

***MICHAEL HUNTINGTON***  
***UFOLOGY REFORM***

**28**

***THE INVISIBLE***  
***NIGHT SCHOOL***

1  
00:00:00,140 --> 00:00:15,430  
[Music]

2  
00:00:15,440 --> 00:00:22,340  
thank you

3  
00:00:30,270 --> 00:00:27,690  
[Music]

4  
00:00:37,190 --> 00:00:30,280  
[Applause]

5  
00:00:37,200 --> 00:00:44,870  
foreign

6  
00:01:32,469 --> 00:01:26,929  
[Music]

7  
00:01:36,590 --> 00:01:35,210  
from the high peaks Wilderness I bid you

8  
00:01:38,390 --> 00:01:36,600  
all good evening good morning good

9  
00:01:40,310 --> 00:01:38,400  
afternoon wherever you may be Across the

10  
00:01:41,929 --> 00:01:40,320  
Nation around the world my name is Leah

11  
00:01:43,010 --> 00:01:41,939  
Prime and this is the invisible night

12  
00:01:44,569 --> 00:01:43,020  
school

13  
00:01:46,069 --> 00:01:44,579

for those of you just joining us the

14

00:01:48,350 --> 00:01:46,079

invisible night school is a small

15

00:01:49,969 --> 00:01:48,360

Consortium of lay researchers and

16

00:01:52,249 --> 00:01:49,979

Scholars pursuing the study and

17

00:01:54,889 --> 00:01:52,259

exploration of ufology high strangeness

18

00:01:57,109 --> 00:01:54,899

and the phenomenon ins is not a monolith

19

00:01:59,330 --> 00:01:57,119

we represent varied ideas backgrounds

20

00:02:00,889 --> 00:01:59,340

disciplines and experiences and seek to

21

00:02:03,230 --> 00:02:00,899

engage in good faith dialogue with other

22

00:02:05,870 --> 00:02:03,240

curious minds tonight we are super

23

00:02:07,370 --> 00:02:05,880

excited to welcome Mike Huntington I'm

24

00:02:09,309 --> 00:02:07,380

also personally very excited to be back

25

00:02:12,290 --> 00:02:09,319

after a brief Hiatus of a few weeks

26

00:02:15,350 --> 00:02:12,300

super delighted to see some of our

27

00:02:17,270 --> 00:02:15,360

friends and fans in the audience as

28

00:02:19,309 --> 00:02:17,280

usual hi to Simon

29

00:02:21,550 --> 00:02:19,319

Jim what's going on

30

00:02:24,290 --> 00:02:21,560

V

31

00:02:26,150 --> 00:02:24,300

Rock SD yes congratulations thank you

32

00:02:28,550 --> 00:02:26,160

yes I was awake getting engaged so I now

33

00:02:30,229 --> 00:02:28,560

have like an engagement ring on I have

34

00:02:31,610 --> 00:02:30,239

incredibly found someone who wants to

35

00:02:33,290 --> 00:02:31,620

spend all of eternity with me this

36

00:02:35,089 --> 00:02:33,300

boggles my mind as well as it boggles

37

00:02:35,869 --> 00:02:35,099

everyone else's

38

00:02:39,170 --> 00:02:35,879

um

39

00:02:41,809 --> 00:02:39,180

thank you and hi to Spooky super excited

40

00:02:44,030 --> 00:02:41,819

for your upcoming travel Vapor missiles

41

00:02:47,509 --> 00:02:44,040

what's going on

42

00:02:49,790 --> 00:02:47,519

Jan and of course the Earth

43

00:02:52,430 --> 00:02:49,800

um some of my it's like the who's who of

44

00:02:53,869 --> 00:02:52,440

all my favorites in the audience tonight

45

00:02:55,130 --> 00:02:53,879

um so before I welcome them on to the

46

00:02:57,170 --> 00:02:55,140

stream I'd just love to give you guys

47

00:02:59,150 --> 00:02:57,180

some background on Michael Huntington

48

00:03:01,970 --> 00:02:59,160

he's a paranormal travel writer blogger

49

00:03:03,890 --> 00:03:01,980

and UFO researcher from Cape Girardeau

50

00:03:06,229 --> 00:03:03,900

Missouri who's investigated the unusual

51  
00:03:08,089 --> 00:03:06,239  
since the 1970s he's traveled to

52  
00:03:10,250 --> 00:03:08,099  
hundreds of places in the U.S with his

53  
00:03:12,290 --> 00:03:10,260  
family documenting strange locations in

54  
00:03:14,930 --> 00:03:12,300  
Lost lore building a paranormal location

55  
00:03:17,270 --> 00:03:14,940  
GPS research database with thousands of

56  
00:03:19,070 --> 00:03:17,280  
locations his writings and photography

57  
00:03:21,050 --> 00:03:19,080  
work can be found across the social

58  
00:03:23,509 --> 00:03:21,060  
media landscape on Facebook Instagram

59  
00:03:24,710 --> 00:03:23,519  
and Twitter and on the strange travels

60  
00:03:25,369 --> 00:03:24,720  
blog

61  
00:03:30,050 --> 00:03:25,379  
um

62  
00:03:32,030 --> 00:03:30,060  
eventually to be released strange travel

63  
00:03:33,350 --> 00:03:32,040

book series so we are super excited to

64

00:03:35,330 --> 00:03:33,360

bring Michael onto the show this evening

65

00:03:37,869 --> 00:03:35,340

so without any further delay I'm going

66

00:03:39,949 --> 00:03:37,879

to bring on my co-hosts uh Lewis

67

00:03:42,410 --> 00:03:39,959

wonderful to see you

68

00:03:44,089 --> 00:03:42,420

Campbell great job running the show in

69

00:03:46,430 --> 00:03:44,099

my absence I went back and listened to

70

00:03:48,710 --> 00:03:46,440

read the intro I was very impressed

71

00:03:50,390 --> 00:03:48,720

um thank you also I I did want to also

72

00:03:51,710 --> 00:03:50,400

say I was delighted that you even kept

73

00:03:53,390 --> 00:03:51,720

from the Great Northern Wilderness

74

00:03:55,910 --> 00:03:53,400

because that applies as much to you as

75

00:03:59,210 --> 00:03:55,920

it does to me if not more so since

76

00:04:01,910 --> 00:03:59,220

possibly more so yes laughs

77

00:04:03,830 --> 00:04:01,920

of course our resident dubious Layman

78

00:04:06,830 --> 00:04:03,840

Nick how are you friend

79

00:04:08,809 --> 00:04:06,840

how are you yes wonderful to see all of

80

00:04:10,970 --> 00:04:08,819

you and um of course the men of the hour

81

00:04:14,350 --> 00:04:10,980

my Counting 10.

