THE INVISIBLE
NIGHT SCHOOL

1
00:00:35,160 --> 00:00:04,550
[Music]

2
00:00:42,049 --> 00:00:35,170
[Applause]

3
00:00:42,059 --> 00:00:49,750
foreign

4
00:01:39,550 --> 00:01:16,130
[Music]

5
00:01:43,670 --> 00:01:42,230
ERS a video good evening good morning

6
00:01:45,469 --> 00:01:43,680
good afternoon wherever you may be

7
00:01:46,910 --> 00:01:45,479
Across the Nation around the world my

8
00:01:49,069 --> 00:01:46,920
name is Leah Prime and this is the

9
00:01:50,450 --> 00:01:49,079
invisible night school for those of you

10
00:01:52,249 --> 00:01:50,460
just joining us the invisible night

11
00:01:54,230 --> 00:01:52,259
school is a small Consortium of lay

12
00:01:56,270 --> 00:01:54,240
researchers and Scholars pursuing the

13
00:01:58,550 --> 00:01:56,280

study and exploration of ufology high

14

00:02:00,770 --> 00:01:58,560

strangeness and the phenomenon ins is

15

00:02:02,870 --> 00:02:00,780

not a monolith we represent varied ideas

16

00:02:04,550 --> 00:02:02,880

backgrounds disciplines and experiences

17

00:02:06,230 --> 00:02:04,560

and seek to engage in good faith

18

00:02:09,529 --> 00:02:06,240

dialogue with other curious minds

19

00:02:12,229 --> 00:02:09,539

tonight we are joined by Vanessa waloco

20

00:02:14,330 --> 00:02:12,239

Vanessa is a chain mailer crafter and

21

00:02:16,729 --> 00:02:14,340

Chaos magician you can find her work at

22

00:02:18,229 --> 00:02:16,739

Cali butterfly her podcast about belief

23

00:02:20,630 --> 00:02:18,239

and transformation is called personal

24

00:02:22,309 --> 00:02:20,640

pans she'll be joining us in just a few

25

00:02:23,750 --> 00:02:22,319

minutes I know she's sorting out some

26

00:02:25,010 --> 00:02:23,760

technical difficulties so in the

27

00:02:27,949 --> 00:02:25,020

meantime I'm just going to say some hi

28

00:02:30,350 --> 00:02:27,959

to some of our regular joiners here on

29

00:02:33,949 --> 00:02:30,360

Wednesday what's going on spooky Simon

30

00:02:36,650 --> 00:02:33,959

good to see you the Earth of course

31

00:02:38,990 --> 00:02:36,660

Swank who is

32

00:02:40,309 --> 00:02:39,000

let's see oh Fringe nice to see you

33

00:02:41,630 --> 00:02:40,319

friend

34

00:02:44,449 --> 00:02:41,640

um Stephen

35

00:02:46,369 --> 00:02:44,459

Jay always a pleasure I know you read in

36

00:02:49,009 --> 00:02:46,379

the same circles as Vanessa um I think

37

00:02:51,229 --> 00:02:49,019

we actually sort of connected uh the

38

00:02:52,490 --> 00:02:51,239

three of us through one another

39

00:02:54,350 --> 00:02:52,500

um and I'm also going to bring on my

40

00:02:56,449 --> 00:02:54,360

co-host for the evening I have Louis

41

00:02:58,130 --> 00:02:56,459

caitano

42

00:03:01,850 --> 00:02:58,140

and Cambo

43

00:03:04,550 --> 00:03:01,860

we are of course lacking the light of

44

00:03:06,410 --> 00:03:04,560

Our Lives Nick who's off for the evening

45

00:03:08,930 --> 00:03:06,420

on family duties but he will be back

46

00:03:11,750 --> 00:03:08,940

next week

47

00:03:13,610 --> 00:03:11,760

I can't wait Mario yes I know people

48

00:03:16,190 --> 00:03:13,620

people even asked about where Nick was

49

00:03:18,170 --> 00:03:16,200

this evening I felt like wow Nick is

50

00:03:20,149 --> 00:03:18,180

gathering a fan base it's pretty

51
00:03:22,850 --> 00:03:20,159
incredible deleted his Twitter account

52
00:03:25,550 --> 00:03:22,860
now he's not showing up people are

53
00:03:26,869 --> 00:03:25,560
asking questions people are asking

54
00:03:28,910 --> 00:03:26,879
questions and you're right Nick is

55
00:03:30,110 --> 00:03:28,920
currently off of Twitter which

56
00:03:32,750 --> 00:03:30,120
um

57
00:03:34,729 --> 00:03:32,760
I can't personally I say I blame him yes

58
00:03:38,390 --> 00:03:34,739
I know like this is a very good idea I

59
00:03:41,089 --> 00:03:38,400
love Twitter but also it is the infernal

60
00:03:43,070 --> 00:03:41,099
hell site and

61
00:03:44,869 --> 00:03:43,080
um yeah I'm sure it's doing a tremendous

62
00:03:46,910 --> 00:03:44,879
amount of good for his attention span to

63
00:03:48,470 --> 00:03:46,920

be off of it uh Steve you've been

64

00:03:51,170 --> 00:03:48,480

Steve's even saying the quiet part out

65

00:03:53,710 --> 00:03:51,180

loud here he only came for Nick yeah I

66

00:03:59,570 --> 00:03:57,050

so Kevin Lewis who are you guys pretty

67

00:04:01,970 --> 00:03:59,580

good I uh I was just about to say Nick

68

00:04:03,649 --> 00:04:01,980

even though he's not here graced Us in

69

00:04:05,930 --> 00:04:03,659

the Discord Channel

70

00:04:09,110 --> 00:04:05,940

um and we have the link in the show

71

00:04:11,570 --> 00:04:09,120

notes below uh with a article that we

72

00:04:14,030 --> 00:04:11,580

could talk about to start the show from

73

00:04:16,969 --> 00:04:14,040

the New York Post the headline was

74

00:04:19,789 --> 00:04:16,979

Pentagon officials suggest alien

75

00:04:22,430 --> 00:04:19,799

Mothership in our solar system could

76

00:04:24,590 --> 00:04:22,440

send many probes to Earth

77

00:04:28,070 --> 00:04:24,600

and that's published March 15th and it's

78

00:04:31,070 --> 00:04:28,080

by Greg laner Fox News

79

00:04:35,150 --> 00:04:31,080

and uh I just like the headline is of

80

00:04:37,550 --> 00:04:35,160

course uh quite you know it says sort of

81

00:04:40,070 --> 00:04:37,560

suggest grammatically that the ship is

82

00:04:42,350 --> 00:04:40,080

in our solar system did you guys see

83

00:04:44,270 --> 00:04:42,360

that headline what do you think of that

84

00:04:57,610 --> 00:04:44,280

I didn't see it I think the New York

85

00:05:02,090 --> 00:04:59,570

is that where that's where Green Street

86

00:05:03,050 --> 00:05:02,100

works right is that right yeah yes okay

87

00:05:05,390 --> 00:05:03,060

yeah

88

00:05:07,730 --> 00:05:05,400

not exactly uh selling a hair Campbell

89

00:05:09,710 --> 00:05:07,740

yeah uh but no no I'm not trying to say

90

00:05:11,330 --> 00:05:09,720

it's uh credible uh what I was actually

91

00:05:13,969 --> 00:05:11,340

getting at which is what Nick was uh

92

00:05:16,249 --> 00:05:13,979

suggesting uh by sharing it um is that

93

00:05:17,990 --> 00:05:16,259

it's a misleading title and uh aren't

94

00:05:20,150 --> 00:05:18,000

those always sort of like the clickbaity

95

00:05:23,210 --> 00:05:20,160

things the issue we have in this subject

96

00:05:24,670 --> 00:05:23,220

and it was uh actually the real quote

97

00:05:28,610 --> 00:05:24,680

was

98

00:05:31,430 --> 00:05:28,620

uh that uh an artificial object could

99

00:05:32,689 --> 00:05:31,440

potentially be so you know that's a big

100

00:05:34,370 --> 00:05:32,699

difference anyway there's a lot of

101
00:05:36,050 --> 00:05:34,380
weasel words there yeah we've got our

102
00:05:38,830 --> 00:05:36,060
guests here now though so let's uh move

103
00:05:43,189 --> 00:05:41,210
we can finish this thought come on cable

104
00:05:45,189 --> 00:05:43,199
do you want to read the excerpt what

105
00:05:48,650 --> 00:05:45,199
episode

106
00:05:50,629 --> 00:05:48,660
shut up yeah just go ahead finish okay

107
00:05:52,249 --> 00:05:50,639
do you think there's actually a parent

108
00:05:53,570 --> 00:05:52,259
Craft

109
00:05:57,830 --> 00:05:53,580
um okay well I'll just give the context

110
00:05:59,749 --> 00:05:57,840
then since we have a second here okay so

111
00:06:01,550 --> 00:05:59,759
an artificial Interstellar object could

112
00:06:03,290 --> 00:06:01,560
potentially be a parent craft that

113
00:06:05,090 --> 00:06:03,300

releases many small probes during its

114

00:06:07,550 --> 00:06:05,100

close passage to Earth an operational

115

00:06:09,890 --> 00:06:07,560

construct not too dissimilar from NASA

116

00:06:11,810 --> 00:06:09,900

missions Sean Kirkpatrick director of

117

00:06:13,610 --> 00:06:11,820

pentagon's all domain anomaly resolution

118

00:06:16,129 --> 00:06:13,620

office wrote in a research report

119

00:06:18,070 --> 00:06:16,139

co-work authored by Avi Loeb chairman of

120

00:06:21,050 --> 00:06:18,080

Arvada University's astronomy department

121

00:06:22,070 --> 00:06:21,060

so that's the quote

122

00:06:24,170 --> 00:06:22,080

foreign

123

00:06:26,770 --> 00:06:24,180

it's very different as we see from the

124

00:06:29,870 --> 00:06:26,780

headline but so it's a it's an actual

125

00:06:32,870 --> 00:06:29,880

celestial object now it's only uh

126

00:06:36,350 --> 00:06:32,880

conceptual he's just it's a a update

127

00:06:40,249 --> 00:06:36,360

paper that uh Avi Loeb and uh he

128

00:06:41,270 --> 00:06:40,259

released uh about the physical okay

129

00:06:43,189 --> 00:06:41,280

what's the title of the physical

130

00:06:45,790 --> 00:06:43,199

constraints on unidentified aerial

131

00:06:47,930 --> 00:06:45,800

phenomena and they wrote this thing

132

00:06:49,730 --> 00:06:47,940

basically saying that like no new

133

00:06:51,050 --> 00:06:49,740

physics is required and you'd expect to

134

00:06:52,309 --> 00:06:51,060

see a fireball around the object and

135

00:06:53,990 --> 00:06:52,319

they're saying like even these more

136

00:06:55,730 --> 00:06:54,000

abstract things are possible that's what

137

00:06:56,990 --> 00:06:55,740

we do in other places but they aren't

138

00:07:02,290 --> 00:06:57,000

saying like there's evidence for that

139

00:07:07,010 --> 00:07:05,090

yes it's um

140

00:07:09,170 --> 00:07:07,020

how do I put this lately it is

141

00:07:11,150 --> 00:07:09,180

disheartening watching Avi lobe cosine

142

00:07:12,050 --> 00:07:11,160

on things like this even though they're

143

00:07:14,830 --> 00:07:12,060

sort of

144

00:07:18,290 --> 00:07:14,840

I think being

145

00:07:22,430 --> 00:07:18,300

sensationalized for public consumption

146

00:07:26,629 --> 00:07:22,440

yeah I get the sense that Dr Loeb is

147

00:07:28,610 --> 00:07:26,639

kind of using the subject in a way

148

00:07:31,490 --> 00:07:28,620

that's morally questionable I feel like

149

00:07:34,249 --> 00:07:31,500

he's maybe pushed like he brings on you

150

00:07:36,230 --> 00:07:34,259

know Lou Alexander and Christopher melon

151

00:07:38,510 --> 00:07:36,240

as the Galileo project but then he's

152

00:07:41,390 --> 00:07:38,520

using the money to do like a project

153

00:07:43,490 --> 00:07:41,400

that retrieve debris from a Interstellar

154

00:07:46,129 --> 00:07:43,500

asteroid that landed in the Pacific so

155

00:07:48,469 --> 00:07:46,139

it's not like it's suggested it's more

156

00:07:49,969 --> 00:07:48,479

one-to-one what people think uh of when

157

00:07:52,490 --> 00:07:49,979

they think of UFOs but he's really using

158

00:07:54,409 --> 00:07:52,500

the money for valid scientific Endeavors

159

00:07:55,610 --> 00:07:54,419

but they aren't uh I don't think the

160

00:07:56,990 --> 00:07:55,620

dollars are going where people would

161

00:07:59,930 --> 00:07:57,000

sort of necessarily want them to go

162

00:08:03,170 --> 00:08:01,790

it's an interesting question though it's

163

00:08:05,570 --> 00:08:03,180

like if people are giving the money into

164

00:08:08,029 --> 00:08:05,580

the subject anyway like he's like Oz

165

00:08:10,129 --> 00:08:08,039

Harvard's uh chairs or research or

166

00:08:11,629 --> 00:08:10,139

whatever why can't I do it if I'm a

167

00:08:13,550 --> 00:08:11,639

Harvard professor and I'll put it to

168

00:08:15,170 --> 00:08:13,560

good use like I don't agree with that

169

00:08:17,270 --> 00:08:15,180

necessarily I get the sense that sort of

170

00:08:19,610 --> 00:08:17,280

is his move though

171

00:08:22,249 --> 00:08:19,620

it's probably controversial but whatever

172

00:08:24,170 --> 00:08:22,259

we're on a late night like well not late

173

00:08:28,129 --> 00:08:24,180

night but UFO show so I'll say we're on

174

00:08:30,770 --> 00:08:28,139

our UFO show on YouTube yeah as I said

175

00:08:33,649 --> 00:08:30,780

I've scuttled any uh potential uh public

176

00:08:35,750 --> 00:08:33,659

office Ambitions long ago so I'll just

177

00:08:38,750 --> 00:08:35,760

say anything I wanted this one

178

00:08:40,909 --> 00:08:38,760

Yes Lewis any thoughts before we bring

179

00:08:44,949 --> 00:08:40,919

Vanessa on

180

00:08:49,790 --> 00:08:48,110

excellent our resident intern yeah he's

181

00:08:50,870 --> 00:08:49,800

a little UFO dog

182

00:08:52,850 --> 00:08:50,880

yes

183

00:08:55,190 --> 00:08:52,860

thank you for not all right so without

184

00:08:56,630 --> 00:08:55,200

further delay let's bring Vanessa on

185

00:08:59,509 --> 00:08:56,640

okay

186

00:09:00,310 --> 00:08:59,519

let's do it hey Vanessa hi thank you

187

00:09:02,630 --> 00:09:00,320

very much

188

00:09:04,670 --> 00:09:02,640

of course welcome to the invisible night

189

00:09:06,590 --> 00:09:04,680

school you missed me reading our typical

190

00:09:08,449 --> 00:09:06,600

script and introduction

191

00:09:09,650 --> 00:09:08,459

it's great to see you thanks so much for

192

00:09:12,590 --> 00:09:09,660

joining us good to see you too thanks

193

00:09:13,910 --> 00:09:12,600

for having me of course of course

194

00:09:14,990 --> 00:09:13,920

um so I was wondering if you could just

195

00:09:16,790 --> 00:09:15,000

tell the audience a little bit about

196

00:09:19,070 --> 00:09:16,800

yourself and about your background uh

197

00:09:21,790 --> 00:09:19,080

since you are not a UFO person you're

198

00:09:24,470 --> 00:09:21,800

one of these exotic non-ufo people

199

00:09:27,050 --> 00:09:24,480

I mean I watched X-Files like everybody

200

00:09:28,190 --> 00:09:27,060

else did in the nine years I mean come

201
00:09:31,550 --> 00:09:28,200
on

202
00:09:33,949 --> 00:09:31,560
um but yeah I I well okay I was

203
00:09:37,430 --> 00:09:33,959
interested in UFOs when again X-Files

204
00:09:39,470 --> 00:09:37,440
and Fox News they had shows on all the

205
00:09:43,070 --> 00:09:39,480
time that you could watch with doctored

206
00:09:44,329 --> 00:09:43,080
footage autopsy exactly those are just

207
00:09:45,949 --> 00:09:44,339
fun

208
00:09:48,290 --> 00:09:45,959
um so that was kind of my entree into

209
00:09:49,790 --> 00:09:48,300
the field uh but yeah I'm not a UFO

210
00:09:52,009 --> 00:09:49,800
person per se

211
00:09:54,949 --> 00:09:52,019
um I'm actually see how would I Define

212
00:09:56,810 --> 00:09:54,959
myself uh probably I would say chain

213
00:09:57,530 --> 00:09:56,820

mailer first

214

00:09:59,630 --> 00:09:57,540

um

215

00:10:03,610 --> 00:09:59,640

because the gateway drug to all of the

216

00:10:05,389 --> 00:10:03,620

weird oh you know that's actually true

217

00:10:07,190 --> 00:10:05,399

overlapping I think you're out with

218

00:10:10,910 --> 00:10:07,200

enough renfair people to notice you're

219

00:10:14,389 --> 00:10:10,920

just about to say when we're cosplay UFO

220

00:10:16,130 --> 00:10:14,399

it's a short Journey really this is what

221

00:10:19,790 --> 00:10:16,140

Campbell was talking about when he wrote

222

00:10:24,650 --> 00:10:23,210

yes exactly and and then you return as I

223

00:10:25,970 --> 00:10:24,660

am doing right now returning to

224

00:10:29,090 --> 00:10:25,980

chainmail

225

00:10:30,530 --> 00:10:29,100

um yeah I uh I could help myself a chaos

226

00:10:32,389 --> 00:10:30,540

magician

227

00:10:34,070 --> 00:10:32,399

um I again mentioned chainmail because I

228

00:10:37,970 --> 00:10:34,080

ran my own business full-time making

229

00:10:40,910 --> 00:10:37,980

chainmail jewelry for seven years

230

00:10:42,949 --> 00:10:40,920

um also interested in social theory also

231

00:10:45,110 --> 00:10:42,959

one of the organizers for pampericon

232

00:10:47,990 --> 00:10:45,120

which is an online paranormal conference

233

00:10:49,310 --> 00:10:48,000

dedicated to diversity and anti-racist

234

00:10:50,810 --> 00:10:49,320

practices

235

00:10:52,250 --> 00:10:50,820

um I kind of do everything I used to

236

00:10:55,490 --> 00:10:52,260

think it was because I was Aquarius but

237

00:10:59,750 --> 00:10:57,590

relatable

238

00:11:02,090 --> 00:10:59,760

yeah I was listening to uh various

239

00:11:04,790 --> 00:11:02,100

episodes from your your podcast earlier

240

00:11:06,829 --> 00:11:04,800

and um I was fascinated by the range of

241

00:11:09,710 --> 00:11:06,839

subjects that you were touching on um

242

00:11:13,730 --> 00:11:09,720

your undergraduate work was in sociology

243

00:11:15,829 --> 00:11:13,740

uh if I recall correctly so you bring an

244

00:11:18,710 --> 00:11:15,839

interesting and uh well informed

245

00:11:22,069 --> 00:11:18,720

perspective to these subjects I am

246

00:11:24,410 --> 00:11:22,079

curious if you could explain to people a

247

00:11:25,910 --> 00:11:24,420

little bit about uh you described how

248

00:11:27,350 --> 00:11:25,920

you had an experience when you were

249

00:11:29,569 --> 00:11:27,360

young that sort of like

250

00:11:32,269 --> 00:11:29,579

launched you into your interest in sort

251
00:11:33,590 --> 00:11:32,279
of the the unknown uh as a broader thing

252
00:11:35,449 --> 00:11:33,600
uh would you be able to sort of just

253
00:11:36,650 --> 00:11:35,459
talk about that a little bit yeah

254
00:11:39,949 --> 00:11:36,660
absolutely

255
00:11:42,410 --> 00:11:39,959
um I was I want to say like six or seven

256
00:11:45,650 --> 00:11:42,420
and

257
00:11:48,110 --> 00:11:45,660
was on the Breezeway of my childhood

258
00:11:50,990 --> 00:11:48,120
home and was just like staring out into

259
00:11:52,910 --> 00:11:51,000
the backyard and all of a sudden

260
00:11:56,449 --> 00:11:52,920
it was like the swing set in the

261
00:12:00,650 --> 00:11:56,459
backyard had disappeared and I saw a

262
00:12:02,930 --> 00:12:00,660
human shaped white figure of white run

263
00:12:06,769 --> 00:12:02,940

across the backyard

264

00:12:08,630 --> 00:12:06,779

and it immediately got terrified and ran

265

00:12:11,150 --> 00:12:08,640

up the stairs because I don't know

266

00:12:13,730 --> 00:12:11,160

what's outside I don't know what this is

267

00:12:16,610 --> 00:12:13,740

and then a couple weeks later I was in

268

00:12:19,750 --> 00:12:16,620

the basement and I watched that same

269

00:12:23,090 --> 00:12:19,760

white kind of humanoid light figure

270

00:12:25,130 --> 00:12:23,100

again run in slow motion from the

271

00:12:26,810 --> 00:12:25,140

staircase to behind this pillar and then

272

00:12:29,269 --> 00:12:26,820

disappear

273

00:12:32,329 --> 00:12:29,279

um and and again ran upstairs and was

274

00:12:34,490 --> 00:12:32,339

terrified uh that actually sparked my

275

00:12:36,530 --> 00:12:34,500

interest in ghosts as a child because

276

00:12:38,690 --> 00:12:36,540

that was my first

277

00:12:41,030 --> 00:12:38,700

um kind of again I grew up like

278

00:12:42,949 --> 00:12:41,040

Christian so you talk about and Catholic

279

00:12:44,389 --> 00:12:42,959

you talk about ghosts and weird stuff

280

00:12:46,009 --> 00:12:44,399

but you don't necessarily talk about

281

00:12:48,710 --> 00:12:46,019

UFOs

282

00:12:50,629 --> 00:12:48,720

um but then that I think kind of duffed

283

00:12:52,550 --> 00:12:50,639

once you get into one weird thing like

284

00:12:55,370 --> 00:12:52,560

you said you get into all the others

285

00:12:59,509 --> 00:12:57,889

and what did you what did you do when

286

00:13:02,090 --> 00:12:59,519

you first interpreted that experience

287

00:13:04,670 --> 00:13:02,100

what how did you make sense of it did

288

00:13:07,069 --> 00:13:04,680

you uh go to your family did you talk to

289

00:13:09,590 --> 00:13:07,079

your peers or did you just hold it to

290

00:13:12,710 --> 00:13:09,600

yourself that's a good question I I

291

00:13:15,290 --> 00:13:12,720

mostly kept it to myself and then then

292

00:13:17,810 --> 00:13:15,300

saw stuff like oh ghosts maybe that's

293

00:13:19,490 --> 00:13:17,820

the thing that I saw

294

00:13:22,250 --> 00:13:19,500

um again that was my frame of reference

295

00:13:25,850 --> 00:13:22,260

it wasn't until I was hanging out with

296

00:13:27,889 --> 00:13:25,860

um liminal Earth they do wufo Wednesdays

297

00:13:30,290 --> 00:13:27,899

um and Garrett was like What if that was

298

00:13:31,490 --> 00:13:30,300

an ultra terrestrial that blew my mind

299

00:13:33,650 --> 00:13:31,500

because right like it's like you

300

00:13:35,810 --> 00:13:33,660

contextualize these things it's like oh

301

00:13:37,550 --> 00:13:35,820

wait what if this like white figure of

302

00:13:43,790 --> 00:13:37,560

light isn't a ghost but it's something

303

00:13:43,800 --> 00:13:47,269

incredible

304

00:13:51,350 --> 00:13:48,710

this is something I'm super fascinated

305

00:13:53,150 --> 00:13:51,360

by which is how uh these experiences can

306

00:13:54,530 --> 00:13:53,160

be nearly Universal but we all assign

307

00:13:56,329 --> 00:13:54,540

different kind of terminologies and

308

00:13:58,250 --> 00:13:56,339

nomenclature to them based on our

309

00:14:01,370 --> 00:13:58,260

context our upbringing our theologies

310

00:14:03,350 --> 00:14:01,380

our personal cosmologies Etc

311

00:14:05,210 --> 00:14:03,360

um I'm super curious about whose work or

312

00:14:08,269 --> 00:14:05,220

ideas have been especially formative to

313

00:14:12,170 --> 00:14:08,279

you either individuals or books or

314

00:14:13,670 --> 00:14:12,180

theories or anything like that I mean I

315

00:14:15,230 --> 00:14:13,680

I could probably just like pull the

316

00:14:18,670 --> 00:14:15,240

books off the shelf

317

00:14:21,110 --> 00:14:18,680

um just like zoom in on your bookshelf

318

00:14:22,970 --> 00:14:21,120

you want the social theory section do

319

00:14:25,009 --> 00:14:22,980

you want the feminism section

320

00:14:26,930 --> 00:14:25,019

um oh I would love to hear your like

321

00:14:30,350 --> 00:14:26,940

through the lens of feminism like

322

00:14:32,210 --> 00:14:30,360

personally I mean that again so much of

323

00:14:34,910 --> 00:14:32,220

my everything is informed by the work of

324

00:14:37,490 --> 00:14:34,920

Herbert Marcuse and Alice Miller right

325

00:14:40,009 --> 00:14:37,500

very much trauma informed also very

326

00:14:41,629 --> 00:14:40,019

informed by radical Theory

327

00:14:43,670 --> 00:14:41,639

um critical theory

328

