29
00:02:28,190 --> 00:02:26,640

00:02:31,430 --> 00:02:28,200
totally cool if you want to just be

31
00:02:33,589 --> 00:02:31,440

32
00:02:35,330 --> 00:02:33,599

00:02:37,910 --> 00:02:35,340
benevolent dictatorship so if you're a

34
00:02:40,550 --> 00:02:37,920
jerk I'm kicking you off my show

35
00:02:43,009 --> 00:02:40,560
um so that said I'd love to welcome my

36
00:02:46,610 --> 00:02:43,019
lovely co-hosts we have our resident

37
00:02:48,290 --> 00:02:46,620
dubious Layman Nick hello

38
00:02:50,509 --> 00:02:48,300

I'm not going to kick you off as long as

39

00:02:53,270 --> 00:02:50,519

you're not a jerk well you get co-host

40

00:02:54,290 --> 00:02:53,280

dispensation you're allowed to be a jerk

41

00:02:56,869 --> 00:02:54,300

um

42

00:02:58,729 --> 00:02:56,879

good to see you don't kick me off either

43

00:03:02,030 --> 00:02:58,739

I won't kick you off but you're never a

44

00:03:03,890 --> 00:03:02,040

jerk well that's okay I'll try and then

45

00:03:06,229 --> 00:03:03,900

of course Campbell

46

00:03:10,190 --> 00:03:06,239

hello you can kick me off if you want

47

00:03:15,170 --> 00:03:12,470

so there's there's going on right now uh

48

00:03:18,949 --> 00:03:15,180

I feel like in the UFO World

49

00:03:21,350 --> 00:03:18,959

um do tell right when we were talking in

50

00:03:23,750 --> 00:03:21,360

the green room before the show uh the

51
00:03:25,490 --> 00:03:23,760
big thing that I said was I didn't think

52
00:03:27,830 --> 00:03:25,500
there was any more juice left to squeeze

53
00:03:29,869 --> 00:03:27,840
out of Bob Lazar and then we had this

54
00:03:31,729 --> 00:03:29,879
big article come out this week about his

55
00:03:33,530 --> 00:03:31,739
first wife who apparently was wrapped up

56
00:03:35,330 --> 00:03:33,540
in some kind of like murder plot with

57
00:03:38,509 --> 00:03:35,340
the Hell's Angels

58
00:03:40,250 --> 00:03:38,519
um gnarly so yes super gnarly also

59
00:03:42,470 --> 00:03:40,260
includes an amazing picture of the very

60
00:03:44,089 --> 00:03:42,480
young Bob Lazar full with like long hair

61
00:03:47,270 --> 00:03:44,099
and a beard

62
00:03:51,589 --> 00:03:49,369
um and then we also have the Baghdad

63
00:03:54,530 --> 00:03:51,599

sighting that Jeremy Corbell has been

64

00:04:00,229 --> 00:03:57,470

um yeah we can get into that later I

65

00:04:02,570 --> 00:04:00,239

think um Luis you're the you're the

66

00:04:04,130 --> 00:04:02,580

resident was our guy do you wanna you

67

00:04:07,070 --> 00:04:04,140

wanna kind of fill us in on this yeah

68

00:04:09,410 --> 00:04:07,080

yeah so it signals intelligence

69

00:04:11,869 --> 00:04:09,420

um put out a new article about Carol it

70

00:04:14,210 --> 00:04:11,879

was a lazar's first wife

71

00:04:17,110 --> 00:04:14,220

um sadly she passed away when she

72

00:04:19,849 --> 00:04:17,120

committed suicide I think it was in 1986

73

00:04:22,610 --> 00:04:19,859

but she had been involved apparently in

74

00:04:25,490 --> 00:04:22,620

and he shows newspaper clippings and um

75

00:04:27,710 --> 00:04:25,500

other evidence uh to show that

76

00:04:29,810 --> 00:04:27,720

she'd been going by different names I

77

00:04:31,310 --> 00:04:29,820

had she had different last names and um

78

00:04:34,189 --> 00:04:31,320

she'd been

79

00:04:36,650 --> 00:04:34,199

uh involved in a murder with the Hell's

80

00:04:37,730 --> 00:04:36,660

Angels where she was basically holding

81

00:04:40,189 --> 00:04:37,740

somebody

82

00:04:43,490 --> 00:04:40,199

uh well she was charged with false

83

00:04:45,350 --> 00:04:43,500

imprisonment later on and um

84

00:04:47,770 --> 00:04:45,360

I think she served time for that and

85

00:04:50,050 --> 00:04:47,780

also being being an accessory to murder

86

00:04:52,550 --> 00:04:50,060

she basically was like holding somebody

87

00:04:55,430 --> 00:04:52,560

hostage in their own house or the guest

88

00:04:57,110 --> 00:04:55,440

I think and the person who would have a

89

00:04:59,810 --> 00:04:57,120

dispute with a Hell's Angel

90

00:05:03,230 --> 00:04:59,820

um member Hell's Angels member

91

00:05:05,510 --> 00:05:03,240

um was in the other room and got shot

92

00:05:07,790 --> 00:05:05,520

um and uh apparently Carol had had a

93

00:05:10,129 --> 00:05:07,800

long long time drug problems with

94

00:05:12,830 --> 00:05:10,139

amphetamines maybe heroin but more

95

00:05:16,189 --> 00:05:12,840

likely amphetamines and was the big

96

00:05:18,469 --> 00:05:16,199

Hell's Angels drug too yeah yeah exactly

97

00:05:20,030 --> 00:05:18,479

right and um

98

00:05:22,550 --> 00:05:20,040

so she's been wrapped up in all that

99

00:05:25,730 --> 00:05:22,560

kind of stuff uh for many years

100

00:05:27,050 --> 00:05:25,740

um until she met Lazar and um it was

101

00:05:29,029 --> 00:05:27,060

kind of a surprise to their relatives

102

00:05:31,850 --> 00:05:29,039

that they got married because he was

103

00:05:35,570 --> 00:05:31,860

such a outlier compared to the types of

104

00:05:37,310 --> 00:05:35,580

guys that she had dated previously

105

00:05:39,770 --> 00:05:37,320

um she was much older than him if I

106

00:05:41,629 --> 00:05:39,780

recall yeah I think she was 17 years his

107

00:05:43,189 --> 00:05:41,639

senior hmm

108

00:05:45,650 --> 00:05:43,199

would you look you know kind of a

109

00:05:47,689 --> 00:05:45,660

surprise to everyone as well but

110

00:05:49,969 --> 00:05:47,699

some people some of her friends liked

111

00:05:52,210 --> 00:05:49,979

Lazar because he was um into gadgets and

112

00:05:54,710 --> 00:05:52,220

stuff and he was driving a hydrogen car

113

00:06:00,650 --> 00:05:54,720

and stuff like that so he worked at Area

114

00:06:02,210 --> 00:06:00,660

51 touched the aliens well yeah maybe

115

00:06:04,730 --> 00:06:02,220

um but

116

00:06:07,670 --> 00:06:04,740

this again is kind of some people are

117

00:06:09,770 --> 00:06:07,680

asking um on Twitter like who cares if

118

00:06:11,810 --> 00:06:09,780

Carol was doing that stuff like it

119

00:06:15,290 --> 00:06:11,820

doesn't it's a track from lazarus's story

120

00:06:17,390 --> 00:06:15,300

but I think it's just another item which

121

00:06:18,890 --> 00:06:17,400

doesn't doesn't look good

122

00:06:20,689 --> 00:06:18,900

and um

123

00:06:22,730 --> 00:06:20,699

the government if they were hiring

124

00:06:24,590 --> 00:06:22,740

somebody for like a program to reverse

125

00:06:26,570 --> 00:06:24,600

engineer aliens they would

126

00:06:28,670 --> 00:06:26,580

they would be concerned about somebody's

127

00:06:29,930 --> 00:06:28,680

background they you know they routinely

128

00:06:31,790 --> 00:06:29,940

do like um

129

00:06:33,950 --> 00:06:31,800

Financial checks and stuff like that

130

00:06:35,689 --> 00:06:33,960

look at your criminal record and if

131

00:06:37,790 --> 00:06:35,699

anybody in your family or of course

132

00:06:39,050 --> 00:06:37,800

associate is a criminal or has been

133

00:06:41,629 --> 00:06:39,060

involved in that sort of stuff that

134

00:06:43,249 --> 00:06:41,639

would be a big red flag for them because

135

00:06:46,610 --> 00:06:43,259

I want anybody who's going to be

136

00:06:48,350 --> 00:06:46,620

susceptible susceptible to Blackmail I

137

00:06:50,270 --> 00:06:48,360

think anybody known criminal criminal

138

00:06:53,210 --> 00:06:50,280

organization so

139

00:06:59,930 --> 00:06:53,220

it is relevant so you're saying I could

140

00:07:04,129 --> 00:07:02,029

Global access can you get a library

141

00:07:06,830 --> 00:07:04,139

called Leo I can get a library card

142

00:07:08,870 --> 00:07:06,840

thank you and I first I miraculously got

143

00:07:12,050 --> 00:07:08,880

TSA pre-check

144

00:07:14,090 --> 00:07:12,060

um a global entry I can't get

145

00:07:16,610 --> 00:07:14,100

it excellent Louise I wanted to hear

146

00:07:18,710 --> 00:07:16,620

your opinion about that um it was like

147

00:07:21,230 --> 00:07:18,720

that article that came out last spring

148

00:07:23,930 --> 00:07:21,240

by can't remember the individual but

149

00:07:27,950 --> 00:07:23,940

they did a number of interviews with a

150

00:07:31,189 --> 00:07:27,960

former uh lab technicians and physicists

151

00:07:33,469 --> 00:07:31,199

actually at the facility and the story

152

00:07:36,529 --> 00:07:33,479

that emerged from that was sort of that

153

00:07:41,150 --> 00:07:36,539

Bob Lazar was sort of a college grad

154

00:07:42,950 --> 00:07:41,160

sort of Electrical uh diploma guy who

155

00:07:44,930 --> 00:07:42,960

was subcontracted to sort of like

156

00:07:46,670 --> 00:07:44,940

install some of the machines here and

157

00:07:49,189 --> 00:07:46,680

there but like he had nothing to do with

158

00:07:52,850 --> 00:07:49,199

any of the actual serious stuff

159

00:07:54,710 --> 00:07:52,860

um is does that sort of uh ring true to

160

00:07:56,749 --> 00:07:54,720

you do you think that's like what's your

161

00:07:58,909 --> 00:07:56,759

take on that yeah yeah I mean that was

162

00:08:01,370 --> 00:07:58,919

already kind of known that he he's being

163

00:08:04,309 --> 00:08:01,380

hired by Coke Maya which was a company

164

00:08:05,089 --> 00:08:04,319

that um outsourced um technicians and

165

00:08:07,969 --> 00:08:05,099

other

166

00:08:09,770 --> 00:08:07,979

uh label to the big companies into the

167

00:08:12,770 --> 00:08:09,780

government including Llano who had a

168

00:08:15,110 --> 00:08:12,780

contract with Kirk Meyer he had been um

169

00:08:16,430 --> 00:08:15,120

an Electronics technician at Lionel for

170

00:08:18,290 --> 00:08:16,440

a time

171

00:08:20,390 --> 00:08:18,300

um I think the maximum amount of time it

172

00:08:22,430 --> 00:08:20,400

could have been with them was eight

173

00:08:24,110 --> 00:08:22,440

months and a bit

174

00:08:26,089 --> 00:08:24,120

because signals intelligence actually

175

00:08:27,529 --> 00:08:26,099

had a I think this is the article you're

176

00:08:29,749 --> 00:08:27,539

referring to it's actually by him as

177

00:08:32,750 --> 00:08:29,759

well oh okay he interviewed a bunch of

178

00:08:34,670 --> 00:08:32,760

people who worked there at the time and

179

00:08:37,010 --> 00:08:34,680

um the maximum period of time that Lazar

180

00:08:39,290 --> 00:08:37,020

could have worked at Lionel

181

00:08:41,750 --> 00:08:39,300

um was I think eight months because this

182

00:08:44,329 --> 00:08:41,760

guy did a foyer request and then they

183

00:08:46,970 --> 00:08:44,339

found they got the list of employees at

184

00:08:48,949 --> 00:08:46,980

Lanell and um

185

00:08:50,690 --> 00:08:48,959

Lazar was in the

186

00:08:52,670 --> 00:08:50,700

phone directory

187

00:08:55,250 --> 00:08:52,680

um but then like in the next year he

188

00:08:56,329 --> 00:08:55,260

wasn't so that sort of puts a limit on

189

00:08:58,370 --> 00:08:56,339

how long he could have worked there

190

00:09:00,829 --> 00:08:58,380

right um but yeah these are the people

191

00:09:03,290 --> 00:09:00,839

who he interviewed um

192

00:09:05,570 --> 00:09:03,300

they they pretty much all say that Lazar

193

00:09:08,449 --> 00:09:05,580

was not a scientist

194

00:09:10,790 --> 00:09:08,459

um that he was just doing sort of

195

00:09:13,310 --> 00:09:10,800

Electronics or radio

196

00:09:15,070 --> 00:09:13,320

um radioactive uh badge

197

00:09:18,230 --> 00:09:15,080

um maintenance

198

00:09:20,150 --> 00:09:18,240

symmetry yeah that yeah that's what sort

199

00:09:21,530 --> 00:09:20,160

of fits his um background he's like a

200

00:09:23,930 --> 00:09:21,540

Electronics buff

201
00:09:25,190 --> 00:09:23,940
um or Enthusiast he's good at tinkering

202
00:09:25,970 --> 00:09:25,200
with machines

203
00:09:28,430 --> 00:09:25,980
um

204
00:09:30,470 --> 00:09:28,440
he did have a jet-powered Honda

205
00:09:31,970 --> 00:09:30,480
like he installed a jet engine into a

206
00:09:34,310 --> 00:09:31,980
Honda I think it was Carroll's Honda

207
00:09:37,670 --> 00:09:34,320
actually that's the reason that Carol

208
00:09:41,350 --> 00:09:37,680
liked him a lot oh nice imagine the

209
00:09:43,490 --> 00:09:41,360
drift on there oh my God

210
00:09:45,710 --> 00:09:43,500
yeah what one of the people in the

211
00:09:48,829 --> 00:09:45,720
latest article says that um

212
00:09:50,389 --> 00:09:48,839
uh Lazar kind of gets heavily into

213
00:09:51,829 --> 00:09:50,399

something when he's interested in it but

214

00:09:54,710 --> 00:09:51,839

it doesn't have the patience for

215

00:09:58,190 --> 00:09:54,720

something like an MIT master's degree he

216

00:10:00,230 --> 00:09:58,200

just doesn't seem doing that right so

217

00:10:02,870 --> 00:10:00,240

yeah I mean Lazar I think is kind of a

218

00:10:05,329 --> 00:10:02,880

clout Chaser he likes to kind of attach

219

00:10:10,329 --> 00:10:05,339

his name to big things but

220

00:10:15,230 --> 00:10:13,009

his appearance was like such a big thing

221

00:10:16,490 --> 00:10:15,240

on Rogan right and uh so many people

222

00:10:19,009 --> 00:10:16,500

have pointed to that as one of the

223

00:10:21,829 --> 00:10:19,019

things that got them into UFO stuff and

224

00:10:24,230 --> 00:10:21,839

I've tried to watch it several times and

225

00:10:26,389 --> 00:10:24,240

I find it so like painful like

226

00:10:29,090 --> 00:10:26,399

embarrassing when he keeps on like being

227

00:10:31,790 --> 00:10:29,100

like pathetic my migraine I don't know

228

00:10:33,650 --> 00:10:31,800

uh give me a second still migraine still

229

00:10:35,930 --> 00:10:33,660

migraine okay remembered and it's like

230

00:10:38,329 --> 00:10:35,940

dude come on you've been telling the

231

00:10:40,070 --> 00:10:38,339

story for like 30 years like what's

232

00:10:42,470 --> 00:10:40,080

going on here it's just like nervousness

233

00:10:44,449 --> 00:10:42,480

I guess it's I don't know he just he

234

00:10:45,530 --> 00:10:44,459

doesn't uh

235

00:10:46,610 --> 00:10:45,540

he's got so many problems with the

236

00:10:48,769 --> 00:10:46,620

backstory and then he doesn't like

237

00:10:50,750 --> 00:10:48,779

present something convincing when I've

238

00:10:52,790 --> 00:10:50,760

seen him speak it's always a little bit

239

00:10:54,470 --> 00:10:52,800

uh troubling

240

00:10:57,050 --> 00:10:54,480

yeah yeah

241

00:10:58,730 --> 00:10:57,060

um would you could you um go back to

242

00:11:02,889 --> 00:10:58,740

that previous comment that you were

243

00:11:08,690 --> 00:11:06,050

is a um Department of energy

244

00:11:11,509 --> 00:11:08,700

um security clearance and it lets you

245

00:11:13,910 --> 00:11:11,519

work on certain restricted projects um

246

00:11:15,889 --> 00:11:13,920

yes I think it's possible that Lazar

247

00:11:19,130 --> 00:11:15,899

could have had one but um you don't need

248

00:11:20,269 --> 00:11:19,140

a degree for that you just need yeah and

249

00:11:22,009 --> 00:11:20,279

it doesn't mean that he was actually

250

00:11:23,329 --> 00:11:22,019

involved in the most secret stuff he

251
00:11:25,069 --> 00:11:23,339
could have could have just been involved

252
00:11:28,970 --> 00:11:25,079
in some maintenance

253
00:11:30,650 --> 00:11:28,980
um checking systems and things like that

254
00:11:32,329 --> 00:11:30,660
um

255
00:11:33,949 --> 00:11:32,339
yes

256
00:11:36,470 --> 00:11:33,959
all right he did work at lateral for

257
00:11:39,050 --> 00:11:36,480
sure he worked at Lano but he wasn't

258
00:11:42,370 --> 00:11:39,060
an employee of Lionel per se who was an

259
00:11:46,670 --> 00:11:42,380
outsourced employee of kirkmeyer

260
00:11:47,750 --> 00:11:46,680
like a contractor yeah yeah

261
00:11:49,610 --> 00:11:47,760
um

262
00:11:51,410 --> 00:11:49,620
that's interesting I think maybe we

263
00:11:52,970 --> 00:11:51,420

should do like a whole thing on Lazar

264

00:11:54,410 --> 00:11:52,980

sometime you've you've done a lot we

265

00:11:56,810 --> 00:11:54,420

told her I should do you know who else

266

00:11:57,850 --> 00:11:56,820

has done a ton of research is Jeff Jeff

267

00:12:00,110 --> 00:11:57,860

Knox

268

00:12:02,410 --> 00:12:00,120

the other day that he spent over a

269

00:12:05,509 --> 00:12:02,420

hundred thousand dollars in two years

270

00:12:08,569 --> 00:12:05,519

researching Bob Lazar wow I'm not sure I

271

00:12:10,370 --> 00:12:08,579

brag about that on the internet yeah Bob

272

00:12:11,690 --> 00:12:10,380

was art show he would be a good person

273

00:12:12,829 --> 00:12:11,700

to have on

274

00:12:16,730 --> 00:12:12,839

um so so we actually have someone

275

00:12:18,769 --> 00:12:16,740

backstage so I'm gonna bring him on

276

00:12:23,150 --> 00:12:18,779

um all right

277

00:12:25,009 --> 00:12:23,160

hey friend well guys hey what's going on

278

00:12:26,810 --> 00:12:25,019

just hanging out here I got the invite

279

00:12:28,190 --> 00:12:26,820

from Campbell and I've kind of snooped

280

00:12:30,650 --> 00:12:28,200

around on the channel a little bit to

281

00:12:33,230 --> 00:12:30,660

try to get up to speed so uh I'm down to

282

00:12:34,970 --> 00:12:33,240

talk about some UFOs man nice great to

283

00:12:37,009 --> 00:12:34,980

see you uh I was hoping that you'd be

284

00:12:39,889 --> 00:12:37,019

able to make it here but you know so I

285

00:12:42,889 --> 00:12:39,899

know you from uh Reddit our UFO science

286

00:12:45,230 --> 00:12:42,899

you're the the Creator founder of our

287

00:12:47,750 --> 00:12:45,240

UFO science and uh just a couple years

288

00:12:49,850 --> 00:12:47,760

ago I became a moderator on there

289

00:12:52,430 --> 00:12:49,860

um the community I was the first

290

00:12:54,170 --> 00:12:52,440

Community I found where like you were

291

00:12:55,970 --> 00:12:54,180

emphasizing number one good faith

292

00:12:58,370 --> 00:12:55,980

dialogue and you're keeping the

293

00:13:00,769 --> 00:12:58,380

conversation at a level where I felt

294

00:13:03,650 --> 00:13:00,779

like happy to engage without it being

295

00:13:06,769 --> 00:13:03,660

like devoted to sort of like the most

296

00:13:08,990 --> 00:13:06,779

um you know extreme possibilities and I

297

00:13:11,690 --> 00:13:09,000

was curious like What mo what inspired

298

00:13:13,610 --> 00:13:11,700

you to start that community and get that

299

00:13:16,190 --> 00:13:13,620

going

300

00:13:18,949 --> 00:13:16,200

um frustration mainly you know

301

00:13:21,110 --> 00:13:18,959

um you know I'm basically participating

302

00:13:23,150 --> 00:13:21,120

all the UFO Subs on Reddit you know back

303

00:13:25,550 --> 00:13:23,160

in the day I used to kind of lurk on

304

00:13:27,170 --> 00:13:25,560

Above Top Secret and I think there was

305

00:13:28,610 --> 00:13:27,180

another like UFO Nation or something

306

00:13:30,530 --> 00:13:28,620

like that I think that's where I first

307

00:13:31,790 --> 00:13:30,540

saw the Tic Tac video back in the day so

308

00:13:34,610 --> 00:13:31,800

I've kind of had that passing interest

309

00:13:37,190 --> 00:13:34,620

and been part of the UFO discourse you

310

00:13:39,230 --> 00:13:37,200

know off and on over the years but you

311

00:13:40,790 --> 00:13:39,240

know I kind of saw several posts on the

312

00:13:43,210 --> 00:13:40,800

UFO subs and people were like oh you

313

00:13:46,670 --> 00:13:43,220

know we should start a more serious sub

314

00:13:49,430 --> 00:13:46,680

and uh you know I just had a kid like

315

00:13:50,870 --> 00:13:49,440

she's almost three now you know but

316

00:13:52,370 --> 00:13:50,880

finally I just bit the bull and I'm like

317

00:13:55,850 --> 00:13:52,380

you know what Ethan I'm just gonna start

318

00:13:58,069 --> 00:13:55,860

uh UFO science sub and I'm like you know

319

00:13:59,930 --> 00:13:58,079

what do you call it but uh you know

320

00:14:02,150 --> 00:13:59,940

because it's like basically

321

00:14:04,250 --> 00:14:02,160

pseudoscience as far as anybody serious

