

THE PARANORMAL UK RADIO NETWORK PRESENTS
**INSIDE OUTER LIMITS
RADIO SHOW**

Featuring
Philip Mantle
Chris Evers

Talking with

Brian Allan

1
00:00:14,400 --> 00:00:12,280
inside outer limits is a regular feature

2
00:00:21,760 --> 00:00:14,410
on the paranormal UK radio

3
00:01:13,440 --> 00:00:40,010
[Music]

4
00:01:16,469 --> 00:01:13,450
hello everybody once again and this is

5
00:01:18,840 --> 00:01:16,479
another episode in the what seems like

6
00:01:22,649 --> 00:01:18,850
the neverending inside hole emits radio

7
00:01:25,320 --> 00:01:22,659
sure and today I'm very glad to say I'm

8
00:01:27,179 --> 00:01:25,330
joined by my co-host it was actually

9
00:01:29,310 --> 00:01:27,189
being a little bit unwell over the last

10
00:01:30,660 --> 00:01:29,320
few weeks and you've probably realized

11
00:01:32,940 --> 00:01:30,670
that if you're a regular listener

12
00:01:34,410 --> 00:01:32,950
because we've been playing one or two of

13
00:01:34,980 --> 00:01:34,420

the older episodes that we've put

14

00:01:38,010 --> 00:01:34,990

together

15

00:01:40,529 --> 00:01:38,020

now when I say older and these nobody

16

00:01:41,249 --> 00:01:40,539

older II then I think my co-host so

17

00:01:43,649 --> 00:01:41,259

there you go

18

00:01:45,240 --> 00:01:43,659

how you doing Phil are you keeping good

19

00:01:48,809 --> 00:01:45,250

evening Chris you know thank you very

20

00:01:50,730 --> 00:01:48,819

much better than I have been and I've

21

00:01:52,380 --> 00:01:50,740

made a special effort tonight to speak

22

00:01:55,830 --> 00:01:52,390

to an old friend of mine not spoken to

23

00:01:58,559 --> 00:01:55,840

inquire a long time and I can guarantee

24

00:02:00,109 --> 00:01:58,569

you the the listeners are going to learn

25

00:02:02,399 --> 00:02:00,119

something in this next couple of hours

26

00:02:04,770 --> 00:02:02,409

that's brilliant that's great to hear

27

00:02:09,479 --> 00:02:04,780

now this special guest I remember

28

00:02:11,520 --> 00:02:09,489

actually coming to a UFO conference on

29

00:02:14,280 --> 00:02:11,530

was it by D etre or matrix magazine

30

00:02:17,520 --> 00:02:14,290

where he actually spoke in the hotel

31

00:02:19,050 --> 00:02:17,530

near the m62 not far from where limits

32

00:02:22,020 --> 00:02:19,060

magazine he's doing its conference this

33

00:02:24,259 --> 00:02:22,030

year yeah you I for data magazine that

34

00:02:26,880 --> 00:02:24,269

used to be edited by Russell magazine

35

00:02:29,640 --> 00:02:26,890

and it was a little hotel that was just

36

00:02:31,470 --> 00:02:29,650

at the side of Pontefract rates goes

37

00:02:34,380 --> 00:02:31,480

just as you're little as you come off

38

00:02:37,349 --> 00:02:34,390

the motorway it's no longer there now we

39

00:02:39,360 --> 00:02:37,359

you know went into it went bossed I

40

00:02:41,129 --> 00:02:39,370

think and just fell it fell down in the

41

00:02:44,009 --> 00:02:41,139

end which is shanks it was a nice place

42

00:02:46,470 --> 00:02:44,019

yeah it is a shame would you like to do

43

00:02:48,539 --> 00:02:46,480

the introduction then Phil scene is he's

44

00:02:50,479 --> 00:02:48,549

an old friend of yours and you've known

45

00:02:54,059 --> 00:02:50,489

him well I think a couple years at least

46

00:02:56,099 --> 00:02:54,069

yeah well you know I mean I am delighted

47

00:02:57,330 --> 00:02:56,109

to speak to my old friend Brian Allen

48

00:02:59,430 --> 00:02:57,340

tonight

49

00:03:03,539 --> 00:02:59,440

it's difficult to enter due sympathies

50

00:03:06,780 --> 00:03:03,549

he's a man who has done so much and is a

51
00:03:09,599 --> 00:03:06,790
chap if you ever get chance to listen to

52
00:03:11,430 --> 00:03:09,609
me on a podcast on in person I want to

53
00:03:13,680 --> 00:03:11,440
advise you to go along and do so he may

54
00:03:15,870 --> 00:03:13,690
not always agree with Brian but I

55
00:03:18,929 --> 00:03:15,880
guarantee you'll learn something from

56
00:03:21,149 --> 00:03:18,939
him and that includes me as well so it

57
00:03:22,410 --> 00:03:21,159
was one of the reasons why you know

58
00:03:24,270 --> 00:03:22,420
Brian was

59
00:03:26,880 --> 00:03:24,280
was on our list of speakers at certain

60
00:03:29,250 --> 00:03:26,890
events and he and he certainly never let

61
00:03:30,900 --> 00:03:29,260
us down and so it's it's a welcome to my

62
00:03:33,240 --> 00:03:30,910
old friend Brian from Scotland good

63
00:03:34,800 --> 00:03:33,250

evening Brian well good evening Phil and

64

00:03:37,860 --> 00:03:34,810

thank you very much I have no onboard

65

00:03:39,540 --> 00:03:37,870

the absolute pleasure to be here you're

66

00:03:40,440 --> 00:03:39,550

very very welcome Brian you're very

67

00:03:43,199 --> 00:03:40,450

welcome indeed

68

00:03:44,550 --> 00:03:43,209

now I don't know that you as Phil as

69

00:03:50,130 --> 00:03:44,560

just said anywhere that you're a man of

70

00:03:54,270 --> 00:03:50,140

many parts really yeah I know you really

71

00:03:55,440 --> 00:03:54,280

as is the editor-in-chief of phenomenal

72

00:03:57,960 --> 00:03:55,450

magazine he's not correct

73

00:04:00,780 --> 00:03:57,970

yeah currently air phenomena magazine

74

00:04:02,880 --> 00:04:00,790

but prior to that that I was editing

75

00:04:05,759 --> 00:04:02,890

paranormal magazine I did that until it

76

00:04:08,280 --> 00:04:05,769

went defunct when they was just when the

77

00:04:10,530 --> 00:04:08,290

recession hit and point of fact that the

78

00:04:12,750 --> 00:04:10,540

guy who owned it a guy called B Franklin

79

00:04:14,580 --> 00:04:12,760

he just pulled it because it wasn't

80

00:04:18,390 --> 00:04:14,590

making a profit in the game and that was

81

00:04:21,840 --> 00:04:18,400

it so and at the time I had been getting

82

00:04:23,879 --> 00:04:21,850

bald later for him people that worried

83

00:04:26,129 --> 00:04:23,889

us a walk rate and stuff form at the

84

00:04:28,440 --> 00:04:26,139

time I Steve mirror foot in particular

85

00:04:31,020 --> 00:04:28,450

and Steve Ashley would delight to come

86

00:04:33,150 --> 00:04:31,030

on board as a sub editor or phenomena

87

00:04:34,590 --> 00:04:33,160

and then shortly after that he said

88

00:04:36,600 --> 00:04:34,600

we'll do one just edit the whole thing

89

00:04:38,610 --> 00:04:36,610

and I'll step back and the other stuff I

90

00:04:40,529 --> 00:04:38,620

said yeah so I've been editing it for

91

00:04:44,190 --> 00:04:40,539

the past 78 years something like that

92

00:04:46,409 --> 00:04:44,200

yeah yeah I mean we we interviewed we

93

00:04:48,480 --> 00:04:46,419

interviewed Steve a few weeks back I'm

94

00:04:50,250 --> 00:04:48,490

Ryan and he pretty much said that I said

95

00:04:53,640 --> 00:04:50,260

Brian were doing a better job than me so

96

00:04:55,380 --> 00:04:53,650

it says makes sense I say leave you to

97

00:04:57,779 --> 00:04:55,390

it Brian and I'll go along and do other

98

00:05:00,420 --> 00:04:57,789

things but he did sing your praises make

99

00:05:06,570 --> 00:05:00,430

it really did I didn't cost very much to

100

00:05:08,520 --> 00:05:06,580

get him to fear that so Brian we've

101
00:05:12,029 --> 00:05:08,530
we've all got something that brought us

102
00:05:12,930 --> 00:05:12,039
into this fascinating well that we call

103
00:05:16,350 --> 00:05:12,940
ufology

104
00:05:19,230 --> 00:05:16,360
man was an experience back in 1974 and

105
00:05:21,629 --> 00:05:19,240
when I saw set of unusual lights moving

106
00:05:24,450 --> 00:05:21,639
across the nice guy what brought you

107
00:05:28,440 --> 00:05:24,460
into the subject well let me just put it

108
00:05:30,120 --> 00:05:28,450
this way I'm 75 years of age now okay

109
00:05:33,850 --> 00:05:30,130
now walk me brought got me into the

110
00:05:36,369 --> 00:05:33,860
subject to to play 72 years ago and that

111
00:05:38,760 --> 00:05:36,379
remember as if it was yesterday it's

112
00:05:42,159 --> 00:05:38,770
etched in my mind it's absolutely there

113
00:05:44,980 --> 00:05:42,169

when I saw something in my bedroom I

114

00:05:47,700 --> 00:05:44,990

woke up at B it was early morning the

115

00:05:50,619 --> 00:05:47,710

Sun was streaming through the window and

116

00:05:52,510 --> 00:05:50,629

that just in fact I'll tell you how

117

00:05:53,860 --> 00:05:52,520

young I was I was telling a court there

118

00:05:57,879 --> 00:05:53,870

you go because I can see the bars of the

119

00:05:59,679 --> 00:05:57,889

car in front of me and just maybe about

120

00:06:01,330 --> 00:05:59,689

three or four feet from the court my

121

00:06:03,670 --> 00:06:01,340

father believed that I had a baby grand

122

00:06:05,230 --> 00:06:03,680

piano he was a musician all his life and

123

00:06:10,059 --> 00:06:05,240

he had a baby grand piano

124

00:06:13,330 --> 00:06:10,069

and up in the bedroom and between my cot

125

00:06:16,149 --> 00:06:13,340

and the baby grand piano there was a

126

00:06:19,990 --> 00:06:16,159

figure standing there were four foot

127

00:06:21,550 --> 00:06:20,000

high it was dressed all in green that

128

00:06:23,409 --> 00:06:21,560

had our the thing that was really

129

00:06:25,659 --> 00:06:23,419

strange about it was the the belt were a

130

00:06:27,100 --> 00:06:25,669

very elaborate built was a very strange

131

00:06:28,629 --> 00:06:27,110

it wasn't really a book of motion what

132

00:06:31,719 --> 00:06:28,639

it was it was a bill of some game with

133

00:06:33,580 --> 00:06:31,729

some sort of device at the waist and it

134

00:06:37,480 --> 00:06:33,590

was standing with its arms folded and it

135

00:06:39,189 --> 00:06:37,490

was watching me and I remember I wasn't

136

00:06:40,600 --> 00:06:39,199

frightened I remember I just wasn't

137

00:06:42,790 --> 00:06:40,610

afraid that I was to close my eyes

138

00:06:45,249 --> 00:06:42,800

dopinder my get was still there but it

139

00:06:47,230 --> 00:06:45,259

did was there any threat so I simply

140

00:06:50,110 --> 00:06:47,240

just went by to sleep again and when I

141

00:06:51,700 --> 00:06:50,120

woke up at going obviously but yeah I

142

00:06:54,189 --> 00:06:51,710

woke up and there was something watching

143

00:06:56,769 --> 00:06:54,199

me and you could have tell it that as I

144

00:06:58,809 --> 00:06:56,779

don't know it wasn't a ghost

145

00:07:01,930 --> 00:06:58,819

there was nothing ghostly this was solid

146

00:07:05,439 --> 00:07:01,940

absolutely solid green or dressed like a

147

00:07:08,379 --> 00:07:05,449

one-piece dream tunic or overall is

148

00:07:10,600 --> 00:07:08,389

there my one piece strain folded arms

149

00:07:12,969 --> 00:07:10,610

the strange belt buckle and was watching

150

00:07:16,329 --> 00:07:12,979

me but anyhow I went to sleep woke up at

151
00:07:19,329 --> 00:07:16,339
go on but ever since then I've had this

152
00:07:21,519 --> 00:07:19,339
interest and oddly enough a couple of

153
00:07:23,800 --> 00:07:21,529
nights later a couple of mornings later

154
00:07:24,790 --> 00:07:23,810
I didn't extremely the gym again I

155
00:07:26,409 --> 00:07:24,800
couldn't remember this like it was

156
00:07:29,170 --> 00:07:26,419
yesterday and again well you're going

157
00:07:31,179 --> 00:07:29,180
back with 72 years and I could remember

158
00:07:35,350 --> 00:07:31,189
this like it was yesterday again that

159
00:07:38,589 --> 00:07:35,360
had a dream of a UFO okay the

160
00:07:39,969 --> 00:07:38,599
traditional you know flying saucer this

161
00:07:42,070 --> 00:07:39,979
shape flying saucer and this is before

162
00:07:44,800 --> 00:07:42,080
you were getting all this stuff here in

163
00:07:46,930 --> 00:07:44,810

the press they said you long before this

164

00:07:47,629 --> 00:07:46,940

are at the breadth of pictures of them

165

00:07:49,610 --> 00:07:47,639

but

166

00:07:52,850 --> 00:07:49,620

this disc-shaped UFO that was coming for

167

00:07:54,820 --> 00:07:52,860

me okay it was I knew we were coming it

168

00:07:57,469 --> 00:07:54,830

was going to take me take me on board

169

00:07:59,089 --> 00:07:57,479

and have says it's only it was since

170

00:08:01,339 --> 00:07:59,099

then that I tied the two things together

171

00:08:04,339 --> 00:08:01,349

and I just wonder if I was being

172

00:08:06,409 --> 00:08:04,349

contacted for some reason but yeah that

173

00:08:07,969 --> 00:08:06,419

is what got me involved in this and a

174

00:08:08,890 --> 00:08:07,979

deliciously it was just like it happened

175

00:08:12,019 --> 00:08:08,900

yesterday

176
00:08:15,529 --> 00:08:12,029
that's fascinating as soon as he said to

177
00:08:18,019 --> 00:08:15,539
me 414 hi you know it was I had this

178
00:08:20,899 --> 00:08:18,029
picture in my head of this typical gray

179
00:08:26,330 --> 00:08:20,909
it's a million no no was it something

180
00:08:27,769 --> 00:08:26,340
like that no no well it I couldn't see

181
00:08:29,480 --> 00:08:27,779
the face because it just thought with

182
00:08:31,969 --> 00:08:29,490
the blanket was it was but partly

183
00:08:34,819 --> 00:08:31,979
covered my's and I could I could scan up

184
00:08:36,380 --> 00:08:34,829
and then a casitas chin but it was it

185
00:08:39,589 --> 00:08:36,390
was flesh colored and it wasn't green

186
00:08:40,939 --> 00:08:39,599
color it was flesh color but I couldn't

187
00:08:43,130 --> 00:08:40,949
see the full face but I could see

188
00:08:45,259 --> 00:08:43,140

everything from the chin down and I say

189

00:08:46,280 --> 00:08:45,269

it didn't seem to be away it wasn't

190

00:08:49,009 --> 00:08:46,290

skinny little gray

191

00:08:51,380 --> 00:08:49,019

it wasn't like very thin the thin limbs

192

00:08:53,389 --> 00:08:51,390

it was it was in proportion it was slim

193

00:08:55,850 --> 00:08:53,399

and in proportion I would say but I

194

00:08:57,889 --> 00:08:55,860

don't think it was agree that again I

195

00:09:00,730 --> 00:08:57,899

couldn't see the face so I can't see

196

00:09:02,600 --> 00:09:00,740

100% certain but I don't think it was

197

00:09:04,670 --> 00:09:02,610

that's fascinating

198

00:09:07,340 --> 00:09:04,680

have you wrote about this experience in

199

00:09:09,290 --> 00:09:07,350

any of the books that you I think it's

200

00:09:15,620 --> 00:09:09,300

mentioned and what no don't ask me which

201
00:09:17,930 --> 00:09:15,630
one and I do mention this yeah that I

202
00:09:20,689 --> 00:09:17,940
specifically talk about this event which

203
00:09:22,519 --> 00:09:20,699
got me on boards but I've had the odd

204
00:09:26,840 --> 00:09:22,529
well odd things have happened since then

205
00:09:28,130 --> 00:09:26,850
some amazing synchronicities well I'll

206
00:09:30,050 --> 00:09:28,140
give you an example of the kind of thing

207
00:09:33,050 --> 00:09:30,060
it happens to in a fairly regular basis

208
00:09:35,509 --> 00:09:33,060
a couple of years ago a year ago in a

209
00:09:38,060 --> 00:09:35,519
fight I was building a PowerPoint for a

210
00:09:39,889 --> 00:09:38,070
presentation it was giving and the radio

211
00:09:41,449 --> 00:09:39,899
was on in there in the room I walk I've

212
00:09:42,590 --> 00:09:41,459
got my little man cave in the back of

213
00:09:45,230 --> 00:09:42,600

the house here I've got all my more

214

00:09:49,670 --> 00:09:45,240

computers and stuff the forms and bits

215

00:09:52,220 --> 00:09:49,680

and bobs and I was just the cutter on

216

00:09:53,720 --> 00:09:52,230

the screen I was Aleister Crowley

217

00:09:56,809 --> 00:09:53,730

there's a late Victorian

218

00:09:59,030 --> 00:09:56,819

source of a magician I was incorporating

219

00:10:00,800 --> 00:09:59,040

him into the presentation and I've been

220

00:10:01,460 --> 00:10:00,810

looking up images of on the net to

221

00:10:04,939 --> 00:10:01,470

include

222

00:10:07,460 --> 00:10:04,949

in the PowerPoint well as soon as I

223

00:10:09,829 --> 00:10:07,470

hover the cursor over his face from the

224

00:10:13,879 --> 00:10:09,839

radio bellows though Theo is putting

225

00:10:15,949 --> 00:10:13,889

certain mr. Crowley and I was wow I hope

226

00:10:18,800 --> 00:10:15,959

like that and the next thing the

227

00:10:20,749 --> 00:10:18,810

following day on the same presentation I

228

00:10:22,369 --> 00:10:20,759

was doing stuff in it was to do with

229

00:10:25,850 --> 00:10:22,379

this Bob with a bomber in point of fact

230

00:10:28,189 --> 00:10:25,860

and the cursor over the hovered over the

231

00:10:30,769 --> 00:10:28,199

picture of this world war two bomber and

232

00:10:32,600 --> 00:10:30,779

from the radio shows the bomber and it

233

00:10:35,300 --> 00:10:32,610

was lay me you know let me in Moorhead

234

00:10:36,530 --> 00:10:35,310

yeah and I went Wow and I just looked up

235

00:10:38,840 --> 00:10:36,540

for this sort of thing happens and you

236

00:10:40,280 --> 00:10:38,850

just say thanks that's thanks very much

237

00:10:41,869 --> 00:10:40,290

you know I know you're watching them and

238

00:10:43,280 --> 00:10:41,879

doing this stuff it's just it's a bit

239

00:10:46,340 --> 00:10:43,290

like the cause makes your customs of his

240

00:10:47,629 --> 00:10:46,350

eye on this sort of thing and I've just

241

00:10:49,100 --> 00:10:47,639

stopped questioning it now because I

242

00:10:50,809 --> 00:10:49,110

phoned if I'm looking for information

243

00:10:53,809 --> 00:10:50,819

before up ahead of something happen to a

244

00:10:56,689 --> 00:10:53,819

rating or I'm seeking something I'll

245

00:10:59,809 --> 00:10:56,699

guarantee you it will crop up I'll go on

246

00:11:02,600 --> 00:10:59,819

the radio I'll see something on the TV

247

00:11:04,249 --> 00:11:02,610

or I'll pick up some n box I don't be

248

00:11:06,350 --> 00:11:04,259

relating to what I'm looking to so it's

249

00:11:08,300 --> 00:11:06,360

almost as if the cosmic joke I mean it

250

00:11:09,350 --> 00:11:08,310

is he's trying to help me I guess

251
00:11:11,600 --> 00:11:09,360
there's a best way of putting it you

252
00:11:15,230 --> 00:11:11,610
know that's fascinating

253
00:11:19,220 --> 00:11:15,240
now there are some people who believe

254
00:11:21,740 --> 00:11:19,230
you know that our visitors travel to us

255
00:11:23,900 --> 00:11:21,750
through portals there are some people

256
00:11:27,769 --> 00:11:23,910
who still believe in the nuts and bolts

257
00:11:31,819 --> 00:11:27,779
theory of our visitors what's your

258
00:11:33,889 --> 00:11:31,829
personal view Brian well this is where

259
00:11:39,670 --> 00:11:33,899
possibly Phil and I might disagree a

260
00:11:45,530 --> 00:11:42,410
Phil and I are both on the same side of

261
00:11:47,509 --> 00:11:45,540
the fence here and I Phil's well it's

262
00:11:48,439 --> 00:11:47,519
just I have issues with fear these

263
00:11:51,019 --> 00:11:48,449

things that are gen8

264

00:11:53,329 --> 00:11:51,029

that is the only I have I think these

265

00:11:55,220 --> 00:11:53,339

things are traveling multi-dimensionally

266

00:11:57,290 --> 00:11:55,230

I don't think that traveling in any

267

00:11:59,689 --> 00:11:57,300

linear fashion for me to be feel that

268

00:12:01,340 --> 00:11:59,699

way I think if they are coming through

269

00:12:03,679 --> 00:12:01,350

they're coming through we would call a

270

00:12:05,360 --> 00:12:03,689

portal a doorway a gateway an

271

00:12:07,939 --> 00:12:05,370

interdimensional gateway of some kind

272

00:12:11,780 --> 00:12:07,949

but it's odd you should say this

273

00:12:14,210 --> 00:12:11,790

Icarus because Steve myself and a guy

274

00:12:15,140 --> 00:12:14,220

called Barry Fitzgerald were both been

275

00:12:17,840 --> 00:12:15,150

working

276

00:12:19,160 --> 00:12:17,850

on aspects of this and one of the

277

00:12:23,120 --> 00:12:19,170

aspects we've been working on

278

00:12:25,520 --> 00:12:23,130

there's the curious link between areas

279

00:12:27,970 --> 00:12:25,530

of geomagnetism and and appearance of

280

00:12:30,500 --> 00:12:27,980

UFOs and a lot of paranormal safe events

281

00:12:33,050 --> 00:12:30,510

because appears that there are very very

282

00:12:35,120 --> 00:12:33,060

high percentage of these incidents take

283

00:12:39,110 --> 00:12:35,130

place where there are incidents of

284

00:12:42,050 --> 00:12:39,120

geomagnetism in the earth the skinwalker

285

00:12:44,060 --> 00:12:42,060

ranch education pointless lot back in

286

00:12:46,670 --> 00:12:44,070

the middle of an an area of geomagnetism

287

00:12:49,750 --> 00:12:46,680

now the other thing that I've come

288

00:12:52,460 --> 00:12:49,760

across and no later than just other week

289

00:12:54,830 --> 00:12:52,470

there's an area about 20 miles from

290

00:12:57,230 --> 00:12:54,840

where I live it's called Camp Apple Hill

291

00:13:00,590 --> 00:12:57,240

it's in the bath Gate Hills other

292

00:13:03,470 --> 00:13:00,600

hibbett 20-25 miles away and is actually

293

00:13:05,570 --> 00:13:03,480

a Neolithic burial site which is also

294

00:13:08,240 --> 00:13:05,580

right on the edge of an area of

295

00:13:10,250 --> 00:13:08,250

geomagnetism now the thing is there's

296

00:13:12,470 --> 00:13:10,260

been a thing seen up there repeatedly by

297

00:13:14,180 --> 00:13:12,480

different people over the years the most

298

00:13:18,740 --> 00:13:14,190

recent one that I came across was in

299

00:13:19,610 --> 00:13:18,750

2007 now the guy that I got this

300

00:13:22,280 --> 00:13:19,620

information I go through my

301
00:13:24,500 --> 00:13:22,290
granddaughter who's a chemist and hug

302
00:13:27,890 --> 00:13:24,510
boss she watched her firm called milk

303
00:13:30,580 --> 00:13:27,900
and her boss had had this experience in

304
00:13:34,340 --> 00:13:30,590
2007 when he was still a young rich guy

305
00:13:36,830 --> 00:13:34,350
and it was driving with three of his

306
00:13:38,660 --> 00:13:36,840
friends and in his car and they were

307
00:13:42,020 --> 00:13:38,670
driving close to world cleared in purple

308
00:13:44,660 --> 00:13:42,030
Hiller's in the Bathgate hills then all

309
00:13:46,700 --> 00:13:44,670
of a sudden the saw this thing out the

310
00:13:48,410 --> 00:13:46,710
side of the right let's thing emerge

311
00:13:51,320 --> 00:13:48,420
from the left I'm sailor wood and they

312
00:13:53,420 --> 00:13:51,330
said it was absolutely translucent it

313
00:13:56,090 --> 00:13:53,430

was humanoid it was moving very fast and

314

00:13:57,740 --> 00:13:56,100

it was translucent and I thought wow and

315

00:13:59,990 --> 00:13:57,750

they just they just got the hell out of

316

00:14:01,610 --> 00:14:00,000

there as quickly as they could and after

317

00:14:03,040 --> 00:14:01,620

the drove on a little bit they said did

318

00:14:05,270 --> 00:14:03,050

we actually see something there and

319

00:14:06,620 --> 00:14:05,280

they're talking yeah yeah well I think

320

00:14:10,220 --> 00:14:06,630

we didn't had to describe what that

321

00:14:11,930 --> 00:14:10,230

scene well the drove back and actually

322

00:14:13,820 --> 00:14:11,940

rounded a corner I want the stretch it

323

00:14:15,860 --> 00:14:13,830

would wither it seen this thing lo and

324

00:14:17,000 --> 00:14:15,870

behold in the middle of the road it was

325

00:14:19,190 --> 00:14:17,010

standing right in front of them in the

326

00:14:21,530 --> 00:14:19,200

middle of the road and as a car

327

00:14:23,750 --> 00:14:21,540

approached it the guy panicked Nev had

328

00:14:26,420 --> 00:14:23,760

rather is where they put his fruit to

329

00:14:28,340 --> 00:14:26,430

the boards and the car shot forward well

330

00:14:28,970 --> 00:14:28,350

as they got as they got within inches of

331

00:14:30,920 --> 00:14:28,980

our feet

332

00:14:33,439 --> 00:14:30,930

thing it shot up straight at me I wish

333

00:14:36,949 --> 00:14:33,449

just finally stop agenda survived

334

00:14:38,210 --> 00:14:36,959

vanished when shortened so anyway the

335

00:14:40,519 --> 00:14:38,220

weren't home spent the night talking

336

00:14:43,759 --> 00:14:40,529

about it and the guy went by himself on

337

00:14:45,319 --> 00:14:43,769

his own in his car about that when fell

338

00:14:47,269 --> 00:14:45,329

of a couple of weeks and everything went

339

00:14:49,280 --> 00:14:47,279

back on the stretcher Lord he saw this

340

00:14:51,530 --> 00:14:49,290

thing that was never in the road and it

341

00:14:53,030 --> 00:14:51,540

was never played close to him it was

342

00:14:55,699 --> 00:14:53,040

always entries at but he could always

343

00:14:57,650 --> 00:14:55,709

see this thing and eventually it just so

344

00:14:59,480 --> 00:14:57,660

got bored alone and just give up and and

345

00:15:01,850 --> 00:14:59,490

and I think he went back fairly recently

346

00:15:04,790 --> 00:15:01,860

didn't see again but this street this

347

00:15:06,710 --> 00:15:04,800

thing that they saw the humanoid a guy

348

00:15:09,230 --> 00:15:06,720

called Dave Coleman a guy that I've

349

00:15:11,060 --> 00:15:09,240

known for years again he saw this thing

350

00:15:13,189 --> 00:15:11,070

as well Barry he didn't caught see it

351

00:15:15,800 --> 00:15:13,199

was great translucent he said that he

352

00:15:18,079 --> 00:15:15,810

called it the silver man that he and his

353

00:15:21,170 --> 00:15:18,089

wife and two kids again were driving on

354

00:15:23,389 --> 00:15:21,180

exactly the same stretchy road when the

355

00:15:25,250 --> 00:15:23,399

look thoth out the car window the same

356

00:15:26,480 --> 00:15:25,260

thing on the side windows and there was

357

00:15:27,800 --> 00:15:26,490

something in the fields and it was

358

00:15:30,110 --> 00:15:27,810

running at the same pace as the cars

359

00:15:31,579 --> 00:15:30,120

which was doing at 50 miles an hour the

360

00:15:33,889 --> 00:15:31,589

less things running the same speed as

361

00:15:35,809 --> 00:15:33,899

