00:01:38,649 --> 00:01:31,690
thank you

8
00:01:43,550 --> 00:01:41,630
hey everyone from the Great American

9
00:01:45,649 --> 00:01:43,560
Northwest hope you all good evening good

10
00:01:47,510 --> 00:01:45,659
morning good afternoon wherever you may

11
00:01:49,069 --> 00:01:47,520
be Across the Nation around the world my

12
00:01:51,710 --> 00:01:49,079
name is Leah Prime and this is the

13
00:01:54,410 --> 00:01:51,720

invisible night school we are back after

14

00:01:57,289 --> 00:01:54,420

um well after a Hiatus for me I know the

15

00:01:58,969 --> 00:01:57,299

gentleman here were happily filling in

16

00:02:00,230 --> 00:01:58,979

the hot seat hosting some great

17

00:02:01,910 --> 00:02:00,240

conversations

18

00:02:03,770 --> 00:02:01,920

um but for anyone just joining us we are

19

00:02:05,569 --> 00:02:03,780

the invisible night school we're a small

20

00:02:07,130 --> 00:02:05,579

Consortium of Lee researchers and

21

00:02:09,050 --> 00:02:07,140

Scholars pursuing the study and

22

00:02:11,869 --> 00:02:09,060

exploration of ufology high strangeness

23

00:02:13,910 --> 00:02:11,879

and the phenomena ins is not a monolith

24

00:02:15,650 --> 00:02:13,920

we represent varied ideas backgrounds

25

00:02:17,750 --> 00:02:15,660

disciplines experiences and seek to

26
00:02:19,670 --> 00:02:17,760
engage in good faith conversation with

27
00:02:21,470 --> 00:02:19,680
other curious minds

28
00:02:23,570 --> 00:02:21,480
um this evening uh we're going to be

29
00:02:25,010 --> 00:02:23,580
discussing the subject of disclosure we

30
00:02:28,070 --> 00:02:25,020
don't have a guest slated for tonight

31
00:02:30,050 --> 00:02:28,080
instead it's going to be two of my

32
00:02:33,650 --> 00:02:30,060
lovely co-hosts we have the inimitable

33
00:02:35,750 --> 00:02:33,660
Campbell Moreira joining us Campbell and

34
00:02:39,110 --> 00:02:35,760
then of course our resident dubious

35
00:02:40,670 --> 00:02:39,120
Layman Nick good to have you hey how's

36
00:02:42,710 --> 00:02:40,680
hi Nick

37
00:02:45,110 --> 00:02:42,720
you are looking every bit the UFO

38
00:02:47,390 --> 00:02:45,120

researcher uh in your Hawaiian shirt

39

00:02:53,110 --> 00:02:47,400

vaguely disheveled the cat on your lap

40

00:03:00,190 --> 00:02:55,970

computer behind you I know the computer

41

00:03:04,610 --> 00:03:02,990

I've got a little uh CRT back there the

42

00:03:06,470 --> 00:03:04,620

VCR hooked up too

43

00:03:09,589 --> 00:03:06,480

this is kind of like incredible a

44

00:03:11,990 --> 00:03:09,599

low-tech room right here yes Simon fly

45

00:03:13,850 --> 00:03:12,000

bearing their lead right here uh yes

46

00:03:17,390 --> 00:03:13,860

it's what is it it's bait there's no

47

00:03:20,570 --> 00:03:17,400

disclosure right sure well it depends on

48

00:03:23,809 --> 00:03:20,580

what you mean like disclosure of what

49

00:03:26,869 --> 00:03:23,819

and uh that actually like just kind of

50

00:03:28,550 --> 00:03:26,879

wanna how I want to start it off yes I

51

00:03:30,530 --> 00:03:28,560

don't want to say

52

00:03:32,270 --> 00:03:30,540

because because I wanted to kind of

53

00:03:34,850 --> 00:03:32,280

touch on where we're all at like what

54

00:03:37,430 --> 00:03:34,860

what all our takes are on UFOs and

55

00:03:39,290 --> 00:03:37,440

ufology and eventually disclosure to but

56

00:03:41,509 --> 00:03:39,300

I don't want to say what are UFOs

57

00:03:44,210 --> 00:03:41,519

because that's kind of like saying in my

58

00:03:46,009 --> 00:03:44,220

opinion where I lost socks it's a bit of

59

00:03:48,530 --> 00:03:46,019

a similar question

60

00:03:50,809 --> 00:03:48,540

but that kind of brings me to it and um

61

00:03:53,449 --> 00:03:50,819

I want to talk about what ufology is to

62

00:03:55,789 --> 00:03:53,459

each of you and to me and

63

00:04:00,649 --> 00:03:55,799

kind of more interestingly why is

64

00:04:03,890 --> 00:04:00,659

ufology why is there a ufology right so

65

00:04:06,830 --> 00:04:03,900

I'm going to kick that off so what and

66

00:04:08,830 --> 00:04:06,840

why is ufology Campbell

67

00:04:11,210 --> 00:04:08,840

yeah well ufology

68

00:04:15,470 --> 00:04:11,220

uh coming off the top of my head here

69

00:04:18,110 --> 00:04:15,480

it's the study of UFOs uh as a subject

70

00:04:21,890 --> 00:04:18,120

if we look at the most recent article by

71

00:04:24,350 --> 00:04:21,900

Mick West in what is that paper the New

72

00:04:27,909 --> 00:04:24,360

York Post I believe he published yeah

73

00:04:35,450 --> 00:04:32,350

ufology as the study of UFOs as

74

00:04:36,530 --> 00:04:35,460

extraterrestrial objects or craft or

75

00:04:38,450 --> 00:04:36,540

whatever

76
00:04:41,570 --> 00:04:38,460
um I thought that was interesting it

77
00:04:43,730 --> 00:04:41,580
sort of refines it uh also um a lot of

78
00:04:45,950 --> 00:04:43,740
people who study UFOs would be upset

79
00:04:47,629 --> 00:04:45,960
with that because it leaves out the

80
00:04:49,310 --> 00:04:47,639
humans that are interdimensional

81
00:04:50,450 --> 00:04:49,320
visiting us and the time traveling

82
00:04:53,270 --> 00:04:50,460
humans you know it's not just

83
00:04:55,430 --> 00:04:53,280
extraterrestrials here right sure

84
00:04:57,409 --> 00:04:55,440
um so uh but you know generally speaking

85
00:05:00,950 --> 00:04:57,419
I think ufology is like the study of

86
00:05:02,330 --> 00:05:00,960
this distinct category of object kind of

87
00:05:05,210 --> 00:05:02,340
in line with what Mick was saying like

88
00:05:07,790 --> 00:05:05,220

that people have been reporting seeing

89

00:05:09,110 --> 00:05:07,800

for decades and decades now

90

00:05:12,290 --> 00:05:09,120

um yeah what about you Leah what do you

91

00:05:14,210 --> 00:05:12,300

think of you know um oh man there's so

92

00:05:16,790 --> 00:05:14,220

much I could say uh I'm always reminded

93

00:05:19,249 --> 00:05:16,800

of um

94

00:05:21,350 --> 00:05:19,259

Noam Chomsky talking about the frizz

95

00:05:23,390 --> 00:05:21,360

support our troops and this idea that

96

00:05:25,930 --> 00:05:23,400

that phrase itself well no I'm gonna get

97

00:05:29,270 --> 00:05:25,940

there Nick oh no I'm right calm down

98

00:05:31,670 --> 00:05:29,280

everyone's everyone loves your shirt man

99

00:05:33,650 --> 00:05:31,680

yeah people are yeah you were you were

100

00:05:35,270 --> 00:05:33,660

Dressed to Kill for the part

101

00:05:37,010 --> 00:05:35,280

um but like I I

102

00:05:38,270 --> 00:05:37,020

no people are making fun of you they

103

00:05:38,990 --> 00:05:38,280

love you

104

00:05:40,430 --> 00:05:39,000

um

105

00:05:42,290 --> 00:05:40,440

yeah

106

00:05:45,409 --> 00:05:42,300

um anyway I always think of that Noam

107

00:05:48,170 --> 00:05:45,419

Chomsky uh quote about basically how

108

00:05:49,909 --> 00:05:48,180

this phrase support our troops

109

00:05:52,310 --> 00:05:49,919

um is basically this completely

110

00:05:53,930 --> 00:05:52,320

meaningless useless phrase that can be

111

00:05:56,090 --> 00:05:53,940

contorted and applied to basically

112

00:05:58,610 --> 00:05:56,100

anyone of any ideology any place because

113

00:06:00,650 --> 00:05:58,620

who doesn't support the troops right

114

00:06:02,510 --> 00:06:00,660

um and I say this because I think when

115

00:06:04,909 --> 00:06:02,520

we fall into discussing like what

116

00:06:06,790 --> 00:06:04,919

exactly defines ufology we wind up with

117

00:06:08,810 --> 00:06:06,800

these either these extremely literal

118

00:06:10,490 --> 00:06:08,820

definitions that completely fail to

119

00:06:11,450 --> 00:06:10,500

account for the complexity and nuance

120

00:06:13,909 --> 00:06:11,460

and

121

00:06:16,370 --> 00:06:13,919

um sort of like uh qualitative elements

122

00:06:17,810 --> 00:06:16,380

or subjective elements of the subject

123

00:06:18,529 --> 00:06:17,820

um and is really

124

00:06:22,870 --> 00:06:18,539

um

125

00:06:25,129 --> 00:06:22,880

these extremely uh literal definitions

126
00:06:27,050 --> 00:06:25,139
basically failed to account for the

127
00:06:28,309 --> 00:06:27,060
subject and any appreciable way in my

128
00:06:30,710 --> 00:06:28,319
opinion

129
00:06:31,610 --> 00:06:30,720
um but I also think exactly Campbell

130
00:06:34,010 --> 00:06:31,620
said

131
00:06:37,730 --> 00:06:34,020
um when we talk about this subject

132
00:06:40,550 --> 00:06:37,740
um there are definitely basically niches

133
00:06:43,610 --> 00:06:40,560
and sub niches within the entire subject

134
00:06:46,670 --> 00:06:43,620
very nice I have a Seltzer

135
00:06:48,710 --> 00:06:46,680
um but um

136
00:06:51,830 --> 00:06:48,720
niches and sub niches within this

137
00:06:53,809 --> 00:06:51,840
subject that you know in a very general

138
00:06:58,550 --> 00:06:53,819

broad sense Fallen to the subject of

139

00:07:02,210 --> 00:06:58,560

ufology but could very just as much be

140

00:07:04,010 --> 00:07:02,220

considered psychedelia meditation

141

00:07:06,650 --> 00:07:04,020

um spiritual emergence you know these

142

00:07:08,390 --> 00:07:06,660

variety of human experiences that don't

143

00:07:10,010 --> 00:07:08,400

fall strictly into the nuts and bolts or

144

00:07:11,809 --> 00:07:10,020

material phenomena that we hear people

145

00:07:14,330 --> 00:07:11,819

talk about

146

00:07:15,110 --> 00:07:14,340

um you know it and I think

147

00:07:17,570 --> 00:07:15,120

um

148

00:07:19,790 --> 00:07:17,580

it also reminds me of uh seeing people

149

00:07:21,589 --> 00:07:19,800

say things like UFOs are real right like

150

00:07:23,689 --> 00:07:21,599

this is a completely meaningless and

151
00:07:25,430 --> 00:07:23,699
vacuous statement because of course

152
00:07:27,830 --> 00:07:25,440
there are literal UFOs there are things

153
00:07:29,510 --> 00:07:27,840
we see that people see that cannot

154
00:07:30,830 --> 00:07:29,520
literally be identified

155
00:07:32,749 --> 00:07:30,840
um but what does that actually mean

156
00:07:34,670 --> 00:07:32,759
right like what does this notion of uas

157
00:07:37,749 --> 00:07:34,680
UFOs are real what does this actually

158
00:07:39,950 --> 00:07:37,759
imply from an ontological and a a

159
00:07:41,450 --> 00:07:39,960
epistemological perspective

160
00:07:43,930 --> 00:07:41,460
um and of course that necessitates us to

161
00:07:46,909 --> 00:07:43,940
even have some shared consensus

162
00:07:49,850 --> 00:07:46,919
understanding of what UFOs even are

163
00:07:52,150 --> 00:07:49,860

um right so pretty nice are they just

164

00:07:55,189 --> 00:07:52,160

flying saucers Nick

165

00:07:56,809 --> 00:07:55,199

pre-1947 I mean like they're all history

166

00:07:58,809 --> 00:07:56,819

we've been seeing things in the sky that

167

00:08:02,270 --> 00:07:58,819

we can't recognize you know

168

00:08:04,550 --> 00:08:02,280

airships the ghost rockets in 1946 uh

169

00:08:05,870 --> 00:08:04,560

Foo Fighters during the war but they

170

00:08:08,390 --> 00:08:05,880

were never I mean [h__h] even stuff

171

00:08:10,490 --> 00:08:08,400

documented uh over Nuremberg in the 16th

172

00:08:12,469 --> 00:08:10,500

century there's all sorts of things but

173

00:08:14,150 --> 00:08:12,479

these were all kind of collected into a

174

00:08:16,670 --> 00:08:14,160

general unknown

175

00:08:18,369 --> 00:08:16,680

um kind of 40 Anna right actually it was

176

00:08:23,529 --> 00:08:18,379

the audience who were like the

177

00:08:26,170 --> 00:08:23,539

proto-u-fologists not the freudians

178

00:08:30,290 --> 00:08:26,180

important distinction but then after

179

00:08:32,089 --> 00:08:30,300

1947 or yeah 1947 it kind of was

180

00:08:35,029 --> 00:08:32,099

re-categorized as its own thing although

181

00:08:36,829 --> 00:08:35,039

I can't point to a specific like

182

00:08:39,769 --> 00:08:36,839

characteristic or trait that's a

183

00:08:40,969 --> 00:08:39,779

criteria to become a UFO uh opposed to

184

00:08:43,010 --> 00:08:40,979

like we were talking to Michael

185

00:08:44,570 --> 00:08:43,020

Huntington uh and I asked him like what

186

00:08:47,030 --> 00:08:44,580

what's the distinction between a spook

187

00:08:49,550 --> 00:08:47,040

light and a UFO

188

00:08:51,710 --> 00:08:49,560

and I wonder I wonder why you guys think

189

00:08:54,889 --> 00:08:51,720

that uh

190

00:08:56,110 --> 00:08:54,899

not what about what was it about 1947

191

00:08:57,949 --> 00:08:56,120

that kind of

192

00:08:59,210 --> 00:08:57,959

re-categorized it and kind of

193

00:09:02,350 --> 00:08:59,220

essentially created what we understand

194

00:09:05,150 --> 00:09:02,360

as you have ufology now

195

00:09:06,710 --> 00:09:05,160

uh I just want to address a question

196

00:09:08,870 --> 00:09:06,720

from one of the viewers right now if he

197

00:09:11,389 --> 00:09:08,880

asks I've heard that word 14 before but

198

00:09:14,210 --> 00:09:11,399

what's it mean it's basically uh an

199

00:09:15,590 --> 00:09:14,220

adjective reference to Charles Fort uh

200

00:09:17,030 --> 00:09:15,600

who wrote the book of the Damned and he

201
00:09:18,710 --> 00:09:17,040
studied a lot of the sort of strange

202
00:09:20,930 --> 00:09:18,720
paranormal

203
00:09:23,090 --> 00:09:20,940
Etc totally worth checking out

204
00:09:25,370 --> 00:09:23,100
um you can get his books on Amazon for

205
00:09:27,850 --> 00:09:25,380
super super inexpensive but I sort of

206
00:09:31,130 --> 00:09:27,860
think of him as the pioneer of modern

207
00:09:33,290 --> 00:09:31,140
paranormal studies or weird studies

208
00:09:35,530 --> 00:09:33,300
um everything from telekinesis

209
00:09:37,690 --> 00:09:35,540
Clairvoyance clairaudience

210
00:09:40,610 --> 00:09:37,700
mediumship

211
00:09:41,870 --> 00:09:40,620
activity yeah reigning frogs any of this

212
00:09:43,790 --> 00:09:41,880
kind of stuff

213
00:09:46,670 --> 00:09:43,800

um totally worth checking out if you

214

00:09:48,170 --> 00:09:46,680

were like kind of in a nutshell what he

215

00:09:50,750 --> 00:09:48,180

thought is he thought the v's like

216

00:09:53,210 --> 00:09:50,760

anomalies or mysteries of Science and

217

00:09:55,430 --> 00:09:53,220

stuff like that all kind of came from

218

00:09:56,690 --> 00:09:55,440

uh play it's where I told you your ring

219

00:09:58,790 --> 00:09:56,700

was from and I can't remember it's the

220

00:10:02,810 --> 00:09:58,800

super something C it was it's

221

00:10:06,110 --> 00:10:02,820

essentially Super sargasso C yes that

222

00:10:07,910 --> 00:10:06,120

swallowed up my engagement ring yeah so

223

00:10:09,889 --> 00:10:07,920

um this concept is something that we saw

224

00:10:12,290 --> 00:10:09,899

when we talked way back in like episode

225

00:10:14,570 --> 00:10:12,300

four about ghosts it's essentially a

226
00:10:17,030 --> 00:10:14,580
reinterpretation of The Ether which is

227
00:10:19,850 --> 00:10:17,040
actually a medieval idea so this idea

228
00:10:22,130 --> 00:10:19,860
that we now kind of um I see people talk

229
00:10:24,590 --> 00:10:22,140
about Consciousness in the same way but

230
00:10:26,810 --> 00:10:24,600
also the extra dimensional hypothesis

231
00:10:29,269 --> 00:10:26,820
are all kind of this same recycled

232
00:10:32,090 --> 00:10:29,279
concept from medieval times of The Ether

233
00:10:33,230 --> 00:10:32,100
this kind of like parallel other space

234
00:10:37,310 --> 00:10:33,240
like a

235
00:10:38,870 --> 00:10:37,320
they come in in and out of and it's

236
00:10:42,769 --> 00:10:38,880
interesting that that

237
00:10:46,009 --> 00:10:42,779
predated the eth essentially I I say

238
00:10:47,990 --> 00:10:46,019

that uh some of uh the 40s under four

239

00:10:52,430 --> 00:10:48,000

kind of proposed the ultra dimensional

240

00:10:54,110 --> 00:10:52,440

hypothesis too but it seems to

241

00:10:55,490 --> 00:10:54,120

it's so murky around them because you

242

00:10:57,710 --> 00:10:55,500

had people like Mead Lane who were doing

243

00:10:58,310 --> 00:10:57,720

the channeling thing which also Echoes

244

00:11:00,230 --> 00:10:58,320

um

245

00:11:03,829 --> 00:11:00,240

spiritualism that we talked about before

246

00:11:05,449 --> 00:11:03,839

but then you had um what's his name uh

247

00:11:08,210 --> 00:11:05,459

Ray Palmer who was writing America or

248

00:11:10,069 --> 00:11:08,220

Amazing Stories basically writing out

249

00:11:12,110 --> 00:11:10,079

the UFO narrative that exists today

250

00:11:14,389 --> 00:11:12,120

essentially The X-Files plotline that

251

00:11:15,590 --> 00:11:14,399

these are craft with extraterrestrials

252

00:11:16,970 --> 00:11:15,600

and the government knows about it and

253

00:11:20,590 --> 00:11:16,980

deciding knowledge I mean he was writing

254

00:11:23,750 --> 00:11:20,600

this back in 1946 so prior to

255

00:11:25,910 --> 00:11:23,760

1947 but what like

256

00:11:28,009 --> 00:11:25,920

what it what is it I I asked this a

257

00:11:30,590 --> 00:11:28,019

minute ago what what was it about that

258

00:11:32,810 --> 00:11:30,600

year or was it even the Kenneth Arnold

259

00:11:34,790 --> 00:11:32,820

citing that kind of re-categorized this

260

00:11:35,810 --> 00:11:34,800

like what do you think

261

00:11:38,030 --> 00:11:35,820

um

262

00:11:39,530 --> 00:11:38,040

well wait can I can I I just want to

263

00:11:42,829 --> 00:11:39,540

sidecar on something you brought up

264

00:11:46,670 --> 00:11:42,839

about this idea of the emergence in the

265

00:11:47,990 --> 00:11:46,680

medieval period of this like like

266

00:11:50,930 --> 00:11:48,000

um

267

00:11:52,970 --> 00:11:50,940

other world or other reality right this

268

00:11:54,769 --> 00:11:52,980

is very much so like when we look at uh

269

00:11:56,509 --> 00:11:54,779

it's sort of and I'm just gonna go a

270

00:11:58,490 --> 00:11:56,519

little bit off the cuff here but it sort

271

00:12:00,230 --> 00:11:58,500

of reminds me about discussions of low

272

00:12:02,210 --> 00:12:00,240

versus high christology right when you

273

00:12:04,370 --> 00:12:02,220

read the really early

274

00:12:06,470 --> 00:12:04,380

um gospels about Christ they're very

275

00:12:08,150 --> 00:12:06,480

like nuts and bolts there's nothing but

276
00:12:10,009 --> 00:12:08,160
a physical or woo-woo about them they're

277
00:12:11,569 --> 00:12:10,019
just like dude got now to a cross died

278
00:12:13,009 --> 00:12:11,579
after three days

279
00:12:14,690 --> 00:12:13,019
um that was kind of it when you read

280
00:12:16,130 --> 00:12:14,700
like some of the later gospels that's

281
00:12:18,170 --> 00:12:16,140
when you start seeing a lot more of this

282
00:12:20,269 --> 00:12:18,180
sort of metaphysical or mysterious or

283
00:12:22,190 --> 00:12:20,279
numinous quality associated with the

284
00:12:23,569 --> 00:12:22,200
death and resurrection of Christ and

285
00:12:25,310 --> 00:12:23,579
also the sort of symbolism that's

286
00:12:27,470 --> 00:12:25,320
associated with this right this is when

287
00:12:28,430 --> 00:12:27,480
like the story of like the dove comes

288
00:12:29,090 --> 00:12:28,440

out

289

00:12:34,250 --> 00:12:29,100

um

290

00:12:36,290 --> 00:12:34,260

particularly

291

00:12:37,610 --> 00:12:36,300

um the medieval Christian experience was

292

00:12:39,829 --> 00:12:37,620

imbued with a lot of these sort of

293

00:12:42,829 --> 00:12:39,839

mystical preoccupations

294

00:12:45,889 --> 00:12:42,839

um and then also uh you see this show up

295

00:12:47,629 --> 00:12:45,899

in a lot of uh like medieval art and in

296

00:12:49,610 --> 00:12:47,639

the Roman Catholic Church which was sort

297

00:12:52,610 --> 00:12:49,620

of the overarching

298

00:12:54,110 --> 00:12:52,620

um uh body

299

00:12:57,769 --> 00:12:54,120

um working

300

00:12:59,329 --> 00:12:57,779

um on defining uh Christianity

301
00:13:01,370 --> 00:12:59,339
um and we see you know we see there's

302
00:13:03,190 --> 00:13:01,380
all these different um artifacts that

303
00:13:06,430 --> 00:13:03,200
are supposedly imbued with this sort of

304
00:13:08,810 --> 00:13:06,440
metaphysical or uh

305
00:13:11,150 --> 00:13:08,820
divine power just by virtue of being

306
00:13:13,069 --> 00:13:11,160
around Christ and this I think

307
00:13:14,990 --> 00:13:13,079
um both from a theological perspective

308
00:13:16,490 --> 00:13:15,000
an Institutional perspective like within

309
00:13:19,250 --> 00:13:16,500
the realm of the Catholic Church itself

310
00:13:20,990 --> 00:13:19,260
but then also um for the followers of

311
00:13:22,850 --> 00:13:21,000
the church the laity

312
00:13:24,410 --> 00:13:22,860
um this idea of like you know the Spear

313
00:13:26,509 --> 00:13:24,420

of Destiny quote unquote the spirit that

314

00:13:28,310 --> 00:13:26,519

was used to pierce Christ's side the

315

00:13:30,290 --> 00:13:28,320

Shroud of Turin

316

00:13:32,389 --> 00:13:30,300

um the the different relics either

317

00:13:34,850 --> 00:13:32,399

Christ relics like pieces of the Cross

318

00:13:37,430 --> 00:13:34,860

or Saints relics you know like bones and

319

00:13:38,569 --> 00:13:37,440

hearts and [h__h] like that like this very

320

00:13:41,090 --> 00:13:38,579

much introduced into popular

321

00:13:42,889 --> 00:13:41,100

Consciousness this idea that there is

322

00:13:44,389 --> 00:13:42,899

this sort of other world that even if we

323

00:13:46,310 --> 00:13:44,399

can't physically engage with it and

324

00:13:48,170 --> 00:13:46,320

interact with it what we can do is we

325

00:13:49,430 --> 00:13:48,180

can use this sort of divine artifacts

326

00:13:52,430 --> 00:13:49,440

again through the Catholic Church

327

00:13:54,110 --> 00:13:52,440

obviously like indigenous and Witchcraft

328

00:13:56,750 --> 00:13:54,120

and stuff are also doing this kind of

329

00:13:58,550 --> 00:13:56,760

thing much more surreptitiously but you

330

00:14:01,970 --> 00:13:58,560

can use these artifacts as basically

331

00:14:04,430 --> 00:14:01,980

prisms or gateways into encountering or

332

00:14:06,590 --> 00:14:04,440

understanding or peering into the Divine

333

00:14:08,389 --> 00:14:06,600

or the sort of alternate reality that

334

00:14:09,230 --> 00:14:08,399

exists and I feel like when we think

335

00:14:11,449 --> 00:14:09,240

about

336

00:14:13,370 --> 00:14:11,459

um what sort of primed the Western

337

00:14:15,650 --> 00:14:13,380

modern mind for this kind of thinking

338

00:14:17,389 --> 00:14:15,660

like we have the medieval period And I

339

00:14:18,769 --> 00:14:17,399

mean even we have like Wagner and

340

00:14:20,569 --> 00:14:18,779

parsifal in the ring and stuff like

341

00:14:22,370 --> 00:14:20,579

parsifal is all about this stuff and

342

00:14:23,870 --> 00:14:22,380

that was like one of the main you know

343

00:14:25,910 --> 00:14:23,880

one of the main cultural icons at the

344

00:14:27,530 --> 00:14:25,920

end of the 19th century bringing these

345

00:14:30,230 --> 00:14:27,540

ideas into common kind of Consciousness

346

00:14:32,030 --> 00:14:30,240

along with like romantic nationalism and

347

00:14:34,009 --> 00:14:32,040

things like that but anyway that's

348

00:14:36,410 --> 00:14:34,019

that's what I was thinking of when we

349

00:14:39,650 --> 00:14:36,420

think about how sort of the the common

350

00:14:41,569 --> 00:14:39,660

mind becomes primed to accept and engage

351
00:14:43,490 --> 00:14:41,579
with these ideas of non-physical reality

352
00:14:46,370 --> 00:14:43,500
being around us

353
00:14:47,870 --> 00:14:46,380
um and occasionally also affecting our

354
00:14:49,970 --> 00:14:47,880
physical realities right this is why

355
00:14:51,829 --> 00:14:49,980
people pray to relics or pray for

356
00:14:55,790 --> 00:14:51,839
intercession of the Saints to do things

357
00:14:58,370 --> 00:14:55,800
in our physical reality on our behalves

358
00:15:01,189 --> 00:14:58,380
and I think it's worth noting too like

359
00:15:05,509 --> 00:15:01,199
the idea of The Ether that the ethereum

360
00:15:08,150 --> 00:15:05,519
it's the like uh the domain of light of

361
00:15:10,490 --> 00:15:08,160
goodness from the biblical belief system

362
00:15:14,090 --> 00:15:10,500
