

THE PARANORMAL UK RADIO NETWORK PRESENTS
**INSIDE OUTER LIMITS
RADIO SHOW**

Featuring

Philip Mantle

Chris Evers

Talking with

Calvin Parker

1
00:00:09,410 --> 00:00:07,460
December the 1st 2018

2
00:00:11,509 --> 00:00:09,420
we'll see issue 17 of our limits

3
00:00:13,910 --> 00:00:11,519
magazine published have you subscribed

4
00:00:17,390 --> 00:00:13,920
yet if not you'll be missing out on the

5
00:00:21,019 --> 00:00:17,400
following madam it passes aware mj-12

6
00:00:23,540 --> 00:00:21,029
hooks is real evidence being hidden why

7
00:00:26,630 --> 00:00:23,550
UFOs could not be entirely explained by

8
00:00:29,089 --> 00:00:26,640
human technology to lots of photographic

9
00:00:32,089 --> 00:00:29,099
evidence are examined we revisit a

10
00:00:33,440 --> 00:00:32,099
classic UFO encounter from Greece 100

11
00:00:35,750 --> 00:00:33,450
years after the armistice

12
00:00:38,780 --> 00:00:35,760
we take a look at the angel of Mons a

13
00:00:42,049 --> 00:00:38,790

real-life abduction case in they came in

14

00:00:44,990 --> 00:00:42,059

the night the greys revealed Peter

15

00:00:47,750 --> 00:00:45,000

Robbins remembers our life and UFOs and

16

00:00:51,350 --> 00:00:47,760

he thinks about booed up Kings life on

17

00:00:54,319 --> 00:00:51,360

Mars the road to Pascagoula a research

18

00:00:56,720 --> 00:00:54,329

trip from 1981 which is a review of this

19

00:01:00,260 --> 00:00:56,730

classic abduction with new

20

00:01:03,349 --> 00:01:00,270

never-before-aired information the Kari

21

00:01:05,660 --> 00:01:03,359

Island UFO from Ireland in November 2018

22

00:01:08,060 --> 00:01:05,670

we bring you the latest information on

23

00:01:12,050 --> 00:01:08,070

the new case subscribe now and do not

24

00:01:15,200 --> 00:01:12,060

miss out Nam pound a year for UK or \$12

25

00:01:17,840 --> 00:01:15,210

for us plus a peer pal fee for six

26
00:01:21,440 --> 00:01:17,850
issues a year subscribe at the magazine

27
00:01:26,120 --> 00:01:21,450
website Chris zero five nine seven dot

28
00:01:27,080 --> 00:01:26,130
Wix site comm forward slash outer -

29
00:01:29,330 --> 00:01:27,090
limits

30
00:01:31,819 --> 00:01:29,340
- mag hello everybody and welcome to

31
00:01:33,469 --> 00:01:31,829
another edition of inside out Limits

32
00:01:35,600 --> 00:01:33,479
radio show with myself

33
00:01:37,670 --> 00:01:35,610
Chris Evers and of course my co-host

34
00:01:39,890 --> 00:01:37,680
Philip mantel I fell how we don't

35
00:01:42,499 --> 00:01:39,900
evening Christopher honky-dory at this

36
00:01:46,730 --> 00:01:42,509
end thank you oh it's Christopher this

37
00:01:48,800 --> 00:01:46,740
week is so how you keepin fill what

38
00:01:51,190 --> 00:01:48,810

what's been going on well you know

39

00:01:54,319 --> 00:01:51,200

everything's fine here you know

40

00:01:57,980 --> 00:01:54,329

preparing books for flying this press

41

00:02:00,109 --> 00:01:57,990

for next year so literally been editing

42

00:02:03,170 --> 00:02:00,119

them and preparing them for publication

43

00:02:05,179 --> 00:02:03,180

and that I'll continue right up until

44

00:02:07,760 --> 00:02:05,189

Christmas so hopefully get most of them

45

00:02:09,990 --> 00:02:07,770

ready excellent I understand you've

46

00:02:12,899 --> 00:02:10,000

actually just recently

47

00:02:15,600 --> 00:02:12,909

got a publisher in Japan is that correct

48

00:02:17,610 --> 00:02:15,610

yeah yeah I mean the gentleman's coming

49

00:02:20,550 --> 00:02:17,620

up we're gonna speak to this evening is

50

00:02:22,770 --> 00:02:20,560

Calvin Parker and for those are not

51
00:02:26,640 --> 00:02:22,780
aware you know I published Calvin's own

52
00:02:28,860 --> 00:02:26,650
book earlier this year and which went on

53
00:02:33,270 --> 00:02:28,870
to be an Amazon bestseller and

54
00:02:36,360 --> 00:02:33,280
we'd already sold the rights to Spanish

55
00:02:39,649 --> 00:02:36,370
and German outfits but I've been

56
00:02:42,930 --> 00:02:39,659
communicating with a chap in Japan and

57
00:02:46,259 --> 00:02:42,940
you know in no time at all we signed the

58
00:02:49,830 --> 00:02:46,269
deal and he translated the book or

59
00:02:53,759 --> 00:02:49,840
almost you know in an instant and and

60
00:02:56,399 --> 00:02:53,769
it's out now in Japan as an e-book you

61
00:02:58,289 --> 00:02:56,409
know you know unhelpfully later next

62
00:03:00,179 --> 00:02:58,299
year maybe in paperback as well but that

63
00:03:03,720 --> 00:03:00,189

that's only a maybe but it is out in

64

00:03:06,360 --> 00:03:03,730

Japanese good heavens there's no

65

00:03:08,250 --> 00:03:06,370

stopping you fill one minute Pontefract

66

00:03:16,140 --> 00:03:08,260

the next minute you've taken over the

67

00:03:17,729 --> 00:03:16,150

world okay so shall we introduce Calvin

68

00:03:20,689 --> 00:03:17,739

well yes I mean our guest this evening

69

00:03:24,539 --> 00:03:20,699

all the way from Moss Point Mississippi

70

00:03:26,069 --> 00:03:24,549

who will be a gentleman who will be one

71

00:03:28,800 --> 00:03:26,079

of the main speakers at the Outer Limits

72

00:03:32,670 --> 00:03:28,810

magazine conference in Pontefract next

73

00:03:35,430 --> 00:03:32,680

year is my friend I'm pleased to say

74

00:03:36,890 --> 00:03:35,440

Calvin Parker good evening Calvin hey

75

00:03:39,300 --> 00:03:36,900

how are y'all today

76

00:03:41,219 --> 00:03:39,310

well I Calvin nice to speak with a

77

00:03:42,839 --> 00:03:41,229

spirit to speak to you Calvin I mean you

78

00:03:45,960 --> 00:03:42,849

and I have spoken many times on skype

79

00:03:49,500 --> 00:03:45,970

but this is the first time on our on our

80

00:03:51,780 --> 00:03:49,510

on our our inside the Outer Limits like

81

00:03:53,789 --> 00:03:51,790

to thank you for taking the time out

82

00:03:57,420 --> 00:03:53,799

this evening Calvin and all your about

83

00:04:00,000 --> 00:03:57,430

six hours behind us there but just just

84

00:04:02,849 --> 00:04:00,010

like to make you welcome thank you

85

00:04:05,129 --> 00:04:02,859

yeah it's about lunchtime here I don't

86

00:04:07,379 --> 00:04:05,139

know what probably about six there it

87

00:04:08,610 --> 00:04:07,389

meant made then that's right now for

88

00:04:12,059 --> 00:04:08,620

those who was correct we're not aware

89
00:04:17,580 --> 00:04:12,069
you know Calvin was one of two gentlemen

90
00:04:20,759 --> 00:04:17,590
who on October the 11th 1973 on the

91
00:04:23,310 --> 00:04:20,769
Pascagoula River in Mississippi I

92
00:04:25,830 --> 00:04:23,320
decided to go fishing for the evening

93
00:04:28,440 --> 00:04:25,840
Calvin to this day it's still a keen

94
00:04:31,410 --> 00:04:28,450
fisherman he's his paddler that night

95
00:04:32,280 --> 00:04:31,420
was Charles Hickson who's suddenly no

96
00:04:35,580 --> 00:04:32,290
longer with us

97
00:04:38,580 --> 00:04:35,590
and and what took place you know on that

98
00:04:40,530 --> 00:04:38,590
evening has become one of the classic

99
00:04:44,910 --> 00:04:40,540
close encounters that we have on record

100
00:04:46,980 --> 00:04:44,920
and but before we go into that Calvin

101
00:04:49,710 --> 00:04:46,990
just tell us a little bit of what I'm a

102
00:04:51,360 --> 00:04:49,720
bit about yourself who is Calvin Parker

103
00:04:52,830 --> 00:04:51,370
for though for those who've never met

104
00:04:55,830 --> 00:04:52,840
you before who are you what have you

105
00:04:57,810 --> 00:04:55,840
done with your life Calvin well I had

106
00:05:00,320 --> 00:04:57,820
done a whole lot with my life but I'm

107
00:05:04,440 --> 00:05:00,330
just a little country redneck uneducated

108
00:05:07,440 --> 00:05:04,450
redneck boy and I told somebody the

109
00:05:09,210 --> 00:05:07,450
other day you know at one time in my

110
00:05:11,910 --> 00:05:09,220
life and that was the day of this

111
00:05:15,480 --> 00:05:11,920
abduction I got a physical I got hard I

112
00:05:18,780 --> 00:05:15,490
got fired and everything else from the

113
00:05:20,790 --> 00:05:18,790

same day so I've had quite a time

114

00:05:25,730 --> 00:05:20,800

getting here I've jumped from job to job

115

00:05:28,830 --> 00:05:25,740

I've owned the construction business and

116

00:05:33,720 --> 00:05:28,840

you know other than that I just love to

117

00:05:34,320 --> 00:05:33,730

fish around the world as well go Calvin

118

00:05:37,770 --> 00:05:34,330

haven't you

119

00:05:39,930 --> 00:05:37,780

oh yes I have my jobs carried me many of

120

00:05:43,470 --> 00:05:39,940

places I've been in the North Sea

121

00:05:46,560 --> 00:05:43,480

Singapore Libya Alaska and the Aleutian

122

00:05:50,810 --> 00:05:46,570

changed just a little bit of everywhere

123

00:05:55,980 --> 00:05:50,820

and it wasn't the life that I planned

124

00:05:57,690 --> 00:05:55,990

the life a plan was to get married buy a

125

00:06:01,440 --> 00:05:57,700

house pay for it all my life

126

00:06:03,930 --> 00:06:01,450

I owned a car and then retired and fish

127

00:06:07,080 --> 00:06:03,940

but it didn't quite work out that way

128

00:06:08,910 --> 00:06:07,090

it's just kind of the opposite well

129

00:06:10,650 --> 00:06:08,920

you've been around the world Calvin but

130

00:06:13,500 --> 00:06:10,660

you've never been to West Yorkshire have

131

00:06:15,600 --> 00:06:13,510

you I have not and I am looking so

132

00:06:19,680 --> 00:06:15,610

forward into being I guess it's this

133

00:06:22,470 --> 00:06:19,690

August in it it's August the 17th 2019

134

00:06:24,000 --> 00:06:22,480

you'll be in sunny Pontefract in the

135

00:06:25,860 --> 00:06:24,010

town hall

136

00:06:28,020 --> 00:06:25,870

you know you'll receive a warm welcome

137

00:06:30,780 --> 00:06:28,030

and we're all looking forward to it

138

00:06:33,150 --> 00:06:30,790

oh absolutely I've got to agree with

139

00:06:33,870 --> 00:06:33,160

that 100% can I just point something out

140

00:06:36,280 --> 00:06:33,880

to you Calvin

141

00:06:40,300 --> 00:06:36,290

yes sir and if you

142

00:06:41,920 --> 00:06:40,310

do exams what we call high school what

143

00:06:43,450 --> 00:06:41,930

you would probably call high school it

144

00:06:45,430 --> 00:06:43,460

means fill out this conversation the

145

00:06:47,290 --> 00:06:45,440

other day actually all it proves is that

146

00:06:49,810 --> 00:06:47,300

you can remember certain questions

147

00:06:52,150 --> 00:06:49,820

certain answers to certain questions at

148

00:06:53,560 --> 00:06:52,160

that particular time I personally don't

149

00:06:56,620 --> 00:06:53,570

think there's any more valuable

150

00:06:58,690 --> 00:06:56,630

experience than living a life and you

151
00:07:01,000 --> 00:06:58,700
know so more power to you that's what I

152
00:07:02,830 --> 00:07:01,010
say oh thank you and I've seen some

153
00:07:08,890 --> 00:07:02,840
really dumb people that had some good

154
00:07:10,900 --> 00:07:08,900
education you know give me somebody a

155
00:07:13,210 --> 00:07:10,910
little bit of common sense anyhow

156
00:07:15,550 --> 00:07:13,220
somebody asked what why didn't you go to

157
00:07:17,140 --> 00:07:15,560
school and I always said I did was to

158
00:07:20,080 --> 00:07:17,150
meet my wife they said well how did you

159
00:07:23,980 --> 00:07:20,090
do that what at 15 years old I was

160
00:07:26,230 --> 00:07:23,990
driving her school bus no no when she

161
00:07:28,090 --> 00:07:26,240
went to get off the second day I was

162
00:07:29,950 --> 00:07:28,100
driving I just closed the door in her

163
00:07:32,110 --> 00:07:29,960

face so we skipped school and went

164

00:07:34,480 --> 00:07:32,120

places and I found her daddy was gonna

165

00:07:37,570 --> 00:07:34,490

kill me then so but I've been here you

166

00:07:39,520 --> 00:07:37,580

know it's just one of them things

167

00:07:41,980 --> 00:07:39,530

at the age at the age of 15 we can all

168

00:07:43,690 --> 00:07:41,990

take on the world can't believe nothing

169

00:07:46,540 --> 00:07:43,700

worries us Oh God

170

00:07:49,170 --> 00:07:46,550

no reason to worry about too much I had

171

00:07:51,670 --> 00:07:49,180

already been through the creep can photo

172

00:07:53,830 --> 00:07:51,680

eight-pack of him little small Miller

173

00:07:56,500 --> 00:07:53,840

ponies they drink over here in the water

174

00:07:59,620 --> 00:07:56,510

to keep them cold and we had a lunch

175

00:08:01,660 --> 00:07:59,630

made you know of course down here in the

176

00:08:04,110 --> 00:08:01,670

South for lunch at lunch just whatever

177

00:08:07,780 --> 00:08:04,120

you catch you wanna eat that's fine

178

00:08:10,510 --> 00:08:07,790

mm-hmm well it what we move forward in

179

00:08:12,640 --> 00:08:10,520

time Calvin I mean how did you meet

180

00:08:15,850 --> 00:08:12,650

child Charles Hickson old Charlie how

181

00:08:18,340 --> 00:08:15,860

did you come across him well actually

182

00:08:20,350 --> 00:08:18,350

you know everybody said that Charlie

183

00:08:22,030 --> 00:08:20,360

would was a good friend of mine but it

184

00:08:26,560 --> 00:08:22,040

really wasn't he was a friend of my

185

00:08:29,620 --> 00:08:26,570

father's and I've known Charlie I guess

186

00:08:32,140 --> 00:08:29,630

since I was six years old we all lived

187

00:08:35,200 --> 00:08:32,150

in a little small town heaven my father

188

00:08:39,010 --> 00:08:35,210

used to fish together and I Charlie's

189

00:08:41,740 --> 00:08:39,020

kids and myself myself we and brother

190

00:08:43,990 --> 00:08:41,750

would all go fishing with him a lot of

191

00:08:48,730 --> 00:08:44,000

times so I got to know him and his whole

192

00:08:50,060 --> 00:08:48,740

family but uh Charles was kind of quiet

193

00:08:54,810 --> 00:08:50,070

and reserved

194

00:08:56,790 --> 00:08:54,820

you know most of the time and then the

195

00:08:59,340 --> 00:08:56,800

only time I really got to know him was

196

00:09:02,850 --> 00:08:59,350

when I took a job with him in Pascagoula

197

00:09:05,160 --> 00:09:02,860

and this was October the 10th and I

198

00:09:07,500 --> 00:09:05,170

didn't get to know him as a friend long

199

00:09:12,360 --> 00:09:07,510

because you know October 12th I got

200

00:09:15,180 --> 00:09:12,370

fired and went back home well let's talk

201
00:09:18,060 --> 00:09:15,190
about why you got fired Calvin I mean

202
00:09:20,340 --> 00:09:18,070
you'd only know you know Charlie a while

203
00:09:22,889 --> 00:09:20,350
but you know not up close and personal

204
00:09:24,840 --> 00:09:22,899
you went to work with him in in in the

205
00:09:28,740 --> 00:09:24,850
shipyards there it was a Ingalls

206
00:09:31,199 --> 00:09:28,750
shipyard no I actually it was help me

207
00:09:33,300 --> 00:09:31,209
Walker inside ship that's right that's

208
00:09:36,240 --> 00:09:33,310
right so you went to work with him and

209
00:09:38,430 --> 00:09:36,250
then who was it all decided to go

210
00:09:41,610 --> 00:09:38,440
fishing on October the 11th what was it

211
00:09:44,610 --> 00:09:41,620
you or Charlie it was really Charlie's

212
00:09:47,460 --> 00:09:44,620
idea because I hadn't I didn't bring no

213
00:09:50,160 --> 00:09:47,470

fishing equipment with me I come down on

214

00:09:53,069 --> 00:09:50,170

the 11th and I rented the room from

215

00:09:56,790 --> 00:09:53,079

Charlie in his apartment that he was

216

00:09:59,639 --> 00:09:56,800

living in he gave me a job so on the

217

00:10:03,509 --> 00:09:59,649

level of October 11th we went to work

218

00:10:06,930 --> 00:10:03,519

and it was a hot day for October I mean

219

00:10:09,060 --> 00:10:06,940

it was warm humid so we worked all that

220

00:10:10,620 --> 00:10:09,070

about knowing Charlie what was eating

221

00:10:12,750 --> 00:10:10,630

lunch he said why don't we go fishing

222

00:10:14,850 --> 00:10:12,760

this a didn't kind of wind down a little

223

00:10:16,800 --> 00:10:14,860

while and I thought that was a good idea

224

00:10:19,290 --> 00:10:16,810

I said with Charlie I don't have no

225

00:10:22,050 --> 00:10:19,300

fishing equipment he said well I got

226

00:10:23,819 --> 00:10:22,060

some young Bari I said I don't borrow

227

00:10:26,280 --> 00:10:23,829

people's fishing equipment

228

00:10:28,620 --> 00:10:26,290

he said no we'll go home you can use my

229

00:10:30,420 --> 00:10:28,630

fishing equipment now I don't know if

230

00:10:33,180 --> 00:10:30,430

y'all know but down in the South for

231

00:10:35,519 --> 00:10:33,190

persons fishing equipment is sacred to

232

00:10:45,569 --> 00:10:35,529

him you know you just soon bar his wife

233

00:10:48,780 --> 00:10:45,579

as you had this fishing I'll borrow your

234

00:10:51,509 --> 00:10:48,790

fishing equipment so we rode to his

235

00:10:53,340 --> 00:10:51,519

house and picked up all some fishing

236

00:10:55,530 --> 00:10:53,350

equipment he gave me one of his worst

237

00:10:59,400 --> 00:10:55,540

ones that was wore out in all because

238

00:11:02,010 --> 00:10:59,410

that's just what she did we drove it was

239

00:11:03,090 --> 00:11:02,020

about a 15-minute ride the world we was

240

00:11:05,460 --> 00:11:03,100

going to feel

241

00:11:08,579 --> 00:11:05,470

they said oh I know a great prey place

242

00:11:10,919 --> 00:11:08,589

and I wish now I had known what he said

243

00:11:14,100 --> 00:11:10,929

because I wouldn't went there and I said

244

00:11:17,189 --> 00:11:14,110

all right so we started out at a no

245

00:11:20,489 --> 00:11:17,199

grain elevator which is just below the

246

00:11:24,539 --> 00:11:20,499

saltpetre shipyard where we where we was

247

00:11:26,519 --> 00:11:24,549

ended up at the end but uh we started

248

00:11:28,169 --> 00:11:26,529

out at a grain elevator that wasn't

249

00:11:31,259 --> 00:11:28,179

doing much good they said well let's go

250

00:11:35,059 --> 00:11:31,269

over to video Oh show Peter shipyard

251

00:11:38,910 --> 00:11:35,069

dinner that I fish had it all the time I

252

00:11:41,729 --> 00:11:38,920

said well okay so we drove over there

253

00:11:44,039 --> 00:11:41,739

and buddy was in a mess they was posted

254

00:11:47,369 --> 00:11:44,049

signs up and it was trash all over the

255

00:11:49,530 --> 00:11:47,379

place nice and Charlie you know they got

256

00:11:51,359 --> 00:11:49,540

posted signs up here let's not go

257

00:11:55,410 --> 00:11:51,369

fishing here I don't want to go to jail

258

00:11:59,759 --> 00:11:55,420

no I do it all time and dad I didn't

259

00:12:01,439 --> 00:11:59,769

doubt even if it was posted so we kind

260

00:12:03,509 --> 00:12:01,449

of made her way got her fishing

261

00:12:06,689 --> 00:12:03,519

equipment struggled to get down to where

262

00:12:09,329 --> 00:12:06,699

though pier was got an old log that we

263

00:12:12,960 --> 00:12:09,339

drug up over there set on that log and

264

00:12:14,850 --> 00:12:12,970

just cast it out and we were sitting

265

00:12:17,669 --> 00:12:14,860

there waiting on the bait but while he

266

00:12:21,090 --> 00:12:17,679

was sitting there waiting on a by I was

267

00:12:23,609 --> 00:12:21,100

noticing an old ship across all the way

268

00:12:25,739 --> 00:12:23,619

across the river a big one it was

269

00:12:28,590 --> 00:12:25,749

probably a Coast Guard Cutter or NOAA

270

00:12:30,329 --> 00:12:28,600

shell it was one another but it was a

271

00:12:33,840 --> 00:12:30,339

big old ship and I was thinking to

272

00:12:35,789 --> 00:12:33,850

myself now how to steal how does

273

00:12:38,699 --> 00:12:35,799

something made out of steel float on

274

00:12:40,799 --> 00:12:38,709

water that just amazed me all the time

275

00:12:43,530 --> 00:12:40,809

how something made out of steel or they

276

00:12:46,289 --> 00:12:43,540

even have concrete ships or anything

277

00:12:48,989 --> 00:12:46,299

that could float and about that time I

278

00:12:52,259 --> 00:12:48,999

seen some blue hazy lights coming from

279

00:12:54,809 --> 00:12:52,269

behind me that was reflecting across the

280

00:12:58,100 --> 00:12:54,819

water and I thought uh-oh

281

00:13:00,600 --> 00:12:58,110

you know they hear the runners off oh

282

00:13:03,600 --> 00:13:00,610

they don't want us fishing here this is

283

00:13:06,030 --> 00:13:03,610

posted so I stood up and back that time

284

00:13:07,499 --> 00:13:06,040

Charlie stood up when you say they were

285

00:13:10,439 --> 00:13:07,509

gonna run you off did you think that was

286

00:13:13,409 --> 00:13:10,449

the police coming oh I just knew it was

287

00:13:16,380 --> 00:13:13,419

a place cuz it was the same color lights

288

00:13:19,530 --> 00:13:16,390

it was on the patrol cars just

289

00:13:21,660 --> 00:13:19,540

anibal it instead of Mississippi that

290

00:13:24,690 --> 00:13:21,670

kind of blue but the kind of a hazy

291

00:13:26,730 --> 00:13:24,700

looking blue and one of them to go a

292

00:13:29,310 --> 00:13:26,740

long ways when they turn them on they

293

00:13:32,130 --> 00:13:29,320

just reflect everywhere and that's what

294

00:13:34,350 --> 00:13:32,140

was going on and I was thinking to

295

00:13:36,060 --> 00:13:34,360

myself we had a lot of trouble you know

296

00:13:39,390 --> 00:13:36,070

they gonna run us off probably find us

297

00:13:42,660 --> 00:13:39,400

\$50 which \$50 in the sadness was a lot

298

00:13:45,440 --> 00:13:42,670

of money yeah definitely it is today for

299

00:13:51,500 --> 00:13:45,450

some people always still is for me

300

00:13:52,740 --> 00:13:51,510

exactly that's fish make money so Oh

301
00:13:56,040 --> 00:13:52,750
excellent

302
00:13:57,630 --> 00:13:56,050
sorry philosophy but I just thought you

303
00:14:00,660 --> 00:13:57,640
would view it is fish bait money that's

304
00:14:03,150 --> 00:14:00,670
fun to us oh yeah it cost for live bait

305
00:14:07,860 --> 00:14:03,160
on the Mississippi Gulf Coast it costs

306
00:14:12,360 --> 00:14:07,870
\$40 a trip to go fishing and I used to

307
00:14:15,930 --> 00:14:12,370
go five six days a week before I meant

308
00:14:17,670 --> 00:14:15,940
Phillip then that changed all that but

309
00:14:19,560 --> 00:14:17,680
we were sitting there fishing and we

310
00:14:23,190 --> 00:14:19,570
noticed the lights and we stood up and

311
00:14:26,190 --> 00:14:23,200
turned around and looked and all of a

312
00:14:30,630 --> 00:14:26,200
sudden the blue lights just faded out in

313
00:14:33,210 --> 00:14:30,640

a bright light shined on us and it was

314

00:14:35,090 --> 00:14:33,220

almost paralyzing the way this light did

315

00:14:38,460 --> 00:14:35,100

I mean you had to squint your eyes

316

00:14:40,680 --> 00:14:38,470

because you really couldn't see so by

317

00:14:43,380 --> 00:14:40,690

the time our eyes adjusted a little bit

318

00:14:45,030 --> 00:14:43,390

we've seen something floating well we

319

00:14:47,040 --> 00:14:45,040

couldn't tell him it was floating or not

320

00:14:51,330 --> 00:14:47,050

taught us that it was coming toward us

321

00:14:55,410 --> 00:14:51,340

and it was really moving and fast

322

00:14:57,480 --> 00:14:55,420

and I was wondering and you know fear

323

00:14:59,580 --> 00:14:57,490

didn't have time right then to hit and I

324

00:15:02,520 --> 00:14:59,590

was thinking to myself now how can they

325

00:15:05,610 --> 00:15:02,530

move across this mess this fast because

326

00:15:07,860 --> 00:15:05,620

the grass was probably 5 foot tall at

327

00:15:10,470 --> 00:15:07,870

times and yet I was just going right

328

00:15:13,190 --> 00:15:10,480

through it and then all that junk and

329

00:15:16,430 --> 00:15:13,200

when they got closer then I noticed I

330

00:15:22,320 --> 00:15:16,440

was thinking more you you've had it now

331

00:15:24,210 --> 00:15:22,330

so it was some bulky now I'll call them

332

00:15:27,000 --> 00:15:24,220

robots and I don't know what they were

333

00:15:29,490 --> 00:15:27,010

but it was bulky great looking creatures

334

00:15:30,180 --> 00:15:29,500

kind of had wrinkled skin favorite'

