --> 00:22:00,240

so let's get one pointed focused into

323

00:22:05,830 --> 00:22:03,190

some baby jesus

324

00:22:07,510 --> 00:22:05,840

[Music]

325

00:22:10,230 --> 00:22:07,520

see you shortly this is going to be

326

00:22:11,590 --> 00:22:10,240

about 20 minutes enjoy

327

00:22:15,990 --> 00:22:11,600

really beautiful segment i'll see you

328

00:22:20,230 --> 00:22:18,230

christ jesus was a prime example of

329

00:22:21,110 --> 00:22:20,240

supreme living during his time upon

330

00:22:22,950 --> 00:22:21,120

earth

331

00:22:25,590 --> 00:22:22,960

by living a life of righteousness and

332

00:22:28,070 --> 00:22:25,600

peace he was able to make a powerful

333

00:22:30,390 --> 00:22:28,080

impact and a profound difference

334

00:22:33,029 --> 00:22:30,400

some two thousand years later his life

335

00:22:36,230 --> 00:22:33,039

is still the standard he is still the

336

00:22:38,230 --> 00:22:36,240

truth the hope the light and the way his

337

00:22:40,710 --> 00:22:38,240

teachings have inspired countless

338

00:22:43,750 --> 00:22:40,720

millions to live a pure and love-filled

339

00:22:45,990 --> 00:22:43,760

life thus creating the energy needed for

340

00:22:48,149 --> 00:22:46,000

the whole world to shift

341

00:22:50,470 --> 00:22:48,159

jesus searched for god his entire early

342

00:22:53,510 --> 00:22:50,480

life walking the land believing he was

343

00:22:56,070 --> 00:22:53,520

only a messenger but as an adult when he

344

00:22:57,990 --> 00:22:56,080

visited the himalayan monasteries he

345

00:23:00,470 --> 00:22:58,000

learned from the masters who lived there

346

00:23:03,190 --> 00:23:00,480

to seek god within himself and he came

347

00:23:06,310 --> 00:23:03,200

to the realization that the external

348

00:23:09,190 --> 00:23:06,320

world was only a kaleidoscopic picture

349

00:23:11,510 --> 00:23:09,200

interpreted by his own mind

350

00:23:13,750 --> 00:23:11,520

his pilgrimage was a great success in

351

00:23:16,310 --> 00:23:13,760

that it helped him to realize that he

352

00:23:19,510 --> 00:23:16,320

was no longer just a messenger of god

353

00:23:21,590 --> 00:23:19,520

but was now the son of god

354

00:23:23,830 --> 00:23:21,600

when jesus stood upon the hill and spoke

355

00:23:26,390 --> 00:23:23,840

to the multitude the young teacher

356

00:23:29,350 --> 00:23:26,400

offered great wisdom but few believed

357

00:23:32,470 --> 00:23:29,360

his words in fact many shouted are you

358

00:23:35,190 --> 00:23:32,480

the messiah if you are truly the messiah

359

00:23:37,190 --> 00:23:35,200

then perform a miracle for us

360

00:23:39,590 --> 00:23:37,200

because of their doubt and fear people

361

00:23:42,789 --> 00:23:39,600

did not realize that the miracle was

362

00:23:45,909 --> 00:23:42,799

already there in the form of jesus he

363

00:23:48,870 --> 00:23:45,919

was there to inform them about their own

364

00:23:50,549 --> 00:23:48,880

freedom their divine nature and the fact

365

00:23:52,710 --> 00:23:50,559

that indeed

366

00:23:54,950 --> 00:23:52,720

they were no different from him

367

00:23:57,269 --> 00:23:54,960

can you see how so many missed their

368

00:24:00,070 --> 00:23:57,279

window of opportunity to reach spiritual

369

00:24:01,750 --> 00:24:00,080

liberation because they doubted that he

370

00:24:04,070 --> 00:24:01,760

was the christ

371

00:24:06,710 --> 00:24:04,080

jesus appeared to be an ordinary man

372

00:24:08,789 --> 00:24:06,720

like everyone else but soon enough no

373

00:24:11,350 --> 00:24:08,799

one could deny his extraordinary

374

00:24:13,350 --> 00:24:11,360

presence once people believed that he

375

00:24:16,149 --> 00:24:13,360

was who he said he was

376

00:24:18,870 --> 00:24:16,159

why didn't they follow him then because

377

00:24:21,350 --> 00:24:18,880

soldiers using brute force if necessary

378

00:24:23,590 --> 00:24:21,360

were regularly deployed to bring to a

379

00:24:25,750 --> 00:24:23,600

halt all the rabble rousing that seemed

380

00:24:29,190 --> 00:24:25,760

to happen wherever he went

381

00:24:31,110 --> 00:24:29,200

but despite all adversity jesus pushed

382

00:24:33,750 --> 00:24:31,120

on to the very end

383

00:24:36,149 --> 00:24:33,760

when that day came jesus accepted his

384

00:24:38,870 --> 00:24:36,159

death freely thus showing those around

385

00:24:41,590 --> 00:24:38,880

him how such an event is not the end of

386

00:24:44,390 --> 00:24:41,600

life but only a transition to another

387

00:24:47,750 --> 00:24:44,400

level of being the infinite and immortal

388

00:24:51,269 --> 00:24:47,760

change of the atma the spirit for dust

389

00:24:54,630 --> 00:24:51,279

thou art and unto dust shalt thou return

390

00:24:57,269 --> 00:24:54,640

genesis 3 19

391

00:24:59,110 --> 00:24:57,279

in the centuries since jesus's ascension

392

00:25:01,350 --> 00:24:59,120

most have focused on his death instead

393

00:25:03,510 --> 00:25:01,360

of his life and his afterlife

394

00:25:05,190 --> 00:25:03,520

people still seek him on the cross but

395

00:25:07,430 --> 00:25:05,200

he is no longer there

396

00:25:10,230 --> 00:25:07,440

as long as people continue to be bound

397

00:25:13,510 --> 00:25:10,240

to that image they cannot begin to

398

00:25:15,909 --> 00:25:13,520

understand the crucifixion metaphor

399

00:25:18,950 --> 00:25:15,919

now if you want to be a true follower of

400

00:25:21,590 --> 00:25:18,960

christ you must take jesus down from

401  
00:25:22,630 --> 00:25:21,600  
that old rugged cross and move on with

402  
00:25:24,710 --> 00:25:22,640  
your life

403  
00:25:27,669 --> 00:25:24,720  
do you not understand that the lamb was

404  
00:25:30,870 --> 00:25:27,679  
sacrificed then for your liberation now

405  
00:25:33,190 --> 00:25:30,880  
let me ask you a question does the fact

406  
00:25:35,750 --> 00:25:33,200  
that most in his time doubted that he

407  
00:25:38,470 --> 00:25:35,760  
was the christ of one detract from the

408  
00:25:41,350 --> 00:25:38,480  
truth about the one called jesus there

409  
00:25:42,630 --> 00:25:41,360  
are many who already accept this 2000

410  
00:25:45,350 --> 00:25:42,640  
year old truth

411  
00:25:48,070 --> 00:25:45,360  
but know that the cycle of doubt versus

412  
00:25:50,149 --> 00:25:48,080  
truth is happening yet again

413  
00:25:52,630 --> 00:25:50,159

yes there are many who have inherited

