1
00:03:56,149 --> 00:03:54,470
welcome to center of light foundation

2
00:03:59,350 --> 00:03:56,159
my name is keith anthony blanchard

3
00:04:07,030 --> 00:04:02,789
tonight is center of light plight

4
00:04:11,030 --> 00:04:08,390
birthday

5
00:04:15,990 --> 00:04:13,110
if you are such a one who thinks the

6
00:04:19,110 --> 00:04:16,000
earth is not in peril

7
00:04:20,870 --> 00:04:19,120
you are either ignorant

8
00:04:23,990 --> 00:04:20,880
in denial

9
00:04:28,070 --> 00:04:24,000
or simply don't care

10
00:04:30,230 --> 00:04:28,080
climate change is real exclamation point

11
00:04:32,629 --> 00:04:30,240
i understand the agenda behind those

12
00:04:34,629 --> 00:04:32,639
using climate change

13
00:04:36,230 --> 00:04:34,639

the false narratives to manipulate us

14

00:04:39,189 --> 00:04:36,240

that we see through as to why we don't

15

00:04:42,710 --> 00:04:39,199

buy into the model of climate change i

16

00:04:48,469 --> 00:04:45,749

if we're going to unfold

17

00:04:51,110 --> 00:04:48,479

the birth of the golden earth

18

00:04:54,469 --> 00:04:51,120

ooh that sounded so delicious

19

00:04:56,230 --> 00:04:54,479

it has to be clean and green does it not

20

00:04:58,710 --> 00:04:56,240

the new earth for the meek god's

21

00:04:59,990 --> 00:04:58,720

children

22

00:05:01,909 --> 00:05:00,000

does the earth

23

00:05:03,350 --> 00:05:01,919

need to be clean

24

00:05:06,390 --> 00:05:03,360

god's coming over we need to clean the

25

00:05:11,830 --> 00:05:08,710

we must become conscious beings

26

00:05:13,670 --> 00:05:11,840

conscious jesus was conscious so if

27

00:05:15,830 --> 00:05:13,680

we're going to follow the master

28

00:05:18,390 --> 00:05:15,840

likewise we have to become conscious but

29

00:05:20,870 --> 00:05:18,400

i tell you

30

00:05:23,189 --> 00:05:20,880

there is a real issue

31

00:05:26,550 --> 00:05:23,199

it's time to get to work

32

00:05:34,390 --> 00:05:29,749

we must rise

33

00:05:34,400 --> 00:05:49,110

and unite

34

00:05:49,120 --> 00:05:54,950

[Music]

35

00:07:07,189 --> 00:06:46,309

oh

36

00:07:07,199 --> 00:07:32,710

two

37

00:07:32,720 --> 00:07:37,430

hello sexy beautiful human beings

38

00:07:37,440 --> 00:07:44,470

always a blessing to be with you

39

00:07:44,480 --> 00:07:50,390

[Music]

40

00:07:57,270 --> 00:07:52,230

we'll be talking about some of that

41

00:08:00,350 --> 00:07:58,869

you are living

42

00:08:03,029 --> 00:08:00,360

in the most

43

00:08:05,350 --> 00:08:03,039

amazing time

44

00:08:05,780 --> 00:08:05,360

of not recording human history you are

45

00:08:09,189 --> 00:08:05,790

that

46

00:08:10,950 --> 00:08:09,199

[Music]

47

00:08:15,270 --> 00:08:10,960

wow check out that

48

00:08:20,869 --> 00:08:17,430

actually let's just disarm it it's not

49

00:08:24,629 --> 00:08:20,879

necessary right now

50

00:08:26,390 --> 00:08:24,639

we are alive in the most amazing time

51
00:08:31,350 --> 00:08:26,400
in universal

52
00:08:34,949 --> 00:08:32,790
we are the cast

53
00:08:38,829 --> 00:08:34,959
the creed the code

54
00:08:40,389 --> 00:08:38,839
the set the religion we are the religion

55
00:08:41,750 --> 00:08:40,399
you

56
00:08:45,990 --> 00:08:41,760
are the teacher

57
00:08:48,870 --> 00:08:47,269
you

58
00:08:50,790 --> 00:08:48,880
are the it

59
00:08:53,829 --> 00:08:50,800
you are the rock star of the universe

60
00:08:55,509 --> 00:08:53,839
everybody wants your autograph

61
00:08:58,790 --> 00:08:55,519
turn up

62
00:08:59,930 --> 00:08:58,800
the radio

63
00:09:01,509 --> 00:08:59,940

they want to be you

64

00:09:02,550 --> 00:09:01,519

[Music]

65

00:09:04,070 --> 00:09:02,560

today

66

00:09:05,670 --> 00:09:04,080

we're going to listen to mother earth's

67

00:09:08,870 --> 00:09:05,680

plight

68

00:09:12,389 --> 00:09:08,880

on this beautiful sacred night of earth

69

00:09:16,630 --> 00:09:14,389

i got some powerful rock stars that's

70

00:09:18,310 --> 00:09:16,640

going to show up in a little while

71

00:09:21,269 --> 00:09:18,320

they're all near and dear to my heart

72

00:09:24,470 --> 00:09:21,279

but one is ever nearer and ever dearer

73

00:09:26,550 --> 00:09:24,480

and he helps me to become so much more

74

00:09:29,430 --> 00:09:26,560

clearer

75

00:09:32,230 --> 00:09:29,440

as i look in the divine mirror at my

76

00:09:38,230 --> 00:09:34,230

earth day

77

00:09:39,829 --> 00:09:38,240

without our mother one you can't be born

78

00:09:42,070 --> 00:09:39,839

not only can you not move through the

79

00:09:45,509 --> 00:09:42,080

vaginal passageway of your biological

80

00:09:48,470 --> 00:09:45,519

mother we cannot move through the cosmic

81

00:09:51,030 --> 00:09:48,480

vaginal passageway of the divine to be

82

00:09:52,710 --> 00:09:51,040

birthed here divinely

83

00:09:54,630 --> 00:09:52,720

hoping to go back consciously

84

00:09:57,430 --> 00:09:54,640

[Music]

85

00:09:58,870 --> 00:09:57,440

births intention and death's intention

86

00:10:02,680 --> 00:09:58,880

are the same

87

00:10:06,150 --> 00:10:02,690

is to unify us with eternity

88

00:10:10,630 --> 00:10:07,990

i have a big presentation

89

00:10:15,430 --> 00:10:12,949

i think i'm going to do as i planned i

90

00:10:17,670 --> 00:10:15,440

want to say thank you everyone dr katie

91

00:10:20,310 --> 00:10:17,680

camara

92

00:10:23,910 --> 00:10:20,320

things are happening for dr katie camaro

93

00:10:28,069 --> 00:10:23,920

and i at such an astonishing rate

94

00:10:28,949 --> 00:10:28,079

i'm flabbergasted hillerina hello kkk

95

00:10:29,990 --> 00:10:28,959

dr

96

00:10:32,389 --> 00:10:30,000

kk

97

00:10:34,710 --> 00:10:32,399

excuse me

98

00:10:36,470 --> 00:10:34,720

things are happening at a phenomenal

99

00:10:38,230 --> 00:10:36,480

rate

100

00:10:39,910 --> 00:10:38,240

people are standing up

101
00:10:41,590 --> 00:10:39,920
they're rising

102
00:10:43,030 --> 00:10:41,600
they're awakening

103
00:10:44,870 --> 00:10:43,040
they're uniting

104
00:10:47,190 --> 00:10:44,880
who are those people

105
00:10:48,870 --> 00:10:47,200
it's us

106
00:10:50,790 --> 00:10:48,880
i've been told

107
00:10:51,910 --> 00:10:50,800
many years ago when i wrote the divine

108
00:10:54,310 --> 00:10:51,920
principle

109
00:10:56,470 --> 00:10:54,320
that eight year story that it's told all

110
00:10:58,949 --> 00:10:56,480
of my life so we're not going to tell it

111
00:11:02,870 --> 00:11:00,550
the path is going to smooth out in the

112
00:11:04,310 --> 00:11:02,880
late in the early

113
00:11:08,710 --> 00:11:04,320

2000s

114

00:11:10,790 --> 00:11:08,720

it's happening you are standing up

115

00:11:13,590 --> 00:11:10,800

you're rising to the occasion

116

00:11:14,850 --> 00:11:13,600

and you're blessing everyone

117

00:11:17,269 --> 00:11:14,860

thank you you know who you are

118

00:11:19,590 --> 00:11:17,279

[Music]

119

00:11:21,269 --> 00:11:19,600

let's get into the file

120

00:11:25,670 --> 00:11:21,279

let me see what i have in my notes i am

121

00:11:25,680 --> 00:11:29,590

celebrate

122

00:11:32,790 --> 00:11:30,949

i want to share something that's very

123

00:11:35,190 --> 00:11:32,800

sacred to me

124

00:11:37,190 --> 00:11:35,200

it could be a picture of my child

125

00:11:39,269 --> 00:11:37,200

it could be because i love peanut butter

126
00:11:41,750 --> 00:11:39,279
butter and jelly sandwiches

127
00:11:43,509 --> 00:11:41,760
it doesn't matter what it is

128
00:11:47,670 --> 00:11:43,519
but what it is

129
00:11:54,310 --> 00:11:49,509
upon meaning

130
00:11:58,550 --> 00:11:56,710
god i am saying it correctly

131
00:12:00,790 --> 00:11:58,560
intentionally

132
00:12:03,750 --> 00:12:00,800
purposefully on earth today

133
00:12:05,030 --> 00:12:03,760
the full illumined soul of the christ

134
00:12:06,949 --> 00:12:05,040
consciousness

135
00:12:10,310 --> 00:12:06,959
yes jesus is in there

136
00:12:12,389 --> 00:12:10,320
absolutely is how can he not be

137
00:12:16,069 --> 00:12:12,399
but we have to understand jesus was a

138
00:12:19,590 --> 00:12:16,079

man who became the christ the all

139

00:12:21,829 --> 00:12:19,600

so christ is not pigeon held to jesus

140

00:12:26,150 --> 00:12:21,839

jesus aspired

141

00:12:27,430 --> 00:12:26,160

oh my dear lord he wanted the interview

142

00:12:30,550 --> 00:12:27,440

and he got it

143

00:12:33,750 --> 00:12:30,560

and he says follow me i am the life the

144

00:12:37,670 --> 00:12:33,760

way the light the path

145

00:12:41,590 --> 00:12:40,069

but what i want to share with you

146

00:12:43,990 --> 00:12:41,600

is

147

00:12:46,630 --> 00:12:44,000

someone

148

00:12:49,030 --> 00:12:46,640

many years ago

149

00:12:50,389 --> 00:12:49,040

[Music]

150

00:12:51,900 --> 00:12:50,399

i'm looking for the right picture and

151
00:12:56,470 --> 00:12:51,910
everything is so small

152
00:12:59,990 --> 00:12:58,710
when i had the blessed

153
00:13:02,629 --> 00:13:00,000
graceful

154
00:13:03,590 --> 00:13:02,639
powerful opportunity to

155
00:13:08,389 --> 00:13:03,600
be

156
00:13:13,030 --> 00:13:11,030
notice as you look i say this all the

157
00:13:16,470 --> 00:13:13,040
time it is important for the newbies but

158
00:13:19,750 --> 00:13:16,480
even so for me the obis

159
00:13:22,389 --> 00:13:19,760
the light phenomena that is always on

160
00:13:24,790 --> 00:13:22,399
swamiji it's always there well keith is

161
00:13:28,389 --> 00:13:24,800
just sitting in the sunlight at close to

162
00:13:30,310 --> 00:13:28,399
dusk it's always there it's this is this

163
00:13:32,710 --> 00:13:30,320

is not

164

00:13:35,509 --> 00:13:32,720

it's everything that is miraculous this

165

00:13:37,110 --> 00:13:35,519

is all divine laid out

166

00:13:39,910 --> 00:13:37,120

so he's speaking to me and i'm giving

167

00:13:42,629 --> 00:13:39,920

him my not my ear it looks like my ear

168

00:13:47,350 --> 00:13:42,639

but i'm giving him my total

169

00:13:51,430 --> 00:13:49,910

i played

170

00:13:52,550 --> 00:13:51,440

a video that i'm going to play a little

171

00:13:53,990 --> 00:13:52,560

bit

172

00:13:55,670 --> 00:13:54,000

a few times

173

00:13:56,949 --> 00:13:55,680

but today when i heard it to find the

174

00:13:59,350 --> 00:13:56,959

right

175

00:14:01,509 --> 00:13:59,360

segment to insert into this presentation

176
00:14:06,470 --> 00:14:01,519
about earth day

177
00:14:10,890 --> 00:14:07,990
swamji

178
00:14:12,629 --> 00:14:10,900
made wrote created this song

179
00:14:16,230 --> 00:14:12,639
[Music]

