

**MARCO VISCONTI**  
**THE WESTERN ESOTERIC TRADITION**

**23**

**THE INVISIBLE**  
**NIGHT SCHOOL**

1  
00:00:03,640 --> 00:00:00,649  
[Music]

2  
00:00:33,500 --> 00:00:03,650  
foreign

3  
00:00:36,090 --> 00:00:33,510  
[Music]

4  
00:00:39,110 --> 00:00:36,100  
[Applause]

5  
00:00:41,760 --> 00:00:39,120  
[Music]

6  
00:01:39,350 --> 00:00:41,770  
foreign

7  
00:01:43,910 --> 00:01:42,710  
it's hello from the Steel City I bet you

8  
00:01:45,770 --> 00:01:43,920  
all good evening good morning good

9  
00:01:47,210 --> 00:01:45,780  
afternoon wherever you may be Across the

10  
00:01:49,370 --> 00:01:47,220  
Nation around the world

11  
00:01:51,050 --> 00:01:49,380  
my name is Leah Prime and this is the

12  
00:01:52,789 --> 00:01:51,060  
invisible night school

13  
00:01:54,469 --> 00:01:52,799

for those of you just joining us the

14

00:01:56,810 --> 00:01:54,479

invisible night school is a small

15

00:01:58,609 --> 00:01:56,820

Consortium of lay researchers and

16

00:02:01,190 --> 00:01:58,619

Scholars pursuing the study and

17

00:02:02,810 --> 00:02:01,200

exploration of ufology high strangeness

18

00:02:05,330 --> 00:02:02,820

and phenomenon

19

00:02:07,969 --> 00:02:05,340

ins is not a monolith we represent

20

00:02:10,790 --> 00:02:07,979

varied ideas backgrounds disciplines and

21

00:02:14,210 --> 00:02:10,800

experiences and seek to engage in good

22

00:02:15,949 --> 00:02:14,220

faith dialogue with other curious minds

23

00:02:18,410 --> 00:02:15,959

today we've got a special show lined up

24

00:02:21,410 --> 00:02:18,420

at a special time obviously broadcasting

25

00:02:23,750 --> 00:02:21,420

at 3 pm Eastern we're joined by Marco

26

00:02:25,910 --> 00:02:23,760

Visconti whose book The Aleister Crowley

27

00:02:28,850 --> 00:02:25,920

manual thalamic magic for modern times

28

00:02:30,770 --> 00:02:28,860

was just released Marco's work presents

29

00:02:32,930 --> 00:02:30,780

a no-nonsense practical guide to working

30

00:02:34,430 --> 00:02:32,940

the magic of Aleister Crowley he's

31

00:02:36,589 --> 00:02:34,440

taught hundreds of students to navigate

32

00:02:38,930 --> 00:02:36,599

and explore the transmutative powers in

33

00:02:40,610 --> 00:02:38,940

the western essay tradition and I'm

34

00:02:43,630 --> 00:02:40,620

super super excited to welcome him to

35

00:02:48,290 --> 00:02:46,009

hi how's it going

36

00:02:49,910 --> 00:02:48,300

oh it's going great I'm delighted uh

37

00:02:51,650 --> 00:02:49,920

this conversation has been a long time

38

00:02:52,850 --> 00:02:51,660

coming and I'm really excited to have

39

00:02:54,650 --> 00:02:52,860

you join

40

00:02:56,509 --> 00:02:54,660

um myself and also of course let me get

41

00:02:58,070 --> 00:02:56,519

Campbell on the stream too heaven forbid

42

00:03:01,210 --> 00:02:58,080

I forget him

43

00:03:05,630 --> 00:03:03,589

yes and part of the reason I'm so

44

00:03:07,610 --> 00:03:05,640

excited to speak with you um when I've

45

00:03:09,110 --> 00:03:07,620

been following your work for a while

46

00:03:11,330 --> 00:03:09,120

um really appreciate what you're doing

47

00:03:13,430 --> 00:03:11,340

both with your teaching and with the

48

00:03:15,050 --> 00:03:13,440

book that you're putting out and also um

49

00:03:18,170 --> 00:03:15,060

very aligned I would say kind of

50

00:03:21,050 --> 00:03:18,180

politically in this sense of

51  
00:03:23,030 --> 00:03:21,060  
um understanding and exploring some of

52  
00:03:24,949 --> 00:03:23,040  
the political incursions in Fringe

53  
00:03:28,130 --> 00:03:24,959  
subjects we certainly see this in the

54  
00:03:30,350 --> 00:03:28,140  
UFO space and I'm also excited to talk

55  
00:03:32,390 --> 00:03:30,360  
to you because here at ins we're always

56  
00:03:33,710 --> 00:03:32,400  
interested in

57  
00:03:38,030 --> 00:03:33,720  
um I would say more thoughtful

58  
00:03:41,089 --> 00:03:38,040  
conversations about high strangeness or

59  
00:03:42,649 --> 00:03:41,099  
liminal spaces and I've just been so

60  
00:03:43,910 --> 00:03:42,659  
impressed with the conversations I've

61  
00:03:46,070 --> 00:03:43,920  
heard you be part of the different

62  
00:03:48,050 --> 00:03:46,080  
podcasts and shows that you've done so

63  
00:03:48,830 --> 00:03:48,060

super super excited to have you here

64

00:03:50,390 --> 00:03:48,840

today

65

00:03:53,030 --> 00:03:50,400

well thank you very much thank you it

66

00:03:55,430 --> 00:03:53,040

was a pleasure to be here yes also I see

67

00:03:58,009 --> 00:03:55,440

I'm getting questions from Nick

68

00:03:59,990 --> 00:03:58,019

um it's not a water closet no it's it's

69

00:04:01,850 --> 00:04:00,000

um I'm actually sitting in a hotel in

70

00:04:06,350 --> 00:04:01,860

Pittsburgh I'm stranded because of

71

00:04:08,630 --> 00:04:06,360

weather and so I've been a conversion of

72

00:04:11,750 --> 00:04:08,640

an old YMCA that was turned into a very

73

00:04:15,890 --> 00:04:11,760

bougie Bourgeois anderson-esque uh

74

00:04:19,689 --> 00:04:17,569

yeah I mean I did wonder what is that

75

00:04:22,490 --> 00:04:19,699

actually

76

00:04:24,290 --> 00:04:22,500

ironing board it's an ironing board and

77

00:04:26,450 --> 00:04:24,300

I guess something to hang clothes on I

78

00:04:34,629 --> 00:04:26,460

don't know I don't own anything

79

00:04:40,249 --> 00:04:37,490

Marco would you be able to

80

00:04:42,770 --> 00:04:40,259

um familiarize me in the audience with

81

00:04:44,390 --> 00:04:42,780

sort of just a brief synopsis of your

82

00:04:47,270 --> 00:04:44,400

most recent book

83

00:04:49,129 --> 00:04:47,280

of course well uh let's see where to

84

00:04:50,930 --> 00:04:49,139

start first of all uh I have the book

85

00:04:53,749 --> 00:04:50,940

here so if anybody wants to to see what

86

00:04:55,370 --> 00:04:53,759

it looks like uh it's red uh there's a

87

00:04:57,050 --> 00:04:55,380

big letters and there's a strange

88

00:04:59,749 --> 00:04:57,060

character on the front right this

89

00:05:02,810 --> 00:04:59,759

strange like goat Angel bone kind of

90

00:05:04,909 --> 00:05:02,820

thing it's called Baphomet and

91

00:05:07,310 --> 00:05:04,919

um I will tell you the secret like that

92

00:05:10,189 --> 00:05:07,320

was not my choice of the color but you

93

00:05:12,650 --> 00:05:10,199

know that's my first book right and uh

94

00:05:14,570 --> 00:05:12,660

when you go with a publisher uh you just

95

00:05:16,370 --> 00:05:14,580

have to you just have to go with the

96

00:05:18,350 --> 00:05:16,380

full and and go with what you know the

97

00:05:21,230 --> 00:05:18,360

pr team needs to be the marketing teams

98

00:05:24,050 --> 00:05:21,240

as a team says it's gonna

99

00:05:26,510 --> 00:05:24,060

um it looks better in the sense that he

100

00:05:28,490 --> 00:05:26,520

was on a Bookshop the other day here in

101  
00:05:30,650 --> 00:05:28,500  
London and it really pops out right okay

102  
00:05:33,290 --> 00:05:30,660  
that makes sense

103  
00:05:35,270 --> 00:05:33,300  
um what is what is this book

104  
00:05:38,870 --> 00:05:35,280  
um

105  
00:05:42,110 --> 00:05:38,880  
if you ever try to make sense of magic

106  
00:05:44,270 --> 00:05:42,120  
you know with the K so something that's

107  
00:05:45,890 --> 00:05:44,280  
not stage magic so it's not not illusion

108  
00:05:49,430 --> 00:05:45,900  
so it's not it's not like a trick but

109  
00:05:50,210 --> 00:05:49,440  
something that supposedly should

110  
00:05:52,850 --> 00:05:50,220  
um

111  
00:05:57,129 --> 00:05:52,860  
to be like a series of techniques that

112  
00:06:01,670 --> 00:05:57,139  
gets you to elevate your your spiritual

113  
00:06:03,830 --> 00:06:01,680

uh self to higher levels okay and also

114

00:06:06,950 --> 00:06:03,840

maybe a series of techniques that can

115

00:06:08,629 --> 00:06:06,960

get you what you want okay if you ever

116

00:06:11,029 --> 00:06:08,639

try to read a book like that you can

117

00:06:14,150 --> 00:06:11,039

usually end up on the on on a spectrum

118

00:06:17,570 --> 00:06:14,160

on one side you get very dense very

119

00:06:19,790 --> 00:06:17,580

complicated uh from time to time you

120

00:06:22,309 --> 00:06:19,800

know books loaded with academic terms

121

00:06:24,050 --> 00:06:22,319

and if you're a newbie you you

122

00:06:25,670 --> 00:06:24,060

completely you completely like lost

123

00:06:29,150 --> 00:06:25,680

right

124

00:06:31,309 --> 00:06:29,160

um Crowley himself was on that uh you

125

00:06:34,249 --> 00:06:31,319

know on the side of the spectrum it is

126

00:06:36,770 --> 00:06:34,259

magnum opus which is a Liber ABA magic

127

00:06:38,809 --> 00:06:36,780

interior practice which I quote in the

128

00:06:40,730 --> 00:06:38,819

in this book quite a lot

129

00:06:42,350 --> 00:06:40,740

um it you know in the introduction he

130

00:06:44,870 --> 00:06:42,360

really says like I'm writing this book

131

00:06:48,110 --> 00:06:44,880

for everyone for the periodist for the

132

00:06:50,749 --> 00:06:48,120

housewife for the banker and then you

133

00:06:53,330 --> 00:06:50,759

know next chapter it if you have enough

134

00:06:55,090 --> 00:06:53,340

like background you lost now on the

135

00:06:57,830 --> 00:06:55,100

other side of that Spectrum you find

136

00:06:59,029 --> 00:06:57,840

something that simplifies the other way

137

00:07:01,969 --> 00:06:59,039

to match

138

00:07:05,270 --> 00:07:01,979

um I'm not a fan of what what's called

139

00:07:07,189 --> 00:07:05,280

today like manifestation or you know new

140

00:07:10,570 --> 00:07:07,199

thoughts something like that but all

141

00:07:13,309 --> 00:07:10,580

this uh all the strands of you know

142

00:07:15,290 --> 00:07:13,319

emergence uh new new religions or

143

00:07:18,890 --> 00:07:15,300

Argentinian religions or

144

00:07:20,330 --> 00:07:18,900

um age spirituality kind of come from

145

00:07:22,249 --> 00:07:20,340

Magic right but they kind of simplify

146

00:07:24,969 --> 00:07:22,259

the thing too much so in many ways I try

147

00:07:27,230 --> 00:07:24,979

to write book that

148

00:07:30,050 --> 00:07:27,240

struck a chord in the middle right A

149

00:07:32,270 --> 00:07:30,060

Perfect Balance there where you if you

150

00:07:33,830 --> 00:07:32,280

never if you ever read about magic if

151  
00:07:35,930 --> 00:07:33,840  
you never practice magic you don't know

152  
00:07:38,150 --> 00:07:35,940  
what magic is I think you can read this

153  
00:07:39,770 --> 00:07:38,160  
book and by the end of it

154  
00:07:43,610 --> 00:07:39,780  
um which you know it's a fast read it's

155  
00:07:45,650 --> 00:07:43,620  
only 156 Pages uh it's not to dance at

156  
00:07:47,930 --> 00:07:45,660  
all it's written in very very simple

157  
00:07:51,830 --> 00:07:47,940  
English is not my mother tongue yes it's

158  
00:07:54,350 --> 00:07:51,840  
always it's big right but um a I think

159  
00:07:56,870 --> 00:07:54,360  
but by the end of it uh you'll be able

160  
00:08:00,110 --> 00:07:56,880  
to have a good idea of what you need to

161  
00:08:01,490 --> 00:08:00,120  
do in order to get some results from

162  
00:08:03,409 --> 00:08:01,500  
this magic so first of all you will know

163  
00:08:06,589 --> 00:08:03,419

what magic can really do for you which

164

00:08:08,749 --> 00:08:06,599

is uh can be seen into uh can can be

165

00:08:11,930 --> 00:08:08,759

divided to approaches what I call low

166

00:08:14,029 --> 00:08:11,940

magic or sorcery which is uh I don't

167

00:08:16,010 --> 00:08:14,039

know I wanted I want a better job uh

168

00:08:18,710 --> 00:08:16,020

what should I do make sure that the

169

00:08:21,170 --> 00:08:18,720

Universe conspires with me so that I can

170

00:08:22,850 --> 00:08:21,180

get the better job I want and on the

171

00:08:26,270 --> 00:08:22,860

other side of spectrum what I call uh

172

00:08:28,790 --> 00:08:26,280

High magic or Synergy how a serious

173

00:08:31,730 --> 00:08:28,800

practices that will change you quite

174

00:08:34,010 --> 00:08:31,740

grammatical in fact in order for you to

175

00:08:35,810 --> 00:08:34,020

become the better version of yourself at

176

00:08:36,949 --> 00:08:35,820

least in this Incarnation right if we

177

00:08:39,350 --> 00:08:36,959

believe in international you don't have

178

00:08:41,570 --> 00:08:39,360

to believe in reincarnation as well

179

00:08:46,130 --> 00:08:41,580

um and of course all of this is tinted

180

00:08:50,030 --> 00:08:46,140

by My thalamic Philosophy uh telema is a

181

00:08:51,949 --> 00:08:50,040

Greek word that means will uh

182

00:08:54,650 --> 00:08:51,959

of course it's also the word that was

183

00:08:59,150 --> 00:08:54,660

used by Lester Crowley to Define his

184

00:09:00,590 --> 00:08:59,160

magical and uh and magical philosophy uh

185

00:09:02,509 --> 00:09:00,600

you can call you can call it a religion

186

00:09:04,670 --> 00:09:02,519

as well if it's not really a religion

187

00:09:06,470 --> 00:09:04,680

but you know it can be a religion if you

188

00:09:07,910 --> 00:09:06,480

want that's that's what philosophy right

189

00:09:11,210 --> 00:09:07,920

and so

190

00:09:12,949 --> 00:09:11,220

you know dilemma does color the the

191

00:09:15,350 --> 00:09:12,959

Western technician and so the magical

192

00:09:17,630 --> 00:09:15,360

practices with some specific practices

193

00:09:19,850 --> 00:09:17,640

and some specific outlooks

194

00:09:21,590 --> 00:09:19,860

um and all of that is in the book

195

00:09:23,990 --> 00:09:21,600

um it's it's not written for other

196

00:09:25,850 --> 00:09:24,000

magicians this is something that you

197

00:09:27,410 --> 00:09:25,860

know I did before and when I say it

198

00:09:29,210 --> 00:09:27,420

again this this book is written for you

199

00:09:31,790 --> 00:09:29,220

a couple like study was never done magic

200

00:09:33,769 --> 00:09:31,800

you don't know anything uh I hope that

201  
00:09:35,750 --> 00:09:33,779  
people like you might be curious and

202  
00:09:37,730 --> 00:09:35,760  
will try it out right

203  
00:09:40,490 --> 00:09:37,740  
um I will also understand the criticism

204  
00:09:42,829 --> 00:09:40,500  
that's Urban moved in my direction well

205  
00:09:45,590 --> 00:09:42,839  
you know uh from other magicians from

206  
00:09:48,350 --> 00:09:45,600  
other tail lights say well it is too

207  
00:09:51,110 --> 00:09:48,360  
simple that's that's fine it's written

208  
00:09:54,050 --> 00:09:51,120  
for you it is meant to be an

209  
00:09:56,690 --> 00:09:54,060  
introduction for everybody exactly like

210  
00:09:58,790 --> 00:09:56,700  
really wanted his

211  
00:10:01,430 --> 00:09:58,800  
um Uber ABA magic interior in practice

212  
00:10:02,990 --> 00:10:01,440  
to be for everybody for housewife for

213  
00:10:04,490 --> 00:10:03,000

the band care for the future list et

214

00:10:06,290 --> 00:10:04,500

cetera Etc

215

00:10:08,509 --> 00:10:06,300

um yeah that's it pretty much that that

216

00:10:10,250 --> 00:10:08,519

is you know just the general idea I hope

217

00:10:12,530 --> 00:10:10,260

I hope that answers the question

218

00:10:14,690 --> 00:10:12,540

beautiful yes

219

00:10:16,009 --> 00:10:14,700

um and I want to zoom out even a little

220

00:10:17,870 --> 00:10:16,019

further

221

00:10:20,449 --> 00:10:17,880

um because like I like I said to you in

222

00:10:22,910 --> 00:10:20,459

Twitter DM like I run kind of a show for

223

00:10:23,630 --> 00:10:22,920

smart people into UFOs so it's not a lot

224

00:10:25,490 --> 00:10:23,640

of

225

00:10:27,769 --> 00:10:25,500

we have a lot more critical thought here

226

00:10:30,470 --> 00:10:27,779

but this is decidedly not an occultist

227

00:10:32,509 --> 00:10:30,480

or esoteric show so

228

00:10:35,690 --> 00:10:32,519

um I would love to hear

229

00:10:38,030 --> 00:10:35,700

a description of what magic entails in

230

00:10:41,329 --> 00:10:38,040

this context for listeners and viewers

231

00:10:44,569 --> 00:10:41,339

that may be unfamiliar with this term

232

00:10:46,790 --> 00:10:44,579

um and what practice May entail

233

00:10:49,550 --> 00:10:46,800

of course so first of all when I speak

234

00:10:52,790 --> 00:10:49,560

of magic uh I use a specific term it's

235

00:10:54,710 --> 00:10:52,800

magic with Decay which is it's not just

236

00:10:57,410 --> 00:10:54,720

like you know an old spelling a little

237

00:11:00,050 --> 00:10:57,420

English spelling of magic it is really a

238

00:11:01,850 --> 00:11:00,060

very specific blend of Western tradition

239

00:11:05,990 --> 00:11:01,860

and Eastern Traditions such as

240

00:11:08,329 --> 00:11:06,000

meditation yoga to a certain degree you

241

00:11:10,069 --> 00:11:08,339

know advanced level which I only briefly

242

00:11:12,530 --> 00:11:10,079

touch on the book Tantra

243

00:11:16,250 --> 00:11:12,540

and this is a specific blend that Croy

244

00:11:18,829 --> 00:11:16,260

kind of trademarked right and the true

245

00:11:22,670 --> 00:11:18,839

aim of these practices is

246

00:11:25,310 --> 00:11:22,680

uh first of all to enable the uh well

247

00:11:28,009 --> 00:11:25,320

the the Neo Fighter the person that you

248

00:11:31,250 --> 00:11:28,019

know tried this practice out to discover

249

00:11:33,290 --> 00:11:31,260

their true will now true will or pure

250

00:11:36,290 --> 00:11:33,300

will is another important I would say

251

00:11:38,030 --> 00:11:36,300

Cardinal Point uh that you find in in

252

00:11:39,949 --> 00:11:38,040

the magical and religious philosophy

253

00:11:41,690 --> 00:11:39,959

dilemma and in the book

254

00:11:44,569 --> 00:11:41,700

and that's what I mentioned before right

255

00:11:47,449 --> 00:11:44,579

trying something that will enable uh a

256

00:11:50,090 --> 00:11:47,459

new YouTube to one of us to to leave out

257

00:11:52,910 --> 00:11:50,100

the best version of ourselves

258

00:11:53,750 --> 00:11:52,920

um there's also a more uh I would say a

259

00:11:57,670 --> 00:11:53,760

more

260

00:12:00,829 --> 00:11:57,680

um maybe a spiritual version of it uh

261

00:12:02,329 --> 00:12:00,839

sorry spiritual understanding of it and

262

00:12:04,389 --> 00:12:02,339

that's it that you know true will really

263

00:12:08,509 --> 00:12:04,399

it's something that enables

264

00:12:11,389 --> 00:12:08,519

you to establish a direct line with the

265

00:12:13,190 --> 00:12:11,399

godhead and by that I mean in the

266

00:12:16,250 --> 00:12:13,200

Universal

267

