

1  
00:00:29,300 --> 00:01:29,250

is it actually working now

2  
00:02:19,850 --> 00:02:05,090

you

3  
00:02:27,500 --> 00:02:22,850

all right I have no idea what white work

4  
00:02:31,070 --> 00:02:27,510

now but let me just give it a couple of

5  
00:02:50,220 --> 00:02:31,080

minutes for people to come on like six

6  
00:03:05,160 --> 00:02:57,190

this there is no

7  
00:03:05,170 --> 00:03:30,490

you

8  
00:03:33,430 --> 00:03:32,000

all right

9  
00:03:40,420 --> 00:03:33,440

[Music]

10  
00:03:43,960 --> 00:03:40,430

and we have bad audio it's a some sort

11  
00:03:51,610 --> 00:03:43,970

of interference it might be the UFO

12  
00:03:59,680 --> 00:03:51,620

outside my window you can still hear

13  
00:04:02,110 --> 00:03:59,690

right yeah I don't know I don't know

14

00:04:10,510 --> 00:04:02,120

what that interference is but and it's

15

00:04:15,730 --> 00:04:10,520

it's clear good levels good little curse

16

00:04:17,620 --> 00:04:15,740

all right I'm gonna mute this and if I

17

00:04:22,020 --> 00:04:17,630

cut out just tell me so I'll just go

18

00:04:24,910 --> 00:04:22,030

back to last last year April April 2019

19

00:04:27,460 --> 00:04:24,920

get a message from Giuliano saying you

20

00:04:29,290 --> 00:04:27,470

know was me Chris and Danny and Giuliano

21

00:04:30,670 --> 00:04:29,300

says check this out

22

00:04:34,840 --> 00:04:30,680

because I saved it just in case he gets

23

00:04:36,850 --> 00:04:34,850

deleted and I looked at it and you know

24

00:04:38,860 --> 00:04:36,860

it was documents talking about a

25

00:04:41,230 --> 00:04:38,870

conversation and a car in Vegas I'm like

26

00:04:44,500 --> 00:04:41,240

what is this so I quickly figured out

27

00:04:49,090 --> 00:04:44,510

once he said you know was Admiral Wilson

28

00:04:50,470 --> 00:04:49,100

oh my god 96 97 I remember I saw I was

29

00:04:53,680 --> 00:04:50,480

listening to coast to coast back then

30

00:04:55,990 --> 00:04:53,690

and Steven Greer was on and I don't

31

00:04:59,020 --> 00:04:56,000

remember if I had gone sour on Greer at

32

00:05:02,800 --> 00:04:59,030

that point so it was 97 I'm not sure

33

00:05:04,920 --> 00:05:02,810

when he first started talking so I heard

34

00:05:07,750 --> 00:05:04,930

you know he said that he briefed some

35

00:05:11,710 --> 00:05:07,760

Joint Chiefs guy in the Pentagon I was

36

00:05:13,210 --> 00:05:11,720

like what come on but you know it's the

37

00:05:15,550 --> 00:05:13,220

way he was telling the story I was like

38

00:05:19,900 --> 00:05:15,560

all right well let me listen to this and

39

00:05:21,940 --> 00:05:19,910

um you know the guy he told them this is

40

00:05:23,530 --> 00:05:21,950

some information about UFOs here you go

41

00:05:25,810 --> 00:05:23,540

here the here are the files and

42

00:05:28,360 --> 00:05:25,820

supposedly this person was like III

43

00:05:31,930 --> 00:05:28,370

can't get access to this information you

44

00:05:33,460 --> 00:05:31,940

know so I I don't know what what you're

45

00:05:35,830 --> 00:05:33,470

doing and you you're getting it and I'm

46

00:05:37,420 --> 00:05:35,840

the Joint Chiefs j2 and I can't expose

47

00:05:38,860 --> 00:05:37,430