the car and he accelerated and the thing

362

00:15:37,639 --> 00:15:35,819

run at the same speed as a car and it

363

00:15:38,809 --> 00:15:37,649

got so bit closer to them even that was

364

00:15:41,090 --> 00:15:38,819

still running alongside him in the

365

00:15:43,730 --> 00:15:41,100

fields and a look they couldn't see the

366

00:15:46,250 --> 00:15:43,740

face cuz I had no face it was great

367

00:15:48,079 --> 00:15:46,260

silver and everything that toddler

368

00:15:51,340 --> 00:15:48,089

wasn't I got this distinct impression of

369

00:15:53,900 --> 00:15:51,350

Menace and then it just disappeared and

370

00:15:55,519 --> 00:15:53,910

here's no recollection of getting home

371

00:15:56,990 --> 00:15:55,529

that night man were several his wife

372

00:15:58,639 --> 00:15:57,000

can't remember and the kids can't

373

00:16:01,910 --> 00:15:58,649

remember all in who was they saw this

374

00:16:03,379 --> 00:16:01,920

thing then they were home and they can't

375

00:16:04,879 --> 00:16:03,389

fill in the spaceship that the length of

376
00:16:06,350 --> 00:16:04,889
tamed with the half hour that would have

377
00:16:08,780 --> 00:16:06,360
taken them to drive from where the way

378
00:16:11,720 --> 00:16:08,790
to get to home again they had no idea

379
00:16:14,300 --> 00:16:11,730
that you know they just can't missing

380
00:16:16,970 --> 00:16:14,310
time for one of a better world but this

381
00:16:19,490 --> 00:16:16,980
area and I've done a bit of asking you

382
00:16:22,220 --> 00:16:19,500
know people who live up there and a film

383
00:16:25,280 --> 00:16:22,230
that this area is notorious for this or

384
00:16:26,660 --> 00:16:25,290
something being seen up there and I've

385
00:16:28,189 --> 00:16:26,670
mentioned this to body I've mentioned

386
00:16:30,379 --> 00:16:28,199
this to Steve and we're going to be

387
00:16:31,730 --> 00:16:30,389
looking at it because body and his way

388
00:16:33,500 --> 00:16:31,740

if we're going to be coming across next

389

00:16:34,519 --> 00:16:33,510

month from my oven from Sligo and

390

00:16:36,800 --> 00:16:34,529

they're going to stay with me for a

391

00:16:37,970 --> 00:16:36,810

couple of days and one of the things

392

00:16:39,889 --> 00:16:37,980

we're going to be doing is we're going

393

00:16:42,410 --> 00:16:39,899

to take a look up to Karen purple Hill

394

00:16:42,740 --> 00:16:42,420

and the surrounding area another thing

395

00:16:44,300 --> 00:16:42,750

you want

396

00:16:47,269 --> 00:16:44,310

to do is have a look at Rosslyn Chapel

397

00:16:49,040 --> 00:16:47,279

with me because one a mother but I think

398

00:16:51,379 --> 00:16:49,050

the only thing about my claim to fame if

399

00:16:53,869 --> 00:16:51,389

you like is that discovered what became

400

00:16:55,790 --> 00:16:53,879

known as the Rosalyn frequency because I

401
00:16:57,410 --> 00:16:55,800
think there's a portal and say Rosslyn

402
00:16:59,269 --> 00:16:57,420
Chapel and I'm not waiting up over this

403
00:17:01,069 --> 00:16:59,279
and be I'm almost certain as a portal in

404
00:17:03,079 --> 00:17:01,079
there and and hope because the whole

405
00:17:07,789 --> 00:17:03,089
Chapel reacts the specific frequency of

406
00:17:09,470 --> 00:17:07,799
sound and late subsonically and there's

407
00:17:11,419 --> 00:17:09,480
a particular area and the East End of

408
00:17:13,850 --> 00:17:11,429
the chapel is called the Lady Chapel and

409
00:17:16,340 --> 00:17:13,860
there are three small altars up there

410
00:17:18,260 --> 00:17:16,350
the one on the left hand side in the

411
00:17:19,939 --> 00:17:18,270
Lady Chapel is called this in Matthew

412
00:17:22,069 --> 00:17:19,949
altar because it as well as in Rosslyn

413
00:17:24,199 --> 00:17:22,079

Chapel it's also called the Collegiate

414

00:17:26,569 --> 00:17:24,209

Church of st. Matthew and it's a

415

00:17:28,130 --> 00:17:26,579

functioning Episcopalian Church I know

416

00:17:30,340 --> 00:17:28,140

that there's still of syllabuses and

417

00:17:33,200 --> 00:17:30,350

stuff it does function as a church but

418

00:17:34,940 --> 00:17:33,210

this left-hand altar listen Matt listen

419

00:17:36,680 --> 00:17:34,950

Matthew altar I am absolutely certain

420

00:17:40,029 --> 00:17:36,690

that there's a portal right in front of

421

00:17:43,039 --> 00:17:40,039

the altar I see this because back in

422

00:17:44,659 --> 00:17:43,049

well they say it wouldn't be 2005 that

423

00:17:46,340 --> 00:17:44,669

was that was the last tabletop guys look

424

00:17:49,159 --> 00:17:46,350

at it an investigation listen this would

425

00:17:50,510 --> 00:17:49,169

be a bit 2000 2001 when we really

426

00:17:52,070 --> 00:17:50,520

started to take an interest in the place

427

00:17:53,570 --> 00:17:52,080

this is when you could still get access

428

00:17:55,399 --> 00:17:53,580

to it because there's just one got

429

00:17:58,490 --> 00:17:55,409

people into if you like experiment in

430

00:18:02,000 --> 00:17:58,500

the rain was just the push to but the

431

00:18:03,680 --> 00:18:02,010

table in the other 2001 it maybe 1988 it

432

00:18:04,850 --> 00:18:03,690

doesn't really matter that it was a

433

00:18:06,620 --> 00:18:04,860

first team actually carried an

434

00:18:07,820 --> 00:18:06,630

investigation there I said it's

435

00:18:10,909 --> 00:18:07,830

mentioned in one of my books called

436

00:18:13,310 --> 00:18:10,919

Rosslyn between two worlds and I was

437

00:18:15,500 --> 00:18:13,320

standing this medium what were two sets

438

00:18:17,360 --> 00:18:15,510

of mediums of us me two sets and mediums

439

00:18:20,000 --> 00:18:17,370

for wife on my wife

440

00:18:22,039 --> 00:18:20,010

and what take number and individually

441

00:18:23,899 --> 00:18:22,049

the two sets of mediums know that the

442

00:18:25,909 --> 00:18:23,909

two sets of mediums had never been in

443

00:18:26,570 --> 00:18:25,919

Rosslyn Chapel before and they've never

444

00:18:29,360 --> 00:18:26,580

met before

445

00:18:32,120 --> 00:18:29,370

there was two husband-and-wife teams no

446

00:18:34,190 --> 00:18:32,130

but the both picked up individually that

447

00:18:35,659 --> 00:18:34,200

there was an area in front of this the

448

00:18:37,190 --> 00:18:35,669

said Matthew altar that was very very

449

00:18:38,470 --> 00:18:37,200

special or something very strange about

450

00:18:41,600 --> 00:18:38,480

it

451

00:18:43,340 --> 00:18:41,610

so one of the mediums I am Marie

452

00:18:45,320 --> 00:18:43,350

Lochhead as it happens that doesn't even

453

00:18:48,799 --> 00:18:45,330

know cherries you okay she got married

454

00:18:51,380 --> 00:18:48,809

and she said stand with her but start

455

00:18:53,060 --> 00:18:51,390

stand against the altar so stood with my

456

00:18:55,159 --> 00:18:53,070

back against the author knows it's not

457

00:18:56,120 --> 00:18:55,169

actually their only only I come Optima

458

00:18:57,620 --> 00:18:56,130

[h__\h] just below much

459

00:19:00,470 --> 00:18:57,630

shoulder blades I guess that not make I

460

00:19:01,940 --> 00:19:00,480

authors wait that's quite small and I

461

00:19:03,380 --> 00:19:01,950

was standing with my back to this thing

462

00:19:05,390 --> 00:19:03,390

then all of a sudden I realized I was

463

00:19:07,130 --> 00:19:05,400

again pushed up from the floor mean and

464

00:19:11,420 --> 00:19:07,140

I'm seriously well actually coming up

465

00:19:12,920 --> 00:19:11,430

from the floor so Ann Marie said close

466

00:19:14,900 --> 00:19:12,930

your eyes close your eyes and she

467

00:19:18,400 --> 00:19:14,910

started doing stuff no my wife was

468

00:19:20,960 --> 00:19:18,410

filming all the shadowless on videotape

469

00:19:22,760 --> 00:19:20,970

and whatever she was doing

470

00:19:23,900 --> 00:19:22,770

I suddenly deals at Les impression to

471

00:19:25,940 --> 00:19:23,910

getting lifted from the floor was

472

00:19:27,890 --> 00:19:25,950

getting stronger and stronger and it was

473

00:19:30,140 --> 00:19:27,900

late there was the best the best way to

474

00:19:31,850 --> 00:19:30,150

describe this T is this that imagine

475

00:19:34,310 --> 00:19:31,860

you're standing and there's something

476

00:19:37,040 --> 00:19:34,320

pushing up from the heels right it's

477

00:19:38,300 --> 00:19:37,050

pushing up from the floor and that's

478

00:19:40,270 --> 00:19:38,310

what I felt like and I came off the

479

00:19:43,730 --> 00:19:40,280

floor and and sort of fell forward and

480

00:19:45,350 --> 00:19:43,740

and you're angry so she said whoa steady

481

00:19:47,450 --> 00:19:45,360

steady and I said yeah what was that all

482

00:19:49,550 --> 00:19:47,460

about well she said the portal was

483

00:19:50,500 --> 00:19:49,560

starting to open and you were getting

484

00:19:52,760 --> 00:19:50,510

lifted up with it

485

00:19:54,230 --> 00:19:52,770

now one of them saw this thing as a

486

00:19:56,690 --> 00:19:54,240

column of light coming from the floor

487

00:19:59,540 --> 00:19:56,700

like Silver Lake and not the other

488

00:20:00,890 --> 00:19:59,550

medium saw as a shimmering green Cup but

489

00:20:03,410 --> 00:20:00,900

the boss sensed there was something very

490

00:20:07,700 --> 00:20:03,420

special about that about the chapel now

491

00:20:10,160 --> 00:20:07,710

who went back there in 2005 I devised a

492

00:20:12,830 --> 00:20:10,170

specific frequency and we brought along

493

00:20:15,350 --> 00:20:12,840

I'd created the I downloaded a frequency

494

00:20:18,770 --> 00:20:15,360

generated from the internet and they

495

00:20:23,060 --> 00:20:18,780

created the it's called a nog mented

496

00:20:24,710 --> 00:20:23,070

force I think it CFCF shouting G and I

497

00:20:26,420 --> 00:20:24,720

think that Zach I've can't remember

498

00:20:31,070 --> 00:20:26,430

stuff ahead of me check it I'll tell you

499

00:20:33,200 --> 00:20:31,080

what it's F sharp C and E that's what it

500

00:20:34,640 --> 00:20:33,210

was and I created there's been the

501
00:20:36,320 --> 00:20:34,650
specific frequencies that they're

502
00:20:39,020 --> 00:20:36,330
correspond to these two these these

503
00:20:43,220 --> 00:20:39,030
notes and made it made the chord and

504
00:20:45,440 --> 00:20:43,230
when we started up that when we created

505
00:20:48,830 --> 00:20:45,450
it on on the laptop that were bought

506
00:20:50,570 --> 00:20:48,840
with us and Marie said ah she said the

507
00:20:53,210 --> 00:20:50,580
portal start to open so she went and

508
00:20:55,220 --> 00:20:53,220
stood with her back to the altar and I

509
00:20:59,030 --> 00:20:55,230
stood a full flip from an in front of

510
00:21:01,190 --> 00:20:59,040
her face again and inside this area it

511
00:21:03,080 --> 00:21:01,200
was almost like a box for one of a

512
00:21:05,390 --> 00:21:03,090
better one because it became very very

513
00:21:07,490 --> 00:21:05,400

cold and then say this particular area

514

00:21:10,040 --> 00:21:07,500

and when you put your hands up from your

515

00:21:11,360 --> 00:21:10,050

sides as almost as if you could feel

516

00:21:13,340 --> 00:21:11,370

that were passing through an interface

517

00:21:14,390 --> 00:21:13,350

of some kind in both sides it was

518

00:21:16,160 --> 00:21:14,400

slightly warmer

519

00:21:20,930 --> 00:21:16,170

you brought your fingers back in and

520

00:21:23,300 --> 00:21:20,940

became cold again and again what was I

521

00:21:26,720 --> 00:21:23,310

said that same he came along if you like

522

00:21:30,170 --> 00:21:26,730

to help with us it was actually a sonic

523

00:21:33,350 --> 00:21:30,180

therapist and unbeknown to us he went

524

00:21:36,860 --> 00:21:33,360

down into the Crypt but you know below

525

00:21:38,270 --> 00:21:36,870

the chapel and he started turning so

526
00:21:40,610 --> 00:21:38,280
what you had was the sound coming from

527
00:21:43,760 --> 00:21:40,620
the laptop and the seven coming from

528
00:21:45,230 --> 00:21:43,770
from the the acoustics therapists know

529
00:21:46,010 --> 00:21:45,240
what was looking each other was alive

530
00:21:49,010 --> 00:21:46,020
that's clever

531
00:21:52,640 --> 00:21:49,020
well all of a sudden quite spontaneously

532
00:21:54,500 --> 00:21:52,650
I thought sound kicked off okay we said

533
00:21:57,080 --> 00:21:54,510
where the hell is that coming from then

534
00:21:59,180 --> 00:21:57,090
a few seconds later a four sound kicked

535
00:22:01,580 --> 00:21:59,190
off they were almost like harmonics been

536
00:22:04,190 --> 00:22:01,590
created by the two separate notes and

537
00:22:05,930 --> 00:22:04,200
the chapel was acting like a heterodyne

538
00:22:08,750 --> 00:22:05,940

device and it was actually creating

539

00:22:10,820 --> 00:22:08,760

frequencies on its own now the guy down

540

00:22:12,530 --> 00:22:10,830

the stairs didn't know about this they

541

00:22:14,360 --> 00:22:12,540

just stopped turning and the two

542

00:22:15,860 --> 00:22:14,370

resonant frequencies of the two

543

00:22:18,140 --> 00:22:15,870

harmonics just stopped immediately

544

00:22:20,210 --> 00:22:18,150

and all over the left was then was the

545

00:22:22,490 --> 00:22:20,220

laptop producing the original hmmm

546

00:22:24,530 --> 00:22:22,500

Augmented fourth so I said look ths

547

00:22:27,950 --> 00:22:24,540

described that has you said well what's

548

00:22:30,350 --> 00:22:27,960

all about so yeah and we couldn't learn

549

00:22:32,360 --> 00:22:30,360

about it anything more because the

550

00:22:35,180 --> 00:22:32,370

people who run the chapel always get a

551
00:22:36,620 --> 00:22:35,190
bit edgy or whatever still let people do

552
00:22:38,660 --> 00:22:36,630
this they do I said they don't let them

553
00:22:40,280 --> 00:22:38,670
do it no but they started getting a bit

554
00:22:42,560 --> 00:22:40,290
edgy and and they're sort of talking

555
00:22:44,060 --> 00:22:42,570
doctor see what were doing because I

556
00:22:46,610 --> 00:22:44,070
think they wanted to say this before

557
00:22:48,440 --> 00:22:46,620
there's a peon bless some doctor will

558
00:22:51,200 --> 00:22:48,450
would we'd been allowed in early and

559
00:22:52,760 --> 00:22:51,210
we've given full access to the chapel

560
00:22:54,770 --> 00:22:52,770
but there but they were getting a bit

561
00:22:55,460 --> 00:22:54,780
edgy about all of us so they can do and

562
00:22:58,370 --> 00:22:55,470
just shut it down

563
00:23:01,280 --> 00:22:58,380

so what to stop doing it there but yet

564

00:23:03,560 --> 00:23:01,290

the sound seemed to the same that was

565

00:23:06,560 --> 00:23:03,570

creating on the laptop was doing

566

00:23:07,940 --> 00:23:06,570

something to the chapel in a way it was

567

00:23:09,680 --> 00:23:07,950

doing something to this area what would

568

00:23:12,770 --> 00:23:09,690

think this portal actually is half

569

00:23:14,780 --> 00:23:12,780

bugged me and it was when the guide

570

00:23:16,160 --> 00:23:14,790

there in the stairs but put really put

571

00:23:18,170 --> 00:23:16,170

the ten hat and it was when the guy went

572

00:23:20,210 --> 00:23:18,180

down the stairs and started turning and

573

00:23:22,400 --> 00:23:20,220

the chapel was creating two harmonics on

574

00:23:23,990 --> 00:23:22,410

its own we decided that the chapel had

575

00:23:26,990 --> 00:23:24,000

actually been designed to do this

576

00:23:28,100 --> 00:23:27,000

what it means we don't know but and we

577

00:23:29,900 --> 00:23:28,110

haven't been able to carry out any

578

00:23:33,140 --> 00:23:29,910

further investigation so there it was

579

00:23:35,780 --> 00:23:33,150

yeah yeah they of course that you know

580

00:23:39,050 --> 00:23:35,790

the Rosslyn Chapel it's got many

581

00:23:41,030 --> 00:23:39,060

different aspects associated with it as

582

00:23:43,610 --> 00:23:41,040

it says it's got the Knights Templars

583

00:23:46,400 --> 00:23:43,620

the Ark of the Kalends also underneath

584

00:23:49,730 --> 00:23:46,410

It is done there's a massive underground

585

00:23:51,980 --> 00:23:49,740

vault there Wow and that was sealed I

586

00:23:52,640 --> 00:23:51,990

believe did 16 Nancy and has never been

587

00:23:54,410 --> 00:23:52,650

opened

588

00:23:56,690 --> 00:23:54,420

what do you think's in there then Brian

589

00:23:57,860 --> 00:23:56,700

do you think he's just a coffin in there

590

00:23:59,780 --> 00:23:57,870

or do you think there's something else

591

00:24:03,650 --> 00:23:59,790

in there that's been hidden away well

592

00:24:05,690 --> 00:24:03,660

but I kick off this there may be a vault

593

00:24:07,570 --> 00:24:05,700

underneath it and and it's a very

594

00:24:10,910 --> 00:24:07,580

hypothetical vault in the world because

595

00:24:14,210 --> 00:24:10,920

it is claimed that the chapel is as deep

596

00:24:16,580 --> 00:24:14,220

as its high clear that way I know if

597

00:24:19,220 --> 00:24:16,590

there is a vault under there the

598

00:24:20,900 --> 00:24:19,230

Foundation's the chapel are built on may

599

00:24:23,000 --> 00:24:20,910

not be enough to support this there was

600

00:24:27,020 --> 00:24:23,010

a particular beetball underneath it okay

601
00:24:29,350 --> 00:24:27,030
now there is also in Scotland behalf was

602
00:24:31,820 --> 00:24:29,360
called that the act of Sepulchre and

603
00:24:33,530 --> 00:24:31,830
this actually prevents people digging

604
00:24:35,330 --> 00:24:33,540
and aggrieved just as he was there

605
00:24:38,270 --> 00:24:35,340
because a lot of people would like to do

606
00:24:42,260 --> 00:24:38,280
that but it is claimed that the Barons

607
00:24:44,600 --> 00:24:42,270
of Rosslyn a endless vault okay and

608
00:24:47,780 --> 00:24:44,610
they're not in coffins they're lying on

609
00:24:49,250 --> 00:24:47,790
stone beers in the full armor and it's

610
00:24:50,960 --> 00:24:49,260
claimed that as what was doing there but

611
00:24:53,600 --> 00:24:50,970
I figured everything from the Artic of

612
00:24:55,220 --> 00:24:53,610
the Covenant the mummified had a Christ

613
00:24:56,810 --> 00:24:55,230

the Holy Grail everything's supposed to

614

00:24:58,250 --> 00:24:56,820

be down there the treasure of the

615

00:25:02,240 --> 00:24:58,260

Templars brought back from from

616

00:25:03,560 --> 00:25:02,250

Jerusalem but nobody knows who she all

617

00:25:04,760 --> 00:25:03,570

darned old on a mini right I thought

618

00:25:08,930 --> 00:25:04,770

they were on Oak Island

619

00:25:17,930 --> 00:25:08,940

I know what's in the vault Malcolm

620

00:25:21,830 --> 00:25:17,940

Robinson's checkbook was that printed in

621

00:25:23,930 --> 00:25:21,840

1690 then if they're Knights Templars

622

00:25:27,440 --> 00:25:23,940

the Knights Templars absolutely did

623

00:25:30,860 --> 00:25:27,450

invent what we call banking and of

624

00:25:33,980 --> 00:25:30,870

course I mean I mean you're talking

625

00:25:36,830 --> 00:25:33,990

about you know things happening by sort

626
00:25:37,820 --> 00:25:36,840
of in a synchronistic way Ryan yeah I've

627
00:25:40,399 --> 00:25:37,830
got a pardon for

628
00:25:43,250 --> 00:25:40,409
me and when we do this show I just write

629
00:25:45,649 --> 00:25:43,260
the guests name down and then a list of

630
00:25:47,870 --> 00:25:45,659
questions the only question I got

631
00:25:55,100 --> 00:25:47,880
written down for you was Rosslyn Chapel

632
00:25:57,320 --> 00:25:55,110
yeah going back to the portal thing you

633
00:25:58,669 --> 00:25:57,330
may remember our old friend Albert

634
00:26:00,919 --> 00:25:58,679
Bowden yeah

635
00:26:03,680 --> 00:26:00,929
from some years ago absolutely what do

636
00:26:05,419 --> 00:26:03,690
you make to Albert's theory that we're

637
00:26:09,610 --> 00:26:05,429
not talking about portals or anything

638
00:26:11,930 --> 00:26:09,620

like that that there are you know

639

00:26:16,759 --> 00:26:11,940

locations like you've suggested that our

640

00:26:19,789 --> 00:26:16,769

geomagnetic and also man-made things

641

00:26:22,639 --> 00:26:19,799

like telephone mass and so on yeah and

642

00:26:26,210 --> 00:26:22,649

the actual experience is a caused by

643

00:26:29,659 --> 00:26:26,220

this geomagnetic but it's caused with by

644

00:26:31,279 --> 00:26:29,669

people who are because hypersensitive in

645

00:26:35,210 --> 00:26:31,289

other words they are allergic to this

646

00:26:38,419 --> 00:26:35,220

the field can of course they have a very

647

00:26:42,710 --> 00:26:38,429

real experience but that experience are

648

00:26:45,860 --> 00:26:42,720

no external force whatsoever leech

649

00:26:48,500 --> 00:26:45,870

happens internally so it's not a portal

650

00:26:50,990 --> 00:26:48,510

to any other dimension or any other

651
00:26:53,720 --> 00:26:51,000
universe it just happens there in that

652
00:26:57,409 --> 00:26:53,730
location and that's why according to

653
00:26:58,250 --> 00:26:57,419
Albert of course in certain areas around

654
00:27:01,250 --> 00:26:58,260
the world

655
00:27:03,830 --> 00:27:01,260
they're called portals today they used

656
00:27:05,810 --> 00:27:03,840
to be called window areas 20-30 years

657
00:27:07,789 --> 00:27:05,820
ago and then something else and they

658
00:27:12,139 --> 00:27:07,799
have a whole host if you dig deep enough

659
00:27:15,830 --> 00:27:12,149
of paranormal phenomena happen there but

660
00:27:19,460 --> 00:27:15,840
it is law it is it is location specific

661
00:27:22,610 --> 00:27:19,470
and that is it oh yeah absolutely I mean

662
00:27:25,370 --> 00:27:22,620
I knew I haven't communicated with

663
00:27:27,860 --> 00:27:25,380

Oliver for a long many many many many

664

00:27:29,779 --> 00:27:27,870

years no but at one point more than

665

00:27:31,159 --> 00:27:29,789

regular you know regular communication

666

00:27:32,810 --> 00:27:31,169

with one another and I was willing to

667

00:27:35,269 --> 00:27:32,820

accept a lot well but it was true

668

00:27:36,950 --> 00:27:35,279

because if he demonstrated it he's

669

00:27:40,129 --> 00:27:36,960

demonstrated for the fact that for

670

00:27:42,250 --> 00:27:40,139

example that that magnetic fields can

671

00:27:45,649 --> 00:27:42,260

affect human perception which they do

672

00:27:46,310 --> 00:27:45,659

but the thing is these were what I'm

673

00:27:50,000 --> 00:27:46,320

talking about

674

00:27:51,500 --> 00:27:50,010

again as areas of geomagnetism which I'm

675

00:27:54,139 --> 00:27:51,510

not talking just a little bit

676

00:27:57,049 --> 00:27:54,149

I'm talking about acres Wade you know

677

00:27:59,120 --> 00:27:57,059

massive area to do magnetism and it's in

678

00:28:00,799 --> 00:27:59,130

these areas that that UFOs are seen and

679

00:28:02,960 --> 00:28:00,809

it said these areas that paranormal

680

00:28:05,029 --> 00:28:02,970

events occur for example what I said

681

00:28:07,580 --> 00:28:05,039

about this that this this silver - gray

682

00:28:10,100 --> 00:28:07,590

- that there's these guys in the car saw

683

00:28:11,990 --> 00:28:10,110

no the whole car full of guys saw them

684

00:28:14,149 --> 00:28:12,000

it wasn't just one guy so it the whole

685

00:28:17,029 --> 00:28:14,159

all four saw it and they saw exactly the

686

00:28:19,100 --> 00:28:17,039

same thing at the same time so something

687

00:28:21,379 --> 00:28:19,110

was happening there and it's well worth

688

00:28:25,850 --> 00:28:21,389

worth investigating to see what the

689

00:28:28,310 --> 00:28:25,860

actual causal link is there's a glitch

690

00:28:30,110 --> 00:28:28,320

in the perception that were actually

691

00:28:32,180 --> 00:28:30,120

you're that Michael Persinger

692

00:28:34,340 --> 00:28:32,190

that Professor Michael Persinger yeah

693

00:28:36,169 --> 00:28:34,350

and and and his God helmet thing with it

694

00:28:38,389 --> 00:28:36,179

he can produce various effects but maybe

695

00:28:41,480 --> 00:28:38,399

were activating that the magnetic coils

696

00:28:44,539 --> 00:28:41,490

in the helmet well it's possible that

697

00:28:46,759 --> 00:28:44,549

this is a subjective opinion I like a

698

00:28:49,039 --> 00:28:46,769

subjective experience but when the

699

00:28:51,680 --> 00:28:49,049

subject that experienced is it is it

700

00:28:53,659 --> 00:28:51,690

experienced by four five maybe six

701
00:28:56,180 --> 00:28:53,669
people at the same time all seeing the

702
00:28:57,799 --> 00:28:56,190
same thing then it starts to move into

703
00:28:59,509 --> 00:28:57,809
different territory state where

704
00:29:02,480 --> 00:28:59,519
different arity there's another fact

705
00:29:05,450 --> 00:29:02,490
that to look at in this that a lot of

706
00:29:06,889 --> 00:29:05,460
these stone circles as areas of special

707
00:29:08,690 --> 00:29:06,899
it can like in france where there are

708
00:29:11,149 --> 00:29:08,700
thousands of these standing stones which

709
00:29:14,659 --> 00:29:11,159
brother norbert the many of these

710
00:29:16,490 --> 00:29:14,669
standing stones have been been treated

711
00:29:18,950 --> 00:29:16,500
heat treated for one of a better world

712
00:29:20,659 --> 00:29:18,960
to reach the Curie point of curie

713
00:29:23,419 --> 00:29:20,669

temperature I don't know if you're aware

714

00:29:26,629 --> 00:29:23,429

of this but what happens is if you he's

715

00:29:29,090 --> 00:29:26,639

a stone I see a student block but this

716

00:29:30,470 --> 00:29:29,100

is just for example you heat it you know

717

00:29:31,820 --> 00:29:30,480

the people together said the

718

00:29:33,470 --> 00:29:31,830

temperatures required to do this the

719

00:29:35,779 --> 00:29:33,480

fires wouldn't it be pretty specialized

720

00:29:37,669 --> 00:29:35,789

but a lot of fat you know bonding fat

721

00:29:40,519 --> 00:29:37,679

different fibers and things to get the

722

00:29:42,440 --> 00:29:40,529

temperature raised up because in the