00:14:45,650 --> 00:14:43,680

how do we reinterpret the world that's

329

00:14:46,850 --> 00:14:45,660

kind of how I end up approaching most of

330

00:14:49,850 --> 00:14:46,860

these things

331

00:14:50,870 --> 00:14:49,860

um again mentioning feminism

332

00:14:52,730 --> 00:14:50,880

um

333

00:14:54,590 --> 00:14:52,740

you know I got I got hooked in in

334

00:14:56,329 --> 00:14:54,600

college right with radical feminism and

335

00:14:59,329 --> 00:14:56,339

this idea of rebuilding the world and

336

00:15:01,550 --> 00:14:59,339

and rebuilding meaning because I was

337

00:15:05,030 --> 00:15:01,560

also a teenage edgelord so of course I

338

00:15:07,129 --> 00:15:05,040

read Nietzsche in high school and and

339

00:15:10,730 --> 00:15:07,139

that was initially very formative and I

340

00:15:11,389 --> 00:15:10,740

think still informs a lot of my beliefs

341

00:15:14,569 --> 00:15:11,399

um

342

00:15:15,290 --> 00:15:14,579

uh the idea of overcoming

343

00:15:18,050 --> 00:15:15,300

um

344

00:15:21,350 --> 00:15:18,060

some of his eternal recurrent stuff

345

00:15:23,870 --> 00:15:21,360

but just now again softened by Marcusa

346

00:15:26,629 --> 00:15:23,880

or this this idea of like okay what what

347

00:15:28,670 --> 00:15:26,639

can we do to break down our old systems

348

00:15:32,090 --> 00:15:28,680

of meaning and rebuild systems of

349

00:15:33,829 --> 00:15:32,100

meaning and rebuild and grow in a way

350

00:15:35,750 --> 00:15:33,839

that isn't just reproducing the same old

351

00:15:37,670 --> 00:15:35,760

oppressions

352

00:15:41,150 --> 00:15:37,680

and I think that's why also Alice Miller

353

00:15:42,590 --> 00:15:41,160

is a huge influence on my thinking and

354

00:15:45,050 --> 00:15:42,600

really just everything I do because she

355

00:15:47,810 --> 00:15:45,060

talked very fluently about trauma and

356

00:15:50,030 --> 00:15:47,820

the effects of child abuse on kids and

357

00:15:52,670 --> 00:15:50,040

on development and how we end up

358

00:15:54,769 --> 00:15:52,680

carrying forward and reproducing so many

359

00:15:55,870 --> 00:15:54,779

of those trauma Cycles as adults if we

360

00:15:58,930 --> 00:15:55,880

don't face

361

00:16:01,910 --> 00:15:58,940

the impact of that initial trauma

362

00:16:04,370 --> 00:16:01,920

I see that in the Paranormal Community I

363

00:16:05,930 --> 00:16:04,380

see you know those impacts in the UFO

364

00:16:07,250 --> 00:16:05,940

Community

365

00:16:09,470 --> 00:16:07,260

um if they're everywhere in the UFO

366

00:16:11,990 --> 00:16:09,480

community

367

00:16:15,370 --> 00:16:12,000

it's okay this is kind of a UFO show for

368

00:16:18,590 --> 00:16:15,380

people that hate UFOs so so great right

369

00:16:20,990 --> 00:16:18,600

so it's okay we can talk about the the

370

00:16:22,329 --> 00:16:21,000

uh pandemic of incredible trauma in the

371

00:16:25,850 --> 00:16:22,339

UFO Community

372

00:16:28,250 --> 00:16:25,860

like there's a lot going on right so

373

00:16:30,350 --> 00:16:28,260

many people are carrying so much just

374

00:16:32,689 --> 00:16:30,360

right in front of them and just expect

375

00:16:34,430 --> 00:16:32,699

everybody to carry that for them and

376

00:16:35,569 --> 00:16:34,440

that I think it's a little problematic

377

00:16:37,850 --> 00:16:35,579

there's a different again I think

378

00:16:40,430 --> 00:16:37,860

there's incredible power in Sharing

379

00:16:42,470 --> 00:16:40,440

stories and I mean that's another

380

00:16:44,269 --> 00:16:42,480

feminist thing the idea of qualitative

381

00:16:46,610 --> 00:16:44,279

research of getting in-depth interviews

382

00:16:49,129 --> 00:16:46,620

with people again also anthropologically

383

00:16:51,290 --> 00:16:49,139

very important and also

384

00:16:52,970 --> 00:16:51,300

some people really just need a therapist

385

00:16:55,790 --> 00:16:52,980

and they don't need to be telling the

386

00:16:57,710 --> 00:16:55,800

public at large what is going on like we

387

00:16:59,269 --> 00:16:57,720

are not qualified to handle that that's

388

00:17:03,230 --> 00:16:59,279

why they're a therapeutic practitioners

389

00:17:06,650 --> 00:17:03,240

with very specific skills who do that

390

00:17:09,289 --> 00:17:06,660

um that's my soapbox number one for the

391

00:17:12,829 --> 00:17:09,299

night well heated and very much agreed

392

00:17:16,610 --> 00:17:12,839

with thank you I'm glad yeah I would

393

00:17:19,309 --> 00:17:16,620

Point people to your episode with uh

394

00:17:22,010 --> 00:17:19,319

Erica Lukes that you spoke to her and

395

00:17:25,130 --> 00:17:22,020

you have a fantastic conversation about

396

00:17:27,230 --> 00:17:25,140

that kind of thing about how the culture

397

00:17:29,289 --> 00:17:27,240

in at least at least Eric is talking

398

00:17:33,169 --> 00:17:29,299

about in the UFO Community specifically

399

00:17:35,810 --> 00:17:33,179

there is sort of like a continuation of

400

00:17:37,310 --> 00:17:35,820

you know kind of the kinds of things

401
00:17:39,610 --> 00:17:37,320
that we need to be calling out more

402
00:17:42,350 --> 00:17:39,620
actively these days you know the

403
00:17:46,010 --> 00:17:42,360
patriarchal Style

404
00:17:48,890 --> 00:17:46,020
sexism and sort of old boys club and all

405
00:17:53,270 --> 00:17:48,900
this stuff and when you don't bring it

406
00:17:56,330 --> 00:17:53,280
up then you sort of participate in the

407
00:17:57,110 --> 00:17:56,340
um Injustice and uh and Leah you know

408
00:17:58,909 --> 00:17:57,120
you've

409
00:18:00,950 --> 00:17:58,919
experienced a lot of this starting to

410
00:18:02,750 --> 00:18:00,960
show up and you've been sort of a moral

411
00:18:06,230 --> 00:18:02,760
inspiration for this show certainly with

412
00:18:08,810 --> 00:18:06,240
your outspokenness to call out when

413
00:18:10,730 --> 00:18:08,820

people are Bad actors and it's very hard

414

00:18:12,110 --> 00:18:10,740

to do that in this community especially

415

00:18:14,710 --> 00:18:12,120

when there's such a

416

00:18:16,970 --> 00:18:14,720

strength and sort of the the

417

00:18:18,470 --> 00:18:16,980

oppression has brought people sort of

418

00:18:21,230 --> 00:18:18,480

together in a way where the immune

419

00:18:23,570 --> 00:18:21,240

system response is so vicious

420

00:18:25,250 --> 00:18:23,580

um you know yeah

421

00:18:29,090 --> 00:18:25,260

I guess Leah's just wondering if you

422

00:18:31,549 --> 00:18:29,100

could uh yes yes

423

00:18:32,930 --> 00:18:31,559

um yeah so I mean Vanessa when I started

424

00:18:35,090 --> 00:18:32,940

ins

425

00:18:36,650 --> 00:18:35,100

um with the nerd heard here the entire

426

00:18:38,270 --> 00:18:36,660

point was really to try to elevate the

427

00:18:40,549 --> 00:18:38,280

conversation based on what I was hearing

428

00:18:42,049 --> 00:18:40,559

in Twitter spaces and sort of commonly I

429

00:18:43,789 --> 00:18:42,059

was like this is kind of entertaining

430

00:18:45,950 --> 00:18:43,799

for me let's sit around a campfire and

431

00:18:47,390 --> 00:18:45,960

swap stories perspective but let's try

432

00:18:49,610 --> 00:18:47,400

to bring a little bit more intellectual

433

00:18:51,049 --> 00:18:49,620

rigor to discussions about this subject

434

00:18:53,510 --> 00:18:51,059

without

435

00:18:56,029 --> 00:18:53,520

um you know what I will say is like I if

436

00:18:59,450 --> 00:18:56,039

on a spectrum of like skeptical to woo

437

00:19:01,250 --> 00:18:59,460

I'm like off-screen like like I have

438

00:19:01,850 --> 00:19:01,260

deep deep woo

439

00:19:03,590 --> 00:19:01,860

um

440

00:19:06,230 --> 00:19:03,600

and I'm increasingly probably more open

441

00:19:08,330 --> 00:19:06,240

about this than I was initially

442

00:19:10,010 --> 00:19:08,340

um but but I say this because uh the

443

00:19:11,690 --> 00:19:10,020

entire purpose of this show is like good

444

00:19:13,310 --> 00:19:11,700

faith conversation right it's not to

445

00:19:14,690 --> 00:19:13,320

actually reach any meaningful conclusion

446

00:19:16,490 --> 00:19:14,700

but it's to engage in good faith

447

00:19:19,190 --> 00:19:16,500

dialogue and there is an incredible

448

00:19:21,049 --> 00:19:19,200

dearth of good faith dialogue in the UFO

449

00:19:23,450 --> 00:19:21,059

community and I think a lot of it ties

450

00:19:25,130 --> 00:19:23,460

to the fact that pretty much a large

451

00:19:26,870 --> 00:19:25,140
portion of the participants in this

452

00:19:28,610 --> 00:19:26,880
community have enormous ego

453

00:19:30,230 --> 00:19:28,620
identification with the subject and

454

00:19:33,289 --> 00:19:30,240
therefore any kind of pushback or

455

00:19:35,150 --> 00:19:33,299
criticism even if grounded in good faith

456

00:19:36,710 --> 00:19:35,160
um is perceived of as a direct personal

457

00:19:39,650 --> 00:19:36,720
attack

458

00:19:41,750 --> 00:19:39,660
um and it uh as a result and I mean you

459

00:19:43,610 --> 00:19:41,760
find like this sort of like

460

00:19:45,289 --> 00:19:43,620
um ego identity I mean you find it like

461

00:19:47,150 --> 00:19:45,299
people who are really into like football

462

00:19:49,850 --> 00:19:47,160
if you insult the Eagles they're gonna

463

00:19:51,770 --> 00:19:49,860

have like a stroke same kind of thing

464

00:19:53,150 --> 00:19:51,780

um but we're talking about ufology and I

465

00:19:55,430 --> 00:19:53,160

think the other thing of course is that

466

00:19:56,630 --> 00:19:55,440

because it can be a taboo or stigmatized

467

00:19:58,310 --> 00:19:56,640

subject

468

00:19:59,990 --> 00:19:58,320

um I I tend to see it through the lens

469

00:20:02,270 --> 00:20:00,000

of spiritual emergence which to me is

470

00:20:03,590 --> 00:20:02,280

not a tabooster or stigmatized subject I

471

00:20:05,990 --> 00:20:03,600

think spiritual emergence is a very

472

00:20:07,610 --> 00:20:06,000

common thing but ufology is sort of this

473

00:20:08,570 --> 00:20:07,620

like very particular niche in the

474

00:20:10,310 --> 00:20:08,580

Spectrum

475

00:20:11,510 --> 00:20:10,320

and we get kind of what you were talking

476

00:20:14,510 --> 00:20:11,520

about which is to get people that are

477

00:20:16,130 --> 00:20:14,520

basically creating these Echo Chambers

478

00:20:17,750 --> 00:20:16,140

um where they're basically just drinking

479

00:20:19,610 --> 00:20:17,760

each other's Kool-Aid

480

00:20:21,049 --> 00:20:19,620

um there's a lot of mental illness that

481

00:20:22,730 --> 00:20:21,059

doesn't mean everyone's mental mentally

482

00:20:24,529 --> 00:20:22,740

ill that doesn't mean to I'm not meaning

483

00:20:26,750 --> 00:20:24,539

to confer value judgment on mental

484

00:20:29,630 --> 00:20:26,760

illness or anything but you get these

485

00:20:32,470 --> 00:20:29,640

these Echo Chambers where um as long as

486

00:20:34,610 --> 00:20:32,480

ufology comes first any other

487

00:20:37,610 --> 00:20:34,620

reprehensible or disgusting Viewpoint

488

00:20:40,250 --> 00:20:37,620

winds up completely excused or pushed

489

00:20:43,850 --> 00:20:40,260

aside you can you can literally say and

490

00:20:46,430 --> 00:20:43,860

vocalize and uh provoke some of the

491

00:20:48,470 --> 00:20:46,440

actual worst conceivable opinions known

492

00:20:50,450 --> 00:20:48,480

to humankind short of actually doing

493

00:20:54,049 --> 00:20:50,460

physical violence but as long as you're

494

00:20:57,230 --> 00:20:54,059

like full tilt UFO guy it's all good no

495

00:20:58,930 --> 00:20:57,240

problem I um it's gross and I have no

496

00:21:02,450 --> 00:20:58,940

problem saying that it is gross as hell

497

00:21:04,490 --> 00:21:02,460

it's foul it's absolutely foul and it

498

00:21:06,110 --> 00:21:04,500

reminds me a lot and I bring this up a

499

00:21:08,390 --> 00:21:06,120

lot so I apologize to anyone who's heard

500

00:21:10,070 --> 00:21:08,400

me make this comparison before but I

501
00:21:12,830 --> 00:21:10,080
used to take improv classes in Chicago

502
00:21:16,730 --> 00:21:12,840
because I was selling jewelry in person

503
00:21:18,350 --> 00:21:16,740
at Art Fair and I'm introverted uh very

504
00:21:20,270 --> 00:21:18,360
shy major

505
00:21:21,770 --> 00:21:20,280
um social anxiety and I just basically

506
00:21:23,390 --> 00:21:21,780
wanted to Short Circuit that out of my

507
00:21:26,330 --> 00:21:23,400
system so I took improv classes very

508
00:21:28,669 --> 00:21:26,340
smart thank you I mean that one of the

509
00:21:31,490 --> 00:21:28,679
things about ADHD and Trauma is I'm like

510
00:21:32,570 --> 00:21:31,500
I'm not normal how can I fit in a little

511
00:21:34,490 --> 00:21:32,580
better

512
00:21:36,110 --> 00:21:34,500
yep right you're attention to the lake

513
00:21:39,950 --> 00:21:36,120

yeah to the executive dysfunction Queen

514

00:21:41,870 --> 00:21:39,960

so I get it oh I'd like that I'm in good

515

00:21:44,169 --> 00:21:41,880

company

516

00:21:48,649 --> 00:21:44,179

um but anyway the Chicago improv scene

517

00:21:50,810 --> 00:21:48,659

it it was a lot of people from you know

518

00:21:53,149 --> 00:21:50,820

different like other Midwestern states

519

00:21:54,890 --> 00:21:53,159

who are very funny in college and wanted

520

00:21:56,690 --> 00:21:54,900

to come to Chicago because they thought

521

00:21:59,029 --> 00:21:56,700

that there was a series of steps that

522

00:22:01,490 --> 00:21:59,039

they could follow in order to get on SNL

523

00:22:03,169 --> 00:22:01,500

someday to get to Second City and then

524

00:22:05,450 --> 00:22:03,179

once you get to Second City it's like

525

00:22:07,970 --> 00:22:05,460

straight onto SNL that's it exactly

526

00:22:11,090 --> 00:22:07,980

right right you you do the classes at i

527

00:22:13,370 --> 00:22:11,100

o you get on a Herald team you get to be

528

00:22:16,010 --> 00:22:13,380

a part of the Showcase and then whoever

529

00:22:17,870 --> 00:22:16,020

of the executive team picks you uh from

530

00:22:20,810 --> 00:22:17,880

the show and and you know bestows this

531

00:22:23,210 --> 00:22:20,820

magic on you and puts you on SNL so so

532

00:22:26,090 --> 00:22:23,220

you had all of these people

533

00:22:29,570 --> 00:22:26,100

smiling and glad handing and also

534

00:22:31,789 --> 00:22:29,580

excusing in some cases abusive Behavior

535

00:22:34,669 --> 00:22:31,799

not just inappropriate abusive Behavior

536

00:22:37,370 --> 00:22:34,679

because there was this idea that okay

537

00:22:41,510 --> 00:22:37,380

well we can't say anything because what

538

00:22:42,890 --> 00:22:41,520

if he is famous first and then we want

539

00:22:45,169 --> 00:22:42,900

to write his coattails but if we call

540

00:22:47,570 --> 00:22:45,179

out the fact that he was like terrible

541

00:22:49,250 --> 00:22:47,580

to his last three ex-girlfriends oh

542

00:22:53,570 --> 00:22:49,260

we're gonna get ostracized and we can't

543

00:22:55,130 --> 00:22:53,580

do that and that similar mentality I

544

00:22:57,110 --> 00:22:55,140

mean I I feel like I've seen that in a

545

00:22:59,510 --> 00:22:57,120

lot of like nerd communities and I

546

00:23:02,830 --> 00:22:59,520

consider UFOs a nerd Community it is

547

00:23:05,990 --> 00:23:02,840

that it's not the jocks let me be clear

548

00:23:10,190 --> 00:23:06,000

not at all

549

00:23:11,529 --> 00:23:10,200

some pretend to be Bros but come on I

550

00:23:14,270 --> 00:23:11,539

hate sports

551
00:23:17,029 --> 00:23:14,280
right great

552
00:23:19,250 --> 00:23:17,039
um and it's that it's you there there

553
00:23:22,070 --> 00:23:19,260
are these people that are claiming to

554
00:23:24,169 --> 00:23:22,080
have this secret knowledge and there are

555
00:23:26,090 --> 00:23:24,179
a lot of other people who want access to

556
00:23:28,990 --> 00:23:26,100
this secret knowledge and so they are

557
00:23:32,090 --> 00:23:29,000
willing to look past and forgive again

558
00:23:36,289 --> 00:23:32,100
reprehensible things again alignment

559
00:23:38,510 --> 00:23:36,299
with a fascist elements proto-fascist

560
00:23:41,149 --> 00:23:38,520
elements in our society because

561
00:23:42,710 --> 00:23:41,159
disclosure because we want we want to

562
00:23:45,950 --> 00:23:42,720
believe we want access to this knowledge

563
00:23:47,870 --> 00:23:45,960

so okay so he's kind of a racist right

564

00:23:50,450 --> 00:23:47,880

oh okay so she claims to be The

565

00:23:51,890 --> 00:23:50,460

Reincarnation of a Nazi I mean but they

566

00:23:54,770 --> 00:23:51,900

have secret information about the

567

00:23:57,350 --> 00:23:54,780

breeding programs and the the secret

568

00:24:00,289 --> 00:23:57,360

um time travel uh soldiers on the moon

569

00:24:04,549 --> 00:24:00,299

so so we're not going to say anything

570

00:24:06,830 --> 00:24:04,559

again My Philosophy with the Paranormal

571

00:24:08,870 --> 00:24:06,840

is the same with everything humans first

572

00:24:12,710 --> 00:24:08,880

if you are not centering Human

573

00:24:15,230 --> 00:24:12,720

Experience in this lived reality with

574

00:24:16,669 --> 00:24:15,240

these oppressive social structures I do

575

00:24:18,110 --> 00:24:16,679

not care what you have to say about the

576

00:24:19,610 --> 00:24:18,120

occult I don't care what you have to say

577

00:24:20,570 --> 00:24:19,620

about the Paranormal and I certainly

578

00:24:23,990 --> 00:24:20,580

don't care what you have to say about

579

00:24:26,570 --> 00:24:24,000

UFOs period yes yes yes yes this this

580

00:24:28,430 --> 00:24:26,580

reminds me of outage

581

00:24:29,930 --> 00:24:28,440

before Enlightenment you chop out and

582

00:24:31,970 --> 00:24:29,940

carry water after Enlightenment you chop

583

00:24:34,310 --> 00:24:31,980

it and carry water Enlightenment or

584

00:24:36,230 --> 00:24:34,320

development or personal growth or

585

00:24:38,510 --> 00:24:36,240

exploration or occult practice or

586

00:24:40,190 --> 00:24:38,520

whatever else is only so good as you are

587

00:24:43,370 --> 00:24:40,200

able to bring the gleanings of that

588

00:24:45,230 --> 00:24:43,380

practice into the world and if not make

589

00:24:46,789 --> 00:24:45,240

the world better at least help mitigate

590

00:24:49,730 --> 00:24:46,799

the suffering that is present in the

591

00:24:52,370 --> 00:24:49,740

world exactly exactly like if you don't

592

00:24:56,090 --> 00:24:52,380

feel again I don't necessarily believe

593

00:24:58,430 --> 00:24:56,100

in anything but if you don't have some

594

00:25:00,830 --> 00:24:58,440

like don't feel like a moral or ethical

595

00:25:02,810 --> 00:25:00,840

obligation to other humans that you've

596

00:25:04,669 --> 00:25:02,820

missed the point right you've completely

597

00:25:06,770 --> 00:25:04,679

missed the point

598

00:25:09,230 --> 00:25:06,780

um and it's it's sad it's sad and it's

599

00:25:13,490 --> 00:25:09,240

gross what I see in all of these

600

00:25:15,289 --> 00:25:13,500

um nerdy communities yes

601
00:25:19,250 --> 00:25:15,299

yes

602
00:25:22,549 --> 00:25:19,260

and also to this other point like the

603
00:25:24,890 --> 00:25:22,559

the ego attachment to this belief system

604
00:25:26,870 --> 00:25:24,900

like to the belief in UFOs it's the same

605
00:25:28,190 --> 00:25:26,880

as people who get really immersed in fan

606
00:25:29,510 --> 00:25:28,200

culture

607
00:25:33,950 --> 00:25:29,520

um you know I have friends who are into

608
00:25:36,470 --> 00:25:33,960

K-pop DC Universe K-pop manga yes all of

609
00:25:39,470 --> 00:25:36,480

it right like don't disc Cowboy Bebop or

610
00:25:41,750 --> 00:25:39,480

we're gonna come to blows right

611
00:25:44,930 --> 00:25:41,760

um it's that that kind of sensibility

612
00:25:46,669 --> 00:25:44,940

and like I I find it very strange when

613
00:25:48,470 --> 00:25:46,679

people get very defensive of things that

614

00:25:51,350 --> 00:25:48,480

they like even things that they believe

615

00:25:52,870 --> 00:25:51,360

because like why are you so attached to

616

00:25:55,370 --> 00:25:52,880

these things

617

00:25:57,230 --> 00:25:55,380

why could you handle any criticism or

618

00:26:00,470 --> 00:25:57,240

just a difference I was gonna say it

619

00:26:03,049 --> 00:26:00,480

also takes on this almost extreme binary

620

00:26:05,210 --> 00:26:03,059

kind of thinking where

621

00:26:07,490 --> 00:26:05,220

like the only way to like something is

622

00:26:10,310 --> 00:26:07,500

to categorically like and endorse every

623

00:26:12,590 --> 00:26:10,320

conceivable facet of it and like I I am

624

00:26:15,049 --> 00:26:12,600

look I am like huge into Art Bell who is

625

00:26:16,370 --> 00:26:15,059

probably a huge problematic fave in so

626

00:26:17,570 --> 00:26:16,380

many different ways not the least of

627

00:26:19,610 --> 00:26:17,580

which because he basically laid the

628

00:26:21,169 --> 00:26:19,620

foundation upon which Alex Jones and all

629

00:26:23,750 --> 00:26:21,179

these other chocolates have built their

630

00:26:26,570 --> 00:26:23,760

Empires and like I love Art Bell but

631

00:26:31,250 --> 00:26:29,149

like creep to women super weird didn't

632

00:26:32,690 --> 00:26:31,260

have good politics said a lot of not

633

00:26:34,549 --> 00:26:32,700

some good not great stuff that would

634

00:26:36,710 --> 00:26:34,559

probably get him canceled today

635

00:26:37,909 --> 00:26:36,720

um and like we can we're grown-ups with

636

00:26:39,590 --> 00:26:37,919

functioning intellects we can hold

637

00:26:41,750 --> 00:26:39,600

multiple viewpoints at the same time in

638

00:26:43,669 --> 00:26:41,760

fact we may even be able to hold complex

639

00:26:45,529 --> 00:26:43,679

and sophisticated viewpoints that we may

640

00:26:48,110 --> 00:26:45,539

not even agree with but can entertain

641

00:26:50,690 --> 00:26:48,120

right and instead right it becomes this

642

00:26:53,210 --> 00:26:50,700

like extremely narrow binary way of

643

00:26:54,830 --> 00:26:53,220

thinking that either you absolutely like

644

00:26:56,570 --> 00:26:54,840

every single thing that is part and

645

00:26:59,510 --> 00:26:56,580

parcel to whatever the subject is and if

646

00:27:02,630 --> 00:26:59,520

you don't you are the enemy the the

647

00:27:05,750 --> 00:27:02,640