335

00:15:32,310 --> 00:15:30,190

elephant

336

00:15:34,770 --> 00:15:32,320

or a manatee if you don't want a manatee

337

00:15:37,470 --> 00:15:34,780

years but it was yeah just real rough

338

00:15:39,840 --> 00:15:37,480

looking skin what two of them got ahold

339

00:15:43,170 --> 00:15:39,850

of Charlie and one of them got ahold of

340

00:15:46,380 --> 00:15:43,180

myself well when it like I say I didn't

341

00:15:49,230 --> 00:15:46,390

have time to really be afraid not to get

342

00:15:51,090 --> 00:15:49,240

my adrenaline up or anything but I was

343

00:15:53,670 --> 00:15:51,100

thinking about where acted Ron it was

344

00:15:55,550 --> 00:15:53,680

nowhere to run I mean we had debris on

345

00:15:58,260 --> 00:15:55,560

the left and the right we had water

346

00:16:03,660 --> 00:15:58,270

water off in front of us and it was full

347

00:16:06,480 --> 00:16:03,670

old debris and stuff so you know but

348

00:16:08,700 --> 00:16:06,490

when it got ahold of us it just like

349

00:16:12,720 --> 00:16:08,710

relaxed all at one time but I couldn't

350

00:16:15,210 --> 00:16:12,730

move anything but my eyes now for this

351

00:16:17,340 --> 00:16:15,220

up point on I can't speak for Charlie

352

00:16:21,660 --> 00:16:17,350

because I didn't see Charlie no more

353

00:16:23,970 --> 00:16:21,670

until we come out of the craft but this

354

00:16:27,420 --> 00:16:23,980

thing got ahold and it automatically

355

00:16:30,150 --> 00:16:27,430

levitated up a couple of foot off the

356

00:16:32,390 --> 00:16:30,160

ground and started moving toward the

357

00:16:36,060 --> 00:16:32,400

craft and I was sitting here thinking

358

00:16:39,240 --> 00:16:36,070

you know I could think I could see and I

359

00:16:41,310 --> 00:16:39,250

could hear and I could smell and I was

360

00:16:44,420 --> 00:16:41,320

thinking how did he pick me up without

361

00:16:47,340 --> 00:16:44,430

breaking my harm it just levitated us up

362

00:16:49,020 --> 00:16:47,350

and we stood it on toward the craft and

363

00:16:51,960 --> 00:16:49,030

as I got toward the craft

364

00:16:54,450 --> 00:16:51,970

I tell myself just looking in the craft

365

00:16:56,220 --> 00:16:54,460

and trying to see some lights but you

366

00:16:59,220 --> 00:16:56,230

know it's hard to see without being able

367

00:17:02,400 --> 00:16:59,230

to turn your head you just look inside

368

00:17:03,990 --> 00:17:02,410

and out of the walls a little like

369

00:17:06,929 --> 00:17:04,000

that's where the light was coming from

370

00:17:09,300 --> 00:17:06,939

the like the light was just painted into

371

00:17:12,260 --> 00:17:09,310

the walls it was what I guess they call

372

00:17:17,100 --> 00:17:12,270

illuminating and it was still bright

373

00:17:19,829 --> 00:17:17,110

it's still blinding but that's what I

374

00:17:23,670 --> 00:17:19,839

had my mind set on and I was actually

375

00:17:25,559 --> 00:17:23,680

looking for you know anything I could

376

00:17:28,770 --> 00:17:25,569

say to tell about what was fixing to

377

00:17:30,960 --> 00:17:28,780

happen to us and then he kind of jogged

378

00:17:32,730 --> 00:17:30,970

off to the left with me now I'm sure

379

00:17:34,650 --> 00:17:32,740

Charlie went off to the right because I

380

00:17:35,220 --> 00:17:34,660

didn't see no more rooms over there on

381

00:17:39,810 --> 00:17:35,230

the left

382

00:17:43,620 --> 00:17:39,820

and made a little right turn that's when

383

00:17:46,499 --> 00:17:43,630

though we came into a little room

384

00:17:48,480 --> 00:17:46,509

and he laid me on an examination table I

385

00:17:50,879 --> 00:17:48,490

guess it was a table I don't know if

386

00:17:53,009 --> 00:17:50,889

it's even to Hegel there but has laid me

387

00:17:55,740 --> 00:17:53,019

on something now I couldn't feel it

388

00:17:58,200 --> 00:17:55,750

nothing on my back where he laid me but

389

00:18:00,870 --> 00:17:58,210

I was at about a 45-degree angle and

390

00:18:03,899 --> 00:18:00,880

just suspended there so I figured there

391

00:18:05,580 --> 00:18:03,909

had to be a table then all of a sudden I

392

00:18:07,710 --> 00:18:05,590

was looking straight up because I

393

00:18:10,259 --> 00:18:07,720

couldn't turn my head to look anywhere

394

00:18:12,060 --> 00:18:10,269

else something about the size of a deck

395

00:18:16,590 --> 00:18:12,070

of cards just came down out of the

396

00:18:18,930 --> 00:18:16,600

ceiling it stopped about a foot from my

397

00:18:21,299 --> 00:18:18,940

hives right in front of me and it made a

398

00:18:22,919 --> 00:18:21,309

clicking noise when it clicked there

399

00:18:24,840 --> 00:18:22,929

then it went to my right ear and it

400

00:18:28,289 --> 00:18:24,850

clicked and behind my head and clicked

401

00:18:30,419 --> 00:18:28,299

and went to the left of my head and

402

00:18:33,019 --> 00:18:30,429

clicked and then it got in that position

403

00:18:36,299 --> 00:18:33,029

went straight back up into the ceiling

404

00:18:39,240 --> 00:18:36,309

well by this time you would think that

405

00:18:42,570 --> 00:18:39,250

Oh fear would just really overcome you

406

00:18:45,960 --> 00:18:42,580

but you know for some reason it didn't

407

00:18:48,060 --> 00:18:45,970

in a later on I found out that this

408

00:18:51,990 --> 00:18:48,070

warned when he picked me up had gave me

409

00:18:54,269 --> 00:18:52,000

an injection marked in the arm and that

410

00:18:56,730 --> 00:18:54,279

really came from the hospital there from

411

00:19:02,669 --> 00:18:56,740

the doctors at the emergency room now

412

00:19:04,289 --> 00:19:02,679

this is the next day but uh I figured I

413

00:19:06,930 --> 00:19:04,299

was injected with some kind of

414

00:19:10,769 --> 00:19:06,940

tranquilizer or something where all I

415

00:19:14,399 --> 00:19:10,779

could do is just look but I couldn't

416

00:19:16,379 --> 00:19:14,409

turn my head still and you know I was

417

00:19:18,980 --> 00:19:16,389

thinking the other day today the bat my

418

00:19:22,440 --> 00:19:18,990

eyes I can't remember even bat my eyes

419

00:19:24,210 --> 00:19:22,450

when all this was going on it it's funny

420

00:19:26,700 --> 00:19:24,220

how you can start thinking back on

421

00:19:30,269 --> 00:19:26,710

things it seemed a little bitty stuff

422

00:19:33,240 --> 00:19:30,279

that's happened and wonder about it but

423

00:19:36,090 --> 00:19:33,250

not really know for sure about it so as

424

00:19:38,039 --> 00:19:36,100

I was laying on this table looking up

425

00:19:40,590 --> 00:19:38,049

and it's dealed and shot back up into

426

00:19:43,470 --> 00:19:40,600

the ceiling there's so big ugly things

427

00:19:46,590 --> 00:19:43,480

I'm backed up out of the way now I think

428

00:19:49,169 --> 00:19:46,600

he was probably some kind of a soldier

429

00:19:52,950 --> 00:19:49,179

or something but he was robotic I

430

00:19:56,399 --> 00:19:52,960

believe because he moved it will that a

431

00:19:57,510 --> 00:19:56,409

I don't know my kids how to say him but

432

00:20:00,830 --> 00:19:57,520

it was not

433

00:20:04,380 --> 00:20:00,840

a conscience movie just mechanical mood

434

00:20:06,990 --> 00:20:04,390

but then on the right I seen something

435

00:20:08,850 --> 00:20:07,000

kind of coming to poured me and I roll

436

00:20:12,900 --> 00:20:08,860

my eyes over and looked and it was a

437

00:20:15,360 --> 00:20:12,910

different looking no creature it was

438

00:20:18,330 --> 00:20:15,370

more of a female or feminine looking

439

00:20:20,280 --> 00:20:18,340

creature and everybody asked me well how

440

00:20:23,220 --> 00:20:20,290

do you know it's a female well I really

441

00:20:26,850 --> 00:20:23,230

didn't know it was a female or not but I

442

00:20:30,060 --> 00:20:26,860

this animal sent about a man a man can

443

00:20:32,100 --> 00:20:30,070

sense when he's around a female like a

444

00:20:34,860 --> 00:20:32,110

female could sense when there's a male

445

00:20:37,380 --> 00:20:34,870

and they just felt like a female it was

446

00:20:40,320 --> 00:20:37,390

more feminine than looking now Road my

447

00:20:43,410 --> 00:20:40,330

eyes to look to see about what was

448

00:20:45,390 --> 00:20:43,420

fixing to happen because I guess that

449

00:20:48,480 --> 00:20:45,400

little tranquilizer stuff is starting to

450

00:20:51,000 --> 00:20:48,490

wear off a little bit and she just kinda

451
00:20:52,830 --> 00:20:51,010
or it whatever it was just reached up

452
00:20:55,470 --> 00:20:52,840
and kind of pinched me on the side of

453
00:20:57,990 --> 00:20:55,480
the chin with her fingers and the things

454
00:21:00,240 --> 00:20:58,000
that I noticed about her she had fingers

455
00:21:03,510 --> 00:21:00,250
where the other one didn't have fingers

456
00:21:06,720 --> 00:21:03,520
and head like crab-like pincers on his

457
00:21:10,230 --> 00:21:06,730
hand or mittens or something but this

458
00:21:12,690 --> 00:21:10,240
one had fingers definitely and was able

459
00:21:14,940 --> 00:21:12,700
to grab my skin and just kind of mash it

460
00:21:17,450 --> 00:21:14,950
together and I I don't know why I just

461
00:21:21,240 --> 00:21:17,460
trying to figure the texture of my skin

462
00:21:24,120 --> 00:21:21,250
then all of a sudden she took her finger

463
00:21:26,160 --> 00:21:24,130

and run it down my throat and back in

464

00:21:27,960 --> 00:21:26,170

behind that thing that hangs down any

465

00:21:30,270 --> 00:21:27,970

throat I don't know what they call it

466

00:21:33,390 --> 00:21:30,280

but I call it the little hang me down

467

00:21:35,520 --> 00:21:33,400

and kind of curled her finger trying to

468

00:21:38,190 --> 00:21:35,530

go up into my nasal passage because it

469

00:21:39,810 --> 00:21:38,200

was choking me then I was starting to

470

00:21:42,210 --> 00:21:39,820

get scared you know because I was

471

00:21:46,590 --> 00:21:42,220

choking I couldn't catch my breath my

472

00:21:48,450 --> 00:21:46,600

nose started bleeding there now and it

473

00:21:50,520 --> 00:21:48,460

was just like she had talked to me like

474

00:21:53,850 --> 00:21:50,530

I could hear the voice just as plain as

475

00:21:55,470 --> 00:21:53,860

anything and her mouth didn't move

476
00:21:58,590 --> 00:21:55,480
because I was sitting there with my eyes

477
00:22:01,940 --> 00:21:58,600
open looking at it and I'm not even

478
00:22:06,180 --> 00:22:01,950
gonna tell you what I was thinking but

479
00:22:09,270 --> 00:22:06,190
she said just like she had told me don't

480
00:22:11,280 --> 00:22:09,280
worry we're not gonna hurt you well I

481
00:22:13,350 --> 00:22:11,290
kind of call me damnit you know

482
00:22:15,030 --> 00:22:13,360
it's hard not to worry when you got

483
00:22:17,550 --> 00:22:15,040
somebody's finger down behind you a

484
00:22:19,290 --> 00:22:17,560
little hang me down in your throat yeah

485
00:22:22,380 --> 00:22:19,300
yeah you get to thinking where you

486
00:22:25,350 --> 00:22:22,390
choking the Deaf you're dying and she

487
00:22:27,450 --> 00:22:25,360
pulled her fingers out my nose started

488
00:22:29,490 --> 00:22:27,460

bleeding and I was just bleeding

489

00:22:32,730 --> 00:22:29,500

everywhere and she kind of made a little

490

00:22:35,040 --> 00:22:32,740

numbering mumbling sound and it's hard

491

00:22:37,500 --> 00:22:35,050

to describe it but when she did no big

492

00:22:39,480 --> 00:22:37,510

ugly when came back in and I

493

00:22:41,970 --> 00:22:39,490

automatically when he grabbed me by the

494

00:22:45,840 --> 00:22:41,980

arm again and I called him a he or the

495

00:22:48,330 --> 00:22:45,850

robot or whatever he is a soldier it

496

00:22:49,830 --> 00:22:48,340

just settled me down it was just like he

497

00:22:52,020 --> 00:22:49,840

gave me another shot and I wasn't

498

00:22:54,360 --> 00:22:52,030

worried about nothing and the bleeding

499

00:22:59,280 --> 00:22:54,370

just kind of stopped right away

500

00:23:02,160 --> 00:22:59,290

well she back up and I rolled my eyes to

501
00:23:05,070 --> 00:23:02,170
see and she kind of backed up out of the

502
00:23:06,590 --> 00:23:05,080
way and he picked me up and he carried

503
00:23:09,240 --> 00:23:06,600
me at the door

504
00:23:12,150 --> 00:23:09,250
deposited me back out on the river where

505
00:23:14,400 --> 00:23:12,160
my harm stretched out facing toward that

506
00:23:17,430 --> 00:23:14,410
ship that I was looking at before I came

507
00:23:21,210 --> 00:23:17,440
and then this is the first time that I

508
00:23:24,360 --> 00:23:21,220
heard charlie and Charlie had jumped up

509
00:23:27,330 --> 00:23:24,370
off the ground cuz and said Talan Talan

510
00:23:30,180 --> 00:23:27,340
you okay son and I heard him it when we

511
00:23:31,770 --> 00:23:30,190
turned around and looked this thing just

512
00:23:34,230 --> 00:23:31,780
picked up a little bit off the ground

513
00:23:36,530 --> 00:23:34,240

and it shot up into the hair like

514

00:23:41,760 --> 00:23:36,540

lightning and disappeared

515

00:23:44,490 --> 00:23:41,770

so that well so did fear kicking at this

516

00:23:48,180 --> 00:23:44,500

point it's all tell me that you know it

517

00:23:49,950 --> 00:23:48,190

did you know I got scared but I wasn't

518

00:23:52,950 --> 00:23:49,960

totally out of my mind

519

00:23:54,930 --> 00:23:52,960

all I knew is something happened and I

520

00:23:55,950 --> 00:23:54,940

didn't know what happened and to be

521

00:23:58,410 --> 00:23:55,960

honest with you

522

00:24:04,650 --> 00:23:58,420

what I thought had happened angle

523

00:24:07,650 --> 00:24:04,660

shipyard was a probably three city

524

00:24:10,620 --> 00:24:07,660

blocks down from war we work and they

525

00:24:12,600 --> 00:24:10,630

work on this military equipment and I

526

00:24:15,660 --> 00:24:12,610

was thinking to myself where they got

527

00:24:17,850 --> 00:24:15,670

all a bunch of this rednecks got out

528

00:24:20,160 --> 00:24:17,860

playing with this and they pulled the

529

00:24:22,980 --> 00:24:20,170

joke of the century out and they off

530

00:24:25,139 --> 00:24:22,990

drinking beer now and we we left here in

531

00:24:28,169 --> 00:24:25,149

a bad situation

532

00:24:30,389 --> 00:24:28,179

I wanted to go ahead and slide up and

533

00:24:32,999 --> 00:24:30,399

get into the car but Charlie Charlie

534

00:24:35,310 --> 00:24:33,009

told me you know let's talk about this

535

00:24:36,389 --> 00:24:35,320

so yeah let's talk about it this didn't

536

00:24:38,580 --> 00:24:36,399

happen charlie

537

00:24:41,009 --> 00:24:38,590

I don't want nothing to do with it we

538

00:24:42,899 --> 00:24:41,019

didn't see this let's get up and go to

539

00:24:45,029 --> 00:24:42,909

work in the morning well wait a minute

540

00:24:46,739 --> 00:24:45,039

let's talk about it some more so there's

541

00:24:49,139 --> 00:24:46,749

nothing to talk about it didn't happen

542

00:24:51,419 --> 00:24:49,149

did you tell him anything you want to

543

00:24:54,749 --> 00:24:51,429

tell anybody but this didn't happen to

544

00:24:58,769 --> 00:24:54,759

me well he agreed well we just won't

545

00:25:01,379 --> 00:24:58,779

tell nobody but going back to the car

546

00:25:03,570 --> 00:25:01,389

when we was headed to the car it took a

547

00:25:06,930 --> 00:25:03,580

few minutes to get there and I'm what

548

00:25:09,720 --> 00:25:06,940

real worried in because I I was thinking

549

00:25:12,200 --> 00:25:09,730

we're out of danger you know if it was

550

00:25:15,600 --> 00:25:12,210

any danger and I'm pretty sure it was

551

00:25:18,450 --> 00:25:15,610

but uh and trying to figure out what

552

00:25:21,450 --> 00:25:18,460

happened it happened so fast you know we

553

00:25:23,580 --> 00:25:21,460

didn't have time to really get afraid

554

00:25:26,570 --> 00:25:23,590

and our adrenaline really didn't have

555

00:25:29,340 --> 00:25:26,580

time to kick in to a little bit later on

556

00:25:31,859 --> 00:25:29,350

so we got back to the car the first

557

00:25:33,590 --> 00:25:31,869

thing I noticed when I looked at my my

558

00:25:35,820 --> 00:25:33,600

door on the driver side

559

00:25:37,350 --> 00:25:35,830

Charlie was sitting on the passenger

560

00:25:40,440 --> 00:25:37,360

side and he opened the door and I

561

00:25:43,340 --> 00:25:40,450

noticed two glasses on the passenger

562

00:25:45,749 --> 00:25:43,350

side of the car was shattered in place

563

00:25:47,639 --> 00:25:45,759

but when he opened the door you know

564

00:25:51,869 --> 00:25:47,649

they fell out and later on when I found

565

00:25:54,180 --> 00:25:51,879

out that all that was safety glass and

566

00:25:56,190 --> 00:25:54,190

they was designed just to shatter and

567

00:25:58,560 --> 00:25:56,200

stay in place in case you got in a wreck

568

00:26:02,720 --> 00:25:58,570

you know the shrivels wouldn't go all

569

00:26:05,100 --> 00:26:02,730

through you yeah so we got in the car I

570

00:26:09,570 --> 00:26:05,110

tried to crank the car they wouldn't

571

00:26:11,789 --> 00:26:09,580

crank for probably 15 minutes we tried

572

00:26:17,340 --> 00:26:11,799

and all of a sudden you know it just

573

00:26:19,109 --> 00:26:17,350

cranked and we started backing out and

574

00:26:22,560 --> 00:26:19,119

Charlie said well I'm we're gonna have

575

00:26:24,989 --> 00:26:22,570

to tell somebody so in the seventies

576

00:26:27,090 --> 00:26:24,999

there what no such thing is a cell phone

577

00:26:31,619 --> 00:26:27,100

I mean it probably was but we couldn't

578

00:26:34,590 --> 00:26:31,629

afford one if we'd had one and you know

579

00:26:37,230 --> 00:26:34,600

it was no social media or anything and

580

00:26:38,549 --> 00:26:37,240

they had blue laws in the state of

581

00:26:40,739 --> 00:26:38,559

Mississippi and

582

00:26:42,690 --> 00:26:40,749

after a certain time of Aden and the

583

00:26:48,419 --> 00:26:42,700

stores shutting they wasn't allowed to

584

00:26:50,190 --> 00:26:48,429

sell anything so well we backed out and

585

00:26:53,340 --> 00:26:50,200

he said I'm gonna call somebody I'm

586

00:26:56,820 --> 00:26:53,350

gonna call Keesler Air Force Base which

587

00:26:58,649 --> 00:26:56,830

is in Biloxi Mississippi and I said

588

00:27:00,539 --> 00:26:58,659

Charlie you don't need to do that let's

589

00:27:04,919 --> 00:27:00,549

go on home let's forget this ever

590

00:27:08,190 --> 00:27:04,929

happened because it's gonna be a mess I

591

00:27:11,039 --> 00:27:08,200

mean law enforcement I know how they

592

00:27:13,109 --> 00:27:11,049

thought if you called somebody and law

593

00:27:15,570 --> 00:27:13,119

enforcement instead of innocent until

594

00:27:17,850 --> 00:27:15,580

proven guilty you're guilty till you

595

00:27:20,190 --> 00:27:17,860

prove yourself innocent and that's the

596

00:27:21,869 --> 00:27:20,200

way it is and it's not supposed to be

597

00:27:26,759 --> 00:27:21,879

that way but that's just the way that

598

00:27:29,940 --> 00:27:26,769

the law is here so we went to a park

599

00:27:32,850 --> 00:27:29,950

herb store grow to a curb store we

600

00:27:34,769 --> 00:27:32,860

pulled up and there was a phone payphone

601
00:27:37,320 --> 00:27:34,779
outside and it took a diamond

602
00:27:39,739 --> 00:27:37,330
we found some dimes and Charlie got on

603
00:27:42,389 --> 00:27:39,749
it and he called Keesler Air Force Base

604
00:27:44,489 --> 00:27:42,399
they said he said we don't fool with

605
00:27:47,669 --> 00:27:44,499
nothing like that anymore we don't deal

606
00:27:50,009 --> 00:27:47,679
with the UFOs or anything no more you

607
00:27:51,869 --> 00:27:50,019
need to call the local authorities which

608
00:27:56,070 --> 00:27:51,879
me the Jackson County Sheriff Department

609
00:27:59,600 --> 00:27:56,080
and he turned around he called the

610
00:28:03,600 --> 00:27:59,610
Jackson County Sheriff Department and

611
00:28:06,029 --> 00:28:03,610
he'd come I heard him talking I don't

612
00:28:07,739 --> 00:28:06,039
know exactly what was saying you know I

613
00:28:12,690 --> 00:28:07,749

didn't find that out until a little bit

614

00:28:15,330 --> 00:28:12,700

later on but she said they'll be here in

615

00:28:16,769 --> 00:28:15,340

just a minute they told us to wait so it

616

00:28:20,460 --> 00:28:16,779

was just a few minutes

617

00:28:23,279 --> 00:28:20,470

oh I fed her five ten minutes at the

618

00:28:26,009 --> 00:28:23,289

most they showed up at the car and they

619

00:28:28,619 --> 00:28:26,019

got out and they looked inside the car

620

00:28:31,820 --> 00:28:28,629

and they asked me to step out and they

621

00:28:34,619 --> 00:28:31,830

give me uh field sobriety tests and

622

00:28:37,739 --> 00:28:34,629

that's to tell if I was drunk at her own

623

00:28:39,779 --> 00:28:37,749

dope or anything I guess so sobriety

624

00:28:41,700 --> 00:28:39,789

test is to get you to walk along a

625

00:28:42,629 --> 00:28:41,710

straight line make sure that you've got

626

00:28:46,440 --> 00:28:42,639

nothing to drink

627

00:28:48,299 --> 00:28:46,450

etc etc and did they ask you any

628

00:28:52,140 --> 00:28:48,309

questions or anything that during that

629

00:28:55,380 --> 00:28:52,150

test they did ask if you were what

630

00:28:57,540 --> 00:28:55,390

I thought was stupid questions and they

631

00:28:59,310 --> 00:28:57,550

well the first one to ask but I've been

632

00:29:02,550 --> 00:28:59,320

drinking course if I had I would have

633

00:29:05,070 --> 00:29:02,560

said no anyway I said well I don't know

634

00:29:08,700 --> 00:29:05,080

I ain't trying nothing then they said oh

635

00:29:13,260 --> 00:29:08,710

I want you to stand on your right foot

636

00:29:13,890 --> 00:29:13,270

and pick up your left leg close your

637

00:29:15,780 --> 00:29:13,900

eyes

638

00:29:23,630 --> 00:29:15,790

being your head back and touch your nose

639

00:29:29,850 --> 00:29:26,250

not many of us can television not many

640

00:29:31,860 --> 00:29:29,860

of us can I was dumb you know that stuff

641

00:29:36,270 --> 00:29:31,870

they give me one today they'd really

642

00:29:39,210 --> 00:29:36,280

think I was drinking plumages idea but

643

00:29:41,430 --> 00:29:39,220

anyhow I did everything they asked us to

644

00:29:44,010 --> 00:29:41,440

do I walk the line I counted backwards

645

00:29:46,440 --> 00:29:44,020

from a hundred two fifty then four fifty

646

00:29:51,810 --> 00:29:46,450

to a hundred just little things like

647

00:29:54,840 --> 00:29:51,820

that they said well ah I need you to all

648

00:29:56,640 --> 00:29:54,850

follow us to the Shelf Department and I

649

00:29:59,490 --> 00:29:56,650

was thinking you know that's stupider

650

00:30:01,310 --> 00:29:59,500

they thought I was drinking but it

651
00:30:04,790 --> 00:30:01,320
wouldn't want me to follow him in a car

652
00:30:07,650 --> 00:30:04,800
but we did we followed them up and then

653
00:30:10,020 --> 00:30:07,660
when we got there they kind of separated

654
00:30:12,840 --> 00:30:10,030
charlie they took him into a room and me

655
00:30:14,760 --> 00:30:12,850
into a room and they started asking a

656
00:30:17,880 --> 00:30:14,770
lot of questions they asked me they said

657
00:30:20,480 --> 00:30:17,890
well what happened I said I don't know

658
00:30:23,010 --> 00:30:20,490
all I know was y'all just pulled up here

659
00:30:27,630 --> 00:30:23,020
started to make me jump up and down on

660
00:30:29,160 --> 00:30:27,640
one foot and he said no what happened he

661
00:30:32,190 --> 00:30:29,170
said the other guy said something

662
00:30:33,930 --> 00:30:32,200
happened don't what happened so I didn't

663
00:30:36,540 --> 00:30:33,940

getting a whole lot of detail with

664

00:30:38,580 --> 00:30:36,550

imagine I said I don't know well in the

665

00:30:41,850 --> 00:30:38,590

meantime they asked Charlie wanted to

666

00:30:43,830 --> 00:30:41,860

happen there but he he wouldn't have

667

00:30:47,510 --> 00:30:43,840

been a good spy because he just built

668

00:30:50,430 --> 00:30:47,520

his guts on everything actually and they

669

00:30:53,630 --> 00:30:50,440

listened to the stories then they took

670

00:30:56,460 --> 00:30:53,640

us both and put us into a room together

671

00:30:58,560 --> 00:30:56,470

but what we didn't know when they put us

672

00:31:01,470 --> 00:30:58,570

into this room and where I slipped up

673

00:31:04,260 --> 00:31:01,480

and let him know that I was in on all

674

00:31:05,789 --> 00:31:04,270

this - they had a tape recorder in her

675

00:31:07,440 --> 00:31:05,799

drawer and

676

00:31:10,019 --> 00:31:07,450

was going to listen to Charlie and I

677

00:31:11,609 --> 00:31:10,029

talked between herself and that's where

678

00:31:14,609 --> 00:31:11,619

the secret take from the shelf

679

00:31:18,180 --> 00:31:14,619

department come about and it showed by

680

00:31:20,310 --> 00:31:18,190

this time I had settled down and I was

681

00:31:23,330 --> 00:31:20,320

pretty worried about things then because

682

00:31:26,249 --> 00:31:23,340

you know I've done graduated from

683

00:31:27,299 --> 00:31:26,259

getting abducted to trespassing on

684

00:31:29,850 --> 00:31:27,309

private property

685

00:31:31,919 --> 00:31:29,860

taking a sobriety test and see if I was

686

00:31:34,440 --> 00:31:31,929

drinking and setting up at the chef's

687

00:31:37,289 --> 00:31:34,450

department being interrogated and one of

688

00:31:39,180 --> 00:31:37,299

them told me if all this was a hoax and

689

00:31:41,700 --> 00:31:39,190

you're going to jail for a long time and

690

00:31:45,090 --> 00:31:41,710

and I just completely said well watch

691

00:31:49,009 --> 00:31:45,100

the damn hoax anyway I didn't know so

692

00:31:51,869 --> 00:31:49,019

well it when we was in the room together

693

00:31:54,119 --> 00:31:51,879

and Charlie and I was talking well we

694

00:31:56,759 --> 00:31:54,129

did talk about a little bit about what

695

00:32:00,930 --> 00:31:56,769

happened that day and he expressed the

696

00:32:03,509 --> 00:32:00,940

fears and I expressed my fears also on

697

00:32:07,680 --> 00:32:03,519

the tapes and you know some of it was a

698

00:32:09,239 --> 00:32:07,690

pretty graphic you know and I never

699

00:32:11,700 --> 00:32:09,249

would have figured Charlie would have

700

00:32:13,499 --> 00:32:11,710

been afraid of anything because you know

701
00:32:17,039 --> 00:32:13,509
I always kind of looked up to him and I

702
00:32:18,840 --> 00:32:17,049
was coming up as a child and I didn't

703
00:32:20,669 --> 00:32:18,850
figure he was the type of man that would

704
00:32:23,869 --> 00:32:20,679
be scared of anything but Charlie had

705
00:32:26,909 --> 00:32:23,879
fear on him that night now I had them

706
00:32:30,590 --> 00:32:26,919
more fear than anybody could possibly

707
00:32:33,989 --> 00:32:30,600
have so they listened to the tape and

708
00:32:37,259 --> 00:32:33,999
the head Sheriff Fred Diamond came in

709
00:32:39,139 --> 00:32:37,269
and he told us well y'all go on home and

710
00:32:42,119 --> 00:32:39,149
I'll see y'all tomorrow

711
00:32:46,440 --> 00:32:42,129
so we did we took him at his word we

712
00:32:48,450 --> 00:32:46,450
left and went home and got their course

713
00:32:50,009 --> 00:32:48,460

Blanche was in there and I she had

714

00:32:53,849 --> 00:32:50,019

something cooked to eat and that

715

00:32:56,190 --> 00:32:53,859

Blanche's Charlie's wife and she asked

716

00:32:58,590 --> 00:32:56,200

us come sit down I just told them I

717

00:33:01,649 --> 00:32:58,600

wasn't hungry on the way home I

718

00:33:03,810 --> 00:33:01,659

expressed it Charlie you know maybe we

719

00:33:07,259 --> 00:33:03,820

ought to go get checked out we could be

720

00:33:10,279 --> 00:33:07,269

contaminated with radiation or we might

721

00:33:13,769 --> 00:33:10,289

have some kind of airborne disease and

722

00:33:16,049 --> 00:33:13,779

it just started settling in in my mind

723

00:33:19,090 --> 00:33:16,059

you know something out all Denari

724

00:33:22,750 --> 00:33:19,100

happened and we was exposed and it was a

725

00:33:24,900 --> 00:33:22,760

blood everywhere and I knew that all you

726

00:33:28,299 --> 00:33:24,910

could get a disease through blood and

727

00:33:30,310 --> 00:33:28,309

radiation I was worried about because my

728

00:33:32,260 --> 00:33:30,320

father worked for the Atomic Energy

729

00:33:35,710 --> 00:33:32,270

Commission he always had to wear a

730

00:33:39,100 --> 00:33:35,720

little badge when he worked with these

731

00:33:40,810 --> 00:33:39,110

radiation things on it levels so that's

732

00:33:44,710 --> 00:33:40,820

one thing that kind of bothered me was

733

00:33:47,409 --> 00:33:44,720

maybe we're gonna expose everybody in

734

00:33:50,620 --> 00:33:47,419

the world to some kind of bad disease or

735

00:33:53,740 --> 00:33:50,630

maybe some kind of radiation it must

736

00:33:56,230 --> 00:33:53,750

have been it must have been so hard just

737

00:34:00,760 --> 00:33:56,240

after what you just experienced and you

738

00:34:03,190 --> 00:34:00,770

know the the exposure to possible

739

00:34:04,899 --> 00:34:03,200

radiation the experience you've just

740

00:34:07,180 --> 00:34:04,909

gone through being taken to the police

741

00:34:09,849 --> 00:34:07,190

it must have been so hard Calvin's go

742

00:34:13,810 --> 00:34:09,859

back home and carry on is absolutely

743

00:34:16,419 --> 00:34:13,820

nothing had happened you know that part

744

00:34:19,119 --> 00:34:16,429

would be the easy part to me the hard

745

00:34:22,720 --> 00:34:19,129

part come dealing with the press and the

746

00:34:25,000 --> 00:34:22,730

people the the next day when we got up

747

00:34:28,119 --> 00:34:25,010

to go to work is when it got hard on me

748

00:34:30,909 --> 00:34:28,129

know that night when we got home I took

749

00:34:34,659 --> 00:34:30,919

all my clothes off I put them in a bag

750

00:34:37,899 --> 00:34:34,669

shoes everything I went into the shower

751
00:34:39,940 --> 00:34:37,909
and I poured a gallon of bleach they was

752
00:34:42,040 --> 00:34:39,950
a gallon of bleach it was sitting there

753
00:34:44,530 --> 00:34:42,050
in the bathroom and I just took imported

754
00:34:46,540 --> 00:34:44,540
over my head and rubbed it in and washed

755
00:34:49,930 --> 00:34:46,550
it off with water and that's how scared

756
00:34:54,820 --> 00:34:49,940
I was in that bleach I know it just had

757
00:34:56,560 --> 00:34:54,830
to eat you alive but um that I was

758
00:34:58,720 --> 00:34:56,570
worried about it then the next morning

759
00:35:02,290 --> 00:34:58,730
you know I throw my clothes off in a

760
00:35:04,750 --> 00:35:02,300
dump someone walked out the door and I

761
00:35:06,400 --> 00:35:04,760
made a mistake if I had known what

762
00:35:09,970 --> 00:35:06,410
happened I should have kept everything

763
00:35:13,570 --> 00:35:09,980

it may be later on years later they

764

00:35:15,099 --> 00:35:13,580

could have took DNA you know compared it

765

00:35:19,540 --> 00:35:15,109

to something because it was blood on

766

00:35:23,170 --> 00:35:19,550

everything mm-hmm now we got up the next

767

00:35:26,020 --> 00:35:23,180

morning went to work got to the shipyard

768

00:35:28,630 --> 00:35:26,030

and I noticed it was all a lot of cars

769

00:35:31,450 --> 00:35:28,640

there but see this was just my second

770

00:35:32,840 --> 00:35:31,460

day on the job so I didn't know how many

771

00:35:34,970 --> 00:35:32,850

cars

772

00:35:38,300 --> 00:35:34,980

supposed to be there but I knowed it was

773

00:35:41,210 --> 00:35:38,310

a lot well when we rest in and went into

774

00:35:42,950 --> 00:35:41,220

our workstations it wasn't just a few

775

00:35:49,310 --> 00:35:42,960

minutes they told us to come to the

776

00:35:53,000 --> 00:35:49,320

office and I remember get getting out

777

00:35:56,360 --> 00:35:53,010

while I was going to the office up there

778

00:35:59,090 --> 00:35:56,370

and what made me remember this one of my

779

00:36:02,450 --> 00:35:59,100

neighbors was one of the head people at

780

00:36:04,430 --> 00:36:02,460

the shipyard and I just met him figured

781

00:36:05,650 --> 00:36:04,440

out who he was down here and he figured

782

00:36:08,780 --> 00:36:05,660

out who I was

783

00:36:10,760 --> 00:36:08,790

whoa while the we was writing a book

784

00:36:13,250 --> 00:36:10,770

while Philip and I was doing the book

785

00:36:16,610 --> 00:36:13,260

and he said oh he said what she'd been

786

00:36:18,440 --> 00:36:16,620

doing I said well you know believe it or

787

00:36:21,170 --> 00:36:18,450

not I'm writing the book he said what

788

00:36:23,750 --> 00:36:21,180

you writing a book on and I explained he

789

00:36:25,490 --> 00:36:23,760

said Oh Calvin he said I know who you

790

00:36:28,790 --> 00:36:25,500

are now he said I've been trying to

791

00:36:30,800 --> 00:36:28,800

figure out who I knew you from but he

792

00:36:32,780 --> 00:36:30,810

said that day I remember when they

793

00:36:34,580 --> 00:36:32,790

called you into that office you was on

794

00:36:37,430 --> 00:36:34,590

your hands and knees out in the parking

795

00:36:41,240 --> 00:36:37,440

lot throwing up so yeah you're right I

796

00:36:43,520 --> 00:36:41,250

was now that's how sick I was getting by

797

00:36:46,790 --> 00:36:43,530

then because it was at all thickening in

798

00:36:50,060 --> 00:36:46,800

men so we made our way to the office and

799

00:36:53,990 --> 00:36:50,070

they told us look we cannot conduct

800

00:36:56,300 --> 00:36:54,000

business because of the press calling

801
00:36:58,760 --> 00:36:56,310
office what happened to you guys

802
00:37:02,630 --> 00:36:58,770
I thought no who in the world told him

803
00:37:06,260 --> 00:37:02,640
that anything happened they said we need

804
00:37:08,150 --> 00:37:06,270
to know because we we're going to shut

805
00:37:10,940 --> 00:37:08,160
our office down you can't even get a

806
00:37:12,830 --> 00:37:10,950
word in on the phone we can't let y'all

807
00:37:14,960 --> 00:37:12,840
go out on the field because the man's

808
00:37:16,400 --> 00:37:14,970
gonna want to talk to y'all when they

809
00:37:18,620 --> 00:37:16,410
find out what's going on

810
00:37:22,190 --> 00:37:18,630
we can't conduct business with you to

811
00:37:25,220 --> 00:37:22,200
here we're calling them Tony which is

812
00:37:27,950 --> 00:37:25,230
their shipyard attorney his name was

813
00:37:31,880 --> 00:37:27,960

Joel come Ingo and we're going to let

814

00:37:34,190 --> 00:37:31,890

him do a press release so we can get rid

815

00:37:39,290 --> 00:37:34,200

of this media here we'll let him handle

816

00:37:42,680 --> 00:37:39,300

the media so Joe come in and talk to us

817

00:37:44,780 --> 00:37:42,690

and he knew what was going on and I

818

00:37:46,220 --> 00:37:44,790

could figure out my mind who might have

819

00:37:48,170 --> 00:37:46,230

told the media about

820

00:37:54,620 --> 00:37:48,180

because I didn't think Charlie did and I

821

00:37:56,810 --> 00:37:54,630

loved earn well I didn't so well anyhow

822

00:37:59,270 --> 00:37:56,820

and we told the attorney what was

823

00:38:02,980 --> 00:37:59,280

happening and he put together a press

824

00:38:06,230 --> 00:38:02,990

release and I told him my concerns about

825

00:38:08,270 --> 00:38:06,240

being exposed to evil radiation or

826

00:38:11,330 --> 00:38:08,280

needed a physical to make sure we didn't

827

00:38:13,130 --> 00:38:11,340

carry no germs and that got his

828

00:38:14,780 --> 00:38:13,140

attention because I noticed he kind of

829

00:38:18,650 --> 00:38:14,790

backed up and stayed away from us a

830

00:38:19,370 --> 00:38:18,660

little bit him I just want to speak you

831

00:38:20,310 --> 00:38:19,380

to himself

832

00:38:22,849 --> 00:38:20,320

yeah

833

00:38:25,370 --> 00:38:22,859

[Laughter]