322

00:14:07,250 --> 00:14:04,260

is concerned but hey you know I just

323

00:14:08,690 --> 00:14:07,260

tried it and uh you know luckily you

324

00:14:10,790 --> 00:14:08,700

know we I think we made it to the front

325

00:14:12,829 --> 00:14:10,800

page one day so we got you know we're

326

00:14:14,930 --> 00:14:12,839

not huge which is kind of nice because I

327

00:14:16,490 --> 00:14:14,940

really don't have time to be you know

328

00:14:18,889 --> 00:14:16,500

babysitting all these posts and

329

00:14:20,870 --> 00:14:18,899

everything but uh yeah you know like you

330

00:14:22,550 --> 00:14:20,880

said the the good faith discussion is

331

00:14:24,829 --> 00:14:22,560

the main thing like there's so many like

332

00:14:27,470 --> 00:14:24,839

troll posts and so many like just bad

333

00:14:29,569 --> 00:14:27,480

faith hot takes with the UFO topic I'm

334

00:14:31,129 --> 00:14:29,579

like there's got to be a way to kind of

335

00:14:33,889 --> 00:14:31,139

cut down on some of the signal to noise

336

00:14:37,490 --> 00:14:33,899

with this topic and you know try to get

337

00:14:39,889 --> 00:14:37,500

some more serious discussion going so

338

00:14:43,850 --> 00:14:39,899

here we are you know

339

00:14:45,590 --> 00:14:43,860

what's your favorite case

340

00:14:49,189 --> 00:14:45,600

you know I've

341

00:14:53,150 --> 00:14:50,870

they asked me what the best case is I

342

00:14:54,050 --> 00:14:53,160

still lean towards the you know the Tic

343

00:14:56,870 --> 00:14:54,060

Tac

344

00:14:58,970 --> 00:14:56,880

you know clear one case you know mainly

345

00:15:01,490 --> 00:14:58,980

because we that's where I see the most

346

00:15:03,290 --> 00:15:01,500

evidence right now you know we have you

347

00:15:05,389 --> 00:15:03,300

know the pilot testimony which you know

348

00:15:06,590 --> 00:15:05,399

we've had high quality witness testimony

349

00:15:08,870 --> 00:15:06,600

going back

350

00:15:10,310 --> 00:15:08,880

you know decades but in this case we

351

00:15:11,870 --> 00:15:10,320

actually have a video to go along with

352

00:15:14,569 --> 00:15:11,880

it so we're like what we know the video

353

00:15:16,310 --> 00:15:14,579

the pilot saw something there so I'm

354

00:15:18,110 --> 00:15:16,320

like you know kind of there's there's

355

00:15:20,090 --> 00:15:18,120

the video to back up the claim which

356

00:15:21,170 --> 00:15:20,100

really goes a long way you know people

357

00:15:24,350 --> 00:15:21,180

will kind of go in there and they say oh

358

00:15:27,590 --> 00:15:24,360

we also have radar data too and like uh

359

00:15:29,329 --> 00:15:27,600

we have testimony of radar data so to me

360

00:15:30,769 --> 00:15:29,339

that's not the same thing as having you

361

00:15:34,189 --> 00:15:30,779

know three

362

00:15:35,750 --> 00:15:34,199

basically data points but you know we

363

00:15:37,310 --> 00:15:35,760

got two so

364

00:15:38,810 --> 00:15:37,320

it's pretty intriguing to me that's what

365

00:15:40,069 --> 00:15:38,820

really brought me back interested in the

366

00:15:42,470 --> 00:15:40,079

topic so

367

00:15:45,530 --> 00:15:42,480

mm-hmm

368

00:15:47,990 --> 00:15:45,540

Nick sorry I cut you off Nick oh I lost

369

00:15:50,389 --> 00:15:48,000

my train of thought you ruined it what

370

00:15:54,189 --> 00:15:50,399

uh what are your thoughts on Bob Lazar

371

00:15:58,310 --> 00:15:56,689

talking about the Joe Rogan thing like

372

00:16:00,710 --> 00:15:58,320

yeah that was definitely painful to

373

00:16:02,689 --> 00:16:00,720

watch you know and uh the points that

374

00:16:04,250 --> 00:16:02,699

Joe Rogan makes on Bob Bazaar are like

375

00:16:06,650 --> 00:16:04,260

the biggest nine points ever it's like

376

00:16:08,990 --> 00:16:06,660

oh he's never changed his story he he's

377

00:16:11,930 --> 00:16:09,000

kind of changed the story like he's

378

00:16:13,790 --> 00:16:11,940

gotten like increasingly like more vague

379

00:16:15,949 --> 00:16:13,800

over the details over the years you know

380

00:16:17,810 --> 00:16:15,959

like at one point you know he talked

381

00:16:20,689 --> 00:16:17,820

about how he saw you know a hangar with

382

00:16:24,650 --> 00:16:20,699

multiple UFOs but like a battle damaged

383

00:16:26,569 --> 00:16:24,660

UFO a black diamond UFO if memory serves

384

00:16:28,310 --> 00:16:26,579

and then he's kind of gotten away from

385

00:16:30,350 --> 00:16:28,320

all that over the years you know he saw

386

00:16:33,949 --> 00:16:30,360

an alien body but oh well then maybe it

387

00:16:36,470 --> 00:16:33,959

was just a stage thing like yeah so the

388

00:16:39,050 --> 00:16:36,480

story's changed you know and then that

389

00:16:41,389 --> 00:16:39,060

whole He predicted element 151 or

390

00:16:43,430 --> 00:16:41,399

whatever like again you know that's kind

391

00:16:45,410 --> 00:16:43,440

of you know not very impressive not hard

392

00:16:47,269 --> 00:16:45,420

to figure out especially you know when

393

00:16:48,769 --> 00:16:47,279

you kind of look back and you see some

394

00:16:51,170 --> 00:16:48,779

of the discussions about you know

395

00:16:53,150 --> 00:16:51,180

islands of stability for high atomic

396

00:16:55,249 --> 00:16:53,160

number elements around the time when Bob

397

00:16:56,930 --> 00:16:55,259

was on was kind of going live with all

398

00:16:59,870 --> 00:16:56,940

this stuff it's like it was kind of in

399

00:17:01,430 --> 00:16:59,880

the you know nerd spear discourse at the

400

00:17:03,889 --> 00:17:01,440

time so

401
00:17:05,150 --> 00:17:03,899
it's not super surprising to me you know

402
00:17:07,549 --> 00:17:05,160
what I thought

403
00:17:09,710 --> 00:17:07,559
was interesting was when Weinstein was

404
00:17:11,569 --> 00:17:09,720
on Rogan recently and he's like oh uh

405
00:17:13,669 --> 00:17:11,579
let's get why don't we get Bob Lazar to

406
00:17:15,169 --> 00:17:13,679
come on and talk to you and I'm just

407
00:17:18,230 --> 00:17:15,179
like that's never gonna happen there's

408
00:17:19,549 --> 00:17:18,240
no way Lazar he had to fake a headache I

409
00:17:22,669 --> 00:17:19,559
don't know you know it's a cool story

410
00:17:24,530 --> 00:17:22,679
but I there's no way he's ever gonna get

411
00:17:26,630 --> 00:17:24,540
in front of anybody serious and get uh

412
00:17:29,030 --> 00:17:26,640
you know the screws put to him

413
00:17:31,190 --> 00:17:29,040

right all you would need is someone with

414

00:17:32,990 --> 00:17:31,200

some perfunctory familiarity with

415

00:17:34,610 --> 00:17:33,000

college physics to have a conversation

416

00:17:36,289 --> 00:17:34,620

with him and that would pretty much blow

417

00:17:38,450 --> 00:17:36,299

up the entire thing

418

00:17:40,970 --> 00:17:38,460

yeah yeah

419

00:17:43,270 --> 00:17:40,980

I don't see it happening

420

00:17:45,470 --> 00:17:43,280

another uh another new story that we

421

00:17:47,510 --> 00:17:45,480

teased a little bit have you seen uh

422

00:17:50,090 --> 00:17:47,520

have you seen these frames these uh

423

00:17:51,409 --> 00:17:50,100

these Baghdad Phantom frames that Korbelt

424

00:17:52,909 --> 00:17:51,419

released

425

00:17:55,789 --> 00:17:52,919

I thought that was pretty interesting

426

00:17:59,150 --> 00:17:55,799

you know again it's Corbell you know so

427

00:18:01,669 --> 00:17:59,160

sure you know like I try not to you know

428

00:18:03,590 --> 00:18:01,679

play like my UFO good guys and bad guys

429

00:18:06,650 --> 00:18:03,600

thing you know it's kind of one thing on

430

00:18:08,990 --> 00:18:06,660

the UFO science sub is we're like big on

431

00:18:10,669 --> 00:18:09,000

no name calling like don't call people a

432

00:18:12,710 --> 00:18:10,679

grifter unless you really have something

433

00:18:14,090 --> 00:18:12,720

credible that you can say you know but

434

00:18:16,610 --> 00:18:14,100

if you don't like somebody you know

435

00:18:18,650 --> 00:18:16,620

let's it doesn't have to be all hugs and

436

00:18:21,770 --> 00:18:18,660

getting along but let's you know go back

437

00:18:23,390 --> 00:18:21,780

to the facts and you know with uh Jeremy

438

00:18:25,330 --> 00:18:23,400

Corbell you know he's kind of

439

00:18:28,789 --> 00:18:25,340
sensationalizes everything

440

00:18:31,010 --> 00:18:28,799
uh you know he really relies on his

441

00:18:33,950 --> 00:18:31,020
secret witness testimony

442

00:18:35,270 --> 00:18:33,960
and again you know we've we've had you

443

00:18:36,950 --> 00:18:35,280
know Real Witness testimony from

444

00:18:38,870 --> 00:18:36,960
credible Witnesses in the past in

445

00:18:40,669 --> 00:18:38,880
ufology for years so again when I hear

446

00:18:42,289 --> 00:18:40,679
somebody tell me oh well you know

447

00:18:43,909 --> 00:18:42,299
credible Witnesses told me this but we

448

00:18:45,950 --> 00:18:43,919
don't know who the credible Witnesses

449

00:18:47,630 --> 00:18:45,960
are we don't have a quote from them you

450

00:18:48,950 --> 00:18:47,640
know all we have is this kind of very

451
00:18:51,950 --> 00:18:48,960
granular

452
00:18:54,409 --> 00:18:51,960
uh video I'm like it's interesting I

453
00:18:56,630 --> 00:18:54,419
actually saw John greenwald's video on

454
00:18:58,190 --> 00:18:56,640
it recently I don't know if you guys saw

455
00:19:00,289 --> 00:18:58,200
it and he was kind of I haven't seen

456
00:19:01,909 --> 00:19:00,299
that what what was what was greenwald's

457
00:19:04,610 --> 00:19:01,919
take on this

458
00:19:06,409 --> 00:19:04,620
um he was surprisingly optimistic about

459
00:19:08,570 --> 00:19:06,419
it you know his whole thing is you know

460
00:19:10,430 --> 00:19:08,580
he's like you know Korbelt and nap kind

461
00:19:13,490 --> 00:19:10,440
of you know do their own thing

462
00:19:16,730 --> 00:19:13,500
and um you know persuasive commentary

463
00:19:22,130 --> 00:19:16,740

here from YouTube commenter spank flaps

464

00:19:25,610 --> 00:19:24,350

that sums it up though you know but uh

465

00:19:26,750 --> 00:19:25,620

it was interesting because green wall

466

00:19:28,730 --> 00:19:26,760

doesn't ever really get into video

467

00:19:30,110 --> 00:19:28,740

analysis but he did do some show some

468

00:19:31,430 --> 00:19:30,120

close-ups because people were some

469

00:19:34,370 --> 00:19:31,440

people were debating they're like oh we

470

00:19:37,549 --> 00:19:34,380

can see you know a propulsion exhausts

471

00:19:39,049 --> 00:19:37,559

in the air but um you know Greenwell was

472

00:19:41,210 --> 00:19:39,059

like well when you zoom in on this kind

473

00:19:43,730 --> 00:19:41,220

of it looks like a punctuated

474

00:19:45,169 --> 00:19:43,740

exhaust like plume maybe something like

475

00:19:46,850 --> 00:19:45,179

that but he's like you know the kind of

476

00:19:49,490 --> 00:19:46,860

the size and shape looks exactly like

477

00:19:51,169 --> 00:19:49,500

the object like it's a ghost image from

478

00:19:52,549 --> 00:19:51,179

the same object so maybe it's an image

479

00:19:55,789 --> 00:19:52,559

artifact or something with the frame

480

00:19:57,350 --> 00:19:55,799

rates but not necessarily exhaust so I'm

481

00:19:58,730 --> 00:19:57,360

like I don't know it's one of these

482

00:19:59,930 --> 00:19:58,740

things where I just got to throw my

483

00:20:02,770 --> 00:19:59,940

hands up in there and be like yeah it's

484

00:20:05,029 --> 00:20:02,780

kind of cool but without more evidence

485

00:20:07,310 --> 00:20:05,039

you hit him in the beginning there's no

486

00:20:09,650 --> 00:20:07,320

provenance for this video really or it's

487

00:20:12,230 --> 00:20:09,660

not even a video it's

488

00:20:14,630 --> 00:20:12,240

frames from a video and it also kind of

489

00:20:16,669 --> 00:20:14,640

seems like it's um kind of arbitrarily

490

00:20:18,110 --> 00:20:16,679

picked frames because they don't it

491

00:20:20,390 --> 00:20:18,120

doesn't quite line up I've seen people

492

00:20:22,130 --> 00:20:20,400

kind of reconstruct it

493

00:20:23,630 --> 00:20:22,140

um a few different sources reconstructed

494

00:20:28,549 --> 00:20:23,640

and it seems like it's you know like

495

00:20:29,930 --> 00:20:28,559

frame like three five eight nine it's

496

00:20:32,390 --> 00:20:29,940

kind of pulled out so it makes you kind

497

00:20:34,070 --> 00:20:32,400

of Wonder like what's in this video what

498

00:20:36,289 --> 00:20:34,080

are we seeing and hearing in this video

499

00:20:38,750 --> 00:20:36,299

that that is removed and

500

00:20:40,190 --> 00:20:38,760

you know it it is being kind of

501

00:20:41,930 --> 00:20:40,200

pushed it is being kind of

502

00:20:43,250 --> 00:20:41,940

sensationalized like you said so it

503

00:20:44,870 --> 00:20:43,260

makes me wonder it makes me wonder if

504

00:20:47,390 --> 00:20:44,880

they're kind of drumming up the mystery

505

00:20:49,130 --> 00:20:47,400

because this is a it's a projectile in

506

00:20:51,770 --> 00:20:49,140

Wartime right or it's it's a moving

507

00:20:53,270 --> 00:20:51,780

object in Wartime with no provenance so

508

00:20:54,770 --> 00:20:53,280

I mean it's it's hard to kind of

509

00:20:56,390 --> 00:20:54,780

consider it like you said it is just

510

00:20:58,310 --> 00:20:56,400

it's kind of interesting looking but you

511

00:21:01,070 --> 00:20:58,320

can't really take anything away from it

512

00:21:03,169 --> 00:21:01,080

yeah I was surprised to see Greenwald uh

513

00:21:06,049 --> 00:21:03,179

take a stand on it actually like you

514

00:21:08,990 --> 00:21:06,059

were saying I'm sorry yeah

515

00:21:11,510 --> 00:21:09,000

I was just gonna say a question from a

516

00:21:16,370 --> 00:21:11,520

long time uh viewer swink why didn't

517

00:21:21,169 --> 00:21:17,990

I'm sure we would all like to know that

518

00:21:23,270 --> 00:21:21,179

yeah because I mean the uh the kind of

519

00:21:25,130 --> 00:21:23,280

common reason why you don't see part of

520

00:21:26,510 --> 00:21:25,140

that is because it um it would reveal

521

00:21:28,789 --> 00:21:26,520

classified information right but if

522

00:21:31,070 --> 00:21:28,799

these are false green caps from a video

523

00:21:33,070 --> 00:21:31,080

what what would be in those that aren't

524

00:21:35,690 --> 00:21:33,080

in these screenshots

525

00:21:38,330 --> 00:21:35,700

you might not even have the video true

526
00:21:40,430 --> 00:21:38,340
yeah well then you have to wonder you

527
00:21:42,289 --> 00:21:40,440
know there was that video a couple years

528
00:21:44,630 --> 00:21:42,299
ago where first we got the screen it was

529
00:21:45,950 --> 00:21:44,640
around the Batman balloon time you know

530
00:21:47,570 --> 00:21:45,960
where there was all those and then we'd

531
00:21:51,610 --> 00:21:47,580
get a screenshot words are the most

532
00:21:55,549 --> 00:21:53,270
laughs

533
00:21:57,529 --> 00:21:55,559
but you know we got three frames from

534
00:21:59,930 --> 00:21:57,539
this big video that was hype you know

535
00:22:02,270 --> 00:21:59,940
maybe it was me hyping it up in my own

536
00:22:03,950 --> 00:22:02,280
mind I don't know but again you know so

537
00:22:05,930 --> 00:22:03,960
if we get the video this is it just

538
00:22:07,130 --> 00:22:05,940

gonna be you know three frames or I mean

539

00:22:08,570 --> 00:22:07,140

I guess in this case it'd be a couple

540

00:22:10,190 --> 00:22:08,580

more than that but

541

00:22:11,510 --> 00:22:10,200

probably gonna be a lot less impressive

542

00:22:17,090 --> 00:22:11,520

than

543

00:22:19,190 --> 00:22:17,100

so I have a question for you I always

544

00:22:20,990 --> 00:22:19,200

like to ask people this particularly if

545

00:22:23,870 --> 00:22:21,000

they've had an interest in ufology or

546

00:22:25,549 --> 00:22:23,880

high strangeness for a long period how

547

00:22:26,450 --> 00:22:25,559

have your views on UFOs changed over

548

00:22:28,190 --> 00:22:26,460

time

549

00:22:30,289 --> 00:22:28,200

either on the subject or on the

550

00:22:31,730 --> 00:22:30,299

phenomena itself however you want to

551

00:22:35,510 --> 00:22:31,740

interpret that question I'd just love to

552

00:22:37,430 --> 00:22:35,520

hear how your ideas have uh have evolved

553

00:22:39,470 --> 00:22:37,440

well that's a good one you know like I

554

00:22:41,870 --> 00:22:39,480

was born in 84 so you know I was kind of

555

00:22:45,289 --> 00:22:41,880

raised on all the you know X-Files

556

00:22:47,630 --> 00:22:45,299

Unsolved Mysteries like all that UFO

557

00:22:49,610 --> 00:22:47,640

stuff um I have family in Gulf Breeze

558

00:22:51,710 --> 00:22:49,620

Florida so kind of growing up and

559

00:22:52,850 --> 00:22:51,720

visiting there a lot as a kid you know

560

00:22:54,950 --> 00:22:52,860

you would hear all the kind of local

561

00:22:57,110 --> 00:22:54,960

rumors and stories and stuff like that

562

00:22:58,909 --> 00:22:57,120

you know there's the Ed water I think Ed

563

00:23:01,490 --> 00:22:58,919

Waters was his name maybe

564

00:23:03,470 --> 00:23:01,500

um I think so

565

00:23:05,510 --> 00:23:03,480

so you know kind of growing up in Gulf

566

00:23:07,730 --> 00:23:05,520

Breeze that was always something that

567

00:23:09,590 --> 00:23:07,740

was kind of I don't know made me feel

568

00:23:10,610 --> 00:23:09,600

maybe closer to the topic than some

569

00:23:12,529 --> 00:23:10,620

people

570

00:23:14,270 --> 00:23:12,539

but you know also the kind of

571

00:23:15,470 --> 00:23:14,280

just to take a sidebar you know the

572

00:23:18,049 --> 00:23:15,480

thing about Gulf Breeze a lot of people

573

00:23:20,090 --> 00:23:18,059

don't realize is that's like right it's

574

00:23:22,070 --> 00:23:20,100

you're about five hours south of

575

00:23:23,750 --> 00:23:22,080

Huntsville Alabama and you're like right

576

00:23:26,590 --> 00:23:23,760

in the middle of several major military

577

00:23:30,289 --> 00:23:26,600

bases there's like three military bases

578

00:23:32,270 --> 00:23:30,299

Pensacola Florida Fort Walton Beach

579

00:23:34,909 --> 00:23:32,280

all up and down that Gulf Coast there

580

00:23:37,789 --> 00:23:34,919

there's military bases so you know it's

581

00:23:40,070 --> 00:23:37,799

and I uh Fort Walton is also a known

582

00:23:42,830 --> 00:23:40,080

area where they train drone Pilots

583

00:23:45,110 --> 00:23:42,840

so you can only imagine like how much

584

00:23:48,289 --> 00:23:45,120

like interesting crazy you know

585

00:23:51,230 --> 00:23:48,299

governments Tech is buzzing around over

586

00:23:52,730 --> 00:23:51,240

there you know but um back to the

587

00:23:54,710 --> 00:23:52,740

original question my views on the topic

588

00:23:56,990 --> 00:23:54,720

you know it just kind of comes and goes

589

00:23:59,630 --> 00:23:57,000

you know I'll kind of get interested in

590

00:24:02,510 --> 00:23:59,640

the topic for a while and then I'm like

591

00:24:04,909 --> 00:24:02,520

there's really no satisfactory answer so

592

00:24:07,370 --> 00:24:04,919

then I'll leave then come back leave

593

00:24:08,390 --> 00:24:07,380

come back you know after I guess you

594

00:24:10,430 --> 00:24:08,400

know

595

00:24:11,930 --> 00:24:10,440

the last couple years I've just kind of

596

00:24:13,490 --> 00:24:11,940

dipped out of the topic a little bit

597

00:24:14,750 --> 00:24:13,500

just kind of you know kind of check back

598

00:24:18,110 --> 00:24:14,760

in every now and then and say oh

599

00:24:20,450 --> 00:24:18,120

anything interesting going on but um you

600

00:24:23,210 --> 00:24:20,460

know I think they kind of uh changed up

601
00:24:25,310 --> 00:24:23,220
the Consciousness aspects of the topic

602
00:24:29,149 --> 00:24:25,320
is something that's

603
00:24:31,130 --> 00:24:29,159
um a little more into now

604
00:24:33,710 --> 00:24:31,140
um you know reading uh stuff from like

605
00:24:35,930 --> 00:24:33,720
Donald Hoffman and Michael Talbot's you

606
