LUIS CAYETANO

THE ROLE OF CONSCIOUSNESS

IN THE UFO AND ALIEN MYTHOS

THE INVISIBLE

NIGHT SCHOOL

1
00:00:00,359 --> 00:00:03,730
foreign

2
00:00:35,450 --> 00:00:20,660
[Music]

3
00:00:40,670 --> 00:00:35,460
[Applause]

4
00:00:49,369 --> 00:00:40,680
[Music]

5
00:00:53,869 --> 00:00:51,470
class is in session with the invisible

6
00:00:56,209 --> 00:00:53,879
night school for anyone just joining us

7
00:00:58,369 --> 00:00:56,219
welcome whether you're live or watching

8
00:01:00,830 --> 00:00:58,379
this recorded we are so glad that you're

9
00:01:02,810 --> 00:01:00,840
here the invisible night school is a

10
00:01:05,270 --> 00:01:02,820
small Consortium of lay researchers and

11
00:01:07,789 --> 00:01:05,280
Scholars analytically exploring UFOs and

12
00:01:09,950 --> 00:01:07,799
view APS High strangeness and the

13
00:01:11,390 --> 00:01:09,960

cultural and social implications of the

14

00:01:12,910 --> 00:01:11,400

phenomenon

15

00:01:15,289 --> 00:01:12,920

you can find us at the

16

00:01:16,850 --> 00:01:15,299

invisiblenightschool.com make sure to

17

00:01:18,469 --> 00:01:16,860

like share and subscribe our Channel

18

00:01:20,030 --> 00:01:18,479

because we are still growing our

19

00:01:22,490 --> 00:01:20,040

audience we'd love to have more people

20

00:01:24,830 --> 00:01:22,500

here with us every weekend

21

00:01:26,990 --> 00:01:24,840

my name is Leah Prime and without

22

00:01:31,850 --> 00:01:27,000

further Ado I would love to welcome my

23

00:01:34,789 --> 00:01:31,860

co-hosts Nick coffin kalis Luis caitano

24

00:01:36,649 --> 00:01:34,799

and Campbell Moreira

25

00:01:38,749 --> 00:01:36,659

so tonight we'll be focusing on a recent

26
00:01:41,390 --> 00:01:38,759
paper by Lewis And discussing the role

27
00:01:45,170 --> 00:01:41,400
of Consciousness in the UFO and alien

28
00:01:47,149 --> 00:01:45,180
Mythos now uh the subject right now is

29
00:01:49,670 --> 00:01:47,159
especially Salient given the events the

30
00:01:52,010 --> 00:01:49,680
last week what with Marina sarin and the

31
00:01:54,770 --> 00:01:52,020
community's attention to Nazism and Nazi

32
00:01:57,289 --> 00:01:54,780
sympathies showing up in ufology time

33
00:01:59,810 --> 00:01:57,299
and time and time again this is always

34
00:02:01,670 --> 00:01:59,820
and frequently also connected to

35
00:02:05,569 --> 00:02:01,680
discussions around occultism and

36
00:02:08,089 --> 00:02:05,579
Consciousness so setting the stage with

37
00:02:09,949 --> 00:02:08,099
all of that Louis I was hoping you could

38
00:02:12,589 --> 00:02:09,959

kick us off tell us a little bit about

39

00:02:17,809 --> 00:02:15,110

um thanks so um I've always been

40

00:02:22,729 --> 00:02:17,819

interested in the darker aspect of

41

00:02:26,470 --> 00:02:24,830

did I lose you guys are you all there

42

00:02:29,270 --> 00:02:26,480

okay

43

00:02:32,270 --> 00:02:29,280

what about Lewis is he here

44

00:02:33,410 --> 00:02:32,280

he's awesome it's an OP all right let me

45

00:02:40,729 --> 00:02:33,420

remove him and I'll add him again

46

00:02:44,390 --> 00:02:42,229

all right so let me let me deal with

47

00:02:46,130 --> 00:02:44,400

Lewis in the background Nick Campbell

48

00:02:48,350 --> 00:02:46,140

what's going on with you guys how are

49

00:02:49,430 --> 00:02:48,360

things pretty good about the events of

50

00:02:52,070 --> 00:02:49,440

the last week

51
00:02:54,770 --> 00:02:52,080
well let's uh can one of you provide a

52
00:02:56,690 --> 00:02:54,780
synopsis of uh exactly uh what that

53
00:02:58,970 --> 00:02:56,700
circumstance is

54
00:03:01,430 --> 00:02:58,980
um now I didn't follow this too closely

55
00:03:04,250 --> 00:03:01,440
I know that um Christopher melon was at

56
00:03:08,390 --> 00:03:04,260
that con recently right yes yes okay uh

57
00:03:10,070 --> 00:03:08,400
during a photo uh uh this young lady uh

58
00:03:12,229 --> 00:03:10,080
took a picture with him and reposted it

59
00:03:14,809 --> 00:03:12,239
and turned out to be

60
00:03:17,750 --> 00:03:14,819
I don't know exactly how you describe

61
00:03:21,250 --> 00:03:17,760
her kind of a uh kind of a nazia cultist

62
00:03:26,809 --> 00:03:24,050
the real issue isn't that she took this

63
00:03:28,910 --> 00:03:26,819

picture with Chris melon it's that she

64

00:03:30,830 --> 00:03:28,920

was featured I believe on a panel or as

65

00:03:32,869 --> 00:03:30,840

a speaker at this conference right oh

66

00:03:34,430 --> 00:03:32,879

like like yeah like the picture with

67

00:03:36,530 --> 00:03:34,440

Chris melon is incidental right like

68

00:03:38,630 --> 00:03:36,540

like I think realistically speaking it's

69

00:03:40,490 --> 00:03:38,640

not reasonable to expect Chris melon to

70

00:03:43,369 --> 00:03:40,500

have a comprehensive background check on

71

00:03:46,130 --> 00:03:43,379

everyone who takes his picture at a con

72

00:03:48,350 --> 00:03:46,140

um but yeah probably not but yeah the

73

00:03:50,390 --> 00:03:48,360

real issue is that she was like on a

74

00:03:52,670 --> 00:03:50,400

panel uh it may have even done a speaker

75

00:03:55,550 --> 00:03:52,680

at this conference and she claims that

76
00:03:58,430 --> 00:03:55,560
she is a reincarnated SS General

77
00:04:02,210 --> 00:03:58,440
oh God she had done she self-identifies

78
00:04:05,210 --> 00:04:02,220
as a real Dame so someone who works with

79
00:04:07,789 --> 00:04:05,220
real uh which is big in the Nazi

80
00:04:09,110 --> 00:04:07,799
occultist and Thule Society stuff and

81
00:04:11,210 --> 00:04:09,120
what is that

82
00:04:12,949 --> 00:04:11,220
so it's originally from the science

83
00:04:15,350 --> 00:04:12,959
fiction novel I think the novel is just

84
00:04:17,150 --> 00:04:15,360
called real and the science fiction

85
00:04:19,670 --> 00:04:17,160
novel itself is pretty innocuous it's

86
00:04:21,409 --> 00:04:19,680
from like it's big like H.G Wells Jules

87
00:04:23,270 --> 00:04:21,419
Verne style stuff it's about the

88
00:04:27,110 --> 00:04:23,280

Subterranean race of people that are

89

00:04:28,730 --> 00:04:27,120

discovered and they use vril which is

90

00:04:30,469 --> 00:04:28,740

similar it reminds me of if anyone's

91

00:04:32,030 --> 00:04:30,479

read eubic by Philip Kate dick it

92

00:04:33,890 --> 00:04:32,040

reminds me of eubic where it's this sort

93

00:04:35,570 --> 00:04:33,900

of universal energy or life force that

94

00:04:37,310 --> 00:04:35,580

they cultivate

95

00:04:39,770 --> 00:04:37,320

um but it was subsequently basically

96

00:04:43,310 --> 00:04:39,780

this concept of real was subsequently

97

00:04:46,010 --> 00:04:43,320

appropriated by nazia cultist movements

98

00:04:47,749 --> 00:04:46,020

um and part of the Thule Society uh

99

00:04:51,530 --> 00:04:47,759

during World War II and during the rise

100

00:04:54,290 --> 00:04:51,540

of Nazism so vril has very much been

101
00:04:57,110 --> 00:04:54,300
appropriated into this subject or into

102
00:04:59,629 --> 00:04:57,120
the space without in and of itself it

103
00:05:03,230 --> 00:04:59,639
being you know Nazi sympathizing it was

104
00:05:04,810 --> 00:05:03,240
well before that also it looks like uh

105
00:05:07,790 --> 00:05:04,820
well

106
00:05:09,290 --> 00:05:07,800
one sec I'm going I'm back and forth

107
00:05:10,610 --> 00:05:09,300
right now with Lewis on Discord to get

108
00:05:12,310 --> 00:05:10,620
him in here

109
00:05:15,110 --> 00:05:12,320
um yeah

110
00:05:16,909 --> 00:05:15,120
to this stream a lot of pictures ended

111
00:05:18,469 --> 00:05:16,919
up getting posted with her wearing kind

112
00:05:22,129 --> 00:05:18,479
of like Nazi paraphernalia like the

113
00:05:25,670 --> 00:05:22,139

black Sun Insignia uh as well as that

114

00:05:27,890 --> 00:05:25,680

kind of real logo yeah the frill logo

115

00:05:30,350 --> 00:05:27,900

for something that is from a innocuous

116

00:05:33,050 --> 00:05:30,360

science fiction novel uh they managed to

117

00:05:34,850 --> 00:05:33,060

make the frill V look about as Nazi

118

00:05:35,870 --> 00:05:34,860

sympathetic as possible it looks like

119

00:05:38,450 --> 00:05:35,880

it's something straight out of Castle

120

00:05:40,189 --> 00:05:38,460

Wolfenstein

121

00:05:42,050 --> 00:05:40,199

and then people also turned up like a

122

00:05:43,610 --> 00:05:42,060

few alt accounts of hers

123

00:05:45,110 --> 00:05:43,620

um you know and of course like there's

124

00:05:47,150 --> 00:05:45,120

also plenty of interviews where she's

125

00:05:48,830 --> 00:05:47,160

saying things like well look uh the

126
00:05:51,370 --> 00:05:48,840
Pleiadians were on the sides of the good

127
00:05:58,490 --> 00:05:55,670
yes like Oscar Schindler yes yeah it's

128
00:06:00,230 --> 00:05:58,500
an alien backup yeah exactly so

129
00:06:02,749 --> 00:06:00,240
so you know as

130
00:06:04,670 --> 00:06:02,759
do the sort of process of social media

131
00:06:05,990 --> 00:06:04,680
muckraking has turned up increasingly

132
00:06:08,029 --> 00:06:06,000
damning evidence

133
00:06:10,550 --> 00:06:08,039
um is the corollary from the

134
00:06:13,249 --> 00:06:10,560
somethingawful.com dead internet comedy

135
00:06:17,210 --> 00:06:13,259
forums goes there is always more and it

136
00:06:19,550 --> 00:06:17,220
is always worse and uh never has it been

137
00:06:21,710 --> 00:06:19,560
more true than in uh sort of delving and

138
00:06:23,809 --> 00:06:21,720

plumbing the depths of Marina sarin and

139

00:06:25,309 --> 00:06:23,819

toward Nazi inclinations

140

00:06:27,170 --> 00:06:25,319

um so I think the the latest breaking

141

00:06:28,610 --> 00:06:27,180

news uh look Steve cambian did a three

142

00:06:30,590 --> 00:06:28,620

and a half hour show on her the other

143

00:06:32,210 --> 00:06:30,600

night she was supposed to show up and be

144

00:06:34,850 --> 00:06:32,220

a guest she blew up the interview

145

00:06:36,529 --> 00:06:34,860

originally she was refused to use stream

146

00:06:40,010 --> 00:06:36,539

yard because she found it too difficult

147

00:06:41,930 --> 00:06:40,020

which um I don't want to uh light any

148

00:06:43,790 --> 00:06:41,940

intellect on this show but I cannot

149

00:06:46,189 --> 00:06:43,800

conceivably imagine a technological

150

00:06:49,189 --> 00:06:46,199

capability less difficult than joining a

151
00:06:50,629 --> 00:06:49,199
stream yard stream no well I just said I

152
00:06:52,610 --> 00:06:50,639
just had problems with that

153
00:06:55,129 --> 00:06:52,620
hello

154
00:06:58,550 --> 00:06:55,139
you are here now the Blackstone was

155
00:07:03,770 --> 00:07:00,070
almost certain

156
00:07:06,710 --> 00:07:03,780
but Louise yeah you can uh fill us in on

157
00:07:09,590 --> 00:07:06,720
the background like why is this Nazism

158
00:07:11,390 --> 00:07:09,600
such a prevalent aspect of UFO culture

159
00:07:13,969 --> 00:07:11,400
historically and uh you know what

160
00:07:17,510 --> 00:07:13,979
significance does it have today

161
00:07:20,089 --> 00:07:17,520
well after World War II

162
00:07:22,249 --> 00:07:20,099
um there were a bunch of um stories and

163
00:07:25,909 --> 00:07:22,259

novels and stuff going around

164

00:07:28,070 --> 00:07:25,919

about Nazi Revival and part of it was

165

00:07:30,710 --> 00:07:28,080

just people were fascinated by

166

00:07:33,409 --> 00:07:30,720

what the hell happened right this sort

167

00:07:37,249 --> 00:07:35,510

Pagan monstrosity

168

00:07:39,770 --> 00:07:37,259

um in Christendom

169

00:07:41,930 --> 00:07:39,780

um you know and uh caused millions of

170

00:07:43,850 --> 00:07:41,940

deaths and all that the the Holocaust

171

00:07:45,469 --> 00:07:43,860

people were sort of trying to get their

172

00:07:47,270 --> 00:07:45,479

heads around that and but there was a

173

00:07:49,850 --> 00:07:47,280

kind of fascination with Nazism as well

174

00:07:53,029 --> 00:07:49,860

that it was something beyond the normal

175

00:07:54,830 --> 00:07:53,039

human experience and um

176

00:07:58,370 --> 00:07:54,840

so a lot of that sort of got tied in

177

00:08:00,290 --> 00:07:58,380

with um esotericism and um paranormalism

178

00:08:03,249 --> 00:08:00,300

you know what

179

00:08:05,809 --> 00:08:03,259

the the story by um

180

00:08:07,850 --> 00:08:05,819

bergier and Paul's

181

00:08:09,710 --> 00:08:07,860

um is that their names uh Knight of The

182

00:08:13,850 --> 00:08:09,720

Magicians

183

00:08:16,309 --> 00:08:13,860

that's like one of the first big popular

184

00:08:18,110 --> 00:08:16,319

occult books from the 60s right and I

185

00:08:19,969 --> 00:08:18,120

made a lot of references to Nazis and

186

00:08:21,710 --> 00:08:19,979

that Hitler was like in communion with

187

00:08:25,330 --> 00:08:21,720

these dark Forces and stuff like that

188

00:08:27,589 --> 00:08:25,340

but then like outright Neo-Nazi um

189

00:08:30,950 --> 00:08:27,599

proponents were also trying to co-opt

190

00:08:32,630 --> 00:08:30,960

the Paranormal stuff as well for

191

00:08:35,329 --> 00:08:32,640

themselves to sort of make it more

192

00:08:36,110 --> 00:08:35,339

interesting for people and also to kind

193

00:08:37,370 --> 00:08:36,120

of

194

00:08:39,290 --> 00:08:37,380

yeah

195

00:08:41,870 --> 00:08:39,300

that stuff was kind of already part of

196

00:08:44,389 --> 00:08:41,880

Nazism to an extent so

197

00:08:47,030 --> 00:08:44,399

it's been somewhat exaggerated but there

198

00:08:50,930 --> 00:08:47,040

was a kind of esoteric component in

199

00:08:53,030 --> 00:08:50,940

autism and um so it was easy for that

200

00:08:55,430 --> 00:08:53,040

stuff to sort of get resuscitated in

201
00:08:57,650 --> 00:08:55,440
stories and fiction especially to do

202
00:09:00,290 --> 00:08:57,660
with Antarctic underground bases and

203
00:09:03,350 --> 00:09:00,300
UFOs and all that stuff especially after

204
00:09:06,829 --> 00:09:03,360
Kenneth Arnold's you know 1947 sighting

205
00:09:10,130 --> 00:09:06,839
and into the contact he period where you

206
00:09:11,030 --> 00:09:10,140
had these Nordic blonde aliens right

207
00:09:15,670 --> 00:09:11,040
um

208
00:09:17,870 --> 00:09:15,680
you know interestingly one of uh

209
00:09:19,130 --> 00:09:17,880
adamsky's Associates George hunt

210
00:09:21,170 --> 00:09:19,140
Williamson

211
00:09:23,750 --> 00:09:21,180
um was himself had briefly been a member

212
00:09:26,990 --> 00:09:23,760
of the silver shirts uh which was a

213
00:09:29,990 --> 00:09:27,000

Neo-Nazi outfit in the United States and

214

00:09:34,250 --> 00:09:30,000

the leader of that um outfit um William

215

00:09:35,030 --> 00:09:34,260

Pelley was a obviously a Neo-Nazi and he

216

00:09:37,730 --> 00:09:35,040

um

217

00:09:39,650 --> 00:09:37,740

talked about soulcraft and that the oh

218

00:09:42,110 --> 00:09:39,660

yeah the white race was going to be um

219

00:09:45,050 --> 00:09:42,120

you know sent to heaven or to space by

220

00:09:47,389 --> 00:09:45,060

these aliens so um it was that stuff was

221

00:09:50,570 --> 00:09:47,399

kind of already in the UFO scene to an

222

00:09:51,550 --> 00:09:50,580

extent but it wasn't really until I

223

00:09:55,310 --> 00:09:51,560

guess the

224

00:09:57,410 --> 00:09:55,320

1980s or 90s that neo-nazis and the far

225

00:09:59,870 --> 00:09:57,420

right in Europe and the US they really

226

00:10:01,970 --> 00:09:59,880

started pushing with it and you might

227

00:10:03,230 --> 00:10:01,980

know about somebody called Van Helsing

228

00:10:05,990 --> 00:10:03,240

in Europe

229

00:10:08,210 --> 00:10:06,000

yeah he named himself after the vampire

230

00:10:09,829 --> 00:10:08,220

okay I know the characters right I was

231

00:10:13,190 --> 00:10:09,839

going to say like the guy from Dracula

232

00:10:16,910 --> 00:10:14,870

um but he um I think there's an anime

233

00:10:19,910 --> 00:10:16,920

called Van Helsing too I want to make

234

00:10:22,030 --> 00:10:19,920

sure he speaks to the audience

235

00:10:25,250 --> 00:10:22,040

hi weeps

236

00:10:28,130 --> 00:10:25,260

they kind of took that stuff and also um

237

00:10:30,710 --> 00:10:28,140

earns zundel the famous Holocaust denial

238

00:10:32,570 --> 00:10:30,720

he actually wrote a book about uh Hitler

239

00:10:34,430 --> 00:10:32,580

and flying sources and he didn't believe

240

00:10:35,870 --> 00:10:34,440

a word of it he basically said to

241

00:10:37,850 --> 00:10:35,880

himself

242

00:10:40,070 --> 00:10:37,860

um but he was just trying to sort of

243

00:10:42,650 --> 00:10:40,080

draw young people into the

244

00:10:45,170 --> 00:10:42,660

uh make them interested in what he was

245

00:10:47,990 --> 00:10:45,180

saying about the Holocaust because

246

00:10:50,090 --> 00:10:48,000

if you can say that history has been a

247

00:10:51,590 --> 00:10:50,100

complete Lie by the liberal

248

00:10:53,269 --> 00:10:51,600

establishment then what else are they

249

00:10:54,949 --> 00:10:53,279

lying about so maybe if they're lying

250

00:10:56,509 --> 00:10:54,959

about UFOs and they're also lying about

251
00:10:58,610 --> 00:10:56,519
the Holocaust

252
00:11:01,250 --> 00:10:58,620
right so that's sort of places where it

253
00:11:04,069 --> 00:11:01,260
goes as a conduit for all that crap this

254
00:11:06,650 --> 00:11:04,079
is a tactic we see now too with the alt

255
00:11:08,810 --> 00:11:06,660
right and with uh the sort of

256
00:11:11,630 --> 00:11:08,820
authoritarian and totalitarian movements

257
00:11:14,030 --> 00:11:11,640
uh partly that they attempt to seduce

258
00:11:16,130 --> 00:11:14,040
and bring in basically primarily younger

259
00:11:17,990 --> 00:11:16,140
male new members with Promises of

260
00:11:20,449 --> 00:11:18,000
unveiling like technological Secrets

261
00:11:22,190 --> 00:11:20,459
right because let's be real like Nazis

262
00:11:24,050 --> 00:11:22,200
are terrible but they're also super

263
00:11:26,449 --> 00:11:24,060

titillating like they get lots of

264

00:11:28,569 --> 00:11:26,459

attention if they're in media like they

265

00:11:31,550 --> 00:11:28,579

get you know they they're sort of this

266

00:11:32,870 --> 00:11:31,560

taboo uh interest in them culturally and

267

00:11:33,590 --> 00:11:32,880

socially

268

00:11:36,230 --> 00:11:33,600

um

269

00:11:38,870 --> 00:11:36,240

so they they're good uh little like the

270

00:11:41,389 --> 00:11:38,880

secret space program and UFOs are great

271

00:11:43,430 --> 00:11:41,399

little recruitment tools and then also

272

00:11:45,769 --> 00:11:43,440

um as we've talked about the subject is

273

00:11:48,650 --> 00:11:45,779

a fantastic basically gateway drug to

274

00:11:51,470 --> 00:11:48,660

unwinding consensus reality which is

275

00:11:54,230 --> 00:11:51,480

very much kind of the first order of

276

00:11:57,110 --> 00:11:54,240

business when it comes to the uh right

277

00:11:59,030 --> 00:11:57,120

wing and alt-right movement right now

278

00:12:00,710 --> 00:11:59,040

the Paranormal is like a really good

279

00:12:02,509 --> 00:12:00,720

vehicle for getting your message across

280

00:12:04,610 --> 00:12:02,519

to people because you can offer it as

281

00:12:06,650 --> 00:12:04,620

since it's magic essentially you can

282

00:12:08,650 --> 00:12:06,660

offer it as a kind of an ailment to

283

00:12:11,030 --> 00:12:08,660

anything you're looking for

284

00:12:16,329 --> 00:12:11,040

Independence or things like that you

285

00:12:21,170 --> 00:12:19,370

yeah it does yeah exactly it doesn't

286

00:12:22,910 --> 00:12:21,180

have to be beholden to the standards the

287

00:12:25,130 --> 00:12:22,920

typical standards of scientific evidence

288

00:12:27,470 --> 00:12:25,140

or analysis or interrogation

289

00:12:29,210 --> 00:12:27,480

um anyway Lewis sorry I interrupted you

290

00:12:31,009 --> 00:12:29,220

that has to be understood on an

291

00:12:33,889 --> 00:12:31,019

intuitive level

292

00:12:37,310 --> 00:12:33,899

um so if you are familiar with the works

293

00:12:40,069 --> 00:12:37,320

of Miguel Serrano or Julius Avila these

294

00:12:42,710 --> 00:12:40,079

were two oh yeah yeah I I know I know

295

00:12:45,829 --> 00:12:42,720

Julia savola yeah ride the tiger

296

00:12:47,150 --> 00:12:45,839

um the man among the ruins

297

00:12:53,629 --> 00:12:47,160

yeah

298

00:12:55,250 --> 00:12:53,639

Neo-Nazi um esoteric hitlerist he wrote

299

00:12:58,009 --> 00:12:55,260

a bunch of books about

300

00:13:00,050 --> 00:12:58,019

um he tied it into UFOs he even said

301

00:13:01,970 --> 00:13:00,060

that you could become a UFO that you

302

00:13:04,250 --> 00:13:01,980

could through a power the sheer power of

303

00:13:05,449 --> 00:13:04,260

will you could actually become like a

304

00:13:07,610 --> 00:13:05,459

vermana

305

00:13:09,230 --> 00:13:07,620

and you could um travel to the inner

306

00:13:12,050 --> 00:13:09,240

earth and to the black Sun

307

00:13:13,790 --> 00:13:12,060

it was very similar to the end of 2001 A

308

00:13:16,490 --> 00:13:13,800

Space Odyssey isn't it because he

309

00:13:17,870 --> 00:13:16,500

becomes an energy being yeah yeah that's

310

00:13:20,889 --> 00:13:17,880

a good point actually from the alien

311

00:13:24,590 --> 00:13:20,899

turned me into a monolith yeah

312

00:13:28,910 --> 00:13:24,600

you get to leave uh UFO samsara and

313

00:13:28,920 --> 00:13:33,350

yeah well yes

314

00:13:37,490 --> 00:13:35,449

no sorry go on so

315

00:13:40,069 --> 00:13:37,500

um I was gonna ask can you tell us a

316

00:13:42,949 --> 00:13:40,079

little bit about the black Sun

317

00:13:44,930 --> 00:13:42,959

oh the black sun is this very old idea

318

00:13:47,629 --> 00:13:44,940

so it goes back centuries or if not

319

00:13:49,370 --> 00:13:47,639

Millennia they've been always like um

320

00:13:52,610 --> 00:13:49,380

from different cultures ideas about

321

00:13:55,550 --> 00:13:52,620

emanating forces and mysterious objects

322

00:13:58,490 --> 00:13:55,560

in the sky and um but it was the Nazis

323

00:14:01,430 --> 00:13:58,500

that kind of um or some Nazis who took

324

00:14:04,129 --> 00:14:01,440

the idea of this emanating cosmic energy

325

00:14:07,370 --> 00:14:04,139

field or body which was like calling out

326

00:14:09,710 --> 00:14:07,380

to the Aryan race and um this really

327

00:14:11,690 --> 00:14:09,720

became a big thing after World War II

328

00:14:13,490 --> 00:14:11,700

like the black sun is sort of like a dog

329

00:14:15,769 --> 00:14:13,500

whistle as well because you can use it

330

00:14:17,030 --> 00:14:15,779

instead of the swastika in fact in

331

00:14:18,889 --> 00:14:17,040

Germany

332

00:14:20,269 --> 00:14:18,899

um where you can't display the swastika

333

00:14:22,009 --> 00:14:20,279

legally

334

00:14:23,750 --> 00:14:22,019

um you can you still use the black sun

335

00:14:25,370 --> 00:14:23,760

and that's sort of like uh you know

336

00:14:27,290 --> 00:14:25,380

everyone knows what that means

337

00:14:29,150 --> 00:14:27,300

um but you know you could always right

338

00:14:33,290 --> 00:14:29,160

use it as like a plausible deniability

339

00:14:34,790 --> 00:14:33,300

thing but basically the black Sun um

340

00:14:36,829 --> 00:14:34,800

and it's used a little bit differently

341

00:14:40,730 --> 00:14:36,839

between Neo-Nazi

342

00:14:41,990 --> 00:14:40,740

um writers but um it's basically meant

343

00:14:44,329 --> 00:14:42,000

to be this

344

00:14:46,670 --> 00:14:44,339

Cosmic body or sometimes it's inside the

345

00:14:49,430 --> 00:14:46,680

earth I think Miguel Serrano talks about

346

00:14:52,250 --> 00:14:49,440

it being like in the hollow Earth but um

347

00:14:56,150 --> 00:14:52,260

this sort of energetic thing which is

348

00:14:58,610 --> 00:14:56,160

sending out like spiritual energy to uh

349

00:15:00,530 --> 00:14:58,620

the white race and they can

350

00:15:02,810 --> 00:15:00,540

if you know you understand the writings

351

00:15:04,670 --> 00:15:02,820

of serrano on an intuitive level then

352

00:15:09,050 --> 00:15:04,680

you're getting what he's trying to say

353

00:15:10,970 --> 00:15:09,060

and you're in tune with the black Sun

354

00:15:13,850 --> 00:15:10,980

so it's it's I wouldn't say that it's

355

00:15:15,350 --> 00:15:13,860

not really a god as such because Nazism

356

00:15:16,430 --> 00:15:15,360

is a little bit weird when it comes to

357

00:15:19,550 --> 00:15:16,440

religion

358

00:15:21,110 --> 00:15:19,560

um it's got some Pagan inclinations it

359

00:15:23,090 --> 00:15:21,120

also talks about like the universe

360

00:15:26,210 --> 00:15:23,100

itself maybe being having a

361

00:15:28,610 --> 00:15:26,220

Consciousness and um Hitler himself sort

362

00:15:31,730 --> 00:15:28,620

of made allusions to that but it's a

363

00:15:33,769 --> 00:15:31,740

little bit unclear exactly

364

00:15:35,449 --> 00:15:33,779

I would say there's no overarching

365

00:15:37,970 --> 00:15:35,459

theological

366

00:15:40,310 --> 00:15:37,980

conception in Nazism it's like different

367

00:15:42,110 --> 00:15:40,320

people have different ideas but the

368

00:15:46,490 --> 00:15:42,120

black sun is a kind of

369

00:15:48,650 --> 00:15:46,500

um a symbol which is now used a lot by

370

00:15:51,230 --> 00:15:48,660

them because it's sort of I guess also

371

00:15:52,970 --> 00:15:51,240

the circular image is um a big thing as

372

00:15:55,490 --> 00:15:52,980

well like you know what Jung talked

373

00:15:58,129 --> 00:15:55,500

about the circle is like a unifying

374

00:16:00,290 --> 00:15:58,139

symbol yeah and so it's like a mandala

375

00:16:04,370 --> 00:16:00,300

yeah mandala

376

00:16:06,949 --> 00:16:04,380

which is ironic because the the yeah and

377

00:16:11,110 --> 00:16:06,959

the swastika as well as a Brooke is

378

00:16:14,090 --> 00:16:11,120

saying um it was an ancient symbol

379

00:16:15,769 --> 00:16:14,100

you see the swastika across a number of

380

00:16:17,569 --> 00:16:15,779

different cultures Hindu cultures Native

381

00:16:19,670 --> 00:16:17,579

American cultures

382

00:16:21,170 --> 00:16:19,680

um it's generally I think considered a

383

00:16:22,970 --> 00:16:21,180

mystical symbol frequently of death and

384