180
00:14:19,269 --> 00:14:16,240
he looks like mooses

181
00:14:21,430 --> 00:14:19,279
as it should be commands attention

182
00:14:24,949 --> 00:14:21,440
but he's singing telliga maybe even

183
00:14:24,959 --> 00:14:29,269
his praises to mother earth

184
00:14:35,250 --> 00:14:32,230
center of light plight tonight

185
00:14:50,670 --> 00:14:35,260
happy earth day

186
00:15:05,110 --> 00:14:58,900
[Music]

187
00:15:05,120 --> 00:16:12,670
yes

188
00:17:30,710 --> 00:16:23,810

[Music]

189

00:17:36,950 --> 00:17:31,950

me

190

00:17:36,960 --> 00:17:57,909

um

191

00:18:01,110 --> 00:17:59,350

welcome back to center of light tonight

192

00:18:02,710 --> 00:18:01,120

essential of light plight

193

00:18:04,310 --> 00:18:02,720

our mother

194

00:18:09,029 --> 00:18:04,320

is in agony

195

00:18:13,430 --> 00:18:11,510

but she's on her knees not asking that

196

00:18:14,470 --> 00:18:13,440

to be so

197

00:18:16,470 --> 00:18:14,480

so

198

00:18:18,549 --> 00:18:16,480

what do we do

199

00:18:20,310 --> 00:18:18,559

you put your mother

200

00:18:21,909 --> 00:18:20,320

before everything else because that's

201
00:18:24,470 --> 00:18:21,919
what she is she is before everything

202
00:18:26,470 --> 00:18:24,480
else it's your mom it's your mommy it's

203
00:18:28,230 --> 00:18:26,480
your mother

204
00:18:32,630 --> 00:18:28,240
it's all those things that we lean into

205
00:18:34,950 --> 00:18:32,640
mother for it's nurturing it's caring

206
00:18:37,750 --> 00:18:34,960
it's sharing

207
00:18:39,990 --> 00:18:37,760
listen i remember being a young boy

208
00:18:42,470 --> 00:18:40,000
young boy

209
00:18:44,230 --> 00:18:42,480
small enough to wear my grandmother my

210
00:18:45,909 --> 00:18:44,240
father's mother

211
00:18:49,190 --> 00:18:45,919
could hold me in what they call in south

212
00:18:52,549 --> 00:18:49,200
louisiana goods they call it good goods

213
00:18:54,230 --> 00:18:52,559

brass boobs she can hold me in her bosom

214

00:18:57,669 --> 00:18:54,240

right there and cradle me

215

00:19:00,549 --> 00:18:57,679

oh my god there is no other place

216

00:19:02,710 --> 00:19:00,559

more satisfying more fulfilling

217

00:19:05,190 --> 00:19:02,720

though we want to leave the nest

218

00:19:07,430 --> 00:19:05,200

but we always go back to grandma

219

00:19:10,330 --> 00:19:07,440

and her bosom and nurse on her divine

220

00:19:13,510 --> 00:19:10,340

teat and all of her wisdom do we not

221

00:19:16,789 --> 00:19:15,190

big presentation so now we're going to

222

00:19:18,630 --> 00:19:16,799

move into the rock stars for tonight

223

00:19:19,590 --> 00:19:18,640

tonight is center of light plight earth

224

00:19:27,430 --> 00:19:19,600

day

225

00:19:29,990 --> 00:19:27,440

none of this exists

226

00:19:32,390 --> 00:19:30,000

climate change is real

227

00:19:34,150 --> 00:19:32,400

forget the agenda that the elites are

228

00:19:36,230 --> 00:19:34,160

pushing as to why they're scaring you

229

00:19:38,710 --> 00:19:36,240

away from believing in climate change

230

00:19:39,990 --> 00:19:38,720

you see they're smart evil is very

231

00:19:44,470 --> 00:19:40,000

intelligent

232

00:19:47,510 --> 00:19:45,750

so the one thing is going to give you a

233

00:19:50,230 --> 00:19:47,520

whole bunch of horse

234

00:19:51,990 --> 00:19:50,240

so you go i see your and trying to

235

00:19:52,870 --> 00:19:52,000

turn you your eye and your face away

236

00:19:55,110 --> 00:19:52,880

from it

237

00:19:57,190 --> 00:19:55,120

to only to overlook

238

00:19:59,430 --> 00:19:57,200

the truth of the situation

239

00:20:02,549 --> 00:19:59,440

mother earth is in trouble

240

00:20:04,390 --> 00:20:02,559

but she chooses not to shake us off

241

00:20:06,950 --> 00:20:04,400

in fact she will die

242

00:20:09,990 --> 00:20:06,960

for us

243

00:20:12,230 --> 00:20:10,000

sounds like a christ to that does it not

244

00:20:13,590 --> 00:20:12,240

because it is it's all divine it's all

245

00:20:16,710 --> 00:20:13,600

connected

246

00:20:18,149 --> 00:20:16,720

sad guru and nova noah trevor

247

00:20:22,549 --> 00:20:18,159

trevor noah

248

00:20:24,870 --> 00:20:22,559

about saving

249

00:20:26,549 --> 00:20:24,880

soil

250

00:20:27,830 --> 00:20:26,559

did you know

251
00:20:30,549 --> 00:20:27,840
that

252
00:20:33,110 --> 00:20:30,559
in the 1920s if you picked a an orange

253
00:20:35,909 --> 00:20:33,120
or a fruit off of a tree or whatever out

254
00:20:39,270 --> 00:20:37,350
that today

255
00:20:40,789 --> 00:20:39,280
the nutrients

256
00:20:43,510 --> 00:20:40,799
are so deficient

257
00:20:46,230 --> 00:20:43,520
you would have to eat eight oranges

258
00:20:48,470 --> 00:20:46,240
to get the nourishment

259
00:20:49,909 --> 00:20:48,480
of a single orange back all those years

260
00:20:52,630 --> 00:20:49,919
ago

261
00:20:55,029 --> 00:20:52,640
this is how serious it is

262
00:20:56,870 --> 00:20:55,039
but not only for us

263
00:20:59,190 --> 00:20:56,880

because i know you would die

264

00:21:00,230 --> 00:20:59,200

slash more so important

265

00:21:02,070 --> 00:21:00,240

live

266

00:21:03,350 --> 00:21:02,080

for your children well i would die for

267

00:21:04,789 --> 00:21:03,360

my children well i get that that's

268

00:21:07,430 --> 00:21:04,799

beautiful

269

00:21:10,310 --> 00:21:07,440

but is it more important to live

270

00:21:13,029 --> 00:21:10,320

for our children so we can see the we

271

00:21:15,270 --> 00:21:13,039

can become the ratio as ourselves as we

272

00:21:16,630 --> 00:21:15,280

models model ourselves and

273

00:21:19,750 --> 00:21:16,640

swamiji

274

00:21:20,710 --> 00:21:19,760

sadhguru buddha krishna

275

00:21:23,830 --> 00:21:20,720

christ

276

00:21:25,350 --> 00:21:23,840

which is the overlord the oversoul of

277

00:21:27,110 --> 00:21:25,360

everything that is anything at all and

278

00:21:28,710 --> 00:21:27,120

will ever be it's called christ

279

00:21:32,650 --> 00:21:28,720

consciousness

280

00:21:32,660 --> 00:21:41,270

[Music]