00:24:38,210 --> 00:24:35,940
know holographic Universe kind of stuff

607
00:24:39,770 --> 00:24:38,220
kind of makes me like Wonder okay you

608
00:24:42,049 --> 00:24:39,780
know maybe maybe there's a little

609
00:24:44,330 --> 00:24:42,059
something more to it you know than uh

610
00:24:45,770 --> 00:24:44,340
just the nuts and bolts thing yeah I was

611
00:24:47,930 --> 00:24:45,780
going to ask you what your thoughts were

612
00:24:50,630 --> 00:24:47,940
on it is physical phenomenon versus

613
00:24:51,250 --> 00:24:50,640

metaphysical or

614

00:24:54,049 --> 00:24:51,260

um

615

00:24:56,029 --> 00:24:54,059

non-material phenomena

616

00:24:58,070 --> 00:24:56,039

I mean that that's a good question you

617

00:25:00,049 --> 00:24:58,080

know it's kind of goes back to what is

618

00:25:02,750 --> 00:25:00,059

the arthi Arthur C Clarke quote anything

619

00:25:04,430 --> 00:25:02,760

any technology sufficiently advances

620

00:25:07,549 --> 00:25:04,440

indistinguishable from Magic or

621

00:25:09,409 --> 00:25:07,559

something like that you know so you know

622

00:25:11,270 --> 00:25:09,419

our limited kind of perception of the

623

00:25:13,190 --> 00:25:11,280

universe and what it is

624

00:25:16,250 --> 00:25:13,200

you know maybe it seems like some kind

625

00:25:18,409 --> 00:25:16,260

of extra dimensional Consciousness thing

626

00:25:19,850 --> 00:25:18,419

but you know it probably has some roots

627

00:25:22,850 --> 00:25:19,860

and some nuts and bolts somewhere if

628

00:25:24,590 --> 00:25:22,860

there's anything to it so you know I'm

629

00:25:26,630 --> 00:25:24,600

open to it I think you know that may be

630

00:25:28,970 --> 00:25:26,640

where we find the answers like I you

631

00:25:30,529 --> 00:25:28,980

know some of the most satisfactory

632

00:25:32,750 --> 00:25:30,539

answers the questions that I've had

633

00:25:34,549 --> 00:25:32,760

about ufology have come from non-ufo

634

00:25:36,890 --> 00:25:34,559

related sources I guess you know like

635

00:25:39,950 --> 00:25:36,900

reading about you know Donald Hoffman

636

00:25:42,830 --> 00:25:39,960

and cool and boom you know another guy

637

00:25:44,090 --> 00:25:42,840

you know just to name a few you know and

638

00:25:45,890 --> 00:25:44,100

even you know for a while you know I was

639

00:25:47,690 --> 00:25:45,900

into reading you know about like

640

00:25:49,210 --> 00:25:47,700

Buddhism and stuff like that just kind

641

00:25:51,710 --> 00:25:49,220

of different theories on Consciousness

642

00:25:53,149 --> 00:25:51,720

and uh you know even some you know a

643

00:25:56,630 --> 00:25:53,159

little bit of psychedelic uh

644

00:25:58,909 --> 00:25:56,640

experimentation kind of will uh jog your

645

00:26:01,810 --> 00:25:58,919

brain muscles you're fitting right in

646

00:26:06,070 --> 00:26:01,820

here at is just so you know

647

00:26:11,110 --> 00:26:08,210

yeah we definitely don't shy away from

648

00:26:14,149 --> 00:26:11,120

the psychedelics talk the password

649

00:26:16,310 --> 00:26:14,159

yeah I know all of it yeah yeah we try

650

00:26:17,990 --> 00:26:16,320

to get in on everything

651
00:26:19,430 --> 00:26:18,000
it was I was saying before the show I'm

652
00:26:21,830 --> 00:26:19,440
actually sitting a retreat right now

653
00:26:23,570 --> 00:26:21,840
like a working Retreat

654
00:26:25,490 --> 00:26:23,580
um so I'm meditating right now between

655
00:26:26,810 --> 00:26:25,500
like three and six hours a day and then

656
00:26:28,190 --> 00:26:26,820
when I'm not meditating I've been just

657
00:26:29,990 --> 00:26:28,200
been skiing

658
00:26:33,409 --> 00:26:30,000
um and it has been it's a weird week

659
00:26:36,230 --> 00:26:33,419
like it's very strange to be like live

660
00:26:38,870 --> 00:26:36,240
streaming in the middle of all this

661
00:26:40,370 --> 00:26:38,880
that's the strange part yeah that's the

662
00:26:42,710 --> 00:26:40,380
strangest part it's the live stream

663
00:26:45,289 --> 00:26:42,720

stuff

664

00:26:47,930 --> 00:26:45,299

many worlds it's interesting I uh I see

665

00:26:49,549 --> 00:26:47,940

king milk fart in the chat uh saying not

666

00:26:50,210 --> 00:26:49,559

a missile I wonder

667

00:26:52,970 --> 00:26:50,220

um

668

00:26:55,010 --> 00:26:52,980

milk fart you should join ins and come

669

00:26:56,810 --> 00:26:55,020

on yeah he should come on I wanna I

670

00:26:58,909 --> 00:26:56,820

wanna hear his take on that because like

671

00:27:02,210 --> 00:26:58,919

I've I've seen a little bit of the

672

00:27:04,130 --> 00:27:02,220

arguments on both sides and like I said

673

00:27:07,570 --> 00:27:04,140

I'm a bit out of the loop now so like

674

00:27:11,210 --> 00:27:07,580

I'd like to hear um

675

00:27:12,710 --> 00:27:11,220

if you guys are brave enough right yeah

676

00:27:17,090 --> 00:27:12,720

I thought that was interesting like

677

00:27:20,090 --> 00:27:17,100

Greenwald Junior uh posting that Twitter

678

00:27:21,769 --> 00:27:20,100

um uh Thread about it and he was uh you

679

00:27:25,010 --> 00:27:21,779

know I don't think I've seen him sort of

680

00:27:28,970 --> 00:27:25,020

lean into a UFO video like that before

681

00:27:31,070 --> 00:27:28,980

he was drawing attention you have no I'm

682

00:27:32,990 --> 00:27:31,080

saying I don't think yes yeah yeah it

683

00:27:34,909 --> 00:27:33,000

was it was unusual and he was drawing

684

00:27:36,649 --> 00:27:34,919

attention to that exact uh thing Pastor

685

00:27:40,549 --> 00:27:36,659

Commander that you were describing how

686

00:27:42,409 --> 00:27:40,559

it looked like the uh the trail was

687

00:27:44,990 --> 00:27:42,419

actually a series of uh like ghost

688

00:27:47,029 --> 00:27:45,000

images of the object itself and then um

689

00:27:49,490 --> 00:27:47,039

like the immediate response I saw

690

00:27:51,529 --> 00:27:49,500

somewhere on Reddit was like well it

691

00:27:53,630 --> 00:27:51,539

could just be a missile whose uh fuel

692

00:27:55,970 --> 00:27:53,640

had run out and it is still traveling

693

00:27:57,649 --> 00:27:55,980

forward with that the fuel going and

694

00:28:00,470 --> 00:27:57,659

it's like well it's kind of like the

695

00:28:02,930 --> 00:28:00,480

Calvin photo where that's more likely

696

00:28:05,690 --> 00:28:02,940

than something extraordinary so

697

00:28:07,430 --> 00:28:05,700

that we have to sort of

698

00:28:09,350 --> 00:28:07,440

think that that's the most likely

699

00:28:11,029 --> 00:28:09,360

explanation until there's extraordinary

700

00:28:12,529 --> 00:28:11,039

evidence providing support for

701
00:28:13,870 --> 00:28:12,539
Extraordinary claims

702
00:28:16,430 --> 00:28:13,880
sure

703
00:28:19,789 --> 00:28:16,440
it could be a mortar shell

704
00:28:21,830 --> 00:28:19,799
as well not just a missile okay

705
00:28:23,330 --> 00:28:21,840
none of this is in my wheelhouse at all

706
00:28:25,250 --> 00:28:23,340
but I do like hearing people kind of

707
00:28:27,110 --> 00:28:25,260
pick apart the video like that uh the

708
00:28:29,090 --> 00:28:27,120
description she between whether it's a

709
00:28:31,970 --> 00:28:29,100
trail or just kind of uh artifact thing

710
00:28:33,409 --> 00:28:31,980
was really interesting it's it's an

711
00:28:34,850 --> 00:28:33,419
interesting video what is he saying

712
00:28:37,130 --> 00:28:34,860
missiles are over 100 degrees Fahrenheit

713
00:28:39,169 --> 00:28:37,140

for hours after impacting the ground

714

00:28:41,269 --> 00:28:39,179

oh right so

715

00:28:43,490 --> 00:28:41,279

um in the video

716

00:28:45,890 --> 00:28:43,500

White's hot right and black is cold and

717

00:28:48,590 --> 00:28:45,900

the uh the object appeared black

718

00:28:50,510 --> 00:28:48,600

right I'm not I'm not too familiar with

719

00:28:52,850 --> 00:28:50,520

um infrared imaging or anything like

720

00:28:57,909 --> 00:28:52,860

that but um I don't think anybody is

721

00:29:03,649 --> 00:28:59,990

it's on the internet are losing their

722

00:29:06,529 --> 00:29:03,659

[h__h] yeah forgive me Specialists well so

723

00:29:09,409 --> 00:29:06,539

is it um is it relative or is it like

724

00:29:11,210 --> 00:29:09,419

each shade is like indicative of a

725

00:29:13,430 --> 00:29:11,220

numbered temperature does anything

726
00:29:15,769 --> 00:29:13,440
fascinating that's a good question what

727
00:29:18,769 --> 00:29:15,779
I was seeing in the arguments uh in the

728
00:29:20,510 --> 00:29:18,779
you know stuff before is that um it is

729
00:29:22,250 --> 00:29:20,520
relative that it is cooler and then

730
00:29:25,010 --> 00:29:22,260
there was the argument was that like

731
00:29:27,470 --> 00:29:25,020
depending on the time of day in Baghdad

732
00:29:30,350 --> 00:29:27,480
the ground could be extraordinarily hot

733
00:29:32,990 --> 00:29:30,360
so uh it's okay say a ton about the

734
00:29:35,110 --> 00:29:33,000
missiles if it's a missile that's that's

735
00:29:39,830 --> 00:29:35,120
it

736
00:29:41,690 --> 00:29:39,840
comment from swink here uh Greenwald

737
00:29:44,389 --> 00:29:41,700
multiple times even said to go check out

738
00:29:47,750 --> 00:29:44,399

corbill and Knapp's website thought that

739

00:29:49,970 --> 00:29:47,760

was odd too I wonder I mean you know I I

740

00:29:51,470 --> 00:29:49,980

certainly don't want to assume anything

741

00:29:53,510 --> 00:29:51,480

but I also wonder how much of this may

742

00:29:56,330 --> 00:29:53,520

be some degree of like damage control or

743

00:29:58,990 --> 00:29:56,340

diplomacy from Greenwald to try and bend

744

00:30:01,610 --> 00:29:59,000

fences with like ufology in general

745

00:30:03,110 --> 00:30:01,620

right oh are people upset with him now

746

00:30:05,269 --> 00:30:03,120

or something I don't know people are

747

00:30:10,970 --> 00:30:05,279

dude it's it's beautiful Twitter people

748

00:30:14,450 --> 00:30:12,470

of something that I don't know he sold

749

00:30:17,330 --> 00:30:14,460

some like sex toy on his eBay store in

750

00:30:19,549 --> 00:30:17,340

UFC yeah he actually blocked me right

751

00:30:21,889 --> 00:30:19,559

before I got rid of my Twitter really

752

00:30:24,850 --> 00:30:21,899

really yeah I asked him if he was going

753

00:30:27,590 --> 00:30:24,860

to spank that kid I probably should

754

00:30:32,269 --> 00:30:27,600

okay that would be a blockable comment I

755

00:30:35,330 --> 00:30:32,279

mean whatever yeah whatever man whatever

756

00:30:36,470 --> 00:30:35,340

oh it's incredible yeah I don't know I

757

00:30:37,669 --> 00:30:36,480

think the discussion around the video is

758

00:30:39,409 --> 00:30:37,679

fun like just like I thought the

759

00:30:40,310 --> 00:30:39,419

discussion around the uh the Calvin

760

00:30:42,710 --> 00:30:40,320

photo

761

00:30:44,450 --> 00:30:42,720

that last summer was was interesting

762

00:30:46,549 --> 00:30:44,460

like I personally don't

763

00:30:48,649 --> 00:30:46,559

think it's anything uh too compelling

764

00:30:49,970 --> 00:30:48,659

but uh it's still neat it's still fun

765

00:30:52,250 --> 00:30:49,980

it's like kind of the center of the

766

00:30:54,409 --> 00:30:52,260

hobby right yeah and it's also just fun

767

00:30:56,210 --> 00:30:54,419

seeing and watching how people kind of

768

00:30:57,830 --> 00:30:56,220

collaboratively interpret and talk about

769

00:31:00,110 --> 00:30:57,840

these things even if they themselves

770

00:31:01,490 --> 00:31:00,120

aren't particularly significant or

771

00:31:03,110 --> 00:31:01,500

notable

772

00:31:04,610 --> 00:31:03,120

um the kind of community mythology is

773

00:31:05,990 --> 00:31:04,620

always really interesting to watch on

774

00:31:08,330 --> 00:31:06,000

hold

775

00:31:09,970 --> 00:31:08,340

now passenger did you have a take on the

776

00:31:12,409 --> 00:31:09,980

The Calvin photo

777

00:31:15,110 --> 00:31:12,419

uh that was like kind of what I dipped

778

00:31:17,510 --> 00:31:15,120

out from I was just like I think I can't

779

00:31:19,430 --> 00:31:17,520

remember what happened one of many

780

00:31:20,870 --> 00:31:19,440

disappointments I was like ah you know

781

00:31:22,669 --> 00:31:20,880

so

782

00:31:24,230 --> 00:31:22,679

I saw it but I didn't really follow the

783

00:31:29,210 --> 00:31:24,240

discussion

784

00:31:33,289 --> 00:31:31,490

in the last few days about basically

785

00:31:35,930 --> 00:31:33,299

saying that they think what was captured

786

00:31:36,789 --> 00:31:35,940

on the photo was some kind of

787

00:31:39,470 --> 00:31:36,799

um

788

00:31:41,090 --> 00:31:39,480

experimental aircraft

789

00:31:44,690 --> 00:31:41,100

I mean it's kind of been part of the

790

00:31:46,070 --> 00:31:44,700

lore right now who who was it Campbell

791

00:31:48,590 --> 00:31:46,080

you're familiar with the person who came

792

00:31:50,810 --> 00:31:48,600

out with this right yes uh I was

793

00:31:53,389 --> 00:31:50,820

surprised it was a an article in a

794

00:31:56,090 --> 00:31:53,399

British newspaper and they were citing

795

00:32:01,029 --> 00:31:56,100

uh Professor uh Simon Holland he's a

796

00:32:05,810 --> 00:32:03,950

that's right yes yes yeah and he's done

797

00:32:08,149 --> 00:32:05,820

a bunch of videos about a bunch of

798

00:32:11,930 --> 00:32:08,159

things like including UFO stuff um his

799

00:32:13,669 --> 00:32:11,940

degree like he's like a art Direction a

800

00:32:15,230 --> 00:32:13,679

theater major or something so he's not

801
00:32:17,149 --> 00:32:15,240
like a degree in like physics or

802
00:32:18,889 --> 00:32:17,159
anything but uh he has like neat videos

803
00:32:22,610 --> 00:32:18,899
but uh he he

804
00:32:24,649 --> 00:32:22,620
his videos reference like the idea of

805
00:32:27,169 --> 00:32:24,659
like a lot of UFO stuff being these sort

806
00:32:29,529 --> 00:32:27,179
of extraordinary black Tech projects and

807
00:32:32,510 --> 00:32:29,539
he cites kind of like um indirect

808
00:32:34,430 --> 00:32:32,520
sources to support the arguments uh

809
00:32:36,529 --> 00:32:34,440
they're good videos like interesting

810
00:32:38,810 --> 00:32:36,539
well very well produced but um you know

811
00:32:41,450 --> 00:32:38,820
there isn't like a a Crystal Clear

812
00:32:45,230 --> 00:32:42,529
yeah

813
00:32:46,850 --> 00:32:45,240

that's something I could dive back into

814

00:32:48,649 --> 00:32:46,860

um I thought I also heard a rumor that

815

00:32:50,149 --> 00:32:48,659

they found the photographer is that true

816

00:32:52,490 --> 00:32:50,159

did anybody hear that

817

00:32:56,450 --> 00:32:52,500

I believe there was a previous article

818

00:32:58,610 --> 00:32:56,460

from the newspaper that the photos were

819

00:33:00,889 --> 00:32:58,620

originally provided for that said it was

820

00:33:04,010 --> 00:33:00,899

a uh what was speculated previously as

821

00:33:05,630 --> 00:33:04,020

it was like a a door guy at one nearby

822

00:33:08,690 --> 00:33:05,640

hotel or something and that has

823

00:33:11,930 --> 00:33:08,700

allegedly been more solidly kind of

824

00:33:14,210 --> 00:33:11,940

confirmed uh I haven't checked into that

825

00:33:16,009 --> 00:33:14,220

in detail but that was what I saw in

826

00:33:18,230 --> 00:33:16,019

this newer article it was referencing

827

00:33:20,389 --> 00:33:18,240

that I came so unprepared and I I

828

00:33:22,009 --> 00:33:20,399

haven't heard anything in a while I kept

829

00:33:24,350 --> 00:33:22,019

meaning to sit down to read um that's

830

00:33:27,470 --> 00:33:24,360

why we're doing open lines yeah audience

831

00:33:29,570 --> 00:33:27,480

members to carry the show I made it all

832

00:33:31,669 --> 00:33:29,580

into being kind of like well there's not

833

00:33:32,810 --> 00:33:31,679

really much like it's like repositior

834

00:33:35,769 --> 00:33:32,820

it's like well I don't really follow

835

00:33:37,909 --> 00:33:35,779

that it's like well I guess

836

00:33:39,649 --> 00:33:37,919

one thing that I thought might be

837

00:33:41,930 --> 00:33:39,659

interesting to discuss is that like one

838

00:33:44,690 --> 00:33:41,940

thing that we kind of did on UFO science

839

00:33:47,630 --> 00:33:44,700

is we don't allow anybody to post just

840

00:33:49,909 --> 00:33:47,640

like random UFO videos or pictures

841

00:33:52,310 --> 00:33:49,919

because like I spent a lot of time on

842

00:33:55,909 --> 00:33:52,320

any kind of UFO discussion area like

843

00:33:57,830 --> 00:33:55,919

there are so many videos and it's kind

844

00:34:00,409 --> 00:33:57,840

of like really a video has to be

845

00:34:02,029 --> 00:34:00,419

exceptional for it to be anything worth

846

00:34:05,090 --> 00:34:02,039

even spending time looking at like I've

847

00:34:06,590 --> 00:34:05,100

seen so many videos of contrails and you

848

00:34:08,510 --> 00:34:06,600

know just kind of one thing I always

849

00:34:10,250 --> 00:34:08,520

advise people like interested in the

850

00:34:12,829 --> 00:34:10,260

topic is like look up like they have

851
00:34:14,450 --> 00:34:12,839
YouTube YouTube videos of Just Aviation

852
00:34:16,490 --> 00:34:14,460
lights like all the lights on the

853
00:34:18,470 --> 00:34:16,500
airplane you know kind of the sequences

854
00:34:20,510 --> 00:34:18,480
they go through you know how a plane

855
00:34:22,250 --> 00:34:20,520
coming straight at you will look like a

856
00:34:24,349 --> 00:34:22,260
hovering bright light for you know quite

857
00:34:27,770 --> 00:34:24,359
a long time depending how far out it is

858
00:34:30,470 --> 00:34:27,780
and um a lot of people just kind of lack

859
00:34:32,329 --> 00:34:30,480
some like fundamental ability to kind of

860
00:34:34,250 --> 00:34:32,339
scrutinize video and I'm like not a

861
00:34:35,570 --> 00:34:34,260
video analysis guy but I'm just a nerd

862
00:34:38,450 --> 00:34:35,580
you know so

863
00:34:39,950 --> 00:34:38,460

try to at least know what I'm looking at

864

00:34:41,810 --> 00:34:39,960

and talking about so it's kind of one of

865

00:34:43,550 --> 00:34:41,820

those things where it's like you know if

866

00:34:44,450 --> 00:34:43,560

if we ever get any kind of solid

867

00:34:46,669 --> 00:34:44,460

evidence

868

00:34:49,430 --> 00:34:46,679

it's not going to be just a video right

869

00:34:51,530 --> 00:34:49,440

I think a lot of people might sometimes

870

00:34:53,270 --> 00:34:51,540

miss that anytime we get so hyped up

871

00:34:55,790 --> 00:34:53,280

about videos but

872

00:34:57,530 --> 00:34:55,800

you know really their problem I don't

873

00:34:59,630 --> 00:34:57,540

see them doing much for the topic you

874

00:35:01,609 --> 00:34:59,640

know we have we have a ton of them you

875

00:35:02,630 --> 00:35:01,619

know we have witness testimony to go

876

00:35:06,230 --> 00:35:02,640

with the video

877

00:35:08,930 --> 00:35:06,240

still not enough you know so yeah it's

878

00:35:10,250 --> 00:35:08,940

like a as a facet of a larger hole it it

879

00:35:13,069 --> 00:35:10,260

can provide good evidence but you're

880

00:35:14,630 --> 00:35:13,079

right yeah no single photo or video is

881

00:35:17,390 --> 00:35:14,640

ever gonna be a Smoking Gun

882

00:35:21,650 --> 00:35:17,400

Unfortunately they are fun to pour over

883

00:35:24,890 --> 00:35:23,329

you know we do allow you know current

884

00:35:26,329 --> 00:35:24,900

you know hot topics and everything to

885

00:35:29,390 --> 00:35:26,339

discuss but it's mainly just those

886

00:35:32,450 --> 00:35:29,400

random like here's this UFO video that

887

00:35:34,609 --> 00:35:32,460

my cousin took and uh you know it just

888

00:35:37,490 --> 00:35:34,619

kind of clogs up the uh discussion and

889

00:35:39,410 --> 00:35:37,500

people go back and forth yeah it's kind

890

00:35:41,390 --> 00:35:39,420

of it's interesting like living ankle

891

00:35:43,270 --> 00:35:41,400

freeze by military bases I used to see

892

00:35:45,589 --> 00:35:43,280

flares like all the time

893