414

00:25:54,870 --> 00:25:52,640

the heirloom of doubt from those who

415

00:25:57,510 --> 00:25:54,880

questioned jesus on the hill

416

00:25:59,830 --> 00:25:57,520

their misgivings echo now as they did

417

00:26:03,190 --> 00:25:59,840

then if you knew ages think you were

418

00:26:06,630 --> 00:26:03,200

messiahs with your i am god view then

419

00:26:09,029 --> 00:26:06,640

perform a miracle for us they say i ask

420

00:26:11,190 --> 00:26:09,039

you do you want to be one of those in

421

00:26:14,230 --> 00:26:11,200

jesus time regarded by future

422

00:26:17,430 --> 00:26:14,240

generations as one of history's doubters

423

00:26:19,750 --> 00:26:17,440

your answers matter not for no amount of

424

00:26:22,630 --> 00:26:19,760

doubt can take away the validity of the

425

00:26:24,630 --> 00:26:22,640

messiahship appearing now to enlighten

426  
00:26:25,510 --> 00:26:24,640  
you about your freedom

427  
00:26:37,430 --> 00:26:25,520  
power

428  
00:26:42,710 --> 00:26:40,230  
how cool was that

429  
00:26:44,310 --> 00:26:42,720  
it took us from what seems like a bad

430  
00:26:46,870 --> 00:26:44,320  
dream

431  
00:26:48,470 --> 00:26:46,880  
the past

432  
00:26:50,230 --> 00:26:48,480  
was a bad dream because we're creating

433  
00:26:52,390 --> 00:26:50,240  
all of it

434  
00:26:54,630 --> 00:26:52,400  
and we're all waking up to where

435  
00:26:57,669 --> 00:26:54,640  
the movie got to a somewhat central

436  
00:27:01,350 --> 00:26:59,510  
and the awakening begins to happen our

437  
00:27:03,350 --> 00:27:01,360  
eyes are opening from our last night's

438  
00:27:05,110 --> 00:27:03,360

sleep we're coming to the room for the

439

00:27:11,350 --> 00:27:05,120

day

440

00:27:15,430 --> 00:27:13,750

and all of a sudden the god men enter

441

00:27:17,909 --> 00:27:15,440

the world stage

442

00:27:21,029 --> 00:27:17,919

yeshua

443

00:27:23,430 --> 00:27:21,039

the liberator swamji the bringer of

444

00:27:25,750 --> 00:27:23,440

peace satya sai baba

445

00:27:27,430 --> 00:27:25,760

the highest incarnation of god to ever

446

00:27:30,230 --> 00:27:27,440

step foot on this planet

447

00:27:32,149 --> 00:27:30,240

it's the godhead it's who he was

448

00:27:36,149 --> 00:27:32,159

he's coming back

449

00:27:41,510 --> 00:27:37,830

eight years

450

00:27:45,669 --> 00:27:41,520

that's about now sometime soon

451  
00:27:50,310 --> 00:27:46,830

just be

452  
00:27:53,990 --> 00:27:50,320

aware something swanjee the bringer of

453  
00:27:55,750 --> 00:27:54,000

peace did say in the presentation

454  
00:27:57,909 --> 00:27:55,760

when i asked him the question when i was

455  
00:28:00,549 --> 00:27:57,919

interviewing him it was you interviewing

456  
00:28:04,950 --> 00:28:02,710

i asked him

457  
00:28:06,710 --> 00:28:04,960

is world peace going to happen

458  
00:28:09,029 --> 00:28:06,720

he said

459  
00:28:11,990 --> 00:28:09,039

absolutely

460  
00:28:14,230 --> 00:28:12,000

that just alleviated if you're such you

461  
00:28:16,149 --> 00:28:14,240

want to be able to hear this message

462  
00:28:18,950 --> 00:28:16,159

should alleviate your worry for the rest

463  
00:28:21,029 --> 00:28:18,960

of your physical mortal life

464

00:28:24,710 --> 00:28:21,039

about the condition of the world

465

00:28:28,470 --> 00:28:24,720

hence when i said last night

466

00:28:32,149 --> 00:28:28,480

and my presentation what is happening

467

00:28:36,310 --> 00:28:33,909

is this

468

00:28:37,669 --> 00:28:36,320

everyone's moving vertical not everyone

469

00:28:40,389 --> 00:28:37,679

many people are moving vertical they're

470

00:28:42,389 --> 00:28:40,399

getting into the current

471

00:28:44,310 --> 00:28:42,399

they're moving on toward the plane of

472

00:28:48,950 --> 00:28:44,320

ever ending

473

00:28:51,430 --> 00:28:48,960

while others are sitting on the plane of

474

00:28:55,269 --> 00:28:51,440

non change

475

00:29:01,269 --> 00:28:56,630

by choice

476

00:29:04,470 --> 00:29:02,470

swamiji

477

00:29:06,710 --> 00:29:04,480

did tell me in the last interview i'd

478

00:29:10,149 --> 00:29:06,720

done with him

479

00:29:12,230 --> 00:29:10,159

he said that world peace meetings

480

00:29:14,230 --> 00:29:12,240

in the future this is what he told me

481

00:29:16,950 --> 00:29:14,240

it's going to happen because he told me

482

00:29:19,029 --> 00:29:16,960

i know who he is he knows who he is as

483

00:29:21,190 --> 00:29:19,039

to why i'm able to know who he is and

484

00:29:23,750 --> 00:29:21,200

everyone who's ever experienced

485

00:29:27,590 --> 00:29:23,760

this ninth incarnation of god on this

486

00:29:29,830 --> 00:29:27,600

planet as swanji the first god realized

487

00:29:31,669 --> 00:29:29,840

soul to ever step foot on this planet

488

00:29:32,789 --> 00:29:31,679

thousands upon many thousands of years

489

00:29:34,310 --> 00:29:32,799

ago

490

00:29:36,630 --> 00:29:34,320

he's here again

491

00:29:38,630 --> 00:29:36,640

lord datta an aspect of the same

492

00:29:40,630 --> 00:29:38,640

divinity as jesus buddha krishna so

493

00:29:42,389 --> 00:29:40,640

forth and its own

494

00:29:45,990 --> 00:29:42,399

this is not about earth this is

495

00:29:48,549 --> 00:29:46,000

universal this is cosmic this is divine

496

00:29:51,350 --> 00:29:48,559

the chosen are those who choose to be

497

00:29:55,430 --> 00:29:53,190

they are called the chosen few because

498

00:29:57,990 --> 00:29:55,440

only few will answer the call janava

499

00:30:01,190 --> 00:29:58,000

steps in so begins to speak keith goes

500

00:30:05,190 --> 00:30:01,200

to the side he did not see this coming

501  
00:30:11,350 --> 00:30:07,350  
i'm going to use him

502  
00:30:16,789 --> 00:30:14,310  
soul steps forward

503  
00:30:19,590 --> 00:30:16,799  
roll call dear ones

504  
00:30:21,669 --> 00:30:19,600  
john doe are you here

505  
00:30:23,110 --> 00:30:21,679  
jill doe are you here

506  
00:30:25,510 --> 00:30:23,120  
yeah i just say

507  
00:30:28,630 --> 00:30:25,520  
here

508  
00:30:31,909 --> 00:30:29,750  
do we not

509  
00:30:34,070 --> 00:30:31,919  
when we are in school and dear ones you

510  
00:30:37,430 --> 00:30:34,080  
are in the school of earth

511  
00:30:39,430 --> 00:30:37,440  
and i'm calling you are you here and or

512  
00:30:44,710 --> 00:30:39,440  
present

513  
00:30:47,510 --> 00:30:44,720