00:12:18,590 --> 00:12:16,260

um arcade of creation what started

268

00:12:21,050 --> 00:12:18,600

creation the idea really is that each

269

00:12:24,530 --> 00:12:21,060

one of us has one direct line with it

270

00:12:26,630 --> 00:12:24,540

and oftentimes the direct line is it is

271

00:12:29,350 --> 00:12:26,640

hidden and most of that stays in the

272

00:12:32,690 --> 00:12:29,360

entire or entire lifetimes right

273

00:12:34,850 --> 00:12:32,700

for those of us who are religious uh

274

00:12:36,590 --> 00:12:34,860

maybe religion can bring us closer to

275

00:12:38,150 --> 00:12:36,600

those moments of religious realization

276

00:12:40,730 --> 00:12:38,160

where you have you feel that something

277

00:12:42,470 --> 00:12:40,740

else goes to you uh or if you're a

278

00:12:44,269 --> 00:12:42,480

skeptic and you are an atheist maybe

279

00:12:47,329 --> 00:12:44,279

it's felt that from time to time through

280

00:12:48,949 --> 00:12:47,339

ART okay you know whenever you are in a

281

00:12:50,629 --> 00:12:48,959

I don't know I'm a musician right I'm a

282

00:12:52,550 --> 00:12:50,639

better player I think it's in another

283

00:12:54,710 --> 00:12:52,560

group Player you know when you play the

284

00:12:55,910 --> 00:12:54,720

perfect solo I know if you're on stage I

285

00:12:57,829 --> 00:12:55,920

mean I've been I've been a professional

286

00:12:59,210 --> 00:12:57,839

musician before you know moving on to do

287

00:13:01,970 --> 00:12:59,220

other things

288

00:13:04,370 --> 00:13:01,980

um one thing that's really one memory

289

00:13:06,949 --> 00:13:04,380

that's improved in my mind in 2007 today

290

00:13:09,410 --> 00:13:06,959

the Coachella Festival in front of 60

291

00:13:10,850 --> 00:13:09,420

000 people and it was like something I

292

00:13:12,889 --> 00:13:10,860

would never forget that you know that

293

00:13:14,990 --> 00:13:12,899

was and that was something that reminded

294

00:13:17,030 --> 00:13:15,000

me when I was playing those songs it

295

00:13:18,829 --> 00:13:17,040

wasn't my man I was playing the

296

00:13:29,110 --> 00:13:18,839

keyboards for this much bigger band

297

00:13:35,509 --> 00:13:32,629

in 2007 like that was a moment

298

00:13:37,970 --> 00:13:35,519

that I felt something that I felt at the

299

00:13:40,129 --> 00:13:37,980

same time when I'm into deep magical

300

00:13:42,590 --> 00:13:40,139

practices so in many ways this is what

301  
00:13:44,470 --> 00:13:42,600  
magic should do should allow for each

302  
00:13:47,870 --> 00:13:44,480  
one of us to establish this connection

303  
00:13:50,210 --> 00:13:47,880  
now what I think it's important to say

304  
00:13:53,329 --> 00:13:50,220  
since the the crowd here is pretty much

305  
00:13:54,769 --> 00:13:53,339  
on the UFO UAP side right

306  
00:13:56,269 --> 00:13:54,779  
um I'm gonna I'm gonna go on a wild

307  
00:13:58,910 --> 00:13:56,279  
tangent here but

308  
00:14:00,470 --> 00:13:58,920  
um whatever Stephen Greer is doing you

309  
00:14:04,129 --> 00:14:00,480  
know with T5

310  
00:14:06,769 --> 00:14:04,139  
that's kinda is Magic he doesn't say it

311  
00:14:09,050 --> 00:14:06,779  
he doesn't he doesn't mentions it never

312  
00:14:11,090 --> 00:14:09,060  
because I guess it's not on brand and

313  
00:14:14,930 --> 00:14:11,100

maybe it might scare people away right

314

00:14:15,850 --> 00:14:14,940

but that kind of tried to contact the

315

00:14:19,970 --> 00:14:15,860

draft

316

00:14:21,650 --> 00:14:19,980

what I call as the other right right the

317

00:14:24,829 --> 00:14:21,660

other uh from a magician's standpoint

318

00:14:27,230 --> 00:14:24,839

can be everything it can be fairies it

319

00:14:29,870 --> 00:14:27,240

can be aliens it could be angels and

320

00:14:33,069 --> 00:14:29,880

demons and everything in between right I

321

00:14:35,930 --> 00:14:33,079

the magician I live my Paradigm is that

322

00:14:38,090 --> 00:14:35,940

we are we live in a world we basically

323

00:14:40,910 --> 00:14:38,100

live submerged into Spirit Consciousness

324

00:14:46,370 --> 00:14:40,920

be Consciousness everywhere but we are

325

00:14:48,170 --> 00:14:46,380

our our uh we are ontologically tied to

326

00:14:50,210 --> 00:14:48,180

out of our physical bodies so our

327

00:14:52,370 --> 00:14:50,220

Consciousness is almost like Aggregates

328

00:14:54,290 --> 00:14:52,380

of cultures around the physical body but

329

00:14:56,150 --> 00:14:54,300

there are other Consciousness they're

330

00:14:58,850 --> 00:14:56,160

not aggregate around the physical bodies

331

00:15:01,310 --> 00:14:58,860

and they're everywhere right so

332

00:15:04,129 --> 00:15:01,320

um in many ways when I first discovered

333

00:15:06,290 --> 00:15:04,139

first of all that there existed a UAP

334

00:15:08,329 --> 00:15:06,300

UFO Community I never knew that up until

335

00:15:10,370 --> 00:15:08,339

recent years through the you know

336

00:15:11,750 --> 00:15:10,380

lockdowns and everything like oh like I

337

00:15:14,509 --> 00:15:11,760

have so much time on my hand that's the

338

00:15:17,930 --> 00:15:14,519

score was there that's how we both got

339

00:15:20,389 --> 00:15:17,940

into it too yeah that it says there's so

340

00:15:22,449 --> 00:15:20,399

much stuff in there yeah

341

00:15:25,189 --> 00:15:22,459

I grew up with

342

00:15:27,110 --> 00:15:25,199

reading about you know the UFOs but then

343

00:15:28,850 --> 00:15:27,120

you know life as a way of getting you to

344

00:15:31,069 --> 00:15:28,860

other places right

345

00:15:33,350 --> 00:15:31,079

um and so then when I discovered Stephen

346

00:15:35,509 --> 00:15:33,360

Greer which I know it's a contentious

347

00:15:37,730 --> 00:15:35,519

character I'm saying I'm a fan right I'm

348

00:15:40,310 --> 00:15:37,740

saying like whatever he does it's mad

349

00:15:42,310 --> 00:15:40,320

like literally exactly right it's that

350

00:15:46,430 --> 00:15:42,320

transpersonal meditation experience

351  
00:15:48,590 --> 00:15:46,440  
precisely precisely uh Magic can and can

352  
00:15:50,990 --> 00:15:48,600  
imagine can be many things right but

353  
00:15:53,329 --> 00:15:51,000  
magic with the K with explicit the

354  
00:15:55,009 --> 00:15:53,339  
specific blend of practices uh the

355  
00:15:56,889 --> 00:15:55,019  
cruelly trademark and that I wrote right

356  
00:15:59,990 --> 00:15:56,899  
about in the book really is about

357  
00:16:02,810 --> 00:16:00,000  
learning how to fine-tune these channels

358  
00:16:04,790 --> 00:16:02,820  
and contact the other you know by by

359  
00:16:07,009 --> 00:16:04,800  
finding your true will by discovering

360  
00:16:09,590 --> 00:16:07,019  
your true will you almost like

361  
00:16:12,590 --> 00:16:09,600  
um put together the perfect radio and

362  
00:16:14,750 --> 00:16:12,600  
then you can use this radio to drop in

363  
00:16:17,030 --> 00:16:14,760

into different Consciousness I would say

364

00:16:19,250 --> 00:16:17,040

this might sound wild but drop into

365

00:16:21,850 --> 00:16:19,260

different time streams into different in

366

00:16:24,829 --> 00:16:21,860

the past into the future where we want

367

00:16:26,750 --> 00:16:24,839

which once again whenever I started you

368

00:16:29,150 --> 00:16:26,760

know getting interested in in the UFO

369

00:16:31,310 --> 00:16:29,160

and UOP community and I started reading

370

00:16:32,930 --> 00:16:31,320

all these various theories about you

371

00:16:35,509 --> 00:16:32,940

know is it nuts and bolts is it

372

00:16:38,030 --> 00:16:35,519

Consciousness is it from the future my

373

00:16:40,430 --> 00:16:38,040

answer was being it's all of that like

374

00:16:42,710 --> 00:16:40,440

as a magician we always considered all

375

00:16:44,810 --> 00:16:42,720

of this it's it's all of it all of it

376

00:16:47,329 --> 00:16:44,820

right there's no like you know from my

377

00:16:48,650 --> 00:16:47,339

standpoint it's not uh this or that all

378

00:16:50,710 --> 00:16:48,660

these things exist at the same time

379

00:16:54,170 --> 00:16:50,720

because the universe is really complex

380

00:16:56,030 --> 00:16:54,180

and and it doesn't do simple uh which I

381

00:16:58,490 --> 00:16:56,040

think it's what makes it so interesting

382

00:17:00,530 --> 00:16:58,500

to me I don't know if an answer is I'm

383

00:17:02,870 --> 00:17:00,540

sorry I must say I do ramble a lot I do

384

00:17:04,309 --> 00:17:02,880

this is beautiful Marco you're doing

385

00:17:06,289 --> 00:17:04,319

exactly what you're supposed to be doing

386

00:17:09,590 --> 00:17:06,299

which is we ask you questions and then

387

00:17:11,350 --> 00:17:09,600

you talk so you're doing wonderfully

388

00:17:14,030 --> 00:17:11,360

um and yeah that's an incredible answer

389

00:17:16,069 --> 00:17:14,040

so I'm um just for a little bit of

390

00:17:20,090 --> 00:17:16,079

background I'm fairly new to the UFO

391

00:17:21,650 --> 00:17:20,100

subject in any formal sense but

392

00:17:23,929 --> 00:17:21,660

um very

393

00:17:26,090 --> 00:17:23,939

um experienced and interested in

394

00:17:28,370 --> 00:17:26,100

spiritual emergence and emergent

395

00:17:30,350 --> 00:17:28,380

phenomenology so people that experience

396

00:17:32,870 --> 00:17:30,360

mystical Awakenings Transcendent

397

00:17:34,789 --> 00:17:32,880

experiences this sort of constellation

398

00:17:36,710 --> 00:17:34,799

of exotic and expanded Consciousness

399

00:17:38,510 --> 00:17:36,720

that accompanies these practices whether

400

00:17:40,850 --> 00:17:38,520

deliberately induced through meditation

401  
00:17:42,590 --> 00:17:40,860  
or psychedelics or breath work or

402  
00:17:44,750 --> 00:17:42,600  
spontaneously induced right sometimes

403  
00:17:45,409 --> 00:17:44,760  
these things just happen to people

404  
00:17:48,289 --> 00:17:45,419  
um

405  
00:17:50,090 --> 00:17:48,299  
and it was so clear to me when I was

406  
00:17:53,029 --> 00:17:50,100  
paying attention to the conversation

407  
00:17:54,529 --> 00:17:53,039  
into the UFO universe that a lot of the

408  
00:17:55,730 --> 00:17:54,539  
people are talking about spiritual

409  
00:17:57,590 --> 00:17:55,740  
practices they're talking about

410  
00:17:59,750 --> 00:17:57,600  
spiritual emergence or Kundalini

411  
00:18:01,370 --> 00:17:59,760  
Awakenings or whatever a term you want

412  
00:18:02,810 --> 00:18:01,380  
to use that's existed in all these other

413  
00:18:04,870 --> 00:18:02,820

disciplines

414

00:18:08,090 --> 00:18:04,880

um and it became so clear to me as well

415

00:18:10,850 --> 00:18:08,100

that the overlap between what I was

416

00:18:13,190 --> 00:18:10,860

practicing spiritually in terms of

417

00:18:14,810 --> 00:18:13,200

um meditation and the vajrayana Buddhism

418

00:18:16,430 --> 00:18:14,820

tradition

419

00:18:18,230 --> 00:18:16,440

um also touched a whole lot of what

420

00:18:19,789 --> 00:18:18,240

Aleister Crowley was talking about a

421

00:18:21,350 --> 00:18:19,799

whole lot of what the theosophists were

422

00:18:23,830 --> 00:18:21,360

talking about

423

00:18:27,350 --> 00:18:23,840

um so it's really cool

424

00:18:29,750 --> 00:18:27,360

together I would say them I really is

425

00:18:31,870 --> 00:18:29,760

like it stands directly from I would say

426

00:18:35,810 --> 00:18:31,880

Mahayana Buddhism

427

00:18:38,930 --> 00:18:35,820

as well and definitely kind of is like

428

00:18:41,630 --> 00:18:38,940

the grand grandfather of a lot of

429

00:18:43,970 --> 00:18:41,640

whatever happened with the first magical

430

00:18:46,310 --> 00:18:43,980

Revival in the in the late

431

00:18:49,789 --> 00:18:46,320

um 1800s and then you know it argentines

432

00:18:51,169 --> 00:18:49,799

early 1900s so yes I mean I agree with

433

00:18:54,350 --> 00:18:51,179

you a lot of people have these

434

00:18:56,750 --> 00:18:54,360

experiences without having to to read my

435

00:18:59,570 --> 00:18:56,760

book or read any book of magic right I

436

00:19:01,549 --> 00:18:59,580

would say that maybe uh practices that

437

00:19:03,409 --> 00:19:01,559

Crowley put together first but not just

438

00:19:06,590 --> 00:19:03,419

him of course like the curly was one of

439

00:19:08,810 --> 00:19:06,600

many in in an image of of uh magical

440

00:19:11,390 --> 00:19:08,820

experimentators

441

00:19:13,570 --> 00:19:11,400

um they put together series of practices

442

00:19:16,130 --> 00:19:13,580

they can't they kind of have like a

443

00:19:17,750 --> 00:19:16,140

step-by-step process which I do outline

444

00:19:20,029 --> 00:19:17,760

in the book

445

00:19:22,190 --> 00:19:20,039

um and I think I'm one of the few that I

446

00:19:24,409 --> 00:19:22,200

could go and try to really say okay well

447

00:19:26,810 --> 00:19:24,419

you know this practice have a step like

448

00:19:28,010 --> 00:19:26,820

you should go from A to B to C to D to

449

00:19:29,570 --> 00:19:28,020

have

450

00:19:32,870 --> 00:19:29,580

um results

451  
00:19:35,210 --> 00:19:32,880  
those really are a way it's a way to for

452  
00:19:37,610 --> 00:19:35,220  
people to okay try to let's try to have

453  
00:19:40,310 --> 00:19:37,620  
make sense of with this one experience

454  
00:19:41,990 --> 00:19:40,320  
that I had that kind of changed my life

455  
00:19:43,850 --> 00:19:42,000  
like you were mentioning like Kundalini

456  
00:19:46,549 --> 00:19:43,860  
Awakening it's something that it does

457  
00:19:49,370 --> 00:19:46,559  
happen to people or you know having

458  
00:19:50,870 --> 00:19:49,380  
moments in on the Dance Floor maybe if

459  
00:19:53,270 --> 00:19:50,880  
you to come

460  
00:19:55,490 --> 00:19:53,280  
um drugs like maybe something happens

461  
00:19:57,830 --> 00:19:55,500  
there and say hey it wasn't just the

462  
00:19:59,810 --> 00:19:57,840  
drugs uh something else something bigger

463  
00:20:01,490 --> 00:19:59,820

than me was there with me can I go back

464

00:20:04,970 --> 00:20:01,500

there without drugs can I go back there

465

00:20:07,370 --> 00:20:04,980

without uh without every every other Aid

466

00:20:09,650 --> 00:20:07,380

um I think that what magic does really

467

00:20:11,770 --> 00:20:09,660

um so yeah well Marco

468

00:20:14,870 --> 00:20:11,780

um on the show we talk a lot about

469

00:20:17,750 --> 00:20:14,880

observation versus interpretation and

470

00:20:20,630 --> 00:20:17,760

how important that is in uh the field of

471

00:20:23,630 --> 00:20:20,640

like studying UFO stuff because often we

472

00:20:25,669 --> 00:20:23,640

can have the most uh conservative

473

00:20:27,590 --> 00:20:25,679

Hardline Skeptics

474

00:20:29,810 --> 00:20:27,600

um agree with the nature of the

475

00:20:32,270 --> 00:20:29,820

observation and it comes down entirely

476

00:20:32,930 --> 00:20:32,280

to the interpretation

477

00:20:36,470 --> 00:20:32,940

um

478

00:20:38,390 --> 00:20:36,480

but yeah I'm I'm philosophically uh you

479

00:20:40,669 --> 00:20:38,400

know a skeptic materialist atheist all

480

00:20:43,430 --> 00:20:40,679

that kind of stuff but we are so focused

481

00:20:45,409 --> 00:20:43,440

in this show on good faith debate and I

482

00:20:47,029 --> 00:20:45,419

think that there needs to be room for

483

00:20:50,630 --> 00:20:47,039

all of these conversations and I think

484

00:20:52,850 --> 00:20:50,640

that there's room for benefits from the

485

00:20:55,909 --> 00:20:52,860

practice of ritual and magic and stuff

486

00:20:56,810 --> 00:20:55,919

like that now I just love to hear

487

00:20:59,990 --> 00:20:56,820

um

488

00:21:01,430 --> 00:21:00,000

if magic is being directed towards a

489

00:21:04,850 --> 00:21:01,440

purpose if the aim of it is to

490

00:21:08,990 --> 00:21:04,860

accomplish certain effects does it

491

00:21:10,610 --> 00:21:09,000

matter like is there a physical thing

492

00:21:12,710 --> 00:21:10,620

that you're describing that is producing

493

00:21:14,029 --> 00:21:12,720

those effects independent Of Human

494

00:21:17,210 --> 00:21:14,039

Action

495

00:21:19,490 --> 00:21:17,220

um or is it uh almost is there a

496

00:21:21,049 --> 00:21:19,500

relevance there to it being just

497

00:21:22,909 --> 00:21:21,059

directed intrinsically or actually

498

00:21:24,590 --> 00:21:22,919

manifesting something from outside of

499

00:21:26,690 --> 00:21:24,600

you

500

00:21:28,610 --> 00:21:26,700

well that's first of all that's a very

501  
00:21:30,830 --> 00:21:28,620  
good question and I don't think I have a

502  
00:21:33,890 --> 00:21:30,840  
perfect answer to that like I can tell

503  
00:21:35,690 --> 00:21:33,900  
you my direct experience and this is I I

504  
00:21:37,669 --> 00:21:35,700  
guess this will be always the the answer

505  
00:21:39,890 --> 00:21:37,679  
that every telemarket will tell we will

506  
00:21:43,789 --> 00:21:39,900  
give to you back to you because one of

507  
00:21:46,850 --> 00:21:43,799  
the main points in dilemma is

508  
00:21:48,470 --> 00:21:46,860  
the individuality of our experiences

509  
00:21:51,409 --> 00:21:48,480  
right like

510  
00:21:53,450 --> 00:21:51,419  
we we start from this point that we like

511  
00:21:55,370 --> 00:21:53,460  
um we can only experience what what we

512  
00:21:57,289 --> 00:21:55,380  
experience right that's it like I really

513  
00:21:59,990 --> 00:21:57,299

don't know what you will see what you

514

00:22:01,610 --> 00:22:00,000

will feel we might seem similar things

515

00:22:03,710 --> 00:22:01,620

but it's not just a matter of

516

00:22:05,810 --> 00:22:03,720

interpretation like something that I see

517

00:22:07,730 --> 00:22:05,820

might be something that you recognize

518

00:22:10,070 --> 00:22:07,740

but in fact we're we're seeing different

519

00:22:13,310 --> 00:22:10,080

completely different things so from my

520

00:22:16,070 --> 00:22:13,320

stand from from starting from that point

521

00:22:18,710 --> 00:22:16,080

um it's really all about

522

00:22:21,350 --> 00:22:18,720

trying to

523

00:22:25,070 --> 00:22:21,360

stick to the point of the of the of the

524

00:22:28,490 --> 00:22:25,080

of the magical practice right and see if

525

00:22:29,690 --> 00:22:28,500

you get to a point where you come into a

526

00:22:30,590 --> 00:22:29,700

series of

527

00:22:31,990 --> 00:22:30,600

um

528

00:22:34,610 --> 00:22:32,000

of information

529

00:22:37,610 --> 00:22:34,620

that it was not there before like can

530

00:22:40,010 --> 00:22:37,620

you generate from from zero like can you