281

00:21:45,350 --> 00:21:43,669

you see now this is weird for me because

282

00:21:46,630 --> 00:21:45,360

we tried to start this interview and

283

00:21:48,630 --> 00:21:46,640

then we had a technical issue and now

284

00:21:50,710 --> 00:21:48,640

we're starting the interview again and

285

00:21:53,029 --> 00:21:50,720

now i'm like am i being as authentic as

286

00:21:55,510 --> 00:21:53,039

i could be with you as a guru or is this

287

00:21:57,750 --> 00:21:55,520

in and of itself inauthentic

288

00:21:59,750 --> 00:21:57,760

to you know just be yourself there's

289

00:22:01,590 --> 00:21:59,760

nothing called authentic nobody knows

290

00:22:03,190 --> 00:22:01,600

what's that authentic

291

00:22:04,789 --> 00:22:03,200

because uh human beings are a

292

00:22:06,470 --> 00:22:04,799

consequence of

293

00:22:08,149 --> 00:22:06,480

a thousand things they've picked up all

294

00:22:10,390 --> 00:22:08,159

over

295

00:22:12,149 --> 00:22:10,400

man that's deep impressions right we're

296

00:22:13,830 --> 00:22:12,159

gonna have a good time i can tell we're

297

00:22:14,549 --> 00:22:13,840

gonna have a really good time by the way

298

00:22:17,669 --> 00:22:14,559

i

299

00:22:19,510 --> 00:22:17,679

a lot

300

00:22:21,350 --> 00:22:19,520

unhappier than i woke up yesterday

301
00:22:22,710 --> 00:22:21,360
because i had to do all the research for

302
00:22:25,110 --> 00:22:22,720
our interview

303
00:22:27,430 --> 00:22:25,120
and i i knew that this war in russia i

304
00:22:29,270 --> 00:22:27,440
knew that there is um you know that we

305
00:22:31,510 --> 00:22:29,280
we're facing a climate crisis and then

306
00:22:34,070 --> 00:22:31,520
now thanks to you i know that we also

307
00:22:36,070 --> 00:22:34,080
are facing a soil crisis where some

308
00:22:38,789 --> 00:22:36,080
people are estimating that if we do

309
00:22:40,470 --> 00:22:38,799
nothing in 50 years time we may not be

310
00:22:42,789 --> 00:22:40,480
able to grow anything because we may run

311
00:22:44,230 --> 00:22:42,799
out of soil which forgive my ignorance i

312
00:22:46,549 --> 00:22:44,240
did not know that soil is even something

313
00:22:47,990 --> 00:22:46,559

that we could run out of

314

00:22:49,909 --> 00:22:48,000

the thing is

315

00:22:52,230 --> 00:22:49,919

this has happened in the last 50 to 100

316

00:22:54,230 --> 00:22:52,240

years of industrialized farming

317

00:22:55,350 --> 00:22:54,240

that the organic content in the soil is

318

00:22:57,350 --> 00:22:55,360

going away because there's no

319

00:23:00,390 --> 00:22:57,360

replenishment

320

00:23:03,110 --> 00:23:00,400

to replenish the soil we either need

321

00:23:04,950 --> 00:23:03,120

you know leaves and vegetative matter or

322

00:23:06,710 --> 00:23:04,960

animal waste both of them have

323

00:23:08,549 --> 00:23:06,720

disappeared from the farms we thought we

324

00:23:11,029 --> 00:23:08,559

could do everything with the machines

325

00:23:12,870 --> 00:23:11,039

machines can plow machines can do the

326

00:23:15,669 --> 00:23:12,880

work that animals and human beings were

327

00:23:18,149 --> 00:23:15,679

doing but organic content cannot come

328

00:23:20,390 --> 00:23:18,159

from the machine it has to come from

329

00:23:23,110 --> 00:23:20,400

vegetative or animal waste

330

00:23:25,029 --> 00:23:23,120

and that is not there because of that

331

00:23:27,430 --> 00:23:25,039

one must understand if you add organic

332

00:23:29,830 --> 00:23:27,440

content to sand it becomes soil if you

333

00:23:31,510 --> 00:23:29,840

take away organic content from soil it

334

00:23:33,270 --> 00:23:31,520

becomes sand so right now

335

00:23:36,470 --> 00:23:33,280

desertification is one of the most

336

00:23:38,630 --> 00:23:36,480

serious problems as you said 50 years or

337

00:23:40,710 --> 00:23:38,640

60 years time after that there's not

338

00:23:44,549 --> 00:23:40,720

enough soil to grow crops

339

00:23:47,750 --> 00:23:44,559

but the more important thing is by 2035

340

00:23:49,909 --> 00:23:47,760

to 2040 they're expecting that we will

341

00:23:52,149 --> 00:23:49,919

grow 40 less food than what we are

342

00:23:54,230 --> 00:23:52,159

growing right now and our populations

343

00:23:56,070 --> 00:23:54,240

will be over 9 billion that's not a

344

00:23:57,350 --> 00:23:56,080

world you want to live in that's not a

345

00:24:00,070 --> 00:23:57,360

world where you want to leave your

346

00:24:02,950 --> 00:24:00,080

children so we need to act now why it's

347

00:24:05,750 --> 00:24:02,960

very important to act now and institute

348

00:24:08,950 --> 00:24:05,760

or enshrine this in our policy is

349

00:24:12,470 --> 00:24:08,960

on an average according to unfavor

350

00:24:15,190 --> 00:24:12,480

on an average 27 000 species of microbes

351
00:24:17,590 --> 00:24:15,200
are going extinct per year

352
00:24:20,230 --> 00:24:17,600
and is that because of how we farm or is

353
00:24:21,830 --> 00:24:20,240
that a natural consequence of existence

354
00:24:24,710 --> 00:24:21,840
because there is no organic content for

355
00:24:26,470 --> 00:24:24,720
the microbes see i see as as you know

356
00:24:28,149 --> 00:24:26,480
today that you cannot even digest the

357
00:24:30,950 --> 00:24:28,159
food that you eat if there are no gut

358
00:24:32,789 --> 00:24:30,960
microbiome yes similarly in the soil it

359
00:24:35,269 --> 00:24:32,799
is the same reflection in a much more

360
00:24:37,669 --> 00:24:35,279
complex way without the microbial

361
00:24:39,110 --> 00:24:37,679
activity in the soil the plants are not

362
00:24:40,950 --> 00:24:39,120
able to get the necessary nourishment

363
00:24:42,789 --> 00:24:40,960

from the soil so we are throwing

364

00:24:45,669 --> 00:24:42,799

chemicals and boosting them up but

365

00:24:47,750 --> 00:24:45,679

without needed nourishment on an average

366

00:24:50,789 --> 00:24:47,760

the drop in nourishment in united states

367

00:24:54,149 --> 00:24:50,799

from early 20th century to now is

368

00:24:56,870 --> 00:24:54,159

approximately 90 percent only 10 is left

369

00:24:58,630 --> 00:24:56,880

if you ate one orange in 1920 you need

370

00:25:01,350 --> 00:24:58,640

to eat eight oranges today to get the

371

00:25:04,149 --> 00:25:01,360

same stuff so that's simply impractical

372

00:25:06,950 --> 00:25:04,159

so we're moving to a place where food

373

00:25:09,750 --> 00:25:06,960

production is sliding down gradually

374

00:25:12,549 --> 00:25:09,760

so this sliding down will affect fevo

375

00:25:15,510 --> 00:25:12,559

predicts that by 2035 there could be

376

00:25:17,590 --> 00:25:15,520

dozens of civil wars across the world

377

00:25:18,950 --> 00:25:17,600

and that is not necessarily in african

378

00:25:21,350 --> 00:25:18,960

countries or

379

00:25:23,990 --> 00:25:21,360

south america it could be anywhere

380

00:25:26,549 --> 00:25:24,000

fao i mean the world food program talks

381

00:25:31,110 --> 00:25:26,559

about famines around chicago illinois

382

00:25:32,789 --> 00:25:31,120

area by 2035. this is terrifying

383

00:25:35,669 --> 00:25:32,799

you know it's

384

00:25:37,830 --> 00:25:35,679

i was talking to a friend about how

385

00:25:39,350 --> 00:25:37,840

before the pandemic

386

00:25:41,190 --> 00:25:39,360

i think there was a certain hubris that

387

00:25:43,269 --> 00:25:41,200

human had humans had about everything we

388

00:25:45,029 --> 00:25:43,279

just believed it would always go on you

389

00:25:46,870 --> 00:25:45,039

hear these doomsday prophecies or you

390

00:25:48,310 --> 00:25:46,880

hear these even warnings about the world

391

00:25:50,549 --> 00:25:48,320

ending at some point of humans not being

392

00:25:53,990 --> 00:25:50,559

able to inhabit the planet but until the

393

00:25:56,310 --> 00:25:54,000

pandemic i feel like we didn't have a um

394

00:25:57,350 --> 00:25:56,320

a tangible example of the world stopping

395

00:25:58,789 --> 00:25:57,360

you know people would even say how do

396

00:26:00,470 --> 00:25:58,799

you stop the world how can you stop

397

00:26:02,230 --> 00:26:00,480

travel how can you stop countries out

398

00:26:03,510 --> 00:26:02,240

and now we've seen it yeah and now

399

00:26:05,269 --> 00:26:03,520

you're telling us

400

00:26:07,990 --> 00:26:05,279

no this is not a doomsday prediction

401
00:26:10,310 --> 00:26:08,000
okay this is a wake-up call because we

402
00:26:12,870 --> 00:26:10,320
are at a cusp of time that if we do the

403
00:26:14,789 --> 00:26:12,880
right things right now in another 15 to

404
00:26:16,630 --> 00:26:14,799
20 years we can make a significant

405
00:26:18,390 --> 00:26:16,640
turnaround so what are the right things

406
00:26:20,950 --> 00:26:18,400
to do we've been pushing this for the

407
00:26:23,110 --> 00:26:20,960
last two years we have these programs

408
00:26:25,750 --> 00:26:23,120
going for over 25 years in southern

409
00:26:28,789 --> 00:26:25,760
india where we have brought in 10

410
00:26:31,510 --> 00:26:28,799
percent of the farmers lands under uh

411
00:26:33,830 --> 00:26:31,520
tree cultivation and animals

412
00:26:36,390 --> 00:26:33,840
so that this 10 percent produces enough

413
00:26:38,950 --> 00:26:36,400

organic content for the remaining 90

414

00:26:41,269 --> 00:26:38,960

so once the organic content is about

415

00:26:43,510 --> 00:26:41,279

three to six percent minimum is three to

416

00:26:45,269 --> 00:26:43,520

six percent if you raise the organic

417

00:26:46,310 --> 00:26:45,279

content to eight to ten percent in the

418

00:26:48,310 --> 00:26:46,320

soil

419

00:26:50,390 --> 00:26:48,320

your irrigation requirements will come

420

00:26:52,470 --> 00:26:50,400

down to thirty percent of what it is

421

00:26:55,190 --> 00:26:52,480

because the water holding capacity

422

00:26:57,350 --> 00:26:55,200

of organically rich soil is such if you

423

00:26:59,430 --> 00:26:57,360

raise it to 12 to 15 percent your

424

00:27:01,990 --> 00:26:59,440

irrigation requirement would come down

425

00:27:04,310 --> 00:27:02,000

to 10 to 15 percent that is instead of

426

00:27:06,549 --> 00:27:04,320

100 liters of water you would use 15

427

00:27:08,470 --> 00:27:06,559

liters of water for the same crop that's

428

00:27:10,630 --> 00:27:08,480

what needs to happen and this is the

429

00:27:13,590 --> 00:27:10,640

same story everywhere when it comes to

430

00:27:15,190 --> 00:27:13,600

ecology when it comes to soil yeah our

431

00:27:18,070 --> 00:27:15,200

national barriers

432

00:27:20,389 --> 00:27:18,080

racial discriminations our religions our

433

00:27:23,190 --> 00:27:20,399

cause our creeds our gender stuff

434

00:27:25,190 --> 00:27:23,200

our uh you know political ideology is

435

00:27:27,750 --> 00:27:25,200

nothing matters this is a unifying

436

00:27:28,950 --> 00:27:27,760

factor if we as a generation of people

437

00:27:30,950 --> 00:27:28,960

act now

438

00:27:33,029 --> 00:27:30,960

to change the necessary policy changes

439

00:27:35,750 --> 00:27:33,039

which is not some rocket science this is

440

00:27:37,909 --> 00:27:35,760

something always farmers in the past

441

00:27:40,310 --> 00:27:37,919

knew yeah but we forgot in the last 50

442

00:27:42,630 --> 00:27:40,320

years are you are you getting any

