THE INVISIBLE
NIGHT SCHOOL

1
00:00:03,660 --> 00:00:00,709
[Music]

2
00:00:33,550 --> 00:00:03,670
foreign

3
00:00:36,130 --> 00:00:33,560
[Music]

4
00:00:43,250 --> 00:00:36,140
[Applause]

5
00:00:43,260 --> 00:00:50,720
foreign

6
00:00:50,730 --> 00:01:30,310
[Music]

7
00:01:39,289 --> 00:01:32,830
thank you

8
00:01:42,770 --> 00:01:41,630
from the Steel City I bet you all good

9
00:01:45,050 --> 00:01:42,780
evening good morning good afternoon

10
00:01:47,870 --> 00:01:45,060
wherever you may be Across the Nation

11
00:01:50,450 --> 00:01:47,880
around the world my name is Leah Prime

12
00:01:52,249 --> 00:01:50,460
and this is the invisible night school

13
00:01:53,990 --> 00:01:52,259

for those of you just joining us the

14

00:01:55,789 --> 00:01:54,000

invisible night school is a small

15

00:01:57,230 --> 00:01:55,799

Consortium of lay researchers and

16

00:01:58,789 --> 00:01:57,240

Scholars pursuing the study and

17

00:02:01,429 --> 00:01:58,799

exploration of ufology a high

18

00:02:03,649 --> 00:02:01,439

strangeness and the phenomenon ins is

19

00:02:05,749 --> 00:02:03,659

not a monolith we represent varied ideas

20

00:02:07,429 --> 00:02:05,759

backgrounds disciplines and experiences

21

00:02:09,169 --> 00:02:07,439

and seek to engage in good faith

22

00:02:11,690 --> 00:02:09,179

dialogue with other curious minds

23

00:02:13,970 --> 00:02:11,700

tonight we are joined by Jeff from

24

00:02:15,650 --> 00:02:13,980

strange Recon uh some of my favorite

25

00:02:16,970 --> 00:02:15,660

conversations in this space have gone on

26

00:02:18,770 --> 00:02:16,980

with Jeff I've joined him a couple times

27

00:02:20,570 --> 00:02:18,780

on his own show you can catch it in the

28

00:02:22,729 --> 00:02:20,580

morning links Below in the show

29

00:02:24,229 --> 00:02:22,739

description to his channel we're also

30

00:02:26,750 --> 00:02:24,239

getting some pretty amazing comments

31

00:02:28,729 --> 00:02:26,760

from our guests about Jeff

32

00:02:31,430 --> 00:02:28,739

we've heard that he uses his own thigh

33

00:02:35,270 --> 00:02:31,440

as an anvil

34

00:02:39,410 --> 00:02:37,309

and that he is an eight foot two ton

35

00:02:40,490 --> 00:02:39,420

monster who can Palm a medicine ball so

36

00:02:42,589 --> 00:02:40,500

Jeff

37

00:02:45,110 --> 00:02:42,599

without any further delay I'd love to

38

00:02:46,670 --> 00:02:45,120

welcome you to the Stream

39

00:02:49,369 --> 00:02:46,680

thank you for having me and all that was

40

00:02:51,589 --> 00:02:49,379

true yes wonderful

41

00:02:54,350 --> 00:02:51,599

um and I'd also bring on my amazing

42

00:02:58,790 --> 00:02:54,360

co-hosts I have Campbell

43

00:03:01,550 --> 00:02:58,800

Nick and of course Lewis gentlemen

44

00:03:03,050 --> 00:03:01,560

happy Wednesday how are you

45

00:03:06,110 --> 00:03:03,060

very well

46

00:03:10,670 --> 00:03:08,330

I am lost in the sauce

47

00:03:12,110 --> 00:03:10,680

I'm having a real one

48

00:03:14,089 --> 00:03:12,120

um it's been an exciting week in the

49

00:03:17,210 --> 00:03:14,099

universe lots of

50

00:03:18,949 --> 00:03:17,220

stuff going on kind of behind the scenes

51
00:03:20,750 --> 00:03:18,959
um but mostly I'm excited to buckle down

52
00:03:23,210 --> 00:03:20,760
and talk about weird stuff with all of

53
00:03:26,210 --> 00:03:25,130
I'm especially happy to have uh yeah

54
00:03:28,490 --> 00:03:26,220
Jeff

55
00:03:29,750 --> 00:03:28,500
um it's great to have you here what are

56
00:03:31,390 --> 00:03:29,760
you what have you been up to recently

57
00:03:35,149 --> 00:03:31,400
man

58
00:03:37,130 --> 00:03:35,159
uh just harvesting nonsense you know and

59
00:03:39,649 --> 00:03:37,140
in regurgitating it back up for people

60
00:03:41,330 --> 00:03:39,659
on the internet and for them to tell me

61
00:03:43,490 --> 00:03:41,340
that I'm wasting my time stuff like that

62
00:03:46,009 --> 00:03:43,500
no I I think uh recently I just been

63
00:03:47,930 --> 00:03:46,019

looking mostly into uh measurement and

64

00:03:49,850 --> 00:03:47,940

Signal intelligence because I don't

65

00:03:52,550 --> 00:03:49,860

really know a ton about any of these

66

00:03:54,710 --> 00:03:52,560

topics I'm not my background at all

67

00:03:57,710 --> 00:03:54,720

so that it's just a lot of random

68

00:04:03,050 --> 00:04:00,649

really long and weirdly

69

00:04:04,550 --> 00:04:03,060

put together government documents on

70

00:04:06,170 --> 00:04:04,560

things like that because they the

71

00:04:08,089 --> 00:04:06,180

overlay

72

00:04:09,530 --> 00:04:08,099

in the equivalencies are found in

73

00:04:11,270 --> 00:04:09,540

ufology constantly and they have been

74

00:04:13,070 --> 00:04:11,280

for for me for my entire life and I've

75

00:04:14,929 --> 00:04:13,080

slowly recognized that just that just

76

00:04:18,770 --> 00:04:14,939

what ufology actually is and it's just

77

00:04:20,930 --> 00:04:18,780

like the other side of the coin to

78

00:04:22,550 --> 00:04:20,940

our counterintelligence work and our av

79

00:04:23,930 --> 00:04:22,560

you know Aviation breakthroughs and

80

00:04:25,070 --> 00:04:23,940

whatnot in the clandestine work out

81

00:04:26,390 --> 00:04:25,080

there anyways yeah so I've just been

82

00:04:28,550 --> 00:04:26,400

digging into that constantly that's all

83

00:04:31,370 --> 00:04:28,560

I do really and tell bad jokes on the

84

00:04:31,380 --> 00:04:38,230

however how are you guys doing anyways

85

00:04:43,010 --> 00:04:39,969

yeah

86

00:04:44,930 --> 00:04:43,020

I was gonna say doing really well

87

00:04:49,010 --> 00:04:44,940

yeah Jeff I wanted to hear your opinion

88

00:04:52,010 --> 00:04:49,020

on this whole uh balloon uh thing

89

00:04:53,749 --> 00:04:52,020

um like UAV balloon and how the

90

00:04:54,830 --> 00:04:53,759

government kind of was acting a bit

91

00:04:57,409 --> 00:04:54,840

strange in their Communications

92

00:04:59,629 --> 00:04:57,419

initially like you had the US Air Force

93

00:05:01,490 --> 00:04:59,639

um at least the communications officer

94

00:05:04,129 --> 00:05:01,500

said something like uh well I won't rule

95

00:05:06,350 --> 00:05:04,139

extraterrestrials out and uh it's

96

00:05:09,110 --> 00:05:06,360

interesting that he would go there even

97

00:05:11,450 --> 00:05:09,120

um what's your take on all of that

98

00:05:14,990 --> 00:05:13,909

I don't think ufology has really gone

99

00:05:17,210 --> 00:05:15,000

anywhere

100

00:05:19,249 --> 00:05:17,220

in 75 years

101
00:05:20,810 --> 00:05:19,259
so whatever you want to call it probably

102
00:05:22,010 --> 00:05:20,820
I guess you know way longer you know

103
00:05:23,870 --> 00:05:22,020
because uh

104
00:05:26,350 --> 00:05:23,880
some of this stuff has its roots all the

105
00:05:29,510 --> 00:05:26,360
way back to the 1700s and governors

106
00:05:31,610 --> 00:05:29,520
saying do not Pitchfork that thing that

107
00:05:33,590 --> 00:05:31,620
flies and falls into your field it's not

108
00:05:35,749 --> 00:05:33,600
really a monster it's a hot air balloon

109
00:05:37,430 --> 00:05:35,759
it's this new invention being you know

110
00:05:38,810 --> 00:05:37,440
and you see the same reactions over

111
00:05:40,490 --> 00:05:38,820
things and of course now information

112
00:05:42,469 --> 00:05:40,500
shared so quickly so many people found

113
00:05:44,810 --> 00:05:42,479

out that it was balloons but then they

114

00:05:47,150 --> 00:05:44,820

just found a different way to celebrate

115

00:05:49,189 --> 00:05:47,160

it it's they started celebrating as it

116

00:05:50,570 --> 00:05:49,199

was like the first step then now now we

117

00:05:53,450 --> 00:05:50,580

got these balloons under control we

118

00:05:56,450 --> 00:05:53,460

figured out how to zero on this mystery

119

00:05:58,249 --> 00:05:56,460

Beyond this one is of course

120

00:05:59,990 --> 00:05:58,259

possibly the one we're looking for this

121

00:06:01,490 --> 00:06:00,000

you know the actual phenomena the actual

122

00:06:04,310 --> 00:06:01,500

unknown unknown not

123

00:06:06,830 --> 00:06:04,320

the actual balloon entities

124

00:06:08,570 --> 00:06:06,840

um I think uh I think this is just the

125

00:06:10,670 --> 00:06:08,580

perfect representation of what always

126
00:06:13,670 --> 00:06:10,680
happens in ufology but more importantly

127
00:06:15,469 --> 00:06:13,680
I think people are coming aware that

128
00:06:17,689 --> 00:06:15,479
something as primitive as a balloon with

129
00:06:20,090 --> 00:06:17,699
a super awesome divising on on the

130
00:06:23,029 --> 00:06:20,100
bottom of it can still be a major asset

131
00:06:24,290 --> 00:06:23,039
to a first world nation in 2023 and it's

132
00:06:26,270 --> 00:06:24,300
kind of shocking to them because they've

133
00:06:27,650 --> 00:06:26,280
been told by ufologists for I don't know

134
00:06:29,570 --> 00:06:27,660
how long about

135
00:06:31,909 --> 00:06:29,580
you know craft that are going to the

136
00:06:33,529 --> 00:06:31,919
other star systems and back and there

137
00:06:35,029 --> 00:06:33,539
and and we have all this ability we're

138
00:06:37,070 --> 00:06:35,039

fighting Wars in places and they're

139

00:06:39,230 --> 00:06:37,080

trying to weave all these other experts

140

00:06:40,850 --> 00:06:39,240

together and and then they hear that

141

00:06:43,189 --> 00:06:40,860

this is a problem

142

00:06:45,770 --> 00:06:43,199

and it's just this just doesn't make

143

00:06:49,010 --> 00:06:45,780

sense and when that happens you see like

144

00:06:51,469 --> 00:06:49,020

a mass change in ad hoc decisions and

145

00:06:52,969 --> 00:06:51,479

and reasoning and all that and whatever

146

00:06:54,469 --> 00:06:52,979

and I think it's a perfect time to look

147

00:06:56,150 --> 00:06:54,479

at and reflect upon what's what it's

148

00:06:58,730 --> 00:06:56,160

been like in ethology in the past and a

149

00:07:00,890 --> 00:06:58,740

balloon on multiple occasions has been a

150

00:07:03,650 --> 00:07:00,900

problem uh specifically just a modern

151
00:07:06,170 --> 00:07:03,660
Nephrology how about Japanese incendiary

152
00:07:08,270 --> 00:07:06,180
balloon Parts in people's backyards and

153
00:07:11,570 --> 00:07:08,280
uh things like you know of course

154
00:07:13,490 --> 00:07:11,580
Roswell whatever you say whatever people

155
00:07:14,990 --> 00:07:13,500
believe it is I believe it was a balloon

156
00:07:16,790 --> 00:07:15,000
but uh

157
00:07:19,730 --> 00:07:16,800
yeah I just think we haven't gone

158
00:07:21,830 --> 00:07:19,740
anywhere what do you guys think

159
00:07:24,529 --> 00:07:21,840
I wonder if there was some

160
00:07:26,150 --> 00:07:24,539
intentionality behind that that uh the

161
00:07:27,770 --> 00:07:26,160
way they were speaking about it I don't

162
00:07:30,110 --> 00:07:27,780
know if that comes from like just

163
00:07:30,770 --> 00:07:30,120

individual personal beliefs or

164

00:07:32,390 --> 00:07:30,780

um

165

00:07:34,129 --> 00:07:32,400

you know something more Sinister behind

166

00:07:35,570 --> 00:07:34,139

it I did think it was interesting I

167

00:07:37,610 --> 00:07:35,580

didn't think that that was necessary to

168

00:07:39,469 --> 00:07:37,620

say you know we didn't

169

00:07:42,770 --> 00:07:39,479

um we didn't say we're not ruling out

170

00:07:47,029 --> 00:07:42,780

you know dragons or Gremlins we said at

171

00:07:47,039 --> 00:07:51,529

maybe that just welcome China

172

00:07:55,370 --> 00:07:53,749

uh I think I think a lot of things too

173

00:07:58,189 --> 00:07:55,380

we have to look at is you know what

174

00:08:00,050 --> 00:07:58,199

exactly a balloon is because I've tried

175

00:08:03,110 --> 00:08:00,060

to just joke around say like do we we

176

00:08:04,730 --> 00:08:03,120

call our phones phones but you know

177

00:08:06,170 --> 00:08:04,740

they're hardly a phone in fact most

178

00:08:09,110 --> 00:08:06,180

people are afraid to use them as a phone

179

00:08:11,510 --> 00:08:09,120

now uh so uh they they're really not

180

00:08:13,909 --> 00:08:11,520

that at all but a lot of there's a lot

181

00:08:16,550 --> 00:08:13,919

of just very primitive advancements I'm

182

00:08:19,909 --> 00:08:16,560

sorry primitive technology being used

183

00:08:21,230 --> 00:08:19,919

with new modern capabilities you know

184

00:08:23,450 --> 00:08:21,240

with lightweight batteries and things

185

00:08:25,969 --> 00:08:23,460

like that the ability to make things a

186

00:08:27,890 --> 00:08:25,979

little bit more agile in the air and be

187

00:08:29,570 --> 00:08:27,900

able to adjust altitudes to hang around

188

00:08:31,129 --> 00:08:29,580

and linger in the same spots for longer

189

00:08:33,649 --> 00:08:31,139

without using the ways they were doing

190

00:08:35,870 --> 00:08:33,659

it for the last 70 years essentially so

191

00:08:38,050 --> 00:08:35,880

when someone calls things a balloon when

192

00:08:41,750 --> 00:08:38,060

other departments are calling them uas

193

00:08:43,730 --> 00:08:41,760

as in unmanned aerial systems or uh or

194

00:08:46,190 --> 00:08:43,740

some other departments are calling them

195

00:08:48,949 --> 00:08:46,200

you know pilotless vehicles or whatever

196

00:08:51,050 --> 00:08:48,959

you know like it's it's really hard for

197

00:08:52,250 --> 00:08:51,060

a single person to summarize like 20

198

00:08:54,829 --> 00:08:52,260

some odd different intelligence

199

00:08:57,590 --> 00:08:54,839

organizations and militaries and unit on

200

00:09:00,829 --> 00:08:57,600

the ground that that so I can understand

201
00:09:03,050 --> 00:09:00,839
in some way but then also the West

202
00:09:04,730 --> 00:09:03,060
thrives on propaganda we don't tell

203
00:09:05,690 --> 00:09:04,740
anyone anything normally you don't tell

204
00:09:06,949 --> 00:09:05,700
your friends anything because you're

205
00:09:08,810 --> 00:09:06,959
afraid you can hurt their feelings we

206
00:09:10,250 --> 00:09:08,820
literally live off the idea of just kind

207
00:09:12,350 --> 00:09:10,260
of

208
00:09:14,690 --> 00:09:12,360
you know like you know just give the

209
00:09:16,430 --> 00:09:14,700
people you know something ambiguous and

210
00:09:17,750 --> 00:09:16,440
weird and kind of let's just see where

211
00:09:20,210 --> 00:09:17,760
it goes and we could be the most

212
00:09:22,610 --> 00:09:20,220
advantageous we can on wherever this

213
00:09:24,769 --> 00:09:22,620

goes that seems to be a very common you

214

00:09:27,290 --> 00:09:24,779

know factor with a uh with a lot of

215

00:09:28,970 --> 00:09:27,300

ufology anyways just because it I think

216

00:09:31,370 --> 00:09:28,980

a cover story before something happens

217

00:09:34,250 --> 00:09:31,380

can be can be problematic with all the

218

00:09:36,590 --> 00:09:34,260

variants are are variables out there but

219

00:09:38,509 --> 00:09:36,600

you know letting it letting the chips

220

00:09:40,009 --> 00:09:38,519

fall and seeing what kind of happens and

221

00:09:42,290 --> 00:09:40,019

then deciding afterwards seems to have

222

00:09:44,269 --> 00:09:42,300

worked a lot better in the past

223

00:09:47,329 --> 00:09:44,279

uh rather

224

00:09:50,509 --> 00:09:48,949

there does seem to be kind of a

225

00:09:52,370 --> 00:09:50,519

narrative floating around with these uh

226

00:09:55,009 --> 00:09:52,380

balloon encounters that they are some

227

00:09:57,829 --> 00:09:55,019

kind of uh spycraft right it started

228

00:10:00,590 --> 00:09:57,839

with the Chinese spy balloon but like

229

00:10:03,170 --> 00:10:00,600

isn't there like a prevalence of an

230

00:10:06,769 --> 00:10:03,180

abundance of satellites uh orbiting our

231

00:10:09,290 --> 00:10:06,779

planet why why would we uh expect to see

232

00:10:11,449 --> 00:10:09,300

balloons or light aircraft as as a spy

233

00:10:13,730 --> 00:10:11,459

technology well we got to stop right

234

00:10:16,310 --> 00:10:13,740

there sir because you said satellites

235

00:10:18,110 --> 00:10:16,320

and I know satellites are in space no

236

00:10:19,790 --> 00:10:18,120

girls never told me that satellites

237

00:10:22,310 --> 00:10:19,800

don't have to be in space are you saying

238

00:10:23,750 --> 00:10:22,320

to me that satellites can be not in

239

00:10:26,269 --> 00:10:23,760

space but like this is something that

240

00:10:28,910 --> 00:10:26,279

like I feel like it's a

241

00:10:32,090 --> 00:10:28,920

um when you have these conversations in

242

00:10:35,210 --> 00:10:32,100

ufology my God it's like when I tried to

243

00:10:37,130 --> 00:10:35,220

read one of those uh what does that

244

00:10:38,990 --> 00:10:37,140

um HBO show with the dragons and the

245

00:10:40,190 --> 00:10:39,000

swords and The Game of Thrones Game of

246

00:10:41,870 --> 00:10:40,200

Thrones yeah I tried to read the books

247

00:10:44,210 --> 00:10:41,880

like a long time ago and I couldn't

248

00:10:46,550 --> 00:10:44,220

because I had to stop and like say the

249

00:10:49,210 --> 00:10:46,560

word out loud for the name of the new

250

00:10:51,350 --> 00:10:49,220

Lord every 12 seconds I'm like oh my God

251

00:10:54,290 --> 00:10:51,360

I couldn't get through Dune for that

252

00:10:56,690 --> 00:10:54,300

reason too many too many names

253

00:10:59,150 --> 00:10:56,700

um I uh so but I it just

254

00:11:01,190 --> 00:10:59,160

there's a lot of explaining from a lot

255

00:11:02,690 --> 00:11:01,200

you know I'm not the best explainer of

256

00:11:04,670 --> 00:11:02,700

things at all but there's there's a lot

257

00:11:05,870 --> 00:11:04,680

of we have to stop and explain things to

258

00:11:07,790 --> 00:11:05,880

people and a lot of stuff I'm learning

259

00:11:09,949 --> 00:11:07,800

on the go as well like I just this whole

260

00:11:11,930 --> 00:11:09,959

like the story of balloons in general

261

00:11:14,750 --> 00:11:11,940

you see that

262

00:11:16,610 --> 00:11:14,760

it became something that we're seeing

263

00:11:17,870 --> 00:11:16,620

with uas right now in aviation right now

264

00:11:19,670 --> 00:11:17,880

it's something for everyone to do

265

00:11:21,350 --> 00:11:19,680

essentially you see that there are 50

266

00:11:22,970 --> 00:11:21,360

some odd thousand balloons in the air

267

00:11:24,889 --> 00:11:22,980

you know for scientific purposes

268

00:11:27,170 --> 00:11:24,899

children are launching these programs

269

00:11:29,389 --> 00:11:27,180

the stem things I mean there are there's

270

00:11:30,889 --> 00:11:29,399

non-stop being launched and people are

271

00:11:32,990 --> 00:11:30,899

constantly experimenting with different

272

00:11:35,150 --> 00:11:33,000

materials that that they can go higher

273

00:11:36,530 --> 00:11:35,160

and higher and last longer and they can

274

00:11:38,210 --> 00:11:36,540

assemble them up there there's a couple

275

00:11:40,550 --> 00:11:38,220

really interesting people on Twitter

276

00:11:42,650 --> 00:11:40,560

that share their stuff all the time

277

00:11:45,410 --> 00:11:42,660

um Michael Powell I always get his name

278

00:11:47,269 --> 00:11:45,420

wrong but uh JP Labs I think it is but

279

00:11:48,710 --> 00:11:47,279

he has this giant triangular you know

280

00:11:50,389 --> 00:11:48,720

Delta shaped balloons that are flying

281

00:11:51,710 --> 00:11:50,399

way up there and his ideas uh he

282

00:11:53,329 --> 00:11:51,720

constantly says

283

00:11:55,670 --> 00:11:53,339

he's one of those people that really

284

00:11:58,490 --> 00:11:55,680

reminded me that exit velocity

285

00:12:01,250 --> 00:11:58,500

we know exit velocity as the story told

286

00:12:02,569 --> 00:12:01,260

To Us by people trying to get in and out

287

00:12:04,250 --> 00:12:02,579

of the atmosphere as quick as possible

288

00:12:05,449 --> 00:12:04,260

for mostly military and clandestine

289

00:12:07,130 --> 00:12:05,459

reasons

290

00:12:08,509 --> 00:12:07,140

that's that's what we know about going

291

00:12:09,769 --> 00:12:08,519

to space whatever but there's people out

292

00:12:11,150 --> 00:12:09,779

there like in the balloon world they're

293

00:12:14,329 --> 00:12:11,160

like what about balloons balloons and

294

00:12:16,009 --> 00:12:14,339

like this is constant you know that you

295

00:12:18,769 --> 00:12:16,019

can get to space it just takes a lot

296

00:12:19,850 --> 00:12:18,779

longer using a system like this and uh

297

00:12:21,350 --> 00:12:19,860

and you also have to use multiple

298

00:12:22,730 --> 00:12:21,360

platforms and but it's the same thing

299

00:12:25,250 --> 00:12:22,740

we're doing now we just do it really

300

00:12:26,750 --> 00:12:25,260

quickly and uh and it's just a you know

301
00:12:28,250 --> 00:12:26,760
long story so anyways yeah the Spy

302
00:12:29,870 --> 00:12:28,260
balloon stuff

303
00:12:35,449 --> 00:12:29,880
is

304
00:12:37,790 --> 00:12:35,459
in the in the game of figuring out

305
00:12:39,530 --> 00:12:37,800
windows and worm or in loopholes rather

306
00:12:42,350 --> 00:12:39,540
whatever you want to call it to get

307
00:12:45,170 --> 00:12:42,360
through our our stuff that the uh Rogue

308
00:12:49,069 --> 00:12:45,180
away article from 2 uh 21 in the war

309
00:12:51,230 --> 00:12:49,079
zone it summed it up so great because

310
00:12:53,690 --> 00:12:51,240
and it really

311
00:12:56,269 --> 00:12:53,700
it was so real that it like crushed

312
00:12:58,610 --> 00:12:56,279
people's Souls it was like I'm not

313
00:13:00,410 --> 00:12:58,620

kidding I saw people in ufology deflate

314

00:13:02,210 --> 00:13:00,420

like when they read this who actually

315

00:13:03,410 --> 00:13:02,220

gave give evidence a chance you know

316

00:13:06,350 --> 00:13:03,420

what I'm talking about the people look

317

00:13:08,750 --> 00:13:06,360

at things that go oh gosh and

318

00:13:11,269 --> 00:13:08,760

they read that and they saw that oh my

319

00:13:13,850 --> 00:13:11,279

God how could something so amazing like

320

00:13:17,090 --> 00:13:13,860

the world's most expensive awareness

321

00:13:19,550 --> 00:13:17,100

radar you know uh you know integrated

322

00:13:21,290 --> 00:13:19,560

system that speaks from satellites to

323

00:13:23,030 --> 00:13:21,300

assets out in the field can see over the

324

00:13:24,530 --> 00:13:23,040

curvature of the earth basically can

325

00:13:25,850 --> 00:13:24,540

communicate with satellites that are far

326

00:13:28,129 --> 00:13:25,860

enough away to see one third of the

327

00:13:30,470 --> 00:13:28,139

earth anyway so it's like

328

00:13:33,410 --> 00:13:30,480

How could a balloon get past that that's

329

00:13:35,810 --> 00:13:33,420

not fair we've got 300 billion dollars

330

00:13:37,670 --> 00:13:35,820

over the course of eight years you know

331

00:13:39,650 --> 00:13:37,680

you could you know it's like you know

332

00:13:41,210 --> 00:13:39,660

that's and that's something that people

333

00:13:42,530 --> 00:13:41,220

don't even understand so of course they

334

00:13:43,970 --> 00:13:42,540

just shift away from it and they're

335

00:13:45,949 --> 00:13:43,980

talking about the more special cases

336

00:13:47,389 --> 00:13:45,959

whatever but the Spy Bloom thing is very

337

00:13:48,530 --> 00:13:47,399

real it's going to keep happening it's

338

00:13:49,910 --> 00:13:48,540

going to happen from countries all over

339

00:13:52,250 --> 00:13:49,920

the place under the guise of scientific

340

00:13:53,990 --> 00:13:52,260

missions and that's the way we did it

341

00:13:55,430 --> 00:13:54,000

and they'll do it the same way they'll

342

00:13:58,250 --> 00:13:55,440

use a lot of front companies or they'll

343

00:14:01,970 --> 00:13:58,260

use the military and to say who cares

344

00:14:03,590 --> 00:14:01,980

um and they learn from how we did it now

345

00:14:05,569 --> 00:14:03,600

they can afford it that's another thing

346

00:14:06,710 --> 00:14:05,579

we've been doing it for years as well I

347

00:14:09,350 --> 00:14:06,720

suppose

348

00:14:11,870 --> 00:14:09,360

on our allies on our on them on our

349

00:14:14,269 --> 00:14:11,880

adversaries competitors we give people

350

00:14:15,230 --> 00:14:14,279

the tech and then we watch them oh what

351
00:14:17,329 --> 00:14:15,240
are they going to do with us you know

352
00:14:20,569 --> 00:14:17,339
like I say Tech but that could be

353
00:14:21,590 --> 00:14:20,579
literally a gun right right a tool of

354
00:14:23,750 --> 00:14:21,600
some kind

355
00:14:26,090 --> 00:14:23,760
yeah it's also been very apparent to me

356
00:14:29,629 --> 00:14:26,100
over the last couple weeks is this his

357
00:14:33,230 --> 00:14:29,639
unfolded is how much of a political

358
00:14:36,290 --> 00:14:33,240
Implement ufology is as a subject for

359
00:14:38,810 --> 00:14:36,300
the right wing in America because who

360
00:14:42,850 --> 00:14:38,820
we're seeing entertain and play into

361
00:14:46,250 --> 00:14:42,860
these Collective fantasies about UFOs

362
00:14:48,889 --> 00:14:46,260
it's Marco Rubio it's Timber chat right

363
00:14:51,470 --> 00:14:48,899

because this is the Trojan Horse into

364

00:14:55,250 --> 00:14:51,480

unwinding and undermining institutional

365

00:14:58,189 --> 00:14:55,260

faith drawing attention to

366

00:14:59,810 --> 00:14:58,199

um government mismanagement and also the

367

00:15:01,670 --> 00:14:59,820

ancillary benefit of drumming up

368

00:15:04,009 --> 00:15:01,680

financial support for increased

369

00:15:05,329 --> 00:15:04,019

surveillance and kind of that saber

370

00:15:06,829 --> 00:15:05,339

rattling

371

00:15:09,230 --> 00:15:06,839

um you know and I think this is this

372

00:15:11,090 --> 00:15:09,240

subject I've always been so struck by it

373

00:15:14,269 --> 00:15:11,100

as a vessel

374

00:15:16,970 --> 00:15:14,279

um particularly of recent in

375

00:15:19,850 --> 00:15:16,980

um promulgating and supporting basically

376

00:15:21,769 --> 00:15:19,860

these totalitarian fantasists that

377

00:15:24,710 --> 00:15:21,779

infest our government

378

00:15:27,769 --> 00:15:24,720