531

00:22:42,289 --> 00:22:40,020

generate from uh information that was

532

00:22:43,789 --> 00:22:42,299

not there before uh that's that's what I

533

00:22:45,649 --> 00:22:43,799

mean when I don't know if I'll explain

534

00:22:46,970 --> 00:22:45,659

it very well but the point is what I'm

535

00:22:48,770 --> 00:22:46,980

trying to make that when I mentioned

536

00:22:51,830 --> 00:22:48,780

before you know discovering the true

537

00:22:55,070 --> 00:22:51,840

wheel or pure will it really means that

538

00:22:56,270 --> 00:22:55,080

you know once you have unlocked that

539

00:23:00,350 --> 00:22:56,280

um that direct connection with the

540

00:23:01,549 --> 00:23:00,360

Divine are you getting new things are

541

00:23:04,490 --> 00:23:01,559

you getting to discover things you

542

00:23:07,010 --> 00:23:04,500

didn't know before and those do these

543

00:23:08,930 --> 00:23:07,020

things like and can you use them can can

544

00:23:10,850 --> 00:23:08,940

they make the difference in your

545

00:23:11,510 --> 00:23:10,860

day-to-day life

546

00:23:14,149 --> 00:23:11,520

um

547

00:23:15,310 --> 00:23:14,159

so is this about

548

00:23:17,450 --> 00:23:15,320

um

549

00:23:19,130 --> 00:23:17,460

can I then

550

00:23:22,010 --> 00:23:19,140

um share this experience with you with

551

00:23:22,990 --> 00:23:22,020

anyone else and think I can right it

552

00:23:25,190 --> 00:23:23,000

really because

553

00:23:27,950 --> 00:23:25,200

I don't know if it's if it ends up

554

00:23:30,230 --> 00:23:27,960

becoming almost like a solid cystic uh

555

00:23:31,490 --> 00:23:30,240

experience but maybe it is right maybe

556

00:23:33,890 --> 00:23:31,500

it is something that can only be

557

00:23:35,870 --> 00:23:33,900

experienced by by myself or by yourself

558

00:23:38,450 --> 00:23:35,880

or by you know anybody else who's tried

559

00:23:41,090 --> 00:23:38,460

these things and

560

00:23:43,669 --> 00:23:41,100

and that kind of that kind of be good

561

00:23:46,549 --> 00:23:43,679

enough I guess for me like I'm really

562

00:23:48,230 --> 00:23:46,559

I'm not concerned at all as a magician

563

00:23:52,130 --> 00:23:48,240

with the idea

564

00:23:53,810 --> 00:23:52,140

first of all if my views are

565

00:23:58,610 --> 00:23:53,820

um

566

00:24:02,270 --> 00:23:58,620

confirmed by anybody else nor uh

567

00:24:04,789 --> 00:24:02,280

trying to convince you of my loser right

568

00:24:06,350 --> 00:24:04,799

it's so if from a magicians standpoint

569

00:24:08,750 --> 00:24:06,360

and we're talking about something that's

570

00:24:10,190 --> 00:24:08,760

a little bit more advanced than what I

571

00:24:12,230 --> 00:24:10,200

described in the book because it's

572

00:24:14,210 --> 00:24:12,240

really you really should have done all

573

00:24:15,230 --> 00:24:14,220

the Preparatory work that gets you to

574

00:24:17,810 --> 00:24:15,240

the point where you have this direct

575

00:24:19,010 --> 00:24:17,820

connection with the Divine uh or with

576

00:24:20,630 --> 00:24:19,020

the other whatever you want to call it

577

00:24:23,690 --> 00:24:20,640

it doesn't have to be because you know

578

00:24:25,549 --> 00:24:23,700

Diva can be um a bit of loaded term or

579

00:24:26,990 --> 00:24:25,559

God can be a bit of a little term that's

580

00:24:28,070 --> 00:24:27,000

a bit with the other that's absolutely

581

00:24:30,529 --> 00:24:28,080

fine

582

00:24:32,510 --> 00:24:30,539

the point is there uh that I'm making is

583

00:24:36,010 --> 00:24:32,520

that like once you have that

584

00:24:40,130 --> 00:24:36,020

you become you should become kind of

585

00:24:41,870 --> 00:24:40,140

unconcerned with with trying to justify

586

00:24:43,250 --> 00:24:41,880

yourself I I don't know if I'm answering

587

00:24:46,549 --> 00:24:43,260

your question but I felt like I'm going

588

00:24:49,370 --> 00:24:46,559

I was going this way see and you're kind

589

00:24:50,930 --> 00:24:49,380

of getting exposure to both sides of

590

00:24:52,789 --> 00:24:50,940

this show because I'm listening to

591

00:24:54,529 --> 00:24:52,799

everything Marco's saying and going oh

592

00:24:56,270 --> 00:24:54,539

yeah yep it's all tracks this is

593

00:24:58,610 --> 00:24:56,280

completely what my experience has been

594

00:25:00,169 --> 00:24:58,620

like I this you're very much speaking my

595

00:25:02,750 --> 00:25:00,179

language around these kinds of

596

00:25:05,029 --> 00:25:02,760

experiences and practices but I also

597

00:25:07,130 --> 00:25:05,039

like I don't want to speak for Campbell

598

00:25:09,830 --> 00:25:07,140

but um I'm sure Campbell's having some

599

00:25:12,470 --> 00:25:09,840

opinions or thoughts on this as well uh

600

00:25:14,990 --> 00:25:12,480

well I think that that's uh perfect you

601  
00:25:17,750 --> 00:25:15,000  
are zeroing in on sort of what I was

602  
00:25:19,730 --> 00:25:17,760  
forgetting at if there's a if it matters

603  
00:25:22,010 --> 00:25:19,740  
fundamentally what the interpretation is

604  
00:25:24,169 --> 00:25:22,020  
if it's not harming anyone benefiting

605  
00:25:27,890 --> 00:25:24,179  
you uh you know it's like uh just doing

606  
00:25:29,930 --> 00:25:27,900  
affirmations daily you can quantify the

607  
00:25:32,029 --> 00:25:29,940  
effects of that you can measure that it

608  
00:25:34,250 --> 00:25:32,039  
actually produces an outcome even if you

609  
00:25:35,870 --> 00:25:34,260  
know that there's a placebo effect I'm

610  
00:25:38,029 --> 00:25:35,880  
not saying that is necessarily what's

611  
00:25:39,950 --> 00:25:38,039  
going on obviously but um I can see

612  
00:25:42,049 --> 00:25:39,960  
other things that would demonstrate that

613  
00:25:44,409 --> 00:25:42,059

could be uh sort of happening so I think

614

00:25:47,330 --> 00:25:44,419

yeah

615

00:25:49,310 --> 00:25:47,340

like even if even if it was a placebo

616

00:25:52,610 --> 00:25:49,320

effect I wouldn't be concerned with it

617

00:25:54,950 --> 00:25:52,620

right in the sense that uh like I'm in

618

00:25:56,810 --> 00:25:54,960

aerological operation you always have to

619

00:25:58,010 --> 00:25:56,820

set up a goal like what is it you want

620

00:26:00,409 --> 00:25:58,020

to do right

621

00:26:02,810 --> 00:26:00,419

um I'm thinking let's say that you want

622

00:26:04,669 --> 00:26:02,820

to conjure uh an angel or a demon and

623

00:26:06,289 --> 00:26:04,679

evocation magic is quite Advanced right

624

00:26:09,289 --> 00:26:06,299

it's not something that that you do at

625

00:26:11,870 --> 00:26:09,299

first first you have to uh almost like a

626

00:26:13,549 --> 00:26:11,880

first you have to go to the gym and you

627

00:26:16,250 --> 00:26:13,559

know maybe some fat or put on some

628

00:26:18,529 --> 00:26:16,260

muscle uh condition yourself and then

629

00:26:21,049 --> 00:26:18,539

once you've done that and it takes six

630

00:26:23,210 --> 00:26:21,059

maybe a year or two if you do if you

631

00:26:25,250 --> 00:26:23,220

stick to it then you can start trying to

632

00:26:27,470 --> 00:26:25,260

contact other intelligences other other

633

00:26:29,149 --> 00:26:27,480

other Aggregates of Consciousness as we

634

00:26:32,269 --> 00:26:29,159

were saying before right and that kind

635

00:26:34,430 --> 00:26:32,279

of is uh in my my experience kind of is

636

00:26:37,669 --> 00:26:34,440

one of the main

637

00:26:39,169 --> 00:26:37,679

um I mean ways you can actually uh get

638

00:26:40,370 --> 00:26:39,179

information get you know receive the

639

00:26:43,029 --> 00:26:40,380

kind of noses that you didn't have

640

00:26:46,010 --> 00:26:43,039

before while you contact this other

641

00:26:49,549 --> 00:26:46,020

aggregate of Consciousness but my point

642

00:26:52,730 --> 00:26:49,559

is that I really am not concerned if

643

00:26:55,190 --> 00:26:52,740

these things exist or not right in the

644

00:26:57,529 --> 00:26:55,200

sense like in the moment that something

645

00:26:59,029 --> 00:26:57,539

speaks back to me in the moment that you

646

00:27:01,310 --> 00:26:59,039

know at the beginning of the of the

647

00:27:02,930 --> 00:27:01,320

contribution I'm in the I'm alone in the

648

00:27:04,310 --> 00:27:02,940

room at the end of the conjuration

649

00:27:05,690 --> 00:27:04,320

there's something else in the room

650

00:27:08,810 --> 00:27:05,700

because maybe something else speaks Back

651  
00:27:10,549 --> 00:27:08,820  
to Me Maybe it's not words right uh it's

652  
00:27:13,310 --> 00:27:10,559  
all that happens in my mind it's feeling

653  
00:27:16,310 --> 00:27:13,320  
so maybe there's a significant change in

654  
00:27:20,330 --> 00:27:16,320  
the um which that could be actually

655  
00:27:22,610 --> 00:27:20,340  
um uh they say uh Quantified by

656  
00:27:23,450 --> 00:27:22,620  
um virus tools like references dropping

657  
00:27:25,070 --> 00:27:23,460  
off

658  
00:27:26,090 --> 00:27:25,080  
um temperature right things like that

659  
00:27:28,070 --> 00:27:26,100  
right

660  
00:27:30,289 --> 00:27:28,080  
I'm at the end of the day I'm

661  
00:27:31,909 --> 00:27:30,299  
unconcerned with the idea is this real

662  
00:27:33,830 --> 00:27:31,919  
or is this that in my head like my point

663  
00:27:35,510 --> 00:27:33,840

is that am I getting information and I

664

00:27:38,210 --> 00:27:35,520

is this information something that I

665

00:27:39,470 --> 00:27:38,220

didn't know before and by that I mean

666

00:27:41,090 --> 00:27:39,480

um what happened to me over the years

667

00:27:43,070 --> 00:27:41,100

when I experienced well experienced

668

00:27:44,570 --> 00:27:43,080

experimented with the education really

669

00:27:46,330 --> 00:27:44,580

was about

670

00:27:49,789 --> 00:27:46,340

um you know

671

00:27:52,070 --> 00:27:49,799

never ever knowing about this or that

672

00:27:53,390 --> 00:27:52,080

author and maybe this conscience tell me

673

00:27:55,789 --> 00:27:53,400

like you should do this or you should

674

00:27:57,350 --> 00:27:55,799

read that and of course I know I know

675

00:27:59,210 --> 00:27:57,360

that another skeptic point of view could

676

00:28:00,649 --> 00:27:59,220

be well actually you actually knew about

677

00:28:04,310 --> 00:28:00,659

that but it was buried into your

678

00:28:09,110 --> 00:28:04,320

subconscious it could be I will I will

679

00:28:12,409 --> 00:28:09,120

never say I am 100 sure that uh what I'm

680

00:28:15,110 --> 00:28:12,419

contacting is a demon or an angel but

681

00:28:17,090 --> 00:28:15,120

what what I care about is that am I

682

00:28:19,370 --> 00:28:17,100

getting something out of it and I think

683

00:28:21,590 --> 00:28:19,380

that uh I think that that's in this

684

00:28:24,110 --> 00:28:21,600

probably really mentions this in uh in

685

00:28:25,310 --> 00:28:24,120

liver ABA as well it says something at

686

00:28:27,169 --> 00:28:25,320

the beginning I'm not putting verb

687

00:28:30,289 --> 00:28:27,179

dating but it says like you know in this

688

00:28:33,169 --> 00:28:30,299

book we speak of Stafford of planes of

689

00:28:36,110 --> 00:28:33,179

gods angels and demons it is immaterial

690

00:28:38,630 --> 00:28:36,120

if these things exist or not uh what

691

00:28:40,970 --> 00:28:38,640

matters is that if you certain insert

692

00:28:42,649 --> 00:28:40,980

your results follow uh and and they also

693

00:28:45,169 --> 00:28:42,659

say something like the

694

00:28:46,909 --> 00:28:45,179

um the reader should uh it's earnestly

695

00:28:48,890 --> 00:28:46,919

advised not to put any philosophical

696

00:28:51,470 --> 00:28:48,900

validity into any of this so you know

697

00:28:53,870 --> 00:28:51,480

like it's very it's very it's very it is

698

00:28:56,450 --> 00:28:53,880

maybe you did everything right can I get

699

00:28:58,850 --> 00:28:56,460

something out of it and it's and again

700

00:29:00,890 --> 00:28:58,860

um actually you mentioned it in fasting

701  
00:29:02,810 --> 00:29:00,900  
um is it I think it's important to say

702  
00:29:04,970 --> 00:29:02,820  
is it something that does not harm

703  
00:29:07,310 --> 00:29:04,980  
anybody else because of course that's

704  
00:29:09,169 --> 00:29:07,320  
for me that's a given but I think it's

705  
00:29:10,909 --> 00:29:09,179  
important to

706  
00:29:12,470 --> 00:29:10,919  
um say it out loud right because of

707  
00:29:15,049 --> 00:29:12,480  
course if if the voice is in your head

708  
00:29:17,409 --> 00:29:15,059  
tells you go kill somebody well you need

709  
00:29:22,370 --> 00:29:19,970  
in my experience that never happens

710  
00:29:25,130 --> 00:29:22,380  
though because in my experience like the

711  
00:29:26,210 --> 00:29:25,140  
other ones once is contacted is actually

712  
00:29:28,909 --> 00:29:26,220  
very

713  
00:29:30,230 --> 00:29:28,919

positive about The Human Experience uh

714

00:29:33,230 --> 00:29:30,240

so once again

715

00:29:36,289 --> 00:29:33,240

for me it's very very strange to hear

716

00:29:40,730 --> 00:29:36,299

all this concern about you know are the

717

00:29:42,529 --> 00:29:40,740

are the UFOs Evo or Are UFOs fingers or

718

00:29:45,169 --> 00:29:42,539

they want to kill it um that's my friend

719

00:29:47,389 --> 00:29:45,179

Peter lewand everybody knows him I guess

720

00:29:50,269 --> 00:29:47,399

we had a lot of discussion that he wrote

721

00:29:52,130 --> 00:29:50,279

the the forward for uh for my book and

722

00:29:53,690 --> 00:29:52,140

we had a lot of discussion on this uh in

723

00:29:54,950 --> 00:29:53,700

the sense that he does think that well

724

00:29:57,529 --> 00:29:54,960

you know maybe there could be something

725

00:29:59,350 --> 00:29:57,539

a bit nasty out there and I say well

726

00:30:01,970 --> 00:29:59,360

that's never been my experience actually

727

00:30:04,130 --> 00:30:01,980

uh the experience for me has always been

728

00:30:07,549 --> 00:30:04,140

there's

729

00:30:09,409 --> 00:30:07,559

Outside The Human Experience the the

730

00:30:11,750 --> 00:30:09,419

stack difference for good and evil kind

731

00:30:14,330 --> 00:30:11,760

of this this year it's because in my

732

00:30:18,590 --> 00:30:14,340

experience once we are incarnated into

733

00:30:21,470 --> 00:30:18,600

this flesh we see Duality we see the

734

00:30:23,090 --> 00:30:21,480

good and the bad we see uh the cold and

735

00:30:25,310 --> 00:30:23,100

the hearts you know so the other thing

736

00:30:27,769 --> 00:30:25,320

you think as a polarity that's our

737

00:30:30,889 --> 00:30:27,779

experience into this world once you

738

00:30:32,389 --> 00:30:30,899

leave behind the Word Flesh and you can

739

00:30:33,769 --> 00:30:32,399

do it in many ways you can do it when

740

00:30:35,269 --> 00:30:33,779

you sleep all the time and when every

741

00:30:36,909 --> 00:30:35,279

time you dream you your Consciousness

742

00:30:39,169 --> 00:30:36,919

goes somewhere else

743

00:30:42,350 --> 00:30:39,179

you can do it through module operations

744

00:30:44,330 --> 00:30:42,360

or possibly you do it when you die right

745

00:30:46,549 --> 00:30:44,340

and my experience when you leave the

746

00:30:48,830 --> 00:30:46,559

word of flesh is there's no good and

747

00:30:51,889 --> 00:30:48,840

evil it's it's just like just like uh

748

00:30:53,330 --> 00:30:51,899

Consciousness and expanding process I

749

00:30:57,350 --> 00:30:53,340

guess the Buddhist speaking I speak

750

00:31:00,950 --> 00:30:57,360

about this that's experience right yes

751  
00:31:02,630 --> 00:31:00,960  
um so I don't know we got here yeah but

752  
00:31:04,610 --> 00:31:02,640  
one of the things I wanted to respond to

753  
00:31:07,310 --> 00:31:04,620  
too is my experience I've never had that

754  
00:31:09,230 --> 00:31:07,320  
binary sense of good and evil or Angels

755  
00:31:11,690 --> 00:31:09,240  
and Demons right that feels to me like a

756  
00:31:12,830 --> 00:31:11,700  
false dichotomy and also I mean speaking

757  
00:31:13,970 --> 00:31:12,840  
of someone who is definitely not

758  
00:31:15,590 --> 00:31:13,980  
Christian

759  
00:31:17,930 --> 00:31:15,600  
um it also feels to me like a

760  
00:31:19,730 --> 00:31:17,940  
transposing of this very Christian

761  
00:31:21,710 --> 00:31:19,740  
binary

762  
00:31:23,690 --> 00:31:21,720  
um onto things that largely exist

763  
00:31:25,190 --> 00:31:23,700

outside of that or outside of those

764

00:31:26,389 --> 00:31:25,200

ideas

765

00:31:29,990 --> 00:31:26,399

um

766

00:31:32,090 --> 00:31:30,000

I was curious about your thoughts or

767

00:31:34,850 --> 00:31:32,100

your views on how

768

00:31:36,230 --> 00:31:34,860

um these kinds of experiences in form or

769

00:31:38,269 --> 00:31:36,240

shape

770

00:31:40,190 --> 00:31:38,279

um creative processes or inspiration

771

00:31:44,930 --> 00:31:40,200

because hearing you talk it always

772

00:31:46,490 --> 00:31:44,940

reminds me of say the artistic Muses

773

00:31:48,529 --> 00:31:46,500

um you know the Muse is inspiring

774

00:31:50,990 --> 00:31:48,539

artists or musicians and I was wondering

775

00:31:55,250 --> 00:31:51,000

if you had any thoughts on how these

776

00:31:56,769 --> 00:31:55,260

practices inform creative inspiration

777

00:32:00,409 --> 00:31:56,779

I am 100

778

00:32:03,830 --> 00:32:00,419

convinced that you know this contacting

779

00:32:05,870 --> 00:32:03,840

the other does bring yeah immense

780

00:32:09,230 --> 00:32:05,880

um influx of inspiration in Human

781

00:32:11,510 --> 00:32:09,240

Experience like humanity is historically

782

00:32:15,830 --> 00:32:11,520

has been inspired by the contact with

783

00:32:18,950 --> 00:32:15,840

the other uh it can be you know Moses

784

00:32:21,590 --> 00:32:18,960

Mount Sinai saying something and then

785

00:32:24,830 --> 00:32:21,600

coming back with moral and ethical ideas

786

00:32:26,330 --> 00:32:24,840

that shaped our okay or not shaped the

787

00:32:28,130 --> 00:32:26,340

world of the western

788

00:32:30,049 --> 00:32:28,140

um tradition or the Western culture

789

00:32:31,789 --> 00:32:30,059

really for the last

790

00:32:35,289 --> 00:32:31,799

um five thousand years and counting

791

00:32:37,930 --> 00:32:35,299

pretty much or it can be you know

792

00:32:40,610 --> 00:32:37,940

thinking about the for instance

793

00:32:42,769 --> 00:32:40,620

in the in the Irish right in the

794

00:32:46,010 --> 00:32:42,779

rashford corporation which is this this

795