443

00:27:44,470 --> 00:27:42,640

signs that governments are

444

00:27:46,549 --> 00:27:44,480

enthusiastic to try and do something

445

00:27:48,870 --> 00:27:46,559

about this see in the last two years

446

00:27:51,430 --> 00:27:48,880

i've been talking to various

447

00:27:54,950 --> 00:27:51,440

country heads various politicians

448

00:27:57,110 --> 00:27:54,960

political parties we have written to 730

449

00:27:59,350 --> 00:27:57,120

political parties on the planet to make

450

00:28:01,269 --> 00:27:59,360

sure that they include soil and ecology

451
00:28:03,510 --> 00:28:01,279
as a part of their election manifestos

452
00:28:05,110 --> 00:28:03,520
as their political philosophy whatever

453
00:28:07,350 --> 00:28:05,120
they believe in right left center

454
00:28:09,430 --> 00:28:07,360
whatever they are soil is one thing

455
00:28:11,590 --> 00:28:09,440
which is a common factor for all of us

456
00:28:13,909 --> 00:28:11,600
we're always looking at what divides us

457
00:28:15,990 --> 00:28:13,919
it's time if you don't understand the

458
00:28:17,909 --> 00:28:16,000
consciousness of this cosmos and stuff

459
00:28:20,149 --> 00:28:17,919
like that at least you understand you

460
00:28:22,310 --> 00:28:20,159
come from the soil you live off the soil

461
00:28:24,389 --> 00:28:22,320
when you die you go back to the soil

462
00:28:25,669 --> 00:28:24,399
that much you get it what i see is in

463
00:28:27,909 --> 00:28:25,679

the last two years that i've been

464

00:28:29,669 --> 00:28:27,919

talking to people everybody knows there

465

00:28:32,149 --> 00:28:29,679

is a serious problem yeah everybody

466

00:28:33,909 --> 00:28:32,159

knows what is the solution also but i

467

00:28:36,630 --> 00:28:33,919

think it looks like they were all

468

00:28:37,830 --> 00:28:36,640

waiting for an idiot to build a cat so

469

00:28:41,510 --> 00:28:37,840

here i am

470

00:28:45,590 --> 00:28:41,520

i'm 65 and i'm riding 30 000 kilometers

471

00:28:46,870 --> 00:28:45,600

must be as idiot isn't it

472

00:28:49,110 --> 00:28:46,880

i could talk to you forever and i guess

473

00:28:51,590 --> 00:28:49,120

that's why people you know come to your

474

00:28:53,350 --> 00:28:51,600

your events and your you know uh it's

475

00:28:56,310 --> 00:28:53,360

the gatherings they read your books they

476
00:28:59,669 --> 00:28:56,320
they want to see what you're gonna do um

477
00:29:01,510 --> 00:28:59,679
on a journey of soil it it it feels like

478
00:29:03,510 --> 00:29:01,520
it is yet another thing that we add to

479
00:29:05,430 --> 00:29:03,520
our list that that governments need to

480
00:29:06,870 --> 00:29:05,440
do that people need to do that you know

481
00:29:08,389 --> 00:29:06,880
if we don't do this it's over if we

482
00:29:10,470 --> 00:29:08,399
don't do that it's over there's not one

483
00:29:12,789 --> 00:29:10,480
more thing trevor no no i'm saying it

484
00:29:14,950 --> 00:29:12,799
feels like the i'm i have enough on my

485
00:29:17,029 --> 00:29:14,960
hands i don't have to take this up i've

486
00:29:19,029 --> 00:29:17,039
taken this up because as a generation of

487
00:29:21,110 --> 00:29:19,039
people if we don't do this now we will

488
00:29:23,590 --> 00:29:21,120

regret this seriously if you don't

489

00:29:25,350 --> 00:29:23,600

enshrine it in the policy now it will

490

00:29:27,110 --> 00:29:25,360

get too late if you leave it for another

491

00:29:29,269 --> 00:29:27,120

20 30 years time

492

00:29:31,269 --> 00:29:29,279

this needs to happen now so we want

493

00:29:33,110 --> 00:29:31,279

everybody to talk about soil for 100

494

00:29:35,029 --> 00:29:33,120

days in their own terms if they don't

495

00:29:37,190 --> 00:29:35,039

know anything we will provide a massive

496

00:29:38,950 --> 00:29:37,200

amount of information on our website

497

00:29:40,789 --> 00:29:38,960

they can pick it up and use it as their

498

00:29:42,549 --> 00:29:40,799

own or they can research themselves

499

00:29:44,710 --> 00:29:42,559

whichever way they want if they don't

500

00:29:47,110 --> 00:29:44,720

know anything else to say just a safe

501
00:29:49,350 --> 00:29:47,120
soil let's make it happen every day

502
00:29:51,110 --> 00:29:49,360
if you if you send a message to somebody

503
00:29:53,590 --> 00:29:51,120
close it with safe soil if you call

504
00:29:55,029 --> 00:29:53,600
somebody say safe soil safe soil it was

505
00:29:56,789 --> 00:29:55,039
great chatting to you

506
00:29:57,990 --> 00:29:56,799
safe soil my friend thank you very much

507
00:29:59,430 --> 00:29:58,000
for being here thank you it's really

508
00:30:01,990 --> 00:29:59,440
been wonderful having you

509
00:30:03,909 --> 00:30:02,000
for more information on satguru's save

510
00:30:20,470 --> 00:30:03,919
soil movement all you got to do is visit

511
00:30:23,669 --> 00:30:22,070
welcome back to center of light tonight

512
00:30:26,789 --> 00:30:23,679
we're talking about

513
00:30:30,870 --> 00:30:26,799

saving your mama your mother mother

514

00:30:33,510 --> 00:30:32,310

you heard trevor

515

00:30:36,789 --> 00:30:33,520

noah

516

00:30:37,990 --> 00:30:36,799

asked of sadhguru

517

00:30:40,149 --> 00:30:38,000

about or

518

00:30:41,269 --> 00:30:40,159

officials heads of state getting

519

00:30:42,950 --> 00:30:41,279

involved

520

00:30:50,789 --> 00:30:42,960

well swansea is going to answer that who

521

00:30:56,230 --> 00:30:53,669

it's everything that knows everything

522

00:30:58,310 --> 00:30:56,240

that is all powerful

523

00:31:00,149 --> 00:30:58,320

that

524

00:31:02,149 --> 00:31:00,159

is everywhere

525

00:31:04,950 --> 00:31:02,159

embodied

526

00:31:06,950 --> 00:31:04,960

and i'm going to share that with you

527

00:31:08,389 --> 00:31:06,960

remember i don't say this for me i say

528

00:31:10,149 --> 00:31:08,399

that for those

529

00:31:12,070 --> 00:31:10,159

who may be open

530

00:31:13,830 --> 00:31:12,080

to these ideas

531

00:31:15,909 --> 00:31:13,840

but somehow it seems like i might

532

00:31:19,190 --> 00:31:15,919

exclude their favorite

533

00:31:22,549 --> 00:31:19,200

most precious deity it's always

534

00:31:25,590 --> 00:31:22,559

inclusive everything is one god is

535

00:31:27,110 --> 00:31:25,600

all and all is one one is all and all is

536

00:31:29,110 --> 00:31:27,120

one

537

00:31:30,710 --> 00:31:29,120

so it's the same beautiful story told

538

00:31:32,630 --> 00:31:30,720

differently

539

00:31:34,630 --> 00:31:32,640

the same

540

00:31:38,710 --> 00:31:34,640

but differently

541

00:31:42,149 --> 00:31:38,720

my time with swamiji fish yogi 333

542

00:31:43,909 --> 00:31:42,159

the swamiji viswa yogi maharaja

543

00:31:46,149 --> 00:31:43,919

his ninth

544

00:31:48,789 --> 00:31:46,159

incarnation on the planet he was the

545

00:31:51,110 --> 00:31:48,799

first god realized soul

546

00:31:53,190 --> 00:31:51,120

to step foot on the earth

547

00:31:56,310 --> 00:31:53,200

thousands of years ago

548

00:31:58,230 --> 00:31:56,320

along came krishna buddha jesus your

549

00:32:00,230 --> 00:31:58,240

grandmother everything that is important

550

00:32:01,990 --> 00:32:00,240

to you that reflects everything that is

551
00:32:04,310 --> 00:32:02,000
beautiful to you

552
00:32:05,430 --> 00:32:04,320
tonight is center of like plight

553
00:32:07,509 --> 00:32:05,440
earth day

554
00:32:11,990 --> 00:32:07,519
our mother is in trouble

555
00:32:17,750 --> 00:32:16,070
my time with swansea a few years ago

556
00:32:20,389 --> 00:32:17,760
i played like i said earlier i played

557
00:32:22,630 --> 00:32:20,399
this video segment

558
00:32:25,190 --> 00:32:22,640
even at length

559
00:32:27,350 --> 00:32:25,200
a few times throughout the past

560
00:32:29,509 --> 00:32:27,360
i know all the inflections i know what

561
00:32:31,990 --> 00:32:29,519
i'm going to say to anjana my translator

562
00:32:34,070 --> 00:32:32,000
my beautiful sister

563
00:32:36,310 --> 00:32:34,080

god swamji's

564

00:32:39,110 --> 00:32:36,320

associate secretary

565

00:32:41,590 --> 00:32:39,120

whatever you want to call it

566

00:32:44,389 --> 00:32:41,600

but i heard something different

567

00:32:46,149 --> 00:32:44,399

and if you've seen this video that i'm

568

00:32:47,350 --> 00:32:46,159

about to play

569

00:32:49,509 --> 00:32:47,360

it's still going to be new to you

570

00:32:53,830 --> 00:32:49,519

because i've seen it all the time

571

00:32:55,350 --> 00:32:53,840

but what i'm asking you to try to do

572

00:32:57,029 --> 00:32:55,360

is simply fall

573

00:33:00,070 --> 00:32:57,039

there will be some words that might be a

574

00:33:02,310 --> 00:33:00,080

little tough to understand one of one of

575

00:33:03,970 --> 00:33:02,320

them will be well it won't be tough now

576
00:33:05,509 --> 00:33:03,980
when he says religion

577
00:33:07,509 --> 00:33:05,519
[Music]

578
00:33:09,509 --> 00:33:07,519
his voice is very sharp religion he

579
00:33:10,950 --> 00:33:09,519
means religion

580
00:33:14,470 --> 00:33:10,960
jesus christ

581
00:33:18,600 --> 00:33:14,480
heads of state

582
00:33:18,610 --> 00:33:23,509
[Music]

583
00:33:25,190 --> 00:33:23,840
listen

584
00:33:27,990 --> 00:33:25,200
[Music]

585
00:33:31,430 --> 00:33:29,669
listen

586
00:33:33,509 --> 00:33:31,440
in the here now

587
00:33:35,909 --> 00:33:33,519
it will move you

588
00:33:38,789 --> 00:33:35,919

this is with connectivity

589

00:33:41,430 --> 00:33:38,799
on a divine level absolutely

590

00:33:42,549 --> 00:33:41,440
unequivocally without a doubt

591

00:33:46,549 --> 00:33:42,559
looks like

592

00:33:50,789 --> 00:33:48,870
and behaves

593

00:33:54,310 --> 00:33:50,799
we're going to be for 20 minutes

594

00:33:55,830 --> 00:33:54,320
fall in you deserve

595

00:33:58,549 --> 00:33:55,840
just listening

596

00:34:00,789 --> 00:33:58,559
to swamiji seeing him

597

00:34:03,029 --> 00:34:00,799
changes your experience beyond levels

598

00:34:05,029 --> 00:34:03,039
you can't imagine

599

00:34:08,790 --> 00:34:05,039
here's my proof

600

00:34:09,740 --> 00:34:08,800
if he is divine as i believe no

601
00:34:11,109 --> 00:34:09,750
as i'm

602
00:34:12,869 --> 00:34:11,119
[Music]

603
00:34:15,750 --> 00:34:12,879
sharing with you that he is what it

604
00:34:18,230 --> 00:34:15,760
would be like to see jesus

605
00:34:19,909 --> 00:34:18,240
buddha your grandmother or grandfather

606
00:34:22,069 --> 00:34:19,919
again on the park bench for an hour

607
00:34:23,510 --> 00:34:22,079
eating lunch if you had the opportunity

608
00:34:25,430 --> 00:34:23,520
to have lunch with your favorite

609
00:34:27,190 --> 00:34:25,440
beautiful person who would it be and if

610
00:34:28,790 --> 00:34:27,200
you chose your grandmother grandfather

611
00:34:31,109 --> 00:34:28,800
why didn't you choose jesus buddha

612
00:34:32,790 --> 00:34:31,119
krishna or swamiji even

613
00:34:35,349 --> 00:34:32,800

because

614

00:34:37,589 --> 00:34:35,359

those incarnations of god which we are

615

00:34:39,909 --> 00:34:37,599

all children of

616

00:34:42,069 --> 00:34:39,919

and the love they have shown

617

00:34:43,510 --> 00:34:42,079

as to why you have selected them over

618

00:34:44,390 --> 00:34:43,520

any said

619

00:34:45,669 --> 00:34:44,400

deity

620

00:34:47,589 --> 00:34:45,679

[Music]