in a nice little package with a

514

00:30:51,990 --> 00:30:47,520

beautiful little bow

515

00:30:52,000 --> 00:30:57,110

who are those fortunate meek

516

00:30:57,120 --> 00:31:00,389

it is all of you

517

00:31:00,399 --> 00:31:04,870

when you choose to stop being weak

518

00:31:09,909 --> 00:31:08,149

and it most comes out

519

00:31:14,789 --> 00:31:09,919

all wrong

520

00:31:19,430 --> 00:31:17,269

the meek are those who likely become

521

00:31:23,029 --> 00:31:19,440

silent

522

00:31:25,909 --> 00:31:23,039

because in that shh ness

523

00:31:27,909 --> 00:31:25,919

there's no room for violence

524

00:31:29,509 --> 00:31:27,919

and you know what i speak of

525

00:31:32,389 --> 00:31:29,519

because it comes from a space of heart

526  
00:31:34,710 --> 00:31:32,399  
and a space of love

527  
00:31:39,750 --> 00:31:34,720  
and the only way you will find yourself

528  
00:31:39,760 --> 00:31:42,630  
is to stop

529  
00:31:49,110 --> 00:31:47,110  
you may ask what is it that i am to stop

530  
00:31:53,110 --> 00:31:49,120  
do you really need soul to explain that

531  
00:31:57,830 --> 00:31:55,990  
are you not impregnated with the fire

532  
00:32:00,470 --> 00:31:57,840  
and the consciousness and the wisdom

533  
00:32:04,710 --> 00:32:00,480  
called your conscience that small voice

534  
00:32:10,549 --> 00:32:07,110  
you have that faculty

535  
00:32:12,070 --> 00:32:10,559  
you have that reasoning ability

536  
00:32:14,310 --> 00:32:12,080  
why are you not using it to its fullest

537  
00:32:16,230 --> 00:32:14,320  
capacity

538  
00:32:22,710 --> 00:32:16,240

simply it's no judgment just ask

539

00:32:29,430 --> 00:32:25,350

and it resides within you the answer

540

00:32:33,110 --> 00:32:29,440

just simply steps to the four

541

00:32:35,750 --> 00:32:33,120

see how easy that was it's not a chore

542

00:32:37,990 --> 00:32:35,760

it's simply a choice

543

00:32:39,750 --> 00:32:38,000

now when you choose the highest choice

544

00:32:42,149 --> 00:32:39,760

then you gain a voice as the vessel

545

00:32:44,470 --> 00:32:42,159

before you and as many of you and here

546

00:32:48,230 --> 00:32:44,480

are now understanding and integrating

547

00:32:53,750 --> 00:32:48,240

yourselves congratulate yourself

548

00:32:53,760 --> 00:32:57,990

in the movie

549

00:33:03,750 --> 00:33:01,509

soul is not going to say that you saw

550

00:33:05,909 --> 00:33:03,760

in the movie that you experienced on

551  
00:33:08,070 --> 00:33:05,919  
levels you cannot possibly even

552  
00:33:11,190 --> 00:33:08,080  
understand in this moment

553  
00:33:13,909 --> 00:33:11,200  
nonetheless you did take it all in

554  
00:33:15,990 --> 00:33:13,919  
take it all in with the eyes with the

555  
00:33:18,310 --> 00:33:16,000  
ears with the feeling base with the

556  
00:33:21,430 --> 00:33:18,320  
capacity and the fullness of who you are

557  
00:33:24,149 --> 00:33:21,440  
that great and amazing self

558  
00:33:25,830 --> 00:33:24,159  
that you call me

559  
00:33:29,430 --> 00:33:25,840  
the soul

560  
00:33:38,389 --> 00:33:31,590  
sounded egoistic didn't it

561  
00:33:43,029 --> 00:33:40,310  
doesn't spirit know

562  
00:33:44,789 --> 00:33:43,039  
exactly who it is

563  
00:33:45,990 --> 00:33:44,799

when you move around what you call your

564

00:33:49,669 --> 00:33:46,000

world

565

00:33:53,990 --> 00:33:51,909

ah suddenly your gloomy day gets

566

00:33:56,470 --> 00:33:54,000

brighter

567

00:33:59,350 --> 00:33:56,480

because you never longer require anyone

568

00:34:01,350 --> 00:33:59,360

else to make you feel lighter

569

00:34:06,070 --> 00:34:01,360

you take up that cause in earnest

570

00:34:08,550 --> 00:34:07,509

your

571

00:34:15,190 --> 00:34:08,560

self

572

00:34:15,200 --> 00:34:20,069

who is this me

573

00:34:20,079 --> 00:34:23,990

and that selfness

574

00:34:30,310 --> 00:34:26,710

the words that surround self there are

575

00:34:32,950 --> 00:34:30,320

many different variations or compounds

576  
00:34:36,310 --> 00:34:35,109  
self full

577  
00:34:38,790 --> 00:34:36,320  
self doubt

578  
00:34:40,389 --> 00:34:38,800  
self realization

579  
00:34:45,270 --> 00:34:40,399  
self love

580  
00:34:50,230 --> 00:34:47,589  
with all these different variations

581  
00:34:51,990 --> 00:34:50,240  
shouldn't have gone plural

582  
00:34:53,510 --> 00:34:52,000  
from self one

583  
00:34:55,270 --> 00:34:53,520  
after that it should have been called

584  
00:34:57,990 --> 00:34:55,280  
selves

585  
00:35:01,030 --> 00:34:58,000  
it's still the same self

586  
00:35:03,270 --> 00:35:01,040  
the myriad forms of the different of the

587  
00:35:05,349 --> 00:35:03,280  
same self that you choose differently as

588  
00:35:10,310 --> 00:35:05,359

you divide and shatter what you call the

589

00:35:16,390 --> 00:35:13,270

and the few ideas that you play with

590

00:35:17,670 --> 00:35:16,400

that follows self dash whatever word you

591

00:35:19,030 --> 00:35:17,680

insert

592

00:35:26,230 --> 00:35:19,040

and or

593

00:35:32,470 --> 00:35:30,150

out of all of those that you can name

594

00:35:35,109 --> 00:35:32,480

there are gazillions in fact infinite

595

00:35:39,670 --> 00:35:35,119

aspects of that same self

596

00:35:39,680 --> 00:35:44,310

see the way it all works is

597

00:35:53,430 --> 00:35:46,069

the jesus that you know that lived two

598

00:35:59,430 --> 00:35:56,870

you just hadn't experienced it yet

599

00:36:01,510 --> 00:35:59,440

your consciousness has not yet went into

600

00:36:03,349 --> 00:36:01,520

the body

601  
00:36:05,430 --> 00:36:03,359  
in the proximity of the one that you

602  
00:36:09,270 --> 00:36:05,440  
know is jesus and when you do you will

603  
00:36:15,270 --> 00:36:12,870  
everyone has their turn to be jesus

604  
00:36:19,030 --> 00:36:15,280  
everyone has their turn to be keith

605  
00:36:27,190 --> 00:36:22,710  
infinitely over and over and over and

606  
00:36:28,870 --> 00:36:27,200  
over and over and over and over and over

607  
00:36:31,990 --> 00:36:28,880  
and over

608  
00:36:36,630 --> 00:36:32,000  
the game is played

609  
00:36:36,640 --> 00:36:52,150  
did you make your bed this morning

610  
00:36:58,310 --> 00:36:56,150  
everyone has their turn to be everyone

611  
00:36:59,589 --> 00:36:58,320  
and until then

612  
00:37:01,990 --> 00:36:59,599  
nothing happens

613  
