

1  
00:00:31,220 --> 00:00:05,150  
let's see how long this one lasts all

2  
00:00:33,830 --> 00:00:31,230  
right right cookie let's see and of

3  
00:00:54,080 --> 00:00:33,840  
course this is probably the wrong

4  
00:01:04,740 --> 00:00:57,540  
look we're live again amazing amazing

5  
00:01:06,899 --> 00:01:04,750  
let's see how long this one works I will

6  
00:01:10,080 --> 00:01:06,909  
talk as fast as I can and get everything

7  
00:01:15,139 --> 00:01:10,090  
in in 30 seconds let's just go with

8  
00:01:23,639 --> 00:01:15,149  
questions let's just go with questions

9  
00:01:25,410 --> 00:01:23,649  
yeah it works for now we'll see ya ask

10  
00:01:29,219 --> 00:01:25,420  
questions let's go from there because

11  
00:01:32,760 --> 00:01:29,229  
I'll start off so got a message from

12  
00:01:34,620 --> 00:01:32,770  
somebody who actually confirmed the

13  
00:01:37,279 --> 00:01:34,630

documents to me a while back after

14

00:01:40,109 --> 00:01:37,289

saying they weren't real

15

00:01:41,370 --> 00:01:40,119

and then today gave me more confirmation

16

00:01:43,020 --> 00:01:41,380

some other stuff that I had already

17

00:01:44,430 --> 00:01:43,030

heard and I already knew it was knit I

18

00:01:46,770 --> 00:01:44,440

already knew it was true but it's still

19

00:01:53,090 --> 00:01:46,780

always nice to get somebody who's in the

20

00:01:58,109 --> 00:01:56,279

trying to go another another source went

21

00:01:59,790 --> 00:01:58,119

dark and we'll be going dark for the

22

00:02:03,029 --> 00:01:59,800

foreseeable future which I understand

23

00:02:06,029 --> 00:02:03,039

and I don't really want to name them but

24

00:02:11,670 --> 00:02:06,039

that was not wasn't it's a shock but you

25

00:02:14,250 --> 00:02:11,680

know hopefully he's okay so I'm sure he

26

00:02:16,320 --> 00:02:14,260

is it's just it's gonna be crazy people

27

00:02:17,430 --> 00:02:16,330

have no idea if everything we think is

28

00:02:20,850 --> 00:02:17,440

gonna happen is gonna happen

29

00:02:22,850 --> 00:02:20,860

you know happens so yeah as far as I

30

00:02:25,440 --> 00:02:22,860

know but other yeah the times but

31

00:02:28,050 --> 00:02:25,450

supposedly other places finally caught

32

00:02:30,500 --> 00:02:28,060

up it's like where have you been have

33

00:02:33,390 --> 00:02:30,510

you read my blog I'm just kidding but

34

00:02:35,130 --> 00:02:33,400

yeah they have been playing catch up so

35

00:02:36,690 --> 00:02:35,140

now they have caught up and finally

36

00:02:39,750 --> 00:02:36,700

realized what's going on it's funny the

37

00:02:41,369 --> 00:02:39,760

other day the other day I had I had

38

00:02:43,440 --> 00:02:41,379

message you know I saw Brian Boyle from

39

00:02:45,210 --> 00:02:43,450

Politico said that you know he he

40

00:02:48,210 --> 00:02:45,220

criticized the whole thing so I said

41

00:02:50,220 --> 00:02:48,220

just what's your email and he ignored it

42

00:02:52,290 --> 00:02:50,230

or he didn't see it whatever and then

43

00:02:53,460 --> 00:02:52,300

two days ago he responded here it is so

44

00:02:54,839 --> 00:02:53,470

you've probably heard something was

45

00:03:01,459 --> 00:02:54,849

going on but I have not had time to get

46

00:03:05,849 --> 00:03:04,319

no I do not have enough and their

47

00:03:07,530 --> 00:03:05,859

they're moving forward so it's it's

48

00:03:09,420 --> 00:03:07,540

another stage it's not the final stage

49

00:03:11,190 --> 00:03:09,430

but it's another stage and other plate

50

00:03:13,380 --> 00:03:11,200

other people will pick it up it's not

51  
00:03:15,990 --> 00:03:13,390  
gonna be me it's gonna be either the

52  
00:03:17,849 --> 00:03:16,000  
post if they have it New York Times New

53  
00:03:19,410 --> 00:03:17,859  
York Post may be the Washington Post but

54  
00:03:21,030 --> 00:03:19,420  
now that the New York Times knows

55  
00:03:22,470 --> 00:03:21,040  
they're onto them I don't see them

56  
00:03:24,030 --> 00:03:22,480  
dropping the story there's no way I

57  
00:03:26,030 --> 00:03:24,040  
heard it was two stories I'm not sure if

58  
00:03:28,020 --> 00:03:26,040  
that was Grant Cameron said that but

59  
00:03:29,369 --> 00:03:28,030  
there's enough there and I'm sure

60  
00:03:37,710 --> 00:03:29,379  
they'll do follow-ups and people are

61  
00:03:39,659 --> 00:03:37,720  
gonna freak out so I'm excited and the

62  
00:03:41,250 --> 00:03:39,669  
other stuff I'm not you know maybe

63  
00:03:42,990 --> 00:03:41,260

depending how long we go I can get into

64

00:03:45,059 --> 00:03:43,000

the controversial stuff but you know

65

00:03:47,309 --> 00:03:45,069

when I first I've talked about when I

66

00:03:49,379 --> 00:03:47,319

first heard DeLong on Jimmy Church and

67

00:03:51,839 --> 00:03:49,389

he was like I know stuff people don't

68

00:03:53,520 --> 00:03:51,849

know and I'm like come on and I stopped

69

00:03:56,490 --> 00:03:53,530

watching it I stopped watching listening

70

00:03:58,679 --> 00:03:56,500

I had him on my facebook coming up first

71

00:04:00,479 --> 00:03:58,689

and then I'm like nope no more I don't

72

00:04:01,679 --> 00:04:00,489

want to hear this guy and then I thought

73

00:04:04,949 --> 00:04:01,689

about it I saw some of the WikiLeaks

74

00:04:06,869 --> 00:04:04,959

stuff and I'm like alright maybe he

75

00:04:10,229 --> 00:04:06,879

actually knows something and now seeing

76

00:04:12,809 --> 00:04:10,239

I read like what I said when I first

77

00:04:14,309 --> 00:04:12,819

read the gods of eating back in 96 I I

78

00:04:17,310 --> 00:04:14,319

was interested and I thought it was cool

79

00:04:18,479 --> 00:04:17,320

but forgot about it now it's like full

80

00:04:20,939 --> 00:04:18,489

circle and I don't really want to talk

81

00:04:23,610 --> 00:04:20,949

about that too much because people need

82

00:04:26,100 --> 00:04:23,620

to start slow but we're actually going

83

00:04:28,320 --> 00:04:26,110

to crash retrieval one year after an

84

00:04:37,830 --> 00:04:28,330

unidentified started so I did not expect

85

00:04:39,749 --> 00:04:37,840

that so that's exciting I have no idea I

86

00:04:41,370 --> 00:04:39,759

say things are crazy because the New

87

00:04:43,620 --> 00:04:41,380

York Times is doing an article on crash

88

00:04:46,260 --> 00:04:43,630

retrievals I mean come on who thought

89

00:04:47,219 --> 00:04:46,270

that would happen that alone people are

90

00:04:49,200 --> 00:04:47,229

going to read that remember the first

91

00:04:52,200 --> 00:04:49,210

one was uh I think was like their most

92

00:04:54,839 --> 00:04:52,210

widely read article it was like millions

93

00:04:57,779 --> 00:04:54,849

of hits this one people are it's gonna

94

00:04:59,790 --> 00:04:57,789

go all over the world again and um I

95

00:05:01,230 --> 00:04:59,800

just need to see we need to see what

96

00:05:03,390 --> 00:05:01,240

they have you know who knows what they

97

00:05:04,950 --> 00:05:03,400

have I don't know but if they're doing a

98

00:05:08,339 --> 00:05:04,960

story and it gets approved you know it's

99

00:05:09,870 --> 00:05:08,349

good and other places will dig in maybe

100

00:05:10,980 --> 00:05:09,880

some other witnesses feel comfortable

101  
00:05:12,959 --> 00:05:10,990  
and they'll come out and say yeah I

102  
00:05:14,550 --> 00:05:12,969  
worked on a program that's we hope maybe

103  
00:05:15,040 --> 00:05:14,560  
they have an anonymous person that was

104  
00:05:17,230 --> 00:05:15,050  
in one of those

105  
00:05:18,670 --> 00:05:17,240  
programs so I don't know what's in the I

106  
00:05:20,260 --> 00:05:18,680  
don't I know nothing about what's in

107  
00:05:21,610 --> 00:05:20,270  
there but you know when people are

108  
00:05:27,330 --> 00:05:21,620  
saying well less you clean says there's

109  
00:05:31,960 --> 00:05:30,640  
know nothing about the article so you're

110  
00:05:33,790 --> 00:05:31,970  
gonna ask me about Roswell I don't I

111  
00:05:41,379 --> 00:05:33,800  
know nothing about the article I have

112  
00:05:43,689 --> 00:05:41,389  
hopes you know Chris bludso story is is

113  
00:05:46,600 --> 00:05:43,699

different the longer saying these things

114

00:05:49,570 --> 00:05:46,610

are bad I think they're bad a week ago I

115

00:05:51,070 --> 00:05:49,580

would have said T opposite Eric Davis is

116

00:05:52,540 --> 00:05:51,080

telling me all yo Falls are bad I'm

117

00:05:54,490 --> 00:05:52,550

right all right I'm gonna write Eric I'm

118

00:05:56,980 --> 00:05:54,500

gonna argue with him what is he talking

119

00:05:58,209 --> 00:05:56,990

about we have experiencers and then I

120

00:06:00,550 --> 00:05:58,219

read some things and it clicked in my

121

00:06:02,860 --> 00:06:00,560

head I'm like he might be right you know

122

00:06:04,360 --> 00:06:02,870

and Jacques Ballet's has talked about

123

00:06:05,589 --> 00:06:04,370

that it's not like it's just him as

124

00:06:07,330 --> 00:06:05,599

other people and not first I thought it

125

00:06:09,309 --> 00:06:07,340

was just Eric being in the defense

126

00:06:11,559 --> 00:06:09,319

industry and that mindset you know it's

127

00:06:13,300 --> 00:06:11,569

negative but you know you at skinwalker

128

00:06:15,999 --> 00:06:13,310

ranch when something takes over your

129

00:06:17,860 --> 00:06:16,009

mind and actually freezes you in place

130

00:06:20,589 --> 00:06:17,870

and a voice comes in with multiple male

131

00:06:23,439 --> 00:06:20,599

voices saying we're watching you that's

132

00:06:24,700 --> 00:06:23,449

not a good thing so that's partly I'm

133

00:06:26,709 --> 00:06:24,710

sure that's partly where he has that

134

00:06:28,240 --> 00:06:26,719

idea from but you know he hang he does

135

00:06:30,899 --> 00:06:28,250

that he did the paper aren't with jock

136

00:06:32,920 --> 00:06:30,909

fillet with all the effects of UFO so a

137

00:06:34,269 --> 00:06:32,930

lot of Jacques fillet stuff you know

138

00:06:36,219 --> 00:06:34,279

talks about the negativity and I have

139

00:06:38,230 --> 00:06:36,229

not read a lot I have his books on order

140

00:06:39,610 --> 00:06:38,240

and I will read them but it's time to

141

00:06:41,170 --> 00:06:39,620

catch up and a lot of people are gonna

142

00:06:42,939 --> 00:06:41,180

be desperate for information which is

143

00:06:45,700 --> 00:06:42,949

good for me good for other people doing

144

00:06:46,990 --> 00:06:45,710

this it's not just me all the people

145

00:06:49,209 --> 00:06:47,000

hide this information but mainstream

146

00:06:50,830 --> 00:06:49,219

media was a little slow a star is the

147

00:06:52,869 --> 00:06:50,840

crash retrievals stuff not the other

148

00:06:55,029 --> 00:06:52,879

stuff is years away there's no way are

149

00:06:56,890 --> 00:06:55,039

they going from crash retrieval to these

150

00:06:58,240 --> 00:06:56,900

things may be influencing humanity since

151  
00:06:59,950 --> 00:06:58,250  
the beginning of time yeah that's not

152  
00:07:02,230 --> 00:06:59,960  
happening anytime soon but people will

153  
00:07:03,700 --> 00:07:02,240  
ask that and I will cover that but it's

154  
00:07:05,050 --> 00:07:03,710  
an opinion right now I can't prove it

155  
00:07:06,820 --> 00:07:05,060  
the New York Times stuff I was so sure

156  
00:07:08,769 --> 00:07:06,830  
about cuz I had so many sources and all

157  
00:07:10,709 --> 00:07:08,779  
the pieces put together and and we had

158  
00:07:13,240 --> 00:07:10,719  
the original New York Times audio which

159  
00:07:15,939 --> 00:07:13,250  
which I could probably impersonate a

160  
00:07:18,309 --> 00:07:15,949  
little bit I'm looking at questions

161  
00:07:22,779 --> 00:07:18,319  
let's see yeah I don't know I'm not

162  
00:07:26,889 --> 00:07:22,789  
gonna talk about beings have not read

163  
00:07:30,029 --> 00:07:26,899

the secret machine stuff nobody on the

164

00:07:33,790 --> 00:07:30,039

article is feeding me stuff

165

00:07:34,959 --> 00:07:33,800

northern island yes all right let me

166

00:07:39,029 --> 00:07:34,969

just tell you the New York Times story

167

00:07:41,589 --> 00:07:39,039

so Juliano who knows all that's going on

168

00:07:44,290 --> 00:07:41,599

and I don't want to embarrass Ralph but

169

00:07:45,730 --> 00:07:44,300

I will tone it down a little bit so New

170

00:07:48,820 --> 00:07:45,740

York Times you know supposedly

171

00:07:51,580 --> 00:07:48,830

we get a message rich not what's the

172

00:07:52,170 --> 00:07:51,590

paranormal lawyer Michael hall is that

173

00:07:54,909 --> 00:07:52,180

it

174

00:07:56,140 --> 00:07:54,919

you guys know his name anyway so he's

175

00:07:58,149 --> 00:07:56,150

going live because yeah he's gonna live

176

00:08:00,580 --> 00:07:58,159

robber al Blumenthal is calling in we're

