both the m1 and the m62

59
00:03:11,069 --> 00:03:09,250
it is with honor and a little bit of

60
00:03:13,080 --> 00:03:11,079
excitement that outer limits magazine

61
00:03:17,099 --> 00:03:13,090
can now announce the speakers for each

62
00:03:19,440 --> 00:03:17,109
2019 event towards the events working

63
00:03:22,199 --> 00:03:19,450

under the banner title of the closest of

64

00:03:25,170 --> 00:03:22,209

encounters as always shall be Outer

65

00:03:27,000 --> 00:03:25,180

Limits magazine editor Chris Evers it

66

00:03:28,710 --> 00:03:27,010

will present the talk on a subject

67

00:03:30,569 --> 00:03:28,720

irrelevant to the theme of the

68

00:03:32,849 --> 00:03:30,579

conference making his Outer Limits

69

00:03:35,309 --> 00:03:32,859

magazine conference debut shall be

70

00:03:37,800 --> 00:03:35,319

author and experienced Sir Philip

71

00:03:39,960 --> 00:03:37,810

Kinsella who shall discuss is an

72

00:03:42,870 --> 00:03:39,970

extremely close encounter event and

73

00:03:45,240 --> 00:03:42,880

personal experiences making his third

74

00:03:48,240 --> 00:03:45,250

appearance and out limits magazine event

75

00:03:50,309 --> 00:03:48,250

will be Paul Sinclair to discuss more

76

00:03:53,129 --> 00:03:50,319

details of his investigation and

77

00:03:55,020 --> 00:03:53,139

findings Outer Limits magazine associate

78

00:03:57,479 --> 00:03:55,030

editor Malcolm Robinson will be

79

00:03:59,610 --> 00:03:57,489

returning to discuss his new publication

80

00:04:02,520 --> 00:03:59,620

all about the bobtail a close encounter

81

00:04:04,289 --> 00:04:02,530

or as it's also known the deck mont

82

00:04:05,970 --> 00:04:04,299

woods incident and is with great honor

83

00:04:08,879 --> 00:04:05,980

that we announce our very special

84

00:04:11,699 --> 00:04:08,889

speaker making a trip to the United

85

00:04:14,309 --> 00:04:11,709

Kingdom from America with what shall be

86

00:04:16,770 --> 00:04:14,319

is first a visit to the okay to present

87

00:04:19,259 --> 00:04:16,780

his own story in a public forum that

88

00:04:21,990 --> 00:04:19,269

shall be the only remaining witness to

89

00:04:24,450 --> 00:04:22,000

this famous pascagoula abduction Calvin

90

00:04:26,520 --> 00:04:24,460

Parker without a doubt this will be a

91

00:04:28,680 --> 00:04:26,530

once-in-a-lifetime chance to meet and

92

00:04:31,250 --> 00:04:28,690

hear Calvin's most intriguing case

93

00:04:33,930 --> 00:04:31,260

straight from the only surviving witness

welcome to what is the very first inside

117

00:05:40,800 --> 00:05:38,650

our limits sure I'm in December it's all

118

00:05:44,250 --> 00:05:40,810

ready for Christmas and of course with

119

00:05:45,930 --> 00:05:44,260

me as always is my co-host Philip mantel

120

00:05:47,909 --> 00:05:45,940

how you feel how you doing good evening

121

00:05:50,580 --> 00:05:47,919

Chris I'm fine thank you here in sunny

122

00:05:54,060 --> 00:05:50,590

Pontefract sunny Pontefract it's been

123

00:05:56,630 --> 00:05:54,070

thrown it down all day absolutely awful

124

00:05:59,159 --> 00:05:56,640

I bet you've had the same absolutely

125

00:06:00,630 --> 00:05:59,169

absolutely another gentleman who can

126

00:06:04,380 --> 00:06:00,640

actually aim and I'm using the word

127

00:06:06,060 --> 00:06:04,390

gentleman loosely here of course another

128

00:06:08,040 --> 00:06:06,070

gentleman who can confirm it's been

129

00:06:10,170 --> 00:06:08,050

thrown it down all day in holy said he's

130

00:06:12,210 --> 00:06:10,180

our guest this evening the mister Mike

131

00:06:14,790 --> 00:06:12,220

Koval hi Mike how are you doing good

132

00:06:15,990 --> 00:06:14,800

evening Omari thanks gents a bit wet you

133

00:06:18,480 --> 00:06:16,000

happy where have you been out and about

134

00:06:20,100 --> 00:06:18,490

in it today Mike numerous school runs

135

00:06:22,590 --> 00:06:20,110

and Christmas shopping and all the rest

136

00:06:25,800 --> 00:06:22,600

all right right so you all ready for

137

00:06:28,860 --> 00:06:25,810

Christmas just about yeah all right

138

00:06:30,600 --> 00:06:28,870

better than me then I mean this is gonna

139

00:06:33,420 --> 00:06:30,610

be an interesting show in it tonight

140

00:06:35,070 --> 00:06:33,430

gentlemen I mean three Yorkshire lads in

141

00:06:36,719 --> 00:06:35,080

one go I mean anybody outside of

142

00:06:38,880 --> 00:06:36,729

accounts you might be looking for their

143

00:06:43,320 --> 00:06:38,890

for their Yorkshire dialect dictionary

144

00:06:45,719 --> 00:06:43,330

tonight especially two lads from the

145

00:06:49,530 --> 00:06:45,729

east the east of the county as well and

146

00:06:51,150 --> 00:06:49,540

one from the West well you know you blow

147

00:06:52,620 --> 00:06:51,160

mom it that's what I say if I can't

148

00:07:00,150 --> 00:06:52,630

understand as this you come and join us

149

00:07:02,550 --> 00:07:00,160

right Mike Koval is a noted author in

150

00:07:04,709 --> 00:07:02,560

fact he's is actually released how many

151

00:07:08,349 --> 00:07:04,719

books is it now Mike about 28

152

00:07:10,779 --> 00:07:08,359

twenty-eight yeah yeah Wow good heavens

153

00:07:13,659 --> 00:07:10,789

you must be prolific you ever see your

154

00:07:14,379 --> 00:07:13,669

family at all yeah I mean my office is

155

00:07:17,199 --> 00:07:14,389

in my house

156

00:07:19,959 --> 00:07:17,209

so all right right okay Ross perhaps

157

00:07:23,049 --> 00:07:19,969

occasionally yeah what was the first

158

00:07:25,749 --> 00:07:23,059

book you released Mike all good

159

00:07:30,249 --> 00:07:25,759

questions the mathlete magic mystery was

160

00:07:33,939 --> 00:07:30,259

the it was a true crime book it was

161

00:07:37,869 --> 00:07:33,949

self-published and it was weird because

162

00:07:39,579 --> 00:07:37,879

I self-published four books and this guy

163

00:07:40,929 --> 00:07:39,589

rang me up and he was from a production

164

00:07:42,489 --> 00:07:40,939

company in LA and he said I've

165

00:07:44,709 --> 00:07:42,499

downloaded your book and I've been

166

00:07:46,809 --> 00:07:44,719

reading it and I loved it and I want to

167

00:07:48,579 --> 00:07:46,819

make it into a movie and and there have

168

00:07:51,639 --> 00:07:48,589

you got any more manuscripts I sent him

169

00:07:55,539 --> 00:07:51,649

a few manuscripts and he read him and he

170

00:07:58,600 --> 00:07:55,549

bought the rights to four books three of

171

00:08:01,029 --> 00:07:58,610

them added not even published insulin I

172

00:08:04,539 --> 00:08:01,039

then got a publisher after that so I did

173

00:08:05,109 --> 00:08:04,549

it all back to print really so good

174

00:08:07,269 --> 00:08:05,119

heavens

175

00:08:10,479 --> 00:08:07,279

so what is your what is your latest

176

00:08:15,519 --> 00:08:10,489

publication Mike the latest one is the

177

00:08:17,949 --> 00:08:15,529

haunted homes of Hope part of the the

178

00:08:21,069 --> 00:08:17,959

might Kabul investigates series and the

179

00:08:23,679 --> 00:08:21,079

idea it's like I mean you know yourself

180

00:08:25,689 --> 00:08:23,689

these days with social media someone

181

00:08:27,339 --> 00:08:25,699

only has to go into a house and break

182

00:08:30,009 --> 00:08:27,349

wind and suddenly it's all over the

183

00:08:31,689 --> 00:08:30,019

newspapers that it's on it and what

184

00:08:33,249 --> 00:08:31,699

people fail to realize is that these

185

00:08:35,559 --> 00:08:33,259

stories have been going on for centuries

186

00:08:39,100 --> 00:08:35,569

and I went right back in the archives

187

00:08:42,360 --> 00:08:39,110

and discovered on it houses in horth it

188

00:08:45,610 --> 00:08:42,370

and right back to the 1850s 1860s 1870s

189

00:08:48,030 --> 00:08:45,620

and so basically it's kind of a

190

00:08:50,799 --> 00:08:48,040

chronology apart it houses in hope and

191

00:08:52,840 --> 00:08:50,809

I've been the the full paranormal

192

00:08:54,910 --> 00:08:52,850

background of each one before historical

193

00:08:57,519 --> 00:08:54,920

overview of each one and then argued

194

00:08:59,170 --> 00:08:57,529

whether or not you know I think this

195

00:09:02,579 --> 00:08:59,180

merits of the case obviously things like

196

00:09:05,559 --> 00:09:02,589

history I've been quite critical of that

197

00:09:10,480 --> 00:09:05,569

years so there's stuff like that in it

198

00:09:12,009 --> 00:09:10,490

and it's quite ok just before you go on

199

00:09:14,199 --> 00:09:12,019

there Mike let's just define what

200

00:09:15,519 --> 00:09:14,209

degrees 3 is and what it actually means

201
00:09:16,510 --> 00:09:15,529
because there may be people listening

202
00:09:18,340 --> 00:09:16,520
and

203
00:09:26,500 --> 00:09:18,350
even filled it doesn't actually know

204
00:09:29,050 --> 00:09:26,510
what to history in antique history came

205
00:09:33,310 --> 00:09:29,060
on the map a week at the most on it

206
00:09:35,950 --> 00:09:33,320
laughs Kim from Pontefract and I was on

207
00:09:37,570 --> 00:09:35,960
the show a week afterwards I bumped into

208
00:09:39,490 --> 00:09:37,580
a guy in East Earl and he said to me I

209
00:09:42,700 --> 00:09:39,500
can you imagine I've been around it out

210
00:09:44,380 --> 00:09:42,710
it must be a rent money spinner and then

211
00:09:45,910 --> 00:09:44,390
I will be clear I bumped into him again

212
00:09:48,310 --> 00:09:45,920
and he said you'll never guess what I've

213
00:09:51,220 --> 00:09:48,320

gotten on it helps and he said you know

214

00:09:53,140 --> 00:09:51,230

bats and murders and suicides he said

215

00:09:55,420 --> 00:09:53,150

people have tried to research it in the

216

00:09:57,880 --> 00:09:55,430

cat and it was a marjorie and a Marg and

217

00:10:00,160 --> 00:09:57,890

a funeral parlor and it was a hostel and

218

00:10:02,020 --> 00:10:00,170

20 kids were murdered in there and and I

219

00:10:03,910 --> 00:10:02,030

just thought well wait a minute why is

220

00:10:06,400 --> 00:10:03,920

this not cross my path because I know

221

00:10:09,520 --> 00:10:06,410

there's only McCobb stories related to

222

00:10:11,080 --> 00:10:09,530

it whyever not seen it in my studies and

223

00:10:12,460 --> 00:10:11,090

it was reluctant to give me the address

224

00:10:14,980 --> 00:10:12,470

but a few weeks later at the address

225

00:10:17,140 --> 00:10:14,990

went up online I went to the whole

226

00:10:18,400 --> 00:10:17,150

History Center sat there for a fall

227

00:10:19,900 --> 00:10:18,410

there went right through the trade

228

00:10:22,360 --> 00:10:19,910

directories appalling book to the

229

00:10:24,580 --> 00:10:22,370

electoral roll and pretty much debunked

230

00:10:26,650 --> 00:10:24,590

all the rubbish storage that was coming

231

00:10:28,240 --> 00:10:26,660

out about the play and there was no

232

00:10:30,490 --> 00:10:28,250

deaths there was no mad as there was no

233

00:10:32,110 --> 00:10:30,500

suicide it was never a hostel it was

234

00:10:34,240 --> 00:10:32,120

never a mark it was never a March it was

235

00:10:36,250 --> 00:10:34,250

never a funeral parlor it was actually a

236

00:10:39,160 --> 00:10:36,260

furniture maker which is a bit boring

237

00:10:40,690 --> 00:10:39,170

and the other claim is that no one would

238

00:10:42,100 --> 00:10:40,700

live in the house but the electoral roll

239

00:10:45,700 --> 00:10:42,110

showed that people lived in there until

240

00:10:47,650 --> 00:10:45,710

its current owner took it over so pretty

241

00:10:49,360 --> 00:10:47,660

much debunked at all and initially I

242

00:10:52,450 --> 00:10:49,370

mean I wrote an article for you in the

243

00:10:54,130 --> 00:10:52,460

limits magazine I wrote an article for

244

00:10:56,200 --> 00:10:54,140

the whole bill and there I got death

245

00:10:59,890 --> 00:10:56,210

threats from paranormal group saying how

246

00:11:01,540 --> 00:10:59,900

dare you I had psychics and mediums you

247

00:11:03,520 --> 00:11:01,550

know giving me quite a run for my money

248

00:11:05,680 --> 00:11:03,530

and calling me all names and stuff like

249

00:11:07,840 --> 00:11:05,690

that because basically I've taken all

250

00:11:09,670 --> 00:11:07,850

these claims and used it family

251
00:11:13,150 --> 00:11:09,680
historical contemporary sources and

252
00:11:14,800 --> 00:11:13,160
debunk them you know that ended up with

253
00:11:15,310 --> 00:11:14,810
an appearance on a television show

254
00:11:18,250 --> 00:11:15,320
called

255
00:11:19,450 --> 00:11:18,260
VG's dicing with death where I went on

256
00:11:22,960 --> 00:11:19,460
there and talks about the history of the

257
00:11:25,450 --> 00:11:22,970
place and and it's just crazy really so

258
00:11:27,520 --> 00:11:25,460
the whole chapter in the book Canha

259
00:11:29,020 --> 00:11:27,530
looks at all these claims and then it

260
00:11:30,460 --> 00:11:29,030
looks at the actual history I mean it

261
00:11:32,710 --> 00:11:30,470
was real people real families

262
00:11:34,420 --> 00:11:32,720
lived and with that real stories and

263
00:11:36,580 --> 00:11:34,430

we're ignoring them because some psychic

264

00:11:38,830 --> 00:11:36,590

is walking into a room full of dolls and

265

00:11:40,870 --> 00:11:38,840

picking up on ghostly children well I

266

00:11:42,640 --> 00:11:40,880

can actually vouch for a lot of what

267

00:11:44,350 --> 00:11:42,650

you've just said their air might because

268

00:11:47,230 --> 00:11:44,360

this is actually the first time I've

269

00:11:49,360 --> 00:11:47,240

mentioned this to you but various

270

00:11:51,220 --> 00:11:49,370

members of my family have lived right

271

00:11:54,220 --> 00:11:51,230

across the road from that property and

272

00:11:56,980 --> 00:11:54,230

they were living there from the

273

00:11:59,260 --> 00:11:56,990

mid-1970s right up to the mid nineteen

274

00:12:01,300 --> 00:11:59,270

nineties and as you know yourself Mike I

275

00:12:03,520 --> 00:12:01,310

live about what five hundred six hundred

276

00:12:07,480 --> 00:12:03,530

yards away from the property myself and

277

00:12:10,180 --> 00:12:07,490

I had never ever heard one single claim

278

00:12:12,610 --> 00:12:10,190

about this property down to grocery in

279

00:12:13,270 --> 00:12:12,620

the many many years I've lived in this

280

00:12:15,400 --> 00:12:13,280

area

281

00:12:19,750 --> 00:12:15,410

yeah it just seemed to arise out of

282

00:12:21,130 --> 00:12:19,760

nowhere based on these guys and yeah I

283

00:12:23,590 --> 00:12:21,140

mean a lot of groups have gone and been

284

00:12:26,500 --> 00:12:23,600

disappointed with it but they so I mean

285

00:12:28,990 --> 00:12:26,510

oh that's a wonderful colorful history

286

00:12:34,150 --> 00:12:29,000

report well it's a cash cow into it for

287

00:12:35,950 --> 00:12:34,160

the person basically okay so you've also

288

00:12:38,710 --> 00:12:35,960

got not only do you have an avid

289

00:12:40,420 --> 00:12:38,720

interest in local history with a

290

00:12:43,330 --> 00:12:40,430

paranormal view of course you know

291

00:12:46,090 --> 00:12:43,340

looking at girls etc but you've also got

292

00:12:47,920 --> 00:12:46,100

an avid interest in UFOs as well haven't

293

00:12:49,860 --> 00:12:47,930

you so what what some of the strange

294

00:12:53,110 --> 00:12:49,870

sightings have you been investigating

295

00:12:54,730 --> 00:12:53,120

well the first site in Ararat was what

296

00:12:56,230 --> 00:12:54,740

got me into all this was when I was an

297

00:12:58,660 --> 00:12:56,240

eight year old boy living in each stall

298

00:13:01,990 --> 00:12:58,670

and I saw what can only be described as

299

00:13:03,220 --> 00:13:02,000

an egg a fly-in egg and I you know I

300

00:13:05,010 --> 00:13:03,230

remember looking up my window and just

301
00:13:08,440 --> 00:13:05,020
been filled with this incredible canvas

302
00:13:09,700 --> 00:13:08,450
and it was really bright way and you

303
00:13:11,050 --> 00:13:09,710
know I remember the follow in line and I

304
00:13:12,520 --> 00:13:11,060
sports and father and said what do you

305
00:13:13,930 --> 00:13:12,530
think it could be dad and he gave me a

306
00:13:15,580 --> 00:13:13,940
book and I don't know if you remember

307
00:13:17,410 --> 00:13:15,590
film it you're right remedy for the

308
00:13:20,980 --> 00:13:17,420
unexplained and there was like a pat

309
00:13:24,100 --> 00:13:20,990
works yes the whole lot yes absolutely

310
00:13:25,780 --> 00:13:24,110
and there he give me he'd give me the

311
00:13:26,890 --> 00:13:25,790
first volume and as an 8 year old boy

312
00:13:29,920 --> 00:13:26,900
without a minute they only brought me

313
00:13:32,350 --> 00:13:29,930

like and I'm sat reading it and I was

314

00:13:33,850 --> 00:13:32,360

just blown away by how much stuff there

315

00:13:35,650 --> 00:13:33,860

is in the world that is unexplained I

316

00:13:37,780 --> 00:13:35,660

was particularly interested in the cost

317

00:13:40,420 --> 00:13:37,790

first in your first I started reading a

318

00:13:43,030 --> 00:13:40,430

funny way first and went to a few

319

00:13:44,140 --> 00:13:43,040

conferences as a young boy I started

320

00:13:47,890 --> 00:13:44,150

collecting

321

00:13:50,769 --> 00:13:47,900

you know the videos and DVDs audio tapes

322

00:13:52,720 --> 00:13:50,779

I was a subscriber to UFO magazine when

323

00:13:55,870 --> 00:13:52,730

the battle brothers run it for many many

324

00:13:58,120 --> 00:13:55,880

years and I used to serve up the pocket

325

00:14:02,040 --> 00:13:58,130

money and pay for these files to be send

326

00:14:04,269 --> 00:14:02,050

all soft and then it was in the nineties

327

00:14:06,940 --> 00:14:04,279

so it must have been about that six

328

00:14:09,640 --> 00:14:06,950

night simple sandwich when it give me a

329

00:14:11,769 --> 00:14:09,650

daily meal that this gang in in West

330

00:14:14,440 --> 00:14:11,779

local Kris was setting up all your way

331

00:14:16,540 --> 00:14:14,450

the society and that Herman will do that

332

00:14:19,360 --> 00:14:16,550

was yeah with me that's it look at this

333

00:14:22,780 --> 00:14:19,370

sir and I came and it was it was at the

334

00:14:24,880 --> 00:14:22,790

ones Dale sent there and yeah and there

335

00:14:26,650 --> 00:14:24,890

I met you then we became friends and

336

00:14:28,930 --> 00:14:26,660

there yeah I mean it just took off from

337

00:14:30,910 --> 00:14:28,940

there really and I mean one of the most

338

00:14:34,269 --> 00:14:30,920

interesting ones for me is the stuff

339

00:14:37,630 --> 00:14:34,279

that predates the cannon at Matt in 47

340

00:14:40,390 --> 00:14:37,640

and flap and and this is stuff like the

341

00:14:42,400 --> 00:14:40,400

1801 UFO and then the earliest stuff you

342

00:14:45,790 --> 00:14:42,410

know the really really fascinated basque

343

00:14:48,460 --> 00:14:45,800

airships and all went through a number

344

00:14:49,930 --> 00:14:48,470

of scare ship sighting and you know for

345

00:14:51,730 --> 00:14:49,940

the early nineteen hundred's and i found

346

00:14:54,130 --> 00:14:51,740

them quite fascinating so I've been

347

00:14:55,570 --> 00:14:54,140

doing a lot of research on them spending

348

00:14:58,090 --> 00:14:55,580

a lot of time that get in the archives

349

00:14:59,560 --> 00:14:58,100

and stuff like that and I also went to

350

00:15:03,340 --> 00:14:59,570

the National Archives and got all the

351

00:15:05,880 --> 00:15:03,350

the files from the UFO released that

352

00:15:07,750 --> 00:15:05,890

covered Hulk and East Yorkshire and

353

00:15:10,720 --> 00:15:07,760

spent a lot of time you know

354

00:15:12,430 --> 00:15:10,730

communicating with humble sideways you

355

00:15:14,260 --> 00:15:12,440

know they were very adamant that there

356

00:15:17,230 --> 00:15:14,270

weren't interested in the UFO phenomena

357

00:15:20,920 --> 00:15:17,240

but they had UFO reporting files in

358

00:15:22,210 --> 00:15:20,930

their looks which me indicates that that

359

00:15:23,800 --> 00:15:22,220

there might be something to it you know

360

00:15:26,890 --> 00:15:23,810

a number of sightings that I've got

361

00:15:29,230 --> 00:15:26,900

where from police offices and you know

362

00:15:31,510 --> 00:15:29,240

certain if this is quite a few years of

363

00:15:33,880 --> 00:15:31,520

there's sort of cases that have gone

364

00:15:35,590 --> 00:15:33,890

through and but I feel like the early

365

00:15:37,660 --> 00:15:35,600

stuff you know the stuff that you've got

366

00:15:40,510 --> 00:15:37,670

to really go into the archives and of

367

00:15:42,790 --> 00:15:40,520

course you know these are so there is no

368

00:15:44,050 --> 00:15:42,800

one around that will you know there's no

369

00:15:46,720 --> 00:15:44,060

one around you can interview or anything

370

00:15:49,480 --> 00:15:46,730

like that and but I spent quite a lot of

371

00:15:51,340 --> 00:15:49,490

time researching scare ships and I just

372

00:15:54,160 --> 00:15:51,350

probably a fascinating you know and this

373

00:15:55,300 --> 00:15:54,170

was in a period when and you know

374

00:15:57,820 --> 00:15:55,310

obviously there was a lot of intense

375

00:15:59,590 --> 00:15:57,830

activity going on between

376
00:16:02,079 --> 00:15:59,600
at Britain and Germany and there was a

377
00:16:03,820 --> 00:16:02,089
lot of saber rattling and you know and

378
00:16:05,800 --> 00:16:03,830
that shortly after we have these

379
00:16:08,290 --> 00:16:05,810
Sketchup sightings in whole almost bump

380
00:16:11,320 --> 00:16:08,300
out as they please and that's an

381
00:16:14,139 --> 00:16:11,330
interesting angle and but for me the the

382
00:16:15,690 --> 00:16:14,149
1801 new fr scare was just astounding I

383
00:16:19,930 --> 00:16:15,700
mean this was one that took place in

384
00:16:21,910 --> 00:16:19,940
June 1801 and then you know between

385
00:16:23,740 --> 00:16:21,920
12:00 and 1:00 o'clock in the morning

386
00:16:27,100 --> 00:16:23,750
people have all saw this bright blue

387
00:16:29,949 --> 00:16:27,110
light heading towards the city and when

388
00:16:33,069 --> 00:16:29,959

it got over Holly split into four or

389

00:16:38,139 --> 00:16:33,079

five pieces and shut outward then joined

390

00:16:42,519 --> 00:16:38,149

back together again and then took off no

391

00:16:47,199 --> 00:16:42,529

this is not this astronomical this is

392

00:16:49,360 --> 00:16:47,209

nothing in in kind of you know astronomy

393

00:16:50,500 --> 00:16:49,370

circles that can account something like

394

00:16:52,569 --> 00:16:50,510

that I could understand it flying

395

00:16:54,370 --> 00:16:52,579

towards them because that could be a

396

00:16:56,620 --> 00:16:54,380

celestial body of some sort flying

397

00:16:58,090 --> 00:16:56,630

towards the town and and I can

398

00:16:59,500 --> 00:16:58,100

understand it breaking up because that

399

00:17:01,720 --> 00:16:59,510

could be the celestial body come before

400

00:17:03,670 --> 00:17:01,730

the atmosphere and break it up but then

401
00:17:05,169 --> 00:17:03,680
I cannot explain right joined back

402
00:17:08,530 --> 00:17:05,179
together man flew off that that's

403
00:17:10,090 --> 00:17:08,540
emitted indicate any known and craft or

404
00:17:11,380 --> 00:17:10,100
anything that would have been in the

405
00:17:13,750 --> 00:17:11,390
skies at that time so that was

406
00:17:16,870 --> 00:17:13,760
fascinating yeah this is the sighting in

407
00:17:19,090 --> 00:17:16,880
1801 who's a lot of people well I know

408
00:17:20,740 --> 00:17:19,100
it was in the national press I think it

409
00:17:23,740 --> 00:17:20,750
was about two years ago now Mike if I'm

410
00:17:26,140 --> 00:17:23,750
correct and we're actually was described

411
00:17:29,590 --> 00:17:26,150
it's quite probably one of the first

412
00:17:31,419 --> 00:17:29,600
ever UFO sightings in this country and

413
00:17:33,340 --> 00:17:31,429

that's of course not counting the monks

414

00:17:36,880 --> 00:17:33,350

of Ireland abbey of course well you know

415

00:17:39,900 --> 00:17:36,890

it's a very very very interesting

416

00:17:43,330 --> 00:17:39,910

interesting point it really is at the em

417

00:17:44,919 --> 00:17:43,340

the old thing is though it's what I like

418

00:17:46,780 --> 00:17:44,929

about what you don't like is how much

419

00:17:48,549 --> 00:17:46,790

time and effort you put into going into

420

00:17:51,700 --> 00:17:48,559

the local archives

421

00:17:54,340 --> 00:17:51,710

sitting there must be days on end and

422

00:17:56,740 --> 00:17:54,350

actually investigating all these strange

423

00:17:59,049 --> 00:17:56,750

and weird and wonderful things oh yeah I

424

00:18:00,700 --> 00:17:59,059

mean about some days you know where I

425

00:18:02,590 --> 00:18:00,710

mean if you've ever done it you'll know

426

00:18:04,120 --> 00:18:02,600

you have good stares and you have bad

427

00:18:06,130 --> 00:18:04,130

days I've gone in there some days and

428

00:18:09,280 --> 00:18:06,140

come out with 20 30 pieces of paper with

429

00:18:11,590 --> 00:18:09,290

newspaper reports on and official files

430

00:18:14,080 --> 00:18:11,600

and other things I've gone in there

431

00:18:16,180 --> 00:18:14,090

nothing and come out surcease at and

432

00:18:18,520 --> 00:18:16,190

then and there abound but it's them

433

00:18:20,590 --> 00:18:18,530

moments when you do transcendence do

434

00:18:24,460 --> 00:18:20,600