00:37:04,710 --> 00:37:02,000

in the form of your ultimate expansion

614

00:37:05,670 --> 00:37:04,720

into everything for how else can it come

615

00:37:07,589 --> 00:37:05,680

about

616

00:37:11,349 --> 00:37:07,599

how can you be the everything if you

617

00:37:16,230 --> 00:37:14,550

it takes a very long time

618

00:37:19,109 --> 00:37:16,240

that which you call time because you're

619

00:37:23,190 --> 00:37:19,119

the one living in space

620

00:37:24,870 --> 00:37:23,200

time is the overlord of infinity

621

00:37:29,270 --> 00:37:24,880

paradoxically

622

00:37:34,550 --> 00:37:32,150

time is the overlord

623

00:37:41,510 --> 00:37:34,560

in the observer

624

00:37:47,270 --> 00:37:43,349

and the more you fall within yourself

625

00:37:50,230 --> 00:37:47,280

deeply sincerely and passionately

626  
00:37:51,670 --> 00:37:50,240  
the conundrums will get greater and that

627  
00:37:55,109 --> 00:37:51,680  
which you can't even possibly understand

628  
00:38:00,150 --> 00:37:57,430  
unless you're in a deep meditation where

629  
00:38:02,710 --> 00:38:00,160  
you get glimpses and little inklings of

630  
00:38:06,710 --> 00:38:02,720  
ideas of oh my god i somewhat understood

631  
00:38:11,349 --> 00:38:08,230  
and the conundrums and the riddles will

632  
00:38:15,030 --> 00:38:11,359  
get greater as you expand

633  
00:38:19,190 --> 00:38:17,109  
because there's always the aha of the

634  
00:38:20,790 --> 00:38:19,200  
answer that surface via your intention

635  
00:38:22,230 --> 00:38:20,800  
to go in with

636  
00:38:24,470 --> 00:38:22,240  
and seek

637  
00:38:25,990 --> 00:38:24,480  
via your question

638  
00:38:27,589 --> 00:38:26,000

so you get a glimpse

639

00:38:29,829 --> 00:38:27,599

and the question is posed whether you

640

00:38:30,829 --> 00:38:29,839

know you posed that question or not

641

00:38:32,550 --> 00:38:30,839

but what was

642

00:38:37,109 --> 00:38:32,560

that

643

00:38:41,109 --> 00:38:37,119

and when the answer comes you will begin

644

00:38:43,750 --> 00:38:41,119

to dwell in that expanded experience

645

00:38:49,990 --> 00:38:43,760

and that expanded experience

646

00:38:52,870 --> 00:38:50,000

forever

647

00:39:02,230 --> 00:38:52,880

you mean there's more work to do

648

00:39:02,240 --> 00:39:05,829

never

649

00:39:09,829 --> 00:39:08,390

your only endeavor

650

00:39:10,870 --> 00:39:09,839

is to want

651  
00:39:13,910 --> 00:39:10,880  
deeper

652  
00:39:16,310 --> 00:39:13,920  
greater expanded degrees of bliss and

653  
00:39:19,270 --> 00:39:16,320  
when i use the word want

654  
00:39:21,430 --> 00:39:19,280  
i don't mean this as a haunt you with

655  
00:39:24,870 --> 00:39:21,440  
the negative affirmation implying that

656  
00:39:27,190 --> 00:39:24,880  
i'm lacking something as to why i want

657  
00:39:29,589 --> 00:39:27,200  
the lord is my shepherd i shall not want

658  
00:39:31,910 --> 00:39:29,599  
this is not what the word want means in

659  
00:39:33,750 --> 00:39:31,920  
this scenario

660  
00:39:36,310 --> 00:39:33,760  
i yearn

661  
00:39:39,030 --> 00:39:36,320  
i'm hungry i want this

662  
00:39:41,190 --> 00:39:39,040  
i deserve it it belongs to me and i

663  
00:39:43,270 --> 00:39:41,200

don't see it right now and i'm dropping

664

00:39:44,230 --> 00:39:43,280

myself into an intentional space of

665

00:39:45,829 --> 00:39:44,240

saying

666

00:39:48,790 --> 00:39:45,839

i am worthy

667

00:39:54,150 --> 00:39:51,190

that's it

668

00:39:57,109 --> 00:39:54,160

over and over and over

669

00:39:58,310 --> 00:39:57,119

over and under in and out around and all

670

00:40:01,349 --> 00:39:58,320

about

671

00:40:11,109 --> 00:40:05,190

now matter how much you are quiet

672

00:40:16,950 --> 00:40:13,270

you will have a smile on your face or

673

00:40:16,960 --> 00:40:23,750

the great divide is happening

674

00:40:23,760 --> 00:40:27,430

the energies are separating

675

00:40:31,670 --> 00:40:29,270

that is going to be your experience for

676

00:40:33,109 --> 00:40:31,680

quite a long time until you shift in a

677

00:40:36,069 --> 00:40:33,119

much larger way

678

00:40:40,470 --> 00:40:36,079

but for now it is purple purposeful for

679

00:40:46,309 --> 00:40:42,710

but never lose the vision that things

680

00:40:48,550 --> 00:40:46,319

are holy and perfect in their dividing

681

00:40:52,390 --> 00:40:48,560

it's just part of the dance loved one

682

00:40:55,589 --> 00:40:52,400

simply it's just part of the dance

683

00:40:59,270 --> 00:40:55,599

give yourself a chance

684

00:41:01,190 --> 00:40:59,280

to catch this 26 000 year old window

685

00:41:03,349 --> 00:41:01,200

that is open

686

00:41:05,109 --> 00:41:03,359

yanava

687

00:41:08,630 --> 00:41:05,119

because i am you

688

00:41:12,390 --> 00:41:08,640

you are me and together we

689

00:41:17,589 --> 00:41:14,870

that your consciousness

690

00:41:20,150 --> 00:41:17,599

may be released

691

00:41:23,910 --> 00:41:20,160

from your mind not from your body but

692

00:41:25,829 --> 00:41:23,920

from this the opinions of the mind

693

00:41:28,069 --> 00:41:25,839

and when you do dear one

694

00:41:29,750 --> 00:41:28,079

there you will find

695

00:41:33,430 --> 00:41:29,760

everything that you have been looking

696

00:41:33,440 --> 00:42:00,309

and it's nothing at all

697

00:42:03,750 --> 00:42:02,230

welcome back to center of light good to

698

00:42:04,550 --> 00:42:03,760

see you tonight we are speaking about

699

00:42:06,630 --> 00:42:04,560

some

700

00:42:08,309 --> 00:42:06,640

baby jesus

701  
00:42:10,870 --> 00:42:08,319  
dear lord

702  
00:42:12,470 --> 00:42:10,880  
i love being in the presence of yeshua i

703  
00:42:15,670 --> 00:42:12,480  
love talking about

704  
00:42:19,430 --> 00:42:15,680  
him it it it's an it

705  
00:42:23,829 --> 00:42:19,440  
yeshua is now the christ consciousness

706  
00:42:26,870 --> 00:42:25,829  
jesus is resurrected into christ

707  
00:42:29,190 --> 00:42:26,880  
consciousness and the christ

708  
00:42:30,710 --> 00:42:29,200  
consciousness is everywhere

709  
00:42:32,420 --> 00:42:30,720  
as i've said many times in my

710  
00:42:35,510 --> 00:42:32,430  
presentations

711  
00:42:38,069 --> 00:42:35,520  
[Music]

712  
00:42:39,430 --> 00:42:38,079  
so jesus has resurrected

713  
00:42:43,050 --> 00:42:39,440

i love it

714

00:42:43,060 --> 00:42:46,630

[Music]