834

00:38:27,650 --> 00:38:25,380

he backed up kind of stayed away he did

835

00:38:30,380 --> 00:38:27,660

a press release well about that time the

836

00:38:32,720 --> 00:38:30,390

Sheriff's Department showed up and the

837

00:38:37,520 --> 00:38:32,730

detective that interviewed us that night

838

00:38:40,280 --> 00:38:37,530

I heard him in there talking and they

839

00:38:44,030 --> 00:38:40,290

they set up a deal to go to all the

840

00:38:47,390 --> 00:38:44,040

singing River Hospital in Pascagoula to

841

00:38:49,609 --> 00:38:47,400

get us checked out so that's the first

842

00:38:52,130 --> 00:38:49,619

thing they did they took us to after

843

00:38:57,349 --> 00:38:52,140

they give their little press release no

844

00:38:59,300 --> 00:38:57,359

attorney and the deputy and somebody

845

00:39:01,270 --> 00:38:59,310

else loaded up in the car with us they

846

00:39:04,609 --> 00:39:01,280

took us to the singing River Hospital

847

00:39:06,800 --> 00:39:04,619

they give us a good thorough examination

848

00:39:13,250 --> 00:39:06,810

they checked the harm and they said it

849

00:39:18,260 --> 00:39:13,260

was punch of March Madness online and

850

00:39:20,660 --> 00:39:18,270

then all they did blood work and I'd

851

00:39:24,320 --> 00:39:20,670

give anything if we could get a hold of

852

00:39:27,470 --> 00:39:24,330

the information they had in but see all

853

00:39:28,160 --> 00:39:27,480

that got destroyed in 2005 and Hurricane

854

00:39:30,500 --> 00:39:28,170

Katrina

855

00:39:33,920 --> 00:39:30,510

everything got underwater then here I

856

00:39:37,550 --> 00:39:33,930

had 20 foot of water up on the roads you

857

00:39:40,210 --> 00:39:37,560

know so one day we got through there and

858

00:39:43,010 --> 00:39:40,220

they released just said we'll be fine

859

00:39:46,460 --> 00:39:43,020

they made arrangements to take us to

860

00:39:50,210 --> 00:39:46,470

kishore Air Force Base to all get

861

00:39:52,370 --> 00:39:50,220

checked for radiation so we the

862

00:39:55,880 --> 00:39:52,380

detective drove us to kiss her and the

863

00:39:57,830 --> 00:39:55,890

attorney was with us and when we got to

864

00:39:59,900 --> 00:39:57,840

the gate they flagged this onei and we

865

00:40:02,450 --> 00:39:59,910

didn't even stop it to gate it there

866

00:40:05,420 --> 00:40:02,460

for space and they sent us to the back

867

00:40:07,760 --> 00:40:05,430

they had a history as quarters back and

868

00:40:11,000 --> 00:40:07,770

they were several guys standing there

869

00:40:12,740 --> 00:40:11,010

with a hazmat suits on and then it was

870

00:40:14,210 --> 00:40:12,750

Socony and then you know this is

871

00:40:17,240 --> 00:40:14,220

starting to get a little scary

872

00:40:20,299 --> 00:40:17,250

so they separated this took us one at a

873

00:40:22,789 --> 00:40:20,309

time is separated us they checked us for

874

00:40:24,680 --> 00:40:22,799

radiation and then all of a sudden you

875

00:40:28,609 --> 00:40:24,690

know they hollered it was all clear

876

00:40:31,339 --> 00:40:28,619

well I asked them mom if they found any

877

00:40:35,270 --> 00:40:31,349

they said no not really nothing above

878

00:40:38,020 --> 00:40:35,280

normal and I think a human body cares a

879

00:40:41,299 --> 00:40:38,030

little above normal anyway some time

880

00:40:45,380 --> 00:40:41,309

yeah so they said no they want to see

881

00:40:49,250 --> 00:40:45,390

y'all inside I said who wants to see us

882

00:40:50,420 --> 00:40:49,260

he said the we just got some people

883

00:40:53,900 --> 00:40:50,430

wants to see you inside

884

00:40:56,150 --> 00:40:53,910

so they escorted us down a long hall and

885

00:40:57,920 --> 00:40:56,160

it it wasn't really that far but it

886

00:41:01,069 --> 00:40:57,930

didn't seem like we was ever gonna get

887

00:41:04,400 --> 00:41:01,079

there they set us down into a conference

888

00:41:07,609 --> 00:41:04,410

room and it was military brass local

889

00:41:09,740 --> 00:41:07,619

authorities we had like the mayors and

890

00:41:12,589 --> 00:41:09,750

local sheriff department and different

891

00:41:14,539 --> 00:41:12,599

authorities in all town of military yo

892

00:41:18,309 --> 00:41:14,549

brass it was in there pretty high

893

00:41:20,990 --> 00:41:18,319

ranking I guess and they set us down and

894

00:41:24,019 --> 00:41:21,000

it wouldn't be what I would call him

895

00:41:28,370 --> 00:41:24,029

interrogation but if they asked us each

896

00:41:31,940 --> 00:41:28,380

to tell our story at a different time

897

00:41:34,849 --> 00:41:31,950

and we did and they was extremely nice I

898

00:41:37,970 --> 00:41:34,859

mean you couldn't ask for a nice a bunch

899

00:41:39,950 --> 00:41:37,980

of people and but they was pretty

900

00:41:43,039 --> 00:41:39,960

serious you could look at the face and

901
00:41:46,640 --> 00:41:43,049
tell how serious they were and then they

902
00:41:49,160 --> 00:41:46,650
told us that we could go so they we

903
00:41:52,130 --> 00:41:49,170
walked back out got into the car went

904
00:41:54,460 --> 00:41:52,140
back to the shipyard and when we got

905
00:41:59,140 --> 00:41:54,470
back to the shipyard they told us look

906
00:42:01,670 --> 00:41:59,150
y'all have some people flying down from

907
00:42:05,660 --> 00:42:01,680
California or somewhere that wants to

908
00:42:08,150 --> 00:42:05,670
talk to you tomorrow and see but little

909
00:42:09,980 --> 00:42:08,160
did I know who well well I didn't I

910
00:42:10,549 --> 00:42:09,990
wouldn't have known who it was they told

911
00:42:13,799 --> 00:42:10,559
me then

912
00:42:15,870 --> 00:42:13,809
but it was dr. Jack our dr. Hynek

913
00:42:18,809 --> 00:42:15,880

Kanaka harder from the University of

914

00:42:22,079 --> 00:42:18,819

California and they had actually flew

915

00:42:24,239 --> 00:42:22,089

down on their own dime I mean nobody

916

00:42:26,849 --> 00:42:24,249

paid them to come they come down here on

917

00:42:29,519 --> 00:42:26,859

their own time well during the time we

918

00:42:31,890 --> 00:42:29,529

was doing or we was waiting to see them

919

00:42:35,849 --> 00:42:31,900

well I think they went out to the side

920

00:42:38,459 --> 00:42:35,859

to look around and to talk to different

921

00:42:41,069 --> 00:42:38,469

people and witnesses and it was the next

922

00:42:44,309 --> 00:42:41,079

morning when we got to see them they

923

00:42:46,410 --> 00:42:44,319

brought us in dr. Hynek asking us what

924

00:42:48,989 --> 00:42:46,420

was going on well he was talking to me

925

00:42:51,660 --> 00:42:48,999

while he was hypnotizing charlie and

926
00:42:55,140 --> 00:42:51,670
Charlie had agreed to be hypnotized and

927
00:42:57,749 --> 00:42:55,150
I did also except for when dr. harder

928
00:42:59,640 --> 00:42:57,759
started hypnotizing me he didn't figure

929
00:43:02,309 --> 00:42:59,650
I could handle it so he just kind of

930
00:43:05,209 --> 00:43:02,319
eased me back out of it and I went back

931
00:43:08,999 --> 00:43:05,219
in and finished talking to him and honey

932
00:43:11,039 --> 00:43:09,009
together and they were extremely nice

933
00:43:13,620 --> 00:43:11,049
but really thorough about what they did

934
00:43:14,309 --> 00:43:13,630
and I noticed they was taking a lot of

935
00:43:16,319 --> 00:43:14,319
notes

936
00:43:20,419 --> 00:43:16,329
which I'd give anything to have his

937
00:43:24,630 --> 00:43:20,429
notes right now and though he did a

938
00:43:27,959 --> 00:43:24,640

press release to the press and from what

939

00:43:30,359 --> 00:43:27,969

I understand he said and I didn't know

940

00:43:33,509 --> 00:43:30,369

this up until just here lately you know

941

00:43:36,269 --> 00:43:33,519

that all he figured that something

942

00:43:39,660 --> 00:43:36,279

really happened it was traumatic to us

943

00:43:42,809 --> 00:43:39,670

but he didn't know what and I do know

944

00:43:44,099 --> 00:43:42,819

that he told us told all the sheriff

945

00:43:47,309 --> 00:43:44,109

right there in front of us and that

946

00:43:49,499 --> 00:43:47,319

attorney if they were acting they should

947

00:43:53,819 --> 00:43:49,509

be in Hollywood because nobody could act

948

00:43:56,009 --> 00:43:53,829

out something this good so that's kind

949

00:43:58,169 --> 00:43:56,019

of where they left that and then just

950

00:44:00,749 --> 00:43:58,179

shortly after that I got my butt in the

951
00:44:04,589 --> 00:44:00,759
car and went back home to Laurel

952
00:44:06,539 --> 00:44:04,599
Mississippi and that's where all you

953
00:44:08,939 --> 00:44:06,549
know I started having other problems

954
00:44:11,969 --> 00:44:08,949
there that's when reality really hit me

955
00:44:13,620 --> 00:44:11,979
when I got home because before I didn't

956
00:44:16,739 --> 00:44:13,630
have time to think about it worried

957
00:44:18,599 --> 00:44:16,749
about it I got home and I was at the

958
00:44:22,410 --> 00:44:18,609
house it's just me and my brother there

959
00:44:24,989 --> 00:44:22,420
one night and it just everything just

960
00:44:27,299 --> 00:44:24,999
come over me at one time that's when

961
00:44:29,399 --> 00:44:27,309
they said I had a nervous breakdown but

962
00:44:31,979 --> 00:44:29,409
I don't believe it was a breakdown I

963
00:44:34,919 --> 00:44:31,989

think the world just caught up with me

964

00:44:38,159 --> 00:44:34,929

by the end cuz I ain't never seen so

965

00:44:42,329 --> 00:44:38,169

many reporters in my whole life and they

966

00:44:44,549 --> 00:44:42,339

still tracking me down so calvini I mean

967

00:44:46,649 --> 00:44:44,559

now the you know Charlie said anything

968

00:44:49,169 --> 00:44:46,659

to the media so who do you think it was

969

00:44:50,390 --> 00:44:49,179

that let the story out I mean there was

970

00:44:54,599 --> 00:44:50,400

only you

971

00:44:55,949 --> 00:44:54,609

really Calvin charleon and the police so

972

00:44:57,870 --> 00:44:55,959

do you think it was somebody from the

973

00:45:00,509 --> 00:44:57,880

police department and let the story out

974

00:45:03,329 --> 00:45:00,519

well I tell you what I really think

975

00:45:06,179 --> 00:45:03,339

happened you know back in those days you

976
00:45:08,069 --> 00:45:06,189
didn't have social media or anything but

977
00:45:10,259 --> 00:45:08,079
everybody had a scanner where they

978
00:45:13,169 --> 00:45:10,269
scanned the police department and the

979
00:45:15,359 --> 00:45:13,179
fire department just be a nosy dissent

980
00:45:17,069 --> 00:45:15,369
hey whoa what's going on and I think

981
00:45:20,309 --> 00:45:17,079
somebody might have heard it over the

982
00:45:22,109 --> 00:45:20,319
stander and the Mississippi press

983
00:45:23,880 --> 00:45:22,119
building was right there by the police

984
00:45:26,159 --> 00:45:23,890
department and they probably heard it on

985
00:45:27,929 --> 00:45:26,169
the scanner and when they did they

986
00:45:32,009 --> 00:45:27,939
probably went over a question question

987
00:45:34,169 --> 00:45:32,019
the sheriff and he probably y'all the

988
00:45:37,019 --> 00:45:34,179

table well you know he had to tell him

989

00:45:41,370 --> 00:45:37,029

something so he probably is the one that

990

00:45:43,620 --> 00:45:41,380

did it right not thanking so so going

991

00:45:45,929 --> 00:45:43,630

back for those that are not aware at all

992

00:45:47,789 --> 00:45:45,939

but for those who've never heard of the

993

00:45:50,609 --> 00:45:47,799

case before the creatures that you

994

00:45:53,579 --> 00:45:50,619

encountered you know what did it look

995

00:45:55,709 --> 00:45:53,589

like Calvin I mean he was it you know

996

00:45:59,489 --> 00:45:55,719

what a description of what these things

997

00:46:02,249 --> 00:45:59,499

really look like well you were you would

998

00:46:04,979 --> 00:46:02,259

up close and personal with them then

999

00:46:07,349 --> 00:46:04,989

yeah there was two different types and

1000

00:46:10,079 --> 00:46:07,359

it was two looked different looking ones

1001
00:46:12,719 --> 00:46:10,089
and now the one that came out the one

1002
00:46:16,229 --> 00:46:12,729
that I called the soldier they had a

1003
00:46:19,679 --> 00:46:16,239
grayish looking skin and probably five

1004
00:46:22,769 --> 00:46:19,689
foot tall no neck now Charlie said he's

1005
00:46:24,509 --> 00:46:22,779
seen no little antennas or something

1006
00:46:27,029 --> 00:46:24,519
sticking out of them I didn't see all

1007
00:46:30,089 --> 00:46:27,039
that it was more or less like a blur to

1008
00:46:32,399 --> 00:46:30,099
me when I seen the facial features now I

1009
00:46:34,589 --> 00:46:32,409
did notice her hands cuz that when that

1010
00:46:36,749 --> 00:46:34,599
big hand reached and grabbed me it

1011
00:46:39,630 --> 00:46:36,759
looked like to pinch her off a crab down

1012
00:46:40,620 --> 00:46:39,640
here and why even come to that decision

1013
00:46:43,260 --> 00:46:40,630

I had just

1014

00:46:45,720 --> 00:46:43,270

on a crab and looked at their pincers in

1015

00:46:48,300 --> 00:46:45,730

a head like mitten hands and I just

1016

00:46:53,580 --> 00:46:48,310

described it as a painter like a crab to

1017

00:46:56,640 --> 00:46:53,590

the law oh they had pretty long arms the

1018

00:46:59,250 --> 00:46:56,650

legs now I couldn't see the other ones

1019

00:47:01,740 --> 00:46:59,260

legs but this creature that come toward

1020

00:47:04,740 --> 00:47:01,750

us so the guy that come toward us their

1021

00:47:06,870 --> 00:47:04,750

legs was all together like they was made

1022

00:47:08,460 --> 00:47:06,880

together but you could still see that

1023

00:47:10,110 --> 00:47:08,470

they might have had legs and might have

1024

00:47:13,950 --> 00:47:10,120

been standing there's something to float

1025

00:47:17,220 --> 00:47:13,960

them and the movement was just

1026
00:47:19,260 --> 00:47:17,230
mechanical wise on this one I mean again

1027
00:47:20,550 --> 00:47:19,270
this thing scuffed you that you that

1028
00:47:22,860 --> 00:47:20,560
you would take no more what did that

1029
00:47:26,670 --> 00:47:22,870
look like you know what describe that

1030
00:47:30,330 --> 00:47:26,680
for us it was all I'm gonna say eighty

1031
00:47:34,400 --> 00:47:30,340
to a hundred foot long just estimate now

1032
00:47:37,580 --> 00:47:34,410
this is no definite measurements and

1033
00:47:41,280 --> 00:47:37,590
probably about eight 10 foot high

1034
00:47:44,310 --> 00:47:41,290
it looked oblong kind of like a football

1035
00:47:46,560 --> 00:47:44,320
not like oh anybody would think a flying

1036
00:47:50,310 --> 00:47:46,570
saucer would look but it kind of look

1037
00:47:54,920 --> 00:47:50,320
like a football with two portholes on

1038
00:47:58,320 --> 00:47:54,930

the left side of me and I was facing it

1039

00:48:00,540 --> 00:47:58,330

so you know it was nothing like you've

1040

00:48:03,360 --> 00:48:00,550

never seen before now the inside it's

1041

00:48:06,870 --> 00:48:03,370

just all kind of plain and I didn't get

1042

00:48:09,120 --> 00:48:06,880

a chance to all the doors had to slide

1043

00:48:11,420 --> 00:48:09,130

because they wasn't hinged and didn't

1044

00:48:16,160 --> 00:48:11,430

come in so I know the doors had to slide

1045

00:48:18,810 --> 00:48:16,170

there and then the examination room I

1046

00:48:20,160 --> 00:48:18,820

really can't say much about it I don't

1047

00:48:24,420 --> 00:48:20,170

even know if there's an examination

1048

00:48:27,600 --> 00:48:24,430

table in there so did you hear any any

1049

00:48:33,810 --> 00:48:27,610

noise smells or anything like that

1050

00:48:35,820 --> 00:48:33,820

I didn't smell any smells oh well the

1051

00:48:39,000 --> 00:48:35,830

smell that I smelt was normal

1052

00:48:42,240 --> 00:48:39,010

down in though on the coast you got that

1053

00:48:45,090 --> 00:48:42,250

fishy kind of smell that you smell all

1054

00:48:47,550 --> 00:48:45,100

the time and you know so it's not a real

1055

00:48:54,060 --> 00:48:47,560

clean smell and you know it might have

1056

00:48:54,380 --> 00:48:54,070

disguised anything else but uh as far as

1057

00:48:57,510 --> 00:48:54,390

an

1058

00:48:58,530 --> 00:48:57,520

the only noise that I heard was when we

1059

00:49:01,680 --> 00:48:58,540

was inside

1060

00:49:03,900 --> 00:49:01,690

I heard that clicking noise that came

1061

00:49:06,930 --> 00:49:03,910

down out of the deck of cards I

1062

00:49:10,290 --> 00:49:06,940

described mm-hmm and then I heard this

1063

00:49:13,260 --> 00:49:10,300

female creature kind of mumbled down low

1064

00:49:16,530 --> 00:49:13,270

into her voice a little bit and that's

1065

00:49:20,280 --> 00:49:16,540

when she summons no big ugly when to

1066

00:49:22,170 --> 00:49:20,290

come in there so you know with a few

1067

00:49:23,610 --> 00:49:22,180

weeks after the event now you went back

1068

00:49:30,410 --> 00:49:23,620

home and you ended up in the hospital

1069

00:49:35,130 --> 00:49:30,420

didn't you I did and what had happened I

1070

00:49:37,830 --> 00:49:35,140

was all I went to bed and then I just

1071

00:49:40,860 --> 00:49:37,840

broke out into a cold sweat shaking and

1072

00:49:43,560 --> 00:49:40,870

everything else and my brother come in

1073

00:49:45,740 --> 00:49:43,570

and he got concerned and I really wasn't

1074

00:49:49,020 --> 00:49:45,750

going to the emergency room but they

1075

00:49:51,270 --> 00:49:49,030

kind of made me go he made me go and you

1076

00:49:54,270 --> 00:49:51,280

know I I love my brother a lot about

1077

00:49:56,790 --> 00:49:54,280

anything he said you know I would go

1078

00:50:00,930 --> 00:49:56,800

along with cuz he was more or less the

1079

00:50:02,280 --> 00:50:00,940

brains of us so what happened when that

1080

00:50:04,050 --> 00:50:02,290

when he said when you went to the hook

1081

00:50:08,700 --> 00:50:04,060

the emergency room what what happened

1082

00:50:11,270 --> 00:50:08,710

there well we went in no I was in the

1083

00:50:13,710 --> 00:50:11,280

car and he made him come out and get me

1084

00:50:17,250 --> 00:50:13,720

they put me in a wheelchair and they

1085

00:50:18,780 --> 00:50:17,260

took me in there and then done a little

1086

00:50:21,210 --> 00:50:18,790

bit of paperwork and they just put me

1087

00:50:25,590 --> 00:50:21,220

over in the corner and I was getting

1088

00:50:27,540 --> 00:50:25,600

worse and worse and it when I only

1089

00:50:29,010 --> 00:50:27,550

seemed like I said I was in there I

1090

00:50:32,190 --> 00:50:29,020

don't couldn't be in the house but it

1091

00:50:34,440 --> 00:50:32,200

was a long time I was in there and he

1092

00:50:37,740 --> 00:50:34,450

walked up and asked him what is I don't

1093

00:50:40,890 --> 00:50:37,750

see me and it they told him just when

1094

00:50:43,320 --> 00:50:40,900

they get to me and I got to looking

1095

00:50:45,510 --> 00:50:43,330

around in there they want nobody much in

1096

00:50:48,180 --> 00:50:45,520

there and you know maybe somebody had a

1097

00:50:50,580 --> 00:50:48,190

cold or something but I believed I was

1098

00:50:55,290 --> 00:50:50,590

in pretty bad shape myself so I asked my

1099

00:50:57,420 --> 00:50:55,300

brother I said look bud why don't you go

1100

00:51:00,000 --> 00:50:57,430

to the car get my jacket just stay out

1101
00:51:02,040 --> 00:51:00,010
for a while or go on home and I'll call

1102
00:51:04,110 --> 00:51:02,050
you when we get through or something

1103
00:51:06,240 --> 00:51:04,120
well he wouldn't leave my side so I

1104
00:51:07,510 --> 00:51:06,250
finally got him to go out back out to

1105
00:51:11,440 --> 00:51:07,520
the car to get something

1106
00:51:14,320 --> 00:51:11,450
for me and when he did I jumped up and

1107
00:51:16,660 --> 00:51:14,330
tell him to cheer up against the thing

1108
00:51:18,580 --> 00:51:16,670
and it was on me and I made security

1109
00:51:21,130 --> 00:51:18,590
coming down and tackled me and all that

1110
00:51:24,700 --> 00:51:21,140
but when they did the good thing about

1111
00:51:27,310 --> 00:51:24,710
it there was also a our doctor to come

1112
00:51:30,100 --> 00:51:27,320
in and he's saying what was going on

1113
00:51:32,500 --> 00:51:30,110

well they popped a needle in me and you

1114

00:51:34,510 --> 00:51:32,510

know I kind of calmed down and he

1115

00:51:38,110 --> 00:51:34,520

started asking the questions and he ate

1116

00:51:41,650 --> 00:51:38,120

a mouth for not paying attention to me

1117

00:51:44,440 --> 00:51:41,660

then said that this said anytime anybody

1118

00:51:48,760 --> 00:51:44,450

and this kind of shake came in here he

1119

00:51:50,680 --> 00:51:48,770

wanted them front front row right in so

1120

00:51:52,690 --> 00:51:50,690

it was pretty dramatic and he tried to

1121

00:51:56,050 --> 00:51:52,700

get me to stay but I wouldn't stay I

1122

00:51:57,790 --> 00:51:56,060

went on home but he did give me a shot

1123

00:52:01,450 --> 00:51:57,800

and suppose to calm me down for the

1124

00:52:05,110 --> 00:52:01,460

night all right well you know after the

1125

00:52:10,270 --> 00:52:05,120

event who did dr. harder examine you

1126
00:52:14,320 --> 00:52:10,280
give you a physical hadeya and reason I

1127
00:52:16,000 --> 00:52:14,330
asked this because the people listening

1128
00:52:19,810 --> 00:52:16,010
will know that Chris is the editor of

1129
00:52:22,480 --> 00:52:19,820
outer limits magazine and one of the

1130
00:52:27,880 --> 00:52:22,490
things I tried to do after the book was

1131
00:52:30,070 --> 00:52:27,890
published was track down documentation

1132
00:52:32,770 --> 00:52:30,080
relating to the event Calvin you know

1133
00:52:34,360 --> 00:52:32,780
we've not really been that successful as

1134
00:52:36,990 --> 00:52:34,370
you pointed it now a lot of it was

1135
00:52:40,300 --> 00:52:37,000
washed away in in Hurricane Katrina

1136
00:52:41,350 --> 00:52:40,310
however and I did send you a copy of

1137
00:52:43,360 --> 00:52:41,360
this and what we're going to do we're

1138
00:52:46,060 --> 00:52:43,370

going to make this available as an

1139

00:52:49,600 --> 00:52:46,070

exclusive to Outer Limits magazine next

1140

00:52:52,050 --> 00:52:49,610

year is we found a letter in the

1141

00:52:55,060 --> 00:52:52,060

archives of the Center for UFO studies

1142

00:52:59,980 --> 00:52:55,070

which was founded of course by Allen

1143

00:53:02,980 --> 00:52:59,990

Hynek and it talks of you and Charlie

1144

00:53:05,950 --> 00:53:02,990

having a physical examination this is in

1145

00:53:08,470 --> 00:53:05,960

the first person so whoever's doing the

1146

00:53:10,810 --> 00:53:08,480

examination is writing this letter and

1147

00:53:13,030 --> 00:53:10,820

he confirms in the letter that both you

1148

00:53:16,660 --> 00:53:13,040

and Charlie did indeed have puncture

1149

00:53:19,900 --> 00:53:16,670

wounds oh and we did and I remember them

1150

00:53:21,490 --> 00:53:19,910

specially looking at them matter of fact

1151
00:53:23,590 --> 00:53:21,500
on my own

1152
00:53:25,570 --> 00:53:23,600
my arm I can't speak for Charlie because

1153
00:53:29,320 --> 00:53:25,580
they've had a separated you know one was

1154
00:53:31,810 --> 00:53:29,330
going in there and seen him but he got

1155
00:53:35,380 --> 00:53:31,820
something the size of a q-tip and run

1156
00:53:37,390 --> 00:53:35,390
down in into that puncher wound and then

1157
00:53:40,720 --> 00:53:37,400
when they got through they put alcohol

1158
00:53:43,270 --> 00:53:40,730
to bandage and all over and matter of

1159
00:53:45,880 --> 00:53:43,280
fact even today you can kind of see a

1160
00:53:49,240 --> 00:53:45,890
little puncher wound there you know a

1161
00:53:52,720 --> 00:53:49,250
star so like I said we're going to make

1162
00:53:54,730 --> 00:53:52,730
that available later next year in in

1163
00:53:58,510 --> 00:53:54,740

Outer Limits magazine because you were

1164

00:54:01,450 --> 00:53:58,520

still on the track of documentation we

1165

00:54:04,510 --> 00:54:01,460

know for example notes were taken

1166

00:54:07,060 --> 00:54:04,520

recordings were made what was one of the

1167

00:54:09,040 --> 00:54:07,070

things was curious Calvin if you go back

1168

00:54:13,810 --> 00:54:09,050

to when you went to Keesler Air Force

1169

00:54:18,040 --> 00:54:13,820

Base now I contacted the United States

1170

00:54:19,750 --> 00:54:18,050

Air Force and and asked under the

1171

00:54:20,470 --> 00:54:19,760

Freedom of Information Act for any more

1172

00:54:24,940 --> 00:54:20,480

information

1173

00:54:27,730 --> 00:54:24,950

they said they had none Robert Todd an

1174

00:54:29,650 --> 00:54:27,740

investigator back in the 90s had done

1175

00:54:32,010 --> 00:54:29,660

the same thing and he got the same reply

1176
00:54:36,430 --> 00:54:32,020
said they have didn't have anything and

1177
00:54:39,190 --> 00:54:36,440
we published Roberts letters in your

1178
00:54:41,940 --> 00:54:39,200
book but one of the things that I'm

1179
00:54:45,190 --> 00:54:41,950
curious about is that in fact we have a

1180
00:54:47,710 --> 00:54:45,200
transcript of you and Charlie being

1181
00:54:49,960 --> 00:54:47,720
interviewed at Keesler Air Force Base

1182
00:54:51,880 --> 00:54:49,970
that day this has come from the Air

1183
00:54:55,930 --> 00:54:51,890
Force and it lists at the top of it

1184
00:54:58,270 --> 00:54:55,940
everyone that was present there so how

1185
00:55:00,940 --> 00:54:58,280
did they make the transcript if they

1186
00:55:03,370 --> 00:55:00,950
didn't record it in some manner or have

1187
00:55:06,400 --> 00:55:03,380
someone taking notes at the time so they

1188
00:55:08,890 --> 00:55:06,410

must have had something there even if it

1189

00:55:10,270 --> 00:55:08,900

was just notes did you see anybody when

1190

00:55:12,100 --> 00:55:10,280

you were at Keesler do you see anybody

1191

00:55:14,590 --> 00:55:12,110

do you see a stenographer or anything

1192

00:55:19,060 --> 00:55:14,600

like that Kelvin they did have like a

1193

00:55:22,870 --> 00:55:19,070

court stenographer in there and she was

1194

00:55:25,090 --> 00:55:22,880

it was a her and I noticed she had bars

1195

00:55:27,430 --> 00:55:25,100

so she had to be like a lieutenant or

1196

00:55:29,800 --> 00:55:27,440

some taking notes on one of them little

1197

00:55:32,380 --> 00:55:29,810

machines it's not a typewriter but one

1198

00:55:35,000 --> 00:55:32,390

of the little machines that she using

1199

00:55:37,460 --> 00:55:35,010

court to dictate

1200

00:55:40,550 --> 00:55:37,470

and I think only they can probably read

1201
00:55:42,800 --> 00:55:40,560
them yeah absolutely so I assume that's

1202
00:55:46,880 --> 00:55:42,810
where the where the transcript has come

1203
00:55:49,760 --> 00:55:46,890
from but we're still on the hunt for for

1204
00:55:51,980 --> 00:55:49,770
documentation and um you know maybe one

1205
00:55:55,490 --> 00:55:51,990
day we'll strike lucky and find it

1206
00:55:58,130 --> 00:55:55,500
because we know that this was dr.