and uh these beings from the ethereum

363
00:15:16,009 --> 00:15:14,100

are luminous beings uh light is good

364

00:15:19,129 --> 00:15:16,019

they are pure goodness they're pure

365

00:15:20,509 --> 00:15:19,139

light people uh were committing to these

366

00:15:22,569 --> 00:15:20,519

things because they were seeing things

367

00:15:26,569 --> 00:15:22,579

that they couldn't understand or explain

368

00:15:29,509 --> 00:15:26,579

uh seeing meteors coming down um That's

369

00:15:31,910 --> 00:15:29,519

a classic example you see a group of

370

00:15:34,730 --> 00:15:31,920

meteors a slow falling because they're

371

00:15:36,769 --> 00:15:34,740

coming out at a steep angle you wouldn't

372

00:15:38,750 --> 00:15:36,779

know what that was uh they would look

373

00:15:40,370 --> 00:15:38,760

potentially like beings you know if if

374

00:15:41,870 --> 00:15:40,380

you've been told that there are angels

375

00:15:44,449 --> 00:15:41,880

and they're from the ethereum they're

376

00:15:45,949 --> 00:15:44,459

pure luminosity and perhaps that's the

377

00:15:47,810 --> 00:15:45,959

origin of that description right so

378

00:15:49,970 --> 00:15:47,820

these things emerge and then you want a

379

00:15:53,170 --> 00:15:49,980

description of it and uh you know then

380

00:15:56,030 --> 00:15:53,180

you appeal to your

381

00:15:58,490 --> 00:15:56,040

standards of uh reference from your

382

00:16:01,610 --> 00:15:58,500

community right uh so so there is

383

00:16:04,730 --> 00:16:01,620

sometimes a foundation to these uh these

384

00:16:07,129 --> 00:16:04,740

things as well maybe maybe the criteria

385

00:16:09,470 --> 00:16:07,139

that qualifies ufology moving forward

386

00:16:11,689 --> 00:16:09,480

from fortiennas because

387

00:16:13,370 --> 00:16:11,699

unlike other things that you can that

388

00:16:16,490 --> 00:16:13,380

you don't have a good look at you can go

389

00:16:18,170 --> 00:16:16,500

up and examine but UFO sightings are by

390

00:16:21,710 --> 00:16:18,180

definition Out Of Reach and fleeting

391

00:16:23,870 --> 00:16:21,720

kind of so it perpetuates the mystery uh

392

00:16:26,090 --> 00:16:23,880

moving like to quickly answer the

393

00:16:28,069 --> 00:16:26,100

question I put out to you about 1947 I

394

00:16:29,269 --> 00:16:28,079

think it's all in The Branding I think

395

00:16:31,389 --> 00:16:29,279

the um

396

00:16:34,129 --> 00:16:31,399

the mistaking

397

00:16:35,949 --> 00:16:34,139

press report calling them flying saucers

398

00:16:38,870 --> 00:16:35,959

is really what kind of

399

00:16:41,689 --> 00:16:38,880

beta uh it's a meme yeah it's a meme

400

00:16:44,749 --> 00:16:41,699

it's a meme it was a it was it's like a

401
00:16:48,170 --> 00:16:44,759
jingle or a brand to put it all under

402
00:16:50,030 --> 00:16:48,180
and I think that that is why 1947 is an

403
00:16:52,970 --> 00:16:50,040
important date and kind of what spawned

404
00:16:55,009 --> 00:16:52,980
what we do now to Circle back but what

405
00:16:57,470 --> 00:16:55,019
were you saying Campbell yes

406
00:17:01,310 --> 00:16:57,480
uh just about uh the there are

407
00:17:04,429 --> 00:17:01,320
observations that produce uh these

408
00:17:05,990 --> 00:17:04,439
stories and just another form of

409
00:17:07,850 --> 00:17:06,000
observation from the Middle Ages would

410
00:17:09,350 --> 00:17:07,860
be something that Jacques valet who is

411
00:17:10,730 --> 00:17:09,360
you know a famous ufologist actually

412
00:17:13,270 --> 00:17:10,740
references in one of his most famous

413
00:17:17,210 --> 00:17:13,280

book titles uh passport to Magonia

414

00:17:18,890 --> 00:17:17,220

begonias the other realm where the fairy

415

00:17:20,449 --> 00:17:18,900

folk take you when you pass out or

416

00:17:22,429 --> 00:17:20,459

whatever it is

417

00:17:25,429 --> 00:17:22,439

um and then it's also this idea of the

418

00:17:27,470 --> 00:17:25,439

castles in the sky and that sounds like

419

00:17:29,390 --> 00:17:27,480

an absurd concept that a cast will be in

420

00:17:32,090 --> 00:17:29,400

the sky but we've played the videos of

421

00:17:35,510 --> 00:17:32,100

uh the natural uh atmospheric effect

422

00:17:37,549 --> 00:17:35,520

fata Morgana it's uh

423

00:17:41,390 --> 00:17:37,559

an atmospheric effect that causes light

424

00:17:43,130 --> 00:17:41,400

waves to uh move at a trajectory that

425

00:17:45,289 --> 00:17:43,140

brings them across the Horizon and then

426
00:17:48,049 --> 00:17:45,299
it makes distant objects appear to be

427
00:17:49,669 --> 00:17:48,059
floating and you can produce very

428
00:17:51,409 --> 00:17:49,679
interesting effects that way the image

429
00:17:53,690 --> 00:17:51,419
sometimes gets stacked up in a column

430
00:17:55,850 --> 00:17:53,700
and it can look like a castle in the sky

431
00:17:57,529 --> 00:17:55,860
and so there's a there's a middle ground

432
00:17:58,669 --> 00:17:57,539
there where people are seeing these very

433
00:18:00,350 --> 00:17:58,679
strange things that they can't explain

434
00:18:01,789 --> 00:18:00,360
but then there's folklore about what

435
00:18:03,230 --> 00:18:01,799
they actually you know think that they

436
00:18:05,090 --> 00:18:03,240
are and then there's a consensus that's

437
00:18:06,650 --> 00:18:05,100
built from you know the origin of people

438
00:18:07,850 --> 00:18:06,660

actually seeing something very unusual

439

00:18:09,230 --> 00:18:07,860

and then the larger group of people

440

00:18:10,610 --> 00:18:09,240

believing them who they have close

441

00:18:12,590 --> 00:18:10,620

personal relationships and expands

442

00:18:14,150 --> 00:18:12,600

expands and then there comes a certain

443

00:18:16,789 --> 00:18:14,160

point when you actually have the

444

00:18:19,549 --> 00:18:16,799

capacity through a variety of mechanisms

445

00:18:21,669 --> 00:18:19,559

to investigate and verify what exactly

446

00:18:24,289 --> 00:18:21,679

that is that's occurring

447

00:18:28,130 --> 00:18:24,299

and that's sort of a transformational

448

00:18:30,890 --> 00:18:28,140

thing in the case of 47 nick uh is there

449

00:18:32,450 --> 00:18:30,900

is there a particular pivot other than

450

00:18:34,510 --> 00:18:32,460

just Kenneth Arnold that you're thinking

451

00:18:36,890 --> 00:18:34,520

of specifically that makes it so

452

00:18:38,390 --> 00:18:36,900

defining as a year

453

00:18:40,909 --> 00:18:38,400

well

454

00:18:43,610 --> 00:18:40,919

um what was it it was June 24th

455

00:18:46,669 --> 00:18:43,620

um he saw nine objects that he described

456

00:18:49,190 --> 00:18:46,679

as uh skipping like saucers I believe he

457

00:18:51,529 --> 00:18:49,200

sits there around in front with a

458

00:18:54,590 --> 00:18:51,539

convex triangle on the back they were

459

00:18:58,190 --> 00:18:54,600

not circular they were not discs um

460

00:19:00,350 --> 00:18:58,200

but he was a uh

461

00:19:02,529 --> 00:19:00,360

what everyone would even still call a

462

00:19:06,169 --> 00:19:02,539

reliable witness you know he's a

463

00:19:08,270 --> 00:19:06,179

upstanding citizen I think he is uh I

464

00:19:09,770 --> 00:19:08,280

think he was former military was he I I

465

00:19:11,810 --> 00:19:09,780

couldn't tell you

466

00:19:14,390 --> 00:19:11,820

um bro I

467

00:19:16,490 --> 00:19:14,400

it's hard to say it maybe it was just

468

00:19:18,470 --> 00:19:16,500

that right time

469

00:19:20,870 --> 00:19:18,480

um maybe it's one of the maybe it was a

470

00:19:22,250 --> 00:19:20,880

summer fad the fake callback uh summer

471

00:19:25,669 --> 00:19:22,260

silliness

472

00:19:28,610 --> 00:19:25,679

but immediately after that you had

473

00:19:30,470 --> 00:19:28,620

an enormous wave of people seeing discs

474

00:19:32,630 --> 00:19:30,480

not only disks but spinning discs

475

00:19:34,669 --> 00:19:32,640

usually which is kind of you would

476
00:19:36,169 --> 00:19:34,679
naturally kind of come to the conclusion

477
00:19:39,049 --> 00:19:36,179
that they would just because they are

478
00:19:41,029 --> 00:19:39,059
around but uh

479
00:19:43,310 --> 00:19:41,039
I don't know it's interesting one of one

480
00:19:45,650 --> 00:19:43,320
of the the I think it was within a week

481
00:19:47,450 --> 00:19:45,660
there was a case uh the Maury island

482
00:19:48,890 --> 00:19:47,460
case which turned out to be a hoax I

483
00:19:51,049 --> 00:19:48,900
believe that he got himself involved

484
00:19:53,390 --> 00:19:51,059
with and uh I think one of the people

485
00:19:55,190 --> 00:19:53,400
involved in that case was also um

486
00:19:56,870 --> 00:19:55,200
contributing to America uh Amazing

487
00:19:58,970 --> 00:19:56,880
Stories

488
00:20:01,190 --> 00:19:58,980

I think he claimed to have fought the

489

00:20:03,169 --> 00:20:01,200

Darrow in a cave the Darrow come from

490

00:20:05,750 --> 00:20:03,179

the shaver Mysteries which were oh yeah

491

00:20:07,850 --> 00:20:05,760

the uh Palmer just kind of rewriting

492

00:20:13,070 --> 00:20:07,860

schizophrenic letters

493

00:20:19,430 --> 00:20:16,210

I think that um

494

00:20:20,750 --> 00:20:19,440

1947 there was that was the year the uh

495

00:20:23,450 --> 00:20:20,760

Chuck Yeager broke the sound barrier

496

00:20:25,990 --> 00:20:23,460

right yep it was it was this is also

497

00:20:28,070 --> 00:20:26,000

when Roswell happened you know although

498

00:20:30,230 --> 00:20:28,080

but like Roswell didn't really enter

499

00:20:31,970 --> 00:20:30,240

sort of the cultural Zeitgeist in a

500

00:20:33,710 --> 00:20:31,980

meaningful sense into the 80s right yeah

501

00:20:35,570 --> 00:20:33,720

there's this great book on it like the

502

00:20:37,250 --> 00:20:35,580

myth of Roswell or something it's not

503

00:20:38,750 --> 00:20:37,260

about denigrating the contents of the

504

00:20:41,690 --> 00:20:38,760

Roswell narrative but rather to talk

505

00:20:43,430 --> 00:20:41,700

about how it emerged as an American myth

506

00:20:45,230 --> 00:20:43,440

or kind of shared cultural Touchstone

507

00:20:48,230 --> 00:20:45,240

didn't really happen until the mid to

508

00:20:50,090 --> 00:20:48,240

late 80s yeah it was just one of many

509

00:20:51,950 --> 00:20:50,100

um newspaper reports that's the media

510

00:20:53,930 --> 00:20:51,960

really carried this story around and I

511

00:20:55,669 --> 00:20:53,940

think that that is kind of what took off

512

00:20:57,409 --> 00:20:55,679

because like I mentioned the the year

513

00:20:59,090 --> 00:20:57,419

before I think in Scandinavia he had

514

00:21:01,490 --> 00:20:59,100

there was a wave of ghost rocket

515

00:21:04,070 --> 00:21:01,500

sightings

516

00:21:05,690 --> 00:21:04,080

they they're not necessarily considered

517

00:21:08,029 --> 00:21:05,700

the same thing

518

00:21:10,730 --> 00:21:08,039

so I I don't know I think I think it was

519

00:21:12,409 --> 00:21:10,740

that Snappy name really yeah it's a meme

520

00:21:14,210 --> 00:21:12,419

it's catchy right it's like a Burma

521

00:21:14,930 --> 00:21:14,220

shave billboard or something people love

522

00:21:16,310 --> 00:21:14,940

it

523

00:21:17,990 --> 00:21:16,320

um and I mean this is also look this is

524

00:21:20,810 --> 00:21:18,000

the height the other thing going on here

525

00:21:22,850 --> 00:21:20,820

too we're gonna sort of uh look at the

526
00:21:24,230 --> 00:21:22,860
broader kind of landscape this is also a

527
00:21:25,789 --> 00:21:24,240
time it's right after World War II

528
00:21:27,770 --> 00:21:25,799
people are this is sort of the golden

529
00:21:29,270 --> 00:21:27,780
age of technology in the Golden Age of

530
00:21:30,950 --> 00:21:29,280
Science Fiction this is back when things

531
00:21:33,049 --> 00:21:30,960
were still optimistic right we're not

532
00:21:34,789 --> 00:21:33,059
all living in this William Gibson

533
00:21:37,730 --> 00:21:34,799
hallscape we're living in this like

534
00:21:40,909 --> 00:21:37,740
happy Fritz you know

535
00:21:43,490 --> 00:21:40,919
um like Fritz lever pleasure Dome of

536
00:21:44,930 --> 00:21:43,500
like being saved by technology yeah the

537
00:21:46,909 --> 00:21:44,940
dystopia Is Yet To Come yeah the

538
00:21:48,770 --> 00:21:46,919

dystopia is yet to come

539

00:21:51,830 --> 00:21:48,780

um and there's also this I think this

540

00:21:54,049 --> 00:21:51,840

also uh proclivity to see technology as

541

00:21:55,909 --> 00:21:54,059

a benevolent force that intervened on

542

00:21:58,310 --> 00:21:55,919

behalf of saving Humanity right like

543

00:22:01,010 --> 00:21:58,320

this is sort of the raw raw American

544

00:22:03,409 --> 00:22:01,020

view after World War II

545

00:22:05,330 --> 00:22:03,419

um I think people had been accustomed to

546

00:22:08,990 --> 00:22:05,340

technological Marvels at this point and

547

00:22:11,270 --> 00:22:09,000

yeah nothing that the UFOs did then or I

548

00:22:13,610 --> 00:22:11,280

think do now are necessarily outside of

549

00:22:16,010 --> 00:22:13,620

like the imagination of our near future

550

00:22:19,010 --> 00:22:16,020

right you know what I mean like at the

551
00:22:21,649 --> 00:22:19,020
time what were the you know the

552
00:22:23,210 --> 00:22:21,659
properties of the UFO beside it being a

553
00:22:26,029 --> 00:22:23,220
saucer was that it would they would move

554
00:22:27,890 --> 00:22:26,039
extremely quickly I don't even think the

555
00:22:30,110 --> 00:22:27,900
um the odd Maneuvers were necessarily

556
00:22:34,370 --> 00:22:30,120
common yet just that they would take off

557
00:22:36,409 --> 00:22:34,380
essentially like a a jet airplane well

558
00:22:38,270 --> 00:22:36,419
I was just gonna jump in and say too

559
00:22:40,070 --> 00:22:38,280
Jacques valet and Forbidden Science that

560
00:22:42,049 --> 00:22:40,080
first volume he talks about his sighting

561
00:22:43,730 --> 00:22:42,059
and he literally he sees a literal

562
00:22:46,970 --> 00:22:43,740
Flying Saucer that's what he talks about

563
00:22:49,070 --> 00:22:46,980

it's not an orb it's not Arc cigar or

564

00:22:51,470 --> 00:22:49,080

Rod it is a flying saucer and he

565

00:22:55,549 --> 00:22:51,480

observes it and this is like early 1950s

566

00:22:57,950 --> 00:22:55,559

so is it it would be kind of uh kind of

567

00:23:00,950 --> 00:22:57,960

a leap or at least a large coincidence

568

00:23:03,830 --> 00:23:00,960

that um extraterrestrials start visiting

569

00:23:05,690 --> 00:23:03,840

us you know the day after

570

00:23:07,370 --> 00:23:05,700

um Kenneth Arnold has his sighting and

571

00:23:09,169 --> 00:23:07,380

what are you talking about they've been

572

00:23:11,029 --> 00:23:09,179

here for thousands of years

573

00:23:14,710 --> 00:23:11,039

sure

574

00:23:17,570 --> 00:23:14,720

right always kind of mirroring this

575

00:23:20,330 --> 00:23:17,580

yeah right

576

00:23:22,430 --> 00:23:20,340

it's a good point about the timing uh

577

00:23:25,130 --> 00:23:22,440

involved there was so much paranoia

578

00:23:28,549 --> 00:23:25,140

after World War II people were familiar

579

00:23:30,470 --> 00:23:28,559

with the fact that the German uh

580

00:23:32,570 --> 00:23:30,480

military and such had developed

581

00:23:35,029 --> 00:23:32,580

extremely Advanced Weaponry in the form

582

00:23:47,770 --> 00:23:35,039

of the Rockets the v1s and especially

583

00:23:51,770 --> 00:23:50,210

yeah that's that's basically it you've

584

00:23:55,549 --> 00:23:51,780

been saying on the nice part of the UFO

585

00:23:58,190 --> 00:23:55,559

internet yeah yeah that's a benefit and

586

00:24:00,470 --> 00:23:58,200

curse of me sort of jumping in from the

587

00:24:03,890 --> 00:24:00,480

science side don't have this Rich

588

00:24:06,049 --> 00:24:03,900

history of the Nazi conspiracies because

589

00:24:09,890 --> 00:24:06,059

we failed anti-Semitism permeating

590

00:24:12,350 --> 00:24:09,900

everything yes yes but yeah so like the

591

00:24:16,029 --> 00:24:12,360

V2 and it was kind of a novel thing like

592

00:24:18,950 --> 00:24:16,039

the V2 it went so fast that it was

593

00:24:20,810 --> 00:24:18,960

silent until there was a sudden

594

00:24:23,810 --> 00:24:20,820

explosion in front of you that was

595

00:24:25,430 --> 00:24:23,820

extremely doubt had never been occurred

596

00:24:28,310 --> 00:24:25,440

historically and people were completely

597

00:24:30,169 --> 00:24:28,320

blown away by just that on its own that

598

00:24:32,090 --> 00:24:30,179

it's moving so fast or the technology

599

00:24:34,250 --> 00:24:32,100

can produce something like that and then

600

00:24:36,710 --> 00:24:34,260

we had the situation where the Soviets

601
00:24:38,270 --> 00:24:36,720
came in on the East the you know Allied

602
00:24:40,010 --> 00:24:38,280
Powers came in on the west and then we

603
00:24:41,570 --> 00:24:40,020
were snatching up all these scientists

604
00:24:43,990 --> 00:24:41,580
especially in the Rock like we've got a

605
00:24:47,210 --> 00:24:44,000
bunch of the rocketry scientists

606
00:24:48,590 --> 00:24:47,220
and the American government we know from

607
00:24:51,289 --> 00:24:48,600
Declassified documents they were

608
00:24:54,110 --> 00:24:51,299
extremely worried the about the idea

609
00:24:56,450 --> 00:24:54,120
that the Soviets had gotten enough

610
00:24:59,149 --> 00:24:56,460
scientists out of there that they now

611
00:25:02,930 --> 00:24:59,159
had a technological Advance advantage in

612
00:25:05,149 --> 00:25:02,940
rocketry and so when you see Sweden uh

613
00:25:09,289 --> 00:25:05,159

over Sweden the idea of these uh ghost

614

00:25:11,450 --> 00:25:09,299

Rockets the next year in 46 he prevalent

615

00:25:13,610 --> 00:25:11,460

the thought was naturally just like we

616

00:25:15,730 --> 00:25:13,620

saw last year was it with the drones

617

00:25:18,409 --> 00:25:15,740

over the nuclear power plants in Sweden

618

00:25:20,029 --> 00:25:18,419

instantaneously it's our old enemy

619

00:25:21,830 --> 00:25:20,039

Russia you know the Swedish and Russian

620

00:25:23,570 --> 00:25:21,840

Empires were enemies for dead in

621

00:25:25,070 --> 00:25:23,580

centuries and now they you know they

622

00:25:27,590 --> 00:25:25,080

still are very tense

623

00:25:29,210 --> 00:25:27,600

so you know you got this long history if

624

00:25:30,710 --> 00:25:29,220

you're speculating about the Soviets

625

00:25:32,570 --> 00:25:30,720

sort of being responsible for things

626
00:25:34,370 --> 00:25:32,580
that are more advanced than we've ever

627
00:25:36,230 --> 00:25:34,380
seen and when you look at the

628
00:25:38,029 --> 00:25:36,240
Declassified documents from the United

629
00:25:41,210 --> 00:25:38,039
States uh that's that that's what you

630
00:25:44,289 --> 00:25:41,220
see you see them trying to Define what

631
00:25:47,450 --> 00:25:44,299
it is that people are the core residual

632
00:25:49,430 --> 00:25:47,460
that trusted people are seeing and

633
00:25:52,190 --> 00:25:49,440
they're trying to ascertain

634
00:25:54,529 --> 00:25:52,200
there are these things coming from the

635
00:25:56,690 --> 00:25:54,539
Soviet Union do they exist function

636
00:25:59,870 --> 00:25:56,700
fundamentally do they exist if they do

637
00:26:03,230 --> 00:25:59,880
are they still a good technology

638
00:26:04,850 --> 00:26:03,240

leads us into or at least a path towards

639

00:26:05,990 --> 00:26:04,860

talking about disclosure here and that's

640

00:26:07,669 --> 00:26:06,000

the government's involvement

641

00:26:09,010 --> 00:26:07,679

specifically the U.S government's

642

00:26:12,529 --> 00:26:09,020

involvement in

643

00:26:13,250 --> 00:26:12,539

uh a cover-up of this

644

00:26:15,649 --> 00:26:13,260

um

645

00:26:17,210 --> 00:26:15,659

now it's it seems to me now that there's

646

00:26:19,370 --> 00:26:17,220

a lot more government involvement in the

647

00:26:21,529 --> 00:26:19,380

UFO narrative especially lately or you

648

00:26:22,549 --> 00:26:21,539

know the past few years

649

00:26:24,409 --> 00:26:22,559

um

650

00:26:26,690 --> 00:26:24,419

but that that story seems to have kind

651
00:26:29,450 --> 00:26:26,700
of changed hasn't it right like like all

652
00:26:30,950 --> 00:26:29,460
these um all these Secret Pentagon

653
00:26:32,330 --> 00:26:30,960
departments and stuff like that have no

654
00:26:33,890 --> 00:26:32,340
idea what UFOs are and they're still

655
00:26:35,570 --> 00:26:33,900
researching them right

656
00:26:38,529 --> 00:26:35,580
so what what is it that's being

657
00:26:43,549 --> 00:26:41,330
what is being disclosed well very what

658
00:26:45,289 --> 00:26:43,559
like hypothetically ideally what are

659
00:26:48,409 --> 00:26:45,299
what are they disclosing is it the

660
00:26:50,510 --> 00:26:48,419
alleged crash retrieval programs but if

661
00:26:53,090 --> 00:26:50,520
these crash retrieval programs exist why

662
00:26:56,510 --> 00:26:53,100
did something like Leah's muted why did

663
00:27:00,049 --> 00:26:56,520

something like atip exist after the fact

664

00:27:02,269 --> 00:27:00,059

or not atip but ASAP or any of or uh

665

00:27:04,370 --> 00:27:02,279

Arrow now why do we have Arrow now

666

00:27:08,269 --> 00:27:04,380

that's investigating these UFO sightings

667

00:27:11,210 --> 00:27:08,279

when we also in tandem have crashed

668

00:27:13,850 --> 00:27:11,220

what ships crashed ships yeah well

669

00:27:15,950 --> 00:27:13,860

that's interesting I mean that's it gets

670

00:27:18,529 --> 00:27:15,960

all wrapped up together and there are so

671

00:27:20,930 --> 00:27:18,539

many conflicting elements I think it's

672

00:27:23,090 --> 00:27:20,940

important for or at least valuable for

673

00:27:24,950 --> 00:27:23,100

us to Define roughly what disclosure

674

00:27:28,490 --> 00:27:24,960

means for anybody who's not familiar

675

00:27:30,950 --> 00:27:28,500

with the concept disclosure in the UFO

676
00:27:32,870 --> 00:27:30,960
Community is a it's almost like a

677
00:27:34,430 --> 00:27:32,880
judgment day of Kinds but like uh

678
00:27:37,190 --> 00:27:34,440
perceived in a positive way but it's

679
00:27:39,769 --> 00:27:37,200
seen as this sort of inevitable thing in

680
00:27:42,470 --> 00:27:39,779
some of the portion of the community a

681
00:27:43,990 --> 00:27:42,480
day when the government steps forward

682
00:27:47,390 --> 00:27:44,000
and

683
00:27:51,049 --> 00:27:47,400
admits or you know verifies that it's

684
00:27:52,789 --> 00:27:51,059
all been true the abductions the crash

685
00:27:55,549 --> 00:27:52,799
retrievals the secret technology

686
00:27:58,010 --> 00:27:55,559
programs based on UFOs that uh the

687
00:28:00,529 --> 00:27:58,020
aliens are here depending on the exact

688
00:28:01,850 --> 00:28:00,539

narrative you know the beliefs about uh

689

00:28:04,549 --> 00:28:01,860

the presidents of the United States

690

00:28:07,510 --> 00:28:04,559

conspiring with alien races so over

691

00:28:11,930 --> 00:28:07,520

decades so this disclosure day is

692

00:28:13,909 --> 00:28:11,940

verification of The Suite of beliefs

693

00:28:25,930 --> 00:28:13,919

that the particular individual holds

694

00:28:32,750 --> 00:28:29,690

yeah sure I mean I suppose so

695

00:28:35,810 --> 00:28:32,760

can you hear me now exactly yes um oh my

696

00:28:38,510 --> 00:28:35,820

God yes finally so yeah what what has

697

00:28:40,850 --> 00:28:38,520

come from this you know hidden knowledge

698

00:28:43,490 --> 00:28:40,860

that the government's had of either ET

699

00:28:44,510 --> 00:28:43,500

visitation or even crash retrievals do

700

00:28:45,409 --> 00:28:44,520

we have

701

00:28:47,510 --> 00:28:45,419

um

702

00:28:49,070 --> 00:28:47,520

like technology to show for it I've seen

703

00:28:52,730 --> 00:28:49,080

people kind of

704

00:28:55,390 --> 00:28:52,740

um posit that uh fiber optic technology

705

00:28:56,930 --> 00:28:55,400

came from that which

706

00:28:58,549 --> 00:28:56,940

thing

707

00:29:00,769 --> 00:28:58,559

yeah full of course those day after

708

00:29:02,180 --> 00:29:00,779

Roswell contended that that like I think

709

00:29:04,190 --> 00:29:02,190

Wi-Fi

710

00:29:07,730 --> 00:29:04,200

[Music]