82

00:04:17,390 --> 00:04:14,360

hello hello so nice to have you here

83

00:04:19,009 --> 00:04:17,400

thank you I think uh Leah I think you

84

00:04:20,990 --> 00:04:19,019

left something out of his intro I think

85

00:04:23,390 --> 00:04:21,000

he forgot to mention that he was the uh

86

00:04:24,110 --> 00:04:23,400

the youngest associate of apro at one

87

00:04:25,730 --> 00:04:24,120

time

88

00:04:29,390 --> 00:04:25,740

isn't that true Michael

89

00:04:32,570 --> 00:04:29,400

uh yeah I uh got involved in this

90

00:04:35,150 --> 00:04:32,580

subject when I was a kid uh you know I

91

00:04:36,230 --> 00:04:35,160

uh growing up in the 70s we sort of had

92

00:04:39,530 --> 00:04:36,240

all this

93

00:04:43,249 --> 00:04:39,540

uh UFO stuff all around us on television

94

00:04:46,790 --> 00:04:43,259

and movies uh tabloid it was sort of

95

00:04:48,490 --> 00:04:46,800

everywhere and uh I was captivated by

96

00:04:51,350 --> 00:04:48,500

some of the uh the cases of the time

97

00:04:53,990 --> 00:04:51,360

especially the Travis Walton case

98

00:04:57,530 --> 00:04:54,000

and the the Stanford abduction those

99

00:05:01,370 --> 00:04:57,540

things sort of piqued my interest

100

00:05:03,469 --> 00:05:01,380

um my family was uh

101  
00:05:05,450 --> 00:05:03,479  
was okay with that you know they

102  
00:05:07,909 --> 00:05:05,460  
encouraged that they got me all of the

103  
00:05:10,610 --> 00:05:07,919  
UFO magazines and all of the books and

104  
00:05:11,629 --> 00:05:10,620  
all the Tabloid stuff you know uh pretty

105  
00:05:13,070 --> 00:05:11,639  
much ever

106  
00:05:16,129 --> 00:05:13,080  
everything

107  
00:05:20,270 --> 00:05:16,139  
um related to the subject

108  
00:05:22,249 --> 00:05:20,280  
um and I I dove into it I I got

109  
00:05:24,469 --> 00:05:22,259  
interested in in it you know when I was

110  
00:05:27,529 --> 00:05:24,479  
eight years old I had pictures of Travis

111  
00:05:29,510 --> 00:05:27,539  
Walton getting Zapped by a UFO on my

112  
00:05:34,129 --> 00:05:29,520  
wall and uh

113  
00:05:37,730 --> 00:05:34,139

and I I wanted to uh pursue you know

114

00:05:40,610 --> 00:05:37,740

being a ufologist and that was something

115

00:05:44,810 --> 00:05:40,620

that I always was interested in and I

116

00:05:49,010 --> 00:05:44,820

started uh writing to organizations

117

00:05:51,529 --> 00:05:49,020

uh in the uh the late 70s and uh

118

00:05:53,210 --> 00:05:51,539

you know a lot of them were trying to do

119

00:05:56,749 --> 00:05:53,220

the scientific approach you know so when

120

00:05:58,850 --> 00:05:56,759

I wrote a post and and not a cap and and

121

00:06:00,469 --> 00:05:58,860

apro and all of them it was like okay

122

00:06:03,830 --> 00:06:00,479

kid yeah whatever you can get a

123

00:06:07,790 --> 00:06:03,840

subscription or whatnot but uh

124

00:06:10,490 --> 00:06:07,800

uh afro I sort of uh went after and I

125

00:06:13,249 --> 00:06:10,500

think uh you know pestered them into uh

126  
00:06:16,010 --> 00:06:13,259  
making me an associate and what is that

127  
00:06:18,050 --> 00:06:16,020  
acronym just for uh the real phenomena

128  
00:06:20,629 --> 00:06:18,060  
research organization it was one of the

129  
00:06:22,309 --> 00:06:20,639  
uh the leading civilian investigative

130  
00:06:25,070 --> 00:06:22,319  
organizations

131  
00:06:29,450 --> 00:06:25,080  
uh throughout like the uh the 60s and

132  
00:06:33,650 --> 00:06:29,460  
the 70s it's uh Jim and Carol Lorenzen

133  
00:06:36,050 --> 00:06:33,660  
out of Tucson Arizona uh ran that and uh

134  
00:06:40,129 --> 00:06:36,060  
they were promoting you know a

135  
00:06:42,290 --> 00:06:40,139  
scientific approach uh to UFOs uh back

136  
00:06:45,050 --> 00:06:42,300  
then at you know in the in the 60s and

137  
00:06:48,650 --> 00:06:45,060  
the 70s as were you know groups like uh

138  
00:06:51,170 --> 00:06:48,660

like from the UFO studies and and others

139

00:06:52,909 --> 00:06:51,180

and they uh

140

00:06:56,150 --> 00:06:52,919

you know so they they were looking for

141

00:07:00,350 --> 00:06:56,160

scientists and all that but uh uh I

142

00:07:02,629 --> 00:07:00,360

think Jim died in like 84 or 85 and then

143

00:07:06,350 --> 00:07:02,639

Carol soon after and then you know

144

00:07:08,330 --> 00:07:06,360

heineck was gone by 86 so sort of before

145

00:07:11,510 --> 00:07:08,340

that period you know it was uh sort of

146

00:07:14,390 --> 00:07:11,520

the end of apro uh you know when I got

147

00:07:18,050 --> 00:07:14,400

got involved so uh they were gracious

148

00:07:20,270 --> 00:07:18,060

enough to uh uh you know let me uh have

149

00:07:21,830 --> 00:07:20,280

a card and do all that I got I got it

150

00:07:24,409 --> 00:07:21,840

somewhere and I got all my bullets and

151

00:07:27,110 --> 00:07:24,419

still and uh

152

00:07:30,950 --> 00:07:27,120

um later on went on to to join like

153

00:07:33,529 --> 00:07:30,960

mufon and and and all that and I I

154

00:07:36,529 --> 00:07:33,539

studied philosophy of science at

155

00:07:39,890 --> 00:07:36,539

Southeast Missouri here uh focusing on

156

00:07:41,749 --> 00:07:39,900

uh pseudoscientific demarcation uh I

157

00:07:44,809 --> 00:07:41,759

didn't graduate I was one of those uh

158

00:07:48,110 --> 00:07:44,819

guys that uh took philosophy

159

00:07:49,010 --> 00:07:48,120

took every philosophy course and and you

160

00:07:51,230 --> 00:07:49,020

know like

161

00:07:54,110 --> 00:07:51,240

a lot of philosophers you either become

162

00:07:55,850 --> 00:07:54,120

a a professor or you're you know you're

163

00:07:59,629 --> 00:07:55,860

a fry cook or you're working a lot of

164

00:08:02,809 --> 00:07:59,639

different jobs I I ended up uh uh I

165

00:08:07,070 --> 00:08:02,819

worked in politics I uh uh I had a video

166

00:08:09,170 --> 00:08:07,080

store I did some filmmaking I got

167

00:08:11,450 --> 00:08:09,180

married had kids did a lot of different

168

00:08:15,170 --> 00:08:11,460

stuff that sort of diverted me from uh

169

00:08:17,330 --> 00:08:15,180

from different paths but uh uh yeah

170

00:08:19,610 --> 00:08:17,340

that's that that's my background the UFO

171

00:08:21,230 --> 00:08:19,620

thing's always been there you said that

172

00:08:24,529 --> 00:08:21,240

you uh went to school at Southeast

173

00:08:26,629 --> 00:08:24,539

Missouri is that right yes and is that

174

00:08:28,610 --> 00:08:26,639

not uh the place where uh Harley

175

00:08:31,129 --> 00:08:28,620

Rutledge doctor Harley Rutledge the

176

00:08:33,290 --> 00:08:31,139

solid state physicist uh taught and uh

177

00:08:36,409 --> 00:08:33,300

if I'm ready wasn't he one of the first

178

00:08:39,409 --> 00:08:36,419

uh private sector public sector uh

179

00:08:43,670 --> 00:08:39,419

scientist to lead a extensive UFO field

180

00:08:45,829 --> 00:08:43,680

study uh nearby yeah uh I I am in Cape

181

00:08:48,650 --> 00:08:45,839

Girardeau Cape Girardeau does have uh

182

00:08:52,730 --> 00:08:48,660

you know a considerable amount of UFO

183

00:08:55,130 --> 00:08:52,740

lore as as well as contributions uh I I

184

00:08:59,329 --> 00:08:55,140

live in Kate but I'm originally from St

185

00:09:01,670 --> 00:08:59,339

Louis uh which likewise also has a

186

00:09:03,949 --> 00:09:01,680

history of uh you know contributions to

187

00:09:06,230 --> 00:09:03,959

the field uh you know that that's where

188

00:09:08,690 --> 00:09:06,240

you know the St Louis Flying Saucer

189

00:09:09,949 --> 00:09:08,700

groups uh you know ended up forming

190

00:09:13,070 --> 00:09:09,959

mufon

191

00:09:16,730 --> 00:09:13,080

uh out of the St Louis Flying Saucer

192

00:09:19,910 --> 00:09:16,740

clubs uh uh Ted Phillips uh one of the

193

00:09:22,910 --> 00:09:19,920

the greatest researchers ever is uh was

194

00:09:26,810 --> 00:09:22,920

from Central Missouri uh and yes

195

00:09:30,290 --> 00:09:26,820

Southeast Missouri uh uh my alma mater

196

00:09:32,990 --> 00:09:30,300

I had Dr Harley Rutledge who was uh the

197

00:09:36,590 --> 00:09:33,000

chair of the astronomy department at

198

00:09:37,430 --> 00:09:36,600

Southeast uh in the 60s and the 70s

199

00:09:43,070 --> 00:09:37,440

um

200

00:09:44,750 --> 00:09:43,080

legitimate scientist uh trained uh you

201  
00:09:47,509 --> 00:09:44,760  
know astronomers that went on to great

202  
00:09:48,829 --> 00:09:47,519  
careers including some uh at least one

203  
00:09:51,590 --> 00:09:48,839  
astronaut

204  
00:09:53,449 --> 00:09:51,600  
and uh

205  
00:09:57,350 --> 00:09:53,459  
he was

206  
00:10:01,790 --> 00:09:57,360  
sort of intrigued uh by the subject uh

207  
00:10:03,889 --> 00:10:01,800  
beginning I think in 1973 when there was

208  
00:10:06,889 --> 00:10:03,899  
a wave of sightings throughout Missouri

209  
00:10:09,350 --> 00:10:06,899  
especially around the Piedmont Missouri

210  
00:10:10,790 --> 00:10:09,360  
area which is not too far from here it's

211  
00:10:14,690 --> 00:10:10,800  
you know like an hour and a half or two

212  
00:10:17,269 --> 00:10:14,700  
hours all throughout that area it was

213  
00:10:20,930 --> 00:10:17,279

called the Brushy Creek wave or the

214

00:10:23,810 --> 00:10:20,940

Brushy Creek scare literally hundreds

215

00:10:26,570 --> 00:10:23,820

and hundreds of people

216

00:10:30,769 --> 00:10:26,580

claim to have seen UFOs you know entire

217

00:10:35,329 --> 00:10:30,779

teams uh you know police

218

00:10:38,090 --> 00:10:35,339

uh Civic people teachers uh including

219

00:10:40,550 --> 00:10:38,100

you know an entire drive-in movie

220

00:10:43,090 --> 00:10:40,560

theater filled with people uh we're

221

00:10:46,430 --> 00:10:43,100

seeing things uh during that time period

222

00:10:48,470 --> 00:10:46,440

and Dr Rutledge went over to investigate

223

00:10:51,949 --> 00:10:48,480

and uh

224

00:10:53,810 --> 00:10:51,959

it was worth investigating uh Ted

225

00:10:56,030 --> 00:10:53,820

Phillips and Dr heineck also came down

226

00:10:58,850 --> 00:10:56,040

and investigated but uh

227

00:11:01,490 --> 00:10:58,860

Dr Rutledge saw that you know there was

228

00:11:03,470 --> 00:11:01,500

some sort of sustained phenomena that

229

00:11:05,509 --> 00:11:03,480

people were experiencing

230

00:11:08,389 --> 00:11:05,519

that you know they were seeing something

231

00:11:09,710 --> 00:11:08,399

that wasn't just all mass hysteria that

232

00:11:11,509 --> 00:11:09,720

there was

233

00:11:13,550 --> 00:11:11,519

you know if there's something tangible

234

00:11:15,829 --> 00:11:13,560

then it can be documented and it can be

235

00:11:18,110 --> 00:11:15,839

studied and he was in the position to be

236

00:11:20,569 --> 00:11:18,120

able to do that and he launched a

237

00:11:21,350 --> 00:11:20,579

project identification which was the

238

00:11:25,069 --> 00:11:21,360

first

239

00:11:29,030 --> 00:11:25,079

a university level field study

240

00:11:31,190 --> 00:11:29,040

of anomalies and it went on for like six

241

00:11:35,210 --> 00:11:31,200

years seven years and it used all

242

00:11:37,730 --> 00:11:35,220

different kinds of of academics and you

243

00:11:39,889 --> 00:11:37,740

know graduate students and such and they

244

00:11:43,430 --> 00:11:39,899

they documented the lights of Piedmont

245

00:11:45,050 --> 00:11:43,440

and uh the the wave that was going on in

246

00:11:49,009 --> 00:11:45,060

Ellsbery Missouri

247

00:11:51,590 --> 00:11:49,019

uh in in the late 70s and uh which also

248

00:11:53,870 --> 00:11:51,600

was had cattle mutilation mutilations

249

00:11:57,530 --> 00:11:53,880

there uh

250

00:12:01,130 --> 00:11:57,540

so yeah he he was

251

00:12:02,810 --> 00:12:01,140

I think uh he was an inspiration to me

252

00:12:06,650 --> 00:12:02,820

it was one of the reasons I came down

253

00:12:09,710 --> 00:12:06,660

here uh uh he he had already retired by

254

00:12:11,090 --> 00:12:09,720

the time I came down here but uh you

255

00:12:13,670 --> 00:12:11,100

know just uh

256

00:12:16,250 --> 00:12:13,680

just knowing you know that I'd be able

257

00:12:20,150 --> 00:12:16,260

to go here and be involved in some of

258

00:12:22,670 --> 00:12:20,160

the the history Cape also has uh you

259

00:12:25,310 --> 00:12:22,680

know a UFO crash story too and some

260

00:12:27,230 --> 00:12:25,320

other interesting folklore so I'm glad

261

00:12:28,970 --> 00:12:27,240

to be down here

262

00:12:30,230 --> 00:12:28,980

are you touched on something earlier and

263

00:12:31,850 --> 00:12:30,240

I want to I want to bring it back up

264

00:12:33,650 --> 00:12:31,860

again before we get too far away from it

265

00:12:35,870 --> 00:12:33,660

you mentioned growing up in the 70s and

266

00:12:38,930 --> 00:12:35,880

being kind of surrounded by UFOs in the

267

00:12:40,069 --> 00:12:38,940

culture I noticed like personally I've

268

00:12:42,290 --> 00:12:40,079

noticed you

269

00:12:44,389 --> 00:12:42,300

um posting a lot of kind of

270

00:12:47,329 --> 00:12:44,399

UFO culture and ephemera for throughout

271

00:12:50,329 --> 00:12:47,339

the decades how important do you think

272

00:12:52,670 --> 00:12:50,339

that culture and that saturation is to

273

00:12:55,250 --> 00:12:52,680

kind of the the overall Narrative of

274

00:12:56,449 --> 00:12:55,260

UFOs as we understand them now because I

275

00:12:58,730 --> 00:12:56,459

don't I don't think a lot of people now

276

00:13:02,210 --> 00:12:58,740

realize how popular and actually

277

00:13:04,009 --> 00:13:02,220

mainstream it was in the past

278

00:13:05,870 --> 00:13:04,019

yeah

279

00:13:08,110 --> 00:13:05,880

well you know this is something that's

280

00:13:11,210 --> 00:13:08,120

that's always sort of happened

281

00:13:12,590 --> 00:13:11,220

within the at least the UFO culture you

282

00:13:16,190 --> 00:13:12,600

know which is part of the broader

283

00:13:17,870 --> 00:13:16,200

history uh that within the culture there

284

00:13:19,550 --> 00:13:17,880

are all these different subcultures and

285

00:13:23,090 --> 00:13:19,560

there are all these different periods of

286

00:13:25,730 --> 00:13:23,100

time all these different influencers uh

287

00:13:28,190 --> 00:13:25,740

you know so um

288

00:13:32,150 --> 00:13:28,200

the wheel is pretty much reinvented

289

00:13:32,930 --> 00:13:32,160

every 10 years or so I would think and

290

00:13:35,329 --> 00:13:32,940

um

291

00:13:38,930 --> 00:13:35,339

it's also a subject where people come in

292

00:13:40,910 --> 00:13:38,940

and go out uh very rarely do people sort

293

00:13:43,190 --> 00:13:40,920

of dive into it and they stay in it for

294

00:13:46,250 --> 00:13:43,200

a long period of time I've been involved

295

00:13:49,550 --> 00:13:46,260

in this for like 46 years there's a few

296

00:13:51,230 --> 00:13:49,560

people like that but I think a lot of

297

00:13:53,750 --> 00:13:51,240

people

298

00:13:55,910 --> 00:13:53,760

um you know maybe 10 years maybe 20 or

299

00:13:58,790 --> 00:13:55,920

30 you know you got some of those those

300

00:14:01,069 --> 00:13:58,800

older Folks up there and I think you

301  
00:14:05,750 --> 00:14:01,079  
have a lot of younger people you know

302  
00:14:07,970 --> 00:14:05,760  
since 2017 uh due to all the you know

303  
00:14:11,090 --> 00:14:07,980  
the the mass media and the hype and

304  
00:14:12,769 --> 00:14:11,100  
everything uh and not knowing the stuff

305  
00:14:15,050 --> 00:14:12,779  
that had come before in the history and

306  
00:14:18,230 --> 00:14:15,060  
not knowing that a lot of this sort of

307  
00:14:19,790 --> 00:14:18,240  
you know these these movements and these

308  
00:14:21,310 --> 00:14:19,800  
and and such they're they're they're

309  
00:14:23,870 --> 00:14:21,320  
very

310  
00:14:26,150 --> 00:14:23,880  
periodic and they they sort of come and

311  
00:14:28,790 --> 00:14:26,160  
go and we you know we we have to learn

312  
00:14:31,730 --> 00:14:28,800  
from the history but uh

313  
00:14:34,250 --> 00:14:31,740

I I grew up in the 70s and I think that

314

00:14:37,910 --> 00:14:34,260

was sort of a golden age for the subject

315

00:14:39,829 --> 00:14:37,920

I mean it was you know people talk about

316

00:14:43,129 --> 00:14:39,839

you know disclosure

317

00:14:45,530 --> 00:14:43,139

having occurred because of you know

318

00:14:48,290 --> 00:14:45,540

movies and TV and all that and it's like

319

00:14:52,310 --> 00:14:48,300

you weren't around you weren't around

320

00:14:55,250 --> 00:14:52,320

back then you know in like 1978 it was

321

00:14:58,610 --> 00:14:55,260

everywhere yeah Close Encounters in

322

00:15:01,069 --> 00:14:58,620

search of uh tabloid National enquirers

323

00:15:03,710 --> 00:15:01,079

you have project UFO you had all the

324

00:15:06,949 --> 00:15:03,720

science fiction stuff yeah magazines and

325

00:15:08,990 --> 00:15:06,959

everything it was it was everywhere uh

326

00:15:10,910 --> 00:15:09,000

within the culture and and I think that

327

00:15:13,370 --> 00:15:10,920

was sort of a golden age

328

00:15:16,310 --> 00:15:13,380

and and I think it became sort of a

329

00:15:18,829 --> 00:15:16,320

missed opportunity uh you know into the

330

00:15:21,829 --> 00:15:18,839

80s and the 90s you know youth

331

00:15:24,889 --> 00:15:21,839

attainment uh became more of a thing

332

00:15:29,629 --> 00:15:24,899

and and and the narratives the stories

333

00:15:31,970 --> 00:15:29,639

became uh exploitable and uh and we got

334

00:15:36,470 --> 00:15:31,980

these cultural narratives you know Area

335

00:15:38,509 --> 00:15:36,480

51 and and uh Whitley strieber communion

336

00:15:41,629 --> 00:15:38,519

all that sort of stuff these things came

337

00:15:44,629 --> 00:15:41,639

in and sort of pushed the uh just the

338

00:15:46,490 --> 00:15:44,639

basic scientific aerial anomaly to the

339

00:15:49,250 --> 00:15:46,500

side and I think

340

00:15:51,949 --> 00:15:49,260

it's sort of been brought back in

341

00:15:54,590 --> 00:15:51,959

uh in the in the form of uaps for

342

00:15:57,889 --> 00:15:54,600

political purposes right you know that

343

00:16:01,069 --> 00:15:57,899

that at least that modicum of of being

344

00:16:03,410 --> 00:16:01,079

scientific but uh uh you know you can't

345

00:16:04,970 --> 00:16:03,420

disavow all the other strange stuff that

346

00:16:06,590 --> 00:16:04,980

goes with it but

347

00:16:09,530 --> 00:16:06,600

I noticed the language you used there

348

00:16:10,910 --> 00:16:09,540

aerial anomalies um I we talk a lot

349

00:16:12,290 --> 00:16:10,920

about how language is kind of important

350

00:16:14,930 --> 00:16:12,300

in this topic just to be on the same

351

00:16:16,430 --> 00:16:14,940

page as everyone but you since since

352

00:16:20,150 --> 00:16:16,440

I've met you you've been kind of

353

00:16:22,490 --> 00:16:20,160

advocating for a reform of ufology can

354

00:16:25,310 --> 00:16:22,500

you kind of um explain to us all what

355

00:16:29,449 --> 00:16:25,320

you mean by that and um even how how you

356

00:16:33,350 --> 00:16:31,490

sticking point for some people

357

00:16:35,269 --> 00:16:33,360

right well uh

358

00:16:36,769 --> 00:16:35,279

there's some people that don't like the

359

00:16:38,870 --> 00:16:36,779

term ufology now

360

00:16:42,710 --> 00:16:38,880

you know there's some people out there

361

00:16:44,870 --> 00:16:42,720

for various reasons that want ufology to

362

00:16:45,889 --> 00:16:44,880

die and they want to kill it and they've

363

00:16:48,650 --> 00:16:45,899

said so

364

00:16:50,269 --> 00:16:48,660

uh which is sort of perplexing you know

365

00:16:52,189 --> 00:16:50,279

it's sort of like

366

00:16:54,590 --> 00:16:52,199

you know you want to Rebrand something

367

00:16:58,129 --> 00:16:54,600

so you have to get rid of the previous

368

00:17:02,449 --> 00:16:58,139

iteration uh in order to

369

00:17:07,189 --> 00:17:02,459

keep your your control there but uh

370

00:17:10,370 --> 00:17:07,199

ufology is the study of UFOs and it will

371

00:17:12,409 --> 00:17:10,380

always you know be that even if you say

372

00:17:14,150 --> 00:17:12,419

UAP your aerial anomalies or whatever

373

00:17:17,210 --> 00:17:14,160

people are going to say you know what's

374

00:17:18,590 --> 00:17:17,220

a UAP you're going to say it to UFO

375

00:17:25,010 --> 00:17:18,600

uh

376

00:17:26,870 --> 00:17:25,020

there's already enough history there's

377

00:17:28,970 --> 00:17:26,880

already enough literature there's

378

00:17:31,070 --> 00:17:28,980

already enough of a cultural influence

379

00:17:33,350 --> 00:17:31,080

there's already been movements and

380

00:17:36,110 --> 00:17:33,360

personalities and political influences

381

00:17:39,529 --> 00:17:36,120

of the subject you know upon the culture

382

00:17:43,669 --> 00:17:39,539

I I mean it's undeniable that the

383

00:17:46,010 --> 00:17:43,679

subject is a legitimate subject worthy

384

00:17:48,350 --> 00:17:46,020

of study a lot of people sort of get

385

00:17:50,870 --> 00:17:48,360

that confused and they think that

386

00:17:53,810 --> 00:17:50,880

ufology is a Cause

387

00:17:57,710 --> 00:17:53,820

and you know to them it's the disclosure

388

00:18:01,450 --> 00:17:57,720

claw Clause you know which uh they they

389

00:18:04,150 --> 00:18:01,460

see confirmation they seek uh

390

00:18:06,010 --> 00:18:04,160

official them to recognize

391

00:18:10,669 --> 00:18:06,020

their view

392

00:18:12,890 --> 00:18:10,679

of what they think

393

00:18:15,950 --> 00:18:12,900

is behind

394

00:18:20,450 --> 00:18:15,960

which has become sort of a collection of

395

00:18:22,789 --> 00:18:20,460

everything UFO yeah okay which uh just

396

00:18:25,430 --> 00:18:22,799

drives me nuts and it's sort of become

397

00:18:28,610 --> 00:18:25,440

this thing called the phenomenon almost

398

00:18:30,770 --> 00:18:28,620

like a deification like an entity where

399

00:18:32,510 --> 00:18:30,780

we had all these various Mysteries and

400

00:18:35,690 --> 00:18:32,520

we've just collected them together into

401

00:18:39,230 --> 00:18:35,700

one big giant basket uh and I blame

402

00:18:41,830 --> 00:18:39,240

valet and uh Keel you know in a lot of

403

00:18:44,029 --> 00:18:41,840

ways for this because you know they're

404

00:18:47,930 --> 00:18:44,039

everybody's trying to create some sort

405

00:18:50,570 --> 00:18:47,940

of unified uh uh field you know right

406

00:18:52,370 --> 00:18:50,580

for everything paranormal and it may be

407

00:18:54,890 --> 00:18:52,380

there or may not be there but but I

408

00:18:58,430 --> 00:18:54,900

think the best way is to look at uh

409

00:19:01,730 --> 00:18:58,440

things cases on an individual basis and

410

00:19:04,070 --> 00:19:01,740

to uh judge everything in in common

411

00:19:06,590 --> 00:19:04,080

sense terms in a practical terms and

412

00:19:08,570 --> 00:19:06,600

judge likelihoods and not you know blow

413

00:19:11,210 --> 00:19:08,580

smoke up each other's ass about things

414

00:19:13,070 --> 00:19:11,220

you know if there's a legitimate

415

00:19:15,110 --> 00:19:13,080

interpretation that makes more sense

416

00:19:17,870 --> 00:19:15,120

than this one let's go with this

417

00:19:20,570 --> 00:19:17,880

everybody is you know so

418

00:19:21,950 --> 00:19:20,580

bound up in their their viewpoints that

419

00:19:24,770 --> 00:19:21,960

they they just wanna

420

00:19:27,370 --> 00:19:24,780

dismiss and and and put aside evidence

421

00:19:30,770 --> 00:19:27,380

it it's all competing interpretations

422

00:19:34,370 --> 00:19:30,780

ultimately and um you know this this

423

00:19:36,470 --> 00:19:34,380

this subject is it's not a Cause

424

00:19:39,529 --> 00:19:36,480

it's not a mystery

425

00:19:42,650 --> 00:19:39,539

it it's the mystery it's a collection of

426

00:19:46,070 --> 00:19:42,660

mysteries it's it's a lot of things it's

427

00:19:49,430 --> 00:19:46,080

a history and and a subculture and I

428

00:19:53,270 --> 00:19:49,440

think it's legitimate as

429

00:19:56,090 --> 00:19:53,280

as a multi-field disciplinary uh field

430

00:19:58,130 --> 00:19:56,100

of study just as legitimate as say you

431

00:20:00,830 --> 00:19:58,140

know women's studies or or Native

432

00:20:04,610 --> 00:20:00,840

Studies I I think there's enough of a of

433

00:20:07,549 --> 00:20:04,620

a history there uh to legitimize that

434

00:20:10,850 --> 00:20:07,559

and to legitimize the scientific ecology

435

00:20:14,270 --> 00:20:10,860

into legitimize the history and

436

00:20:16,789 --> 00:20:14,280

legitimize the subject in a sociological

437

00:20:19,669 --> 00:20:16,799

way in a psychological way and you know

438

00:20:23,930 --> 00:20:19,679

through all these different lenses and

439

00:20:27,169 --> 00:20:23,940

uh it is also a question of

440

00:20:28,190 --> 00:20:27,179

shifting paradigms it's at the heart of

441

00:20:30,950 --> 00:20:28,200

it

442

00:20:33,190 --> 00:20:30,960

and and this is you know what I stress

443

00:20:36,590 --> 00:20:33,200

more than anything at the heart of it

444

00:20:39,169 --> 00:20:36,600

it's a philosophical issue

445

00:20:42,350 --> 00:20:39,179

not just the UFO stuff

446

00:20:45,070 --> 00:20:42,360

but what constitutes science what

447

00:20:47,510 --> 00:20:45,080

constitutes evidence what demarcates

448

00:20:49,130 --> 00:20:47,520

legitimate methodology from

449

00:20:53,029 --> 00:20:49,140

pseudoscience

450

00:20:55,010 --> 00:20:53,039

okay what is evidence sufficiency

451  
00:20:57,049 --> 00:20:55,020  
you know what evidence is it going to

452  
00:20:58,070 --> 00:20:57,059  
take if you're going to have a paradigm

453  
00:21:00,350 --> 00:20:58,080  
shift

454  
00:21:02,150 --> 00:21:00,360  
what does that mean does it mean that

455  
00:21:04,190 --> 00:21:02,160  
you convince everybody on the planet to

456  
00:21:07,310 --> 00:21:04,200  
believe a certain thing or do you need

457  
00:21:08,930 --> 00:21:07,320  
to have some sort of method-based

458  
00:21:12,529 --> 00:21:08,940  
evidentiary

459  
00:21:14,029 --> 00:21:12,539  
uh basis that you can present to the

460  
00:21:15,169 --> 00:21:14,039  
establishment because that's who you're

461  
00:21:20,150 --> 00:21:15,179  
convincing

462  
00:21:22,490 --> 00:21:20,160  
watching History Channel That's not how

463  
00:21:25,730 --> 00:21:22,500

you change a paradigm that's how you get

464

00:21:27,590 --> 00:21:25,740

a belief system or a religion but if

465

00:21:29,810 --> 00:21:27,600

you're trying to con change the

466

00:21:31,730 --> 00:21:29,820

consensus you have to change the

467

00:21:34,070 --> 00:21:31,740

establishment and I'm all in favor of

468

00:21:36,529 --> 00:21:34,080

that and I'm in favor of using the media

469

00:21:39,110 --> 00:21:36,539

and I'm in favor of using science even

470

00:21:41,270 --> 00:21:39,120

politics but the problem is you know

471

00:21:43,970 --> 00:21:41,280

like with the history of UFOs as it's

472

00:21:46,430 --> 00:21:43,980

always been it gets manipulated it gets

473

00:21:50,270 --> 00:21:46,440

manipulated by politics by intelligence

474

00:21:52,310 --> 00:21:50,280

people by entertainers lawyers UFO

475

00:21:54,470 --> 00:21:52,320

celebrities and everybody wants to have

476

00:21:57,950 --> 00:21:54,480

these narratives so they can be an

477

00:22:00,169 --> 00:21:57,960

Insider you know when what we should be

478

00:22:02,810 --> 00:22:00,179

doing is we should be honest with

479

00:22:04,970 --> 00:22:02,820

everything and open with everything and

480

00:22:06,289 --> 00:22:04,980

transparent with everything and

481

00:22:09,649 --> 00:22:06,299

youthology

482

00:22:12,890 --> 00:22:09,659

needs to reform itself it needs to take

483

00:22:14,630 --> 00:22:12,900

itself seriously it needs to reform its

484

00:22:17,930 --> 00:22:14,640

conferences and not make them

485

00:22:20,270 --> 00:22:17,940

infomercials for UFO celebrities and it

486

00:22:21,830 --> 00:22:20,280

needs to have real conferences and not

487

00:22:24,169 --> 00:22:21,840

secret stuff where everybody's

488

00:22:26,990 --> 00:22:24,179

Whispering stuff and you know we're

489

00:22:28,610 --> 00:22:27,000

waiting for the the noon drop so that

490

00:22:32,029 --> 00:22:28,620

you know somebody can get their clicks

491

00:22:33,169 --> 00:22:32,039

no we need to build a real community and

492

00:22:35,750 --> 00:22:33,179

the reason you don't have a real

493

00:22:37,909 --> 00:22:35,760

Community is because you have people

494

00:22:41,210 --> 00:22:37,919

that have been brought in

495

00:22:42,710 --> 00:22:41,220

as political Pawns in a lot of ways and

496

00:22:44,810 --> 00:22:42,720

they haven't done the research they

497

00:22:49,310 --> 00:22:44,820

haven't done the homework for a lot of

498

00:22:51,529 --> 00:22:49,320

people UFOs began in 2017 or 2004.