they just interrupt them either they

435

00:18:26,680 --> 00:18:24,470

still have my microfiche yeah yeah I

436

00:18:29,560 --> 00:18:26,690

mean I remember going through the

437

00:18:32,230 --> 00:18:29,570

microfiche myself yeah I like you said

438

00:18:34,000 --> 00:18:32,240

sometimes you'll get a run of things do

439

00:18:35,500 --> 00:18:34,010

you think oh boy I'm on a roll here and

440

00:18:38,799 --> 00:18:35,510

then the next time

441

00:18:40,840 --> 00:18:38,809

zilch I mean you know it's the local gym

442

00:18:43,659 --> 00:18:40,850

can or are you know local fairs and

443

00:18:45,580 --> 00:18:43,669

that's it yeah that happened a lot I was

444

00:18:47,970 --> 00:18:45,590

basically some days I would go in and

445

00:18:51,010 --> 00:18:47,980

come away with you know a folder full of

446

00:18:53,500 --> 00:18:51,020

UFO reports that had been published

447

00:18:55,659 --> 00:18:53,510

centuries ago and then other sounds

448

00:18:57,250 --> 00:18:55,669

outgoing and found nothing and a few

449

00:18:59,080 --> 00:18:57,260

occasions as well I've registered in

450

00:19:00,970 --> 00:18:59,090

like 40 and times where it's if we got

451
00:19:02,260 --> 00:19:00,980
this from the whole Daily Mail in and it

452
00:19:03,700 --> 00:19:02,270
gives you it there and I've gone into

453
00:19:05,320 --> 00:19:03,710
the old Daily Mail archives and gone

454
00:19:08,230 --> 00:19:05,330
throw on them you know the microfiche

455
00:19:12,460 --> 00:19:08,240
reader and your arms twist in it and

456
00:19:14,080 --> 00:19:12,470
it's not there just see some listeners

457
00:19:15,909 --> 00:19:14,090
now especially of a younger generation

458
00:19:19,840 --> 00:19:15,919
thinking what the hell are they talking

459
00:19:23,760 --> 00:19:19,850
about what's a microfiche where can I

460
00:19:26,740 --> 00:19:23,770
find a microfiche upon my phone you know

461
00:19:32,140 --> 00:19:26,750
it's not it's not a small goldfish is it

462
00:19:33,159 --> 00:19:32,150
it's not what the finish that the old I

463
00:19:34,450 --> 00:19:33,169

don't know if you remember the really

464

00:19:37,060 --> 00:19:34,460

old ones we went around and what we

465

00:19:38,380 --> 00:19:37,070

ramped we've got new ones in whole work

466

00:19:41,590 --> 00:19:38,390

you press the button and it does it all

467

00:19:43,840 --> 00:19:41,600

for you which is a lot more easier but

468

00:19:45,399 --> 00:19:43,850

it's still not text searchable so you

469

00:19:48,340 --> 00:19:45,409

can't just sit down and type in your

470

00:19:51,430 --> 00:19:48,350

phone it'll bring the Folies apart oh

471

00:19:53,470 --> 00:19:51,440

come on they're bad then across three or

472

00:19:55,390 --> 00:19:53,480

four issues that there and it's

473

00:19:57,419 --> 00:19:55,400

time-consuming it makes you tired your

474

00:20:00,250 --> 00:19:57,429

eyes goes really funny after a while and

475

00:20:02,970 --> 00:20:00,260

especially I mean like with the 1801 UFO

476

00:20:06,310 --> 00:20:02,980

report that was one that literally spent

477

00:20:08,260 --> 00:20:06,320

I spent about three months trying to

478

00:20:10,419 --> 00:20:08,270

track down as many newspaper reports on

479

00:20:13,390 --> 00:20:10,429

that as possible and you know and I

480

00:20:16,570 --> 00:20:13,400

found stuff in lantern in chest there

481

00:20:18,220 --> 00:20:16,580

and it been published locally a number

482

00:20:19,840 --> 00:20:18,230

of magazines at the time were publishing

483

00:20:21,610 --> 00:20:19,850

it and especially the sort of

484

00:20:24,340 --> 00:20:21,620

astronomical magazines because people

485

00:20:25,480 --> 00:20:24,350

were asking what what is it and you know

486

00:20:28,000 --> 00:20:25,490

so I was going through alley

487

00:20:29,260 --> 00:20:28,010

he was referring parts and of course

488

00:20:31,870 --> 00:20:29,270

they're never published on the same

489

00:20:33,520 --> 00:20:31,880

thing so you're looking you know there's

490

00:20:36,940 --> 00:20:33,530

and there's Affairs and then the never

491

00:20:39,610 --> 00:20:36,950

sort of you know the report might have

492

00:20:40,750 --> 00:20:39,620

taken place in June well the newspapers

493

00:20:43,000 --> 00:20:40,760

might not pick up on it for another

494

00:20:45,460 --> 00:20:43,010

month and so you've got months and

495

00:20:47,080 --> 00:20:45,470

months of a here because cigar would you

496

00:20:48,910 --> 00:20:47,090

try and find that single piece of

497

00:20:50,560 --> 00:20:48,920

evidence but then when you found it it's

498

00:20:52,390 --> 00:20:50,570

kinda like that Eureka moment you know

499

00:20:54,460 --> 00:20:52,400

you you get that feeling in the back ear

500

00:20:56,350 --> 00:20:54,470

you make the S them stand on end and

501
00:20:58,150 --> 00:20:56,360
it's a great feeling because you've got

502
00:21:00,160 --> 00:20:58,160
another piece of the puzzle that would

503
00:21:02,169 --> 00:21:00,170
have been otherwise you said is he not

504
00:21:04,570 --> 00:21:02,179
curious as well Mike that when when you

505
00:21:07,120 --> 00:21:04,580
when you look at the the sightings more

506
00:21:09,280 --> 00:21:07,130
more closely like the obviously have

507
00:21:11,770 --> 00:21:09,290
done that what people will actually

508
00:21:13,419 --> 00:21:11,780
seeing in report him who prepares no

509
00:21:14,340 --> 00:21:13,429
resemblance to an airship of any

510
00:21:18,220 --> 00:21:14,350
description

511
00:21:20,169 --> 00:21:18,230
it's just that they impart you know the

512
00:21:22,780 --> 00:21:20,179
technology of the day on on the

513
00:21:25,180 --> 00:21:22,790

phenomenon that they encounter we would

514

00:21:26,680 --> 00:21:25,190

you agree with that I would yeah I mean

515

00:21:27,640 --> 00:21:26,690

what's interesting about like I mean

516

00:21:29,169 --> 00:21:27,650

when you're going to start the early

517

00:21:30,820 --> 00:21:29,179

nineteen hundred's when you know

518

00:21:33,280 --> 00:21:30,830

airships were being tested and stuff

519

00:21:35,260 --> 00:21:33,290

like that and in hold under the Russian

520

00:21:36,549 --> 00:21:35,270

as we have we had Holden there was a lot

521

00:21:40,200 --> 00:21:36,559

of a ship's been built out there at that

522

00:21:43,510 --> 00:21:40,210

time and so they were in the popular

523

00:21:45,280 --> 00:21:43,520

sort of conscience and where was if you

524

00:21:47,890 --> 00:21:45,290

go right back to sort of the early 1800s

525

00:21:49,299 --> 00:21:47,900

there was nothing like so you know when

526

00:21:51,700 --> 00:21:49,309

we've got this ball of light is that

527

00:21:54,070 --> 00:21:51,710

because there is nothing in the sky at

528

00:21:56,650 --> 00:21:54,080

that time you know I believe round about

529

00:21:58,690 --> 00:21:56,660

that period and people were testing

530

00:22:00,640 --> 00:21:58,700

balloons and things like that but

531

00:22:03,040 --> 00:22:00,650

nothing that could split apart and going

532

00:22:10,630 --> 00:22:03,050

back together and fly off those Chinese

533

00:22:12,760 --> 00:22:10,640

lanterns again Mike so you've got your

534

00:22:15,730 --> 00:22:12,770

own you've got what we've got the 1801

535

00:22:16,630 --> 00:22:15,740

case there then Mike and obviously it's

536

00:22:18,970 --> 00:22:16,640

very strange

537

00:22:21,010 --> 00:22:18,980

you know splitting apart coming back

538

00:22:24,130 --> 00:22:21,020

together what is some of the latest

539

00:22:26,049 --> 00:22:24,140

reports that you've had and well the

540

00:22:29,470 --> 00:22:26,059

book kind of covers right up to sort of

541

00:22:30,880 --> 00:22:29,480

the mounting early two-thousands and but

542

00:22:32,290 --> 00:22:30,890

one that I really got involved with

543

00:22:37,690 --> 00:22:32,300

there was a couple of cases one of them

544

00:22:39,370 --> 00:22:37,700

was there that all all home of 2010 and

545

00:22:41,620 --> 00:22:39,380

that was basically

546

00:22:46,720 --> 00:22:41,630

my wife and I were in bed one evening

547

00:22:51,280 --> 00:22:46,730

and someone now don't go so fast the one

548

00:22:53,740 --> 00:22:51,290

who tried to steal a bike from one of my

549

00:22:57,010 --> 00:22:53,750

family members so my family if we're all

550

00:22:58,510 --> 00:22:57,020

in in the street and back then at there

551
00:23:01,030 --> 00:22:58,520
was four members of my family all lived

552
00:23:02,350 --> 00:23:01,040
on the same street so everyone would all

553
00:23:03,910 --> 00:23:02,360
come out with all look after each other

554
00:23:05,560 --> 00:23:03,920
and basic what happened was someone had

555
00:23:07,690 --> 00:23:05,570
tried to steal a bike so there was a lot

556
00:23:09,190 --> 00:23:07,700
of commotion in the street so we've got

557
00:23:10,980 --> 00:23:09,200
Upton we've gone down and with made sure

558
00:23:14,380 --> 00:23:10,990
everyone was ok but went back up to bed

559
00:23:15,970 --> 00:23:14,390
it was quite a hot night and I remember

560
00:23:19,090 --> 00:23:15,980
those some sort of some affair on at

561
00:23:22,650 --> 00:23:19,100
East Park and that was long finished but

562
00:23:25,240 --> 00:23:22,660
was there Tim FET and we it sounded like

563
00:23:27,850 --> 00:23:25,250

747 was about to land on each door and

564

00:23:30,250 --> 00:23:27,860

it's just this roar of engines really

565

00:23:33,040 --> 00:23:30,260

really loud it was like a loud humming

566

00:23:33,400 --> 00:23:33,050

noise and and we just couldn't believe

567

00:23:35,230 --> 00:23:33,410

it

568

00:23:37,030 --> 00:23:35,240

and basically what happens the following

569

00:23:42,040 --> 00:23:37,040

morning I got up and posted on Facebook

570

00:23:45,520 --> 00:23:42,050

and anyone in Hope air the strange noise

571

00:23:49,150 --> 00:23:45,530

last night and then I was inundated with

572

00:23:52,450 --> 00:23:49,160

messages and basically what happened was

573

00:23:54,190 --> 00:23:52,460

around 60 people from across a hole in

574

00:23:56,260 --> 00:23:54,200

each juncture contacted me and said what

575

00:23:59,410 --> 00:23:56,270

we had it and I was able to plot a map

576

00:24:01,780 --> 00:23:59,420

and with all the times and stuff there

577

00:24:03,340 --> 00:24:01,790

was no it wasn't like a flight path this

578

00:24:05,950 --> 00:24:03,350

was literally like something that drops

579

00:24:09,190 --> 00:24:05,960

out the clouds made a loud noise then

580

00:24:12,280 --> 00:24:09,200

disappeared and you know from that point

581

00:24:14,020 --> 00:24:12,290

on I got in touch with the Civil

582

00:24:16,030 --> 00:24:14,030

Aviation Authority I got in touch with

583

00:24:17,560 --> 00:24:16,040

the Ministry of Defence I have a lot of

584

00:24:20,740 --> 00:24:17,570

contacts in the media so I got in touch

585

00:24:22,690 --> 00:24:20,750

with the BBC and the whole Daily Mail

586

00:24:24,190 --> 00:24:22,700

and they were also making inquiries and

587

00:24:26,380 --> 00:24:24,200

we were all kind of pooling our

588

00:24:28,270 --> 00:24:26,390

information in a bid to get to the

589

00:24:29,380 --> 00:24:28,280

bottom of it and while this is going on

590

00:24:31,840 --> 00:24:29,390

people are coming forward with

591

00:24:33,460 --> 00:24:31,850

suggestions and theories and so was

592

00:24:36,520 --> 00:24:33,470

researching them um and one of them

593

00:24:37,960 --> 00:24:36,530

it was that it was a Russian plane but

594

00:24:40,900 --> 00:24:37,970

we found out that there was no Russian

595

00:24:42,700 --> 00:24:40,910

planes in the sky at that time and over

596

00:24:45,670 --> 00:24:42,710

Britain so it kind of rules out the

597

00:24:48,280 --> 00:24:45,680

Russian plane and another one said well

598

00:24:50,770 --> 00:24:48,290

there was evidence of a Russian plane

599

00:24:52,660 --> 00:24:50,780

flying between London and Manchester or

600

00:24:53,170 --> 00:24:52,670

something like that but we'd found out

601
00:24:54,670 --> 00:24:53,180
that that

602
00:24:58,180 --> 00:24:54,680
grounded for about three hours before

603
00:24:59,920 --> 00:24:58,190
we'd head and you know it was really

604
00:25:01,570 --> 00:24:59,930
weird because then people were coming in

605
00:25:03,940 --> 00:25:01,580
and someone actually came in as if we

606
00:25:04,750 --> 00:25:03,950
thought it was an action which was

607
00:25:07,650 --> 00:25:04,760
interesting

608
00:25:09,940 --> 00:25:07,660
someone said they thought it was a

609
00:25:11,860 --> 00:25:09,950
double prop play and someone said it was

610
00:25:13,480 --> 00:25:11,870
a fart prop where there was all these

611
00:25:15,790 --> 00:25:13,490
different theories about what could have

612
00:25:17,230 --> 00:25:15,800
been and and while this was going on at

613
00:25:18,880 --> 00:25:17,240

the whole Daily Mail getting in such a

614

00:25:21,160 --> 00:25:18,890

way to say what they had picked up and

615

00:25:22,360 --> 00:25:21,170

the Civil Aviation Authority got in

616

00:25:26,080 --> 00:25:22,370

touch and they said that they are

617

00:25:27,430 --> 00:25:26,090

nothing flying and at that time the mmod

618

00:25:29,110 --> 00:25:27,440

got in touch and they said they had

619

00:25:30,910 --> 00:25:29,120

nothing in the air over that at that

620

00:25:33,430 --> 00:25:30,920

period of time they were baffled by it

621

00:25:35,470 --> 00:25:33,440

and you know really really interesting

622

00:25:36,940 --> 00:25:35,480

and we had almost had police got

623

00:25:39,540 --> 00:25:36,950

involved and they said that they had

624

00:25:41,770 --> 00:25:39,550

some police officers on Springbank

625

00:25:44,080 --> 00:25:41,780

and they aired it and they came and

626

00:25:46,750 --> 00:25:44,090

looked up in the sky but there was

627

00:25:48,760 --> 00:25:46,760

nothing in the sky and you know and it

628

00:25:52,990 --> 00:25:48,770

was just really bizarre with it's never

629

00:25:55,900 --> 00:25:53,000

been satisfactorily explained but what

630

00:25:57,340 --> 00:25:55,910

was interesting is you know they can

631

00:25:59,050 --> 00:25:57,350

urban legend where you've got like the

632

00:26:01,750 --> 00:25:59,060

original story then the story gets

633

00:26:03,700 --> 00:26:01,760

twisted your papers and magazines were

634

00:26:06,070 --> 00:26:03,710

picking up on this and various websites

635

00:26:08,650 --> 00:26:06,080

and stuff like that and there one of

636

00:26:12,190 --> 00:26:08,660

them said that I was actually a member

637

00:26:13,900 --> 00:26:12,200

of the Civil Aviation Authority and that

638

00:26:15,490 --> 00:26:13,910

I was researching it on behalf of the

639

00:26:16,900 --> 00:26:15,500

Civil Aviation Authority and I said well

640

00:26:19,930 --> 00:26:16,910

I'm not I'm a member of the public fools

641

00:26:22,260 --> 00:26:19,940

and this and you know I'm sort of

642

00:26:24,730 --> 00:26:22,270

approaching the Civil Aviation Authority

643

00:26:27,340 --> 00:26:24,740

and then from there I remember picking

644

00:26:30,970 --> 00:26:27,350

up a book couple years later called

645

00:26:32,650 --> 00:26:30,980

shadows in the sky Barney Oh Arnold and

646

00:26:34,570 --> 00:26:32,660

the story was featured in there and it

647

00:26:36,790 --> 00:26:34,580

talks about us and and what we had and

648

00:26:38,950 --> 00:26:36,800

stuff like that and that was fascinating

649

00:26:42,790 --> 00:26:38,960

because we I ended up with a paper trail

650

00:26:45,100 --> 00:26:42,800

a boulder with and you know to this day

651
00:26:46,570 --> 00:26:45,110
we still don't know what it was and you

652
00:26:49,240 --> 00:26:46,580
know lots of people came forward with

653
00:26:51,010 --> 00:26:49,250
theories and we managed to track all

654
00:26:52,570 --> 00:26:51,020
these various aeroplanes all over the

655
00:26:55,180 --> 00:26:52,580
place and none of them were flying of a

656
00:26:57,330 --> 00:26:55,190
hole at that time and and people were

657
00:27:02,410 --> 00:26:57,340
reporting this from you know places like

658
00:27:03,880 --> 00:27:02,420
we'd be with her and see Hansie and then

659
00:27:07,060 --> 00:27:03,890
all the way up the other way asked

660
00:27:08,980 --> 00:27:07,070
Shelby and you know Google with

661
00:27:11,310 --> 00:27:08,990
like that so this was heard in a massive

662
00:27:15,029 --> 00:27:11,320
radius but just don't know what it was

663
00:27:19,029 --> 00:27:15,039

yeah very very weird now I don't know um

664

00:27:22,539 --> 00:27:19,039

both myself and you I have an interest

665

00:27:24,940 --> 00:27:22,549

in some of the old UFO cases in the area

666

00:27:27,399 --> 00:27:24,950

for example we've got the warm primary

667

00:27:30,149 --> 00:27:27,409

school and we've got em an Lobby as well

668

00:27:34,149 --> 00:27:30,159

the under the schooling and the B and

669

00:27:36,100 --> 00:27:34,159

we've also got the the incident on their

670

00:27:37,629 --> 00:27:36,110

long little airplane fields that one

671

00:27:40,149 --> 00:27:37,639

it's a little bit about that Mike yeah

672

00:27:42,580 --> 00:27:40,159

well this was this was a actually a kiss

673

00:27:48,129 --> 00:27:42,590

that my yeah my dad had told me about

674

00:27:49,769 --> 00:27:48,139

when I was a young lad and yeah yeah

675

00:27:56,499 --> 00:27:49,779

this was before I was born

676

00:28:00,039 --> 00:27:56,509

this in 1967 yeah so and basically he

677

00:28:01,509 --> 00:28:00,049

told me that his friend was involved in

678

00:28:03,730 --> 00:28:01,519

a UFO case on one wheel

679

00:28:04,869 --> 00:28:03,740

and you know and I said to him well

680

00:28:07,509 --> 00:28:04,879

who's your friend and he said it's

681

00:28:10,600 --> 00:28:07,519

called Steve and it was a witness to a

682

00:28:12,549 --> 00:28:10,610

UFO landing and then you know I was

683

00:28:14,590 --> 00:28:12,559

fascinated by it and then Steve passed

684

00:28:18,039 --> 00:28:14,600

away and I was unable to talk to him and

685

00:28:19,389 --> 00:28:18,049

and I remember I spend absolutely ages

686

00:28:20,889 --> 00:28:19,399

trying to get to the bottom of this and

687

00:28:25,419 --> 00:28:20,899

it was really interesting because I

688

00:28:27,629 --> 00:28:25,429

spoke to Cameron Bernina Island it used

689

00:28:29,980 --> 00:28:27,639

to write for the whole Daily Mail and

690

00:28:32,710 --> 00:28:29,990

she used to write a column and I

691

00:28:35,289 --> 00:28:32,720

remember recovering this subject in that

692

00:28:38,440 --> 00:28:35,299

column and I was lecturing once and she

693

00:28:40,090 --> 00:28:38,450

turned up at my lecture and we were

694

00:28:41,619 --> 00:28:40,100

talking about also and at that time she

695

00:28:43,659 --> 00:28:41,629

was writing a play about the river and I

696

00:28:46,210 --> 00:28:43,669

saw it said to me you know I'd love to

697

00:28:47,740 --> 00:28:46,220

be able to read write rip stuff and but

698

00:28:50,889 --> 00:28:47,750

what I'm really interested in is this

699

00:28:52,330 --> 00:28:50,899

UFO thing at London and and she said to

700

00:28:54,519 --> 00:28:52,340

me she said I cannot remember when I

701
00:28:57,279 --> 00:28:54,529
wrote the article but it was sometime in

702
00:28:59,980 --> 00:28:57,289
then answered soured from all of the

703
00:29:04,269 --> 00:28:59,990
newspaper columns couldn't find it what

704
00:29:07,899 --> 00:29:04,279
a big fan was a an article that was

705
00:29:10,779 --> 00:29:07,909
written in the whole Daily Mail in 1970

706
00:29:14,320 --> 00:29:10,789
in October 1970 and this said that in

707
00:29:17,049 --> 00:29:14,330
July 1967 and a number of things had

708
00:29:20,409 --> 00:29:17,059
been spotted over East Yorkshire and

709
00:29:20,890 --> 00:29:20,419
lights and so on and so I was able to

710
00:29:24,460 --> 00:29:20,900
count

711
00:29:26,740 --> 00:29:24,470
in on 67 of the year and then I

712
00:29:28,930 --> 00:29:26,750
eventually found it and what I did was I

713
00:29:31,660 --> 00:29:28,940

kinda went backwards I found a newspaper

714

00:29:32,740 --> 00:29:31,670

report published in flashback and for

715

00:29:35,170 --> 00:29:32,750

those who don't know what flashback is

716

00:29:38,910 --> 00:29:35,180

flashback is a monthly newspaper

717

00:29:40,410 --> 00:29:38,920

published in all that is for heritage

718

00:29:43,960 --> 00:29:40,420

history

719

00:29:45,760 --> 00:29:43,970

it contains a lot of old full of old

720

00:29:48,160 --> 00:29:45,770

information about various areas of the

721

00:29:50,230 --> 00:29:48,170

city and they do a a column in that that

722

00:29:52,240 --> 00:29:50,240

says Amish there ten years ago on this

723

00:29:56,650 --> 00:29:52,250

day twenty years ago and so on

724

00:30:01,180 --> 00:29:56,660

it sort of said that the the on this day

725

00:30:05,770 --> 00:30:01,190

in 1967 and children in Hull spotted a

726

00:30:09,640 --> 00:30:05,780

white cigar ships object landing on a in

727

00:30:11,500 --> 00:30:09,650

Long Hill on a path and it said it was

728

00:30:15,220 --> 00:30:11,510

there two years ago this month so that

729

00:30:18,430 --> 00:30:15,230

think of me November 1967 as a as it

730

00:30:19,540 --> 00:30:18,440

there and I was able to go back then

731

00:30:21,600 --> 00:30:19,550

through the archives and they eventually

732

00:30:25,030 --> 00:30:21,610

found any old Daily Mail November 16th

733

00:30:26,680 --> 00:30:25,040

1967 the full article on it where it

734

00:30:29,710 --> 00:30:26,690

talks about the children it gives the

735

00:30:30,850 --> 00:30:29,720

names and where they lived and things

736

00:30:33,130 --> 00:30:30,860

like that the name of the police officer

737

00:30:35,650 --> 00:30:33,140

I was then able to go and was that that

738

00:30:38,350 --> 00:30:35,660

fair there now it mentions Steve always

739

00:30:40,150 --> 00:30:38,360

friends with my dad and he was mentioned

740

00:30:42,190 --> 00:30:40,160

in the articles and he passed away some

741

00:30:45,640 --> 00:30:42,200

years ago and but he was said to have

742

00:30:46,660 --> 00:30:45,650

been one of the principal boys involved

743

00:30:49,450 --> 00:30:46,670

in the case

744

00:30:51,190 --> 00:30:49,460

it was 14 at the time and he was a pupil

745

00:30:52,480 --> 00:30:51,200

at Eastern High School and he said there

746

00:30:54,970 --> 00:30:52,490

was a bright object on the ill about

747

00:30:56,919 --> 00:30:54,980

hundred and fifty hours aware I won't

748

00:30:58,840 --> 00:30:56,929

talk to about fifty ads from it it was

749

00:31:00,820 --> 00:30:58,850

as it was cigar shaped and creamy white

750

00:31:02,140 --> 00:31:00,830

it hovered on the hill and then a red

751

00:31:04,780 --> 00:31:02,150

lights that it's a flashing a bed a

752

00:31:07,150 --> 00:31:04,790

humming sound like a beer de tormenta it

753

00:31:09,060 --> 00:31:07,160

stand up as if it was on moving like

754

00:31:12,460 --> 00:31:09,070

then shot off into the sky

755

00:31:13,840 --> 00:31:12,470

circled around them disappeared and and

756

00:31:15,850 --> 00:31:13,850

it was really interesting because there

757

00:31:17,830 --> 00:31:15,860

was at that time there was a lot of

758

00:31:21,640 --> 00:31:17,840

other newspapers publishing and stuff

759

00:31:22,870 --> 00:31:21,650

about UFOs in Great Britain but it

760

00:31:24,490 --> 00:31:22,880

happened with the old Daily Mail is they

761

00:31:27,010 --> 00:31:24,500

followed the story up this that it's a

762

00:31:28,990 --> 00:31:27,020

run and articles day after day after

763

00:31:31,000 --> 00:31:29,000

there and they would approach different

764

00:31:32,200 --> 00:31:31,010

people for it for example at one point

765

00:31:34,150 --> 00:31:32,210

they approached the the whole

766

00:31:34,659 --> 00:31:34,160

Astronomical Society and said can you

767

00:31:36,970 --> 00:31:34,669

give

768

00:31:39,580 --> 00:31:36,980

the mission and they gave a theory and

769

00:31:42,159 --> 00:31:39,590

there was even a theory that Yorkshire

770

00:31:45,269 --> 00:31:42,169

water was somehow involved and it was

771

00:31:48,849 --> 00:31:45,279

possibly a helicopter from the after why

772

00:31:53,249 --> 00:31:48,859

I think I seem to remember that being

773

00:31:57,279 --> 00:31:53,259

mentioned as your electricity yes okay

774

00:31:59,950 --> 00:31:57,289

and it said the admit an emergency

775

00:32:01,720 --> 00:31:59,960

landing in the park and it said such

776

00:32:03,989 --> 00:32:01,730

such a landing could produce the lights

777

00:32:07,960 --> 00:32:03,999

and sound seen by these children and

778

00:32:09,310 --> 00:32:07,970

doesn't explain the sheer you know not

779

00:32:11,169 --> 00:32:09,320

sure what the other cops has looked like

780

00:32:14,940 --> 00:32:11,179

in 67 but pretty sure they don't like a

781

00:32:19,869 --> 00:32:14,950

cigar you know and then there was a in

782

00:32:22,599 --> 00:32:19,879

1970 there was a newspaper a part of the

783

00:32:25,060 --> 00:32:22,609

history of UFO reports in home and it

784

00:32:27,460 --> 00:32:25,070

mentioned again that a group of boys had

785

00:32:31,330 --> 00:32:27,470

seen it and it is simple if approached

786

00:32:33,820 --> 00:32:31,340

and Colin Watson it was a quite a

787

00:32:39,759 --> 00:32:33,830

popular name in that the old newspapers

788

00:32:41,259 --> 00:32:39,769

and Colin Watson was I believe he was