there is um I would say that it

379

00:15:30,590 --> 00:15:27,779

definitely exists like exactly how you

380

00:15:32,689 --> 00:15:30,600

just nailed it obviously I mean that I

381

00:15:34,310 --> 00:15:32,699

love anytime anyone says saber rattling

382

00:15:35,990 --> 00:15:34,320

and stuff like that yeah that's pretty

383

00:15:37,930 --> 00:15:36,000

good uh but usually I charge for that

384

00:15:40,550 --> 00:15:37,940

Jeff but you're gonna get free tonight

385

00:15:42,470 --> 00:15:40,560

there is you there is I do think though

386

00:15:44,329 --> 00:15:42,480

that with there is that thing though we

387

00:15:46,490 --> 00:15:44,339

have to worry about about blending about

388

00:15:48,730 --> 00:15:46,500

this is why I just hate politics in

389

00:15:50,810 --> 00:15:48,740

general but because I kind of

390

00:15:52,550 --> 00:15:50,820

yeah that's where the that's where the

391

00:15:54,050 --> 00:15:52,560

alien shape shifters are right there I'd

392

00:15:55,790 --> 00:15:54,060

say because a lot of these people and I

393

00:15:58,310 --> 00:15:55,800

experience it firsthand they literally

394

00:16:00,829 --> 00:15:58,320

play Both Sides like so good they'll be

395

00:16:03,470 --> 00:16:00,839

on TV that day and then having drinks

396

00:16:05,030 --> 00:16:03,480

with their adversaries that way and

397

00:16:06,350 --> 00:16:05,040

you're like what the hell like these

398

00:16:07,970 --> 00:16:06,360

people are supposed to be like hate each

399

00:16:09,350 --> 00:16:07,980

other like they just do on TV this

400

00:16:11,689 --> 00:16:09,360

person literally is trying to kill

401
00:16:13,250 --> 00:16:11,699
children and like that and then they're

402
00:16:15,590 --> 00:16:13,260
on you know it's like this is I mean I

403
00:16:18,410 --> 00:16:15,600
they're like actors at best I I grew up

404
00:16:21,410 --> 00:16:18,420
with a friend and his dad held a

405
00:16:23,210 --> 00:16:21,420
position that was you know for where we

406
00:16:24,829 --> 00:16:23,220
lived it was very high up and I just I

407
00:16:26,750 --> 00:16:24,839
was like shocked at the reality of what

408
00:16:28,730 --> 00:16:26,760
the lives they lived in real life and

409
00:16:30,470 --> 00:16:28,740
even when they would be like I guess I

410
00:16:32,329 --> 00:16:30,480
have to actually work and like put like

411
00:16:34,009 --> 00:16:32,339
adjust their tie and like like start

412
00:16:36,050 --> 00:16:34,019
being up it was insane it was like they

413
00:16:37,670 --> 00:16:36,060

were robots yes but then I see it

414

00:16:39,889 --> 00:16:37,680

outside of that and I noticed that

415

00:16:42,050 --> 00:16:39,899

they're in general the there's such a

416

00:16:44,629 --> 00:16:42,060

vast majority of people on the right

417

00:16:47,150 --> 00:16:44,639

side of things in politics that support

418

00:16:48,769 --> 00:16:47,160

a like you know just being like American

419

00:16:51,650 --> 00:16:48,779

dominance you know I think

420

00:16:53,090 --> 00:16:51,660

it's and that kind of just is so

421

00:16:54,110 --> 00:16:53,100

outweighs the other side because you're

422

00:16:55,970 --> 00:16:54,120

not going to have a bunch of college

423

00:16:57,590 --> 00:16:55,980

kids being like yeah we should go to war

424

00:16:59,329 --> 00:16:57,600

like you know that's not that's not what

425

00:17:01,009 --> 00:16:59,339

what is this like that's not gonna We're

426
00:17:04,130 --> 00:17:01,019
Not Gonna See younger generations and

427
00:17:06,169 --> 00:17:04,140
people in general uh uh that have always

428
00:17:08,090 --> 00:17:06,179
come from a side of more

429
00:17:11,030 --> 00:17:08,100
diplomatic probably response on anything

430
00:17:13,730 --> 00:17:11,040
in life to to be shouting War so yeah

431
00:17:15,230 --> 00:17:13,740
it's super

432
00:17:17,750 --> 00:17:15,240
in fact

433
00:17:20,329 --> 00:17:17,760
I can think of my you know since I was a

434
00:17:22,549 --> 00:17:20,339
child there was so many times where that

435
00:17:25,909 --> 00:17:22,559
image of like a even just in general the

436
00:17:28,429 --> 00:17:25,919
image of like a white blue-eyed alien

437
00:17:30,530 --> 00:17:28,439
you know what I mean like is is just

438
00:17:32,810 --> 00:17:30,540

like we can't get any more possible like

439

00:17:34,610 --> 00:17:32,820

and then the gray alien wasn't always

440

00:17:35,930 --> 00:17:34,620

the alien I mean we still have that book

441

00:17:39,409 --> 00:17:35,940

you just someone just mentioned earlier

442

00:17:43,370 --> 00:17:39,419

I believe right the uh Bledsoe book yeah

443

00:17:44,750 --> 00:17:43,380

orb of God or UFO of God yeah and yet to

444

00:17:46,250 --> 00:17:44,760

read it so I can't you know whatever but

445

00:17:47,450 --> 00:17:46,260

I mean I've kind of followed the story

446

00:17:48,830 --> 00:17:47,460

from a different few different

447

00:17:50,150 --> 00:17:48,840

perspectives and people have broke

448

00:17:52,490 --> 00:17:50,160

contact from me when they recognize that

449

00:17:56,090 --> 00:17:52,500

I maybe wasn't necessarily asking all

450

00:18:00,470 --> 00:17:58,730

I believe that there was a transforming

451

00:18:02,450 --> 00:18:00,480

cow in the woods I don't know what

452

00:18:03,890 --> 00:18:02,460

um I I said that specifically to be a

453

00:18:05,150 --> 00:18:03,900

little bit like a jerk I'm not gonna lie

454

00:18:08,390 --> 00:18:05,160

because I I find that a little bit

455

00:18:11,029 --> 00:18:08,400

insulting sometimes when they have waves

456

00:18:13,370 --> 00:18:11,039

of people that's that will come at you

457

00:18:14,210 --> 00:18:13,380

for questioning like what and anyways

458

00:18:17,210 --> 00:18:14,220

but

459

00:18:19,610 --> 00:18:17,220

of course this

460

00:18:22,610 --> 00:18:19,620

this image of uh

461

00:18:24,169 --> 00:18:22,620

of what these aliens were from like Nazi

462

00:18:25,970 --> 00:18:24,179

Germany links and all this stuff has

463

00:18:27,950 --> 00:18:25,980

lingered in ufology for a long time and

464

00:18:30,650 --> 00:18:27,960

I think that's also helped like keep

465

00:18:33,409 --> 00:18:30,660

bolster those numbers of that alt-right

466

00:18:36,590 --> 00:18:33,419

type of weird take on on things and it's

467

00:18:37,730 --> 00:18:36,600

it's kept it like a safe spot for a long

468

00:18:40,370 --> 00:18:37,740

time because

469

00:18:43,750 --> 00:18:40,380

a lot of people in the conspiracy world

470

00:18:46,310 --> 00:18:43,760

really really really

471

00:18:48,650 --> 00:18:46,320

truly believe that there's some sort of

472

00:18:50,630 --> 00:18:48,660

magical link with the Nazis and like

473

00:18:52,310 --> 00:18:50,640

it's almost like it's like their Christ

474

00:18:55,330 --> 00:18:52,320

is coming back like that's what that's

475

00:18:59,630 --> 00:18:58,010

yeah I mean what strikes me too is how

476

00:19:02,930 --> 00:18:59,640

much of this winds up tired if not

477

00:19:04,549 --> 00:19:02,940

directly to the Nazis kind of obliquely

478

00:19:09,110 --> 00:19:04,559

and with these ideas around a blood

479

00:19:10,730 --> 00:19:09,120

Quantum and genetic predisposition and

480

00:19:13,850 --> 00:19:10,740

um

481

00:19:15,950 --> 00:19:13,860

I have had it's interesting because I

482

00:19:17,750 --> 00:19:15,960

can think of a recent conversation I had

483

00:19:19,730 --> 00:19:17,760

with someone in the community who is a

484

00:19:22,310 --> 00:19:19,740

self-proclaimed experienter

485

00:19:24,049 --> 00:19:22,320

who basically came after me and said

486

00:19:25,789 --> 00:19:24,059

Leah I know you're an experienter I know

487

00:19:27,470 --> 00:19:25,799

you have all this stuff going on blah

488

00:19:29,630 --> 00:19:27,480

blah blah blah and looking at me

489

00:19:33,289 --> 00:19:29,640

right I look like this nice Baltic

490

00:19:35,870 --> 00:19:33,299

Viking whatever goddess right and then I

491

00:19:37,970 --> 00:19:35,880

say well you know I'm Jewish right and

492

00:19:39,830 --> 00:19:37,980

that stopped the conversation like right

493

00:19:42,710 --> 00:19:39,840

in the tracks because they thought that

494

00:19:44,810 --> 00:19:42,720

I was coming from Scotch Irish or Nordic

495

00:19:47,090 --> 00:19:44,820

background and I'm like no I'm Eastern

496

00:19:49,490 --> 00:19:47,100

European Jew and that tends to blow up a

497

00:19:51,529 --> 00:19:49,500

lot of those fantasies too

498

00:19:54,289 --> 00:19:51,539

um there's always this kind of strange

499

00:19:56,510 --> 00:19:54,299

blood link or fantasy or mystical

500

00:19:57,950 --> 00:19:56,520

whatever blood you know blood and soil

501
00:19:59,690 --> 00:19:57,960
connection

502
00:20:01,430 --> 00:19:59,700
um that seems to continually arise and

503
00:20:03,169 --> 00:20:01,440
we see this I mean we see this kind of

504
00:20:04,730 --> 00:20:03,179
uncritically presented

505
00:20:06,169 --> 00:20:04,740
and some of the research and work being

506
00:20:08,510 --> 00:20:06,179
done right now right people trying to

507
00:20:10,370 --> 00:20:08,520
find uh genetic connections to

508
00:20:11,750 --> 00:20:10,380
experiencers I think it's compelling I

509
00:20:14,029 --> 00:20:11,760
think it's really interesting I think

510
00:20:16,430 --> 00:20:14,039
it's worth surveying and exploring but

511
00:20:17,690 --> 00:20:16,440
I'm also extremely

512
00:20:21,770 --> 00:20:17,700
um

513
00:20:23,750 --> 00:20:21,780

hesitant to uncritically like use that

514

00:20:26,810 --> 00:20:23,760

as a lens to explore the subject because

515

00:20:30,169 --> 00:20:26,820

I think it can also confer kind of value

516

00:20:32,690 --> 00:20:30,179

judgment or hierarchy onto people that

517

00:20:34,310 --> 00:20:32,700

is then used to dehumanize and denigrate

518

00:20:36,710 --> 00:20:34,320

right that feels to me like The Logical

519

00:20:38,570 --> 00:20:36,720

conclusion of these conversations

520

00:20:40,430 --> 00:20:38,580

um or of This research

521

00:20:43,130 --> 00:20:40,440

you're kind of talking about genetic

522

00:20:44,029 --> 00:20:43,140

superiority there and how do you how do

523

00:20:46,490 --> 00:20:44,039

you use

524

00:20:48,650 --> 00:20:46,500

people's experience as a control and

525

00:20:51,370 --> 00:20:48,660

these kind of days how are you verifying

526

00:20:54,049 --> 00:20:51,380

this independent line yeah

527

00:20:55,549 --> 00:20:54,059

I'll I'll let Jeff talk in a second but

528

00:20:58,070 --> 00:20:55,559

like what I keep coming back to with

529

00:20:59,810 --> 00:20:58,080

this stuff is that like it's not that I

530

00:21:02,570 --> 00:20:59,820

think experience or phenomenon isn't

531

00:21:04,250 --> 00:21:02,580

real because I think a lot of it is

532

00:21:06,049 --> 00:21:04,260

um or at least in very general senses

533

00:21:08,150 --> 00:21:06,059

like these ideas of spiritual emergence

534

00:21:12,529 --> 00:21:08,160

and Awakening and stuff but I don't

535

00:21:14,630 --> 00:21:12,539

think it maps to empirical science like

536

00:21:16,490 --> 00:21:14,640

like I don't think the way the the kind

537

00:21:18,470 --> 00:21:16,500

of scientific method as it is done now

538

00:21:21,289 --> 00:21:18,480

is the appropriate framework to explore

539

00:21:22,970 --> 00:21:21,299

these experiences I think they are

540

00:21:26,990 --> 00:21:22,980

better and best explored through things

541

00:21:30,169 --> 00:21:27,000

like myth and analogy and um like these

542

00:21:31,970 --> 00:21:30,179

larger more like qualitative lenses

543

00:21:33,409 --> 00:21:31,980

rather than just straight let me take a

544

00:21:37,190 --> 00:21:33,419

brain scan and see if a part of your

545

00:21:41,930 --> 00:21:39,830

so again it's it's uh it comes down

546

00:21:45,230 --> 00:21:41,940

to kind of the issue with all the

547

00:21:47,270 --> 00:21:45,240

different facets of the um the UFO

548

00:21:49,070 --> 00:21:47,280

Superstition is like how do you

549

00:21:50,330 --> 00:21:49,080

determine the causal link between any of

550

00:21:52,370 --> 00:21:50,340

these things just like vehicle

551

00:21:54,289 --> 00:21:52,380

interference like we talked about a

552

00:21:56,990 --> 00:21:54,299

while back like even if you do see

553

00:21:59,750 --> 00:21:57,000

something strange and your car stalls

554

00:22:01,909 --> 00:21:59,760

you still can't like conclusively say

555

00:22:03,950 --> 00:22:01,919

that those two things are connected

556

00:22:06,470 --> 00:22:03,960

right unless you

557

00:22:10,130 --> 00:22:06,480

kind of understand the mechanism between

558

00:22:11,990 --> 00:22:10,140

them so yeah I think I think they can

559

00:22:16,730 --> 00:22:12,000

bring scans of people who have had

560

00:22:20,390 --> 00:22:16,740

experiences is uh is quite a leap

561

00:22:24,110 --> 00:22:20,400

yeah I certainly agree on all the things

562

00:22:26,149 --> 00:22:24,120

that were just said and I gotta tell you

563

00:22:28,070 --> 00:22:26,159

um I think a lot of unethical things go

564

00:22:29,570 --> 00:22:28,080

down when you start putting these really

565

00:22:31,610 --> 00:22:29,580

General statements out there like Steve

566

00:22:33,590 --> 00:22:31,620

long and that chat I said about the

567

00:22:34,850 --> 00:22:33,600

chosen like what do you what do you

568

00:22:36,890 --> 00:22:34,860

suppose that happens to a lot of people

569

00:22:38,630 --> 00:22:36,900

looking for answers for on I mean this

570

00:22:40,010 --> 00:22:38,640

is just in my opinion of course I'm not

571

00:22:41,270 --> 00:22:40,020

a doctor I'm some jackass on the

572

00:22:43,850 --> 00:22:41,280

internet with the microphone I apologize

573

00:22:44,930 --> 00:22:43,860

I'm sorry but the the idea is like what

574

00:22:49,730 --> 00:22:44,940

do you think

575

00:22:53,630 --> 00:22:49,740

could be right because I've I've spoken

576

00:22:55,610 --> 00:22:53,640

to people firsthand who who ended up

577

00:22:56,870 --> 00:22:55,620

coming you know diagnosed with uh

578

00:22:58,430 --> 00:22:56,880

schizophrenia and I asked them

579

00:23:01,070 --> 00:22:58,440

specifically how did it start like what

580

00:23:02,750 --> 00:23:01,080

was going on I and I found that to be

581

00:23:04,789 --> 00:23:02,760

Beyond interesting as a person who's

582

00:23:07,549 --> 00:23:04,799

already studying UFO stuff for like 15

583

00:23:10,490 --> 00:23:07,559

16 years at that point and one and she

584

00:23:11,870 --> 00:23:10,500

said it was it was voi it was uh well I

585

00:23:14,090 --> 00:23:11,880

spoke to two people first one was it was

586

00:23:15,890 --> 00:23:14,100

voices and the voices were saying things

587

00:23:17,510 --> 00:23:15,900

that seemed rather insightful and then

588

00:23:20,570 --> 00:23:17,520

they started taking the position of

589

00:23:23,330 --> 00:23:20,580

their like their relatives and then

590

00:23:25,250 --> 00:23:23,340

after a while the voices probably after

591

00:23:27,529 --> 00:23:25,260

like four months of hearing this and it

592

00:23:29,510 --> 00:23:27,539

was only ever when a fan was going on or

593

00:23:31,430 --> 00:23:29,520

noise like a buzzing at night they'd

594

00:23:34,370 --> 00:23:31,440

hear like these straight you know and

595

00:23:36,529 --> 00:23:34,380

suddenly uh the voices started saying to

596

00:23:38,090 --> 00:23:36,539

do like horrific things you know and

597

00:23:39,830 --> 00:23:38,100

clearly that wasn't their loved ones

598

00:23:43,130 --> 00:23:39,840

from the past telling them to go murder

599

00:23:44,990 --> 00:23:43,140

their child or something and um and so I

600

00:23:47,630 --> 00:23:45,000

I've I just started but then but I what

601
00:23:49,010 --> 00:23:47,640
I know what I learned after hearing that

602
00:23:50,690 --> 00:23:49,020
and then started looking into it a

603
00:23:53,630 --> 00:23:50,700
little bit I recognized just

604
00:23:55,250 --> 00:23:53,640
what happens when someone gives you a

605
00:23:58,430 --> 00:23:55,260
little like little empowerment a little

606
00:24:00,169 --> 00:23:58,440
confirmation and and they just do it for

607
00:24:02,990 --> 00:24:00,179
the price of a of a conference ticket

608
00:24:04,090 --> 00:24:03,000
and you go there and suddenly you you're

609
00:24:06,710 --> 00:24:04,100
not

610
00:24:09,470 --> 00:24:06,720
undiagnosed like some a-hole on the

611
00:24:11,810 --> 00:24:09,480
internet just said you're actually in

612
00:24:14,390 --> 00:24:11,820
communication with these things

613
00:24:16,250 --> 00:24:14,400

in the rest are all effing Liars

614

00:24:17,510 --> 00:24:16,260

no no no I'm sorry about that I don't

615

00:24:19,669 --> 00:24:17,520

mean that because I do I've had

616

00:24:21,649 --> 00:24:19,679

experiences that I specifically really

617

00:24:23,210 --> 00:24:21,659

worked out hard at trying to debunk and

618

00:24:25,250 --> 00:24:23,220

I really could and I still am left to

619

00:24:26,870 --> 00:24:25,260

this day believing someone's got some

620

00:24:29,330 --> 00:24:26,880

fantastic Tech on this planet and when

621

00:24:31,370 --> 00:24:29,340

and we don't know about it or or I'm or

622

00:24:33,950 --> 00:24:31,380

I and most my friends over there and saw

623

00:24:36,470 --> 00:24:33,960

that uh or are all insane so I don't

624

00:24:37,370 --> 00:24:36,480

know but I I do say that the vast vast

625

00:24:39,409 --> 00:24:37,380

majority of people hearing something

626
00:24:40,909 --> 00:24:39,419
from Dr Gary Nolan like that and that's

627
00:24:42,890 --> 00:24:40,919
who we're talking about

628
00:24:44,149 --> 00:24:42,900
um you've been this shows now the

629
00:24:46,070 --> 00:24:44,159
analytics and the driver right off the

630
00:24:48,770 --> 00:24:46,080
thing that's great I've already have UFO

631
00:24:52,250 --> 00:24:48,780
Twitter banged for my blood so

632
00:24:53,810 --> 00:24:52,260
uh but keep down this path he's uh he's

633
00:24:57,049 --> 00:24:53,820
he seems like an interesting character

634
00:24:59,810 --> 00:24:57,059
and and I I really do feel like he he is

635
00:25:01,930 --> 00:24:59,820
out to prove valet rather than out to do

636
00:25:08,090 --> 00:25:01,940
anything else he's out to he's out to

637
00:25:10,549 --> 00:25:08,100
make sure that valet is to is like you

638
00:25:13,190 --> 00:25:10,559

know uh Albert Einstein was to Isaac

639

00:25:14,630 --> 00:25:13,200

Newton and valet is to I don't know what

640

00:25:16,130 --> 00:25:14,640

the hell he just wants to make sure that

641

00:25:19,010 --> 00:25:16,140

everyone's gonna remember ballet forever

642

00:25:22,750 --> 00:25:19,020

he's flat out said it he said it and I

643

00:25:25,370 --> 00:25:22,760

think that that's a weird Hill to die on

644

00:25:27,289 --> 00:25:25,380

what is he even dying on there's a grand

645

00:25:29,810 --> 00:25:27,299

projector and we're all in a ultrasound

646

00:25:34,669 --> 00:25:29,820

ultrasonic hologram I don't what is it I

647

00:25:38,330 --> 00:25:36,590

um you know I want to call out a comment

648

00:25:39,769 --> 00:25:38,340

here from the earth about how voice

649

00:25:42,350 --> 00:25:39,779

hearing is really common and not

650

00:25:44,269 --> 00:25:42,360

necessarily a sign of any mental illness

651
00:25:46,010 --> 00:25:44,279
um and I also think of that that quote

652
00:25:47,690 --> 00:25:46,020
from Joseph Campbell right like The

653
00:25:49,370 --> 00:25:47,700
Psychotic drowns and the waters in which

654
00:25:51,649 --> 00:25:49,380
the Mystic swims with the light right

655
00:25:53,930 --> 00:25:51,659
like there are these variabilities in

656
00:25:56,330 --> 00:25:53,940
internal ontologies cosmologies and

657
00:25:58,789 --> 00:25:56,340
experience and I think the amount of

658
00:26:01,070 --> 00:25:58,799
variability is honestly so unknown and

659
00:26:04,010 --> 00:26:01,080
unexplored because it is so taboo it

660
00:26:06,169 --> 00:26:04,020
tends to be so readily pathologized

661
00:26:08,029 --> 00:26:06,179
um but I do agree as well that you have

662
00:26:09,470 --> 00:26:08,039
this spectrum of experiences where you

663
00:26:12,409 --> 00:26:09,480

do have people that are basically

664

00:26:15,769 --> 00:26:12,419

experiencing some kind of psychosis

665

00:26:18,830 --> 00:26:15,779

um or Mania in a deleterious sense that

666

00:26:21,169 --> 00:26:18,840

are co-creating their experience with

667

00:26:23,210 --> 00:26:21,179

people that are encouraging it

668

00:26:25,070 --> 00:26:23,220

yeah because they refuse to basically

669

00:26:27,529 --> 00:26:25,080

critically look at the Spectrum of

670

00:26:29,210 --> 00:26:27,539

experience it becomes a binary of good

671

00:26:32,269 --> 00:26:29,220

bad instead of

672

00:26:33,950 --> 00:26:32,279

okay manageable ecstatic or mystical

673

00:26:36,350 --> 00:26:33,960

experience and then the sort of other

674

00:26:38,029 --> 00:26:36,360

bucket of actual mental illness you know

675

00:26:40,370 --> 00:26:38,039

like one of the things that stanislav

676

00:26:42,110 --> 00:26:40,380

Graf who really studied this stuff like

677

00:26:43,549 --> 00:26:42,120

the distinction he always drew was that

678

00:26:45,529 --> 00:26:43,559

spiritual emergence led to the

679

00:26:47,810 --> 00:26:45,539

re-aggregation of a sense of self like

680

00:26:49,250 --> 00:26:47,820

there was a reconvergence but that you

681

00:26:52,490 --> 00:26:49,260

know when you're dealing with

682

00:26:54,289 --> 00:26:52,500

Mania or psychosis you increasingly deal

683

00:26:56,210 --> 00:26:54,299

with a fractured sense of self it

684

00:26:57,350 --> 00:26:56,220

doesn't kind of re-aggregate the way it

685

00:26:58,310 --> 00:26:57,360

does

686

00:26:59,990 --> 00:26:58,320

um and that was sort of one of the

687

00:27:03,190 --> 00:27:00,000

heuristics that he always used to draw

688

00:27:05,330 --> 00:27:03,200

the distinction between the two

689

00:27:07,190 --> 00:27:05,340

I should I can I just say real quick I'm

690

00:27:08,810 --> 00:27:07,200

sorry that I I do when I say these

691

00:27:10,970 --> 00:27:08,820

things that I'm just saying nonsense I

692

00:27:12,350 --> 00:27:10,980

you know I do feel like one of the

693

00:27:14,269 --> 00:27:12,360

things that we'll notice right away is

694

00:27:15,470 --> 00:27:14,279

that there's so much I've left out and

695

00:27:17,330 --> 00:27:15,480

we've in all of us because we have

696

00:27:19,070 --> 00:27:17,340

limited tweets and limited whatever so

697

00:27:20,750 --> 00:27:19,080

much we've left out I do want to add

698

00:27:22,190 --> 00:27:20,760

real quick that I don't think ever I

699

00:27:24,529 --> 00:27:22,200

shouldn't have joked right I said that

700

00:27:27,169 --> 00:27:24,539

at the end no you're fine I just want to

701

00:27:28,730 --> 00:27:27,179

say that that I I also feel like there's

702

00:27:30,909 --> 00:27:28,740

all types of things in that Spectrum as

703

00:27:33,710 --> 00:27:30,919

well that are far away from any type of

704

00:27:35,750 --> 00:27:33,720

uh actual encounter with something or

705

00:27:38,149 --> 00:27:35,760

even maybe a spiritual awakening because

706

00:27:40,070 --> 00:27:38,159

do you know the amount of people that I

707

00:27:41,930 --> 00:27:40,080

feel like are in and this is just not

708

00:27:44,210 --> 00:27:41,940

some random thing

709

00:27:45,649 --> 00:27:44,220

they're like in a tech psychosis I think

710

00:27:49,810 --> 00:27:45,659

you know a thing or two about that right

711

00:27:52,370 --> 00:27:49,820

and and a lot of just just on visual

712

00:27:54,769 --> 00:27:52,380

awareness of the world living in New

713

00:27:56,210 --> 00:27:54,779

York City alone people will die just to

714

00:27:58,789 --> 00:27:56,220

look at an effing tweet on their phone

715

00:28:00,950 --> 00:27:58,799

they're incapable of recognizing what's

716

00:28:03,230 --> 00:28:00,960

around them very well and I

717

00:28:05,330 --> 00:28:03,240

I do I don't know if I I just feel like

718

00:28:08,210 --> 00:28:05,340

in general there are people that have

719

00:28:09,470 --> 00:28:08,220

find like emotional Awakening for the

720

00:28:11,029 --> 00:28:09,480

first time in their life they won't even

721

00:28:12,529 --> 00:28:11,039

know what it feels like to cry or

722

00:28:14,870 --> 00:28:12,539

something or like feel like they've

723

00:28:16,010 --> 00:28:14,880

Loved Someone or you know and they'll go

724

00:28:17,690 --> 00:28:16,020

their entire lives without feeling

725

00:28:19,730 --> 00:28:17,700

anything but whatever the hell is on the

726

00:28:22,490 --> 00:28:19,740

TV show whatever it's very idiocracy

727

00:28:24,830 --> 00:28:22,500

like and we know this exists and then

728

00:28:26,930 --> 00:28:24,840

they'll experience something that a lot

729

00:28:28,310 --> 00:28:26,940

of other people have felt a lot earlier

730

00:28:30,769 --> 00:28:28,320

in their life and become adjusted too

731

00:28:32,269 --> 00:28:30,779

and maybe have explored a denser palette

732

00:28:33,830 --> 00:28:32,279

of things out there and those people

733

00:28:36,830 --> 00:28:33,840

will then

734

00:28:38,570 --> 00:28:36,840

tell that emergence like like it is

735

00:28:40,430 --> 00:28:38,580

something more magical like the person

736

00:28:41,149 --> 00:28:40,440

that quit cigarettes through going to

737

00:28:43,549 --> 00:28:41,159

church

738

00:28:46,190 --> 00:28:43,559

and somehow feels it so great that that

739

00:28:48,470 --> 00:28:46,200

it's this encounter

740

00:28:49,669 --> 00:28:48,480

they know it is real and I'm not saying

741

00:28:53,810 --> 00:28:49,679

again anything in church or whatever

742

00:28:56,990 --> 00:28:53,820

kill me after the show but you're fine

743

00:28:59,210 --> 00:28:57,000

do you think just that um this whole um

744

00:29:02,390 --> 00:28:59,220

like all the people some of them that

745

00:29:04,850 --> 00:29:02,400

you mentioned like Nolan of valet a lot

746