1207
00:56:03,069 --> 00:55:58,140
hynek's something no longer with us his

1208
00:56:05,750 --> 00:56:03,079
favorite case and that certainly Charlie

1209
00:56:09,470 --> 00:56:05,760
had his home telephone number because

1210
00:56:12,829 --> 00:56:09,480
one of the things I did was was contact

1211
00:56:15,230 --> 00:56:12,839
hynix two sons one of them told me I

1212
00:56:17,089 --> 00:56:15,240
think he was about 10 or 11 years of age

1213
00:56:19,220 --> 00:56:17,099

at the time and he remembers answering

1214

00:56:21,020 --> 00:56:19,230

the telephone and it was Charlie Hicks

1215

00:56:22,220 --> 00:56:21,030

and then he went and told his dad did

1216

00:56:25,609 --> 00:56:22,230

you know Charlie Hickson's on the

1217

00:56:30,109 --> 00:56:25,619

telephone for you so you know it was

1218

00:56:32,270 --> 00:56:30,119

Hynix favorite case so you know what

1219

00:56:34,760 --> 00:56:32,280

happened after all this Calvi knew you

1220

00:56:36,500 --> 00:56:34,770

know this has happened you you've been

1221

00:56:40,010 --> 00:56:36,510

ill you've been at hospital or just a

1222

00:56:41,720 --> 00:56:40,020

few weeks afterwards what happened from

1223

00:56:43,970 --> 00:56:41,730

there what you know how would it affect

1224

00:56:45,620 --> 00:56:43,980

you family I mean you would engage it to

1225

00:56:49,730 --> 00:56:45,630

be married at the time I believe you

1226

00:56:53,870 --> 00:56:49,740

know so where do you go from there well

1227

00:56:57,290 --> 00:56:53,880

I went back home and with intentions of

1228

00:56:59,630 --> 00:56:57,300

you know actually to be honest with you

1229

00:57:02,210 --> 00:56:59,640

I knew there was an article to come out

1230

00:57:05,750 --> 00:57:02,220

in the paper but not everybody in my

1231

00:57:10,069 --> 00:57:05,760

family and her family actually got a

1232

00:57:12,470 --> 00:57:10,079

newspaper or watch TV that much because

1233

00:57:15,589 --> 00:57:12,480

everybody works so I figure they've just

1234

00:57:17,960 --> 00:57:15,599

died down you know five minutes of glory

1235

00:57:20,359 --> 00:57:17,970

and that's the end of it so I wasn't

1236

00:57:22,700 --> 00:57:20,369

gonna say nothing I had no intentions of

1237

00:57:26,030 --> 00:57:22,710

telling anybody and I didn't tell nobody

1238

00:57:28,880 --> 00:57:26,040

nothing I never set down my family and

1239

00:57:31,250 --> 00:57:28,890

explained to him I never sat down my

1240

00:57:34,099 --> 00:57:31,260

friends I never told her family about it

1241

00:57:36,770 --> 00:57:34,109

although they all knew about it and they

1242

00:57:40,300 --> 00:57:36,780

wouldn't ask me about it and the reason

1243

00:57:42,950 --> 00:57:40,310

I knew they knew Bacall so when I was

1244

00:57:50,090 --> 00:57:42,960

still in passed for Google of the night

1245

00:57:57,450 --> 00:57:55,500

they are my mother and my brother had

1246

00:57:59,760 --> 00:57:57,460

come down and got a motel room and I

1247

00:58:02,940 --> 00:57:59,770

went over spent the night for them and

1248

00:58:05,820 --> 00:58:02,950

believe it or not they was crying she

1249

00:58:06,600 --> 00:58:05,830

was crying when I walked in he was - he

1250

00:58:09,360 --> 00:58:06,610

was scared

1251
00:58:12,390 --> 00:58:09,370
and I never talked to them about it that

1252
00:58:15,000 --> 00:58:12,400
night I just told them look you know I'm

1253
00:58:17,400 --> 00:58:15,010
got something I have to do today I'm

1254
00:58:21,030 --> 00:58:17,410
gonna work over here today can I be home

1255
00:58:24,900 --> 00:58:21,040
tonight not talk to y'all and they just

1256
00:58:26,790 --> 00:58:24,910
pacified him so they left and went on

1257
00:58:28,620 --> 00:58:26,800
back home and I went and seen that's

1258
00:58:31,560 --> 00:58:28,630
when I had the meeting with dr. Hynek

1259
00:58:34,800 --> 00:58:31,570
and dr. harder the next day and after

1260
00:58:37,890 --> 00:58:34,810
that I left and went back home but uh

1261
00:58:41,550 --> 00:58:37,900
when I got home I didn't talk about it

1262
00:58:43,650 --> 00:58:41,560
to nobody I didn't want to talk because

1263
00:58:46,920 --> 00:58:43,660

I was engaged to get married this was

1264

00:58:49,980 --> 00:58:46,930

October and November tonight it's when I

1265

00:58:53,400 --> 00:58:49,990

got married and I said well you know her

1266

00:58:56,880 --> 00:58:53,410

dad's a hard case and I really have to

1267

00:58:59,430 --> 00:58:56,890

well she was underage I mean as far as

1268

00:59:02,370 --> 00:58:59,440

men can speak for herself to get married

1269

00:59:05,340 --> 00:59:02,380

they would have to sign for 16 years old

1270

00:59:07,140 --> 00:59:05,350

and I figured that was all off if he had

1271

00:59:11,220 --> 00:59:07,150

found out about it he'd figure made it

1272

00:59:13,950 --> 00:59:11,230

be a nut case and did you explain to

1273

00:59:16,260 --> 00:59:13,960

your fiance who became your wife Wayne

1274

00:59:17,150 --> 00:59:16,270

that did you tell anything about it not

1275

00:59:20,220 --> 00:59:17,160

a word

1276

00:59:23,880 --> 00:59:20,230

the only time we talked about it when

1277

00:59:25,800 --> 00:59:23,890

you and I you know she we she started

1278

00:59:27,660 --> 00:59:25,810

discussing writing a book and we had

1279

00:59:31,650 --> 00:59:27,670

talked to you and we had actually

1280

00:59:33,540 --> 00:59:31,660

started on the book and you know there

1281

00:59:36,150 --> 00:59:33,550

was pieces that she would come in there

1282

00:59:38,700 --> 00:59:36,160

and I'd let her read and then she'd ask

1283

00:59:40,470 --> 00:59:38,710

me a few questions about it but that's

1284

00:59:43,230 --> 00:59:40,480

the only time we ever talked about it

1285

00:59:45,600 --> 00:59:43,240

then I finally since then you know of

1286

00:59:48,600 --> 00:59:45,610

course it's real popular here she hears

1287

00:59:50,850 --> 00:59:48,610

me in on this skype and the radio and

1288

00:59:53,490 --> 00:59:50,860

stuff like that and she listened to part

1289

00:59:56,450 --> 00:59:53,500

of the story but this year going back to

1290

00:59:59,670 --> 00:59:56,460

her room and won't listen to no more and

1291

01:00:01,780 --> 00:59:59,680

it came out on audio and we did listen

1292

01:00:04,390 --> 01:00:01,790

to it on audio because I wanted to hear

1293

01:00:06,550 --> 01:00:04,400

go out of your woods but that's the only

1294

01:00:08,380 --> 01:00:06,560

time I've talked to her about it the

1295

01:00:11,140 --> 01:00:08,390

rest of the family my mother knows about

1296

01:00:13,450 --> 01:00:11,150

it she read the book when it came out I

1297

01:00:15,940 --> 01:00:13,460

didn't feel like sitting down and

1298

01:00:17,560 --> 01:00:15,950

explaining to everybody so all my

1299

01:00:20,260 --> 01:00:17,570

friends and all has been waiting all

1300

01:00:23,290 --> 01:00:20,270

these years to hear it and they asked me

1301
01:00:23,890 --> 01:00:23,300
about it now I say go get the book and

1302
01:00:26,380 --> 01:00:23,900
read it

1303
01:00:28,300 --> 01:00:26,390
it's all in there and that's the only

1304
01:00:31,210 --> 01:00:28,310
way I know how to do it you know I don't

1305
01:00:32,800 --> 01:00:31,220
want if you sitting now and explain it

1306
01:00:35,830 --> 01:00:32,810
to everybody you'd be explaining the

1307
01:00:37,810 --> 01:00:35,840
rest of your life away so it's just

1308
01:00:40,300 --> 01:00:37,820
easier for them to go by the book and

1309
01:00:42,160 --> 01:00:40,310
read it and then they got everything

1310
01:00:44,530 --> 01:00:42,170
right there in front of like you say

1311
01:00:46,270 --> 01:00:44,540
this is my leg Calvin

1312
01:00:48,720 --> 01:00:46,280
you told me when we was doing the book

1313
01:00:52,180 --> 01:00:48,730

and the reason I considered writing it I

1314

01:00:54,160 --> 01:00:52,190

told you that everybody always changes

1315

01:00:56,110 --> 01:00:54,170

the press usually you make a change and

1316

01:00:58,180 --> 01:00:56,120

anything you say to make it seem greater

1317

01:01:01,630 --> 01:00:58,190

well how in the world do you get it

1318

01:01:03,670 --> 01:01:01,640

better than what it is I mean how do you

1319

01:01:07,780 --> 01:01:03,680

explain something to make it more

1320

01:01:10,720 --> 01:01:07,790

exciting than getting abducted or going

1321

01:01:12,850 --> 01:01:10,730

through all this it's no way so there's

1322

01:01:15,940 --> 01:01:12,860

no reason for the press to try to change

1323

01:01:17,860 --> 01:01:15,950

everything but when we meant you told me

1324

01:01:19,720 --> 01:01:17,870

we're documented and that made a lot of

1325

01:01:21,880 --> 01:01:19,730

sense this is your legacy

1326

01:01:23,950 --> 01:01:21,890

put it down they won't change it they

1327

01:01:26,260 --> 01:01:23,960

can't change it and that made a lot of

1328

01:01:29,440 --> 01:01:26,270

sense to me well for those who know

1329

01:01:34,390 --> 01:01:29,450

again it's not a common story but last

1330

01:01:36,870 --> 01:01:34,400

year I to begin with I republished the

1331

01:01:41,140 --> 01:01:36,880

book that Charles Hickson co-authored

1332

01:01:44,560 --> 01:01:41,150

with Malia Mendez that came out in 1983

1333

01:01:49,210 --> 01:01:44,570

I think it was and I have taken

1334

01:01:52,030 --> 01:01:49,220

permission and I republished it and what

1335

01:01:53,920 --> 01:01:52,040

I was republishing it I just thought and

1336

01:01:56,320 --> 01:01:53,930

you've got a new Charlie Hicks and it

1337

01:01:58,750 --> 01:01:56,330

passed away and I thought it'd be nice

1338

01:02:01,630 --> 01:01:58,760

to find Kelvin because while I'm reading

1339

01:02:03,640 --> 01:02:01,640

Charlie's book Calvin I'm thinking when

1340

01:02:06,700 --> 01:02:03,650

what Cal me makes it out know if that

1341

01:02:09,160 --> 01:02:06,710

happened to Calvin you know and I

1342

01:02:12,400 --> 01:02:09,170

thought it'd be nice if I could find you

1343

01:02:14,170 --> 01:02:12,410

and and just get an interview just to

1344

01:02:15,530 --> 01:02:14,180

bring things up today and I my

1345

01:02:17,990 --> 01:02:15,540

intentions were to put it in

1346

01:02:23,020 --> 01:02:18,000

back of the republishing of charlie's

1347

01:02:25,550 --> 01:02:23,030

book but of course you know yeah i

1348

01:02:30,920 --> 01:02:25,560

happened upon you perhaps at the right

1349

01:02:32,810 --> 01:02:30,930

time Calvin tell us how you decided you

1350

01:02:34,820 --> 01:02:32,820

and you one weighing out your wife that

1351

01:02:36,760 --> 01:02:34,830

perhaps a book might be the best way to

1352

01:02:40,010 --> 01:02:36,770

go about things how did that come about

1353

01:02:41,930 --> 01:02:40,020

well we live in like a little

1354

01:02:45,530 --> 01:02:41,940

subdivision and one of our neighbors

1355

01:02:49,010 --> 01:02:45,540

passed away at an early age just if you

1356

01:02:51,320 --> 01:02:49,020

don't house is down well we went to what

1357

01:02:54,200 --> 01:02:51,330

they call a wake time down here I don't

1358

01:02:56,480 --> 01:02:54,210

know what it is you know in the UK but

1359

01:03:02,510 --> 01:02:56,490

it it's a wake where you go in and you

1360

01:03:04,700 --> 01:03:02,520

just sign up register and be with the

1361

01:03:08,060 --> 01:03:04,710

family after you know and show you

1362

01:03:10,370 --> 01:03:08,070

concerns so we was at this wait and I

1363

01:03:13,700 --> 01:03:10,380

messed up and normally I don't sign my

1364

01:03:16,040 --> 01:03:13,710

name to nothing naughty mature but I

1365

01:03:19,100 --> 01:03:16,050

signed it that day on the register

1366

01:03:21,440 --> 01:03:19,110

well everybody knowed my history around

1367

01:03:23,600 --> 01:03:21,450

here because it had been for The

1368

01:03:26,600 --> 01:03:23,610

Associated Press coming around hunting

1369

01:03:28,750 --> 01:03:26,610

me one day and they always thought that

1370

01:03:31,900 --> 01:03:28,760

I was a woman but they weren't for sure

1371

01:03:34,400 --> 01:03:31,910

so they got to reading the register and

1372

01:03:38,840 --> 01:03:34,410

somebody put two and two together again

1373

01:03:41,750 --> 01:03:38,850

and they knew that I was the one in 1973

1374

01:03:43,790 --> 01:03:41,760

well when that happened a lot of people

1375

01:03:45,640 --> 01:03:43,800

started coming up and talking and won't

1376

01:03:48,470 --> 01:03:45,650

my autograph and I couldn't figure out

1377

01:03:50,450 --> 01:03:48,480

what in the world we was gonna do I said

1378

01:03:53,300 --> 01:03:50,460

though you know this is really

1379

01:03:55,610 --> 01:03:53,310

disrespectful in the family so me and my

1380

01:04:00,620 --> 01:03:55,620

wife just got in the car or the truck

1381

01:04:03,440 --> 01:04:00,630

and drove off and while we was driving

1382

01:04:08,180 --> 01:04:03,450

off one it had told me why don't you

1383

01:04:09,410 --> 01:04:08,190

write a book so I told her just passing

1384

01:04:11,990 --> 01:04:09,420

I said you know I don't have the

1385

01:04:15,230 --> 01:04:12,000

education to write a book you know I

1386

01:04:17,390 --> 01:04:15,240

don't have any majors and any kind of

1387

01:04:19,550 --> 01:04:17,400

literature or nothing I said I tell you

1388

01:04:21,440 --> 01:04:19,560

what if a ghostwriter comes by and tells

1389

01:04:26,570 --> 01:04:21,450

me they want to write a book we'll do it

1390

01:04:28,220 --> 01:04:26,580

and just something to satisfy her to

1391

01:04:29,060 --> 01:04:28,230

keep her mouth shut about it because I

1392

01:04:31,570 --> 01:04:29,070

was over the top

1393

01:04:36,230 --> 01:04:31,580

I heard about it to be honest with you

1394

01:04:38,930 --> 01:04:36,240

so we went on home well that night again

1395

01:04:43,760 --> 01:04:38,940

she brought it up and I'd be done the

1396

01:04:46,610 --> 01:04:43,770

next day I got an email from Martin

1397

01:04:48,620 --> 01:04:46,620

Willis said that Phillip was hunting me

1398

01:04:50,180 --> 01:04:48,630

want to know if it was okay to give him

1399

01:04:52,220 --> 01:04:50,190

my contact information

1400

01:04:54,740 --> 01:04:52,230

well I didn't know Phillip from anybody

1401

01:04:57,980 --> 01:04:54,750

I knew Martin from a little podcast that

1402

01:05:01,850 --> 01:04:57,990

I've done a while back he'd run up on me

1403

01:05:06,880 --> 01:05:01,860

and you know we just did a little

1404

01:05:10,070 --> 01:05:06,890

podcast and that's where our home

1405

01:05:12,320 --> 01:05:10,080

Phillip had got his information from so

1406

01:05:14,360 --> 01:05:12,330

Martin gave him permission got

1407

01:05:17,270 --> 01:05:14,370

permission and he gave him my email

1408

01:05:20,300 --> 01:05:17,280

address and I emailed him the phone

1409

01:05:22,160 --> 01:05:20,310

number and we started talking well it

1410

01:05:24,380 --> 01:05:22,170

was the next day Philip called and they

1411

01:05:26,900 --> 01:05:24,390

just happened to be like a godsend and

1412

01:05:29,120 --> 01:05:26,910

for one that was on my own but to hear

1413

01:05:30,950 --> 01:05:29,130

and Phillip was over here asking

1414

01:05:33,110 --> 01:05:30,960

questions about this and telling me how

1415

01:05:36,820 --> 01:05:33,120

good it would be to write a book that

1416

01:05:39,680 --> 01:05:36,830

isn't settle all my problems and well

1417

01:05:42,140 --> 01:05:39,690

sorry to interrupt Kelvin I'm not asking

1418

01:05:44,960 --> 01:05:42,150

a lot because I'm extremely fascinated

1419

01:05:48,470 --> 01:05:44,970

with this but can you please thank

1420

01:05:50,900 --> 01:05:48,480

wearing it on my behalf and the many

1421

01:05:54,500 --> 01:05:50,910

many people who've actually bought your

1422

01:05:56,120 --> 01:05:54,510

book and you know thank you very much

1423

01:05:58,670 --> 01:05:56,130

for doing so because it is a fascinating

1424

01:06:01,250 --> 01:05:58,680

read absolutely fantastic

1425

01:06:05,150 --> 01:06:01,260

sorry to interrupt no please Carol I've

1426

01:06:07,250 --> 01:06:05,160

spoken to way net you know and believe

1427

01:06:09,260 --> 01:06:07,260

you me I think she's the counter lady if

1428

01:06:11,240 --> 01:06:09,270

she's determined to make you do

1429

01:06:13,960 --> 01:06:11,250

something you'll do it eventually if not

1430

01:06:18,020 --> 01:06:13,970

she'll get you in a headlock you know

1431

01:06:21,200 --> 01:06:18,030

sounds like my wife Phil no Phillip

1432

01:06:23,030 --> 01:06:21,210

probably does but there's been times I

1433

01:06:28,490 --> 01:06:23,040

just want to put a pair of socks in her

1434

01:06:30,290 --> 01:06:28,500

mouth and don't the clean socks yeah it

1435

01:06:32,300 --> 01:06:30,300

won't matter to me at the time

1436

01:06:33,890 --> 01:06:32,310

and she probably heard you cuz I bet

1437

01:06:36,230 --> 01:06:33,900

she's back there just kind of he's

1438

01:06:37,930 --> 01:06:36,240

dropping in and I got a Bluetooth

1439

01:06:41,180 --> 01:06:37,940

speaker back here too

1440

01:06:42,590 --> 01:06:41,190

but anyhow but she's very protective as

1441

01:06:47,210 --> 01:06:42,600

well though Calvin isn't she

1442

01:06:49,090 --> 01:06:47,220

she is she is I don't know what I'd do

1443

01:06:51,110 --> 01:06:49,100

without her she is stood by me when

1444

01:06:53,540 --> 01:06:51,120

nobody else would

1445

01:06:55,190 --> 01:06:53,550

cuz I've been through many a mood swings

1446

01:06:58,310 --> 01:06:55,200

through this you know I go through my

1447

01:07:00,530 --> 01:06:58,320

good and my bad and no and she catches

1448

01:07:02,810 --> 01:07:00,540

at all because she's right here with me

1449

01:07:06,070 --> 01:07:02,820

every day she's been through two

1450

01:07:10,250 --> 01:07:06,080

open-heart surgeries and a stroke and

1451

01:07:12,590 --> 01:07:10,260

all kinds of health problems and matter

1452

01:07:14,780 --> 01:07:12,600

of fact you know I go back to the doctor

1453

01:07:18,590 --> 01:07:14,790

again next week and possibly another

1454