789

00:32:44,049 --> 00:32:41,269

involved in astronomy but it used to

790

00:32:45,789 --> 00:32:44,059

take on a lot of local UFO reports and

791

00:32:47,739 --> 00:32:45,799

all the newspaper reports of the 60s and

792

00:32:49,539 --> 00:32:47,749

70s they always went to him and sports

793

00:32:52,590 --> 00:32:49,549

women it give his counter view and

794

00:32:57,070 --> 00:32:52,600

opinion and Watson came forward and said

795

00:32:58,629 --> 00:32:57,080

he believed it was a helicopter but the

796

00:33:01,749 --> 00:32:58,639

interesting thing I mean I got in touch

797

00:33:04,269 --> 00:33:01,759

with them officer Jack Sikes and sports

798

00:33:05,619 --> 00:33:04,279

oh and I got in touch with his family

799

00:33:08,320 --> 00:33:05,629

about whether or not they had his

800

00:33:10,330 --> 00:33:08,330

logbook and there didn't then I got in

801
00:33:12,669 --> 00:33:10,340
touch with understand police no homicide

802
00:33:14,859 --> 00:33:12,679
police their archives are now well that

803
00:33:16,989 --> 00:33:14,869
the each round in our cabs in Beverley

804
00:33:19,710 --> 00:33:16,999
so I went there and asked them if they

805
00:33:22,060 --> 00:33:19,720
had a police officer Jack Sykes notebook

806
00:33:23,680 --> 00:33:22,070
and it took him a few days to get back

807
00:33:25,960 --> 00:33:23,690
to me but they said it was wasn't

808
00:33:27,729 --> 00:33:25,970
present in their collection leading them

809
00:33:31,330 --> 00:33:27,739
to believe it was either destroyed or

810
00:33:34,090 --> 00:33:31,340
it's somewhere else so it's a bit

811
00:33:36,519 --> 00:33:34,100
frustrating really yeah it's a

812
00:33:38,950 --> 00:33:36,529
fascinating case and really I mean I

813
00:33:40,479 --> 00:33:38,960

visited the park and it's it's quite an

814

00:33:41,799 --> 00:33:40,489

eerie place it's kind of out on a limit

815

00:33:45,669 --> 00:33:41,809

right at the edge of the city boundary

816

00:33:48,000 --> 00:33:45,679

and it's yes it yeah of course these the

817

00:33:50,910 --> 00:33:48,010

M what we in Holly

818

00:33:54,750 --> 00:33:50,920

Yorkshire called the drain drain dren

819

00:33:57,510 --> 00:33:54,760

next to it which is like a man-made Dyke

820

00:33:59,910 --> 00:33:57,520

really were a river too to take away

821

00:34:02,520 --> 00:33:59,920

water from the floodplains out into the

822

00:34:03,960 --> 00:34:02,530

into the river Humber so that makes it a

823

00:34:05,970 --> 00:34:03,970

little bit past spooky as well because

824

00:34:07,650 --> 00:34:05,980

it's right next to all this isn't it

825

00:34:09,389 --> 00:34:07,660

yeah I mean if you found one way and

826

00:34:11,280 --> 00:34:09,399

look you can see blocks of flats in a

827

00:34:14,159 --> 00:34:11,290

modern school and then a bunions and

828

00:34:15,570 --> 00:34:14,169

it's just an expanse of fields really so

829

00:34:17,669 --> 00:34:15,580

this is beyond the edge of the city

830

00:34:18,960 --> 00:34:17,679

and even though hollows expanded greatly

831

00:34:21,060 --> 00:34:18,970

around that power

832

00:34:22,830 --> 00:34:21,070

it hasn't that back is still right on

833

00:34:24,960 --> 00:34:22,840

the edge of the the country yeah right

834

00:34:27,270 --> 00:34:24,970

near the Greenbelt so you can stamp down

835

00:34:27,930 --> 00:34:27,280

a plane and look out into the vast vast

836

00:34:30,780 --> 00:34:27,940

nothingness

837

00:34:34,110 --> 00:34:30,790

you're not only interested in in UFOs

838

00:34:36,690 --> 00:34:34,120

and ghosts you're actually well I know

839

00:34:41,100 --> 00:34:36,700

for a fact that you you're actually seen

840

00:34:44,030 --> 00:34:41,110

as one of the authorities on a certain

841

00:34:46,080 --> 00:34:44,040

gentleman from London who in the late

842

00:34:46,740 --> 00:34:46,090

18-hundreds became known as Jack the

843

00:34:49,710 --> 00:34:46,750

Ripper

844

00:34:51,659 --> 00:34:49,720

well was he from London Mike and I mean

845

00:34:54,419 --> 00:34:51,669

basically when I came to the Jack the

846

00:34:57,150 --> 00:34:54,429

Ripper case this was this was again from

847

00:34:59,160 --> 00:34:57,160

my dad and he had his own ferret in his

848

00:35:00,540 --> 00:34:59,170

own stories and he set me on his knee

849

00:35:03,440 --> 00:35:00,550

and was a kid and tell me all these

850

00:35:06,960 --> 00:35:03,450

stories and then as you pointed to and

851
00:35:09,060 --> 00:35:06,970
research these and one of his theories

852
00:35:11,640 --> 00:35:09,070
was that it was a doctor that lived on

853
00:35:14,070 --> 00:35:11,650
Church Street in drop off which is no

854
00:35:15,450 --> 00:35:14,080
longer there and but I found out what it

855
00:35:17,700 --> 00:35:15,460
was actually talking about was a guy who

856
00:35:19,580 --> 00:35:17,710
was from Church Street in school Kurth

857
00:35:23,010 --> 00:35:19,590
which is at the other side of the river

858
00:35:24,960 --> 00:35:23,020
yeah and I just started researching the

859
00:35:27,390 --> 00:35:24,970
connections between these individuals

860
00:35:30,060 --> 00:35:27,400
and the kids and these individuals and

861
00:35:32,400 --> 00:35:30,070
hope and I uncovered 14 different

862
00:35:35,700 --> 00:35:32,410
suspects from whole with with links to

863
00:35:38,790 --> 00:35:35,710

the Jack the Ripper case from notorious

864

00:35:42,660 --> 00:35:38,800

multiple murderers and all the way down

865

00:35:45,600 --> 00:35:42,670

to you know thief's writers researchers

866

00:35:48,090 --> 00:35:45,610

and you know under to this fasten it and

867

00:35:50,460 --> 00:35:48,100

then it's really took it's been such a

868

00:35:51,900 --> 00:35:50,470

laugh and researching them because it

869

00:35:53,490 --> 00:35:51,910

stopped me on such a weird journey you

870

00:35:54,660 --> 00:35:53,500

know one minute I'm in London lecturing

871

00:35:56,700 --> 00:35:54,670

about them the next minute I'm at a

872

00:35:58,230 --> 00:35:56,710

school talking to school kids because in

873

00:36:01,470 --> 00:35:58,240

howl at them and each other.if is on the

874

00:36:04,560 --> 00:36:03,300

yeah so kids my daughter Kayla from

875

00:36:06,420 --> 00:36:04,570

school the adventure was like you'll

876

00:36:09,510 --> 00:36:06,430

never guess what and she was doing Jack

877

00:36:12,570 --> 00:36:09,520

the Ripper i sat down about 200 books on

878

00:36:14,370 --> 00:36:12,580

an against a day girl read them but yeah

879

00:36:16,260 --> 00:36:14,380

and it's I mean it's a fascinating case

880

00:36:18,990 --> 00:36:16,270

it's weird as well because one of the

881

00:36:20,880 --> 00:36:19,000

guys was resection was crumpled he lived

882

00:36:23,370 --> 00:36:20,890

in school cause he live near Babson

883

00:36:25,950 --> 00:36:23,380

drain and an eva at first I was about

884

00:36:27,540 --> 00:36:25,960

Bam's to the drain and and he also wet

885

00:36:29,460 --> 00:36:27,550

and white forget as well so there's a

886

00:36:32,670 --> 00:36:29,470

lot of local links and between this

887

00:36:35,640 --> 00:36:32,680

individual and it was it was linked to

888

00:36:37,320 --> 00:36:35,650

people like Aleister Crowley Madame

889

00:36:39,420 --> 00:36:37,330

Blavatsky you know all these kind of

890

00:36:41,670 --> 00:36:39,430

weird and wonderful people from this it

891

00:36:44,040 --> 00:36:41,680

the spiritualism and theosophy movements

892

00:36:46,830 --> 00:36:44,050

and stuff like that so it was a really

893

00:36:49,109 --> 00:36:46,840

interesting character you know

894

00:36:51,300 --> 00:36:49,119

absolutely fascinating and I don't think

895

00:36:53,820 --> 00:36:51,310

he was Jack the Ripper well as a person

896

00:36:55,320 --> 00:36:53,830

as an individual he is just fascinate

897

00:36:59,520 --> 00:36:55,330

and he wrote what we had stuff from

898

00:37:02,099 --> 00:36:59,530

black magic and it returns the Rashomon

899

00:37:03,990 --> 00:37:02,109

levity he reckons he was asleep in Paris

900

00:37:05,490 --> 00:37:04,000

where his body well company was in

901
00:37:08,340 --> 00:37:05,500
Germany and and all this kind of stuff

902
00:37:11,849 --> 00:37:08,350
on it you really really fantastic and a

903
00:37:13,170 --> 00:37:11,859
Victorian crime suspect there Mike II

904
00:37:15,870 --> 00:37:13,180
know you've done all this research and

905
00:37:17,820 --> 00:37:15,880
jugglery but I remember when I think the

906
00:37:19,830 --> 00:37:17,830
only time we met the second first time I

907
00:37:22,650 --> 00:37:19,840
beg your pardon I asked you if you've

908
00:37:24,450 --> 00:37:22,660
got a prime suspect the reason I ask is

909
00:37:29,490 --> 00:37:24,460
because I've got I've got an old friend

910
00:37:33,120 --> 00:37:29,500
sadly Zillah is ill and the one thing in

911
00:37:33,840 --> 00:37:33,130
this field that fascinates him is Jack

912
00:37:36,690 --> 00:37:33,850
the Ripper

913
00:37:39,330 --> 00:37:36,700

yeah and you know he's got he's not an

914

00:37:44,880 --> 00:37:39,340

expert it's just you know an interest in

915

00:37:49,380 --> 00:37:44,890

it was it come on well if I knew that

916

00:37:50,130 --> 00:37:49,390

I'd be a millionaire a prime suspect

917

00:37:51,480 --> 00:37:50,140

Percy

918

00:37:53,040 --> 00:37:51,490

I like I like looking at the genealogy

919

00:37:54,960 --> 00:37:53,050

side of them and where they came from

920

00:37:58,290 --> 00:37:54,970

and what what what did you didn't away

921

00:37:59,340 --> 00:37:58,300

from and why they're suspect and one of

922

00:38:00,780 --> 00:37:59,350

the most interesting people I've

923

00:38:04,109 --> 00:38:00,790

researched was Frederick Billy diamond

924

00:38:06,120 --> 00:38:04,119

Damian was a multiple murderer and he

925

00:38:07,710 --> 00:38:06,130

killed his first wife and four kids he

926

00:38:10,859 --> 00:38:07,720

killed his third wife he was a bigamist

927

00:38:12,710 --> 00:38:10,869

and he was in Hall at one point it got

928

00:38:15,300 --> 00:38:12,720

sent to prison for nine bombs

929

00:38:16,950 --> 00:38:15,310

fraud when he came out

930

00:38:19,560 --> 00:38:16,960

was married down the road with a throat

931

00:38:22,380 --> 00:38:19,570

cook and she was a bit of a character

932

00:38:24,780 --> 00:38:22,390

and in 1892 he was arrested in Australia

933

00:38:26,160 --> 00:38:24,790

the police eventually caught him and it

934

00:38:29,430 --> 00:38:26,170

came out that it was supposedly in

935

00:38:31,800 --> 00:38:29,440

Whitechapel in 1888 a dressmaker said

936

00:38:33,960 --> 00:38:31,810

she could identify him and a gentleman

937

00:38:35,040 --> 00:38:33,970

in Canada said it seemed imminent they

938

00:38:36,660 --> 00:38:35,050

were Napa letters from one of the

939

00:38:39,180 --> 00:38:36,670

victims and there was a lot of

940

00:38:40,770 --> 00:38:39,190

circumstantial evidence and but the

941

00:38:42,060 --> 00:38:40,780

authorities just kind of cleared it down

942

00:38:44,280 --> 00:38:42,070

I mean they've got the man for one of

943

00:38:47,370 --> 00:38:44,290

them there so they destroy him in 1892

944

00:38:50,760 --> 00:38:47,380

and that was yeah and do you think it

945

00:38:52,590 --> 00:38:50,770

was one person man I know I know one

946

00:38:54,870 --> 00:38:52,600

piece I read it and I haven't read much

947

00:38:56,640 --> 00:38:54,880

out almost a bit I'd admit that Mike

948

00:38:59,220 --> 00:38:56,650

that the ranking that there may be

949

00:39:02,940 --> 00:38:59,230

multiple murderers that some of them

950

00:39:06,270 --> 00:39:02,950

were copycat for want of a better word

951

00:39:08,490 --> 00:39:06,280

or that the the police just lump them

952

00:39:10,320 --> 00:39:08,500

all together at the time because that

953

00:39:10,920 --> 00:39:10,330

you know that nothing that couldn't

954

00:39:13,110 --> 00:39:10,930

figure it out

955

00:39:14,850 --> 00:39:13,120

anyway you think there was just one

956

00:39:17,160 --> 00:39:14,860

person involved I wonder several

957

00:39:19,020 --> 00:39:17,170

murderers and well this is the thing he

958

00:39:21,900 --> 00:39:19,030

said this is this is quite an old theory

959

00:39:25,170 --> 00:39:21,910

basically that the idea is that things

960

00:39:27,150 --> 00:39:25,180

like Elizabeth Strad for example some

961

00:39:29,520 --> 00:39:27,160

people believe that she was killed by a

962

00:39:31,230 --> 00:39:29,530

partner at the time and he just killed

963

00:39:32,700 --> 00:39:31,240

her in such a fashion that she would be

964

00:39:35,160 --> 00:39:32,710

linked him with with the Jack the Ripper

965

00:39:37,140 --> 00:39:35,170

murders and some people argue that the

966

00:39:39,360 --> 00:39:37,150

final victim Mary Kelly

967

00:39:41,310 --> 00:39:39,370

it wasn't even Mary Kelly that Mary

968

00:39:42,930 --> 00:39:41,320

Kelly was seen by eyewitnesses in the

969

00:39:45,150 --> 00:39:42,940

street after the Nazareth murder was

970

00:39:46,740 --> 00:39:45,160

supposedly taken place so some people

971

00:39:48,660 --> 00:39:46,750

believe that the victim in there wasn't

972

00:39:50,490 --> 00:39:48,670

air but someone else and then some

973

00:39:52,320 --> 00:39:50,500

people linked that matter to another

974

00:39:55,230 --> 00:39:52,330

individual so there's all these theories

975

00:39:57,270 --> 00:39:55,240

about who it was and you know and it's

976

00:39:58,800 --> 00:39:57,280

it's it's fascinating because it's when

977

00:40:00,870 --> 00:39:58,810

you get involved in that the minutiae of

978

00:40:02,760 --> 00:40:00,880

all these individuals and what they were

979

00:40:05,760 --> 00:40:02,770

doing and why they were in Whitechapel

980

00:40:07,650 --> 00:40:05,770

at that time and you know this serve I

981

00:40:09,600 --> 00:40:07,660

mean there's the last book that came out

982

00:40:12,600 --> 00:40:09,610

on suspects out of a three hundred

983

00:40:15,690 --> 00:40:12,610

suspects in no I you know when you

984

00:40:17,850 --> 00:40:15,700

better call that big it's just crazy

985

00:40:20,610 --> 00:40:17,860

you know I'm a my right am i right in

986

00:40:24,750 --> 00:40:20,620

saying I think my pal told me that one

987

00:40:29,100 --> 00:40:24,760

of the suspects was was polish his their

988

00:40:32,220 --> 00:40:29,110

son and Kosminski was a Polish Jew

989

00:40:34,410 --> 00:40:32,230

which gentleman a couple years ago a

990

00:40:36,870 --> 00:40:34,420

theory came out that did found a shop

991

00:40:39,150 --> 00:40:36,880

and on the shoulder was DNA evidence

992

00:40:40,590 --> 00:40:39,160

that kozminski was Jack the Ripper and

993

00:40:41,760 --> 00:40:40,600

this produced the book which was a

994

00:40:45,030 --> 00:40:41,770

best-seller

995

00:40:47,790 --> 00:40:45,040

it produced a museum with affiliated

996

00:40:49,440 --> 00:40:47,800

tours and then it actually came out that

997

00:40:51,420 --> 00:40:49,450

the D and there wasn't as

998

00:40:54,900 --> 00:40:51,430

hundred-percent as they made out in the

999

00:40:57,360 --> 00:40:54,910

book it was actually flawed and the the

1000

00:40:59,250 --> 00:40:57,370

item that they tested the shot we'd

1001
00:41:01,710 --> 00:40:59,260
actually tested it before that for a TV

1002
00:41:02,490 --> 00:41:01,720
show and we couldn't find any valuable

1003
00:41:05,190 --> 00:41:02,500
DNA on it

1004
00:41:06,690 --> 00:41:05,200
and also the shawl itself has no real

1005
00:41:09,510 --> 00:41:06,700
provenance there was no evidence

1006
00:41:11,250 --> 00:41:09,520
connecting it to the data pocket because

1007
00:41:13,140 --> 00:41:11,260
the police officer supposedly had it in

1008
00:41:16,380 --> 00:41:13,150
his possession wasn't linked to the East

1009
00:41:17,730 --> 00:41:16,390
End of London and so it's all and it

1010
00:41:20,100 --> 00:41:17,740
wasn't even a Charlotte was a terrible

1011
00:41:22,200 --> 00:41:20,110
so why is it Mike I mean you know you

1012
00:41:26,550 --> 00:41:22,210
can pretty much go around the world and

1013
00:41:28,470 --> 00:41:26,560

a mention Jack the Ripper and people

1014

00:41:30,180 --> 00:41:28,480

will know of the phrase if that if not a

1015

00:41:33,210 --> 00:41:30,190

lot about the case what is he about the

1016

00:41:36,750 --> 00:41:33,220

the Jack the Ripper murders that that

1017

00:41:39,870 --> 00:41:36,760

makes it stand out and be such a such a

1018

00:41:41,280 --> 00:41:39,880

hot topic of debate even today well I

1019

00:41:43,530 --> 00:41:41,290

think one of the reasons is you were

1020

00:41:45,720 --> 00:41:43,540

never caught and I think the other

1021

00:41:47,820 --> 00:41:45,730

reason is that if you go for the history

1022

00:41:51,030 --> 00:41:47,830

of Great Britain it was kind of one of

1023

00:41:54,120 --> 00:41:51,040

the first serial murderers that actually

1024

00:41:56,220 --> 00:41:54,130

had this massive media attention and you

1025

00:41:57,930 --> 00:41:56,230

know brand-new newspapers were formed

1026

00:41:59,430 --> 00:41:57,940

just to cover Jack the Ripper

1027

00:42:01,050 --> 00:41:59,440

in the East End Erland and there were

1028

00:42:03,630 --> 00:42:01,060

two or three newspapers published and by

1029

00:42:04,950 --> 00:42:03,640

the end of it was it octane you know so

1030

00:42:09,180 --> 00:42:04,960

what he's saying is it was it was

1031

00:42:10,560 --> 00:42:09,190

saleable yeah yeah it was the name you

1032

00:42:12,660 --> 00:42:10,570

know some people believe the name was

1033

00:42:16,350 --> 00:42:12,670

created by an enterprising journalist

1034

00:42:18,630 --> 00:42:16,360

who'd written the letter himself that's

1035

00:42:20,160 --> 00:42:18,640

called himself Jack the Ripper and done

1036

00:42:22,920 --> 00:42:20,170

it just to sell newspapers

1037

00:42:24,660 --> 00:42:22,930

well they're exactly the same with with

1038

00:42:27,030 --> 00:42:24,670

Kenneth Donald and flying saucers

1039

00:42:29,130 --> 00:42:27,040

Kenneth Arnold did never said I saw a

1040

00:42:32,490 --> 00:42:29,140

flying saucer that phrase was invented

1041

00:42:34,620 --> 00:42:32,500

by a journalist oh yeah yeah a lot of

1042

00:42:36,870 --> 00:42:34,630

the stories that's an important I've

1043

00:42:38,640 --> 00:42:36,880

told a story and then when you read it

1044

00:42:40,560 --> 00:42:38,650

in the paper it's completely different

1045

00:42:42,840 --> 00:42:40,570

and it makes you laugh because you know

1046

00:42:45,720 --> 00:42:42,850

some of the cases I've worked on the

1047

00:42:47,490 --> 00:42:45,730

Humber see seven in one of them when the

1048

00:42:49,200 --> 00:42:47,500

newspaper reports that again published

1049

00:42:54,030 --> 00:42:49,210

it says mike is the head of the Humber

1050

00:42:58,950 --> 00:42:54,040

monster watch no I mean I can believe

1051
00:43:03,000 --> 00:42:58,960
that Mike if you gotta set it up me I'm

1052
00:43:07,140 --> 00:43:03,010
sorry how many people are in the home at

1053
00:43:09,180 --> 00:43:07,150
one for what to my son and I just said

1054
00:43:12,120 --> 00:43:09,190
there's just me and my son and she said

1055
00:43:13,890 --> 00:43:12,130
actually and Phil you know and the body

1056
00:43:16,260 --> 00:43:13,900
and Tam's wrote and I act cool about it

1057
00:43:18,210 --> 00:43:16,270
and said then even though the creatures

1058
00:43:19,920 --> 00:43:18,220
not been seen for seven years Mike still

1059
00:43:22,110 --> 00:43:19,930
walks up and down the hall back which

1060
00:43:24,240 --> 00:43:22,120
could have been from the truth but you

1061
00:43:25,920 --> 00:43:24,250
know it's so funny because they've done

1062
00:43:28,890 --> 00:43:25,930
it with a lot of my stories that there

1063
00:43:30,630 --> 00:43:28,900

was one where I was in the cemetery a

1064

00:43:34,230 --> 00:43:30,640

few years ago and I spotted a young

1065

00:43:36,900 --> 00:43:34,240

gentleman and a young lad 8 and they

1066

00:43:39,630 --> 00:43:36,910

were they were making a movie

1067

00:43:40,920 --> 00:43:39,640

no they weren't wearing many clothes and

1068

00:43:43,170 --> 00:43:40,930

they were in the middle of lovemaking

1069

00:43:46,650 --> 00:43:43,180

and at the time it was just my friend

1070

00:43:48,480 --> 00:43:46,660

and myself and must break I'm you know

1071

00:43:50,040 --> 00:43:48,490

I'm sorry general I'm laughing Mike

1072

00:43:54,060 --> 00:43:50,050

because I knew you was going to mention

1073

00:43:55,560 --> 00:43:54,070

this was a genuine that event that

1074

00:43:57,810 --> 00:43:55,570

happened my friend saw these people

1075

00:43:59,430 --> 00:43:57,820

filming this this pond filled one said

1076

00:44:02,250 --> 00:43:59,440

don't look now but there's a naked lady

1077

00:44:04,530 --> 00:44:02,260

in the cemetery oh well just a very

1078

00:44:06,990 --> 00:44:04,540

shocked because you know she's naked and

1079

00:44:08,430 --> 00:44:07,000

the guy's neck in the film crew and my

1080

00:44:10,320 --> 00:44:08,440

friend Terry shouted it and then the

1081

00:44:12,410 --> 00:44:10,330

next you know by the time ends up in the

1082

00:44:15,780 --> 00:44:12,420

newspaper it said that

1083

00:44:16,860 --> 00:44:15,790

Holger stone is investigating Cemetery

1084

00:44:18,240 --> 00:44:16,870

in the middle of the night which wasn't

1085

00:44:21,240 --> 00:44:18,250

through it's the middle of the day and

1086

00:44:23,190 --> 00:44:21,250

and it is with all these people and the

1087

00:44:25,280 --> 00:44:23,200

invented to complete cast of characters

1088

00:44:27,450 --> 00:44:25,290

there was an old man shaking his stick

1089

00:44:29,250 --> 00:44:27,460

you know there was all these people with

1090

00:44:31,710 --> 00:44:29,260

me and it wasn't like that it was so

1091

00:44:34,200 --> 00:44:31,720

funny because when we feel paranormal

1092

00:44:36,090 --> 00:44:34,210

lockdown in Pontefract the first time I

1093

00:44:38,310 --> 00:44:36,100

met Nick ruff from Ghost Adventures and

1094

00:44:39,720 --> 00:44:38,320

paranormal lockdown it walks up to me

1095

00:44:47,610 --> 00:44:39,730

and shook my hand and he said the other

1096

00:44:49,230 --> 00:44:47,620

cemetery fungi it just shows you really

1097

00:44:53,450 --> 00:44:49,240

doesn't sit though you know we can't

1098

00:44:55,940 --> 00:44:53,460

trust any forms of media really you know

1099

00:44:58,250 --> 00:44:55,950

if all they're interested in is getting

1100

00:45:00,140 --> 00:44:58,260

its it's like certain movies it's

1101
00:45:02,450 --> 00:45:00,150
getting bums on seats getting people to

1102
00:45:04,370 --> 00:45:02,460
read and that's why they have these

1103
00:45:06,710 --> 00:45:04,380
fantastic headlines you know like Freddy

1104
00:45:08,410 --> 00:45:06,720
star it matter and for those who don't

1105
00:45:11,120 --> 00:45:08,420
know Freddy star is you know he's a

1106
00:45:14,510 --> 00:45:11,130
comedian it was quite popular in the 70s

1107
00:45:16,720 --> 00:45:14,520
and 80s he's a singer from the sixties

1108
00:45:20,329 --> 00:45:16,730
who you know went to went to comedy and

1109
00:45:23,120 --> 00:45:20,339
one of the Atlanta's EMI Amster which is

1110
00:45:23,720 --> 00:45:23,130
completely and utterly untrue but it was

1111
00:45:30,770 --> 00:45:23,730
fun

1112
00:45:32,420 --> 00:45:30,780
to sell newspapers I also it does happen

1113
00:45:34,670 --> 00:45:32,430

a lot Mike you're absolutely right I

1114

00:45:37,250 --> 00:45:34,680

also know Mike am I mean you mentioned

1115

00:45:39,530 --> 00:45:37,260

BAM stander in there a moment ago as we

1116

00:45:43,790 --> 00:45:39,540

call it in whole and remember there's no

1117

00:45:45,980 --> 00:45:43,800

itching hole and we call it balmy drain

1118

00:45:47,990 --> 00:45:45,990

and you mentioned I know you've

1119

00:45:51,559 --> 00:45:48,000

investigated the Beast of BAM stand

1120

00:45:56,150 --> 00:45:51,569

drain now I will say from about 1960 two

1121

00:45:59,000 --> 00:45:56,160

or three up to 1970-71 I actually live

1122

00:46:01,760 --> 00:45:59,010

down school courts Lynn on Baumol Street

1123

00:46:03,920 --> 00:46:01,770

which was the street and right next to

1124

00:46:05,780 --> 00:46:03,930

BAM stand rain in that area near the

1125

00:46:10,549 --> 00:46:05,790

older you'll know it maker the old

1126
00:46:14,630 --> 00:46:10,559
needless chocolate yep and you know I

1127
00:46:17,180 --> 00:46:14,640
never ever ever add one story about old

1128
00:46:18,650 --> 00:46:17,190
stinker Doolittle is about old stinker

1129
00:46:22,910 --> 00:46:18,660
Mike and well again this is another one

1130
00:46:25,609 --> 00:46:22,920
old stinker is ma up towards and Paul

1131
00:46:28,190 --> 00:46:25,619
Sinclair's neck of the woods and yeah

1132
00:46:29,870 --> 00:46:28,200
what happened was a friend of mine had

1133
00:46:32,539 --> 00:46:29,880
seen something on school coach Lynn and

1134
00:46:33,829 --> 00:46:32,549
it asked me to put a call out to see

1135
00:46:36,349 --> 00:46:33,839
what the people had seen something

1136
00:46:39,109 --> 00:46:36,359
similar now what he saw was a girly boy

1137
00:46:41,569 --> 00:46:39,119
coming from one of the cemeteries so I

1138
00:46:43,280 --> 00:46:41,579

put a status on Facebook and said has

1139

00:46:45,380 --> 00:46:43,290

anyone seen anything weird on school

1140

00:46:47,450 --> 00:46:45,390

coach Lynn and I was inundated the

1141

00:46:49,010 --> 00:46:47,460