715

00:42:53,510 --> 00:42:49,190

to where

716

00:42:55,990 --> 00:42:53,520

discussed

717

00:42:58,309 --> 00:42:56,000

honestly looked at

718

00:42:59,430 --> 00:42:58,319

christ consciousness but what is that

719

00:43:02,309 --> 00:42:59,440

where is it

720

00:43:06,230 --> 00:43:04,470

do we think that when we pass

721

00:43:06,950 --> 00:43:06,240

we're going to be there with jesus can

722

00:43:12,630 --> 00:43:06,960

be

723

00:43:16,470 --> 00:43:12,640

that in turn but let's speak about the

724

00:43:21,109 --> 00:43:19,670

so we resurrect through death

725

00:43:23,190 --> 00:43:21,119

our death

726

00:43:25,349 --> 00:43:23,200

ironically death is the greatest

727

00:43:26,870 --> 00:43:25,359

expression of life itself birthed back

728

00:43:28,870 --> 00:43:26,880

into the divine

729

00:43:30,710 --> 00:43:28,880

so jesus is there to greet us and we're

730

00:43:32,309 --> 00:43:30,720

sitting on a park bench

731

00:43:33,829 --> 00:43:32,319

and he's got his arm around you and he

732

00:43:35,829 --> 00:43:33,839

goes

733

00:43:37,030 --> 00:43:35,839

you did good in this life i'm proud of

734

00:43:40,309 --> 00:43:37,040

you

735

00:43:42,710 --> 00:43:40,319

and it's a nice breezy day there's some

736

00:43:45,829 --> 00:43:42,720

pigeons everywhere oh

737

00:43:47,510 --> 00:43:45,839

and lions are lying down laying lying

738

00:43:49,670 --> 00:43:47,520

lions are lying

739

00:43:52,230 --> 00:43:49,680

with the lambs and everybody's getting

740

00:43:53,109 --> 00:43:52,240

along and we do this for four hours or

741

00:43:55,030 --> 00:43:53,119

for

742

00:43:58,069 --> 00:43:55,040

however long

743

00:44:01,030 --> 00:43:59,349

now what

744

00:44:04,230 --> 00:44:01,040

what happens

745

00:44:06,870 --> 00:44:04,240

beyond this idea

746

00:44:10,150 --> 00:44:06,880

death dying grief loss

747

00:44:11,670 --> 00:44:10,160

passing over passover easter

748

00:44:13,349 --> 00:44:11,680

the resurrection

749

00:44:15,829 --> 00:44:13,359

passover

750

00:44:17,430 --> 00:44:15,839

we understand these simple beautiful

751  
00:44:19,349 --> 00:44:17,440  
teachings and principles

752  
00:44:22,069 --> 00:44:19,359  
of the teacher who is the divine

753  
00:44:24,710 --> 00:44:22,079  
principle itself

754  
00:44:27,829 --> 00:44:24,720  
seriously i am asking the most important

755  
00:44:29,349 --> 00:44:27,839  
powerful question for our next level to

756  
00:44:32,710 --> 00:44:29,359  
happen

757  
00:44:34,550 --> 00:44:32,720  
begin start ensue which is

758  
00:44:39,589 --> 00:44:34,560  
now what

759  
00:44:42,390 --> 00:44:39,599  
in every infinite moment

760  
00:44:45,109 --> 00:44:42,400  
the way the universe expands through all

761  
00:44:46,710 --> 00:44:45,119  
of this all of the in creation

762  
00:44:50,069 --> 00:44:46,720  
is

763  
00:44:51,270 --> 00:44:50,079

the sentient consciousness of asking now

764

00:44:55,109 --> 00:44:51,280

what

765

00:44:57,349 --> 00:44:55,119

i'm in the garden of eternal forever

766

00:44:59,190 --> 00:44:57,359

i know this is the human mind's way of

767

00:45:01,030 --> 00:44:59,200

understanding but even in the divine

768

00:45:02,630 --> 00:45:01,040

mind

769

00:45:07,349 --> 00:45:02,640

maybe a little more lighter and airy

770

00:45:09,030 --> 00:45:07,359

fairy but the question is always posed

771

00:45:10,790 --> 00:45:09,040

now what

772

00:45:12,470 --> 00:45:10,800

everything's beautiful

773

00:45:14,470 --> 00:45:12,480

everything is ecstasy everything is

774

00:45:16,790 --> 00:45:14,480

divine bliss

775

00:45:18,550 --> 00:45:16,800

can we get more beautiful

776  
00:45:21,030 --> 00:45:18,560  
more ecstatic

777  
00:45:22,790 --> 00:45:21,040  
and more blissful and through everything

778  
00:45:25,589 --> 00:45:22,800  
in the creation

779  
00:45:26,710 --> 00:45:25,599  
god begins to play divine leela sport

780  
00:45:29,829 --> 00:45:26,720  
plays a

781  
00:45:31,030 --> 00:45:29,839  
a game has been ensued

782  
00:45:33,589 --> 00:45:31,040  
chick dude

783  
00:45:37,109 --> 00:45:33,599  
we all say i want to go to a planetary

784  
00:45:39,430 --> 00:45:37,119  
system onto a planet and exist to play

785  
00:45:41,910 --> 00:45:39,440  
out this game i want to play too y'all

786  
00:45:44,069 --> 00:45:41,920  
don't leave me out

787  
00:45:46,309 --> 00:45:44,079  
can i go sure you can go

788  
00:45:47,430 --> 00:45:46,319

and we've been doing this forever we're

789

00:45:49,990 --> 00:45:47,440

going to

790

00:45:51,589 --> 00:45:50,000

harvest which we are now

791

00:45:54,550 --> 00:45:51,599

we're going to easter

792

00:45:56,710 --> 00:45:54,560

seeds eggs have been planted

793

00:45:59,510 --> 00:45:56,720

happy easter the easter bunny's there

794

00:46:02,230 --> 00:45:59,520

his little tail is popping and wagging

795

00:46:04,390 --> 00:46:02,240

and then as we take in these

796

00:46:06,870 --> 00:46:04,400

spiritual nuggets

797

00:46:10,390 --> 00:46:06,880

we begin to resurrect

798

00:46:13,670 --> 00:46:10,400

we begin to die unto ourself

799

00:46:14,470 --> 00:46:13,680

jesus that's beautiful

800

00:46:18,390 --> 00:46:14,480

but

801  
00:46:23,750 --> 00:46:18,400  
what we think is our self

802  
00:46:26,790 --> 00:46:25,670  
speed bumps

803  
00:46:29,349 --> 00:46:26,800  
walls

804  
00:46:31,829 --> 00:46:29,359  
obstacles we pass over we get in fact we

805  
00:46:34,390 --> 00:46:31,839  
get a pass a free pass uh what's the

806  
00:46:36,230 --> 00:46:34,400  
word i'm looking for um um

807  
00:46:38,550 --> 00:46:36,240  
um

808  
00:46:39,910 --> 00:46:38,560  
it'll come to me

809  
00:46:40,829 --> 00:46:39,920  
i'm gonna sit here for a second see if i

810  
00:46:43,190 --> 00:46:40,839  
can get

811  
00:46:46,950 --> 00:46:43,200  
it we'll become pardoned

812  
00:46:52,550 --> 00:46:50,150  
when we release the hardened

813  
00:46:53,829 --> 00:46:52,560

hardening hardness

814

00:46:56,230 --> 00:46:53,839

of our heart

815

00:46:58,069 --> 00:46:56,240

that's where we start that's the easter

816

00:46:59,589 --> 00:46:58,079

that's when we begin to resurrect and

817

00:47:01,030 --> 00:46:59,599

that's when we begin to pass over the

818

00:47:02,950 --> 00:47:01,040

nonsense

819

00:47:05,220 --> 00:47:02,960

you see so what do these all have in

820

00:47:09,190 --> 00:47:05,230

common

821

00:47:13,030 --> 00:47:10,630

it's all of us

822

00:47:14,309 --> 00:47:13,040

and here we are

823

00:47:15,750 --> 00:47:14,319

so let me look at my notes and i think

824

00:47:19,430 --> 00:47:15,760

we're going to go into the next segment

825

00:47:21,109 --> 00:47:19,440

which is about passover

826

00:47:22,630 --> 00:47:21,119

and the video you just seen i played

827

00:47:24,950 --> 00:47:22,640

just a bit ago

828

00:47:27,430 --> 00:47:24,960

with jesus and then me going into vessel

829

00:47:29,349 --> 00:47:27,440

but the jesus segment

830

00:47:31,270 --> 00:47:29,359

what was revealed was easter and

831

00:47:32,870 --> 00:47:31,280

resurrection

832

00:47:35,270 --> 00:47:32,880

from homecoming crossing the bridge to

833

00:47:36,549 --> 00:47:35,280

the soul as the voice over for that

834

00:47:39,030 --> 00:47:36,559

segment was

835

00:47:41,190 --> 00:47:39,040

when that day came jesus accepted his

836

00:47:43,190 --> 00:47:41,200

death freely thus

837

00:47:45,990 --> 00:47:43,200

showing those around him of such an

838

00:47:48,390 --> 00:47:46,000

event is not the end of life

839

00:47:49,750 --> 00:47:48,400

but only a transition to another level

840

00:47:51,910 --> 00:47:49,760

of being

841

00:47:54,230 --> 00:47:51,920

the infinite and the immortal change of

842

00:47:55,510 --> 00:47:54,240

the atma the spirit

843

00:47:58,309 --> 00:47:55,520

from for

844

00:48:00,710 --> 00:47:58,319

for dust thou art and unto dust thou

845

00:48:03,430 --> 00:48:00,720

shall return

846

00:48:05,270 --> 00:48:03,440

genesis 3 19.