177

00:08:03,670 --> 00:08:00,590

gonna talk a Wilson Davis documents on

178

00:08:05,830 --> 00:08:03,680

Mike no way so we tuned in and sure

179

00:08:07,240 --> 00:08:05,840

enough Blumenthal calls in and they

180

00:08:10,869 --> 00:08:07,250

start talking about the background of

181

00:08:12,490 --> 00:08:10,879

the of the story so listening and

182

00:08:13,719 --> 00:08:12,500

listening and at the very I'm like I'm

183

00:08:15,580 --> 00:08:13,729

not sure if this is supposed to be going

184

00:08:19,659 --> 00:08:15,590

out live supposedly he he knows it's

185

00:08:20,559 --> 00:08:19,669

going out live so I Michael Hall so I at

186

00:08:23,469 --> 00:08:20,569

the very end

187

00:08:26,740 --> 00:08:23,479

Blumenthal goes and here's my cell phone

188

00:08:29,800 --> 00:08:26,750

number I'm like oh this there's a

189

00:08:32,920 --> 00:08:29,810

miscommunication get a pen so I got a

190

00:08:34,600 --> 00:08:32,930

pen wrote down Ralph's number texted him

191

00:08:38,380 --> 00:08:34,610

said I had a quote from Davis which is

192

00:08:41,009 --> 00:08:38,390

in my article no response he calls back

193

00:08:43,959 --> 00:08:41,019

again nobody has heard this but it is

194

00:08:46,600 --> 00:08:43,969

it's funny because he's flipping out

195

00:08:48,160 --> 00:08:46,610

because he told hall somewhere along the

196

00:08:50,590 --> 00:08:48,170

line this was supposed to be discreet

197

00:08:52,750 --> 00:08:50,600

and now everybody heard it he's getting

198

00:08:54,730 --> 00:08:52,760

phone calls on his phone from people

199

00:08:58,780 --> 00:08:54,740

hello Ralph had a UFO sighting last

200

00:09:02,319 --> 00:08:58,790

night could you help me out so huh so he

201  
00:09:04,750 --> 00:09:02,329  
uh he asked Paul to take it down came

202  
00:09:06,610 --> 00:09:04,760  
down we had copies the whole time so we

203  
00:09:08,410 --> 00:09:06,620  
knew about it but we wanted to give them

204  
00:09:09,400 --> 00:09:08,420  
a room so we didn't talk about it let

205  
00:09:11,800 --> 00:09:09,410  
the New York Times do what they were

206  
00:09:13,780 --> 00:09:11,810  
doing I live-tweeted the whole thing and

207  
00:09:15,759 --> 00:09:13,790  
pulled it down not because anybody asked

208  
00:09:17,370 --> 00:09:15,769  
me I'm like you know what let them this

209  
00:09:20,470 --> 00:09:17,380  
is such a big story give them some space

210  
00:09:22,000 --> 00:09:20,480  
so we did and then project unity their

211  
00:09:24,280 --> 00:09:22,010  
stuff came down I don't know exactly

212  
00:09:25,449 --> 00:09:24,290  
what happened I assume similar just to

213  
00:09:27,430 --> 00:09:25,459

give them space which was the right

214

00:09:28,630 --> 00:09:27,440

thing to do and so that's what happened

215

00:09:30,790 --> 00:09:28,640

so we've known for since then it was

216

00:09:32,470 --> 00:09:30,800

like a month and a half I think and that

217

00:09:33,910 --> 00:09:32,480

people are like criticizing us saying

218

00:09:35,050 --> 00:09:33,920

you're making it up it's hearsay it's

219

00:09:37,829 --> 00:09:35,060

like no it isn't we heard it ourselves

220

00:09:40,150 --> 00:09:37,839

we didn't want to say it but you know

221

00:09:42,280 --> 00:09:40,160

let them keep coming at us that's why

222

00:09:43,389 --> 00:09:42,290

I'm coast to coast I said to Napa Mike

223

00:09:44,740 --> 00:09:43,399

I enjoy it because I know I'm right

224

00:09:46,689 --> 00:09:44,750

about this stuff I heard the phone call

225

00:09:48,639 --> 00:09:46,699

and I didn't say that and that in the

226

00:09:51,850 --> 00:09:48,649

documents or even doesn't so many

227

00:09:54,069 --> 00:09:51,860

sources and nobody like Eric didn't tell

228

00:09:55,300 --> 00:09:54,079

me they were real and real milord it and

229

00:09:56,980 --> 00:09:55,310

tell me they were real but if you look

230

00:09:59,829 --> 00:09:56,990

at his answers to my questions he's

231

00:10:01,509 --> 00:09:59,839

changing answers from the beginning some

232

00:10:03,790 --> 00:10:01,519

questions he wouldn't answer when he did

233

00:10:05,590 --> 00:10:03,800

with a Frank last year he answered

234

00:10:06,639 --> 00:10:05,600

questions but those questions he

235

00:10:07,930 --> 00:10:06,649

wouldn't answer and I asked him about

236

00:10:11,079 --> 00:10:07,940

cut and paste he didn't want to answer

237

00:10:12,639 --> 00:10:11,089

itself he's a big I am comfortable

238

00:10:14,499 --> 00:10:12,649

saying he's a big part of the story with

239

00:10:17,050 --> 00:10:14,509

the times I don't know who else I can

240

00:10:18,430 --> 00:10:17,060

assume Eric's gotta be in there I mean

241

00:10:20,230 --> 00:10:18,440

he's never said he yeah he's in there

242

00:10:22,300 --> 00:10:20,240

but he's got to be in there I think that

243

00:10:25,809 --> 00:10:22,310

document the 1961 document will be in

244

00:10:27,400 --> 00:10:25,819

there I think Eric is you know he's an

245

00:10:29,139 --> 00:10:27,410

expert on crash retrievals somebody who

246

00:10:31,120 --> 00:10:29,149

has not been in the program but knows a

247

00:10:32,740 --> 00:10:31,130

lot about the programs from the people

248

00:10:35,829 --> 00:10:32,750

he's spoken with he's got to be in there

249

00:10:38,350 --> 00:10:35,839

pal maybe housing is a I don't know how

250

00:10:39,430 --> 00:10:38,360

is it 80 or a little above 80 who knows

251

00:10:41,829 --> 00:10:39,440

what he's gonna say you know it's

252

00:10:43,449 --> 00:10:41,839

getting time we got a got to move this

253

00:10:46,210 --> 00:10:43,459

has been going on for a long time you

254

00:10:47,620 --> 00:10:46,220

know if you believe the thesis the

255

00:10:49,290 --> 00:10:47,630

theory that is probably you know since

256

00:10:56,550 --> 00:10:49,300

the beginning of humanity and before

257

00:10:58,780 --> 00:10:56,560

which I do so what else

258

00:11:01,180 --> 00:10:58,790

yeah the route the route phone call

259

00:11:03,129 --> 00:11:01,190

fight Mike if I do it real its funnier I

260

00:11:04,540 --> 00:11:03,139

don't want to embarrass him but it's it

261

00:11:06,579 --> 00:11:04,550

was so ridiculous and I felt bad for

262

00:11:08,199 --> 00:11:06,589

meas an older guy he obviously did not

263

00:11:12,009 --> 00:11:08,209

understand what was going on technology

264

00:11:13,540 --> 00:11:12,019

technology wise and I'm the phone just

265

00:11:14,800 --> 00:11:13,550

me imagining him walking down the street

266

00:11:17,079 --> 00:11:14,810

in Manhattan getting phone calls about

267

00:11:21,370 --> 00:11:17,089

UFO sightings like what the hell

268

00:11:23,829 --> 00:11:21,380

take it down when I told that story I

269

00:11:25,960 --> 00:11:23,839

laughed I could not stop laughing for an

270

00:11:26,800 --> 00:11:25,970

hour straight and I think roffels great

271

00:11:28,780 --> 00:11:26,810

it's just that there was a

272

00:11:30,579 --> 00:11:28,790

miscommunication it was like the worst

273

00:11:33,340 --> 00:11:30,589

possible situation if you want something

274

00:11:34,420 --> 00:11:33,350

discreet all sudden it's going out live

275

00:11:36,699 --> 00:11:34,430

on Facebook

276

00:11:38,889 --> 00:11:36,709

you can imagine his dismay you know I

277

00:11:40,660 --> 00:11:38,899

can't I felt bad but that's why we

278

00:11:41,980 --> 00:11:40,670

pulled I pulled it down but somebody was

279

00:11:47,050 --> 00:11:41,990

quick to save my tweets I don't know how

280

00:11:52,329 --> 00:11:47,060

they did that but yeah and I was crying

281

00:11:55,360 --> 00:11:52,339

- what have we read in the past week -

282

00:11:57,760 --> 00:11:55,370

change your view that we can also read

283

00:12:05,710 --> 00:11:57,770

past week about what been about about

284

00:12:07,660 --> 00:12:05,720

them being negative I lived in Manhattan

285

00:12:12,190 --> 00:12:07,670

Beach before I moved here it moved here

286

00:12:13,840 --> 00:12:12,200

loved it more clear on POTUS knowing no

287

00:12:16,000 --> 00:12:13,850

he's got to know he's got an the

288

00:12:17,470 --> 00:12:16,010

president has to know if if certain

289

00:12:20,290 --> 00:12:17,480

people in our government were briefed

290

00:12:21,820 --> 00:12:20,300

and I and I know I mean you guys know

291

00:12:24,579 --> 00:12:21,830

Senate Intelligence Committee they must

292

00:12:26,560 --> 00:12:24,589

know about this so certain specific

293

00:12:29,110 --> 00:12:26,570

people I heard but not you know not

294

00:12:31,000 --> 00:12:29,120

currently in the government but Trump

295

00:12:32,140 --> 00:12:31,010

has to know you can't not tell him that

296

00:12:33,460 --> 00:12:32,150

we're gonna have there's an article

297

00:12:35,320 --> 00:12:33,470

coming out on crash at rebuilds and

298

00:12:37,600 --> 00:12:35,330

depending how good it is you know that

299

00:12:39,880 --> 00:12:37,610

I'm probably that probably spurred it

300

00:12:42,430 --> 00:12:39,890

has to it that must have sparred Rubio

301  
00:12:44,170 --> 00:12:42,440  
it had to have you know I'm sure he was

302  
00:12:46,060 --> 00:12:44,180  
part of that briefed he's like yeah if

303  
00:12:49,360 --> 00:12:46,070  
this is you know I don't know what they

304  
00:12:55,540 --> 00:12:49,370  
showed him but I'm 100% positive that's

305  
00:12:57,720 --> 00:12:55,550  
what started that whole thing the

306  
00:13:02,740 --> 00:12:57,730  
negative opinion I start when I first

307  
00:13:07,630 --> 00:13:02,750  
when I first read communion in eighty 96

308  
00:13:12,010 --> 00:13:07,640  
or 97 it scared me so I stopped reading

309  
00:13:14,890 --> 00:13:12,020  
it that night I had sleep paralysis on

310  
00:13:17,230 --> 00:13:14,900  
my couch so I couldn't move freaked me

311  
00:13:19,720 --> 00:13:17,240  
out I'm like oh no the aliens are coming

312  
00:13:21,100 --> 00:13:19,730  
to abduct me so I got out of it nothing

313  
00:13:22,630 --> 00:13:21,110

happened next day I'm like you know what

314

00:13:24,220 --> 00:13:22,640

that's a message for me I took it as a

315

00:13:25,540 --> 00:13:24,230

message to finish reading the book I did

316

00:13:26,740 --> 00:13:25,550

read the book and it was you know all

317

00:13:29,199 --> 00:13:26,750

the stuff about meditation and

318

00:13:30,430 --> 00:13:29,209

spirituality which I had not expected so

319

00:13:32,019 --> 00:13:30,440

that was the beginning and that's

320

00:13:33,250 --> 00:13:32,029

somewhere along the lines I read gods of

321

00:13:35,380 --> 00:13:33,260

Eden which is basically they've

322

00:13:37,060 --> 00:13:35,390

manipulated mankind for years and all

323

00:13:39,430 --> 00:13:37,070

the wars and stuff you know humans

324

00:13:40,930 --> 00:13:39,440

obviously play a role but manipulation

325

00:13:42,579 --> 00:13:40,940

by them

326

00:13:45,130 --> 00:13:42,589

I think he's his thesis was its

327

00:13:47,079 --> 00:13:45,140

extraterrestrial and I'm and then when

328

00:13:49,060 --> 00:13:47,089

the long first mentioned I listened to

329

00:13:51,180 --> 00:13:49,070

those interviews but I kind of did I

330

00:13:53,170 --> 00:13:51,190

kind of ignored it I blew it off and

331

00:13:56,230 --> 00:13:53,180

then recently I started listening to

332

00:13:57,850 --> 00:13:56,240

Graham Hancock and just things in my

333

00:13:59,829 --> 00:13:57,860

head I don't know what just popped in my

334

00:14:02,740 --> 00:13:59,839

head I'm like that makes a lot of sense

335

00:14:04,840 --> 00:14:02,750

that you know the Gnostics talk about

336

00:14:06,760 --> 00:14:04,850

these archons which I've heard before

337

00:14:09,290 --> 00:14:06,770

and that also stuck in my head that was

338

00:14:10,880 --> 00:14:09,300

years ago you know that there's

339

00:14:12,710 --> 00:14:10,890

beautiful beans that are negative and

340

00:14:13,990 --> 00:14:12,720

they have an influence and and then

341

00:14:17,090 --> 00:14:14,000

somebody the other day talked about

342

00:14:20,199 --> 00:14:17,100

exorcisms and how and as soon as she she

343

00:14:23,030 --> 00:14:20,209

said exorcisms we were talking about how

344

00:14:24,889 --> 00:14:23,040

there's more there's more vomit that

345

00:14:26,540 --> 00:14:24,899

things possible that should not be

346

00:14:28,370 --> 00:14:26,550

possible the vomit that they see so it's

347

00:14:30,620 --> 00:14:28,380

like in my mind it's a manifestation and

348

00:14:32,240 --> 00:14:30,630

it goes along the line of these other

349

00:14:34,850 --> 00:14:32,250

beings being able to manifest just

350

00:14:37,519 --> 00:14:34,860

clicked in my head and and then the long

351

00:14:39,199 --> 00:14:37,529

I listen to today and he's like saying

352

00:14:40,579 --> 00:14:39,209