00:29:07,010 --> 00:29:04,860

of them were involved in like secret

747

00:29:08,930 --> 00:29:07,020

um psychic stuff and also in

748

00:29:11,149 --> 00:29:08,940

psychological warfare like that goes

749

00:29:13,630 --> 00:29:11,159

back to nightcap

750

00:29:17,269 --> 00:29:13,640

um and also many technology um

751

00:29:19,970 --> 00:29:17,279

engineers and Military uh Lockheed

752

00:29:23,210 --> 00:29:19,980

Martin or NASA people as well do you

753

00:29:24,529 --> 00:29:23,220

think that this is all kind of a um

754

00:29:26,269 --> 00:29:24,539

do you think there's like some sort of

755

00:29:28,909 --> 00:29:26,279

coordinated effort here or is it just

756

00:29:31,669 --> 00:29:28,919

kind of fragmented groups of people kind

757

00:29:36,010 --> 00:29:31,679

of with a sort of converging set of

758

00:29:42,669 --> 00:29:39,110

I definitely do not think there's some

759

00:29:46,010 --> 00:29:42,679

top-down effort like Werner Von Brown

760

00:29:47,149 --> 00:29:46,020

conspiracy the UFO Legend with character

761

00:29:50,510 --> 00:29:47,159

you know

762

00:29:52,669 --> 00:29:50,520

Carol rosin and I don't think that's

763

00:29:54,289 --> 00:29:52,679

even close to legitimate do I think that

764

00:29:55,669 --> 00:29:54,299

it can be pitched that way as easy as a

765

00:29:56,930 --> 00:29:55,679

person with really good creds going on

766

00:30:01,370 --> 00:29:56,940

some

767

00:30:02,870 --> 00:30:01,380

degree absolutely I mean look look how

768

00:30:06,230 --> 00:30:02,880

easy people that are seemingly

769

00:30:08,149 --> 00:30:06,240

unaffiliated with anything uh can sway a

770

00:30:09,830 --> 00:30:08,159

narrative for years like it's been like

771

00:30:11,810 --> 00:30:09,840

five and a half years now or six years

772

00:30:14,450 --> 00:30:11,820

now of this whole thing and it's still

773

00:30:16,190 --> 00:30:14,460

going and to some degree but um I do

774

00:30:18,049 --> 00:30:16,200

think people are advantageous as hell

775

00:30:19,430 --> 00:30:18,059

and certainly certainly places that are

776

00:30:22,250 --> 00:30:19,440

involved with this very thing because

777

00:30:23,630 --> 00:30:22,260

uas has been in our lives for so long

778

00:30:25,430 --> 00:30:23,640

and I'm not saying that all of ethology

779

00:30:27,169 --> 00:30:25,440

is ues but it's such a part of it

780

00:30:29,630 --> 00:30:27,179

especially with the emergence of

781

00:30:33,169 --> 00:30:29,640

swarming technology from countries that

782

00:30:35,029 --> 00:30:33,179

now can afford like an Air Force that is

783

00:30:36,590 --> 00:30:35,039

like 10 times the size of the United

784

00:30:37,669 --> 00:30:36,600

States if they really wanted to I mean

785

00:30:39,769 --> 00:30:37,679

just because we don't they don't have to

786

00:30:41,149 --> 00:30:39,779

print things out of the material that we

787

00:30:44,389 --> 00:30:41,159

might own or something in it now that's

788

00:30:46,310 --> 00:30:44,399

ridiculous to think about but it's

789

00:30:48,169 --> 00:30:46,320

you know it's it's a different time and

790

00:30:50,210 --> 00:30:48,179

and because these technologies have been

791

00:30:51,529 --> 00:30:50,220

and and the software that runs them have

792

00:30:55,610 --> 00:30:51,539

been in uh

793

00:30:57,230 --> 00:30:55,620

uh you know uh probably used

794

00:30:59,029 --> 00:30:57,240

well I know how they're being used by

795

00:31:00,830 --> 00:30:59,039

civilians now but but probably being

796

00:31:02,510 --> 00:31:00,840

used in ways that we wouldn't want to

797

00:31:04,010 --> 00:31:02,520

know about our broadcast for a long time

798

00:31:05,330 --> 00:31:04,020

because they're involved with some of

799

00:31:07,430 --> 00:31:05,340

the most sensitive operations out there

800

00:31:09,889 --> 00:31:07,440

I mean that's why we end up finding out

801
00:31:12,110 --> 00:31:09,899
about things like the manta ray uh like

802
00:31:13,850 --> 00:31:12,120
45 years later or something you find out

803
00:31:16,130 --> 00:31:13,860
this little tiny uavs flying around in

804
00:31:17,389 --> 00:31:16,140
the 70s and it's completely stealth it

805
00:31:19,909 --> 00:31:17,399
can get by anything and you can pretty

806
00:31:21,230 --> 00:31:19,919
much load what you want on it and you

807
00:31:22,850 --> 00:31:21,240
know it's

808
00:31:24,529 --> 00:31:22,860
I don't know I just don't think I just

809
00:31:26,450 --> 00:31:24,539
think it's at a you know a few things

810
00:31:29,330 --> 00:31:26,460
had to go down and and public awareness

811
00:31:31,250 --> 00:31:29,340
of like you uh how we can't defend

812
00:31:33,230 --> 00:31:31,260
against swarms we can't defend against

813
00:31:34,909 --> 00:31:33,240

all this stuff it's impossible the way

814

00:31:36,169 --> 00:31:34,919

we have our infrastructure it's insanely

815

00:31:37,730 --> 00:31:36,179

impossible if you really think about

816

00:31:39,710 --> 00:31:37,740

what a swarm could do with a little

817

00:31:41,690 --> 00:31:39,720

explosive on each of them to a sensitive

818

00:31:44,930 --> 00:31:41,700

government location that has a bunch of

819

00:31:47,029 --> 00:31:44,940

old like security guards like our

820

00:31:48,889 --> 00:31:47,039

special forces 40 years ago like you

821

00:31:50,090 --> 00:31:48,899

know like sitting on the place guarding

822

00:31:52,130 --> 00:31:50,100

what are they gonna do shoot him out of

823

00:31:54,590 --> 00:31:52,140

this guy it ain't gonna happen this is a

824

00:31:56,630 --> 00:31:54,600

terrifying time to recognize what we

825

00:31:58,669 --> 00:31:56,640

probably should have

826

00:32:01,130 --> 00:31:58,679

if I had my weight it would have adapted

827

00:32:02,990 --> 00:32:01,140

it into society a long time ago and had

828

00:32:04,250 --> 00:32:03,000

you know the you know the worlds figure

829

00:32:06,590 --> 00:32:04,260

out what to do with these things and

830

00:32:08,990 --> 00:32:06,600

make us a lot better and at certain

831

00:32:11,029 --> 00:32:09,000

things but no I don't I don't think uh

832

00:32:12,529 --> 00:32:11,039

since some sort of effort but I do think

833

00:32:13,730 --> 00:32:12,539

people will definitely take advantage of

834

00:32:15,110 --> 00:32:13,740

something that's happening and it's been

835

00:32:17,269 --> 00:32:15,120

happening and they

836

00:32:18,529 --> 00:32:17,279

and they know it is and it's it's out

837

00:32:19,669 --> 00:32:18,539

there the information is out there too

838

00:32:20,870 --> 00:32:19,679

for the public but most people aren't

839

00:32:22,070 --> 00:32:20,880

going to read this crap on the internet

840

00:32:24,830 --> 00:32:22,080

they don't

841

00:32:26,990 --> 00:32:24,840

they could care less well Jeff you uh

842

00:32:28,970 --> 00:32:27,000

mentioned incendiary bombs from the

843

00:32:32,090 --> 00:32:28,980

Imperial Japanese Army in World War II

844

00:32:34,370 --> 00:32:32,100

and those were born out of a top secret

845

00:32:36,470 --> 00:32:34,380

atmospheric science program they

846

00:32:39,529 --> 00:32:36,480

discovered the jet stream and

847

00:32:41,510 --> 00:32:39,539

immediately militarized it and there's a

848

00:32:44,870 --> 00:32:41,520

very long history of atmospheric science

849

00:32:47,870 --> 00:32:44,880

being at the top levels of secrecy David

850

00:32:49,850 --> 00:32:47,880

T Griggs geophysicist UCLA was one of

851

00:32:52,610 --> 00:32:49,860

the co-founders of Rand extremely

852

00:32:53,930 --> 00:32:52,620

knowledgeable on atmospheric

853

00:32:54,950 --> 00:32:53,940

um you know and then related to that we

854

00:32:56,810 --> 00:32:54,960

have a bunch of National Security

855

00:33:00,350 --> 00:32:56,820

documents that present a pretty

856

00:33:02,810 --> 00:33:00,360

compelling argument saying that

857

00:33:05,029 --> 00:33:02,820

um the UFO subject could be exploited by

858

00:33:07,190 --> 00:33:05,039

foreign powers to have people interested

859

00:33:09,889 --> 00:33:07,200

in UFOs dig up

860

00:33:11,750 --> 00:33:09,899

block projects through filing freedom

861

00:33:13,730 --> 00:33:11,760

information act requests to try to get

862

00:33:16,669 --> 00:33:13,740

out to you at the real UFO thing or

863

00:33:18,169 --> 00:33:16,679

whatever so like you know there are real

864

00:33:20,930 --> 00:33:18,179

legitimate National Security issues

865

00:33:23,149 --> 00:33:20,940

going on here we are sort of touching on

866

00:33:24,590 --> 00:33:23,159

things that we know they don't really uh

867

00:33:27,590 --> 00:33:24,600

you know for violence reasons don't want

868

00:33:29,870 --> 00:33:27,600

people to be poking at um what's your

869

00:33:31,850 --> 00:33:29,880

sort of like rationale for focusing in

870

00:33:35,990 --> 00:33:31,860

on this kind of project

871

00:33:41,090 --> 00:33:38,690

um I don't know I I have a lot of I have

872

00:33:43,909 --> 00:33:41,100

I have a lot of people I have a lot of

873

00:33:44,990 --> 00:33:43,919

fun I want to fix unresolved problems I

874

00:33:46,789 --> 00:33:45,000

don't know what's wrong with me I just

875

00:33:49,250 --> 00:33:46,799

like to do that I have a I have a

876

00:33:52,850 --> 00:33:49,260

problem with that uh uh you know that

877

00:33:56,029 --> 00:33:52,860

old expression uh in boxing if they

878

00:33:58,370 --> 00:33:56,039

reach you gotta teach and uh

879

00:34:00,169 --> 00:33:58,380

it just reminds me of so many times like

880

00:34:02,330 --> 00:34:00,179

growing up where I was involved with

881

00:34:04,549 --> 00:34:02,340

like a paranormal topic where someone

882

00:34:07,310 --> 00:34:04,559

knew I didn't know

883

00:34:09,050 --> 00:34:07,320

someone out there in the group that I

884

00:34:11,629 --> 00:34:09,060

was with standing on this ancient

885

00:34:14,030 --> 00:34:11,639

Monument or in this little tunnel that

886

00:34:17,149 --> 00:34:14,040

was supposedly used or whatever though

887

00:34:19,609 --> 00:34:17,159

and uh and you know and and someone and

888

00:34:21,530 --> 00:34:19,619

they didn't tell me they sold it as some

889

00:34:23,629 --> 00:34:21,540

sort of horse crap that I that you know

890

00:34:26,149 --> 00:34:23,639

that was just and I little by little I

891

00:34:27,530 --> 00:34:26,159

would see that of all and I and I and I

892

00:34:30,770 --> 00:34:27,540

just said I've been interested in this

893

00:34:32,290 --> 00:34:30,780

topic in general uh you know since my

894

00:34:35,329 --> 00:34:32,300

childhood and had a weird experiences

895

00:34:37,609 --> 00:34:35,339

and like strange enough that I in

896

00:34:40,369 --> 00:34:37,619

general would spend a lifetime talking

897

00:34:42,050 --> 00:34:40,379

about it and uh looking into it but also

898

00:34:44,210 --> 00:34:42,060

then I spent time in the military and

899

00:34:45,829 --> 00:34:44,220

deployed and seeing what it was like

900

00:34:47,570 --> 00:34:45,839

working on the tail end of a DARPA

901
00:34:50,510 --> 00:34:47,580
program and I'm just like

902
00:34:51,950 --> 00:34:50,520
oh my God it's obvious it's more than

903
00:34:53,869 --> 00:34:51,960
obvious

904
00:34:55,369 --> 00:34:53,879
um I still am open though to the idea

905
00:34:56,510 --> 00:34:55,379
that aliens could come here I'm not one

906
00:34:58,190 --> 00:34:56,520
of these people that are super into the

907
00:35:00,410 --> 00:34:58,200
Consciousness aspect of anything and all

908
00:35:02,329 --> 00:35:00,420
that stuff the uh esoteric topics of it

909
00:35:03,650 --> 00:35:02,339
mostly because as a sailor I've said

910
00:35:05,510 --> 00:35:03,660
this so many times in my show I know

911
00:35:07,430 --> 00:35:05,520
what it's like to look at land for days

912
00:35:10,069 --> 00:35:07,440
and never be able to get there

913
00:35:12,470 --> 00:35:10,079

um and it's like look at

914

00:35:14,210 --> 00:35:12,480

when in 1995 you go to a Princeton

915

00:35:18,050 --> 00:35:14,220

website and it would tell you there was

916

00:35:21,230 --> 00:35:18,060

like 300 exoplanets have been discovered

917

00:35:22,849 --> 00:35:21,240

this is crazy it's not just us it's not

918

00:35:24,470 --> 00:35:22,859

just like that's like what it was like

919

00:35:27,710 --> 00:35:24,480

and then that all kind of went away now

920

00:35:30,530 --> 00:35:27,720

it's like 3048 have been discovered 3

921

00:35:33,050 --> 00:35:30,540

000 it's like no one cares and to me all

922

00:35:35,630 --> 00:35:33,060

I'm thinking is that's land out there

923

00:35:37,730 --> 00:35:35,640

like land oh my God that's land out

924

00:35:39,470 --> 00:35:37,740

there and we're gonna skip right all

925

00:35:41,329 --> 00:35:39,480

past the idea that something might be

926

00:35:42,410 --> 00:35:41,339

just slightly older than us since we

927

00:35:44,450 --> 00:35:42,420

know we can send something to another

928

00:35:47,810 --> 00:35:44,460

star system in a relatively short time

929

00:35:50,410 --> 00:35:47,820

uh Yuri Mildred's project Yuri Milner's

930

00:35:53,210 --> 00:35:50,420

project with uh with um

931

00:35:55,790 --> 00:35:53,220

yeah and uh what the hell is a star star

932

00:35:57,230 --> 00:35:55,800

shot what is it uh I believe so yeah

933

00:35:59,690 --> 00:35:57,240

yeah and there's just so many other

934

00:36:01,730 --> 00:35:59,700

obvious advancements and as the as that

935

00:36:03,770 --> 00:36:01,740

you know that

936

00:36:05,089 --> 00:36:03,780

The Story Goes about sending things far

937

00:36:06,109 --> 00:36:05,099

off and away and fast and you're just

938

00:36:08,450 --> 00:36:06,119

going to keep getting better and better

939

00:36:11,930 --> 00:36:08,460

it's like you know that that is

940

00:36:14,329 --> 00:36:11,940

happening but it's happening so so fast

941

00:36:16,490 --> 00:36:14,339

that I Believe In Our Lifetime we will

942

00:36:18,650 --> 00:36:16,500

have been close or gained something back

943

00:36:20,450 --> 00:36:18,660

from some other something rather

944

00:36:22,010 --> 00:36:20,460

incredible out there that's moving at

945

00:36:23,569 --> 00:36:22,020

least in a way that uh that we need to

946

00:36:24,410 --> 00:36:23,579

send something out of our solution to

947

00:36:26,750 --> 00:36:24,420

see

948

00:36:28,250 --> 00:36:26,760

um because we can I mean it's not that's

949

00:36:29,750 --> 00:36:28,260

the thing too I just had so many

950

00:36:31,370 --> 00:36:29,760

conversations with so many people that

951
00:36:32,510 --> 00:36:31,380
worked in engineering Aerospace my

952
00:36:33,829 --> 00:36:32,520
entire life and they'll always say the

953
00:36:35,210 --> 00:36:33,839
same thing they were like

954
00:36:36,770 --> 00:36:35,220
what do you mean we can't get to other

955
00:36:39,349 --> 00:36:36,780
star systems

956
00:36:40,670 --> 00:36:39,359
put up the money let's do it like they

957
00:36:42,170 --> 00:36:40,680
know they like they're not they're not

958
00:36:43,790 --> 00:36:42,180
the ones that don't think they can do it

959
00:36:46,430 --> 00:36:43,800
it's like the it's like this just this

960
00:36:48,650 --> 00:36:46,440
thing we say can't do it too far

961
00:36:51,470 --> 00:36:48,660
and it's just it's just kind of the same

962
00:36:52,550 --> 00:36:51,480
concept of like we we fly I oh I'm gonna

963
00:36:54,349 --> 00:36:52,560

do it I'm gonna try not to break into

964

00:36:56,630 --> 00:36:54,359

one of my things we get on these awful

965

00:36:59,569 --> 00:36:56,640

airplanes I love it I should be grateful

966

00:37:02,270 --> 00:36:59,579

we can fly across the country we're not

967

00:37:04,790 --> 00:37:02,280

on horses we're not on car in car we can

968

00:37:06,890 --> 00:37:04,800

fly it's great but they're awful they're

969

00:37:10,370 --> 00:37:06,900

slow we could have been flying a lot

970

00:37:13,130 --> 00:37:10,380

faster we were as humans we will we will

971

00:37:15,650 --> 00:37:13,140

disable our own ourselves for the uh you

972

00:37:18,050 --> 00:37:15,660

know and and and cannibalize our own

973

00:37:20,270 --> 00:37:18,060

markets just to like slow something down

974

00:37:21,349 --> 00:37:20,280

and complain about loud noises meanwhile

975

00:37:23,030 --> 00:37:21,359

we could be flying around the world

976

00:37:25,670 --> 00:37:23,040

really really quickly like we've been

977

00:37:26,930 --> 00:37:25,680

this is old technology and for some

978

00:37:29,089 --> 00:37:26,940

reason we're pretending the Chinese have

979

00:37:31,069 --> 00:37:29,099

leapfrogged us and it's just I don't

980

00:37:32,450 --> 00:37:31,079

know

981

00:37:34,910 --> 00:37:32,460

Jeff we're getting a couple questions

982

00:37:37,010 --> 00:37:34,920

from the audience the first is from the

983

00:37:39,109 --> 00:37:37,020

earth can you describe some of your

984

00:37:42,109 --> 00:37:39,119

experiences particularly the triangle

985

00:37:47,569 --> 00:37:44,810

um it was a dark and stormy

986

00:37:49,910 --> 00:37:47,579

actually well it wasn't uh I was driving

987

00:37:51,829 --> 00:37:49,920

home summer I believe 1997 I think I I

988

00:37:54,050 --> 00:37:51,839

think I know it was 1997 because my

989

00:37:56,329 --> 00:37:54,060

brother had brought home Ultima Online

990

00:37:59,630 --> 00:37:56,339

in Alpha and we were playing the first

991

00:38:01,010 --> 00:37:59,640

world MMO it was great and uh I remember

992

00:38:02,510 --> 00:38:01,020

he played it we played it there was like

993

00:38:04,849 --> 00:38:02,520

20 people it was like a living world

994

00:38:06,230 --> 00:38:04,859

literally like in my mind as a child I'm

995

00:38:07,550 --> 00:38:06,240

seeing another dimension with an

996

00:38:09,349 --> 00:38:07,560

ecosystem and it was just great I

997

00:38:12,349 --> 00:38:09,359

remember these days very vividly I was

998

00:38:16,010 --> 00:38:12,359

you know anyways but I uh we come home

999

00:38:17,150 --> 00:38:16,020

to feed the horses and um and uh right

1000

00:38:20,390 --> 00:38:17,160

at the end of the day and the sun's

1001
00:38:23,150 --> 00:38:20,400
going down in Massachusetts and this

1002
00:38:25,069 --> 00:38:23,160
freaking triangle

1003
00:38:27,589 --> 00:38:25,079
shaped aircraft you could clearly see it

1004
00:38:29,569 --> 00:38:27,599
was a black aircraft Blue Sky white

1005
00:38:32,750 --> 00:38:29,579
lights on it way up there like like we

1006
00:38:33,890 --> 00:38:32,760
lived outside of Boston we know not we

1007
00:38:35,510 --> 00:38:33,900
don't know like I'm not saying like I

1008
00:38:37,310 --> 00:38:35,520
know because clearly everyone can

1009
00:38:39,250 --> 00:38:37,320
misidentify things in the sky

1010
00:38:41,329 --> 00:38:39,260
we can spend five years talking about

1011
00:38:42,349 --> 00:38:41,339
radar decoys

1012
00:38:43,970 --> 00:38:42,359
um

1013
00:38:46,370 --> 00:38:43,980

I looked up it looked like plane height

1014

00:38:47,630 --> 00:38:46,380

it was 7 000 feet up roughly that's what

1015

00:38:48,890 --> 00:38:47,640

it looked like to me it looked like the

1016

00:38:51,290 --> 00:38:48,900

same height we would see planes

1017

00:38:53,450 --> 00:38:51,300

constantly fly over this town in

1018

00:38:56,690 --> 00:38:53,460

Massachusetts and uh the bridge you know

1019

00:38:59,750 --> 00:38:56,700

Bridgewater area of Massachusetts and uh

1020

00:39:03,589 --> 00:38:59,760

and we took a few steps and I remember

1021

00:39:05,329 --> 00:39:03,599

this is a vivid memory just as Vivid is

1022

00:39:07,670 --> 00:39:05,339

seeing the craft up close this aircraft

1023

00:39:10,130 --> 00:39:07,680

I look over when we're at the corner of

1024

00:39:11,870 --> 00:39:10,140

the garage and I look over to the swamp

1025

00:39:13,370 --> 00:39:11,880

that's in my yard and we called it a

1026
00:39:14,210 --> 00:39:13,380
pond when we were trying to sell the

1027
00:39:17,270 --> 00:39:14,220
place

1028
00:39:19,370 --> 00:39:17,280
um and uh it was

1029
00:39:22,130 --> 00:39:19,380
all the trees were smashing together

1030
00:39:24,470 --> 00:39:22,140
like like literally like whamming

1031
00:39:25,670 --> 00:39:24,480
together and my mother and I both were

1032
00:39:26,750 --> 00:39:25,680
like what the heck and all of a sudden I

1033
00:39:29,930 --> 00:39:26,760
heard her

1034
00:39:32,329 --> 00:39:29,940
yell holy [\h__\h] as loud as possible uh

1035
00:39:33,650 --> 00:39:32,339
she yelled it as loud as possible and

1036
00:39:34,970 --> 00:39:33,660
she was just looking like this and I

1037
00:39:37,310 --> 00:39:34,980
looked up and this thing was no longer

1038
00:39:40,310 --> 00:39:37,320

like way up in the sky it was it was way

1039

00:39:41,569 --> 00:39:40,320

closer I mean even she says to this day

1040

00:39:43,970 --> 00:39:41,579

that it was only a few hundred feet over

1041

00:39:45,650 --> 00:39:43,980

the trees and it was like it to us it

1042

00:39:47,810 --> 00:39:45,660

was like someone had you know someone's

1043

00:39:49,670 --> 00:39:47,820

blimp was gonna crash on our heads and

1044

00:39:51,410 --> 00:39:49,680

she didn't do like what's classic in the

1045

00:39:54,650 --> 00:39:51,420

movie she didn't freeze

1046

00:39:55,490 --> 00:39:54,660

and just oh I could she she screamed and

1047

00:39:59,990 --> 00:39:55,500

ran

1048

00:40:03,650 --> 00:40:00,000

sat there oh like you know this is

1049

00:40:06,290 --> 00:40:03,660

awesome and it listen my memory is is

1050

00:40:08,089 --> 00:40:06,300

just is uh broken as everyone else is on

1051

00:40:09,710 --> 00:40:08,099

the planet and I have told the same

1052

00:40:11,150 --> 00:40:09,720

story so I'm probably repeating more of

1053

00:40:12,410 --> 00:40:11,160

the story than the actual memory I mean

1054

00:40:15,589 --> 00:40:12,420

what am I supposed to do go back to the

1055

00:40:19,190 --> 00:40:15,599

past and relive it it's impossible but

1056

00:40:22,190 --> 00:40:19,200

this thing was cool enough to

1057

00:40:24,890 --> 00:40:22,200

I just remember once a couple things in

1058

00:40:27,470 --> 00:40:24,900

in this instant uh and one of them was

1059

00:40:29,930 --> 00:40:27,480

that it slid sideways it's it literally

1060

00:40:32,329 --> 00:40:29,940

looked like it went and like slid down

1061

00:40:34,430 --> 00:40:32,339

sideways and like leveled back out and

1062

00:40:35,690 --> 00:40:34,440

then cocked a little bit to the to the

1063

00:40:37,069 --> 00:40:35,700

field across the street and it was right

1064

00:40:38,870 --> 00:40:37,079

over our swamp now and we're looking at

1065

00:40:41,030 --> 00:40:38,880

from the side it was uh I have all these

1066

00:40:41,810 --> 00:40:41,040

goofy drawings on my computer

1067

00:40:44,030 --> 00:40:41,820

um but

1068

00:40:47,089 --> 00:40:44,040

it was uh

1069

00:40:50,750 --> 00:40:47,099

it looked like a solid aircraft

1070

00:40:52,790 --> 00:40:50,760

it had the it was all black uh uh

1071

00:40:54,170 --> 00:40:52,800

gunmetal black the Sun was shining out

1072

00:40:55,910 --> 00:40:54,180

the front of it and when the sun was

1073

00:40:58,010 --> 00:40:55,920

hitting it right off the front it wasn't

1074

00:41:01,010 --> 00:40:58,020

black you could clearly see just like if

1075

00:41:02,329 --> 00:41:01,020

you have like a standard issue M M4 from

1076

00:41:04,069 --> 00:41:02,339

the Army and looked at it with a light

1077

00:41:06,710 --> 00:41:04,079

on it doesn't look black it looks almost

1078

00:41:08,569 --> 00:41:06,720

like shiny it's like a it's a metallic

1079

00:41:10,430 --> 00:41:08,579

looking uh

1080

00:41:13,069 --> 00:41:10,440

whatever anyways um but uh this thing

1081

00:41:14,810 --> 00:41:13,079

was um once it started moving forward

1082

00:41:18,050 --> 00:41:14,820

I could see the rear end of it and the

1083

00:41:21,650 --> 00:41:18,060

rear end of it wasn't black it was

1084

00:41:24,349 --> 00:41:21,660

bare metal color and it uh like silver

1085

00:41:25,490 --> 00:41:24,359

metal like in it I've I've this is the

1086

00:41:27,470 --> 00:41:25,500

way I've described it he's not as a

1087

00:41:29,510 --> 00:41:27,480

child like you know like toenail

1088

00:41:30,890 --> 00:41:29,520

clippers with a curved front to them you

1089

00:41:33,050 --> 00:41:30,900

know what I mean it looked like someone

1090

00:41:34,430 --> 00:41:33,060

had gone up and cut

1091

00:41:36,170 --> 00:41:34,440

like that's what it looked like it

1092

00:41:38,150 --> 00:41:36,180

looked like these even Cuts in the back

1093

00:41:39,829 --> 00:41:38,160

where it almost like pinched the metal a

1094

00:41:41,510 --> 00:41:39,839

little bit and you could see that it was

1095

00:41:43,849 --> 00:41:41,520

it looked like it was like broken off

1096

00:41:46,250 --> 00:41:43,859

like but it was at perfect lines up the

1097

00:41:47,930 --> 00:41:46,260

back of it and it just carried on the

1098

00:41:50,510 --> 00:41:47,940

the lights weren't some sort of magical

1099

00:41:51,890 --> 00:41:50,520

light to the today I even my mother she

1100

00:41:53,510 --> 00:41:51,900

was like they they remind me of like

1101
00:41:55,490 --> 00:41:53,520
what LEDs look like today you know like

1102
00:41:57,410 --> 00:41:55,500
powerful LEDs that's all she described

1103
00:41:58,609 --> 00:41:57,420
it like and so I don't like attribute

1104
00:42:01,849 --> 00:41:58,619
anything to like some they were the

1105
00:42:03,829 --> 00:42:01,859
power source they look like lights and

1106
00:42:05,390 --> 00:42:03,839
um and it just flew off in front of us

1107
00:42:06,710 --> 00:42:05,400
and we watched it we just watched it

1108
00:42:08,030 --> 00:42:06,720
flying over the trees heading right to

1109
00:42:10,550 --> 00:42:08,040
the nursing home but it followed the

1110
00:42:13,970 --> 00:42:10,560
water kind of like right right along and

1111
00:42:16,730 --> 00:42:13,980
uh and I spent my life hounding Otis Air

1112
00:42:18,170 --> 00:42:16,740
Force Base and and uh trying to trip

1113
00:42:21,050 --> 00:42:18,180