723

00:29:44,330 --> 00:29:42,450

natural state the stones might may

724

00:29:46,669 --> 00:29:44,340

contain umpteen little you know say

725

00:29:48,799 --> 00:29:46,679

parts of the magnetite for example or

726

00:29:51,950 --> 00:29:48,809

magnetic particles but they're all

727

00:29:54,350 --> 00:29:51,960

random that the randomly polarized but

728

00:29:56,600 --> 00:29:54,360

when what around sense that ancestor

729

00:30:00,320 --> 00:29:56,610

seem to realize that seem to know is

730

00:30:02,810 --> 00:30:00,330

that when the stones were heated to the

731

00:30:04,799 --> 00:30:02,820

Curie point the curie temperature the

732

00:30:07,230 --> 00:30:04,809

demagnetize and as

733

00:30:09,389 --> 00:30:07,240

lead them and also saxes I was the cool

734

00:30:11,340 --> 00:30:09,399

down again 30 magnetized but the

735

00:30:13,680 --> 00:30:11,350

polarized completely in a linear fashion

736

00:30:15,539 --> 00:30:13,690

so the whole thing became you know it

737

00:30:17,999 --> 00:30:15,549

was more a more powerful magnets always

738

00:30:19,619 --> 00:30:18,009

a rather you know little individual

739

00:30:21,629 --> 00:30:19,629

magnets all the magnetic magnetic

740

00:30:24,629 --> 00:30:21,639

particles became polarized in the same

741

00:30:26,489 --> 00:30:24,639

north/south axis and a lot of the stones

742

00:30:27,930 --> 00:30:26,499

or hundreds of hundreds and hundreds of

743

00:30:30,210 --> 00:30:27,940

stones at Carnac I've had this done to

744

00:30:32,070 --> 00:30:30,220

them it's almost as if they were trying

745

00:30:34,560 --> 00:30:32,080

to build up some sort of I don't know

746

00:30:37,190 --> 00:30:34,570

battery of some kind quite like like a

747

00:30:41,430 --> 00:30:37,200

natural source of G of magnetism

748

00:30:43,799 --> 00:30:41,440

why did this it's not clear there maybe

749

00:30:45,779 --> 00:30:43,809

that the shaman's used that to try and

750

00:30:48,029 --> 00:30:45,789

communicate with in with other shavings

751
00:30:51,299 --> 00:30:48,039
elsewhere or they were able to contact

752
00:30:52,859 --> 00:30:51,309
other realities other dimensions and by

753
00:30:54,450 --> 00:30:52,869
using this that the effect of the

754
00:30:57,570 --> 00:30:54,460
magnetism on the brain because what is

755
00:31:00,149 --> 00:30:57,580
no one is that mobile phones at certain

756
00:31:02,310 --> 00:31:00,159
areas of the Carnac stones just don't

757
00:31:04,200 --> 00:31:02,320
work because they because all the

758
00:31:08,340 --> 00:31:04,210
localized the area of D of magnetism and

759
00:31:10,080 --> 00:31:08,350
the knew also that when sunlight comes

760
00:31:14,369 --> 00:31:10,090
up there affects how these things

761
00:31:16,230 --> 00:31:14,379
function as well so I think places like

762
00:31:18,359 --> 00:31:16,240
everybody you get this effective but is

763
00:31:19,350 --> 00:31:18,369

there a better place of a stored engines

764

00:31:21,330 --> 00:31:19,360

another one where I think this can

765

00:31:23,519 --> 00:31:21,340

happen as well that all these stones

766

00:31:26,989 --> 00:31:23,529

appear to have been I don't know treated

767

00:31:30,060 --> 00:31:26,999

to create deliberate areas or

768

00:31:32,690 --> 00:31:30,070

deliberately do magnetic objects we're

769

00:31:34,889 --> 00:31:32,700

they're trying to enhance or exploit

770

00:31:37,169 --> 00:31:34,899

their then healing properties of the

771

00:31:39,090 --> 00:31:37,179

stone but like I say as an area it will

772

00:31:40,980 --> 00:31:39,100

just start to get a feet into know and

773

00:31:42,659 --> 00:31:40,990

find it more about but I mean I'd be

774

00:31:45,029 --> 00:31:42,669

glad to keep you updated when we do find

775

00:31:46,470 --> 00:31:45,039

a bit more about it that's fascinating

776

00:31:48,629 --> 00:31:46,480

man I mean you know you know I've

777

00:31:52,950 --> 00:31:48,639

visited a few of these you know

778

00:31:54,810 --> 00:31:52,960

stone circles myself yeah this a few

779

00:31:57,090 --> 00:31:54,820

years back I took my wife and my English

780

00:32:03,239 --> 00:31:57,100

daughter to still an engine and they

781

00:32:05,609 --> 00:32:03,249

were completely underwhelmed and then we

782

00:32:08,249 --> 00:32:05,619

went to a three a my daughter saying

783

00:32:11,879 --> 00:32:08,259

well another another another rocked out

784

00:32:14,399 --> 00:32:11,889

I'm not still and I thought it was

785

00:32:17,999 --> 00:32:14,409

totally lost on them but you're right I

786

00:32:18,490 --> 00:32:18,009

think certainly we the big area in and

787

00:32:22,600 --> 00:32:18,500

around

788

00:32:24,400 --> 00:32:22,610

Stonehenge discoveries archaeological

789

00:32:27,460 --> 00:32:24,410

discoveries in recent years have shown

790

00:32:29,290 --> 00:32:27,470

that it wasn't just a stone circle stuck

791

00:32:31,570 --> 00:32:29,300

in the middle of nowhere I know there

792

00:32:34,060 --> 00:32:31,580

was a whole population that survived in

793

00:32:36,160 --> 00:32:34,070

and around the area oh yeah an honor

794

00:32:38,380 --> 00:32:36,170

they came from all over the place I mean

795

00:32:40,510 --> 00:32:38,390

yeah it always amazed me I'm how would

796

00:32:42,070 --> 00:32:40,520

you know where to go well this is it

797

00:32:46,390 --> 00:32:42,080

this is exactly

798

00:32:48,550 --> 00:32:46,400

and I'd be interested to know these

799

00:32:49,930 --> 00:32:48,560

things as you rightly say fill the web

800

00:32:50,620 --> 00:32:49,940

they worked they were put there

801
00:32:53,800 --> 00:32:50,630
deliberately

802
00:32:55,570 --> 00:32:53,810
no if you go to Avebury I mean it I've

803
00:32:57,940 --> 00:32:55,580
been as you said been to both places and

804
00:32:59,770 --> 00:32:57,950
everybody's amazing because I think it's

805
00:33:01,300 --> 00:32:59,780
the biggest biggest circle biscayne in

806
00:33:02,950 --> 00:33:01,310
the world if I remember rightly it's

807
00:33:04,510 --> 00:33:02,960
absolutely as you probably know that the

808
00:33:06,490 --> 00:33:04,520
village is partially inside it if you

809
00:33:08,440 --> 00:33:06,500
want to be you know yeah it's just an

810
00:33:10,360 --> 00:33:08,450
amazing it's an amazing place and of

811
00:33:12,760 --> 00:33:10,370
course everybody and the surrounding

812
00:33:14,590 --> 00:33:12,770
area you see a lot the crop circles but

813
00:33:16,300 --> 00:33:14,600

would appear there as well if I remember

814

00:33:18,130 --> 00:33:16,310

correctly and I don't think that was

815

00:33:20,560 --> 00:33:18,140

accidental I that I think it is it's a

816

00:33:22,480 --> 00:33:20,570

connection was connected to the

817

00:33:25,300 --> 00:33:22,490

properties induced by the stones

818

00:33:28,930 --> 00:33:25,310

themselves but you're getting into areas

819

00:33:32,380 --> 00:33:28,940

know that previously would have been

820

00:33:34,180 --> 00:33:32,390

called magic and this is another another

821

00:33:36,520 --> 00:33:34,190

area that that I've been looking at if

822

00:33:38,050 --> 00:33:36,530

you like it on my own and I've touched

823

00:33:40,570 --> 00:33:38,060

on a couple couple of our books to touch

824

00:33:43,210 --> 00:33:40,580

on it there's no when you see a magic

825

00:33:44,950 --> 00:33:43,220

Brian so yeah yeah do you mean magic

826

00:33:47,770 --> 00:33:44,960

with a care my dear with a care

827

00:33:48,820 --> 00:33:47,780

yeah as in cruelest failing of magic

828

00:33:50,530 --> 00:33:48,830

magicc

829

00:33:52,480 --> 00:33:50,540

magic yeah I'm not talking about

830

00:33:53,590 --> 00:33:52,490

conjuring I'm not talking about illusion

831

00:33:58,150 --> 00:33:53,600

I'm talking about something very real

832

00:33:59,680 --> 00:33:58,160

here and I think again this is pure of

833

00:34:01,270 --> 00:33:59,690

what I'm telling you no as pure that is

834

00:34:03,670 --> 00:34:01,280

pure speculation and I can't back this

835

00:34:07,379 --> 00:34:03,680

up other than what a phone connection

836

00:34:10,000 --> 00:34:07,389

cell phone as it would appear to me that

837

00:34:11,619 --> 00:34:10,010

there is a phenomenon that you've

838

00:34:15,399 --> 00:34:11,629

probably heard of called quantum

839

00:34:19,540 --> 00:34:15,409

entanglement yeah and I'm pretty sure

840

00:34:23,710 --> 00:34:19,550

that somehow some people can do this by

841

00:34:25,389 --> 00:34:23,720

an act of will and that somehow right

842

00:34:27,520 --> 00:34:25,399

just just for those that don't know I

843

00:34:29,800 --> 00:34:27,530

explain what quantum entanglement is

844

00:34:31,360 --> 00:34:29,810

please okay I'll kill I kill fear fear

845

00:34:32,530 --> 00:34:31,370

plane if everything

846

00:34:34,930 --> 00:34:32,540

I'll give you I'll give you an example

847

00:34:36,520 --> 00:34:34,940

of it and a quantum entanglement you may

848

00:34:38,940 --> 00:34:36,530

have had and your listeners may have

849

00:34:41,740 --> 00:34:38,950

heard of the twin slit experiment okay

850

00:34:44,050 --> 00:34:41,750

that is where the issue a photon you

851
00:34:47,140 --> 00:34:44,060
know through a slit and it hits two

852
00:34:48,400 --> 00:34:47,150
slits on the other side now I can't

853
00:34:50,050 --> 00:34:48,410
remember what the actual is to do with

854
00:34:53,320 --> 00:34:50,060
interference patterns but but that isn't

855
00:34:55,780 --> 00:34:53,330
the point what the photon does when it's

856
00:34:58,740 --> 00:34:55,790
observed is different from what it does

857
00:35:01,810 --> 00:34:58,750
when it's not observed so somehow that

858
00:35:03,550 --> 00:35:01,820
photon knows it's being observed okay

859
00:35:06,160 --> 00:35:03,560
and it reacts in a different way and

860
00:35:07,870 --> 00:35:06,170
that I know that all the physicists the

861
00:35:09,730 --> 00:35:07,880
physicists hate this they absolutely

862
00:35:12,370 --> 00:35:09,740
hate it because the new harms and they

863
00:35:14,590 --> 00:35:12,380

don't know why in fact I saw a YouTube

864

00:35:17,050 --> 00:35:14,600

video of a guy called Jim al-khalili and

865

00:35:18,550 --> 00:35:17,060

he actually it was like for doing a

866

00:35:20,710 --> 00:35:18,560

demonstration of the twin slaves where

867

00:35:23,830 --> 00:35:20,720

I'm ensuring that this effect actually

868

00:35:26,200 --> 00:35:23,840

took place and he actually said on the

869

00:35:28,810 --> 00:35:26,210

YouTube video if anyone has a logical

870

00:35:30,310 --> 00:35:28,820

explanation for why the sounds please

871

00:35:32,020 --> 00:35:30,320

let us know because because there's a

872

00:35:33,970 --> 00:35:32,030

nobel prize waiting free if you can do

873

00:35:36,580 --> 00:35:33,980

it because even the physicists don't

874

00:35:40,810 --> 00:35:36,590

know why subatomic particles at effect

875

00:35:43,450 --> 00:35:40,820

they'd been been washed right now this

876

00:35:46,600 --> 00:35:43,460

is where i think that somehow at the

877

00:35:49,000 --> 00:35:46,610

subatomic level particles can be

878

00:35:50,950 --> 00:35:49,010

affected some people have better rather

879

00:35:53,020 --> 00:35:50,960

than others and i think that the more

880

00:35:55,210 --> 00:35:53,030

people that concentrate on something on

881

00:35:58,540 --> 00:35:55,220

a particular function can actually make

882

00:36:00,880 --> 00:35:58,550

it tick make it make it how she author

883

00:36:02,410 --> 00:36:00,890

or make it happen more readily shall we

884

00:36:04,720 --> 00:36:02,420

say because the more people are

885

00:36:07,120 --> 00:36:04,730

concentrating on this the more observed

886

00:36:09,280 --> 00:36:07,130

these things are so the more these part

887

00:36:11,980 --> 00:36:09,290

these changes can take place now I think

888

00:36:14,430 --> 00:36:11,990

ours are cruelly he actually described

889

00:36:17,320 --> 00:36:14,440

his version of magic is the act I'm

890

00:36:19,810 --> 00:36:17,330

paraphrasing here we more or less said

891

00:36:22,660 --> 00:36:19,820

there's the act of making reality bend

892

00:36:26,290 --> 00:36:22,670

to your will okay you're willing change

893

00:36:28,000 --> 00:36:26,300

take place and it takes place now again

894

00:36:31,000 --> 00:36:28,010

I can't back any of this up

895

00:36:33,430 --> 00:36:31,010

this is purely my own ideas but I'm

896

00:36:35,920 --> 00:36:33,440

pretty sure that this effect has brought

897

00:36:37,360 --> 00:36:35,930

to brought about by quantum entanglement

898

00:36:39,070 --> 00:36:37,370

and other words consciousness as

899

00:36:41,800 --> 00:36:39,080

entangling with it with the particles

900

00:36:43,660 --> 00:36:41,810

and surfactant what they do and how you

901
00:36:45,109 --> 00:36:43,670
jack this up from the quantum level to

902
00:36:47,509 --> 00:36:45,119
the Newtonian level if you wish

903
00:36:50,329 --> 00:36:47,519
if you will I haven't a clue I don't

904
00:36:52,759 --> 00:36:50,339
know but I think I'm pretty sure this is

905
00:36:54,739 --> 00:36:52,769
so magic actually worked and the only

906
00:36:56,809 --> 00:36:54,749
reason that magic stopped working is

907
00:36:59,539 --> 00:36:56,819
because we stopped believing they would

908
00:37:01,579 --> 00:36:59,549
and belief is it a lot to do with it as

909
00:37:04,249 --> 00:37:01,589
well and it causes a lot of this stuff

910
00:37:07,459 --> 00:37:04,259
to flow more easily if you will but

911
00:37:09,529 --> 00:37:07,469
anyway it's a subject that even I am not

912
00:37:11,029 --> 00:37:09,539
100% sure about talking about here I

913
00:37:13,009 --> 00:37:11,039

mean I could only go with what I found

914

00:37:15,589 --> 00:37:13,019

and the similarities that I've seen but

915

00:37:16,999 --> 00:37:15,599

yeah I think magic just like arthur c

916

00:37:18,399 --> 00:37:17,009

clarke said there any sufficiently

917

00:37:20,269 --> 00:37:18,409

advanced technology is indistinguishable

918

00:37:23,149 --> 00:37:20,279

indistinguishable from magic

919

00:37:25,429 --> 00:37:23,159

so perhaps magic as it was practiced by

920

00:37:27,739 --> 00:37:25,439

our ancestors was a form of technology

921

00:37:29,439 --> 00:37:27,749

we'll just forgotten who he use well I

922

00:37:36,079 --> 00:37:29,449

I've often wondered if it wasn't

923

00:37:38,359 --> 00:37:36,089

technology Ryan but rather it was I

924

00:37:40,099 --> 00:37:38,369

won't say it powers but it was abilities

925

00:37:45,049 --> 00:37:40,109

that we as human beings actually

926

00:37:49,279 --> 00:37:45,059

possessed because we were less in

927

00:37:51,829 --> 00:37:49,289

inverted commas civilized for example I

928

00:37:54,409 --> 00:37:51,839

remember watching a some wildlife

929

00:37:57,769 --> 00:37:54,419

wildlife program and a some guy the

930

00:38:00,709 --> 00:37:57,779

Amazon somewhere with the tribesmen they

931

00:38:03,319 --> 00:38:00,719

still live you know a tribal life and

932

00:38:05,179 --> 00:38:03,329

and off they went hunting one day at

933

00:38:07,939 --> 00:38:05,189

random through with a policy I mean they

934

00:38:11,419 --> 00:38:07,949

went for miles Brian with their their

935

00:38:13,909 --> 00:38:11,429

bows and arrows and I think they shot a

936

00:38:16,870 --> 00:38:13,919

monkey or two yeah and then they turn

937

00:38:19,819 --> 00:38:16,880

around and just walk back home

938

00:38:21,979 --> 00:38:19,829

you know you're driving down the a1 sure

939

00:38:23,870 --> 00:38:21,989

yeah I know remember an experiment I

940

00:38:25,999 --> 00:38:23,880

believe again was too many years back

941

00:38:27,919 --> 00:38:26,009

but I think it was at Manchester

942

00:38:30,169 --> 00:38:27,929

University where they got a group of

943

00:38:33,319 --> 00:38:30,179

students and they blindfolded them and

944

00:38:35,059 --> 00:38:33,329

put here earmuffs on them and drove them

945

00:38:36,319 --> 00:38:35,069

around randomly so all they wouldn't

946

00:38:38,630 --> 00:38:36,329

know where they were and then got them

947

00:38:41,479 --> 00:38:38,640

out of the car and they said now we want

948

00:38:44,689 --> 00:38:41,489

you to point to where the direction you

949

00:38:46,880 --> 00:38:44,699

believe your home is so they did and it

950

00:38:49,849 --> 00:38:46,890

was an astonishing amount more than they

951
00:38:51,469 --> 00:38:49,859
expected actually got it right yeah more

952
00:38:55,489 --> 00:38:51,479
than you would have expected just by

953
00:38:58,440 --> 00:38:55,499
guessing so it was almost if it's at

954
00:39:00,990 --> 00:38:58,450
some point we had an ability to be a

955
00:39:03,150 --> 00:39:01,000
to do these things but of course as

956
00:39:05,700 --> 00:39:03,160
mankind has progressed

957
00:39:07,770 --> 00:39:05,710
you know we've I mean it's like that

958
00:39:09,510 --> 00:39:07,780
again the Amazons used to say that the

959
00:39:12,270 --> 00:39:09,520
edge of the Amazon rainforest was the

960
00:39:14,910 --> 00:39:12,280
end of civilization sure you know we

961
00:39:17,609 --> 00:39:14,920
class those ourselves as civilized you

962
00:39:20,309 --> 00:39:17,619
know and could it be rather than

963
00:39:23,730 --> 00:39:20,319

technology could it be abilities that we

964

00:39:26,490 --> 00:39:23,740

has a species had but I've since you

965

00:39:29,190 --> 00:39:26,500

know lost through lack of use or as you

966

00:39:33,380 --> 00:39:29,200

say lack of belief I think it's a bit

967

00:39:37,859 --> 00:39:33,390

forceful like a noose like a belief our

968

00:39:40,650 --> 00:39:37,869

new isms have become science science ism

969

00:39:42,450 --> 00:39:40,660

the if it can't be proved scientifically

970

00:39:43,710 --> 00:39:42,460

it doesn't happen but we know that that

971

00:39:45,510 --> 00:39:43,720

Jacqueline answers because stuff

972

00:39:47,480 --> 00:39:45,520

continues to happen there isn't

973

00:39:50,039 --> 00:39:47,490

scientific in any way shape or form and

974

00:39:52,559 --> 00:39:50,049

and in spite of the best efforts of the

975

00:39:56,220 --> 00:39:52,569

scientists we were able to do this stuff

976
00:39:57,599 --> 00:39:56,230
you know for example talk ghosts it's

977
00:40:00,390 --> 00:39:57,609
not probably that's not something I'm

978
00:40:01,980 --> 00:40:00,400
too keen about but ghosts for one of a

979
00:40:03,630 --> 00:40:01,990
better one but I'll use the term because

980
00:40:06,240 --> 00:40:03,640
people understand what I'm talking about

981
00:40:09,299 --> 00:40:06,250
that ghosts continue to manifest and

982
00:40:11,370 --> 00:40:09,309
appear in spite of the best efforts of

983
00:40:13,410 --> 00:40:11,380
your James Randy's and so forth and

984
00:40:15,839 --> 00:40:13,420
psycho of all the rest of it see there's

985
00:40:18,870 --> 00:40:15,849
a lot of old nonsense but they're still

986
00:40:21,569 --> 00:40:18,880
continued to appear why what is a ghost

987
00:40:25,020 --> 00:40:21,579
in fact I'll tell you what you as you

988
00:40:26,970 --> 00:40:25,030

know Brad Steiger II he think he died

989

00:40:30,299 --> 00:40:26,980

like it was it last year he died right I

990

00:40:33,240 --> 00:40:30,309

think he did yeah that's because a

991

00:40:35,339 --> 00:40:33,250

little piece in the magazine ago but

992

00:40:36,990 --> 00:40:35,349

they asked me that would have contribute

993

00:40:40,559 --> 00:40:37,000

to the last book that he and Cherie is

994

00:40:44,339 --> 00:40:40,569

way fraught and my contribution was what

995

00:40:46,140 --> 00:40:44,349

as a ghost and a little piece on that

996

00:40:47,549 --> 00:40:46,150

and there were still the other you know

997

00:40:49,260 --> 00:40:47,559

people that they knew that they asked to

998

00:40:51,390 --> 00:40:49,270

contribute a little bit to the book and

999

00:40:53,309 --> 00:40:51,400

what I went away she I perform and I

1000

00:40:56,069 --> 00:40:53,319

tried to be the best mobility that to

1001
00:40:57,690 --> 00:40:56,079
see what a ghost was that was a remnant

1002
00:41:00,510 --> 00:40:57,700
a consciousness it was it was a

1003
00:41:02,819 --> 00:41:00,520
consciousness that if you like been you

1004
00:41:05,819 --> 00:41:02,829
know how can I put this

1005
00:41:08,970 --> 00:41:05,829
it was if consciousness doesn't die with

1006
00:41:10,859 --> 00:41:08,980
what was the person and it's a bit like

1007
00:41:12,030 --> 00:41:10,869
energy can you know you can't create or

1008
00:41:15,120 --> 00:41:12,040
destroy and as you can only

1009
00:41:17,790 --> 00:41:15,130
inform the perhaps consciousness is a

1010
00:41:20,940 --> 00:41:17,800
form of energy and when the person dies

1011
00:41:24,000 --> 00:41:20,950
that you know their consciousness is

1012
00:41:25,650 --> 00:41:24,010
some and some sense carries on I've

1013
00:41:28,470 --> 00:41:25,660

heard the student ape theory which makes

1014

00:41:30,210 --> 00:41:28,480

a lot of sense as well and that place

1015

00:41:32,310 --> 00:41:30,220

has become haunted because if you like

1016

00:41:34,560 --> 00:41:32,320

the energy of the person is all or the

1017

00:41:37,290 --> 00:41:34,570

event where's that move is a traumatic

1018

00:41:39,660 --> 00:41:37,300

event is actually recorded and the

1019

00:41:41,160 --> 00:41:39,670

stones of a building and although the

1020

00:41:42,810 --> 00:41:41,170

Goldmember the earthly and under your

1021

00:41:45,450 --> 00:41:42,820

feet and under suitable circumstances

1022

00:41:46,980 --> 00:41:45,460

people are sensitive can actually deeply

1023

00:41:49,860 --> 00:41:46,990

a built like act like a tape recorder

1024

00:41:51,570 --> 00:41:49,870

soft socks but as to what a ghost

1025

00:41:53,100 --> 00:41:51,580

actually you know you'll get ten people

1026

00:41:56,490 --> 00:41:53,110

with ten different ideas and I probably

1027

00:41:59,520 --> 00:41:56,500

all rate but yeah it's a completely

1028

00:42:01,770 --> 00:41:59,530

fascinating from a prospect but I used

1029

00:42:03,540 --> 00:42:01,780

to the ghost busting I used to do that

1030

00:42:04,890 --> 00:42:03,550

on a fairly regular basis I'm done it

1031

00:42:07,590 --> 00:42:04,900

for years now just stop doing it because

1032

00:42:11,070 --> 00:42:07,600

that comes to a point where you see

1033

00:42:13,410 --> 00:42:11,080

stuff and you see the same thing

1034

00:42:15,960 --> 00:42:13,420

happening time and time again and if

1035

00:42:17,970 --> 00:42:15,970

it's not you become blasé but you have

1036

00:42:19,500 --> 00:42:17,980

to accept F of what it is you don't know

1037

00:42:21,930 --> 00:42:19,510

what it is all you can do if it happens

1038

00:42:24,990 --> 00:42:21,940

now I'll give you an example of this and

1039

00:42:26,550 --> 00:42:25,000

that's just an example it appears in one

1040

00:42:28,290 --> 00:42:26,560

of my books called revenants haunted

1041

00:42:30,630 --> 00:42:28,300

places hunted people and it's the event

1042

00:42:33,180 --> 00:42:30,640

that took me right off the shelf as far

1043

00:42:35,760 --> 00:42:33,190

as ghosts were concerned and it was a

1044

00:42:37,860 --> 00:42:35,770

hotel called the Highland to tell in a

1045

00:42:40,650 --> 00:42:37,870

little village instead link all done

1046

00:42:45,870 --> 00:42:40,660

they're still lame I had quite an old

1047

00:42:47,370 --> 00:42:45,880

place it dates back to the 1700s and the

1048

00:42:51,120 --> 00:42:47,380

woman in the place was having issues

1049

00:42:52,830 --> 00:42:51,130

shall we say in the building and it was

1050

00:42:54,150 --> 00:42:52,840

friends with house I knew I didn't said

1051
00:42:54,810 --> 00:42:54,160
would you go in a world with us said

1052
00:42:57,720 --> 00:42:54,820
yeah why not

1053
00:43:00,510 --> 00:42:57,730
so I went across an interview der and

1054
00:43:03,150 --> 00:43:00,520
during the course with us the sense of

1055
00:43:05,150 --> 00:43:03,160
you because we went back to actually

1056
00:43:07,080 --> 00:43:05,160
Korea if you like the claims and a

1057
00:43:09,930 --> 00:43:07,090
two-tier mediums listen about the book

1058
00:43:11,970 --> 00:43:09,940
we'll get to that that they she said

1059
00:43:13,350 --> 00:43:11,980
well she told me we're happy that haired

1060
00:43:15,600 --> 00:43:13,360
voice is talking when they were nobody

1061
00:43:17,430 --> 00:43:15,610
in the pub the place was empty things

1062
00:43:20,010 --> 00:43:17,440
that began moved around all sorts a

1063
00:43:21,390 --> 00:43:20,020

really strange stuff and the first thing

1064

00:43:24,480 --> 00:43:21,400

that I said wolves are something going

1065

00:43:25,920 --> 00:43:24,490

on here with there's a shot whether our

1066

00:43:27,480 --> 00:43:25,930

own quarters you know that

1067

00:43:30,180 --> 00:43:27,490

the hard-living quarter so we should

1068

00:43:31,620 --> 00:43:30,190

hope this their apartment hotel there

1069

00:43:34,980 --> 00:43:31,630

was a short flight of stairs went up to

1070

00:43:36,150 --> 00:43:34,990

the attics now I was standing on the if

1071

00:43:37,410 --> 00:43:36,160

you lay on the corridor

1072

00:43:39,660 --> 00:43:37,420

she was going up the stairs since she

1073

00:43:42,630 --> 00:43:39,670

turned and looked to me and it wasn't

1074

00:43:44,070 --> 00:43:42,640

her face changed she became someone else

1075

00:43:44,880 --> 00:43:44,080

almost of something that something had

1076

00:43:47,940 --> 00:43:44,890

taken it over

1077

00:43:50,790 --> 00:43:47,950

and Lynette what is that when I

1078

00:43:52,410 --> 00:43:50,800

described the face that I saw our

1079

00:43:54,630 --> 00:43:52,420

daughter told me that that's what the

1080

00:43:56,250 --> 00:43:54,640

the previous occupant of the hotel the

1081

00:43:57,390 --> 00:43:56,260

previous owner had looked like a mrs.