that they feed off our negative emotions

353

00:14:42,740 --> 00:14:40,589

and I've heard that before in Luce

354

00:14:45,860 --> 00:14:42,750

Robert Monroe and George Knapp is spoken

355

00:14:48,259 --> 00:14:45,870

about it and I asked why would this be

356

00:14:50,090 --> 00:14:48,269

kept secret why is it so secret secret

357

00:14:52,250 --> 00:14:50,100

is I understand what it's like because I

358

00:14:54,740 --> 00:14:52,260

think the story is so frightening if

359

00:14:56,000 --> 00:14:54,750

that's true you cannot let that story

360

00:14:57,620 --> 00:14:56,010

out and the way they're doing it now

361

00:15:00,680 --> 00:14:57,630

piece by piece I think that's how they

362

00:15:02,600 --> 00:15:00,690

have to do it I think that was I think

363

00:15:04,699 --> 00:15:02,610

that was TTS A's role that was their

364

00:15:06,259 --> 00:15:04,709

goal I think it got sped up for whatever

365

00:15:07,910 --> 00:15:06,269

reason but lose the one that sped it up

366

00:15:09,949 --> 00:15:07,920

so maybe not you know saying you have

367

00:15:12,110 --> 00:15:09,959

crashed piece of debris from a UFO on

368

00:15:14,480 --> 00:15:12,120

Tucker Carlson one of the most popular

369

00:15:17,630 --> 00:15:14,490

shows that's gonna that probably got the

370

00:15:28,670 --> 00:15:17,640

attention of Leslie and Ralph so so

371

00:15:29,870 --> 00:15:28,680

maybe it was a plan I don't know I don't

372

00:15:32,600 --> 00:15:29,880

know how the government will react at

373

00:15:35,139 --> 00:15:32,610

all you know we're going from UFO

374

00:15:39,380 --> 00:15:35,149

reports to crash retrievals book

375

00:15:41,440 --> 00:15:39,390

recommendations is this I mean you can

376

00:15:44,990 --> 00:15:41,450

listen online somebody somebody reads it

377

00:15:46,610 --> 00:15:45,000

somebody reads it on YouTube and he's a

378

00:15:49,819 --> 00:15:46,620

little annoying you throw he throws in

379

00:15:52,340 --> 00:15:49,829

his uh he throws in his opinions and

380

00:15:53,630 --> 00:15:52,350

some pop political stuff but if you want

381

00:15:57,710 --> 00:15:53,640

to just listen to it because I don't

382

00:16:00,199 --> 00:15:57,720

think it's an audiobook and um I think

383

00:16:03,699 --> 00:16:00,209

somebody recommended dimensions by

384

00:16:05,990 --> 00:16:03,709

Jacques Vallee so that's another one but

385

00:16:09,259 --> 00:16:06,000

you know it's controversial I'm going

386

00:16:10,250 --> 00:16:09,269

from hey look here's a UFO gimble - oh

387

00:16:12,199 --> 00:16:10,260

yeah

388

00:16:16,370 --> 00:16:12,209

they've been interfering with mankind

389

00:16:18,710 --> 00:16:16,380

since the beginning the origins are in

390

00:16:21,019 --> 00:16:18,720

this book go it's gods of Eden talks

391

00:16:22,970 --> 00:16:21,029

extraterrestrial I'm talking I'm talking

392

00:16:25,069 --> 00:16:22,980

more esoteric where the origin is

393

00:16:27,980 --> 00:16:25,079

on an other-dimensional level and

394

00:16:29,530 --> 00:16:27,990

they're able to manifest physically UFOs

395

00:16:32,030 --> 00:16:29,540

and I've made the argument that's

396

00:16:34,940 --> 00:16:32,040

distraction that's a really out there

397

00:16:36,079 --> 00:16:34,950

theory but if they're all powerful you

398

00:16:37,280 --> 00:16:36,089

know they can do that and it would be a

399

00:16:38,480 --> 00:16:37,290

distraction we're always going to think

400

00:16:40,550 --> 00:16:38,490

oh they're actually terrestrials are

401  
00:16:42,590 --> 00:16:40,560  
here they're here to help us but they've

402  
00:16:45,590 --> 00:16:42,600  
ducked us because we need help you know

403  
00:16:47,120 --> 00:16:45,600  
they they heal some people that keeps us

404  
00:16:49,970 --> 00:16:47,130  
thinking about the other thing which is

405  
00:16:53,480 --> 00:16:49,980  
you know frightening to most people on

406  
00:16:55,189 --> 00:16:53,490  
the planet impossible to prove so I'm

407  
00:16:56,990 --> 00:16:55,199  
curious you know people are going to

408  
00:16:59,300 --> 00:16:57,000  
reject it I got shots taken at me on

409  
00:17:02,660 --> 00:16:59,310  
Twitter today which is fine you know I

410  
00:17:05,689 --> 00:17:02,670  
can handle that but I expect it because

411  
00:17:09,199 --> 00:17:05,699  
it's I'm going from Wilson Davis

412  
00:17:11,210 --> 00:17:09,209  
documents to if we have positive

413  
00:17:12,230 --> 00:17:11,220

emotions we can defeat them you know

414

00:17:15,559 --> 00:17:12,240

that's insane

415

00:17:17,329 --> 00:17:15,569

I understand I understand that so but

416

00:17:22,189 --> 00:17:17,339

it's been a long time coming so it's not

417

00:17:23,840 --> 00:17:22,199

like I just learned this stuff yeah

418

00:17:26,230 --> 00:17:23,850

abduction czar negative some people

419

00:17:32,659 --> 00:17:26,240

supposedly get positive out of it but

420

00:17:33,950 --> 00:17:32,669

you know I don't trust anybody I'm sorry

421

00:17:35,570 --> 00:17:33,960

and it's like people could say some

422

00:17:37,460 --> 00:17:35,580

abduction or positive some abductions

423

00:17:39,080 --> 00:17:37,470

are negative if they have the ability to

424

00:17:40,610 --> 00:17:39,090

manipulate emotions and make you feel a

425

00:17:42,799 --> 00:17:40,620

certain emotion then it's all you know

426

00:17:44,990 --> 00:17:42,809

it's useless and people don't like to

427

00:17:46,370 --> 00:17:45,000

hear that but you know I can be

428

00:17:47,690 --> 00:17:46,380

manipulated if somebody's good enough

429

00:17:49,520 --> 00:17:47,700

and I wouldn't even know and if they're

430

00:17:51,500 --> 00:17:49,530

all powerful and they can do that kind

431

00:17:52,730 --> 00:17:51,510

of stuff on a spiritual level you know

432

00:17:55,640 --> 00:17:52,740

I'm not saying that's physical maybe

433

00:17:57,680 --> 00:17:55,650

some are physical but I don't trust it

434

00:18:01,310 --> 00:17:57,690

and it's and it's controversial to say

435

00:18:03,230 --> 00:18:01,320

but if it's you know if it's that's why

436

00:18:04,669 --> 00:18:03,240

I like that that crop circle whether or

437

00:18:07,940 --> 00:18:04,679

not it was legit or not saying you know

438

00:18:09,830 --> 00:18:07,950

we oppose deception and it's like this

439

00:18:11,360 --> 00:18:09,840

whole thing is deception if that theory

440

00:18:12,919 --> 00:18:11,370

is right and I don't think Tom just made

441

00:18:13,909 --> 00:18:12,929

that up I think he heard that the only

442

00:18:16,340 --> 00:18:13,919

thing is did they feed him

443

00:18:18,110 --> 00:18:16,350

disinformation but I don't think so I

444

00:18:20,000 --> 00:18:18,120

think it all makes sense we work

445

00:18:21,799 --> 00:18:20,010

together with the Soviets on this you

446

00:18:23,570 --> 00:18:21,809

know it's like and other countries what

447

00:18:26,150 --> 00:18:23,580

you think is in part is in the first

448

00:18:29,409 --> 00:18:26,160

book that would be the reason you know

449

00:18:32,149 --> 00:18:29,419

we work privately and quietly and

450

00:18:33,320 --> 00:18:32,159

publicly would be up enemies but we try

451  
00:18:35,120 --> 00:18:33,330  
to figure this out and the whole nuke

452  
00:18:36,419 --> 00:18:35,130  
thing yeah they shut down our nukes and

453  
00:18:38,850 --> 00:18:36,429  
tried to start nukes and

454  
00:18:40,289 --> 00:18:38,860  
Russia according to him you think well

455  
00:18:42,779 --> 00:18:40,299  
they could care about us well yeah if

456  
00:18:44,279 --> 00:18:42,789  
they're not not in a good way though I

457  
00:18:46,440 --> 00:18:44,289  
mean it's possible that was my theory

458  
00:18:49,230 --> 00:18:46,450  
when I wrote the blog last year but if

459  
00:18:51,330 --> 00:18:49,240  
they need us for whatever you know the

460  
00:18:53,249 --> 00:18:51,340  
theory about energy then they have to

461  
00:18:55,440 --> 00:18:53,259  
make sure we're alive and the planet is

462  
00:18:56,879 --> 00:18:55,450  
good so it would be not be in their best

463  
00:18:59,730 --> 00:18:56,889

interests if we destroy the planet and

464

00:19:01,590 --> 00:18:59,740

distort restore ourselves so people like

465

00:19:04,169 --> 00:19:01,600

oh you are you worried oh yeah I'm not

466

00:19:06,749 --> 00:19:04,179

upset you know it's like I've gone

467

00:19:08,340 --> 00:19:06,759

through this for a long time and it's

468

00:19:09,749 --> 00:19:08,350

not gonna affect my life right now but

469

00:19:10,919 --> 00:19:09,759

it's gonna it's definitely gonna affect

470

00:19:14,629 --> 00:19:10,929

my life if people start getting

471

00:19:17,999 --> 00:19:14,639

interested because through more videos I

472

00:19:20,029 --> 00:19:18,009

don't know what else right now the fact

473

00:19:22,710 --> 00:19:20,039

that I'm actually live is a big deal and

474

00:19:24,210 --> 00:19:22,720

my brand new light was flickering so bad

475

00:19:26,700 --> 00:19:24,220

I have no idea what was going on there

476

00:19:28,289 --> 00:19:26,710

but seems like it's alright now so we

477

00:19:29,850 --> 00:19:28,299

will stay on as long as we can I'll say

478

00:19:31,590 --> 00:19:29,860

on this I'll answer questions as long I

479

00:19:33,869 --> 00:19:31,600

have nothing I take that back

480

00:19:35,940 --> 00:19:33,879

I have a spaced out radio tonight and

481

00:19:44,789 --> 00:19:35,950

I'm sure he to get into this so maybe an

482

00:19:47,730 --> 00:19:44,799

hour I'll do it till 5:00 yeah it's

483

00:19:49,289 --> 00:19:47,740

amazing and I I paid for stream yard for

484

00:19:50,879 --> 00:19:49,299

a year and I'm not using stream yard

485

00:19:54,840 --> 00:19:50,889

cause it would not work I don't know why

486

00:19:57,119 --> 00:19:54,850

it's not that difficult no Tom

487

00:20:01,289 --> 00:19:57,129

recommended demonic reality is that a

488

00:20:03,060 --> 00:20:01,299

book David I would never ever having

489

00:20:04,980 --> 00:20:03,070

thought of demons and I don't think of

490

00:20:09,060 --> 00:20:04,990

it as it like a biblical way but that's

491

00:20:11,190 --> 00:20:09,070

their probably closer than in the book

492

00:20:13,590 --> 00:20:11,200

okay yeah it's funny because the

493

00:20:15,720 --> 00:20:13,600

Christians in the Pentagon think this is

494

00:20:18,359 --> 00:20:15,730

demonic we're all like um ma let us

495

00:20:19,590 --> 00:20:18,369

study up now I'm like you know what and

496

00:20:23,720 --> 00:20:19,600

I've said this before to a friend they

497

00:20:26,580 --> 00:20:23,730

might be right but you know that's not

498

00:20:28,289 --> 00:20:26,590

specifically the label but a negative

499

00:20:29,850 --> 00:20:28,299

thing but I still think we need to study

500

00:20:31,889 --> 00:20:29,860

it you know it's like we're just gonna

501

00:20:33,299 --> 00:20:31,899

let it happen no we should look into it

502

00:20:41,490 --> 00:20:33,309

and see what we can do you know that's

503

00:20:46,869 --> 00:20:43,600

yeah I don't know what Trump would know

504

00:20:51,789 --> 00:20:46,879

I would think not but I gotta mention

505

00:20:54,369 --> 00:20:51,799

this I will check that out somebody

506

00:20:55,690 --> 00:20:54,379

somebody sent it to me on Twitter Chris

507

00:20:58,960 --> 00:20:55,700

if you could send me that book cuz I

508

00:21:00,430 --> 00:20:58,970

well I could always check later here's

509

00:21:01,840 --> 00:21:00,440

the thing that people have ignored and

510

00:21:04,810 --> 00:21:01,850

it really is amazing to me check out

511

00:21:06,759 --> 00:21:04,820

slide 9 slide 9 says and it's the eighth

512

00:21:07,840 --> 00:21:06,769

tip they would brief people a tip would

513

00:21:10,840 --> 00:21:07,850

brief people in the government

514

00:21:14,409 --> 00:21:10,850

supposedly they and it was leaked on

515

00:21:17,470 --> 00:21:14,419

Chris Mullins site it was out so Jay on

516

00:21:19,299 --> 00:21:17,480

Twitter grabbed it and the ninth slide

517

00:21:20,950 --> 00:21:19,309

says they have the ability I wish I

518

00:21:24,549 --> 00:21:20,960

could pull it up they have the ability

519

00:21:26,830 --> 00:21:24,559

to influence decision makers so if

520

00:21:28,810 --> 00:21:26,840

that's accurate I think that was leaked

521

00:21:31,149 --> 00:21:28,820

on purpose to see how people react and

522

00:21:33,539 --> 00:21:31,159

people have just ignored it if they have

523

00:21:36,549 --> 00:21:33,549

the ability to influence decision makers

524

00:21:38,230 --> 00:21:36,559

just think of that think of how think of

525

00:21:39,999 --> 00:21:38,240

that if there's somebody and I don't

526

00:21:41,230 --> 00:21:40,009

think it just influenced anybody I think

527

00:21:43,779 --> 00:21:41,240