621

00:34:49,909 --> 00:34:47,599

see

622

00:34:51,589 --> 00:34:49,919

more simply than we ever thought

623

00:34:54,230 --> 00:34:51,599

it's more beautifully

624

00:34:59,109 --> 00:34:54,240

than we have ever imagined

625

00:35:07,270 --> 00:35:00,950

my time with swamji enjoy

626
00:35:11,349 --> 00:35:09,270
is a spiritual humanist

627
00:35:13,990 --> 00:35:11,359
who is an embodiment of divine and

628
00:35:17,109 --> 00:35:14,000
unconditional love universal integration

629
00:35:19,829 --> 00:35:17,119
peace love brotherhood service to needy

630
00:35:22,150 --> 00:35:19,839
people and propagation of human values

631
00:35:23,589 --> 00:35:22,160
are some of the goals of the swansea

632
00:35:27,030 --> 00:35:23,599
this ryogi

633
00:35:30,390 --> 00:35:27,040
the nature of this yogi is purity purity

634
00:35:32,950 --> 00:35:30,400
purity the creed of this yogi is love

635
00:35:37,270 --> 00:35:32,960
love and divine love the function of

636
00:35:38,550 --> 00:35:37,280
this ryogi is selfless help to the needy

637
00:35:40,630 --> 00:35:38,560
the sick

638
00:35:42,950 --> 00:35:40,640

the underprivileged and to every

639

00:35:44,470 --> 00:35:42,960

aspirant who tries to attain

640

00:35:47,349 --> 00:35:44,480

self-realization

641

00:35:50,230 --> 00:35:47,359

through surrender to god

642

00:35:52,790 --> 00:35:50,240

he is verily the gem of the purest ray

643

00:35:53,829 --> 00:35:52,800

inhabiting the earth

644

00:35:54,630 --> 00:35:53,839

today

645

00:35:55,910 --> 00:35:54,640

to

646

00:36:00,790 --> 00:35:55,920

unite

647

00:36:04,069 --> 00:36:02,310

thank you for letting me spend my time

648

00:36:05,750 --> 00:36:04,079

in my heart with you

649

00:36:08,230 --> 00:36:05,760

i am very happy

650

00:36:09,910 --> 00:36:08,240

to come memphis

651
00:36:11,750 --> 00:36:09,920
to attend

652
00:36:12,870 --> 00:36:11,760
campaign nonviolence

653
00:36:14,230 --> 00:36:12,880
and

654
00:36:17,750 --> 00:36:14,240
united work

655
00:36:21,030 --> 00:36:19,589
i never forget

656
00:36:22,390 --> 00:36:21,040
memphis

657
00:36:25,030 --> 00:36:22,400
it is

658
00:36:26,790 --> 00:36:25,040
from memphis

659
00:36:29,190 --> 00:36:26,800
we have

660
00:36:30,550 --> 00:36:29,200
shown the whole world

661
00:36:33,750 --> 00:36:30,560
the solution

662
00:36:35,910 --> 00:36:33,760
for all problems in the world

663
00:36:37,829 --> 00:36:35,920

it is unity

664

00:36:40,550 --> 00:36:37,839

if we unite

665

00:36:41,829 --> 00:36:40,560

we can solve any problem

666

00:36:44,630 --> 00:36:41,839

if we unite

667

00:36:46,150 --> 00:36:44,640

we can throw away poverty also

668

00:36:48,150 --> 00:36:46,160

if we unite

669

00:36:50,150 --> 00:36:48,160

we can do miracles

670

00:36:51,829 --> 00:36:50,160

and we can bring the lord to the earth

671

00:36:53,109 --> 00:36:51,839

also

672

00:36:55,910 --> 00:36:53,119

so

673

00:36:56,950 --> 00:36:55,920

through unity unity is the way is the

674

00:36:59,750 --> 00:36:56,960

path

675

00:37:03,030 --> 00:36:59,760

to bring peace to the world

676
00:37:05,910 --> 00:37:03,040
supposed to take a family a house

677
00:37:07,990 --> 00:37:05,920
if the members of the family

678
00:37:11,190 --> 00:37:08,000
they are united

679
00:37:13,349 --> 00:37:11,200
and if there is coordination and

680
00:37:14,470 --> 00:37:13,359
cooperation among the members of the

681
00:37:18,230 --> 00:37:14,480
family

682
00:37:20,710 --> 00:37:18,240
condition

683
00:37:22,390 --> 00:37:20,720
we can make the house a home

684
00:37:23,750 --> 00:37:22,400
there is difference between house and

685
00:37:25,270 --> 00:37:23,760
home

686
00:37:27,670 --> 00:37:25,280
house

687
00:37:30,470 --> 00:37:27,680
structure

688
00:37:34,150 --> 00:37:30,480

when we make it

689

00:37:37,109 --> 00:37:34,160

peaceful then only it becomes a home

690

00:37:40,390 --> 00:37:37,119

so we have to make each and every house

691

00:37:45,510 --> 00:37:42,950

a board of the bliss a word of

692

00:37:48,310 --> 00:37:45,520

happiness peace

693

00:37:50,470 --> 00:37:48,320

for that for that

694

00:37:52,390 --> 00:37:50,480

we have to bring

695

00:37:56,710 --> 00:37:52,400

peace

696

00:37:58,950 --> 00:37:56,720

so many

697

00:38:01,270 --> 00:37:58,960

journalists like you

698

00:38:02,870 --> 00:38:01,280

have been asking me

699

00:38:04,950 --> 00:38:02,880

not asking

700

00:38:07,589 --> 00:38:04,960

questioning me

701
00:38:10,550 --> 00:38:07,599
how can you unite there are

702
00:38:12,150 --> 00:38:10,560
so many differences

703
00:38:14,230 --> 00:38:12,160
difference of the

704
00:38:16,829 --> 00:38:14,240
language differences of the religion

705
00:38:18,710 --> 00:38:16,839
difference of the

706
00:38:23,030 --> 00:38:18,720
customs

707
00:38:30,870 --> 00:38:25,589
suppose to take an example

708
00:38:35,589 --> 00:38:33,349
you can take

709
00:38:37,829 --> 00:38:35,599
butter bun job

710
00:38:39,670 --> 00:38:37,839
you can take ugly you can take rice you

711
00:38:42,470 --> 00:38:39,680
can take wheat

712
00:38:44,069 --> 00:38:42,480
but food is very important to satisfy

713
00:38:45,829 --> 00:38:44,079

the hunger

714

00:38:47,990 --> 00:38:45,839

in the same way

715

00:38:49,750 --> 00:38:48,000

whatever the religion be maybe

716

00:38:51,030 --> 00:38:49,760

whatever the caste may be whatever the

717

00:38:53,510 --> 00:38:51,040

nation may be

718

00:38:55,510 --> 00:38:53,520

we're all human beings humanity must be

719

00:38:56,710 --> 00:38:55,520

the base

720

00:38:59,030 --> 00:38:56,720

so

721

00:39:00,390 --> 00:38:59,040

i'm very happy to come here

722

00:39:04,150 --> 00:39:00,400

and

723

00:39:08,470 --> 00:39:04,160

i have succeeded i have succeeded

724

00:39:10,390 --> 00:39:08,480

since 2001 i have been coming america

725

00:39:12,550 --> 00:39:10,400

united states of america and i am

726
00:39:13,750 --> 00:39:12,560
traveling from city to city state to

727
00:39:16,069 --> 00:39:13,760
state

728
00:39:16,790 --> 00:39:16,079
house to house

729
00:39:19,109 --> 00:39:16,800
to

730
00:39:20,150 --> 00:39:19,119
encourage the children also the youth

731
00:39:22,470 --> 00:39:20,160
also

732
00:39:24,390 --> 00:39:22,480
so we should not

733
00:39:25,589 --> 00:39:24,400
neglect the youth

734
00:39:26,870 --> 00:39:25,599
youth

735
00:39:29,670 --> 00:39:26,880
the future

736
00:39:32,150 --> 00:39:29,680
leaders future doctors future scientists

737
00:39:34,790 --> 00:39:32,160
future citizens of the world

738
00:39:36,470 --> 00:39:34,800

so we have to put them on the

739

00:39:39,270 --> 00:39:36,480

right track

740

00:39:40,950 --> 00:39:39,280

they should not go on wrong track

741

00:39:45,430 --> 00:39:40,960

and they should not be a question for

742

00:39:48,710 --> 00:39:45,440

the society a danger for the society

743

00:39:53,670 --> 00:39:51,750

dhyana and ananda in their minds peace

744

00:39:55,589 --> 00:39:53,680

in their minds so as they can give peace

745

00:39:58,870 --> 00:39:55,599

to the world so we have to make them

746

00:40:00,390 --> 00:39:58,880

scientists doctors engineers good

747

00:40:03,030 --> 00:40:00,400

citizens of the country and good

748

00:40:05,430 --> 00:40:03,040

citizens of the world um i do lots of

749

00:40:06,790 --> 00:40:05,440

research on many matters and i i know

750

00:40:08,630 --> 00:40:06,800

this is not about politics because

751
00:40:10,630 --> 00:40:08,640
that's not my thing either

752
00:40:11,510 --> 00:40:10,640
but it's evident at least are abundant

753
00:40:12,870 --> 00:40:11,520
to me

754
00:40:14,390 --> 00:40:12,880
that when i look

755
00:40:16,309 --> 00:40:14,400
out in the world

756
00:40:20,550 --> 00:40:16,319
that we see the doings of other people

757
00:40:24,790 --> 00:40:22,790
and it's very sometimes confusing to me

758
00:40:27,510 --> 00:40:24,800
how can some of these things happen but

759
00:40:29,270 --> 00:40:27,520
my first question you swansea would be

760
00:40:31,349 --> 00:40:29,280
since we're talking about water because

761
00:40:33,190 --> 00:40:31,359
this is your tour

762
00:40:35,910 --> 00:40:33,200
what is going on with fukushima

763
00:40:38,790 --> 00:40:35,920

radiation leaking in japan as well as

764

00:40:40,790 --> 00:40:38,800

the bp oil spill in the gulf of mexico

765

00:40:44,309 --> 00:40:40,800

is fukushima still pouring radiation

766

00:40:48,309 --> 00:40:44,319

into pacific ocean and is the bp spill

767

00:40:51,270 --> 00:40:48,319

still leaking if so what can we

768

00:40:52,950 --> 00:40:51,280

do to stop these horrible things

769

00:40:58,550 --> 00:40:52,960

from further poisoning our beautiful

770

00:41:09,410 --> 00:41:00,470

nuclear

771

00:41:09,420 --> 00:41:16,630

[Music]