enemy the enemy I mean again I have a

648

00:27:08,269 --> 00:27:05,760

friend who is into K-pop she's also

649

00:27:11,690 --> 00:27:08,279

black and there are other black K-pop

650

00:27:16,370 --> 00:27:11,700

fans who have dealt with doxing and just

651
00:27:19,430 --> 00:27:16,380
a barrage of racist hate for like not

652
00:27:23,149 --> 00:27:19,440
liking the right albums in the right

653
00:27:25,789 --> 00:27:23,159
order right it's like like it's that

654
00:27:27,890 --> 00:27:25,799
party line thinking

655
00:27:29,690 --> 00:27:27,900
um again systems thinker it's like kind

656
00:27:31,310 --> 00:27:29,700
of like you see even if it's not like

657
00:27:33,049 --> 00:27:31,320
people who align with fascists it's the

658
00:27:35,029 --> 00:27:33,059
same kind of fascistic thinking of like

659
00:27:36,649 --> 00:27:35,039
we all have a party line we all have to

660
00:27:38,090 --> 00:27:36,659
follow the party line and if you don't

661
00:27:40,430 --> 00:27:38,100
we're going to attack you and we're

662
00:27:43,789 --> 00:27:40,440
going to criticize you and again not

663
00:27:46,490 --> 00:27:43,799

over like racist sexist homophobic

664

00:27:48,950 --> 00:27:46,500

horrible things but you don't believe

665

00:27:52,730 --> 00:27:48,960

UFOs are like nuts and bolts craft in

666

00:27:56,090 --> 00:27:52,740

the sky off of your head yep yeah yes

667

00:27:58,549 --> 00:27:56,100

you need to tow the party line yes so I

668

00:28:00,590 --> 00:27:58,559

would oh go ahead Lewis sorry I was

669

00:28:03,049 --> 00:28:00,600

gonna ask what's the um

670

00:28:06,470 --> 00:28:03,059

the the trauma

671

00:28:08,750 --> 00:28:06,480

how does that actually manifest

672

00:28:11,810 --> 00:28:08,760

um so I actually think part of it

673

00:28:14,330 --> 00:28:11,820

manifests in the inability slash

674

00:28:17,029 --> 00:28:14,340

unwillingness to call out abusers in the

675

00:28:19,730 --> 00:28:17,039

field so there are a couple things

676

00:28:22,070 --> 00:28:19,740

um again from doing pampericon people

677

00:28:23,990 --> 00:28:22,080

have started telling me things

678

00:28:26,029 --> 00:28:24,000

um and so there are people in in

679

00:28:28,610 --> 00:28:26,039

paranormal Community who are not great

680

00:28:31,010 --> 00:28:28,620

who have huge followings

681

00:28:33,649 --> 00:28:31,020

um and nobody says anything because then

682

00:28:36,950 --> 00:28:33,659

they know they're just gonna get hate

683

00:28:38,390 --> 00:28:36,960

from that the supporters of those people

684

00:28:39,710 --> 00:28:38,400

um and they're not going to be beliefs

685

00:28:41,450 --> 00:28:39,720

and they're going to lose whatever

686

00:28:44,570 --> 00:28:41,460

following they have

687

00:28:47,090 --> 00:28:44,580

so there is this expectation of

688

00:28:49,250 --> 00:28:47,100

again it kind of reminds me of like an

689

00:28:50,870 --> 00:28:49,260

alcoholic family where none we all know

690

00:28:52,610 --> 00:28:50,880

what's going on at home but we all have

691

00:28:54,110 --> 00:28:52,620

a brave face outside no one's going to

692

00:28:56,930 --> 00:28:54,120

talk about it

693

00:28:59,090 --> 00:28:56,940

um it's constantly presenting this image

694

00:29:02,090 --> 00:28:59,100

um and so I I feel like in that way like

695

00:29:03,470 --> 00:29:02,100

people don't call out abusers also when

696

00:29:05,810 --> 00:29:03,480

people feel like they're in the good

697

00:29:08,210 --> 00:29:05,820

graces of a narcissist or a bully

698

00:29:11,029 --> 00:29:08,220

there's like a weird power they feel

699

00:29:13,070 --> 00:29:11,039

from that it's like without realizing

700

00:29:18,169 --> 00:29:13,080

this unfold in the UFO community in real

701
00:29:20,269 --> 00:29:18,179
time right now oh really oh yes oh yes

702
00:29:21,669 --> 00:29:20,279
and we can back Channel about that

703
00:29:24,649 --> 00:29:21,679
anyway sorry

704
00:29:26,389 --> 00:29:24,659
but what what is like the actual

705
00:29:29,930 --> 00:29:26,399
um like I mean you you mentioned your

706
00:29:31,610 --> 00:29:29,940
experience with the white Phantom figure

707
00:29:34,370 --> 00:29:31,620
um but can you think of any kind of

708
00:29:37,549 --> 00:29:34,380
images which manifest uh because of

709
00:29:39,769 --> 00:29:37,559
trauma or because of abuse

710
00:29:41,750 --> 00:29:39,779
so I personally think that a lot of

711
00:29:44,450 --> 00:29:41,760
abduction narratives are actually

712
00:29:46,610 --> 00:29:44,460
childhood sexual abuse stories that have

713
00:29:49,130 --> 00:29:46,620

gotten filtered in a way that a person

714

00:29:49,789 --> 00:29:49,140

can actually approach them

715

00:29:52,070 --> 00:29:49,799

um

716

00:29:54,409 --> 00:29:52,080

maybe not all of them but I've certainly

717

00:29:56,269 --> 00:29:54,419

heard a few that kind of hit like the

718

00:29:59,870 --> 00:29:56,279

trauma marks

719

00:30:02,269 --> 00:30:01,669

right yeah

720

00:30:04,909 --> 00:30:02,279

um

721

00:30:08,090 --> 00:30:04,919

yeah uh

722

00:30:10,549 --> 00:30:08,100

and also like so I mean Jack Brewer

723

00:30:13,310 --> 00:30:10,559

talks about how even just the experience

724

00:30:15,470 --> 00:30:13,320

of something paranormal is often

725

00:30:18,110 --> 00:30:15,480

associated with trauma

726

00:30:20,149 --> 00:30:18,120

um because you are jolted out of your

727

00:30:22,430 --> 00:30:20,159

reality and and especially like I saw

728

00:30:24,889 --> 00:30:22,440

this as a kid and I'm just like and

729

00:30:27,769 --> 00:30:24,899

again this swing set also disappeared

730

00:30:29,450 --> 00:30:27,779

like multiple things of unreality were

731

00:30:31,070 --> 00:30:29,460

happening at once

732

00:30:33,169 --> 00:30:31,080

you know I don't even have full like

733

00:30:35,330 --> 00:30:33,179

fine motor skills yet and I'm trying to

734

00:30:37,430 --> 00:30:35,340

wrap my head around this

735

00:30:39,950 --> 00:30:37,440

um and and again it also happens with

736

00:30:43,370 --> 00:30:39,960

adults who have experiences of lights in

737

00:30:46,010 --> 00:30:43,380

the sky or or other kind of visions

738

00:30:48,610 --> 00:30:46,020

um so that alone is traumatic but again

739

00:30:51,830 --> 00:30:48,620

I also think that

740

00:30:52,909 --> 00:30:51,840

like the ability to kind of see these

741

00:30:55,990 --> 00:30:52,919

things

742

00:30:58,549 --> 00:30:56,000

like requires a certain amount of

743

00:31:01,250 --> 00:30:58,559

dissociation from normal reality which

744

00:31:03,230 --> 00:31:01,260

is also a result of trauma and how to

745

00:31:07,250 --> 00:31:03,240

survive trauma

746

00:31:10,190 --> 00:31:07,260

um you know would would I have seen like

747

00:31:11,990 --> 00:31:10,200

a white figure in my backyard if I

748

00:31:14,810 --> 00:31:12,000

wasn't raised by like mentally unstable

749

00:31:17,930 --> 00:31:14,820

people maybe not you know was that

750

00:31:19,370 --> 00:31:17,940

hallucination maybe like those are

751
00:31:21,169 --> 00:31:19,380
things I can't answer I'm willing to

752
00:31:24,049 --> 00:31:21,179
entertain but things don't necessarily

753
00:31:25,610 --> 00:31:24,059
mean what we see or initially interpret

754
00:31:26,149 --> 00:31:25,620
them as

755
00:31:31,190 --> 00:31:26,159
um

756
00:31:33,409 --> 00:31:31,200
to again with my sociology background I

757
00:31:36,289 --> 00:31:33,419
see it in the way that social

758
00:31:37,730 --> 00:31:36,299
stories get formed around all these

759
00:31:40,010 --> 00:31:37,740
different narratives and again what we

760
00:31:41,330 --> 00:31:40,020
put up with and and

761
00:31:45,769 --> 00:31:41,340
um

762
00:31:46,750 --> 00:31:45,779
only thing that explains not calling out

763
00:31:50,269 --> 00:31:46,760

abuse

764

00:31:51,529 --> 00:31:50,279

to me like like it's so clear and again

765

00:31:54,529 --> 00:31:51,539

especially in the UFO these like

766

00:31:56,269 --> 00:31:54,539

Paragons of the field that we know

767

00:31:58,130 --> 00:31:56,279

they've Abused women or in some cases

768

00:31:59,810 --> 00:31:58,140

they recorded their hypnosis sessions

769

00:32:01,549 --> 00:31:59,820

with women that they were actively

770

00:32:04,750 --> 00:32:01,559

abusing

771

00:32:08,269 --> 00:32:04,760

and there isn't public outcry

772

00:32:11,149 --> 00:32:08,279

seriously like again it goes back to

773

00:32:14,750 --> 00:32:11,159

this idea that the youth the UFO is a

774

00:32:17,149 --> 00:32:14,760

subject supersedes any other conceivable

775

00:32:19,909 --> 00:32:17,159

thing right

776

00:32:21,889 --> 00:32:19,919

right and what's unfortunate too is that

777

00:32:24,470 --> 00:32:21,899

like so many of these things it it

778

00:32:26,210 --> 00:32:24,480

becomes like again it becomes like a

779

00:32:27,529 --> 00:32:26,220

cult right where first you start out and

780

00:32:30,110 --> 00:32:27,539

you're like okay people are having

781

00:32:31,669 --> 00:32:30,120

abduction stories all right well okay

782

00:32:34,789 --> 00:32:31,679

actually they're being abducted and used

783

00:32:36,590 --> 00:32:34,799

for breeding program like oh really okay

784

00:32:39,049 --> 00:32:36,600

uh oh and then there are like hybrid

785

00:32:41,210 --> 00:32:39,059

children and then over there are also

786

00:32:43,850 --> 00:32:41,220

Time Travelers and children who are

787

00:32:45,049 --> 00:32:43,860

de-aged it and then you go farther and

788

00:32:46,610 --> 00:32:45,059

farther and farther and at some point

789

00:32:50,269 --> 00:32:46,620

you have to be like do you really think

790

00:32:52,250 --> 00:32:50,279

this person has truth like at what point

791

00:32:53,990 --> 00:32:52,260

do you just say like I'm out or is it

792

00:32:55,430 --> 00:32:54,000

just sunk cost fallacy the whole way and

793

00:32:58,549 --> 00:32:55,440

you're just like all right well I guess

794

00:33:01,490 --> 00:32:58,559

I believe in time traveling Martian uh

795

00:33:03,470 --> 00:33:01,500

super soldiers all right like and and

796

00:33:05,090 --> 00:33:03,480

yeah sure but but it's okay if this guy

797

00:33:07,970 --> 00:33:05,100

actually like abused this woman and

798

00:33:10,970 --> 00:33:07,980

stole her underwear

799

00:33:15,350 --> 00:33:13,009

it's I think the other thing too that's

800

00:33:18,169 --> 00:33:15,360

worth noting um again I I tend to be

801
00:33:20,269 --> 00:33:18,179
very colored by uh myth and archetype

802
00:33:23,029 --> 00:33:20,279
and spiritual emergence and and that

803
00:33:26,870 --> 00:33:23,039
sort of I guess like religious spiritual

804
00:33:29,630 --> 00:33:26,880
lens but I mean even just to experience

805
00:33:32,029 --> 00:33:29,640
um ontological disruption is in and of

806
00:33:33,529 --> 00:33:32,039
itself de facto traumatic right there

807
00:33:36,409 --> 00:33:33,539
doesn't actually have to be a preceding

808
00:33:38,269 --> 00:33:36,419
trauma event just to like

809
00:33:40,730 --> 00:33:38,279
um I think of experiences of ego

810
00:33:42,110 --> 00:33:40,740
dissolution where if you're unprepared

811
00:33:43,430 --> 00:33:42,120
for these kinds of events which can

812
00:33:44,570 --> 00:33:43,440
happen spontaneously like without

813
00:33:46,970 --> 00:33:44,580

deliberate inducement without

814

00:33:49,130 --> 00:33:46,980

psychedelics they can just happen

815

00:33:50,810 --> 00:33:49,140

Um this can be extraordinarily traumatic

816

00:33:53,149 --> 00:33:50,820

experiences for people if they're

817

00:33:54,590 --> 00:33:53,159

ill-equipped or unprepared to sort of

818

00:33:56,690 --> 00:33:54,600

contextualize and integrate what

819

00:33:57,710 --> 00:33:56,700

happened to them right um one of the

820

00:34:00,049 --> 00:33:57,720

things I've mentioned on this show

821

00:34:02,330 --> 00:34:00,059

before is the most probable place in

822

00:34:04,370 --> 00:34:02,340

Modern Life to experience like ego

823

00:34:06,409 --> 00:34:04,380

dissolution or a spiritual emergency as

824

00:34:08,329 --> 00:34:06,419

an airport which is really interesting

825

00:34:10,430 --> 00:34:08,339

right because it's such an emotionally

826

00:34:12,050 --> 00:34:10,440

loaded place and it's like so liminal

827

00:34:13,250 --> 00:34:12,060

and like just so associative to be in

828

00:34:14,030 --> 00:34:13,260

already

829

00:34:15,829 --> 00:34:14,040

um

830

00:34:17,629 --> 00:34:15,839

and like people have these experiences

831

00:34:19,010 --> 00:34:17,639

and it totally screws them up right they

832

00:34:21,409 --> 00:34:19,020

have no way to integrate it they have no

833

00:34:22,849 --> 00:34:21,419

sort of grounding or way to sort of

834

00:34:24,770 --> 00:34:22,859

contextualize what's happened to them

835

00:34:26,690 --> 00:34:24,780

and so it becomes this like huge

836

00:34:28,250 --> 00:34:26,700

traumatic event that I mean honestly

837

00:34:29,990 --> 00:34:28,260

most mental health workers are not

838

00:34:32,990 --> 00:34:30,000

particularly well equipped to deal with

839

00:34:34,909 --> 00:34:33,000

it nor like spiritual guidance

840

00:34:38,210 --> 00:34:34,919

um and so instead it turns into like

841

00:34:40,010 --> 00:34:38,220

either a UFO story or it turns into like

842

00:34:42,950 --> 00:34:40,020

some sort of like

843

00:34:44,750 --> 00:34:42,960

um like massive character Schism like it

844

00:34:47,149 --> 00:34:44,760

can be sort of like transmuted into all

845

00:34:48,909 --> 00:34:47,159

these sort of subsequent uh events in

846

00:34:51,530 --> 00:34:48,919

the person's character

847

00:34:53,329 --> 00:34:51,540

absolutely again absolutely like that's

848

00:34:54,950 --> 00:34:53,339

that's the first thing that I got really

849

00:34:57,050 --> 00:34:54,960

excited about Jack Brewer's work because

850

00:34:58,550 --> 00:34:57,060

he was writing like this is a traumatic

851
00:35:01,430 --> 00:34:58,560
experience why aren't we addressing the

852
00:35:04,070 --> 00:35:01,440
trauma like again just that having that

853
00:35:06,410 --> 00:35:04,080
experience that that complete again

854
00:35:07,790 --> 00:35:06,420
dissociation for real reality right or

855
00:35:10,069 --> 00:35:07,800
this material

856
00:35:12,370 --> 00:35:10,079
we're we're all taught that like this

857
00:35:15,290 --> 00:35:12,380
materiality is all that there is and and

858
00:35:17,870 --> 00:35:15,300
that you are only smart if you only

859
00:35:20,030 --> 00:35:17,880
believe in this and not no idea of like

860
00:35:22,849 --> 00:35:20,040
a mind-body connection or some other

861
00:35:25,030 --> 00:35:22,859
unknown thing out there yeah I mean so

862
00:35:27,050 --> 00:35:25,040
much of our mental health and like

863
00:35:28,910 --> 00:35:27,060

psychotherapeutic practices are

864

00:35:31,250 --> 00:35:28,920

effectively just scaffolding on the

865

00:35:33,050 --> 00:35:31,260

capitalist system right they only serve

866

00:35:34,910 --> 00:35:33,060

to make us productive workers They don't

867

00:35:37,250 --> 00:35:34,920

serve to make a spiritually integrated

868

00:35:38,990 --> 00:35:37,260

humans with like somatic and bodily

869

00:35:40,490 --> 00:35:39,000

wisdom and like fully integrated lives

870

00:35:43,010 --> 00:35:40,500

they start to make us like better at

871

00:35:44,990 --> 00:35:43,020

writing JavaScript or whatever

872

00:35:48,050 --> 00:35:45,000

um and so as a result right like you

873

00:35:51,170 --> 00:35:48,060

have you have basically this entire uh

874

00:35:53,089 --> 00:35:51,180

like the this collection of

875

00:35:54,530 --> 00:35:53,099

psychotherapeutic workers now I I had

876

00:35:56,630 --> 00:35:54,540

the good luck I worked with a yogi

877

00:35:58,849 --> 00:35:56,640

analyst for six years uh which was

878

00:36:00,290 --> 00:35:58,859

amazing right I I did not fix my anxiety

879

00:36:01,310 --> 00:36:00,300

but I got to know myself really really

880

00:36:02,030 --> 00:36:01,320

well

881

00:36:04,849 --> 00:36:02,040

um

882

00:36:06,589 --> 00:36:04,859

but like most like like even CBT like

883

00:36:09,109 --> 00:36:06,599

kind of behavioral therapy is just like

884

00:36:10,550 --> 00:36:09,119

direct applied it's to get you back to

885

00:36:12,349 --> 00:36:10,560

work and being a productive member of

886

00:36:14,210 --> 00:36:12,359

society it's not to heal your wounds

887

00:36:16,609 --> 00:36:14,220

it's not to deal with your [h__h] it's to

888

00:36:20,210 --> 00:36:16,619

get you writing JavaScript like and

889

00:36:22,730 --> 00:36:20,220

paying your bills on time my a former

890

00:36:26,210 --> 00:36:22,740

best friend is a psychotherapist and who

891

00:36:28,370 --> 00:36:26,220

practices CBT and she even said to me

892

00:36:31,310 --> 00:36:28,380

once like I mean we all know this

893

00:36:33,290 --> 00:36:31,320

doesn't work long term right why are you

894

00:36:35,050 --> 00:36:33,300

doing this they're putting Band-Aids on

895

00:36:37,970 --> 00:36:35,060

bullet moves here

896

00:36:40,250 --> 00:36:37,980

right right and it's like okay I get

897

00:36:42,230 --> 00:36:40,260

that it's hard to do depth work it's

898

00:36:44,690 --> 00:36:42,240

hard it's an ongoing process it never

899

00:36:46,790 --> 00:36:44,700

Super Time intensive yes right right

900

00:36:51,290 --> 00:36:46,800

it's good to take time off of work so

901
00:36:54,410 --> 00:36:51,300
you can do all of it yeah okay yes it is

902
00:36:57,790 --> 00:36:54,420
actually these are great points about uh

903
00:37:00,589 --> 00:36:57,800
trauma and uh humans sort of like

904
00:37:02,569 --> 00:37:00,599
evolutionary socialized history and

905
00:37:05,270 --> 00:37:02,579
things like that like there's a

906
00:37:09,290 --> 00:37:05,280
professor McAuley who founded founded

907
00:37:12,349 --> 00:37:09,300
cybernetics uh at MIT in the 50s and he

908
00:37:15,470 --> 00:37:12,359
talks in an interview uh with CBC News

909
00:37:18,530 --> 00:37:15,480
in I believe the 60s about how you know

910
00:37:20,990 --> 00:37:18,540
the human brain was designed by natural

911
00:37:23,150 --> 00:37:21,000
selection adaptive pressures too do

912
00:37:25,670 --> 00:37:23,160
life-sustaining activities for about 15

913
00:37:27,650 --> 00:37:25,680

hours a week and the rest of their time

914

00:37:29,210 --> 00:37:27,660

was spent prioritizing social

915

00:37:32,270 --> 00:37:29,220

relationship building within your small

916

00:37:33,530 --> 00:37:32,280

community yeah and you know he says like

917

00:37:36,050 --> 00:37:33,540

you know what we're doing right now with

918

00:37:39,109 --> 00:37:36,060

our lives is like trying to to uh race

919

00:37:40,970 --> 00:37:39,119

like a cube van in a NASCAR race we're

920

00:37:43,550 --> 00:37:40,980

just blowing up the engine you know I

921

00:37:45,890 --> 00:37:43,560

need those you know 70 years ago now so

922

00:37:49,130 --> 00:37:45,900

you know we've had this as sort of a

923

00:37:51,710 --> 00:37:49,140

presence in all of this for so long and

924

00:37:53,390 --> 00:37:51,720

the trauma piece was especially relevant

925

00:37:55,910 --> 00:37:53,400

to me because the only reason I'm here

926

00:37:58,609 --> 00:37:55,920

today is because of covid the virus

927

00:38:00,290 --> 00:37:58,619

messed up my business farming uh really

928

00:38:02,329 --> 00:38:00,300

messed with my business I had a lot of

929

00:38:04,750 --> 00:38:02,339

spare time first time in my life you

930

00:38:08,270 --> 00:38:04,760

know I'm a skepticism

931

00:38:10,190 --> 00:38:08,280

CBD uh okay yeah but uh yeah yeah no

932

00:38:13,430 --> 00:38:10,200

it's weird yeah no I'm a Weed Farmer but

933

00:38:17,089 --> 00:38:13,440

uh great it's licensed Health Canada and

934

00:38:22,130 --> 00:38:17,099

the resident plasma guy well yeah trying

935

00:38:26,750 --> 00:38:24,650

um yeah uh oh God where was I the trauma

936

00:38:28,250 --> 00:38:26,760

yes so my business was struggling and

937

00:38:29,930 --> 00:38:28,260

stuff and that was like the first time I

938

00:38:32,270 --> 00:38:29,940

even and you know materialist all this

939

00:38:34,250 --> 00:38:32,280

stuff no interest historically in

940

00:38:36,710 --> 00:38:34,260

paranormal UFO or anything and that was

941

00:38:38,510 --> 00:38:36,720

the when I saw on the news in the middle

942

00:38:40,490 --> 00:38:38,520

of the shutdown Obama was saying like

943

00:38:42,050 --> 00:38:40,500

well you know there might be things out

944

00:38:43,370 --> 00:38:42,060

there we can't understand quite what

945

00:38:44,810 --> 00:38:43,380

they are they don't you know they're

946

00:38:45,890 --> 00:38:44,820

moving weird ways and all whatever so

947

00:38:47,990 --> 00:38:45,900

I'm like what the heck's he talking

948

00:38:50,270 --> 00:38:48,000

about first time my mind opened to it in

949

00:38:53,690 --> 00:38:50,280

the middle of like a trauma experience

950

00:38:55,970 --> 00:38:53,700

and uh you know you you started playing

951
00:38:57,950 --> 00:38:55,980
paracon and stuff and uh you know and we

952
00:39:00,829 --> 00:38:57,960
sort of started this uh Community here

953
00:39:03,589 --> 00:39:00,839
it's almost like a counter Revolution to

954
00:39:05,930 --> 00:39:03,599
the mainstream culture right a protest

955
00:39:09,589 --> 00:39:05,940
and um could you talk a little bit about

956
00:39:11,690 --> 00:39:09,599
uh this the origins of pan Paragon had

957
00:39:14,270 --> 00:39:11,700
got involved and uh what led you like

958
00:39:16,849 --> 00:39:14,280
kind of from a philosophical standpoint

959
00:39:20,810 --> 00:39:16,859
too engage in that

960
00:39:25,730 --> 00:39:20,820
so um so it's funny that that response

961
00:39:27,950 --> 00:39:25,740
right the reaction like uh I so I used

962
00:39:29,569 --> 00:39:27,960
to listen to Mysterious Universe and

963
00:39:32,329 --> 00:39:29,579

then a friend of mine clued me into the

964

00:39:34,790 --> 00:39:32,339

fact that they're terrible people that

965

00:39:37,730 --> 00:39:34,800

believe terrible things and espouse you

966

00:39:40,370 --> 00:39:37,740

know pandemic anti-vaxx China is coming

967

00:39:42,530 --> 00:39:40,380

to kill us all anti-semitic anti-trans

968

00:39:45,230 --> 00:39:42,540

[h__\h]