00:32:47,570 --> 00:32:46,020

theory that inspires poets and that's

796

00:32:49,549 --> 00:32:47,580

just one right or the muses of the

797

00:32:51,970 --> 00:32:49,559

Greeks right uh like you would go

798

00:32:54,769 --> 00:32:51,980

Mountain Parnassus and you get possibly

799

00:32:56,269 --> 00:32:54,779

yeah inspired by the by the users but

800

00:32:58,250 --> 00:32:56,279

then maybe the men let's come and kill

801  
00:33:01,490 --> 00:32:58,260  
you and then because you use so too much

802  
00:33:03,830 --> 00:33:01,500  
of of the Divine and that you could not

803  
00:33:04,490 --> 00:33:03,840  
take too much of that right

804  
00:33:07,490 --> 00:33:04,500  
um

805  
00:33:09,830 --> 00:33:07,500  
on that note maybe you know this is

806  
00:33:13,250 --> 00:33:09,840  
something that is true in the sense that

807  
00:33:16,610 --> 00:33:13,260  
in order for for your experience of the

808  
00:33:18,289 --> 00:33:16,620  
other to be positive and so in spirit in

809  
00:33:19,070 --> 00:33:18,299  
spirit inspiritive like we were saying

810  
00:33:22,789 --> 00:33:19,080  
here

811  
00:33:24,409 --> 00:33:22,799  
you really should try and not uh force

812  
00:33:25,669 --> 00:33:24,419  
it unless you get to the point when

813  
00:33:27,289 --> 00:33:25,679

you're really ready for that and again

814

00:33:30,529 --> 00:33:27,299

this is what is what magic does right

815

00:33:33,950 --> 00:33:30,539

it's not just magic you know uh uh but

816

00:33:34,909 --> 00:33:33,960

this practice will will get you there

817

00:33:39,409 --> 00:33:34,919

um

818

00:33:42,529 --> 00:33:39,419

uh soon for practice will get you there

819

00:33:44,630 --> 00:33:42,539

magically is right you know what we what

820

00:33:46,549 --> 00:33:44,640

we created here in the Western and

821

00:33:49,070 --> 00:33:46,559

Western tradition especially in the last

822

00:33:50,450 --> 00:33:49,080

150 years more or less right but the

823

00:33:54,529 --> 00:33:50,460

point is that

824

00:33:56,950 --> 00:33:54,539

um if you try and force uh I mean to see

825

00:33:59,090 --> 00:33:56,960

the other too fast that that could be

826

00:34:02,090 --> 00:33:59,100

detrimental to you not because that

827

00:34:05,029 --> 00:34:02,100

thing is evil and wants to get you but

828

00:34:07,909 --> 00:34:05,039

it's because it's it's the magnitude so

829

00:34:10,909 --> 00:34:07,919

much bigger than than the humans that

830

00:34:13,490 --> 00:34:10,919

you can get swept away it's almost like

831

00:34:16,490 --> 00:34:13,500

you know if you approach

832

00:34:19,609 --> 00:34:16,500

um if you if you're new if you if you

833

00:34:21,829 --> 00:34:19,619

surf and you you want to go uh and then

834

00:34:23,389 --> 00:34:21,839

you know on super high waves immediately

835

00:34:24,970 --> 00:34:23,399

because it's not going to end up well

836

00:34:27,290 --> 00:34:24,980

for you right right

837

00:34:29,389 --> 00:34:27,300

instead or you know the same thing like

838

00:34:30,470 --> 00:34:29,399

I'm thinking about every sport has the

839

00:34:34,550 --> 00:34:30,480

same

840

00:34:36,470 --> 00:34:34,560

um one of my teachers this guy called

841

00:34:37,970 --> 00:34:36,480

Michael virtue which some of you might

842

00:34:40,810 --> 00:34:37,980

have heard because he wrote about um

843

00:34:44,270 --> 00:34:40,820

UFOs as well a lot

844

00:34:46,129 --> 00:34:44,280

of graffiti he says something called the

845

00:34:48,349 --> 00:34:46,139

good UFO versus the bad beautiful

846

00:34:50,510 --> 00:34:48,359

experience and you really say something

847

00:34:53,570 --> 00:34:50,520

that uh which can be a little bit

848

00:34:55,129 --> 00:34:53,580

conversion uh but I I know it to be true

849

00:34:56,690 --> 00:34:55,139

because I experienced it in the sense

850

00:34:59,530 --> 00:34:56,700

that it says

851  
00:35:04,010 --> 00:34:59,540  
a lot of those people that um

852  
00:35:06,589 --> 00:35:04,020  
report very nasty experiences with you

853  
00:35:08,510 --> 00:35:06,599  
know early induction experiences or

854  
00:35:10,490 --> 00:35:08,520  
something similar to that what really

855  
00:35:13,430 --> 00:35:10,500  
happened to them is that why they

856  
00:35:15,349 --> 00:35:13,440  
chanced upon the land at Zone Parnassus

857  
00:35:17,150 --> 00:35:15,359  
and they weren't ready yeah and that's

858  
00:35:19,550 --> 00:35:17,160  
that they're damaged to us right I was

859  
00:35:20,990 --> 00:35:19,560  
like oh my God this what is that but if

860  
00:35:23,329 --> 00:35:21,000  
the same person

861  
00:35:25,490 --> 00:35:23,339  
would go in same experience but maybe

862  
00:35:28,390 --> 00:35:25,500  
with a year of training then they would

863  
00:35:30,530 --> 00:35:28,400

see something completely different right

864

00:35:36,670 --> 00:35:30,540

this still doesn't explain the capital

865

00:35:41,810 --> 00:35:39,530

for that

866

00:35:44,270 --> 00:35:41,820

this um this is great I was I was

867

00:35:46,310 --> 00:35:44,280

speaking with Petey Newman last week he

868

00:35:48,230 --> 00:35:46,320

writes a lot on Shamanism and

869

00:35:49,870 --> 00:35:48,240

ethnobotany

870

00:35:53,089 --> 00:35:49,880

um and one of the things we talked about

871

00:35:56,210 --> 00:35:53,099

was similar to what you're saying about

872

00:35:58,490 --> 00:35:56,220

how it is an incredibly violent and

873

00:36:00,950 --> 00:35:58,500

harmful act to break apart somebody's

874

00:36:04,370 --> 00:36:00,960

ontology without their explicit consent

875

00:36:07,010 --> 00:36:04,380

and ex experience you know

876

00:36:08,150 --> 00:36:07,020

um and

877

00:36:10,310 --> 00:36:08,160

um I think when we're talking about

878

00:36:12,770 --> 00:36:10,320

these lineages I mean my experience in

879

00:36:15,530 --> 00:36:12,780

vajrayana right it's not exactly

880

00:36:17,450 --> 00:36:15,540

initiatory but it's similar

881

00:36:19,609 --> 00:36:17,460

um

882

00:36:21,710 --> 00:36:19,619

the point is that

883

00:36:26,089 --> 00:36:21,720

at the heart of this is this idea that

884

00:36:30,650 --> 00:36:28,609

um can be if they're power tools right

885

00:36:32,150 --> 00:36:30,660

you don't just hand them to somebody and

886

00:36:34,690 --> 00:36:32,160

have them go at it you have to give them

887

00:36:37,730 --> 00:36:34,700

sort of the appropriate ontological

888

00:36:40,130 --> 00:36:37,740

psychological psychospiritual

889

00:36:42,530 --> 00:36:40,140

Etc Frameworks to experience them

890

00:36:44,750 --> 00:36:42,540

because they can be extremely intense

891

00:36:47,450 --> 00:36:44,760

um up to and including like complete ego

892

00:36:49,069 --> 00:36:47,460

dissolution and I mean if you read right

893

00:36:51,589 --> 00:36:49,079

like like you read reports from people

894

00:36:53,510 --> 00:36:51,599

who have psychedelic experiences that

895

00:36:55,370 --> 00:36:53,520

wind up far more intense than expected

896

00:36:57,710 --> 00:36:55,380

and they somebody experiences ego death

897

00:36:59,030 --> 00:36:57,720

or ego dissolution if they aren't

898

00:37:00,829 --> 00:36:59,040

prepared for that and they don't really

899

00:37:02,450 --> 00:37:00,839

know what to expect or anticipate these

900

00:37:04,370 --> 00:37:02,460

are extremely harmful experiences

901  
00:37:06,290 --> 00:37:04,380  
they're super traumatic they're very

902  
00:37:07,609 --> 00:37:06,300  
very upsetting they require substantial

903  
00:37:09,710 --> 00:37:07,619  
amounts of integration and

904  
00:37:12,410 --> 00:37:09,720  
post-experience processing and I think

905  
00:37:14,329 --> 00:37:12,420  
similarly when we talk about spiritual

906  
00:37:16,010 --> 00:37:14,339  
emergence in the very broadest sense to

907  
00:37:19,609 --> 00:37:16,020  
include magic Altered States Of

908  
00:37:22,270 --> 00:37:19,619  
Consciousness you UFO encounters Etc

909  
00:37:25,550 --> 00:37:22,280  
um without appropriate

910  
00:37:26,930 --> 00:37:25,560  
priming and Frameworks to interpret and

911  
00:37:28,790 --> 00:37:26,940  
contextualize what's happening like

912  
00:37:32,329 --> 00:37:28,800  
these are deeply upsetting experiences

913  
00:37:36,230 --> 00:37:32,339

absolutely absolutely 100 and in fact

914

00:37:38,270 --> 00:37:36,240

what my my personal belief right is that

915

00:37:40,910 --> 00:37:38,280

a lot of the

916

00:37:42,890 --> 00:37:40,920

um the narrative the negative narratives

917

00:37:45,109 --> 00:37:42,900

that come alongside you know youthful

918

00:37:49,250 --> 00:37:45,119

experiences or experience with the other

919

00:37:51,710 --> 00:37:49,260

really that's where I believe in the you

920

00:37:54,349 --> 00:37:51,720

know in the CIA or psyops you know we

921

00:37:56,450 --> 00:37:54,359

know that these people were trying to uh

922

00:37:59,030 --> 00:37:56,460

were feeding people with too much LSD

923

00:38:01,569 --> 00:37:59,040

where they're giving them too much

924

00:38:05,089 --> 00:38:01,579

um you know chemicals and whatnot

925

00:38:06,650 --> 00:38:05,099

it's a real thing yeah I mean right now

926

00:38:09,230 --> 00:38:06,660

we know this state happened right it's

927

00:38:10,849 --> 00:38:09,240

not it's not like uh we're not we're not

928

00:38:14,030 --> 00:38:10,859

wondering about it anymore and that's

929

00:38:16,310 --> 00:38:14,040

exactly it right uh possibly we in we

930

00:38:18,050 --> 00:38:16,320

are down to 20 to 23 with a lot of

931

00:38:20,270 --> 00:38:18,060

people that think that aliens are there

932

00:38:22,130 --> 00:38:20,280

or the others out there to to abduct

933

00:38:24,950 --> 00:38:22,140

them because unfortunately yes a lot of

934

00:38:28,730 --> 00:38:24,960

of people have been burned by humans

935

00:38:32,510 --> 00:38:28,740

right that a lot of people in the 50s

936

00:38:35,390 --> 00:38:32,520

40s 50s 60s possibly you know after some

937

00:38:37,849 --> 00:38:35,400

very key events uh that forced the

938

00:38:39,650 --> 00:38:37,859

governments uh to say Hey you know these

939

00:38:42,050 --> 00:38:39,660

things exist we're gonna have to do

940

00:38:44,150 --> 00:38:42,060

something about it now and what we're

941

00:38:46,550 --> 00:38:44,160

going to experiment on our population so

942

00:38:47,470 --> 00:38:46,560

that's again this is my personal belief

943

00:38:51,170 --> 00:38:47,480

um

944

00:38:52,849 --> 00:38:51,180

whatsoever right but again go back to

945

00:38:54,650 --> 00:38:52,859

Peter people eventually that's what he

946

00:38:56,870 --> 00:38:54,660

writes in his book in since the forces

947

00:38:59,690 --> 00:38:56,880

it's pretty much like that right

948

00:39:01,010 --> 00:38:59,700

um so yeah I I think that if it's

949

00:39:04,609 --> 00:39:01,020

definitely

950

00:39:06,050 --> 00:39:04,619

horrible experience with that again it's

951  
00:39:08,750 --> 00:39:06,060  
very possible to have horrible

952  
00:39:11,270 --> 00:39:08,760  
experiences by going to

953  
00:39:13,730 --> 00:39:11,280  
um a shamanistic retreat done by bad

954  
00:39:16,370 --> 00:39:13,740  
people you end up in a you know in a

955  
00:39:19,430 --> 00:39:16,380  
switch uh you know uh Lodge you die

956  
00:39:22,910 --> 00:39:19,440  
because because you don't know in order

957  
00:39:25,970 --> 00:39:22,920  
to to go through as well or you have you

958  
00:39:27,950 --> 00:39:25,980  
have to be fit you have to to go to do

959  
00:39:29,750 --> 00:39:27,960  
certain steps to prepare yourself or

960  
00:39:32,990 --> 00:39:29,760  
maybe you go to a higher Oscar ceremony

961  
00:39:34,370 --> 00:39:33,000  
and and you see monsters because you

962  
00:39:36,470 --> 00:39:34,380  
know the shaman there is not a real

963  
00:39:38,210 --> 00:39:36,480

Shaman so he doesn't know what to do and

964

00:39:41,030 --> 00:39:38,220

he just wants the money because it

965

00:39:43,910 --> 00:39:41,040

becomes so commodified and so so popular

966

00:39:45,770 --> 00:39:43,920

right I think it's the same thing with

967

00:39:49,849 --> 00:39:45,780

my and what magic really

968

00:39:52,510 --> 00:39:49,859

should do is to give everybody the tools

969

00:39:56,089 --> 00:39:52,520

to explore this

970

00:39:59,270 --> 00:39:56,099

vast vistas of the possible at the

971

00:40:02,569 --> 00:39:59,280

employed impossible as well but you know

972

00:40:04,670 --> 00:40:02,579

knowing that as I like to say it's a

973

00:40:05,990 --> 00:40:04,680

marathon you're training for a matter

974

00:40:08,390 --> 00:40:06,000

and you're training for the long run

975

00:40:09,950 --> 00:40:08,400

you're not training for a Sprint if you

976  
00:40:11,810 --> 00:40:09,960  
want to you know you want to start the

977  
00:40:14,569 --> 00:40:11,820  
magic and the next day you want to

978  
00:40:16,430 --> 00:40:14,579  
conjure Bill IO good luck with first of

979  
00:40:18,829 --> 00:40:16,440  
all because nothing will happen that's

980  
00:40:20,630 --> 00:40:18,839  
and possibly you would say oh well you

981  
00:40:23,510 --> 00:40:20,640  
know what this is all crap that's so

982  
00:40:25,190 --> 00:40:23,520  
doesn't work or

983  
00:40:28,190 --> 00:40:25,200  
um like like we did on during the

984  
00:40:29,870 --> 00:40:28,200  
pandemic on my community online when I

985  
00:40:31,790 --> 00:40:29,880  
started it was like you know by the way

986  
00:40:34,190 --> 00:40:31,800  
the book comes from the whole series of

987  
00:40:36,470 --> 00:40:34,200  
lessons uh that I wrote and that I

988  
00:40:39,470 --> 00:40:36,480

shared with that with my community like

989

00:40:41,690 --> 00:40:39,480

we started with I know 20 people almost

990

00:40:43,849 --> 00:40:41,700

three years ago to date because you know

991

00:40:46,970 --> 00:40:43,859

we here in UK the lockdown started on

992

00:40:49,250 --> 00:40:46,980

the 21st 28th sorry it's March and the

993

00:40:52,130 --> 00:40:49,260

21st of March I started I was at the

994

00:40:54,349 --> 00:40:52,140

time patreon now it's something else and

995

00:40:58,010 --> 00:40:54,359

um now the first one we were like 12 15

996

00:41:01,430 --> 00:40:58,020

people and then over the course of six

997

00:41:03,290 --> 00:41:01,440

months it grew up to 150. I mean I must

998

00:41:05,450 --> 00:41:03,300

say that it really helped that I got

999

00:41:07,970 --> 00:41:05,460

sucked into failure I don't know if you

1000

00:41:11,270 --> 00:41:07,980

guys watched earlier uh which was this

1001  
00:41:13,910 --> 00:41:11,280  
to me it's like the best

1002  
00:41:16,910 --> 00:41:13,920  
um you know High strangeness uh UFO

1003  
00:41:19,310 --> 00:41:16,920  
thing on TV ever well it's not TV on

1004  
00:41:21,170 --> 00:41:19,320  
Amazon Prime and YouTube and I became

1005  
00:41:23,630 --> 00:41:21,180  
friends with with the people that run it

1006  
00:41:24,890 --> 00:41:23,640  
and put it together and yeah so I I got

1007  
00:41:26,930 --> 00:41:24,900  
a little bit of exposure because they

1008  
00:41:28,730 --> 00:41:26,940  
invited me to one of their online

1009  
00:41:31,270 --> 00:41:28,740  
conferences and that the thing is that

1010  
00:41:33,950 --> 00:41:31,280  
from September on things really exploded

1011  
00:41:35,930 --> 00:41:33,960  
and so you know I started writing more

1012  
00:41:38,270 --> 00:41:35,940  
but I was telling the people in my

1013  
00:41:40,730 --> 00:41:38,280

community we will get to the point where

1014

00:41:43,910 --> 00:41:40,740

we were going to see something that will

1015

00:41:46,190 --> 00:41:43,920

maybe make your jaw drop but in one year

1016

00:41:47,630 --> 00:41:46,200

time one year and a half time I think

1017

00:41:50,030 --> 00:41:47,640

I'm telling you this because I want your

1018

00:41:53,450 --> 00:41:50,040

patreon money free to go doesn't matter

1019

00:41:56,450 --> 00:41:53,460

but or we can actually stick to it and

1020

00:41:59,210 --> 00:41:56,460

get to the end of it and many people did

1021

00:42:00,910 --> 00:41:59,220

and you see people right now that never

1022

00:42:03,650 --> 00:42:00,920

thought that they could actually conjure

1023

00:42:05,630 --> 00:42:03,660

angels and now they've done it and my

1024

00:42:08,829 --> 00:42:05,640

point is that Angels really actually not

1025

00:42:12,069 --> 00:42:08,839

what you expect them to be

1026

00:42:14,270 --> 00:42:12,079

I'm rambling as usual so there you go

1027

00:42:16,550 --> 00:42:14,280

observationally uh I think it's really

1028

00:42:18,589 --> 00:42:16,560

interesting that people describe very

1029

00:42:20,750 --> 00:42:18,599

similar experiences very important

1030

00:42:23,569 --> 00:42:20,760

profound experiences we have people like

1031

00:42:25,550 --> 00:42:23,579

Nikola Tesla describing something like

1032

00:42:27,349 --> 00:42:25,560

what we would in modern terms say like

1033

00:42:30,829 --> 00:42:27,359

information download we have the

1034

00:42:33,230 --> 00:42:30,839

paintings of religious uh individuals

1035

00:42:34,910 --> 00:42:33,240

like literally a scroll being fed into

1036

00:42:36,950 --> 00:42:34,920

their mouth because they're describing

1037

00:42:39,290 --> 00:42:36,960

it as an instantaneous uh you know new

1038

00:42:40,370 --> 00:42:39,300

information emerging so I think there's

1039

00:42:42,410 --> 00:42:40,380

a lot of really good evidence that

1040

00:42:45,050 --> 00:42:42,420

people are having these experiences and

1041

00:42:47,690 --> 00:42:45,060

that they're extremely profound and even

1042

00:42:51,349 --> 00:42:47,700

have a very significantly shaped human

1043

00:42:54,050 --> 00:42:51,359

history repeatedly now in that there's a

1044

00:42:57,230 --> 00:42:54,060

lot of power and we've touched on that a

1045

00:42:58,849 --> 00:42:57,240

little bit the way the people can

1046

00:43:01,430 --> 00:42:58,859

process those things that can become a

1047

00:43:03,109 --> 00:43:01,440

core element of their identity it can

1048

00:43:05,270 --> 00:43:03,119

draw people in

1049

00:43:07,250 --> 00:43:05,280

um you know we see good and we see bad

1050

00:43:09,710 --> 00:43:07,260

coming out of that kind of thing so

1051  
00:43:12,790 --> 00:43:09,720  
maybe we could uh touch a little bit on

1052  
00:43:15,530 --> 00:43:12,800  
like the the dangers involved

1053  
00:43:17,210 --> 00:43:15,540  
how do you frame the dangers like when

1054  
00:43:19,190 --> 00:43:17,220  
something can be so powerful an

1055  
00:43:21,109 --> 00:43:19,200  