711

00:29:09,769 --> 00:29:07,740

um computers like chips yeah

712

00:29:12,230 --> 00:29:09,779

so like I

713

00:29:15,289 --> 00:29:12,240

we're using drones I mean we essentially

714

00:29:16,730 --> 00:29:15,299

understand how drones work what was the

715

00:29:18,529 --> 00:29:16,740

benefit of this knowledge that they've

716

00:29:20,389 --> 00:29:18,539

kept secrets so long that they have yet

717

00:29:22,669 --> 00:29:20,399

to disclose like

718

00:29:24,230 --> 00:29:22,679

are we using in wars and not seeing it

719

00:29:27,710 --> 00:29:24,240

are we are we flying over there in

720

00:29:28,789 --> 00:29:27,720

sports models like what what is this

721

00:29:30,669 --> 00:29:28,799

what is this knowledge that they're

722

00:29:33,409 --> 00:29:30,679

hiding it's simple

723

00:29:35,330 --> 00:29:33,419

it may not be explicit technological

724

00:29:37,370 --> 00:29:35,340

knowledge or information it may be a

725

00:29:39,529 --> 00:29:37,380

broader sort of acknowledgment that

726
00:29:42,529 --> 00:29:39,539
we're not the top man on the totem pole

727
00:29:46,909 --> 00:29:42,539
right and that this is sort of viewed as

728
00:29:49,850 --> 00:29:46,919
an admission or an admission of weakness

729
00:29:51,049 --> 00:29:49,860
that leaves us profoundly exposed to

730
00:29:51,769 --> 00:29:51,059
harm

731
00:29:54,649 --> 00:29:51,779
um

732
00:29:56,990 --> 00:29:54,659
or destruction right that that's sort of

733
00:29:59,870 --> 00:29:57,000
the the reason for not disclosing things

734
00:30:02,330 --> 00:29:59,880
it's not about wartime technology it's

735
00:30:03,649 --> 00:30:02,340
about sort of the broader

736
00:30:07,250 --> 00:30:03,659
um

737
00:30:09,409 --> 00:30:07,260
shift in how we understand our place uh

738
00:30:12,289 --> 00:30:09,419

not just on Earth but literally in the

739

00:30:14,090 --> 00:30:12,299

universe I mean

740

00:30:16,490 --> 00:30:14,100

you remember the pandemic right I mean

741

00:30:20,750 --> 00:30:16,500

like what was the general population I

742

00:30:22,789 --> 00:30:20,760

mean the pandemic exactly exactly so

743

00:30:26,389 --> 00:30:22,799

when I hear a lot of people this is

744

00:30:27,649 --> 00:30:26,399

never gonna share our videos now yeah I

745

00:30:29,269 --> 00:30:27,659

see a lot of people saying the reason

746

00:30:31,549 --> 00:30:29,279

that disclosure has not happened is

747

00:30:32,930 --> 00:30:31,559

because they see the the public would

748

00:30:34,669 --> 00:30:32,940

not be ready for it and there'd be Mass

749

00:30:37,669 --> 00:30:34,679

hysteria and stuff like that but I mean

750

00:30:40,789 --> 00:30:37,679

like that's what the population is even

751

00:30:43,190 --> 00:30:40,799

a virus yeah the Brookings

752

00:30:45,169 --> 00:30:43,200

had that whole report in like the 60s

753

00:30:46,669 --> 00:30:45,179

and 70s about this stuff about basically

754

00:30:47,990 --> 00:30:46,679

saying that even if the government knew

755

00:30:49,850 --> 00:30:48,000

this stuff it should never be disclosed

756

00:30:51,049 --> 00:30:49,860

because of what it would cause from a

757

00:30:52,310 --> 00:30:51,059

social and cultural disruption

758

00:30:54,230 --> 00:30:52,320

perspective

759

00:30:56,269 --> 00:30:54,240

um but yeah Nick I'm with you man like

760

00:30:59,990 --> 00:30:56,279

we don't even have consensus reality

761

00:31:03,169 --> 00:31:00,000

about like you know actually

762

00:31:04,850 --> 00:31:03,179

[h__h] yes exactly we are all living in

763

00:31:07,490 --> 00:31:04,860

like highly fractured realities right

764

00:31:10,330 --> 00:31:07,500

now we're living in a post-truth era

765

00:31:17,149 --> 00:31:13,389

this is very upsetting so

766

00:31:19,730 --> 00:31:17,159

I usually ask like what what compelled

767

00:31:22,190 --> 00:31:19,740

us to consider the eth or the nhi

768

00:31:25,430 --> 00:31:22,200

hypothesis in the first place but what

769

00:31:26,810 --> 00:31:25,440

what evidence is there to you even hint

770

00:31:29,330 --> 00:31:26,820

or suggest that the government is

771

00:31:32,269 --> 00:31:29,340

withholding knowledge

772

00:31:35,870 --> 00:31:32,279

well I would say the evidence that the

773

00:31:37,909 --> 00:31:35,880

government is withholding knowledge is I

774

00:31:39,409 --> 00:31:37,919

mean it's simply a fact of history that

775

00:31:40,970 --> 00:31:39,419

the government withholds knowledge so

776
00:31:43,070 --> 00:31:40,980
once again we're sort of stepping into

777
00:31:44,510 --> 00:31:43,080
this territory of like Are UFOs real

778
00:31:46,789 --> 00:31:44,520
well of course anything that's

779
00:31:48,289 --> 00:31:46,799
unidentified in this kind of UFO is the

780
00:31:51,289 --> 00:31:48,299
government withholding things yeah all

781
00:31:53,510 --> 00:31:51,299
the time certainly on the subject of UFO

782
00:31:56,810 --> 00:31:53,520
specifically we actually have a huge

783
00:31:59,450 --> 00:31:56,820
body a large body of a long-standing

784
00:32:01,909 --> 00:31:59,460
verified not confrontational or

785
00:32:03,830 --> 00:32:01,919
challenging evidence that the

786
00:32:06,769 --> 00:32:03,840
government's done a ton of uh secret

787
00:32:08,090 --> 00:32:06,779
work on the study of UFOs to try to take

788
00:32:09,830 --> 00:32:08,100

it seriously and figure out what's going

789

00:32:11,210 --> 00:32:09,840

on and we actually have those reports

790

00:32:13,130 --> 00:32:11,220

and we have the conclusions of those

791

00:32:15,830 --> 00:32:13,140

reports and we have the memos that led

792

00:32:18,289 --> 00:32:15,840

to the production of those reports and

793

00:32:20,510 --> 00:32:18,299

though I mean the narrative that emerges

794

00:32:22,850 --> 00:32:20,520

is pretty coherent it's pretty much

795

00:32:26,029 --> 00:32:22,860

exactly what you would think a

796

00:32:27,049 --> 00:32:26,039

government would do under conditions

797

00:32:29,990 --> 00:32:27,059

where they're trying to behave

798

00:32:34,549 --> 00:32:30,000

responsibly it's exactly what occurred

799

00:32:38,090 --> 00:32:34,559

in the early 50s and onward and you know

800

00:32:40,130 --> 00:32:38,100

is it a conspiracy I mean they're like

801

00:32:41,990 --> 00:32:40,140

there are conspiracies okay so we

802

00:32:45,110 --> 00:32:42,000

mentioned briefly uh maybe it was last

803

00:32:49,370 --> 00:32:45,120

week that or I did anyway that the

804

00:32:52,430 --> 00:32:49,380

American government had sound listening

805

00:32:54,649 --> 00:32:52,440

devices in the Pacific Ocean for decades

806

00:32:56,389 --> 00:32:54,659

through the Cold War and through those

807

00:32:58,430 --> 00:32:56,399

listening devices they were top secret

808

00:33:00,649 --> 00:32:58,440

they were able to pinpoint the exact

809

00:33:01,610 --> 00:33:00,659

location of the entire Soviet nuclear

810

00:33:04,490 --> 00:33:01,620

Fleet

811

00:33:06,889 --> 00:33:04,500

they kept that secret for decades it's

812

00:33:10,070 --> 00:33:06,899

dude we've had drones for like 60 years

813

00:33:12,529 --> 00:33:10,080

yeah but so but speaking so just that

814

00:33:15,409 --> 00:33:12,539

there are these programs with huge

815

00:33:17,630 --> 00:33:15,419

numbers of scientists backing it up uh

816

00:33:19,370 --> 00:33:17,640

totally secrets and uh you know we find

817

00:33:22,310 --> 00:33:19,380

out about it later when the

818

00:33:24,529 --> 00:33:22,320

effectiveness of the system wears off or

819

00:33:27,889 --> 00:33:24,539

a variety of things so there's a long

820

00:33:30,049 --> 00:33:27,899

history of governments uh doing things

821

00:33:33,230 --> 00:33:30,059

in the National Security interests and

822

00:33:34,750 --> 00:33:33,240

the idea you gotta take them to account

823

00:33:37,789 --> 00:33:34,760

you got to make sure that they aren't

824

00:33:40,190 --> 00:33:37,799

abusing that power but there's a long

825

00:33:42,649 --> 00:33:40,200

history of them look doing this kind of

826
00:33:44,750 --> 00:33:42,659
stuff in secret because it's necessary

827
00:33:46,850 --> 00:33:44,760
in the interest of National Security to

828
00:33:48,710 --> 00:33:46,860
do it that way but given that can we

829
00:33:50,210 --> 00:33:48,720
reasonably suspect them of any

830
00:33:52,370 --> 00:33:50,220
conspiracy then

831
00:33:54,110 --> 00:33:52,380
or should there still be you know

832
00:33:55,549 --> 00:33:54,120
something that kind of indicates one way

833
00:33:57,250 --> 00:33:55,559
or the other that led us to that

834
00:34:00,409 --> 00:33:57,260
conclusion

835
00:34:02,810 --> 00:34:00,419
it's also there's also this also

836
00:34:04,490 --> 00:34:02,820
presupposes this notion that the active

837
00:34:06,830 --> 00:34:04,500
disclosure is solely within the hands of

838
00:34:09,829 --> 00:34:06,840

the government and not in the hands of

839

00:34:12,409 --> 00:34:09,839

other other cultural or religious or

840

00:34:14,690 --> 00:34:12,419

academic or private institutions right

841

00:34:16,010 --> 00:34:14,700

like we're all we're all walking around

842

00:34:17,990 --> 00:34:16,020

like oh it's the government's job to

843

00:34:19,609 --> 00:34:18,000

tell us this but the reality is huge

844

00:34:21,230 --> 00:34:19,619

huge amounts

845

00:34:22,849 --> 00:34:21,240

um particularly for our future in

846

00:34:24,230 --> 00:34:22,859

bleeding edge technology has developed

847

00:34:26,210 --> 00:34:24,240

well aside the government's purview

848

00:34:28,190 --> 00:34:26,220

right the government's the one with like

849

00:34:30,829 --> 00:34:28,200

the bottomless pockets for this kind of

850

00:34:32,270 --> 00:34:30,839

stuff and Skunk Works projects but a ton

851
00:34:34,609 --> 00:34:32,280
of this stuff is happening with private

852
00:34:36,889 --> 00:34:34,619
contractors it's happening you know at

853
00:34:38,329 --> 00:34:36,899
Boeing at Lockheed

854
00:34:43,909 --> 00:34:38,339
um

855
00:34:45,649 --> 00:34:43,919
presupposition that this exists within

856
00:34:47,210 --> 00:34:45,659
the hands of the government

857
00:34:48,530 --> 00:34:47,220
um I in a lot of ways I'm much more

858
00:34:50,089 --> 00:34:48,540
inclined to believe this exists in the

859
00:34:51,530 --> 00:34:50,099
hands of the Catholic Church quite

860
00:34:52,849 --> 00:34:51,540
frankly in the government because

861
00:34:54,470 --> 00:34:52,859
there's an organized Collective

862
00:34:56,690 --> 00:34:54,480
institution with an extraordinary

863
00:34:58,370 --> 00:34:56,700

intellectual history

864

00:35:01,609 --> 00:34:58,380

um and extraordinary archives and

865

00:35:03,710 --> 00:35:01,619

resources and money and education uh and

866

00:35:05,030 --> 00:35:03,720

everybody internally being in very

867

00:35:07,010 --> 00:35:05,040

deliberate lockstep with one another

868

00:35:08,930 --> 00:35:07,020

like that seems to me much more

869

00:35:11,450 --> 00:35:08,940

compelling than like a 300 year old

870

00:35:13,910 --> 00:35:11,460

country with a lot of guns and no

871

00:35:15,349 --> 00:35:13,920

socialized Healthcare right like I I

872

00:35:17,329 --> 00:35:15,359

think it's way more compelling to say

873

00:35:19,490 --> 00:35:17,339

this kind of stuff prob may exist in the

874

00:35:21,349 --> 00:35:19,500

hands of the church

875

00:35:23,390 --> 00:35:21,359

um I'm not saying I agree with that but

876

00:35:25,190 --> 00:35:23,400

I am saying that just from the

877

00:35:27,410 --> 00:35:25,200

perspective of this discussion like I'm

878

00:35:28,730 --> 00:35:27,420

not sure I'd even assign this purely to

879

00:35:31,190 --> 00:35:28,740

the government

880

00:35:34,490 --> 00:35:31,200

right I mean that makes sense to me it

881

00:35:37,609 --> 00:35:34,500

depends on yeah what the origin of

882

00:35:39,829 --> 00:35:37,619

disclosure will be what does it look

883

00:35:43,250 --> 00:35:39,839

like for there to be disclosure is it

884

00:35:45,290 --> 00:35:43,260

people just presenting uh with personal

885

00:35:47,150 --> 00:35:45,300

accounts of what they've seen and done

886

00:35:49,550 --> 00:35:47,160

because we've had that enough times dude

887

00:35:52,430 --> 00:35:49,560

well how how extensive does the evidence

888

00:35:54,589 --> 00:35:52,440

actually have to be by what institutions

889

00:35:56,150 --> 00:35:54,599

both governmental private Etc like

890

00:35:58,430 --> 00:35:56,160

before there's actually common

891

00:36:00,829 --> 00:35:58,440

acceptance of this idea right like we

892

00:36:02,810 --> 00:36:00,839

saw with kovid dude like germ Theory

893

00:36:04,790 --> 00:36:02,820

isn't even accepted by huge portions of

894

00:36:06,950 --> 00:36:04,800

the population plus the sort of

895

00:36:08,569 --> 00:36:06,960

anti-intellectual anti-leadist event

896

00:36:10,250 --> 00:36:08,579

that's like super common especially in

897

00:36:13,250 --> 00:36:10,260

America Campbell

898

00:36:14,990 --> 00:36:13,260

um this notion that like there is any

899

00:36:17,030 --> 00:36:15,000

institution or Collective of

900

00:36:19,190 --> 00:36:17,040

Institutions that could provide any kind

901
00:36:21,530 --> 00:36:19,200
of evidence of any caliber that would

902
00:36:24,410 --> 00:36:21,540
largely convince the human population to

903
00:36:25,970 --> 00:36:24,420
me is like that ship has sailed it just

904
00:36:27,290 --> 00:36:25,980
seems impossible to me at this point I

905
00:36:28,550 --> 00:36:27,300
think we live in such a fractured

906
00:36:31,010 --> 00:36:28,560
reality

907
00:36:33,109 --> 00:36:31,020
um is that there's basically no

908
00:36:34,849 --> 00:36:33,119
narrative that could be presented even

909
00:36:36,710 --> 00:36:34,859
with extremely compelling evidence that

910
00:36:40,150 --> 00:36:36,720
would be understood and believed by even

911
00:36:42,770 --> 00:36:40,160
a majority of the population

912
00:36:44,990 --> 00:36:42,780
sorry I just want to say the UFO subject

913
00:36:47,030 --> 00:36:45,000

is weird in the sense that it's like

914

00:36:48,890 --> 00:36:47,040

maybe one of the only conspiracy

915

00:36:51,470 --> 00:36:48,900

cultures I could think of where the like

916

00:36:55,870 --> 00:36:51,480

the main goal is to like get the

917

00:36:58,190 --> 00:36:55,880

government to validate the views yeah

918

00:36:59,930 --> 00:36:58,200

do you think that that at least in part

919

00:37:01,370 --> 00:36:59,940

comes from that that idea that I talk

920

00:37:03,349 --> 00:37:01,380

about where

921

00:37:05,870 --> 00:37:03,359

um you know in our society we're

922

00:37:07,849 --> 00:37:05,880

accustomed to kind of uh instant instant

923

00:37:10,609 --> 00:37:07,859

gratification and not only that but uh

924

00:37:13,069 --> 00:37:10,619

always seeking an authority and I think

925

00:37:14,329 --> 00:37:13,079

the UFO space kind of has a lack of a

926
00:37:16,550 --> 00:37:14,339
true Authority because there's nothing

927
00:37:18,950 --> 00:37:16,560
yeah we need a daddy to hold our hands

928
00:37:20,569 --> 00:37:18,960
right so not only do we put some of

929
00:37:23,510 --> 00:37:20,579
these figures up on pedestals these

930
00:37:25,190 --> 00:37:23,520
media figures but we also kind of insist

931
00:37:27,530 --> 00:37:25,200
that the government is the authority and

932
00:37:29,450 --> 00:37:27,540
we demand the answer from them I wonder

933
00:37:31,310 --> 00:37:29,460
if that's kind of like the push that's

934
00:37:33,470 --> 00:37:31,320
pushed disclosure around since at least

935
00:37:34,550 --> 00:37:33,480
the 50s like Kehoe and stuff whining

936
00:37:37,069 --> 00:37:34,560
about it

937
00:37:39,710 --> 00:37:37,079
and it's always been kind of imminent

938
00:37:42,650 --> 00:37:39,720

and on that Horizon for 70 plus years

939

00:37:45,410 --> 00:37:42,660

and yes you really don't know anything

940

00:37:47,569 --> 00:37:45,420

else how much does this entire Arc

941

00:37:49,849 --> 00:37:47,579

mirror

942

00:37:51,770 --> 00:37:49,859

um the sort of archetypes associated

943

00:37:53,930 --> 00:37:51,780

with like the Redemption Arc of Christ

944

00:37:56,510 --> 00:37:53,940

right like there is something coming

945

00:37:58,550 --> 00:37:56,520

that is going to redeem us that is going

946

00:38:00,349 --> 00:37:58,560

to explain everything that is literally

947

00:38:01,670 --> 00:38:00,359

going to save us from ourselves right

948

00:38:03,650 --> 00:38:01,680

you see some of these narratives around

949

00:38:04,970 --> 00:38:03,660

like oh they would intervene if there

950

00:38:07,190 --> 00:38:04,980

was a nuclear attack or that would

951

00:38:09,050 --> 00:38:07,200

intervene uh yes we should definitely

952

00:38:11,270 --> 00:38:09,060

get drunk by a campfire sometime I'm a

953

00:38:13,430 --> 00:38:11,280

lot of fun in those circumstances

954

00:38:14,870 --> 00:38:13,440

um we should do we should do an ins ce5

955

00:38:15,670 --> 00:38:14,880

Excursion

956

00:38:18,170 --> 00:38:15,680

um

957

00:38:21,829 --> 00:38:18,180

I lost my train of thought this is what

958

00:38:24,410 --> 00:38:21,839

happens yes people commenting on stuff

959

00:38:30,829 --> 00:38:28,250

yeah UFOs goddamn whatever yeah whatever

960

00:38:32,870 --> 00:38:30,839

well yeah disclosure disclosure is

961

00:38:34,430 --> 00:38:32,880

redemption Arc right this idea that like

962

00:38:36,170 --> 00:38:34,440

this is something that's coming to

963

00:38:37,670 --> 00:38:36,180

basically shoehorn us out of the

964

00:38:39,050 --> 00:38:37,680

absolutely miserable situation we've

965

00:38:42,230 --> 00:38:39,060

managed to put ourselves in the rest of

966

00:38:43,609 --> 00:38:42,240

humanity in yeah um and uh again Nick

967

00:38:45,829 --> 00:38:43,619

this is what you're talking about right

968

00:38:48,170 --> 00:38:45,839

this idea of the UFO daddy that swoops

969

00:38:49,490 --> 00:38:48,180

in you know is the key Authority and

970

00:38:51,530 --> 00:38:49,500

takes care of us and that's it but

971

00:38:53,569 --> 00:38:51,540

that's dude that's such a Christian idea

972

00:38:55,190 --> 00:38:53,579

I say this is a Jew right like that's

973

00:38:57,290 --> 00:38:55,200

such a Christian idea of like having

974

00:39:00,170 --> 00:38:57,300

this Redemptive figure come in and fix

975

00:39:01,609 --> 00:39:00,180

stuff for you instead of being like nope

976
00:39:03,290 --> 00:39:01,619
it is this world and we have to deal

977
00:39:07,069 --> 00:39:03,300
with it right here

978
00:39:08,750 --> 00:39:07,079
you know yeah the history of the subject

979
00:39:11,450 --> 00:39:08,760
as it's treated by the government

980
00:39:14,150 --> 00:39:11,460
certainly contradicts The Core Essence

981
00:39:18,470 --> 00:39:14,160
of the disclosure narrative we have for

982
00:39:22,790 --> 00:39:18,480
example Roswell the you know crash there

983
00:39:25,609 --> 00:39:22,800
is probably the the central unifying

984
00:39:29,329 --> 00:39:25,619
moment in a lot of the modern UFO

985
00:39:31,849 --> 00:39:29,339
cultural uh psychology and the

986
00:39:33,230 --> 00:39:31,859
government was pretty open about that in

987
00:39:35,569 --> 00:39:33,240
the 90s when they actually finally did

988
00:39:38,150 --> 00:39:35,579