1082

00:44:00,750 --> 00:43:57,400

can't remember of name doesn't really

1083

00:44:03,000 --> 00:44:00,760

matter but as soon as I hear that this

1084

00:44:05,010 --> 00:44:03,010

all the woman was I had taken possession

1085

00:44:07,770 --> 00:44:05,020

over she wasn't the woman wasn't a weird

1086

00:44:09,300 --> 00:44:07,780

about my ID I can't tell you Murray

1087

00:44:12,330 --> 00:44:09,310

three-second eyes my gran brought me in

1088

00:44:13,740 --> 00:44:12,340

there but she wasn't aware that I'd seen

1089

00:44:15,420 --> 00:44:13,750

this then she wasn't aware of it that

1090

00:44:17,420 --> 00:44:15,430

had been taken over but it wasn't her on

1091

00:44:19,830 --> 00:44:17,430

the staircase she she has changed anyway

1092

00:44:23,430 --> 00:44:19,840

later on that same night but would enter

1093

00:44:25,410 --> 00:44:23,440

office my brother was there our sister

1094

00:44:27,030 --> 00:44:25,420

was there and one other employees was

1095

00:44:29,040 --> 00:44:27,040

there she was sitting about six seven

1096

00:44:30,390 --> 00:44:29,050

feet from me another side of the fire it

1097

00:44:32,520 --> 00:44:30,400

was a winter's day it was called the

1098

00:44:34,620 --> 00:44:32,530

fire was on central heating was on and

1099

00:44:36,360 --> 00:44:34,630

she's just talking to me and she still

1100

00:44:38,010 --> 00:44:36,370

knows stuff that was happening and it

1101
00:44:39,360 --> 00:44:38,020
was quick it was quite relaxed never we

1102
00:44:39,750 --> 00:44:39,370
were just nod not heard listening and

1103
00:44:41,760 --> 00:44:39,760
stuff

1104
00:44:44,850 --> 00:44:41,770
now I'm looking at her then all of a

1105
00:44:46,140 --> 00:44:44,860
sudden the room went cold I don't mean

1106
00:44:48,740 --> 00:44:46,150
he just got cool that it went called

1107
00:44:51,870 --> 00:44:48,750
bank just temperature went right down

1108
00:44:55,230 --> 00:44:51,880
the sound quality changed to almost an

1109
00:44:57,690 --> 00:44:55,240
echo a sort of sound and over her left

1110
00:44:59,940 --> 00:44:57,700
shoulder in the corner by the window I

1111
00:45:02,700 --> 00:44:59,950
could see a figure starting to form the

1112
00:45:05,100 --> 00:45:02,710
six foot high humanoid shape getting

1113
00:45:08,850 --> 00:45:05,110

darker and darker and more dense as I

1114

00:45:10,530 --> 00:45:08,860

watched and I thought I didn't see

1115

00:45:12,840 --> 00:45:10,540

anything but I thought I'm not ready for

1116

00:45:17,250 --> 00:45:12,850

this go just go it shouldn't be here no

1117

00:45:18,150 --> 00:45:17,260

go and as soon as I thought that the

1118

00:45:20,370 --> 00:45:18,160

figure vanished

1119

00:45:22,680 --> 00:45:20,380

the temperature came back up and the

1120

00:45:24,990 --> 00:45:22,690

sound returned to normal and woman of

1121

00:45:28,770 --> 00:45:25,000

course an occluded wide void that wide

1122

00:45:30,420 --> 00:45:28,780

sense so after she'd finished speaking I

1123

00:45:32,220 --> 00:45:30,430

said well that's fine and I said that

1124

00:45:34,440 --> 00:45:32,230

anyone notice anything the last couple

1125

00:45:36,210 --> 00:45:34,450

of minutes and the guy said and be

1126

00:45:36,780 --> 00:45:36,220

saying yeah she would absolutely but her

1127

00:45:39,030 --> 00:45:36,790

cold

1128

00:45:39,480 --> 00:45:39,040

I said did you notice anything about

1129

00:45:40,920 --> 00:45:39,490

this so

1130

00:45:42,240 --> 00:45:40,930

no I said no nothing like that and I

1131

00:45:44,160 --> 00:45:42,250

look to people know him hadn't there was

1132

00:45:45,300 --> 00:45:44,170

anything at all but the guy said me

1133

00:45:47,910 --> 00:45:45,310

saved me it was the sudden drop in

1134

00:45:50,460 --> 00:45:47,920

temperature I didn't see what happened

1135

00:45:51,870 --> 00:45:50,470

didn't worry them well I thought there's

1136

00:45:55,950 --> 00:45:51,880

something very strange going war and

1137

00:45:57,900 --> 00:45:55,960

endless and this hotel so I swear I used

1138

00:45:59,940 --> 00:45:57,910

to come back which we did and I went

1139

00:46:04,080 --> 00:45:59,950

back with with the two mediums it was

1140

00:46:05,940 --> 00:46:04,090

Anne Marie and and her husband Jim now

1141

00:46:09,240 --> 00:46:05,950

it was on the staircase was where they

1142

00:46:12,900 --> 00:46:09,250

located the maximum if you like presence

1143

00:46:14,850 --> 00:46:12,910

though they said and I have no emotion

1144

00:46:19,500 --> 00:46:14,860

for this but however what happened a bit

1145

00:46:22,050 --> 00:46:19,510

later mate she said some child some

1146

00:46:24,660 --> 00:46:22,060

young woman she said pregnant fell down

1147

00:46:26,130 --> 00:46:24,670

the staircase and died she said she lost

1148

00:46:28,950 --> 00:46:26,140

her life she fell down the staircase and

1149

00:46:32,609 --> 00:46:28,960

I'm kick ago killed and she was pregnant

1150

00:46:36,359 --> 00:46:32,619

I know she was gone by I guess a bit

1151
00:46:38,010 --> 00:46:36,369
maybe a bit 150 150 years as you

1152
00:46:39,600 --> 00:46:38,020
probably know then you just didn't get

1153
00:46:41,190 --> 00:46:39,610
pregnant it's a wedlock it was

1154
00:46:43,490 --> 00:46:41,200
absolutely nothing I just didn't happen

1155
00:46:46,830 --> 00:46:43,500
and she was out yeah but her father

1156
00:46:48,630 --> 00:46:46,840
wanted I think it of the kid and she

1157
00:46:51,859 --> 00:46:48,640
hated him was a passion she hated her

1158
00:46:54,120 --> 00:46:51,869
father with an absolute passion so I

1159
00:46:56,730 --> 00:46:54,130
looked because she died in a staircase

1160
00:46:59,400 --> 00:46:56,740
she's still hard but this hatred and she

1161
00:47:01,470 --> 00:46:59,410
was still on the staircase now the odd

1162
00:47:03,510 --> 00:47:01,480
thing that happened on the staircase as

1163
00:47:04,530 --> 00:47:03,520

far as I was concerned was I was

1164

00:47:06,240 --> 00:47:04,540

standing in the middle of the staircase

1165

00:47:08,099 --> 00:47:06,250

with anne-marie and her husband Jim was

1166

00:47:09,930 --> 00:47:08,109

standing with stop of the staircase and

1167

00:47:11,640 --> 00:47:09,940

all of a sudden a wooden started to blow

1168

00:47:14,849 --> 00:47:11,650

dough in the staircase and I don't just

1169

00:47:18,060 --> 00:47:14,859

mean a gentle Zephyr this was a wooden

1170

00:47:20,010 --> 00:47:18,070

that blew down a staircase in fact every

1171

00:47:22,109 --> 00:47:20,020

single exposed piece of skin and my face

1172

00:47:23,460 --> 00:47:22,119

in the back of my hands and stuff it's

1173

00:47:25,620 --> 00:47:23,470

thousands of tiny needles were likely

1174

00:47:28,020 --> 00:47:25,630

trickling away at me and I went what the

1175

00:47:29,730 --> 00:47:28,030

hell is what's good on me yeah that says

1176

00:47:31,109 --> 00:47:29,740

the woman that's the girl says she's

1177

00:47:33,570 --> 00:47:31,119

trying to push us off the staircase she

1178

00:47:34,859 --> 00:47:33,580

wants rid of us so she said what I'm

1179

00:47:36,660 --> 00:47:34,869

going to do is I'm going to try and

1180

00:47:40,500 --> 00:47:36,670

reunite her with what's the day it was

1181

00:47:42,210 --> 00:47:40,510

to baby you know so she went down the

1182

00:47:43,710 --> 00:47:42,220

staircase I'm standing in the middle of

1183

00:47:45,030 --> 00:47:43,720

the staircase Gemma standing the slope

1184

00:47:48,930 --> 00:47:45,040

of the staircase and I'm standing there

1185

00:47:51,090 --> 00:47:48,940

and she's she didn't what happened then

1186

00:47:53,400 --> 00:47:51,100

was the temps just started to go up and

1187

00:47:55,440 --> 00:47:53,410

down the one stopped the temperature

1188

00:47:57,750 --> 00:47:55,450

that dig up and down and I could smell

1189

00:47:59,310 --> 00:47:57,760

things I could smell it it was a smoke

1190

00:48:00,870 --> 00:47:59,320

the smell of whole animals that holds

1191

00:48:04,100 --> 00:48:00,880

the horses for whatever better what I

1192

00:48:08,730 --> 00:48:04,110

guess and I could smell all the way he

1193

00:48:10,260 --> 00:48:08,740

like the smell of fresh hay as it turns

1194

00:48:11,910 --> 00:48:10,270

at the place used to be a farm I won't

1195

00:48:16,140 --> 00:48:11,920

say that that's that again I was thirty

1196

00:48:19,890 --> 00:48:16,150

but all of a sudden it was like the

1197

00:48:21,300 --> 00:48:19,900

sense of like a sense of tension and

1198

00:48:22,650 --> 00:48:21,310

pressure was building up and building I

1199

00:48:24,050 --> 00:48:22,660

could feel this tension around the boat

1200

00:48:27,750 --> 00:48:24,060

you could almost cut it with a knife

1201

00:48:29,070 --> 00:48:27,760

then all of a sudden they just went he

1202

00:48:30,450 --> 00:48:29,080

just dropped away it vanished they

1203

00:48:32,520 --> 00:48:30,460

stopped the temperature thumped a norm

1204

00:48:35,250 --> 00:48:32,530

whatever was faint and before Dan Murray

1205

00:48:37,500 --> 00:48:35,260

told me this I said that's it she's gone

1206

00:48:40,920 --> 00:48:37,510

and she said I've really reunited with

1207

00:48:43,890 --> 00:48:40,930

the dead baby and that's it she's gone

1208

00:48:46,050 --> 00:48:43,900

she's gone I felt her go and that to me

1209

00:48:48,720 --> 00:48:46,060

right off the [h__h] off of the fence as

1210

00:48:51,480 --> 00:48:48,730

far as shall we say presences are

1211

00:48:53,310 --> 00:48:51,490

consumed I know it was you know it was a

1212

00:48:54,780 --> 00:48:53,320

blast though it was astounding and I've

1213

00:48:57,360 --> 00:48:54,790

never experienced anything all out in

1214

00:48:59,250 --> 00:48:57,370

the life and in fact on that staircase a

1215

00:49:00,810 --> 00:48:59,260

little bit before we did this I've been

1216

00:49:03,540 --> 00:49:00,820

filming in the whole thing filming the

1217

00:49:05,580 --> 00:49:03,550

thing on video and I saw a dark sheep

1218

00:49:08,070 --> 00:49:05,590

moved down the staircase stopped at the

1219

00:49:09,540 --> 00:49:08,080

bottom and then just vanished and at all

1220

00:49:11,610 --> 00:49:09,550

Don Murray and Jimmy Willis and he said

1221

00:49:13,200 --> 00:49:11,620

well we didn't see anything but she did

1222

00:49:15,420 --> 00:49:13,210

it was possible that that was meant for

1223

00:49:17,520 --> 00:49:15,430

you to see and only is bullet for you to

1224

00:49:20,010 --> 00:49:17,530

see and that's why you picked up on the

1225

00:49:21,450 --> 00:49:20,020

videotape although when I do that my

1226

00:49:22,380 --> 00:49:21,460

Twitter there was nothing to be seen on

1227

00:49:25,170 --> 00:49:22,390

the videotape

1228

00:49:27,600 --> 00:49:25,180

but yet the hotel took me right off the

1229

00:49:29,250 --> 00:49:27,610

fence and made and I believer at me

1230

00:49:30,900 --> 00:49:29,260

because I'd always been a bit you know

1231

00:49:32,940 --> 00:49:30,910

half half that about it so I'm

1232

00:49:36,000 --> 00:49:32,950

absolutely convinced that when we die

1233

00:49:38,490 --> 00:49:36,010

that part of us can be contacted our

1234

00:49:39,690 --> 00:49:38,500

consciousness continues I'm just gonna

1235

00:49:41,820 --> 00:49:39,700

say that Brian I mean in what you

1236

00:49:43,110 --> 00:49:41,830

describe in there doesn't seem to be any

1237

00:49:46,560 --> 00:49:43,120

interaction with somebody's

1238

00:49:47,730 --> 00:49:46,570

consciousness no no in the world can

1239

00:49:49,530 --> 00:49:47,740

physical in tonight with you as well

1240

00:49:53,340 --> 00:49:49,540

obviously it can well from what I've

1241

00:49:55,170 --> 00:49:53,350

just said that but so if I could I'm

1242

00:49:59,570 --> 00:49:55,180

still that question every readers do

1243

00:50:02,160 --> 00:49:59,580

them to you I've been to you and you I

1244

00:50:04,020 --> 00:50:02,170

find it all fascinating Brian I'm not

1245

00:50:06,650 --> 00:50:04,030

I'm not a skeptic I just find it

1246

00:50:08,480 --> 00:50:06,660

fascinating I'm not convinced of

1247

00:50:10,700 --> 00:50:08,490

spirit world and life after death and

1248

00:50:14,270 --> 00:50:10,710

things like that but but unlike yourself

1249

00:50:17,540 --> 00:50:14,280

I don't doubt that there is a phenomenon

1250

00:50:19,970 --> 00:50:17,550

there what it is what causes it what

1251
00:50:23,600 --> 00:50:19,980
lies behind it how its created I haven't

1252
00:50:25,520 --> 00:50:23,610
got a clue but it still fascinates me

1253
00:50:29,120 --> 00:50:25,530
because it goes back to when I first

1254
00:50:31,520 --> 00:50:29,130
became interested which before the UFO

1255
00:50:34,640 --> 00:50:31,530
subject I used to go to the spiritualist

1256
00:50:36,320 --> 00:50:34,650
Church with with my my best friend's

1257
00:50:38,960 --> 00:50:36,330
grandmother he was to live obviously to

1258
00:50:41,300 --> 00:50:38,970
us and I found it fascinating but I

1259
00:50:43,010 --> 00:50:41,310
listened to some of the messages he was

1260
00:50:45,650 --> 00:50:43,020
giving to people and I thought why it's

1261
00:50:47,240 --> 00:50:45,660
a bit like your horoscope reading it in

1262
00:50:49,940 --> 00:50:47,250
the newspaper that could have appealed

1263
00:50:51,470 --> 00:50:49,950

to you know a whole host of people but

1264

00:50:54,350 --> 00:50:51,480

nonetheless I didn't think they were

1265

00:50:59,320 --> 00:50:54,360

lying or creating things or making

1266

00:51:01,400 --> 00:50:59,330

things up and I still find it all

1267

00:51:02,840 --> 00:51:01,410

fascinating idea I did say right at the

1268

00:51:04,340 --> 00:51:02,850

beginning you may not agree with Brian

1269

00:51:05,800 --> 00:51:04,350

this evening but he's certainly going to

1270

00:51:12,830 --> 00:51:05,810

learn something

1271

00:51:16,610 --> 00:51:12,840

well the say regarding spiritualist

1272

00:51:18,020 --> 00:51:16,620

churches no I can't I can all the

1273

00:51:20,060 --> 00:51:18,030

countless to you because I didn't

1274

00:51:23,210 --> 00:51:20,070

experience this person that's what was a

1275

00:51:24,740 --> 00:51:23,220

guy was interview it was at like the

1276

00:51:27,740 --> 00:51:24,750

other day whenever doing this stuff no

1277

00:51:30,170 --> 00:51:27,750

he wasn't a spiritual has been quite a

1278

00:51:32,780 --> 00:51:30,180

big way it was also in a ufology in a

1279

00:51:36,860 --> 00:51:32,790

big way and it went along to the

1280

00:51:38,690 --> 00:51:36,870

spiritualist Church and it was certain

1281

00:51:41,030 --> 00:51:38,700

there because he wasn't sure who

1282

00:51:45,320 --> 00:51:41,040

followed in quite a big way and the

1283

00:51:48,220 --> 00:51:45,330

medium that was on the stage Pech

1284

00:51:51,080 --> 00:51:48,230

dementia I've got a message for you and

1285

00:51:53,600 --> 00:51:51,090

she did Anna Strom and she described the

1286

00:51:55,730 --> 00:51:53,610

guy and it was it was this was after

1287

00:51:57,380 --> 00:51:55,740

Allen dr. Allen Hynek yeah as you

1288

00:52:02,120 --> 00:51:57,390

probably know you've probably heard the

1289

00:52:05,030 --> 00:52:02,130

Hynek that she was describing Hynek was

1290

00:52:06,320 --> 00:52:05,040

was there with her and a and he was the

1291

00:52:09,350 --> 00:52:06,330

message that was coming from this

1292

00:52:10,700 --> 00:52:09,360

high-neck was that he was keep looking

1293

00:52:12,080 --> 00:52:10,710

at wait it was something he was

1294

00:52:13,430 --> 00:52:12,090

investigating the theme he said you're

1295

00:52:16,310 --> 00:52:13,440

absolutely right because that's what was

1296

00:52:18,130 --> 00:52:16,320

happening and the medium also then

1297

00:52:19,970 --> 00:52:18,140

Turner said there's something with them

1298

00:52:25,690 --> 00:52:19,980

it's much smaller

1299

00:52:32,480 --> 00:52:28,970

Michale time self good cold I'm killed

1300

00:52:34,130 --> 00:52:32,490

and that were again when the medium

1301

00:52:35,180 --> 00:52:34,140

didn't know from Adam there was the

1302

00:52:37,190 --> 00:52:35,190

first thing divided we in the church

1303

00:52:38,810 --> 00:52:37,200

she singled them out she seemed to be

1304

00:52:40,700 --> 00:52:38,820

getting a message from that from the

1305

00:52:44,120 --> 00:52:40,710

then deceased recently deceased Allen

1306

00:52:46,430 --> 00:52:44,130

Hynek and a great deal in with them so

1307

00:52:48,410 --> 00:52:46,440

what you make of that of no idea and I

1308

00:52:51,190 --> 00:52:48,420

can only take it though face value what

1309

00:52:54,109 --> 00:52:51,200

the guy is telling me but this is why I

1310

00:52:56,150 --> 00:52:54,119

tend to think that there is no

1311

00:52:59,420 --> 00:52:56,160

difference between paranormal phenomena

1312

00:53:01,460 --> 00:52:59,430

and aspects of life illogical phenomena

1313

00:53:03,710 --> 00:53:01,470

I think that the probably connected at

1314

00:53:04,940 --> 00:53:03,720

some level but I know you maybe disagree

1315

00:53:06,890 --> 00:53:04,950

without Phil and I respect you for

1316

00:53:08,540 --> 00:53:06,900

although I don't necessarily Brian I

1317

00:53:11,480 --> 00:53:08,550

mean I've had the discussion with a

1318

00:53:13,910 --> 00:53:11,490

number of people yeah and there are

1319

00:53:16,460 --> 00:53:13,920

those I think we may have mentioned it

1320

00:53:19,820 --> 00:53:16,470

in discussions on honor here that the

1321

00:53:23,620 --> 00:53:19,830

Lakewood Hopkins yeah you know I was on

1322

00:53:27,349 --> 00:53:23,630

friendly terms but it's lovely fellow

1323

00:53:29,540 --> 00:53:27,359

but he felt that you know ufology was in

1324

00:53:31,880 --> 00:53:29,550

wooden pigeonhole and the paranormal was

1325

00:53:33,080 --> 00:53:31,890

in another bit you know I remember

1326

00:53:35,270 --> 00:53:33,090

discussing it with him I said what

1327

00:53:37,420 --> 00:53:35,280

perhaps they know I perhaps their

1328

00:53:40,400 --> 00:53:37,430

different sides of the same coin

1329

00:53:41,840 --> 00:53:40,410

any college stewpot thinking I think he

1330

00:53:46,400 --> 00:53:41,850

even wrote an article in the MUFON

1331

00:53:47,960 --> 00:53:46,410

journal called it stupid thinking you

1332

00:53:49,609 --> 00:53:47,970

know and I could understand what it was

1333

00:53:53,480 --> 00:53:49,619

coming from but I didn't necessarily

1334

00:53:56,390 --> 00:53:53,490

agree with him and that's why I think

1335

00:53:57,859 --> 00:53:56,400

sometimes when you we tried in in the

1336

00:53:59,660 --> 00:53:57,869

days when I used to be a conference

1337

00:54:03,230 --> 00:53:59,670

organized and one of the only ones we

1338

00:54:05,870 --> 00:54:03,240

did we had aspects of Earth mysteries

1339

00:54:08,630 --> 00:54:05,880

and the paranormal and the UFO subject

1340

00:54:11,330 --> 00:54:08,640

all mixed into one and it went down like

1341

00:54:12,680 --> 00:54:11,340

a lead balloon because you know the

1342

00:54:14,780 --> 00:54:12,690

argument was well what are they've got

1343

00:54:18,290 --> 00:54:14,790

to do with each other yeah yeah so

1344

00:54:24,349 --> 00:54:18,300

people just didn't come and you lost

1345

00:54:27,590 --> 00:54:24,359

money idea even what can I just

1346

00:54:31,460 --> 00:54:27,600

interject at this point because a phone

1347

00:54:33,440 --> 00:54:31,470

that when I give presentations the the

1348

00:54:36,320 --> 00:54:33,450

one that was down

1349

00:54:37,160 --> 00:54:36,330

well the one that was doing the best can

1350

00:54:38,120 --> 00:54:37,170

I have a whole bunch of those

1351

00:54:40,580 --> 00:54:38,130

presentations

1352

00:54:43,280 --> 00:54:40,590

that's one called truth lies in ufology

1353

00:54:46,460 --> 00:54:43,290

how the intelligence service has created

1354

00:54:49,220 --> 00:54:46,470

the modern UFO myth and because it's

1355

00:54:52,310 --> 00:54:49,230

controversial I have to supply proof and

1356

00:54:55,250 --> 00:54:52,320

I do okay I prove I'm actually saying

1357

00:54:56,570 --> 00:54:55,260

and fight the last time I gave this just

1358

00:54:58,790 --> 00:54:56,580

for this particular conference a couple

1359

00:55:00,740 --> 00:54:58,800

of presentations a couple of years ago a

1360

00:55:03,170 --> 00:55:00,750

big a big conference it was organized

1361

00:55:04,880 --> 00:55:03,180

and sterling and one of the guys in the

1362

00:55:06,110 --> 00:55:04,890

audience Nick Pope was actual in the

1363

00:55:07,970 --> 00:55:06,120

audience but that's another story

1364

00:55:09,380 --> 00:55:07,980

he was actually listen to what they say

1365

00:55:11,600 --> 00:55:09,390

and it was seem to be right and

1366

00:55:13,880 --> 00:55:11,610

furiously a madness as an aside because

1367

00:55:16,850 --> 00:55:13,890

some of the stuff that I was seeing in

1368

00:55:18,590 --> 00:55:16,860

this conference the next time I saw Nick

1369

00:55:21,890 --> 00:55:18,600

Pope on TV he was saying exactly the

1370

00:55:24,500 --> 00:55:21,900

same things for him and believing her

1371

00:55:27,110 --> 00:55:24,510

that okay but another guy that was in

1372

00:55:30,800 --> 00:55:27,120

the audience with I always Davey runs

1373

00:55:33,140 --> 00:55:30,810

runs the Birmingham UFO group Dave yeah

1374

00:55:34,430 --> 00:55:33,150

yeah Dave ordered device that came up to

1375

00:55:36,260 --> 00:55:34,440

me said you know Brian he said they may

1376

00:55:38,570 --> 00:55:36,270

not agree with that I says but he says

1377

00:55:40,310 --> 00:55:38,580

baby was a extremely plausible okay

1378

00:55:42,170 --> 00:55:40,320

it's one of those plausible arguments of

1379

00:55:45,020 --> 00:55:42,180

us kind of help and I'm coming from

1380

00:55:47,960 --> 00:55:45,030

David and did was present praise indeed

1381

00:55:49,490 --> 00:55:47,970

and basically what it was it was an

1382

00:55:51,320 --> 00:55:49,500

aspect and that's good nothing do with a

1383

00:55:53,810 --> 00:55:51,330

paranormal but there's directly do with

1384

00:55:56,120 --> 00:55:53,820

ecology and her it's been exploited and

1385

00:55:59,330 --> 00:55:56,130

it was to do with a Kenneth Arnold Satan

1386

00:56:01,190 --> 00:55:59,340

in 1947 when it is you know there's a

1387

00:56:03,440 --> 00:56:01,200

flying saucers the weren't flying

1388

00:56:04,940 --> 00:56:03,450

saucers for a kickoff what the world

1389

00:56:06,860 --> 00:56:04,950

will roughly boomerang shaped craft

1390

00:56:09,170 --> 00:56:06,870

because any and anything that on the net

1391

00:56:10,730 --> 00:56:09,180

you see you'll see the care of that is

1392

00:56:12,500 --> 00:56:10,740

point until I got like a flip chart and

1393

00:56:15,620 --> 00:56:12,510

now these roughly boomerang shaped

1394

00:56:19,100 --> 00:56:15,630

things that's what I saw so I started

1395

00:56:21,560 --> 00:56:19,110

digging into this and I came across

1396

00:56:23,840 --> 00:56:21,570

something called the hotend to two main

1397

00:56:25,370 --> 00:56:23,850

which is design that came out in Nazi

1398

00:56:29,570 --> 00:56:25,380

Germany designed by the hotend role of

1399

00:56:32,480 --> 00:56:29,580

the flying wing now during Operation

1400

00:56:33,830 --> 00:56:32,490

Paperclip the whole aircraft the whole

1401
00:56:35,960 --> 00:56:33,840
heart and to to the name was actually

1402
00:56:37,670 --> 00:56:35,970
boxed up created up and sent over to the

1403
00:56:40,660 --> 00:56:37,680
USA and given that given at the North of

1404
00:56:42,650 --> 00:56:40,670
cooperation who actually rebuilt it

1405
00:56:46,400 --> 00:56:42,660
actually built one of these things and

1406
00:56:47,320 --> 00:56:46,410
it's actually exactly like what Kenneth

1407
00:56:49,150 --> 00:56:47,330
Arnold saw

1408
00:56:50,620 --> 00:56:49,160
though the only thing that's a bit

1409
00:56:52,570 --> 00:56:50,630
different about it is if you look at

1410
00:56:54,160 --> 00:56:52,580
Kent like the drawings of Kenneth

1411
00:56:56,410 --> 00:56:54,170
Arnold's you read forwards

1412
00:56:59,350 --> 00:56:56,420
there's like a circular section in the

1413
00:57:01,750 --> 00:56:59,360

top that is the only difference now I

1414

00:57:03,490 --> 00:57:01,760

was able to sure there are a lot of the

1415

00:57:05,410 --> 00:57:03,500

things that came out in Nazi Germany it

1416

00:57:07,090 --> 00:57:05,420

was a design I can't remember the guy

1417

00:57:09,340 --> 00:57:07,100

who designed this thing there was

1418

00:57:11,380 --> 00:57:09,350

there's a nivaaranji a ramjet aircraft

1419

00:57:14,140 --> 00:57:11,390

that could do with 1200 1400 miles an

1420

00:57:17,410 --> 00:57:14,150

hour Nastya and theory a theory at least

1421

00:57:20,710 --> 00:57:17,420

and it too had this curious circular

1422

00:57:22,420 --> 00:57:20,720

part or on the top of the fuselage which

1423

00:57:25,810 --> 00:57:22,430

is actually the combustion chamber for

1424

00:57:27,760 --> 00:57:25,820

the ramjet now what Arnold seemed to

1425

00:57:30,100 --> 00:57:27,770

have seen what was a blend of the two

1426

00:57:32,650 --> 00:57:30,110

well that the ramjet had been put into

1427

00:57:34,270 --> 00:57:32,660

this there's roughly there's flying wing

1428

00:57:36,300 --> 00:57:34,280

was the reverse was flying I'm not gonna

1429

00:57:38,290 --> 00:57:36,310

talk boomerangs were flying wings and

1430

00:57:39,610 --> 00:57:38,300

that would have allowed it to do the

1431

00:57:40,990 --> 00:57:39,620

speed he could see them doing with

1432

00:57:43,360 --> 00:57:41,000

twelve to fourteen hundred miles on

1433

00:57:45,040 --> 00:57:43,370

earth in theory but the thing that comes

1434

00:57:48,280 --> 00:57:45,050

after that is well what harm to them

1435

00:57:51,430 --> 00:57:48,290

would of the go well the thing is a lot

1436

00:57:53,230 --> 00:57:51,440

of experimental aircraft just don't get

1437

00:57:55,120 --> 00:57:53,240

past the design stage for all sorts the

1438

00:57:57,220 --> 00:57:55,130

reason maybe it's not fuel-efficient a

1439

00:57:59,080 --> 00:57:57,230

bit can't carry a leak so I don't know

1440

00:58:00,280 --> 00:57:59,090

but it's just not it's just not suitable

1441

00:58:03,310 --> 00:58:00,290

for the job they're trying to get it to

1442

00:58:05,170 --> 00:58:03,320

do so I'm intend that what Kenneth

1443

00:58:06,160 --> 00:58:05,180

Arnold saw was not access to the rest of

1444

00:58:09,040 --> 00:58:06,170

what was actually built with the

1445

00:58:12,340 --> 00:58:09,050

Northrop corporation and from there he

1446

00:58:14,080 --> 00:58:12,350

said move on to again to Project

1447

00:58:17,080 --> 00:58:14,090

Paperclip and a lot of the stuff that

1448

00:58:18,820 --> 00:58:17,090

was brought from Nazi Germany and landed

1449

00:58:22,060 --> 00:58:18,830

and landed in America and give another

1450

00:58:23,650 --> 00:58:22,070

American corporations for example it's

1451

00:58:25,630 --> 00:58:23,660

claimed that a lot of stuff was back

1452

00:58:27,870 --> 00:58:25,640

engineered for whatever came down and

1453

00:58:29,800 --> 00:58:27,880

Roswell yeah and talking about

1454

00:58:31,240 --> 00:58:29,810