people saying that on bounced and drill

1142

00:46:52,970 --> 00:46:49,020

it seemed something that they could only

1143

00:46:54,680 --> 00:46:52,980

describe as a creature so when pushed

1144

00:46:56,650 --> 00:46:54,690

further I said what sort of creature now

1145

00:46:58,700 --> 00:46:56,660

some people said it was like a big giant

1146

00:47:01,520 --> 00:46:58,710

some people said it was like a very

1147

00:47:03,170 --> 00:47:01,530

hairy man and which if you ever saw us

1148

00:47:05,120 --> 00:47:03,180

on damage or in on a night you'll see a

1149

00:47:08,420 --> 00:47:05,130

lot of anywhere and then some people

1150

00:47:10,789 --> 00:47:08,430

said if as a shapeshifter

1151
00:47:12,559 --> 00:47:10,799
and I ended up with 14 different departs

1152
00:47:13,999 --> 00:47:12,569
from 14 individuals that were all

1153
00:47:16,549 --> 00:47:14,009
unknown to each other while describing

1154
00:47:20,599 --> 00:47:16,559
the same thing on a very small stretch

1155
00:47:22,999 --> 00:47:20,609
between wing kamli and school courts Lin

1156
00:47:23,539 --> 00:47:23,009
which unit you can walk the area in ten

1157
00:47:26,299 --> 00:47:23,549
minutes

1158
00:47:27,739 --> 00:47:26,309
and then people were seeing it from cars

1159
00:47:30,229 --> 00:47:27,749
they were seeing it as they were walking

1160
00:47:34,549 --> 00:47:30,239
on an ie and one of them had seen it on

1161
00:47:35,989 --> 00:47:34,559
a bike and then basically what happened

1162
00:47:37,309 --> 00:47:35,999
was I wrote a report about this for the

1163
00:47:38,870 --> 00:47:37,319

whole Daily Mail and said this is what

1164

00:47:40,339 --> 00:47:38,880

people are seeing has anyone else seen

1165

00:47:43,130 --> 00:47:40,349

it in a bid to get people to come

1166

00:47:45,289 --> 00:47:43,140

forward and share their story and then

1167

00:47:47,509 --> 00:47:45,299

the national media got older this and

1168

00:47:49,190 --> 00:47:47,519

they've actually put the theory forward

1169

00:47:50,599 --> 00:47:49,200

that this was all skincare based on the

1170

00:47:53,720 --> 00:47:50,609

fact that bouncing Korean goes all the

1171

00:47:55,970 --> 00:47:53,730

way up to BAM Stern which is quite

1172

00:47:57,259 --> 00:47:55,980

they're not far from flicks this which

1173

00:47:57,979 --> 00:47:57,269

of course is where well sinker was

1174

00:47:59,809 --> 00:47:57,989

knocking about

1175

00:48:02,569 --> 00:47:59,819

so they put someone's all together at

1176

00:48:04,819 --> 00:48:02,579

court was sick and so they kind of put

1177

00:48:08,029 --> 00:48:04,829

them two legends together and you know

1178

00:48:10,339 --> 00:48:08,039

made their own little story and then it

1179

00:48:11,569 --> 00:48:10,349

was really funny because the the story

1180

00:48:12,979 --> 00:48:11,579

was originally published in the whole

1181

00:48:16,700 --> 00:48:12,989

Daily Mail I believe it went on a Friday

1182

00:48:19,430 --> 00:48:16,710

and then it that weekend it gone barrel

1183

00:48:20,989 --> 00:48:19,440

you know it was all over it was on it

1184

00:48:22,370 --> 00:48:20,999

was in all the national newspapers it

1185

00:48:25,609 --> 00:48:22,380

was in all the tabloids it was on

1186

00:48:27,650 --> 00:48:25,619

hundreds of blogs and people were coming

1187

00:48:29,450 --> 00:48:27,660

from all over to try and look for it it

1188

00:48:30,620 --> 00:48:29,460

was actually a group that came out to

1189

00:48:33,319 --> 00:48:30,630

bounce from dream where it's near

1190

00:48:34,670 --> 00:48:33,329

Beverly and they went to ask then bought

1191

00:48:36,680 --> 00:48:34,680

a chicken and hung a chickens on the

1192

00:48:38,769 --> 00:48:36,690

bridge then wondered why nothing

1193

00:48:42,440 --> 00:48:38,779

happened because that's not where to say

1194

00:48:44,269 --> 00:48:42,450

there was actually in the media it was

1195

00:48:45,979 --> 00:48:44,279

kind of a bit tongue-in-cheek really

1196

00:48:47,479 --> 00:48:45,989

because the British media was sort of

1197

00:48:48,829 --> 00:48:47,489

senior this is growing all and the walk

1198

00:48:51,499 --> 00:48:48,839

around a lake with torch and pitchforks

1199

00:48:53,390 --> 00:48:51,509

and and it wasn't like that all it was

1200

00:48:54,650 --> 00:48:53,400

literally like a paranormal

1201
00:48:57,259 --> 00:48:54,660
investigation we had night-vision

1202
00:48:59,329 --> 00:48:57,269
cameras and stuff didn't found anything

1203
00:49:02,120 --> 00:48:59,339
we found a few things that not really

1204
00:49:03,470 --> 00:49:02,130
conclusive but interested and then I

1205
00:49:05,569 --> 00:49:03,480
sort of said to the media

1206
00:49:06,739 --> 00:49:05,579
look why did you come and join the hunt

1207
00:49:08,690 --> 00:49:06,749
why don't you come with us and see what

1208
00:49:10,759 --> 00:49:08,700
we can found together and they came to

1209
00:49:11,989 --> 00:49:10,769
hold and I took them down BAM sand drain

1210
00:49:15,710 --> 00:49:11,999
in the middle of the night and as we got

1211
00:49:17,839 --> 00:49:15,720
to the bottom of fountain were the sorry

1212
00:49:20,870 --> 00:49:17,849
Stephanie Lynn and there was some

1213
00:49:23,780 --> 00:49:20,880

movement in some bushes and

1214

00:49:25,640 --> 00:49:23,790

we went sort of level with this movement

1215

00:49:28,430 --> 00:49:25,650

and wish on the torch across and we

1216

00:49:31,540 --> 00:49:28,440

could see green eyeshade coming back but

1217

00:49:34,970 --> 00:49:31,550

it whatever it was had a big edge and

1218

00:49:37,160 --> 00:49:34,980

I'm Charles Richardson was there with us

1219

00:49:39,380 --> 00:49:37,170

he's written a few books on foil and

1220

00:49:41,420 --> 00:49:39,390

stuff like that and he couldn't add them

1221

00:49:42,890 --> 00:49:41,430

that you buy his rifles there she's

1222

00:49:44,510 --> 00:49:42,900

really good an animal tracking and stuff

1223

00:49:46,010 --> 00:49:44,520

she couldn't identify it and that's

1224

00:49:47,990 --> 00:49:46,020

where watching another one pops up next

1225

00:49:49,940 --> 00:49:48,000

to it so these two creatures looking at

1226
00:49:51,710 --> 00:49:49,950
as we don't want the act at AER amount

1227
00:49:54,460 --> 00:49:51,720
of the assemble well to me the end that

1228
00:49:58,310 --> 00:49:54,470
all of our lifetime school cause women

1229
00:49:59,840 --> 00:49:58,320
and said no why did you run and they

1230
00:50:01,850 --> 00:49:59,850
said we'll with every parts you can jump

1231
00:50:03,020 --> 00:50:01,860
over the drain and the next day in all

1232
00:50:05,060 --> 00:50:03,030
fairness to and they actually published

1233
00:50:06,830 --> 00:50:05,070
the report as it happened and said look

1234
00:50:11,000 --> 00:50:06,840
this is what we found was sorry we agree

1235
00:50:13,580 --> 00:50:11,010
now what they were and and then you know

1236
00:50:15,170 --> 00:50:13,590
TV shows got involved I took most TV out

1237
00:50:17,780 --> 00:50:15,180
we've got some compelling evidence we

1238
00:50:20,180 --> 00:50:17,790

there was a big bang in a very wooded

1239

00:50:21,770 --> 00:50:20,190

undergrowth area and it's it sounded

1240

00:50:23,480 --> 00:50:21,780

like something logic to fallen from a

1241

00:50:24,740 --> 00:50:23,490

tree and this was in the middle of the

1242

00:50:27,140 --> 00:50:24,750

night it was about midnight it's

1243

00:50:28,520 --> 00:50:27,150

powering down were red and the cameraman

1244

00:50:30,590 --> 00:50:28,530

turn round and be out and was a

1245

00:50:32,690 --> 00:50:30,600

gentleman struggling sharps and th

1246

00:50:35,000 --> 00:50:32,700

watching us in a middle of this really

1247

00:50:36,980 --> 00:50:35,010

wooded area and he just kind of looked

1248

00:50:39,260 --> 00:50:36,990

and walked off so that the film crews

1249

00:50:41,570 --> 00:50:39,270

were really freaking out about it and

1250

00:50:43,970 --> 00:50:41,580

and then we went a little bit fair there

1251
00:50:46,130 --> 00:50:43,980
and you could hear dogs howling and

1252
00:50:47,450 --> 00:50:46,140
stuff it was quite eerie you know I know

1253
00:50:48,680 --> 00:50:47,460
school courts learn you'll know you

1254
00:50:52,330 --> 00:50:48,690
something's all the cemeteries around

1255
00:50:54,350 --> 00:50:52,340
there and so that for the atmosphere and

1256
00:50:55,940 --> 00:50:54,360
when they showed it on film they

1257
00:50:57,350 --> 00:50:55,950
actually showed it as a asum that I was

1258
00:50:58,700 --> 00:50:57,360
really surprised about that because I

1259
00:51:01,400 --> 00:50:58,710
thought they were gonna turn the covers

1260
00:51:03,650 --> 00:51:01,410
a little bit and we've just recently

1261
00:51:05,780 --> 00:51:03,660
shot with the Travel Channel with film

1262
00:51:07,550 --> 00:51:05,790
monster lands werewolf alone countless

1263
00:51:09,920 --> 00:51:07,560

with them watching yes that's just aired

1264

00:51:12,080 --> 00:51:09,930

in the US it's not been unimportant yet

1265

00:51:13,520 --> 00:51:12,090

so I've yet to watch that but I did have

1266

00:51:15,710 --> 00:51:13,530

a friend contract mean she said that

1267

00:51:18,910 --> 00:51:15,720

she'd watch getting seen it in there it

1268

00:51:21,650 --> 00:51:18,920

went down quite well and we've had

1269

00:51:23,420 --> 00:51:21,660

people from all walks of life come down

1270

00:51:24,940 --> 00:51:23,430

from you know students famine all

1271

00:51:28,070 --> 00:51:24,950

investigators

1272

00:51:30,080 --> 00:51:28,080

cryptozoologists animal expert and we

1273

00:51:32,780 --> 00:51:30,090

found stuff we found thousands of big

1274

00:51:34,190 --> 00:51:32,790

piles of scat and we found a grave that

1275

00:51:40,339 --> 00:51:34,200

was welcomed with scratch mark

1276
00:51:42,290 --> 00:51:40,349
yeah there with some animals that are

1277
00:51:44,930 --> 00:51:42,300
ripped apart just completely shredded

1278
00:51:46,880 --> 00:51:44,940
and all that's left is blood and fat and

1279
00:51:48,410 --> 00:51:46,890
we found quite a lot of that along the

1280
00:51:50,630 --> 00:51:48,420
drill and martial arts awards and

1281
00:51:52,000 --> 00:51:50,640
cemeteries on school cross where we

1282
00:51:54,500 --> 00:51:52,010
don't know what's causing this

1283
00:51:56,450 --> 00:51:54,510
so yeah it's rich a really bizarre kiss

1284
00:51:59,150 --> 00:51:56,460
I don't personally believe there's a

1285
00:52:01,280 --> 00:51:59,160
werewolf out well the evidence that

1286
00:52:02,450 --> 00:52:01,290
people are coming forward with it's

1287
00:52:04,490 --> 00:52:02,460
quite compelling you know in these

1288
00:52:06,740 --> 00:52:04,500

reports go right back yeah at least one

1289

00:52:09,020 --> 00:52:06,750

I think we had was from the 50s when the

1290

00:52:11,000 --> 00:52:09,030

old rail where land was there and we've

1291

00:52:12,740 --> 00:52:11,010

had people yeah I would a gentleman from

1292

00:52:14,120 --> 00:52:12,750

the whole city council dangerous dogs

1293

00:52:15,560 --> 00:52:14,130

Department going to church and said see

1294

00:52:17,930 --> 00:52:15,570

he's been called out because someone had

1295

00:52:19,730 --> 00:52:17,940

seen a war on bounced and drained Joe in

1296

00:52:24,230 --> 00:52:19,740

the 1980s and when he's got down to the

1297

00:52:26,180 --> 00:52:24,240

dream and people were visibly shaken and

1298

00:52:28,460 --> 00:52:26,190

but when he got there we could find no

1299

00:52:30,800 --> 00:52:28,470

evidence of it and and then you know we

1300

00:52:33,680 --> 00:52:30,810

sports of the guy who was at the garage

1301
00:52:35,810 --> 00:52:33,690
the MRT carriage and they said that

1302
00:52:36,829 --> 00:52:35,820
repolish stuff and I did a lecture it

1303
00:52:38,180 --> 00:52:36,839
not in a minute the end the guy

1304
00:52:39,710 --> 00:52:38,190
approached me and said to I used to

1305
00:52:42,079 --> 00:52:39,720
live on school cutaway little up body

1306
00:52:43,819 --> 00:52:42,089
and he remember us walking down down the

1307
00:52:46,430 --> 00:52:43,829
track to build a bank with his friends

1308
00:52:48,200 --> 00:52:46,440
and he went through the undergrowth when

1309
00:52:50,780 --> 00:52:48,210
studying something that was all sloppy

1310
00:52:52,970 --> 00:52:50,790
and really hot and he looked down and he

1311
00:52:54,500 --> 00:52:52,980
said there was the cactus of a wall but

1312
00:52:55,490 --> 00:52:54,510
it refused to tell his mom and that

1313
00:52:57,620 --> 00:52:55,500

because he thought I'd get in trouble

1314

00:52:59,420 --> 00:52:57,630

and it's your things like that way you'd

1315

00:53:02,950 --> 00:52:59,430

sure close to the evidence but then so

1316

00:53:05,410 --> 00:53:02,960

far away so that was quite a few and

1317

00:53:08,109 --> 00:53:05,420

it's like it's like searching for

1318

00:53:10,400 --> 00:53:08,119

Bigfoot into or the Sasquatch you know

1319

00:53:13,730 --> 00:53:10,410

evidence seems to be there to suggest

1320

00:53:15,500 --> 00:53:13,740

but nothing is ever conclusive

1321

00:53:17,150 --> 00:53:15,510

you know what this is why we're all in

1322

00:53:19,040 --> 00:53:17,160

fascinating and interested in this

1323

00:53:21,140 --> 00:53:19,050

subject because we're all looking for

1324

00:53:23,210 --> 00:53:21,150

that evidence that's going to you know

1325

00:53:25,609 --> 00:53:23,220

hit the nail on the edge to put it

1326

00:53:27,620 --> 00:53:25,619

bluntly I mean like you know my cam you

1327

00:53:29,420 --> 00:53:27,630

know a live close to the grocery I also

1328

00:53:31,220 --> 00:53:29,430

used to live down Bournemouth straight

1329

00:53:33,440 --> 00:53:31,230

as I say which is at the end of school

1330

00:53:36,040 --> 00:53:33,450

courts learn those two graveyards you've

1331

00:53:37,760 --> 00:53:36,050

talked about I get to admit it now

1332

00:53:39,800 --> 00:53:37,770

perhaps with a little bit of

1333

00:53:42,470 --> 00:53:39,810

embarrassment that as a kid we used to

1334

00:53:45,829 --> 00:53:42,480

play in those graveyards but we'd never

1335

00:53:47,600 --> 00:53:45,839

ever aired anything about werewolves or

1336

00:53:49,310 --> 00:53:47,610

strange goings-on in

1337

00:53:51,620 --> 00:53:49,320

those areas and you know like I said

1338

00:53:53,660 --> 00:53:51,630

before I lived in those areas for maybe

1339

00:53:57,500 --> 00:53:53,670

89 years of my early years on this

1340

00:54:00,200 --> 00:53:57,510

planet and not once did I ever hear

1341

00:54:14,990 --> 00:54:00,210

anything about about this might be one

1342

00:54:16,430 --> 00:54:15,000

of your suspects I reckon so what kind

1343

00:54:21,050 --> 00:54:16,440

of things you planning now Mike what

1344

00:54:23,600 --> 00:54:21,060

what you doing looking at at the moment

1345

00:54:26,090 --> 00:54:23,610

I'm working on a new series of books and

1346

00:54:28,310 --> 00:54:26,100

they're part of a mike koval investigate

1347

00:54:31,370 --> 00:54:28,320

series I'm just about finished on one

1348

00:54:32,750 --> 00:54:31,380

about holes and legends you might have

1349

00:54:34,520 --> 00:54:32,760

seen me ask the question leave it there

1350

00:54:37,700 --> 00:54:34,530

just to get people to tease people a

1351
00:54:39,860 --> 00:54:37,710
little bit yeah what the people consider

1352
00:54:42,080 --> 00:54:39,870
holes urban legends and I've been

1353
00:54:43,340 --> 00:54:42,090
working on a investigation of the

1354
00:54:45,980 --> 00:54:43,350
screaming skull of that and I can

1355
00:54:49,790 --> 00:54:45,990
resolve that's just about finished and

1356
00:54:53,510 --> 00:54:49,800
and then recently I've just I've just

1357
00:54:58,940 --> 00:54:53,520
finished right in you see I've got that

1358
00:55:00,470 --> 00:54:58,950
many okay I've just completed a book

1359
00:55:03,650 --> 00:55:00,480
about Jack the Ripper's connections to

1360
00:55:05,270 --> 00:55:03,660
Beverly with you I've finished and I've

1361
00:55:08,060 --> 00:55:05,280
just finished writing a book about this

1362
00:55:10,940 --> 00:55:08,070
site in East Yorkshire and the reason

1363
00:55:12,770 --> 00:55:10,950

why a wet on that project is if you ever

1364

00:55:15,920 --> 00:55:12,780

pick up a book about Gerstein Archer to

1365

00:55:18,890 --> 00:55:15,930

talk about North Yorkshire and you know

1366

00:55:20,740 --> 00:55:18,900

you'll fan maybe and fairies drive in

1367

00:55:26,060 --> 00:55:20,750

West Yorkshire to talk about that

1368

00:55:27,950 --> 00:55:26,070

stuffing Leeds Whitby you know what

1369

00:55:30,050 --> 00:55:27,960

we'll never talk about East job chair we

1370

00:55:32,000 --> 00:55:30,060

always kind of get left out and I

1371

00:55:34,850 --> 00:55:32,010

thought it it warrant in a book of it

1372

00:55:36,410 --> 00:55:34,860

turn and then you know I thought we've

1373

00:55:39,070 --> 00:55:36,420

got there an agonist we've got there it

1374

00:55:42,020 --> 00:55:39,080

comes to ball you know got skip see

1375

00:55:45,590 --> 00:55:42,030

we've got a few tails railing that can

1376

00:55:49,700 --> 00:55:45,600

kind of fill a book and I ended up

1377

00:55:52,280 --> 00:55:49,710

police it's over 270 pages long and you

1378

00:55:53,750 --> 00:55:52,290

know there's a live in there and what I

1379

00:55:56,170 --> 00:55:53,760

did with that is I actually traveled

1380

00:55:58,670 --> 00:55:56,180

around and went to the villages and and

1381

00:56:00,620 --> 00:55:58,680

spoke to people in the villages and

1382

00:56:01,670 --> 00:56:00,630

that's great you know met a lot of

1383

00:56:04,250 --> 00:56:01,680

people and

1384

00:56:06,620 --> 00:56:04,260

and and it's like a census really of

1385

00:56:10,579 --> 00:56:06,630

course I Indonesia object and and again

1386

00:56:13,250 --> 00:56:10,589

absolutely sorry Mike I was just going

1387

00:56:15,410 --> 00:56:13,260

to say it is usually if we do get one

1388

00:56:16,880 --> 00:56:15,420

mentioned from East Yorkshire it's

1389

00:56:18,859 --> 00:56:16,890

usually the Burton Agnes

1390

00:56:20,569 --> 00:56:18,869

yeah event isn't it with it really at

1391

00:56:21,799 --> 00:56:20,579

the the school that's personally buried

1392

00:56:23,839 --> 00:56:21,809

in the wall there somewhere

1393

00:56:26,839 --> 00:56:23,849

well what I did with the bat and Agnes

1394

00:56:28,549 --> 00:56:26,849

one and I mean added estaba growing up

1395

00:56:31,760 --> 00:56:28,559

you know there's a screaming school up

1396

00:56:33,380 --> 00:56:31,770

there and act there and then I started

1397

00:56:35,029 --> 00:56:33,390

researching it and discovered that there

1398

00:56:37,099 --> 00:56:35,039

was quite a lot of different variations

1399

00:56:39,380 --> 00:56:37,109

on the story so I thought it'd be great

1400

00:56:42,440 --> 00:56:39,390

so I'm a book just full of every single

1401

00:56:45,440 --> 00:56:42,450

there yes chill on the story and at the

1402

00:56:48,760 --> 00:56:45,450

moment the book is almost finished it's

1403

00:56:51,500 --> 00:56:48,770

not completed it's 210 pages long and

1404

00:56:53,269 --> 00:56:51,510

but in terms of references and so for

1405

00:56:58,220 --> 00:56:53,279

400 references in there 400 different

1406

00:57:00,859 --> 00:56:58,230

story and you know all covering the the

1407

00:57:02,930 --> 00:57:00,869

idea of a screaming school and the weird

1408

00:57:05,930 --> 00:57:02,940

thing is you know the school supposedly

1409

00:57:08,569 --> 00:57:05,940

comes from the head of an Twitter it was

1410

00:57:10,700 --> 00:57:08,579

a a low lift at the hall and she was

1411

00:57:14,539 --> 00:57:10,710

murdered and she was buried in the

1412

00:57:17,539 --> 00:57:14,549

church then she was exhumed and and had

1413

00:57:18,980 --> 00:57:17,549

that was the owner of the hall and and I

1414

00:57:20,680 --> 00:57:18,990

went for the family tree of the family

1415

00:57:24,410 --> 00:57:20,690

and discovered that she don't even exist

1416

00:57:26,359 --> 00:57:24,420

there's no record of her edit there's no

1417

00:57:28,039 --> 00:57:26,369

record it was a justice of the peace he

1418

00:57:29,240 --> 00:57:28,049

was involved heavily with the law and

1419

00:57:31,099 --> 00:57:29,250

yet he never launched the investigation

1420

00:57:33,200 --> 00:57:31,109

into his own daughter's death and

1421

00:57:34,700 --> 00:57:33,210

there's no record of her being buried is

1422

00:57:36,140 --> 00:57:34,710

no record of a plea in their doomed to

1423

00:57:38,690 --> 00:57:36,150

be going the church is nothing that

1424

00:57:40,430 --> 00:57:38,700

indicates she was buried in the jack but

1425

00:57:42,859 --> 00:57:40,440

coincidentally if he do go in the church

1426

00:57:46,160 --> 00:57:42,869

it suggests to the whole the Griffith

1427

00:57:48,289 --> 00:57:46,170

family to has school motifs on it so I

1428

00:57:50,150 --> 00:57:48,299

think what's happened is the story just

1429

00:57:52,370 --> 00:57:50,160

grown it's been told and retold we've

1430

00:57:53,599 --> 00:57:52,380

grown and grown and grown and the

1431

00:57:56,510 --> 00:57:53,609

interesting thing is if you're going to

1432

00:57:58,160 --> 00:57:56,520

the history of magnets in the early

1433

00:58:01,190 --> 00:57:58,170

eighteen hundreds a servant girl was

1434

00:58:03,769 --> 00:58:01,200

actually assaulted and near st. John's

1435

00:58:05,960 --> 00:58:03,779

well which is where Katherine Griffith

1436

00:58:07,760 --> 00:58:05,970

was supposedly attacked and she was

1437

00:58:09,470 --> 00:58:07,770

beaten about the head and suffered skull

1438

00:58:11,630 --> 00:58:09,480

injuries I think what's happened is

1439

00:58:13,400 --> 00:58:11,640

people have heard that story and over

1440

00:58:14,839 --> 00:58:13,410

the years it's been told and retold and

1441

00:58:15,500 --> 00:58:14,849

then they've connected it locally to the

1442

00:58:17,210 --> 00:58:15,510

whole

1443

00:58:21,080 --> 00:58:17,220

and now you write this wonderful stock

1444

00:58:22,220 --> 00:58:21,090

that's there you know it's fiction so

1445

00:58:23,840 --> 00:58:22,230

yeah I've been working on that one it's

1446

00:58:26,270 --> 00:58:23,850

nearly finished I've been working out

1447

00:58:29,060 --> 00:58:26,280

for a few years now traveling all over

1448

00:58:32,000 --> 00:58:29,070

the arcs should get in sources and

1449

00:58:34,340 --> 00:58:32,010

they're heavily researching that in the

1450

00:58:36,200 --> 00:58:34,350

archives and made numerous trips Tibet

1451
00:58:37,790 --> 00:58:36,210
and Agnes as well and every time I go I

1452
00:58:39,590 --> 00:58:37,800
always took chapter the different Targ

1453
00:58:41,480 --> 00:58:39,600
ads that are on and get their opinion as

1454
00:58:43,820 --> 00:58:41,490
to where the school is because they all

1455
00:58:45,920 --> 00:58:43,830
have different opinions and nobody

1456
00:58:47,120 --> 00:58:45,930
really knows where it and I found it

1457
00:58:51,110 --> 00:58:47,130
fascinating you know it's an interesting

1458
00:58:52,370 --> 00:58:51,120
story and but yeah I've been working on

1459
00:58:53,720 --> 00:58:52,380
that one that that is as good as

1460
00:58:55,910 --> 00:58:53,730
finished I've got a few more little bits

1461
00:58:57,320 --> 00:58:55,920
and bobs bones that excellent well I'll

1462
00:58:58,670 --> 00:58:57,330
look forward to looking at that one when

1463
00:59:02,060 --> 00:58:58,680

it comes out most definitely

1464

00:59:04,220 --> 00:59:02,070

now obviously over the years that you've

1465

00:59:06,290 --> 00:59:04,230

been interested in in this de strange

1466

00:59:09,680 --> 00:59:06,300

and the weird and the wonderful you've

1467

00:59:12,560 --> 00:59:09,690

looked into many many cases as we've

1468

00:59:16,160 --> 00:59:12,570

discussed some of those just now in this

1469

00:59:19,280 --> 00:59:16,170

interview but if you could pick your

1470

00:59:21,320 --> 00:59:19,290

favorite case of all time that you've

1471

00:59:22,790 --> 00:59:21,330

looked into yourself you know whether

1472

00:59:25,910 --> 00:59:22,800

it's from whole whether it's national

1473

00:59:27,560 --> 00:59:25,920

international or whatever what would you

1474

00:59:32,240 --> 00:59:27,570

pick what would it be your favorite case

1475

00:59:38,210 --> 00:59:32,250

oh I don't know I've always wanted to go

1476
00:59:41,110 --> 00:59:38,220
to Loch Ness monster the thing that

1477
00:59:44,090 --> 00:59:41,120
that's always fascinated me and I

1478
00:59:45,800 --> 00:59:44,100
thought no it's a tough one but I like

1479
00:59:47,720 --> 00:59:45,810
the local stuff I mean the one that

1480
00:59:49,880 --> 00:59:47,730
really really got there was that the

1481
00:59:51,680 --> 00:59:49,890
whole humba c7 thing because that was a

1482
00:59:54,680 --> 00:59:51,690
story that no one had ever about and

1483
00:59:56,920 --> 00:59:54,690
that was a it's not in any other book no

1484
00:59:59,570 --> 00:59:56,930
one has ever covered that story before

1485
01:00:01,400 --> 00:59:59,580
when I found the first newspaper report

1486
01:00:03,650 --> 01:00:01,410
about this I just thought wow this is

1487
01:00:05,090 --> 01:00:03,660
fascinating and I spent months

1488
01:00:06,410 --> 01:00:05,100

researching it and mend it up with

1489

01:00:08,030 --> 01:00:06,420

hundreds of your favorite part and

1490

01:00:09,350 --> 01:00:08,040

probably these the people that were