00:16:26,210 --> 00:16:22,980

rebirth right the cosmic dance or the

385

00:16:28,910 --> 00:16:26,220

Divine cycle yeah totally provided by

386

00:16:32,569 --> 00:16:28,920

the Nazis yeah the other thing is the

387

00:16:34,850 --> 00:16:32,579

cycle idea the the Nazis

388

00:16:39,170 --> 00:16:34,860

um and especially if you read um savitri

389

00:16:41,329 --> 00:16:39,180

Devi's work she was a hinzu nationalist

390

00:16:43,610 --> 00:16:41,339

um you know adherent of Hitler and the

391

00:16:44,930 --> 00:16:43,620

axis collaborator in when she was living

392

00:16:46,430 --> 00:16:44,940

in India

393

00:16:49,550 --> 00:16:46,440

um

394

00:16:51,650 --> 00:16:49,560

the they're very big on the idea of

395

00:16:53,990 --> 00:16:51,660

cycles that you go into the Kali Yugo

396

00:16:56,569 --> 00:16:54,000

which is like the the dead you know the

397

00:16:58,730 --> 00:16:56,579

current corrupt age and then it's going

398

00:17:01,550 --> 00:16:58,740

to be replaced by the Satya Yuga or the

399

00:17:03,290 --> 00:17:01,560

Golden Age and they're very you know

400

00:17:05,689 --> 00:17:03,300

they believe in that stuff very very

401
00:17:08,030 --> 00:17:05,699
strongly that there is no inherent

402
00:17:10,610 --> 00:17:08,040
progress or linear progress in society

403
00:17:12,710 --> 00:17:10,620
that that's a Jewish idea and that it's

404
00:17:16,309 --> 00:17:12,720
actually like this eternal cycle of

405
00:17:19,130 --> 00:17:16,319
corruption and then renewal this um this

406
00:17:21,530 --> 00:17:19,140
was also a core idea of Oswald spanglers

407
00:17:23,630 --> 00:17:21,540
the decline of the West which was very

408
00:17:25,909 --> 00:17:23,640
much influential I believe on National

409
00:17:28,370 --> 00:17:25,919
socialists thought Oswald Spangler

410
00:17:29,750 --> 00:17:28,380
basically wrote uh and I think the

411
00:17:32,750 --> 00:17:29,760
decline of the West came out in like

412
00:17:34,850 --> 00:17:32,760
maybe like around 1908 1912 something

413
00:17:37,310 --> 00:17:34,860

like that it's very long

414

00:17:39,710 --> 00:17:37,320

um he's a historiographer and his core

415

00:17:42,470 --> 00:17:39,720

idea was that civilizations go through

416

00:17:44,029 --> 00:17:42,480

these cyclical rise and then Decay and

417

00:17:47,630 --> 00:17:44,039

collapse

418

00:17:49,850 --> 00:17:47,640

um and this uh obviously also added some

419

00:17:52,130 --> 00:17:49,860

I would say Western European legitimacy

420

00:17:54,710 --> 00:17:52,140

to the notion of the yugas or this sort

421

00:17:56,350 --> 00:17:54,720

of cyclical process which you know they

422

00:17:58,669 --> 00:17:56,360

obviously bird very heavily from

423

00:18:03,470 --> 00:17:58,679

fedantic and Hindu thought

424

00:18:05,150 --> 00:18:03,480

mm-hmm actually didn't um also Joe Rogan

425

00:18:07,130 --> 00:18:05,160

um I'm not calling I'm not calling him a

426

00:18:08,630 --> 00:18:07,140

Nazi but he was um repeating one of

427

00:18:12,010 --> 00:18:08,640

these tropes that's going around about

428

00:18:15,049 --> 00:18:12,020

how in Good Times strong men

429

00:18:17,390 --> 00:18:15,059

create abundance and then that leads to

430

00:18:20,750 --> 00:18:17,400

corruption and then that leads to bad

431

00:18:22,850 --> 00:18:20,760

times so yeah hard hard times create

432

00:18:24,950 --> 00:18:22,860

strong men strong men create good times

433

00:18:27,710 --> 00:18:24,960

good times create weak men and weak men

434

00:18:29,630 --> 00:18:27,720

create Hard Times yeah yeah this is look

435

00:18:31,070 --> 00:18:29,640

like there's Kali Yuga stuff even if

436

00:18:35,029 --> 00:18:31,080

you're not hearing it in this specific

437

00:18:36,650 --> 00:18:35,039

terminology very much is um a war cry of

438

00:18:38,750 --> 00:18:36,660

the sort of accelerationist movements

439

00:18:40,190 --> 00:18:38,760

that we see right now this notion that

440

00:18:42,409 --> 00:18:40,200

they're pushing towards this inevitable

441

00:18:44,450 --> 00:18:42,419

collapse in the case so that you know

442

00:18:45,890 --> 00:18:44,460

the old world can die in the new world

443

00:18:48,830 --> 00:18:45,900

can be born

444

00:18:49,510 --> 00:18:48,840

yes exactly well and there is this sort

445

00:18:52,010 --> 00:18:49,520

of

446

00:18:55,490 --> 00:18:52,020

pervasive sense in the UFO community

447

00:18:58,310 --> 00:18:55,500

that disclosure is imminent and doesn't

448

00:19:00,470 --> 00:18:58,320

that really resonate with this ancient

449

00:19:02,930 --> 00:19:00,480

tradition of thinking that we are always

450

00:19:05,710 --> 00:19:02,940

in the end times and what are the end

451
00:19:08,630 --> 00:19:05,720
times there the time brief period before

452
00:19:11,029 --> 00:19:08,640
the wonderful thing happens that we all

453
00:19:13,130 --> 00:19:11,039
want and then the world changes and we

454
00:19:14,990 --> 00:19:13,140
all have infinite clean energy and all

455
00:19:16,370 --> 00:19:15,000
this other stuff people are saying so

456
00:19:19,909 --> 00:19:16,380
it's like there's like almost like this

457
00:19:22,070 --> 00:19:19,919
like underlying human will to experience

458
00:19:23,990 --> 00:19:22,080
the reality in this way where it's like

459
00:19:26,510 --> 00:19:24,000
the best thing ever is just like around

460
00:19:27,830 --> 00:19:26,520
the corner and like I'm hearing that a

461
00:19:29,630 --> 00:19:27,840
lot in what you're saying that this is

462
00:19:32,270 --> 00:19:29,640
sort of like a continuation of many

463
00:19:35,090 --> 00:19:32,280

ancient themes like into a modern almost

464

00:19:37,430 --> 00:19:35,100

like scientific uh in quotes

465

00:19:39,890 --> 00:19:37,440

interpretive way right and

466

00:19:42,529 --> 00:19:39,900

technologically themed because as

467

00:19:46,390 --> 00:19:42,539

Brian's princesses said the UFO Mythos

468

00:19:49,370 --> 00:19:46,400

is um like a expression of the dominant

469

00:19:51,289 --> 00:19:49,380

ideology of the society the the advanced

470

00:19:52,730 --> 00:19:51,299

so-called Advanced societies which is

471

00:19:55,970 --> 00:19:52,740

that everything can be fixed with

472

00:19:58,669 --> 00:19:55,980

technology and so the UFO is a you know

473

00:20:01,010 --> 00:19:58,679

it's a technological thing and it's got

474

00:20:03,590 --> 00:20:01,020

free energy and all that and it's going

475

00:20:05,870 --> 00:20:03,600

to save us is that is the Hope but I'm

476

00:20:09,169 --> 00:20:05,880

gonna say also um you mentioned

477

00:20:12,590 --> 00:20:09,179

disclosure which that arguably has got

478

00:20:16,789 --> 00:20:12,600

more in common with Christian

479

00:20:20,330 --> 00:20:16,799

um eschatology eschatology then um uh

480

00:20:22,370 --> 00:20:20,340

Kali Yuga uh the Hindu cycle because a

481

00:20:24,230 --> 00:20:22,380

lot if you go back to the contactees a

482

00:20:26,029 --> 00:20:24,240

lot of the people were outright

483

00:20:27,350 --> 00:20:26,039

expressing the idea that they were

484

00:20:30,350 --> 00:20:27,360

really trying to get in touch with God

485

00:20:33,409 --> 00:20:30,360

like the Christian God and that um these

486

00:20:35,210 --> 00:20:33,419

nordics were like angels and that they

487

00:20:37,789 --> 00:20:35,220

were trying to connect us with this

488

00:20:39,770 --> 00:20:37,799

higher God which was like still the

489

00:20:42,409 --> 00:20:39,780

Christian God but just reconceptualized

490

00:20:44,630 --> 00:20:42,419

to fit in with like the UFO sightings

491

00:20:47,029 --> 00:20:44,640

that were taking place back then after

492

00:20:49,010 --> 00:20:47,039

you know Kenneth Arnold

493

00:20:50,230 --> 00:20:49,020

yeah it's working figures that will save

494

00:20:52,010 --> 00:20:50,240

us from whatever our current

495

00:20:55,010 --> 00:20:52,020

predicaments seem to be like

496

00:20:56,930 --> 00:20:55,020

environmentalism or nuclear war

497

00:20:58,730 --> 00:20:56,940

and I mean like the teleological

498

00:21:00,529 --> 00:20:58,740

worldview like this notion that we're

499

00:21:02,690 --> 00:21:00,539

all heading towards a particular

500

00:21:03,830 --> 00:21:02,700

destination or

501
00:21:06,409 --> 00:21:03,840
part

502
00:21:09,470 --> 00:21:06,419
um outcome is very much a function of

503
00:21:11,810 --> 00:21:09,480
like Western eschatological Christendom

504
00:21:13,850 --> 00:21:11,820
like it's such a Christian idea right

505
00:21:16,130 --> 00:21:13,860
and it underpins so much of how the

506
00:21:17,510 --> 00:21:16,140
Western world thinks about progress and

507
00:21:20,210 --> 00:21:17,520
movement

508
00:21:23,450 --> 00:21:20,220
um and it feels like you know I think

509
00:21:25,070 --> 00:21:23,460
that I'm sure hopefully we can get a

510
00:21:26,510 --> 00:21:25,080
little bit into this because I am a

511
00:21:28,669 --> 00:21:26,520
little bit over my skis talking about

512
00:21:31,250 --> 00:21:28,679
this right now but like I think about

513
00:21:33,470 --> 00:21:31,260

the Nazi and occultist appropriation of

514

00:21:34,970 --> 00:21:33,480

this from Hinduism

515

00:21:36,830 --> 00:21:34,980

um because it imparts this sort of

516

00:21:40,010 --> 00:21:36,840

strange orientalist View and also

517

00:21:41,750 --> 00:21:40,020

because of the idea that the Aryans came

518

00:21:43,070 --> 00:21:41,760

from India or from the Asian

519

00:21:45,470 --> 00:21:43,080

subcontinent

520

00:21:47,870 --> 00:21:45,480

um but also that it served as a way to

521

00:21:51,169 --> 00:21:47,880

disintermediate Christianity from this

522

00:21:53,750 --> 00:21:51,179

conversation because Christianity was

523

00:21:56,930 --> 00:21:53,760

very much uh at least in theory

524

00:21:59,210 --> 00:21:56,940

antithetical to the practices and

525

00:22:02,270 --> 00:21:59,220

politics of the Nazi party

526

00:22:07,549 --> 00:22:02,280

and there's also the vermonical aspect

527

00:22:10,669 --> 00:22:07,559

um uh medicins sorry Vita Vedic Hinduism

528

00:22:12,950 --> 00:22:10,679

um has got the caste system and that was

529

00:22:17,330 --> 00:22:12,960

very appealing to some Nazis because

530

00:22:19,549 --> 00:22:17,340

they were they they admired how the um

531

00:22:21,770 --> 00:22:19,559

the brahmins were able to dominate the

532

00:22:23,930 --> 00:22:21,780

entire population of India despite being

533

00:22:26,210 --> 00:22:23,940

a tiny minority

534

00:22:29,210 --> 00:22:26,220

so it's like a racial hierarchy idea

535

00:22:31,549 --> 00:22:29,220

involved as well right and then the in

536

00:22:33,230 --> 00:22:31,559

the black Sun philosophy that you were

537

00:22:36,529 --> 00:22:33,240

describing if I understand correctly

538

00:22:39,169 --> 00:22:36,539

there is this sense that some people who

539

00:22:41,690 --> 00:22:39,179

are I mean in their pre you know having

540

00:22:45,350 --> 00:22:41,700

basically genetic origin from a certain

541

00:22:47,330 --> 00:22:45,360

place are more attuned if we interpret

542

00:22:50,870 --> 00:22:47,340

technologically or whatever like based

543

00:22:53,149 --> 00:22:50,880

on their internal physiology to pick up

544

00:22:56,450 --> 00:22:53,159

these messages from the underlying

545

00:22:59,390 --> 00:22:56,460

Universal energy field type thing and

546

00:23:01,549 --> 00:22:59,400

it's like that is actually like exactly

547

00:23:03,830 --> 00:23:01,559

what I've heard from so many people uh

548

00:23:05,390 --> 00:23:03,840

so interested in the UFO subject and

549

00:23:08,330 --> 00:23:05,400

that's yeah fascinating to hear you

550

00:23:10,730 --> 00:23:08,340

describe this yeah

551
00:23:11,870 --> 00:23:10,740
you're getting that plot line today just

552
00:23:13,789 --> 00:23:11,880
kind of in slightly different window

553
00:23:17,750 --> 00:23:13,799
dressing right

554
00:23:19,490 --> 00:23:17,760
with the star seeds and um even with the

555
00:23:23,049 --> 00:23:19,500
stuff that um

556
00:23:25,250 --> 00:23:23,059
Nolan talks about he's basically yeah

557
00:23:26,450 --> 00:23:25,260
you're more attuned if you have certain

558
00:23:27,470 --> 00:23:26,460
genes

559
00:23:30,490 --> 00:23:27,480
um to

560
00:23:33,409 --> 00:23:30,500
receiving the message of these um

561
00:23:35,990 --> 00:23:33,419
interdimensional or whatever beams

562
00:23:37,850 --> 00:23:36,000
I think Diana pasoka also

563
00:23:40,070 --> 00:23:37,860

makes allusions to that in her book

564

00:23:41,810 --> 00:23:40,080

American Cosmic she doesn't come out and

565

00:23:44,210 --> 00:23:41,820

say that that's true but like she does

566

00:23:47,090 --> 00:23:44,220

talk about some of that stuff and there

567

00:23:49,789 --> 00:23:47,100

it was at least conveyed to her by

568

00:23:52,010 --> 00:23:49,799

um her contacts uh who turned out to be

569

00:23:53,810 --> 00:23:52,020

that could have been Nolan himself right

570

00:23:58,750 --> 00:23:53,820

because he right so he might have been

571

00:24:05,570 --> 00:24:02,810

Tim Taylor not Travis Taylor Tim Taylor

572

00:24:07,070 --> 00:24:05,580

I know Tim the toolman Taylor

573

00:24:08,750 --> 00:24:07,080

um yeah and this is this is an

574

00:24:10,190 --> 00:24:08,760

interesting thing like pursuant to like

575

00:24:13,190 --> 00:24:10,200

what pasoka's written about what Gary

576

00:24:15,710 --> 00:24:13,200

Nolan has discussed Etc is this notion

577

00:24:17,990 --> 00:24:15,720

that uh in a way it comes down

578

00:24:20,090 --> 00:24:18,000

almost to nature versus nurture right

579

00:24:22,010 --> 00:24:20,100

like you hear from individuals like Gary

580

00:24:23,870 --> 00:24:22,020

Nolan who make this argument that there

581

00:24:25,430 --> 00:24:23,880

is some biological differentiator that

582

00:24:28,730 --> 00:24:25,440

enables individuals to have these

583

00:24:32,029 --> 00:24:28,740

experiences but um you know then there's

584

00:24:33,649 --> 00:24:32,039

this nurture notion that there are very

585

00:24:34,870 --> 00:24:33,659

particular

586

00:24:37,669 --> 00:24:34,880

um

587

00:24:39,890 --> 00:24:37,679

behaviors or rituals that individuals

588

00:24:41,690 --> 00:24:39,900

can undertake to encourage these

589

00:24:43,850 --> 00:24:41,700

behaviors

590

00:24:46,010 --> 00:24:43,860

um you know and I mean I think that like

591

00:24:48,169 --> 00:24:46,020

when we talk about kind of divine

592

00:24:49,430 --> 00:24:48,179

inspiration or the muses like these are

593

00:24:50,870 --> 00:24:49,440

things that we've seen throughout human

594

00:24:53,390 --> 00:24:50,880

history where people get creative

595

00:24:55,370 --> 00:24:53,400

inspiration like the um anyways think

596

00:24:56,810 --> 00:24:55,380

about the mathematician Romana John who

597

00:24:58,970 --> 00:24:56,820

said that the goddess was whispering

598

00:25:00,350 --> 00:24:58,980

mathematical formulas in his ear like

599

00:25:02,750 --> 00:25:00,360

you hear this over and over from

600

00:25:04,730 --> 00:25:02,760

creatives that you know they're sort of

601
00:25:06,590 --> 00:25:04,740
divinely inspired but this notion that

602
00:25:09,409 --> 00:25:06,600
there is some physiological or

603
00:25:11,990 --> 00:25:09,419
biological marker or indicator that

604
00:25:13,789 --> 00:25:12,000
creates a separate more preferred place

605
00:25:16,010 --> 00:25:13,799
in the cosmos for receiving this

606
00:25:18,409 --> 00:25:16,020
information like that's some like deep

607
00:25:20,990 --> 00:25:18,419
boo-woo starseed Nazi stuff let's be

608
00:25:23,750 --> 00:25:21,000
real well not to mention since these

609
00:25:27,230 --> 00:25:23,760
these experiences are yet unidentified

610
00:25:29,690 --> 00:25:27,240
how are we proposing mechanisms for what

611
00:25:31,190 --> 00:25:29,700
we don't know is happening you know what

612
00:25:32,450 --> 00:25:31,200
I mean like where's this idea coming

613
00:25:38,510 --> 00:25:32,460

from

614

00:25:41,029 --> 00:25:38,520

in the things that uh Luis wrote about

615

00:25:44,570 --> 00:25:41,039

well there's potentially a fascinating

616

00:25:48,049 --> 00:25:44,580

uh blending as well right because if Dr

617

00:25:51,649 --> 00:25:48,059

Nolan is actually doing uh you know good

618

00:25:52,870 --> 00:25:51,659

science and he's finding an association

619

00:25:54,830 --> 00:25:52,880

between

620

00:25:57,049 --> 00:25:54,840

self-reports of these kinds of

621

00:25:59,990 --> 00:25:57,059

experiences and then he looks at the

622

00:26:01,490 --> 00:26:00,000

MRIs and he finds a particular region of

623

00:26:03,769 --> 00:26:01,500

the brain that has certain alter

624

00:26:06,890 --> 00:26:03,779

differences that are consistent among

625

00:26:09,230 --> 00:26:06,900

that group that's an observation and

626
00:26:11,210 --> 00:26:09,240
then we go into the interpretation and

627
00:26:13,010 --> 00:26:11,220
it's like well either that all that

628
00:26:14,870 --> 00:26:13,020
difference in the brain enables you to

629
00:26:16,370 --> 00:26:14,880
channel this messages from the

630
00:26:18,890 --> 00:26:16,380
underlying Universal energy field or

631
00:26:21,590 --> 00:26:18,900
maybe that structure represents

632
00:26:23,990 --> 00:26:21,600
something in the brain that produces

633
00:26:27,110 --> 00:26:24,000
these as sort of some kind of internal

634
00:26:28,909 --> 00:26:27,120
physiological electrochemical thing and

635
00:26:30,769 --> 00:26:28,919
I don't think we don't we don't have the

636
00:26:32,750 --> 00:26:30,779
uh conclusive answers right now but it

637
00:26:35,990 --> 00:26:32,760
really does come down to the way that

638
00:26:36,000 --> 00:26:38,990

Lewis um

639

00:26:43,130 --> 00:26:41,149

field reminds me of one of my favorite

640

00:26:44,930 --> 00:26:43,140

individuals from history madame

641

00:26:46,570 --> 00:26:44,940

blavatsky

642

00:26:50,390 --> 00:26:46,580

um can you talk to us a little bit about

643

00:26:53,029 --> 00:26:50,400

theosophy and uh the great madame

644

00:26:55,250 --> 00:26:53,039

well she was the the woman who really

645

00:26:57,890 --> 00:26:55,260

kind of brought mysticism back to the

646

00:27:01,490 --> 00:26:57,900

West which wouldn't you say you know in

647

00:27:02,930 --> 00:27:01,500

a big way and she resuscitated it and

648

00:27:05,330 --> 00:27:02,940

many of the things that we kind of take

649

00:27:07,970 --> 00:27:05,340

for granted today like yoga

650

00:27:09,950 --> 00:27:07,980

um other Eastern sort of quote-unquote

651

00:27:11,570 --> 00:27:09,960

Eastern type things

652

00:27:14,210 --> 00:27:11,580

um they're kind of thanks to her to a

653

00:27:15,890 --> 00:27:14,220

large extent right because of her

654

00:27:19,549 --> 00:27:15,900

influence at least

655

00:27:21,830 --> 00:27:19,559

and um well so her idea of theosophy she

656

00:27:24,830 --> 00:27:21,840

was the co-founder of theosophy

657

00:27:28,610 --> 00:27:24,840

and um she wrote huge tracts on that

658

00:27:30,649 --> 00:27:28,620

including the secret Doctrine in 1888

659

00:27:33,830 --> 00:27:30,659

um and on Isis unveiled which was

660

00:27:35,990 --> 00:27:33,840

written when was that 1879 I think

661

00:27:38,630 --> 00:27:36,000

um and these are very long and extremely

662

00:27:41,269 --> 00:27:38,640

Arcane so dense virtually unreadable

663

00:27:42,730 --> 00:27:41,279

like right right even even serious

664

00:27:45,350 --> 00:27:42,740

reading material

665

00:27:47,390 --> 00:27:45,360

when this kind of took place in regard

666

00:27:49,310 --> 00:27:47,400

to like the spiritualism movement that

667

00:27:51,830 --> 00:27:49,320

was happening in England around it kind

668

00:27:53,990 --> 00:27:51,840

of yeah around that time same as like

669

00:27:55,130 --> 00:27:54,000

Christian Science I think is emerging

670

00:27:57,110 --> 00:27:55,140

around this time we're talking about

671

00:27:58,870 --> 00:27:57,120

sort of the co-evolution of all these

672

00:28:02,269 --> 00:27:58,880

emergent like new religious things

673

00:28:04,430 --> 00:28:02,279

co-evolution because the evolution per

674

00:28:06,710 --> 00:28:04,440

se is uh important here as well because

675

00:28:09,110 --> 00:28:06,720

this is the time when dahlin came out

676

00:28:13,070 --> 00:28:09,120

with his theory of evolution by natural

677

00:28:14,690 --> 00:28:13,080

selection and um many people wanted to

678

00:28:16,370 --> 00:28:14,700

you couldn't

679

00:28:19,130 --> 00:28:16,380

um easily reconcile that with a

680

00:28:21,470 --> 00:28:19,140

traditional Christian notion so you had

681

00:28:24,289 --> 00:28:21,480

to kind of integrate that in in a

682

00:28:26,450 --> 00:28:24,299

different way so that's what bolivatsky

683

00:28:27,769 --> 00:28:26,460

tried to do she was very up to date on a

684

00:28:30,409 --> 00:28:27,779

lot of science at the time including

685

00:28:31,730 --> 00:28:30,419

evolutionary biology and she was trying

686

00:28:33,769 --> 00:28:31,740

to sort of incorporate that or

687

00:28:35,990 --> 00:28:33,779

assimilate that into her

688

00:28:38,210 --> 00:28:36,000

into her world view and that Evolution

689

00:28:40,190 --> 00:28:38,220

has got a kind of teleological this is

690

00:28:42,169 --> 00:28:40,200

actually against Darwin because Darwin

691

00:28:44,690 --> 00:28:42,179

denied that there was any teleological

692

00:28:47,269 --> 00:28:44,700

component to Evolution but she was

693

00:28:49,250 --> 00:28:47,279

trying to you know save that aspect of

694

00:28:51,710 --> 00:28:49,260

it and um

695

00:28:54,230 --> 00:28:51,720

and um say that those like these Cosmic

696

00:28:56,690 --> 00:28:54,240

cycles and these Cosmic evolutionary

697

00:28:58,549 --> 00:28:56,700

processes at the spiritual and then the

698

00:29:01,250 --> 00:28:58,559

material Level and

699

00:29:02,930 --> 00:29:01,260

you know societies have to um evolve and

700

00:29:04,850 --> 00:29:02,940

all that stuff so

701
00:29:06,830 --> 00:29:04,860
it was very much about assimilating lots

702
00:29:09,230 --> 00:29:06,840
of different ideas together

703
00:29:10,549 --> 00:29:09,240
to get this kind of unified field theory

704
00:29:14,210 --> 00:29:10,559
if you like

705
00:29:17,210 --> 00:29:14,220
um to try to understand everything and

706
00:29:19,730 --> 00:29:17,220
um she saw magic as a science in itself

707
00:29:21,590 --> 00:29:19,740
right so she she said that science uh

708
00:29:24,590 --> 00:29:21,600
Magic was just as much as science as

709
00:29:27,830 --> 00:29:24,600
chemistry or biology or anything like

710
00:29:30,409 --> 00:29:27,840
that and so um yeah very very

711
00:29:32,870 --> 00:29:30,419
interesting character I mean even if you

712
00:29:37,070 --> 00:29:32,880
you know the problematic aspects to her

713
00:29:38,810 --> 00:29:37,080

as well but um I think that she was in

714

00:29:41,149 --> 00:29:38,820

her own way an original thinker even if

715

00:29:42,230 --> 00:29:41,159

she did borrow a lot of ideas but the

716

00:29:44,930 --> 00:29:42,240

way that she just brought everything

717

00:29:47,810 --> 00:29:44,940

together I think was quite original

718

00:29:50,210 --> 00:29:47,820

it was interesting that uh she was kind

719

00:29:52,190 --> 00:29:50,220

of using like bleeding edge science as a

720

00:29:53,870 --> 00:29:52,200

medium to communicate these paranormal

721

00:29:56,269 --> 00:29:53,880

beliefs just like people are doing now

722

00:30:00,110 --> 00:29:56,279

with both Consciousness and uh quantum

723

00:30:02,389 --> 00:30:00,120

mechanics right so uh any of that like

724

00:30:04,909 --> 00:30:02,399

Leading Edge science which is also pop

725

00:30:07,130 --> 00:30:04,919

science right everybody reads pop

726

00:30:08,690 --> 00:30:07,140

magazines pop science about like uh dark

727

00:30:12,110 --> 00:30:08,700

matter and string theory and stuff like

728

00:30:13,850 --> 00:30:12,120

that without taking history courses you

729

00:30:15,830 --> 00:30:13,860

know leading up to that to understand it

730

00:30:19,130 --> 00:30:15,840

and I think that's kind of like

731

00:30:21,649 --> 00:30:19,140

the way that Medium works too you know

732

00:30:24,110 --> 00:30:21,659

because you have a uh I'm not a

733

00:30:26,330 --> 00:30:24,120

non-trained public who's

734

00:30:28,730 --> 00:30:26,340

vaguely aware of these like pop science

735

00:30:30,110 --> 00:30:28,740

Concepts like wormholes and gravity you

736

00:30:31,490 --> 00:30:30,120

know like uh

737

00:30:33,649 --> 00:30:31,500

Leading Edge science kind of like

738

00:30:36,710 --> 00:30:33,659

Evolution energy vibrations right

739

00:30:38,330 --> 00:30:36,720

exactly yeah you can kind of use that as

740

00:30:40,250 --> 00:30:38,340

a pipeline and it's interesting she was

741

00:30:42,350 --> 00:30:40,260

doing that back then too because I see

742

00:30:44,990 --> 00:30:42,360

the same thing now she was heavily

743

00:30:46,610 --> 00:30:45,000

invested in psychic stuff as well yeah I

744

00:30:48,110 --> 00:30:46,620

was gonna say this is this is like my

745

00:30:49,789 --> 00:30:48,120

pet theory about the reason for the

746

00:30:52,430 --> 00:30:49,799

emergence of like spiritualism and

747

00:30:55,010 --> 00:30:52,440

theosophy and Christian Science

748

00:30:57,590 --> 00:30:55,020

um was Co it was co-current with the

749

00:30:59,630 --> 00:30:57,600

arrival of unseen technological forces

750

00:31:02,149 --> 00:30:59,640

and popular life and popular imagination

751

00:31:05,029 --> 00:31:02,159

like once people started like using

752

00:31:07,730 --> 00:31:05,039

telegram or radio or electricity that

753

00:31:10,730 --> 00:31:07,740

like this then opened up the collective

754

00:31:12,889 --> 00:31:10,740

imagination to things like mediumship in

755

00:31:15,710 --> 00:31:12,899

theosophy and non-dual ways of thought

756

00:31:18,350 --> 00:31:15,720

uh and I and I think that those two like

757

00:31:20,810 --> 00:31:18,360

those things also kind of co-emerged uh

758

00:31:23,630 --> 00:31:20,820

and laid the framework for like why

759

00:31:25,789 --> 00:31:23,640