00:35:47,630 --> 00:35:45,599

sure and you know you kind of get these

894

00:35:48,950 --> 00:35:47,640

people and a lot of these videos like oh

895

00:35:51,290 --> 00:35:48,960

this can't be a missile because a

896

00:35:52,790 --> 00:35:51,300

missile always looks this way or it

897

00:35:54,050 --> 00:35:52,800

can't be a flare because a flare always

898

00:35:56,030 --> 00:35:54,060

looks this way it's like you know you

899

00:35:58,609 --> 00:35:56,040

have to realize that atmospheric

900

00:36:00,410 --> 00:35:58,619

conditions are so different and with

901
00:36:01,730 --> 00:36:00,420
different you know wind and atmosphere

902
00:36:03,230 --> 00:36:01,740
conditions different lighting different

903
00:36:04,849 --> 00:36:03,240
times a day

904
00:36:06,470 --> 00:36:04,859
things are going to look incredibly

905
00:36:07,970 --> 00:36:06,480
different so it's kind of one of those

906
00:36:10,310 --> 00:36:07,980
things where some if somebody's like it

907
00:36:11,870 --> 00:36:10,320
can't be this whatever you know it can't

908
00:36:14,690 --> 00:36:11,880
be a contrail because contrails always

909
00:36:15,650 --> 00:36:14,700
look like this well then I'm like you

910
00:36:17,150 --> 00:36:15,660
know

911
00:36:18,470 --> 00:36:17,160
you're using always and ever in an

912
00:36:19,910 --> 00:36:18,480
argument so you know we really don't

913
00:36:22,609 --> 00:36:19,920

have to explain you know we don't have

914

00:36:23,690 --> 00:36:22,619

to die too deep into that

915

00:36:25,730 --> 00:36:23,700

so

916

00:36:27,710 --> 00:36:25,740

great

917

00:36:29,630 --> 00:36:27,720

look passenger Commander thank you so

918

00:36:31,670 --> 00:36:29,640

much for dropping in

919

00:36:33,109 --> 00:36:31,680

um Kimball feel free to reach out to him

920

00:36:34,510 --> 00:36:33,119

to come on and do a full show with us

921

00:36:36,890 --> 00:36:34,520

sometime yeah

922

00:36:38,510 --> 00:36:36,900

be super cool I'm gonna have to check

923

00:36:43,250 --> 00:36:38,520

out the subreddit too I might venture

924

00:36:46,849 --> 00:36:45,470

no problem guys it's been a pleasure I'm

925

00:36:48,290 --> 00:36:46,859

gonna hang out and watch the rest of the

926

00:36:50,569 --> 00:36:48,300

show but thanks for having me I'm

927

00:36:55,910 --> 00:36:53,569

see ya thank you

928

00:36:58,130 --> 00:36:55,920

super cool don't we have we've got

929

00:37:00,710 --> 00:36:58,140

someone else in the in the green yeah we

930

00:37:07,130 --> 00:37:00,720

have we have Jay uh Jay shank who is on

931

00:37:09,589 --> 00:37:08,690

you can confirm that I exist in real

932

00:37:11,210 --> 00:37:09,599

life

933

00:37:13,849 --> 00:37:11,220

um so Jay I'm gonna add you to the

934

00:37:17,270 --> 00:37:13,859

stream uh I've I've got a question for

935

00:37:19,390 --> 00:37:17,280

the both of you once he's on here okay

936

00:37:22,069 --> 00:37:19,400

it's a taco related

937

00:37:23,630 --> 00:37:22,079

related hey what's up it is I wanted to

938

00:37:25,550 --> 00:37:23,640

know if they were real tacos or white

939

00:37:28,130 --> 00:37:25,560

people tacos no they were real tacos

940

00:37:30,290 --> 00:37:28,140

they were real [\h__\h] really really

941

00:37:32,690 --> 00:37:30,300

good don't get me wrong like white

942

00:37:34,370 --> 00:37:32,700

people really good I'm in a place you

943

00:37:36,770 --> 00:37:34,380

know I I definitely crave them sometimes

944

00:37:39,589 --> 00:37:36,780

but like real people there is a place

945

00:37:41,450 --> 00:37:39,599

that place those tacos are like or like

946

00:37:44,569 --> 00:37:41,460

why I have to wear stretchy pants after

947

00:37:46,970 --> 00:37:44,579

covid but most tacos are so [\h__\h] good

948

00:37:48,290 --> 00:37:46,980

the tacos are excellent they were real

949

00:37:51,109 --> 00:37:48,300

tacos

950

00:37:53,810 --> 00:37:51,119

if you're ever in Cleveland any of you

951
00:37:56,569 --> 00:37:53,820
we will go to get white people tacos at

952
00:38:00,230 --> 00:37:56,579
a place called CAP and cap and taco with

953
00:38:04,430 --> 00:38:00,240
you know a prep uh apostrophe and it is

954
00:38:05,870 --> 00:38:04,440
a um Aviation themed taco place that I

955
00:38:08,870 --> 00:38:05,880
think was meant to be a chain but

956
00:38:10,910 --> 00:38:08,880
there's only one of them at uh it's near

957
00:38:12,950 --> 00:38:10,920
the airport kind of in the industrial

958
00:38:15,290 --> 00:38:12,960
park area

959
00:38:17,030 --> 00:38:15,300
it's delicious it's they're not real

960
00:38:20,450 --> 00:38:17,040
tacos but they're the best white people

961
00:38:24,050 --> 00:38:20,460
tacos I've ever had and they have merch

962
00:38:25,010 --> 00:38:24,060
so you get the little um Taco Chef in an

963
00:38:27,530 --> 00:38:25,020

airplane

964

00:38:31,790 --> 00:38:27,540

uh mascot

965

00:38:34,670 --> 00:38:31,800

no relation to uh Captain Crunch then I

966

00:38:36,589 --> 00:38:34,680

don't think so I don't think so

967

00:38:39,650 --> 00:38:36,599

um you know unless you want to get on

968

00:38:43,250 --> 00:38:39,660

ancestry.com and start going through

969

00:38:46,069 --> 00:38:43,260

those guys like who's you know when you

970

00:38:49,329 --> 00:38:46,079

find out that that's like okay so when

971

00:38:52,790 --> 00:38:49,339

the crunches came to the new world and

972

00:38:55,130 --> 00:38:52,800

Emperor Maximilian was briefly in charge

973

00:38:58,910 --> 00:38:55,140

of Mexico and there's a whole thing I

974

00:39:00,829 --> 00:38:58,920

don't know does anyone when we're

975

00:39:03,829 --> 00:39:00,839

talking about this stuff I have this

976
00:39:05,569 --> 00:39:03,839
sense of weird cognitive dissonance and

977
00:39:08,750 --> 00:39:05,579
this is not like a digged corbel

978
00:39:11,510 --> 00:39:08,760
necessarily but just the fact that we're

979
00:39:13,490 --> 00:39:11,520
even talking about this you remember

980
00:39:15,290 --> 00:39:13,500
when we had radioactivity I miss

981
00:39:19,010 --> 00:39:15,300
radioactivity

982
00:39:23,329 --> 00:39:19,020
do you remember when saucers would land

983
00:39:25,849 --> 00:39:23,339
and do stuff and there would be like a

984
00:39:27,490 --> 00:39:25,859
patch of ruined ground where nothing

985
00:39:30,890 --> 00:39:27,500
would grow

986
00:39:33,050 --> 00:39:30,900
yes like Delphos and there are a lot I

987
00:39:35,750 --> 00:39:33,060
feel like there are a lot of these in a

988
00:39:38,329 --> 00:39:35,760

perioded somebody would go out and

989

00:39:41,329 --> 00:39:38,339

detect you know a higher degree of

990

00:39:43,849 --> 00:39:41,339

ionizing radiation it would be like you

991

00:39:45,770 --> 00:39:43,859

know this is kind of that was like I

992

00:39:48,290 --> 00:39:45,780

remember a lot of those cases being

993

00:39:52,130 --> 00:39:48,300

somewhat impressive and now we're

994

00:39:55,130 --> 00:39:52,140

looking at like the uh we're so horny

995

00:39:58,670 --> 00:39:55,140

for UFOs we're looking at this like so

996

00:40:00,589 --> 00:39:58,680

horny for UFOs three pixel blob and

997

00:40:02,690 --> 00:40:00,599

we're gonna fight about that I have

998

00:40:04,870 --> 00:40:02,700

people you somebody I think passenger

999

00:40:07,609 --> 00:40:04,880

Commander mentioned the Batman balloon

1000

00:40:10,130 --> 00:40:07,619

and people unfollow me on Twitter over

1001

00:40:12,230 --> 00:40:10,140

the Batman balloon

1002

00:40:16,069 --> 00:40:12,240

UFOs are serious business dude it's

1003

00:40:17,630 --> 00:40:16,079

serious business Twitter would you would

1004

00:40:18,829 --> 00:40:17,640

you tweet

1005

00:40:21,770 --> 00:40:18,839

um

1006

00:40:23,810 --> 00:40:21,780

gifts uh when that was happening and I

1007

00:40:27,890 --> 00:40:23,820

was tweeting a bunch of gifts from the

1008

00:40:31,069 --> 00:40:27,900

the 89 Batman the best Batman

1009

00:40:34,370 --> 00:40:31,079

of the um the whole flight sequence and

1010

00:40:36,530 --> 00:40:34,380

people unfollowed me over that

1011

00:40:39,349 --> 00:40:36,540

but I do

1012

00:40:43,550 --> 00:40:39,359

I I do question this though when we talk

1013

00:40:46,670 --> 00:40:43,560

about the larger mythology of these um

1014

00:40:49,730 --> 00:40:46,680

sightings and incidents it does feel to

1015

00:40:51,650 --> 00:40:49,740

me I guess this is again getting older

1016

00:40:54,670 --> 00:40:51,660

and being like things were cooler in the

1017

00:40:56,450 --> 00:40:54,680

90s things were cooler in the 80s

1018

00:40:59,030 --> 00:40:56,460

we don't

1019

00:41:02,030 --> 00:40:59,040

um it feels like with each like each

1020

00:41:04,910 --> 00:41:02,040

decade though and it's again like super

1021

00:41:06,710 --> 00:41:04,920

weird for a Lazar and nap to be on

1022

00:41:10,510 --> 00:41:06,720

people's lips again it's like which

1023

00:41:13,910 --> 00:41:10,520

which eighth decade wow with each decade

1024

00:41:15,950 --> 00:41:13,920

our Mythos is like white the Slate is

1025

00:41:19,730 --> 00:41:15,960

wiped clean

1026
00:41:21,950 --> 00:41:19,740
and yeah this lake is constantly cycled

1027
00:41:24,109 --> 00:41:21,960
and recycled you'll you'll notice that

1028
00:41:26,510 --> 00:41:24,119
like yeah through the decades the the

1029
00:41:28,790 --> 00:41:26,520
phenomenon I'll use that term sure I

1030
00:41:30,829 --> 00:41:28,800
mean certain attributes or loses certain

1031
00:41:33,710 --> 00:41:30,839
attributes but one all these attributes

1032
00:41:35,630 --> 00:41:33,720
seem to be like not only like just a

1033
00:41:36,710 --> 00:41:35,640
Step Beyond us but like well within

1034
00:41:42,050 --> 00:41:36,720
human

1035
00:41:43,730 --> 00:41:42,060
right if you look at like the 47 wave

1036
00:41:45,710 --> 00:41:43,740
they were all zipping around going

1037
00:41:47,210 --> 00:41:45,720
supersonic speeds you know it was the

1038
00:41:50,329 --> 00:41:47,220

same year Chuck Yeager broke the sound

1039

00:41:52,490 --> 00:41:50,339

barrier right right supersonic UFOs

1040

00:41:53,930 --> 00:41:52,500

um then you have uh in the late 50s or

1041

00:41:55,310 --> 00:41:53,940

whatever you start giving the uh the

1042

00:41:57,770 --> 00:41:55,320

vehicle interference you know right on

1043

00:41:59,450 --> 00:41:57,780

the tail end of like things like

1044

00:42:01,370 --> 00:41:59,460

um The Day the Earth Stood Still but

1045

00:42:03,470 --> 00:42:01,380

this is a Trope that carried on and then

1046

00:42:06,470 --> 00:42:03,480

you had the 90s uh the abductions and

1047

00:42:09,230 --> 00:42:06,480

stuff like that the uh the genetics uh

1048

00:42:10,790 --> 00:42:09,240

kind of social anxieties like um was it

1049

00:42:13,069 --> 00:42:10,800

senti's talks about I think it was

1050

00:42:14,630 --> 00:42:13,079

senti's maybe it was Halpern

1051
00:42:16,970 --> 00:42:14,640
um but yeah they're all these attributes

1052
00:42:20,089 --> 00:42:16,980
they're always like kind of bleeding age

1053
00:42:22,130 --> 00:42:20,099
one step over kind of our creativity and

1054
00:42:24,230 --> 00:42:22,140
our technological level and stuff like

1055
00:42:27,109 --> 00:42:24,240
that but it's always kind of like yeah

1056
00:42:29,690 --> 00:42:27,119
but it's crazy to bring up some of that

1057
00:42:31,490 --> 00:42:29,700
stuff because there's no if you were

1058
00:42:34,730 --> 00:42:31,500
there's no

1059
00:42:37,609 --> 00:42:34,740
um I will say this like comparatively

1060
00:42:41,089 --> 00:42:37,619
compared if you want to say uh like an

1061
00:42:44,030 --> 00:42:41,099
apples and apples to another type of

1062
00:42:49,130 --> 00:42:44,040
unknown phenomenon like Bigfoot research

1063
00:42:51,050 --> 00:42:49,140

the UFO Mythos is insane if you try if

1064

00:42:55,430 --> 00:42:51,060

you try to construct a coherent

1065

00:42:57,050 --> 00:42:55,440

narrative from the 50s till today it's

1066

00:42:58,190 --> 00:42:57,060

just

1067

00:43:00,410 --> 00:42:58,200

um

1068

00:43:03,470 --> 00:43:00,420

and it's wild that the stuff vanishes

1069

00:43:04,450 --> 00:43:03,480

it's it's to me it's like are there like

1070

00:43:06,230 --> 00:43:04,460

like

1071

00:43:07,069 --> 00:43:06,240

you think

1072

00:43:09,050 --> 00:43:07,079

um

1073

00:43:11,030 --> 00:43:09,060

or Bell would be out there with the

1074

00:43:14,870 --> 00:43:11,040

geiger counter if he could get that

1075

00:43:17,870 --> 00:43:14,880

evidence still because he's looking for

1076

00:43:19,730 --> 00:43:17,880

something to put on

1077

00:43:21,410 --> 00:43:19,740

I'm in yeah I'm just hanging out in bed

1078

00:43:23,210 --> 00:43:21,420

I turn on my phone

1079

00:43:25,430 --> 00:43:23,220

um with Elvis and Nixon in the

1080

00:43:26,270 --> 00:43:25,440

background

1081

00:43:28,190 --> 00:43:26,280

um

1082

00:43:30,530 --> 00:43:28,200

well yeah hey are people still being

1083

00:43:32,750 --> 00:43:30,540

abducted does anyone know has anyone

1084

00:43:35,809 --> 00:43:32,760

heard that

1085

00:43:40,010 --> 00:43:35,819

wasn't that um

1086

00:43:42,770 --> 00:43:40,020

yeah they are they they are

1087

00:43:45,349 --> 00:43:42,780

this is I think people are still being

1088

00:43:47,809 --> 00:43:45,359

abducted are there any

1089

00:43:51,470 --> 00:43:47,819

there's no have there have there been

1090

00:43:53,569 --> 00:43:51,480

space Brothers at all has anybody told

1091

00:43:57,410 --> 00:43:53,579

us to stop

1092

00:43:59,390 --> 00:43:57,420

um like stop war or stop uh driving our

1093

00:44:00,910 --> 00:43:59,400

cars because we're melting the planet

1094

00:44:03,589 --> 00:44:00,920

down

1095

00:44:06,109 --> 00:44:03,599

it comes through the lens now of like

1096

00:44:08,150 --> 00:44:06,119

like spiritual emergence right this goes

1097

00:44:09,829 --> 00:44:08,160

back to what we talk about all the time

1098

00:44:12,349 --> 00:44:09,839

of this as a Consciousness or

1099

00:44:13,970 --> 00:44:12,359

metaphysical thing now

1100

00:44:15,410 --> 00:44:13,980

um why don't they aliens come and talk

1101
00:44:16,849 --> 00:44:15,420
to these big companies that are actually

1102
00:44:18,770 --> 00:44:16,859
doing the majority of the pollution

1103
00:44:20,030 --> 00:44:18,780
right like we'll explain what I'm

1104
00:44:22,250 --> 00:44:20,040
thinking because it would get us kicked

1105
00:44:24,349 --> 00:44:22,260
off YouTube No but I'm like he knows

1106
00:44:27,770 --> 00:44:24,359
guys if you're gonna come talk to

1107
00:44:30,290 --> 00:44:27,780
somebody please talk to the Exxon Mobil

1108
00:44:32,150 --> 00:44:30,300
Executives well please come talk to the

1109
00:44:34,430 --> 00:44:32,160
Norfolk Southern guys because we had

1110
00:44:37,190 --> 00:44:34,440
another derailment in Ohio

1111
00:44:39,170 --> 00:44:37,200
congratulations yeah yeah right this

1112
00:44:41,589 --> 00:44:39,180
time there wasn't anything particularly

1113
00:44:45,849 --> 00:44:41,599

heinous

1114

00:44:48,589 --> 00:44:45,859

so it was just kind of like you know

1115

00:44:53,510 --> 00:44:48,599

a multi-billion dollar Corporation does

1116

00:44:55,730 --> 00:44:53,520

an oopsie but I are we getting I don't

1117

00:44:59,210 --> 00:44:55,740

know are we getting those reports are we

1118

00:45:02,210 --> 00:44:59,220

getting again like the they landed and

1119

00:45:05,210 --> 00:45:02,220

there's actual some actual arguable

1120

00:45:07,550 --> 00:45:05,220

physical evidence of you know that

1121

00:45:15,970 --> 00:45:07,560

ruined the ruined Earth with the

1122

00:45:20,329 --> 00:45:18,650

yes did anybody because some of the

1123

00:45:23,870 --> 00:45:20,339

stuff that we're doing now and like the

1124

00:45:27,829 --> 00:45:23,880

Tic Tac video did anyone does anyone

1125

00:45:29,630 --> 00:45:27,839

remember the NASA video with the alleged

1126

00:45:33,710 --> 00:45:29,640

railgun shot

1127

00:45:35,150 --> 00:45:33,720

no from the 90s it sounds awesome okay I

1128

00:45:38,210 --> 00:45:35,160

gotta um

1129

00:45:40,190 --> 00:45:38,220

I never throw anything away because I'm

1130

00:45:43,190 --> 00:45:40,200

I'm not a hoarder if it's cool stuff

1131

00:45:44,750 --> 00:45:43,200

right if it's like old if you don't

1132

00:45:46,250 --> 00:45:44,760

throw your if you if you have like a

1133

00:45:48,470 --> 00:45:46,260

house full of McDonald's rappers it's

1134

00:45:51,589 --> 00:45:48,480

gross but if you have all your VHS tapes

1135

00:45:53,329 --> 00:45:51,599

it's still cool right I have to I have

1136

00:45:55,970 --> 00:45:53,339

to try to find this and digitize it

1137

00:45:59,030 --> 00:45:55,980

because I remember watching some UFO

1138

00:46:02,150 --> 00:45:59,040

television program where they had NASA

1139

00:46:03,710 --> 00:46:02,160

footage and it's just like it's space

1140

00:46:06,829 --> 00:46:03,720

station or something and they're like

1141

00:46:09,109 --> 00:46:06,839

watch this watch this a DOT you know

1142

00:46:11,089 --> 00:46:09,119

these three pixels come here and there's

1143

00:46:12,770 --> 00:46:11,099

a big Flash and something streaks up

1144

00:46:15,109 --> 00:46:12,780

from the earth and right right when

1145

00:46:18,770 --> 00:46:15,119

there's the Big Flash the thing is like

1146

00:46:21,530 --> 00:46:18,780

nope and zoops out nobody remembers that

1147

00:46:23,050 --> 00:46:21,540

one yeah that it's kind of ringing a

1148

00:46:27,109 --> 00:46:23,060

bell

1149

00:46:29,630 --> 00:46:27,119

programs especially in the 90s yeah

1150

00:46:32,870 --> 00:46:29,640

um I and I do have a bunch uh like UFO

1151

00:46:35,809 --> 00:46:32,880

files called up the STS vid

1152

00:46:38,329 --> 00:46:35,819

maybe it might be it

1153

00:46:40,370 --> 00:46:38,339

I still orbit with the tether that

1154

00:46:43,069 --> 00:46:40,380

became detached and then there were the

1155

00:46:44,870 --> 00:46:43,079

um ice crystals that were moving I

1156

00:46:47,809 --> 00:46:44,880

remember the Ice Crystal video different

1157

00:46:49,670 --> 00:46:47,819

okay that's different I gotta try to I

1158

00:46:52,309 --> 00:46:49,680

gotta try to find

1159

00:46:54,410 --> 00:46:52,319

this and digitize it yeah Steve said

1160

00:46:57,109 --> 00:46:54,420

it's on YouTube it's on YouTube okay

1161

00:46:59,750 --> 00:46:57,119

everything is on YouTube YouTube really

1162

00:47:01,190 --> 00:46:59,760

I'm sorry that like YouTube really I

1163

00:47:03,950 --> 00:47:01,200

love the fact that we're all together

1164

00:47:07,370 --> 00:47:03,960

talking about this but I also miss the

1165

00:47:09,950 --> 00:47:07,380

days of having to like get a VHS tape

1166

00:47:14,410 --> 00:47:09,960

from some sus character that you like

1167

00:47:17,569 --> 00:47:14,420

wrote to in the back of a magazine radio

1168

00:47:19,190 --> 00:47:17,579

swap meet yeah like it's just like

1169

00:47:22,849 --> 00:47:19,200

copies of the Anarchist Cookbook on

1170

00:47:24,829 --> 00:47:22,859

CD-ROM right it was like

1171

00:47:26,450 --> 00:47:24,839

um you know when I was a kid there's the

1172

00:47:28,910 --> 00:47:26,460

place out in the woods it's like The

1173

00:47:30,770 --> 00:47:28,920

Witch's Grave and it was really like you

1174

00:47:32,329 --> 00:47:30,780

know you really felt initiated into the

1175

00:47:34,190 --> 00:47:32,339

group of cool kids when somebody took

1176
00:47:35,690 --> 00:47:34,200
you out the Witch's Grave now that's on

1177
00:47:37,490 --> 00:47:35,700
YouTube

1178
00:47:39,770 --> 00:47:37,500
yeah yeah

1179
00:47:42,530 --> 00:47:39,780
um everything's on there yeah there's

1180
00:47:43,609 --> 00:47:42,540
there's less of a Mystique I mean it

1181
00:47:45,230 --> 00:47:43,619
still had that kind of in the early

1182
00:47:46,910 --> 00:47:45,240
internet too like the message boards

1183
00:47:51,430 --> 00:47:46,920
well yeah it's a lot more anonymity

1184
00:47:53,690 --> 00:47:51,440