969

00:39:47,450 --> 00:39:45,240

the whole thing they used to keep that

970

00:39:49,490 --> 00:39:47,460

only on the paid side right where they

971

00:39:51,250 --> 00:39:49,500

would make references to clown world and

972

00:39:54,829 --> 00:39:51,260

then and then they went full mask off

973

00:39:56,390 --> 00:39:54,839

and so I started a fundraiser and it was

974

00:39:58,730 --> 00:39:56,400

just a screenshot of like Benjamin

975

00:40:01,430 --> 00:39:58,740

Grundy has blocked you on Twitter and

976
00:40:04,190 --> 00:40:01,440
that was a fundraiser for Trans lifeline

977
00:40:05,990 --> 00:40:04,200
because I again again I thought it was

978
00:40:08,630 --> 00:40:06,000
Aquarius probably just being defiant and

979
00:40:11,089 --> 00:40:08,640
having ADHD of saying like yeah I'm not

980
00:40:13,849 --> 00:40:11,099
gonna stand for this and also like I'm

981
00:40:16,910 --> 00:40:13,859
gonna atone for promo like promoting

982
00:40:18,470 --> 00:40:16,920
them and being fans of theirs and like

983
00:40:20,270 --> 00:40:18,480
telling people to listen to their show

984
00:40:22,069 --> 00:40:20,280
and I was like no no now it's time to

985
00:40:25,069 --> 00:40:22,079
tell the world like not only don't

986
00:40:27,410 --> 00:40:25,079
listen but uh you know needle them until

987
00:40:28,550 --> 00:40:27,420
they block you because that's also kind

988
00:40:29,390 --> 00:40:28,560

of fun

989

00:40:32,089 --> 00:40:29,400

um

990

00:40:35,089 --> 00:40:32,099

and so just that kind of perspective

991

00:40:38,030 --> 00:40:35,099

um because so it's like all right I'm I

992

00:40:39,950 --> 00:40:38,040

I'm not a fan of bigots and Bullies

993

00:40:42,950 --> 00:40:39,960

um again you know talking about that

994

00:40:44,630 --> 00:40:42,960

intellectual rigor like that I'm always

995

00:40:46,190 --> 00:40:44,640

looking for intellectual and academic

996

00:40:47,990 --> 00:40:46,200

rigor in anything especially if you're

997

00:40:48,950 --> 00:40:48,000

trying to say that it's science right or

998

00:40:50,569 --> 00:40:48,960

you're saying you're trying to move the

999

00:40:53,990 --> 00:40:50,579

needle forward on something

1000

00:40:56,390 --> 00:40:54,000

okay well where's your data right like

1001
00:40:58,310 --> 00:40:56,400
what's the R square do you even know how

1002
00:40:59,870 --> 00:40:58,320
to calculate R square can you calculate

1003
00:41:01,790 --> 00:40:59,880
R square what are you doing how did you

1004
00:41:03,410 --> 00:41:01,800
operationalize this

1005
00:41:07,910 --> 00:41:03,420
so

1006
00:41:10,370 --> 00:41:07,920
I want alternative voices people who

1007
00:41:12,589 --> 00:41:10,380
aren't mainstream people who get who

1008
00:41:13,730 --> 00:41:12,599
haven't been able to connect with the

1009
00:41:15,349 --> 00:41:13,740
mainstream because they don't have the

1010
00:41:18,050 --> 00:41:15,359
same connections or they're not the

1011
00:41:20,690 --> 00:41:18,060
right color they're not the right gender

1012
00:41:23,750 --> 00:41:20,700
um again it kind of started defiantly

1013
00:41:25,430 --> 00:41:23,760

like oh let's create something that that

1014

00:41:27,290 --> 00:41:25,440

is welcoming and kind and again human

1015

00:41:29,630 --> 00:41:27,300

first

1016

00:41:31,910 --> 00:41:29,640

um and it also started because you Jason

1017

00:41:35,390 --> 00:41:31,920

and Mira like we were talking about like

1018

00:41:38,030 --> 00:41:35,400

had wanted to go to Michigan paracon but

1019

00:41:40,690 --> 00:41:38,040

this was right in the crap like Delta

1020

00:41:44,569 --> 00:41:40,700

wave and they had dropped all mask

1021

00:41:46,250 --> 00:41:44,579

requirements to go it's like well those

1022

00:41:49,130 --> 00:41:46,260

of us that don't want to get covered and

1023

00:41:51,349 --> 00:41:49,140

inherently political act right

1024

00:41:54,349 --> 00:41:51,359

I could spend two hours just talking

1025

00:41:55,849 --> 00:41:54,359

about that frankly yeah me too I had a

1026

00:41:58,010 --> 00:41:55,859

client that I had to work with in Utah

1027

00:42:00,410 --> 00:41:58,020

and going from Pittsburgh Pennsylvania

1028

00:42:02,990 --> 00:42:00,420

to Salt Lake City Utah was like living

1029

00:42:05,870 --> 00:42:03,000

in two different planes of reality of

1030

00:42:07,730 --> 00:42:05,880

course yes it's very strange it's

1031

00:42:09,470 --> 00:42:07,740

bizarre yes

1032

00:42:11,089 --> 00:42:09,480

um yeah it's so funny that people don't

1033

00:42:13,730 --> 00:42:11,099

think that things are political when

1034

00:42:16,550 --> 00:42:13,740

they're aligned with their views but

1035

00:42:20,630 --> 00:42:16,560

when it's not Suddenly It's I get I want

1036

00:42:24,470 --> 00:42:20,640

the politics out of out of ufology

1037

00:42:26,210 --> 00:42:24,480

okay okay as if there's anything in our

1038

00:42:28,010 --> 00:42:26,220

current universe that is free from

1039

00:42:30,290 --> 00:42:28,020

politicization or the culture War

1040

00:42:32,630 --> 00:42:30,300

nothing political about showing up on

1041

00:42:35,329 --> 00:42:32,640

the Tucker Carlson show or showing up on

1042

00:42:37,550 --> 00:42:35,339

Joe Rogan to talk about whatever it's

1043

00:42:40,310 --> 00:42:37,560

about UFOs so who cares

1044

00:42:43,490 --> 00:42:40,320

oh God If This Were aluminum can it

1045

00:42:46,730 --> 00:42:43,500

would have been crushed right now

1046

00:42:50,210 --> 00:42:46,740

yeah so yeah let's talk about pen

1047

00:42:52,730 --> 00:42:50,220

paracon yeah so pampericon um again the

1048

00:42:55,970 --> 00:42:52,740

three of us work on it it's it's a

1049

00:42:57,770 --> 00:42:55,980

celebration of diverse voices uh people

1050

00:42:58,910 --> 00:42:57,780

from different backgrounds

1051

00:43:02,890 --> 00:42:58,920

um it is

1052

00:43:05,870 --> 00:43:02,900

so frustrating to see uh you know

1053

00:43:08,089 --> 00:43:05,880

pericon lineup after pericon lineup and

1054

00:43:10,910 --> 00:43:08,099

it's mostly white guys it's like white

1055

00:43:14,450 --> 00:43:10,920

guy with beard white guy with hat white

1056

00:43:19,690 --> 00:43:14,460

guy who's bald and like yeah hair white

1057

00:43:23,349 --> 00:43:19,700

guy yes from like 38 to 56. yes yes

1058

00:43:28,250 --> 00:43:23,359

UFO conference lineups lately and it's

1059

00:43:30,170 --> 00:43:28,260

about the same yes yes exactly so

1060

00:43:32,150 --> 00:43:30,180

um or and maybe there's one woman you

1061

00:43:34,069 --> 00:43:32,160

know and and the token female they're

1062

00:43:36,650 --> 00:43:34,079

token female and like I could put

1063

00:43:39,530 --> 00:43:36,660

together just from the the people I

1064

00:43:41,809 --> 00:43:39,540

follow on my feed like and all either

1065

00:43:43,790 --> 00:43:41,819

all women or all uh like a sign female

1066

00:43:45,190 --> 00:43:43,800

at Birth paracon

1067

00:43:48,770 --> 00:43:45,200

today

1068

00:43:50,150 --> 00:43:48,780

easy right it's not hard to find people

1069

00:43:51,589 --> 00:43:50,160

who don't look like you who are

1070

00:43:55,430 --> 00:43:51,599

interested in the things that you are

1071

00:43:58,370 --> 00:43:55,440

interested in but if you again if you

1072

00:44:01,069 --> 00:43:58,380

don't know that you are racist and

1073

00:44:03,770 --> 00:44:01,079

because you don't say slurs right so I'm

1074

00:44:05,510 --> 00:44:03,780

not racist racism only shows up as

1075

00:44:07,250 --> 00:44:05,520

burning crosses and white robes there's

1076

00:44:09,770 --> 00:44:07,260

no other iteration or version of it

1077

00:44:11,450 --> 00:44:09,780

that's it it's not like it's built in

1078

00:44:14,030 --> 00:44:11,460

and woven into the social structure and

1079

00:44:16,730 --> 00:44:14,040

it's just part of socialization in our

1080

00:44:20,450 --> 00:44:16,740

society sure

1081

00:44:24,430 --> 00:44:20,460

um so yeah so then it literally a royal

1082

00:44:29,569 --> 00:44:27,170

I can't wait for all the angry to post

1083

00:44:32,390 --> 00:44:29,579

show twitters to be like the show is

1084

00:44:35,450 --> 00:44:32,400

racist against white guys sorry guys

1085

00:44:38,210 --> 00:44:35,460

sorry Campbell sorry Lewis nowhere I'll

1086

00:44:44,270 --> 00:44:38,220

step up uh

1087

00:44:49,849 --> 00:44:45,950

language in the first place it's like

1088

00:44:51,890 --> 00:44:49,859

racism implies a structure of hatred

1089

00:44:53,569 --> 00:44:51,900

where whites are at the top and

1090

00:44:56,150 --> 00:44:53,579

everybody else is underneath it is

1091

00:44:58,670 --> 00:44:56,160

structural you can be bigoted against

1092

00:45:01,910 --> 00:44:58,680

somebody who is not part of like the

1093

00:45:03,770 --> 00:45:01,920

dominant group in the hegemony but you

1094

00:45:06,589 --> 00:45:03,780

can't struck have a structural issue

1095

00:45:08,750 --> 00:45:06,599

against them again I think it was

1096

00:45:11,030 --> 00:45:08,760

um skinny legs and all but Tom Robbins

1097

00:45:12,829 --> 00:45:11,040

has this point about like uh you know

1098

00:45:15,230 --> 00:45:12,839

imprecision in language leads to

1099

00:45:16,550 --> 00:45:15,240

Insanity so I try again when things come

1100

00:45:18,050 --> 00:45:16,560

up like that I'm like let's be really

1101
00:45:19,250 --> 00:45:18,060
precise with the language that we're

1102
00:45:20,569 --> 00:45:19,260
using here

1103
00:45:21,910 --> 00:45:20,579
yeah

1104
00:45:24,230 --> 00:45:21,920
anyway

1105
00:45:26,990 --> 00:45:24,240
uh I just wanted to see something

1106
00:45:28,849 --> 00:45:27,000
different and I followed a lot of cool

1107
00:45:33,410 --> 00:45:28,859
people it was just like I like what

1108
00:45:39,589 --> 00:45:35,530
that's how I do a lot of things

1109
00:45:41,930 --> 00:45:39,599
the language piece though I I do uh

1110
00:45:44,630 --> 00:45:41,940
appreciate that's always a factor in all

1111
00:45:47,150 --> 00:45:44,640
the conversations and uh especially on

1112
00:45:49,750 --> 00:45:47,160
the skeptic side I find uh probably for

1113
00:45:52,370 --> 00:45:49,760

good reason a lot of my most uh intense

1114

00:45:55,069 --> 00:45:52,380

conversations are with fellow Skeptics

1115

00:45:58,250 --> 00:45:55,079

because we're sort of uh operating from

1116

00:46:00,170 --> 00:45:58,260

a shared standard of reasoning and

1117

00:46:03,530 --> 00:46:00,180

things like that

1118

00:46:06,170 --> 00:46:03,540

um yeah so it's like with the language

1119

00:46:08,270 --> 00:46:06,180

there's a typical thing it's like do

1120

00:46:11,569 --> 00:46:08,280

UFOs exist

1121

00:46:12,890 --> 00:46:11,579

yes or no or whatever right uh I'm just

1122

00:46:14,329 --> 00:46:12,900

curious how would you answer that

1123

00:46:15,790 --> 00:46:14,339

question and what would be your

1124

00:46:19,370 --> 00:46:15,800

justification

1125

00:46:22,490 --> 00:46:19,380

so I again hate answering questions with

1126

00:46:26,089 --> 00:46:22,500

questions but I do like a lot right what

1127

00:46:29,270 --> 00:46:26,099

what are what do you consider a UFO what

1128

00:46:31,550 --> 00:46:29,280

does it mean by it existing right

1129

00:46:33,050 --> 00:46:31,560

um again I have more like

1130

00:46:35,210 --> 00:46:33,060

interdimensional

1131

00:46:38,089 --> 00:46:35,220

you know Collective unconscious ideas

1132

00:46:41,390 --> 00:46:38,099

about what these things are if you ask

1133

00:46:43,069 --> 00:46:41,400

me nuts and bolts if I was uh 11 when I

1134

00:46:44,870 --> 00:46:43,079

first got into the X-Files and all that

1135

00:46:46,609 --> 00:46:44,880

I probably would have said yes now I'm

1136

00:46:48,349 --> 00:46:46,619

like I think you're a I think you're

1137

00:46:50,870 --> 00:46:48,359

missing the point by even asking that

1138

00:46:52,970 --> 00:46:50,880

question and B

1139

00:46:55,130 --> 00:46:52,980

um what what do you even mean by any of

1140

00:46:58,849 --> 00:46:55,140

these terms

1141

00:47:01,069 --> 00:46:58,859

so are you a fan of uh Jacques Valley

1142

00:47:02,990 --> 00:47:01,079

read a lot of his stuff again I feel

1143

00:47:04,970 --> 00:47:03,000

like I I kind of was into it as a kid

1144

00:47:07,730 --> 00:47:04,980

and now have like kind of stumbled into

1145

00:47:09,170 --> 00:47:07,740

a lot of this now and haven't read a lot

1146

00:47:11,809 --> 00:47:09,180

of the classic

1147

00:47:13,730 --> 00:47:11,819

writers in the field Louis be nice to

1148

00:47:15,770 --> 00:47:13,740

her she's one of our rare non-ufo people

1149

00:47:17,870 --> 00:47:15,780

yeah we want to welcome these kinds of

1150

00:47:23,050 --> 00:47:17,880

people we don't really want to find the

1151

00:47:28,250 --> 00:47:26,210

the light is the um in case you don't

1152

00:47:31,430 --> 00:47:28,260

know who's one of the uh proponents of

1153

00:47:33,829 --> 00:47:31,440

the interdimensional hypothesis okay

1154

00:47:35,690 --> 00:47:33,839

yeah yeah so that's that's what I would

1155

00:47:39,470 --> 00:47:35,700

say if it's

1156

00:47:42,230 --> 00:47:39,480

although I I'm more of the idea of like

1157

00:47:43,849 --> 00:47:42,240

hyperspace right like that I like

1158

00:47:45,349 --> 00:47:43,859

there's a book called surfing through

1159

00:47:46,790 --> 00:47:45,359

hyperspace and I like the way he

1160

00:47:48,650 --> 00:47:46,800

conceives of it

1161

00:47:51,290 --> 00:47:48,660

um this idea of like a four-dimensional

1162

00:47:53,870 --> 00:47:51,300

entity that we're only ever seeing a

1163

00:47:56,750 --> 00:47:53,880

three-dimensional cross-section of so

1164

00:47:58,130 --> 00:47:56,760

again existence like you have to posit

1165

00:47:59,329 --> 00:47:58,140

like existence that you're not even

1166

00:48:01,790 --> 00:47:59,339

familiar with because you're just

1167

00:48:03,170 --> 00:48:01,800

dealing with three-dimensional space so

1168

00:48:04,849 --> 00:48:03,180

I think that's why like some people can

1169

00:48:07,550 --> 00:48:04,859

see lights in the sky some people see

1170

00:48:09,109 --> 00:48:07,560

Bigfoot some people see a ghost whatever

1171

00:48:11,390 --> 00:48:09,119

it is

1172

00:48:13,870 --> 00:48:11,400

um because you're only getting a

1173

00:48:16,190 --> 00:48:13,880

particular cross-section of something

1174

00:48:17,750 --> 00:48:16,200

and Vanessa would you say that you've

1175

00:48:19,630 --> 00:48:17,760

sort of something that I've noticed

1176

00:48:22,370 --> 00:48:19,640

anyway like there are these sort of

1177

00:48:26,329 --> 00:48:22,380

qualitative maybe similarities uh

1178

00:48:29,750 --> 00:48:26,339

between descriptions uh from like you

1179

00:48:31,970 --> 00:48:29,760

know the occult side of interacting

1180

00:48:33,829 --> 00:48:31,980

during the middle of like one of the uh

1181

00:48:37,010 --> 00:48:33,839

ritual practices you sort of like

1182

00:48:38,630 --> 00:48:37,020

experience uh some kind of entity and

1183

00:48:40,670 --> 00:48:38,640

then there's like psychedelics where

1184

00:48:42,589 --> 00:48:40,680

people qualitatively are describing

1185

00:48:44,150 --> 00:48:42,599

something almost identical

1186

00:48:45,770 --> 00:48:44,160

you know and then we talked a little bit

1187

00:48:48,470 --> 00:48:45,780

about like the ghost experiences and

1188

00:48:49,730 --> 00:48:48,480

other kind of like intense uh things

1189

00:48:52,309 --> 00:48:49,740

like that

1190

00:48:54,470 --> 00:48:52,319

um in your engagement with these

1191

00:48:56,569 --> 00:48:54,480

subjects and uh more broadly because you

1192

00:48:58,490 --> 00:48:56,579

sort of touch on a few of them all at

1193

00:49:02,150 --> 00:48:58,500

the same time like are you I've been

1194

00:49:03,770 --> 00:49:02,160

seeing those similarities and if so or

1195

00:49:05,750 --> 00:49:03,780

not like I could just talk a little bit

1196

00:49:07,849 --> 00:49:05,760

about your interpretation of that yeah

1197

00:49:09,470 --> 00:49:07,859

so I think this is my

1198

00:49:13,430 --> 00:49:09,480

um kind of fundamental issue with

1199

00:49:15,650 --> 00:49:13,440

ufology to begin with because I think

1200

00:49:18,050 --> 00:49:15,660

just the way that we're talking about it

1201

00:49:20,270 --> 00:49:18,060

is very limiting again I and I and not

1202

00:49:21,069 --> 00:49:20,280

to just [\h__\h] on ufology like this

1203

00:49:24,050 --> 00:49:21,079

happens

1204

00:49:26,329 --> 00:49:24,060

okay I mean I like that this is a safe

1205

00:49:28,010 --> 00:49:26,339

space for that but

1206

00:49:29,809 --> 00:49:28,020

um again just talking about this idea of

1207

00:49:32,510 --> 00:49:29,819

like okay how do we even conceptualize

1208

00:49:34,130 --> 00:49:32,520

what we're talking about right as long

1209

00:49:35,990 --> 00:49:34,140

as you're saying like what's a UFO right

1210

00:49:39,470 --> 00:49:36,000

yes you've already made a stack of

1211

00:49:41,210 --> 00:49:39,480

assumptions yes going into that and

1212

00:49:44,030 --> 00:49:41,220

again my background is in social science

1213

00:49:45,770 --> 00:49:44,040

research and and how are we

1214

00:49:49,069 --> 00:49:45,780

operationalizing this and of course I'm

1215

00:49:51,349 --> 00:49:49,079

informed by feminism right so even the

1216

00:49:53,329 --> 00:49:51,359

choice when you're doing say like a

1217

00:49:55,490 --> 00:49:53,339

quantitative study you're trying to

1218

00:49:57,829 --> 00:49:55,500

measure something even the choice of

1219

00:50:00,950 --> 00:49:57,839

choosing a measure to measure the data

1220

00:50:02,870 --> 00:50:00,960

is a subjective choice and you are

1221

00:50:04,730 --> 00:50:02,880

limiting your data collection and you

1222

00:50:07,190 --> 00:50:04,740

can pretend that it's objective but

1223

00:50:08,809 --> 00:50:07,200

again deciding the subject to measure

1224

00:50:10,670 --> 00:50:08,819

the measure that you the means you're

1225

00:50:12,770 --> 00:50:10,680

using to measure it all of those are

1226

00:50:16,250 --> 00:50:12,780

subjective choices

1227

00:50:17,990 --> 00:50:16,260

so so again I I every time people are

1228

00:50:20,630 --> 00:50:18,000

like well let's go Bigfoot hunting it's

1229

00:50:22,250 --> 00:50:20,640

like first you think it's a real you say

1230

00:50:24,530 --> 00:50:22,260

okay you think it's a real animal a real

1231

00:50:26,450 --> 00:50:24,540

animal you can see that it exists in

1232

00:50:28,010 --> 00:50:26,460

this space that sometimes hides and

1233

00:50:29,750 --> 00:50:28,020

sometimes visible you know you're making

1234

00:50:31,970 --> 00:50:29,760

all these assumptions like

1235

00:50:33,770 --> 00:50:31,980

even with ghosts right or especially so

1236

00:50:36,050 --> 00:50:33,780

much of paranormal television is like

1237

00:50:39,650 --> 00:50:36,060

ghosts or demons you made a lot of

1238

00:50:41,270 --> 00:50:39,660

assumptions cosmologically if you have

1239

00:50:43,250 --> 00:50:41,280

decided that all of these things are

1240

00:50:44,750 --> 00:50:43,260

demons

1241

00:50:47,270 --> 00:50:44,760

um you know and then people are talking

1242

00:50:50,270 --> 00:50:47,280

about this being objective it's like

1243

00:50:51,589 --> 00:50:50,280

first of all take take all the steps

1244

00:50:53,390 --> 00:50:51,599

back

1245

00:50:55,069 --> 00:50:53,400

the way that you are describing all of

1246

00:50:56,510 --> 00:50:55,079

these things and claiming to know the

1247

00:50:59,569 --> 00:50:56,520

objective truth about all these things

1248

00:51:01,970 --> 00:50:59,579

is using language that we invented at

1249

00:51:04,730 --> 00:51:01,980

some point in time you are only ever

1250

00:51:06,170 --> 00:51:04,740

going to get an approximation of what is

1251
00:51:08,089 --> 00:51:06,180
actually going on

1252
00:51:10,190 --> 00:51:08,099
period

1253
00:51:12,589 --> 00:51:10,200
so if you can start from that point and

1254
00:51:13,910 --> 00:51:12,599
you want to have like Explorations about

1255
00:51:15,650 --> 00:51:13,920
what you think you know or what you

1256
00:51:17,930 --> 00:51:15,660
think you might know then I get really

1257
00:51:20,089 --> 00:51:17,940
excited but if you're stepping in and

1258
00:51:21,650 --> 00:51:20,099
saying I know what this is these are all

1259
00:51:23,510 --> 00:51:21,660
individual things

1260
00:51:25,970 --> 00:51:23,520
you know again I can see the connection

1261
00:51:29,930 --> 00:51:25,980
between fairy lore or with you know

1262
00:51:32,210 --> 00:51:29,940
biblical angels and the UFOs to me these

1263
00:51:34,010 --> 00:51:32,220

are all similar if not the same story

1264

00:51:36,710 --> 00:51:34,020

that's being told in a particular

1265

00:51:37,370 --> 00:51:36,720

historical cultural lens

1266

00:51:39,650 --> 00:51:37,380

um

1267

00:51:42,109 --> 00:51:39,660

so so then when people are like nuts and

1268

00:51:44,390 --> 00:51:42,119

bolts UFOs disclosure Bigfoot whatever

1269

00:51:46,069 --> 00:51:44,400

it is ghosts I'm like

1270

00:51:47,030 --> 00:51:46,079

you don't even know what that's what

1271

00:51:50,210 --> 00:51:47,040

that is

1272

00:51:52,670 --> 00:51:50,220

you you think it is maybe the ghosts Are

1273

00:51:55,309 --> 00:51:52,680

UFOs and the UFOs are ghosts

1274

00:51:57,470 --> 00:51:55,319

yes the best the best we can do in

1275

00:51:59,270 --> 00:51:57,480

disgustingly it's so difficult to wrap

1276
00:52:02,809 --> 00:51:59,280
language around the ineffable in general

1277
00:52:03,710 --> 00:52:02,819
right and the best we can do really

1278
00:52:06,349 --> 00:52:03,720
um

1279
00:52:08,870 --> 00:52:06,359
around these subjects in my opinion is

1280
00:52:12,049 --> 00:52:08,880
basically convey through symbol and

1281
00:52:14,290 --> 00:52:12,059
metaphor right in myth yeah um like are

1282
00:52:16,730 --> 00:52:14,300
sort of quantitative reasoning models

1283
00:52:19,010 --> 00:52:16,740
are insufficient

1284
00:52:22,250 --> 00:52:19,020
for exploring a lot of these parts of

1285
00:52:24,950 --> 00:52:22,260
Human Experience yes yes and again just

1286
00:52:27,170 --> 00:52:24,960
reproducing you're talking about therapy

1287
00:52:29,270 --> 00:52:27,180
that reproduces capitalism right it's

1288
00:52:31,190 --> 00:52:29,280

just reproducing the same repressive

1289

00:52:32,809 --> 00:52:31,200

systems where things can be reduced

1290

00:52:35,270 --> 00:52:32,819

where things can be controlled or things

1291

00:52:37,190 --> 00:52:35,280

can be dominated again that I even the

1292

00:52:39,290 --> 00:52:37,200

idea of like Bigfoot hunting or UFO

1293

00:52:41,210 --> 00:52:39,300

hunting like even that language of like