experience like this and it can shape

1056  
00:43:23,329 --> 00:43:21,119  
somebody's entire life um how do you

1057  
00:43:25,069 --> 00:43:23,339  
navigate that carefully within that

1058  
00:43:28,069 --> 00:43:25,079  
space

1059  
00:43:30,170 --> 00:43:28,079  
it's a very good question and

1060  
00:43:32,930 --> 00:43:30,180  
first and foremost my suggestion is

1061  
00:43:35,630 --> 00:43:32,940  
always that if you decide to become a

1062  
00:43:37,609 --> 00:43:35,640  
magician you also have to do something

1063  
00:43:39,650 --> 00:43:37,619

incredibly mundane at the same time

1064

00:43:43,190 --> 00:43:39,660

right so that you always balance

1065

00:43:44,750 --> 00:43:43,200

yourself out right you cannot just be or

1066

00:43:46,309 --> 00:43:44,760

especially at the beginning right when

1067

00:43:48,109 --> 00:43:46,319

you when you're just getting started and

1068

00:43:51,170 --> 00:43:48,119

by that I mean the first 10 years of

1069

00:43:52,670 --> 00:43:51,180

your practice because I I mean I measure

1070

00:43:55,250 --> 00:43:52,680

this in

1071

00:43:57,530 --> 00:43:55,260

decades right for me this is my third

1072

00:43:59,630 --> 00:43:57,540

decade so uh like I really think that

1073

00:44:03,109 --> 00:43:59,640

the first 10 years you should have a

1074

00:44:05,870 --> 00:44:03,119

magical practice and I don't know of

1075

00:44:09,589 --> 00:44:05,880

football with friends uh music whatever

1076

00:44:11,809 --> 00:44:09,599

like go to clubs uh girl women men

1077

00:44:13,430 --> 00:44:11,819

whatever you like just like it cannot be

1078

00:44:15,230 --> 00:44:13,440

just that because if it's just that at

1079

00:44:16,370 --> 00:44:15,240

the beginning you as you said you get

1080

00:44:20,210 --> 00:44:16,380

sucked in

1081

00:44:22,069 --> 00:44:20,220

one serious danger that I see and that I

1082

00:44:24,829 --> 00:44:22,079

was that I experienced myself because I

1083

00:44:27,770 --> 00:44:24,839

had to extricate myself in is that

1084

00:44:30,290 --> 00:44:27,780

usually those who really get sucked in

1085

00:44:34,450 --> 00:44:30,300

get sucked in into hierarchical groups

1086

00:44:37,190 --> 00:44:34,460

that very easily become cults uh I I

1087

00:44:39,349 --> 00:44:37,200

think that's me that happened to me

1088

00:44:42,410 --> 00:44:39,359

pretty much because

1089

00:44:45,710 --> 00:44:42,420

um you know I became part of something

1090

00:44:49,430 --> 00:44:45,720

called order of emperians or Oto uh

1091

00:44:51,829 --> 00:44:49,440

which is it's also it's a sort of a um

1092

00:44:53,569 --> 00:44:51,839

kind of like Freemasonry for magicians

1093

00:44:56,089 --> 00:44:53,579

okay

1094

00:44:59,030 --> 00:44:56,099

terrible design like that but I guess

1095

00:45:02,089 --> 00:44:59,040

you get the idea and the problem there

1096

00:45:05,510 --> 00:45:02,099

is that what I learned is that no matter

1097

00:45:07,329 --> 00:45:05,520

the the intentions no matter the people

1098

00:45:10,490 --> 00:45:07,339

in

1099

00:45:12,650 --> 00:45:10,500

groups that are based around hierarchies

1100

00:45:14,510 --> 00:45:12,660

and groups is about

1101  
00:45:18,349 --> 00:45:14,520  
um I would say maybe you know super

1102  
00:45:20,750 --> 00:45:18,359  
rational or illogical uh beliefs can

1103  
00:45:22,910 --> 00:45:20,760  
devolve into cult status very simple

1104  
00:45:26,150 --> 00:45:22,920  
very very simple

1105  
00:45:28,309 --> 00:45:26,160  
um I I keep saying I've been saying many

1106  
00:45:30,770 --> 00:45:28,319  
times I don't suit I don't suggest

1107  
00:45:32,450 --> 00:45:30,780  
anybody that's what if you know about

1108  
00:45:34,309 --> 00:45:32,460  
magic or not doesn't matter if you like

1109  
00:45:36,589 --> 00:45:34,319  
Crowley or not there's magic doesn't

1110  
00:45:38,990 --> 00:45:36,599  
matter if you need Community or not do

1111  
00:45:41,510 --> 00:45:39,000  
not join anything like we live in times

1112  
00:45:43,190 --> 00:45:41,520  
where you you don't need it you don't

1113  
00:45:46,370 --> 00:45:43,200

need it anymore when you're once upon a

1114

00:45:48,589 --> 00:45:46,380

time you had to go to the order in order

1115

00:45:51,050 --> 00:45:48,599

to get more information information now

1116

00:45:54,890 --> 00:45:51,060

is on Google you just have to get your

1117

00:45:56,270 --> 00:45:54,900

Google full up and there's some Marco so

1118

00:45:58,370 --> 00:45:56,280

you're you're touching on something I

1119

00:45:59,930 --> 00:45:58,380

really wanted to ask you about

1120

00:46:02,150 --> 00:45:59,940

um and let me frame up the conversa or

1121

00:46:04,010 --> 00:46:02,160

the question which is that right with

1122

00:46:06,109 --> 00:46:04,020

the Advent of Technology with the Advent

1123

00:46:09,109 --> 00:46:06,119

of the internet there's so many other

1124

00:46:11,030 --> 00:46:09,119

distributed non-hierarchical places to

1125

00:46:13,250 --> 00:46:11,040

exchange this kind of information and

1126

00:46:15,470 --> 00:46:13,260

connect with other people and this

1127

00:46:18,430 --> 00:46:15,480

obviously flies in the face of what has

1128

00:46:22,250 --> 00:46:18,440

historically been initiatory lineages

1129

00:46:23,750 --> 00:46:22,260

and secret practices

1130

00:46:25,609 --> 00:46:23,760

um and affiliations

1131

00:46:27,410 --> 00:46:25,619

and I was wondering if you could talk

1132

00:46:30,230 --> 00:46:27,420

about how the internet has basically

1133

00:46:32,809 --> 00:46:30,240

helped basically democratize a lot of

1134

00:46:34,550 --> 00:46:32,819

this practice and information

1135

00:46:37,370 --> 00:46:34,560

okay look what we're doing right now

1136

00:46:39,109 --> 00:46:37,380

like we are we're on YouTube right and

1137

00:46:40,550 --> 00:46:39,119

uh we're talking about we're talking

1138

00:46:43,849 --> 00:46:40,560

about things that

1139

00:46:46,010 --> 00:46:43,859

when I started it was you not you have

1140

00:46:47,990 --> 00:46:46,020

to go and find your own book and

1141

00:46:50,270 --> 00:46:48,000

oftentimes the red so this stuff was not

1142

00:46:52,430 --> 00:46:50,280

written down so you had to join groups

1143

00:46:55,790 --> 00:46:52,440

with our kids so you have to you know

1144

00:46:58,430 --> 00:46:55,800

buy into the hierarchy uh in order to

1145

00:47:01,609 --> 00:46:58,440

even get information that there's no

1146

00:47:04,190 --> 00:47:01,619

secrets anymore right I think the the

1147

00:47:06,470 --> 00:47:04,200

the 14 I must say that this is the age

1148

00:47:09,349 --> 00:47:06,480

without there is no secrets anymore and

1149

00:47:10,910 --> 00:47:09,359

it's true in the sense that uh

1150

00:47:13,430 --> 00:47:10,920

everything that

1151

00:47:16,609 --> 00:47:13,440

um traditionally has been seen as as

1152

00:47:18,950 --> 00:47:16,619

being gate kept as magical Secrets it's

1153

00:47:22,150 --> 00:47:18,960

all in on the internet right I was

1154

00:47:25,309 --> 00:47:22,160

mentioning the Oto and how you know deal

1155

00:47:27,050 --> 00:47:25,319

uh is a very good idea that devolved

1156

00:47:29,690 --> 00:47:27,060

integral of personality of the leaders

1157

00:47:31,069 --> 00:47:29,700

right now uh but the thing is that if

1158

00:47:34,190 --> 00:47:31,079

you're curious about what the Oto is

1159

00:47:37,130 --> 00:47:34,200

about you can Google it now

1160

00:47:39,650 --> 00:47:37,140

Oto non-degree secret and you will find

1161

00:47:41,809 --> 00:47:39,660

maybe a link to a mega archive that

1162

00:47:44,930 --> 00:47:41,819

tells well that gives you all the all

1163

00:47:46,790 --> 00:47:44,940

the documents it is true you might look

1164

00:47:48,589 --> 00:47:46,800

at the documents and say I don't know

1165

00:47:51,109 --> 00:47:48,599

what this means right because it is

1166

00:47:52,970 --> 00:47:51,119

language the same way Alchemy is coded

1167

00:47:54,710 --> 00:47:52,980

language right when you look at the

1168

00:47:57,650 --> 00:47:54,720

motus liver when you look even maybe at

1169

00:48:00,230 --> 00:47:57,660

the red book by car Gustav Jung you look

1170

00:48:01,730 --> 00:48:00,240

at it and say okay well beautiful

1171

00:48:04,430 --> 00:48:01,740

pictures but what does it mean and then

1172

00:48:07,309 --> 00:48:04,440

you realize that there is a code and

1173

00:48:09,890 --> 00:48:07,319

maybe you have to sit down and go a

1174

00:48:12,290 --> 00:48:09,900

little bit more and and by that I mean a

1175

00:48:14,870 --> 00:48:12,300

couple of years in order to to get all

1176

00:48:17,870 --> 00:48:14,880

the um all the pieces of the puzzle but

1177

00:48:20,329 --> 00:48:17,880

if you are willing to do to put that or

1178

00:48:22,010 --> 00:48:20,339

that kind of work in you wouldn't you

1179

00:48:24,770 --> 00:48:22,020

don't need anything you need any group

1180

00:48:26,450 --> 00:48:24,780

on the on the flip side uh you are

1181

00:48:28,370 --> 00:48:26,460

mentioning linges right and I'm thinking

1182

00:48:29,990 --> 00:48:28,380

of course uh you know Buddhist lineages

1183

00:48:32,530 --> 00:48:30,000

Central lineages

1184

00:48:36,829 --> 00:48:32,540

there is something that

1185

00:48:39,770 --> 00:48:36,839

the idea that you have to

1186

00:48:42,170 --> 00:48:39,780

there's there's some sort of energy some

1187

00:48:45,710 --> 00:48:42,180

sort of like again super rational or

1188

00:48:48,950 --> 00:48:45,720

illogical kind of fluid that can be

1189

00:48:51,609 --> 00:48:48,960

passed from person to person right now I

1190

00:48:54,710 --> 00:48:51,619

had I had this you know passed on to me

1191

00:48:56,990 --> 00:48:54,720

uh and I'm one of the things I've done

1192

00:49:00,349 --> 00:48:57,000

over my life I uh I received a

1193

00:49:02,510 --> 00:49:00,359

consideration as a bishop of the

1194

00:49:04,670 --> 00:49:02,520

um of the Gnostic Church there are many

1195

00:49:08,150 --> 00:49:04,680

Gnostic churches by the way so it's it's

1196

00:49:10,190 --> 00:49:08,160

it's a very vasty but the thing is that

1197

00:49:11,990 --> 00:49:10,200

something was done to me that day which

1198

00:49:13,430 --> 00:49:12,000

is really like you know imposition of

1199

00:49:16,190 --> 00:49:13,440

the hands

1200

00:49:18,410 --> 00:49:16,200

I could feel something passing to me and

1201

00:49:19,490 --> 00:49:18,420

I'm gonna tell you a story which it's up

1202

00:49:21,650 --> 00:49:19,500

to you if you want to believe it or not

1203

00:49:25,190 --> 00:49:21,660

uh this would happen to me by Michael

1204

00:49:28,250 --> 00:49:25,200

berkio in his house uh on

1205

00:49:29,569 --> 00:49:28,260

um basically he lived I don't facilities

1206

00:49:33,050 --> 00:49:29,579

there I haven't seen him in many years

1207

00:49:34,849 --> 00:49:33,060

by the time we're talking 2006 uh we

1208

00:49:38,089 --> 00:49:34,859

used to live in the South Michigan

1209

00:49:41,450 --> 00:49:38,099

Avenue Chicago on the 33rd floor and

1210

00:49:43,730 --> 00:49:41,460

thousand level and a very strange house

1211

00:49:45,589 --> 00:49:43,740

um and so you know we go to the to the

1212

00:49:48,710 --> 00:49:45,599

ceremony which is really it's it's

1213

00:49:50,870 --> 00:49:48,720

almost like a small Mass there is uh

1214

00:49:52,670 --> 00:49:50,880

there's no sect involved I mean you

1215

00:49:55,550 --> 00:49:52,680

might read some strange things online

1216

00:49:58,250 --> 00:49:55,560

nothing like that like very it's very

1217

00:50:00,950 --> 00:49:58,260

philosophical in nature in fact so many

1218

00:50:02,930 --> 00:50:00,960

locations some words fast oats whatever

1219

00:50:04,670 --> 00:50:02,940

and then you know in any musician of the

1220

00:50:07,550 --> 00:50:04,680

end I could feel something possible to

1221

00:50:10,730 --> 00:50:07,560

me then you know say our goodbyes I live

1222

00:50:12,890 --> 00:50:10,740

I go to you know to call the elevator

1223

00:50:14,770 --> 00:50:12,900

and there's a jolt of energy that

1224

00:50:18,109 --> 00:50:14,780

discharges

1225

00:50:20,750 --> 00:50:18,119

like I didn't touch it it was like I was

1226

00:50:23,630 --> 00:50:20,760

almost like bursting with something that

1227

00:50:25,849 --> 00:50:23,640

you know manifested as attic energy I

1228

00:50:27,650 --> 00:50:25,859

don't know like I don't know what it is

1229

00:50:30,050 --> 00:50:27,660

I I'm not I'm not a scientist in the

1230

00:50:31,790 --> 00:50:30,060

slightest like you know my master uh and

1231

00:50:34,390 --> 00:50:31,800

Masters is religious anthropology and

1232

00:50:36,950 --> 00:50:34,400

I've never been a musician in my life

1233

00:50:38,150 --> 00:50:36,960

but you know I could see it I could feel

1234

00:50:39,050 --> 00:50:38,160

it it's one of those things that I

1235

00:50:41,030 --> 00:50:39,060

mentioned before you know there's

1236

00:50:42,230 --> 00:50:41,040

memories that are like imprinted in your

1237

00:50:45,290 --> 00:50:42,240

head

1238

00:50:48,890 --> 00:50:45,300

um so there is there is that flip side

1239

00:50:52,809 --> 00:50:48,900

right that that kind of initiation that

1240

00:50:55,450 --> 00:50:52,819

you know the term in Sanskrit is

1241

00:50:59,450 --> 00:50:55,460

this transmission of

1242

00:51:02,690 --> 00:50:59,460

this material energy whatever that is

1243

00:51:05,690 --> 00:51:02,700

it it does add something to the mix but

1244

00:51:08,809 --> 00:51:05,700

if you're looking for secrets to just

1245

00:51:11,930 --> 00:51:08,819

know intellectually uh what is all about

1246

00:51:14,450 --> 00:51:11,940

right uh you really don't need to join

1247

00:51:17,089 --> 00:51:14,460

anything at all if you want the other

1248

00:51:19,190 --> 00:51:17,099

thing if you want the vampire well once

1249

00:51:21,950 --> 00:51:19,200

again it's so easy in this day and age

1250

00:51:23,990 --> 00:51:21,960

to do your due diligence and find out

1251  
00:51:26,870 --> 00:51:24,000  
who's the good teacher who's the good

1252  
00:51:28,730 --> 00:51:26,880  
initiator and who's the that's a good

1253  
00:51:30,710 --> 00:51:28,740  
one right

1254  
00:51:34,130 --> 00:51:30,720  
um of course we live in also in any of

1255  
00:51:36,589 --> 00:51:34,140  
this information so again maybe it was a

1256  
00:51:38,569 --> 00:51:36,599  
like this window where things were good

1257  
00:51:40,430 --> 00:51:38,579  
and now things are starting to to become

1258  
00:51:42,589 --> 00:51:40,440  
problematic again because you can kind

1259  
00:51:44,569 --> 00:51:42,599  
of write anything about everybody right

1260  
00:51:48,770 --> 00:51:44,579  
now and then I'll know if it's or not

1261  
00:51:51,410 --> 00:51:48,780  
but yeah one of um one of the

1262  
00:51:54,349 --> 00:51:51,420  
major shifts in my own practice occurred

1263  
00:51:56,510 --> 00:51:54,359

when I started to practice in

1264

00:51:58,790 --> 00:51:56,520

collaboration and cooperation with other

1265

00:52:01,490 --> 00:51:58,800

people right it was always a solitary

1266

00:52:03,829 --> 00:52:01,500

practitioner solitary meditator all of

1267

00:52:05,690 --> 00:52:03,839

my experiences were just Leah and the

1268

00:52:06,410 --> 00:52:05,700

Divine or whatever

1269

00:52:09,470 --> 00:52:06,420

um

1270

00:52:11,630 --> 00:52:09,480

but as I've I would say over the last

1271

00:52:14,150 --> 00:52:11,640

year as I've explored the communal or

1272

00:52:16,069 --> 00:52:14,160

transpersonal experience associated with

1273

00:52:18,589 --> 00:52:16,079

these practices I

1274

00:52:21,230 --> 00:52:18,599

on the one hand I'm so happy I had these

1275

00:52:22,849 --> 00:52:21,240

solitary practices in place but on the

1276

00:52:25,190 --> 00:52:22,859

other I think that there is something

1277

00:52:27,710 --> 00:52:25,200

really

1278

00:52:29,870 --> 00:52:27,720

intense and synergistic if you're with

1279

00:52:32,510 --> 00:52:29,880

the right person or people in terms of

1280

00:52:34,910 --> 00:52:32,520

having complementary energy or being

1281

00:52:37,309 --> 00:52:34,920

able to kind of co-create these sort of

1282

00:52:39,470 --> 00:52:37,319

experiences either in a group or just

1283

00:52:40,010 --> 00:52:39,480

within one other person

1284

00:52:41,990 --> 00:52:40,020

um

1285

00:52:44,089 --> 00:52:42,000

and to me that

1286

00:52:46,609 --> 00:52:44,099

um now that I've found that level of

1287

00:52:48,530 --> 00:52:46,619

practice so deeply appealing right like

1288

00:52:51,890 --> 00:52:48,540

having these transpersonal experiences

1289

00:52:54,950 --> 00:52:51,900

is really really fascinating to me

1290

00:52:55,670 --> 00:52:54,960

um both intellectually and spiritually

1291

00:52:58,670 --> 00:52:55,680

um

1292

00:53:01,370 --> 00:52:58,680

and to me that also speaks to the appeal

1293

00:53:04,609 --> 00:53:01,380

of finding a group you know like being

1294

00:53:08,210 --> 00:53:04,619

able to have like a pool of people to

1295

00:53:10,250 --> 00:53:08,220

draw from to co-create and co-build

1296

00:53:12,170 --> 00:53:10,260

these experiences

1297

00:53:14,569 --> 00:53:12,180

I mean absolutely like you're touching

1298

00:53:17,030 --> 00:53:14,579

something very important right uh in

1299

00:53:18,829 --> 00:53:17,040

dilemma and generally magic like one of

1300

00:53:21,530 --> 00:53:18,839

the highest

1301

00:53:23,569 --> 00:53:21,540

um highest possible practices more

1302

00:53:26,809 --> 00:53:23,579

complex practices one can aspire to is

1303

00:53:28,490 --> 00:53:26,819

Sex Magic right and a lot of people have

1304

00:53:30,410 --> 00:53:28,500

this idea a false idea that you know Sex

1305

00:53:32,329 --> 00:53:30,420

Magic is also like getting kinky and

1306

00:53:34,250 --> 00:53:32,339

right yeah it's like slapping someone on

1307

00:53:37,790 --> 00:53:34,260

the air tying them up and that's it yeah

1308

00:53:40,069 --> 00:53:37,800

Sparks Fly it really is about finding

1309

00:53:42,710 --> 00:53:40,079

the right person or person that you can

1310

00:53:45,410 --> 00:53:42,720

go to such a deep level of intimacy like

1311

00:53:48,010 --> 00:53:45,420

you were describing can truly co-create

1312

00:53:51,650 --> 00:53:48,020

and then you can actually tap onto

1313

00:53:55,069 --> 00:53:51,660

that jolt of energy that that the orgasm

1314

00:53:57,410 --> 00:53:55,079

brings up which is I mean in my

1315