an investigation into it right the

989

00:39:39,710 --> 00:39:38,160

Congress and stuff the that came out and

990

00:39:41,750 --> 00:39:39,720

was like oh yeah this is part of this uh

991

00:39:43,069 --> 00:39:41,760

top secret project it's not a weather

992

00:39:46,670 --> 00:39:43,079

balloon because we're tracking weather

993

00:39:48,170 --> 00:39:46,680

it's a much larger kind of balloon uh

994

00:39:49,970 --> 00:39:48,180

with a lot of like radar reflectors and

995

00:39:52,370 --> 00:39:49,980

all this stuff and they got down to the

996

00:39:54,109 --> 00:39:52,380

point where the little icons that people

997

00:39:56,109 --> 00:39:54,119

were drawing from remembering seeing it

998

00:39:58,970 --> 00:39:56,119

on the pieces of

999

00:40:01,310 --> 00:39:58,980

materials from the i-beams it's traced

1000

00:40:03,890 --> 00:40:01,320

back to the the type of tape that was

1001
00:40:05,690 --> 00:40:03,900
used by the scientist who uh put it

1002
00:40:07,970 --> 00:40:05,700
together physically

1003
00:40:12,170 --> 00:40:07,980
um you know a very compelling

1004
00:40:14,390 --> 00:40:12,180
um and that's not accepted at all by the

1005
00:40:17,150 --> 00:40:14,400
majority of this community that is

1006
00:40:19,329 --> 00:40:17,160
looking for disclosure to happen and so

1007
00:40:21,710 --> 00:40:19,339
like there are these very deep

1008
00:40:23,930 --> 00:40:21,720
contradictions where when you get

1009
00:40:27,410 --> 00:40:23,940
something that could be said to be a

1010
00:40:29,930 --> 00:40:27,420
kind of disclosure I.E yeah like

1011
00:40:31,490 --> 00:40:29,940
originally like the base did say it was

1012
00:40:33,470 --> 00:40:31,500
a flying saucer that crashed like

1013
00:40:35,870 --> 00:40:33,480

looking back on it it looks like maybe

1014

00:40:37,910 --> 00:40:35,880

the Intel officer and the commander

1015

00:40:40,370 --> 00:40:37,920

panic because they realized they had

1016

00:40:43,010 --> 00:40:40,380

like a really top secret thing on their

1017

00:40:45,349 --> 00:40:43,020

hands like I don't but it's it's like we

1018

00:40:48,470 --> 00:40:45,359

it sort of flips it around and

1019

00:40:50,990 --> 00:40:48,480

what do we do with that where if if

1020

00:40:53,210 --> 00:40:51,000

disclosure day comes and then you just

1021

00:40:56,050 --> 00:40:53,220

have a panel where people come out and

1022

00:40:57,950 --> 00:40:56,060

sort of say things of

1023

00:41:00,589 --> 00:40:57,960

validating certain beliefs maybe

1024

00:41:02,030 --> 00:41:00,599

rejecting others it's not going to end

1025

00:41:04,010 --> 00:41:02,040

with anything and then there's just

1026
00:41:05,870 --> 00:41:04,020
going to be an endless push forward

1027
00:41:08,390 --> 00:41:05,880
isn't there

1028
00:41:10,670 --> 00:41:08,400
I've noticed that like another cryo kind

1029
00:41:12,290 --> 00:41:10,680
of Tandem with disclosure is for science

1030
00:41:14,150 --> 00:41:12,300
to

1031
00:41:16,190 --> 00:41:14,160
either take this seriously or

1032
00:41:18,530 --> 00:41:16,200
investigate it and I want to know

1033
00:41:20,390 --> 00:41:18,540
uh if either of you have any

1034
00:41:23,450 --> 00:41:20,400
um suggestions on how that would happen

1035
00:41:25,550 --> 00:41:23,460
because I kind of see the entirety of

1036
00:41:28,970 --> 00:41:25,560
the UFO field as

1037
00:41:30,349 --> 00:41:28,980
you know witness testimony solely right

1038
00:41:34,910 --> 00:41:30,359

we don't have any

1039

00:41:35,810 --> 00:41:34,920

UFO residue or pieces really we don't

1040

00:41:39,050 --> 00:41:35,820

have

1041

00:41:41,270 --> 00:41:39,060

um flying sausages yeah any kind of uh

1042

00:41:44,630 --> 00:41:41,280

physical evidence to this so

1043

00:41:46,490 --> 00:41:44,640

so give this problem the 70-year problem

1044

00:41:49,069 --> 00:41:46,500

that we've kind of created not that

1045

00:41:50,630 --> 00:41:49,079

there's strict criteria for what these

1046

00:41:52,790 --> 00:41:50,640

UFOs are but like

1047

00:41:54,109 --> 00:41:52,800

you you have a scientist who's willing

1048

00:41:56,510 --> 00:41:54,119

to look at this what is what does this

1049

00:41:57,950 --> 00:41:56,520

person do what does the scientist do

1050

00:41:59,690 --> 00:41:57,960

right and also how do we bring in

1051
00:42:01,130 --> 00:41:59,700
scientists and academics that are like

1052
00:42:03,530 --> 00:42:01,140
totally [h__h] sorry totally

1053
00:42:07,670 --> 00:42:03,540
brainwormed with like

1054
00:42:09,770 --> 00:42:07,680
that's impossible right yeah can I say

1055
00:42:13,550 --> 00:42:09,780
this like I say this as the resident

1056
00:42:14,329 --> 00:42:13,560
like wootard basically like new person

1057
00:42:16,190 --> 00:42:14,339
um

1058
00:42:18,410 --> 00:42:16,200
but like how do we bring in people that

1059
00:42:22,550 --> 00:42:18,420
that like aren't but also on the other

1060
00:42:25,190 --> 00:42:22,560
side aren't so catastrophically

1061
00:42:28,010 --> 00:42:25,200
um welded to

1062
00:42:31,130 --> 00:42:28,020
other particular outcomes that they're

1063
00:42:32,510 --> 00:42:31,140

able to evaluate I mean I Thinking Out

1064

00:42:35,930 --> 00:42:32,520

Loud here I think the real way to do

1065

00:42:37,550 --> 00:42:35,940

this is rather than uh is basically not

1066

00:42:39,290 --> 00:42:37,560

just

1067

00:42:41,210 --> 00:42:39,300

um is through an interdisciplinary

1068

00:42:43,490 --> 00:42:41,220

approach but also through like a

1069

00:42:46,069 --> 00:42:43,500

cross-functional exploration right like

1070

00:42:49,190 --> 00:42:46,079

you have multiple disciplines and

1071

00:42:50,470 --> 00:42:49,200

thinkers in different fields represented

1072

00:42:52,670 --> 00:42:50,480

um

1073

00:42:54,829 --> 00:42:52,680

right like what does it actually mean to

1074

00:42:58,270 --> 00:42:54,839

do this right is it Anthropologist is it

1075

00:43:01,730 --> 00:42:58,280

folklorists is it uh

1076
00:43:04,550 --> 00:43:01,740
who is it from my perspective but but

1077
00:43:05,809 --> 00:43:04,560
like from the perspective of a a truth

1078
00:43:07,010 --> 00:43:05,819
Seeker or you have a Believer or an

1079
00:43:08,089 --> 00:43:07,020
experience or whatever you want to be

1080
00:43:11,450 --> 00:43:08,099
called

1081
00:43:14,030 --> 00:43:11,460
what what is it the the anyone sees

1082
00:43:15,650 --> 00:43:14,040
science doing like does anyone in the

1083
00:43:18,109 --> 00:43:15,660
chat have an idea either like what are

1084
00:43:19,970 --> 00:43:18,119
we doing we're really looking for

1085
00:43:22,069 --> 00:43:19,980
patterns and witness reports right

1086
00:43:23,630 --> 00:43:22,079
because like dude if you asked me like I

1087
00:43:26,150 --> 00:43:23,640
would say the process of like taking

1088
00:43:27,770 --> 00:43:26,160

pictures of the atmosphere is like a

1089

00:43:29,630 --> 00:43:27,780

Fool's errand we already know that

1090

00:43:31,609 --> 00:43:29,640

there's unusual and strange atmospheric

1091

00:43:33,730 --> 00:43:31,619

phenomena we know that there's plasma we

1092

00:43:36,710 --> 00:43:33,740

know that there's Steve

1093

00:43:38,569 --> 00:43:36,720

you know that these things exist

1094

00:43:40,609 --> 00:43:38,579

um that that stuff is completely

1095

00:43:41,690 --> 00:43:40,619

uninteresting and un compelling to me at

1096

00:43:44,450 --> 00:43:41,700

this point because we've already

1097

00:43:47,210 --> 00:43:44,460

established that even if we can't

1098

00:43:49,990 --> 00:43:47,220

prove the existence of this phenomena to

1099

00:43:51,950 --> 00:43:50,000

the standards of Western Scientific

1100

00:43:54,050 --> 00:43:51,960

empiricism right like we didn't know

1101
00:43:55,790 --> 00:43:54,060
about ball no about ball lightning until

1102
00:43:59,329 --> 00:43:55,800
like 10 years ago

1103
00:44:00,650 --> 00:43:59,339
um like to me it requires

1104
00:44:02,870 --> 00:44:00,660
um

1105
00:44:04,130 --> 00:44:02,880
at the end to me the really cool stuff

1106
00:44:06,050 --> 00:44:04,140
would be if you could get the like

1107
00:44:07,430 --> 00:44:06,060
Raymond booties of the world taking this

1108
00:44:09,050 --> 00:44:07,440
kind of stuff seriously like the guys

1109
00:44:12,349 --> 00:44:09,060
who are studying like near-death

1110
00:44:14,030 --> 00:44:12,359
experiences out of body experiences

1111
00:44:16,130 --> 00:44:14,040
um and Consciousness right like what

1112
00:44:18,410 --> 00:44:16,140
makes the mind or the brain behave and

1113
00:44:20,510 --> 00:44:18,420

act in certain ways under particular

1114

00:44:21,349 --> 00:44:20,520

circumstances

1115

00:44:23,089 --> 00:44:21,359

um

1116

00:44:26,329 --> 00:44:23,099

because I just don't find the like

1117

00:44:29,109 --> 00:44:26,339

material atmospheric physics stuff

1118

00:44:33,770 --> 00:44:32,270

like like there's already tons of

1119

00:44:36,050 --> 00:44:33,780

evidence of this stuff but like there's

1120

00:44:37,849 --> 00:44:36,060

nothing necessarily mysterious about it

1121

00:44:39,829 --> 00:44:37,859

we just we know it exists like the

1122

00:44:42,470 --> 00:44:39,839

hesterlin lights you know well what

1123

00:44:46,190 --> 00:44:42,480

what's what's a falsifiable hypothesis

1124

00:44:54,650 --> 00:44:48,950

don't do this to me man there's the null

1125

00:44:58,970 --> 00:44:56,870

so I mean and that would that would

1126
00:45:00,770 --> 00:44:58,980
essentially be saying like these are

1127
00:45:02,450 --> 00:45:00,780
explainable objects that we don't have

1128
00:45:04,309 --> 00:45:02,460
enough information on and you can look

1129
00:45:06,650 --> 00:45:04,319
into those in some circumstances you can

1130
00:45:10,010 --> 00:45:06,660
solve them that's considered debunking

1131
00:45:12,050 --> 00:45:10,020
but I think that that is the closest way

1132
00:45:14,990 --> 00:45:12,060
you can treat the UFO problem with

1133
00:45:18,290 --> 00:45:15,000
science is by using all hypothesis by

1134
00:45:21,109 --> 00:45:18,300
conventional science yes right yeah so

1135
00:45:23,210 --> 00:45:21,119
it again I I see it more of the demand

1136
00:45:25,370 --> 00:45:23,220
for science is more of just a demand for

1137
00:45:28,250 --> 00:45:25,380
another type of authority to say yes

1138
00:45:31,130 --> 00:45:28,260

you're right that's an alien I confirm

1139

00:45:33,230 --> 00:45:31,140

this right more than actually like

1140

00:45:36,589 --> 00:45:33,240

looking at it scientifically in my

1141

00:45:38,990 --> 00:45:36,599

opinion right well the uh the study

1142

00:45:41,089 --> 00:45:39,000

within the government anyway we can look

1143

00:45:43,010 --> 00:45:41,099

at how how they approached it that it's

1144

00:45:45,890 --> 00:45:43,020

worthwhile taking a look at that they

1145

00:45:47,450 --> 00:45:45,900

started collecting witness reports and

1146

00:45:52,130 --> 00:45:47,460

they started categorizing what people

1147

00:45:54,470 --> 00:45:52,140

were reporting and then in uh it was 51

1148

00:45:57,770 --> 00:45:54,480

if I recall correctly they actually put

1149

00:45:59,569 --> 00:45:57,780

a team of people out at Los Alamos with

1150

00:46:01,370 --> 00:45:59,579

a variety of instruments though they

1151
00:46:03,109 --> 00:46:01,380
didn't provide adequate budgeted funding

1152
00:46:06,890 --> 00:46:03,119
for all of the instruments that were

1153
00:46:09,290 --> 00:46:06,900
requested to stake out the nuclear lab

1154
00:46:10,970 --> 00:46:09,300
where they had scientists reporting

1155
00:46:13,130 --> 00:46:10,980
observations of

1156
00:46:15,790 --> 00:46:13,140
green fireballs and things of that

1157
00:46:19,250 --> 00:46:15,800
nature uh that were behaving strangely

1158
00:46:21,230 --> 00:46:19,260
and they did they report project twinkle

1159
00:46:23,270 --> 00:46:21,240
and what it said was it seems that

1160
00:46:25,250 --> 00:46:23,280
there's something being observed Dr

1161
00:46:27,890 --> 00:46:25,260
Kaplan is one of the nuclear physicists

1162
00:46:29,809 --> 00:46:27,900
believes that they're natural phenomena

1163
00:46:31,910 --> 00:46:29,819

um you know and then they say we're

1164

00:46:34,309 --> 00:46:31,920

taking a serious look at the idea of

1165

00:46:35,930 --> 00:46:34,319

fireballs which Encompass a wide variety

1166

00:46:37,849 --> 00:46:35,940

of atmospheric phenomena including

1167

00:46:39,050 --> 00:46:37,859

meteor coming in and ball lighting and

1168

00:46:41,450 --> 00:46:39,060

things like that they say we're taking

1169

00:46:43,130 --> 00:46:41,460

serious look at this stuff because we're

1170

00:46:46,430 --> 00:46:43,140

worried that the Russians are ahead of

1171

00:46:47,930 --> 00:46:46,440

us on it and so that's that's why

1172

00:46:49,849 --> 00:46:47,940

they're taking it seriously and they say

1173

00:46:51,770 --> 00:46:49,859

uh we haven't made a conclusive

1174

00:46:53,750 --> 00:46:51,780

determination what we have determined is

1175

00:46:55,609 --> 00:46:53,760

that the sightings when we're actually

1176
00:46:58,130 --> 00:46:55,619
staking it out are at a much reduced

1177
00:47:00,170 --> 00:46:58,140
rate than when the reports are just

1178
00:47:02,390 --> 00:47:00,180
coming in without people staking it out

1179
00:47:03,890 --> 00:47:02,400
and there seemed to be this sort of set

1180
00:47:06,890 --> 00:47:03,900
of features that people are consistent

1181
00:47:08,870 --> 00:47:06,900
with reporting but we can't verify that

1182
00:47:11,210 --> 00:47:08,880
that exists so so they went out there

1183
00:47:14,809 --> 00:47:11,220
with Optical instruments uh they were

1184
00:47:16,790 --> 00:47:14,819
trying to get a shot of the things so so

1185
00:47:18,109 --> 00:47:16,800
they started with that perspective in

1186
00:47:20,329 --> 00:47:18,119
mind

1187
00:47:22,490 --> 00:47:20,339
to like sit there and try to like get a

1188
00:47:24,290 --> 00:47:22,500

photo and and that's something that we

1189

00:47:26,569 --> 00:47:24,300

see continuing

1190

00:47:29,630 --> 00:47:26,579

um into the public sphere when we start

1191

00:47:32,270 --> 00:47:29,640

looking at the origins of Private

1192

00:47:33,710 --> 00:47:32,280

Investigations and the first one that

1193

00:47:36,230 --> 00:47:33,720

was long-standing was the project

1194

00:47:39,890 --> 00:47:36,240

identification uh started by Professor

1195

00:47:42,050 --> 00:47:39,900

Harley Rutledge out of University of uh

1196

00:47:43,609 --> 00:47:42,060

Southeast Missouri if I recall correctly

1197

00:47:46,970 --> 00:47:43,619

I believe it was a solid state physicist

1198

00:47:49,010 --> 00:47:46,980

he stacked out a UFO flap for a couple

1199

00:47:51,109 --> 00:47:49,020

of years wrote a book uh I believe it

1200

00:47:53,750 --> 00:47:51,119

was called project identification he

1201
00:47:55,849 --> 00:47:53,760
reported very similar objects to what

1202
00:47:58,370 --> 00:47:55,859
had been reported previously and then we

1203
00:48:00,470 --> 00:47:58,380
have hezdollen famously or infamously

1204
00:48:03,170 --> 00:48:00,480
Professor erling strand they ended up

1205
00:48:05,870 --> 00:48:03,180
doing long-term surveys there and the

1206
00:48:09,349 --> 00:48:05,880
descriptions were again similar

1207
00:48:10,790 --> 00:48:09,359
um so and then um at hezdalen we had a

1208
00:48:12,950 --> 00:48:10,800
we actually had him as what was the

1209
00:48:18,109 --> 00:48:12,960
first guest on our show uh because of me

1210
00:48:23,329 --> 00:48:20,930
asked him out I'm so glad you did all

1211
00:48:24,950 --> 00:48:23,339
right I said I got him on like four or

1212
00:48:27,190 --> 00:48:24,960
five shows like in one year there

1213
00:48:29,210 --> 00:48:27,200

because

1214

00:48:33,490 --> 00:48:29,220

out of the blank with them to you

1215

00:48:36,349 --> 00:48:33,500

recently uh a while ago yeah in UCR

1216

00:48:39,170 --> 00:48:36,359

is that on ucrb without Singularity lab

1217

00:48:41,030 --> 00:48:39,180

he was scheduled to be on UCR oh yeah

1218

00:48:42,950 --> 00:48:41,040

yeah so he's been he was around

1219

00:48:44,870 --> 00:48:42,960

um but uh anyway and he uh

1220

00:48:47,210 --> 00:48:44,880

astrophysicist he was there for a few

1221

00:48:48,530 --> 00:48:47,220

years in the early 2000s wrote a paper a

1222

00:48:50,089 --> 00:48:48,540

long-term scientific survey of the

1223

00:48:51,950 --> 00:48:50,099

hezdollen light phenomenon it was

1224

00:48:54,530 --> 00:48:51,960

published in the Journal of scientific

1225

00:48:57,230 --> 00:48:54,540

exploration which is not a it is

1226
00:48:59,630 --> 00:48:57,240
peer-reviewed but it produces a variety

1227
00:49:01,609 --> 00:48:59,640
it's not a good standard but it's not

1228
00:49:05,089 --> 00:49:01,619
the worst either it's not a natural

1229
00:49:07,670 --> 00:49:05,099
science yes it's not Natural Science

1230
00:49:08,690 --> 00:49:07,680
it's sort of like Paranormal phenomena

1231
00:49:10,550 --> 00:49:08,700
stuff

1232
00:49:12,770 --> 00:49:10,560
um you know but anyway his reports

1233
00:49:16,190 --> 00:49:12,780
describes very similar characteristics

1234
00:49:17,690 --> 00:49:16,200
but then he says uh you know the most uh

1235
00:49:19,550 --> 00:49:17,700
probable explanation for a number of

1236
00:49:21,650 --> 00:49:19,560
these observations is an electrochemical

1237
00:49:23,030 --> 00:49:21,660
model for ball lightning in any cites a

1238
00:49:24,950 --> 00:49:23,040

variety of the papers over the last

1239

00:49:28,190 --> 00:49:24,960

couple of years that demonstrate the

1240

00:49:30,470 --> 00:49:28,200

plausibility uh mechanistically of an

1241

00:49:32,630 --> 00:49:30,480

object like that occurring and then in

1242

00:49:35,329 --> 00:49:32,640

the decade and a half after that then we

1243

00:49:37,370 --> 00:49:35,339

had a wide variety of replicable

1244

00:49:39,230 --> 00:49:37,380

experiments showing uh plurality of

1245

00:49:41,870 --> 00:49:39,240

different ways of producing all

1246

00:49:43,430 --> 00:49:41,880

lightning phenomena in lab scenarios in

1247

00:49:45,230 --> 00:49:43,440

normal atmospheric conditions that would

1248

00:49:46,910 --> 00:49:45,240

exist in nature and then we have the

1249

00:49:48,050 --> 00:49:46,920

2014 optical and spectral

1250

00:49:50,030 --> 00:49:48,060

characteristics of all lightning

1251
00:49:52,030 --> 00:49:50,040
published in physical review letters

1252
00:49:57,010 --> 00:49:52,040
where they actually got

1253
00:50:00,230 --> 00:49:57,020
this in my ears man am I Whispering yeah

1254
00:50:03,230 --> 00:50:00,240
the optical ones

1255
00:50:04,790 --> 00:50:03,240
it all uh yeah so so there is this sort

1256
00:50:07,790 --> 00:50:04,800
of consistent theme where there's this

1257
00:50:10,790 --> 00:50:07,800
core uh observations

1258
00:50:14,030 --> 00:50:10,800
um it's reminding me of a few of the the

1259
00:50:18,530 --> 00:50:14,040
memos from the CIA relating to the

1260
00:50:22,069 --> 00:50:18,540
Washington uh 1952 uh DC flyover events

1261
00:50:23,329 --> 00:50:22,079
in July when they're uh a bunch of memos

1262
00:50:24,650 --> 00:50:23,339
and they talk about

1263
00:50:26,569 --> 00:50:24,660

um I've gotta actually maybe I'll just

1264

00:50:29,270 --> 00:50:26,579

share the screen and I can show you but

1265