transistors are talking about lasers

1455

00:58:33,220 --> 00:58:31,250

talk about microwaves

1456

00:58:35,680 --> 00:58:33,230

maybe or fiber optics and all the rest

1457

00:58:38,380 --> 00:58:35,690

of it but the thing is that this

1458

00:58:40,390 --> 00:58:38,390

technology was in a very primitive stage

1459

00:58:41,280 --> 00:58:40,400

of development in Nazi Germany by

1460

00:58:43,450 --> 00:58:41,290

Telefunken

1461

00:58:44,410 --> 00:58:43,460

Zeeland Siemens with Siemens was one

1462

00:58:47,770 --> 00:58:44,420

group that was doing it

1463

00:58:50,440 --> 00:58:47,780

Telefunken was another when they had that

1464

00:58:52,330 --> 00:58:50,450

quite pure that the quite pure silicon

1465

00:58:56,380 --> 00:58:52,340

discs that had been developed in Nazi

1466

00:58:57,700 --> 00:58:56,390

Germany that tiny little white I suppose

1467

00:58:59,650 --> 00:58:57,710

they'd be the predecessors of the

1468

00:59:01,570 --> 00:58:59,660

transistor how many mics of what they're

1469

00:59:03,550 --> 00:59:01,580

called now but but

1470

00:59:05,860 --> 00:59:03,560

we hide them as well but the size here

1471

00:59:07,440 --> 00:59:05,870

of an eggcup well the night he said them

1472

00:59:09,460 --> 00:59:07,450

double the size of the tip your finger

1473

00:59:11,230 --> 00:59:09,470

Kleist work with a Chrysler and tubes

1474

00:59:13,240 --> 00:59:11,240

closely I think was placed on tubes that

1475

00:59:15,250 --> 00:59:13,250

were cold and the Nazis actually had

1476

00:59:17,440 --> 00:59:15,260

this stuff then they were working on

1477

00:59:19,030 --> 00:59:17,450

what seems to have been fiber optics

1478

00:59:20,500 --> 00:59:19,040

they were working on microwave

1479

00:59:22,630 --> 00:59:20,510

transmissions well that was B through

1480

00:59:24,970 --> 00:59:22,640

radar obviously that's where that would

1481

00:59:27,760 --> 00:59:24,980

come from but the thing is a lot of

1482

00:59:31,420 --> 00:59:27,770

stuff that chemo and was attributed to

1483

00:59:33,190 --> 00:59:31,430

to back engineer you know et technology

1484

00:59:35,230 --> 00:59:33,200

with nothing of the kind it was actually

1485

00:59:36,700 --> 00:59:35,240

brought from Nazi Germany and given to

1486

00:59:39,640 --> 00:59:36,710

the Americans under Project Paperclip

1487

00:59:42,280 --> 00:59:39,650

know if you think about it what better

1488

00:59:44,200 --> 00:59:42,290

way does guys a walk then see we have

1489

00:59:47,140 --> 00:59:44,210

anything there have been it benefiting

1490

00:59:49,180 --> 00:59:47,150

handsomely and billions and billions of

1491

00:59:51,220 --> 00:59:49,190

dollars worth of stuff from imported

1492

00:59:53,680 --> 00:59:51,230

Nazi technology them to blame on UFOs

1493

00:59:56,170 --> 00:59:53,690

and extraterrestrials because it's a

1494

00:59:58,450 --> 00:59:56,180

perfect guys for it so I'm pretty sure

1495

01:00:00,430 --> 00:59:58,460

that the stuff that has attributed the

1496

01:00:02,980 --> 01:00:00,440

back engineered alien technology was in

1497

01:00:04,870 --> 01:00:02,990

fact came from Nazi Germany and the

1498

01:00:08,050 --> 01:00:04,880

presentation I actually proved this and

1499

01:00:10,000 --> 01:00:08,060

actually sure that the actual the

1500

01:00:11,740 --> 01:00:10,010

photographs of all the stuff as it was

1501

01:00:14,890 --> 01:00:11,750

taken back from Nazi Germany what became

1502

01:00:16,540 --> 01:00:14,900

of it so this is why I think the

1503

01:00:17,950 --> 01:00:16,550

intelligence well I'm not doubting for

1504

01:00:19,390 --> 01:00:17,960

one minute that we had were visited by

1505

01:00:21,790 --> 01:00:19,400

things that don't belong in this reality

1506

01:00:24,940 --> 01:00:21,800

in other words call a Metis if you like

1507

01:00:26,080 --> 01:00:24,950

but I'm pretty sure that were been fed a

1508

01:00:29,290 --> 01:00:26,090

lot of codswallop

1509

01:00:34,150 --> 01:00:29,300

as far as far as a lot of et contact but

1510

01:00:35,740 --> 01:00:34,160

again a very I said emotive subject but

1511

01:00:37,630 --> 01:00:35,750

at least Dave

1512

01:00:39,250 --> 01:00:37,640

Hajin was able to accept that where I

1513

01:00:41,020 --> 01:00:39,260

was coming from and he said it was a

1514

01:00:42,310 --> 01:00:41,030

very current very plausibly arcade

1515

01:00:46,030 --> 01:00:42,320

argument not they agree whether what

1516

01:00:47,380 --> 01:00:46,040

about my god but yeah it's some could

1517

01:00:49,090 --> 01:00:47,390

have been with us sort of stuff because

1518

01:00:51,100 --> 01:00:49,100

there's not a ways about it that the

1519

01:00:53,980 --> 01:00:51,110

intelligence community has benefited

1520

01:00:56,170 --> 01:00:53,990

handsomely from Hayden its secrets and

1521

01:00:57,790 --> 01:00:56,180

planes say if you like and activating it

1522

01:00:59,830 --> 01:00:57,800

till you Air Force because if you

1523

01:01:02,320 --> 01:00:59,840

remember an old UFO corn from says I

1524

01:01:03,670 --> 01:01:02,330

mean I didn't have seen it myself when

1525

01:01:05,530 --> 01:01:03,680

one of the first things I speakers would

1526

01:01:06,640 --> 01:01:05,540

do what would be a welcomed enemy away

1527

01:01:08,290 --> 01:01:06,650

from the Europe from the intelligence

1528

01:01:10,870 --> 01:01:08,300

community hunt they've been the audience

1529

01:01:12,880 --> 01:01:10,880

because often the well and the reason

1530

01:01:14,890 --> 01:01:12,890

for that is to see just her world that I

1531

01:01:17,080 --> 01:01:14,900

said formation was going

1532

01:01:19,180 --> 01:01:17,090

and just to see what hopi who are buying

1533

01:01:20,620 --> 01:01:19,190

into it because don't forget a lot of

1534

01:01:23,290 --> 01:01:20,630

these guys a lot of these intelligence

1535

01:01:24,880 --> 01:01:23,300

officers and intelligence groups they

1536

01:01:26,740 --> 01:01:24,890

were controlling the agenda they were

1537

01:01:28,060 --> 01:01:26,750

controlling the information and they

1538

01:01:30,340 --> 01:01:28,070

just wanted to see how well it was going

1539

01:01:34,000 --> 01:01:30,350

however what was being a been accepted

1540

01:01:35,380 --> 01:01:34,010

by the general public and as if I'm

1541

01:01:37,720 --> 01:01:35,390

absolutely certain we are visited by

1542

01:01:42,250 --> 01:01:37,730

entities from from from other realities

1543

01:01:44,740 --> 01:01:42,260

I'm also equally sure that the

1544

01:01:46,600 --> 01:01:44,750

intelligence community has exploited the

1545

01:01:48,400 --> 01:01:46,610

theories about it for little ends and

1546

01:01:49,660 --> 01:01:48,410

I've done so very well and the reason

1547

01:01:51,520 --> 01:01:49,670

they don't do it now is because I don't

1548

01:01:55,060 --> 01:01:51,530

think they need to because most of the

1549

01:01:56,290 --> 01:01:55,070

technology that we have just no but

1550

01:01:57,580 --> 01:01:56,300

wouldn't be seeing the benefits of that

1551

01:01:58,780 --> 01:01:57,590

then the ultra secrets therefore

1552

01:02:00,970 --> 01:01:58,790

wouldn't see if over the next 30 years

1553

01:02:02,770 --> 01:02:00,980

or so before they finally got in their

1554

01:02:04,630 --> 01:02:02,780

door well they're gonna deal with it but

1555

01:02:06,550 --> 01:02:04,640

I'm also equally sure that the

1556

01:02:07,810 --> 01:02:06,560

intelligence community has exploited a

1557

01:02:08,380 --> 01:02:07,820

lot of their stuff ruthlessly for their

1558

01:02:11,740 --> 01:02:08,390

own ends

1559

01:02:13,780 --> 01:02:11,750

I mean I've been out to Roswell Brian I

1560

01:02:15,940 --> 01:02:13,790

mean yeah and I wouldn't disagree with

1561

01:02:20,770 --> 01:02:15,950

you I mean you know Nick Redfern for

1562

01:02:24,130 --> 01:02:20,780

example two books about ape certainly

1563

01:02:26,620 --> 01:02:24,140

was a man-made contraption that crashed

1564

01:02:28,450 --> 01:02:26,630

at Roswell now and and the one thing I

1565

01:02:30,970 --> 01:02:28,460

could never get about Roswell if it

1566

01:02:33,940 --> 01:02:30,980

wasn't et what say it was first contact

1567

01:02:37,600 --> 01:02:33,950

for sake of argument as those that

1568

01:02:39,820 --> 01:02:37,610

believe in it claim it was then rather

1569

01:02:41,350 --> 01:02:39,830

rather than covering up I thought the

1570

01:02:44,130 --> 01:02:41,360

Americans would have done the exact

1571

01:02:47,080 --> 01:02:44,140

opposite mm-hmm because the propaganda

1572

01:02:49,630 --> 01:02:47,090

from it would have been enormous oh yeah

1573

01:02:51,910 --> 01:02:49,640

for sure you know the the the Cold War

1574

01:02:54,520 --> 01:02:51,920

was just just about starting and can you

1575

01:02:56,650 --> 01:02:54,530

imagine dry and you being the president

1576

01:02:59,590 --> 01:02:56,660

of the US and we have first contact and

1577

01:03:02,290 --> 01:02:59,600

yeah okay it ends in catastrophe but

1578

01:03:04,240 --> 01:03:02,300

they came to America and not Russia can

1579

01:03:06,610 --> 01:03:04,250

you imagine that you know and you could

1580

01:03:08,710 --> 01:03:06,620

have done wink-wink nudge-nudge guess

1581

01:03:10,600 --> 01:03:08,720

what we found you know I mean we know we

1582

01:03:12,250 --> 01:03:10,610

got only our own nukes but these guys

1583

01:03:14,140 --> 01:03:12,260

brought along some stuff as well that

1584

01:03:17,610 --> 01:03:14,150

we're working on yeah it would have been

1585

01:03:20,170 --> 01:03:17,620

tremendous but it didn't happen you know

1586

01:03:22,330 --> 01:03:20,180

according to people like that

1587

01:03:24,130 --> 01:03:22,340

the late Stanton Friedman and others you

1588

01:03:26,410 --> 01:03:24,140

know the cosmic Watergate was put in

1589

01:03:28,160 --> 01:03:26,420

place within hours oh yes which to me

1590

01:03:30,559 --> 01:03:28,170

doesn't make any sense

1591

01:03:35,180 --> 01:03:30,569

Oh oh yeah they fell it does it does

1592

01:03:37,339 --> 01:03:35,190

because don't forget in America you have

1593

01:03:40,490 --> 01:03:37,349

got a little a whole bunch of

1594

01:03:43,819 --> 01:03:40,500

evangelical right-wing Christians okay

1595

01:03:46,960 --> 01:03:43,829

now if you were to suggest the et was

1596

01:03:49,460 --> 01:03:46,970

earlier and the world visiting us and

1597

01:03:51,289 --> 01:03:49,470

they had no religion because I think one

1598

01:03:52,670 --> 01:03:51,299

of the questions that I kept coming then

1599

01:03:54,589 --> 01:03:52,680

it was in washed cufflinks I heard this

1600

01:03:57,200 --> 01:03:54,599

talk with sanctuary city that was a last

1601

01:03:58,609 --> 01:03:57,210

couple of weeks I held this and I was

1602

01:04:01,250 --> 01:03:58,619

one of the questions that somebody would

1603

01:04:03,579 --> 01:04:01,260

like to ask an ETF ever got and contact

1604

01:04:08,450 --> 01:04:03,589

with them do you have religion okay

1605

01:04:11,270 --> 01:04:08,460

because f Sidhu its president island for

1606

01:04:14,539 --> 01:04:11,280

spin or on the whole concept of religion

1607

01:04:17,089 --> 01:04:14,549

because if they don't then it means that

1608

01:04:18,859 --> 01:04:17,099

the the religion is entirely a man-made

1609

01:04:21,109 --> 01:04:18,869

concept that a human-made concepts

1610

01:04:23,270 --> 01:04:21,119

always say and if it doesn't exist on

1611

01:04:24,710 --> 01:04:23,280

any other planet in the galaxy that was

1612

01:04:28,039 --> 01:04:24,720

that will happen to get in contact with

1613

01:04:30,920 --> 01:04:28,049

them surely it means it's a this

1614

01:04:33,410 --> 01:04:30,930

presents a grave threat to the

1615

01:04:35,930 --> 01:04:33,420

established religions and this on this

1616

01:04:37,880 --> 01:04:35,940

planet because a half hell that said

1617

01:04:40,220 --> 01:04:37,890

that I think a kid that came from the

1618

01:04:42,920 --> 01:04:40,230

Vatican as I remember right away when I

1619

01:04:45,140 --> 01:04:42,930

was trying to be corrected that what

1620

01:04:47,000 --> 01:04:45,150

would what would they say if Fe T landed

1621

01:04:48,920 --> 01:04:47,010

here and the phone that didn't believe

1622

01:04:51,049 --> 01:04:48,930

in God now answer the came from the

1623

01:04:56,299 --> 01:04:51,059

Vatican s hoptastic would convert them

1624

01:05:00,799 --> 01:04:56,309

the effect of what you know yeah yeah

1625

01:05:03,400 --> 01:05:00,809

why not fit in the same load of

1626
01:05:05,630 --> 01:05:03,410
codswallop weed feeding us for years but

1627
01:05:09,109 --> 01:05:05,640
again it's the subjects very emotive

1628
01:05:10,760 --> 01:05:09,119
bombs pretty sure that the US would not

1629
01:05:13,510 --> 01:05:10,770
have shouted about this so therefore

1630
01:05:18,049 --> 01:05:13,520
fear of upset ovulate the religious rate

1631
01:05:20,359 --> 01:05:18,059
in America I'm actually I'm just going

1632
01:05:22,460 --> 01:05:20,369
to jump in there because I'm not saying

1633
01:05:27,289 --> 01:05:22,470
I disagree with you there Brian at all

1634
01:05:29,000 --> 01:05:27,299
but the biggest red red flag for me you

1635
01:05:31,609 --> 01:05:29,010
know I'm not saying it isn't one of the

1636
01:05:34,490 --> 01:05:31,619
art and craft that's all that annal saw

1637
01:05:36,380 --> 01:05:34,500
but what we got to remember is there

1638
01:05:39,680 --> 01:05:36,390

were probably only two or three of those

1639

01:05:42,050 --> 01:05:39,690

bill in Nazi Germany before the word

1640

01:05:43,760 --> 01:05:42,060

shirted now yeah okay the

1641

01:05:46,100 --> 01:05:43,770

come down send him across to the states

1642

01:05:49,160 --> 01:05:46,110

for what we've got to remember is that

1643

01:05:51,110 --> 01:05:49,170

Kenneth on will saw now gave them flying

1644

01:05:52,940 --> 01:05:51,120

in formation yes they could have they

1645

01:05:54,620 --> 01:05:52,950

could have built some and you know but

1646

01:05:57,020 --> 01:05:54,630

wasn't the one that a different shape

1647

01:05:59,660 --> 01:05:57,030

altogether that I actually saw as well

1648

01:06:02,300 --> 01:05:59,670

and also you know to me it just seems an

1649

01:06:04,160 --> 01:06:02,310

uncommonly large number of test aircraft

1650

01:06:06,350 --> 01:06:04,170

you know usually the only build maybe

1651

01:06:10,430 --> 01:06:06,360

one or two went in try you try and fly

1652

01:06:13,640 --> 01:06:10,440

them around you know and but in project

1653

01:06:17,210 --> 01:06:13,650

1947 which was undertaken as a response

1654

01:06:19,160 --> 01:06:17,220

to the sightings of 1947 you know and

1655

01:06:22,160 --> 01:06:19,170

older to say a flying wing craft I

1656

01:06:24,470 --> 01:06:22,170

listed as possible sources for some of

1657

01:06:26,900 --> 01:06:24,480

the sightings of that year nothing was

1658

01:06:29,170 --> 01:06:26,910

confirmed and the out went out stated at

1659

01:06:31,480 --> 01:06:29,180

the time that it wasn't a hot and winged

1660

01:06:41,000 --> 01:06:31,490

responsible for Canaveral's sighting

1661

01:06:43,460 --> 01:06:41,010

well which is kind of in some you know

1662

01:06:46,720 --> 01:06:43,470

I'm on the fence here but yeah do know

1663

01:06:50,870 --> 01:06:46,730

that certainly I think it was the 1960s

1664

01:06:56,360 --> 01:06:50,880

it has been proven and admitted that the

1665

01:06:59,510 --> 01:06:56,370

CIA did release fake UFO stories to

1666

01:07:00,110 --> 01:06:59,520

cover up overflights of this oh yes by

1667

01:07:02,510 --> 01:07:00,120

plane

1668

01:07:05,120 --> 01:07:02,520

sure yes so we know they have done that

1669

01:07:08,360 --> 01:07:05,130

and if you if we if we jump forward in

1670

01:07:12,230 --> 01:07:08,370

time and come to our shores and if we go

1671

01:07:14,780 --> 01:07:12,240

to the events at Rendlesham forest

1672

01:07:17,930 --> 01:07:14,790

oh yeah one of the theories put forward

1673

01:07:20,810 --> 01:07:17,940

in the early days that this was the same

1674

01:07:23,510 --> 01:07:20,820

kind of thing that something had gone

1675

01:07:26,350 --> 01:07:23,520

wrong that was man-made at Rendlesham

1676

01:07:29,300 --> 01:07:26,360

forest we don't know what that was but

1677

01:07:31,040 --> 01:07:29,310

the perfect cover-up was to call it a

1678

01:07:33,620 --> 01:07:31,050

UFO or a flying saucer

1679

01:07:36,230 --> 01:07:33,630

so people would go go looking in the

1680

01:07:38,540 --> 01:07:36,240

wrong direction so that they literally

1681

01:07:40,400 --> 01:07:38,550

did hide it in plain sight so to speak

1682

01:07:42,380 --> 01:07:40,410

I'm not saying that's correct I'm just

1683

01:07:44,660 --> 01:07:42,390

saying it was one of one of a number of

1684

01:07:48,260 --> 01:07:44,670

theories that was put forward to try and

1685

01:07:51,020 --> 01:07:48,270

explain the events Phil I wouldn't argue

1686

01:07:55,240 --> 01:07:51,030

with that for one second because for me

1687

01:07:57,130 --> 01:07:55,250

there are only two UFO related events

1688

01:07:59,800 --> 01:07:57,140

I would say I think you've heard me say

1689

01:08:01,900 --> 01:07:59,810

this before there are only two UFO

1690

01:08:04,390 --> 01:08:01,910

related events that I give any real

1691

01:08:06,970 --> 01:08:04,400

clearance there one was Rendlesham and

1692

01:08:08,470 --> 01:08:06,980

the other one was the a seventy case

1693

01:08:10,480 --> 01:08:08,480

because I happen to know one of the guys

1694

01:08:12,490 --> 01:08:10,490

who was involved and that I've spoke

1695

01:08:15,760 --> 01:08:12,500

them several teams he's like going

1696

01:08:19,480 --> 01:08:15,770

yes gates : yeah yeah got no guardian

1697

01:08:23,289 --> 01:08:19,490

Gaddy woods got it ya know as far as I'm

1698

01:08:26,890 --> 01:08:23,299

concerned that guy absolutely without a

1699

01:08:29,440 --> 01:08:26,900

want of a doubt is not telling a lie he

1700

01:08:31,720 --> 01:08:29,450

and and and they cook : wait i think was

1701

01:08:32,710 --> 01:08:31,730

Ella gay and with her eye shadow but it

1702

01:08:35,579 --> 01:08:32,720

was something happened to these guys

1703

01:08:38,700 --> 01:08:35,589

they saw inverted commas something

1704

01:08:41,800 --> 01:08:38,710

though the strange thing is that area

1705

01:08:45,340 --> 01:08:41,810

idea magnetic I was for okay

1706

01:08:48,340 --> 01:08:45,350

now why this should be I don't know but

1707

01:08:49,960 --> 01:08:48,350

Gauri and colon both saw something they

1708

01:08:53,140 --> 01:08:49,970

seemed have had this area that this

1709

01:08:55,090 --> 01:08:53,150

period of missing time under hypnosis

1710

01:08:57,550 --> 01:08:55,100

which is a dangerous we're doing it

1711

01:09:00,160 --> 01:08:57,560

because it means as we know that that I

1712

01:09:02,380 --> 01:09:00,170

think there was our it was a it's not

1713

01:09:03,730 --> 01:09:02,390

the best way getting information people

1714

01:09:05,860 --> 01:09:03,740

because they tend to see what their

1715

01:09:07,150 --> 01:09:05,870

their questioner wants them I say what

1716

01:09:10,420 --> 01:09:07,160

would the thing the question wants to

1717

01:09:12,970 --> 01:09:10,430

hear but the information that came out

1718

01:09:15,130 --> 01:09:12,980

of Gulf Gary I think Kim a under under

1719

01:09:19,630 --> 01:09:15,140

hypnosis because I know the woman they

1720

01:09:21,999 --> 01:09:19,640

carried out and what I showed over there

1721

01:09:24,370 --> 01:09:22,009

something happened to those guys and I'd

1722

01:09:26,200 --> 01:09:24,380

love to been a whole as fly in the wall

1723

01:09:27,700 --> 01:09:26,210

to see what it was but something

1724

01:09:30,340 --> 01:09:27,710

happened what it was

1725

01:09:32,289 --> 01:09:30,350

well Guardian as I count cozy house like

1726

01:09:35,050 --> 01:09:32,299

own and the boss seem to get tomaría

1727

01:09:37,480 --> 01:09:35,060

what's one another so yes he seems to

1728

01:09:40,120 --> 01:09:37,490

get in contact with something but the

1729

01:09:42,160 --> 01:09:40,130

odd thing was it didn't just stop was

1730

01:09:43,660 --> 01:09:42,170

the phosphating because as you probably

1731

01:09:46,150 --> 01:09:43,670

knows that Gary had other things

1732

01:09:48,730 --> 01:09:46,160

happening in the house and his life at

1733

01:09:50,559 --> 01:09:48,740

the same time that only forward on from

1734

01:09:56,260 --> 01:09:50,569

this encounter was was what whatever it

1735

01:09:58,270 --> 01:09:56,270

was and it seemed as if a door wide open

1736

01:10:02,620 --> 01:09:58,280

for him and he had been given access to

1737

01:10:03,910 --> 01:10:02,630

a glimpse of another reality and as they

1738

01:10:05,290 --> 01:10:03,920

seemed to follow him work for a well I

1739

01:10:06,910 --> 01:10:05,300

don't think I heart must know that's

1740

01:10:08,920 --> 01:10:06,920

because I think it just all stopped

1741

01:10:12,100 --> 01:10:08,930

eventually but yeah there was

1742

01:10:13,660 --> 01:10:12,110

other we should would bear call I think

1743

01:10:15,520 --> 01:10:13,670

paranormal events rather than if

1744

01:10:17,560 --> 01:10:15,530

illogical event started happening after

1745

01:10:20,950 --> 01:10:17,570

he had this dissing character was

1746

01:10:22,990 --> 01:10:20,960

whatever it was that they saw this thing

1747

01:10:25,210 --> 01:10:23,000

but as I say that is one of the few

1748

01:10:27,370 --> 01:10:25,220

accounts I would give any real credence

1749

01:10:28,930 --> 01:10:27,380

to and the other one is absolutely what

1750

01:10:30,910 --> 01:10:28,940

happened ever and also forest no I know

1751

01:10:32,740 --> 01:10:30,920

they might well have been you know

1752

01:10:34,960 --> 01:10:32,750

something very terrestrial but they

1753

01:10:36,940 --> 01:10:34,970

tried to cover up but whatever it was it

1754

01:10:38,290 --> 01:10:36,950

wasn't behaving like a terrestrial craft

1755

01:10:40,480 --> 01:10:38,300

from what I can gather

1756

01:10:43,180 --> 01:10:40,490

I mean I've spoken to some of the guys

1757

01:10:45,280 --> 01:10:43,190

that were involved in it and they're

1758

01:10:46,570 --> 01:10:45,290

currently gave it's pretty convincing

1759

01:10:48,310 --> 01:10:46,580

that there's no two ways about it

1760

01:10:50,290 --> 01:10:48,320

because Rendlesham as you probably know

1761

01:10:52,650 --> 01:10:50,300

has been called the British Roswell and

1762

01:10:55,120 --> 01:10:52,660

and the Luthor was a British out my Wars

1763

01:10:57,070 --> 01:10:55,130

because the effects of that still go on

1764

01:10:59,620 --> 01:10:57,080

and people still talk about it to this

1765

01:11:03,250 --> 01:10:59,630

day but as far as as far as what

1766

01:11:05,860 --> 01:11:03,260

happened at Roswell consumed there's

1767

01:11:07,690 --> 01:11:05,870

been so much said about that and so many

1768

01:11:09,280 --> 01:11:07,700

different theories put forward and so a

1769

01:11:11,560 --> 01:11:09,290

lot of contradictory stuff speed but

1770

01:11:13,930 --> 01:11:11,570

that I don't think we'll ever get the

1771

01:11:15,670 --> 01:11:13,940

truth what happened Russell whether it

1772

01:11:17,050 --> 01:11:15,680

was an ET craft I'm not I don't know

1773

01:11:19,170 --> 01:11:17,060

what's that my stuff you'd miss him to

1774

01:11:22,120 --> 01:11:19,180

think of wars I spent a lot of his life

1775

01:11:24,070 --> 01:11:22,130

demonstrating the fact that there's the

1776

01:11:26,760 --> 01:11:24,080

mj-12 documentation that seems to be

1777

01:11:29,530 --> 01:11:26,770

associated with it as well that again

1778

01:11:31,300 --> 01:11:29,540

appears to be genuine but a lot of

1779

01:11:33,610 --> 01:11:31,310

people say it's not genuine the MDT of

1780

01:11:35,830 --> 01:11:33,620

documentation is part of the set of a

1781

01:11:38,290 --> 01:11:35,840

mission campaign then you would then you

1782

01:11:40,360 --> 01:11:38,300

had what happened to Paul bennewitz

1783

01:11:42,550 --> 01:11:40,370

what happened to that guy was shameful I

1784

01:11:42,880 --> 01:11:42,560

heard that they're lovely no excuse for

1785

01:11:46,150 --> 01:11:42,890

it

1786

01:11:47,950 --> 01:11:46,160

Richard Doty who still turns up at UFO

1787

01:11:50,050 --> 01:11:47,960

events and his thought he healed is some

1788

01:11:54,730 --> 01:11:50,060

sorry hero in some quarters he wasn't

1789

01:11:59,140 --> 01:11:54,740

the guy exploited exploited benefits for

1790

01:12:01,270 --> 01:11:59,150

his own ends and to me what happened was

1791

01:12:02,980 --> 01:12:01,280

all the drive crazy I mean he wasn't I

1792

01:12:04,960 --> 01:12:02,990

think it was a bit unstable anyway as

1793

01:12:07,750 --> 01:12:04,970

far as I could make it but they pushed

1794

01:12:10,180 --> 01:12:07,760

him right over the edge but there are

1795

01:12:14,560 --> 01:12:10,190

only a handful of events that I think

1796

01:12:16,810 --> 01:12:14,570

are worthy of any real you for logical

1797

01:12:19,780 --> 01:12:16,820

you know for logical hot spots of

1798

01:12:21,430 --> 01:12:19,790

geological milestones pretty much said

1799

01:12:22,510 --> 01:12:21,440

the same myself I wouldn't go down to

1800

01:12:25,380 --> 01:12:22,520

just two

1801

01:12:28,930 --> 01:12:25,390

yeah what I've said is myself they're

1802

01:12:30,940 --> 01:12:28,940

often ufologists caught that 95% of

1803

01:12:33,010 --> 01:12:30,950

everything can be explained and the dog

1804

01:12:35,710 --> 01:12:33,020

I don't know where they get this these

1805

01:12:39,910 --> 01:12:35,720

figures from at all I've often thought

1806

01:12:43,440 --> 01:12:39,920

that the what we'll call you know the

1807

01:12:47,320 --> 01:12:43,450

real UFO events our few and far between

1808

01:12:48,340 --> 01:12:47,330

and I certainly wouldn't disagree with

1809

01:12:53,560 --> 01:12:48,350

you on the two that you've just

1810

01:12:58,000 --> 01:12:53,570

mentioned yeah I met Gary once and and

1811

01:13:00,790 --> 01:12:58,010

and I met Colonel Hall yeah last year at

1812

01:13:03,730 --> 01:13:00,800

Chris's conference limits magazine

1813

01:13:05,620 --> 01:13:03,740

conference okay in Hall yeah it's not in

1814

01:13:12,210 --> 01:13:05,630

Hall this year it's in Ponte fracked in

1815

01:13:17,050 --> 01:13:15,130

don't get me wrong Brian I'm not playing

1816

01:13:19,510 --> 01:13:17,060

devil's advocate here it just bothers me

1817

01:13:21,820 --> 01:13:19,520

now you have on the first night in

1818

01:13:23,890 --> 01:13:21,830

Rendlesham Jim Penniston and John

1819

01:13:26,020 --> 01:13:23,900

Burroughs they're going to the woods

1820

01:13:29,350 --> 01:13:26,030

after being alerted to these strange

1821

01:13:32,320 --> 01:13:29,360

lights that's been seen mm-hmm now Jim

1822

01:13:34,180 --> 01:13:32,330

Penniston says he saw this craft he

1823

01:13:36,130 --> 01:13:34,190

touched it it felt warm it's are these

1824

01:13:38,830 --> 01:13:36,140

mark these symbols on it walked around

1825

01:13:41,230 --> 01:13:38,840

it for about 45 minutes even drew it in

1826