Madame blavatsky would be so uh I think

760

00:31:27,350 --> 00:31:25,799

well received I think to like it's

761

00:31:28,970 --> 00:31:27,360

interesting as well like I think you

762

00:31:31,310 --> 00:31:28,980

know like when she's coming around we

763

00:31:34,909 --> 00:31:31,320

just wrapped up um

764

00:31:37,850 --> 00:31:34,919

the Civil War uh we had this glut of

765

00:31:40,130 --> 00:31:37,860

widows and mothers and daughters who

766

00:31:43,190 --> 00:31:40,140

were missing men we have this woman

767

00:31:45,769 --> 00:31:43,200

Madame blavatsky and I think Henry Olson

768

00:31:48,049 --> 00:31:45,779

Scott was Henry Scott Olson that was

769

00:31:49,909 --> 00:31:48,059

like her uh male counterpart and

770

00:31:52,070 --> 00:31:49,919

founding theosophy if I recall correctly

771

00:31:54,110 --> 00:31:52,080

but like then we have this like woman

772

00:31:56,870 --> 00:31:54,120

coming in and providing some spiritual

773

00:31:58,310 --> 00:31:56,880

underpinning in a space where many women

774

00:31:59,870 --> 00:31:58,320

I would imagine were grappling for

775

00:32:01,250 --> 00:31:59,880

meaning and even now and I will admit

776

00:32:04,130 --> 00:32:01,260

I'm actually a member of the

777

00:32:06,169 --> 00:32:04,140

theosophical uh Society because I've

778

00:32:07,490 --> 00:32:06,179

taken some classes through them and if

779

00:32:09,230 --> 00:32:07,500

you're a member it's super cheap and you

780

00:32:11,269 --> 00:32:09,240

get like a huge discount on classes so I

781

00:32:13,250 --> 00:32:11,279

joined but like all the leadership is

782

00:32:15,950 --> 00:32:13,260

women it's like one of the very few sort

783

00:32:17,510 --> 00:32:15,960

of like women founded and women-led uh

784

00:32:19,190 --> 00:32:17,520

religions of the last couple hundred

785

00:32:22,250 --> 00:32:19,200

years alongside I guess Christian

786

00:32:24,769 --> 00:32:22,260

Science uh or like the Shakers

787

00:32:27,470 --> 00:32:24,779

um so I think it tends to also be very

788

00:32:29,210 --> 00:32:27,480

attractive to women regardless of the

789

00:32:31,730 --> 00:32:29,220

problematic elements of it just because

790

00:32:33,590 --> 00:32:31,740

it sort of brings this like feminine in

791

00:32:35,330 --> 00:32:33,600

touch to these subjects in a way that

792

00:32:37,269 --> 00:32:35,340

had previously been unexperienced or

793

00:32:40,970 --> 00:32:37,279

inexperienced

794

00:32:43,669 --> 00:32:40,980

well then it's uh I think it really does

795

00:32:46,190 --> 00:32:43,679

reflect like a changing world view and

796

00:32:48,649 --> 00:32:46,200

changing so rapidly in a way that maybe

797

00:32:50,690 --> 00:32:48,659

we can't even understand at this point

798

00:32:53,389 --> 00:32:50,700

in history like I struggle to imagine

799

00:32:56,210 --> 00:32:53,399

the difference between not knowing that

800

00:32:58,610 --> 00:32:56,220

radio can occur versus finding out the

801

00:33:00,409 --> 00:32:58,620

radio happens it's like I can really

802

00:33:01,970 --> 00:33:00,419

appreciate someone then thinking like oh

803

00:33:04,190 --> 00:33:01,980

maybe this psychic stuff actually makes

804

00:33:05,630 --> 00:33:04,200

sense before all of the studies have

805

00:33:07,490 --> 00:33:05,640

happened and all that stuff especially

806

00:33:09,350 --> 00:33:07,500

it's like oh that's remote control or

807

00:33:12,230 --> 00:33:09,360

something like without any visible thing

808

00:33:15,590 --> 00:33:12,240

so you know and so we've got Darwinism

809

00:33:19,310 --> 00:33:15,600

in the 1860s coming out and then we've

810

00:33:21,350 --> 00:33:19,320

got Marxist materialism that deposits

811

00:33:24,110 --> 00:33:21,360

that there's only the material

812

00:33:26,990 --> 00:33:24,120

and then we've got all of these kind of

813

00:33:28,730 --> 00:33:27,000

like reactionary things emerging yeah we

814

00:33:30,649 --> 00:33:28,740

have the Industrial Revolution we have

815

00:33:32,690 --> 00:33:30,659

Alexander Graham Bell who originally was

816

00:33:35,810 --> 00:33:32,700

trying to speak to the dead yeah and he

817

00:33:37,789 --> 00:33:35,820

invented the telephone right yeah and so

818

00:33:39,350 --> 00:33:37,799

like a big thing that I see that's so

819

00:33:41,269 --> 00:33:39,360

important in these differences is

820

00:33:42,830 --> 00:33:41,279

something that reminds me from uh

821

00:33:45,110 --> 00:33:42,840

political philosophy actually where

822

00:33:47,750 --> 00:33:45,120

there's a huge difference in building a

823

00:33:51,110 --> 00:33:47,760

nation-state between ethnic nationalism

824

00:33:53,690 --> 00:33:51,120

and Civic nationalism because one of

825

00:33:56,389 --> 00:33:53,700

those categories you can choose to be a

826

00:33:58,850 --> 00:33:56,399

member of and the other one has this

827

00:34:01,430 --> 00:33:58,860

like extremely Insidious component where

828

00:34:04,149 --> 00:34:01,440

you don't choose to be a part of it and

829

00:34:07,130 --> 00:34:04,159

so it's interesting to me that

830

00:34:09,409 --> 00:34:07,140

underlying like the original emergence

831

00:34:11,329 --> 00:34:09,419

of Nazism and somehow into the

832

00:34:13,450 --> 00:34:11,339

underlying culture of the modern UFO

833

00:34:16,070 --> 00:34:13,460

Movement we have this kind of like

834

00:34:18,950 --> 00:34:16,080

exclusionary component

835

00:34:21,589 --> 00:34:18,960

you know felt by a significant number of

836

00:34:25,369 --> 00:34:21,599

the uh leaders of the movement that is

837

00:34:28,849 --> 00:34:25,379

it's inherently exclusionary and it

838

00:34:30,409 --> 00:34:28,859

troubles me uh because I you know I

839

00:34:31,970 --> 00:34:30,419

we see so many problems when somebody

840

00:34:34,310 --> 00:34:31,980

can't choose to be a part of the

841

00:34:36,409 --> 00:34:34,320

community in that way it creates this

842

00:34:39,050 --> 00:34:36,419

hierarchy reminds me of the case thing

843

00:34:41,450 --> 00:34:39,060

like what are where where is the

844

00:34:43,310 --> 00:34:41,460

movement headed right now based on if

845

00:34:45,290 --> 00:34:43,320

people are not conscious of these

846

00:34:47,349 --> 00:34:45,300

historic patterns like where is this

847

00:34:50,510 --> 00:34:47,359

headed like where's what's the ultimate

848

00:34:53,450 --> 00:34:50,520

emergence of the UFO Community if

849

00:34:56,149 --> 00:34:53,460

disclosure does happen right it's like

850

00:34:58,910 --> 00:34:56,159

in a in a way that they feel like are we

851

00:35:00,530 --> 00:34:58,920

gonna would that be ideally this like

852

00:35:02,810 --> 00:35:00,540

emergence of a culture where there are

853

00:35:05,450 --> 00:35:02,820

these sort of like Elites that are

854

00:35:06,950 --> 00:35:05,460

purely based on their genetics like is

855

00:35:09,970 --> 00:35:06,960

that something we want to Aspire towards

856

00:35:14,810 --> 00:35:12,290

I don't know maybe that's too much but

857

00:35:17,569 --> 00:35:14,820

um we probably don't want to Aspire to

858

00:35:20,329 --> 00:35:17,579

this no um but it's like if these people

859

00:35:22,550 --> 00:35:20,339

actually are being communicated with by

860

00:35:24,890 --> 00:35:22,560

the energy force that is the center of

861

00:35:26,750 --> 00:35:24,900

the Earth or whatever right if we full

862

00:35:28,910 --> 00:35:26,760

it's like it's almost like being an

863

00:35:30,530 --> 00:35:28,920

anti-theist where it's like if you read

864

00:35:32,390 --> 00:35:30,540

that Bible like I don't know if you want

865

00:35:34,069 --> 00:35:32,400

to be Pro this guy because there's some

866

00:35:35,630 --> 00:35:34,079

really disturbing stuff going on in here

867

00:35:38,770 --> 00:35:35,640

yeah there's some problematic things

868

00:35:40,730 --> 00:35:38,780

going on in this uh Old Testament huh

869

00:35:42,530 --> 00:35:40,740

you know you know what it reminds me of

870

00:35:44,569 --> 00:35:42,540

too like part of theosophy and part of

871

00:35:46,490 --> 00:35:44,579

blavatsuki's teachings were that there

872

00:35:49,069 --> 00:35:46,500

were ascended masters that she basically

873

00:35:51,530 --> 00:35:49,079

identified individuals who were

874

00:35:52,970 --> 00:35:51,540

basically of a chosen race uh one of the

875

00:35:54,710 --> 00:35:52,980

more interesting ones is this guy I

876

00:35:55,970 --> 00:35:54,720

think the count of Saint Germain if you

877

00:35:57,829 --> 00:35:55,980

want to look him up he's actually a

878

00:35:59,329 --> 00:35:57,839

super fascinating dude

879

00:36:01,430 --> 00:35:59,339

um but this idea that there were

880

00:36:05,150 --> 00:36:01,440

selected individuals

881

00:36:07,849 --> 00:36:05,160

um who basically had these extraordinary

882

00:36:11,089 --> 00:36:07,859

or Master race ideas about you know

883

00:36:12,950 --> 00:36:11,099

communion with the Divine or higher

884

00:36:15,230 --> 00:36:12,960

knowledge or esoteric knowledge she also

885

00:36:17,089 --> 00:36:15,240

you know and like again she's totally

886

00:36:18,770 --> 00:36:17,099

like a problematic fave she talks a lot

887

00:36:21,230 --> 00:36:18,780

about like you know these ascended

888

00:36:22,810 --> 00:36:21,240

masters these I think the seven races

889

00:36:26,150 --> 00:36:22,820

yeah

890

00:36:29,510 --> 00:36:26,160

the root races which totally not racist

891

00:36:30,650 --> 00:36:29,520

but they're also like kind of racist

892

00:36:33,230 --> 00:36:30,660

um

893

00:36:34,910 --> 00:36:33,240

I think she said that there was a uh a

894

00:36:38,589 --> 00:36:34,920

new root race

895

00:36:41,329 --> 00:36:38,599

um which was being um

896

00:36:43,550 --> 00:36:41,339

evolving in California

897

00:36:45,950 --> 00:36:43,560

and that was going to replace the Aryan

898

00:36:49,430 --> 00:36:45,960

race as the uh

899

00:36:51,230 --> 00:36:49,440

as the top dog now California like

900

00:36:52,069 --> 00:36:51,240

became a very big part of The Counter

901
00:36:54,050 --> 00:36:52,079
Culture

902
00:36:56,750 --> 00:36:54,060
in the US and like a lot of the

903
00:36:57,950 --> 00:36:56,760
contactees actually made many references

904
00:36:59,829 --> 00:36:57,960
to

905
00:37:03,050 --> 00:36:59,839
um ascended masters and other

906
00:37:06,250 --> 00:37:03,060
venusians as well and virtually all of

907
00:37:08,569 --> 00:37:06,260
them were of these aliens were um

908
00:37:11,510 --> 00:37:08,579
Nordic blondes so I don't know if that

909
00:37:13,310 --> 00:37:11,520
was like a sort of a racist um but

910
00:37:15,109 --> 00:37:13,320
unconscious thing going on because at

911
00:37:17,510 --> 00:37:15,119
the time America was pretty racist and

912
00:37:19,370 --> 00:37:17,520
even liberals were you know pretty

913
00:37:21,589 --> 00:37:19,380

racist so

914

00:37:22,790 --> 00:37:21,599

but on the other hand like blavatsky

915

00:37:25,010 --> 00:37:22,800

specifically

916

00:37:26,810 --> 00:37:25,020

um you can read her stuff in a sort of

917

00:37:28,190 --> 00:37:26,820

way that says like that that it was

918

00:37:29,569 --> 00:37:28,200

racist in another way that it wasn't

919

00:37:31,430 --> 00:37:29,579

racist but

920

00:37:34,990 --> 00:37:31,440

I think she said something to the effect

921

00:37:37,790 --> 00:37:35,000

that um Aryans were not especially

922

00:37:40,490 --> 00:37:37,800

spiritually attuned and that actually um

923

00:37:42,950 --> 00:37:40,500

Indian people were more spiritually

924

00:37:44,329 --> 00:37:42,960

attuned isn't that right and that some

925

00:37:46,910 --> 00:37:44,339

of the ascended masters were actually

926
00:37:48,410 --> 00:37:46,920
from India yeah she she made a lot of

927
00:37:50,990 --> 00:37:48,420
claims throughout her life of spending

928
00:37:52,970 --> 00:37:51,000
large amounts of time in Tibet

929
00:37:54,829 --> 00:37:52,980
um in meeting with like the ascended

930
00:37:56,630 --> 00:37:54,839
masters there like Tibetan llamas

931
00:37:59,030 --> 00:37:56,640
teaching in the sort of mystical and

932
00:38:00,770 --> 00:37:59,040
esoteric Buddhist traditions and again

933
00:38:03,050 --> 00:38:00,780
like this totally plays into the

934
00:38:05,030 --> 00:38:03,060
orientalist fetishization of anything

935
00:38:06,710 --> 00:38:05,040
kind of woo-woo which by the way we

936
00:38:09,650 --> 00:38:06,720
still definitely have in the year of Our

937
00:38:11,630 --> 00:38:09,660
Lord 2022. but back then this you know

938
00:38:13,130 --> 00:38:11,640

conferred and especially magical element

939

00:38:15,589 --> 00:38:13,140

now whether or not she actually spent

940

00:38:17,630 --> 00:38:15,599

time in Tibet I believe is a matter of

941

00:38:18,829 --> 00:38:17,640

debate but

942

00:38:20,569 --> 00:38:18,839

um this was something she pretty

943

00:38:23,690 --> 00:38:20,579

regularly referenced and also like when

944

00:38:27,890 --> 00:38:23,700

she founded the theosophical society it

945

00:38:31,310 --> 00:38:27,900

was also headquartered in India and was

946

00:38:33,890 --> 00:38:31,320

she made claims I think her and Henry

947

00:38:35,150 --> 00:38:33,900

Scott Olson Olson Scott whatever he had

948

00:38:37,609 --> 00:38:35,160

a big beard

949

00:38:39,770 --> 00:38:37,619

um they claimed that there was this

950

00:38:40,810 --> 00:38:39,780

young Indian guy

951

00:38:44,150 --> 00:38:40,820

um

952

00:38:46,069 --> 00:38:44,160

krishnamurti but not that krishnamurti

953

00:38:48,890 --> 00:38:46,079

um that they thought was going to carry

954

00:38:50,930 --> 00:38:48,900

kind of the torch of theosophy and this

955

00:38:53,150 --> 00:38:50,940

was a role that was placed on him when

956

00:38:56,150 --> 00:38:53,160

he was very young I think like six or

957

00:38:58,670 --> 00:38:56,160

seven years old and he carried it and

958

00:39:01,130 --> 00:38:58,680

eventually wound up leaving theosophy I

959

00:39:03,410 --> 00:39:01,140

think maybe like in his teens or 20s and

960

00:39:05,329 --> 00:39:03,420

electing to not be the chosen person in

961

00:39:07,670 --> 00:39:05,339

this new emergent religious movement but

962

00:39:11,210 --> 00:39:07,680

there's still a very large and dedicated

963

00:39:12,589 --> 00:39:11,220

contingent of theosophists in India that

964

00:39:15,829 --> 00:39:12,599

continues sort of maintaining this

965

00:39:17,990 --> 00:39:15,839

tradition the U.S uh the U.S branch is

966

00:39:20,270 --> 00:39:18,000

based out of I think wheat in Illinois

967

00:39:23,270 --> 00:39:20,280

outside Chicago

968

00:39:24,470 --> 00:39:23,280

uh-huh interesting how many people would

969

00:39:27,050 --> 00:39:24,480

you say

970

00:39:31,190 --> 00:39:27,060

in the US is still

971

00:39:36,710 --> 00:39:33,589

give us

972

00:39:40,430 --> 00:39:36,720

If There Were Ten Thousand I would be

973

00:39:44,270 --> 00:39:42,109

like like if there were ten thousand

974

00:39:45,650 --> 00:39:44,280

there's probably a rounding error and I

975

00:39:48,170 --> 00:39:45,660

would imagine the

976

00:39:49,730 --> 00:39:48,180

critical mass of them or were like oh I

977

00:39:51,589 --> 00:39:49,740

wanted to take a class on meditation and

978

00:39:53,810 --> 00:39:51,599

it was half off if I became a member

979

00:39:55,370 --> 00:39:53,820

which is why I now get Quest magazine

980

00:39:58,069 --> 00:39:55,380

every other month

981

00:39:59,510 --> 00:39:58,079

um which is their publication they do

982

00:40:00,650 --> 00:39:59,520

they're a lot at this point they've sort

983

00:40:02,390 --> 00:40:00,660

of become like the philosophical

984

00:40:04,250 --> 00:40:02,400

research Society out of Los Angeles

985

00:40:05,990 --> 00:40:04,260

where they teach like woo-woo classes

986

00:40:08,750 --> 00:40:06,000

and have like nice audio books and like

987

00:40:10,310 --> 00:40:08,760

scented candles and stuff but I'm uh I'm

988

00:40:12,710 --> 00:40:10,320

not totally confident that people are

989

00:40:13,910 --> 00:40:12,720

true theosophists at this point in any

990

00:40:16,910 --> 00:40:13,920

meaningful sense other than maybe

991

00:40:18,530 --> 00:40:16,920

finding it kind of a interesting

992

00:40:20,510 --> 00:40:18,540

um curiosity I think people are more

993

00:40:22,730 --> 00:40:20,520

inclined towards like the I am movements

994

00:40:25,310 --> 00:40:22,740

or some of these like later iterations

995

00:40:28,130 --> 00:40:25,320

of theosophy then sort of this like core

996

00:40:29,810 --> 00:40:28,140

version that blavatsky started

997

00:40:32,270 --> 00:40:29,820

the other interesting thing about

998

00:40:33,829 --> 00:40:32,280

theosophy is the um idea of a golden age

999

00:40:36,050 --> 00:40:33,839

or a

1000

00:40:39,170 --> 00:40:36,060

um sort of an ancient

1001
00:40:40,730 --> 00:40:39,180
period where people were more uh they

1002
00:40:43,550 --> 00:40:40,740
understood the secrets of the universe

1003
00:40:45,650 --> 00:40:43,560
and then that those Secrets became kind

1004
00:40:48,770 --> 00:40:45,660
of lost or refracted into different

1005
00:40:50,810 --> 00:40:48,780
religions and um I could see that that

1006
00:40:52,550 --> 00:40:50,820
would appeal to some people on the far

1007
00:40:55,790 --> 00:40:52,560
right as well because they also talk a

1008
00:40:58,069 --> 00:40:55,800
lot about lost Golden Ages and ancient

1009
00:41:00,470 --> 00:40:58,079
wisdom and stuff like that

1010
00:41:02,990 --> 00:41:00,480
um right and that's reminding me of the

1011
00:41:05,150 --> 00:41:03,000
the underlying Nazi uh philosophies

1012
00:41:07,730 --> 00:41:05,160
right because they like they did in

1013
00:41:09,770 --> 00:41:07,740

Indiana Jones uh Spielberg referenced

1014

00:41:13,670 --> 00:41:09,780

right the Nazis were engaged in a bunch

1015

00:41:15,770 --> 00:41:13,680

of archeology try going trying to figure

1016

00:41:17,870 --> 00:41:15,780

out where they came from in quotes which

1017

00:41:19,310 --> 00:41:17,880

obviously was a bunch of nonsense but uh

1018

00:41:20,930 --> 00:41:19,320

it's interesting that there's this

1019

00:41:24,770 --> 00:41:20,940

underlying

1020

00:41:27,410 --> 00:41:24,780

dream of the you know history of this

1021

00:41:29,890 --> 00:41:27,420

Golden Age trying to bring it back and

1022

00:41:32,870 --> 00:41:29,900

it does actually remind me because like

1023

00:41:35,870 --> 00:41:32,880

uh indo-europeans like all of our

1024

00:41:38,470 --> 00:41:35,880

religions uh can be traced back to a

1025

00:41:41,990 --> 00:41:38,480

centralized culture right the Indian

1026

00:41:44,750 --> 00:41:42,000

Iranian uh the uh and then moving to the

1027

00:41:48,250 --> 00:41:44,760

West uh the Zeus and then the Nordic uh

1028

00:41:53,630 --> 00:41:51,109

linguistically the pantheon was the same

1029

00:41:55,970 --> 00:41:53,640

so there actually was some period of uh

1030

00:41:58,730 --> 00:41:55,980

a unification at some point between

1031

00:42:01,790 --> 00:41:58,740

these cultures but then it becomes like

1032

00:42:04,490 --> 00:42:01,800

warped and used for these um

1033

00:42:06,109 --> 00:42:04,500

evil purposes over time

1034

00:42:07,790 --> 00:42:06,119

and it's like

1035

00:42:10,130 --> 00:42:07,800

there's just there's so much of this

1036

00:42:11,990 --> 00:42:10,140

right this blending of good with evil

1037

00:42:15,349 --> 00:42:12,000

and it makes it very hard to separate it

1038

00:42:16,730 --> 00:42:15,359

out and it's like adamsky uh in

1039

00:42:20,930 --> 00:42:16,740

California he was one of the first

1040

00:42:23,150 --> 00:42:20,940

contactees right and uh he he was very

1041

00:42:26,450 --> 00:42:23,160

much like into this environmentalist

1042

00:42:28,730 --> 00:42:26,460

thing and you know it's like Hitler was

1043

00:42:29,990 --> 00:42:28,740

in like an environmentalist like he I

1044

00:42:32,750 --> 00:42:30,000

believe founded one of the first

1045

00:42:34,849 --> 00:42:32,760

national like Park in Germany and he was

1046

00:42:35,690 --> 00:42:34,859

a vegetarian and all this crazy stuff so

1047

00:42:39,050 --> 00:42:35,700

it's like

1048

00:42:43,010 --> 00:42:39,060

there's this combination of like

1049

00:42:46,849 --> 00:42:43,020

the positive like with the negative the

1050

00:42:49,069 --> 00:42:46,859

scientific with the fake and it just

1051
00:42:50,750 --> 00:42:49,079
turns into this Frankenstein monster as

1052
00:42:52,370 --> 00:42:50,760
it uh continues to sort of Advance

1053
00:42:54,829 --> 00:42:52,380
Through the Ages

1054
00:42:57,130 --> 00:42:54,839
yeah I mean we see we see eco-fascism

1055
00:42:59,270 --> 00:42:57,140
now right we like we see this crossover

1056
00:43:01,970 --> 00:42:59,280
where there's this mystical connection

1057
00:43:03,829 --> 00:43:01,980
to the soil and as a result people feel

1058
00:43:06,410 --> 00:43:03,839
this extraordinary and tribalistic

1059
00:43:09,790 --> 00:43:06,420
protectionism of the soil

1060
00:43:15,770 --> 00:43:13,670
yeah talk about this and um

1061
00:43:17,510 --> 00:43:15,780
free energy you know like you always

1062
00:43:19,670 --> 00:43:17,520
hear like for example in the Bob Lazar

1063
00:43:22,609 --> 00:43:19,680

story that the if we could reverse

1064

00:43:24,829 --> 00:43:22,619

engineer the um alien reactor we could

1065

00:43:26,329 --> 00:43:24,839

get like free energy forever and it

1066

00:43:28,309 --> 00:43:26,339

would revolutionize everything and that

1067

00:43:30,109 --> 00:43:28,319

the the government is hiding it because

1068

00:43:32,870 --> 00:43:30,119

the um they're in cahoots with a

1069

00:43:36,170 --> 00:43:32,880

petroleum industry right that's actually

1070

00:43:38,630 --> 00:43:36,180

got very deep anti-semitic Roots because

1071

00:43:39,950 --> 00:43:38,640

um the idea of clean energy a number

1072

00:43:42,349 --> 00:43:39,960

that couldn't be a clean energy like

1073

00:43:45,410 --> 00:43:42,359

maybe you know Fusion Energy will be

1074

00:43:47,569 --> 00:43:45,420

mastered one day that would be great but

1075

00:43:49,609 --> 00:43:47,579

um the idea of like this um UFO

1076

00:43:52,490 --> 00:43:49,619

implosion energy that a lot of these

1077

00:43:54,589 --> 00:43:52,500

neo-nazis talk about they contrast that

1078

00:43:57,650 --> 00:43:54,599

with the combustion energy of uh

1079

00:44:01,250 --> 00:43:57,660

petroleum so like petroleum burning is

1080

00:44:03,829 --> 00:44:01,260

meant to be evil and Jewish whereas uh

1081

00:44:04,730 --> 00:44:03,839

the implosion real slash

1082

00:44:06,770 --> 00:44:04,740

um

1083

00:44:08,809 --> 00:44:06,780

clean energy is meant to be like the

1084

00:44:10,849 --> 00:44:08,819

Aryan science energy

1085

00:44:13,370 --> 00:44:10,859

and you know it's got some spiritual

1086

00:44:14,690 --> 00:44:13,380

elements in it as well sometimes it's

1087

00:44:16,309 --> 00:44:14,700

difficult to say whether they're really

1088

00:44:19,250 --> 00:44:16,319

talking about something physical versus

1089

00:44:21,010 --> 00:44:19,260

something like um spiritually right but

1090

00:44:23,270 --> 00:44:21,020

it's very yeah it gets very kind of

1091

00:44:26,109 --> 00:44:23,280

esoteric and confusing which I think is

1092

00:44:31,309 --> 00:44:28,970

so much of like I feel like so much of

1093

00:44:33,109 --> 00:44:31,319

popular fascist thought or authoritarian

1094

00:44:36,410 --> 00:44:33,119

thought is contingent on plausible

1095

00:44:37,609 --> 00:44:36,420

deniability too right yeah like like to

1096

00:44:39,890 --> 00:44:37,619

make it as

1097

00:44:41,510 --> 00:44:39,900

abhorrent as possible but if you call it

1098

00:44:44,030 --> 00:44:41,520

out to say that's not what I meant you

1099

00:44:46,490 --> 00:44:44,040

misinterpreted it or like like sort of

1100

00:44:50,329 --> 00:44:46,500

dog whistling can we talk a little bit

1101

00:44:52,670 --> 00:44:50,339

uh about adamski here oh yeah um and the

1102

00:44:55,069 --> 00:44:52,680

contact team movement oh they're so

1103

00:44:57,710 --> 00:44:55,079

interesting so I was just mentioning to

1104

00:44:59,329 --> 00:44:57,720

Leah before this um podcast

1105

00:45:02,510 --> 00:44:59,339

um a book that everyone should read is

1106

00:45:05,690 --> 00:45:02,520

called A is for a damsky the Golden Age

1107

00:45:07,190 --> 00:45:05,700

of the UFO contactees by Adam go rightly

1108

00:45:14,470 --> 00:45:07,200

and Greg Bishop

1109

00:45:21,650 --> 00:45:18,589

foiled Again by the k-hole yep well so

1110

00:45:24,349 --> 00:45:21,660

this um the contact is a sort of roughly

1111

00:45:26,089 --> 00:45:24,359

the period from Kenneth Arnold

1112

00:45:28,069 --> 00:45:26,099

um although there were contactees before

1113

00:45:29,510 --> 00:45:28,079

then like from the 1930s or at least

1114

00:45:31,970 --> 00:45:29,520

they claimed that they made first

1115

00:45:34,609 --> 00:45:31,980

contact with the aliens in the 30s if

1116

00:45:39,950 --> 00:45:34,619

not earlier yeah and sort of into the

1117

00:45:42,410 --> 00:45:39,960

1970s maybe late 1970s like 78 79 is

1118

00:45:43,849 --> 00:45:42,420

when the contacting movement period

1119

00:45:45,650 --> 00:45:43,859

ended

1120

00:45:48,050 --> 00:45:45,660

and then it gave way to a more kind of

1121

00:45:50,870 --> 00:45:48,060

sinister idea about

1122

00:45:54,050 --> 00:45:50,880

um alien Grays uh and government you

1123

00:45:56,150 --> 00:45:54,060

know my labs and stuff like that but

1124

00:45:58,309 --> 00:45:56,160

I was gonna say can you talk to us a

1125

00:45:59,990 --> 00:45:58,319

little bit about what characterized the

1126
00:46:02,930 --> 00:46:00,000
contact team movement like what ideas

1127
00:46:05,870 --> 00:46:02,940
and beliefs

1128
00:46:08,089 --> 00:46:05,880
um Enlightenment uh that these aliens

1129
00:46:09,970 --> 00:46:08,099
were bringing us um they were offering

1130
00:46:13,970 --> 00:46:09,980
like a new way of life which was more

1131
00:46:14,329 --> 00:46:13,980
ecologically sustainable and peaceful

1132
00:46:15,130 --> 00:46:14,339
[Music]