00:54:00,530 --> 00:53:57,420

experience is the strongest

1316

00:54:02,569 --> 00:54:00,540

um experience we can feel really uh

1317

00:54:05,030 --> 00:54:02,579

sphere doesn't cut it gets closer but

1318

00:54:07,069 --> 00:54:05,040

not really like the moment whenever you

1319

00:54:10,430 --> 00:54:07,079

whenever you really explode in an orgasm

1320

00:54:13,010 --> 00:54:10,440

with a person that that you love uh it's

1321

00:54:15,710 --> 00:54:13,020

that that's like almost like this window

1322

00:54:19,370 --> 00:54:15,720

where you see somebody else I mean uh

1323

00:54:21,410 --> 00:54:19,380

it's the most used in Latin or uh you

1324

00:54:23,329 --> 00:54:21,420

know Liberty more in in French right

1325

00:54:26,450 --> 00:54:23,339

like you know little death that moment

1326  
00:54:28,250 --> 00:54:26,460  
of uh I can see something is happening

1327  
00:54:29,870 --> 00:54:28,260  
here perfect

1328  
00:54:31,609 --> 00:54:29,880  
um so you know that moment where you

1329  
00:54:33,710 --> 00:54:31,619  
know the the

1330  
00:54:36,650 --> 00:54:33,720  
um an infinite array of possibility

1331  
00:54:39,049 --> 00:54:36,660  
opens in fact ideas that you have to be

1332  
00:54:41,329 --> 00:54:39,059  
trained yourself to then be absolutely

1333  
00:54:45,170 --> 00:54:41,339  
Lucid in that specific moment which is

1334  
00:54:47,270 --> 00:54:45,180  
very different like you were saying uh

1335  
00:54:49,010 --> 00:54:47,280  
it's difficult to find people to do like

1336  
00:54:52,130 --> 00:54:49,020  
that and it's I would say experience

1337  
00:54:54,109 --> 00:54:52,140  
almost impossible to be fair uh and you

1338  
00:54:55,910 --> 00:54:54,119

know if you want to like lower down a

1339

00:54:57,650 --> 00:54:55,920

notch a little bit maybe that's that's

1340

00:54:59,030 --> 00:54:57,660

very that's the that's the no problem

1341

00:55:01,609 --> 00:54:59,040

solution or like that's the highest

1342

00:55:04,430 --> 00:55:01,619

level even like finding a group of

1343

00:55:06,410 --> 00:55:04,440

people that you like that you would get

1344

00:55:08,030 --> 00:55:06,420

into your invite into your house you

1345

00:55:10,270 --> 00:55:08,040

invite them for dinner invite them to

1346

00:55:13,549 --> 00:55:10,280

stay over right you trust them or even

1347

00:55:14,650 --> 00:55:13,559

even if we you would like to see them

1348

00:55:17,870 --> 00:55:14,660

outside

1349

00:55:20,210 --> 00:55:17,880

uh you know magical space-time because

1350

00:55:23,329 --> 00:55:20,220

you know again my experience when I was

1351  
00:55:26,089 --> 00:55:23,339  
member of the audio and when I when I

1352  
00:55:29,030 --> 00:55:26,099  
experience are large groups kind of

1353  
00:55:33,250 --> 00:55:29,040  
pipes uh most of the times I didn't want

1354  
00:55:36,849 --> 00:55:35,809  
these are not my people right and maybe

1355  
00:55:43,910 --> 00:55:36,859  
this

1356  
00:55:46,790 --> 00:55:43,920  
is to find your family and it's it's

1357  
00:55:50,030 --> 00:55:46,800  
very difficult I I almost give up on it

1358  
00:55:52,190 --> 00:55:50,040  
to be fair uh I haven't completely given

1359  
00:55:53,870 --> 00:55:52,200  
it because I know these people exist

1360  
00:55:56,290 --> 00:55:53,880  
these people are the people of my

1361  
00:56:01,190 --> 00:55:58,549  
I've spent the last three years right

1362  
00:56:03,370 --> 00:56:01,200  
but of course they're scattered all over

1363  
00:56:06,109 --> 00:56:03,380

the world right

1364

00:56:07,549 --> 00:56:06,119

there's there's a few here in the UK

1365

00:56:09,950 --> 00:56:07,559

which I'm very grateful to be able to

1366

00:56:13,970 --> 00:56:09,960

see from time to time uh most of them

1367

00:56:19,309 --> 00:56:13,980

are in the US in Canada uh and Australia

1368

00:56:21,770 --> 00:56:19,319

like it's um and if you really wanted to

1369

00:56:24,109 --> 00:56:21,780

to get them all in one place it's it's

1370

00:56:26,750 --> 00:56:24,119

kind of problematic right but then again

1371

00:56:28,390 --> 00:56:26,760

it's either them or I wouldn't I

1372

00:56:30,589 --> 00:56:28,400

wouldn't do it with anybody else because

1373

00:56:33,349 --> 00:56:30,599

it's difficult

1374

00:56:35,690 --> 00:56:33,359

to find the right people and again

1375

00:56:37,190 --> 00:56:35,700

I don't think you'll find it but just by

1376

00:56:41,030 --> 00:56:37,200

you know

1377

00:56:43,190 --> 00:56:41,040

um Googling up uh Oto or rosicrucian or

1378

00:56:45,470 --> 00:56:43,200

armor whatever showing up at the local

1379

00:56:48,290 --> 00:56:45,480

group the chances for you that you will

1380

00:56:51,170 --> 00:56:48,300

find the right person are infinitesimal

1381

00:56:52,490 --> 00:56:51,180

so uh you mess it up for yourself for

1382

00:56:54,970 --> 00:56:52,500

failure and then everything's gonna be

1383

00:56:58,370 --> 00:56:54,980

bad don't be me I've done it

1384

00:57:00,230 --> 00:56:58,380

you're touching on an interesting point

1385

00:57:04,010 --> 00:57:00,240

um and this is maybe part of where magic

1386

00:57:07,609 --> 00:57:04,020

and UFOs in a sense a line both on the

1387

00:57:09,770 --> 00:57:07,619

fringes of uh culture and uh stigma

1388

00:57:13,430 --> 00:57:09,780

attached to them historically

1389

00:57:16,069 --> 00:57:13,440

um often unjustified stigma uh we look

1390

00:57:18,710 --> 00:57:16,079

back and um you know I'm interested in

1391

00:57:21,349 --> 00:57:18,720

the Icelandic sagas and I'm aware that

1392

00:57:23,510 --> 00:57:21,359

that's one of the or primary sources of

1393

00:57:26,150 --> 00:57:23,520

knowledge about the uh traditional

1394

00:57:29,530 --> 00:57:26,160

practice of um you know Pagan northern

1395

00:57:32,150 --> 00:57:29,540

European uh ritual magic and the church

1396

00:57:35,210 --> 00:57:32,160

successfully completely eradicated there

1397

00:57:38,270 --> 00:57:35,220

is no uh broken chain of magic practice

1398

00:57:40,430 --> 00:57:38,280

from the ancient times today at least in

1399

00:57:45,410 --> 00:57:40,440

the European context

1400

00:57:47,690 --> 00:57:45,420

it speaks to the draw that magic has and

1401  
00:57:49,010 --> 00:57:47,700  
the fact that people come back to it as

1402  
00:57:51,290 --> 00:57:49,020  
centuries after it was completely

1403  
00:57:52,970 --> 00:57:51,300  
eliminated and even with that stigma

1404  
00:57:55,670 --> 00:57:52,980  
that always was there would you be able

1405  
00:57:59,089 --> 00:57:55,680  
to speak a little bit about what Drew

1406  
00:58:00,530 --> 00:57:59,099  
you into the subject originally and uh

1407  
00:58:03,290 --> 00:58:00,540  
maybe a little bit about how you

1408  
00:58:06,530 --> 00:58:03,300  
constructed the specific set of

1409  
00:58:08,809 --> 00:58:06,540  
practices that you are uh you know now

1410  
00:58:11,390 --> 00:58:08,819  
um teaching to others uh given that

1411  
00:58:13,490 --> 00:58:11,400  
there is this broken historic chain of

1412  
00:58:16,069 --> 00:58:13,500  
practice

1413  
00:58:18,410 --> 00:58:16,079

so I was born and bred in Rome and I was

1414

00:58:22,549 --> 00:58:18,420

baptized by the Pope I want to get away

1415

00:58:25,130 --> 00:58:22,559

from it that's that's what was really

1416

00:58:27,109 --> 00:58:25,140

um you know what made me want to say no

1417

00:58:28,609 --> 00:58:27,119

that's not that for me I need to find

1418

00:58:29,990 --> 00:58:28,619

something else

1419

00:58:33,290 --> 00:58:30,000

um and when I mentioned I was baptized

1420

00:58:35,390 --> 00:58:33,300

by the pope uh um a lesson a less known

1421

00:58:38,750 --> 00:58:35,400

thing is that if you if you if you're I

1422

00:58:41,089 --> 00:58:38,760

mean if you can go to uh to the Vatican

1423

00:58:42,829 --> 00:58:41,099

and you can put your name down for your

1424

00:58:44,990 --> 00:58:42,839

child to be

1425

00:58:46,309 --> 00:58:45,000

um hello

1426

00:58:48,230 --> 00:58:46,319

um you know for your child to be

1427

00:58:50,630 --> 00:58:48,240

baptized by the book in batches right

1428

00:58:52,130 --> 00:58:50,640

and also you know my godfather was

1429

00:58:54,730 --> 00:58:52,140

working on the Vatican at the time they

1430

00:58:57,650 --> 00:58:54,740

baptized at scale right yeah exactly

1431

00:59:00,789 --> 00:58:57,660

it's very efficient it's an interesting

1432

00:59:03,289 --> 00:59:00,799

picture of me and my dad has

1433

00:59:04,730 --> 00:59:03,299

it has to be in the stand I should I

1434

00:59:05,930 --> 00:59:04,740

should visualize it it's a fun picture

1435

00:59:08,930 --> 00:59:05,940

anyway

1436

00:59:11,089 --> 00:59:08,940

um my family was not overly I was it was

1437

00:59:13,130 --> 00:59:11,099

not religious at all that that was

1438

00:59:14,750 --> 00:59:13,140

something that just was had to be done

1439

00:59:17,270 --> 00:59:14,760

because it's like a tradition right so

1440

00:59:19,910 --> 00:59:17,280

you know I I didn't know that I wanted

1441

00:59:22,609 --> 00:59:19,920

to find I was filled with something else

1442

00:59:23,690 --> 00:59:22,619

like I I was very I was very attracted

1443

00:59:29,630 --> 00:59:23,700

to

1444

00:59:32,809 --> 00:59:29,640

didn't like not so much the message of

1445

00:59:35,230 --> 00:59:32,819

Christ I mean it's great right like be a

1446

00:59:38,210 --> 00:59:35,240

nice person

1447

00:59:41,510 --> 00:59:38,220

can you not like that but the point is

1448

00:59:44,750 --> 00:59:41,520

that like everything else you know the

1449

00:59:46,609 --> 00:59:44,760

um to use dick term you know Empire

1450

00:59:49,430 --> 00:59:46,619

never end the idea that the oppression

1451

00:59:51,470 --> 00:59:49,440

the oppressing Empire became the sure

1452

00:59:55,190 --> 00:59:51,480

it's the same thing I didn't like that

1453

00:59:57,230 --> 00:59:55,200

so I went and looked for the strange

1454

00:59:58,609 --> 00:59:57,240

um it also happened that you know I grew

1455

01:00:00,890 --> 00:59:58,619

up in a very big house with a lot of

1456

01:00:03,349 --> 01:00:00,900

books and without my parents so I was

1457

01:00:06,109 --> 01:00:03,359

reading around and yeah that was that

1458

01:00:08,349 --> 01:00:06,119

was my life experience too look at how

1459

01:00:10,549 --> 01:00:08,359

it could be turned out it was exactly

1460

01:00:13,190 --> 01:00:10,559

reading and you know when you're eight

1461

01:00:15,950 --> 01:00:13,200

or nine and you read very difficult

1462

01:00:19,010 --> 01:00:15,960

different things from Marquis de sad to

1463

01:00:22,430 --> 01:00:19,020

Peter ozimo you know it's like okay the

1464

01:00:23,569 --> 01:00:22,440

word is much wider than uh than I

1465

01:00:25,970 --> 01:00:23,579

thought so

1466

01:00:29,809 --> 01:00:25,980

how do I find it in the sum in December

1467

01:00:31,670 --> 01:00:29,819

1990 by complete chance I was 12. I

1468

01:00:35,030 --> 01:00:31,680

discovered Aleister Crowley in a comic

1469

01:00:36,950 --> 01:00:35,040

book and and the rest as I say is

1470

01:00:39,650 --> 01:00:36,960

history because

1471

01:00:41,809 --> 01:00:39,660

um I immediately sourced

1472

01:00:45,470 --> 01:00:41,819

um his manuals like uber ABA magic

1473

01:00:47,510 --> 01:00:45,480

interior practice and uh I mean it

1474

01:00:50,450 --> 01:00:47,520

became my

1475

01:00:52,670 --> 01:00:50,460

my life's work already like at 12 to try

1476  
01:00:54,349 --> 01:00:52,680  
to make sense of it uh because I could

1477  
01:00:56,750 --> 01:00:54,359  
not understand a single word it was it

1478  
01:00:58,190 --> 01:00:56,760  
was written it in in his side I

1479  
01:00:59,870 --> 01:00:58,200  
discovered that I didn't understand much

1480  
01:01:02,329 --> 01:00:59,880  
of it because at the time the only

1481  
01:01:05,329 --> 01:01:02,339  
Edition available was an Abridged

1482  
01:01:07,609 --> 01:01:05,339  
Edition that the the translator didn't

1483  
01:01:10,010 --> 01:01:07,619  
know exactly what to do with so a lot of

1484  
01:01:11,990 --> 01:01:10,020  
things were mistranslated or missing you

1485  
01:01:14,690 --> 01:01:12,000  
know so in time I realized okay I was

1486  
01:01:16,609 --> 01:01:14,700  
stupid not that stupid because you know

1487  
01:01:18,230 --> 01:01:16,619  
certain things were really missing but

1488  
01:01:21,289 --> 01:01:18,240

that's the point like I try to make

1489

01:01:23,990 --> 01:01:21,299

sense of it and um eventually

1490

01:01:27,170 --> 01:01:24,000

um I end up I ended up joining

1491

01:01:29,990 --> 01:01:27,180

um magical order the AAA and and I was

1492

01:01:33,890 --> 01:01:30,000

trained into it so

1493

01:01:35,809 --> 01:01:33,900

the the practice that I now teach are

1494

01:01:38,270 --> 01:01:35,819

let's say

1495

01:01:41,390 --> 01:01:38,280

um kind of like an echo of the practices

1496

01:01:42,950 --> 01:01:41,400

that were thought to me because uh I do

1497

01:01:45,589 --> 01:01:42,960

the I teach them without the

1498

01:01:47,990 --> 01:01:45,599

infrastructure of an order without oats

1499

01:01:50,210 --> 01:01:48,000

without anything anything like that so

1500

01:01:51,470 --> 01:01:50,220

in many ways I stripped them from a lot

1501  
01:01:54,049 --> 01:01:51,480  
of the

1502  
01:01:56,930 --> 01:01:54,059  
the Mystique maybe and I try to make

1503  
01:02:00,650 --> 01:01:56,940  
them less religious and more practical

1504  
01:02:03,950 --> 01:02:00,660  
if that makes sense uh and so and also

1505  
01:02:05,809 --> 01:02:03,960  
you know it also came to me that when

1506  
01:02:08,270 --> 01:02:05,819  
the lockdown started

1507  
01:02:11,150 --> 01:02:08,280  
these practices could help others to

1508  
01:02:14,030 --> 01:02:11,160  
make sense of his you know incredible

1509  
01:02:16,670 --> 01:02:14,040  
chains that everybody had to experience

1510  
01:02:18,710 --> 01:02:16,680  
right doesn't matter if you if you

1511  
01:02:20,750 --> 01:02:18,720  
believe in the computer was real or not

1512  
01:02:23,690 --> 01:02:20,760  
I'm not gonna debate that definitely

1513  
01:02:26,750 --> 01:02:23,700

real I added almost died of it so I can

1514

01:02:30,410 --> 01:02:26,760

tell you it's it's real but uh

1515

01:02:33,109 --> 01:02:30,420

the point is that I knew that for people

1516

01:02:38,390 --> 01:02:33,119

locked into most of the times like a

1517

01:02:40,430 --> 01:02:38,400

tiny tiny room uh to be able to sit down

1518

01:02:42,829 --> 01:02:40,440

you know learn how to control their

1519

01:02:46,250 --> 01:02:42,839

breeding learn how to see their inner

1520

01:02:47,750 --> 01:02:46,260

eye even if maybe uh some of some people

1521

01:02:50,329 --> 01:02:47,760

have found it very difficult to

1522

01:02:52,430 --> 01:02:50,339

visualize right and the visualization is

1523

01:02:53,809 --> 01:02:52,440

not something that's uh found in every

1524

01:02:55,910 --> 01:02:53,819

magical practice the other magical

1525

01:02:59,210 --> 01:02:55,920

practice that don't do any of that right

1526

01:03:01,490 --> 01:02:59,220

they're all external but the magic we

1527

01:03:02,990 --> 01:03:01,500

Decay like really goes into like you

1528

01:03:05,030 --> 01:03:03,000

have to start from your inside like you

1529

01:03:07,730 --> 01:03:05,040

have to eradicate almost like put a

1530

01:03:09,950 --> 01:03:07,740

point inside of you from from which

1531

01:03:12,230 --> 01:03:09,960

everything else will spring and I was

1532

01:03:14,450 --> 01:03:12,240

thinking well you know what I learned it

1533

01:03:16,789 --> 01:03:14,460

I learned it when I was you know 1980

1534

01:03:18,890 --> 01:03:16,799

years and imagine age years I learned it

1535

01:03:22,490 --> 01:03:18,900

because I had the uh like I said I was

1536

01:03:24,049 --> 01:03:22,500

living I was quite like a solitary kid

1537

01:03:26,450 --> 01:03:24,059

um I was I was either playing metal

1538

01:03:28,730 --> 01:03:26,460

alone like learning how to play Megadeth

1539

01:03:31,250 --> 01:03:28,740

or I was

1540

01:03:33,589 --> 01:03:31,260

um I was reading magic I wouldn't I

1541

01:03:35,930 --> 01:03:33,599

wouldn't I wouldn't really go start

1542

01:03:36,890 --> 01:03:35,940

going out till was 18 or 19 something

1543

01:03:38,690 --> 01:03:36,900

like that

1544

01:03:40,309 --> 01:03:38,700

so I'm thinking oh look at that this is

1545

01:03:41,750 --> 01:03:40,319

exactly this kind of the same experience

1546

01:03:43,789 --> 01:03:41,760

that happened when I was a kid because

1547

01:03:45,650 --> 01:03:43,799

it was alone in my house pretty much now

1548

01:03:47,930 --> 01:03:45,660

everybody's alone in their house hey how

1549

01:03:50,690 --> 01:03:47,940

about we try if that's gonna work for

1550

01:03:52,490 --> 01:03:50,700

that as well and it did right like it

1551

01:03:53,930 --> 01:03:52,500

really did because

1552

01:03:56,450 --> 01:03:53,940

well I'll tell you something that I

1553

01:03:59,030 --> 01:03:56,460

noticed is that you know I mentioned

1554

01:04:00,770 --> 01:03:59,040

this community online and I have like uh

1555

01:04:02,390 --> 01:04:00,780

I would I wouldn't say it's fastest

1556

01:04:04,910 --> 01:04:02,400

Prime because it sounds bad but it's

1557

01:04:06,589 --> 01:04:04,920

definitely like he we have like we we

1558

01:04:09,049 --> 01:04:06,599

haven't done it and now we're going back

1559

01:04:11,210 --> 01:04:09,059

down because of course people are go out

1560

01:04:13,490 --> 01:04:11,220

again thankfully we're not locked in

1561

01:04:15,710 --> 01:04:13,500

anymore but also people find it more

1562

01:04:18,589 --> 01:04:15,720

difficult to dedicate the right amount

1563

01:04:20,390 --> 01:04:18,599

of time to the practices because they

1564

01:04:23,450 --> 01:04:20,400

have other things to do right now they

1565

01:04:25,609 --> 01:04:23,460

have to be different I mean go to the

1566

01:04:28,549 --> 01:04:25,619

movies et cetera et cetera et cetera so

1567

01:04:31,370 --> 01:04:28,559

in many ways that will those those years

1568

01:04:34,970 --> 01:04:31,380

especially I would think in 2020 to 20

1569

01:04:38,089 --> 01:04:34,980

to the end of 2021 maybe beginning of

1570

01:04:41,870 --> 01:04:38,099

let's say 2021 that was like almost like

1571

01:04:44,390 --> 01:04:41,880

a perfect time for to see if if I could

1572

01:04:45,710 --> 01:04:44,400

actually renovate this practices like

1573

01:04:48,109 --> 01:04:45,720