01:13:43,210 --> 01:13:41,240

his notebook yep yeah his may it was

1827

01:13:45,400 --> 01:13:43,220

only a few feet away from him so I

1828

01:13:49,230 --> 01:13:45,410

didn't see any of that all right all I

1829

01:13:52,210 --> 01:13:49,240

saw was some lights yeah and I I can't

1830

01:13:54,850 --> 01:13:52,220

you know I've discussed this with the

1831

01:13:57,160 --> 01:13:54,860

two gentlemen and in the end they

1832

01:13:58,720 --> 01:13:57,170

stopped talking to me because I couldn't

1833

01:14:02,440 --> 01:13:58,730

get an answer out of them there

1834

01:14:05,910 --> 01:14:02,450

it seemed suitable yeah and we also

1835

01:14:10,270 --> 01:14:05,920

talked about the so called landing marks

1836

01:14:11,680 --> 01:14:10,280

and I says well you know the day would

1837

01:14:13,060 --> 01:14:11,690

have to be thrown out as evidence

1838

01:14:15,220 --> 01:14:13,070

because she never saw this thing touched

1839

01:14:17,080 --> 01:14:15,230

the floor in the first place yeah you

1840

01:14:19,600 --> 01:14:17,090

have no idea whether those marks were

1841

01:14:21,610 --> 01:14:19,610

there before he saw this thing here plus

1842

01:14:24,100 --> 01:14:21,620

later in the night when the police were

1843

01:14:25,540 --> 01:14:24,110

called out and they saw these marks they

1844

01:14:27,490 --> 01:14:25,550

said it was caused by rabbits

1845

01:14:29,020 --> 01:14:27,500

you're not saying they were right I'm

1846

01:14:30,280 --> 01:14:29,030

just saying that others that were there

1847

01:14:33,220 --> 01:14:30,290

that night had a different

1848

01:14:35,310 --> 01:14:33,230

interpretation of them sure so there's

1849

01:14:37,830 --> 01:14:35,320

just little things like that that the

1850

01:14:40,800 --> 01:14:37,840

bother me Brian and I don't know if you

1851

01:14:45,000 --> 01:14:40,810

how could one see a craft and the other

1852

01:14:47,040 --> 01:14:45,010

see lights I'm open to you know ideas on

1853

01:14:52,200 --> 01:14:47,050

that and they're only stood a few people

1854

01:14:53,580 --> 01:14:52,210

feel fee apart well Phil I think that

1855

01:14:55,290 --> 01:14:53,590

was something else involved mister no

1856

01:14:57,990 --> 01:14:55,300

but I think the guy that touched the

1857

01:14:59,479 --> 01:14:58,000

craft and there's not something happened

1858

01:15:02,580 --> 01:14:59,489

he's supportive had all this information

1859

01:15:04,109 --> 01:15:02,590

downloaded into him from somewhere is

1860

01:15:08,220 --> 01:15:04,119

that not part of that story as well they

1861

01:15:12,120 --> 01:15:08,230

came out with yes he says that they went

1862

01:15:14,819 --> 01:15:12,130

home and he'd had this cold of zeros and

1863

01:15:16,859 --> 01:15:14,829

ones down that's it wrote it down

1864

01:15:20,370 --> 01:15:16,869

yeah boundary Connery : wrote it down in

1865

01:15:22,520 --> 01:15:20,380

his notebook yeah later and he said he

1866

01:15:25,100 --> 01:15:22,530

thought it was going mad yeah

1867

01:15:30,209 --> 01:15:25,110

however you never mentioned it until

1868

01:15:33,720 --> 01:15:30,219

2010 are what years later and when you

1869

01:15:36,419 --> 01:15:33,730

see it was a the the anniversary

1870

01:15:38,370 --> 01:15:36,429

conference they held in Suffolk and and

1871

01:15:41,520 --> 01:15:38,380

he's not actually on the stage at this

1872

01:15:42,780 --> 01:15:41,530

point John John Burroughs he's taking

1873

01:15:46,050 --> 01:15:42,790

questions there's somebody asks about

1874

01:15:47,819 --> 01:15:46,060

the binary code yeah innocent asked Jim

1875

01:15:50,040 --> 01:15:47,829

you know Jim Penniston has just walked

1876

01:15:52,200 --> 01:15:50,050

in yeah it kind of shrugged his

1877

01:15:53,970 --> 01:15:52,210

shoulders and said I didn't think it was

1878

01:15:55,859 --> 01:15:53,980

important now I'm wondering since he

1879

01:15:57,720 --> 01:15:55,869

said it's it was so important he had to

1880

01:15:59,669 --> 01:15:57,730

write it down straight away in it almost

1881

01:16:01,050 --> 01:15:59,679

told me about yeah and then the next

1882

01:16:02,550 --> 01:16:01,060

time he struck and his shoulders and

1883

01:16:05,850 --> 01:16:02,560

saying I didn't think it was important

1884

01:16:07,530 --> 01:16:05,860

you know I I'm not saying he's making it

1885

01:16:09,300 --> 01:16:07,540

or put it I we never kills the gentleman

1886

01:16:10,740 --> 01:16:09,310

have anything like that at all after

1887

01:16:12,450 --> 01:16:10,750

I've said to both gentlemen something

1888

01:16:15,990 --> 01:16:12,460

truly bizarre happened to you that night

1889

01:16:18,959 --> 01:16:16,000

I don't we're even one of Britain's most

1890

01:16:21,000 --> 01:16:18,969

famous skeptics I won't mention his name

1891

01:16:23,399 --> 01:16:21,010

but in private he's admitted to me that

1892

01:16:25,080 --> 01:16:23,409

he has no idea what I'm Tilly was told

1893

01:16:26,729 --> 01:16:25,090

gentlemen do you think he thinks he's

1894

01:16:27,450 --> 01:16:26,739

got an explanation for what happened to

1895

01:16:29,780 --> 01:16:27,460

Colonel Eoff

1896

01:16:33,209 --> 01:16:29,790

yeah but not for Penniston and Burroughs

1897

01:16:38,640 --> 01:16:33,219

and for him to admit that even in

1898

01:16:40,709 --> 01:16:38,650

private you know took a lot of doing I'm

1899

01:16:45,060 --> 01:16:40,719

just curious mate I'm just just just the

1900

01:16:46,890 --> 01:16:45,070

way my mind works so who's gonna argue

1901

01:16:48,960 --> 01:16:46,900

me absolutely an absolutely really us in

1902

01:16:51,930 --> 01:16:48,970

but for

1903

01:16:55,020 --> 01:16:51,940

me the only two that really will okay

1904

01:16:56,840 --> 01:16:55,030

I've had no one and Curtis okay with

1905

01:16:59,250 --> 01:16:56,850

apart from that thing I saw as a child

1906

01:17:02,340 --> 01:16:59,260

I've also had lights in the sky that

1907

01:17:04,110 --> 01:17:02,350

I've seen and the odd thing was the guy

1908

01:17:05,400 --> 01:17:04,120

who was let's meet in fact the guy that

1909

01:17:08,550 --> 01:17:05,410

was gonna tame me he just died

1910

01:17:10,560 --> 01:17:08,560

everywhere on this year but the pair of

1911

01:17:11,180 --> 01:17:10,570

us what would was never a teen named

1912

01:17:13,920 --> 01:17:11,190

team

1913

01:17:15,780 --> 01:17:13,930

well walking back up but would been down

1914

01:17:18,450 --> 01:17:15,790

the terminal walking back up to the

1915

01:17:19,500 --> 01:17:18,460

house and skin wish they didn't and we

1916

01:17:21,270 --> 01:17:19,510

just happened to be looking up at the

1917

01:17:22,220 --> 01:17:21,280

sky at the same table and wow look at

1918

01:17:25,380 --> 01:17:22,230

that

1919

01:17:25,800 --> 01:17:25,390

there was like two great lights and this

1920

01:17:27,870 --> 01:17:25,810

guy

1921

01:17:29,370 --> 01:17:27,880

they shot towards one another the

1922

01:17:32,100 --> 01:17:29,380

stopped and the shot apart again

1923

01:17:34,770 --> 01:17:32,110

and we said did you see that I said yeah

1924

01:17:36,870 --> 01:17:34,780

and he said what did we see and he

1925

01:17:38,310 --> 01:17:36,880

didn't see the fly apart again he said

1926

01:17:41,340 --> 01:17:38,320

the flew past one another

1927

01:17:42,540 --> 01:17:41,350

I saw them stop them flew apart he said

1928

01:17:43,740 --> 01:17:42,550

the flew flashed one another but they

1929

01:17:44,250 --> 01:17:43,750

were very very quick and very very

1930

01:17:47,190 --> 01:17:44,260

bright

1931

01:17:48,750 --> 01:17:47,200

we both saw that so we both saw this he

1932

01:17:51,990 --> 01:17:48,760

mentioned we both saw a different thing

1933

01:17:54,120 --> 01:17:52,000

so this is why I wonder if the guy that

1934

01:17:56,970 --> 01:17:54,130

didn't see the markings on this craft or

1935

01:17:59,910 --> 01:17:56,980

the craft itself effort was not meant

1936

01:18:02,850 --> 01:17:59,920

for him to see and this is why I don't

1937

01:18:04,500 --> 01:18:02,860

know I don't know I'm trying to

1938

01:18:06,120 --> 01:18:04,510

rationalize it Phil I'm just trying to

1939

01:18:07,890 --> 01:18:06,130

give an explanation for it I'm not

1940

01:18:11,940 --> 01:18:07,900

saying you're right yeah it's absolutely

1941

01:18:13,740 --> 01:18:11,950

100% that thing that I saw in the

1942

01:18:15,090 --> 01:18:13,750

viewfinder all over the video camera

1943

01:18:18,480 --> 01:18:15,100

this dark sea and they came down that

1944

01:18:20,220 --> 01:18:18,490

sphere and the Ireland until I was told

1945

01:18:22,500 --> 01:18:20,230

by the medium it was meant for us see

1946

01:18:24,780 --> 01:18:22,510

not for anyone else to see which is why

1947

01:18:27,660 --> 01:18:24,790

it wasn't seen been embryos nor was it

1948

01:18:29,730 --> 01:18:27,670

picked up on the video tape so it was

1949

01:18:31,920 --> 01:18:29,740

meant for him to see so I know what what

1950

01:18:33,780 --> 01:18:31,930

this is for restarting could get driftin

1951

01:18:36,630 --> 01:18:33,790

in the area of the paranormal rather

1952

01:18:38,520 --> 01:18:36,640

than a useful logical but it's possible

1953

01:18:40,530 --> 01:18:38,530

that there are main control techniques

1954

01:18:42,150 --> 01:18:40,540

that way let me do this I wanna stay go

1955

01:18:43,860 --> 01:18:42,160

ahead I don't know I don't know I don't

1956

01:18:45,750 --> 01:18:43,870

know I'm just I don't know man I'm just

1957

01:18:47,970 --> 01:18:45,760

curious I wouldn't rule it out Brian I'm

1958

01:18:48,870 --> 01:18:47,980

not yeah it's just can't it just

1959

01:18:51,870 --> 01:18:48,880

fascinates merely

1960

01:18:53,520 --> 01:18:51,880

oh yes but but again you know it just

1961

01:18:55,470 --> 01:18:53,530

seems to be like an obvious question to

1962

01:18:56,430 --> 01:18:55,480

ask I wasn't mean in any offense by

1963

01:19:02,590 --> 01:18:56,440

asking that question

1964

01:19:06,130 --> 01:19:02,600

hell no absolutely not 100% rate me the

1965

01:19:09,640 --> 01:19:06,140

that the whole subject has bedeviled

1966

01:19:11,080 --> 01:19:09,650

with these little anomalies and it's

1967

01:19:12,160 --> 01:19:11,090

there normally is that create the

1968

01:19:14,110 --> 01:19:12,170

interest to keep people interested

1969

01:19:16,180 --> 01:19:14,120

there's someone who no matter what you

1970

01:19:18,490 --> 01:19:16,190

say about a case someone will always go

1971

01:19:20,530 --> 01:19:18,500

on but I'd like this above all but

1972

01:19:22,990 --> 01:19:20,540

that's what with that no case is

1973

01:19:25,000 --> 01:19:23,000

absolutely watertight no case is perfect

1974

01:19:27,550 --> 01:19:25,010

and I think this little keeps us coming

1975

01:19:29,530 --> 01:19:27,560

back to all the time yeah I'll give you

1976

01:19:30,790 --> 01:19:29,540

another example of this and we're

1977

01:19:33,970 --> 01:19:30,800

talking about your Second World War

1978

01:19:35,740 --> 01:19:33,980

technologies I think that I read a book

1979

01:19:37,960 --> 01:19:35,750

called the hunt for zero point Bennet

1980

01:19:39,490 --> 01:19:37,970

cook but one of the best in fact I wore

1981

01:19:42,580 --> 01:19:39,500

the blue coat and I think another copy

1982

01:19:50,970 --> 01:19:42,590

of it it was so good see sure are you

1983

01:19:53,920 --> 01:19:50,980

sure it was that book which is about

1984

01:19:57,070 --> 01:19:53,930

which is about the Glock you know at the

1985

01:20:01,120 --> 01:19:57,080

Bell okay then I'd say Bill and this

1986

01:20:03,790 --> 01:20:01,130

absolutely fascinated me but when you

1987

01:20:08,320 --> 01:20:03,800

see this on TV that big lock

1988

01:20:09,640 --> 01:20:08,330

I mean I go but I go but Kowski who is

1989

01:20:11,350 --> 01:20:09,650

it well I think the guy that actually he

1990

01:20:12,670 --> 01:20:11,360

brought it do not a lot of people's

1991

01:20:14,680 --> 01:20:12,680

attention because even a lot of the

1992

01:20:17,260 --> 01:20:14,690

stuff in that area

1993

01:20:19,270 --> 01:20:17,270

there has been supposedly there's been a

1994

01:20:21,220 --> 01:20:19,280

time travel device it's been the

1995

01:20:24,760 --> 01:20:21,230

propulsion system for some sort of

1996

01:20:28,620 --> 01:20:24,770

spacecraft and as rigor it variously

1997

01:20:31,600 --> 01:20:28,630

claimed that that who was an SS general

1998

01:20:34,150 --> 01:20:31,610

he's name will come back to me that he's

1999

01:20:36,460 --> 01:20:34,160

supposed to have used it to escape now

2000

01:20:39,970 --> 01:20:36,470

Eisen escaped trials and all the rest of

2001

01:20:41,560 --> 01:20:39,980

it because he disappeared and and the

2002

01:20:43,600 --> 01:20:41,570

Glock is supposed to have disappeared

2003

01:20:47,020 --> 01:20:43,610

that the end of World War two and going

2004

01:20:49,300 --> 01:20:47,030

to places unknown and there's also other

2005

01:20:55,750 --> 01:20:49,310

now there's the report Brian of it

2006

01:20:58,810 --> 01:20:55,760

landing somewhere expert nicely yes but

2007

01:21:00,580 --> 01:20:58,820

the thing is that whatever lund didn't

2008

01:21:02,260 --> 01:21:00,590

catch welcome not know I've had a fella

2009

01:21:05,590 --> 01:21:02,270

suggest it was actually Russian subtly

2010

01:21:08,260 --> 01:21:05,600

and and that the the markings on the

2011

01:21:09,910 --> 01:21:08,270

side of it which were commented on if

2012

01:21:12,730 --> 01:21:09,920

they were as they were and and Russian

2013

01:21:14,680 --> 01:21:12,740

and kill awake still awake script there

2014

01:21:15,910 --> 01:21:14,690

would have been an alien alien rate and

2015

01:21:16,360 --> 01:21:15,920

if you late the Americans who wouldn't

2016

01:21:17,860 --> 01:21:16,370

have a clue

2017

01:21:22,390 --> 01:21:17,870

satellite script look like in the first

2018

01:21:24,550 --> 01:21:22,400

place but but but this dick look I have

2019

01:21:27,420 --> 01:21:24,560

had some of and there's some real good

2020

01:21:29,710 --> 01:21:27,430

digging in others and the best

2021

01:21:31,420 --> 01:21:29,720

explanation real rational explanation

2022

01:21:34,800 --> 01:21:31,430

could come up with is what it actually

2023

01:21:37,030 --> 01:21:34,810

was was it was a plasma centrifuge

2024

01:21:39,070 --> 01:21:37,040

because as you probably know the Nazis

2025

01:21:41,350 --> 01:21:39,080

were not a kick in the backside of

2026

01:21:43,870 --> 01:21:41,360

development or nuclear bomb and fight

2027

01:21:47,290 --> 01:21:43,880

that carried out a couple of tests or an

2028

01:21:49,750 --> 01:21:47,300

island something up to the senior sort

2029

01:21:52,480 --> 01:21:49,760

of Tom's and also Germany someplace that

2030

01:21:56,200 --> 01:21:52,490

actually carried out some tests of I

2031

01:21:58,840 --> 01:21:56,210

feel like pre nuclear devices and they

2032

01:22:00,820 --> 01:21:58,850

had to get weapons-grade uranium

2033

01:22:04,510 --> 01:22:00,830

obviously I do this and the Glock

2034

01:22:06,100 --> 01:22:04,520

appears to have been as I say a plasma

2035

01:22:08,710 --> 01:22:06,110

centrifuge it they would use is part of

2036

01:22:11,290 --> 01:22:08,720

the process but well there was a

2037

01:22:15,670 --> 01:22:11,300

time-travel machine I don't know

2038

01:22:18,520 --> 01:22:15,680

probably know what neck Cook implies

2039

01:22:20,110 --> 01:22:18,530

there might have been because he implies

2040

01:22:21,400 --> 01:22:20,120

that there were certain protocols had to

2041

01:22:23,470 --> 01:22:21,410

be gone through everything they used

2042

01:22:26,170 --> 01:22:23,480

this thing that the radiation from it

2043

01:22:28,810 --> 01:22:26,180

will absolutely horrendous that plants

2044

01:22:32,500 --> 01:22:28,820

died animals died and I think a lot of

2045

01:22:34,090 --> 01:22:32,510

the a lot of the air that the scientists

2046

01:22:38,320 --> 01:22:34,100

you know were actually working with this

2047

01:22:41,170 --> 01:22:38,330

thing and became very ill and also that

2048

01:22:44,350 --> 01:22:41,180

the the F is going back to the Ark of

2049

01:22:46,360 --> 01:22:44,360

the Covenant here that killed everybody

2050

01:22:48,460 --> 01:22:46,370

that looked at it did it yeah me

2051

01:22:50,590 --> 01:22:48,470

absolutely did with other thing is that

2052

01:22:54,040 --> 01:22:50,600

a lot of the scientists who worked on

2053

01:22:56,830 --> 01:22:54,050

the glock project that the SS shot them

2054

01:22:58,960 --> 01:22:56,840

in case they fell into Russian hands you

2055

01:23:00,940 --> 01:22:58,970

know and they could give up the secrets

2056

01:23:03,310 --> 01:23:00,950

from the Russians do you not think Brian

2057

01:23:05,860 --> 01:23:03,320

you know after all we've learned since

2058

01:23:09,370 --> 01:23:05,870

the end of the war that we would give

2059

01:23:10,780 --> 01:23:09,380

the Germans too much credit for things

2060

01:23:13,870 --> 01:23:10,790

that they may or may not have been

2061

01:23:16,240 --> 01:23:13,880

working on I mean put it in the that's

2062

01:23:19,570 --> 01:23:16,250

less you know put cows on the table they

2063

01:23:21,730 --> 01:23:19,580

lost and they're like a big way you know

2064

01:23:26,140 --> 01:23:21,740

and they knew they were gonna lose from

2065

01:23:28,690 --> 01:23:26,150

I think from about 1942 onwards and it's

2066

01:23:29,770 --> 01:23:28,700

same the Japanese knew from the absolute

2067

01:23:32,170 --> 01:23:29,780

staff

2068

01:23:33,790 --> 01:23:32,180

from Pearl Harbor they knew that they

2069

01:23:36,640 --> 01:23:33,800

were going to lose there was no there

2070

01:23:38,320 --> 01:23:36,650

was no winning yeah so you know I think

2071

01:23:42,850 --> 01:23:38,330

we give them a bit too much credit

2072

01:23:45,040 --> 01:23:42,860

well as far will Mandy earlier about

2073

01:23:48,160 --> 01:23:45,050

silicon chips we mentioned about you

2074

01:23:50,290 --> 01:23:48,170

know lasers and fiber optics as knowing

2075

01:23:51,820 --> 01:23:50,300

that Siemens was working on that stuff

2076

01:23:53,740 --> 01:23:51,830

at Telefunken were what they were

2077

01:23:55,750 --> 01:23:53,750

working on the predecessor solves that

2078

01:23:57,550 --> 01:23:55,760

stuff it was handed to the Americans and

2079

01:23:58,750 --> 01:23:57,560

Americans we're at work because there

2080

01:23:59,590 --> 01:23:58,760

the resources the time and the resources

2081

01:24:02,740 --> 01:23:59,600

to do it

2082

01:24:03,940 --> 01:24:02,750

but the Germans didn't do it the Nazis

2083

01:24:06,340 --> 01:24:03,950

didn't do it because they didn't have

2084

01:24:08,500 --> 01:24:06,350

the time the resources then of the

2085

01:24:10,000 --> 01:24:08,510

personnel but I think they did a damn

2086

01:24:12,310 --> 01:24:10,010

good job at what they did do because

2087

01:24:13,480 --> 01:24:12,320

been okay that they took some kicking

2088

01:24:16,330 --> 01:24:13,490

there's no theories about it

2089

01:24:17,710 --> 01:24:16,340

but don't forget that was one relatively

2090

01:24:21,060 --> 01:24:17,720

small country ticking on the entire

2091

01:24:24,550 --> 01:24:21,070

world and it took the combined forces of

2092

01:24:25,840 --> 01:24:24,560

Burton America you know that the

2093

01:24:27,610 --> 01:24:25,850

Commonwealth has there wasn't the same

2094

01:24:28,510 --> 01:24:27,620

and every other three countries that

2095

01:24:30,910 --> 01:24:28,520

could lend a hand

2096

01:24:32,470 --> 01:24:30,920

it took that to put them down but even

2097

01:24:34,780 --> 01:24:32,480

to the last there was still looking

2098

01:24:37,090 --> 01:24:34,790

Trent developers as Wunderwaffe the

2099

01:24:39,040 --> 01:24:37,100

wonder weapons and that was really again

2100

01:24:40,780 --> 01:24:39,050

the Bell the Glock comes in into that

2101

01:24:42,220 --> 01:24:40,790

general heading then I'm pretty sure

2102

01:24:43,600 --> 01:24:42,230

that the Wonder weapon they were looking

2103

01:24:47,290 --> 01:24:43,610

for was actually a nuclear bomb that

2104

01:24:49,330 --> 01:24:47,300

because that's because once they had a

2105

01:24:50,740 --> 01:24:49,340

rock I mean that the had the v2 well

2106

01:24:52,840 --> 01:24:50,750

that was the most advanced not at that

2107

01:24:54,430 --> 01:24:52,850

time which is another story because we

2108

01:24:56,590 --> 01:24:54,440

started not available on Baronne I

2109

01:24:59,080 --> 01:24:56,600

mother committed not see the ended up in

2110

01:25:01,330 --> 01:24:59,090

Germany and ended up and and an American

2111

01:25:03,910 --> 01:25:01,340

that very well over along with it was

2112

01:25:07,810 --> 01:25:03,920

another guy called dawn burger but these

2113

01:25:10,210 --> 01:25:07,820

guys the whole v2 project the rock turvy

2114

01:25:12,250 --> 01:25:10,220

10 that was actually there was there was

2115

01:25:15,100 --> 01:25:12,260

an America bomber maybe even were trying

2116

01:25:17,680 --> 01:25:15,110

to develop bombers to fly to America and

2117

01:25:19,600 --> 01:25:17,690

there were also the whole V weapon

2118

01:25:21,940 --> 01:25:19,610

project the rocket project they were

2119

01:25:23,860 --> 01:25:21,950

looking for a few like an ICBM they are

2120

01:25:25,900 --> 01:25:23,870

trying to develop as well because F they

2121

01:25:27,520 --> 01:25:25,910

coulda got that to work and if they

2122

01:25:28,810 --> 01:25:27,530

could have developed a nuclear weapon to

2123

01:25:31,150 --> 01:25:28,820

the with the point they could have stuck

2124

01:25:33,160 --> 01:25:31,160

on the end of the warhead of our of our

2125

01:25:35,140 --> 01:25:33,170

rocket they were to use their no no

2126
01:25:37,720 --> 01:25:35,150
mistake and now that would at under Worf

2127
01:25:39,910 --> 01:25:37,730
rapidly in their favor you know that or

2128
01:25:41,890 --> 01:25:39,920
they would at least a level of savagery

2129
01:25:43,660 --> 01:25:41,900
that we haven't seen and hopefully we'll

2130
01:25:45,700 --> 01:25:43,670
see you trying to put them down again

2131
01:25:47,320 --> 01:25:45,710
but yeah I mean but we're starting to

2132
01:25:49,330 --> 01:25:47,330
get him test subject that but I just

2133
01:25:52,330 --> 01:25:49,340
wanna talk about quit frankly but I know

2134
01:25:53,040 --> 01:25:52,340
brought out but there it's a difficult

2135
01:25:55,900 --> 01:25:53,050
subject

2136
01:25:57,700 --> 01:25:55,910
well what I'm gonna do there Brian and

2137
01:25:59,260 --> 01:25:57,710
Phil because we've got about thirty to

2138
01:26:01,600 --> 01:25:59,270

thirty three minutes to the show left

2139

01:26:03,570 --> 01:26:01,610

now I wanted to talk to you Brian about

2140

01:26:06,430 --> 01:26:03,580

project oh yeah yeah okay

2141

01:26:08,260 --> 01:26:06,440

evaluations yeah yeah latest probably

2142

01:26:11,050 --> 01:26:08,270

there's only a minute in January this

2143

01:26:14,470 --> 01:26:11,060

year and you want to give us a synopsis

2144

01:26:17,410 --> 01:26:14,480

oh yeah of course yeah FF I can

2145

01:26:22,360 --> 01:26:17,420

basically what it is we've been working

2146

01:26:29,530 --> 01:26:22,370

on a lot of stuff the skim basically it

2147

01:26:31,990 --> 01:26:29,540

came from stuff that a guy called forgot

2148

01:26:33,580 --> 01:26:32,000

it with Steve Steve Mira and Dawn

2149

01:26:35,860 --> 01:26:33,590

Phillips but the two guys that were

2150

01:26:39,880 --> 01:26:35,870

actually involved in this now Don

2151

01:26:42,400 --> 01:26:39,890

Phillips had been doing stuff pretty

2152

01:26:44,790 --> 01:26:42,410

miraculous stuff I feel as the best way

2153

01:26:47,200 --> 01:26:44,800

Putin of it he's been doing stuff that

2154

01:26:49,840 --> 01:26:47,210

appears of no rational explanation he

2155

01:26:52,050 --> 01:26:49,850

was able to do this stuff and you'll

2156

01:26:54,790 --> 01:26:52,060

find him all over YouTube done Phillips

2157

01:26:56,440 --> 01:26:54,800

we did I did a lot did a lot of the

2158

01:26:57,610 --> 01:26:56,450

stuff that he did with this entity the

2159

01:27:02,140 --> 01:26:57,620

calls that they love Becky

2160

01:27:03,550 --> 01:27:02,150

okay now this entity Becky tied up with

2161

01:27:05,980 --> 01:27:03,560

it or let tied up with him what the

2162

01:27:07,750 --> 01:27:05,990

point on a case he'd been on and has

2163

01:27:11,830 --> 01:27:07,760

been with him ever since and he

2164

01:27:14,680 --> 01:27:11,840

communicates it was that via digital you

2165

01:27:16,930 --> 01:27:14,690

know olympus digital recorders and i've

2166

01:27:18,490 --> 01:27:16,940

held them doing this thing and also

2167

01:27:20,140 --> 01:27:18,500

communicates him with what's called

2168

01:27:22,630 --> 01:27:20,150

direct voice that communicates with a

2169

01:27:24,520 --> 01:27:22,640

many of them here steve Zeisler had that

2170

01:27:26,530 --> 01:27:24,530

do this and the last thing that steve

2171

01:27:29,230 --> 01:27:26,540

habit or the first thing i hear that was

2172

01:27:30,550 --> 01:27:29,240

on a plane flying back from Seattle okay

2173

01:27:32,650 --> 01:27:30,560

they've been investigating this

2174

01:27:35,050 --> 01:27:32,660

particular case the way I slide to go

2175

01:27:38,770 --> 01:27:35,060

back to this particular case called

2176

01:27:40,630 --> 01:27:38,780

demons in Seattle and this thing

2177

01:27:42,340 --> 01:27:40,640

actually spoke to them or a for a

2178

01:27:45,490 --> 01:27:42,350

thousand feet another actual flying

2179

01:27:47,260 --> 01:27:45,500

height to London okay and Steve head and

2180

01:27:49,060 --> 01:27:47,270

you got the submit there was this wow

2181

01:27:51,370 --> 01:27:49,070

what was that and then just looks say

2182

01:27:54,220 --> 01:27:51,380

that was Becky nicely spoke to him but

2183

01:27:56,140 --> 01:27:54,230

anyway I advise like I've asked to

2184

01:27:57,429 --> 01:27:56,150

communicate with this thing via Skype

2185

01:27:59,830 --> 01:27:57,439

would you believe

2186

01:28:02,500 --> 01:27:59,840

and sustain Jessa strangest thing not

2187

01:28:05,529 --> 01:28:02,510

directly but that I was talking to dawn

2188

01:28:07,899 --> 01:28:05,539

on skype dawn was talking to this Becky

2189

01:28:10,600 --> 01:28:07,909

and Becky was answering them it really

2190

01:28:12,370 --> 01:28:10,610

we have the experience and a couple of

2191

01:28:15,009 --> 01:28:12,380

questions to ask this thing sometimes

2192

01:28:17,739 --> 01:28:15,019

they'll answer sometimes that would or

2193

01:28:20,560 --> 01:28:17,749

something to give you answers to are so

2194

01:28:23,949 --> 01:28:20,570

like just they just don't make any sense

2195

01:28:27,310 --> 01:28:23,959

doesn't make any sense to me because I

2196

01:28:29,799 --> 01:28:27,320

asked it that there's Becky via beer

2197

01:28:31,569 --> 01:28:29,809

dawn I asked this bet there's Becky I

2198

01:28:33,069 --> 01:28:31,579

said look I said you've heard of the

2199

01:28:34,839 --> 01:28:33,079

Nephilim you've heard of the Watchers

2200