499

00:22:53,330 --> 00:22:51,539

you know there's a whole history there

500

00:22:55,070 --> 00:22:53,340

that needs to be learned we need to

501  
00:22:57,110 --> 00:22:55,080  
teach it we need to educate it we need

502  
00:23:00,110 --> 00:22:57,120  
to go for legitimacy we need to cut out

503  
00:23:02,330 --> 00:23:00,120  
the intelligence games stuff

504  
00:23:04,570 --> 00:23:02,340  
we need to start having conferences on

505  
00:23:08,510 --> 00:23:04,580  
the future of the subject

506  
00:23:10,549 --> 00:23:08,520  
not as an infomercial for a new TV show

507  
00:23:12,830 --> 00:23:10,559  
or so we can hobnob and take pictures

508  
00:23:14,810 --> 00:23:12,840  
with people that we want to autograph

509  
00:23:17,270 --> 00:23:14,820  
our books we need to wait get away from

510  
00:23:19,130 --> 00:23:17,280  
that UFO celebrity culture there

511  
00:23:21,470 --> 00:23:19,140  
shouldn't be a stage here and then

512  
00:23:23,390 --> 00:23:21,480  
everybody else down here watching there

513  
00:23:25,549 --> 00:23:23,400

should be workshops there should be

514

00:23:28,190 --> 00:23:25,559

people talking about these issues there

515

00:23:30,770 --> 00:23:28,200

should be competitions between uh field

516

00:23:32,630 --> 00:23:30,780

projects we should get these these

517

00:23:34,510 --> 00:23:32,640

places laid out you know that's why I do

518

00:23:36,950 --> 00:23:34,520

a lot of mapping we need to find these

519

00:23:38,930 --> 00:23:36,960

anomalous locations so that we can do

520

00:23:41,029 --> 00:23:38,940

some serious sustained long-term

521

00:23:43,430 --> 00:23:41,039

scientific investigation

522

00:23:47,390 --> 00:23:43,440

real stuff not

523

00:23:49,549 --> 00:23:47,400

TV show skin walker stuff you know

524

00:23:51,470 --> 00:23:49,559

um that's what I'm about I'm passionate

525

00:23:53,570 --> 00:23:51,480

I'm a researcher it's been doing this

526

00:23:55,730 --> 00:23:53,580

for a long time I've seen a lot of the

527

00:23:58,310 --> 00:23:55,740

[h\_\_\h] come and go

528

00:24:01,310 --> 00:23:58,320

I you know the noobs come out and they

529

00:24:03,529 --> 00:24:01,320

don't know the subject you know Luella

530

00:24:07,130 --> 00:24:03,539

zondo was up there working for Galileo

531

00:24:09,110 --> 00:24:07,140

project helping pinpoint places and he

532

00:24:11,750 --> 00:24:09,120

didn't even know what hesterlin was

533

00:24:13,789 --> 00:24:11,760

I mean come on think about it what does

534

00:24:16,010 --> 00:24:13,799

that mean

535

00:24:17,630 --> 00:24:16,020

one of one of the things I've brought up

536

00:24:20,630 --> 00:24:17,640

a number of times on this show basically

537

00:24:23,630 --> 00:24:20,640

is the necessity of us almost Allah

538

00:24:26,270 --> 00:24:23,640

Thomas Kuhn to refactor or review how we

539

00:24:29,270 --> 00:24:26,280

actually gather and understand evidence

540

00:24:30,770 --> 00:24:29,280

um because it seems to me and again my

541

00:24:33,830 --> 00:24:30,780

Approach here is larger kind of psycho

542

00:24:36,789 --> 00:24:33,840

spiritual uh in Consciousness based

543

00:24:39,230 --> 00:24:36,799

um but it seems to me that our existing

544

00:24:41,029 --> 00:24:39,240

models and Frameworks for interpreting

545

00:24:42,770 --> 00:24:41,039

the world around us are useful but

546

00:24:45,710 --> 00:24:42,780

limited and it feels to me like

547

00:24:48,350 --> 00:24:45,720

anomalous phenomena very much may test

548

00:24:51,110 --> 00:24:48,360

and exceed the bounds of conventional

549

00:24:52,909 --> 00:24:51,120

Frameworks particularly I would say like

550

00:24:54,649 --> 00:24:52,919

even the scientific method or like

551  
00:24:56,870 --> 00:24:54,659  
instrumentation measurement and

552  
00:24:59,750 --> 00:24:56,880  
laboratory settings Etc

553  
00:25:02,630 --> 00:24:59,760  
um and so um that's that's just actually

554  
00:25:04,130 --> 00:25:02,640  
my just sort of a comment I would be

555  
00:25:06,230 --> 00:25:04,140  
curious to hear any of your responses

556  
00:25:07,730 --> 00:25:06,240  
but I also loved what you said here

557  
00:25:09,710 --> 00:25:07,740  
about developing something of a

558  
00:25:12,710 --> 00:25:09,720  
curriculum or having kind of a shared

559  
00:25:15,049 --> 00:25:12,720  
reality or consensus on what constitutes

560  
00:25:17,390 --> 00:25:15,059  
the study of the UFO or the study of

561  
00:25:19,010 --> 00:25:17,400  
ufology I would love to hear you expand

562  
00:25:21,409 --> 00:25:19,020  
a little bit on what you would Envision

563  
00:25:23,630 --> 00:25:21,419

that kind of curriculum to contain and

564

00:25:26,570 --> 00:25:23,640

what kind of materials you think would

565

00:25:29,930 --> 00:25:26,580

be useful to create a well-informed uh

566

00:25:32,870 --> 00:25:29,940

constituency in the subject

567

00:25:36,169 --> 00:25:32,880

well uh you know we could we can look at

568

00:25:39,049 --> 00:25:36,179

uh other uh

569

00:25:42,409 --> 00:25:39,059

say multi-disciplinary studies and and

570

00:25:44,090 --> 00:25:42,419

we can look at uh uh you know there's an

571

00:25:47,269 --> 00:25:44,100

established history there are definitely

572

00:25:49,850 --> 00:25:47,279

movements there's acronyms there's uh

573

00:25:53,210 --> 00:25:49,860

you know we know that we've seen the the

574

00:25:55,970 --> 00:25:53,220

history of UFOs and we've we've seen

575

00:25:58,070 --> 00:25:55,980

through documentaries you know like

576  
00:25:59,870 --> 00:25:58,080  
stuff that James Fox puts out you know

577  
00:26:01,610 --> 00:25:59,880  
great documentaries that sort of give

578  
00:26:04,810 --> 00:26:01,620  
you a review of the history

579  
00:26:08,870 --> 00:26:04,820  
but it to have an academic curriculum

580  
00:26:11,210 --> 00:26:08,880  
you definitely you're going to have to

581  
00:26:12,169 --> 00:26:11,220  
develop not only the history but you're

582  
00:26:14,570 --> 00:26:12,179  
going to have to go through the

583  
00:26:16,850 --> 00:26:14,580  
movements you're gonna have to go get

584  
00:26:19,010 --> 00:26:16,860  
expertise on uh you know the different

585  
00:26:20,570 --> 00:26:19,020  
government projects there's gonna need

586  
00:26:24,350 --> 00:26:20,580  
to be different multi-disciplinary

587  
00:26:27,350 --> 00:26:24,360  
approaches sociological psychological uh

588  
00:26:29,090 --> 00:26:27,360

yeah it's you're going to have a basic

589

00:26:31,430 --> 00:26:29,100

uh program but you're also going to have

590

00:26:35,450 --> 00:26:31,440

to bring in all these other different uh

591

00:26:37,310 --> 00:26:35,460

uh Fields I I think a textbook like some

592

00:26:40,370 --> 00:26:37,320

sort of a basic textbook would be a good

593

00:26:43,130 --> 00:26:40,380

way to go and then uh have other courses

594

00:26:44,510 --> 00:26:43,140

that uh you know get into specifics I

595

00:26:47,210 --> 00:26:44,520

think some of this stuff can be done

596

00:26:50,330 --> 00:26:47,220

online uh

597

00:26:52,610 --> 00:26:50,340

some sort of accreditation uh type uh

598

00:26:54,649 --> 00:26:52,620

classroom you know where you go through

599

00:26:56,690 --> 00:26:54,659

like you know the UFOs of World War II

600

00:27:00,890 --> 00:26:56,700

uh you go through like the media

601  
00:27:02,810 --> 00:27:00,900  
influences of the 1950s uh you know all

602  
00:27:04,970 --> 00:27:02,820  
the different projects uh you know the

603  
00:27:08,810 --> 00:27:04,980  
the science fiction cultural influences

604  
00:27:11,110 --> 00:27:08,820  
of the 70s uh there's so much to work

605  
00:27:14,690 --> 00:27:11,120  
with there as well as the philosophical

606  
00:27:17,269 --> 00:27:14,700  
uh questions uh pertaining to you know

607  
00:27:19,730 --> 00:27:17,279  
what what is sufficient evidence you

608  
00:27:22,370 --> 00:27:19,740  
know the the what constitutes proper

609  
00:27:23,990 --> 00:27:22,380  
methodology what what is it gonna take

610  
00:27:27,470 --> 00:27:24,000  
uh

611  
00:27:30,470 --> 00:27:27,480  
to get these issues out there and and

612  
00:27:34,450 --> 00:27:30,480  
there's cultural impacts uh you know

613  
00:27:38,690 --> 00:27:34,460

within the Arts uh television uh movies

614

00:27:39,769 --> 00:27:38,700

uh music uh you know I got a list of

615

00:27:43,130 --> 00:27:39,779

like

616

00:27:45,649 --> 00:27:43,140

almost 400 uh UFO and flying saucer

617

00:27:49,190 --> 00:27:45,659

related uh songs

618

00:27:53,149 --> 00:27:49,200

that can that you could do a whole

619

00:27:55,130 --> 00:27:53,159

you know uh semester uh course on and

620

00:27:58,250 --> 00:27:55,140

and there's a lot of stuff like that and

621

00:28:01,010 --> 00:27:58,260

there's UFO Cults and and specific cases

622

00:28:03,049 --> 00:28:01,020

and you know

623

00:28:07,250 --> 00:28:03,059

it it's something that I think should be

624

00:28:08,890 --> 00:28:07,260

talked about uh I I think

625

00:28:11,570 --> 00:28:08,900

whatever happens

626

00:28:14,090 --> 00:28:11,580

uh you know say there is a disclosure

627

00:28:17,870 --> 00:28:14,100

say there is some sort of a paradigm

628

00:28:19,669 --> 00:28:17,880

shift uh if that's the case then history

629

00:28:22,669 --> 00:28:19,679

is going to look back at all this no

630

00:28:24,769 --> 00:28:22,679

matter what uh you know so it's it's

631

00:28:27,529 --> 00:28:24,779

going to happen it's going to happen

632

00:28:30,769 --> 00:28:27,539

either one way or another unless the

633

00:28:33,649 --> 00:28:30,779

subject you know dies uh

634

00:28:35,269 --> 00:28:33,659

which is possible too you know I I think

635

00:28:37,909 --> 00:28:35,279

in the in the next few decades we're

636

00:28:39,529 --> 00:28:37,919

going to have drones and and fake videos

637

00:28:42,590 --> 00:28:39,539

and photographs they're going to make

638

00:28:44,450 --> 00:28:42,600

things a lot harder uh you know to to

639

00:28:46,310 --> 00:28:44,460

figure out what's real and what's not

640

00:28:49,010 --> 00:28:46,320

real

641

00:28:50,210 --> 00:28:49,020

um my my follow-up question to this

642

00:28:53,330 --> 00:28:50,220

um and then I'll turn the floor back

643

00:28:55,909 --> 00:28:53,340

over to the other gentleman here is if

644

00:28:59,390 --> 00:28:55,919

you have any recommendations on either

645

00:29:01,970 --> 00:28:59,400

organizations or individuals that are in

646

00:29:03,649 --> 00:29:01,980

your opinion doing this well

647

00:29:06,950 --> 00:29:03,659

um

648

00:29:09,289 --> 00:29:06,960

uh well there there's quite a few uh

649

00:29:14,169 --> 00:29:09,299

you're not going to see a lot of them on

650

00:29:17,390 --> 00:29:14,179

uh history UFO Twitter uh

651  
00:29:19,909 --> 00:29:17,400  
you might you might see them on UFO or

652  
00:29:22,789 --> 00:29:19,919  
on a History Channel occasionally but

653  
00:29:24,889 --> 00:29:22,799  
you know people like Dave marlar uh

654  
00:29:26,810 --> 00:29:24,899  
who's a friend of mine uh he's also from

655  
00:29:28,730 --> 00:29:26,820  
like the St Rose area

656  
00:29:30,049 --> 00:29:28,740  
uh great guy

657  
00:29:32,450 --> 00:29:30,059  
um

658  
00:29:35,269 --> 00:29:32,460  
some of the old-time people you know Jan

659  
00:29:39,049 --> 00:29:35,279  
Aldrich and and and researchers like

660  
00:29:42,289 --> 00:29:39,059  
that uh that that know the history that

661  
00:29:45,230 --> 00:29:42,299  
uh have engaged in field research that

662  
00:29:48,409 --> 00:29:45,240  
uh know the topics and and the issues I

663  
00:29:50,990 --> 00:29:48,419

think there's uh uh I I I've always

664

00:29:54,230 --> 00:29:51,000

advocated for for like a mentoring

665

00:29:57,529 --> 00:29:54,240

system I I think

666

00:30:00,409 --> 00:29:57,539

um it used to be there you know and then

667

00:30:02,330 --> 00:30:00,419

it sort of didn't and uh

668

00:30:04,669 --> 00:30:02,340

but um

669

00:30:07,190 --> 00:30:04,679

yeah find yourself somebody who's been

670

00:30:09,950 --> 00:30:07,200

in it in a while you know somebody who's

671

00:30:11,930 --> 00:30:09,960

uh been a researcher for a few decades I

672

00:30:15,409 --> 00:30:11,940

think uh

673

00:30:17,810 --> 00:30:15,419

but again we're you know the Field's

674

00:30:20,269 --> 00:30:17,820

sort of a hodgepodge of a lot of

675

00:30:21,830 --> 00:30:20,279

different things you're uh there's so

676

00:30:25,730 --> 00:30:21,840

many different views there's so many

677

00:30:28,610 --> 00:30:25,740

different interpretations of of cases uh

678

00:30:31,630 --> 00:30:28,620

a lot of biases uh you have people

679

00:30:34,250 --> 00:30:31,640

within the field that are experiencers

680

00:30:37,970 --> 00:30:34,260

you know so they they have sort of an

681

00:30:40,549 --> 00:30:37,980

invested view of things and and it it is

682

00:30:43,789 --> 00:30:40,559

a cause to them you know it's almost you

683

00:30:46,070 --> 00:30:43,799

know they they proselytize uh the

684

00:30:48,470 --> 00:30:46,080

subject uh in a lot of ways because

685

00:30:53,269 --> 00:30:48,480

they're trying to get people into this

686

00:30:57,110 --> 00:30:53,279

uh this world view so uh it's

687

00:30:59,149 --> 00:30:57,120

it's tough uh I I would say

688

00:31:01,610 --> 00:30:59,159

like what you were saying Leah you know

689

00:31:04,310 --> 00:31:01,620

read some [h\_\_h] or or some of the other

690

00:31:06,289 --> 00:31:04,320

uh uh the great philosophers of science

691

00:31:10,490 --> 00:31:06,299

start looking into that and start

692

00:31:12,889 --> 00:31:10,500

questioning uh you know who is being

693

00:31:16,970 --> 00:31:12,899

the critical thinker who is being

694

00:31:21,230 --> 00:31:16,980

rational who is uh being a celebrity or

695

00:31:24,549 --> 00:31:21,240

who has a particular narrative uh

696

00:31:27,889 --> 00:31:24,559

yeah you need to ask those things and uh

697

00:31:31,010 --> 00:31:27,899

gravitate towards uh uh people that are

698

00:31:33,230 --> 00:31:31,020

uh uh you know like Dave roller and and

699

00:31:35,210 --> 00:31:33,240

others I think

700

00:31:37,130 --> 00:31:35,220

well Michael you mentioned uh philosophy

701

00:31:40,010 --> 00:31:37,140

of science and

702

00:31:42,289 --> 00:31:40,020

um you know interpretation and

703

00:31:44,149 --> 00:31:42,299

um Carl popper talks about that a bit he

704

00:31:46,070 --> 00:31:44,159

talks about observation

705

00:31:47,269 --> 00:31:46,080

you know being the part of the

706

00:31:49,789 --> 00:31:47,279

scientific method where you're producing

707

00:31:52,130 --> 00:31:49,799

you know predict reliable uh predictions

708

00:31:54,529 --> 00:31:52,140

and then there's interpretation which is

709

00:31:56,630 --> 00:31:54,539

separate from observation and those are

710

00:31:57,710 --> 00:31:56,640

separate and equally important in his

711

00:31:59,630 --> 00:31:57,720

view

712

00:32:00,769 --> 00:31:59,640

um now on the side of observation is

713

00:32:03,110 --> 00:32:00,779

kind of interesting because a lot of the

714

00:32:05,930 --> 00:32:03,120

time the observations are pretty similar

715

00:32:07,669 --> 00:32:05,940

uh across a wide variety of people who

716

00:32:10,010 --> 00:32:07,679

take the subject seriously

717

00:32:11,210 --> 00:32:10,020

and the interpretations differ very

718

00:32:12,409 --> 00:32:11,220

widely but the most extraordinary

719

00:32:14,870 --> 00:32:12,419

interpretations are the ones that people

720

00:32:17,330 --> 00:32:14,880

are most familiar with

721

00:32:19,130 --> 00:32:17,340

um could you we talked a bit previously

722

00:32:22,130 --> 00:32:19,140

about how interpretations are shaped

723

00:32:23,750 --> 00:32:22,140

heavily by your primary social group and

724

00:32:24,710 --> 00:32:23,760

I'd love it if you could just talk a

725

00:32:26,750 --> 00:32:24,720

little bit

726

00:32:29,149 --> 00:32:26,760

um about the circumstances where you're

727

00:32:31,610 --> 00:32:29,159

encouraged um to actually engage with

728

00:32:34,250 --> 00:32:31,620

paranormal phenomena in your uh home

729

00:32:36,289 --> 00:32:34,260

growing up uh and uh and how you were

730

00:32:37,490 --> 00:32:36,299

shaped in your interpretations of those

731

00:32:40,490 --> 00:32:37,500

things and how you sort of developed

732

00:32:42,230 --> 00:32:40,500

your current uh approach that is uh you

733

00:32:44,630 --> 00:32:42,240

know sort of holding back from those

734

00:32:46,789 --> 00:32:44,640

more extraordinary interpretations

735

00:32:49,250 --> 00:32:46,799

uh well um

736

00:32:51,409 --> 00:32:49,260

it may seem like I'm holding back from

737

00:32:53,450 --> 00:32:51,419

those extraordinary extraordinary

738

00:32:54,529 --> 00:32:53,460

interpretations but it really depends on

739

00:32:56,210 --> 00:32:54,539

the case

740

00:32:59,930 --> 00:32:56,220

and it really depends on the evidence

741

00:33:02,570 --> 00:32:59,940

that we're talking about uh I'm not a

742

00:33:04,730 --> 00:33:02,580

close-minded skeptic I you know I've

743

00:33:07,549 --> 00:33:04,740

been involved in this subject for 46

744

00:33:09,710 --> 00:33:07,559

years like I said so I've seen a lot

745

00:33:13,009 --> 00:33:09,720

I've read a lot and I've experienced a

746

00:33:15,470 --> 00:33:13,019

lot as a paranormal travel writer uh I

747

00:33:18,889 --> 00:33:15,480

spend more time in haunted locations

748

00:33:21,230 --> 00:33:18,899

than I do UFO locations and you know I

749

00:33:23,690 --> 00:33:21,240

visit dozens and dozens of these to

750

00:33:26,330 --> 00:33:23,700

document them every year as well as

751

00:33:28,190 --> 00:33:26,340

Cryptids and and I go to a lot of these

752

00:33:29,570 --> 00:33:28,200

different conferences and I experience

753

00:33:33,590 --> 00:33:29,580

things

754

00:33:36,830 --> 00:33:33,600

and uh you know for me

755

00:33:39,230 --> 00:33:36,840

it's not just experiencing it it's not

756

00:33:40,850 --> 00:33:39,240

just documenting it although I have

757

00:33:42,409 --> 00:33:40,860

documented quite a few interesting

758

00:33:45,470 --> 00:33:42,419

things

759

00:33:48,169 --> 00:33:45,480

um ultimately we need to start

760

00:33:50,750 --> 00:33:48,179

figuring out

761

00:33:52,669 --> 00:33:50,760

how we're going to overcome things like

762

00:33:55,130 --> 00:33:52,679

what Leah was saying you know in

763

00:33:57,049 --> 00:33:55,140

commensurability issues you know we're

764

00:33:58,909 --> 00:33:57,059

dealing with the transient phenomena

765

00:34:01,730 --> 00:33:58,919

that we don't even know

766

00:34:03,470 --> 00:34:01,740

how to research it okay and we keep

767

00:34:06,169 --> 00:34:03,480

saying it because we want to put

768

00:34:08,570 --> 00:34:06,179

everything in the one thing okay and

769

00:34:11,389 --> 00:34:08,580

some of them may be connected but the

770

00:34:13,909 --> 00:34:11,399

only way that we're going to really be

771

00:34:15,409 --> 00:34:13,919

able to study them because we don't want

772

00:34:19,250 --> 00:34:15,419

to just believe

773

00:34:22,669 --> 00:34:19,260

okay I'm open to a ghost existing

774

00:34:26,089 --> 00:34:22,679

I'm open to a dog man existing I'm open

775

00:34:28,070 --> 00:34:26,099

to a portal opening up and being from

776

00:34:32,930 --> 00:34:28,080

another dimension coming here

777

00:34:35,570 --> 00:34:32,940

okay oh yeah I don't bring the woo man I

778

00:34:38,030 --> 00:34:35,580

don't want to just believe it I want to

779

00:34:40,730 --> 00:34:38,040

know it and I want to understand it if

780

00:34:43,250 --> 00:34:40,740

something is coming into our material

781

00:34:44,750 --> 00:34:43,260

world that we exist in and we can have a

782

00:34:47,030 --> 00:34:44,760

whole debate on whether or not it's

783

00:34:48,889 --> 00:34:47,040

really a material world or a hologram or

784

00:34:49,669 --> 00:34:48,899

you know whatever

785

00:34:51,889 --> 00:34:49,679

um

786

00:34:54,050 --> 00:34:51,899

sorry we're stuck in the material world

787

00:34:57,349 --> 00:34:54,060

that's all we have to work with right

788

00:34:59,150 --> 00:34:57,359

now okay and we have logic and we have

789

00:35:01,310 --> 00:34:59,160

critical thinking we and we have

790

00:35:03,950 --> 00:35:01,320

methodology and that's how we come about

791

00:35:06,829 --> 00:35:03,960

understanding things not just believing

792

00:35:09,109 --> 00:35:06,839

it okay so I want to go to a place where

793

00:35:11,510 --> 00:35:09,119

there's consistently a portal and I want

794

00:35:13,370 --> 00:35:11,520

to scientifically study that not write a

795

00:35:17,450 --> 00:35:13,380

book about it or do a TV show about it

796

00:35:19,990 --> 00:35:17,460

okay let's figure out how it works

797

00:35:23,210 --> 00:35:20,000

okay if there's a ghost in this building

798

00:35:25,910 --> 00:35:23,220

okay we need to localize it that's why I

799

00:35:27,710 --> 00:35:25,920

do my GPS stuff and we need to study at

800

00:35:29,329 --> 00:35:27,720

long term scientifically not in an

801  
00:35:31,490 --> 00:35:29,339  
exploited way

802  
00:35:33,230 --> 00:35:31,500  
but scientifically and if there is

803  
00:35:35,270 --> 00:35:33,240  
something there and I can tell you this

804  
00:35:36,950 --> 00:35:35,280  
folks there are places where there are

805  
00:35:39,950 --> 00:35:36,960  
things there

806  
00:35:42,589 --> 00:35:39,960  
there are places where things happen

807  
00:35:46,069 --> 00:35:42,599  
dude I love this keep going not happen

808  
00:35:48,170 --> 00:35:46,079  
there are things I will tell you this as

809  
00:35:50,390 --> 00:35:48,180  
a Paranormal Investigator as a

810  
00:35:54,710 --> 00:35:50,400  
researcher the most common thing that

811  
00:35:57,650 --> 00:35:54,720  
happens the most common paranormal event

812  
00:36:00,170 --> 00:35:57,660  
is synchronicities

813  
00:36:02,210 --> 00:36:00,180

and you would not believe the amount of

814

00:36:04,010 --> 00:36:02,220

synchronicities that I experience as I'm

815

00:36:05,810 --> 00:36:04,020

going from one paranormal place to

816

00:36:08,750 --> 00:36:05,820

another okay

817

00:36:11,089 --> 00:36:08,760

little things words you know how words

818

00:36:12,470 --> 00:36:11,099

align and all that sort of stuff but you

819

00:36:14,150 --> 00:36:12,480

know when it gets to a certain point

820

00:36:16,730 --> 00:36:14,160

where you're recognizing those things

821

00:36:18,650 --> 00:36:16,740

and and and you know we can discuss

822

00:36:20,930 --> 00:36:18,660

whether or not there's biases and all

823

00:36:22,550 --> 00:36:20,940

that but uh

824

00:36:24,170 --> 00:36:22,560

you know when you're when you're aware

825

00:36:26,030 --> 00:36:24,180

of these things and you're looking for

826

00:36:27,589 --> 00:36:26,040

things when you're looking for a

827

00:36:30,230 --> 00:36:27,599

photographic anomalies and all that

828

00:36:33,950 --> 00:36:30,240

stuff and and things to happen a certain

829

00:36:35,690 --> 00:36:33,960

way in in certain places it goes beyond

830

00:36:37,730 --> 00:36:35,700

probability

831

00:36:41,210 --> 00:36:37,740

and I don't think it goes beyond the

832

00:36:43,609 --> 00:36:41,220

impossible because I'm coming from

833

00:36:44,569 --> 00:36:43,619

logical scientific philosophy of science

834

00:36:45,829 --> 00:36:44,579

base

835

00:36:48,589 --> 00:36:45,839

okay

836

00:36:50,450 --> 00:36:48,599

there's an explanation for something as

837

00:36:52,910 --> 00:36:50,460

to how something works

838

00:36:53,930 --> 00:36:52,920

and and and I think the universe is

839

00:36:56,569 --> 00:36:53,940

probably

840

00:36:57,770 --> 00:36:56,579

you know practical I think Chaos Theory

841

00:37:00,349 --> 00:36:57,780

sort of

842

00:37:02,750 --> 00:37:00,359

controls how things work within it so

843

00:37:07,730 --> 00:37:02,760

they're they're probably places and

844

00:37:10,010 --> 00:37:07,740

times and and and areas that uh you know

845

00:37:11,390 --> 00:37:10,020

where some of the probability stuff just

846

00:37:13,370 --> 00:37:11,400

breaks down

847

00:37:15,650 --> 00:37:13,380

and I'm interested in that because I

848

00:37:18,410 --> 00:37:15,660

think that's how we can overcome

849

00:37:22,069 --> 00:37:18,420

uh you know in commensurability because

850

00:37:25,670 --> 00:37:22,079

what it commensurability has got us is

851

00:37:28,430 --> 00:37:25,680

we're you know Bigfoot is is UFOs

852

00:37:30,470 --> 00:37:28,440

Bigfoot as fairies UFOs or fairies you

853

00:37:31,849 --> 00:37:30,480

know uh Gins you know we're sort of

854

00:37:35,930 --> 00:37:31,859

bringing all these different religious

855

00:37:37,310 --> 00:37:35,940

archetypes thank you Jacques delay uh to

856

00:37:39,349 --> 00:37:37,320

try to explain a lot of different

857

00:37:42,710 --> 00:37:39,359

Mysteries and and that's what we need to

858

00:37:46,730 --> 00:37:42,720

look each Mystery on its own Merit

859

00:37:49,849 --> 00:37:46,740

each bit of evidence on its own Merit

860

00:37:51,170 --> 00:37:49,859

and not every case is going to have the

861

00:37:52,849 --> 00:37:51,180

same cause

862

00:37:56,930 --> 00:37:52,859

that is a fact

863

00:37:59,450 --> 00:37:56,940

in fact most cases BS most cases you

864

00:38:02,270 --> 00:37:59,460

know are misinterpretations hoaxes you

865

00:38:04,010 --> 00:38:02,280

know people seeing stuff uh real

866

00:38:09,050 --> 00:38:04,020

anomalies

867

00:38:11,930 --> 00:38:09,060