847

00:48:06,549 --> 00:48:05,280

now we're moving into the segment or the

848

00:48:11,349 --> 00:48:06,559

video of the audio bite i'm going to

849

00:48:15,349 --> 00:48:12,150

but

850

00:48:17,750 --> 00:48:15,359

also from that video segment i played in

851  
00:48:19,270 --> 00:48:17,760  
the jesus segment the voice over from

852  
00:48:22,309 --> 00:48:19,280  
homecoming cross on the bridge to the

853  
00:48:24,710 --> 00:48:22,319  
soul and the centuries since jesus's

854  
00:48:27,829 --> 00:48:24,720  
ascension your ascension

855  
00:48:29,950 --> 00:48:27,839  
jesus ascension most have focused on his

856  
00:48:31,510 --> 00:48:29,960  
death instead of his life and his

857  
00:48:33,750 --> 00:48:31,520  
afterlife

858  
00:48:35,910 --> 00:48:33,760  
people still seek him on the cross but

859  
00:48:38,150 --> 00:48:35,920  
he is no longer there

860  
00:48:39,910 --> 00:48:38,160  
as long as people continue to be bound

861  
00:48:42,150 --> 00:48:39,920  
to that image they cannot begin to

862  
00:48:43,270 --> 00:48:42,160  
understand the crucifixion

863  
00:48:45,270 --> 00:48:43,280

metaphor

864

00:48:48,470 --> 00:48:45,280

this is your

865

00:48:49,910 --> 00:48:48,480

easter resurrection and passover it's

866

00:48:51,589 --> 00:48:49,920

your exodus

867

00:48:54,710 --> 00:48:51,599

out of hell

868

00:48:57,589 --> 00:48:54,720

and to a unified beautiful heavenly

869

00:48:59,820 --> 00:48:57,599

earth with all brethren and sister

870

00:49:01,349 --> 00:48:59,830

it's about unity

871

00:49:03,990 --> 00:49:01,359

[Music]

872

00:49:04,950 --> 00:49:04,000

if you want to be a true follower of

873

00:49:08,069 --> 00:49:04,960

christ

874

00:49:10,630 --> 00:49:08,079

you must take jesus down

875

00:49:13,270 --> 00:49:10,640

from that old rugged cross and move on

876

00:49:16,470 --> 00:49:13,280

with your life do you not understand

877

00:49:18,549 --> 00:49:16,480

that the lamb was sacrificed in for your

878

00:49:21,270 --> 00:49:18,559

liberation

879

00:49:23,270 --> 00:49:22,470

jesus

880

00:49:25,030 --> 00:49:23,280

did

881

00:49:25,829 --> 00:49:25,040

his work

882

00:49:29,270 --> 00:49:25,839

for

883

00:49:30,470 --> 00:49:29,280

the purpose of showing all of us how to

884

00:49:31,990 --> 00:49:30,480

do our

885

00:49:34,710 --> 00:49:32,000

own work

886

00:49:36,549 --> 00:49:34,720

so we can become the christ the

887

00:49:41,270 --> 00:49:36,559

christians

888

00:49:45,829 --> 00:49:44,270

in all the deities with them

889

00:49:47,270 --> 00:49:45,839

[Music]

890

00:49:48,710 --> 00:49:47,280

as it said in the opening of this

891

00:49:52,230 --> 00:49:48,720

presentation

892

00:49:53,430 --> 00:49:52,240

during my vesseling spirit and again

893

00:49:55,750 --> 00:49:53,440

i say

894

00:50:02,470 --> 00:49:55,760

it's our turn

895

00:50:07,430 --> 00:50:04,630

they have done their work through

896

00:50:09,910 --> 00:50:07,440

incarnation at the incarnation

897

00:50:11,990 --> 00:50:09,920

and they the spirit of god is turned

898

00:50:14,549 --> 00:50:12,000

within these beings who were so willing

899

00:50:18,230 --> 00:50:14,559

to dive into the fire and die unto

900

00:50:21,190 --> 00:50:18,240

themselves for them every moment

901  
00:50:23,829 --> 00:50:21,200  
one eternal expanded infinite moment was

902  
00:50:26,230 --> 00:50:23,839  
easter was them dying unto themselves so

903  
00:50:28,790 --> 00:50:26,240  
they can resurrect the phoenix could

904  
00:50:32,230 --> 00:50:28,800  
rise so the christ could be born so the

905  
00:50:34,950 --> 00:50:32,240  
buddha can become self-realized

906  
00:50:37,510 --> 00:50:34,960  
it's our turn

907  
00:50:40,470 --> 00:50:37,520  
it's not jesus

908  
00:50:41,589 --> 00:50:40,480  
it's about you me and we

909  
00:50:43,190 --> 00:50:41,599  
jesus

910  
00:50:46,630 --> 00:50:43,200  
had his

911  
00:50:52,069 --> 00:50:49,270  
jesus did his sacred dance

912  
00:50:54,870 --> 00:50:52,079  
two thousand plus years ago it's now

913  
00:50:57,270 --> 00:50:54,880

about our exodus

914

00:50:59,430 --> 00:50:57,280

out of bondage

915

00:51:01,910 --> 00:50:59,440

from the slave race

916

00:51:03,700 --> 00:51:01,920

he was trying to take over and invade

917

00:51:05,829 --> 00:51:03,710

this world

918

00:51:10,549 --> 00:51:05,839

[Music]

919

00:51:13,109 --> 00:51:10,559

i am moving out of myself into spanish

920

00:51:15,670 --> 00:51:13,119

still got a ways to go

921

00:51:17,540 --> 00:51:15,680

but it can happen in a holy instant

922

00:51:19,990 --> 00:51:17,550

what is the passover

923

00:51:25,270 --> 00:51:20,000

[Music]