them up and see if I was going to get

1114

00:42:22,849 --> 00:42:21,060

you know figure out if they were gonna

1115

00:42:24,470 --> 00:42:22,859

Spill the Beans the kid on the phone

1116

00:42:29,150 --> 00:42:24,480

finally they're gonna figure out if you

1117

00:42:31,609 --> 00:42:29,160

know oh this is a an adult you know that

1118

00:42:35,630 --> 00:42:31,619

type of ridiculous stuff and uh you know

1119

00:42:38,150 --> 00:42:35,640

it's uh it never worked but um there was

1120

00:42:40,310 --> 00:42:38,160

also I I just I just kind of grew up in

1121

00:42:44,750 --> 00:42:40,320

seeing ufology in a regional place and

1122

00:42:50,630 --> 00:42:48,109

the people around here are

1123

00:42:52,130 --> 00:42:50,640

the it's it's a they're very paranormal

1124

00:42:53,510 --> 00:42:52,140

people I don't know if you would say if

1125

00:42:55,609 --> 00:42:53,520

I could say that right that's it like

1126

00:42:57,890 --> 00:42:55,619

like most people around here

1127

00:42:59,569 --> 00:42:57,900

we'll we'll say like ultimately I mean

1128

00:43:01,309 --> 00:42:59,579

yeah ghosts probably exists like they'll

1129

00:43:03,410 --> 00:43:01,319

use ghosts like the word like the word

1130

00:43:05,030 --> 00:43:03,420

and then like it means something

1131

00:43:07,490 --> 00:43:05,040

like there's an actual thing walking

1132

00:43:11,089 --> 00:43:07,500

around like entities and those things

1133

00:43:13,430 --> 00:43:11,099

kind of made me ride the idea that that

1134

00:43:15,950 --> 00:43:13,440

could be something else for a long time

1135

00:43:18,050 --> 00:43:15,960

and I still don't know but

1136

00:43:19,490 --> 00:43:18,060

it was as legit as as it could be when

1137

00:43:21,470 --> 00:43:19,500

it comes to a close encounter with a

1138

00:43:23,030 --> 00:43:21,480

with a with an aircraft up close and we

1139

00:43:25,790 --> 00:43:23,040

measure the distance it looked from over

1140

00:43:28,010 --> 00:43:25,800

our house to the Dead End Road and um

1141

00:43:30,710 --> 00:43:28,020

right near us and it just was

1142

00:43:32,390 --> 00:43:30,720

awesome regardless if it was human made

1143

00:43:34,550 --> 00:43:32,400

if it was alien or whatever it was it

1144

00:43:35,809 --> 00:43:34,560

was awesome I'll just say that

1145

00:43:37,190 --> 00:43:35,819

um but

1146

00:43:38,750 --> 00:43:37,200

having seen what I've seen after all

1147

00:43:42,170 --> 00:43:38,760

these years I would not be surprised if

1148

00:43:44,089 --> 00:43:42,180

if like GE had something locked up in a

1149

00:43:45,410 --> 00:43:44,099

patent for forever had produced it and

1150

00:43:47,390 --> 00:43:45,420

was like you know what we'll wait till

1151
00:43:49,130 --> 00:43:47,400
the market wants to use this and they

1152
00:43:50,690 --> 00:43:49,140
feel ready for that you know there's a

1153
00:43:52,730 --> 00:43:50,700
lot of entitlement happening out there

1154
00:43:54,170 --> 00:43:52,740
in the Aerospace World for for the

1155
00:43:56,930 --> 00:43:54,180
future of Aerospace

1156
00:43:58,730 --> 00:43:56,940
did anyone else see that anyone else in

1157
00:44:01,010 --> 00:43:58,740
the neighborhood no just my mother

1158
00:44:02,930 --> 00:44:01,020
myself and we forever looked at like you

1159
00:44:05,990 --> 00:44:02,940
know new folk reports and things like

1160
00:44:08,270 --> 00:44:06,000
that uh not her I did and uh um to see

1161
00:44:10,550 --> 00:44:08,280
if anything else but my the only thing

1162
00:44:12,290 --> 00:44:10,560
that I can say

1163
00:44:14,930 --> 00:44:12,300

see this this is a problem with it

1164

00:44:17,270 --> 00:44:14,940

because it happened beforehand so a

1165

00:44:19,250 --> 00:44:17,280

woman named Linda Arsenault I shouldn't

1166

00:44:21,470 --> 00:44:19,260

have gave her last name away anyways um

1167

00:44:23,510 --> 00:44:21,480

she's a very nice woman she manages

1168

00:44:25,550 --> 00:44:23,520

horses for professionally really high

1169

00:44:27,770 --> 00:44:25,560

grade you know like Olympic horses and

1170

00:44:29,329 --> 00:44:27,780

there's a place in Massachusetts and if

1171

00:44:31,430 --> 00:44:29,339

you know the area of Bridgewater and

1172

00:44:33,349 --> 00:44:31,440

this hakamak swamp area you'll know that

1173

00:44:34,730 --> 00:44:33,359

these three lights so to speak in this

1174

00:44:35,690 --> 00:44:34,740

other this triangle has been seen there

1175

00:44:37,910 --> 00:44:35,700

but I don't really care about other

1176
00:44:41,210 --> 00:44:37,920
people's cases so much except Linda's

1177
00:44:43,910 --> 00:44:41,220
because she called my mother

1178
00:44:45,710 --> 00:44:43,920
yelling about it she called her one day

1179
00:44:47,569 --> 00:44:45,720
a few weeks before saying that these

1180
00:44:49,010 --> 00:44:47,579
balls of light that came out in a

1181
00:44:51,109 --> 00:44:49,020
triangle shape and flew around together

1182
00:44:53,089 --> 00:44:51,119
and then suddenly as she was watching

1183
00:44:55,790 --> 00:44:53,099
them they like burst apart in different

1184
00:44:58,370 --> 00:44:55,800
directions and flew directly at her and

1185
00:44:59,990 --> 00:44:58,380
Campbell they sounded like you know what

1186
00:45:01,790 --> 00:45:00,000
people have described it sounds so much

1187
00:45:03,770 --> 00:45:01,800
like what you've talked about before so

1188
00:45:05,990 --> 00:45:03,780

many times it's unbelievable but because

1189

00:45:08,210 --> 00:45:06,000

they were a triangle she saw them in a

1190

00:45:10,130 --> 00:45:08,220

triangle shape locked together like

1191

00:45:12,589 --> 00:45:10,140

moving together everywhere and not

1192

00:45:15,589 --> 00:45:12,599

enough floaty around possibly Chinese

1193

00:45:17,870 --> 00:45:15,599

lanterns way Lantern way it was it was

1194

00:45:19,370 --> 00:45:17,880

and you know rightfully so because then

1195

00:45:21,050 --> 00:45:19,380

she called us described it and then

1196

00:45:23,690 --> 00:45:21,060

within like two or three weeks after

1197

00:45:25,250 --> 00:45:23,700

that we saw this experience and for some

1198

00:45:28,190 --> 00:45:25,260

reason my mother and her both agreed

1199

00:45:29,569 --> 00:45:28,200

that that was the same thing but I

1200

00:45:32,270 --> 00:45:29,579

didn't see lights

1201

00:45:35,270 --> 00:45:32,280

that I don't know I saw like a physical

1202

00:45:36,770 --> 00:45:35,280

aircraft for me I I didn't to this day I

1203

00:45:39,589 --> 00:45:36,780

still can't really get behind the idea

1204

00:45:42,349 --> 00:45:39,599

that I saw something

1205

00:45:44,270 --> 00:45:42,359

diminishing the light in the sky or

1206

00:45:46,430 --> 00:45:44,280

whatever and it looked like it was an

1207

00:45:47,990 --> 00:45:46,440

aircraft I mean it was on it was moving

1208

00:45:49,130 --> 00:45:48,000

the trees I think I mean it could have

1209

00:45:51,890 --> 00:45:49,140

been I guess it was happening the same

1210

00:45:53,170 --> 00:45:51,900

time could have been the wind but it was

1211

00:45:56,210 --> 00:45:53,180

oh

1212

00:45:59,210 --> 00:45:56,220

I I personally just I I remain open to

1213

00:46:04,250 --> 00:46:01,250

there is just no good reason to release

1214

00:46:05,809 --> 00:46:04,260

the iPhone 50 right now you know not

1215

00:46:08,150 --> 00:46:05,819

when the market in the Market's out

1216

00:46:10,069 --> 00:46:08,160

there you know it's just sorry I've

1217

00:46:12,470 --> 00:46:10,079

Discord thing going off like crazy or

1218

00:46:14,990 --> 00:46:12,480

not get out of here you know well the um

1219

00:46:16,849 --> 00:46:15,000

the Earth actually who uh asked you that

1220

00:46:18,770 --> 00:46:16,859

question about your experience you uh

1221

00:46:20,870 --> 00:46:18,780

shared a

1222

00:46:22,730 --> 00:46:20,880

um an anthropology paper recently it's

1223

00:46:23,870 --> 00:46:22,740

alienation and Aliens compared a study

1224

00:46:25,970 --> 00:46:23,880

of narratives of abduction and

1225

00:46:27,530 --> 00:46:25,980

historical African and UFO experiences

1226

00:46:29,930 --> 00:46:27,540

and I thought it was really neat that

1227

00:46:32,530 --> 00:46:29,940

you were describing the cultural context

1228

00:46:35,030 --> 00:46:32,540

when you first interpreted your

1229

00:46:36,950 --> 00:46:35,040

experience uh because in here the author

1230

00:46:39,650 --> 00:46:36,960

writes that

1231

00:46:41,930 --> 00:46:39,660

um believed narratives are formed around

1232

00:46:44,809 --> 00:46:41,940

cultural and historical occurrences

1233

00:46:47,990 --> 00:46:44,819

occurrences which relate extraordinary

1234

00:46:50,329 --> 00:46:48,000

phenomena to pre-existing patterns of

1235

00:46:52,490 --> 00:46:50,339

social relation so you had an

1236

00:46:54,170 --> 00:46:52,500

extraordinary experience and your

1237

00:46:56,930 --> 00:46:54,180

cultural context shaped that

1238

00:46:58,069 --> 00:46:56,940

interpretation of that experience and my

1239

00:47:01,069 --> 00:46:58,079

understanding is that your

1240

00:47:03,770 --> 00:47:01,079

interpretation shifted over time and I

1241

00:47:07,250 --> 00:47:03,780

would love to hear your description of

1242

00:47:12,010 --> 00:47:07,260

what produced that change

1243

00:47:17,390 --> 00:47:14,809

uh encountering charlatans for too long

1244

00:47:18,890 --> 00:47:17,400

uh would be the basic answer

1245

00:47:23,030 --> 00:47:18,900

um just encountering liars like I was

1246

00:47:28,190 --> 00:47:25,730

um you know I I just uh I just don't see

1247

00:47:29,809 --> 00:47:28,200

any reason why we can't do the things

1248

00:47:31,309 --> 00:47:29,819

that have been claimed so often by

1249

00:47:33,650 --> 00:47:31,319

ufology

1250

00:47:35,569 --> 00:47:33,660

um and I'm I don't work in Aerospace I I

1251

00:47:36,829 --> 00:47:35,579

was in the military and I've certainly

1252

00:47:38,150 --> 00:47:36,839

been out of the military a lot longer

1253

00:47:39,410 --> 00:47:38,160

than I was in the military so whatever

1254

00:47:41,630 --> 00:47:39,420

that means

1255

00:47:43,609 --> 00:47:41,640

um you know I've served in the civilian

1256

00:47:46,730 --> 00:47:43,619

life just as long as I've realized but

1257

00:47:48,770 --> 00:47:46,740

it's it's it's it's I just don't see why

1258

00:47:50,390 --> 00:47:48,780

humans can't do what's been claimed and

1259

00:47:53,089 --> 00:47:50,400

if you look at everything that's been

1260

00:47:54,290 --> 00:47:53,099

said there is a wave Gap there's a

1261

00:47:56,329 --> 00:47:54,300

little bit of a wave Gap with a lot of

1262

00:47:58,730 --> 00:47:56,339

things but if you look hard enough

1263

00:48:00,470 --> 00:47:58,740

we were trying most things that we have

1264

00:48:01,910 --> 00:48:00,480

today that we see like these awesome

1265

00:48:03,710 --> 00:48:01,920

inventions that we have in our hands

1266

00:48:05,809 --> 00:48:03,720

there was someone doing it in a folk

1267

00:48:07,550 --> 00:48:05,819

Tech way someone had figured it out

1268

00:48:09,710 --> 00:48:07,560

before I mean these aren't like just

1269

00:48:12,349 --> 00:48:09,720

some of them are in certain ways but

1270

00:48:14,510 --> 00:48:12,359

most of them you know are not one-offs

1271

00:48:19,010 --> 00:48:17,150

to me I just am so I spent every single

1272

00:48:20,990 --> 00:48:19,020

day now trying to like create a business

1273

00:48:23,270 --> 00:48:21,000

out of my little show and I get to sit

1274

00:48:25,910 --> 00:48:23,280

in Marvel of human accomplishment and I

1275

00:48:28,910 --> 00:48:25,920

wish that I could go look at the

1276

00:48:30,890 --> 00:48:28,920

the history of alien science and

1277

00:48:33,410 --> 00:48:30,900

engineering I wish I could but I I don't

1278

00:48:35,030 --> 00:48:33,420

have any of that and I I just feel in

1279

00:48:36,290 --> 00:48:35,040

general that even though I had some

1280

00:48:38,990 --> 00:48:36,300

pretty remarkable experiences I'll

1281

00:48:40,550 --> 00:48:39,000

remain open to Something That We're we

1282

00:48:41,809 --> 00:48:40,560

don't understand yet I mean for gosh

1283

00:48:43,910 --> 00:48:41,819

sakes

1284

00:48:45,290 --> 00:48:43,920

I mean we don't I mean you people all

1285

00:48:47,150 --> 00:48:45,300

know way better than I do look how

1286

00:48:49,730 --> 00:48:47,160

humans have viewed themselves in the

1287

00:48:51,650 --> 00:48:49,740

time they're in and how just how we know

1288

00:48:54,109 --> 00:48:51,660

what we're talking about you know not

1289

00:48:55,790 --> 00:48:54,119

like those ones back there you know and

1290

00:48:59,750 --> 00:48:55,800

we've done that a few times I don't know

1291

00:49:01,329 --> 00:48:59,760

if we uh so I it would not surprise me

1292

00:49:04,430 --> 00:49:01,339

to some degree and I do like Eric

1293

00:49:07,010 --> 00:49:04,440

Weinstein's uh thing he said on Rogan

1294

00:49:08,210 --> 00:49:07,020

thing I watched that little clip I trust

1295

00:49:09,230 --> 00:49:08,220

me I can't get through an episode of

1296

00:49:11,650 --> 00:49:09,240

that

1297

00:49:14,210 --> 00:49:11,660

um uh there is um

1298

00:49:16,069 --> 00:49:14,220

but one day I hope to be on so no I

1299

00:49:17,270 --> 00:49:16,079

didn't mean that I think he's a bright

1300

00:49:19,250 --> 00:49:17,280

guy

1301

00:49:20,569 --> 00:49:19,260

um if you want to sell anything in the

1302

00:49:21,770 --> 00:49:20,579

world one day you can make a name for

1303

00:49:23,329 --> 00:49:21,780

yourself and blame the scientific

1304

00:49:26,150 --> 00:49:23,339

community and hope you land on Rogan and

1305

00:49:28,849 --> 00:49:26,160

then you have launched off career

1306

00:49:33,470 --> 00:49:28,859

uh

1307

00:49:35,390 --> 00:49:33,480

I was saying whatsoever but I I think

1308

00:49:37,910 --> 00:49:35,400

Eric Weinstein kind of hit it though

1309

00:49:39,710 --> 00:49:37,920

when he said that there's uh

1310

00:49:40,970 --> 00:49:39,720

there's just like this idea we should be

1311

00:49:42,950 --> 00:49:40,980

looking at a few things and I don't like

1312

00:49:45,109 --> 00:49:42,960

to call it Zoo Theory whatnot because

1313

00:49:47,510 --> 00:49:45,119

it's it instantly

1314

00:49:49,130 --> 00:49:47,520

or Zoo hypothesis rather uh it instantly

1315

00:49:50,089 --> 00:49:49,140

attracts like that that same thing

1316

00:49:51,470 --> 00:49:50,099

you'll get with a lot of things when

1317

00:49:53,690 --> 00:49:51,480

someone says it's all Consciousness or

1318

00:49:56,569 --> 00:49:53,700

so it makes it really hard to have that

1319

00:50:00,410 --> 00:49:56,579

conversation but I will say that

1320

00:50:03,230 --> 00:50:00,420

as someone who has spied on people

1321

00:50:05,930 --> 00:50:03,240

you know gone out as a soldier it had to

1322

00:50:08,690 --> 00:50:05,940

do my job in the field it is remarkable

1323

00:50:10,250 --> 00:50:08,700

how long you can exist in someone's

1324

00:50:11,030 --> 00:50:10,260

comfort zone without them knowing you're

1325

00:50:12,349 --> 00:50:11,040

there

1326

00:50:16,030 --> 00:50:12,359

yikes

1327

00:50:18,589 --> 00:50:16,040

it's true yes

1328

00:50:21,950 --> 00:50:18,599

uncontacted indigenous groups right now

1329

00:50:24,770 --> 00:50:21,960

on Earth we're doing it to ourselves uh

1330

00:50:27,410 --> 00:50:24,780

in many different places uh on Earth and

1331

00:50:29,510 --> 00:50:27,420

uh you can imagine the experience of an

1332

00:50:30,770 --> 00:50:29,520

uncontacted individual seeing a plane

1333

00:50:32,750 --> 00:50:30,780

fly overhead

1334

00:50:35,329 --> 00:50:32,760

you know watching their family member

1335

00:50:36,710 --> 00:50:35,339

die of sepsis for weeks and uh they

1336

00:50:38,809 --> 00:50:36,720

would be stunning to them that there's

1337

00:50:40,250 --> 00:50:38,819

an easy immediate cure for that and

1338

00:50:42,290 --> 00:50:40,260

that's related to what they're seeing up

1339

00:50:44,030 --> 00:50:42,300

in the sky you know so of course it's uh

1340

00:50:46,309 --> 00:50:44,040

not surprising at all to imagine that

1341

00:50:48,770 --> 00:50:46,319

somebody might do that to us

1342

00:50:50,930 --> 00:50:48,780

um Louise would you be okay because my

1343

00:50:52,430 --> 00:50:50,940

impulse is sort of similar to Jeff where

1344

00:50:53,930 --> 00:50:52,440

it's like it feels to me like

1345

00:50:55,970 --> 00:50:53,940

statistically there should already be

1346

00:50:58,250 --> 00:50:55,980

aliens here I just don't see like strong

1347

00:51:00,890 --> 00:50:58,260

evidence of that would you be able to

1348

00:51:04,190 --> 00:51:00,900

just quickly uh remind me what your

1349

00:51:05,569 --> 00:51:04,200

argument was uh several a few months ago

1350

00:51:07,430 --> 00:51:05,579

when we talked about it about the

1351
00:51:10,490 --> 00:51:07,440
prevalence of life in the universe and

1352
00:51:12,530 --> 00:51:10,500
how it maybe isn't as likely as we

1353
00:51:14,690 --> 00:51:12,540
intuitively think

1354
00:51:19,370 --> 00:51:14,700
oh I I think I was making the point that

1355
00:51:21,230 --> 00:51:19,380
a complex uh animal okay because there

1356
00:51:23,210 --> 00:51:21,240
could be some

1357
00:51:25,730 --> 00:51:23,220
um you know if you're thinking about the

1358
00:51:28,010 --> 00:51:25,740
history of life on Earth the eukaryotes

1359
00:51:30,049 --> 00:51:28,020
um you know what steps were needed for

1360
00:51:32,809 --> 00:51:30,059
them there might be a very rare set of

1361
00:51:35,210 --> 00:51:32,819
events and so you we shouldn't expect um

1362
00:51:36,710 --> 00:51:35,220
complex animals to exist all over the

1363
00:51:39,470 --> 00:51:36,720

place maybe it's just like something

1364

00:51:40,190 --> 00:51:39,480

like bacteria was that the point I was

1365

00:51:42,829 --> 00:51:40,200

making

1366

00:51:44,390 --> 00:51:42,839

yeah it was you're right this is exactly

1367

00:51:46,490 --> 00:51:44,400

what I was trying to remember yeah so

1368

00:51:48,470 --> 00:51:46,500

it's like it's possible entirely that

1369

00:51:50,650 --> 00:51:48,480

there could be a relatively simple

1370

00:51:52,549 --> 00:51:50,660

transition into basic uh

1371

00:51:55,190 --> 00:51:52,559

self-replication but then the transition

1372

00:51:56,630 --> 00:51:55,200

into a more complex thing is perhaps the

1373

00:51:58,549 --> 00:51:56,640

stumbling block

1374

00:52:00,589 --> 00:51:58,559

that's right there

1375

00:52:03,170 --> 00:52:00,599

yeah I think that's uh I think that it's

1376

00:52:05,750 --> 00:52:03,180

I I think

1377

00:52:07,490 --> 00:52:05,760

I wouldn't put any weight into the idea

1378

00:52:09,589 --> 00:52:07,500

we're gonna go find a wrench swinging

1379

00:52:13,069 --> 00:52:09,599

person anytime soon maybe around on me

1380

00:52:15,530 --> 00:52:13,079

on the next on the next planet but I I I

1381

00:52:18,250 --> 00:52:15,540

I recognize that

1382

00:52:21,349 --> 00:52:18,260

our eye and ear

1383

00:52:24,890 --> 00:52:21,359

goes everywhere

1384

00:52:27,650 --> 00:52:24,900

at once far faster than we physically do

1385

00:52:29,150 --> 00:52:27,660

and if

1386

00:52:30,710 --> 00:52:29,160

I'm just talking about us I have no

1387

00:52:31,910 --> 00:52:30,720

obviously I can't guess the alien side I

1388

00:52:33,650 --> 00:52:31,920

don't like doing really the what if too

1389

00:52:35,390 --> 00:52:33,660

much thing but um I would just imagine

1390

00:52:38,930 --> 00:52:35,400

that we wouldn't waste our time

1391

00:52:40,549 --> 00:52:38,940

exploring anything looking for other

1392

00:52:41,750 --> 00:52:40,559

intelligent life in the form of

1393

00:52:44,569 --> 00:52:41,760

obviously we're going to give off some

1394

00:52:46,010 --> 00:52:44,579

some strong whiffs of us on down on the

1395

00:52:48,049 --> 00:52:46,020

planet just like when you live on a

1396

00:52:51,290 --> 00:52:48,059

sailboat when you get within Shore

1397

00:52:53,690 --> 00:52:51,300

you're like oh my God plants animals

1398

00:52:54,829 --> 00:52:53,700

poop perfume I smell so much perfume

1399

00:52:56,150 --> 00:52:54,839

from a mile away like you're just

1400

00:52:57,290 --> 00:52:56,160

getting hit with all this stuff of

1401
00:52:58,730 --> 00:52:57,300
course we're not talking about literal

1402
00:53:00,410 --> 00:52:58,740
smells in the sense of looking for Life

1403
00:53:01,730 --> 00:53:00,420
else there elsewhere but we're going to

1404
00:53:03,049 --> 00:53:01,740
talk obviously you got to get Tech

1405
00:53:04,730 --> 00:53:03,059
signatures at some point on the

1406
00:53:07,309 --> 00:53:04,740
discussion of of what you're looking for

1407
00:53:09,109 --> 00:53:07,319
and if there's anything we can relate to

1408
00:53:10,730 --> 00:53:09,119
no one wants to land on a planet where

1409
00:53:12,530 --> 00:53:10,740
there's weird slime monsters and that

1410
00:53:15,470 --> 00:53:12,540
we're not gonna have you know but uh it

1411
00:53:17,329 --> 00:53:15,480
I just in general would believe deep you

1412
00:53:19,190 --> 00:53:17,339
know just how we've done things so far

1413
00:53:21,109 --> 00:53:19,200

and what's already up in the sky you

1414

00:53:25,430 --> 00:53:21,119

know I mean for God's sakes are up up in

1415

00:53:29,569 --> 00:53:27,829

all right here comes if aliens are out

1416

00:53:30,829 --> 00:53:29,579

there that did swing a wrench and did

1417

00:53:32,510 --> 00:53:30,839

put something together and eventually

1418

00:53:34,910 --> 00:53:32,520

learn to exit their atmosphere to some

1419

00:53:37,010 --> 00:53:34,920

degree and we're to travel elsewhere be

1420

00:53:39,589 --> 00:53:37,020

it physically or with some sort of TV

1421

00:53:41,750 --> 00:53:39,599

that you can look through and uh I would

1422

00:53:43,190 --> 00:53:41,760

suggest that maybe they know exactly

1423

00:53:45,589 --> 00:53:43,200

where to go beforehand and wouldn't

1424

00:53:47,870 --> 00:53:45,599

waste their time whatsoever because we

1425

00:53:51,109 --> 00:53:47,880

as humans are not gonna go let's stop

1426

00:53:52,970 --> 00:53:51,119

over here we yes nothing let's stop it I

1427

00:53:54,410 --> 00:53:52,980

we don't have the resources with all the

1428

00:53:56,510 --> 00:53:54,420

time and the efforts that we're gonna go

1429

00:53:58,430 --> 00:53:56,520

right with us interesting Sparks and

1430

00:54:00,890 --> 00:53:58,440

signals and sniffs and whiffs sniffs and

1431

00:54:02,290 --> 00:54:00,900

whiffs I've never said that in my life I

1432

00:54:05,049 --> 00:54:02,300

want to be clear

1433

00:54:07,809 --> 00:54:05,059

I liked it don't worry

1434

00:54:10,970 --> 00:54:07,819

that's a good one

1435

00:54:13,970 --> 00:54:10,980

anyways so Jeff um one of the questions

1436

00:54:15,950 --> 00:54:13,980

I always like to ask guests and just my

1437

00:54:18,049 --> 00:54:15,960

friends and contacts in this space is

1438

00:54:20,030 --> 00:54:18,059

how their ideas and views on the subject

1439

00:54:21,109 --> 00:54:20,040

have evolved and changed over time and I

1440

00:54:23,030 --> 00:54:21,119

was wondering if you could tell us some

1441

00:54:25,490 --> 00:54:23,040

of the sea changes you've experienced in

1442

00:54:29,630 --> 00:54:25,500

your exploration of this subject

1443

00:54:31,430 --> 00:54:29,640

like uh as in how I just can't take you

1444

00:54:34,730 --> 00:54:31,440

followed anymore or do you do you mean

1445

00:54:36,230 --> 00:54:34,740

like on a deeper level because oh I'm

1446

00:54:37,849 --> 00:54:36,240

not I'm not I'm not asking like

1447

00:54:40,430 --> 00:54:37,859

euphemistically or insinuating anything

1448

00:54:41,690 --> 00:54:40,440

I'm more just curious about how your

1449

00:54:46,329 --> 00:54:41,700

thoughts on the subject and your

1450

00:54:50,210 --> 00:54:46,339

opinions and Views may have evolved or

1451
00:54:52,250 --> 00:54:50,220
shifted or been refactored over time

1452
00:54:55,309 --> 00:54:52,260
well

1453
00:54:56,630 --> 00:54:55,319
um I I think that actually it feels like

1454
00:54:57,650 --> 00:54:56,640
I could easily say like I said a little

1455
00:54:59,809 --> 00:54:57,660
while ago that I could sway back back

1456
00:55:01,250 --> 00:54:59,819
and forth and I have and I've gone way

1457
00:55:02,750 --> 00:55:01,260
you know back looking into the deeper

1458
00:55:05,450 --> 00:55:02,760
things that I I've been open to it I

1459
00:55:10,970 --> 00:55:05,460
think in general though if I was to wrap

1460
00:55:17,510 --> 00:55:13,730
truly looking into a subject that that

1461
00:55:19,430 --> 00:55:17,520
uh that like truly looking into the

1462
00:55:22,370 --> 00:55:19,440
information available on what's up in

1463
00:55:24,650 --> 00:55:22,380

the sky be it human created atmospheric

1464

00:55:27,049 --> 00:55:24,660

phenomena stuff flying in space whatever

1465

00:55:31,430 --> 00:55:27,059

it is uh will lead you to feel like

1466

00:55:33,890 --> 00:55:31,440

ufology is a bleak lonely somber place

1467

00:55:35,809 --> 00:55:33,900

and you know and and I think there was

1468

00:55:36,950 --> 00:55:35,819

like a expert on aliens that came around

1469

00:55:38,990 --> 00:55:36,960

was talking about the stuff for a while

1470

00:55:40,130 --> 00:55:39,000

it was Lou Elizondo I believe he said

1471

00:55:42,230 --> 00:55:40,140

something along the lines like the

1472

00:55:44,150 --> 00:55:42,240

answers somber now whenever I hear

1473

00:55:45,650 --> 00:55:44,160

anyone Talk use the word somber it

1474

00:55:47,809 --> 00:55:45,660

usually means

1475

00:55:49,970 --> 00:55:47,819

something sad and depressing and not

1476

00:55:52,069 --> 00:55:49,980

it's not like a it's not a good word to

1477

00:55:53,150 --> 00:55:52,079

use to describe the knowledge that there

1478

00:55:58,549 --> 00:55:53,160

is

1479

00:55:59,690 --> 00:55:58,559

out I just in general feel that it's

1480

00:56:01,609 --> 00:55:59,700

[h__\h]