the Joint Chiefs they advise the

48

00:05:41,170 --> 00:05:38,870

president they're pretty high up in the

49

00:05:44,050 --> 00:05:41,180

Pentagon and he was saying to Grier they

50

00:05:46,870 --> 00:05:44,060

could not get this information so that

51  
00:05:53,800 --> 00:05:46,880  
was 97 and with him was his middle

52  
00:05:57,010 --> 00:05:53,810  
Terry advisor will Miller a six man to

53  
00:05:59,680 --> 00:05:57,020  
walk on the moon Edgar Mitchell Grier

54  
00:06:01,150 --> 00:05:59,690  
had his assistant Shari Adamiak who

55  
00:06:02,920 --> 00:06:01,160  
later died having a really aggressive

56  
00:06:05,320 --> 00:06:02,930  
cancer and they had it

57  
00:06:06,340 --> 00:06:05,330  
Eisenhower witness Stephen Lufkin who I

58  
00:06:08,740 --> 00:06:06,350  
haven't talked about because he's

59  
00:06:10,780 --> 00:06:08,750  
controversial if you look him up

60  
00:06:12,520 --> 00:06:10,790  
Kevin Randle did some work on him his

61  
00:06:16,360 --> 00:06:12,530  
title was controversial so you know I

62  
00:06:17,770 --> 00:06:16,370  
just wanted to leave that out so that so

63  
00:06:19,300 --> 00:06:17,780

that was April 10th

64

00:06:22,510 --> 00:06:19,310

I think on the 9th they had briefed

65

00:06:24,580 --> 00:06:22,520

Congress in a private meeting members of

66

00:06:26,380 --> 00:06:24,590

Congress different offices I think there

67

00:06:30,910 --> 00:06:26,390

was somebody from Al Gore Vice President

68

00:06:33,580 --> 00:06:30,920

Al Gore Al Gore's office so that was it

69

00:06:35,320 --> 00:06:33,590

and so he talked about it and I didn't

70

00:06:37,150 --> 00:06:35,330

he went on to talk about it more he

71

00:06:41,350 --> 00:06:37,160

wrote about it in his book in September

72

00:06:45,580 --> 00:06:41,360

12 2000 2001 the day after 9/11 he spoke

73

00:06:50,440 --> 00:06:45,590

about it in you guys having problems

74

00:06:51,790 --> 00:06:50,450

with comments I could see whoever's

75

00:06:53,230 --> 00:06:51,800

posting so anyway let me just go through

76

00:06:54,370 --> 00:06:53,240

the story unless you haven't heard it if

77

00:06:56,250 --> 00:06:54,380

you've heard it before tell me and I

78

00:07:00,910 --> 00:06:56,260

won't you could just ask questions but

79

00:07:02,590 --> 00:07:00,920

2001 September 12th Grier was in

80

00:07:04,270 --> 00:07:02,600

Portland and that's when he first named

81

00:07:07,030 --> 00:07:04,280

he said it was Admiral Wilson he was a

82

00:07:10,870 --> 00:07:07,040

Joint Chiefs of Staff but I I didn't

83

00:07:12,370 --> 00:07:10,880

know that until last year I didn't I

84

00:07:16,990 --> 00:07:12,380

didn't follow I didn't follow every

85

00:07:22,060 --> 00:07:17,000

lecture Grier did so my next step was to

86

00:07:24,670 --> 00:07:22,070

year 2000 2000 I go my friend is hosting

87

00:07:27,460 --> 00:07:24,680

a public access show in Tampa Malcolm

88

00:07:29,620 --> 00:07:27,470

and UFOs and metaphysics he's like I

89

00:07:31,750 --> 00:07:29,630

have this guest coming on tonight will

90

00:07:33,880 --> 00:07:31,760

Miller and I'm like who's will Miller

91

00:07:35,830 --> 00:07:33,890

he's like he is he's connected to dr.