1294

00:52:44,990 --> 00:52:41,220

there's the first soldiers

1295

00:52:46,910 --> 00:52:45,000

oh God right or even the idea of

1296

00:52:48,589 --> 00:52:46,920

breeding programs like again horror

1297

00:52:50,990 --> 00:52:48,599

movies are such examples of like

1298

00:52:53,630 --> 00:52:51,000

Collective fears but really ufology is

1299

00:52:58,010 --> 00:52:53,640

too like this yeah this is something

1300

00:52:59,210 --> 00:52:58,020

nick uh bless him in absentia one of one

1301
00:53:01,730 --> 00:52:59,220
of the points he makes that I think

1302
00:53:05,450 --> 00:53:01,740
about frequently is basically how

1303
00:53:07,370 --> 00:53:05,460
um UFOs have um reflected sort of the

1304
00:53:09,290 --> 00:53:07,380
anxieties of the eras in which they're

1305
00:53:11,690 --> 00:53:09,300
witnessed so like in the 90s we're

1306
00:53:13,250 --> 00:53:11,700
talking about genetics and hybrids and

1307
00:53:14,210 --> 00:53:13,260
things like that

1308
00:53:17,809 --> 00:53:14,220
um

1309
00:53:20,930 --> 00:53:17,819
and it does in many not all the time but

1310
00:53:23,390 --> 00:53:20,940
it does often looks fuel to me like the

1311
00:53:25,790 --> 00:53:23,400
subject does sort of reflect back sort

1312
00:53:28,970 --> 00:53:25,800
of the collective neuroses about

1313
00:53:30,650 --> 00:53:28,980

whatever the preoccupying anxiety of the

1314

00:53:32,990 --> 00:53:30,660

day may be

1315

00:53:35,390 --> 00:53:33,000

um which at one of the questions I had

1316

00:53:37,549 --> 00:53:35,400

written down to ask you about was how

1317

00:53:39,349 --> 00:53:37,559

you think about or what your view on the

1318

00:53:41,710 --> 00:53:39,359

relationship between the Paranormal and

1319

00:53:45,290 --> 00:53:41,720

Technology may be

1320

00:53:47,089 --> 00:53:45,300

so I think again this is so that I think

1321

00:53:48,710 --> 00:53:47,099

ultimately this gets goes back to like

1322

00:53:51,069 --> 00:53:48,720

chaos magic where it's like if you

1323

00:53:53,390 --> 00:53:51,079

believe something about that

1324

00:53:55,250 --> 00:53:53,400

do you believe something is valuable

1325

00:53:57,650 --> 00:53:55,260

then it will be valuable do you believe

1326
00:54:00,170 --> 00:53:57,660
something is useful it will be useful is

1327
00:54:02,089 --> 00:54:00,180
it do you believe deeply in something

1328
00:54:04,069 --> 00:54:02,099
enough that you can you think you can

1329
00:54:05,270 --> 00:54:04,079
change your reality with it then you

1330
00:54:08,450 --> 00:54:05,280
will

1331
00:54:10,430 --> 00:54:08,460
um so technology

1332
00:54:12,170 --> 00:54:10,440
so on the one hand it's kind of

1333
00:54:14,809 --> 00:54:12,180
problematic because using technology

1334
00:54:17,150 --> 00:54:14,819
presumes that the entities are able to

1335
00:54:18,950 --> 00:54:17,160
interact with us in a way again that

1336
00:54:21,109 --> 00:54:18,960
that they're already like manipulating

1337
00:54:23,390 --> 00:54:21,119
Electronics or the electrical field or

1338
00:54:25,790 --> 00:54:23,400

any of that that they have that ability

1339

00:54:26,569 --> 00:54:25,800

that they want to

1340

00:54:30,049 --> 00:54:26,579

um

1341

00:54:32,170 --> 00:54:30,059

oh yeah Jason yikes up those thank you

1342

00:54:35,630 --> 00:54:32,180

Jay yeah

1343

00:54:40,430 --> 00:54:35,640

Waldorf yeah I know yikes

1344

00:54:47,030 --> 00:54:43,910

um never a dull moment on Twitter uh but

1345

00:54:49,609 --> 00:54:47,040

yeah so with with technology again it's

1346

00:54:52,309 --> 00:54:49,619

also this idea that anything that can be

1347

00:54:54,170 --> 00:54:52,319

that it can be measured like that's

1348

00:54:56,030 --> 00:54:54,180

that's how we can act this is science

1349

00:54:58,190 --> 00:54:56,040

and we can access things with science

1350

00:55:01,130 --> 00:54:58,200

all right scientific methodology

1351

00:55:03,470 --> 00:55:01,140

requires a little more rigor okay

1352

00:55:05,270 --> 00:55:03,480

um on the other hand from that chaos

1353

00:55:06,890 --> 00:55:05,280

magic perspective it's like if this is a

1354

00:55:08,030 --> 00:55:06,900

tool that is going to get you in the

1355

00:55:09,589 --> 00:55:08,040

headspace where you think you can

1356

00:55:12,049 --> 00:55:09,599

connect with another you're going to

1357

00:55:14,809 --> 00:55:12,059

like that it like that is a

1358

00:55:17,270 --> 00:55:14,819

magnification of your again personal

1359

00:55:19,670 --> 00:55:17,280

energies I think is valuable

1360

00:55:22,609 --> 00:55:19,680

are we actually talking to ghosts again

1361

00:55:23,930 --> 00:55:22,619

do we know what ghosts are like what do

1362

00:55:25,790 --> 00:55:23,940

we think that we're interacting with

1363

00:55:26,569 --> 00:55:25,800

with all this stuff

1364

00:55:28,490 --> 00:55:26,579

um

1365

00:55:31,670 --> 00:55:28,500

again but I also grew up in Nintendo so

1366

00:55:32,870 --> 00:55:31,680

I'm like I love gadgets uh

1367

00:55:34,670 --> 00:55:32,880

yeah

1368

00:55:36,470 --> 00:55:34,680

it's not really an answer it was just

1369

00:55:38,089 --> 00:55:36,480

kind of a lot of meanderings but that's

1370

00:55:41,030 --> 00:55:38,099

where I met with technology

1371

00:55:43,250 --> 00:55:41,040

well if a few weeks ago we had a Marco

1372

00:55:44,569 --> 00:55:43,260

viscontian and that was a neat

1373

00:55:48,829 --> 00:55:44,579

conversation for me because I've never

1374

00:55:50,690 --> 00:55:48,839

engaged with the subject of magic uh in

1375

00:55:53,390 --> 00:55:50,700

an occult sense it was something I just

1376
00:55:54,950 --> 00:55:53,400
was not on my radar at all and he opened

1377
00:55:56,990 --> 00:55:54,960
my eyes to

1378
00:55:58,609 --> 00:55:57,000
it meaning something different from what

1379
00:55:59,630 --> 00:55:58,619
I thought it meant uh you know the

1380
00:56:01,490 --> 00:55:59,640
language again

1381
00:56:03,109 --> 00:56:01,500
um and that's I guess why you put the K

1382
00:56:05,569 --> 00:56:03,119
on there so you can distinguish is what

1383
00:56:08,210 --> 00:56:05,579
he was saying but um so he was talking

1384
00:56:09,890 --> 00:56:08,220
about how magic is about actually like a

1385
00:56:11,870 --> 00:56:09,900
set of like you know practices rituals

1386
00:56:13,569 --> 00:56:11,880
and stuff like intending to accomplish

1387
00:56:17,390 --> 00:56:13,579
something in reality

1388
00:56:18,890 --> 00:56:17,400

and you know to me it's like

1389

00:56:20,390 --> 00:56:18,900

I was thinking about it after the

1390

00:56:23,329 --> 00:56:20,400

conversation I was thinking like well

1391

00:56:26,870 --> 00:56:23,339

like the scientific method is basically

1392

00:56:28,970 --> 00:56:26,880

like the origins of Magic the organism

1393

00:56:31,609 --> 00:56:28,980

magic where like people looking at this

1394

00:56:33,730 --> 00:56:31,619

the people who were doing the stars and

1395

00:56:36,410 --> 00:56:33,740

uh you know predicting things accurately

1396

00:56:37,790 --> 00:56:36,420

were The Magicians and then you know

1397

00:56:39,049 --> 00:56:37,800

that transition into whatever and that's

1398

00:56:42,349 --> 00:56:39,059

sort of like

1399

00:56:43,849 --> 00:56:42,359

rituals and stuff but then if you want

1400

00:56:46,010 --> 00:56:43,859

to accomplish something in reality we

1401
00:56:47,450 --> 00:56:46,020
have a system to most effectively

1402
00:56:48,470 --> 00:56:47,460
produce that it's called the scientific

1403
00:56:50,030 --> 00:56:48,480
method because it's based on

1404
00:56:52,250 --> 00:56:50,040
replicability and stuff like that so

1405
00:56:53,870 --> 00:56:52,260
it's like his science magic or whatever

1406
00:56:56,390 --> 00:56:53,880
you know it's like

1407
00:56:58,670 --> 00:56:56,400
for chaos magic I understand the purpose

1408
00:56:59,930 --> 00:56:58,680
is to accomplish things in reality so

1409
00:57:03,049 --> 00:56:59,940
I'm just would you be able to like sort

1410
00:57:06,650 --> 00:57:03,059
of spell out like the practice of that

1411
00:57:07,790 --> 00:57:06,660
yeah so again a chaos magic practice is

1412
00:57:10,250 --> 00:57:07,800
going to look

1413
00:57:11,930 --> 00:57:10,260

like different than everyone it's it's

1414

00:57:14,089 --> 00:57:11,940

idiosyncratic and that's the power and

1415

00:57:18,530 --> 00:57:14,099

that's the point right

1416

00:57:20,329 --> 00:57:18,540

um this idea that you can make

1417

00:57:24,530 --> 00:57:20,339

appreciable changes in your material

1418

00:57:26,450 --> 00:57:24,540

reality and it's using signs and symbols

1419

00:57:29,329 --> 00:57:26,460

that are important to you in order to

1420

00:57:31,190 --> 00:57:29,339

achieve that right I mean my kind of

1421

00:57:33,290 --> 00:57:31,200

sensibility about God has has been

1422

00:57:36,410 --> 00:57:33,300

fairly similar for the past like decade

1423

00:57:37,849 --> 00:57:36,420

or so this idea that like again we're

1424

00:57:39,770 --> 00:57:37,859

all connected to some collective

1425

00:57:41,210 --> 00:57:39,780

unconscious but or God whatever you want

1426
00:57:43,069 --> 00:57:41,220
to call it

1427
00:57:44,750 --> 00:57:43,079
um but we don't believe that we are

1428
00:57:47,150 --> 00:57:44,760
we're actively taught that we're evil

1429
00:57:51,230 --> 00:57:47,160
and sinful and all of those things

1430
00:57:53,870 --> 00:57:51,240
and so you can't access your own

1431
00:57:55,370 --> 00:57:53,880
you know power because you've been

1432
00:57:57,710 --> 00:57:55,380
taught that you're terrible your entire

1433
00:57:59,510 --> 00:57:57,720
life but you can believe in a God so you

1434
00:58:01,430 --> 00:57:59,520
can externalize your power that way and

1435
00:58:02,930 --> 00:58:01,440
have power that way

1436
00:58:04,790 --> 00:58:02,940
um I feel like the example that goes

1437
00:58:07,910 --> 00:58:04,800
around a lot is like if believing in

1438
00:58:10,069 --> 00:58:07,920

Batman it gives you that power to like

1439

00:58:12,290 --> 00:58:10,079

again change your life and make changes

1440

00:58:15,710 --> 00:58:12,300

and and and do what you want to do like

1441

00:58:18,170 --> 00:58:15,720

Batman is just as valuable as

1442

00:58:20,450 --> 00:58:18,180

um as you know the god of the Bible like

1443

00:58:22,790 --> 00:58:20,460

it's it's believing in that power and

1444

00:58:25,790 --> 00:58:22,800

that Force because it's a way to get you

1445

00:58:27,770 --> 00:58:25,800

out of your own head more embodied and

1446

00:58:29,990 --> 00:58:27,780

believing in that again that ability to

1447

00:58:33,049 --> 00:58:30,000

change your material reality

1448

00:58:34,970 --> 00:58:33,059

um so again my my whole practice is

1449

00:58:36,770 --> 00:58:34,980

pretty idiosyncratic

1450

00:58:38,930 --> 00:58:36,780

um I just kind of like it's it's

1451

00:58:41,030 --> 00:58:38,940

ecstatic so like in the moment if I'm

1452

00:58:42,410 --> 00:58:41,040

feeling a particular you know like

1453

00:58:43,490 --> 00:58:42,420

saying a particular verse or something

1454

00:58:45,109 --> 00:58:43,500

like that

1455

00:58:47,510 --> 00:58:45,119

um the problem with my stuff is it's not

1456

00:58:49,670 --> 00:58:47,520

replicable because I don't record

1457

00:58:50,809 --> 00:58:49,680

everything that I do although maybe I

1458

00:58:51,530 --> 00:58:50,819

should

1459

00:58:54,650 --> 00:58:51,540

um

1460

00:58:56,150 --> 00:58:54,660

so so it's like okay what works right if

1461

00:58:58,609 --> 00:58:56,160

I can remember what elements of a

1462

00:59:01,609 --> 00:58:58,619

particular spell like what works

1463

00:59:03,890 --> 00:59:01,619

um again again being a teenage Edge Lord

1464

00:59:06,109 --> 00:59:03,900

and all the Nietzsche like what is by

1465

00:59:08,930 --> 00:59:06,119

Will what am I accomplishing like how is

1466

00:59:16,309 --> 00:59:08,940

my will directing my actions

1467

00:59:20,150 --> 00:59:17,930

let's have a question and ask if you've

1468

00:59:24,170 --> 00:59:20,160

ever practiced in any formal lineages or

1469

00:59:26,990 --> 00:59:24,180

schools or Traditions I haven't no

1470

00:59:28,789 --> 00:59:27,000

um I find it pretty much impossible to

1471

00:59:31,250 --> 00:59:28,799

join things that's why I'm usually

1472

00:59:33,170 --> 00:59:31,260

starting something

1473

00:59:35,230 --> 00:59:33,180

um because I don't like people in their

1474

00:59:37,670 --> 00:59:35,240

roles

1475

00:59:39,650 --> 00:59:37,680

I've been that way since I was at least

1476

00:59:40,670 --> 00:59:39,660

five

1477

00:59:43,609 --> 00:59:40,680

um

1478

00:59:45,109 --> 00:59:43,619

yeah so I I looked into it and also I

1479

00:59:47,210 --> 00:59:45,119

mean this is part of the why I can't

1480

00:59:48,470 --> 00:59:47,220

really hang with witches it's like I

1481

00:59:51,470 --> 00:59:48,480

don't believe that any particular

1482

00:59:53,930 --> 00:59:51,480

practice is more connected to whatever

1483

00:59:56,450 --> 00:59:53,940

is going on outside our perception than

1484

00:59:59,030 --> 00:59:56,460

any other one so if you're like I have

1485

01:00:01,670 --> 00:59:59,040

the one true knowledge cool

1486

01:00:03,710 --> 01:00:01,680

um oh yours was created in like 1910 as

1487

01:00:05,089 --> 01:00:03,720

opposed to 1911 like you're just

1488

01:00:10,490 --> 01:00:05,099

reconstructing

1489

01:00:14,470 --> 01:00:10,500

think happened anyway like again I'm at

1490

01:00:20,150 --> 01:00:16,870

I just make everything up and that

1491

01:00:22,609 --> 01:00:20,160

that's what's great about it

1492

01:00:25,010 --> 01:00:22,619

yes one of the um I'm a huge fan of

1493

01:00:28,069 --> 01:00:25,020

Daniel Ingram who has written

1494

01:00:29,630 --> 01:00:28,079

um so Daniel Ingram wrote mastering the

1495

01:00:32,089 --> 01:00:29,640

core teachings of the Buddha which is

1496

01:00:33,829 --> 01:00:32,099

basically like the Bible for anyone

1497

01:00:34,730 --> 01:00:33,839

who's interested in the pragmatic Dharma

1498

01:00:36,770 --> 01:00:34,740

movement

1499

01:00:39,170 --> 01:00:36,780

um but it since publication he's gotten

1500

01:00:41,750 --> 01:00:39,180

much more I would say

1501

01:00:43,730 --> 01:00:41,760

out there into the woo like into the

1502

01:00:45,470 --> 01:00:43,740

occult into the expanse of an exotic

1503

01:00:47,150 --> 01:00:45,480

States Of Consciousness he founded the

1504

01:00:48,770 --> 01:00:47,160

emergent phenomenology research

1505

01:00:50,990 --> 01:00:48,780

Consortium

1506

01:00:53,569 --> 01:00:51,000

um yeah he's amazing if you've never

1507

01:00:55,549 --> 01:00:53,579

checked him out highly recommended

1508

01:00:57,289 --> 01:00:55,559

um it's it's really great to find about

1509

01:00:58,490 --> 01:00:57,299

like little off-label podcasts too

1510

01:01:00,109 --> 01:00:58,500

because that's when he'll talk about the

1511

01:01:02,630 --> 01:01:00,119

really weird stuff instead of just like

1512

01:01:04,250 --> 01:01:02,640

yeah you know mahasi side out noting

1513

01:01:06,230 --> 01:01:04,260

practice from the Buddhist Meditation

1514

01:01:08,270 --> 01:01:06,240

like he'll get like into really strange

1515

01:01:10,609 --> 01:01:08,280

stuff in some of the smaller podcasts so

1516

01:01:12,230 --> 01:01:10,619

good but one of the things I was saying

1517

01:01:14,089 --> 01:01:12,240

he smokes on our show yeah exactly

1518

01:01:17,950 --> 01:01:14,099

exactly it was like right well that's

1519

01:01:20,450 --> 01:01:17,960

because I was like yeah psychedelics

1520

01:01:23,630 --> 01:01:20,460

tell us it's just us just whispered in

1521

01:01:25,430 --> 01:01:23,640

my ear I've tried cannabis yes you

1522

01:01:27,530 --> 01:01:25,440

smoked cannabis and likes drinking beer

1523

01:01:29,569 --> 01:01:27,540

which is like about what you would

1524

01:01:31,730 --> 01:01:29,579

expect

1525

01:01:33,530 --> 01:01:31,740

but uh one of the things Daniel Ingram

1526

01:01:35,030 --> 01:01:33,540

talks about is

1527

01:01:38,569 --> 01:01:35,040

um with the Advent of the internet right

1528

01:01:40,910 --> 01:01:38,579

like we've basically seen the um

1529

01:01:43,010 --> 01:01:40,920

uh disintegration of these hierarchical

1530

01:01:44,569 --> 01:01:43,020

lineage structures

1531

01:01:46,430 --> 01:01:44,579

um so like where it used to be like if

1532

01:01:48,049 --> 01:01:46,440

you were like so I've been a rosicrucian

1533

01:01:49,430 --> 01:01:48,059

for like six years like so I get the

1534

01:01:51,650 --> 01:01:49,440

mailings and [h__h]

1535

01:01:53,690 --> 01:01:51,660

um I know I know full well I could

1536

01:01:56,150 --> 01:01:53,700

probably find every single mailing in a

1537

01:01:58,069 --> 01:01:56,160

PDF on like Pirate Bay or like on some

1538

01:01:59,510 --> 01:01:58,079

you know touring site but I like getting

1539

01:02:01,849 --> 01:01:59,520

those every single month and I like

1540

01:02:04,309 --> 01:02:01,859

paying my ten dollars and you know yeah

1541

01:02:05,170 --> 01:02:04,319

you know reveling in the in the

1542

01:02:07,430 --> 01:02:05,180

um

1543

01:02:08,030 --> 01:02:07,440

all this weird stuff

1544

01:02:10,370 --> 01:02:08,040

um

1545

01:02:12,589 --> 01:02:10,380

but the point he basically makes is that

1546

01:02:14,870 --> 01:02:12,599

because there is now effectively

1547

01:02:17,030 --> 01:02:14,880

unfettered access to trainings practices

1548

01:02:18,170 --> 01:02:17,040

Traditions teachings Etc that

1549

01:02:20,510 --> 01:02:18,180

historically have been sort of gate

1550

01:02:21,710 --> 01:02:20,520

capped the best the the next best thing

1551

01:02:23,870 --> 01:02:21,720

that we can do is basically

1552

01:02:26,089 --> 01:02:23,880

appropriately prepare people for

1553

01:02:28,069 --> 01:02:26,099

engaging in these practices

1554

01:02:29,510 --> 01:02:28,079

um because they can't be like look

1555

01:02:31,010 --> 01:02:29,520

whether or not you believe in the

1556

01:02:32,870 --> 01:02:31,020

numinous or the mystical or the

1557

01:02:34,670 --> 01:02:32,880

mysterious the reality is that sitting

1558

01:02:36,589 --> 01:02:34,680

for multiple hours and meditation a day

1559

01:02:38,210 --> 01:02:36,599

can do really strange [h__\h] to your brain

1560

01:02:39,650 --> 01:02:38,220

it can give you manic episode it can

1561

01:02:40,910 --> 01:02:39,660

give you psychosis it can give you a

1562

01:02:43,609 --> 01:02:40,920

total depersonalization and

1563

01:02:46,190 --> 01:02:43,619

derealization it can be effectively

1564

01:02:47,510 --> 01:02:46,200

um exactly like taking a high sybin

1565

01:02:50,089 --> 01:02:47,520

experience

1566

01:02:52,430 --> 01:02:50,099

um and and so because

1567

01:02:53,630 --> 01:02:52,440

um these typical gatekeeping mechanisms

1568

01:02:55,190 --> 01:02:53,640

which

1569

01:02:57,829 --> 01:02:55,200

you know

1570

01:02:59,450 --> 01:02:57,839

criticism aside are useful because they

1571

01:03:01,549 --> 01:02:59,460

sort of appropriately prepare the

1572

01:03:03,349 --> 01:03:01,559

initiate to participate in these

1573

01:03:06,530 --> 01:03:03,359

different practices the next best thing

1574

01:03:08,930 --> 01:03:06,540

we can do is basically prepare people

1575

01:03:11,210 --> 01:03:08,940

um in a kind of meta sense for engaging

1576

01:03:13,309 --> 01:03:11,220

with these practices and making them

1577

01:03:14,990 --> 01:03:13,319

aware of basically the risks and dangers

1578

01:03:17,410 --> 01:03:15,000

associated with intensive practice

1579

01:03:20,150 --> 01:03:17,420

whether it's meditation or chaos magic

1580

01:03:21,710 --> 01:03:20,160

or the AAA or Oto or whatever the

1581

01:03:22,370 --> 01:03:21,720

lineages are

1582

01:03:24,170 --> 01:03:22,380

um

1583

01:03:25,789 --> 01:03:24,180

that like

1584

01:03:27,109 --> 01:03:25,799

um I I guess what I'm what I'm kind of

1585

01:03:28,670 --> 01:03:27,119

trying to to make this a little bit more

1586

01:03:30,289 --> 01:03:28,680

coherent what I'm trying to get at is

1587

01:03:32,870 --> 01:03:30,299

basically that

1588

01:03:34,309 --> 01:03:32,880

um even if someone is not a particular

1589

01:03:36,349 --> 01:03:34,319

believer

1590

01:03:38,809 --> 01:03:36,359

um in anything metaphysical or

1591

01:03:40,490 --> 01:03:38,819

otherworldly going on the reality is

1592

01:03:41,870 --> 01:03:40,500

that engaging in these practices in and

1593

01:03:43,849 --> 01:03:41,880

of themselves can be pretty

1594

01:03:45,890 --> 01:03:43,859

transformative they do very interesting

1595

01:03:48,410 --> 01:03:45,900

things to the Mind into the perception

1596

01:03:50,289 --> 01:03:48,420

of reality uh just by virtue of

1597

01:03:52,309 --> 01:03:50,299

practicing them

1598

01:03:54,289 --> 01:03:52,319

yeah yeah

1599

01:03:56,150 --> 01:03:54,299

um and and I think we're intentionally

1600

01:03:57,829 --> 01:03:56,160

again because we need to keep the

1601
01:03:59,630 --> 01:03:57,839
capitalist machine running we're

1602
01:04:01,329 --> 01:03:59,640
intentionally not prepared for any kind

1603
01:04:04,010 --> 01:04:01,339
of transformative experience

1604
01:04:06,230 --> 01:04:04,020
you know even mundane ones right because

1605
01:04:08,270 --> 01:04:06,240
you know talking about this idea of like

1606
01:04:10,010 --> 01:04:08,280
a transformation can happen to you like

1607
01:04:12,109 --> 01:04:10,020
again I have friends who are chronically

1608
01:04:14,630 --> 01:04:12,119
ill or got struck with long covid or

1609
01:04:17,089 --> 01:04:14,640
again if you've experienced grief and

1610
01:04:19,430 --> 01:04:17,099
you become a different person in an

1611
01:04:21,170 --> 01:04:19,440
instant and everybody else is waiting

1612
01:04:23,569 --> 01:04:21,180
for you to get back to who you were

1613
01:04:25,130 --> 01:04:23,579

right because they see it as something

1614

01:04:26,809 --> 01:04:25,140

that's wrong with your brain that you're

1615

01:04:28,370 --> 01:04:26,819

just going to get over as opposed to

1616

01:04:30,710 --> 01:04:28,380

something that has transformed your body

1617

01:04:32,329 --> 01:04:30,720

and that you are now a different person

1618

01:04:35,569 --> 01:04:32,339

because of

1619

01:04:36,770 --> 01:04:35,579

um there's no conversation about that at

1620

01:04:38,809 --> 01:04:36,780

all

1621

01:04:40,670 --> 01:04:38,819

um and I wish there would be because I

1622

01:04:43,970 --> 01:04:40,680

think it's again very empowering to go

1623

01:04:46,849 --> 01:04:43,980

on your own journey and and read and

1624

01:04:48,890 --> 01:04:46,859

practice and experiment and maybe [h__h]