01:07:22,310 --> 01:07:18,600

surgery real quick but anyhow between

1455

01:07:24,140 --> 01:07:22,320

her and Phillip I just mentioned to

1456

01:07:26,930 --> 01:07:24,150

Phillip you know maybe I thought about

1457

01:07:30,020 --> 01:07:26,940

writing a book he said was send me what

1458

01:07:31,850 --> 01:07:30,030

you got and I said well it was thank you

1459

01:07:33,410 --> 01:07:31,860

to myself you know I put my foot in my

1460

01:07:37,550 --> 01:07:33,420

mouth because I really don't have

1461

01:07:39,710 --> 01:07:37,560

nothing but I just sat down to satisfy

1462

01:07:42,500 --> 01:07:39,720

one and again was making a few little

1463

01:07:44,330 --> 01:07:42,510

notes here and there and just letting

1464

01:07:47,600 --> 01:07:44,340

her look at him so she think I was

1465

01:07:49,850 --> 01:07:47,610

putting together a bull which I had no

1466

01:07:52,450 --> 01:07:49,860

idea how to even go about it would had

1467

01:07:56,300 --> 01:07:52,460

been for Phillip it would not be a bull

1468

01:07:59,090 --> 01:07:56,310

so I sent Phillip the stuff next day he

1469

01:08:01,190 --> 01:07:59,100

mailed me back he said you know that's

1470

01:08:07,790 --> 01:08:01,200

quite a mess but we can work through

1471

01:08:09,950 --> 01:08:07,800

this I said okay so we talked again and

1472

01:08:12,740 --> 01:08:09,960

I figured I said well let me think about

1473

01:08:15,710 --> 01:08:12,750

it for a little while and I figured when

1474

01:08:19,070 --> 01:08:15,720

I hung up the phone that all maybe this

1475

01:08:20,300 --> 01:08:19,080

all go away you know I said well you

1476

01:08:23,090 --> 01:08:20,310

know I'm gonna go down here and go

1477

01:08:25,460 --> 01:08:23,100

fishing so I went down and went to

1478

01:08:27,680 --> 01:08:25,470

fishing and Philip called we sat there

1479

01:08:29,360 --> 01:08:27,690

and talked about it and I thought to

1480

01:08:32,300 --> 01:08:29,370

myself you know I might as well write to

1481

01:08:36,200 --> 01:08:32,310

Turnbull I don't know how but I got

1482

01:08:38,450 --> 01:08:36,210

somebody that's willing to help me with

1483

01:08:41,240 --> 01:08:38,460

this and keep me on the right track and

1484

01:08:44,030 --> 01:08:41,250

that's what happened well Philip knew

1485

01:08:47,150 --> 01:08:44,040

how I felt about our editing the bulk

1486

01:08:49,550 --> 01:08:47,160

out because I don't when I say something

1487

01:08:53,930 --> 01:08:49,560

I say it my own words a lot for it just

1488

01:08:56,120 --> 01:08:53,940

be there the way that it is and in the

1489

01:08:58,849 --> 01:08:56,130

south down here we have a different way

1490

01:09:01,249 --> 01:08:58,859

of all talking and we have a different

1491

01:09:03,950 --> 01:09:01,259

way of spelling words in a different way

1492

01:09:05,689 --> 01:09:03,960

of giving directions like we don't give

1493

01:09:07,700 --> 01:09:05,699

street names we'll go down through the

1494

01:09:10,309 --> 01:09:07,710

old big oak tree down over with a nail

1495

01:09:12,200 --> 01:09:10,319

grove in it TURN RIGHT with something

1496

01:09:14,300 --> 01:09:12,210

like that so we reached an agreement

1497

01:09:16,519 --> 01:09:14,310

Phillips that I'll help you any way I

1498

01:09:18,709 --> 01:09:16,529

can you know I know it'd probably be

1499

01:09:21,379 --> 01:09:18,719

next year maybe another year we're in no

1500

01:09:22,430 --> 01:09:21,389

hurry to do this and I was thinking to

1501

01:09:26,300 --> 01:09:22,440

myself

1502

01:09:28,579 --> 01:09:26,310

hell if I can read a book in a week and

1503

01:09:30,649 --> 01:09:28,589

I usually can't I might not read it the

1504

01:09:33,079 --> 01:09:30,659

way it's supposed to be read but I can

1505

01:09:35,780 --> 01:09:33,089

jump around readable why can't we do

1506

01:09:40,099 --> 01:09:35,790

this in a couple of weeks he kind of

1507

01:09:42,260 --> 01:09:40,109

sent me a guideline to work down by what

1508

01:09:45,950 --> 01:09:42,270

the way that I should like chapter to

1509

01:09:49,249 --> 01:09:45,960

chapter you know introduce myself tell

1510

01:09:51,950 --> 01:09:49,259

all about myself and then tell how I

1511

01:09:54,919 --> 01:09:51,960

meant Charlie then tell what happened to

1512

01:09:57,439 --> 01:09:54,929

us and tell what happened afterwards so

1513

01:10:00,260 --> 01:09:57,449

we did it on a y'all chapter chapter

1514

01:10:02,810 --> 01:10:00,270

basis and that really worked out good

1515

01:10:05,090 --> 01:10:02,820

I'd do a little bit and hit send it to

1516

01:10:07,070 --> 01:10:05,100

him and you'd say maybe you need to

1517

01:10:08,930 --> 01:10:07,080

think about adding a little more detail

1518

01:10:12,470 --> 01:10:08,940

you haven't gotten enough detail in here

1519

01:10:14,930 --> 01:10:12,480

or something and I would and that's just

1520

01:10:17,930 --> 01:10:14,940

the way this thing came together it's

1521

01:10:20,660 --> 01:10:17,940

not a book like you would get a real

1522

01:10:24,290 --> 01:10:20,670

education well a real well-educated

1523

01:10:25,820 --> 01:10:24,300

person to do because I didn't want it

1524

01:10:28,939 --> 01:10:25,830

like that and I don't think Philip

1525

01:10:31,160 --> 01:10:28,949

wanted it like that well I thought the

1526

01:10:32,479 --> 01:10:31,170

end of the day sorry Phil you're doing

1527

01:10:34,910 --> 01:10:32,489

yourself a disservice

1528

01:10:36,979 --> 01:10:34,920

Calvin because it is written in your own

1529

01:10:39,830 --> 01:10:36,989

words we made that quite clear at the

1530

01:10:43,459 --> 01:10:39,840

beginning of the book but you may not

1531

01:10:46,280 --> 01:10:43,469

have had an education a formal education

1532

01:10:49,090 --> 01:10:46,290

as far as high school concerned but you

1533

01:10:52,280 --> 01:10:49,100

know you're not a stupid man either and

1534

01:10:54,260 --> 01:10:52,290

I feel I'm the same I didn't have a

1535

01:10:57,050 --> 01:10:54,270

great education and nine of the Chris

1536

01:10:59,540 --> 01:10:57,060

and I I don't count any of us as being

1537

01:11:01,840 --> 01:10:59,550

stupid so and I you know no I mean a

1538

01:11:05,810 --> 01:11:01,850

formal education doesn't mean anything

1539

01:11:08,300 --> 01:11:05,820

but you were insistent that it remains

1540

01:11:09,859 --> 01:11:08,310

in your own words and that's exactly

1541

01:11:11,390 --> 01:11:09,869

what we did

1542

01:11:14,270 --> 01:11:11,400

but that's the important thing gentlemen

1543

01:11:17,089 --> 01:11:14,280

you know it is in Calvin's own words

1544

01:11:19,850 --> 01:11:17,099

it's how we described how we saw the

1545

01:11:22,100 --> 01:11:19,860

events unfold and that is the important

1546

01:11:25,640 --> 01:11:22,110

thing it doesn't matter what mr. ABC are

1547

01:11:27,950 --> 01:11:25,650

said on mrs. ABC said it's Calvin's

1548

01:11:30,979 --> 01:11:27,960

story and that is what makes it a

1549

01:11:32,839 --> 01:11:30,989

fascinating read I mean this is true in

1550

01:11:35,510 --> 01:11:32,849

it Calvin there are certain certain

1551

01:11:42,550 --> 01:11:35,520

phrases that you use that I used to had

1552

01:11:50,089 --> 01:11:47,859

little language problems in every bit

1553

01:11:52,790 --> 01:11:50,099

but one of the things one of the things

1554

01:11:54,410 --> 01:11:52,800

we put in the book which people may not

1555

01:12:00,070 --> 01:11:54,420

be aware of those that haven't read it

1556

01:12:05,060 --> 01:12:00,080

is theirs back in 1993 you met up with

1557

01:12:07,270 --> 01:12:05,070

us researcher but Hopkins now I only

1558

01:12:11,959 --> 01:12:07,280

would very well and you actually

1559

01:12:15,740 --> 01:12:11,969

consented to allow blood to hypnotize

1560

01:12:17,810 --> 01:12:15,750

you and use regressive hypnosis you were

1561

01:12:19,330 --> 01:12:17,820

down in Florida at the time tell us a

1562

01:12:24,200 --> 01:12:19,340

little bit about how that came about

1563

01:12:26,990 --> 01:12:24,210

Calvin well the course like Phillip said

1564

01:12:30,950 --> 01:12:27,000

this was in 93 and what had happened the

1565

01:12:33,020 --> 01:12:30,960

reason that I did this I woke up one

1566

01:12:35,750 --> 01:12:33,030

morning not told one in US and I'm going

1567

01:12:38,149 --> 01:12:35,760

fishing I'm going out to cat island now

1568

01:12:40,459 --> 01:12:38,159

during this time I was still worried

1569

01:12:44,450 --> 01:12:40,469

about staying after at nights you know

1570

01:12:46,430 --> 01:12:44,460

because especially by myself I didn't

1571

01:12:48,410 --> 01:12:46,440

want to get a Duquette or something like

1572

01:12:51,740 --> 01:12:48,420

that anymore didn't want to see nothing

1573

01:12:55,700 --> 01:12:51,750

like that but I still hadn't figured out

1574

01:13:00,560 --> 01:12:55,710

what it went on myself so I left and

1575

01:13:05,359 --> 01:13:00,570

went fishing and it was about a six six

1576

01:13:07,760 --> 01:13:05,369

mile trip at my bow got there and I said

1577

01:13:10,339 --> 01:13:07,770

am was waiting on a tide change in the

1578

01:13:12,080 --> 01:13:10,349

boat I was going to eat my lunch so I

1579

01:13:15,680 --> 01:13:12,090

got my lunch out and I laid you'd over

1580

01:13:20,030 --> 01:13:15,690

there on the side and the next thing I

1581

01:13:22,939 --> 01:13:20,040

knew I come to and it was dark and I had

1582

01:13:23,750 --> 01:13:22,949

all this time missing that I didn't know

1583

01:13:26,980 --> 01:13:23,760

what happened

1584

01:13:31,700 --> 01:13:26,990

didn't know about fell asleep passed out

1585

01:13:33,830 --> 01:13:31,710

had a city sure of what had happened but

1586

01:13:37,040 --> 01:13:33,840

all this time was missing and that was

1587

01:13:38,990 --> 01:13:37,050

really bothering me so by the time I got

1588

01:13:44,480 --> 01:13:39,000

home it was going on three or four

1589

01:13:47,330 --> 01:13:44,490

o'clock in the morning and I still

1590

01:13:49,790 --> 01:13:47,340

couldn't figure out and I was hoping she

1591

01:13:51,920 --> 01:13:49,800

hadn't called the Coast Guard and she

1592

01:13:53,200 --> 01:13:51,930

hadn't but she had left a letter on my

1593

01:13:56,300 --> 01:13:53,210

truck

1594

01:13:57,740 --> 01:13:56,310

asking for me to get a hold of her

1595

01:13:59,510 --> 01:13:57,750

collar when I come in

1596

01:14:02,000 --> 01:13:59,520

well I didn't know what I was even going

1597

01:14:03,350 --> 01:14:02,010

to tell her my first thought was just

1598

01:14:05,270 --> 01:14:03,360

tell her I've been off in the bar

1599

01:14:07,160 --> 01:14:05,280

drinking and fighting because they was

1600

01:14:10,580 --> 01:14:07,170

blood from one end to me to the other

1601
01:14:15,770 --> 01:14:10,590
now but that was from a nosebleed there

1602
01:14:17,510 --> 01:14:15,780
also so I went on home I got to the

1603
01:14:21,830 --> 01:14:17,520
house where the next day a friend of

1604
01:14:25,370 --> 01:14:21,840
mine came over and I told him I said

1605
01:14:27,620 --> 01:14:25,380
look I got a problem is a friend that I

1606
01:14:30,620 --> 01:14:27,630
really trusted I said I got a problem I

1607
01:14:33,950 --> 01:14:30,630
was fishing yesterday and run up into

1608
01:14:38,620 --> 01:14:33,960
the night and oh I've got a lot of

1609
01:14:43,190 --> 01:14:38,630
missing time well he kind of studied a

1610
01:14:45,140 --> 01:14:43,200
lot of this UFO stuff or got into it

1611
01:14:47,810 --> 01:14:45,150
since he knew I was in it but he never

1612
01:14:50,330 --> 01:14:47,820
talked to me about it and he said

1613
01:14:52,280 --> 01:14:50,340

missing time I said yeah he said I know

1614

01:14:55,070 --> 01:14:52,290

a manís wrote a book on missing time

1615

01:14:58,550 --> 01:14:55,080

he's in Tampa Florida right now at a

1616

01:15:02,000 --> 01:14:58,560

conference and he would love to talk to

1617

01:15:03,940 --> 01:15:02,010

you I know he would and let's go talk to

1618

01:15:06,740 --> 01:15:03,950

him he didn't really give me a choice

1619

01:15:09,380 --> 01:15:06,750

well I trusted him enough that we left

1620

01:15:12,070 --> 01:15:09,390

in though went to talk to him now the

1621

01:15:14,480 --> 01:15:12,080

strange thing about that too he said I

1622

01:15:16,760 --> 01:15:14,490

want to look in your boat he went out

1623

01:15:19,700 --> 01:15:16,770

looked in the boat he said did you catch

1624

01:15:23,630 --> 01:15:19,710

any fish I said now he opened the cover

1625

01:15:26,840 --> 01:15:23,640

up and it was full of fish I couldn't

1626

01:15:30,200 --> 01:15:26,850

figure that out I said man I've done

1627

01:15:32,570 --> 01:15:30,210

crazy so anyhow making long story short

1628

01:15:36,440 --> 01:15:32,580

we went to Florida I told him I said

1629

01:15:37,250 --> 01:15:36,450

look I don't want to go in no UFO

1630

01:15:42,290 --> 01:15:37,260

conference

1631

01:15:44,090 --> 01:15:42,300

is I don't know who this guy is you want

1632

01:15:47,810 --> 01:15:44,100

me to talk to you and he probably don't

1633

01:15:49,910 --> 01:15:47,820

know me but it was Budd Hopkins so he

1634

01:15:51,440 --> 01:15:49,920

went in then he told bud that I was

1635

01:15:54,560 --> 01:15:51,450

after I wanted to talk to him of course

1636

01:15:58,850 --> 01:15:54,570

Budd knew me through the press and all

1637

01:16:01,670 --> 01:15:58,860

and he agreed to see us told us to go to

1638

01:16:04,340 --> 01:16:01,680

his go to his room away don't see it be

1639

01:16:05,210 --> 01:16:04,350

there just soon as he spoke and he was

1640

01:16:10,490 --> 01:16:05,220

good as his word

1641

01:16:12,800 --> 01:16:10,500

Budd showed up at the room and we sat

1642

01:16:15,770 --> 01:16:12,810

down and talked a few minutes he said

1643

01:16:18,260 --> 01:16:15,780

let me hypnotize you he said I can help

1644

01:16:21,200 --> 01:16:18,270

you he said I've been through this a lot

1645

01:16:23,780 --> 01:16:21,210

I know what I'm doing and actually I

1646

01:16:25,280 --> 01:16:23,790

just felt a warm feeling coming from bud

1647

01:16:26,780 --> 01:16:25,290

and that's kind of feeling you get when

1648

01:16:32,030 --> 01:16:26,790

you're around but Hopkins

1649

01:16:35,410 --> 01:16:32,040

oh I said ok I said but the deal is I

1650

01:16:39,800 --> 01:16:35,420

don't want you putting stuff in my head

1651
01:16:41,690 --> 01:16:39,810
that that didn't happen and I'm gonna be

1652
01:16:43,580 --> 01:16:41,700
sure that you don't I'm gonna let

1653
01:16:51,770 --> 01:16:43,590
somebody stay in the room with a ball

1654
01:16:53,630 --> 01:16:51,780
bat and about that but I had seen these

1655
01:16:56,120 --> 01:16:53,640
people getting hypnotized and lost later

1656
01:16:58,010 --> 01:16:56,130
in Las Vegas on his floor shows and you

1657
01:17:00,950 --> 01:16:58,020
know they do all kind of stupid stuff I

1658
01:17:05,720 --> 01:17:00,960
didn't want to remember anything that I

1659
01:17:10,520 --> 01:17:05,730
wa that wasn't mine and I told bud that

1660
01:17:13,010 --> 01:17:10,530
and he agreed so we went through I guess

1661
01:17:15,890 --> 01:17:13,020
I don't know how long I still hadn't

1662
01:17:17,870 --> 01:17:15,900
listened to the CD that all they said

1663
01:17:21,080 --> 01:17:17,880

I've read some of it in the book but not

1664

01:17:23,000 --> 01:17:21,090

much what memories I'm getting now is

1665

01:17:27,410 --> 01:17:23,010

just from my memory it's not from

1666

01:17:30,470 --> 01:17:27,420

reading the book because Philip had put

1667

01:17:34,220 --> 01:17:30,480

the transcripts from the but Hopkins

1668

01:17:36,260 --> 01:17:34,230

hypnosis into the book and he also made

1669

01:17:37,850 --> 01:17:36,270

me a CD and sent to me and I hadn't

1670

01:17:40,580 --> 01:17:37,860

listened to it yet I turned it on a

1671

01:17:43,280 --> 01:17:40,590

couple of times and I just turned it off

1672

01:17:44,720 --> 01:17:43,290

because I don't want this in my head but

1673

01:17:49,190 --> 01:17:44,730

he went through it and he put a

1674

01:17:50,900 --> 01:17:49,200

posthypnotic suggestion that I would

1675

01:17:55,880 --> 01:17:50,910

only remember this

1676

01:17:59,660 --> 01:17:55,890

I could handle it and I wouldn't worry

1677

01:18:02,450 --> 01:17:59,670

you know I wouldn't just let it take

1678

01:18:05,060 --> 01:18:02,460

over well when we got the book and I

1679

01:18:07,040 --> 01:18:05,070

seen the Budd Hopkins hitman hypnosis it

1680

01:18:09,110 --> 01:18:07,050

started reading where Philip had

1681

01:18:11,710 --> 01:18:09,120

transcribed it in there a little bit I

1682

01:18:15,320 --> 01:18:11,720

just read a little bit of I went out

1683

01:18:17,930 --> 01:18:15,330

told Wynette I said one that she was on

1684

01:18:20,690 --> 01:18:17,940

the porch I heard my mother I said I did

1685

01:18:23,270 --> 01:18:20,700

get hypnotized that was shocking to me I

1686

01:18:26,090 --> 01:18:23,280

didn't even remember being hypnotized I

1687

01:18:28,460 --> 01:18:26,100

said he did do it because this right

1688

01:18:31,760 --> 01:18:28,470

here black and white in the book and I

1689

01:18:34,760 --> 01:18:31,770

seen a picture at that time just a

1690

01:18:37,040 --> 01:18:34,770

regular old picture of the tape that had

1691

01:18:39,440 --> 01:18:37,050

the date now on it where he had done it

1692

01:18:41,990 --> 01:18:39,450

and apparently it was probably an hour

1693

01:18:43,940 --> 01:18:42,000

to have hypnosis or maybe longer I don't

1694

01:18:46,280 --> 01:18:43,950

know how long it lasts yeah I mean we

1695

01:18:48,620 --> 01:18:46,290

found out that but had done the hypnosis

1696

01:18:54,410 --> 01:18:48,630

a sadly as we mentioned you know but had

1697

01:18:56,570 --> 01:18:54,420

passed away and he donated all of his

1698

01:18:58,460 --> 01:18:56,580

archive with his research material to

1699

01:19:02,870 --> 01:18:58,470

another researcher called dr. David

1700

01:19:05,840 --> 01:19:02,880

Jacobs in the States so I emailed dr.