anomalous locations an anomalous objects

868

00:38:15,470 --> 00:38:11,940

anomalous uh beings creatures you know

869

00:38:19,310 --> 00:38:15,480

any sort of thing uh that uh

870

00:38:23,450 --> 00:38:19,320

that is anomalous uh

871

00:38:26,089 --> 00:38:23,460

yeah it's it it exists it's it and it's

872

00:38:29,510 --> 00:38:26,099

worthy of study and uh that's where

873

00:38:30,770 --> 00:38:29,520

science should be and ufology has not

874

00:38:33,770 --> 00:38:30,780

done any

875

00:38:35,210 --> 00:38:33,780

right since the 80s you know and people

876

00:38:40,010 --> 00:38:35,220

are writing books people are writing

877

00:38:41,990 --> 00:38:40,020

screenplays uh doing all that but uh uh

878

00:38:44,030 --> 00:38:42,000

conferences used to be about presenting

879

00:38:51,230 --> 00:38:44,040

papers

880

00:38:53,690 --> 00:38:51,240

know

881

00:38:56,329 --> 00:38:53,700

um and I've been I've been lobbying the

882

00:38:57,470 --> 00:38:56,339

field uh probably about eight or nine

883

00:39:00,890 --> 00:38:57,480

years now

884

00:39:03,230 --> 00:39:00,900

uh lobbying people like uh Rich Hoffman

885

00:39:06,530 --> 00:39:03,240

you know eight years ago back when he

886

00:39:08,870 --> 00:39:06,540

was with mufon you know different people

887

00:39:10,490 --> 00:39:08,880

uh telling him to move in the scientific

888

00:39:11,450 --> 00:39:10,500

## Direction

889

00:39:14,329 --> 00:39:11,460

um

890

00:39:17,089 --> 00:39:14,339

it's sort of going that way it's sort of

891

00:39:21,109 --> 00:39:17,099

been co-opted in a lot of ways I I worry

892

00:39:23,750 --> 00:39:21,119

about Galileo I worry about you know the

893

00:39:25,910 --> 00:39:23,760

politics and the arrow and and all this

894

00:39:27,050 --> 00:39:25,920

sort of stuff I I think we're getting

895

00:39:32,030 --> 00:39:27,060

more

896

00:39:34,609 --> 00:39:32,040

uh Shenanigans uh you know sorry to tell

897

00:39:36,230 --> 00:39:34,619

you guys been when you're when you're

898

00:39:39,050 --> 00:39:36,240

around for four decades and more

899

00:39:41,870 --> 00:39:39,060

watching this stuff the spies are

900

00:39:45,530 --> 00:39:41,880

everywhere and they cannot stop messing

901  
00:39:48,410 --> 00:39:45,540  
with the subject and they they cannot

902  
00:39:50,210 --> 00:39:48,420  
stop whispering to politicians to get

903  
00:39:51,109 --> 00:39:50,220  
them to spend money that they're gonna

904  
00:39:53,089 --> 00:39:51,119  
get

905  
00:39:55,430 --> 00:39:53,099  
and you know this game's been around for

906  
00:39:57,770 --> 00:39:55,440  
a while and it's delegitimizing and it

907  
00:39:59,530 --> 00:39:57,780  
continues to be legitimizing and you

908  
00:40:02,870 --> 00:39:59,540  
fotainment continues to be

909  
00:40:04,910 --> 00:40:02,880  
delegitimizing conferences can continue

910  
00:40:06,950 --> 00:40:04,920  
to be delegitimizing

911  
00:40:10,270 --> 00:40:06,960  
some people think this is the Golden Age

912  
00:40:13,849 --> 00:40:10,280  
of UFOs I say it's the Dark Ages

913  
00:40:15,410 --> 00:40:13,859

so if there is if there is a um

914

00:40:18,950 --> 00:40:15,420

intelligence um

915

00:40:21,290 --> 00:40:18,960

involvement what is the purport of that

916

00:40:23,750 --> 00:40:21,300

well I don't think there's like you you

917

00:40:26,450 --> 00:40:23,760

know some big giant government cabal I

918

00:40:29,630 --> 00:40:26,460

think it's it's Politics as Usual

919

00:40:31,490 --> 00:40:29,640

you know uh people in intelligence when

920

00:40:33,170 --> 00:40:31,500

they get out of intelligence they go to

921

00:40:35,210 --> 00:40:33,180

work for firms and then they try to

922

00:40:38,270 --> 00:40:35,220

influence uh spending in a certain area

923

00:40:43,490 --> 00:40:38,280

I think there is also a a group of

924

00:40:47,990 --> 00:40:45,829

you know it's got a sad conspiratorial

925

00:40:50,750 --> 00:40:48,000

that anybody that wants to challenge me

926  
00:40:53,569 --> 00:40:50,760  
on this anybody in the field that says

927  
00:40:55,010 --> 00:40:53,579  
that this this didn't happen

928  
00:40:57,710 --> 00:40:55,020  
let's go

929  
00:41:00,770 --> 00:40:57,720  
this has been going on since the 90s

930  
00:41:03,230 --> 00:41:00,780  
Robert Bigelow came in and he was

931  
00:41:06,230 --> 00:41:03,240  
wanting to get this subject

932  
00:41:09,050 --> 00:41:06,240  
you know because of

933  
00:41:11,930 --> 00:41:09,060  
friends like George and app and and his

934  
00:41:13,910 --> 00:41:11,940  
own belief system and you know he rubbed

935  
00:41:16,190 --> 00:41:13,920  
elbows with Harry Reid and people like

936  
00:41:18,050 --> 00:41:16,200  
that and throughout the 90s you know

937  
00:41:20,569 --> 00:41:18,060  
they were able to you know funnel some

938  
00:41:23,150 --> 00:41:20,579

money and into the 2000s they were able

939

00:41:25,550 --> 00:41:23,160

to funnel money into you know these

940

00:41:27,230 --> 00:41:25,560

these different topics and these and

941

00:41:30,349 --> 00:41:27,240

these these groups that have been around

942

00:41:32,230 --> 00:41:30,359

since the 70s you know SRI and Stargate

943

00:41:37,089 --> 00:41:32,240

and all these people that have basically

944

00:41:41,870 --> 00:41:37,099

lived on this Fringe area of research

945

00:41:43,550 --> 00:41:41,880

and the way you perpetuate that is you

946

00:41:46,490 --> 00:41:43,560

have to work at it you have to

947

00:41:47,870 --> 00:41:46,500

perpetuate it you know and uh you know

948

00:41:49,970 --> 00:41:47,880

these people have been working at these

949

00:41:52,430 --> 00:41:49,980

government programs looking at the

950

00:41:55,910 --> 00:41:52,440

spooky stuff sort of hidden away with

951  
00:41:59,810 --> 00:41:55,920  
Within These compartmentalized uh groups

952  
00:42:04,010 --> 00:42:02,270  
I'm sorry you know it was I was going to

953  
00:42:06,109 --> 00:42:04,020  
jump in and just comment as well that I

954  
00:42:08,450 --> 00:42:06,119  
don't think it necessitates believing in

955  
00:42:10,790 --> 00:42:08,460  
some far-reaching conspiratorial cabal

956  
00:42:12,349 --> 00:42:10,800  
to acknowledge that there are sort of

957  
00:42:15,829 --> 00:42:12,359  
forces within the government or within

958  
00:42:17,870 --> 00:42:15,839  
the military that either address or hold

959  
00:42:20,990 --> 00:42:17,880  
themselves to particular philosophical

960  
00:42:22,370 --> 00:42:21,000  
or theological interpretations of what

961  
00:42:24,470 --> 00:42:22,380  
this is I think about all the Christian

962  
00:42:26,210 --> 00:42:24,480  
dominionists that have effectively taken

963  
00:42:29,450 --> 00:42:26,220

over the U.S Air Force and space force

964

00:42:32,810 --> 00:42:29,460

who see anything anomalous as demonic or

965

00:42:34,069 --> 00:42:32,820

a source of evil or satanic forces and

966

00:42:35,930 --> 00:42:34,079

you don't really need a conspiracy

967

00:42:37,490 --> 00:42:35,940

theory to to know that this is stuff

968

00:42:39,170 --> 00:42:37,500

that's pretty openly talked about I mean

969

00:42:41,089 --> 00:42:39,180

this is stuff that [h\_\_\h] yeah Ted Cruz

970

00:42:41,990 --> 00:42:41,099

talks about this stuff

971

00:42:43,910 --> 00:42:42,000

um yeah

972

00:42:45,650 --> 00:42:43,920

and I wanted to to surface a question

973

00:42:47,210 --> 00:42:45,660

from one of our audience members here at

974

00:42:49,069 --> 00:42:47,220

tiff-tastic

975

00:42:50,510 --> 00:42:49,079

um she says she's a big fan

976

00:42:52,310 --> 00:42:50,520

um and wants to know if you could expand

977

00:42:54,589 --> 00:42:52,320

on your point about political operatives

978

00:42:56,030 --> 00:42:54,599

infiltrating the topic um I know you

979

00:42:57,470 --> 00:42:56,040

just talked a little bit about that but

980

00:42:59,630 --> 00:42:57,480

if you have any more color to add I'm

981

00:43:02,089 --> 00:42:59,640

sure she would appreciate it

982

00:43:05,569 --> 00:43:02,099

well it's it's not so much political

983

00:43:08,450 --> 00:43:05,579

operatives as operatives infiltrating

984

00:43:09,609 --> 00:43:08,460

the topic and then using the topic for

985

00:43:12,290 --> 00:43:09,619

politics

986

00:43:14,170 --> 00:43:12,300

uh that's sort of a different thing and

987

00:43:16,910 --> 00:43:14,180

Supremacy

988

00:43:20,510 --> 00:43:16,920

xenophobia yeah we see a lot of that

989

00:43:22,730 --> 00:43:20,520

right I mean at semitism that's I mean

990

00:43:24,130 --> 00:43:22,740

you have a lot of different viewpoints

991

00:43:25,750 --> 00:43:24,140

uh

992

00:43:29,150 --> 00:43:25,760

within

993

00:43:31,309 --> 00:43:29,160

conspiratorial Realms and disclosure

994

00:43:33,950 --> 00:43:31,319

people may not think that they're

995

00:43:36,530 --> 00:43:33,960

conspiratorial but their whole basis is

996

00:43:38,750 --> 00:43:36,540

that there's a conspiracy you know to

997

00:43:40,790 --> 00:43:38,760

cover up an alien reality and that the

998

00:43:42,589 --> 00:43:40,800

government has evidence and they are

999

00:43:45,170 --> 00:43:42,599

suppressing it and that's sort of the

1000

00:43:47,690 --> 00:43:45,180

you know the whole basis behind that is

1001  
00:43:50,870 --> 00:43:47,700  
a conspiracy notion which has come from

1002  
00:43:53,329 --> 00:43:50,880  
the culture and has come from UFO media

1003  
00:43:56,270 --> 00:43:53,339  
uh

1004  
00:43:58,670 --> 00:43:56,280  
building up a a narrative and there's

1005  
00:44:01,250 --> 00:43:58,680  
legitimate stuff that's that that's

1006  
00:44:02,870 --> 00:44:01,260  
worthy of consideration in there as long

1007  
00:44:05,329 --> 00:44:02,880  
as it's looked at

1008  
00:44:07,190 --> 00:44:05,339  
in a legitimate way and not in a way

1009  
00:44:09,710 --> 00:44:07,200  
that is promoting any sort of narrative

1010  
00:44:12,650 --> 00:44:09,720  
you know which I I I worry about Arrow

1011  
00:44:14,809 --> 00:44:12,660  
now you know Angela brand and sort of

1012  
00:44:17,630 --> 00:44:14,819  
being influenced by only one particular

1013  
00:44:19,790 --> 00:44:17,640

view uh

1014

00:44:21,890 --> 00:44:19,800

sort of you know within this threat

1015

00:44:26,630 --> 00:44:21,900

narrative in order to create a political

1016

00:44:29,990 --> 00:44:26,640

circumstance uh but there has been uh uh

1017

00:44:32,210 --> 00:44:30,000

official intelligence involvement uh you

1018

00:44:33,230 --> 00:44:32,220

know within the the subject since its

1019

00:44:36,069 --> 00:44:33,240

beginning

1020

00:44:40,069 --> 00:44:36,079

uh I don't think it's ever stopped

1021

00:44:41,510 --> 00:44:40,079

really uh I I think even a lot of the uh

1022

00:44:44,569 --> 00:44:41,520

you know the so-called whistleblowers

1023

00:44:47,089 --> 00:44:44,579

are ex-spies uh they're still working

1024

00:44:49,309 --> 00:44:47,099

within the intelligence Community they

1025

00:44:52,250 --> 00:44:49,319

still retain their you know some of them

1026

00:44:55,069 --> 00:44:52,260

their their intelligence uh

1027

00:44:55,970 --> 00:44:55,079

uh classification and such so

1028

00:44:59,089 --> 00:44:55,980

um

1029

00:45:01,130 --> 00:44:59,099

yeah it's it's easy to be paranoid

1030

00:45:04,309 --> 00:45:01,140

when you're in this subject for a long

1031

00:45:07,730 --> 00:45:04,319

enough time and you've interacted with

1032

00:45:10,849 --> 00:45:07,740

intelligence people you know

1033

00:45:13,910 --> 00:45:10,859

Majestic 12. anybody uh you know there

1034

00:45:17,630 --> 00:45:13,920

there's the history is replete with you

1035

00:45:20,750 --> 00:45:17,640

know uh Blue Book uh messing around with

1036

00:45:23,210 --> 00:45:20,760

things and Condon and and if you don't

1037

00:45:26,690 --> 00:45:23,220

know the history of that you don't you

1038

00:45:29,990 --> 00:45:26,700

need to open up some books I I go to my

1039

00:45:32,630 --> 00:45:30,000

Facebook I got a great uh for you to

1040

00:45:34,069 --> 00:45:32,640

read at and and and that's what we need

1041

00:45:36,109 --> 00:45:34,079

to do too

1042

00:45:38,510 --> 00:45:36,119

people need to read

1043

00:45:41,089 --> 00:45:38,520

and when I say read I don't mean read

1044

00:45:44,530 --> 00:45:41,099

all of you know Twitter or anything

1045

00:45:49,250 --> 00:45:44,540

secret or you know Tom belongs books

1046

00:45:52,849 --> 00:45:49,260

yeah whatever and I'm saying read dozens

1047

00:45:57,170 --> 00:45:52,859

of you know real you know history of the

1048

00:45:59,390 --> 00:45:57,180

of the subjects uh there's there's so

1049

00:46:02,390 --> 00:45:59,400

much more there's there's such a wealth

1050

00:46:04,010 --> 00:46:02,400

out there of of information that we

1051  
00:46:06,829 --> 00:46:04,020  
don't need to keep Reinventing the wheel

1052  
00:46:09,010 --> 00:46:06,839  
just so we can you know beat it the

1053  
00:46:11,930 --> 00:46:09,020  
quarter barrel drop you know

1054  
00:46:14,930 --> 00:46:11,940  
it also feels like the current kind of

1055  
00:46:19,190 --> 00:46:14,940  
flap is very much serving as a trojan

1056  
00:46:22,250 --> 00:46:19,200  
horse to drive a lot of these uh

1057  
00:46:25,190 --> 00:46:22,260  
militaristic defense narratives

1058  
00:46:27,050 --> 00:46:25,200  
um it feels a lot like it I think for

1059  
00:46:28,790 --> 00:46:27,060  
these small segment of the population

1060  
00:46:31,550 --> 00:46:28,800  
that genuinely cares about this stuff

1061  
00:46:33,589 --> 00:46:31,560  
it's a very effective vehicle not only

1062  
00:46:35,510 --> 00:46:33,599  
for undermining faith and government

1063  
00:46:37,250 --> 00:46:35,520

institutions and sort of dismantling

1064

00:46:38,750 --> 00:46:37,260

consensus reality right this is why I

1065

00:46:41,089 --> 00:46:38,760

think like Tucker Carlson brings these

1066

00:46:43,670 --> 00:46:41,099

guys on his show but also

1067

00:46:46,550 --> 00:46:43,680

um as opportunities to bring larger

1068

00:46:48,829 --> 00:46:46,560

conversations about threat narratives uh

1069

00:46:51,950 --> 00:46:48,839

and Espionage in drum up uh I think

1070

00:46:53,750 --> 00:46:51,960

increased militarization

1071

00:46:55,190 --> 00:46:53,760

as well I mean that's sort of what we

1072

00:46:56,890 --> 00:46:55,200

were seeing about this whole balloon

1073

00:46:59,329 --> 00:46:56,900

flap and shine

1074

00:47:01,250 --> 00:46:59,339

look at how people reacted to that

1075

00:47:04,670 --> 00:47:01,260

Chinese balloon

1076

00:47:07,490 --> 00:47:04,680

it's gnarly yeah and it's not even I

1077

00:47:10,690 --> 00:47:07,500

mean it's a legitimate threat narrative

1078

00:47:12,950 --> 00:47:10,700

it's always been legitimate anything

1079

00:47:14,710 --> 00:47:12,960

anytime something is flying in our

1080

00:47:17,569 --> 00:47:14,720

airspace that we don't know what it is

1081

00:47:18,770 --> 00:47:17,579

you know it's it

1082

00:47:24,589 --> 00:47:18,780

it's

1083

00:47:27,410 --> 00:47:24,599

um I think what you're saying Leah is

1084

00:47:31,609 --> 00:47:27,420

you know has there been a a concerted

1085

00:47:34,010 --> 00:47:31,619

effort to bring this forward in order to

1086

00:47:34,970 --> 00:47:34,020

influence defense policy and the answer

1087

00:47:36,829 --> 00:47:34,980

is yes

1088

00:47:39,770 --> 00:47:36,839

and the balloon thing even brought that

1089

00:47:41,750 --> 00:47:39,780

home even more and yeah that that was a

1090

00:47:43,670 --> 00:47:41,760

way you know to sell it you know if the

1091

00:47:45,650 --> 00:47:43,680

Chinese didn't send those balloons I

1092

00:47:47,510 --> 00:47:45,660

mean we could have sent them ourselves

1093

00:47:50,030 --> 00:47:47,520

if we're trying to influence you know

1094

00:47:53,270 --> 00:47:50,040

intelligence politics we could have done

1095

00:47:56,990 --> 00:47:53,280

it ourselves but uh

1096

00:47:59,809 --> 00:47:57,000

really that there is I think

1097

00:48:02,930 --> 00:47:59,819

within the subject and and

1098

00:48:04,910 --> 00:48:02,940

people that study UFOs also need to get

1099

00:48:07,370 --> 00:48:04,920

outside of UFOs they need to study the

1100

00:48:10,730 --> 00:48:07,380

history of Aviation

1101  
00:48:13,430 --> 00:48:10,740  
you need to study drones they need to

1102  
00:48:15,109 --> 00:48:13,440  
study meteorology they geology you know

1103  
00:48:17,030 --> 00:48:15,119  
there's a lot of other things that you

1104  
00:48:21,109 --> 00:48:17,040  
need to study in order to have you know

1105  
00:48:22,849 --> 00:48:21,119  
philosophy like I said uh but drones

1106  
00:48:23,510 --> 00:48:22,859  
really I think

1107  
00:48:26,589 --> 00:48:23,520  
um

1108  
00:48:29,390 --> 00:48:26,599  
there is a secret drone war going on

1109  
00:48:33,530 --> 00:48:29,400  
and uh

1110  
00:48:35,270 --> 00:48:33,540  
if it's not like a war war it's uh

1111  
00:48:36,770 --> 00:48:35,280  
it's almost there and people are

1112  
00:48:37,910 --> 00:48:36,780  
thinking about it and people are

1113  
00:48:41,809 --> 00:48:37,920

thinking about

1114

00:48:44,150 --> 00:48:41,819

you know a non-equal actors uh because I

1115

00:48:46,849 --> 00:48:44,160

can tell you this I know this for a fact

1116

00:48:49,250 --> 00:48:46,859

there are secret drone groups out there

1117

00:48:51,589 --> 00:48:49,260

that do a lot of this stuff

1118

00:48:55,250 --> 00:48:51,599

and they do it on purpose and they have

1119

00:48:57,050 --> 00:48:55,260

fun and they test the boundaries uh you

1120

00:48:59,210 --> 00:48:57,060

know I I come across you know as a

1121

00:49:01,370 --> 00:48:59,220

travel writer you know urbex people and

1122

00:49:03,230 --> 00:49:01,380

and people that like to trespass and go

1123

00:49:06,170 --> 00:49:03,240

into places and there's a whole

1124

00:49:08,510 --> 00:49:06,180

subculture of people that make their

1125

00:49:11,569 --> 00:49:08,520

drones look like UFOs and like to fly

1126

00:49:15,170 --> 00:49:11,579

into military bases there just are you

1127

00:49:16,910 --> 00:49:15,180

know and some of these cases are that

1128

00:49:18,410 --> 00:49:16,920

and that's why we need to look at things

1129

00:49:21,290 --> 00:49:18,420

individually because

1130

00:49:23,329 --> 00:49:21,300

some may be a drone some may be an

1131

00:49:24,950 --> 00:49:23,339

interdimensional crap you know I'm open

1132

00:49:26,870 --> 00:49:24,960

to that

1133

00:49:29,450 --> 00:49:26,880

um I'm open to proving it and I'm open

1134

00:49:31,670 --> 00:49:29,460

to understanding it you know not

1135

00:49:32,450 --> 00:49:31,680

just saying it

1136

00:49:35,329 --> 00:49:32,460

um

1137

00:49:38,809 --> 00:49:35,339

but yeah there's there there's a drone

1138

00:49:41,990 --> 00:49:38,819

war going on and uh within the next few

1139

00:49:43,609 --> 00:49:42,000  
years not just a drone War but a

1140

00:49:46,609 --> 00:49:43,619  
corporate

1141

00:49:48,770 --> 00:49:46,619  
takeover of the skies because within the

1142

00:49:50,510 --> 00:49:48,780  
next 10 or 15 years our sky is going to

1143

00:49:51,950 --> 00:49:50,520  
be partitioned

1144

00:49:53,870 --> 00:49:51,960  
businesses are going to be doing

1145

00:49:56,270 --> 00:49:53,880  
deliveries through drones

1146

00:49:58,910 --> 00:49:56,280  
we might have flying cars guys we're

1147

00:50:02,030 --> 00:49:58,920  
going to have robot car certainly within

1148

00:50:04,910 --> 00:50:02,040  
the next 10 15 years so picture in in 20

1149

00:50:06,530 --> 00:50:04,920  
25 years the sky is flying around with

1150

00:50:10,010 --> 00:50:06,540  
all sorts of things

1151

00:50:13,730 --> 00:50:10,020

right and The Fifth Element

1152

00:50:16,790 --> 00:50:13,740

the government wants all that stuff they

1153

00:50:18,589 --> 00:50:16,800

want every square inch to be accounted

1154

00:50:21,829 --> 00:50:18,599

for because they don't want crap flying

1155

00:50:25,130 --> 00:50:21,839

into each other so they want the skies

1156

00:50:27,530 --> 00:50:25,140

partitioned what they want is this guy

1157

00:50:29,450 --> 00:50:27,540

to be monitored all all the cameras that

1158

00:50:31,490 --> 00:50:29,460

are pointing at us are eventually going

1159

00:50:34,370 --> 00:50:31,500

to be also pointed at the sky

1160

00:50:37,069 --> 00:50:34,380

because our roadways are going to become

1161

00:50:40,430 --> 00:50:37,079

the sky as well so there's not just a

1162

00:50:42,050 --> 00:50:40,440

drone War there's you know sort of a and

1163

00:50:45,890 --> 00:50:42,060

you're seeing a lot of these UAP

1164

00:50:48,349 --> 00:50:45,900  
businesses popping up because

1165

00:50:50,030 --> 00:50:48,359  
that's what they're they're really going

1166

00:50:53,870 --> 00:50:50,040  
to be about UAV

1167

00:50:56,450 --> 00:50:53,880  
and they're really going to be about uh

1168

00:50:58,069 --> 00:50:56,460  
land in the sky you know these these

1169

00:51:00,589 --> 00:50:58,079  
corridors are going to be controlled and

1170

00:51:02,750 --> 00:51:00,599  
bought and owned and and that's what

1171

00:51:05,089 --> 00:51:02,760  
there's a lot of that going on too and

1172

00:51:07,130 --> 00:51:05,099  
there's also we got to worry about uh

1173

00:51:09,890 --> 00:51:07,140  
Chinese drones because they are real

1174

00:51:12,829 --> 00:51:09,900  
guys they have drones they have bomb uh

1175

00:51:15,170 --> 00:51:12,839  
balloons that can drop drones uh you

1176

00:51:18,410 --> 00:51:15,180

know study your Aviation there's a lot

1177

00:51:20,569 --> 00:51:18,420

of information out there uh

1178

00:51:22,130 --> 00:51:20,579

if you're really into UFOs you should

1179

00:51:24,410 --> 00:51:22,140

know what's in the sky

1180

00:51:27,049 --> 00:51:24,420

period you know it's sort of a

1181

00:51:29,210 --> 00:51:27,059

no-brainer uh a lot of people are too

1182

00:51:32,210 --> 00:51:29,220

busy uh you know fighting on Twitter to

1183

00:51:35,089 --> 00:51:32,220

to really do the studying that's

1184

00:51:36,650 --> 00:51:35,099

necessary and uh hopefully we can we can

1185

00:51:38,690 --> 00:51:36,660

get some reform or at least get people

1186

00:51:40,849 --> 00:51:38,700

talking about it and maybe get a reform

1187

00:51:41,930 --> 00:51:40,859

conference and and talk about the future

1188

00:51:44,630 --> 00:51:41,940

you know everybody's talking about

1189

00:51:48,829 --> 00:51:44,640

steering ships and all that but who made

1190

00:51:50,089 --> 00:51:48,839

you Captain right you know so uh the

1191

00:51:51,950 --> 00:51:50,099

community if it's going to be a

1192

00:51:55,490 --> 00:51:51,960

community it needs to start acting like

1193

00:51:58,190 --> 00:51:55,500

a community and not Game of Thrones

1194

00:51:59,990 --> 00:51:58,200

well back for the um back to the

1195

00:52:02,569 --> 00:52:00,000

paradigm shift that you alluded to

1196

00:52:04,910 --> 00:52:02,579

earlier if you think it's coming like

1197

00:52:07,309 --> 00:52:04,920

what do you think of the um

1198

00:52:09,470 --> 00:52:07,319

the broad Contours of it like what is

1199

00:52:11,329 --> 00:52:09,480

the actual phenomenon to use that word

1200

00:52:14,150 --> 00:52:11,339

again that you think might be going on

1201

00:52:16,130 --> 00:52:14,160

well I you know is there a singular

1202

00:52:18,650 --> 00:52:16,140

phenomenon

1203

00:52:20,150 --> 00:52:18,660

uh what does that mean does that

1204

00:52:22,670 --> 00:52:20,160

singular phenomena account for

1205

00:52:24,069 --> 00:52:22,680

everything because it can't because some

1206

00:52:26,750 --> 00:52:24,079

of those

1207

00:52:28,309 --> 00:52:26,760

interpretations that people have are

1208

00:52:30,770 --> 00:52:28,319

sort of contradictory to other

1209

00:52:33,349 --> 00:52:30,780

interpretations and we know through

1210

00:52:36,710 --> 00:52:33,359

evidence that uh some interpretations

1211

00:52:39,950 --> 00:52:36,720

are just wrong so just logically

1212

00:52:42,290 --> 00:52:39,960

speaking we we have to throw out the

1213

00:52:45,650 --> 00:52:42,300

idea of singular phenomenon

1214

00:52:48,109 --> 00:52:45,660

uh are there a variety of phenomena

1215

00:52:50,630 --> 00:52:48,119

there that account for you know aerial

1216

00:52:54,589 --> 00:52:50,640

anomalies or even ghosts or Cryptids or

1217

00:52:56,930 --> 00:52:54,599

whatever I I think uh there possibly are

1218

00:52:59,270 --> 00:52:56,940

I think you might have

1219

00:53:01,849 --> 00:52:59,280

some sort of temporal anomaly you might

1220

00:53:04,609 --> 00:53:01,859

have a location that induces some sort

1221

00:53:06,950 --> 00:53:04,619

of hallucinogenic effect you might have

1222

00:53:08,990 --> 00:53:06,960

an area where geological activity that

1223

00:53:11,329 --> 00:53:09,000

can create some sort of buoyant plasmas

1224

00:53:13,910 --> 00:53:11,339

you know that are you know Natural Earth

1225

00:53:16,270 --> 00:53:13,920

lights uh

1226

00:53:19,069 --> 00:53:16,280

are they extraterrestrial maybe

1227

00:53:21,109 --> 00:53:19,079

extraterrestrials are here as well okay

1228

00:53:23,690 --> 00:53:21,119

uh but if we're going to understand

1229

00:53:27,049 --> 00:53:23,700

these things we need to truly understand

1230

00:53:30,770 --> 00:53:27,059

them and not just speculate on them you

1231

00:53:32,930 --> 00:53:30,780

know you the field is uh Rife with

1232

00:53:35,690 --> 00:53:32,940

speculation we need to get beyond the

1233

00:53:37,910 --> 00:53:35,700

speculation and get to the you know the

1234