00:50:31,670 --> 00:50:29,280

um it's like they describe what they're

1266

00:50:34,130 --> 00:50:31,680

looking for and it's similar to Dr jail

1267

00:50:36,950 --> 00:50:34,140

and heinek when he describes exactly

1268

00:50:40,790 --> 00:50:36,960

what he believes as the core residual of

1269

00:50:45,290 --> 00:50:40,800

cases with a common set of features

1270

00:50:47,569 --> 00:50:45,300

um let's see here share here we go so

1271

00:50:49,069 --> 00:50:47,579

this is uh yeah the memos computer UFO

1272

00:50:50,450 --> 00:50:49,079

Network out them

1273

00:50:51,829 --> 00:50:50,460

um and here we go let's see I just took

1274

00:50:55,370 --> 00:50:51,839

them out of there but you can go through

1275

00:50:57,650 --> 00:50:55,380

so let's see here grouped broadly as

1276
00:50:59,510 --> 00:50:57,660
visual radar confined visual radar two

1277
00:51:01,190 --> 00:50:59,520
major Clauses first spherical or

1278
00:51:04,549 --> 00:51:01,200
elliptical usually bright or metallic

1279
00:51:07,190 --> 00:51:04,559
luster some small estimated uh you know

1280
00:51:08,930 --> 00:51:07,200
most estimated 100 feet let's see here

1281
00:51:11,390 --> 00:51:08,940
there are variants such as Torpedoes

1282
00:51:13,849 --> 00:51:11,400
triangulars pencils even mattress shapes

1283
00:51:16,190 --> 00:51:13,859
they these are all daylight reportings

1284
00:51:18,950 --> 00:51:16,200
the second visual group all night

1285
00:51:21,109 --> 00:51:18,960
recording consists of lights and very of

1286
00:51:23,329 --> 00:51:21,119
and various luminosities such as green

1287
00:51:25,190 --> 00:51:23,339
flaming red or blue white Fireballs

1288
00:51:26,450 --> 00:51:25,200

moving points of light and luminous

1289

00:51:28,190 --> 00:51:26,460

streamers

1290

00:51:30,170 --> 00:51:28,200

and then it says no no debris or

1291

00:51:34,250 --> 00:51:30,180

material evidence has ever been recorded

1292

00:51:35,870 --> 00:51:34,260

so they are describing something they're

1293

00:51:37,549 --> 00:51:35,880

describing these lights

1294

00:51:40,190 --> 00:51:37,559

when we look at

1295

00:51:41,809 --> 00:51:40,200

you know modern reports we see something

1296

00:51:43,190 --> 00:51:41,819

very similar descriptions of these

1297

00:51:45,470 --> 00:51:43,200

lights

1298

00:51:47,270 --> 00:51:45,480

um when we go to other

1299

00:51:48,410 --> 00:51:47,280

memos and documents from inside the

1300

00:51:49,970 --> 00:51:48,420

government they're describing something

1301
00:51:51,849 --> 00:51:49,980
very similar

1302
00:51:54,290 --> 00:51:51,859
um and if I can just find Jay Dr

1303
00:51:55,910 --> 00:51:54,300
heinek's descriptions here we go yeah

1304
00:51:57,770 --> 00:51:55,920
his descriptions

1305
00:51:59,329 --> 00:51:57,780
the same classification and I don't

1306
00:52:00,650 --> 00:51:59,339
think this was in 72 when he published

1307
00:52:02,390 --> 00:52:00,660
this I'm pretty sure that these CA

1308
00:52:03,770 --> 00:52:02,400
members were not yet actually released I

1309
00:52:05,150 --> 00:52:03,780
believe it was in 79 they got released

1310
00:52:06,770 --> 00:52:05,160
so he actually created a classification

1311
00:52:07,970 --> 00:52:06,780
distinct from the secrets yeah that all

1312
00:52:09,470 --> 00:52:07,980
right is identical

1313
00:52:11,809 --> 00:52:09,480

so he goes nocturnal lights daylight

1314

00:52:14,329 --> 00:52:11,819

discs so then he describes uh

1315

00:52:16,910 --> 00:52:14,339

at night only the brightness color and

1316

00:52:18,589 --> 00:52:16,920

motion of a light are reported rarely is

1317

00:52:20,450 --> 00:52:18,599

the object noted to which the light is

1318

00:52:22,370 --> 00:52:20,460

presumably attached this is purely an

1319

00:52:24,710 --> 00:52:22,380

assumption the UFO may be nothing more

1320

00:52:26,930 --> 00:52:24,720

than the light and you know it just goes

1321

00:52:28,490 --> 00:52:26,940

on but it's like these objects it's like

1322

00:52:31,370 --> 00:52:28,500

it's not a flying software that you

1323

00:52:33,890 --> 00:52:31,380

think of it's a uniformly glowing light

1324

00:52:36,230 --> 00:52:33,900

of various colors that exhibits the

1325

00:52:38,270 --> 00:52:36,240

features that people say the you know

1326
00:52:40,069 --> 00:52:38,280
spaceships are doing

1327
00:52:41,990 --> 00:52:40,079
so you know so when we're looking at

1328
00:52:44,750 --> 00:52:42,000
disclosure what do we uh what do we do

1329
00:52:47,329 --> 00:52:44,760
with that right like that what was the

1330
00:52:49,849 --> 00:52:47,339
reaction to any of these reports from

1331
00:52:52,549 --> 00:52:49,859
the government about UFOs they weren't

1332
00:52:54,950 --> 00:52:52,559
trusted right yes it's only the one that

1333
00:52:56,750 --> 00:52:54,960
confirms uh your suspicions that you're

1334
00:52:58,430 --> 00:52:56,760
going to believe like you have to

1335
00:53:00,829 --> 00:52:58,440
reflect on that and

1336
00:53:04,150 --> 00:53:00,839
be kind of aware

1337
00:53:06,290 --> 00:53:04,160
yes absolutely and uh

1338
00:53:11,470 --> 00:53:06,300

did uh did either of you see that

1339

00:53:16,270 --> 00:53:14,210

what people actually think UFOs are or

1340

00:53:19,370 --> 00:53:16,280

like what percentage

1341

00:53:21,049 --> 00:53:19,380

it was yeah I said what what percentage

1342

00:53:24,170 --> 00:53:21,059

of reported cases do you think are

1343

00:53:25,970 --> 00:53:24,180

misidentifications or hoaxes I think I

1344

00:53:28,490 --> 00:53:25,980

and a lot of people think like hoaxes

1345

00:53:30,710 --> 00:53:28,500

are a very small percentage yes I agree

1346

00:53:32,150 --> 00:53:30,720

I mean like they get a lot of uh

1347

00:53:33,950 --> 00:53:32,160

publicity and stuff like they don't they

1348

00:53:38,210 --> 00:53:33,960

don't make very many reported cases so

1349

00:53:40,190 --> 00:53:38,220

like I I got about 400 replies which you

1350

00:53:42,049 --> 00:53:40,200

know isn't like a huge sample size but

1351

00:53:44,150 --> 00:53:42,059

we are talking about not a huge

1352

00:53:46,849 --> 00:53:44,160

community and the majority of the

1353

00:53:50,829 --> 00:53:46,859

answers were somewhere between 80 to

1354

00:53:53,150 --> 00:53:50,839

like 95 to 99 percent

1355

00:53:55,010 --> 00:53:53,160

meanwhile these and

1356

00:53:57,589 --> 00:53:55,020

these weren't just skeptic responses

1357

00:54:00,230 --> 00:53:57,599

I've got uh friends on all sides of this

1358

00:54:02,390 --> 00:54:00,240

and um they all kind of agree there's a

1359

00:54:04,150 --> 00:54:02,400

consensus between everyone like the

1360

00:54:06,589 --> 00:54:04,160

majority of these are

1361

00:54:08,450 --> 00:54:06,599

misinterpretations misidentifications

1362

00:54:10,910 --> 00:54:08,460

but I think there's some kind of

1363

00:54:12,230 --> 00:54:10,920

Disconnect When the UFO proponents are

1364

00:54:14,390 --> 00:54:12,240

saying this and I did follow up with

1365

00:54:17,930 --> 00:54:14,400

this how does that make you feel about

1366

00:54:20,089 --> 00:54:17,940

witness testimony since the majority if

1367

00:54:22,010 --> 00:54:20,099

you know the overwhelming majority of

1368

00:54:23,510 --> 00:54:22,020

the data in this field is witness

1369

00:54:26,510 --> 00:54:23,520

testimony

1370

00:54:29,870 --> 00:54:26,520

I and I mentioned this in regard to that

1371

00:54:32,630 --> 00:54:29,880

uh that hearing with um Kirkpatrick

1372

00:54:35,150 --> 00:54:32,640

where the majority of these reports

1373

00:54:37,430 --> 00:54:35,160

being reported by service members these

1374

00:54:39,950 --> 00:54:37,440

trained Witnesses are of misidentified

1375

00:54:42,530 --> 00:54:39,960

things it really illustrates how easy

1376
00:54:45,109 --> 00:54:42,540
this is to happen like people don't have

1377
00:54:46,970 --> 00:54:45,119
you know a good look at things in 2020

1378
00:54:48,829 --> 00:54:46,980
Vision constantly you know what I mean

1379
00:54:51,170 --> 00:54:48,839
like you you cannot get good looks at

1380
00:54:52,370 --> 00:54:51,180
things and your brain kind of fills it

1381
00:54:55,849 --> 00:54:52,380
in

1382
00:54:58,790 --> 00:54:55,859
if it's so simple how how can we

1383
00:55:01,250 --> 00:54:58,800
in one hand say that say you know 90 of

1384
00:55:03,349 --> 00:55:01,260
these are misidentifications but we

1385
00:55:04,790 --> 00:55:03,359
we need scientists to look at this data

1386
00:55:07,430 --> 00:55:04,800
but it's all witness testimony like

1387
00:55:09,109 --> 00:55:07,440
witness testimony only gives us

1388
00:55:10,910 --> 00:55:09,119

the witness's interpretation of the

1389

00:55:13,130 --> 00:55:10,920

event not the reality of it but it also

1390

00:55:15,230 --> 00:55:13,140

is subject to change over time to

1391

00:55:18,950 --> 00:55:15,240

exaggerate over time I've shown

1392

00:55:21,109 --> 00:55:18,960

privately you two an example of this

1393

00:55:23,030 --> 00:55:21,119

over the last 20 years a witness

1394

00:55:24,829 --> 00:55:23,040

testimony changing

1395

00:55:26,690 --> 00:55:24,839

it uh it was personal conversation with

1396

00:55:28,190 --> 00:55:26,700

a witness I don't want to show it on

1397

00:55:29,329 --> 00:55:28,200

here or anything but cable you recall

1398

00:55:32,089 --> 00:55:29,339

this right

1399

00:55:35,150 --> 00:55:32,099

had to do with uh the lights being seen

1400

00:55:37,250 --> 00:55:35,160

and how they were depicted later uh via

1401
00:55:39,290 --> 00:55:37,260
CGI if you recall I don't want to get

1402
00:55:41,270 --> 00:55:39,300
too far into that okay yeah you know you

1403
00:55:42,530 --> 00:55:41,280
know what I'm talking about yes yeah we

1404
00:55:43,130 --> 00:55:42,540
have we have

1405
00:55:45,950 --> 00:55:43,140
um

1406
00:55:48,049 --> 00:55:45,960
one of the most imperfect forms of data

1407
00:55:49,849 --> 00:55:48,059
that's you know not only subject to

1408
00:55:51,230 --> 00:55:49,859
interpretation but subject to change

1409
00:55:53,390 --> 00:55:51,240
over time

1410
00:55:55,309 --> 00:55:53,400
Witnesses yeah

1411
00:55:58,490 --> 00:55:55,319
um but that but that's all we have so

1412
00:56:00,349 --> 00:55:58,500
like how would science work with that

1413
00:56:01,849 --> 00:56:00,359

from this standpoint you give this to a

1414

00:56:04,069 --> 00:56:01,859

New Scientist like I was saying earlier

1415

00:56:06,290 --> 00:56:04,079

what are we doing here

1416

00:56:09,109 --> 00:56:06,300

what's what's the

1417

00:56:10,849 --> 00:56:09,119

what do you do with it and why does

1418

00:56:14,950 --> 00:56:10,859

this kind of circles back to the

1419

00:56:17,750 --> 00:56:14,960

beginning what is the purpose of ufology

1420

00:56:20,809 --> 00:56:17,760

why do we why do we do it because what I

1421

00:56:22,910 --> 00:56:20,819

see ufology as is less of a

1422

00:56:26,450 --> 00:56:22,920

less of a academic

1423

00:56:28,130 --> 00:56:26,460

thing or a science and more of a more of

1424

00:56:29,809 --> 00:56:28,140

a fandom honestly and I don't mean to be

1425

00:56:32,569 --> 00:56:29,819

insulting but it's

1426
00:56:35,150 --> 00:56:32,579
it's a community of content consumption

1427
00:56:37,309 --> 00:56:35,160
watching UFO documentaries reading the

1428
00:56:39,470 --> 00:56:37,319
books it's yeah all this content

1429
00:56:42,950 --> 00:56:39,480
consumption and then that makes me

1430
00:56:45,890 --> 00:56:42,960
wonder what we are doing do are we

1431
00:56:47,870 --> 00:56:45,900
feeding the fire by creating content

1432
00:57:01,630 --> 00:56:47,880
just right how do we ethically engage

1433
00:57:04,970 --> 00:57:04,250
right this was you know this was

1434
00:57:10,069 --> 00:57:04,980
something

1435
00:57:12,109 --> 00:57:10,079
about a lot uh with Lou Jimenez

1436
00:57:13,970 --> 00:57:12,119
one-on-one he and I talked a lot about

1437
00:57:15,710 --> 00:57:13,980
sort of the ethics of engaging in this

1438
00:57:17,990 --> 00:57:15,720

kind of subject I mean this is something

1439

00:57:19,670 --> 00:57:18,000

I mean I come out this look

1440

00:57:21,290 --> 00:57:19,680

um in my research and writing on Art

1441

00:57:22,549 --> 00:57:21,300

Bell and Coast to Coast AM this is

1442

00:57:26,690 --> 00:57:22,559

something I struggle with immensely

1443

00:57:29,930 --> 00:57:26,700

because art was phenomenally formative

1444

00:57:31,690 --> 00:57:29,940

um for me both as a media figure and

1445

00:57:36,109 --> 00:57:31,700

intellectual figure and cultural figure

1446

00:57:37,270 --> 00:57:36,119

but also he laid the foundation of this

1447

00:57:39,950 --> 00:57:37,280

sort of

1448

00:57:42,589 --> 00:57:39,960

conspiratorial broad cloth that now

1449

00:57:44,990 --> 00:57:42,599

blankets huge swaths of American culture

1450

00:57:47,150 --> 00:57:45,000

and politics like he was the springboard

1451
00:57:49,069 --> 00:57:47,160
for Alex Jones he was the springboard

1452
00:57:51,950 --> 00:57:49,079
for Jimmy church and a lot of these

1453
00:57:53,870 --> 00:57:51,960
characters and like how do I write how

1454
00:57:55,370 --> 00:57:53,880
do I how do I do these things

1455
00:57:57,049 --> 00:57:55,380
simultaneously right like we're

1456
00:57:58,670 --> 00:57:57,059
grown-ups we have we're able to have

1457
00:58:00,650 --> 00:57:58,680
complex thoughts and engage with and

1458
00:58:02,990 --> 00:58:00,660
think about things in a sophisticated

1459
00:58:04,490 --> 00:58:03,000
fashion but like how do I engage and

1460
00:58:06,170 --> 00:58:04,500
think about something that was

1461
00:58:07,670 --> 00:58:06,180
personally so significant and so

1462
00:58:09,170 --> 00:58:07,680
valuable to me

1463
00:58:12,349 --> 00:58:09,180

um and understand it while also being

1464

00:58:15,470 --> 00:58:12,359

deeply critical about the uh long-term

1465

00:58:17,750 --> 00:58:15,480

repercussions of this media figure and

1466

00:58:19,910 --> 00:58:17,760

um how it has encroached on and deeply

1467

00:58:22,490 --> 00:58:19,920

deeply affected huge parts of our

1468

00:58:24,290 --> 00:58:22,500

political and social experience in this

1469

00:58:26,809 --> 00:58:24,300

country right like how can these two

1470

00:58:28,250 --> 00:58:26,819

things be at this be considered at the

1471

00:58:30,530 --> 00:58:28,260

same time

1472

00:58:32,690 --> 00:58:30,540

um and similarly like how do we talk

1473

00:58:35,030 --> 00:58:32,700

about how do we talk about this subject

1474

00:58:37,549 --> 00:58:35,040

and engage with it in good faith right

1475

00:58:39,289 --> 00:58:37,559

not as cynics not as detractors not as

1476
00:58:41,270 --> 00:58:39,299
individuals denigrating the subject or

1477
00:58:43,309 --> 00:58:41,280
experiences or anything else how do we

1478
00:58:45,589 --> 00:58:43,319
engage with this in good faith well also

1479
00:58:48,470 --> 00:58:45,599
being Discerning about the ideas and

1480
00:58:51,829 --> 00:58:48,480
Concepts that we legitimize right like I

1481
00:58:53,809 --> 00:58:51,839
think we do have responsibilities

1482
00:58:55,190 --> 00:58:53,819
um I I don't want to say collectively

1483
00:58:57,289 --> 00:58:55,200
because I do think it's important to

1484
00:58:59,510 --> 00:58:57,299
emphasize we're not monolithic here but

1485
00:59:01,309 --> 00:58:59,520
I I do think we we have an ins

1486
00:59:04,430 --> 00:59:01,319
responsibility and I certainly feel an

1487
00:59:07,370 --> 00:59:04,440
individual responsibility to

1488
00:59:10,970 --> 00:59:07,380

um make appropriate prioritization about

1489

00:59:12,470 --> 00:59:10,980

this subject and what I mean by this is

1490

00:59:16,130 --> 00:59:12,480

to not

1491

00:59:18,010 --> 00:59:16,140

um prioritize this subject over

1492

00:59:20,450 --> 00:59:18,020

um

1493

00:59:23,450 --> 00:59:20,460

views actions

1494

00:59:26,150 --> 00:59:23,460

and ideas that I otherwise find

1495

00:59:27,770 --> 00:59:26,160

abhorrent right so psychology is not a

1496

00:59:30,470 --> 00:59:27,780

trump card yet is what you're saying

1497

00:59:32,930 --> 00:59:30,480

yeah yeah or maybe maybe like Tucker

1498

00:59:34,609 --> 00:59:32,940

Carlson really sucks right like maybe

1499

00:59:36,170 --> 00:59:34,619

Tucker Carlson sucks and we shouldn't be

1500

00:59:38,630 --> 00:59:36,180

retweeting his show or whatever just

1501
00:59:39,250 --> 00:59:38,640
because Gary Nolan's on it

1502
00:59:41,569 --> 00:59:39,260
um

1503
00:59:43,010 --> 00:59:41,579
you know I don't know I it's so

1504
00:59:45,950 --> 00:59:43,020
complicated because it's a subject I

1505
00:59:48,230 --> 00:59:45,960
care deeply about and and personally and

1506
00:59:50,030 --> 00:59:48,240
intellectually so invested in but also I

1507
00:59:51,349 --> 00:59:50,040
struggle with being engaged with in so

1508
00:59:54,230 --> 00:59:51,359
many different levels as well and I'm

1509
00:59:56,329 --> 00:59:54,240
with you dude it is a it is largely a

1510
00:59:58,730 --> 00:59:56,339
community of content consumption but

1511
00:59:59,690 --> 00:59:58,740
that's like basically everything yeah in

1512
01:00:02,210 --> 00:59:59,700
the world

1513
01:00:03,710 --> 01:00:02,220

um I mean my my personal approach is I

1514

01:00:04,730 --> 01:00:03,720

only really engage with other people on

1515

01:00:06,289 --> 01:00:04,740

this subject if they're either

1516

01:00:08,089 --> 01:00:06,299

experiencers and talk to me a lot about

1517

01:00:10,430 --> 01:00:08,099

their stuff cool great love to hear it

1518

01:00:12,410 --> 01:00:10,440

want to talk about it or if there are

1519

01:00:14,870 --> 01:00:12,420

similar creators

1520

01:00:16,609 --> 01:00:14,880

um or thinkers in this space I don't

1521

01:00:18,589 --> 01:00:16,619

I've generally taken the approach of

1522

01:00:20,150 --> 01:00:18,599

like not engaging with the oil paloy of

1523

01:00:21,349 --> 01:00:20,160

people who just want to like blast out

1524

01:00:23,569 --> 01:00:21,359

their shitty opinions all over

1525

01:00:26,569 --> 01:00:23,579

everything like I don't

1526
01:00:30,170 --> 01:00:26,579
remember yeah like the common Folk

1527
01:00:33,650 --> 01:00:32,270
no I love the proletariat this is more

1528
01:00:35,890 --> 01:00:33,660
like the lump and this is more like the

1529
01:00:39,530 --> 01:00:35,900
lump in proletariat right

1530
01:00:40,849 --> 01:00:39,540
not not the proletariat themselves

1531
01:00:42,470 --> 01:00:40,859
um what do you think candle you've been

1532
01:00:46,130 --> 01:00:42,480
quiet for a minute

1533
01:00:49,010 --> 01:00:46,140
uh gosh what'd I think I think that's uh

1534
01:00:53,030 --> 01:00:49,020
my perspective is that I want to treat

1535
01:00:57,890 --> 01:00:53,040
this kind of like uh the history of

1536
01:00:59,930 --> 01:00:57,900
natural philosophy I think Dr heineck uh

1537
01:01:01,910 --> 01:00:59,940
you know as we know he was the chief

1538
01:01:04,730 --> 01:01:01,920

consultant for the Project Blue Book for

1539

01:01:07,130 --> 01:01:04,740

the US Air Force and the chairperson of

1540

01:01:09,010 --> 01:01:07,140

Northwest University's astronomy

1541

01:01:13,549 --> 01:01:09,020

Department Professor there

1542

01:01:15,890 --> 01:01:13,559

he uh frequently cited meteorites as a

1543

01:01:18,049 --> 01:01:15,900

very important thing that we should