924

00:51:28,710 --> 00:51:27,190

the lamb

925

00:51:30,630 --> 00:51:28,720

lamb's blood

926  
00:51:33,270 --> 00:51:30,640  
blood of christ

927  
00:51:37,910 --> 00:51:33,280  
all that in it includes

928  
00:51:40,150 --> 00:51:37,920  
and sacrifice sacrificial right which is

929  
00:51:41,349 --> 00:51:40,160  
whatever it takes

930  
00:51:44,390 --> 00:51:41,359  
are you

931  
00:51:48,549 --> 00:51:44,400  
a whatever it

932  
00:51:53,510 --> 00:51:50,230  
this is what it takes for all of us to

933  
00:51:56,309 --> 00:51:53,520  
truly meet our maker to sacrifice

934  
00:51:58,630 --> 00:51:56,319  
give up to die to the truth

935  
00:52:01,910 --> 00:51:58,640  
to get rid of the nonsense

936  
00:52:09,190 --> 00:52:04,950  
exodus out of egypt exodus out of hell

937  
00:52:12,069 --> 00:52:10,309  
passover

938  
00:52:14,230 --> 00:52:12,079

check them out

939

00:52:16,710 --> 00:52:14,240

worst christian ever and i want to talk

940

00:52:18,710 --> 00:52:16,720

a little bit about the passover which is

941

00:52:22,390 --> 00:52:18,720

a jewish religious festival that has

942

00:52:24,309 --> 00:52:22,400

existed for over 3 000 years

943

00:52:26,150 --> 00:52:24,319

let that sink in for a minute we have to

944

00:52:28,069 --> 00:52:26,160

understand that when mary and joseph and

945

00:52:29,670 --> 00:52:28,079

jesus were going to jerusalem when jesus

946

00:52:31,750 --> 00:52:29,680

was a little boy to celebrate the

947

00:52:33,750 --> 00:52:31,760

passover this was a tradition that had

948

00:52:35,510 --> 00:52:33,760

already been established for 12 or maybe

949

00:52:36,950 --> 00:52:35,520

1400

950

00:52:39,750 --> 00:52:36,960

years there were all kinds of

951  
00:52:41,430 --> 00:52:39,760  
expectations and rituals and rights and

952  
00:52:43,589 --> 00:52:41,440  
pomp and excitement that would have gone

953  
00:52:46,470 --> 00:52:43,599  
with this thing but it traces its roots

954  
00:52:48,790 --> 00:52:46,480  
back to the time when the israelites

955  
00:52:51,190 --> 00:52:48,800  
were slaves in egypt and if you remember

956  
00:52:52,950 --> 00:52:51,200  
the story back in exodus you got moises

957  
00:52:53,670 --> 00:52:52,960  
and god is working through moises to do

958  
00:52:56,630 --> 00:52:53,680  
these

959  
00:52:58,470 --> 00:52:56,640  
weird miraculous things to freak out the

960  
00:53:00,309 --> 00:52:58,480  
egyptian people and to convince pharaoh

961  
00:53:02,549 --> 00:53:00,319  
the leader of the egyptians to let the

962  
00:53:04,150 --> 00:53:02,559  
israelite people leave so all these

963  
00:53:05,910 --> 00:53:04,160

plagues have happened like hail and

964

00:53:07,990 --> 00:53:05,920

frogs raining from the sky and rivers

965

00:53:10,309 --> 00:53:08,000

turning to blood and just crazy stuff

966

00:53:12,150 --> 00:53:10,319

and now nine of those have happened and

967

00:53:13,589 --> 00:53:12,160

the pharaoh still is not going to let

968

00:53:15,670 --> 00:53:13,599

the israelites leave and so this

969

00:53:17,109 --> 00:53:15,680

horrible 10th plague occurs and this is

970

00:53:19,990 --> 00:53:17,119

the plague where a whole bunch of

971

00:53:21,670 --> 00:53:20,000

first-born sons throughout egypt died so

972

00:53:23,750 --> 00:53:21,680

god makes this deal with the israelites

973

00:53:25,829 --> 00:53:23,760

and i'm not god i don't get the deal but

974

00:53:27,349 --> 00:53:25,839

he says if you take a lamb and you kill

975

00:53:28,870 --> 00:53:27,359

it and you take its blood and you paint

976

00:53:30,150 --> 00:53:28,880

above the door of your house and on

977

00:53:31,990 --> 00:53:30,160

either side of the door of your house

978

00:53:34,549 --> 00:53:32,000

then when this horrible plague rolls

979

00:53:37,349 --> 00:53:34,559

through your firstborn won't be affected

980

00:53:38,710 --> 00:53:37,359

god will pass over the houses with the

981

00:53:40,470 --> 00:53:38,720

blood on the door and that's what

982

00:53:42,069 --> 00:53:40,480

happens so the jews are happy because

983

00:53:43,750 --> 00:53:42,079

their kids didn't die but they're also

984

00:53:46,549 --> 00:53:43,760

happy because this plague breaks

985

00:53:48,309 --> 00:53:46,559

pharaoh's spirit and he releases the

986

00:53:50,069 --> 00:53:48,319

israelites to their freedom so then

987

00:53:51,990 --> 00:53:50,079

you've got this thing that happens every

988

00:53:54,069 --> 00:53:52,000

year where the israelites commemorate

989

00:53:56,150 --> 00:53:54,079

what god did there by having this meal

990

00:53:57,990 --> 00:53:56,160

and so they have a lamb they celebrate

991

00:53:59,589 --> 00:53:58,000

with all these weird rituals and stuff

992

00:54:02,150 --> 00:53:59,599

and for the longest time they just do

993

00:54:04,230 --> 00:54:02,160

that in their houses but as judaism

994

00:54:05,829 --> 00:54:04,240

settles down and once there's a temple

995

00:54:08,069 --> 00:54:05,839

then the expectation becomes that you go

996

00:54:10,069 --> 00:54:08,079

and do this in jerusalem at the one and

997

00:54:12,069 --> 00:54:10,079

only jewish temple so passover has the

998

00:54:13,910 --> 00:54:12,079

effect of reminding all the jewish

999

00:54:15,750 --> 00:54:13,920

people of their covenant and unique

1000

00:54:17,750 --> 00:54:15,760

relationship with god of reminding

1001  
00:54:19,589 --> 00:54:17,760  
everyone of the miraculous cool stuff

1002  
00:54:22,230 --> 00:54:19,599  
that god has done for them in the past

1003  
00:54:24,150 --> 00:54:22,240  
and of keeping everyone tethered to the

1004  
00:54:25,829 --> 00:54:24,160  
temple and to jerusalem and to their

1005  
00:54:27,349 --> 00:54:25,839  
families passover is also a really big

1006  
00:54:29,910 --> 00:54:27,359  
deal in the new testament because just

1007  
00:54:31,910 --> 00:54:29,920  
narratively jesus first line in the

1008  
00:54:34,630 --> 00:54:31,920  
bible happens in luke 2 when he's in

1009  
00:54:36,789 --> 00:54:34,640  
jerusalem for passover then jesus last

1010  
00:54:39,109 --> 00:54:36,799  
stuff on earth or at least before the

1011  
00:54:40,870 --> 00:54:39,119  
crucifixion also happens during passover

1012  
00:54:43,109 --> 00:54:40,880  
week but the stuff behind the passover

1013  
00:54:45,670 --> 00:54:43,119

is also a big deal theologically in the

1014

00:54:47,910 --> 00:54:45,680

new testament because jesus fulfills the

1015

00:54:49,349 --> 00:54:47,920

role of that passover lamb remember you

1016

00:54:53,270 --> 00:54:49,359

got that blood that people put on the

1017

00:54:55,190 --> 00:54:53,280

door so they take the blood of the lamb

1018

00:54:57,190 --> 00:54:55,200

and they put it up on top of the door

1019

00:54:58,950 --> 00:54:57,200

because of gravity that blood is going

1020

00:55:01,109 --> 00:54:58,960

to drip down bottom of the door and they

1021

00:55:02,789 --> 00:55:01,119

put it on either side of the door and so

1022

00:55:04,950 --> 00:55:02,799

you got this blood of the lamb that's in

1023

00:55:07,670 --> 00:55:04,960

the shape of a cross on doors and as a

1024

00:55:09,430 --> 00:55:07,680

result it causes god's judgment to pass

1025

00:55:10,950 --> 00:55:09,440

over people on whom otherwise his

1026

00:55:12,230 --> 00:55:10,960

judgment would rest are picking up what

1027

00:55:13,430 --> 00:55:12,240

they're laying down here with this bible

1028

00:55:15,190 --> 00:55:13,440

thing because it's pretty thick and i

1029

00:55:16,710 --> 00:55:15,200

think it's pretty intentional in fact

1030

00:55:18,470 --> 00:55:16,720

john the baptist when he first meets

1031

00:55:20,390 --> 00:55:18,480

jesus says look there's the lamb of god

1032

00:55:22,870 --> 00:55:20,400

who takes away the sins of the world and

1033

00:55:25,750 --> 00:55:22,880

at one point paul even says that christ

1034

00:55:28,069 --> 00:55:25,760

is our passover so long story short the

1035

00:55:30,789 --> 00:55:28,079

passover to jewish people is a

1036

00:55:32,789 --> 00:55:30,799

celebration of the covenant god has made

1037

00:55:34,870 --> 00:55:32,799

with them as god's chosen people and for

1038

00:55:37,430 --> 00:55:34,880

christians the passover is a big deal

1039

00:55:40,230 --> 00:55:37,440

because it paints a picture of jesus as

1040

00:55:42,309 --> 00:55:40,240

the sacrificial passover lamb sacrificed

1041

00:55:44,470 --> 00:55:42,319

for the sins of all humankind so that

1042

00:56:52,950 --> 00:55:44,480

instead of god's judgment coming down on

1043

00:56:55,750 --> 00:56:54,309

welcome back to center of light good to

1044

00:56:59,270 --> 00:56:55,760

see you tonight essentia of light

1045

00:57:01,190 --> 00:56:59,280

harvest it is time it is the season it

1046

00:57:03,510 --> 00:57:01,200

is the reason

1047

00:57:06,230 --> 00:57:03,520

for this season we've been speaking

1048

00:57:10,069 --> 00:57:06,240

about baby jesus tonight y'all

1049

00:57:11,589 --> 00:57:10,079

as the teacher the way

1050

00:57:13,750 --> 00:57:11,599

whatever is beautiful to you is the

1051  
00:57:14,420 --> 00:57:13,760  
teacher it is the pillar of light it is

1052  
00:57:16,549 --> 00:57:14,430  
the way

1053  
00:57:20,230 --> 00:57:16,559  
[Music]