1481

00:56:04,309 --> 00:56:01,619

oh my God I sound like such a jackass

1482

00:56:06,829 --> 00:56:04,319

right now the I I just I just do not

1483

00:56:08,630 --> 00:56:06,839

believe the story eupology is painted

1484

00:56:11,230 --> 00:56:08,640

for what's actually going on out there I

1485

00:56:14,390 --> 00:56:11,240

just cannot for the life of me

1486

00:56:17,329 --> 00:56:14,400

love this topic like I used to it's it's

1487

00:56:18,589 --> 00:56:17,339

like impossible so I have to look at it

1488

00:56:20,809 --> 00:56:18,599

and try to stay as objective as possible

1489

00:56:23,690 --> 00:56:20,819

literally I've changed the point where

1490

00:56:25,250 --> 00:56:23,700

the people that have figured out ufology

1491

00:56:26,450 --> 00:56:25,260

and by figure out ethology I don't mean

1492

00:56:27,770 --> 00:56:26,460

getting the answers of what the hell's

1493

00:56:29,390 --> 00:56:27,780

flying in the sky or providing anything

1494

00:56:31,490 --> 00:56:29,400

for people I mean figuring out as a

1495

00:56:33,049 --> 00:56:31,500

business I figured out to sell something

1496

00:56:35,270 --> 00:56:33,059

that is almost

1497

00:56:37,849 --> 00:56:35,280

is sure to not be gone until these until

1498

00:56:39,589 --> 00:56:37,859

people are physically gone I mean I mean

1499

00:56:42,650 --> 00:56:39,599

that sounds like rude to say but it's

1500

00:56:45,049 --> 00:56:42,660

just the fact you cannot this is like

1501
00:56:47,750 --> 00:56:45,059
that you know

1502
00:56:49,790 --> 00:56:47,760
there's there's a few people shouting I

1503
00:56:51,230 --> 00:56:49,800
think uh the the that there's it's time

1504
00:56:52,910 --> 00:56:51,240
for a big shift but that's it ain't

1505
00:56:54,589 --> 00:56:52,920
gonna happen for for another like 100

1506
00:56:56,510 --> 00:56:54,599
years I think

1507
00:56:58,190 --> 00:56:56,520
I truly believe this and that's how I I

1508
00:57:00,530 --> 00:56:58,200
feel like it's it's the whole thing's

1509
00:57:02,510 --> 00:57:00,540
gone for me so I just focus on what is

1510
00:57:04,430 --> 00:57:02,520
rather than what could be

1511
00:57:06,950 --> 00:57:04,440
and uh

1512
00:57:08,690 --> 00:57:06,960
and try not to break too many hearts it

1513
00:57:10,790 --> 00:57:08,700

is they kind of the Flying Saucer

1514

00:57:13,609 --> 00:57:10,800

superstitions part it's been part of our

1515

00:57:15,349 --> 00:57:13,619

Collective culture for our entire

1516

00:57:17,329 --> 00:57:15,359

lifetimes and longer I don't think it is

1517

00:57:19,910 --> 00:57:17,339

going to go away so yeah people are

1518

00:57:22,190 --> 00:57:19,920

gonna continue to keep finding ways to

1519

00:57:24,010 --> 00:57:22,200

capitalize it I'm sure whether that's

1520

00:57:26,630 --> 00:57:24,020

the government or uh you know

1521

00:57:29,510 --> 00:57:26,640

entrepreneurs I suppose

1522

00:57:31,069 --> 00:57:29,520

so yeah it's not going anywhere I do

1523

00:57:33,230 --> 00:57:31,079

have um hopeful that that we are

1524

00:57:34,910 --> 00:57:33,240

changing as a as a as a people to make

1525

00:57:36,770 --> 00:57:34,920

uh you know the the environment probably

1526

00:57:38,990 --> 00:57:36,780

a little better to live in to some

1527

00:57:40,670 --> 00:57:39,000

degree hopefully depending on whoever is

1528

00:57:43,010 --> 00:57:40,680

on the throne at the time

1529

00:57:45,710 --> 00:57:43,020

um but there does seem to be within

1530

00:57:48,530 --> 00:57:45,720

Aerospace there's not it's not perfect

1531

00:57:50,329 --> 00:57:48,540

but it there does seem to be a major

1532

00:57:52,790 --> 00:57:50,339

shift and we're seeing it start with

1533

00:57:54,710 --> 00:57:52,800

small Regional Airport places and like

1534

00:57:56,329 --> 00:57:54,720

countries a lot of fjords and rivers and

1535

00:57:57,530 --> 00:57:56,339

lakes and stuff so they can test out

1536

00:57:59,030 --> 00:57:57,540

these systems and make sure they work

1537

00:58:01,130 --> 00:57:59,040

perfectly before we kind of scale them

1538

00:58:03,230 --> 00:58:01,140

up but I mean we haven't needed really

1539

00:58:05,510 --> 00:58:03,240

runways and we haven't really needed the

1540

00:58:07,190 --> 00:58:05,520

big airport systems in a long long time

1541

00:58:09,470 --> 00:58:07,200

we haven't needed that type of jet fuel

1542

00:58:12,349 --> 00:58:09,480

in a long long time we didn't need this

1543

00:58:15,970 --> 00:58:12,359

many admissions in in the atmosphere in

1544

00:58:19,010 --> 00:58:15,980

a long long time and it's like it's it's

1545

00:58:20,150 --> 00:58:19,020

none of the oil companies are on the top

1546

00:58:23,450 --> 00:58:20,160

10 anymore

1547

00:58:25,309 --> 00:58:23,460

they're Exxon mobil's 19th out of 20 on

1548

00:58:28,370 --> 00:58:25,319

in the world running of the world right

1549

00:58:30,770 --> 00:58:28,380

now so it's like we have finally seen

1550

00:58:32,930 --> 00:58:30,780

this come to an end and I hope it means

1551

00:58:34,190 --> 00:58:32,940

that those Flying Saucer days that

1552

00:58:36,289 --> 00:58:34,200

people thought were coming are going to

1553

00:58:38,750 --> 00:58:36,299

come and I'm seeing a

1554

00:58:40,849 --> 00:58:38,760

in a Greener so to speak way or whatever

1555

00:58:42,770 --> 00:58:40,859

I don't know but I do think there's hope

1556

00:58:44,510 --> 00:58:42,780

for that so in the sense that the story

1557

00:58:46,549 --> 00:58:44,520

you followed you was pitching for a long

1558

00:58:48,109 --> 00:58:46,559

time which is was that this same

1559

00:58:49,910 --> 00:58:48,119

technology that was being used in secret

1560

00:58:51,049 --> 00:58:49,920

for a while is finally happening you

1561

00:58:52,670 --> 00:58:51,059

know

1562

00:58:53,990 --> 00:58:52,680

um it's really not uh something we're

1563

00:58:55,970 --> 00:58:54,000

hoping and praying for we're just

1564

00:58:57,710 --> 00:58:55,980

watching it over time lithium lithium

1565

00:58:59,270 --> 00:58:57,720

ion comes around everything shrinks the

1566

00:59:00,710 --> 00:58:59,280

whole fuselage of an aircraft becomes

1567

00:59:03,530 --> 00:59:00,720

the battery we're seeing things have

1568

00:59:05,329 --> 00:59:03,540

dual capabilities and veto everything uh

1569

00:59:06,710 --> 00:59:05,339

organizations are jumping to it as fast

1570

00:59:07,910 --> 00:59:06,720

as possible because they know it's the

1571

00:59:11,089 --> 00:59:07,920

future and

1572

00:59:13,730 --> 00:59:11,099

we're seeing organizations uh Lobby for

1573

00:59:15,710 --> 00:59:13,740

Supersonic and Hypersonic flight in the

1574

00:59:18,950 --> 00:59:15,720

future in the near future that's wild to

1575

00:59:20,930 --> 00:59:18,960

me because it's been around since well

1576

00:59:22,370 --> 00:59:20,940

Germany in in World War II they

1577

00:59:24,890 --> 00:59:22,380

understood when Rockets fell to Earth

1578

00:59:26,750 --> 00:59:24,900

they were like holy cow look at this

1579

00:59:27,829 --> 00:59:26,760

um so it's obviously it's it's it's time

1580

00:59:29,930 --> 00:59:27,839

for a big change and I feel like

1581

00:59:31,370 --> 00:59:29,940

ufologist has played a part and I don't

1582

00:59:32,930 --> 00:59:31,380

even know it because they've been

1583

00:59:34,370 --> 00:59:32,940

telling like the Sci-Fi side of it for

1584

00:59:36,170 --> 00:59:34,380

so long and what it is and we have

1585

00:59:38,210 --> 00:59:36,180

fulfilled that everything

1586

00:59:39,829 --> 00:59:38,220

it's the wildest concept like looking

1587

00:59:41,150 --> 00:59:39,839

back some of the Blue Book cases of what

1588

00:59:42,589 --> 00:59:41,160

people are claiming is happening them

1589

00:59:44,210 --> 00:59:42,599

from these flying saucers what they're

1590

00:59:45,890 --> 00:59:44,220

doing you can cut out some of the

1591

00:59:47,630 --> 00:59:45,900

embellishment probably but what the tech

1592

00:59:50,089 --> 00:59:47,640

they're saying is something that we've

1593

00:59:54,530 --> 00:59:50,099

had since then and that to me is enough

1594

00:59:58,190 --> 00:59:56,329

could you could you go through a list of

1595

01:00:00,049 --> 00:59:58,200

some of the tech like uh proportions

1596

01:00:03,589 --> 01:00:00,059

aerodynamics

1597

01:00:06,289 --> 01:00:03,599

Etc just like very quick overview I

1598

01:00:08,329 --> 01:00:06,299

think the I think without getting super

1599

01:00:10,849 --> 01:00:08,339

specific like Dr Stephen Greer talking

1600

01:00:16,250 --> 01:00:10,859

about physics I would say first first of

1601
01:00:18,589 --> 01:00:16,260
all uh the wind tunnel advancement

1602
01:00:21,410 --> 01:00:18,599
um aircraft susceptibility and signature

1603
01:00:24,230 --> 01:00:21,420
reduction versus Air versus its its

1604
01:00:26,750 --> 01:00:24,240
capability in the air so we're measuring

1605
01:00:28,670 --> 01:00:26,760
things essentially on the assets that

1606
01:00:31,430 --> 01:00:28,680
we've decided to put put on them is what

1607
01:00:32,990 --> 01:00:31,440
best aircraft in the world can do

1608
01:00:34,670 --> 01:00:33,000
could you imagine if maybe we weren't

1609
01:00:36,770 --> 01:00:34,680
making the best aircraft in the world to

1610
01:00:37,970 --> 01:00:36,780
hold all these heavy assets and bombs

1611
01:00:40,789 --> 01:00:37,980
and things like that and do other things

1612
01:00:43,430 --> 01:00:40,799
so there is a there is a

1613
01:00:45,109 --> 01:00:43,440

on evolution of signature reduction and

1614

01:00:47,569 --> 01:00:45,119

the ability for our militaries of the

1615

01:00:49,069 --> 01:00:47,579

world to move shoot and communicate and

1616

01:00:51,470 --> 01:00:49,079

if anyone wants to get into any of those

1617

01:00:53,390 --> 01:00:51,480

things specifically

1618

01:00:55,069 --> 01:00:53,400

um you know look at what the Air Force

1619

01:00:59,089 --> 01:00:55,079

has put out and and they put out

1620

01:01:02,390 --> 01:00:59,099

multiple you know pretty long PDFs on on

1621

01:01:04,010 --> 01:01:02,400

um a pretty long manuals on uh on where

1622

01:01:06,049 --> 01:01:04,020

they'll see themselves the next 25 years

1623

01:01:08,329 --> 01:01:06,059

and it pretty much all comes down to

1624

01:01:10,430 --> 01:01:08,339

shrinking everything down

1625

01:01:12,829 --> 01:01:10,440

um plasma actuators on the wings to

1626

01:01:13,910 --> 01:01:12,839

reduce drag another way was a big laser

1627

01:01:15,230 --> 01:01:13,920

Ray literally right in front of the

1628

01:01:17,270 --> 01:01:15,240

vehicle where it just blasted the

1629

01:01:18,410 --> 01:01:17,280

atmosphere and then the aircraft flew

1630

01:01:21,109 --> 01:01:18,420

into it

1631

01:01:22,190 --> 01:01:21,119

um uh and there's and of course I think

1632

01:01:23,990 --> 01:01:22,200

the other one that a lot of people just

1633

01:01:26,870 --> 01:01:24,000

are overlooking because it's so basic is

1634

01:01:28,549 --> 01:01:26,880

just the batteries we have become

1635

01:01:30,589 --> 01:01:28,559

traditionally you know to regular

1636

01:01:31,970 --> 01:01:30,599

batteries so lightweight and of course

1637

01:01:33,589 --> 01:01:31,980

that's the story of batteries and

1638

01:01:37,309 --> 01:01:33,599

because batteries are so lightweight now

1639

01:01:40,849 --> 01:01:37,319

we see that aircraft uh uh thrust and

1640

01:01:42,950 --> 01:01:40,859

weight uh can be uh

1641

01:01:45,049 --> 01:01:42,960

it's true a good way to look at it is

1642

01:01:46,609 --> 01:01:45,059

have you ever sat in a Tesla and pushed

1643

01:01:47,990 --> 01:01:46,619

the gas pedal even compared to a nice

1644

01:01:49,849 --> 01:01:48,000

race car it feels a little bit different

1645

01:01:52,190 --> 01:01:49,859

there's like an instantaneous reaction

1646

01:01:55,730 --> 01:01:52,200

to the acceleration electric aircraft

1647

01:01:58,430 --> 01:01:55,740

are faster they are simply faster than

1648

01:02:00,109 --> 01:01:58,440

than uh than you'll see uh conventional

1649

01:02:03,710 --> 01:02:00,119

systems out there but they're not more

1650

01:02:05,390 --> 01:02:03,720

cost effective and so the the gas

1651
01:02:07,430 --> 01:02:05,400
turbine engine as well is another thing

1652
01:02:09,109 --> 01:02:07,440
they they they're beating everyone still

1653
01:02:10,549 --> 01:02:09,119
gas turbine's still kicking everyone's

1654
01:02:12,289 --> 01:02:10,559
but even though all these things are

1655
01:02:17,329 --> 01:02:12,299
popping up that are like super high

1656
01:02:19,430 --> 01:02:17,339
speed and cool and uh and it's just

1657
01:02:21,049 --> 01:02:19,440
if you ever want to see where the the

1658
01:02:23,270 --> 01:02:21,059
country's going in terms of Aviation

1659
01:02:28,670 --> 01:02:23,280
just basically look at what the CIA was

1660
01:02:32,930 --> 01:02:31,309
I don't know if it's I guess uh Blended

1661
01:02:35,450 --> 01:02:32,940
wait to answer you sorry man Blended

1662
01:02:37,849 --> 01:02:35,460
Wing design that's where it's all going

1663
01:02:40,069 --> 01:02:37,859

Ron pandolfi how did he get involved I

1664

01:02:41,390 --> 01:02:40,079

can't believe that another UFO figure uh

1665

01:02:44,450 --> 01:02:41,400

what do you know owns a company that

1666

01:02:45,890 --> 01:02:44,460

specializes in this uh had had uh trials

1667

01:02:47,569 --> 01:02:45,900

with Boeing back in the day everyone

1668

01:02:49,490 --> 01:02:47,579

knew it was going to happen and now you

1669

01:02:51,109 --> 01:02:49,500

see all these commercial airlines in the

1670

01:02:52,849 --> 01:02:51,119

and the military say they want a blended

1671

01:02:55,910 --> 01:02:52,859

body Wing design a nice wide body

1672

01:02:57,470 --> 01:02:55,920

stealthy uh design and uh

1673

01:03:00,170 --> 01:02:57,480

what do you know people that work in

1674

01:03:01,910 --> 01:03:00,180

ufology Pitch the UFO thing but somehow

1675

01:03:03,770 --> 01:03:01,920

we're involved with profiting off of the

1676

01:03:04,549 --> 01:03:03,780

the upcoming switch you'll eventually

1677

01:03:06,530 --> 01:03:04,559

see

1678

01:03:08,950 --> 01:03:06,540

anyway

1679

01:03:12,289 --> 01:03:08,960

are we out of time

1680

01:03:14,630 --> 01:03:12,299

you have to go another 50 minutes or so

1681

01:03:16,190 --> 01:03:14,640

um so we got a question from estimate of

1682

01:03:18,770 --> 01:03:16,200

the situation who joined us a couple

1683

01:03:21,289 --> 01:03:18,780

weeks ago uh Thomas the total treasure

1684

01:03:22,549 --> 01:03:21,299

let me pull it up here on the stream

1685

01:03:24,589 --> 01:03:22,559

um Jeff what are your thoughts on

1686

01:03:26,390 --> 01:03:24,599

detailed reports by our seasoned Pilots

1687

01:03:28,010 --> 01:03:26,400

of intelligently controlled craft in the

1688

01:03:29,809 --> 01:03:28,020

late 40s early 50s with clear

1689

01:03:31,670 --> 01:03:29,819

descriptions of visual ID and extreme

1690

01:03:35,170 --> 01:03:31,680

Maneuvers and speed

1691

01:03:37,789 --> 01:03:35,180

I first say what were they seasoned with

1692

01:03:39,650 --> 01:03:37,799

no that's a good question I'm an idiot

1693

01:03:41,809 --> 01:03:39,660

uh that's nice

1694

01:03:43,730 --> 01:03:41,819

um you know I'm considered a trained

1695

01:03:45,309 --> 01:03:43,740

Observer and I wouldn't trust me

1696

01:03:48,589 --> 01:03:45,319

but

1697

01:03:49,910 --> 01:03:48,599

I'm not a pilot uh so I I want to back

1698

01:03:52,069 --> 01:03:49,920

up there real quick and just say that

1699

01:03:54,109 --> 01:03:52,079

I'm I'm not I I've flown in plenty of

1700

01:03:55,370 --> 01:03:54,119

things but I've never flown

1701

01:03:57,349 --> 01:03:55,380

um

1702

01:03:59,870 --> 01:03:57,359

I just

1703

01:04:02,930 --> 01:03:59,880

I think Pilots have shown that they can

1704

01:04:04,250 --> 01:04:02,940

be wrong on a lot of ways and a lot of

1705

01:04:06,049 --> 01:04:04,260

people will then say well what about the

1706

01:04:08,930 --> 01:04:06,059

microfilms or the radar that show this

1707

01:04:14,809 --> 01:04:12,349

the development of radar and its use in

1708

01:04:16,370 --> 01:04:14,819

communication on on the back or out

1709

01:04:19,370 --> 01:04:16,380

there on the Range or on the battlefield

1710

01:04:21,289 --> 01:04:19,380

is an evolving process and I and I feel

1711

01:04:23,510 --> 01:04:21,299

like we've gotten things so so wrong so

1712

01:04:24,829 --> 01:04:23,520

many times that I I'm not really willing

1713

01:04:28,309 --> 01:04:24,839

to trust

1714

01:04:29,809 --> 01:04:28,319

the idea that that the Foo Fighter thing

1715

01:04:30,829 --> 01:04:29,819

was as legitimate maybe as he's talking

1716

01:04:32,990 --> 01:04:30,839

about and of course a lot of the Blue

1717

01:04:34,730 --> 01:04:33,000

Book stuff but but then again

1718

01:04:36,829 --> 01:04:34,740

you know

1719

01:04:38,089 --> 01:04:36,839

sometimes people do say things and then

1720

01:04:39,589 --> 01:04:38,099

just want to be left alone and have

1721

01:04:41,089 --> 01:04:39,599

nothing to do with the attention it's

1722

01:04:42,589 --> 01:04:41,099

someone else to try to you know so I

1723

01:04:43,910 --> 01:04:42,599

don't know I I do tend to give those

1724

01:04:45,470 --> 01:04:43,920

people a little more leeway with their

1725

01:04:47,030 --> 01:04:45,480

descriptions I've I've watched it myself

1726

01:04:50,150 --> 01:04:47,040

and right here in Massachusetts so I

1727

01:04:52,190 --> 01:04:50,160

don't know I but

1728

01:04:53,750 --> 01:04:52,200

seasoned Pilots look at look at the ones

1729

01:04:55,010 --> 01:04:53,760

we got right now talking and as much as

1730

01:04:56,630 --> 01:04:55,020

I respect these individuals for what

1731

01:04:58,730 --> 01:04:56,640

they've done you know defended Los

1732

01:05:00,650 --> 01:04:58,740

Angeles on 9 11.