1491

01:00:11,720 --> 01:00:09,360

seeing stuff in the home there were

1492

01:00:14,570 --> 01:00:11,730

fishermen and trauma men people that

1493

01:00:16,010 --> 01:00:14,580

that should know the see them I wrote an

1494

01:00:17,150 --> 01:00:16,020

article about it for the old Daily Mail

1495

01:00:18,770 --> 01:00:17,160

and that's really disappoint it's

1496

01:00:20,720 --> 01:00:18,780

because I mean I wrote a couple years

1497

01:00:22,190 --> 01:00:20,730

ago nobody really paid attention to it

1498

01:00:24,080 --> 01:00:22,200

and I thought this has got all the

1499

01:00:26,240 --> 01:00:24,090

potential to be a fantastic story and

1500

01:00:29,450 --> 01:00:26,250

really you know it's not really took off

1501

01:00:32,000 --> 01:00:29,460

it's not made waves and it was a

1502

01:00:33,470 --> 01:00:32,010

six months later a report around me up

1503

01:00:35,210 --> 01:00:33,480

and said what we've just going over some

1504

01:00:36,950 --> 01:00:35,220

old stories and I found the story about

1505

01:00:38,780 --> 01:00:36,960

the in the monster would you love to

1506

01:00:39,950 --> 01:00:38,790

have an interview with yeah so the

1507

01:00:42,470 --> 01:00:39,960

interview of me and it took off

1508

01:00:44,210 --> 01:00:42,480

dramatically and it went viral and

1509

01:00:46,640 --> 01:00:44,220

everyone was talking about him we

1510

01:00:49,339 --> 01:00:46,650

actually went and shot some footage with

1511

01:00:50,960 --> 01:00:49,349

the BBC and then we went down to the

1512

01:00:53,089 --> 01:00:50,970

home bar and fumble on the home before

1513

01:00:55,040 --> 01:00:53,099

the day and it was great fun and and

1514

01:00:56,599 --> 01:00:55,050

what was weird about that is that when

1515

01:00:58,480 --> 01:00:56,609

the story picked back up again the old

1516

01:01:00,650 --> 01:00:58,490

Daily Mail stack covering it again and

1517

01:01:02,870 --> 01:01:00,660

one of the reporters a guy called David

1518

01:01:05,329 --> 01:01:02,880

rang me up and he was real excited and

1519

01:01:07,280 --> 01:01:05,339

it was round the corner from where I

1520

01:01:08,329 --> 01:01:07,290

live and they said they're kind of pop

1521

01:01:10,760 --> 01:01:08,339

to your house for a minute I've got

1522

01:01:12,440 --> 01:01:10,770

something to show ya and he came round

1523

01:01:15,859 --> 01:01:12,450

and he literally had a handwritten

1524

01:01:17,599 --> 01:01:15,869

letter that was signed by a gentleman

1525

01:01:20,990 --> 01:01:17,609

that claims he saw it when he was a

1526

01:01:22,309 --> 01:01:21,000

young boy you know and it just kept

1527

01:01:24,559 --> 01:01:22,319

growing and growing and people kept

1528

01:01:26,270 --> 01:01:24,569

coming forward and then it was it was

1529

01:01:29,059 --> 01:01:26,280

weird because these reports were from

1530

01:01:31,490 --> 01:01:29,069

than that in Fair is like 1920s and that

1531

01:01:33,290 --> 01:01:31,500

in fact there was no recent reports that

1532

01:01:34,730 --> 01:01:33,300

we knew of within the space of a few

1533

01:01:37,059 --> 01:01:34,740

week two people were contacting us and

1534

01:01:39,650 --> 01:01:37,069

same thing that seems to help there Paul

1535

01:01:41,480 --> 01:01:39,660

bennewitz pan and hear things in the war

1536

01:01:42,829 --> 01:01:41,490

you know so there was a lot of regional

1537

01:01:45,020 --> 01:01:42,839

sightings coming through as well

1538

01:01:47,390 --> 01:01:45,030

you know so that has been absolutely

1539

01:01:49,000 --> 01:01:47,400

fascinating really interesting case I

1540

01:01:51,950 --> 01:01:49,010

worked on with the silver hatchet gang

1541

01:01:53,210 --> 01:01:51,960

that was four years but the silver

1542

01:01:56,059 --> 01:01:53,220

hatchet gang work analytic peaky

1543

01:01:58,089 --> 01:01:56,069

blindens the were like a first in

1544

01:02:03,440 --> 01:01:58,099

Holland in early nineteen hundred's

1545

01:02:05,960 --> 01:02:03,450

between 1901 around about 1916 1917 all

1546

01:02:07,400 --> 01:02:05,970

in OH basically what they would do is

1547

01:02:09,079 --> 01:02:07,410

they would work on the timber yards

1548

01:02:11,089 --> 01:02:09,089

there were threatened people they have

1549

01:02:14,390 --> 01:02:11,099

gambling places they were involved in

1550

01:02:17,059 --> 01:02:14,400

prostitution really notorious criminal

1551

01:02:19,490 --> 01:02:17,069

and when I was researching that what

1552

01:02:21,020 --> 01:02:19,500

people contacted me and said and be

1553

01:02:23,059 --> 01:02:21,030

careful you know that they're still

1554

01:02:24,349 --> 01:02:23,069

around and Lister and the other and I

1555

01:02:27,020 --> 01:02:24,359

thought that was great you know that was

1556

01:02:28,849 --> 01:02:27,030

fascinating and when the book published

1557

01:02:31,130 --> 01:02:28,859

to coincide with it there was an article

1558

01:02:33,079 --> 01:02:31,140

published and understand police rung me

1559

01:02:34,789 --> 01:02:33,089

up all night and it was a guy from

1560

01:02:37,039 --> 01:02:34,799

homicide police or was the senior

1561

01:02:39,950 --> 01:02:37,049

detective I'm not mentioned is there but

1562

01:02:41,120 --> 01:02:39,960

he's always in pepper and then II basic

1563

01:02:42,710 --> 01:02:41,130

around me up and said I've read your

1564

01:02:43,040 --> 01:02:42,720

article on the so ratchet gang and I

1565

01:02:44,930 --> 01:02:43,050

thought

1566

01:02:47,180 --> 01:02:44,940

yeah you know maybe some new information

1567

01:02:48,470 --> 01:02:47,190

about being active and they said one of

1568

01:02:50,110 --> 01:02:48,480

the men one of the gentleman you

1569

01:02:52,880 --> 01:02:50,120

mentioned was my great quick grandfather

1570

01:02:54,500 --> 01:02:52,890

and he was a member and so yeah you know

1571

01:02:57,710 --> 01:02:54,510

so that was career I've got his sad in

1572

01:03:00,110 --> 01:02:57,720

the story and then in recent weeks and a

1573

01:03:02,000 --> 01:03:00,120

lady had bought it for ED batter and her

1574

01:03:03,740 --> 01:03:02,010

dad's an elderly gentleman and he

1575

01:03:05,210 --> 01:03:03,750

actually wrote me a handwritten letter

1576

01:03:07,430 --> 01:03:05,220

with just over at my best cuz it only

1577

01:03:09,770 --> 01:03:07,440

came for the first day of it then it was

1578

01:03:11,150 --> 01:03:09,780

basically him saying that he believed in

1579

01:03:13,100 --> 01:03:11,160

new members of the silver rat chick

1580

01:03:14,690 --> 01:03:13,110

going when he was a young boy it was

1581

01:03:16,640 --> 01:03:14,700

told that its father and his own calls

1582

01:03:18,470 --> 01:03:16,650

and his grandfather were all members and

1583

01:03:20,930 --> 01:03:18,480

he actually named the poor being all in

1584

01:03:24,290 --> 01:03:20,940

school cause that was linked to the

1585

01:03:26,450 --> 01:03:24,300

silver hatchet gang so I've been slowly

1586

01:03:28,880 --> 01:03:26,460

reading through this letter and then

1587

01:03:31,550 --> 01:03:28,890

just yesterday I've already contacted me

1588

01:03:33,950 --> 01:03:31,560

through social media and she said that

1589

01:03:35,750 --> 01:03:33,960

she had spoke to her father and the

1590

01:03:37,790 --> 01:03:35,760

father said that he remembers as your

1591

01:03:41,600 --> 01:03:37,800

boy been in you know the girls run

1592

01:03:43,820 --> 01:03:41,610

lanstrom in the area and Patrick and

1593

01:03:45,530 --> 01:03:43,830

were quite right from there and and he

1594

01:03:47,990 --> 01:03:45,540

named names she nursed I've got almost

1595

01:03:50,980 --> 01:03:48,000

avenues of research to shoot and the

1596

01:03:55,430 --> 01:03:50,990

possibility of launching a second volume

1597

01:03:58,880 --> 01:03:55,440

do you think the reports such as you

1598

01:04:00,980 --> 01:03:58,890

know that the embassy serpent etc going

1599

01:04:03,050 --> 01:04:00,990

back to the 1930s obviously this is the

1600

01:04:05,810 --> 01:04:03,060

time of course when the Loch Ness

1601
01:04:08,180 --> 01:04:05,820
monster became known that in the mid of

1602
01:04:10,040 --> 01:04:08,190
the early nineteen thirties when you

1603
01:04:11,930 --> 01:04:10,050
know it was reported that this couple

1604
01:04:13,580 --> 01:04:11,940
driving by Loch Ness had seen this

1605
01:04:15,740 --> 01:04:13,590
creature run across the road and into

1606
01:04:17,540 --> 01:04:15,750
the Loch itself do you think it could be

1607
01:04:19,700 --> 01:04:17,550
maybe a case of people jumping on the

1608
01:04:26,780 --> 01:04:19,710
bandwagon and saying the scene something

1609
01:04:31,160 --> 01:04:26,790
in the ombre well the embassy second was

1610
01:04:33,260 --> 01:04:31,170
1927 right it's kind of one free day

1611
01:04:35,270 --> 01:04:33,270
it's the other but then there was the

1612
01:04:42,140 --> 01:04:35,280
the running joke that the humba humba

1613
01:04:44,390 --> 01:04:42,150

monster was a solid air which were quite

1614

01:04:45,740 --> 01:04:44,400

interesting so yeah it's a weird one

1615

01:04:48,020 --> 01:04:45,750

because the birth kind of came around

1616

01:04:50,510 --> 01:04:48,030

roughly the same time but the home

1617

01:04:52,340 --> 01:04:50,520

ammonia predated it then was also doing

1618

01:04:56,990 --> 01:04:52,350

small business in the Victorian period

1619

01:04:59,660 --> 01:04:57,000

of home shipping lines going to America

1620

01:05:01,730 --> 01:04:59,670

and on all the way over to America they

1621

01:05:05,390 --> 01:05:01,740

were seeing stuff and there was actually

1622

01:05:07,610 --> 01:05:05,400

a published in 1884 the states there was

1623

01:05:10,640 --> 01:05:07,620

a whole steamer and it it was called the

1624

01:05:12,680 --> 01:05:10,650

philadelphia record and it published his

1625

01:05:14,720 --> 01:05:12,690

newspaper report saying that this whole

1626

01:05:17,330 --> 01:05:14,730

steamer called Durham from all had gone

1627

01:05:19,910 --> 01:05:17,340

to the Mediterranean then across to

1628

01:05:23,000 --> 01:05:19,920

Philadelphia and on its way across it

1629

01:05:24,110 --> 01:05:23,010

it's Odyssey sir and that was 1884 in a

1630

01:05:27,230 --> 01:05:24,120

southern with reports coming in from

1631

01:05:31,400 --> 01:05:27,240

that area one of the earliest stories in

1632

01:05:33,730 --> 01:05:31,410

in our region was in 1922 when a strange

1633

01:05:38,330 --> 01:05:33,740

fish was found from a groomers patroller

1634

01:05:40,160 --> 01:05:38,340

called the shambo's and then it said

1635

01:05:41,660 --> 01:05:40,170

that they pulled it on board and never

1636

01:05:44,030 --> 01:05:41,670

seen anything like it didn't like a

1637

01:05:45,860 --> 01:05:44,040

shark or a whale it was about 50 foot

1638

01:05:48,260 --> 01:05:45,870

long and in the end they took over

1639

01:05:49,670 --> 01:05:48,270

bharden left it you know that was going

1640

01:05:52,460 --> 01:05:49,680

on quite a while there there was just

1641

01:05:55,310 --> 01:05:52,470

stuff spared when they saw that in 1929

1642

01:05:57,680 --> 01:05:55,320

there was a couple of hauntings that saw

1643

01:06:00,110 --> 01:05:57,690

something and so the wood reports that

1644

01:06:02,450 --> 01:06:00,120

predate that the Loch Ness monster by

1645

01:06:04,850 --> 01:06:02,460

some years it was until certain that in

1646

01:06:07,430 --> 01:06:04,860

33 and Malcolm Robison Licata confess

1647

01:06:09,140 --> 01:06:07,440

today he's questionable books but like

1648

01:06:11,180 --> 01:06:09,150

most mom's there you know that that

1649

01:06:15,170 --> 01:06:11,190

really took off and was an interesting

1650

01:06:15,820 --> 01:06:15,180

one actually in 1933 in December it said

1651

01:06:19,250 --> 01:06:15,830

Flambeau

1652

01:06:20,690 --> 01:06:19,260

wanted its own monster story so they

1653

01:06:22,750 --> 01:06:20,700

could cash in on it and that was

1654

01:06:25,460 --> 01:06:22,760

interested in because years later

1655

01:06:28,130 --> 01:06:25,470

reports of sea serpents came in from

1656

01:06:29,450 --> 01:06:28,140

lumber but yeah I mean really interested

1657

01:06:31,280 --> 01:06:29,460

one of one of the funniest things that

1658

01:06:33,620 --> 01:06:31,290

happened during that period if you go

1659

01:06:35,630 --> 01:06:33,630

into the Transport Museum in all right

1660

01:06:37,700 --> 01:06:35,640

at the front entrance there's a a

1661

01:06:40,070 --> 01:06:37,710

makeshift office this would have been

1662

01:06:41,900 --> 01:06:40,080

Thomas Shepards offices thomas shepherd

1663

01:06:44,510 --> 01:06:41,910

was the curator of whole museum and in

1664

01:06:47,240 --> 01:06:44,520

the corner of this display is an

1665

01:06:51,680 --> 01:06:47,250

elephant foot and it's basically used to

1666

01:06:54,530 --> 01:06:51,690

put umbrellas in and in 1933 he actually

1667

01:06:58,100 --> 01:06:54,540

took the elephants for out to span point

1668

01:07:00,440 --> 01:06:58,110

and left prints in the floor but he did

1669

01:07:01,850 --> 01:07:00,450

all the way up to the the road and then

1670

01:07:03,110 --> 01:07:01,860

he went in the local pub around the

1671

01:07:05,540 --> 01:07:03,120

whole Daily Mail and the whole Daily

1672

01:07:08,000 --> 01:07:05,550

Mail turned up and took took all these

1673

01:07:10,460 --> 01:07:08,010

floors only part that sea serpent

1674

01:07:12,500 --> 01:07:10,470

footprints had been found and

1675

01:07:14,690 --> 01:07:12,510

you know along this theatre standpoint

1676

01:07:16,430 --> 01:07:14,700

and then a couple of days later they

1677

01:07:18,349 --> 01:07:16,440

actually reported the truth and it was

1678

01:07:20,030 --> 01:07:18,359

actually Justin Thomas Shepard in a bid

1679

01:07:23,960 --> 01:07:20,040

to get people interested in the mall

1680

01:07:25,910 --> 01:07:23,970

geumsan Hall and they saw no and it was

1681

01:07:27,830 --> 01:07:25,920

a really clever guy who was it was it

1682

01:07:30,349 --> 01:07:27,840

was a bit like PT Barnum it would come

1683

01:07:32,450 --> 01:07:30,359

up with weird thing with the newspapers

1684

01:07:34,070 --> 01:07:32,460

of the time but yeah I mean these are

1685

01:07:37,430 --> 01:07:34,080

parts of fascinating like I said they

1686

01:07:40,490 --> 01:07:37,440

reported back people that were familiar

1687

01:07:43,130 --> 01:07:40,500

with the sea most of these guys trial

1688

01:07:44,720 --> 01:07:43,140

known fishermen seamen the guys that go

1689

01:07:45,650 --> 01:07:44,730

up to the sea day-in day-out and yet

1690

01:07:48,950 --> 01:07:45,660

they were seeing stuff we couldn't

1691

01:07:50,930 --> 01:07:48,960

explain and it wasn't like you know your

1692

01:07:52,520 --> 01:07:50,940

average man and woman was going on

1693

01:07:54,349 --> 01:07:52,530

holiday and seeing this was actually

1694

01:07:56,690 --> 01:07:54,359

people that were out at sea catching

1695

01:07:58,700 --> 01:07:56,700

stuff like this all the time you know

1696

01:08:00,890 --> 01:07:58,710

and they're really interesting obviously

1697

01:08:02,900 --> 01:08:00,900

you get reports from you know people

1698

01:08:05,510 --> 01:08:02,910

saying it it might have been a school of

1699

01:08:08,690 --> 01:08:05,520

porpoises or it might have been a large

1700

01:08:10,730 --> 01:08:08,700

seal in there were lots of theories it

1701
01:08:11,990 --> 01:08:10,740
down and on the flip side of that you've

1702
01:08:13,640 --> 01:08:12,000
got these guys coming forward and saying

1703
01:08:15,770 --> 01:08:13,650
well actually we were seeing something

1704
01:08:18,110 --> 01:08:15,780
that we can't quite explain these are

1705
01:08:20,030 --> 01:08:18,120
fantastic the fascinating can I ask you

1706
01:08:22,309 --> 01:08:20,040
something like how many it's one thing I

1707
01:08:25,550 --> 01:08:22,319
like to ask you you know all paranormal

1708
01:08:28,099 --> 01:08:25,560
investigators you know you've talked

1709
01:08:30,200 --> 01:08:28,109
about it have you seen anything yourself

1710
01:08:34,160 --> 01:08:30,210
apart from a couple making a porn movie

1711
01:08:37,010 --> 01:08:34,170
in a cemetery you know you know in also

1712
01:08:38,959 --> 01:08:37,020
in all seriousness you know I've got a

1713
01:08:41,150 --> 01:08:38,969

couple of friends involved in the in the

1714

01:08:42,920 --> 01:08:41,160

paranormal silently I thought who's

1715

01:08:46,999 --> 01:08:42,930

gonna see the porn industry that film

1716

01:08:49,249 --> 01:08:47,009

you know only on your own investigations

1717

01:08:51,709 --> 01:08:49,259

or as part of a TV show or you've got

1718

01:08:53,150 --> 01:08:51,719

the cameras or anything you know I have

1719

01:08:55,160 --> 01:08:53,160

you ever witnessed anything yourself

1720

01:08:55,670 --> 01:08:55,170

like that you think I have no idea what

1721

01:08:58,099 --> 01:08:55,680

that is

1722

01:08:59,740 --> 01:08:58,109

oh yeah yeah I mean that well at the

1723

01:09:03,440 --> 01:08:59,750

earliest one like I said was the UFO

1724

01:09:05,180 --> 01:09:03,450

sighting when I was 8 and over the years

1725

01:09:08,329 --> 01:09:05,190

I've had a number of incidents in our

1726

01:09:11,090 --> 01:09:08,339

house we actually had what I removed in

1727

01:09:13,280 --> 01:09:11,100

the children were apart and stuff there

1728

01:09:15,650 --> 01:09:13,290

were a part in a man and a woman I

1729

01:09:17,930 --> 01:09:15,660

researched the history and discovered in

1730

01:09:19,999 --> 01:09:17,940

that in 45 the lady of the house was

1731

01:09:22,729 --> 01:09:20,009

murdered in the living room that the

1732

01:09:24,110 --> 01:09:22,739

lodger had basically took an axe and he

1733

01:09:25,790 --> 01:09:24,120

took in her head

1734

01:09:28,850 --> 01:09:25,800

Tam's and dragged her into the room that

1735

01:09:31,030 --> 01:09:28,860

I'm sitting in right now and then he was

1736

01:09:33,020 --> 01:09:31,040

sent to a lunatic asylum where he died

1737

01:09:37,250 --> 01:09:33,030

and then I went back further and

1738

01:09:39,890 --> 01:09:37,260

discovered in 1929 the the husband had

1739

01:09:41,180 --> 01:09:39,900

disappeared in in the home back it was

1740

01:09:42,950 --> 01:09:41,190

washed up near Grimsby and it looked

1741

01:09:44,990 --> 01:09:42,960

like foul play but they couldn't say

1742

01:09:46,310 --> 01:09:45,000

with him two percent said they and we've

1743

01:09:48,080 --> 01:09:46,320

had stuff going on in the house about

1744

01:09:50,300 --> 01:09:48,090

stuff moving with that stuff

1745

01:09:53,600 --> 01:09:50,310

disappearing and were very noisy and

1746

01:09:55,130 --> 01:09:53,610

things like that and but it's not like

1747

01:09:56,450 --> 01:09:55,140

it you know when people say about

1748

01:09:57,020 --> 01:09:56,460

haunted houses and stuff like that it's

1749

01:09:59,990 --> 01:09:57,030

not scary

1750

01:10:01,550 --> 01:10:00,000

you know it's home and then on

1751

01:10:03,860 --> 01:10:01,560

paranormal investigations I've been

1752

01:10:05,510 --> 01:10:03,870

scratched I've seen objects move in the

1753

01:10:09,110 --> 01:10:05,520

bath I remember one night when we were

1754

01:10:11,690 --> 01:10:09,120

out filming with the Travel Channel we

1755

01:10:13,970 --> 01:10:11,700

were in school caught cemetery and it

1756

01:10:15,760 --> 01:10:13,980

was pitch black and there was one light

1757

01:10:17,690 --> 01:10:15,770

in the cemetery and this light came from

1758

01:10:20,660 --> 01:10:17,700

like a factory at the back of the

1759

01:10:24,020 --> 01:10:20,670

cemetery and there was just this big it

1760

01:10:25,670 --> 01:10:24,030

was like a ball of steam for want of a

1761

01:10:29,180 --> 01:10:25,680

better way I can't really explain it and

1762

01:10:30,560 --> 01:10:29,190

it flew towards us at such speed it

1763

01:10:33,410 --> 01:10:30,570

wasn't going upwards like you would

1764

01:10:35,870 --> 01:10:33,420

expect it to or disappear in bloom tours

1765

01:10:37,580 --> 01:10:35,880

and that the the film crew all moved out

1766

01:10:39,020 --> 01:10:37,590

the with it because we didn't know what

1767

01:10:41,750 --> 01:10:39,030

it was and there still can't explain

1768

01:10:43,880 --> 01:10:41,760

that that was weird I've also been out

1769

01:10:45,260 --> 01:10:43,890

on I do a lot of stuff finish after

1770

01:10:47,630 --> 01:10:45,270

where I've gotten look for big cats and

1771

01:10:51,230 --> 01:10:47,640

stuff like that and I found paw print

1772

01:10:53,030 --> 01:10:51,240

out near building and then I was out

1773

01:10:54,680 --> 01:10:53,040

with my son we'd gone for a for a walk

1774

01:10:56,930 --> 01:10:54,690

down the hall to wither and see a

1775

01:11:00,530 --> 01:10:56,940

railway track which is now a like a

1776

01:11:02,180 --> 01:11:00,540

psychopath and we got halfway down the

1777

01:11:03,860 --> 01:11:02,190

track and my friend lives parallel to

1778

01:11:04,250 --> 01:11:03,870

the track and I'd text him and he was at

1779

01:11:06,290 --> 01:11:04,260

home

1780

01:11:08,390 --> 01:11:06,300

I said let's flex pop a question see him

1781

01:11:09,740 --> 01:11:08,400

alive cup of tea and and we'll rest for

1782

01:11:12,500 --> 01:11:09,750

a bit and on the way across we were

1783

01:11:14,270 --> 01:11:12,510

walking across the field and we there

1784

01:11:15,200 --> 01:11:14,280

was just a big set of print across this

1785

01:11:17,060 --> 01:11:15,210

field and it

1786

01:11:20,270 --> 01:11:17,070

they were almost coming out of the car

1787

01:11:22,250 --> 01:11:20,280

right across the footpath which was just

1788

01:11:24,680 --> 01:11:22,260

mud and the the glass the print and I

1789

01:11:26,480 --> 01:11:24,690

managed to because we were only aching

1790

01:11:28,460 --> 01:11:26,490

at that point I didn't have any anything

1791

01:11:31,310 --> 01:11:28,470

on me to measure it so I think was I

1792

01:11:33,200 --> 01:11:31,320

stuck my phone on the floor and I took a

1793

01:11:35,390 --> 01:11:33,210

picture with my son's phone and it

1794

01:11:37,670 --> 01:11:35,400

showed that this thing was about maybe

1795

01:11:39,830 --> 01:11:37,680

five six inches across

1796

01:11:42,800 --> 01:11:39,840

and so it's a big print don't know what

1797

01:11:44,840 --> 01:11:42,810

it was but that you know stuff like that

1798

01:11:49,130 --> 01:11:44,850

about quite a lot I have not seen the

1799

01:11:50,780 --> 01:11:49,140

young becae circling yeah yeah not yet

1800

01:11:55,580 --> 01:11:50,790

no I'm in the humble monster watch

1801
01:11:59,030 --> 01:11:55,590
you'll tell me of this year I mean I

1802
01:12:01,130 --> 01:11:59,040
mean you know do you think it's fair you

1803
01:12:03,350 --> 01:12:01,140
know you talked about the various

1804
01:12:05,660 --> 01:12:03,360
paranormal TV shows that you personally

1805
01:12:08,210 --> 01:12:05,670
have appeared on and there is a number

1806
01:12:11,030 --> 01:12:08,220
of others do you think they act do some

1807
01:12:13,280 --> 01:12:11,040
good for the paranormal research field

1808
01:12:15,440 --> 01:12:13,290
my god how do you think people think

1809
01:12:17,750 --> 01:12:15,450
it's all a setup because I've heard

1810
01:12:20,300 --> 01:12:17,760
accusations that some of the people on

1811
01:12:22,490 --> 01:12:20,310
there I told went to scream and I'll

1812
01:12:24,800 --> 01:12:22,500
jump on the canoes or whatever I don't

1813
01:12:26,690 --> 01:12:24,810

know if that's true or not but do you

1814

01:12:29,390 --> 01:12:26,700

think people you know tend to take them

1815

01:12:31,280 --> 01:12:29,400

with a pinch of salt yeah I think they

1816

01:12:33,710 --> 01:12:31,290

do I mean all the stuff I've worked on

1817

01:12:35,570 --> 01:12:33,720

as it's never been I've never been given

1818

01:12:38,300 --> 01:12:35,580

a script all the stuff I've been on I've

1819

01:12:40,520 --> 01:12:38,310

never been told to act this way or react

1820

01:12:43,520 --> 01:12:40,530

this way I just had the camera shoved in

1821

01:12:45,650 --> 01:12:43,530

my face and and been sent out so all the

1822

01:12:48,370 --> 01:12:45,660

stuff have been on what I've seen I've

1823

01:12:51,800 --> 01:12:48,380

never seen anything that would say was

1824

01:12:54,260 --> 01:12:51,810

fraudulent or or trying to hoodwink

1825

01:12:56,750 --> 01:12:54,270

anyone you know Nate I've never seen

1826

01:13:00,080 --> 01:12:56,760

anything untoward or and I do watch and

1827

01:13:02,120 --> 01:13:00,090

I do keep an eye out and I'm quite eagle

1828

01:13:03,800 --> 01:13:02,130

eye I will watch people's feet and

1829

01:13:05,540 --> 01:13:03,810

people's pockets and make sure no one's

1830

01:13:09,110 --> 01:13:05,550

throwing stones or you know things like

1831

01:13:11,000 --> 01:13:09,120

that but then nowhere from that away

1832

01:13:12,920 --> 01:13:11,010

from the TV shows on paranormal

1833

01:13:15,680 --> 01:13:12,930

investigations I have some people that

1834

01:13:18,980 --> 01:13:15,690

have carried out fraudulent activity

1835

01:13:21,290 --> 01:13:18,990

I've watched people ask for activity

1836

01:13:23,480 --> 01:13:21,300

there knock on tables and then you know

1837

01:13:24,860 --> 01:13:23,490

jump and say what was that and I've seen

1838

01:13:27,470 --> 01:13:24,870

them actually doing it on night-vision