if there's somebody who's mentally a

528

00:21:45,879 --> 00:21:43,789

little off or unstable I think just like

529

00:21:47,200 --> 00:21:45,889

a possession you've heard they'll go up

530

00:21:48,490 --> 00:21:47,210

to somebody who's an alcoholic if

531

00:21:50,049 --> 00:21:48,500

somebody's in a really tough times

532

00:21:52,450 --> 00:21:50,059

emotion why's that those are the people

533

00:21:53,769 --> 00:21:52,460

that are affected so it's Trump in that

534

00:21:55,149 --> 00:21:53,779

category you know the start you start

535

00:21:56,950 --> 00:21:55,159

thinking crazy things because some of

536

00:21:59,139 --> 00:21:56,960

the stuff he does just like why is he

537

00:22:00,249 --> 00:21:59,149

doing this why are you going to and I

538

00:22:03,070 --> 00:22:00,259

don't want to get political but why you

539

00:22:05,139 --> 00:22:03,080

go to a rally and coal pit is real I'm

540

00:22:07,060 --> 00:22:05,149

not gonna argue that I will not argue

541

00:22:09,100 --> 00:22:07,070

that it's real it's it's some of the

542

00:22:11,139 --> 00:22:09,110

places in California are hit so hard in

543

00:22:12,490 --> 00:22:11,149

Texas I don't know how bad it's gonna

544

00:22:15,909 --> 00:22:12,500

get but there's you know there are

545

00:22:17,980 --> 00:22:15,919

people smart people saying we've never

546

00:22:19,869 --> 00:22:17,990

seen anything like this so and it's it's

547

00:22:22,149 --> 00:22:19,879

so conspiratorial talk about that but I

548

00:22:23,830 --> 00:22:22,159

said eight tips nine go look at slide

549

00:22:26,409 --> 00:22:23,840

nine and if you don't know where it is

550

00:22:28,539 --> 00:22:26,419

it's it's J on Twitter and other people

551  
00:22:31,240 --> 00:22:28,549  
can point you to it I forget the name of

552  
00:22:40,580 --> 00:22:31,250  
this site that where he has it you guys

553  
00:22:45,930 --> 00:22:42,779  
alright I'll find that book there's so

554  
00:22:47,759 --> 00:22:45,940  
many books to read but you should really

555  
00:22:52,639 --> 00:22:47,769  
check out slide number nine it tells you

556  
00:22:55,529 --> 00:22:52,649  
a lot yeah negative energy it's like

557  
00:22:57,000 --> 00:22:55,539  
that's why I'm I mean I don't purposely

558  
00:22:58,350 --> 00:22:57,010  
get myself in a good mood I'm good move

559  
00:23:00,509 --> 00:22:58,360  
because all this stuff is happening and

560  
00:23:02,310 --> 00:23:00,519  
I cannot wait to see reactions it's

561  
00:23:03,899 --> 00:23:02,320  
gonna be little scary for some people

562  
00:23:07,320 --> 00:23:03,909  
but I have a lot of religious people in

563  
00:23:10,560 --> 00:23:07,330

my family so so far they've ignored

564

00:23:11,519 --> 00:23:10,570

everything I mean my massive blog you

565

00:23:14,759 --> 00:23:11,529

think I would get at least two

566

00:23:15,450 --> 00:23:14,769

congratulations but nothing so maybe

567

00:23:17,970 --> 00:23:15,460

they're scared

568

00:23:21,029 --> 00:23:17,980

I don't know last time I talked to my

569

00:23:23,250 --> 00:23:21,039

dad about it it's funny I told him about

570

00:23:25,440 --> 00:23:23,260

the gimbal and when that happened he was

571

00:23:27,060 --> 00:23:25,450

like he's not that religious he says he

572

00:23:30,870 --> 00:23:27,070

is but he's not he's like it's demonic

573

00:23:32,820 --> 00:23:30,880

it's demonic I was like all right gotta

574

00:23:38,480 --> 00:23:32,830

go now it's like you know what might

575

00:23:41,009 --> 00:23:38,490

have been right thanks for the congrats

576  
00:23:43,529 --> 00:23:41,019  
you know one of the things I have from

577  
00:23:47,430 --> 00:23:43,539  
kit green the audio that Chris Wilford

578  
00:23:49,830 --> 00:23:47,440  
had is the experience of talking to the

579  
00:23:51,870 --> 00:23:49,840  
experiencer had a sighting an event and

580  
00:23:53,370 --> 00:23:51,880  
then the psychic does a session and

581  
00:23:55,230 --> 00:23:53,380  
she's telling kit green what happened a

582  
00:23:57,210 --> 00:23:55,240  
lot of it talks about all these actually

583  
00:24:00,450 --> 00:23:57,220  
trust drills and they here to help with

584  
00:24:02,370 --> 00:24:00,460  
this geological problem in California

585  
00:24:03,899 --> 00:24:02,380  
and they're trying to keep it from

586  
00:24:04,950 --> 00:24:03,909  
happening so I mean maybe there are

587  
00:24:06,450 --> 00:24:04,960  
maybe there's some of it is

588  
00:24:09,539 --> 00:24:06,460

extraterrestrial I do not know I will

589

00:24:10,680 --> 00:24:09,549

not rule out that stuff but I don't

590

00:24:11,580 --> 00:24:10,690

think that the negative stuff is

591

00:24:13,740 --> 00:24:11,590

extraterrestrial

592

00:24:17,190 --> 00:24:13,750

I think it's more been here the entire

593

00:24:18,750 --> 00:24:17,200

time interdimensional you know I think

594

00:24:19,919 --> 00:24:18,760

that's what that demonic book I would

595

00:24:21,330 --> 00:24:19,929

think would argue and I would definitely

596

00:24:22,889 --> 00:24:21,340

want to check that out I need to read

597

00:24:26,310 --> 00:24:22,899

the gods of Eden it's been over 20 years

598

00:24:28,259 --> 00:24:26,320

so listening on YouTube is a good way

599

00:24:29,399 --> 00:24:28,269

you need to just take it a long drive I

600

00:24:34,500 --> 00:24:29,409

just haven't driven anywhere because I

601  
00:24:36,299 --> 00:24:34,510  
called it so yeah it might be a mixture

602  
00:24:38,250 --> 00:24:36,309  
of stuff gross I mean I would never say

603  
00:24:42,570 --> 00:24:38,260  
I know I mean that one theory it's a

604  
00:24:45,029 --> 00:24:42,580  
theory I feel good about it but because

605  
00:24:46,200 --> 00:24:45,039  
just feels right that that's the base of

606  
00:24:48,570 --> 00:24:46,210  
a lot of stuff but there could be so

607  
00:24:51,510 --> 00:24:48,580  
much stuff going on but it's hard for me

608  
00:24:52,620 --> 00:24:51,520  
to trust anything it's like if the

609  
00:24:54,570 --> 00:24:52,630  
theory is right

610  
00:24:56,970 --> 00:24:54,580  
you know what the long talks about I

611  
00:24:59,310 --> 00:24:56,980  
would think if they're all that powerful

612  
00:25:03,980 --> 00:24:59,320  
they could create stuff to throw us off

613  
00:25:06,539 --> 00:25:03,990

track you know it's like so I don't know

614

00:25:08,759 --> 00:25:06,549

too early I'm not really getting you

615

00:25:10,379 --> 00:25:08,769

know when people first get into this I'm

616

00:25:11,909 --> 00:25:10,389

not going hey we got UFOs by the way

617

00:25:12,810 --> 00:25:11,919

they've been here manipulating humanity

618

00:25:14,580 --> 00:25:12,820

since the beginning and it's all

619

00:25:16,710 --> 00:25:14,590

negative so you need to stay happy I'm

620

00:25:18,570 --> 00:25:16,720

not gonna say that but if it comes up

621

00:25:20,129 --> 00:25:18,580

you know I'm not I'm not gonna keep

622

00:25:26,580 --> 00:25:20,139

stuff from people they asked me you know

623

00:25:27,930 --> 00:25:26,590

what's your what's your opinion yeah you

624

00:25:30,180 --> 00:25:27,940

could tell them I mean I think it's okay

625

00:25:44,190 --> 00:25:30,190

to mention the times now because there

626

00:25:49,460 --> 00:25:47,690

yeah the covert stuff is

627

00:25:53,260 --> 00:25:49,470

talk to people in like we've never seen

628

00:25:58,130 --> 00:25:55,669

remember the demonic means godlike

629

00:26:01,820 --> 00:25:58,140

powers which my mind is yeah godlike

630

00:26:04,880 --> 00:26:01,830

powers like they can create a UFO they

631

00:26:06,680 --> 00:26:04,890

can create bodies and my ex-wife is home

632

00:26:13,270 --> 00:26:06,690

and the braggers gonna go crazy

633

00:26:13,280 --> 00:27:41,220

I'll type for now

634

00:27:53,320 --> 00:27:51,610

so yeah you know you can tell people say

635

00:27:55,240 --> 00:27:53,330

oh so UFOs are real like yeah they can

636

00:27:57,610 --> 00:27:55,250

create matter it's not really UFOs it's

637

00:27:59,950 --> 00:27:57,620

some other upper upper dimensional

638

00:28:01,060 --> 00:27:59,960

negative beings that can create UFOs and

639

00:28:02,740 --> 00:28:01,070

put the beans in there so it's a

640

00:28:04,150 --> 00:28:02,750

distraction that's that's one of my

641

00:28:05,260 --> 00:28:04,160

theories you know I'm not I'm not going

642

00:28:06,490 --> 00:28:05,270

to talk about that even though I'm

643

00:28:08,860 --> 00:28:06,500

talking about it now and it's gonna be

644

00:28:11,080 --> 00:28:08,870

here forever but I'm curious to see what

645

00:28:12,880 --> 00:28:11,090

anybody in t TSA thinks and I will try

646

00:28:16,110 --> 00:28:12,890

to write them because the long talks

647

00:28:19,000 --> 00:28:16,120

about extraterrestrials but you know

648

00:28:20,620 --> 00:28:19,010

doesn't sound doesn't sound like that

649

00:28:22,660 --> 00:28:20,630

doesn't sound right to me but could be

650

00:28:23,980 --> 00:28:22,670

who knows and I don't know if they can

651  
00:28:26,170 --> 00:28:23,990  
create stuff I'm just saying that that's

652  
00:28:33,390 --> 00:28:26,180  
my theory that popped into my head don't

653  
00:28:36,370 --> 00:28:33,400  
know if it's right yeah it's like I I

654  
00:28:39,340 --> 00:28:36,380  
question everything the Nordics the the

655  
00:28:41,050 --> 00:28:39,350  
greys the reptilians the the mantis

656  
00:28:42,940 --> 00:28:41,060  
beings is like you know if they're

657  
00:28:44,530 --> 00:28:42,950  
creating this stuff to distract us and

658  
00:28:47,110 --> 00:28:44,540  
make it think it's ETI I you know I

659  
00:28:49,360 --> 00:28:47,120  
don't who knows I don't know who knows

660  
00:28:51,580 --> 00:28:49,370  
what to believe I think that stuff is

661  
00:28:53,590 --> 00:28:51,590  
real it's just I don't think that's the

662  
00:28:56,290 --> 00:28:53,600  
origin of it you know it's the craft of

663  
00:28:57,880 --> 00:28:56,300

physical you know whether or not we ever

664

00:29:00,280 --> 00:28:57,890

can figure it out that's another story I

665

00:29:01,720 --> 00:29:00,290

mean Miller will Miller talked about how

666

00:29:04,000 --> 00:29:01,730

we have this stuff he believes we have

667

00:29:05,820 --> 00:29:04,010

this stuff other people believe that

668

00:29:10,210 --> 00:29:05,830

you'd be surprised too

669

00:29:13,600 --> 00:29:10,220

but yeah it's physical so it's not just

670

00:29:15,700 --> 00:29:13,610

just an imaginary or you know spiritual

671

00:29:17,880 --> 00:29:15,710

thing it's physical obviously they show

672

00:29:21,040 --> 00:29:17,890

up on radar sometimes they don't so

673

00:29:25,630 --> 00:29:21,050

obviously it's a guess I can't prove any

674

00:29:27,580 --> 00:29:25,640

of this but you know we'll see we'll see

675

00:29:28,720 --> 00:29:27,590

if anything else comes out I don't see

676  
00:29:31,660 --> 00:29:28,730  
anything coming out on this particular

677  
00:29:34,600 --> 00:29:31,670  
stuff anytime soon it's gonna be a long

678  
00:29:36,490 --> 00:29:34,610  
roll long road so we get to total

679  
00:29:37,990 --> 00:29:36,500  
disclosure of what they think is going

680  
00:29:51,830 --> 00:29:38,000  
on I would love to read that NSA

681  
00:30:14,000 --> 00:29:55,730  
so is that secret machines one goose

682  
00:30:25,940 --> 00:30:16,040  
still able to hear still able to hear my

683  
00:30:26,210 --> 00:30:25,950  
audio okay you guys able to hear me at

684  
00:30:32,420 --> 00:30:26,220  
all

685  
00:30:35,240 --> 00:30:32,430  
yep what other questions

686  
00:30:37,100 --> 00:30:35,250  
does anybody have doubt that any doubts

687  
00:30:38,840 --> 00:30:37,110  
that the Wilson Davis documents are real

688  
00:30:41,210 --> 00:30:38,850

at this point I mean I don't know

689

00:30:43,520 --> 00:30:41,220

exactly if Wilson was told the truth but

690

00:30:46,070 --> 00:30:43,530

the meeting happened there's other

691

00:30:48,140 --> 00:30:46,080

evidence which I'll talk about tonight

692

00:30:51,230 --> 00:30:48,150

on spaced-out radio which basically if

693

00:30:52,970 --> 00:30:51,240

it's accurate it just ends it it ends

694

00:31:03,230 --> 00:30:52,980

the debate the New York Times put their

695

00:31:04,820 --> 00:31:03,240

video up today yeah I would never get

696

00:31:06,290 --> 00:31:04,830

into families or stuff like that but I

697

00:31:07,970 --> 00:31:06,300

heard that back in the days you know

698

00:31:11,330 --> 00:31:07,980

there's six families that run the world

699

00:31:14,300 --> 00:31:11,340

and all that stuff and it was a back in

700

00:31:17,810 --> 00:31:14,310

how like 97 I used to go to this guy who

701  
00:31:19,880 --> 00:31:17,820  
was claiming to be some Palladian walk

702  
00:31:22,730 --> 00:31:19,890  