1733

01:05:01,910 --> 01:05:00,660

has been claimed by Jeremy Corbell

1734

01:05:03,530 --> 01:05:01,920

that's a huge I'm sorry I just thought

1735

01:05:04,789 --> 01:05:03,540

that was an hilarious uh title for

1736

01:05:06,410 --> 01:05:04,799

someone to have I just I'd never heard

1737

01:05:07,309 --> 01:05:06,420

of anything like that in my life uh but

1738

01:05:11,870 --> 01:05:07,319

whatever

1739

01:05:16,789 --> 01:05:13,789

two things can be intention right like

1740

01:05:19,549 --> 01:05:16,799

we can have sorry human fall ability and

1741

01:05:21,289 --> 01:05:19,559

I also have trained observers right

1742

01:05:23,809 --> 01:05:21,299

these two things can exist at the same

1743

01:05:26,870 --> 01:05:23,819

time exactly exactly and they and they

1744

01:05:29,150 --> 01:05:26,880

and they uh process of the learning

1745

01:05:31,430 --> 01:05:29,160

process like the Train the training what

1746

01:05:32,990 --> 01:05:31,440

how do you get trained someone taught

1747

01:05:34,910 --> 01:05:33,000

you how did the person teach you where

1748

01:05:37,430 --> 01:05:34,920

do they get it from they learn there's a

1749

01:05:38,630 --> 01:05:37,440

process that came I oftentimes will try

1750

01:05:40,069 --> 01:05:38,640

to point people to the idea that this

1751

01:05:41,450 --> 01:05:40,079

isn't something I know but if you look

1752

01:05:43,670 --> 01:05:41,460

at the if the development of different

1753

01:05:45,289 --> 01:05:43,680

types of radar you'll see that even

1754

01:05:47,589 --> 01:05:45,299

things as simple as atmospheric

1755

01:05:50,809 --> 01:05:47,599

phenomena or temperature inversions

1756

01:05:53,630 --> 01:05:50,819

became an idea for a weapon you know

1757

01:05:56,089 --> 01:05:53,640

like oh we can chase

1758

01:05:58,910 --> 01:05:56,099

nothing you know we can chase the air

1759

01:06:01,849 --> 01:05:58,920

you know in in that and you suddenly

1760

01:06:04,190 --> 01:06:01,859

recognize that with these systems comes

1761

01:06:06,770 --> 01:06:04,200

uh they're kind of measure and I and I

1762

01:06:08,270 --> 01:06:06,780

think Pilots even today

1763

01:06:09,589 --> 01:06:08,280

they're not talking about stuff they

1764

01:06:11,510 --> 01:06:09,599

should be if they really wanted to add

1765

01:06:13,069 --> 01:06:11,520

Clarity or add some context to the

1766

01:06:14,809 --> 01:06:13,079

situation they they just have completely

1767

01:06:16,910 --> 01:06:14,819

avoided it everything from targeting

1768

01:06:18,410 --> 01:06:16,920

balloons to electronic countermeasures

1769

01:06:19,849 --> 01:06:18,420

this is not part of their conversation

1770

01:06:21,589 --> 01:06:19,859

so therefore why should I take anything

1771

01:06:22,849 --> 01:06:21,599

they're saying no matter how seasoned

1772

01:06:25,069 --> 01:06:22,859

they are seriously

1773

01:06:26,390 --> 01:06:25,079

you know I just I just

1774

01:06:27,770 --> 01:06:26,400

I'm not trying to be a jerk or anything

1775

01:06:30,890 --> 01:06:27,780

like that but what good does it do me to

1776

01:06:33,170 --> 01:06:30,900

just say what the other Pilots are okay

1777

01:06:34,849 --> 01:06:33,180

why don't you Enlighten us then give us

1778

01:06:36,529 --> 01:06:34,859

some information some inside stuff or

1779

01:06:37,670 --> 01:06:36,539

whatever like if you're trying to tell

1780

01:06:39,049 --> 01:06:37,680

us something then tell us it because

1781

01:06:41,750 --> 01:06:39,059

that's not telling you that's like oh

1782

01:06:43,730 --> 01:06:41,760

you want to like here you go a little

1783

01:06:45,710 --> 01:06:43,740

treat for you it's just obnoxious and

1784

01:06:47,450 --> 01:06:45,720

it's and I

1785

01:06:49,370 --> 01:06:47,460

I've heard that my entire life but but

1786

01:06:50,870 --> 01:06:49,380

this is a bigger one than ever I mean I

1787

01:06:52,490 --> 01:06:50,880

don't know same thing as the pilots from

1788

01:06:56,450 --> 01:06:52,500

the 50s and the 40s

1789

01:06:58,849 --> 01:06:56,460

I uh maybe you've heard this too I think

1790

01:07:02,029 --> 01:06:58,859

a lot of um UFO enthusiasts you talk to

1791

01:07:02,930 --> 01:07:02,039

will gladly admit that they'll they I

1792

01:07:04,789 --> 01:07:02,940

don't know where this number comes from

1793

01:07:07,089 --> 01:07:04,799

with the say like 80 all the way up to

1794

01:07:09,109 --> 01:07:07,099

95 of UFO settings are all

1795

01:07:10,430 --> 01:07:09,119

misidentifications and hoaxes and

1796

01:07:12,529 --> 01:07:10,440

they're saying oh it's that it's that

1797

01:07:14,930 --> 01:07:12,539

ten to five percent

1798

01:07:16,609 --> 01:07:14,940

but that 80 to 90 that's a large number

1799

01:07:18,230 --> 01:07:16,619

how are those happening how are those

1800

01:07:19,370 --> 01:07:18,240

misidentifications happenings because

1801
01:07:21,950 --> 01:07:19,380
everybody

1802
01:07:24,049 --> 01:07:21,960
has the capacity to be the the capacity

1803
01:07:26,210 --> 01:07:24,059
to misidentify things whether you're

1804
01:07:28,370 --> 01:07:26,220
pilot or not like you like you said you

1805
01:07:30,289 --> 01:07:28,380
uh you jokingly refer to yourself as a

1806
01:07:31,430 --> 01:07:30,299
trained Observer there's no observation

1807
01:07:35,950 --> 01:07:31,440
School

1808
01:07:38,450 --> 01:07:35,960
right well yeah the the

1809
01:07:40,730 --> 01:07:38,460
so Pilots

1810
01:07:42,470 --> 01:07:40,740
you said it well the pilots and other

1811
01:07:44,210 --> 01:07:42,480
people like myself if I was in a vehicle

1812
01:07:46,069 --> 01:07:44,220
or mobile gun system in a vehicle that

1813
01:07:48,049 --> 01:07:46,079

relies heavily on the same corporations

1814

01:07:49,370 --> 01:07:48,059

technology placed on just a different

1815

01:07:51,529 --> 01:07:49,380

asset on the battlefield rather than

1816

01:07:54,289 --> 01:07:51,539

being on the bottom of a Recon aircraft

1817

01:07:56,569 --> 01:07:54,299

it's on the top of a scout vehicle for

1818

01:07:59,329 --> 01:07:56,579

the Marines or for someone else and

1819

01:08:01,609 --> 01:07:59,339

you know I have and so many other

1820

01:08:03,829 --> 01:08:01,619

soldiers in my unit you know anyone who

1821

01:08:06,289 --> 01:08:03,839

wants to be proficient and understands

1822

01:08:08,690 --> 01:08:06,299

and when they're forced to of course uh

1823

01:08:12,049 --> 01:08:08,700

um how to use something you want to know

1824

01:08:14,089 --> 01:08:12,059

what your adversary has so you're given

1825

01:08:16,729 --> 01:08:14,099

Sometimes some things as primitive as

1826

01:08:18,829 --> 01:08:16,739

playing cards or toys

1827

01:08:21,470 --> 01:08:18,839

that's how the soldiers play with the

1828

01:08:23,990 --> 01:08:21,480

toys uh but and then you'll see that

1829

01:08:25,970 --> 01:08:24,000

evolve in using certain systems and

1830

01:08:28,189 --> 01:08:25,980

capabilities you can go to trading sites

1831

01:08:29,809 --> 01:08:28,199

on post and things like that to see

1832

01:08:33,349 --> 01:08:29,819

different targets of these systems you

1833

01:08:34,789 --> 01:08:33,359

become a trained Observer by in and as I

1834

01:08:36,470 --> 01:08:34,799

was joking about myself is that because

1835

01:08:38,870 --> 01:08:36,480

you use like a mobile gun system camera

1836

01:08:40,849 --> 01:08:38,880

with a web to identify these targets and

1837

01:08:43,189 --> 01:08:40,859

be able to engage them to some sort of

1838

01:08:44,809 --> 01:08:43,199

degree where you recognize because there

1839

01:08:45,709 --> 01:08:44,819

is no identifying features when you're

1840

01:08:48,050 --> 01:08:45,719

looking at something through high

1841

01:08:50,930 --> 01:08:48,060

contrast on a system like this so you're

1842

01:08:52,610 --> 01:08:50,940

just looking at a object you know and if

1843

01:08:54,950 --> 01:08:52,620

you look at that same object enough from

1844

01:08:56,450 --> 01:08:54,960

every possible angle over and over and

1845

01:08:58,249 --> 01:08:56,460

over again like a video game you become

1846

01:08:59,269 --> 01:08:58,259

very you know muscle memory it kicks in

1847

01:09:01,070 --> 01:08:59,279

on

1848

01:09:03,470 --> 01:09:01,080

um but

1849

01:09:05,570 --> 01:09:03,480

how do you identify something on a

1850

01:09:07,550 --> 01:09:05,580

system like this as a pilot when it's

1851
01:09:09,890 --> 01:09:07,560
far enough away and Mick West low

1852
01:09:10,430 --> 01:09:09,900
information Zone which is a great

1853
01:09:12,349 --> 01:09:10,440
um

1854
01:09:14,510 --> 01:09:12,359
initially how could you possibly

1855
01:09:15,890 --> 01:09:14,520
identify something when there's nothing

1856
01:09:17,749 --> 01:09:15,900
else to it other than this black and

1857
01:09:20,450 --> 01:09:17,759
white high contrast video

1858
01:09:23,749 --> 01:09:20,460
same thing with 50 Pilots would it be

1859
01:09:26,390 --> 01:09:23,759
the case that somebody who's trained as

1860
01:09:28,669 --> 01:09:26,400
a professional Observer would they not

1861
01:09:33,530 --> 01:09:28,679
be in the best position to understand

1862
01:09:36,769 --> 01:09:33,540
that they are not a perfect system and

1863
01:09:39,650 --> 01:09:36,779

like even one out of let's say 10 000

1864

01:09:41,749 --> 01:09:39,660

observations being imperfect there's

1865

01:09:43,490 --> 01:09:41,759

more than that I imagine happening every

1866

01:09:47,329 --> 01:09:43,500

day if you take the entire world into

1867

01:09:48,950 --> 01:09:47,339

consideration so like where like yeah

1868

01:09:50,870 --> 01:09:48,960

what do you think of this uh somebody's

1869

01:09:53,030 --> 01:09:50,880

been in that kind of position like were

1870

01:09:57,830 --> 01:09:53,040

you trained specifically to be like I

1871

01:10:01,850 --> 01:09:57,840

can make mistakes come on right

1872

01:10:03,229 --> 01:10:01,860

um well I come from the smart Army time

1873

01:10:04,850 --> 01:10:03,239

frame where you're no longer supposed to

1874

01:10:07,850 --> 01:10:04,860

be a robotic Soldier you're supposed to

1875

01:10:09,650 --> 01:10:07,860

be a thinking soldier that knows uh all

1876

01:10:11,209 --> 01:10:09,660

the all the tidbit stuff but I I always

1877

01:10:13,610 --> 01:10:11,219

thought that um

1878

01:10:15,290 --> 01:10:13,620

that uh that training in the military is

1879

01:10:16,790 --> 01:10:15,300

very one way so no I don't think that

1880

01:10:18,770 --> 01:10:16,800

there's like you know as you said it I

1881

01:10:19,850 --> 01:10:18,780

don't think if there's not a we don't go

1882

01:10:21,530 --> 01:10:19,860

through some sort of sensitivity

1883

01:10:23,209 --> 01:10:21,540

training where we learn to admit our

1884

01:10:25,430 --> 01:10:23,219

mistakes and then backtrack and

1885

01:10:27,410 --> 01:10:25,440

recognize flaws and systems but what

1886

01:10:29,030 --> 01:10:27,420

happens is a lot of these systems which

1887

01:10:30,470 --> 01:10:29,040

people that are involved in this whole

1888

01:10:32,149 --> 01:10:30,480

story right now aren't really admitting

1889

01:10:33,410 --> 01:10:32,159

either which I find weird is that some

1890

01:10:35,030 --> 01:10:33,420

of these things you might work hand in

1891

01:10:36,649 --> 01:10:35,040

hand with a civilian almost in the

1892

01:10:39,890 --> 01:10:36,659

entire lifetime of being on the system

1893

01:10:43,610 --> 01:10:39,900

the reason why is because just like a a

1894

01:10:46,490 --> 01:10:43,620

PhD working in a lab with post-grad

1895

01:10:48,110 --> 01:10:46,500

students if the machine breaks that

1896

01:10:49,790 --> 01:10:48,120

they're all using are any of those

1897

01:10:52,790 --> 01:10:49,800

students going to fix that fancy machine

1898

01:10:54,890 --> 01:10:52,800

no the PHD is going to fix it the one

1899

01:10:56,990 --> 01:10:54,900

that built most of it probably and the

1900

01:10:59,149 --> 01:10:57,000

same thing occurs on these systems on

1901

01:11:00,410 --> 01:10:59,159

board that's why we have technicians on

1902

01:11:02,209 --> 01:11:00,420

there and it's funny to see they won't

1903

01:11:04,790 --> 01:11:02,219

even admit that they

1904

01:11:05,990 --> 01:11:04,800

anyways these are not like worldwide

1905

01:11:07,130 --> 01:11:06,000

systems that are functioning in the

1906

01:11:08,390 --> 01:11:07,140

hands of millions of people all the time

1907

01:11:09,470 --> 01:11:08,400

to get all the Kinks out of them through

1908

01:11:11,270 --> 01:11:09,480

quality assurance which I have a little

1909

01:11:13,490 --> 01:11:11,280

background as well these are systems

1910

01:11:15,709 --> 01:11:13,500

that do have flaws and those flaws match

1911

01:11:17,630 --> 01:11:15,719

the same flaws that we have as humans

1912

01:11:19,669 --> 01:11:17,640

it's you know we can misidentify things

1913

01:11:21,590 --> 01:11:19,679

the system that even now our cell are

1914

01:11:23,209 --> 01:11:21,600

targeting is on their own are doing this

1915

01:11:25,070 --> 01:11:23,219

it's

1916

01:11:28,130 --> 01:11:25,080

what do you know the systems that we

1917

01:11:30,350 --> 01:11:28,140

made come with flaws

1918

01:11:37,070 --> 01:11:30,360

I know a lot of children out now

1919

01:11:42,350 --> 01:11:39,770

I just in general think that we we've

1920

01:11:44,209 --> 01:11:42,360

put too much effort uh in ufology

1921

01:11:47,149 --> 01:11:44,219

telling people that the military is some

1922

01:11:50,030 --> 01:11:47,159

sort of iron-clad source of information

1923

01:11:51,950 --> 01:11:50,040

and even worse somehow we care less that

1924

01:11:55,550 --> 01:11:51,960

certain individuals come straight out of

1925

01:11:56,990 --> 01:11:55,560

places that would specialize in maybe

1926

01:11:58,729 --> 01:11:57,000

and I'm not saying from top down like

1927

01:12:00,050 --> 01:11:58,739

the wrong orders are doing this but they

1928

01:12:02,450 --> 01:12:00,060

would understand how to apply these

1929

01:12:04,270 --> 01:12:02,460

skills just like myself I left the

1930

01:12:06,709 --> 01:12:04,280

military I had two I left the military

1931

01:12:08,270 --> 01:12:06,719

unhealthy big time but I I had two

1932

01:12:09,950 --> 01:12:08,280

choices I could just go sit at home

1933

01:12:12,470 --> 01:12:09,960

maybe get unemployment for the first

1934

01:12:14,330 --> 01:12:12,480

time in my life and then find a job or I

1935

01:12:17,330 --> 01:12:14,340

could go apply the same skills I had as

1936

01:12:20,390 --> 01:12:17,340

a private military person and that was

1937

01:12:22,729 --> 01:12:20,400

huge in my time my military time and so

1938

01:12:24,590 --> 01:12:22,739

I don't see like everyone's acting like

1939

01:12:26,450 --> 01:12:24,600

there needs to be some sort of grand

1940

01:12:28,189 --> 01:12:26,460

conspiracy oh prove it proves isn't

1941

01:12:30,550 --> 01:12:28,199

conspiracy even Louis I know himself

1942

01:12:32,510 --> 01:12:30,560

went on a podcast and said prove it

1943

01:12:34,930 --> 01:12:32,520

reminded me of a mob boss from

1944

01:12:37,669 --> 01:12:34,940

Providence Rhode Island prove it

1945

01:12:40,189 --> 01:12:37,679

uh and I just thought I just thought you

1946

01:12:41,810 --> 01:12:40,199

uh why aren't you like any other person

1947

01:12:43,430 --> 01:12:41,820

has this skill set that leaves the

1948

01:12:45,169 --> 01:12:43,440

military and thinks could I go get a job

1949

01:12:46,870 --> 01:12:45,179

as a police officer go get a job working

1950

01:12:49,850 --> 01:12:46,880

corporate intelligence or our

1951

01:12:51,470 --> 01:12:49,860

intelligent Aerospace or work in I.T or

1952

01:12:53,270 --> 01:12:51,480

can I you know what I mean it's like

1953

01:12:55,550 --> 01:12:53,280

it's just absurd that someone couldn't

1954

01:12:57,709 --> 01:12:55,560

easily sway a bunch of people that are

1955

01:13:00,590 --> 01:12:57,719

right for it I mean literally the people

1956

01:13:02,450 --> 01:13:00,600

that these individuals look for are ripe

1957

01:13:04,490 --> 01:13:02,460

for coercion and manipulation they

1958

01:13:06,470 --> 01:13:04,500

they're a Believer group waiting for

1959

01:13:08,810 --> 01:13:06,480

some answers and some clarity

1960

01:13:10,910 --> 01:13:08,820

and uh you can take long you can take

1961

01:13:12,950 --> 01:13:10,920

misidentifications by pilots and turn

1962

01:13:14,870 --> 01:13:12,960

that into

1963

01:13:17,510 --> 01:13:14,880

any day now are going to shake hands

1964

01:13:20,510 --> 01:13:17,520

with the little green man

1965

01:13:22,310 --> 01:13:20,520

well or the blue-eyed devil

1966

01:13:23,870 --> 01:13:22,320

no I don't know

1967

01:13:26,090 --> 01:13:23,880

foreign

1968

01:13:29,450 --> 01:13:26,100

well we've touched a little bit earlier

1969

01:13:32,570 --> 01:13:29,460

on sort of Consciousness and Dr Gary

1970

01:13:34,610 --> 01:13:32,580

Nolan and Dr Nolan's an interesting one

1971

01:13:37,310 --> 01:13:34,620

because he subjectively I think that

1972

01:13:38,630 --> 01:13:37,320

he's genuine in his beliefs and I mean

1973

01:13:40,070 --> 01:13:38,640

maybe it's controversial but I

1974

01:13:42,709 --> 01:13:40,080

personally think that he's one of these

1975

01:13:44,270 --> 01:13:42,719

people who has been convinced by other

1976

01:13:45,709 --> 01:13:44,280

people into what he's experiencing

1977

01:13:48,050 --> 01:13:45,719

because he goes into details sometimes

1978

01:13:49,330 --> 01:13:48,060

on podcasts about how he's had these

1979

01:13:52,450 --> 01:13:49,340

lifelong kind of like information

1980

01:13:55,790 --> 01:13:52,460

download type of things

1981

01:13:58,370 --> 01:13:55,800

other people in his family uh have the

1982

01:14:00,410 --> 01:13:58,380

same experience and his interpretation

1983

01:14:01,669 --> 01:14:00,420

of that kind of experience that you know

1984

01:14:03,649 --> 01:14:01,679

you could see through the historical

1985

01:14:05,149 --> 01:14:03,659

narrative in a variety of ways is that

1986

01:14:07,070 --> 01:14:05,159

it's some sort of like

1987

01:14:08,510 --> 01:14:07,080

super non-human intelligence

1988

01:14:09,770 --> 01:14:08,520

communicating with him personally and

1989

01:14:11,570 --> 01:14:09,780

then he gets into all the genetic stuff

1990

01:14:14,149 --> 01:14:11,580

how like some people are like chosen for

1991

01:14:16,790 --> 01:14:14,159

this or whatever that's terrifying

1992

01:14:19,850 --> 01:14:16,800

um from your perspective Jeff you didn't

1993

01:14:21,410 --> 01:14:19,860

describe anything related sort of to the

1994

01:14:23,270 --> 01:14:21,420

Consciousness side you're sort of

1995

01:14:25,189 --> 01:14:23,280

skeptical of that

1996

01:14:26,870 --> 01:14:25,199

um something that we like to touch on

1997

01:14:28,850 --> 01:14:26,880

sometimes is that link to the

1998

01:14:30,890 --> 01:14:28,860

Consciousness and sort of psychedelics

1999

01:14:32,530 --> 01:14:30,900

and things like that and how there is

2000

01:14:35,209 --> 01:14:32,540

sort of a common

2001

01:14:36,890 --> 01:14:35,219

descriptive narrative between those

2002

01:14:38,990 --> 01:14:36,900

kinds of things UFO kind of like

2003

01:14:40,610 --> 01:14:39,000

contactees and then like intense

2004

01:14:42,770 --> 01:14:40,620

psychedelics have you had experience

2005

01:14:44,450 --> 01:14:42,780

with psychedelics yourself are you if

2006

01:14:45,229 --> 01:14:44,460

you're comfortable to talk about that a

2007

01:14:48,890 --> 01:14:45,239

ton

2008

01:14:51,290 --> 01:14:48,900

yeah okay and uh do you see the

2009

01:14:53,510 --> 01:14:51,300

similarity in the qualitative that some

2010

01:14:57,169 --> 01:14:53,520

people involved into a UFO experience

2011

01:15:00,770 --> 01:14:58,610

um

2012

01:15:05,209 --> 01:15:00,780

yeah because they already like that

2013

01:15:08,689 --> 01:15:05,219

subject but uh I I mean I literally I

2014

01:15:10,790 --> 01:15:08,699

I I I've done it enough for myself to

2015

01:15:12,830 --> 01:15:10,800

recognize that sometimes I have

2016

01:15:15,410 --> 01:15:12,840

experiences featuring weird entities

2017

01:15:16,669 --> 01:15:15,420

though the experiences were nuts and

2018

01:15:19,610 --> 01:15:16,679

awesome

2019

01:15:21,169 --> 01:15:19,620

sometimes I had experiences with Goofy

2020

01:15:22,430 --> 01:15:21,179

flying meatballs through the wall that

2021

01:15:23,510 --> 01:15:22,440

laughed at me and played pranks so it's

2022

01:15:25,910 --> 01:15:23,520

like you know it's like I you know they

2023

01:15:27,590 --> 01:15:25,920

you know the idea that and I I listen to

2024

01:15:29,090 --> 01:15:27,600

comedians describe theirs and they

2025

01:15:31,070 --> 01:15:29,100

they're you know they'll they're going

2026

01:15:32,390 --> 01:15:31,080

to a goofy City with cartoons telling

2027

01:15:34,850 --> 01:15:32,400

them stories and jokes and it's like you

2028

01:15:36,410 --> 01:15:34,860

know I see a very I just feel like it's

2029

01:15:38,090 --> 01:15:36,420

the exact same thing as well life is in

2030

01:15:40,430 --> 01:15:38,100

general it just puts it all into a

2031

01:15:42,830 --> 01:15:40,440

jumbled awesome theater of things but

2032

01:15:44,689 --> 01:15:42,840

but there are some times like I had an

2033

01:15:46,370 --> 01:15:44,699

ego death moment that like that people

2034

01:15:47,990 --> 01:15:46,380

described and I've read and people

2035

01:15:50,270 --> 01:15:48,000

described it as an ego death and sure

2036

01:15:52,669 --> 01:15:50,280

enough it was it was that and then some

2037

01:15:54,890 --> 01:15:52,679

I was crying my eyes out for the entire

2038

01:15:57,410 --> 01:15:54,900

trip I could not stop like it was just

2039

01:16:00,229 --> 01:15:57,420

awful I feel like it was insane uh and

2040

01:16:01,850 --> 01:16:00,239

you I opened my eyes multiple times and

2041

01:16:03,350 --> 01:16:01,860

I basically had to watch it over

2042

01:16:05,090 --> 01:16:03,360

everything around me I could see my feet

2043

01:16:07,850 --> 01:16:05,100

on the bed it was awful it was just nuts

2044

01:16:11,149 --> 01:16:07,860

uh but there is a there is a cool aspect

2045

01:16:14,590 --> 01:16:11,159

to it that is I believe personal

2046

01:16:16,310 --> 01:16:14,600

I just think it's the the the the the

2047

01:16:18,290 --> 01:16:16,320

you know the same thing we're talking

2048

01:16:21,649 --> 01:16:18,300

about here the the you know just the

2049

01:16:27,290 --> 01:16:25,970

and socializing it and and making it uh

2050

01:16:28,970 --> 01:16:27,300

um almost like

2051

01:16:30,229 --> 01:16:28,980

the internet before the internet was

2052

01:16:31,729 --> 01:16:30,239

around for the public like it was just

2053

01:16:33,229 --> 01:16:31,739

like this way I just heard so many

2054

01:16:35,810 --> 01:16:33,239

people my entire life describe it and

2055

01:16:37,610 --> 01:16:35,820

when I did so many Trials of these and

2056

01:16:39,530 --> 01:16:37,620

I've only done dimethyltriplane and and

2057

01:16:40,790 --> 01:16:39,540

mushrooms and I you know I tried a few

2058

01:16:42,470 --> 01:16:40,800

other things but I did not like them so

2059

01:16:43,850 --> 01:16:42,480

I just went back to the other the other

2060

01:16:46,550 --> 01:16:43,860

ones but um

2061

01:16:48,290 --> 01:16:46,560

I mean I did the first one like really I

2062

01:16:50,209 --> 01:16:48,300

did it in a way that you couldn't get

2063

01:16:52,010 --> 01:16:50,219

any more uh clinical

2064

01:16:53,270 --> 01:16:52,020

um and uh that was for you know to

2065

01:16:54,950 --> 01:16:53,280

recognize well maybe the effects from

2066

01:16:56,390 --> 01:16:54,960

for PTSD which I wouldn't say there was

2067

01:16:58,070 --> 01:16:56,400

any major change for dimethyltry playing

2068

01:16:59,510 --> 01:16:58,080

PTSD but

2069

01:17:01,370 --> 01:16:59,520

um

2070

01:17:03,110 --> 01:17:01,380

I don't think it's a part of any type of

2071

01:17:04,790 --> 01:17:03,120

Consciousness thing I do think it's a

2072

01:17:06,950 --> 01:17:04,800

part of your own con like I feel like

2073

01:17:08,810 --> 01:17:06,960

we're you know the brain just is one

2074

01:17:10,430 --> 01:17:08,820

great simulation maker and boy oh boy

2075

01:17:11,750 --> 01:17:10,440

can make some amazing simulations when

2076

01:17:14,149 --> 01:17:11,760

you're on some psychedelics it's like

2077

01:17:15,830 --> 01:17:14,159

it's just doing it on its own

2078

01:17:17,390 --> 01:17:15,840

um but I'd love to share an experience

2079

01:17:19,310 --> 01:17:17,400

with you guys uh but have you is

2080

01:17:20,570 --> 01:17:19,320

everyone here done dimethyl tripling has

2081

01:17:23,090 --> 01:17:20,580

anyone else know

2082

01:17:24,649 --> 01:17:23,100

no just the magic mushrooms here magic

2083

01:17:27,010 --> 01:17:24,659

mushrooms

2084

01:17:31,390 --> 01:17:27,020

a lady never

2085

01:17:36,110 --> 01:17:33,350

for the special occasion I'm even

2086

01:17:38,510 --> 01:17:36,120

wearing my Sonoran Desert toad

2087

01:17:41,330 --> 01:17:38,520

tripping shirt

2088

01:17:45,709 --> 01:17:41,340

it's obviously giving it away but

2089

01:17:48,649 --> 01:17:45,719

um it's not DMT it's bufo right but uh

2090

01:17:50,689 --> 01:17:48,659

same kind of universe I guess yeah yeah

2091

01:17:51,890 --> 01:17:50,699

I have had similar experiences on two

2092

01:17:53,149 --> 01:17:51,900

different drugs which I thought was

2093

01:17:54,850 --> 01:17:53,159

interesting

2094

01:17:57,649 --> 01:17:54,860

um first I want to say this that first

2095

01:18:00,350 --> 01:17:57,659

dimethylprying experience I took it in

2096

01:18:02,209 --> 01:18:00,360

the entire world uh

2097

01:18:03,770 --> 01:18:02,219

um turned into dust and every little

2098

01:18:06,050 --> 01:18:03,780

character and symbol that I've ever seen

2099

01:18:07,250 --> 01:18:06,060

in my life in any way I've ever picked

2100

01:18:08,870 --> 01:18:07,260

it up showed up in front of me and

2101
01:18:11,390 --> 01:18:08,880
everything Venice I can hear someone

2102
01:18:12,830 --> 01:18:11,400
myself coming back pretty loud if uh I

2103
01:18:14,390 --> 01:18:12,840
don't know whose speaker that is whose

2104
01:18:17,270 --> 01:18:14,400
microphone that might be

2105
01:18:18,590 --> 01:18:17,280
is that me no it was Louis it's fixed

2106
01:18:20,149 --> 01:18:18,600
okay

2107
01:18:21,290 --> 01:18:20,159
um the uh

2108
01:18:22,130 --> 01:18:21,300
the

2109
01:18:25,070 --> 01:18:22,140
um

2110
01:18:28,189 --> 01:18:25,080
I I was laying on on a on a bed in a in

2111
01:18:32,450 --> 01:18:28,199
a doctor's office and uh overlooking a

2112
01:18:35,330 --> 01:18:32,460
beautiful uh Mount Rainier View and I um

2113
01:18:37,130 --> 01:18:35,340

I went on a journey and the craziest

2114

01:18:38,570 --> 01:18:37,140

thing in my life happened I saw this

2115

01:18:40,430 --> 01:18:38,580

giant Cloud up here in front of me like

2116

01:18:41,990 --> 01:18:40,440

a pillar of clouds up here and the whole

2117

01:18:43,610 --> 01:18:42,000

world melt away I'm in a black room and

2118

01:18:46,130 --> 01:18:43,620

I jolt it out of my body and I could see

2119

01:18:48,110 --> 01:18:46,140

myself in third person like like the

2120

01:18:50,750 --> 01:18:48,120

motion was it was very strange and uh

2121

01:18:52,189 --> 01:18:50,760

and I'm and I sat there saying this

2122

01:18:53,630 --> 01:18:52,199

Mantra over and over again because they

2123

01:18:54,709 --> 01:18:53,640

they gave me this you know they told me

2124

01:18:56,390 --> 01:18:54,719

to come up with something that they

2125

01:18:59,149 --> 01:18:56,400

wanted me to if they thought would fix

2126

01:19:01,250 --> 01:18:59,159

that was part of this whole trial here

2127

01:19:02,030 --> 01:19:01,260

was to like basically adapt some sort of

2128

01:19:05,270 --> 01:19:02,040

other

2129

01:19:07,310 --> 01:19:05,280

you know Shaman I'm not sure what we're

2130

01:19:08,689 --> 01:19:07,320

talking about here but anyways uh I'm

2131

01:19:10,070 --> 01:19:08,699

saying it you know I'll tell people it

2132

01:19:12,649 --> 01:19:10,080

had a lot to do with just like getting

2133

01:19:14,270 --> 01:19:12,659

sleep and not getting in altercations

2134

01:19:16,310 --> 01:19:14,280

and things like that

2135

01:19:19,490 --> 01:19:16,320

um and uh

2136

01:19:21,470 --> 01:19:19,500

uh I I'm saying this even in the trip I

2137

01:19:23,510 --> 01:19:21,480

can literally say myself see myself

2138

01:19:25,010 --> 01:19:23,520

saying it and I'm saying it over and

2139

01:19:26,689 --> 01:19:25,020

over again and suddenly out of the basis

2140

01:19:27,770 --> 01:19:26,699

Cloud all these little orbs start

2141

01:19:29,330 --> 01:19:27,780

shooting out and they're coming out in

2142

01:19:30,530 --> 01:19:29,340

twos and threes I mean when I was

2143

01:19:32,450 --> 01:19:30,540

watching them they were coming out like

2144

01:19:34,010 --> 01:19:32,460

really fast like

2145

01:19:35,149 --> 01:19:34,020

like just the shooting out of the bottom

2146

01:19:37,010 --> 01:19:35,159

this thing really far away I couldn't

2147

01:19:38,270 --> 01:19:37,020

range how far it is but they would

2148

01:19:40,130 --> 01:19:38,280

eventually come up to me and inside

2149

01:19:41,750 --> 01:19:40,140

these orbs was the faces of basically

2150

01:19:43,250 --> 01:19:41,760

the goofiest Critters you ever saw in

2151

01:19:46,070 --> 01:19:43,260

your life some of them looked almost

2152

01:19:48,169 --> 01:19:46,080

like an animal on Earth with a more of a

2153

01:19:49,550 --> 01:19:48,179

you know evolved state or something and

2154

01:19:51,530 --> 01:19:49,560

other ones look like nothing that you

2155

01:19:52,970 --> 01:19:51,540

could even describe but two of them came

2156

01:19:55,070 --> 01:19:52,980

really close to me like they were almost

2157

01:19:56,870 --> 01:19:55,080

greeting me like what's who's this here

2158

01:19:59,090 --> 01:19:56,880

like that's what it almost felt like and

2159

01:20:00,530 --> 01:19:59,100

I'm sitting there being like I will get

2160

01:20:04,130 --> 01:20:00,540

a good sleep like I'm just saying this

2161

01:20:05,570 --> 01:20:04,140

Mantra and they in in in I saw them and

2162

01:20:07,370 --> 01:20:05,580

it was so crazy because that's how

2163

01:20:09,290 --> 01:20:07,380

that's all these psychedelics are I mean

2164

01:20:10,910 --> 01:20:09,300

I cannot believe what happens in there

2165

01:20:13,430 --> 01:20:10,920

but I'm not openly convinced it's

2166

01:20:16,430 --> 01:20:13,440

anything special but these things

2167

01:20:18,649 --> 01:20:16,440

responded in such a specific way it was

2168

01:20:20,209 --> 01:20:18,659

like the most real movie or dream ever

2169

01:20:22,610 --> 01:20:20,219

they both responded like they were

2170

01:20:23,870 --> 01:20:22,620

freaked out that I wasn't adjusting to

2171

01:20:25,490 --> 01:20:23,880

whatever this was and I was just saying

2172

01:20:27,410 --> 01:20:25,500

it so I even said to myself oh my God

2173

01:20:28,970 --> 01:20:27,420

they can hear me and I shut up

2174

01:20:30,169 --> 01:20:28,980

and I just stopped talking and I was

2175

01:20:31,970 --> 01:20:30,179

like what the hell is that and they all

2176

01:20:33,890 --> 01:20:31,980

kind of backed up and went away and then

2177

01:20:35,209 --> 01:20:33,900

none of them none of them came to me but

2178

01:20:37,070 --> 01:20:35,219

I watched them as they came out of this

2179

01:20:38,689 --> 01:20:37,080

cloud and twos and threes just rocketing

2180

01:20:41,750 --> 01:20:38,699

out and they would go back in and

2181

01:20:43,910 --> 01:20:41,760

whatnot and then suddenly I looked and I

2182

01:20:45,950 --> 01:20:43,920

could see up in the cloud there was this

2183

01:20:48,110 --> 01:20:45,960

face that was in the cloud it took up

2184

01:20:50,510 --> 01:20:48,120

the whole cloud and out of the top was

2185

01:20:52,490 --> 01:20:50,520

these two huge black guys jutting out

2186

01:20:53,870 --> 01:20:52,500

the side and it wasn't anything like

2187

01:20:56,209 --> 01:20:53,880

some sort of gray alien or anything it

2188

01:20:58,010 --> 01:20:56,219

reminded me very much like a horse you

2189

01:21:00,290 --> 01:20:58,020

know I've spent a lot of my life riding

2190

01:21:02,390 --> 01:21:00,300

horses I spent a ton of my life looking

2191

01:21:04,490 --> 01:21:02,400

at a horse face to face I'm not

2192

01:21:06,830 --> 01:21:04,500

surprised I saw a horse

2193

01:21:08,209 --> 01:21:06,840

um but then something really weird

2194

01:21:10,130 --> 01:21:08,219

happened where I could hear my own voice

2195

01:21:12,229 --> 01:21:10,140

in my head having a conversation with me

2196

01:21:13,669 --> 01:21:12,239

and it said and I'm like and literally

2197

01:21:15,649 --> 01:21:13,679

in this trip I'm thinking this thing

2198

01:21:17,570 --> 01:21:15,659

just induced like psychosis but I was

2199

01:21:20,630 --> 01:21:17,580

panicking I was like holy [h__\h] this is

2200

01:21:22,370 --> 01:21:20,640

crazy and it started telling me uh

2201

01:21:24,169 --> 01:21:22,380

something I was like why are you the

2202

01:21:26,090 --> 01:21:24,179

only one here not showing yourself is

2203

01:21:27,830 --> 01:21:26,100

what I said and I said because the last

2204

01:21:31,430 --> 01:21:27,840

time I showed myself to you

2205

01:21:33,169 --> 01:21:31,440

I scared you and I sh it like shot me

2206

01:21:34,490 --> 01:21:33,179

back in this weird flash of scenes so

2207

01:21:35,750 --> 01:21:34,500

when I was in high school with all my

2208

01:21:37,490 --> 01:21:35,760

friends right as I was leaving for the

2209

01:21:39,410 --> 01:21:37,500

Army I used to go to this place to train

2210

01:21:40,790 --> 01:21:39,420

all the time we'd you know I was

2211

01:21:42,169 --> 01:21:40,800

learning the Infantry handbook out there

2212

01:21:43,550 --> 01:21:42,179

and just learning how to be a soldier

2213

01:21:45,890 --> 01:21:43,560

before I even went to the Army with the

2214

01:21:47,090 --> 01:21:45,900

recruiters and stuff and uh I was there

2215

01:21:49,010 --> 01:21:47,100

with my friends and we saw this

2216

01:21:50,450 --> 01:21:49,020

horse-headed looking dude I mean he

2217

01:21:52,370 --> 01:21:50,460

literally looked like I had a horse head

2218

01:21:53,990 --> 01:21:52,380

standing in a window banging on the

2219

01:21:54,890 --> 01:21:54,000

window at us and we all looked at him

2220

01:21:56,270 --> 01:21:54,900

with flat with these two huge

2221

01:21:57,950 --> 01:21:56,280

flashlights and we all ran for our lives

2222

01:21:59,630 --> 01:21:57,960

when we he banged again and this girl

2223

01:22:01,729 --> 01:21:59,640

Kaylee saw him and we freaked out but it

2224

01:22:04,310 --> 01:22:01,739

was it was to this day I'm just thinking

2225

01:22:06,110 --> 01:22:04,320

somehow some way you know that some guy

2226

01:22:07,850 --> 01:22:06,120

I was able to trick us or something I

2227

01:22:10,130 --> 01:22:07,860

don't know but it said last time I

2228

01:22:12,229 --> 01:22:10,140

showed myself to you I scared you and it

2229

01:22:13,550 --> 01:22:12,239

showed me that scene and it was like I

2230

01:22:15,050 --> 01:22:13,560

was there I couldn't tell the difference

2231

01:22:16,729 --> 01:22:15,060

between reality or whatever it was like

2232

01:22:18,709 --> 01:22:16,739

I was back in high school right at the

2233

01:22:21,350 --> 01:22:18,719

leave for the Army and seeing this thing

2234

01:22:24,410 --> 01:22:21,360

and I was like

2235

01:22:25,669 --> 01:22:24,420

this is insane and as I thought like how

2236

01:22:26,930 --> 01:22:25,679

crazy this all was and I couldn't

2237

01:22:28,669 --> 01:22:26,940

believe it was happening I zipped right

2238

01:22:30,410 --> 01:22:28,679

out of it ended I looked over at the

2239

01:22:32,810 --> 01:22:30,420

doctor and I stood up and literally

2240

01:22:34,669 --> 01:22:32,820

yelled how the [h__\h] didn't you do that

2241

01:22:35,930 --> 01:22:34,679

excuse my language I yelled at the

2242

01:22:37,790 --> 01:22:35,940

doctor how did you do that I was so

2243

01:22:40,430 --> 01:22:37,800

confused I literally thought it was a

2244

01:22:42,470 --> 01:22:40,440

joke like he had somehow didn't give me

2245

01:22:44,830 --> 01:22:42,480

a real drug he gave me something else

2246

01:22:49,189 --> 01:22:44,840

that he was like it was so insanely real

2247

01:22:51,050 --> 01:22:49,199

that I thought that he was experimenting

2248

01:22:52,310 --> 01:22:51,060

on me when I thought I was part of an

2249

01:22:55,010 --> 01:22:52,320

experiment that's literally how I

2250

01:22:57,530 --> 01:22:55,020

reacted to it because it was so real and

2251
01:22:59,990 --> 01:22:57,540
uh but it didn't make any sense but then

2252
01:23:01,729 --> 01:23:00,000
I did 10 trials nothing else crazy

2253
01:23:02,510 --> 01:23:01,739
happened for the next nine really a lot

2254
01:23:05,090 --> 01:23:02,520
of

2255
01:23:07,070 --> 01:23:05,100
confirmation [h__h] like you hear

2256
01:23:09,229 --> 01:23:07,080
things about yourself that you already

2257
01:23:10,729 --> 01:23:09,239
know this isn't a revelation

2258
01:23:12,470 --> 01:23:10,739
um which is common about ufology

2259
01:23:13,970 --> 01:23:12,480
actually yes alien abduction is the same

2260
01:23:15,530 --> 01:23:13,980
because people tell each other [h__h]