online and stuff so but I feel like yeah

1185
00:47:56,690 --> 00:47:53,700
I just feel like

1186
00:47:58,790 --> 00:47:56,700
um maybe this this isn't it's again like

1187
00:48:01,490 --> 00:47:58,800
corbel just showing up with like three

1188
00:48:03,890 --> 00:48:01,500

random jpegs and everybody is like

1189

00:48:05,569 --> 00:48:03,900

Jimmy's or rustled over that now I don't

1190

00:48:07,730 --> 00:48:05,579

know there's probably feels like the

1191

00:48:10,010 --> 00:48:07,740

standards have fallen

1192

00:48:11,450 --> 00:48:10,020

like the Tic Tac video think about what

1193

00:48:14,809 --> 00:48:11,460

passenger Commander was talking about

1194

00:48:16,430 --> 00:48:14,819

the Tic Tac video now it's cool because

1195

00:48:19,849 --> 00:48:16,440

you got the the

1196

00:48:21,770 --> 00:48:19,859

um fighter display overlay but if that

1197

00:48:22,970 --> 00:48:21,780

would have just shown up on Reddit if

1198

00:48:25,010 --> 00:48:22,980

that would have not been in New York

1199

00:48:26,569 --> 00:48:25,020

time like not New York Times Washington

1200

00:48:28,309 --> 00:48:26,579

Post story

1201
00:48:31,790 --> 00:48:28,319
that would have just been like well

1202
00:48:34,190 --> 00:48:31,800
that's cool but again like did somebody

1203
00:48:35,569 --> 00:48:34,200
made that in After Effects for my senior

1204
00:48:38,510 --> 00:48:35,579
project

1205
00:48:42,950 --> 00:48:40,790
I don't know well like you were

1206
00:48:45,950 --> 00:48:42,960
mentioning like we're being bombarded

1207
00:48:48,290 --> 00:48:45,960
increasingly by information at all times

1208
00:48:50,510 --> 00:48:48,300
and in information Theory there's this

1209
00:48:52,550 --> 00:48:50,520
issue where you can clog the information

1210
00:48:56,270 --> 00:48:52,560
channels and the data can become

1211
00:48:57,890 --> 00:48:56,280
corrupted and it is very hard to decide

1212
00:49:01,849 --> 00:48:57,900
what information passes through those

1213
00:49:03,050 --> 00:49:01,859

filters and uh often it's incredible or

1214

00:49:05,270 --> 00:49:03,060

bad information that's actually making

1215

00:49:07,730 --> 00:49:05,280

its way through to us at this point when

1216

00:49:10,790 --> 00:49:07,740

yeah unquestionably Jay you take the

1217

00:49:13,550 --> 00:49:10,800

Paranormal UFOs and stuff very seriously

1218

00:49:15,410 --> 00:49:13,560

um you know to put a serious thought and

1219

00:49:17,030 --> 00:49:15,420

effort into uh promoting the subject as

1220

00:49:19,670 --> 00:49:17,040

a serious subject deserving a serious

1221

00:49:25,250 --> 00:49:19,680

conversation could you talk a little bit

1222

00:49:28,130 --> 00:49:25,260

about the the danger of the culture of

1223

00:49:31,370 --> 00:49:28,140

in the UFO community of sort of being so

1224

00:49:34,069 --> 00:49:31,380

uh open to any piece of information

1225

00:49:36,230 --> 00:49:34,079

that's verify validating as opposed to

1226

00:49:38,990 --> 00:49:36,240

sort of being critical within the

1227

00:49:40,309 --> 00:49:39,000

community itself in order to refine the

1228

00:49:42,829 --> 00:49:40,319

information to get to those really

1229

00:49:45,170 --> 00:49:42,839

valuable potentially people I mean I

1230

00:49:47,809 --> 00:49:45,180

think this is

1231

00:49:49,849 --> 00:49:47,819

sort of a kind of one of the great like

1232

00:49:51,410 --> 00:49:49,859

pitfalls of our society right now with

1233

00:49:54,710 --> 00:49:51,420

anything so it's not just in the UFO

1234

00:49:57,470 --> 00:49:54,720

community and I sort of

1235

00:50:02,569 --> 00:49:57,480

um in a weird way not that I know a lot

1236

00:50:05,750 --> 00:50:02,579

about Buddhism but I almost think the um

1237

00:50:07,069 --> 00:50:05,760

no I well no because like this that

1238

00:50:09,849 --> 00:50:07,079

something are you laughing about what's

1239

00:50:09,859 --> 00:50:15,230

the central tenant for

1240

00:50:19,550 --> 00:50:17,569

Buddhism being you know the elimination

1241

00:50:21,130 --> 00:50:19,560

of suffering and the elimination of

1242

00:50:24,349 --> 00:50:21,140

Desire

1243

00:50:27,890 --> 00:50:24,359

when I say like I say the joking way

1244

00:50:30,170 --> 00:50:27,900

like we're horny for UFOs but I think

1245

00:50:34,430 --> 00:50:30,180

you have to get up in in the morning and

1246

00:50:38,089 --> 00:50:34,440

go like why like why did I want this so

1247

00:50:41,750 --> 00:50:38,099

badly that I contributed to like to the

1248

00:50:46,370 --> 00:50:41,760

Stars Academy watch two seasons of

1249

00:50:47,809 --> 00:50:46,380

Skinwalker Ranch like you know like paid

1250

00:50:48,470 --> 00:50:47,819

for

1251

00:50:51,230 --> 00:50:48,480

um

1252

00:50:56,630 --> 00:50:51,240

like the ticket to go see like Lou talk

1253

00:50:59,150 --> 00:50:56,640

somewhere like that's it you you we take

1254

00:51:01,250 --> 00:50:59,160

these things externally and turn them

1255

00:51:03,349 --> 00:51:01,260

into core parts of our personal identity

1256

00:51:06,170 --> 00:51:03,359

psychologically and you see this in

1257

00:51:08,329 --> 00:51:06,180

politics really easily and then when any

1258

00:51:12,109 --> 00:51:08,339

part that's right again like why I can't

1259

00:51:13,670 --> 00:51:12,119

make Batman jokes because I am literally

1260

00:51:15,530 --> 00:51:13,680

threatening somebody's sense of self

1261

00:51:17,210 --> 00:51:15,540

because they've tied their sense of self

1262

00:51:21,049 --> 00:51:17,220

into

1263

00:51:25,370 --> 00:51:21,059

the current wave of UFO phenomenon right

1264

00:51:28,130 --> 00:51:25,380

now without critically evaluating the

1265

00:51:30,290 --> 00:51:28,140

characters or the I mean again like

1266

00:51:32,930 --> 00:51:30,300

people like like we're kind of all like

1267

00:51:36,349 --> 00:51:32,940

Bob Lazar like haha like he's really

1268

00:51:38,750 --> 00:51:36,359

kind of Fallen by the wayside but still

1269

00:51:40,190 --> 00:51:38,760

people are willing to like

1270

00:51:42,049 --> 00:51:40,200

I don't I don't have a whole lot of

1271

00:51:44,329 --> 00:51:42,059

respect for Joe Rogan but it's like that

1272

00:51:47,390 --> 00:51:44,339

guy's gonna give him a platform people

1273

00:51:51,710 --> 00:51:47,400

are going to make excuses for him like

1274

00:51:53,329 --> 00:51:51,720

the I the I want to believe thing has

1275

00:51:55,370 --> 00:51:53,339

gotten

1276

00:51:57,470 --> 00:51:55,380

um

1277

00:52:00,290 --> 00:51:57,480

it's sort of like at the root of all

1278

00:52:01,990 --> 00:52:00,300

this and the the desired the desire for

1279

00:52:05,329 --> 00:52:02,000

belief in this

1280

00:52:07,309 --> 00:52:05,339

I think is really

1281

00:52:08,990 --> 00:52:07,319

clouding people's judgment on The

1282

00:52:11,210 --> 00:52:09,000

credibility of the characters involved

1283

00:52:14,690 --> 00:52:11,220

and the quality of the evidence

1284

00:52:17,329 --> 00:52:14,700

it feels like it it uh the the what this

1285

00:52:19,490 --> 00:52:17,339

calls to mind for me first of all is

1286

00:52:21,770 --> 00:52:19,500

um the meaning crisis in general like

1287

00:52:24,470 --> 00:52:21,780

John vervaki talks a lot about this and

1288

00:52:26,630 --> 00:52:24,480

it feels like UFOs in the subject or

1289

00:52:29,150 --> 00:52:26,640

even just the Paranormal in general but

1290

00:52:31,130 --> 00:52:29,160

come basically like the god of the gaps

1291

00:52:32,750 --> 00:52:31,140

only you have like the UFO of the gaps

1292

00:52:34,910 --> 00:52:32,760

right like you have this sort of

1293

00:52:37,750 --> 00:52:34,920

metaphysical preoccupation because we

1294

00:52:40,130 --> 00:52:37,760

live in honestly like such a

1295

00:52:42,890 --> 00:52:40,140

vacuous kind of culture without a whole

1296

00:52:45,290 --> 00:52:42,900

lot of non-materialist meaning making

1297

00:52:47,329 --> 00:52:45,300

and sense making

1298

00:52:48,290 --> 00:52:47,339

um but the other thing too is and we

1299

00:52:49,549 --> 00:52:48,300

talk about I mean we've talked about

1300

00:52:50,870 --> 00:52:49,559

this on the show a lot is that like

1301
00:52:52,790 --> 00:52:50,880
there is really interesting stuff that

1302
00:52:54,349 --> 00:52:52,800
goes on like there is really interesting

1303
00:52:57,589 --> 00:52:54,359
like Consciousness and metaphysical

1304
00:53:00,530 --> 00:52:57,599
stuff whether it's emergence or

1305
00:53:03,290 --> 00:53:00,540
um contact experiences

1306
00:53:06,109 --> 00:53:03,300
um or exotic States like whether or not

1307
00:53:07,549 --> 00:53:06,119
that is actually literally contact or if

1308
00:53:08,990 --> 00:53:07,559
it's something that's just the brain is

1309
00:53:10,370 --> 00:53:09,000
generating like this stuff is really

1310
00:53:12,770 --> 00:53:10,380
compelling to me and it feels like

1311
00:53:15,109 --> 00:53:12,780
what's happening is we just wind up

1312
00:53:18,410 --> 00:53:15,119
diluting the fascinating stuff with just

1313
00:53:21,290 --> 00:53:18,420

like the chaff of like the detritus like

1314

00:53:23,089 --> 00:53:21,300

all these like screen grabs from blurry

1315

00:53:25,609 --> 00:53:23,099

videos and [h__\h] instead of exploring the

1316

00:53:27,530 --> 00:53:25,619

really cool stuff that's that's kind of

1317

00:53:30,470 --> 00:53:27,540

where I'm feeling and I think especially

1318

00:53:33,049 --> 00:53:30,480

I I really got that with the Baghdad

1319

00:53:35,569 --> 00:53:33,059

video because I mean I'm assuming we're

1320

00:53:37,490 --> 00:53:35,579

all familiar with Mirage man either the

1321

00:53:41,030 --> 00:53:37,500

the book or the

1322

00:53:43,490 --> 00:53:41,040

or the thing so if you're just trying to

1323

00:53:48,349 --> 00:53:46,609

for whatever reason screw with the UFO

1324

00:53:49,849 --> 00:53:48,359

and there there's been you know

1325

00:53:51,770 --> 00:53:49,859

documented reasons why the intelligence

1326

00:53:52,849 --> 00:53:51,780

Community does that it's like it's very

1327

00:53:54,950 --> 00:53:52,859

easy

1328

00:53:58,730 --> 00:53:54,960

Corbell seems like a guy that wants to

1329

00:54:00,950 --> 00:53:58,740

believe obviously to to a high degree so

1330

00:54:03,650 --> 00:54:00,960

I mean to think about the like how easy

1331

00:54:06,829 --> 00:54:03,660

it would be to pull four frames out of

1332

00:54:08,569 --> 00:54:06,839

something give me like four frames like

1333

00:54:10,190 --> 00:54:08,579

that's gonna have an intern do like I'm

1334

00:54:13,130 --> 00:54:10,200

in the Air Force and I'm having like an

1335

00:54:15,770 --> 00:54:13,140

Arabic first class just like pull these

1336

00:54:17,150 --> 00:54:15,780

you know just scrub this give me four

1337

00:54:20,809 --> 00:54:17,160

frames

1338

00:54:23,569 --> 00:54:20,819

shoot this out to this guy and then

1339

00:54:26,150 --> 00:54:23,579

dominate the discourse and you can see

1340

00:54:28,190 --> 00:54:26,160

the vectors by which this information

1341

00:54:31,609 --> 00:54:28,200

travels

1342

00:54:33,470 --> 00:54:31,619

and everybody gets

1343

00:54:35,750 --> 00:54:33,480

that's what we're it's like this is what

1344

00:54:37,609 --> 00:54:35,760

we're talking about and we're not

1345

00:54:39,589 --> 00:54:37,619

talking about

1346

00:54:41,329 --> 00:54:39,599

um

1347

00:54:42,710 --> 00:54:41,339

you know to some extent we're not

1348

00:54:45,710 --> 00:54:42,720

talking about

1349

00:54:47,870 --> 00:54:45,720

any of the the actual like stuff we know

1350

00:54:50,030 --> 00:54:47,880

about black budgets that are going out

1351
00:54:51,890 --> 00:54:50,040
right now we're not talking about kind

1352
00:54:54,290 --> 00:54:51,900
of the real stuff and we're not talking

1353
00:54:58,069 --> 00:54:54,300
about anything like really interesting

1354
00:55:09,410 --> 00:54:58,079
is anybody really moving

1355
00:55:15,589 --> 00:55:12,470
like popular accessibility to generative

1356
00:55:19,069 --> 00:55:15,599
AI so basically things like mid-journey

1357
00:55:20,990 --> 00:55:19,079
and chat GPT these kinds of tools are

1358
00:55:23,390 --> 00:55:21,000
entering the public imagination in

1359
00:55:25,849 --> 00:55:23,400
pretty substantial ways and I think this

1360
00:55:26,870 --> 00:55:25,859
is only going to further Doom this

1361
00:55:30,049 --> 00:55:26,880
subject and a whole lot of other

1362
00:55:32,750 --> 00:55:30,059
subjects because we can now create and

1363
00:55:36,170 --> 00:55:32,760

distribute and disseminate media very

1364

00:55:38,329 --> 00:55:36,180

compelling media very good fake media

1365

00:55:40,609 --> 00:55:38,339

um and such a volume that you can

1366

00:55:43,849 --> 00:55:40,619

effectively dilute out anything that's

1367

00:55:45,130 --> 00:55:43,859

interesting there so from like a miss or

1368

00:55:48,770 --> 00:55:45,140

disinformation

1369

00:55:51,170 --> 00:55:48,780

perspective these generative platforms

1370

00:55:51,770 --> 00:55:51,180

are extremely powerful

1371

00:55:54,410 --> 00:55:51,780

um

1372

00:55:56,630 --> 00:55:54,420

not only for creating things but like I

1373

00:55:59,089 --> 00:55:56,640

said for actually diluting out

1374

00:56:00,829 --> 00:55:59,099

compelling or interesting information

1375

00:56:02,450 --> 00:56:00,839

and I mean that's that's like a good

1376

00:56:04,370 --> 00:56:02,460

example for why Google sucks right now

1377

00:56:06,890 --> 00:56:04,380

because Google has just been taken over

1378

00:56:08,210 --> 00:56:06,900

by generated content so now chat GPT is

1379

00:56:10,069 --> 00:56:08,220

pretty much the only thing you can use

1380

00:56:12,950 --> 00:56:10,079

reliably to find information and even

1381

00:56:16,430 --> 00:56:12,960

that's not anywhere near perfect

1382

00:56:18,470 --> 00:56:16,440

um it's true I love the uh those um tick

1383

00:56:19,670 --> 00:56:18,480

tocks of the last four presidents

1384

00:56:21,650 --> 00:56:19,680

playing

1385

00:56:24,109 --> 00:56:21,660

um Counter-Strike

1386

00:56:26,089 --> 00:56:24,119

the voices those are great I think

1387

00:56:29,210 --> 00:56:26,099

though that's another that's another

1388

00:56:32,630 --> 00:56:29,220

thing of it though I mean I I'm not an

1389

00:56:35,990 --> 00:56:32,640

expert but as a graphic designer I know

1390

00:56:39,230 --> 00:56:36,000

how lossy like a JPEG is

1391

00:56:43,970 --> 00:56:39,240

taking even if we took like something

1392

00:56:46,970 --> 00:56:43,980

that came out of a decent camera

1393

00:56:49,490 --> 00:56:46,980

that would be like a 4k camera

1394

00:56:52,730 --> 00:56:49,500

that would be close to a 300 DPI image

1395

00:56:55,910 --> 00:56:52,740

240 shrunk it down and like are passing

1396

00:56:57,410 --> 00:56:55,920

it around on I mean honestly when I was

1397

00:56:59,630 --> 00:56:57,420

doing a lot of professional photo

1398

00:57:02,870 --> 00:56:59,640

retouching when I was doing if it was

1399

00:57:05,210 --> 00:57:02,880

only for web the the the cheap moves

1400

00:57:07,670 --> 00:57:05,220

would be to save it as a JPEG because I

1401
00:57:09,230 --> 00:57:07,680
knew the lossiness of it would eat some

1402
00:57:13,010 --> 00:57:09,240
of the Dust particles

1403
00:57:14,809 --> 00:57:13,020
and the things on uh of a picture of

1404
00:57:17,690 --> 00:57:14,819
like the thing like here's the product

1405
00:57:21,470 --> 00:57:17,700
like here's like here's my of an

1406
00:57:22,609 --> 00:57:21,480
authentic U.S nuke United nuclear Bob

1407
00:57:24,950 --> 00:57:22,619
Lazar

1408
00:57:26,870 --> 00:57:24,960
toy and

1409
00:57:28,849 --> 00:57:26,880
um if I was shooting this and had dust

1410
00:57:31,549 --> 00:57:28,859
on I'm just like yeah if that's only for

1411
00:57:35,690 --> 00:57:31,559
the web and oh it's the the jpeg

1412
00:57:40,430 --> 00:57:35,700
compression will hide some sins for me

1413
00:57:41,089 --> 00:57:40,440

so again I I feel like

1414

00:57:43,370 --> 00:57:41,099

um

1415

00:57:45,530 --> 00:57:43,380

I also this is like this is one of my

1416

00:57:47,150 --> 00:57:45,540

overriding things and this is was with

1417

00:57:51,230 --> 00:57:47,160

ghosts and with everything it's like we

1418

00:57:53,390 --> 00:57:51,240

don't know what we don't know so

1419

00:57:55,849 --> 00:57:53,400

I'm looking this guy stuff yeah computer

1420

00:57:57,710 --> 00:57:55,859

monitors were 800 by 640. I remember

1421

00:58:00,230 --> 00:57:57,720

those days

1422

00:58:02,630 --> 00:58:00,240

but uh

1423

00:58:05,390 --> 00:58:02,640

we don't know enough about

1424

00:58:07,069 --> 00:58:05,400

even the cameras that take that stuff

1425

00:58:09,190 --> 00:58:07,079

right like you know we're talking like

1426

00:58:11,750 --> 00:58:09,200

when you guys are talking like do we

1427

00:58:14,450 --> 00:58:11,760

we don't know

1428

00:58:15,770 --> 00:58:14,460

like most of those infrared cameras I do

1429

00:58:18,970 --> 00:58:15,780

know this because I've been looking at

1430

00:58:22,130 --> 00:58:18,980

buying one super low resolution

1431

00:58:26,150 --> 00:58:22,140

like 320

1432

00:58:28,430 --> 00:58:26,160

by 240 because they're just

1433

00:58:30,710 --> 00:58:28,440

you're meant to either like the

1434

00:58:33,530 --> 00:58:30,720

commercial ones that are color are meant

1435

00:58:36,289 --> 00:58:33,540

to be you know like oh my God my windows

1436

00:58:38,089 --> 00:58:36,299

like I need to see all things and the

1437

00:58:41,270 --> 00:58:38,099

military ones are like

1438

00:58:45,589 --> 00:58:41,280

kill the hot thing that thing that's

1439

00:58:47,270 --> 00:58:45,599

white that no one else is shoot it so

1440

00:58:48,049 --> 00:58:47,280

they're not

1441

00:58:51,109 --> 00:58:48,059

um

1442

00:58:52,789 --> 00:58:51,119

they're not really uh made to be like

1443

00:58:54,650 --> 00:58:52,799

where to capture compelling all the

1444

00:58:57,049 --> 00:58:54,660

evidence that extraterrestrials are

1445

00:58:59,270 --> 00:58:57,059

visiting us in the middle of a war zone

1446

00:59:02,150 --> 00:58:59,280

for whatever reason right

1447

00:59:03,410 --> 00:59:02,160

some of that stuff too I don't know

1448

00:59:05,510 --> 00:59:03,420

um

1449

00:59:08,089 --> 00:59:05,520

like that's a question too like again

1450

00:59:12,470 --> 00:59:08,099

with the mythology it's like

1451
00:59:14,930 --> 00:59:12,480
it would suck so hard to have some kind

1452
00:59:17,150 --> 00:59:14,940
of a craft like our craft

1453
00:59:19,549 --> 00:59:17,160
bold space time

1454
00:59:22,630 --> 00:59:19,559
like we're gonna get in that when I put

1455
00:59:25,789 --> 00:59:22,640
that sucker in gear that's what happens

1456
00:59:28,069 --> 00:59:25,799
and I traveled across

1457
00:59:32,150 --> 00:59:28,079
the known universe or breach of

1458
00:59:34,789 --> 00:59:32,160
Dimension only to take like a um stinger

1459
00:59:36,710 --> 00:59:34,799
missile that was manufactured in 1986 by

1460
00:59:41,410 --> 00:59:36,720
the lowest bitter in the tailpipe Over

1461
00:59:41,420 --> 00:59:50,809
I don't know sometimes I don't know

1462
00:59:54,589 --> 00:59:52,730
I wonder again what U.S general and

1463
00:59:57,109 --> 00:59:54,599

executive branch officials were emailing

1464

00:59:59,630 --> 00:59:57,119

with Tom DeLong I still can't Camp up

1465

01:00:01,910 --> 00:59:59,640

keep come up with any logical reason for

1466

01:00:04,010 --> 01:00:01,920

this honestly my immediate reaction is

1467

01:00:06,170 --> 01:00:04,020

that all kinds of people work in the

1468

01:00:08,210 --> 01:00:06,180

government and all kinds of people are

1469

01:00:10,270 --> 01:00:08,220

generals and executive branch officials

1470

01:00:14,170 --> 01:00:10,280

I mean these are people that are into

1471

01:00:18,349 --> 01:00:14,180

all sorts of weird [h__\h] including UFOs

1472

01:00:19,809 --> 01:00:18,359

including Blink 182 they might have been