in Seoul where the soul of the Palladian

703  
00:31:24,290 --> 00:31:22,740  
took over his body whatever you know the

704  
00:31:26,690 --> 00:31:24,300  
lectures were really good the snacks

705  
00:31:28,400 --> 00:31:26,700  
were great but people would say oh look

706  
00:31:31,130 --> 00:31:28,410  
there's a UFO oh look at that and I'm

707  
00:31:33,980 --> 00:31:31,140  
like there's nothing there what do you

708  
00:31:35,900 --> 00:31:33,990  
people sing of course now we said now

709  
00:31:36,830 --> 00:31:35,910  
the bass study says they can make some

710  
00:31:41,180 --> 00:31:36,840  
people see things that some people

711  
00:31:42,860 --> 00:31:41,190  
cannot see things he talked about six

712  
00:31:44,420 --> 00:31:42,870  
families and they talked about the

713  
00:31:45,650 --> 00:31:44,430

Denver International Airport and all the

714

00:31:47,120 --> 00:31:45,660

stuff that's there and I've been there

715

00:31:48,320 --> 00:31:47,130

and that's weird stuff I don't know if

716

00:31:50,210 --> 00:31:48,330

you guys have seen Denver International

717

00:31:51,770 --> 00:31:50,220

Airport but there's some really weird

718

00:31:55,370 --> 00:31:51,780

stuff there on the walls that paintings

719

00:32:01,790 --> 00:31:55,380

are you know like death it's really

720

00:32:03,980 --> 00:32:01,800

weird I have thought about writing a

721

00:32:06,020 --> 00:32:03,990

short a summary I just have to do it

722

00:32:07,490 --> 00:32:06,030

I've taken a little bit off the last

723

00:32:09,560 --> 00:32:07,500

couple of days still not sleeping

724

00:32:16,790 --> 00:32:09,570

because I can't sleep past 5:30 in the

725

00:32:19,700 --> 00:32:16,800

morning my most interesting thing is

726  
00:32:21,620 --> 00:32:19,710  
just to see how people ER people react

727  
00:32:25,310 --> 00:32:21,630  
to this just the basic crash retrieval

728  
00:32:26,720 --> 00:32:25,320  
because if it's in their face I mean how

729  
00:32:27,950 --> 00:32:26,730  
old the stock market react they think

730  
00:32:29,720 --> 00:32:27,960  
it'll be anything

731  
00:32:35,860 --> 00:32:29,730  
I'm thinking if anything it would go

732  
00:32:40,220 --> 00:32:38,750  
have no idea about route Mount Rushmore

733  
00:32:41,630 --> 00:32:40,230  
and this isn't not about the New York

734  
00:32:43,220 --> 00:32:41,640  
Times credibility this is about the

735  
00:32:45,380 --> 00:32:43,230  
witnesses they bring forward because I

736  
00:32:46,700 --> 00:32:45,390  
get annoyed people talk to the one of

737  
00:32:48,260 --> 00:32:46,710  
the people who's in there Wilson Davis

738  
00:32:49,160 --> 00:32:48,270

documents who I contacted I got his

739

00:32:50,450 --> 00:32:49,170

number from somebody

740

00:32:52,280 --> 00:32:50,460

he's like the New York Times is a

741

00:32:53,870 --> 00:32:52,290

liberal mouthpiece I'm like doesn't

742

00:32:56,000 --> 00:32:53,880

matter who puts the story out it's the

743

00:32:58,010 --> 00:32:56,010

witnesses the witnesses and the

744

00:33:00,050 --> 00:32:58,020

documents that's all you care about it

745

00:33:01,640 --> 00:33:00,060

could be UFO geonet if I have those

746

00:33:03,380 --> 00:33:01,650

witnesses and they came forward you know

747

00:33:04,700 --> 00:33:03,390

and they're going public it doesn't

748

00:33:13,010 --> 00:33:04,710

matter if it's in the New York Times

749

00:33:15,320 --> 00:33:13,020

it's just a horrible argument sorry oil

750

00:33:17,120 --> 00:33:15,330

futures would go down but I mean yeah

751

00:33:18,860 --> 00:33:17,130

but this is not free energy we don't

752

00:33:22,910 --> 00:33:18,870

have it supposedly and that's not the

753

00:33:24,230 --> 00:33:22,920

announcement John Peterson it's funny

754

00:33:26,000 --> 00:33:24,240

Mike you're the one that called in and

755

00:33:28,610 --> 00:33:26,010

asked me about the the put off comment

756

00:33:30,110 --> 00:33:28,620

now looking back on it who knows you

757

00:33:33,530 --> 00:33:30,120

know it's like it was a weird way to end

758

00:33:35,210 --> 00:33:33,540

that that lecture it's like maybe he was

759

00:33:36,440 --> 00:33:35,220

spoken to who knows if he was he

760

00:33:38,780 --> 00:33:36,450

wouldn't be able to talk about it if he

761

00:33:40,490 --> 00:33:38,790

was threatened you know why would but

762

00:33:42,050 --> 00:33:40,500

why would Peterson make put him on the

763

00:33:42,710 --> 00:33:42,060

spot if that story was true it was

764

00:33:45,470 --> 00:33:42,720

really weird

765

00:33:47,270 --> 00:33:45,480

do you guys haven't seen it was it was

766

00:33:48,860 --> 00:33:47,280

the Hal how put off lecture in West

767

00:33:51,110 --> 00:33:48,870

Virginia at the very end John Peterson

768

00:33:53,000 --> 00:33:51,120

who hosted it he says is it true Steven

769

00:33:55,070 --> 00:33:53,010

Greer said that your family and you and

770

00:33:57,200 --> 00:33:55,080

your family were threatened with death

771

00:33:58,820 --> 00:33:57,210

or you know violence whatever he says if

772

00:34:00,530 --> 00:33:58,830

you didn't if you didn't stop working on

773

00:34:02,780 --> 00:34:00,540

free energy and he and they have stopped

774

00:34:04,700 --> 00:34:02,790

working on that so it's like and I

775

00:34:07,820 --> 00:34:04,710

thought I was like no that's that's not

776

00:34:10,010 --> 00:34:07,830

true so now looking back I'm like I

777

00:34:12,409 --> 00:34:10,020

don't know you know it was really weird

778

00:34:13,820 --> 00:34:12,419

ending to that lecture and Mike brought

779

00:34:15,350 --> 00:34:13,830

it up on one of the shows I did here in

780

00:34:22,490 --> 00:34:15,360

Vegas and I was I was kind of like now

781

00:34:23,750 --> 00:34:22,500

now it's like maybe I have no idea what

782

00:34:24,830 --> 00:34:23,760

the New York evidence is I don't know if

783

00:34:30,690 --> 00:34:24,840

the New York Times is putting out so

784

00:34:36,220 --> 00:34:34,149

Steven Greer well if if the theory that

785

00:34:41,349 --> 00:34:36,230

they're negative is right that see that

786

00:34:44,379 --> 00:34:41,359

ce-5 initiative is is BS I mean if it's

787

00:34:45,520 --> 00:34:44,389

just it's just a trick it's like I said

788

00:34:47,800 --> 00:34:45,530

to somebody if there are spiritual

789

00:34:49,330 --> 00:34:47,810

beings here and positive I which I think

790

00:34:50,830 --> 00:34:49,340

yeah you know I haven't if I'm gonna

791

00:34:51,970 --> 00:34:50,840

believe the other stuff or be open to it

792

00:34:53,980 --> 00:34:51,980

I'll be open to that I don't think they

793

00:34:55,899 --> 00:34:53,990

need craft you don't need to go out and

794

00:35:01,690 --> 00:34:55,909

see them and that will piss off a lot of

795

00:35:03,760 --> 00:35:01,700

ce-5 guys but you know I don't know but

796

00:35:05,650 --> 00:35:03,770

if if it's if it's part of if you

797

00:35:06,820 --> 00:35:05,660

believe the theory that trying to

798

00:35:08,349 --> 00:35:06,830

distract us into thinking it's

799

00:35:10,930 --> 00:35:08,359

extraterrestrial that would be that

800

00:35:12,370 --> 00:35:10,940

would be another way to do that but I

801  
00:35:14,740 --> 00:35:12,380  
don't know I mean it's like I said it's

802  
00:35:16,780 --> 00:35:14,750  
a theory

803  
00:35:17,890 --> 00:35:16,790  
and that would be controversial theory

804  
00:35:20,650 --> 00:35:17,900  
because I have friends who were into

805  
00:35:21,130 --> 00:35:20,660  
ce-5 so I have never had an interest in

806  
00:35:23,020 --> 00:35:21,140  
doing that

807  
00:35:27,900 --> 00:35:23,030  
I've thought about it and definitely do

808  
00:35:30,760 --> 00:35:27,910  
not know you know where is it

809  
00:35:32,230 --> 00:35:30,770  
gods of Eden he talks about William

810  
00:35:34,240 --> 00:35:32,240  
Bramley talks about how he first found

811  
00:35:36,130 --> 00:35:34,250  
out you start researching the book and

812  
00:35:38,260 --> 00:35:36,140  
he stopped twice because it was - it was

813  
00:35:40,330 --> 00:35:38,270

so crazy cuz I can't publish this this

814

00:35:42,880 --> 00:35:40,340

is insane twice he stopped

815

00:35:46,270 --> 00:35:42,890

it's a crazy theory it's so outlandish

816

00:35:47,800 --> 00:35:46,280

from what we know and he goes at all and

817

00:35:50,650 --> 00:35:47,810

he starts writing he goes all the stuff

818

00:35:52,690 --> 00:35:50,660

that I'm finding Wars everything traces

819

00:35:53,890 --> 00:35:52,700

back to the UFO and I did not expect to

820

00:35:56,740 --> 00:35:53,900

find that that's where I am in the book

821

00:35:59,109 --> 00:35:56,750

right now the audio it's really good

822

00:36:00,760 --> 00:35:59,119

it's a long it's a it's not an easy read

823

00:36:04,020 --> 00:36:00,770

because he goes into wars and goes into

824

00:36:06,760 --> 00:36:04,030

secret societies all that stuff yeah so

825

00:36:07,930 --> 00:36:06,770

check it out and I'm gonna read that

826

00:36:11,710 --> 00:36:07,940

other book you guys mentioned that I'm

827

00:36:13,180 --> 00:36:11,720

glad you did New York Times would have

828

00:36:18,280 --> 00:36:13,190

to have for it to get past the editors

829

00:36:21,910 --> 00:36:18,290

it has to be decent you know you know I

830

00:36:23,109 --> 00:36:21,920

know people ce-5 I think I do think

831

00:36:32,920 --> 00:36:23,119

there's something there I just don't

832

00:36:36,400 --> 00:36:32,930

trust that it's et thanks Edward I'll do

833

00:36:38,320 --> 00:36:36,410

it as much as I can and I know I'm

834

00:36:40,410 --> 00:36:38,330

saying stuff that cannot be proven who

835

00:36:42,520 --> 00:36:40,420

was it today's the guy who wrote the

836

00:36:43,480 --> 00:36:42,530

Hynek book he's like so you're saying

837

00:36:46,120 --> 00:36:43,490

the New York Times is going

838

00:36:48,960 --> 00:36:46,130

talk about love bombs that kill

839

00:36:51,670 --> 00:36:48,970

extraterrestrials I'm like no that's me

840

00:36:53,230 --> 00:36:51,680

reading talking out loud there's always

841

00:36:56,050 --> 00:36:53,240

in New York time just go New York Times

842

00:36:58,000 --> 00:36:56,060

it's gonna be scientists they can get

843

00:36:59,410 --> 00:36:58,010

who knows if Nolan will be part of that

844

00:37:01,840 --> 00:36:59,420

one materials I hope it's not just

845

00:37:03,820 --> 00:37:01,850

materials it's gotta be it has to be

846

00:37:05,440 --> 00:37:03,830

large pieces that supposedly somebody

847

00:37:07,300 --> 00:37:05,450

somebody's been in one of the program

848

00:37:09,820 --> 00:37:07,310

said we have large pieces we have an

849

00:37:11,140 --> 00:37:09,830

intact craft little pieces that are

850

00:37:17,800 --> 00:37:11,150

tested aren't going to move the needle

851  
00:37:19,060 --> 00:37:17,810  
in my opinion plus the whole planet is

852  
00:37:20,740 --> 00:37:19,070  
going to hell I mean if you bullet if

853  
00:37:24,160 --> 00:37:20,750  
you think the environments I mean the

854  
00:37:25,540 --> 00:37:24,170  
environment and lots of stuff going on

855  
00:37:26,890 --> 00:37:25,550  
you know it's like I don't know much

856  
00:37:28,420 --> 00:37:26,900  
time we have if you believe the

857  
00:37:29,350 --> 00:37:28,430  
scientists who study that to like you

858  
00:37:31,330 --> 00:37:29,360  
know we have a certain amount of time

859  
00:37:33,130 --> 00:37:31,340  
where it's the point of no return so

860  
00:37:35,230 --> 00:37:33,140  
something's gotta go something's got to

861  
00:37:37,600 --> 00:37:35,240  
happen and these beings I would think if

862  
00:37:40,030 --> 00:37:37,610  
they need us they need to they need to

863  
00:37:41,470 --> 00:37:40,040

do something because as a species if we

864

00:37:43,690 --> 00:37:41,480

died out you know I was talking about

865

00:37:45,220 --> 00:37:43,700

how kovat is not an extinction level

866

00:37:47,050 --> 00:37:45,230

event but the way people are acting like

867

00:37:48,790 --> 00:37:47,060

maybe it is people aren't even people

868

00:37:50,140 --> 00:37:48,800

are going in bars why would you go in I

869

00:37:52,600 --> 00:37:50,150

don't understand going in a bar I

870

00:37:55,330 --> 00:37:52,610

understand people can't stay at home

871

00:37:56,980 --> 00:37:55,340

forever but go to a casino in a bar when

872

00:37:59,230 --> 00:37:56,990

when it's when the numbers of sky rock

873

00:38:01,060 --> 00:37:59,240

and I don't understand that at all and I

874

00:38:03,130 --> 00:38:01,070

know the economy has to run and that's

875

00:38:04,690 --> 00:38:03,140

the problem with our system if we don't

876

00:38:06,220 --> 00:38:04,700

consume stuff the economy tanks and

877

00:38:09,160 --> 00:38:06,230

that's that's a big problem

878

00:38:11,170 --> 00:38:09,170