2261
01:23:18,050 --> 01:23:15,540
and they hear the same thing they want

2262
01:23:20,750 --> 01:23:18,060
to hear from the alien yes we all are

2263
01:23:23,990 --> 01:23:20,760

one we all you know exactly we

2264

01:23:26,270 --> 01:23:24,000

everyone's won in this anyways

2265

01:23:28,610 --> 01:23:26,280

uh the last last trip I had the ego

2266

01:23:30,110 --> 01:23:28,620

death and that was uh that was wild that

2267

01:23:32,510 --> 01:23:30,120

was I came out of it believing someone

2268

01:23:34,130 --> 01:23:32,520

wrote about purgatory based off of

2269

01:23:35,209 --> 01:23:34,140

something similar to that because I was

2270

01:23:37,070 --> 01:23:35,219

so convinced that that's what it was

2271

01:23:39,350 --> 01:23:37,080

like was wild I saw every bad thing I

2272

01:23:41,270 --> 01:23:39,360

ever done and then all was forgiven

2273

01:23:42,169 --> 01:23:41,280

after a laser light show shot me to

2274

01:23:46,370 --> 01:23:42,179

pieces

2275

01:23:49,910 --> 01:23:46,380

on a weird gyroscope scenario and then I

2276

01:23:51,950 --> 01:23:49,920

saw a big fat boot ahead in the sky not

2277

01:23:54,410 --> 01:23:51,960

like the Buddha but like the Buddha monk

2278

01:23:56,090 --> 01:23:54,420

you know the and I rocketed through him

2279

01:23:57,890 --> 01:23:56,100

and he burst into a million pieces and

2280

01:23:59,390 --> 01:23:57,900

became the stars and I went to a white

2281

01:24:01,430 --> 01:23:59,400

place and as soon as I got to the white

2282

01:24:03,410 --> 01:24:01,440

place it ended I couldn't remember

2283

01:24:05,750 --> 01:24:03,420

anything but it was

2284

01:24:07,430 --> 01:24:05,760

I saw every negative thing I've ever did

2285

01:24:08,810 --> 01:24:07,440

in my life and I can't believe it

2286

01:24:11,450 --> 01:24:08,820

because it actually showed me stuff that

2287

01:24:13,729 --> 01:24:11,460

I forgot and it was pretty wild I mean

2288

01:24:16,790 --> 01:24:13,739

one time I put horse crap on some kid's

2289

01:24:21,550 --> 01:24:16,800

bed and and I showed me

2290

01:24:27,290 --> 01:24:25,310

by putting poop on his bed and uh it

2291

01:24:28,850 --> 01:24:27,300

reminded me of that in this trip I had I

2292

01:24:30,830 --> 01:24:28,860

had no recollection of it whatsoever but

2293

01:24:33,229 --> 01:24:30,840

I sat and watched myself and I literally

2294

01:24:35,510 --> 01:24:33,239

was like oh my God I'm terrible but it

2295

01:24:37,430 --> 01:24:35,520

was all like these really minor negative

2296

01:24:38,510 --> 01:24:37,440

choices in life it was like some of them

2297

01:24:40,790 --> 01:24:38,520

were worse like I I remember

2298

01:24:44,810 --> 01:24:40,800

specifically I broke up with a woman and

2299

01:24:46,790 --> 01:24:44,820

I like clearly she was heartbroken and I

2300

01:24:48,350 --> 01:24:46,800

did the worst thing possible which was

2301

01:24:51,290 --> 01:24:48,360

ignore it

2302

01:24:53,209 --> 01:24:51,300

I literally ignored the situation in

2303

01:24:55,790 --> 01:24:53,219

that case where like I didn't give her

2304

01:24:58,850 --> 01:24:55,800

any closure any resolution anything I

2305

01:25:01,189 --> 01:24:58,860

was just so out of it that I like and it

2306

01:25:02,570 --> 01:25:01,199

it treated that for some reason as one

2307

01:25:04,850 --> 01:25:02,580

of the more Monumental moments of my

2308

01:25:06,770 --> 01:25:04,860

life not the time in war not what I had

2309

01:25:09,649 --> 01:25:06,780

to do as a soldier

2310

01:25:11,930 --> 01:25:09,659

um but literally moments like that it

2311

01:25:13,970 --> 01:25:11,940

was more specific about look what you

2312

01:25:16,450 --> 01:25:13,980

did here do you realize what you did to

2313

01:25:20,390 --> 01:25:16,460

this other person like you it was

2314

01:25:22,550 --> 01:25:20,400

weird how much it focused on the love

2315

01:25:26,450 --> 01:25:22,560

aspect of things it showed me all the

2316

01:25:28,790 --> 01:25:26,460

times I was a jerk little kid but uh but

2317

01:25:30,350 --> 01:25:28,800

it also was was that uh that experience

2318

01:25:32,270 --> 01:25:30,360

was DMT as well is that right

2319

01:25:33,890 --> 01:25:32,280

methotriptyline yeah the mushrooms were

2320

01:25:35,330 --> 01:25:33,900

all other wild stuff but the dimethyl

2321

01:25:37,010 --> 01:25:35,340

drip flame was that that was the final

2322

01:25:39,350 --> 01:25:37,020

one yeah that was uh I have never done

2323

01:25:40,729 --> 01:25:39,360

it since I thought well I learned enough

2324

01:25:42,950 --> 01:25:40,739

that was good enough for me I'm not

2325

01:25:44,570 --> 01:25:42,960

gonna linger here and pretend like I'm

2326

01:25:46,070 --> 01:25:44,580

gonna gain answers one day which I have

2327

01:25:47,510 --> 01:25:46,080

seen people do right in front of me to

2328

01:25:49,189 --> 01:25:47,520

the point where they become like a

2329

01:25:52,550 --> 01:25:49,199

dimethyl tripling Channel

2330

01:25:55,189 --> 01:25:52,560

they just wanted a GMT all the time but

2331

01:25:56,930 --> 01:25:55,199

uh yeah that was I will say for all the

2332

01:25:58,490 --> 01:25:56,940

people that ever talk about love and it

2333

01:26:01,070 --> 01:25:58,500

being all you know I mean it was

2334

01:26:03,110 --> 01:26:01,080

remarkable how this weird light energy

2335

01:26:04,490 --> 01:26:03,120

in space looking at me or whatever the

2336

01:26:08,330 --> 01:26:04,500

hell was going on

2337

01:26:11,030 --> 01:26:08,340

showed me every time I I could have been

2338

01:26:13,970 --> 01:26:11,040

kind when someone was truly loving me

2339

01:26:15,290 --> 01:26:13,980

and I chose even it wasn't like a ton of

2340

01:26:17,270 --> 01:26:15,300

time I'm like so I should walk I'm not

2341

01:26:19,610 --> 01:26:17,280

an [h__h] here I mean but it was it was

2342

01:26:21,350 --> 01:26:19,620

clearly it specifically highlighted

2343

01:26:23,330 --> 01:26:21,360

those times which was disturbing to me

2344

01:26:25,070 --> 01:26:23,340

because I'm not someone who spends time

2345

01:26:27,229 --> 01:26:25,080

reading about this or no I don't know

2346

01:26:29,570 --> 01:26:27,239

anything about any type of teaching them

2347

01:26:32,689 --> 01:26:29,580

I have heard people describe God as love

2348

01:26:33,830 --> 01:26:32,699

before but I mean you know I I it was

2349

01:26:35,870 --> 01:26:33,840

just

2350

01:26:37,490 --> 01:26:35,880

I still think about that out of all my

2351
01:26:41,810 --> 01:26:37,500
trips even though the weird alien talked

2352
01:26:46,910 --> 01:26:44,810
I've been breaking hearts ever since

2353
01:26:48,290 --> 01:26:46,920
it's interesting you touched on

2354
01:26:50,870 --> 01:26:48,300
um kind of like the knowledge you

2355
01:26:52,550 --> 01:26:50,880
experience in these trips uh is still

2356
01:26:55,070 --> 01:26:52,560
internal right it's all stuff you

2357
01:26:57,229 --> 01:26:55,080
already know it makes me think of

2358
01:26:59,149 --> 01:26:57,239
um in the contacting movement or even uh

2359
01:27:00,950 --> 01:26:59,159
aerial school when the aliens come down

2360
01:27:03,050 --> 01:27:00,960
and they're like worrying about the

2361
01:27:05,149 --> 01:27:03,060
environment and it's not just like stuff

2362
01:27:07,669 --> 01:27:05,159
you already know culturally it's that

2363
01:27:10,310 --> 01:27:07,679

like the individualized approach to

2364

01:27:14,090 --> 01:27:10,320

combating uh climate change and stuff

2365

01:27:14,930 --> 01:27:14,100

like that when you know in reality like

2366

01:27:17,330 --> 01:27:14,940

um

2367

01:27:20,030 --> 01:27:17,340

like EPA limitations on corporations and

2368

01:27:21,470 --> 01:27:20,040

stuff would do far greater difference to

2369

01:27:22,850 --> 01:27:21,480

change the environment but the aliens

2370

01:27:25,250 --> 01:27:22,860

are telling you the the kind of the

2371

01:27:27,590 --> 01:27:25,260

message that you you get from culturally

2372

01:27:29,209 --> 01:27:27,600

anyway like do your part and reduce your

2373

01:27:31,910 --> 01:27:29,219

carbon footprint yeah they're like

2374

01:27:33,709 --> 01:27:31,920

Captain Planet basically yeah yeah well

2375

01:27:36,350 --> 01:27:33,719

they're sent by the corporate entities I

2376

01:27:38,870 --> 01:27:36,360

see what's going on now I I think that's

2377

01:27:41,930 --> 01:27:40,790

well if you have anything more there

2378

01:27:43,189 --> 01:27:41,940

because I do think of actually what

2379

01:27:44,750 --> 01:27:43,199

you're saying about the aerial school

2380

01:27:46,250 --> 01:27:44,760

kids specifically when it comes to what

2381

01:27:48,110 --> 01:27:46,260

they were shown and what was at the time

2382

01:27:49,850 --> 01:27:48,120

and how we as ufologists have kind of

2383

01:27:51,169 --> 01:27:49,860

filled in the idea that well they must

2384

01:27:52,970 --> 01:27:51,179

have really experienced something and

2385

01:27:54,350 --> 01:27:52,980

they must have really had a vision and

2386

01:27:55,790 --> 01:27:54,360

then maybe they're having that Vision

2387

01:27:58,209 --> 01:27:55,800

because like that was going on at the

2388

01:28:01,930 --> 01:27:58,219

time Green Day Green Day

2389

01:28:04,370 --> 01:28:01,940

Earth day was coming around

2390

01:28:06,410 --> 01:28:04,380

that's right the secret song at the end

2391

01:28:07,430 --> 01:28:06,420

that you had to wait for was great

2392

01:28:14,149 --> 01:28:07,440

um

2393

01:28:15,590 --> 01:28:14,159

bunch of things happening the recycling

2394

01:28:17,209 --> 01:28:15,600

symbol had come out and was spreading

2395

01:28:18,470 --> 01:28:17,219

around the world at a time so we as you

2396

01:28:20,270 --> 01:28:18,480

follow just or whatever we call

2397

01:28:23,090 --> 01:28:20,280

ourselves I don't know what uh all these

2398

01:28:24,410 --> 01:28:23,100

years later look back at that when I

2399

01:28:25,729 --> 01:28:24,420

first of all I don't even think the

2400

01:28:27,110 --> 01:28:25,739

event happened the way we all think it I

2401
01:28:28,189 --> 01:28:27,120
think that guy Gideon nailed it when he

2402
01:28:29,390 --> 01:28:28,199
said the puppet thing was happening

2403
01:28:31,610 --> 01:28:29,400
because honestly God when you look at

2404
01:28:33,709 --> 01:28:31,620
the puppets it's so good it's like holy

2405
01:28:36,290 --> 01:28:33,719
cow I was a child yes you would look up

2406
01:28:40,310 --> 01:28:36,300
that giant thing in the woods but

2407
01:28:42,950 --> 01:28:40,320
it's just how uncreative certain aspects

2408
01:28:45,169 --> 01:28:42,960
of ufology can be rather than I think

2409
01:28:47,750 --> 01:28:45,179
subjectively interpreting what was said

2410
01:28:50,149 --> 01:28:47,760
or or even you know like the idea of I I

2411
01:28:52,430 --> 01:28:50,159
honestly God think it's just a a lack of

2412
01:28:53,750 --> 01:28:52,440
creativity because we all know they

2413
01:28:55,729 --> 01:28:53,760

could have done something so much more

2414

01:28:56,810 --> 01:28:55,739

and I'm not saying they're stupid kids

2415

01:29:00,290 --> 01:28:56,820

they should have been no I mean

2416

01:29:02,390 --> 01:29:00,300

literally what is sold to us what is

2417

01:29:03,950 --> 01:29:02,400

learned glean from these children by

2418

01:29:07,610 --> 01:29:03,960

these experts like John Mack and stuff

2419

01:29:09,410 --> 01:29:07,620

they then take that and

2420

01:29:11,270 --> 01:29:09,420

you know highlight these things and

2421

01:29:14,390 --> 01:29:11,280

these things are not creative they're

2422

01:29:16,910 --> 01:29:14,400

not really that way true

2423

01:29:19,189 --> 01:29:16,920

the whole the whole the whole eth is

2424

01:29:21,470 --> 01:29:19,199

isn't very creative in my opinion it's

2425

01:29:23,689 --> 01:29:21,480

just us projecting ourselves you know a

2426

01:29:26,689 --> 01:29:23,699

minute ago you you mentioned the the

2427

01:29:28,550 --> 01:29:26,699

phrase God is love right

2428

01:29:30,290 --> 01:29:28,560

um and it it makes me wonder about

2429

01:29:32,350 --> 01:29:30,300

religion and

2430

01:29:35,209 --> 01:29:32,360

um how we kind of

2431

01:29:37,970 --> 01:29:35,219

anthropomorphize God even like currently

2432

01:29:39,770 --> 01:29:37,980

as like a man

2433

01:29:41,930 --> 01:29:39,780

um I think my religious friends don't

2434

01:29:43,970 --> 01:29:41,940

actually see it that way you know it's a

2435

01:29:47,450 --> 01:29:43,980

very edgelord thing to say that like God

2436

01:29:50,090 --> 01:29:47,460

is a man in the sky right but um

2437

01:29:51,830 --> 01:29:50,100

one of my friends described God more as

2438

01:29:55,370 --> 01:29:51,840

kind of like a

2439

01:29:58,850 --> 01:29:55,380

a law a law or force of nature but it's

2440

01:30:01,070 --> 01:29:58,860

kind of our human tendency to just put

2441

01:30:04,610 --> 01:30:01,080

ourselves in everything and I think that

2442

01:30:08,149 --> 01:30:04,620

does explain uh the eth I think it

2443

01:30:09,290 --> 01:30:08,159

explains ghosts too honestly

2444

01:30:10,970 --> 01:30:09,300

um but yeah we're always we're always

2445

01:30:13,250 --> 01:30:10,980

putting ourselves in other things and

2446

01:30:15,410 --> 01:30:13,260

and like you said the eth it's like it's

2447

01:30:17,270 --> 01:30:15,420

little men like us in vehicles just like

2448

01:30:21,590 --> 01:30:17,280

us so yeah it's not it's not very

2449

01:30:24,410 --> 01:30:21,600

creative and the weird part is that you

2450

01:30:27,169 --> 01:30:24,420

know I I can't like I'm gonna be full on

2451

01:30:29,629 --> 01:30:27,179

here like an area that I'm in now

2452

01:30:32,090 --> 01:30:29,639

there's been enough people that haven't

2453

01:30:34,189 --> 01:30:32,100

sold a paranormal story or told a

2454

01:30:36,050 --> 01:30:34,199

paranormal story I I guess in the

2455

01:30:38,090 --> 01:30:36,060

broader sense that's what it is but it's

2456

01:30:40,790 --> 01:30:38,100

been resold

2457

01:30:42,709 --> 01:30:40,800

as a paranormal event like for instance

2458

01:30:45,410 --> 01:30:42,719

I'm from an area known as the

2459

01:30:47,450 --> 01:30:45,420

Bridgewater Triangle it's been turned

2460

01:30:49,370 --> 01:30:47,460

into this almost like gimmicky Place

2461

01:30:51,830 --> 01:30:49,380

although it's there's no nothing special

2462

01:30:53,870 --> 01:30:51,840

about it's between two highways uh you

2463

01:30:55,070 --> 01:30:53,880

know and it's it's it's not looking too

2464

01:30:56,330 --> 01:30:55,080

great for the people in this area but

2465

01:30:59,750 --> 01:30:56,340

anyway and plus the building on the

2466

01:31:01,910 --> 01:30:59,760

swamp now but like the people here I've

2467

01:31:03,169 --> 01:31:01,920

had pretty remarkably weird experiences

2468

01:31:04,610 --> 01:31:03,179

in the area but I'm not saying it's

2469

01:31:07,669 --> 01:31:04,620

related to the year but like for

2470

01:31:09,530 --> 01:31:07,679

instance I see a giant snake I say giant

2471

01:31:12,350 --> 01:31:09,540

giant for the area

2472

01:31:14,390 --> 01:31:12,360

um uh in a in a um an alligator snapper

2473

01:31:17,030 --> 01:31:14,400

in the area and I have people tell me

2474

01:31:19,790 --> 01:31:17,040

that they're not an alligator snapper

2475

01:31:21,530 --> 01:31:19,800

that's something else it's it's the it's

2476

01:31:23,209 --> 01:31:21,540

the triangle

2477

01:31:24,950 --> 01:31:23,219

no it's a person that released an

2478

01:31:26,990 --> 01:31:24,960

alligator snapper 100 years ago and it

2479

01:31:29,450 --> 01:31:27,000

survives by bettering itself down in the

2480

01:31:32,629 --> 01:31:29,460

muck and and we have people retelling

2481

01:31:34,189 --> 01:31:32,639

other people's stories and then I think

2482

01:31:36,229 --> 01:31:34,199

these people go some years where they

2483

01:31:37,610 --> 01:31:36,239

start to almost defend the position that

2484

01:31:40,490 --> 01:31:37,620

they've been put in

2485

01:31:42,110 --> 01:31:40,500

I I swear because I don't really believe

2486

01:31:43,970 --> 01:31:42,120

they interpreted these things or or

2487

01:31:46,610 --> 01:31:43,980

oftentimes or even it's like

2488

01:31:48,350 --> 01:31:46,620

subjectivity perception thing I think I

2489

01:31:50,750 --> 01:31:48,360

think the story is that they saw an

2490

01:31:52,669 --> 01:31:50,760

effing snake and years later someone

2491

01:31:54,709 --> 01:31:52,679

said they saw a ghost snake or a serpent

2492

01:31:56,149 --> 01:31:54,719

or a freaking giant or a morphing and we

2493

01:31:57,530 --> 01:31:56,159

gotta really be careful with the apology

2494

01:31:59,209 --> 01:31:57,540

when we do that because I've noticed

2495

01:32:00,370 --> 01:31:59,219

that quite a bit actually in this area

2496

01:32:03,290 --> 01:32:00,380

where there's been a lot of

2497

01:32:05,930 --> 01:32:03,300

investigative groups Taps the ghost

2498

01:32:07,610 --> 01:32:05,940

hunters and all these you know they'll

2499

01:32:10,669 --> 01:32:07,620

they'll take someone's story and they'll

2500

01:32:11,810 --> 01:32:10,679

just like repackage it and then I don't

2501
01:32:13,910 --> 01:32:11,820
know why some people defend this story

2502
01:32:16,669 --> 01:32:13,920
but I I tend to think that that's that

2503
01:32:18,770 --> 01:32:16,679
we we try to

2504
01:32:20,209 --> 01:32:18,780
obviously I understand subjectivity I'm

2505
01:32:22,850 --> 01:32:20,219
not going to just Breeze over it like

2506
01:32:24,350 --> 01:32:22,860
perception doesn't mean in what's in our

2507
01:32:26,870 --> 01:32:24,360
minds isn't it I just feel like in

2508
01:32:28,850 --> 01:32:26,880
general we we tend to re interpret a

2509
01:32:30,530 --> 01:32:28,860
retelling and the retelling is look at

2510
01:32:31,669 --> 01:32:30,540
how subjective it was to what was going

2511
01:32:34,010 --> 01:32:31,679
on in the world it's really ridiculous

2512
01:32:35,330 --> 01:32:34,020
it's just the bad authors the person

2513
01:32:37,189 --> 01:32:35,340

really just told the story about a snake

2514

01:32:39,410 --> 01:32:37,199

and it's not I mean it's I started to

2515

01:32:40,370 --> 01:32:39,420

see that all over the place

2516

01:32:43,790 --> 01:32:40,380

sorry

2517

01:32:45,290 --> 01:32:43,800

I'm an idiot I apologize hey so Jeff

2518

01:32:49,129 --> 01:32:45,300

um we have a question coming in from

2519

01:32:50,870 --> 01:32:49,139

audience number Mark leberer who's

2520

01:32:53,270 --> 01:32:50,880

asking if you can speak to whether you

2521

01:32:56,090 --> 01:32:53,280

think the USA has reverse engineered and

2522

01:32:58,850 --> 01:32:56,100

mastered anti-gravidics from recovered

2523

01:33:30,370 --> 01:32:58,860

ET vehicles

2524

01:33:37,310 --> 01:33:35,030

of course oh man it's um it's

2525

01:33:39,350 --> 01:33:37,320

um I I personally don't believe so I

2526
01:33:41,870 --> 01:33:39,360
just don't believe so because the crash

2527
01:33:45,050 --> 01:33:41,880
story is too similar to and they would

2528
01:33:49,250 --> 01:33:45,060
be in the same group I guess but you if

2529
01:33:52,669 --> 01:33:49,260
someone's job is 99.9 crash recovery of

2530
01:33:54,229 --> 01:33:52,679
foreign assets be them planes or

2531
01:33:56,629 --> 01:33:54,239
satellites or balloons or whatever we

2532
01:33:58,910 --> 01:33:56,639
just saw and and then we're supposed to

2533
01:34:00,890 --> 01:33:58,920
pretend that there's this huge part of

2534
01:34:03,530 --> 01:34:00,900
the these people's jobs which is dealing

2535
01:34:06,430 --> 01:34:03,540
with this constant problem of aliens

2536
01:34:10,270 --> 01:34:08,689
I don't understand that at all and I

2537
01:34:12,229 --> 01:34:10,280
don't think it's supported by anything

2538
01:34:15,290 --> 01:34:12,239

anti-gravity is kind of interesting to

2539

01:34:17,330 --> 01:34:15,300

me does it does that mean it's just an

2540

01:34:19,370 --> 01:34:17,340

equal and opposite Force

2541

01:34:21,649 --> 01:34:19,380

of gravity what is anti-gravity supposed

2542

01:34:24,410 --> 01:34:21,659

to be actually in the lore

2543

01:34:26,870 --> 01:34:24,420

I think um first we have to go back all

2544

01:34:29,390 --> 01:34:26,880

the way to the mid-1800s when people are

2545

01:34:31,610 --> 01:34:29,400

figuring out figuring out

2546

01:34:34,129 --> 01:34:31,620

um and just experimenting entirely uh

2547

01:34:36,290 --> 01:34:34,139

with new gases in in compressed States

2548

01:34:38,750 --> 01:34:36,300

and putting them in bag you know

2549

01:34:41,149 --> 01:34:38,760

different types of materials like

2550

01:34:42,709 --> 01:34:41,159

you know oiled silks and a loot and then

2551
01:34:44,510 --> 01:34:42,719
someone comes up with aluminum and holy

2552
01:34:46,550 --> 01:34:44,520
cow it's the same shape and different

2553
01:34:48,050 --> 01:34:46,560
way so we're talking about a time where

2554
01:34:50,510 --> 01:34:48,060
people were nicknaming things like

2555
01:34:52,790 --> 01:34:50,520
literally anti-gravity yeah and you can

2556
01:34:55,129 --> 01:34:52,800
see that there's people and inventors

2557
01:34:57,649 --> 01:34:55,139
out there they're like oh I swear I've

2558
01:34:59,030 --> 01:34:57,659
got the anti-gravity ether and like

2559
01:35:00,290 --> 01:34:59,040
they're calling it as and we find out

2560
01:35:01,550 --> 01:35:00,300
later it's like they're working like

2561
01:35:03,830 --> 01:35:01,560
hydrogen or something and they're trying

2562
01:35:05,450 --> 01:35:03,840
to figure out how to make things and and

2563
01:35:08,330 --> 01:35:05,460

that evolution

2564

01:35:11,030 --> 01:35:08,340

in dirigibles never went away because

2565

01:35:14,810 --> 01:35:11,040

that was just like a gimmicky name for

2566

01:35:17,810 --> 01:35:14,820

beating what keeps us rooted here and so

2567

01:35:20,270 --> 01:35:17,820

uh it's I don't

2568

01:35:22,070 --> 01:35:20,280

I don't believe that there is an

2569

01:35:24,830 --> 01:35:22,080

anti-gravity

2570

01:35:26,030 --> 01:35:24,840

I I and maybe maybe I'm just crazy and I

2571

01:35:27,350 --> 01:35:26,040

don't know enough about things but I

2572

01:35:29,330 --> 01:35:27,360

just personally don't believe in the

2573

01:35:30,910 --> 01:35:29,340

term anti-gravity but the ufology sense

2574

01:35:33,950 --> 01:35:30,920

of it is something that somehow reverses

2575

01:35:36,229 --> 01:35:33,960

gravity and uses it as a force to propel

2576

01:35:38,390 --> 01:35:36,239

itself away from that gravity Source or

2577

01:35:42,350 --> 01:35:38,400

whatever it in fact doesn't matter it

2578

01:35:43,910 --> 01:35:42,360

used to propel itself in any direction I

2579

01:35:45,970 --> 01:35:43,920

you'd have to be greater than gravity

2580

01:35:51,129 --> 01:35:45,980

then right if you're propelling yourself

2581

01:35:56,090 --> 01:35:53,570

yeah right I mean how much of this is

2582

01:35:57,709 --> 01:35:56,100

science and how much of is it of it is

2583

01:35:59,870 --> 01:35:57,719

this kind of

2584

01:36:00,830 --> 01:35:59,880

collaborative

2585

01:36:04,490 --> 01:36:00,840

um

2586

01:36:07,790 --> 01:36:04,500

mythology that's being yeah it's it's

2587

01:36:11,090 --> 01:36:07,800

mimetic yeah exactly exactly

2588

01:36:13,490 --> 01:36:11,100

well and let's also uh touch on um like

2589

01:36:15,970 --> 01:36:13,500

how it this language is so important to

2590

01:36:18,110 --> 01:36:15,980

this whole thing right because

2591

01:36:20,750 --> 01:36:18,120

anti-gravity like you touched on Jeff

2592

01:36:22,790 --> 01:36:20,760

like the first air balloon like is that

2593

01:36:24,950 --> 01:36:22,800

anti-gravity like we don't know exactly

2594

01:36:26,330 --> 01:36:24,960

what gravity is still I mean it's like

2595

01:36:27,530 --> 01:36:26,340

you know the curvature of space-time but

2596

01:36:28,910 --> 01:36:27,540

it's supposed to be projected by

2597

01:36:31,430 --> 01:36:28,920

something called the graviton which we

2598

01:36:32,870 --> 01:36:31,440

have never found we've never observed

2599

01:36:35,270 --> 01:36:32,880

one so we don't know what the mechanism

2600

01:36:37,790 --> 01:36:35,280

is that even guides what we describe as

2601
01:36:39,350 --> 01:36:37,800
gravity so we basically can describe an

2602
01:36:40,610 --> 01:36:39,360
effect a force we can make predictions

2603
01:36:42,110 --> 01:36:40,620
but we don't know what it is we don't

2604
01:36:43,550 --> 01:36:42,120
even like we have no idea what it

2605
01:36:45,229 --> 01:36:43,560
actually is that we're describing

2606
01:36:46,370 --> 01:36:45,239
physically

2607
01:36:48,470 --> 01:36:46,380
um and then we have things like the

2608
01:36:51,050 --> 01:36:48,480
ignoble prize and I think it was 2000

2609
01:36:52,669 --> 01:36:51,060
right an anti-gravity machine where on

2610
01:36:57,010 --> 01:36:52,679
Earth's surface you could have a frog

2611
01:36:59,629 --> 01:36:57,020
living floating uh in yeah

2612
01:37:01,250 --> 01:36:59,639
this electromagnetic effect but it

2613
01:37:03,649 --> 01:37:01,260

produces the impression of something

2614

01:37:05,050 --> 01:37:03,659

that is Defying Gravity now China has a

2615

01:37:08,510 --> 01:37:05,060

machine that you through

2616

01:37:11,270 --> 01:37:08,520

electromagnetics can dial in the exact

2617

01:37:13,310 --> 01:37:11,280

level of gravity in the machine so now

2618

01:37:15,470 --> 01:37:13,320

they're doing tests on different

2619

01:37:17,209 --> 01:37:15,480

materials inside this machine at the

2620

01:37:19,129 --> 01:37:17,219

moon's gravity level so is that

2621

01:37:21,350 --> 01:37:19,139

anti-gravity I mean to me that's

2622

01:37:23,209 --> 01:37:21,360

anti-gravity but they aren't messing

2623

01:37:25,370 --> 01:37:23,219

with gravitons they're used doing an

2624

01:37:28,729 --> 01:37:25,380

electromagnetic effect

2625

01:37:30,950 --> 01:37:28,739

um so yeah you mentioned Jeff about how

2626

01:37:34,010 --> 01:37:30,960

we've had the technology to produce

2627

01:37:35,750 --> 01:37:34,020

these observed effects for a long time

2628

01:37:39,350 --> 01:37:35,760

and we don't have to appeal to something

2629

01:37:41,570 --> 01:37:39,360

like anti-gravity to sort of produce

2630

01:37:44,750 --> 01:37:41,580

these effects why is it do you think the

2631

01:37:46,970 --> 01:37:44,760

people naturally leap past the most

2632

01:37:49,270 --> 01:37:46,980

plausible explanation towards the most

2633

01:37:51,350 --> 01:37:49,280

extreme

2634

01:37:53,510 --> 01:37:51,360

because they don't understand how it

2635

01:37:56,030 --> 01:37:53,520

works and when you don't understand

2636

01:37:58,010 --> 01:37:56,040

something you're supposed the a

2637

01:38:01,070 --> 01:37:58,020

remarkable survival trait of the human

2638

01:38:03,709 --> 01:38:01,080

being is to dislike something you don't

2639

01:38:05,390 --> 01:38:03,719

understand followed by bludgeing it over

2640

01:38:08,629 --> 01:38:05,400

the head

2641

01:38:11,689 --> 01:38:08,639

they don't want the topic or to mash it

2642

01:38:14,270 --> 01:38:11,699

into ideas that they do understand right

2643

01:38:16,250 --> 01:38:14,280

like to like mutilate it down into

2644

01:38:17,209 --> 01:38:16,260

Frameworks and ideas that do make sense

2645

01:38:19,790 --> 01:38:17,219

to them

2646

01:38:22,970 --> 01:38:19,800

I I think that's a perfect way to look

2647

01:38:25,729 --> 01:38:22,980

at it because the I said that I say that

2648

01:38:27,110 --> 01:38:25,739

jokingly but that actually has occurred

2649

01:38:28,970 --> 01:38:27,120

if like I mentioned the balloons Landing

2650

01:38:31,370 --> 01:38:28,980

in the fields before but I mean the

2651

01:38:34,310 --> 01:38:31,380

humans

2652

01:38:38,330 --> 01:38:36,410

when you don't understand something you

2653

01:38:39,950 --> 01:38:38,340

want to know what it is right we all I'm

2654

01:38:41,750 --> 01:38:39,960

not saying that people are like robots

2655

01:38:44,510 --> 01:38:41,760

they don't want to know what it is but

2656

01:38:45,590 --> 01:38:44,520

there is a level of feeling almost like

2657

01:38:47,930 --> 01:38:45,600

secure

2658

01:38:50,330 --> 01:38:47,940

and we see that especially with the

2659

01:38:51,410 --> 01:38:50,340

truth Seeker Community where I shouldn't

2660

01:38:52,430 --> 01:38:51,420

say true stickers because that's the

2661

01:38:54,590 --> 01:38:52,440

name of a show I'm not trying to point

2662

01:38:56,149 --> 01:38:54,600

that out I mean literally

2663

01:38:57,470 --> 01:38:56,159

um the idea of people that are going to

2664

01:38:59,330 --> 01:38:57,480

figure this out for themselves and

2665

01:39:00,530 --> 01:38:59,340

that's I I do that often like I admit

2666

01:39:02,090 --> 01:39:00,540

that's something I do but I do like

2667

01:39:05,209 --> 01:39:02,100

researching

2668

01:39:06,950 --> 01:39:05,219

um I I feel like there's a little bit of

2669

01:39:09,110 --> 01:39:06,960

an assumption that if you don't

2670

01:39:11,030 --> 01:39:09,120

understand something and you hear a

2671

01:39:12,770 --> 01:39:11,040

conspiracy that confirms it for you like

2672

01:39:15,110 --> 01:39:12,780

what you your hunch is it kind of breaks

2673

01:39:18,410 --> 01:39:15,120

down easily it's empowering makes you

2674

01:39:20,510 --> 01:39:18,420

feel safe and it does exactly what human

2675

01:39:22,129 --> 01:39:20,520

instinct is anyways I believe which is

2676
01:39:23,990 --> 01:39:22,139
to make sure something looks different

2677
01:39:24,890 --> 01:39:24,000
or acts different you keep it away from

2678
01:39:27,229 --> 01:39:24,900
you

2679
01:39:29,390 --> 01:39:27,239
and that's like literally our weird

2680
01:39:31,790 --> 01:39:29,400
nature as I mean we're not all of us of

2681
01:39:34,490 --> 01:39:31,800
course and I'm talking on the individual

2682
01:39:37,850 --> 01:39:34,500
level but as a species we seem to be

2683
01:39:40,669 --> 01:39:37,860
rather good at security it seems to be a

2684
01:39:45,290 --> 01:39:40,679
feature that we you know we grow grew up

2685
01:39:47,270 --> 01:39:45,300
with us as a as a as a um as a species

2686
01:39:49,790 --> 01:39:47,280
here on planet Earth I mean the comfort

2687
01:39:51,169 --> 01:39:49,800
of life and human ever I don't think

2688
01:39:53,390 --> 01:39:51,179

there was ever a time where humans even

2689

01:39:55,850 --> 01:39:53,400

the first version of us or whatever that

2690

01:39:57,290 --> 01:39:55,860

was was uh knew that security and

2691

01:39:58,250 --> 01:39:57,300

comfort is something that it wanted I

2692

01:40:00,830 --> 01:39:58,260

mean and

2693

01:40:02,450 --> 01:40:00,840

and I think that goes for not physically

2694

01:40:04,729 --> 01:40:02,460

speaking like security with a locked

2695

01:40:05,930 --> 01:40:04,739

door with your weird camera on the front

2696

01:40:08,209 --> 01:40:05,940

door now

2697

01:40:10,250 --> 01:40:08,219

um to to even information that you even

2698

01:40:11,689 --> 01:40:10,260

let touch your ears and I like to

2699

01:40:13,370 --> 01:40:11,699

jokingly say it's the bank account

2700

01:40:16,129 --> 01:40:13,380

phenomenon because I'm especially poor

2701
01:40:17,510 --> 01:40:16,139
is sometimes you can be so poor that you

2702
01:40:19,250 --> 01:40:17,520
don't even want to look at your account

2703
01:40:22,129 --> 01:40:19,260
because then you'll have to live with

2704
01:40:25,310 --> 01:40:22,139
the reality of life oh my God that

2705
01:40:31,330 --> 01:40:29,450
I wonder if uh people feel uh more

2706
01:40:33,649 --> 01:40:31,340
comfortable with intuitional

2707
01:40:35,750 --> 01:40:33,659
beliefs and then when those are

2708
01:40:38,330 --> 01:40:35,760
confirmed by by French consumers because

2709
01:40:39,590 --> 01:40:38,340
I think that um kind of the Flying

2710
01:40:41,870 --> 01:40:39,600
Saucer

2711
01:40:43,850 --> 01:40:41,880
Superstition is an intuitional belief

2712
01:40:46,490 --> 01:40:43,860
just in the fact that we kind of

2713
01:40:49,310 --> 01:40:46,500

subconsciously arrive at it because

2714

01:40:51,530 --> 01:40:49,320

culturally we know you if you don't

2715

01:40:53,390 --> 01:40:51,540

think about UFOs you're you're a normie

2716

01:40:55,010 --> 01:40:53,400

and you see something weird in this guy

2717

01:40:57,830 --> 01:40:55,020

I think culturally and subconsciously

2718

01:41:00,970 --> 01:40:57,840

you come to that conclusion that oh it's

2719

01:41:03,110 --> 01:41:00,980

it's nhi right so that's kind of your

2720

01:41:04,910 --> 01:41:03,120

intuitional belief and then you meet

2721

01:41:06,530 --> 01:41:04,920

others that kind of validate that and I

2722

01:41:10,370 --> 01:41:06,540

wonder if people

2723

01:41:12,229 --> 01:41:10,380

um value that other more than kind of

2724

01:41:14,689 --> 01:41:12,239

like digging into it and finding it out

2725

01:41:16,189 --> 01:41:14,699

more because like it's uh it feels to

2726

01:41:19,189 --> 01:41:16,199

them like an instant answer it's instant

2727

01:41:21,890 --> 01:41:19,199

gratification to a question they have

2728

01:41:23,330 --> 01:41:21,900

no I I couldn't I think you've nailed it

2729

01:41:25,250 --> 01:41:23,340

again I I mean I really do feel like

2730

01:41:28,010 --> 01:41:25,260

that's exactly what goes on and

2731

01:41:30,470 --> 01:41:28,020

specifically it will it will always be a

2732

01:41:32,510 --> 01:41:30,480

part of this culture because there is

2733

01:41:34,250 --> 01:41:32,520

that dissidence or whatever that that is

2734

01:41:36,830 --> 01:41:34,260

a part of it that lives at the very core

2735

01:41:38,270 --> 01:41:36,840

of it that is not going to go away

2736

01:41:39,350 --> 01:41:38,280

um and I think we're actually living at

2737

01:41:40,850 --> 01:41:39,360

a time right now where you can see a

2738

01:41:42,950 --> 01:41:40,860

great example of it because there's no

2739