1701

01:19:08,810 --> 01:19:05,850

Jacobs to see if he had a tape of the

1702

01:19:10,460 --> 01:19:08,820

session and he said yes and I think I

1703

01:19:12,230 --> 01:19:10,470

copied you in on one of the emails

1704

01:19:15,050 --> 01:19:12,240

because he wouldn't release it until you

1705

01:19:17,780 --> 01:19:15,060

give him permission that's right yeah he

1706

01:19:20,180 --> 01:19:17,790

made me a copy and believe it or not I

1707

01:19:22,520 --> 01:19:20,190

had to buy this is a cassette tape the

1708

01:19:24,650 --> 01:19:22,530

old cassette tapes I had a cassette

1709

01:19:28,280 --> 01:19:24,660

player but it didn't work anymore so to

1710

01:19:30,260 --> 01:19:28,290

buy another one to play it say I'll stop

1711

01:19:33,260 --> 01:19:30,270

my headphones on to transcribe it for

1712

01:19:37,970 --> 01:19:33,270

the book and this is where I got stuck

1713

01:19:40,010 --> 01:19:37,980

because he's you under hypnosis you get

1714

01:19:43,280 --> 01:19:40,020

all talking rather quietly to be to

1715

01:19:46,040 --> 01:19:43,290

begin with so when you start talking

1716

01:19:48,560 --> 01:19:46,050

they have you in your Mississippi accent

1717

01:19:51,650 --> 01:19:48,570

and then you have bud who was from New

1718

01:19:54,050 --> 01:19:51,660

York in his New York accent and he had

1719

01:19:55,430 --> 01:19:54,060

me from Yorkshire in England in the

1720

01:20:01,060 --> 01:19:55,440

middle trying to figure out what you

1721

01:20:04,850 --> 01:20:03,320

of course there's little bits on the

1722

01:20:06,770 --> 01:20:04,860

tape that you can't hear

1723

01:20:08,390 --> 01:20:06,780

no matter what you do we you just can't

1724

01:20:11,330 --> 01:20:08,400

make it out but not a lot but I think we

1725

01:20:14,630 --> 01:20:11,340

there's about an hour and a half around

1726
01:20:16,460 --> 01:20:14,640
about that Calvin and and you know we

1727
01:20:19,610 --> 01:20:16,470
published it in the book for the first

1728
01:20:20,600 --> 01:20:19,620
time and a nil on a number of podcasts

1729
01:20:22,360 --> 01:20:20,610
that you've done those that have

1730
01:20:25,190 --> 01:20:22,370
bothered to read the book in advance

1731
01:20:26,480 --> 01:20:25,200
that was one particular segment of the

1732
01:20:28,280 --> 01:20:26,490
book that they found particularly

1733
01:20:34,220 --> 01:20:28,290
interesting that's why I mentioned it

1734
01:20:37,070 --> 01:20:34,230
and you know it was it's it it related

1735
01:20:40,400 --> 01:20:37,080
to you be part of missing time but

1736
01:20:43,700 --> 01:20:40,410
talked about that under hypnosis and he

1737
01:20:47,000 --> 01:20:43,710
also went back over what happened to you

1738
01:20:48,980 --> 01:20:47,010

in 1973 and before all that as well

1739

01:20:51,890 --> 01:20:48,990

because one of the questions he asked

1740

01:20:53,900 --> 01:20:51,900

you and we had been asked this

1741

01:20:56,000 --> 01:20:53,910

subsequently is you remember anything

1742

01:20:57,890 --> 01:20:56,010

else of when you were younger and I

1743

01:20:59,180 --> 01:20:57,900

think there's one little incident that

1744

01:21:02,510 --> 01:20:59,190

you mentioned between you and your

1745

01:21:03,460 --> 01:21:02,520

brother when you were when you just tell

1746

01:21:07,400 --> 01:21:03,470

us about that

1747

01:21:09,830 --> 01:21:07,410

and I always can relate back I don't

1748

01:21:12,110 --> 01:21:09,840

remember years nothing real good but

1749

01:21:14,900 --> 01:21:12,120

this is around the time the Kennedy got

1750

01:21:18,290 --> 01:21:14,910

assassinated just a little after that

1751

01:21:22,490 --> 01:21:18,300

and we lived in a small house and my

1752

01:21:24,980 --> 01:21:22,500

brother and I had to share a bedroom and

1753

01:21:27,140 --> 01:21:24,990

most of the time even me or him Warren

1754

01:21:28,790 --> 01:21:27,150

would sleep on the floor sometimes we'd

1755

01:21:31,790 --> 01:21:28,800

both get up in the bed you know he's a

1756

01:21:34,940 --> 01:21:31,800

pretty big bed but he woke up screaming

1757

01:21:39,860 --> 01:21:34,950

one night and said that there was a

1758

01:21:42,050 --> 01:21:39,870

ghost blowing in my ear and it scared me

1759

01:21:45,680 --> 01:21:42,060

because I did feel something in my ear

1760

01:21:47,480 --> 01:21:45,690

that I didn't and it scared me and I

1761

01:21:50,600 --> 01:21:47,490

started screaming you know you're just a

1762

01:21:53,210 --> 01:21:50,610

kid and you get all shook up but he

1763

01:21:55,820 --> 01:21:53,220

swears that he sent it not only on one

1764

01:21:58,910 --> 01:21:55,830

occasion but several occasions this

1765

01:22:01,820 --> 01:21:58,920

happened and I'd give anything in the

1766

01:22:03,830 --> 01:22:01,830

world now if he was alive and I could

1767

01:22:04,040 --> 01:22:03,840

just set him down and talk to him about

1768

01:22:05,750 --> 01:22:04,050

it

1769

01:22:08,420 --> 01:22:05,760

normal and I should have done that

1770

01:22:09,860 --> 01:22:08,430

before he passed away but you know he

1771

01:22:14,210 --> 01:22:09,870

was younger and I didn't know when he

1772

01:22:15,650 --> 01:22:14,220

was gonna go like he did did he ever

1773

01:22:18,680 --> 01:22:15,660

describe what the ghost looked like

1774

01:22:20,600 --> 01:22:18,690

Kelvin now because he got a

1775

01:22:23,840 --> 01:22:20,610

he would run up the hall when they

1776

01:22:28,430 --> 01:22:23,850

usually would happen but one time he did

1777

01:22:31,850 --> 01:22:28,440

kind of describe that it was all well I

1778

01:22:34,670 --> 01:22:31,860

don't say that I can easily remember

1779

01:22:36,860 --> 01:22:34,680

what he described it looked like he just

1780

01:22:40,479 --> 01:22:36,870

said it was something in my ear and he

1781

01:22:43,130 --> 01:22:40,489

did that we lived in Las Vegas also and

1782

01:22:46,280 --> 01:22:43,140

he kept saying that there was something

1783

01:22:49,729 --> 01:22:46,290

messing with my ear and I noticed I've

1784

01:22:52,370 --> 01:22:49,739

always had serious nosebleeds since

1785

01:22:56,689 --> 01:22:52,380

after that and seemed like every time

1786

01:22:59,000 --> 01:22:56,699

something happened to me like all you

1787

01:23:02,090 --> 01:22:59,010

know in this hypnosis were bud

1788

01:23:05,390 --> 01:23:02,100

there was a craft there and I started

1789

01:23:08,450 --> 01:23:05,400

getting serious nosebleeds there but you

1790

01:23:11,930 --> 01:23:08,460

know I also gave her serious nosebleed

1791

01:23:13,729 --> 01:23:11,940

too and then after this deal with me and

1792

01:23:17,860 --> 01:23:13,739

Charlie I had blood on my shirt and

1793

01:23:20,420 --> 01:23:17,870

that's why I started worrying about how

1794

01:23:22,189 --> 01:23:20,430

contaminated somebody with this blood

1795

01:23:27,050 --> 01:23:22,199

now and then getting some kind of

1796

01:23:30,680 --> 01:23:27,060

disease but into hypnosis I remember now

1797

01:23:32,900 --> 01:23:30,690

I still hadn't know read it or listened

1798

01:23:35,060 --> 01:23:32,910

to that tape but I do remember what

1799

01:23:40,130 --> 01:23:35,070

happening I tell you where that came

1800

01:23:43,490 --> 01:23:40,140

about Linda or Hal had mentioned that

1801
01:23:45,170 --> 01:23:43,500
she had read a patently studied it and

1802
01:23:46,790 --> 01:23:45,180
asked me a question about it

1803
01:23:49,550 --> 01:23:46,800
and they just started triggering

1804
01:23:53,090 --> 01:23:49,560
memories and I know that was a hard show

1805
01:23:56,060 --> 01:23:53,100
for me to do because all my memory just

1806
01:23:57,950 --> 01:23:56,070
kept flashing that flash and I wanted a

1807
01:24:00,620 --> 01:23:57,960
certain thing for myself for a minute

1808
01:24:02,570 --> 01:24:00,630
and I was on with her and she was

1809
01:24:05,000 --> 01:24:02,580
throwing questions out everywhere which

1810
01:24:07,670 --> 01:24:05,010
was her job and she does a good job at

1811
01:24:10,189 --> 01:24:07,680
it but that's what triggered it to start

1812
01:24:14,330 --> 01:24:10,199
real and it got me thinking about all of

1813
01:24:17,660 --> 01:24:14,340

it but I would become coming here okay I

1814

01:24:23,390 --> 01:24:17,670

went through what I feel like was

1815

01:24:26,630 --> 01:24:23,400

another abduction maybe to take out

1816

01:24:30,740 --> 01:24:26,640

something out of my nose and when it did

1817

01:24:32,570 --> 01:24:30,750

it got so painful that me and this

1818

01:24:35,240 --> 01:24:32,580

female looking being

1819

01:24:39,020 --> 01:24:35,250

I was talking about actually got into a

1820

01:24:40,940 --> 01:24:39,030

physical confrontation on the ship and I

1821

01:24:43,730 --> 01:24:40,950

was really gonna grab her around the

1822

01:24:45,260 --> 01:24:43,740

neck and jump jump out the door if I

1823

01:24:48,500 --> 01:24:45,270

could find out where to open the door

1824

01:24:50,990 --> 01:24:48,510

and if it had killed me I didn't care

1825

01:24:53,390 --> 01:24:51,000

how far up we was and how far down or if

1826

01:24:55,640 --> 01:24:53,400

we drowned it I would have the proof in

1827

01:24:58,820 --> 01:24:55,650

my arm and that was what was on my mind

1828

01:25:02,630 --> 01:24:58,830

and I think I literally died at one time

1829

01:25:04,850 --> 01:25:02,640

on that ship to be honest with you no no

1830

01:25:08,540 --> 01:25:04,860

you were plagued by the media weren't

1831

01:25:11,180 --> 01:25:08,550

you and this set you on a course to sort

1832

01:25:14,840 --> 01:25:11,190

of move on after all this happened back

1833

01:25:17,240 --> 01:25:14,850

in 1973 and I think it's fair to say you

1834

01:25:21,860 --> 01:25:17,250

let it a colorful life and had a variety

1835

01:25:23,690 --> 01:25:21,870

of jobs I mean I'm sure you won't mind

1836

01:25:25,460 --> 01:25:23,700

me saying but one of the jobs at one

1837

01:25:27,740 --> 01:25:25,470

point you would a bounty hunter is that

1838

01:25:30,410 --> 01:25:27,750

correct that's correct yes sir

1839

01:25:34,310 --> 01:25:30,420

how long did you do that for Kelvin Oh a

1840

01:25:36,470 --> 01:25:34,320

couple of years I guess and I got my

1841

01:25:40,790 --> 01:25:36,480

license now I made pretty good money

1842

01:25:42,290 --> 01:25:40,800

doing it I just got tired of tracking

1843

01:25:44,330 --> 01:25:42,300

people down and beating them down with

1844

01:25:47,570 --> 01:25:44,340

ball bats and stuff and taking them to

1845

01:25:51,890 --> 01:25:47,580

jail cuz when you're a bounty hunter you

1846

01:25:54,380 --> 01:25:51,900

don't have no really you don't have no

1847

01:25:56,990 --> 01:25:54,390

rules about you about anything goes if

1848

01:26:01,250 --> 01:25:57,000

you actually that person that you got

1849

01:26:05,170 --> 01:26:01,260

all that you're going after and then I

1850

01:26:08,090 --> 01:26:05,180

got into collecting money for these old

1851

01:26:11,990 --> 01:26:08,100

companies were other companies old a lot

1852

01:26:13,610 --> 01:26:12,000

of money to them and you know I would go

1853

01:26:15,710 --> 01:26:13,620

and just hound them until they finally

1854

01:26:18,020 --> 01:26:15,720

paid them that's worse than a bill

1855

01:26:20,510 --> 01:26:18,030

collector the way I did it oh so you

1856

01:26:22,400 --> 01:26:20,520

would a debt collector yeah I was a debt

1857

01:26:25,190 --> 01:26:22,410

collector and I was pretty good at it

1858

01:26:27,950 --> 01:26:25,200

and now I can't in collect money for

1859

01:26:31,130 --> 01:26:27,960

myself I just get tired of hard asking

1860

01:26:32,650 --> 01:26:31,140

people so as a bounty on them and what

1861

01:26:35,780 --> 01:26:32,660

kind of collectors did you come across

1862

01:26:37,640 --> 01:26:35,790

Calvin you know he was so even must have

1863

01:26:40,850 --> 01:26:37,650

come across a few rogues in your time I

1864

01:26:43,520 --> 01:26:40,860

did I remember one time in our Houston

1865

01:26:45,590 --> 01:26:43,530

Texas I chased somebody our way down

1866

01:26:48,230 --> 01:26:45,600

there into an apartment

1867

01:26:50,150 --> 01:26:48,240

and you're supposed to let the law know

1868

01:26:51,710 --> 01:26:50,160

that you're there when you're there you

1869

01:26:54,170 --> 01:26:51,720

know when you come in to get somebody

1870

01:26:57,220 --> 01:26:54,180

this time I didn't let it and I just

1871

01:26:59,540 --> 01:26:57,230

messed down the door went in there and

1872

01:27:01,580 --> 01:26:59,550

instead of taking the shotgun with me

1873

01:27:03,860 --> 01:27:01,590

this time like I normally took I took a

1874

01:27:06,050 --> 01:27:03,870

ball bat and I'm the one that got in

1875

01:27:08,900 --> 01:27:06,060

trouble over there I thought I was gonna

1876

01:27:11,000 --> 01:27:08,910

go to jail for pretty good while I had

1877

01:27:13,670 --> 01:27:11,010

him beat down pretty good and the very

1878

01:27:17,570 --> 01:27:13,680

reason is I didn't tell him I was going

1879

01:27:20,510 --> 01:27:17,580

after him and I didn't report in but uh

1880

01:27:23,210 --> 01:27:20,520

you get into some bad circumstances and

1881

01:27:27,770 --> 01:27:23,220

I figured that I better back off and

1882

01:27:30,260 --> 01:27:27,780

quit that job then one time I remember

1883

01:27:32,780 --> 01:27:30,270

one time I didn't know how I was gonna

1884

01:27:35,510 --> 01:27:32,790

feed my family or anything because I was

1885

01:27:39,980 --> 01:27:35,520

tired of changing jobs I mean I went

1886

01:27:44,060 --> 01:27:39,990

from my life ambition was to buy a house

1887

01:27:46,760 --> 01:27:44,070

get married buy a house have children

1888

01:27:48,980 --> 01:27:46,770

and have grandchildren and pay for it

1889

01:27:51,410 --> 01:27:48,990

all my life and I would have been happy

1890

01:27:53,770 --> 01:27:51,420

and just fish when I retired but it was

1891

01:27:56,390 --> 01:27:53,780

nothing like that I could never remember

1892

01:27:59,360 --> 01:27:56,400

it with the exception to being in

1893

01:28:02,410 --> 01:27:59,370

business for myself working over a

1894

01:28:05,420 --> 01:28:02,420

couple of years on the job you know so

1895

01:28:08,480 --> 01:28:05,430

it's been a hard road to hold I mean

1896

01:28:11,060 --> 01:28:08,490

it's just been dysfunctional as far as a

1897

01:28:13,580 --> 01:28:11,070

family and I have to say one thing for

1898

01:28:16,750 --> 01:28:13,590

my wife she has followed me through

1899

01:28:19,490 --> 01:28:16,760

living hell going through all this

1900

01:28:22,100 --> 01:28:19,500

living in travel trailers moving around

1901

01:28:25,160 --> 01:28:22,110

all over the country somebody come up

1902

01:28:28,910 --> 01:28:25,170

find out where we were and I don't know

1903

01:28:31,490 --> 01:28:28,920

why the reporters and why what I

1904

01:28:35,120 --> 01:28:31,500

couldn't understand is why after just

1905

01:28:38,180 --> 01:28:35,130

say 30 35 40 years they kept following

1906

01:28:41,210 --> 01:28:38,190

you we was on the back steps here when

1907

01:28:43,580 --> 01:28:41,220

they had some friends from Seattle

1908

01:28:46,070 --> 01:28:43,590

Washington comes down it took him two

1909

01:28:48,890 --> 01:28:46,080

weeks to drive down here and we was all

1910

01:28:51,910 --> 01:28:48,900

just setting out misting and a reporter

1911

01:28:56,180 --> 01:28:51,920

with Associated Press showed up on my

1912

01:28:59,570 --> 01:28:56,190

back porch and just walked up now I

1913

01:29:02,420 --> 01:28:59,580

dealt with reporters enough you know

1914

01:29:06,080 --> 01:29:02,430

I knew if I asked him to leave he

1915

01:29:08,420 --> 01:29:06,090

wouldn't leave and I had company I

1916

01:29:10,970 --> 01:29:08,430

didn't want to deal with him and what I

1917

01:29:12,530 --> 01:29:10,980

should have done was grabbed up that

1918

01:29:16,490 --> 01:29:12,540

ball back and beat the living daylights

1919

01:29:18,830 --> 01:29:16,500

out that's what I should have done but I

1920

01:29:20,480 --> 01:29:18,840

didn't want to be like a violent person

1921

01:29:24,110 --> 01:29:20,490

in front of my company because I was

1922

01:29:26,390 --> 01:29:24,120

good good people in some violence like

1923

01:29:29,980 --> 01:29:26,400

that would have scared him to death so I

1924

01:29:33,770 --> 01:29:29,990

said okay you've got just a few minutes

1925

01:29:37,070 --> 01:29:33,780

so he stood out on the back porch this

1926

01:29:39,260 --> 01:29:37,080

Associated Press this is the first one

1927

01:29:42,400 --> 01:29:39,270

of the first two interviews I they got

1928

01:29:45,560 --> 01:29:42,410

me started and I had put on about a

1929

01:29:48,860 --> 01:29:45,570

hundred pounds there and he made sure

1930

01:29:51,440 --> 01:29:48,870

that he showed that off showed all the

1931

01:29:53,420 --> 01:29:51,450

worst pictures he could of me and they

1932

01:29:55,400 --> 01:29:53,430

even went to the site and I thought

1933

01:29:57,220 --> 01:29:55,410

about just tying a boat anchor around

1934

01:30:01,520 --> 01:29:57,230

his neck and throwing him off in there

1935

01:30:04,490 --> 01:30:01,530

see if we could see the swim yeah with

1936

01:30:07,220 --> 01:30:04,500

the fishes but anyhow I got through with

1937

01:30:08,990 --> 01:30:07,230

him and then next thing I knew here this

1938

01:30:11,360 --> 01:30:09,000

interview was plastered all over the

1939

01:30:15,230 --> 01:30:11,370

papers but in a way that was good it

1940

01:30:18,590 --> 01:30:15,240

worked - Filipinos benefit because that

1941

01:30:22,190 --> 01:30:18,600

got it all started again and it's I'm

1942

01:30:24,290 --> 01:30:22,200

sitting on a swing on my back porch but

1943

01:30:27,920 --> 01:30:24,300

needless to say after that you know I

1944

01:30:32,450 --> 01:30:27,930

got real active and I I lost 140 pounds

1945

01:30:35,170 --> 01:30:32,460

and matter of fact since I've been to

1946

01:30:39,920 --> 01:30:35,180

Texas I lost 15 more pounds so that's

1947

01:30:42,260 --> 01:30:39,930

155 pounds probably so you know we

1948

01:30:44,180 --> 01:30:42,270

published the book for those again who

1949

01:30:47,840 --> 01:30:44,190

haven't read it it's called Pascagoula

1950

01:30:50,630 --> 01:30:47,850

the closest encounter my story by Calvin

1951

01:30:54,590 --> 01:30:50,640

Parker the published I in in the summer

1952

01:30:57,560 --> 01:30:54,600

cowling and you know we'll be honest and

1953

01:31:00,890 --> 01:30:57,570

say it did very well and he's still

1954

01:31:03,050 --> 01:31:00,900

doing very well it's in paperback king

1955

01:31:06,080 --> 01:31:03,060

or an even an audiobook that's what you

1956

01:31:08,600 --> 01:31:06,090

were referring to earlier Brad it's come

1957

01:31:10,520 --> 01:31:08,610

out in Japanese will be out in German

1958

01:31:12,080 --> 01:31:10,530

and Spanish probably other language as

1959

01:31:13,879 --> 01:31:12,090

well what kind of reaction have you had

1960

01:31:15,830 --> 01:31:13,889

locally once the

1961

01:31:18,889 --> 01:31:15,840

book came out and you were bucking the

1962

01:31:20,899 --> 01:31:18,899

media again gosh these people love it

1963

01:31:24,259 --> 01:31:20,909

down here for some reason they were

1964

01:31:29,870 --> 01:31:24,269

starving to death to hear this story to

1965

01:31:32,989 --> 01:31:29,880

meet me and matter of fact October 11th

1966

01:31:35,929 --> 01:31:32,999

it kind of shot me the city of

1967

01:31:44,120 --> 01:31:35,939

Pascagoula had one of their little tours

1968

01:31:45,889 --> 01:31:44,130

people put on a book signing that's

1969

01:31:49,069 --> 01:31:45,899

trying to thank the world on October

1970

01:31:50,779 --> 01:31:49,079

11th the 45th anniversary and they asked

1971

01:31:53,959 --> 01:31:50,789

me about come of course I'd been foolish

1972

01:31:56,989 --> 01:31:53,969

not to go and at this time I was already

1973

01:31:59,270 --> 01:31:56,999

used to some of the publicity in all

1974

01:32:02,270 --> 01:31:59,280

alone II and I really wanted to meet

1975

01:32:04,069 --> 01:32:02,280

some of these people that live here on

1976

01:32:06,439 --> 01:32:04,079

the coast and see how they really felt

1977

01:32:08,419 --> 01:32:06,449

about it and everything I didn't have no

1978

01:32:11,509 --> 01:32:08,429

idea cuz nobody ever talked to me about

1979

01:32:13,370 --> 01:32:11,519

it I went to the book signing and you

1980

01:32:17,089 --> 01:32:13,380

wouldn't believe the people that was

1981

01:32:20,629 --> 01:32:17,099

there the reception that I got and the

1982

01:32:23,479 --> 01:32:20,639

research and I'm still getting and it

1983

01:32:25,819 --> 01:32:23,489

was just amazing to me to be able to sit

1984

01:32:29,060 --> 01:32:25,829

down and talk to these people to sign

1985

01:32:31,939 --> 01:32:29,070

their books and there wasn't enough time

1986

01:32:34,189 --> 01:32:31,949

at this book signing I mean I set up our

1987

01:32:37,279 --> 01:32:34,199

all day long and signed books as long as

1988

01:32:40,459 --> 01:32:37,289

I could and then finally I got up and

1989

01:32:43,189 --> 01:32:40,469

you know I was talking telling just a

1990

01:32:45,259 --> 01:32:43,199

little bit about it right there and they

1991