1133
00:46:18,710 --> 00:46:15,140
um

1134
00:46:21,650 --> 00:46:18,720
these aliens were almost always the the

1135
00:46:23,750 --> 00:46:21,660
uh Nordic you know the so-called Nordic

1136
00:46:25,490 --> 00:46:23,760
or tall blondes

1137
00:46:28,130 --> 00:46:25,500
um they came they come from a very

1138
00:46:31,069 --> 00:46:28,140

Advanced uh Society sometimes from Venus

1139

00:46:34,190 --> 00:46:31,079

sometimes from Jupiter or Saturn or Mars

1140

00:46:37,609 --> 00:46:34,200

or some other star system like aldebaran

1141

00:46:39,950 --> 00:46:37,619

or um the Pleiades like especially with

1142

00:46:45,530 --> 00:46:39,960

um Billy miles The Pleiadians that's

1143

00:46:47,870 --> 00:46:45,540

that's yeah the good Nazis

1144

00:46:49,430 --> 00:46:47,880

further and further away as our

1145

00:46:51,530 --> 00:46:49,440

scientific knowledge of our solar system

1146

00:46:53,390 --> 00:46:51,540

grew right isn't that kind of how it

1147

00:46:56,569 --> 00:46:53,400

progressed such a good point that's such

1148

00:46:59,329 --> 00:46:56,579

an interesting observation yeah

1149

00:47:01,670 --> 00:46:59,339

now one of one of those nordics that uh

1150

00:47:04,970 --> 00:47:01,680

Adams came them wrote about didn't he

1151

00:47:08,150 --> 00:47:04,980

have like uh kind of like a shoe tread

1152

00:47:11,329 --> 00:47:08,160

with a good print So like um George hunt

1153

00:47:12,910 --> 00:47:11,339

Williamson who was his associate you

1154

00:47:15,230 --> 00:47:12,920

know short uh

1155

00:47:16,790 --> 00:47:15,240

for a short time a member of the silver

1156

00:47:19,550 --> 00:47:16,800

shirts

1157

00:47:22,490 --> 00:47:19,560

um he he did like a plaster cast of the

1158

00:47:25,730 --> 00:47:22,500

boot print in the soil and it had a sort

1159

00:47:28,490 --> 00:47:25,740

of a swastika type symbol in it yeah and

1160

00:47:30,109 --> 00:47:28,500

so of course it did yeah but I mean this

1161

00:47:30,950 --> 00:47:30,119

guy uh George hunt Williamson was

1162

00:47:34,250 --> 00:47:30,960

actually

1163

00:47:36,349 --> 00:47:34,260

um he was he had lived with um Native

1164

00:47:39,710 --> 00:47:36,359

Americans for a while he was doing his

1165

00:47:42,109 --> 00:47:39,720

PhD I think on their culture uh I I

1166

00:47:44,750 --> 00:47:42,119

remember what private was um I think it

1167

00:47:45,530 --> 00:47:44,760

was a Californian tribe

1168

00:47:51,170 --> 00:47:45,540

um

1169

00:47:52,670 --> 00:47:51,180

wasn't an outright Nazi as such even

1170

00:47:54,349 --> 00:47:52,680

though he was a member of the of the

1171

00:47:56,150 --> 00:47:54,359

silver shirts

1172

00:47:58,910 --> 00:47:56,160

um and he did a lot of he was very very

1173

00:48:01,130 --> 00:47:58,920

involved in the contactee movement like

1174

00:48:03,410 --> 00:48:01,140

I'm building this chart with all these

1175

00:48:06,349 --> 00:48:03,420

people in it and he's one of the main

1176

00:48:09,230 --> 00:48:06,359

nodes in that entire network like he

1177

00:48:10,910 --> 00:48:09,240

knew everybody and did a dampski uh

1178

00:48:13,550 --> 00:48:10,920

serve in the army during World War II

1179

00:48:16,069 --> 00:48:13,560

did he fight the Nazis no he he actually

1180

00:48:19,490 --> 00:48:16,079

I think adamski was

1181

00:48:20,890 --> 00:48:19,500

it's no no he was born in

1182

00:48:25,010 --> 00:48:20,900

I think

1183

00:48:26,329 --> 00:48:25,020

in Prussia which was part of Germany I

1184

00:48:29,569 --> 00:48:26,339

don't know if that was assimilated into

1185

00:48:32,050 --> 00:48:29,579

Russia or Poland later on but um he was

1186

00:48:35,150 --> 00:48:32,060

born you know when was it

1187

00:48:36,650 --> 00:48:35,160

1891 or something and I don't know I

1188

00:48:39,650 --> 00:48:36,660

don't think he

1189

00:48:41,630 --> 00:48:39,660

I don't recall if he fought the Nazis

1190

00:48:43,490 --> 00:48:41,640

um

1191

00:48:45,470 --> 00:48:43,500

he has set up a cafe though in

1192

00:48:48,770 --> 00:48:45,480

California

1193

00:48:50,990 --> 00:48:48,780

um and uh he was sometimes called

1194

00:48:53,390 --> 00:48:51,000

Professor because like he tried to make

1195

00:48:56,089 --> 00:48:53,400

it look like he was a professor working

1196

00:48:59,690 --> 00:48:56,099

at The Observatory nearby but he didn't

1197

00:49:01,690 --> 00:48:59,700

have any formal you know academic titles

1198

00:49:04,309 --> 00:49:01,700

like that

1199

00:49:06,470 --> 00:49:04,319

allowed people to think that he did I

1200

00:49:08,510 --> 00:49:06,480

remember reading on um David darling's

1201

00:49:10,430 --> 00:49:08,520

like encyclopedia online he's an

1202

00:49:11,809 --> 00:49:10,440

astronomer he talks about a damski a

1203

00:49:14,210 --> 00:49:11,819

little bit and he was he calls it a

1204

00:49:16,550 --> 00:49:14,220

hamburger stand that he's running and um

1205

00:49:18,650 --> 00:49:16,560

is this whole the thing about how he

1206

00:49:20,450 --> 00:49:18,660

would be taking these photos and it was

1207

00:49:23,210 --> 00:49:20,460

like a lot of it was about these photos

1208

00:49:25,190 --> 00:49:23,220

he was taking of the UFOs that he was

1209

00:49:27,050 --> 00:49:25,200

meeting right and and then he was

1210

00:49:29,630 --> 00:49:27,060

selling these things at the hamburger

1211

00:49:31,250 --> 00:49:29,640

stands like pushing them and there's

1212

00:49:34,069 --> 00:49:31,260

this funny story about jail and heinek

1213

00:49:35,630 --> 00:49:34,079

going to talk to him and uh all the

1214

00:49:37,130 --> 00:49:35,640

adamsky was doing the whole time was

1215

00:49:39,609 --> 00:49:37,140

trying to sell him photos and he was

1216

00:49:42,290 --> 00:49:39,619

just like okay whatever

1217

00:49:43,910 --> 00:49:42,300

it's like and like it always comes down

1218

00:49:46,490 --> 00:49:43,920

to this kind of thing right it's like

1219

00:49:48,829 --> 00:49:46,500

here's a boot print here's a photo and

1220

00:49:52,490 --> 00:49:48,839

then it's like it goes away over time

1221

00:49:54,410 --> 00:49:52,500

every time so apparently in the 30s

1222

00:49:56,990 --> 00:49:54,420

adamski was also in Southern California

1223

00:49:59,510 --> 00:49:57,000

and founded quote the Royal order of

1224

00:50:02,089 --> 00:49:59,520

Tibetan PhD Temple of scientific

1225

00:50:05,089 --> 00:50:02,099

philosophy and he served as a

1226
00:50:07,190 --> 00:50:05,099
philosopher and teacher at the temple

1227
00:50:09,349 --> 00:50:07,200
um very interesting again we see this

1228
00:50:11,510 --> 00:50:09,359
like appropriation and fetishization of

1229
00:50:14,089 --> 00:50:11,520
like the Eastern orientalist yeah

1230
00:50:17,150 --> 00:50:14,099
spiritual traditions and later on Venus

1231
00:50:19,130 --> 00:50:17,160
as well so the the uh the toll blondes

1232
00:50:22,490 --> 00:50:19,140
the the nordics that he talks about um

1233
00:50:23,210 --> 00:50:22,500
orthon the first one that he never met

1234
00:50:25,309 --> 00:50:23,220
um

1235
00:50:27,349 --> 00:50:25,319
was you know reputedly came from the

1236
00:50:30,650 --> 00:50:27,359
planet Venus which was a big thing in

1237
00:50:32,870 --> 00:50:30,660
theosophy as well and um because it was

1238
00:50:34,430 --> 00:50:32,880

like in theosophy um wasn't Venus like

1239

00:50:36,770 --> 00:50:34,440

the portal of the

1240

00:50:38,329 --> 00:50:36,780

the soul or like the ascended marthas

1241

00:50:41,030 --> 00:50:38,339

were using it as a

1242

00:50:43,010 --> 00:50:41,040

like a a magnifying glass to be able to

1243

00:50:45,349 --> 00:50:43,020

communicate with a damsky oh what not

1244

00:50:47,990 --> 00:50:45,359

with a damski with blavatsky

1245

00:50:50,150 --> 00:50:48,000

something to that effect sure yes yeah

1246

00:50:53,690 --> 00:50:50,160

it was conferred some sort of particular

1247

00:50:56,750 --> 00:50:53,700

status in their cosmology yeah later on

1248

00:50:58,849 --> 00:50:56,760

it did actually become more concretely

1249

00:51:01,309 --> 00:50:58,859

um about physical extraterrestrials

1250

00:51:03,829 --> 00:51:01,319

there was another theosophers who like

1251
00:51:07,130 --> 00:51:03,839
into the 1930s I think she was talking

1252
00:51:09,349 --> 00:51:07,140
more about Venus as like a physical home

1253
00:51:11,569 --> 00:51:09,359
of the actual Flesh and Blood aliens

1254
00:51:15,410 --> 00:51:11,579
instead of blavatsky's more sort of

1255
00:51:18,349 --> 00:51:15,420
spiritual plane Consciousness linked um

1256
00:51:20,510 --> 00:51:18,359
you know beings ascended masters right

1257
00:51:23,690 --> 00:51:20,520
the regression from the Consciousness

1258
00:51:25,670 --> 00:51:23,700
framing to the nuts and bolts right yeah

1259
00:51:28,010 --> 00:51:25,680
well and isn't that interesting it's

1260
00:51:31,010 --> 00:51:28,020
bringing to mind at the end of the 1800s

1261
00:51:34,010 --> 00:51:31,020
with uh scientific observations of the

1262
00:51:36,950 --> 00:51:34,020
different planets right and then seeing

1263
00:51:39,190 --> 00:51:36,960

Mars through these telescopes uh there

1264

00:51:40,970 --> 00:51:39,200

were the arguments originally from

1265

00:51:43,370 --> 00:51:40,980

scientists saying that they were

1266

00:51:46,130 --> 00:51:43,380

thinking that they were seeing Canali

1267

00:51:47,930 --> 00:51:46,140

right the channels on Mars and there was

1268

00:51:50,390 --> 00:51:47,940

it was very popular for quite some time

1269

00:51:52,069 --> 00:51:50,400

to uh believe that until and I was

1270

00:51:53,329 --> 00:51:52,079

reading that the optical telescopes from

1271

00:51:55,130 --> 00:51:53,339

Earth were insufficient to actually

1272

00:51:58,670 --> 00:51:55,140

resolve the surface features on Mars

1273

00:52:01,970 --> 00:51:58,680

until they landed those Rovers there in

1274

00:52:03,950 --> 00:52:01,980

like the 60s so like the arguments were

1275

00:52:06,109 --> 00:52:03,960

still going all the way up until the

1276

00:52:08,510 --> 00:52:06,119

photos from the surface and even when

1277

00:52:11,030 --> 00:52:08,520

the Soviet Union uh landed the Venera

1278

00:52:14,030 --> 00:52:11,040

space probes and they could measure like

1279

00:52:16,250 --> 00:52:14,040

the extreme heat and um pressure nothing

1280

00:52:19,190 --> 00:52:16,260

can live there at least nothing that we

1281

00:52:21,530 --> 00:52:19,200

Life as we know it but the contactes

1282

00:52:23,630 --> 00:52:21,540

were still saying oh but it's not really

1283

00:52:25,910 --> 00:52:23,640

meant in that way it's like a a

1284

00:52:27,829 --> 00:52:25,920

different inter-dimensional plane that

1285

00:52:29,329 --> 00:52:27,839

the the nutrients you know they they're

1286

00:52:31,790 --> 00:52:29,339

coming from Venus but it's not on our

1287

00:52:34,010 --> 00:52:31,800

physical plane so that's they sort of

1288

00:52:36,890 --> 00:52:34,020

got around that it's like they were they

1289

00:52:41,450 --> 00:52:36,900

reverted back to the blavatsky and

1290

00:52:42,609 --> 00:52:41,460

theosophical scheme after the physical

1291

00:52:45,109 --> 00:52:42,619

um you know

1292

00:52:49,190 --> 00:52:45,119

experimental results came back

1293

00:52:51,349 --> 00:52:49,200

right oh sorry uh back in 2011 there was

1294

00:52:53,329 --> 00:52:51,359

this um small Christian group led by

1295

00:52:55,309 --> 00:52:53,339

Harold Camping he was kind of a I mean

1296

00:52:56,690 --> 00:52:55,319

maybe it is evangelical and he was

1297

00:52:58,910 --> 00:52:56,700

saying the world was coming to him

1298

00:53:00,650 --> 00:52:58,920

Rapture was coming in 2011 and then that

1299

00:53:02,630 --> 00:53:00,660

he had done it before but he was using

1300

00:53:05,930 --> 00:53:02,640

Bible Code math to kind of suss out this

1301

00:53:08,569 --> 00:53:05,940

date and when it came and went it became

1302

00:53:10,069 --> 00:53:08,579

less of a physical Rapture but more of a

1303

00:53:14,210 --> 00:53:10,079

spiritual Rapture one of those kind of

1304

00:53:16,670 --> 00:53:14,220

invisible magical raptures so that's

1305

00:53:18,470 --> 00:53:16,680

kind of I always kind of think like that

1306

00:53:20,690 --> 00:53:18,480

something similar will happen if we ever

1307

00:53:22,370 --> 00:53:20,700

have like a solid date for disclosure

1308

00:53:24,829 --> 00:53:22,380

you see anybody preaching disclosures

1309

00:53:26,930 --> 00:53:24,839

around the corner then we have it and

1310

00:53:29,089 --> 00:53:26,940

then off disclosure actually you see

1311

00:53:31,490 --> 00:53:29,099

people saying that now there's always

1312

00:53:33,670 --> 00:53:31,500

that kind of like weasel back and forth

1313

00:53:36,589 --> 00:53:33,680

maybe that's kind of what's made

1314

00:53:39,710 --> 00:53:36,599

disclosure is what you decided is sure

1315

00:53:44,990 --> 00:53:43,250

that's what Colts do as well yeah when I

1316

00:53:49,730 --> 00:53:45,000

went like the the are you implying

1317

00:53:51,049 --> 00:53:49,740

ufology is a cult oh no no for me to say

1318

00:53:53,390 --> 00:53:51,059

it's such a thing

1319

00:53:54,910 --> 00:53:53,400

well that's an interesting component uh

1320

00:53:57,710 --> 00:53:54,920

as well that it's kind of like

1321

00:54:00,290 --> 00:53:57,720

Christianity or any major religion where

1322

00:54:02,450 --> 00:54:00,300

even if you're an active conscious

1323

00:54:04,430 --> 00:54:02,460

practitioner of Christianity I don't

1324

00:54:07,250 --> 00:54:04,440

think that we would apply this that

1325

00:54:09,589 --> 00:54:07,260

label of cult to most people like you

1326

00:54:12,470 --> 00:54:09,599

know a Unitarian Church or something but

1327

00:54:15,589 --> 00:54:12,480

you know there is this very Insidious

1328

00:54:18,230 --> 00:54:15,599

subset where the the beliefs can

1329

00:54:19,910 --> 00:54:18,240

manifest in this way especially when we

1330

00:54:21,890 --> 00:54:19,920

have these ideas I mean there are just

1331

00:54:25,130 --> 00:54:21,900

so many examples over and over right of

1332

00:54:28,569 --> 00:54:25,140

these UFO Cults committing suicide

1333

00:54:31,730 --> 00:54:28,579

because then there's no like the

1334

00:54:34,010 --> 00:54:31,740

philosophically the barrier to ending

1335

00:54:36,650 --> 00:54:34,020

your life is reduced if you think that

1336

00:54:39,170 --> 00:54:36,660

you then have an improved existence

1337

00:54:42,049 --> 00:54:39,180

through unifying with the universal

1338

00:54:43,609 --> 00:54:42,059

energy field and stuff and you know it's

1339

00:54:46,130 --> 00:54:43,619

like

1340

00:54:49,010 --> 00:54:46,140

how do we separate that out really right

1341

00:54:50,930 --> 00:54:49,020

uh because it the the beliefs are

1342

00:54:52,569 --> 00:54:50,940

consistent across this and it's like

1343

00:54:55,250 --> 00:54:52,579

almost like cultural specific

1344

00:54:57,049 --> 00:54:55,260

specificity is what becomes important

1345

00:54:59,510 --> 00:54:57,059

because like with Cults like Nick just

1346

00:55:01,250 --> 00:54:59,520

mentioned there's like a day of rapture

1347

00:55:02,809 --> 00:55:01,260

that occurs and what you see is there's

1348

00:55:05,270 --> 00:55:02,819

actually a process where on the day of

1349

00:55:07,609 --> 00:55:05,280

rapture passes nothing happens there is

1350

00:55:10,089 --> 00:55:07,619

a portion of the group that then leave

1351
00:55:12,950 --> 00:55:10,099
but then there's a subset that

1352
00:55:14,390 --> 00:55:12,960
radicalize and become more dedicated to

1353
00:55:16,910 --> 00:55:14,400
the person who says something that was

1354
00:55:18,049 --> 00:55:16,920
false yep yeah you saw this I think

1355
00:55:19,730 --> 00:55:18,059
right yeah

1356
00:55:20,410 --> 00:55:19,740
Grace I've been trying to think in the

1357
00:55:24,710 --> 00:55:20,420
beginning

1358
00:55:27,170 --> 00:55:24,720
oh yeah I mean The Seekers did that I I

1359
00:55:28,670 --> 00:55:27,180
was thinking of so uh Benjamin Zeller

1360
00:55:30,349 --> 00:55:28,680
who's a professor wrote this great book

1361
00:55:32,329 --> 00:55:30,359
called Heaven's Gate America's UFO

1362
00:55:35,150 --> 00:55:32,339
religion and he talks about this because

1363
00:55:37,490 --> 00:55:35,160

Heaven's Gate uh since its Inception in

1364

00:55:39,710 --> 00:55:37,500

the 70s went through multiple iterations

1365

00:55:42,109 --> 00:55:39,720

of like proclaiming the coming Rapture

1366

00:55:44,030 --> 00:55:42,119

and it not occurring and there was

1367

00:55:46,250 --> 00:55:44,040

definitely turnover in people that were

1368

00:55:48,770 --> 00:55:46,260

members but there were also kind of True

1369

00:55:50,390 --> 00:55:48,780

Believers who joined from the very early

1370

00:55:51,890 --> 00:55:50,400

days and remained through everything and

1371

00:55:54,950 --> 00:55:51,900

were part of the group that committed

1372

00:55:57,170 --> 00:55:54,960

you know ritual suicide in 1995.