01:28:36,819 --> 01:28:34,849

and these could these things that have

2201

01:28:39,040 --> 01:28:36,829

you know spiritual if you like but the

2202

01:28:41,679 --> 01:28:39,050

seem TV comes from another reality are

2203

01:28:43,689 --> 01:28:41,689

you one of them and the answer that came

2204

01:28:44,409 --> 01:28:43,699

back was now have they see this he's on

2205

01:28:48,129 --> 01:28:44,419

the right Wayans

2206

01:28:50,439 --> 01:28:48,139

so you said Wow wolf you know so this

2207

01:28:52,479 --> 01:28:50,449

entity Becky has been with them

2208

01:28:54,009 --> 01:28:52,489

it's what them all the time and it

2209

01:28:55,959 --> 01:28:54,019

communicates with them and it seems to

2210

01:28:59,159 --> 01:28:55,969

help but one of a better but no Steve

2211

01:29:01,330 --> 01:28:59,169

and I have told them ad nauseam

2212

01:29:02,439 --> 01:29:01,340

don't believe what this thing tells you

2213

01:29:04,719 --> 01:29:02,449

because you don't know what else but

2214

01:29:07,120 --> 01:29:04,729

dawn is shooting us with us as they help

2215

01:29:10,089 --> 01:29:07,130

woman and it doesn't see it's an angel

2216

01:29:12,310 --> 01:29:10,099

but implies em twice it's angelic than

2217

01:29:15,279 --> 01:29:12,320

one of a better world and whether as

2218

01:29:17,409 --> 01:29:15,289

I've not to me efforts tell and efforts

2219

01:29:19,839 --> 01:29:17,419

implying its angelic there's a fair

2220

01:29:22,750 --> 01:29:19,849

chance it's not because F it's not

2221

01:29:23,979 --> 01:29:22,760

angelic you don't know what is and we we

2222

01:29:25,750 --> 01:29:23,989

have told them to pitted we'll leave it

2223

01:29:26,949 --> 01:29:25,760

alone babe but Dawn's quite happy with

2224

01:29:28,899 --> 01:29:26,959

it and good luck to them if you watch

2225

01:29:32,080 --> 01:29:28,909

they get involved with this thing well

2226

01:29:33,699 --> 01:29:32,090

and good but as he Steve's held them he

2227

01:29:35,379 --> 01:29:33,709

had that talk that I've talked him I

2228

01:29:37,479 --> 01:29:35,389

failed to talk to them and I feel that

2229

01:29:38,859 --> 01:29:37,489

he has it on skype doing it so there's

2230

01:29:40,679 --> 01:29:38,869

nothing worse that is in contact with

2231

01:29:44,259 --> 01:29:40,689

something however

2232

01:29:45,669 --> 01:29:44,269

Don asked Steve to involve them and and

2233

01:29:47,319 --> 01:29:45,679

this is what the book is really about as

2234

01:29:49,689 --> 01:29:47,329

a scientific evaluation of the

2235

01:29:51,520 --> 01:29:49,699

paranormal or as a scientific as within

2236

01:29:55,899 --> 01:29:51,530

make it using the organization that

2237

01:29:57,790 --> 01:29:55,909

Steve represents and we've come to a

2238

01:30:00,520 --> 01:29:57,800

series of conclusions I mean certain the

2239

01:30:04,209 --> 01:30:00,530

cases are in the book there's two cases

2240

01:30:06,879 --> 01:30:04,219

in particular pretty interesting one is

2241

01:30:09,909 --> 01:30:06,889

this the party row in Seattle thanks a

2242

01:30:12,050 --> 01:30:09,919

suburb of Seattle called Bothell and a

2243

01:30:15,020 --> 01:30:12,060

guy called Keith Linda

2244

01:30:17,420 --> 01:30:15,030

the case that this place and and and and

2245

01:30:20,240 --> 01:30:17,430

Bothell it was actually Ghost Adventures

2246

01:30:20,870 --> 01:30:20,250

that that guys that big and he does a

2247

01:30:24,290 --> 01:30:20,880

show in it

2248

01:30:26,780 --> 01:30:24,300

and they turned up and they investigate

2249

01:30:29,060 --> 01:30:26,790

the case and because it didn't go they

2250

01:30:30,980 --> 01:30:29,070

wanted it to go then they didn't see it

2251

01:30:34,040 --> 01:30:30,990

was a fake but they implied that that

2252

01:30:36,590 --> 01:30:34,050

keith was making up but I said oh I'm

2253

01:30:38,390 --> 01:30:36,600

absolutely certain it wasn't and Dawn is

2254

01:30:39,680 --> 01:30:38,400

also certainly wasn't and Steve it's

2255

01:30:40,940 --> 01:30:39,690

also see at me wasn't though that that's

2256

01:30:43,130 --> 01:30:40,950

one of the kids to talk about in the

2257

01:30:44,930 --> 01:30:43,140

book another case that it they've all

2258

01:30:49,880 --> 01:30:44,940

haven't done and Becky is is what

2259

01:30:51,380 --> 01:30:49,890

happened and Slagel and in Ireland that

2260

01:30:52,640 --> 01:30:51,390

that's what buddy buddy Fitzgerald's

2261

01:30:54,530 --> 01:30:52,650

involved in that case and it's quite a

2262

01:30:57,050 --> 01:30:54,540

fascinating but but the whole thing

2263

01:30:58,610 --> 01:30:57,060

about the bottle case is that the had to

2264

01:31:01,340 --> 01:30:58,620

go back again and the second thing that

2265

01:31:03,740 --> 01:31:01,350

went back the took Nick McHale with them

2266

01:31:05,780 --> 01:31:03,750

the Nick at the time was the president

2267

01:31:08,120 --> 01:31:05,790

of the of the Scottish version of SPR

2268

01:31:11,150 --> 01:31:08,130

the SSP had a Scottish Society per se

2269

01:31:14,630 --> 01:31:11,160

for result and he went across with them

2270

01:31:19,670 --> 01:31:14,640

as a sort of our referee you know if you

2271

01:31:21,110 --> 01:31:19,680

like I don't partial judge now some of

2272

01:31:22,280 --> 01:31:21,120

the stuff that happened whenever across

2273

01:31:23,930 --> 01:31:22,290

it was great for us and there was

2274

01:31:25,220 --> 01:31:23,940

português defects happening in the house

2275

01:31:29,330 --> 01:31:25,230

that were able to actually monitor and

2276

01:31:30,800 --> 01:31:29,340

catch and another thing that happened

2277

01:31:32,420 --> 01:31:30,810

was it was one of the conversations

2278

01:31:33,920 --> 01:31:32,430

unless this is what you think you start

2279

01:31:36,080 --> 01:31:33,930

seeing what the hell is going on here

2280

01:31:38,930 --> 01:31:36,090

because they were setting up cameras

2281

01:31:41,300 --> 01:31:38,940

infrared cameras and one of the voices

2282

01:31:44,570 --> 01:31:41,310

the head of the tape says they said

2283

01:31:48,230 --> 01:31:44,580

cameras and the other voice said made

2284

01:31:49,850 --> 01:31:48,240

vision so these things seem to be are

2285

01:31:51,380 --> 01:31:49,860

we're exactly what was happening in that

2286

01:31:53,270 --> 01:31:51,390

house and what was the equipment that

2287

01:31:55,550 --> 01:31:53,280

was getting installed in it so why say

2288

01:31:57,020 --> 01:31:55,560

one camera that was an FLI other

2289

01:31:59,330 --> 01:31:57,030

forward-looking infra-red and point of

2290

01:32:01,160 --> 01:31:59,340

fact the camera was and it says the

2291

01:32:03,440 --> 01:32:01,170

other voices Nate vision so it

2292

01:32:06,020 --> 01:32:03,450

recognized it for what it was but the

2293

01:32:07,670 --> 01:32:06,030

most alarming aspect of that Bothell

2294

01:32:09,440 --> 01:32:07,680

case was know what happened and keifa

2295

01:32:12,230 --> 01:32:09,450

Linda's house he actually Rachel had to

2296

01:32:14,120 --> 01:32:12,240

leave the house and I think I know

2297

01:32:15,080 --> 01:32:14,130

another group another said was I rented

2298

01:32:17,570 --> 01:32:15,090

the house it wasn't even one house I

2299

01:32:19,340 --> 01:32:17,580

rented those and he left and I think

2300

01:32:21,080 --> 01:32:19,350

other people other people were took over

2301

01:32:22,700 --> 01:32:21,090

the rent and started living there and he

2302

01:32:24,419 --> 01:32:22,710

hasn't had the heart to go back and ask

2303

01:32:27,590 --> 01:32:24,429

if enemies Bushnell

2304

01:32:29,850 --> 01:32:27,600

now he'd better leave alone well anyway

2305

01:32:31,919 --> 01:32:29,860

one of the things that happened to dawn

2306

01:32:34,860 --> 01:32:31,929

in particular was that the benighted

2307

01:32:36,810 --> 01:32:34,870

Dana for abate seat I think they're done

2308

01:32:41,040 --> 01:32:36,820

was meeting some people and Steve was

2309

01:32:42,300 --> 01:32:41,050

with them and after the leftover just

2310

01:32:44,939 --> 01:32:42,310

neither the point I go in for the meal

2311

01:32:46,919 --> 01:32:44,949

I'm just coming out of the Dana I'm

2312

01:32:48,780 --> 01:32:46,929

Doren said these streets are summing

2313

01:32:50,100 --> 01:32:48,790

over it was trees that amazed and he

2314

01:32:51,360 --> 01:32:50,110

said there's something there's bodies

2315

01:32:53,939 --> 01:32:51,370

here and all the wars but that well

2316

01:32:55,229 --> 01:32:53,949

bodies here anyway the left of that that

2317

01:32:57,720 --> 01:32:55,239

and they go back in the car that went

2318

01:33:00,300 --> 01:32:57,730

back to Keith's house then at some point

2319

01:33:02,070 --> 01:33:00,310

in the course of the evening dawn said

2320

01:33:03,660 --> 01:33:02,080

I've got to go back there I've got to go

2321

01:33:04,860 --> 01:33:03,670

back there so that so they got the

2322

01:33:07,370 --> 01:33:04,870

person who would take my mother and

2323

01:33:09,990 --> 01:33:07,380

Steve Steve all come with you right

2324

01:33:12,090 --> 01:33:10,000

so invited tell us that to this day and

2325

01:33:13,590 --> 01:33:12,100

it was closed with this thing but there

2326

01:33:15,570 --> 01:33:13,600

was a street obviously still there no

2327

01:33:18,530 --> 01:33:15,580

stuff the dawn goes across and he's

2328

01:33:21,720 --> 01:33:18,540

having this he's got that recorder on no

2329

01:33:23,399 --> 01:33:21,730

Steve starts to get general around the

2330

01:33:25,530 --> 01:33:23,409

what was happening them because the

2331

01:33:27,720 --> 01:33:25,540

voices are saying and I said it was as

2332

01:33:29,430 --> 01:33:27,730

clear as I could clear this could be he

2333

01:33:30,600 --> 01:33:29,440

started with 15 feet from Dawn they can

2334

01:33:33,570 --> 01:33:30,610

hear this coming off that a cordless

2335

01:33:36,270 --> 01:33:33,580

then you belong to us we want your power

2336

01:33:40,260 --> 01:33:36,280

you should be with us we need you and

2337

01:33:42,390 --> 01:33:40,270

the and then Steve said darkness topless

2338

01:33:44,550 --> 01:33:42,400

said because this is not what I do that

2339

01:33:46,649 --> 01:33:44,560

this is supernatural not button almost I

2340

01:33:48,090 --> 01:33:46,659

don't make this and he says stop it well

2341

01:33:50,250 --> 01:33:48,100

done said to thinking base go and sit in

2342

01:33:52,020 --> 01:33:50,260

the car wet so Steve went and sat in the

2343

01:33:54,899 --> 01:33:52,030

car and about 20 minutes later dawn came

2344

01:33:57,930 --> 01:33:54,909

up and said that's it they've gone these

2345

01:33:59,459 --> 01:33:57,940

things were and I faked demonic so I saw

2346

01:34:01,439 --> 01:33:59,469

the really completely because we're

2347

01:34:04,290 --> 01:34:01,449

starting into very very gray areas here

2348

01:34:08,340 --> 01:34:04,300

but Don thinks that there's entity Becky

2349

01:34:09,689 --> 01:34:08,350

is there to help him okay and to protect

2350

01:34:11,490 --> 01:34:09,699

him from the worst effects of these

2351
01:34:15,000 --> 01:34:11,500
things because it has this conversation

2352
01:34:18,149 --> 01:34:15,010
that mate is in bed his life his wife

2353
01:34:20,610 --> 01:34:18,159
and this thing is talking on the

2354
01:34:24,899 --> 01:34:20,620
recorder charting away Becky and

2355
01:34:27,419 --> 01:34:24,909
occasionally if the conversation and

2356
01:34:29,880 --> 01:34:27,429
thought as show as if dawn is alarming

2357
01:34:32,130 --> 01:34:29,890
too much he's come up with these things

2358
01:34:34,979 --> 01:34:32,140
these entities who that Don calls them

2359
01:34:36,990 --> 01:34:34,989
lighter tones or lighter tones and they

2360
01:34:38,250 --> 01:34:37,000
seem to act as gatekeepers for what the

2361
01:34:40,950 --> 01:34:38,260
information is getting exchanged

2362
01:34:43,530 --> 01:34:40,960
- doh infamous Becky and they just

2363
01:34:45,150 --> 01:34:43,540

literally crashed when the volume of the

2364

01:34:47,400 --> 01:34:45,160

play might just shoot through the roof

2365

01:34:48,840 --> 01:34:47,410

and these things that letter was shut it

2366

01:34:50,100 --> 01:34:48,850

down as they think that you thought too

2367

01:34:52,710 --> 01:34:50,110

much information is getting passed

2368

01:34:55,200 --> 01:34:52,720

across so there's nothing reason voter

2369

01:34:58,080 --> 01:34:55,210

that dawn is in contact with something

2370

01:35:00,570 --> 01:34:58,090

and I've only covered two of the cases

2371

01:35:02,490 --> 01:35:00,580

that he was involved was with Steve one

2372

01:35:04,410 --> 01:35:02,500

in northern and southern ireland another

2373

01:35:08,190 --> 01:35:04,420

one over in Bothell but both of these

2374

01:35:10,980 --> 01:35:08,200

are actually described in great detail

2375

01:35:12,480 --> 01:35:10,990

on the book with three other cases but

2376

01:35:14,550 --> 01:35:12,490

another thing we've tried to do I get

2377

01:35:17,190 --> 01:35:14,560

the scientific side of it is that

2378

01:35:17,670 --> 01:35:17,200

poltergeist movements as far as we can

2379

01:35:21,000 --> 01:35:17,680

tell

2380

01:35:24,000 --> 01:35:21,010

don't obey physical laws it's very

2381

01:35:27,450 --> 01:35:24,010

seldom when something is moved through

2382

01:35:29,310 --> 01:35:27,460

if you like poltergeist effects you

2383

01:35:31,770 --> 01:35:29,320

never see it tick it off and landing

2384

01:35:34,290 --> 01:35:31,780

you'll see it in the air and that lands

2385

01:35:35,730 --> 01:35:34,300

and this is what quantum entanglement

2386

01:35:37,920 --> 01:35:35,740

comes back into again because it seems

2387

01:35:39,810 --> 01:35:37,930

as though as soon as you see the thing

2388

01:35:41,340 --> 01:35:39,820

in motion it falls to the floor in other

2389

01:35:43,020 --> 01:35:41,350

words you've interacted with it you've

2390

01:35:45,090 --> 01:35:43,030

seen it and and it stops there that's

2391

01:35:47,460 --> 01:35:45,100

then that actually stops the movement it

2392

01:35:49,830 --> 01:35:47,470

falls to the floor the other thing

2393

01:35:53,850 --> 01:35:49,840

appears to be the so and these things

2394

01:35:55,170 --> 01:35:53,860

make because the phone one of the things

2395

01:35:56,460 --> 01:35:55,180

that happened in Keith lenders face was

2396

01:35:58,500 --> 01:35:56,470

something felt the floor I think it was

2397

01:36:00,120 --> 01:35:58,510

a picture of jumped off a wall or done

2398

01:36:03,060 --> 01:36:00,130

or done or something and I fell on the

2399

01:36:06,060 --> 01:36:03,070

floor and clattered though but the odd

2400

01:36:07,530 --> 01:36:06,070

thing was that when I analyzed the zone

2401
01:36:10,800 --> 01:36:07,540
the frequencies of this thing meters

2402
01:36:13,200 --> 01:36:10,810
that fell it didn't conform the way she

2403
01:36:14,900 --> 01:36:13,210
discerned it like that the right they

2404
01:36:17,070 --> 01:36:14,910
tried dropping stuff in the floor and

2405
01:36:18,630 --> 01:36:17,080
recording and I'm looking at that you

2406
01:36:21,510 --> 01:36:18,640
know that that actual wave patterns like

2407
01:36:22,020 --> 01:36:21,520
generates an oscilloscope I'm they're

2408
01:36:24,810 --> 01:36:22,030
different

2409
01:36:26,520 --> 01:36:24,820
the poltergeist moved stuff or stuff

2410
01:36:29,130 --> 01:36:26,530
that moves and falls under poltergeist

2411
01:36:31,520 --> 01:36:29,140
effects does that the sounds are quite

2412
01:36:34,440 --> 01:36:31,530
different it seems as though that

2413
01:36:38,340 --> 01:36:34,450

whoever making these sounds is creating

2414

01:36:41,100 --> 01:36:38,350

them as analogs on one side of their

2415

01:36:42,930 --> 01:36:41,110

reality and projecting them that I will

2416

01:36:45,870 --> 01:36:42,940

say the reality as I'm analog of the

2417

01:36:47,760 --> 01:36:45,880

sound and it's not the same device they

2418

01:36:49,770 --> 01:36:47,770

found that there's these zones that are

2419

01:36:51,930 --> 01:36:49,780

produced through paranormal phenomena

2420

01:36:54,120 --> 01:36:51,940

are always different for

2421

01:36:56,100 --> 01:36:54,130

they're equivalent produced endless you

2422

01:36:57,450 --> 01:36:56,110

know if you'll really produce it see you

2423

01:36:59,700 --> 01:36:57,460

were hitting her either of breaking a

2424

01:37:01,260 --> 01:36:59,710

milk ball or whether if that happened

2425

01:37:03,120 --> 01:37:01,270

through a poltergeist effect and the

2426

01:37:05,340 --> 01:37:03,130

same was recorded it would analyze

2427

01:37:06,630 --> 01:37:05,350

differently from from fy10 I'm gonna

2428

01:37:09,420 --> 01:37:06,640

hammer well it happened through

2429

01:37:13,500 --> 01:37:09,430

poltergeist effect so it would appear

2430

01:37:15,180 --> 01:37:13,510

that was happening and our reality as an

2431

01:37:17,610 --> 01:37:15,190

analog of what's happening in their

2432

01:37:19,200 --> 01:37:17,620

reality which is I know that sounds a

2433

01:37:20,880 --> 01:37:19,210

bit about off the wall in created but

2434

01:37:22,830 --> 01:37:20,890

it's the only explanation we can give

2435

01:37:25,610 --> 01:37:22,840

for it and we try and show this in the

2436

01:37:29,240 --> 01:37:25,620

book for example another thing we did

2437

01:37:31,890 --> 01:37:29,250

was the 2/3 a quarter wrapped in tinfoil

2438

01:37:33,930 --> 01:37:31,900

ruler up the Titan 10 for prisoner and a

2439

01:37:36,360 --> 01:37:33,940

sealed ziploc bag and immersed in water

2440

01:37:39,960 --> 01:37:36,370

and put something on top an appeal of

2441

01:37:41,970 --> 01:37:39,970

water and it would appear that the

2442

01:37:44,400 --> 01:37:41,980

stones that are being recorded on this

2443

01:37:46,050 --> 01:37:44,410

on this recorder I'm not coming through

2444

01:37:47,490 --> 01:37:46,060

the microphone they've been put directly

2445

01:37:49,890 --> 01:37:47,500

on the chips and say they're there and

2446

01:37:51,690 --> 01:37:49,900

say they're the actual unit itself as

2447

01:37:53,910 --> 01:37:51,700

after being pushed

2448

01:37:56,840 --> 01:37:53,920

you know recorded directly onto onto the

2449

01:37:59,160 --> 01:37:56,850

chips not through the microphone so we

2450

01:38:00,500 --> 01:37:59,170

don't know what's going on but all we

2451
01:38:02,880 --> 01:38:00,510
know was there are distinct differences

2452
01:38:04,710 --> 01:38:02,890
and the physics of what's actually

2453
01:38:07,260 --> 01:38:04,720
happening compared there which should

2454
01:38:09,390 --> 01:38:07,270
happen that there's a completely new set

2455
01:38:11,190 --> 01:38:09,400
of rules involved here and we don't

2456
01:38:13,350 --> 01:38:11,200
fully understand whether all that we

2457
01:38:15,890 --> 01:38:13,360
know is they are different and as

2458
01:38:17,820 --> 01:38:15,900
happening and and we can we can prove it

2459
01:38:20,280 --> 01:38:17,830
through the different experiments that

2460
01:38:23,790 --> 01:38:20,290
that Steve's carried out but other than

2461
01:38:25,320 --> 01:38:23,800
that the book itself details a lot of

2462
01:38:28,530 --> 01:38:25,330
the stuffs experiments that was carried

2463
01:38:31,320 --> 01:38:28,540

out the stuff that Dona Steve dead both

2464

01:38:33,600 --> 01:38:31,330

resistant at the Bothell incidentally

2465

01:38:35,580 --> 01:38:33,610

the previous occupant in the house and

2466

01:38:37,950 --> 01:38:35,590

bottle that the Keefe London lives enter

2467

01:38:39,240 --> 01:38:37,960

the lady and she was having a lot of

2468

01:38:42,090 --> 01:38:39,250

stuff happening and I was happening to

2469

01:38:44,700 --> 01:38:42,100

her and eventually she stepped out in

2470

01:38:45,810 --> 01:38:44,710

front of a train literally a la Stewart

2471

01:38:48,510 --> 01:38:45,820

that you moved to move to another state

2472

01:38:49,680 --> 01:38:48,520

but she was so upset that the sounds of

2473

01:38:51,300 --> 01:38:49,690

it but what happened to attend the

2474

01:38:53,190 --> 01:38:51,310

service they she actually killed herself

2475

01:38:54,330 --> 01:38:53,200

to snip but statements aid in front of

2476

01:38:57,390 --> 01:38:54,340

statement of a tree

2477

01:38:58,890 --> 01:38:57,400

commit suicide so something was

2478

01:39:01,140 --> 01:38:58,900

happening to her i'm keith was aware of

2479

01:39:03,750 --> 01:39:01,150

it before I even get into the house but

2480

01:39:06,720 --> 01:39:03,760

but but the sounds of things even the

2481

01:39:08,940 --> 01:39:06,730

DNA at dawn and Steve arrived at the

2482

01:39:10,590 --> 01:39:08,950

house stuff will start to happen I mean

2483

01:39:12,630 --> 01:39:10,600

other thing that happened the key

2484

01:39:14,910 --> 01:39:12,640

cylinder was babbles would certainly

2485

01:39:16,830 --> 01:39:14,920

disappear that was I feel the Bible

2486

01:39:19,230 --> 01:39:16,840

would disappear and when they go to buy

2487

01:39:19,830 --> 01:39:19,240

the bond as I've so many tried to set on

2488

01:39:22,080 --> 01:39:19,840

fire

2489

01:39:25,020 --> 01:39:22,090

there was objects getting them embedded

2490

01:39:26,610 --> 01:39:25,030

in the wall like things get huddled at

2491

01:39:27,720 --> 01:39:26,620

the wall just sticking in the wall there

2492

01:39:30,900 --> 01:39:27,730

were pictures that there were there was

2493

01:39:33,180 --> 01:39:30,910

there was drawings appearing and and

2494

01:39:34,980 --> 01:39:33,190

release it and I've got them in the book

2495

01:39:36,480 --> 01:39:34,990

there was joint appeared and they seem

2496

01:39:39,420 --> 01:39:36,490

to been stenciled on the wall for

2497

01:39:42,270 --> 01:39:39,430

whatever better one and samples were

2498

01:39:45,900 --> 01:39:42,280

actually taken of these over whatever

2499

01:39:47,520 --> 01:39:45,910

made that made the em made the marks and

2500

01:39:50,100 --> 01:39:47,530

they were analyzed and it just didn't

2501
01:39:51,720 --> 01:39:50,110
conform to either foot you would expect

2502
01:39:53,580 --> 01:39:51,730
there wasn't paint it certainly wasn't

2503
01:39:55,470 --> 01:39:53,590
paint they're not actually sure what is

2504
01:39:56,910 --> 01:39:55,480
that made the marks or however much were

2505
01:39:58,950 --> 01:39:56,920
actually made but I've got photographs

2506
01:40:01,160 --> 01:39:58,960
of them in the book but but the whole

2507
01:40:03,540 --> 01:40:01,170
thing that was happened to Keith Linda

2508
01:40:05,190 --> 01:40:03,550
it kind of in dismiss they can be

2509
01:40:09,120 --> 01:40:05,200
dismissed as just a hoax

2510
01:40:11,430 --> 01:40:09,130
it was definitely real and yeah it's the

2511
01:40:13,530 --> 01:40:11,440
book describes that but but it looks a

2512
01:40:17,760 --> 01:40:13,540
whole other bunch of areas of paranormal

2513
01:40:19,740 --> 01:40:17,770

phenomena yeah excellent the part of

2514

01:40:22,530 --> 01:40:19,750

this one of the experiments that you're

2515

01:40:24,230 --> 01:40:22,540

actually doing is the school experiment

2516

01:40:27,440 --> 01:40:24,240

which is if I remember it correctly

2517

01:40:29,520 --> 01:40:27,450

isn't that something to do with a

2518

01:40:32,490 --> 01:40:29,530

scientific examination of the

2519

01:40:33,750 --> 01:40:32,500

possibility of life okay well so does

2520

01:40:36,780 --> 01:40:33,760

that get involved them what is it you're

2521

01:40:38,310 --> 01:40:36,790

actually what happened in school this is

2522

01:40:40,410 --> 01:40:38,320

back in the nineteen nineties that of

2523

01:40:42,750 --> 01:40:40,420

every call really a police called death

2524

01:40:47,850 --> 01:40:42,760

in Norfolk at the Villa village of

2525

01:40:50,480 --> 01:40:47,860

school which is an awful the group that

2526

01:40:52,410 --> 01:40:50,490

the set themselves up directly

2527

01:40:54,690 --> 01:40:52,420

investigate this and in point of fact

2528

01:40:56,100 --> 01:40:54,700

Nick kale who a mission I mentioned

2529

01:40:56,790 --> 01:40:56,110

outlet he's trying to recreate the

2530

01:40:58,560 --> 01:40:56,800

experiment

2531

01:41:00,600 --> 01:40:58,570

no it's certainly a group for people

2532

01:41:02,190 --> 01:41:00,610

together to actually carry this out here

2533

01:41:05,250 --> 01:41:02,200

and try and do the same thing again but

2534

01:41:07,140 --> 01:41:05,260

the the the people in school they had

2535

01:41:08,820 --> 01:41:07,150

set up what you feel like a spirit team

2536

01:41:10,620 --> 01:41:08,830

that were helping them and I use the

2537

01:41:12,690 --> 01:41:10,630

terms but it seemed oddly

2538

01:41:15,270 --> 01:41:12,700

but these were looking for people or

2539

01:41:16,920 --> 01:41:15,280

spirits for one of a better one who are

2540

01:41:18,510 --> 01:41:16,930

trying to help them did

2541

01:41:20,430 --> 01:41:18,520

actually demonstrate there was life

2542

01:41:24,090 --> 01:41:20,440

another say they carry do a seed of

2543

01:41:27,210 --> 01:41:24,100

experiments and some of them involved if

2544

01:41:30,690 --> 01:41:27,220

you like rules a 35-millimeter film em

2545

01:41:32,280 --> 01:41:30,700

Sade boxes that were sealed up and when

2546

01:41:34,340 --> 01:41:32,290

they developed some of these rolls of

2547

01:41:36,570 --> 01:41:34,350

film they found there was images on them

2548

01:41:38,460 --> 01:41:36,580

though there was like planets there was

2549

01:41:40,980 --> 01:41:38,470

like geometric shapes and all sorts of

2550

01:41:43,140 --> 01:41:40,990

stuff on them but one in particular and

2551

01:41:45,540 --> 01:41:43,150

this this again it's what really picked

2552

01:41:47,100 --> 01:41:45,550

me ears up and the difference between or

2553

01:41:49,950 --> 01:41:47,110

the similarities between you followed in

2554

01:41:52,710 --> 01:41:49,960

the paranormal as that one of the

2555

01:41:54,330 --> 01:41:52,720

entities on it they called blue because

2556

01:41:57,720 --> 01:41:54,340

there's like a washer blue color over

2557

01:41:59,370 --> 01:41:57,730

the image but blue is actually I agree I

2558

01:42:01,380 --> 01:41:59,380

agree alien is good the big eyes the

2559

01:42:03,270 --> 01:42:01,390

femme face the bald head and all the

2560

01:42:05,220 --> 01:42:03,280

rest of it and you see this face looking

2561

01:42:07,110 --> 01:42:05,230

at you there's a they called the blue

2562

01:42:10,380 --> 01:42:07,120

purely because it's got blue was her

2563

01:42:12,600 --> 01:42:10,390

blue color or shorter the blue is a gray

2564

01:42:14,220 --> 01:42:12,610

alien and apparently according to

2565

01:42:19,680 --> 01:42:14,230

information ever getting from the spirit

2566

01:42:21,480 --> 01:42:19,690

team that we live in one band of our

2567

01:42:23,310 --> 01:42:21,490

reality and it's not the only one that

2568

01:42:26,580 --> 01:42:23,320

are several that run in parallel with

2569

01:42:28,380 --> 01:42:26,590

ours and these entities lives there

2570

01:42:30,900 --> 01:42:28,390

sometimes they can interact with us

2571

01:42:32,700 --> 01:42:30,910

something we can interact with them but

2572

01:42:34,890 --> 01:42:32,710