772

00:41:21,829 --> 00:41:19,589

i have been telling not now

773

00:41:23,190 --> 00:41:21,839

i have been telling for the last 25

774

00:41:25,670 --> 00:41:23,200

years

775

00:41:28,150 --> 00:41:25,680

we are neglecting and ignoring the

776
00:41:42,069 --> 00:41:28,160
nature

777
00:41:44,470 --> 00:41:42,079
i told you i have told you

778
00:41:47,430 --> 00:41:44,480
a few minutes ago also

779
00:41:49,670 --> 00:41:47,440
soil water fire air in space five

780
00:41:51,910 --> 00:41:49,680
elements are there

781
00:41:54,870 --> 00:41:51,920
we are spoiling

782
00:41:59,030 --> 00:41:54,880
and we are hiding the nuclear weapons

783
00:42:01,910 --> 00:41:59,040
inside the soil inside the ocean and in

784
00:42:03,910 --> 00:42:01,920
the space also for what purpose

785
00:42:04,710 --> 00:42:03,920
destruction destruction

786
00:42:11,349 --> 00:42:04,720
no

787
00:42:13,510 --> 00:42:11,359
use your mind properly

788
00:42:15,270 --> 00:42:13,520

flourish love in the deepest part of

789

00:42:18,150 --> 00:42:15,280

heart

790

00:42:21,030 --> 00:42:18,160

try to flourish enlighten love in each

791

00:42:23,910 --> 00:42:21,040

and every heart

792

00:42:27,589 --> 00:42:23,920

so what is the use of

793

00:42:29,430 --> 00:42:27,599

destroying any nation any person

794

00:42:30,710 --> 00:42:29,440

no

795

00:42:33,270 --> 00:42:30,720

there

796

00:42:35,990 --> 00:42:33,280

i will tell one story

797

00:42:39,030 --> 00:42:36,000

it is it happened in india valmiki

798

00:42:40,870 --> 00:42:39,040

valmiki was there ball making he is a

799

00:42:42,230 --> 00:42:40,880

robber

800

00:42:44,230 --> 00:42:42,240

he used to

801
00:42:45,430 --> 00:42:44,240
kill the persons who are going in the

802
00:42:47,990 --> 00:42:45,440
forest

803
00:42:49,109 --> 00:42:48,000
and rob

804
00:42:50,550 --> 00:42:49,119
one day

805
00:42:53,190 --> 00:42:50,560
chapter she's

806
00:42:55,589 --> 00:42:53,200
saying person coming

807
00:42:58,069 --> 00:42:55,599
he stopped them come on give

808
00:43:01,109 --> 00:42:58,079
we have nothing no we don't have

809
00:43:03,270 --> 00:43:01,119
anything even a single pie come on your

810
00:43:06,309 --> 00:43:03,280
faces are grooming

811
00:43:08,309 --> 00:43:06,319
so you are very satisfied competent

812
00:43:10,870 --> 00:43:08,319
so you must have

813
00:43:13,109 --> 00:43:10,880

so much of property give

814

00:43:15,349 --> 00:43:13,119

otherwise we have hide it in the city

815

00:43:16,150 --> 00:43:15,359

bank come on tell the number i will go

816

00:43:17,990 --> 00:43:16,160

and

817

00:43:20,790 --> 00:43:18,000

get it

818

00:43:21,589 --> 00:43:20,800

he did not leave them then

819

00:43:23,670 --> 00:43:21,599

they

820

00:43:26,790 --> 00:43:23,680

blasted them

821

00:43:28,550 --> 00:43:26,800

going and entering into the person

822

00:43:30,390 --> 00:43:28,560

he changed

823

00:43:32,550 --> 00:43:30,400

he transformed into

824

00:43:35,430 --> 00:43:32,560

they told a mantra

825

00:43:55,030 --> 00:43:36,790

he

826

00:43:55,990 --> 00:43:55,040

ramayana into russian language and rama

827

00:43:57,829 --> 00:43:56,000

also

828

00:43:59,589 --> 00:43:57,839

being performed there

829

00:44:05,109 --> 00:43:59,599

that

830

00:44:07,030 --> 00:44:05,119

jesus christ transformed the persons

831

00:44:08,710 --> 00:44:07,040

transformed it tried his level back to

832

00:44:12,150 --> 00:44:08,720

transform

833

00:44:14,470 --> 00:44:12,160

also

834

00:44:17,349 --> 00:44:14,480

they are not bad

835

00:44:19,190 --> 00:44:17,359

but some circumstances

836

00:44:22,550 --> 00:44:19,200

some surroundings

837

00:44:25,430 --> 00:44:22,560

some false teachings and preachings

838

00:44:26,790 --> 00:44:25,440

maybe spoil them like that they made

839

00:44:27,750 --> 00:44:26,800

them like that

840

00:44:31,510 --> 00:44:27,760

so

841

00:44:33,589 --> 00:44:31,520

through good preachings and teachings

842

00:44:36,230 --> 00:44:33,599

you can change them

843

00:44:39,750 --> 00:44:36,240

you unders i think you have understand

844

00:44:42,950 --> 00:44:39,760

you understand i think so

845

00:44:45,190 --> 00:44:42,960

we should we should not spoil the ocean

846

00:44:46,630 --> 00:44:45,200

ocean is

847

00:44:49,670 --> 00:44:46,640

the main

848

00:44:53,030 --> 00:44:49,680

source which gives water

849

00:44:55,510 --> 00:44:53,040

to the whole earth

850

00:44:58,069 --> 00:44:55,520

you understand my point no we should not

851
00:44:59,829 --> 00:44:58,079
spoil so i

852
00:45:01,510 --> 00:44:59,839
don't agree to that

853
00:45:05,430 --> 00:45:01,520
i condemn

854
00:45:08,550 --> 00:45:05,440
the spoiling of the panchayat

855
00:45:10,790 --> 00:45:08,560
space also space also we are spoiling

856
00:45:13,270 --> 00:45:10,800
in the space also we are hiding no the

857
00:45:15,829 --> 00:45:13,280
scientist knows intellectual north the

858
00:45:16,829 --> 00:45:15,839
latest of the countries know about it

859
00:45:19,430 --> 00:45:16,839
they are

860
00:45:21,510 --> 00:45:19,440
hiding in the spaceships for what

861
00:45:24,790 --> 00:45:21,520
purpose for destruction

862
00:45:29,750 --> 00:45:27,910
day before yesterday also i told

863
00:45:33,670 --> 00:45:29,760

have conferences

864

00:45:36,550 --> 00:45:33,680

religious leaders all the

865

00:45:38,150 --> 00:45:36,560

educationalists all the intellectuals

866

00:45:39,990 --> 00:45:38,160

and think

867

00:45:41,270 --> 00:45:40,000

for the solution of the problems in the

868

00:45:42,790 --> 00:45:41,280

world

869

00:45:44,550 --> 00:45:42,800

so don't forget

870

00:45:46,710 --> 00:45:44,560

nuclear

871

00:45:47,589 --> 00:45:46,720

why we are wasting a lot of money on

872

00:45:50,230 --> 00:45:47,599

this

873

00:45:51,270 --> 00:45:50,240

nuclear weapons and etc etc

874

00:45:55,990 --> 00:45:51,280

if we

875

00:45:59,190 --> 00:45:56,000

people of the society people of the

876

00:46:02,550 --> 00:45:59,200

world we can throw away the poverty also

877

00:46:04,550 --> 00:46:02,560

am i correct or not you think

878

00:46:08,390 --> 00:46:04,560

going in to the house and sitting in the

879

00:46:12,230 --> 00:46:08,400

master bedroom silently open heart you

880

00:46:18,790 --> 00:46:15,589

thank you swamiji you know i've i had

881

00:46:22,309 --> 00:46:20,950

on that day day before yesterday i

882

00:46:24,069 --> 00:46:22,319

poured

883

00:46:25,990 --> 00:46:24,079

the water

884

00:46:28,309 --> 00:46:26,000

collected from all the

885

00:46:31,109 --> 00:46:28,319

different religious leaders yes i took

886

00:46:33,990 --> 00:46:31,119

to the mississippi river and i mixed and

887

00:46:35,990 --> 00:46:34,000

measured the water in that river and the

888

00:46:37,910 --> 00:46:36,000

rubber is going to the ocean

889

00:46:40,630 --> 00:46:37,920

it is mixing merging with the ocean

890

00:46:43,670 --> 00:46:40,640

water is coming all over the world and

891

00:46:45,990 --> 00:46:43,680

that water is sinking into the earth and

892

00:46:48,950 --> 00:46:46,000

going through the earth and touching it

893

00:46:49,910 --> 00:46:48,960

and i want to touch the each and every

894

00:46:52,470 --> 00:46:49,920

heart

895

00:46:54,950 --> 00:46:52,480

i need to enlighten them

896

00:46:57,030 --> 00:46:54,960

to think about it

897

00:46:59,750 --> 00:46:57,040

so which

898

00:47:02,950 --> 00:46:59,760

that is that is simple symbolic but we

899

00:47:05,510 --> 00:47:02,960

are saluting the national flag national

900

00:47:06,309 --> 00:47:05,520

flag it is only we if we think it is

901
00:47:07,589 --> 00:47:06,319
only

902
00:47:11,510 --> 00:47:07,599
clock

903
00:47:12,550 --> 00:47:11,520
is having tribes and stars no that's not

904
00:47:16,309 --> 00:47:12,560
that is

905
00:47:18,309 --> 00:47:16,319
50 states these companies and the nation

906
00:47:19,750 --> 00:47:18,319
we are saluting the nation we have to

907
00:47:21,670 --> 00:47:19,760
think like that

908
00:47:23,990 --> 00:47:21,680
so we have to create that idea in the

909
00:47:25,910 --> 00:47:24,000
minds of the people in the same way the

910
00:47:28,230 --> 00:47:25,920
water merging and mixing with the

911
00:47:30,790 --> 00:47:28,240
mississippi river going to the ocean

912
00:47:33,270 --> 00:47:30,800
going to eat all the

913
00:47:35,910 --> 00:47:33,280

boston only one we have gotta get not

914

00:47:38,069 --> 00:47:35,920

the pacific southwest atlantic north

915

00:47:40,230 --> 00:47:38,079

atlantic but in the south atlantic

916

00:47:41,670 --> 00:47:40,240

arabian ocean indian ocean we are

917

00:47:43,109 --> 00:47:41,680

calling different names let's like

918

00:47:45,109 --> 00:47:43,119

america

919

00:47:47,829 --> 00:47:45,119

so we have to touch

920

00:47:49,190 --> 00:47:47,839

each and every heart that is my mission

921

00:47:51,910 --> 00:47:49,200

and message

922

00:47:55,190 --> 00:47:51,920

all of a sudden change does not come

923

00:47:58,230 --> 00:47:55,200

mind it if you want to do anything

924

00:47:59,670 --> 00:47:58,240

immediately nothing happens but but if

925

00:48:01,190 --> 00:47:59,680

we see

926
00:48:05,270 --> 00:48:01,200
a day will come

927
00:48:07,910 --> 00:48:05,280
it comes like a tree and gives fruits

928
00:48:10,390 --> 00:48:07,920
um i never disappoint

929
00:48:12,630 --> 00:48:10,400
i never discourage

930
00:48:15,270 --> 00:48:12,640
i wait

931
00:48:17,589 --> 00:48:15,280
i i will succeed i have succeeded i have

932
00:48:21,349 --> 00:48:17,599
succeeded and i will succeed a day will

933
00:48:23,190 --> 00:48:21,359
come you will see

934
00:48:27,190 --> 00:48:23,200
so swansea the question i pose to you

935
00:48:28,390 --> 00:48:27,200
about fukushima i understand that we are

936
00:48:29,910 --> 00:48:28,400
meditation

937
00:48:32,150 --> 00:48:29,920
visualization

938
00:48:33,750 --> 00:48:32,160

putting everything that is out of

939

00:48:35,510 --> 00:48:33,760

balance in our world

940

00:48:37,670 --> 00:48:35,520

in light

941

00:48:39,270 --> 00:48:37,680

and offering it up

942

00:48:42,549 --> 00:48:39,280

i understand that

943

00:48:44,150 --> 00:48:42,559

but practically living on the earth

944

00:48:45,510 --> 00:48:44,160

people who might eat

945

00:48:46,390 --> 00:48:45,520

fish

946

00:48:48,309 --> 00:48:46,400

who

947

00:48:49,430 --> 00:48:48,319

are catching that fish from the pacific

948

00:48:50,630 --> 00:48:49,440

ocean

949

00:48:52,549 --> 00:48:50,640

and this

950

00:48:55,589 --> 00:48:52,559

marine life

951
00:48:58,630 --> 00:48:55,599
is being poisoned with this radiation

952
00:49:00,230 --> 00:48:58,640
is it enough to bless our food

953
00:49:02,150 --> 00:49:00,240
and will that

954
00:49:03,829 --> 00:49:02,160
eliminate the poisons that we might

955
00:49:05,430 --> 00:49:03,839
ingest in our bodies

956
00:49:07,270 --> 00:49:05,440
from the radiation

957
00:49:09,030 --> 00:49:07,280
or for example the next question i have

958
00:49:11,270 --> 00:49:09,040
would be like um what's going on with

959
00:49:13,109 --> 00:49:11,280
the water in flint michigan

960
00:49:14,580 --> 00:49:13,119
it's polluted

961
00:49:16,150 --> 00:49:14,590
very

962
00:49:18,069 --> 00:49:16,160
[Music]

963
00:49:19,190 --> 00:49:18,079

important question nobody is thinking

964

00:49:21,270 --> 00:49:19,200

about it

965

00:49:25,430 --> 00:49:21,280

no intellectual is questioning the

966

00:49:30,790 --> 00:49:28,069

the nuclear energy which is

967

00:49:34,549 --> 00:49:30,800

going there it is going into the

968

00:49:37,589 --> 00:49:34,559

fish and the people who eat that fish

969

00:49:40,950 --> 00:49:37,599

maybe just like radiation from the

970

00:49:44,290 --> 00:49:40,960

x-ray unit or anything it will spoil it

971

00:49:44,300 --> 00:49:48,870

[Music]

972

00:49:55,589 --> 00:49:51,750

organ of the body also it will be boiled

973

00:49:56,790 --> 00:49:55,599

so no no no not only that

974

00:49:59,190 --> 00:49:56,800

it spreads

975

00:50:02,230 --> 00:49:59,200

in the air

976

00:50:04,150 --> 00:50:02,240

it enters and goes in the eye and it

977

00:50:05,910 --> 00:50:04,160

will spoil so many people when we

978

00:50:08,470 --> 00:50:05,920

breathe

979

00:50:10,150 --> 00:50:08,480

so what is happening maybe every

980

00:50:12,950 --> 00:50:10,160

some countries are threatening i will

981

00:50:15,589 --> 00:50:12,960

smash you i will smash this country i

982

00:50:16,870 --> 00:50:15,599

will smash that why for what purpose no

983

00:50:18,790 --> 00:50:16,880

smashing

984

00:50:20,950 --> 00:50:18,800

if anybody says

985

00:50:23,990 --> 00:50:20,960

i will make a person

986

00:50:26,150 --> 00:50:24,000

who dies i will make him to

987

00:50:27,349 --> 00:50:26,160

rebirth give rebirth then i will be

988

00:50:30,630 --> 00:50:27,359

happy

989

00:50:33,670 --> 00:50:30,640

if a person comes and tell i will cure

990

00:50:37,270 --> 00:50:33,680

the dreadful disease like cancer i will

991

00:50:39,190 --> 00:50:37,280

be very happy not destruction

992

00:50:41,349 --> 00:50:39,200

no destruction

993

00:50:43,109 --> 00:50:41,359

is there a certain formula

994

00:50:46,150 --> 00:50:43,119

or certain prayer

995

00:50:48,309 --> 00:50:46,160

a certain way we can carry ourselves

996

00:50:51,270 --> 00:50:48,319

that will help us to eliminate problems

997

00:50:53,910 --> 00:50:51,280

like fukushima the water in flint

998

00:50:55,190 --> 00:50:53,920

michigan the gulf of mexico that has an

999

00:50:56,470 --> 00:50:55,200

oil leak

1000

00:50:59,349 --> 00:50:56,480

um

1001
00:51:00,870 --> 00:50:59,359
just tons of problems with the water

1002
00:51:02,710 --> 00:51:00,880
i came to know that

1003
00:51:06,470 --> 00:51:02,720
one ship was wrecked

1004
00:51:07,670 --> 00:51:06,480
and the oil the oil was

1005
00:51:08,549 --> 00:51:07,680
like

1006
00:51:10,630 --> 00:51:08,559
foam

1007
00:51:12,230 --> 00:51:10,640
it spread

1008
00:51:15,510 --> 00:51:12,240
all the ocean all the waters of the

1009
00:51:16,470 --> 00:51:15,520
portion the whole water oh dreadful

1010
00:51:33,990 --> 00:51:16,480
so

1011
00:51:37,910 --> 00:51:36,390
did you get the answer from me or not

1012
00:51:39,910 --> 00:51:37,920
i got it here but i'm trying to

1013
00:51:42,309 --> 00:51:39,920

understand it intellectually like is

1014

00:51:45,430 --> 00:51:42,319

there something that we can do

1015

00:51:47,670 --> 00:51:45,440

so you you are asking me the eating

1016

00:51:50,549 --> 00:51:47,680

through eating the fish

1017

00:51:52,390 --> 00:51:50,559

we are getting diseases like cancer or

1018

00:51:53,349 --> 00:51:52,400

etc etc

1019

00:51:59,349 --> 00:51:53,359

how to

1020

00:52:00,950 --> 00:51:59,359

question question the leaders of the

1021

00:52:04,309 --> 00:52:00,960

world countries

1022

00:52:07,589 --> 00:52:04,319

not to do like that we don't want any

1023

00:52:09,510 --> 00:52:07,599

destruction we want only peace

1024

00:52:12,470 --> 00:52:09,520

there is no

1025

00:52:14,870 --> 00:52:12,480

argument or struggle to do business with

1026
00:52:17,349 --> 00:52:14,880
different countries and different

1027
00:52:18,470 --> 00:52:17,359
nations and different religions

1028
00:52:21,510 --> 00:52:18,480
there is no

1029
00:52:23,109 --> 00:52:21,520
difference of religion or nation

1030
00:52:25,430 --> 00:52:23,119
doing business

1031
00:52:26,630 --> 00:52:25,440
why there is a

1032
00:52:31,109 --> 00:52:26,640
differences

1033
00:52:33,030 --> 00:52:31,119
to make the world abode of the peace

1034
00:52:35,589 --> 00:52:33,040
no pollution we should not pollute we

1035
00:52:37,750 --> 00:52:35,599
have no right to pollute we have no

1036
00:52:39,510 --> 00:52:37,760
nobody has right to pollute the five

1037
00:52:40,710 --> 00:52:39,520
elements of the earth that's why we're

1038
00:52:42,950 --> 00:52:40,720

having the problem with the water

1039

00:52:45,589 --> 00:52:42,960

because our elements even even even the

1040

00:52:46,870 --> 00:52:45,599

united nations of organization declined

1041

00:52:49,670 --> 00:52:46,880

the same thing

1042

00:52:51,910 --> 00:52:49,680

don't pollute the nature don't pollute

1043

00:52:54,870 --> 00:52:51,920

the minds of the children

1044

00:52:56,390 --> 00:52:54,880

but the pitiable thing another thing is

1045

00:53:01,670 --> 00:52:56,400

in some countries

1046

00:53:05,270 --> 00:53:03,270

they have made a

1047

00:53:07,190 --> 00:53:05,280

laboratory laboratory

1048

00:53:08,309 --> 00:53:07,200

for the diseases what is the pitiable

1049

00:53:17,750 --> 00:53:08,319

thing

1050

00:53:17,760 --> 00:53:28,150

so

1051
00:53:34,870 --> 00:53:31,030
welcome back to center of light

1052
00:53:38,950 --> 00:53:35,990
i just do

1053
00:53:40,230 --> 00:53:38,960
it's sort of like a baptism for me and i

1054
00:53:42,630 --> 00:53:40,240
want to share it with you

1055
00:53:44,549 --> 00:53:42,640
tonight ascension of light

1056
00:53:49,910 --> 00:53:44,559
plight

1057
00:53:53,750 --> 00:53:51,430
from homecoming across from the bridge

1058
00:53:56,850 --> 00:53:53,760
to the soul before we get to that

1059
00:53:56,860 --> 00:54:02,549
[Music]