01:32:47,810 --> 01:32:45,269

didn't want me to stop I mean people

1992

01:32:50,299 --> 01:32:47,820

were starving for it you know and the

1993

01:32:55,310 --> 01:32:50,309

majority of the audience was the younger

1994

01:32:57,529 --> 01:32:55,320

people that was all like five ten twelve

1995

01:32:59,839 --> 01:32:57,539

years old at the time this happened and

1996

01:33:01,759 --> 01:32:59,849

the parents seen something and heard

1997

01:33:03,500 --> 01:33:01,769

about it and they was telling me how

1998

01:33:06,469 --> 01:33:03,510

their parents went in the house and

1999

01:33:09,109 --> 01:33:06,479

locked the doors and wouldn't let him go

2000

01:33:10,969 --> 01:33:09,119

outside and play or nothing and had one

2001

01:33:14,089 --> 01:33:10,979

of them told me just the other night we

2002

01:33:15,560 --> 01:33:14,099

had a little Christmas party parade down

2003

01:33:18,379 --> 01:33:15,570

here and the city wanted me to come to

2004

01:33:20,330 --> 01:33:18,389

that so I want to signed a few more

2005

01:33:23,750 --> 01:33:20,340

books and they said he sold a few more

2006

01:33:25,330 --> 01:33:23,760

books that they had purchased and one of

2007

01:33:27,720 --> 01:33:25,340

them was telling me that Oh

2008

01:33:29,760 --> 01:33:27,730

their mama was set in

2009

01:33:32,310 --> 01:33:29,770

in the window and saying something come

2010

01:33:37,380 --> 01:33:32,320

by and I was trying to get her address a

2011

01:33:39,300 --> 01:33:37,390

name and finally I get as somebody who

2012

01:33:41,700 --> 01:33:39,310

had bought the book they wrote a receipt

2013

01:33:43,740 --> 01:33:41,710

for it so I'm gonna go up today and go

2014

01:33:46,470 --> 01:33:43,750

to the receipts and get her name because

2015

01:33:48,390 --> 01:33:46,480

she would be a perfect eyewitness for

2016

01:33:50,760 --> 01:33:48,400

this account because she actually seems

2017

01:33:54,300 --> 01:33:50,770

something going on and lived right there

2018

01:33:57,900 --> 01:33:54,310

close to where it was and this lady said

2019

01:34:00,600 --> 01:33:57,910

she's a lady now but she was 12 then she

2020

01:34:03,570 --> 01:34:00,610

said that oh she was in there crying and

2021

01:34:05,520 --> 01:34:03,580

screaming when they seen it laughter so

2022

01:34:08,880 --> 01:34:05,530

you know it's a lot of amazing things

2023

01:34:11,580 --> 01:34:08,890

happening no I mean I mean I have the

2024

01:34:13,200 --> 01:34:11,590

press now treated you differently Kelvin

2025

01:34:15,780 --> 01:34:13,210

now that you've got a book out and

2026

01:34:17,760 --> 01:34:15,790

you're talking to them and then I have

2027

01:34:20,130 --> 01:34:17,770

the you know cause you have dealt with

2028

01:34:22,440 --> 01:34:20,140

the press since the book came out it's

2029

01:34:25,800 --> 01:34:22,450

easy any differently do you think they

2030

01:34:29,280 --> 01:34:25,810

are the tresses the press has really

2031

01:34:31,979 --> 01:34:29,290

gave me a big welcome they're excited

2032

01:34:37,650 --> 01:34:31,989

about all this just the other day I had

2033

01:34:41,660 --> 01:34:37,660

all fox news Fox 10 News come up and do

2034

01:34:44,940 --> 01:34:41,670

an interview with me and they sent a

2035

01:34:47,370 --> 01:34:44,950

girl that was recently from Pascagoula

2036

01:34:50,729 --> 01:34:47,380

to do the interview that was working for

2037

01:34:53,040 --> 01:34:50,739

Fox News now and her daddy is a preacher

2038

01:34:54,600 --> 01:34:53,050

and her daddy had actually seen

2039

01:34:58,729 --> 01:34:54,610

something that night

2040

01:35:02,130 --> 01:34:58,739

and she come in and she was just all

2041

01:35:06,000 --> 01:35:02,140

thrilled to do this interview and she

2042

01:35:08,190 --> 01:35:06,010

sat down it must have been four or five

2043

01:35:10,380 --> 01:35:08,200

six hours here at the house then we went

2044

01:35:13,110 --> 01:35:10,390

to the site where it happened and that's

2045

01:35:13,740 --> 01:35:13,120

very intelligent questions nothing

2046

01:35:17,550 --> 01:35:13,750

negative

2047

01:35:19,170 --> 01:35:17,560

whatsoever so you know what I was

2048

01:35:21,270 --> 01:35:19,180

thrilled to doing an interview with her

2049

01:35:24,110 --> 01:35:21,280

and she's actually gonna turn it not

2050

01:35:27,600 --> 01:35:24,120

into a short news clear but in January

2051

01:35:31,410 --> 01:35:27,610

she's putting out like a one hour thing

2052

01:35:33,930 --> 01:35:31,420

on this whole deal and down here on the

2053

01:35:35,490 --> 01:35:33,940

coast and it's been more and more did a

2054

01:35:37,800 --> 01:35:35,500

deal with the Travel Channel

2055

01:35:41,220 --> 01:35:37,810

of course they're not the real press but

2056

01:35:43,800 --> 01:35:41,230

you know they was great to work with and

2057

01:35:47,490 --> 01:35:43,810

then and I believe that something being

2058

01:35:52,380 --> 01:35:47,500

proposed in Pascagoula to the Historical

2059

01:35:55,500 --> 01:35:52,390

Society some intelligible that it is the

2060

01:35:58,320 --> 01:35:55,510

Historical Society I talked to the guy

2061

01:36:02,010 --> 01:35:58,330

the other day at that little thing he is

2062

01:36:04,590 --> 01:36:02,020

so excited about he is gonna pay for if

2063

01:36:08,640 --> 01:36:04,600

the city can't do it he's gonna pay for

2064

01:36:11,850 --> 01:36:08,650

it itself to put up a plaque and to put

2065

01:36:15,209 --> 01:36:11,860

up a monument of some kind and they

2066

01:36:17,790 --> 01:36:15,219

actually having a figure Rebecca

2067

01:36:24,870 --> 01:36:17,800

with the city is actually having a

2068

01:36:28,050 --> 01:36:24,880

figure made of one of the aliens in the

2069

01:36:30,600 --> 01:36:28,060

picture and they go mount it out the

2070

01:36:32,880 --> 01:36:30,610

little bit of hold up that they have it

2071

01:36:34,020 --> 01:36:32,890

now is where to put the plant they're

2072

01:36:36,150 --> 01:36:34,030

gonna put it down there where it

2073

01:36:39,390 --> 01:36:36,160

actually happened but they're trying to

2074

01:36:41,970 --> 01:36:39,400

get permission from the halter Marine

2075

01:36:44,130 --> 01:36:41,980

that owns it now to go in and buy that

2076

01:36:45,450 --> 01:36:44,140

or he will just level it off and put the

2077

01:36:48,360 --> 01:36:45,460

plant right there because they're not

2078

01:36:50,070 --> 01:36:48,370

using it and they said they've got the

2079

01:36:53,459 --> 01:36:50,080

permission they've just got to do it now

2080

01:36:56,959 --> 01:36:53,469

so what do you think to having a statue

2081

01:37:00,840 --> 01:36:56,969

of one of the creatures in the gentleman

2082

01:37:03,540 --> 01:37:00,850

well it's more to the town's benefit

2083

01:37:06,689 --> 01:37:03,550

this is really bought a lot brought a

2084

01:37:09,000 --> 01:37:06,699

lot of attention in on the town and it's

2085

01:37:12,750 --> 01:37:09,010

more to the town's benefit than mine

2086

01:37:16,439 --> 01:37:12,760

because what they do I've donated a lot

2087

01:37:19,200 --> 01:37:16,449

of time to them because I owed it to the

2088

01:37:21,479 --> 01:37:19,210

citizens of Jackson County to let them

2089

01:37:24,150 --> 01:37:21,489

hear this story and to be there for and

2090

01:37:27,030 --> 01:37:24,160

I actually have another book signing at

2091

01:37:28,979 --> 01:37:27,040

the library in January but it's to the

2092

01:37:31,800 --> 01:37:28,989

town's benefit because they go start

2093

01:37:33,930 --> 01:37:31,810

doing tours there once a month and they

2094

01:37:36,090 --> 01:37:33,940

want me to come be a tour guide for it

2095

01:37:40,740 --> 01:37:36,100

and they go sell books while they doing

2096

01:37:42,840 --> 01:37:40,750

the tour and then it's a possibility you

2097

01:37:45,419 --> 01:37:42,850

know it's always a possibility that they

2098

01:37:48,060 --> 01:37:45,429

could do a little movie or a cook could

2099

01:37:50,970 --> 01:37:48,070

do a little documentary on this and if

2100

01:37:54,900 --> 01:37:50,980

they do that we'll put past the ghouls on

2101

01:37:57,330 --> 01:37:54,910

the map as a tourist town but right now

2102

01:38:01,170 --> 01:37:57,340

they looking to turn Pascagoula into a

2103

01:38:05,040 --> 01:38:01,180

Roswell and everybody are you happy with

2104

01:38:08,580 --> 01:38:05,050

oh oh oh no oh I'm fine with it's great

2105

01:38:13,380 --> 01:38:08,590

because they want to make street signs

2106

01:38:15,960 --> 01:38:13,390

on the interstate saying you know when

2107

01:38:18,000 --> 01:38:15,970

you come in I don't know what they don't

2108

01:38:21,690 --> 01:38:18,010

say but something like pass the ghou of

2109

01:38:24,240 --> 01:38:21,700

the closest encounter or something like

2110

01:38:27,180 --> 01:38:24,250

that you know take this route for the

2111

01:38:30,870 --> 01:38:27,190

tour I'm sure they don't have like a

2112

01:38:34,290 --> 01:38:30,880

little Museum there and it's gonna be

2113

01:38:35,250 --> 01:38:34,300

fun because I'm starting to enjoy the

2114

01:38:37,830 --> 01:38:35,260

fun of it

2115

01:38:40,560 --> 01:38:37,840

well I know when we you and I have been

2116

01:38:43,020 --> 01:38:40,570

talking one of the things we've

2117

01:38:48,090 --> 01:38:43,030

discussed is that you know since the

2118

01:38:50,640 --> 01:38:48,100

book came out something new tends to

2119

01:38:52,980 --> 01:38:50,650

happen to you every day Calvin you know

2120

01:38:55,470 --> 01:38:52,990

on you've been contacted from people all

2121

01:39:01,040 --> 01:38:55,480

over the world just tell us a little bit

2122

01:39:03,960 --> 01:39:01,050

about some of those things oh it is ever

2123

01:39:09,270 --> 01:39:03,970

almost every morning when you wake up is

2124

01:39:14,910 --> 01:39:09,280

something you I mean had a dog movie

2125

01:39:17,940 --> 01:39:14,920

screenwriters want to do do like a sales

2126

01:39:20,940 --> 01:39:17,950

forum of what they called the pitch for

2127

01:39:23,820 --> 01:39:20,950

it to put in a movie and I've had

2128

01:39:26,040 --> 01:39:23,830

documentary companies calling they want

2129

01:39:29,520 --> 01:39:26,050

to get this down because they say it's

2130

01:39:31,710 --> 01:39:29,530

you know face it I'm one of the older

2131

01:39:33,750 --> 01:39:31,720

ones I guess now you know to date back

2132

01:39:37,410 --> 01:39:33,760

some of this might have happened and

2133

01:39:39,330 --> 01:39:37,420

it's a different oh I've had someone

2134

01:39:42,000 --> 01:39:39,340

call the other day and said look there's

2135

01:39:44,970 --> 01:39:42,010

different types of abduction things

2136

01:39:46,740 --> 01:39:44,980

going on and it's nothing like this this

2137

01:39:52,080 --> 01:39:46,750

is classic it's nothing like this

2138

01:39:55,620 --> 01:39:52,090

anymore it's more that well I don't know

2139

01:39:57,750 --> 01:39:55,630

how to say it and I I have a Facebook

2140

01:40:00,330 --> 01:39:57,760

page and I have a lot of people on that

2141

01:40:03,210 --> 01:40:00,340

that comes on and I try to get on it

2142

01:40:05,910 --> 01:40:03,220

every day and talk to them to see what

2143

01:40:08,830 --> 01:40:05,920

happens and I hear their stories but we

2144

01:40:10,690 --> 01:40:08,840

have our witnesses come forward like Oh

2145

01:40:14,170 --> 01:40:10,700

you just published another little book

2146

01:40:16,480 --> 01:40:14,180

on our witness that came forward onliest

2147

01:40:20,110 --> 01:40:16,490

and I'm looking forward to meeting him

2148

01:40:23,110 --> 01:40:20,120

yeah I mean this is from a Greek

2149

01:40:23,830 --> 01:40:23,120

researcher called Stephanus Panaji

2150

01:40:30,310 --> 01:40:23,840

Atticus

2151

01:40:32,140 --> 01:40:30,320

I'm glad you said I mean Jeff Ross is a

2152

01:40:36,370 --> 01:40:32,150

lovely guy live just outside of Athens

2153

01:40:38,830 --> 01:40:36,380

and in 1981 he was actually a radio

2154

01:40:42,700 --> 01:40:38,840

officer on board a merchant vessel he

2155

01:40:44,260 --> 01:40:42,710

was in the Merchant Navy and one of the

2156

01:40:48,610 --> 01:40:44,270

ports they were calling out of course

2157

01:40:50,500 --> 01:40:48,620

was Pascagoula and it was also a UFO

2158

01:40:53,260 --> 01:40:50,510

research him in Greece and the

2159

01:40:54,670 --> 01:40:53,270

Pascagoula case was his favorite and he

2160

01:40:57,310 --> 01:40:54,680

couldn't believe his luck that he's

2161

01:40:58,330 --> 01:40:57,320

going to be docking there and originally

2162

01:41:01,120 --> 01:40:58,340

he was going to be there for two days

2163

01:41:05,440 --> 01:41:01,130

but there was a delay so he managed to

2164

01:41:08,140 --> 01:41:05,450

stay in Pascagoula for a week and it was

2165

01:41:11,560 --> 01:41:08,150

introduced to a number of people and one

2166

01:41:15,130 --> 01:41:11,570

was a a pasta the clergyman who was of

2167

01:41:17,140 --> 01:41:15,140

Greek origin and the clergyman and two

2168

01:41:20,590 --> 01:41:17,150

of his colleagues were on the way I

2169

01:41:25,270 --> 01:41:20,600

think to an Alcoholics Anonymous meeting

2170

01:41:28,380 --> 01:41:25,280

that night 11th of October and they

2171

01:41:31,300 --> 01:41:28,390

witnessed something fly over the road

2172

01:41:34,210 --> 01:41:31,310

heading in towards where you and Charlie

2173

01:41:36,910 --> 01:41:34,220

were now nobody knew about this until

2174

01:41:41,440 --> 01:41:36,920

your book came out Stephanus had

2175

01:41:44,230 --> 01:41:41,450

published this in greek at the time but

2176
01:41:48,100 --> 01:41:44,240
of course never been seen in english so

2177
01:41:50,170 --> 01:41:48,110
i published his book in in english sorry

2178
01:41:53,020 --> 01:41:50,180
a small book it's a you know a research

2179
01:41:56,140 --> 01:41:53,030
trip Pascagoula a research trip 1981

2180
01:41:59,230 --> 01:41:56,150
have a look on Amazon it's a fascinating

2181
01:42:01,300 --> 01:41:59,240
read but also I think as you as you well

2182
01:42:04,510 --> 01:42:01,310
know Calvin others have contacted us via

2183
01:42:07,000 --> 01:42:04,520
email our social media and also told us

2184
01:42:09,760 --> 01:42:07,010
that you know they were around at the

2185
01:42:11,500 --> 01:42:09,770
time and and witnessed something so we

2186
01:42:13,570 --> 01:42:11,510
certainly weren't alone that night in

2187
01:42:16,840 --> 01:42:13,580
every respect one of the things I would

2188
01:42:21,220 --> 01:42:16,850

like to ask ask Calvin now you know if

2189

01:42:22,570 --> 01:42:21,230

you look back now to Wayne Wayne it sort

2190

01:42:25,230 --> 01:42:22,580

of first

2191

01:42:28,150 --> 01:42:25,240

pressured you for want of a better word

2192

01:42:31,240 --> 01:42:28,160

twisted your arms more like it to to

2193

01:42:33,880 --> 01:42:31,250

perhaps write a book do you have you got

2194

01:42:36,240 --> 01:42:33,890

any regrets about doing it I mean it's

2195

01:42:39,220 --> 01:42:36,250

too late now Bobby do you have any

2196

01:42:41,350 --> 01:42:39,230

absolutely not this has been one of the

2197

01:42:46,630 --> 01:42:41,360

best thing that's ever happened to me

2198

01:42:48,640 --> 01:42:46,640

it it gave me a chance it's therapy to

2199

01:42:51,070 --> 01:42:48,650

me to get out and talk to people and

2200

01:42:53,050 --> 01:42:51,080

visit with them and I'm actually what I

2201
01:42:55,900 --> 01:42:53,060
thought I wouldn't I'm actually a people

2202
01:42:58,390 --> 01:42:55,910
person I love getting out bill I've been

2203
01:43:01,240 --> 01:42:58,400
smothered down so long over this deal

2204
01:43:03,730 --> 01:43:01,250
and then I feel like I've been released

2205
01:43:06,790 --> 01:43:03,740
just kind of set free and I'm able to

2206
01:43:08,920 --> 01:43:06,800
free up and talk and actually most of

2207
01:43:12,490 --> 01:43:08,930
the people I talk to thoroughly enjoy

2208
01:43:14,650 --> 01:43:12,500
listening to it they tell me the book is

2209
01:43:17,320 --> 01:43:14,660
like setting down in your living room

2210
01:43:20,020 --> 01:43:17,330
and you telling us the story it's not

2211
01:43:24,340 --> 01:43:20,030
like a book like you believe you know

2212
01:43:26,380 --> 01:43:24,350
like you would read like that is how we

2213
01:43:28,720 --> 01:43:26,390

plunder isn't it coming it so you wanted

2214

01:43:31,060 --> 01:43:28,730

the book to be that's exactly how I

2215

01:43:34,990 --> 01:43:31,070

wanted it I didn't want it to be a book

2216

01:43:37,630 --> 01:43:35,000

I wanted to be us telling our story

2217

01:43:40,360 --> 01:43:37,640

Phillip and I include you in that

2218

01:43:42,280 --> 01:43:40,370

because you're the reason this book is

2219

01:43:44,770 --> 01:43:42,290

out and without you it wouldn't be no

2220

01:43:48,220 --> 01:43:44,780

book you've helped me in ways that

2221

01:43:52,530 --> 01:43:48,230

nobody else you've been like a doctor to

2222

01:43:55,210 --> 01:43:52,540

me cured me of all disease or something

2223

01:43:57,280 --> 01:43:55,220

so don't you be calling me a doctor

2224

01:44:00,820 --> 01:43:57,290

because somebody Chris mentioned before

2225

01:44:03,400 --> 01:44:00,830

we went on air let's meet UFO royalty

2226

01:44:05,200 --> 01:44:03,410

somebody called me UFO royalty instantly

2227

01:44:07,480 --> 01:44:05,210

and I'll never live it down so if you're

2228

01:44:09,850 --> 01:44:07,490

not calling me a doctor that's gonna

2229

01:44:11,980 --> 01:44:09,860

give Chris even more ammunition it will

2230

01:44:15,100 --> 01:44:11,990

be you know doc doctor feel it next time

2231

01:44:20,410 --> 01:44:15,110

I speak to him no no no no Phil it won't

2232

01:44:21,190 --> 01:44:20,420

be dr. Phil if it'll be majesty you

2233

01:44:23,770 --> 01:44:21,200

wouldn't believe

2234

01:44:26,340 --> 01:44:23,780

everybody knew Phillip to start with in

2235

01:44:30,070 --> 01:44:26,350

the States but everybody over here now

2236

01:44:32,200 --> 01:44:30,080

really knows Phillip and I talk about

2237

01:44:34,840 --> 01:44:32,210

Phillip a good deal on a lot of these

2238

01:44:36,280 --> 01:44:34,850

local shows and places like that and

2239

01:44:39,340 --> 01:44:36,290

they get a kick

2240

01:44:41,410 --> 01:44:39,350

because I say well you know we talk

2241

01:44:43,660 --> 01:44:41,420

different languages but we could do

2242

01:44:45,210 --> 01:44:43,670

communicate humming and they all get a

2243

01:44:49,660 --> 01:44:45,220

kick out of there

2244

01:44:51,820 --> 01:44:49,670

well I'm saying other things let me tell

2245

01:44:56,440 --> 01:44:51,830

you these okay in the transcript

2246

01:45:00,640 --> 01:44:56,450

Calvin talks about a tiki bar we went to

2247

01:45:04,660 --> 01:45:00,650

a tiki bar and I racked my brains trying

2248

01:45:07,810 --> 01:45:04,670

to figure out what what is a tiki bar

2249

01:45:10,590 --> 01:45:07,820

you know so I in the end I had to email

2250

01:45:15,520 --> 01:45:10,600

and ask him what is it tiki bar Calvin

2251

01:45:19,450 --> 01:45:15,530

yeah that the Tiki quote was she seen

2252

01:45:21,130 --> 01:45:19,460

them a tiki bars all over in these other

2253

01:45:23,500 --> 01:45:21,140

countries you know where people go up

2254

01:45:26,320 --> 01:45:23,510

and they can eat and drink and all that

2255

01:45:27,760 --> 01:45:26,330

but they've had one it was many business

2256

01:45:33,310 --> 01:45:27,770

down here for a long time

2257

01:45:36,280 --> 01:45:33,320

matter of fact the night or a day or the

2258

01:45:37,990 --> 01:45:36,290

day before Charlie and I went to the

2259

01:45:41,890 --> 01:45:38,000

Tiki and we drank two or three little

2260

01:45:45,310 --> 01:45:41,900

beers together and had ate a hamburger

2261

01:45:47,800 --> 01:45:45,320

and then ever since then though every

2262

01:45:50,650 --> 01:45:47,810

time we get a chance we now still go to

2263

01:45:53,970 --> 01:45:50,660

the tiki bar it's just a little bit bar

2264

01:45:56,770 --> 01:45:53,980

and they serve great food and we eat and

2265

01:46:00,130 --> 01:45:56,780

the same people still own it they just

2266

01:46:02,290 --> 01:46:00,140

grow old and can't run it no more so

2267

01:46:04,840 --> 01:46:02,300

they got somebody else to run it but

2268

01:46:06,400 --> 01:46:04,850

matter of fact you got me hungry so I'm

2269

01:46:10,690 --> 01:46:06,410

probably going there when we get through

2270

01:46:15,150 --> 01:46:10,700

today and we're almost running out of

2271

01:46:21,850 --> 01:46:18,310

now you know you've got a number of

2272

01:46:24,670 --> 01:46:21,860

conferences coming up next year in the

2273

01:46:27,700 --> 01:46:24,680

States and because you're going to be

2274

01:46:29,680 --> 01:46:27,710

joining us here in Pontefract now are

2275

01:46:32,530 --> 01:46:29,690

you looking forward to coming to west

2276

01:46:35,290 --> 01:46:32,540

yorkshire for the first time I am I'm

2277

01:46:37,600 --> 01:46:35,300

really looking I don't like the

2278

01:46:40,030 --> 01:46:37,610

traveling part but I'm looking so

2279

01:46:42,790 --> 01:46:40,040

forward to being there y'all have a

2280

01:46:45,370 --> 01:46:42,800

place that has more history than any

2281

01:46:49,609 --> 01:46:45,380

place in the world to it and I'm a