1373

00:55:59,089 --> 00:55:57,180

um and the emergence of like these UFO

1374

00:56:02,030 --> 00:55:59,099

Cults super fascinating like I can

1375

00:56:03,890 --> 00:56:02,040

remember the raelians proclaiming that

1376

00:56:06,890 --> 00:56:03,900

they had successfully genetically cloned

1377

00:56:08,450 --> 00:56:06,900

a human being and they still exist I

1378

00:56:09,650 --> 00:56:08,460

mean honestly if you're gonna join a UFO

1379

00:56:12,049 --> 00:56:09,660

cult they're probably not a bad one

1380

00:56:14,930 --> 00:56:12,059

because there's lots of women and it's

1381

00:56:17,030 --> 00:56:14,940

all about like sex and having fun I mean

1382

00:56:19,069 --> 00:56:17,040

these are worse Cults to join yeah there

1383

00:56:20,690 --> 00:56:19,079

are totally worst Cults to join

1384

00:56:21,710 --> 00:56:20,700

um but then there's also like the what

1385

00:56:23,990 --> 00:56:21,720

was it

1386

00:56:26,870 --> 00:56:24,000

um the temp the solar Temple or whatever

1387

00:56:32,109 --> 00:56:26,880

that was one in uh I think France in the

1388

00:56:36,710 --> 00:56:34,549

thank you

1389

00:56:38,630 --> 00:56:36,720

um but that's so interesting about those

1390

00:56:40,490 --> 00:56:38,640

a lot of these groups you just made me

1391

00:56:43,309 --> 00:56:40,500

think about the the order of the solar

1392

00:56:45,770 --> 00:56:43,319

Temple these were not poor people

1393

00:56:48,230 --> 00:56:45,780

um these professionals lawyers

1394

00:56:50,390 --> 00:56:48,240

accountants and yet there's something

1395

00:56:53,270 --> 00:56:50,400

about secular society that they found

1396

00:56:54,710 --> 00:56:53,280

deeply unsatisfying it's the same way

1397

00:56:56,089 --> 00:56:54,720

with Heaven's Gate I mean these were

1398

00:56:57,829 --> 00:56:56,099

very well educated otherwise

1399

00:56:59,690 --> 00:56:57,839

well-adjusted people

1400

00:57:01,490 --> 00:56:59,700

um and I mean I think I mean very

1401
00:57:04,069 --> 00:57:01,500
candidly like speaking as someone who's

1402
00:57:06,230 --> 00:57:04,079
very well educated and also I would say

1403
00:57:07,849 --> 00:57:06,240
pretty socially isolated I get the

1404
00:57:09,770 --> 00:57:07,859
appeal you know because you have this

1405
00:57:11,390 --> 00:57:09,780
built-in community of friends and

1406
00:57:14,089 --> 00:57:11,400
supposedly everybody cares about each

1407
00:57:16,790 --> 00:57:14,099
other and on and on there was um there

1408
00:57:20,150 --> 00:57:16,800
was a great podcast about Heaven's Gate

1409
00:57:22,430 --> 00:57:20,160
that came out a few years ago uh it may

1410
00:57:24,890 --> 00:57:22,440
actually just be called Heaven's Gate

1411
00:57:28,190 --> 00:57:24,900
um and it's a very humanizing

1412
00:57:29,569 --> 00:57:28,200
exploration of the uh of the cult and

1413
00:57:31,670 --> 00:57:29,579

sort of looking at the people who were

1414

00:57:34,670 --> 00:57:31,680

looking for meaning and I mean

1415

00:57:36,349 --> 00:57:34,680

we live in a time that is very much void

1416

00:57:37,490 --> 00:57:36,359

of meeting for many people especially

1417

00:57:39,349 --> 00:57:37,500

when you're in this sort of like

1418

00:57:42,109 --> 00:57:39,359

knowledge worker class where maybe

1419

00:57:43,910 --> 00:57:42,119

conventional or normal religions like

1420

00:57:45,950 --> 00:57:43,920

Christianity or whatever may not be

1421

00:57:47,630 --> 00:57:45,960

particularly appealing

1422

00:57:49,130 --> 00:57:47,640

um so to find a bunch of other nerds to

1423

00:57:51,230 --> 00:57:49,140

hang out and play Star Trek with is

1424

00:57:53,630 --> 00:57:51,240

deeply appealing

1425

00:57:56,450 --> 00:57:53,640

it also gets back a little bit to the

1426

00:57:59,329 --> 00:57:56,460

Nazi um Cults and Aryan

1427

00:58:01,730 --> 00:57:59,339

um you know the esoteric fascists

1428

00:58:03,430 --> 00:58:01,740

um a lot of them make the complaint that

1429

00:58:06,170 --> 00:58:03,440

um secular society is all about

1430

00:58:07,270 --> 00:58:06,180

quantification that everything is about

1431

00:58:09,890 --> 00:58:07,280

information

1432

00:58:13,569 --> 00:58:09,900

materialist interpretation yeah yeah

1433

00:58:18,770 --> 00:58:13,579

that um the society has moved away from

1434

00:58:20,390 --> 00:58:18,780

gods and meaning to like just cold data

1435

00:58:22,910 --> 00:58:20,400

which they see is like Jewish

1436

00:58:24,829 --> 00:58:22,920

infiltration and degradation of society

1437

00:58:27,530 --> 00:58:24,839

right that um all this information

1438

00:58:29,690 --> 00:58:27,540

technology is going to destroy us in the

1439

00:58:32,030 --> 00:58:29,700

end so like they do make kind of a good

1440

00:58:33,890 --> 00:58:32,040

point in a way because like there is a

1441

00:58:35,690 --> 00:58:33,900

sort of um alienation that a lot of

1442

00:58:37,730 --> 00:58:35,700

people feel because of

1443

00:58:40,069 --> 00:58:37,740

you know our current social institutions

1444

00:58:41,870 --> 00:58:40,079

and the way that technology is used but

1445

00:58:43,430 --> 00:58:41,880

on the other hand of course they take it

1446

00:58:46,609 --> 00:58:43,440

too far and they they try to blame

1447

00:58:49,010 --> 00:58:46,619

everything on the Jews and yes speaking

1448

00:58:50,569 --> 00:58:49,020

as the resident perfidious Jewish I'm

1449

00:58:52,069 --> 00:58:50,579

here to tell you I don't have any hand

1450

00:58:56,270 --> 00:58:52,079

in control in the media or the financial

1451
00:58:58,910 --> 00:58:56,280
institutions yeah I mean like like

1452
00:59:00,650 --> 00:58:58,920
like with any of these conspiracies

1453
00:59:03,829 --> 00:59:00,660
right you just scratch the surface and

1454
00:59:05,690 --> 00:59:03,839
you find anti-Semitism yeah um and it's

1455
00:59:06,289 --> 00:59:05,700
really it's really amazing there's this

1456
00:59:08,089 --> 00:59:06,299
um

1457
00:59:09,770 --> 00:59:08,099
there's this incredible book by Yuri

1458
00:59:13,750 --> 00:59:09,780
Celestine called the Jewish century and

1459
00:59:16,250 --> 00:59:13,760
he talks about basically how Jews as

1460
00:59:18,710 --> 00:59:16,260
carriers of the media entertainment

1461
00:59:22,150 --> 00:59:18,720
Financial legal Etc Industries is very

1462
00:59:25,730 --> 00:59:22,160
much just a function of having been uh

1463
00:59:28,130 --> 00:59:25,740

removed either forcibly or

1464

00:59:30,230 --> 00:59:28,140

legally from any sort of owner

1465

00:59:31,670 --> 00:59:30,240

landownership or Artisan guilds or

1466

00:59:33,530 --> 00:59:31,680

anything so as a result they had to go

1467

00:59:35,510 --> 00:59:33,540

into these industries and it just

1468

00:59:38,150 --> 00:59:35,520

happens to be that Modern Life you know

1469

00:59:40,309 --> 00:59:38,160

the sort of uh post-industrialist

1470

00:59:43,370 --> 00:59:40,319

society that we live in like those are

1471

00:59:45,049 --> 00:59:43,380

the markers of success now to be a

1472

00:59:46,849 --> 00:59:45,059

knowledge worker and it's also a culture

1473

00:59:48,049 --> 00:59:46,859

that I mean this I can speak candidly

1474

00:59:50,870 --> 00:59:48,059

too it's a culture that very much

1475

00:59:53,569 --> 00:59:50,880

emphasizes education and like very

1476

00:59:56,450 --> 00:59:53,579

rigorous sort of uh almost legalistic

1477

00:59:58,430 --> 00:59:56,460

thought it's not a you know outside of

1478

01:00:01,069 --> 00:59:58,440

sort of fundamentalist Orthodoxy which

1479

01:00:04,370 --> 01:00:01,079

is any religion exhibits

1480

01:00:05,809 --> 01:00:04,380

um you know uh very strict adherence but

1481

01:00:08,150 --> 01:00:05,819

like the standard kind of conventional

1482

01:00:10,069 --> 01:00:08,160

second regular Jewish existence is one

1483

01:00:12,170 --> 01:00:10,079

that is very much focused on education

1484

01:00:14,270 --> 01:00:12,180

and intellectual Pursuit and things like

1485

01:00:17,030 --> 01:00:14,280

that like that's not a mistake there's

1486

01:00:19,430 --> 01:00:17,040

an excellent documentary uh called Nazis

1487

01:00:22,370 --> 01:00:19,440

a warning from history where I believe

1488

01:00:24,349 --> 01:00:22,380

it's BBC uh news produced it and they

1489

01:00:26,569 --> 01:00:24,359

are interviewing it was from the 70s and

1490

01:00:28,370 --> 01:00:26,579

real and quote Nazis were interviewed

1491

01:00:31,190 --> 01:00:28,380

for it so it's pretty interesting like

1492

01:00:32,690 --> 01:00:31,200

an actual SS Commander being like I

1493

01:00:35,569 --> 01:00:32,700

originally signed up because they gave

1494

01:00:37,789 --> 01:00:35,579

me a new pair of boots it's like you

1495

01:00:40,130 --> 01:00:37,799

know this like 75 year old woman being

1496

01:00:42,470 --> 01:00:40,140

like when I looked into Hitler's eyes

1497

01:00:45,710 --> 01:00:42,480

that's when I knew I would always love

1498

01:00:47,930 --> 01:00:45,720

him and it's like no grandma no and uh

1499

01:00:51,230 --> 01:00:47,940

but anyway uh more seriously like

1500

01:00:53,510 --> 01:00:51,240

they're talking in it about how in

1501
01:00:56,390 --> 01:00:53,520
Germany leading up to that exactly what

1502
01:00:58,609 --> 01:00:56,400
you're saying oh yeah like the only

1503
01:01:01,309 --> 01:00:58,619
people that were allowed to lend people

1504
01:01:03,349 --> 01:01:01,319
money were non-christians so it ended up

1505
01:01:05,390 --> 01:01:03,359
being audited they were so racist

1506
01:01:07,730 --> 01:01:05,400
against Jews that it was like you'd have

1507
01:01:09,049 --> 01:01:07,740
to give your own family members jobs and

1508
01:01:10,809 --> 01:01:09,059
educate them in the profession because

1509
01:01:15,049 --> 01:01:10,819
you can get hired anywhere so it's like

1510
01:01:16,849 --> 01:01:15,059
self-fulfilling racism exactly and it's

1511
01:01:18,530 --> 01:01:16,859
just like what do you do with that like

1512
01:01:20,630 --> 01:01:18,540
I remember from the documentary one

1513
01:01:23,329 --> 01:01:20,640

guy's like over 50 percent of theater

1514

01:01:25,730 --> 01:01:23,339

directors in Berlin were Jews something

1515

01:01:27,230 --> 01:01:25,740

had to be done and it's like what the

1516

01:01:29,870 --> 01:01:27,240

hell are you it's like it's like

1517

01:01:31,010 --> 01:01:29,880

observation interpretation right that's

1518

01:01:32,450 --> 01:01:31,020

what it always because it's like yeah

1519

01:01:34,490 --> 01:01:32,460

okay and why is that because of

1520

01:01:35,990 --> 01:01:34,500

institutionalized racism and instead

1521

01:01:39,230 --> 01:01:36,000

it's like because they're controlling

1522

01:01:41,870 --> 01:01:39,240

the theaters it's like okay whatever man

1523

01:01:44,270 --> 01:01:41,880

it also preyed on this like anxiety

1524

01:01:45,890 --> 01:01:44,280

right like you have this materialist I

1525

01:01:47,930 --> 01:01:45,900

mean we see it with ecofascism right you

1526

01:01:50,690 --> 01:01:47,940

have this like not materialist it's

1527

01:01:53,210 --> 01:01:50,700

almost mystical connection to soil and

1528

01:01:56,750 --> 01:01:53,220

to land and the Jewish people are

1529

01:01:58,549 --> 01:01:56,760

rootless cosmopolitans like up until the

1530

01:02:01,069 --> 01:01:58,559

establishment of the state of Israel and

1531

01:02:03,530 --> 01:02:01,079

all of this sort of political kerfuffle

1532

01:02:06,650 --> 01:02:03,540

Latin entailed

1533

01:02:09,650 --> 01:02:06,660

um but the Jews never had a Homeland and

1534

01:02:11,510 --> 01:02:09,660

so they were sort of unrooted from their

1535

01:02:13,010 --> 01:02:11,520

land and were pretty regularly driven

1536

01:02:15,170 --> 01:02:13,020

out of wherever they happen to be living

1537

01:02:16,309 --> 01:02:15,180

so they moved around a whole lot

1538

01:02:17,750 --> 01:02:16,319

um and I think that's the other thing

1539

01:02:19,849 --> 01:02:17,760

like they didn't have this sort of

1540

01:02:21,890 --> 01:02:19,859

mystical Association or connection with

1541

01:02:23,390 --> 01:02:21,900

a Fatherland the way that you see sort

1542

01:02:25,549 --> 01:02:23,400

of the alt-right have this mystical

1543

01:02:27,710 --> 01:02:25,559

collection or excuse me connection with

1544

01:02:29,150 --> 01:02:27,720

their their Homeland or with the soil

1545

01:02:31,309 --> 01:02:29,160

and I think that ties into a lot of the

1546

01:02:35,870 --> 01:02:31,319

eco-fascia style thought as well like

1547

01:02:38,150 --> 01:02:35,880

the sense that it is a violation of the

1548

01:02:41,990 --> 01:02:38,160

highest order to pollute the Earth

1549

01:02:44,390 --> 01:02:42,000

because we have this blood connection to

1550

01:02:46,549 --> 01:02:44,400

the land you know the alt-right does or

1551

01:02:48,470 --> 01:02:46,559

this sort of fascist thought does so

1552

01:02:50,870 --> 01:02:48,480

they see Eco side as being a direct

1553

01:02:52,970 --> 01:02:50,880

attack on sort of their core Identity or

1554

01:02:54,349 --> 01:02:52,980

an integral part of their tribal

1555

01:02:56,390 --> 01:02:54,359

identity

1556

01:02:58,010 --> 01:02:56,400

and that also ties into the Eugenics

1557

01:03:00,829 --> 01:02:58,020

aspect

1558

01:03:04,069 --> 01:03:00,839

um that um yeah tell us about that so um

1559

01:03:05,809 --> 01:03:04,079

I really recommend reading Jules Evans

1560

01:03:08,089 --> 01:03:05,819

um series on

1561

01:03:10,670 --> 01:03:08,099

spiritual Eugenics you talked about the

1562

01:03:13,190 --> 01:03:10,680

history of um spiritualism and how it's

1563

01:03:16,609 --> 01:03:13,200

been there's an overlap between that and

1564

01:03:19,309 --> 01:03:16,619

Eugenics and um one of the one of the

1565

01:03:21,890 --> 01:03:19,319

threads there is that um these blood and

1566

01:03:23,210 --> 01:03:21,900

soil types like in the volkish movements

1567

01:03:24,890 --> 01:03:23,220

in Germany

1568

01:03:27,109 --> 01:03:24,900

um they saw

1569

01:03:29,210 --> 01:03:27,119

being outside in the country in the

1570

01:03:31,130 --> 01:03:29,220

countryside away from the dirty you know

1571

01:03:33,829 --> 01:03:31,140

so-called Jewish controlled cities where

1572

01:03:36,470 --> 01:03:33,839

there was pollution and Industry

1573

01:03:38,150 --> 01:03:36,480

um that all true Germans should go out

1574

01:03:40,910 --> 01:03:38,160

to the countryside

1575

01:03:43,309 --> 01:03:40,920

to sort of um get get in touch with

1576

01:03:44,809 --> 01:03:43,319

their not only because it's healthy but

1577

01:03:47,270 --> 01:03:44,819

also because like they can get in touch

1578

01:03:48,589 --> 01:03:47,280

with the ancient you know Aryan gods and

1579

01:03:52,250 --> 01:03:48,599

whatnot

1580

01:03:54,650 --> 01:03:52,260

um Forest Gods but um there's also this

1581

01:03:57,109 --> 01:03:54,660

idea that like the health of the Volk is

1582

01:03:58,730 --> 01:03:57,119

tied up with the soil on the land and

1583

01:04:01,670 --> 01:03:58,740

that um you should have like these um

1584

01:04:03,230 --> 01:04:01,680

Solstice festivals and send people out

1585

01:04:05,569 --> 01:04:03,240

like young people should go out to the

1586

01:04:08,030 --> 01:04:05,579

farms and do work there and stuff

1587

01:04:10,670 --> 01:04:08,040

um and that all true Germans should you

1588

01:04:12,710 --> 01:04:10,680

know live on the land and um that's

1589

01:04:14,329 --> 01:04:12,720

gonna that's that was tied with Eugenics

1590

01:04:16,370 --> 01:04:14,339

because you know it was

1591

01:04:18,789 --> 01:04:16,380

sounds a lot like the Trad wife movement

1592

01:04:21,650 --> 01:04:18,799

right now yeah yeah

1593

01:04:24,049 --> 01:04:21,660

you don't want like any contamination

1594

01:04:26,210 --> 01:04:24,059

from outside and the idea is that the

1595

01:04:28,549 --> 01:04:26,220

Jews are trying to pollute Everybody by

1596

01:04:30,770 --> 01:04:28,559

making them mix like all the races mixed

1597

01:04:33,049 --> 01:04:30,780

together and so there's going to be no

1598

01:04:35,870 --> 01:04:33,059

more Aryan race and that that's like the

1599

01:04:38,630 --> 01:04:35,880

Jewish design is to sort of destroy the

1600

01:04:41,569 --> 01:04:38,640

Aryan race by um instituting political

1601
01:04:44,530 --> 01:04:41,579
correctness and race mixing that's what

1602
01:04:49,490 --> 01:04:44,540
Tucker Carlson talked about now yeah

1603
01:04:53,510 --> 01:04:51,470
okay and that it's just terrifying

1604
01:04:55,250 --> 01:04:53,520
because when you start walking down that

1605
01:04:57,109 --> 01:04:55,260
path and it's like what are we we're

1606
01:05:00,049 --> 01:04:57,119
talking about like genetic differences

1607
01:05:02,210 --> 01:05:00,059
and it's like in the Nazi party

1608
01:05:04,910 --> 01:05:02,220
um Eugenics was so important to them

1609
01:05:07,609 --> 01:05:04,920
right in such a problematic way and uh

1610
01:05:09,829 --> 01:05:07,619
Himmler uh was you know the head of the

1611
01:05:11,690 --> 01:05:09,839
SS and all that stuff he originated uh

1612
01:05:13,670 --> 01:05:11,700
you guys know this as a chicken farmer

1613
01:05:15,829 --> 01:05:13,680

and so he got obsessed with breeding

1614

01:05:17,150 --> 01:05:15,839

chickens for like to make more money and

1615

01:05:18,470 --> 01:05:17,160

stuff and he was like oh when I put the

1616

01:05:19,910 --> 01:05:18,480

two chickens together they make a

1617

01:05:21,049 --> 01:05:19,920

different chicken with the feet it's

1618

01:05:23,329 --> 01:05:21,059

like oh wow you could do that with

1619

01:05:27,370 --> 01:05:23,339

humans too oh my God I'm a genius the

1620

01:05:30,349 --> 01:05:27,380

finality of evil is real man yeah yeah

1621

01:05:32,390 --> 01:05:30,359

exactly it's so true and so it's like

1622

01:05:34,130 --> 01:05:32,400

this guy somehow gets in charge and then

1623

01:05:36,230 --> 01:05:34,140

he's like oh I did this on my farm with

1624

01:05:38,630 --> 01:05:36,240

chickens guys like let's it's like I

1625

01:05:41,329 --> 01:05:38,640

know what I'm doing and it's like like

1626

01:05:43,970 --> 01:05:41,339

in in genetics like diversity is what

1627

01:05:46,370 --> 01:05:43,980

produces adaptability right like it's

1628

01:05:48,289 --> 01:05:46,380

like when you have a very limited gene

1629

01:05:50,569 --> 01:05:48,299

pool actually quite ironic right German

1630

01:05:52,549 --> 01:05:50,579

Shepherds like you can basically not get

1631

01:05:54,349 --> 01:05:52,559

a purebred German Shepherd without a

1632

01:05:55,789 --> 01:05:54,359

debilitating illness that you have to

1633

01:05:58,130 --> 01:05:55,799

care for very carefully for the rest of

1634

01:06:01,309 --> 01:05:58,140

its life it's because like when you have

1635

01:06:03,470 --> 01:06:01,319

pure genetics you are inbreeding and

1636

01:06:05,990 --> 01:06:03,480

that perpetuates very serious genetic

1637

01:06:07,789 --> 01:06:06,000

conditions and blonde hair

1638

01:06:09,710 --> 01:06:07,799

well and it's like all the features that

1639

01:06:11,630 --> 01:06:09,720

they selected for are inbreeding

1640

01:06:13,370 --> 01:06:11,640

features they necessarily occurred

1641

01:06:14,750 --> 01:06:13,380

because of inbreeding blonde hair blue

1642

01:06:17,109 --> 01:06:14,760

eyes all that stuff that they worship

1643

01:06:19,789 --> 01:06:17,119

it's recessive genes that are

1644

01:06:21,349 --> 01:06:19,799

necessarily emerged from inbreeding so

1645

01:06:22,789 --> 01:06:21,359

it's like what are we talking about here

1646

01:06:24,529 --> 01:06:22,799

it's all like in its jumble of science

1647

01:06:26,630 --> 01:06:24,539

because like yeah you can make certain

1648

01:06:28,730 --> 01:06:26,640

breeds of dogs and stuff but then also

1649

01:06:30,289 --> 01:06:28,740

it's like when you start it's there's a

1650

01:06:32,270 --> 01:06:30,299

scientific basis

1651
01:06:34,309 --> 01:06:32,280
and then people are applying it in these

1652
01:06:35,990 --> 01:06:34,319
like ridiculous subjective interpretive

1653
01:06:38,450 --> 01:06:36,000
ways and it's what I see over and over

1654
01:06:40,309 --> 01:06:38,460
again hey it's like this interpretation

1655
01:06:42,890 --> 01:06:40,319
of something that maybe has a basis in

1656
01:06:44,870 --> 01:06:42,900
truth and it's just so problematic yeah

1657
01:06:48,049 --> 01:06:44,880
it's magic with uh with scientific

1658
01:06:50,569 --> 01:06:48,059
vocabulary yes yeah there's some there's

1659
01:06:54,130 --> 01:06:50,579
this book by Ellen's Alan steinwise I

1660
01:06:58,490 --> 01:06:56,630
and it's basically about the

1661
01:06:59,770 --> 01:06:58,500
appropriation of scientific and

1662
01:07:03,289 --> 01:06:59,780
rationalist

1663
01:07:05,390 --> 01:07:03,299

processes and thought to legitimizing

1664

01:07:07,510 --> 01:07:05,400

anti-Semitism and Nazi Germany it

1665

01:07:10,490 --> 01:07:07,520

basically talks about the sort of

1666

01:07:13,190 --> 01:07:10,500

university studies that were undertaken

1667

01:07:15,049 --> 01:07:13,200

phrenology genetic studies things like

1668

01:07:17,150 --> 01:07:15,059

that that were used to scientifically

1669

01:07:20,990 --> 01:07:17,160

underpin

1670

01:07:22,910 --> 01:07:21,000

um the the policies of the Nazis and

1671

01:07:25,609 --> 01:07:22,920

it's I mean

1672

01:07:28,789 --> 01:07:25,619

that's a great way to dissociate from

1673

01:07:30,829 --> 01:07:28,799

the anti-humanity and savagery of it to

1674

01:07:33,349 --> 01:07:30,839

say oh well it's just science like none

1675

01:07:35,809 --> 01:07:33,359

of us it's not our fault

1676

01:07:37,730 --> 01:07:35,819

um but it's uh it's very short it's a l

1677

01:07:40,010 --> 01:07:37,740

don't want to quit say it's a great read

1678

01:07:42,109 --> 01:07:40,020

but it's a very insightful read if you

1679

01:07:46,370 --> 01:07:42,119

want to kind of learn about how science

1680

01:07:48,770 --> 01:07:46,380

has been used to justify an appropriate

1681

01:07:50,990 --> 01:07:48,780

um or Justify and underpin like like

1682

01:07:52,190 --> 01:07:51,000

racist ideologies and policies I mean it

1683

01:07:53,990 --> 01:07:52,200

applies just as readily in the United

1684

01:07:55,789 --> 01:07:54,000

States like look at the policies we had

1685

01:07:59,450 --> 01:07:55,799

around people of color and black

1686

01:08:02,930 --> 01:07:59,460

communities and uh

1687

01:08:05,569 --> 01:08:02,940

yeah people like people were being um

1688

01:08:07,730 --> 01:08:05,579

thrown into like mental asylums just for

1689

01:08:09,170 --> 01:08:07,740

like because they were poor really but

1690

01:08:11,569 --> 01:08:09,180

they had some sort of history of

1691

01:08:13,309 --> 01:08:11,579

whatever violence or something in their

1692

01:08:14,990 --> 01:08:13,319

environment and they were just it was

1693

01:08:17,689 --> 01:08:15,000

assumed that it was genetically based

1694

01:08:19,490 --> 01:08:17,699

they didn't want to pollute the you know

1695

01:08:24,050 --> 01:08:19,500

the white race with that so they just um

1696

01:08:24,060 --> 01:08:28,990

exactly

1697

01:08:34,309 --> 01:08:32,090

no just just Nazis and Madame

1698

01:08:35,329 --> 01:08:34,319

blavatsky so let's round out the Holy

1699

01:08:38,030 --> 01:08:35,339

Trinity here let's talk about

1700

01:08:39,590 --> 01:08:38,040

Consciousness yeah let's start by

1701

01:08:41,269 --> 01:08:39,600

defining it

1702

01:08:43,749 --> 01:08:41,279

right okay what's the definition of

1703

01:08:47,390 --> 01:08:43,759

Consciousness

1704

01:08:50,390 --> 01:08:47,400

is it a substance is it a place

1705

01:08:55,689 --> 01:08:50,400

I don't think it's a substance I don't

1706

01:09:03,349 --> 01:08:59,769

is it a vibration for hell no

1707

01:09:05,590 --> 01:09:03,359

is it an internal awareness and an

1708

01:09:09,229 --> 01:09:05,600

external awareness

1709

01:09:10,729 --> 01:09:09,239

it's whatever you want right it can be

1710

01:09:12,229 --> 01:09:10,739

yeah well it's been used in so many

1711

01:09:15,349 --> 01:09:12,239

different ways to mean different things

1712

01:09:18,769 --> 01:09:15,359

it can mean anything from uh subjective

1713

01:09:19,970 --> 01:09:18,779

self-awareness to knowledge like you're

1714

01:09:22,249 --> 01:09:19,980

conscious of

1715

01:09:23,870 --> 01:09:22,259

something like uh you know that your or

1716

01:09:26,030 --> 01:09:23,880

your Society is more conscious than

1717

01:09:27,590 --> 01:09:26,040

another society which means like it just

1718

01:09:29,870 --> 01:09:27,600

it's got more knowledge about something

1719

01:09:32,870 --> 01:09:29,880

but um

1720

01:09:34,550 --> 01:09:32,880

I mean Consciousness really in the way

1721

01:09:36,410 --> 01:09:34,560

most people think of it is like the the

1722

01:09:40,309 --> 01:09:36,420

subjective sense of

1723

01:09:42,769 --> 01:09:40,319

that awake awakesness

1724

01:09:45,829 --> 01:09:42,779

um and something special or magical

1725

01:09:48,289 --> 01:09:45,839

about it which is the the qualia aspect

1726

01:09:50,570 --> 01:09:48,299

yeah the quality of processing

1727

01:09:52,789 --> 01:09:50,580

supposedly cannot be reduced to a

1728

01:09:55,550 --> 01:09:52,799

physical functionalist

1729

01:09:57,410 --> 01:09:55,560

um account so they're you know in in the

1730

01:10:01,310 --> 01:09:57,420

field of Consciousness studies there are

1731

01:10:04,189 --> 01:10:01,320

different factions some people favor the

1732

01:10:06,950 --> 01:10:04,199

idea that Consciousness is a brain

1733

01:10:09,110 --> 01:10:06,960

function or a brain body function so

1734

01:10:12,290 --> 01:10:09,120

it's an information processing uh

1735

01:10:14,209 --> 01:10:12,300

circuit and it involves obstruction and

1736

01:10:15,650 --> 01:10:14,219

different levels of abstraction so

1737

01:10:18,590 --> 01:10:15,660

you're basically making a model of

1738

01:10:19,310 --> 01:10:18,600

yourself in in Consciousness and of the

1739

01:10:21,770 --> 01:10:19,320

world

1740

01:10:24,770 --> 01:10:21,780

yeah and then it also relates to memory

1741

01:10:28,669 --> 01:10:24,780

uh information States and so on and then

1742

01:10:30,890 --> 01:10:28,679

some people uh like David Chalmers

1743

01:10:33,110 --> 01:10:30,900

um who rejects that he thinks that

1744

01:10:35,810 --> 01:10:33,120

Consciousness is actually inherent to

1745

01:10:37,010 --> 01:10:35,820

physical reality so in other words

1746

01:10:39,590 --> 01:10:37,020

there's a little bit of Consciousness

1747

01:10:42,169 --> 01:10:39,600

even in a proton or an electron

1748

01:10:45,110 --> 01:10:42,179

it's like pan psychism yeah pan psychism

1749

01:10:47,149 --> 01:10:45,120

okay um and then there is dualism which

1750

01:10:49,550 --> 01:10:47,159

is the idea there's two fundamental

1751

01:10:51,590 --> 01:10:49,560

kinds of stuff in the world

1752

01:10:55,010 --> 01:10:51,600

um you know the spiritual or conscious

1753

01:10:56,090 --> 01:10:55,020

mind stuff and the physical stuff

1754

01:10:58,390 --> 01:10:56,100

um

1755

01:11:00,770 --> 01:10:58,400

and then there's also something

1756

01:11:02,689 --> 01:11:00,780

Brian's census uh tried to explain this

1757

01:11:04,850 --> 01:11:02,699

to me but I don't I'm not not sure I

1758

01:11:07,189 --> 01:11:04,860

really get it but it's the idea that um

1759

01:11:09,950 --> 01:11:07,199

both the functionalist physical account

1760

01:11:12,250 --> 01:11:09,960

and the dualist spiritualist account is

1761

01:11:14,390 --> 01:11:12,260

incorrect and that it's actually

1762

01:11:18,229 --> 01:11:14,400

Consciousness is a relation between

1763

01:11:19,970 --> 01:11:18,239

things like between us and the world

1764

01:11:22,490 --> 01:11:19,980

but I have to look more into that man

1765

01:11:25,370 --> 01:11:22,500

that's such that's such like a Buddhist

1766

01:11:27,950 --> 01:11:25,380

thought like the Buddhist idea that you

1767

01:11:30,649 --> 01:11:27,960

are not anything but you're only like

1768

01:11:34,430 --> 01:11:30,659

identity is in relationships to other

1769

01:11:37,130 --> 01:11:34,440

things but you yourself are empty

1770

01:11:39,410 --> 01:11:37,140

yeah I guess it's it's similar to that

1771

01:11:41,810 --> 01:11:39,420

but in any case um I mean whatever

1772

01:11:43,490 --> 01:11:41,820