00:53:39,910 --> 00:53:37,920

data I think

1235

00:53:43,010 --> 00:53:39,920

um

1236

00:53:46,309 --> 00:53:43,020

let me just uh answer you know as far as

1237

00:53:48,829 --> 00:53:46,319

uh the Paradigm aspect to it

1238

00:53:51,049 --> 00:53:48,839

is there Discovery Science to be had

1239

00:53:51,770 --> 00:53:51,059

absolutely

1240

00:53:54,530 --> 00:53:51,780

um

1241

00:53:55,609 --> 00:53:54,540

you know it if there is a localized

1242

00:54:00,170 --> 00:53:55,619

place

1243

00:54:04,549 --> 00:54:00,180

that is electromagnetic or you know it

1244

00:54:07,089 --> 00:54:04,559

is a a particular GPS place

1245

00:54:09,650 --> 00:54:07,099

that consistently

1246

00:54:12,109 --> 00:54:09,660

demonstrates anomalies you know beyond

1247

00:54:13,790 --> 00:54:12,119

probability measures and we can do

1248

00:54:14,630 --> 00:54:13,800

probability measures that's how we

1249

00:54:17,450 --> 00:54:14,640

should be

1250

00:54:19,549 --> 00:54:17,460

finding areas to research you know not

1251

00:54:21,589 --> 00:54:19,559

Catalina Island because the TV show said

1252

00:54:24,650 --> 00:54:21,599

it should be based upon actual

1253

00:54:27,410 --> 00:54:24,660

scientific data uh

1254

00:54:30,950 --> 00:54:27,420

we need to understand it you know I'm

1255

00:54:32,990 --> 00:54:30,960

open to say a ghost existing but

1256

00:54:35,329 --> 00:54:33,000

what we need is that ghost in a bottle

1257

00:54:37,270 --> 00:54:35,339

or we need some sort of instrumentation

1258

00:54:41,569 --> 00:54:37,280

to where we can understand

1259

00:54:43,609 --> 00:54:41,579

what is comprised of you know how is a

1260

00:54:45,950 --> 00:54:43,619

Consciousness able to move around and

1261

00:54:48,890 --> 00:54:45,960

interact materially what is the

1262

00:54:51,290 --> 00:54:48,900

connecting aspect between the two there

1263

00:54:53,450 --> 00:54:51,300

may be some sort of Discovery Science

1264

00:54:56,870 --> 00:54:53,460

you know within Quantum science a lot of

1265

00:54:59,390 --> 00:54:56,880

people are suggesting that that uh you

1266

00:55:01,549 --> 00:54:59,400

know the spooky action stuff and and US

1267

00:55:04,910 --> 00:55:01,559

observing and creating our reality

1268

00:55:06,530 --> 00:55:04,920

somehow can you know affect matter or

1269

00:55:09,290 --> 00:55:06,540

the whole notion of a you know a

1270

00:55:12,829 --> 00:55:09,300

holographic reality yeah if this is all

1271

00:55:14,750 --> 00:55:12,839

holographic hologram or holograph that's

1272

00:55:18,349 --> 00:55:14,760

you know and we're doing what the

1273

00:55:19,790 --> 00:55:18,359

program says I guess so uh uh yeah

1274

00:55:24,049 --> 00:55:19,800

there's always something to be learned

1275

00:55:26,870 --> 00:55:24,059

uh there are paradigms uh to be shifted

1276

00:55:29,329 --> 00:55:26,880

and changed it may even be an

1277

00:55:32,150 --> 00:55:29,339

extraterrestrial visitation one

1278

00:55:35,270 --> 00:55:32,160

okay uh but there's gonna be a high

1279

00:55:37,549 --> 00:55:35,280

threshold of of

1280

00:55:40,370 --> 00:55:37,559

what consensus is gonna

1281

00:55:42,049 --> 00:55:40,380

need to happen in order to get that

1282

00:55:44,390 --> 00:55:42,059

Paradigm to change

1283

00:55:46,790 --> 00:55:44,400

uh it it won't be through government

1284

00:55:48,410 --> 00:55:46,800

Proclamation it's going to be through

1285

00:55:50,870 --> 00:55:48,420

scientific evidence

1286

00:55:52,609 --> 00:55:50,880

you know uh it's not going to be through

1287

00:55:53,450 --> 00:55:52,619

intuition it's not going to be through a

1288

00:55:56,109 --> 00:55:53,460

vote

1289

00:55:59,510 --> 00:55:56,119

uh it's going to be through

1290

00:56:01,190 --> 00:55:59,520

demonstrative science uh even if you're

1291

00:56:03,530 --> 00:56:01,200

saying that you can't demonstrate the

1292

00:56:06,349 --> 00:56:03,540

science you're you're not going to

1293

00:56:09,650 --> 00:56:06,359

convince anybody but beyond just faith

1294

00:56:12,530 --> 00:56:09,660

you know yeah just you know trust me uh

1295

00:56:15,470 --> 00:56:12,540

witness testimony is a good place to

1296

00:56:17,870 --> 00:56:15,480

start but witness testimonies within the

1297

00:56:20,089 --> 00:56:17,880

scientific realm is is really weak

1298

00:56:22,670 --> 00:56:20,099

evidence even photographic and video

1299

00:56:24,710 --> 00:56:22,680

evidences weak secondary evidence we

1300

00:56:26,870 --> 00:56:24,720

need long-term sustained scientific

1301

00:56:28,490 --> 00:56:26,880

monitoring of something in order to

1302

00:56:31,430 --> 00:56:28,500

understand it we need a ghost in a

1303

00:56:34,430 --> 00:56:31,440

bottle we need a piece of UFO metal uh

1304

00:56:36,890 --> 00:56:34,440

you know we need a Bigfoot hair you know

1305

00:56:39,650 --> 00:56:36,900

we need we need the evidence you know

1306

00:56:42,349 --> 00:56:39,660

and and people like Ted Phillips in

1307

00:56:44,870 --> 00:56:42,359

Missouri uh that's the sort of ufology

1308

00:56:47,210 --> 00:56:44,880

that I I want to get back at the

1309

00:56:50,210 --> 00:56:47,220

mentoring system you know heineck was

1310

00:56:52,250 --> 00:56:50,220

his mentor you know and uh what did he

1311

00:56:54,349 --> 00:56:52,260

do he went out to these places thousands

1312

00:56:56,109 --> 00:56:54,359

of them went to the spot where people

1313

00:56:58,670 --> 00:56:56,119

saw stuff

1314

00:57:00,470 --> 00:56:58,680

engaged the location engaged the

1315

00:57:03,230 --> 00:57:00,480

phenomena gather data gathered

1316

00:57:05,569 --> 00:57:03,240

information gathered evidence and

1317

00:57:07,010 --> 00:57:05,579

documented it and that stuff's sitting

1318

00:57:09,589 --> 00:57:07,020

there right now

1319

00:57:10,970 --> 00:57:09,599

you know there's a lot of stuff that's

1320

00:57:14,150 --> 00:57:10,980

sitting there right now not being

1321

00:57:17,030 --> 00:57:14,160

utilized and you know we're doing all

1322

00:57:18,950 --> 00:57:17,040

the political stuff and it's just uh we

1323

00:57:21,230 --> 00:57:18,960

need some reform

1324

00:57:23,630 --> 00:57:21,240

so you uh you talk a lot about

1325

00:57:25,670 --> 00:57:23,640

um in cases of anomalies not not just

1326

00:57:27,530 --> 00:57:25,680

aerial anomalies localized anomalies and

1327

00:57:29,569 --> 00:57:27,540

stuff you you talk about looking at them

1328

00:57:32,030 --> 00:57:29,579

in isolation right because we're kind of

1329

00:57:33,829 --> 00:57:32,040

presuming that maybe the same causes are

1330

00:57:35,630 --> 00:57:33,839

going behind these and you kind of

1331

00:57:38,510 --> 00:57:35,640

attribute that to you valet in that time

1332

00:57:40,190 --> 00:57:38,520

period where we kind of uh people start

1333

00:57:43,010 --> 00:57:40,200

looking for a kind of a grand unified

1334

00:57:45,470 --> 00:57:43,020

theory of UFOs and other phenomenon but

1335

00:57:47,930 --> 00:57:45,480

I wonder if kind of like the cultural

1336

00:57:49,910 --> 00:57:47,940

understanding of UFOs is that like you

1337

00:57:51,950 --> 00:57:49,920

admitted has existed since back in the

1338

00:57:53,390 --> 00:57:51,960

70s and a lot earlier I mean really

1339

00:57:55,370 --> 00:57:53,400

since the 40s

1340

00:57:57,589 --> 00:57:55,380

um yeah do you think that that is

1341

00:57:59,870 --> 00:57:57,599

influencing people too much because like

1342

00:58:01,430 --> 00:57:59,880

personally like how do you draw the

1343

00:58:02,750 --> 00:58:01,440

distinction between a spook light or

1344

00:58:04,250 --> 00:58:02,760

nocturnal lights

1345

00:58:05,750 --> 00:58:04,260

because I would say that those are more

1346

00:58:07,490 --> 00:58:05,760

similar than nocturnal lights in a

1347

00:58:08,890 --> 00:58:07,500

daylight disc right where are you

1348

00:58:12,290 --> 00:58:08,900

drawing that line in between

1349

00:58:14,270 --> 00:58:12,300

poltergeists and uh psychokinesis right

1350

00:58:16,370 --> 00:58:14,280

do you think that the um kind of the

1351  
00:58:19,309 --> 00:58:16,380  
general cultural understanding of what a

1352  
00:58:21,170 --> 00:58:19,319  
UFO is hinders the study of the the

1353  
00:58:23,030 --> 00:58:21,180  
topic and actually contributes to the

1354  
00:58:25,490 --> 00:58:23,040  
stigma

1355  
00:58:27,950 --> 00:58:25,500  
well uh I don't

1356  
00:58:30,290 --> 00:58:27,960  
think there's as much of a stigma as

1357  
00:58:32,450 --> 00:58:30,300  
people think that there is I don't think

1358  
00:58:34,790 --> 00:58:32,460  
where you know people are necessarily

1359  
00:58:37,670 --> 00:58:34,800  
losing their jobs or whatever you know

1360  
00:58:40,190 --> 00:58:37,680  
within the military well within the

1361  
00:58:42,470 --> 00:58:40,200  
military and you know industrial you

1362  
00:58:45,109 --> 00:58:42,480  
know apparatus people get

1363  
00:58:47,390 --> 00:58:45,119

passed over for a variety of different

1364

00:58:50,450 --> 00:58:47,400

views and there are camps you know there

1365

00:58:51,650 --> 00:58:50,460

are uh people with religious views and

1366

00:58:53,870 --> 00:58:51,660

and

1367

00:58:57,049 --> 00:58:53,880

views the other way you know we can't

1368

00:58:59,150 --> 00:58:57,059

there's a Collins Elite you have to know

1369

00:59:01,069 --> 00:58:59,160

that there's an invisible College

1370

00:59:03,230 --> 00:59:01,079

that these people talk to each other

1371

00:59:06,770 --> 00:59:03,240

that these you know there's an invisible

1372

00:59:10,390 --> 00:59:06,780

night school there is right but there's

1373

00:59:13,849 --> 00:59:10,400

an invisible invisible College you know

1374

00:59:15,170 --> 00:59:13,859

and Leslie Keane and and Lou and all

1375

00:59:17,809 --> 00:59:15,180

these people haven't been talking to

1376

00:59:19,069 --> 00:59:17,819

each other for years I mean you don't

1377

00:59:21,530 --> 00:59:19,079

know the subject

1378

00:59:23,510 --> 00:59:21,540

you know and and they have they've been

1379

00:59:25,730 --> 00:59:23,520

working towards this you know towards an

1380

00:59:28,430 --> 00:59:25,740

agenda and and there are camps and there

1381

00:59:30,770 --> 00:59:28,440

are viewpoints but uh you know maybe

1382

00:59:32,990 --> 00:59:30,780

back in the 50s in the 60s you may have

1383

00:59:35,569 --> 00:59:33,000

had you know the you know the those

1384

00:59:38,329 --> 00:59:35,579

old-time guys that you know ah that

1385

00:59:39,710 --> 00:59:38,339

guy's a loon I'm not gonna hire that guy

1386

00:59:40,370 --> 00:59:39,720

or whatever

1387

00:59:42,770 --> 00:59:40,380

um

1388

00:59:46,010 --> 00:59:42,780

but you know you you got that sort of

1389

00:59:48,049 --> 00:59:46,020

thing now I I have never

1390

00:59:50,210 --> 00:59:48,059

well maybe it's just my personality

1391

00:59:54,370 --> 00:59:50,220

because I don't give a [\h\_\_\h] but I I've

1392

00:59:57,670 --> 00:59:54,380

never felt bad about talking about UFOs

1393

01:00:00,710 --> 00:59:57,680

with me you know there you go

1394

01:00:02,930 --> 01:00:00,720

more in the sense that like

1395

01:00:05,089 --> 01:00:02,940

serious academics aren't giving it the

1396

01:00:07,010 --> 01:00:05,099

time just because they associate it with

1397

01:00:10,370 --> 01:00:07,020

the stories they understand culture yeah

1398

01:00:13,370 --> 01:00:10,380

there's that individual level well you

1399

01:00:16,549 --> 01:00:13,380

know a lot of academics are not educated

1400

01:00:19,430 --> 01:00:16,559

in the subject and you know they they

1401

01:00:22,069 --> 01:00:19,440

are part of the culture too and they see

1402

01:00:24,049 --> 01:00:22,079

you know a Cheesy documentary and they

1403

01:00:26,270 --> 01:00:24,059

think oh that's pseudoscience I'm within

1404

01:00:30,049 --> 01:00:26,280

the subject I believe in proposed I've

1405

01:00:32,450 --> 01:00:30,059

had encounters you know uh and I say

1406

01:00:35,750 --> 01:00:32,460

that you know that's pseudoscience crap

1407

01:00:37,309 --> 01:00:35,760

what are we doing you know or that's a

1408

01:00:39,470 --> 01:00:37,319

bunch of baloney that's not scientific

1409

01:00:41,210 --> 01:00:39,480

why are you doing that that's not the

1410

01:00:43,250 --> 01:00:41,220

location why are you doing that the UFO

1411

01:00:44,750 --> 01:00:43,260

didn't look like that the history is all

1412

01:00:48,430 --> 01:00:44,760

wrong that you know that that show

1413

01:00:54,230 --> 01:00:51,289

well I you know I guess for a science

1414

01:00:57,109 --> 01:00:54,240

fiction X-Files rip-off it was okay but

1415

01:01:00,109 --> 01:00:57,119

you know what you did not need to do all

1416

01:01:02,630 --> 01:01:00,119

that crap the real story is so much more

1417

01:01:05,390 --> 01:01:02,640

interesting the real cases are so much

1418

01:01:07,670 --> 01:01:05,400

more interesting than any machination

1419

01:01:10,250 --> 01:01:07,680

that you know people can come up with so

1420

01:01:13,069 --> 01:01:10,260

people see that that stuff that

1421

01:01:15,470 --> 01:01:13,079

entertainment or the manipulative stuff

1422

01:01:17,329 --> 01:01:15,480

or you know the the the the bad

1423

01:01:19,309 --> 01:01:17,339

documentaries and

1424

01:01:21,770 --> 01:01:19,319

even people within

1425

01:01:23,870 --> 01:01:21,780

you know Academia see that stuff and

1426

01:01:27,890 --> 01:01:23,880

they they say you know that's baloney

1427

01:01:31,370 --> 01:01:27,900

and uh that's on us every

1428

01:01:32,990 --> 01:01:31,380

that's sort of my my notion that I've

1429

01:01:35,450 --> 01:01:33,000

had that

1430

01:01:38,150 --> 01:01:35,460

you know for so long ufology has been

1431

01:01:39,890 --> 01:01:38,160

like oh the government

1432

01:01:42,349 --> 01:01:39,900

and the media and the culture

1433

01:01:43,849 --> 01:01:42,359

everybody's out against us and you know

1434

01:01:45,589 --> 01:01:43,859

it's their fault that we don't know the

1435

01:01:47,089 --> 01:01:45,599

truth they're the ones hiding it and all

1436

01:01:48,410 --> 01:01:47,099

that and it's like

1437

01:01:51,530 --> 01:01:48,420

no

1438

01:01:55,370 --> 01:01:51,540

it's your fault ufology it's your fault

1439

01:01:57,710 --> 01:01:55,380

UFO Community you have not brought it

1440

01:01:59,329 --> 01:01:57,720

you have not learned philosophy of

1441

01:02:00,950 --> 01:01:59,339

science enough to change the Paradigm

1442

01:02:02,990 --> 01:02:00,960

you talked about paradigm shift but you

1443

01:02:04,250 --> 01:02:03,000

don't know what the hell that means you

1444

01:02:05,630 --> 01:02:04,260

know and you're not producing anything

1445

01:02:07,309 --> 01:02:05,640

you're not producing anything but

1446

01:02:08,990 --> 01:02:07,319

euphotainment and there's nothing wrong

1447

01:02:11,569 --> 01:02:09,000

with that but there needs to be a

1448

01:02:14,089 --> 01:02:11,579

balance and I and I I think we can fund

1449

01:02:16,370 --> 01:02:14,099

a lot of the science stuff if we you

1450

01:02:19,569 --> 01:02:16,380

know tell Ancient Aliens to cough up ten

1451  
01:02:22,609 --> 01:02:19,579  
percent or anything kind of cough up 10

1452  
01:02:24,829 --> 01:02:22,619  
or you know all these UFO celebrities

1453  
01:02:27,530 --> 01:02:24,839  
that are going on UFO cruises to cough

1454  
01:02:30,170 --> 01:02:27,540  
up 10 of your cruise money

1455  
01:02:32,510 --> 01:02:30,180  
okay and some people say oh you don't

1456  
01:02:34,609 --> 01:02:32,520  
make a lot yeah you may not make a lot

1457  
01:02:36,230 --> 01:02:34,619  
at a conference but you'll make a lot if

1458  
01:02:38,089 --> 01:02:36,240  
you're doing a conference every week and

1459  
01:02:40,789 --> 01:02:38,099  
in between that you're doing TV shows

1460  
01:02:42,650 --> 01:02:40,799  
and you're also selling books you know

1461  
01:02:43,990 --> 01:02:42,660  
you can you can

1462  
01:02:47,690 --> 01:02:44,000  
buy a house

1463  
01:02:49,970 --> 01:02:47,700

yes a lot of this reminds me sort of of

1464

01:02:51,650 --> 01:02:49,980

the spectrum of spirituality that exists

1465

01:02:53,510 --> 01:02:51,660

where we have these like mega churches

1466

01:02:56,210 --> 01:02:53,520

that function as entertainment Vehicles

1467

01:02:58,430 --> 01:02:56,220

like glossing is a good example

1468

01:03:00,109 --> 01:02:58,440

um all the way through the spectrum of

1469

01:03:02,510 --> 01:03:00,119

say like dedicated devotional practice

1470

01:03:04,370 --> 01:03:02,520

or lay practice that does not exist on

1471

01:03:05,809 --> 01:03:04,380

big screens or on Twitter it exists very

1472

01:03:07,430 --> 01:03:05,819

privately

1473

01:03:12,250 --> 01:03:07,440

um and it seems to me it's so evident

1474

01:03:14,089 --> 01:03:12,260

that ufology overlaid with new age

1475

01:03:16,670 --> 01:03:14,099

metaphysics

1476

01:03:18,010 --> 01:03:16,680

spirituality Etc suffers from the same

1477

01:03:20,750 --> 01:03:18,020

kind of

1478

01:03:23,630 --> 01:03:20,760

problem where you have this entire

1479

01:03:26,210 --> 01:03:23,640

Spectrum ranging from just buffoonish

1480

01:03:29,150 --> 01:03:26,220

vacuous entertainment and gullibility

1481

01:03:30,589 --> 01:03:29,160

all the way through people that are

1482

01:03:33,289 --> 01:03:30,599

quite quite serious and one of the

1483

01:03:35,030 --> 01:03:33,299

things watching right now we have uh

1484

01:03:36,049 --> 01:03:35,040

Jeff and one of the things he talks

1485

01:03:37,670 --> 01:03:36,059

about a lot is basically how the

1486

01:03:39,589 --> 01:03:37,680

greatest researchers in this subject are

1487

01:03:41,329 --> 01:03:39,599

not generally publicly visible like the

1488

01:03:42,829 --> 01:03:41,339

best research and conversations that are

1489

01:03:44,329 --> 01:03:42,839

happening around ufology they're

1490

01:03:46,490 --> 01:03:44,339

certainly not happening on UFO Twitter

1491

01:03:48,650 --> 01:03:46,500

that's for damn sure maybe some of it's

1492

01:03:50,270 --> 01:03:48,660

happening on Facebook but most of it's

1493

01:03:52,970 --> 01:03:50,280

happening kind of in these uh I would

1494

01:03:55,609 --> 01:03:52,980

say private like research enclaves

1495

01:03:58,069 --> 01:03:55,619

um and that to me feels like finding

1496

01:04:00,470 --> 01:03:58,079

finding opportunities and ways to bridge

1497

01:04:02,270 --> 01:04:00,480

the gaps between these enclaves into

1498

01:04:04,190 --> 01:04:02,280

some kind of distributed network of

1499

01:04:05,990 --> 01:04:04,200

information sharing and distribution to

1500

01:04:08,089 --> 01:04:06,000

me seems like super promising especially

1501

01:04:09,289 --> 01:04:08,099

as a lot of these Old Guard guys you

1502

01:04:10,789 --> 01:04:09,299

know they live in houses filled with

1503

01:04:12,230 --> 01:04:10,799

archive boxes and like how do we know

1504

01:04:15,230 --> 01:04:12,240

what they have how do we sort of connect

1505

01:04:17,329 --> 01:04:15,240

dots between different research efforts

1506

01:04:19,309 --> 01:04:17,339

I think that's really important for you

1507

01:04:21,829 --> 01:04:19,319

know kind of new people and Mike you

1508

01:04:24,470 --> 01:04:21,839

mentioned all these kind of post 2017

1509

01:04:26,510 --> 01:04:24,480

people kind of onboarding and the first

1510

01:04:28,849 --> 01:04:26,520

thing they hit is this kind of wall of

1511

01:04:31,670 --> 01:04:28,859

ufootenate media and I'll use kind of an

1512

01:04:32,990 --> 01:04:31,680

analogy um any new paranormal

1513

01:04:34,970 --> 01:04:33,000

investigation group or a ghost hunter

1514

01:04:37,370 --> 01:04:34,980

group the first thing they do is go out

1515

01:04:38,990 --> 01:04:37,380

and buy EMF meters you ask any Ghost

1516

01:04:41,030 --> 01:04:39,000

Hunter why they use them and they

1517

01:04:43,190 --> 01:04:41,040

couldn't tell you so I'm just kind of

1518

01:04:44,990 --> 01:04:43,200

wondering if the kind of UFO narrative

1519

01:04:47,510 --> 01:04:45,000

effects we all culturally understand it

1520

01:04:49,730 --> 01:04:47,520

in the states is kind of hindering

1521

01:04:51,650 --> 01:04:49,740

people from the jump as they approach

1522

01:04:52,910 --> 01:04:51,660

because that is just kind of the most

1523

01:04:55,490 --> 01:04:52,920

prominent

1524

01:04:58,130 --> 01:04:55,500

um kind of perspective on the subject

1525

01:05:00,470 --> 01:04:58,140

and how do you get around that well I I

1526

01:05:03,289 --> 01:05:00,480

think uh you know entertainment science

1527

01:05:05,510 --> 01:05:03,299

you know as far as the Paranormal has

1528

01:05:07,670 --> 01:05:05,520

sort of been locked

1529

01:05:12,289 --> 01:05:07,680

uh you know the past three or four

1530

01:05:13,789 --> 01:05:12,299

decades maybe uh into you know

1531

01:05:16,010 --> 01:05:13,799

you know they're driving there and then

1532

01:05:18,230 --> 01:05:16,020

they do the background supposition thing

1533

01:05:20,150 --> 01:05:18,240

and they've already they already know

1534

01:05:21,289 --> 01:05:20,160

the lore and all that sort of stuff and

1535

01:05:24,770 --> 01:05:21,299

it's just you know they're going through

1536

01:05:27,950 --> 01:05:24,780

a theatrical sort of thing it's not a

1537

01:05:29,870 --> 01:05:27,960

it's not a real investigation right I

1538

01:05:31,670 --> 01:05:29,880

I've challenged bigfooters I have

1539

01:05:34,970 --> 01:05:31,680

challenged UFO people and I've

1540

01:05:37,069 --> 01:05:34,980

challenged Ghost Hunters and I'm just a

1541

01:05:39,170 --> 01:05:37,079

dude with opinions if you think I'm an

1542

01:05:40,130 --> 01:05:39,180

arrogant [h\_\_h] that's fine I probably

1543

01:05:42,890 --> 01:05:40,140

am

1544

01:05:45,109 --> 01:05:42,900

you don't have to listen to me but guess

1545

01:05:47,150 --> 01:05:45,119

what I'm not going anywhere I have an

1546

01:05:49,390 --> 01:05:47,160

opinion I can say it

1547

01:05:52,789 --> 01:05:49,400

don't like it tough

1548

01:05:54,829 --> 01:05:52,799

but I will say you know that

1549

01:05:56,750 --> 01:05:54,839

if we're if you're if you're trying to

1550

01:05:58,789 --> 01:05:56,760

be an Entertainer

1551

01:06:01,250 --> 01:05:58,799

I guess you gotta go that route right

1552

01:06:02,809 --> 01:06:01,260

yeah you gotta engage it you gotta play

1553

01:06:05,390 --> 01:06:02,819

the game and you got to read the script

1554

01:06:07,270 --> 01:06:05,400

and you gotta get put the makeup on and

1555

01:06:09,410 --> 01:06:07,280

you gotta have the camera pointed at you

1556

01:06:11,150 --> 01:06:09,420

instead of pointing the camera at the

1557

01:06:14,690 --> 01:06:11,160

anomaly

1558

01:06:16,370 --> 01:06:14,700

right uh so you know the the cameras are

1559

01:06:18,770 --> 01:06:16,380

sort of pointed in the in the wrong way

1560

01:06:20,510 --> 01:06:18,780

in a lot of ways and I think if we're if

1561

01:06:22,910 --> 01:06:20,520

we're legitimate and we're serious about

1562

01:06:25,609 --> 01:06:22,920

pointing the cameras in the right way it

1563

01:06:27,650 --> 01:06:25,619

needs to be a scientific methodological

1564

01:06:30,470 --> 01:06:27,660

program

1565

01:06:32,450 --> 01:06:30,480

not not an entertainment one where you

1566

01:06:34,609 --> 01:06:32,460

bring you know stars of Ancient Aliens

1567

01:06:37,370 --> 01:06:34,619

and stuff to do rituals at your location

1568

01:06:40,490 --> 01:06:37,380

or whatever I guess that makes for okay

1569

01:06:42,589 --> 01:06:40,500

TV but it's delegitimizing if you're

1570

01:06:44,390 --> 01:06:42,599

trying to be legitimate if you're trying

1571

01:06:45,410 --> 01:06:44,400

to be legitimate what you want is you

1572

01:06:47,569 --> 01:06:45,420

one day

1573

01:06:49,970 --> 01:06:47,579

and what you want

1574

01:06:52,670 --> 01:06:49,980

if you have a haunted house

1575

01:06:55,430 --> 01:06:52,680

turn the lights on

1576

01:06:57,770 --> 01:06:55,440

right get the house for a couple of

1577

01:07:00,829 --> 01:06:57,780

years put cameras and Equipment

1578

01:07:05,210 --> 01:07:00,839

everywhere set up an array of scientific

1579

01:07:07,670 --> 01:07:05,220

equipment and monitor it for years yeah

1580

01:07:11,150 --> 01:07:07,680

the funny nobody around looking at the

1581

01:07:13,190 --> 01:07:11,160

in the green camera you know acting

1582

01:07:15,770 --> 01:07:13,200

shocked and you know meanwhile the

1583

01:07:18,230 --> 01:07:15,780

anomaly is over there you know that's

1584

01:07:20,870 --> 01:07:18,240

Bigfoot shows that's UFO shows and

1585

01:07:22,789 --> 01:07:20,880

that's ghost shows absolutely James Fox

1586

01:07:25,250 --> 01:07:22,799

has done that

1587

01:07:27,170 --> 01:07:25,260

all your Bigfoot people you know your

1588

01:07:29,750 --> 01:07:27,180

ghost Adventurer people they do all that

1589

01:07:32,150 --> 01:07:29,760

sort of thing but you know what if that

1590

01:07:33,829 --> 01:07:32,160

place is legitimately haunted or if that

1591

01:07:35,089 --> 01:07:33,839

place legitimately has some sort of

1592

01:07:37,490 --> 01:07:35,099

Cryptid

1593

01:07:39,010 --> 01:07:37,500

let's get rid of that stuff because like

1594

01:07:42,230 --> 01:07:39,020

you said

1595

01:07:45,170 --> 01:07:42,240

these things are have become cultural

1596

01:07:46,910 --> 01:07:45,180

archetypes through the media through

1597

01:07:49,270 --> 01:07:46,920

entertainment that's where we get it

1598

01:07:52,370 --> 01:07:49,280

people aren't reading scientific