it's somebody mentioned capitalism it's

879

00:38:12,790 --> 00:38:11,180

not just capital is it's every ISM the

880

00:38:13,690 --> 00:38:12,800

whole system we have to consume stuff

881

00:38:15,550 --> 00:38:13,700

and it sucks

882

00:38:17,350 --> 00:38:15,560

and it's not an easy that's what I will

883

00:38:19,450 --> 00:38:17,360

write how I'm gonna break that system

884

00:38:23,080 --> 00:38:19,460

where we don't have to consume you know

885

00:38:24,370 --> 00:38:23,090

if you read its Jacque fresco he talks

886

00:38:25,630 --> 00:38:24,380

about a system in the future where we

887

00:38:28,420 --> 00:38:25,640

would not be do you know it would be

888

00:38:29,350 --> 00:38:28,430

totally different and that's I don't

889

00:38:33,160 --> 00:38:29,360

think we're gonna see that in my

890

00:38:35,890 --> 00:38:33,170

lifetime but that's part of the I forget

891

00:38:37,750 --> 00:38:35,900

which its Peter Joseph's work I forget

892

00:38:45,030 --> 00:38:37,760

what he calls it you guys might have

893

00:38:49,900 --> 00:38:48,160

but the Collins elite Chris they might

894

00:38:51,250 --> 00:38:49,910

be on to something you know if if the

895

00:38:53,410 --> 00:38:51,260

long is saying this is all bad they're

896

00:38:55,150 --> 00:38:53,420

feeding off our emotions the Collins

897

00:38:56,740 --> 00:38:55,160

elite I could I could see their point of

898

00:38:59,079 --> 00:38:56,750

view I just don't understand just

899

00:39:00,970 --> 00:38:59,089

leaving it alone if they know it if they

900

00:39:04,450 --> 00:39:00,980

not like if DeLong's theory is correct

901  
00:39:07,180 --> 00:39:04,460  
and they know that then we have to study

902  
00:39:09,910 --> 00:39:07,190  
it we have to get planet involved you

903  
00:39:11,380 --> 00:39:09,920  
know no more it would end countries if

904  
00:39:14,349 --> 00:39:11,390  
we could somehow prove that this was

905  
00:39:16,690 --> 00:39:14,359  
going on people would unite in theory

906  
00:39:21,250 --> 00:39:16,700  
you know well you know people how humans

907  
00:39:23,260 --> 00:39:21,260  
are so I don't know I don't know

908  
00:39:24,370 --> 00:39:23,270  
anything except the documents are real

909  
00:39:25,750 --> 00:39:24,380  
and that New York Times is working on

910  
00:39:28,319 --> 00:39:25,760  
our article the two things I know and

911  
00:39:30,640 --> 00:39:28,329  
UFOs are real and I have the theories

912  
00:39:32,470 --> 00:39:30,650  
the long mention something about viruses

913  
00:39:35,319 --> 00:39:32,480

being part of beautiful phenomenon whom I

914

00:39:36,940 --> 00:39:35,329

would like to hear that because that's

915

00:39:38,710 --> 00:39:36,950

you want to talk conspiracy and I'm not

916

00:39:40,870 --> 00:39:38,720

gonna do that David I go that the

917

00:39:43,120 --> 00:39:40,880

hospitals are empty there's nobody in

918

00:39:44,650 --> 00:39:43,130

here it's like such why would

919

00:39:47,530 --> 00:39:44,660

he do that and destroy his reputation I

920

00:39:49,660 --> 00:39:47,540

mean hospitals are hospitals are packed

921

00:39:52,480 --> 00:39:49,670

not every hospital but you know

922

00:39:54,370 --> 00:39:52,490

California Texas if you want to make an

923

00:39:56,230 --> 00:39:54,380

argument that it was created in a lab

924

00:39:59,319 --> 00:39:56,240

and somehow it is you know it got out

925

00:40:03,970 --> 00:39:59,329

okay but the whole it's not a big deal

926

00:40:06,490 --> 00:40:03,980

it's just it's just I hope people wake

927

00:40:09,069 --> 00:40:06,500

up on that I only go out for food and I

928

00:40:10,510 --> 00:40:09,079

don't eat out I get takeout why would I

929

00:40:12,010 --> 00:40:10,520

take that chance I'm lucky for

930

00:40:15,460 --> 00:40:12,020

unemployment if unemployment runs out

931

00:40:17,200 --> 00:40:15,470

and they in Nevada their people have not

932

00:40:19,059 --> 00:40:17,210

got one dime of not one dime of

933

00:40:21,099 --> 00:40:19,069

unemployment not one dime since the

934

00:40:22,660 --> 00:40:21,109

beginning it's amazing I not how these

935

00:40:24,849 --> 00:40:22,670

people are going and the governor

936

00:40:26,680 --> 00:40:24,859

refuses to go on the news Democrat

937

00:40:28,150 --> 00:40:26,690

governor refuses to go on the news no

938

00:40:31,870 --> 00:40:28,160

spokesman will talk about it was on last

939

00:40:36,250 --> 00:40:31,880

night so that's insane I have the

940

00:40:37,930 --> 00:40:36,260

federal 600 plus 47 dollars a week but

941

00:40:39,220 --> 00:40:37,940

the other one the PUF because I'm a

942

00:40:40,599 --> 00:40:39,230

freelancer I didn't get I have not

943

00:40:43,390 --> 00:40:40,609

gotten one dime but the other stuff has

944

00:40:44,890 --> 00:40:43,400

been good I could pay the bills with the

945

00:40:46,660 --> 00:40:44,900

other stuff but some people I don't know

946

00:40:49,150 --> 00:40:46,670

how they're getting pain for food or

947

00:40:52,240 --> 00:40:49,160

anything and rent moratorium is about to

948

00:40:57,859 --> 00:40:52,250

end so could get really ugly you know

949

00:41:05,490 --> 00:41:02,160

where did he talk about viruses yeah

950

00:41:07,170 --> 00:41:05,500

sorry to hear that Christopher does

951  
00:41:08,970 --> 00:41:07,180  
Biden know anything Biden would have to

952  
00:41:11,549 --> 00:41:08,980  
know he would have to I would think he

953  
00:41:13,859 --> 00:41:11,559  
would have to know something since he

954  
00:41:15,990 --> 00:41:13,869  
could win you know maybe not and you

955  
00:41:18,120 --> 00:41:16,000  
know presidents are the ones that don't

956  
00:41:20,640 --> 00:41:18,130  
get the real big secrets because they're

957  
00:41:23,069 --> 00:41:20,650  
only in office for eight years and as

958  
00:41:24,720 --> 00:41:23,079  
will said it's the Savile civil servants

959  
00:41:27,049 --> 00:41:24,730  
who stay in for a long time they're the

960  
00:41:29,520 --> 00:41:27,059  
ones that will find out up a certain

961  
00:41:33,270 --> 00:41:29,530  
unacknowledged special access project

962  
00:41:41,549 --> 00:41:33,280  
programs so I don't know what Biden

963  
00:41:43,470 --> 00:41:41,559

would know nicole says they could be

964

00:41:45,120 --> 00:41:43,480

both physical and non-physical well I

965

00:41:48,839 --> 00:41:45,130

think it originates non-physical and

966

00:41:51,960 --> 00:41:48,849

then turns it to physical that is hard

967

00:41:53,670 --> 00:41:51,970

for people to accept not in our world in

968

00:41:55,440 --> 00:41:53,680

our world we talk about manifesting and

969

00:41:57,630 --> 00:41:55,450

we talk about if people who look at the

970

00:41:59,280 --> 00:41:57,640

skull experiment this manifestations

971

00:42:02,069 --> 00:41:59,290

there there's airports which grant talks

972

00:42:04,260 --> 00:42:02,079

about stuff coming out of thin air I do

973

00:42:05,400 --> 00:42:04,270

not you know in the Bible Christians

974

00:42:07,230 --> 00:42:05,410

would say yeah when you talk to the

975

00:42:08,819 --> 00:42:07,240

spirits that they're the spirits they're

976

00:42:10,890 --> 00:42:08,829

not the spirits they're deceiving you

977

00:42:13,289 --> 00:42:10,900

and I am open to that now where before I

978

00:42:14,609 --> 00:42:13,299

wasn't unlike that could be if they're

979

00:42:15,930 --> 00:42:14,619

that all-powerful they can mimic

980

00:42:20,309 --> 00:42:15,940

anything they could go through your

981

00:42:21,780 --> 00:42:20,319

memories back in the 1800s I don't know

982

00:42:23,280 --> 00:42:21,790

what the purpose of that would be but in

983

00:42:24,690 --> 00:42:23,290

the 1800 there were mediums that

984

00:42:26,730 --> 00:42:24,700

allegedly could bring the actual

985

00:42:28,500 --> 00:42:26,740

physical spirit into the room so it

986

00:42:29,940 --> 00:42:28,510

wasn't just audio you could see them you

987

00:42:31,140 --> 00:42:29,950

can touch them there's some amazing

988

00:42:33,359 --> 00:42:31,150

books on that and you read them you're

989

00:42:35,420 --> 00:42:33,369

like this sounds believable as crazy as

990

00:42:38,609 --> 00:42:35,430

it is the details shared in those books

991

00:42:40,620 --> 00:42:38,619

but is that really the dead I don't know

992

00:42:42,270 --> 00:42:40,630

I mean I'm skeptical that the dead are

993

00:42:46,140 --> 00:42:42,280

bothering with us and I do you think we

994

00:42:48,480 --> 00:42:46,150

survive death that's another thing in

995

00:42:50,700 --> 00:42:48,490

the end of gods of Eden I've read it

996

00:42:52,380 --> 00:42:50,710

elsewhere it says do not go towards a

997

00:42:56,520 --> 00:42:52,390

light when you die you'll see the light

998

00:42:59,309 --> 00:42:56,530

it's a trick I think Bromley talks about

999

00:43:01,200 --> 00:42:59,319

how it's a it's a it's a trick to get

1000

00:43:03,480 --> 00:43:01,210

you to reincarnate because they need as

1001  
00:43:05,549 --> 00:43:03,490  
many people on this planet as they can

1002  
00:43:06,930 --> 00:43:05,559  
for the energy they're getting from us

1003  
00:43:08,260 --> 00:43:06,940  
and if we don't reincarnate and

1004  
00:43:10,990 --> 00:43:08,270  
eventually

1005  
00:43:12,250 --> 00:43:11,000  
if they're screwed I think that's

1006  
00:43:13,840 --> 00:43:12,260  
Bramley that talks about that

1007  
00:43:15,790 --> 00:43:13,850  
he definitely talks about not going

1008  
00:43:19,000 --> 00:43:15,800  
towards the light which I remember when

1009  
00:43:21,070 --> 00:43:19,010  
I first read that I was like what how

1010  
00:43:22,540 --> 00:43:21,080  
the heck am I supposed to know to go

1011  
00:43:25,000 --> 00:43:22,550  
towards the light or not when I die I

1012  
00:43:27,900 --> 00:43:25,010  
mean how am I supposed to overcome that

1013  
00:43:34,780 --> 00:43:27,910

trick so it's a really interesting and

1014

00:43:38,440 --> 00:43:34,790

troubling theory an idea yeah I know the

1015

00:43:42,370 --> 00:43:38,450

light who the hell knows what's episode

1016

00:43:51,340 --> 00:43:42,380

4 of TTS a crash retrievals I know it's

1017

00:43:53,050 --> 00:43:51,350

not well I don't know how I can schedule

1018

00:43:54,520 --> 00:43:53,060

TV appearances when the article comes

1019

00:43:57,070 --> 00:43:54,530

out but if people want to have me on I

1020

00:44:00,040 --> 00:43:57,080

will do it I do not have a face or voice

1021

00:44:04,440 --> 00:44:00,050

for TV but favorite UFO case of all time

1022

00:44:06,670 --> 00:44:04,450

for me probably the the Phoenix lights

1023

00:44:08,860 --> 00:44:06,680

because I remember when it finally came

1024

00:44:10,510 --> 00:44:08,870

out in the USA Today and it came out in

1025

00:44:13,330 --> 00:44:10,520

multiple places at once I'm like this is

1026

00:44:15,190 --> 00:44:13,340

kind of this seems like it's it's

1027

00:44:16,810 --> 00:44:15,200

coordinated why do they all have the

1028

00:44:19,690 --> 00:44:16,820

story on the same day I mean that the

1029

00:44:21,940 --> 00:44:19,700

deciding was March 13th I think USA

1030

00:44:23,620 --> 00:44:21,950

Today did it maybe July or August I

1031

00:44:25,600 --> 00:44:23,630

remember being outside in New York on my

1032

00:44:32,250 --> 00:44:25,610

deck and I remember having the article

1033

00:44:34,780 --> 00:44:32,260

and showing people that was 90 97 was it

1034

00:44:47,450 --> 00:44:34,790

you guys remember Phoenix lights was

1035

00:44:53,360 --> 00:44:49,680

the whole Kurt Russell thing I know he

1036

00:44:55,200 --> 00:44:53,370

came out he had was 97 for me the whole

1037

00:44:57,570 --> 00:44:55,210

synchronicity thing the fact that I was

1038

00:44:59,100 --> 00:44:57,580

friends with will Miller and then now

1039

00:45:00,990 --> 00:44:59,110

I'm close with our Davis is kind of

1040

00:45:02,130 --> 00:45:01,000

interesting you know it's all really

1041

00:45:04,260 --> 00:45:02,140

only wait I think that was really

1042

00:45:07,980 --> 00:45:04,270

impactful to the story especially will I

1043

00:45:09,510 --> 00:45:07,990

mean will first said you can ask me two

1044

00:45:11,100 --> 00:45:09,520

questions and like I'm asking people

1045

00:45:12,720 --> 00:45:11,110

what's your question should I answer ask

1046

00:45:13,890 --> 00:45:12,730

him and then he's like he wrote back he

1047

00:45:15,090 --> 00:45:13,900

said I didn't mean you just had two

1048

00:45:15,870 --> 00:45:15,100

questions you could start out with that

1049

00:45:17,550 --> 00:45:15,880

am i okay

1050

00:45:19,200 --> 00:45:17,560

I asked if you look there's a lot of

1051  
00:45:20,850 --> 00:45:19,210  
questions he answered almost every one

1052  
00:45:22,470 --> 00:45:20,860  
of them and I took out some questions I