1839

01:13:29,720 --> 01:13:27,480

cameras I've built them actually you

1840

01:13:32,330 --> 01:13:29,730

know knocking and things so I have

1841

01:13:34,880 --> 01:13:32,340

caught people in carrying up fraudulent

1842

01:13:38,150 --> 01:13:34,890

activity one of the best ones people

1843

01:13:40,130 --> 01:13:38,160

love to do it and put tea light candles

1844

01:13:42,070 --> 01:13:40,140

in a property and true love the light

1845

01:13:44,810 --> 01:13:42,080

obviously when they start melting and

1846

01:13:47,390 --> 01:13:44,820

the wax people will pick up the wax and

1847

01:13:48,950 --> 01:13:47,400

roll it into balls then throw it in the

1848

01:13:50,570 --> 01:13:48,960

dark you know if you've got night vision

1849

01:13:51,529 --> 01:13:50,580

you can pick up on that and you can

1850

01:13:54,229 --> 01:13:51,539

sense before

1851

01:13:56,359 --> 01:13:54,239

what the hell you doing so caught people

1852

01:13:59,299 --> 01:13:56,369

people carrying up fraudulent not to be

1853

01:14:01,430 --> 01:13:59,309

and and I've exposed a few and I've you

1854

01:14:03,109 --> 01:14:01,440

know the same with a number of psychics

1855

01:14:05,240 --> 01:14:03,119

and what I looked at it was I looked a

1856

01:14:06,770 --> 01:14:05,250

fact check you know when they go to

1857

01:14:09,080 --> 01:14:06,780

these on it houses and the say you know

1858

01:14:12,200 --> 01:14:09,090

I was it was a matter here in the Sandia

1859

01:14:13,879 --> 01:14:12,210

there and I love research because I want

1860

01:14:15,410 --> 01:14:13,889

to know all of you I want to know these

1861

01:14:15,919 --> 01:14:15,420

people I've imagined who the murderer

1862

01:14:18,140 --> 01:14:15,929

was

1863

01:14:20,600 --> 01:14:18,150

so I will go into the archives and try

1864

01:14:22,580 --> 01:14:20,610

and find out that information and a

1865

01:14:25,910 --> 01:14:22,590

great example of that was a few years

1866

01:14:28,370 --> 01:14:25,920

ago if you remember what Derek Acorah it

1867

01:14:30,709 --> 01:14:28,380

came to all it filmed series two of

1868

01:14:32,899 --> 01:14:30,719

ghosts challenging home and he visited

1869

01:14:35,720 --> 01:14:32,909

three or four properties in the city and

1870

01:14:37,609 --> 01:14:35,730

I tracked down the DVD I remember

1871

01:14:39,140 --> 01:14:37,619

watching it at the time but I tracked

1872

01:14:41,930 --> 01:14:39,150

down the DVD and I went through it

1873

01:14:44,299 --> 01:14:41,940

almost for an bathroom no in all the

1874

01:14:46,189 --> 01:14:44,309

information that was given in the show

1875

01:14:48,830 --> 01:14:46,199

then I went away and researched a lot

1876

01:14:52,490 --> 01:14:48,840

and discovered that approximately two

1877

01:14:54,310 --> 01:14:52,500

percent of it was verified by history

1878

01:14:57,049 --> 01:14:54,320

the rest of it was all nonsense

1879

01:14:58,009 --> 01:14:57,059

you know and I've done that with a few

1880

01:15:00,589 --> 01:14:58,019

people I've done that with a few

1881

01:15:01,819 --> 01:15:00,599

psychics mediums that come up with stuff

1882

01:15:03,379 --> 01:15:01,829

and I've gone away and researched it

1883

01:15:04,759 --> 01:15:03,389

we've got a big one at the minute in

1884

01:15:06,709 --> 01:15:04,769

whole is supposed to be an alleyway or

1885

01:15:08,839 --> 01:15:06,719

wherever a 19th century prostitute

1886

01:15:10,459 --> 01:15:08,849

called Fanny Adams was murdered an

1887

01:15:12,500 --> 01:15:10,469

actual fat Fanny Adams was a little girl

1888

01:15:15,200 --> 01:15:12,510

that was murdered under love mile away

1889

01:15:16,669 --> 01:15:15,210

in Oakland and at the time she was

1890

01:15:19,279 --> 01:15:16,679

carrying sweet and that's where the term

1891

01:15:21,290 --> 01:15:19,289

sweet honey Adams comes from and and at

1892

01:15:22,669 --> 01:15:21,300

that you know there was no magic down

1893

01:15:24,979 --> 01:15:22,679

this alley where another prostitute

1894

01:15:26,330 --> 01:15:24,989

beheaded during this period so I like

1895

01:15:28,970 --> 01:15:26,340

doing that I like picking up on these

1896

01:15:31,819 --> 01:15:28,980

stories and improving on the bump it on

1897

01:15:34,129 --> 01:15:31,829

myself man but yeah I never really seen

1898

01:15:36,379 --> 01:15:34,139

anything on a TV show where Tom where I

1899

01:15:38,120 --> 01:15:36,389

would say rajala quite the opposite I've

1900

01:15:41,180 --> 01:15:38,130

been on am west of sap and then the crew

1901

01:15:43,700 --> 01:15:41,190

themselves that we did then we did some

1902

01:15:45,859 --> 01:15:43,710

work when was filming monster lands we

1903

01:15:47,450 --> 01:15:45,869

were out on boundary until early hours

1904

01:15:49,729 --> 01:15:47,460

of the morning and it got to the point

1905

01:15:51,560 --> 01:15:49,739

where the crew will literally move in

1906

01:15:54,200 --> 01:15:51,570

like a military unit because nobody

1907

01:15:57,049 --> 01:15:54,210

wanted to be lesbian I mean I know vamps

1908

01:15:58,609 --> 01:15:57,059

very scary anyway but this it was really

1909

01:15:59,899 --> 01:15:58,619

funny because during the day when you're

1910

01:16:02,359 --> 01:15:59,909

filming everyone's kind of spread out

1911

01:16:04,609 --> 01:16:02,369

and you know the end of Renee was asleep

1912

01:16:05,180 --> 01:16:04,619

in the van after time they had a couple

1913

01:16:08,000 --> 01:16:05,190

of camera

1914

01:16:11,210 --> 01:16:08,010

and a sound guy and a lighting guy and

1915

01:16:12,980 --> 01:16:11,220

the presenter myself and the producer

1916

01:16:14,330 --> 01:16:12,990

you're kind of spread out you weren't

1917

01:16:16,100 --> 01:16:14,340

doing your doing your own thing and

1918

01:16:18,290 --> 01:16:16,110

getting filmed doing it and then later

1919

01:16:19,100 --> 01:16:18,300

on when the lights went down and and

1920

01:16:20,750 --> 01:16:19,110

sunset

1921

01:16:23,240 --> 01:16:20,760

nobody would leave nobody would go to

1922

01:16:27,110 --> 01:16:23,250

the bama without going together and it

1923

01:16:30,290 --> 01:16:27,120

was really for me Mike I mean it's where

1924

01:16:30,830 --> 01:16:30,300

I live I born just you know ten miles

1925

01:16:33,950 --> 01:16:30,840

from here

1926

01:16:36,050 --> 01:16:33,960

yeah he did the paranormal lockdown do

1927

01:16:38,000 --> 01:16:36,060

you did that you did here I did I

1928

01:16:40,400 --> 01:16:38,010

started off with my started laughter and

1929

01:16:41,930 --> 01:16:40,410

then I did paranormal lockdown did so

1930

01:16:44,060 --> 01:16:41,940

did so doesn't there's a particular

1931

01:16:45,500 --> 01:16:44,070

house in Pontefract isn't that I forget

1932

01:16:48,100 --> 01:16:45,510

the name of it does it have is it

1933

01:16:51,410 --> 01:16:48,110

supposed to be a monk that's seen there

1934

01:16:53,720 --> 01:16:51,420

I've lost you Mike sorry about that we

1935

01:16:55,130 --> 01:16:53,730

lost Mike for a second you know I've got

1936

01:16:56,960 --> 01:16:55,140

a few gremlins in the system but

1937

01:16:58,880 --> 01:16:56,970

thankfully it's back with us what was

1938

01:17:01,940 --> 01:16:58,890

asking you Mike is when when you did the

1939

01:17:04,280 --> 01:17:01,950

paranormal TV shows here in pancha for

1940

01:17:06,380 --> 01:17:04,290

at where I live you know I I am like I

1941

01:17:08,840 --> 01:17:06,390

said I only I was born just 10 miles

1942

01:17:11,090 --> 01:17:08,850

down the road I think there's a certain

1943

01:17:14,230 --> 01:17:11,100

house here in Ponte practic I forget the

1944

01:17:18,230 --> 01:17:14,240

name of it but does it have a famous

1945

01:17:20,240 --> 01:17:18,240

sighting or apparition of a monk

1946

01:17:22,160 --> 01:17:20,250

something like that you tell us a bit

1947

01:17:24,110 --> 01:17:22,170

more about that what happened when you

1948

01:17:26,120 --> 01:17:24,120

did these TV shows here I'm just curious

1949

01:17:30,590 --> 01:17:26,130

from Mike Fennell from a local point of

1950

01:17:33,350 --> 01:17:30,600

view well yeah I mean this is known as a

1951

01:17:36,320 --> 01:17:33,360

30 used route it's been made into a

1952

01:17:39,350 --> 01:17:36,330

motion picture called when the lights go

1953

01:17:40,610 --> 01:17:39,360

out and ask that researching this a few

1954

01:17:43,190 --> 01:17:40,620

years ago because I mean the property's

1955

01:17:46,040 --> 01:17:43,200

always fascinated me now the story goes

1956

01:17:48,740 --> 01:17:46,050

that it's haunted by a black mole known

1957

01:17:50,090 --> 01:17:48,750

as the black monk of Pontefract and you

1958

01:17:52,210 --> 01:17:50,100

know and if you're listening to set and

1959

01:17:55,450 --> 01:17:52,220

psychics and this that and the other and

1960

01:17:57,560 --> 01:17:55,460

they reckon that this this monk was

1961

01:18:00,260 --> 01:17:57,570

executed because he was messing about

1962

01:18:01,940 --> 01:18:00,270

with local children they claimed he was

1963

01:18:04,700 --> 01:18:01,950

thrown down a well and the house was

1964

01:18:07,880 --> 01:18:04,710

built on top of the well and so I was

1965

01:18:10,190 --> 01:18:07,890

asked to go to my stomach laughs and

1966

01:18:13,220 --> 01:18:10,200

then let a paranormal lockdown and just

1967

01:18:16,580 --> 01:18:13,230

give the historical overview on the area

1968

01:18:18,590 --> 01:18:16,590

the history of the house and I spent

1969

01:18:20,690 --> 01:18:18,600

ages researching the people

1970

01:18:23,000 --> 01:18:20,700

live there and but I went really fat

1971

01:18:25,160 --> 01:18:23,010

back and and looked at what was on the

1972

01:18:27,680 --> 01:18:25,170

land previously through all the old maps

1973

01:18:30,860 --> 01:18:27,690

and what I discovered was actually there

1974

01:18:33,230 --> 01:18:30,870

wasn't well on that site there wasn't

1975

01:18:36,710 --> 01:18:33,240

even a waterway or a stream or anything

1976

01:18:38,300 --> 01:18:36,720

like that and and I was quite interested

1977

01:18:40,730 --> 01:18:38,310

because across the road from where the

1978

01:18:42,320 --> 01:18:40,740

house is situated you've got a memorial

1979

01:18:44,960 --> 01:18:42,330

to the battle of jakku filled with one

1980

01:18:47,360 --> 01:18:44,970

of these massive fights in the English

1981

01:18:50,870 --> 01:18:47,370

Civil War so I was really interested in

1982

01:18:54,800 --> 01:18:50,880

that and then yeah I mean I basically

1983

01:18:56,420 --> 01:18:54,810

started researching this this the

1984

01:19:00,350 --> 01:18:56,430

firechek field and what went on there

1985

01:19:01,580 --> 01:19:00,360

and and it was weird because I was sort

1986

01:19:03,740 --> 01:19:01,590

of saying to these people you know but

1987

01:19:06,110 --> 01:19:03,750

wasn't there's no such thing as this

1988

01:19:08,150 --> 01:19:06,120

platform you know those did a number and

1989

01:19:11,950 --> 01:19:08,160

their dissing Pontefract there was in

1990

01:19:15,290 --> 01:19:11,960

1857 John speed was poisoned by his wife

1991

01:19:17,240 --> 01:19:15,300

there was another one where George stop

1992

01:19:20,090 --> 01:19:17,250

17 was Chad with the murder of Elizabeth

1993

01:19:22,220 --> 01:19:20,100

Mitchell Upton and there Pontefract and

1994

01:19:24,080 --> 01:19:22,230

you know there were lots of stories of

1995

01:19:27,200 --> 01:19:24,090

murders and stuff like that in the area

1996

01:19:29,510 --> 01:19:27,210

and but nothing to do with a black mole

1997

01:19:31,520 --> 01:19:29,520

and then you know you'll know yourself

1998

01:19:33,920 --> 01:19:31,530

that the history of the English Civil

1999

01:19:36,740 --> 01:19:33,930

War upon a there was a there was a lot

2000

01:19:40,160 --> 01:19:36,750

of stuff going on Castle man you know

2001

01:19:42,770 --> 01:19:40,170

All Saints Church was was hit and you

2002

01:19:47,270 --> 01:19:42,780

know and there was the big map battle on

2003

01:19:50,030 --> 01:19:47,280

match the first 1645 so there was a lot

2004

01:19:52,700 --> 01:19:50,040

of stuff going on in the area that you

2005

01:19:54,770 --> 01:19:52,710

could argue is maybe responsible for

2006

01:19:58,160 --> 01:19:54,780

what's going on at the property well I

2007

01:20:01,250 --> 01:19:58,170

couldn't find any evidence of you know

2008

01:20:03,560 --> 01:20:01,260

this is suppose it monk people have

2009

01:20:05,480 --> 01:20:03,570

given me a name of the monk and there

2010

01:20:07,520 --> 01:20:05,490

was no records with the monks there men

2011

01:20:10,280 --> 01:20:07,530

and and then I went right for the

2012

01:20:11,780 --> 01:20:10,290

history of the property and become

2013

01:20:15,920 --> 01:20:11,790

soulless there itself was built after

2014

01:20:17,360 --> 01:20:15,930

the Second World War there was a what a

2015

01:20:19,370 --> 01:20:17,370

little battle monument was actually

2016

01:20:20,900 --> 01:20:19,380

situated they're known as cranky pin and

2017

01:20:23,600 --> 01:20:20,910

they demolished that to build the hound

2018

01:20:26,120 --> 01:20:23,610

in the sphere and you know stir there is

2019

01:20:27,890 --> 01:20:26,130

stuff going on in the air yeah but as

2020

01:20:31,670 --> 01:20:27,900

far as I'm aware nothing that would

2021

01:20:34,880 --> 01:20:31,680

explain the sightings of this month

2022

01:20:37,310 --> 01:20:34,890

you know except obviously living in the

2023

01:20:39,050 --> 01:20:37,320

town of heard of it and I just wondered

2024

01:20:41,090 --> 01:20:39,060

if there was any you know background

2025

01:20:43,400 --> 01:20:41,100

information to support the monk story

2026

01:20:44,840 --> 01:20:43,410

obviously said you can't find it for

2027

01:20:49,040 --> 01:20:44,850

those that are not aware I mean

2028

01:20:51,080 --> 01:20:49,050

Pontefract is an ancient town you know

2029

01:20:54,680 --> 01:20:51,090

the Romans were here I think some of

2030

01:20:56,960 --> 01:20:54,690

them still out on Saturday no I really

2031

01:20:59,600 --> 01:20:56,970

do and of course it did play a quite

2032

01:21:02,630 --> 01:20:59,610

significant part in their in the English

2033

01:21:04,400 --> 01:21:02,640

Civil War at the castle and there's not

2034

01:21:05,270 --> 01:21:04,410

much of the castle left but it's it's

2035

01:21:07,340 --> 01:21:05,280

still there

2036

01:21:08,510 --> 01:21:07,350

you know so I was just really curious I

2037

01:21:12,260 --> 01:21:08,520

mean you know when you were doing these

2038

01:21:14,240 --> 01:21:12,270

Locke mounting in Ponte fact aside from

2039

01:21:15,860 --> 01:21:14,250

the month did you actually see anything

2040

01:21:18,620 --> 01:21:15,870

in the house yourself or experienced

2041

01:21:20,450 --> 01:21:18,630

anything the only time that I felt weird

2042

01:21:22,850 --> 01:21:20,460

was going upstairs in the property when

2043

01:21:25,910 --> 01:21:22,860

we first got left I just felt think well

2044

01:21:27,920 --> 01:21:25,920

I've not eaten I was nervous I was due

2045

01:21:30,890 --> 01:21:27,930

to go on live television I was due to me

2046

01:21:32,840 --> 01:21:30,900

you know Paul O'Grady and Rowell and you

2047

01:21:35,810 --> 01:21:32,850

know so I think a lot of it was labs but

2048

01:21:38,630 --> 01:21:35,820

there was a strange smell upstairs this

2049

01:21:39,890 --> 01:21:38,640

sit send that seems to come on go and we

2050

01:21:42,530 --> 01:21:39,900

didn't stay in the property that long

2051

01:21:44,390 --> 01:21:42,540

but while we were up there it just felt

2052

01:21:46,340 --> 01:21:44,400

real but then again you know I've

2053

01:21:47,810 --> 01:21:46,350

watched the movie before I went so there

2054

01:21:49,910 --> 01:21:47,820

was a lot of stuff going on in my head

2055

01:21:51,590 --> 01:21:49,920

because I've been researching it and you

2056

01:21:53,780 --> 01:21:51,600

quite a lot already about all these

2057

01:21:55,430 --> 01:21:53,790

murders in poly for at I'd also known

2058

01:21:57,530 --> 01:21:55,440

I'll always talk about the English Civil

2059

01:21:58,640 --> 01:21:57,540

War and all you know the bloody battle

2060

01:22:00,770 --> 01:21:58,650

of checkered fields and you could argue

2061

01:22:03,950 --> 01:22:00,780

that already my head was full of stuff

2062

01:22:05,390 --> 01:22:03,960

which could have gone towards me feeling

2063

01:22:07,190 --> 01:22:05,400

that way but yeah I mean it's

2064

01:22:09,140 --> 01:22:07,200

interesting because I've spoke to

2065

01:22:10,700 --> 01:22:09,150

hundreds of people through the years

2066

01:22:12,260 --> 01:22:10,710

that have been there when people go they

2067

01:22:15,470 --> 01:22:12,270

often contact me to tell me what they've

2068

01:22:16,970 --> 01:22:15,480

seen and I also was able to be put in

2069

01:22:19,250 --> 01:22:16,980

touch with the family that lived there

2070

01:22:21,740 --> 01:22:19,260

one of my friends on Facebook he's

2071

01:22:23,270 --> 01:22:21,750

really to the Pritchard so she contacted

2072

01:22:25,190 --> 01:22:23,280

me and she was able to put me in contact

2073

01:22:26,930 --> 01:22:25,200

with a few people you know so I was able

2074

01:22:28,310 --> 01:22:26,940

to speak to the neighbors and stuff like

2075

01:22:30,710 --> 01:22:28,320

that and hear what what they'd

2076

01:22:33,200 --> 01:22:30,720

experienced so yeah I managed to build

2077

01:22:34,550 --> 01:22:33,210

up a kind of a chronological timeline of

2078

01:22:37,190 --> 01:22:34,560

events that have happened in the

2079

01:22:38,810 --> 01:22:37,200

property throughout the years from when

2080

01:22:40,970 --> 01:22:38,820

the picture from is that in experiences

2081

01:22:43,760 --> 01:22:40,980

all of the downs to recent years when

2082

01:22:44,870 --> 01:22:43,770

the paranormal groups in and there you

2083

01:22:45,470 --> 01:22:44,880

know they've seen things on the fair

2084

01:22:47,630 --> 01:22:45,480

thing

2085

01:22:48,590 --> 01:22:47,640

so I mean I found it fascinating I think

2086

01:22:50,330 --> 01:22:48,600

the only way they can get to the bottom

2087

01:22:53,060 --> 01:22:50,340

of that is it declares the house off

2088

01:22:55,460 --> 01:22:53,070

from fruits and and carry out some sort

2089

01:22:57,979 --> 01:22:55,470

of investigation without the human

2090

01:23:00,440 --> 01:22:57,989

element in SAP how to super happens yeah

2091

01:23:02,990 --> 01:23:00,450

I mean my only experience of the

2092

01:23:04,070 --> 01:23:03,000

paranormal and in pontypandy for those

2093

01:23:06,380 --> 01:23:04,080

that are not aware that they're

2094

01:23:09,140 --> 01:23:06,390

listening that the Pontic has a race

2095

01:23:11,570 --> 01:23:09,150

course horse racing and there used to be

2096

01:23:13,729 --> 01:23:11,580

as you come off the m62 motorway on

2097

01:23:15,920 --> 01:23:13,739

Junction 30 - listen literally about

2098

01:23:20,840 --> 01:23:15,930

half a mile from the junction there used

2099

01:23:23,330 --> 01:23:20,850

to be the Parkside Hotel this is a place

2100

01:23:27,200 --> 01:23:23,340

where a few years ago used to world a

2101
01:23:29,890 --> 01:23:27,210
UFO conferences if that's right this way

2102
01:23:32,990 --> 01:23:29,900
I think we have two or three there and

2103
01:23:35,240 --> 01:23:33,000
you know I talked to all the the bar

2104
01:23:38,750 --> 01:23:35,250
staff there as one does when you

2105
01:23:43,450 --> 01:23:38,760
socializing and you know they they told

2106
01:23:46,550 --> 01:23:43,460
me quite openly that it was haunted and

2107
01:23:47,990 --> 01:23:46,560
not so much singing of course but like

2108
01:23:50,090 --> 01:23:48,000
you were saying Mike if you're being

2109
01:23:51,830 --> 01:23:50,100
touched and things like that and even we

2110
01:23:54,830 --> 01:23:51,840
were there one night and the girl behind

2111
01:23:57,050 --> 01:23:54,840
the bar said stop it so and so you know

2112
01:23:58,610 --> 01:23:57,060
she said you know he just flipped me

2113
01:24:00,370 --> 01:23:58,620

hair at the side I didn't see a hair

2114

01:24:02,870 --> 01:24:00,380

being flipped but I wasn't looking so

2115

01:24:06,020 --> 01:24:02,880

there is that history with it as well

2116

01:24:07,490 --> 01:24:06,030

that the park sign you know closed and

2117

01:24:10,910 --> 01:24:07,500

fell into ruin and is now being

2118

01:24:15,350 --> 01:24:10,920

demolished so it's no longer there but I

2119

01:24:18,370 --> 01:24:15,360

was just curious about about 30 East

2120

01:24:20,750 --> 01:24:18,380

Drive and the map and the mad monk

2121

01:24:24,229 --> 01:24:20,760

another thing I want to ask you as well

2122

01:24:25,550 --> 01:24:24,239

Mike and this this this is this is

2123

01:24:27,229 --> 01:24:25,560

something that crosses the whole

2124

01:24:30,260 --> 01:24:27,239

spectrum of what somebody might call

2125

01:24:34,310 --> 01:24:30,270

paranormal when a class put UFOs into

2126

01:24:38,600 --> 01:24:34,320

that as well is got a lot of people

2127

01:24:42,590 --> 01:24:38,610

claiming to seeing ghosts and people you

2128

01:24:46,160 --> 01:24:42,600

know are in the UFO field a see aliens

2129

01:24:48,020 --> 01:24:46,170

but yeah we don't have any concrete

2130

01:24:50,150 --> 01:24:48,030

evidence that we can put on the

2131

01:24:56,030 --> 01:24:50,160

microscope in the way of photographs or

2132

01:24:57,770 --> 01:24:56,040

film really I mean at Chris's I've told

2133

01:24:59,150 --> 01:24:57,780

him in its conference last year not this

2134

01:25:01,280 --> 01:24:59,160

year last year

2135

01:25:03,800 --> 01:25:01,290

and spoke you were the opening speaker

2136

01:25:05,900 --> 01:25:03,810

that day Mike I don't know one of the

2137

01:25:10,190 --> 01:25:05,910

things that Ross has mentioned because

2138

01:25:12,320 --> 01:25:10,200

one of Ross's jobs easy films Lynde

2139

01:25:16,310 --> 01:25:12,330

rhinos rugby team he's made the

2140

01:25:19,220 --> 01:25:16,320

statement that as the population now has

2141

01:25:21,350 --> 01:25:19,230

pretty much access to a phone and on

2142

01:25:24,770 --> 01:25:21,360

that phone is is you know some good

2143

01:25:26,480 --> 01:25:24,780

quality camera equipment that's got

2144

01:25:28,930 --> 01:25:26,490

better and better as the years have gone

2145

01:25:31,460 --> 01:25:28,940

by but the actual images of so-called

2146

01:25:35,120 --> 01:25:31,470

UFOs in the paranormal of actually got

2147

01:25:37,370 --> 01:25:35,130

worse so you know is that a piece of

2148

01:25:39,650 --> 01:25:37,380

film Mike that you could recommend to

2149

01:25:42,110 --> 01:25:39,660

the the listen I say I'm a looking at

2150

01:25:45,170 --> 01:25:42,120

this it's this shows of goats not a

2151
01:25:47,810 --> 01:25:45,180
buffer smoke you know not a knob for

2152
01:25:49,610 --> 01:25:47,820
God's sake you know but you know a

2153
01:25:51,350 --> 01:25:49,620
figure that goes through a wall or

2154
01:25:53,270 --> 01:25:51,360
through a door up you know a ghost that

2155
01:25:55,250 --> 01:25:53,280
someone would describe it on an alien

2156
01:25:57,740 --> 01:25:55,260
for that matter is anything like that

2157
01:25:59,570 --> 01:25:57,750
you know it's difficult because a lot of

2158
01:26:02,180 --> 01:25:59,580
the stuff I see I've get quite skeptical

2159
01:26:05,840 --> 01:26:02,190
of what I'm watching and you know there

2160
01:26:07,220 --> 01:26:05,850
was a post on social media not that long

2161
01:26:09,980 --> 01:26:07,230
ago and it was of a girl and she

2162
01:26:11,510 --> 01:26:09,990
basically she'd filmed paranormal

2163
01:26:13,550 --> 01:26:11,520

activity going on in her house

2164

01:26:14,780 --> 01:26:13,560

but skeptically speaking where she was

2165

01:26:17,120 --> 01:26:14,790

standing you could have quite easily

2166

01:26:18,920 --> 01:26:17,130

rigged that up with fishing wire so this

2167

01:26:21,260 --> 01:26:18,930

I don't think is any real kind of

2168

01:26:23,540 --> 01:26:21,270

smoking gone that I could say was under

2169

01:26:25,430 --> 01:26:23,550

percent proof that you know it was sort

2170

01:26:26,060 --> 01:26:25,440

of paranormal a lot of the stuff I get

2171

01:26:28,310 --> 01:26:26,070

sent

2172

01:26:30,800 --> 01:26:28,320

I'm always quite skeptical of you know

2173

01:26:32,690 --> 01:26:30,810

I've seen balls of light dance around

2174

01:26:36,860 --> 01:26:32,700

properties and stuff like that the other

2175

01:26:39,050 --> 01:26:36,870

week I was sent some photographs of a

2176
01:26:40,850 --> 01:26:39,060
lane in the old part of town and people

2177
01:26:42,950 --> 01:26:40,860
had been seeing this ball of light on

2178
01:26:44,600 --> 01:26:42,960
this Lane and lots of people had

2179
01:26:46,160 --> 01:26:44,610
photographed this ball of light and

2180
01:26:47,720 --> 01:26:46,170
people were sending me these pictures

2181
01:26:49,700 --> 01:26:47,730
and the same thing you had debunk it and

2182
01:26:51,140 --> 01:26:49,710
we was on a I was on a ghost while the

2183
01:26:53,480 --> 01:26:51,150
other night with my company and I took a

2184
01:26:55,390 --> 01:26:53,490
group of students out and they were all

2185
01:26:57,710 --> 01:26:55,400
taking photographs and one of them was a

2186
01:26:59,360 --> 01:26:57,720
medius children and he said to me