1544

01:01:20,230 --> 01:01:18,059

learn from the discovery of meteorites

1545

01:01:24,109 --> 01:01:20,240

as a natural phenomenon

1546

01:01:27,230 --> 01:01:24,119

in 1803 there was something called the

1547

01:01:30,650 --> 01:01:27,240

legler El apostrophe aig-l-e meteor fall

1548

01:01:32,750 --> 01:01:30,660

in France where a meteor exploded in the

1549

01:01:34,670 --> 01:01:32,760

air and thousands of fragments ran down

1550

01:01:36,589 --> 01:01:34,680

that was considered the turning point

1551
01:01:39,470 --> 01:01:36,599
when the national academies of science

1552
01:01:43,089 --> 01:01:39,480
finally accepted that Stones could fall

1553
01:01:46,130 --> 01:01:43,099
from the sky even though there was no

1554
01:01:47,809 --> 01:01:46,140
sufficient plausible explanation for how

1555
01:01:49,010 --> 01:01:47,819
the stones would be in the sky they know

1556
01:01:50,329 --> 01:01:49,020
that gravity wouldn't make any sense for

1557
01:01:51,829 --> 01:01:50,339
the stones to be up there there was no

1558
01:01:53,990 --> 01:01:51,839
compelling explanation for why they

1559
01:01:57,349 --> 01:01:54,000
would be up there therefore you discount

1560
01:01:59,650 --> 01:01:57,359
the claims coming mostly from people in

1561
01:02:02,870 --> 01:01:59,660
the countryside and things like that

1562
01:02:04,849 --> 01:02:02,880
now if we were going out there and

1563
01:02:07,549 --> 01:02:04,859

picking up all these accounts from the

1564

01:02:09,049 --> 01:02:07,559

you know people in the countryside

1565

01:02:10,970 --> 01:02:09,059

they would be saying that they saw

1566

01:02:13,730 --> 01:02:10,980

angels

1567

01:02:17,510 --> 01:02:13,740

they would be saying we've seen them and

1568

01:02:19,970 --> 01:02:17,520

if we as natural philosophers were

1569

01:02:21,230 --> 01:02:19,980

saying well there's some compelling uh

1570

01:02:23,329 --> 01:02:21,240

papers out of the French national

1571

01:02:25,609 --> 01:02:23,339

Academy of Sciences that suggests that

1572

01:02:28,970 --> 01:02:25,619

something called the vacuum could exist

1573

01:02:31,430 --> 01:02:28,980

and maybe this is evidence for that

1574

01:02:32,930 --> 01:02:31,440

and then those people are taking us

1575

01:02:34,910 --> 01:02:32,940

being like we think you might actually

1576
01:02:36,289 --> 01:02:34,920
seen what you saw and then they're

1577
01:02:38,390 --> 01:02:36,299
saying these people these people are

1578
01:02:40,549 --> 01:02:38,400
verifying though we saw angels

1579
01:02:42,470 --> 01:02:40,559
I mean what do you do with that right

1580
01:02:44,870 --> 01:02:42,480
like and then a couple years later it's

1581
01:02:46,190 --> 01:02:44,880
like okay they're actually all these you

1582
01:02:48,650 --> 01:02:46,200
know thousands or whatever people

1583
01:02:50,930 --> 01:02:48,660
actually saw these things and uh you

1584
01:02:52,190 --> 01:02:50,940
know there's no satisfaction for those

1585
01:02:54,289 --> 01:02:52,200
people and then they're still insisting

1586
01:02:56,510 --> 01:02:54,299
with this all angels I imagine I don't

1587
01:02:58,430 --> 01:02:56,520
think that the

1588
01:02:59,750 --> 01:02:58,440

decision of the night that's actually an

1589

01:03:02,750 --> 01:02:59,760

interesting disclosure like the national

1590

01:03:06,130 --> 01:03:02,760

academies of Science in 1803 come out

1591

01:03:09,289 --> 01:03:06,140

and say oh the uh the Ethereal beings

1592

01:03:13,370 --> 01:03:09,299

the pure light beings are real

1593

01:03:16,250 --> 01:03:13,380

oh yeah the extraterrestrials are real

1594

01:03:17,930 --> 01:03:16,260

they aren't uh living but uh we we now

1595

01:03:21,470 --> 01:03:17,940

believe that those things are being seen

1596

01:03:23,990 --> 01:03:21,480

I mean that's a huge pivot and I think

1597

01:03:25,970 --> 01:03:24,000

high neck was right that there's a

1598

01:03:29,030 --> 01:03:25,980

lesson that can be drawn there because

1599

01:03:30,410 --> 01:03:29,040

if we only take the observations there's

1600

01:04:19,490 --> 01:03:30,420

a

1601
01:04:21,410 --> 01:04:19,500
things people just right you know they

1602
01:04:23,690 --> 01:04:21,420
exist but we don't have that exact thing

1603
01:04:25,130 --> 01:04:23,700
but what even when we have that thing we

1604
01:04:28,069 --> 01:04:25,140
already have papers that were published

1605
01:04:30,049 --> 01:04:28,079
by valet uh Dr valet and like the uh I

1606
01:04:32,690 --> 01:04:30,059
think it was what 2003 with Dr Eric

1607
01:04:35,750 --> 01:04:32,700
Davis where they already say

1608
01:04:38,990 --> 01:04:35,760
we think that the UFOs are mimicking

1609
01:04:40,849 --> 01:04:39,000
real natural phenomenon and so there is

1610
01:04:42,650 --> 01:04:40,859
always going to be this uh sort of

1611
01:04:44,569 --> 01:04:42,660
pushing forward of the narrative and

1612
01:04:46,190 --> 01:04:44,579
it's going to escape us uh no matter

1613
01:04:48,170 --> 01:04:46,200

what we do so it's an interesting point

1614

01:04:50,030 --> 01:04:48,180

I think there's value in

1615

01:04:52,190 --> 01:04:50,040

the traditional natural philosophy

1616

01:04:54,410 --> 01:04:52,200

skeptical approach skepticism has always

1617

01:04:57,849 --> 01:04:54,420

traditionally been completely aligned

1618

01:05:00,650 --> 01:04:57,859

with naturalization trying to explain

1619

01:05:04,190 --> 01:05:00,660

observations through

1620

01:05:05,450 --> 01:05:04,200

um yeah not natural means and uh you

1621

01:05:07,270 --> 01:05:05,460

know I think that there is value in

1622

01:05:09,890 --> 01:05:07,280

doing that with the subject

1623

01:05:11,030 --> 01:05:09,900

well Nick what about you uh do you think

1624

01:05:12,589 --> 01:05:11,040

that we're doing more harm than good

1625

01:05:14,109 --> 01:05:12,599

what's your thought

1626
01:05:16,250 --> 01:05:14,119
I don't

1627
01:05:20,210 --> 01:05:16,260
I'm not going to say that we're harming

1628
01:05:25,609 --> 01:05:22,789
um I don't know I don't I don't know

1629
01:05:28,130 --> 01:05:25,619
I don't see youthology or the UFO

1630
01:05:30,890 --> 01:05:28,140
Community changing ever

1631
01:05:32,750 --> 01:05:30,900
um there's always going to be things in

1632
01:05:36,109 --> 01:05:32,760
the air that we can't see because like I

1633
01:05:37,010 --> 01:05:36,119
said they're fleeting and Out Of Reach

1634
01:05:40,190 --> 01:05:37,020
um

1635
01:05:41,569 --> 01:05:40,200
I don't think any you know authority

1636
01:05:42,890 --> 01:05:41,579
figure coming out and saying no these

1637
01:05:45,410 --> 01:05:42,900
are all Mister identifications it's

1638
01:05:47,690 --> 01:05:45,420

going to do any good

1639

01:05:51,230 --> 01:05:47,700

um and while the like

1640

01:05:53,630 --> 01:05:51,240

the finer details in the uh the kind of

1641

01:05:55,730 --> 01:05:53,640

qualities and features of the UFOs might

1642

01:05:59,809 --> 01:05:55,740

change with Society like we're seeing it

1643

01:06:05,270 --> 01:06:02,150

uh I'm trying to think of another word

1644

01:06:07,789 --> 01:06:05,280

besides we but it's becoming more we in

1645

01:06:10,309 --> 01:06:07,799

my opinion the kind of yeah like

1646

01:06:12,770 --> 01:06:10,319

subjective basically so actually yeah

1647

01:06:16,130 --> 01:06:12,780

here's here's an example UFOs haunting

1648

01:06:18,109 --> 01:06:16,140

people I think is kind of a well

1649

01:06:20,150 --> 01:06:18,119

no there was a bit of that during the

1650

01:06:21,710 --> 01:06:20,160

abduction period of the 80s and 90s

1651
01:06:23,030 --> 01:06:21,720
there was like repeat abductors and

1652
01:06:24,589 --> 01:06:23,040
family lines and Bloodlines being

1653
01:06:27,289 --> 01:06:24,599
abducted and stuff like that but I'm

1654
01:06:29,870 --> 01:06:27,299
talking about more you know the uh the

1655
01:06:33,770 --> 01:06:29,880
space Poltergeist kind of aspect of it

1656
01:06:35,870 --> 01:06:33,780
the curse of them yeah so yeah so

1657
01:06:37,730 --> 01:06:35,880
so I see I see little changes like that

1658
01:06:39,230 --> 01:06:37,740
kind of like how you know right after

1659
01:06:41,089 --> 01:06:39,240
Sputnik we started seeing them

1660
01:06:42,770 --> 01:06:41,099
interfering with our cars and before

1661
01:06:45,710 --> 01:06:42,780
those like sensationalist newspaper

1662
01:06:48,349 --> 01:06:45,720
articles about the foreign Army's rays

1663
01:06:51,410 --> 01:06:48,359

that stop tanks and stuff like that so I

1664

01:06:54,349 --> 01:06:51,420

think syndrome will always kind of like

1665

01:06:56,510 --> 01:06:54,359

put our put our ideas of modernity on

1666

01:06:59,029 --> 01:06:56,520

these things near modernity

1667

01:07:01,069 --> 01:06:59,039

um but otherwise no it'll always always

1668

01:07:03,230 --> 01:07:01,079

be the same I think there will always be

1669

01:07:05,690 --> 01:07:03,240

new figures to take in that that

1670

01:07:07,849 --> 01:07:05,700

Authority vacuum I think people always

1671

01:07:11,990 --> 01:07:07,859

misidentify things

1672

01:07:13,789 --> 01:07:12,000

and we're the the whole story of nhi

1673

01:07:15,770 --> 01:07:13,799

coming in crafts and visiting us and

1674

01:07:17,809 --> 01:07:15,780

abducting us or observing us and the

1675

01:07:20,510 --> 01:07:17,819

government knowing is so ingrained in

1676
01:07:22,609 --> 01:07:20,520
our culture it's I I tell you guys this

1677
01:07:25,630 --> 01:07:22,619
all the time I watch uh old compilations

1678
01:07:29,210 --> 01:07:25,640
of commercials from like the 80s and 90s

1679
01:07:31,130 --> 01:07:29,220
you are so cool I watch it on this CR2

1680
01:07:33,710 --> 01:07:31,140
yeah I have a Roku attached to it that I

1681
01:07:35,270 --> 01:07:33,720
run through oh my God but anyway you are

1682
01:07:37,809 --> 01:07:35,280
you are such a type of guy it's

1683
01:07:41,210 --> 01:07:37,819
incredible I love it

1684
01:07:43,970 --> 01:07:41,220
the best time yeah the best type of guy

1685
01:07:46,849 --> 01:07:43,980
to be clear but my point in bringing

1686
01:07:47,870 --> 01:07:46,859
that up is uh that I in every

1687
01:07:50,750 --> 01:07:47,880
compilation there's at least one

1688
01:07:53,210 --> 01:07:50,760

commercial that features a flying saucer

1689

01:07:54,950 --> 01:07:53,220

with aliens coming out of it

1690

01:07:56,450 --> 01:07:54,960

every single one car commercials have

1691

01:07:58,789 --> 01:07:56,460

done this cereal commercials everything

1692

01:08:02,150 --> 01:07:58,799

it's part of our culture TV shows TV

1693

01:08:04,910 --> 01:08:02,160

episodes for disclosure Nick right it's

1694

01:08:05,990 --> 01:08:04,920

that slow drip but like I said I don't I

1695

01:08:08,450 --> 01:08:06,000

don't think that that's true because

1696

01:08:11,329 --> 01:08:08,460

who's doing that who's who's this cabal

1697

01:08:16,430 --> 01:08:14,390

dictating what's in commercials but also

1698

01:08:19,249 --> 01:08:16,440

like works on the crash team retrieval

1699

01:08:20,749 --> 01:08:19,259

unit at the government like

1700

01:08:22,309 --> 01:08:20,759

that doesn't make sense that would

1701
01:08:24,650 --> 01:08:22,319
involve so many people actually already

1702
01:08:28,070 --> 01:08:24,660
knowing that essentially disclosure

1703
01:08:30,349 --> 01:08:28,080
already happened yeah well I didn't uh

1704
01:08:33,229 --> 01:08:30,359
our friend well our friend uh didn't uh

1705
01:08:35,150 --> 01:08:33,239
Mr Elizondo say that disclosures already

1706
01:08:37,610 --> 01:08:35,160
happened like didn't you say something

1707
01:08:39,470 --> 01:08:37,620
like that I keep a question of like what

1708
01:08:40,729 --> 01:08:39,480
even constitutes disclosure right is it

1709
01:08:42,590 --> 01:08:40,739
just acknowledgment that things happen

1710
01:08:44,630 --> 01:08:42,600
that we don't know about or can identify

1711
01:08:46,249 --> 01:08:44,640
them yes it's definitely happened sure

1712
01:08:48,950 --> 01:08:46,259
right

1713
01:08:50,269 --> 01:08:48,960

I just uh yeah that's the other thing

1714

01:08:53,510 --> 01:08:50,279

and I think I've brought this up in

1715

01:08:55,849 --> 01:08:53,520

maybe every episode but the um

1716

01:08:57,650 --> 01:08:55,859

the fuzzy language that we all we all

1717

01:09:00,110 --> 01:08:57,660

use like no one's on the same page with

1718

01:09:02,209 --> 01:09:00,120

any of this stuff like a definition of

1719

01:09:05,329 --> 01:09:02,219

disclosure or what people think of UFOs

1720

01:09:07,370 --> 01:09:05,339

or what what anyone thinks UFOs are real

1721

01:09:08,689 --> 01:09:07,380

means you know you can get a million

1722

01:09:10,910 --> 01:09:08,699

different interpretations out of that

1723

01:09:13,249 --> 01:09:10,920

phrase and some people think that yeah

1724

01:09:15,349 --> 01:09:13,259

that is you know basically disclosure

1725

01:09:17,870 --> 01:09:15,359

when other people realize like

1726
01:09:19,970 --> 01:09:17,880
well yeah duh you know like yeah the

1727
01:09:22,990 --> 01:09:19,980
disclosure only happens when they have

1728
01:09:25,970 --> 01:09:23,000
explicitly disclosed these five things

1729
01:09:28,610 --> 01:09:25,980
right ah here we go

1730
01:09:29,990 --> 01:09:28,620
this sounds like some vague wishy-washy

1731
01:09:34,189 --> 01:09:30,000
[h__h] that doesn't actually mean

1732
01:09:38,809 --> 01:09:36,950
yeah yeah disclosures already happen but

1733
01:09:40,249 --> 01:09:38,819
it's also coming and it's also it's a

1734
01:09:41,870 --> 01:09:40,259
marathon and not a race and we're

1735
01:09:43,910 --> 01:09:41,880
nowhere near it and we're in the fifth

1736
01:09:45,349 --> 01:09:43,920
gear and we can only asymptotically

1737
01:09:48,829 --> 01:09:45,359
approach it but kind of are actually

1738
01:09:50,450 --> 01:09:48,839

interested right we're all Sisyphus I

1739

01:09:51,650 --> 01:09:50,460

guess

1740

01:09:54,770 --> 01:09:51,660

um yeah

1741

01:09:56,810 --> 01:09:54,780

I don't know I feel like

1742

01:09:59,090 --> 01:09:56,820

I don't think there's anything left in

1743

01:10:00,530 --> 01:09:59,100

my brain to say about UFOs anymore I

1744

01:10:01,850 --> 01:10:00,540

think I've spit it all out tonight

1745

01:10:04,790 --> 01:10:01,860

finally

1746

01:10:06,590 --> 01:10:04,800

I love it Nick yeah and this is good

1747

01:10:07,970 --> 01:10:06,600

because like we've been I mean we've

1748

01:10:10,070 --> 01:10:07,980

sort of been talking about broadening

1749

01:10:12,590 --> 01:10:10,080

The Horizon of the show right like

1750

01:10:14,750 --> 01:10:12,600

branching off of UFOs getting more into

1751
01:10:17,090 --> 01:10:14,760
like the weird study space I mean very

1752
01:10:19,310 --> 01:10:17,100
candidly just personally

1753
01:10:20,870 --> 01:10:19,320
um I think weird studies people are

1754
01:10:22,610 --> 01:10:20,880
maybe a bit more well-adjusted and less

1755
01:10:25,130 --> 01:10:22,620
psychotic than a lot of the UFO people

1756
01:10:26,689 --> 01:10:25,140
I've met that sounds nice yeah that

1757
01:10:28,669 --> 01:10:26,699
sounds really nice I love engaging with

1758
01:10:29,990 --> 01:10:28,679
like relatively normal well-socialized

1759
01:10:31,910 --> 01:10:30,000
humans

1760
01:10:34,189 --> 01:10:31,920
um but also

1761
01:10:36,290 --> 01:10:34,199
um I mean as I've said time and time

1762
01:10:38,450 --> 01:10:36,300
again like my approach to this subject

1763
01:10:41,750 --> 01:10:38,460

is largely metaphysical spiritual

1764

01:10:43,450 --> 01:10:41,760

immersion psychedelic Etc and like I

1765

01:10:47,390 --> 01:10:43,460

would love to talk more about

1766

01:10:51,649 --> 01:10:47,400

parapsychology and SCI phenomena and uh

1767

01:10:57,410 --> 01:10:53,810

um you know I I finally I can't believe

1768

01:11:00,290 --> 01:10:57,420

J shank isn't here like that I swear

1769

01:11:02,390 --> 01:11:00,300

oh he uh he uh he got crappy sleep last

1770

01:11:04,550 --> 01:11:02,400

night so he took a rain check but he'll

1771

01:11:06,649 --> 01:11:04,560

be back soon he's like basically

1772

01:11:09,110 --> 01:11:06,659

almost like an honorary ins guy at this

1773

01:11:10,669 --> 01:11:09,120

point what about uh Jack or Vanessa did

1774

01:11:12,470 --> 01:11:10,679

either of them show up both of them had

1775

01:11:13,930 --> 01:11:12,480

plans

1776
01:11:17,030 --> 01:11:13,940
I know

1777
01:11:18,709 --> 01:11:17,040
day night right on Wednesday night at 9

1778
01:11:21,169 --> 01:11:18,719
00 PM Eastern I know incredible we'll

1779
01:11:23,090 --> 01:11:21,179
have them all back on soon if they're up

1780
01:11:25,250 --> 01:11:23,100
against some kind of Sky watching uh

1781
01:11:28,490 --> 01:11:25,260
live stream I believe that no that

1782
01:11:30,950 --> 01:11:28,500
happens right after us that's the woofer

1783
01:11:32,450 --> 01:11:30,960
Wednesday with the weird studies guys

1784
01:11:33,950 --> 01:11:32,460
um we're kind of like the the foreplay

1785
01:11:35,810 --> 01:11:33,960
for that I think you basically go out

1786
01:11:37,490 --> 01:11:35,820
and try to do ce5 with like the other

1787
01:11:38,110 --> 01:11:37,500
podcast nerds

1788
01:11:44,930 --> 01:11:38,120

um

1789

01:11:47,750 --> 01:11:44,940

I was I was up against not having

1790

01:11:50,090 --> 01:11:47,760

Internet so

1791

01:11:52,070 --> 01:11:50,100

um she actually pretty much ruled

1792

01:11:54,290 --> 01:11:52,080

um anyway I digress so I was talking

1793

01:11:56,570 --> 01:11:54,300

about Jay because Jay just finished the

1794

01:11:59,149 --> 01:11:56,580

trickster in the Paranormal by uh

1795

01:12:01,370 --> 01:11:59,159

Gregory Hansen people have not read

1796

01:12:04,010 --> 01:12:01,380

those definitely read it I'm working on

1797

01:12:05,689 --> 01:12:04,020

it right now so first of all it is like

1798

01:12:07,910 --> 01:12:05,699

I had no idea how dense it was it's

1799

01:12:09,950 --> 01:12:07,920

basically like a 500 page academic paper

1800

01:12:12,050 --> 01:12:09,960

very dense very good I feel like I'm

1801

01:12:14,149 --> 01:12:12,060

like making notes on every page

1802

01:12:17,810 --> 01:12:14,159

um but like he he proposes this idea

1803

01:12:25,130 --> 01:12:19,090

um

1804

01:12:28,010 --> 01:12:25,140

basically as the presence and

1805

01:12:30,290 --> 01:12:28,020

um daily involvement with structures

1806

01:12:31,970 --> 01:12:30,300

exist in Modern Life like as we

1807

01:12:34,850 --> 01:12:31,980

increasingly have like well-defined

1808

01:12:37,850 --> 01:12:34,860

systems that run our lives everything

1809

01:12:39,709 --> 01:12:37,860

from like traffic to

1810

01:12:41,450 --> 01:12:39,719

um how we do our work to like the

1811

01:12:43,970 --> 01:12:41,460

predictability of our home environments

1812

01:12:48,350 --> 01:12:43,980

like this kind of like these structures

1813

01:12:50,570 --> 01:12:48,360

and systems kind of crowd out the

1814

01:12:54,709 --> 01:12:50,580

opportunity to have like these liminal

1815

01:12:56,750 --> 01:12:54,719

or strange experiences and he sees the

1816

01:12:58,910 --> 01:12:56,760

liminal or strange experiences and he

1817

01:13:01,070 --> 01:12:58,920

sort of treats like the range of

1818

01:13:04,250 --> 01:13:01,080

paranormal or Supernatural things all

1819