1599

01:07:53,990 --> 01:07:52,380

journals about UFOs mostly because there

1600

01:07:56,089 --> 01:07:54,000

aren't any anymore

1601  
01:07:57,829 --> 01:07:56,099  
you know they're watching A History

1602  
01:07:59,150 --> 01:07:57,839  
Channel or a Discovery Channel or a

1603  
01:08:02,930 --> 01:07:59,160  
Travel Channel and they're watching

1604  
01:08:05,569 --> 01:08:02,940  
pseudoscience non-science uh UFO

1605  
01:08:09,609 --> 01:08:05,579  
celebrity people that are you know on

1606  
01:08:12,410 --> 01:08:09,619  
this it it's it's similar to Vaudeville

1607  
01:08:15,349 --> 01:08:12,420  
I know this because I traveled all these

1608  
01:08:17,990 --> 01:08:15,359  
things these they have tables and they

1609  
01:08:19,789 --> 01:08:18,000  
have you know all their stuff set up you

1610  
01:08:21,890 --> 01:08:19,799  
know because it's it's like a side show

1611  
01:08:23,450 --> 01:08:21,900  
it's it's a circus you're you're there

1612  
01:08:25,550 --> 01:08:23,460  
to see celebrities and take pictures

1613  
01:08:28,430 --> 01:08:25,560

some of them charge money which I think

1614

01:08:30,169 --> 01:08:28,440

is freaking ridiculous you know I I just

1615

01:08:32,930 --> 01:08:30,179

wonder what people like heinek would

1616

01:08:35,269 --> 01:08:32,940

think you know well we have we actually

1617

01:08:37,370 --> 01:08:35,279

have a decent uh idea of that because Dr

1618

01:08:40,070 --> 01:08:37,380

heinek went and visited

1619

01:08:41,689 --> 01:08:40,080

um a few of the uh people uh like

1620

01:08:44,090 --> 01:08:41,699

Georgia damskey and he wrote about that

1621

01:08:45,530 --> 01:08:44,100

right he was pissed off that adamski

1622

01:08:48,470 --> 01:08:45,540

kept interrupting his own story to try

1623

01:08:50,510 --> 01:08:48,480

to sell him photos that he took of the

1624

01:08:52,070 --> 01:08:50,520

beings right that were right we found

1625

01:08:55,490 --> 01:08:52,080

out later were entirely fake which

1626  
01:08:56,630 --> 01:08:55,500  
heinek assumed at the time yeah so but

1627  
01:08:57,890 --> 01:08:56,640  
um you know talking a little bit about

1628  
01:08:59,870 --> 01:08:57,900  
the interpretation stuff and the

1629  
01:09:02,510 --> 01:08:59,880  
entertainment side of it and it's like

1630  
01:09:05,749 --> 01:09:02,520  
you know certain interpretations sell

1631  
01:09:08,689 --> 01:09:05,759  
right uh like if you lean into sort of

1632  
01:09:10,370 --> 01:09:08,699  
like interpretations that entail like

1633  
01:09:12,349 --> 01:09:10,380  
like you're sort of it was describing

1634  
01:09:15,050 --> 01:09:12,359  
earlier like a radical Paradigm Shift

1635  
01:09:16,729 --> 01:09:15,060  
it's uh the whole disclosure narrative

1636  
01:09:19,729 --> 01:09:16,739  
it's very similar to like a an

1637  
01:09:22,490 --> 01:09:19,739  
apocalyptic narrative people who kind of

1638  
01:09:25,430 --> 01:09:22,500

are looking for a big change in the

1639

01:09:27,829 --> 01:09:25,440

world uh it appeals to them right and um

1640

01:09:30,229 --> 01:09:27,839

so I'm curious like for your

1641

01:09:32,450 --> 01:09:30,239

interpretive side like when there is

1642

01:09:35,030 --> 01:09:32,460

that draw that's such a strong draw that

1643

01:09:37,309 --> 01:09:35,040

people have for finding a interpretation

1644

01:09:39,890 --> 01:09:37,319

that is appealing to them is there any

1645

01:09:41,510 --> 01:09:39,900

benefit to providing an interpretation

1646

01:09:43,729 --> 01:09:41,520

of some kind

1647

01:09:45,349 --> 01:09:43,739

um you know not and not just saying we

1648

01:09:48,709 --> 01:09:45,359

don't know or that it could be a bunch

1649

01:09:49,849 --> 01:09:48,719

of things which it could well be um it

1650

01:09:51,470 --> 01:09:49,859

is interesting that many of the

1651  
01:09:53,209 --> 01:09:51,480  
scientists like high neck and valet and

1652  
01:09:55,550 --> 01:09:53,219  
all this like concluded that it was like

1653  
01:09:57,650 --> 01:09:55,560  
one thing ultimately which is you know

1654  
01:09:59,510 --> 01:09:57,660  
kind of intriguing to me but um is there

1655  
01:10:01,970 --> 01:09:59,520  
any value in doing interpretations to

1656  
01:10:04,070 --> 01:10:01,980  
kind of use evidence to draw people away

1657  
01:10:06,110 --> 01:10:04,080  
from those more entertainment based

1658  
01:10:08,330 --> 01:10:06,120  
extraordinary ones

1659  
01:10:09,709 --> 01:10:08,340  
well you know everything is open to

1660  
01:10:13,370 --> 01:10:09,719  
interpretation

1661  
01:10:14,630 --> 01:10:13,380  
if something is legitimately still

1662  
01:10:17,930 --> 01:10:14,640  
unknown

1663  
01:10:20,510 --> 01:10:17,940

then it's always going to be that way

1664

01:10:21,709 --> 01:10:20,520

barring the absence of any additional

1665

01:10:24,770 --> 01:10:21,719

evidence

1666

01:10:26,390 --> 01:10:24,780

you know uh people have this idea that

1667

01:10:28,490 --> 01:10:26,400

somehow

1668

01:10:30,410 --> 01:10:28,500

you know let's talk about disclosure for

1669

01:10:32,090 --> 01:10:30,420

a second you know what that means

1670

01:10:34,910 --> 01:10:32,100

and it means different things to

1671

01:10:38,330 --> 01:10:34,920

different people but largely it means

1672

01:10:41,450 --> 01:10:38,340

you know an official confirmation

1673

01:10:44,030 --> 01:10:41,460

of alien reality

1674

01:10:48,350 --> 01:10:44,040

from a political Authority and maybe

1675

01:10:50,930 --> 01:10:48,360

with you know some sort of revelation of

1676  
01:10:53,030 --> 01:10:50,940  
you know an alien or you know some sort

1677  
01:10:56,330 --> 01:10:53,040  
of evidence that that supports that that

1678  
01:10:59,630 --> 01:10:56,340  
worldview or

1679  
01:11:01,070 --> 01:10:59,640  
the the hopeful idea for an undeniable

1680  
01:11:03,290 --> 01:11:01,080  
event

1681  
01:11:05,870 --> 01:11:03,300  
you know that that's another fantasy

1682  
01:11:08,450 --> 01:11:05,880  
within you know the disclosure realm if

1683  
01:11:10,430 --> 01:11:08,460  
people have ideas of you know that's

1684  
01:11:12,490 --> 01:11:10,440  
what they want and I think there's a lot

1685  
01:11:15,770 --> 01:11:12,500  
of people that have this fantasist view

1686  
01:11:17,390 --> 01:11:15,780  
of of and it's sort of you know if you

1687  
01:11:18,890 --> 01:11:17,400  
put yourself within that it's sort of

1688  
01:11:20,630 --> 01:11:18,900

like a noble thing you know it's like

1689

01:11:22,729 --> 01:11:20,640

you're fighting the man you're getting

1690

01:11:25,250 --> 01:11:22,739

to the truth you know there's a secret

1691

01:11:27,470 --> 01:11:25,260

hidden you know X-Files type stuff right

1692

01:11:29,450 --> 01:11:27,480

you you if you grew up watching Fox

1693

01:11:31,970 --> 01:11:29,460

Mulder you get to be it

1694

01:11:33,470 --> 01:11:31,980

and or you get to LARP it or pretend to

1695

01:11:34,610 --> 01:11:33,480

be it you know

1696

01:11:38,390 --> 01:11:34,620

um

1697

01:11:41,870 --> 01:11:38,400

but as far as an underlying uh uh truth

1698

01:11:43,550 --> 01:11:41,880

with within all that uh I think there's

1699

01:11:45,830 --> 01:11:43,560

a lot of truths

1700

01:11:49,550 --> 01:11:45,840

to to discover

1701

01:11:52,250 --> 01:11:49,560

um I think uh you have to be proactive I

1702

01:11:55,310 --> 01:11:52,260

think we have to study the past and and

1703

01:12:00,169 --> 01:11:55,320

through study in the past you know I I

1704

01:12:04,669 --> 01:12:00,179

I've gone back uh to Ted Phillips cases

1705

01:12:10,070 --> 01:12:04,679

and have visited some of these locations

1706

01:12:10,669 --> 01:12:10,080

and and other classic uh locations and

1707

01:12:12,830 --> 01:12:10,679

um

1708

01:12:15,350 --> 01:12:12,840

there's still evidence there

1709

01:12:17,390 --> 01:12:15,360

there are places where there are still

1710

01:12:19,490 --> 01:12:17,400

there's still evidence there's still

1711

01:12:22,790 --> 01:12:19,500

broken trees there's still rings on the

1712

01:12:25,850 --> 01:12:22,800

ground you know from cases that are 40

1713

01:12:27,890 --> 01:12:25,860

or 50 years old guys and you know who's

1714

01:12:29,689 --> 01:12:27,900

doing the long-term scientific

1715

01:12:32,149 --> 01:12:29,699

study of that

1716

01:12:33,950 --> 01:12:32,159

uh nobody even knows it's there because

1717

01:12:36,530 --> 01:12:33,960

nobody's studying the past you know so

1718

01:12:38,630 --> 01:12:36,540

we have to study the past but most of

1719

01:12:40,610 --> 01:12:38,640

the cases throughout history we will

1720

01:12:42,590 --> 01:12:40,620

never get an answer

1721

01:12:44,689 --> 01:12:42,600

you won't know what's at McMinnville

1722

01:12:45,709 --> 01:12:44,699

even if aliens come down the aliens may

1723

01:12:47,930 --> 01:12:45,719

say

1724

01:12:49,090 --> 01:12:47,940

well enough we thought that was a hoax

1725

01:12:54,229 --> 01:12:49,100

you know

1726

01:12:56,630 --> 01:12:54,239

come down it's going to confirm every

1727

01:12:58,189 --> 01:12:56,640

interpretation you know Billy Myers is

1728

01:12:59,930 --> 01:12:58,199

going to be right Bob Lazar is going to

1729

01:13:02,270 --> 01:12:59,940

be right it's like no

1730

01:13:05,630 --> 01:13:02,280

there's there's a lot of interpretations

1731

01:13:08,030 --> 01:13:05,640

out there of evidence and cases and

1732

01:13:11,209 --> 01:13:08,040

speculative theories that are just wrong

1733

01:13:13,370 --> 01:13:11,219

and they're wrong a lot of them just

1734

01:13:15,590 --> 01:13:13,380

because they're bad history

1735

01:13:18,590 --> 01:13:15,600

uh they're they're not scientific

1736

01:13:21,169 --> 01:13:18,600

they're not critically thought out and

1737

01:13:22,970 --> 01:13:21,179

you know they're just logically

1738

01:13:25,370 --> 01:13:22,980

impossible because

1739

01:13:27,590 --> 01:13:25,380

you know it if somebody's coming from

1740

01:13:29,390 --> 01:13:27,600

Venus then you know the same Galactic

1741

01:13:31,189 --> 01:13:29,400

civilization's not coming from Mars you

1742

01:13:32,570 --> 01:13:31,199

know what I'm saying so it's like

1743

01:13:34,010 --> 01:13:32,580

there's just a lot of these different

1744

01:13:35,689 --> 01:13:34,020

interpretations that are mutually

1745

01:13:37,370 --> 01:13:35,699

exclusive so what we want to do is we

1746

01:13:40,310 --> 01:13:37,380

want to narrow it down and I think

1747

01:13:42,290 --> 01:13:40,320

that's what heinek and and ballet you

1748

01:13:44,290 --> 01:13:42,300

know they're interested in the real high

1749

01:13:46,910 --> 01:13:44,300

strangeness stuff because that could be

1750

01:13:49,970 --> 01:13:46,920

distinguished from lights in the sky

1751

01:13:53,450 --> 01:13:49,980

which is the vast majority of UFOs

1752

01:13:55,310 --> 01:13:53,460

uh most UFOs are just things in the sky

1753

01:13:56,990 --> 01:13:55,320

that regular people don't know what they

1754

01:13:58,310 --> 01:13:57,000

are or even trained people don't know

1755

01:14:00,890 --> 01:13:58,320

what they are because they don't know

1756

01:14:03,830 --> 01:14:00,900

about optical illusions or or you know

1757

01:14:05,990 --> 01:14:03,840

uh different craft or balloons or

1758

01:14:07,610 --> 01:14:06,000

astronomical sort of stuff human beings

1759

01:14:08,270 --> 01:14:07,620

or human beings

1760

01:14:12,350 --> 01:14:08,280

um

1761

01:14:17,209 --> 01:14:12,360

but the very small minute amount of real

1762

01:14:19,970 --> 01:14:17,219

anomalies are exceedingly rare and

1763

01:14:22,790 --> 01:14:19,980

you're hearing about it afterwards so

1764

01:14:24,649 --> 01:14:22,800

you just can't rest on the story you

1765

01:14:27,130 --> 01:14:24,659

can't rest on The credibility of

1766

01:14:29,990 --> 01:14:27,140

somebody you just can't rest

1767

01:14:32,750 --> 01:14:30,000

scientifically on a narrative

1768

01:14:36,530 --> 01:14:32,760

okay we have to know

1769

01:14:39,830 --> 01:14:36,540

we have to be able to engage actual

1770

01:14:41,750 --> 01:14:39,840

phenomena in the future proactively to

1771

01:14:43,250 --> 01:14:41,760

be able to study it are we going to be

1772

01:14:46,850 --> 01:14:43,260

able to go back and find out what the

1773

01:14:50,570 --> 01:14:46,860

dino beavers were at Skinwalker Ranch

1774

01:14:53,270 --> 01:14:50,580

never we will never ever find that out

1775

01:14:54,890 --> 01:14:53,280

unless somebody gets a dino beaver and

1776

01:14:58,550 --> 01:14:54,900

we can cut it open and we can find out

1777

01:15:01,750 --> 01:14:58,560

what the hell it is you know uh I don't

1778

01:15:05,810 --> 01:15:04,070

I don't know

1779

01:15:08,990 --> 01:15:05,820

why do you think that there is a um

1780

01:15:10,669 --> 01:15:09,000

let's call it an Institutional bias

1781

01:15:14,270 --> 01:15:10,679

within ufology

1782

01:15:16,850 --> 01:15:14,280

um in favor of the ET hypothesis

1783

01:15:20,270 --> 01:15:16,860

I don't think that's true anymore

1784

01:15:23,209 --> 01:15:20,280

uh I I think there's that probably

1785

01:15:25,850 --> 01:15:23,219

because of the influence of of valet and

1786

01:15:29,030 --> 01:15:25,860

Keel who I grew up reading I read

1787

01:15:31,669 --> 01:15:29,040

everything you know I I I love the

1788

01:15:33,410 --> 01:15:31,679

speculative thought stuff uh some of

1789

01:15:36,290 --> 01:15:33,420

that stuff makes sense

1790

01:15:38,030 --> 01:15:36,300

uh I don't think we can prove that you

1791

01:15:41,570 --> 01:15:38,040

know when when somebody was seeing a

1792

01:15:43,850 --> 01:15:41,580

fairy in the 1800s that was an alien uh

1793

01:15:45,290 --> 01:15:43,860

or you know that ezekiel's wheel was a

1794

01:15:47,510 --> 01:15:45,300

UFO we can't

1795

01:15:49,189 --> 01:15:47,520

we can you can believe it

1796

01:15:52,130 --> 01:15:49,199

you're never going to be able to prove

1797

01:15:55,370 --> 01:15:52,140

it unless aliens come down travel back

1798

01:15:58,729 --> 01:15:55,380

in time and show you that they did it

1799

01:16:00,830 --> 01:15:58,739

but but really the the dominant Theory I

1800

01:16:01,910 --> 01:16:00,840

I think now is

1801

01:16:05,149 --> 01:16:01,920

um

1802

01:16:07,669 --> 01:16:05,159

a morphology of you know an

1803

01:16:10,250 --> 01:16:07,679

interdimensional Theory

1804

01:16:12,649 --> 01:16:10,260

uh you know that there's some sort of

1805

01:16:18,050 --> 01:16:12,659

secret world within ours a parallel

1806

01:16:21,110 --> 01:16:18,060

universe very close to ours and that uh

1807

01:16:23,630 --> 01:16:21,120

a shadow realm you know uh sort of a

1808

01:16:25,970 --> 01:16:23,640

stranger things type type World maybe a

1809

01:16:28,370 --> 01:16:25,980

spirit world maybe just a metaphysical

1810

01:16:30,709 --> 01:16:28,380

Consciousness world

1811

01:16:33,590 --> 01:16:30,719

you got to be open to those uh you know

1812

01:16:36,169 --> 01:16:33,600

we start getting into religion uh when

1813

01:16:40,070 --> 01:16:36,179

we start talking about Consciousness and

1814

01:16:43,970 --> 01:16:40,080

souls and places where they reside and

1815

01:16:47,330 --> 01:16:43,980

and uh are you enlightened enough are

1816

01:16:50,510 --> 01:16:47,340

you at a proper vibration in order to

1817

01:16:52,790 --> 01:16:50,520

experience this reality uh you know

1818

01:16:56,570 --> 01:16:52,800

that's that's religion and that's

1819

01:16:58,490 --> 01:16:56,580

something also within UFO reform

1820

01:17:01,610 --> 01:16:58,500

is something that we need to look out

1821

01:17:04,490 --> 01:17:01,620

for because at any moment a UFO cult can

1822

01:17:07,370 --> 01:17:04,500

come along and Destroy any credibility

1823

01:17:08,990 --> 01:17:07,380

you know that you have there could be a

1824

01:17:11,750 --> 01:17:09,000

if there's another Heaven's Gate next

1825

01:17:14,689 --> 01:17:11,760

week guess what happens to hearings

1826

01:17:17,450 --> 01:17:14,699

you know you never get touched and it

1827

01:17:19,790 --> 01:17:17,460

could happen because there are belief

1828

01:17:21,110 --> 01:17:19,800

systems and there are fringes of people

1829

01:17:26,090 --> 01:17:21,120

and

1830

01:17:28,610 --> 01:17:26,100

another reform thing there are mentally

1831

01:17:31,070 --> 01:17:28,620

ill people within this field

1832

01:17:33,890 --> 01:17:31,080

and there are people that exploit the

1833

01:17:35,450 --> 01:17:33,900

mentally ill within this field and there

1834

01:17:38,390 --> 01:17:35,460

are people that exploit them for money

1835

01:17:40,669 --> 01:17:38,400

and they exploit them for believers and

1836

01:17:42,770 --> 01:17:40,679

followers and they pretend that they're

1837

01:17:44,810 --> 01:17:42,780

doctors when they're not they pretend

1838

01:17:46,490 --> 01:17:44,820

they're hypnosis when they're not they

1839

01:17:48,110 --> 01:17:46,500

pretend that they're psychiatrists when

1840

01:17:51,530 --> 01:17:48,120

they're not and they're bringing in

1841

01:17:53,209 --> 01:17:51,540

money and they're creating a pseudocult

1842

01:17:55,610 --> 01:17:53,219

and you know

1843

01:17:57,830 --> 01:17:55,620

we're sort of witnessing the emergence

1844

01:18:00,229 --> 01:17:57,840

of a pseudo-cult

1845

01:18:01,669 --> 01:18:00,239

where people are talking about the

1846

01:18:08,030 --> 01:18:01,679

phenomenon

1847

01:18:11,750 --> 01:18:08,040

reveal itself when it chooses to reveal

1848

01:18:15,649 --> 01:18:11,760

itself you know it's it's a deification

1849

01:18:19,550 --> 01:18:15,659

and anthropomorphization of a myriad a

1850

01:18:23,330 --> 01:18:19,560

collection of mysteries across time and

1851

01:18:25,729 --> 01:18:23,340

place and distance and people misreading

1852

01:18:28,370 --> 01:18:25,739

valet or not even reading ballet at all

1853

01:18:33,310 --> 01:18:28,380

or Keel sort of morphing everything into

1854

01:18:36,169 --> 01:18:33,320

this exploitative cult stew uh where

1855

01:18:39,470 --> 01:18:36,179

Consciousness is behind it Consciousness

1856

01:18:42,770 --> 01:18:39,480

is behind everything there's a non-human

1857

01:18:46,070 --> 01:18:42,780

intelligence that is able to shape-shift

1858

01:18:48,950 --> 01:18:46,080

and be a trickster in magical being like

1859

01:18:52,070 --> 01:18:48,960

a Godlike being that can be invisible

1860

01:18:54,229 --> 01:18:52,080

can manifest himself like a genie and

1861

01:18:57,590 --> 01:18:54,239

can change reality and warp reality and

1862

01:18:58,910 --> 01:18:57,600

morph reality and okay maybe somebody

1863

01:19:01,790 --> 01:18:58,920

just saw

1864

01:19:05,810 --> 01:19:01,800

you know a secret government jet

1865

01:19:11,149 --> 01:19:05,820

is that your genie you know it's uh no

1866

01:19:15,890 --> 01:19:11,159

but there are people that is sort of has

1867

01:19:18,350 --> 01:19:15,900

come and uh and it's sort of out of this

1868

01:19:20,750 --> 01:19:18,360

invisible college group you know it's

1869

01:19:23,270 --> 01:19:20,760

it's or

1870

01:19:26,149 --> 01:19:23,280

you know people like Leslie Kane and

1871

01:19:29,750 --> 01:19:26,159

ballet and and and they sort of have

1872

01:19:31,669 --> 01:19:29,760

been promoting this idea how put off you

1873

01:19:34,970 --> 01:19:31,679

know that there is

1874

01:19:37,550 --> 01:19:34,980

an invisible World an invisible universe

1875

01:19:40,310 --> 01:19:37,560

and somehow we can

1876

01:19:42,649 --> 01:19:40,320

magically tap into it or it can tap into

1877

01:19:45,229 --> 01:19:42,659

us and change reality

1878

01:19:48,169 --> 01:19:45,239

and okay

1879

01:19:50,149 --> 01:19:48,179

but how are you gonna prove it

1880

01:19:53,209 --> 01:19:50,159

you still got to prove if you don't

1881

01:19:56,330 --> 01:19:53,219

prove it it's a belief system if you

1882

01:19:59,870 --> 01:19:56,340

don't prove it it's a religion if you're

1883

01:20:01,669 --> 01:19:59,880

getting people to spend money and try to

1884

01:20:05,750 --> 01:20:01,679

psychically communicate with UFOs

1885

01:20:07,669 --> 01:20:05,760

through ce5 or go to some retreat

1886

01:20:09,530 --> 01:20:07,679

you're exploiting that you're trying to

1887

01:20:11,169 --> 01:20:09,540

create a cult you're not creating an

1888

01:20:13,870 --> 01:20:11,179

open

1889

01:20:16,790 --> 01:20:13,880

-minded critical thinking Enterprise

1890

01:20:18,830 --> 01:20:16,800

you're creating a pseudo-religion

1891

01:20:21,770 --> 01:20:18,840

if you're legit if you like can

1892

01:20:23,930 --> 01:20:21,780

legitimately do see E5 you need to do it

1893

01:20:26,330 --> 01:20:23,940

in a scientific under scientific

1894

01:20:27,950 --> 01:20:26,340

conditions prove it but the phenomenon

1895

01:20:30,470 --> 01:20:27,960

does not want to be reviewed the

1896

01:20:33,770 --> 01:20:30,480

phenomena does not want to the phenomena

1897

01:20:36,110 --> 01:20:33,780

is a trickster it's transient uh your

1898

01:20:39,110 --> 01:20:36,120

mind wasn't in the right set you know it

1899

01:20:42,229 --> 01:20:39,120

there's all these unfalsified abilities

1900

01:20:44,750 --> 01:20:42,239

saving the phenomenon things that happen

1901  
01:20:47,149 --> 01:20:44,760  
within you know these belief systems and

1902  
01:20:49,310 --> 01:20:47,159  
these conspiratorial Realms you know as

1903  
01:20:51,890 --> 01:20:49,320  
the the philosopher fire Robin said you

1904  
01:20:53,330 --> 01:20:51,900  
know it it saves the phenomena

1905  
01:20:56,209 --> 01:20:53,340  
you know

1906  
01:20:58,490 --> 01:20:56,219  
people are always trying to save it and

1907  
01:21:00,950 --> 01:20:58,500  
and it's it's a unbelievable form of

1908  
01:21:03,470 --> 01:21:00,960  
cognitive dissonance and people will

1909  
01:21:05,270 --> 01:21:03,480  
you've seen it on Twitter you've seen

1910  
01:21:08,930 --> 01:21:05,280  
people defending evidence that you know

1911  
01:21:11,510 --> 01:21:08,940  
is [h\_\_h] you know that's a fake video

1912  
01:21:13,490 --> 01:21:11,520  
yes what right person sharing it and

1913  
01:21:15,110 --> 01:21:13,500

this whole group of people because their

1914

01:21:17,090 --> 01:21:15,120

insiders are some little Club because

1915

01:21:20,209 --> 01:21:17,100

they're being manipulated by other

1916

01:21:21,950 --> 01:21:20,219

insiders in some other little Club

1917

01:21:24,649 --> 01:21:21,960

you know uh

1918

01:21:27,169 --> 01:21:24,659

just amazing

1919

01:21:29,510 --> 01:21:27,179

it's funny that uh this kind of like

1920

01:21:32,090 --> 01:21:29,520

more woody interdimensional

1921

01:21:33,950 --> 01:21:32,100

uh hypothesis if you want to call it

1922

01:21:35,689 --> 01:21:33,960

that actually predates the eth I think

1923

01:21:37,550 --> 01:21:35,699

that's what uh all the Floridians were

1924

01:21:38,390 --> 01:21:37,560

talking about kind of pre-arnold right I

1925

01:21:41,570 --> 01:21:38,400

mean

1926

01:21:44,390 --> 01:21:41,580

um it's a religious concept you know I

1927

01:21:46,850 --> 01:21:44,400

mean our relations have that notion that

1928

01:21:49,310 --> 01:21:46,860

that there is another realm that we have

1929

01:21:51,590 --> 01:21:49,320

a soul within our body that you know

1930

01:21:54,290 --> 01:21:51,600

there's some sort of transmigration Soul

1931

01:21:55,550 --> 01:21:54,300

Consciousness yeah Consciousness we mean

1932

01:21:58,430 --> 01:21:55,560

soul

1933

01:21:59,750 --> 01:21:58,440

uh you know I I'm a Buddhist I'm a

1934

01:22:01,669 --> 01:21:59,760

practicing Buddhist I've been a

1935

01:22:06,830 --> 01:22:01,679

practicing Buddhist for 30 plus years

1936

01:22:11,209 --> 01:22:09,290

I'm from Missouri too you know so I'm a

1937

01:22:13,070 --> 01:22:11,219

show me practical sort of guy and I come

1938

01:22:16,130 --> 01:22:13,080

from a scientific background and it's

1939

01:22:18,229 --> 01:22:16,140

not mutually exclusive uh Buddhism

1940

01:22:19,729 --> 01:22:18,239

actually uh you know they're they're

1941

01:22:22,910 --> 01:22:19,739

they're tenants

1942

01:22:27,110 --> 01:22:22,920

uh in all different varieties of

1943

01:22:29,810 --> 01:22:27,120

Buddhism is uh illogic and and critical

1944

01:22:31,970 --> 01:22:29,820

thinking and arguing different sides of

1945

01:22:34,610 --> 01:22:31,980

arguments right I'm open to any

1946

01:22:37,910 --> 01:22:34,620

interpretation of evidence I'm open to

1947

01:22:40,669 --> 01:22:37,920

any Theory interpretation of of cases

1948

01:22:43,010 --> 01:22:40,679

speculation uh I I think they shouldn't

1949

01:22:44,870 --> 01:22:43,020

be as declarative as they are now I

1950

01:22:47,870 --> 01:22:44,880

think they should be you know temporary

1951

01:22:50,270 --> 01:22:47,880

until you can bring something with it

1952

01:22:52,070 --> 01:22:50,280

but that's the problem we're we're all

1953

01:22:58,310 --> 01:22:52,080

pundits

1954

01:23:00,830 --> 01:22:58,320

the you know nobody's actually playing

1955

01:23:03,709 --> 01:23:00,840

the game other than you know

1956

01:23:05,030 --> 01:23:03,719

Social Media stuff and there there's a

1957

01:23:07,130 --> 01:23:05,040

lot of social

1958

01:23:08,810 --> 01:23:07,140

stuff within the community as well you

1959

01:23:10,430 --> 01:23:08,820

guys know that there's camps and there's

1960

01:23:12,770 --> 01:23:10,440

groups and there's rivalries and there's

1961

01:23:14,750 --> 01:23:12,780

business rivalries and there's uh

1962

01:23:16,850 --> 01:23:14,760

competitors and there's people that

1963