1053  
00:45:24,300 --> 00:45:22,480  
was gonna ask him about a tip you know

1054  
00:45:25,860 --> 00:45:24,310  
how did the a tip get money get taken

1055  
00:45:28,110 --> 00:45:25,870  
away you had said that sometimes the

1056  
00:45:29,760 --> 00:45:28,120  
special access programs will vacuum up

1057  
00:45:31,650 --> 00:45:29,770  
money from other programs that are

1058  
00:45:32,820 --> 00:45:31,660  
similar but he said I don't think he did

1059  
00:45:34,410 --> 00:45:32,830  
answer that off-camera so I don't think

1060  
00:45:38,250 --> 00:45:34,420  
that's what happened

1061  
00:45:40,140 --> 00:45:38,260  
so he was amazing and my plan is to go

1062  
00:45:41,730 --> 00:45:40,150  
visit him in the fall and if I do I'm

1063  
00:45:44,880 --> 00:45:41,740

probably gonna drive I am NOT flying

1064

00:45:46,530 --> 00:45:44,890

anytime I think fall is gonna be bad he

1065

00:45:49,230 --> 00:45:46,540

lives in a really nice area he doesn't

1066

00:45:52,170 --> 00:45:49,240

have a fancy house as the Admiral said

1067

00:45:54,150 --> 00:45:52,180

in the notes but it's a nice area you

1068

00:45:55,380 --> 00:45:54,160

know it's not that expensive now it

1069

00:45:57,030 --> 00:45:55,390

probably is back then it was probably

1070

00:45:58,520 --> 00:45:57,040

probably only a couple hundred thousand

1071

00:46:02,280 --> 00:45:58,530

for the house it's not on the beach but

1072

00:46:06,360 --> 00:46:02,290

he's a great guy he's older 76 and I'm

1073

00:46:07,710 --> 00:46:06,370

sure he's gonna be reclusive a little

1074

00:46:09,690 --> 00:46:07,720

bit for now because all this stuff's

1075

00:46:10,590 --> 00:46:09,700

gonna hit the fan it's gonna be I think

1076

00:46:14,330 --> 00:46:10,600

it's gonna be crazy

1077

00:46:16,140 --> 00:46:14,340

I hope it's I hope it's everywhere

1078

00:46:17,790 --> 00:46:16,150

opinion if the government says there's

1079

00:46:20,790 --> 00:46:17,800

no abductions yeah I don't I don't know

1080

00:46:22,170 --> 00:46:20,800

I really don't know you know I think

1081

00:46:23,340 --> 00:46:22,180

John Mac came to the conclusion that

1082

00:46:25,890 --> 00:46:23,350

they were spiritual they were not

1083

00:46:31,530 --> 00:46:25,900

physical Christian people have scars so

1084

00:46:33,150 --> 00:46:31,540

I don't know and I think as a military I

1085

00:46:36,840 --> 00:46:33,160

don't think to mean why would the

1086

00:46:40,350 --> 00:46:36,850

military fake abductions and then we

1087

00:46:50,539 --> 00:46:40,360

have the my on my lap stuff yeah I don't

1088

00:47:02,089 --> 00:46:52,529

what children are has still haven't

1089

00:47:04,229 --> 00:47:02,099

experiences how many people in here 29

1090

00:47:07,339 --> 00:47:04,239

at least we got it going I'm glad you

1091

00:47:14,400 --> 00:47:12,779

how 84 for how you know I think I don't

1092

00:47:15,930 --> 00:47:14,410

think Hal is gonna just spill the beans

1093

00:47:18,029 --> 00:47:15,940

on everything he knows from every

1094

00:47:21,029 --> 00:47:18,039

clearance he has and what he's learned

1095

00:47:24,890 --> 00:47:21,039

but he could he could share some stuff

1096

00:47:27,420 --> 00:47:24,900

you know he knows a lot of stuff and so

1097

00:47:28,890 --> 00:47:27,430

I'm curious to see what he's talked

1098

00:47:31,769 --> 00:47:28,900

he'll probably I would think he's in the

1099

00:47:33,299 --> 00:47:31,779

article I would like to see non UFO

1100

00:47:36,289 --> 00:47:33,309

people I would like to see no you know

1101

00:47:39,630 --> 00:47:36,299

besides Davis put-off Miller

1102

00:47:41,400 --> 00:47:39,640

maybe Elizondo I would like to see

1103

00:47:43,859 --> 00:47:41,410

scientists involved and people who have

1104

00:47:46,259 --> 00:47:43,869

never heard of so I hope that happens it

1105

00:47:48,239 --> 00:47:46,269

can't be the same people it you know I

1106

00:47:50,130 --> 00:47:48,249

don't think that'll move the needle as

1107

00:47:54,150 --> 00:47:50,140

much as we need it who the heck knows

1108

00:47:55,920 --> 00:47:54,160

where they have but it should come out

1109

00:47:58,140 --> 00:47:55,930

soon because now that they know other

1110

00:47:59,969 --> 00:47:58,150

people have it they don't want to be

1111

00:48:01,289 --> 00:47:59,979

beat to the punch so I would think it

1112

00:48:04,259 --> 00:48:01,299

can be any time now and I'm sure the

1113

00:48:05,519 --> 00:48:04,269

editors are aware of it you cannot be if

1114

00:48:07,189 --> 00:48:05,529

you've been working on this story for a

1115

00:48:09,329 --> 00:48:07,199

year you cannot get beat to the punch

1116

00:48:12,140 --> 00:48:09,339

there may be something coming out that's

1117

00:48:14,160 --> 00:48:12,150

shorter you know unless involved which

1118

00:48:15,420 --> 00:48:14,170

which if you are like the Washington

1119

00:48:18,410 --> 00:48:15,430

Post or political I think that would be

1120

00:48:22,920 --> 00:48:18,420

a mistake to make you look desperate

1121

00:48:24,809 --> 00:48:22,930

but I'm waking up every day starting

1122

00:48:26,939 --> 00:48:24,819

tomorrow and and I always check my phone

1123

00:48:28,799 --> 00:48:26,949

but tomorrow especially it could happen

1124

00:48:29,939 --> 00:48:28,809

that's - can happen tonight I mean you

1125

00:48:32,609 --> 00:48:29,949

guys remember when the New York Times

1126

00:48:39,359 --> 00:48:32,619

article dropped in 2017 was it Sunday

1127

00:48:41,549 --> 00:48:39,369

afternoon Kaku would be interesting but

1128

00:48:43,680 --> 00:48:41,559

we need people who are connected to this

1129

00:48:44,309 --> 00:48:43,690

program Kaku has opinions that's not

1130

00:48:46,499 --> 00:48:44,319

enough

1131

00:48:48,059 --> 00:48:46,509

what is Nield what's housing neil

1132

00:48:50,670 --> 00:48:48,069

degrasse tyson gonna react to this or

1133

00:48:52,469 --> 00:48:50,680

Seth Shostak and it's funny I actually

1134

00:48:53,519 --> 00:48:52,479

agree with I might agree with Shostak

1135

00:48:54,930 --> 00:48:53,529

that there's no evidence of

1136

00:48:57,209 --> 00:48:54,940

extraterrestrials because it's not

1137

00:48:59,880 --> 00:48:57,219

extraterrestrial he's right allegedly

1138

00:49:01,760 --> 00:48:59,890

allegedly they could be coming here

1139

00:49:09,020 --> 00:49:01,770

through wormholes you know they

1140

00:49:11,090 --> 00:49:09,030

to travel light speed Zimbabwe Zimbabwe

1141

00:49:11,840 --> 00:49:11,100

is a great case that movies gonna do

1142

00:49:21,070 --> 00:49:11,850

really well

1143

00:49:26,480 --> 00:49:25,190

the New York Times is releasing an

1144

00:49:28,040 --> 00:49:26,490

article because we heard the

1145

00:49:33,740 --> 00:49:28,050

conversation early a month and a half

1146

00:49:35,450 --> 00:49:33,750

ago John that Ralph Blumenthal was

1147

00:49:37,130 --> 00:49:35,460

looking into it and doing some fact

1148

00:49:39,020 --> 00:49:37,140

finding on that Wilson Davis documents

1149

00:49:41,060 --> 00:49:39,030

which are all about crash retrievals and

1150

00:49:42,920 --> 00:49:41,070

then I spoke to sources and sources and

1151  
00:49:46,520 --> 00:49:42,930  
sources and they confirmed it and good

1152  
00:49:49,070 --> 00:49:46,530  
sources so we knew that they were

1153  
00:49:50,840 --> 00:49:49,080  
interested and then it's gonna be on

1154  
00:49:52,760 --> 00:49:50,850  
crash retrievals and we think they added

1155  
00:49:54,650 --> 00:49:52,770  
the Wilson Davis documents later on so

1156  
00:49:56,300 --> 00:49:54,660  
it's happening there's no doubt it's

1157  
00:49:57,500 --> 00:49:56,310  
just a matter of getting through the

1158  
00:49:59,210 --> 00:49:57,510  
editing process and now that there's

1159  
00:50:00,680 --> 00:49:59,220  
competitors I cannot see that I cannot

1160  
00:50:02,840 --> 00:50:00,690  
see The Times backing down and missing

1161  
00:50:04,790 --> 00:50:02,850  
out on this what up what a disaster

1162  
00:50:06,290 --> 00:50:04,800  
Matson they they've worked eight months

1163  
00:50:08,690 --> 00:50:06,300

or whatever it was and then the

1164

00:50:11,900 --> 00:50:08,700

Washington Post front page has the story

1165

00:50:13,130 --> 00:50:11,910

so it's it's it's I'd be shocked if it

1166

00:50:22,130 --> 00:50:13,140

doesn't happen in the New York Times

1167

00:50:23,420 --> 00:50:22,140

soon no I'm not pacing my evidence on a

1168

00:50:25,060 --> 00:50:23,430

New York Times story on the route

1169

00:50:27,260 --> 00:50:25,070

Blumenthal called that was the beginning

1170

00:50:29,510 --> 00:50:27,270

that was a month and a half ago I've

1171

00:50:31,340 --> 00:50:29,520

spoken to so many people so I mean

1172

00:50:32,900 --> 00:50:31,350

people I never thought I would speak to

1173

00:50:33,950 --> 00:50:32,910

and it's not like I spoke to a Lozano is

1174

00:50:36,470 --> 00:50:33,960

anything like that it's just other

1175

00:50:38,060 --> 00:50:36,480

people who eventually you will know

1176

00:50:40,040 --> 00:50:38,070

about it's just I don't want even say

1177

00:50:41,420 --> 00:50:40,050

who what they do but people who know a

1178

00:50:44,210 --> 00:50:41,430

lot of stuff and we're willing you know

1179

00:50:45,650 --> 00:50:44,220

we shared information and it's like I

1180

00:50:46,940 --> 00:50:45,660

would hear something and then I would

1181

00:50:48,290 --> 00:50:46,950

hear from somebody else and then I hear

1182

00:50:49,760 --> 00:50:48,300

somebody yells and today I got some

1183

00:50:51,470 --> 00:50:49,770

information and it's solid information

1184

00:50:53,570 --> 00:50:51,480

it's happening so I don't even want to

1185

00:50:54,560 --> 00:50:53,580

debate that it's gonna happen quick too

1186

00:50:56,180 --> 00:50:54,570

it's not like we have to wait around

1187

00:50:58,970 --> 00:50:56,190

like I talked about the other stuff

1188

00:51:00,350 --> 00:50:58,980

that's esoteric that's if that's if

1189

00:51:02,390 --> 00:51:00,360

that's true we're not gonna hear about

1190

00:51:03,980 --> 00:51:02,400

it that's a search on your own that's

1191

00:51:06,920 --> 00:51:03,990

you know deep dive but this is gonna

1192

00:51:08,510 --> 00:51:06,930

happen soon so that's why I was so you

1193

00:51:09,980 --> 00:51:08,520

know in George on coast to coast he's

1194

00:51:12,200 --> 00:51:09,990

like does it bother you at all that

1195

00:51:13,940 --> 00:51:12,210

people take shot something no I it's fun

1196

00:51:15,290 --> 00:51:13,950

I know it's I know it's happening I have

1197

00:51:17,240 --> 00:51:15,300

no doubts though it's

1198

00:51:18,500 --> 00:51:17,250

do you want to do it like you're gonna

1199

00:51:19,700 --> 00:51:18,510

you're gonna make your own bed you're

1200

00:51:21,800 --> 00:51:19,710

gonna look foolish you know I mean

1201  
00:51:23,330 --> 00:51:21,810  
that's why I didn't doesn't bother me

1202  
00:51:24,710 --> 00:51:23,340  
it's not like it's it's gonna be years

1203  
00:51:27,020 --> 00:51:24,720  
from now I have to wait and put up with

1204  
00:51:28,460 --> 00:51:27,030  
that I know it's coming and like I said

1205  
00:51:30,020 --> 00:51:28,470  
today I found out another source said

1206  
00:51:31,100 --> 00:51:30,030  
yep it's happening this happened this

1207  
00:51:32,660 --> 00:51:31,110  
happened this happened I'm like I know

1208  
00:51:38,750 --> 00:51:32,670  
it's still great to hear it from another

1209  
00:51:40,100 --> 00:51:38,760  
person you know yeah I know I don't know

1210  
00:51:41,720 --> 00:51:40,110  
about the backwards universe but there's

1211  
00:51:43,490 --> 00:51:41,730  
an article out there one that made you

1212  
00:51:45,290 --> 00:51:43,500  
know kind of poked fun at it saying it's

1213  
00:51:46,610 --> 00:51:45,300

not true but who knows that was a

1214

00:51:49,220 --> 00:51:46,620

mainstream article but you can search

1215

00:51:52,340 --> 00:51:49,230

that you'll find it it's a little above

1216

00:51:55,940 --> 00:51:52,350

my brain grade a reversed you know that

1217

00:51:57,890 --> 00:51:55,950

stuff the science is above me blue beam

1218

00:52:05,180 --> 00:51:57,900

you know I mean blue beam is the fake

1219

00:52:07,430 --> 00:52:05,190

the alien invasion right if we have yeah

1220

00:52:08,780 --> 00:52:07,440

sources the sources I would never

1221

00:52:10,400 --> 00:52:08,790

thought I would have these sources you

1222

00:52:13,240 --> 00:52:10,410

know people willing to talk and tell me

1223

00:52:15,740 --> 00:52:13,250

stuff which is really nice

1224

00:52:17,180 --> 00:52:15,750

that's why I'd rather don't I give a lot

1225

00:52:18,770 --> 00:52:17,190

I give a lot of opinions that's why I

1226

00:52:22,130 --> 00:52:18,780