01:41:44,510 --> 01:41:42,960

one knows it's the wild effing West out

2740

01:41:45,890 --> 01:41:44,520

there right now of ethology and no one

2741

01:41:48,109 --> 01:41:45,900

knows who to believe if you've got a

2742

01:41:49,370 --> 01:41:48,119

doctor with his own lab saying don't

2743

01:41:51,169 --> 01:41:49,380

trust him

2744

01:41:52,910 --> 01:41:51,179

you've got a professional Pentagon

2745

01:41:54,410 --> 01:41:52,920

person going around saying don't trust

2746

01:41:55,490 --> 01:41:54,420

them meanwhile they got a picture hole

2747

01:41:57,470 --> 01:41:55,500

in the hands of them a week ago it's

2748

01:41:58,790 --> 01:41:57,480

like there's so much you know confusion

2749

01:42:01,310 --> 01:41:58,800

out there that I think what happens as

2750

01:42:03,470 --> 01:42:01,320

well is that Normie sees the UFO and

2751
01:42:05,030 --> 01:42:03,480
what they encounter before they

2752
01:42:06,890 --> 01:42:05,040
encounter another person speaking about

2753
01:42:10,070 --> 01:42:06,900
it is they encounter

2754
01:42:11,209 --> 01:42:10,080
a reflection of what exists in that era

2755
01:42:13,070 --> 01:42:11,219
and usually it's a manipulated

2756
01:42:14,570 --> 01:42:13,080
reflection on Google with a really

2757
01:42:17,270 --> 01:42:14,580
limited search engine a search result

2758
01:42:20,090 --> 01:42:17,280
but it's it's it's what we have and what

2759
01:42:21,830 --> 01:42:20,100
they see is this

2760
01:42:22,910 --> 01:42:21,840
what we have today and that's what they

2761
01:42:25,550 --> 01:42:22,920
start off with

2762
01:42:27,470 --> 01:42:25,560
I wonder too uh Sarah schools who we had

2763
01:42:30,229 --> 01:42:27,480

on recently talked about kind of the

2764

01:42:32,510 --> 01:42:30,239

appeal of ufology being that it's a

2765

01:42:34,490 --> 01:42:32,520

Perpetual mystery and I which I agree

2766

01:42:37,910 --> 01:42:34,500

with and that is the appeal that I see

2767

01:42:40,189 --> 01:42:37,920

in it yes but we also live in a society

2768

01:42:41,810 --> 01:42:40,199

that we kind of demand instant

2769

01:42:43,129 --> 01:42:41,820

gratification and instant answers you

2770

01:42:45,709 --> 01:42:43,139

know any question we have we can Google

2771

01:42:47,570 --> 01:42:45,719

and there are there aren't authoritative

2772

01:42:48,649 --> 01:42:47,580

answers in this field do you think that

2773

01:42:53,030 --> 01:42:48,659

that

2774

01:42:55,209 --> 01:42:53,040

figures in there kind of creates a like

2775

01:42:57,590 --> 01:42:55,219

a vacuum almost to let these people

2776

01:42:59,270 --> 01:42:57,600

these these figures we do have in the

2777

01:43:00,129 --> 01:42:59,280

field step up because they're kind of

2778

01:43:04,310 --> 01:43:00,139

like

2779

01:43:07,490 --> 01:43:04,320

needed by that urge to have a

2780

01:43:09,709 --> 01:43:07,500

you know instant answers

2781

01:43:11,390 --> 01:43:09,719

oh my gosh I think so for sure I think

2782

01:43:14,990 --> 01:43:11,400

it's I think it'd be

2783

01:43:16,310 --> 01:43:15,000

well just the first thing is yes the I

2784

01:43:18,109 --> 01:43:16,320

when I worked in TV we had a thing

2785

01:43:20,810 --> 01:43:18,119

called the bigfoot show that had nothing

2786

01:43:23,330 --> 01:43:20,820

to do with Bigfoot it was shows

2787

01:43:26,450 --> 01:43:23,340

featuring specifically you you wanted

2788

01:43:28,250 --> 01:43:26,460

things that had no answer and so that's

2789

01:43:29,810 --> 01:43:28,260

really that so that was it like it was

2790

01:43:31,129 --> 01:43:29,820

it was one of the most alluring topics

2791

01:43:32,689 --> 01:43:31,139

is that you can go out there and you

2792

01:43:34,070 --> 01:43:32,699

know you don't have to find anything but

2793

01:43:36,709 --> 01:43:34,080

if you do

2794

01:43:37,970 --> 01:43:36,719

and it's uh it's just it's that's the

2795

01:43:40,790 --> 01:43:37,980

way it is but

2796

01:43:43,010 --> 01:43:40,800

um that that part of it I think is uh

2797

01:43:44,750 --> 01:43:43,020

as well like going back to what I said a

2798

01:43:46,129 --> 01:43:44,760

second ago that empowering thing happens

2799

01:43:48,649 --> 01:43:46,139

as well when you feel like you're a part

2800

01:43:51,169 --> 01:43:48,659

of solving the answer oh yeah and then

2801
01:43:52,790 --> 01:43:51,179
before you even go to get the the leader

2802
01:43:55,310 --> 01:43:52,800
to get the answer if you feel like

2803
01:43:56,990 --> 01:43:55,320
you're you know anyone could pick up

2804
01:43:58,609 --> 01:43:57,000
some equipment right now and become a

2805
01:44:00,890 --> 01:43:58,619
ufologist start going into the history

2806
01:44:02,390 --> 01:44:00,900
like I I send people right away to a few

2807
01:44:04,490 --> 01:44:02,400
people out there just to if they want to

2808
01:44:06,530 --> 01:44:04,500
see the the words on the page history

2809
01:44:09,109 --> 01:44:06,540
from the archives and then I send them

2810
01:44:10,430 --> 01:44:09,119
to like the to uh like the Brewers out

2811
01:44:11,689 --> 01:44:10,440
there to be like well understand that

2812
01:44:13,729 --> 01:44:11,699
some of those pages that you're looking

2813
01:44:16,430 --> 01:44:13,739

at have it you know have their origin

2814

01:44:17,750 --> 01:44:16,440

certain places and and give them that in

2815

01:44:19,010 --> 01:44:17,760

the beginning and I know that might be a

2816

01:44:21,169 --> 01:44:19,020

little bit biased and subjective to

2817

01:44:23,629 --> 01:44:21,179

giving that first but it's the kind of

2818

01:44:26,990 --> 01:44:23,639

stop them right away to recognize this

2819

01:44:28,669 --> 01:44:27,000

is not an innocent passive topic this is

2820

01:44:31,370 --> 01:44:28,679

a highly manipulated one that will all

2821

01:44:32,870 --> 01:44:31,380

right so yeah the um the dun and Kruger

2822

01:44:34,850 --> 01:44:32,880

effect is Alive and Well in this space

2823

01:44:37,609 --> 01:44:34,860

as well right and this comes up where

2824

01:44:39,890 --> 01:44:37,619

people yeah people have a very cursory

2825

01:44:42,830 --> 01:44:39,900

grasp or superficial understanding of

2826

01:44:45,050 --> 01:44:42,840

core theories that touch this subject

2827

01:44:48,290 --> 01:44:45,060

whether Consciousness or quantum physics

2828

01:44:50,270 --> 01:44:48,300

or whatever and then

2829

01:44:52,010 --> 01:44:50,280

um based on this rudimentary knowledge

2830

01:44:54,649 --> 01:44:52,020

and understanding I assume that they

2831

01:44:56,689 --> 01:44:54,659

understand and can apply the depth and

2832

01:44:58,669 --> 01:44:56,699

sophistication that is inherent to those

2833

01:45:00,410 --> 01:44:58,679

subjects and I feel like we have the

2834

01:45:02,930 --> 01:45:00,420

dunning-kruger effect going on and then

2835

01:45:04,550 --> 01:45:02,940

we also have this ongoing broader

2836

01:45:06,530 --> 01:45:04,560

cultural

2837

01:45:08,450 --> 01:45:06,540

um denigration of credentialism that's

2838

01:45:10,370 --> 01:45:08,460

happening at a broad scale right now and

2839

01:45:12,229 --> 01:45:10,380

we're especially seeing it and you

2840

01:45:15,290 --> 01:45:12,239

follow G because ufology has no

2841

01:45:18,370 --> 01:45:15,300

objective standards of background right

2842

01:45:20,750 --> 01:45:18,380

and you know and it does this kind of

2843

01:45:22,490 --> 01:45:20,760

schizo response where on the one hand

2844

01:45:24,470 --> 01:45:22,500

right we celebrate people that have

2845

01:45:26,149 --> 01:45:24,480

highly credentialed backgrounds that

2846

01:45:28,370 --> 01:45:26,159

support this project because we say oh

2847

01:45:30,410 --> 01:45:28,380

look they went to XYZ University their

2848

01:45:33,590 --> 01:45:30,420

PHD they've done all these research

2849

01:45:35,930 --> 01:45:33,600

projects but then at the same time

2850

01:45:38,450 --> 01:45:35,940

um readily lawed individuals that have

2851
01:45:40,609 --> 01:45:38,460
no kind of conventional credentials and

2852
01:45:43,390 --> 01:45:40,619
see them as like

2853
01:45:45,649 --> 01:45:43,400
um you know lay heroes in the subject

2854
01:45:47,629 --> 01:45:45,659
and I feel like in a lot of respects

2855
01:45:50,090 --> 01:45:47,639
like basically yeah right all of us yeah

2856
01:45:51,830 --> 01:45:50,100
Nick is our resident dubious Layman

2857
01:45:53,810 --> 01:45:51,840
um I literally just found a new name for

2858
01:45:56,709 --> 01:45:53,820
myself on like an online game tag I

2859
01:45:59,450 --> 01:45:56,719
cannot wait to change it to lay hero yes

2860
01:46:01,310 --> 01:45:59,460
right but but I you know I feel like we

2861
01:46:03,350 --> 01:46:01,320
we see some of these broader cultural

2862
01:46:06,590 --> 01:46:03,360
Trends around

2863
01:46:09,410 --> 01:46:06,600

um the equalizing of all opinions

2864

01:46:11,390 --> 01:46:09,420

um filtering into uthology or in ufology

2865

01:46:15,109 --> 01:46:11,400

very much already where everybody's

2866

01:46:17,330 --> 01:46:15,119

opinions are inherently equal and it as

2867

01:46:20,570 --> 01:46:17,340

a result it creates like I think

2868

01:46:21,890 --> 01:46:20,580

extremely artificial

2869

01:46:24,709 --> 01:46:21,900

um

2870

01:46:27,350 --> 01:46:24,719

it it generates like almost artificial

2871

01:46:29,689 --> 01:46:27,360

trust in these ideas when people should

2872

01:46:32,030 --> 01:46:29,699

be far more critical about the the

2873

01:46:33,770 --> 01:46:32,040

proposed Solutions or theories about

2874

01:46:35,470 --> 01:46:33,780

what's going on

2875

01:46:37,790 --> 01:46:35,480

I'm going to call them

2876

01:46:42,169 --> 01:46:37,800

nunning-kruger units

2877

01:46:44,209 --> 01:46:42,179

yeah I'm sorry anyways um Bitcoin

2878

01:46:47,030 --> 01:46:44,219

there is um

2879

01:46:48,410 --> 01:46:47,040

there is a uh I do it to myself once in

2880

01:46:50,330 --> 01:46:48,420

a while and I really trip myself up and

2881

01:46:52,310 --> 01:46:50,340

realizing like oh my God am I doing it I

2882

01:46:54,830 --> 01:46:52,320

gotta make sure but there is a little

2883

01:46:56,510 --> 01:46:54,840

bit of uh of that in all topic of all

2884

01:46:58,370 --> 01:46:56,520

parts of this but there's a little

2885

01:46:59,450 --> 01:46:58,380

gravity I I shouldn't have started with

2886

01:47:00,830 --> 01:46:59,460

that I guess there's a little gravity

2887

01:47:02,750 --> 01:47:00,840

around some of these larger figures

2888

01:47:04,609 --> 01:47:02,760

right like we know the names for a

2889

01:47:06,709 --> 01:47:04,619

reason right they've gained a little bit

2890

01:47:08,570 --> 01:47:06,719

of attention right they they clearly

2891

01:47:10,729 --> 01:47:08,580

have and they've and some of them are

2892

01:47:14,510 --> 01:47:10,739

pretty industrious and put in the work

2893

01:47:17,090 --> 01:47:14,520

but that participation in that that we

2894

01:47:19,070 --> 01:47:17,100

all have you know all all of our uh

2895

01:47:20,570 --> 01:47:19,080

all of our opinions matter

2896

01:47:22,070 --> 01:47:20,580

um I think actually

2897

01:47:23,390 --> 01:47:22,080

was part of this place from the

2898

01:47:25,790 --> 01:47:23,400

beginning

2899

01:47:28,490 --> 01:47:25,800

um because the you know I I know I keep

2900

01:47:30,109 --> 01:47:28,500

I have like folk analogies and stuff but

2901

01:47:32,390 --> 01:47:30,119

um I'm sailing and I get to a place

2902

01:47:33,770 --> 01:47:32,400

called boot key Harbor in Marathon floor

2903

01:47:35,629 --> 01:47:33,780

and I pull up and there's a place like

2904

01:47:36,410 --> 01:47:35,639

oh they're very nice people super nice

2905

01:47:38,510 --> 01:47:36,420

people

2906

01:47:40,189 --> 01:47:38,520

um I mean evil at heart I think but uh

2907

01:47:41,810 --> 01:47:40,199

very nice to the stranger you know the

2908

01:47:43,550 --> 01:47:41,820

white stranger that shows up uh they're

2909

01:47:46,070 --> 01:47:43,560

like hey you want to come hang out with

2910

01:47:47,750 --> 01:47:46,080

us over at The Wisdom Tree the tree no

2911

01:47:49,910 --> 01:47:47,760

the tree of the tree of wisdom the tree

2912

01:47:51,350 --> 01:47:49,920

of wisdom which was just so it survived

2913

01:47:53,870 --> 01:47:51,360

the hurricane but it was it was this

2914

01:47:55,310 --> 01:47:53,880

huge uh like Willow looking I don't know

2915

01:47:58,250 --> 01:47:55,320

what type of tree it was but they all

2916

01:48:01,750 --> 01:47:58,260

sat underneath it and they all just I

2917

01:48:04,129 --> 01:48:01,760

mean from Chemtrails to

2918

01:48:06,890 --> 01:48:04,139

tabloid things you would heard back in

2919

01:48:08,450 --> 01:48:06,900

the 90s it was like this circular

2920

01:48:10,669 --> 01:48:08,460

information that never stopped and never

2921

01:48:12,590 --> 01:48:10,679

stopped just kept going on and on and I

2922

01:48:15,350 --> 01:48:12,600

I see that so much with what's going on

2923

01:48:20,810 --> 01:48:18,229

it it's it I think it's I think these

2924

01:48:23,689 --> 01:48:20,820

topics like this are best suited looking

2925

01:48:25,790 --> 01:48:23,699

into a campfire they don't really fit a

2926

01:48:27,229 --> 01:48:25,800

hashtag UFO Twitter they don't really

2927

01:48:29,209 --> 01:48:27,239

fit any of that it doesn't make any

2928

01:48:30,410 --> 01:48:29,219

effing sense we're trying to like add a

2929

01:48:32,450 --> 01:48:30,420

bunch of things together make nothing

2930

01:48:34,129 --> 01:48:32,460

there's no connection between them

2931

01:48:36,050 --> 01:48:34,139

whatsoever other than the fact that we

2932

01:48:37,490 --> 01:48:36,060

saw them in a region

2933

01:48:38,750 --> 01:48:37,500

and you know than when we were looking

2934

01:48:39,890 --> 01:48:38,760

up and that's like that's like the

2935

01:48:41,450 --> 01:48:39,900

similarities between a lot of these

2936

01:48:42,470 --> 01:48:41,460

things and so I I just I don't know I

2937

01:48:45,290 --> 01:48:42,480

just feel like it's

2938

01:48:46,550 --> 01:48:45,300

we we've got people that are

2939

01:48:48,290 --> 01:48:46,560

no I don't want to say it again because

2940

01:48:50,330 --> 01:48:48,300

I'll just say the same thing but I'll

2941

01:48:52,689 --> 01:48:50,340

say it on tagline this topic is fit for

2942

01:48:55,609 --> 01:48:52,699

looking into a campfire okay

2943

01:48:58,490 --> 01:48:55,619

yeah yeah it's definitely an Escapist

2944

01:48:59,870 --> 01:48:58,500

appeal to it you know what I mean so I

2945

01:49:02,689 --> 01:48:59,880

wonder

2946

01:49:05,510 --> 01:49:02,699

um you know if the economy continues to

2947

01:49:08,510 --> 01:49:05,520

get worse if we'll see more uh more of a

2948

01:49:11,689 --> 01:49:08,520

you know boom right it's definitely an

2949

01:49:12,470 --> 01:49:11,699

escape this uh topic for me you know I

2950

01:49:14,870 --> 01:49:12,480

mean

2951

01:49:16,490 --> 01:49:14,880

it's and it's moving into like the you

2952

01:49:18,770 --> 01:49:16,500

know the Resurgence and sort of

2953

01:49:20,990 --> 01:49:18,780

individual spirituality

2954

01:49:22,729 --> 01:49:21,000

which people I feel like all this also

2955

01:49:24,590 --> 01:49:22,739

touches just sort of the dismantling of

2956

01:49:26,149 --> 01:49:24,600

institutions of record right like

2957

01:49:28,729 --> 01:49:26,159

getting rid of views

2958

01:49:30,890 --> 01:49:28,739

you know what else it's also kind of a

2959

01:49:34,250 --> 01:49:30,900

it's a it's a community that's comprised

2960

01:49:37,370 --> 01:49:34,260

a lot of content consumption

2961

01:49:40,609 --> 01:49:37,380

um which can easily be moralized if you

2962

01:49:43,910 --> 01:49:40,619

if you look at uh kind of the warring

2963

01:49:45,890 --> 01:49:43,920

camps on UFO Twitter right now a lot of

2964

01:49:48,189 --> 01:49:45,900

it comes down to

2965

01:49:49,570 --> 01:49:48,199

um wouldn't know anything about it

2966

01:49:52,070 --> 01:49:49,580

right right

2967

01:49:53,090 --> 01:49:52,080

[Laughter]

2968

01:49:55,609 --> 01:49:53,100

and

2969

01:50:00,530 --> 01:49:57,890

I lost my training

2970

01:50:02,330 --> 01:50:00,540

I just can I just add to that real fast

2971

01:50:03,649 --> 01:50:02,340

just yeah since I've only said a few

2972

01:50:05,930 --> 01:50:03,659

things since I've been on

2973

01:50:08,629 --> 01:50:05,940

um there's uh there's

2974

01:50:11,270 --> 01:50:08,639

um a clear you know a clear drive to

2975

01:50:13,910 --> 01:50:11,280

like merge all these things together

2976

01:50:16,010 --> 01:50:13,920

um and people I think people from one

2977

01:50:18,890 --> 01:50:16,020

side of it like the ce5 side of things

2978

01:50:21,709 --> 01:50:18,900

would like some validation to what

2979

01:50:23,090 --> 01:50:21,719

they've been experiencing yeah that

2980

01:50:25,370 --> 01:50:23,100

makes sense it's not fair right they

2981

01:50:27,890 --> 01:50:25,380

would like at least some validation they

2982

01:50:30,470 --> 01:50:27,900

think they're getting that validation

2983

01:50:31,609 --> 01:50:30,480

from people that are talking about other

2984

01:50:33,890 --> 01:50:31,619

things

2985

01:50:34,970 --> 01:50:33,900

and they're not and I'm not guessing at

2986

01:50:37,490 --> 01:50:34,980

them talking about other things they're

2987

01:50:39,830 --> 01:50:37,500

it's on the paperwork they've said it

2988

01:50:42,350 --> 01:50:39,840

they've celebrated the idea of balloon

2989

01:50:44,570 --> 01:50:42,360

observations these you know so I get

2990

01:50:48,050 --> 01:50:44,580

worried when we try to melt the topic

2991

01:50:51,350 --> 01:50:48,060

down to a UFO hashtag and and and add

2992

01:50:54,910 --> 01:50:51,360

things as as as interesting and weird as

2993

01:50:58,430 --> 01:50:54,920

as like trying to summon a UFO as maybe

2994

01:51:00,830 --> 01:50:58,440

misidentifying something that

2995

01:51:02,510 --> 01:51:00,840

uh either the you know the the initial

2996

01:51:04,609 --> 01:51:02,520

Observer could not tell what it is but

2997

01:51:07,910 --> 01:51:04,619

maybe someone else could rather simple

2998

01:51:09,649 --> 01:51:07,920

rather easily 95 95 will say of

2999

01:51:10,729 --> 01:51:09,659

sightings I think can be explained I

3000

01:51:14,149 --> 01:51:10,739

believe

3001

01:51:15,109 --> 01:51:14,159

um and it's just it's it's it's I

3002

01:51:17,629 --> 01:51:15,119

think so

3003

01:51:19,370 --> 01:51:17,639

um maybe that's why Skinwalker is so

3004

01:51:22,129 --> 01:51:19,380

popular because it's sort of mashing

3005

01:51:24,229 --> 01:51:22,139

ghosts and UFOs and crap together it's

3006

01:51:26,390 --> 01:51:24,239

the Disneyland like they said I mean all

3007

01:51:27,709 --> 01:51:26,400

the things you want you got the the

3008

01:51:29,570 --> 01:51:27,719

the one what's your favorite what's

3009

01:51:31,550 --> 01:51:29,580

everyone's favorite uh thing from

3010

01:51:33,410 --> 01:51:31,560

Skinwalker Ranch I've never watched the

3011

01:51:35,629 --> 01:51:33,420

full episode

3012

01:51:37,490 --> 01:51:35,639

yeah I used to watch Ghost Hunters

3013

01:51:39,709 --> 01:51:37,500

though and I feel like it's probably

3014

01:51:43,010 --> 01:51:39,719

basically the exact same show so I kind

3015

01:51:44,930 --> 01:51:43,020

of like you know the gist using uh using

3016

01:51:46,790 --> 01:51:44,940

a bunch of like gadgets and stuff

3017

01:51:49,370 --> 01:51:46,800

outside of their intended purposes and

3018

01:51:51,490 --> 01:51:49,380

then uh you know if it if it beeps or

3019

01:51:55,430 --> 01:51:51,500

something that's that's paranormal

3020

01:51:56,930 --> 01:51:55,440

is that it is that the show yeah they

3021

01:51:58,490 --> 01:51:56,940

have a couple scenes I've seen just of

3022

01:52:00,169 --> 01:51:58,500

that lightning detectors they walk by in

3023

01:52:02,510 --> 01:52:00,179

a battery with two wires coming off the

3024

01:52:03,950 --> 01:52:02,520

batter and they're like whoa what's

3025

01:52:05,510 --> 01:52:03,960

happening here there's like some sort of

3026

01:52:08,149 --> 01:52:05,520

open current near me I don't know if

3027

01:52:09,649 --> 01:52:08,159

that's the ground or I I loved it it was

3028

01:52:12,050 --> 01:52:09,659

it was very cute it reminded me of Mr

3029

01:52:13,729 --> 01:52:12,060

Wizard but not but really bad but about

3030

01:52:15,410 --> 01:52:13,739

you what about everyone else is there a

3031

01:52:18,530 --> 01:52:15,420

show that you that you're like you you

3032

01:52:22,430 --> 01:52:18,540

give into you wanna Art Bell Coast to

3033

01:52:25,669 --> 01:52:24,470

Louis do you you don't nothing not at

3034

01:52:27,649 --> 01:52:25,679

the single thing out there what's

3035

01:52:29,629 --> 01:52:27,659

everyone's favorite regular normal show

3036

01:52:32,209 --> 01:52:29,639

right now anyone I must you must have a

3037

01:52:33,470 --> 01:52:32,219

TV show I I've seen three shows in my

3038

01:52:36,590 --> 01:52:33,480

whole life I don't watch any television

3039

01:52:39,770 --> 01:52:36,600

I never have okay well my favorite is um

3040

01:52:40,790 --> 01:52:39,780

Kunk on Earth with uh Philomena I've

3041

01:52:43,370 --> 01:52:40,800

heard that's good

3042

01:52:46,010 --> 01:52:43,380

yeah she's hilarious

3043

01:52:47,930 --> 01:52:46,020

well my my favorite woo show is

3044

01:52:50,629 --> 01:52:47,940

sightings the original sightings from

3045

01:52:55,390 --> 01:52:50,639

the 80s and 90s um I just started

3046

01:53:01,790 --> 01:52:59,030

yeah my yeah my close slap

3047

01:53:03,950 --> 01:53:01,800

what sorry I'm sorry my daughter has

3048

01:53:05,870 --> 01:53:03,960

been um encouraging me to watch Last of

3049

01:53:07,250 --> 01:53:05,880

Us I haven't sat down to do that yet I

3050

01:53:09,709 --> 01:53:07,260

hear it's pretty good

3051

01:53:12,169 --> 01:53:09,719

but I don't know I heard it's a one sad

3052

01:53:14,090 --> 01:53:12,179

one sad I'm not into the Super sads of

3053

01:53:14,890 --> 01:53:14,100

anyone here I was a fan of the games I

3054

01:53:17,750 --> 01:53:14,900

don't know

3055

01:53:19,790 --> 01:53:17,760

they're very Bleak but yeah

3056

01:53:21,470 --> 01:53:19,800

yeah you're also like a little lighter

3057

01:53:24,590 --> 01:53:21,480

uh the White Lotus that was good stuff

3058

01:53:27,590 --> 01:53:24,600

season one and two oh very nice try nice

3059

01:53:28,729 --> 01:53:27,600

try a little lighter sir it's like a

3060

01:53:30,950 --> 01:53:28,739

comedy

3061

01:53:32,629 --> 01:53:30,960

ah yeah have you watched both seasons

3062

01:53:38,950 --> 01:53:32,639

yeah the second season isn't as

3063

01:53:43,490 --> 01:53:42,109

for Pure like uh you know whatever woo I

3064

01:53:44,750 --> 01:53:43,500

actually like uh like theoretical

3065

01:53:46,370 --> 01:53:44,760

physics stuff

3066

01:53:48,830 --> 01:53:46,380

um especially a podcast called physics

3067

01:53:51,709 --> 01:53:48,840

Frontiers they get into some of the most

3068

01:53:53,750 --> 01:53:51,719

um unusual stuff that's not the

3069

01:53:56,270 --> 01:53:53,760

mainstream narrative

3070

01:53:58,910 --> 01:53:56,280

I am I I've been doing a lot of looking

3071

01:54:00,169 --> 01:53:58,920

I forgot that whole side of pot not like

3072

01:54:01,790 --> 01:54:00,179

I'm trying to rip people off but like

3073

01:54:03,649 --> 01:54:01,800

literally like you spend so much time

3074

01:54:05,629 --> 01:54:03,659

trying to dig into topics and you just

3075

01:54:07,010 --> 01:54:05,639

feel sometimes like well and I'm not

3076
01:54:09,590 --> 01:54:07,020
knowing it and not learning anything new

3077
01:54:10,970 --> 01:54:09,600
and you just forget there's there's all

3078
01:54:13,550 --> 01:54:10,980
these people doing the exact same thing

3079
01:54:14,870 --> 01:54:13,560
you are out there every time I'm working

3080
01:54:16,550 --> 01:54:14,880
out or whatever I just have like people

3081
01:54:17,990 --> 01:54:16,560
talking about I'm not not necessarily

3082
01:54:21,010 --> 01:54:18,000
military Tech but I actually like

3083
01:54:24,050 --> 01:54:21,020
recently have recognized I can tolerate

3084
01:54:25,490 --> 01:54:24,060
paranormal podcasts if I'm listening to

3085
01:54:27,410 --> 01:54:25,500
the audio thing while working out I

3086
01:54:28,970 --> 01:54:27,420
cannot sit and watch if someone was like

3087
01:54:31,910 --> 01:54:28,980
watch Ancient Aliens and try to like

3088
01:54:33,169 --> 01:54:31,920

review this get it oh I actually had a

3089

01:54:34,010 --> 01:54:33,179

joke for a while then it worked for a

3090

01:54:34,910 --> 01:54:34,020

little bit on stage it wasn't the

3091

01:54:36,229 --> 01:54:34,920

greatest but if you can make it through

3092

01:54:38,169 --> 01:54:36,239

a full episode of Ancient Aliens without

3093

01:54:41,870 --> 01:54:38,179

going like like

3094

01:54:43,250 --> 01:54:41,880

honestly involuntarily uh you're a

3095

01:54:45,709 --> 01:54:43,260

better person or you shouldn't have keys

3096

01:54:48,229 --> 01:54:45,719

to the internet I can't remember it was

3097

01:54:49,729 --> 01:54:48,239

it's a weird AI but the audio ones I'm

3098

01:54:50,689 --> 01:54:49,739

learning what I'm what happened I'm

3099

01:54:52,850 --> 01:54:50,699

finding people that are a little

3100

01:54:55,609 --> 01:54:52,860

analytical and they and they'll present

3101
01:54:57,169 --> 01:54:55,619
their best version of things and I I'm

3102
01:54:58,910 --> 01:54:57,179
liking that they're I'm recognizing

3103
01:55:01,149 --> 01:54:58,920
there's a world of people out there that

3104
01:55:04,609 --> 01:55:01,159
are trying to look at this without

3105
01:55:05,510 --> 01:55:04,619
throwing away the idea but also

3106
01:55:07,189 --> 01:55:05,520
um

3107
01:55:09,050 --> 01:55:07,199
you know introducing them telling the

3108
01:55:10,729 --> 01:55:09,060
public what actually exists I hate that

3109
01:55:12,290 --> 01:55:10,739
I cannot stand the experts that exist

3110
01:55:13,910 --> 01:55:12,300
here they will like

3111
01:55:15,709 --> 01:55:13,920
they they tag everything with humans

3112
01:55:17,870 --> 01:55:15,719
can't do that it's so sick thing

3113
01:55:21,590 --> 01:55:17,880

well Jeff thank you so much for coming

3114

01:55:25,129 --> 01:55:21,600

uh as I uh told you uh fairly recently

3115

01:55:28,129 --> 01:55:25,139

you were one of my uh top uh podcasts on

3116

01:55:30,109 --> 01:55:28,139

Spotify last year um and the audio is uh

3117

01:55:31,790 --> 01:55:30,119

you know it works very well so I would

3118

01:55:33,410 --> 01:55:31,800

recommend everybody else to check that

3119

01:55:35,570 --> 01:55:33,420

out too you can listen when you're like

3120

01:55:37,669 --> 01:55:35,580

uh working out and stuff I really

3121

01:55:41,689 --> 01:55:37,679

appreciate that and I paid him to say

3122

01:55:43,250 --> 01:55:41,699

that everyone yeah so Jeff bucks before

3123

01:55:45,530 --> 01:55:43,260

I kick you off the Stream

3124

01:55:47,390 --> 01:55:45,540

I've linked your show in the show in the

3125

01:55:51,410 --> 01:55:47,400

show's description

3126

01:55:54,649 --> 01:55:51,420

but where else can people find you

3127

01:55:56,450 --> 01:55:54,659

um I I you can find me

3128

01:55:58,910 --> 01:55:56,460

uh probably on a new show I'm putting

3129

01:56:00,830 --> 01:55:58,920

together right now uh for the daytime to

3130

01:56:05,090 --> 01:56:00,840

some degree because I would like to uh

3131

01:56:06,830 --> 01:56:05,100

get some other people involved because

3132

01:56:08,270 --> 01:56:06,840

it's a little some dead ends happening

3133

01:56:09,590 --> 01:56:08,280

here but I'm getting some a little bit

3134

01:56:12,410 --> 01:56:09,600

of a team together

3135

01:56:14,270 --> 01:56:12,420

um yeah I don't wanna I'll just say what

3136

01:56:15,709 --> 01:56:14,280

we got so far is like there's the idea

3137

01:56:17,270 --> 01:56:15,719

and even having new people involved I've

3138

01:56:19,430 --> 01:56:17,280

even spoken to I think Campbell I spoke

3139

01:56:21,169 --> 01:56:19,440

to you about a month ago but um yeah

3140

01:56:24,050 --> 01:56:21,179

like the idea like you know people want

3141

01:56:26,330 --> 01:56:24,060

a skeptical side of things and they but

3142

01:56:27,950 --> 01:56:26,340

they want to see the actual place they

3143

01:56:29,810 --> 01:56:27,960

don't want to watch a video they don't

3144

01:56:31,430 --> 01:56:29,820

want to you know see a video video

3145

01:56:33,590 --> 01:56:31,440

analysis which so many networks have

3146

01:56:35,629 --> 01:56:33,600

relied on so we really like to put

3147

01:56:38,209 --> 01:56:35,639

something together where like the places

3148

01:56:39,470 --> 01:56:38,219

are visited or uh or at least some of

3149

01:56:40,609 --> 01:56:39,480

you there's like an expert team of

3150

01:56:41,870 --> 01:56:40,619

people that were willing to look at

3151

01:56:43,910 --> 01:56:41,880

something

3152

01:56:45,229 --> 01:56:43,920

um and I don't know I we're working on

3153

01:56:47,689 --> 01:56:45,239

it but I have no faith that will go

3154

01:56:50,390 --> 01:56:47,699

anywhere because 99 set of shows never

3155

01:56:53,270 --> 01:56:50,400

make it anywhere and TV sucks YouTube's

3156

01:56:55,070 --> 01:56:53,280

way better now uh yeah I'm trying to I'm

3157

01:56:57,530 --> 01:56:55,080

trying to invest into something that

3158

01:56:59,030 --> 01:56:57,540

doesn't destroy my soul every day like I

3159

01:57:02,090 --> 01:56:59,040

don't think about doing yoga or

3160

01:57:03,709 --> 01:57:02,100

something I don't know beautiful all

3161

01:57:07,090 --> 01:57:03,719

right well Jeff thank you so much for

3162

01:57:07,100 --> 01:57:12,589

have a nice night

3163

01:57:18,350 --> 01:57:15,709

that was a fun one all right yeah

3164

01:57:20,390 --> 01:57:18,360

I thought we were only about an hour in

3165

01:57:22,910 --> 01:57:20,400

yeah

3166

01:57:25,550 --> 01:57:22,920

all right what does everyone have going

3167

01:57:31,129 --> 01:57:28,550

yeah we have to stop with this every

3168

01:57:32,750 --> 01:57:31,139

week I know I know I I what I really

3169

01:57:34,310 --> 01:57:32,760

need to start doing is asking all of you

3170

01:57:35,930 --> 01:57:34,320

before the show and saying all right

3171

01:57:37,790 --> 01:57:35,940

does anyone have updates all right so

3172

01:57:39,589 --> 01:57:37,800

let me do I will do the updates I'll

3173

01:57:40,669 --> 01:57:39,599

carry the torch right now yeah please um

3174

01:57:42,229 --> 01:57:40,679

so first

3175

01:57:44,089 --> 01:57:42,239

um I want to give a quick plug to the

3176

01:57:46,609 --> 01:57:44,099

upcoming UFO Heritage conference coming

3177

01:57:48,589 --> 01:57:46,619

up in Dayton Ohio in early may I will be

3178

01:57:50,990 --> 01:57:48,599

attending um this is organized by Kelly

3179

01:57:51,950 --> 01:57:51,000

Chase who has the UFO Rabbit Hole

3180

01:57:53,689 --> 01:57:51,960

podcast

3181

01:57:54,950 --> 01:57:53,699

um it's something of it'll be a small

3182

01:57:56,570 --> 01:57:54,960

intimate thing it's written near Yellow

3183

01:57:57,950 --> 01:57:56,580

Springs Ohio which is a super awesome

3184

01:57:59,810 --> 01:57:57,960

little town

3185

01:58:01,729 --> 01:57:59,820

um at the Wright-Patterson Air Force

3186

01:58:03,589 --> 01:58:01,739

Base uh there's a hotel right there so

3187

01:58:04,970 --> 01:58:03,599

super cool place

3188

01:58:06,790 --> 01:58:04,980

um yeah I'll be out there it's May 5th

3189

01:58:09,589 --> 01:58:06,800

and 6th you guys can check it out at

3190

01:58:11,629 --> 01:58:09,599

ufoheritage.com uh Diana posoka is one

3191

01:58:13,010 --> 01:58:11,639

of the headlining speakers uh pretty

3192

01:58:15,290 --> 01:58:13,020

cool

3193

01:58:17,810 --> 01:58:15,300

um and then coming up next week we have

3194

01:58:19,550 --> 01:58:17,820

Marco Visconti joining us just put out a

3195

01:58:21,350 --> 01:58:19,560

book The Aleister Crowley manual all

3196

01:58:24,709 --> 01:58:21,360

about the Western occult you know Sister

3197

01:58:26,570 --> 01:58:24,719

tradition type fascist and he'll be

3198

01:58:28,129 --> 01:58:26,580

talking with us about occultism just a

3199

01:58:30,169 --> 01:58:28,139

heads up that since he is dialing in

3200

01:58:31,430 --> 01:58:30,179

from the UK we will be hosting at a

3201

01:58:34,250 --> 01:58:31,440

different time we'll be doing the show

3202

01:58:36,350 --> 01:58:34,260

at 3 pm Eastern instead of 9 p.m

3203

01:58:39,410 --> 01:58:36,360

um so folks should be prepared for that

3204

01:58:40,970 --> 01:58:39,420

and then uh right after him on the 8th

3205

01:58:42,649 --> 01:58:40,980

we will be doing an open lines episode

3206

01:58:44,870 --> 01:58:42,659

just a nice little round table and

3207

01:58:46,729 --> 01:58:44,880

chance to connect with the audience so

3208

01:58:49,609 --> 01:58:46,739

if you're excited for what we've got

3209

01:58:52,250 --> 01:58:49,619

around the pike

3210

01:58:53,750 --> 01:58:52,260

nice yeah very exciting I'm looking

3211

01:58:55,129 --> 01:58:53,760

forward to the open lines honestly it's

3212

01:58:59,089 --> 01:58:55,139

been a little while and those are always

3213

01:59:02,270 --> 01:58:59,099

very fun yes they are fun all right well

3214

01:59:04,310 --> 01:59:02,280

on that note gentlemen have a wonderful

3215

01:59:05,930 --> 01:59:04,320

evening so great to see everyone tonight

3216

01:59:08,810 --> 01:59:05,940

and we will see you next Wednesday at

3217

01:59:13,950 --> 01:59:08,820

9pm take care

3218

01:59:13,960 --> 01:59:32,050

[Music]

3219

01:59:32,060 --> 01:59:35,190

thank you

3220

01:59:52,450 --> 01:59:49,860

[Music]

3221

01:59:59,330 --> 01:59:52,460

[Applause]

3222

01:59:59,340 --> 02:00:10,150

foreign

3223

02:00:10,160 --> 02:00:45,970

[Music]