2282

01:46:52,459 --> 01:46:49,619

history buff I love history plus

2283

01:46:54,770 --> 01:46:52,469

I've grown to love you too Philip I want

2284

01:46:57,140 --> 01:46:54,780

to come there and meet you and you know

2285

01:46:59,839 --> 01:46:57,150

meet the people around you that live

2286

01:47:03,859 --> 01:46:59,849

around there I've met a lot of great

2287

01:47:05,299 --> 01:47:03,869

great people that are on Facebook from

2288

01:47:07,970 --> 01:47:05,309

there and I feel like I know him

2289

01:47:10,010 --> 01:47:07,980

personally and I'm anxious to get down

2290

01:47:12,919 --> 01:47:10,020

and most of them said they're gonna be

2291

01:47:15,169 --> 01:47:12,929

there and meet them yeah I mean what

2292

01:47:17,080 --> 01:47:15,179

we'll probably have as well is an

2293

01:47:19,760 --> 01:47:17,090

opportunity for the book signing at the

2294

01:47:22,069 --> 01:47:19,770

conference's well Calvin and I assume

2295

01:47:25,160 --> 01:47:22,079

that's that's something that will be

2296

01:47:26,750 --> 01:47:25,170

made available yeah oh yeah absolutely

2297

01:47:29,479 --> 01:47:26,760

yes far as I'm concerned it will be

2298

01:47:32,689 --> 01:47:29,489

filled absolutely there to be found in

2299

01:47:34,490 --> 01:47:32,699

great I will make sure that the copies

2300

01:47:38,720 --> 01:47:34,500

we bring along with the English version

2301

01:47:40,339 --> 01:47:38,730

not the Japanese or the Spanish I'd like

2302

01:47:45,140 --> 01:47:40,349

to see you do translate that while

2303

01:47:49,220 --> 01:47:45,150

you're on the stage Galvan translated oh

2304

01:47:52,069 --> 01:47:49,230

somehow get a little girls hot beer and

2305

01:47:54,560 --> 01:47:52,079

that probably go pretty easy yeah well

2306

01:47:56,510 --> 01:47:54,570

you know with famous for our beer in in

2307

01:47:59,629 --> 01:47:56,520

West Yorkshire Chris lives in East

2308

01:48:01,490 --> 01:47:59,639

Yorkshire so far so you know is because

2309

01:48:04,240 --> 01:48:01,500

he lives near the sea the beers watered

2310

01:48:07,399 --> 01:48:04,250

down a bit over there believe yourself

2311

01:48:09,229 --> 01:48:07,409

be at least we get proper fish here mate

2312

01:48:12,379 --> 01:48:09,239

without you none of them tiddlers in you

2313

01:48:14,510 --> 01:48:12,389

look like yeah I mean yeah you will get

2314

01:48:16,640 --> 01:48:14,520

a warm welcome here Calvin I could chew

2315

01:48:18,500 --> 01:48:16,650

your battle and of course if anybody's

2316

01:48:23,120 --> 01:48:18,510

you know thinking about buying a ticket

2317

01:48:24,680 --> 01:48:23,130

you know please do because once the I

2318

01:48:27,260 --> 01:48:24,690

mean they're already on sale we've

2319

01:48:29,810 --> 01:48:27,270

started to sell them I mentioned the

2320

01:48:32,330 --> 01:48:29,820

Greek researcher stefanos who wrote the

2321

01:48:35,600 --> 01:48:32,340

book stefanos is already booked his

2322

01:48:37,939 --> 01:48:35,610

flight in his hotel Calvin and he carry

2323

01:48:41,180 --> 01:48:37,949

he cannot wait to get here to meet you

2324

01:48:43,760 --> 01:48:41,190

next year he's you know so that gives

2325

01:48:46,850 --> 01:48:43,770

you some idea of the length people are

2326

01:48:48,859 --> 01:48:46,860

going to come and meet you and you know

2327

01:48:52,129 --> 01:48:48,869

Pontefract he's a high historic little

2328

01:48:54,200 --> 01:48:52,139

town it took part in the Civil War there

2329

01:48:56,000 --> 01:48:54,210

was a castle here not much of it left

2330

01:48:58,970 --> 01:48:56,010

now the rock even the Romans were here

2331

01:49:01,549 --> 01:48:58,980

in Pontefract well we didn't have any we

2332

01:49:02,570 --> 01:49:01,559

didn't have any Romans in Hull and Phil

2333

01:49:04,340 --> 01:49:02,580

but actually

2334

01:49:07,160 --> 01:49:04,350

started the civil war don't know if you

2335

01:49:12,500 --> 01:49:07,170

know well it wouldn't surprise me cause

2336

01:49:14,930 --> 01:49:12,510

trouble everywhere but no you one last

2337

01:49:17,900 --> 01:49:14,940

thing they'll Calvin you know we're

2338

01:49:19,160 --> 01:49:17,910

looking forward and many people one of

2339

01:49:21,200 --> 01:49:19,170

the reasons the light coming to the

2340

01:49:24,830 --> 01:49:21,210

confidence is just to get to meet you in

2341

01:49:26,690 --> 01:49:24,840

person and you know Chris is in charge

2342

01:49:29,360 --> 01:49:26,700

of the conference not me it's the Outer

2343

01:49:32,780 --> 01:49:29,370

Limits magazine conference I'm just I'm

2344

01:49:35,570 --> 01:49:32,790

just helping Chris but they get to ask

2345

01:49:38,660 --> 01:49:35,580

questions as well you know books are

2346

01:49:40,520 --> 01:49:38,670

fantastic and you know I would we'd ask

2347

01:49:42,800 --> 01:49:40,530

you to buy a copy of the book if you if

2348

01:49:46,280 --> 01:49:42,810

you're so inclined but the book can

2349

01:49:49,360 --> 01:49:46,290

can't ask you questions Kanak Calvin one

2350

01:49:53,560 --> 01:49:49,370

last thing then there will be

2351

01:49:56,240 --> 01:49:53,570

undoubtedly skeptics out there Calvin

2352

01:49:57,920 --> 01:49:56,250

and there have been skeptics in today

2353

01:50:01,460 --> 01:49:57,930

one what would you say to all those

2354

01:50:03,410 --> 01:50:01,470

skeptics that don't believe you

2355

01:50:06,230 --> 01:50:03,420

you know what would you say to them now

2356

01:50:08,570 --> 01:50:06,240

well you know it's fine with me if they

2357

01:50:11,240 --> 01:50:08,580

don't believe but if they keep an open

2358

01:50:11,510 --> 01:50:11,250

mind they should buy the book and read

2359

01:50:14,300 --> 01:50:11,520

it

2360

01:50:15,940 --> 01:50:14,310

everything in this book will stand up in

2361

01:50:19,160 --> 01:50:15,950

a court of law

2362

01:50:21,800 --> 01:50:19,170

you know you have polygraph test you

2363

01:50:25,700 --> 01:50:21,810

have boisterous test you have eyewitness

2364

01:50:27,440 --> 01:50:25,710

accounts and by the time the conference

2365

01:50:31,070 --> 01:50:27,450

just there is no telling how many

2366

01:50:34,490 --> 01:50:31,080

eyewitness accounts we're gonna have but

2367

01:50:36,710 --> 01:50:34,500

just buy the book and read it and keep

2368

01:50:39,440 --> 01:50:36,720

an open mind and an open heart if you

2369

01:50:41,330 --> 01:50:39,450

don't believe it I mean that that's like

2370

01:50:44,510 --> 01:50:41,340

you know you have some atheists that

2371

01:50:46,820 --> 01:50:44,520

don't believe in the Bible and I'm not

2372

01:50:48,650 --> 01:50:46,830

one but I really you know believe that

2373

01:50:53,390 --> 01:50:48,660

your Lord Jesus came here and they died

2374

01:50:57,530 --> 01:50:53,400

on the cross for us so but have you got

2375

01:51:00,680 --> 01:50:57,540

that any inkling yourself of what

2376
01:51:03,620 --> 01:51:00,690
happened to you back in 1973 you know

2377
01:51:10,040 --> 01:51:03,630
what what is your interpretation of that

2378
01:51:12,650 --> 01:51:10,050
night well that that is a really hard

2379
01:51:16,429 --> 01:51:12,660
question that I have thought about and

2380
01:51:18,560 --> 01:51:16,439
thought about as far as you think

2381
01:51:20,479 --> 01:51:18,570
would seem like someone come from

2382
01:51:25,759 --> 01:51:20,489
another planet came down here and

2383
01:51:29,000 --> 01:51:25,769
inducted me on this and and that's a

2384
01:51:31,549 --> 01:51:29,010
good possibility but as far as actually

2385
01:51:34,969 --> 01:51:31,559
what happened I know something happened

2386
01:51:39,069 --> 01:51:34,979
I just don't know exactly why or what I

2387
01:51:42,859 --> 01:51:39,079
think we more or less experiments for

2388
01:51:45,319 --> 01:51:42,869

another race of people you know you even

2389

01:51:48,229 --> 01:51:45,329

on earth you have different races of

2390

01:51:50,870 --> 01:51:48,239

people they all believe different some

2391

01:51:53,449 --> 01:51:50,880

good people's sons mean people and I

2392

01:51:55,669 --> 01:51:53,459

think at the same case that we're going

2393

01:51:57,949 --> 01:51:55,679

through with these other planets and

2394

01:52:00,679 --> 01:51:57,959

things I don't know they come from

2395

01:52:02,750 --> 01:52:00,689

another planet I seem to think it might

2396

01:52:04,939 --> 01:52:02,760

have come interdimensional there for a

2397

01:52:08,029 --> 01:52:04,949

while or that that's where they travel

2398

01:52:10,969 --> 01:52:08,039

now but I don't know I really can't say

2399

01:52:14,270 --> 01:52:10,979

but I do feel like the answer is close

2400

01:52:17,949 --> 01:52:14,280

and we will find out before long mmm I

2401
01:52:20,239 --> 01:52:17,959
mean if he could go back in time Calvin

2402
01:52:23,479 --> 01:52:20,249
would you change anything would you

2403
01:52:25,699 --> 01:52:23,489
would you have not gone fishing that

2404
01:52:28,100 --> 01:52:25,709
night if you'd have had your choice or

2405
01:52:30,439 --> 01:52:28,110
if I had my choice no I wouldn't win it

2406
01:52:33,890 --> 01:52:30,449
because it did change my whole life and

2407
01:52:36,709 --> 01:52:33,900
I look at the up until the time I wrote

2408
01:52:39,469 --> 01:52:36,719
this book and then between that time I

2409
01:52:42,290 --> 01:52:39,479
look at like all that time is wasted

2410
01:52:45,199 --> 01:52:42,300
even though it's life experiences and

2411
01:52:48,469 --> 01:52:45,209
what I should really do is write a book

2412
01:52:50,959 --> 01:52:48,479
on all this time all this time been

2413
01:52:53,899 --> 01:52:50,969

between but it's just so much it

2414

01:52:55,459 --> 01:52:53,909

happened all you know and it's funny

2415

01:52:57,830 --> 01:52:55,469

stuff I don't know if you ever watch

2416

01:53:02,779 --> 01:52:57,840

that National Lampoon vacation with

2417

01:53:05,540 --> 01:53:02,789

Chevy Chase in it yes most of my life is

2418

01:53:08,569 --> 01:53:05,550

like that book and could be classified

2419

01:53:10,669 --> 01:53:08,579

in or just laughing such as oh the

2420

01:53:13,029 --> 01:53:10,679

alligator coming up on the boat I was

2421

01:53:16,279 --> 01:53:13,039

telling you all about you and don't you

2422

01:53:19,040 --> 01:53:16,289

be sitting there fishing one time and I

2423

01:53:20,449 --> 01:53:19,050

had just paid \$400 for a spinning rear

2424

01:53:22,040 --> 01:53:20,459

one that kept telling you better hold

2425

01:53:24,799 --> 01:53:22,050

onto that you better hold onto that

2426
01:53:27,919 --> 01:53:24,809
nagging me and all of a sudden I reached

2427
01:53:29,899 --> 01:53:27,929
down to grab ice tea and something

2428
01:53:32,000 --> 01:53:29,909
grabbed it and took it out of my hands I

2429
01:53:36,409 --> 01:53:32,010
for huh that's happened four or five

2430
01:53:38,709 --> 01:53:36,419
times in a row well they'll teach you

2431
01:53:44,859 --> 01:53:38,719
better listen to your wife next time I

2432
01:53:47,239 --> 01:53:44,869
share save me money and long ride well

2433
01:53:50,259 --> 01:53:47,249
I've not asked a lot of questions this

2434
01:53:52,399 --> 01:53:50,269
evening and because I've absolutely been

2435
01:53:54,799 --> 01:53:52,409
mesmerised with everything that you've

2436
01:53:56,899 --> 01:53:54,809
said Calvin and I want to thank you for

2437
01:54:00,020 --> 01:53:56,909
personally for coming on the inside

2438
01:54:02,929 --> 01:54:00,030

Outer Limits radio show and having a

2439

01:54:04,850 --> 01:54:02,939

chat with me and Phil I for one am most

2440

01:54:08,120 --> 01:54:04,860

definitely looking forward to welcoming

2441

01:54:10,699 --> 01:54:08,130

you to United Kingdom to England to

2442

01:54:14,830 --> 01:54:10,709

where West Yorkshire and Pontefract hi

2443

01:54:17,479 --> 01:54:14,840

guys looking forward to meetin ya and

2444

01:54:18,739 --> 01:54:17,489

welcome you know in fact Phil we might

2445

01:54:20,810 --> 01:54:18,749

even have to get him out a spot of

2446

01:54:21,949 --> 01:54:20,820

fishing on the North Sea well I don't

2447

01:54:26,000 --> 01:54:21,959

know I would certainly wouldn't go

2448

01:54:28,159 --> 01:54:26,010

fishing with him at all I'm going

2449

01:54:29,779 --> 01:54:28,169

fishing that man do you know as part of

2450

01:54:31,790 --> 01:54:29,789

the local charity down there when he's

2451
01:54:33,859 --> 01:54:31,800
talking about the book signing one of

2452
01:54:37,699 --> 01:54:33,869
the things he was raffling off was a

2453
01:54:39,250 --> 01:54:37,709
night fishing trip with him I wouldn't

2454
01:54:42,469 --> 01:54:39,260
buy a ticket

2455
01:54:44,600 --> 01:54:42,479
believe me Phil it's far safer to go

2456
01:54:46,339 --> 01:54:44,610
fishing on the North Sea then fishing

2457
01:54:48,500 --> 01:54:46,349
with Calvin when I'm get around me I

2458
01:54:52,850 --> 01:54:48,510
would not go anywhere near them I tell

2459
01:54:55,609 --> 01:54:52,860
you well yeah I worked in the North Sea

2460
01:54:58,040 --> 01:54:55,619
for a while in the oil field and I

2461
01:55:00,469 --> 01:54:58,050
remember it well I got out matter of

2462
01:55:02,659 --> 01:55:00,479
fact we docked into Singapore there and

2463
01:55:05,330 --> 01:55:02,669

I was thinking what a clean place this

2464

01:55:07,159 --> 01:55:05,340

is but I seen why because you throw some

2465

01:55:11,449 --> 01:55:07,169

paper down they got your own camera

2466

01:55:14,659 --> 01:55:11,459

there come out with pain yeah

2467

01:55:16,969 --> 01:55:14,669

diem United Kingdom is one of the most I

2468

01:55:18,890 --> 01:55:16,979

think there's so many cameras per member

2469

01:55:21,589 --> 01:55:18,900

of population for the country I think

2470

01:55:23,540 --> 01:55:21,599

it's one of the most them filmed and

2471

01:55:24,919 --> 01:55:23,550

watched their societies in the world to

2472

01:55:26,899 --> 01:55:24,929

be quite honest with you but it still

2473

01:55:29,209 --> 01:55:26,909

doesn't stop crime Wow when he bounty

2474

01:55:34,729 --> 01:55:29,219

hunters Calvin coming helpers and there

2475

01:55:37,100 --> 01:55:34,739

you go I'm really well one minute ago

2476
01:55:38,959 --> 01:55:37,110
again Calvin personally from me thank

2477
01:55:41,089 --> 01:55:38,969
you very much and I'm sure I feel it

2478
01:55:42,889 --> 01:55:41,099
would like to wear say a final few words

2479
01:55:43,850 --> 01:55:42,899
to you as well thank you as you're

2480
01:55:45,770 --> 01:55:43,860
talking to you again

2481
01:55:47,330 --> 01:55:45,780
Kelvin it means every time I speak to

2482
01:55:52,610 --> 01:55:47,340
you I'll find out something new about

2483
01:55:55,370 --> 01:55:52,620
you I really do it's but one last thing

2484
01:55:57,140 --> 01:55:55,380
for those who are not just satisfied to

2485
01:55:59,390 --> 01:55:57,150
hear you on a podcast if they want to

2486
01:56:02,150 --> 01:55:59,400
meet you in person listen to what you

2487
01:56:05,060 --> 01:56:02,160
have to say face-to-face then come to

2488
01:56:08,960 --> 01:56:05,070

the Pontefract conference August the

2489

01:56:13,520 --> 01:56:08,970

17th not 2019 and meet the man himself

2490

01:56:15,920 --> 01:56:13,530

in person I hope y'all won't do like

2491

01:56:17,990 --> 01:56:15,930

Rebecca dosed me down here and lock me

2492

01:56:21,050 --> 01:56:18,000

up in a room not let me go out and tell

2493

01:56:22,970 --> 01:56:21,060

you because I want to get out actor we

2494

01:56:25,580 --> 01:56:22,980

get to meet two people speak with the

2495

01:56:28,460 --> 01:56:25,590

people and shake your hand and hear

2496

01:56:30,080 --> 01:56:28,470

their stories you will tell me and I

2497

01:56:31,130 --> 01:56:30,090

guarantee you it's gonna be a good it's

2498

01:56:36,170 --> 01:56:31,140

gonna be a good day

2499

01:56:39,080 --> 01:56:36,180

looking forward to it thank y'all for

2500

01:56:42,800 --> 01:56:39,090

having me today the date Saturday the

2501
01:56:45,140 --> 01:56:42,810
17th of August 2019 and the venue will

2502
01:56:48,680 --> 01:56:45,150
be the Pontefract Town Hall's Assembly

2503
01:56:51,770 --> 01:56:48,690
Rooms we have seating for 250 at ground

2504
01:56:53,840 --> 01:56:51,780
level this is a strictly limited number

2505
01:56:57,080 --> 01:56:53,850
so access is on a first-come

2506
01:56:59,750 --> 01:56:57,090
first-served basis this fantastic venue

2507
01:57:02,660 --> 01:56:59,760
is situated close to all three of

2508
01:57:05,390 --> 01:57:02,670
Pontefract railway stations with monk

2509
01:57:07,250 --> 01:57:05,400
Hill being the closest literally a 10

2510
01:57:09,590 --> 01:57:07,260
minute walk away from the venue deals

2511
01:57:11,330 --> 01:57:09,600
traveling by car car parking is less

2512
01:57:13,730 --> 01:57:11,340
than a five-minute walk from the venue

2513
01:57:16,040 --> 01:57:13,740

and it's currently charged at four pound

2514

01:57:17,660 --> 01:57:16,050

fifty all day the paunchy front bus

2515

01:57:20,240 --> 01:57:17,670

station is less than two minutes away

2516

01:57:22,250 --> 01:57:20,250

from the venue and saturday is also a

2517

01:57:24,530 --> 01:57:22,260

pontiff racks market day with many

2518

01:57:27,380 --> 01:57:24,540

facilities available there is also a

2519

01:57:29,840 --> 01:57:27,390

many sandwich shops fish and chip shops

2520

01:57:32,510 --> 01:57:29,850

and other types of food available all

2521

01:57:34,880 --> 01:57:32,520

within a five-minute walk of the venue

2522

01:57:38,390 --> 01:57:34,890

and Pontefract as good access to both

2523

01:57:40,400 --> 01:57:38,400

the m1 and the m62 it is with honor and

2524

01:57:42,500 --> 01:57:40,410

a little bit of excitement that outer

2525

01:57:46,160 --> 01:57:42,510

limits magazine can now announce the

2526
01:57:48,410 --> 01:57:46,170
speakers for it's 2019 event towards the

2527
01:57:51,230 --> 01:57:48,420
events working under the banner title of

2528
01:57:54,110 --> 01:57:51,240
the closest of encounters as always

2529
01:57:56,300 --> 01:57:54,120
shall be Ultimates magazine editor Chris

2530
01:57:57,330 --> 01:57:56,310
Evers it will present a talk on a

2531
01:57:59,910 --> 01:57:57,340
subject a row

2532
01:58:01,260 --> 01:57:59,920
to the theme of the conference making

2533
01:58:04,590 --> 01:58:01,270
his Outer Limits magazine conference

2534
01:58:07,470 --> 01:58:04,600
debut shall be author and experimenter

2535
01:58:09,570 --> 01:58:07,480
Philip Kinsella who shall discuss is an

2536
01:58:12,450 --> 01:58:09,580
extremely close encounter event and

2537
01:58:14,760 --> 01:58:12,460
personal experiences making his third

2538
01:58:17,730 --> 01:58:14,770

appearance and out limits magazine event

2539

01:58:19,620 --> 01:58:17,740

will be Paul Sinclair to discuss more

2540

01:58:22,500 --> 01:58:19,630

details of his investigation and

2541

01:58:24,360 --> 01:58:22,510

findings Outer Limits magazine associate

2542

01:58:26,760 --> 01:58:24,370

editor Malcolm Robinson will be

2543

01:58:28,860 --> 01:58:26,770

returning to discuss his new publication

2544

01:58:31,710 --> 01:58:28,870

all about the bobtail a close encounter

2545

01:58:33,450 --> 01:58:31,720

or as it's also known the deck mont

2546

01:58:35,070 --> 01:58:33,460

woods incident and is with great honor

2547

01:58:37,920 --> 01:58:35,080

that we announce our very special

2548

01:58:40,710 --> 01:58:37,930

speaker making a trip to the united

2549

01:58:43,230 --> 01:58:40,720

kingdom from america with what shall be

2550

01:58:45,960 --> 01:58:43,240

his first a visit to the UK to present

2551

01:58:48,120 --> 01:58:45,970

its own story in a public forum that

2552

01:58:50,790 --> 01:58:48,130

shall be the only remaining witness to

2553

01:58:53,190 --> 01:58:50,800

this famous pascagoula abduction Calvin

2554

01:58:55,230 --> 01:58:53,200

Parker without a doubt this will be a

2555

01:58:57,330 --> 01:58:55,240

once-in-a-lifetime chance to meet and

2556

01:58:59,840 --> 01:58:57,340

hear Calvin's most intriguing case

2557

01:59:02,490 --> 01:58:59,850

straight from the only surviving witness

2558

01:59:05,190 --> 01:59:02,500

working alongside our limits magazine is

2559

01:59:07,590 --> 01:59:05,200

michael most of the new inside our

2560

01:59:10,050 --> 01:59:07,600

limits radio show that's philip mantle

2561

01:59:12,540 --> 01:59:10,060

the publisher of flying disc press and

2562

01:59:14,520 --> 01:59:12,550

philip is no stranger to investigations

2563

01:59:16,410 --> 01:59:14,530

himself we are extremely grateful for

2564

01:59:19,650 --> 01:59:16,420

Philips continued support of our limits

2565

01:59:21,960 --> 01:59:19,660

magazine and our endeavors tickets for

2566

01:59:24,510 --> 01:59:21,970

the day are priced at 20 pound each plus

2567

01:59:28,320 --> 01:59:24,520

a 1 pound 80 paypal fee and are now

2568

01:59:34,710 --> 01:59:28,330

available to order at Chris zero five

2569

01:59:38,460 --> 01:59:34,720

nine seven dots Wix site comm /out er -

2570

01:59:41,160 --> 01:59:38,470

limits - mag and remember we have

2571

01:59:43,830 --> 01:59:41,170

strictly a limited seating available to

2572

01:59:45,690 --> 01:59:43,840

a maximum 250 since the announcement the

2573

01:59:48,660 --> 01:59:45,700

tickets were available they have already

2574

01:59:50,790 --> 01:59:48,670

started selling and very quickly so