1625

01:04:50,510 --> 01:04:48,900

up your life with ritual magic you'll

1626

01:04:52,910 --> 01:04:50,520

learn how powerful it is then it's

1627

01:04:54,910 --> 01:04:52,920

awesome it is a lot of fun [h__h] it up

1628

01:04:57,049 --> 01:04:54,920

that way

1629

01:04:58,670 --> 01:04:57,059

totally yes

1630

01:05:04,130 --> 01:04:58,680

yeah

1631

01:05:05,809 --> 01:05:04,140

chaos magic because of

1632

01:05:07,670 --> 01:05:05,819

um my just kind of transgressive

1633

01:05:10,370 --> 01:05:07,680

practice in general or sensibility it's

1634

01:05:11,809 --> 01:05:10,380

like yeah do try it try it go for it

1635

01:05:14,510 --> 01:05:11,819

like I don't think it should be gate

1636

01:05:16,010 --> 01:05:14,520

cups I the idea of these like again it's

1637

01:05:18,230 --> 01:05:16,020

that cult idea of like we're not going

1638

01:05:19,910 --> 01:05:18,240

to tell you about Xenu until you know

1639

01:05:23,270 --> 01:05:19,920

you're a quarter of a million you're

1640

01:05:25,250 --> 01:05:23,280

pretty clear yeah yeah exactly exactly

1641

01:05:27,049 --> 01:05:25,260

we're not going to tell you about the

1642

01:05:29,150 --> 01:05:27,059

really weird stuff until you get

1643

01:05:31,609 --> 01:05:29,160

initiated into it it's like

1644

01:05:34,609 --> 01:05:31,619

get let people know so they can sign up

1645

01:05:37,190 --> 01:05:34,619

right with consensus well and also like

1646

01:05:38,510 --> 01:05:37,200

like I mean I'm like look I I'm I'm

1647

01:05:39,950 --> 01:05:38,520

gonna go a little bit off the ranch here

1648

01:05:42,410 --> 01:05:39,960

everybody who already knows my story I

1649

01:05:45,049 --> 01:05:42,420

was like high power Tech executive blah

1650

01:05:46,970 --> 01:05:45,059

blah blah private driver private jet uh

1651
01:05:48,829 --> 01:05:46,980
and took a sabbatical and have been

1652
01:05:50,809 --> 01:05:48,839
spent the last year sitting meditation

1653
01:05:54,650 --> 01:05:50,819
Retreats attending psychedelic Retreats

1654
01:05:56,210 --> 01:05:54,660
skiing my ass off and like I I am a

1655
01:05:58,010 --> 01:05:56,220
categorically different person now than

1656
01:06:00,410 --> 01:05:58,020
I was a year ago like I am a completely

1657
01:06:02,089 --> 01:06:00,420
different person I am more myself yeah

1658
01:06:03,650 --> 01:06:02,099
um I have intensified

1659
01:06:05,150 --> 01:06:03,660
um but there's no Universe where I go

1660
01:06:06,770 --> 01:06:05,160
back to working full-time as an

1661
01:06:08,990 --> 01:06:06,780
insurance executive like that is never

1662
01:06:10,549 --> 01:06:09,000
gonna happen that that can't put that

1663
01:06:12,109 --> 01:06:10,559

Genie back in the Box

1664

01:06:14,089 --> 01:06:12,119

um and every now and then I come across

1665

01:06:15,829 --> 01:06:14,099

these like completely asinine think

1666

01:06:17,329 --> 01:06:15,839

pieces from Tech Bros about how like

1667

01:06:19,010 --> 01:06:17,339

they've watched so many Minds in their

1668

01:06:20,750 --> 01:06:19,020

generation ruined by psychedelics and

1669

01:06:23,510 --> 01:06:20,760

Buddhism and meditation because it makes

1670

01:06:25,730 --> 01:06:23,520

you lose your ambition and it's like the

1671

01:06:28,789 --> 01:06:25,740

right it is the worst it is the worst

1672

01:06:31,730 --> 01:06:28,799

the worst exactly it's the worst because

1673

01:06:33,950 --> 01:06:31,740

it you realize so much of like or

1674

01:06:36,170 --> 01:06:33,960

popular conceptions of success which of

1675

01:06:38,029 --> 01:06:36,180

course are yoked to financial success

1676

01:06:42,410 --> 01:06:38,039

material success

1677

01:06:45,410 --> 01:06:42,420

um they also rely almost totalistically

1678

01:06:48,170 --> 01:06:45,420

on a complete alienation from the self

1679

01:06:49,670 --> 01:06:48,180

in like fundamental ways right because

1680

01:06:52,549 --> 01:06:49,680

the second you're actually in touch with

1681

01:06:54,650 --> 01:06:52,559

yourself like I I will say before you

1682

01:06:57,710 --> 01:06:54,660

and God and YouTube and everyone I am

1683

01:06:59,390 --> 01:06:57,720

the most broke least stable like from

1684

01:07:01,069 --> 01:06:59,400

like a home perspective than I have ever

1685

01:07:02,809 --> 01:07:01,079

been in my entire life including when I

1686

01:07:03,950 --> 01:07:02,819

was in college and I'm categorically the

1687

01:07:06,230 --> 01:07:03,960

happiest of it

1688

01:07:09,170 --> 01:07:06,240

like like it's not even close

1689

01:07:10,430 --> 01:07:09,180

um yes exactly stand on a soapbox in the

1690

01:07:12,829 --> 01:07:10,440

street corner and tell everybody the

1691

01:07:14,630 --> 01:07:12,839

story because like uh it turns out what

1692

01:07:16,549 --> 01:07:14,640

everybody says about material wealth and

1693

01:07:18,230 --> 01:07:16,559

financial success is completely true it

1694

01:07:20,150 --> 01:07:18,240

really doesn't mean anything it doesn't

1695

01:07:21,650 --> 01:07:20,160

mean anything well it especially doesn't

1696

01:07:23,630 --> 01:07:21,660

mean anything when you're alienated from

1697

01:07:25,730 --> 01:07:23,640

your own body and that's that is that's

1698

01:07:28,250 --> 01:07:25,740

marcusa right that's it erosion

1699

01:07:30,770 --> 01:07:28,260

civilization essentially in a nutshell

1700

01:07:33,829 --> 01:07:30,780

where there is no such thing as a death

1701

01:07:35,690 --> 01:07:33,839

Instinct Thanatos is the is to destroy

1702

01:07:37,670 --> 01:07:35,700

pain and the reason we're trying to

1703

01:07:39,829 --> 01:07:37,680

destroy pain is because we are alienated

1704

01:07:42,650 --> 01:07:39,839

from arrows right we're alienated from

1705

01:07:43,670 --> 01:07:42,660

our own bodies our bodies existing in

1706

01:07:46,250 --> 01:07:43,680

the world

1707

01:07:47,750 --> 01:07:46,260

again you know all these things I didn't

1708

01:07:49,609 --> 01:07:47,760

realize at the time were part of my

1709

01:07:51,890 --> 01:07:49,619

practice like later I'm like oh yeah

1710

01:07:54,589 --> 01:07:51,900

okay this is this is all informed by the

1711

01:07:58,130 --> 01:07:54,599

same thing so I I still teach chainmail

1712

01:08:01,370 --> 01:07:58,140

classes but I used to teach more and to

1713

01:08:03,049 --> 01:08:01,380

watch people in class with pliers in

1714

01:08:04,730 --> 01:08:03,059

their hands and they're making something

1715

01:08:06,890 --> 01:08:04,740

with their own hands and they are

1716

01:08:10,250 --> 01:08:06,900

watching it come into being in real time

1717

01:08:13,069 --> 01:08:10,260

from their labor and I would just see

1718

01:08:15,349 --> 01:08:13,079

people transformed because suddenly

1719

01:08:17,209 --> 01:08:15,359

they're in their bodies they realize

1720

01:08:18,829 --> 01:08:17,219

their bodies have agency they're getting

1721

01:08:21,289 --> 01:08:18,839

pleasure from their bodies they're

1722

01:08:25,249 --> 01:08:21,299

realizing like I can make things I can

1723

01:08:26,990 --> 01:08:25,259

make this happen like transformative I

1724

01:08:29,090 --> 01:08:27,000

still remember one of the first classes

1725

01:08:31,630 --> 01:08:29,100

I ever taught

1726

01:08:34,189 --> 01:08:31,640

um there were a couple women in class

1727

01:08:38,030 --> 01:08:34,199

exactly authenticity and play play play

1728

01:08:39,769 --> 01:08:38,040

is a huge one homo ludens by Johannes I

1729

01:08:42,110 --> 01:08:39,779

think I'm pointing in the right

1730

01:08:43,490 --> 01:08:42,120

direction but plays integral to life

1731

01:08:47,209 --> 01:08:43,500

itself

1732

01:08:48,289 --> 01:08:47,219

um but yeah just uh I completely lost my

1733

01:08:50,390 --> 01:08:48,299

train of thought because I got really

1734

01:08:52,130 --> 01:08:50,400

excited no making uh making chainmail

1735

01:08:53,749 --> 01:08:52,140

and watching like people who have been

1736

01:08:55,370 --> 01:08:53,759

so dissociated from their bodies make

1737

01:08:57,530 --> 01:08:55,380

something creatively that they can

1738

01:08:59,870 --> 01:08:57,540

physically engage with in the real

1739

01:09:03,169 --> 01:08:59,880

material world it's so powerful this

1740

01:09:06,709 --> 01:09:03,179

this woman in my class she's like all

1741

01:09:08,269 --> 01:09:06,719

day I sit in front of a computer and uh

1742

01:09:09,829 --> 01:09:08,279

it's like eight hours a day I just

1743

01:09:11,090 --> 01:09:09,839

stared a screen and she looked at me

1744

01:09:13,309 --> 01:09:11,100

like right in the eyes and she's like

1745

01:09:15,289 --> 01:09:13,319

this is not how we're meant to live and

1746

01:09:17,390 --> 01:09:15,299

I this is that antithetical to Human

1747

01:09:19,370 --> 01:09:17,400

Experience completely antithetical to

1748

01:09:20,990 --> 01:09:19,380

Human Experience there is something oh

1749

01:09:24,769 --> 01:09:21,000

I'm gonna I want to say her name is

1750

01:09:26,630 --> 01:09:24,779

Renata Hiller of um I think Waldorf and

1751

01:09:27,890 --> 01:09:26,640

she was talking about how it's on

1752

01:09:30,410 --> 01:09:27,900

YouTube

1753

01:09:32,209 --> 01:09:30,420

um you know we are we are as we have

1754

01:09:34,430 --> 01:09:32,219

evolved to work with our hands to use

1755

01:09:35,749 --> 01:09:34,440

our hands like that's kind of the whole

1756

01:09:37,249 --> 01:09:35,759

point

1757

01:09:40,130 --> 01:09:37,259

um and that children will naturally

1758

01:09:42,650 --> 01:09:40,140

gravitate towards the experiential

1759

01:09:44,630 --> 01:09:42,660

and so much of our lives are just

1760

01:09:46,490 --> 01:09:44,640

plastic that's all we're doing we're

1761

01:09:48,229 --> 01:09:46,500

looking at plastic we're touching

1762

01:09:50,689 --> 01:09:48,239

plastic you know like the mouse is

1763

01:09:52,249 --> 01:09:50,699

plastic we're it's not even like using

1764

01:09:54,530 --> 01:09:52,259

plastic right we're eating these like

1765

01:09:57,169 --> 01:09:54,540

Ultra processed hyper tasty Foods

1766

01:10:00,470 --> 01:09:57,179

exactly it's and the microplastics are

1767

01:10:02,630 --> 01:10:00,480

in our blood now so right right

1768

01:10:04,669 --> 01:10:02,640

um but it just we're never connected to

1769

01:10:07,250 --> 01:10:04,679

anything and and again there's this

1770

01:10:09,530 --> 01:10:07,260

incredible power once you reconnect

1771

01:10:12,110 --> 01:10:09,540

somebody and and teach them like you can

1772

01:10:14,030 --> 01:10:12,120

actually you can do this you can use

1773

01:10:17,570 --> 01:10:14,040

your body to make a thing and to do a

1774

01:10:20,209 --> 01:10:17,580

thing again incredibly empowering

1775

01:10:21,649 --> 01:10:20,219

yes it also wakes you from the fact that

1776

01:10:24,530 --> 01:10:21,659

you are not merely just a conduit

1777

01:10:26,630 --> 01:10:24,540

through which capital flows right you're

1778

01:10:29,330 --> 01:10:26,640

not just this like vessel passing money

1779

01:10:32,090 --> 01:10:29,340

from your boss to like your mortgage

1780

01:10:34,970 --> 01:10:32,100

company and your car and your like the

1781

01:10:37,130 --> 01:10:34,980

gas company and stuff it is again I

1782

01:10:39,229 --> 01:10:37,140

think that creativity is inherently

1783

01:10:42,290 --> 01:10:39,239

radical and inherently transgressive

1784

01:10:44,810 --> 01:10:42,300

because you are saying I am affirming my

1785

01:10:47,689 --> 01:10:44,820

subjective joy to make this thing that

1786

01:10:49,550 --> 01:10:47,699

is only for me as opposed to doing

1787

01:10:52,850 --> 01:10:49,560

anything that is going to provide profit

1788

01:10:55,490 --> 01:10:52,860

for somebody else so so again our

1789

01:10:58,370 --> 01:10:55,500

creativity is incredibly radical but

1790

01:10:59,930 --> 01:10:58,380

requires you to be more connected to

1791

01:11:02,630 --> 01:10:59,940

your body and not alienated from your

1792

01:11:04,790 --> 01:11:02,640

body whereas alienation from the body is

1793

01:11:08,689 --> 01:11:04,800

what allows Capital you know capitalism

1794

01:11:10,310 --> 01:11:08,699

to be efficient yes so yes yeah I am I

1795

01:11:11,390 --> 01:11:10,320

have this like pet Theory too I mean we

1796

01:11:13,669 --> 01:11:11,400

live in

1797

01:11:15,470 --> 01:11:13,679

one of the artifacts and effects of

1798

01:11:17,330 --> 01:11:15,480

modernity is that we live in

1799

01:11:18,950 --> 01:11:17,340

environments and in circumstances that

1800

01:11:20,689 --> 01:11:18,960

basically hypersaturate our nervous

1801

01:11:23,090 --> 01:11:20,699

system all the time

1802

01:11:26,630 --> 01:11:23,100

um with screens with music with alerts

1803

01:11:28,669 --> 01:11:26,640

with Twitter notifications with food

1804

01:11:31,370 --> 01:11:28,679

um like pornography all of these things

1805

01:11:33,649 --> 01:11:31,380

like just totally

1806

01:11:34,850 --> 01:11:33,659

um drench our nervous system and brains

1807

01:11:38,630 --> 01:11:34,860

with all different chemicals all the

1808

01:11:41,510 --> 01:11:38,640

time and I'm um

1809

01:11:43,490 --> 01:11:41,520

I have this pet theory that it basically

1810

01:11:46,310 --> 01:11:43,500

drowns out all of the sort of subtle

1811

01:11:49,430 --> 01:11:46,320

somatic experiences of Being Human which

1812

01:11:51,229 --> 01:11:49,440

would be things like Intuition or even I

1813

01:11:53,870 --> 01:11:51,239

mean I I would I would even go so far as

1814

01:11:56,930 --> 01:11:53,880

to say like SCI phenomena right yes like

1815

01:11:58,669 --> 01:11:56,940

like it basically drowns out the sort of

1816

01:12:00,530 --> 01:11:58,679

subtle messages that we would typically

1817

01:12:02,270 --> 01:12:00,540

receive and be tuned into if we were

1818

01:12:03,830 --> 01:12:02,280

living in environments that weren't so

1819

01:12:07,729 --> 01:12:03,840

heavily

1820

01:12:09,470 --> 01:12:07,739

um stimulating all the time yes I I've

1821

01:12:11,930 --> 01:12:09,480

been thinking about this a lot lately

1822

01:12:15,709 --> 01:12:11,940

again I just got the ADHD diagnosis like

1823

01:12:18,729 --> 01:12:15,719

about a month ago I got mine at 34. so

1824

01:12:20,990 --> 01:12:18,739

yeah yeah right in there

1825

01:12:23,209 --> 01:12:21,000

yeah it's great it's like putting on

1826

01:12:24,649 --> 01:12:23,219

glasses for the first time right yeah I

1827

01:12:26,169 --> 01:12:24,659

always thought I just had anxiety it

1828

01:12:33,410 --> 01:12:26,179

turns out

1829

01:12:36,110 --> 01:12:33,420

your dopamine seeking brain and

1830

01:12:38,450 --> 01:12:36,120

um which okay so let's get into the

1831

01:12:40,430 --> 01:12:38,460

colonialism first of all of like ADHD

1832

01:12:43,189 --> 01:12:40,440

being neurodivergent as opposed to

1833

01:12:45,370 --> 01:12:43,199

neurotypical right yes um because again

1834

01:12:47,450 --> 01:12:45,380

having a brain that is really useful

1835

01:12:50,570 --> 01:12:47,460

when you're out and you're trying to

1836

01:12:53,750 --> 01:12:50,580

find food like can you hunt can you

1837

01:12:55,430 --> 01:12:53,760

hyper focus and can you also just pay

1838

01:12:57,050 --> 01:12:55,440

attention be hyper Vigilant and pay

1839

01:12:59,570 --> 01:12:57,060

attention to everything so you know by

1840

01:13:01,070 --> 01:12:59,580

like the grades of Blades of grass you

1841

01:13:04,070 --> 01:13:01,080

know they're like oh there's an animal

1842

01:13:06,649 --> 01:13:04,080

that way we're fine right

1843

01:13:08,990 --> 01:13:06,659

um so so again to say that like we're

1844

01:13:10,850 --> 01:13:09,000

the the Mad ones

1845

01:13:12,229 --> 01:13:10,860

but just that idea of like a nervous

1846

01:13:14,750 --> 01:13:12,239

system that's dysregulated because

1847

01:13:17,209 --> 01:13:14,760

you're more sensitive you're paying

1848

01:13:19,250 --> 01:13:17,219

attention to more things again hyper

1849

01:13:22,310 --> 01:13:19,260

vigilance plus this like Information

1850

01:13:23,450 --> 01:13:22,320

Society can be it's short circuits like

1851

01:13:25,850 --> 01:13:23,460

that's why people just end up

1852

01:13:27,830 --> 01:13:25,860

dissociating and scrolling Twitter for

1853

01:13:34,610 --> 01:13:27,840

you know hours on ends not that I found

1854

01:13:41,570 --> 01:13:38,209

it's uh it it's interesting to me too to

1855

01:13:45,290 --> 01:13:41,580

look at like nervous system disruption

1856

01:13:46,910 --> 01:13:45,300

um and how autism and complex PTSD it's

1857

01:13:49,669 --> 01:13:46,920

the same nervous system dysregulation

1858

01:13:51,830 --> 01:13:49,679

and also low-dose Naltrexone is used to

1859

01:13:54,530 --> 01:13:51,840

help regulate the nervous systems of

1860

01:13:57,830 --> 01:13:54,540

both people with Autism and

1861

01:14:00,229 --> 01:13:57,840

um and people with complex PTSD I I

1862

01:14:01,430 --> 01:14:00,239

think we need to like look again I'm

1863

01:14:05,330 --> 01:14:01,440

always like okay what are the

1864

01:14:08,330 --> 01:14:05,340

connections here yes yes and also things

1865

01:14:10,610 --> 01:14:08,340

like uh borderline personality right

1866

01:14:11,990 --> 01:14:10,620

this is also another like I feel like a

1867

01:14:14,390 --> 01:14:12,000

lot of these things almost exist on a

1868

01:14:16,189 --> 01:14:14,400

spectrum right totally so yeah I mean

1869

01:14:17,870 --> 01:14:16,199

all of the personality disorders it's

1870

01:14:19,970 --> 01:14:17,880

like okay I know we're like take all

1871

01:14:21,830 --> 01:14:19,980

those cluster B's and we divide them up

1872

01:14:24,410 --> 01:14:21,840

and and it's really just diagnostic

1873

01:14:26,630 --> 01:14:24,420

purposes for insurance but like if

1874

01:14:28,189 --> 01:14:26,640

you've ever met anybody who has

1875

01:14:29,630 --> 01:14:28,199

borderline there are narcissistic

1876

01:14:33,890 --> 01:14:29,640

elements or there are histrionic

1877

01:14:36,290 --> 01:14:33,900

elements and vice versa right and and uh

1878

01:14:38,209 --> 01:14:36,300

some of those elements are are louder

1879

01:14:40,910 --> 01:14:38,219

and stronger than others

1880

01:14:42,830 --> 01:14:40,920

um again to differentiate I see a lot of

1881

01:14:44,990 --> 01:14:42,840

these things just kind of on a spectrum

1882

01:14:47,630 --> 01:14:45,000

that again we've decided are in Little

1883

01:14:49,390 --> 01:14:47,640

Boxes and little Islands that's not how

1884

01:14:51,590 --> 01:14:49,400

that works for for

1885

01:14:53,590 --> 01:14:51,600

yeah insurance billing purposes or

1886

01:14:55,130 --> 01:14:53,600

building purposes yeah

1887

01:14:57,470 --> 01:14:55,140

exactly

1888

01:14:59,870 --> 01:14:57,480

well and we're talking about the you

1889

01:15:02,510 --> 01:14:59,880

know the way the human brain works and

1890

01:15:05,689 --> 01:15:02,520

we mentioned adaptation and evolution

1891

01:15:07,729 --> 01:15:05,699

and things like that and uh

1892

01:15:11,149 --> 01:15:07,739

you know it speaks to my experience

1893

01:15:13,130 --> 01:15:11,159

getting involved in this subject and my

1894

01:15:15,590 --> 01:15:13,140

historical experience as well

1895

01:15:18,470 --> 01:15:15,600

um based on uh yeah you know things from

1896

01:15:21,470 --> 01:15:18,480

my past that I won't go into right now I

1897

01:15:23,390 --> 01:15:21,480

am very uh critical of authority uh you

1898

01:15:24,950 --> 01:15:23,400

know I'm an anarchosyndicalist I

1899

01:15:26,930 --> 01:15:24,960

identify with chomsky's teachings

1900

01:15:31,669 --> 01:15:26,940

heavily he's I think he's the smartest

1901

01:15:33,410 --> 01:15:31,679

person on earth uh but um you know it's

1902

01:15:35,209 --> 01:15:33,420

this whole thing about

1903

01:15:39,410 --> 01:15:35,219

advertising the way people process

1904

01:15:42,110 --> 01:15:39,420

reality and how you know the primary way

1905

01:15:44,570 --> 01:15:42,120

that most people sort of check out the

1906

01:15:47,570 --> 01:15:44,580

world is through their Community

1907

01:15:49,370 --> 01:15:47,580

identity and Community identity is

1908

01:15:51,410 --> 01:15:49,380

actually prioritized on average in the

1909

01:15:53,990 --> 01:15:51,420

brain over objective information

1910

01:15:56,689 --> 01:15:54,000

processing and you know they're adaptive

1911

01:15:58,390 --> 01:15:56,699

evolutionary reasons why that needed to

1912

01:16:00,770 --> 01:15:58,400

be the case historically because

1913

01:16:03,350 --> 01:16:00,780

ostracization from your hundred person

1914

01:16:05,450 --> 01:16:03,360

close relation group would be the surest

1915

01:16:07,850 --> 01:16:05,460

way for you to die over arguing about

1916

01:16:09,350 --> 01:16:07,860

the objective reality of some kind of

1917

01:16:11,689 --> 01:16:09,360

empirical observation

1918

01:16:14,930 --> 01:16:11,699

so you know I noticed it's like you

1919

01:16:15,649 --> 01:16:14,940

can't break in really easily into these

1920

01:16:17,390 --> 01:16:15,659

um

1921

01:16:19,010 --> 01:16:17,400

like you can't bring new information in

1922

01:16:20,510 --> 01:16:19,020

very easily but you see that everywhere

1923

01:16:22,189 --> 01:16:20,520

right so

1924

01:16:26,390 --> 01:16:22,199

like have you thought about this at all

1925

01:16:29,990 --> 01:16:26,400

with pain are you actively attempting to

1926

01:16:32,750 --> 01:16:30,000

sort of like build a culture around that

1927

01:16:35,149 --> 01:16:32,760

like kind of more like active excitement

1928

01:16:37,070 --> 01:16:35,159

or is it like are you are you getting

1929

01:16:39,050 --> 01:16:37,080

into sort of the evidence-based side of

1930

01:16:41,149 --> 01:16:39,060

it at all I'm sort of getting at like

1931

01:16:44,689 --> 01:16:41,159

the underlying culture that uh we're

1932

01:16:46,189 --> 01:16:44,699

trying to build here sure so it's uh I'm

1933

01:16:48,250 --> 01:16:46,199

less interested in evidence

1934

01:16:50,689 --> 01:16:48,260

evidence-based things unless it's like

1935

01:16:52,790 --> 01:16:50,699

Shining Light on underrepresented

1936

01:16:55,250 --> 01:16:52,800

communities to say like hey they're

1937

01:16:57,350 --> 01:16:55,260

actually lots of ghost stories you know

1938

01:17:00,709 --> 01:16:57,360

featuring women or like Amanda Wilmer

1939

01:17:02,450 --> 01:17:00,719

has a book about sex workers and their

1940

01:17:04,910 --> 01:17:02,460

hauntings right

1941

01:17:06,590 --> 01:17:04,920

um so so then I'm interested in that

1942

01:17:08,510 --> 01:17:06,600

really I'm more interested in hearing

1943

01:17:10,430 --> 01:17:08,520

different ideas from different people of

1944

01:17:12,410 --> 01:17:10,440

different walks of life because again

1945

01:17:16,070 --> 01:17:12,420

radical feminism intersectional feminism

1946

01:17:18,050 --> 01:17:16,080

like every person's experience within an

1947

01:17:19,850 --> 01:17:18,060

oppressive Society is different so of

1948

01:17:21,050 --> 01:17:19,860

course everybody's experience in terms

1949

01:17:23,030 --> 01:17:21,060

of the Paranormal is is going to be

1950

01:17:25,550 --> 01:17:23,040

different and your lived experience and

1951

01:17:27,649 --> 01:17:25,560

your your home communities are going to

1952

01:17:28,910 --> 01:17:27,659

inform how you interpret these different

1953

01:17:32,450 --> 01:17:28,920

things and how you see these different

1954

01:17:34,610 --> 01:17:32,460

things so how are you so so again like

1955

01:17:36,169 --> 01:17:34,620

more diverse voices are only going to be

1956

01:17:40,250 --> 01:17:36,179

more interesting to the conversation

1957

01:17:43,490 --> 01:17:40,260

it's not just the same this you know guy

1958

01:17:45,770 --> 01:17:43,500

in a hat guy with a beard with a bald

1959

01:17:47,630 --> 01:17:45,780

guy let's hear what you know that's our

1960

01:17:50,450 --> 01:17:47,640

diversity in the field

1961

01:17:53,570 --> 01:17:50,460

I again I care about ideas and changing

1962

01:17:55,910 --> 01:17:53,580

the landscape and also again

1963

01:17:58,669 --> 01:17:55,920

can we put humans first in human

1964

01:18:02,750 --> 01:17:58,679

experiences first

1965

01:18:04,910 --> 01:18:02,760

um as opposed to again sacrificing

1966

01:18:07,970 --> 01:18:04,920

um individuals in order to you know have

1967

01:18:09,590 --> 01:18:07,980

access to disclosure faster

1968

01:18:12,770 --> 01:18:09,600

um you know you have to take a stand

1969

01:18:15,229 --> 01:18:12,780

again I think what what's primary you

1970

01:18:17,630 --> 01:18:15,239

have to take a stand against bigotry if

1971

01:18:19,750 --> 01:18:17,640

you're really committed to

1972

01:18:22,370 --> 01:18:19,760

um again anti-racist practices

1973

01:18:25,189 --> 01:18:22,380

anti-oppressive practices

1974

01:18:27,950 --> 01:18:25,199

um it's like really what's is disclosure

1975

01:18:29,209 --> 01:18:27,960

more important than like you know uh

1976

01:18:31,550 --> 01:18:29,219

people getting their rights taken away

1977

01:18:32,870 --> 01:18:31,560

like really what are you prioritizing

1978

01:18:36,350 --> 01:18:32,880

and why

1979

01:18:37,610 --> 01:18:36,360

um so again humans first

1980

01:18:39,530 --> 01:18:37,620

um and then let's hear what all the

1981

01:18:42,350 --> 01:18:39,540

humans have to say and not just

1982

01:18:44,810 --> 01:18:42,360

amplifying the same voices over and over

1983

01:18:47,390 --> 01:18:44,820

and over again

1984

01:18:50,090 --> 01:18:47,400

yeah

1985

01:18:51,950 --> 01:18:50,100

like the putting the humans first I mean

1986

01:18:54,290 --> 01:18:51,960

I agree with everything you said uh just

1987

01:18:56,870 --> 01:18:54,300

from being on Reddit so much and like

1988

01:18:58,250 --> 01:18:56,880

I'm a moderator on our UFO science and

1989

01:19:00,530 --> 01:18:58,260

quotes and some interesting

1990

01:19:02,510 --> 01:19:00,540

conversations come up in there uh you

1991

01:19:04,970 --> 01:19:02,520

know I'm hearing the arguments you know

1992

01:19:07,189 --> 01:19:04,980

it's like when disclosure happens free

1993

01:19:09,410 --> 01:19:07,199

energy and like everybody's gonna be

1994

01:19:13,010 --> 01:19:09,420

safe from everything so we are putting

1995

01:19:15,530 --> 01:19:13,020

humans first right so like this is like

1996

01:19:17,870 --> 01:19:15,540

Elon Musk talking about like effective

1997

01:19:19,370 --> 01:19:17,880

altruism right this is like humans 10

1998

01:19:20,990 --> 01:19:19,380

000 years in the future but forget the

1999

01:19:23,209 --> 01:19:21,000

human suffering now we're just like

2000

01:19:25,850 --> 01:19:23,219

chaff for the machine anyway sorry

2001

01:19:28,850 --> 01:19:25,860

Campbell I'm all fiery today I spent all

2002

01:19:30,950 --> 01:19:28,860

this time outside and like I have energy

2003

01:19:32,870 --> 01:19:30,960

at 10 o'clock at night yeah no yeah

2004

01:19:34,729 --> 01:19:32,880

utilitarian or consequentialist style

2005

01:19:37,010 --> 01:19:34,739

reasoning is uh terrifying for that

2006

01:19:39,229 --> 01:19:37,020

reason like you know it's a Stalin quote

2007

01:19:40,970 --> 01:19:39,239

of you know single death is a tragedy

2008

01:19:44,030 --> 01:19:40,980

million is a statistic he allowed his

2009

01:19:45,910 --> 01:19:44,040

own son to die in a death camp so you

2010

01:19:52,010 --> 01:19:45,920

know it's like uh

2011

01:19:52,020 --> 01:19:56,590

God where was I going

2012

01:20:02,810 --> 01:20:00,110

again the human first right like like if

2013

01:20:05,810 --> 01:20:02,820

it's people people are having these

2014

01:20:09,169 --> 01:20:05,820

experiences these these experiences are

2015

01:20:10,850 --> 01:20:09,179

only known because of Observers that's

2016

01:20:14,930 --> 01:20:10,860

it right that's how we have most of

2017

01:20:17,510 --> 01:20:14,940

these UFO stories so so if you're not or

2018

01:20:20,209 --> 01:20:17,520

ghost stories or any of that right an

2019

01:20:22,790 --> 01:20:20,219

observer saw the thing and now the

2020

01:20:25,189 --> 01:20:22,800

Observer is talking about it

2021

01:20:26,890 --> 01:20:25,199

um so so you have to put people first

2022

01:20:29,990 --> 01:20:26,900

and and again

2023

01:20:33,550 --> 01:20:30,000

it's true I love it right it's also nice

2024

01:20:40,810 --> 01:20:33,560

to talk to another woman sorry guys

2025

01:20:43,250 --> 01:20:40,820

yes sorry it's true I mean yes uh

2026

01:20:45,229 --> 01:20:43,260

yeah just it's

2027

01:20:48,709 --> 01:20:45,239

um

2028

01:20:50,870 --> 01:20:48,719

I I find it really hard again and again

2029

01:20:53,090 --> 01:20:50,880

I am very much informed by feminist

2030

01:20:56,810 --> 01:20:53,100

discourse by marcuza

2031

01:20:58,430 --> 01:20:56,820

what can we do to allow people to

2032

01:21:01,250 --> 01:20:58,440

reconnect with their bodies with their

2033

01:21:04,130 --> 01:21:01,260

Eros and be real human beings having

2034

01:21:06,890 --> 01:21:04,140

real experiences as opposed to again

2035

01:21:08,930 --> 01:21:06,900

cogs and capitalist machine

2036

01:21:11,689 --> 01:21:08,940

um what can we do to reconnect people

2037

01:21:13,970 --> 01:21:11,699

and and the for me it's reconnecting

2038

01:21:15,350 --> 01:21:13,980

people with their Joy when when somebody