2187
01:27:01,460 --> 01:26:59,370
there's a light at the end of the lid

2188
01:27:02,990 --> 01:27:01,470

and if you put your hand over the light

2189

01:27:06,080 --> 01:27:03,000

it blocks out the ball of light that

2190

01:27:07,700 --> 01:27:06,090

we're all seeing and it did and we I was

2191

01:27:09,020 --> 01:27:07,710

like well yeah you you've just totally

2192

01:27:10,430 --> 01:27:09,030

explained what all these people are

2193

01:27:13,040 --> 01:27:10,440

captured and yet no one's had the

2194

01:27:15,410 --> 01:27:13,050

foresight to kind of experiment

2195

01:27:16,910 --> 01:27:15,420

and check it out and then on the

2196

01:27:19,190 --> 01:27:16,920

flipside of that just around the corner

2197

01:27:20,840 --> 01:27:19,200

with an old chair and I did a charity

2198

01:27:23,240 --> 01:27:20,850

gust while couple years back on

2199

01:27:26,120 --> 01:27:23,250

Halloween and a gentleman called Jimmy

2200

01:27:27,590 --> 01:27:26,130

took three photographs on one of the

2201

01:27:30,320 --> 01:27:27,600

photographs it look like a man was

2202

01:27:32,750 --> 01:27:30,330

wearing a top hat but there was no one

2203

01:27:34,280 --> 01:27:32,760

around dressed like that the second

2204

01:27:35,870 --> 01:27:34,290

photograph looked left make a fish

2205

01:27:37,550 --> 01:27:35,880

trying to get through the bars of the

2206

01:27:39,890 --> 01:27:37,560

chair and then the Fed photograph had

2207

01:27:42,110 --> 01:27:39,900

nothing on and he sent all three

2208

01:27:43,820 --> 01:27:42,120

photographs to the media and they

2209

01:27:46,040 --> 01:27:43,830

published the third one which had

2210

01:27:47,870 --> 01:27:46,050

nothing on and said basically you know

2211

01:27:49,940 --> 01:27:47,880

what can you see well there's nothing on

2212

01:27:51,920 --> 01:27:49,950

it to see but only you still get people

2213

01:27:53,360 --> 01:27:51,930

coming in saying well I can see fierce I

2214

01:27:55,400 --> 01:27:53,370

can see this I can see that I can see

2215

01:27:57,710 --> 01:27:55,410

the other a few years ago I did a a

2216

01:27:59,690 --> 01:27:57,720

ghost walk with then some friends a man

2217

01:28:01,610 --> 01:27:59,700

one of them's our skeptic he's a guy

2218

01:28:04,910 --> 01:28:01,620

called Terry and he was stood near a

2219

01:28:07,070 --> 01:28:04,920

building taking photos and was in the

2220

01:28:08,660 --> 01:28:07,080

group and at that time his daughter

2221

01:28:10,910 --> 01:28:08,670

always stood in the group was taking a

2222

01:28:12,680 --> 01:28:10,920

photo of him and when she looks at the

2223

01:28:14,810 --> 01:28:12,690

foot on her phone there was a gentleman

2224

01:28:17,240 --> 01:28:14,820

in a black cowl browser sorry a brown

2225

01:28:19,190 --> 01:28:17,250

cow or walking beyond that and there was

2226

01:28:21,140 --> 01:28:19,200

no one in the street and it looked like

2227

01:28:22,220 --> 01:28:21,150

a mall and she went over to read that

2228

01:28:23,930 --> 01:28:22,230

look at this and she sent me the

2229

01:28:27,170 --> 01:28:23,940

pictures and this there was still kind

2230

01:28:28,670 --> 01:28:27,180

of explain who that was well and he's a

2231

01:28:30,890 --> 01:28:28,680

skeptic that she showed him that foot

2232

01:28:32,960 --> 01:28:30,900

and it was Easter I said well no more

2233

01:28:34,580 --> 01:28:32,970

money yeah I was on my own high street

2234

01:28:35,360 --> 01:28:34,590

in halls quite well lit Chris Chris will

2235

01:28:39,380 --> 01:28:35,370

testify to that

2236

01:28:40,910 --> 01:28:39,390

yes I agree it's it's a medieval part of

2237

01:28:42,410 --> 01:28:40,920

town but there's plenty of lighting down

2238

01:28:44,330 --> 01:28:42,420

there so that you can see your wear out

2239

01:28:46,130 --> 01:28:44,340

and you can the street is in a stray

2240

01:28:48,680 --> 01:28:46,140

lamb so you could see people approaching

2241

01:28:50,120 --> 01:28:48,690

and you can hear them and yet we've got

2242

01:28:52,490 --> 01:28:50,130

this photograph that shows very clearly

2243

01:28:54,260 --> 01:28:52,500

something in a brown cow or walk and be

2244

01:28:56,210 --> 01:28:54,270

at one of the one other group you know

2245

01:28:57,440 --> 01:28:56,220

and stuff like that I mean oh I've got

2246

01:28:59,960 --> 01:28:57,450

permission to put it in one of my books

2247

01:29:01,460 --> 01:28:59,970

well things like that or a few and far

2248

01:29:04,220 --> 01:29:01,470

between bursts of it's a my gets in

2249

01:29:05,690 --> 01:29:04,230

pictures of orbs which you know you

2250

01:29:07,340 --> 01:29:05,700

can't rule out douche but what a

2251
01:29:08,900 --> 01:29:07,350
moisture or you know things like that

2252
01:29:10,580 --> 01:29:08,910
okay

2253
01:29:11,990 --> 01:29:10,590
the big one at the minute yeah the

2254
01:29:14,060 --> 01:29:12,000
people at a minute if people taking

2255
01:29:15,500 --> 01:29:14,070
photos of the Sun and then stare

2256
01:29:17,120 --> 01:29:15,510
mother's experience right in the bottom

2257
01:29:19,100 --> 01:29:17,130
well yeah it's the glare from the Sun

2258
01:29:20,150 --> 01:29:19,110
you know wish you went with cameras so

2259
01:29:22,700 --> 01:29:20,160
you all know all about that

2260
01:29:25,010 --> 01:29:22,710
and then people taking photos of mirrors

2261
01:29:26,870 --> 01:29:25,020
and saying well there's something in the

2262
01:29:29,090 --> 01:29:26,880
mirror but when you say

2263
01:29:30,680 --> 01:29:29,100

polish the mirror was the mirror problem

2264

01:29:33,200 --> 01:29:30,690

there possible that he go that it could

2265

01:29:34,640 --> 01:29:33,210

be a smudge and people are gonna rule

2266

01:29:36,440 --> 01:29:34,650

this stuff out first before they can

2267

01:29:38,090 --> 01:29:36,450

come forward and say it's paranormal but

2268

01:29:39,590 --> 01:29:38,100

the one I'm getting a lot of it the

2269

01:29:42,020 --> 01:29:39,600

minute there's an app that you can

2270

01:29:43,880 --> 01:29:42,030

download on your mobile phone so that

2271

01:29:46,880 --> 01:29:43,890

when you take photographs you can you

2272

01:29:49,400 --> 01:29:46,890

can put the picture of a ghost into your

2273

01:29:50,780 --> 01:29:49,410

photograph and I'm getting so many of

2274

01:29:52,760 --> 01:29:50,790

them and it's always the same volume the

2275

01:29:55,520 --> 01:29:52,770

same gal you know and it I believe

2276

01:29:57,470 --> 01:29:55,530

there's a number and put a UFO on it as

2277

01:29:59,900 --> 01:29:57,480

well so if there is filth yeah there is

2278

01:30:02,600 --> 01:29:59,910

I've actually seen these because what

2279

01:30:04,430 --> 01:30:02,610

amazes me I mean you know people claim

2280

01:30:07,160 --> 01:30:04,440

that you know certainly Britain is one

2281

01:30:09,920 --> 01:30:07,170

of the most watched countries as far as

2282

01:30:12,700 --> 01:30:09,930

CCTV is it's here there and everywhere

2283

01:30:15,980 --> 01:30:12,710

and of course we all got mobile phones

2284

01:30:17,960 --> 01:30:15,990

pretty much all of us although I don't

2285

01:30:21,320 --> 01:30:17,970

my old flip phone could film anything

2286

01:30:24,320 --> 01:30:21,330

you don't want me good but you know from

2287

01:30:26,840 --> 01:30:24,330

a UFO point of view I couldn't handle

2288

01:30:28,850 --> 01:30:26,850

her say to somebody go look at this film

2289

01:30:31,970 --> 01:30:28,860

because it shows an alien it was

2290

01:30:33,800 --> 01:30:31,980

captured on CCTV or whatever you know my

2291

01:30:36,320 --> 01:30:33,810

next-door neighbor you know they've got

2292

01:30:39,740 --> 01:30:36,330

the whole house rigged and they can see

2293

01:30:41,660 --> 01:30:39,750

everything and and it just puzzle map

2294

01:30:45,290 --> 01:30:41,670

was it was he correct me if I'm wrong

2295

01:30:48,710 --> 01:30:45,300

Mike was it this year that the most

2296

01:30:52,100 --> 01:30:48,720

haunted a TV show actually claimed to

2297

01:30:54,050 --> 01:30:52,110

have got a full blown person apparition

2298

01:30:56,660 --> 01:30:54,060

whatever you want to call it on caught

2299

01:30:58,070 --> 01:30:56,670

on camera I believe what's down the end

2300

01:30:59,930 --> 01:30:58,080

of a corridor went through a doorway

2301

01:31:02,420 --> 01:30:59,940

somewhere am i right

2302

01:31:04,700 --> 01:31:02,430

I think I did yeah sorry guys I was just

2303

01:31:06,740 --> 01:31:04,710

going to say that and I actually saw

2304

01:31:09,950 --> 01:31:06,750

that on TV myself Philly and it was down

2305

01:31:12,860 --> 01:31:09,960

a corridor corridor and this apparition

2306

01:31:14,690 --> 01:31:12,870

figure was right off in the distance and

2307

01:31:16,520 --> 01:31:14,700

it appeared to be going down a set of

2308

01:31:18,290 --> 01:31:16,530

stairs in the background he's not the

2309

01:31:21,970 --> 01:31:18,300

one that you think enough I think the

2310

01:31:24,530 --> 01:31:21,980

doorway involved somewhere yeah the

2311

01:31:25,790 --> 01:31:24,540

doorway I just wondered if you'd seen it

2312

01:31:28,190 --> 01:31:25,800

Mike what you would think of that

2313

01:31:30,410 --> 01:31:28,200

because I heard someone it looks like

2314

01:31:32,720 --> 01:31:30,420

one of the cameramen or the crew it did

2315

01:31:36,410 --> 01:31:32,730

yeah actually yeah I've seen it it

2316

01:31:39,050 --> 01:31:36,420

looked like Stuart walking away and the

2317

01:31:40,850 --> 01:31:39,060

weird thingy is I mean most Alec goes

2318

01:31:43,430 --> 01:31:40,860

into a lot of grief and

2319

01:31:45,290 --> 01:31:43,440

people often worked on the show and

2320

01:31:46,910 --> 01:31:45,300

spent time with the cast while the

2321

01:31:49,760 --> 01:31:46,920

cameras are not well there are a bunch

2322

01:31:51,620 --> 01:31:49,770

of fairly honest people with an interest

2323

01:31:54,709 --> 01:31:51,630

in the paranormal and in fact when you

2324

01:31:56,629 --> 01:31:54,719

sit down and talk to Yvette and cow they

2325

01:31:59,660 --> 01:31:56,639

will talk about the history of locations

2326

01:32:01,310 --> 01:31:59,670

and bursts and where a haunted and you

2327

01:32:02,870 --> 01:32:01,320

know they do a lot of research and

2328

01:32:04,580 --> 01:32:02,880

people don't see that on screen they

2329

01:32:06,859 --> 01:32:04,590

don't see that this is that real passion

2330

01:32:08,689 --> 01:32:06,869

there and they want a cat capture stuff

2331

01:32:10,430 --> 01:32:08,699

you know and I've been there when they

2332

01:32:12,320 --> 01:32:10,440

did watch the phone camera and then

2333

01:32:14,209 --> 01:32:12,330

reviewing it in from the air and they're

2334

01:32:16,970 --> 01:32:14,219

jumping up and down like kids because

2335

01:32:18,770 --> 01:32:16,980

the so excite you know I remember right

2336

01:32:21,470 --> 01:32:18,780

there was an experiment that did when we

2337

01:32:24,649 --> 01:32:21,480

was filming and the name came through

2338

01:32:26,450 --> 01:32:24,659

and cow came rushing into the room and

2339

01:32:27,890 --> 01:32:26,460

took me a sad and he said to me I've got

2340

01:32:29,060 --> 01:32:27,900

a bit of paper with an M written on it

2341

01:32:30,919 --> 01:32:29,070

do you know this name

2342

01:32:32,240 --> 01:32:30,929

and he showed me the name and icon vamp

2343

01:32:34,700 --> 01:32:32,250

and then was in the history of the

2344

01:32:36,620 --> 01:32:34,710

building and he and he hooked me it

2345

01:32:38,780 --> 01:32:36,630

lifted me off my feet and it was like

2346

01:32:40,520 --> 01:32:38,790

yes yes and it was so excited you know

2347

01:32:42,500 --> 01:32:40,530

when you see things like that you think

2348

01:32:44,689 --> 01:32:42,510

maybe there is something genuine to it

2349

01:32:46,310 --> 01:32:44,699

and but they don't come under fire a lot

2350

01:32:48,169 --> 01:32:46,320

of people say about well it's obviously

2351

01:32:51,830 --> 01:32:48,179

rigged and hooked and this that and the

2352

01:32:53,689 --> 01:32:51,840

other and you know and then being on set

2353

01:32:55,669 --> 01:32:53,699

and seeing the excitement you know what

2354

01:32:56,990 --> 01:32:55,679

when when the parts within you know the

2355

01:32:58,550 --> 01:32:57,000

same with a plan and I'm a lot found

2356

01:33:00,859 --> 01:32:58,560

guys you know when I was chatting with

2357

01:33:02,959 --> 01:33:00,869

Nick and Katrina they have a genuine

2358

01:33:05,450 --> 01:33:02,969

interest in capturing evidence with the

2359

01:33:08,240 --> 01:33:05,460

people at home you know and it like I

2360

01:33:10,910 --> 01:33:08,250

was saying to them if you were to fit if

2361

01:33:13,640 --> 01:33:10,920

you were to fraudulently you know

2362

01:33:15,890 --> 01:33:13,650

manipulate the only people you fooling

2363

01:33:17,959 --> 01:33:15,900

yourselves really well I thought about

2364

01:33:20,390 --> 01:33:17,969

most haunted is that they've got to go

2365

01:33:23,149 --> 01:33:20,400

add a degree of an important person

2366

01:33:25,399 --> 01:33:23,159

inverted commas entertainment otherwise

2367

01:33:27,620 --> 01:33:25,409

you know people wouldn't watch it you

2368

01:33:29,479 --> 01:33:27,630

know oh yeah I mean I'm not saying

2369

01:33:31,189 --> 01:33:29,489

fakery got anything like that I'm just

2370

01:33:33,200 --> 01:33:31,199

saying that they've got you know they

2371

01:33:34,750 --> 01:33:33,210

are professional TV presenters so

2372

01:33:37,160 --> 01:33:34,760

they're not they know what they're doing

2373

01:33:39,140 --> 01:33:37,170

yeah I mean it's interesting because

2374

01:33:40,790 --> 01:33:39,150

I've been on investigations with them

2375

01:33:42,859 --> 01:33:40,800

where there's no cameras still superb

2376
01:33:45,410 --> 01:33:42,869
and I've been watching like a hawk and

2377
01:33:46,669 --> 01:33:45,420
the reactions are totally different than

2378
01:33:49,370 --> 01:33:46,679
what they are when they're on screen I

2379
01:33:51,410 --> 01:33:49,380
think one of the criticisms and this is

2380
01:33:53,270 --> 01:33:51,420
my little bumper and I'm sure you're

2381
01:33:54,290 --> 01:33:53,280
going to give me a good reason for it is

2382
01:33:56,510 --> 01:33:54,300
when you

2383
01:33:57,770 --> 01:33:56,520
these various paranormal shows what are

2384
01:34:02,569 --> 01:33:57,780
they always filmed at night and in the

2385
01:34:04,669 --> 01:34:02,579
dark you know yeah yeah I think that

2386
01:34:06,260 --> 01:34:04,679
adds an element of likely share the

2387
01:34:08,479 --> 01:34:06,270
entertainment you know because the

2388
01:34:11,030 --> 01:34:08,489

back.this is so full of shadows I've

2389

01:34:13,310 --> 01:34:11,040

conducted experiments during that there

2390

01:34:15,350 --> 01:34:13,320

I've had stuff happen during the day I

2391

01:34:17,299 --> 01:34:15,360

don't know why people choose to do it at

2392

01:34:19,399 --> 01:34:17,309

night I think like because there's

2393

01:34:21,350 --> 01:34:19,409

always that sort of element of what's in

2394

01:34:24,049 --> 01:34:21,360

that fat corner watching that you know

2395

01:34:25,580 --> 01:34:24,059

and things like that and it adds an

2396

01:34:27,620 --> 01:34:25,590

element of sort of it makes you scared

2397

01:34:30,020 --> 01:34:27,630

and this that and the other I remember

2398

01:34:32,930 --> 01:34:30,030

we did I was doing some work with the

2399

01:34:35,000 --> 01:34:32,940

BBC the guy I was with it was a skeptic

2400

01:34:37,100 --> 01:34:35,010

and he was recording me with an

2401

01:34:39,799 --> 01:34:37,110

old-fashioned you know the big boom mice

2402

01:34:41,350 --> 01:34:39,809

you get when you work it was record him

2403

01:34:43,459 --> 01:34:41,360

with that and it was not safe you know

2404

01:34:45,319 --> 01:34:43,469

we were in this room and he had his

2405

01:34:48,109 --> 01:34:45,329

headphones on me at them but the mic was

2406

01:34:49,790 --> 01:34:48,119

laid on the floor and there was getting

2407

01:34:51,680 --> 01:34:49,800

ready to start recording and he could

2408

01:34:54,109 --> 01:34:51,690

hear footsteps and we were the only

2409

01:34:55,370 --> 01:34:54,119

people in the building and it's that

2410

01:34:57,260 --> 01:34:55,380

panic you know he said I can hear

2411

01:34:58,729 --> 01:34:57,270

footsteps and he'd give me the edge set

2412

01:35:01,160 --> 01:34:58,739

and I could hear these footsteps and I

2413

01:35:02,810 --> 01:35:01,170

give him back to him you know and that

2414

01:35:04,339 --> 01:35:02,820

was it and I was off looking for the

2415

01:35:06,649 --> 01:35:04,349

source of these footsteps was it someone

2416

01:35:08,299 --> 01:35:06,659

that in the building with us everything

2417

01:35:09,680 --> 01:35:08,309

was secure everything was locked up and

2418

01:35:11,870 --> 01:35:09,690

I went back to him and I was panicking

2419

01:35:13,520 --> 01:35:11,880

and this is a guy who's a soul skeptic

2420

01:35:14,540 --> 01:35:13,530

and he said to me the footsteps are

2421

01:35:15,799 --> 01:35:14,550

getting closer they're getting louder

2422

01:35:17,839 --> 01:35:15,809

Denny's I she was beaten up he was

2423

01:35:20,419 --> 01:35:17,849

getting more and more scared and I said

2424

01:35:22,520 --> 01:35:20,429

son I cannot explain him and then in the

2425

01:35:23,569 --> 01:35:22,530

end they just stopped and to this day we

2426

01:35:24,770 --> 01:35:23,579

couldn't and that was in the middle of

2427

01:35:26,540 --> 01:35:24,780

the day it was beautiful sunny afternoon

2428

01:35:28,549 --> 01:35:26,550

you know the building was well

2429

01:35:30,859 --> 01:35:28,559

illuminated you know we didn't need the

2430

01:35:32,510 --> 01:35:30,869

lights because the windows were open an

2431

01:35:34,910 --> 01:35:32,520

airy and you know the light was coming

2432

01:35:36,799 --> 01:35:34,920

in you know so stuff does happen during

2433

01:35:38,569 --> 01:35:36,809

that there I think so the benefit of the

2434

01:35:39,950 --> 01:35:38,579

TV shows they were called at night to

2435

01:35:43,129 --> 01:35:39,960

make it look a little bit scary for the

2436

01:35:45,049 --> 01:35:43,139

viewer I mean all thing I would like to

2437

01:35:48,229 --> 01:35:45,059

ask you I mean a few years back you know

2438

01:35:52,640 --> 01:35:48,239

I lectured at Mont Custer castle up in

2439

01:35:54,560 --> 01:35:52,650

the Lake District and it is known for

2440

01:35:56,569 --> 01:35:54,570

its for its hauntings that's why they

2441

01:35:59,390 --> 01:35:56,579

did a little paranormal conference there

2442

01:36:01,580 --> 01:35:59,400

I was the token UFO researcher at that

2443

01:36:04,669 --> 01:36:01,590

time there was an investigation going on

2444

01:36:07,250 --> 01:36:04,679

in in the castle and there was a dot

2445

01:36:08,599 --> 01:36:07,260

Sundy orderly involved he was in charge

2446

01:36:10,580 --> 01:36:08,609

of it

2447

01:36:12,169 --> 01:36:10,590

I can't remember his name to be honest

2448

01:36:13,969 --> 01:36:12,179

well what they've done they got the

2449

01:36:18,500 --> 01:36:13,979

whole place with permission of the

2450

01:36:20,270 --> 01:36:18,510

owners of course wired up yeah and you

2451

01:36:22,099 --> 01:36:20,280

know he taught he told me I was fired

2452

01:36:24,229 --> 01:36:22,109

sprung to my mind when you were telling

2453

01:36:26,899 --> 01:36:24,239

me that story is that they had recorded

2454

01:36:29,509 --> 01:36:26,909

footsteps in one of the rooms when they

2455

01:36:32,299 --> 01:36:29,519

knew there was nobody in because they'd

2456

01:36:35,299 --> 01:36:32,309

sealed the place off and I just wondered

2457

01:36:37,279 --> 01:36:35,309

as she was as a full-blown paranormal

2458

01:36:39,919 --> 01:36:37,289

researcher is there an establishment

2459

01:36:42,229 --> 01:36:39,929

that you'd like to conduct your own

2460

01:36:44,449 --> 01:36:42,239

investigation of that type where the

2461

01:36:46,339 --> 01:36:44,459

building is sealed there's no you know

2462

01:36:49,129 --> 01:36:46,349

you're in total charger you can wire

2463

01:36:51,529 --> 01:36:49,139

help with you know audio-video sensors

2464

01:36:54,319 --> 01:36:51,539

whatever is that a location like that

2465

01:36:56,509 --> 01:36:54,329

that you'd like to do Mike oh yeah there

2466

01:36:59,659 --> 01:36:56,519

was we was in a place a couple of weeks

2467

01:37:01,639 --> 01:36:59,669

ago I was in a underground cellar system

2468

01:37:04,639 --> 01:37:01,649

which has never been open to the public

2469

01:37:06,589 --> 01:37:04,649

I just think you're up there and I just

2470

01:37:08,569 --> 01:37:06,599

seems a lot because when we were trying

2471

01:37:12,139 --> 01:37:08,579

to connect with unit before we began the

2472

01:37:13,969 --> 01:37:12,149

show I said to Chris it said I'm just

2473

01:37:22,429 --> 01:37:13,979

gonna get on a mic now and I still be in

2474

01:37:24,080 --> 01:37:22,439

a cellar somewhere magnificent Victorian

2475

01:37:26,509 --> 01:37:24,090

cellar and it's never been investigated

2476

01:37:28,040 --> 01:37:26,519

as far and we got chatting about stuff

2477

01:37:30,020 --> 01:37:28,050

and and my friend was with me and he

2478

01:37:33,290 --> 01:37:30,030

said to me you know what great to get

2479

01:37:35,509 --> 01:37:33,300

skeptics in yeah and not not give them

2480

01:37:37,759 --> 01:37:35,519

the whole it's army thing just get a

2481

01:37:39,830 --> 01:37:37,769

group of skeptics in then the next night

2482

01:37:41,330 --> 01:37:39,840

get a group of believers in spend the

2483

01:37:43,849 --> 01:37:41,340

next night get a group of investigators

2484

01:37:46,129 --> 01:37:43,859

in and just see what results would get

2485

01:37:47,689 --> 01:37:46,139

from each one and not I mean the thing

2486

01:37:49,489 --> 01:37:47,699

is with the paranormal world is when you

2487

01:37:52,159 --> 01:37:49,499

go to these places the posters will say

2488

01:37:54,049 --> 01:37:52,169

you know as seen on this show this is

2489

01:37:56,330 --> 01:37:54,059

what's happened here and then we'll give

2490

01:37:58,159 --> 01:37:56,340

you the spiel before you even throw us

2491

01:38:00,709 --> 01:37:58,169

and what I would rather do is just have

2492

01:38:02,659 --> 01:38:00,719

people come on to a venue with an open

2493

01:38:03,799 --> 01:38:02,669

mind and what you know where'd you stay

2494

01:38:05,389 --> 01:38:03,809

in you're basically you're gonna go not

2495

01:38:07,250 --> 01:38:05,399

the cellar or whoever else we want to

2496

01:38:09,290 --> 01:38:07,260

know what you think and that's it and

2497

01:38:11,449 --> 01:38:09,300

then I'd like to do something along

2498

01:38:12,379 --> 01:38:11,459

those lines and then compare the results

2499

01:38:15,169 --> 01:38:12,389

at the end of the week

2500

01:38:18,199 --> 01:38:15,179

and see who experienced what you know

2501

01:38:20,449 --> 01:38:18,209

see whether the the believers actually

2502

01:38:21,710 --> 01:38:20,459

experience edited and see whether the

2503

01:38:22,880 --> 01:38:21,720

skeptics could

2504

01:38:24,350 --> 01:38:22,890

playing away and what the believe you

2505

01:38:26,150 --> 01:38:24,360

know and that sort of thing that's

2506

01:38:28,640 --> 01:38:26,160

always fascinated me if you if you take

2507

01:38:30,410 --> 01:38:28,650

different groups in I did a knight once

2508

01:38:32,480 --> 01:38:30,420

and that lady had come from a well-known

2509

01:38:35,180 --> 01:38:32,490

shopping center and she said to me all

2510

01:38:36,800 --> 01:38:35,190

this paranormal stuff is rubbish and we

2511

01:38:38,360 --> 01:38:36,810

was in the venue and after about five

2512

01:38:40,280 --> 01:38:38,370

minutes she was screaming she was in

2513

01:38:42,380 --> 01:38:40,290

hysterics she wanted to be taken home

2514

01:38:43,970 --> 01:38:42,390

she wanted me to get in a taxi and I

2515

01:38:46,100 --> 01:38:43,980

took her outside master what she'd seen

2516

01:38:48,050 --> 01:38:46,110

and she'd seen that that shadowy figure

2517

01:38:50,570 --> 01:38:48,060

running across the back wall of the

2518

01:38:52,130 --> 01:38:50,580

premises now I said to her look we need

2519

01:38:53,360 --> 01:38:52,140

to go up and debunk this we need to go

2520

01:38:54,920 --> 01:38:53,370

and investigate you know you need to

2521

01:38:57,680 --> 01:38:54,930

fear she fears I'll come back with me

2522

01:38:59,000 --> 01:38:57,690

and we went up there and we had to look

2523

01:39:00,800 --> 01:38:59,010

in the room and while we were stood

2524

01:39:02,840 --> 01:39:00,810

there she saw it again she freaked out

2525

01:39:04,910 --> 01:39:02,850

and I grabbed that and said look we're

2526

01:39:07,250 --> 01:39:04,920

wet Simba can buff see it in the next

2527

01:39:09,590 --> 01:39:07,260

time there was two figures running along

2528

01:39:12,260 --> 01:39:09,600

the wall and I pointed out to her that

2529

01:39:14,210 --> 01:39:12,270

when cars passed by up sad the

2530

01:39:16,190 --> 01:39:14,220

headlights were flashing for the windows

2531

01:39:18,620 --> 01:39:16,200

Shannon on our backs

2532

01:39:21,920 --> 01:39:18,630

said that towards it the wall I was

2533

01:39:24,770 --> 01:39:21,930

shadows were moving and in the back mr.