1473

01:00:22,789 --> 01:00:19,819

like I'm gonna get

1474

01:00:25,430 --> 01:00:22,799

just imagine somebody I'm gonna get Adam

1475

01:00:29,329 --> 01:00:25,440

of the State signed for my kid I mean it

1476

01:00:30,589 --> 01:00:29,339

is like if somebody if I had joined at

1477

01:00:33,589 --> 01:00:30,599

18

1478

01:00:36,170 --> 01:00:33,599

or out of college at 24 I would have

1479

01:00:38,390 --> 01:00:36,180

been in there of that age than like

1480

01:00:41,150 --> 01:00:38,400

Tom's into UFOs and like enema of the

1481

01:00:44,630 --> 01:00:41,160

state was in Dude Ranch is a rocking

1482

01:00:45,770 --> 01:00:44,640

album and I also think though there's

1483

01:00:49,609 --> 01:00:45,780

not

1484

01:00:52,130 --> 01:00:49,619

and this is where I go to Mirage man the

1485

01:00:55,849 --> 01:00:52,140

at a certain point I think

1486

01:00:57,770 --> 01:00:55,859

the FBI the CIA U.S Air Force

1487

01:00:59,569 --> 01:00:57,780

intelligence all decided they needed to

1488

01:01:02,030 --> 01:00:59,579

keep an eye on the weirdos

1489

01:01:05,030 --> 01:01:02,040

and this was

1490

01:01:07,010 --> 01:01:05,040

um also you know like God forbid like

1491

01:01:08,690 --> 01:01:07,020

the I think you know especially maybe

1492

01:01:09,950 --> 01:01:08,700

the space Brothers days and they were

1493

01:01:12,910 --> 01:01:09,960

telling us all to be nice and put the

1494

01:01:17,270 --> 01:01:12,920

nukes away that sounds a little too much

1495

01:01:21,109 --> 01:01:17,280

that's like fire off McCarthy yeah like

1496

01:01:23,870 --> 01:01:21,119

that's scary but all of those things all

1497

01:01:26,270 --> 01:01:23,880

of those reports when you throw a piece

1498

01:01:28,549 --> 01:01:26,280

of information this is like I mean you

1499

01:01:31,970 --> 01:01:28,559

can do this in your real life in your

1500

01:01:34,190 --> 01:01:31,980

office to you can Channel you can map

1501

01:01:36,170 --> 01:01:34,200

the flow of information by telling

1502

01:01:37,990 --> 01:01:36,180

somebody something and seeing where it

1503

01:01:41,990 --> 01:01:38,000

ends up

1504

01:01:44,870 --> 01:01:42,000

you can give Tom the long

1505

01:01:47,630 --> 01:01:44,880

some stupid thing and then seeing like

1506

01:01:50,750 --> 01:01:47,640

seeing where this ends up and are they

1507

01:01:54,349 --> 01:01:50,760

connected to any foreign governments any

1508

01:01:57,230 --> 01:01:54,359

foreign operatives I uh

1509

01:01:59,150 --> 01:01:57,240

I think some of this is just um the

1510

01:01:59,990 --> 01:01:59,160

people that are doing it I mean it's all

1511

01:02:02,870 --> 01:02:00,000

people

1512

01:02:05,750 --> 01:02:02,880

I I hate to pursue rational like

1513

01:02:08,690 --> 01:02:05,760

rational motive for anything entirely

1514

01:02:10,010 --> 01:02:08,700

I think some people are just like it

1515

01:02:12,650 --> 01:02:10,020

scares them so they're going to keep

1516

01:02:14,329 --> 01:02:12,660

track of it or they're worried or

1517

01:02:17,030 --> 01:02:14,339

because I'm thinking like think about

1518

01:02:19,130 --> 01:02:17,040

how many things in your like because you

1519

01:02:21,230 --> 01:02:19,140

have to think about working and you have

1520

01:02:22,549 --> 01:02:21,240

to think about your job think about how

1521

01:02:25,430 --> 01:02:22,559

many things you do that are pointless

1522

01:02:28,970 --> 01:02:25,440

how many things you do because somebody

1523

01:02:31,430 --> 01:02:28,980

above you like you know like we had CEO

1524

01:02:34,089 --> 01:02:31,440

one who wants everything in fives now we

1525

01:02:37,430 --> 01:02:34,099

have CO2 that wants everything in threes

1526

01:02:40,430 --> 01:02:37,440

you know we have

1527

01:02:43,370 --> 01:02:40,440

um things we do to cover our butts we do

1528

01:02:45,589 --> 01:02:43,380

a lot of stuff to cover our butts and I

1529

01:02:48,349 --> 01:02:45,599

I also think a lot of this like talking

1530

01:02:51,589 --> 01:02:48,359

to somebody is like I better talk like

1531

01:02:53,210 --> 01:02:51,599

somebody better like swing back and like

1532

01:02:55,430 --> 01:02:53,220

just see if this guy knows anything

1533

01:02:58,130 --> 01:02:55,440

because if he does and then we didn't

1534

01:03:01,549 --> 01:02:58,140

investigate it and then he leaks the

1535

01:03:03,589 --> 01:03:01,559

thing and we have like the the Drone

1536

01:03:05,510 --> 01:03:03,599

gets shot down over China and Tom

1537

01:03:08,210 --> 01:03:05,520

DeLonge knew about it nobody found out

1538

01:03:11,210 --> 01:03:08,220

how he he knew then were you know it's

1539

01:03:14,329 --> 01:03:11,220

like my pension

1540

01:03:16,849 --> 01:03:14,339

so well you make some good points uh Jay

1541

01:03:19,490 --> 01:03:16,859

it's like uh about the information like

1542

01:03:22,069 --> 01:03:19,500

we have in the the Wikileaks uh one of

1543

01:03:24,589 --> 01:03:22,079

the email real batch releases

1544

01:03:26,450 --> 01:03:24,599

um John podesta the former uh cam

1545

01:03:28,370 --> 01:03:26,460

campaign manager if I recall correctly

1546

01:03:31,809 --> 01:03:28,380

for Hillary Clinton right presidential

1547

01:03:35,089 --> 01:03:31,819

campaigns he's like for decades was into

1548

01:03:38,210 --> 01:03:35,099

UFOs and that's very well known in

1549

01:03:40,789 --> 01:03:38,220

Washington and he was corresponding with

1550

01:03:43,490 --> 01:03:40,799

Tom DeLong trying to get him involved in

1551
01:03:44,569 --> 01:03:43,500
the campaign for Hillary and uh put him

1552
01:03:47,030 --> 01:03:44,579
in contact with people like that's in

1553
01:03:49,130 --> 01:03:47,040
the wiki emails so you know we can look

1554
01:03:50,990 --> 01:03:49,140
at this instead you know we're talking

1555
01:03:53,210 --> 01:03:51,000
about the Baghdad video and stuff so

1556
01:03:56,930 --> 01:03:53,220
it's a good point now like you know this

1557
01:03:58,490 --> 01:03:56,940
uh whole subject is so uh messy and it

1558
01:04:00,170 --> 01:03:58,500
has so much stigma and it's so

1559
01:04:02,270 --> 01:04:00,180
frustrating and it's always endless

1560
01:04:04,549 --> 01:04:02,280
cycles and stuff would you be able to

1561
01:04:07,010 --> 01:04:04,559
comment a little bit on maybe the

1562
01:04:09,609 --> 01:04:07,020
positive side of the identity like

1563
01:04:11,870 --> 01:04:09,619

what's pulling you in from a positive

1564

01:04:15,950 --> 01:04:11,880

perspective what's wrong following you

1565

01:04:19,250 --> 01:04:15,960

to this in a good way it's it's you guys

1566

01:04:23,630 --> 01:04:19,260

oh wow okay I mean it's a big part of it

1567

01:04:26,150 --> 01:04:23,640

I also think for we get cranked on this

1568

01:04:29,870 --> 01:04:26,160

stuff and we focus on the negative but

1569

01:04:32,210 --> 01:04:29,880

there are a lot of really good people

1570

01:04:34,130 --> 01:04:32,220

involved in this whose imaginations have

1571

01:04:38,329 --> 01:04:34,140

been captured by it there are a lot of

1572

01:04:40,430 --> 01:04:38,339

tremendously interesting ideas

1573

01:04:43,069 --> 01:04:40,440

that are floating around out there that

1574

01:04:44,809 --> 01:04:43,079

people are sharing their people like you

1575

01:04:46,730 --> 01:04:44,819

the passenger Commander that you just

1576

01:04:49,370 --> 01:04:46,740

have on that are like I'm going to start

1577

01:04:50,930 --> 01:04:49,380

my own thing and I don't like the way

1578

01:04:54,410 --> 01:04:50,940

it's going so I'm gonna I'm gonna do my

1579

01:04:56,210 --> 01:04:54,420

own thing to do it that way and I think

1580

01:04:59,630 --> 01:04:56,220

um

1581

01:05:02,630 --> 01:04:59,640

I think there there's so much

1582

01:05:04,490 --> 01:05:02,640

um good in the community I just

1583

01:05:06,410 --> 01:05:04,500

unfortunately none of us are as famous

1584

01:05:07,789 --> 01:05:06,420

as George Knapp

1585

01:05:15,049 --> 01:05:07,799

but

1586

01:05:17,030 --> 01:05:15,059

I think here yeah I mean I think no I

1587

01:05:18,170 --> 01:05:17,040

think there is I think

1588

01:05:20,569 --> 01:05:18,180

um

1589

01:05:22,370 --> 01:05:20,579

there's a lot of like there it's just

1590

01:05:25,670 --> 01:05:22,380

community

1591

01:05:28,670 --> 01:05:25,680

sharing information sharing ideas

1592

01:05:30,109 --> 01:05:28,680

um sometimes it is the the real uaps

1593

01:05:35,450 --> 01:05:30,119

were the friends we made along the way

1594

01:05:38,510 --> 01:05:35,460

but on the on the serious side there are

1595

01:05:40,430 --> 01:05:38,520

people sharing new theories new

1596

01:05:44,630 --> 01:05:40,440

hypotheses

1597

01:05:48,109 --> 01:05:44,640

um I find a lot of people sharing cases

1598

01:05:51,349 --> 01:05:48,119

from history that are

1599

01:05:53,030 --> 01:05:51,359

not well known I think

1600

01:05:55,430 --> 01:05:53,040

um I think one of the things that's

1601

01:05:57,049 --> 01:05:55,440

really kind of uh

1602

01:05:59,569 --> 01:05:57,059

on the level of people making

1603

01:06:01,130 --> 01:05:59,579

documentaries or or things there's a lot

1604

01:06:04,730 --> 01:06:01,140

of like rehash

1605

01:06:06,650 --> 01:06:04,740

you know and we know we know a lot of uh

1606

01:06:09,289 --> 01:06:06,660

famous cases but there are a lot of

1607

01:06:12,470 --> 01:06:09,299

really interesting cases that could lead

1608

01:06:14,690 --> 01:06:12,480

to other avenues other data points or

1609

01:06:16,970 --> 01:06:14,700

other perspectives that people are

1610

01:06:19,190 --> 01:06:16,980

sharing in the community that aren't

1611

01:06:21,770 --> 01:06:19,200

just going on you know so I think about

1612

01:06:24,650 --> 01:06:21,780

that was the bad part of the 90s was

1613

01:06:27,170 --> 01:06:24,660

that it was much harder to do this and

1614

01:06:28,430 --> 01:06:27,180

you were sort of at the mercy of

1615

01:06:30,950 --> 01:06:28,440

whatever the History Channel was

1616

01:06:32,690 --> 01:06:30,960

producing yeah or Art Bell was talking

1617

01:06:36,529 --> 01:06:32,700

about or what you're right providing on

1618

01:06:41,150 --> 01:06:36,539

a BBS right the the kind of distribution

1619

01:06:46,789 --> 01:06:44,270

so I think and I think we all in our

1620

01:06:48,890 --> 01:06:46,799

hearts feel it's important and at least

1621

01:06:50,870 --> 01:06:48,900

engaging to keep pursuing

1622

01:06:53,150 --> 01:06:50,880

even if like passenger Commander said we

1623

01:06:57,230 --> 01:06:53,160

dip in and out depending on the State of

1624

01:07:01,730 --> 01:06:58,910

you know it's difficult for me not to

1625

01:07:05,150 --> 01:07:01,740

get cynical in the post-2017 era and I

1626

01:07:06,470 --> 01:07:05,160

say that because so much of the 2017 and

1627

01:07:10,309 --> 01:07:06,480

forward

1628

01:07:12,770 --> 01:07:10,319

um discussion feels to me like extremely

1629

01:07:18,589 --> 01:07:12,780

um militaristic right it feels to me

1630

01:07:20,390 --> 01:07:18,599

like like a a path to like the ufology

1631

01:07:21,589 --> 01:07:20,400

is really just a trojan horse to

1632

01:07:24,170 --> 01:07:21,599

introduce a lot of different ideas

1633

01:07:25,910 --> 01:07:24,180

around increasing spending on National

1634

01:07:28,849 --> 01:07:25,920

Security

1635

01:07:31,670 --> 01:07:28,859

um increasing broad acceptance of

1636

01:07:33,589 --> 01:07:31,680

surveillance Technologies

1637

01:07:35,089 --> 01:07:33,599

um that's not to say and what I'm not

1638

01:07:37,789 --> 01:07:35,099

doing right now is I'm not summarily

1639

01:07:39,170 --> 01:07:37,799

dismissing the events of 2017.

1640

01:07:41,450 --> 01:07:39,180

um I generally don't have much of an

1641

01:07:43,010 --> 01:07:41,460

opinion on them but

1642

01:07:46,309 --> 01:07:43,020

um I do think what they've done for sort

1643

01:07:48,609 --> 01:07:46,319

of the cultural Zeitgeist is

1644

01:07:53,770 --> 01:07:52,430

drummed up some of this

1645

01:07:57,170 --> 01:07:53,780

popular

1646

01:07:59,809 --> 01:07:57,180

fear I guess around intrusions in

1647

01:08:02,329 --> 01:07:59,819

Aerospace and yeah eating military

1648

01:08:03,950 --> 01:08:02,339

technology and it's very hard for me to

1649

01:08:05,510 --> 01:08:03,960

hear this and then also think about the

1650

01:08:07,430 --> 01:08:05,520

facts we effectively don't have a

1651

01:08:08,990 --> 01:08:07,440

functional government because our

1652

01:08:12,170 --> 01:08:09,000

government is just [\h__\h] scaffolding

1653

01:08:14,569 --> 01:08:12,180

on our military at this point yeah it's

1654

01:08:16,849 --> 01:08:14,579

more manufacturing consent for the

1655

01:08:19,249 --> 01:08:16,859

military industrial complex or at least

1656

01:08:21,130 --> 01:08:19,259

defense spending it feels like it's to

1657

01:08:23,930 --> 01:08:21,140

me especially when they started

1658

01:08:25,910 --> 01:08:23,940

referring to uaps as a threat you know

1659

01:08:29,470 --> 01:08:25,920

that narrative was kind of born out of

1660

01:08:31,970 --> 01:08:29,480

the uh the breaking story of adip

1661

01:08:33,769 --> 01:08:31,980

like like I actually am a huge Kirsten

1662

01:08:35,930 --> 01:08:33,779

Chiller brand fan actually like she's

1663

01:08:37,550 --> 01:08:35,940

she's amazing like I I mean I followed

1664

01:08:39,709 --> 01:08:37,560

her career I'm from New York like I

1665

01:08:42,769 --> 01:08:39,719

followed her career in New York politics

1666

01:08:43,789 --> 01:08:42,779

super super cool Progressive woman

1667

01:08:45,410 --> 01:08:43,799

um and it's been very interesting

1668

01:08:48,410 --> 01:08:45,420

watching her take this up because I

1669

01:08:50,749 --> 01:08:48,420

generally associate the post 2017

1670

01:08:52,849 --> 01:08:50,759

ufology platform is being largely under

1671

01:08:54,890 --> 01:08:52,859

the purview of the ultra right and

1672

01:08:57,410 --> 01:08:54,900

conservatives like we see Tim burchett

1673

01:08:59,450 --> 01:08:57,420

we see Marco Rubio talking about this

1674

01:09:00,590 --> 01:08:59,460

stuff we see Tucker Carlson

1675

01:09:01,729 --> 01:09:00,600

um and I mean we've talked about this

1676

01:09:04,970 --> 01:09:01,739

before about just sort of how

1677

01:09:08,390 --> 01:09:04,980

unfortunate that this entire subject in

1678

01:09:12,289 --> 01:09:08,400

um its current sort of popular iteration

1679

01:09:14,990 --> 01:09:12,299

has been so co-opted by like just the

1680

01:09:15,590 --> 01:09:15,000

worst politics imaginable

1681

01:09:18,229 --> 01:09:15,600

um

1682

01:09:20,209 --> 01:09:18,239

and that's like again and I say this

1683

01:09:22,130 --> 01:09:20,219

without saying you know I think there's

1684

01:09:23,269 --> 01:09:22,140

interesting stuff about 2017 I'm not

1685

01:09:25,130 --> 01:09:23,279

dismissing it I think it's really

1686

01:09:27,289 --> 01:09:25,140

important to look at and consider but I

1687

01:09:29,570 --> 01:09:27,299

also am not super into the idea of like

1688

01:09:31,910 --> 01:09:29,580

Tucker Carlson being the mouthpiece of

1689

01:09:33,530 --> 01:09:31,920

this subject right like that's extremely

1690

01:09:36,769 --> 01:09:33,540

concerning to me it's really concerning

1691

01:09:37,430 --> 01:09:36,779

to me that otherwise Progressive and

1692

01:09:38,870 --> 01:09:37,440

um

1693

01:09:41,689 --> 01:09:38,880

uh

1694

01:09:43,610 --> 01:09:41,699

reasonable people are happy to put aside

1695

01:09:46,249 --> 01:09:43,620

their progressiveness and reasonableness

1696

01:09:48,229 --> 01:09:46,259

because it happens to be UFOs on Tucker

1697

01:09:50,329 --> 01:09:48,239

Carlson

1698

01:09:52,010 --> 01:09:50,339

um yes Milk Bar I agree I it's almost

1699

01:09:54,410 --> 01:09:52,020

like Don Lemon should wake the [h__h] up

1700

01:09:56,270 --> 01:09:54,420

yes yeah or like Jesus I would even take

1701

01:09:58,550 --> 01:09:56,280

Rachel Maddow who's about like the most

1702

01:10:00,229 --> 01:09:58,560

milk toast Capital Elder girl you can

1703

01:10:02,810 --> 01:10:00,239

get what I'm getting at is that like

1704

01:10:05,870 --> 01:10:02,820

this entire subject has been co-opted by

1705

01:10:08,390 --> 01:10:05,880

the right in America it is completely

1706

01:10:10,729 --> 01:10:08,400

unfortunate I think that's

1707

01:10:13,310 --> 01:10:10,739

that's what bothers me about The

1708

01:10:17,750 --> 01:10:13,320

Narrative of disclosure though because

1709

01:10:19,490 --> 01:10:17,760

the rationale I hear expressed is that

1710

01:10:22,310 --> 01:10:19,500

disclosure is so important and it's

1711

01:10:24,290 --> 01:10:22,320

going to oh my god dude come on you

1712

01:10:27,890 --> 01:10:24,300

gotta you gotta improve your your media

1713

01:10:30,290 --> 01:10:27,900

references here you know okay no it's

1714

01:10:33,890 --> 01:10:30,300

it's so important and it's going to

1715

01:10:35,390 --> 01:10:33,900

change Humanity's Destiny on such a

1716

01:10:38,689 --> 01:10:35,400

fundamental level that it's worth being

1717

01:10:40,729 --> 01:10:38,699

on Tucker Carlson for and I what what

1718

01:10:42,890 --> 01:10:40,739

bothers me about that and what bothers

1719

01:10:44,870 --> 01:10:42,900

me about the kind of

1720

01:10:46,970 --> 01:10:44,880

um the constant you know like the

1721

01:10:51,050 --> 01:10:46,980

radioactive half-life of the UFO Mythos

1722

01:10:55,729 --> 01:10:51,060

is only five years because we felt this

1723

01:10:57,590 --> 01:10:55,739

in the 90s like we felt that the like

1724

01:11:00,050 --> 01:10:57,600

the White House lawn Day the Earth

1725

01:11:02,290 --> 01:11:00,060

should still thing like the so much of

1726

01:11:04,910 --> 01:11:02,300

the X-Files and like the the

1727

01:11:07,970 --> 01:11:04,920

pre-millennial tension and that this was

1728

01:11:10,970 --> 01:11:07,980

this was going to happen like the disc

1729

01:11:13,010 --> 01:11:10,980

like we were going to disclose at that

1730

01:11:14,630 --> 01:11:13,020

point it really was the X-Files Mythos

1731

01:11:17,510 --> 01:11:14,640

that we've been working with these

1732

01:11:19,490 --> 01:11:17,520

aliens since 47 and Roswell and all this

1733

01:11:21,649 --> 01:11:19,500

stuff and this was going to and it was

1734

01:11:24,890 --> 01:11:21,659

finally here of course this whole thing

1735

01:11:27,290 --> 01:11:24,900

yes and it didn't happen

1736

01:11:29,149 --> 01:11:27,300

and there was like I understand we could

1737

01:11:31,070 --> 01:11:29,159

only asymptotically approach disclosure

1738

01:11:35,270 --> 01:11:31,080

we can never actually touch it

1739

01:11:39,950 --> 01:11:35,280

it's um it's like yeah and that's and

1740

01:11:43,910 --> 01:11:39,960

what what bothers me about it is we have

1741

01:11:46,910 --> 01:11:43,920

just like this new crop of dudes running

1742

01:11:49,209 --> 01:11:46,920

this Playbook again everybody like

1743

01:11:53,030 --> 01:11:49,219

everybody That's a hardcore

1744

01:11:54,830 --> 01:11:53,040

disclosure like that's based their whole

1745

01:11:58,250 --> 01:11:54,840

you know this is why they get up in the

1746

01:12:01,430 --> 01:11:58,260

morning is going to end up

1747

01:12:04,070 --> 01:12:01,440

like with a 10-year 10-year dip out from

1748

01:12:06,530 --> 01:12:04,080

the level of disappointment I mean there

1749

01:12:08,149 --> 01:12:06,540

is like Robert cialdini talks about that

1750

01:12:09,709 --> 01:12:08,159

called psychology there's going to be

1751

01:12:12,649 --> 01:12:09,719

like a handful of people who never give

1752

01:12:13,910 --> 01:12:12,659

up but when people finally walk it's

1753

01:12:16,550 --> 01:12:13,920

just going to be like because that was

1754

01:12:22,930 --> 01:12:16,560

about what it was for me I I had about a

1755

01:12:27,530 --> 01:12:25,729

2004 to 2014.