2039

01:21:16,729 --> 01:21:15,360

wants to talk about something in a

2040

01:21:18,709 --> 01:21:16,739

paranormal field it's usually because

2041

01:21:20,390 --> 01:21:18,719

they're really excited about it I love

2042

01:21:22,130 --> 01:21:20,400

hearing people talk about the things

2043

01:21:24,290 --> 01:21:22,140

that they're nerdy about like that's

2044

01:21:27,290 --> 01:21:24,300

exciting to me

2045

01:21:29,450 --> 01:21:27,300

um so giving space for Joy for pan

2046

01:21:32,630 --> 01:21:29,460

Paragon for both years so far the the

2047

01:21:34,970 --> 01:21:32,640

opening panel is usually like a very

2048

01:21:36,830 --> 01:21:34,980

specific structured Round Table that's

2049

01:21:39,169 --> 01:21:36,840

talking about like

2050

01:21:41,689 --> 01:21:39,179

um you know diversity or you know

2051
01:21:44,510 --> 01:21:41,699
feeling excluded and racism and all of

2052
01:21:46,250 --> 01:21:44,520
that the only people I ever invite are

2053
01:21:48,110 --> 01:21:46,260
people who have spoken about that

2054
01:21:49,729 --> 01:21:48,120
publicly or want to speak about that

2055
01:21:52,790 --> 01:21:49,739
publicly because I don't want to

2056
01:21:55,910 --> 01:21:52,800
fetishize someone else's suffering like

2057
01:21:57,950 --> 01:21:55,920
there is a lot of like suffering porn

2058
01:21:59,870 --> 01:21:57,960
that goes around where people who are

2059
01:22:01,729 --> 01:21:59,880
marginalized get trotted out by white

2060
01:22:03,950 --> 01:22:01,739
people so they can they can talk about

2061
01:22:07,550 --> 01:22:03,960
their stories and somehow humanize them

2062
01:22:09,830 --> 01:22:07,560
and like that a it doesn't work it just

2063
01:22:12,169 --> 01:22:09,840

does it also serves like a sacrificial

2064

01:22:15,709 --> 01:22:12,179

lamb for all the white people right so

2065

01:22:17,930 --> 01:22:15,719

let's assuage our guilt by allowing your

2066

01:22:19,850 --> 01:22:17,940

person of color to share their story yes

2067

01:22:21,709 --> 01:22:19,860

yeah we'll listen to their persons

2068

01:22:23,930 --> 01:22:21,719

that's exactly it because if we listen

2069

01:22:26,209 --> 01:22:23,940

we don't have to actually do any thing

2070

01:22:28,610 --> 01:22:26,219

that's exactly right this is liberalism

2071

01:22:31,910 --> 01:22:28,620

in a nutshell man I mean it is exactly

2072

01:22:35,390 --> 01:22:31,920

yes so so what are you doing and I think

2073

01:22:37,610 --> 01:22:35,400

it's way more important to highlight the

2074

01:22:39,530 --> 01:22:37,620

joy of people who are marginalized

2075

01:22:41,149 --> 01:22:39,540

because that's I'd rather you have an

2076

01:22:43,010 --> 01:22:41,159

empathetic connection with somebody that

2077

01:22:45,050 --> 01:22:43,020

way hopefully if you are racist or

2078

01:22:47,510 --> 01:22:45,060

transphobic or anything like that you

2079

01:22:50,390 --> 01:22:47,520

can see the humanity and that love in

2080

01:22:53,030 --> 01:22:50,400

that person and hopefully be transformed

2081

01:22:54,890 --> 01:22:53,040

will that happen I have no idea am I

2082

01:22:57,470 --> 01:22:54,900

going to try yeah of course because

2083

01:22:59,209 --> 01:22:57,480

again what's the point otherwise if

2084

01:23:02,270 --> 01:22:59,219

you're not trying to make life better

2085

01:23:04,250 --> 01:23:02,280

for people what are you what are you

2086

01:23:06,890 --> 01:23:04,260

doing

2087

01:23:09,709 --> 01:23:06,900

yeah yeah well this speaks to something

2088

01:23:11,990 --> 01:23:09,719

that I've been considering recently

2089

01:23:14,450 --> 01:23:12,000

um with the UFO subject

2090

01:23:16,189 --> 01:23:14,460

very specifically it's an unusual one in

2091

01:23:19,130 --> 01:23:16,199

the Paranormal field because of the

2092

01:23:21,350 --> 01:23:19,140

historical government attention like all

2093

01:23:23,149 --> 01:23:21,360

this stuff uh with the Declassified

2094

01:23:24,649 --> 01:23:23,159

reports and all this stuff

2095

01:23:26,810 --> 01:23:24,659

um and uh

2096

01:23:30,050 --> 01:23:26,820

I get a strong sense on the UFO side

2097

01:23:33,290 --> 01:23:30,060

this is my personal opinion that

2098

01:23:35,270 --> 01:23:33,300

there may be I mean I mean it's not even

2099

01:23:37,510 --> 01:23:35,280

about my opinion like the historical

2100

01:23:39,470 --> 01:23:37,520

Declassified reports we have available

2101

01:23:41,209 --> 01:23:39,480

suggests that

2102

01:23:43,970 --> 01:23:41,219

to the extent that there is a physical

2103

01:23:46,189 --> 01:23:43,980

phenomenon being observed it may be some

2104

01:23:47,810 --> 01:23:46,199

kind of ball lightning phenomenon that's

2105

01:23:50,330 --> 01:23:47,820

U.S Air Force

2106

01:23:52,610 --> 01:23:50,340

um CIA and UK Ministry of Defense

2107

01:23:55,189 --> 01:23:52,620

internal reports to their leadership

2108

01:23:57,050 --> 01:23:55,199

and then in the public realm we have a

2109

01:23:59,209 --> 01:23:57,060

variety of peer-reviewed papers and just

2110

01:24:01,250 --> 01:23:59,219

in 2014 ball lightning was verified to

2111

01:24:03,530 --> 01:24:01,260

exist objectively uh in physical review

2112

01:24:05,450 --> 01:24:03,540

letters cyanail Optical and spectral

2113

01:24:08,030 --> 01:24:05,460

characteristics of all lightning so like

2114

01:24:09,950 --> 01:24:08,040

to the extent that there may that you

2115

01:24:11,930 --> 01:24:09,960

know there is something physically being

2116

01:24:13,850 --> 01:24:11,940

observed

2117

01:24:16,910 --> 01:24:13,860

and then those people get confused and

2118

01:24:21,290 --> 01:24:16,920

are like then kind of being put into the

2119

01:24:23,810 --> 01:24:21,300

broader uh sort of sphere of all of it

2120

01:24:25,610 --> 01:24:23,820

how do you separate it's like

2121

01:24:27,050 --> 01:24:25,620

do those experiences like kind of

2122

01:24:28,490 --> 01:24:27,060

invalidate one another like if somebody

2123

01:24:29,630 --> 01:24:28,500

had a genuinely traumatic experience

2124

01:24:31,310 --> 01:24:29,640

that they're interpreting through like

2125

01:24:32,930 --> 01:24:31,320

Abduction is it like

2126

01:24:34,550 --> 01:24:32,940

I'm wondering if it's getting like that

2127

01:24:35,750 --> 01:24:34,560

needs to be like it feels like it needs

2128

01:24:38,330 --> 01:24:35,760

to be a separate thing from like someone

2129

01:24:39,410 --> 01:24:38,340

observing not a phenomenon in the sky or

2130

01:24:41,209 --> 01:24:39,420

something and

2131

01:24:42,950 --> 01:24:41,219

it's not relevant like applying the

2132

01:24:45,050 --> 01:24:42,960

science in that way to extricate those

2133

01:24:46,610 --> 01:24:45,060

things to focus on the human more

2134

01:24:49,250 --> 01:24:46,620

specifically I

2135

01:24:51,590 --> 01:24:49,260

I think so yes I mean especially if

2136

01:24:53,390 --> 01:24:51,600

because there are there are actual like

2137

01:24:54,890 --> 01:24:53,400

material things that we still don't

2138

01:24:56,870 --> 01:24:54,900

necessarily have a handle on again

2139

01:24:58,850 --> 01:24:56,880

language research methodology class if

2140

01:25:01,189 --> 01:24:58,860

you're actually doing science you never

2141

01:25:03,649 --> 01:25:01,199

prove anything you only disprove and you

2142

01:25:05,510 --> 01:25:03,659

fail to disprove you should always have

2143

01:25:07,970 --> 01:25:05,520

this mentality of working with the best

2144

01:25:10,490 --> 01:25:07,980

best data that I currently am able to

2145

01:25:12,830 --> 01:25:10,500

have in this moment right

2146

01:25:14,990 --> 01:25:12,840

um and so if if you can find out like

2147

01:25:17,330 --> 01:25:15,000

hey ball lightning actually exists and

2148

01:25:19,130 --> 01:25:17,340

and it could be this phenomenon I think

2149

01:25:20,510 --> 01:25:19,140

it's really valuable to try to identify

2150

01:25:22,310 --> 01:25:20,520

what these things are and to try to

2151
01:25:23,750 --> 01:25:22,320
categorize them like again I'm I'm

2152
01:25:25,790 --> 01:25:23,760
concerned about like the human element

2153
01:25:27,830 --> 01:25:25,800
in these things but there if there is a

2154
01:25:30,530 --> 01:25:27,840
scientific explanation and it is mundane

2155
01:25:31,669 --> 01:25:30,540
again I think it's really cool when I

2156
01:25:34,610 --> 01:25:31,679
find out about some like weather

2157
01:25:35,990 --> 01:25:34,620
phenomenon or you know any kind of like

2158
01:25:38,090 --> 01:25:36,000
Earth formation I didn't know about

2159
01:25:40,250 --> 01:25:38,100
before because like oh the science is

2160
01:25:41,810 --> 01:25:40,260
actually pretty neat like the world is

2161
01:25:43,490 --> 01:25:41,820
cool there are things happening that I'm

2162
01:25:44,689 --> 01:25:43,500
not aware of or didn't conceptualize

2163
01:25:46,070 --> 01:25:44,699

before

2164

01:25:50,030 --> 01:25:46,080

um we shouldn't be afraid of things

2165

01:25:52,189 --> 01:25:50,040

being debunked because like

2166

01:25:53,810 --> 01:25:52,199

you know the like the scientists figured

2167

01:25:55,790 --> 01:25:53,820

out you can induce essentially a

2168

01:25:58,550 --> 01:25:55,800

near-death experience right yeah

2169

01:26:00,649 --> 01:25:58,560

ketamine yeah right of that too but you

2170

01:26:02,750 --> 01:26:00,659

could actually like apply

2171

01:26:04,610 --> 01:26:02,760

um like with certain electrodes like to

2172

01:26:07,370 --> 01:26:04,620

the brain and you light up certain spots

2173

01:26:09,470 --> 01:26:07,380

people see a tunnel people see a light

2174

01:26:10,850 --> 01:26:09,480

does that mean that's what is happening

2175

01:26:13,970 --> 01:26:10,860

with all the people who have near-death

2176
01:26:15,770 --> 01:26:13,980
experiences could be or could it just be

2177
01:26:17,390 --> 01:26:15,780
like the way that

2178
01:26:18,890 --> 01:26:17,400
um our brain interprets a particular

2179
01:26:20,570 --> 01:26:18,900
thing that's happening and that can

2180
01:26:22,250 --> 01:26:20,580
happen when some when these parts of the

2181
01:26:24,169 --> 01:26:22,260
brain get lit up or when you have a

2182
01:26:27,110 --> 01:26:24,179
near-death experience

2183
01:26:28,729 --> 01:26:27,120
um I again I I think knowing the science

2184
01:26:30,649 --> 01:26:28,739
behind things is only more helpful

2185
01:26:32,930 --> 01:26:30,659
because we can figure out what we don't

2186
01:26:35,330 --> 01:26:32,940
know then and then we can have those

2187
01:26:37,790 --> 01:26:35,340
Explorations too

2188
01:26:40,010 --> 01:26:37,800

yeah well put that yeah focus in on what

2189

01:26:43,490 --> 01:26:40,020

we don't know and that helps the people

2190

01:26:49,970 --> 01:26:46,070

the materialists the idealists we can

2191

01:26:52,070 --> 01:26:49,980

all get along hey exactly exactly it's

2192

01:26:56,470 --> 01:26:52,080

just you know your Lane right and then

2193

01:26:56,480 --> 01:27:01,070

yeah yes

2194

01:27:06,129 --> 01:27:03,649

Louise we haven't heard much from you do

2195

01:27:08,510 --> 01:27:06,139

you have any uh thing you'd like to

2196

01:27:10,550 --> 01:27:08,520

throw out there I know the last time I

2197

01:27:13,010 --> 01:27:10,560

asked you if you had anything to say you

2198

01:27:17,330 --> 01:27:13,020

uh were a little bit uh

2199

01:27:19,970 --> 01:27:18,890

um I was curious actually because we've

2200

01:27:21,649 --> 01:27:19,980

been talking like a little bit we didn't

2201

01:27:23,330 --> 01:27:21,659

get into the history of the occult much

2202

01:27:25,310 --> 01:27:23,340

but

2203

01:27:28,490 --> 01:27:25,320

um I was wondering if you could sort of

2204

01:27:32,629 --> 01:27:28,500

just sort of touch a little bit on the

2205

01:27:35,629 --> 01:27:32,639

association with the current like kind

2206

01:27:38,510 --> 01:27:35,639

of like fascistic elements within the

2207

01:27:40,689 --> 01:27:38,520

UFO and kind of a cult Community

2208

01:27:45,050 --> 01:27:40,699

um and sort of your take

2209

01:27:48,229 --> 01:27:45,060

yeah yeah fascist creep it happens it

2210

01:27:51,350 --> 01:27:48,239

happens everywhere it happens everywhere

2211

01:27:52,850 --> 01:27:51,360

um I I think again people who are more

2212

01:27:55,790 --> 01:27:52,860

steep in this than I am have talked

2213

01:27:58,370 --> 01:27:55,800

about like the crunchy hippie mom to

2214

01:28:01,729 --> 01:27:58,380

alt-right pipeline

2215

01:28:03,910 --> 01:28:01,739

um I I think if you have a certain

2216

01:28:06,590 --> 01:28:03,920

sensibility you need to be careful right

2217

01:28:08,450 --> 01:28:06,600

I again aside from being an aquarius

2218

01:28:10,550 --> 01:28:08,460

aside from having ADHD was raised by

2219

01:28:13,490 --> 01:28:10,560

polish immigrants who just don't trust

2220

01:28:15,709 --> 01:28:13,500

anybody right so there was this idea of

2221

01:28:17,570 --> 01:28:15,719

like okay you hear something but is that

2222

01:28:20,450 --> 01:28:17,580

what's really going on

2223

01:28:23,390 --> 01:28:20,460

so I grew up with that right so I'm

2224

01:28:26,570 --> 01:28:23,400

always any any news story anything I'm

2225

01:28:28,610 --> 01:28:26,580

like is that what's really going on

2226

01:28:31,970 --> 01:28:28,620

um but I have the same reaction when

2227

01:28:34,510 --> 01:28:31,980

people tell me like okay so JFK is

2228

01:28:37,310 --> 01:28:34,520

coming back I was like all right

2229

01:28:39,590 --> 01:28:37,320

like I'm as stressful of like all people

2230

01:28:41,750 --> 01:28:39,600

who have claims to reality

2231

01:28:43,370 --> 01:28:41,760

and that like the one true knowledge of

2232

01:28:46,129 --> 01:28:43,380

reality

2233

01:28:48,590 --> 01:28:46,139

um but but the other side of that is

2234

01:28:50,390 --> 01:28:48,600

like if you question like okay once you

2235

01:28:51,709 --> 01:28:50,400

see like structures gonna get blown

2236

01:28:53,750 --> 01:28:51,719

apart and you're like oh I don't need to

2237

01:28:56,270 --> 01:28:53,760

have faith in these things anymore or I

2238

01:28:57,709 --> 01:28:56,280

don't trust these things anymore and

2239

01:29:00,110 --> 01:28:57,719

then people are like oh well you know

2240

01:29:03,649 --> 01:29:00,120

what but actually this is true

2241

01:29:05,390 --> 01:29:03,659

like once you start deconstructing you

2242

01:29:08,410 --> 01:29:05,400

can end up going you can end up getting

2243

01:29:11,030 --> 01:29:08,420

LED down because all of these alt-right

2244

01:29:13,129 --> 01:29:11,040

fascistic this is all intentional

2245

01:29:14,629 --> 01:29:13,139

infiltration of these spaces like this

2246

01:29:16,070 --> 01:29:14,639

doesn't happen on accident it's not

2247

01:29:17,450 --> 01:29:16,080

happening on accident because it's

2248

01:29:20,570 --> 01:29:17,460

happening everywhere

2249

01:29:22,430 --> 01:29:20,580

that that is a specific choice that is

2250

01:29:25,129 --> 01:29:22,440

happening

2251

01:29:27,470 --> 01:29:25,139

um but you you have these people who

2252

01:29:29,390 --> 01:29:27,480

like again like with Xeno or Scientology

2253

01:29:30,530 --> 01:29:29,400

it starts with something you can kind of

2254

01:29:33,649 --> 01:29:30,540

access

2255

01:29:35,750 --> 01:29:33,659

oh okay yeah I can see I can see that

2256

01:29:38,330 --> 01:29:35,760

like you know like yeah I don't trust

2257

01:29:40,070 --> 01:29:38,340

big Pharma because I know how much money

2258

01:29:43,010 --> 01:29:40,080

these Executives make right so I'm gonna

2259

01:29:44,930 --> 01:29:43,020

look up holistic ways of healing

2260

01:29:48,110 --> 01:29:44,940

and then though you know again those

2261

01:29:49,970 --> 01:29:48,120

spaces have those like essential oil MLM

2262

01:29:52,910 --> 01:29:49,980

spaces are being infiltrated by people

2263

01:29:55,550 --> 01:29:52,920

are like well let me tell you what's in

2264

01:29:57,110 --> 01:29:55,560

the water or what's in vaccines and oh

2265

01:29:59,030 --> 01:29:57,120

well if you believe the vaccine thing

2266

01:30:01,010 --> 01:29:59,040

let me tell you about the bilderbergs

2267

01:30:03,169 --> 01:30:01,020

that have uh manufactured this whole

2268

01:30:05,510 --> 01:30:03,179

vaccine it's just like constantly

2269

01:30:07,669 --> 01:30:05,520

pushing to see how far people will go

2270

01:30:09,350 --> 01:30:07,679

down this road

2271

01:30:12,169 --> 01:30:09,360

um and again when you have a group of

2272

01:30:14,149 --> 01:30:12,179

people who have a certain uh level of

2273

01:30:16,129 --> 01:30:14,159

trauma which I absolutely think people

2274

01:30:18,950 --> 01:30:16,139

in these alternative spaces do because

2275

01:30:21,229 --> 01:30:18,960

there's again you realize that you don't

2276

01:30:23,689 --> 01:30:21,239

fit with whatever Society is telling you

2277

01:30:27,470 --> 01:30:23,699

is good or right and you want something

2278

01:30:29,570 --> 01:30:27,480

else so I mean especially people who end

2279

01:30:32,270 --> 01:30:29,580

up being witches or practicing magic in

2280

01:30:34,850 --> 01:30:32,280

many cases like marginalized people who

2281

01:30:36,530 --> 01:30:34,860

felt on the fringes and wanted access to

2282

01:30:39,290 --> 01:30:36,540

power in the only way they could which

2283

01:30:42,790 --> 01:30:39,300

is outside of mainstream

2284

01:30:45,410 --> 01:30:42,800

and and so then then if you start like

2285

01:30:47,030 --> 01:30:45,420

you know so I know you found all this

2286

01:30:50,030 --> 01:30:47,040

power and Magic

2287

01:30:52,250 --> 01:30:50,040

turns out it's because you're white and

2288

01:30:54,050 --> 01:30:52,260

and like and then you're like opening up

2289

01:30:56,930 --> 01:30:54,060

this door and let me tell you the runes

2290

01:30:59,750 --> 01:30:56,940

are for white people and and and

2291

01:31:01,490 --> 01:30:59,760

suddenly it's like your idea of

2292

01:31:03,189 --> 01:31:01,500

spiritual Supremacy is getting wrapped

2293

01:31:06,229 --> 01:31:03,199

up in racial Supremacy which is

2294

01:31:08,390 --> 01:31:06,239

furthering a political agenda that you

2295

01:31:09,169 --> 01:31:08,400

might not really be aware of

2296

01:31:12,410 --> 01:31:09,179

um

2297

01:31:15,169 --> 01:31:12,420

again it's uh there's a person Professor

2298

01:31:17,149 --> 01:31:15,179

Wham she is much more steeped in this

2299

01:31:20,030 --> 01:31:17,159

subject than I am

2300

01:31:22,970 --> 01:31:20,040

um again it is it has been a fascist

2301

01:31:25,310 --> 01:31:22,980

infiltration it really in order to

2302

01:31:28,129 --> 01:31:25,320

corrupt like spiritual spaces and get

2303

01:31:30,050 --> 01:31:28,139

people to fulfill their political agenda

2304

01:31:32,149 --> 01:31:30,060

I to me that kind of misses the point

2305

01:31:33,470 --> 01:31:32,159

again humans first

2306

01:31:36,290 --> 01:31:33,480

um as soon as you start seeing other

2307

01:31:37,550 --> 01:31:36,300

people is not human or sub-human you've

2308

01:31:39,169 --> 01:31:37,560

missed the point

2309

01:31:43,129 --> 01:31:39,179

and I also don't have faith in your

2310

01:31:49,310 --> 01:31:43,139

ability to do anything magical as well

2311

01:31:54,110 --> 01:31:50,870

well I think that was pretty solid

2312

01:31:59,030 --> 01:31:55,430

don't have anything to complain about

2313

01:32:02,570 --> 01:32:00,890

I'm an only child so I spent a lot of

2314

01:32:04,490 --> 01:32:02,580

time just sitting around and thinking

2315

01:32:07,850 --> 01:32:04,500

about things

2316

01:32:10,550 --> 01:32:07,860

yeah that's what we do here that's great

2317

01:32:15,470 --> 01:32:10,560

um that that sort of a spiritual

2318

01:32:19,010 --> 01:32:15,480

Eugenics aspect is like an inherent

2319

01:32:21,590 --> 01:32:19,020

tendency or is it just a potentiality

2320

01:32:23,750 --> 01:32:21,600

I I think it's just a potentiality and I

2321

01:32:25,669 --> 01:32:23,760

think again it is very much informed by

2322

01:32:27,350 --> 01:32:25,679

the fact that we live in a system a

2323

01:32:30,950 --> 01:32:27,360

society built on and sustained by

2324

01:32:34,370 --> 01:32:30,960

oppression so I I think unless again

2325

01:32:35,930 --> 01:32:34,380

this is why I get political or why I you

2326

01:32:39,110 --> 01:32:35,940

know talk about anti-oppressive

2327

01:32:40,490 --> 01:32:39,120

political practice because if you're not

2328

01:32:42,890 --> 01:32:40,500

aware of the ways in which you have

2329

01:32:45,550 --> 01:32:42,900

internalized systems of Oppression and

2330

01:32:48,770 --> 01:32:45,560

repression you don't know that you're

2331

01:32:50,930 --> 01:32:48,780

reproducing them in your own practice I

2332

01:32:54,410 --> 01:32:50,940

see a lot again in terms of occult

2333

01:32:57,350 --> 01:32:54,420

practice a lot of witches who are really

2334

01:33:00,110 --> 01:32:57,360

just rehashing their Evangelical

2335

01:33:01,910 --> 01:33:00,120

upbringing and talking about like you

2336

01:33:04,010 --> 01:33:01,920

can't do certain types of magic because

2337

01:33:06,169 --> 01:33:04,020

the threefold law and you're going to

2338

01:33:08,030 --> 01:33:06,179

get punished and all that it's like that

2339

01:33:10,250 --> 01:33:08,040

sounds a little sounds a little Old

2340

01:33:13,490 --> 01:33:10,260

Testament to me like it's this really

2341

01:33:16,850 --> 01:33:13,500

like again this idea why does this

2342

01:33:20,330 --> 01:33:16,860

practice so resemble morally like what

2343

01:33:22,990 --> 01:33:20,340

you just came from right

2344

01:33:25,250 --> 01:33:23,000

um so I I think you just recall like

2345

01:33:27,110 --> 01:33:25,260

magic a good magical practice I think

2346

01:33:28,669 --> 01:33:27,120

requires having an aware of these social

2347

01:33:29,950 --> 01:33:28,679

things

2348

01:33:33,470 --> 01:33:29,960

um

2349

01:33:35,750 --> 01:33:33,480

unfortunately again like that like

2350

01:33:37,970 --> 01:33:35,760

Nietzsche there's a certain like

2351

01:33:40,970 --> 01:33:37,980

Nietzsche Crowley

2352

01:33:43,729 --> 01:33:40,980

um pipeline of like guys who think that

2353

01:33:45,470 --> 01:33:43,739

they're just like the best boy and

2354

01:33:47,810 --> 01:33:45,480

they're the center of the universe and

2355

01:33:50,810 --> 01:33:47,820

develop a whole magical system centering

2356

01:33:52,129 --> 01:33:50,820

themselves you know and it's like okay

2357

01:33:54,530 --> 01:33:52,139

again I think you've missed the point

2358

01:33:56,750 --> 01:33:54,540

right you're just taking this idea of

2359

01:33:58,669 --> 01:33:56,760

this like that there's this Golden Child

2360

01:34:01,310 --> 01:33:58,679

that needs to be worshiped you've just

2361

01:34:03,470 --> 01:34:01,320

made it you as opposed to like Rich guys

2362

01:34:04,430 --> 01:34:03,480

in the Silicon Valley

2363

01:34:07,010 --> 01:34:04,440

um

2364

01:34:08,930 --> 01:34:07,020

I don't know I I I don't think it

2365

01:34:12,530 --> 01:34:08,940

inherently does but again if you're just

2366

01:34:13,910 --> 01:34:12,540

reproducing the same social mores I

2367

01:34:17,810 --> 01:34:13,920

think it's going to in one way or

2368

01:34:20,810 --> 01:34:19,310

interesting think about like the modern

2369

01:34:23,870 --> 01:34:20,820

practice of magic is something I brought

2370

01:34:25,669 --> 01:34:23,880

up with uh Marco that um because I have

2371

01:34:27,470 --> 01:34:25,679

an intricate Paradise land like small

2372

01:34:29,450 --> 01:34:27,480

part but Icelandic and so I have an

2373

01:34:32,570 --> 01:34:29,460

interest in the sagas and those are one

2374

01:34:36,169 --> 01:34:32,580

of the best sources for the historic you

2375

01:34:37,550 --> 01:34:36,179

know practice of various magic rituals

2376

01:34:41,510 --> 01:34:37,560

um because they're describing them as

2377

01:34:43,729 --> 01:34:41,520

they occurred essentially and uh you

2378

01:34:46,129 --> 01:34:43,739

know I was talking about how the actual

2379

01:34:48,169 --> 01:34:46,139

like literal historical practice of

2380

01:34:50,090 --> 01:34:48,179

magic that traced back you know for

2381

01:34:51,770 --> 01:34:50,100

whatever but I don't know how many

2382

01:34:53,870 --> 01:34:51,780

hundred thousand years I don't know

2383

01:34:55,189 --> 01:34:53,880

whatever tens of thousands of years uh

2384

01:34:58,910 --> 01:34:55,199

when humans were practicing this stuff

2385

01:35:01,910 --> 01:34:58,920

like in northern Europe in whatever it

2386

01:35:04,850 --> 01:35:01,920

literally got entirely eliminated like

2387

01:35:08,149 --> 01:35:04,860

there were no there's no unbroken chain

2388

01:35:10,189 --> 01:35:08,159

of magic practice of those rituals they

2389

01:35:12,590 --> 01:35:10,199

eliminated them all to the most remote

2390

01:35:15,229 --> 01:35:12,600

Valley in Northern Norway it's stunning

2391

01:35:17,390 --> 01:35:15,239

the church did such a powerful job and

2392

01:35:18,350 --> 01:35:17,400

so it's like it makes me like think

2393

01:35:20,689 --> 01:35:18,360

about

2394

01:35:22,910 --> 01:35:20,699

the deeper part that you're sort of

2395

01:35:24,290 --> 01:35:22,920

we're describing with chaos magic I was

2396

01:35:26,090 --> 01:35:24,300

talking with Leah right before the show

2397

01:35:27,649 --> 01:35:26,100

very briefly but saying like you know

2398

01:35:29,990 --> 01:35:27,659

never thought about magic before but

2399

01:35:31,910 --> 01:35:30,000

like the fact that there's a way of sort

2400

01:35:33,649 --> 01:35:31,920

of doing something that magic but it's

2401

01:35:36,110 --> 01:35:33,659

like a ritual practice that your

2402

01:35:37,850 --> 01:35:36,120

ancestors did for like tens of thousands

2403

01:35:39,350 --> 01:35:37,860

of years like like it's sort of like

2404

01:35:41,930 --> 01:35:39,360

Louise was sort of suggesting with like

2405

01:35:43,550 --> 01:35:41,940

an inherent element like even though I'm

2406

01:35:46,970 --> 01:35:43,560

an atheist kept all that stuff like I'm

2407

01:35:50,510 --> 01:35:46,980

drawn in some sense to practicing the

2408

01:35:54,890 --> 01:35:50,520

ritual purely as a way of like communing

2409

01:35:55,850 --> 01:35:54,900

with my like psychological ancestry or

2410

01:35:57,590 --> 01:35:55,860

something

2411

01:36:00,649 --> 01:35:57,600

um yes is that kind of what you're

2412

01:36:04,189 --> 01:36:00,659

plugging into with chaos magic uh 100

2413

01:36:05,270 --> 01:36:04,199

yes yes okay cool because it's to me

2414

01:36:07,129 --> 01:36:05,280

again

2415

01:36:10,490 --> 01:36:07,139

um like so many people claim like

2416

01:36:12,890 --> 01:36:10,500

lineage and that it matters right

2417

01:36:14,810 --> 01:36:12,900

and so and it's like all of that is

2418

01:36:16,790 --> 01:36:14,820

reconstruction right it's reconstruction

2419

01:36:18,470 --> 01:36:16,800

that you're taking too seriously and in

2420

01:36:19,790 --> 01:36:18,480

chaos magic you know you're

2421

01:36:21,229 --> 01:36:19,800

reconstructing you know you're

2422

01:36:22,970 --> 01:36:21,239

constructing and that's the point

2423

01:36:26,570 --> 01:36:22,980

because it's you and it's informed by

2424

01:36:29,149 --> 01:36:26,580

you and you're doing again it's not what

2425

01:36:31,250 --> 01:36:29,159

the ritual is it's that you are engaging

2426

01:36:32,930 --> 01:36:31,260

in ritual belief right that you are

2427

01:36:34,250 --> 01:36:32,940

engaging in prayer it doesn't matter who

2428

01:36:36,530 --> 01:36:34,260

you're praying to

2429

01:36:38,689 --> 01:36:36,540

um or ritual action does it matter if

2430

01:36:41,870 --> 01:36:38,699

you actually believe in a thing like I

2431

01:36:44,030 --> 01:36:41,880

think you're tapping into that greater

2432

01:36:47,149 --> 01:36:44,040

Human Experience that historical Human

2433

01:36:50,209 --> 01:36:47,159

Experience like to me it's really

2434

01:36:52,550 --> 01:36:50,219

beautiful to see like

2435

01:36:55,070 --> 01:36:52,560

like at the Louvre they cut out I mean

2436

01:36:57,590 --> 01:36:55,080

we can talk about colonialism also but

2437

01:37:00,530 --> 01:36:57,600

like they cut out a tomb and like an

2438

01:37:02,510 --> 01:37:00,540

ancient Egyptian tomb and to me it's so

2439

01:37:05,930 --> 01:37:02,520

beautiful to like look in there and see

2440

01:37:07,790 --> 01:37:05,940

like this a hand carved this right like

2441

01:37:09,050 --> 01:37:07,800

when I was in undergrad I did these

2442

01:37:11,090 --> 01:37:09,060

artifact reports as part of an

2443

01:37:13,910 --> 01:37:11,100

archeology class and like this little

2444

01:37:16,070 --> 01:37:13,920

clay figure that was made six thousand

2445

01:37:18,590 --> 01:37:16,080

years ago right and again that that

2446

01:37:20,570 --> 01:37:18,600

continuing impulse to create that into

2447

01:37:22,669 --> 01:37:20,580

that continuing impulse I think

2448

01:37:25,129 --> 01:37:22,679

creativity is a ritual action also just

2449

01:37:26,050 --> 01:37:25,139

in general and is Magic

2450

01:37:29,390 --> 01:37:26,060

um

2451

01:37:33,470 --> 01:37:29,400

that that magic is in the the practice

2452

01:37:35,330 --> 01:37:33,480

right it's it's not in well it's these

2453

01:37:37,550 --> 01:37:35,340