you know get rid of a little bit of the

1574

01:04:50,450 --> 01:04:48,119

Mystique concentrate on what matters

1575

01:04:53,150 --> 01:04:50,460

what you can do with it and see if

1576

01:04:55,069 --> 01:04:53,160

people could get benefits from it and by

1577

01:04:57,130 --> 01:04:55,079

that I mean and I'm not I'm not gonna

1578

01:04:59,990 --> 01:04:57,140

I'm

1579

01:05:02,150 --> 01:05:00,000

you know somebody told me that

1580

01:05:05,809 --> 01:05:02,160

practices that saved people's life

1581

01:05:07,730 --> 01:05:05,819

because you know they you might imagine

1582

01:05:09,770 --> 01:05:07,740

what I don't know what the lockdowns

1583

01:05:12,589 --> 01:05:09,780

were like but some of some of my friends

1584

01:05:15,890 --> 01:05:12,599

were stuck in a room for almost three

1585

01:05:18,710 --> 01:05:15,900

years two years now so in them to be

1586

01:05:20,510 --> 01:05:18,720

able to go inside themselves and

1587

01:05:23,630 --> 01:05:20,520

discover a universe that exists inside

1588

01:05:26,450 --> 01:05:23,640

each of us was life-changing

1589

01:05:28,370 --> 01:05:26,460

um yes there's still a stigma attached

1590

01:05:30,170 --> 01:05:28,380

to Magic but at the end of the day who

1591

01:05:32,390 --> 01:05:30,180

cares right there's stigma attached to

1592

01:05:34,190 --> 01:05:32,400

everything like we live in times where

1593

01:05:36,710 --> 01:05:34,200

everybody has something to say about

1594

01:05:38,809 --> 01:05:36,720

others uh

1595

01:05:41,210 --> 01:05:38,819

most of the times these are usually

1596

01:05:45,710 --> 01:05:41,220

people who come incredibly Ultra

1597

01:05:48,650 --> 01:05:45,720

reactionary neocon Kindle backgrounds

1598

01:05:50,890 --> 01:05:48,660

and and we like them I mean by we I mean

1599

01:05:53,870 --> 01:05:50,900

me but

1600

01:05:57,130 --> 01:05:53,880

yes not a big fan myself either yeah

1601

01:05:59,690 --> 01:05:57,140

you're wrong allies here yeah yeah

1602

01:06:02,390 --> 01:05:59,700

that's good oh uh maybe we could just

1603

01:06:05,270 --> 01:06:02,400

touch briefly on something that uh comes

1604

01:06:09,530 --> 01:06:05,280

out of that uh conspiracy culture and

1605

01:06:12,950 --> 01:06:09,540

how uh like magic traditionally was seen

1606

01:06:16,789 --> 01:06:12,960

as a conspiracy culture in a sense right

1607

01:06:19,370 --> 01:06:16,799

like the idea of witches uh conspiring

1608

01:06:21,230 --> 01:06:19,380

to cause harm to the village and things

1609

01:06:23,870 --> 01:06:21,240

like that

1610

01:06:25,370 --> 01:06:23,880

um and uh often times you see that there

1611

01:06:26,630 --> 01:06:25,380

are institutional reasons those things

1612

01:06:28,910 --> 01:06:26,640

are happening it's not about the

1613

01:06:31,789 --> 01:06:28,920

individuals and stuff like that and we

1614

01:06:35,029 --> 01:06:31,799

have in the modern day obviously serious

1615

01:06:38,289 --> 01:06:35,039

issues with conspiracy culture emerging

1616

01:06:40,069 --> 01:06:38,299

in influencing the course of

1617

01:06:42,309 --> 01:06:40,079

developments like on an international

1618

01:06:45,829 --> 01:06:42,319

scale in some cases

1619

01:06:48,109 --> 01:06:45,839

how uh could we separate out those

1620

01:06:49,910 --> 01:06:48,119

things like could you talk a little bit

1621

01:06:51,650 --> 01:06:49,920

about like the modern practice of magic

1622

01:06:55,849 --> 01:06:51,660

that you have described it being about

1623

01:06:57,890 --> 01:06:55,859

influence and uh causing things to occur

1624

01:07:00,109 --> 01:06:57,900

um is is it more like you're trying to

1625

01:07:01,910 --> 01:07:00,119

cause things just for yourself would

1626

01:07:04,190 --> 01:07:01,920

there be a practice where you're trying

1627

01:07:07,069 --> 01:07:04,200

to influence others

1628

01:07:09,230 --> 01:07:07,079

um how does this sort of uh play out

1629

01:07:12,890 --> 01:07:09,240

ultimately

1630

01:07:15,589 --> 01:07:12,900

well magic can influence others

1631

01:07:19,010 --> 01:07:15,599

um it's absolutely true magic can be

1632

01:07:22,010 --> 01:07:19,020

seen as a weapon as usual I mean like in

1633

01:07:23,089 --> 01:07:22,020

weapon can be used for good issues for

1634

01:07:25,430 --> 01:07:23,099

you to defend yourself your cell phone

1635

01:07:27,410 --> 01:07:25,440

can be used for harm you know to to if

1636

01:07:29,569 --> 01:07:27,420

you go and shoot a random person that's

1637

01:07:31,970 --> 01:07:29,579

that's that's terrible right I will not

1638

01:07:34,670 --> 01:07:31,980

say no magic is only good we only do

1639

01:07:39,470 --> 01:07:34,680

magic for good absolutely not in fact I

1640

01:07:42,549 --> 01:07:39,480

have no doubts that uh our Bad actors

1641

01:07:45,170 --> 01:07:42,559

out there which could be

1642

01:07:46,970 --> 01:07:45,180

governments or singular people whatever

1643

01:07:51,410 --> 01:07:46,980

like that actors in general that will

1644

01:07:53,930 --> 01:07:51,420

use magic for for uh nefarious causes

1645

01:07:58,010 --> 01:07:53,940

um if you look at whatever is happening

1646

01:08:00,170 --> 01:07:58,020

in uh in recent years in in Russia uh

1647

01:08:01,609 --> 01:08:00,180

Russia is a very complicated topic I

1648

01:08:03,890 --> 01:08:01,619

don't think we can really cover it right

1649

01:08:07,190 --> 01:08:03,900

now but it's definitely true that there

1650

01:08:11,890 --> 01:08:07,200

is a lot of magical thinking that goes

1651

01:08:15,529 --> 01:08:11,900

into this uh imperialism right

1652

01:08:18,590 --> 01:08:15,539

I'm thinking of Russian cosmetism

1653

01:08:22,209 --> 01:08:18,600

um Alexander the magician uh it's it's a

1654

01:08:25,550 --> 01:08:22,219

full magician and he is quite skilled

1655

01:08:28,189 --> 01:08:25,560

and I personally believe it's quite

1656

01:08:31,309 --> 01:08:28,199

dangerous so you know if we look at it

1657

01:08:34,729 --> 01:08:31,319

from a conspiracy uh Theory standpoint

1658

01:08:37,729 --> 01:08:34,739

is that is so so is there is people out

1659

01:08:39,650 --> 01:08:37,739

there getting to uh to get us yes

1660

01:08:42,709 --> 01:08:39,660

there's always been there always will be

1661

01:08:44,030 --> 01:08:42,719

it's the human nature to just be like

1662

01:08:44,630 --> 01:08:44,040

this right

1663

01:08:46,789 --> 01:08:44,640

um

1664

01:08:48,829 --> 01:08:46,799

what I notice is that

1665

01:08:50,390 --> 01:08:48,839

um in recent years and most especially

1666

01:08:52,910 --> 01:08:50,400

in the last year in fact it's been

1667

01:08:56,450 --> 01:08:52,920

almost like an acceleration of what I

1668

01:09:01,090 --> 01:08:56,460

call you know satanic Panic 2.2 I start

1669

01:09:03,530 --> 01:09:01,100

seeing this happen already in the

1670

01:09:06,590 --> 01:09:03,540

2015-2016 so talking like six seven

1671

01:09:08,809 --> 01:09:06,600

years ago now time for last but there's

1672

01:09:11,749 --> 01:09:08,819

been literally like an exponential curve

1673

01:09:15,610 --> 01:09:11,759

in the last year of

1674

01:09:20,150 --> 01:09:15,620

um Ultra reactionary usually you know

1675

01:09:20,829 --> 01:09:20,160

ultra-christian groups or you know

1676

01:09:24,349 --> 01:09:20,839

um

1677

01:09:26,689 --> 01:09:24,359

investigators that have been once again

1678

01:09:27,769 --> 01:09:26,699

putting the blame of everything that

1679

01:09:31,010 --> 01:09:27,779

happens

1680

01:09:33,650 --> 01:09:31,020

on Magic and Magic practitioners I get

1681

01:09:35,390 --> 01:09:33,660

refer to uh I'm particularly stigmatized

1682

01:09:37,910 --> 01:09:35,400

because I'm development so Crowley it's

1683

01:09:40,130 --> 01:09:37,920

always like the source of all evil uh if

1684

01:09:43,070 --> 01:09:40,140

you if anybody wants to have a love you

1685

01:09:45,169 --> 01:09:43,080

can go and scroll on my Twitter feed a

1686

01:09:47,450 --> 01:09:45,179

few days ago I'm not gonna name names

1687

01:09:49,090 --> 01:09:47,460

but there's a little bit of a of an

1688

01:09:51,890 --> 01:09:49,100

interaction with one of these characters

1689

01:09:55,189 --> 01:09:51,900

and the reason is that you cannot reason

1690

01:09:56,990 --> 01:09:55,199

with them because oh right yeah that's

1691

01:09:58,850 --> 01:09:57,000

that's the biggest mistake of liberalism

1692

01:10:00,729 --> 01:09:58,860

is thinking it can reason with fascist

1693

01:10:03,229 --> 01:10:00,739

thoughts yeah

1694

01:10:05,870 --> 01:10:03,239

you're among friends here Marco I I

1695

01:10:09,470 --> 01:10:05,880

promise that's that's why I don't call

1696

01:10:11,150 --> 01:10:09,480

myself a liberal because yeah I will not

1697

01:10:13,870 --> 01:10:11,160

reason with them I will do something

1698

01:10:17,689 --> 01:10:13,880

else YouTube Friends

1699

01:10:19,130 --> 01:10:17,699

yes you know that's the thing like you

1700

01:10:22,669 --> 01:10:19,140

could not listen to these people because

1701

01:10:26,090 --> 01:10:22,679

you know their idea is that

1702

01:10:28,070 --> 01:10:26,100

there they have the truth and they they

1703

01:10:30,649 --> 01:10:28,080

go their food you know Jesus Christ

1704

01:10:33,470 --> 01:10:30,659

which is whatever right and everything

1705

01:10:36,470 --> 01:10:33,480

else as it's fake you're lying to them

1706

01:10:38,689 --> 01:10:36,480

it's not true you're evil and they're

1707

01:10:40,370 --> 01:10:38,699

not gonna say it but if you possibly

1708

01:10:43,850 --> 01:10:40,380

could get burned at the stake them great

1709

01:10:46,130 --> 01:10:43,860

as well right so I think that's the big

1710

01:10:48,290 --> 01:10:46,140

problem in the sense that our society

1711

01:10:49,790 --> 01:10:48,300

became incredibly polarized in recent

1712

01:10:52,130 --> 01:10:49,800

years and there's no learning back from

1713

01:10:54,610 --> 01:10:52,140

that like you cannot that's not gonna

1714

01:10:58,030 --> 01:10:54,620

continue fracturing it's not going away

1715

01:11:02,390 --> 01:11:01,010

please please don't don't tort me well

1716

01:11:04,250 --> 01:11:02,400

they're not going to touch you today but

1717

01:11:08,630 --> 01:11:04,260

eventually it didn't come for you as

1718

01:11:11,570 --> 01:11:08,640

well right yes um so yeah this um this

1719

01:11:13,370 --> 01:11:11,580

is a dynamic of reflecting on a lot um

1720

01:11:15,770 --> 01:11:13,380

I've been

1721

01:11:20,149 --> 01:11:15,780

a participant in a number of leftist

1722

01:11:22,610 --> 01:11:20,159

spaces and communities and there seems

1723

01:11:24,950 --> 01:11:22,620

to be this Missing Link on the certainly

1724

01:11:26,990 --> 01:11:24,960

in the American left around spirituality

1725

01:11:30,709 --> 01:11:27,000

and mysticism and it has very much

1726  
01:11:33,290 --> 01:11:30,719  
become the purview of the alt-right or

1727  
01:11:34,490 --> 01:11:33,300  
of authoritarian or totalitarian style

1728  
01:11:36,410 --> 01:11:34,500  
thinking

1729  
01:11:39,590 --> 01:11:36,420  
and I'm very curious

1730  
01:11:42,290 --> 01:11:39,600  
um as someone who is aware of the

1731  
01:11:43,370 --> 01:11:42,300  
encroachment of the alt-right onto these

1732  
01:11:45,709 --> 01:11:43,380  
ideas

1733  
01:11:46,790 --> 01:11:45,719  
how do you navigate it what are your

1734  
01:11:48,890 --> 01:11:46,800  
thoughts on

1735  
01:11:51,169 --> 01:11:48,900  
participating in these practices and

1736  
01:11:52,010 --> 01:11:51,179  
using these practices

1737  
01:11:53,870 --> 01:11:52,020  
um

1738  
01:11:54,470 --> 01:11:53,880

while also

1739

01:11:57,530 --> 01:11:54,480

um

1740

01:11:59,330 --> 01:11:57,540

I would say trying to do the good work

1741

01:12:02,630 --> 01:11:59,340

of

1742

01:12:05,209 --> 01:12:02,640

if not addressing at least avoiding the

1743

01:12:06,950 --> 01:12:05,219

kind of fascist tendencies that can show

1744

01:12:10,550 --> 01:12:06,960

up

1745

01:12:12,110 --> 01:12:10,560

so first of all I'd like to say that um

1746

01:12:14,390 --> 01:12:12,120

you know I mentioned earlier on before

1747

01:12:16,310 --> 01:12:14,400

that I was memorable and then I left I

1748

01:12:18,830 --> 01:12:16,320

left because of hierarchical problems

1749

01:12:20,510 --> 01:12:18,840

you know it always becomes nepotism but

1750

01:12:22,790 --> 01:12:20,520

also because I found out that the bad

1751

01:12:25,729 --> 01:12:22,800

encroachment of the alt-right was more

1752

01:12:28,669 --> 01:12:25,739

like a cancer in metastasis in the otfs

1753

01:12:30,890 --> 01:12:28,679

right people at the top were fully

1754

01:12:34,970 --> 01:12:30,900

endorsing and I'm not even talking about

1755

01:12:38,930 --> 01:12:34,980

you know from fans for Trump voters back

1756

01:12:40,189 --> 01:12:38,940

in the 2016 election and the years have

1757

01:12:43,010 --> 01:12:40,199

followed and I'm talking about people

1758

01:12:45,470 --> 01:12:43,020

that using that as a you know jumpstart

1759

01:12:48,050 --> 01:12:45,480

to go into white supremacy and going

1760

01:12:50,689 --> 01:12:48,060

into you know all the horrible things

1761

01:12:53,450 --> 01:12:50,699

that we're all very aware of how do you

1762

01:12:54,890 --> 01:12:53,460

do you deal with it uh I don't think I

1763

01:12:56,390 --> 01:12:54,900

have the perfect answer right because as

1764

01:12:59,689 --> 01:12:56,400

I said before you cannot reason with

1765

01:13:02,870 --> 01:12:59,699

them but you but is that what you can do

1766

01:13:04,970 --> 01:13:02,880

is that well first of all uh I'm always

1767

01:13:06,530 --> 01:13:04,980

trying to be everywhere to keep telling

1768

01:13:09,770 --> 01:13:06,540

people the magic is something different

1769

01:13:11,510 --> 01:13:09,780

magic is not the devil's work even if we

1770

01:13:13,250 --> 01:13:11,520

like the devil like because we like

1771

01:13:16,850 --> 01:13:13,260

everything that's you know outside the

1772

01:13:18,830 --> 01:13:16,860

other but magic is not also the uh

1773

01:13:22,310 --> 01:13:18,840

exclusive

1774

01:13:25,490 --> 01:13:22,320

um religion or philosophy metaphysical

1775

01:13:27,709 --> 01:13:25,500

philosophy of the of the right a lot of

1776

01:13:32,030 --> 01:13:27,719

I mean did we've been here before right

1777

01:13:34,370 --> 01:13:32,040

uh in Italy we had ju savola which was a

1778

01:13:36,530 --> 01:13:34,380

fascist and he was trying to do exactly

1779

01:13:39,410 --> 01:13:36,540

the same thing back in the day when Ash

1780

01:13:41,330 --> 01:13:39,420

is flashes 1.0 happened right

1781

01:13:43,669 --> 01:13:41,340

um and we always had the ultra reaction

1782

01:13:45,470 --> 01:13:43,679

or as a perennialist uh the

1783

01:13:46,850 --> 01:13:45,480

traditionalists we all said that right

1784

01:13:50,090 --> 01:13:46,860

and

1785

01:13:52,550 --> 01:13:50,100

the way I go about it is really that I I

1786

01:13:55,070 --> 01:13:52,560

know quarter to them in the sense that I

1787

01:13:56,570 --> 01:13:55,080

will always always calculate everybody

1788

01:13:58,430 --> 01:13:56,580

out

1789

01:14:02,750 --> 01:13:58,440

um and by that I mean every time I see

1790

01:14:04,550 --> 01:14:02,760

even the the slides with of stove or if

1791

01:14:05,510 --> 01:14:04,560

you want to go like that I would say I

1792

01:14:08,689 --> 01:14:05,520

was going to say something else but

1793

01:14:10,550 --> 01:14:08,699

let's keep it like spoofer uh I I would

1794

01:14:12,169 --> 01:14:10,560

just call it out um of course this

1795

01:14:14,090 --> 01:14:12,179

create a lot of problems in the sense

1796

01:14:16,550 --> 01:14:14,100

that first of all in this um not

1797

01:14:18,830 --> 01:14:16,560

problems like physical problems uh I'm

1798

01:14:20,510 --> 01:14:18,840

not overly concerned about that maybe

1799

01:14:22,790 --> 01:14:20,520

because I'm big and I can defend myself

1800

01:14:24,830 --> 01:14:22,800

but also because I don't live in you

1801  
01:14:26,890 --> 01:14:24,840  
know in country where people have access

1802  
01:14:29,930 --> 01:14:26,900  
to Farms

1803  
01:14:32,510 --> 01:14:29,940  
yeah yeah I would be more concerned in

1804  
01:14:33,830 --> 01:14:32,520  
the United States absolutely but also

1805  
01:14:35,570 --> 01:14:33,840  
because you know

1806  
01:14:37,390 --> 01:14:35,580  
um I've always been a public person like

1807  
01:14:40,189 --> 01:14:37,400  
I was when I was a musician you know

1808  
01:14:42,590 --> 01:14:40,199  
every time you walk on stage you you

1809  
01:14:43,130 --> 01:14:42,600  
know that something can happen right

1810  
01:14:45,709 --> 01:14:43,140  
um

1811  
01:14:47,570 --> 01:14:45,719  
so you you go you have to be present you

1812  
01:14:48,890 --> 01:14:47,580  
have to say you always have to to keep

1813  
01:14:49,970 --> 01:14:48,900

your

1814

01:14:51,950 --> 01:14:49,980

um

1815

01:14:54,050 --> 01:14:51,960

your narrative going in a sense and that

1816

01:14:56,870 --> 01:14:54,060

maybe it's a problem because it implies

1817

01:14:59,030 --> 01:14:56,880

uh let's keep it like that right so you

1818

01:15:02,689 --> 01:14:59,040

you just have two words and the thing is

1819

01:15:04,189 --> 01:15:02,699

that people will will people fight back

1820

01:15:06,350 --> 01:15:04,199

um right people will argue with you

1821

01:15:09,110 --> 01:15:06,360

about it right yeah but they will see

1822

01:15:11,930 --> 01:15:09,120

their views as you know why don't you

1823

01:15:14,209 --> 01:15:11,940

tolerate me you're so intolerant I I've

1824

01:15:18,290 --> 01:15:14,219

lived this way I had I had a major full

1825

01:15:20,510 --> 01:15:18,300

out with a great big I'm not gonna name

1826

01:15:22,250 --> 01:15:20,520

it just because you know rather big

1827

01:15:25,149 --> 01:15:22,260

author in the

1828

01:15:28,010 --> 01:15:25,159

um in the esoteric word this is the guy

1829

01:15:30,229 --> 01:15:28,020

that spent the last 10 years starting

1830

01:15:32,030 --> 01:15:30,239

chaos magic and started the last 10

1831

01:15:35,810 --> 01:15:32,040

years speaking about you know building a

1832

01:15:38,810 --> 01:15:35,820

better world permaculture uh I'm going

1833

01:15:41,570 --> 01:15:38,820

to live in uh you know in Tasmania like

1834

01:15:44,209 --> 01:15:41,580

building a farm all this thing and lo

1835

01:15:47,390 --> 01:15:44,219

and be old it became pretty much an ego

1836