2534

01:39:27,470 --> 01:39:24,780

Costas that looks like it's a bat figure

2535

01:39:28,850 --> 01:39:27,480

moving across the wall and after that

2536

01:39:29,900 --> 01:39:28,860

showed me she was good Dillon said I

2537

01:39:31,990 --> 01:39:29,910

can't believe I'm frightened of each

2538

01:39:38,990 --> 01:39:32,000

other

2539

01:39:41,450 --> 01:39:39,000

I mean if we assume that sorry if we

2540

01:39:45,680 --> 01:39:41,460

assume that you know hauntings stop the

2541

01:39:48,350 --> 01:39:45,690

paranormal are real other there are some

2542

01:39:51,620 --> 01:39:48,360

genuine phenomena here Mike you know I'm

2543

01:39:55,250 --> 01:39:51,630

quite skeptical myself but I have

2544

01:39:57,350 --> 01:39:55,260

witnessed the paranormal firsthand so

2545

01:39:59,360 --> 01:39:57,360

what lies behind it all Mike why is it

2546

01:40:01,700 --> 01:39:59,370

I'm looking with us the same of a UFO

2547

01:40:03,530 --> 01:40:01,710

researcher what what lies behind the UFO

2548

01:40:06,260 --> 01:40:03,540

phenomena what's your opinion what's

2549

01:40:07,940 --> 01:40:06,270

your take on this you know if you've

2550

01:40:11,120 --> 01:40:07,950

seen these things you've experienced

2551

01:40:16,340 --> 01:40:11,130

them what other what is it and well I

2552

01:40:17,950 --> 01:40:16,350

mean all I can think of is you know in

2553

01:40:25,360 --> 01:40:17,960

life

2554

01:40:27,680 --> 01:40:25,370

well we die and the energy that we took

2555

01:40:29,000 --> 01:40:27,690

if we is because a lot of the venues I

2556

01:40:30,620 --> 01:40:29,010

research I'll actually go for the

2557

01:40:32,480 --> 01:40:30,630

history and fan evidence or you know

2558

01:40:34,100 --> 01:40:32,490

that's at the properties and things like

2559

01:40:35,600 --> 01:40:34,110

that but a lot of properties that have

2560

01:40:37,550 --> 01:40:35,610

been called in soon

2561

01:40:38,990 --> 01:40:37,560

we've had psychics going that administer

2562

01:40:40,370 --> 01:40:39,000

history so you already have a

2563

01:40:42,860 --> 01:40:40,380

preconceived notion that you're gonna

2564

01:40:44,420 --> 01:40:42,870

see a monk or you gonna see children and

2565

01:40:46,610 --> 01:40:44,430

this and the other you know some people

2566

01:40:48,320 --> 01:40:46,620

will go along already with ID ears of

2567

01:40:49,880 --> 01:40:48,330

what they will see and when stuff

2568

01:40:50,300 --> 01:40:49,890

happens that just reaffirms that belief

2569

01:40:52,550 --> 01:40:50,310

for them

2570

01:40:55,370 --> 01:40:52,560

you know and it I like to experiment I

2571

01:40:57,470 --> 01:40:55,380

like to go to places where nobody really

2572

01:40:59,360 --> 01:40:57,480

knows anything about it I remember once

2573

01:41:01,820 --> 01:40:59,370

I went to a castle in Scotland that was

2574

01:41:04,070 --> 01:41:01,830

haunted and the story was that this guy

2575

01:41:06,320 --> 01:41:04,080

was walking through a forest it gone up

2576

01:41:09,020 --> 01:41:06,330

to the castle and the burst of some sort

2577

01:41:11,090 --> 01:41:09,030

of ancient landowner had come towards

2578

01:41:12,830 --> 01:41:11,100

him and he was brandishing a sword and

2579

01:41:14,960 --> 01:41:12,840

he attacked this manner and cut his in

2580

01:41:18,110 --> 01:41:14,970

Saturn years that had been passed around

2581

01:41:19,640 --> 01:41:18,120

as a trigger stop and I said well who

2582

01:41:21,620 --> 01:41:19,650

told the story if the man's dead and

2583

01:41:24,680 --> 01:41:21,630

he's out his insides pulled out who was

2584

01:41:26,690 --> 01:41:24,690

it all told the ghosts are all right do

2585

01:41:28,580 --> 01:41:26,700

you know or and you know I've been in

2586

01:41:29,770 --> 01:41:28,590

places where I've seen psychics read

2587

01:41:32,120 --> 01:41:29,780

upon the history before the

2588

01:41:34,220 --> 01:41:32,130

investigation and then they will come

2589

01:41:37,460 --> 01:41:34,230

out with all the right names you know

2590

01:41:39,050 --> 01:41:37,470

the same samma and you know I've been to

2591

01:41:40,730 --> 01:41:39,060

places with certain psychics that have

2592

01:41:42,860 --> 01:41:40,740

just come up on the same information at

2593

01:41:45,490 --> 01:41:42,870

different venues leading me to believe

2594

01:41:48,230 --> 01:41:45,500

that maybe there's something

2595

01:41:49,490 --> 01:41:48,240

psychological going on there where the

2596

01:41:51,920 --> 01:41:49,500

voices that the hair in are not

2597

01:41:53,600 --> 01:41:51,930

paranormal but perhaps you know in their

2598

01:41:54,830 --> 01:41:53,610

own head you know there was a female

2599

01:41:56,330 --> 01:41:54,840

that was working with him and went to

2600

01:41:58,850 --> 01:41:56,340

four different venues and she picked up

2601
01:42:01,010 --> 01:41:58,860
on her a young boy an angry man and a

2602
01:42:03,380 --> 01:42:01,020
ghostly monkey every single venue in

2603
01:42:05,300 --> 01:42:03,390
that order and that to me would indicate

2604
01:42:07,490 --> 01:42:05,310
that maybe she's there in those voices

2605
01:42:10,160 --> 01:42:07,500
and them not actually it's spiritual but

2606
01:42:12,320 --> 01:42:10,170
yeah I mean I found it fascinating for

2607
01:42:13,940 --> 01:42:12,330
me that the whole Sporty's is going out

2608
01:42:15,620 --> 01:42:13,950
to these venues and stuff and I've got

2609
01:42:17,720 --> 01:42:15,630
Jonah there I've got show in the name

2610
01:42:20,870 --> 01:42:17,730
you know I'm often out and about

2611
01:42:23,000 --> 01:42:20,880
somewhere getting up to mischief in some

2612
01:42:26,270 --> 01:42:23,010
location and I just found it fascinating

2613
01:42:28,370 --> 01:42:26,280

and for me it stopped being frightening

2614

01:42:29,810 --> 01:42:28,380

a long time ago but I get people come

2615

01:42:32,960 --> 01:42:29,820

with it as so scared you know

2616

01:42:34,310 --> 01:42:32,970

and people constantly because they ask

2617

01:42:36,530 --> 01:42:34,320

out about this sort of thing and I'll

2618

01:42:38,030 --> 01:42:36,540

put them in touch with you know priests

2619

01:42:40,610 --> 01:42:38,040

and all sorts to try and get them

2620

01:42:42,110 --> 01:42:40,620

closure but in the meantime it's the

2621

01:42:43,030 --> 01:42:42,120

whole adventure side of it I found I've

2622

01:42:45,830 --> 01:42:43,040

sort of Basilan

2623

01:42:47,300 --> 01:42:45,840

use kneez kneez girl when I first that

2624

01:42:49,160 --> 01:42:47,310

and how it must have been about the

2625

01:42:51,470 --> 01:42:49,170

first year I was researching

2626

01:42:54,020 --> 01:42:51,480

and that I was actively doing paranormal

2627

01:42:56,990 --> 01:42:54,030

investigations I was at a whole new

2628

01:43:00,860 --> 01:42:57,000

theater and there I was sat on my own in

2629

01:43:02,870 --> 01:43:00,870

Royal Box B and I heard footsteps there

2630

01:43:04,520 --> 01:43:02,880

was no one there head scratching on the

2631

01:43:07,250 --> 01:43:04,530

die opened the door there was no one

2632

01:43:09,110 --> 01:43:07,260

there one of the chairs moved in the box

2633

01:43:11,060 --> 01:43:09,120

and there was no one in there apart from

2634

01:43:13,280 --> 01:43:11,070

me and then I felt like someone had

2635

01:43:15,320 --> 01:43:13,290

blown on my neck and at that point I was

2636

01:43:17,420 --> 01:43:15,330

terrified because there was a physical

2637

01:43:19,550 --> 01:43:17,430

interaction there something blow on my

2638

01:43:21,320 --> 01:43:19,560

neck I was eventually the group came and

2639

01:43:24,410 --> 01:43:21,330

they got me from the box so we went

2640

01:43:26,300 --> 01:43:24,420

downstairs and I went into the little

2641

01:43:27,920 --> 01:43:26,310

boy's room and I was stood at the Iran

2642

01:43:29,570 --> 01:43:27,930

or when the guy next to me who was

2643

01:43:31,100 --> 01:43:29,580

filming said to me look you've got

2644

01:43:33,350 --> 01:43:31,110

something on you now

2645

01:43:35,270 --> 01:43:33,360

and we looked in the mirror and I had

2646

01:43:37,640 --> 01:43:35,280

three big scratch marks on one there and

2647

01:43:39,200 --> 01:43:37,650

that put me off visiting whole new

2648

01:43:40,520 --> 01:43:39,210

theatre for a year I wouldn't go back

2649

01:43:42,170 --> 01:43:40,530

and eventually when I did the first

2650

01:43:43,460 --> 01:43:42,180

thing I did I said look I want to go in

2651

01:43:45,530 --> 01:43:43,470

the box can you leave me alone in the

2652

01:43:47,180 --> 01:43:45,540

box for an hour and I went and sat there

2653

01:43:49,760 --> 01:43:47,190

and nothing happens you know and I got

2654

01:43:50,900 --> 01:43:49,770

over that and but yeah that really

2655

01:43:52,490 --> 01:43:50,910

terrified me because there was a

2656

01:43:54,410 --> 01:43:52,500

physical interaction I thought what it

2657

01:43:55,910 --> 01:43:54,420

is I can explain what it is but that

2658

01:43:56,810 --> 01:43:55,920

that was weird I mean that the weird

2659

01:43:59,780 --> 01:43:56,820

thing about that as well he's the guy

2660

01:44:02,480 --> 01:43:59,790

who ran this there's the guy who used to

2661

01:44:03,710 --> 01:44:02,490

let us in but then he actually turn

2662

01:44:05,120 --> 01:44:03,720

around - was at the end of the Larry

2663

01:44:06,350 --> 01:44:05,130

consider what someone had been messing

2664

01:44:07,820 --> 01:44:06,360

about with a Ouija board in there the

2665

01:44:09,620 --> 01:44:07,830

way too far but yeah I mean that was

2666

01:44:11,240 --> 01:44:09,630

really weird and after this there still

2667

01:44:14,020 --> 01:44:11,250

kind of explain it that's the only

2668

01:44:16,460 --> 01:44:14,030

instance where something was physically

2669

01:44:19,190 --> 01:44:16,470

touched me in in a threatening manner

2670

01:44:22,760 --> 01:44:19,200

where was it for earlier this year we

2671

01:44:25,100 --> 01:44:22,770

was in the hospital and I'd gone down

2672

01:44:28,100 --> 01:44:25,110

into one of the rooms on my own and as I

2673

01:44:29,750 --> 01:44:28,110

was leaving that room to make sure that

2674

01:44:30,980 --> 01:44:29,760

no one had left any belonging to be out

2675

01:44:33,020 --> 01:44:30,990

it was middle of the night was about

2676

01:44:35,810 --> 01:44:33,030

three o'clock in the morning I felt

2677

01:44:38,480 --> 01:44:35,820

someone smacked me on my ass someone

2678

01:44:39,440 --> 01:44:38,490

physically well my bum and that freaked

2679

01:44:41,600 --> 01:44:39,450

me out

2680

01:44:44,990 --> 01:44:41,610

but not and I just sorta laughed and

2681

01:44:46,190 --> 01:44:45,000

said like you know it's almost a lot the

2682

01:44:49,370 --> 01:44:46,200

best we're putting the willies up

2683

01:44:50,570 --> 01:44:49,380

someone and it just made me laugh and it

2684

01:44:52,490 --> 01:44:50,580

was really funny because there were

2685

01:44:54,380 --> 01:44:52,500

stories about one of the gentlemen

2686

01:44:57,140 --> 01:44:54,390

awaits for the army going back into the

2687

01:44:59,150 --> 01:44:57,150

1700 do is toss it on the sexual and he

2688

01:45:00,710 --> 01:44:59,160

used to such the young boys that that

2689

01:45:02,810 --> 01:45:00,720

went when it down there for medical

2690

01:45:04,399 --> 01:45:02,820

treatment so here I am getting

2691

01:45:06,709 --> 01:45:04,409

all this equipment and I'm walking out

2692

01:45:08,419 --> 01:45:06,719

the door pitch black or something smacks

2693

01:45:13,370 --> 01:45:08,429

me on my bottom so that that made me

2694

01:45:14,930 --> 01:45:13,380

walk a little bit quicker yeah there

2695

01:45:16,550 --> 01:45:14,940

have been some interesting ones that

2696

01:45:19,430 --> 01:45:16,560

that's why I remember going to a house

2697

01:45:20,689 --> 01:45:19,440

blessing before we went in someone said

2698

01:45:23,569 --> 01:45:20,699

to me would you like to do a prayer of

2699

01:45:25,430 --> 01:45:23,579

protection I'm an atheist so I just said

2700

01:45:28,700 --> 01:45:25,440

what use is that gonna do me really

2701

01:45:31,370 --> 01:45:28,710

right as an idiot and I walked into the

2702

01:45:33,649 --> 01:45:31,380

building and the family were dead set in

2703

01:45:36,290 --> 01:45:33,659

front of us but from the right and sad a

2704

01:45:37,580 --> 01:45:36,300

frying pan flew across the room but then

2705

01:45:39,500 --> 01:45:37,590

this with all the lights on as well so

2706

01:45:41,000 --> 01:45:39,510

you can see where everyone stood and it

2707

01:45:43,370 --> 01:45:41,010

narrowly missed my head by about an inch

2708

01:45:44,959 --> 01:45:43,380

and I stepped backwards out in the room

2709

01:45:49,520 --> 01:45:44,969

and said to the guide can you pray for

2710

01:45:51,620 --> 01:45:49,530

me but yeah that was weird and that was

2711

01:45:53,060 --> 01:45:51,630

a that was quite an interesting case

2712

01:45:54,589 --> 01:45:53,070

that because it was an old farmhouse and

2713

01:45:56,870 --> 01:45:54,599

affinity we had stuff going on and they

2714

01:45:59,270 --> 01:45:56,880

called us in and and that that was that

2715

01:46:01,910 --> 01:45:59,280

was freaky you know took a friend with

2716

01:46:04,729 --> 01:46:01,920

me who's Emily involved with the

2717

01:46:05,990 --> 01:46:04,739

spiritual bulletin movement and you know

2718

01:46:07,640 --> 01:46:06,000

and it was a really good night and we

2719

01:46:10,729 --> 01:46:07,650

ended up getting whatever it wasn't now

2720

01:46:13,430 --> 01:46:10,739

white and the family contacted this and

2721

01:46:15,020 --> 01:46:13,440

you know it's a wonderful feeling it's

2722

01:46:17,479 --> 01:46:15,030

really nice now that you've done that so

2723

01:46:20,450 --> 01:46:17,489

that was interesting okay now we've got

2724

01:46:22,220 --> 01:46:20,460

about six minutes left and I mean is

2725

01:46:25,760 --> 01:46:22,230

there anything you want to ask Phil

2726

01:46:27,500 --> 01:46:25,770

anything else well not really I mean you

2727

01:46:32,359 --> 01:46:27,510

mean should just I don't think we've got

2728

01:46:34,459 --> 01:46:32,369

time to cover it now but UFO wise Mike

2729

01:46:36,530 --> 01:46:34,469

you know in in that short time we've got

2730

01:46:39,919 --> 01:46:36,540

life work what do you think lies behind

2731

01:46:42,350 --> 01:46:39,929

that the UFO phenomena ooh interesting

2732

01:46:43,609 --> 01:46:42,360

one I don't know I still think our

2733

01:46:45,770 --> 01:46:43,619

government are doing a lot that we don't

2734

01:46:47,660 --> 01:46:45,780

and I say that because I spend a lot of

2735

01:46:49,760 --> 01:46:47,670

time scramble around these your chair

2736

01:46:51,709 --> 01:46:49,770

looking at farmer bunkers and stuff like

2737

01:46:53,390 --> 01:46:51,719

that so I do know that there is a hidden

2738

01:46:55,280 --> 01:46:53,400

truth you know in that respect there's a

2739

01:46:56,990 --> 01:46:55,290

lot of Cold War relics still hidden

2740

01:46:59,209 --> 01:46:57,000

around these jobs that have not been

2741

01:47:01,430 --> 01:46:59,219

opened to the public and so if they had

2742

01:47:03,890 --> 01:47:01,440

in that is what else are they adding you

2743

01:47:05,629 --> 01:47:03,900

know so I do believe that they know some

2744

01:47:07,550 --> 01:47:05,639

things know what do I think it's

2745

01:47:10,250 --> 01:47:07,560

extraterrestrial I don't know about that

2746

01:47:13,669 --> 01:47:10,260

I'm not sure if they're aliens but I do

2747

01:47:16,250 --> 01:47:13,679

believe this craft in our sky and we

2748

01:47:18,680 --> 01:47:16,260

cannot controls I say

2749

01:47:20,060 --> 01:47:18,690

believes that I watch a lot of the TV

2750

01:47:22,129 --> 01:47:20,070

shows or stuff like that and I've seen

2751

01:47:23,419 --> 01:47:22,139

quite a lot of interesting bits of

2752

01:47:26,209 --> 01:47:23,429

footage I remember years ago watching

2753

01:47:28,399 --> 01:47:26,219

the SDS footage back in the night and

2754

01:47:30,799 --> 01:47:28,409

that used to fasten it they put yeah I

2755

01:47:33,879 --> 01:47:30,809

don't know I honestly do not know that I

2756

01:47:36,319 --> 01:47:33,889

just find it fascinating you know I mean

2757

01:47:38,899 --> 01:47:36,329

I've been following the UFO stuff for

2758

01:47:40,850 --> 01:47:38,909

years now I remember going to a lecture

2759

01:47:42,770 --> 01:47:40,860

with Timothy good and at the end of the

2760

01:47:44,509 --> 01:47:42,780

night he said if anyone wants me to sign

2761

01:47:46,640 --> 01:47:44,519

my new book and Alex returned it with a

2762

01:47:48,979 --> 01:47:46,650

backpack full of his old books and his

2763

01:47:50,660 --> 01:47:48,989

new book and got into Sam a lot I love

2764

01:47:52,790 --> 01:47:50,670

going to all the conferences and stuff

2765

01:47:54,919 --> 01:47:52,800

and meeting people and and years of

2766

01:47:56,479 --> 01:47:54,929

california's the rare that it's only

2767

01:47:58,640 --> 01:47:56,489

inside the last two or three years that

2768

01:48:01,370 --> 01:47:58,650

it's become quite well-known and what

2769

01:48:02,540 --> 01:48:01,380

I'm doing and and things like that and I

2770

01:48:04,520 --> 01:48:02,550

just love what set and I don't love me

2771

01:48:07,640 --> 01:48:04,530

in your people you know I mean I grew up

2772

01:48:10,850 --> 01:48:07,650

reading felix articles and seeing him in

2773

01:48:12,229 --> 01:48:10,860

UFO magazine all at alman to a group

2774

01:48:13,580 --> 01:48:12,239

well that sort of stuff so getting to

2775

01:48:15,080 --> 01:48:13,590

meet you at the conference you know

2776

01:48:19,100 --> 01:48:15,090

there's always somebody comes on this

2777

01:48:21,410 --> 01:48:19,110

radio makes me sound really old well it

2778

01:48:29,959 --> 01:48:21,420

is Phil it's actually because as we've

2779

01:48:33,109 --> 01:48:29,969

mentioned before you were salty for me

2780

01:48:36,620 --> 01:48:33,119

well my cold all kinds of things mer but

2781

01:48:38,390 --> 01:48:36,630

never that before I do want my cover a

2782

01:48:41,450 --> 01:48:38,400

you're actually going to come to

2783

01:48:43,819 --> 01:48:41,460

Pontefract next year and get you what

2784

01:48:46,520 --> 01:48:43,829

could possibly be you want an only

2785

01:48:49,430 --> 01:48:46,530

chance to meet Calvin Parker the

2786

01:48:51,680 --> 01:48:49,440

Pascagoula incident and believe me there

2787

01:48:53,569 --> 01:48:51,690

is some fascinating information going to

2788

01:48:55,819 --> 01:48:53,579

come out about this circus I don't know

2789

01:48:57,350 --> 01:48:55,829

about Phillips and there well he's just

2790

01:48:58,729 --> 01:48:57,360

it just found out some more information

2791

01:49:01,819 --> 01:48:58,739

which we're going to bring out a bit

2792

01:49:03,290 --> 01:49:01,829

later day I should think but what what

2793

01:49:05,120 --> 01:49:03,300

to do now Mike because we've got about

2794

01:49:07,490 --> 01:49:05,130

three minutes left so I just wanted to

2795

01:49:09,350 --> 01:49:07,500

say thank you very much for joining us

2796

01:49:11,509 --> 01:49:09,360

tonight I'm ever so sorry about the

2797

01:49:12,979 --> 01:49:11,519

little air technical gremlin that we had

2798

01:49:15,169 --> 01:49:12,989

a little bit earlier on but hopefully

2799

01:49:17,450 --> 01:49:15,179

it's not it's not spoiled anybody's

2800

01:49:20,750 --> 01:49:17,460

enjoyment of the the program this

2801
01:49:22,220 --> 01:49:20,760
evening and on behalf of myself I'd like

2802
01:49:24,379 --> 01:49:22,230
to say thank you very much I'm sure

2803
01:49:26,240 --> 01:49:24,389
Phillip would like to yeah I would Mike

2804
01:49:28,640 --> 01:49:26,250
and I'd like to say all power to UPenn

2805
01:49:29,870 --> 01:49:28,650
may I help Mike common investigates goes

2806
01:49:32,360 --> 01:49:29,880
on for what all

2807
01:49:35,149 --> 01:49:32,370
a lot more years I really do you know

2808
01:49:37,370 --> 01:49:35,159
you know credit Mike and thank you for

2809
01:49:38,390 --> 01:49:37,380
this evening thank you it's been a

2810
01:49:40,790 --> 01:49:38,400
pleasure

2811
01:49:42,370 --> 01:49:40,800
southern Phil what did you think of that

2812
01:49:45,350 --> 01:49:42,380
men speaking with Mike

2813
01:49:48,560 --> 01:49:45,360

well a fascinating crease I mean one of

2814

01:49:50,390 --> 01:49:48,570

the reasons that was a bit quiet you

2815

01:49:53,540 --> 01:49:50,400

know sort of throughout the beginning

2816

01:49:58,640 --> 01:49:53,550

part of the first half anyway is that I

2817

01:50:00,439 --> 01:49:58,650

don't know the gentleman that well so I

2818

01:50:02,270 --> 01:50:00,449

was interested in to listen to what Mike

2819

01:50:05,060 --> 01:50:02,280

had to say you're not met him before and

2820

01:50:07,160 --> 01:50:05,070

we've we've corresponded on email but

2821

01:50:10,879 --> 01:50:07,170

nothing really in-depth and I saw his

2822

01:50:13,040 --> 01:50:10,889

presentation at last year's Outer Limits

2823

01:50:16,160 --> 01:50:13,050

magazine conference so we're just

2824

01:50:18,530 --> 01:50:16,170

interested in hearing more and it shows

2825

01:50:20,240 --> 01:50:18,540

you what what one person can do which

2826

01:50:22,580 --> 01:50:20,250

they've got that interests that drive

2827

01:50:24,500 --> 01:50:22,590

and that passion I mean you know

2828

01:50:26,570 --> 01:50:24,510

Norman's made Mike do what he's done and

2829

01:50:28,910 --> 01:50:26,580

I think he's a great credit to to

2830

01:50:31,729 --> 01:50:28,920

himself I really do yeah I completely

2831

01:50:34,220 --> 01:50:31,739

agree with that and as what Mike

2832

01:50:37,760 --> 01:50:34,230

mentioned during the interview we first

2833

01:50:40,129 --> 01:50:37,770

met up round about people 20 or so years

2834

01:50:42,530 --> 01:50:40,139

ago now you know when he came across the

2835

01:50:45,680 --> 01:50:42,540

little leeway for society you'd say you

2836

01:50:47,870 --> 01:50:45,690

know when I was running that and he is

2837

01:50:51,439 --> 01:50:47,880

fascinated me from day one to be quite

2838

01:50:53,330 --> 01:50:51,449

honest with you and he can't he really

2839

01:50:56,840 --> 01:50:53,340

can't talk and he really does know his

2840

01:50:58,310 --> 01:50:56,850

subject which reminds me you know we've

2841

01:51:01,370 --> 01:50:58,320

got another conference coming up next

2842

01:51:03,709 --> 01:51:01,380

year and we well exactly I mean you know

2843

01:51:06,820 --> 01:51:03,719

at your request we've we've moved it

2844

01:51:08,959 --> 01:51:06,830

from Hull and it's gonna be in in my

2845

01:51:12,490 --> 01:51:08,969

town where I live this time in

2846

01:51:15,169 --> 01:51:12,500

Pontefract and I think we've got a real

2847

01:51:16,459 --> 01:51:15,179

not that the nor disrespect to the other

2848

01:51:19,879 --> 01:51:16,469

line it was but I think they're

2849

01:51:22,939 --> 01:51:19,889

different every year Chris and just you

2850

01:51:24,979 --> 01:51:22,949

know get fascinate you know you can get

2851

01:51:27,290 --> 01:51:24,989

with it without you know being big

2852

01:51:29,120 --> 01:51:27,300

editor or anything like that and I think

2853

01:51:33,530 --> 01:51:29,130

we've got if no matter what your

2854

01:51:34,939 --> 01:51:33,540

interest is in in in the UFO field my

2855

01:51:36,860 --> 01:51:34,949

view is that the the past two

2856

01:51:38,689 --> 01:51:36,870

conferences you've put on and the one

2857

01:51:41,180 --> 01:51:38,699

that's coming up next year there's

2858

01:51:42,830 --> 01:51:41,190

something there for everyone there

2859

01:51:45,200 --> 01:51:42,840

really is

2860

01:51:47,899 --> 01:51:45,210

absolutely a completely agree we have to

2861

01:51:49,850 --> 01:51:47,909

do something different I think every

2862

01:51:51,320 --> 01:51:49,860

year if we do with them every year that

2863

01:51:54,350 --> 01:51:51,330

is you never carry on doing them in the

2864

01:51:57,050 --> 01:51:54,360

future and this year's lineup as you say

2865

01:51:59,350 --> 01:51:57,060

is absolutely fantastic and again we've

2866

01:52:01,790 --> 01:51:59,360

got her we've got an American coming

2867

01:52:03,350 --> 01:52:01,800

well we have I mean I'm you know

2868

01:52:06,310 --> 01:52:03,360

something I'm looking forward to it to

2869

01:52:10,370 --> 01:52:06,320

myself as well we've got Calvin Parker

2870

01:52:12,589 --> 01:52:10,380

from Mississippi his Calvin's first trip

2871

01:52:15,979 --> 01:52:12,599

to the UK as well Chris and it probably

2872

01:52:18,109 --> 01:52:15,989

his last one you know and I can't wait

2873

01:52:19,399 --> 01:52:18,119

well this is a good reason into it for

2874

01:52:20,810 --> 01:52:19,409

people you know

2875

01:52:23,180 --> 01:52:20,820

let's make him welcome because my

2876

01:52:27,080 --> 01:52:23,190

understanding is he's actually turned

2877

01:52:30,020 --> 01:52:27,090

down a trip to MUFON or higher on the

2878

01:52:32,510 --> 01:52:30,030

same day as the Outer Limits magazine

2879

01:52:36,080 --> 01:52:32,520

conference it's actually coming to the

2880

01:52:38,600 --> 01:52:36,090

UK and turning down the trip to where to

2881

01:52:42,470 --> 01:52:38,610

MUFON in in Ohio just to come in and see

2882

01:52:43,939 --> 01:52:42,480

us Oliver ear in the UK but it starts to

2883

01:52:45,140 --> 01:52:43,949

when I mean if you look at the

2884

01:52:47,180 --> 01:52:45,150

difference I'm not talking about the

2885

01:52:49,669 --> 01:52:47,190

crowd or anything like that just in the

2886

01:52:52,580 --> 01:52:49,679

travel alone I mean you know to go to

2887

01:52:54,979 --> 01:52:52,590

Ohio is a relatively short trip on an

2888

01:52:58,729 --> 01:52:54,989

aircraft whereas to come to Pontefract

2889

01:53:01,910 --> 01:52:58,739

it's gotta be you know a full day's

2890

01:53:03,709 --> 01:53:01,920

traveling and a changing the timezone I

2891

01:53:07,129 --> 01:53:03,719

mean he's six hours behind us so he'll

2892

01:53:09,979 --> 01:53:07,139

have jet lag as well yeah but you know

2893

01:53:12,680 --> 01:53:09,989

we did give him the option and we

2894

01:53:15,200 --> 01:53:12,690

wouldn't blame him if he depict Ohio but

2895

01:53:17,510 --> 01:53:15,210

he said no I've made a commitment to

2896

01:53:22,280 --> 01:53:17,520

come to Pontefract I'm a man of my word

2897

01:53:24,290 --> 01:53:22,290

which it is and he's coming and there's

2898

01:53:26,120 --> 01:53:24,300

nothing will stop him as well as far as

2899

01:53:28,790 --> 01:53:26,130

I can tell anyway that's absolutely

2900

01:53:32,050 --> 01:53:28,800

brilliant so I wish the book going Phil

2901

01:53:35,510 --> 01:53:32,060

is his story how is that going

2902

01:53:38,390 --> 01:53:35,520

I mean I published or republish there

2903

01:53:40,339 --> 01:53:38,400

should say Charles Hickson I'm William

2904

01:53:43,879 --> 01:53:40,349

Mendes book which originally came out in

2905

01:53:45,770 --> 01:53:43,889

1983 and I got there obtained the rights

2906

01:53:47,660 --> 01:53:45,780

to it and republished it now when I was

2907

01:53:53,390 --> 01:53:47,670

in the process of that I knew that

2908

01:53:55,010 --> 01:53:53,400

Charles Hickson had died in 2011 and I

2909

01:53:56,629 --> 01:53:55,020

thought be nice just around the book off

2910

01:53:59,029 --> 01:53:56,639

maybe with an interview with Calvin

2911

01:54:01,429 --> 01:53:59,039

so I set out to try and find him took me

2912

01:54:06,049 --> 01:54:01,439

a few months but in the end when I did

2913

01:54:10,850 --> 01:54:06,059

lo and behold he it just decided him and

2914

01:54:14,479 --> 01:54:10,860

his wife to do his own book so you know

2915

01:54:17,899 --> 01:54:14,489

the stars aligned in that respect so I

2916

01:54:19,759 --> 01:54:17,909

helped him produce the book Alex Dume

2917

01:54:23,000 --> 01:54:19,769

you know exceptionally well it became an

2918

01:54:25,879 --> 01:54:23,010

Amazon bestseller it's out in Kindle

2919

01:54:29,779 --> 01:54:25,889

it's out with an audio book is coming

2920

01:54:32,540 --> 01:54:29,789

out in Japanese and Spanish and German

2921

01:54:35,239 --> 01:54:32,550

and I'm talking to other countries as

2922

01:54:37,310 --> 01:54:35,249

well so it's gone far better than than

2923

01:54:39,589 --> 01:54:37,320

any of us ever expected but you know

2924

01:54:41,029 --> 01:54:39,599

that's just the way it goes and no

2925

01:54:42,620 --> 01:54:41,039

Calvin's over the moon with it

2926

01:54:44,209 --> 01:54:42,630

and and that that's all that matters

2927

01:54:46,279 --> 01:54:44,219

really that's that's the most important

2928

01:54:48,379 --> 01:54:46,289

thing is that he's happy with what we've

2929

01:54:51,259 --> 01:54:48,389

produced absolutely doesn't this just

2930

01:54:53,419 --> 01:54:51,269

sure that despite what some people say

2931

01:54:55,549 --> 01:54:53,429

that there is no interest anymore for

2932

01:54:57,620 --> 01:54:55,559

this subject you know the fact that he's

2933

01:54:59,479 --> 01:54:57,630

gone out into all of those countries and

2934

01:55:01,429 --> 01:54:59,489

you're still talking to other countries

2935

01:55:03,709 --> 01:55:01,439

publishers you know that there is still

2936

01:55:07,129 --> 01:55:03,719

an interest in a quest for knowledge

2937

01:55:09,259 --> 01:55:07,139

within this field absolutely and I mean

2938

01:55:11,179 --> 01:55:09,269

Calvin did another TV show yesterday

2939

01:55:13,520 --> 01:55:11,189

that's coming out in January it's done a

2940

01:55:16,850 --> 01:55:13,530

couple of interviews already there are

2941

01:55:19,699 --> 01:55:16,860

other TV production companies you know

2942

01:55:21,919 --> 01:55:19,709

look looking for his services he's never

2943

01:55:23,500 --> 01:55:21,929

really lectured at UFO conferences

2944

01:55:26,089 --> 01:55:23,510

before but I think he's got now

2945

01:55:28,729 --> 01:55:26,099

including the one in Pontefract I think

2946

01:55:30,949 --> 01:55:28,739

he's got six on his list quite quite

2947

01:55:32,750 --> 01:55:30,959

literally today he turned one down

2948

01:55:35,509 --> 01:55:32,760

because he already has something booked

2949

01:55:38,149 --> 01:55:35,519

and that was for November of next year

2950

01:55:41,479 --> 01:55:38,159

yeah and again he's looking forward to

2951

01:55:43,189 --> 01:55:41,489

it Chris absolutely brilliant now not

2952

01:55:44,959 --> 01:55:43,199

that we just want to concentrate on

2953

01:55:46,790 --> 01:55:44,969

Calvin we certainly don't let's just

2954

01:55:48,799 --> 01:55:46,800

mention or else we've got good about

2955

01:55:51,199 --> 01:55:48,809

three minutes left of the program so

2956

01:55:53,629 --> 01:55:51,209

Malcolm Robnson he's going to be

2957

01:55:56,419 --> 01:55:53,639

talking about is it the DECA manhua the

2958

01:55:58,189 --> 01:55:56,429

the Bob Taylor incident there that's

2959

01:56:00,350 --> 01:55:58,199

right at Livingston I mean you know I

2960

01:56:03,109 --> 01:56:00,360

was fortunate that some years ago to

2961

01:56:07,639 --> 01:56:03,119

travel up to Scotland and to interview

2962

01:56:10,070 --> 01:56:07,649

Robert Taylor and you know a more honest

2963

01:56:12,590 --> 01:56:10,080

man you could never wish to me Chris

2964

01:56:15,020 --> 01:56:12,600

damn you know what Malcolm's doing he's

2965

01:56:17,270 --> 01:56:15,030

put everything into the book about not

2966

01:56:18,950 --> 01:56:17,280

only about the case but all the theories

2967

01:56:20,810 --> 01:56:18,960

behind it as well as there's lots of

2968

01:56:23,680 --> 01:56:20,820

different theories trying to explain it

2969

01:56:25,700 --> 01:56:23,690

so this is certainly going to be then a

2970

01:56:27,860 --> 01:56:25,710

subject that people if they have an

2971

01:56:30,320 --> 01:56:27,870

interest in anything claim that you know

2972

01:56:31,520 --> 01:56:30,330

any famous British UFO logical case that

2973

01:56:33,200 --> 01:56:31,530

they really need to get to the outer

2974

01:56:35,540 --> 01:56:33,210

limits magazine conference next year to

2975

01:56:37,370 --> 01:56:35,550

listen to this absolutely I mean I've

2976
01:56:39,830 --> 01:56:37,380
heard Malcolm speak about this incident

2977
01:56:41,860 --> 01:56:39,840
before and it again it never ceases to

2978
01:56:44,210 --> 01:56:41,870
amaze me what it comes up with

2979
01:56:47,090 --> 01:56:44,220
absolutely and of course we have their

2980
01:56:48,470 --> 01:56:47,100
Phillip Kinsella and east coming along

2981
01:56:49,820 --> 01:56:48,480
as well I I'm not hundred percent of

2982
01:56:56,090 --> 01:56:49,830
certain what Philips going to be talking

2983
01:56:57,590 --> 01:56:56,100
about at the moment unless the topic of

2984
01:57:00,170 --> 01:56:57,600
the air the conference which is the

2985
01:57:02,210 --> 01:57:00,180
closest of encounters so all I can tell

2986
01:57:04,250 --> 01:57:02,220
you right now folks well all I know is

2987
01:57:06,050 --> 01:57:04,260
that Phillip Sally's own encounters yeah

2988
01:57:08,390 --> 01:57:06,060

so I think that's going to be a big part

2989

01:57:11,290 --> 01:57:08,400

of what he talks about and we've covered

2990

01:57:13,910 --> 01:57:11,300

that on inside our limits we thought

2991

01:57:15,080 --> 01:57:13,920

it'll be able to go into more detail and

2992

01:57:17,090 --> 01:57:15,090

you'll be able to speak to the man

2993

01:57:18,830 --> 01:57:17,100

himself and put a few questions to him

2994

01:57:21,170 --> 01:57:18,840

as well well that's brilliant of course

2995

01:57:23,840 --> 01:57:21,180

we've got a gentleman who was returning

2996

01:57:26,170 --> 01:57:23,850

for the third time in three conferences

2997

01:57:29,810 --> 01:57:26,180

Paul Sinclair he's going to be

2998

01:57:33,350 --> 01:57:29,820

discussing a lot more incidents going on

2999

01:57:35,990 --> 01:57:33,360

in the bridlington area and again he's a

3000

01:57:38,030 --> 01:57:36,000

guy he's a man who fascinates and yes

3001

01:57:40,280 --> 01:57:38,040

you can see the love that he asks for

3002

01:57:43,400 --> 01:57:40,290

the subject by how he presents it well

3003

01:57:44,270 --> 01:57:43,410

Paul's a man on a mission it is out in

3004

01:57:49,550 --> 01:57:44,280

the field

3005

01:57:52,220 --> 01:57:49,560

of dawn in all weathers because whatever

3006

01:57:54,260 --> 01:57:52,230

the phenomena is it is manifesting

3007

01:57:57,260 --> 01:57:54,270

itself in the region where he lives and

3008

01:57:59,120 --> 01:57:57,270

and Paul's determined to get you know to

3009

01:58:03,080 --> 01:57:59,130

the bottom of it I've seen both these

3010

01:58:05,030 --> 01:58:03,090

presentations previously and and the you

3011

01:58:06,440 --> 01:58:05,040

know the the story and the saga

3012

01:58:10,190 --> 01:58:06,450

surrounding where he lives just

3013

01:58:12,530 --> 01:58:10,200

continues and again you know as a UFO

3014

01:58:15,080 --> 01:58:12,540

researcher I personally can't wait to

3015

01:58:16,700 --> 01:58:15,090

hear not just Paul but all of them you

3016

01:58:19,040 --> 01:58:16,710

know I think I don't think we could have

3017

01:58:20,750 --> 01:58:19,050

picked a better line up I think this is

3018

01:58:23,399 --> 01:58:20,760

going to be a very very special event

3019

01:58:25,470 --> 01:58:23,409

and to be quite honest with you Phil you

3020

01:58:26,939 --> 01:58:25,480

I think people need to wear start

3021

01:58:28,620 --> 01:58:26,949

getting the tickets because once we get

3022

01:58:31,410 --> 01:58:28,630

into the New Year I can see this is

3023

01:58:33,720 --> 01:58:31,420

going to fill up very very quickly as we

3024

01:58:36,810 --> 01:58:33,730

say especially Calvin coming over for

3025

01:58:38,850 --> 01:58:36,820

what could be a one and only well once

3026

01:58:41,010 --> 01:58:38,860

in a lifetime events put it bluntly I

3027

01:58:43,530 --> 01:58:41,020

agree with you Chris and I reckon that

3028

01:58:45,300 --> 01:58:43,540

the this next year's common of those

3029

01:58:46,640 --> 01:58:45,310

confidences that people still talk about

3030

01:58:49,020 --> 01:58:46,650

in years to come

3031

01:58:51,120 --> 01:58:49,030

they can say can you remember when we

3032

01:58:53,220 --> 01:58:51,130

were in Pontefract and the shoulders

3033

01:58:55,350 --> 01:58:53,230

this and the shoulders that and and you

3034

01:58:58,110 --> 01:58:55,360

know so there you go that's brilliant

3035

01:59:01,560 --> 01:58:58,120

well just before we join an arena and

3036

01:59:03,240 --> 01:59:01,570

Mark on the paranormal radio a UK radio

3037

01:59:06,270 --> 01:59:03,250

show we're actually going to say goodbye

3038

01:59:08,580 --> 01:59:06,280

to everybody and just before we do just

3039

01:59:10,350 --> 01:59:08,590

to put a quick reminder well we got next

3040

01:59:14,430 --> 01:59:10,360

Phil coming up isn't it the man himself

3041

01:59:17,850 --> 01:59:14,440

it is we've booked Calvin Parker for our

3042

01:59:20,220 --> 01:59:17,860

for a two-hour interview and I mean I

3043

01:59:22,649 --> 01:59:20,230

say interview Calvin's a great

3044

01:59:24,930 --> 01:59:22,659

storyteller on a raconteur so basically

3045

01:59:26,310 --> 01:59:24,940

just ask him his name Chris and then sit

3046

01:59:27,899 --> 01:59:26,320

back and go and watch the telly for a

3047

01:59:30,180 --> 01:59:27,909

couple of hours and leave him to it you

3048

01:59:31,500 --> 01:59:30,190

know there'll be no stopping him I can

3049

01:59:34,320 --> 01:59:31,510

assure you but he is a he is a

3050

01:59:36,660 --> 01:59:34,330

fascinating individual in himself he's a

3051

01:59:39,720 --> 01:59:36,670

person in life as well if he has indeed

3052

01:59:42,209 --> 01:59:39,730

he has indeed right Phil thanks very

3053

01:59:44,760 --> 01:59:42,219

much again for be my co-host on the show