1756

01:12:29,750 --> 01:12:27,540

I am I'm gonna call it something milk

1757

01:12:32,030 --> 01:12:29,760

farts saying too Jesus he's like the

1758

01:12:32,770 --> 01:12:32,040

[h__\h] sixth host here

1759

01:12:35,390 --> 01:12:32,780

um

1760

01:12:36,890 --> 01:12:35,400

yeah I know the stream yard link is

1761

01:12:38,570 --> 01:12:36,900

posted you're welcome to come on milk

1762

01:12:42,410 --> 01:12:38,580

fart we'd love to have you dude yeah

1763

01:12:50,270 --> 01:12:45,229

I agree with the goal post keeps

1764

01:12:54,770 --> 01:12:53,330

poorly articulated that like what my

1765

01:12:56,390 --> 01:12:54,780

what I would think of as disclosure

1766

01:12:57,410 --> 01:12:56,400

maybe categorically distinct and

1767

01:12:59,030 --> 01:12:57,420

different from what other people would

1768

01:13:00,470 --> 01:12:59,040

say as disclosure also we have we have

1769

01:13:04,430 --> 01:13:00,480

malcolored on so I'm in Adam South

1770

01:13:07,250 --> 01:13:04,440

Street yeah I will only settle for there

1771

01:13:10,310 --> 01:13:07,260

is an eminent threat to earth like if a

1772

01:13:13,910 --> 01:13:10,320

mothership is coming the fact that I

1773

01:13:15,950 --> 01:13:13,920

have like 300 hours in Cessnas is I'm

1774

01:13:17,709 --> 01:13:15,960

going to be like Randy in Independence

1775

01:13:22,550 --> 01:13:17,719

Day except they're gonna put me in a

1776

01:13:23,330 --> 01:13:22,560

tr3b in the black rectangle instead of

1777

01:13:27,229 --> 01:13:23,340

um

1778

01:13:28,430 --> 01:13:27,239

instead of the F-18 and that's like I'm

1779

01:13:31,610 --> 01:13:28,440

going to get a call I'm going to be red

1780

01:13:35,330 --> 01:13:31,620

five and we're going for it

1781

01:13:40,550 --> 01:13:37,130

I just figured it's easier than typing

1782

01:13:42,229 --> 01:13:40,560

thanks for having me yes it's good to

1783

01:13:43,790 --> 01:13:42,239

have you all we were talking about

1784

01:13:45,649 --> 01:13:43,800

something a while ago when I wanted you

1785

01:13:46,970 --> 01:13:45,659

to come on oh it was the um the

1786

01:13:51,229 --> 01:13:46,980

pregnancies

1787

01:13:54,590 --> 01:13:51,239

talking about the Twitter I'm not making

1788

01:13:55,790 --> 01:13:54,600

that up yes probably your Twitter so I

1789

01:13:57,649 --> 01:13:55,800

can't I think we're talking about the

1790

01:14:04,330 --> 01:13:57,659

Baghdad Phantom but let's talk about

1791

01:14:08,149 --> 01:14:06,530

there was there was an exchange on

1792

01:14:10,310 --> 01:14:08,159

Twitter about

1793

01:14:12,169 --> 01:14:10,320

um like

1794

01:14:15,350 --> 01:14:12,179

oh I know what you're talking about yeah

1795

01:14:18,110 --> 01:14:15,360

thank you the uh thank you they released

1796

01:14:20,689 --> 01:14:18,120

a news article like late last year I

1797

01:14:23,330 --> 01:14:20,699

think that the Pentagon had files on

1798

01:14:24,590 --> 01:14:23,340

quote unexplained pregnancies right is

1799

01:14:27,110 --> 01:14:24,600

that the thing you're talking about yes

1800

01:14:29,689 --> 01:14:27,120

that's what I was talking about yeah oh

1801

01:14:31,970 --> 01:14:29,699

that that right the move on files that

1802

01:14:34,010 --> 01:14:31,980

were uh Declassified through being in

1803

01:14:36,709 --> 01:14:34,020

the government records or whatever right

1804

01:14:40,610 --> 01:14:36,719

yes to be honest what I just what I just

1805

01:14:43,310 --> 01:14:40,620

regurgitated is all I know about it yes

1806

01:14:44,930 --> 01:14:43,320

but so let's talk about disclosure what

1807

01:14:47,930 --> 01:14:44,940

what what actually is disclosure what

1808

01:14:50,870 --> 01:14:47,940

would constitute disclosure

1809

01:14:51,830 --> 01:14:50,880

well like I was saying uh picture it's

1810

01:14:54,050 --> 01:14:51,840

you know

1811

01:14:56,330 --> 01:14:54,060

a year before season one of the X-Files

1812

01:14:59,990 --> 01:14:56,340

right the New York Times has a front

1813

01:15:02,149 --> 01:15:00,000

page article saying UFOs are real

1814

01:15:03,950 --> 01:15:02,159

would that not have been oh my God we

1815

01:15:06,890 --> 01:15:03,960

just got disclosure at that point don't

1816

01:15:09,649 --> 01:15:06,900

you think that with the advancement

1817

01:15:13,370 --> 01:15:09,659

as long as they they followed that up

1818

01:15:15,350 --> 01:15:13,380

with saying what UFOs are right but I I

1819

01:15:17,689 --> 01:15:15,360

think I don't think I totally understand

1820

01:15:20,330 --> 01:15:17,699

what you mean I think for me it's more

1821

01:15:21,649 --> 01:15:20,340

like like UFOs are real or so it's such

1822

01:15:23,330 --> 01:15:21,659

an ambiguous statement like of course

1823

01:15:25,610 --> 01:15:23,340

there's unidentified flying stuff what

1824

01:15:28,790 --> 01:15:25,620

does that actually imply though like is

1825

01:15:30,709 --> 01:15:28,800

it is it atmospheric phenomena is it

1826

01:15:34,550 --> 01:15:30,719

actual for real extraterrestrial craft

1827

01:15:36,770 --> 01:15:34,560

is it intelligent stuff uh it's it's

1828

01:15:39,229 --> 01:15:36,780

clearly intelligently controlled craft

1829

01:15:41,390 --> 01:15:39,239

of some sort that operate in ways that

1830

01:15:43,010 --> 01:15:41,400

we currently can't design or build

1831

01:15:45,110 --> 01:15:43,020

things to operate in

1832

01:15:50,890 --> 01:15:45,120

for amounts of time that we can't get

1833

01:15:54,709 --> 01:15:53,330

our government said that officially it

1834

01:15:57,229 --> 01:15:54,719

was on the front page of the New York

1835

01:15:59,330 --> 01:15:57,239

Times like that would be a huge deal 35

1836

01:16:00,830 --> 01:15:59,340

40 years ago

1837

01:16:03,770 --> 01:16:00,840

I could see that what were you saying

1838

01:16:06,290 --> 01:16:03,780

Campbell uh it came up I was uh or Joe

1839

01:16:08,510 --> 01:16:06,300

actually I didn't know you're right yeah

1840

01:16:09,830 --> 01:16:08,520

yeah either way yeah uh Joe I was

1841

01:16:12,950 --> 01:16:09,840

curious have you

1842

01:16:15,050 --> 01:16:12,960

um have you had a direct experience with

1843

01:16:17,330 --> 01:16:15,060

like UFOs

1844

01:16:19,310 --> 01:16:17,340

um or is I've seen one UFO and that's it

1845

01:16:21,830 --> 01:16:19,320

okay could you just describe it

1846

01:16:23,689 --> 01:16:21,840

literally yeah yeah it was in 2011. I

1847

01:16:25,250 --> 01:16:23,699

actually wrote a whole Reddit post uh

1848

01:16:27,229 --> 01:16:25,260

about it I'll post it in the comments on

1849

01:16:29,810 --> 01:16:27,239

the YouTube video if anyone's interested

1850

01:16:32,090 --> 01:16:29,820

but long story short it was if you were

1851

01:16:33,890 --> 01:16:32,100

to hold your arm up to the sky this is

1852

01:16:36,169 --> 01:16:33,900

how I always gauge the size

1853

01:16:38,209 --> 01:16:36,179

hold like your wrist at a 90 degree

1854

01:16:40,310 --> 01:16:38,219

angle so you got your open flat Palm it

1855

01:16:42,410 --> 01:16:40,320

was about yay big up against the sky

1856

01:16:44,570 --> 01:16:42,420

from my perspective and moved from one

1857

01:16:46,610 --> 01:16:44,580

side of the Horizon all the way to the

1858

01:16:49,310 --> 01:16:46,620

other over a span of about I don't know

1859

01:16:51,709 --> 01:16:49,320

40 seconds to 100 to a minute minute and

1860

01:16:53,689 --> 01:16:51,719

a half something like that

1861

01:16:56,030 --> 01:16:53,699

um slow enough that you could watch it

1862

01:16:58,310 --> 01:16:56,040

the entire time it wasn't outrageous and

1863

01:17:01,370 --> 01:16:58,320

it was basically like an amorphous blob

1864

01:17:04,610 --> 01:17:01,380

of plasma that was green and red and

1865

01:17:07,070 --> 01:17:04,620

yellow and this was at probably I don't

1866

01:17:09,050 --> 01:17:07,080

know 6 p.m so uh in the middle of the

1867

01:17:11,270 --> 01:17:09,060

summer in my friend's backyard four

1868

01:17:13,130 --> 01:17:11,280

other Witnesses who all to this day will

1869

01:17:14,689 --> 01:17:13,140

describe it the exact same way that I do

1870

01:17:16,250 --> 01:17:14,699

I actually just talked to one a couple

1871

01:17:18,890 --> 01:17:16,260

months ago

1872

01:17:20,030 --> 01:17:18,900

um and I had him I say I I it's funny I

1873

01:17:21,709 --> 01:17:20,040

pulled them aside I'm like pretend I

1874

01:17:22,970 --> 01:17:21,719

wasn't there explain to me what you saw

1875

01:17:24,229 --> 01:17:22,980

because it's been you know seven or

1876

01:17:27,050 --> 01:17:24,239

whatever years since we've talked about

1877

01:17:29,450 --> 01:17:27,060

it and it was exactly as I remember uh

1878

01:17:31,310 --> 01:17:29,460

where it was bizarre what what time of

1879

01:17:33,229 --> 01:17:31,320

day and where were you located if you

1880

01:17:35,990 --> 01:17:33,239

don't mind I was located in Springfield

1881

01:17:37,910 --> 01:17:36,000

Massachusetts which is a city in Western

1882

01:17:40,189 --> 01:17:37,920

Massachusetts and a friend of mine's

1883

01:17:41,689 --> 01:17:40,199

residential neighborhood backyard by a

1884

01:17:43,570 --> 01:17:41,699

lake

1885

01:17:46,130 --> 01:17:43,580

oh fascinating

1886

01:17:48,110 --> 01:17:46,140

where's Jeff from strange Recon to talk

1887

01:17:50,750 --> 01:17:48,120

about this I'd be like who's who right

1888

01:17:52,790 --> 01:17:50,760

now yeah it's probably more like a pond

1889

01:17:54,830 --> 01:17:52,800

but a big body of water and I'm sorry

1890

01:17:57,590 --> 01:17:54,840

what what time of day was it it was

1891

01:17:59,990 --> 01:17:57,600

about 6 6 30 at night it was like right

1892

01:18:01,550 --> 01:18:00,000

before the sun started to enter like the

1893

01:18:05,649 --> 01:18:01,560

Twilight Stage so like starting to get

1894

01:18:08,090 --> 01:18:05,659

dark but not dark by any means wow

1895

01:18:10,790 --> 01:18:08,100

the exact date

1896

01:18:13,189 --> 01:18:10,800

Campbell you love amorphous uh Blobs of

1897

01:18:16,430 --> 01:18:13,199

plasma right yeah the rest of plasma guy

1898

01:18:18,649 --> 01:18:16,440

Campbell yes I love them I want to marry

1899

01:18:20,149 --> 01:18:18,659

them and all that stuff yeah I like the

1900

01:18:21,649 --> 01:18:20,159

comments

1901

01:18:22,669 --> 01:18:21,659

um yeah but no that's pretty neat joke

1902

01:18:24,010 --> 01:18:22,679

cause

1903

01:18:27,890 --> 01:18:24,020

um

1904

01:18:30,169 --> 01:18:27,900

it's very similar description to uh the

1905

01:18:31,850 --> 01:18:30,179

original reports in the Declassified

1906

01:18:34,790 --> 01:18:31,860

archives right like uh project twinkle

1907

01:18:36,470 --> 01:18:34,800

US Air Force uh they were trying to say

1908

01:18:38,209 --> 01:18:36,480

Fireballs or what have you yeah yeah

1909

01:18:39,950 --> 01:18:38,219

very similar and they didn't come to a

1910

01:18:41,810 --> 01:18:39,960

conclusion on what they were there were

1911

01:18:43,910 --> 01:18:41,820

you know arguments presented in various

1912

01:18:45,290 --> 01:18:43,920

ways uh but it's almost identical and

1913

01:18:46,850 --> 01:18:45,300

it's a very consistent description

1914

01:18:49,370 --> 01:18:46,860

across time

1915

01:18:50,990 --> 01:18:49,380

um what about the observation

1916

01:18:53,149 --> 01:18:51,000

um LED you to

1917

01:18:54,890 --> 01:18:53,159

um decide that it appeared to be

1918

01:18:57,290 --> 01:18:54,900

intelligently controlled

1919

01:18:59,030 --> 01:18:57,300

you know what's funny is that I what

1920

01:19:01,310 --> 01:18:59,040

happened at the very end was the only

1921

01:19:02,990 --> 01:19:01,320

thing about it that led me to believe

1922

01:19:05,030 --> 01:19:03,000

like that wasn't just some sort of weird

1923

01:19:06,890 --> 01:19:05,040

atmospheric nor isolated you know of

1924

01:19:10,450 --> 01:19:06,900

Aurora Borealis in my kitchen no you

1925

01:19:16,550 --> 01:19:13,970

but uh right as it was getting towards

1926

01:19:18,350 --> 01:19:16,560

uh the other Horizon before it was

1927

01:19:19,430 --> 01:19:18,360

assumedly about to disappear over the

1928

01:19:23,450 --> 01:19:19,440

horizon

1929

01:19:26,090 --> 01:19:23,460

one of the one of the fainters um but

1930

01:19:27,770 --> 01:19:26,100

now but now visible oh sorry it was a

1931

01:19:29,030 --> 01:19:27,780

faint star so it was one of the brighter

1932

01:19:30,770 --> 01:19:29,040

stars in the sky I couldn't tell you

1933

01:19:32,570 --> 01:19:30,780

what it was but it wasn't dark enough to

1934

01:19:34,550 --> 01:19:32,580

see any other stars

1935

01:19:36,770 --> 01:19:34,560

it was sort of heading towards that

1936

01:19:39,169 --> 01:19:36,780

bright star and then that star got

1937

01:19:41,270 --> 01:19:39,179

really bright like a camera flash for

1938

01:19:43,490 --> 01:19:41,280

like a split second and then both were

1939

01:19:47,030 --> 01:19:45,110

and I was like well that was even

1940

01:19:48,290 --> 01:19:47,040

weirder and I just looked to my buddies

1941

01:19:50,390 --> 01:19:48,300

and they looked to me and we were like

1942

01:19:53,390 --> 01:19:50,400

what everyone just saw that right you

1943

01:19:56,030 --> 01:19:53,400

can swear it's fun okay we're like holy

1944

01:19:58,490 --> 01:19:56,040

[h__\h] [h__\h] this this is way too early

1945

01:20:00,590 --> 01:19:58,500

in the day for this we you know we we

1946

01:20:02,689 --> 01:20:00,600

had we were a half a beer in it's not

1947

01:20:03,830 --> 01:20:02,699

like we were we we just decided to go on

1948

01:20:05,270 --> 01:20:03,840

the backyard and do mushrooms or

1949

01:20:07,209 --> 01:20:05,280

something like that for anyways thank

1950

01:20:09,709 --> 01:20:07,219

you

1951

01:20:11,330 --> 01:20:09,719

and then to this day I'm not convinced

1952

01:20:13,550 --> 01:20:11,340

it was extraterrestrial by any stretch

1953

01:20:16,070 --> 01:20:13,560

I'm not convinced it was non-human

1954

01:20:18,830 --> 01:20:16,080

but I have no [h__\h] idea what it was

1955

01:20:21,649 --> 01:20:18,840

and I've been unable to find anything up

1956

01:20:23,630 --> 01:20:21,659

until recently uh any video that even

1957

01:20:26,270 --> 01:20:23,640

looked remotely like it I found uh

1958

01:20:28,970 --> 01:20:26,280

someone actually uh on Twitter posted a

1959

01:20:30,709 --> 01:20:28,980

video uh either this morning or

1960

01:20:33,110 --> 01:20:30,719

yesterday I'll try to find it and I'll

1961

01:20:35,030 --> 01:20:33,120

link it in in the comments too

1962

01:20:36,410 --> 01:20:35,040

um of something that looks similar to

1963

01:20:38,689 --> 01:20:36,420

what I saw but it was about half the

1964

01:20:39,950 --> 01:20:38,699

size and about twice the distance from

1965

01:20:41,630 --> 01:20:39,960

the ground

1966

01:20:43,070 --> 01:20:41,640

so I couldn't you can't really get that

1967

01:20:44,510 --> 01:20:43,080

clear of a view of it but it was a

1968

01:20:46,070 --> 01:20:44,520

similar shape and it was moving at a

1969

01:20:47,750 --> 01:20:46,080

similar speed

1970

01:20:49,490 --> 01:20:47,760

you know I think I've mentioned this

1971

01:20:51,770 --> 01:20:49,500

before but sightings like yours I always

1972

01:20:53,990 --> 01:20:51,780

love those and it reminds me so much of

1973

01:20:57,350 --> 01:20:54,000

um Professor Michael swords uh

1974

01:20:58,669 --> 01:20:57,360

Grassroots UFOs that book that it's um I

1975

01:21:01,550 --> 01:20:58,679

talk about it on the show it's a

1976

01:21:03,709 --> 01:21:01,560

fascinating book it's like uh the kufos

1977

01:21:06,350 --> 01:21:03,719

guys were like during the during like a

1978

01:21:08,030 --> 01:21:06,360

or doing a mall tour in the 70s and 80s

1979

01:21:10,910 --> 01:21:08,040

I think just with like little kiosks and

1980

01:21:12,830 --> 01:21:10,920

stands and people would unprovoked come

1981

01:21:14,510 --> 01:21:12,840

up and just tell their sighting stories

1982

01:21:16,130 --> 01:21:14,520

and this whole this book is just like a

1983

01:21:17,630 --> 01:21:16,140

collection of those as they traveled

1984

01:21:19,310 --> 01:21:17,640

around like different malls and like

1985

01:21:21,649 --> 01:21:19,320

strip malls and stuff with their little

1986

01:21:23,870 --> 01:21:21,659

UFO presentation from you know J Allen

1987

01:21:26,390 --> 01:21:23,880

heinek's kufos yeah yeah and he just

1988

01:21:27,950 --> 01:21:26,400

reported it all so like it's all just a

1989

01:21:31,070 --> 01:21:27,960

bunch of stories like that but like

1990

01:21:33,110 --> 01:21:31,080

anytime I'm feeling like super like

1991

01:21:34,970 --> 01:21:33,120

salty cynical about UFOs or anything I

1992

01:21:36,169 --> 01:21:34,980

like to like just read some of those I'm

1993

01:21:37,370 --> 01:21:36,179

like yeah you know this is still

1994

01:21:40,550 --> 01:21:37,380

interesting to me and stuff and always

1995

01:21:41,870 --> 01:21:40,560

like kind of reels me back in that I

1996

01:21:44,689 --> 01:21:41,880

recommend that book to anyone who's

1997

01:21:46,610 --> 01:21:44,699

listening to you not as like a uh you

1998

01:21:49,370 --> 01:21:46,620

know like a Smoking Gun evidence or like

1999

01:21:51,830 --> 01:21:49,380

heavy research book but just as like uh

2000

01:21:53,750 --> 01:21:51,840

I don't know interesting I mean you can

2001

01:21:55,310 --> 01:21:53,760

like pick it up and set it down all the

2002

01:21:57,590 --> 01:21:55,320

time but it's full of stories like that

2003

01:21:59,990 --> 01:21:57,600

just regular people coming up not even

2004

01:22:02,090 --> 01:22:00,000

asked and telling similar stories like

2005

01:22:03,770 --> 01:22:02,100

that just like seeing real weird [h__h] in

2006

01:22:05,390 --> 01:22:03,780

this guy people love to tell their

2007

01:22:08,209 --> 01:22:05,400

stories the moment I ever say I'm into

2008

01:22:11,870 --> 01:22:08,219

UFOs I get so many stories from people

2009

01:22:13,130 --> 01:22:11,880

yeah exactly yeah Joe um I'm gonna ask

2010

01:22:16,310 --> 01:22:13,140

you something I'm always curious about

2011

01:22:17,209 --> 01:22:16,320

this uh for people who have seen things

2012

01:22:19,430 --> 01:22:17,219

um

2013

01:22:21,830 --> 01:22:19,440

did it how

2014

01:22:23,149 --> 01:22:21,840

um how did it make you feel like sort of

2015

01:22:26,330 --> 01:22:23,159

what was like the emotional or

2016

01:22:29,990 --> 01:22:26,340

psychological response to it

2017

01:22:33,169 --> 01:22:30,000

it's funny uh because I didn't really

2018

01:22:35,390 --> 01:22:33,179

feel any emotional response other than

2019

01:22:39,649 --> 01:22:35,400

you know like I just saw a brilliant

2020

01:22:41,630 --> 01:22:39,659

magic trick like yeah

2021

01:22:43,790 --> 01:22:41,640

I I kind of even though I had that

2022

01:22:45,770 --> 01:22:43,800

experience I don't really consider

2023

01:22:47,390 --> 01:22:45,780

myself an experimenter

2024

01:22:49,189 --> 01:22:47,400

right even though I guess I technically

2025

01:22:50,990 --> 01:22:49,199

should

2026

01:22:52,550 --> 01:22:51,000

um but no I didn't feel like you know

2027

01:22:55,490 --> 01:22:52,560

personally connected with it or anything

2028

01:22:57,830 --> 01:22:55,500

I totally believe that people absolutely

2029

01:22:59,810 --> 01:22:57,840

do and have a profoundly emotional

2030

01:23:01,610 --> 01:22:59,820

overwhelming experiences but now me

2031

01:23:03,350 --> 01:23:01,620

personally it was more just like

2032

01:23:06,470 --> 01:23:03,360

holy [h__\h] I haven't seen anything like

2033

01:23:08,570 --> 01:23:06,480

that I just had my mind blown uh I wish

2034

01:23:10,850 --> 01:23:08,580

I could just look behind the stage and

2035

01:23:13,850 --> 01:23:10,860

you know see who who's in the all black

2036

01:23:15,590 --> 01:23:13,860

suit with the puppet but I can't so

2037

01:23:17,209 --> 01:23:15,600

here I am

2038

01:23:22,130 --> 01:23:17,219

something about

2039

01:23:23,750 --> 01:23:22,140

observations that I had no idea about

2040

01:23:26,450 --> 01:23:23,760

until I started reading more like

2041

01:23:27,590 --> 01:23:26,460

intensely just in the last few years is

2042

01:23:29,510 --> 01:23:27,600

that

2043

01:23:32,209 --> 01:23:29,520

like the most classic UFO descriptions

2044

01:23:34,550 --> 01:23:32,219

by uh J AI and heinek you know the Blue

2045

01:23:37,850 --> 01:23:34,560

Book lead investigator and uh astronomer

2046

01:23:40,010 --> 01:23:37,860

at Northwestern his uh descriptions of

2047

01:23:43,790 --> 01:23:40,020

the most credible cases he failed to

2048

01:23:48,430 --> 01:23:43,800

resolve were not of like machines they

2049

01:23:51,590 --> 01:23:48,440

were of uh uniformly luminous objects

2050

01:23:53,990 --> 01:23:51,600

that uh you know have these very strange

2051

01:23:56,630 --> 01:23:54,000

details and don't sound at all like what

2052

01:23:59,209 --> 01:23:56,640

I thought almost my entire you know over

2053

01:24:00,590 --> 01:23:59,219

30 years of life the UFO was I was

2054

01:24:03,890 --> 01:24:00,600

thought of it as like kind of like uh

2055

01:24:06,709 --> 01:24:03,900

you know successor flying saucer I think

2056

01:24:07,930 --> 01:24:06,719

um so Joe like when you saw that like

2057

01:24:10,370 --> 01:24:07,940

what

2058

01:24:12,110 --> 01:24:10,380

did you have in your head an idea of

2059

01:24:14,330 --> 01:24:12,120

what a flying saucer should look like at

2060

01:24:15,290 --> 01:24:14,340

that point and after you saw it how did

2061

01:24:16,550 --> 01:24:15,300

you sort of move towards that

2062

01:24:21,669 --> 01:24:16,560

categorization

2063

01:24:24,890 --> 01:24:21,679

um not only not only did I not

2064

01:24:26,750 --> 01:24:24,900

immediately connect it to a flying

2065

01:24:30,290 --> 01:24:26,760

saucer or

2066

01:24:32,209 --> 01:24:30,300

I didn't think of it as a UFO for

2067

01:24:35,209 --> 01:24:32,219

probably a year or two oh wow

2068

01:24:37,430 --> 01:24:35,219

fascinating yeah I was just like that

2069

01:24:39,590 --> 01:24:37,440

was just something that happened and it

2070

01:24:43,189 --> 01:24:39,600

was

2071

01:24:44,689 --> 01:24:43,199

absolutely a UFO but yeah probably you

2072

01:24:47,030 --> 01:24:44,699

know like like you were saying like my

2073

01:24:50,090 --> 01:24:47,040

idea of what constitutes a UFO was so

2074

01:24:51,709 --> 01:24:50,100

not that right and it took me a while to

2075

01:24:53,750 --> 01:24:51,719

be like wait a second

2076
01:24:54,950 --> 01:24:53,760
and then I called up my friends who were

2077
01:24:56,510 --> 01:24:54,960
there and I was like that was a [h__h]