01:13:06,890 --> 01:13:04,260

sort of as a collective artifact of like

1820

01:13:09,830 --> 01:13:06,900

one phenomena right UFOs telekinesis

1821

01:13:12,229 --> 01:13:09,840

Clairvoyance whatever

1822

01:13:14,090 --> 01:13:12,239

um and basically that like as we

1823

01:13:16,490 --> 01:13:14,100

converge towards this increasingly

1824

01:13:20,030 --> 01:13:16,500

structured experience and culture and

1825

01:13:23,510 --> 01:13:20,040

society that like again it marginalizes

1826
01:13:25,370 --> 01:13:23,520
and removes these experiences uh from

1827
01:13:28,729 --> 01:13:25,380
daily life like they become much more

1828
01:13:30,530 --> 01:13:28,739
marginal but that as we see like as we

1829
01:13:33,229 --> 01:13:30,540
see the breakdown of these structures

1830
01:13:35,030 --> 01:13:33,239
even in modern society the uh one of the

1831
01:13:37,010 --> 01:13:35,040
examples he draws upon is the collapse

1832
01:13:38,810 --> 01:13:37,020
of the Soviet Union and the subsequent

1833
01:13:40,669 --> 01:13:38,820
rise and popular interests in the

1834
01:13:43,250 --> 01:13:40,679
Paranormal and psychics and mediumship

1835
01:13:45,830 --> 01:13:43,260
and things like that like basically as

1836
01:13:48,950 --> 01:13:45,840
these structures Decay it increasingly

1837
01:13:51,950 --> 01:13:48,960
opens space for experiences and

1838
01:13:54,590 --> 01:13:51,960

perceptions and beliefs that

1839

01:13:57,350 --> 01:13:54,600

um are uh I don't want to say logically

1840

01:13:59,149 --> 01:13:57,360

inconsistent but do not cohere to the

1841

01:14:01,550 --> 01:13:59,159

structures of daily life

1842

01:14:03,770 --> 01:14:01,560

I see yeah yeah that's an interesting

1843

01:14:05,510 --> 01:14:03,780

fact well that that's a really

1844

01:14:08,630 --> 01:14:05,520

interesting with respect to the Soviet

1845

01:14:11,590 --> 01:14:08,640

Union especially because philosophically

1846

01:14:15,050 --> 01:14:11,600

they were uh you know all purely

1847

01:14:18,649 --> 01:14:15,060

atheistic uh from uh their enculturation

1848

01:14:20,689 --> 01:14:18,659

uh hardcore materialists uh you know

1849

01:14:24,050 --> 01:14:20,699

physicalists and

1850

01:14:26,390 --> 01:14:24,060

I understand that that's right sorry go

1851
01:14:28,310 --> 01:14:26,400
on I was gonna say I'm I'm messaging you

1852
01:14:31,189 --> 01:14:28,320
guys in the private chat an article by

1853
01:14:33,890 --> 01:14:31,199
Hannah gay called psychic healing at the

1854
01:14:37,189 --> 01:14:33,900
end of History which is all about the

1855
01:14:39,669 --> 01:14:37,199
post-soviet obsession with like psychics

1856
01:14:41,750 --> 01:14:39,679
on television after the club

1857
01:14:43,490 --> 01:14:41,760
post it there in case you want to post

1858
01:14:45,709 --> 01:14:43,500
it in the comments anyway sorry Kimball

1859
01:14:48,590 --> 01:14:45,719
no yeah that's a vowel point and and

1860
01:14:50,330 --> 01:14:48,600
there was a dramatic interest or extreme

1861
01:14:52,430 --> 01:14:50,340
interest in the Soviet Union related to

1862
01:14:54,110 --> 01:14:52,440
all of these kinds of phenomena and they

1863
01:14:56,330 --> 01:14:54,120

it I mean it's quite interesting because

1864

01:15:00,110 --> 01:14:56,340

obviously the Soviet Union was a

1865

01:15:02,030 --> 01:15:00,120

criminal evil empire but uh they were

1866

01:15:04,610 --> 01:15:02,040

actually studying these things uh taking

1867

01:15:05,810 --> 01:15:04,620

them more seriously in some ways and uh

1868

01:15:08,270 --> 01:15:05,820

according to our own Declassified

1869

01:15:10,850 --> 01:15:08,280

documents from our governments we

1870

01:15:11,990 --> 01:15:10,860

see that our intelligence agencies were

1871

01:15:13,850 --> 01:15:12,000

worried about playing catch up on some

1872

01:15:15,770 --> 01:15:13,860

of these things so for example a psychic

1873

01:15:17,270 --> 01:15:15,780

phenomena the Soviets were investigating

1874

01:15:19,310 --> 01:15:17,280

it before the CIA the CIA was trying to

1875

01:15:20,630 --> 01:15:19,320

catch up to the Soviets uh because they

1876
01:15:22,070 --> 01:15:20,640
were worried that the Soviets were onto

1877
01:15:23,689 --> 01:15:22,080
something the Soviets were studying it

1878
01:15:25,130 --> 01:15:23,699
from a physicalist materialist

1879
01:15:26,990 --> 01:15:25,140
perspective they were studying it from

1880
01:15:29,630 --> 01:15:27,000
the perspective of like electromagnetism

1881
01:15:32,270 --> 01:15:29,640
and things like that they were trying to

1882
01:15:34,729 --> 01:15:32,280
determine them from a scientific

1883
01:15:37,729 --> 01:15:34,739
perspective if they were real or not and

1884
01:15:40,070 --> 01:15:37,739
you know that also extends into UFOs

1885
01:15:43,010 --> 01:15:40,080
there are massive databases of

1886
01:15:45,590 --> 01:15:43,020
universities in the Soviet former Soviet

1887
01:15:47,390 --> 01:15:45,600
Union uh about all lightning I like it's

1888
01:15:49,370 --> 01:15:47,400

like one of them contains like 10 000

1889

01:15:52,130 --> 01:15:49,380

reports and when you go through those

1890

01:15:55,189 --> 01:15:52,140

reports they are literally identical to

1891

01:15:56,990 --> 01:15:55,199

UFO reports except for the

1892

01:15:58,910 --> 01:15:57,000

interpretation

1893

01:16:02,830 --> 01:15:58,920

in the Soviet Union you have physics

1894

01:16:05,209 --> 01:16:02,840

papers describing uh fluid dynamics

1895

01:16:08,149 --> 01:16:05,219

doing the math showing after an

1896

01:16:10,610 --> 01:16:08,159

observation how the object is exactly

1897

01:16:12,290 --> 01:16:10,620

behaving how you can cause an object to

1898

01:16:15,830 --> 01:16:12,300

behave under the influence of magnetic

1899

01:16:18,410 --> 01:16:15,840

forces and so you know there is this

1900

01:16:21,410 --> 01:16:18,420

natural physical approach that was

1901
01:16:22,970 --> 01:16:21,420
occurring there and then the Western

1902
01:16:24,770 --> 01:16:22,980
sounds a little bit I mean it is

1903
01:16:26,209 --> 01:16:24,780
conspiratorial but the Declassified

1904
01:16:28,130 --> 01:16:26,219
documents that we have especially the

1905
01:16:30,530 --> 01:16:28,140
one from the United Kingdom from 2000

1906
01:16:32,930 --> 01:16:30,540
where they're getting into it they talk

1907
01:16:34,970 --> 01:16:32,940
specifically we're quite concerned that

1908
01:16:36,649 --> 01:16:34,980
the Soviet Union is ahead of us on the

1909
01:16:38,510 --> 01:16:36,659
study of ball lightning we are certain

1910
01:16:40,550 --> 01:16:38,520
that UFOs exist this is the United

1911
01:16:42,410 --> 01:16:40,560
Kingdom's Military Intelligence where

1912
01:16:44,209 --> 01:16:42,420
certain UFOs exist we are almost certain

1913
01:16:47,090 --> 01:16:44,219

they are natural atmospheric phenomena

1914

01:16:48,470 --> 01:16:47,100

we need to study these things because we

1915

01:16:49,850 --> 01:16:48,480

are worried that due to stigma

1916

01:16:51,229 --> 01:16:49,860

associated with UFOs we have not been

1917

01:16:53,149 --> 01:16:51,239

looking at them closely enough and we

1918

01:16:54,410 --> 01:16:53,159

think there's a variety of technological

1919

01:16:56,450 --> 01:16:54,420

advancements that can be achieved by

1920

01:16:57,649 --> 01:16:56,460

understanding while lightning better so

1921

01:16:59,209 --> 01:16:57,659

that you know this is their document

1922

01:17:00,470 --> 01:16:59,219

that wrote it out and they could be

1923

01:17:03,470 --> 01:17:00,480

wrong about that that's just an

1924

01:17:06,110 --> 01:17:03,480

interpretation as well but you see that

1925

01:17:08,390 --> 01:17:06,120

there was this hardcore atheist

1926
01:17:10,550 --> 01:17:08,400
materialist philosophy in the Soviet

1927
01:17:13,130 --> 01:17:10,560
Union that led to them actually trying

1928
01:17:15,830 --> 01:17:13,140
to naturalize these phenomena and you

1929
01:17:17,330 --> 01:17:15,840
see in the historical uh documentary

1930
01:17:19,310 --> 01:17:17,340
record that we have in our national

1931
01:17:20,810 --> 01:17:19,320
archives that our intelligence agencies

1932
01:17:23,810 --> 01:17:20,820
were consistently trying to play

1933
01:17:25,430 --> 01:17:23,820
catch-up it's interesting that they

1934
01:17:27,830 --> 01:17:25,440
still kind of considered that there

1935
01:17:30,410 --> 01:17:27,840
would be a mysterious explanation for

1936
01:17:32,870 --> 01:17:30,420
like a representative number of these

1937
01:17:36,950 --> 01:17:32,880
cases rather than just people

1938
01:17:39,830 --> 01:17:36,960

uh misidentifying things yes the common

1939

01:17:41,270 --> 01:17:39,840

factor but yeah I just want to validate

1940

01:17:43,490 --> 01:17:41,280

what you're saying Nick like it's

1941

01:17:45,470 --> 01:17:43,500

extremely important to remember uh Steve

1942

01:17:47,870 --> 01:17:45,480

long said it in the chat earlier that

1943

01:17:50,510 --> 01:17:47,880

most of the time when there's something

1944

01:17:52,910 --> 01:17:50,520

extraordinary being claimed to exist it

1945

01:17:55,370 --> 01:17:52,920

almost always is not ultimately found to

1946

01:17:58,490 --> 01:17:55,380

be real and so we can't assume that you

1947

01:18:00,590 --> 01:17:58,500

know extraordinary uh claims result in

1948

01:18:03,189 --> 01:18:00,600

extraordinary realities you know

1949

01:18:05,510 --> 01:18:03,199

whatever and messing up the quote

1950

01:18:07,810 --> 01:18:05,520

that with with

1951
01:18:11,510 --> 01:18:07,820
you know convincing evidence from with

1952
01:18:12,890 --> 01:18:11,520
yes evidence exactly you know what I

1953
01:18:15,110 --> 01:18:12,900
mean I'm not against

1954
01:18:17,450 --> 01:18:15,120
these extraordinary claims but it's

1955
01:18:18,649 --> 01:18:17,460
going to take a bit for me to believe it

1956
01:18:21,610 --> 01:18:18,659
other than

1957
01:18:24,709 --> 01:18:21,620
you know kind of an intuitional belief

1958
01:18:26,930 --> 01:18:24,719
based on just the culture I was raised

1959
01:18:29,149 --> 01:18:26,940
in well and I said this last week but uh

1960
01:18:31,610 --> 01:18:29,159
Occam's razor that was created by

1961
01:18:34,490 --> 01:18:31,620
William avakum a friar in the 14th

1962
01:18:36,890 --> 01:18:34,500
century who created it to argue that

1963
01:18:38,870 --> 01:18:36,900

Miracles probably exist it's the

1964

01:18:41,750 --> 01:18:38,880

simplest explanation for the fact that

1965

01:18:43,669 --> 01:18:41,760

you're having common experiences being

1966

01:18:45,709 --> 01:18:43,679

reported across time and place of

1967

01:18:47,030 --> 01:18:45,719

similar uh things and so it's like

1968

01:18:48,649 --> 01:18:47,040

because there's so many people reporting

1969

01:18:51,050 --> 01:18:48,659

something similar

1970

01:18:52,970 --> 01:18:51,060

uh you know discreetly then it's

1971

01:18:55,370 --> 01:18:52,980

reasonable to infer that it's actually

1972

01:18:56,870 --> 01:18:55,380

real and that that's what Occam's razor

1973

01:18:59,750 --> 01:18:56,880

originally was it's the Miracles are

1974

01:19:01,669 --> 01:18:59,760

real uh we know now that's not verified

1975

01:19:03,169 --> 01:19:01,679

that's not supported by the evidence in

1976
01:19:05,090 --> 01:19:03,179
a way you can do the Virgin Mary as well

1977
01:19:08,270 --> 01:19:05,100
you know hundreds upon hundreds of uh

1978
01:19:11,030 --> 01:19:08,280
very intensely investigated uh reports

1979
01:19:12,590 --> 01:19:11,040
by the Catholic church over uh centuries

1980
01:19:14,090 --> 01:19:12,600
and uh you know we don't have evidence

1981
01:19:16,010 --> 01:19:14,100
for that either so you're you're

1982
01:19:18,350 --> 01:19:16,020
absolutely a right neck like there

1983
01:19:20,330 --> 01:19:18,360
there's a good prospect that there isn't

1984
01:19:22,250 --> 01:19:20,340
an actual real thing at the heart of

1985
01:19:25,189 --> 01:19:22,260
many of these reports or any of them it

1986
01:19:29,110 --> 01:19:25,199
brings me back to why we have a ufology

1987
01:19:31,570 --> 01:19:29,120
and why we don't have a lost psychology

1988
01:19:34,130 --> 01:19:31,580

and I think

1989

01:19:36,709 --> 01:19:34,140

and the sports model is expensiveness

1990

01:19:38,570 --> 01:19:36,719

well because we can eventually find the

1991

01:19:40,910 --> 01:19:38,580

socks and then hold them again

1992

01:19:43,189 --> 01:19:40,920

you know we can't catch a UFO it's gone

1993

01:19:46,189 --> 01:19:43,199

it's already in the past we just have

1994

01:19:49,250 --> 01:19:46,199

our memory of it and that's what we want

1995

01:19:51,590 --> 01:19:49,260

to give to science and politicians to

1996

01:19:55,130 --> 01:19:51,600

hold up and validate for us as

1997

01:19:58,370 --> 01:19:55,140

everybody's just stories and memories oh

1998

01:20:00,590 --> 01:19:58,380

Nick I'm becoming a cynical sorry this

1999

01:20:01,790 --> 01:20:00,600

doesn't seem I mean I guess there's a

2000

01:20:03,350 --> 01:20:01,800

flavor of this that could be very

2001
01:20:06,709 --> 01:20:03,360
cynical but none of those pings is

2002
01:20:08,390 --> 01:20:06,719
deeply cynical to me I mean why because

2003
01:20:10,130 --> 01:20:08,400
well no

2004
01:20:12,290 --> 01:20:10,140
now

2005
01:20:14,090 --> 01:20:12,300
um but because I think when particularly

2006
01:20:20,149 --> 01:20:14,100
when people

2007
01:20:22,370 --> 01:20:20,159
break apart their ontologies and

2008
01:20:24,350 --> 01:20:22,380
especially when they're isolated in this

2009
01:20:27,350 --> 01:20:24,360
experience which is very common because

2010
01:20:29,750 --> 01:20:27,360
we have such poor cultural narratives

2011
01:20:33,350 --> 01:20:29,760
for interpreting and metabolizing these

2012
01:20:36,350 --> 01:20:33,360
kinds of things whether uh UFOs or

2013
01:20:38,330 --> 01:20:36,360

Bigfoot or emergence or whatever these

2014

01:20:40,490 --> 01:20:38,340

are deeply isolating and traumatizing

2015

01:20:42,410 --> 01:20:40,500

events for many many people

2016

01:20:45,290 --> 01:20:42,420

um and the idea that they can be seen

2017

01:20:47,330 --> 01:20:45,300

and recognized and validated uh by

2018

01:20:48,950 --> 01:20:47,340

external powers of authority right

2019

01:20:50,990 --> 01:20:48,960

whether it's friends or family or

2020

01:20:52,790 --> 01:20:51,000

doctors or politicians or whatever like

2021

01:20:55,189 --> 01:20:52,800

this is this is

2022

01:20:57,530 --> 01:20:55,199

um in many respects deeply important for

2023

01:20:59,090 --> 01:20:57,540

sort of the individual like I don't want

2024

01:21:00,590 --> 01:20:59,100

to say the healing process but like how

2025

01:21:02,990 --> 01:21:00,600

we metabolize and integrate these

2026
01:21:05,630 --> 01:21:03,000
experiences like being heard and being

2027
01:21:07,550 --> 01:21:05,640
witnessed is deeply powerful for people

2028
01:21:11,209 --> 01:21:07,560
especially when they feel very isolated

2029
01:21:16,189 --> 01:21:11,219
after something that is extraordinary

2030
01:21:21,130 --> 01:21:17,450
we got like

2031
01:21:22,669 --> 01:21:21,140
nine minutes for a final thought

2032
01:21:25,010 --> 01:21:22,679
well

2033
01:21:27,709 --> 01:21:25,020
um I mean what Lee was just saying I can

2034
01:21:29,750 --> 01:21:27,719
relate to in some ways I've talked here

2035
01:21:32,390 --> 01:21:29,760
and there about it but um I sometimes

2036
01:21:34,850 --> 01:21:32,400
have hypnopic uh sleep hallucinations

2037
01:21:37,990 --> 01:21:34,860
it's when you wake up and for five to

2038
01:21:40,310 --> 01:21:38,000

ten seconds the sleeping uh

2039

01:21:42,229 --> 01:21:40,320

hallucinatory state does not completely

2040

01:21:44,270 --> 01:21:42,239

shut off it's just a slight uh

2041

01:21:46,610 --> 01:21:44,280

disconnect they're usually uh associated

2042

01:21:49,310 --> 01:21:46,620

with a stressful experience during the

2043

01:21:52,070 --> 01:21:49,320

day or whatever but uh you know my first

2044

01:21:53,630 --> 01:21:52,080

experience where I acknowledge that or I

2045

01:21:55,669 --> 01:21:53,640

recognize that something weird was

2046

01:21:58,370 --> 01:21:55,679

happening I was like 13 14 I woke up and

2047

01:22:00,530 --> 01:21:58,380

I saw I mean it's such a classic one but

2048

01:22:02,870 --> 01:22:00,540

like what looked like a like a metallic

2049

01:22:04,910 --> 01:22:02,880

sphere thing floating in my bedroom when

2050

01:22:06,530 --> 01:22:04,920

I woke up I thought it was like a robot

2051
01:22:07,729 --> 01:22:06,540
or something I was like I was like

2052
01:22:09,830 --> 01:22:07,739
really into Star Wars I was like what

2053
01:22:12,550 --> 01:22:09,840
the heck that looks like those torture

2054
01:22:14,990 --> 01:22:12,560
Droid from Star Wars what oh yeah yeah

2055
01:22:17,209 --> 01:22:15,000
right yes yes it looked kind of like

2056
01:22:20,149 --> 01:22:17,219
that without the projections or anything

2057
01:22:23,030 --> 01:22:20,159
but um you know the internet existed I

2058
01:22:24,830 --> 01:22:23,040
was I'm young enough that I got up and I

2059
01:22:28,189 --> 01:22:24,840
straight up I went straight to Google

2060
01:22:30,709 --> 01:22:28,199
and just typed in what I experienced and

2061
01:22:33,050 --> 01:22:30,719
then I immediately found a sufficient

2062
01:22:34,070 --> 01:22:33,060
explanation but I also look back on it

2063
01:22:36,830 --> 01:22:34,080

and I think

2064

01:22:38,510 --> 01:22:36,840

if I did not have access to that if I

2065

01:22:40,910 --> 01:22:38,520

couldn't like figure out exactly

2066

01:22:43,070 --> 01:22:40,920

immediately what I had seen I would I

2067

01:22:44,750 --> 01:22:43,080

mean a couple hundred years prior I

2068

01:22:47,330 --> 01:22:44,760

would be convinced that I was being like

2069

01:22:49,669 --> 01:22:47,340

visited by demons or something nearly

2070

01:22:52,910 --> 01:22:49,679

every culture around the world has its

2071

01:22:54,890 --> 01:22:52,920

own like slightly unique specific uh

2072

01:22:59,149 --> 01:22:54,900

Superstition based around sleep

2073

01:23:01,310 --> 01:22:59,159

paralysis old hags karashinari in Japan

2074

01:23:04,490 --> 01:23:01,320

I think that's how you say it like every

2075

01:23:07,070 --> 01:23:04,500

culture has got some kind of entity that

2076

01:23:10,130 --> 01:23:07,080

comes in kind of like explains the

2077

01:23:11,689 --> 01:23:10,140

sensations of a hypnopic or hypnagogic

2078

01:23:14,270 --> 01:23:11,699

uh hallucination along with the

2079

01:23:15,830 --> 01:23:14,280

paralysis and the kind of pushing on the

2080

01:23:19,490 --> 01:23:15,840

chest the Japanese called the choking

2081

01:23:21,890 --> 01:23:19,500

ghost you know uh the term Haggard comes

2082

01:23:23,689 --> 01:23:21,900

from being visited by the old hag which

2083

01:23:25,970 --> 01:23:23,699

was an old superstition about sleep

2084

01:23:28,490 --> 01:23:25,980

paralysis I mean it left you tired in

2085

01:23:31,430 --> 01:23:28,500

the morning so you were Haggard but

2086

01:23:33,410 --> 01:23:31,440

right but like think about that that's a

2087

01:23:35,330 --> 01:23:33,420

natural it's a natural thing that people

2088

01:23:37,430 --> 01:23:35,340

didn't explain and or couldn't explain

2089

01:23:39,110 --> 01:23:37,440