92

00:07:37,390 --> 00:07:35,840

Greer my friend was a big Greer fan I

93

00:07:39,610 --> 00:07:37,400

think at that point I had soured because

94

00:07:42,160 --> 00:07:39,620

I remember saying yeah not a big fan but

95

00:07:43,690 --> 00:07:42,170

you know I'll check it out so I did

96

00:07:45,370 --> 00:07:43,700

check it out and he sounded really you

97

00:07:47,500 --> 00:07:45,380

know solid disguise a commander and

98

00:07:50,260 --> 00:07:47,510

talking about briefing people in the

99

00:07:53,350 --> 00:07:50,270

Pentagon and like so afterwards I wrote

100

00:07:57,219 --> 00:07:53,360

him and he became part of my open my

101

00:08:00,670 --> 00:07:57,229

news letter which I started in thanks

102

00:08:03,969 --> 00:08:00,680

red panda I started the newsletter in

103

00:08:07,330 --> 00:08:03,979

I think it was around 99 something like

104

00:08:08,860 --> 00:08:07,340

that and by 2000 I was working with the

105

00:08:12,430 --> 00:08:08,870

city of Tampa television I was 8 years

106

00:08:16,150 --> 00:08:12,440

into my television producer / director /

107

00:08:18,520 --> 00:08:16,160

camera / whatever and I was just bored

108

00:08:20,469 --> 00:08:18,530

oh it's like I get out of here so I had

109

00:08:22,600 --> 00:08:20,479

my newsletter going had 800 subscribers

110

00:08:24,249 --> 00:08:22,610

no but but they were willing I said you

111

00:08:25,510 --> 00:08:24,259

guys willing to pay 30 bucks a month if

112

00:08:26,830 --> 00:08:25,520

I do this consistently and they're like

113

00:08:28,810 --> 00:08:26,840

yeah I'm like okay if I get enough

114

00:08:30,189 --> 00:08:28,820

people I got a thousand subscribers you

115

00:08:32,949 --> 00:08:30,199

know that'll pay my bills and be able to

116

00:08:37,480 --> 00:08:32,959

save some money so I quit my job two

117

00:08:38,769 --> 00:08:37,490

years short of my pension and the next

118

00:08:42,130 --> 00:08:38,779

couple of months I dropped the ball I

119

00:08:44,590 --> 00:08:42,140

just didn't do it enough so I met

120

00:08:47,110 --> 00:08:44,600

somebody from Norway and my next plan

121

00:08:50,410 --> 00:08:47,120

was to move to Norway and live with her

122

00:08:53,530 --> 00:08:50,420

and gamble online playing blackjack to

123

00:08:55,360 --> 00:08:53,540

pay the bills that was my plan so I

124

00:08:58,360 --> 00:08:55,370

moved back to me I put all my stuff in

125

00:09:02,280 --> 00:08:58,370

storage drove to New York had a flight

126

00:09:05,769 --> 00:09:02,290

to Norway it was July 2000 thingis

127

00:09:09,160 --> 00:09:05,779

2000-2001 but around either 2000 2001 so

128

00:09:11,019 --> 00:09:09,170

I put my stuff in storage I was about to

129

00:09:14,800 --> 00:09:11,029

head to Norway a week before my flight

130

00:09:16,440 --> 00:09:14,810

she she emailed me we had spoken on the

131

00:09:19,740 --> 00:09:16,450

phone a lot she emailed me said hey

132

00:09:22,449 --> 00:09:19,750

don't come home at somebody else so that

133

00:09:24,310 --> 00:09:22,459

was so I was devastated but I was back

134

00:09:26,380 --> 00:09:24,320

in New York and I'm trying to I'm trying

135

00:09:29,320 --> 00:09:26,390

to figure out why am I telling you it's

136

00:09:31,510 --> 00:09:29,330

2000 so anyway yeah so I get back at the

137

00:09:33,100 --> 00:09:31,520

television I dropped the ball on the

138

00:09:45,150 --> 00:09:33,110

newsletter get back at the television my

139

00:09:55,210 --> 00:09:48,610

here's a specific example I'm about to

140

00:09:57,940 --> 00:09:55,220

shoot this five-year-old girl and one of

141

00:09:59,800 --> 00:09:57,950

the executives who she said this is what

142

00:10:16,440 --> 00:09:59,810

I want I want me to get extreme shots

143

00:10:16,450 --> 00:10:24,200

[Music]

144

00:10:40,680 --> 00:10:32,570

you're losing it hi damn new world order