don't say I'm a journalist I like giving

1227

00:52:23,330 --> 00:52:22,140

my opinions because I'm opinionated not

1228

00:52:25,130 --> 00:52:23,340

that I could do it growing up because

1229

00:52:27,710 --> 00:52:25,140

nobody in my family wanted to talk about

1230

00:52:32,350 --> 00:52:27,720

this but my sisters did take me to a

1231

00:52:35,090 --> 00:52:32,360

Bigfoot /uf own will be in 74 I think

1232

00:52:37,040 --> 00:52:35,100

you know and I was I really liked it and

1233

00:52:38,540 --> 00:52:37,050

then cold Close Encounters came in 77

1234

00:52:40,190 --> 00:52:38,550

and I had this shirt I have a picture of

1235

00:52:41,770 --> 00:52:40,200

me playing drums with that shirt on it

1236

00:52:45,590 --> 00:52:41,780

pisses me off that I can't find it I

1237

00:52:49,670 --> 00:52:45,600

love that movie and now it might be a

1238

00:52:51,320 --> 00:52:49,680

lot it's part of the lie they they put

1239

00:52:53,180 --> 00:52:51,330

the they put the idea into the riders

1240

00:52:56,330 --> 00:52:53,190

head I don't feel Spielberg wrote that

1241

00:52:58,160 --> 00:52:56,340

but uh they're here to help us they're

1242

00:53:04,300 --> 00:52:58,170

all here or they're happy little guys

1243

00:53:08,180 --> 00:53:06,230

what's the movie that's negative I'm

1244

00:53:12,170 --> 00:53:08,190

thinking it was um the arrival of

1245

00:53:13,250 --> 00:53:12,180

Charlie Sheen I liked that one too yeah

1246

00:53:15,170 --> 00:53:13,260

I don't know about the fake of alien

1247

00:53:16,070 --> 00:53:15,180

invasion I mean I've heard about it

1248

00:53:17,780 --> 00:53:16,080

somebody brought it up the other day

1249

00:53:19,730 --> 00:53:17,790

innocent you gotta watch this video it's

1250

00:53:21,530 --> 00:53:19,740

this Project Blue Beam I'm like yeah I

1251  
00:53:22,820 --> 00:53:21,540  
know about it I'm sorry I'm too busy in

1252  
00:53:25,550 --> 00:53:22,830  
my article I can't take the time to

1253  
00:53:27,440 --> 00:53:25,560  
watch this you gotta watch it Book of

1254  
00:53:28,850 --> 00:53:27,450  
Enoch I need to know more about I know

1255  
00:53:32,840 --> 00:53:28,860  
it's one of the extra

1256  
00:53:35,450 --> 00:53:32,850  
books we need somebody who was in one of

1257  
00:53:36,890 --> 00:53:35,460  
these programs that would be great even

1258  
00:53:38,780 --> 00:53:36,900  
if it's anonymous if they were able to

1259  
00:53:41,120 --> 00:53:38,790  
check his background and talk and check

1260  
00:53:42,770 --> 00:53:41,130  
everything he says you know multiple

1261  
00:53:45,590 --> 00:53:42,780  
especially if it's Helene Cooper who

1262  
00:53:47,120 --> 00:53:45,600  
writes with a Pentagon and she says yeah

1263  
00:53:48,440 --> 00:53:47,130

we checked him out this is a this is a

1264

00:53:50,000 --> 00:53:48,450

real person he worked in this program

1265

00:53:52,310 --> 00:53:50,010

and he talks about saying yeah we work

1266

00:53:54,620 --> 00:53:52,320

on have an intact craft they're thinking

1267

00:53:56,890 --> 00:53:54,630

it that that's what we need you know I

1268

00:53:59,990 --> 00:53:56,900

really think I'm hoping but who knows

1269

00:54:03,580 --> 00:54:00,000

you know they may be we don't know how

1270

00:54:13,280 --> 00:54:06,770

grandma Hancock I saw him in lecture in

1271

00:54:15,230 --> 00:54:13,290

2000 2005 he spoke about ayahuasca I'm

1272

00:54:16,610 --> 00:54:15,240

sure he brought up the Gnostics and it

1273

00:54:19,520 --> 00:54:16,620

didn't really ring a bell back then I've

1274

00:54:22,790 --> 00:54:19,530

heard archons I think the whole

1275

00:54:24,860 --> 00:54:22,800

hallucinogenic thing where people it's

1276  
00:54:26,330 --> 00:54:24,870  
been demonized I think that's part of it

1277  
00:54:29,060 --> 00:54:26,340  
you know it's like it's a way for people

1278  
00:54:30,860 --> 00:54:29,070  
to access another reality open up their

1279  
00:54:33,980 --> 00:54:30,870  
minds and I don't I don't do drugs I

1280  
00:54:35,870 --> 00:54:33,990  
mean smoke pot so but I would I would

1281  
00:54:37,400 --> 00:54:35,880  
consider ayahuasca it's a but you have

1282  
00:54:39,800 --> 00:54:37,410  
to be serious about that it's a big deal

1283  
00:54:41,510 --> 00:54:39,810  
I just so happen to live in a city where

1284  
00:54:44,540 --> 00:54:41,520  
the one of the most respected ayahuasca

1285  
00:54:46,340 --> 00:54:44,550  
practitioners late lives and it's it's

1286  
00:54:47,660 --> 00:54:46,350  
like 400 bucks for two sessions it's not

1287  
00:54:53,360 --> 00:54:47,670  
that expensive there are other ones a

1288  
00:54:54,800 --> 00:54:53,370

charge a thousand or more so it's a

1289

00:54:56,720 --> 00:54:54,810

little scary to think about if you read

1290

00:55:00,010 --> 00:54:56,730

up on ayahuasca there's all kinds of

1291

00:55:03,080 --> 00:55:00,020

experiences vomiting diarrhea fright

1292

00:55:05,510 --> 00:55:03,090

fearful stuff but and it's long it lasts

1293

00:55:07,040 --> 00:55:05,520

like eight nine hours each time you take

1294

00:55:10,580 --> 00:55:07,050

it and it's putrid

1295

00:55:12,050 --> 00:55:10,590

so the demonizing of all that stuff the

1296

00:55:15,320 --> 00:55:12,060

whole war on drugs and makes me wonder

1297

00:55:19,700 --> 00:55:15,330

you know why it was because I don't know

1298

00:55:22,550 --> 00:55:19,710

when it was it was 2000s it was Peter

1299

00:55:24,710 --> 00:55:22,560

Jennings did a special on ecstasy called

1300

00:55:27,200 --> 00:55:24,720

ecstasy rise ecstasy rising and I was

1301

00:55:28,670 --> 00:55:27,210

like I cannot believe ABC is doing a

1302

00:55:30,830 --> 00:55:28,680

special on ecstasy but it's probably

1303

00:55:32,510 --> 00:55:30,840

gonna be don't do ecstasy and you could

1304

00:55:34,370 --> 00:55:32,520

find us on YouTube but it was not about

1305

00:55:37,550 --> 00:55:34,380

not doing ecstasy it was basically

1306

00:55:40,670 --> 00:55:37,560

telling you to do ecstasy it had been

1307

00:55:41,770 --> 00:55:40,680

used by therapists early on when it

1308

00:55:45,950 --> 00:55:41,780

first was

1309

00:55:47,870 --> 00:55:45,960

created um I forget who made it but they

1310

00:55:49,700 --> 00:55:47,880

said it's amazing for people who have

1311

00:55:51,170 --> 00:55:49,710

cancer or end-of-life issues and other

1312

00:55:53,510 --> 00:55:51,180

people just change their life and it was

1313

00:55:55,640 --> 00:55:53,520

Peter Jennings from ABC so yeah look

1314

00:55:57,470 --> 00:55:55,650

that up look it up on 8 on YouTube it's

1315

00:56:00,170 --> 00:55:57,480

amazing called x2 City rising you might

1316

00:56:02,390 --> 00:56:00,180

be able to find it elsewhere I could not

1317

00:56:04,070 --> 00:56:02,400

believe that went out as slow this day

1318

00:56:05,930 --> 00:56:04,080

is the most positive thing you'll ever

1319

00:56:07,700 --> 00:56:05,940

want to see on a drug all you hear is

1320

00:56:10,100 --> 00:56:07,710

like Oh ecstasy people die from it

1321

00:56:12,560 --> 00:56:10,110

overdosed and their Heat overheated and

1322

00:56:13,940 --> 00:56:12,570

they die like yeah that's true but if

1323

00:56:15,650 --> 00:56:13,950

you watch that special - like that's

1324

00:56:17,540 --> 00:56:15,660

such a minority of people and they were

1325

00:56:18,980 --> 00:56:17,550

giving out bad information so people did

1326

00:56:20,780 --> 00:56:18,990

it for themselves and it found out that

1327

00:56:23,510 --> 00:56:20,790

they weren't dying so that they didn't

1328

00:56:31,760 --> 00:56:23,520

trust the government so anybody else see

1329

00:56:33,080 --> 00:56:31,770

that special portals or trans being I

1330

00:56:34,910 --> 00:56:33,090

don't know what trans being but portals

1331

00:56:36,410 --> 00:56:34,920

yeah yeah especially skinwalker that's

1332

00:56:39,790 --> 00:56:36,420

maybe a lot of stuff is coming through

1333

00:56:42,020 --> 00:56:39,800

there and maybe they you know

1334

00:56:44,090 --> 00:56:42,030

skinwalkers there's some stories he

1335

00:56:45,440 --> 00:56:44,100

reads like how the heck dogface it seems

1336

00:56:47,300 --> 00:56:45,450

like they can create anything that's why

1337

00:56:48,830 --> 00:56:47,310

I say that you know mile two mile long

1338

00:56:51,680 --> 00:56:48,840

craft this is if they can create

1339

00:56:54,020 --> 00:56:51,690

anything it's like dog face beings a

1340

00:56:55,430 --> 00:56:54,030

thing that can run a next to your car

1341

00:56:56,780 --> 00:56:55,440

high speed you read some of those

1342

00:56:59,390 --> 00:56:56,790

stories of some of the witnesses you

1343

00:57:01,100 --> 00:56:59,400

know some of the law enforcement law

1344

00:57:02,860 --> 00:57:01,110

enforcement witnesses so it's crazy

1345

00:57:04,820 --> 00:57:02,870

stuff that goes on there maybe as

1346

00:57:07,630 --> 00:57:04,830

Brandon fumaroles talked about I think

1347

00:57:09,470 --> 00:57:07,640

he said maybe the veil is so thin there

1348

00:57:11,870 --> 00:57:09,480

portal and that's why they can come

1349

00:57:13,400 --> 00:57:11,880

through there but it's a negative thing

1350

00:57:15,920 --> 00:57:13,410

I don't care you know I know we put to

1351

00:57:18,170 --> 00:57:15,930

put euthanize dogs and cats every year

1352

00:57:19,670 --> 00:57:18,180

but there's no reason why that thing had

1353

00:57:20,960 --> 00:57:19,680

to kill three dogs at the ranch you know

1354

00:57:22,910 --> 00:57:20,970

there's nothing you know somebody said

1355

00:57:24,800 --> 00:57:22,920

well it got too close to them and they

1356

00:57:26,120 --> 00:57:24,810

were the orb was afraid of the dogs

1357

00:57:27,230 --> 00:57:26,130

might give me a break and then somebody

1358

00:57:29,390 --> 00:57:27,240

said well they were just trying to send

1359

00:57:31,340 --> 00:57:29,400

the message it's not negative am i

1360

00:57:33,380 --> 00:57:31,350

you're bending over backwards trying to

1361

00:57:36,530 --> 00:57:33,390

say it's not negative and then that then

1362

00:57:39,200 --> 00:57:36,540

the or blood horses off that that allege

1363

00:57:40,910 --> 00:57:39,210

into water horses broke legs died once

1364

00:57:43,640 --> 00:57:40,920

again no reason for that that's negative

1365

00:57:45,320 --> 00:57:43,650

trying to get an emotion you know feed

1366

00:57:46,370 --> 00:57:45,330

off the emotion of reacting seeing that

1367

00:57:49,010 --> 00:57:46,380

scene your dogs dead

1368

00:57:52,859 --> 00:57:49,020

seeing horses get injured that's what I

1369

00:57:58,650 --> 00:57:55,279

yeah the the DIA age and saw the symbol

1370

00:58:00,120 --> 00:57:58,660

so it's like what was that Navajo

1371

00:58:01,410 --> 00:58:00,130

Rangers Knothole Rangers I've watched

1372

00:58:06,180 --> 00:58:01,420

their videos that's where I got some of

1373

00:58:07,920 --> 00:58:06,190

the information yeah I don't know what

1374

00:58:09,059 --> 00:58:07,930

to think of Pandolfi and Smith

1375

00:58:11,309 --> 00:58:09,069

I know people there's one person I spoke

1376

00:58:14,700 --> 00:58:11,319

to loved Pandolfi and I was like what

1377

00:58:16,170 --> 00:58:14,710

I've heard nothing but bad my interview

1378

00:58:18,690 --> 00:58:16,180

with dalan was wondering what will Mill

1379

00:58:22,769 --> 00:58:18,700

is up to teeth Miller is retired as far

1380

00:58:24,359 --> 00:58:22,779

as I know hanging out does not openly

1381

00:58:26,430 --> 00:58:24,369

talk to UFOs but I think it'll be in the

1382

00:58:33,269 --> 00:58:26,440

article

1383

00:58:39,749 --> 00:58:33,279

see you later Corbis yeah so I got lucky

1384

00:58:43,410 --> 00:58:39,759

I spoke to him right after Leslie spoke

1385

00:58:45,989 --> 00:58:43,420

to him so I got really lucky and I got

1386

00:58:48,120 --> 00:58:45,999

lucky that he had not agreed to anything

1387

00:58:59,400 --> 00:58:48,130

at that point as far as exclusivity so I

1388

00:58:59,410 --> 00:59:05,260

features

1389

00:59:10,960 --> 00:59:08,950

I think I'm gonna take off for now I'm

1390

00:59:14,020 --> 00:59:10,970

gonna get ready for you then I need to

1391

00:59:16,090 --> 00:59:14,030

do some studying so I'll do this again

1392

00:59:20,410 --> 00:59:16,100

tomorrow if I'm home

1393

00:59:24,150 --> 00:59:20,420

which I should be and hopefully we get

1394

00:59:29,950 --> 00:59:27,850

all right guys it's been good you know

1395

00:59:31,480 --> 00:59:29,960

anybody up next time you gonna anything

1396

00:59:33,550 --> 00:59:31,490

in the notes the notes are so irrelevant

1397

00:59:35,520 --> 00:59:33,560

to me at this point because they're real

1398

00:59:37,780 --> 00:59:35,530

but I'm gonna take off

1399

00:59:40,600 --> 00:59:37,790

thank you everybody will be we'll do