at the time and they've created a

2090

01:23:40,430 --> 01:23:39,120

folklore around it and it just became

2091

01:23:42,290 --> 01:23:40,440

kind of a

2092

01:23:44,750 --> 01:23:42,300

subconsciously known by everybody

2093

01:23:47,270 --> 01:23:44,760

culturally yeah well and it's and it's

2094

01:23:49,130 --> 01:23:47,280

it's uh an interpretive framework that

2095

01:23:51,290 --> 01:23:49,140

allows them to metabolize and integrate

2096

01:23:53,270 --> 01:23:51,300

the experience right it gives them a

2097

01:23:55,790 --> 01:23:53,280

language to talk about it it gives them

2098

01:23:58,070 --> 01:23:55,800

a framework to understand what happened

2099

01:24:00,110 --> 01:23:58,080

even if it's not pleasant right we don't

2100

01:24:01,850 --> 01:24:00,120

even have this [h__h] anymore right the

2101
01:24:04,250 --> 01:24:01,860
only places you find this kind of stuff

2102
01:24:06,470 --> 01:24:04,260
is like if you're sitting like if you're

2103
01:24:08,750 --> 01:24:06,480
like deep into the like weird Buddhist

2104
01:24:10,430 --> 01:24:08,760
[h__h] that I'm into like you're gonna

2105
01:24:12,290 --> 01:24:10,440
have language and interpretive

2106
01:24:14,689 --> 01:24:12,300
Frameworks for like when you experience

2107
01:24:17,330 --> 01:24:14,699
basically how psychedelic experiences in

2108
01:24:19,310 --> 01:24:17,340
meditation or like but like if I went

2109
01:24:21,770 --> 01:24:19,320
and talked to like the standard issue

2110
01:24:24,430 --> 01:24:21,780
doctor or therapist about this they'd be

2111
01:24:26,990 --> 01:24:24,440
totally pathologize it right like like

2112
01:24:27,709 --> 01:24:27,000
at least having these

2113
01:24:29,330 --> 01:24:27,719

um

2114

01:24:31,130 --> 01:24:29,340

even if it's something that we

2115

01:24:34,010 --> 01:24:31,140

understand from a scientific perspective

2116

01:24:36,590 --> 01:24:34,020

now like having these cultural

2117

01:24:38,990 --> 01:24:36,600

Frameworks to integrate these

2118

01:24:41,330 --> 01:24:39,000

experiences historically are deeply

2119

01:24:42,890 --> 01:24:41,340

powerful and again I think a major

2120

01:24:44,930 --> 01:24:42,900

reason is because it upends that sense

2121

01:24:47,330 --> 01:24:44,940

of isolation or freakishness that kind

2122

01:24:50,390 --> 01:24:47,340

of accompany you know these like these

2123

01:24:53,450 --> 01:24:52,310

okay do you guys are you guys familiar

2124

01:24:57,530 --> 01:24:53,460

at all with

2125

01:24:59,750 --> 01:24:57,540

um Mandela effects oh yeah this this

2126
01:25:02,030 --> 01:24:59,760
kind of meme that's uh oh yeah there's a

2127
01:25:03,229 --> 01:25:02,040
lot of news and stuff bizarre things

2128
01:25:04,729 --> 01:25:03,239
depending on take effect but this is

2129
01:25:07,010 --> 01:25:04,739
kind of like this is almost a new one

2130
01:25:09,830 --> 01:25:07,020
right this is almost a new kind of it's

2131
01:25:10,729 --> 01:25:09,840
a new meme it's coming out over like um

2132
01:25:12,530 --> 01:25:10,739
kind of

2133
01:25:15,590 --> 01:25:12,540
Collective and cultural memories of

2134
01:25:17,689 --> 01:25:15,600
thing like saying um Luke I am your

2135
01:25:19,189 --> 01:25:17,699
father Vader's line he wouldn't say that

2136
01:25:21,290 --> 01:25:19,199
in the line he says no I'm your father

2137
01:25:24,410 --> 01:25:21,300
because it's part of a sentence but if

2138
01:25:26,390 --> 01:25:24,420

you isolate that to kind of convey that

2139

01:25:28,070 --> 01:25:26,400

same scene with without the dialogue on

2140

01:25:30,890 --> 01:25:28,080

either end you say Luke

2141

01:25:34,370 --> 01:25:30,900

yeah that's how the scene is conveyed in

2142

01:25:37,310 --> 01:25:34,380

every other place except the movie so so

2143

01:25:39,590 --> 01:25:37,320

now we have a Superstition that once

2144

01:25:41,689 --> 01:25:39,600

again uh kind of revolves around

2145

01:25:43,370 --> 01:25:41,699

alternate Dimensions or alternate places

2146

01:25:46,550 --> 01:25:43,380

almost

2147

01:25:48,649 --> 01:25:46,560

uh The Ether again once again because

2148

01:25:49,910 --> 01:25:48,659

we're switching between these things I

2149

01:25:50,930 --> 01:25:49,920

think that

2150

01:25:53,689 --> 01:25:50,940

um

2151
01:25:57,050 --> 01:25:53,699
you know pop science magazines and blogs

2152
01:25:58,790 --> 01:25:57,060
uh kind of play into that to we

2153
01:26:00,890 --> 01:25:58,800
we've talked about that a little bit too

2154
01:26:03,530 --> 01:26:00,900
where like you'll get these like

2155
01:26:05,629 --> 01:26:03,540
highly theoretical physical idea is

2156
01:26:07,610 --> 01:26:05,639
getting getting tossed around on blogs

2157
01:26:09,590 --> 01:26:07,620
saying like scientists baffled by

2158
01:26:11,870 --> 01:26:09,600
something that exceeds the the

2159
01:26:13,550 --> 01:26:11,880
brightness uh that we previously oh yeah

2160
01:26:15,410 --> 01:26:13,560
yeah

2161
01:26:16,850 --> 01:26:15,420
all these like kind of pop that sound

2162
01:26:18,050 --> 01:26:16,860
really interesting and they're kind of

2163
01:26:19,550 --> 01:26:18,060

sci-fi and they're weird and they're

2164

01:26:21,590 --> 01:26:19,560

really out there they're not applicable

2165

01:26:23,450 --> 01:26:21,600

but you're serving this to a population

2166

01:26:27,110 --> 01:26:23,460

that doesn't have

2167

01:26:28,990 --> 01:26:27,120

you know a basic science understanding a

2168

01:26:31,129 --> 01:26:29,000

science education do you even like

2169

01:26:34,010 --> 01:26:31,139

interpret this kind of stuff so I think

2170

01:26:36,530 --> 01:26:34,020

that stuff just kind of propagates to

2171

01:26:38,689 --> 01:26:36,540

you know what I mean

2172

01:26:40,370 --> 01:26:38,699

oh go ahead that just kind of feeds into

2173

01:26:43,189 --> 01:26:40,380

the idea and it gives all it gives it

2174

01:26:45,050 --> 01:26:43,199

more places for these um superstitions

2175

01:26:46,970 --> 01:26:45,060

to hide because like we always talked

2176
01:26:49,189 --> 01:26:46,980
about aliens Came From Mars then from

2177
01:26:51,050 --> 01:26:49,199
Venus then the dark side of the moon but

2178
01:26:52,390 --> 01:26:51,060
we started you know sending probes there

2179
01:26:55,070 --> 01:26:52,400
and Landing

2180
01:26:57,770 --> 01:26:55,080
uh Georgia damske said he saw the dark

2181
01:26:59,510 --> 01:26:57,780
the the back side of the moon before we

2182
01:27:01,970 --> 01:26:59,520
sent any Imaging back there and said

2183
01:27:04,910 --> 01:27:01,980
that there were cities but then you know

2184
01:27:06,649 --> 01:27:04,920
our kind of cultural understanding grew

2185
01:27:08,810 --> 01:27:06,659
so they have to hide further and further

2186
01:27:11,090 --> 01:27:08,820
and I think these pop science articles

2187
01:27:12,890 --> 01:27:11,100
and stuff kind of give people because

2188
01:27:14,870 --> 01:27:12,900

they talk about multiverses and things

2189

01:27:16,790 --> 01:27:14,880

like that highly highly hypothetical

2190

01:27:18,709 --> 01:27:16,800

like I said non-phalsifiable things

2191

01:27:21,050 --> 01:27:18,719

really just kind of

2192

01:27:22,910 --> 01:27:21,060

science but then people consume that and

2193

01:27:24,470 --> 01:27:22,920

it becomes part of the lore the lore is

2194

01:27:26,270 --> 01:27:24,480

always changing

2195

01:27:27,950 --> 01:27:26,280

but I mean and that's why we see

2196

01:27:29,870 --> 01:27:27,960

constant different features with UFOs

2197

01:27:32,149 --> 01:27:29,880

like I said now they're um the Space

2198

01:27:34,250 --> 01:27:32,159

Ghost version of UFOs that can haunt

2199

01:27:36,709 --> 01:27:34,260

people it's just a new feature they're

2200

01:27:39,110 --> 01:27:36,719

not really abducting people anymore

2201
01:27:41,330 --> 01:27:39,120
Campbell says they are but don't worry

2202
01:27:44,330 --> 01:27:41,340
yeah Campbell's got some weird beliefs

2203
01:27:46,490 --> 01:27:44,340
about this stuff yeah yeah no hey it's

2204
01:27:49,750 --> 01:27:46,500
coming directly from the UK Ministry of

2205
01:27:52,790 --> 01:27:49,760
defense or I mean uh not me

2206
01:27:55,010 --> 01:27:52,800
uh let me just uh just as a final little

2207
01:27:56,030 --> 01:27:55,020
note about disclosure because um we

2208
01:27:58,129 --> 01:27:56,040
haven't really touched on it too much

2209
01:28:00,169 --> 01:27:58,139
but uh blue like Blue Book led into the

2210
01:28:01,669 --> 01:28:00,179
Condon report which was uh the United

2211
01:28:03,890 --> 01:28:01,679
States Air Force finally was like okay

2212
01:28:04,910 --> 01:28:03,900
we need to stop like bringing in these

2213
01:28:07,129 --> 01:28:04,920

reports we're getting any information

2214

01:28:10,070 --> 01:28:07,139

let's get uh what panel of University

2215

01:28:12,890 --> 01:28:10,080

experts on that they you know right now

2216

01:28:15,169 --> 01:28:12,900

we have the UAP study group in NASA

2217

01:28:18,350 --> 01:28:15,179

they're doing essentially something

2218

01:28:21,229 --> 01:28:18,360

similar at least the preliminary stages

2219

01:28:23,629 --> 01:28:21,239

um so maybe uh I'd love to just bring

2220

01:28:25,669 --> 01:28:23,639

this up it's uh just a little segment

2221

01:28:27,410 --> 01:28:25,679

from my website but the University of

2222

01:28:29,810 --> 01:28:27,420

Colorado and U.S Air Force scientific

2223

01:28:31,550 --> 01:28:29,820

study of unidentified flying objects aka

2224

01:28:35,030 --> 01:28:31,560

the common report

2225

01:28:37,270 --> 01:28:35,040

so the entire chapter seven so this is

2226
01:28:39,770 --> 01:28:37,280
what okay my opinion if we're gonna get

2227
01:28:41,750 --> 01:28:39,780
disclosure this is sort of like they're

2228
01:28:43,250 --> 01:28:41,760
gonna maybe do a repeat of what they've

2229
01:28:45,470 --> 01:28:43,260
already done because it worked it sort

2230
01:28:47,510 --> 01:28:45,480
of made it go away and stuff um so let's

2231
01:28:49,910 --> 01:28:47,520
see a disclosure tonight let's look at

2232
01:28:52,189 --> 01:28:49,920
the Colorado uh Condon report chapter

2233
01:28:54,169 --> 01:28:52,199
seven atmospheric electricity and plasma

2234
01:28:56,930 --> 01:28:54,179
interpretations of UFOs

2235
01:29:00,110 --> 01:28:56,940
so I got a whole chapter here and then

2236
01:29:01,910 --> 01:29:00,120
they just go into the descriptions of

2237
01:29:03,890 --> 01:29:01,920
ball lightning like they conclude the

2238
01:29:06,950 --> 01:29:03,900

objects with these features

2239

01:29:08,629 --> 01:29:06,960

I think they're politics they uh even go

2240

01:29:09,950 --> 01:29:08,639

into how they think electric Fields

2241

01:29:11,390 --> 01:29:09,960

might be related and might be having

2242

01:29:13,790 --> 01:29:11,400

physiological effects some people that's

2243

01:29:17,030 --> 01:29:13,800

not verified even now but in even then

2244

01:29:18,709 --> 01:29:17,040

they were saying that uh yada yada uh

2245

01:29:21,229 --> 01:29:18,719

collisions with aircraft so you got this

2246

01:29:23,149 --> 01:29:21,239

so then we got the National Academy of

2247

01:29:25,790 --> 01:29:23,159

Sciences review of the University of

2248

01:29:27,290 --> 01:29:25,800

Colorado report on unidentified flying

2249

01:29:28,850 --> 01:29:27,300

objects so the National Academy of

2250

01:29:31,669 --> 01:29:28,860

Sciences did a review of the report to

2251
01:29:36,229 --> 01:29:31,679
give an independent interpretation of

2252
01:29:39,050 --> 01:29:36,239
what happened and their conclusions were

2253
01:29:41,090 --> 01:29:39,060
there are important areas of atmospheric

2254
01:29:43,790 --> 01:29:41,100
electricity in which present knowledge

2255
01:29:45,410 --> 01:29:43,800
is quite incomplete these topics came to

2256
01:29:47,870 --> 01:29:45,420
our attention in connection with the

2257
01:29:50,030 --> 01:29:47,880
interpretation of some UFO reports

2258
01:29:51,770 --> 01:29:50,040
research efforts are being carried out

2259
01:29:54,350 --> 01:29:51,780
in these areas by the default Department

2260
01:29:56,330 --> 01:29:54,360
of Defense and the National Aeronautics

2261
01:29:59,570 --> 01:29:56,340
and Space Administration

2262
01:30:01,129 --> 01:29:59,580
and that's how they concluded it so they

2263
01:30:02,750 --> 01:30:01,139

don't say like oh UFOs are real or

2264

01:30:04,430 --> 01:30:02,760

aren't real but the report says like

2265

01:30:06,229 --> 01:30:04,440

well we don't know but you know there

2266

01:30:08,390 --> 01:30:06,239

are these objects they have every

2267

01:30:10,550 --> 01:30:08,400

quality that people are attributing to

2268

01:30:11,750 --> 01:30:10,560

these objects and you know here's the

2269

01:30:14,270 --> 01:30:11,760

independent review by the national

2270

01:30:16,189 --> 01:30:14,280

National Academy of Sciences and they're

2271

01:30:17,930 --> 01:30:16,199

saying these are the important areas and

2272

01:30:20,810 --> 01:30:17,940

they are actually already being

2273

01:30:22,729 --> 01:30:20,820

investigated by the dod in NASA so I

2274

01:30:24,649 --> 01:30:22,739

mean is that disclosure I don't know

2275

01:30:26,510 --> 01:30:24,659

it's kind of disclosure the kind of

2276
01:30:27,229 --> 01:30:26,520
disclosure that we're probably headed

2277
01:30:28,910 --> 01:30:27,239
for

2278
01:30:31,490 --> 01:30:28,920
mm-hmm

2279
01:30:33,649 --> 01:30:31,500
there is no objective disclosure it's

2280
01:30:35,030 --> 01:30:33,659
all subjective to each person based on

2281
01:30:39,770 --> 01:30:35,040
whichever

2282
01:30:43,270 --> 01:30:39,780
flavor of UFOs they like the most yes I

2283
01:30:47,750 --> 01:30:43,280
don't know actually it's coming soon

2284
01:30:50,510 --> 01:30:47,760
it's coming tomorrow I've been told this

2285
01:30:53,629 --> 01:30:50,520
year big things up until tonight that's

2286
01:30:56,390 --> 01:30:53,639
what I heard that's just our show it was

2287
01:30:57,830 --> 01:30:56,400
just clickbait man yeah

2288
01:30:59,990 --> 01:30:57,840

um

2289

01:31:03,770 --> 01:31:00,000

I swear at the bottom of the hour yeah

2290

01:31:07,129 --> 01:31:03,780

I'm tired man I need my beauty sleep

2291

01:31:10,070 --> 01:31:07,139

yeah well uh well let's wrap it up I am

2292

01:31:16,250 --> 01:31:10,080

not gonna be here next week

2293

01:31:20,810 --> 01:31:18,950

gonna have to figure it out I am I'm

2294

01:31:22,070 --> 01:31:20,820

gonna slide into some DMS this way you

2295

01:31:24,950 --> 01:31:22,080

can see who I can rope into a

2296

01:31:26,629 --> 01:31:24,960

conversation maybe grab Jay or Vanessa

2297

01:31:28,610 --> 01:31:26,639

um Nick let's you and I coordinate I'd

2298

01:31:30,950 --> 01:31:28,620

love to do like some side we like dude

2299

01:31:33,790 --> 01:31:30,960

let's talk about uh JB Ryan and the Duke

2300

01:31:36,169 --> 01:31:33,800

parapsychology lab

2301
01:31:38,090 --> 01:31:36,179
I need to brush up on a lot of that

2302
01:31:40,430 --> 01:31:38,100
because it has been aside from that

2303
01:31:42,410 --> 01:31:40,440
little Excursion we did in episode four

2304
01:31:44,330 --> 01:31:42,420
or whatever the hell it was yeah it's

2305
01:31:45,830 --> 01:31:44,340
been years I gotta brush up I got a

2306
01:31:48,890 --> 01:31:45,840
couple of books uh Stacy horns

2307
01:31:50,930 --> 01:31:48,900
unbelievable I got so good

2308
01:31:52,610 --> 01:31:50,940
called parapsychology controversial

2309
01:31:55,250 --> 01:31:52,620
science I think which also goes sitting

2310
01:31:56,760 --> 01:31:55,260
in my Amazon cart supposed to be there

2311
01:31:59,629 --> 01:31:56,770
the one yes

2312
01:32:02,030 --> 01:31:59,639
[Music]

2313
01:32:05,330 --> 01:32:02,040

not worth digging into those that

2314

01:32:07,189 --> 01:32:05,340

fun times flawed experiments but you

2315

01:32:10,550 --> 01:32:07,199

know cool kooky stories and stuff like

2316

01:32:13,129 --> 01:32:10,560

that and like Academia taking

2317

01:32:14,930 --> 01:32:13,139

weird stuff seriously for a bit I mean

2318

01:32:16,430 --> 01:32:14,940

you could there was a brief period from

2319

01:32:19,310 --> 01:32:16,440

I think two different schools where you

2320

01:32:19,970 --> 01:32:19,320

could get degrees in parapsychology I

2321

01:32:27,649 --> 01:32:19,980

think

2322

01:32:29,930 --> 01:32:27,659

yes incredible so cool

2323

01:32:31,310 --> 01:32:29,940

I hope they can do something with it

2324

01:32:32,110 --> 01:32:31,320

you know

2325

01:32:34,129 --> 01:32:32,120

um

2326
01:32:36,470 --> 01:32:34,139
but I mean like what do you do with any

2327
01:32:39,470 --> 01:32:36,480
degree I wouldn't know don't ask me on

2328
01:32:44,750 --> 01:32:43,370
but anyway yeah that man yeah I have

2329
01:32:48,169 --> 01:32:44,760
just been spitting about you up close

2330
01:32:50,030 --> 01:32:48,179
for too long and I don't know and Duncan

2331
01:32:52,729 --> 01:32:50,040
dude I would love to bring him on I'm I

2332
01:32:55,729 --> 01:32:52,739
actually I I like EXO quite a bit

2333
01:32:59,770 --> 01:32:55,739
uh reading some of the comments here

2334
01:33:04,129 --> 01:33:01,970
wrong comment

2335
01:33:06,530 --> 01:33:04,139
um would love to chat with him I think

2336
01:33:08,629 --> 01:33:06,540
think highly of them appreciate his um a

2337
01:33:09,490 --> 01:33:08,639
lot of a lot of what he says

2338
01:33:12,770 --> 01:33:09,500

um

2339

01:33:14,870 --> 01:33:12,780

I'm not sure he's an ins guest candidate

2340

01:33:17,930 --> 01:33:14,880

uh thanks to these degenerates that I

2341

01:33:20,390 --> 01:33:17,940

hang out with uh

2342

01:33:22,250 --> 01:33:20,400

not you Nick I'm talking about Lewis

2343

01:33:24,229 --> 01:33:22,260

currently suspended from Twitter for

2344

01:33:26,629 --> 01:33:24,239

like the fifth time

2345

01:33:32,149 --> 01:33:26,639

um let's go for a good cause yeah you

2346

01:33:34,790 --> 01:33:33,290

incredible

2347

01:33:38,270 --> 01:33:34,800

all right

2348

01:33:39,649 --> 01:33:38,280

currently working on anything I'm

2349

01:33:42,470 --> 01:33:39,659

reading that book that just came out

2350

01:33:44,870 --> 01:33:42,480

recently that's uh that's 700 page one

2351
01:33:46,370 --> 01:33:44,880
yeah the reliability of UFO witness

2352
01:33:48,950 --> 01:33:46,380
testimony I think is what it's called

2353
01:33:50,510 --> 01:33:48,960
it's got that uh yes it's a collection

2354
01:33:53,510 --> 01:33:50,520
of essays by a bunch of people it

2355
01:33:56,090 --> 01:33:53,520
dropped it's free to download the whole

2356
01:33:57,830 --> 01:33:56,100
thing it's really cool uh so far I mean

2357
01:34:05,930 --> 01:33:57,840
I have some comments on the first little

2358
01:34:09,169 --> 01:34:06,709
um

2359
01:34:12,530 --> 01:34:09,179
all right everybody well that's another

2360
01:34:14,030 --> 01:34:12,540
week on UFO land I hope you had a good

2361
01:34:15,350 --> 01:34:14,040
time watching

2362
01:34:17,149 --> 01:34:15,360
all right we'll see you all next

2363
01:34:27,090 --> 01:34:17,159

Wednesday

2364

01:34:35,460 --> 01:34:33,129

[Music]

2365

01:35:03,010 --> 01:34:35,470

thank you

2366

01:35:05,600 --> 01:35:03,020

[Music]

2367

01:35:09,070 --> 01:35:05,610

[Applause]

2368

01:35:11,270 --> 01:35:09,080

[Music]

2369

01:35:35,990 --> 01:35:11,280

thank you