gods and it's these lines that you carve

2454

01:37:39,110 --> 01:37:37,560

in this way and it's this way that you

2455

01:37:42,290 --> 01:37:39,120

turn around

2456

01:37:43,370 --> 01:37:42,300

no no it's it's that you are creating

2457

01:37:44,629 --> 01:37:43,380

something and that you are doing

2458

01:37:45,950 --> 01:37:44,639

something because that's what people

2459

01:37:47,810 --> 01:37:45,960

have been doing

2460

01:37:49,370 --> 01:37:47,820

since book you know before we have any

2461

01:37:52,070 --> 01:37:49,380

record of it

2462

01:37:58,550 --> 01:37:54,770

speaking of engaging uh with those uh

2463

01:38:01,129 --> 01:37:58,560

those pigs deeper sort of like uh

2464

01:38:02,390 --> 01:38:01,139

moments of connection with the Universe

2465

01:38:04,250 --> 01:38:02,400

um we've talked on the show before like

2466

01:38:06,229 --> 01:38:04,260

I'm open about that I've taken

2467

01:38:07,910 --> 01:38:06,239

psilocybin many times

2468

01:38:10,370 --> 01:38:07,920

um I think it's a it's like a replicable

2469

01:38:12,229 --> 01:38:10,380

consistent effect if you have the dosage

2470

01:38:13,790 --> 01:38:12,239

if you know the dosage as part of why I

2471

01:38:16,189 --> 01:38:13,800

think regulation makes sense people can

2472

01:38:18,050 --> 01:38:16,199

be safe with what they're doing

2473

01:38:19,490 --> 01:38:18,060

um you know and like so for me I

2474

01:38:22,970 --> 01:38:19,500

experienced it as like a physical

2475

01:38:24,770 --> 01:38:22,980

material thing that enables abstraction

2476

01:38:27,229 --> 01:38:24,780

and stuff but I'm not saying that's what

2477

01:38:28,430 --> 01:38:27,239

it is that's what I believe there's

2478

01:38:30,169 --> 01:38:28,440

strong evidence for but you know

2479

01:38:33,229 --> 01:38:30,179

whatever that could also be whatever I

2480

01:38:35,930 --> 01:38:33,239

don't need to have it be that um that's

2481

01:38:39,649 --> 01:38:35,940

that like I reckon so deeply the value

2482

01:38:41,390 --> 01:38:39,659

in those experiences do you uh have

2483

01:38:44,810 --> 01:38:41,400

experience with that kind of experience

2484

01:38:46,550 --> 01:38:44,820

if so I'm curious like what method like

2485

01:38:48,169 --> 01:38:46,560

you don't need to say Obviously but if

2486

01:38:49,910 --> 01:38:48,179

you have taken psychedelics to get there

2487

01:38:51,950 --> 01:38:49,920

or if you just do it through a retro

2488

01:38:53,870 --> 01:38:51,960

ritual what's the most effective route

2489

01:38:56,390 --> 01:38:53,880

for you and do you see those as sort of

2490

01:39:00,350 --> 01:38:56,400

like parallel or like the same thing uh

2491

01:39:03,169 --> 01:39:00,360

yeah I do so I um again I've had panic

2492

01:39:05,330 --> 01:39:03,179

attacks off and on since I was five so I

2493

01:39:07,850 --> 01:39:05,340

know like like you can just use your

2494

01:39:11,450 --> 01:39:07,860

brain to change your physiology and have

2495

01:39:14,689 --> 01:39:11,460

uh an experience and part of our of

2496

01:39:17,930 --> 01:39:14,699

chaos magic is again getting you to like

2497

01:39:19,910 --> 01:39:17,940

an ecstatic state right you can do that

2498

01:39:22,610 --> 01:39:19,920

with anxiety you can do that with sex

2499

01:39:23,870 --> 01:39:22,620

like oh whatever gets you to gets you

2500

01:39:27,110 --> 01:39:23,880

there

2501

01:39:29,209 --> 01:39:27,120

um and and so similarly to me you know

2502

01:39:31,610 --> 01:39:29,219

this idea that like okay meditation can

2503

01:39:35,570 --> 01:39:31,620

can cause these certain like psychic

2504

01:39:36,950 --> 01:39:35,580

States but mushrooms can as well and if

2505

01:39:40,370 --> 01:39:36,960

you're willing to break your brain open

2506

01:39:42,410 --> 01:39:40,380

like hero dose on shrooms right go talk

2507

01:39:44,209 --> 01:39:42,420

to God for a while like maybe you'll

2508

01:39:47,510 --> 01:39:44,219

learn something

2509

01:39:53,149 --> 01:39:47,520

um oh yeah yeah maybe not something you

2510

01:39:57,110 --> 01:39:55,370

um but but that's that can be valuable

2511

01:39:59,689 --> 01:39:57,120

too right especially when you are

2512

01:40:01,310 --> 01:39:59,699

confront when when the walls are down

2513

01:40:02,890 --> 01:40:01,320

and you are being confronted with

2514

01:40:05,149 --> 01:40:02,900

something that you can't look away from

2515

01:40:06,890 --> 01:40:05,159

and maybe it's something deeper that you

2516

01:40:10,610 --> 01:40:06,900

need to interrogate in your own life

2517

01:40:12,530 --> 01:40:10,620

again if that's a hero dose on shrooms

2518

01:40:14,209 --> 01:40:12,540

or if that's a panic attack that leaves

2519

01:40:16,729 --> 01:40:14,219

you fetal on the floor

2520

01:40:18,890 --> 01:40:16,739

but like that your brain your body are

2521

01:40:22,189 --> 01:40:18,900

trying to tell you something

2522

01:40:24,890 --> 01:40:22,199

um so yeah I'm Pro using whatever States

2523

01:40:27,290 --> 01:40:24,900

in whatever tools you need to get to the

2524

01:40:28,189 --> 01:40:27,300

States you need to achieve the magic you

2525

01:40:31,010 --> 01:40:28,199

need to

2526

01:40:33,970 --> 01:40:31,020

awesome yeah one thing I'm going to do a

2527

01:40:38,629 --> 01:40:33,980

super kind of like 20 people

2528

01:40:38,639 --> 01:40:43,370

discussed um Helena blavatsky

2529

01:40:47,930 --> 01:40:46,790

what do you think of her

2530

01:40:49,669 --> 01:40:47,940

um

2531

01:40:52,010 --> 01:40:49,679

I mean I

2532

01:40:54,229 --> 01:40:52,020

I love the last podcast on the left

2533

01:40:56,689 --> 01:40:54,239

series about her

2534

01:40:58,870 --> 01:40:56,699

um I think a lot of

2535

01:41:02,629 --> 01:40:58,880

I'll say a broadly I think most people

2536

01:41:04,850 --> 01:41:02,639

who are publicly like mediums or

2537

01:41:07,490 --> 01:41:04,860

spiritualists or anything like that are

2538

01:41:09,910 --> 01:41:07,500

faking it I think the power is real I

2539

01:41:12,290 --> 01:41:09,920

think people who are profiting off of it

2540

01:41:15,350 --> 01:41:12,300

they don't have it

2541

01:41:17,750 --> 01:41:15,360

um because because I I've had I have

2542

01:41:19,850 --> 01:41:17,760

friends who have had psychic dreams or

2543

01:41:22,250 --> 01:41:19,860

have known things again I think that

2544

01:41:23,810 --> 01:41:22,260

like a lot of people have even if

2545

01:41:25,129 --> 01:41:23,820

they're not necessarily willing to talk

2546

01:41:27,590 --> 01:41:25,139

about it

2547

01:41:29,629 --> 01:41:27,600

um my friend Courtney block she is

2548

01:41:30,950 --> 01:41:29,639

researching Maria white right now and

2549

01:41:32,209 --> 01:41:30,960

Raya White

2550

01:41:33,770 --> 01:41:32,219

taught didn't want to call them

2551

01:41:34,790 --> 01:41:33,780

paranormal experiences she wanted to

2552

01:41:36,890 --> 01:41:34,800

call them extraordinary human

2553

01:41:38,870 --> 01:41:36,900

experiences because they're all just

2554

01:41:41,390 --> 01:41:38,880

things that we experience

2555

01:41:43,609 --> 01:41:41,400

in one way or another right like why do

2556

01:41:45,530 --> 01:41:43,619

again that idea of the Paranormal this

2557

01:41:47,689 --> 01:41:45,540

this thing that capitalistic like this

2558

01:41:50,209 --> 01:41:47,699

is separate from me as opposed to it as

2559

01:41:52,550 --> 01:41:50,219

a human experiencing something and and

2560

01:41:53,270 --> 01:41:52,560

moving forward on something

2561

01:41:56,090 --> 01:41:53,280

um

2562

01:41:59,570 --> 01:41:56,100

so yeah I think blavatsky again based

2563

01:42:01,010 --> 01:41:59,580

off of that series uh I I don't think

2564

01:42:02,209 --> 01:42:01,020

she was doing anything real I think she

2565

01:42:04,250 --> 01:42:02,219

conned a whole bunch of people though

2566

01:42:07,910 --> 01:42:04,260

that's its own form of magic frankly

2567

01:42:11,530 --> 01:42:07,920

right it really is uh that's real

2568

01:42:16,310 --> 01:42:14,209

I'm watching uh a whole slew of people

2569

01:42:17,570 --> 01:42:16,320

on Twitter basically refuse to speak my

2570

01:42:20,330 --> 01:42:17,580

name

2571

01:42:23,390 --> 01:42:20,340

um yes and I consider this High magic

2572

01:42:24,830 --> 01:42:23,400

that simply will not say my name they'll

2573

01:42:28,669 --> 01:42:24,840

allude to me constantly but won't

2574

01:42:33,350 --> 01:42:31,550

some Voldemort [h__h] it's incredible I

2575

01:42:35,030 --> 01:42:33,360

again again and that's the whole thing

2576

01:42:37,030 --> 01:42:35,040

about chaos magic it's just like things

2577

01:42:40,070 --> 01:42:37,040

only have power if you give them power

2578

01:42:42,830 --> 01:42:40,080

and so you're if you don't want somebody

2579

01:42:45,590 --> 01:42:42,840

to have power or you don't like them but

2580

01:42:47,610 --> 01:42:45,600

you're still feeding this aggregor

2581

01:42:49,850 --> 01:42:47,620

basically yeah yeah

2582

01:42:53,629 --> 01:42:49,860

[Music]

2583

01:42:56,870 --> 01:42:55,129

who do you think's like doing the most

2584

01:42:58,729 --> 01:42:56,880

interesting work on Magic right now or

2585

01:43:00,470 --> 01:42:58,739

it could be historic like like if you

2586

01:43:03,350 --> 01:43:00,480

were to recommend a work or a book or

2587

01:43:05,270 --> 01:43:03,360

something on chaos magic for like I

2588

01:43:07,129 --> 01:43:05,280

would say the average UFO person but I

2589

01:43:10,070 --> 01:43:07,139

don't want to I'm not sure how many

2590

01:43:12,410 --> 01:43:10,080

board book toddler things are available

2591

01:43:15,350 --> 01:43:12,420

so let's let's just go with like the

2592

01:43:17,149 --> 01:43:15,360

average person for me I'm curious yes I

2593

01:43:20,030 --> 01:43:17,159

want to read something okay what would

2594

01:43:22,490 --> 01:43:20,040

you recommend yes uh you should read

2595

01:43:24,229 --> 01:43:22,500

um uh it's usually there it's sold in uh

2596

01:43:26,570 --> 01:43:24,239

two volumes so it's a Lieber known

2597

01:43:29,930 --> 01:43:26,580

psychonaut by Peter Carroll

2598

01:43:30,890 --> 01:43:29,940

um that is the book that is or the two

2599

01:43:34,850 --> 01:43:30,900

books

2600

01:43:37,070 --> 01:43:34,860

um his sequel a Libra chaos I think

2601

01:43:38,930 --> 01:43:37,080

actually misses the point and he misses

2602

01:43:40,970 --> 01:43:38,940

his own point of chaos magic because he

2603

01:43:44,510 --> 01:43:40,980

tries to turn chaos magic into math and

2604

01:43:46,430 --> 01:43:44,520

like I love math but math and Magic are

2605

01:43:48,290 --> 01:43:46,440

not the same right like if you want to

2606

01:43:50,209 --> 01:43:48,300

do science do science again I think the

2607

01:43:52,250 --> 01:43:50,219

power of chaos magic is it's all make em

2608

01:43:53,990 --> 01:43:52,260

ups and we're just excited about our

2609

01:43:56,930 --> 01:43:54,000

make em ups

2610

01:43:59,090 --> 01:43:56,940

um so yeah uh Libra Nolan and psychonaut

2611

01:44:00,830 --> 01:43:59,100

that that's the book that made me

2612

01:44:02,870 --> 01:44:00,840

realize that I had been practicing chaos

2613

01:44:04,970 --> 01:44:02,880

magic for years and didn't know that

2614

01:44:08,090 --> 01:44:04,980

that's what I was doing it just

2615

01:44:10,189 --> 01:44:08,100

solidified like oh okay okay and then

2616

01:44:12,109 --> 01:44:10,199

there's actually like tips in there for

2617

01:44:14,030 --> 01:44:12,119

developing your own practice

2618

01:44:19,669 --> 01:44:14,040

um because it's very practice oriented

2619

01:44:27,590 --> 01:44:23,090

have you experienced like the power of

2620

01:44:29,930 --> 01:44:27,600

ritual in other contexts like growing up

2621

01:44:31,790 --> 01:44:29,940

uh you know I mean obviously you don't

2622

01:44:32,990 --> 01:44:31,800

need to get into any detail if you don't

2623

01:44:34,790 --> 01:44:33,000

want to but I was just curious like if

2624

01:44:36,649 --> 01:44:34,800

you had a religious upbringing like

2625

01:44:38,270 --> 01:44:36,659

going to church like with songs and

2626

01:44:40,310 --> 01:44:38,280

stuff and like we talked a little bit

2627

01:44:43,430 --> 01:44:40,320

about like institutions sort of like

2628

01:44:46,129 --> 01:44:43,440

having a monopoly on those uh processes

2629

01:44:48,830 --> 01:44:46,139

that produce these sort of like amazing

2630

01:44:52,550 --> 01:44:48,840

experiences yeah yes

2631

01:44:53,990 --> 01:44:52,560

um so I again my mother is an

2632

01:44:56,030 --> 01:44:54,000

Evangelical Christian

2633

01:44:58,729 --> 01:44:56,040

but she also

2634

01:45:01,129 --> 01:44:58,739

I mean probably has ADHD might also be

2635

01:45:05,090 --> 01:45:01,139

autistic hates people hates

2636

01:45:09,050 --> 01:45:05,100

organizations does not go to church

2637

01:45:10,729 --> 01:45:09,060

um practice astrology like I you know I

2638

01:45:12,050 --> 01:45:10,739

grew up believing that Jesus was my

2639

01:45:13,790 --> 01:45:12,060

savior and you could just feel him in

2640

01:45:16,850 --> 01:45:13,800

your heart I also knew my entire birth

2641

01:45:19,990 --> 01:45:16,860

chart growing up right so she's just

2642

01:45:23,090 --> 01:45:20,000

always done her own thing as well

2643

01:45:26,689 --> 01:45:23,100

but on my podcast I've interviewed

2644

01:45:28,189 --> 01:45:26,699

multiple I think three people who grew

2645

01:45:29,689 --> 01:45:28,199

up Pentecostal or who were in the

2646

01:45:31,729 --> 01:45:29,699

Pentecostal church at some point and

2647

01:45:34,189 --> 01:45:31,739

then became magic right there yes

2648

01:45:35,870 --> 01:45:34,199

exactly

2649

01:45:38,810 --> 01:45:35,880

yes

2650

01:45:42,410 --> 01:45:38,820

um and you know speaking in tongues and

2651
01:45:44,629 --> 01:45:42,420
having the gift of Prophecy and and all

2652
01:45:46,850 --> 01:45:44,639
of those things that in one specific

2653
01:45:50,390 --> 01:45:46,860
content the context mean that you're

2654
01:45:53,810 --> 01:45:50,400
holy and pure but is outside of that

2655
01:45:57,109 --> 01:45:53,820
context it's the devil like there is no

2656
01:45:59,510 --> 01:45:57,119
there is no equivocating like it it is

2657
01:46:00,350 --> 01:45:59,520
one or it is the other

2658
01:46:05,209 --> 01:46:00,360
um

2659
01:46:07,430 --> 01:46:05,219
yes uh uh it's it's such a uh it's such

2660
01:46:09,530 --> 01:46:07,440
a fascinating thing because again you

2661
01:46:12,350 --> 01:46:09,540
have that like ecstatic magical

2662
01:46:14,330 --> 01:46:12,360
experience group ritual

2663
01:46:16,490 --> 01:46:14,340

um but it only happens in church and

2664

01:46:18,470 --> 01:46:16,500

it's only from this one God from this

2665

01:46:19,669 --> 01:46:18,480

one book that we've decided is the holy

2666

01:46:22,669 --> 01:46:19,679

word

2667

01:46:26,030 --> 01:46:22,679

um and and witches have that experience

2668

01:46:29,750 --> 01:46:26,040

outside of those structures and realize

2669

01:46:31,669 --> 01:46:29,760

that it's them and it's not the thing

2670

01:46:34,010 --> 01:46:31,679

um but again when people are taught that

2671

01:46:36,050 --> 01:46:34,020

they they need these things to mediate

2672

01:46:37,370 --> 01:46:36,060

their experience with the Divine then

2673

01:46:38,570 --> 01:46:37,380

they'll gravitate towards that and they

2674

01:46:41,209 --> 01:46:38,580

won't see their own power and they'll

2675

01:46:43,669 --> 01:46:41,219

see people who attract and want to have

2676

01:46:46,010 --> 01:46:43,679

their own power cultivate that power as

2677

01:46:47,450 --> 01:46:46,020

demonic or evil

2678

01:46:49,850 --> 01:46:47,460

um you know somebody you're supposed to

2679

01:46:52,189 --> 01:46:49,860

cast out so I feel like I had this

2680

01:46:55,010 --> 01:46:52,199

really interesting

2681

01:46:58,010 --> 01:46:55,020

like again barely went to church growing

2682

01:47:00,410 --> 01:46:58,020

up but very much believed as my mom did

2683

01:47:02,270 --> 01:47:00,420

like you believe in Jesus Jesus is the

2684

01:47:03,290 --> 01:47:02,280

son of God Jesus is your savior you go

2685

01:47:06,830 --> 01:47:03,300

to heaven

2686

01:47:09,050 --> 01:47:06,840

and a physical visceral experience that

2687

01:47:12,229 --> 01:47:09,060

I would feel in my chest when I would

2688

01:47:14,629 --> 01:47:12,239

imagine Jesus and the love of Jesus it

2689

01:47:17,870 --> 01:47:14,639

is the same physical experience I have

2690

01:47:20,390 --> 01:47:17,880

ritually when I meditate on Kali Ma it

2691

01:47:23,090 --> 01:47:20,400

is this it is the same

2692

01:47:26,030 --> 01:47:23,100

um the the same tingling up here that

2693

01:47:28,430 --> 01:47:26,040

same fullness here it's the same I can

2694

01:47:30,950 --> 01:47:28,440

lean into that at any moment and feel it

2695

01:47:34,910 --> 01:47:30,960

and replicate that in my body

2696

01:47:36,770 --> 01:47:34,920

it's it's not you know again I my

2697

01:47:38,810 --> 01:47:36,780

journey allowed me to see like oh it's

2698

01:47:42,290 --> 01:47:38,820

it's not that it was never that it was

2699

01:47:44,750 --> 01:47:42,300

it was me and my connection to something

2700

01:47:46,729 --> 01:47:44,760

yeah

2701
01:47:49,129 --> 01:47:46,739
um but I also know a lot of people who

2702
01:47:51,350 --> 01:47:49,139
grew up very religious and they have

2703
01:47:54,290 --> 01:47:51,360
incredible stories

2704
01:47:57,410 --> 01:47:54,300
about that like being in the church band

2705
01:47:59,689 --> 01:47:57,420
or you know again having visions

2706
01:48:01,310 --> 01:47:59,699
um having the gift of Prophecy and then

2707
01:48:02,390 --> 01:48:01,320
as soon as it doesn't line up with the

2708
01:48:03,169 --> 01:48:02,400
church

2709
01:48:06,470 --> 01:48:03,179
um

2710
01:48:08,870 --> 01:48:06,480
you're out right yeah well that's the

2711
01:48:12,709 --> 01:48:08,880
interesting thing like the culture is so

2712
01:48:14,990 --> 01:48:12,719
powerfully like this core like

2713
01:48:17,390 --> 01:48:15,000

the threat of being

2714

01:48:20,689 --> 01:48:17,400

put out of that culture is so powerful

2715

01:48:24,350 --> 01:48:20,699

right like and it resists the change in

2716

01:48:26,510 --> 01:48:24,360

the ideas it's like I remember I ordered

2717

01:48:28,010 --> 01:48:26,520

like a simple English Bible many many

2718

01:48:29,990 --> 01:48:28,020

years ago to sort of like read through

2719

01:48:31,250 --> 01:48:30,000

to get what the heck was going on and I

2720

01:48:32,810 --> 01:48:31,260

felt like I was looking at the sections

2721

01:48:34,850 --> 01:48:32,820

on it's like where in the Bible does it

2722

01:48:37,129 --> 01:48:34,860

actually instruct you how to pray and I

2723

01:48:40,490 --> 01:48:37,139

felt like I go to it and it's like go

2724

01:48:43,070 --> 01:48:40,500

into your house go into the closet close

2725

01:48:46,490 --> 01:48:43,080

the door so that no one can be with you

2726

01:48:48,050 --> 01:48:46,500

and do not make a single sound and

2727

01:48:49,729 --> 01:48:48,060

that's how you're instructed to pray in

2728

01:48:51,470 --> 01:48:49,739

the Bible yeah and it's the exact

2729

01:48:53,510 --> 01:48:51,480

opposite you go into as bigger room as

2730

01:48:55,070 --> 01:48:53,520

there is in your community and you all

2731

01:48:57,590 --> 01:48:55,080

make a lot of noise together

2732

01:48:59,390 --> 01:48:57,600

and as the connection to the actual text

2733

01:49:02,030 --> 01:48:59,400

that you say is written by like it's

2734

01:49:04,430 --> 01:49:02,040

like the disclosure kind of right

2735

01:49:07,430 --> 01:49:04,440

it doesn't matter it absolutely it

2736

01:49:10,189 --> 01:49:07,440

absolutely does and and people get so

2737

01:49:12,370 --> 01:49:10,199

wrapped up in again it's that the

2738

01:49:15,050 --> 01:49:12,380

culture and that expectation of

2739

01:49:17,870 --> 01:49:15,060

submitting to the will of the group

2740

01:49:19,010 --> 01:49:17,880

right disclosure is coming disclosure is

2741

01:49:21,890 --> 01:49:19,020

coming

2742

01:49:25,850 --> 01:49:21,900

disclosure has been promised for 60 odd

2743

01:49:28,790 --> 01:49:25,860

years uh I haven't seen it you know

2744

01:49:30,649 --> 01:49:28,800

um and so everybody is just supposed to

2745

01:49:33,169 --> 01:49:30,659

fall in and very similarly with like

2746

01:49:35,689 --> 01:49:33,179

what a church tells you Christianity is

2747

01:49:37,850 --> 01:49:35,699

you got to fall in line with that and

2748

01:49:40,250 --> 01:49:37,860

and again everybody has to fall in line

2749

01:49:42,590 --> 01:49:40,260

because again once you let in the

2750

01:49:45,649 --> 01:49:42,600

gnostics are still my favorite right

2751
01:49:47,330 --> 01:49:45,659
because we're all equal you draw lots to

2752
01:49:49,310 --> 01:49:47,340
see who's the priest that day and who's

2753
01:49:51,470 --> 01:49:49,320
going to give service anybody can do it

2754
01:49:53,570 --> 01:49:51,480
though because we are all equal right we

2755
01:49:54,290 --> 01:49:53,580
are all children of God

2756
01:49:57,290 --> 01:49:54,300
um

2757
01:49:59,169 --> 01:49:57,300
that like again if you want to maintain

2758
01:50:02,030 --> 01:49:59,179
a hierarchy

2759
01:50:04,129 --> 01:50:02,040
controlling everybody's beliefs is the

2760
01:50:07,669 --> 01:50:04,139
way to control make sure that you're at

2761
01:50:10,669 --> 01:50:07,679
the top right and that nobody else can

2762
01:50:11,870 --> 01:50:10,679
um can question that so so yeah you see

2763
01:50:14,629 --> 01:50:11,880

it in disclosure you see it in the

2764

01:50:17,990 --> 01:50:17,030

it's interesting oh sorry go online I

2765

01:50:19,910 --> 01:50:18,000

was just going to say thank you to

2766

01:50:24,169 --> 01:50:19,920

Gobstopper yes I'm broadcasting from the

2767

01:50:28,850 --> 01:50:26,629

um sorry go ahead Campbell

2768

01:50:31,129 --> 01:50:28,860

uh oh God I don't know what I was going

2769

01:50:33,350 --> 01:50:31,139

to say now something fantastic let's

2770

01:50:36,590 --> 01:50:33,360

move on okay wait we're almost at the

2771

01:50:39,050 --> 01:50:36,600

top of the hour so yeah what all right I

2772

01:50:41,750 --> 01:50:39,060

know Vanessa this is amazing we loved

2773

01:50:44,030 --> 01:50:41,760

having you on yes thank you

2774

01:50:46,910 --> 01:50:44,040

um where can our viewers and our

2775

01:50:48,890 --> 01:50:46,920

listeners find you so I'm uh all over

2776

01:50:50,209 --> 01:50:48,900

the place because ADHD

2777

01:50:52,629 --> 01:50:50,219

um if you're interested in seeing my

2778

01:50:56,030 --> 01:50:52,639

chainmail uh that is Kali butterfly

2779

01:50:57,410 --> 01:50:56,040

k-a-l-i butterfly.com that's also the

2780

01:51:01,430 --> 01:50:57,420

handle you can find me on most social

2781

01:51:02,750 --> 01:51:01,440

media so Twitter Instagram around some

2782

01:51:06,229 --> 01:51:02,760

parts

2783

01:51:08,930 --> 01:51:06,239

um the uh so personal pans is my podcast

2784

01:51:10,970 --> 01:51:08,940

is at anchor.fm although I think that

2785

01:51:14,750 --> 01:51:10,980

recently changed but it still redirects

2786

01:51:16,970 --> 01:51:14,760

anchor dot fm personal pans um I'm also

2787

01:51:18,350 --> 01:51:16,980

on Instagram at that personal pans and

2788

01:51:22,149 --> 01:51:18,360

on Twitter

2789

01:51:24,590 --> 01:51:22,159

um and then pampericon oh thank you

2790

01:51:26,450 --> 01:51:24,600

Chad has been lovely from what I've seen

2791

01:51:27,890 --> 01:51:26,460

so everybody's yes that's because of

2792

01:51:28,629 --> 01:51:27,900

people are [h__h] I just ban them and

2793

01:51:31,370 --> 01:51:28,639

kick them

2794

01:51:32,810 --> 01:51:31,380

we have a good crowd right this is not a

2795

01:51:36,129 --> 01:51:32,820

democracy this isn't benevolent

2796

01:51:38,149 --> 01:51:36,139

dictatorship so people are Jewish

2797

01:51:40,070 --> 01:51:38,159

again that's kind of how I run

2798

01:51:42,229 --> 01:51:40,080

pampericons like I found out something

2799

01:51:45,729 --> 01:51:42,239

about you you were on the ban list yes

2800

01:51:50,990 --> 01:51:45,739

yeah and I'm the decider so that's it

2801
01:51:54,229 --> 01:51:51,000
I'm the decider yeah no appeals process

2802
01:51:55,609 --> 01:51:54,239
um speaking of you can find uh uh the

2803
01:51:57,050 --> 01:51:55,619
past two years of pampericon at

2804
01:51:58,430 --> 01:51:57,060
pampericon.com

2805
01:52:00,830 --> 01:51:58,440
um most of that just redirects to

2806
01:52:02,930 --> 01:52:00,840
YouTube which is on there

2807
01:52:06,310 --> 01:52:02,940
um I have a patreon but I uh don't

2808
01:52:08,689 --> 01:52:06,320
promote at all it's uh patreon.com

2809
01:52:11,330 --> 01:52:08,699
witchcrafts uh if you're interested in

2810
01:52:13,129 --> 01:52:11,340
Tarot readings or tarotmail or just want

2811
01:52:15,050 --> 01:52:13,139
to see either

2812
01:52:17,149 --> 01:52:15,060
um episodes of the show before I release

2813
01:52:19,430 --> 01:52:17,159

them publicly or new creative projects

2814

01:52:21,709 --> 01:52:19,440

you can follow me there

2815

01:52:24,430 --> 01:52:21,719

beautiful yeah Vanessa thank you so much

2816

01:52:28,910 --> 01:52:27,410

anytime this is wonderful this is great

2817

01:52:33,649 --> 01:52:28,920

um I'm gonna put you off the stream and

2818

01:52:39,350 --> 01:52:36,410

all right gentlemen we did it without

2819

01:52:41,330 --> 01:52:39,360

Nick we've made it Miracles full two

2820

01:52:43,669 --> 01:52:41,340

hours I know it is a miracle how did we

2821

01:52:45,590 --> 01:52:43,679

do it I don't know we had a very

2822

01:52:46,669 --> 01:52:45,600

compelling guest yeah

2823

01:52:49,010 --> 01:52:46,679

um

2824

01:52:50,510 --> 01:52:49,020

what's going on in your guys world how

2825

01:52:51,590 --> 01:52:50,520

are things

2826

01:52:54,050 --> 01:52:51,600

pretty good

2827

01:52:55,970 --> 01:52:54,060

anything going on

2828

01:52:57,410 --> 01:52:55,980

what were you gonna say Louise I pause

2829

01:52:59,149 --> 01:52:57,420

because you're leaning forward I thought

2830

01:53:02,410 --> 01:52:59,159

you're gonna have something big oh no I

2831

01:53:04,550 --> 01:53:02,420

was just checking my bag of the phone

2832

01:53:06,649 --> 01:53:04,560

oh snacks

2833

01:53:09,830 --> 01:53:06,659

checking out any left are about to be

2834

01:53:14,990 --> 01:53:12,290

it nice yeah but no yeah just uh getting

2835

01:53:18,530 --> 01:53:15,000

ready for the the warm spring season

2836

01:53:20,870 --> 01:53:18,540

it's exciting oh yeah time changing too

2837

01:53:22,970 --> 01:53:20,880

it like is like energizing man like look

2838

01:53:25,370 --> 01:53:22,980

outside at 7 30 and I can still like see

2839

01:53:26,689 --> 01:53:25,380

across the street it's like oh my god oh

2840

01:53:28,490 --> 01:53:26,699

yeah dude I feel like I'm on a party

2841

01:53:30,470 --> 01:53:28,500

drug like once it starts getting late

2842

01:53:34,490 --> 01:53:30,480

and I'm outside in springtime I am like

2843

01:53:38,030 --> 01:53:34,500

Go Go 24 7. so next week

2844

01:53:40,970 --> 01:53:38,040

we have talisma on we've spoken to

2845

01:53:45,590 --> 01:53:42,890

um and then the week after on the 29th

2846

01:53:46,430 --> 01:53:45,600

we will be welcoming Kurt Collins onto

2847

01:53:47,810 --> 01:53:46,440

the show

2848

01:53:49,850 --> 01:53:47,820

um and it's also noteworthy because I

2849

01:53:52,310 --> 01:53:49,860

will not be here on the 29th so it will

2850

01:53:53,870 --> 01:53:52,320

be you gentlemen running things Campbell

2851
01:53:56,629 --> 01:53:53,880
I hope that I can train you well on

2852
01:53:59,450 --> 01:53:56,639
stream yard I hope you get some viewers

2853
01:54:00,649 --> 01:53:59,460
um well I I was hoping you weren't going

2854
01:54:02,510 --> 01:54:00,659
to tell people you weren't going to be

2855
01:54:04,970 --> 01:54:02,520
here now we're in trouble sorry people

2856
01:54:07,729 --> 01:54:04,980
okay well we'll leave it up in the air I

2857
01:54:09,470 --> 01:54:07,739
probably but Kirk odds is going to be a

2858
01:54:10,729 --> 01:54:09,480
baller guest he almost never does shows

2859
01:54:11,810 --> 01:54:10,739
so it's super exciting that we've got

2860
01:54:13,609 --> 01:54:11,820
him on

2861
01:54:15,590 --> 01:54:13,619
um and I honestly think especially Nick

2862
01:54:17,209 --> 01:54:15,600
will be an amazing interviewer for that

2863
01:54:20,030 --> 01:54:17,219

episode because Nick's such a case guy

2864

01:54:21,709 --> 01:54:20,040

oh yeah Louise and Nick and uh I've got

2865

01:54:23,149 --> 01:54:21,719

a few things too Kurt's great he's got

2866

01:54:24,770 --> 01:54:23,159

his uh you know blue blue lines and

2867

01:54:28,490 --> 01:54:24,780

stuff like that yeah it's cash Landrum

2868

01:54:30,290 --> 01:54:28,500

stuff yes Incredible Cool all right

2869

01:54:32,629 --> 01:54:30,300

if there's nothing else I'm happy to say

2870

01:54:34,850 --> 01:54:32,639

goodnight to everyone be safe be well

2871

01:54:40,910 --> 01:54:34,860

and we will see you guys next week

2872

01:55:03,650 --> 01:55:01,270

[Music]

2873

01:55:16,860 --> 01:55:03,660

thank you

2874

01:55:19,729 --> 01:55:16,870

[Music]

2875

01:55:20,990 --> 01:55:19,739

[Applause]