they have problems of their own because

2573

01:42:37,200 --> 01:42:34,900

the entities that live if you like an

2574

01:42:39,720 --> 01:42:37,210

band a reality alongside theirs they

2575

01:42:42,780 --> 01:42:39,730

interfere with them as well and some of

2576

01:42:45,780 --> 01:42:42,790

the the entities that live on their side

2577

01:42:48,750 --> 01:42:45,790

if you like and the bands alongside them

2578

01:42:51,510 --> 01:42:48,760

they are human beings there he is with a

2579

01:42:53,970 --> 01:42:51,520

passion and they hate the haters because

2580

01:42:55,830 --> 01:42:53,980

we have emotions within fuel things and

2581

01:42:57,960 --> 01:42:55,840

we experience things in the physical

2582

01:43:00,380 --> 01:42:57,970

they can't and the haters for it and

2583

01:43:02,220 --> 01:43:00,390

they they can mess with us they will and

2584

01:43:04,020 --> 01:43:02,230

there's a little is a bit and I think

2585

01:43:05,700 --> 01:43:04,030

some of them probably do and I can give

2586

01:43:06,900 --> 01:43:05,710

you I think we work so a couple of

2587

01:43:09,870 --> 01:43:06,910

minutes I'm going to give you a

2588

01:43:11,880 --> 01:43:09,880

first-hand example of this okay and I'd

2589

01:43:13,080 --> 01:43:11,890

been writing a book it was

2590

01:43:15,030 --> 01:43:13,090

I'm just trying I mean which one I

2591

01:43:18,390 --> 01:43:15,040

actually was I think it was actually the

2592

01:43:21,030 --> 01:43:18,400

Dark Messiah magic gnosis and religion

2593

01:43:21,570 --> 01:43:21,040

and had been doing a piece on the black

2594

01:43:24,930 --> 01:43:21,580

mass

2595

01:43:26,970 --> 01:43:24,940

night and I spent a week research thing

2596

01:43:29,790 --> 01:43:26,980

right now and I just finished the chap

2597

01:43:31,080 --> 01:43:29,800

that I just said the fatal . quick when

2598

01:43:34,170 --> 01:43:31,090

all of a sudden

2599

01:43:35,970 --> 01:43:34,180

I went called from the inside out and I

2600

01:43:38,390 --> 01:43:35,980

mean and a split second and just stone

2601

01:43:40,560 --> 01:43:38,400

cold I went oh I know don't tell me

2602

01:43:42,450 --> 01:43:40,570

anyway I started feeling looking and it

2603

01:43:46,200 --> 01:43:42,460

was fine I did when I Wesley well hope

2604

01:43:48,270 --> 01:43:46,210

is gonna be okay well I think Michi I

2605

01:43:50,130 --> 01:43:48,280

think it was who said battle not with

2606

01:43:51,840 --> 01:43:50,140

monsters lest you become a monster and

2607

01:43:54,960 --> 01:43:51,850

if you gaze into the abyss the abyss

2608

01:43:56,910 --> 01:43:54,970

gazes also into you now think I gazed

2609

01:43:58,890 --> 01:43:56,920

into their best and something saw me and

2610

01:44:00,750 --> 01:43:58,900

I let it be known to see me because that

2611

01:44:03,540 --> 01:44:00,760

mate the waif and I went to bed as

2612

01:44:06,000 --> 01:44:03,550

normal 2 o'clock in the morning but woke

2613

01:44:07,680 --> 01:44:06,010

up both of us and we could hear the

2614

01:44:10,200 --> 01:44:07,690

scratching coming from the floors going

2615

01:44:11,940 --> 01:44:10,210

on the ceiling coming from the walls the

2616

01:44:13,860 --> 01:44:11,950

room above us which is there's a spirit

2617

01:44:15,810 --> 01:44:13,870

of know of one of the kids bedrooms at

2618

01:44:16,800 --> 01:44:15,820

once a the room above us took that

2619

01:44:17,940 --> 01:44:16,810

here's something getting knocked about

2620

01:44:19,830 --> 01:44:17,950

there was something moving a bit mid

2621

01:44:21,660 --> 01:44:19,840

room and we'll both terrified it's a

2622

01:44:23,100 --> 01:44:21,670

first time of Iceland all my wife's I've

2623

01:44:25,320 --> 01:44:23,110

been petrified terrified to move

2624

01:44:28,110 --> 01:44:25,330

petrified with fear I know exactly where

2625

01:44:30,180 --> 01:44:28,120

means no because I happened to me and we

2626
01:44:31,800 --> 01:44:30,190
couldn't move and we couldn't sleep so

2627
01:44:33,600 --> 01:44:31,810
we just had to wait until I stopped and

2628
01:44:35,910 --> 01:44:33,610
I stopped and eventually but half after

2629
01:44:38,640 --> 01:44:35,920
half an hour all stop nothing went back

2630
01:44:40,080 --> 01:44:38,650
to being calm again so the following day

2631
01:44:41,340 --> 01:44:40,090
of my wife went the work that didn't a

2632
01:44:43,500 --> 01:44:41,350
little bit of the time of entering the

2633
01:44:45,510 --> 01:44:43,510
house that cleansed it i cleansed every

2634
01:44:47,130 --> 01:44:45,520
room in the house and thank god the

2635
01:44:49,170 --> 01:44:47,140
things that happened like that again

2636
01:44:51,030 --> 01:44:49,180
it's happened previously when I was out

2637
01:44:53,700 --> 01:44:51,040
in cases I was brought something home

2638
01:44:56,730 --> 01:44:53,710

with me that I think I rid of and I did

2639

01:44:57,630 --> 01:44:56,740

so my house had been cleansed twice once

2640

01:44:59,340 --> 01:44:57,640

through my own fault

2641

01:45:01,920 --> 01:44:59,350

and the second thing because I've been

2642

01:45:04,200 --> 01:45:01,930

I've been concentrating too much on one

2643

01:45:06,630 --> 01:45:04,210

aspect of extremely negative aspect or

2644

01:45:08,550 --> 01:45:06,640

black magic if you will so these things

2645

01:45:11,180 --> 01:45:08,560

can and do interact with the and they

2646

01:45:14,010 --> 01:45:11,190

will interact with you

2647

01:45:16,920 --> 01:45:14,020

that's fascinating absolutely

2648

01:45:19,380 --> 01:45:16,930

fascinating now we've got roughly 10

2649

01:45:20,760 --> 01:45:19,390

minutes left so what I wanted to do

2650

01:45:25,950 --> 01:45:20,770

Brian I don't know if you've got any

2651

01:45:28,010 --> 01:45:25,960

more questions but when Brian was

2652

01:45:31,290 --> 01:45:28,020

talking about the the poltergeist things

2653

01:45:35,640 --> 01:45:31,300

not doing what they should you know

2654

01:45:40,080 --> 01:45:35,650

should expect in our in our physics can

2655

01:45:42,060 --> 01:45:40,090

it reminded me a little bit of what dr.

2656

01:45:42,780 --> 01:45:42,070

Eddie bulla did in his study on alien

2657

01:45:44,430 --> 01:45:42,790

abductions

2658

01:45:47,010 --> 01:45:44,440

mhm and one of the things

2659

01:45:48,479 --> 01:45:47,020

there he kick named it what Wally I

2660

01:45:52,610 --> 01:45:48,489

don't know if you wear Brian what he did

2661

01:45:55,850 --> 01:45:52,620

this is like a statistical breakdown of

2662

01:45:58,800 --> 01:45:55,860

the way an alien abduction takes place

2663

01:46:01,680 --> 01:45:58,810

forget the narrative within it but it

2664

01:46:03,450 --> 01:46:01,690

goes through a certain form and it

2665

01:46:05,490 --> 01:46:03,460

always does that for and it doesn't

2666

01:46:07,050 --> 01:46:05,500

always have the same denominations in it

2667

01:46:09,930 --> 01:46:07,060

but what are the things it didn't have

2668

01:46:11,490 --> 01:46:09,940

and and it just reminded me what you

2669

01:46:14,880 --> 01:46:11,500

were talking about there and he called

2670

01:46:17,250 --> 01:46:14,890

it doorway amnesia hmm and he said all

2671

01:46:20,610 --> 01:46:17,260

the abductees said yeah I went up and

2672

01:46:22,380 --> 01:46:20,620

then I'm inside the craft but don't they

2673

01:46:24,750 --> 01:46:22,390

have no recollection no actually going

2674

01:46:26,520 --> 01:46:24,760

through the door sure sure you know and

2675

01:46:28,380 --> 01:46:26,530

it just reminded me exactly what you

2676

01:46:30,510 --> 01:46:28,390

were talking about there quantum

2677

01:46:36,570 --> 01:46:30,520

entanglement I will not forget that

2678

01:46:38,459 --> 01:46:36,580

phrase yeah I don't know I'm not saying

2679

01:46:40,740 --> 01:46:38,469

there's a connection it just it just

2680

01:46:43,470 --> 01:46:40,750

seemed to me at home as soon as you

2681

01:46:45,780 --> 01:46:43,480

start talking about it well strangely

2682

01:46:48,570 --> 01:46:45,790

enough Phil there's an aspect of this

2683

01:46:50,760 --> 01:46:48,580

which which were also know that there's

2684

01:46:53,939 --> 01:46:50,770

a phenomenon a paranormal phenomenon

2685

01:46:56,610 --> 01:46:53,949

which is called Ana port okay yes

2686

01:46:59,520 --> 01:46:56,620

objects spontaneously appear in a room

2687

01:47:01,910 --> 01:46:59,530

and that always warm to the touch always

2688

01:47:05,820 --> 01:47:01,920

never called always warm to the touch

2689

01:47:07,290 --> 01:47:05,830

this is because we think that they enter

2690

01:47:09,930 --> 01:47:07,300

the room they've got to pass through

2691

01:47:12,030 --> 01:47:09,940

solid walls the ceilings whatever okay

2692

01:47:14,810 --> 01:47:12,040

so we think they're actually stripped

2693

01:47:16,590 --> 01:47:14,820

down to the fundamental particles

2694

01:47:18,510 --> 01:47:16,600

transported through through the solid

2695

01:47:20,250 --> 01:47:18,520

object and reassembled again and this

2696

01:47:22,740 --> 01:47:20,260

produces heat which is why they're warm

2697

01:47:23,939 --> 01:47:22,750

to the touch I just wonder if something

2698

01:47:25,979 --> 01:47:23,949

similar has been happening for your

2699

01:47:30,150 --> 01:47:25,989

abductees I don't know me I don't know

2700

01:47:33,180 --> 01:47:30,160

but but a few weeks back Chris and I had

2701
01:47:36,390 --> 01:47:33,190
Paul Sinclair as our guest and Paul was

2702
01:47:39,530 --> 01:47:36,400
telling us about a UFO case that it was

2703
01:47:42,300 --> 01:47:39,540
investigating but it also involved

2704
01:47:43,709 --> 01:47:42,310
poltergeist activity sure I'm sure you

2705
01:47:46,620 --> 01:47:43,719
know what I'm talking about here Chris

2706
01:47:48,840 --> 01:47:46,630
and again Paul will be talking about

2707
01:47:54,450 --> 01:47:48,850
this yeah basically a couple lads worked

2708
01:47:56,010 --> 01:47:54,460
in this large industrial you and I think

2709
01:47:57,600 --> 01:47:56,020
there were spray painted and things like

2710
01:48:00,689 --> 01:47:57,610
that of large you know bosses

2711
01:48:04,830 --> 01:48:00,699
and and all this kind of stuff and you

2712
01:48:07,740 --> 01:48:04,840
know money coins would just you know be

2713
01:48:09,390 --> 01:48:07,750

thrown out them but like you said they

2714

01:48:11,640 --> 01:48:09,400

never actually saw them take off

2715

01:48:13,859 --> 01:48:11,650

I think nuts and bolts came flying as

2716

01:48:16,229 --> 01:48:13,869

well and peaches I think the the

2717

01:48:18,450 --> 01:48:16,239

calendar they had a girlie calendar on

2718

01:48:19,830 --> 01:48:18,460

the wall and they change it but every

2719

01:48:22,530 --> 01:48:19,840

time they went to look at it we'd always

2720

01:48:24,300 --> 01:48:22,540

been put back to the whatever this

2721

01:48:26,340 --> 01:48:24,310

particular if it was January but there

2722

01:48:29,820 --> 01:48:26,350

yeah the spokes must have like Miss

2723

01:48:31,260 --> 01:48:29,830

January you know I you know again they

2724

01:48:33,959 --> 01:48:31,270

never actually saw any of this stuff

2725

01:48:36,660 --> 01:48:33,969

take off it always came and landed and I

2726

01:48:39,780 --> 01:48:36,670

you know I find that fascinating I

2727

01:48:42,000 --> 01:48:39,790

really do well also just well you

2728

01:48:44,399 --> 01:48:42,010

mentioned that Phil and Brian was

2729

01:48:48,090 --> 01:48:44,409

talking earlier on about air location

2730

01:48:50,340 --> 01:48:48,100

now this is up near the Flamborough Head

2731

01:48:52,620 --> 01:48:50,350

location where we have root stone

2732

01:48:54,990 --> 01:48:52,630

monolith which is again an ancient

2733

01:48:57,419 --> 01:48:55,000

monument the probably the tallest in the

2734

01:48:59,129 --> 01:48:57,429

country and where there are also a

2735

01:49:01,470 --> 01:48:59,139

burial mounds from that area as well

2736

01:49:04,620 --> 01:49:01,480

which Polish talks was about before and

2737

01:49:07,740 --> 01:49:04,630

again it's all in an area of unusual

2738

01:49:10,919 --> 01:49:07,750

activity so that connects to that exact

2739

01:49:12,689 --> 01:49:10,929

interesting to see if the area is if

2740

01:49:15,390 --> 01:49:12,699

there's you know a better geomagnetism

2741

01:49:18,080 --> 01:49:15,400

whatever it's on the edge or part of a

2742

01:49:20,820 --> 01:49:18,090

geomagnetic area be curious to find out

2743

01:49:22,560 --> 01:49:20,830

now just as no now you've mentioned that

2744

01:49:24,660 --> 01:49:22,570

it does remind me when speaking

2745

01:49:27,419 --> 01:49:24,670

privately with Paul and I'm sure he what

2746

01:49:30,050 --> 01:49:27,429

man me you know mentioning this there is

2747

01:49:32,790 --> 01:49:30,060

allegedly an area in the North Sea

2748

01:49:35,419 --> 01:49:32,800

approximately ten to fifteen miles off

2749

01:49:38,820 --> 01:49:35,429

the from bruh head where you do get M

2750

01:49:41,459 --> 01:49:38,830

magnetic anomalies electronica Shirley's

2751

01:49:44,100 --> 01:49:41,469

well we're certainly par for the course

2752

01:49:45,959 --> 01:49:44,110

I mean the more the more refined the

2753

01:49:48,330 --> 01:49:45,969

more we'll look at this subject the more

2754

01:49:50,250 --> 01:49:48,340

similarities refrained that there are

2755

01:49:51,810 --> 01:49:50,260

earth energies involved in this there

2756

01:49:53,879 --> 01:49:51,820

are subtle energies involved in it and

2757

01:49:56,370 --> 01:49:53,889

somehow whatever these things are

2758

01:49:59,729 --> 01:49:56,380

they're able to exploit them for their

2759

01:50:03,390 --> 01:49:59,739

own ends how they do it again as a total

2760

01:50:05,280 --> 01:50:03,400

mystery but but exploit them they do and

2761

01:50:08,580 --> 01:50:05,290

the du Quai successfully because they

2762

01:50:10,470 --> 01:50:08,590

keep they keep well the UFO is I don't

2763

01:50:11,190 --> 01:50:10,480

think but the Bathgate Hills upper care

2764

01:50:12,840 --> 01:50:11,200

and purple

2765

01:50:15,150 --> 01:50:12,850

I don't think there's so much you for

2766

01:50:16,890 --> 01:50:15,160

logical stuff happens here but they'll

2767

01:50:20,250 --> 01:50:16,900

set my sightings of this this gray

2768

01:50:22,560 --> 01:50:20,260

silver whatever is as seen on a regular

2769

01:50:24,900 --> 01:50:22,570

basis but those other bits of I feel

2770

01:50:29,550 --> 01:50:24,910

like ghostly activity happen up there as

2771

01:50:31,470 --> 01:50:29,560

well that's fascinating stuff so Brian

2772

01:50:33,210 --> 01:50:31,480

are you planning any more books so you

2773

01:50:35,040 --> 01:50:33,220

know yeah you a attending any

2774

01:50:37,410 --> 01:50:35,050

conferences are going to be speaking at

2775

01:50:39,920 --> 01:50:37,420

any conference I haven't not this year I

2776
01:50:42,570 --> 01:50:39,930
said put it on the black bomber because

2777
01:50:44,820 --> 01:50:42,580
my memory is not-- for that war is and I

2778
01:50:47,220 --> 01:50:44,830
can't give a presentation no just or off

2779
01:50:49,380 --> 01:50:47,230
cuff I've got to do off scripts and I'm

2780
01:50:50,700 --> 01:50:49,390
still pretty pretty rigid later but I'm

2781
01:51:01,020 --> 01:50:50,710
not doing it this year but I'm always

2782
01:51:10,830 --> 01:51:01,030
open to offers okay what are you and I

2783
01:51:14,700 --> 01:51:10,840
mean how does anybody find you know the

2784
01:51:17,250 --> 01:51:14,710
magazine and books you know well yeah

2785
01:51:19,200 --> 01:51:17,260
that's what I was going to ask so cool

2786
01:51:21,540 --> 01:51:19,210
as far as as far as the magazine goes

2787
01:51:25,470 --> 01:51:21,550
it's phenomenal magazine all one what

2788
01:51:27,510 --> 01:51:25,480

phenomena magazine doc good at UK if you

2789

01:51:28,830 --> 01:51:27,520

go online phenomenon magazine doctor at

2790

01:51:32,690 --> 01:51:28,840

UK I'll take you straight to the website

2791

01:51:35,520 --> 01:51:32,700

the magazine is free so you can download

2792

01:51:37,290 --> 01:51:35,530

it's been on the go for a couple years

2793

01:51:39,350 --> 01:51:37,300

before I get involved with it you can go

2794

01:51:42,420 --> 01:51:39,360

bike for like six five six seven years

2795

01:51:44,310 --> 01:51:42,430

eight years and download as many of the

2796

01:51:46,470 --> 01:51:44,320

back issues as you want but all free and

2797

01:51:48,990 --> 01:51:46,480

it's the leader we don't we look for no

2798

01:51:51,090 --> 01:51:49,000

man a magazine doc good at UK if you

2799

01:51:52,590 --> 01:51:51,100

wanted my books well I mean I can't

2800

01:51:56,910 --> 01:51:52,600

remember all that have several

2801

01:51:59,040 --> 01:51:56,920

publishers but I think wait through

2802

01:52:01,320 --> 01:51:59,050

books are published in the last two and

2803

01:52:04,170 --> 01:52:01,330

CAF said publishing have also you know

2804

01:52:05,820 --> 01:52:04,180

Dutch Jon downs he's published a couple

2805

01:52:07,860 --> 01:52:05,830

of books as well also if you're going to

2806

01:52:09,630 --> 01:52:07,870

see if said publishing or white crow

2807

01:52:13,340 --> 01:52:09,640

books you'll get quite a few more books

2808

01:52:16,740 --> 01:52:13,350

here as well femm is interested

2809

01:52:18,900 --> 01:52:16,750

okay well sure people will be interested

2810

01:52:21,030 --> 01:52:18,910

and will want to go across and have a

2811

01:52:23,700 --> 01:52:21,040

look at those when does the next issue a

2812

01:52:25,109 --> 01:52:23,710

phenomenon I then the last word the

2813

01:52:27,750 --> 01:52:25,119

newest issue just came out

2814

01:52:29,220 --> 01:52:27,760

I guess just dog a week ago and what

2815

01:52:30,899 --> 01:52:29,230

there's actually got a picture of

2816

01:52:32,550 --> 01:52:30,909

Stanton Friedman in the front and more

2817

01:52:35,760 --> 01:52:32,560

in yell yeah thank you so that would go

2818

01:52:37,290 --> 01:52:35,770

on yeah well all in magazine has got the

2819

01:52:40,500 --> 01:52:37,300

standing on the fulfilled well that came

2820

01:52:42,839 --> 01:52:40,510

out well the next one although towards

2821

01:52:45,120 --> 01:52:42,849

the end of this month and you know like

2822

01:52:49,320 --> 01:52:45,130

I see a family if every once again

2823

01:52:53,760 --> 01:52:49,330

contact of its bgl and a BG I in a real

2824

01:52:57,540 --> 01:52:53,770

calm or parrot x7 that's P P a ret

2825

01:52:59,520 --> 01:52:57,550

easier number seven at aol.com if they

2826
01:53:00,540 --> 01:52:59,530
just give a give me a show it dropped me

2827
01:53:02,399 --> 01:53:00,550
away and operate than when the mailing

2828
01:53:04,550 --> 01:53:02,409
list not me job be kept kept updated

2829
01:53:06,899 --> 01:53:04,560
from that whenever issues do come out

2830
01:53:08,760 --> 01:53:06,909
and I could say folks I have actually

2831
01:53:11,640 --> 01:53:08,770
been on that mailing list cell for quite

2832
01:53:13,620 --> 01:53:11,650
a number of years and is always a very

2833
01:53:15,180 --> 01:53:13,630
interest and I can confirm I'm on the

2834
01:53:17,939 --> 01:53:15,190
mailing list and no matter how much I

2835
01:53:25,379 --> 01:53:17,949
pay pay this young man he will not check

2836
01:53:29,070 --> 01:53:25,389
me off it can you give us any sneak

2837
01:53:30,510 --> 01:53:29,080
previews of the next issue well we're

2838
01:53:32,100 --> 01:53:30,520

still working on and find a fight to

2839

01:53:34,500 --> 01:53:32,110

just split up and drop box and send it

2840

01:53:36,180 --> 01:53:34,510

to the designer and do you know what I'm

2841

01:53:39,270 --> 01:53:36,190

not lying I can't even remember what's

2842

01:53:40,530 --> 01:53:39,280

in it because I'm working on this I'm

2843

01:53:42,510 --> 01:53:40,540

actually working on this the same

2844

01:53:44,910 --> 01:53:42,520

position but it that way I mean I worked

2845

01:53:47,100 --> 01:53:44,920

like six months ahead and and just

2846

01:53:48,870 --> 01:53:47,110

update stuff as I get FL just that would

2847

01:53:50,729 --> 01:53:48,880

just swap stuff alone but I couldn't

2848

01:53:52,229 --> 01:53:50,739

actually tell you off I'm just a silly

2849

01:53:54,839 --> 01:53:52,239

what's in the next issue because I can't

2850

01:53:57,270 --> 01:53:54,849

remember they don't watch me okay well I

2851
01:54:00,000 --> 01:53:57,280
tend to work on each issue of about

2852
01:54:02,160 --> 01:54:00,010
limits magazine I mean basically I don't

2853
01:54:04,260 --> 01:54:02,170
get that far ahead you know it's good I

2854
01:54:05,760 --> 01:54:04,270
mean obviously things can oh yeah you

2855
01:54:08,070 --> 01:54:05,770
know you know like the unfortunate

2856
01:54:09,689 --> 01:54:08,080
passing mountain you know so I had to

2857
01:54:12,000 --> 01:54:09,699
change a couple of articles all the

2858
01:54:14,129 --> 01:54:12,010
magazine as I'm sure you know with

2859
01:54:18,600 --> 01:54:14,139
phenomena and put something else in

2860
01:54:21,240 --> 01:54:18,610
about an immemorial and I'm in the Mori

2861
01:54:21,720 --> 01:54:21,250
and in memoriam piece about Stan just a

2862
01:54:23,910 --> 01:54:21,730
few words

2863
01:54:28,140 --> 01:54:23,920

yeah but just to recognize the immense

2864

01:54:31,020 --> 01:54:28,150

contribution that the guys made to yeah

2865

01:54:33,180 --> 01:54:31,030

yeah yeah it was a great believer of the

2866

01:54:34,919 --> 01:54:33,190

et it wasn't it uh what went there again

2867

01:54:38,430 --> 01:54:34,929

we could have good lots of arguments and

2868

01:54:39,860 --> 01:54:38,440

I think yeah well that might be another

2869

01:54:42,630 --> 01:54:39,870

shirt

2870

01:54:44,520 --> 01:54:42,640

eh if somebody could prove them it was

2871

01:54:46,380 --> 01:54:44,530

right it's just that this is involved

2872

01:54:48,540 --> 01:54:46,390

and I know we're running at a time now

2873

01:54:51,240 --> 01:54:48,550

whether the distances involved would

2874

01:54:52,620 --> 01:54:51,250

have to involve time travel to some some

2875

01:54:54,180 --> 01:54:52,630

degree because this year distances

2876

01:54:56,460 --> 01:54:54,190

involved and the speeds involved in

2877

01:54:58,590 --> 01:54:56,470

doing it so which is why I tend I think

2878

01:55:00,330 --> 01:54:58,600

the ETH is maybe not as valid as we're

2879

01:55:04,890 --> 01:55:00,340

thinking I think it wasn't a dimensional

2880

01:55:06,840 --> 01:55:04,900

thing yeah of course there's always you

2881

01:55:08,820 --> 01:55:06,850

know the wall thing as well you know

2882

01:55:11,580 --> 01:55:08,830

because I could do that properly yeah

2883

01:55:14,040 --> 01:55:11,590

somebody has suggested at some point so

2884

01:55:17,190 --> 01:55:14,050

is this is why this is a fascinating

2885

01:55:18,780 --> 01:55:17,200

subject and this is why on inside out

2886

01:55:21,420 --> 01:55:18,790

will limit smokers air the radio show

2887

01:55:23,640 --> 01:55:21,430

you know we actually do invite as many

2888

01:55:26,040 --> 01:55:23,650

different people on to talk about the

2889

01:55:28,170 --> 01:55:26,050

many different aspects you know and I

2890

01:55:30,090 --> 01:55:28,180

think I can personally say I've really

2891

01:55:32,100 --> 01:55:30,100

really enjoyed Odie's Lake place yeah

2892

01:55:37,710 --> 01:55:32,110

this evening I don't know about filming

2893

01:55:41,430 --> 01:55:37,720

a view I always enjoy listening to Brian

2894

01:55:43,229 --> 01:55:41,440

you know we do disagree politely on

2895

01:55:46,710 --> 01:55:43,239

certain things but like I said even

2896

01:55:48,390 --> 01:55:46,720

though you may disagree like like like

2897

01:55:50,640 --> 01:55:48,400

the guy from Birmingham Dave Audrey and

2898

01:55:53,160 --> 01:55:50,650

said you know absolutely fascinating you

2899

01:55:55,530 --> 01:55:53,170

will always learn something by by

2900

01:55:59,880 --> 01:55:55,540

listening to Brian be in a presentation

2901

01:56:02,100 --> 01:55:59,890

like this online or in person and you

2902

01:56:03,570 --> 01:56:02,110

know I'm I'm glad to say I've known him

2903

01:56:05,580 --> 01:56:03,580

for a number of years now on a hook

2904

01:56:07,500 --> 01:56:05,590

hopefully as many more years ahead Brian

2905

01:56:09,030 --> 01:56:07,510

I think he's and hopefully one of these

2906

01:56:11,280 --> 01:56:09,040

days you actually bury that paint your

2907

01:56:14,180 --> 01:56:11,290

eyes you know you know he's been on

2908

01:56:17,010 --> 01:56:14,190

about this paint with two straws that

2909

01:56:19,740 --> 01:56:17,020

allegedly I I agreed to buy him and his

2910

01:56:21,990 --> 01:56:19,750

wife some some years ago I mean you know

2911

01:56:24,660 --> 01:56:22,000

it's it's an allegation I'm never gonna

2912

01:56:26,190 --> 01:56:24,670

have asked it from I don't think no well

2913

01:56:29,910 --> 01:56:26,200

don't forget you owe you a Malcolm

2914

01:56:34,200 --> 01:56:29,920

Robinson upon as well I don't know he

2915

01:56:36,270 --> 01:56:34,210

keeps telling me you know I think he's

2916

01:56:40,340 --> 01:56:36,280

dreaming I really do Brian's got more

2917

01:56:47,490 --> 01:56:42,390

thought I thought he was gonna say

2918

01:56:50,140 --> 01:56:47,500

Brian's got two hopes of game Chung's is

2919

01:56:52,770 --> 01:56:50,150

no chance on a dog

2920

01:56:56,750 --> 01:56:52,780

[Laughter]

2921

01:57:02,970 --> 01:56:56,760

well Brian author

2922

01:57:04,919 --> 01:57:02,980

investigator editor and I don't know I

2923

01:57:06,689 --> 01:57:04,929

don't know what else to say that I just

2924

01:57:09,299 --> 01:57:06,699

want to say thank you very much for

2925

01:57:12,000 --> 01:57:09,309

joining us this evening on their inside

2926

01:57:13,620 --> 01:57:12,010

out Limits radio show and I wish you

2927

01:57:14,520 --> 01:57:13,630

more power to your elbow as I'm sure

2928

01:57:17,669 --> 01:57:14,530

absolutely

2929

01:57:18,839 --> 01:57:17,679

look yeah and you know perhaps we'll get

2930

01:57:20,600 --> 01:57:18,849

you one again at some point in the

2931

01:57:23,069 --> 01:57:20,610

future

2932

01:57:25,080 --> 01:57:23,079

Chris Phil thank you very much for

2933

01:57:26,220 --> 01:57:25,090

having me however having me and I had me

2934

01:57:31,040 --> 01:57:26,230

on the show it's been an absolute

2935

01:57:32,459 --> 01:57:31,050

pleasure totally enjoyed it thank you

2936

01:57:34,830 --> 01:57:32,469

take care

2937

01:57:37,830 --> 01:57:34,840

inside Outer Limits is a regular feature

2938

01:57:40,080 --> 01:57:37,840

on the paranormal UK radio network truth

2939

01:57:42,390 --> 01:57:40,090

proof series of paranormal publications

2940

01:57:45,660 --> 01:57:42,400

written by Paul Sinclair are a classic

2941

01:57:48,060 --> 01:57:45,670

piece of citizen investigation strange

2942

01:57:50,689 --> 01:57:48,070

lights in the sky people disappearing

2943

01:57:53,850 --> 01:57:50,699

big cats stalking the landscape

2944

01:57:56,310 --> 01:57:53,860

werewolves in the woods fairy folklore

2945

01:57:58,649 --> 01:57:56,320

little humanoid creatures and landing