1060
00:54:06,790 --> 00:54:04,950
it's divine it is

1061
00:54:08,470 --> 00:54:06,800
fully illumined

1062
00:54:10,710 --> 00:54:08,480
so don't pollute

1063
00:54:12,390 --> 00:54:10,720

as above so below on forever it will go

1064

00:54:14,309 --> 00:54:12,400

don't pollute don't pollute the earth

1065

00:54:17,349 --> 00:54:14,319

don't pollute the minds of the children

1066

00:54:19,349 --> 00:54:17,359

did you hear him when he said the elite

1067

00:54:21,910 --> 00:54:19,359

he didn't say the word elite book

1068

00:54:24,069 --> 00:54:21,920

it was definitely implied

1069

00:54:25,829 --> 00:54:24,079

of those in charge those in power are

1070

00:54:26,710 --> 00:54:25,839

hiding in their spaceships did you hear

1071

00:54:29,670 --> 00:54:26,720

that

1072

00:54:32,150 --> 00:54:29,680

did you also hear him say

1073

00:54:33,589 --> 00:54:32,160

the air is not clean because of

1074

00:54:37,750 --> 00:54:33,599

implying

1075

00:54:41,750 --> 00:54:40,150

maybe i know my teacher so well

1076
00:54:44,309 --> 00:54:41,760
that he speaks to me on many different

1077
00:54:45,910 --> 00:54:44,319
levels like we all do

1078
00:54:49,510 --> 00:54:45,920
from homecoming crossing the bridge to

1079
00:54:51,109 --> 00:54:49,520
the soul tonight is sort of like plight

1080
00:54:53,829 --> 00:54:51,119
mother earth

1081
00:54:55,510 --> 00:54:53,839
has had enough

1082
00:54:57,349 --> 00:54:55,520
she's been pillaged she's been plundered

1083
00:54:59,589 --> 00:54:57,359
she's been raped

1084
00:55:01,589 --> 00:54:59,599
and she never got kissed

1085
00:55:04,069 --> 00:55:01,599
bruh nobody even bought her dinner not

1086
00:55:05,829 --> 00:55:04,079
even at mcdonald's

1087
00:55:07,510 --> 00:55:05,839
from homecoming crossing the bridge to

1088
00:55:08,870 --> 00:55:07,520

the soul before i do that i want to

1089

00:55:10,950 --> 00:55:08,880

share with you a couple of means one

1090

00:55:13,510 --> 00:55:10,960

from swanji

1091

00:55:16,630 --> 00:55:13,520

mother earth mother earth is the basis

1092

00:55:20,549 --> 00:55:16,640

for all the people and all the countries

1093

00:55:21,990 --> 00:55:20,559

save and protect mother earth

1094

00:55:24,390 --> 00:55:22,000

another meme

1095

00:55:25,270 --> 00:55:24,400

which is mother earth from you and to

1096

00:55:28,950 --> 00:55:25,280

you

1097

00:55:30,309 --> 00:55:28,960

all life flows nourishing us with all

1098

00:55:33,430 --> 00:55:30,319

that you are

1099

00:55:34,789 --> 00:55:33,440

we are all family without the mother

1100

00:55:37,670 --> 00:55:34,799

earth

1101

00:55:39,829 --> 00:55:37,680

there is no humanity

1102

00:55:42,950 --> 00:55:39,839

we are all family we are all children of

1103

00:55:44,390 --> 00:55:42,960

the great goddess gaia mother earth

1104

00:55:46,150 --> 00:55:44,400

mother nature

1105

00:55:49,589 --> 00:55:46,160

mama mommy

1106

00:55:54,549 --> 00:55:51,829

we're all children of the great goddess

1107

00:55:56,470 --> 00:55:54,559

of the earth mother

1108

00:55:59,190 --> 00:55:56,480

as you thrive

1109

00:56:00,230 --> 00:55:59,200

so shall

1110

00:56:01,750 --> 00:56:00,240

we

1111

00:56:03,270 --> 00:56:01,760

live

1112

00:56:05,080 --> 00:56:03,280

from homecoming crossing the bridge to

1113

00:56:06,789 --> 00:56:05,090

the soul my most recent book

1114

00:56:10,789 --> 00:56:06,799

[Music]

1115

00:56:12,710 --> 00:56:10,799

my dialogue with spirit hello everyone

1116

00:56:13,750 --> 00:56:12,720

thank you for being in the proximity to

1117

00:56:18,710 --> 00:56:13,760

hear

1118

00:56:21,349 --> 00:56:18,720

your turn

1119

00:56:24,549 --> 00:56:21,359

not only in your life

1120

00:56:25,910 --> 00:56:24,559

but in your eternity it's your turn

1121

00:56:29,109 --> 00:56:25,920

on earth

1122

00:56:31,589 --> 00:56:29,119

oh my god that should burn urine churn

1123

00:56:33,670 --> 00:56:31,599

and your heart

1124

00:56:36,789 --> 00:56:33,680

spirit starts off as

1125

00:56:39,030 --> 00:56:36,799

with this dialogue as the world begins

1126
00:56:42,230 --> 00:56:39,040
as the world begins the new millennium

1127
00:56:45,109 --> 00:56:42,240
powerful forces of nature are becoming

1128
00:56:48,549 --> 00:56:45,119
restless but i suggest that rather than

1129
00:56:50,789 --> 00:56:48,559
be alarmed you consider them a revelee a

1130
00:56:53,990 --> 00:56:50,799
wake-up call to alert you

1131
00:56:56,950 --> 00:56:54,000
for what may come sad guru said

1132
00:56:59,510 --> 00:56:56,960
come the future 35 years 30 35 years

1133
00:57:04,549 --> 00:56:59,520
from now if we don't do something now

1134
00:57:09,190 --> 00:57:07,510
and if he's wrong which he's not

1135
00:57:11,030 --> 00:57:09,200
and we do something we get a cleaner

1136
00:57:12,170 --> 00:57:11,040
greener earth

1137
00:57:14,710 --> 00:57:12,180
nothing happens

1138
00:57:17,030 --> 00:57:14,720

[Music]

1139

00:57:20,069 --> 00:57:17,040

i do not bring this up to generate fear

1140

00:57:23,109 --> 00:57:20,079

in you dear ones i do it to encourage

1141

00:57:24,789 --> 00:57:23,119

you to take a close this is 1997. i do

1142

00:57:27,190 --> 00:57:24,799

this to encourage you to take a closer

1143

00:57:29,510 --> 00:57:27,200

look at what is transpiring

1144

00:57:31,910 --> 00:57:29,520

many of you can already feel the changes

1145

00:57:33,430 --> 00:57:31,920

and then i know you can

1146

00:57:36,069 --> 00:57:33,440

many of you are already feeling the

1147

00:57:38,829 --> 00:57:36,079

changes going on within yourselves but

1148

00:57:40,549 --> 00:57:38,839

you must look for the synchronicity

1149

00:57:43,430 --> 00:57:40,559

outside

1150

00:57:47,109 --> 00:57:43,440

because your progress can best be gauged

1151
00:57:49,430 --> 00:57:47,119
by viewing what is going on around you

1152
00:57:52,470 --> 00:57:49,440
the sooner humanity heals its collective

1153
00:57:54,470 --> 00:57:52,480
emotional self the sooner you will no

1154
00:57:56,950 --> 00:57:54,480
longer face calamities

1155
00:57:58,230 --> 00:57:56,960
like the ones that are beginning to

1156
00:58:01,690 --> 00:57:58,240
beset you

1157
00:58:03,109 --> 00:58:01,700
this was 1997.

1158
00:58:05,589 --> 00:58:03,119
[Music]

1159
00:58:07,109 --> 00:58:05,599
hurricane katrina

1160
00:58:09,349 --> 00:58:07,119
and all

1161
00:58:11,750 --> 00:58:09,359
the natural calamities that are not

1162
00:58:14,390 --> 00:58:11,760
necessary if we unite

1163
00:58:16,230 --> 00:58:14,400

and i respond by saying

1164

00:58:17,990 --> 00:58:16,240

i know lots of people who don't buy into

1165

00:58:20,069 --> 00:58:18,000

this prophecy stuff

1166

00:58:23,270 --> 00:58:20,079

because they have been told

1167

00:58:25,670 --> 00:58:23,280

the world was going to end so many times

1168

00:58:28,789 --> 00:58:25,680

and nothing's ever happened i get that

1169

00:58:31,589 --> 00:58:28,799

this is actually likened to

1170

00:58:34,870 --> 00:58:31,599

the elite driving down our throats

1171

00:58:37,109 --> 00:58:34,880

their ill advi their ill agenda

1172

00:58:39,430 --> 00:58:37,119

about climate change so we say

1173

00:58:42,390 --> 00:58:39,440

i recognize that you're full of

1174

00:58:44,069 --> 00:58:42,400

so don't believe you so they're always

1175

00:58:47,270 --> 00:58:44,079

in this regard they have a leg up

1176

00:58:49,430 --> 00:58:47,280

because you don't buy into the truth

1177

00:58:51,109 --> 00:58:49,440

of climate change because you understand

1178

00:58:54,230 --> 00:58:51,119

that they're lying to you

1179

00:58:56,870 --> 00:58:54,240

the underlying of all this is

1180

00:58:59,670 --> 00:58:56,880

the earth is in trouble

1181

00:59:03,349 --> 00:58:59,680

the earth really is not in trouble

1182

00:59:05,270 --> 00:59:03,359

we are in trouble within 30 to 35 years

1183

00:59:06,870 --> 00:59:05,280

for being on the earth and not doing

1184

00:59:09,990 --> 00:59:06,880

anything that we can

1185

00:59:11,990 --> 00:59:10,000

to save ourselves on the double

1186

00:59:14,630 --> 00:59:12,000

yes there are many of those

1187

00:59:17,910 --> 00:59:14,640

whose hearts have been closed and whose

1188

00:59:20,309 --> 00:59:17,920

minds are now filled with skepticism

1189

00:59:22,870 --> 00:59:20,319

they feel that they have been had and

1190

00:59:26,069 --> 00:59:22,880

that those visionaries you mentioned

1191

00:59:26,840 --> 00:59:26,079

have nothing to do that perpetrate such

1192

00:59:29,510 --> 00:59:26,850

hoaxes

1193

00:59:32,549 --> 00:59:29,520

[Music]

1194

00:59:34,950 --> 00:59:32,559

you've been punked

1195

00:59:36,789 --> 00:59:34,960

but they're lack of but they're people

1196

00:59:39,750 --> 00:59:36,799

but their lack of understanding only

1197

00:59:42,870 --> 00:59:39,760

shows their lack of faith it is almost

1198

00:59:47,829 --> 00:59:42,880

as if they want the visions

1199

00:59:52,150 --> 00:59:50,230

that there is some sort of guidance

1200

00:59:55,109 --> 00:59:52,160

on the planet to help them

1201
00:59:56,630 --> 00:59:55,119
feel secure when something of great

1202
00:59:57,670 --> 00:59:56,640
magnitude

1203
00:59:58,710 --> 00:59:57,680
does

1204
01:00:01,030 --> 00:59:58,720
tran

1205
01:00:03,829 --> 01:00:01,040
spire

1206
01:00:05,670 --> 01:00:03,839
hello 20 22 and a half

1207
01:00:08,630 --> 01:00:05,680
but it does not matter if people believe

1208
01:00:12,309 --> 01:00:08,640
or not what does matter is that you

1209
01:00:14,789 --> 01:00:12,319
and they must not accept any of it as a

1210
01:00:16,470 --> 01:00:14,799
punishing god's wrath

1211
01:00:17,990 --> 01:00:16,480
on a sinful

1212
01:00:19,829 --> 01:00:18,000
world

1213
01:00:21,750 --> 01:00:19,839

and i respond

1214

01:00:23,829 --> 01:00:21,760

knowing that

1215

01:00:27,270 --> 01:00:23,839

and knowing what i know i still

1216

01:00:28,630 --> 01:00:27,280

sometimes catch myself feeling scared

1217

01:00:31,109 --> 01:00:28,640

when i think about some of the

1218

01:00:32,230 --> 01:00:31,119

prophecies i've heard

1219

01:00:34,309 --> 01:00:32,240

about

1220

01:00:37,270 --> 01:00:34,319

actually coming to pass and spirit

1221

01:00:39,190 --> 01:00:37,280

responds lovingly always supporting me

1222

01:00:41,510 --> 01:00:39,200

as swamiji has said

1223

01:00:45,350 --> 01:00:41,520

i will never discourage

1224

01:00:45,360 --> 01:00:50,150

[Music]