01:23:18,530 --> 01:23:16,860

really hit each other's guts there's

1964

01:23:20,209 --> 01:23:18,540

people that would punch each other and

1965

01:23:23,209 --> 01:23:20,219

there's people that would probably you

1966

01:23:25,330 --> 01:23:23,219

know get along uh you know they had a

1967

01:23:28,010 --> 01:23:25,340

beer smoked a little something you know

1968

01:23:30,229 --> 01:23:28,020

because you know we've all been doing

1969

01:23:31,669 --> 01:23:30,239

drug use on this show Michael come on

1970

01:23:33,890 --> 01:23:31,679

you know what we're all we're all you

1971

01:23:35,870 --> 01:23:33,900

have no nerds we're all UFO nerds and I

1972

01:23:38,390 --> 01:23:35,880

I've tilted you know a few beers back

1973

01:23:40,850 --> 01:23:38,400

with draconians and and

1974

01:23:49,970 --> 01:23:40,860

you know but uh I'm gonna challenge him

1975

01:23:53,870 --> 01:23:51,709

with you a little bit

1976

01:23:55,970 --> 01:23:53,880

um I'm very curious about your Buddhist

1977

01:23:59,090 --> 01:23:55,980

practice if you're associated with any

1978

01:24:02,450 --> 01:23:59,100

kind of lineages and then also how these

1979

01:24:06,649 --> 01:24:02,460

practices May inform your understanding

1980

01:24:09,470 --> 01:24:06,659

or exploration of ufology

1981

01:24:12,350 --> 01:24:09,480

well um

1982

01:24:14,510 --> 01:24:12,360

well I try to keep my uh my UFO stuff

1983

01:24:16,310 --> 01:24:14,520

separate from My Religion it's kind of

1984

01:24:19,910 --> 01:24:16,320

an interesting concept for a lot of

1985

01:24:23,450 --> 01:24:19,920

people uh because ultimately my beliefs

1986

01:24:26,330 --> 01:24:23,460

my beliefs are my beliefs as far as you

1987

01:24:29,149 --> 01:24:26,340

know the meaning of life and and reality

1988

01:24:31,130 --> 01:24:29,159

and uh could you touch on this for a

1989

01:24:33,169 --> 01:24:31,140

moment I'm curious uh about your

1990

01:24:34,550 --> 01:24:33,179

opinions on those things

1991

01:24:36,890 --> 01:24:34,560

well

1992

01:24:40,070 --> 01:24:36,900

um just briefly not the entire thing but

1993

01:24:41,209 --> 01:24:40,080

yeah we we experience uh the universe

1994

01:24:43,610 --> 01:24:41,219

through

1995

01:24:47,510 --> 01:24:43,620

you know what we're in right

1996

01:24:51,050 --> 01:24:47,520

uh it's you know so we we have to

1997

01:24:54,470 --> 01:24:51,060

recognize I think that we exist locally

1998

01:24:55,790 --> 01:24:54,480

and we're perceiving the universe uh

1999

01:24:58,310 --> 01:24:55,800

through our own

2000

01:25:01,550 --> 01:24:58,320

our own Viewpoint and uh for all

2001  
01:25:05,689 --> 01:25:01,560  
practical purposes uh you know you are

2002  
01:25:08,390 --> 01:25:05,699  
your own Universe uh Because unless

2003  
01:25:11,209 --> 01:25:08,400  
there's an after life and and we can

2004  
01:25:14,209 --> 01:25:11,219  
debate what that means you know what

2005  
01:25:17,149 --> 01:25:14,219  
what is there an after life where is

2006  
01:25:19,970 --> 01:25:17,159  
that what is that what goes there How

2007  
01:25:21,770 --> 01:25:19,980  
does it go there what's it do there how

2008  
01:25:24,830 --> 01:25:21,780  
long does it stay there how does it

2009  
01:25:27,430 --> 01:25:24,840  
interact you know I suspect it's very

2010  
01:25:31,790 --> 01:25:27,440  
similar to the before life

2011  
01:25:33,950 --> 01:25:31,800  
nothing was existing right we we can at

2012  
01:25:37,070 --> 01:25:33,960  
least extrapolate that that's probably

2013  
01:25:39,709 --> 01:25:37,080

the case that we go back into some void

2014

01:25:41,930 --> 01:25:39,719

and from our viewpoint

2015

01:25:44,750 --> 01:25:41,940

the universe will cease to be

2016

01:25:47,450 --> 01:25:44,760

and it sounds very depressing

2017

01:25:50,930 --> 01:25:47,460

uh but you know Buddhism can also be

2018

01:25:53,270 --> 01:25:50,940

very depressing you know so it realizing

2019

01:25:55,250 --> 01:25:53,280

well it's you know uh I think that's

2020

01:25:56,590 --> 01:25:55,260

that's such a western interpretation of

2021

01:25:58,810 --> 01:25:56,600

these ideas

2022

01:26:04,310 --> 01:25:58,820

I'm a western

2023

01:26:06,890 --> 01:26:04,320

Buddhist you know I you know I read you

2024

01:26:09,050 --> 01:26:06,900

know the the Zen Buddhist books and you

2025

01:26:11,090 --> 01:26:09,060

know uh I I used to work at Barnes and

2026

01:26:13,189 --> 01:26:11,100

Noble so you know I would read

2027

01:26:15,110 --> 01:26:13,199

everything and then of course I studied

2028

01:26:16,070 --> 01:26:15,120

philosophy in college

2029

01:26:18,290 --> 01:26:16,080

um

2030

01:26:21,950 --> 01:26:18,300

so I I've read all different you know

2031

01:26:25,189 --> 01:26:21,960

schools of Buddhism and uh the basic

2032

01:26:27,110 --> 01:26:25,199

tenet is that you know life is suffering

2033

01:26:29,209 --> 01:26:27,120

and uh

2034

01:26:30,890 --> 01:26:29,219

you know the reason that we suffer is

2035

01:26:34,370 --> 01:26:30,900

because you know we're attached to

2036

01:26:36,410 --> 01:26:34,380

things either ourselves our reality our

2037

01:26:39,050 --> 01:26:36,420

viewpoints you know all the things

2038

01:26:43,070 --> 01:26:39,060

around us and you know we're just

2039

01:26:44,270 --> 01:26:43,080

satisfied and that dissatisfaction leads

2040

01:26:48,110 --> 01:26:44,280

to misery

2041

01:26:50,689 --> 01:26:48,120

and you know the state of humanity is a

2042

01:26:53,570 --> 01:26:50,699

state of misery uh that's your sad

2043

01:26:57,530 --> 01:26:53,580

Buddhism there you know the the the four

2044

01:26:59,870 --> 01:26:57,540

noble truths and and how we how we get

2045

01:27:02,450 --> 01:26:59,880

out of that is you don't really get out

2046

01:27:05,030 --> 01:27:02,460

of that it you just have to make sure it

2047

01:27:07,729 --> 01:27:05,040

doesn't bother you and you try to have

2048

01:27:11,229 --> 01:27:07,739

you know the right concentration and the

2049

01:27:14,450 --> 01:27:11,239

right action and the right livelihood

2050

01:27:17,689 --> 01:27:14,460

the right thoughtfulness the right

2051

01:27:20,149 --> 01:27:17,699

mindfulness the right effort

2052

01:27:21,729 --> 01:27:20,159

the right speech the right thought and

2053

01:27:24,950 --> 01:27:21,739

the right understanding

2054

01:27:27,410 --> 01:27:24,960

uh those are you know basic Buddhist

2055

01:27:30,290 --> 01:27:27,420

tenets and um

2056

01:27:34,010 --> 01:27:30,300

are you gonna succeed no

2057

01:27:36,649 --> 01:27:34,020

are you perfect yes you're perfect

2058

01:27:39,350 --> 01:27:36,659

everything is as it should be

2059

01:27:42,169 --> 01:27:39,360

you exist within the now you exist

2060

01:27:44,270 --> 01:27:42,179

within the Eternal now

2061

01:27:48,910 --> 01:27:44,280

and there's nothing you can do about it

2062

01:27:53,149 --> 01:27:51,649

and you will go back into that darkness

2063

01:27:56,870 --> 01:27:53,159

and

2064

01:27:59,090 --> 01:27:56,880

is life futile is life useless

2065

01:28:02,330 --> 01:27:59,100

is life horrible

2066

01:28:04,850 --> 01:28:02,340

yeah but it's also beautiful and it's

2067

01:28:06,649 --> 01:28:04,860

precious and

2068

01:28:08,870 --> 01:28:06,659

it's going to be the only one that you

2069

01:28:11,450 --> 01:28:08,880

have unless

2070

01:28:14,890 --> 01:28:11,460

somehow and this is also a Buddhist

2071

01:28:16,850 --> 01:28:14,900

tenant it's not really a

2072

01:28:18,770 --> 01:28:16,860

reincarnation there's not really a

2073

01:28:21,410 --> 01:28:18,780

transmigration

2074

01:28:24,229 --> 01:28:21,420

of your soul because there really isn't

2075

01:28:27,830 --> 01:28:24,239

a soul there's you know these heaps you

2076

01:28:30,290 --> 01:28:27,840

know these aspects of your being that do

2077

01:28:31,729 --> 01:28:30,300

persist at least some metaphysical

2078

01:28:34,610 --> 01:28:31,739

component

2079

01:28:37,729 --> 01:28:34,620

and somehow that is able

2080

01:28:40,850 --> 01:28:37,739

to manifest itself in other ways that's

2081

01:28:44,510 --> 01:28:40,860

a that's a belief that's a religious

2082

01:28:46,850 --> 01:28:44,520

belief it's you know it's

2083

01:28:49,070 --> 01:28:46,860

maybe it's something that will be

2084

01:28:50,689 --> 01:28:49,080

discovered scientifically maybe a lot of

2085

01:28:53,330 --> 01:28:50,699

these things will be discovered

2086

01:28:59,709 --> 01:28:53,340

scientifically I think uh you know as

2087

01:29:02,689 --> 01:28:59,719

I've said uh the universe is is is chaos

2088

01:29:05,689 --> 01:29:02,699

the universe is fractal and the universe

2089

01:29:08,030 --> 01:29:05,699

is infinite but it's also

2090

01:29:12,770 --> 01:29:08,040

you know within that Infinity there's

2091

01:29:14,350 --> 01:29:12,780

also other infinities and uh

2092

01:29:18,729 --> 01:29:14,360

yeah we're going up on a big

2093

01:29:23,209 --> 01:29:21,649

I I don't you don't get to meditate as

2094

01:29:26,270 --> 01:29:23,219

often you know because I'm watching a

2095

01:29:28,850 --> 01:29:26,280

baby and I got kids and all that and I'm

2096

01:29:31,370 --> 01:29:28,860

fighting with uh you know people on UFO

2097

01:29:35,110 --> 01:29:31,380

Twitter or sharing UFO stuff but but

2098

01:29:37,729 --> 01:29:35,120

sorry man UFO Twitter is samsara

2099

01:29:41,689 --> 01:29:37,739

we are trapped eternally in the cycle

2100

01:29:44,450 --> 01:29:41,699

you know what yes sir we're all drops in

2101

01:29:46,669 --> 01:29:44,460

the same ocean you know and I I don't I

2102

01:29:49,189 --> 01:29:46,679

turned it to give people a hard time I

2103

01:29:52,070 --> 01:29:49,199

will debate people I will argue with

2104

01:29:53,870 --> 01:29:52,080

people uh but I challenge anybody to say

2105

01:29:56,450 --> 01:29:53,880

where I've just gone out and just call

2106

01:29:59,750 --> 01:29:56,460

people names oh yeah I may characterize

2107

01:30:03,290 --> 01:29:59,760

people with people at all I genuinely do

2108

01:30:05,390 --> 01:30:03,300

not it's bad juju man yeah

2109

01:30:06,770 --> 01:30:05,400

instead of curiosity

2110

01:30:08,810 --> 01:30:06,780

um

2111

01:30:11,030 --> 01:30:08,820

are there is there a particular lineage

2112

01:30:12,830 --> 01:30:11,040

or tradition that you can practice in

2113

01:30:14,750 --> 01:30:12,840

um or have you kind of just moseyed

2114

01:30:16,610 --> 01:30:14,760

through a number of them I asked just

2115

01:30:19,490 --> 01:30:16,620

because like I'm a practitioner

2116

01:30:24,169 --> 01:30:19,500

um and took Refuge earlier this year

2117

01:30:26,629 --> 01:30:24,179

um and uh lineage so I'm super curious

2118

01:30:28,070 --> 01:30:26,639

okay I'm losing you

2119

01:30:29,689 --> 01:30:28,080

it's breaking up can you can you guys

2120

01:30:32,750 --> 01:30:29,699

hear what you're seeing me yes we can

2121

01:30:36,410 --> 01:30:34,370

no uh

2122

01:30:38,750 --> 01:30:36,420

you know I've read the domapata and and

2123

01:30:41,270 --> 01:30:38,760

researched theraved and stuff there

2124

01:30:43,070 --> 01:30:41,280

there's been uh a couple of uh different

2125

01:30:47,750 --> 01:30:43,080

temples around in this area in Missouri

2126

01:30:50,570 --> 01:30:47,760

but uh uh no mostly I uh uh you know I

2127

01:30:53,510 --> 01:30:50,580

got a little uh meditation catch here uh

2128

01:30:56,330 --> 01:30:53,520

awesome I I I try to make my uh my

2129

01:30:59,510 --> 01:30:56,340

travels uh my meditation you know I try

2130

01:31:02,390 --> 01:30:59,520

to go to these places and yes and and be

2131

01:31:05,510 --> 01:31:02,400

quiet and and just sort of put myself in

2132

01:31:07,189 --> 01:31:05,520

these uh these uh anomalous places and

2133

01:31:14,990 --> 01:31:07,199

uh

2134

01:31:16,490 --> 01:31:15,000

time

2135

01:31:18,290 --> 01:31:16,500

I understand this I think of that line

2136

01:31:20,090 --> 01:31:18,300

from the snow leopard by Peter Mathison

2137

01:31:22,610 --> 01:31:20,100

that the religious ceremony is life

2138

01:31:24,410 --> 01:31:22,620

itself right that's sort of the

2139

01:31:26,570 --> 01:31:24,420

objective that we bring these practices

2140

01:31:29,270 --> 01:31:26,580

off the mat or Off the Bench or off the

2141

01:31:31,370 --> 01:31:29,280

pillow and into daily life uh where they

2142

01:31:33,590 --> 01:31:31,380

can actually propagate

2143

01:31:35,810 --> 01:31:33,600

and and I'm not going to begrudge

2144

01:31:38,810 --> 01:31:35,820

anybody you know they're uh their

2145

01:31:39,530 --> 01:31:38,820

practices or their rituals everybody has

2146

01:31:42,169 --> 01:31:39,540

them

2147

01:31:44,209 --> 01:31:42,179

even scientists have their rituals uh

2148

01:31:46,370 --> 01:31:44,219

you know even even Skeptics have you got

2149

01:31:48,590 --> 01:31:46,380

your lucky bra before a date right it's

2150

01:31:50,149 --> 01:31:48,600

magic it's ritual

2151

01:31:53,330 --> 01:31:50,159

when you're super

2152

01:31:55,430 --> 01:31:53,340

uh asked back to to us you know we're

2153

01:31:57,470 --> 01:31:55,440

we're in the 21st century but you know

2154

01:31:58,910 --> 01:31:57,480

we still believe in deities and we still

2155

01:32:03,050 --> 01:31:58,920

practice we're barely out of the jungle

2156

01:32:05,270 --> 01:32:03,060

man and holidays yeah and and

2157

01:32:07,250 --> 01:32:05,280

sometimes they work

2158

01:32:09,530 --> 01:32:07,260

which is what's interesting you know

2159

01:32:12,169 --> 01:32:09,540

which you know if if

2160

01:32:13,910 --> 01:32:12,179

a ritual can work like you know like

2161

01:32:17,689 --> 01:32:13,920

I've said synchronicities you know

2162

01:32:19,550 --> 01:32:17,699

thinking of things and and uh you know I

2163

01:32:22,850 --> 01:32:19,560

I think there's probably something there

2164

01:32:26,390 --> 01:32:22,860

to remote viewing at least with a within

2165

01:32:28,850 --> 01:32:26,400

a very narrow area but still I I want to

2166

01:32:32,090 --> 01:32:28,860

know how it works you know whether there

2167

01:32:34,129 --> 01:32:32,100

are waves that go out or you know things

2168

01:32:35,930 --> 01:32:34,139

you know is there a mechanism within the

2169

01:32:38,570 --> 01:32:35,940

brain that operates

2170

01:32:41,629 --> 01:32:38,580

um there there's things to discover and

2171

01:32:45,050 --> 01:32:41,639

and uh rituals are fascinating I I have

2172

01:32:47,330 --> 01:32:45,060

rituals and uh and and I go to these

2173

01:32:50,090 --> 01:32:47,340

conferences and I go to these uh places

2174

01:32:52,070 --> 01:32:50,100

and uh you see a lot of different

2175

01:32:54,590 --> 01:32:52,080

techniques and

2176  
01:32:57,129 --> 01:32:54,600  
you could say that it's a technique you

2177  
01:32:59,810 --> 01:32:57,139  
know from the classic technique you know

2178  
01:33:02,930 --> 01:32:59,820  
way of doing things we're a technology

2179  
01:33:05,149 --> 01:33:02,940  
even yes that's all we're doing we're a

2180  
01:33:08,209 --> 01:33:05,159  
bunch of matter you know we're hairless

2181  
01:33:10,189 --> 01:33:08,219  
Apes made out of matter moving a bunch

2182  
01:33:12,770 --> 01:33:10,199  
of stuff moving a bunch of stuff around

2183  
01:33:15,770 --> 01:33:12,780  
and then a bunch of atoms are triggering

2184  
01:33:17,270 --> 01:33:15,780  
stuff on sparking up here

2185  
01:33:20,510 --> 01:33:17,280  
um

2186  
01:33:21,410 --> 01:33:20,520  
is it going somewhere is all this data

2187  
01:33:24,890 --> 01:33:21,420  
lost

2188  
01:33:26,149 --> 01:33:24,900

it is all this data going to some sort

2189

01:33:28,010 --> 01:33:26,159

of godhead

2190

01:33:30,910 --> 01:33:28,020

because you would think by definition

2191

01:33:33,229 --> 01:33:30,920

that would be a necessity if God exists

2192

01:33:34,970 --> 01:33:33,239

then I would have knowledge of

2193

01:33:38,209 --> 01:33:34,980

everything therefore you would have to

2194

01:33:42,169 --> 01:33:38,219

exist in our experiences right so we are

2195

01:33:45,110 --> 01:33:42,179

God you know uh but anyway

2196

01:33:47,330 --> 01:33:45,120

yeah I I'd hate to not bring this up and

2197

01:33:49,550 --> 01:33:47,340

youth um throughout the show you've kind

2198

01:33:52,550 --> 01:33:49,560

of criticized the modern

2199

01:33:54,229 --> 01:33:52,560

um conference scene a bit but you have

2200

01:33:57,050 --> 01:33:54,239

started your own you had one last August

2201

01:33:59,990 --> 01:33:57,060

right and um I yeah beginning to do that

2202

01:34:02,570 --> 01:34:00,000

talk about this well uh you know I I've

2203

01:34:05,870 --> 01:34:02,580

talked to some people uh been talking to

2204

01:34:10,189 --> 01:34:05,880

people for quite a few years about uh

2205

01:34:12,410 --> 01:34:10,199

reform conferences yeah and uh

2206

01:34:14,629 --> 01:34:12,420

getting rid of the salesman stuff

2207

01:34:17,689 --> 01:34:14,639

getting rid of the merch stuff and and

2208

01:34:23,149 --> 01:34:17,699

all that and you've had you know like

2209

01:34:26,810 --> 01:34:23,159

SCU come about uh I I lobbied Rich for

2210

01:34:30,169 --> 01:34:26,820

years you know to uh to get a a working

2211

01:34:33,290 --> 01:34:30,179

scientific conference uh and you know I

2212

01:34:35,030 --> 01:34:33,300

was at the first SCU uh that is

2213

01:34:38,629 --> 01:34:35,040

invitation you know interacting and

2214

01:34:40,550 --> 01:34:38,639

causing trouble but um

2215

01:34:43,729 --> 01:34:40,560

yeah uh

2216

01:34:45,890 --> 01:34:43,739

I don't want to change the culture uh

2217

01:34:47,689 --> 01:34:45,900

because UFO conferences are fun and

2218

01:34:50,930 --> 01:34:47,699

there's a social component and a lot of

2219

01:34:52,430 --> 01:34:50,940

these people uh there's some people that

2220

01:34:55,209 --> 01:34:52,440

really

2221

01:34:57,709 --> 01:34:55,219

that's it's their only family you know

2222

01:34:59,570 --> 01:34:57,719

older people have been going to some of

2223

01:35:01,310 --> 01:34:59,580

these things there's a social component

2224

01:35:03,470 --> 01:35:01,320

and you don't want to get rid of that

2225

01:35:05,330 --> 01:35:03,480

you know but you also don't want to

2226

01:35:08,270 --> 01:35:05,340

exploit that and these people you know

2227

01:35:10,970 --> 01:35:08,280

have been working for for decades to

2228

01:35:11,870 --> 01:35:10,980

achieve legitimacy so

2229

01:35:13,610 --> 01:35:11,880

um

2230

01:35:15,350 --> 01:35:13,620

yeah I've been pushing for reform

2231

01:35:17,930 --> 01:35:15,360

conferences

2232

01:35:20,750 --> 01:35:17,940

um the the conference here in K which

2233

01:35:23,570 --> 01:35:20,760

was the first paranormal conference uh

2234

01:35:26,870 --> 01:35:23,580

that k-pad uh

2235

01:35:29,149 --> 01:35:26,880

I think it it was a good start uh we'll

2236

01:35:31,669 --> 01:35:29,159

have to fine-tune some things I I think

2237

01:35:34,070 --> 01:35:31,679

we got some legitimate speakers uh

2238

01:35:36,050 --> 01:35:34,080

talking about uh you know not the woo

2239

01:35:38,990 --> 01:35:36,060

stuff but talking about the scientific

2240

01:35:42,229 --> 01:35:39,000

issues uh because you are dealing with a

2241

01:35:44,090 --> 01:35:42,239

lot of the same issues uh with all these

2242

01:35:49,070 --> 01:35:44,100

different anomalous areas you know

2243

01:35:50,870 --> 01:35:49,080

Bigfoot ghosts uh you know uh UFOs they

2244

01:35:52,209 --> 01:35:50,880

all deal with the same problems they

2245

01:35:55,790 --> 01:35:52,219

deal with you know celebrity

2246

01:35:58,970 --> 01:35:55,800

exploitation uh you know trying to

2247

01:36:02,930 --> 01:35:58,980

achieve proper methodology uh trying to

2248

01:36:05,570 --> 01:36:02,940

come about evidence uh you know uh and

2249

01:36:08,390 --> 01:36:05,580

there are people that are okay with just

2250

01:36:10,490 --> 01:36:08,400

doing the ritual you know they think on

2251

01:36:13,970 --> 01:36:10,500

it they show each other their catches

2252

01:36:15,950 --> 01:36:13,980

and it's almost like fishing you know oh

2253

01:36:19,129 --> 01:36:15,960

look what I got you got a ghost I got a

2254

01:36:22,729 --> 01:36:19,139

UFO look it's like okay that it really

2255

01:36:24,830 --> 01:36:22,739

means nothing in a lot of ways

2256

01:36:27,709 --> 01:36:24,840

um maybe personally though I mean first

2257

01:36:29,450 --> 01:36:27,719

of all it's hot and it it can just it

2258

01:36:31,189 --> 01:36:29,460

can be a hobby you know I would wake up

2259

01:36:33,110 --> 01:36:31,199

running again for sure and when I say

2260

01:36:35,770 --> 01:36:33,120

ghost hunting I mean like what you think

2261

01:36:39,169 --> 01:36:35,780

of with ghosts yeah

2262

01:36:41,450 --> 01:36:39,179

and and when I say reform I'm not like

2263

01:36:43,189 --> 01:36:41,460

Lou was saying you know you follow Gene

2264

01:36:45,410 --> 01:36:43,199  
needs to be destroyed

2265

01:36:47,629 --> 01:36:45,420  
which is like

2266

01:36:49,729 --> 01:36:47,639  
that's that's so brain dead they're

2267

01:36:51,770 --> 01:36:49,739  
fighting words it's like well it's like

2268

01:36:53,990 --> 01:36:51,780  
it's like don't you know the history of

2269

01:36:55,550 --> 01:36:54,000  
the UFO subject over the past 75 years

2270

01:36:58,490 --> 01:36:55,560  
and intelligence guy is going to come

2271

01:37:00,530 --> 01:36:58,500  
along and say you know F you Dr heinek

2272

01:37:01,970 --> 01:37:00,540  
we're going to destroy ufology it's like

2273

01:37:04,610 --> 01:37:01,980  
you know that's the way some people hear

2274

01:37:08,209 --> 01:37:04,620  
it it's like what who the hell are you

2275

01:37:09,890 --> 01:37:08,219  
dude you know you you came in this like

2276

01:37:11,090 --> 01:37:09,900

five years ago seven years ago eight

2277

01:37:13,610 --> 01:37:11,100

it's like

2278

01:37:16,850 --> 01:37:13,620

but anyway that's uh new things don't

2279

01:37:19,490 --> 01:37:16,860

have to report reform not destroying not

2280

01:37:21,649 --> 01:37:19,500

threw everything out it's like let's

2281

01:37:24,070 --> 01:37:21,659

you know let's get some

2282

01:37:26,870 --> 01:37:24,080

papers up there let's get some uh

2283

01:37:30,649 --> 01:37:26,880

documentaries let's not do everything

2284

01:37:33,350 --> 01:37:30,659

through Prometheus so you can uh catch

2285

01:37:35,810 --> 01:37:33,360

cat you know get your the value on the

2286

01:37:38,390 --> 01:37:35,820

speaking circuit up that's what the

2287

01:37:40,550 --> 01:37:38,400

basis of a lot of it is value in the

2288

01:37:43,129 --> 01:37:40,560

speaking circuit and that's why people

2289

01:37:45,350 --> 01:37:43,139

do media so do you intend to continue

2290

01:37:47,030 --> 01:37:45,360

and uh maybe host some other ones in the

2291

01:37:50,149 --> 01:37:47,040

future

2292

01:37:52,790 --> 01:37:50,159

um I don't know maybe uh we'll see I I

2293

01:37:55,070 --> 01:37:52,800

would I would really like you know that

2294

01:37:57,169 --> 01:37:55,080

that was more of like a a Unity

2295

01:38:01,250 --> 01:37:57,179

conference I would really

2296

01:38:03,050 --> 01:38:01,260

like to talk to people and eventually

2297

01:38:05,810 --> 01:38:03,060

get a

2298

01:38:07,850 --> 01:38:05,820

reform conference you know where people

2299

01:38:09,709 --> 01:38:07,860

talk about what they want

2300

01:38:11,689 --> 01:38:09,719

what they want

2301

01:38:13,729 --> 01:38:11,699

let's talk about where we want to go

2302

01:38:16,010 --> 01:38:13,739

let's talk about where we want to steer

2303

01:38:18,410 --> 01:38:16,020

the ship let's talk about what we want

2304

01:38:20,390 --> 01:38:18,420

for evidence let's talk about what's

2305

01:38:21,350 --> 01:38:20,400

legitimate and what's not let's talk

2306

01:38:22,850 --> 01:38:21,360

about

2307

01:38:24,530 --> 01:38:22,860

you know how we're going to change a

2308

01:38:25,550 --> 01:38:24,540

paradigm how do you go about changing a

2309

01:38:27,890 --> 01:38:25,560

paradigm

2310

01:38:30,110 --> 01:38:27,900

you know how do we exit the Visionary

2311

01:38:33,830 --> 01:38:30,120

conference basically right let's have

2312

01:38:36,470 --> 01:38:33,840

some workshops workshops on you know

2313

01:38:40,189 --> 01:38:36,480

building proper methodology and building

2314

01:38:44,390 --> 01:38:40,199

a a library and building a curriculum

2315

01:38:45,290 --> 01:38:44,400

not you know a crystal readings or you

2316

01:38:46,850 --> 01:38:45,300

know

2317

01:38:49,070 --> 01:38:46,860

uh

2318

01:38:50,870 --> 01:38:49,080

20 and back or you know

2319

01:38:53,930 --> 01:38:50,880

you have too much of that sort of stuff

2320

01:38:57,890 --> 01:38:53,940

encompasses you know the the kitschy TV

2321

01:38:59,930 --> 01:38:57,900

stuff and we need we need to uh we need

2322

01:39:02,450 --> 01:38:59,940

a professionalized field

2323

01:39:05,090 --> 01:39:02,460

and uh the only way you're going to do

2324

01:39:09,050 --> 01:39:05,100

that is is make it professional

2325

01:39:12,950 --> 01:39:09,060

and it's some sort of group a union

2326

01:39:15,350 --> 01:39:12,960

you know and have conferences and have a

2327

01:39:18,709 --> 01:39:15,360

curriculum and imagine if we could get a

2328

01:39:20,209 --> 01:39:18,719

university uh to put out at least a

2329

01:39:24,709 --> 01:39:20,219

degree

2330

01:39:26,990 --> 01:39:24,719

ufology

2331

01:39:30,090 --> 01:39:27,000

you can do it

2332

01:39:30,100 --> 01:39:33,590

[Laughter]