Consciousness is it's certainly

1773

01:11:46,850 --> 01:11:43,500

become very

1774

01:11:48,950 --> 01:11:46,860

um integral to ufology and I was quite

1775

01:11:50,750 --> 01:11:48,960

surprised to learn about the many ways

1776

01:11:53,209 --> 01:11:50,760

that that's true and how far back it

1777

01:11:56,390 --> 01:11:53,219

goes so like back to the contactees you

1778

01:11:58,250 --> 01:11:56,400

had all this stuff about uh that they're

1779

01:12:00,890 --> 01:11:58,260

bringing us a higher Consciousness it's

1780

01:12:03,229 --> 01:12:00,900

a better way of doing things

1781

01:12:05,630 --> 01:12:03,239

um linking ourselves to the cosmos you

1782

01:12:06,470 --> 01:12:05,640

know whatever that really means but

1783

01:12:08,450 --> 01:12:06,480

um

1784

01:12:10,790 --> 01:12:08,460

you know being more aware of the cosmos

1785

01:12:14,149 --> 01:12:10,800

and our relations to each other

1786

01:12:15,590 --> 01:12:14,159

um and then there's also

1787

01:12:18,350 --> 01:12:15,600

things like

1788

01:12:19,850 --> 01:12:18,360

um that like Jacques Valley especially

1789

01:12:22,310 --> 01:12:19,860

in John keel

1790

01:12:25,189 --> 01:12:22,320

is it John keel

1791

01:12:27,070 --> 01:12:25,199

yeah I always forget his first name but

1792

01:12:29,149 --> 01:12:27,080

um he um

1793

01:12:33,370 --> 01:12:29,159

they pushed the inter-dimensional

1794

01:12:35,390 --> 01:12:33,380

hypothesis and um the idea that the

1795

01:12:36,290 --> 01:12:35,400

interdimensional beings and manipulating

1796

01:12:39,830 --> 01:12:36,300

human

1797

01:12:42,290 --> 01:12:39,840

yes if Tower yeah

1798

01:12:45,110 --> 01:12:42,300

that they are manipulating human uh

1799

01:12:47,030 --> 01:12:45,120

perception and they're trying to kind of

1800

01:12:50,390 --> 01:12:47,040

push or drive Society in a certain

1801

01:12:52,790 --> 01:12:50,400

direction which is um in tune with uh

1802

01:12:55,250 --> 01:12:52,800

the themes and motifs which are

1803

01:12:58,070 --> 01:12:55,260

important to humanity at that historical

1804

01:13:00,950 --> 01:12:58,080

Epoch so for example like back in

1805

01:13:02,149 --> 01:13:00,960

medieval Europe these interdimensionals

1806

01:13:05,090 --> 01:13:02,159

would have been

1807

01:13:07,010 --> 01:13:05,100

um inducing visions of Angels and Demons

1808

01:13:08,810 --> 01:13:07,020

whereas today it's more about like

1809

01:13:11,090 --> 01:13:08,820

aliens because that's what we care about

1810

01:13:11,930 --> 01:13:11,100

with a space age and nuclear energy and

1811

01:13:15,110 --> 01:13:11,940

so on

1812

01:13:18,290 --> 01:13:15,120

and then yeah coming from us more than

1813

01:13:19,790 --> 01:13:18,300

it being external but go on yeah yeah so

1814

01:13:21,649 --> 01:13:19,800

but they're still manipulating human

1815

01:13:23,950 --> 01:13:21,659

consciousness right that's the link with

1816

01:13:26,510 --> 01:13:23,960

Consciousness and then there's the um

1817

01:13:28,970 --> 01:13:26,520

slightly more Sinister

1818

01:13:30,890 --> 01:13:28,980

um take with a Grays which I guess

1819

01:13:33,649 --> 01:13:30,900

started with um stripper but you could

1820

01:13:36,229 --> 01:13:33,659

you could push it back to um uh Betty

1821

01:13:37,790 --> 01:13:36,239

and Bonnie Hill who are abductees

1822

01:13:40,130 --> 01:13:37,800

um but with strieber especially he

1823

01:13:42,229 --> 01:13:40,140

talked about the Grays as

1824

01:13:44,149 --> 01:13:42,239

the others he didn't specifically say

1825

01:13:45,950 --> 01:13:44,159

they were alien like maybe there's

1826

01:13:48,649 --> 01:13:45,960

something thread there's something more

1827

01:13:51,050 --> 01:13:48,659

alien than alien right

1828

01:13:53,330 --> 01:13:51,060

yeah that's the answer I get to show off

1829

01:13:55,250 --> 01:13:53,340

my librarianship skills yeah yeah this

1830

01:13:56,689 --> 01:13:55,260

is this is like an OG I think I bought

1831

01:13:59,270 --> 01:13:56,699

this when I was like sixth or seventh

1832

01:14:03,250 --> 01:13:59,280

grade but yeah with the iconic coverage

1833

01:14:07,070 --> 01:14:03,260

yeah look at Nick see

1834

01:14:08,270 --> 01:14:07,080

but I've got one yeah um it is it's so I

1835

01:14:09,709 --> 01:14:08,280

just want to jump in and say it is so

1836

01:14:11,810 --> 01:14:09,719

noteworthy too that Whitley strieber

1837

01:14:13,610 --> 01:14:11,820

like the common perception of communion

1838

01:14:15,830 --> 01:14:13,620

is that he was abducted by aliens but

1839

01:14:17,450 --> 01:14:15,840

yeah when you read it like he doesn't

1840

01:14:18,950 --> 01:14:17,460

make any claims about extraterrestrial

1841

01:14:22,390 --> 01:14:18,960

contact it's a pure Consciousness

1842

01:14:25,669 --> 01:14:22,400

experience for him yes anyway continue

1843

01:14:27,590 --> 01:14:25,679

something I can't anyway yeah continue

1844

01:14:30,350 --> 01:14:27,600

yeah so um

1845

01:14:33,169 --> 01:14:30,360

the the Grays and the way that striba

1846

01:14:36,229 --> 01:14:33,179

conceived of them and now if you read

1847

01:14:38,030 --> 01:14:36,239

Alan's Alan steinfeld's edited book

1848

01:14:41,270 --> 01:14:38,040

um making contact

1849

01:14:43,070 --> 01:14:41,280

if you got that too I do yeah but I

1850

01:14:44,570 --> 01:14:43,080

moved it I actually moved it out of the

1851

01:14:46,189 --> 01:14:44,580

shot because it was like I'm gonna be

1852

01:14:48,830 --> 01:14:46,199

really embarrassed if people see this on

1853

01:14:51,709 --> 01:14:48,840

my bookshelf I also have the uh Tom

1854

01:14:53,510 --> 01:14:51,719

DeLonge box I put all my good drug books

1855

01:14:55,790 --> 01:14:53,520

out but yeah here we go making contacts

1856

01:14:57,709 --> 01:14:55,800

yeah it's like it's like a [h__h] alien

1857

01:15:00,350 --> 01:14:57,719

person board book like a toddler board

1858

01:15:02,630 --> 01:15:00,360

book that's such a fun book to read I I

1859

01:15:04,970 --> 01:15:02,640

I I can't tell you how fun that book is

1860

01:15:07,910 --> 01:15:04,980

but um

1861

01:15:09,770 --> 01:15:07,920

it it the the idea there which kind of

1862

01:15:11,209 --> 01:15:09,780

runs through most of the chapters even

1863

01:15:12,530 --> 01:15:11,219

though Nick Pope has got his own chapter

1864

01:15:14,930 --> 01:15:12,540

in there he doesn't really talk about

1865

01:15:17,990 --> 01:15:14,940

the spiritual stuff but the other

1866

01:15:19,790 --> 01:15:18,000

authors mostly talk about

1867

01:15:22,430 --> 01:15:19,800

um the idea that the aliens or the

1868

01:15:24,470 --> 01:15:22,440

beings are in a sort of Consciousness

1869

01:15:27,649 --> 01:15:24,480

field with us like they can communicate

1870

01:15:29,570 --> 01:15:27,659

instantaneously through channeling so

1871

01:15:32,270 --> 01:15:29,580

channeling is also a big thing in

1872

01:15:34,310 --> 01:15:32,280

ufology at the moment but it has even

1873

01:15:36,050 --> 01:15:34,320

since the the contact is

1874

01:15:38,390 --> 01:15:36,060

um lots of people were channelers for

1875

01:15:40,070 --> 01:15:38,400

the aliens in how would you describe

1876

01:15:42,649 --> 01:15:40,080

what channeling is

1877

01:15:44,270 --> 01:15:42,659

when your um your Consciousness becomes

1878

01:15:46,310 --> 01:15:44,280

continuous with the consciousness of

1879

01:15:49,610 --> 01:15:46,320

somebody else and you are expressing

1880

01:15:51,830 --> 01:15:49,620

what they feel it's like during the

1881

01:15:53,810 --> 01:15:51,840

spiritual movement quick quick pause

1882

01:15:56,990 --> 01:15:53,820

quick pause here since everything

1883

01:15:59,689 --> 01:15:57,000

everything relates to UFO Nazis so Alan

1884

01:16:01,729 --> 01:15:59,699

Steinfeld the gentleman and Scholar who

1885

01:16:03,709 --> 01:16:01,739

worked on making contact was also the

1886

01:16:05,810 --> 01:16:03,719

individual here who presented Marina at

1887

01:16:07,550 --> 01:16:05,820

disclosure Fest so

1888

01:16:08,770 --> 01:16:07,560

um time is a flat circle all these

1889

01:16:10,910 --> 01:16:08,780

people are in bed with each other

1890

01:16:13,130 --> 01:16:10,920

incredible thank you so much for this

1891

01:16:15,649 --> 01:16:13,140

comment Brooke anyway continue let's

1892

01:16:19,250 --> 01:16:15,659

talk more about channeling yeah yeah so

1893

01:16:23,209 --> 01:16:19,260

I remember Brad Steger and Nancy Steger

1894

01:16:25,850 --> 01:16:23,219

his wife is it Nancy I think so yeah I

1895

01:16:27,530 --> 01:16:25,860

I'm looking at my copy of his book The

1896

01:16:29,990 --> 01:16:27,540

Source that he wrote with Art Bell it's

1897

01:16:31,729 --> 01:16:30,000

on my other show yeah yeah Alan landfill

1898

01:16:34,850 --> 01:16:31,739

talks about the source as well in his

1899

01:16:36,050 --> 01:16:34,860

book well one of the the authors does

1900

01:16:39,590 --> 01:16:36,060

um

1901

01:16:41,870 --> 01:16:39,600

so this idea that the beings are

1902

01:16:43,910 --> 01:16:41,880

kind of continuous with us in a way that

1903

01:16:46,430 --> 01:16:43,920

they our Consciousness can be blend into

1904

01:16:47,570 --> 01:16:46,440

theirs and also

1905

01:16:50,090 --> 01:16:47,580

um

1906

01:16:52,010 --> 01:16:50,100

Whitley strieber he talks about

1907

01:16:53,689 --> 01:16:52,020

this idea that is developed through his

1908

01:16:56,630 --> 01:16:53,699

um subsequent books after communion

1909

01:16:58,910 --> 01:16:56,640

which is that um the not the aliens

1910

01:17:00,770 --> 01:16:58,920

necessarily but the beings they want

1911

01:17:03,530 --> 01:17:00,780

something from us and we want something

1912

01:17:06,050 --> 01:17:03,540

from them so it's like um maybe they are

1913

01:17:08,990 --> 01:17:06,060

they lost something in their history and

1914

01:17:11,870 --> 01:17:09,000

they're trying to regain it by you know

1915

01:17:14,270 --> 01:17:11,880

uh mess messing with us or whatever you

1916

01:17:16,850 --> 01:17:14,280

call it abducting us or probing us or

1917

01:17:19,130 --> 01:17:16,860

whatever and um we want something from

1918

01:17:21,649 --> 01:17:19,140

them maybe knowledge but that it's like

1919

01:17:23,570 --> 01:17:21,659

a two-way interaction

1920

01:17:26,450 --> 01:17:23,580

I think that's a very interesting idea

1921

01:17:27,110 --> 01:17:26,460

but what what really underlies that is

1922

01:17:29,689 --> 01:17:27,120

um

1923

01:17:32,450 --> 01:17:29,699

these people are actually expressing

1924

01:17:33,890 --> 01:17:32,460

um like fear of death

1925

01:17:35,510 --> 01:17:33,900

um you know the the problem of

1926

01:17:37,610 --> 01:17:35,520

Consciousness itself like how do you

1927

01:17:40,430 --> 01:17:37,620

think about something as difficult as

1928

01:17:42,830 --> 01:17:40,440

Consciousness and that sort of thing but

1929

01:17:44,990 --> 01:17:42,840

they it sort of erupts into the

1930

01:17:48,410 --> 01:17:45,000

conscious sphere into like these stories

1931

01:17:50,090 --> 01:17:48,420

about aliens and abductions and stuff

1932

01:17:52,510 --> 01:17:50,100

well in these themes that you're

1933

01:17:56,870 --> 01:17:52,520

describing like

1934

01:17:59,149 --> 01:17:56,880

non-humans superhuman entities coming

1935

01:18:01,729 --> 01:17:59,159

down onto Earth interacting with humans

1936

01:18:04,850 --> 01:18:01,739

selecting particular humans to take away

1937

01:18:07,850 --> 01:18:04,860

to a different place having sexual

1938

01:18:10,550 --> 01:18:07,860

relations with them producing Offspring

1939

01:18:12,530 --> 01:18:10,560

like this is something hybrids man

1940

01:18:15,890 --> 01:18:12,540

and this is something that goes back

1941

01:18:22,010 --> 01:18:15,900

into the Indo-European cosmology with

1942

01:18:25,630 --> 01:18:23,810

gentleman in school that's Bud Hopkins

1943

01:18:27,169 --> 01:18:25,640

isn't it

1944

01:18:29,649 --> 01:18:27,179

excellent

1945

01:18:33,229 --> 01:18:31,610

contributes a chapter to the book as

1946

01:18:35,270 --> 01:18:33,239

well

1947

01:18:39,770 --> 01:18:35,280

John Mack oh man this is like really a

1948

01:18:41,450 --> 01:18:39,780

who's who yeah people John Mack rest in

1949

01:18:43,790 --> 01:18:41,460

peace they must have worked with his

1950

01:18:45,890 --> 01:18:43,800

estate to uh resurrect some old paper

1951

01:18:48,229 --> 01:18:45,900

hero and stick it in this volume

1952

01:18:50,330 --> 01:18:48,239

another environmentalist right and he

1953

01:18:53,330 --> 01:18:50,340

kind of pushed that along in his uh

1954

01:18:56,209 --> 01:18:53,340

aerial incident yeah the aerial incident

1955

01:18:57,890 --> 01:18:56,219

was all about outside yeah surprisingly

1956

01:19:00,830 --> 01:18:57,900

yeah well and that's interesting though

1957

01:19:03,169 --> 01:19:00,840

because it's like when you take a look

1958

01:19:05,209 --> 01:19:03,179

at sort of like and this is sounds a

1959

01:19:07,490 --> 01:19:05,219

little abstract but the self reports

1960

01:19:10,189 --> 01:19:07,500

from people who take hallucinogenic

1961

01:19:12,290 --> 01:19:10,199

substances habitually and you know go on

1962

01:19:14,330 --> 01:19:12,300

to Arrowwood uh this uh you know Vault

1963

01:19:16,189 --> 01:19:14,340

online this Archive of these self-report

1964

01:19:17,570 --> 01:19:16,199

experiences and you see this

1965

01:19:19,130 --> 01:19:17,580

environmental theme come up over and

1966

01:19:20,750 --> 01:19:19,140

over and over again and I was just

1967

01:19:23,330 --> 01:19:20,760

reading a study the other week that was

1968

01:19:25,430 --> 01:19:23,340

saying um oh there's a consistent uh

1969

01:19:27,590 --> 01:19:25,440

pattern where people who ingest these

1970

01:19:30,709 --> 01:19:27,600

hallucinogenic substances like become

1971

01:19:34,010 --> 01:19:30,719

more a sense of connectedness to Nature

1972

01:19:36,350 --> 01:19:34,020

like the sense of it increases so like

1973

01:19:38,450 --> 01:19:36,360

like there is this pattern and then also

1974

01:19:40,669 --> 01:19:38,460

the studies that show that uh well it's

1975

01:19:43,010 --> 01:19:40,679

like ketamine is the closest and near

1976

01:19:45,950 --> 01:19:43,020

identical uh in terms of a subjective

1977

01:19:48,410 --> 01:19:45,960

self-report to these oh yeah near-death

1978

01:19:50,270 --> 01:19:48,420

experience yeah and so there are these

1979

01:19:52,370 --> 01:19:50,280

like patterns you know and then it's

1980

01:19:54,709 --> 01:19:52,380

always about like how do we interpret

1981

01:19:56,510 --> 01:19:54,719

them and there's been this historic

1982

01:19:59,570 --> 01:19:56,520

pattern to sort of like project the

1983

01:20:02,330 --> 01:19:59,580

responsibility to the outside right like

1984

01:20:03,709 --> 01:20:02,340

onto the beings and stuff like that but

1985

01:20:05,510 --> 01:20:03,719

it's like how much of this has to do

1986

01:20:07,610 --> 01:20:05,520

with humans trying to interpret our

1987

01:20:10,189 --> 01:20:07,620

world from the lens that we're subject

1988

01:20:12,709 --> 01:20:10,199

to and how much of it has to do with

1989

01:20:14,689 --> 01:20:12,719

like our peer group that we relate to in

1990

01:20:17,930 --> 01:20:14,699

terms of forming our identities around

1991

01:20:20,030 --> 01:20:17,940

these cultural icons

1992

01:20:21,649 --> 01:20:20,040

that's a good point

1993

01:20:24,290 --> 01:20:21,659

like it doesn't make a difference if

1994

01:20:26,450 --> 01:20:24,300

it's Zeus abducting you and you know

1995

01:20:29,330 --> 01:20:26,460

doing things to you versus it being

1996

01:20:31,490 --> 01:20:29,340

whoever like a aliens I mean it's it's

1997

01:20:33,770 --> 01:20:31,500

also in the Old Testament the Elohim

1998

01:20:35,689 --> 01:20:33,780

right yes this is like wasn't I don't

1999

01:20:37,850 --> 01:20:35,699

remember if this is Eric Von daniken or

2000

01:20:39,490 --> 01:20:37,860

Zechariah sitchin's whole thing but like

2001
01:20:41,510 --> 01:20:39,500
I think

2002
01:20:43,189 --> 01:20:41,520
the Elohim

2003
01:20:48,950 --> 01:20:43,199
well the brillians are just really into

2004
01:20:53,990 --> 01:20:51,310
yeah well once again yeah

2005
01:20:56,510 --> 01:20:54,000
this is this is a notion that's been

2006
01:20:59,689 --> 01:20:56,520
continuous right through through human

2007
01:21:02,209 --> 01:20:59,699
myth and religious history yep

2008
01:21:04,669 --> 01:21:02,219
so for like Consciousness like I think

2009
01:21:06,169 --> 01:21:04,679
back to uh Descartes always when I'm

2010
01:21:08,270 --> 01:21:06,179
trying to like frame what I mean by it

2011
01:21:09,830 --> 01:21:08,280
right because it's like what are you

2012
01:21:11,450 --> 01:21:09,840
fundamentally because you could be a

2013
01:21:12,890 --> 01:21:11,460

brain in a vat is how he said it right

2014

01:21:14,750 --> 01:21:12,900

we could be in a computer simulation

2015

01:21:16,970 --> 01:21:14,760

that's how we would say it maybe and

2016

01:21:18,770 --> 01:21:16,980

it's like yeah that could be true and

2017

01:21:20,450 --> 01:21:18,780

then it's like what do you know well I

2018

01:21:22,490 --> 01:21:20,460

know that I'm a subjectively

2019

01:21:24,290 --> 01:21:22,500

experiencing a thing and I don't even

2020

01:21:26,149 --> 01:21:24,300

know what that is because I could not

2021

01:21:29,390 --> 01:21:26,159

look anything like what I look like

2022

01:21:31,550 --> 01:21:29,400

right now right so it's like you can

2023

01:21:32,930 --> 01:21:31,560

take the idea idea of Consciousness and

2024

01:21:34,310 --> 01:21:32,940

you can strip it all the way down to

2025

01:21:35,390 --> 01:21:34,320

that and then you build your sort of

2026

01:21:41,270 --> 01:21:35,400

like

2027

01:21:43,370 --> 01:21:41,280

if Consciousness is inherent to Nature

2028

01:21:45,950 --> 01:21:43,380

it's like you know if there's a

2029

01:21:46,850 --> 01:21:45,960

animal that can recognize itself in a

2030

01:21:48,649 --> 01:21:46,860

mirror

2031

01:21:50,390 --> 01:21:48,659

like is that Consciousness because it

2032

01:21:52,490 --> 01:21:50,400

has the capacity to sort of perceive

2033

01:21:54,470 --> 01:21:52,500

itself like like and then you can just

2034

01:21:56,090 --> 01:21:54,480

go down and down and down right and then

2035

01:21:58,430 --> 01:21:56,100

what are you left with you're left with

2036

01:22:01,490 --> 01:21:58,440

like the sense of what life is and then

2037

01:22:04,010 --> 01:22:01,500

that's just like self-replicating or

2038

01:22:06,110 --> 01:22:04,020

like uh even molecules ultimately could

2039

01:22:06,770 --> 01:22:06,120

be self-replicating like crystals and

2040

01:22:08,510 --> 01:22:06,780

then

2041

01:22:10,669 --> 01:22:08,520

you get into the interdisciplinary

2042

01:22:12,530 --> 01:22:10,679

science and then you have geophysi

2043

01:22:15,110 --> 01:22:12,540

geologists and geophysicists like

2044

01:22:16,610 --> 01:22:15,120

collaborating with like biochemists and

2045

01:22:19,010 --> 01:22:16,620

they don't agree on like they're

2046

01:22:20,510 --> 01:22:19,020

studying the exact same process of

2047

01:22:21,950 --> 01:22:20,520

self-replication and one of them calls

2048

01:22:24,470 --> 01:22:21,960

it life the other one says it's purely a

2049

01:22:26,870 --> 01:22:24,480

chemical sure it makes me wonder what's

2050

01:22:28,550 --> 01:22:26,880

going on like is where does it end right

2051
01:22:31,189 --> 01:22:28,560
like what are we actually talking about

2052
01:22:33,470 --> 01:22:31,199
like is it just electrochemical impulses

2053
01:22:36,470 --> 01:22:33,480
that are like selected for through

2054
01:22:37,970 --> 01:22:36,480
nature like I I incline like my natural

2055
01:22:39,950 --> 01:22:37,980
inclination is to think that is what's

2056
01:22:42,530 --> 01:22:39,960
happening but I'm open to Alternatives

2057
01:22:44,630 --> 01:22:42,540
I'm about where you are

2058
01:22:51,229 --> 01:22:44,640
yeah

2059
01:22:53,450 --> 01:22:51,239
always been strange to me the kind of

2060
01:22:56,209 --> 01:22:53,460
like material and then spiritual

2061
01:22:58,070 --> 01:22:56,219
it's like you'll see people who have uh

2062
01:22:59,830 --> 01:22:58,080
head injuries like Phineas Gage who have

2063
01:23:01,430 --> 01:22:59,840

the rod through his skull

2064

01:23:03,530 --> 01:23:01,440

display this plays a completely

2065

01:23:06,229 --> 01:23:03,540

different personality which doesn't that

2066

01:23:08,330 --> 01:23:06,239

kind of just put in a nail in in that

2067

01:23:10,910 --> 01:23:08,340

Duality like why are they different now

2068

01:23:12,470 --> 01:23:10,920

if these things were uh separate and

2069

01:23:14,750 --> 01:23:12,480

distinct

2070

01:23:16,729 --> 01:23:14,760

yeah I didn't understand that aspect of

2071

01:23:19,310 --> 01:23:16,739

it right and well and then that okay

2072

01:23:22,669 --> 01:23:19,320

that's where uh it's like if there is

2073

01:23:26,689 --> 01:23:22,679

this Universal energy field that our

2074

01:23:28,550 --> 01:23:26,699

brains are like a receiver for like then

2075

01:23:29,510 --> 01:23:28,560

okay they are it becomes complicated

2076

01:23:30,709 --> 01:23:29,520

right because it's everybody's

2077

01:23:33,590 --> 01:23:30,719

subjective interpretation but it's like

2078

01:23:35,870 --> 01:23:33,600

oh okay so you damaged the receiver so

2079

01:23:37,070 --> 01:23:35,880

the Signal's coming in differently but

2080

01:23:39,050 --> 01:23:37,080

it's like if it's coming from the

2081

01:23:41,090 --> 01:23:39,060

outside then like what are you right and

2082

01:23:43,189 --> 01:23:41,100

it's like you're a localized expression

2083

01:23:44,510 --> 01:23:43,199

of this Universal but it's like okay so

2084

01:23:46,790 --> 01:23:44,520

let's and then we apply the scientific

2085

01:23:48,229 --> 01:23:46,800

method and we can't really it makes me

2086

01:23:51,050 --> 01:23:48,239

think of what Leo was saying earlier

2087

01:23:52,729 --> 01:23:51,060

about the emergence of like radio waves

2088

01:23:54,350 --> 01:23:52,739

and telegram these invisible

2089

01:23:56,750 --> 01:23:54,360

Technologies

2090

01:23:59,209 --> 01:23:56,760

it's it's really weird that's really

2091

01:24:00,649 --> 01:23:59,219

weird yeah it's um what's that book the

2092

01:24:05,990 --> 01:24:00,659

origins of Consciousness and the

2093

01:24:10,430 --> 01:24:07,850

I love in talking about these sort of

2094

01:24:12,169 --> 01:24:10,440

dualistic rules of the mind like

2095

01:24:13,910 --> 01:24:12,179

um where you have one part of the mind

2096

01:24:15,770 --> 01:24:13,920

like generating Consciousness and

2097

01:24:18,890 --> 01:24:15,780

creating narratives internally about I

2098

01:24:20,870 --> 01:24:18,900

am I like I'm hungry I'm tired I'm

2099

01:24:24,229 --> 01:24:20,880

anxious and whatever and then there's

2100

01:24:26,510 --> 01:24:24,239

this larger part of the mind that uh May

2101
01:24:28,010 --> 01:24:26,520
tap into sort of like a more connected

2102
01:24:29,810 --> 01:24:28,020
Consciousness now that's not the premise

2103
01:24:33,470 --> 01:24:29,820
of the book the book talks about how

2104
01:24:35,930 --> 01:24:33,480
that we didn't really develop coherent

2105
01:24:37,850 --> 01:24:35,940
or well integrated internal dialogues

2106
01:24:40,070 --> 01:24:37,860
until more recently in human history so

2107
01:24:42,649 --> 01:24:40,080
as a result we had our sense of I and

2108
01:24:46,669 --> 01:24:42,659
then we also had this sense of like

2109
01:24:48,470 --> 01:24:46,679
receiving or having information or

2110
01:24:50,390 --> 01:24:48,480
Direction given in our minds that didn't

2111
01:24:52,490 --> 01:24:50,400
originate with us but we still picked it

2112
01:24:54,350 --> 01:24:52,500
up it's a bicameral Bond

2113
01:24:55,010 --> 01:24:54,360

um but like this is an idea that's been

2114

01:24:57,709 --> 01:24:55,020

um

2115

01:24:59,510 --> 01:24:57,719

I think people you know this is this to

2116

01:25:01,790 --> 01:24:59,520

me this is one of those ideas the notion

2117

01:25:03,649 --> 01:25:01,800

of non-localized Consciousness that I

2118

01:25:05,750 --> 01:25:03,659

think in our current materialist

2119

01:25:07,850 --> 01:25:05,760

scientific moment is not very popular

2120

01:25:09,410 --> 01:25:07,860

it's kind of taboo to admit to but it

2121

01:25:10,370 --> 01:25:09,420

wouldn't surprise me if over the next

2122

01:25:12,830 --> 01:25:10,380

like

2123

01:25:14,510 --> 01:25:12,840

I would say the next maybe five to ten

2124

01:25:16,669 --> 01:25:14,520

years it becomes much more of an En

2125

01:25:18,229 --> 01:25:16,679

Vogue thing to think about especially

2126
01:25:20,330 --> 01:25:18,239
alongside the Psychedelic Renaissance

2127
01:25:22,250 --> 01:25:20,340
and as people are sort of

2128
01:25:24,890 --> 01:25:22,260
um I would say regressing back to this

2129
01:25:27,110 --> 01:25:24,900
sort of superstitions and myth like

2130
01:25:28,850 --> 01:25:27,120
mythologies to guide their understanding

2131
01:25:31,250 --> 01:25:28,860
of reality it wouldn't surprise me if it

2132
01:25:33,950 --> 01:25:31,260
becomes much more common

2133
01:25:37,310 --> 01:25:33,960
which then gets onto the ESP and um

2134
01:25:38,870 --> 01:25:37,320
psychic aspects in anthology so like a

2135
01:25:40,669 --> 01:25:38,880
lot of the people who are now pushing

2136
01:25:43,250 --> 01:25:40,679
with the

2137
01:25:45,350 --> 01:25:43,260
who have become involved with like tsa

2138
01:25:49,189 --> 01:25:45,360

and such things

2139

01:25:51,830 --> 01:25:49,199

um uh what's the other one atip orsap

2140

01:25:53,810 --> 01:25:51,840

um work skin worker Branch yeah skin

2141

01:25:55,970 --> 01:25:53,820

walk around oh boy

2142

01:25:59,149 --> 01:25:55,980

um that's all right right

2143

01:26:01,790 --> 01:25:59,159

um SRI back in the 70s which was

2144

01:26:05,450 --> 01:26:01,800

involved with CIA and I think the the

2145

01:26:07,729 --> 01:26:05,460

Army Army intelligence had its own uh

2146

01:26:09,770 --> 01:26:07,739

psychic program as well that Yuri Geller

2147

01:26:12,290 --> 01:26:09,780

and others were involved with

2148

01:26:13,970 --> 01:26:12,300

um yeah they liked the Gateway tips yeah

2149

01:26:16,070 --> 01:26:13,980

the Gateway

2150

01:26:17,930 --> 01:26:16,080

um and but incidentally a lot of that um

2151

01:26:20,629 --> 01:26:17,940

those narratives are also shown in the

2152

01:26:25,250 --> 01:26:20,639

the TV series um stranger things I I

2153

01:26:28,669 --> 01:26:27,110

that's sort of is I think that's very

2154

01:26:30,850 --> 01:26:28,679

interesting and maybe telling because

2155

01:26:32,930 --> 01:26:30,860

it's like a re

2156

01:26:34,610 --> 01:26:32,940

reconstitution of like a little bit of

2157

01:26:36,470 --> 01:26:34,620

what happened with blavatsky and

2158

01:26:38,530 --> 01:26:36,480

theosophy which which is that they were

2159

01:26:40,790 --> 01:26:38,540

very much into psychics

2160

01:26:42,770 --> 01:26:40,800

she was even maybe a member of the

2161

01:26:45,110 --> 01:26:42,780

psychic or research Society but I could

2162

01:26:47,149 --> 01:26:45,120

be wrong but a ton of scientists and

2163

01:26:51,470 --> 01:26:47,159

philosophers back then were members of

2164

01:26:53,689 --> 01:26:51,480

that society and um you know

2165

01:26:55,669 --> 01:26:53,699

now again you've got these scientists

2166

01:26:58,790 --> 01:26:55,679

who are members of these um

2167

01:27:01,910 --> 01:26:58,800

you know uh Jacques Valley and others um

2168

01:27:04,310 --> 01:27:01,920

Nolan who are have been or are members

2169

01:27:07,129 --> 01:27:04,320

of these um psychic research associate

2170

01:27:07,139 --> 01:27:10,550

I think it speaks to something

2171

01:27:17,330 --> 01:27:13,669

so I just read the book based Essie

2172

01:27:19,430 --> 01:27:17,340

Horan unbelievable yeah um yeah and it's

2173

01:27:21,890 --> 01:27:19,440

about the JB Ryan parapsychology

2174

01:27:23,209 --> 01:27:21,900

research done at Duke University

2175

01:27:26,330 --> 01:27:23,219

and

2176
01:27:28,729 --> 01:27:26,340
my initial Takeaway on that book was

2177
01:27:30,770 --> 01:27:28,739
that there's fairly interesting and

2178
01:27:33,229 --> 01:27:30,780