2078
01:24:58,130 --> 01:24:56,520
UFO and then it turns out the guy who

2079
01:25:01,010 --> 01:24:58,140
lives at the house whose backyard we was

2080
01:25:03,410 --> 01:25:01,020
in sees them constantly and he's just

2081
01:25:04,790 --> 01:25:03,420
being an app cool not sending me videos

2082
01:25:07,370 --> 01:25:04,800
of himself that's that's interesting

2083
01:25:09,410 --> 01:25:07,380
that's I almost expect the opposite when

2084
01:25:11,689 --> 01:25:09,420
someone sees something they don't

2085
01:25:13,370 --> 01:25:11,699
understand they kind of like associate

2086
01:25:15,770 --> 01:25:13,380
with like what they would culturally

2087
01:25:17,810 --> 01:25:15,780
know like like everyone in the states

2088
01:25:19,310 --> 01:25:17,820

kind of culturally knows what a UFO is

2089

01:25:21,910 --> 01:25:19,320

to an extent like you see something

2090

01:25:24,169 --> 01:25:21,920

weird in the sky it typically is

2091

01:25:26,149 --> 01:25:24,179

considered a UFO so that that's pretty

2092

01:25:28,250 --> 01:25:26,159

interesting yeah I guess since it wasn't

2093

01:25:30,350 --> 01:25:28,260

a saucer or like a classic cigar shape

2094

01:25:32,330 --> 01:25:30,360

or like an orb my brain didn't make the

2095

01:25:33,110 --> 01:25:32,340

connection right away huh right I

2096

01:25:35,209 --> 01:25:33,120

actually

2097

01:25:37,310 --> 01:25:35,219

um have a friend down in Tennessee that

2098

01:25:51,550 --> 01:25:37,320

sees green Fireballs like that

2099

01:25:56,510 --> 01:25:53,510

that would be awesome

2100

01:25:58,669 --> 01:25:56,520

and if anybody wants to uh check out my

2101

01:26:01,669 --> 01:25:58,679

website you can see the Max Planck

2102

01:26:03,830 --> 01:26:01,679

Institute for plasma experiment plasma

2103

01:26:07,250 --> 01:26:03,840

experiments uh that they did in 2006

2104

01:26:09,709 --> 01:26:07,260

that produce uh green Fireballs above

2105

01:26:12,470 --> 01:26:09,719

water bodies do through a uh Electric

2106

01:26:14,270 --> 01:26:12,480

discharge into the solution so check

2107

01:26:16,310 --> 01:26:14,280

that out if you're not scientist [h__\h]

2108

01:26:19,550 --> 01:26:16,320

Leah it's getting really close to your

2109

01:26:20,870 --> 01:26:19,560

bedtime it is I need my beauty sleep

2110

01:26:22,370 --> 01:26:20,880

um yeah we're gonna wrap up at the

2111

01:26:23,990 --> 01:26:22,380

bottom of the hour I was saying in the

2112

01:26:26,870 --> 01:26:24,000

Green Room I've been like skiing my tush

2113

01:26:29,510 --> 01:26:26,880

off like the last week and I skied 22

2114

01:26:32,689 --> 01:26:29,520

miles today so that's awesome absolutely

2115

01:26:34,189 --> 01:26:32,699

pushed thank you yes I'm well on my way

2116

01:26:36,530 --> 01:26:34,199

to actually being a skier instead of

2117

01:26:38,689 --> 01:26:36,540

just somebody who skis

2118

01:26:40,610 --> 01:26:38,699

um so yeah I'm gonna Joe Jay thank you

2119

01:26:42,050 --> 01:26:40,620

so much yeah guys for dropping by it was

2120

01:26:43,610 --> 01:26:42,060

great to see both of you very surreal

2121

01:26:45,169 --> 01:26:43,620

yeah thanks for having me I appreciate

2122

01:26:47,689 --> 01:26:45,179

it yeah thanks for having me on getting

2123

01:26:52,669 --> 01:26:47,699

me on here I'm just it's our pleasure

2124

01:26:56,629 --> 01:26:53,750

all right

2125

01:26:58,610 --> 01:26:56,639

I love these uh these these call-in

2126
01:27:00,709 --> 01:26:58,620
shows yeah me too they're a lot of fun

2127
01:27:02,870 --> 01:27:00,719
yeah they're so fun and like I love

2128
01:27:03,649 --> 01:27:02,880
seeing your drops in and also like I

2129
01:27:05,149 --> 01:27:03,659
love

2130
01:27:07,610 --> 01:27:05,159
just like hearing what people have to

2131
01:27:09,590 --> 01:27:07,620
say and all the responses are and I will

2132
01:27:11,330 --> 01:27:09,600
never ever stop being fascinated by

2133
01:27:13,310 --> 01:27:11,340
people's experiences I love when

2134
01:27:17,209 --> 01:27:13,320
experiencers tell me yeah I've seen

2135
01:27:18,229 --> 01:27:17,219
things like I eat it up I love it

2136
01:27:20,149 --> 01:27:18,239
um

2137
01:27:21,410 --> 01:27:20,159
so so

2138
01:27:24,350 --> 01:27:21,420

all right

2139

01:27:25,910 --> 01:27:24,360

what's what's on Deck what is on Deck

2140

01:27:28,070 --> 01:27:25,920

what is remember dude you were catching

2141

01:27:29,689 --> 01:27:28,080

me with my pants down I'm honestly I do

2142

01:27:31,550 --> 01:27:29,699

not have our schedule in front of me I

2143

01:27:32,890 --> 01:27:31,560

probably should shouldn't I

2144

01:27:36,050 --> 01:27:32,900

um

2145

01:27:39,970 --> 01:27:36,060

yeah so next week

2146

01:27:43,310 --> 01:27:39,980

um we have

2147

01:27:45,229 --> 01:27:43,320

oh Vanessa waloco coming on

2148

01:27:46,790 --> 01:27:45,239

um she's super cool actually Jay's a

2149

01:27:49,250 --> 01:27:46,800

connection with her she helps run pan

2150

01:27:52,550 --> 01:27:49,260

pericon oh yeah and then

2151
01:27:55,729 --> 01:27:52,560
um we have uh talisma coming on the week

2152
01:27:59,390 --> 01:27:55,739
after sweet um and then we have I

2153
01:28:01,129 --> 01:27:59,400
believe Kurt Collins yeah I I wrangled

2154
01:28:03,890 --> 01:28:01,139
Kurt Collins and then Michael Huntington

2155
01:28:09,169 --> 01:28:03,900
uh later yeah so these are these are Big

2156
01:28:11,689 --> 01:28:09,179
names no dudes coming on yeah I also

2157
01:28:15,229 --> 01:28:11,699
so we're gonna do a crossover episode uh

2158
01:28:17,570 --> 01:28:15,239
the invisible mind escape with him and

2159
01:28:19,189 --> 01:28:17,580
uh he he's he's furiously working on

2160
01:28:20,450 --> 01:28:19,199
getting his documentary out I'm gonna

2161
01:28:22,250 --> 01:28:20,460
give it a quick plug he has a

2162
01:28:25,189 --> 01:28:22,260
documentary coming out it's gonna um

2163
01:28:27,169 --> 01:28:25,199

Premiere at the Roswell UFO Expo

2164

01:28:28,669 --> 01:28:27,179

um it's called

2165

01:28:31,310 --> 01:28:28,679

um

2166

01:28:34,250 --> 01:28:31,320

as within so without from I think from

2167

01:28:35,330 --> 01:28:34,260

UFOs to DMT or something like that

2168

01:28:37,070 --> 01:28:35,340

um it's super cool it's all about

2169

01:28:38,990 --> 01:28:37,080

basically the crossover between like

2170

01:28:40,310 --> 01:28:39,000

intense psychedelic experiences and

2171

01:28:41,930 --> 01:28:40,320

ufology

2172

01:28:43,010 --> 01:28:41,940

um I actually have a little brief part

2173

01:28:43,610 --> 01:28:43,020

in it

2174

01:28:45,590 --> 01:28:43,620

um

2175

01:28:47,209 --> 01:28:45,600

super fascinating Mike's show is awesome

2176

01:28:49,610 --> 01:28:47,219

it's called Mind Escape I actually

2177

01:28:51,110 --> 01:28:49,620

co-host on it pretty regularly

2178

01:28:52,970 --> 01:28:51,120

um so if anyone wants to hear me talk

2179

01:28:55,250 --> 01:28:52,980

about ethnobotany and psychedelics and

2180

01:28:57,890 --> 01:28:55,260

all sorts of weird [h__h] I'm on that show

2181

01:29:00,770 --> 01:28:57,900

a couple times a month

2182

01:29:02,330 --> 01:29:00,780

yes I know winning hearts and Minds one

2183

01:29:03,950 --> 01:29:02,340

show at a time

2184

01:29:05,209 --> 01:29:03,960

um besides that

2185

01:29:06,830 --> 01:29:05,219

um everything's pretty quiet in my

2186

01:29:08,629 --> 01:29:06,840

universe I'm super excited for the

2187

01:29:09,410 --> 01:29:08,639

upcoming April conference in New York

2188

01:29:10,850 --> 01:29:09,420

City

2189

01:29:13,189 --> 01:29:10,860

um again this is the inquiry into

2190

01:29:14,689 --> 01:29:13,199

anomalous experience yeah or an almost

2191

01:29:16,370 --> 01:29:14,699

yeah an almost experience in the

2192

01:29:17,930 --> 01:29:16,380

phenomena I'm particularly excited

2193

01:29:19,550 --> 01:29:17,940

because Daniel Ingram is one of the

2194

01:29:21,169 --> 01:29:19,560

headline speakers I'm a huge fan of

2195

01:29:22,550 --> 01:29:21,179

Daniel Ingram and his work he wrote

2196

01:29:23,930 --> 01:29:22,560

mastering the core teachings of the

2197

01:29:25,430 --> 01:29:23,940

Buddha and then he also runs the

2198

01:29:26,990 --> 01:29:25,440

emergent phenomenology research

2199

01:29:28,970 --> 01:29:27,000

Consortium I've been following them for

2200

01:29:31,370 --> 01:29:28,980

a long time I mean he's very interested

2201

01:29:32,930 --> 01:29:31,380

in basically experience your phenomena

2202

01:29:36,110 --> 01:29:32,940

um so I will be in attendance at that

2203

01:29:38,450 --> 01:29:36,120

that is April 8th so is that a

2204

01:29:40,910 --> 01:29:38,460

continuity is that a continuation of the

2205

01:29:42,649 --> 01:29:40,920

uh the so you've been to the other

2206

01:29:45,229 --> 01:29:42,659

conferences is that right yes yeah okay

2207

01:29:46,850 --> 01:29:45,239

yeah nice yep um yeah it's a full day

2208

01:29:49,490 --> 01:29:46,860

conference the lineup is actually pretty

2209

01:29:51,110 --> 01:29:49,500

solid uh but honestly like the last one

2210

01:29:52,550 --> 01:29:51,120

I went to for Jeff [h__h] the first one

2211

01:29:54,050 --> 01:29:52,560

I went to for Mitch Horowitz and this

2212

01:29:56,750 --> 01:29:54,060

one I'm going to for Daniel Ingram

2213

01:29:57,830 --> 01:29:56,760

everybody else is an afterthought but it

2214

01:29:59,390 --> 01:29:57,840

is an impressive lineup but I never

2215

01:30:02,209 --> 01:29:59,400

definitely encourage anyone to check out

2216

01:30:04,610 --> 01:30:02,219

these conferences they're small intimate

2217

01:30:08,149 --> 01:30:04,620

it's like 100 people it's pretty cool

2218

01:30:09,950 --> 01:30:08,159

um that carpool that Joe does maybe I'll

2219

01:30:12,290 --> 01:30:09,960

come out to that

2220

01:30:14,270 --> 01:30:12,300

be fun you should with carpool you

2221

01:30:17,090 --> 01:30:14,280

totally should we also have um Kelly

2222

01:30:19,610 --> 01:30:17,100

Chase's uh conference coming up in May

2223

01:30:21,110 --> 01:30:19,620

that's in Dayton right near the Air

2224

01:30:23,990 --> 01:30:21,120

Force Base

2225

01:30:26,209 --> 01:30:24,000

um right right past yes yes right

2226

01:30:28,189 --> 01:30:26,219

Patterson that's cool um I'm gonna try

2227

01:30:30,410 --> 01:30:28,199

to swing that one to UFO heritage.com

2228

01:30:32,629 --> 01:30:30,420

it's the UFO Heritage conference I'm not

2229

01:30:34,669 --> 01:30:32,639

fingers crossed we'll see

2230

01:30:38,330 --> 01:30:34,679

um I I really want to start doing events

2231

01:30:39,830 --> 01:30:38,340

I think it would be fun yes we we the

2232

01:30:42,290 --> 01:30:39,840

four of us really need to do an event so

2233

01:30:44,270 --> 01:30:42,300

we can do a live stream from one yeah a

2234

01:30:46,189 --> 01:30:44,280

little booth do a live stream yeah it'd

2235

01:30:47,930 --> 01:30:46,199

be super cool figure out a way to make

2236

01:30:49,550 --> 01:30:47,940

it happen yes

2237

01:30:52,910 --> 01:30:49,560

I can't

2238

01:30:53,890 --> 01:30:52,920

all right anything well are we jumping

2239

01:30:56,870 --> 01:30:53,900

right now

2240

01:30:58,370 --> 01:30:56,880

no no no it's it's I can talk for

2241

01:31:00,350 --> 01:30:58,380

another couple minutes

2242

01:31:02,510 --> 01:31:00,360

um what's going on with everyone Nick

2243

01:31:03,410 --> 01:31:02,520

what are you up to besides following up

2244

01:31:05,450 --> 01:31:03,420

with Twitter

2245

01:31:08,390 --> 01:31:05,460

oh yeah Twitter

2246

01:31:12,229 --> 01:31:08,400

um which part of the intent maybe is so

2247

01:31:13,669 --> 01:31:12,239

like anytime I so sorry sorry let me

2248

01:31:16,250 --> 01:31:13,679

rewind a little bit

2249

01:31:18,770 --> 01:31:16,260

um I got a copy of uh project 1947 it's

2250

01:31:20,149 --> 01:31:18,780

a big big long paper about um the 1947

2251

01:31:22,189 --> 01:31:20,159

wave you know they kind of kicked off

2252

01:31:24,169 --> 01:31:22,199

with Kevin Arnold and um the settings

2253

01:31:25,490 --> 01:31:24,179

around then I sat down to start reading

2254

01:31:28,070 --> 01:31:25,500

it but like

2255

01:31:29,990 --> 01:31:28,080

you know every couple sentences I look

2256

01:31:31,790 --> 01:31:30,000

over and check Twitter and then like get

2257

01:31:34,310 --> 01:31:31,800

completely distracted by some stupid

2258

01:31:36,229 --> 01:31:34,320

argument so that that did contribute a

2259

01:31:38,510 --> 01:31:36,239

little bit to it so I I plan on reading

2260

01:31:41,629 --> 01:31:38,520

that but what was also distracting me it

2261

01:31:43,250 --> 01:31:41,639

was the um the early references to uh

2262

01:31:45,229 --> 01:31:43,260

Charles Fort in the Floridian Society

2263

01:31:46,610 --> 01:31:45,239

including people like Mark Probert and

2264

01:31:48,050 --> 01:31:46,620

Mead Lane

2265

01:31:50,870 --> 01:31:48,060

um and kind of their influence on the

2266

01:31:51,830 --> 01:31:50,880

UFO narrative pre- Kenneth Arnold they

2267

01:31:53,750 --> 01:31:51,840

actually

2268

01:31:56,350 --> 01:31:53,760

um were kind of proponents of an

2269

01:31:58,550 --> 01:31:56,360

interdimensional Theory kind of pre-eth

2270

01:31:59,330 --> 01:31:58,560

uh they thought they were from this kind

2271

01:32:02,330 --> 01:31:59,340

of like

2272

01:32:05,030 --> 01:32:02,340

alternate Dimension called etherea I

2273

01:32:07,250 --> 01:32:05,040

think etherea ethereum which kind of

2274

01:32:08,930 --> 01:32:07,260

like Harkens back to our old Ghosts

2275

01:32:11,990 --> 01:32:08,940

episode and kind of like

2276

01:32:14,810 --> 01:32:12,000

the the culture at the Times concept of

2277

01:32:16,310 --> 01:32:14,820

The Ether you know this like other realm

2278

01:32:18,050 --> 01:32:16,320

that these mystical things traveled

2279

01:32:20,450 --> 01:32:18,060

through so it's super interesting and it

2280

01:32:23,750 --> 01:32:20,460

seems like a huge Rabbit Hole so getting

2281

01:32:25,610 --> 01:32:23,760

Twitter off my docket kind of like is

2282

01:32:27,050 --> 01:32:25,620

helping me focus in on that I don't know

2283

01:32:28,430 --> 01:32:27,060

where that's going but it's super

2284

01:32:29,930 --> 01:32:28,440

interesting

2285

01:32:32,350 --> 01:32:29,940

cool

2286

01:32:34,910 --> 01:32:32,360

I have been liking the sort of uh

2287

01:32:37,310 --> 01:32:34,920

broader uh stuff that we've been

2288

01:32:39,649 --> 01:32:37,320

touching on like I mean the 40 and stuff

2289

01:32:41,990 --> 01:32:39,659

is a lot broader than just UFOs and then

2290

01:32:44,209 --> 01:32:42,000

yeah Mark of Visconti started talking

2291

01:32:45,649 --> 01:32:44,219

Marco's show was great the occult yeah

2292

01:32:47,810 --> 01:32:45,659

yeah I was been reading a little bit

2293

01:32:49,250 --> 01:32:47,820

about the occult uh because of that and

2294

01:32:51,890 --> 01:32:49,260

I haven't really touched on that ever

2295

01:32:54,649 --> 01:32:51,900

before uh he made me uh take a look at

2296

01:32:57,050 --> 01:32:54,659

least yeah I'm not I'm not too well read

2297

01:32:59,870 --> 01:32:57,060

up on that stuff myself either but it's

2298

01:33:01,669 --> 01:32:59,880

super fascinating yeah yeah it got uh

2299

01:33:04,810 --> 01:33:01,679

gets real messy when you get into the

2300

01:33:07,669 --> 01:33:04,820

higher levels of their little rituals

2301

01:33:10,430 --> 01:33:07,679

I know we should do a whole uh thing

2302

01:33:12,169 --> 01:33:10,440

about that it gets real uh we're talking

2303

01:33:14,750 --> 01:33:12,179

about how you do the sigil and then you

2304

01:33:16,550 --> 01:33:14,760

kind of do stuff to that and then I'm

2305

01:33:18,709 --> 01:33:16,560

talking about the sex magic yeah okay

2306

01:33:20,930 --> 01:33:18,719

cool yeah all right

2307

01:33:22,250 --> 01:33:20,940

Luis you uh you you digging into

2308

01:33:24,290 --> 01:33:22,260

anything are you reading anything right

2309

01:33:26,570 --> 01:33:24,300

now

2310

01:33:28,910 --> 01:33:26,580

um I'm reading this book by oh hang on

2311

01:33:30,970 --> 01:33:28,920

let me just oh I have a copy of that

2312

01:33:33,830 --> 01:33:30,980

book yeah

2313

01:33:36,490 --> 01:33:33,840

what the heck I know it's the it's the

2314

01:33:38,990 --> 01:33:36,500

UFOs explained right it's like

2315

01:33:40,610 --> 01:33:39,000

I could go into my bedroom and go get

2316

01:33:42,470 --> 01:33:40,620

the copy off my shelf if you want would

2317

01:33:44,590 --> 01:33:42,480

you because I can't see Luis yeah I will

2318

01:33:46,669 --> 01:33:44,600

come on

2319

01:33:47,990 --> 01:33:46,679

do you want me to I know which book

2320

01:33:49,189 --> 01:33:48,000

you're talking no I was completely

2321

01:33:51,890 --> 01:33:49,199

kidding okay

2322

01:33:55,610 --> 01:33:51,900

it's called reframing the debate there

2323

01:33:58,490 --> 01:33:55,620

you go oh right yeah oh there you go oh

2324

01:34:01,430 --> 01:33:58,500

I knew exactly what book this was very

2325

01:34:03,169 --> 01:34:01,440

cool do you like it is it good oh yeah

2326

01:34:07,669 --> 01:34:03,179

uh it's got some good entries it's got

2327

01:34:10,669 --> 01:34:07,679

an entry by Jack Brewer Nicole Collins

2328

01:34:12,410 --> 01:34:10,679

oh oh nice were you uh were you reading

2329

01:34:18,790 --> 01:34:12,420

that on the stream just now

2330

01:34:23,450 --> 01:34:21,430

yeah

2331

01:34:25,430 --> 01:34:23,460

you know what you're going right back to

2332

01:34:27,290 --> 01:34:25,440

you already started yeah that's just

2333

01:34:29,450 --> 01:34:27,300

that you you had that on hand so quick

2334

01:34:32,709 --> 01:34:29,460

Amateur hour tonight she's like right

2335

01:34:38,209 --> 01:34:36,050

what about you what's going on

2336

01:34:41,689 --> 01:34:38,219

um yeah a lot a lot I can't talk about

2337

01:34:45,110 --> 01:34:41,699

it so much and so busy

2338

01:34:46,370 --> 01:34:45,120

got it yeah no no not too much I always

2339

01:34:47,750 --> 01:34:46,380

feel like a teacher coming around and

2340

01:34:49,910 --> 01:34:47,760

collecting homework from the class when

2341

01:34:52,189 --> 01:34:49,920

I asked that question yeah no I mean not

2342

01:34:54,290 --> 01:34:52,199

just doing like prep for those start of

2343

01:34:56,450 --> 01:34:54,300

the season in the spring and stuff uh

2344

01:34:57,890 --> 01:34:56,460

nothing really directly UFO related

2345

01:35:00,649 --> 01:34:57,900

honestly

2346

01:35:02,510 --> 01:35:00,659

it was a starburst V or a Simon call an

2347

01:35:04,970 --> 01:35:02,520

opal fruit I think I think they're

2348

01:35:07,729 --> 01:35:04,980

called opal fruit in the UK

2349

01:35:10,129 --> 01:35:07,739

delicious they're called Starburst yeah

2350

01:35:10,970 --> 01:35:10,139

they're called fruit in the UK opal

2351

01:35:14,629 --> 01:35:10,980

fruit

2352

01:35:15,950 --> 01:35:14,639