01:15:50,450 --> 01:15:47,400

fascist and it's like and he will never

1837

01:15:53,390 --> 01:15:50,460

ever relent from from his position he's

1838

01:15:55,490 --> 01:15:53,400

been spending the last six months uh

1839

01:15:57,110 --> 01:15:55,500

pretty much like explaining to his

1840

01:16:00,890 --> 01:15:57,120

following

1841

01:16:04,130 --> 01:16:00,900

uh that basically we are living uh the

1842

01:16:06,229 --> 01:16:04,140

full luminor in the token set which is

1843

01:16:10,070 --> 01:16:06,239

exactly what the fascist used to say by

1844

01:16:11,990 --> 01:16:10,080

the way in Italy fascism has a love

1845

01:16:14,630 --> 01:16:12,000

story with Tolkien I mean I love pokien

1846

01:16:17,870 --> 01:16:14,640

but don't get me wrong I love it but in

1847

01:16:21,110 --> 01:16:17,880

Italy if you were born in Rome uh you as

1848

01:16:23,270 --> 01:16:21,120

a as a god kid eventually when I started

1849

01:16:25,910 --> 01:16:23,280

going out became a girl kid I helped

1850

01:16:28,250 --> 01:16:25,920

that to to fight with the fascists in

1851

01:16:29,030 --> 01:16:28,260

Rome that were coming from this group it

1852

01:16:32,350 --> 01:16:29,040

is

1853

01:16:35,030 --> 01:16:32,360

um uh occupied space called ASAP

1854

01:16:38,090 --> 01:16:35,040

house yep I know about I know all about

1855

01:16:40,370 --> 01:16:38,100

this and that's about basically it has

1856

01:16:42,470 --> 01:16:40,380

it basically it's all about the the

1857

01:16:45,229 --> 01:16:42,480

glorification of Tolkien because this

1858

01:16:47,750 --> 01:16:45,239

idea of the white race of the purity of

1859

01:16:50,810 --> 01:16:47,760

the races of the Union winning the gods

1860

01:16:52,430 --> 01:16:50,820

of welcome man and build this author

1861

01:16:55,250 --> 01:16:52,440

right now that lives in Tasmania is a

1862

01:16:56,689 --> 01:16:55,260

permaculture Aficionado so good things

1863

01:16:57,470 --> 01:16:56,699

right

1864

01:16:59,870 --> 01:16:57,480

um

1865

01:17:02,330 --> 01:16:59,880

I was now sudden it's all about Tolkien

1866

01:17:03,470 --> 01:17:02,340

and so about you know the evil which is

1867

01:17:08,149 --> 01:17:03,480

pretty much everybody doesn't agree with

1868

01:17:09,950 --> 01:17:08,159

him right is uh is uh is is coming at

1869

01:17:12,350 --> 01:17:09,960

the door and it is that you you have to

1870

01:17:14,990 --> 01:17:12,360

keep you have to keep calling out it it

1871

01:17:16,970 --> 01:17:15,000

will it will make you feel like uh maybe

1872

01:17:19,490 --> 01:17:16,980

like a barrier but that's what it is

1873

01:17:21,530 --> 01:17:19,500

like you cannot do that you cannot like

1874

01:17:24,550 --> 01:17:21,540

just let this thing rest because and

1875

01:17:27,110 --> 01:17:24,560

there's a lot of this in in my community

1876

01:17:28,970 --> 01:17:27,120

it's such an English Community like you

1877

01:17:30,830 --> 01:17:28,980

were saying humble it's there's so much

1878

01:17:33,169 --> 01:17:30,840

stigma about it so not many people want

1879

01:17:34,669 --> 01:17:33,179

to be open about it but then there's

1880

01:17:36,950 --> 01:17:34,679

something else that happens and what

1881

01:17:39,590 --> 01:17:36,960

happens is that since it's niche but it

1882

01:17:41,810 --> 01:17:39,600

kind of went through a Revival of recent

1883

01:17:44,090 --> 01:17:41,820

Years A lot of people start to make

1884

01:17:46,490 --> 01:17:44,100

money out of it you know I mean I'm a

1885

01:17:47,810 --> 01:17:46,500

person selling courses right and but it

1886

01:17:49,610 --> 01:17:47,820

does it does work like people are

1887

01:17:51,110 --> 01:17:49,620

interested in that but that is a lot of

1888

01:17:54,770 --> 01:17:51,120

people that publish this book and maybe

1889

01:17:56,510 --> 01:17:54,780

people that sell book and so when this

1890

01:17:58,130 --> 01:17:56,520

business the business side comes in

1891

01:18:00,950 --> 01:17:58,140

everybody wants to keep selling to

1892

01:18:02,930 --> 01:18:00,960

everybody and I have a lot of problems

1893

01:18:05,330 --> 01:18:02,940

with that right when you come to my

1894

01:18:07,510 --> 01:18:05,340

website it's written in clear terms like

1895

01:18:14,050 --> 01:18:07,520

if you if you don't believe Kobe exists

1896

01:18:19,610 --> 01:18:17,090

don't sign to my courses right and I did

1897

01:18:21,530 --> 01:18:19,620

and I did lose Revenue I can tell you

1898

01:18:24,169 --> 01:18:21,540

about that people did con I really

1899

01:18:25,550 --> 01:18:24,179

wanted to sign up to your course on for

1900

01:18:27,890 --> 01:18:25,560

six months and giving you I don't know

1901

01:18:29,810 --> 01:18:27,900

500 pounds but uh I'm not gonna do it

1902

01:18:31,370 --> 01:18:29,820

because I felt the fat I was like oh you

1903

01:18:33,709 --> 01:18:31,380

did everything it was not the best for

1904

01:18:38,030 --> 01:18:35,510

it's awesome

1905

01:18:40,189 --> 01:18:38,040

um but unfortunately you know I've seen

1906

01:18:41,590 --> 01:18:40,199

maybe also maybe especially here in the

1907

01:18:45,290 --> 01:18:41,600

UK where everybody

1908

01:18:47,149 --> 01:18:45,300

values uh um external appearances more

1909

01:18:49,610 --> 01:18:47,159

than you know being frank

1910

01:18:51,530 --> 01:18:49,620

britishness after all

1911

01:18:55,189 --> 01:18:51,540

um I've seen a lot of people you know

1912

01:18:57,649 --> 01:18:55,199

trying to make excuses for this or that

1913

01:19:01,010 --> 01:18:57,659

person because they sell books

1914

01:19:02,750 --> 01:19:01,020

expert Dimension is by all means one of

1915

01:19:05,450 --> 01:19:02,760

the biggest teller like one of his books

1916

01:19:07,550 --> 01:19:05,460

sold 15 000 Kobe which is right insane

1917

01:19:09,470 --> 01:19:07,560

like no you don't sell

1918

01:19:11,209 --> 01:19:09,480

and Marco we run into this in the

1919

01:19:13,010 --> 01:19:11,219

ufology community all the time which is

1920

01:19:15,709 --> 01:19:13,020

that people's preoccupation with the

1921

01:19:18,590 --> 01:19:15,719

subject supersedes and overrides any

1922

01:19:22,490 --> 01:19:18,600

other particular value they may have

1923

01:19:24,950 --> 01:19:22,500

right we see it's it's become a subject

1924

01:19:26,930 --> 01:19:24,960

du jour with a huge number of alt-right

1925

01:19:28,970 --> 01:19:26,940

and ultra-right politicians and

1926

01:19:31,550 --> 01:19:28,980

individuals and people that really care

1927

01:19:33,830 --> 01:19:31,560

about UFOs don't care because at least

1928

01:19:36,830 --> 01:19:33,840

someone's talking about UFO I mean for

1929

01:19:38,810 --> 01:19:36,840

me it's absolutely yeah like like I

1930

01:19:41,390 --> 01:19:38,820

think I've seen this in passive

1931

01:19:42,890 --> 01:19:41,400

impossible like uh people are saying oh

1932

01:19:45,770 --> 01:19:42,900

you know Tucker Carlson is speaking

1933

01:19:48,410 --> 01:19:45,780

about UFOs it's so good it's like are

1934

01:19:53,649 --> 01:19:48,420

you mad like right why would you want or

1935

01:20:00,050 --> 01:19:56,450

a picture of Russell Brand which some of

1936

01:20:02,090 --> 01:20:00,060

you may know uh with uh with Trump Jr I

1937

01:20:04,729 --> 01:20:02,100

was like okay this is like this is

1938

01:20:06,370 --> 01:20:04,739

basically yeah spirituality uh to

1939

01:20:08,689 --> 01:20:06,380

Fascism

1940

01:20:11,030 --> 01:20:08,699

like in a picture right here yeah

1941

01:20:12,530 --> 01:20:11,040

anything like if you if you don't have

1942

01:20:16,010 --> 01:20:12,540

problems with that

1943

01:20:19,070 --> 01:20:16,020

you need to reevaluate yes your your

1944

01:20:21,350 --> 01:20:19,080

life really right yes neutrality in

1945

01:20:23,510 --> 01:20:21,360

these circumstances is complicity

1946

01:20:26,149 --> 01:20:23,520

absolutely absolutely like silence

1947

01:20:30,470 --> 01:20:26,159

always benefits the oppressor not the

1948

01:20:31,850 --> 01:20:30,480

best always that's how it is and um I

1949

01:20:33,770 --> 01:20:31,860

have a problem with that that also means

1950

01:20:35,810 --> 01:20:33,780

that likely my courses are not gonna

1951

01:20:37,850 --> 01:20:35,820

sell much more than I do or my book

1952

01:20:40,490 --> 01:20:37,860

won't sell much more because oh Michael

1953

01:20:41,630 --> 01:20:40,500

you're so opinionated yes you're so

1954

01:20:46,669 --> 01:20:41,640

political

1955

01:20:49,790 --> 01:20:46,679

you know like if this were like the

1956

01:20:52,370 --> 01:20:49,800

2000s where uh there was it was before

1957

01:20:54,290 --> 01:20:52,380

the 2008 crash everybody had a lot of

1958

01:20:56,330 --> 01:20:54,300

money everybody like uh everybody was

1959

01:20:58,189 --> 01:20:56,340

fine I mean that's that was my

1960

01:21:01,189 --> 01:20:58,199

experience so Paul possible that was

1961

01:21:03,050 --> 01:21:01,199

very pampered at the time maybe you know

1962

01:21:05,810 --> 01:21:03,060

um I would have seen things differently

1963

01:21:07,669 --> 01:21:05,820

but now I literally spent the last

1964

01:21:10,189 --> 01:21:07,679

decade because you know in the in this

1965

01:21:11,330 --> 01:21:10,199

in this very magical Community you start

1966

01:21:13,850 --> 01:21:11,340

seeing

1967

01:21:17,689 --> 01:21:13,860

by the way fascism creeping in already

1968

01:21:19,610 --> 01:21:17,699

in the 2000s 2010s sorry where you start

1969

01:21:22,430 --> 01:21:19,620

seeing like people becoming a little bit

1970

01:21:24,950 --> 01:21:22,440

more open to talk about oh you know I

1971

01:21:27,770 --> 01:21:24,960

really love going to vowels work in

1972

01:21:30,470 --> 01:21:27,780

Germany which was the SS Castle to do my

1973

01:21:34,430 --> 01:21:30,480

my originals there uh and I was like oh

1974

01:21:36,350 --> 01:21:34,440

I'm thinking like that's wrong why would

1975

01:21:37,430 --> 01:21:36,360

you do that right why would you want to

1976

01:21:40,070 --> 01:21:37,440

go

1977

01:21:42,110 --> 01:21:40,080

yeah exactly but then like it's starting

1978

01:21:43,990 --> 01:21:42,120

creeping in for being an accelerate so

1979

01:21:46,250 --> 01:21:44,000

right now

1980

01:21:48,350 --> 01:21:46,260

especially given the fact that we live

1981

01:21:52,090 --> 01:21:48,360

in we've been living in 15 years of of

1982

01:21:54,590 --> 01:21:52,100

of decline uh recession of the recession

1983

01:21:57,649 --> 01:21:54,600

uh you know living in interesting times

1984

01:22:01,370 --> 01:21:57,659

so the the social political strata is

1985

01:22:05,090 --> 01:22:01,380

ripe for terrible things to happen so

1986

01:22:07,490 --> 01:22:05,100

you should avoid avoid like feeding into

1987

01:22:08,750 --> 01:22:07,500

these ideas as much as possible it

1988

01:22:10,370 --> 01:22:08,760

doesn't matter if you install the course

1989

01:22:11,810 --> 01:22:10,380

as a matter if you don't sell books

1990

01:22:15,050 --> 01:22:11,820

doesn't matter if your business

1991

01:22:18,590 --> 01:22:15,060

fails to be fair like you're you're you

1992

01:22:20,450 --> 01:22:18,600

should be more on the lookout for

1993

01:22:23,030 --> 01:22:20,460

avoiding that the people that will want

1994

01:22:25,310 --> 01:22:23,040

you to see burned at the stake go back

1995

01:22:27,950 --> 01:22:25,320

in power it doesn't seem that a lot of

1996

01:22:29,689 --> 01:22:27,960

people get it maybe they need to be

1997

01:22:32,689 --> 01:22:29,699

better than the steak I don't know yeah

1998

01:22:35,510 --> 01:22:32,699

so later get there right I don't know it

1999

01:22:38,270 --> 01:22:35,520

it it's really is dumb funding for me

2000

01:22:41,750 --> 01:22:38,280

like I I don't get it but hey here we

2001  
01:22:43,910 --> 01:22:41,760  
are here we are Marco this has been an

2002  
01:22:46,250 --> 01:22:43,920  
incredible conversation super super

2003  
01:22:48,050 --> 01:22:46,260  
excited to have you join us

2004  
01:22:49,370 --> 01:22:48,060  
um before I let you get back to your

2005  
01:22:50,330 --> 01:22:49,380  
evening

2006  
01:22:53,510 --> 01:22:50,340  
um

2007  
01:22:55,790 --> 01:22:53,520  
where can our audience find you

2008  
01:22:58,010 --> 01:22:55,800  
so uh you can find me everywhere on

2009  
01:23:01,669 --> 01:22:58,020  
social media and just look for Marco

2010  
01:23:03,890 --> 01:23:01,679  
visconte I will be um Twitter is my main

2011  
01:23:07,490 --> 01:23:03,900  
um my main social media mostly because

2012  
01:23:08,870 --> 01:23:07,500  
I'm there to try and combat the Elon

2013  
01:23:11,750 --> 01:23:08,880

## Musk takeover

2014

01:23:15,050 --> 01:23:11,760

I'm very successful but hey

2015

01:23:17,209 --> 01:23:15,060

um I like Twitter I never I I I I refuse

2016

01:23:19,010 --> 01:23:17,219

to to to go away with it I mean if it

2017

01:23:21,050 --> 01:23:19,020

becomes completely impossible to deal

2018

01:23:23,570 --> 01:23:21,060

with it I'll live

2019

01:23:25,630 --> 01:23:23,580

um so Twitter is my the main place where

2020

01:23:28,370 --> 01:23:25,640

you can find me or

2021

01:23:29,450 --> 01:23:28,380

umti.org is the website where it has my

2022

01:23:32,930 --> 01:23:29,460

email if you want to contact me

2023

01:23:36,410 --> 01:23:32,940

privately by email uh and then uh thank

2024

01:23:38,930 --> 01:23:36,420

you have the best way and um and then if

2025

01:23:40,970 --> 01:23:38,940

you're curious about my courses uh well

2026

01:23:43,070 --> 01:23:40,980

your two choices really uh if you buy

2027

01:23:45,229 --> 01:23:43,080

the book at the end of the book there is

2028

01:23:47,390 --> 01:23:45,239

uh there's a link where you can uh join

2029

01:23:50,990 --> 01:23:47,400

onto my platform for free and see what

2030

01:23:53,590 --> 01:23:51,000

it's like you know give a try and or you

2031

01:23:56,149 --> 01:23:53,600

can go on to uh magicbotmark

2032

01:23:59,149 --> 01:23:56,159

viscounty.org and you'll see there are

2033

01:24:02,689 --> 01:23:59,159

various chances for you to you know give

2034

01:24:06,669 --> 01:24:02,699

them classes by courses or just come and

2035

01:24:12,890 --> 01:24:10,010

150 people right now quite active like I

2036

01:24:15,110 --> 01:24:12,900

say it's not we're down from the numbers

2037

01:24:16,970 --> 01:24:15,120

that 300 people that we had during the

2038

01:24:18,530 --> 01:24:16,980

pandemic but of course people are out

2039

01:24:20,750 --> 01:24:18,540

there in the world and that's the thing

2040

01:24:22,669 --> 01:24:20,760

right thank you so much for having me

2041

01:24:24,950 --> 01:24:22,679

this was a great course thank you Marco

2042

01:24:25,910 --> 01:24:24,960

thank you so much have a nice evening be

2043

01:24:29,450 --> 01:24:25,920

well friend

2044

01:24:30,890 --> 01:24:29,460

bye-bye good night bye

2045

01:24:33,350 --> 01:24:30,900

Kimbo

2046

01:24:35,270 --> 01:24:33,360

welcome to my world dude this is how I

2047

01:24:37,189 --> 01:24:35,280

feel talking about UFOs now you get to

2048

01:24:40,550 --> 01:24:37,199

know what it's like to talk about magic

2049

01:24:43,970 --> 01:24:40,560

yeah I like it magic it's uh very

2050

01:24:46,669 --> 01:24:43,980

interrelated and I'm happy to be sort of

2051  
01:24:48,470 --> 01:24:46,679  
branching yeah that contemplating uh

2052  
01:24:50,870 --> 01:24:48,480  
starting a new Twitter handle so that

2053  
01:24:53,630 --> 01:24:50,880  
I'm not pigeonholed into just the UFO

2054  
01:24:55,130 --> 01:24:53,640  
stuff because I'm liking the the slight

2055  
01:24:57,770 --> 01:24:55,140  
pivot we're doing

2056  
01:24:59,330 --> 01:24:57,780  
yeah I'm I really am enjoying the last

2057  
01:25:02,390 --> 01:24:59,340  
couple conversations we've had

2058  
01:25:04,790 --> 01:25:02,400  
broadening who we're talking to

2059  
01:25:07,130 --> 01:25:04,800  
um right so we are gonna

2060  
01:25:09,110 --> 01:25:07,140  
wrap things up here

2061  
01:25:11,570 --> 01:25:09,120  
um coming up next week on the 8th we'll

2062  
01:25:14,149 --> 01:25:11,580  
be doing an open lines episode so

2063  
01:25:16,790 --> 01:25:14,159

um chance to round table with Campbell

2064

01:25:18,169 --> 01:25:16,800

Nick Lewis and myself

2065

01:25:20,870 --> 01:25:18,179

um and then we'll be welcoming Vanessa

2066

01:25:23,450 --> 01:25:20,880

voloco who runs pan paracon uh hi

2067

01:25:24,169 --> 01:25:23,460

strangeness for Tiana Etc

2068

01:25:27,169 --> 01:25:24,179

um

2069

01:25:29,450 --> 01:25:27,179

so hopefully we'll see folks next week

2070

01:25:32,090 --> 01:25:29,460

at a regular time 9 pm Eastern Wednesday

2071

01:25:35,390 --> 01:25:32,100

evening and we will have all four of us

2072

01:25:37,550 --> 01:25:35,400

here to do open lines and a round table

2073

01:25:40,189 --> 01:25:37,560

um Campbell before we sign off

2074

01:25:42,290 --> 01:25:40,199

anything you want to say

2075

01:25:45,590 --> 01:25:42,300

um people should come join our Discord

2076

01:25:48,050 --> 01:25:45,600

uh in the chat it's uh we've got a bunch

2077

01:25:50,030 --> 01:25:48,060

of good channels and uh can come and

2078

01:25:53,270 --> 01:25:50,040

argue with me if you disagree with what

2079

01:25:56,570 --> 01:25:53,280

I say and I'll be polite and listen we

2080

01:25:58,189 --> 01:25:56,580

have a very civilized Discord no it's

2081

01:26:01,070 --> 01:25:58,199

very good yeah and that's the thing is

2082

01:26:03,169 --> 01:26:01,080

it's hard to have conversations uh where

2083

01:26:05,510 --> 01:26:03,179

you're sort of trying to engage on the

2084

01:26:07,790 --> 01:26:05,520

underlying stuff but uh stay respectful

2085

01:26:09,430 --> 01:26:07,800

and we're trying to do that and we're I

2086

01:26:13,910 --> 01:26:09,440

think doing a pretty good job so far

2087

01:26:15,229 --> 01:26:13,920

yeah Good Vibes all around cool Campbell

2088

01:26:17,090 --> 01:26:15,239

thank you so much for taking the

2089

01:26:18,410 --> 01:26:17,100

afternoon well thank you thanks for

2090

01:26:20,090 --> 01:26:18,420

everyone tuning in either catching us

2091

01:26:22,310 --> 01:26:20,100

live or on

2092

01:26:23,750 --> 01:26:22,320

a recording we'll see you all next

2093

01:26:29,430 --> 01:26:23,760

Wednesday at 9pm

2094

01:26:52,140 --> 01:26:50,709

[Music]

2095

01:27:05,350 --> 01:26:52,150

thank you

2096

01:27:07,930 --> 01:27:05,360

[Music]

2097

01:27:10,250 --> 01:27:07,940

[Applause]