maybe even compelling evidence to

2179
01:27:34,850 --> 01:27:33,239
warrant for their study into ESP but

2180
01:27:37,910 --> 01:27:34,860
there is not very much evidence or

2181
01:27:39,709 --> 01:27:37,920
compelling proof that any of it involves

2182
01:27:42,229 --> 01:27:39,719
talking to dead people right because we

2183
01:27:45,709 --> 01:27:42,239
tend to think of like ESP as being sort

2184
01:27:48,050 --> 01:27:45,719
of conjointly presented alongside post

2185
01:27:48,770 --> 01:27:48,060
to death communication

2186
01:27:51,410 --> 01:27:48,780
um

2187
01:27:53,090 --> 01:27:51,420
I will also I will also eat crow on a

2188
01:27:54,890 --> 01:27:53,100

live stream and say that I subsequently

2189

01:27:57,110 --> 01:27:54,900

did a lot more research into JB Wright

2190

01:27:59,270 --> 01:27:57,120

and the experimental methodology and it

2191

01:28:02,149 --> 01:27:59,280

gets pretty uh it has not been

2192

01:28:04,970 --> 01:28:02,159

replicated in any meaningful sounds

2193

01:28:07,070 --> 01:28:04,980

um but it's it is interesting and people

2194

01:28:08,390 --> 01:28:07,080

love to think about this and it's very

2195

01:28:09,890 --> 01:28:08,400

you know

2196

01:28:11,570 --> 01:28:09,900

it uh

2197

01:28:13,310 --> 01:28:11,580

from a human perspective it's a very

2198

01:28:16,189 --> 01:28:13,320

appealing subject

2199

01:28:18,110 --> 01:28:16,199

um yeah especially when you can um just

2200

01:28:20,750 --> 01:28:18,120

you can just pay four thousand dollars

2201

01:28:22,970 --> 01:28:20,760

to uh Stephen Greer to go into the

2202

01:28:25,189 --> 01:28:22,980

desert and um you can communicate with

2203

01:28:26,270 --> 01:28:25,199

aliens I think that's a pretty good

2204

01:28:28,550 --> 01:28:26,280

price

2205

01:28:30,169 --> 01:28:28,560

well it's funny too because like we were

2206

01:28:33,770 --> 01:28:30,179

talking about like like something like

2207

01:28:36,590 --> 01:28:33,780

Dr uh Nolan says where there's like a

2208

01:28:39,530 --> 01:28:36,600

buyer biological difference needed to

2209

01:28:42,530 --> 01:28:39,540

achieve that effect versus you know the

2210

01:28:45,770 --> 01:28:42,540

goddess Yeah Yeah well yeah yes and then

2211

01:28:47,689 --> 01:28:45,780

but then we have uh Greer who has these

2212

01:28:49,790 --> 01:28:47,699

serious issues like you know the the

2213

01:28:50,990 --> 01:28:49,800

work showing that he probably paid to

2214

01:28:54,050 --> 01:28:51,000

get those flares thrown out of that

2215

01:28:57,530 --> 01:28:54,060

plane to fake it and stuff but I mean it

2216

01:29:00,530 --> 01:28:57,540

that said he's not arguing for like a

2217

01:29:02,689 --> 01:29:00,540

genetically exclusionary uh model right

2218

01:29:04,729 --> 01:29:02,699

which is more appealing to me in some

2219

01:29:07,250 --> 01:29:04,739

ways regardless of uh you know

2220

01:29:13,310 --> 01:29:10,550

yeah I mean so real cannot afford

2221

01:29:15,050 --> 01:29:13,320

but from an economic point of view yeah

2222

01:29:17,330 --> 01:29:15,060

he can't say that you know only this

2223

01:29:25,850 --> 01:29:17,340

group of people are attuned to the

2224

01:29:29,629 --> 01:29:27,530

is limiting and that's part of an

2225

01:29:31,310 --> 01:29:29,639

interesting part right and that's part

2226

01:29:34,250 --> 01:29:31,320

of something that I find so fascinating

2227

01:29:36,410 --> 01:29:34,260

about Dr Nolan kind of uh leaning into

2228

01:29:39,410 --> 01:29:36,420

this interpretation of his results

2229

01:29:42,709 --> 01:29:39,420

because he you know counts himself and

2230

01:29:44,930 --> 01:29:42,719

uh however reframes a close family as uh

2231

01:29:48,530 --> 01:29:44,940

members of this sort of exclusive club

2232

01:29:49,970 --> 01:29:48,540

and uh yeah I don't know it just it hits

2233

01:29:52,930 --> 01:29:49,980

hits me in the wrong way when it's not

2234

01:29:55,189 --> 01:29:52,940

when it's inherently exclusionary

2235

01:29:56,870 --> 01:29:55,199

like I said earlier I feel like it's

2236

01:29:58,490 --> 01:29:56,880

putting the uh the cart in front of the

2237

01:30:01,970 --> 01:29:58,500

horse quite a bit there we don't know

2238

01:30:03,350 --> 01:30:01,980

what's going on enough to determine a

2239

01:30:06,229 --> 01:30:03,360

causal link between anything he's

2240

01:30:08,810 --> 01:30:06,239

looking at in these uh these claims of

2241

01:30:11,030 --> 01:30:08,820

encounters I think that's really strange

2242

01:30:13,610 --> 01:30:11,040

well it's worth noting actually that uh

2243

01:30:15,950 --> 01:30:13,620

how put off right uh he's so important

2244

01:30:18,110 --> 01:30:15,960

to the modern UFO subject and he was

2245

01:30:22,250 --> 01:30:18,120

involved in some of these original CIA

2246

01:30:24,350 --> 01:30:22,260

experiments uh involved with uh psychic

2247

01:30:27,050 --> 01:30:24,360

research and he's a strong believer in

2248

01:30:29,510 --> 01:30:27,060

psychic phenomena and he you know did

2249

01:30:31,550 --> 01:30:29,520

things as much as started that uh that

2250

01:30:33,770 --> 01:30:31,560

investment fund based on the promise

2251

01:30:36,530 --> 01:30:33,780

that you could correctly use psychic

2252

01:30:39,169 --> 01:30:36,540

powers to infer the future Investments

2253

01:30:42,350 --> 01:30:39,179

and uh you know that didn't work out

2254

01:30:45,470 --> 01:30:42,360

magically uh and so it's like there's

2255

01:30:48,290 --> 01:30:45,480

this underlying current of the people

2256

01:30:50,830 --> 01:30:48,300

sort of guiding the most important

2257

01:30:53,570 --> 01:30:50,840

deepest elements of the modern UFO

2258

01:30:55,370 --> 01:30:53,580

culture around these things that you're

2259

01:30:57,169 --> 01:30:55,380

describing

2260

01:30:59,090 --> 01:30:57,179

yeah there is kind of a central cast of

2261

01:31:02,030 --> 01:30:59,100

characters that just keeps popping up

2262

01:31:03,590 --> 01:31:02,040

with kind of central theme staying the

2263

01:31:06,110 --> 01:31:03,600

same too but with new window dressing

2264

01:31:08,510 --> 01:31:06,120

it's more it's more ufoe now than than

2265

01:31:11,030 --> 01:31:08,520

psychic similar ideas

2266

01:31:12,709 --> 01:31:11,040

I mean like channeling channeling aliens

2267

01:31:14,930 --> 01:31:12,719

is no different than

2268

01:31:17,629 --> 01:31:14,940

um spiritual mediumship and things like

2269

01:31:20,570 --> 01:31:17,639

that it's always kind of the same like

2270

01:31:22,189 --> 01:31:20,580

current Edge science to to push

2271

01:31:26,149 --> 01:31:22,199

religious to use and stuff like that and

2272

01:31:30,590 --> 01:31:28,010

now I kind of want to push back on this

2273

01:31:31,970 --> 01:31:30,600

because I think that a lot of what when

2274

01:31:32,750 --> 01:31:31,980

we talk about like

2275

01:31:38,689 --> 01:31:32,760

like

2276

01:31:40,070 --> 01:31:38,699

would it what it always strikes me is

2277

01:31:41,570 --> 01:31:40,080

that it's really

2278

01:31:45,649 --> 01:31:41,580

um

2279

01:31:47,450 --> 01:31:45,659

cultivating uh a spiritual emergence

2280

01:31:49,010 --> 01:31:47,460

experience but that it just happens to

2281

01:31:51,530 --> 01:31:49,020

be window dressed and like the current

2282

01:31:54,050 --> 01:31:51,540

prevailing cultural norms which you know

2283

01:31:55,550 --> 01:31:54,060

frame this as contact events but that

2284

01:31:56,990 --> 01:31:55,560

you know if you did them 500 years ago

2285

01:32:00,050 --> 01:31:57,000

you would be having visions of Christ

2286

01:32:02,390 --> 01:32:00,060

right um it just it so like I I think

2287

01:32:04,370 --> 01:32:02,400

you know I mean people do make the same

2288

01:32:06,229 --> 01:32:04,380

kind of like people talk about the same

2289

01:32:10,669 --> 01:32:06,239

experience of like cognitive enhancement

2290

01:32:12,649 --> 01:32:10,679

information downloads which it's um

2291

01:32:14,870 --> 01:32:12,659

it's interesting because you see this in

2292

01:32:16,610 --> 01:32:14,880

sort of like in the the maps of

2293

01:32:18,410 --> 01:32:16,620

Enlightenment like you would call this

2294

01:32:19,910 --> 01:32:18,420

maybe like a rising and passing away is

2295

01:32:22,490 --> 01:32:19,920

what this is frequently called if you're

2296

01:32:25,310 --> 01:32:22,500

like in a particular meditation uh

2297

01:32:26,870 --> 01:32:25,320

school and it tends to be like it tends

2298

01:32:28,790 --> 01:32:26,880

to confront people like enhance

2299

01:32:31,070 --> 01:32:28,800

cognition less need for Sleep

2300

01:32:33,470 --> 01:32:31,080

hypersexuality

2301

01:32:35,570 --> 01:32:33,480

um greater recall like being able to

2302

01:32:37,669 --> 01:32:35,580

focus much better like this notion of

2303

01:32:39,229 --> 01:32:37,679

like performing at a superhuman level so

2304

01:32:42,410 --> 01:32:39,239

I can see that like when you have this

2305

01:32:44,270 --> 01:32:42,420

sort of characteristic Awakening or

2306

01:32:46,010 --> 01:32:44,280

inside experiences and meditation like

2307

01:32:48,169 --> 01:32:46,020

to have these in a meditation setting

2308

01:32:51,770 --> 01:32:48,179

that is also sort of framed up by being

2309

01:32:53,990 --> 01:32:51,780

like extraterrestrial contact like to me

2310

01:32:55,970 --> 01:32:54,000

I don't think nothing is going on I'm

2311

01:32:57,950 --> 01:32:55,980

just not convinced it's aliens you know

2312

01:32:59,649 --> 01:32:57,960

like to me it just feels like sort of

2313

01:33:01,970 --> 01:32:59,659

the the

2314

01:33:03,830 --> 01:33:01,980

recurrence of like a human tradition

2315

01:33:04,970 --> 01:33:03,840

that people have been doing for a long

2316

01:33:06,649 --> 01:33:04,980

time

2317

01:33:08,450 --> 01:33:06,659

um and also that these states are

2318

01:33:10,550 --> 01:33:08,460

frequently easier to access when done in

2319

01:33:12,050 --> 01:33:10,560

a group setting like in a song and that

2320

01:33:13,550 --> 01:33:12,060

just also tends to be dude like when

2321

01:33:15,050 --> 01:33:13,560

you're surveilled by other people at

2322

01:33:16,370 --> 01:33:15,060

your Meditation Retreat Center you're

2323

01:33:17,810 --> 01:33:16,380

going to meditate harder you're not

2324

01:33:18,770 --> 01:33:17,820

going to [h__h] around as much as you do

2325

01:33:20,169 --> 01:33:18,780

when you're doing it in like your

2326

01:33:23,390 --> 01:33:20,179

apartment or whatever

2327

01:33:25,850 --> 01:33:23,400

so uh any of these like

2328

01:33:28,010 --> 01:33:25,860

um Inspirations or information downloads

2329

01:33:29,810 --> 01:33:28,020

if those been like demonstrable in any

2330

01:33:31,669 --> 01:33:29,820

way where someone learns a new skill

2331

01:33:33,470 --> 01:33:31,679

that they didn't have like playing piano

2332

01:33:36,410 --> 01:33:33,480

or new languages sometimes you hear

2333

01:33:38,330 --> 01:33:36,420

stories about things like that is that

2334

01:33:40,490 --> 01:33:38,340

is that a demonstrable thing or a

2335

01:33:42,649 --> 01:33:40,500

quantifiable thing like if people like

2336

01:33:44,149 --> 01:33:42,659

shown that they have knowledge that they

2337

01:33:46,370 --> 01:33:44,159

couldn't have had before

2338

01:33:49,669 --> 01:33:46,380

it would be demonstrable what I do know

2339

01:33:51,890 --> 01:33:49,679

is in uh like religious studies uh the

2340

01:33:54,410 --> 01:33:51,900

cases of speaking tongues in quotes of

2341

01:33:56,629 --> 01:33:54,420

languages they don't know every single

2342

01:33:58,729 --> 01:33:56,639

instance of that has been shown to not

2343

01:34:00,550 --> 01:33:58,739

be knowledge of a previously unknown

2344

01:34:03,590 --> 01:34:00,560

language

2345

01:34:05,689 --> 01:34:03,600

yeah glossolalia yeah so the yeah the

2346

01:34:09,229 --> 01:34:05,699

evidence is all on one side in the

2347

01:34:11,090 --> 01:34:09,239

religious uh studies okay yes I mean

2348

01:34:12,649 --> 01:34:11,100

it's harder to quantify when you're when

2349

01:34:16,550 --> 01:34:12,659

you're doing it in like an expressionary

2350

01:34:19,370 --> 01:34:16,560

way in artistic uh creativity or like

2351
01:34:21,110 --> 01:34:19,380
uh inspiring you obviously I mean how

2352
01:34:22,669 --> 01:34:21,120
could you quantify that but but in

2353
01:34:25,430 --> 01:34:22,679
information like that

2354
01:34:27,290 --> 01:34:25,440
um I was just curious like I know that

2355
01:34:28,850 --> 01:34:27,300
um imbrogno worked with the Channeler I

2356
01:34:31,910 --> 01:34:28,860
can't remember his name who claimed that

2357
01:34:35,390 --> 01:34:31,920
uh she could uh do these mathematical

2358
01:34:37,129 --> 01:34:35,400
drawings of like alien technology and he

2359
01:34:39,530 --> 01:34:37,139
could learn to play certain songs on the

2360
01:34:41,290 --> 01:34:39,540
piano but only once behind closed doors

2361
01:34:44,990 --> 01:34:41,300
and he'd record it

2362
01:34:48,169 --> 01:34:45,000
that's obviously a bad example like that

2363
01:34:50,030 --> 01:34:48,179

you know what I mean yeah wasn't there

2364

01:34:53,510 --> 01:34:50,040

that there was a case I think involving

2365

01:34:56,689 --> 01:34:53,520

the might have been SRI but um somebody

2366

01:34:58,490 --> 01:34:56,699

said that they um went to Jupiter like

2367

01:35:00,770 --> 01:34:58,500

psychically went to Jupiter and then

2368

01:35:02,410 --> 01:35:00,780

they measured something about Jupiter's

2369

01:35:04,910 --> 01:35:02,420

clouds and it turned out to be true

2370

01:35:06,709 --> 01:35:04,920

which like that's the sort of thing you

2371

01:35:08,090 --> 01:35:06,719

would want to be able to say that this

2372

01:35:09,649 --> 01:35:08,100

is effective but like if it's just like

2373

01:35:11,390 --> 01:35:09,659

a one-off like that then that's not

2374

01:35:13,010 --> 01:35:11,400

really strong evidence because you would

2375

01:35:14,629 --> 01:35:13,020

expect that if that was a good way of

2376

01:35:17,450 --> 01:35:14,639

getting information about the universe

2377

01:35:21,410 --> 01:35:17,460

that you the CIA or whoever would have

2378

01:35:26,270 --> 01:35:24,229

do you do you know where you heard that

2379

01:35:28,310 --> 01:35:26,280

I think it might have been in in

2380

01:35:30,709 --> 01:35:28,320

relation to mcmonagle is that his name

2381

01:35:33,410 --> 01:35:30,719

mcmonagle the

2382

01:35:35,870 --> 01:35:33,420

uh actually I got it in the article that

2383

01:35:38,750 --> 01:35:35,880

I wrote um

2384

01:35:41,689 --> 01:35:38,760

uh Joseph mcmonagle it might have been

2385

01:35:44,629 --> 01:35:41,699

about him he was involved in the CIA or

2386

01:35:47,090 --> 01:35:44,639

Army psychic experiments and he actually

2387

01:35:49,669 --> 01:35:47,100

um this is unrelated but

2388

01:35:51,709 --> 01:35:49,679

interesting thread that is now being

2389

01:35:53,810 --> 01:35:51,719

used today

2390

01:35:56,209 --> 01:35:53,820

um that he he says that he um

2391

01:35:59,090 --> 01:35:56,219

psychically went back to the planet Mars

2392

01:36:03,649 --> 01:35:59,100

like 200 million years ago and he saw

2393

01:36:05,570 --> 01:36:03,659

these um uh people living there and um

2394

01:36:07,610 --> 01:36:05,580

he got a sense that they were from the

2395

01:36:09,110 --> 01:36:07,620

future like from our future so in other

2396

01:36:12,709 --> 01:36:09,120

words they they traveled back in time

2397

01:36:15,590 --> 01:36:12,719

from our future back to Mars like in

2398

01:36:19,450 --> 01:36:15,600

deep time and they set up a civilization

2399

01:36:22,070 --> 01:36:19,460

and now um this guy called Jason Jason

2400

01:36:24,530 --> 01:36:22,080

the sister Johnny's thing

2401

01:36:26,330 --> 01:36:24,540

yeah yeah big time he um he wrote a

2402

01:36:29,149 --> 01:36:26,340

whole freaking book like 500 page book

2403

01:36:30,649 --> 01:36:29,159

about UFOs and psychics and everything

2404

01:36:33,830 --> 01:36:30,659

um tries to just like throw everything

2405

01:36:37,810 --> 01:36:33,840

in in there like every single thread to

2406

01:36:41,149 --> 01:36:37,820

build up this idea that um these um

2407

01:36:43,750 --> 01:36:41,159

these nordics white people went back in

2408

01:36:46,430 --> 01:36:43,760

time to Mars they set up a civilization

2409

01:36:48,890 --> 01:36:46,440

they got nuked so they had to come back

2410

01:36:50,810 --> 01:36:48,900

to earth and then they um

2411

01:36:53,390 --> 01:36:50,820

they changed their ecosystem on Earth

2412

01:36:56,209 --> 01:36:53,400

and then they are responsible for life

2413

01:36:57,530 --> 01:36:56,219

on Earth like basically animal life it

2414

01:36:59,169 --> 01:36:57,540

reminds me of this it sounds a lot like

2415

01:37:02,209 --> 01:36:59,179

Scientology

2416

01:37:04,250 --> 01:37:02,219

exactly yeah like yeah putting a sources

2417

01:37:08,390 --> 01:37:04,260

of volcanoes and nuking them

2418

01:37:11,169 --> 01:37:08,400

right uh who who thought wasn't he on a

2419

01:37:15,350 --> 01:37:13,790

yep yeah yeah

2420

01:37:17,390 --> 01:37:15,360

interesting yeah

2421

01:37:19,550 --> 01:37:17,400

maybe subconsciously some of these

2422

01:37:21,890 --> 01:37:19,560

stories that just get like woven in

2423

01:37:23,930 --> 01:37:21,900

oh yeah I mean it reminds me of like

2424

01:37:25,970 --> 01:37:23,940

talking about Brendan frugal

2425

01:37:28,910 --> 01:37:25,980

right and coming from a background and

2426

01:37:30,850 --> 01:37:28,920

being much more as a result more open to

2427

01:37:32,930 --> 01:37:30,860

a lot of these Notions of

2428

01:37:34,910 --> 01:37:32,940

extraterrestrials and

2429

01:37:37,669 --> 01:37:34,920

mysterious forces and stuff on

2430

01:37:40,490 --> 01:37:37,679

skinwalker well it's if you're like the

2431

01:37:43,129 --> 01:37:40,500

cosmol the Mormon cosmology involves uh

2432

01:37:45,530 --> 01:37:43,139

multiple planets right so so that it's a

2433

01:37:47,689 --> 01:37:45,540

predetermined a pre-existing component

2434

01:37:49,550 --> 01:37:47,699

of their cosmology and that's making me

2435

01:37:52,070 --> 01:37:49,560

think of it's like the thing that made

2436

01:37:55,550 --> 01:37:52,080

me interesting like first look at UFOs

2437

01:37:58,250 --> 01:37:55,560

was the the breaking of my uh shared

2438

01:38:00,649 --> 01:37:58,260

reality which was Obama

2439

01:38:02,450 --> 01:38:00,659

talking on Late Late Show being like

2440

01:38:04,129 --> 01:38:02,460

well you know there are things that we

2441

01:38:06,590 --> 01:38:04,139

actually do see that we can't explain

2442

01:38:08,090 --> 01:38:06,600

and people and I was it was like it

2443

01:38:10,729 --> 01:38:08,100

wasn't necessarily like oh that's UFO

2444

01:38:13,550 --> 01:38:10,739

it's real but it was so are these the

2445

01:38:15,590 --> 01:38:13,560

Canadian impressions of Obama I like it

2446

01:38:19,250 --> 01:38:15,600

well everybody

2447

01:38:21,290 --> 01:38:19,260

I'm being serious it's so wholesome yeah

2448

01:38:22,850 --> 01:38:21,300

it's like Obama with a Canadian accent

2449

01:38:24,950 --> 01:38:22,860

like the most yeah it's so wholesome

2450

01:38:28,850 --> 01:38:24,960

yeah

2451

01:38:30,910 --> 01:38:28,860

the consensus reality right and it was

2452

01:38:33,590 --> 01:38:30,920

making me think like the uh

2453

01:38:35,270 --> 01:38:33,600

existentialists like we had Kierkegaard

2454

01:38:38,450 --> 01:38:35,280

and Hegel and like these German

2455

01:38:40,970 --> 01:38:38,460

philosophers emerging in uh you know the

2456

01:38:43,310 --> 01:38:40,980

same time the Germany was the series of

2457

01:38:45,350 --> 01:38:43,320

fragmented uh like princeton and then

2458

01:38:46,669 --> 01:38:45,360

in the late 1800s it got unified and

2459

01:38:48,890 --> 01:38:46,679

they started building a consensus

2460

01:38:52,729 --> 01:38:48,900

reality around these nationalists uh

2461

01:38:55,850 --> 01:38:52,739

icons and it's like we still almost it's

2462

01:38:58,010 --> 01:38:55,860

like you know in like for example uh

2463

01:38:59,689 --> 01:38:58,020

older civilizations like in Japan for

2464

01:39:02,810 --> 01:38:59,699

example it's been like relatively stable

2465

01:39:04,850 --> 01:39:02,820

for so long uh up until like 1955 in

2466

01:39:07,910 --> 01:39:04,860

China same thing in like in the west

2467

01:39:09,709 --> 01:39:07,920

it's like with the emergence of Science

2468

01:39:11,270 --> 01:39:09,719

and evolution and everything it's almost

2469

01:39:13,490 --> 01:39:11,280

like I'm thinking that there's like a

2470

01:39:15,890 --> 01:39:13,500

fragmented interpretation right so we

2471

01:39:18,709 --> 01:39:15,900

end up having like every single person's

2472

01:39:20,570 --> 01:39:18,719

individual alien experience is real so

2473

01:39:23,689 --> 01:39:20,580

then we have hundreds of different alien

2474

01:39:26,330 --> 01:39:23,699

species uh in the culture and it's like

2475

01:39:28,910 --> 01:39:26,340

there's a break in it's like there's not

2476

01:39:31,129 --> 01:39:28,920

that Central unified culture almost like

2477

01:39:33,110 --> 01:39:31,139

it's like it's I'm just tired of

2478

01:39:35,750 --> 01:39:33,120

processing it now but it's intriguing to

2479

01:39:38,510 --> 01:39:35,760

see it emerge we don't even have a

2480

01:39:40,129 --> 01:39:38,520

central unified experience for if

2481

01:39:42,410 --> 01:39:40,139

multiple people observe the same

2482

01:39:45,470 --> 01:39:42,420

phenomenon like

2483

01:39:47,390 --> 01:39:45,480

I mean think about instances I mean

2484

01:39:48,709 --> 01:39:47,400

Helper and so it's an intimate alien but

2485

01:39:52,669 --> 01:39:48,719

I think this comes up in a couple of

2486

01:39:54,350 --> 01:39:52,679

LA's cases as well where what people

2487

01:39:55,850 --> 01:39:54,360

if you took like five people and had

2488

01:39:57,530 --> 01:39:55,860

them draw what they saw you get five

2489

01:39:59,570 --> 01:39:57,540

different pictures even though they all

2490

01:40:02,810 --> 01:39:59,580

would say that they saw something like

2491

01:40:04,070 --> 01:40:02,820

Ariel yeah yeah yeah yeah yeah I've

2492

01:40:06,910 --> 01:40:04,080

heard a lot of factors that play with

2493

01:40:12,370 --> 01:40:06,920

Ariel in my opinion but yeah

2494

01:40:17,870 --> 01:40:14,810

that follow-up piece to his puppet thing

2495

01:40:19,610 --> 01:40:17,880

I haven't read yet I think I I can't

2496

01:40:22,669 --> 01:40:19,620

read it I I need like blood pressure

2497

01:40:23,930 --> 01:40:22,679

medication to read that and yeah well

2498

01:40:25,729 --> 01:40:23,940

probably not the article but it's

2499

01:40:29,030 --> 01:40:25,739

subsequent interpretations by the

2500

01:40:32,030 --> 01:40:29,040

ufology community who are incapable of

2501
01:40:34,370 --> 01:40:32,040
discerning nuance and complexity in any

2502
01:40:37,430 --> 01:40:34,380
conversation even saying what and who

2503
01:40:40,189 --> 01:40:37,440
wrote what the first article it was all

2504
01:40:42,410 --> 01:40:40,199
uh Mick West's fault somehow yes Mick

2505
01:40:43,970 --> 01:40:42,420
West said it was puppets not Mick West

2506
01:40:46,430 --> 01:40:43,980
saying perhaps we should consider the

2507
01:40:48,470 --> 01:40:46,440
probabilities here of what people could

2508
01:40:49,010 --> 01:40:48,480
potentially be observing

2509
01:40:51,890 --> 01:40:49,020
um

2510
01:40:55,189 --> 01:40:51,900
yeah yeah sometimes Twitter is a real

2511
01:40:55,199 --> 01:40:59,990
much more charitable than I am

2512
01:41:05,570 --> 01:41:02,030
yeah so

2513
01:41:07,790 --> 01:41:05,580

we were talking about channeling and ESP

2514

01:41:09,290 --> 01:41:07,800

um and georgiani yeah so let's talk a

2515

01:41:11,450 --> 01:41:09,300

little bit about georgiani he's another

2516

01:41:13,790 --> 01:41:11,460

interesting character given his uh

2517

01:41:17,090 --> 01:41:13,800

political history and then you know

2518

01:41:19,970 --> 01:41:17,100

writing you know a tolstoyan epic about

2519

01:41:22,070 --> 01:41:19,980

uh UFOs and aliens

2520

01:41:24,649 --> 01:41:22,080

yeah so he was one of the co-founders of

2521

01:41:27,050 --> 01:41:24,659

the alt-right he um broke away from it

2522

01:41:29,209 --> 01:41:27,060

like he says that he regrets um doing

2523

01:41:30,649 --> 01:41:29,219

that but like he this is one of the

2524

01:41:33,350 --> 01:41:30,659

people who keeps showing up in the

2525

01:41:35,030 --> 01:41:33,360

damndest places like it's somebody who

2526

01:41:37,250 --> 01:41:35,040

says like he opposes something but then

2527

01:41:39,649 --> 01:41:37,260

he keeps saying stuff which makes you

2528

01:41:41,510 --> 01:41:39,659

think um maybe you don't really oppose

2529

01:41:44,209 --> 01:41:41,520

that but um

2530

01:41:48,050 --> 01:41:44,219

uh but he he's really like into the

2531

01:41:50,209 --> 01:41:48,060

Fortuna and uh or this esoteric and

2532

01:41:51,109 --> 01:41:50,219

paranormal stuff

2533

01:41:54,169 --> 01:41:51,119

um

2534

01:41:56,930 --> 01:41:54,179

he's into UFOs he thinks that UFOs are

2535

01:41:59,649 --> 01:41:56,940

actually ancient human artifacts from

2536

01:42:02,090 --> 01:41:59,659

Mars from a martian human civilization

2537

01:42:04,550 --> 01:42:02,100

and that it's a sort of a weird time

2538

01:42:07,370 --> 01:42:04,560

Loop kind of thing and that we can break

2539

01:42:09,229 --> 01:42:07,380

away from the domination of these um to

2540

01:42:12,410 --> 01:42:09,239

his credit he does say that the nordics

2541

01:42:14,930 --> 01:42:12,420

these Nordic aliens are tyrannical and

2542

01:42:18,350 --> 01:42:14,940

that they are shackling Humanity they're

2543

01:42:20,330 --> 01:42:18,360

the bad Nazis right the bad Nazis and

2544

01:42:22,370 --> 01:42:20,340

then there's this broader Universal

2545

01:42:24,070 --> 01:42:22,380

intelligence or Consciousness which is

2546

01:42:27,410 --> 01:42:24,080

trying to communicate with us through

2547

01:42:29,510 --> 01:42:27,420

Skinwalker type phenomena and that

2548

01:42:31,189 --> 01:42:29,520

that's not actually the Nordic aliens

2549

01:42:33,410 --> 01:42:31,199

doing that it's actually the broader

2550

01:42:34,729 --> 01:42:33,420

Universal Consciousness trying to free

2551

01:42:37,550 --> 01:42:34,739

us from the

2552

01:42:40,490 --> 01:42:37,560

the tyrants so like this book He's

2553

01:42:42,890 --> 01:42:40,500

written is really weird and very he

2554

01:42:45,350 --> 01:42:42,900

presents it like as a fact-based thing

2555

01:42:48,290 --> 01:42:45,360

but he's just basically drawing stories

2556

01:42:51,290 --> 01:42:48,300

from any way he can and I'm just mashing

2557

01:42:53,209 --> 01:42:51,300

them together is he a Channeler

2558

01:42:55,129 --> 01:42:53,219

he believes in that stuff like he

2559

01:42:57,290 --> 01:42:55,139

believes in psychics and that the

2560

01:42:59,330 --> 01:42:57,300

government is trying to cover up that

2561

01:43:02,090 --> 01:42:59,340

because it would be too disruptive if he

2562

01:43:04,430 --> 01:43:02,100

could just um spy on your neighbor you

2563

01:43:06,709 --> 01:43:04,440

know for example if everybody could just

2564

01:43:09,709 --> 01:43:06,719

become a Jedi then what what would that

2565

01:43:12,290 --> 01:43:09,719

do to our society so the government is

2566

01:43:13,850 --> 01:43:12,300

trying to have a society of peeping Toms

2567

01:43:15,590 --> 01:43:13,860

everyone

2568

01:43:18,470 --> 01:43:15,600

yeah it's like look at each other's

2569

01:43:20,450 --> 01:43:18,480

bedrooms yeah have you have you read the

2570

01:43:23,450 --> 01:43:20,460

book at all like I'm curious about sort

2571

01:43:26,990 --> 01:43:23,460

of how uh how coherent the book is or

2572

01:43:28,669 --> 01:43:27,000

readable well I I watched them uh hour

2573

01:43:30,290 --> 01:43:28,679

and a half long discussion he had with

2574

01:43:33,109 --> 01:43:30,300

somebody else about the book where he

2575

01:43:35,570 --> 01:43:33,119

basically lays out the central themes I

2576

01:43:38,030 --> 01:43:35,580

I really want to read it just for I

2577

01:43:39,229 --> 01:43:38,040

guess the entertainment value and sort

2578

01:43:42,530 --> 01:43:39,239

of trying to understand where there's