1225

01:00:55,990 --> 01:00:53,550

let me find my place

1226

01:00:58,150 --> 01:00:56,000

[Music]

1227

01:01:02,390 --> 01:00:58,160

as i said earlier prophecy is not

1228

01:01:03,910 --> 01:01:02,400

restricted to what only the seers

1229

01:01:06,150 --> 01:01:03,920

may have seen

1230

01:01:08,230 --> 01:01:06,160

since you have the same capacity for

1231

01:01:10,549 --> 01:01:08,240

vision as they

1232

01:01:13,510 --> 01:01:10,559

you can change the outcome of any

1233

01:01:15,109 --> 01:01:13,520

prophecy simply by not being

1234

01:01:18,390 --> 01:01:15,119

simply

1235

01:01:20,630 --> 01:01:18,400

by not seeing it in your future

1236

01:01:23,510 --> 01:01:20,640

know that if a prophecy does not come

1237

01:01:26,549 --> 01:01:23,520

true it could very well mean that

1238

01:01:28,069 --> 01:01:26,559

because its purpose has already been

1239

01:01:30,870 --> 01:01:28,079

fulfilled

1240

01:01:33,430 --> 01:01:30,880

still everyone must keep their eyes wide

1241

01:01:35,030 --> 01:01:33,440

open what eyes and eye

1242

01:01:38,630 --> 01:01:35,040

wide open

1243

01:01:41,430 --> 01:01:38,640

so that you can pick up on any potential

1244

01:01:43,589 --> 01:01:41,440

visions that may be aligned and accurate

1245

01:01:44,950 --> 01:01:43,599

in other words heads up

1246

01:01:46,390 --> 01:01:44,960

be aware

1247

01:01:49,180 --> 01:01:46,400

get clear

1248

01:01:53,349 --> 01:01:49,190

and see what's happening

1249

01:01:56,630 --> 01:01:55,829

dear ones you do not need a seer to tell

1250

01:02:03,910 --> 01:01:56,640

you

1251

01:02:07,080 --> 01:02:03,920

today is center of light plight

1252

01:02:10,710 --> 01:02:07,090

earth day

1253

01:02:15,589 --> 01:02:13,270

and i asked or say

1254

01:02:18,150 --> 01:02:15,599

please tell me how some of the abuses

1255

01:02:21,029 --> 01:02:18,160

that are going on and what mother earth

1256

01:02:22,470 --> 01:02:21,039

is doing to defend herself

1257

01:02:25,029 --> 01:02:22,480

against them

1258

01:02:27,510 --> 01:02:25,039

and spirit responds just like you keith

1259

01:02:31,270 --> 01:02:27,520

mother earth wants nothing more than to

1260

01:02:33,109 --> 01:02:31,280

be healed just like you john doe gildo

1261

01:02:36,230 --> 01:02:33,119

mother earth wants nothing more than to

1262

01:02:42,710 --> 01:02:39,750

this is where i'm probably going to cry

1263

01:02:48,549 --> 01:02:42,720

[Music]

1264

01:02:54,069 --> 01:02:51,430

spirit continues those who continue to

1265

01:02:55,750 --> 01:02:54,079

plunder her resources have not taken

1266

01:02:57,430 --> 01:02:55,760

into consideration

1267

01:02:58,549 --> 01:02:57,440

that there are violating

1268

01:03:00,150 --> 01:02:58,559

[Music]

1269

01:03:01,430 --> 01:03:00,160

a living

1270

01:03:03,109 --> 01:03:01,440

breathing

1271

01:03:07,109 --> 01:03:03,119

being

1272

01:03:09,029 --> 01:03:07,119

your mother your mama your mom

1273

01:03:13,190 --> 01:03:09,039

they do not understand that they are

1274

01:03:15,589 --> 01:03:13,200

making her gasp for air her rainforest

1275

01:03:17,670 --> 01:03:15,599

her very lungs are being depleted at

1276

01:03:19,430 --> 01:03:17,680

such an alarming rate that

1277

01:03:21,190 --> 01:03:19,440

to catch her breath

1278

01:03:23,109 --> 01:03:21,200

she must exhale

1279

01:03:24,470 --> 01:03:23,119

ever more powerful tornadoes and

1280

01:03:27,109 --> 01:03:24,480

hurricanes

1281

01:03:30,390 --> 01:03:27,119

her oceans and rivers the veins that

1282

01:03:32,870 --> 01:03:30,400

oxygenate her heart

1283

01:03:36,390 --> 01:03:32,880

are being poisoned with so much

1284

01:03:39,510 --> 01:03:36,400

industrial nuclear as swansea

1285

01:03:42,549 --> 01:03:39,520

talked about and petrochemical waste

1286

01:03:45,109 --> 01:03:42,559

that much of the aquatic life that has

1287

01:03:46,150 --> 01:03:45,119

long helped maintain her planetary

1288

01:03:48,549 --> 01:03:46,160

balance

1289

01:03:50,870 --> 01:03:48,559

is being

1290

01:03:54,069 --> 01:03:50,880

destroyed

1291

01:03:55,270 --> 01:03:54,079

so to cleanse her lifeblood

1292

01:03:58,549 --> 01:03:55,280

so to speak

1293

01:04:01,430 --> 01:03:58,559

to give herself a transfusion

1294

01:04:03,670 --> 01:04:01,440

she must elevate her sea levels and make

1295

01:04:07,270 --> 01:04:03,680

her rivers overflow

1296

01:04:09,430 --> 01:04:07,280

and the frenzy to extract oil

1297

01:04:11,290 --> 01:04:09,440

hello south louisiana and all the

1298

01:04:15,349 --> 01:04:11,300

coastal regions

1299

01:04:20,630 --> 01:04:19,430

her delicate flesh is being raided

1300

01:04:22,150 --> 01:04:20,640

raped

1301
01:04:23,670 --> 01:04:22,160
plundered

1302
01:04:25,270 --> 01:04:23,680
pillaged

1303
01:04:28,950 --> 01:04:25,280
[Music]

1304
01:04:31,589 --> 01:04:28,960
by thousands of drill punctures every

1305
01:04:33,670 --> 01:04:31,599
day the overuse of fossil fuel is

1306
01:04:36,970 --> 01:04:33,680
depleting the ozone layer

1307
01:04:44,309 --> 01:04:36,980
giving rise

1308
01:04:51,349 --> 01:04:46,490
to the fever of global warming

1309
01:04:58,069 --> 01:04:54,750
these violations make her belly rumble

1310
01:04:59,910 --> 01:04:58,079
[Music]

1311
01:05:03,349 --> 01:04:59,920
shaking the ground

1312
01:05:05,109 --> 01:05:03,359
beneath your feet

1313
01:05:07,829 --> 01:05:05,119

earthquakes

1314

01:05:11,190 --> 01:05:07,839

yet despite all mother earth signals

1315

01:05:13,510 --> 01:05:11,200

despite all her desperate plight

1316

01:05:15,510 --> 01:05:13,520

tonight is sort of like plight

1317

01:05:18,549 --> 01:05:15,520

how much more of this torture do you

1318

01:05:21,270 --> 01:05:18,559

think she can or will take and i say

1319

01:05:24,230 --> 01:05:21,280

probably not much

1320

01:05:27,190 --> 01:05:24,240

that you can count on beloved

1321

01:05:29,990 --> 01:05:27,200

let me ask you keith what will you do if

1322

01:05:32,870 --> 01:05:30,000

you were ill and i respond by saying i

1323

01:05:34,870 --> 01:05:32,880

would go see a doctor to be cured well

1324

01:05:38,309 --> 01:05:34,880

like you mother earth is following your

1325

01:05:42,150 --> 01:05:38,319

advice because she has come to me dr

1326

01:05:45,430 --> 01:05:42,160

love for a prescription to cure her woes

1327

01:05:48,309 --> 01:05:45,440

she has been waiting for my okay sign to

1328

01:05:51,589 --> 01:05:48,319

release the stresses caused by the greed

1329

01:05:53,589 --> 01:05:51,599

and the gluttony of the obvious

1330

01:05:55,829 --> 01:05:53,599

wow

1331

01:05:57,829 --> 01:05:55,839

now that the time is right i have given

1332

01:06:01,510 --> 01:05:57,839

her the ghost sign and

1333

01:06:04,150 --> 01:06:01,520

with extreme measures she is moving

1334

01:06:06,549 --> 01:06:04,160

forward

1335

01:06:09,270 --> 01:06:06,559

even though through her cataclysmic

1336

01:06:11,910 --> 01:06:09,280

movement and climate ex climactic

1337

01:06:13,589 --> 01:06:11,920

extremes

1338

01:06:15,829 --> 01:06:13,599

do in point uh excuse me let me read

1339

01:06:18,549 --> 01:06:15,839

that again

1340

01:06:20,630 --> 01:06:18,559

but even though her cut

1341

01:06:23,029 --> 01:06:20,640

but even though her cataclysmic movement

1342

01:06:25,829 --> 01:06:23,039

and climactic extremes do

1343

01:06:26,950 --> 01:06:25,839

indeed point towards the prophesied end

1344

01:06:29,589 --> 01:06:26,960

times

1345

01:06:30,710 --> 01:06:29,599

the inevitable can be thwarted if

1346

01:06:33,829 --> 01:06:30,720

everyone

1347

01:06:35,829 --> 01:06:33,839

comes together it's always it always has

1348

01:06:40,069 --> 01:06:35,839

been is now and forever will be about

1349

01:06:41,109 --> 01:06:40,079

unity because everyone holds a piece

1350

01:06:43,270 --> 01:06:41,119

piece

1351
01:06:45,589 --> 01:06:43,280
of the divine pie

1352
01:06:47,190 --> 01:06:45,599
apple pie p-i-e pie

1353
01:06:49,080 --> 01:06:47,200
3.74

1354
01:06:51,589 --> 01:06:49,090
three-point whatever the equation is

1355
01:06:54,710 --> 01:06:51,599
[Music]

1356
01:06:58,309 --> 01:06:56,309
needs to be cleaned

1357
01:07:01,990 --> 01:06:58,319
it needs to be clean and green

1358
01:07:04,710 --> 01:07:02,000
for the meat to ever be able to enter

1359
01:07:06,710 --> 01:07:04,720
so for those who are the meat that enter

1360
01:07:11,270 --> 01:07:06,720
the clean and green earth that they

1361
01:07:15,589 --> 01:07:13,750
even so there will be those

1362
01:07:19,510 --> 01:07:15,599
that their world is dirty

1363
01:07:24,470 --> 01:07:21,990

because that's what they choose

1364

01:07:28,390 --> 01:07:24,480

all the while everyone next to them

1365

01:07:30,150 --> 01:07:28,400

is living in absolute giddy bliss

1366

01:07:32,390 --> 01:07:30,160

did you miss something

1367

01:07:34,069 --> 01:07:32,400

we've all missed

1368

01:07:35,990 --> 01:07:34,079

lots of things

1369

01:07:37,860 --> 01:07:36,000

what do you miss most

1370

01:07:39,430 --> 01:07:37,870

i'll tell you what i miss most

1371

01:07:40,829 --> 01:07:39,440

[Music]

1372

01:07:44,460 --> 01:07:40,839

i miss

1373

01:07:46,630 --> 01:07:44,470

joy within myself

1374

01:07:50,870 --> 01:07:46,640

[Music]

1375

01:07:54,870 --> 01:07:52,549

even better than that

1376

01:07:57,109 --> 01:07:54,880

better than best

1377

01:07:59,109 --> 01:07:57,119

because i want that for you

1378

01:08:01,510 --> 01:07:59,119

it is what you would do

1379

01:08:05,050 --> 01:08:01,520

tonight has been sort of like plain our

1380

01:08:08,150 --> 01:08:05,060

mom our mom mother our mummy our mommy

1381

01:08:09,670 --> 01:08:08,160

[Music]

1382

01:08:12,549 --> 01:08:09,680

you don't want your mom

1383

01:08:14,309 --> 01:08:12,559

to go in hospice

1384

01:08:16,229 --> 01:08:14,319

resurrect yourself

1385

01:08:18,709 --> 01:08:16,239

resurrect the earth

1386

01:08:20,390 --> 01:08:18,719

create a new birth for yourself

1387

01:08:22,950 --> 01:08:20,400

the world needs to be clean and green

1388

01:08:26,470 --> 01:08:22,960

for our entrance into the golden

1389

01:08:28,630 --> 01:08:26,480

age of christ consciousness peace loving

1390

01:08:31,269 --> 01:08:28,640

i love you

1391

01:08:32,070 --> 01:08:31,279

there's nothing above you ever never has

1392

01:08:33,349 --> 01:08:32,080

been

1393

01:08:35,030 --> 01:08:33,359

never will