1054  
00:57:22,470 --> 00:57:20,240  
i noticed this wasn't a setup i noticed

1055  
00:57:25,990 --> 00:57:22,480  
and then the gentleman who just shared

1056  
00:57:26,000 --> 00:57:30,549  
for christians as well as the jewish

1057  
00:57:34,630 --> 00:57:32,069  
he talked about

1058  
00:57:36,870 --> 00:57:34,640  
the exodus

1059  
00:57:38,789 --> 00:57:36,880  
god's wonky weird ways of working

1060  
00:57:41,750 --> 00:57:38,799  
through

1061  
00:57:43,430 --> 00:57:41,760  
moses the avatar moshe

1062  
00:57:46,710 --> 00:57:43,440  
at the time

1063  
00:57:49,990 --> 00:57:46,720

to form all these supernatural

1064

00:57:55,589 --> 00:57:51,990

but in that time there were seven i

1065

00:58:00,470 --> 00:57:58,470

do plagues happen during time of

1066

00:58:02,710 --> 00:58:00,480

planetary cleansing

1067

00:58:06,069 --> 00:58:02,720

racial cleansing world human human

1068

00:58:09,750 --> 00:58:06,079

cleansing i'm asking you a question

1069

00:58:12,230 --> 00:58:09,760

in the egyptian time rule control

1070

00:58:14,230 --> 00:58:12,240

present-day rule control

1071

00:58:15,670 --> 00:58:14,240

plagues

1072

00:58:18,309 --> 00:58:15,680

plague

1073

00:58:20,470 --> 00:58:18,319

[Music]

1074

00:58:22,700 --> 00:58:20,480

one two on the crown this one that one

1075

00:58:24,390 --> 00:58:22,710

delta all that plagues

1076

00:58:26,950 --> 00:58:24,400

[Music]

1077

00:58:29,230 --> 00:58:26,960

do plagues happen during the time of

1078

00:58:32,309 --> 00:58:29,240

planetary cleansing huh

1079

00:58:33,829 --> 00:58:32,319

[Music]

1080

00:58:36,230 --> 00:58:33,839

are we not here and yet this is

1081

00:58:37,990 --> 00:58:36,240

happening again

1082

00:58:42,230 --> 00:58:38,000

does this mean

1083

00:58:46,789 --> 00:58:44,470

not to desecrate or trivialize the loss

1084

00:58:48,470 --> 00:58:46,799

of any loved one

1085

00:58:51,190 --> 00:58:48,480

definitely not

1086

00:58:52,630 --> 00:58:51,200

does this mean that those who died

1087

00:58:54,870 --> 00:58:52,640

are removed

1088

00:58:56,870 --> 00:58:54,880

because of karma

1089

00:58:58,549 --> 00:58:56,880

sounds brutal but it's not

1090

00:59:00,309 --> 00:58:58,559

it's the truth

1091

00:59:03,109 --> 00:59:00,319

everyone is removed every day all the

1092

00:59:06,069 --> 00:59:03,119

time forever because of karma why in

1093

00:59:10,549 --> 00:59:06,079

this bunch in this batch

1094

00:59:14,470 --> 00:59:11,990

they're removed

1095

00:59:16,870 --> 00:59:14,480

we're removed from equations and

1096

00:59:20,710 --> 00:59:16,880

situations

1097

00:59:23,030 --> 00:59:20,720

i know it sounds like blasphemy

1098

00:59:25,910 --> 00:59:23,040

but forever

1099

00:59:26,960 --> 00:59:25,920

until one chooses they will wrestle

1100

00:59:28,789 --> 00:59:26,970

with this conundrum

1101

00:59:30,630 --> 00:59:28,799

[Music]

1102

00:59:32,309 --> 00:59:30,640

they might not actively wrestle with

1103

00:59:33,589 --> 00:59:32,319

this conundrum like i'm going into

1104

00:59:36,390 --> 00:59:33,599

meditation and i don't know what to do

1105

00:59:38,710 --> 00:59:36,400

with this idea that keith or whoever

1106

00:59:41,270 --> 00:59:38,720

posed to me

1107

00:59:42,549 --> 00:59:41,280

doesn't necessarily have to be that way

1108

00:59:44,630 --> 00:59:42,559

on some level

1109

00:59:47,349 --> 00:59:44,640

you are asking questions

1110

00:59:51,270 --> 00:59:47,359

because you demand deserve

1111

00:59:53,510 --> 00:59:51,280

want turn burn churn yearn for answers

1112

00:59:56,230 --> 00:59:53,520

there is no answer

1113

00:59:58,230 --> 00:59:56,240

that's the point that's the cancer there

1114

01:00:09,750 --> 00:59:58,240

is no answer

1115

01:00:16,309 --> 01:00:11,670

so what question

1116

01:00:16,319 --> 01:00:19,829

stop supposing

1117

01:00:19,839 --> 01:00:25,270

moses opposes his toeses of roses

1118

01:00:25,280 --> 01:00:32,710

it gets wonky in that

1119

01:00:32,720 --> 01:00:36,630

what are you looking for

1120

01:00:40,829 --> 01:00:38,069

i have things

1121

01:00:43,349 --> 01:00:40,839

i like things i love

1122

01:00:44,470 --> 01:00:43,359

things beyond things what are you

1123

01:00:48,870 --> 01:00:44,480

looking for

1124

01:00:51,349 --> 01:00:48,880

every being in the universe who is not

1125

01:00:52,950 --> 01:00:51,359

fully illumined is looking for self

1126

01:00:54,710 --> 01:00:52,960

fulfillment

1127

01:00:56,630 --> 01:00:54,720

those beings who are

1128

01:00:59,530 --> 01:00:56,640

self self-fulfilled or not looking for

1129

01:01:01,349 --> 01:00:59,540

anything because there's nothing to find

1130

01:01:03,349 --> 01:01:01,359

[Music]

1131

01:01:04,950 --> 01:01:03,359

and no matter where you look all you

1132

01:01:08,710 --> 01:01:04,960

will find

1133

01:01:11,750 --> 01:01:08,720

is your mind if you look for anything at

1134

01:01:14,710 --> 01:01:13,510

everything is within you

1135

01:01:16,150 --> 01:01:14,720

resurrect

1136

01:01:19,030 --> 01:01:16,160

it's easter

1137

01:01:21,510 --> 01:01:19,040

pass over the nonsense

1138

01:01:25,510 --> 01:01:21,520

that we all have been

1139

01:01:28,630 --> 01:01:25,520

indoctrinated bought into

1140

01:01:30,549 --> 01:01:28,640

stop buying anything it's free

1141

01:01:32,789 --> 01:01:30,559

it's free will

1142

01:01:33,380 --> 01:01:32,799

choose

1143

01:01:34,549 --> 01:01:33,390

still

1144

01:01:36,150 --> 01:01:34,559

[Music]

1145

01:01:39,030 --> 01:01:36,160

make yourself happy

1146

01:01:41,750 --> 01:01:39,040

for no reason

1147

01:01:43,270 --> 01:01:41,760

there is no path to happiness

1148

01:01:44,549 --> 01:01:43,280

happiness is the path

1149

01:01:46,150 --> 01:01:44,559

[Music]

1150

01:01:47,990 --> 01:01:46,160

harvest

1151

01:01:49,829 --> 01:01:48,000

take what's yours

1152

01:01:53,589 --> 01:01:49,839

give what's theirs

1153

01:01:54,710 --> 01:01:53,599

it's easter share care resurrect rise up

1154

01:01:56,549 --> 01:01:54,720

stand up

1155

01:01:58,710 --> 01:01:56,559

wake up open up

1156

01:02:00,870 --> 01:01:58,720

pass over

1157

01:02:04,069 --> 01:02:00,880

your past

1158

01:02:07,270 --> 01:02:04,079

cross over cross over children

1159

01:02:11,270 --> 01:02:07,280

1160

01:02:14,870 --> 01:02:13,510

get out of your poltergeist nature your

1161

01:02:16,549 --> 01:02:14,880

demons

1162

01:02:18,829 --> 01:02:16,559

stop fighting

1163

01:02:22,470 --> 01:02:18,839

and when you find yourself

1164

01:02:25,270 --> 01:02:22,480

fighting give yourself a massage

1165

01:02:27,750 --> 01:02:25,280

and forgive yourself

1166

01:02:30,789 --> 01:02:27,760

in the mirage the illusion

1167

01:02:33,270 --> 01:02:30,799

the contusion the bruising

1168

01:02:35,109 --> 01:02:33,280

the abrasion

1169

01:02:36,390 --> 01:02:35,119

rise to the occasion it is your

1170

01:02:42,470 --> 01:02:36,400

resurrection