2579

01:43:45,530 --> 01:43:42,540

some forty honor is being kind of sure

2580

01:43:47,750 --> 01:43:45,540

you can use um but um

2581

01:43:49,850 --> 01:43:47,760

yeah I mean it's he's trying to create

2582

01:43:50,870 --> 01:43:49,860

what he calls like a sacred

2583

01:43:52,790 --> 01:43:50,880

um

2584

01:43:55,669 --> 01:43:52,800

mythology

2585

01:43:59,030 --> 01:43:55,679

but a sacred

2586

01:44:01,189 --> 01:43:59,040

kind of unifying story that Humanity can

2587

01:44:02,330 --> 01:44:01,199

rally around in order to emancipate

2588

01:44:04,430 --> 01:44:02,340

themselves

2589

01:44:05,930 --> 01:44:04,440

he does raise some interesting and valid

2590

01:44:06,530 --> 01:44:05,940

points I think against

2591

01:44:11,450 --> 01:44:06,540

um

2592

01:44:13,310 --> 01:44:11,460

dangers associated with technology and

2593

01:44:15,890 --> 01:44:13,320

what that does to the human psyche and

2594

01:44:16,729 --> 01:44:15,900

spirit but then Fair

2595

01:44:18,470 --> 01:44:16,739

um

2596

01:44:20,870 --> 01:44:18,480

you know I think it's just inherently

2597

01:44:24,229 --> 01:44:20,880

dangerous if you're having to use

2598

01:44:26,149 --> 01:44:24,239

paranormal narratives and pseudoscience

2599

01:44:27,530 --> 01:44:26,159

to get your story across because that's

2600

01:44:30,470 --> 01:44:27,540

inevitably going to be used for

2601
01:44:32,090 --> 01:44:30,480
something very ugly and very bad as it

2602
01:44:33,590 --> 01:44:32,100
has been all the time

2603
01:44:35,810 --> 01:44:33,600
so I think

2604
01:44:37,910 --> 01:44:35,820
um people should be

2605
01:44:41,870 --> 01:44:37,920
we should have a real commitment to

2606
01:44:44,149 --> 01:44:41,880
rationalism and science because

2607
01:44:45,970 --> 01:44:44,159
you know history is replete with

2608
01:44:48,590 --> 01:44:45,980
examples of um

2609
01:44:51,649 --> 01:44:48,600
paranormalism just being used for

2610
01:44:54,050 --> 01:44:51,659
everything like really really

2611
01:44:56,330 --> 01:44:54,060
um destructive all right science as well

2612
01:44:59,030 --> 01:44:56,340
as being used for that obviously for

2613
01:45:01,970 --> 01:44:59,040

destructive purposes but I think the

2614

01:45:05,090 --> 01:45:01,980

ultimately Humanity cannot um

2615

01:45:07,490 --> 01:45:05,100

get to a better place unless it uses

2616

01:45:10,189 --> 01:45:07,500

rationalism

2617

01:45:14,330 --> 01:45:10,199

as like a central you know

2618

01:45:15,770 --> 01:45:14,340

consensus reality slash unifying uh

2619

01:45:18,410 --> 01:45:15,780

world view

2620

01:45:21,129 --> 01:45:18,420

right and well then this speaks to like

2621

01:45:24,169 --> 01:45:21,139

like how much of this is just a

2622

01:45:26,450 --> 01:45:24,179

continuation of the Clash that emerged

2623

01:45:28,129 --> 01:45:26,460

in the late 1800s because like what you

2624

01:45:30,169 --> 01:45:28,139

were saying just then reminded me so

2625

01:45:32,209 --> 01:45:30,179

much of uh Crime and Punishment by

2626

01:45:35,209 --> 01:45:32,219

Dostoyevsky right it's the entire

2627

01:45:37,490 --> 01:45:35,219

central theme of that is that a poor

2628

01:45:40,850 --> 01:45:37,500

student decides to commit a murder

2629

01:45:43,370 --> 01:45:40,860

because he's so broke and he uses the

2630

01:45:46,070 --> 01:45:43,380

modern uh rationalist philosophy to

2631

01:45:48,050 --> 01:45:46,080

justify it to himself that it does an

2632

01:45:50,930 --> 01:45:48,060

intrinsically matter there's no inherent

2633

01:45:53,209 --> 01:45:50,940

good or evil and so the book is about

2634

01:45:55,609 --> 01:45:53,219

his internal conflict once he's done it

2635

01:45:58,250 --> 01:45:55,619

and the reality that as a subjective

2636

01:46:00,709 --> 01:45:58,260

human with Consciousness you can't

2637

01:46:03,050 --> 01:46:00,719

necessarily rationalize yourself out of

2638

01:46:05,030 --> 01:46:03,060

your subjective experience and that you

2639

01:46:07,070 --> 01:46:05,040

know it's just the entire Clash that

2640

01:46:09,709 --> 01:46:07,080

we're sort of dealing with so it's like

2641

01:46:12,350 --> 01:46:09,719

we've got this highly technological

2642

01:46:13,669 --> 01:46:12,360

reality that you know I grew up in it

2643

01:46:15,890 --> 01:46:13,679

and I struggle with the modern

2644

01:46:18,169 --> 01:46:15,900

developments and I feel somewhat Left

2645

01:46:20,810 --> 01:46:18,179

Behind even now and

2646

01:46:22,910 --> 01:46:20,820

to combine that with

2647

01:46:24,649 --> 01:46:22,920

a subjective like

2648

01:46:26,450 --> 01:46:24,659

qualitative experience that I couldn't

2649

01:46:28,430 --> 01:46:26,460

explain that would be like something

2650

01:46:31,970 --> 01:46:28,440

akin to these experiences that people

2651

01:46:35,450 --> 01:46:33,890

like what what's next is what I'm

2652

01:46:37,189 --> 01:46:35,460

wondering like what what's going to

2653

01:46:40,490 --> 01:46:37,199

happen next right like how are people

2654

01:46:43,370 --> 01:46:40,500

gonna where is this going to head if if

2655

01:46:46,189 --> 01:46:43,380

the past has been sort of so deeply

2656

01:46:49,490 --> 01:46:46,199

embedded in this troubling racist

2657

01:46:52,189 --> 01:46:49,500

ideology like Louise where do you see

2658

01:46:53,689 --> 01:46:52,199

this going I think I think

2659

01:47:00,350 --> 01:46:53,699

um

2660

01:47:00,360 --> 01:47:04,490

that's amazing

2661

01:47:04,500 --> 01:47:10,910

kill all of us but go ahead yeah

2662

01:47:18,050 --> 01:47:14,990

um there has to be some sort of um

2663

01:47:20,689 --> 01:47:18,060

way that

2664

01:47:23,030 --> 01:47:20,699

Matthew actually when he was talking to

2665

01:47:24,890 --> 01:47:23,040

um Erica Luke's recently he brought up a

2666

01:47:27,709 --> 01:47:24,900

really good point which is that

2667

01:47:29,030 --> 01:47:27,719

there's so much fragmentation in our

2668

01:47:30,290 --> 01:47:29,040

society because a lot of people just

2669

01:47:32,990 --> 01:47:30,300

don't have money

2670

01:47:35,510 --> 01:47:33,000

and there's a lot of resentment and you

2671

01:47:38,209 --> 01:47:35,520

know all the problems with that so we

2672

01:47:40,010 --> 01:47:38,219

have to find a way the social system has

2673

01:47:43,070 --> 01:47:40,020

to be able to allow people not just to

2674

01:47:45,229 --> 01:47:43,080

survive but to actually live and that's

2675

01:47:48,050 --> 01:47:45,239

what people are missing right now is the

2676

01:47:49,729 --> 01:47:48,060

the chance to actually live and um it's

2677

01:47:52,570 --> 01:47:49,739

no surprise that you're going to get a

2678

01:47:56,330 --> 01:47:52,580

lot of people going in for Fascism and

2679

01:47:58,729 --> 01:47:56,340

esoteric hitlerism if um the prevailing

2680

01:48:00,410 --> 01:47:58,739

secular liberal Society is um basically

2681

01:48:02,629 --> 01:48:00,420

excluding them

2682

01:48:05,629 --> 01:48:02,639

so we have to think about the economics

2683

01:48:07,430 --> 01:48:05,639

of it and get to a system maybe would be

2684

01:48:09,229 --> 01:48:07,440

a type of capitalism but it has to be at

2685

01:48:11,330 --> 01:48:09,239

least a more Humane type of capitalism

2686

01:48:13,970 --> 01:48:11,340

and um

2687

01:48:15,770 --> 01:48:13,980

we still need to really be committed to

2688

01:48:17,209 --> 01:48:15,780

I think science and rationality but it

2689

01:48:19,189 --> 01:48:17,219

has to be

2690

01:48:21,410 --> 01:48:19,199

we have to think about the human aspect

2691

01:48:23,870 --> 01:48:21,420

like how how do people actually live in

2692

01:48:26,629 --> 01:48:23,880

a society How do they

2693

01:48:28,609 --> 01:48:26,639

how do they draw meaning from it and we

2694

01:48:30,830 --> 01:48:28,619

can't just have this underclass of

2695

01:48:32,870 --> 01:48:30,840

people when I say underclass I don't

2696

01:48:36,290 --> 01:48:32,880

even necessarily mean economically it's

2697

01:48:38,870 --> 01:48:36,300

Also spiritually right and so we have to

2698

01:48:42,109 --> 01:48:38,880

think about the lump in proletariat

2699

01:48:44,270 --> 01:48:42,119

yeah yeah there's no easy answers to any

2700

01:48:48,050 --> 01:48:44,280

of this but we have to have some sort of

2701
01:48:48,890 --> 01:48:48,060
grounding in a few core principles and

2702
01:48:51,229 --> 01:48:48,900
then

2703
01:48:53,149 --> 01:48:51,239
try to

2704
01:48:54,890 --> 01:48:53,159
well I mean I can't really

2705
01:48:57,109 --> 01:48:54,900
this is just going to be so difficult to

2706
01:49:00,290 --> 01:48:57,119
do but that's I don't know that's the

2707
01:49:02,330 --> 01:49:00,300
best I can offer it it feels like like

2708
01:49:06,229 --> 01:49:02,340
one of the things

2709
01:49:09,169 --> 01:49:06,239
that rattles around in my skull like a

2710
01:49:13,310 --> 01:49:09,179
walnut and a wooden bowl is that for

2711
01:49:16,430 --> 01:49:13,320
most Americans receiving the pandemic

2712
01:49:18,470 --> 01:49:16,440
payouts under President Trump was the

2713
01:49:20,270 --> 01:49:18,480

first time they ever directly benefited

2714

01:49:21,590 --> 01:49:20,280
from participating or being in the

2715

01:49:23,570 --> 01:49:21,600
United States like from the government

2716

01:49:25,850 --> 01:49:23,580
and I think about that all the time

2717

01:49:29,689 --> 01:49:25,860
because I think the other thing too is

2718

01:49:34,149 --> 01:49:29,699
that you have to create a community or

2719

01:49:36,950 --> 01:49:34,159
shared identity that benefits people

2720

01:49:39,290 --> 01:49:36,960
instead of Simply sapping them right

2721

01:49:40,850 --> 01:49:39,300
like people people may hate Donald Trump

2722

01:49:42,530 --> 01:49:40,860
but I don't know man I didn't get any

2723

01:49:44,930 --> 01:49:42,540
checks from any other presidents when I

2724

01:49:47,750 --> 01:49:44,940
was struggling but he sent me one and

2725

01:49:53,570 --> 01:49:47,760
like me 200 bucks once

2726

01:49:58,729 --> 01:49:56,750

I was I was dude I was still in high

2727

01:50:01,970 --> 01:49:58,739

school so there may be there's a

2728

01:50:03,410 --> 01:50:01,980

generational Gap here uh but but I said

2729

01:50:05,209 --> 01:50:03,420

it because I think the other thing too

2730

01:50:07,370 --> 01:50:05,219

is I mean just in general people are so

2731

01:50:09,050 --> 01:50:07,380

disenfranchised because none of us in

2732

01:50:10,609 --> 01:50:09,060

any sense realize benefits from the

2733

01:50:12,229 --> 01:50:10,619

system that basically is constantly

2734

01:50:13,550 --> 01:50:12,239

squeezing us like it's like we get

2735

01:50:15,950 --> 01:50:13,560

socialized medicine we don't get

2736

01:50:17,930 --> 01:50:15,960

socialized education uh our

2737

01:50:20,209 --> 01:50:17,940

infrastructure is awful because good

2738

01:50:23,030 --> 01:50:20,219

infrastructure is communism

2739

01:50:24,950 --> 01:50:23,040

um and as a result you know people of

2740

01:50:27,410 --> 01:50:24,960

course people are super disenfranchised

2741

01:50:28,669 --> 01:50:27,420

and going towards at least you know and

2742

01:50:30,950 --> 01:50:28,679

we're also in a meeting script we're

2743

01:50:33,609 --> 01:50:30,960

also in a meeting crisis right like like

2744

01:50:37,310 --> 01:50:33,619

we've lived in this hyper material

2745

01:50:40,850 --> 01:50:37,320

precarious uh coercive Society for so

2746

01:50:42,649 --> 01:50:40,860

long that like people are I think with

2747

01:50:44,510 --> 01:50:42,659

covet as a forcing function very quickly

2748

01:50:46,310 --> 01:50:44,520

reevaluating like their values and the

2749

01:50:48,890 --> 01:50:46,320

kind of lives they live in alignment

2750

01:50:49,669 --> 01:50:48,900

with those values and

2751
01:50:51,770 --> 01:50:49,679
um

2752
01:50:53,149 --> 01:50:51,780
it's uh it's not pretty for a lot of

2753
01:50:54,709 --> 01:50:53,159
people a lot of people are leaving their

2754
01:50:56,209 --> 01:50:54,719
jobs they're moving they're making major

2755
01:50:59,330 --> 01:50:56,219
life changes

2756
01:51:01,310 --> 01:50:59,340
um as a result and are seeking out

2757
01:51:04,430 --> 01:51:01,320
meaning

2758
01:51:06,169 --> 01:51:04,440
because our culture has no narratives

2759
01:51:09,050 --> 01:51:06,179
for creating meaning

2760
01:51:10,550 --> 01:51:09,060
and yeah and so esoteric movements and

2761
01:51:11,930 --> 01:51:10,560
spirituality are very very appealing

2762
01:51:14,030 --> 01:51:11,940
because anyone can do it it doesn't

2763
01:51:15,470 --> 01:51:14,040

require like there's no barrier of Entry

2764

01:51:17,090 --> 01:51:15,480

it's not gated content like you don't

2765

01:51:18,470 --> 01:51:17,100

have a PhD

2766

01:51:20,090 --> 01:51:18,480

um and it's a way to find an immediate

2767

01:51:22,609 --> 01:51:20,100

Community as well of people that you

2768

01:51:25,490 --> 01:51:22,619

automatically Know believe or value the

2769

01:51:26,930 --> 01:51:25,500

same things that you do

2770

01:51:29,810 --> 01:51:26,940

and there's also the the tech

2771

01:51:30,830 --> 01:51:29,820

billionaires um they sort of

2772

01:51:33,229 --> 01:51:30,840

um

2773

01:51:35,209 --> 01:51:33,239

the you know like Elon Musk and others

2774

01:51:37,310 --> 01:51:35,219

they they want to go to Mars these are

2775

01:51:38,990 --> 01:51:37,320

like Escapist fantasies of billionaires

2776

01:51:41,209 --> 01:51:39,000

but what does it say to the rest of the

2777

01:51:42,770 --> 01:51:41,219

population when these rich guys they

2778

01:51:44,990 --> 01:51:42,780

want to leave the Earth like that's

2779

01:51:47,030 --> 01:51:45,000

basically saying see you suckers like

2780

01:51:50,930 --> 01:51:47,040

you guys take care of that dumb and

2781

01:51:54,050 --> 01:51:50,940

we'll go to this new Paradise yeah yeah

2782

01:51:56,930 --> 01:51:54,060

it reminds me of that you oh go ahead

2783

01:51:59,930 --> 01:51:56,940

Campbell oh just uh Jeff Bezos at that

2784

01:52:01,430 --> 01:51:59,940

uh that conference last uh summer when

2785

01:52:03,229 --> 01:52:01,440

he was talking about building the Mazda

2786

01:52:05,330 --> 01:52:03,239

space stations he like set up the

2787

01:52:08,510 --> 01:52:05,340

opposite where he said he was going to

2788

01:52:10,370 --> 01:52:08,520

entice the world population to move to

2789

01:52:13,430 --> 01:52:10,380

his space station so he could turn the

2790

01:52:15,590 --> 01:52:13,440

earth into an environmental Reserve if

2791

01:52:17,510 --> 01:52:15,600

you guys remember that and isn't that a

2792

01:52:21,350 --> 01:52:17,520

horrifying that's even worse in my

2793

01:52:23,629 --> 01:52:21,360

opinion but anyway I mean all these guys

2794

01:52:26,810 --> 01:52:23,639

are buying post-apocalyptic bunkers in

2795

01:52:29,030 --> 01:52:26,820

the pristine coastals of uh New Zealand

2796

01:52:32,149 --> 01:52:29,040

but I mean there's this great PK dick

2797

01:52:34,609 --> 01:52:32,159

novel The penultimate Truth where uh the

2798

01:52:36,070 --> 01:52:34,619

ruling Elite have fooled the commoners

2799

01:52:38,990 --> 01:52:36,080

in working class into living

2800

01:52:40,910 --> 01:52:39,000

Subterranean communities working uh

2801
01:52:43,669 --> 01:52:40,920
under the auspices of an ongoing War

2802
01:52:45,470 --> 01:52:43,679
well the wealthy and privileged get to

2803
01:52:47,209 --> 01:52:45,480
live in Paradise on the surface of the

2804
01:52:49,310 --> 01:52:47,219
planet and they basically just construct

2805
01:52:52,010 --> 01:52:49,320
these War narratives that are then piped

2806
01:52:53,689 --> 01:52:52,020
into these Subterranean communities

2807
01:52:55,250 --> 01:52:53,699
um I mean like let's be real Mark

2808
01:52:56,930 --> 01:52:55,260
Zuckerberg isn't creating the metaverse

2809
01:52:59,090 --> 01:52:56,940
for himself he's creating the metaverse

2810
01:53:01,370 --> 01:52:59,100
for the oil paloi so that he can enjoy

2811
01:53:02,629 --> 01:53:01,380
the spoils and Riches of the material

2812
01:53:04,129 --> 01:53:02,639
world

2813
01:53:06,530 --> 01:53:04,139

um and I mean this is Tale As Old As

2814

01:53:08,629 --> 01:53:06,540

Time right like this is this is not born

2815

01:53:11,990 --> 01:53:08,639

out of a desire to help people this is

2816

01:53:13,669 --> 01:53:12,000

born out of a desire to hoard uh the

2817

01:53:16,310 --> 01:53:13,679

available resources and human

2818

01:53:18,050 --> 01:53:16,320

experiences for himself and put us all

2819

01:53:19,750 --> 01:53:18,060

into sort of a scratch and dent version

2820

01:53:23,570 --> 01:53:19,760

of Second Life

2821

01:53:24,830 --> 01:53:23,580

yeah ironically um this sort of space

2822

01:53:27,109 --> 01:53:24,840

nietzschean

2823

01:53:28,970 --> 01:53:27,119

uh Superman narrative

2824

01:53:31,850 --> 01:53:28,980

um it trickles down to many of the

2825

01:53:33,590 --> 01:53:31,860

disenchanted the disenfranchised so they

2826

01:53:35,330 --> 01:53:33,600

themselves start to like Express the

2827

01:53:37,250 --> 01:53:35,340

very ideology that these people who are

2828

01:53:38,990 --> 01:53:37,260

screwing them over

2829

01:53:41,030 --> 01:53:39,000

um have

2830

01:53:43,430 --> 01:53:41,040

you know like when people sometimes

2831

01:53:45,709 --> 01:53:43,440

um they defend the interests of those

2832

01:53:47,149 --> 01:53:45,719

who have who don't have their own their

2833

01:53:49,669 --> 01:53:47,159

interests at heart

2834

01:53:52,070 --> 01:53:49,679

so like look at Elon musk's Twitter

2835

01:53:54,410 --> 01:53:52,080

replies right it's every [h__h]

2836

01:53:56,209 --> 01:53:54,420

computer toucher simping for him yeah

2837

01:53:58,370 --> 01:53:56,219

even though Elon Musk would like happily

2838

01:54:00,229 --> 01:53:58,380

crush them under his shoe you know yeah

2839

01:54:08,030 --> 01:54:00,239

yeah

2840

01:54:10,550 --> 01:54:08,040

like Trump hates nobody more than his

2841

01:54:12,950 --> 01:54:10,560

own followers like he is disgusted by

2842

01:54:14,229 --> 01:54:12,960

the Common Man and it's so clear and so

2843

01:54:16,550 --> 01:54:14,239

evident

2844

01:54:17,810 --> 01:54:16,560

have any of you guys ever worked in an

2845

01:54:19,609 --> 01:54:17,820

office I don't know if you know about

2846

01:54:21,709 --> 01:54:19,619

like kind of the uh

2847

01:54:24,649 --> 01:54:21,719

everyone's everyone gets very concerned

2848

01:54:27,229 --> 01:54:24,659

with what each of their co-workers on on

2849

01:54:28,970 --> 01:54:27,239

a Level Playing Field are doing rather

2850

01:54:31,490 --> 01:54:28,980

than the micromanaging coming down from

2851
01:54:33,590 --> 01:54:31,500
up top like your co-worker becomes the

2852
01:54:36,229 --> 01:54:33,600
reason why you have to work late do all

2853
01:54:38,209 --> 01:54:36,239
these things instead of realizing or

2854
01:54:40,250 --> 01:54:38,219
like discussing pay between employees

2855
01:54:43,729 --> 01:54:40,260
but realizing like these issues are

2856
01:54:46,310 --> 01:54:43,739
coming from above we are uh kind of

2857
01:54:48,470 --> 01:54:46,320
treated to see each other as competition

2858
01:54:52,370 --> 01:54:48,480
as if meritocracy is like a real thing

2859
01:54:53,990 --> 01:54:52,380
you know yeah well and this is uh it

2860
01:54:56,750 --> 01:54:54,000
reminds me so much of like this

2861
01:54:58,910 --> 01:54:56,760
underlying culture where you have these

2862
01:55:01,430 --> 01:54:58,920
sort of more like collectivist cultures

2863
01:55:03,649 --> 01:55:01,440

that are and then idealized because we

2864

01:55:06,410 --> 01:55:03,659

live in such a radically individualist

2865

01:55:08,689 --> 01:55:06,420

society with Origins going back to

2866

01:55:12,590 --> 01:55:08,699

pre-history uh you know like the entire

2867

01:55:14,990 --> 01:55:12,600

culture of Western Europe was Manor

2868

01:55:17,149 --> 01:55:15,000

Estates for and it's like either you

2869

01:55:20,149 --> 01:55:17,159

were a servant or slave on someone's

2870

01:55:22,390 --> 01:55:20,159

Farm or you owned your own farm and that

2871

01:55:25,550 --> 01:55:22,400

perpetuated this like

2872

01:55:28,070 --> 01:55:25,560

incessant expansionism in colonialism

2873

01:55:29,990 --> 01:55:28,080

there was no centralized Authority in

2874

01:55:32,090 --> 01:55:30,000

many of these places and that's why you

2875

01:55:34,550 --> 01:55:32,100

saw the expansion into Norway Sweden

2876
01:55:36,649 --> 01:55:34,560
across uh to North America and so it's

2877
01:55:38,570 --> 01:55:36,659
like in this place where every man

2878
01:55:40,370 --> 01:55:38,580
either has his farm or as a servant for

2879
01:55:42,109 --> 01:55:40,380
someone else you see these people like

2880
01:55:43,729 --> 01:55:42,119
Elon Musk and stuff glorified and it's

2881
01:55:45,169 --> 01:55:43,739
like you could have your own Farm too

2882
01:55:47,870 --> 01:55:45,179
you could have your own rocket Factory

2883
01:55:50,750 --> 01:55:47,880
and it's like it's like how much of this

2884
01:55:52,490 --> 01:55:50,760
like with the UFO thing like like we're

2885
01:55:53,810 --> 01:55:52,500
all such individualists and then we're

2886
01:55:56,149 --> 01:55:53,820
all having these individualist

2887
01:55:58,729 --> 01:55:56,159
experiences it's like there's like a

2888
01:56:00,410 --> 01:55:58,739

resistance to collectivism that's like

2889

01:56:02,570 --> 01:56:00,420

it's like on a like underlying

2890

01:56:04,370 --> 01:56:02,580

philosophical level I get a sense of and

2891

01:56:06,470 --> 01:56:04,380

it's like with UFOs this it's like the

2892

01:56:10,010 --> 01:56:06,480

culture is so nebulous you don't have to

2893

01:56:12,470 --> 01:56:10,020

buy into exact Dogma it's like it's a

2894

01:56:15,050 --> 01:56:12,480

bit of everything at this point eh and

2895

01:56:16,370 --> 01:56:15,060

it's it's like everybody's welcome and

2896

01:56:19,490 --> 01:56:16,380

like that's sort of like a nice thing

2897

01:56:22,189 --> 01:56:19,500

but it's also like it creates it turns

2898

01:56:23,090 --> 01:56:22,199

into sort of like this all-encompassing

2899

01:56:25,129 --> 01:56:23,100

thing

2900

01:56:26,810 --> 01:56:25,139

that that includes these most these

2901

01:56:29,930 --> 01:56:26,820

really troubling elements that we've

2902

01:56:32,209 --> 01:56:29,940

been talking about and um I don't

2903

01:56:34,669 --> 01:56:32,219

it's so tough right historically how to

2904

01:56:36,290 --> 01:56:34,679

separate this individually it's so much

2905

01:56:38,709 --> 01:56:36,300

bigger than the UFO subject right

2906

01:56:41,149 --> 01:56:38,719

individualism versus collectivism

2907

01:56:43,790 --> 01:56:41,159

it's like

2908

01:56:45,050 --> 01:56:43,800

so fascinating just with this UFO thing

2909

01:56:46,790 --> 01:56:45,060

it's like

2910

01:56:49,430 --> 01:56:46,800

I'm really enjoying this conversation

2911

01:56:50,990 --> 01:56:49,440

guys I'll just say that making me think

2912

01:56:53,750 --> 01:56:51,000

yes

2913

01:56:55,129 --> 01:56:53,760

so we are just about at the top of the

2914

01:56:56,930 --> 01:56:55,139

hour

2915

01:56:58,129 --> 01:56:56,940

which means we are going to wrap things

2916

01:57:00,109 --> 01:56:58,139

up

2917

01:57:01,850 --> 01:57:00,119

um before we say good night to our

2918

01:57:03,229 --> 01:57:01,860

lovely audience and this is good I've

2919

01:57:05,629 --> 01:57:03,239

been watching the numbers tick up we've

2920

01:57:07,250 --> 01:57:05,639

had between 18 and 25 active viewers so

2921

01:57:08,570 --> 01:57:07,260

thank you so much for people who decided

2922

01:57:10,189 --> 01:57:08,580

to drop in

2923

01:57:12,410 --> 01:57:10,199

um why don't we do a quick round robin

2924

01:57:15,229 --> 01:57:12,420

about what people are working on what's

2925

01:57:17,629 --> 01:57:15,239

going on what you're thinking about uh

2926

01:57:19,370 --> 01:57:17,639

Nick you want to start yeah I'm still

2927

01:57:22,370 --> 01:57:19,380

working on uh laying out the entire

2928

01:57:23,990 --> 01:57:22,380

timeline of the Lake Michigan 94 case

2929

01:57:26,570 --> 01:57:24,000

um like I said it was I was having some

2930

01:57:29,450 --> 01:57:26,580

transcription work done and I'm matching

2931

01:57:31,609 --> 01:57:29,460

up kind of the the audio recording of

2932

01:57:32,629 --> 01:57:31,619

the radar operator with the radar blanks

2933

01:57:34,970 --> 01:57:32,639

that were made

2934

01:57:37,550 --> 01:57:34,980

um I think two or three weeks after the

2935

01:57:39,350 --> 01:57:37,560

fact and just kind of uh keeping keeping

2936

01:57:41,330 --> 01:57:39,360

the accurate ones and noting those and

2937

01:57:42,830 --> 01:57:41,340

discarding kind of the inaccurate ones

2938

01:57:45,530 --> 01:57:42,840

since

2939

01:57:47,510 --> 01:57:45,540

um 1994 radar technology I guess could

2940

01:57:49,129 --> 01:57:47,520

not save or create pronounce at the time

2941

01:57:51,169 --> 01:57:49,139

so we're left with

2942

01:57:53,689 --> 01:57:51,179

you know not the best data so I wanted

2943

01:57:55,609 --> 01:57:53,699

to kind of corroborate what I could and

2944

01:57:58,550 --> 01:57:55,619

that's going into a longer piece on the

2945

01:58:01,129 --> 01:57:58,560

case in total but I have no idea when

2946

01:58:04,430 --> 01:58:01,139

that's going to be done honestly

2947

01:58:07,910 --> 01:58:04,440

great what about you Campbell

2948

01:58:11,089 --> 01:58:07,920

well I've been uh beginning to sketch

2949

01:58:13,729 --> 01:58:11,099

out another a new article that

2950

01:58:16,310 --> 01:58:13,739

um right now the central idea is I'm

2951
01:58:18,830 --> 01:58:16,320
reviewing peer-reviewed papers that have

2952
01:58:20,990 --> 01:58:18,840
been accepted for publication in

2953
01:58:23,990 --> 01:58:21,000
prominent physics and natural science

2954
01:58:26,750 --> 01:58:24,000
papers that include empirical

2955
01:58:29,450 --> 01:58:26,760
observations that support or verify the

2956
01:58:31,490 --> 01:58:29,460
existence of anomalous phenomena so I'm

2957
01:58:33,950 --> 01:58:31,500
basically kind of trying to put together

2958
01:58:36,649 --> 01:58:33,960
something that could almost be like a

2959
01:58:39,050 --> 01:58:36,659
guide for people genuinely interested in

2960
01:58:41,570 --> 01:58:39,060
the scientific study of UFOs as to what

2961
01:58:43,189 --> 01:58:41,580
would constitute something that would be

2962
01:58:44,990 --> 01:58:43,199
meeting that burden of proof for

2963
01:58:47,510 --> 01:58:45,000

peer-reviewed publication so that's sort

2964

01:58:51,290 --> 01:58:47,520

of what I'm looking at right now awesome

2965

01:58:52,490 --> 01:58:51,300

great what about you Lewis

2966

01:58:54,770 --> 01:58:52,500

um I'm learning more about the contact

2967

01:58:56,030 --> 01:58:54,780

he's actually I'm building up a database

2968

01:58:56,629 --> 01:58:56,040

of them

2969

01:58:58,609 --> 01:58:56,639

um

2970

01:59:01,490 --> 01:58:58,619

cool and I'm trying to sort of find some

2971

01:59:03,589 --> 01:59:01,500

patterns social patterns which might be

2972

01:59:05,350 --> 01:59:03,599

indicative of some of the

2973

01:59:07,490 --> 01:59:05,360

uh

2974

01:59:09,830 --> 01:59:07,500

psychological social

2975

01:59:11,270 --> 01:59:09,840

processes going on driving those the

2976

01:59:12,770 --> 01:59:11,280

beliefs that they had

2977

01:59:14,330 --> 01:59:12,780

awesome

2978

01:59:15,830 --> 01:59:14,340

fantastic

2979

01:59:17,629 --> 01:59:15,840

well great

2980

01:59:19,189 --> 01:59:17,639

um I'm gonna take you guys off the

2981

01:59:20,990 --> 01:59:19,199

stream and wrap things up thanks again

2982

01:59:23,089 --> 01:59:21,000

for joining us invisible night school

2983

01:59:24,490 --> 01:59:23,099

appreciate it Lewis I will have your

2984

01:59:26,270 --> 01:59:24,500

article posted at the

2985

01:59:29,089 --> 01:59:26,280

invisiblenightschool.com sometime

2986

01:59:31,010 --> 01:59:29,099

tomorrow I'll add that link to the uh

2987

01:59:48,370 --> 01:59:31,020

the show description as well thanks

2988

02:00:21,610 --> 02:00:19,030

[Music]

2989

02:00:25,270 --> 02:00:21,620

[Applause]

2990

02:00:27,290 --> 02:00:25,280

[Music]

2991

02:00:40,729 --> 02:00:27,300

thank you

2992

02:00:40,739 --> 02:00:44,300

foreign