2333

01:39:40,610 --> 01:39:37,490

no it's it's I'm not kidding and and I'm

2334

01:39:43,330 --> 01:39:40,620

not laughing I mean I'm not you can

2335

01:39:46,490 --> 01:39:43,340

laugh but thank you it sounds weird

2336

01:39:48,709 --> 01:39:46,500

sounds weird but I I think there are

2337

01:39:51,729 --> 01:39:48,719

epitomized and standardize a curriculum

2338

01:39:55,729 --> 01:39:51,739

here so that there's some some floor

2339

01:39:58,490 --> 01:39:55,739

around what is considered legitimacy in

2340

01:40:00,590 --> 01:39:58,500

the subject there's well

2341

01:40:02,810 --> 01:40:00,600

any field that's been around long enough

2342

01:40:05,030 --> 01:40:02,820

has an expertise to it

2343

01:40:07,550 --> 01:40:05,040

and I think one that's been around for

2344

01:40:10,550 --> 01:40:07,560

you know 100 years because I'm going to

2345

01:40:12,070 --> 01:40:10,560

go back to like the 30s with the War of

2346

01:40:15,290 --> 01:40:12,080

the Worlds you know because that really

2347

01:40:15,950 --> 01:40:15,300

created the culture I think

2348

01:40:17,870 --> 01:40:15,960

um

2349

01:40:19,129 --> 01:40:17,880

but you know even airships before that

2350

01:40:22,310 --> 01:40:19,139

but uh

2351

01:40:24,770 --> 01:40:22,320

100 years you know of of this subject

2352

01:40:27,229 --> 01:40:24,780

it's equally as old as civil rights

2353

01:40:31,189 --> 01:40:27,239

movement maybe not as important maybe

2354

01:40:34,030 --> 01:40:31,199

more important you know uh maybe

2355

01:40:37,490 --> 01:40:34,040

important just for the sake of science

2356

01:40:39,530 --> 01:40:37,500

maybe it can make us look at at problems

2357

01:40:42,350 --> 01:40:39,540

differently because like you said Leah

2358

01:40:43,790 --> 01:40:42,360

there's there's issues with trying to

2359

01:40:46,189 --> 01:40:43,800

study this stuff because we're dealing

2360

01:40:49,129 --> 01:40:46,199

with transient phenomena that is

2361

01:40:51,350 --> 01:40:49,139

disparate and you know maybe as a

2362

01:40:54,709 --> 01:40:51,360

deliberateness behind it that makes it

2363

01:40:58,189 --> 01:40:54,719

hard to study you know but these things

2364

01:41:00,410 --> 01:40:58,199

are not obstacles to just rest on

2365

01:41:02,930 --> 01:41:00,420

you don't just rest on a witness account

2366

01:41:05,510 --> 01:41:02,940

you just don't rest on an interpretation

2367

01:41:07,450 --> 01:41:05,520

or speculation that's the beginning of

2368

01:41:10,430 --> 01:41:07,460

your investigation

2369

01:41:14,090 --> 01:41:10,440

go further than that you don't rest on

2370

01:41:15,709 --> 01:41:14,100

it you know you develop a a program and

2371

01:41:17,209 --> 01:41:15,719

that's what we need

2372

01:41:18,729 --> 01:41:17,219

it also feels like

2373

01:41:25,430 --> 01:41:18,739

um

2374

01:41:27,470 --> 01:41:25,440

the substance and respect that it

2375

01:41:28,910 --> 01:41:27,480

deserves right like like let's say we're

2376

01:41:31,010 --> 01:41:28,920

working within this container where this

2377

01:41:32,390 --> 01:41:31,020

is literally one of the largest and most

2378

01:41:34,609 --> 01:41:32,400

important questions you ever face

2379

01:41:36,649 --> 01:41:34,619

humanity and has existed in perpetuity

2380

01:41:38,810 --> 01:41:36,659

basically across all times and cultures

2381

01:41:41,750 --> 01:41:38,820

and theologies for all of human

2382

01:41:44,209 --> 01:41:41,760

existence like that in and of itself

2383

01:41:47,750 --> 01:41:44,219

confers a degree of substance and import

2384

01:41:50,510 --> 01:41:47,760

that to me effectively necessitates some

2385

01:41:52,370 --> 01:41:50,520

kind of standardization of how the

2386

01:41:54,470 --> 01:41:52,380

subject is approached and explored and I

2387

01:41:57,250 --> 01:41:54,480

don't mean just from a empirical

2388

01:41:59,450 --> 01:41:57,260

scientific perspective but also

2389

01:42:00,830 --> 01:41:59,460

spirituality like spiritually with from

2390

01:42:03,229 --> 01:42:00,840

a religious and anthropological

2391

01:42:06,109 --> 01:42:03,239

perspective but yeah I'm totally with

2392

01:42:08,870 --> 01:42:06,119

you in the sense that to fail to do this

2393

01:42:10,910 --> 01:42:08,880

is to also completely fail to

2394

01:42:12,950 --> 01:42:10,920

acknowledge and recognize the inherent

2395

01:42:16,550 --> 01:42:12,960

critical importance of the questions

2396

01:42:18,470 --> 01:42:16,560

that the field is asking yeah

2397

01:42:19,970 --> 01:42:18,480

and and there are some important

2398

01:42:23,870 --> 01:42:19,980

questions out there

2399

01:42:28,490 --> 01:42:23,880

you know uh the underlying thing

2400

01:42:33,770 --> 01:42:31,609

the big question is are we alone or not

2401

01:42:36,109 --> 01:42:33,780

and we we already know the answer to

2402

01:42:38,930 --> 01:42:36,119

that we know that we're not alone

2403

01:42:41,209 --> 01:42:38,940

uh I mean just Within

2404

01:42:43,850 --> 01:42:41,219

scientific probability and mathematic

2405

01:42:44,750 --> 01:42:43,860

mathematics we know that we know that

2406

01:42:47,990 --> 01:42:44,760

they're

2407

01:42:50,689 --> 01:42:48,000

somewhere out there or somewhere closer

2408

01:42:53,149 --> 01:42:50,699

to us we still don't understand how the

2409

01:42:54,050 --> 01:42:53,159

universe works in a lot of ways

2410

01:42:56,930 --> 01:42:54,060

um

2411

01:42:59,570 --> 01:42:56,940

there are some intelligences out there

2412

01:43:01,790 --> 01:42:59,580

now you know the big questions arise as

2413

01:43:03,590 --> 01:43:01,800

to what level of interaction and we can

2414

01:43:06,970 --> 01:43:03,600

have different interpretations over the

2415

01:43:09,229 --> 01:43:06,980

history of humanity as per you know

2416

01:43:12,590 --> 01:43:09,239

religions and and you know the

2417

01:43:13,550 --> 01:43:12,600

archetypes and Archeology and all that

2418

01:43:15,370 --> 01:43:13,560

um

2419

01:43:18,169 --> 01:43:15,380

but

2420

01:43:20,149 --> 01:43:18,179

barring any sort of proof a lot of it's

2421

01:43:23,209 --> 01:43:20,159

going to be you know it's going to be

2422

01:43:25,970 --> 01:43:23,219

supposition and it's and and and we

2423

01:43:34,129 --> 01:43:25,980

still would need to know okay what race

2424

01:43:38,090 --> 01:43:36,290

it's a

2425

01:43:40,970 --> 01:43:38,100

where are we getting a lot of our ideas

2426

01:43:43,970 --> 01:43:40,980

a lot of our ideas are bad ideas and we

2427

01:43:46,010 --> 01:43:43,980

you know we that's so true you know and

2428

01:43:49,669 --> 01:43:46,020

and like I said mutually exclusive they

2429

01:43:51,410 --> 01:43:49,679

they well maybe not you know it would be

2430

01:43:53,750 --> 01:43:51,420

great it would be fantastic if

2431

01:43:55,669 --> 01:43:53,760

everything was like a Marvel movie where

2432

01:43:58,189 --> 01:43:55,679

you know there's multiverses and there's

2433

01:43:59,689 --> 01:43:58,199

aliens and there's people living on out

2434

01:44:03,910 --> 01:43:59,699

on the other side of the moon or inside

2435

01:44:08,330 --> 01:44:05,810

you know it's like

2436

01:44:10,609 --> 01:44:08,340

uh it would be fantastic it would be

2437

01:44:12,950 --> 01:44:10,619

great I'm a scientific dork you know so

2438

01:44:16,790 --> 01:44:12,960

I mean I

2439

01:44:19,250 --> 01:44:16,800

some of that may be true I I think uh if

2440

01:44:22,490 --> 01:44:19,260

any of that outrageous stuff it it is

2441

01:44:24,290 --> 01:44:22,500

true it's probably you know some sort of

2442

01:44:26,930 --> 01:44:24,300

temporal

2443

01:44:28,910 --> 01:44:26,940

us from the future you know or some sort

2444

01:44:30,470 --> 01:44:28,920

of artificial intelligence if we're just

2445

01:44:31,189 --> 01:44:30,480

you know speculating because it would

2446

01:44:32,870 --> 01:44:31,199

make

2447

01:44:36,590 --> 01:44:32,880

sense because you know we're sort of

2448

01:44:38,149 --> 01:44:36,600

evolving into the into that right uh if

2449

01:44:40,729 --> 01:44:38,159

we're not already there we may be

2450

01:44:42,950 --> 01:44:40,739

artificial intelligent

2451

01:44:44,390 --> 01:44:42,960

things right now experience in this

2452

01:44:46,490 --> 01:44:44,400

universe

2453

01:44:47,930 --> 01:44:46,500

yeah something

2454

01:44:49,910 --> 01:44:47,940

um that I noticed coming into the

2455

01:44:52,790 --> 01:44:49,920

subject as uh I think Michael you said

2456

01:44:54,350 --> 01:44:52,800

like something like a UFO Noob um I was

2457

01:44:56,750 --> 01:44:54,360

coming at it from the outside like from

2458

01:44:57,890 --> 01:44:56,760

the materialist like academic thing and

2459

01:45:00,890 --> 01:44:57,900

we're talking a little bit about the

2460

01:45:03,169 --> 01:45:00,900

conferences studying the subject and uh

2461

01:45:04,790 --> 01:45:03,179

what I saw in the literature was that

2462

01:45:08,030 --> 01:45:04,800

there was a breaking off at a certain

2463

01:45:10,129 --> 01:45:08,040

point perhaps uh 1994 in his dollar

2464

01:45:11,390 --> 01:45:10,139

Norway is the first uh good example of

2465

01:45:12,890 --> 01:45:11,400

this the scientific conference that

2466

01:45:15,290 --> 01:45:12,900

erling strand called after doing those

2467

01:45:16,970 --> 01:45:15,300

repeated observations and it was uh

2468

01:45:18,649 --> 01:45:16,980

titled something like luminous phenomena

2469

01:45:20,330 --> 01:45:18,659

in the atmosphere and then he brought in

2470

01:45:21,890 --> 01:45:20,340

you know a couple dozen scientists from

2471

01:45:24,709 --> 01:45:21,900

around the world a variety of papers

2472

01:45:27,890 --> 01:45:24,719

resulted from that they all concerned

2473

01:45:30,890 --> 01:45:27,900

the production of ball lightning like

2474

01:45:33,229 --> 01:45:30,900

phenomena naturally in the atmosphere

2475

01:45:34,310 --> 01:45:33,239

um and what I've seen since is uh you

2476

01:45:37,970 --> 01:45:34,320

know the verification that ball

2477

01:45:40,370 --> 01:45:37,980

lightning exists in 2014 and that um

2478

01:45:43,129 --> 01:45:40,380

these these phenomena are being

2479

01:45:46,250 --> 01:45:43,139

described in hundreds of physics papers

2480

01:45:47,990 --> 01:45:46,260

in detail in the exact exact same way as

2481

01:45:50,149 --> 01:45:48,000

Dr Dale and heineck described them in

2482

01:45:53,390 --> 01:45:50,159

his original like The observationally

2483

01:45:55,970 --> 01:45:53,400

Identical features and at the European

2484

01:45:57,109 --> 01:45:55,980

geophysical Union conference is where

2485

01:45:59,270 --> 01:45:57,119

these papers are being presented about

2486

01:46:00,950 --> 01:45:59,280

these phenomena and you know there are

2487

01:46:03,410 --> 01:46:00,960

all of these published papers about

2488

01:46:05,510 --> 01:46:03,420

these things and uh we sort of are

2489

01:46:07,550 --> 01:46:05,520

getting around like oh what is a UFO

2490

01:46:10,189 --> 01:46:07,560

what is an UFO like these physicists in

2491

01:46:12,169 --> 01:46:10,199

the papers we think many of these things

2492

01:46:15,350 --> 01:46:12,179

are UFOs my view is the identical that

2493

01:46:17,750 --> 01:46:15,360

Arthur C clerks in the 50s many hardcore

2494

01:46:19,910 --> 01:46:17,760

unexplained UFOs made the ball lightning

2495

01:46:21,530 --> 01:46:19,920

that's his quote in his final the

2496

01:46:23,209 --> 01:46:21,540

description of the subject before he

2497

01:46:24,830 --> 01:46:23,219

passed away was if there are

2498

01:46:26,570 --> 01:46:24,840

extraordinary UFOs I believe there's

2499

01:46:29,149 --> 01:46:26,580

some kind of atmospheric effect

2500

01:46:30,530 --> 01:46:29,159

um and that's my position

2501  
01:46:31,669 --> 01:46:30,540  
um we're sort of dancing around it do

2502  
01:46:33,109 --> 01:46:31,679  
you think that there's any validity to

2503  
01:46:34,490 --> 01:46:33,119  
what I'm saying how is there actually

2504  
01:46:36,109 --> 01:46:34,500  
continued legitimate study of this

2505  
01:46:38,689 --> 01:46:36,119  
subject occurring in a different sphere

2506  
01:46:41,570 --> 01:46:38,699  
and sort of the UFO thing is sort of

2507  
01:46:43,550 --> 01:46:41,580  
this zombie Walking forward uh on its

2508  
01:46:45,050 --> 01:46:43,560  
own momentum and we are sort of there's

2509  
01:46:47,629 --> 01:46:45,060  
validity in discussing the culture and

2510  
01:46:49,010 --> 01:46:47,639  
stuff but like is that actually ufology

2511  
01:46:50,990 --> 01:46:49,020  
rather than the study of the objects

2512  
01:46:53,510 --> 01:46:51,000  
themselves maybe well

2513  
01:46:55,910 --> 01:46:53,520

I can send the ethology is the study of

2514

01:46:58,729 --> 01:46:55,920

UFOs and everything in it the culture

2515

01:47:00,950 --> 01:46:58,739

the history the cases the movements the

2516

01:47:02,510 --> 01:47:00,960

personalities the literature you know

2517

01:47:04,850 --> 01:47:02,520

the influences

2518

01:47:07,430 --> 01:47:04,860

just like any multi-disciplinary thing

2519

01:47:10,250 --> 01:47:07,440

and within that is the scientific

2520

01:47:14,270 --> 01:47:10,260

mystery and the investigation of that

2521

01:47:16,970 --> 01:47:14,280

scientific mystery and I I think

2522

01:47:20,390 --> 01:47:16,980

as I've said each case has its own

2523

01:47:23,209 --> 01:47:20,400

merits and I think there is adequate

2524

01:47:25,010 --> 01:47:23,219

evidence uh to suggest exactly what

2525

01:47:27,530 --> 01:47:25,020

you're saying if you go back and look at

2526

01:47:30,050 --> 01:47:27,540

uh you know like the work of coralists

2527

01:47:33,410 --> 01:47:30,060

or other people that that

2528

01:47:35,510 --> 01:47:33,420

have explored the idea of uh even uh

2529

01:47:38,390 --> 01:47:35,520

Harley Rutledge wrote about it nominee

2530

01:47:39,350 --> 01:47:38,400

magazine you know the idea of uh some

2531

01:47:41,930 --> 01:47:39,360

sort of

2532

01:47:43,910 --> 01:47:41,940

either atmospheric

2533

01:47:46,370 --> 01:47:43,920

uh you know some sort of ball lightning

2534

01:47:48,470 --> 01:47:46,380

some sort of unknown uh atmospheric

2535

01:47:50,510 --> 01:47:48,480

phenomena related to electricity or

2536

01:47:52,490 --> 01:47:50,520

magnetism that we're not aware of or

2537

01:47:55,430 --> 01:47:52,500

something that is created uh

2538

01:47:58,870 --> 01:47:55,440

geophysically similar to that you know

2539

01:48:01,870 --> 01:47:58,880

either way it's you know High

2540

01:48:05,990 --> 01:48:01,880

electromagnetic yield buoyant plasmas

2541

01:48:09,229 --> 01:48:06,000

that uh some have speculated that within

2542

01:48:14,290 --> 01:48:09,239

a certain range it may you know affect

2543

01:48:19,270 --> 01:48:16,850

university did studies with the god

2544

01:48:21,830 --> 01:48:19,280

helmet that uh demonstrated

2545

01:48:24,310 --> 01:48:21,840

electromagnetic electromagnetic effects

2546

01:48:28,250 --> 01:48:24,320

on certain parts of the brain can induce

2547

01:48:30,890 --> 01:48:28,260

you know hypnagogic experiences some

2548

01:48:33,229 --> 01:48:30,900

would argue that the guide helmet is a

2549

01:48:35,629 --> 01:48:33,239

god helmet and actually can transcend

2550

01:48:37,790 --> 01:48:35,639

into another reality that's right right

2551

01:48:40,729 --> 01:48:37,800

but at least we know that it's a

2552

01:48:43,490 --> 01:48:40,739

hypnagogic induced thing where you know

2553

01:48:45,470 --> 01:48:43,500

aliens and ghosts and and different sort

2554

01:48:48,890 --> 01:48:45,480

of things similar to you know the night

2555

01:48:51,950 --> 01:48:48,900

terror uh uh phenomenon can be

2556

01:48:55,250 --> 01:48:51,960

demonstrated and and I think in some

2557

01:48:56,810 --> 01:48:55,260

cases in some local localities some of

2558

01:48:57,830 --> 01:48:56,820

these places where there are spook

2559

01:49:00,169 --> 01:48:57,840

lights

2560

01:49:03,229 --> 01:49:00,179

uh some of these places where there are

2561

01:49:05,450 --> 01:49:03,239

Earth lights you know where and there's

2562

01:49:08,149 --> 01:49:05,460

been consistent reports of these things

2563

01:49:12,590 --> 01:49:08,159

tied to geographical locations like

2564

01:49:14,870 --> 01:49:12,600

hestylin for you know decades uh I I

2565

01:49:17,390 --> 01:49:14,880

think there is a legitimate natural

2566

01:49:19,370 --> 01:49:17,400

physical phenomena there worthy of

2567

01:49:22,310 --> 01:49:19,380

scientific study geologists and

2568

01:49:24,590 --> 01:49:22,320

physicists and Atmospheric scientists

2569

01:49:29,629 --> 01:49:24,600

and they should do that

2570

01:49:31,850 --> 01:49:29,639

aerial anomaly and anomalies is what

2571

01:49:33,830 --> 01:49:31,860

science is supposed to investigate

2572

01:49:36,290 --> 01:49:33,840

and it's supposed to do it in a

2573

01:49:39,109 --> 01:49:36,300

scientific way and I think if you know

2574

01:49:41,209 --> 01:49:39,119

uh I think with things like ball

2575

01:49:43,550 --> 01:49:41,219

lightning and and we're discovering new

2576

01:49:45,590 --> 01:49:43,560

things about the atmosphere every year

2577

01:49:47,510 --> 01:49:45,600

you know when I was growing up we didn't

2578

01:49:50,149 --> 01:49:47,520

have Sprites and all these you know

2579

01:49:53,390 --> 01:49:50,159

these Sky fairy lightning things that

2580

01:49:55,310 --> 01:49:53,400

are that are uh that we're seeing and

2581

01:49:58,070 --> 01:49:55,320

it's it's only gonna get

2582

01:49:59,930 --> 01:49:58,080

uh more like that where you know it's

2583

01:50:01,910 --> 01:49:59,940

going to necessitate that we study

2584

01:50:03,770 --> 01:50:01,920

atmospheric science and that we study

2585

01:50:06,470 --> 01:50:03,780

all the things that are in the sky if

2586

01:50:09,229 --> 01:50:06,480

you know if we're if we're going to uh

2587

01:50:12,109 --> 01:50:09,239

engage in the the scientific stuff or

2588

01:50:15,729 --> 01:50:12,119

erling you know he's got a uh his work

2589

01:50:18,649 --> 01:50:15,739

cut out for him you know uh he's done a

2590

01:50:20,870 --> 01:50:18,659

fantastic job you know I mean I I think

2591

01:50:24,169 --> 01:50:20,880

heinek was visiting him you know right

2592

01:50:26,709 --> 01:50:24,179

before his death and uh recognizing that

2593

01:50:29,570 --> 01:50:26,719

at least in some cases

2594

01:50:33,410 --> 01:50:29,580

uh there is a geophysical connection

2595

01:50:37,370 --> 01:50:33,420

that may result in a variant phenomena

2596

01:50:41,209 --> 01:50:37,380

and maybe even in some locations it

2597

01:50:43,790 --> 01:50:41,219

maybe some sort of temporal phenomena or

2598

01:50:47,030 --> 01:50:43,800

it may be some sort of Gateway phenomena

2599

01:50:50,330 --> 01:50:47,040

I'm open to all these things but I'm

2600

01:50:53,090 --> 01:50:50,340

open to not just logging them and

2601  
01:50:56,330 --> 01:50:53,100  
visiting them and documenting them and

2602  
01:50:58,370 --> 01:50:56,340  
gpsing them but uh hopefully eventually

2603  
01:51:01,070 --> 01:50:58,380  
uh we can uh

2604  
01:51:02,510 --> 01:51:01,080  
get instruments and I think you know

2605  
01:51:05,990 --> 01:51:02,520  
instead of spending the millions of

2606  
01:51:09,470 --> 01:51:06,000  
dollars at alien cons and and TV shows

2607  
01:51:11,450 --> 01:51:09,480  
uh I think we can uh get forty thousand

2608  
01:51:13,430 --> 01:51:11,460  
dollars worth of equipment start popping

2609  
01:51:14,570 --> 01:51:13,440  
it down into places like Marley Woods

2610  
01:51:17,149 --> 01:51:14,580  
near me

2611  
01:51:19,310 --> 01:51:17,159  
you know which is Missouri's Walker

2612  
01:51:22,390 --> 01:51:19,320  
Ranch there are places like that there

2613  
01:51:25,729 --> 01:51:22,400

are places where you know since I do GPS

2614

01:51:28,550 --> 01:51:25,739

you know Divergent anomalies not just

2615

01:51:30,410 --> 01:51:28,560

UFOs I'm able to see things that a lot

2616

01:51:36,649 --> 01:51:30,420

of people aren't you'd be surprised how

2617

01:51:39,350 --> 01:51:36,659

many haunted UFO anomalous uh encrypted

2618

01:51:42,649 --> 01:51:39,360

places intersect

2619

01:51:44,030 --> 01:51:42,659

you know and it goes beyond just

2620

01:51:46,790 --> 01:51:44,040

folklore

2621

01:51:50,510 --> 01:51:46,800

you know when it's when when a place has

2622

01:51:53,270 --> 01:51:50,520

a a variety of anomalies that's when

2623

01:51:56,450 --> 01:51:53,280

it's truly interesting and like I said I

2624

01:51:58,010 --> 01:51:56,460

think localization and uh doing things

2625

01:52:01,070 --> 01:51:58,020

like hestylin

2626

01:52:04,609 --> 01:52:01,080

uh we need thousands of households

2627

01:52:07,189 --> 01:52:04,619

and we need out of Galileo stuff and the

2628

01:52:08,990 --> 01:52:07,199

Galileo stuff needs to be scientific and

2629

01:52:11,510 --> 01:52:09,000

not intelligence

2630

01:52:14,330 --> 01:52:11,520

it needs to be scientific and not TV

2631

01:52:16,430 --> 01:52:14,340

show okay there I know they're going to

2632

01:52:19,910 --> 01:52:16,440

put a camera in Catalina

2633

01:52:22,250 --> 01:52:19,920

oh yeah I because it's Hollywood don't

2634

01:52:26,030 --> 01:52:22,260

think you wouldn't watch that and those

2635

01:52:28,729 --> 01:52:26,040

people love oh let's go to Catalina Demi

2636

01:52:30,290 --> 01:52:28,739

Lovato did all that stuff right it's

2637

01:52:33,050 --> 01:52:30,300

like yeah of course they're gonna put

2638

01:52:36,830 --> 01:52:33,060

one in Catalina that has Catalina had

2639

01:52:39,290 --> 01:52:36,840

UFO encounters yes sure is Catalina a

2640

01:52:41,510 --> 01:52:39,300

statistically scientifically validated

2641

01:52:44,270 --> 01:52:41,520

hotspot no

2642

01:52:46,209 --> 01:52:44,280

there are a hundred other places that

2643

01:52:49,490 --> 01:52:46,219

are more anomalous than that

2644

01:52:52,430 --> 01:52:49,500

okay and that's where you're seeing

2645

01:52:53,810 --> 01:52:52,440

unfortunately I think you know Galileo

2646

01:52:55,790 --> 01:52:53,820

might be

2647

01:52:58,609 --> 01:52:55,800

you know they have Ancient Aliens people

2648

01:53:00,050 --> 01:52:58,619

on their staff they have Urology in

2649

01:53:01,010 --> 01:53:00,060

their group you know what what are they

2650

01:53:04,010 --> 01:53:01,020

telling them

2651  
01:53:05,390 --> 01:53:04,020  
and arrow too who's influencing era you

2652  
01:53:07,850 --> 01:53:05,400  
know are they getting all the same

2653  
01:53:11,390 --> 01:53:07,860  
regurgitated TV show stories

2654  
01:53:12,890 --> 01:53:11,400  
you know uh from people that really

2655  
01:53:15,709 --> 01:53:12,900  
don't know the subject or they have a

2656  
01:53:18,229 --> 01:53:15,719  
biased view of the subject you know I I

2657  
01:53:20,330 --> 01:53:18,239  
worry about people like senator

2658  
01:53:24,109 --> 01:53:20,340  
gillibrand being influenced by people

2659  
01:53:28,370 --> 01:53:24,119  
like luellizando or even Leslie King

2660  
01:53:30,649 --> 01:53:28,380  
okay I respect her but she's biased she

2661  
01:53:33,590 --> 01:53:30,659  
is not a he is not a journalist in the

2662  
01:53:35,870 --> 01:53:33,600  
sense that she's not a UFO activist he

2663  
01:53:38,390 --> 01:53:35,880

has been a long time in UFO actually she

2664

01:53:40,790 --> 01:53:38,400

has a very particular view of the

2665

01:53:43,609 --> 01:53:40,800

phenomena and there's a lot of people

2666

01:53:46,790 --> 01:53:43,619

within their insular group you know that

2667

01:53:50,390 --> 01:53:46,800

orchestrate and collaborate and

2668

01:53:54,709 --> 01:53:50,400

organize you know behind this uh this uh

2669

01:53:56,390 --> 01:53:54,719

this movement and uh uh I I think it's

2670

01:53:57,950 --> 01:53:56,400

gonna ultimately be another D

2671

01:54:02,649 --> 01:53:57,960

legitimizing thing

2672

01:54:05,229 --> 01:54:02,659

uh the next few years I gotta get stupid

2673

01:54:09,830 --> 01:54:05,239

you heard it here yeah

2674

01:54:13,450 --> 01:54:09,840

uh Michael on that note the

2675

01:54:20,109 --> 01:54:17,209

uh where can our audience find you

2676

01:54:24,290 --> 01:54:20,119

uh UFO Twitter

2677

01:54:26,990 --> 01:54:24,300

the first realm the hell Realms got it

2678

01:54:31,250 --> 01:54:27,000

no social media Instagram Facebook all

2679

01:54:33,290 --> 01:54:31,260

that sort of stuff I'm there uh I'm uh I

2680

01:54:35,629 --> 01:54:33,300

write and I blog and I travel and I

2681

01:54:38,930 --> 01:54:35,639

enjoy doing that and uh you know I put

2682

01:54:40,310 --> 01:54:38,940

the UFO celebrity thing I've been in

2683

01:54:43,430 --> 01:54:40,320

documentaries and all that sort of stuff

2684

01:54:46,669 --> 01:54:43,440

and that stuff's fun and you know but we

2685

01:54:48,350 --> 01:54:46,679

can do all that too but I I think we

2686

01:54:51,830 --> 01:54:48,360

need to be honest and we need to be real

2687

01:54:53,870 --> 01:54:51,840

and we need to honestly look at things

2688

01:54:55,729 --> 01:54:53,880

and be legitimate with each other and

2689

01:54:59,209 --> 01:54:55,739

stop blowing smoke each other's asses

2690

01:55:01,729 --> 01:54:59,219

you know it's like it's a Decades of

2691

01:55:03,890 --> 01:55:01,739

just so much baloney

2692

01:55:07,310 --> 01:55:03,900

and it's coming from us

2693

01:55:11,270 --> 01:55:07,320

and uh um yeah you can find me on social

2694

01:55:14,030 --> 01:55:11,280

media I'm accessible and uh if you uh

2695

01:55:15,530 --> 01:55:14,040

have any uh GPS data or a case or

2696

01:55:17,450 --> 01:55:15,540

anything if you want my opinion or if

2697

01:55:18,709 --> 01:55:17,460

you you want a business somewhere I you

2698

01:55:20,209 --> 01:55:18,719

know I'll be able to help you out there

2699

01:55:23,030 --> 01:55:20,219

just to

2700

01:55:25,250 --> 01:55:23,040

or it just Google my name I'm sure some

2701

01:55:28,970 --> 01:55:25,260

stuff will come up pictures and articles

2702

01:55:30,350 --> 01:55:28,980

and all that awesome Michael thank you

2703

01:55:32,450 --> 01:55:30,360

so much for joining the invisible night

2704

01:55:35,209 --> 01:55:32,460

school tonight just delighted so glad we

2705

01:55:36,890 --> 01:55:35,219

had the opportunity to connect

2706

01:55:38,390 --> 01:55:36,900

um I'm gonna put you off the stream uh

2707

01:55:40,189 --> 01:55:38,400

the Royal sailor good nights and we'll

2708

01:55:42,109 --> 01:55:40,199

all get our Beauty Rest

2709

01:55:44,709 --> 01:55:42,119

um so again Michael Huntington ladies

2710

01:55:49,609 --> 01:55:44,719

and gentlemen a pleasure

2711

01:55:54,890 --> 01:55:52,370

all right all right what do you think

2712

01:55:56,750 --> 01:55:54,900

that was a really good one yeah that was

2713

01:56:00,109 --> 01:55:56,760

fun yes

2714

01:56:02,930 --> 01:56:00,119

any party words before we uh hang up our

2715

01:56:04,790 --> 01:56:02,940

mics for the evening folks for once I

2716

01:56:09,290 --> 01:56:04,800

actually have something that I did

2717

01:56:12,649 --> 01:56:09,300

related to UFOs really last Wednesday uh

2718

01:56:14,629 --> 01:56:12,659

within an hour before I lost power I was

2719

01:56:16,490 --> 01:56:14,639

interviewed on

2720

01:56:18,649 --> 01:56:16,500

um a YouTube channel Sean Atwood

2721

01:56:22,010 --> 01:56:18,659

Unleashed he does like True Crime stuff

2722

01:56:24,530 --> 01:56:22,020

but uh he has like 770 000 subscribers

2723

01:56:26,689 --> 01:56:24,540

and I did a 30 minute interview on there

2724

01:56:28,790 --> 01:56:26,699

and that should be coming out in the

2725

01:56:30,229 --> 01:56:28,800

next like four or five days

2726

01:56:31,910 --> 01:56:30,239

um so that should be interesting nice

2727

01:56:34,729 --> 01:56:31,920

yeah post the links all around so we can

2728

01:56:37,970 --> 01:56:34,739

see it yeah

2729

01:56:40,430 --> 01:56:37,980

anybody else up to anything cool

2730

01:56:45,590 --> 01:56:40,440

no um

2731

01:56:48,950 --> 01:56:47,149

um

2732

01:56:49,729 --> 01:56:48,960

I'm working on a couple of things but

2733

01:56:53,530 --> 01:56:49,739

I'll

2734

01:56:56,570 --> 01:56:53,540

sure

2735

01:56:58,490 --> 01:56:56,580

secretive nice what about you Nick

2736

01:57:01,850 --> 01:56:58,500

anything going on

2737

01:57:04,250 --> 01:57:01,860

yeah I'm um it's not UFO related I'm

2738

01:57:06,169 --> 01:57:04,260

playing in a uh a webcam Magic

2739

01:57:07,970 --> 01:57:06,179

tournament right now

2740

01:57:11,030 --> 01:57:07,980

um it's a it's a very Niche format

2741

01:57:12,589 --> 01:57:11,040

called Old School 94 90 or 93 94 so it's

2742

01:57:13,970 --> 01:57:12,599

just the first two years of the game and

2743

01:57:15,410 --> 01:57:13,980

I'm playing with people all over Europe

2744

01:57:22,609 --> 01:57:15,420

and stuff like that so it's kind of cool

2745

01:57:26,750 --> 01:57:24,950

during the game

2746

01:57:29,330 --> 01:57:26,760

um

2747

01:57:30,410 --> 01:57:29,340

Magic the Gathering there's a very neat

2748

01:57:31,850 --> 01:57:30,420

format

2749

01:57:34,010 --> 01:57:31,860

um that's just the first two years of

2750

01:57:35,750 --> 01:57:34,020

the game and um it's very popular in

2751

01:57:37,729 --> 01:57:35,760

Europe so playing webcam games with them

2752

01:57:39,830 --> 01:57:37,739

so I get the two cameras set up right

2753

01:57:41,270 --> 01:57:39,840

now is that streamed anywhere is it uh

2754

01:57:43,510 --> 01:57:41,280

just one-on-one type thing so is it on

2755

01:57:47,270 --> 01:57:43,520

your only fans Nick tell us

2756

01:57:50,750 --> 01:57:47,280

it is okay to see that

2757

01:57:52,790 --> 01:57:50,760

I think the um kind of like the the top

2758

01:57:54,770 --> 01:57:52,800

16 it's a Swiss tournament so the the

2759

01:57:56,810 --> 01:57:54,780

top top 16 I think will be on YouTube

2760

01:57:57,589 --> 01:57:56,820

and I will share it for anyone

2761

01:57:59,570 --> 01:57:57,599

um

2762

01:58:01,490 --> 01:57:59,580

anyone there's a cross over here that's

2763

01:58:04,370 --> 01:58:01,500

watching that is actually interested in

2764

01:58:06,470 --> 01:58:04,380

the like I said a very Niche format of

2765

01:58:08,930 --> 01:58:06,480

kind of a niche game this is real nerd

2766

01:58:13,430 --> 01:58:11,930

I am I think I'm pretty good so you

2767

01:58:16,010 --> 01:58:13,440

probably should check it out

2768

01:58:18,410 --> 01:58:16,020

you're gonna have to prove it yeah yeah

2769

01:58:24,229 --> 01:58:18,420

now they'll cut me yeah they'll cut me

2770

01:58:28,310 --> 01:58:26,689

all right well

2771

01:58:29,990 --> 01:58:28,320

this wraps up another episode of The

2772

01:58:32,209 --> 01:58:30,000

Invisible night school

2773

01:58:34,669 --> 01:58:32,219

um next week uh we'll be doing an open

2774

01:58:37,010 --> 01:58:34,679

lines episode finally

2775

01:58:38,930 --> 01:58:37,020

um I know that our scheduling got super

2776

01:58:41,030 --> 01:58:38,940

weird for a little bit uh but we'll be

2777

01:58:43,609 --> 01:58:41,040

back next Wednesday 9 p.m Eastern for

2778

01:58:46,910 --> 01:58:43,619

open lines uh for anyone tuning in open

2779

01:58:48,169 --> 01:58:46,920

lions are great uh jump on yeah join the

2780

01:58:49,370 --> 01:58:48,179

conversation talk about whatever you

2781

01:58:51,229 --> 01:58:49,380

want to talk about

2782

01:58:53,030 --> 01:58:51,239

um I'd love to give some updates too on

2783

01:58:55,430 --> 01:58:53,040

uh you know I was in New York last week

2784

01:58:57,649 --> 01:58:55,440

for the inquiry to anomalous experiences

2785

01:58:59,510 --> 01:58:57,659

and the phenomenon I've gone to every

2786

01:59:01,790 --> 01:58:59,520

conference now in that series put on by

2787

01:59:04,370 --> 01:59:01,800

James iandoli and J Christopher King

2788

01:59:06,350 --> 01:59:04,380

um so happy to give some updates and

2789

01:59:07,790 --> 01:59:06,360

thoughts on that next week as well yeah

2790

01:59:09,350 --> 01:59:07,800

I want to hear about that

2791

01:59:10,850 --> 01:59:09,360

um I don't think we have actually said

2792

01:59:12,470 --> 01:59:10,860

this out loud yet but we were thinking

2793

01:59:13,790 --> 01:59:12,480

about or we're considering doing an open

2794

01:59:16,370 --> 01:59:13,800

lines once a month

2795

01:59:17,990 --> 01:59:16,380

so that way the listeners can you know

2796

01:59:20,810 --> 01:59:18,000

prepare it won't be sprung on them last

2797

01:59:22,490 --> 01:59:20,820

minute so they can um you know work on

2798

01:59:25,550 --> 01:59:22,500

things they want to bring to the show

2799

01:59:27,649 --> 01:59:25,560

yes yes uh Duncan asking to see the ring

2800

01:59:29,689 --> 01:59:27,659

again yes right now it's a white silicon

2801  
01:59:31,729 --> 01:59:29,699  
ring Because the actual ring is being

2802  
01:59:33,589 --> 01:59:31,739  
made by a jeweler

2803  
01:59:35,990 --> 01:59:33,599  
um hopefully I'll have it sometime in

2804  
01:59:38,930 --> 01:59:36,000  
the next couple of months but yeah I am

2805  
01:59:40,850 --> 01:59:38,940  
yeah I see that yeah I'll make sure to

2806  
01:59:43,550 --> 01:59:40,860  
show it off once it's like in my sweaty

2807  
01:59:50,689 --> 01:59:44,570  
cool

2808  
01:59:54,830 --> 01:59:52,910  
I mean

2809  
01:59:57,830 --> 01:59:54,840  
that's nice to be back that was the

2810  
02:00:00,910 --> 01:59:57,840  
longest I know it's nice yeah together

2811  
02:00:06,109 --> 02:00:03,649  
cool all right well I will see all of

2812  
02:00:08,629 --> 02:00:06,119  
you audience members co-hosts it's

2813  
02:00:16,900 --> 02:00:08,639

everyone else see you next Wednesday 9pm

2814

02:00:55,440 --> 02:00:40,089

[Music]

2815

02:00:59,050 --> 02:00:55,450

[Applause]

2816

02:01:01,120 --> 02:00:59,060

[Music]
